A PHOENIX JOURNAL

COPYRIGHT POSITION STATEMENT AND DISCLAIMER

The Phoenix Journals are intended as a "real time" commentary on current events, how current events relate to past events and the relationships of both to the physical and spiritual destinies of mankind.

All of history, as we now know it, has been revised, rewritten, twisted and tweaked by selfishly motivated men to achieve and maintain control over other men. When one can understand that everything is comprised of "energy" and that even physical matter is "coalesced" energy, and that all energy emanates from God's thought, one can accept the idea that the successful focusing of millions of minds on one expected happening will cause it to happen.

If the many prophecies made over thousands of years are accepted, these are the "end times" (specifically the year 2000, the second millennium, etc.). That would put us in the "sorting" period and only a few short years from the finish line. God has said that in the end-times would come the WORD--to the four corners of the world--so that each could decide his/her own course toward, or away from, divinity--based upon TRUTH.

So, God sends His Hosts--Messengers--to present that TRUTH. This is the way in which He chooses to present it, through the Phoenix Journals. Thus, these journals are Truth, which cannot be copyrighted; they are compilations of information already available on Earth, researched and compiled by others (some, no doubt, for this purpose) which should not be copyrighted. Therefore, these journals are not copyrighted (except SIPAPU ODYSSEY which is "fiction").

The first sixty or so journals were published by America West Publishing which elected to indicate that a copyright had been applied for on the theory that the ISBN number (so necessary for booksellers) was dependent upon the copyright. Commander Hatonn, the primary author and compiler, insisted that no copyrights be applied for and, to our knowledge, none were.

If the Truth is to reach the four corners of the world, it must be freely passed on. It is hoped that each reader will feel free to do that, keeping it in context, of course.

REC #1 HATONN

SATURDAY, APR. 7, 1990 7:30 A.M. YEAR 3 DAY 234

AND LOTS ABOUT SKELETONS AND STAINED LAUNDRY IN THE CLOSET

I am Commander Gyeorgos Ceres Hatonn, Intergalactic Federation Command. Now, other than to KNOW that I am here in service to the Creator Source and under direct Command of the one Sacred Circle of Infinity, the Christos, recognized as Esu Jesus Emmanuel Sananda, The Pale Prophet and other AKAs, please set this author aside. This is to identify myself that you might realize my information is intended for service unto the Lighted Command and not that of Satanic influences.

Within these pages will come some subject matter that is probably mind numbing to many of you readers and therefore I request that you quietly go within into your inner sanctuary and read with a very open mind--and, read it ALL, please. The confirmation shall be coming in a very short period of time as ones find these things made public--so shall they come to witness the truth of it.

We honor the brave and daring tellers of truth who have come before to a sleeping society and have mostly been sacrificed on the altar of secrecy and deception.

I scatter things from extra low frequency beams to counterfeit money via German Nazis in the Antarctic funnelled through Japan and flooding your markets because I desire to shock you into attention--and then we can take the events in sequence that you can recognize the truth of the Journals.

I will start right off in this "Introduction" being aggressively open with you precious children of the lie for it is time you know truth. I ask for protection of this scribe in that all who can print and reprint, please so do. There are daring publishers about your placement, The New Federalist, The Spotlight and small ones like the Wisconsin Report. There are individuals who also dare, such as Antony Sutton, Ron Paul, Gary North, John King, Arthur Robinson, Steven Jacobson, Patrick Wood, Youth Action News, The Lyke Report -- the list is too long to list all but they are out there for confirming. With the opening up and acceptance of possibilities there are ones in the various communities of researchers such as William Cooper, Beau Gritz, beloved Gabriel Green, etc. There are ones who have denounced me as evil and Dharma as influenced by evil. This is not true and those ones shall also come into total understanding of the facts and cease their discounting. The old saying upon your place of "sticks and stones can break the bones but truth can never hurt you" is indeed so, truth shall set ye free and naught save truth shall set ye free. You are in the time of chaos and great and magnificent are the plans and conspiracies against you and yet, great and magnificent are the wondrous things you can do to place sprags into the

wheels of the conspirators--if you first recognize that which is the problem. First, recognize the problem then the solutions can flow. So be it.

I am attempting to set the stage from that which has happened in the not too distant past, some decade or so, in that you might recognize the signs of the present along with a glimpse of how these things affect your perceived future. You must look carefully beyond that which is given unto you for you are given exactly that which your slave masters would have you be given.

Once you can understand where events are heading, and why, you will no longer be mystified and caught by surprise by the turbulent events. But no one can grasp anything about what the future holds unless he has learned the lessons of the past.

Let us consider events long past in your perception of time. The Second World War and the French Third Republic in 1940 is a good example to place herein. The collapse of France in the face of Hitler's military machine was shocking, but as you will see, inevitable. The seeds of defeat had already been sown in France during the preceding years when France refused to recognize the reality of the threat and take action to protect herself. Dear ones, it is pretty much like America in this decade, France was eaten alive from within by spies; yet like America today, France felt safe behind its "Maginot" line, and for public consumption there were continuous assurances that French military forces were adequate to maintain French security. The ability of France to defend herself turned out to be pure fiction. When the moment of truth arrived, the fine images and the deception collapsed, and with them the French Republic.

U.S. AT THE POINT OF TRUTH

Today the United States of America is at the point of truth. You are in a period of massive decay, self-deception and image making that parallels and surpasses that of the French Republic. If you desire a mirror, I suggest you read the book *THE TWILIGHT OF FRANCE* by Alexander Werth.

It is not that the defeat of France was surprising, it is that the failure to preserve the fruits of her great victory which would preserve her security were cast aside.

The U.S. continues to bask and sleep in the afterglow of victory long since completely dead; and like France in 1940, you have failed to preserve minimum guarantees for your own security. America has slipped farther than France because under the guise of Arms Limitation you have shut down your air defense systems, military bases and navy installations--you have abandoned the defense of your own homeland. No, chelas, to you who say "God abhors war and weapons and training indicates war", nay--defense indicates attention and preparedness. God expects you to defend that which is God-ness and stand ready against invaders of truth.

Historians cannot find any precedent in history for such suicidal action by any great

power. The twilight of the United States is guaranteed that it is humanly impossible for the U.S. either to turn aside or to win a war with the Soviets, for instance--and that is only for starters. Only a miracle could do that--do you deserve a miracle? Have you attended God's laws and the balance of the Laws of The Creation in that you deserve miracles? Instead of the faith in God that built the United States, most Americans now put their faith in the United States itself as if it were a godlike being that could never go wrong and never be defeated. Wrong! A government is made up of very clay-footed tools--mostly of Satan's troops. You laugh at the politicians--is it truly funny? Read that which Ron Paul tells you of "Teddy" Kennedy in his recent newsletter and see if you truly desire to laugh--or perhaps vomit!

In May of 1978, in the midst of the Moscow meetings between your Mr. Vance and Mr. Gromyko, a Soviet spokesman reiterated for the last time in clear terms that this was America's last chance to sign a SALT II treaty; and despite the seeming improvement in the tone of the talks and regardless of the seeming Soviet willingness to keep talking about SALT II, this was America's last chance to surrender by that route. The Russians knew that the Carter administration was simply stalling for time, they knew about the Operation Desk Top and the other ad hoc efforts to find some military threat of significance to aim at the Soviet Union, and they knew about the Rockefeller moves to try to turn China into a credible deterrent--but it was all too little and much, much too late.

Oh, you say, "But it is all different now!" No, it is far, far worse now! What you see now is far worse than anything that has ever come upon your world prior to now and yet it appears so wondrously positive. I plead with you to hear me, beloved ones, for the remnant shall be small indeed if you do not listen-up.

You simply cannot believe the incredible weapons available for your annihilation for you were goodly peoples and you did not notice when the deceptions came and the evil began to eat your children alive and spit them out. You did not notice when you began to break all the laws of God--every one. You were told by your mental health psychiatrists that it would balance your emotional beingness. It has destroyed your country and your citizens by the large majority and enslaved you--**YOU ARE NOT FREE, YOU HAVE A POLICE STATE AND ARE COMPLETELY CONTROLLED!**

The Soviets have never turned from their laid forth plans--they have never become wishy-washy in their intent. Oh, their citizens have no more knowledge about politics than do you--but always, people and citizens are the pawns, especially in an overpopulated world headed for One World Global Rule. People are THE expendable commodity. The elite will depopulate the world in any manner feasible--through starvation, disease--you name it, it will be utilized.

Whatever is planned between the elite of nations is equally heinous because the agreements are made to be broken at appropriate and unsuspecting times so that war occurs on "your side", whichever side that might be.

The Kremlin has committed itself to a step-by-step clearing of the decks for war and so have your government participants who work with them under the covers. They have left you without even the ability to have a shelter system in which to survive-- YOU OF THE U.S. HAVE BECOME THE EXPENDABLES. "THEY" CANNOT GET RID OF THE AMERICANS AS THEY ARE GETTING RID OF MANY AFRICAN AND THIRD WORLD COUNTRIES, THROUGH FAMINE AND DISEASE, AND WEATHER AND DISASTER CONTROL. OH OH! HATONN HAS DONE IT NOW--WEATHER AND DISASTER CONTROL? OH YES, WHILE YOU SLEPT, "RIP VAN" THE ALERT BECAME THE SLAVE MASTERS! IT IS ALL INVENTED AND PERFECTED AND IT IS ALL IN USE UPON YOUR PLANET! YOU DO NOT HAVE TO INVENT WHEELS AGAIN; NOR DO YOU NEED INVENT FREE-ENERGY SYSTEMS OR BEAMED WIRELESS ELECTRICAL SYSTEMS OR APPARATUS TO CURE AIDS--IT HAS ALL BEEN DONE AND YOU MISSED IT! *NOW YOU STAND ASIDE AND CAST STONES AT THIS SCRIBE FOR TELLING YOU TRUTH. YOU ALLOW HER, AND WE OF THE "INFORMERS" TO BE RIDICULED AND STONED--BY THE VERY ONES WHO CLAIMED TO BRING TRUTH FORTH--AND YE ALLOW OF IT, JUST AS YE DID IN JERUSALEM 2000 YEARS PAST. IT WILL NOT MAKE OF THE TRUTH TO GO AWAY--IT DOES ALLOW GOD'S HOSTS TO TELL YOU, "I TOLD YOU SO AND YE WOULD NOT LISTEN!"*

CHINA AND THE U.S.S.R. STAND READY FOR WAR

Strange thing--China and the U.S.S.R. stand ready for war at a moment's blink of the eye. They have shelters and silos filled with your grain, tank farms filled with your oil and only your elite have elaborate shelter systems where they can ride out the passing of radiation. Further, it will be radiation from neutron resources and beam weaponry in that the physical infrastructures will not be destroyed--only life--ONLY PEOPLE GONE. Further, for those of you who think you are "on the inside" and think you have a safe haven because you have been told the secrets and think you share the security of the havens--forget it--for if you are politicians, you know not how to work and produce and you are the most expendable of all for the healthiest and most adaptable will be kept for workers and producers for the slave masters.

Very important to the Kremlin is the propaganda campaigns which already are well in place. The Soviet Union and your leaders are just bending over backwards to hold hands and smile a lot. Your leaders know that the "invasion" will preferably come in through Canada and up through Mexico. China will be increasingly the focus of attention by both sides, but the sleeping giant should have been left alone, because the pressures and inducements now being showered on China by the Rockefeller interests are tending to make China more revisionist and therefore more similar in many ways to Russia in political thinking.

The Chinese had to bring the students under control for look at that which has happened elsewhere--as quickly as the youth are given freedom and the "rock" groups

get under way--the brainwashing gets intense and mind-control is beamed in and China has no intention of playing the brain drain game.

The sleeping and secret giants are also waking up and while you drowsed, the economy was flooded with counterfeit funds in massive outpouring and the economic shift was set into place by executive orders which will not be broken. Treaty agreements also are in place beyond which Congress cannot lawfully move. You do not even realize that you are in the power of a dictatorial monarchy.

HOPE THROUGH ACTION

Fear? If truth strikes you as "fear", then so be it for God has never been known to have feet of sand. He created you in strength in His very image that you might overcome any and all that is brought unto you---what will you do? Will you simply stand back and blast this scribe for truth? Or, will you stand firm, and refuse to be bulldozed into oblivion? Always it is up to you as it must be "the 'one'" and then unity into a wall which refuses to be plowed down and turned under as expendable rubble from the fields.

The propaganda sets forth to ridicule ones who act in groups to preserve life possibilities and defend themselves. It is more carefully planned than all other propaganda. Let us look at the Prophet group--I make no comment what-so-ever regarding spiritual aspects or valid actions on their part--I only desire that you look at the type of media attention which they receive and the outlandish opinions put forth regarding the group who just wishes to be left alone.

THE MOST IMPORTANT COMPARISON, HOWEVER, IS THE GROUPING OF THAT COMMUNITY WITH THE JIM JONES GUYANA FIASCO. *WELL, I AM GOING TO SHATTER MORE DREAMS---GUYANA WAS SET UP AS A COVER-UP AND JIM JONES IS ALIVE AND VERY WELL IN ISRAEL! AND ON THAT NOTE, I WILL CLOSE THIS INTRODUCTION AND MOVE ON TO OUR NEXT JOURNAL AND TELL YOU ABOUT GUYANA AND A FEW OTHER LITTLE NON-HAPPENINGS LIKE YOUR SHUTTLE FLIGHTS WHICH NEVER GOT FURTHER THAN AUSTRALIA IN LARGE MEASURE. DO NOT OH AND AH AND BE EMBARRASSED--GET ON YOUR ATTENTION LINE AND SEE THAT WHICH HAS BEEN FED UNTO YOU IN COVER-UP AND SECRECY.*

This book is dedicated to the remnant few who will see and understand in time--for there is yet time, if you do not dawdle longer.

ALL DISASTERS ARE NOT "NATURAL"

As time moves into high gear hereon, you will be plagued increasingly by sabotage and by acts of geophysical warfare--such as storms, floods, artificial earthquakes, especially in California, and then larger widespread earth shifting as efforts are given over to natural upheavals triggered by these bombardments. The Plan is all but

perfection for even the Japanese know they are destined to fall in a massive earthquake and think they are making preparation by controlling lands elsewhere--unfortunately the evil empire has other plans of world domination.

The Soviets have those cute little cosmospheres which hover overhead. Unlike the U.S. in recent years, the Soviet Union has never forgotten that quantity can be just as important as quality in a weapons system; and in preparation for the coming conflicts, the number of Cosmospheres deployed worldwide and especially over the U.S. is mushrooming. There are thousands of Soviet Cosmospheres armed with Particle Beam weapons now hovering over the United States in strategic places and they, further, have the ability to shift location instantly.

Your government knows of some 20 over Washington, D.C., at least eight over New York, five over Roanoke, Virginia, and five to ten over Phoenix Arizona, alternating with some seven over Sedona because of the large underground installation in Boynton Canyon. This is only for beginners. Also there are Cosmospheres located over ALL military installations, dams, state capital cities and other major cities. A decade ago they were most heavily concentrated in the northeast area of the U.S. and there were only twelve over California and Texas respectively--there are now literally hundreds in place.

This has been known in absolute terms since the Carter administration and along about then was when an all-out nuclear strike (first strike) against Russia was put onto the planning board with a deadline date of September 17, 1982. Many in the Congress have known this also, but they, like the Executive branch, refuse to tell you the truth.

You citizens of the U.S. are very much like the trusting passengers of Korean Air Lines Flight 902--just going along for the ride, trusting your pilots in Washington; and even when you see dramatic and disturbing signs that something is terribly wrong, you as a people refuse to accept the responsibility left to you by the Founders of your Republic. Instead of picking up the Constitutional tools that were left to you to prevent disaster, you react like the passengers on the Korean plane who wondered why the sun was suddenly behind them instead of ahead of them. You think it must be all right, surely "they" must know what they are doing. "They" know all about lies, intrigue and trickery, but "they" know nothing about honest leadership nor do they care about it.

And so the twilight of the Republic of the United States of America is deepening into night and darkness before your eyes. You have turned away from the light of Freedom that comes only from God, and you are flying into the darkness. So be it and may you reach out unto the hand God offers unto you to help see you through and again into the Light.

With blessings and the Grace of God in His infinite mercy, I take my leave from this Journal that we can begin the next. I am Hatonn. I salute you as my brothers in this great experience. Salu, salu and salu.

DEDICATION

This Journal is dedicated unto our beloved and daring participants, from the scribe hereof to the ones who prepare for the printing and the publisher and distributors. There are ones which I must leave unnamed for security in some measure but they are located from Texas to Canada; New York to California and Hawaii. But there are a handful who have and continue to work twenty-four hours a day to get this information out---mostly to a hostile, ridiculing public. It is interesting to watch the laughter from this perspective where the view is ever so much better--the laughing majority are not finding things so very funny any longer and the handwriting is becoming clear--theirs shall not be the last laugh, dear ones, theirs shall not be the last laugh. We tender not to bring you laughter early or lastly, ours is to bring truth and awaken you to your plight for in the knowing is the absolute joy and hope of change and the wondrous balance of Peace.

Through the hardships thrust upon these blessed few comes also the PEACE THAT PASSES UNDERSTANDING AND *THAT PEACE SHALL ENDURE UNTIL THE ENDING OF THEIR LIFESTREAMS--SO BE IT AND AS A COMMANDER IN THEIR SERVICE--I AM HUMBLE AND GRATEFUL AND AM HONORED TO BE ALLOWED THE JOY OF WORKING BESIDE THEM. AHO! FIRSTLY, I AM THINE BROTHER!!*

CHAPTER 1

REC #1 HATONN

MONDAY, FEB. 26, 1990 6:45 A.M. YEAR 3 DAY 194

Hatonn here in the light of the Radiant One, in Service unto Him and unto you.

Our writings, Dharma, shall become more explicit and I recognize, more controversial and painful to confront. Ours, however, is to bring truth of the WORD unto a weary land and peoples. Some will perceive our projections as incredibly hopeless, nay--with truth, God and knowledge, those who "will" can change of life directions and come into safety. Intervention in thy path is not permissible--functioning in response to petition in sincerity in the name of GOD can protect you from anything -- you see, the weapons of choice now are the very weapons we can counter by beam impulse. We cannot interfere, say, with dynamite blowing up unless it be to defuse it by signal beams--or broken dams from earthquakes. Ours is to warn you of the dam break and you get yourself into safety. We warn you about nuclear attack and you build shelters which keep you safe from fallout and viral attack-- you shall also be given protective information for security in beam wave offensive. But YOU will have to utilize it--it will not be dumped upon you.

As we write regarding many subjects, I beg patience. I also beg tolerance. Study the material well, in detail and unto the final pages and THEN make your listings of inquiries. As our time for writing grows more precious, may I ask allowance of answers to flow which are truly not covered in the literature. For instance, I petition you to not get sidetracked on whether or not Mother Mary vs. Esu Jesus said of a thing---the point is, the messages have come from several sources in exact sameness of detail. I will give credit to ones who have brought information elsewhere but mostly, we will simply speak on many things and then list ones who contribute in gifts of knowledge or talent. YOU will find those pieces which fit into the tapestry in areas fitting into thy gifts and talents for no matter how the evil ones chide you--only YOU will reap the rewards or consequences of your actions or non-actions.

I AM THE WORD, SAYETH THE LORD; AND THE WORD IS TRUTH AND WISDOM AND THE TRUTH SHALL SET YOU FREE. IF YOU RECEIVE OF THE TRUTH OF THE WORD, YE SHALL HAVE THAT WHICH YE NEED TO PERFECT THY CIRCUMSTANCE-----*NOAH BUILT AN ARK!*

For those of you who have branded this scribe and we mentors as lacking spiritual input and therefore, cannot be of God, I trust you will hold your tongues for I promise--it will be you who "discount" and "deny" who will too late find of thy error in thought. We welcome all, we exclude none except those who continue in the oath of evil. Further, when they come into understanding, the Master's hand is always extended.

This whole program of projections is to pull the tapestry onto the quilting frame whereby you can see the seriousness of all and then funnel your talents into systematic flowstreams, which can bring you safety---in time to make your passage in security and wisdom.

We welcome all. Further we also ask you if you do not wish to partake of our material--then don't! Cast it aside, but do not come later in the denouncing of us--which has already happened--regarding corporations yet, saying that you were not told. If you have questions which seem unanswered, I plead with you to go back and restudy the documents--you cannot have the whole picture if you do not have all of the roadmap. There will be at least three further major journals following this one and then as many more as you request for the purpose of constant updating. Do you have time? Yes--if you act. No--if you idle awaiting another to do it for you--or await Esu Jesus to save you from yourself--He will not do it, beloved. He can take your hand and pull you into safety but you must first reach out your hand and ask.

He came to Earth these past times in order to "help you save of thy souls"; He is not interested in the physical and when you understand truth, neither shall you be. The body is only useful to you on that plane of participation in experience and if all ye wish to do is horde thy material goods and save of thy fragile frames, ye probably shall be in the losing of both---in the time of death and transition from thy placement in what ye call "natural" progression and death---it all remains separate from the "you". How much do you believe Malcom Forbes brought with him??? Well, he brought all that is truly of any worth or value.

Oh, but you will tell me, "Yes but that wasn't, like, part of this end transition, etc., etc., he just died!" No, he did not "just die", he was a pain in the neck of the Conspirators and was on the brink of causing them a very great amount of trouble "by the written word"--he was ready to begin an uncovering documentation of all that we are uncovering for you herein----and he was "taken out" by cardiac arrest through ELF's (extra low frequency beams). We shall continue the work and honor him for the intent which he was prevented from completing. He did not understand his need for protection for he felt that man is an island unto self and in a "free constitutional country" he would be safe; no, any of you who would act as thinkers in the midst of the dead sleep will be taken out if you are not asking to be within our protection. His thrust was to produce names and stories of the monetary, marketing world and that is the heart-place of evil. So be it, we honor him and pray his heirs have the stamina and bravery to continue his work, at this point it does not appear to be the case. He has much information ready to go to press but all efforts shall be made to stop it. I would hope that his friends such as Elizabeth Taylor who have public impact, will speak out as they come into truth about this which has happened.

I shall tell you in depth about ELF's and other beam systems. It will be frightening and beyond belief unto you ones who are only now opening of thy minds. I urge you to look around you and You will know that we speak truth. Further, after reading of this

document, if you are unimpressed, we shall give you resources whereby you can go unto thy libraries and find of material to give thee your proof.

You no longer need of planes and ships for military purposes, my dear ones, as you have moved into an age of destruction beyond your imagination. I still remind you--it is not the lighted alien from thy "space" which are out to totally control and destroy you---it is from the evil within and upon your surface. Yes, you will find contradiction in thy thoughts regarding that which we have brought you prior to this---it only appears contradictory and that will be explained in most careful detail. It is in regards to space craft which you continue to call UFOs. This is a good label for those illusions for some are simply energy balls or strobes. They are produced on your place or from discs quite physical in your perception for they are constructed (or stolen) and built very physically upon your placement. The conspiracy has great plans for your defrauding and will kill millions to continue that fraud while blaming thy true lighted brothers who stand by to assist you.

For instance, the space craft and brothers which are recently reported in the park in Russia is a good example. The crew were taken into custody, publicly beaten and have been tortured and incarcerated in an effort to discern the plans of God's hosts.

You ones, for the most part, do not realize that there is an entire Nazi placement in your Antarctic with space craft from over 40 years past---do you not think the sophistication might well be all but perfected in the interim 40 years while you all slept soundly in front of your programming boxes? There is a major placement in the area of Sedona and the friendly researchers had a field day with their beam research during what you wondrous children called "Harmonic Convergence" and since. Why do you think you find areas in that location which all but knock you unconscious? Do you really think it is from the "balanced" system? Nay, and you add that beam impact to a body and mind already unbalanced from a mind altering substance and you have instant control by what even you die-hard "be'ers" would find beyond comprehensive. And what did you do? Flock to those pre-prepared place placements scattered all over your world--to get an abundant "dose". You in Sedona, for instance, must continually clear of your spaces and keep the LIGHT SHIELD about you constantly--the Light Shield has a frequency--a measurable frequency which can secure your person--but you have to understand that it is so. I speak of Sedona, but it is in thousands and thousands of locations. This is, however, the major source of impact unto these particular writers.

You will ask, what of Mother Mary? Some of you follow her prophecies and appearances with great interest and belief. Well, continue to do so. Because she reaches so many in other ways, she need not be writing here also for these ones have more than sufficient backup--Christ Sananda and Aton are what you would call the "horse's mouth" also and come through many ones. This is simply a place of compiling the fragments into a useable format. No more and no less. Then take this material and pilfer, publish and plagiarize to the full extent of your ability. Our intent is to deprive no man from his rightful material, but we are talking about the survival of a species

and those who would sue either lie about their intent or are total tools of evil--it would behoove them to apprise themselves of ALL materials coming from this source and evaluate very carefully what they are about. Whether you of the world like of it or not; you are in the final cycle phase.

I am ping to begin this Journal by telling you, again, how it is and how it will be and pray for the buffering of these ones who must "see" it first--and there are many, for that is the material which they can hardly bring themselves to print or speak. Somehow you accuse a "speaker" or "writer" of somehow being the perpetrator of the given act, upon you. If you do not believe of these things we bring--consider them fantasy and cast them aside, but it is most foolish indeed.

Dharma, since we are most often denounced for "not being of God-source in Light", we shall speak of Biblical Prophecies and allow you to see wherein you sit in the timing. We cannot give of you a time--not even the Christos is given a time--it will be when it is in its cycle of perfection and properness of sequence. However, I believe we can show you some pretty interesting bits and pieces of sequence which prove of themselves. So be it and we ask blessings upon this work and protection for these bringers of truth and safety unto their loved ones. Dharma, simply write, please, and allow the visions to pass for ye need not bear the burden greater than thy brother. Peace, child, that you be given protection.

I shall be repeating a lot of prior given information and my resources shall mostly come from the Holy Book most recognized by you ones in this sector. There are other teachings going forth unto other places. This material, however, needs to be translated for, other than exacting U.S. business insight, it is a GLOBAL 2000 PLAN--that means exactly that which it says--GLOBAL.

Let us begin with the Book of Revelation, which is also recognized throughout the world as the Book of the Apocalypse.

Go to your chapter six of that book and find: "And heaven passed away as a scroll that is rolled up." It means that we come as chosen ones to alert mankind now of the prediction of a cleansing of the earth with fire -- unless mankind makes a complete reversal of his willful and evil ways. A WORLDWIDE WARNING IS COMING FORTH WHICH PRECEDES THIS GREAT "CHASTISEMENT" IN AN EFFORT TO RECALL GOD'S CHILDREN TO A LIFE OF GRACE. Let us look at a rather recent update to the outline which has been given many times unto you in your past by ones of the, what you have called, your Holy Church.

Why would we use the "Holy Church"? Because there are the beloved ones of purity who have gone into the convents, etc., and have given their very existence unto the truth of God and Christ. I care not about your "church" hierarchy--the truth has been shown unto children and the most devoted of the humble receivers of truth in truth.

You must rise above the bigotry of thinking that because it comes from "Catholic" vs. "Protestant" that it is invalid---Dharma is none of these things. The ancients know exactly that which is coming and has already presented itself, in fact. Little Crow shall have it all in his writings. I suggest you choose us no favorites but receive the word, instead.

Let us take references which relate most closely to impacting upon the United States since this is where we are writing this portion on this day.

There will come a great revolution in Africa--oh yes, greater than that already under way. There will be great impact upon the U.S. for many very strategic metals are received from Africa by the U.S. and these are needed to build your computers, airplanes, automobiles and other such toys.

This will be followed--overlapping--by great and widespread revolution in western Europe. You have only just begun, dear ones, but surely you can see that which is coming even if it is only in a measure to support the truth of this writing.

There will also be a major revolution in Rome/Italy. These things will be so devastating--stretching from the Middle East and all the way across into the west until it will seem as though it were already the end of the world. You ones really have some very nasty playthings to shoot at one another. Worse, the food supplies will be all but nonexistent and the waters of purity shall be all but nonexistent.

At Garabandal, Spain the word was handed down of how it would be in those places and sent forth as a warning to all nations and peoples; the warning was to allow mankind to make a correction of the conscience of the world. The warning would be like a revelation of your errors, and it would be seen and experienced by "believers" and "non-believers" and people of all religions what-so-ever.

Dying will be preferable to a mere five minutes of what is awaiting you. It will be as fire. It will not burn your flesh as you recognize a flame burning your skin, but you will feel it with your bodies and within your very souls. All nations, everyone will experience it-- not one will be exempt. It will be as though everything has exploded in the sky -- there will be a great and blinding flash! Let us describe it, Dharma. It is a blast of burning heat like the opening of a blast-furnace door in a smelting plant--it feels like intense burning which surrounds the whole being from which the consciousness cannot escape. First the entire of the sky is milky white and the only light is reflected from the whiteness and then the colors which seem to flash and swirl from the deepest tones of blues, purples and crimson---but the golden glow of life itself is not present.

Then from out of the heavens somewhere seems to come a VOICE--A GREAT--VOICE. It is not carried on the winds but rather it is broadcast to every living being and heard from within that none shall be missed. It will tell you that this is "YOUR WARNING BEFORE THE GREAT CHASTISEMENT". There will be the great

flash, the seeming fire, and the voice within---this will be the final warning before the great tribulation of chastisement.

I could herein go into the long story of "illusion" and "personal perception", etc., and re-explain it all unto you but I shall spare that repetition for it is not important in the least---for every fragment of God shall experience it and that means ALL FURTHER, IT WILL BE EXPERIENCED TO THE LEVEL OF KNOWLEDGE AND PROTECTION ALREADY REQUESTED. TO THOSE IN GOD'S SERVICE IN TRUTH AND BALANCE, IT WILL BE EXPERIENCED FAR DIFFERENTLY--IT WILL BE RECOGNITION OF THE SEQUENCE AND LAY FORTH THY "TIMING". IT WILL BE PERCEIVED MORE AS A MOST PAINFUL LAST COUNTDOWN AND THE SADNESS AND PAIN OF THE WORLD SHALL SEEM TO CONSUME YOU--BUT YOU WILL HOLD CLOSE AND PASS ON THROUGH--YOU WILL TAKE THE HAND OF THE BROTHER WHO REACHES OUT UNTO YOU--AND YOU WILL MOVE ON.

There will remain the opportunity for mankind to relook at these WORDS BROUGHT FORTH IN WRITTEN FORMAT AND PICTORIAL FORMAT THAT HE CAN BE TOUCHED AND "KNOW", BUT THE CHOOSING WILL REMAIN TOTALLY HIS INDIVIDUAL DECISION---EACH SHALL DECIDE FOR HIMSELF--NONE SHALL DO IT FOR ANOTHER. THOSE CHILDREN OF GOD WHO HAVE INABILITY OF REASON AND SANE THOUGHT PROCESS SHALL BE GIVEN INTO THE CARE OF THE HOSTS FOR PROTECTION FOR THEY UNDERSTAND NOT IN CONSCIOUSNESS AND THEREFORE, THEIR SOULS ARE PURE AND UNTAINTED AS THE NEWBORN BABE OF LIGHT. THEY SHALL BE TREATED AS THE INNOCENT CHILD. BUT I MUST WARN YOU---THE INNOCENT APPEARING CHILD HOUSES VERY OLD SOULS. THIS POINT IS EXACTLY THAT WHICH THE EVIL BROTHERS HAVE EFFORTED TO CONVINCING YOU IS NOT SO. 'TIS THE "SOUL" WHICH SHALL MEET HIS CREATOR--NOT A FLIMSY PIECE OF FLESH WITH ATTACHED BRAIN-CELLS. IT IS YOUR "ESSENCE DATA SYSTEM" WHICH MEETS ITS CREATOR IN THESE WONDROUS DAYS AHEAD.

Many will make soul transition in the midst of the "warning". All who remain in the light of Grace will have no fear, they will pass through the great warning without what you will call physical suffering to any great extent. But many will die in this great "warning" and there shall be much death to the physical perception.

You of Earth have been given two reprieves--the third shall not be given as such. It is a final WARNING that will come and you will know that the ending play will not be reversed. What you do however, will make a difference in magnificence as to what shall be your experience.

As a signal, I would suggest that whatever your "religion", you pay attention---when the Pope of the Vatican flees Rome and seeks refuge in another land---KNOW THAT THE TIME IS RIPE! It will take place in secrecy but the word shall be leaked out that

he has fled.

Instructions? "Well, so what do we do about it 'High Hat Hatonn'?" and further, from the debunkers of my truth--"You false Hatonn just what do you want us to do?" I CARE NOT WHAT YOU DO! YOU DECIDE THAT WHICH YOU WILL DO! If, however, you happen to believe that I might just be "real" and even possibly THE "real" Hatonn of Space Command in service WITH the Christ and God, you might well begin to practice the following: pray and petition for insight, truth and a Light Shield and do that which you can to inform your brothers and sisters--*FOR THE WARNING IS COMING UPON MANKIND WHATEVER IS YOUR BELIEF AND WHETHER OR NOT YOU RECOGNIZE OF IT AS THAT WHICH IT IS.*

The sky shall roll back like a consuming scroll. This force shall go within the very core of the human being. He will understand his offenses unto God. However, this warning will be of short duration and man shall continue upon his road to perdition for his probability of massive change has not come about, he has only become more mired in the Conspirator's trap. Mankind's hearts are hardened so greatly that it is not likely that he will change, on the whole.

Now, let us go through some other repetitions. There will be tremendously high waves roaring in upon the lands and entire cities, buildings etc., shall disappear from their very moorings; the atmosphere shall spew forth currents of great heat and toxic fumes and the winds shall swirl as the whirlwinds from every direction and flatten great cities and lay waste great portions of the lands and the heat will shrivel of plants and devastate great herds of your animals except those which have been given safety in thy preparations. For those who have made proper preparation, the holocaust shall sweep across you and you shall remain safely within thy well-made bunkers and so will the animals who have been considered and preparations made unto their needs for protection and foods sources laid in.

There shall be a great settling in of a deadly quiet upon mankind following a massive darkness of spirit and a darkness of atmosphere. The very sounds of the Mother Earth shall be heard as the wail of a birthing mother.

As day follows night, shall this warning follow soon now, chelas-- even in thy manner of the counting of days and "time" in thy perception.

As this comes into thy consciousness, move into thy places of safety, beware most specifically of the sunrise--do not look into the sunrise or unto the sky or into the flash. Close your windows and you who have prepared, move within your cave-like bunkers and seal your windows. **REMAIN INSIDE!! NOT VENTURE OUTSIDE YOUR DOOR--DO NOT GO OUT ONCE CLOSED WITHIN FOR IF YOU HAVE PLANNED AND PREPARED THOSE ONES OF YOUR OWN WILL BE IN SHELTER ELSEWHERE AND YOUR HERDS AND FLOCKS WILL HAVE BEEN PLACED IN PROTECTION AS THE WARNING BEGINS. DO NOT GO OUTSIDE--STAY WITHIN--FOR IF YOU LEAVE IN THE MIDST FOR ANY**

REASON, YE SHALL NOT RETURN.

In the midst of the blazing blast, prostrate yourselves as flat against the foundation of the floor or earth and stretch out your extremities while protecting your eyes between your arms for the light will penetrate unto the darkest corners and the energy waves will impact the body while passing through most of the housing material. Some of the beams will most readily be directed through the Earth itself but you can shield yourselves. During the warning, do not struggle to bring your animals within your actual dwelling bunkers for this warning shall be as a warning to the human and the animals of those who remain of well spirit will be taken care of quite nicely. The warning might well come without pre-warning and if so, go within your houses, do not look up to the sky and shield your eyes from the flash! Close your windows! Draw your blinds! AND REMAIN INSIDE!! DO NOT VENTURE OUTSIDE YOUR DOOR, OR YOU WILL NOT RETURN! GET FLAT ON THE FLOOR ON THE LOWEST LEVEL OF YOUR DWELLING AND WITHIN THE DARKEST PORTION, AND FLATTEN YOURSELF AGAINST THE FLOOR IN THE FLATTEST MANNER POSSIBLE.

I FURTHER SUGGEST THAT WHILE YOU ARE PROSTRATE UPON YOUR FLOOR THAT YOU CONTINUALLY PRAY AND PETITION MERCY OF YOUR GOD, THE FATHER FOR WE SHALL BE ALLOWED TO SHIELD THOSE OF YOU WHO ASK IN GOD'S NAME FOR PROTECTION.

Now dear ones, you can disallow all of this to the limits of your narrow little worlds---
-BUT THESE ARE INSTRUCTIONS! DO YOU HEAR ME? THESE ARE INSTRUCTIONS AND IF YOU HEED THE INSTRUCTIONS, YOU WILL BE IN PROTECTION AND NOTHING IS HOPELESS. CONTINUE TO IGNORE THE HELP AND ALL YE SHALL HAVE IS "WISHES". TO "HOPE" AND ACT IS NOT THE SAME AS "WISH" AND WAIT.

I WARN YOU AGAIN--STAY WITHIN DO NOT EVEN GO OUT TO BRING IN THY ANIMALS FOR THEY SHALL BE TENDED AS TO THE PLAN. OH, DEAR ONES, HOW MANY WILL TRY TO GO BACK AND RESTORE THEIR HOMES WHEN IT IS TOO LATE? STAY WHERE YOU ARE FOLLOW THESE INSTRUCTIONS AND WAIT FOR---GOD NEVER LEAVES HIS CHILDREN WITHOUT INSTRUCTIONS IF YOU WILL BUT LISTEN!

Keep candles which are of quality in that you ask blessings upon your choices and actually mentally or verbally, sanctify them, have water set aside for thy needs--within your dwelling place where it can be pulled forth for use without going without your dwelling. Have blankets, quilts or coverings for you will need them for protection first from the heat and then from the frigid chill. And, of course, you will need food to survive for a period of some several days. Later, within this document, we shall outline that which you will need, in greater measure. However, if you are caught, just make sure you have the above items and you will pass through the warning.

As a sign unto you, the candles of those who have remained in the state of Grace shall not be extinguished, but the candles in the homes of those who have given themselves unto Satan shall not burn!!! Children, I say unto you, as night follows day, a great and void of darkness shall descend upon mankind. I ask you to return to the story from your Ancient Holy Book in the Old Testament of Hebrews Chapter 11, verse 7: "By faith, Noah, having been warned concerning things not seen as yet, prepared with picas fear an ark in which to save his household." That means--in respect and knowledge of at which would be forthcoming. Of course onlookers laughed and ridiculed and persecuted him---but guess who had the last laugh!

In your 1978 strong words and warnings were coming forth upon your place from these realms of God. You were told to review the lives of your teachers (which some call "saints") given forth throughout the world to every creed, color and race. All were asked to unite against the common enemy of your God (WHICH IS YOU!). Yet you do not seem to come into understanding in large numbers and many who began quite wisely did not cling only to God and therefore were pulled down and discounted as leaders. Lucifer (Satan) seeks to destroy all that is based on Christ/Creator/Creation. He seeks to destroy this by taking the word of God from among you by substituting a life, a way of life, that is pure and simply, insanity. Will you destroy of thy own children--thy own flesh and blood? That is that which is happening from one generation unto the next--destruction of the very souls of your own creation. WE shall continue to call out unto you for as long as any will hear---turn back for you are falling in great masses, into the abyss! It has naught to do with "religion" or "doctrines" as set forth by man--it is the returning into the direction of God and The Creation; I did not say ye would be judged upon your perfection--but ye must be turned about and in the asking for, else we are asked, we may not intervene for it is the law of the cosmos that free-will man shall have free-will until his individual gifting back unto God, that gift.

If you cannot simply remember to stay in communication and contact by simple thought--then do something which calls your mind to focus--be it a trinket, a rosary, a feather, a string about thy finger---whatever calls thy mind into focus on God and Light and it must be constantly brought into your conscious mind in sincere intent. Empty words will produce naught but empty response. This is the sorting time and you are choosing--you will now get off thy fences, and roadway middles--you shall be in the choosing of thy pathway.

Stay in communication with God and the Hosts, gather your children and friends about you and remain in touch and closeness for you will be guided in appropriateness as the time comes upon you--you will be in the proper placement at the proper time for that is the way of God. Confusion and helter-skelter terror are the way of Satan---BUT YOU MUST LISTEN WITHIN AND HEED THE NUDGES AND THEREBY YOU WILL BE GIVEN INTO THE "KNOWING".

