BCCI Connections: Banksters Scurrying

Bank of England Sued for \$1.87 Billion for Its Involvement in Scandal

RE: COMMENTS ON MANILA TODAY AND
REMARKS AS LEAD-IN TO BCCI ARTICLE

IMPORTANT THINGS IN PASIG RIVER CITY TODAY

Today the Bank of International Settlements (the “bank’s bank”), IMF and World Bank are meeting with the Philippines “Bank Sentral”. Do not confuse the actual Bank Sentral with the old Central Bank although that is WHY the meetings—to try and hold all those nice big “A/T FDN” HOLDINGS.

Watch for the spill-out because the ruling on Mr. Poe’s citizenship for qualification of him for the Presidency was stopped dead yesterday by an abrupt

adjournment of the Supreme Court, by Chief Justice Divide, to evade a ruling in Poe’s behalf by the *en banc* bench. Today may yet get quite interesting as the information and voting of the justices is already LEAKED to the public.

The other item to attend is the scheduled HEARING regarding the court case involving Prince Julian Tallano.

To any of you who might believe this is some kind of luxurious life-style experience with now only “layout” help for this paper, you are surely mistaken.

We are GOING TO GET THIS JOB DONE! The only problem is getting it done in the face of the most astounding odds known to man or beast.

EJ & D: Don’t sweat the registration of the Foundation flap. It is sufficiently covered now by both “turning in the documents” to running all of the Public Notices. If we need to move on a bit later and rerun them all in Manila, so be it. Just proceed but be VERY CAREFUL what you

do with Mr. X on the land titles and please stop having full discussions when these “visitors” meet with the Board to make their presentations. There must never be insight into our meetings and the Board Meeting is not the place for disclosures.

The program of Mr. X is no different only “slicker” than what the other Oligarchs pulled off on precious land grabs—only the Foundation would show as a party to such considerations for opening of flood-gates for every grabber on the globe. Let us especially be cautious until ongoing court encounters are a bit better settled.

BCCI COMMENTS

The article we present will speak for itself and surely any parties interested in the entire case “report”, some 500 pages, should seek it out for self. We will eventually acquire it for much further future

investigation but certainly, please, just put it to disc and don’t bother to print and waste paper and ink until, certainly, we get more of this office sorted and our own Notices properly published and registered.

All of our readers will recognize our attention to the Bank of Credit and Commerce International (BCCI) over the years and especially during the time of hearings and the remarkable confusion involved. There was another bank just as involved and just as quickly “dissolved”, recognized as “BNL”.

Since these banks were established for all the WRONG reasons and some specifically to handle what was the SUPERFUND funds (without value backing), we have interesting circumstances showing up again in the public notice. Remember as well that it was through these banks that Bush and Hussein (Saddam) had joint accounts into the BILLIONS and perhaps TRILLIONS. It is a dirty little world of thieves and liars—BUT, WE ARE NOT INVOLVED EVEN IN THEIR WARS.

I just make a request that our readers pay attention and realize, as we stated yesterday regarding the VK involvement—that the circulation is closer to “home” than might meet the eye. It does not, however, involve us for all of the contacts and fraudulent dealings were directly with the political oligarchs and, as claimed, with VK Durham—not Ekkers and NOT OUR ASSIGNMENT.

We do fail to see, however, any positive (or anything else) from VK other than lies and more lies and more and more fraud piling upon itself. Moreover, there is hardly a day that passes that the hits are not compounded by the one who is not referred to as the widow of Russell Herman—but rather: “The total nut-case!” In addition, “they” enjoy the diversion and distraction while they keep surveillance on them and all of the “etalliis” (VK’s non-existent term) of the little bunch of disinformation criminals.

I would like to point out something political, in addition:

THE REAL JOHN KERRY

We are NOT in the political football game but we are accused of bashing Bush and seemingly unfair practices along with being quite anti-Semitic. We are neither, even though we do suggest everyone make a point of seeing Mr. Gibson’s *The Passion of the Christ*.

So, when we speak of Mr. Kerry we have to also remember that he is the last of the “seekers” for POWs in Vietnam and Cambodia. Moreover, when he was sent to that area I personally spoke with Col. James “Bo” Gritz and we concluded that it would be the END of any further possibility for those veterans to return or actually BE RETURNED home. So be it.

In the next paper we will run what is actually presented regarding the person. It is important because “NOTHING IN POLITICS IS ACCIDENTAL”. Mr. Kerry is in part Jewish and it is planned as an alternative by the Big Boys that he should be the candidate of choice for ye olde Democrats. It was already decided by none other than the Bilderbergs. And how is your day in liberty and freedom?

Mr. Kerry is as Elite as you can possibly get. He is somehow claimed to be “Irish”. No, he is Brahmin and his mother was a Forbes, from one of Massachusetts’ oldest “WASP” families.

He is also quite important as he is called from time to time: “Mr. Skull and Bones” for very obvious reasons.

His first wife was very wealthy but his present wife is incredibly wealthy as she is heir to the Heinz fortune and attached Foundations in which to hide money. It is noted that a whole bunch of money is hidden in these “open” projects. And yes, this is the same 57 variety of pickles and Ketchup (the new brand) making far more than 57 varieties inclusive of the rainbow colors now available. Her organization is “Tides”. Perhaps that is to go with John’s little \$800,000 powerboat, which matches that of Martha Stewart. Oh well.

[QUOTING:]

BCCI SCANDAL IS BACK

Thought you heard the end of the infamous BCCI scandal? Think again. It’s back in the news. It turns out that even the venerable Bank of England was involved.

By the Staff of *American Free Press*

The Bank of England in London is being sued for \$1.87 billion in a case brought by the liquidators of the Bank of Credit and Commerce International (BCCI or as some call it “the Bank of Criminals and Conmen International”), which collapsed in 1991. Though U.S. intelligence officials have denied using the bank as a means to launder money for black operations, the cast of characters with ties to the CIA, MI6 and the Mossad, who have been linked to this huge financial swindling scheme, undermine their public statements. Moreover, the story of arms deals, money transactions, criminality and assassinations involving individuals who have been connected to Western intelligence in unofficial capacities only further establishes the point.

The Bank of England—the 310-year-old institution (founded 1694), which has played a central part in the history of England, and which is the model for America’s Federal Reserve System—has been sued for \$1.87 billion. A lawyer for the liquidators of BCCI—the Bank of Credit and Commerce—has told the London High Court that “The Old Lady of Threadneedle Street” turned a blind eye to one of the greatest banking frauds in history—if not the biggest.

The jurors, in a case which could last over one year, will hear a tale of immense corruption about a bank whose customers included shady international arms dealers, organized crime syndicates involved in prostitution, intelligence agencies such as the CIA and the Israeli Mossad terrorists and Iran’s Revolutionary Guard.

BCCI was founded in 1972 by Agha Hasan Abedi, a Pakistani financier and had the backing of wealthy Arab billionaires. One of its major shareholders was the Bank of America. It was a global bank with 400 outlets in 73 countries.

Within eight years of its incorporation in Luxembourg, it had become a vehicle for weapons

peddlers, terrorists and drug cartels to launder money.

According to Gordon Pollock, the lawyer representing the liquidators and creditors, the Bank of England, in its supervisory capacity, had a duty to ensure that BCCI was properly run and ordinary investors were protected.

Chocolate Box

Referring to Luxembourg as “that chocolate-box Ruritania”, Pollock said the Bank of England should have known the tiny state was never going to monitor BCCI, which collapsed in 1991 with debts of \$15 billion. But what shocked most people after the collapse was the secrecy surrounding the accounts of many of the bank’s depositors, especially the CIA and other intelligence agencies.

Other notable figures with accounts included the terrorist Abu Nidal and a mysterious gunrunner, Cyrus Hashemi, who had done business with the CIA and other intelligence agencies.

In 1986, while living the life of a playboy in London—playing tennis in the mornings and visiting a casino in the evening—Hashemi suddenly collapsed and was taken to a clinic owned by BCCI. Two days later he was dead. British intelligence suspected Mossad had killed him because he was about to become a whistleblower.

The leading British pathologist of the day, Dr. Iain West, later commented that Hashemi’s death was “one of the strangest I ever investigated”. He sent body tissues to the British chem-biowarfare facility at Porton Down, believing the Israelis used an unknown chemical weapon to assassinate Hashemi. The results of tests on the tissues were never revealed.

As for the accounts set up by Hashemi in BCCI, nothing is known about them.

To cover their own tracks, it is believed that British security services and the CIA erased all traces of their dealings with the bank once it collapsed and acquired access to the bank’s files that provided raw intelligence on all the other secret depositors. Well before the bank collapsed, for years it had been a target for British and U.S. intelligence surveillance of major account holders.

The CIA’s dealings with the bank were extensive and well concealed as indicated in a December 1992 Senate Foreign Intelligence Committee report on BCCI’s criminal operations and its official and unofficial links to U.S. intelligence.

1992 Senate Foreign Intelligence Report on BCCI Scandal

The following contains excerpts from a December 1992 report to the Senate Committee on Foreign Relations on the BCCI affair.

BCCI was from its earliest days made up of multiplying layers of entities, related to one another through an impenetrable series of holding companies, affiliates, subsidiaries, banks-within-banks, insider dealings and nominee relationships.

In creating BCCI as a vehicle fundamentally free of government control, Abedi developed in BCCI an ideal mechanism for facilitating illicit activity by others, including such activity by officials of many of the governments whose laws BCCI was breaking....

BCCI’s criminality [included] fraud by BCCI and BCCI customers involving billions of dollars; money laundering in Europe, Africa, Asia and the Americas;

BCCI’s bribery of officials in most of those locations; its support of terrorism, arms trafficking, and the sale of nuclear technologies; its management of prostitution; its commission and facilitation of income tax evasion, illegal immigration; its illicit purchases of banks and real estate; and a panoply of financial crimes limited only by the imagination of its officers and customers.

In the words of former Senate investigator Jack Blum: “The problem that we are all having in dealing with this bank is that... it had 3,000 criminal customers and every one of those 3,000 criminal customers is a page 1 story. So if you pick up [any] one of [BCCI’s] accounts you could find financing for nuclear weapons, gun running, narcotics dealing, and you will find all manner and means of crime around the world in the records of this bank.”

Links to the CIA

The relationships involving BCCI, the CIA and members of the United States and foreign intelligence communities have been among the most perplexing aspects of understanding the rise and fall of BCCI. The CIA’s and BCCI’s mutual environments of secrecy have been one obvious obstacle. For many months, the CIA resisted providing information to the subcommittee about its involvement with and knowledge of BCCI. Moreover, key players who might explain these relationships are unavailable.

A baseline for assessing the BCCI-CIA story is the CIA’s official record of its use of BCCI and its targeting of the bank, as set forth in several hundred CIA records created from 1982 through 1992. That record was, by and large, accurately represented by CIA Acting Director Richard Kerr....

Unfortunately, that record also contains ostensible gaps in knowledge on the part of the CIA about the activities of key contacts in the Middle East for U.S. intelligence—including BCCI shareholders Kamal Adham and Abdul Raouf Khalil, and BCCI customer and Iran/Contra arms merchant Adnan Khashoggi—which strain belief.

Outside the documentary record provided to the subcommittee by the CIA, there is additional material, consisting of BCCI documents, testimony from BCCI officials and insiders, and extrinsic, circumstantial and historic information describing other substantial contacts between BCCI and the intelligence community. These include contacts between BCCI and former U.S. intelligence officials, including a former head of the CIA; former and current foreign intelligence officials; and individuals engaged in covert operations on behalf of the United States government, including in the Iran/Contra affair.

In addition, the subcommittee has received allegations of meetings between former CIA Director William Casey and BCCI’s head Agha Hasan Abedi.

On Aug. 2, 1991, with Congress in recess, Kerr chose to provide the first public account of the CIA’s involvement with BCCI at the National Press Club to a group of high school students, who were not permitted to ask questions.

During the August recess, the Senate Select Committee on Intelligence began its audit of the CIA’s relationship with BCCI, and requested that the CIA provide its auditors with all documents prepared by the CIA concerning BCCI. In the same period, the CIA began its own internal reviews of its handling of BCCI,

including a management review, an intelligence review and an “independent investigation” by the CIA’s statutory inspector general. By the end of August 1991, the CIA had determined that there were several hundred reports on BCCI by the CIA, of which perhaps four dozen contained substantial information regarding the bank.

Ultimately, Kerr agreed to testify before the subcommittee concerning BCCI in public, after Kerry advised the CIA that the nomination of CIA Director Robert Gates would be delayed until the CIA provided such testimony.

