DECEMBER 1990 VOLUME V NUMBER 10

11/28/90 HATONN

TODAY'S WATCH (EXPRESS)

Hatonn present within the Light of God, with perspectives and notices from the lighted perspective. May God grant understanding within that man can again find freedom.

TRUTH OF IRAN-CONTRA ENTANGLEMENT

You who seek continual and continuing proof and confirmation of that which I give unto you, please obtain the FRONTLINE, *Public Broadcasting System* transcript of the program aired yesterday evening called HIGH CRIMES & MISDEMEANORS hosted by Bill Moyers. It gives factual, documented statements which prove everything that I have told you regarding the scenario and, moreover, gives you the proof you need to realize that you remain totally encapsulated in the lies and secret on-goings and cover-ups of your elite reformers. It is shocking indeed if you have not been following the Journals and Expresses--confirmation if you have!

Video information of the above: PBS Video, 1320 Braddock Place, Alexandria, VA 22314. Transcript: Send \$5.00 to: FRONTLINE TRANSCRIPTS, Journal Graphics, 267 Broadway, New York, NY 10007.

If demand is high for further information, I can give coverage in an Express but I feel you ones would prefer other pertinent information. I do ask that a copy of the transcript be obtained by the Editor hereof and we shall give it forth in an upcoming Journal. Thank you.

SLAVES

As your government sends your young men and women off to die in a desert far distant from home, let me point out some misinformation. You are, and the children are, told that they march off to defend Humanity, American Interests, Freedom and Democracy. Allow us to look at this in truth.

What you are defending and again raising to power is a slaveholder, Jaber el-Sabah, the Emir of Kuwait, who was Bush's honored guest at the White House, and who appealed to the UN General Assembly to restore the "legitimate government" of Kuwait. This includes restoring the Emir to command over his household servants, many of whom are **BLACK SLAVES**. These black slaves and their children will be destined to live and die in chattel bondage, thanks to the sacrifices of the U.S. armed forces acting under the orders of Bush.

Another slaveholder is King Fahd of Saudi Arabia. One of the an-

nounced goals of Bush's Gulf buildup, which will soon reach over half million troops, is to defend the Saudi Arabian monarchy against the alleged danger of Iraqi attack. King Fahd and many of the other 6,000 members of the Saudi royal family also own black slaves. King Fahd keeps his in a special slave compound in the precincts of his palace, now shielded by the U.S. Army. And beyond this, the rulers of Qatar, Bahrain, the United Arab Emirates and Oman are also owners of black slavery there. But Bush demands that the U.S. sacrifice blood and treasure, courting possible World War III, in order to restore black chattel slavery to Kuwait by driving the Iraqis out and putting the slaveholding Emir back on his throne. Now, dear ones, this "Fahd" of Saudi Arabia is also the same one who gave \$2 MILLION PER MONTH to the Contra effort through the Bush Vice Presidency. If you obtain the transcript listed above, you will find that Bush knew and participated completely and then **LIED OPENLY TO YOU THE PUBLIC ON NUMEROUS OCCASIONS WHICH WERE ABSOLUTE LIES AND NOT EVEN "HEDGES" REGARDING THE MOST HEINOUS OF ACTIVITIES. WHY DO YOU BELIEVE HE SPEAKS TRUTH UNTO YOU NOW?**

Many of the black slaves of the Gulf trace their origin to Ethiopia.

A slave trade between Ethiopia and the Gulf states was in existence until about the time of the Second World War, although it declined somewhat thereafter. A League of Nations report of some years past confirmed the persistence of black chattel slavery in the Arabian peninsula. Today, slave quarters and slave compounds are commonly adjacent to the luxury palaces of oil-rich princes, emirs, and sheiks. Slaves are slaves for all their lives, and their offspring are also slaves and are the property of the slaveholder. Many of these slaves speak very little Arabic, and communicate with those they serve through signs and gestures--of course, they are kept illiterate and totally uninformed. The native language of the slaves is often a dialect of Ethiopian, passed along in the closed society of the slave quarters and the harem.