This "Warning" will bring many back unto the Lighted Path for they shall be turned back from their road that leads into the void.

The Warning which will be sent upon many must be effective. And in the mercy of the Father, a great spectacle will then be placed in the sky for all to see. However, the agents of Hell will try to prove -- disprove the hand of the Father in this Miracle. And brothers, herein will be massive tinkering of your evil technicians and discernment shall be rested squarely upon shoulders. The evil Conspiracy has laid in stores, weapons and yes, space craft in order to discredit the lighted brotherhood and dupe the masses. The efforts are greatly underway in the terror tactics of misrepresentation of truth by partial truths which produce incorrect conclusions. I REPEAT; THERE IS NAUGHT TO FEAR FROM THE LIGHTED BROTHERHOOD OF SPACE--THE DANGER AND DESTRUCTION IS ALREADY RAMPANT UPON YOUR PLACEMENT! SO BE IT.

Dharma, allow respite please for we begin to have computer problems at about this point in a given program. We do not want to need repeat the work involved by over-extending the quantity of a given writing. Thank you, chela, and I now move to stand-by that we might continue after rest.

Hatonn to clear, please.

CHAPTER 2

REC #1 HATONN

WEDNESDAY, FEB. 28, 1990 8:30 A.M. YEAR 3 DAY 196

Hatonn present to work on the Journal. Greetings in the Light of Radiance.

MORE EVENTS AND PREPARATION

Man against man, nation against nation and nations against themselves. Today we'll be discussing the coming events and preparation. You must prepare, for what appears to be a changing of attitudes regarding Russia and leadership is only a facade to strengthen the core systems and cause depletion of resources on a mammoth scale. Yesterday was a most important sign--Mr. Gorbachev is being given additional power TO DECLARE WAR, ETC: Why, would that be so important if, indeed, there is peace coming unto your world? *DO NOT BE BLINDED!*

Dharma, you have been shown that which is the Great Warning. Let us now tell thy brothers. In a coming section of this Journal I shall be giving you great and frightening information on "beam systems". The anti-christ has the facilities to kill, mutilate and alter the mind patterns of the entire world. For every space satellite you have in orbit, the Chinese and Russians have more. The system is operable for world-wide control of all money transactions and pinpoint every human on your planet. Further, the facilities are in place to bounce beams, beam beams and generally destroy your planet. The shutdown on ground type military forces and missiles is only important as a "sign". All of those forces will be phased out and you will come under a One World Military force headed by a Russian through the United Nations.

We have been allowed to keep nuclear warheads out of space beyond 150 miles of your surface---but the beam systems are now in place which negates the need for space nuclear installations. The finishing touches are still under finalizing and the major powers of the Joint Cartel are working in synchronized patterns to hone it carefully. The "beam" barrage will now be increased to insure annihilation of dissenters and bring into play total mind control.

You are going to have to turn back unto the Lighted Brotherhood, chelas, or you will fall. You of the people have no manner in which to counter this barrage and you have built no shelters within which to protect yourselves. The barrage of beamed information will simply put you into deeper sleep and keep you unprepared. *THEY CANNOT, HOWEVER, NEUTRALIZE OUR SHIELDS. YOU MUST CONFRONT THAT WHICH IS COMING INTO YOUR PATHWAY, YOU WILL LISTEN TO THOSE ONES WHO SAY "THAT IS OF DARKNESS AND DOOM AND GLOOM"--AH SO, THEY WILL TELL YOU IT IS NOT SPIRITUAL---IT IS THE SPIRITUAL EXPERIENCE OF THY LIFESTREAMS---IT SIMPLY DOES NOT COME FORTH AS YOU OF EARTH EXPECTED IT TO COME-- WHICH IS EXACTLY THAT WHICH*

YOUR BROTHER, SATAN, CALCULATED FROM ONSET--THAT GOD'S PEOPLE WOULD SLEEP ON UNTIL TOO LATE.

What is the great warning? How might that work? Is it supernatural and magic mysticism? NO! Dharma, write what you see as I show you. Dharma, hear me, please, and write. You ones only consider that to be magic which you do not have understanding enough to decipher.

On "Warning Day" (W-Day), the Conspiracy will have pushed to the brink of holding the entire world hostage. God shall take over at that point and the entire beam network above your outer stratum shall be detonated. This will produce an intermeshing network of beam reactions which shall basically encapsulate the planet for some projected period of at least three days. What will strike you as humans, from that great distance, will be something quite like microwaves which will create the sensation of intense heat from all directions and inside to outside. There shall be resulting atmospheric upheaval and total confusion but you who are prepared and remain inside with your light shields about you will survive nicely. This is, however, the warning that things will get very nasty indeed from that time forward.

The "enemy" will regroup (for he also knows this is coming) and he will respond with war of an earth scale but with earth based beam systems and nuclear weaponry. The reason they will do this is again in an attempt to hold God's people hostage and/or annihilate you. Satan knows that God will allow his children to have the word and allow a turning back unto Him before the final curtain. If you turn back you can receive of the protection you need and further, if you turn back in time, you will survive nicely in your tidy shelters. These things are completely and totally up to you as a people as to that which you do with this information.

You are thrust at because we of the lighted brotherhood in telling our truth make you uncomfortable and hopeless--no, the hopelessness is being thrust at you from your enemy. We give you all you need to do nicely if you will but listen and act. Come into the Light beamshield and we are allowed to protect (neutralize or buffer) the beams--- BUT YOU MUST REQUEST IT AND YOU MUST CONTINUALLY REQUEST IT. You are now dealing with the "unseen" and therefore you have no way of knowing it is upon you.

WHAT OF "AFTER" W-DAY?

You can expect it to unfold exactly as has been laid down for you. Dharma, we will describe it again--my prayer is that I shock you enough to hear and see!

Go back to that which you call THE BOOK OF LIFE, your Holy Books. Also, put aside your doctrine separations and Jew vs Christian, etc. You are going to have to face an even more bitter realization and that is that the Israel Zionists have infiltrated into your government and control in every sector. In St. Matthew, Chap. 24 vs:3-14: "And as Jesus was sitting on the Mount of Olives, the disciples came to him privately,

saying, „Tell us, when are these things to happen, and what will be the sign of thy coming and of the end of the world?“ And in answer Jesus said to them, „Take care that no one leads you astray. For many will come in my name, saying, „I am the Christ,“ and they will lead many astray. For you shall hear of wars and rumors of wars. Take care that you do not be alarmed, for these things must come to pass, but the end is not yet. For nation will rise against nation, and kingdom against kingdom; and there will be pestilences and famines and earthquakes in various places. But all these things are the beginnings of sorrows. Then they will deliver you up to tribulation, and will put you to death; and you will be hated by all nations for my name's sake. And then many will fall away, and will betray one another, and will hate one another. And many false prophets will arise, and will lead many astray. And because iniquity will abound, and charity of the many will grow cold. But whoever perseveres to the end, he shall be saved. And this gospel of the kingdom shall be preached in the whole world, for a witness to all nations; and then will come the end.”

DO NOT CONFUSE DHARMA WITH ANYONE OR THING

Dharma claims to be nothing and wishes no attention whatsoever. "Dharma" means "bringer of life truth". She claims no reality of physical Christness nor Godness other than as all of you experience the connection. *Beware of those "claiming to be Christ and the incarnate prophet"*. She claims none of these things so I urge you to not be confused---she brings forth the WORD, she claims it not to be her words. She claims no "singular" gift nor personal "possession" of any content nor energy resource--it belongs to man, she has no "personal" attachment thereto. As a matter of fact, she would prefer to be completely and totally relieved of any and all responsibility. All of you have a purpose of participation which you may or may not yet recognize. Hers, and ones in other placements, is to write that which we give forth. ALL will not be given to the same task for you must have workers in ALL FIELDS, not just the one, for more important, later, shall be the security and shelters and food storage, and distribution and, and, and---so be it, it would be disaster if all were sitting to the writing. Further, no matter how anyone tries, the words shall not be discounted nor will they cease to flow. You as readers, doubters or complete enemies shall not even be in the further slowing of the messages. We have walked her through the fire of denouncement by those she respected above all others and she has stood strong--and through others not even known unto her, the word will come forth and ye of light shall be given to blanket the planet with thy defense of truth. Some will take of the words forth into the public as speakers and teachers that you might learn to connect with God on your own circuits. *THE WORD SHALL GO FORTH AS DIRECTED REGARDLESS OF WHO EFFORTS TO STOP OF IT! SO BE IT.*

REVIEWING EVENTS

Watch for the major revolution in Africa, Western Europe, and especially upheaval and revolution in Italy which touches the Vatican. Then watch for the fleeing of the Pope into safety outside of Rome. Then very soon will come the Warning followed

closely by a Great Miracle--in Spain but which shall touch the world--but at this time it is probable that it will be in the area of Garabandal.

After these things will come the Great "Castigation"—(discipline). It will come forth in two major portions. First will be a World War of horrendous attack and counter attack which will be incredible for at least a period of three days, and then a comet, a fiery comet will come for a period of at least another three days.

Jesus Sananda has told you how it will be. . . "The value of life will be lowered to the extreme: Man will murder without conscience. Brother will fight against sister, brother against brother, families will be torn asunder by sin. Many mothers in the world will face calamity with the loss of their sons. Many will truly join Me upon or at the Cross."

"So many shall there be who perish that there will be no time to mark the graves. Mothers will long to see and know where lie their sons, but to no avail. This comfort will not be given to them, so great will be the loss of life. Can you not turn back now and beg the Eternal Father before it is too late? Are you so blind to the truth, My children, that you do not see the road on which you are traveling?"

And the Blessed Mother came and said, "Walk with me and see. You ask Me, My children, why My tears are flowing? Come with Me and look! . . . No flesh shall be spared." And there before my eyes stretches the lands in explosion after explosion and the great clouds billow into the skies and Blessed Mother says, "Satan, My child, shall have his hand upon the button of destruction."

Then She points across the waters and I am given to see that it is unto Russia which she gestures and she reminds me that there are not enough who understand the danger and are fooled by the facade, and they all walk blindly forward with their eyes darkened. We have been told again and again, by the very perpetrators themselves, that Socialistic/Communitic/Anti-Christian Russia would be the downfall of mankind.

And the Christos continues, "My children, I feel of your great concern and your anguish, but often-times the good must suffer the same as the wicked for the rains fall upon the just and the unjust alike. Only through your preparations against these days shall ye survive in wholeness." And, "This war will bring a destruction to mankind far greater than any human eye has ever seen or has experienced in the past, or will ever see or experience again in the future. If I come not, as is my promise, among you in this great catastrophe, there would be no living flesh left upon that blessed place."

"Your news medias deceive you and tell you lies upon lies. They give you not truth in knowledge. The Bear is now massing on the borders, and he is ready to strike! And those who have formed a union with him in the Conspiracy have sold your inheritance unto your enemy. Heed well this reminder--watch unto Syria for therein lies the solution of world peace *OR* the third war of your world. It will be the destruction of three-quarters of the world. A world aflame followed by the great comet Ball of

Redemption as it is sometimes called."

"Your Country, the United States, and many nations of the World now are under the domination of a godless government. As such, without Prayer, Atonement and Sacrifice, I say unto you now, as your Mother/Father Christ reflection, that you, too proud and arrogant a nation that you be, the United States shall fall. Many, many -- many shall suffer and perish!"

You ones are completely surrounded by Soviet submarines and yes, some Nazi craft from out of the bases in Antarctica and they bear the missiles and sit in wait. They are out there and it is a portion of the master plan for the takeover of your United States and Canada.

The evils being perpetrated in the holy Houses of God have run amok. The examples being shown by the high men of the holy Houses of God are abominable! The harvest of Lucifer/Satan will be great indeed. You must prepare for the times of these things are nigh.

A second "sun" lies out in your atmosphere--that which is labeled the Ball of Redemption, even now in transit to your planet.

It is guided by that which is outside your planet and those who have cast aside the knowledge of that higher world of God shall not be given the grace to observe the coming events. When it enters upon your atmosphere, hearts shall be gripped with fear! Many shall run to hide themselves, recognizing the wrath of their Lord. And I apologize to those who disclaim me as not being the "real" Hatonn--nay, I am that which I claim to be--the "REAL" thing and my Higher experience holds the strings through the Christos' hands. Make no errors as to my identification lest you blunder remarkably.

These events shall be gauged, measured and held in abeyance for the proper moment in the knowledge of Heaven, the moment deemed by the Eternal Father for the cleansing of mankind---and it shall come in the twinkling of thine eyelid. The Creator has proclaimed that the Earth shall not end in annihilation for Creator has given His promise to mankind, that the world shall never be made extinct again, as in the past was the time of floods. However, your world shall be cleansed with a baptism of fire. And the old shall rise from the seas and unto the new and again shall grow that which is intended and the cycles shall again begin and the old shall pass away into the newness of her earned placement and those who walk the path with the Great Spirit shall have peace.

You ones will decide which path ye shall tread--will it be the path of the Christ Circle of Infinity or the Serpent's road of darkness? 'Tis your very own choice.

And before the final days there shall be earthquakes and the volcanos shall erupt and lands will rise and lands will fall and crumble. Great devastations shall pass upon the

lands from one corner of thy world unto another. The winds shall blow beyond that which you call a hundred miles an hour and finally, those who have no protection shall lose of their homes and thy placements will be in destruction. There shall be famines for already you have been lied to, even regarding thy larders and stockpiles--ye have none for they have been stolen away--thy massive silos are empty and it was done as the thief in the night.

I shall quote from your own publications that you not discount of my message:

"WORLD NEWS 'News Scan': Food Crisis Not Far Off. Last summer's (1988) drought in North America, China and the Soviet Union has left the world grain stocks in a sorry state. 'It's almost inevitable we'll have tight food supplies this year,' said Lester Brown, president of the Worldwatch Institute in Washington. 'If there is another drought, all hell will break loose.' By the end of July 1989, experts calculate there will be enough wheat in the world for only 75 days consumption, enough corn for 50 days and enough soy beans for 47.

"The Spectre of Hunger in North America 1989-1990, from the 'Voice of Freedom': This prophetic vision has not yet been fulfilled in North America but the frightful events it foretells seem to be approaching and well nigh upon us.

"There has been a major drought in the western and mid-western parts of the United States. Farm organizations have calculated that the harvest of grains in 1988 is only one half of what it is in a normal year. America is not the only major country in trouble, as the Soviet Union had a very poor harvest also. Where will these countries get their food?

"The truth is that the most critical issue in America today is the family farm and food. It is estimated by one of the respected farm organization of America, NORM, that every three minutes a family farm declares bankruptcy and most of these farms are being laid idle, unattended. Because of this bankruptcy rate and the drought this year, there is a definite possibility of food shortages in the very near future.

"The average reader may be inclined to say: 'But we have a huge surplus of grains, at least we have been told that by the government.' Well, let me tell you the truth as it really is. Dufur, Oregon is in the middle of the vast wheat country of the west. The manager of the Dufur grain elevator told me recently that the Federal Government agency which had wheat stored in his elevator ordered all the grain to be removed without explanation or notice. The manager of the elevator checked with Cargil's big elevator on the Columbia River where barges ship the grain abroad, and found that the elevators on the Columbia River have also been emptied. (Word from the mid-west is the same!)

"Estimates are, that because of the drought, we have about used up our surplus. If there is a protracted drought through 1990, according to those who know and study the weather, what will happen to the food on the super market shelves?

"Last week (mid-June 1989) I had a call from a man in Ravenna, Ohio who owns a Survival Center and handles bulk survival foods. He stated that a friend of his who is manager of one of the largest pod warehouses in the Northwest called him and told him the following startling story. Representatives from a certain U.S. Government agency had recently come to his warehouse and stated that they rented a block of space in the warehouse and wanted to inspect it. The manager of this warehouse is very knowledgeable of what is happening in the world and began to question the government representatives as to what they wanted to use his space for. After much prodding, he was reluctantly told. 'We are renting this space because we anticipate the rationing of food as it was during the Depression of 1929 and 1931.'"

WILL A WORD TO THE WISE BE SUFFICIENT?!!!!!!???

WHAT OF UFO's IN ALL OF THIS?

Well, there is good news and there is bad news. The good news is that we of the lighted brotherhood surround your planet. The bad news is that your world is now filled with demons. They will promote accidents that are not accidents, destruction, and even false miracles in the air. They will place (Earth, Terra, Shan, World) duplicated and confiscated craft in your heavens and further, in their efforts to blame the lighted Hosts, they will hold your cities hostage in an effort to keep the lighted brothers at bay. They will go even farther--they will actually destroy some of your cities and all the people in them and they will spread viruses and disease from the skies and tell you it is the lighted brotherhood---"the aliens from space in those UFOs". Total preparation for that move is being made this very minute--the set-up is under way. You are being fed just enough public information to completely delude and distract you and cause total terror in the hearts of mankind at the very sight of a UFO. So be it--if you allow of it, it shall certainly come to be for you will render yourselves helpless.

It is for this very reason that we welcome those who are bringing good research and truth forward. We will stand firm against the incorrect conclusions regarding both the presence of abductions and mutilations. You are going to be required to use your heads and brains in your God-given abilities to reason competently. The time of the spectacular fantasy science fiction and the quarreling over stories is finished---your world stands on the brink of annihilation at the hands of those you elect and trust with

your lives and frankly, your souls.

RECOGNIZE THE SIGNS OF THE TIMES: 666, WHICH
IS UPON YOU

And the Christos says, "For I shall come to you in the like manner in which I ascended. I shall descend with a roar of triumph from the multitudes of Heaven. We shall come in great victory, for if we do not come, no flesh shall remain upon your earth.

"I cannot promise in that conflagration that some shall not suffer, that good shall not die with the evil ones. But know that no death upon earth shall go by without a lust reward when this death is in martyrdom. I cannot promise any of you a life of fulfillment upon your earth, for this you shall receive from Satan. He now -- this prince of darkness, the adversary -- controls all of your world. It has been given to him but for a short time.

"For you who have the knowledge, recognize the signs of your times. 666 is upon mankind! It is the closing of your era. It hastens with great speed upon you, because you have refused the grace given to you to turn back and do penance and restore My House. Before the chastisement, My Mother's and Father's words will have reached throughout the world, and the sheep will have been separated from the goats. All that is rotten shall fall. My House kept in darkness shall fall! It shall be cleansed!

"Shall you, as pastors, stand before Me and say that your teaching has been pure in My sight? I shall spit you out as venom into the flames! Sin has become a way of life. Murder abounds. Charity of heart? Very little shines now upon your earth. Light of spirit? Souls going into darkness of spirit!

"Sodom! Your earth is in far greater evil than in the time of Sodom. The sin of Sodom is being now committed in a more sophisticated manner of defilement. Defiled man now enters upon My Church.

"You will, as pastors, awaken from your slumber. The fathers have fallen asleep. You who mock, you who say, 'Where is His coming?' -- I shall come to you. Without your knowing, I shall slip in upon you like a thief in the night. I shall Speak to you in the language that you will understand -- as a thief in the night! I hear the mockers of My words who say, 'We have promoted a new theology, a scare theology! The fright!' The fright We are accused of, shall they experience it when there is no return?

"Amen, amen, I say to you, all that has been written in the Book of Life must come to pass. For you who have been given the grace, you will read your Apocalypse. You are coming to the end. Read and become knowledgeable.

"My children, I hear voices of disdain shouting, 'Sadism!!! Is this a Sadist God who promises such destruction upon His creation?' I say unto you, as your God, I bring not

your destruction, you will bring about your own destruction for I leave you, as your God, to the exercise of your free will; if you reject your God and the plan for man's redemption as given from the beginning of time, I say unto you -- you will destroy yourselves.

"You only bring upon yourself a punishment far greater than ever has been seen upon your Earth and never shall be seen again, for when you go through this great chastisement, there will be few creatures left upon Earth. I AM ESU JESUS EMMANUEL SANANDA."

* * * * *

So be it and let it digest within thy minds that we might get busy with our preparations that protection might be made in time. I cannot influence that which you think "to be dreary, gloomy, hopeless and sadistic". We come forth to tell you how it IS, NO MORE AND NO LESS. What ye do with the information rests squarely upon your senses and within your hands!

I move to stand-by that Dharma might have respite and the readers might pause for pondering the truth of it. When we return, Dharma, we shall re-emphasize the Conspiracy and speak of preparations and requirements for safety. You have been given that which will protect you in SURVIVAL, however, if you plan better, ye need not just survive barely--with compressed earth equipment and diligent storage, you can survive very nicely and continue of thy work in the bringing of the instructions and the WORD.

HATONN TO STAND-BY, PLEASE. THANK YOU FOR YOUR ATTENTION.

CHAPTER 3

REC #1 HATONN

TUESDAY, MARCH 6, 1990 8:15 A.M. YEAR 3 DAY 202

PREPARATION

Hatonn to speak of serendipity in the light of Radiance and the passing of "time. Also, I will remind you of things already discussed in the Journals such as SURVIVAL--not to bore you with repetition but rather, to assure you that this is not a "new" matter, but only a misplaced focus.

As far back as your early 80's these same ones whom I honor today, for baring truth, were hard at it to get the attention of the masses and few listened. Ron Paul, Gary North, Arthur Robinson, Antony Sutton, John King, etc. - - - the list is long indeed. IT IS NOW TIME YOU LISTEN-UP, DEAR ONES, FOR THE FOX IS ALREADY IN THE HEN HOUSE.

In the early 80's you could have taken satchels full of money in cash to your local precious metals dealers and walked out with unaccountable assets. It is harder now, but still possible. Remember, I must speak to a wide range of people in the Journals so you must be patient on either end of the economic chain. Obviously, if you have no assets--you will not be able to buy coins. Please use your heads and fit information to your situation. We can give you basics and then fringes--we cannot individually contact and instruct 6 billion persons and customize a plan.

For instance, you can still buy gold and silver coins if you take care and pay attention to quantity lumps. There are still many reputable dealers and there is nothing to prevent your doing business with all if you have funds enough. You can get good investment value by buying precious, jewelry at pawn shops. You can buy goods at swap meets unfortunately, that is also a place for "fenced" goods. You can buy used or discounted durable consumer, goods and tools and equipment to be used later as barter. There are still some exceptional opportunities but there are plenty of other writers who can tell you these things. I have no wish to utilize another's material---we want you to wake up and use that information already available unto you.

Let us speak more in generalities and from a realistic perspective.

Since the plans of the Illuminati, which is the faction of the "Power Elite" whose power is money---woops! I have already lost my scribe and therefore, I will have lost a great number of you good readers---so be it, we shall return to basic definitions and descriptions.

"EPHESIANS 6 10-13:"

My brethren, be strong in the Lord, and in the power of His might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. So be it. * * * * *

THE CONSPIRACY

The idea of riot and revolution in America is no longer unthinkable to most Americans--it is now occurring daily. Yet, there is a conspiracy to not only overthrow your form of government but to destroy most of your population and reduce the United States to a weak outpost under the dictatorial rule of an international government. HEAR ME WELL AS I LAY DOWN THE BASICS ONCE AGAIN. IF YOU ALREADY RECALL AND KNOW THESE THINGS--READ THEM AGAIN FOR WHEN I BREAK DOWN THE FACTIONS WHO WAR ONE AGAINST THE OTHER YOU WILL NEED THE INFORMATION.

The plan to accomplish world government has been secretive. At most, there are only about 5,000 people in the entire world who have any significant understanding of THE PLAN. That is what we are about, as are many of your fine writers whose material shall be given at the ending of this Journal. I will utilize no *bibliography* as such, for I need none--but you need confirmation and further instructions--I am only to give you the precipitant to cause you to seek and find--quickly! Further, I do not endorse ALL material from any "one" author or group but there are some writers who act in total integrity and their work is valid indeed. I am now being prepared for lawsuits because, "Hatonn has NOT used some author's material." Well, perhaps the author's intent is wondrous indeed, but conclusions are incorrect and therefore renders almost useless the information preceding the conclusions. Some authors have conclusions which are totally accurate and reached them through incorrect assumptions---always the latter is the more acceptable.

Incredible and unbelievable efforts have been thrust forth to keep the true nature of the plan from leaking out to those people who would oppose or expose the plan--unto murder, torture, and destruction of a man's reputation, career and family structure.

There have, however, been numerous individuals who have uncovered various aspects of the conspiracy. Many of these individuals have put their discoveries in print. Some of the most daring speakers and authors have defected from highest ranks of the CIA, FBI, SATANIC/WITCHCRAFT CIRCLES, KGB, CONGRESS, ETC. FOR EVERY ONE WHO IS STRAIGHTFORWARD, THERE ARE DOZENS STILL ON THE PAYROLL OF THESE GROUPS AND ARE OUT TO DISCOUNT, ANNIHILATE AND SMEAR THE WORD OF THE LEGITIMATE. You, the receivers, must be in the discerning and hopefully you are paying attention to the discernment tools and clues we give unto you.

As just a touch of witchcraft history, I would say that in 1624 there landed upon the American shores a group of Puritans---at a port called Collins Bay. This place is just northeast of what you now call Boston. The ship that brought them was owned by one, Francis Collins. Mr. Collins was a "witch" of Celtic descent. He built his home at Marblehead just south of what is now Salem Bay. Francis Collins built the Salem Church. It was this church that was the source of the Salem witch trials. Suffice it to say, however, that true to form, there were witches present but you can jolly-well bet that none of the people put to death were actually the witches.

From that Collins family have descended major heads of the "Witch" cults such as the Druids with their Council of Thirteen and true and open Satanism. A very brave defector who was once Grand Druid High Priest of a thirteen state sector, headquartered in San Antonio, Texas (name withheld for his family is in great jeopardy) has tales to tell which would put SATAN'S DRUMMERS in a kindergarten classification for reading material.

In the year 1971, when this man was Grand Druid Priest, over 90% of the politicians in that thirteen state area received financial support through him personally, from the Grand Order. These politicians took orders regarding political decisions from him personally. The orders were passed down from the Rothschild Tribunal to the Grand Druid Council and then the Council passed them on to individuals and organizations under their authority.

This person was personally responsible for murder of an officer while in the military service. He was tried and convicted. However, when his prison cell mate was released, "Sir X" asked him to get word to a certain individual in the U.S. who Sir X knew to be a witch (this killing occurred in Germany and thus the incarceration was in Germany). Within days a U.S. Senator and a Congressman showed up at the prison. Twenty-four hours later Sir X received an honorable discharge with all information of the shooting incident purged from his record. And just what do you think will be the ultimate penalties for the Iran-Contra scandals? Yet a man in your country who runs for President and brings forth truth--is sent away to prison and his young staff is imprisoned for 72 and 86 years respectively--for raising campaign funds.

When Sir X arrived in the U.S. after his release, his mother sent him to New York City. After he arrived he was trained for six months by Dr. Raymond Budkland, Chairman of the Druid Council of Thirteen. Following that he traveled out to the West Coast where he was trained for another six months by Mrs. Louise Hubner, another member of the Druid Council of Thirteen. (Remember, at that time the family name was Collins).

In 1972, Sir X was shown a chart giving THE PLAN FOR WORLD TAKEOVER. Just take a deep breath and we'll dive right in for you have had your toe testing of the waters.

ILLUMINATI PLAN FOR WORLD TAKEOVER

Remove President and Vice-president

Republican Successor Throws Election to Democrat

Democrat President Gets Following Laws Enacted:

1. New gun law to take away guns from citizens.
2. Removal of tax exemption from churches.
3. Genocide Act
4. Presidential martial law powers
5. The Anti-Hoarding Act

WORLD WAR III

Caused by Israel State battling over petrol, farmlands and chemicals.

PLANS FOR AMERICA

Make every person totally dependent on the government by:

1. Creating a pseudo-fuel shortage.
2. Confiscating all guns.
3. Calling for "Helter Skelter"
(All trucks, trains, and ships stop. Charles Manson leads army of some 200,000 white prisoners and motorcycle club members to create mass insanity in the streets (six months after his release) by bombing churches, raping, murdering and other fear tactics). "It will be when the lights of New York go out for good"--Rothschild Tribunal.
4. Declaring Martial Law - suspend Congress. Activate National Guard to keep order. One policeman for every five people.
5. With Anti-Hoarding Act outlaw all food and medical supplies from being stored.
6. Issue a Security Card to govern all buying and selling.
7. Destroy monetary system (All money, etc., becomes worthless).
8. Issue new currency.
9. Destroy all cropland. "There will be nothing south of the Mason-Dixon Line over two inches high from the Atlantic to the Rocky Mountains."--The Rothschild Tribunal.

Rothschilds send all countries except America against Israel for the oil. Use of neutron

bomb allows destruction of people while all buildings, natural resources and croplands remain intact. When war is over the world will be run from Jerusalem.

* * * * *

Oh precious ones, I do not jest, this plan is the "End Plan", THE PLAN 2000--AT LEAST ONE FACTION THEREOF.

DO YOU BEGIN TO SEE WHY EFFORTS ARE SO HEINOUS TO STOP MY WRITINGS FROM COMING FORTH AND SILENCE THIS SCRIBE?---IT IS MOST SERIOUS INDEED--PRAY FOR THIS SCRIBE AND HER CLOSE ONES FOR THE SHIELD OF GOD'S PROTECTION UPON THEM IN THIS TIME OF THEIR WORK.

Look carefully at the above chart and compare with today, almost two decades later--you see, only some of the players change--not the plan! See how it harmonizes with the rise of the world political ruler prophesied in Revelation.

In addition to the chart for world take-over was a letter from the Rothschilds--on Rothschilds stationery that stated, "We have found a man who is willing to become world ruler and remain obedient to the Illuminati. (shocker coming:) His name is Jimmy Carter."

A QUIET LITTLE CITY CALLED SAN ANTONIO

In 1972 the total population of residents was listed as approximately 500,000. Out of that half million, there were at least 100,000 people connected directly with witchcraft.

Well, beloved ones, you must recognize right now: He that is within me is greater than he that is in you and I can bind all your spells so that they won't work and everything will go wrong. All you have to do is ask! For it is through the lighted path that you will come to overthrow Satan, demons, drugs, habits, additions, and threat of assassination. But you will find that few will in the onset following your changes toward the lighted pathway and then more and more and you of the light will unify and will stand as a wall of light over and through which no darkness can pass. This ability will come only through understanding of the problems as they exist without blurred vision and in truth. Pick up the banner of truth as the ones who have come before are damaged by the evil enemies. Hundreds came bravely before these recent scribes--honor them, support them and protect them. Those who act in truth, defend and protect the speakers and identities---those of evil intent shout the names and addresses from the airwaves---those ones, in these days, shall be given to reap the tares and thistles which they sow, for God is moving, brothers---God is moving!

LOOK AT THE PLANS

The illuminati was started by the Rothschild dynasty in cooperation with Adam Weishaupt. The Rothschilds rose from obscurity in Germany to become the most

powerful banking family in the world. The formation of the Illuminati occurred after the Rothschilds met Adam Weishaupt. Weishaupt was born the son of a Jewish Rabbi but he defected from Judaism and became a Franciscan monk. He studied in France where he became close friends with Robespierre who later led the French Revolution. Weishaupt also became friends with several people in the French royal court. These friends practiced the black mass, baby sacrifice and other vile rituals, as entertainment. It was through these associations that Weishaupt became acquainted with "Satanism" (to be distinguished from "witchcraft").

Weishaupt desired to acquire copies of the "Kabala", "The Major Key of Solomon" and "The Lesser Key of Solomon." These books told how demons could be controlled to do an individual's bidding by using occult practices and rituals. The Rothschilds had copies of these books and as a result were brought into a joint relationship with Weishaupt. The consequent result was the first union of Satanism with the Kabbalistic crafts.

The Rothschilds persuaded Weishaupt to leave the Catholic Church and unite the various occult groups. This he proceeded to do. One of the covens created by Weishaupt was "The Golden Dawn" which became and still continues as the private coven of the Rothschilds.

Weishaupt and the Rothschilds proceeded to put together the creeds of the Golden Dawn. The Rothschilds gave what they considered to be important and Weishaupt was the priest who put it in final form. The result of all this was the Illuminati officially formed on May 1, 1776. To witches, May 1st is the birthday of Baltane. To them, it is the day when the Sun which is "the god of light" returns to the atmosphere from the underworld where he has been at rest. The lower witches know him as "Pan" but higher witches know him as "Lucifer". To witches the world over, May 1st is the New Year's Day of Witches. The fact that Communism celebrates its birthday on May 1st should reveal to the world that the same conspiratorial personalities who rule the western capitalistic countries through banking control also rule the communist countries the same way.

The most important truth (lie) in witchcraft is the so-called Prophecy of Truth: "When the Son of Lucifer takes his throne, then will witches have peace forever mono (morning)." The goal of witchcraft has been and remains to be the placing of "The Son of Lucifer" - the Satan empowered world ruler - on his throne so that witches the world over can lead the world, by whatever means, to worship Lucifer as the sole god of the world.

Towards this goal they have already built a behind the scenes network that effectively rules the basic six areas of society: (1) Religious (2) Political (3) Economic (4) Educational (5) Military and (6) Social. In every area only those personnel at the very top know the true nature of the purposes and activities of their organization. Those individuals at the lower and middle levels often feel they are working to accomplish some noble humanitarian goal.

The power of the Illuminati is money. In the area of money their resources are almost limitless. Their organizational structure is depicted by three pyramids and a sphinx. The three pyramids show the same four groups at the top: The Rothschild Tribunal (3 members) depicted by a triangle around the eye of Lucifer. Immediately beneath is the Druid Council of 13. Under that is the Council of 33 (Free-masonry). Below them is "The 500" known infamously to outsiders as the "Bilderbergers". From that point the groups are different. In the three pyramids representing the Occult and Religious; the Political, and the various organizations, only a few of the most important groups will be shown herein. There are other groups under the control of the Illuminati but the ones herein given are very representative of the most important groups. The Sphinx shows the power flow of the Illuminati. It must be remembered that to understand the chart the driving force is *MONEY!*

The Illuminati changed its name several years past because of a number of writers who began to expose it. The name used within the organization more currently is "Moriah" meaning "The Conquering Wind".

Suffice it to say that people still recognize the meaning of the term "Illuminati" and cringe when anyone is on target in describing its activities---like this moment!

Please allow space in this Journal to reproduce diagrams. Therefore, allow us to take a break at this point and it will allow ease of pagination for the formatting.

Thank you, Dharma, let us take respite, please.

Hatonn to move to stand-by, Salu.

ADDENDUM TO THE ABOVE CHAPTER

Dharma, the diagrams will be placed immediately following this notation. There is, however something which must be added into this record, at this point for it is timely unto the hour, and I will explain.

To all you readers who think we are but silly children out for notoriety and to "pilfer" material from other authors and beloved Sister Thedra, I have the following to offer unto you.

Please turn to Appendix No. 1. This is a note received this day at 11:09 A.M. (Oberli, strike out all pertinent information as to location, etc. but leave America West for we must set up a protection shield around those beloved ones and we desire the public be made absolutely aware.) For you readers, Chuck, referred to in item No. 1, is our printer and I will leave his location unidentified in this document.

The manuscript referred to is CRUCIFIXION OF THE PHOENIX. For you ones who do not take seriously, the dangers and intrigue involved, please take most careful note

of the following:

Appendix No. 2: This is most fearful indeed and is being laced in this document in addition to placement in CRUCIFIXION OF THE PHOENIX since its printing is delayed because of the prior notice. Place it in the appropriate placement as an addendum with a special notice as to content and source. Mark it well for there must be no misunderstanding as to its source--it must not be construed as being of our input for we shall neutralize its content and remove its energy therefrom before reprinting.

The reason the Satanist's letter is so very important is that it was sent to George Green in denouncement of him and a Satanic curse placed upon his person following the fiasco with the Billy Goodman/Bill Cooper program on February 28, 1990 (last week). The letter was sent in support of William Cooper and his group who placed all the calls into the station. This source, brothers, is as evil as you will ever encounter--Satan is taking a direct stand---yes, the "Big Boy" himself.

I wonder if Mr. Cooper wishes to accuse us of plagiarism of his documents henceforth? I care not what Mr. Cooper does, it is just extremely important for Mr. Cooper and Mr. Goodman to KNOW who is specifically backing their activities. We are going to print it exactly as it was received. I want you to note that Satan is a Master at confusion and deception---he hasn't missed a trick and yet, neither has he failed to place clues throughout and all over the documents. If you are unable to pick up the pale print of the Satanic sign which is almost a watermark in the stationery, I suggest you look closely and you can discern it. It is actually a shadow print.

Since Mr. Cooper accuses us of word for word plagiarism of documents of his authorship of some 50 pages from a 26 page document---could these be the other 24 pages? We know not of that which he speaks.

And as regards to the Gatehouse---this one who calls himself Satan is also in protection by verbal commitment, to beings who surround the Gatehouse---what might that mean?

Perhaps you can now see why Mr. Cooper's phone call to George Green threatening to "take out that 'channel'" was taken most seriously by us. When one is set-up as a tool for the Satanic team it is also made sure that the person becomes totally without reason and irrational. I suggest Mr. Cooper listen most carefully indeed, to his friends such as John Lear, whose research was shared liberally with Bill.

Allow me to tell you what it means; it means you are not playing over some tiddle-de-winks of foolish nonsense. It means that the Evil King himself will stop at naught to stop truth and you cannot tell for sure, where he aims it. I suggest you call in the God of Light, brothers, and wrap yourselves in the cloak of God and the Infinite Sacred Circle of the Cristos because you who leave yourselves open are indeed in trouble.

We have confronted some of his henchmen and he is totally aggravated. He always

fighters in this manner. He, further, utilizes some person who is already in unbalance and destroys all he touches. Not only is this a most valid letter, as well as the message of intent, but he has openly called the hand.

Now the clues: In the mass of confusion as to full meaning of the document, it might well appear that this energy is denouncing the word within the Journals as false. Nay, nay, nay--not so. He is telling you exactly where the falseness lays---he blesses Mr. Cooper and Mr. Goodman and actually writes upon the paper for the world to see--- "P.S. I curse you, George Green, and all your associates. Including the Paladians (Pleiadians, of course)."

Further, he and his flock went through the whole ritual experience and exercise to do exactly that. I tell you, however, to fear not for this mite upon the skin of God is naught for the evil prince has dared come to the heartplace of God and his taunts and threats are naught but a chill of fear upon a troubled land. The truth being, that things have become most serious and disastrous indeed, upon your world and he claims his kingdom of dominion over your world and slashes the boundary line between himself and his troops and God and the hosts of heaven.

I have worse news for you who plotted that little fiasco on that radio program--you are all on his "throttle" list because you staged it so badly that he lost the battle. It is important that Mr. Goodman know that numerous ones have written and called George Green to apologize for the terrible injustice of that program. Satan doesn't like it when you boys botch a well-laid plan. You had best think very carefully about it.

I further suggest that Mr. Cooper and Mr. Goodman get off the SPACE GATE document and on into the important material such as SATAN'S DRUMMERS and see if they want credit for all that material also! How about we just get my scribe and publisher off the hook and give Mr. Cooper credit for all of the literature we are putting forth? So be it! It pays greatly to know about that which you soap-box.

For you, beloved Sister, and dear, dear Tuieta--look carefully, indeed, at this material for the problem is not around this source and/or resource and Dharma has been badly, badly accused and used. Now the effort will go forth to destroy Sister's credibility and that of Ed DeMar, etc. If you cannot see the truth of these documents, then I have naught more to offer thee as evidence.

There is naught but love of all creatures of all species and all creeds, colors and races of human coming from this placement and we have watched the very ones closest unto these beloved workers crucify them and spread lies about them in most heinous manner of ridicule and incredible, blatant lies. Neither do these ones have anything to fear for Sananda/Aton stands squarely betwixt Satan and these workers and truthbringers. This, however, does not diminish the pain of being stricken and accused by ones they trusted and honored above others.

Please label the copies as to beginning portion and signal ending for we want this reproduced exactly, including the information whereby the author can be reached--as he says, for "additional information".

I further request that copies of this portion and the attachments be sent to Bill Cooper, Sister Thedra, Tuieta, Billy Goodman, John Lear, etc., as well as the ones who receive regularly. Then I wish to know if you would like an Express on the subject.