On Oct. 25, 1991, Kerr testified in open session before the subcommittee regarding the CIA-BCCI relationship, expressing from his opening statement his discomfort about providing information concerning intelligence matters in public:

“As an intelligence officer for 30 years, I find myself a little reluctant in an open hearing to talk about intelligence, intelligence sources and intelligence methods, and the information that we acquire through that process.”

Despite Kerr’s reluctance, the information contained in his testimony substantially advanced the subcommittee’s knowledge of the official record regarding the CIA’s contacts with BCCI.

Kerr refused to answer a number of questions in open session.

In closed session the following week, Kerr acknowledged that several of the questions he refused to answer did not refer to classified information or concern national security. Instead, he had refused to discuss the information in open session because he felt uncomfortable discussing information in public that might embarrass the United States or any U.S. agency or official.

According to the contemporaneous CIA records retrieved during the search of Agency files during the summer of 1991, the CIA first developed information concerning BCCI, which it provided users in the U.S. government in 1979.

After learning in the early 1980s that BCCI was, as an institution, involved in money laundering activities, the CIA began by the mid-1980s to target BCCI as an institution for foreign intelligence collection. Initially, this collection operation was small. The CIA began a larger and more comprehensive operation as of 1986, which continued through 1990. This operation focused on the “people, the mechanisms and the way that BCCI laundered narcotics money”.

In the course of targeting BCCI for laundering drug money, the CIA learned of BCCI’s involvement in manipulating certain financial markets, in arms trafficking, and in supporting international terrorism, including handling the finances of Sabri Al-Bannah or Abu Nidal, and his terrorist organization.

Unofficial BCCI-CIA Links

The unofficial story of BCCI’s links to U.S. intelligence is complicated by the inability of investigators to determine whether private persons affiliated with U.S. intelligence were undertaking actions such as selling U.S. arms to a foreign government outside ordinary channels on their own behalf, or ostensibly under sanction of a U.S. government agency, policy, or operation.

In the 1970s and 1980s, there have been cases of

people with ties to U.S. intelligence engaging in operations on their own behalf which in fact had no ties to any approved U.S. government interest, such as former CIA officer Edwin Wilson’s illegal arms sales to Idi Amin of Uganda and to Col. Qaddafi of Libya. There have been other cases, such as Gen. Richard Secord’s (ret.) arms sales to Iran and to the Contras in the Iran/Contra affair, which are hard to distinguish from Wilson’s case, except for the fact that the sales had actual secret approval and support from officials within the government, although they were not authorized by law under the *Arms Export Control Act*, and although Congress did not receive notifications required by law from the president.

In the case of BCCI, former CIA officials, including former CIA director Richard Helms and the late William Casey; former and current foreign intelligence officials, including Kamal Adham and Abdul Raouf Khalil; and principal foreign agents of the United States, such as Adnan Khashoggi and Manucher Ghorbanifar, float in and out of BCCI at critical times in its history, and participate simultaneously in the making of key episodes in U.S. foreign policy, ranging from the Camp David peace talks to the arming of Iran as part of the Iran/Contra affair.

As early as the mid-1980s, sources in the United Kingdom were alleging that BCCI was providing services not only to the CIA but to intelligence agencies of a number of countries, including the Soviet Union. For example, a Nov. 5, 1986, letter to the Governor of the Bank of England, written anonymously, stated the following:

“The BCCI is involved in helping people avoid tax [sic], illegal transfers of money, ‘Hawala’ [a form of Islamic banking loans] transfers, off the record deposits, conduit for drug and crime money and also as banker to intelligence agencies for most major agencies of the world.”

N.B. The Senate report goes on to detail a number of individuals who may have secretly provided illicit services to U.S. agencies, including arms trafficking, bribery, money laundering and bank fraud.

The complete text of the Senate report can be found on the Internet at www.fas.org/irp/congress/1992_rpt/bcci.

[END QUOTING]

dharmat

Let us also keep in mind the dirty dealings between BCCI and Banca Nazionale del Lavoro. From the Appendices of the 1992 Senate Report, under “Matters for Further Investigation”:

18. The relationship between BCCI and the Banca Nazionale del Lavoro. BCCI and the Atlanta Branch of BNL had an extensive relationship in the United States, with the Atlanta Branch of BNL having a substantial number of accounts in BCCI’s Miami offices. BNL was, according to federal indictments, a significant financial conduit for weapons to Iraq. BCCI also made loans to Iraq, although of a substantially smaller nature. Given the criminality of both institutions, and their interlocking activities, further investigation of the relationship could produce further understanding of Saddam Hussein’s international network for acquiring weapons, and how Iraq evaded governmental restrictions on such weapons acquisitions.

“Coincidentally”, in the middle of this mess we find President George H.W. Bush, former head of the CIA, with his “Superfund”. Hmmm...

MON., MAR. 1, 2004 8:55 A.M. YR 17, DAY 198

RE: LEGAL NEED TO PUBLISH VK DURHAM,
ET AL., MATERIAL

PUBLISHING: LEGAL REQUIREMENT

It is required that we publish sufficient evidence as information and public notice of the Internet accusations and information being published globally by VK Durham and her associates, web-masters and editor-writers relating to our position, holdings, and persons.

Since we are now, at the least, some three major writings behind in notice, but since all publications are not necessary for “Public Notice”, we will not offer all backup data and net-postings, publications and/or direct slander or libel causes. ALL documents as we acquire them will be filed and maintained by counsel.

We ask that the next paper published by *CONTACT* carry, in full, the writings/postings in point and we will allow for corrections as appropriate. The accusations are so blatant as to be sufficient to their own coverage of both fraud and defamation.

Our intent is to establish ongoing criminal accusations against the Ekkers specifically and all associates both directly and indirectly. This is especially mandatory in protection of Global Alliance Investment Association (Global and/or GAIA). Now this must also include all references to the Don Esteban Benitez Tallano & Don Gregorio Madrigal Acop Foundation, Inc.(S) (FDN) and or either or both referenced Tallano Estate(S) (Estate) as formed as a Foundation or Corporation.

Our references to Cosmos Seafood Energy Marketing, Ltd. will be “CSEML” as in prior references.

It is our intention to, however, note that much of the information as referenced to OTHER THAN THESE TOPICS OR PERSONS is quite interesting and also quite accurate as to anticipated “happenings” as data and current published comments are presenting the information.

IT WILL BE NOTED PRIOR TO ANY REFERENCING, HOWEVER, THAT ONE OF THE MAJOR REASONS FOR OUR EFFORTS “OUTSIDE” THE DOMESTIC U.S.A. IS TO SHELTER US AND EVERYTHING IN OUR HOLDINGS—THIS IN PRIOR AGREEMENTS ALREADY ESTABLISHED, I.E., IF GOLD IS TO BE CONFISCATED IN THE U.S. THEN IT SHALL BE SHELTERED ELSEWHERE TO THE GREATEST EXTENT POSSIBLE IN PROTECTION OF THE U.S. CITIZENS AS THE “DOLLAR” SPIRALS INTO TROUBLE AND POSSIBLE COLLAPSE.

Our program has been adequately published over and over again as well as in multiple running and publication of our Public Notices as mandated by law.

It will also be noted prior to any reference to the

material itself that there IS NO DURHAM TRUST OF ANY KIND AND WHEN THERE IS REFERENCE TO OVER 6.5 TRILLION DOLLARS IN “A DEBT SWAP, DEBT CONVERSION BY USING ‘GOLD EQUITY COLLATERAL’ HELD IN TRUST” VK is referring to some non-existent TRUST as well as a non-instrument of ANY KIND.

She also continues to speak of her “Trust” holdings as being some “\$206,858,581,465,280,000,000.00 GOLD”.

Well, for practical reference that amount was calculated as of, if memory serves, May of 1990. That means that at 44% interest compounded the amount is actually in the neighborhood of incalculability—at least for VK Durham—of some 14 years since the calculations were made by the Fed and published. THAT IS MORE THAN THE VALUE OF ALL THE GOLD IN THE WORLD, AVAILABLE AND NON-MINED—SO IS WITHOUT MERIT FOR CONSIDERATION UNDER ANY CIRCUMSTANCES. More paper is not gold-based value.

VK also refers to “...the amount of the forty-eight percent held in trust, and all other amounts controlled by the Durham Trust, through whatever date is used to calculate its current value.” **NUMBER ONE: THERE IS NO TRUST—PERIOD.**

Since this is referenced most specifically in the third writing dated “18 February 2004” we will not further focus on it here.

The first writing we will publish here is from February 6, 2004 “by V.K. Durham AND REFERENCED “*WEAPONS OF MASS DESTRUCTION?!*” posted on <<http://www.theantechamber.net>>. The following two dated 14 February, 2004 and February 18 2004 are published/posted by Patriotlad on Rumor Mill News Reading Room: <<http://www.rumormillnews.com>>.

VK Durham continues to refer to a man—whom she claims was her husband (but it is proven otherwise)—as Russell Herrman. We know no Russell Herrman. THE ONLY REFERENCE WE HAVE AND VALUE WE HOLD IS FROM RUSSELL HERMAN AND IS FULLY IDENTIFIED AND DOCUMENTED EVEN TO HOLDING AND RECOGNITION OF 100% “OWNERSHIP” BY CSEML **FROM 1985.** THAT REMAINS THE FACT, REGISTERED, RECORDED AND VALID.

ALL uses of any fundings are fully secured by GOLD or total value and that is fully documented in all agreements and considerations. This is the reason we have been in the Philippines for lo these many magnificently lonely years—DOING IT RIGHT WITH JUSTICE AND SOME MODICUM OF PROSPERITY FOR ALL.

AT THIS DATE THERE HAS BEEN NO TRANSACTION SO ALL SUCH REFERENCES BY OUTSIDE PARTIES SUCH AS VK DURHAM OR HER ASSOCIATES ARE PURELY FABRICATED WHILE THE ONLY NATION IN

OPEN CONSIDERATION, AT THE MOMENT, IS THE PHILIPPINES. WE CERTAINLY HAVE CLEARANCE AND CAPABILITY TO USE ANY NATION THROUGH APPROPRIATE AND APPROVED PARTIES BUT AT PRESENT THERE ARE NO ONGOING CONSIDERATIONS.

Ms. Durham gives some words of wisdom as “ADVICE FROM ‘THE SHERIFF’” wherein she states that “Your worst enemy is a Liar!” We certainly concur and to date the most obvious LIAR in our focus is VK Durham, and Associates. There is not one iota of TRUTH in any of the claims proffered by said parties. Moreover, Ms. Durham is quite welcome to quote from *CONTACT* to her heart’s content. We note that she does not subscribe to the publication so we do find it interesting that she has copy before our own subscribers have their editions. We are certainly most appreciative of her efforts, which allow for updating any potential expiration of statutes of limitation against her slander and libel.

These postings are provided to us as we do not access the sites themselves and we appreciate the updating and attention to this matter. We depend on legal counsel to be constantly informed as we proceed with ongoing considerations and “business at hand”.

In keeping with the above we will now post the writing of “2/6/04”.

[Legal counsel has asked that any comments be made prior to the copy or following the copy to have a clean copy as posted/published. We do not correct her misspelling, bad grammar, or “unique” punctuation. When appropriate there will be legal affidavits or declarations perfected as required. QUOTING:]

WEAPONS OF MASS DESTRUCTION?!

UPDATE.

Thanks to one of our readers this article was forwarded to me, which verifies FRANKIE SUE DEL PAPA’S involvement and “COSMOS SEA-FOOD ENERGY MARKETING, LTD; NEVADA ID# 1707-85’s “Record tampering” which allowed THE COUNTERFEIT CDO’S to flood the markets creating “A 1980’s S&L Type Banking Crisis” around the world by THE BILLIONAIRE BOYS CLUB “BUSH BOYS” go to <http://www.thugsanon.org/htm/18459.html>. This sets the format for the hit THE DURHAM TRUST was supposed to take after HERMAN’S MURDER.

ADVICE FROM “THE SHERIFF”

Remembering back, Grandfather used to say: “Your worst enemy is a Liar! Your worst enemy is someone who tells you lies about your neighbors trying to turn you against your neighbors so the liar can take advantage of your neighbors, and good will between you, and your neighbors. You must always be on guard against the Liars. Know your history, Know your Constitution. Know your Rights. Know your laws. Because;The Liars are constantly trying to take these from you. Hold fast to your wits. Keep them about you at all times so you can make a fair determination as to what is Right and what is wrong.”

DO YOU REMEMBER WHAT THE PRESIDENT DEMANDED FROM SADDAM HUSSEIN, PRIOR TO THE INVASION OF IRAQ?

He wanted “Saddam to release the documents.”