The institution of slavery in Saudi Arabia and the Gulf states is officially denied, of course, by the feudal-monarchical regimes in question, but the existence of black slaves is an open secret that can easily be verified in any street or market. Groups of black slaves go to the souks or bazaars to do the shopping for the households which they serve. These slaves receive priority service from merchants as a sign of respect and deference to the princely masters whose slaves they are. Every larger town and city in the Gulf has a public square that served as a slave market until quite recently when the activity went under cover, and the names have been changed to deflect attention from the continuing presence of slaves, who continue to be bought and sold by princes privately and behind the scenes.

You will note that in a prior Journal I referred to the Israeli Zionists making incredible efforts to bring *"their"* JUDAIC believers out of Ethiopia in the middle of nights

by private plane and rounded up and forced aboard--herein you have the real reason and resource for a very large money-making operation on human life.

Black slavery has a long history in the Gulf. In the Arabic language spoken there, the word "abed" signifies black and slave at the same time. It is considered less a term of notoriety than a simple statement of fact.

Any American politician, black or white, who protested against apartheid in South Africa must find the existence of actual chattel slavery in Saudi Arabia and the Gulf states far more abhorrent. And all the more so because President Bush has ordered the biggest buildup since Vietnam in order to defend the Saudi slaveholders, and will soon order American troops into actual combat, with horrendous consequences around the entire world, in order to restore the Kuwaiti slaveholders to power. If American troops invade Iraq, they will be bringing black slavery with them. *Certainly many black GI's would rather use their guns to free their fellow black men, women, and children from slavery in Saudi Arabia than attack the Iraqi defensive positions in Kuwait. If Saudi slaveholding becomes widely known among the U.S. forces in the Gulf, it is highly doubtful whether they will share in the Bush-Thatcher-Kissinger war-psychosis against Iraq. WHERE IS JESSE JACKSON? WHY HAS JESSE JACKSON JUST JOINED THE CONSPIRACY ELITE OF THE COUNCIL OF FOREIGN RELATIONS????*

Slavery was "officially" abolished in open forums in 1962 in Saudi Arabia by King Faisal as a *QUID PRO QUO* (funny thing about *Quid Pro Quos*, as Bush denied any such thing in the Contra crisis, also--he said (again), "...read my lips--there is no *Quid Pro Quo*" and yet, he

personally delivered the money 'Quid' to the Central American Dealers for American military assistance against the Egyptian regime of Gamal Abdul Nasser). The Saudi reforms were never implemented.

Recently the slave trade has been maintained by kidnaping African Muslims who came to Mecca for the religious pilgrimage of the *hajj*. Many of these very poor African Muslims sold their children into slavery, or were themselves enslaved, because they could not finance their trips home. The primary sources for the slaves have been the hardest-hit parts of Africa: Senegal, Sudan, Chad, and Ethiopia and Eritrea. Preference has been given to African Muslims because the Saudi elites were reticent to have non-Muslim slaves in the holy places of Islam.

FILIPINOS, TOO

More recently, there has been a flow of Filipinos, who come to Saudi Arabia with the promise of high-paying jobs. When they arrive, they are deprived of their passports, made to sign contracts in Arabic (which they do not understand), and prevented from ever leaving the country. These ones are further prevented from speaking in any language to anyone outside the compounds. The Emir of Kuwait has had the most lavish lifestyle of any Royal Emir and the practice of slave holding is widespread--as a matter of fact, the Filipinos who were recently released from Kuwait were fortunate indeed for the so-called "invasion" by Saddam.

These slaves come mainly from populations which are Muslim, from war-torn areas. They come from Ethiopia, Eritrea, from Tanzania, etc. It is an old tradition. The painful thing about it is that the British not only know about it, but it is done with their consent. It goes back to the end

of the Second World War. In Madagascar, since that new socialist regime came in, it has been done much more strongly.