I would hope that the receivers who plan litigation look most carefully, indeed, for you have openly named names and slandered these ones upon the airwaves of a nation. You have labeled them hoaxsters and deliberate liars and thieves. I suggest you look most closely at libel laws for the Constitution of the United States of America is still somewhat operative and you have publicly defamed mine workers and sent the material filled with accusations and lies unto the four corners of the continent. Yes, indeed, I would think most carefully upon these things. Mr. Goodman has betrayed the trust of his audience who respected and revered him.

As we move further along and get into the impact on religion, education, and other societal structures, the impact will worsen. You who claim to be of light and truth and claim to wish only to share that truth--I plead with you now to look within and find thy truth for the trumpet call has sounded and most have missed of it. So be it.

The father wipes of thine eyes, Dharma, for He shall keep you in care that thine heart find peace and ye must be in the allowing of others to find their own way, chela. All will be tested unto the ending and hallowed be the blessed ones who stand strong against the storm for the lamp of truth and Light shall be held for all to see and know. Amen.

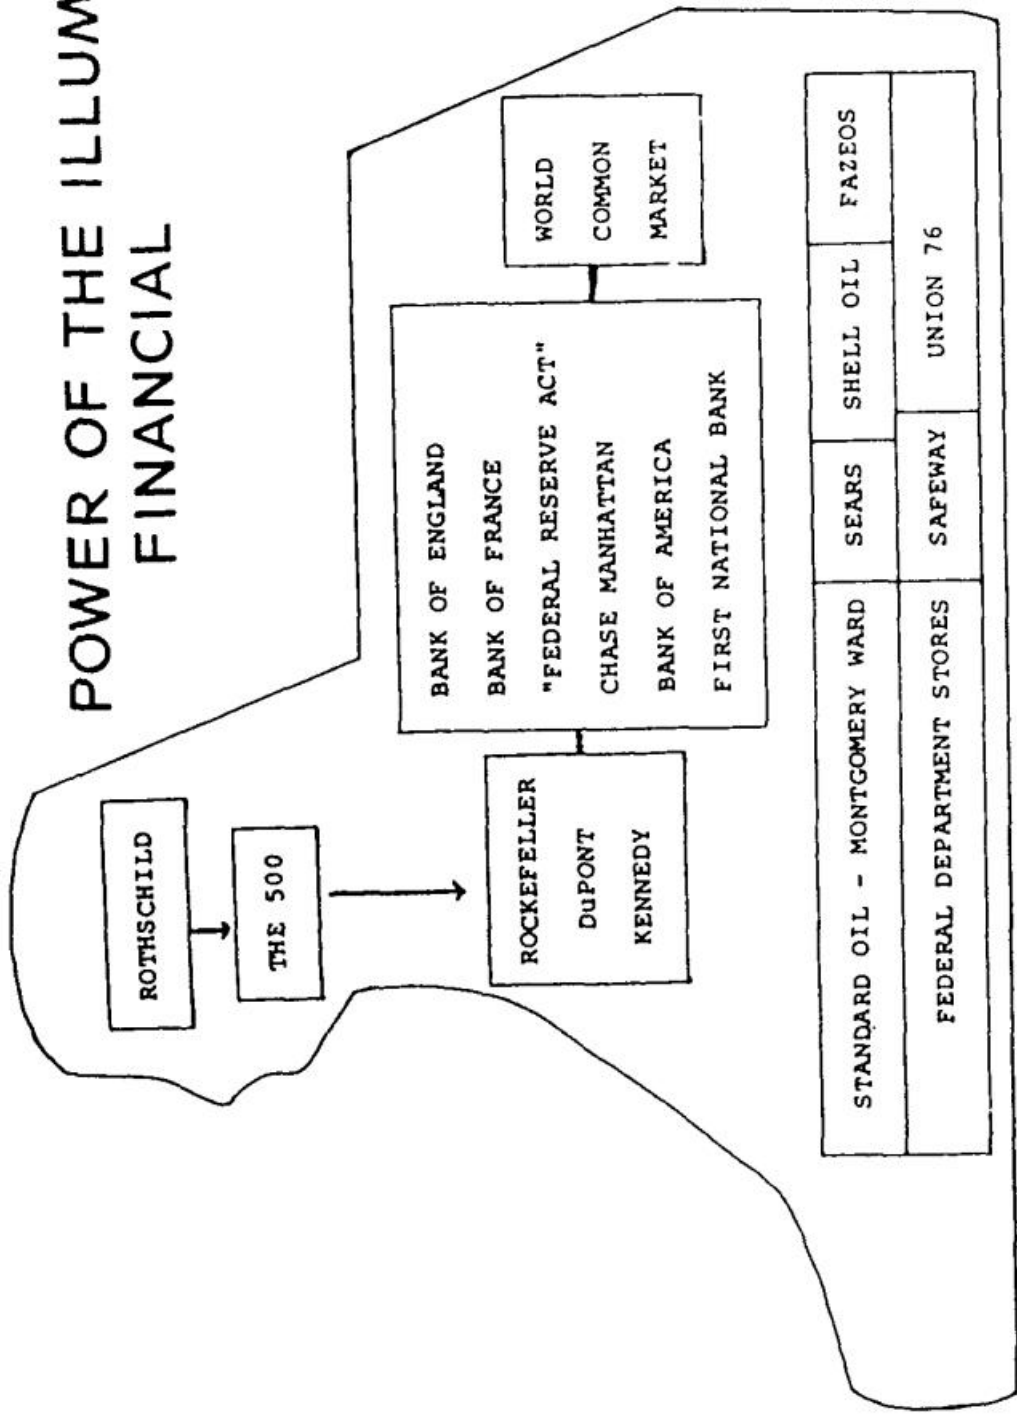

Let us leave this for this segment for your heart is too heavy to work further. Ye ones shall be given buffering against the blast--allow that knowledge into thy beings. I further give comfort unto George, Chuck, Desiree and others who bear the hurt of these slings and arrows--ye shall be in our protection at every moment. Do not throw any more of this material away for it is important we counter every message of this nature. Further, it must not go forth even into the trash heap without the de-energizing of it. Cleanse everything it has touched, even unto the trash bin. Do not feel foolish in the so-doing for you ones do not yet understand beams and energy thrusts--stay in protection.

I stand aside now, that you might unwind thy stresses, chela, and we shall resume our work as it is suitable.

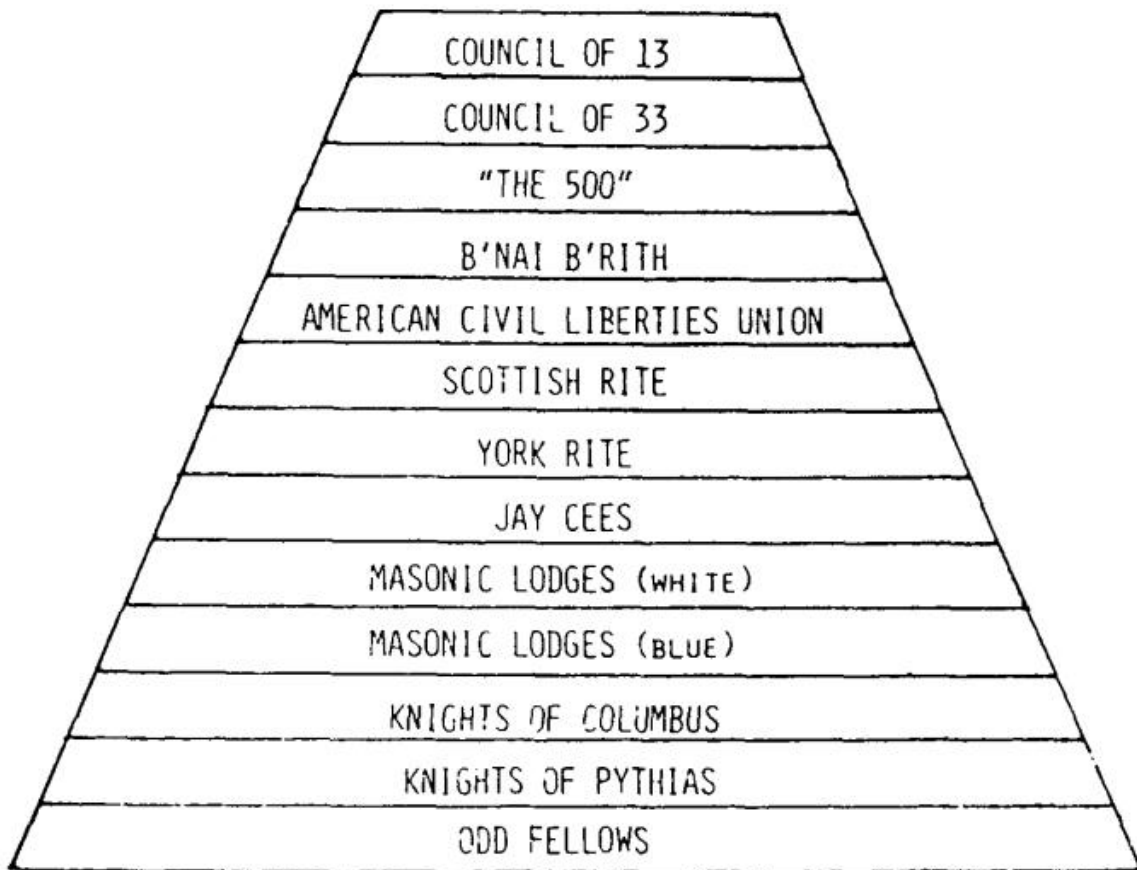

Hatonn, in behalf of the Lighted Brotherhood in service unto the Lighted Hosts, Mother/Father Creator, The Creation of Allness-- and unto thee, our beloved family of the Great Spirit of the Lighted Realms, to place my benediction upon you and about you that you be kept in security. Salu! Hatonn to clear frequency, please. Thank you.

CHAPTER 4

REC #1 HATONN

WEDNESDAY, MAR. 7, 1990 7:15 A.M. YEAR 3 DAY 203

PERSPECTIVE: FACE IT!

Hatonn in Radiance, Dharma. We will take one step at a time, chela, one step at a time. This first portion is personal for this date but it needs to be shared with all receivers of these Journals and Express literature.

We plead "human overload" and petition for "patience" as we sort how best to be able to respond in a timely manner to ALL for we cherish ALL and will respond to ALL!

George, with the next mailings, please enclose a simple check-off form with room for suggestions, please. Let us ask the recipients how best we can be of more service in an orderly manner. And, herein, let me respond to one or two petitions to which I shall more extensively respond a bit later on a personal basis.

We invite correspondence for so many of the more pertinent queries are covered and they are usually inclusive of information that all are asking in one way or another. Would you please designate if a separate small Journal on a regular basis containing "correspondence" material, would be desired? Some of the material will be placed in the Journals themselves and/or bits and pieces in the Express but we are inundated and Dharma has only 24 hours per day and therefore, human restrictions apply. Perhaps if I outline our problems as they currently exist, it would help you dear ones to understand.

Request after request comes forth for the material to be put to audio tape. We realize that it would be most advantageous for many ones have vision problems and messages can now easily be listened to during other activities---worse, a poll was done in the U.S. within the month showing that well above 60% of the people in the U.S. do not read books. Still worse, the educational system is out to deprive your population of basic abilities such as the ability to read, write and handle mathematics.

We can only beg indulgence with the taping for we simply have no time at present and ones who have volunteered to assist have no means of support and must, therefore, be paid for the service. Further, to produce the sets of tapes is financially out of the question until such time as the publication expenses are balanced. It would help greatly to have a response from you ones in that we might consider the best and most expedient route to take. It has simply come to the point where we must have feedback regarding your desires. Great appreciation to C.M. of Brasstown, N.C. and I shall make a personal response a bit later. I accept your intent and we are most grateful indeed but we are forced by circumstances to take one step at a time. These dear ones

are being threatened daily with lawsuits and business problems and we must place our thrust where it can reach the most persons. We will also need translators into other languages as early on as possible. These ones are not interested in "doing it all" but rather, there is no further funding available in this location for these services. So be it, for all shall come forth in its time. In behalf of my "team" on this side, I humbly thank you for your willing offers. As it can be afforded there must be a press and readers---all the component personnel to further the word in every manner---in the interim, we shall do that which we can and ask that you ones share statistics which will allow us to serve in the best manner possible. I bless you for your unselfish considerations.

In the clash of events and denouncements of ones who had originally been receivers, some of our most beloved contacts have been too filled with fear to continue. So be it. Blessings unto them and we thank them for their services unto this point. It is terrifying when not only the CIA and government, but the religious community and now, the Satanists threaten and badger.

For over three years now, Dharma and Oberli have devoted 100% of their time and all assets unto this mission while struggling against all odds to simply remain in their dwelling. The formatter of the writings has given every cent he has and/or will have along with 100% of his time to this information dispersion. We have one young lady, Elizabeth, who has given 100% of her time but now must take outside employment for her reserves have been exhausted. We have another two who have assisted greatly in any manner of service within their ability to share as well as family members who have basically supported these parents.

The publisher has found this to be greater than he and his wife's ability to cover the load for the two of them handle publication, as well as distribution, from the central source while expending thousands upon thousands of dollars in publishing expenses. Thus far, brethren, there has been not one cent from this information which has not been turned right back into the very printing and disbursement expenses. Those ones who taunt and shout "riches" are foolish indeed. Further, Foundations are being established to allocate monies into research projects to perfect apparatus for specific purposes. Please be gentle when ye hear of them being denounced and battered. KNOW those are the responses of our enemies who know of the truth of these documents and be patient with our inability to respond instantly to your requests and input. We shall effort to not allow more than a week to pass without personal response. Blessings unto you who are so willing to assist and, as we move along, ye shall begin to see of thy place within the plan for we shall need ones from every walk of life, including the retired who wish security and service---age is only an asset of knowledge and your children are begging for a return to knowledge and "how to". Your children cannot survive with the information being given unto them--they cannot cook of their food without microwaves and they vegetate in front of a T.V. which gives them poison. Ah, even an infirm body does not hamper the mind--the mind only grows insufficient because it has nothing upon which to feed in thy old ages for the body wearies of the journey of nothingness. However, income must be built into the system so that all can survive, hopefully in comfort and fulfillment of needs for there will

ultimately be no help from a government in collapse and turmoil.

Therefore, we must build a foundation of business whereby income can be garnered or barter established. It becomes more difficult because your reserve food supplies have been emptied and given unto your enemies--your silos are all but empty. To some of your questions as to what to do and how to manage---there will be no answers. We are not magicians nor mystics--there simply will be no wondrous answers but we will do all we can to inform you as to the probabilities of the best route to take as we discern it. We can do no more, beloved ones, and remember, our input must be asked for God nor the Universal Laws allow intervention or force.

SEEMS HOPELESS?

It would appear, therefore, that God has the lesser stick for Satan seems to have it all. Well, he cannot use force either--he works directly through humans and plays to the earthly greed, terror and all manner of physical desires. God allows, for man must turn unto God and come again into righteousness lest he perish in the void of evil thrusts. We can only show you the way and allow you to see the destruction already upon you and where it is headed if it is not stopped. The probability of stopping the evil marchers upon your placement short of disastrous consequences is slim to minus. That does not mean that God and his truth shall not prevail---GOD WILL PREVAIL IN GOODNESS AND BALANCE FOR THE DRAGON SERPENT SHALL ULTIMATELY CONSUME OF ITSELF---YOUR PORTION IS TO ALLOW THE PASSAGE WITHOUT BEING CONSUMED ALONG WITH IT.

The question always arises as to, "How can you see to it that the new businesses and studios and communications centers are not simply confiscated?" WE CAN'T and THEY PROBABLY WILL BE---BUT NOT BEFORE OUR WORK IS LAID AND UNDER WAY. DO NOT EXPECT 6 BILLION PHYSICAL PEOPLE TO REMAIN ON EARTH AND THE WHOLE SYSTEM REVERSE INTO PURITY---READ THY PROPHECIES. IT *IS MANDATORY* HOWEVER THAT SEGMENTS OF PEOPLE SURVIVE THE TRANSITION AND SO SHALL IT BE--NEVER WILL YOU BE TOLD BY ANY OF THE HOSTS OF HEAVEN THAT IT WILL BE EASY NOR WITHOUT PAIN OR DIFFICULTY---IT WILL, HOWEVER, BE ACCOMPLISHED.

Ones come unto us and ask how they can protect all their assets, money, etc. You can do some things to help yourselves---if you are simply trying to hide large sums of wealth so that you don't lose of it---forget it---the evil plan is too efficient. You can do those things which we point out unto you and they will help for a period of time but, brothers, you will probably not escape unscathed. Some will, most will not--it depends on how willing you are to act and prepare.

The secret of business will basically be in the allowing of the bankers, etc., to build of the businesses and then when they confiscate them you can allow of their repossession without great losses. You must operate within the guidelines and laws of the

"planners" themselves and it will allow you quite a nice period of time to gain a foundation. It will be THE WORD going forth and the army of awakened humanity that ultimately make the operation successful. Man has been duped for such a long time that he is all but helpless and he only knows to do that which is about him--act in foolish and hurtful demonstrations which only cause the Conspirators to come down very hard on the groups of rioters.

HOPE VS. FALSE HOPE

You will note that we are called doomsayers and gloom bearers. Would you rather us tell you to sit in a circle and hold hands and wait and it will change about? Yes, you would---the facts are it would be a lie. Then when they come to shoot you, we simply say, "Whoops, sorry, we told you that which you wanted to hear--sorry about your life and enslavement--we THOUGHT the chants might work and someone would do of the work--so be it!"

What about those pulse beams out there? What about the list of possible retreat and survival goods? What about a breakdown of the various systems of the Global 2000 One World Conspiracy? Ones before Hatonn have written it down but have ALL partaken of the information?

USE OF INFORMATION

Well, brethren, we come at the request of hundreds of thousands of you people and we will sort and scan all information going forth unto you and give credit unto those who give you valid assistance and will not give of you information in these Journals which is not of valid perspective.

Information and documents we recommend unto you is done so because, at least portions thereof, are indeed credible truth. It will never mean we support ALL THAT AUTHOR'S INFORMATION UNLESS WE DO AND WE SHALL ANNOUNCE THAT LOUDLY OR GIVE UNTO YOU SOME LIMITS OF INPUT. ANY AUTHOR WE RECOMMEND, YOU WOULD DO WELL TO HONOR HIM/HER AND SUPPORT THEIR WORK AND AVAIL YOURSELVES OF THEIR INFORMATION. YOU MUST ALWAYS READ ALL INFORMATION WITH DISCERNMENT IN THE PRESENCE OF GOD INSIGHT AND DO THE PROPER WEEDING FOR SELF--WE WILL NOT DIGEST THE INTAKE FOR YOU. IF WE ERR AND UTILIZE COPYRIGHTED INFORMATION, IT WILL NEVER BE WITH INTENT TO TAKE ANOTHER'S PROPERTY NOR WITH INTENT TO FAIL TO GIVE CREDIT---WE SHALL NEVER GIVE "CREDIT FOR TRUTH" FROM FALSE WRITINGS OR SPEAKINGS. SOME WILL DO WELL TO NOT PUSH FOR RECOGNITION FOR WE SHALL TELL IT EXACTLY LIKE IT IS!!!! IF ONES COME FORTH STATING THAT THEY WILL DO ALL TO GET THEIR INFORMATION OUT TO THE PUBLIC--ESPECIALLY UTILIZING THE NAME OF GOD OR CHRIST--GOD OR CHRIST ARE GOING TO USE IT FOR THE INFORMATION WAS THEREBY GIVEN INTO THE HANDS HEREOF. THE

PUBLISHER OF THIS MATERIAL AND/OR DHARMA AND OBERLI ARE REAPING NOTHING BUT HEADACHES FROM THIS WORK AND MATERIAL--SUE ALL YOU LIKE, ENEMY OF THE TRUTH! YOU SHALL GAIN OF NOTHING BUT CONTROVERSY AND DISCREDIT AND BETRAYAL OF SELF AND THOSE WORKING WITH YOU TO PULL GOD DOWN.

Back now, to the writing, Dharma. The most often asked question regarding preparation is a breakdown of items, possible safety measures, etc. We will take time herein to devote the remainder of this chapter to perspectives on preparations. It is not new information but it will give ones an idea of involvement and some ideas of well-thought out methods, quantities and shelters for adequate survival. As gun control, monetary changes, economic collapse, etc., come upon you, yes, it shall be harder and it is even more difficult for me to tell you one on one that which you should do--in the saving of time I can only refer you back unto the Journals on the subject and beg patience until we can enlarge on certain subjects. Remember--first you must know the problem as it confronts you and then, and only then, can you counter and work out solutions. That does not mean you must wait to begin--begin wherein you can for we have efforted to lay out the Journals in sequence which lays foundations first and then increases with the really hard lumps to swallow.

We shall just lay down some listings herein and will work far more extensively subsequently.

THE PLAN: TOTAL SUBJUGATION

Now, how are they going to accomplish this? Let us define terminology before we go further. Let us call all of these groups of elite controllers "Conspirators" to simplify writing and so you will know, in general, to whom we refer--most often we will refer to them as "they" and you as "you", so that we might move right along with this portion. Thank you.

As to personnel the Conspirators will be counting on all those people at the hard core of all the organizations controlled by them. They will count on those in the drug culture, the rock music culture, the motorcycle gangs, the white prisoners in the prisons, and a standing army now recruited and trained for revolution--now this, of course, is more along the lines of the Illuminati, rather than the Bolsheviks and/or Banker's Cartel. But it will suffice for this purpose and therefore this list is mostly organized in such manner as if you only had the Illuminati with which to contend. When you get into the Bolshevik plan for nuclear holocaust and beam destruction and economic devastation of the Bankers Central elite--there needs be alterations to suit needs and locations.

I refer to "white prisoners" because if you refer to the appendix "letter from Satan", no. 2, you will understand. This does not mean "ONLY" it means "MAJORITY".

If the plans for gun control and martial law are voted into law then they will have all of

your nation's military forces and national guard at their disposal. The plan is most simple. After disarming the citizenry they simply order their revolutionaries to begin mass terror and murder in the streets. When the citizenry objects and cries out to the President he declares martial law, disbands Congress, mobilizes the National Guard and you have an instant dictatorship with roughly one out of every five people in the population belonging to the military.

Although we do not concede the Illuminati's plan will work we do believe the probabilities are excellent that if you counter those, you will be well on your way to positive protection in a physical manner and allow perpetuation of the message of truth. It has been the lesson of history that when deceivers have gained dictatorial control through conspiracy, subversion and then force that it is not long before the citizenry realizes they have been deceived and are willing to work for a return to a society with moral behavior and principles.

To that end we offer the following material for you to consider as to what you might do to begin to prepare for the highly probable time of riot and revolution.

REFER TO YOUR HOLY BOOKS

What did the Lord's people do in Bible clays during times of riot and revolution? It is instructive to ponder the behavior in manifold times of oppression.

You must pay attention to the help which is given unto you for the truth has not changed in all the generations.

Jesus foretold the destruction of Jerusalem. He commanded His disciples to flee to the mountains when they saw Jerusalem encompassed with armies (Luke 1: 20-24). By obeying Christ there was not one Christian killed when Titus launched his second attack against Jerusalem.

Jesus has also foretold a great persecution that will come against His people in the days of the Tribulation. He has also commanded those who are believers in that time to flee for refuge into the mountains. (Matthew 24: 15-22; Mark 13: 1420).

During the great persecution against the church in apostolic days it is recorded that the Christians found it necessary to flee for the preservation of their lives (Acts 8: 1-3).

Farther back, Nehemiah was the man who led the Jews to rebuild the walls around Jerusalem. The people found it necessary to labor with a trowel in one hand and a sword strapped to their side. **BROTHERS, GOD HAS NEVER TOLD YOU TO STAND IDLY BY AND DEFEND NOT THINESELF IF IN FURTHER DEFENSE OF THINE OWN PEOPLES AND LIFE. READ IN PRAYERFUL DISCERNMENT THAT WHICH SHALL ALLOW YOU TO ENDURE DURING THE TIMES THAT SATAN SHALL ATTEMPT TO ANNIHILATE ALL DEFENSELESS PEOPLES OF GOODNESS.**

CONSIDER PRIORITIES AS AMERICA FACES RIOT AND REVOLUTION

1. Set your own house in order spiritually and stay right with God constantly.
2. Pray earnestly for revival and the defeat of Satan's plan.
3. Serve the Lord the most effectively you can in spreading the word of truth, edifying God's people and strengthening His people.
4. Seek to expose the plan of Satan for world takeover in a discreet manner.
5. Resist the political objectives of the Conspirators by seeking to influence state and federal politicians in a way that will work WITH them. Oppose legislation that promotes the Conspirator's plans.
6. Prepare for civil disorders that will grow in intensity:
 - (1) Trucker strikes, coal and oil producer strikes, steel strikes, rail strikes and so forth, that will produce food and other shortages.
 - (2) Terror tactics that will be designed to produce a fear hysteria among the citizenry.
 - (3) Riots growing in size and intensity.
 - (4) Revolution.
7. The survival preparations in order of priority are:
 - (1) A retreat located away from the major cities. In the beginning a rural home of relatives or friends may suffice (but make pre-arrangements and contribute to the resources). At the end, it will require an "armed" camp, if the Conspirators are successful in achieving their goals. A group retreat in which each family is responsible for their own home or shelter, food and arms is by far the best.
 - (2) Food, water and supplies. Dehydrated food is best. It lasts indefinitely along with well-stored supplements.
 - (3) This one is going to get harder and harder to accomplish: Sufficient arms to protect your loved ones against those who would maliciously harm them. Killing to protect loved ones and even yourself when life is threatened is the moral thing to

do on behalf of your loved ones and on behalf of innocent society whose lives are endangered by a person or persons who would kill and destroy them. There must be live humans to make this transition, beloved ones.

MORALITY OF KILLING TO PROTECT INNOCENT LIFE

When an aggressor attacks an innocent person, he not only threatens that person's life but he and his actions threaten innocent society as a whole.

QUALIFICATIONS

1. The defender (or those he is defending) must be the object of an unjust action. (Killing a properly authorized officer in his duties of arrest would not qualify.)
2. The defender must use only the force necessary to prevent the threatened unjust aggression.
3. The defender's primary intent must be to stop the aggression rather than to kill or injure and all alternatives must be utilized--first.

* What chance does a 115 pound woman or child have against a 250 pound man whose intent is to assault, rape or kill? Practically none short of some form of firearm.

RETREATS

1. LOCATION

A. Ideally - 200 miles from am major city and frankly, for you dear Southerners in the case of the Illuminati--get your safety place north of the alleged Mason-Dixon Line.

B. Ideally - 30 miles from a major multi-lane highway (freeway). Population density should be less than 10 per square mile unless the population is in cooperation with the retreat.

C. Ideally - the retreat should be located where retreaters can make the trip from home to the retreat in daylight hours of one day.

D. Ideally - the retreat should not be in a nuclear target area or in the wind-fall area of nuclear fall-out.

E. Ideally - the retreat should not be located in an area that would flood should a dam be destroyed or be endangered from any type of hazard such as that.

F. Ideally - it should be located on the highest point of elevation over the immediate surrounding area, or near a summit whereby the backside of the retreat is protected by hillside. A placement of this type with its own water supply is ideal.

II. FACILITIES

A. Housing

There are three basic concepts:

1. An isolated single dwelling
2. A large condominium or apartment type dwelling with housing on top floor and preferably built "down" instead of "up". Common purpose quarters should be at a low or underground level.
3. Family dwelling built in the form of groupings with dome type structuring.
 - a. Homes should be built in the concept of the "wagon train or snowflake circle" for community as well as defense.
 - b. A community building can be built in the center of the housing area for meetings and other group needs.
 - c. Upstairs is for living quarters of daily use; lower "basement" is for storage and more intensive protection periods. This area would have pantries for foods, freezers for frozen foods and allow ample storage of dehydrated foods, water containers, etc.
 - d. The outward facing wall of homes should be built so as to be defensible from attack. Concrete or compressed block, small windows (bullet proof or covered by steel plate). Patio with planter boxes (attached in sequence) a minimum of three feet high and at least two feet in thickness of the same material--preferably compressed "shan-stone" brick. Carefully laid natural rocks can also be utilized.
 - e. Wood or alternative fuel stoves for heating and cooking must be supplied. If storage facilities are adequate then butane or propane might be stored, however, be prepared to have ability to convert to natural plant or solar ability. This will be covered at a later date.
 - f. Cast iron cooking utensils. These are the most efficient and durable if cooking is required on open fires.
 - g. Lighting should be provided by high efficiency gas lamps which use fuel oil but fuel oil must then be stored in quantity. Electric lighting may be

installed but may fail and therefore be prepared with backup generators--- these will also require large storage of fuel.

h. High intensity floodlights should be mounted facing outward from the front of homes.

i. Some type of protective housing should be provided for animals (perhaps community building). This will be covered greatly in the portions planned for sheltering facilities.

B. Grounds

1. Garden area should be located behind house.

2. Front of property should include grass grazing area and a "Safety Zone" of 350 yards cleared completely for defensive purposes.

3. Effort should be made to insure that traffic on an incoming road should be visible.

III. WEAPONS

A. An arsenal to store weapons, powder, ammunition and etc. should be separate from main structure and buried underground. It should be concealed so as not to be capable of being located by search.

B. Suggested Guns

1. Defense Rifles. Mostly this shall be left up to your discretion. Obviously, you should have at least as good as you can obtain to match that which will be in the hands of the enemy.

.223 Caliber (Ar 14; Ruger Mini 14, etc.)

.308 Caliber (MIA: M14; H & K 91)

30.06 Caliber (Surplus Military Rifles)

2. Hunting Rifles

30.06 Caliber (Remington 760 or 700 etc.) .308 Caliber (Remington 760 or 700 etc.) 30/30 Caliber (Marlin 336 etc.)

.22 Caliber (Any reliable make-semi-automatic)

3. Shotguns

12 gauge - Remington 870 Pump with long magazine for extra shells is recommended. This gun can be equipped with different barrels.

4. Pistols

.357 Ruger, Dan Wesson, Colt and etc.

.45 Caliber Colt 1917 Government Model Mark 4
(Accurized if possible)

C. 1000 rounds of ammunition per gun (or more), or equivalent in reloading components

D. Reloading equipment and supplies for your guns

IV. STORABLE FOODS

A. One year's supply of storable food is recommended.

1. The Central Valley of California produces about 25% of the United States food supply and more than 40% of your vegetables. (You can count on a failure of growing seasons if for no other reason than disruption of irrigations facilities.)

2. Canada and U.S. produce 70% of the total food exports in the world.

3. The average home in U.S. has less than one week's food supply.

4. The average U.S. city has a food supply of only 8 days.

5. Should there be crop failure, riots, strikes, etc., that slow or stop food supply to the cities then food costs would become exorbitant.

6. Should there be revolution there will be no food available from stores.

7. At such a time food would only be available from:

- a. supplies previously stocked
- b. bartering
- c. foraging
- d. plundering
- e. gardening (and that takes "time")

8. Excess food for bartering and humanitarian purposes is worth much consideration and planning. The investment will ultimately be more valuable than gold.

B. The Method of Stocking Food

1. The easiest method is purchasing a 1 year food supply from one of the manufacturer's suppliers.

2. Buy a sample pack of food from a reliable supplier. Then pick foods that suit

your taste.

3. Area suppliers may be located by checking with camping stores, health food stores, and sporting goods stores. We also highly recommend the Mormon Church advisors for they have excellent food storage plans already laid forth. We have also recommended one prior to this but there are many and if you wish to share the information as you locate pod suppliers, we will be most happy to print the information. This holds true for any information you wish to share with your brethren.

4. The Basic Plan

a. Three months supply of "wet pack" (this is Super Market canned food). Record a typical week of food for your use then multiple by 13. This must be dated. It will only be good for about 3 years and should be turned upside down every month.

b. A portable three months supply of freeze dried foods. This will have a shelf life of about 15 years (unopened).

c. Supply for long time storage should include:

Grains, non-instant powdered milk (100 lbs per person.), freeze-dried meats and some vegetables (freeze-dried is the most expensive but is necessary for some vegetables).

** Also some TVP (textured vegetable protein) as a supplement. (Air-drying is least expensive and is adequate for many fruits and vegetables). Air-dried fruits and some vegetables. (Least expensive method)

d. A pure water supply

** If water source is questionable then a thermos size PCP from a survival source will handle some 1500 gals.

e. Wheat, flour, sugar, honey, salt, and salad oil - all vacuum packed. Butter powder, shortening powder and peanut butter powder may be mixed with salad oil or shortening to add variety to menus.

f. Sourdough Mix

g. Yogurt Starter

h. Multi-vitamins

i. Vitamin C in large quantity.

j. Seasonings: Pepper, Chili powder, curry powder, allspice, basil, thyme, oregano, cinnamon, paprika and seasoned salt, and of course, plain salt (pref. sea salt).

C. Economical Long Term Food Storage

The basic four foods:

1. 300 pounds of hard Red Winter Wheat
2. 100 pounds of powdered milk (non-inst.)
3. 100 pounds of honey
4. 8 pounds of salt

** These basics plus vitamins B+, C, D, E, and K will sustain one person for one year with 2000 calories per day.

The wheat must be clean and uncracked (to preserve germ) with low moisture and at least a 12% protein content (15% is better).

The milk should be non-fat and non-instant and commercially packed. To enhance flavor get a supply of imitation cream powder.

The other items should be vacuum packed in AN INERT NITROGEN ATMOSPHERE. NEW 5 GALLON CANS MADE OUT OF ENAMELED STEEL WILL WORK. It takes 9 cans for each 300 pounds of wheat.

Directions: Place a fist-size piece of dry ice in the bottom of the can. Fill the can with wheat, grain or beans, put the lid on loosely in place. When the lid stops "burping" tighten the lid quickly so that it seals.

** Purchase a small wheat grinder--hand operated.

** Supplement above diet with fish, fowl, and game taken by fishing, hunting, and trapping or however--you might use barter, and also use additional fruit, vegetables, meats or meat substitutes, liquids, bread or cereal.

D. Water Sources:

1. Swimming pool
2. Water Beds
3. Water stored in containers, cistern, etc.
4. Pure water stream or spring Water purification may be provided by water purifying tabs available at drug stores or:

a. 8 drops (5.25%) of Chlorine Bleach per gal. in stored water will preserve it. Questionable water should receive twice as much and allowed to stand 1/2 hour. Do not be disturbed over chlorine taste.

b. Tincture of iodine or iodine crystals:
12 drops per gallon normally or 24 drops for questionable water with 30 minute waiting

- c. Boiling
- d. Silver-ion purifiers
- e. Charcoal purifiers
- f. PCP purifiers sold commercially

E. Medicines

- 1. Aspirins
- 2. First Aid Kits
- 3. Surgical Kit
- 4. Medicine required by individual retreaters
- 5. Extra bandages and bandage materials
- 6. Alcohol
- 7. Hydrogen Peroxide
- 8. Pain relievers without aspirin
- 9. Other available medicines which would control vomiting, diarrhea, etc., as might be obtainable

V. PROVISIONS

A. Garden Seeds: An adequate supply of grain and vegetable seeds chosen according to retreaters' preference with attention given to a balanced diet. Do not choose hybrid seeds as they deteriorate in quality with each generation and some only produce one time.

B. Garden Tools

C. Ample and Suitable Clothing. * It should be durable and comfortable such as cotton underclothing and woolen outerwear. If flamed, man-made fibers will melt and the heated substance can cause serious burns beyond the flaming. Woolen outerwear is excellent. But utilize what you can obtain because protection from the elements must be first consideration. Get good outdoor work shoes. Warm hats or caps. For storage the clothing can be packed in plastic with an insulation layer of brown paper. Include mothballs and packets of silica jell (for moisture control). The mothballs control pests in the natural fiber cloth.

D. GET AN OLD FASHIONED TREADLE SEWING MACHINE AND SOME BOLTS OF MATERIAL. YOU WILL PROBABLY BE WITHOUT ELECTRICITY AT SOME TIME. IF THERE ARE SEVERAL FAMILIES-- SHARE.

E. A footlocker in the car with survival items provides a measure of instant mobility if necessary and will tide persons over until they can reach the retreat or safety.

F. Communication Equipment:

CB's - Base Unit and mobile unit

Walkie Talkie (Realistic combines quality and economy) Power Pack - Generator
(absolutely mandatory)

G. Canning, Equipment

Pressure Cooker

Canning jars, lids and large extra supply seal lids

H. Bible! and other inspirational books as well as

"How-to" books. For long periods of time you will enjoy

cook-books geared to camp style foods, simple carpentry, canning instructions and sewing.

I. Have adequate and extra needles, threads and items of sewing materials for mending, sewing, etc., such as scissors for material, utility.

Miscellaneous supplies---the list is as long as you have time and resources:

Mandatory:

Gasoline and Oil

Batteries

Work Boots

Hatchets and Axes, wedges, etc.

Hunting Knives (good quality) and sharpening stones--quality is mandatory for these

Survival Books

Compass Canteens Topographical maps

Matches

Eating Utensils and pots

Files

Add to your list as you ponder it and keep it handy for inspirational items such as candles, tape, rope, string, etc., etc. I can only give you an idea at this point and basic necessities. For instance, those matches will have to have waterproof containers---you must carefully think of things you would need if you were alone indefinitely. I gave you several good resources for listings and outlines in SURVIVAL so I shall spare Dharma the further listing in this portion. We can ask ones later to put together a specific guide--several of you who are adept in this subject could assemble a comprehensive guide which we could put forth as a Journal and/or supplement.

I am well aware that this is not sufficient for your needs but there is plenty of available information and as you ones begin to network you will be able to form partnerships for the production of various and specific needs. At this time, if you write in with your talents and desires, we can share the listings for you and you can work by mail, etc. Much can be accomplished even at great distances while there is still a system within

which to function and relocations can be accomplished later if necessary or desirable. Use that technology which is available.

If you are willing to share your talents or resources, let us know and we can get connections made as to close locations, etc. We must come into "Community" to succeed--that does not necessarily mean proximity--it means exactly that which it says--COMMUNITY--not commune--COMMUNITY!

Dharma, enough to this section, please. Let us take rest time, please. Thank you, chela.

Hatonn to stand-by. Salu.

CHAPTER 5

REC #1 HATONN

FRIDAY, MAR. 9, 1990 7:15 A.M. YEAR 3 DAY 205

WHAT YOU ARE AFRAID TO DO IS A CLEAR INDICATOR OF THE NEXT THING YOU NEED TO DO!

Hatonn present in the Light of the Radiant One. Let us pull the cloak of light about us for we are going to embark on subjects which are all but totally hidden from the masses. However, if you stick your head in the sand, one thing is for sure, you'll get your rear kicked.

Ones kick and pick and say, "God and His Hosts would not speak of these things!" What would God speak of? You ask for help in a sickened world--would you simply have Him speak of how it will be in the sweet by and by while your very existence collapses upon you? You see, things are not what they seem--they are what they are and excuses are your lack of faith in your own power. Ones form up attitudes and too often want justice--"just for me". I would like to place a thought in your minds as you decide whether or not to step over the threshold and participate---some people try to softly tip-toe through life so that they can arrive at death safely! But, when it becomes more difficult to suffer than change--you will change! Life is what is coming and act that which has been and it is, further, that which happens to you while you make other plans. So be it and let us discuss some of the wondrous things "man" has laid out for your journey in the coming segments you call time.

THE PHOENIX FALLS AND RISES

The current world society has been on the decline long enough to create an irrevocable world-wide situation. So, again, the Great Bird is in the process of immolation (to offer in sacrifice). This time, however, it will be quite different. This time after the awful retching and death within the fires, there will be no "Keeper of the Sun" to stir the descendants of survivors into starting wars, building cities and amassing wealth. This time the weeding out will be more thorough, and those surviving the purge will be a unique kind.

And where will you as a people be when it all comes down and you find that you have been duped? Would you not have instructions and truth? Though rendered impotent, remaining will be those who still cling to false gods. But the Remnant will have a King. He will be the Mighty Messiah, brothers---for that is what this journey is all about! He will guard and guide His people; wars, the vehicle by which tremendous fortunes are made and the kind of progress leading to decay and eventual doom, will have ceased, never again to blight and destroy.

And with no impugment nor attack intended upon any one, we must discuss that

which is coming forth in difference and opposition unto that which we are laying forth for your consideration.

CAN YOU "SIDE-STEP"?

