HOW THINGS ARE GOING TO BE

TIME SUBJECT

00:00 How Things Are Going To Be

00:06 Money is only measured by your lack of it—they're playing absolute incredible games with it—they allow you to borrow it back from them

01:29 You're working toward being able to withstand the pulsed beams—quadrupled the impact against you—frequencies cannot pass through fat pads very well

03:15 Adversary changes these frequencies all the time—put up your shield

04:20 In the darkest cave under the sea you find light being produced from luminescence—life forms and plants are able to absorb, translate and radiate luminescence from the invisible rays—passes through everything

05:44 You're going to have your sunlight filtered down by two-thirds—there is light you cannot see; they're damaging to the seeing physical being

07:01 You can breed soul out of the replica, but he doesn't know it—Kissinger— Reagan—One World Order

10:05 They have your concentration camps ready—lawyers—courts—George Green—Jason Brent—Sherri Young—Revolution Trust Corporation

16:20 Under the laws of the State of Nevada, you can find your protection

17:01 When you ask God to help and show you the way, He gives you the way and you throw it away

23:05 Hold some gold, hold some silver against the currency change

29:59 You have to know where you're headed—you will be given all you need to create—you're not that corporation—Laws of the Land—Laws of God

35:57 You grow from the hardest lessons—it's the time of sorting—it's between God and the individual—you don't know another's contract