As late as your 1966, some four years after the "official" abolition of slavery for public consumption, even the United Nations has been, for political reasons, somewhat reticent to deal with the slavery issue in the Arabian Peninsula. I guess that figures to be because you must realize that the five permanent members of the UN Security Council run the UN and the world. There is even a recognized slave route from Dubai, Muscat, Buraimi, Al Hasa, Riyadh. Merchants make seasonal trips to Dubai and Muscat, returning with a group of 50 to 60 slaves at a time. They are first put up for sale at Al Hasa and later, if unsold there, sold through brokers at Riyadh. The slaves are often kidnapped from towns and villages in the Qatar and Buraimi area. The slaver contracts groups of entertainers and musicians, who give performances outside the village or town, arranging for a dancing party on a particular day. The slaver then gets in touch with the tribe living in the vicinity to arrange for a raid on the dancing party and to kidnap the girls for whom an agreed sum is paid per head to the sheikhs of the tribe--the slaver then takes over. Funny thing about the involvement of the Mossad in the kidnapping--oh yes, they are right there training the slavers.

Here is just one common example of how commonplace the practice is: a group of Italian businessmen boast openly how, because of a lack of easy access to women in Kuwait, they buy slave girls who do all their bidding. When the business is finished and individuals leave the country, the girls are sold to a fellow-businessman or sold back to the original owners--these business arrangements made at original point of sale. And so it

goes! IS THIS THAT FOR WHICH YOU ARE WILLING TO LAY DOWN THE LIVES OF YOUR FAMILY AND RELATIONS--OIL, GREED, SLAVERY AND CONTROL EVEN OF SELF??? Then, it would behoove you to awaken your eyes for the take-over is underway and speeding toward an irreversible finale.

WHERE IS HENRY K. AND WHAT IS HE DOING?

Well, he has been efforting to get China to join with the UN Security Council to declare war--by whatever name you label it. The Chinese, however, give indecision as an open projection--don't be sucked into the subterfuge.

Now, he will testify this very day before the Senate Armed Services committee--WHY? Kissinger holds no office and is no longer openly accepted even as an advisor to the President--how is this new importance to world affairs? Could it be that he is one of the most powerful humans in your world? I think you had better pay attention for he is and he is about to have the world brought down--through YOU!

Turn on your TV and you will likely find Kissinger spouting off, or look into any newspaper these days, and you will find Henry Kissinger pontificating on the Persian Gulf crisis. Kissinger is demanding that President Bush follow the same "balance of power" prescriptions that the Nixon administration carried out in Vietnam, when Kissinger was Secretary of State.

It doesn't seem to matter that the Vietnam policy Kissinger masterminded not only resulted in needless butchery of both American and Vietnamese, but also left Southeast Asia in the communist sphere of influence. Kissinger, worse yet, is accepted as the fore-

most "expert" on such matters.

The gist of Kissinger's thrust is that Bush must act soon against Iraq because waiting for sanctions to work would likely destroy the ability for the U.S. to strike at all--and hence the unrelenting push on Bush's part--to pull this off immediately, in secret upstart and while Congress is on recess.

At the same time--*he urges that a ground war be avoided, in favor of air strikes which would cripple Iraq, but keep it around as a power in the area.*

When questioned openly, Kissinger won't come up with much. He argues that since the U.S. has already deployed troops into the area, it has to go ahead and use them. This is what you call "circular reasoning" and absurd to say the least but proves the intent.

Would you like a little Freudian slip of the lip? At times it is not clear that Kissinger realizes what part of the world he speaks about. On ABC's "This Week with David Brinkley" on Nov. 11, Kissinger vigorously denied that there was any parallel between the Persian Gulf situation and Vietnam. "Unlike Vietnam", he insisted, "our demands in the Gulf have been clear from the beginning: immediate and total withdrawal FROM VIETNAM...UH, AH, KUWAIT..." So be it!