**PROJECT JOURNAL page 3 January 28, 2004
Thank You to Paul O'Neill**

“Why do you think, as happened, that a Paul O'Neill, US Treasurer, would end up sent to do ‘something’ in Iraq in the middle of a war? He also knew what they were looking for as to documents, gold, and other resources where only HE could get a private foot in the door for “dealing”. And, of course, it becomes obvious that DEALS WERE MADE. Do not forget for one minute that when they got poor old drugged and groggy Saddam out of the “hole” they also got millions of dollars in currency and proclaim he had more stashed around here and there.”

page 4 excerpt
“We note that the ends accomplished by the Bank Sentral in the Philippines are totally irrelevant and foolish as the other “stop-and-getcha” games pulled barely within the lines (and some-times out-rightly over the lines) were CAREFULLY worded in the suggestion of the Bank to not pay any attention to “GAIA”, even though the accompanying nasty attachments showed no reference TO GAIA at all.

So now we come the circle and are at election time in both the US and here in the Philippines and the games have only worsened exponentially. However, they still continue to be wise enough NOT TO TAKE ON ME. Blessings often come in overlooked packages.”

WHAT DOCUMENTS did Saddam have? And WHY WOULD US SEC. OF THE TREASURY, PAUL O'NEILL GO TO IRAQ TO CUT DEALS? back to page 3 [quote]

GCH01211 O'NEILL, TREASURY SEC S., GAIA WED., JAN. 21, 2004 11:45 A.M. YR 17, DAY 158 RE: CONFIRMATIONS: INSIDE US TREASURY DEPT., APPLICABLE RELEVANCE TO GLOBAL ALLIANCE (GAIA)—GCH/D MANILA, PHILIPPINES
GLOBAL GAIA, INSIDERS AND TREASURY SECRETARIES (US)

Here comes the brother to mess up the page counting and layout problems already “over”-run. If necessary to keep the paper reasonable in order to live to serve another day, please take out portions of something, even “Mad Cows” for THIS WRITING TO WHICH I NOW REFER—NEEDS TO RUN WITH OUR PUBLIC NOTICES REGARDING THE “TALA” FDN and our participation as with GAIA. There is always the denial that somehow we could be remotely valid and yet every Sec. of the US Treasury since inception of Bentsen is fully aware and has been personally notified of our position, holding, and ongoing efforts to STAY OUT OF THEIR WAY ON THE WAY TO THE SLAVE MARKET.

SECRETARY OF THE US TREASURY IS A PAID POSITION WHICH PAY COMES DIRECTLY FROM THE INTERNATIONAL MONETARY FUND AROUND AND THROUGH THE FEDERAL RESERVE. THIS IS ALSO TRUE OF THE ATTORNEY GENERAL BUT WE DON'T NEED TO DISCUSS MORE THAN THE TREASURERS AT THIS SITTING.

Former Treasurer Paul O'Neill has just published a book which has hit like the axe in soft butter: **The Price of Loyalty: George W. Bush, the White House, and the Education of Paul O'Neill.** This book outlines his very “bumpy” stint of two years as Treasury Secretary. That can be realized without repeating it here or causing us to read the dissertation for contents are not as important as

information regarding any connections we might have or have had with these particular persons in the US Government.

GAIA—BEFORE AND AFTER

We have given forth this information prior to now but I want all of you reminded, as we move forward here in the Philippines, of a few FACTS. Not only have ALL of the Treasurers of the US known about us but it has been pointed out to them over and over again: our relationships and our full intent of both cooperation and position. All parties involved with the holdings (assignment) of one Russell Herman as to Government reference were NOTIFIED immediately and we have shared that information so often as to be quite irritating in the repeating. Not only have WE notified each of them personally, but as you recall, such as Rubin and O'Neill came to rest on VK Durham's “do-in the Ekkers” list of slime receivers. The ones who got most closely monitored, however, are VK Durham and her befuddled Internet colleagues giving her space and backing her absurdities. That be as it may, we too have been investigated every way, including upside-down. **Note the chain of Treasury Command please, for future reference: James Baker III (now serving the insects in power—again), Lloyd Bentsen, Robert Rubin, Lawrence Summers, Paul O'Neill and now John Snow.** Please remember, as well, the onslaught of such as VK with her accusations regarding such as “Inter-American...” thus and so. Well, Baker was the big player with Reagan and Bush in the Philippines and who with colleagues out of the Senatorial ranks DID-IN Marcos. So be it. **Bentsen, however, is the ONE who assisted George H.W. Bush Sr. in identifying and setting into LEGAL use Bonus 3392-181 SUPERFUND.** He wrote the qualifying documents, letters, etc., and stashed them in Treasury Department “dark archives.” Robert Rubin was, and probably continues to be, involved in a massive way in the Inter-American Investment Corporation AND THE INTER-AMERICAN DEVELOPMENT BANK (AS GOVERNOR OF SAME!) A whole bunch of what VK had to say about those circumstances and players is quite true. What she says about us and within her relationships and workings are bearing of almost NO truth. **We have come to have MANY interchanges with Lawrence Summers and have published a lot of it—prior to his becoming Treasurer and had, in fact, a lot to do most likely with his progression to that position. He was to, at our request, pass all information on to his replacement, Paul O'Neill. The loop is now circled and attached as to line of flow or, better put: hook the dots.** Why do you think, as happened, that a Paul O'Neill, US Treasurer, would end up sent to do “something” in Iraq in the middle of a war? He also knew what they were looking for as to documents, gold, and other resources where only HE could get a private foot in the door for “dealing”. And, of course, it becomes obvious that DEALS WERE MADE. Do not forget for one minute that when they got poor old drugged and groggy Saddam out of the “hole” they also got millions of dollars in currency and proclaim he had more stashed around here and there. I do not want to mislead you into thinking this is an expose by O'Neill for the book itself is authored by Ronald Suskind and will **remain historically relevant as a date and “time-line” construction of major documentation.**

WHAT EXACTLY HAVE YOU READ HERE, BEING THE ISSUES AT HAND?!

ISSUE 1. Verification of the COUNTERFEIT CDO'S written on BONUS CERTIFICATE 3392-181 “documentation” which was published Y2002 by GAIA “WE LIVE UP TO OUR AGREEMENTS. We now sit in the Philippines awaiting instructions from the FED.R./UST as to when to bring the gold home”, and

ISSUE 2. U.S. Treasury involvement in the COUNTERFEIT “CDO'S”

ISSUE 3. Saddam was SUCKED into this Counterfeit CDO Scam, as equally were the Saudi's, the Chinese and the European Banks which currently suffer “A 1980's S&L Type Banking Crisis” and

ISSUE 4. Encrypted BLACK-MAILING of U.S. Treasury Officials

ISSUE 5. Attempted “overthrow” of the Philippine President, and

ISSUE 6. Threatening THE U.S. TREASURERS operating UNDER THE EXECUTIVE AT THE WHITE HOUSE, with: “However, they will still continue to be wise enough NOT TO TAKE ON ME (DORIS J. ELOISE-EKKER (Princess Rani? of CHAPTER EIGHT FAME?) as COMMANDER HATTON OF THE OUTER SPACE-SPACE SHIP COMMAND).”

Note: A confirmation web site was also published in regards to Paul O'Neill http://www.chicagotribune.com/news/opinion/oped/chi-0401160343jan_16,1,1408368.story?coll=chi-newsopinioncommentary-hed titled WHEN AN ‘INSIDER’ SPEAKS OUT OF SCHOOL.

THE WEAPONS OF MASS DESTRUCTION

were, and will remain to be, as stated many times; “Documents verifying the Counterfeit International Banking, Financing and Economics BONUS CERTIFICATE 3392-181 instruments which have effected ENRON, PARMALAT, CHINA, JAPAN, GERMANY, LATIN AMERICA creating a “1980'S S&L TYPE BANKING CRISIS” (<http://www.theantechamber.net>). CRISIS is in THE OFFING bringing up the necessity of EXPOSING THE U.S. TREASURERS and THE “EMBASSY LEVEL” STOPPING OF INTERPOL INVESTIGATIONS into this GAIA-EKKER International Banking Terrorism which brought on this war with Iraq, has ceased when “The U.S. Ambassador to the Philippines was recalled the week prior to January 28th, 2004.”

POSTING THE “DOCUMENTS” as to the TRUE OWNERSHIP OF “BONUS 3392-181” on<http://www.theantechamber.net> and further INFORMING: THE PHILIPPINE SECURITY EXCHANGE, THE BANGKO SENTRAL of the Philippines, THE IMF, WORLD BANK, INTERNATIONAL BANKING COMMUNITY, G-7, INTERPOL and etc., Including US Sec. of the Treasury Paul O'Neill including the POSTING OF THE BODY of RUSSELL HERMAN in the PUBLIC NOTICE posted <http://www.theantechamber.net> further making note of this alleged “Space Commander Hatton's Statement: I was with Russell Herman as he drew his dying breath. He told me what he wanted me to do with the BONUS CERTIFICATE 3392-181.”

A close look at Russell's body will show the man was **tortured as he drew his dying breath. Look closely. You will find the “plugs of flesh pulled**

out”. You will find the bruising on the bottom of the feet. You will find a “rope burn over his shoulder”. All done during the time I was told “he was dead” and refused the body from August 29 through September 5, 1994.

What you will not see is the front photo showing Russell’s erection. Erections at time of death, almost always indicate SUFFOCATION. Russell was suffocated after his torture by being put into the VA FREEZER.

Additionally. You will find in the Documents Sections of the PUBLIC NOTICE posted at <http://www.theantechamber.net> (1) the Death Certificate acknowledging the date and time of death (2) Letter from VA Administrator written same date of death, prior to the alleged “death” written during office hours, mailed during office hours 9-5. Take a close look at the date and time of death on the DEATH CERTIFICATE.

The letter indicates the intent to murder Russell. The MOTIVE was exactly what is, and has gone on with these Counterfeit CDO’S currently creating “A 1980’S S&L TYPE BANKING CRISIS” brought about by the GAIA-EKKERS in a “conspiracy” while working with the US TREASURERS as admitted in their own PUBLICATIONS of the CONTACT: THE PHOENIX PROJECT JOURNAL such as the one quoted in this article. Documents posted at <http://www.theantechamber.net/#AnchorVKD> prove; RUSSELL HERMAN did not “own” or have Signatory Power to “assign” to anyone, anything involving Collateralized Debt Obligation of the United States/Peru, i.e., BONUS 3392-181.

Do your own due diligence. In doing your due diligence you will find THE WEAPONS OF MASS DESTRUCTION were, and are “COUNTERFEIT” gold instruments used to bankrupt or try to bankrupt the ASIAN BANKING and ISLAMIC BANKING.. WITH THE THROWING IN OF THE “EUROPEAN UNION’S BANKING SYSTEMS.”

At this time; Russell’s “Fox’s” are on the hunt. The “older” Grey Fox’s saw the photos posted on<http://www.theantechamber.net> and what happened to their “superior officer,” “business associate,” “mentor,” and “friend.”

Good hunting to these men and women.

Currently V.K. Durham also recommends reading “The Roosevelt Myth” which was written by John T. Flynn, a newspaperman and columnist, who had always seen himself as being a progressive or an old-style liberal: his book was first published in 1948, and it was revised in 1956 and re-issued in 1998 in a 50th Anniversary Edition by the publishers Fox & Wilkes of San Francisco, California.

We [CONTACT] suggest that any of you who believe the above nonsense find, please, the copies of the MOAs we use and the Public Notices published. We do NOT participate or allow any use of any of our assets in derivatives, rollover, trading or high-yield programs. It might be suggested that Ms. Durham must have very brown eyes along with all the total absurdities regarding Mr. Herrman’s body in death along with her excuses for her apparently criminal activities as regards Mr. Herrman AND his holdings.

VK Durham Blathers: “Hostile Banking & British Debt”

3/2/04—#1 (17-199)
MON., MAR. 2, 2004 8:55 A.M. YR 17, DAY 199
Manila, Philippines

RE: LEGAL NEED TO PUBLISH VK
DURHAM, *ET AL.*, MATERIAL

PUBLISHING: LEGAL REQUIREMENT

It is required that we publish sufficient evidence as information and public notice of the Internet accusations and information being published globally by VK Durham and her associates, web-masters and editor-writers relating to our position, holdings and persons.

[D: This is the second writing to which we referred yesterday. As a way to distinguish one from another in responding or publishing the various separate postings we will also note that today is March 2, 2004 (for legal reference of our publishing/writing on the particular posting). Number one was from VK Durham’s website while number 2 (this one) and number 3 (the next one) are from Rumor Mill’s site and should be noted because it is difficult to recognize that the “OBVIOUS INTENT” is to cause the posting to appear to be by “Patriotlad” posting FOR VK Durham. It IS legally mandatory to note the difference.]

As we move on into the posting of VK Durham, *et al.*, of Feb. 14, 2004 we should note a few things for reference. One item is especially offensive as we have had to do a great deal of research to figure out what is something called “CDOs”.