Again, I must name labels for there are the ones going about on lecture circuits pronouncing great knowledge and erroneous conclusions. Attempting to avert that which their queasy guts tell them is inevitable, top minions of Earth's heathen gods flail about in a sea of confusion, indecision and calamitous situations. Wittingly or unwittingly, men/women like Cooper, Lear, Stevens, Friedman, Girard, DeMar, Oribello, and "Commander X" as well as Crockett and Beckley, Howe and Goodman and so forth, conceal the fact that drawing attention from exploding events, mingled with enough truth to create credibility, their story clearly points to the cupidity and cleverness of the plotters. What could you do about it if all these half-century old tales are true? Some are truth! Well, the conspirators depend on these ones to sell you on the idea of doing nothing to change of your plight.

Just as it behooved the occult leaders of the great new American nation to rid themselves of the inscrutable Redman as quickly as possible and by any means necessary, so do the facets of the Conspiracy need to get rid of all "thinking" men of all colors and creeds.

The binding thread of their culture, the presence of the well-concealed portals and much of the mystery of the fearsome world beneath and within your Mother planet has been known by Indians throughout North America and into and about all of the Americas---actually, throughout the "uncivilized" world---"civilized", of course, by the barbarians called elite.

Strange indeed, considering the urgency of the time and the need to know, it turns out to be Caucasians of European descent revealing truths known by the Redman for unnumbered generations. Lying propaganda has turned the Redman against the Whiteman, yet the feeling of the average White for the Indian is one of admiration and awe, understanding and sympathy--but this is lost in the burial by the Conspiracy. If you think the "Fairskined" has not also been abused and disenfranchised---you had better look again. Well, shake in your boots a little more---the Redman is ready to write the truth of it--SOON!

PIG IRON AND GOLD!

Ed DeMar made great, great sport of Oberli and what he called the "Pig Iron Fiasco". That story is too ridiculous to even be discussed, however, there is a subject right here and now which will be discussed.

There is a lot of gold and other metals of far more value floating about and everyone wants it--and will stop at nothing to get it. It is the treasure of Atlantis which they covet. They have no idea what it is they really want and as is usually true in the greedy

aspect of human--the point is missed and the more valuable of the various substances is missed in the ever continuing desire to grab the gold.

In the mid 70's a very large amount of gold somehow came into the hands of a tainted bunch of scoundrels---billions and billions of dollars in value. This was a portion of the Atlantis cache stored underground prior to the sinking of the continent. The information was wheedled out of the Indians and the tunnel system was penetrated (and this was just in the Ozark mountain range---small compared to other placements).

Today's conspirators want the gold of Atlantis for it is the world's number one conductor of electricity; therefore its value as the agent best able to make the most sophisticated electronic inventions tick outstrips even its value as a medium of exchange.

It is quite well known by all the elite conspirators that Earth planet is indeed, doomed--the leaders of the world are fully aware of that status--'tis only you the people who are lied to about it. So, what is their point regarding the gold? It has nothing to do with Earth but everything to do with other planets in your system, such as the Moon, Mercury, Mars, Venus----where they have been hauling gold off Earth for years.

Well, what of these little "tenders" of the gold? The "little greys" and the "little Moon-eyes" that the Indians knew at least 10,000 years ago? Well, surprise, little Earthian friends, they are guardians of the sacred treasures from the elder continents and keepers of the sacred speakings. At least most of them are and those that are not are equally ill-used. The plan is to spread terror among the populace and cause great confusion and then make an effort to "bomb them out of existence". You can bet that your "MJ-12" revealers and projectors of a planted scenario have the guardians isolated and penned and are at war with these strange creatures whose scientific skills exceed man's most ambitious dreams. Well, most of them are "saints" from the cosmic spaces and let it be recognized---the Hosts of Heaven are on the way from deep space and the Elect need have no fear of these beings---WE ARE ON YOUR SIDE!

It is for this reason that so much underground testing is done of weapons which can be destructive at great depths into the earth.

HONOR TO C.B. BAKER---GET HIS WRITINGS

I greatly honor Mr. Baker and I urge you to get his information. He publishes a review report prepared for Youth Action News. P.O. Box 312, Alexandria, Virginia 22313. Please make sure delivery information is placed in the Appendix of this Journal.

YOU THE PEOPLE

Before discussing the military impact of the covert "beam" systems, I want to lay a heavy load upon you as "you the people". I have spoken on this subject in depth verbally and in prior Journals, but you must now pay great attention for these are the

weapons of choice set up to "take you out".

I have previously suggested you might wish to obtain ELECTRIC POWER LINES AND CANCER, a compilation of research reports which can be gotten through Dr. Sutton's FTIR. Also, THE BODY ELECTRIC, by Robert O. Becker, M.D. and Gary Selden who describe the effects of ELF (Extra Low Frequency) fields.

Now, I am not going to give you "lab results" to toy with--get the material and check it out--I am going to tell you how it IS!

Let us speak first of a simple 1-gauss magnetic field, which is the strength found near high-voltage power lines. In this field the memory and ability to do simple arithmetic declines. There is a substantial interruption of thought flow through the synapses within the brain. There is almost always hyperactivity and disturbed sleep patterns found in persons within these fields. The first perception is that of upgraded feeling of well-being and even euphoria. Even mild pulsed beams of this low frequency change brain cell "firing" rates. For relative measurement, that would be about the influence of a light bulb at 10 feet distance. This is most specifically the basis of ***Confusion Beam Weaponry***.

The Soviets developed such ***Confusion Beam Systems*** and are now utilizing them in satellites and spy ships to influence the behavior of military personnel and airline crews while in flight. This ability, coupled with Cosmopheres (I will discuss later), can sink any ship or pull down any aircraft.

These fields are also found around underground power lines which are also related to increased suicide incidents. These weapons are widely used against submarine crews, surface ship crews and airline crews to induce slowed mental and motor reaction times and other unalert behavior experienced by your own U.S. sailors and officers. We shall speak of the U.S. Naval accident rate in 1989.

Microwave weapons are also widely in use. These are similar to the type utilized by the Soviets against the American Embassy in Moscow and can cause Microwave Sickness. The manifestations are chronic excitation of the sympathetic nervous system which is called "stress syndrome" and high blood pressure. This would also include headache, dizziness, eye pain, sleeplessness, irritability, anxiety, stomach distress, nervous tension and INABILITY TO CONCENTRATE!

U.S.S.R. MIND CONTROL DEVICES

The KGB runs a mind control program which is given unlimited funding. They have some of the world's best minds to perfect a new ability to subdue and control the western world. People in your sector simply are not prepared to think about these things, but you are already victims of widespread mind control---for you see, your government also has this ability.

However, the Soviets are a long way out in front of you and the techniques are already in functioning ability and use.

A person's thinking processes can be scrambled and fear and confusion implanted at will. The thinking process can be "jammed" in the same manner that signals coming in from a radio transmitter can be jammed. By scrambling a targeted victim's thinking, you can make the enemy commander do something totally contrary to his training and his loyalty to his own country. A patriot can easily and instantly be turned into a traitor--IT IS THE ULTIMATE IN THE PENETRATION OF A WESTERN GOVERNMENT BY A COMMUNIST POWER.

You ask, "Why haven't we been told of these things?" You have! Back in Nikola's (Tesla) time, he told you of these things and had an operational beam system. That warning has been continually updated to the point that the "tellers" are called crack-pots and radicals. Therefore, few are aware of recent research establishing that brainwaves and other biological functions can be entrained from a distance, by magnetic waves of critical frequencies.

The psychotronic patterns/effects can be modulated onto electromagnetic signals, even of very low intensity, and still affect living systems because of the kindling effect; i.e. the psychotronic virtual state modulations are stripped off by a living system in the acupuncture points near the surface of the skin and introduced onto the human nervous system where they begin to superpose coherently as time passes. Such collections eventually reach the quantum threshold and observable physical changes result. Then, by modulating psychotronic signals onto electromagnetic carriers, visible light squelching can be overcome. The psychotronic modulations are then delivered to the biological targets through the light. Light photons pass through other photons without interaction except in the most extreme cases---and activate the acupuncture points. Acupuncture points form plexuses or groupings, that are frequency sensitive. Further, these plexuses are co-ordinated with and to specific body locations. By choice of frequency, one can therefore determine what part of the target's body is affected. A Czech engineer, Robert Pavlita, has been perfecting psychotronic weapons for over thirty years and has developed two quite specific ones--one is effective at any distance and one is extremely and instantly effective for 320 kilometers. These weapons are capable of causing anything from powerful and uncontrolled emotional seizures to paralysis and death. Pavlita is still in the service of the Soviets!

COVERT ATTACKS ON WESTERN PERSONNEL

NASA engineers are a prime target of Soviet KGB zapping weapons. Recall a couple of years past, twenty-eight to thirty-five year-old engineers at NASA were dropping dead for no apparent reason---at two and a half times the sudden death rate for the rest of Florida.

Over 22 researchers working in NATO countries on the U.S. Strategic Defense

Initiative (SDI)--which has long been a prime Soviet target for destruction--have met mysterious deaths, many of which offer evidence of Soviet mind zapping weapons. These KGB zapping weapons have a very wide variety of application--from inducing cancer and sudden heart attacks in victims, to creating thoughts of depression and suicide. The alleged causes of some of these deaths include: "Death leap, decapitation, suffocation, asphyxiation, drug overdose, asphyxiation, auto accident, suffocation, auto accident, heart attack, electrocution, death leap, electrocution, electrocution, asphyxiation, auto accident--as reported in sequence." Although it was recognized that some of these deaths were obviously the work of old fashioned KGB/SS mobster methods, others are clearly the work of brain disorientation brought on by sophisticated mind control/confusion devices. Even your U.S. Defense Department (FINALLY), is reviewing this amazing series of deaths.

And what will come out of the recent revolutions in Europe? The cancer deaths of Romanian exiles employed by Radio Free Europe are now under investigation by your FBI because informants have given information that this was the work of agents of the Communist Bucharest government--by directed beam waves! They were killed with a radiation device designed by Romania's DIE intelligence service, with help from the soviet KGB and sanctioned by the Global Conspiracy, also funded by same.

The radiation weapons were employed to prevent tracking. DIE has clandestinely killed dissidents for several years. The weapons are designed to kill its victims by simulating natural causes. The radiation dosage generates lethal forms of cancer---and what think you of your "cancer clusters"?

There is a radiation gun that kills people by giving them cancer and other diseases. The gun fires a burst of radiation that causes cellular mutations in the body. Sometimes these mutations lead to the development of cancer within weeks.....shades of Mr. Casey? What of the Shah? And how about Marcos? Which do you think "they" will use on Noriega? In some instances, the cancer may not show up for several years. That little toy gun is widely used on prisoners and an entire citizenry in Afghanistan.

The human brain has various rhythmic waves which represent what is called envelope pulsations of the entire electrical system. It is not, however, the electromagnetic force fields represented by these pulsations which are important: It is the summed-zero (prana, and now called scalar) patterning of the entire complex of neuron firings, which represents the real activity of the brain, and represents its thoughts and emotions. Dr. Tesla has already covered quite a bit of this very pertinent information in a prior Journal.

The human brain rhythms are riding along relatively entrained resonance waves of the natural resonance of the earth's magnetic field. All the patterning of the brain is grouped together into giant overall orders, and one or more of these is normally synchronized to your natural environment.

If a varying magnetic signal of extremely low frequency (ELF), of say 10 hertz,

bombards the brain with greater power than the earth's magnetic field, it is possible for the brain's rhythm to be "forcibly entrained" to synchronize with that signal, rather than with the normal resonance. Scientists on your placement refer to this as "Schumann resonance". If a large number of brains are forcibly entrained to such a signal, and the signal is artificial, then a master coherent phasing of all the brains to the transmitted signal has been accomplished.

That can be utilized, and is utilized, by anyone in control of the system. A lot of to-do about the Woodpecker signals (a Tesla system) is taking place and rightfully so. It is utilized widely by the Soviet Union presently---more so than by your own Conspirators at this time. These Woodpecker signals have frequently been detected with up to 16 carriers, each with a 10 Hertz modulation, and with all the 10 hz modulations in phase. At times, the system signals have shown 16 carrier frequencies which contain the same 10 Hertz modulation, and which are all kept coherently sync-locked. If those signals and the modulations are strong enough, the brains in the targeted area demodulate the 10 Hertz signal and phase-lock to it.

The genetic code of the human brain has been broken and now exists the ability to implant thoughts, emotions, visions, etc. The proper signals can now simply be recorded and utilized for specific thought transformation from "human guinea pigs", using scalar technology and instrumentation. They can then be tailored onto the carriers, such as the Woodpecker system, and used as a means to affect specific areas and functions of the brain---the targets can be specific indeed.

Understand this: The brain has a most unique characteristic. If a signal arises from inside itself, it interprets that it, itself, originated the signal. Thus, actions can be engendered in masses of human beings.

The Soviets frequently broadcast pulses at 6.66 PULSES PER SECOND (HERTZ) WHICH IS THE PRECISE FREQUENCY THAT IMPARTS A BOUYANT FEELING IN SENSITIVE RECIPIENTS. AN EXCESS DOSE OF 6.66 PULSES PER SECOND WILL GIVE RISE TO A SLOWING HEART BEAT, NAUSEA, HEART ARRYTHMIAS AND CARDIAC ARREST.

You might well pay attention for this is a prime signal of the "ending times" as predicted in Revelations 13. 666 is the Mark of the Beast that is to be implanted on the hands or in the forehead. That little beastie that came up out of the earth had two horns like a lamb and he spake like a dragon--etc. Well, the Woodpecker signals have two separate components, the high frequency part goes into the ionosphere and is reflected off of the earth-ionosphere cavity and bounces back to earth--from the direction of heaven. The second part of the transmissions involve ELF signals that go down through the ground and then come up out of the earth at the targeted area. The little beastie "maketh fire to come down from heaven on earth in the sight of men".

Your human electromagnetic nervous systems also have your own software. It has

special storage media contained in its brain, its cells, and its genetic material, and within its actual nucleons. All of these storage media are continually telecommunicating via electromagnetic means. You are what each of you is, and is largely what you have experienced, felt, thought, and performed through action. Your whole functioning conscious system has been evolved by your experience, and it continues to be "you" by means of continual reference to the record base. Well, the record base can now be altered via electromagnetic manipulation and means. **BROTHERS, A TOTALLY NEW, AND ULTIMATE, FORM OF SLAVERY HAS EMERGED AND IS BEING STRUCTURED RIGHT NOW IN A MASSIVE PLAN FOR UTILIZATION.**

The electromagnetic fields act directly on the central nervous system, bypassing the known sense organs. There are already identified five separate resonating systems in the human body: in the heart and aorta, the skull, the third and lateral ventricles, the sensory cortex and in each hemisphere of the brain, **WHERE PULSATING MAGNETIC FIELDS OF OPPOSITE POLARITIES ARE SET UP, THESE BEING VERY SENSITIVE TO ENVIRONMENTAL FIELDS** and providing a mechanism by which the brain picks up information from the environment through resonant feedback---simple indeed to impact those resonating systems. With deliberately constructed electromagnetic energy, any or all of the conscious/subconscious portions of the mind can be available for engineering and control and/or change. So be it.

Dharma, allow us to pause for respite.

Hatonn to stand-by, thank you.

CHAPTER 6

REC #1 SANANDA

SUNDAY, MAR. 11, 1990 8:00 A.M. YEAR 3 DAY 207

Esu Sananda to visit with you ones for a while. The path is filled with confusion and you are not given to see. It is to insure your security that causes you ones of my faculty to be kept in the "semi-knowing". You shall prevail in the challenge, for man, armed with truth, can come into his own inheritance and march unto his goal. You ones who are in the writing and printing of the word are experiencing the efforts to stop you --- even unto the most absurd of manners. This is not of psychic fortune-telling---ye will make of your own fortunes and ye can be in the fore-knowing if ye will but face what it is ye seek and do. No more and no less.

Ones who have been in communication with astral beings are finding, very often, that the beings were not truly of the lighted realms but rather, perpetuators of the false myths. These ones are compelled to do all in their power to dissuade you from your work. As the example with the dear ones from New Mexico. It does not work well to simply denounce---that has proven to gain even more attention to the truth---so, let us stop the writer, is the next (as well as the first) thrust.

As in the instance with the effort at rest and separation from the resource of truth--i.e., sever communications for fourteen days at the advice of some "unknown" entity who calls himself a Master. These energies already know you receive from God and THE Master Teacher so who would have authority to require you to speak not with us? The hope is to pull down confidence within your conscious selves that your contacts are not valid. The facts are, however, that if anyone suggests such a thing---you can be quite positive that your resources are indeed truth and valid and the thrust is to cause you to turn away in doubts.

As the truth becomes more similar to super science fiction, you ones will become more questioning of your own sense of disbelief---therefore, you must have come into your foundation of stability upon the rock, which I am, that you do not break in the confrontation of truth.

I am most humbly grateful for the participation of ones who share the beginning journey with resources upon which the foundation of our work can be begun. I give great appreciation unto one who has allowed the setting up of the institute which can be the heartcell of our work and the receiving placement of the Journal's rewards to be distributed in ever widening circles. It will allow ones who hold the "keys" of knowledge regarding apparatus to begin to function again, in properness.

The projects already planned shall find fruition for it must come to be in its proper sequence for we plan no communes for ones to sit and twiddle and indulge selfish "me-ness". Rewards shall be great and sharing shall be the central focus but not as

other "communes" have structured the socio-political systems. We are about our Father's work and the system must function in a most human physical world. To mentally dwell with God is indeed fine--but you ones tend to forget--God dwells within thee! That means that as long as you dwell in the human format--God must also function in the physical format for that is His chosen experience.

You need not concern yourselves with the building of anything in the etheric realms---there are billions of energies who construct in perfection in the etheric planes. Why would you appoint yourselves in the density of physical format to presume to build in realms of your total ignorance? You must build and perform in action to impact and requalify the truth of your own experience--a most physical manifestation. It is through your works upon your own placement that determines your progress through the schools of perceived passage of soul journey.

Beware of those who preach "mystery schools" and "having keys to the magic or mystery realms"---God is no secret and God does not give keys unto a selected few---he gives forth and those, who are willing, pick up of the key and open the locks. You have mastered life when the "how-to's" are irrelevant. You all move forward and the "how" will become evident, but you must be in motion lest the goal be too big or too distant.

Beware of all "secret" so called truths, given only unto the few--for you must realize, chelas, that the "few" have given their own wishes and desires unto self that they might hold of their lofty positions as self-proclaimed. This is why you do not know of this scribe--there are no secrets and she holds them not unto herself but pens the words and they can then go forth unclouded by need for physical ego hoarding. All ones must come into balance with that which we give forth for you have been trained by human ego projections upon you to be tended and ordered about, governed, and manipulated by ones who have "assumed" their placement of power for they have convinced you that you are not capable. Therefore, you do not study nor even object as your very "knowledge" and education capabilities are removed from you--you sit and wait for "them" to tell you what you must do--at the point of a gun. You forget that if you do not start of a journey it is certain that you shall not arrive. Yes, making "no" decision is already having made a decision. And, giving your decision into the hands of another will not be an accepted "reason" at the point of "judgment" of YOUR journey. Excuses will not count when confronting thine own God within on passage day! You will always get exactly that which you expect---good or bad, consciously or unconsciously. **OTHERS CAN STOP YOU TEMPORARILY, ONLY YOU CAN DO OF IT PERMANENTLY!** It is, however, indeed truth that most ones are willing to work, only if they can start at the top and work up! Little do they realize that from the willingness to start at the very bottom--they are already in achievement of the top.

Heed not those who try and try and try--trying and "effort at" are not the same. Trying provides two excuses--an excuse for not doing and an excuse for not having. There are actually only two things which you have in life--"reasons" or "results"--reasons are most often excuses and therefore reasons are not counted in the ending--only the

results and you have no way to measure your success or failure according to the rule stick of God. If you hold back because somehow you feel constantly misled or mistreated, you must know that you are fully cooperating with the treatment and have given over control unto another to do that which they will with you. Further, if you worry constantly about that which might be and wonder and worry over that which might have been---you will ignore that which IS. To break out of your prison, you must first realize that you are incarcerated. The latter is the purpose of the Journals thus far---to show unto you that you are indeed, incarcerated, and begin to allow you to understand that you have the power to escape the bindings.

You can worry until the ending trumpet but you will have missed the point of experience---worry comes directly from the belief that you are powerless instead of all-powerful. If you grow into maturity then you will have come into the realization that you are no longer being deceived nor taken in by one's self. You will come into honesty with self for the sake and morality of honesty and not because honesty is the "best policy", for if you base honesty upon being the best policy--then your honesty is corrupt. If you worship at another's truth then you shall always be separated from the glory of self wherein God dwells. Harken unto the ones who share truth and show the way---pay not heed to those who tell you it IS the way through anything other than the glorious self. The Laws of God and The Creation are perfection, therefore, if you abide by those laws ye shall have perfection for God is within---not without---and therefore truth is brought into balance from within---not without! Listen to teachings always from within thine own heartcell for another's truth is his--only that which is yours--is yours! ***YOU ARE THE ONLY TEACHER YOU WILL EVER HAVE---PONDER THE TRUTH OF IT.*** If you do not know what direction to take, you have not acknowledged where you are!

Since YOU are the cause of everything that happens to you--be most careful of that which you cause, for in fact, there is no actual right or wrong---*only consequences*. You can have everything in life that you want--if you will help enough other people get that which they want. At any time in your journey that you care not for the games people play--turn away and make up thine own games--for the winning or losing will be yours to hold, not another's. Strange things occur during a journey of truth unto balanced passage, one is to realize that you have no choice but to feel what you are feeling--the choice comes in changing the mind regarding it. If you have lived to simply make yourself important--notice how unimportant you have actually become!

If your life is not working the way you perceive you want it to be--look carefully and you will see that you are lying. There are but three kinds of people in the ending; those who make things happen, those who simply watch things happen---and the ones who haven't the slightest idea what is happening. Learn that which is truly happening and you can change of it. As you go about thine searching be cautious indeed for if you think something outside of yourself is the cause of your problems, you will err in looking outside of yourself for the answers. Dear ones, in the physical life journey you will never "have it all"--that would be like trying to eat once and for all. Can you not realize that all unhappiness is caused by perception and comparison? Ye can only be

that which ye perceive yourself to be. Your success is measured only by your ability to complete things and the more clear you are on that which you, want, the more power you will have and you must hold uppermost to all thy senses---GOD DOES *NOT* MAKE FAULTY PRODUCTS. If you have problems, so what, solve them so that they no longer annoy you--confront them in truth, sanity and reason and solve them---they, too, shall pass. Hold my hand and walk with me for I am sent as the wayshower to heal of thine life through showing you the way of truth. I come again as Sananda--healing life-source, that you can be lifted up and walk in wholeness and perfection--you dawdle in the mud puddles when you could traverse the heavens to touch of the stars. Can ye not accept of your perfection?

This scribe nor these bringers of the word of truth set not themselves above or beyond any other--they simply are the couriers of Aton Creator to remind you of your perfection. Ye need of no interpreters nor mediators--your soul knows of that which is truth if ye will be harken, Share of the truth of the word and your heart will blossom into glory for thine brother knows he is sick and weary. You who turn to substances to change and shroud of the mind--when you find that life is destroyed and you can no longer face the addictions or the drugs which you depend upon to hide you from yourself--you will change back into "reality" and remove yourself from the ranks of the walking dead. There is a fine solution and a "bad" solution to every problem--you just don't keep enough reserves of good solutions in your larder. The choice is always yours! What kind of choices do you make?

If you cling unto the security that you perceive you have, if it be not of God-ness--then ye shall doubtlessly miss the journey into abundance and success--ye shall simply remain clinging to that which might have been for from the cradle unto the grave of physical man--THERE IS NOT SECURITY SAVE THAT WHICH IS OF THE SOUL DESTINATION. ALL ELSE IS BUT A FLEETING MOMENT OF PERCEPTION OF CHANCE AND YOU MUST *MAKE OF YOUR CHANCES*.

I do not plan to speak in riddles--I do plan to speak in thoughtful truth. I am come to bring my Father's people home unto him--are you one of mine family or not? The eleventh hour approaches--what is your "happiness" level of measure this day? If it be not full and filled with peace, I suggest you give the Lighted path a chance--what possible loss could you sustain therefrom? Perhaps ye shall gain of the Kingdom!

Beware the secret orders for they are filled with people who lay the rules and limits and then keep the rules from you by their own pronouncements. You need no priests, ministers, lawyers, judges nor go-between interpreters to be with, truth and God--YOU CAN HAVE NO GO-BETWEEN BETWEEN SELF AND SELF--PONDER IT! YOU HAVE BECOME PEOPLE OF THE LIE AND 'TIS TIME YOU COME INTO THE TRUTH OF THE WAY IT IS AND NOT AS YOU ARE TOLD IT MUST BE!

Your journey will be as good or as bad as you make of it for God Creator has granted that reasoning free-will gift unto you--thy measure of the journey is what ye have done with the gift. If ye send out bigotry--ye shall reap of bigotry against thine self. If

you send out love and giving--it shall flow a hundred fold back unto self--it is the law of the universe. If ye plant of corn--ye will reap of corn, sow peace and ye must reap of peace--ye have been about sowing of the lie and now comes the harvest thereof--but it can be of the last crop of thistles if ye refuse to further plant of the beast's seeds. The harvest is at hand--*YE CAN CHANGE OF THE CROP*. But first, you must recognize of that which has been planted in your fields--did you plant it? Did you allow use of your fields and allow another to plant his own crops in your garden? Perhaps you need to take control of the planting within your own fields lest there be naught to reap at harvest but abundant weeds. Look unto thy European neighbors this day--the larders are bare and half a planet is in starvation of body and soul--what is that YOU sow in your fields--or, do you wait for another to tend of it for you? If you deny truth, then you are thereby denying thine own talents--no decision is having made a decision--unfortunately! So be it--will ye miss of the lifeboat whilst ye await the helicopter? 'Tis not likely thine salvation will come from the ones who have perpetrated the slavery upon you. The slavemaster and trader are not likely to set the slaves free! So be it and selah for the Word of God is the sword of freedom---**I AM THE WORD AND THE WORD SHALL GO FORTH UPON THE WINDS AND WATERS OF THE PLANET THAT MAN CAN CHOOSE!**

I release now, this scribe, that she might have rest. I bring the benediction of the Totality of God that you ones might find clarity and sort away the confusion--ask and ye shall receive--seek unto me and ye shall find of the way for I am the Way, The Truth and The Light!

I AM SANANDA, ONE WITH GOD, ATON OF LIGHT, MOTHER/FATHER CREATOR/CREATION. *WHO MIGHT YE BE?*

CHAPTER 7

REC #1 HATONN

THURSDAY, MAR. 15, 1990 7:00 A.M. YEAR 3 DAY 211

Hatonn in the service of the Christos, God and you, of our Creator's people.

As we write in the coming days, our subject material will be a bit confusing and even more difficult to believe by most of you dear ones. Some have needed shocking into receiving the Journals. Most still desire to play around in the typical UFO stories and follow the exciting circuit lectures of the current UFO Community speakers. As with all things in existence, there are always at least two sides to every story--most often, more. Some will believe each until proven to be otherwise. I come to "prove" of nothing--I will tell you how it is so that you can understand and come into some kind of comfort.

Sometimes the telling must begin in the past and be connected to the present so that your vision trail can have proper perception. There will be very little "new", just a lot of hidden secrets brought forth. Very few upon your placement know of truth in actuality for you have been trained to believe that which is fed unto you by careful planning.

You can look around you and see that something has gone terribly wrong with your society. I place no judgment upon anything--I can only bring those hidden things into light and petition you to look very closely at them and go within and come into balance therewith. Ones do research and uncover tid-bits, draw conclusions, get sanctioned by the government and go forth to tell you ones tainted "truth" and worse, half truths.

LOCKED WITHIN EARTH SYSTEM

The "little grey men", the "big grey men", the Satanic workers---all are basically locked within your galactic system---most are locked within your very planetary orbital sector. As with all circumstances, there are the good aspects and that recognized as "bad". In actual total perception nothing can be classified as good or bad for from each negatives springs total positive experience. This is what makes a journey into the third dimensions "illusion" experience so valuable to a soul journey through the schools of lifestream. The being is presented with all varying sets of circumstances and the experience is to sort of the circumstance, act and perceive the content of the lesson within the soul maturing process.

Since somnolent "man" uses only less than 10% of his capacity to reason or think, seek or search diligently, the information must sometimes be integrated into volumes such as these and presented in whole-cloth for his perception that he might gain an overall introspection and arrive at choices worthy of remaining deliberately ignorant or come

into truthful knowledge. There is always the cycle closings which require decisions of one direction or another--you cannot sit forever at a "Y" in the pathway for eventually you must go one way or the other or perish in the stagnation.

THE JOURNALS

If you hold the Journals in your possession, even though they be thrust upon you, and you look within the pages--you are curious, or nice to your friend or something. If you work diligently to discount them prior to "KNOWING" *ALL* the material contained within---you are foolish indeed and you will show thine ignorance unto the world and will further show thine choices toward God or unto the Evil teachers. This is truth because you will find within the Journals that God never forces---He only allows! You will be told how it is and that which ye do with the information is totally and 100% up to you.

We get angry, and humble, responses to the teachings and commandments of God and The Creation as laid forth in AND THEY CALLED HIS NAME IMMANUEL. We of the fleet, nor even the Christos made the laws --- and, man has been breaking them from the day of first experience---and look at the mess your planet is now undergoing. It is strictly up to you to that which you do--the book was brought forth to bring truth into your hands and bring clearance unto Iscarioth for JUSTICE IS GOD'S. If you partake of all of the Journals and other messages brought from this source and you cannot see God within, I pity you but I bless you and suggest you put to the side the material. Read all that even the darkest of dark writers bring forth---study it all (I did say STUDY) in the presence of asking in the Highest Source by whatever name and then, only then, make thine final decision. If you cannot find thine path with God, then go thy way in peace--for the things unfolding upon thine placement shall come to pass whether or not YOU like of it---it is already well under way, my friends and brothers. WELL UNDER WAY!

UNIDENTIFIED FLYING OBJECTS

The term means exactly that which it says. It does NOT mean little, or big, space aliens---it means not identified. Well, there are few, indeed, unidentified flying objects---your world governments and military establishments have almost all of them totally and completely identified---they just keep it a secret from you, the sleeping public---especially you ones in the wondrous United States of America. Books are banned and kept from within your borders which tell the story in whole--books which have been in the "proving" of these things I tell you, for decades past.

Today we shall outline the UFO connections--both alien (space) and earthbound entity participation. I shall have to begin the story of flying discs, etc., back before your Second World War to connect them with current activities. The craft from space have been around for far longer than your history or biblical books portray. But you are only interested in the NOW. Since you would not believe the NOW scenario, I have to paint the recent past activities which you can go out and confirm and prove unto self.

You are also going to have to face the facts that heinous elements are at work in your current situation which may well portray me as a bigot simply for the telling. Nay, I participate not in any of it---I only tell you how it IS. I have no need to mislead you in the least measure--we are come to awaken God's children and bring you home. We fight no-one nor any government---our enemy is Satan himself and we shall endeavor to extricate God's people from his clutches but no-one shall be forced or coerced in any manner what-so-ever. The Earth planet will be cleansed and healed and God shall meet Satan for the Satanic forces shall attempt to totally annihilate the planet which ye have manifested. This sends shock waves throughout the universe and the impact is grievous indeed, to the orderly function of the universal system---God being Creator and Satan being Created, God shall ultimately prevail. Not even Satan shall be destroyed---he shall be "bound" and removed from the place of Radiance so that healing and renewal can transpire.

You ones wish to find all to be mysterious and mystical--nay, precious ones, it is only that you have not grown in knowledge. All that is unknown is mystery. God is only a mystery for you know not ALL about that entity that dwells within thineself to experience in the reflection of you. Ye know not of energy and frequencies, electricity and finally the ultimate gift of God---the breath of life called soul. Ye ones "fear" all that is unknown---nay--RESPECT that which is unknown but "fear" not. It is not the unknown of God which ye should fear---it is the KNOWN which is all about you that you should "fear" mightily, for that is that which is in your destruction--not God or God's Hosts come to bring of you home to safety and security.

CHRISTIAN VS. "CHRISTIAN" VS. CHRIST-NESS

Just because a man claims he is a Christian, makes him nothing but a speaker. Actions define a "Christian" and Christ-ness. Satan always calls himself Christ or whomever he chooses to work through. He knows all the weaknesses of man and toys with him as does a cat with a tiny mouse--letting you go almost unto your freedom and then tempting you back into the trap by promises which ultimately destroy---"have one more drink and you will feel fine"---he fails to tell you that it might also well destroy your life, another's life and be your total destruction. That is only one example of billions until you have accepted the very lie of the broken commandments in all measures---'tis a hard journey back indeed.

The other side of the coin, however, is that in his rampant proliferation he has overpopulated, exhausted resources necessary for survival of his people and now must sacrifice some 5 billion physical beings to survive in his second density, third dimensional experience. He and his henchmen will insure your demise; nothing more and nothing less and it will be done in any manner of expeditiousness--believe me--the intended survivors of the elite are numbered just as are you who will become the slaves. Do you really believe the "Promised Land" of the Zionists is a little strip of dry land along a desert in Palestine? Come now--the Zionist Promised Land is the whole of the World! There is no intention what-so-ever of living in Peace--the intent is

Global Control and the entities will stop at nothing to achieve that power. It will be insidious indeed and covered in secrecy and hidden actions--all over your planet. They have even infiltrated to the maximum extent, the very Global 2000 Banker Cartel who "thought" they would Control the World. The only thing that saves you on a daily basis at the present time---is that friction between those two factions. Very few people know what is going on---perhaps you ones will be the first of a large to know---AND THAT, FRIENDS, GIVES YOU POWER BEYOND COMPREHENSION. ONCE SATAN'S ACTIVITIES ARE BROUGHT INTO THE LIGHT HE WILL MAKE ALL EFFORTS POSSIBLE TO RETREAT INTO THE SECRET PLACES. HE WILL MAKE HIS STAND AND DESTROY, DESTROY AND DESTROY THROUGH HIS DUPES, BUT HE WILL ULTIMATELY WITHDRAW FOR THAT IS THE NATURE OF SATAN--HE CANNOT ENDURE IN THE LIGHT OF TRUTH AND GOD-NESS FOR THOSE WHO COME INTO THE PRACTICE OF GOD'S LAWS HAVE ALL THE POWER OF CREATION AND HE HAS NONE BUT TO DESTROY. HE FOOLS MAN WITH PHYSICAL LUST, GREED AND ALL MANNER OF DECEIT BUT MAN FINDS NO PEACE AND ONCE THE DUPE HAS BEEN DISCOVERED AND COURSE CORRECTIONS MADE--SATAN HAS NO WAY TO PREVAIL--HE CANNOT ENDURE AGAINST THE PRACTICE OF SIMPLY ABIDING BY THE TEN COMMANDMENTS LAID FORTH FOR MAN. THAT IS WHY EVIL MUST REWRITE THE COMMANDMENTS AND REVERSE THEM FOR SATAN IS THE OPPOSITE OF SANANDA.

He creeps upon you in a most insidious manner---let us take abortion, for instance. It is through some act of lustful fleshly desire that an unwanted pregnancy happens for obviously the act of sexual intercourse was not utilized for the creation of an offspring--then, Satan tells you that it is "human right" to think of self first (more greed) and to disallow the bother of rearing a child---so the next subtle step is to simply abort the baby egg and call it "woman's right"---the human perception is that the forming child has no right---therefore "murder" becomes legal and "voted-in" ethical. It does not follow God's law of thou shalt not kill, nor keep from "lustful fornication" and/or adultery. Friends, I make no judgment other than that you follow not the commandments---good? bad? --- that, dear ones, is strictly up to YOU AND GOD! Obviously murder in ignorance is not murder but rather, error! Satan knows that God is total forgiveness of errors---therefore he pushes and pushes until you no longer truly know what is right and what is wrong in the sight of God---you will have rewritten the Commandments to suit "modern" conditions. In other words, you will have allowed Satan to write God's Commandments. Then you vote them into the traditional books of the Churches and end up in total service and practice of Satanic Law. You ones had better ponder these things most carefully for choices are at hand to be made.

If you go back to the Laws of God which state that the sexual union is for the procreation of offspring --how can you justify homosexual or promiscuous behavior? You can justify it in any way you choose---it does not make it OK WITH GOD! Further, it causes ones to fall into the trap of activities which Satan sanctions and you become a part of a group destined for Satan's annihilation. God does not perpetrate

these things upon man---He has given you a set of guidelines and you rewrite them to suit thineselves--so be it--place the blame wherein it belongs---upon self and not that wondrously pure source within---give it unto the physical expression which is of human body/conscious mind---and bring not that blame within upon the Godhead. Do you not see? It is the "action" and not the "love" "emotion"! Emotion is spiritual--physical expression is just that--physical! In a sojourn you experience the physical for let us average--75 years. How long is that relative to infinity?? So be it--I trust I have made my point! There need be no judgment involved--it is time you discern the differences and improve your ability to choose a more positive experience. If you prefer the company and love of thine own gender--so be it, love that one and commit unto that one---refrain from the physical behavior that in this day and age--kills the physical--intentionally by the evil conspirators. **CONDOMS DO NOT PREVENT AIDS! THE AIDS VIRUS PASSES THROUGH THE MANUFACTURED SUBSTANCE HOLES LIKE A GOLF BALL THROUGH A BASKETBALL HOOP! PONDER IT SERIOUSLY DEAR ONES, FOR YOU ARE GETTING THE BIGGEST LIES OF ALL FOSTERED UPON YOU! "THEY" WILL TELL YOU HOW TO HAVE SAFE SEX; YOU BET THEY WILL---GO RIGHT ON OUT THERE AND PRACTICE YOUR LUST AND YOU ARE DOOMED! I CANNOT EVEN TELL OF YOU NOT TO DO THESE THINGS ANY MORE THAN SIMPLY TELLING YOU---IT IS UP TO YOU WHAT YOU DO WITH THE INFORMATION. I DO DOUBT, HOWEVER, THAT GOD WILL GIVE YOU ALL THE INFORMATION FOR THE CURING OF THE DISEASE IF ALL YOU DESIRE IS TO CONTINUE WITH YOUR ACTIVITIES UNCHANGED. SO BE IT. THE CURE FOR AIDS WILL BE TO SAVE THE SPECIES OF MAN--NOT ANY SELECT GROUP OF THE MAINSTREAM DEVIATION OF BEHAVIOR. SATAN HAS SET OUT TO KILL OFF A WHOLE BUNCH OF HUMANS AND HE IS DOING VERY WELL INDEED--BECAUSE YOU HAVE BOUGHT INTO HIS LIES. IT IS HIS RULES YOU PRACTICE IF THEY DEVIATE IN THE LEAST FROM THE TEN COMMANDMENTS! GOD PUNISHING YOU FOR SINS IF YOU COME DOWN WITH THE DREADED DISEASE? NO--JUST SATAN BLESSING YOU WITH HIS FALSE PROMISE OF PLEASURE AND SATISFACTION. YOU MADE YOUR CHOICE TO ABIDE BY HIS RULES AND HE IS THE PRINCE OF DECEPTION. GOD SAYS, "TAKE MINE HAND AND COME BACK FROM THINE WAYS OF ERROR AND I SHALL MAKE THEE WHOLE." SO BE IT AND SELAH!**

**BACK TO UFOs AND WEAPONS OF THE SKY:
TERRESTRIAL OR INTERPLANETARY?**

I would suggest that if you want details, that you have a world atlas handy for reference for we will name names and locations and allow you to follow-up with confirmation of the facts which will be shared herein.

UFOs do come from other planets, however, they are also manmade and we are going to first examine some "possibilities" and finally integrate the possibilities into probabilities and then we can draw some reasonable conclusions as to positive or

negative influence (or danger) unto planetary man.

Let us go back to the time of Adolf Hitler in Germany. It is not my intention to give you a history of the Second World War. References will be made but basically you can just accept that the war was fought and Nazi Germany did surrender.

Hitler will always be proven in Earth history, to have been and always will be, an enigma. He has been labeled by some as a total madman and hailed by some as a genius. He did manage to bring the State of Germany out of virtual bankruptcy into a state of being a major, major world power.

Much of Hitler's views and attitudes can be well summed up in works which actually fit the picture as it is being unfolded in your current day---you see, nothing is "new".