In total arrogance and disregard for the U.S. Constitution, he maintains the same situation vis-a-vis the Constitution of the United States as he always did. Just as he himself took orders from Britain, so he wants Bush to follow British Prime Minister Thatcher (and it matters not that Thatcher has stepped down, believe me), and not listen to Congress. Congress, of course, has the constitutional responsibility to declare war--that, therefore, is why there cannot be a

declaration of war--it would botch the whole facade of UN substance.

KISSINGERISM BLOODBATH OF LEBANON

Just last year (1989), Former Secretary of State of the United States of America, Henry Kissinger, commented publicly on the dictator of Syria, "*God may punish me, but I rather like Hafez al-Assad*". Well, he now has the blood of thousands of Christian martyrs on his hands! Those Christians, who died as Kissinger's Syrian friends murdered Lebanon, had followed Gen. Michel Aoun in trying to free their country from an occupation and de facto partition between "Greater Syria" and "Greater Israel", an insane policy crafted and orchestrated by none other than Henry Kissinger.

First-hand accounts continue to come out of Beirut on the continuing slaughter of Lebanon's Christians. Eyewitness reports and testimony from credible first-hand experiencers report hundreds of corpses of Christians--in military uniforms--killed with shots in the head and on whose chest the assassins had drawn a cross with the shots of machine gun bursts.

The martyrs were the officers of Gen. Aoun's army, who were massacred after their surrender to the Syrians. Further, family members of the murdered are publicly raped by the Iranian Hezbollah, who ran throughout the Christian quarters of Beirut purposely to rape, pillage and murder after Syrian troops crushed Christian resistance --"to give example to resisters and Christians". Does this sound like something out of ancient times? So be it.

OFFICIAL HYPOCRISY

The set-up witnesses who are currently testifying at the UN are pa-

thetic indeed. How is it that ones who "are free" are able to produce pictures and video-tapes of atrocities when they, themselves, were supposedly so ill treated? Come, chelas--one man testifying regarding lying next to a dead body while awaiting dialysis treatment speaks the truth of the lies--if a dialysis patient misses dialysis--he is a dead and gone duck! The fact that he is alive to testify belies the story he gives! Please keep your eyes and ears open--again, the stories are being read from pre-prepared scripts and the pictures heinous indeed, but not atrocities committed by the Iraqis. The Iraqis are severe enough--these lies are worse, for the atrocities are perpetrated by your own supporters to bring the proper results to the UN councils--so you the people will not speak out. Precious ones--look about you, for you are all but out of time to stop this slaughter of your own children.

There are no cries of outrage from President Bush's administration in the U.S. against Assad--in fact you have now joined forces with this killer. The incidents in Lebanon are not even given first headline on the newsbreaks--simply underplayed and always with the emphasis that Lebanese are out to attack and kill Israelis. What are the Israelis doing in Lebanon, at any rate? That seems to be missed in the reporting of any of these incidents!

Since the Lebanese "civil war" in 1975-76 the official U.S. foreign policy has been to welcome, as then Secretary of State Henry Kissinger did, Syrian occupation of Lebanon. While this evil, immoral policy originates with Kissinger, nevertheless, every single top official of the Bush administration is culpable for Syria's latest bloodbath against Lebanon's Christians.

There is a widespread blanket of cover-up of the martyrdom of

hundreds upon hundreds of Lebanese Christians by the Bush administration. Defense Secretary Richard Cheney, in Paris, stressed that, "...most reports I have heard so far have been unconfirmed through government sources, and I would want to have confirmation before making any comment regarding these matters."

IT IS A MATTER OF RECORD--IN KISSINGER'S OWN MEMOIRS THAT HE PREFERRED ASSAD TO ANY OTHER MIDDLE EAST LEADER.

DIRECT FROM AMMAN, JORDAN

The word from Amman, Jordan is that the American media's coverage of the Middle East is totally biased and propaganda inserted in gross misinformation. This comes from editors and correspondents efforting to bring truth forth in order to stop this insane march to war.

