## **GINGRICH ANTI-CRIME BILL,** **HR 4079**

Look at what they are doing on the way to war! If the above bill, H.R. 4079, is enacted it will NULLIFY THE BILL OF RIGHTS!

This bill is ominous indeed, and you had better look very carefully at it. It affects every one of the Bill of Rights and has other "hidden" ramifications.

Currently the bill has been referred to the House committees on the Judiciary, Energy and Commerce, Public Works and Transportation, Education and Labor and Armed Services.

The bill incorporates several parts of the so-called "omnibus anti-crime bill" passed July 11, 1990 by the U.S. Senate, so you are farther on your way than you realize for there are no "fair" entries of bills. Many things are lumped into an innocuous presentation that gets passed by "default". PAY ATTENTION AND, IF YOU HAVE NOT SEEN FIT TO TAKE ACTION BEFORE, I SUGGEST THERE IS NO BETTER TIME THAN NOW!

Even Capitol Hill observers are now really concerned that very repressive parts of the Gingrich bill could be incorporated into the House version of the omnibus anti-crime package or in the joint Sen-

ate-House compromise bill that will eventually reach the desk of President George Bush for his signature. And since his henchmen wrote the bill in the first place, it **WOULD PASS!**

## **NATIONAL EMERGENCY**

Stating that the criminal justice system in the United States is failing to achieve the "basic objective of protecting the innocent and punishing the guilty", H.R. 4079, which is 96 pages in length, calls for "A Declaration of National Drug and Crime Emergency". Now you must note the most important word therein--"Emergency". All sorts of things go into play in the midst of "Emergency" in any chosen area of experience. **AND EVERYTHING CAN TAKES PLACE THROUGH EXECUTIVE ORDER AND YOU ARE "HAD" WITHOUT RECOURSE. THE BANK SEIZURES, CLOSURES AND CONFISCATION OF YOUR PRIVATE PROPERTY ARE ALREADY WELL COVERED IN OTHER EXECUTIVE ORDERS--AND APPROVED AND PASSED BY CONGRESS--REMEMBER THE "EMERGENCY BANKING REGULATIONS" WE STATED FOR YOU IN A PAST JOURNAL? WATCH THE HAND FOR IT WRITES WHILE YOU WATCH NOT.**

The bill states: "Guided by the principles that energized and sustained

the mobilization of World War II, and in order to remove violent criminals from the streets and meet the extraordinary threat that is posed to the nation by the trafficking of illegal drugs, the Congress declares the existence of a National Drug and Crime Emergency beginning on the date of enactment of the act and ending on the date that is five years after the date of enactment of this bill." Oh, indeed, panic NOW--it is as bad as you can get.

How do you think it is that all your nice young military men are being shifted all over the globe and into the deserts of Saudi-Arabia and being cooked alive? Congress is on recess; therefore, blind lambs, all of the orders are coming directly from one man--your dictator puppet--Bush. He never even has to declare war--all he needs do is write a bunch of executive orders and it is law, even if he were feeding them into death chambers, which the Zionists know all about for they have written the stories--not the German people.

Well, you people can line the streets and wave your flags and shout "Hooray" in pride to your passing children. Will they shout "well-done" to you, the parents, who have allowed death of your Constitution and Nation? You are left naked as a jaybird at birth--and Bush considers calling up the National Guard--why? To maintain control over "you the People" as