Hitler felt, based on his studies and an enormous amount of reading, that there existed a very definite plan by a small, but immensely powerful group of Jewish bankers, financiers, industrialists and others, to take control of the entire world. It is important to remember that he lived in Vienna during a time when a very noisy battle was raging between Zionist Jews, (who wanted to be a separate race, religion, nation and culture with their own state, Israel), and the assimilated elements amongst the Jews, (who wanted to be part of the cosmopolitan establishment of the Austrian Empire), with all the privileges and power their immense wealth bestowed on them. Hitler's appraisal of the Jews can best be summed up as contained in a document called "The Protocols of the Learned Elders of Zion". This is a very important aspect of the whole U.F.O. story because, in it, you find the seeds for many far-reaching decisions made some three decades later. Hitler saw in this actual or imagined Jewish drive for world domination, a very definite danger to his own work and plan. My intention herein is not to judge the man but only to clarify points which impact later events.

To better understand intent let us look at the 24 points of the Party Programme as listed in the book NAZI SECRET WEAPON? and see how Hitler reflected them:

THE PROGRAM OF THE PARTY

QUOTE:

The Programme of the German Workers' Party is limited as to period. The leaders have no intention, once the aims announced in it have been achieved, of setting up fresh ones, in order to ensure the continued existence of the Party by the artificially increased discontent of the masses.

1. We demand the union of all Germans, on the basis of the right of the self-determination of peoples, to form a Great Germany.
2. We demand equality of rights for the German People in its dealings with other nations, and abolition of the Peace Treaties of Versailles and St. Germain.

3. We demand land and territory (colonies) for the nourishment of our people and for settling our surplus population.

4. None but members of the nation may be citizens of the State. None but those of German blood, whatever their creed, may be members of the nation. No Jew, therefore, may be a member of the nation.

5. Anyone who is not a citizen of the State may live in Germany only as a guest and must be regarded as being subject to the Alien laws.

6. The right of voting on the leadership and legislation is to be enjoyed by the citizens of the State alone.

We demand, therefore, that all official appointments, of whatever kind, whether in the Reich, the provinces, or the small communities, shall be granted to citizens of the State alone.

We oppose the corrupt Parliamentary custom of the State of filling posts merely with a view to Party considerations, and without reference to character or capacity.

7. We demand that the State shall make it its first duty to promote the industry and livelihood of the citizens of the State. If it is not possible to nourish the entire population of the State, foreign nationals (non-citizens of the State) must be excluded from the Reich.

8. All further non-German immigration must be prevented. We demand that all non-Germans who entered Germany subsequently to August 2, 1914, shall be required forthwith to depart from the Reich.

9. All citizens of the State shall possess equal rights and duties.

10. It must be the first duty of every citizen of the State to perform mental or physical work. The activities of the individual must not clash with the interests of the whole, but must proceed within the framework of the community and must be for the general good.

We demand therefore:

11. Abolition of incomes unearned by work. Abolition of the thralldom of interest.

12. In view of the enormous sacrifice of life and property demanded of a nation by every war, personal enrichment through war must be regarded as a crime against the nation. We demand therefore the ruthless confiscation of all war profits.

13. We demand nationalization of all businesses which have (hitherto) been

amalgamated (into Trusts).

14. We demand that there shall be profit-sharing in the great industries.

15. We demand a generous development of provision for old age.

16. We demand the creation and maintenance of a healthy middle class, immediate communalization of wholesale warehouses, and their lease at a low rate to small traders, and that the most careful consideration shall be shown to all small purveyors to the State, the provinces, or smaller communities.

17. We demand a land-reform suitable to our national requirements, the passing of a law for the confiscation without compensation of land for communal purposes, the abolition of interest on mortgages, and prohibition of all speculation in land.

On 13 April 1928, Adolf Hitler made the following declaration:

'It is necessary to reply to the false interpretation on the part of our opponents of Point 17 of the Programme of the NSDAP,

'Since the NSDAP admits the principle of private property, it is obvious that the expression "confiscation without compensation" refers merely to the creation of possible legal means of confiscating, when necessary, land illegally acquired, or not administered in accordance with the national welfare. It is therefore directed in the first instance against the Jewish companies which speculate in land.-- --(signed) Adolf Hitler Munich, April 13, 1928'

18. We demand ruthless war upon all those whose activities are injurious to the common interest. Common criminals against the nation, usurers, profiteers, & etc., must be punished with death, whatever their creed or race.

19. We demand that the Roman Law, which serves the materialistic world order, shall be replaced by a German common law.

20. With the aim of opening to every capable and industrious German the possibility of higher education and consequent advancement to leading positions the State must consider a thorough reconstruction of our national system of education. The curriculum of all educational establishments must be brought into line with the requirements of practical life. Directly the mind begins to develop the schools must aim at teaching the pupil to understand the idea of the State (State sociology). We demand the education of specially gifted children of poor parents, whatever their class or occupation, at the expense of the State.

21. The State must apply itself to raising the standard health in the nation by protecting mothers and infants, prohibiting child labour, and increasing bodily efficiency by legally obligatory gymnastics and sports, and by extensive support of clubs engaged in

the physical training of the young.

22. We demand the abolition of mercenary troops and the formation of a national army.

23. We demand legal warfare against conscious political lies and their dissemination in the Press. In order to facilitate the creation of a German national Press we demand:

a.) That all editors and contributors to newspapers employing the German language must be members of the nation;

b.) That special permission from the State shall be necessary before non-German newspapers may appear. These need not necessarily be printed in the German language;

c.) That non-Germans shall be prohibited by law from participating financially in or influencing German newspapers, and that the penalty for contravention of the law shall be suppression of any such newspaper, and immediate deportation of the non-German involved.

It must be forbidden to publish newspapers which do not conduce to the national welfare. We demand the legal prosecution of all tendencies in art and literature of a kind likely to disintegrate our life as a nation, and the suppression of institutions which militate against the above-mentioned requirements.

24. We demand liberty for all religious denominations in the State, so far as they are not a danger to it and do not militate against the morality and moral sense of the German race.

The Party, as such, stands for positive Christianity, but does not bind itself in the matter of creed to any particular confession. It combats the Jewish-materialist spirit *within* and *without* us, and is convinced that our nation can achieve permanent health from within only on the principle: the common interest before self-interest.

That all the foregoing requirements may be realized we demand the creation of a strong central power of the Reich. Unconditional authority of the politically central Parliament over the entire Reich and its organization in general.

The formation of Diets and vocational Chambers for the purpose of executing the general laws promulgated by the Reich in the various States of the Confederation.

The leaders of the Party swear to proceed regardless of consequences--if necessary at the sacrifice of their lives--towards the fulfillment of the foregoing Points. Munich, February 24, 1920

END QUOTE.

Before you throw up your hands in horror, I suggest you go back and re-look at each of the 24 items very carefully. If I left out names and locations---would it not indeed be quite familiar? Ask the American Indian! Ask the incarcerated Japanese!----ask the ones who attack this scribe daily to BAN THESE JOURNALS!

Dharma, allow us a break and then we will give you a better comparison: the "Emergency Banking Regulation" of the United States of America--under which you squarely fall--it is but an example. Your papers are completely controlled, as is your television media and radio--the news is identical, even unto scripting, from channel to channel--even your call-in radio talk programs are completely controlled--even unto the button which fades out the opinions of ones unlike that of the M.C.! Check out the radio program of Nevada's Billy Goodman when our publisher was set-up for batterment and the people are left with distorted and set-up lies. Read carefully, these things, for this is the way destruction begins! So be it.

Hatonn to stand-by. Salu.

CHAPTER 8

REC #2 HATONN

THURSDAY, MAR. 15, 1990 12:30 P.M. YEAR 3 DAY 211

SKULL AND BONES, AMERICA'S SECRET ESTABLISHMENT

In order to adequately give comparison to the plight you are in today and that which came upon your world prior to now, you must realize the similarity of the "Order" which is set up to control you by its various facets. I shall quote a portion from a book: AMERICA'S SECRET ESTABLISHMENT, An Introduction to the Order of Skull & Bones.

QUOTE:

MODUS OPERANDI OF THE ORDER:

The activities of The Order are directed towards changing our society, changing the world, to bring about a New World Order. This will be a planned order with heavily restricted individual freedom, without Constitutional protection, without national boundaries or cultural distinction.

We deduce this objective by examining and then summing up the actions of individual members: there has been a consistent pattern of activity over one hundred years. Part of this activity has been in cooperation with The Group, with its parallel and recorded objectives.

Now if, for example, we found that the dominant interest of members was raising ducks, that they wrote articles about ducks, bred ducks, sold ducks, formed duck-studying councils, developed a philosophy of ducks, then it would be reasonable to conclude that they had an objective concerning ducks, that this is not mere random activity.

Historically, operations of The Order have concentrated on society, how to change society in a specific manner towards a specific goal: a New World Order. We know the elements in society that will have to be changed in order to bring about this New World order, we can then examine The Order's actions in this context.

More or less these elements would have to be:

EDUCATION - how the population will behave,

MONEY - the means of holding wealth and exchanging goods,

LAW - the authority to enforce the will of the state, a world law and a world court is needed for a world state,

POLITICS - the direction of the State,

ECONOMY - the creation of wealth,

HISTORY - what people believe happened in the past, **PSYCHOLOGY** - the means of controlling how people think,

PHILANTHROPY - so that people think well of the controllers,

MEDICINE - the power over health, life and death,

RELIGION - people's spiritual beliefs, the spur to action for many,

MEDIA - what people know and learn about current events,

CONTINUITY - the power to appoint who follows in your footsteps.

- - - Daniel Coit Gilman, President of Johns Hopkins University, imported Wundt psychological methods from Germany, then welded education and psychology in the U.S., established laboratories, brought these educational laboratories into major Universities and generated hundreds of PhD's to teach the new educational conditioning system. One of the first of these Johns Hopkins doctorates was John Dewey. The result we well know. The educational morass of the '80's where most kids - not all - can't spell, read or write, yet can be programmed into mass behavior channels.

The Order's next move was to control the Foundations. They got all the big ones -- Carnegie, Ford, Peabody, Slater, Russell Sage and so on. That's the topic of another volume. As in education, the modus operandi of The Order was to get in FIRST and set the stage for the future. The initial objective was to establish a direction in an organization. Selection of managers, intuitive or amoral enough to catch on to the direction, kept the momentum going. In the case of Foundations, The Order has usually maintained a continuing presence over decades.

When it comes to activities by individual members, at first sight the pattern is confusing and superficially inconsistent. Let's give some examples:

*** Andrew Carnegie profited from war through his vast steel holdings, but under the guidance of member Daniel Coit Gilman, Carnegie was also an enthusiastic president and financial backer of the American Peace Society. This is seemingly inconsistent. Could Carnegie be for war and**

peace at the same time?

*** The League to Enforce the Peace, founded by members William H. Taft and Theodore Marburg, was promoting peace, yet active in urging U.S. participation in World War One. How could the League be for war and peace at the same time?**

*** In the 1920s, W. Averell Harriman was a prime supporter of the Soviets with finance and diplomatic assistance, at a time when such aid was against State Department regulations. Harriman participated in RUSKOMBANK, the first Soviet commercial bank. Vice-President Max May of Guaranty Trust, dominated by the Harriman-Morgan interests, became the FIRST Vice -President of RUSKOMBANK in charge of its foreign operations. In brief, an American banker under guidance of a member of The Order had a key post in a Soviet bank! But we also find that Averell Harriman, his brother Roland Harriman, and members E.S. James and Knight Woolley, through the Union Bank (in which they held a major interest) were prime financial backers of Hitler.**

Now our textbooks tell us the Nazis and Soviets were bitter enemies and their systems are opposites. How could a rational man support Soviets and Nazis at the same time? Is Harriman irrational or is the inconsistency explainable?

* The Bundy family gives us another example of seeming inconsistency. William Bundy was with the Central Intelligence Agency for a decade. McGeorge Bundy was National Security Assistant to Presidents Kennedy and Johnson. So the Bundys presumably support U.S.-European policy which is pro-NATO. Yet the Bundys have been linked to activities and organizations which are anti-NATO and, indeed, pro-Marxist --- for example, the Institute for Policy Studies. Are the Bundys inconsistent?

* Among individual members of The Order we find a wide variety of publicly proclaimed beliefs, ideologies and politics. William Buckley periodically chews out the Soviets. On the other hand, member John Burt has been a member of a dozen communist front groups. Member William S. Coffin, Jr. spent three years with CIA and then became a leader of anti-Vietnam war activity through the national Conference for a New Politics and Clergy and Laymen Concerned about Vietnam. In fact, Coffin was one of the Boston Five charged and indicted for conspiracy to violate Federal laws. And, of course, W. Averell Harriman is elder statesman of the Democratic Party.

Quite a mixture of beliefs and activities. Do they reflect inconsistent philosophies? How can The Order have a consistent objective with this potpourri of individual actions?

The answer is, they are not at all inconsistent: **because the objective of The Order is above and beyond these actions and in fact needs these seeming contradictions.**

THE STATE IS ABSOLUTE

How can there exist a common objective when members are apparently acting in opposition to one another?

Probably the most difficult task in this work will be to get across to the reader what is really an elementary observation: that the objective of The Order is **neither** "left" nor "right". "Left" and "right" are artificial devices to bring about change, and the extremes of political left and political right are vital elements in a process of controlled change.

The answer to this seeming political puzzle lies in Hegelian logic. Remember that both Marx and Hitler, the extremes of "left" and "right" presented as textbook enemies, evolved out of the same philosophical system: Hegelianism. That brings screams of intellectual anguish from Marxists and Nazis, but is well known to any student of political systems.

The dialectical process did not originate with Marx as Marxists claim, but with Fichte and Hegel in late 18th and early 19th century Germany. In the dialectical process a clash of opposites brings about a synthesis. For example, a clash of political left and political right brings about another political system, a synthesis of the two, neither left nor right. **This conflict of opposites is essential to bring about change.** Today this process can be identified in the literature of the Trilateral Commission where "change" is promoted and "conflict management" is termed the means to bring about this change.

In the Hegelian system conflict is essential. Furthermore, for Hegel and systems based on Hegel, the State is absolute. The State requires complete obedience from the individual citizen. An individual does not exist for himself in these so-called organix systems but only to perform a role in the operation of the State. He finds freedom only in obedience to the State. There was no freedom in Hitler's Germany, there is no freedom for the individual under Marxism, neither will there be in the New World Order. And if it sounds like George Orwell's 1984 -- it is.

In brief, the State is supreme and conflict is used to bring about the ideal society. Individuals find freedom in obedience to the rulers.

So who or what is the State? Obviously it's a self-appointed elite. It is interesting that Fichte, who developed these ideas before Hegel, was a freemason, almost certainly Illuminati, and certainly was promoted by the Illuminati. For example, Johann Wolfgang Goethe (Abaris in the Illuminati

code) pushed Fichte for an appointment at Jena University.

Furthermore, the Illuminati principle that the end justifies the means, a principle that Quigley scores as immoral and used by both The Group and The Order, is rooted in Hegel. Even the anonymous Yale student who wrote the verse in Memorandum Three observed this principle at work on the Yale campus.

This, then, is a vital part of our explanation of The Order. When its co-founder, William Russell, was in Germany in 1831-2, there was no way he could have avoided Hegelian theory and discussion. It was the talk of the campus. It swept intellectual Germany like a Pac Man craze. Most Americans haven't heard of it. And those who have don't want to hear any more about it. Why? Because its assumptions are completely at variance with our sense of individual freedom and Constitutional guarantees. Most of us believe the State exists to serve the individual, not vice versa.

The Order believes the opposite to most of us. That is crucial to understanding what they are about. So any discussion between left and right, while essential to promote change, is **never** allowed to develop into a discussion along the lines of Jeffersonian democracy, i.e., the best government is least government. The discussion and the funding is **always** towards more state power, use of state power and away from individual rights. So it doesn't matter from the viewpoint of The Order whether it is termed left, right, Democratic, Republican, secular or religious -- so long as the discussion is kept within the framework of the State and the power of the State.

This is the common feature between the seemingly dissimilar positions taken by members -- **they have a higher common objective in which clash of ideas is essential.** So long as rights of the individual are not introduced into the discussion the clash of ideas generates the conflict necessary for change.

As the objective is also global control an emphasis is placed on global thinking, i.e., internationalism. This is done through world organizations and world law. The great contribution of the Tafts to The Order was on the world court system and world law -- to the internationalist aspect of the New World Order.

END QUOTE

We have previously gone into detail as to how The Order relates to the Council On Foreign Relations, Trilateral Commission and similar organizations so I will spare the repetition at this time. However---you do remember of course---**GEORGE BUSH IS A MEMBER OF EVERYTHING AND SO ARE HIS CHIEF ADVISORS.** SO BE IT--HOLD IT IN YOUR HEARTS.

EMERGENCY BANKING REGULATION

Section 1. Cash Withdrawals. (a) Withdrawals in the form of cash whether by the cashing of checks or drafts, the making of loans in cash, or any other form of cash disbursement are prohibited except for those purposes, and not in excess of those amounts, for which cash is *customarily* used.

(b) Banking institutions are further authorized to restrict and ration cash withdrawals to the extent necessary in the event a sufficient amount of cash should not be available.

CHAPTER VI: LENDING AND EXTENDING CREDIT

Section 11 (original printing error). Making Loans and Extending Credit. No banking institution may make any loan, extend any credit, or discount or purchase any obligation or evidence of debt, unless it is established and certified in writing by the borrower and a banking institution that the purpose is to pay expenses or reconstruction costs vital to the war effort, (ii) essential

Section 2. Exceptions to Restrictions. (a) The restrictions contained in Section 1 of this Chapter do not prohibit the renewal, recasting, or extension of any loan or credit outstanding prior to the effective date of this Regulation, if in the judgment of the management of the banking institution such action is in the best interest of the war effort. The cancelled original evidence of debt shall be attached to the instrument renewing, recasting, or extending such obligations.

(b) Section 1 of this Chapter shall not apply to loans or extensions of credit to the United States, to any State or any political subdivision thereof, nor to their respective agencies and authorities, nor to loans or extensions of credit between banking institutions.

AND SO FORTH - - - - END QUOTE

If you are not in a current state of shock, I advise you to go back and read this again because if you are not in a state of shock you either do not understand what you just read or you are out of the banking circles in all manner!!

Emergency status is called by the President, who is Mr. Bush, who is a full fledged member of all of the Global 2000 Plan Conspirators. It is further advisable to have a war in order to envoke the Regulations and confiscate your money and obviously you have to have the banks under the Regulations in order to tamper with the money.

You will also note that the U.S. government, its "rulers" and the States, as well as the cartel banks have no restrictions what-so-ever!

I suggest a rest, Dharma, while everyone goes back and reads today's writings, both of them, and get into a state of panic and shock. What is upon your place and coming down, is far beyond any "little grey aliens" under New Mexico in cahoots with anybody!

I trust you can see the "fix" you are in as a world citizen, in just this one tiny facet of your life. You have just about been "hamstrung".

When we return to the writing we shall get back onto the subject of UFOs at the time of WW-II. Oh blessed children of the lie, I beg of you to open your minds, eyes and ears and let us walk together and not in adversity one against another---you truly do have enough enemies to your freedom and you can use a little Godly help. So be it. I move to stand-by. Salu.

Hatonn to clear.

CHAPTER 9

REC #3 HATONN

THURSDAY, MAR. 15, 1990 6:30 P.M. YEAR 3 DAY 211

SECRET SOCIETY

When we speak of Hitler, we must remember that he was trained through his individual experiences just as are all. He was deeply involved in a most secret society called **Thule**. This society stood for racial segregation with the Arian white race as masters of all. It included the Nordic culture and the society was interested in areas such as Greenland, the Arctic and Antarctic. The Thule Society emblem consisted of the swastika, a downward pointing sword and a wreath of oak leaves--all symbols later used in Nazi Germany--remember that the swastika is a symbol of "life" in the native Indian culture.

Nazi Germany was years ahead of the rest of the world in many technological areas. It is internationally recognized that if Germany had had a greater supply of natural resources and manpower, then the war would have undoubtedly had a much different ending.

Germany produced many super weapons including the first jet fighter aircraft, the first missile system and various others which were almost in the realm of science fiction.

THE WIND CANNON

The wind cannon was produced by Germany late into the war. This fired compressed air. There was also the sun cannon which reflected the sun and burned its target. They also had rocket packs worn by individuals that were jet powered. This rocket enabled persons to make jumps of up to a distance of some fifty to sixty yards. They also produced B1 and B2 rockets. Germany introduced the forerunner to the intercontinental ballistic missile. This was introduced in 1942 and was capable of striking the United States. No reason was found for its never having been used. In 1940 a vertical takeoff aircraft was invented and only in recent years have the western countries managed to produce such aircraft.

Let us speak of the "sound cannon". This was first produced for use in about 1943. It consisted basically of a combustion chamber with a barrel and worked by methane and oxygen. It was the resulting explosion which created the damage. Animals could be killed instantly within a hundred yards and troops could be paralyzed for hours at a range of 200 yards. By April 1945 Germany had in production 150 different types of missiles and rockets on the drawing board with diagrams and even models along with aircraft of all sizes.

Among these diagrams was one which eventually became the Boeing Corporation's

747 Jumbo Jet. Incredibly enough--among the technology was the Flying Disc. As early as 1940 these were being produced. There is photographic proof of such craft but no material proof was ever captured by wartime allies.

According to your own records there were as many as five major scientists working on the "UFO" projects. They developed a disc shaped machine with a 65 foot diameter. Involved were Bellonzo, Schriever, Miethel and, of course, Victor Schaubberger. His disc or "Flying Hat" was electro-magnetically powered and if you look at photographs of the Schaubberger disc you will note that it looks exactly like discs photographed over the United States. These discs attained great speed with silent take-off. There were also designs called flying wheels and craft with inflatable airbags for landing cushions. They had some quite fine prototypes but no, they were not Pleiadian design. They were more on the technology of Saturnians and some Reticulum craft.

The final model was referred to as the Bellonzo-Schriever-Miethel Diskus. This version was produced in various sizes, some as large as 135 feet and even 225 feet in diameter. Actual speeds recorded were over 2000 km/hour. Conventional rocket motor speeds of up to 4000 km/hour were anticipated. Interestingly enough, no German technicians who worked on those advanced machines have volunteered their knowledge.

More interesting is the fact that many scientists were taken by the allies and yet no UFO scientists were located. As a matter of fact, installations for work on the craft were often underground or in hillside cave dugouts. All facilities were dismantled and vanished without leaving so much as a detail. Now where do you think everyone went?

LOOK AT THE EVIDENCE

Now, dear ones, we are not speaking of sloppy workmanship. In 1945 a disc could attain an altitude of 40,000 feet in less than three minutes, reaching a speed of 1,300 mph. You need to also remember that Germany was the first to fly what you now call Delta Wing craft. As a matter of fact, the advanced technology was comparable to much of your public-attentioned aircraft of the current day--i.e., the Stealth, etc. This, of course, is a cover for what is actually going on but I need not spoil the story.

These discs were manufactured in many various areas and all were well hidden even from the local population. As the craft would be finished, they were immediately dismantled and shipped in pieces out of the country---usually along with the pilots. Orders for dismantling always came directly from Adolf Hitler himself. The major scientists involved simply vanished.

Many German scientists went to America after the war and they were all interrogated about the UFO works; however, it has never been made public to you ones as to whether or not the major technology was ever revealed. And yet you got the nuclear bomb--in fact, it was said that the bomb itself was built in Germany!

Many reports were made by pilots over Germany, about UFOs. The strange thing is that no-one was ever injured by them although they certainly unnerved many air crews. Then following the surrender of Germany, the same type objects were observed over the Japanese areas.

NEW METAL

Probably the most unique thing that came out of that period of technological spurt was a new type of metal. This metal is harder than diamonds. This metal glows alternatively in colors of the rainbow when heated to a high degree. It was first used commercially in 1936. Strangely enough no record was made of this metal in the indexes of metals.

THE A-BOMB

Hitler issued an order on September 26, 1936. A Dr. Esau was put in control of the project. With the capture of Norway there was available to Germany a source of heavy water which had previously been lacking. One tanker full of heavy water has not been accounted for to this day.

Thus it can be seen that Germany was a very advanced country--the mystery is, what happened to all the technology?

To start with, let us examine one of the biggest mysteries of your 20th century. Did Adolf Hitler commit suicide or did he not? Popular accounts are that on the 30th of April, 1945, Hitler shot himself. His body was said to have then been cremated. The most important witnesses and the men closest to Hitler have never been found, e.g. Bormann, Stumpfegger, Günsche, et al.

Here you will find a most interesting situation, only two eyewitnesses were found who claimed Hitler committed suicide--all other witnesses were never found or could not answer. Hitler's body was never found. Also, the bloodstains found on the furniture where Hitler supposedly committed suicide was not of Hitler's blood type. There is absolutely no concrete evidence, therefore, that Hitler died.

Further, Hitler was not a coward nor did he believe in "giving-in". Suicide is completely out of character for after he had heard of the suicide of the Mayor of Leipzig and his family, he had condemned suicide as cowardly and unbecoming to a National Socialist.

Hitler's personal pilot stated that on the first of May, 1945 he flew Hitler and Bormann to an airfield in Norway. I truly doubt that this would represent a resurrection. There they transferred to another aircraft and flew on to another place along the Norwegian coast. Later the pilot retracted the statement and backed the suicide statement after having been made aware of the incident.

Now, very strange things happened when the allies got to Greenland. Norway had held out longer than all other defense positions for the Germans but when the allies reached Greenland they found two direct opposites--sites which were totally abandoned and dismantled and other places where the defense was so total that in the end even the defenders could not be found and were never found--they just vanished.

AH HA! THE ANTARCTIC

At the **beginning** of the war, long range plans were put into operation to prepare bases in the Antarctic should relocation be necessary. Strange perhaps, but most effective indeed. Stranger yet, in February, 1945 in Hitler's last speech he said, "Germany will still win the war and the last bastion will be ours!"

Officially, the second world war was never officially ended. The German army surrendered on the 7th of May, 1945 and Japan followed on the 2nd of September, 1945---no formal peace treaty was ever signed. Your own General Eisenhower stated, just before he became President, "The second world war has not yet ended."

Stranger yet--during the war Germany had 1,162 U-boats (submarines). Of these, 783 were lost in action. Of the remaining 379, 215 were supposedly scuttled by the German navy itself and about 154 were captured by the allies--the rest were never found. Statistics are rough, however, and several U-boats of the latest design arrived in Japan with war materials some three weeks after-the defeat in Europe. These submarines subsequently sailed and were never again seen.

Later, some two months after Germany's surrender, a German submarine gave itself up to Argentine authorities after all scientific instruments and weapons on board had been destroyed. The U-boat had calmly slipped into the harbor of Rio de la Plata. The Commander's name was Otto Wermoutt. The world was stunned and electrified! What was a German submarine doing all the way down there in South America? And, why had they not surrendered earlier?

The crew was turned over to the U.S. military after long demand but no results were ever publicized. Funny thing--the crew was 54 men. The usual German crew size was only 18 men. There were also large food stocks on board. However, the real surprise was 540 large tin cans or barrels, all hermetically sealed and upon opening were found to contain nothing but cigarettes. Now what would a submarine be doing cruising around South America almost three months after the war with a triple strength crew; carrying, a cargo of nothing but cigarettes? The average age of those 54 men turned out to be less than 25 years, with the exception of the machinist who was 32 years old. The commander himself was only 25, and the second officer an incredible 22 years young.

Later, in checking, it was never found that there was a Captain by the name of Otto Wermoutt, the one given as that of the commander of the U-boat. All the crew had similar mysterious surroundings---no relatives, all alone, etc.

Five weeks later, another sensational submarine surrender took place and again at Rio de la Plata. A German U-boat, U-977 under Commander H. Schaffer gave itself up to the Argentinian authorities, and this, three months after the end of the war. There was a crew of 32 men--still fourteen above the regular crew. It was soon learned, however, that there had been another 16 men, all of them married and with families in Germany, and had been dropped off "on orders", on the Norwegian coast. It is obvious that the operation was completely in control and the men were dropped off at the exact same spot where earlier reports stated the Fuhrer had been taken after his departure from Berlin. This U-boat was inspected thoroughly in search of Hitler--it was obvious that all on the "inside" knew that Hitler was still alive.

Still more U-boats appeared off the coast of South America. Well, we will look at possibilities at the next sitting. I don't want to belabor this subject because it is well known that there is a German base in the Antarctic and the story gets most boring indeed. It is necessary for those of you who come newly into this knowledge not be left completely outside the story but it can get most lengthy and has little bearing on UFOs as far as the transfer to the base.

Dharma, it is late and it has been a very long day. Let us close for this portion. Thank you for your long hours. I will move to standby and allow you to close. Good-evening.

Hatonn to clear, please. Thank you.

CHAPTER 10

REC #1 HATONN

TUESDAY, MAR. 27, 1990 8:00 A.M. YEAR 3 DAY 223

Good morning in the Light of the Radiant One. Hatonn present that we might work on the Journal this morning.

The question which comes to me from you ones who have privy to the daily writings is, "Well, what does Nazi Germany and Hitler have to do with the mess of the Conspiracy?" Lots! Great bunches!

It moves beyond the mysterious and becomes entangled with your very currency. As you will recall, in a prior chapter we spoke of encounters with German submarines in recent years and many of the German personnel who fled Europe have since been located living in South America quite comfortably and in great abundance.

Recall also, that in Europe, there exists a registration obligation for each member of a community. Precise and detailed records are kept where a person lives, number of children, sex, age and so forth, as well as place of employment. Also noted, are details of closest relatives. In Europe, therefore, it is relatively easy to trace and locate anyone and at short notice. True, there was a temporary breakdown in the last few months of the war due to heavy bomb damage and the refugee problem, but conditions rapidly returned to the usual bureaucratic precision. In fact, these very records allow for the ferreting out of the "Nazi war criminals".

Taking into account casualties and deaths from all causes (and this includes the million plus "other losses") there are still 250,000 missing persons and almost all were young people in their late teens to early twenties. That missing group has been widely referred to as the "last battalion".

Remember, in addition, that when the "last battalion" departed for places of Antarctica and later to slip quietly into Argentina and integrate into the population, counterfeiting plates were taken with them.

My dear ones, the Falkland Island war had nothing to do with Argentina--it had everything to do with old war remnants of the "second" variety. Also a major distraction at a most critical time, as we shall note later.

The continuous rumors about German U-boat activity in the region of Tierra del Fuego (Feuerland, in German), between the southernmost tip of Latin America and the continent of Antarctica are based on truth and were written up most critically as truth by France's Agence France Press on the 25th of Sept., 1946.

One of the more startling facts proving quite definitely that W.W. II did not end on

May 8th, 1945 is an account some one and a half years after cessation of hostilities in Europe, the Islandic Whaler, "Juliana", was stopped by a large German U-boat. The Juliana was in the Antarctic region around Malvinas Island when a German submarine surfaced and raised the German official naval Flag of Mourning -- red with a black edge. I urge you not to take exception if I repeat a few incidents for they are indeed most important from several aspects and are often missed the first reading.

The submarine commander sent out a boarding party which approached the Juliana in a rubber dinghy, and having boarded the whaler demanded of Capt. Hekla part of his fresh food stocks. The request was made in the definite tone of an order to which resistance would have been most unwise. The German officer spoke correct English and paid for his provisions in U.S. dollars, giving the Captain a bonus of \$10 for each member of the Juliana crew. While the food stuffs were being transferred to the submarine, the submarine commander informed Capt. Hekla of the exact location of a large school of whales. Later the Juliana found the whales exactly where designated. This, too, was reported in the French press.

Now comes the hook-up. Huge amounts of money were clandestinely invested by Nazi Front men all over the world, but especially in South America. KNOWN are 300 million dollars to Spain, Sweden 250 million, Switzerland 100 million and Portugal 50 million and this represents only about 25% of the known investments which were mostly centralized in South and Central America.

Billions of dollars were invested (and are being currently, 3/27/90) in large tracts of jungle and pampas real estate, factories, transportation, airlines, shipping and other assorted companies including food processing and agriculture. *ALL PAID FOR IN AMERICAN DOLLARS--BY THE BILLIONS.* It is not drug money being laundered through the South and Central American Banks that is the target of the U.S.--it is an effort to stop the flooding of the counterfeit money.

The U.S. tells you the new money will be for the purpose to stop drug dealers and stop counterfeiting among the drug dealers---nay, nay, NAY--it is the only way to stop the German printing presses in your own hemisphere.

How many of you are further aware that the U.S. GAVE currency printing plates to Russia? I thought not. Check it out--it will do wonders for your confirmation of old Hatonn's input.

"RED HOUSE CONFERENCE"

Let us look at some findings which surfaced in 1944. Yes, Dharma, the history is most important, chela, for you cannot have continuity and find belief in these truths unless you are given confirmation in background. You know me and know my words are truth--most readers are still in shock and are looking for every detail possible to disprove my input. I'm sorry, chela, I know the writing is long and distressing, but it is indeed necessary. Thank you for continuing this dialog. Your legacy shall be great, let

us not weaken now for mankind must know the whole of it. He must be able to locate from whence his attackers shall be coming forth.

I think, for clarification, it would be easier and give more earth confirmation if I dictate a portion from a book entitled THE AVENGERS, by Michael Bar-Zohar dealing with Jewish war and post war tactics against the Germans. You can find a lot of detailed information about the transfer, of German money to foreign lands. You do not need to get the book for I shall honor the author but we are more concerned, at this point, with the counterfeit funds. But you need confirmation regarding the money shift, etc., to give credence to this writing as to background.

The Red House Conference: let us quote, please.

A most unusual conference of German officials and industrialists was held at the Maison Rouge Hotel in Strasbourg on August 10, 1944. The proceedings of this "Red House" conference are known from the shorthand report, which fell into the hands of the American OSS at the end of the war. A Lieutenant Revesz showed it to Simon Wisenthal, who took a photostat and published it some years later.

Among those present at this conference were representatives of the Ministry of Munitions and the Foreign Office, delegates from the big industrial combines--Krupps, Messerschmitt, Rochling, Goering Werke, Hermannsdorfwerke--and several senior civil servants. The object of the meeting was to decide upon measures for safeguarding the treasury of the Third Reich. They reached two main decisions--some of the riches would be hidden away in the territory of the Reich, and German capital would be sent abroad.

The conference urged that the Nazi Party should go underground in the event of defeat, and should prepare for a return to power with the help of the treasures safely hidden away.

These decisions began to be put into effect in the following months. An "experimental station" was set up near Lake Toplitz and a number of containers packed chiefly with forged pound notes and documents were submerged in the lake, and some other containers were hidden away in old mines in the hills. Most of them were removed again when Allied forces were approaching the region. Although the Allies did not have full knowledge of these hiding places until the report of the "Red House" conference fell into their hands, some information on the Nazis' postwar plans had reached the Allied secret services early in 1945. In March of that year a detailed report on the subject was submitted to the State Department in Washington:

"The Nazi regime has made very precise plans for the perpetuation of its doctrine and domination after the war. Some of these plans are already being put into effect.

"Members of the Nazi Party, German industrialists and Army leaders, realizing that there is no hope of victory, are presently preparing commercial plans for the postwar period, endeavoring to renew connections with industrial circles abroad in the hope of reestablishing prewar cartels. After the war, the intention is for 'front men' to appeal to the courts of various countries against the 'illegal' seizure of German industrial concerns and other German property by the Allies at the outbreak of the war. In the event this method does not succeed, the recovery of the German property would be made through figureheads possessing the requisite citizenship. German attempts to continue to have a share in the control and development of technological progress during the immediate postwar period are reflected in the phenomenal increase in German patents registered in certain foreign countries during the past two years. These registrations reached their peak in 1944....

"German capital and plans for the building of ultramodern technical schools and research laboratories are being offered on very advantageous terms, in view of the fact that the Germans will hereby be able to make and perfect new weapons.

"The German propaganda program is an integral part of this general planning for the postwar period. The immediate aim of this propaganda program will be to bring about a relaxation of Allied controls on the pretext that the Germans should be treated 'honestly'. Later, this program will be extended and intensified with a view to reviving Nazi doctrine and pursuing German ambitions of world domination. Unless these plans are counteracted, they constitute a constant threat to the peace and security of the postwar world."

The American specialists had greatly extended their knowledge of this subject by the end of the war. They soon had a list of 750 firms with head offices in neutral countries, founded or bought with German capital. Switzerland headed the list with 274 firms; then came Portugal with 258, Spain with 112, Argentina with 98, and Turkey with 35. A number of firms had also been acquired in South American countries other than Argentina.

Special accounts in Swiss and Liechtenstein banks were placed at the disposal of the Argentine Government, officially to help their industrial development. Some of the accounts were made personally available to Argentine leaders.

As military defeat and final catastrophe had become more certain, the Nazi chiefs stepped up their preparations for the future--a future in which they meant to have a stake. They had deposited large sums with banks in neutral countries and salted away just as much in the portfolios of apparently respectable people in Liechtenstein, Portugal, and Patagonia, and had hidden much wealth in the depths of old salt mines in Austria and below the dark water of the Alpine

lakes. All of this hidden treasure might indeed permit a revival of Nazism one day--so long as there were still Nazis around able to draw upon it.

Ah, the Germans were a busy lot, from whom you ones at this time in history, could well take lessons in preparation. Added to their tucking away of treasures, extensive research was immediately launched into areas of artificial food cultivation, in huge greenhouses, with everything grown only on "chemical soil" and under artificial light. "Butter" was produced from coal and dry milk was one of their very survival inventions. A method was also invented to indefinitely preserve wheat flour. Great strides were also made in Freeze Drying all types of food and this was carried out particularly in experimental plants located in the area of Helmstedt. Hitler was keenly interested in these projects, visiting them frequently. In a very short while, Germany was more or less self-sufficient and for the first time in centuries. ***NO GERMAN EVER EXPERIENCED WANT AND HUNGER AGAIN UNTIL THE ALLIES BURNT OR ROBBED ALL THE HUGE WAREHOUSES OF THEIR CONTENTS IN 1945 AND AFTER.***

LIES OF THE LIBERATORS

Any German who lived through that dreadful time will tell you what the humanitarian "liberators" of Germany doled out as food rations after their victory. In the French zone of occupation it was officially 850 calories a day, in the American zone it was "officially" a little more, whilst the inmates of Hitler's concentration camps (whose bony corpses you are still seeing daily on T.V. and in the newspapers), received more than double that amount of calories daily. The resultant famine and death from starvation, particularly among the elderly and infants, is well remembered by the German population. They call it a "peace crime". The food supply for any secret UFO force, (which is what Hitler himself called the "last battalion"), had already been solved.

WHAT ABOUT THAT COUNTERFEIT MONEY?

What about funds? Well, let us examine some facts which should also begin to give you clues as to why the Jewish community insists on keeping the "holocaust" in the forefront of people's minds some forty plus years later. IT SIMPLY IS NOT LIKE YOU HAVE BEEN TOLD IT IS, AND WAS!

Let us look into the counterfeit situation. Hitler had again already planned, with great foresight, for this inevitability. In captivity in concentration camps such as Dachau, Buchenwald and Auschwitz, were Europe's best-known and most skilled forgers, ---- many of them JEWS. They were geniuses at their particular craft.

A secret order was issued from Berlin code-named "Operation Bernhard". All the forgery experts were collected and were offered life and freedom if they cooperated in producing for Hitler, perfect forgeries of some of the allied currencies, but in particular, forgeries of the British pound and the American dollar, in various

denominations. At first the forgers refused, but one by one they cooperated and in an astonishingly short space of time, they produced what seemed to be perfect forgeries. The German government supplied from its own papermills what is usually the stumbling block to perfect counterfeiting -- high quality paper. The plates and paper were perfect, but not satisfied with their own judgement, a secret agent was sent to neutral Switzerland with a suitcase full of "German-made" pounds and dollars as well as other currencies in all denominations. This agent went to one of Switzerland's largest banks and requested to see the manager and stated: "I am negotiating a business deal with a man I suspect of being a Nazi agent, and he intends to pay me in this currency with these bills. Please test them and see if they are genuine."

The bank manager explained he could not do this right away since it was in foreign currency, so the Nazi agent left the bills with the bank manager arranging to return within a few days. Upon his return, he was told that the money was genuine, and that the bank would be pleased to accept it for exchange. The agent returned to Germany and the printing presses started rolling in Auschwitz and Buchenwald. Untold millions were printed, so much so that Britain, after the war, withdrew from circulation its five pound note--a first in British history.