We Ekkers have been accused of wiping out the world economies and all nations, citizens and you name it, through use of these “CDOs” and “COUNTERFEIT CDOs” that are somehow supposedly written “on Bonus 3392-181 to back the EURO. THE CREDITOR was sitting and watching.”

The continuation reads: “The Creditor then notifies all INTERNATIONAL BANKS of this ‘GOLD SCAM’ by the Federal Reserve and Agents of the Crown of England, operating as THE U.S. FEDERAL RESERVE and U.S. FOREIGN FEDERAL RESERVE, a hostile corporation operating ‘not in compliance with law’ as mandated by these Act of Congress.”

So what are “CDOs”?
THERE IS NO SUCH THING! Just another VK invention.

Have you ever heard of “Collateralized Debt Obligations”? How about “NOT NOW PERFORMING GOLD DERIVATIVES”?

Now, by either definition IT LEAVES US OUT. But to use such fraudulent and meaningless expressions to misinform and defame us is totally libelous. It becomes obvious to us that she has lied and cheated for so long that she has no reasonable expectation of anything she claims to hold and not an inkling of what WAS and, much the less, WHAT IS.

For VK and her “etalliis” (another of her fabricated terms) to present this garbage as real is outright FRAUD—starting with Rayelan Russbacher Allen at Rumor Mill Reading Room—and infecting her “good” readers as well as the rest.

To check this out, of course, we could call up the IMF, World Bank, Bank of International Settlements (all three of these are in the midst of having “Mission” meetings right here in Manila, Philippines NOW), and ask them about CDOs! **THERE IS NO SUCH THING! Neither does there exist any TRUST and certainly not through any of the BS nonsense presented by VK and her et als. This TRUST is referred to over and over again as: “The Durham (Int. Ltd;) Holding Trust (TIAS 120870) known as BONUS 3392-181”. THERE IS NO SUCH THING.**

With this in mind as in her reference to “October 2003. The DEBT SWAP, DEBT CONVERSION, DEBT REDUCTION PAYMENT evidence/documentation has been turned over to a U.S. House Member, Steve King for CONGRESSIONAL inquiry & INVESTIGATION into these matters which, at this time, consist of FRAUDULENT ‘ACCEPTANCE OF TENDER OF PAYMENT OF GOLD DEBT’ and complying with SPECIFIC CONDITIONS identified in said PAYMENT OF U.S. DEBT by Debt Swap-Debt Conversion ‘Gold Collateral,’” can anyone make sense of this NON-sense?

She also refers to: “SOURCE OF GOLD COLLATERAL ‘PAYMENT OF U.S. DEBT’”.

I will now change the topic to that which is not referenced herein but this will get some top billing from “our side” later as time permits as the new evidence and involvement of BCCI (Bank) unfolds.

VK has loved to tell her colorful tale of George HW Bush calling her and Russell one day and when she demanded to know from where he was calling he supposedly responded: “From my desk at BCCI...” She claims to have called him some very colorful names and reminded him that as President he COULD NOT HAVE A DESK AT BCCI. Well, it is all popping out NOW as to that buried association, especially around the early ’90s that everything was entangled with Bush’s CIA. OH WELL....

Subject: Fw: THE QUEEN’S Knight, Sir ALAN GREENSPAN’S CONTEMPT of & for CONGRESS

[quote closing statement U.S. House Financial Services Committee, Feb. 11, 2004]:
“The power we have is granted by you/lawmakers ... But of course, Lawmakers follow the money printing press, so who is controlling who!?”
Additional CONTEMPT OF CONGRESS statement: “At the beginning of 2003, the level of debt that American’s owed as an absolute amount, and as a ratio of income, was already approaching levels never seen before. Debt can be handled in a number of ways:
1) earn enough money to pay it off;
2) default;
3) borrow more;; or
4) pray for inflation so you can earn more dollars (but really pay back less)”

Thanks to U.S. Congressman Ron Paul for alerting We, the People of the Candid Court of Opinion of the Public at Large, and making the obvious Contempt of Congress evidenced by Fed. R. Chairman, Sir Alan Greenspan, a Knight of the Queen of England during February 11, 2004 U.S. House Financial Services Committee.

<http://www.moneyfiles.org>
First—let’s take a look at what is meant by Contempt of Congress. Contempt of Congress is the same as Contempt of Court.

Contempt of Congress “is any act which is calculated to embarrass, hinder, or obstruct court/ congress in administration of justice, or which is calculated to lessen its authority or its dignity. Committed by a person who does any act in willful contravention of its authority or dignity, or tending to impede or frustrate the administration of justice/ congress, or by one who, being under the court’s/ congressional authority as a party to a proceeding therein, willfully disobeys its lawful orders or fails to comply with an undertaking which he has given.”

Contempt of Act of Congress and Contempt of Constitution [Law] is evidenced by the refusal to abide by the Acts of Congress December 23rd, 1913 and December 24th, 1919 which by Act of Congress mandated—”The Federal Reserve must at all times be in compliance with Law.”

Contempt of Act of Congress and Contempt of Constitution [Law] occurred again March 1933 when F. D. Roosevelt “breached” his Presidential Duties to the Constitution [Law] of the Land by his refusal to instruct The U.S. House of Representatives to collect

the monies owed to the United States of America by England [1871-72 GENEVA COURT AWARDS the United States \$15,500,000 GOLD for damages to American shipping, during the Civil War, by Confederate privateers The Alabama fitted out in British ports, and allowed to depart in violation of neutrality obligations.]

Please pay close ATTENTION, Americans—
We, the People—Put that \$15,500,000.00 GOLD PAYMENT owed as an Award to the U.S. into your computer calculators and do the multiples on Principal and Interest compoundings in default at the accepted rate of calculations on compounding after “10 years at 4 %, and then in non payment” at FORTY FOUR PER CENTUM on the P & I per annum from 1885 to 2004 as DEBT owed to the UNITED STATES, organic, i.e., We, the People!

We, the Citizens of the United States OWE WHAT?! TO WHOM?! Get real! It is the other way around!

THE ENGLISH DEBT WAS ADDRESSED
ON THE U.S. HOUSE FLOOR 1933-34

These issues of England’s Debt to the U.S. were addressed on the floor of the House of Representatives, to wit:

“The Bank for International Settlements is an international bankers’ bank. It is a central bank of central banks.

“The international bankers, who brought about the Depression, have been drawing gold to themselves from the common people of every land. It is their intention to use that gold for their own purposes. They propose two kinds of money.

“Gold—the real money—is what they intend to have for their own purposes. [While] paper money, which has no intrinsic value in itself, and which is made out of nothing and is worth nothing unless it can be redeemed by the holder in gold—that is for the common people, or as they call us, the peasants

“THE UNITED STATES has been PLACED in a POSITION OF FINANCIAL SERVITUDE TO GREAT BRITAIN, and Mr. Morgenthau’s loud-sounding propaganda is designed to conceal that fact from the people. Great pains have been taken to conceal it.

“It would be very damaging to this administration if certain people in the United States should find out about the great sums of United States money which have been sent to England during the past summer. Those funds were appropriated by the Congress for the People of the United States.

“MR. CHAIRMAN, WHY SHOULD AMERICAN TAX MONEY PAID BY AMERICAN CITIZENS BE SENT TO LONDON? When England makes her periodical gesture of insult toward the United States by paying a small installment of the war debt which she owes us, she pays us in debased coins, in “token” coins, to be exact.

“But when Mr. Roosevelt sends American money to England he sends it in gold or its equivalent. When Mr. Morgenthau obtains his “kitty,” for this, I have been told, is what he called the proposed stabilization fund [later created under Section 10 of the Gold

Reserve Act, 1934] at the White House a week ago last Sunday evening, American funds will be fed to Europe more expeditiously and with less secrecy than such operations now require.

“If Congress puts the people’s property into a “kitty,” someone, if he cannot by knight of the bedchamber, can at least pose before royalty as the knight of the “kitty.”

FOR “SIR ALAN GREENSPAN to show such CONTEMPT OF CONGRESS and CONTEMPT OF CONSTITUTION on February 11, 2004 is beyond comprehension!

ESPECIALLY WHEN IT IS A MATTER OF RECORD—

SINCE 1871-72 ENGLAND’S CORPORATE BANKING ARM of the ROTHSCHILD BANKING cartel has been operating here in THE UNITED STATES, AND ABROAD, while REPRESENTING THEMSELVES as “THE HIGHEST POWER OF THE UNITED STATES.” They are now known as the U.S. Federal Reserve and U.S. Foreign Federal Reserve Banking Systems “Trust” and they owe We, the People, outstanding DEBTS which far exceed the alleged U.S. Debt.

They owe it IN GOLD!
THE ULTIMATE CONTEMPT FOR THE AMERICAN PEOPLE AND FOR THE CONSTITUTIONAL GOVERNMENT OF THE UNITED STATES is more than evidenced in Sir Alan Greenspan’s contemptuous statements made to Congress, February 11th:

“At the beginning of 2003, the level of debt that American’s owed as an absolute amount, and as a ratio of income, was already approaching levels never seen before. Debt can be handled in a number of ways:

- 1) earn enough money to pay it off;
- 2) default;
- 3) borrow even more; or,
- 4) pray for inflation so you can earn more dollars (but really pay back less).”

Mr. Greenspan knows very well that the U.S. DEBT was paid on MAY 21, 2003 through a DEBT SWAP- DEBT CONVERSION, DEBT REDUCTION Lawful Tender, in the agreed upon amount of \$6.5 TRILLION DOLLARS GOLD COLLATERAL by the duly constituted, PRIMARY, OUTSTANDING CREDITOR of the UNITED STATES.

Instead of SPECIFIC PERFORMANCE per the TERMS & CONDITIONS OF PAYMENT OF U.S. DEBT, this so-called FEDERAL RESERVE “INJECTED UNLIMITED FUNDS in the STOCK MARKETS by JUNE 16th, 2003.”

This is a matter of international Stock Markets Records at that time.

October 2003. The DEBT SWAP, DEBT CONVERSION, DEBT REDUCTION PAYMENT evidence/documentation has been turned over to a U.S. House Member, Steve King for CONGRESSIONAL inquiry & INVESTIGATION into these matters which, at this time, consist of FRAUDULENT “ACCEPTANCE OF TENDER OF PAYMENT OF GOLD DEBT” and complying with SPECIFIC CONDITIONS identified in said PAYMENT OF U.S. DEBT by Debt Swap-Debt Conversion “Gold Collateral.”

SOURCE OF GOLD COLLATERAL
“PAYMENT OF U.S. DEBT”

The only remaining, in existence, Perfected Sovereign Debt Instruments held in The Durham (Int. Ltd;) Holding Trust (TIAS 120870) known as BONUS 3392-181.

Assumed by the United States via the Corollary to the Monroe Doctrine, Resolved by the U.S. House 1905-06.

WHY did the U.S. NOT PAY the HOLDER/BEARER of the Latin American Bills of Lading sold in New York (May 1, 1875)?

SECTION 43.— FEDERAL FOREIGN BANKING ACT (Dec. 24, 1919) in regards to the Latin American Debts on Bills of Lading sold in New York:

“To facilitate the handling and financing of the great volume of such foreign business, these countries extended their banking facilities to these foreign fields, with the result that our own exporters were at a decided disadvantage, losing to their competitors the trade that was not in a position or willing to make payment in New York against bills of lading.”

The TRADE identified is W.R. GRACE, J.P. MORGAN, ROTHSCHILD’S ENGLISH BANKING actively engaged in GUANO/NITRATES of Latin America at that time which was the actual cause of the American Civil War also known as THE COTTON WAR because the issues were SOUTHERN STATES COTTON EXPORTS outpacing ENGLAND’S COTTON PRODUCTION. This is why ENGLAND had her ROYAL SELF sued by the U.S. in regards to the ALABAMA CLAIMS.

THE “DEBTORS” which the FOREIGN BANKING “ROTHSCHILD’S, J.P. MORGAN, W.R. GRACE” Did not want to pay, were not prepared to pay is the old Commodity Contract known as BONUS 3392-181 held in Trust.

The Trust also, further, holds THE LIENS on The Corporation of the U.S., The Company of the U.S., on all GOLD, in all ACCOUNTS, DEPOSITORIES, REPOSITORIES, KNOWN AND YET TO BE KNOWN, and of ALL U.S. DEBTORS.”

THE ISSUES raised by “SIR ALAN GREENSPAN,” who is now an Agent of the Queen of England, and by his CONTEMPT For CONGRESS, and his outright CONTEMPT of our CONSTITUTION becomes OBSCENE in its very nature when these facts are clearly understood.