you awaken and see what has been done to you. The military has been removed so there is no chance of parents and loved ones influencing the military to stand with you against the dictatorship in Washington--or fishing in Maine. You are sitting ducks within the hunter's ring, on a dried up pond. Your feet are stuck in the mud and you cannot even take flight. I assure you that you the people will go nowhere--you will simply sit and "take it". Meanwhile, all the lovely "channels" of blinding "be" and "ascension resurrection rapture" will blast the Heavenly Hosts who, hereby, warn you. We will continue to be called fear-mongers and treasonists and you will helplessly move into total bondage. WHO WILL EVEN REMEMBER THAT A FEW HANDS FULL OF PATRIOTS AND BRAVE MEN AND WOMEN TRIED TO TELL YOU WHAT TO DO TO STOP THIS THING AND YOU KILLED THEM INSTEAD? HOW MANY WILL REMEMBER THAT WE EVEN NAMED NAMES AND DREW YOU DIAGRAMS OF HOW IT WOULD BE AND WHAT YOU COULD DO TO STOP IT? WILL YOU BE PROUD TO FACE YOUR CHILDREN AS THEY DIE IN FOREIGN PLACES WITH FREEDOM GONE FROM THE FACE OF THE EARTH?

**YOU ARE LIVING IN A LIE AS SET FORTH BY THE GLOBAL 2000 PLANNERS AND THEY ARE RIGHT ON SCHEDULE. THE LIES WORSEN AND YOU EAT THEM LIKE CANDY LACED WITH CYANIDE. PERHAPS YOU OF MY CREW MIGHT JUST ADD THE INCIDENT OF "THE USS LIBERTY" HEREIN AND SEND THIS FORTH. THE MASSIVE MISINFORMATION AND SILENCE UNDER PENALTY OF DEATH TO ANY WHO DARE SPEAK OUT HAS BEEN COMING DOWN IN MASSIVE MEASURE FOR DECADES AND YOU BOW AND SCRAPE AND APPLAUD**

**THE PUPPET MASTERS. THE PITY OF THE HEAVENS GOES OUT TO YOU BLESSED CHILDREN OF THE LIE! WHO WILL SEE AND ACT--IT CANNOT ONLY BE THE HANDFUL OF DARING ONES WHO FACE THE ASSAULT WEAPONS DAY AFTER DAY, AS DOES THIS SCRIBE AND ONES LIKE HER. COL. GRITZ CANNOT DO IT ALL FOR YOU--OTHERS WHO "KNOW" MUST COME FORWARD. ONES TANGLED IN THE HOSTAGE FIASCO WITH IRAN--COME FORWARD! ONES WHO HAVE WORKED IN THE SECRET INTELLIGENCE--COME FORWARD. "YOU" WILL HAVE TO SAVE YOUR COUNTRY AND YOUR CHILDREN--YOU DO NOT PROTECT THEM BY THE SILENCE--YOU INSURE THEIR DOOM AND YOUR SON'S DEATH ON A BATTLE FIELD. YOU ARE DEALING WITH SATAN HIMSELF AND YOU HAD BETTER COME INTO THE REALIZATION THAT YOU MUST ACT OR PERISH.**

H.R. 4079 includes provisions for using tents and other shelters, similar to those used to confine Japanese-American citizens during World War II, and military facilities, for the confinement of state and federal "violent criminals".

Concentration camp is the definition, although the bill most certainly avoids such description very carefully.

### WIDE OPEN TO ABUSE

Here is how the bill defines a "violent criminal": "**Every** person who is convicted in a federal court of a crime of violence against a person or a drug trafficking felony, other than simple possession."

It states further that such criminal "shall be sentenced to and shall serve a full term of no less than five years in prison."

The bill describes the term "crime of violence against a person" as "a

federal offense that is a felony and has as an element the use, attempted use or threatened use of physical force against the person of another".

The insidious nature of the bill now becomes obvious. Suppose a thief, burglar or rapist or federal agents or other police, and in their case, without just cause, invade(s) a person's home, and the home owner attempts to block their intrusion. (For you see, the right to privacy has been removed and you are subject to unannounced search and seizure; and this is already law.)

The home owner, in protecting his property and person, threatens the intruders with "physical force". As the law is written, he would be committing a "crime of violence against a person", with a mandated jail term of "no less than five years".

Civil libertarians are correctly pointing out that the bill is a means in which to imprison dissenters as "violent criminals" in concentration camp confinement.