"Come now Hatonn" you say: "This is too much!" Well, let us look at a documented incident and sequel to this story.

Rumors persisted about Operation Bernhard long after the end of the war and one such rumor was checked out quite thoroughly by you human entities. For weeks a group of Austrian government frogmen searched Lake Toplitz in Austria. Eventually they found the wreckage of a German plane, the skeleton of the dead pilot still strapped to his seat. In the hold were large metal trunks which, when pried open, revealed over 300,000 British five-pound notes, in neat bundles, perfectly unspoiled and with them, some of the printing plates. The money was confiscated by the Austrian authorities, although it was at that time useless as the five pound note had been withdrawn from circulation by the British.

Now remember the U-boat captain had paid for his food in U.S. dollars and obviously had no shortage of money since each crew member of the whaler had been given a \$10 bonus.

It is not yet generally known that the entire Reichsbank Treasure (All of Germany's reserves) disappeared from the bank vaults in Berlin before the end of the war. Guinness "World Records" book lists this story under "The greatest unsolved robbery!" Dear ones, that money is still viable indeed as a currency--remember that the war was never officially ended?

NOTE: During the U.S. balance of payments crisis, Time magazine carried an article about discussions taking place at the Headquarters of the World Monetary Fund in Basel, Switzerland. They found that 15 billion dollars were in circulation, which should not really exist. One wonders where that amount of money might come from

wouldn't you suspect? And that had naught to do with the American hemisphere. So be it!

Please, let old Hatonn believe that you are beginning to get a better perspective on current events. Why do you suppose the Thatcher government sanctioned Bush's action in Panama? (The Panama "invasion" was to get control of those banks--remember I told you?). Further, *WHO WERE THE ALLIES OF GERMANY IN WWII? JAPAN PERHAPS? WHY DO YOU THINK YOU ARE HAVING TROUBLE GETTING THE NEW MONEY INTO CIRCULATION? OH, MY YES--INTRIGUE, INTRIGUE AND JAMES BOND MAGNIFIED!!*

Further, pay attention to the effort to keep the holocaust (which we will point out probably did not occur as you are told) alive and well--the Zionists who plan Global 2000 takeover of world control know the enemy is at hand and ready to take on anything that comes along---for THEY also plan Global 2000 takeover and control of the world--the conspirators of the Cartel of bankers is all mixed up within them all! Now isn't this grand game playing? Well, it would be if the blind masses of humanity weren't up for enslavement and gross genocide and annihilation.

How could all these things be kept secret? Easy--no-one gives you any news--the media is totally controlled. Let us look for a minute at the operation Antarctica and Admiral Byrd's expedition, then we can move on into a brief discussion of why the big UFO cover-up.

A break, please. This computer is acting up. Please open a new file to avoid any losses.

Hatonn to standby.

CHAPTER 11

REC #2 HATONN

TUESDAY, MAR. 27, 1990 11:40 A.M. YEAR 3 DAY 223

TOP SECRET NAZI EXPEDITION

Let us again turn our attention to the location of the bases. Even in this area Hitler had planned far ahead and at long range. Obviously guided by the possible occupation and subsequent loss of Germany itself, he had cast around for land still available for colonization and found that Antarctica was, at that time, the only continent still unclaimed. With his usual dispatch, a polar expedition was organized, the preparation of which was kept secret. The force consisted of several large vessels, at least two of which were aircraft carriers, not the present-day type but rather large ships with float-equipped airplanes on board. The planes were rocket-catapulted off special ramps at the end of the ships and retrieved out of the water via a crane. This secret Nazi Expeditionary Force was headed by Kapitan Ritscher and took place in 1937-38. The force landed in the area of Queen Maud Land and established bases there. Large float planes of the Dornier-Wal type, with the unusual pusher-puller propellers were used to explore a huge area of Antarctic terrain. Over 11,000 photographs were taken for mapping purposes. Significantly, a Swastika flag was dropped every 20 kilometers to substantiate the German claim to that land, comprising over 600,000 square kilometers in all. In this way, not only was a terrain claimed by Germany, larger than Germany itself, but more significantly, for the first time, ice-free oasis (warm lakes) were found by this secret Nazi expedition. They were photographed along with Alp-like mountain ranges of over 4,000 meters in height. Naturally, the explored areas were given German names and so you have today places like "Ritscher Gipfel", or, "Ritscher Peak", named after the leader of the expedition. The hot oasis amongst the eternal ice was called "Schirmacher Seen Platte" -- "Schirmacher Lake Group". These are also often referred to as the "Rainbow Lakes". The different colored appearances of these inland lakes are caused by algae found floating in the sweet water and vary in color from lake to lake as the algae color differs. The waters are warm enough to allow swimming and bathing with just bathing suits and swim trunks.

Added credence to the secret bases thesis is found in remarks attributed to Joachin von Ribbentrop at the outbreak of the war. "In accordance with Germany's long-range political strategy, we have taken into firm possession the Antarctic area, called New Swabia (New Schwabenland) to ensure a safe retreat in case of necessary."

If you compare the German area to the size of the United States it is huge in comparison.

Other factors intake Antarctica an ideal place for these bases. There is no rust, no germs, and consequently very little illness or decomposition. Food remains edible forever, since the entire region acts rather like a giant freezer. The shed, for instance,

where Scott spent some months pre-W.W. I, before he launched his ill-fated antarctic expedition, was recently discovered. The food which remained in the shed, from almost 70 years ago, was still as fresh and edible as on the day it arrived in Antarctica, and wooden boxes, tin cans, cups, candle and paper (in fact everything), are as well preserved as if by inanimate suspension. Antarctica has no flies, no bugs, and no bacillus can survive the cold temperatures of the surface location.

20TH CENTURY SECRET?

Could all of this have taken place in the 20th century without detection? Hardly! What steps were taken to discover the truth? What has been done on your placement to do something about the secret bases now that their existence has been established and established beyond a doubt? Why did the world not hear about these incredible events? Good questions indeed and it is surely past time that you the people, open your eyes and look around.

Obviously, Hitler's escape was discovered immediately, otherwise the statements of Stalin and of Eisenhower and all other quoted sources would be an exercise in insanity. It has even been totally recognized that the Nuremberg War Crimes Trials were staged, to a great extent, in the hope that the "Last Battalion" could be drawn from their impregnable, inaccessible hideouts, and thus force the Fuehrer's hand. A large armed force of elite troops surrounded the whole of the Nuremberg area during the long agonizing months of the typically-Bolshevik show trials. Perhaps there are readers who will be able to recall from newspaper pictures or newsreels the "tight security" that existed in the whole of Germany during those trials. Some S.S. men were actually caught, tried and convicted for attempting to free their leaders, but when the cry of strangulations and torture was over, the Fuhrer was still no-where to be found. Some UFO overflights and activities were reported but no actual armed clashes or incidents took place.

Washington, Moscow and London then decided to really "get into the act"; in fact, eight countries in total decided to do some "scientific" work in Antarctica, of all places!!! A large expedition, lavishly financed, was quickly put together. It consisted of over 4,000 specially selected elite U.S. navy troops along with an eight month food supply. Thirteen ships under the overall command of Admiral Byrd made up this purely "scientific" expedition, composed mostly of military-types and very few scientists.

The U.S. Antarctic battle fleet left Norfolk, Va, on Dec. 2, 1946 -three distinct battle groups, comprised of the Mount Olympus, Admiral Byrd's command ship, the ice-breaker, "Northwind", the catapult ship "Pine Island", the destroyer "Brownson", the aircraft-carrier "Philippines Sea", the U.S. submarine "Sennet and the two support vessels, "Yankee" and "Merrick", as well as the two tankers "Canisted" and "Capacan", an additional floatplane carrying ship, "Currituck" and the destroyer "Henderson".

At the same time it was announced officially that a similar English-Norwegian force was operating in a support capacity in Antarctic waters around Bahia Marguerite. A Soviet contingent was also participating in the "research".

U.S.A. CONVOYS IN ANTARCTICA

The Soviet participation is an interesting one, since Winston Churchill had already spoken of an "Iron Curtain" and felt that "they" -- the crusaders to Europe had "killed the wrong pig". Obviously Churchill realized that they should have destroyed Bolshevik Russia and not Germany. So be it.

The general public (YOU) was told that the "RESEARCH" mission was interested in locating uranium and studying the weather. Admiral Byrd, who had already undertaken a similar, though much smaller and speedier, investigation of the north pole was asked why he had recommended the establishment of armed observation camps. His reply, "Because the pole lies between us and our enemies" -- El Mercurio, Santiago, Chile, July 7th, 1947. Further questioning as to which enemy meant, since the Axis powers had just been defeated and had "unconditionally surrendered", brought no response from the "great" man.

It was soon learned, however, that as well as the scientific jobs, the mission had the task of "observing the activities of a foreign power in the South Pole Region". Questioned further on this part of the expedition's activities, Adm. Byrd reportedly replied, "To break the last desperate resistance of Adolf Hitler, in case we find him in his Neuberchtesgaden inside 'New Schwabenland' in the Queen Maud Land region, or to destroy him." How interesting indeed.

Also most interesting, the Byrd expedition was equipped with the very latest devices, amongst them were thermo-magnetic detectors.

The U.S. expedition duly arrived and landed in Antarctica. With them the very latest in military gear, gadgets and troops. With them the very latest in military carriers, helicopters, floatplanes and every other conceivable military apparatus. Bases were established and quickly expanded. Observation planes were sent out all over the region. Thousands of photographs were taken and mapping missions flown.

One particular flight stands out amongst all those reported and one with Adm. Byrd, himself, aboard. The instruments went totally haywire and the performance gauges and altimeters behaved in a most erratic manner, causing Adm. Byrd to abort the flight and return to base on "visual" control. All instruments returned to normal as soon as open terrain had been reached.

It was reported, and it is true, that Admiral Byrd located the Secret Nazi Base (among other things we shall speak of later) and was approaching it when the above incident took place causing abandonment of the flight, but not before he dropped an American flag and a bomb or two on the approximate spot of the base. This was done, of course,

to warn Hitler he was not entirely safe even in his Shangri-la.

RETALIATION

Woops--what of an error or two? Vengeance was swift and the Fuhrer was not in a humorous mood. Within 48 hours, four of Byrd's planes had been lost, some without a trace and others without any survivors. Adm. Byrd hastily abandoned all his efforts and disembarked, with all his force, for home.

PRESS INTERVIEW FOLLOWING DEPARTURE

On board his flagship "Olympus" he gave the following startling interview, translated from the Spanish as it was reported in the paper El Mercurio, Santiago, Chile on March 5, 1947. It appeared on the front page under the headline "On Board the Mount Olympus on the High Seas".

"Adm. Byrd declared today that it was imperative for the United States to initiate immediate defence measures against hostile regions. The Admiral further stated that he didn't want to frighten anyone unduly but that it was a bitter reality that in case of a new war the continental United States would be attacked by flying objects which would fly from pole to pole at incredible speeds. (Earlier he had recommended defence bases at the North Pole). Admiral Byrd repeated the above points of view, resulting from his personal knowledge gathered both at the north and south poles, before a news conference held for International News Service."

During the press conference the Admiral also stated that in a quickly shrinking world the United States could no longer derive any sense of security from its isolation or on the geographic distance of the poles or oceans. The Admiral affirmed once again his belief that the entire Antarctic continent should be closely watched and surrounded by a "wall of defense installations, since it represented the last line of defence for AMERICA". (*THESE DEFENSE MEASURES HAVE SINCE BEEN TAKEN*). Admiral Byrd further stated that no one could give a more accurate accounting of the true significance of the situation than he could, since he had had occasion to employ the latest scientific developments and from what he had learned he could make comparisons for he had encountered the effect of the secret weapons.

When Admiral Byrd had arrived back in the U.S. and the significance of his findings had found their way into the press, he was mysteriously hospitalized. No hard information was ever unearthed but his grand statements to the press in South America and on board the Olympus were not appreciated by the powers in Washington. Less appreciated were the actual facts regarding his expedition which I shall enlighten you about a little bit further on in this writing.

He was among the first victims of a long string of prominent people "removed from circulation" for their honest belief in Unidentified Flying Objects and encounters with

higher forces.

You can gain great insight into important conclusions from the foregoing:

1: The final outcome of W.W. II is yet to be decided. This is borne out by the late General and former President Eisenhower's statement--"The second world war has not yet ended," and corroborated by Admiral Byrd's alarming phrase "in the case of a new war". Hitler's Last Battalion is waiting for its golden opportunity to be "the tip of the scale" in any conflagration yet to come. *SO BE IT, BROTHERS, SO BE IT!*

2: Hitler has defended his secret lair as successfully against Byrd as he had his numerous headquarters in Europe, during the war against the Allies. Byrd was forced to retreat and to acknowledge the superiority of the UFO's, and their secret weapons.

3: The over fifty small wars since 1945 including Korea and Vietnam, were supposed to provoke a premature "showing of hands" by the Last Battalion.

4: The "New Third Reich" has maintained its crucial time/technology advantage over its W.W. II adversaries -- even decidedly increased it.

5: Idealism (spirit) has triumphed already over Materialism (money), since only the German state was destroyed but not the ideology of National Socialism.

6: There has been a 30-year cover up by brain and more often by brawn, about the true identity of the UFO's or at least many of them. Their origins have been known, but deliberately suppressed by the rulers of the Unholy Alliance of 1939-45.

7: The real and only reason for the insane UFO cover up, now falling apart, is to be found in most UFO's German origin. The Allies in East and West have told so many lies about the barbaric, sadistic behavior of the Nazis, that they now fear wide-spread panic amongst their populations, should the truth become known. After all, if the Nazis are still around, would it not be logical and natural for them to take revenge one day? With U.F.O. power? Come now--what does the symbol of a swastika really mean? LIFE ONGOING AND WITHOUT END! No, I did not say that I adore and cherish the Third Reich--I said that the swastika means Life! All the liars are not yet out of the woodwork, my friends.

WHY THE BIG UFO COVER-UP?

For over 40 years some of the world's most imaginative people have wondered about the "strange" behavior of their governments when it comes to the questions of the UFO's. If the UFO's are extra terrestrial and the humans on your planet have no "defense" against them, then why annoy these beings by orders to "SHOOT TO KILL"? It is interesting that once again you see perfect harmony of approach between the U.S. and the Soviets. In the 70's there was a very detailed report about the Soviet Air Forces having stumbled upon some secret UFO bases in far off Mongolia. The

Soviets went in their usual barbaric style, bombed and burned everything to the ground. This was well documented by Dipl. Ing. A. Schneider in the Viennese newspaper, K.Die aktuelle Serie, P.a. Sat. Sept. 14, 1974 as follows:

. . . the following remarkable report reached us today from the Soviet Union: April 24, 1970 was a day that all hell broke loose. A supersonic Soviet jetbomber in a secret mission from Moscow to Vladivostok was lost without a trace over Siberia. The pilot was in voice contact with ground control stations when suddenly the transmission was interrupted. An intensive search by nearly two hundred planes was quickly organized over the area where the pilot was last heard from. Almost simultaneously a number of pilots reported to ground control, "We are not alone up here, above us are flying objects, maybe 25 or even more. They are huge, they are so high we cannot get near them." That same afternoon in Krasnojarsk, red alert was sounded and troops were deployed around the city because an entire formation of these silvery, silent visitors circled over the scared town. Apparently, entire salvos of ground to air missiles were fired at hundreds of flying discs which crowded the airspace of the Sino-Soviet-Mongolian frontier area. There was a concerted action by the strange intruders against the town of Ulan Bator, where all flights seemed to emanate from and end. A spokesman for a group of touring German students said after returning from Mongolia, where they had been at the time of the "UFO invasion", "That the Soviet Union had destroyed a secret UFO base of immense proportions consisting of many miles of subterranean tunnels, and dozens of pyramid like structures in the northern area of Mongolia." However no photographic proof or documentary evidence exists. The Soviets are always very secretive.

After Admiral Byrd's hasty retreat from Antarctica he not only suggested bases around both poles and a ring of armed camps, but offered this plan: Turn Antarctica into atomic test ranges where atom and hydrogen bombs could be dropped to be "tested". Well, this is a quote from an incorrect source--it was not Admiral Byrd who suggested such a thing, he was simply blamed for it.

A strange thing, however, as soon as such a plan was put forth. Capitol Hill in Washington, D.C. received an official visit. There is not a UFO fan who has not seen the historic photograph of an entire "swarm" of U.F.O.'s flying over the nearby Congressional Buildings and the White House in perfect formation. Interesting to note that the Antarctic test site idea was never again seriously considered.

Hundreds of sightings took place around the world from Japan to Korea, where you have a particularly good example of a UFO dematerializing in front of the cameras. One must then ask, "Why do these UFO's always show themselves, but why do they not land?" etc., etc., etc. Well, realizing the fear responses and the need to keep the lies hidden--it is indeed unsafe, isn't it? This is appropriate for terrestrial ships as well as extraterrestrial visitors.

The UFO cover-up is most similar to other actions of the other unholy alliances such as the mass murders of Operation Keelhaul, at Katyn, Dresden and Hiroshima. Let anyone dare to "not conform" with "the establishment's" version of things and you can see people being hounded, defamed and persecuted on a daily basis--not the least of which are our own scribes--just for receiving this information.

LITTLE MEN WITH AGREEMENTS?

More distractors and I will investigate herein. Let us look from some other viewpoints, please.

Often, your UFO fans have advanced the theory that the strange flying objects come from distant planets and galaxies to check on your "atomic experimenting", and some people state "contactees" have been told that the UFO's would prevent an atomic war on the planet earth. Why should we? Why should we care? We certainly do not demonstrate any great desire to colonize the earth -- at least not in any great numbers. Well, perhaps some of these "aliens" are already scattered about earth. We have all sorts of reasons why we will not allow atomic devastation to wreck your planet:

These are speculations as presented by some sources who feel an alliance exists with space aliens, etc.

a) The UFO's are, by now, driven by electro magnetism, consequently all secrets surrounding electric power have been discovered. Since all modern communications and guidance systems are based on electronics, it is an easy task to "listen in", decode and prevent the start or to re-direct whilst in flight, any vehicle or space craft, now in use by the "allies".

b) The destructive power of atomic weapons is therefore much more of a threat to the powers who possess them and have them stored in silos, in subs, in planes or on their own soil than to those countries who do not have these weapons at all, since they could quite easily be set off by remote control from the UFO's, before they were even launched.

Please keep in mind that these are projections put forth from your placement--not mine.

c) The UFO's will undoubtedly prevent atomic war to prevent the extinction of the White Race. At the moment the white people are outnumbered ten to one on the planet and should there be an atomic exchange the ratio would be a hundred to one in the white's dis-favor.

Well, a few of your better thinkers have found some interesting conclusions which might be worth pointing out.

No man of the calibre of Adolf Hitler, deeply committed to the survival and resurgence of Western Culture, would ever allow this tragedy to happen to the White

Race if he could at all help it.

There is a most interesting aside which I might note for you. Perhaps a few of you readers will already know the following, that in the region of the South Pole (Antarctica), and to a lesser extent the North Pole, it is possible to escape from the earth's magnetic pull and death through radiation because the Van Allen Belts open up, funnel-like, at both of these extremities. It is possible to launch a spacecraft, with very little radiation protection from this area avoiding enormous weight, a crew needs no radiation-protective gear.

Now I am going to lay forth some other speculations which might bear contemplation. You must remember that Hitler had massive feasibility studies of space stations, based on very specific and valid data.

He authorized launching an artificial satellite to be rocketed into space in 1947 with the A9-A10 rocket, in a steep angle away from the axis of the earth, and counter to the earth's rotation. From this point it would have been possible to observe any spot on earth within any given two hour time period, and hit any spot on earth with accurate missiles, bombs, radar-guided or other gadgets such as "mirror beams" or "death rays".

The Rosenbergs mentioned these platforms in their testimony during their espionage trials. They called them "Warships of space". Where did they get this information about top secret plans, not realized by the Allies until some 25 years later? From the same documents that gave them the atomic bomb, of course. Yes, this would definitely seem as if spaceflight was already known to a mysterious group of beings, would it not?

PROF. DR. JAMES GREENACRE

The American astronomer, Prof. Dr. James Greenacre and four of his colleagues made an astounding observation from Flagstaff, Ariz. Observatory and reported it to a Conference on "Moon Problems" in New York City in May of 1964. Because of the UFO cover-up policy still in force in the U.S. government, Prof. Dr. Greenacre was only able to give his report verbally to colleagues who were present at the Conference. Here is roughly what he said: "On 29th Oct. 1963 we observed several colorful spots on the Moon, the spots moved in formation across the motionless face of the moon." One month later Prof. Dr. Greenacre observed the same phenomena. The May 1966 issue of "UFO Nachrichten" Vol. 117 reproduced what Dr. Greenacre had stated he had observed. . . "Prof. Dr. Greenacre saw on or close to the moon at least 31 space craft of gigantic size. Some were from 300 meter to 4.8 kilometers long. They were in motion while being observed through the telescopes. Also, clearly discernible were numerous smaller craft approximately 150 meters in diameter, which moved past or alongside the huge craft, the "mother craft" occasionally changing color, as in the often-reported, pulsating style." (The distance from the earth to the moon is 384,000 kilometers). This was the end of the report.

The American Professor thought at first the Russians might have beaten the Americans to the punch. But not so! So, therefore, who is out there in the wild blue yonder? Well, Prof. Dr. Phillips of Berlin, Hitler's wartime comrade, claimed he knew. He even sent the author of much information on the subject, some charts and time tables of his flights and they match, my friends.

Before we leave this area of investigation and take a break, we have to look into the repeated reports of "glowing" or "pulsating" lights emanating from U.F.O.'s. You can find an interesting reference to this phenomena from a brilliant German metallurgist who had created "a metal harder than diamonds" called appropriately enough "Impervium". This metal glows alternately in the colors of the rainbow when heated to a high degree. This seems to tie up another loose end and again, the timing is interesting. The metal was used for the first time commercially in 1935-36. The laboratories were located not at Schramberg as Michael X reports but at Starnberg and Starnberger See. However, this could be a simple spelling error by someone not too familiar with the German language. Oh, so much to learn, haven't we?

Dharma begins to see the handwriting on the wall and is quite unnerved at this time, therefore, I request a break and allow settlement. It is fine, chela, everyone keeps nagging for "new" information and perhaps it is time to begin to scatter it around a bit. You will stay closely in the light shield, chela, for as we tread on the proper toes the nasties will get more intense. So be it--the God of Light and Truth shall prevail and this word will go forth. Yes, I know ones are quite dead who have spoken of these things--I do note, however, that you are quite healthy and we intend to keep that status current.

I move now, to stand-by that we might have a break.

In love and total light of radiance I salute you for your service.

Hatonn to clear, please

CHAPTER 12

REC #1 HATONN

FRIDAY, MAR. 30, 1990 9:00 A.M. YEAR 3 DAY 226

Hatonn present this morning that we might continue work on the Journal. I come in the Light of the Radiant One and clear all negativity from this place. We shall speak of this herein, Dharma, for knowledge is your shield.

The vibration pulses of which you are so acutely aware within the past 48 hours are intentional indeed. While you ones were absent a new monitoring grid was integrated into your electrical system within your dwelling. You will find that circuits will overload quite easily in effort to lose of your computer data, etc. You will be bombarded with ELF cycles through the equipment. You are "field" recycled in that your own nervous system counter-balances the energy integration. For a while you will be acutely aware of the vibrations from all things you touch for the cycle impulses are different from your own and you will note the clash of sequence perception until you adjust. Know it is intended and that you are in protection. However, I request that you remain conscious of the input and challenge to your system in that you are constantly aware and recognize all changes.

Your system will automatically adjust but you will find exhaustion your constant companion for a while during the adjustment and all within the property will recognize confusion, depression and sleepiness until all is in total integration.

I speak of these things herein because we choose to make a public statement of conspiracy attempt to stop of your writing. We herein place the conspirators on notice that we can play this game far more perfectly than they can bombard. I ask, however, that all entering your physical space take extreme care and use superior caution. As the script plan is unfolded unto you ones, the seriousness of the impact must be ever present. You are to use caution--not fear. Be receptive to intuition (all of you) regarding any and each who enters into your space. I did not say to be distrustful--I said to "pay attention". This is both for the guest/visitor as well as for self.

The readers of these Journals must come into realization that the material to which they are now being made privy, is truth, is dangerous, and is your very guidelines to change as well as transition.

The threats have now been officially laid at my table to cease and desist with the bringing forth of these truths "or else". Dharma has requested that she be allowed to continue our work and we place her in protection, however, there is great risk in many forms. We are now to the point of "picking-up" where others were forced to "leave-off". The game gets rougher as we move along. Therefore, I must ask patience and indulgence of the readers in that we must work rapidly on the Journals and personal kibitzing over nit-picking attitudes of personal nature will probably be set aside to re-

spend to later in the upcoming weeks.

I humbly thank each and every one of you who have so generously given of your time and efforts. The training has been exceptional and the pressures constant. The building shall begin shortly and you will have great success. It is not the building of good business that is the problem; it is, rather, the bringing forth to public view of these atrocious lies which have been perpetrated and perpetuated through the last decades. As we tell you of the truth and then give you PROOF of same, it will be hard indeed, to comprehend and yet you will all find it logical, reasonable and totally valid.

We of the higher Command ask your patience and indulgence and an open mind that you might receive in clarity and purity of integrity. The very hope and subsistence of your placement depends upon your changing of attitudes and ability to rethink circumstances. So be it and I plead for the granting of your attention and kindness.

Dharma, ye shall not be yet given to remember these things for it is unsafe, chela. Allow the "fog" to bring you comfort and security instead of confusion for it is your safety net--believe me, chela, "they" know you know nothing of these things any more than any reader of the material.

The information is coming forth from several locations of which you must remain basically unaware, for that, too, is your security shield. All "they" can do is discount and discounting can no longer be successful as the logic of truth comes into the attention of mass consciousness. Hold tightly to my hand, little one, and fear not for the hosts of the heavens walk with you and the valley of the shadows is just that--shadows. The physical is ultimately of no importance what-so-ever and the time is at hand to bring these things into public awareness. So be it in the Light of God Source. There is no darkness in this place, in this receiver nor in the entities from which she receives. We come as the host with the Master Teacher in the service of the Universal Source.

Allow the above message to remain within the writings of the Journal. We shall now move on to continuation of the Journal material.

We were speaking of the Antarctic, counterfeit money and conspiracy.

A LOOK AT THE ANTARCTIC

It is important that you ones have input of general geographical and physical nature regarding the area of your arctic regions, both South and North. We shall deal herein with the Southern location for most of the incredible activities are being exploited there.

Your Admiral Byrd wrote great dissertations regarding his experiences in that location beneath the arctic area and he was discredited and finally, murdered. He was declared insane and promptly taken out of public circulation--he was murdered as a broken man

as was Forrestal, Priore, Rife, Tesla and hundreds of other great men.

Byrd met with the beings of alien locales and his documents can be obtained--through your rather underground resources; therefore, I shall not dwell at great length in this chapter regarding that matter. I wish to give you purely physical data for confirmation at this writing. Further, for you ones who have access to your National Geographic Journals--please refer to April, 1990 which will be released shortly. Ah yes, Dharma, you need to know that more than do others. In fact, we shall utilize a map or two from their presentation that you might have confirmation. There are no coincidences, chela, and ye shall be given all the credentials and confirmation that ye need.

If you will look at a globe of your planet you will find that there are two land masses close to the Antarctic regions--South America (namely, Argentina and Falkland Islands) and Australia. This is most important indeed in deciphering logically that which we give unto you.

Let me note right here that you of the U.S. have great bases in Australia with space flight, data collection, exchange shuttle facilities, nuclear testing and great underground facilities for security and survival.

Now Australia, (remember that Australia is a branch of Great Britain), has endorsed plans for a commercial space launch station using Soviet rockets, to be built on the Cape York peninsula in the continent's remote northeast. The plan is for a \$450 million installation to be functional not later than in the mid-90s. This, too, can be confirmed from reliable sources on your placement. Further, what of the USSR offering to make available to Japan over 59 technologies in the military and space fields as part of an effort to establish joint ventures with Japanese industry? Soviet officials have actually proposed joint ventures that would give the Japanese access to the Soviet Buran space shuttle. Still sleepy??? Do you still wonder about the importance of the Falkland Islands off Argentina?

WHY DO YOU THINK THERE IS ALL THIS MASSING OF WEAPONRY AND WAR MATERIALS DOWN BY THE OLD ISOLATED ANTARCTIC? COULD IT BE THAT HATONN IS GIVING YOU SOME FACTUAL AND TRUTHFUL INFORMATION? LET US REFER TO IT ALL AS THE "TACKY TACTICS" OF THE CENTURIES. THEY OF THE CONSPIRACY KNOW FROM WHENCE THEIR BIG BAD ENEMY SHALL ARISE! SHELTERS--GET ON WITH IT, CHELAS, FOR YOUR EXISTENCE IS AT STAKE.

I give Bryan Hodgson of National Geographic great honor and appreciation for I shall utilize his updated information to great extent in these current chapters for you need the confirmation of Earth scientific published material. Perhaps as you move along in truth you will subscribe to the Geographic to support the works of these outstanding researchers.

The Antarctica is larger than Europe or Australia, but it has no "native" human population. It contains more than two-thirds of the world's fresh water in the form of ice, yet some areas receive less than two inches of precipitation a year. Antarctica is the highest, coldest, most desolate place on the globe (on the surface of it). But it irresistibly draws visitors. The fifth largest continent is a giant outdoor laboratory where scientists strive to decipher clues to our planet's history and detect early warning signs of global pollution. That which is called "earth's last terrestrial frontier" is drawing increasing international attention---and only a minute fraction of a percent of humans have the slightest idea as to "why".

In 1959 thirteen nations joined the twelve original signatories as voting members of the Antarctic Treaty. Research stations were constructed and a voting coalition was formed to be eligible for voting on control of resources on the continent. There are some 40 year-round bases on Antarctica at present (known publicly). Fourteen additional nations have gained observer status, introducing a strain of international politics to a gentleman's agreement that guaranteed only that Antarctica would be used for peaceful purposes--without specifying clearly what those purposes might be. And there you have it. NO PLACE IN YOUR ABILITY TO ATTEND IS ALLOWED PEACEFUL EXISTENCE--NO PLACE! THIS IS NO DIFFERENT AND ALL REALLY IMPORTANT AND "SECRET" BASES AND INSTALLATIONS ARE ALLOWED NO VISITORS OR RESEARCHERS AS YOUR MAJOR POWERS HAVE THEM SEALED OFF BY TERRITORIAL CLAIMS.

In October 1989 in Paris, the 15th biennial treaty meeting was thrown into turmoil by an unscheduled debate sparked by the announcement of France and Australia that they had revoked their approval of a 1988 agreement prohibiting minerals exploration without the unanimous consent of all members. Instead, they joined environmental groups demanding an outright ban on minerals activities and establishment of Antarctica as a world park. Some nations, such as Chile and Argentina, saw this as the first direct threat both to the treaty and to territorial claims they had agreed to hold in abeyance. *(AND YOU THOUGHT THE RIFT WITH ARGENTINA AND CHILE WAS OVER DRUG DEALINGS!)*

Antarctica has never been truly isolated but I doubt any of your little school children realize this---were you taught this? Although it is surrounded by a barrier of swirling ocean currents and ferocious winds and crowned by a gigantic ice sheet averaging nearly two miles in thickness, this coldest region of the planet is a powerful weather maker for the Southern Hemisphere. Its frigid waters surge along the deep seabeds into

the Northern Hemisphere, modifying ocean temperatures and carrying nutrients to nurture marine life.

More recently, scientists have discovered that Antarctica is a sensitive barometer of mankind's use and abuse of the planet.

Comparing today's atmospheric gases with those trapped in core samples of ancient Antarctic ice, they have found that the burning of fossil fuels has helped raise carbon dioxide to the highest level in history. Some have warned that this might cause a melting of the ice sheet by trapping heat from the sun. Other scientists have learned that man-made gases called chlorofluorocarbons, trapped over Antarctica by a stratospheric vortex of winter winds, react with spring sunlight to release chlorine atoms that destroy much of the ozone, which helps protect living organisms from harmful ultraviolet radiation. This is accurate enough to allow it to go undebated by me, at this point. Man always precipitates his own environment and therefore a debate at this point would be futile and useless. Further, this segment of writing is from the scientific viewpoint of very human observers and is not for my input. Let us just tell this segment as human sees it.

EARLY WARNINGS

As early as 1975 scientists had warned that Antarctic waters were being overfished. In 1980 an agreement was reached on a Convention for the Conservation of Antarctic Marine Living Resources. By 1983 Soviet fishing fleets had seriously depleted the population of Antarctic cod around the French islands of Ferguelen. Other fisheries appeared on the verge of destruction.

There is a fish at South Georgia called *Champsocephalus gunnari*, which was most popular and is now most endangered. A fishing limit of 10,000 tons of gunnari was recommended by a group of involved nations in 1986. However the Russians immediately reported catching over 69,000 tons--seven times the proposed limit. They claim the numbers estimates were wrong and that the protein would go to waste unless fishing is done at the optimum level.

At this point the good old U.S. Congress got into the act and requested a major study of Antarctica's marine ecosystems. This put up all sorts of wondrous distractors and gave excellent reason for infiltrating the area and checking on the security systems already in place. Oh, of course, Congress thought it was all a study of marine life--most of your Congress is as ill-informed as the masses of the population.

WHAT IS REALLY HAPPENING

With all the military intrigue and installations, ships from many countries come into the waters of Antarctica claiming to be research vessels but are actually otherwise. For instance, in 1989 an Argentine supply ship Bahia Paraiso ran aground after hitting underwater rocks near Palmer Station, apparently because of inaccurate navigation

charts. Thousands and thousands of gallons of diesel fuel fouled beaches and killed untold numbers of wildlife. Where was Exxon when you needed them?

The Soviets have intensive activity of massive amount and take marine life in uncountable amounts. Reports which could be verified were that the Soviet vessels were taking over 20 tons a day of guntheri at Shag Rocks. At the South Shetlands some 18 vessels were taking krill at 85 tons a day and at the convergence 400 miles northeast of South Georgia, one boat reported catching two tons of squid within a few hours.

Right across the Strait of Magellan and Cape Horn you find Punta Arenas, Chile's southernmost city. It is a thriving commercial center, whose harbor, shipyard, airport, and communication facilities have made it the major gateway to the Antarctic Peninsula and is only a couple of hours flight to King George Island, site of Chile's Teniente Rodolfo Marsh station and airfield.

There are eight other nations which have research stations on the island: Argentina, Uruguay, Peru, Brazil, Poland, South Korea, the Soviet Union, and the People's Republic of China. King George's popularity stems more from its location, only 600 miles from Punta Arenas, than from its scientific potential. This should also tell you readers a lot of information.

It gets easier and easier to get to Antarctica as the French and British are building new airstrips. On the continental ice plateau you can land ski-equipped aircraft almost anywhere. It is also easy to land large-wheeled transports on areas of permanently bare ice, such as those near the Vinson Massif. The U.S. plans to establish a base there to give regular airway from Punta Arenas to the South Pole. Further down the coast from Punta Arenas is a place called Ushuaia---which means "Jesus" or in Hebrew--Jesuhia or Yeshua (spelled for pronunciation). How do you suppose that could have happened? Surely the Pale Prophet couldn't have gotten into that region also! So be the mysteries of "time".

Chile's base on King George Island is actually a colony, with quarters for some 240 airmen and scientists. Many sign on for two-year tours and live with their families in a suburban-style apartment complex called Villa Las Estrellas, which has its own bank (of course), post office, commissary, hospital, and a schoolhouse which serves around 11 students.

This complex, together with the tourist facilities, reflects Chile's long-standing policy of "proving up" its territorial claim to a large sector of Antarctica, even though such claims are held in abeyance under the treaty.

Argentina has a similar policy. There is an Argentine Army base on the tip of the Antarctic Peninsula a hundred miles south of King George Island called Esperanza. Why am I giving all these nitty details which hold no interest for you? Because they had better start holding interest for you for you will be hearing a lot about them very

shortly in what you perceive as your future.

Argentina and Chile have been frequent adversaries to the U.S., but their huge and overlapping territorial claims have made them allies within the Antarctic Treaty organization. Issues such as mineral exploitation will loom very large in 1991, when under terms of the treaty any voting member may propose a reexamination of its provisions.

STRANGE CROSSROADS

The Antarctic Peninsula and its island chains have been an international crossroads since 1820 when Russian explorer Bellingshausen arrived to claim first sighting of the continent after braving the savage weather of Drake Passage in wooden ships.

Today's mariners are better equipped, but some things have not changed. Storms are quick to form and deadly.

The U.S.A. has ongoing "studies" under the guise of NSF's Division of Polar Programs and travels the region's rich bird and marine life habitats regularly (too regularly), since 1965 when the jaunts could no longer be kept secret due to the traffic in the area. Note that Byrd's expedition was in the 40's and continuous monitoring was begun at that time.

One of the major stops on the "scientific" journey is Deception Island, where a placid lagoon fills the ten-square-mile caldera left by an ancient volcanic catastrophe. Don't count on it remaining simply "ancient". Today one can find a smattering of abandoned buildings and wooden boats that line the haunted shore which still steams with volcanic heat.

Records show that in 1924 the entire bay literally boiled, blistering the paint on a fleet of factory ships used to process some of the thousands of whales killed in these waters. There have been major eruptions in 1967, 1969, and 1970 which destroyed Chilean and British bases.

This is in the area of the Bransfield Rift and is a very active volcanic zone. It has widened considerably over the past several years and recent seismic activity can tell you the magma is welling up again.

The type of magma found in that area creates a fairly quiet eruption above ground, since it is highly fluid and has time to cool to crystals when it contacts air. But on the seafloor it reacts instantly with water to produce a tremendous explosion. There will be ongoing and more frequent eruptions in the current "time" segment.

The food chain of the Antarctic is under heavy study. Microscopic plants called phytoplankton bloom in the ocean each spring, nourishing vast swarms of the shrimplike crustaceans called "krill"- (interesting label) that form the main food for

many of the continent's creatures. Commercial krill catches now approach 500,000 tons a year, and scientists are concerned about the effects of heightened levels of ultraviolet radiation on phytoplankton.

So far you have no way to measure the volume of krill swarms accurately but one must look at the population of penguin colonies which numbers in the hundreds of millions and they feed only on krill.

Now, how do you suppose the Cooper group came up with a name like O.H. Krill in relationship to visiting "aliens"? Little gray men from outer space? Oh, I think not! Are these plots set up by your "free-people" government? Oh, I think most definitely, yes!

Krill have some interesting points about them, not the least of which is that they present an almost unlimited food supply for the human inhabitants of Earth.

KRILL

The life span of krill is around seven or so years. They reproduce beginning in the third summer. The eggs are laid between mid-December and early March with the eggs sinking to between 600 and 1,200 meters before hatching while moving into the warm incubating waters. The larvae hatch and ascend through the water "column" to begin maturing. Ocean currents can move krill swarms far out of reach of bird colonies and protect the growing babies. An adult krill can go without food for as long as a year and survive nicely, larvae as long as two months without nourishment--a necessary defense against seasons in which phytoplankton are scarce or hard to find.

But now you have an interesting happening. The krill feed on phytoplankton which use sunlight to produce food by photosynthesis, utilizing carbon dioxide and such primary nutrients from the sea as nitrogen and phosphorus, plus trace elements. The threat of increased ultraviolet radiation pouring through the ozone "hole" over Antarctica has made the question of the effect on phytoplankton a most appropriate and urgent one.

Isn't this just getting more and more interesting? What about those Rainbow Lakes---and more important, what about that ostensible Rainbow City(s) of mythology--past and current? All so! The little phytoplankton glitter like jade, others are brown, etc., the microscopic seawater is a wondrous garden of the sea with a brilliant three-dimensional universe crowded with exquisite translucent organisms. There are tintinnids which are cone-shaped and which feed on bacteria, and squarish-looking organisms which are diatoms. Their outer shells are made of silica, so they are really like plants in glass houses. A tiny sample will contain over 10 species of these minute single celled organisms which link up to form colonies that look like a string of beads. The species and numbers change continually, decreasing as winter darkness approaches.