THE U.S. owes “NO DEBT” to England, to her KNIGHTS operating within the United States as a HOSTILE GOVERNMENT Agency operating openly, maliciously, and with intent to cause HARM to, and against the Sovereign Civil Government of the United States.

Nor do THE AMERICAN PEOPLE of the AMERICAN CONTINENTS as alleged by THE QUEENS KNIGHT OPERATING the HOSTILE CORPORATION OF THE FEDERAL RESERVE BANKING SYSTEM, owe the HOSTILES of the Foreign Government of the British Empire known as THE UNITED KINGDOM.

On the other hand, ENGLAND and her “KNIGHTS OPERATING A HOSTILE CORPORATION known as the FEDERAL RESERVE BANKING TRUST SYSTEM” owe the

American Tax Papers the outstanding GOLD DEBTS plus all interest rendered by adjudication and awarded to the United States from The Alabama Claims of 1871-72, including THE DEBT OWED ON “BONUS 3392-181” which by Legislative Act:

“THE HOLDER/BEARER HAS THE RIGHTS TO MORTGAGE THE NATURAL RESOURCES. WHICH SHALL REMAIN IN EFFECT UNTIL PAID.”

SIR ALAN and her ROYAL “SELF” Elizabeth II, currently have difficulty in passing off “Federal Reserve Notes” in the International Banking, Financing and Economic Systems”

What “her royal self” and Sir Alan, including various sub-alterns and co-conspirators (like the Ekkers of GAIA) had hoped would happen when Sir Alan Greenspan of the U.S. Federal Banking System helped to set up the EURO DOLLAR—they had hoped all this DECEPTIVE, fraudulent banking PRACTICE would be hidden by FORCING a U.S. BANKRUPTCY with COUNTERFEIT “CDO’S” also known as “NOT NOW PERFORMING GOLD DERIVATIVES” ...

BEFORE A FORECLOSURE ON THE U.S. can happen; the PRIMARY CREDITOR must be paid.

Sir Alan ... when setting up EURO DOLLAR SYSTEMS ... blew it BIG TIME!

They were using the COUNTERFEIT CDO’S written on Bonus 3392-181 to back the EURO. THE CREDITOR was sitting and watching.

The Creditor then notifies all INTERNATIONAL BANKS of this “GOLD SCAM” by the Federal Reserve and Agents of the Crown of England, operating as THE U.S. FEDERAL RESERVE and U.S. FOREIGN FEDERAL RESERVE, a hostile corporation operating “not in compliance with law” as mandated by these Act of Congress.

THE CAT’S OUT OF THE BAG in the INTERNATIONAL BANKING community, AS TO “WHO OWES WHAT, AND TO WHOM IT IS OWED” —

IT IS TIME “CONGRESS DEMANDED PAYMENT from HER ROYAL SELF, and HER “HOSTILE CORPORATE CORPORATIONS” operating within the UNITED STATES of AMERICA AND ABROAD, ALLEGING THEMSELVES AS GUARANTORS OF PAYMENT OF THE U.S. DEBTS.

CONGRESS! GET YOUR CALCULATORS OUT, CALL THE DEBT PAYMENTS DUE AND PAYABLE IN GOLD, GOLD COIN, GOLD BULLION AND/OR COIN OF THE REALM OWED TO THE U.S. TAXPAYERS!

Just in case CONGRESSIONAL NOTICE has not been taken:

Take a good look at THE AMERICAN CONTINENT—it is FUNCTIONALLY OBSOLETE in Manufacturing, Industry, Product, Housing, Research and Development, Education, Health Care, Farming etc.

It is high time we put her BACK TOGETHER AGAIN! Time is OVER DUE in the restoration of the good faith and credit of THE UNITED STATES OF AMERICA with our International Communities ...

If these PREDATORY “HOSTILE” BANKING PRACTICES are not stopped, and stopped immediately; THE UNITED STATES will STAND

ALONE.

Many NATIONS ARE FED UP WITH “ABUSE” of their own sovereignty, nations’ peoples, by HOSTILE AGENTS OF THE QUEEN OF ENGLAND’S CORPORATIONS using the U.S. of A. as her “enforcement arm”.

Time it stopped.

[END QUOTING]

In signing off on this segment I can only suggest to our readers that you pay very close attention to what is taking place here.

This would have little meaning in the overall scheme of life—except that her trash has infiltrated every department of government here as well as circulated within the banking community—which was, of course, her intention—but, it is now going to come back to haunt the “lady” and her “etallis”.

I want to point out that just this very writing is addressed by VK to: “U.S. Congressman Steve King; U.S. congressman Ron Paul”

I don’t personally recognize “Steve King” but I do recognize and TOTALLY RESPECT RON PAUL. This insult is indeed great, readers.

How can we ever change into something BETTER when this is what we already are and what we wear to “show and tell”?

The question always follows: “Why don’t you sue and get whatever she has?” WHY? She has never had anything and never will. To shut her up? Her crazy rantings may insult us but they also discredit herself. Our turn will come.

Editor’s Note Re Space Constraints

With regard to our current budget we are limited to running just 16 pages per issue for the foreseeable future. As you might note, many pages have been devoted to running numerous Legal Notices and that will continue through the next issue, which is planned for publication on March 24.

This issue focuses on the mandatory legal requirement of publishing “some” of what VK Durham has put into the public domain in her never-ending quest to be Queen of the World. For those lacking in comedic entertainment, feel free to visit “her” website at <http://www.theantechamber.net>—there is plenty of “fresh material” there to keep you laughing.

For the second consecutive issue there simply is not enough room to run the next installment (Part 5) of the Mercier Synopsis material, so we will continue to hold until space becomes available—probably following the March 24 issue.

Readers can also look forward to re-presentation of the more technical information regarding Gaiandriana/chondriana as requested by GCH, which is invaluable in light of the progression of so-called “Mad Cow” disease, globally.

Thank you for your patience and understanding as we work our way through these trying circumstances.

PUBLISHING: LEGAL REQUIREMENT

It is required that we publish sufficient evidence as information and public notice of the Internet accusations and information being published globally by VK Durham and her associates, web-masters and editor-writers relating to our position, holdings, and persons.

* * *

Yes it IS annoying to have to waste precious time and space on this ongoing rubbish—but the treasure from the rubbish is yet to come.

This next presentation becomes more important than perhaps the first two of this particular series because VK digresses into the BS concerning Col. Russell “Herrman”.

The point at issue, however, is also addressed by E.J. as to the absurd rantings regarding Automatic Teller Machines as “explained” by VK.

The more absurd is, however, the references to “confiscations” and “drilled” safety deposit boxes, etc. She claims this all happened before and these “New Bankers” plan to do it again. The dates she gives for reference are 1907, 1919 and 1929. This coincides with NOTHING. None of those dates given are reflective of the “GOLD DEBACLE” and confiscation of historical importance. AREN’T THINGS ALREADY BAD ENOUGH WITHOUT THIS DISINFORMATION?

ANOTHER LIE: “One of our banks which had long held our BONUS 3392-181 PERFECTED TITLE and TRUST DOCUMENTS ‘in safe keeping,’ advised us to ‘COME AND GET EVERYTHING UT OF THE BANK, ASAP.’”

BS! SQUARED.

There is NO “PERFECTED TITLE” or “TRUST DOCUMENTS” so they can’t be in any bank—period.

VK also refers to something called “Legislative Commodity Contract”. Another total fabrication.

VK continues to state: “The reality of the Commodity Contract is indisputable: it has been used without authorization so many times that it takes a whole day to count the violations. This is what was being used without Trust Authorization to ‘take the entire global banking, financing and economics hostage, and only V.K. Durham, would know the truth’ by the two Ekkers of GAIA.”

Continuing: “Bankers in China, Malaysia, Indonesia, the Philippines and in Europe now know—in detail—that Deeds of Assignment written on the Bonus 3392-181 are the NOT NOW PERFORMING

financial instruments sometimes called ‘GOLD DERIVATIVES’.”

How interesting to you inquiring minds that the ONLY “Assignments” remotely resembling such a statement were those issued BY VK DURHAM in Illinois following the death of her “claimed” husband, Russell Herrman. We are left to “suppose” that these are the now referenced “CDOs” or perhaps “Collateralized Debt Obligations”?

Another big and interesting statement in THIS writing: “THERE IS NO such thing as a ‘BONUS CERTIFICATE 3392-181’.”

Moreover, she continues: “It’s all done under ‘Idem Sonans’ just as the U.S. Secretary of the Treasury, Mr. Robert Rubin, has been caught allowing the U.S. Government. Corporations incorporated by this group—the Global Alliance Investment Association (GAIA) operating out of the Philippines—by persons known as E.J. Ekker and Doris J. Ekker.” Pray tell, what are these? These are things EASILY found just by checking out “incorporation” information. The ONE you WILL find on the Nevada “corporations” listing is Cosmos Seafood Energy Marketing, Ltd. of 1985—and we are the listed Directors and Officers. So be it and under which of VK’s “shells” is the rotten pea?

Since it matters not one iota whether or not there IS a certificate 3392-181, I suggest that it is exactly the way it IS. It was changed out to be an IDENTIFIABLY OWNED “contract/jurat” and put 100% into the ownership of CSEML and this is A FACT! Therefore, when VK Durham claims to have the documents, photographs of the instrument(s), etc., she is UNLAWFULLY holding documents BELONGING TO CSEML. This is CRIMINAL action and a FELONY CRIME.

What Mr. Bush may or may not have done with his SUPERFUND is not our concern. We are not at war with Mr. Bush. The fact that Mr. Bush had the asset validated is indeed of importance and what he or his kin wish to do about Ms. Durham is solely at their discretion—NOT OURS.

With the above in mind we will copy the following [QUOTING]:

PANIC OF FEBRUARY, 1933 (Patriotlad)

Dear Friends, Patriots and Gold-bugs everywhere: The following message was provided exclusively to Rumor Mill News by the CEO and Signatory of the Durham Trust, Ms. Vina K. Durham (widow of Colonel Russell Herrman, OSS/CIA, and originally of the Coast Guard), with admonitions and words of

warning to all gold traders, coin dealers who trade in gold and silver, and gold mining interests; and to the sovereign Citizens of the country:

“Inventory your assets now,” advises V.K. Durham, “and decide whether or not you and your partners or your family can risk having physical gold, keepsake jewelry, silver coins and any precious ‘gems’ or gold-backed bonds or certificates confiscated by agents of the Internal Revenue Service [?], in the near future.”

Ms. Durham was responding to a direct question from Rumor Mill News concerning reports of locked or frozen **Automated Teller Machines** noted around New England, on the federal holiday of Monday the 16th of February.

The question was put—why were grocery stores able to accept checks, use Telecheck, or another system, and give cash back to their customers, while the same store terminals were rejecting ATM cards at that very same time? Numerous attempts by different customers, seeking to use their ATM cards, and being rejected, were observed in the middle of the afternoon.

Why did the ATM installations at five different banks or credit unions, in southern Connecticut, all report errors, refuse to accept PIN codes, or appear to be electronically frozen on that day? Yet less than twenty-four hours later, early in the day of February 17th, those same ATM terminals were fully functional and reporting properly on the same ATM card which had been labelled with “Not A Valid PIN” on the 16th?

V.K. Durham asserts that by using a parallel reporting system, Telecheck and other check verification services were informed that customers writing checks had valid funds available (or a history of writing bad drafts, etc.), while the funds in these second-level banks were actually withdrawn over the week-end and “rolled” by insiders at the Federal Reserve System or at banks under their direct supervision.

ATM terminals tapped directly into banking or credit union accounts were therefore set to issue error messages. However in some cases, like entering the same request four times in order, the ATM terminal would respond with a “zero balance” message and CONTACT YOUR BANK or card issuer!!

V.K. Durham believes, based on information from her sources in the financial industry, and watchdog groups, that the Federal Reserve bankers were scrambling to cover calls on outstanding debts owed by the Federal Reserve System to other central banks, and Bills of Exchange being presented by holders in due course. Your “money” was borrowed without your permission and without any premium being paid to you for the use of it over forty-eight or seventy-two hours. Monday was a banking holiday, of course. [Please see Note below.]

V.K. Durham further asserts that her sources have warned of an imminent move by Internal Revenue agents operating with or without warrants, to raid safety deposit boxes in smaller banks and to confiscate any gold or silver, or cached money found there, in the name of “an Anti-Terrorism investigation.” Bankers who do not comply with their orders to open such boxes will be detained and the boxes will be drilled (destroyed). Drilled boxes will not have their inventories receipted.

The entirety of her message follows, and

In Response To: HOOVER AND THE BANKING PANIC OF FEBRUARY, 1933 (Patriotlad)

The following Resolution was written by Eugene Meyers and the New York Bankers, and it was given to President Herbert Hoover at 10:00 PM on March 3rd, 1933.