It would be like the un-Constitutional confinement of the World War II Americans of Japanese heritage, perpetrated by President Franklin D. Roosevelt, only on a much grander scale; and all of you can get in on it.

### ALL OF YOUR RIGHTS AT STAKE

Study of the bill makes it even more ominous, with most rights and liberties of the American people in jeopardy. Along with those already taken by law changes or forced "assumption"--ALL WOULD BE GONE.

The bill would establish a "Declaration of National Drug and Crime **Emergency**" IMMEDIATELY!!! The American people would instantly be faced with rule by a series of executive orders by several presidents since World War

II.

The executive orders which are already written and are law, call for the complete suspension of American Constitutional rights and liberties, as they are known.

Each of these executive orders calls for the suspension of civil rights and liberties and for extraordinary measures to be taken in, as most of the orders state, "any national security emergency situation that might confront the nation".

Let us list the executive orders that would be instantly involved without question:

- \* EO 10995, which provides for the takeover of the communications media.

- \* EO 10997, which provides for the takeover of all electric power, petroleum, gas, fuels and minerals.

- \* EO 10988, which provides for the takeover of all food resources and farms.

- \* EO 10999, which provides for the takeover of all modes of transportation, control of highways, sea-ports etc.

- \* EO 11000, which provides for mobilization of all civilians into work brigades under government supervision.

- \* EO 11001, which provides for governmental takeover of all health, education and welfare functions.

- \* EO 11002, designates the post-master general to operate a national registration of all persons.

- \* EO 11003, which provides for the government to take over airports and aircraft.

- \* EO 11004, which provides for the Housing and Finance Authority to relocate communities, designate

areas to be abandoned and establish new locations for populations.

- \* EO 11005, which provides for government to take over railroads, inland waterways and public storage facilities.

OH, BUT THEY WOULDN'T USE THEM? DEAR ONES, THESE ORDERS ARE ALREADY VALID LAWS--THEY ALREADY HAVE BEEN USED--WRITTEN, APPROVED LONG AGO AND USED!!!!

#### COMBINED INTO ONE NEAT PACKAGE BY NIXON

All of these listed executive orders were combined by your President Richard Nixon, most handily, into one Executive Order--No. 11490, which allows all of this to take place if a national emergency is declared, and that the government edicts would be directed by a little-known shadow agency of the U.S. government known as the Federal Emergency Management Agency or FEMA.

THEY ARE PULLING IN THE NATIONAL GUARD, FRIENDS, IN ABSENCE OF AN ARMY TO ENFORCE THEIR EDICTS--RIGHT NOW. THE EMERGENCY WILL BE DECLARED BY YOUR PRESIDENT AS QUICKLY AS THE PLAYERS ARE IN PLACE AND YOU ARE HELPLESS--AND WHAMO, IT WILL BE FINISHED. THE NATIONAL GUARD WILL BE THERE IN EVERY VILLAGE TO INSURE COMPLIANCE AND YOU WON'T KNOW WHAT HIT YOU AND NEITHER WILL THE NATIONAL GUARD.

FEMA, by a series of executive orders, by President Jimmy Carter in 1979, was delegated the power to even act for the president.

On November 18, 1988, President Ronald Reagan signed EO 12656, further eroding the rights of

Americans under the guise of a national emergency. Reagan's order defined such an emergency as "any occurrence, including natural disaster, military attack, technological emergency or *OTHER EMERGENCY*, that seriously degrades or seriously threaten the national security of the United States." Thereby, everything is neatly covered.

I am sure you all remember the efficiency with which FEMA handled the San Francisco earthquake disaster and the hurricane on the east coast. They still haven't done anything!

#### TOO INSIDIOUS AND TOO INCREDIBLE?

If this all sounds too insidious, too incredible, let me point out that Americans should recall that former National Security Council aide, LT. COL. OLIVER NORTH, during the Iran-"contra" hearings, stated that "PLANS HAD BEEN FORMULATED TO SUSPEND THE CONSTITUTION!"