There is total effort to corrupt every statement made by Saddam even if the actual footage of film is shown--it is always slanted grossly toward the Israeli point of view.

As a good example, in reporting on the Israeli police shooting of the Palestinians in Jerusalem outside the Al-Aqsa Mosque, the U.S. media continually referred to the area and use the word which has been coined by the Israelis: the "Temple Mount". This is a NEW WORD which has proliferated in the Western media, to emphasize that this particular place is actually where the temple used to be, although, scientifically speaking, no excavation has revealed that this mount was actually the site of the temple--I would suggest you consider this most carefully for God may not like usurpation of His property for Evil reconstruction at any rate, manner or form and herein you might find clues to Zionism's thrust, vs. that of the

Jews!

When the U.S. emphasizes "Temple Mount, Temple Mount, the Palestinians are demonstrating at the Temple Mount," you are actually stressing the "fact" that this is the site where the temple used to be--so that one day when you destroy the Al-Aqsa Mosque, then this was on the "Temple Mount" and somehow it is perfectly alright, expected and correct. This is the kind of technique which the American media tends to use at every turn.

Saddam Hussein is not correct in his behavior, but you must learn that an attempt to paint a black picture of the man, and his power and country as well as ambitions are to make war palatable, attractive, and the sacrifices acceptable--through eliminating a "monster", and this is the whole intent of the controlled Establishment media.

You must realize, dear hearts, that the Elite and the spoon-fed Establishment papers, are pro-Israel in every issue and this shall ever increase in publication attitudes. The effort is to hectically and chaotically use the buildup against Saddam Hussein in order to destroy Iraq for reasons which have absolutely nothing to do with Kuwait and nothing to do with peace but EVERYTHING TO DO WITH ISRAEL AND CONTROL OF THE MIDDLE EAST AND OIL. THE GLOBAL 2,000 PLAN MOVES EVER ONWARD, A BIT AHEAD OF SCHEDULE!

WHY DOESN'T GOD JUST GIVE YOU FREE ENERGY AND SOLVE EVERYTHING?

Well, let us look at that which you call "cold-fusion", remember that? What did the Establishment do to those nice young scientists from Utah after they were ridiculed and denounced? Let us honor them.

At Brigham Young University in

Provo, Utah, at the end of October, cold fusion scientists from around the world discussed new experimental results that confirm **once again** the startling announcement of room temperature fusion made by scientists Martin Fleischmann and Stanley Pons back in March 1989.

Most spectacular, a University of Hawaii cold fusion team announced that it had produced a significant amount of helium-4, a by-product of the deuterium nuclear fusion reaction, in palladium rods. The Hawaii experiment measured 4x10 to the 9th atoms of helium-4 after 100 hours, significantly above any background levels. Another young scientist who has had his life attacked over and over and will not be named herein--has created useable fuel for cars as they now are, from this same "heavy water" (deuterium).

The Hawaiian experimental setup is different from the Fleischmann and Pons configuration and is carried out in a molten salt with palladium as the anode (instead of as the cathode). It produced an energy output that was five times the amount of energy input into the experiment.

Fusion, the process that powers the stars and the Sun (cosmic energy), is the energy released when atoms of the lighter elements, like hydrogen, are fused together. It is the opposite of fission, where energy is produced from splitting the atom apart.

Attempts to achieve fusion in the laboratory have made use of very high temperatures (millions of degrees) and relatively large reactor devices to fuse together hydrogen atoms in a hydrogen plasma fuel. In contrast to "hot" fusion, cold fusion research is carried out in a simple electrolytic cell (bathtub size), consisting of a palladium cathode and a platinum anode submerged in heavy water. At

some point rhodium and/or iridium as cathode might be a rather feasible consideration.

Although the equipment is simple and the scale is small, the experiment itself is not simple and there are many variables that are not understood even by the scientists who have succeeded in producing excess heat, neutrons, or tritium in a cold fusion apparatus. And just what do you think would happen to these scientists if they come up with cheap energy when the Cartel is going to fight a massive war in order to control the oil supply and energy resources? Come now, little dreamers who think a new invention would "save the world"--not yet, dear ones, not yet!