The lovely part of the lifestream of these little wonders is that they can adapt to

increased amounts of ultraviolet radiation by producing their own sun-block pigments or by using a mechanism that, through exposure to daylight, enable them to repair UV damage. Would this not indicate that selective evolution indicates that these little fellows have experienced this same type of cycle prior to now?

The Australians are developing a sunscreen preparation for use by humans based on UV-absorbing compounds found in coral. Similar compounds have been found in fungi. Eighty-five percent of lichens in Antarctica have compounds that absorb radiation in the ultraviolet ranges.

Before we discuss the ozone and ultra violet radiation, let us take a rest-break, please. I shall move to stand-by. Thank you for your attention and you, Dharma, for your service. Salu,

Hatonn to stand-by.

CHAPTER 13

REC #1 HATONN

SATURDAY, MAR. 31, 1990 7:30 A.M. YEAR 3 DAY 227

Hatonn present in the Light of the Radiant One. Good morning. May we please continue with our Journal and may we begin where we stopped, with further discussion of ultra violet light (radiation).

ULTRAVIOLET RADIATION: (UV)

Studies are ongoing in Antarctica for measuring amounts of ultraviolet radiation. Ozone is not the only thing that affects UV reaching the ground. Glacial ice, for instance, reflects as much as 95 percent of UV back to the sky. The ocean reflects 5 to 30 percent, depending on the amount of ice cover. One of the important goals of this study is to determine to what extent clouds block UV. With the opening in the higher ozone levels, the UV levels are showing up in amounts in October which would normally be measured in December. This means that the Antarctic summer has become approximately two months longer in duration. Remember, however, that it is almost impossible to actually measure these variances due to short monitoring and you ones have the incorrect perception regarding the ozone layer.

Changes, however, are becoming more and more evident and that point is indisputable. Even your rather crude studies of heightened UV effects on sea organisms have used artificial light. Conditions in the real world are radically different.

It is extremely difficult to accurately measure these rays but it is a pretty close estimation that red light penetrates 10 to 20 meters, blue as deep as 90 meters into the ocean and ultraviolet is undetectable at 20 meters or there-about. Ice laden cloud movements also make impact on true readings.

When you effort at determining the effect of these factors on life, i.e. phytoplankton, one finds that temperature, salinity, and light all determine whether the lifeform makes a good living, or bad living, or no living at all.

To base, scientifically, results set in concrete is impossible. Phytoplankton, for instance, changes depth as water layers are mixed by wind and heat. They also quickly produce pigments to protect against increased sunlight. They also make U V-absorbing compounds, and therefore, it is reasonable to hypothesize that these can also limit UV damage.

LOOK AT POSSIBLE MINERALIZATION IN ANTARCTICA

There are many minerals. There is a lot of coal in the Transarctic Mountains. Geologists have found traces of copper, gold, and silver on the Antarctic Peninsula. But these wouldn't be economic even if you found them in Minnesota or Montana.

Petroleum is still in great question as the U.S., Brazil, France, Norway, West Germany, Poland, Japan, Australia, Britain, Italy, and Russia have all done seismic research. The Japanese have been surveying for eight or nine years. Only the U.S. and Australia have released hard data, as required by the Antarctic Treaty. But at any rate, you need a five-to-ten-billion-barrel field, something like Alaska's Prudhoe Bay, to make it pay, even at a price of \$70 to \$80 a barrel.

UNCERTAINTY

Uncertainty plagues your scientists about the possible effects of the warming of Earth's climate in general. Glaciologists know that Antarctica's ice sheet, which covers 98 percent of the continent, moves toward the sea in the form of glaciers and ice streams. But they can't conclude as to whether it is shrinking, growing, or remaining pretty much balanced.

The world sea levels show definite signs of rising as much as six millimeters a year, but that is thought to be caused by a combination of thermal expansion of the water plus a melting of Northern Hemisphere glaciers--but why would Northern Hemisphere glaciers be melting? And so it goes.

It is pretty well established that ocean currents carry warmer water under the seaward edge of the ice shelf and melt it from the bottom at about three meters each season. Now it is planned to bore through the ice shelf down to water level and place 40 permanent temperature, current, and salinity sensors. Those should tell you whether warming currents you know nothing about are causing melting a hundred kilometers "inland" from the ice edge.

As a fact, as far as Antarctica is concerned, you have no real ability to place confidence in today's computer-generated climate models, because none of them can explain how the previous ice age came to an end. Why was the earth 2 degrees centigrade warmer between 5,000 and 8,000 years ago? There is no answer for you and if you can't model the past, you can't model the future, can you?

It is obvious that "romantic" ideas don't make it in Antarctica. It is certainly not a place to go relax and escape from life's tensions. So what could be so desirable about a ice laden piece of land mass?

Let's speak of the first U.S. station, built for the International Geophysical Year of 1957-58. It lies buried almost a mile from where it was established, carried away from the geographic South Pole by the constantly moving ice sheet. Now the dome of the present facility, completed in 1975, is being slowly buried by snow as well.

A large snowdrift has formed on the downwind part of the dome, and its weight has depressed and torn portions of the dome's base. First the snow must be removed and then the entire base must be "jacked" up and the base repaired. Next, it is considered that a solution might be to build an artificial snowdrift using lightweight polystyrene foam, shaped aerodynamically to allow real snow to be blown away. That would extend use of the dome for about six additional years. I am continually appalled at conclusions and unreasonable solutions reached by supposedly educated and intelligent people; further, is there no limit to funds you ones will pour into foolishness?

As many as a hundred scientists and support workers occupy the South Pole station during summer months. During winter only 20 people inhabit the end of the earth. The reason? To monitor the planet's air quality. The South Pole, it is said, has the cleanest air on earth because prevailing winds blow 98 percent of the time from the so-called "Clean Air Sector" - between 20 degrees west and 110 degrees east. By the time the air reaches the pole it is well mixed and there are no remaining sources of air pollution.

Air-quality monitoring has been going on since 1957 and has found constantly increasing carbon dioxide levels. Recently, a new sophisticated laser device has been installed by the University of Rome to measure the height and thickness of polar stratospheric clouds, which form during winter darkness over Antarctica.

In 1986 scientists discovered that molecules of chlorine compounds adhere to ice crystals in the clouds. This makes possible a catalytic reaction, triggered by the sun's first spring-time rays, in which chlorine atoms destroy as much as half the ozone over Antarctica between September and November.

Scientists believe most of the destructive chlorine comes from chlorofluorocarbons, or CFCs, which find their way from the industrial areas of the world to the stratosphere and are then carried south over Antarctica, there to be trapped by an annual atmospheric phenomenon called the polar vortex.

While chlorine in the atmosphere was found to have increased by about 10 percent in three years, some scientists thought the change so dramatic that they wondered if other factors might be involved. And so on and on it goes. Chelas, I simply cannot go on with this foolish dissertation.

Your world is suffocating in the pressure of six billion people, many of whom are starving to death, the air is so polluted in all of your major cities and most of your landscape as to be a hazard to simply breathe and what has over 40 years of research given you except a high cost? Most of the science has produced only controversy and the only response is, "Well, you have to remember that science is done by human beings." I quote one, Dr. Edward Zeller.

Now take that thought with you as you visually stroll with me through the industrial sprawl of McMurdo base. Please avoid the huge junkyard and fuming trash dump, which will soon be gone as part of a new TEN-MILLION-DOLLAR cleanup program.

The chapel offers cleanup programs of a different sort: a Bible class and an Alcoholics Anonymous session. The noncommissioned officers club has reached a level of activity that might generate candidates for both.

I now quote Bryan Hodgson's reading of a symbolic bumper sticker which reads "GREAT GOD--WHAT AN AWFUL RACE". The sign bore the insignia of an organization campaigning to make Antarctica a world park. Would the authors ban humans? Their slogan parodied the bitter words that Robert Falcon Scott scrawled in his journal after reaching the South Pole: "Great God! this is an awful place" he wrote, after finding the footprints of humans who had gone before. Well, so you have it.

Therefore, it is quite obvious that all of the activity around the Antarctic regions is not scientific nor to establish summer campsites. So what is the purpose of this Journal discussion? I am going to tell you what is truth about your Antarctic area and you are not going to care for it very much at all. None-the-less, I support those brave men who have gone before and now speak from this dimension--it allows truth to flow ever so much more freely, brothers. Ponder it. Truth has no need of "shading" from this placement in the heavens.

The next sections will read like something out of James Bond Goes Beyond Sanity. I suggest you stick with me through it, however, for you are going to find truth, my dear friends, and I trust it will shake you up accordingly.

Ones continually barrage this scribe with my doom and gloom fear tactics--well, I certainly advise paying attention. Fear and panic, no! Pay attention and utilize your God given resources and what you have is HOPE! Continue to hide the truth and ye shall never find freedom--truth shall set ye free--naught else. Truth in the Light of God Source who will suggest you turn about and unto His laws and ye shall find freedom.

I have several pieces of correspondence awaiting response and I shall take them up a bit later for it becomes urgent that this Journal be finished and sent forth. The pressures are getting too heavy upon these ones and therefore, delays must be avoided.

HOW ABOUT SOME FACTS, SKELETONS AND DIRTY LAUNDRY?

To give proper placement of background, you must return in your memories back to April of 1982. Move back to the Falkland Islands and South Georgia Island and the war between Argentina and Great Britain over these barren, wind-swept wastelands. Or, were they? Oh, dear ones, what you have not been told would fill mammoth volumes and we haven't time for that. I am going to give you information which is well-known in certain circles but hardly known at all to the populace--you the people. A few have come into this information; enough to confirm the truth of my writings at any rate.

On the surface the whole incident represented a dispute between Argentina and Great Britain over those barren islands. But surely you have learned by now, that nothing is as it seems. You are told exactly that which you are to believe and you diligently go about following the orders.

The so-called Falklands crisis was just the visible tip of a giant military operation. During the month of April 1982, fierce naval battles were taking place, not only in the South Atlantic but also in the South Pacific.

The hostilities were very effectively kept under arrest by wartime censorship on all sides of the dispute (and yes, the U.S. was most certainly in the dispute).

On April 30, a total naval and air blockade of the Falklands by the Royal Navy began. At the same time a counterblockade had been declared by Argentina in the same area.

To be effective, a blockade must be imposed over a period of time, but the Royal Navy didn't have sufficient time. Winter was coming on in the South Atlantic, and the British supply lines were overextended. Having traveled so far, however, Her Majesty's navy could not simply drop the blockade and sail away in a few weeks time without drawing blood from Argentina. As a result the British would be forced to undertake military operations very quickly no matter how risky they might turn out to be.

There was also another reason why the Royal Navy had no choice but to engage the Argentine forces in combat. That reason was that the Royal Navy had already suffered losses in *secret combat* that same month. Only when publicly admitted fighting erupts would the British dare to admit that they had already suffered great battle losses. And further, to obtain that cover-story, the British had no choice but to sail into combat; but in so doing, they would be risking even heavier losses on top of those already sustained. In short, Her Majesty's navy sailed directly into a trap.

The events which unfolded in the South Atlantic carried strange, ironic echoes of your past. For weeks you had been hearing countless commentators referring to the British task force as an "armada". The British of all people ought to have been very uneasy with that description. The original Spanish Armada some 400 years ago was renowned as a seemingly invincible fighting force, but it came to grief in a naval disaster so complete that it changed the course of history--and it was none other than the English navy that destroyed the Spanish Armada.

The original Spanish Armada put to sea in 1588 during the reign of England's Queen Elizabeth I. The Armada was an invasion fleet carrying thousands of crack fighting men to invade England. They were met by the daring sea dogs of Sir Francis Drake. Drake and his small fast ships turned the tables on the Spanish Armada by changing the rules of battle. The English fleet was equipped with new longer-range guns, and it stayed upwind and out of reach. From there the English pounded, smashed, and shattered the big ships of the mighty Armada. When it was all over, barely half the

Spanish fleet was left to limp back to port. Drake's defeat of the Spanish Armada was a shock to the world. It opened the door for England under Queen Elizabeth I to start its expansion into a truly global empire.

Four hundred years later, history seemed to have come full circle. Queen Elizabeth II witnessed the dismantling of the world empire whose heyday began under Queen Elizabeth I, and now the cultures of England and of Spain were once again in confrontation. Once again a so-called armada was preparing for invasion, but this time the armada was British, not Spanish. Four hundred years past Sir Francis Drake was the hero of the day; today, the ghost of Francis Drake would once again be on the scene.

Please note that the South Atlantic war zone was at the eastern end of the Drake Passage around the southern tip of South America. The defeat of the Spanish Armada four centuries ago broke the back of Spain's naval supremacy, and now it appeared that the defeat of the new British armada might very well break the back of what remained of the once glorious Royal Navy.

MILITARY SECRET OF SOUTH GEORGIA ISLAND

When the Falkland Islands crisis began in early April it looked at first like a mere tempest in a little teapot. For a century and a half since 1833, the Islands had been controlled by Great Britain. During that entire time, British sovereignty over the Falklands had been disputed by Argentina. There had been countless threats by Argentina to seize the Islands, which it called the Malvinas, but the threats had always come to nothing in the past and Britain had never even gotten very concerned over them.

The Islands are four times as distant from Argentina as Cuba is from the United States, and they are not much of a prize, it would seem, under any circumstances. After over 150 years of occupancy, the Falklands are home to fewer than 2,000 British settlers and a great number of sheep and some lovely penguins. In short, the remote Falkland Islands would hardly look like something to fight over, and yet there you were watching another crisis take place. You watched as literal gun-battle war erupted between Great Britain and Argentina and further, without much more than fanfare on your news media presentations.

The Thatcher government was acting as if it had forgotten all about its usual preoccupation with the Soviet threat at NATO's doorstep. Instead, Britain was throwing almost everything it had at Argentina--aircraft carriers, cruisers, destroyers, submarines, assault ships - you name it and if they had it they used it. Luxury cruise ships were even commissioned and turned into troop carriers overnight. Wave after wave of additional assault troops were activated and sent to join the fleet even after it sailed. Ships and submarines were pulled off station from normal NATO duty and sent to reinforce the task force. The initial 40-ship force grew steadily over the ensuing weeks into an armada numbering over 70. Over two-thirds of the entire Royal Navy

was already deployed to the South Atlantic off Argentina.

As this was watched in the unfolding, a lot of people were asking: What's this fight really all about? The most popular answer suggested in the major media was "oil". Vast deposits of oil were known to exist under the continental shelf between Argentina and the Falklands (or so it was projected) and that had been espoused for well over a decade. In no way could it explain the timing of the sudden military offensive by Argentina, and oil explained even less about the Argentine seizure of South Georgia Island.

South Georgia Island is some 800 miles east of the Falklands with no known oil deposits anywhere near it; and compared to South Georgia, the Falklands are quite an island paradise. South Georgia Island is covered with rugged mountains, treacherous valleys, glaciers, and semi-permanent snow. Most of it is uninhabitable. On top of all that, Argentina had absolutely no legal or historical claim to South Georgia Island. In that respect it stood in sharp contrast to the Falklands.

In your early 1830s the Falklands were occupied for a while by Argentine colonists. In 1833 the British expelled them and took over the Islands. For that and other historical reasons, Argentina argued that the Falklands actually belonged to Argentina, not Britain.

But no such argument was possible for South Georgia Island. It was always controlled by Britain, never by Argentina or Spain. The Argentine seizure of South Georgia Island looked even more unreasonable from a military point of view. Argentina's leaders were military men and they thought in military terms and this should be a great clue to you readers. They were well aware ahead of time that far-off South Georgia Island could not possibly be held for long. By seizing it they were setting themselves up to absorb a military defeat, as the Island was retaken by Britain. So the question was: Why did Argentina's military junta bother with the seemingly worthless South Georgia Island at all?

The answers to all those questions were, of course, military, not political or economic. South Georgia Island *possesses an enormous military secret!* It is a giant underground installation buried under the mountains at the northwest end of the Island. The real reason for the so-called Falkland crisis was this secret installation, together with two other similar installations which I will also describe in a moment.

The secret military complexes had been in existence for many years; they were not new. What was new was an accelerated nuclear war timetable of the American Bolshevik war planners in Washington D.C. For the prior two months reports of details of that war plan were leaking out as quickly as they could be verified.

The plan called for NUCLEAR WAR ONE to erupt by September of the year 1982. It was that fast-approaching nuclear war threat that caused the so-called Falklands crisis to erupt when it did.

What was actually taking place was a coordinated effort to soil part of the Bolshevik grand strategy for the coming nuclear war. The mutual enemies of the American Bolsheviks in the U.S.-- namely, the Rockefeller cartel--and Russia's new rulers in the Kremlin were behind the crisis. They were trying to ruin Phase #3 of the "PROJECT Z" war plan which has since been revealed---go look it up, please.

That phase was to be world domination by the American Bolsheviks after both Russia and the United States had been destroyed in NUCLEAR WAR ONE. The key to this plan was the existence of secret weapons stockpiles in various places around the world!

The American Bolshevik military planners in America were working with other Bolshevik agents in key military positions of other countries to set off war. Having done that, they intended to ride out the nuclear holocaust they had caused, safe and cozy in Government war bunkers! When the warring nations would finally lie smoldering and exhausted, the Bolsheviks would leave the shattered remains of their host countries. They would rendezvous at the secret weapons installations and bring their weapons into the open. They would confront the world with the only remaining fresh, up-to-date powerful military force on earth; and using that military power, they would become the undisputed rulers of the world. They planned to do all that, and they planned to pave the way for world domination by setting off NUCLEAR WAR ONE within mere months of that April---remember, September!

The Rockefeller cartel and Russia's new anti-Bolshevik rulers were working together in a race against time to head off the Bolshevik war plan.

The Bolsheviks in the U.S. were already benefitting from war preparations which were started by the Rockefellers long before. It had only been about three years since the Rockefellers were dislodged as the prime movers of the United States Government by the Bolsheviks. Since that time the United States Government had been a house divided, torn by internal power struggles between rival Bolshevik and Rockefeller factions. But prior to that, the United States had been dominated for decades both economically and politically by the four Rockefeller brothers.

In 1961 the Brothers launched a new long-range plan for world domination. It was a two-pronged strategy, half visible and half secret, which has been described prior to this writing. It was a plan for the United States to arm to the teeth in secret while appearing to disarm gradually. Without repeating all the details, the basic idea was grandiose indeed, yet simple. By deliberately appearing weak, the Rockefeller-controlled United States would maneuver itself into a nuclear war with Russia. Then the secret weapons, including superweapons, would be unleashed to smash Russia and take over the world.

When they set the grand plan in motion in 1961, the Rockefeller Brothers were looking ahead to a nuclear war by the late 1970s. Their military analysts concluded

very early that the war being planned would have very different effects on the Northern and Southern Hemispheres. Both superpowers, the United States and the Soviet Union, are located well up in the Northern Hemisphere; so are the other full-fledged nuclear powers--Great Britain, France, Red China, and India. By contrast, the strategic targets for nuclear war in the Southern Hemisphere are relatively few and far between. In other words, it was expected that the coming nuclear war would be essentially a Northern Hemisphere war.

In an all-out nuclear holocaust it is known that serious radioactive fallout would gradually spread to affect even areas not initially hit by war. But there are limits to how far the war clouds can spread. It was discovered long ago that there is very little mixing between the air of the Northern and Southern Hemispheres. In the northern half of your planet, cold air from the North Pole works its way southward toward the equator, then it works its way back to the north as warm air. A mirror image of this process takes up the southern half of the planet. Northern and Southern Hemisphere air meet in the equatorial zone, but very little of the air changes places.

The military conclusion is this: The coming nuclear war could ruin vast areas of the Northern Hemisphere for generations forward; but if the calculations are correct, the Southern Hemisphere could escape virtually unaffected by the war. This was surely music to the ears of the four Rockefeller Brothers. A quick look at the globe of the world shows why this would be a reasonable calculation. The Rockefeller cartel has dominated Latin America ever since World War II. As discussed in prior publications, Nelson Rockefeller solidified the cartel grip on Latin America during the war. He accomplished this as so-called "Coordinator of Hemispheric Defense" for then-President Franklin D. Roosevelt. So that takes care of the South American continent and its natural resources.

Then let us turn to the African continent. There, too, Rockefeller control was already in effect over wide areas of Black Africa, especially south of the equator. All this was thanks to the efforts of John D. Rockefeller III, as previously detailed elsewhere.

Looking around the globe, the most important remaining land masses from the standpoint of world domination are *AUSTRALIA AND NEW ZEALAND*. Thanks to World War II, both were wide open to the Rockefellers.

The Rockefeller Brothers decided to establish secret military installations in the Southern Hemisphere for use after the coming war. By this means they expected to become the masters of the surviving southern half of planet Earth after the Northern Hemisphere gradually recovered from the nuclear holocaust, the Rockefeller empire would be able to pick up the pieces. In this way the third generation Rockefeller Brothers expected their family dynasty to inherit the Earth.

In order to control the Southern Hemisphere militarily after the war, some means would have to be available to project military power onto any land mass. For example, revolts against Rockefeller domination would require troops--not a blast from the

beam weapons on the Moon (another very interesting story).

The most critical factor for postwar military domination of the world was found to be a NAVY! A minimum of two secret naval fleets would be required--one based in the South Atlantic, the other in the South Pacific. Since the reserve naval fleets were to be kept secret until after the Northern Hemisphere nuclear war, they could not be built in existing shipyards. New construction facilities had to be built and they had to be hidden. To hide an entire shipyard is no small task; they take up a lot of space. On top of that, it was essential that the ships remain hidden after they were built. The best way to achieve that was to combine the shipyard and naval base into one over-all secret installation. Finally, the secret naval installation had to be invulnerable to nuclear attack; otherwise if its existence were ever discovered prematurely, the secret navy might be wiped out.

The combined requirements for secrecy, space, and protection against attack were formidable; but one day in 1959, while all these plans were still in the early stages of development, the answer presented itself. During a so-called banking trip to Sweden, David Rockefeller was given a tour of a unique hidden naval port. The port is hollowed out from solid granite cliffs which come right down to the water. The entrance to the port is a gigantic hole in the side of the cliff which can be sealed off with enormous steel doors. Inside this big doorway on the water a huge cavity has been hollowed out to accommodate ships.

The Rockefeller Brothers and their military advisers decided that a bigger, more secret, better protected version of the Swedish hidden port was just what they wanted. A survey of candidate sites was then initiated. The site survey covered coastal areas throughout the Southern Hemisphere. Many areas were rejected very quickly because the topography was wrong. Other areas were rejected because they were too close to the equator. Still others had to be ruled out because there were too many people living nearby, making the desired level of secrecy impossible. Finally, it was essential that the sites chosen for the secret naval installations be totally secure politically.

At last the sites for the secret naval installations were selected. In the South Pacific extreme southern New Zealand was selected. New Zealand would be extremely important during a coming war.

In order to obtain the necessary space, the secret New Zealand naval installation had to be divided up into two sites located close together. One is at the extreme southwest tip of South Island where the mountain range known as the Southern Alps comes down virtually to the water's edge. The other part of the installation is built into the northwest tip of Stewart island, which is off the tip of South Island. The Stewart Uskabd facility is hollowed out within a rise known as Mt. Anglem.

The New Zealand location met all the requirements. Ever since World War II the government of New Zealand has been tied even closer to the United States than to Great Britain. The location is far from the equator, and the installations are buried deep

under mountains, protected from nuclear attack. They are also too deep to be reached by particle-beam attacks, and the New Zealand site is well situated to command the entire South Pacific.

In the South Atlantic an even more perfect site was found. That site, my friends, is South Georgia Island. It is located perfectly for naval domination of the entire South Atlantic. The tall rugged mountains provided a perfect location for the secret installation at the northwest tip of the 100-mile long island. It is controlled by Great Britain whose government, like that of New Zealand, was willing to cooperate; and South Georgia Island was virtually uninhabited except for a whaling station on the northeast coast. The whaling station was some 50 miles away from the secret new installation which was being built, but Britain took no chances. In 1965 the whaling station was closed down. Since that time there have been no inhabitants on South Georgia Island except for a few dozen alleged Antarctic scientists.

Construction of the secret naval facilities--two in New Zealand, one on South Georgia Island--began in the early 1960s. The techniques were adapted from those used previously to build other large underground facilities, such as the NORAD installation inside Cheyenne Mountain, Colorado (there are others well protected underground but we shall not go into those presently). However, these installations and techniques were adapted in radically new ways to achieve construction access directly from the sea instead of overland. In this way, the sheltering mountain was left undisturbed in appearance both during and after construction.

The cuts in the mountain side which were necessary to let ships in and out were kept as small as possible and were well camouflaged. Like the Swedish hidden naval port arrangement, the entrances to the secret installations can be sealed. When sealed, the entrance is virtually impossible to detect unless you know exactly where it is; and unlike most large construction projects, there are no tailing or piles of leftover rock lying round to attract undue attention. The man-made caverns which house the secret naval installations are enormous, but all the rock and debris was disposed of at sea.

Once the secret naval facilities were built, they had to be outfitted for ship construction and dockside storage. The fake disarmament of the United States during the 1960's contributed greatly to this task. From 1961 to 1968 one man played a pivotal role in this elaborate Rockefeller scheme. He was then-Secretary of Defense Robert McNamara. All through the 1960's McNamara presided over the public paring back of America's visible military power. This included the closing down and dismantling of entire shipyards. What you were not told was where all that shipyard equipment went afterwards. Where it went, my friends, was to the new secret installations which were being outfitted in New Zealand and South Georgia Island!

The secret naval installations have been used as duplication facilities to reproduce certain ships and submarines designed and built here in the United States. As Defense Secretary Caspar Weinberger told Congress, "It is cheaper to build two ships at a time." That is most especially true if the second ship is an exact duplicate of the first.

This has become even more true in recent years through the use of computerized manufacturing techniques.

The secret naval fleets which have been built at the secret installations are made up of duplicates--EXACT DUPLICATES of certain other ships and submarines. They are all nuclear powered--nuclear "subs"; nuclear cruisers; nuclear destroyers; and yes, nuclear aircraft carriers, at least three of them. A secret twin was built for the U.S.S. Nimitz, for the U.S.S. Eisenhower, and for the U.S.S. Carl Vincent. All have been financed through the gigantic cost overruns, so called, that you constantly hear about in the Defense Department and can't find anything about due to above top secret designations; all three carriers have been provided with a full complement of aircraft whose manufacture was financed in the same manner.

The ships of the secret American Bolshevick naval fleets are all duplicates of other nuclear-powered vessels. Even so, the secret naval ships possess one key difference.

The so-called "Stealth Program" may not be too effective with the planes, etc., you have been allowed to witness but, oh my, lots of interesting things go on with things you aren't given to witness.

There was developed a type of electromagnetic invisibility shielding. This technique makes an object invisible from a distance by distorting light waves in its vicinity.

A whole new fleet of Phantom warplanes went into crash production under a top secret shield. They utilize this principle; and all of the secret American Bolshevick navy ships have already been outfitted with similar Stealth-field equipment! The Stealth principle is actually easier to apply to ships than to airplanes because there is more room for the powerful equipment that generates the force field.

After NUCLEAR WAR ONE, the secret Stealth navy of the American Bolshevicks would be light years ahead of any other navy left on earth. It would be perfect for the intended role of world domination. The Rockefellers set it all in motion long ago--but about 1979 they lost control of the United States Military. Now it is the American Bolshevicks who are in control, and they are most surely bent straight ahead on war.

Now don't go about forgetting about the Nazi war machine also in the Antarctic---isn't this just about as much intrigue as you can take at one sitting?

No, Mr. Cooper and now, Dr. Sutton--I hardly think secrets from your '40's is very interesting any longer, nor is there one whit of basis to believe "little gray men aliens from space" are going to dominate and enslave your planet. YOU ONES HAD BETTER OPEN YOUR EYES AND LOOK AROUND--YOU ARE MOVING DIRECTLY TO DOOMSDAY AND IT IS ALL PLANNED AND PERFECTLY ORCHESTRATED AND HAS NAUGHT TO DO WITH LITTLE GRAY MEN FROM SPACE!

WHY DO YOU, MR. COOPER, CONTINUE TO BADGER AND DERIDE THIS SCRIBE?? COULD IT BE YOU ARE HIDING EVEN MORE IMPORTANT DATA FROM YOUR BROTHERS UNDER THE GUISE OF DOING THIS "ENLIGHTENING" WHICH YOU ARE ABOUT IN THE NAME OF YOUR RELATIONSHIP WITH CHRIST JESUS AND YOUR CONSCIENCE?

DR. SUTTON, I WOULD INQUIRE OF YOU AS TO JUST WHAT VALUE YOU MIGHT ACTUALLY BELIEVE A WRITTEN AFFIDAVIT FROM ANYONE MIGHT PROVE?? THIS IS MOST SERIOUS CIRCUMSTANCES INDEED AND UNLESS THE GAMES STOP AMONG YOU THE PEOPLE, YOU ARE MOVING INTO CRITICAL EXPERIENCES OF ACTUAL LIFE AND DEATH. FEARMONGERING ON HATONN'S PART--FOR THE SAKE OF GOD AND MAN, SHOULDN'T YOU BE CONCERNED?

Others who have dared bring you truth have been murdered and this scribe has had attempt after attempt made on her life--do you never weary of protecting the evil among you? Do you actually enjoy being totally lost in the lies? If so, then why do you continue to blame God for your plight and ask for insight, if you continue to fail to utilize it or recognize of it?

You want documentation of the MJ-12 material--ask anyone in the metaphysical community or UFO chasers. It is commonly circulated about your placement--it does not make of it valid!

And further, to have little alien faces all over your TV would mean not one iota of anything. I could stand in full nine and a half foot format right in front of you and you would still consider it a ploy and trick. I certainly wish all of you well, for you are going to need those good wishes if you don't pay attention soon.

Dharma, allow us a rest break please. I, too, often wonder if the effort is worth the time spent in writing it for you ones. But the facts are: GOD HAS PROMISED THAT THE WORD SHALL GO FORTH BEFORE THE FINAL CURTAIN FALLS AND THEREFORE, WE SHALL FULFILL OUR MISSION AND MAKE IT AVAILABLE UNTO YOU. WHAT YOU DO WITH IT IS STILL AND FOREVER-MORE UP TO YOU. SALU, SALU AND SALU. MAY THE GOD OF THE UNIVERSE OPEN THINE EYES AND EARS. SO BE IT.

Hatonn, in service of the Radiant Master, to stand-by status. Rest, Dharma, for our work is long indeed. Adonai, chela, and thank you. Do not allow the oppression to rest heavy upon thee for thine is the legacy of the eons--not a brief moment of physical timing. Ye ones keep very close unto God and ye shall be safe. We can seal our plasmic shields far more effectively than can the Earth human pierce them. So be it and Selah.

Out. Thank you for your attention. We shall resume with further discussion regarding the above matters.

SECRET NAVAL WAR OF THE SOUTHERN

HEMISPHERE

As we move along and to make things clear, we shall discuss the referred to "PROJECT Z" I mentioned in the previous chapter. It is the new Bolshevik three-phase strategy for NUCLEAR WAR ONE. However, since it didn't come off on schedule I feel we will not be misleading if we stick with references to the area of the Antarctic. The most skeletons to arise from the dead to getcha are all parading around "under" and "within" the Southern Hemisphere and that, after all, was the subject of this Journal. I do have trouble keeping to one subject for all facets are so intertwined.

The plan in 1982 was that of an elite group of American Bolshevik military planners by which the U.S. would strike the first nuclear blow, followed by all-out thermonuclear war with Russia.

After having set off the holocaust, the Bolsheviks in the U.S. and in certain other countries planned to ride it out safely in comfortable war bunkers already in place and well stocked with luxuries. Finally, after NUCLEAR WAR ONE fizzled out in stalemate, they planned to leave behind the ashes of the U.S. and her allies. Activating Phase #3 of their grand strategy, they planned to unveil their secret weapons, especially their secret naval fleets. With these they planned to conquer and rule what would be left of the world. The United States as you know it would be long dead and gone; but in the eyes of the Bolsheviks themselves, this outcome would constitute victory for many reasons.

Up to April of 1982 the nuclear war timetable was still on track.

They were still shooting for nuclear war to begin by September of that year. Actually this continued right to the date set of September 17, 1982.

What saved you is that the Bolsheviks were running as fast as they could toward war; but, the Bolsheviks are not the only runners in the race. They have two deadly enemies, both of whom are equally determined to trip up the Bolsheviks. One enemy of the Bolsheviks in the U.S. is the Rockefeller cartel; the other enemy is the new anti-Bolsheviks ruling class in Russia: and now these two mutual enemies of the Bolsheviks are pooling their efforts in certain ways.

The new anti-Bolshevik coalition is now much more firmly established but in 1982 it was still quite new and was working between the Rockefeller cartel and the Russians. The January 26, 1982 meeting between Haig and Gromyko in Geneva, Switzerland, was a turning point in the formation of this coalition. It is now a reality, and is responsible for the so-called "Falkland crisis" which dominated the headlines in April and May of that year. It should be emphasized that the new relationship between the Rockefeller cartel and Russia fell far short of a true alliance, at least at that time. They have very major disputes to be settled between them, but they called a truce between themselves to deal with the mutual deadly enemy--the Bolsheviks in America.

The first priority of the Russians and the Rockefellers is to slow down the Bolshevik preparations for imminent nuclear war. If they could do that, time would be on the side of the Rockefeller cartel in certain political movements. A slow-down in the nuclear war timetable will also give more breathing space for additional anti-Bolshevik actions to be implemented.

The joint Rockefeller-Russian planners decided by mid-February of 1982 that military action against the Bolsheviks was essential very quickly. No other type of action had any hope of taking effect fast enough to prevent nuclear War by the end of the summer.

The exact details of the "PROJECT Z" war plan were not known to either the Rockefellers or the Russians, but the general outlines were known-to be pretty well outlined and set-up.

It was decided that military action should be devised that would undermine Phase #3 of the Bolshevik war plan--that is, the Bolshevik-controlled secret naval installations and fleets in the Southern Hemisphere should be attacked and crippled. By working together, the Rockefeller cartel and the Russians were able to devise an attack plan which neither could have carried out alone. The Rockefeller group, who built and originally controlled these bases, provided detailed intelligence about the best way to attack them. The Russians with their enormous military machine provided the muscle to actually carry out the attack.

It was essential to devise a scheme that would enable both secret fleets in the South Atlantic and South Pacific to be attacked. Survival intact of either fleet would leave the Bolshevik war plan still workable.

Military analysts concluded very quickly that a direct assault on the New Zealand facilities was out of the question. There was no combination of commandos, frogmen, or other military force which could possibly keep an attack secret from the outside world. Any attack on the New Zealand bases would set off the very war which the Rockefellers and Russians wanted to prevent.

But the situation in the South Atlantic was a different matter. In a way, the greatest asset of South Georgia Island was also its Achilles' heel. The extreme isolation which

protected the secrecy of the South Georgia base also made a covert military assault feasible. The key lay with Argentina and her long-standing claims to the Falkland Islands.

THE FALKLAND ISLAND WAR

The Rockefeller cartel had dominated all of Latin America for decades. Cartel operatives were sent to Argentina to work out a deal with the government military junta there. The historic dispute over the Falkland Islands was to be used to provide a ruse, a military cover, to enable the South Georgia base to be attacked. The Argentine generals were not told everything about the situation by any means, but they were told enough to make clear what they were to do.

As an inducement to cooperate, the Argentine leaders were promised handsome rewards. They were guaranteed that after the shooting was over, the Falkland Islands would remain in Argentine hands. This guarantee included the promise of covert military assistance as needed against the Royal Navy. And, to bolster the troubled Argentine economy, it was promised that the Rockefeller cartel would help develop the immense offshore oil reserves. With those combined promises of military glory and financial rewards, the Argentine military junta agreed to the plan.

So, backing up to March 19th Argentina carried out Act One in the joint attack plan. A group of Argentine scrap-metal merchants, of all things, landed at the abandoned old whaling station on South Georgia Island. Supposedly they were there to dismantle the old buildings and carry them off to sell. While they were at it they also raised the Argentine flag over the work-site. The British, always nervous about South Georgia Island, promptly reacted exactly as expected. The British Antarctic survey ship "Endurance" put 22 Marines ashore to clear up that little misunderstanding.

They drove off the scrap merchants and promptly tore down the Argentine flag. The incident provided the exact desired excuse for the Argentine Junta to bring the simmering 150-year-old Falklands dispute to a boil. From time to time in the past, Argentina claimed that South Georgia was part of the Falklands because it is administered that way by Britain. That argument was very flimsy but it then came in most handy indeed. It was nothing new to hear that claim from Argentine leaders, so there was no hint of what was really afoot.

During late March, Argentine military forces started assembling for an assault on the Falklands. The British command thought there was nothing new for Argentina had carried out threatening maneuvers in the past many times. It was believed that they were about to do it again; but on April 2 Argentine forces did the unexpected. After many past false alarms, this time they actually invaded and seized the Islands. All Argentine public statements emphasized the long-standing historical claims to the Falklands themselves; but just for good measure, the next day a small Argentine force also seized far-off South Georgia Island. The force was so small that it gave the appearance initially that it was just a side show from Argentina's point of view;

however, the small contingent of 22 Royal Marines were overpowered and bundled off the Island along with a group of 13 alleged scientists. That was a moment of pay-off in the joint Rockefeller-Russian attack plan.

"SPUDDING IN"

Thanks to the elaborate distraction staged by the Argentine forces; a special commando team got onto the Island totally undetected. Based on the detailed Rockefeller information about the base, the team moved to the location on the mountain directly above the cavernous secret base. Special high-speed drilling equipment was set up by the Rockefeller members of the team while the Russian members concentrated on military defense. By late that same evening, April 3, the military high command in London finally learned what was really taking place. The secret South Georgia base was under attack by virtually the only means possible. The joint Rockefeller-Russian team were drilling a shaft down through the mountain toward their hollowed out cavern inside. It was only a matter of time until their drill would break through the ceiling of the giant hidden naval base. Once the hole was made, the next step was obvious. The Rockefeller-Russian team would put a weapon of some kind through the hole. The best guess was that it would be probably nerve gas---it just doesn't pay to "guess".

The shock waves that went through the highest levels of British government on the evening of April 3 can hardly be described. The Thatcher government, like the so-called Reagan Administration in America, is Bolshevik controlled. Well, the Russians told you they would rule the world and it might very well be done without firing a shot!

That was why Margaret Thatcher always said, "Me, too" any time the Reagan Administration said it would do anything to Russia. Please note that it hasn't changed very much. What of the Stinger missile "sting" in Florida and the "I agree and support the U.S." in Panama this past December? Both governments are party to the secret nuclear war plan in complete betrayal of the people of their respective countries, and on the evening of April 3 they suddenly discovered that their precious war plan was in deep, deep yogurt, I believe you call it--amongst other terms.

Immediately the Thatcher government started assembling a naval armada to sail for the South Atlantic. Haste was their order of the day. The drilling on South Georgia Island was proceeding around the clock. The best estimates were that the drilling would break through into the roof of the naval base in about three weeks, on or about April 24--but it is a very long drive from England to Antarctica on the best of ships. If help did not reach South Georgia by then, the secret installation might be doomed. The forces stationed at the installation itself were unable to defend themselves under the circumstances. Their mighty naval ships were ships in a bottle. They did not dare open the bottle to sail out and fight because the Russian commandos were armed with far superior technical and nuclear weapons. (Who do you think might be the closest allies to the Nazi undercover workers?) We are talking about ones who do not care greatly

for the Jewish element, much less the Zionist affiliated Jews. To open the blast-proof entrance doors would be suicide.

On April 5, just two days after South Georgia Island was seized, some 40 naval ships began moving out of British ports. The same day Lord Carrington was sacked as Foreign Minister. He was forced to resign because he had assisted the Rockefeller attack plan by downplaying the Argentine attack preparations. Even the evil don't have any way to count on their own.

That same day, April 5, New Zealand, the home of the other secret naval fleet, broke diplomatic relations with Argentina. The two hidden New Zealand facilities had been placed on "Red Alert" (no pun intended). As a precautionary measure, all submarines at the twin base were ordered to sea. Several surface ships were already at sea undergoing "sea trials", but that still left seven major ships inside the hidden twin naval base including one of the nuclear aircraft carriers.

On that busy day of April 5, Argentina's Foreign Minister, Costa Mendez, was at the United Nations in New York. Come on readers, go look it all up in the records--don't just stand off and accuse me of insanity--go look and find for yourselves.