So when H.R. 4079 is passed and the President does what it says and declares a national emergency because of the drug "situation", FEMA will then implement all of these executive orders, take over all local, state and national government, suspend the Constitution and do whatever it wants to do.

The way the bill is carefully and intentionally worded allows that the President's signature enacting it into law and would automatically provide the five-year declaration of a national emergency while you are still blinking your eyes. And to you know where with the anti-crime part.

They have already tested their capabilities in April of 1984 with "Rex '84 Alpha", which was designed to test the readiness of the U.S. civilian and military agencies to respond to a serious national security crisis.

They are USING the finished product in this Middle East "crisis". In actuality, the Gingrich bill would effectively suspend the Fourth Amendment to the Bill of Rights which is already coming into daily practice by "assumption" of passage. And what would that mean? Well, the Fourth Amendment prohibits unreasonable searches and seizures; the Eighth Amendment would also be suspended which offers protection against excessive fines, bail or punishment; and *habeas corpus*, the requirement that Americans arrested be brought to trial before a court and charged. H.R. 4079 takes it all away in one swoop.

The suspension of these Constitutional protections means that police will have the legal right to break into any home without a search warrant, arrest any person who "threatens" forcible resistance and hold him without charge indefinitely.

The bill, little brothers, has STRONG SUPPORT among conservative Republican representatives. If you are not in a near state of panic--YOU DON'T UNDERSTAND MY MESSAGE!

I WARN YOU THAT THOSE OF YOU WHO ARE JUST GOING TO WAIT FOR ASCENSION OR RAPTURE ARE GOING TO BE IN WAITING A LONG AND MISERABLE TIME, PROBABLY INCARCERATED. THEY HAVE NO INTENTION OF ALLOWING YOU PEACEFUL PRACTICE AT ASCENSION ONCE YOU ARE UNDER CONTROL. GO BACK AND READ THAT LIST AND PAY SPECIAL ATTENTION TO NO. 11000!

Now, I invite you who rally around the "non-fear projectors" of channels for God only knows what energies; I suggest you get this information into their hands--post haste. We do not pronounce fear upon you--your leaders have dumped the

facts upon you and you just keep hiding from it while they enslave you. To lie to you is to pronounce FEAR upon you in its worst format--we give you opportunity to see truth and guidance as to what you can do to remedy your plight. THAT, DEAR ONES, IS CALLED THE HOPE AND PROMISE OF GOD. So be it and Selah, for the word is brought forth and Belies, so shall it be done.

IS IT ALREADY TOO LATE?  
ONLY YOU CAN DECIDE!  
WHICH WILL IT BE?

I move to standby and await your call,

I am Hatonn, in service unto God and unto you, my brothers.

### THE LIBERTY

The Liberty was conducting operations off the Gaza Strip, about 13 miles off the coast of Israel in international waters, on June 8, 1967.

The USS Liberty was an intelligence-gathering ship. They monitored radio transmissions. The ship was unarmed and unescorted, simply cruising the region trying to find out what the Israelis and the Arabs were doing.

Everything was top secret, but they were trying to find out whether the Israelis planned an invasion of the Golan Heights--an invasion of Syria.

The invasion was planned for the fourth day of what became the Six Day War, but the invasion was postponed for 24 hours while the Israelis tried to decide what to do about the Liberty, since the Israelis were not supposed to use American aid in their attack on Syria.

The Liberty certainly expected no attack from the Israelis. They were your friends--your allies--and you

arrived on the scene about 6 o'clock that morning. The attack started about 2 o'clock in the afternoon.

During that morning you had over a dozen overflights by Israeli surveillance aircraft, so you knew that they knew you were there and you felt a little safer, in fact. They knew who you were and where you were located. (I speak of "you" as the U.S.S. Liberty for simplicity.)

Everyone on board--all of the survivors who testified in the court of inquiry--specifically emphasized that the flag was flying at ALL times as it always did. The Israelis, of course, claimed there was no flag in view. Not only did you fly the flag of the U.S., but you had a nice big, oversized flag flying, in addition to the usual banner.