Resolution Adopted by the Federal Reserve Board of New York

WHEREAS, In the opinion of the Board of Directors of the Federal Reserve Bank of New York, the continued and increasing withdrawal of currency and gold from the banks of the country has now created a national emergency, and

WHEREAS, It is understood the adequate remedial measures cannot be enacted before tomorrow morning,

NOW, THEREFORE, BE IT RESOLVED, That in this emergency the Federal Reserve Board is hereby requested to urge the President of the United States to declare a bank holiday Saturday, March 4, and Monday, March 6, in order to afford opportunity to governmental authorities and banks themselves to take such measures as may be necessary to protect the interests of the people and promptly to provide adequate banking and credit facilities for all parts of the country.

Proposed Executive Order
EXECUTIVE ORDER

WHEREAS the nation’s banking institution’s are being subjected to heavy withdrawals of currency for hoarding; and

WHEREAS there is increasing speculative activity in foreign exchanges; and

WHEREAS these conditions have created a national emergency in which it is in the best interest of all bank depositors that a period of respite be provided with a view to preventing further hoarding of coin, bullion or currency or speculation in foreign exchange, and permitting the application of appropriate measures for dealing with the emergency in order to protect the interests of all the people; and

WHEREAS it is provided in Section 5 (b) of the Act of October 6, 1917, as amended, that “The President may investigate, regulate, or prohibit, under such rules and regulations as he may prescribe, by means of licenses or otherwise, any transactions in foreign exchange and the export, hoarding, melting, or earmarking of gold or silver coin or bullion or currency * * *”; and

WHEREAS it is provided in Section 16 of the said Act that “Whoever shall willfully violate any of the

provisions of this Act or of any license, rule, or regulation issued thereunder, and whoever shall willfully violate, neglect, or refuse to comply with any order of the President issued in compliance with the provisions of this Act shall, upon conviction, be fined not more than \$10,000, or, if a natural person, imprisoned for not more than ten years, or both * * *”;

NOW, THEREFORE, pursuant to the authority granted by said Act, I hereby order, direct and declare that:

1. From Saturday, the fourth day of March, to Tuesday, the Seventh day of March, Nineteen Hundred and Thirty Three, both dates inclusive, there shall be maintained and observed throughout the United States of America a bank holiday for all of the purposes hereinafter set forth;

2. During said holiday, no banking institution as hereinafter defined shall pay out, export, earmark, or permit the withdrawal or transfer in any manner or by any device whatsoever of any gold or silver coin or bullion or currency or take any other action which might facilitate the hoarding thereof; nor shall any such banking institution pay out deposits, make loans or discounts, deal in foreign exchange, or transact any other banking business whatsoever.

3. Upon the expiration of said holiday and until otherwise ordered by the President of the United States, such banking institutions may pay out, export, earmark or permit the withdrawal or transfer of gold or silver coin or bullion or currency, or deal in foreign exchange to extent as may be permitted by license or otherwise under regulations issued by the Secretary of the Treasury with the approval of the President.

4. The Secretary of the Treasury, with the approval of the President, is authorized and empowered to prescribe such regulations as he may find necessary to carry out the purposes of the order.

5. The term “banking institution” as herein used shall include all Federal reserve banks, national banking associations, banks trust companies, savings banks, building and loan associations, credit unions, or other corporations, partnerships, associations or persons engaged in the business of receiving deposits, making loans, discounting business paper, or transacting any other form of banking business.

The White House
March, 1933.

The following is a letter sent by President Hoover to Eugene Meyer, Governor of the Federal Reserve Board:

My dear Governor Meyer:

I received at half past one this morning your letter dated March 3rd. I must assume that this letter was written on the basis of information received by you prior to 11:30 o’clock last night for the reason that before your letter was sent you had certain information as follows:

a. At 11 o’clock last night the President elect had informed me he did not wish such a proclamation issued.

b. The Attorney General had renewed the same opinion which he had already given to the Board that the authorities on which you were relying were inadequate unless supported by the incoming Administration.

c. That groups of representative bankers in both Chicago and New York, embracing members of the Board of Directors of the Federal Reserve Banks in those cities, were then in conference with the governors of the states of Illinois and New York, and

that the governors of these two states were prepared to act if these representative groups so recommended. It appears that the governors did take action under their authorities, declaring a temporary holiday in these two critical states, and thus accomplishing the major purposes which the Board apparently had in mind.

In view of the above I am at a loss to understand why such a communication should have been sent to me in the last few hours of this Administration, which I believe the Board must now admit was neither justified nor necessary.

Yours faithfully,
Herbert Hoover
[Eugene Meyer, Federal Reserve Board, Washington, D.C.]

Franklin Delano Roosevelt did not campaign on a platform of aiding and assisting the banking fraternity of New York, London and Paris in their plan to enchain and enslave the people of the United State of America with unrepayable debt, fiat money, and unresolvable mortgages on their lands, properties and the indentured servitude of themselves and their children, in perpetuity.

He lied.

[Return to quoting Ms Durham:] When issues such as identified in your article on Hoover and Meyer of the Federal Reserve, are contemplated, and such agreements/contracts are entered into, the Elements of Contract (Constitutional) Law, must be present.

1. The parties must be of capacity to enter into this alleged agreement/contract;

a. The President [Hoover] was not “of capacity” nor was the U.S. House of Representatives to “grant or give away, that which was not theirs to “grant or give”, or

b. to supersede THE BILL OF RIGHTS of the Civil Governments of the Union of the states of the Republic.

2. Such “contracts/agreements” must have a beginning, and ENDING DATE terminating the alleged agreement/contract;

a. No such beginning and ending dates are contained within these alleged “agreements” whether bankruptcies or contracts for Debt Management.

b. The bank holiday was limited in Roosevelt’s subsequent declaration—based as it was on the same essential plan which Meyer and Hoover discussed in a number of ways—but the solution proposed, which led to withdrawing United States’ Certificates payable in gold *while quietly collecting silver coins, as well, both to be replaced by Federal Reserve Notes*, had no time limit of any kind. As an agreement it is therefore fundamentally flawed and inoperable, under the Constitution!!

THE U.S. DEBT & AMERICAN CONTINENTAL DEBT

More than six months ago, the so-called ‘national debt’ of the United States of America was paid off, and has been paid off in lawful GOLD COLLATERAL to the English QUEEN’S “CORPORATIONS,” i.e., the ROTHSCHILDS’ group and thus to their allies’ FEDERAL RESERVE BANKING SYSTEM. The deal was simple—take the debt swap, zero out the alleged “national debt,” and return all of the mortgages removed from the United States to Europe in December of 2003, and mark them “paid in full.” All of them.

The liquidation of this alleged debt was paid to the tune of \$6.5 Trillion Dollars in a DEBT SWAP,

DEBT CONVERSION by using “GOLD EQUITY COLLATERAL held in Trust.” This was done in good faith, despite the fact that over ninety years’ time, the Federal Reserve System has never published an audit nor been audited by the proper authorities of the Executive branch of government, nor by any Congressional investigating committee !!

The debt swap was offered to Sir Alan Greenspan and approved by both George W. Bush and by officials at the Central Intelligence Agency, so there can be NO QUESTION that this legitimate transaction and offer was in any way a threat to “national security” or an impediment to “Homeland security.” Greenspan and his confederates simply “welched” on the deal and kept the collateral/money, and another \$ 6.5 Trillion which had been assigned for deployment among the several States of the Republic.

In other words, the Queen’s “yes-men” at the Federal Reserve made an agreement with a lawful time limit, then embezzled the funds and cheated both the Durham Trust and the people of the sovereign States united!! No wonder the stock market has been “rising.” New money ... even if it is stolen money ... always makes a market float upwards.

But of course, when the external debts accumulated by the Federal Reserve System—as the financial manager for the United States of America—reaches the \$ 400 Trillion mark, then everything begins to come undone. That is why my warning to our citizens is being issued—

Anyone having anything in those “safety deposit boxes” should carefully consider what was previously stated, because THESE SAFETY DEPOSIT boxes or units will be DRILLED by these embezzlers, calling themselves “the new bankers” and your properties will be taken from you. It happened in 1907, in 1919 and 1929. [Please see Note below.] When that happens, anything in one of those banker-controlled ‘private vaults,’ such as jewelry, title instruments, antique watches or other things of value will be taken and used as NEW COLLATERAL for these “new bankers”. It is their way of taking over and using ‘a federal law or rule’ to usurp the Constitution and State law.

One of our banks which had long held our BONUS 3392-181 PERFECTED TITLE and TRUST DOCUMENTS “in safe keeping,” advised us to “COME AND GET EVERYTHING from out of the bank, ASAP.”

We did.
We did this because we have a responsibility as the Primary Creditor of the United States of America, via its “financial management system,” the Federal Reserve System Banks. When their principals engineered the duplicitous political deals creating the private banking corporation, in 1913, they agreed to become responsible for handling the debts assumed by the United States under various agreements through 1907 and ’08. This includes all of the gold bonds, certificates and commodity contracts which certain Latin American countries, like Peru and Bolivia, had asked to be assumed.

The Tripod consirators—J.P. Morgan and W.R. Grace and the leaders of the House of Rothschild, had previously engineered the economic Panic of 1907 to set up the “necessity” for a rich country like the United States to have a “financial management team.”

This time, the new operators of the TRIPOD will not succeed, because forty-eight percent of the

OUTSTANDING DEBT owed to the “DULY CONSTITUTED, PRIMARY CREDITOR OF THE UNITED STATES AND ALL DEBTOR NATIONS” is being held in TRUST for the “CIVIL GOVERNMENTS of WE, THE PEOPLE of the UNION of these REPUBLICS;” and THOSE republican STATES south of the U.S. BORDER.

Remember, forty-eight percentum of the Notarized Calculations of December 28th, 1988, as calculated from May 1st, 1875 to May 1st, 1990 is based on the duly constituted, Legislative Commodity Contract — “Until Paid to the Holder” in gold bullion or coin: that is, forty-eight percentum of —

\$206,858,581,465,280,000,000.00 GOLD
Additional interest added to the principal of the original contract will enlarge that amount, and thus the amount of the forty-eight percent held in trust, and all other amounts controlled by the Durham Trust, through whatever date is used to calculate its current value. The Trust will not back foreign war debt accumulated in pursuing war-fighting in violation of the Constitution. The Trust will defend the sovereign Citizens.

The reality of the Commodity Contract is indisputable: it has been used without authorization so many times that it takes a whole day to count the violations. This is what was being used without Trust Authorization to “take the entire global banking, financing and economics hostage, and only V.K. Durham, would know the truth” by the two Ekkers of GAIA.

Bankers in China, Malaysia, Indonesia, the Philippines and in Europe now know—in detail—that Deeds of Assignment written on the Bonus 3392-181 are the NOT NOW PERFORMING financial instruments sometimes called “GOLD DERIVATIVES”.

Among others, it now appears that the Ekkers were working for George H.W. Bush, former Secretary of the Treasury Lloyd Bentsen of Texas, James A. Baker III, et al. These individuals thought or believed—apparently—THE REAL BONUS 3392-181 would somehow be made “legally responsible” for these Counterfeit derivates, Deeds of Assignment and CDO’s written by these individuals. They did the “idem sonans” (a legal term for a look-alike person or entity) for various corporations, and created these Collateralized Debt Obligations in a massive global banking, financing and economics “scam.”

THEY BLEW IT BIG TIME
The keys to the truth of this matter are in the “numbers and identifiers” used by this group of malefactors in these outrages, these moral TURPITUDES, violating every banking law, and assisting in denying every Constitutional Right, every Civil Liberty of every person of We, the People, in the Union of the Republic.

And because we trade with all the countries of the world, from every state of the Union, via our federal system—every nation on this planet has been affected. And if any Reader happens to think that trading in bonds is not really important, they should ask themselves why Cantor Fitzgerald in the World Trade Center was hit head-on by the sabotage aircraft of September 11th, 2001, effectively incinerating their entire staff of seven hundred people and visitors, and the records of twenty-five per cent of the bonds traded in the United States !!!

It is good to see ‘the old boys’ affiliated with SIR Alan GREENSPAN’S “BILLIONAIRE BOYS CLUB” mentioned in Lyndon LaRouche’s comments, and in articles posted here by Rosalinda, FINALLY

getting their just DESSERTS.
This Trust will not be responsible for acts of FINANCIAL TERRORISM and FINANCIAL AGGRESSION by, and through BONUS CERTIFICATE 3392-181 instruments issued globally alleging to be “lawful collateral.
THERE IS NO such thing as a “BONUS CERTIFICATE 3392-181.”