Because the phenomenon appears to break the rules of traditional plasma physics, the physics establishment has opposed the idea that cold fusion can occur, and has ridiculed those scientists who pursued work in this area. They have even resorted to allegations of fraud in order to taint both cold fusion research and the researchers. As a result, the public has not been able to get accurate news of how far experimental work has progressed over the past year and a half--and you had best hope it can remain that way for now.

INSINUATIONS AND OUTRIGHT LIES

The discussions in Utah, in this October, were no exception to the "dump cold fusion" pattern. It takes a while for learned ones to realize the extent of the world plot against humanity. As scientists were discussing the cold fusion research at the Provo meeting, sponsored by the Department of Energy, the Electric Power Research Institute and the University, the headlines read "Cold Fusion Scientist Missing As Key Review Nears" and "Utah to Start Search for Cold Fusion Scientist"

(New York Times, Oct. 25 and 26).

The story reported was that, when the time came for the state of Utah to review the state-funded National Cold Fusion Institute's work, the two top researchers were "missing". Science writer William J. Broad implied that Fleischmann and Pons had skipped town to avoid facing the reviewers because they could not "defend" their research. Pon's house was for sale, Broad reported, and his phone disconnected.

In fact, both scientists had been in the University of Utah in Salt Lake City since June, waiting for the review to be scheduled. Just after Pons took his family on vacation to Europe, and after Fleischmann returned to his home in England for medical treatment, the October review date was set and the university could not reach either Pons or Fleischmann to tell them. As for Pon's house being for sale, he had already moved into another dwelling. Both Pons and Fleischmann have stated that they would certainly be available for the new review date.

Contrary to the message that the state review is a hostile process to determine whether cold fusion is real or not, the procedure is really designed to assure that research is progressing at a reasonable pace and high quality, according to a University of Utah spokesman--and if you believe that, dear ones, how about that bridge that just sank in Washington state--I can get it for you real cheap!

"The University administration continues to support cold fusion research", said the spokesman, "and will not be withdrawing support for the Institute, Fleischmann and Pons, or anything else."

STRONG ARM OF ESTABLISHMENT

Now some facts about that last statement. The U.S. physics establishment in general, and that at the University of Utah in particular, seems determined to shut down the national Cold Fusion Institute. The American Physical Society, which has led a nasty attack on cold fusion almost from upstart, threatened the university department with losing academic accreditation if it had contact with the University's Cold Fusion Institute.

A very prominent visiting scientist at the institute, who had offered to teach a physics course in his specialty at the university while he was in Salt Lake City, was totally shunned by the Physics Department because of his cold fusion association. Another Physics Department professor was asked to resign from all committees and contact with students, as long as he continued working with the national Cold Fusion Institute. I would guess that the Cold Fusion Institute might just be on to something quite remarkable--what think ye?

BY THE WAY--BACK TO THE MIDDLE EAST

One last little note and then we will take a break, Dharma. In being a good little Middle East "WATCHER" I suggest you not overlook that one, Ariel Sharon, who is actually "King of Israel"! When General Ariel Sharon is in a dominant position in Israel, you can expect lots and lots of trouble.

Currently the "Housing Minister"--and in reality, the strong-man of the entire regime--Sharon is pushing for war. It is in no way a secret from any save you in the U.S. that "Arik" Sharon is the funder and protector of the various "Jewish underground" sects which have regularly been killing Pales-

tinians, most recently triggering the Jerusalem bloodbath. Sharon would like to see such atrocities provide the pretext for his own pet project: *invading Jordan, toppling King Hussein, and declaring that Jordan is "Palestine", thereby solving the Palestinian problem.*