For a brief minute or two during the attack--during the first part of the attack, which lasted, in total, nearly two hours--a regular-size flag was shot down, but you immediately ran up the oversized flag which was 9 X 13 feet. THERE WAS NO WAY THAT THE FLAG WAS NOT VISIBLE AT ALL TIMES.

There were four different communications to the ship, ordering you to pull back farther from the coast, but those communications mysteriously failed to reach the ship or were secreted aboard ship by commanding officers--I choose to allow you to discern which took place.

There were orders to pull back which were, likewise, never received--nor, in fact, sent in the first place. Those orders would have been noted because to pull back would have severely hampered your ability to monitor what was going on. The orders were sent by the Defense Department but they never reached the ship, or so it was claimed. They were supposedly somehow misrouted to places like the Philippines, Crete and Mo-

rocco. Finally, later that night--eight or nine hours later--the orders finally limped through to the ship. By then the ship was barely able to get under way due to severe damage to ship and crew.

### ANTENNAS KNOCKED OUT

A very strange thing took place at onset of the attack. Right up front, within the first quarter hour, all of the antennas were knocked out to prevent transmission of a "Mayday" call. Therefore, one of the survivor witnesses, himself, jury-rigged an antenna in order to transmit the word.

That message was received by the Saratoga, one of your aircraft carriers that was supposed to be providing you 10-minute cover.

Now the story really gets nasty. Captain Joe Tully of the Saratoga later said that he had readied 14 aircraft to come to the Liberty's aid when he found out that you were under attack, but that the planes didn't even get over the horizon when they were recalled BY ORDERS FROM WASHINGTON.

The Saratoga had radioed back to the Liberty that the planes would have arrived in about 20 minutes from the time they were dispatched.

If the planes had not been recalled *FROM WASHINGTON*, either by President Lyndon Johnson or Secretary of Defense Robert McNamara, then they could have prevented at least half of the machine-gun strafing attacks by the planes and the torpedo attack.

Off and on during the entire day there were overflights of Israeli surveillance planes. The flights had begun at the time of the Liberty's arrival.

*There were 13 reconnaissance flights over the ship during a six-hour period before the attack. Those planes were clearly marked with the star of David,*

*which is very hard to miss on Israeli planes. Some of the planes would open their doors, so they had visual contact, which explains how precise they were when they knocked out all the communications. In other words, those planes were right on the deck and had a good look at the Liberty and could literally take out the most strategic antennae first.*

They hit your antennae on that first strafing run. There were eight 40-foot antennae that looked like flagpoles to send out signals. You looked like a porcupine since there were other antennae, as well, to pick up incoming signals. Remember, the ship was for the specific purpose of radio surveillance.

On the first pass they knocked out seven of the eight antennae. The one that they didn't knock out was disabled, and it wasn't up and operational, so that's why they missed it. They were professional fighting forces. They knew exactly what they were doing and where everything was located.

What was so profound about what they did to you that day was that the four planes that attacked you had no markings, whatsoever. So you couldn't identify who was brutalizing you.

Later, after the torpedo boats came on the scene, you identified who they were. You thought the planes were the Egyptians who were attacking you.

So the Israelis deliberately killed 34 of your crew members by breaking Geneva Convention Rules which require identification of all military forces. This was eventually pointed out by the naval Law Review out of Washington, D.C. How many of you readers even remember the incident, much less any follow-up of this incident? You certainly remember the Six Day War to some vague extent but most of you will not even be able to tell me anything about that war. You continue to

ask me for information on a daily basis and yet you never bother to even remember any of the details--right within my closest group of editors and writers, you don't get your facts correct within one hour much less some 12 years. How about this morning? What, if anything, have you learned this morning from the news? And what do you conclude after hearing the lies they give you? Well, Dharma, we are going to return to the top of the chapter and write on today's happenings for you have no access to the information. So you who read this portion now, might go back and see how much you gleaned from first reading. Then we will come back and resume the "Liberty". I request that you stop after rereading and ponder the things given for a while and see if you can begin to sort it out instead of simply inquiring of me.