It’s all done under “Idem Sonans” just as the U.S. Secretary of the Treasury, Mr. Robert Rubin, has been caught allowing the U.S. Government. Corporations incorporated by this group—the Global Alliance Investment Association (GAIA) operating out of the Philippines—by persons known as E. J. Ekker and Doris J. Ekker.

The VICTIMIZED sovereign nations have all been notified and currently have authentic COPIES of OWERSHIP and the TITLE INSTRUMENTS evidencing the TRUE OWNER as V.K. DURHAM. Those TITLE INSTRUMENTS are held in Trust as has previously been explained.

THESE dummy corporations and the bankers who have been using them to flog counterfeit instruments based on the legitimate Commodity Contract, ARE GOING DOWN.

That is why this warning is being issued. The next set of coming events are not going to be “pretty.” Indeed, these bankers of FACTION 1 are trying hard, and MOVING FAST in their effort to “ABORT” what has already HAPPENED.

On a personal note, it feels very good to finally be able to tell you Colonel Russell Herrman’s loyal friends, brave men, are NO LONGER IN HIDING; like the bankers of Indonesia and Malaysia, they now KNOW WHAT REALLY HAPPENED, AND WHO DID ALL OF THIS PREDATORY embezzling in the name of their own profits.

The only other clues I can give at this time are to say, get your valuables out of your bank vault or deposit boxes, inventory them to be sure your property hasn’t been pilfered already, and then WATCH what happens in BANKING IN THE U.S., EUROPE, ASIA and even in AFRICA.
Signed, V.K. Durham ~ CEO and Signatory of the Durham Trust, holder of the Peruvian Commodity Contract the Bonus 3392

[END QUOTING]
[Notes from EJE: Ms. Durham explains how the ATM terminal problem in New England was caused by making the statement: “Your ‘money’ was borrowed without your permission...” (ostensibly to pay off a “call” from other Central Banks against the FED). Anyone understanding a small modicum of banking principles would recognize that as a wild (and impossible) speculation. Her next assertion, “while quietly collecting silver coins, as well” is just as foolish. Finally, she alleges that “It happened in 1907, in 1919 and 1929,” (referring to confiscation of gold) which is, of course, an outright lie. Coming toward the end of her dissertation as it does causes us to speculate that her good judgment was being influenced by her cheap wine. Perhaps we shouldn’t carp, however, since her diatribes serve so well to discredit her claims while always adding to the credibility of ours. Besides, if someone (Patriotlad?) had not sought her expert opinion regarding the Meyer/Hoover letters, we may have missed them forever. We can now appreciate better the fact that even in 1933 the FED thought it was running the country—and soon proved to FDR that it was.]

Since there has been no objection raised to either of the two Public Notices published December 17, 2003 in the newspaper, *CONTACT*, we will continue with their publication in subsequent issues of the same newspaper. There have been questions asked, which we deem worthy of public response with appropriate exhibits.

The first exhibit is a copy of page 4 of the Philippine Securities and Exchange Commission registration form showing the ORIGINAL five incorporators of the DON ESTEBAN BENITEZ TALLANO & DON GREGORIO MADRIGAL ACOP FOUNDATION, INC. (FDN) signed September 18, 2003 by Eddyjo and Doris J. Ekker, two (40%) of the five. The second exhibit is a copy of page 4 of the Philippine Securities and Exchange Commission registration form showing the five incorporators as submitted to the SEC, purportedly signed August 30, 2003. The third exhibit is a copy of the schedule of "contributions" of the incorporators, again showing 40% allocated to Eddyjo and Doris J. Ekker, acting in their capacity as Officers and Directors of GLOBAL ALLIANCE INVESTMENT ASSOCIATION (GAIA). We will repeat the following facts:

1. All of the expenses incident to the formation of the Foundation were paid by GAIA.

This action is taken on the advice of counsel pursuant to the following facts:

The debt of Bolivia, Chili, and Peru were assumed by the United States of America pursuant to an act of Congress in 1906. Among that debt was an unredeemed bearer gold certificate (bearer bond) #3392, issued and sold in New York City in 1875. The outstanding debt of the USA was guaranteed by the PRIVATE Federal Reserve System pursuant to the Federal Reserve Act of 1913, which of course included #3392. The bond became the property of Russell Herman, an associate of George H.W. Bush, in the late 1970s and, in the 1980s is alleged to have been used by Bush and Herman, being referred to as the "SuperFund". Because of that use, it cannot be repudiated. It was also associated with the Ferdinand Marcos/Ronald Reagan "ABL" program devised to reestablish a worldwide gold-based currency. Because it is payable in gold and is guaranteed by the FED and the owners of the FED, the International Banks, any and all gold held by any of those entities is subject to this lien.

Pursuant to the rules governing Public Notices under the Uniform Commercial Code of the USA and most other nations, this notice will be published in three consecutive issues of a newspaper of wide circulation. Copies of this Notice will be available at any of the three addresses provided above.

GLOBAL ALLIANCE INVESTMENT ASSOCIATION

PUBLIC NOTICE

December 3, 2003

This notice will be construed as a continuation of compliance with provisions necessary to establish presumed fact (Rule 301, Federal Rules of Civil Procedure, and attending State rules). All interested parties have failed to rebut any given allegation or matter of law addressed herein. The position will be construed as adequate to requirements of judicial notice, thus preserving fundamental law. A true and correct copy of this Public Notice is on file with and available for inspection at the newspaper CONTACT which is responsible for publishing the instrument as a legal notice.

This document is to notify interested parties of the intent of Global Alliance Investment Association (GAIA) to immediately render assistance to NATIONS desiring to stabilize the value of their currencies by basing them upon RESERVES of physical gold. This assistance will be comprised of one or more of the following: Calculating the amount of gold needed sufficient for its currency base; supplying the initial RESERVES to permit the Nation's purchase of the necessary initial supply of gold; sourcing the supply of gold for purchase; and stabilizing the purchase price at a level necessary to making the mining and processing of gold a profitable enterprise.

Since 1996 GAIA has contacted many nations to encourage them to consider the benefits of returning their currencies to a gold base. (Some of those benefits will be listed below.) The question inevitably arose, will there be enough gold? GAIA can now provide proof via court documents that an adequate supply not only exists but is available and under contract to GAIA. Those documents are readily available for viewing in the Executive Offices of GAIA in Manila.

While we can say with certainty that several large deposits of gold exist in the Philippines, the most accessible deposit, exceeding 100,000 metric tons, is warehoused in Metro Manila and is subject to court orders to be released to qualified buyers, any time after the year 2000. This gold will be sold only to nations whose currencies are, or are in the process of being, based upon gold.

To give them Public Notice, we will copy, very precisely, the last six paragraphs of a Certified Copy of FOURTH ALIAS WRIT OF EXECUTION, POSSESSION AND DEMOLITION received by GAIA November 25, 2003. The WRIT was ordered by Judge Sofronio C. Sayo of the Regional Trial Court in Pasay City on MARCH 7, 1995.

To fully understand the ramifications of this Order, one must also know that it was the Order of Judge Enrique A. Agana in 1976 that the Administrator establish a Foundation to administer the business of the Estate. That has been properly accomplished with a five-person Board of Directors responsible for the day-to-day operation of the Foundation. The

documentation for the Foundation is on file with the Philippine Securities and Exchange Commission. The relevant agreements are between GAIA and the Foundation.

[QUOTING the WRIT:]

6) Ordering the Court sheriff, Atty. Jose E. Ortiz, and his Deputized Private Sheriffs to collect the sum of P3 Billion plus an interest of 7% Per Annum starting 1968 to present as damages sustained by the Tallano Estate implicated by the National Government and its agencies, the National Housing Authority, the Public Estate Authority, the Department of Public Works and Highways, the Philippine National Construction Corporation, the Manila International Airport Authority, the Land Registration Administration, The Philippine Port Authority, the Base Conversion Development Authority, the University of the Philippines while damages sustained by the landowner was determined by Sec. 101 and Sec. 102 of Land Registration Act 496. Likewise, the Court Sheriff and his Deputized Private Sheriffs are also commanded to recover and/or take over the following real properties land-grabbed by the private persons, by the Barangay officials and by the national Government and its aforestated government agencies as follows:

1. Land unlawfully occupied by Philippine Port Authority, the National Housing Authority, the Public Estate Authority, the Base Conversion Authority, the Manila International Airport Authority, the Philippine National Construction Corporation.

2. Land unlawfully occupied by squatters, homeowners association, and other private persons located in Quezon City, Antipolo, Marikina, Taguig, Paranaque, Pasay City and particularly from private persons, namely: Bonifacio Regalado of Fairview, Quezon City, Jose and Antonio Suzuaregi of Old Dalara, Quezon City, Mareial Fucundo and other persons found occupying the Tallano Estate;

7) Ordering also the Sheriffs to collect/withdraw/confiscate all Gold Bullion including its cash deposits which are in the account of the late President Ferdinand E. Marcos, who was a lawyer for the clan, and either presently deposited in Central Bank, any Philippine bank here in the country or any foreign bank outside the country, including the account of the then Reverend Jose Antonio Diaz or Col. Severino Garcia Sta. Romana, while all deposits either gold or currency found deposited in the account of Dr. Alejo Rizal Lopez has been re-conveyed to and in favor of the Tallano Estate, so the same, should be recovered in favor of the Tallano clan;

8) Ordering the Sheriff to deputize the NBI, PNP, and Philippine Army to assist the recovery assigned.

9) This FOURTH ALIAS WRIT OF EXECUTION, POSSESSION AND DEMOLITION has imprescriptibility [cannot be taken away] clause until the said P3 Billion pesos including its interest has been fully collected and until the reconstituted copies of the subject land titles has been issued accordingly in favor of the Tallano

[END QUOTING]

As the Foundation withdraws and sells its gold, it can pay property and real estate taxes that have become in arrears due to the government's non-payment of the above fines and other compensation. Those taxes can flow into the municipalities where they can most quickly benefit the people. In addition, most of the "offshore deposits" made by President Marcos are dedicated to fund specific and identified projects and can be amicably released to the Foundation to be administered for their intended purpose.

The foremost, fundamental benefit offered by the Global Alliance Program and gold-based currency is: NATIONAL SOVEREIGNTY. Because gold-based currency IS "foreign exchange", and because the nation, with the assistance of GAIA, can increase its money supply to a level commensurate with its needs and abilities to build itself, there is no further need for Foreign Investors, Foreign Loans (including IMF/WB), Foreign exchange reserves, Globalization, Budget deficits, Balance of payments, Money from exports, or to "compete" with neighbor nations for the money of foreign investors, lenders, or tourists.

Nor is there any need for an Individual income tax, or a Value Added Tax, Currency fluctuations, Inflation, High interest rates, Foreclosures, Unemployment, or casino-type Stock and Bond markets.

Page 3 of 4
Public Notice 12/3/03

Each nation will have plenty of money for: Schools, Homes, Hospitals, Libraries, and Public buildings and Sports facilities; well equipped and well-paid Fire and Police forces, Coast and Forest patrols, and a well-trained, well-equipped Military; Roads & Highways, 1st class Ports and Airports, fast-craft Ferries and Hovercraft, adequate Rapid Transit and Railroads; Waste management systems that recycle, utilize, and value-enhance waste; a complete Electricity grid and more non-polluting hydro generating facilities, Irrigation and Culinary Water Distribution and Recovery systems, a national Communications Network, Employment at adequate wages for everyone who can work (rebellion, corruption, crime, gambling and drugs are less "necessary" in a prosperous society), the return of overseas workers to even better jobs in their home nation, and Reforestation programs for those areas that have suffered deforestation (the remainder of pristine growth can be saved and the need for lumber can be supplied by plantations).

GAIA is an "alliance association", ready, willing and able to serve the global community without assistance from such institutions as the International Monetary Fund, the World Bank operations, or the Federal Reserve or U.S. Treasury.

IT IS HEREBY RESOLVED that a copy of the stamped document returned by the Recorder of Clark County, Nevada will be included as a part of each information package provided to DEEDholders.

IN WITNESS WHEREOF, the undersigned have executed and sealed this authorization as of the date hereof.

Notices will appear in three consecutive issues, in compliance with the terms of the Uniform Commercial Code regarding sufficient Legal Notice.

PUBLIC NOTICE
SEVERANCE AND WAIVER, FORFEITURE AND REJECTION OF
BENEFITS OFFERED BY THE CROWN, THE UNITED STATES
AND ASSOCIATED PERSONS

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*) should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby sever, waive, forfeit and reject any and all benefits offered to me or my child-son, Evan Christian: Kirzinger by the CROWN, the UNITED STATES or associated persons.

In accordance with the above severance, waiver, forfeiture and rejection of benefits, TAKE NOTICE that any contracts presumed to exist between the CROWN or the UNITED STATES and myself are void due to failure of consideration.