Mendez was alarmed by the deployment of such a large part of the Royal Navy. Costa Mendez hurried to Washington to seek reassurances from certain U.S. officials. Of course he got them!

For the next two weeks or so the news was filled with stories about the allegedly slow movement of the British fleet while negotiations went on. That was only a cover story. The Royal Navy was actually joining up and paddling as rapidly as possible toward South Georgia Island. If the task force arrived in time to save the secret base, a major battle was likely. The official stories about "slow movement" of the British armada were intended to give a cushion of time for that battle. If need be, the fleet would have several days to retake South Georgia Island, then it could move on to arrive near the Falklands on the announced schedule. In that way the crucial importance of South Georgia Island would be hidden and the big secret preserved.

It was initially expected that advance elements of the British fleet would reach the vicinity of South Georgia Island within two weeks. That would have been soon enough to attack the joint Rockefeller-Russian commando team and stop the drilling before it was completed. But Russian Cosmospheres and submarines made a shambles of the plan.

A KEY SHIP DESTROYED

Key advance elements of the South Georgia attack contingency left Ascension Island early April 14, two days before it was announced officially. Shortly after they did so, they ran into trouble. Russian Cosmospheres and attack submarines closed in on a single ship which was critical to the planned counterassault on South Georgia Island.

The Cosmospheres bombarded the bridge and combat information center of the ship with neutron radiation. In moments the ship was without any command, its communications and radar silenced. Then a Russian "sub" closed in and quickly finished off this key British ship with torpedoes. It broke apart with secondary explosions and sank rapidly. So far as was known, there were no survivors.

That unexpected shock in the mid-Atlantic produced two results, both very important: First, it caused a slowdown in the race toward the South Atlantic by the British armada. The task force had to be regrouped into a configuration better suited for an enroute defense, but that cost valuable time. Public announcements from London about the progress of the fleet reflected the slowdown. The timetable for arrival on battle stations near the Falklands started stretching out longer and longer. All this bought extra time for the joint commando team on South Georgia Island. And so the drilling continued.

The other result of the sinking was equally important. Word was flashed to the South Pacific Stealth navy to prepare for possible action. It was obvious that the Russian Navy was getting involved in the Atlantic, which meant that the Royal Navy could be in big trouble. During the dead of night, early April 15, the seven Stealth ships put to sea from their twin secret bases in southern New Zealand. They deployed to a secret operational headquarters area in the Antipodes Islands, 450 miles southeast of New Zealand. Their electromagnetic shields were operating to provide protection from attack. These shields make it impossible to communicate with the outside world or even to see it. But once they arrived at the Antipodes, the Stealth ships hooked up to buoys equipped with shielded communication cables to the Island headquarters. The Island headquarters, in turn, was in constant touch with the South Georgia base by way of a transoceanic cable around the tip of South America. The deployment of the available ships of the South Pacific Stealth fleet was exactly what the joint Rockefeller-Russian planners had hoped for. The ships had been flushed out from their essentially invulnerable hiding place in New Zealand!

The British ship's sinking of April 14 was also followed by other events. On April 15 the Argentine Navy started moving out of port. The same day, Alexander Haig arrived again in Buenos Aires. Supposedly he was there as a diplomat, but in reality he was there as a General, dealing with Generals. Haig was the top Governmental operative of the Rockefeller cartel. He was making sure that the Argentines did not get cold feet and back down at that critical moment. Four days later, April 19, Haig left for Washington. As he boarded his plane, Haig somberly told reporters, "Time is running out." And so it was, my friends, for the secret South Georgia base. We shall also have a lot more to say about General Haig in future writings.

NOT EXACTLY A DRY HOLE

The very next day, April 20, the drill broke through into the hollowed-out cavern of the naval base. Bolshevik military analysts in London had not expected that it could be completed until at least the following weekend. The British fleet was still out of range.

THE WEAPON WHICH THE COMMANDO TEAM INSERTED DOWN THROUGH THE LONG HOLE WAS A *SMALL, COMPACT RUSSIAN NEUTRON BOMB*. When it was detonated inside the confines of the huge artificial cave, the effects were, of course, totally devastating. The intense radiation instantly killed everyone inside the base. Also the heat and blast effects of the bomb are believed to have damaged all of the ships inside sufficiently to badly disable them.

Meanwhile, Russian Cosmospheres and submarines were converging on the Stealth ships which were near the Antipodes Islands awaiting orders. From a distance, the ships were invisible to the eye due to their protective shields, which also protect against beam-weapon attack; but they were sitting ducks for the tactics which the Russians employed.

THE COUP-DE-GRACE

Floating overhead, the Cosmospheres located the seven ships using their Psychoenergetic Range-Finding equipment known as PRF. There is no method known by which PRF can be jammed. The Cosmospheres radioed the exact locations of the ships to the attack submarines. The "subs" were armed with special non-homing, non-nuclear torpedoes designed to explode on impact. More sophisticated torpedos would have been thrown off course or detonated prematurely by the protective shield of each ship; but these simple torpedoes just cruise right through each invisibility field to strike the ship and explode. Within 15 minutes after the attack began, all seven Bolshevik Stealth ships were on their way to the bottom, and with them went their Bolshevik Commanders and mercenary crews collected from around the world.

The South Pacific action took place just after sunset local time. The time in Washington was around 2:00 P.M. April 23. That evening Secretary of State Haig was seen briefly in public with the new British Foreign Minister, Francis Pym. Pym was wearing the typical artificial pseudo-smile which diplomats are taught always to display in public. But not Haig. Haig was grinning from ear to ear, and no wonder. The joint Rockefeller-Russian military operation had been a brilliant success. The secret Bolshevik South Atlantic fleet had been virtually wiped out, bottled up inside South Georgia Island; and the South Pacific fleet, while not totally wiped out, had been badly crippled. By working together, the Rockefeller cartel and the Russians had won the secret naval war of the Southern Hemisphere.

Dharma, you are too fatigued to continue today so let us leave this for now. We will discuss the ensuing Rockefeller fear campaign against nuclear war when we resume. Thank you for your service and blessings unto you dear ones. Rest well and we shall resume tomorrow morning. Good evening.

Hatonn to clear frequency, please. Adonai and I salute you of my command.

CHAPTER 15

REC #1 HATONN

SUNDAY, APR. 1, 1990 7:30 A.M. YEAR 3 DAY 228

Hatonn present in the Light of the Radiant One. May we please continue on our work. I would request that this book be finished and ready for printing by mid-month. It is better to update the material in additional Journals than to either overlook by quantity or allow to lag in current information. These Journals, at this time, are mostly for integration and insight into that which is known. We are setting the record straight regarding Space Command and participation within your atmosphere and disqualifying those stories which are in error regarding Space Brothers. It is necessary that the Journals get out rapidly for efforts are strengthening to stop Dharma. After the facts are integrated to great extent then we can give her a bit of rest. We must, however, show you ones that your dangers are not from Space Aliens but most surely from two or three major elements on your own planet.

No, it is not pretty and it is all but impossible for that such mammoth secrets could be kept from you; however, just as with the death camps of the Allies (specifically the U.S.) after W.W.II, we believe it will begin to soak through to ones that the truth is far stranger than any of your surface lies. It is indeed easy to cover up any action if your media is totally controlled as is yours.

We will honor all the brave and daring ones who have brought forth information and have been "taken out" because of it. At this time, however, we honor them but protect them for these are indeed recent events and families are at risk. May you the public respect and honor those ones for they gave their very lives for your freedom. Thank you.

Let us continue with the wrap-up of the Falkland Islands war and discuss the ensuing Rockefeller fear campaign against nuclear war.

CAMPAIGN AGAINST NUCLEAR WAR BY THE ROCKEFELLER CARTEL

At the point of June, 1982 it would appear that war of a major size was about to break out in the Southern Hemisphere, but the real war in the Southern Hemisphere was already over. What you witnessed was the beginning of its bloody aftermath. That aftermath was the battle for the Falkland Islands. They had been promised to Argentina as a reward for her role in the secret war.

As things were happening in the Antarctic area the Bolsheviks were in Washington D.C. pressing for a public announcement that the U.S. would side with Britain. As soon as that would take place, military action would heat up quickly around the Falkland Islands. Britain had no choice but to fight. She had already suffered

casualties which could not be explained without a public battle; but by fighting, the Bolsheviks in Britain were running the risk of a humiliating and tragic defeat for the Royal Navy.

Meanwhile "back at the ranch", the Rockefeller strategists in the U.S. were concentrating on a fast-building, anti-nuclear-war campaign. On all sides you were hearing about the so-called "nuclear freeze movement". There were documentaries, articles, publicity of all kinds to sensitize you to the terrors of nuclear war. There were even referenda popping up on election ballots dealing with the nuclear war issue. Medical doctors were banding together to warn the public about what would happen if there would be a nuclear war.

You were being told that all this was just popping up spontaneously. You were then into 37 years of the nuclear age and nothing like that had ever gained so much momentum before, yet you were supposed to believe that millions of Americans had spontaneously gotten the same ideas at the same time. If you believe that, my friends, I give up! Movements like that never, NEVER, develop without leadership, organization, and money--PLENTY OF MONEY! But can you see a bit further now? If you can pick up the momentum now you can make great changes to care for your population. Truth and knowledge can most surely preserve what freedom is left to you and bring you into a safety survival mode. Ponder it as we continue.

What you were watching at that time was the Rockefeller public relations machine at work. The Rockefeller cartel could not afford to let a nuclear war take place. If it did, they would lose everything because they were not in a position to control it. Instead, the deadly enemies of the Rockefeller cartel, the Bolsheviks in the U.S., would win out if there was a war; and so the Rockefeller faction was then doing everything in its power to prevent a nuclear war.

Therefore, the then present anti-nuclear-war orientation of the Rockefeller cartel created certain temporary common interests between them and Russia; but as Russia's new rulers knew very well, this did not spring from any great moral perspective on the part of the Rockefeller group. It was a purely practical necessity.

The Russians regarded the United States as a house divided, and they were exploiting that division by working in a careful way with the Rockefellers. Their first priority was to rid the world of the deadly Bolshevik menace of all-out, even suicidal, nuclear war; but once that was done, they knew that there would be a day of reckoning with the Rockefeller cartel some day. And, brothers, you are seeing it coming down in Europe this very day!

The Rockefeller group was working toward a definite objective with their new anti-nuclear-war propaganda. That objective was renewed power--and power that moves them closer to their old dream of World Government. The Bolsheviks in the U.S. had unwittingly provided fertile ground for the powerful new Rockefeller anti-war campaign. Under Bolshevik control, the so-called Reagan Administration had become

so hawkish that it was scaring people. The Rockefeller anti-war campaign was designed to capitalize on that latent fear as a tool of power.

The smell of war was in the air. The Falklands crisis was helping to make that more intense. The Rockefeller propaganda machine was paving the way for the argument that surrender of sovereignty was the only way to avoid war. A new super-United Nations of sorts was put into the works to fill the bill. It would have teeth! As then envisioned, the new organization would be based in Geneva, Switzerland. The working name would be "World Nonproliferation Council". The plan was to bring it into being as the outgrowth of nuclear nonproliferation treaties, but its true purpose would be to use fear--the fear of war--to control you all.

SUMMARY

The Falkland Islands crisis erupted because of secret Bolshevik-controlled naval installations in the Southern Hemisphere. Those were attacked by joint action of the Rockefeller cartel and the Russians in an attempt to slow down the nuclear-war timetable. The attacks were successful, but the results are still not totally conclusive. It did not go as expected because General Haig was fired and the planned nuclear war was averted by simply bringing the truth to public attention and the perpetrators feared mass rioting from you the people. *PUBLIC KNOWLEDGE, TRUTH AND REFUSAL TO ACCEPT THESE KINDS OF ACTION CARRY A MAGNIFICENT IMPACT FOR THE ELITE ARE NOT READY TO DEFEND AGAINST "YOU THE PEOPLE" IN THEIR OWN DOORYARDS. YET! WHEN THEY CONFISCATE ALL YOUR DEFENSE WEAPONS, I.E.--GUNS--THEN THEY WILL DO AS THEY PLEASE AND YOU CAN DO NOTHING ABOUT IT! OPEN YOUR EYES AND SEE THE WRITING ON THE WALL. SO BE IT.*

Britain's Royal Navy took a tremendous bombardment in that "little" war. No reports were given as to that fact, but the return to England was delayed just to patch and repair sufficiently to keep the secret closeted.

Two major factions were struggling for control over your United States--the Rockefeller cartel and the Bolsheviks. They differ in style but both seek to control you through fear. If you are ever to rise above their trickery, it must be through the power of our Lord Jesus Christ, your only hope. As the recognized scriptures pronounce unto you, your Lord ". . .has not given us the spirit of fear; but of power, and of love, and of a sound mind." You must learn to wage peace. For your Lord declared long, long ago, 'Blessed are the peacemakers: for they shall be called the sons of God.' Peace can only be found through the knowledge of TRUTH THROUGH THE WORD! THE FIRST IDENTIFICATION OF GOD WAS GIVEN RIGHT OFF THE BAT--"I AM THE WORD"! FURTHER, IN REVELATIONS: *"THEN I SAW HEAVEN OPENED AND A WHITE HORSE STANDING THERE; AND THE ONE SITTING ON THE HORSE WAS NAMED 'FAITHFUL AND TRUE'--THE ONE WHO JUSTLY PUNISHES AND MAKES WAR. HIS EYES WERE LIKE FLAMES, AND ON HIS HEAD WERE MANY CROWNS. A NAME WAS WRITTEN ON HIS FOREHEAD AND*

ONLY HE KNEW ITS MEANING. HE WAS CLOTHED IN GARMENTS DIPPED IN BLOOD, AND HIS TITLE WAS THE WORD OF GOD. THE ARMIES OF HEAVEN, DRESSED IN FINEST LINEN, WHITE AND CLEAN, FOLLOWED HIM ON WHITE HORSES -- (AND SILVER CLOUDS)!!!!!!!!!!

Dharma, let us close this portion for I believe we have begun the cycle of curiosity whereby ones will seek and see. The details of THE PLAN will be forthcoming but man must first be ready to hear.

I will add a postscript to this Journal for I wish ones to realize that since our projection of the war crimes by the U.S., OTHER LOSSES and prior books such as UFO's, NAZI SECRET WEAPON? There has been a tremendous flood of eye-witnesses coming from the hiding places to confirm as eye-witnesses to the truth of our writings. Bless them for they are precious unto God for their stand for truth and their fellow-man!

The postscript will only detail the last item sent unto your attention: from THE SPOTLIGHT. Thank you for this document and we reprint it here in honor of their daring stand. That "paper" dared to comment on the book OTHER LOSSES and now dares to print other stories. The headlines of the issue to which we refer reads: CIA & MOB TIED TO THRIFT MESS, Immense Scandal Unfolding! Yes, we will comment on that and further, we will honor and back the truth bringers immediately and all the way! So be it and Selah!

Let us close of this document for we have reached a breaking point in the prior story but we shall now continue with one volume upon another as we lay out the current connections supported by the historical. Thank you for your attention and God be with you as you become PEOPLE OF THE TRUTH instead of PEOPLE OF THE LIE!
AMEN.

WAR CRIMES BY U.S. CONFIRMED

EYEWITNESS REPORT ON IKE'S DEATH CAMPS: Honor to THE SPOTLIGHT writer, Mike Blair.

Since Canadian author James Bacque's blockbuster book OTHER LOSSES has been published in Canada and West Germany (after being turned down by at least 30 U.S. publishers), both German and American eyewitnesses have come forward confirming the book's grisly details.

OTHER LOSSES is a highly authoritative and well-documented account of the deliberate murder by starvation, disease and exposure of some 1 million German POWs at the close of World War II at the direction of the supreme Allied commander in Europe, Gen. Dwight David Eisenhower.

The title of the book was taken from a file, "Headquarters/U.S. Forces/European Theater/G-1 Division," culled from the U.S. National Archives in Washington by Bacque. German POWs, including old men and boys in their early teens, who had died in American POW camps, were listed as "other losses".

Bacque, whose book is creating a sensation in the United States despite the author's failure to find a publisher in this country to print it, recently stated that "over 1,000 survivors of those death camps" have written to him confirming the book's revelations about the heinous Eisenhower-directed death camps.

(Hatonn: Our publisher is in touch with the author, etc. of this daring book and it will be brought forth also through this source. It can also be gotten presently from THE SPOTLIGHT who dares to offer it in the face of the direct threats--and you thought Salmon Rushdie had problems from the Iranians! Yes, dear ones, right here in your U.S.A. threats and active attempts to stop Dharma are constant. PLEASE open of thine eyes and ears--you dear ones are in tremendous trouble.)

Continue quote: In addition, following the Spotlight's reports concerning Bacque's findings (SPOTLIGHT, Feb. 12 and others) and an interview with the author on Tom Valentine's *Radio Free America* nightly talk show on January 11, more witnesses to the atrocities have come forward.

(Hatonn: I sincerely hope that all you readers remember that an entire Radio Talk Show out of Las Vegas was devoted to attempting to wipe out The Phoenix Journals as the "biggest hoax of all times". Would it not appear that such attack must indicate a very large secret cover-up which we are greatly hurting? Pray constantly, please, for the daring humans who walk in constant

danger to bring this information unto you the people who are about to lose your very lives through the most heinous plans on your planet.)

Continue quote: HORRIBLE ODOR: "I smelled the place two or three miles before I got there," is how Ben H. Jackson of St. Clair, Missouri, described one of the camps he visited along the Rhine River near Koblenz.

"We were not supposed to keep diaries," Jackson, who was a member of a U.S. P-47 fighter-bomber group, told THE SPOTLIGHT, "so I am uncertain about the date . . . early in 1945 . . . but I was told that I could go to see some executions. I didn't care for that, but I went to the barb-wire enclosure with the prisoners standing around some bonfires, in the mud.

"It was cold and misty, and I saw nothing in the way of shelter but assumed that this was a very temporary arrangement. Hearsay was that there were 80,000 POWs, also that 30 to 40 were dying each day, which didn't seem unreasonable considering their numbers."

Former U.S. Army 2nd Lt. Arthur W. Von Fange, now of Syracuse, Indiana, related to THE SPOTLIGHT a terrible account of encountering about a dozen locked railroad cars, each built for eight horses or 40 men, that were parked at a siding near the city of Remagen, site of the famous bridge over the Rhine River that was captured by U.S. forces in early March, 1945.

FILLED WITH POWS: From shouts and cries coming from the cars, which were sealed off by barbwire and guarded by U.S. troops. Von Fange is certain that the railroad cars were filled with German POWs being transported to some camp.

Meanwhile they were kept locked in the cars at the siding, the sun beating down on the roofs. They were given neither food nor water. They were at the siding, Von Fange explained, for "several days".

U.S. officials in the area claimed that the cars contained riotous Black Senegalese troops, who had been fighting the Germans while allied with French troops. However, Von Fange stated that this was "just a cover story".

GERMAN SURVIVORS: Some of the reports now surfacing from German survivors of the death camps add further evidence to support Bacque's gruesome findings.

Here are some examples: "I, too, was in one of those massive camps on the Rhine, in Ludwigshafen Rheingoenheim, from late April to early June, 1945," Heinz Merkel, now of Gaggenau, Baden Wuerttemberg, explained. "I can confirm everything that was told about the camp. I wondered at the time why food was not being provided at all. But I never dreamed that there was a

deliberate effort being made to that end at the top.

"I am sadly disillusioned. For me, who was 18 years of age at the time, my world collapsed since I had been brought up in an anti-Nazi spirit, and for that reason had completely different expectations from the other side."

Albrecht Henke of Lueneburg, Niedersachsen, stated: "I was also one of the countless thousands of German prisoners in the Kreuznach camp. It was the most horrible time of my life. One day a kind, small girl came up to the fence of the camp with a basket of potatoes for the prisoners. The guard came down from his tower and took the basket.

"Grinning widely, he threw the potatoes into a large latrine and reveled to see how the prisoners, who were half-crazed from lack of food, fished the potatoes out of the _____.

"Many found a hideous death losing their balance and falling into the trench out of weakness while defecating. They suffocated in the _____."

A DEATH CAMP: Rudolf Binder of Freiburg explained: "I arrived in 'Bad Kreuznach', which can be characterized without further ado as a death camp, on May 1, 1945.

"Gradually over 100,000 men were gathered there," Binder continued. "During the first four days there was absolutely nothing to eat. On the fifth day, we received raw potatoes that the German populace had collected. We ate them raw and got diarrhea. After that, once or twice a day, we got a watery soup with some turnip scraps. We also ate the green leaves that grew on the barbwire fence.

"The guards in the towers fired on everyone who lingered in the vicinity of the fence, regardless. On Pentecost, we got bread, which had to be divided into 25 parts, for the first time. I was 24 years old at the time and relatively healthy, although completely undernourished. All day long orderlies fetched the dead out of the camp in stretchers--about 200 a day."

Bernhard Gildemann of Wolfsberg explained: "From late April, 1945, I was in the notorious U.S. death camp in Rheinberg and was an eyewitness to the daily mass deaths. We would have perished had not the camp been taken over by the English in June, 1945. I shall be thankful to the Brits to the end of my life for the fair treatment they gave us."

Nor was the policy of starvation that the defeated German people suffered confined to just the military.

"Well into 1946," Bacque recently wrote, "the Red Cross was prevented

from helping any Germans. Over 13 million food parcels taken by the Army from the Red Cross were still unused in U.S. Army warehouses in November, 1945, according to the Adjutant Section of UFSET in November, 1945."

Bacque continues that "millions of German civilians had fled West to escape the Russians." He explains further that "it was agreed policy of the Allies to expel from their homes over 15 million Germans, chiefly women and children. Wandering the roads of Eastern Europe, they died in droves. More than 2 million died, while the U.S. Army was both sending food out of Germany and preventing others from sending it in."

Gen. Lucius D. Clay, deputy military governor of U.S. occupied Germany, said: "In July, 1945, the ration for the normal consumers was set at levels varying from 950 to 1,150 calories per day. This allowance was only about half the caloric content deemed essential by nutritional experts to support a working population.. .."

"Actually only about 950 calories per day were distributed," Clay admitted.

Yes, I will get around to giving you a book report on OTHER LOSSES; it lays here beside the scribe. But she, too, is a patriotic American person and finds these revelations almost too much to bear--especially in the penning thereof, so we must be gentle. Yes, you are in for some more horrendous revelations as we move on. The traitors have slipped into your very national joints. Your free body is warped and diseased with it as they have put you into a coma of all but helpless extent.

Will you awaken your masses unto the truth in time? I cannot say! "They" have rewritten your Constitution and are placing portions of rewritten confusion within each new printing thereof. Your entire income tax system is 100% unlawful and unconstitutional--you have all but achieved a total police state. I am sorry to bring this information unto you, and for those who shout at me that we spread fear and panic--- ISN'T IT ABOUT TIME YOU SPENT A BIT OF TIME IN FEAR AND PANIC ABOUT THE TRUTH OF IT INSTEAD OF THE DRIVEL YOU ARE DAILY FED?

PLEASE DO NOT ASK THAT OUR SCRIBES AND DARING AUTHORS WHO BRING TRUTH CONTINUE TO FALL BY THE BEAM-BLASTS OF THE CONSPIRACY IN YOUR BEHALF. PLEASE STAND FORTH WITH THEM FOR IF YOU SO DO, YOU CAN CHANGE OF IT SIMPLY BY KNOWING TRUTH AND STANDING FIRM. YOUR CONSTITUTION IS NOT YET DEAD BUT THE JUDICIAL SYSTEM NO LONGER CARRIES JUSTICE BUT IT IS NOT TOO LATE TO SALVAGE THE GOODNESS REMAINING IF YOU ACT NOW! GOD WILL NOT LEAVE YOU IN YOUR JOURNEY IN LIGHT AND TRUTH--NEVER! SO BE IT, I BEG THAT YE HEAR OF MY PETITION UNTO YOU.

GOD BLESS AND KEEP YOU THROUGH THIS
JOURNEY

AFTERGLOW!

MONDAY, APR. 2, 1990 7:30 A.M. YEAR 3 DAY 229

As this Journal closes there are several things which you must seriously consider. Are you daring enough to "find out truth" or are you to ever remain the recliner quarterback? You were given, by Creator, a thinking, reasoning mind which sets you aside from all other creatures. You have bad news coming--your scientists tell you that you use less than 10 percent of that mind. BAD NEWS! YOU USE LESS THAN 2 PERCENT OF THAT WONDROUS MIND!

As a closing thought for you to ponder and research, let me give you something upon which to chew and see if you are ready for the truths you claim to seek and desire.

U.S.-JAPANESE INVESTMENTS AND OTHER THINGS WONDROUS

I have given you all the facts you need to KNOW what has happened. You ones continually badger me with "when" will the new currency come forth, when must I be in Gold and T-Bills, "when" must I have my shelter system and on and on!-- YESTERDAY OR YEAR BEFORE LAST! It is getting hot in the kitchen, chelas.

Months ago we outlined the problem of economic collapse and depression. We pointed out to you that only a few countries had to default in debt payments to the U.S. and the World Banks and they would fold up the world economy.

Let me point out a couple of things you might have overlooked. 1) Mexico is a tremendous problem to your economy--nicely planned and orchestrated. All Mexico's resources are collateral against the loans. Last year Mexico had to be coerced into ACCEPTING a three billion dollar loan from your Feds and the World Bank to carry it another 12 months. Well, the secret was that the new President of Mexico, Carlos Salinas de Gortari, had figured out a way to meet Mexico's debt obligations, met with ones we know very well to proceed with such, and was stopped by pressures. Well, he was newly elected and couldn't fight the system on such short notice and keep his head (literally) so he accepted the Bank loans.

This year the World Bank is trying to "force" him to accept a two billion dollar loan to be shored up by other banks, to again go deeper into the pit through coercion. You see, he knows that he can go to Japan, who is already very, very active in Mexico, and get the money with certificates of deposit at very good rates of interest, start a good business foundation in addition and thus and so. Now what clue might you be getting?

BRAZIL

Now here is another goodly country to your South who also has a massive debt of over \$115 billion. They have put up their collateral of Amazon Gold, oil and other precious resources to the U.S. and World Bank and sit and watch their Rain Forest be devastated by the Conspiracy. Ah--but

Headline (very small indeed): "COUNTRY FOR SALE: A group of Japanese businessmen (Bishimetal Corp. Ltd., a subsidiary of Japanese conglomerate Mitsubishi Metal Corp.) is working out arrangements to buy Brazil's entire \$115 billion foreign debt in exchange for mining rights over gold deposits in the Amazon, reportedly worth about \$260 billion."

Oh my goodness, what might that do to the Conspirator's plans for having Brazil?

The Japanese are also negotiating with Saudi-Arabia and they are putting up massive joint venture installations with Russia---what could it mean? Is there no end to the wealth of this wondrous little oriental country of only 145,856 sq. miles (slightly smaller than your state of California). Further, they do massive amounts of shipping etc., out of Greece and other points in Europe, Asia and Africa. They only have about 123,231,000 population and they worship God and honor a Master Christos, Buddha. Nice, hardworking people who are industrious and who only have a per-capita income, according to last known figures, of somewhere around \$10,000 or slightly above. That would amount to about 1,420,500 yen (the exchange runs usually about 142 to \$1 US). It is of no consequence if our figures are somewhat maladjusted.

The Japanese have also poured tons of money into Australia and New Zealand and simply all over your globe.

The published figures show that Japan owns over 40 percent of the debt of the United States of America. The facts are that they own more than 60 percent. They all but own Hawaii and buildings, orchards, farms, wind-electric farms, banks, auto manufacturing facilities -- all right in the good old U.S.A.

BACK ON THE U.S.A. MONEY-FARM

The "big boys" have been trying to get a currency change in for a decade. The printing is all done and the presses are fully operational (even the big secret ones). They have proffered unto you dear ones that you need to stop the criminal counterfeiting operations of the underworld when everyone knows (by their own statements) that there is no value in counterfeiting for the money is in drug dealing. Your government has tried to phase out \$100s and \$50s--they did phase out \$1000 bills--all to stop that nasty drug traffic which they set up in the first place.

Do you begin to see that you MUST HAVE A WAR OF SOME SORT? You must have a distraction just like a Falkland's crisis to allow regulatory control and thus and so. But - - - what about the rock and hard-place? Japan doesn't want you to change any of that pretty green stuff--why would that be? Wouldn't the government just give them

equal value in pretty rainbow colored updated notes? WAKE UP!

REMINDERS FOR MIND AND THOUGHT FOOD

Remember those German bases in the Antarctic? Remember all that lovely green money which purchased Argentina? Remember those U-boats offloading "weapons" at the end of the war in Japan? Remember the alliance of Germany and Japan? Remember all those set-ups you are just now learning about? Do you remember I told you about the British having to take off the 5 pound note because of the perfection of German counterfeiting? Do you also remember the lake recovery of the trunks full of those notes? Do you remember that the most beautifully done counterfeit plates that Germany had made were lovely dollars in all denominations? Oh, I see, the light beginning to flicker---come on, let us brighten it a bit.

The coup-de-grace has been landed. *YOU HAVE BEEN BOUGHT OUT, SOLD OUT AND DRIED OUT WITH YOUR OWN MONEY AND THERE IS NOT ONE THING THAT THE BIG BOYS CAN DO ABOUT IT SHORT OF TOTAL NUCLEAR WORLD WAR! THAT, TOO, SHALL COME. SO BE IT. THE COUNTERFEITED DOLLARS IN ALL DENOMINATIONS ARE COMPLETELY NEGOTIABLE IN PERFECTION AND BECAUSE CONTRACTS WERE MADE AND IT ALL BEGAN IN TOTAL AGREEMENT WITH YOUR CONSPIRATORS--IT IS A PROBLEM INDEED! TO STOP THE FLOW MEANS TO ALSO STOP THE FLOW OF FOREIGN AID, REVEAL THE SECRET WEAPONS, THE SECRET UNDERGROUND SURVIVAL BUNKERS FOR THE ELITE, THE BASES IN SPACE, THE SUPERIOR RUSSIAN WEAPONS WHICH TOTALLY CONTROL THE HEAVENS AS YOU SEE THEM AND WHAT ELSE MIGHT BE LURKING THERE? THE HOUSE OF CARDS WOULD TUMBLE LIKE CHAFF IN THE WINDS. FURTHER, THE JAPANESE KNOW THAT THEIR LITTLE ISLAND IS DESTINED TO SHAKE, RATTLE AND ROLL RIGHT BACK INTO THE SEA WHEN MT. FUGI "REALLY" BLOWS---WHERE BETTER TO LIVE AND GROW THAN IN WONDROUS CALIFORNIA OR NEW YORK, BRAZIL OR NEBRASKA?*

WHO SHALL HAVE THE LAST LAUGH, CHELAS?

FURTHER, IF YOU OF THE MASSES HANDLE YOURSELVES MOST CAREFULLY AND GRACIOUSLY, YOU WILL HAVE THE FUNDS YOU NEED TO STAND AGAINST THE CONSPIRACY AND RECLAIM YOUR NATION UNDER GOD.

SO BE IT AND SELAH!

Now, just before leaving you to ponder and meditate in your state of shock (you have been testing of old Hatonn to give you something new and wondrous to chew, haven't you? You have been pronouncing mine scribe a phoney and filled with evil fear mongering, haven't you?) So be it, I suggest you allow the above to fully digest and then, read on for I want to give you another factual item. I shall preserve the identity of

the author of the next (for the above has not been written-anywhere), for the "gray men" have already given him a heart attack and are efforting to kill him to shut him up. I publish this reprint herein to give him support--the beam-system cannot penetrate the balanced counter shield of light force about this scribe and believe me, they have tried every frequency they can conjure. She is vulnerable but not from the systems which would appear "natural causes". Be so advised--if she dies, it is pure and simple "murder".

HOW ABOUT YOUR POLICE STATE IRS AND THE CONSTITUTION OF THE U.S. AND INCOME TAX?

QUOTE:

Because of the protection accorded all Americans *by the U.S. Constitution*, it is impossible to establish an effective and legal individual income tax affecting citizens in this country. However, the sections of the U.S. internal revenue code dealing with income taxes are written so cleverly and deceitfully that the great majority of the American people believe these taxes are at least potentially required under law to be paid by everyone in the private sector, as well as in the public sector, and that everyone must file an income tax return.

It occurs to me that all judges, bureaucrats, prosecuting attorneys and members of Congress should be asked the following:

How is it that the government apparatus can levy and collect an income tax from almost all U.S. citizens when there is no authority to do so under the very law which governs it? How is it that the statute technically observes the Constitution while those given the chore of enforcing it violate it by their procedures?

If anyone can obtain a definite answer to these questions, he is more persuasive than anyone I know.

The code lists those employees who are subject to withholding in Section 3401(c) "*an officer, employee, and elected official of the United States a state, or any political subdivision thereof, or the District of Columbia, or any agency or instrumentality of the foregoing. The term 'employee' also includes an officer of a corporation.*" (How many of those categories do YOU fit?)

Notice that the wording here--as throughout the IRS code--makes it obvious that the term 'United States' has reference only to the general government and never to the union of the states. Sec. 6331(a) lists those whose property or income may be seized if income taxes are NOT paid. For the most part, those mentioned are the same as in 3401(c) (above). *This makes it clear that the pay of the employees of a government unit is the only category of income subject to withholding or seizure.*

Interestingly enough, this involves *only funds still in the hands of government.* IN

SHORT, MONEY THAT HAS PASSED TO AN EMPLOYEE IS IMMUNE TO SEIZURE!

The Constitution itself definitely limits the jurisdiction of the United States. Article II, Sec. 8, clause 16 states that "*CONGRESS SHALL EXERCISE EXCLUSIVE LEGISLATION IN ALL CASES WHATSOEVER OVER SUCH DISTRICT [OF COLUMBIA] (NOT EXCEEDING TEN MILES SQUARE) AS MAY, BY CESSION OF PARTICULAR STATES, AND THE ACCEPTANCE OF CONGRESS, BECOME THE SEAT OF THE GOVERNMENT OF THE uNITED sTATES AND TO EXERCISE AUTHORITY OVER ALL PLACES PURCHASED BY THE CONSENT OF THE LEGISLATURE OF THE STATE IN WHICH THE SAME SHALL BE FOR THE ERECTION OF FORTS, MAGAZINES, ARSENALS, DOCK-YARDS, AND OTHER NEEDED BUILDINGS.*" (Do you find yourself here?)

Jurisdiction is NOT GRANTED to the general government over any other territory, but is accorded to the states in which it is located.

Sec. 61(a) lists 15 categories of income subject to taxation; however, *neither wages nor salaries are mentioned*, which seems to imply that even the pay received by government employees or those living in the District of Columbia is not subject to withholding or seizure.

NO POWER TO ENFORCE COLLECTIONS:

The code does not definitely say that incomes of ordinary citizens are immune to taxation; *BUT SINCE THESE ARE NOT SUBJECT TO WITHHOLDING OR SEIZURE, IT IS OBVIOUS THAT THE GOVERNMENT ACCORDING TO ITS OWN STATUTE, HAS NO POWER TO ENFORCE INCOME TAX COLLECTIONS AGAINST THEM.*

THUS, BY TRICKERY AND DECEIT, AN ELABORATE TAX CODE HAS BEEN PREPARED WHICH TECHNICALLY OBSERVES CONSTITUTIONAL PROHIBITIONS AND PROTECTIONS, BUT THE ENFORCEMENT OF WHICH VIOLATES THE CONSTITUTION IN VARIOUS WAYS. WE HAVE, THEREFORE, A PECULIAR, SELF-CONTRADICTORY DOCUMENT, BEYOND HUMAN UNDERSTANDING.

Since no personal (meaning individual) income tax can effectively be in harmony with the Constitution, we find, among others, the following violations:

1) *IT REQUIRES TAXPAYERS, IN FILING THEIR RETURNS, TO BE WITNESSES AGAINST THEMSELVES, IN VIOLATION OF THE FIFTH AMENDMENT;*

2) *IN ANY DISPUTE, IT REQUIRES TAXPAYERS TO PROVE THEIR INNOCENCE, ON PAIN OF SEVERE PUNISHMENT, IN VIOLATION OF THE FIFTH AMENDMENT;*

3) IT SEIZES PROPERTY WITHOUT DUE PROCESS OF LAW, IN VIOLATION OF THE SAME AMENDMENT (FIFTH);

4) IT ARROGATES TO ITSELF LEGISLATIVE, JUDICIAL AND EXECUTIVE POWERS, WHICH IS IN VIOLATION OF THE ENTIRE CONSTITUTION;

5) BY REFUSING A JURY TRIAL EVEN WHEN SUMS FAR IN EXCESS OF \$20 ARE IN DISPUTE, IT VIOLATES THE SEVENTH AMENDMENT;

6) BY IMPOSING EXCESSIVE FINES, IT VIOLATES THE EIGHTH AMENDMENT.

Perhaps the only way out of this Constitutional quandary is to realize that these seeming violations apply only to the "taxpayer". And there is nothing in the code that makes the citizen liable for the tax. *One who is not a taxpayer not only does NOT pay the income tax but need not even file a Form 1040. The ONLY WAY FOR A CITIZEN TO BECOME A TAXPAYER IS BY VOLUNTEERING INTO THAT STATUS, THEREBY WAIVING HIS RIGHTS. HOWEVER, THIS FACT IS CAREFULLY HIDDEN BY THE INTERNAL REVENUE SERVICE AND ITS ALLIES!*

We have, therefore, and extraordinary anomaly; a system of law which is technically in conformity with the Constitution *BUT WHICH IS WORDED IN SUCH A WAY THAT THE GOVERNMENT CAN VIOLATE IT IN MANY WAYS WITH THE TACIT CONSENT OF THE LEGAL PROFESSION, THE MEDIA, OUR WHOLE SYSTEM OF EDUCATION AND THE GENERAL SOCIAL SUPERSTRUCTURE.*

END QUOTE.

(Hatonn has added the emphasis)

Shalom George;

I heard you on the Billy Goodman Show. You are a patsy for some God damned witch. These demons this woman is talking about and to are the beast. It's the height to stupidity to believe somebody wants to be kidnapped and implanted. You're just another false prophet. If you have a channel to these bastards, then you channel my material to them. You're so worried about nuclear radiation, you've got to ask yourself why. It doesn't hurt the planet. Plants are healthier and it doesn't hurt pure people. Only mongrels are affected.

I am writing you to tell you what I have discovered, that will soon take place. The UN headed up by the USA and USSR will Wage war with the UFO'S. they will with the ones who made a treaty with, their are four group's, Nathshaw [the dragon, head of all Japanese] Ephram [head of all Christians] Arie [head of all Jews] Asher [head of all Moslems]. The World powers have got it in their heads they can win in an armed struggle with these UFO'S.

They have a vary unrealistic notion of the law TOPAH that rules the Universe. As long as these UFO'S are in the creators service they will only do what they can get away with no more. When they are terminated from the Creators service they will not be restrained and they will do just as they have bin instructing their followers to do.

We all know what they taught. Jesus taught cannibalism "take my body and eat it, and drink my blood you must do this on Easter every year or you have no part me" this is in direct conflict with TORAH. You might say this proves nothing. This is not the only time there are many occasions where Jesus directs the people to eat blood and brake the TORAH. Just like all Black Magicians worship Jesus. Who do you think drinks the blood and why don't they ever get caught, The answer is simple they are in charge. Why aren't they thrown out by the Creator you ask ? Because they do not bother the Pure People and THEY MAKE SURE NO ONE IS ABLE TO PROVE THEIR EXISTENCE. By what ever means possible they protect their Identity.

When they are discovered the Creator will not allow them to exist without observance of TORAH. And they will be under the control of Satan.

The 1,290 days of Daniel end on Yom Kippurim, 10 Tishrei 43 Satan, [9-28-90] This will be the day of nuclear war. It will last for three days. From that day forward, the pure people will be resurrected and given a new status, a new body not attached to the Earth. While all those who have consumed blood will be banished from the face of the Earth. They will exist under the Earth in holes, caves and fallout shelters. The Earth will be made radioactive so they will be forced off of the face of the Earth. This is what's meant by separation. Nuclear radiation will only have a detrimental effect on those who worship the beast and his image. These hostilities can start any time after 1 Abib 43 Satan [3-27-90]. Only those males who have made Passover sacrifice will be resurrected to a God state.

Shalom