### BACK TO THE LIBERTY

The men killed aboard the Liberty were deliberately taken-out, for the most part. The ones at the gun mounts were the first removed. There was practically no way of protecting the ship, at any rate. You had only four 50-caliber machine guns, which were useless against an airplane, anyway. Only two of them actually worked at all.

During the first strafing runs, or shortly thereafter, those men who were manning those guns would be instantly blown away, so, finally, no more crew were sent to the guns.

THE ISRAELIS HAD QUITE CLEARLY IN MIND THE FULL INTENTION OF PUTTING THE SHIP ON THE BOTTOM OF THE MEDITERRANEAN SEA!

About midway during the attack three torpedo boats arrived on the scene. They fired five torpedos, one of which hit on the starboard side, killing 25 men below decks.

They then held off for a little bit, and since you didn't sink they cir-

bled the ship, firing into the hull, trying to strike the boilers and firing at anyone who was on deck fighting the fires. You would never witness more brutality than that of the Israelis shooting at your firefighters and stretcher bearers. It was shoot on sight with no mercy. They were within easy eyesight, and they managed to wound 171 men. Ninety percent of those men were wounded so badly that it terrified the rescuers to even look at them.

Of course you kept waiting for that aid from the Saratoga for there was no way to know the Saratoga had been recalled. This is all most reminiscent of the rescue mission of the Hostage Situation in Iran.

The Liberty stayed afloat simply because of a determined crew for it was given absolutely no help from the American fleet. Doesn't this make you feel secure and trusting of your government? Ask Col. Bo Gritz about loyalty to troops!

The Liberty and crew were left out there wide open and under attack--in order to have no survivors to tell and no ship left for evidence. Nothing was done to assist--absolutely nothing.

The Liberty was totally abandoned and no-one came closer. The crew had to spend the night fighting to keep the ship afloat and to tend to over two-thirds of the crew who had been killed or wounded and to make way farther out to sea in order to find the fleet. The Israelis calculated on the ship going down long before reaching the fleet. It was some 19 hours later that the Liberty rendezvoused with the fleet.

### MACHINE-GUNNED THE LIFE RAFTS

The rendezvous came some two hours after the Israeli torpedo boats circled the ship and machine-gunned all of the life rafts--which is also against the Geneva Conven-

tion.

The Israelis even took one of your life rafts on board. The raft was clearly marked "USS LIBERTY". They needed evidence later to claim that they had searched for the ship in order to give assistance and only found debris.

When the ship did not sink and was getting dangerously close to the mother fleet, the Israelis pulled back. But then, they sent helicopters over the ship. They were clearly marked. The only reason they let you go was because the Israelis had gotten caught. Everybody knew then that it was the Israelis who had attacked you. When it was obvious that they knew that you knew who they were and there were enough survivors, along with a battered ship, it was then that they came and said, "Are there any casualties? Can we help you?" A last ditch effort was made to have it appear like the attacks were from another country. And, they would pull the sham off for many years because the top American leaders were part and parcel of the plan.

A strange thing which ultimately led to the "it was an accident" admission was that the torpedo boats were marked with little stars of David on them. They obviously thought the planes had done a job of eliminating witnesses with the strafing and rockets and cannons along with the napalm dropped on the Liberty. It was simply the job of the torpedo boats to sink the ship and ruin the life-rafts to insure no survivors.

The Israelis had dropped napalm all over the ship and two of the planes blew holes in the ship. The other planes would then drop napalm into those holes, allowing that jellied gasoline in napalm to flow into those holes onto whoever was inside. Those napalm fires are next to impossible to extinguish.