In addition, TAKE NOTICE that any contracts presumed to exist between the CROWN or the UNITED STATES and myself are void *ab initio* where the CROWN or the UNITED STATES or associated persons induced the contract through fraud (see definition, next paragraph). I do not accept the liability of the compelled benefit of any unrevealed contract or commercial agreement. I reserve my inherent right not to be compelled to perform under any contract or commercial agreement that I did not enter knowingly, voluntarily and intentionally.

Fraud: “An intentional perversion of the truth for the purpose of inducing another in reliance upon it to part with some valuable thing belonging to him or to surrender a legal right; a false representation of a matter of fact, whether by words or by conduct, by false or misleading allegations, or by concealment of that which should have been disclosed, which deceives and is intended to deceive another so that he shall act upon it to his legal injury.” (*Black’s Law Dictionary*)

Further, TAKE NOTICE that I hereby deny the existence of all corporations and all persons who cause or allow harm to my children or me. In so doing, I specifically reserve my and my children’s God-given rights and responsibilities without limitation.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 10th day of October, 2003.

PUBLIC NOTICE
NOTICE OF BAILMENT CONTRACT AND CIVIL DEATH

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*) should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby declare as follows:

- I am not involved in any scheme of personal commercial enrichment of any kind whatsoever. I am “about my Father’s business”, avoiding my trespass against any man or woman to the best of my ability in the full expectation that such others will similarly avoid trespassing against me.
- The only assets I claim are the very personal properties of my own natural body and those of my children as gifted to me.
- All that I may ever appear to have in the way of possessions, properties or commercial benefits are subject to a contract of bailment dating from September 30, 1993, which binds me as the bailee for as long as I live. Whenever practicable, bailments shall be registered in the name of a suitable agency of the Bailor in the first instance but it shall be presumed that any properties not able to be so registered for any reason are nevertheless properties of the Bailor and not my personal property.
- Accordingly, for all equitable purposes I am civilly dead. Therefore, in any equitable controversy involving money or things in my possession, it shall be presumed that the appropriate party in interest for purposes of equitable recourse is the Bailor through His most proximate agency (by the *Doctrine of Instrumentality*) and that I, the bailee, may not properly be held as the surety for any such equitable claim.
- It follows that if any individual man or woman claims any harm whatsoever done by me, adjudication of the issue must be at law—not equity—in a jurisdiction where proper and lawful due process can be effected.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 20th day of November, 2003.

PUBLIC NOTICE
SPECIFIC NEGATIVE AVERMENT OF CORPORATION EXISTENCE

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*) should

interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual with rights inherent in Natural Law, do hereby declare as follows:

Whereas corporations are fictions of law and have no real, independent existence, I hereby deny the existence of all corporations and associated fiction-of-law “persons” who are or may be associated with any complaint against me, including but not limited to the following: the CROWN; the UNITED STATES; UNITED STATES COURTS; the STATE OF NEVADA; EIGHTH JUDICIAL DISTRICT COURT; all BAR ASSOCIATIONS; CLARK COUNTY; CLARK COUNTY DEPUTY SHERIFF BAILIFFS ASSOCIATION; CITY OF LAS VEGAS; LAS VEGAS JUSTICE COURT; LAS VEGAS METROPOLITAN POLICE DEPARTMENT; JUDGE CHERYL MOSS; CHARLES HOSKIN, Esquire; MARIA PEREZ, Esquire; FRANCES FINE, Esquire; ADELE RENEE DEWITT; and the fictitious “person”, RONALD KIRZINGER, of 5344 IMAGES COURT.

Correspondence addressed to the fictitious “person”, RONALD KIRZINGER, may be returned with a simple, handwritten notation, “That’s not me,” signed or initialed by myself, *sui juris*, which shall be construed as ongoing lawful denial of such a fiction and shall never properly give rise to a reason to cause or allow harm to me or my children.

If any man or woman has any complaint of trespass to bring against me, such complaint must be brought by the individual, *sui juris*, and not by a fiction-of-law “person” such as those listed above, for adjudication at Common Law, by true judgment and not at equity, by decree.

Whatever anyone may do with the fictitious RONALD KIRZINGER, I will not act as the surety for same and any individual who causes or allows harm to me or my children shall be subject to the penalties of the Common Law for any harm occasioned by their actions.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 8th day of December, 2003.

Ronald William: Kirzinger, *Sui Juris*, UCC 1-207

PUBLIC NOTICE
NOTICE OF FAILURE TO REBUT PRESUMPTIONS

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*), should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby declare as follows:

Whereas there has been no rebuttal to the Public Notice recorded October 10, 2003 (SEVERANCE AND WAIVER, FORFEITURE AND REJECTION OF BENEFITS OFFERED BY THE CROWN, THE UNITED STATES AND ASSOCIATED PERSONS) and whereas the *quid pro quo* of acceptance of benefits is an essential element of every valid contract, it is to be presumed that there is no valid contract in effect between myself and any such persons. This presumption can be rebutted by proof that I have knowingly, intentionally and voluntarily entered into a contract that provides me with benefits—but I declare that no such benefits have been accepted in such manner, so the presumption should stand until proven “on the record” otherwise.

Whereas there has been and truly can be no rebuttal to the Public Notice recorded December 3, 2003 (NOTICE OF BAILMENT CONTRACT AND CIVIL DEATH) and whereas any court at equity has a duty to respect, enforce and uphold such unchallenged contract, and whereas I claim no property other than my own natural body and the natural bodies of my children, and whereas I have no involvement in commerce not subject to the overriding bailment contract, and whereas I have had neither income nor assets not subject to the overriding bailment contract since September 1993, it is to be presumed that I am civilly dead and not a proper person to be involved in legal proceedings at equity.

Whereas I have caused to be recorded on this, the 9th day of December, 2003 a SPECIFIC NEGATIVE AVERMENT OF CORPORATION EXISTENCE, which is unrebuttable, and whereas parties to any controversy must be of equal status, it is to be presumed that proceedings against my person in courts at equity are a nullity and any orders that issue from such proceedings at equity are void.

Whereas ongoing efforts to involve me as the surety for the fiction-of-law RONALD KIRZINGER are fraudulent, extortionate artifices of color-of-law, *de facto* proceedings and appear to be intended to deprive me of my liberty and of my rightful property in the form of my child/son, to wit, Evan Christian: Kirzinger, TAKE NOTICE that any taking of said property without due process of law, at law and not at equity, constitutes the high crime of kidnapping, which is punishable according to the prescriptions of the Common Law.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 9th day of December, 2003.

PUBLIC NOTICE
NOTICE OF OBJECTIONS

This notice shall be construed to comply with provisions necessary to establish presumed fact (Rule 301, *Federal Rules of Evidence*), should interested parties fail to rebut any given allegation or matter of law addressed herein. The position shall be construed as adequate to meet requirements of judicial notice, thus preserving fundamental law. Matters addressed herein, if not rebutted, will be construed to have general application. A true and correct copy of this Public Notice is on file with the CLARK COUNTY RECORDER in CLARK COUNTY, NEVADA.

I, the undersigned Ronald William: Kirzinger, a competent, full-liability individual, do hereby declare as follows:

I OBJECT to being involved as the surety for the fiction of law, RONALD KIRZINGER.

I OBJECT to appearing in any *de facto* court of equity due to a complaint by any fictitious plaintiff.

I OBJECT to the inappropriate application of equitable powers in a rush to judgment that formed a contractual obligation where none previously existed, which resulted in deprivation of my liberty and caused me to become indebted despite my being quite civilly dead.

I OBJECT to all efforts to deprive me of my child/son, Evan Christian: Kirzinger.

I OBJECT to all court orders and to all statutes that cause harm to me or my children.

Specifically, I OBJECT to court orders drawn up by Maria Perez, Esquire in the matter of DEWITT V. KIRZINGER and signed by Judge Cheryl Moss, which inaccurately reflect the proceedings as adduced by video evidence or where “findings” of the court are otherwise objectionable:

—To wit, the orders from the 10/15/03 hearing fail to state that Nadine Dewitt was to do all the driving, while there is evidence that Adele Dewitt did most of the driving and thereby violated the court’s order, which it is presumed is the reason for this omission;

—To wit, the orders from the 10/15/03 hearing state that Plaintiff was ordered to prepare a response for the 11/18/03 hearing, when there was no such order made;

—To wit, additional orders from the 10/15 hearing that were never ordered;

—To wit, the fact that Maria Perez, Esquire, did not date her Notice of Entry of Order for the 10/15/03 hearing—filed 11/20/03—until 11/26/03, more than a week after the next hearing date.

—To wit, the orders from the 11/18/03 hearing showing the court’s “finding” of jurisdiction, whereas the record fails to overcome the presumption that Defendant experiences no benefit and that therefore no valid contract exists;

—To wit, the orders from the 11/18 hearing show that Plaintiff completed an alcohol assessment but fail to show that the result was negative, the Plaintiff did not pass the test;

—To wit, the orders from the 11/18/03 hearing showing the court’s “finding” that Defendant should participate in a home study, when a home study has already been done and the home environment was found acceptable;

—To wit, the court’s “finding” that “it is concerned about the child’s safety due to Defendant’s most recent filing and his non-appearance”, when Defendant did appear, in writing, *de bene esse*, and that appearance in no way endangered the child’s safety and probably did protect the child from unlawful taking;

—To wit, the inference that non-appearance by the Defendant at the scheduled 12/15/03 hearing may lead to a change of custody, when it is clear from the video evidence that only a failure to complete the psychological evaluation could lead to that consequence (which would still be plain wrong, given the contents of the Notice of Failure to Rebut Presumptions recorded this date), with the erroneous inference that an appearance in writing, *de bene esse*, would not qualify;

—To wit, an order from the 11/18 hearing that Defendant shall complete a psychological evaluation prior to the 12/15/03 hearing, when again it must be pointed out that any such contractual obligation is a fabrication, since the presumptions established in prior public notices have not been rebutted on the record;

—To wit, an order from the 11/18/03 hearing that spousal support arrearages be reduced to judgment, when nothing in the video evidence of the 11/18/03 hearing validates such an order;

—To wit, an order from the 11/18/03 hearing that Defendant owes a current obligation of \$1,000 per month, when, again, it must be stated that any such purported contractual obligation was severed as of the public notice of 10/10/03, which has not been rebutted on the record, and no such order is able to be deduced from the video record of the proceedings.

Given the foregoing pattern of erroneous orders, it is to be presumed that Maria Perez, Esquire, should be sanctioned for abuse of process and that if she is not so sanctioned, that Judge Cheryl Moss conspired with Maria Perez in allowing said abuse of process and should also be sanctioned.

I declare under penalty of perjury that the foregoing is true and correct. In witness whereof I have affixed my signature this 8th day of December, 2003.

NEVADA CORPORATIONS:

More Good Reasons To Incorporate In Nevada

Budget's "Tip of the Week" #12:

Additional Reasons to Incorporate in Nevada

Over the past 11 weeks we have looked at a number of excellent reasons as to why Nevada is the best state in which to incorporate—and we still haven't covered them all! In addition to all of the reasons previously discussed—and without exhausting the list by any means—here are a few more for your consideration:

1. Nevada has **minimal reporting and disclosure requirements**. The only public records of a Nevada corporation mandated by statute are its articles of incorporation and its annual lists of officers and directors. It is not necessary in either of those cases for a corporation's real operator(s) to be disclosed.
2. Nevada is the only state that maintains a policy of **no reciprocity with the IRS**. In all other states, information is shared freely and without question. It's simply built-in to the system, elsewhere.
3. In Nevada, **ONE PERSON** may be ALL of a corporation's officers and its sole director. You do not need to work together with a group of friends in order to establish this shelter for yourself.
4. Stockholders, directors and officers need not live or hold meetings in Nevada, or even be U.S. citizens. **Such meetings may be held anywhere in the world**. And of course any such meetings are a tax-deductible expense to the corporation, at the IRS-approved *per diem* rate or as actual expenses, whichever is greater.
5. **Directors need not be stockholders**. It is possible to act with the full power and authority of the position of director without having to disclose ownership, if any, in the corporation for which the director acts.
6. A Nevada corporation may purchase, hold, sell or transfer shares of its own stock. Stock that has been issued and repurchased may be held within the corporation as **"treasury shares"**.
7. Nevada corporations may issue stock for capital, **services**, personal property (presumably not excluding "intellectual property") or real estate, including leases and options. **The directors may determine the value of any of these transactions and their decision is final**.
8. **Nevada law allows Bylaws to be changed by the directors**. If at any time the corporation's best interests would be served by slightly different Bylaws—just change them to suit the purpose.
9. Initial or minimum capitalization is not required. **A Nevada corporation can be capitalized with "sweat equity"**. Keep in mind that stock may be issued "for services rendered".