### OFFICIAL ISRAELI STORY LINE

When it was established that it was undeniably Israeli attackers they came up with instant ridiculous stories. One of their official responses was that they didn't know who we were. They also said there was no flag on the ship. They also claimed they thought the ship was a disguised Egyptian vessel. The stories were absolutely wild and yet were touted all over by your own military and government leaders.

Another thing which points out the connection with all goings on of the Israelis is that the Naval Court of Inquiry that investigated the attack was a complete lack of inquiry as to whether or not the attack was deliberate. All the court looked into was why the ship never got its pull-back orders. They also looked into the performance of the crew.

It reminds of Oberli's and Dharma's multi hundreds of thousands of dollars fight over their property--there has never even been a hearing allowed, much less on the fact of "no public sale", as mandatory by law, but rather the entire thrust has been to discredit the Ekker's personally and insure that they never be able to "afford the house if they had 'it"! The "point" of the issue has never been addressed even by Ekker's own counsel, which shows total collusion within the legal profession(?). This Resolution Trust Corporation is out to steal America right from under your noses for they have the all-out cooperation and bought-off judiciary system to back them while trampling the citizens who dare to speak out. Most ones who have had similar treatment simply never understood there was an alternative as they just rolled-over and "went away". This is why we ask any of you who have even remotely possibly been a target or victim of the S&L/RTC/Legal rip-off---COME FORWARD for your case may be the very one which uncovers the

box of thieves. We are now learning of many in Ekker's very own community, attached to other S&Ls even, than to the one Santa Barbara Savings, but having the same modus operandi. There are ones from Florida, and Texas as well, who tell almost identical stories--there ARE A BUNCH OF YOU OUT THERE BOTH OF PRIVATE PROPERTY AND BUSINESSES. STEP FORWARD FOR IT IS THE ONLY WAY YOU WILL CHANGE YOUR PATH.

**RIGHT NOW, PLEASE STOP AND WRITE OR CALL ONE TOM VALENTINE AND TELL HIM OF YOUR KNOWLEDGE OR EVEN THAT HE SHOULD FIND OUT ABOUT DHARMA AND HER "FAST" AND GET SOME ATTENTION RUNNING.** This is the best possible resource to have controversial hearing for few others dare to speak such truth. (To contact him write North America One, 420 S. Central Ave., Richland WI. 53581)

One of the Navy's responses to the Israeli claim that they didn't see a flag on the ship was that the flag "probably hung limp on the mast on a windless day".

This, when all of the testimony by all the crew members and by the weather log on the ship pointed out that there was at least a 10-knot breeze at all times which was completely sufficient to keep the flag unfurled and in plain view. There was a breeze blowing over the deck at all times. Not only that, but the ship had just been freshly painted, and there were 10-foot hull markings on the ship, including the name, USS LIBERTY.

It was the following day when the Liberty rendezvoused with the American naval vessels (the fleet). When you finally got close enough to the USS America, an aircraft carrier, which sent helicopters over to offload the dead and wounded, it was well over 19 hours from onset

of the attack.

### TOP SECRET ORDERS

It was all but impossible to keep the Liberty afloat and did, in fact, require some five days to just make Malta. It was impossible to patch the ship holes and the craft could have gone down at any moment.

Before the ship pulled into Malta, Adm. Kidd and some other high brass had come over to begin the court of inquiry. The crew was mustered out on deck by Kidd, and he told them that the preliminary findings of the inquiry were that it was an "accidental" attack by the Israelis; that the Israelis had formally apologized and that the United States government had accepted the apology.

He then said that because of the top-secret nature of the operations of the ship and the sensitive nature, in that it was one of your allies who had attacked you, the men were ordered not to grant ANY interviews and not to talk to any friends or family and not to talk about it among themselves. In other words, keep the mouths completely shut under order of silence and penalty of death.

The crew members of the other American vessels were given the same orders of silence.

All the crew were brainwashed young kids who were now threatened with imprisonment or worse as well as threats made against families so it was obvious that there would be a lot of silence and hardly any mention of truth. There were constant daily reminders not to say anything about it and the penalties would be repeated.

By the time the Liberty pulled into Malta there were high-ranking people all over that ship and there wouldn't be any speaking out against orders.

The crew members actually only

began speaking out since 1985 because someone finally realized he could do so. It was found that your government did things which were reprehensible and honorable citizens could no longer hold the truth and it was realized that the Israelis got by with premeditated murder, which was totally defended and covered by your own government. No one should walk away free from the horrendous crimes unto mankind--the Israelis or anybody else. They did it to you, deliberately, and your government should settle it and admit what happened and you of the public must face the truth of it. There is proof all over the map now, to prove these things we bring unto you--will you seek and find or shall you simply continue the "bury the head" game? VIN WEBER is a well-known Israeli agent who leads the forces in Congress trying to sweep the Israeli attack on the USS Liberty under the rug. VIN WEBER is a Representative (R-Minn). This is a continuing and constant barrage to silence the story, even to this day, in order to not blow your cover as to your total working relationship with Israel in today's arena. It is up to you citizens as to what you will longer tolerate.

The Captain of the Liberty, William McGonagle, has seen fit never to come to the aid of his crew in this unfoldment. He is letting down the crew who dare to speak up. However, if it were not for Capt. McGonagle, none of the crew would be alive today to tell the story. He was excellent under fire and was later given the Congressional Medal of Honor, which he deserved. It was given to him by the President. There was no ceremony. It was given to him aboard a ship by the Under Secretary of the Navy. He was ordered to keep his silence and he has remained quiet just as others of the military with knowledge. They are given great honorary-type medals and citations and then warned about the silence "or else". This has happened within some of

your own families--constant reminders of consequences of speaking out.

### THEN COMES THE NAME CALLING

Now what happens? When any of the witnesses--the people who were there and experienced the attack--come forward and say that they saw your ally shoot you and murder your ship crew, they are automatically labeled as "Jew haters" and "Nazis" and "anti-Semites." These are the ones who got attacked, saw the enemy eye to eye with full identification and finally, acknowledged from that enemy in public, yet the participants who were bloodied and intended for murder, are called bigots. Do you see the plan of action in the discounting?

It was so blatant that the Israelis committed the atrocity that they paid \$7 million over a period of 20 years for a \$20 million ship. Funny thing--even that payment came out of American taxpayer's pockets.

As the crewmen were discharged from the military services, they were told emphatically; "Get out of here and keep your mouth SHUT!" The money was paid by American aid to Israel. The total amount paid also included the money paid to the survivors and to the people who sustained injuries. What a handy insurance program--"pay-it-yourself in every direction" policy.

### WHAT OF THE GROB BROTHERS AND THE USS PUEBLO?

Oops! Those nice Grob brothers, Ben and Ted, donated money to establish a library named in memory of the USS Liberty and there was a MAJOR controversy over that. They cared greatly about the USS Liberty but they cared about America more. Israel wanted the matter buried forever; they didn't want the Liberty to be around.

They should have sunk the ship to begin with. It would have been a lot easier for them. Then the Egyptians would have been blamed as planned.

Now, a funny thing has happened on the way to truth. The captain of the USS Pueblo, Cmdr. Lloyd Bucher, whose ship was captured by the North Koreans, is ready to speak out about the Liberty. He has said that if he had known about what happened to the Liberty and heeded its lessons, the Pueblo incident would have never happened. What a brave, genuine human being he is. Bucher said that he never knew what had happened.

What can you do? Hard to say, since Vin Weber is one of the major recipients of money from the pro-Israel lobby and he says an investigation is "inconsistent with Republican ideals".

Hundreds of letters have been sent from members of Congress and at least 90% of them say that the case is closed and it would be unwise and detrimental to reopen it. Nobody will stick out their necks to help you because they don't want to lose their well-paying jobs. They are ALL influenced by the Israeli Zionist lobby.