Do you recall that way back in 1982, Sharon, then Defense Minister, ran the Israeli invasion of Lebanon, which did so much to finish off that tragic nation? Less well known, perhaps--if anything is known at all, is the fact that, that same year, Sharon teamed up with that lovely and gracious Henry Kissinger, Lord Peter Carrington and his long-time mentor and funder, New York financier Meshulam Riklis, to put together an international network of real estate firms. Sharon and company intended to make a "real killing" (in every sense of the word) through the provocations Sharon's underground was creating on the West Bank and in occupied East Jerusalem. Driving Palestinians off their land and buying their property for a nickel or less, on the dollar, is just one of the reasons that the Wall Street and City of London financiers who own Sharon want to see him become that "King of Israel". And so the cookies continue to crumble and the fortune papers flow forth into public view--slowly but surely--for truth will always "out" if given "time".

POST SCRIPT

Just in passing--look at the swiftly moving hand lest it go faster than your eyes; Mexico was not the only points south that your President Bush intends to invade with his "Free Trade". Don't you ones know that he has scheduled a trip, which begins on December 3rd, on a five-day dance through South America--visiting Brazil, Uruguay, Argentina, Chili and Venezuela? Well, you should watch, for the purpose is to encourage the free-

market policies that South American countries are increasingly embracing, thanks to your wondrous pushing and shoving to get rid of your businesses and jobs.

Now, wouldn't you know that the President's Agenda is the disappearing rain forest in the Amazon Basin and hyperinflation and the heavy foreign debt of both Brazil and Argentina. *In the name of lessening and forgiving debt owed to the U.S., there will be some grand negotiations and assistance offered from you the wondrous U.S. citizens--how grand that America has bottomless pockets even as you send your business and jobs away to foreign lands and your own go homeless and hungry? COULD IT BE - - - ?*

NOW, FOR ANOTHER INTELLIGENT MOVE TO HELP AIDS

Now this next should be the answer for AIDS sufferers. On December 1 much of the world will fall into darkness (I doubt it but the article says as much). To support International AIDS Awareness Day, more than 1,000 cultural organizations are expected to dim their lights in one way or another in an effort to raise contributions for medical research and caregivers, while demonstrating that they plan to intensify their efforts to find solutions to the AIDS crisis. Television screens around the world will turn black; museums will close their doors or drape shrouds over works of art (Maplethorp's, perhaps?); singers will fall silent (mostly a relief to the brain and ears); dancers cease to move. At 7:45 p.m., as the lights go out at many public buildings in New York City, organizers hope that individuals will also turn off their lights to commemorate those who have died of AIDS. At 8 p.m., nearly 100 million TV viewers will witness a "moment without television" organized by the Bravo cable network. In an

unprecedented act of cooperation, 23 major cable networks have agreed to give up a prime time minute to raise awareness about AIDS. The four broadcast networks have not yet agreed to join but organizers will continue their efforts to include them. I think I had better not even comment on this matter lest I offend you nice readers. Is it possible for man to ever see the point of his journey or must all of you fulfill the death sentence placed upon your heads and those of your children?

Allow us a rest please.

Hatonn to clear. Salu.

"NEW WORLD ORDER"

You are coming under One World Rule by the five permanent member-nations of the UN Security Council--NOW, THIS WEEK!

THIS, DEAR ONES, IS WHAT ALL THIS PUSH AND SHOVE IS ABOUT--NOT FOR THE U.S. TO DECLARE WAR OR EVEN INVADE--IT IS TO BRING THE WORLD UNDER THE CONTROL OF THE U.N. SECURITY COUNCIL OF THE CARTEL NATIONS. IT HAS NOTHING TO DO WITH SADDAM HUSSEIN, HUMAN RIGHTS, OR ANYTHING ELSE UNDER THE CLAIMING--IT IS FOR ONE WORLD GLOBAL CONTROL BY THE ELITE! FURTHER, IT IS WORKING TO PERFECTION WHILE THE WORLD SLEEPS ON. YOUR MILITARY COMES FORTH IN FRANTIC UPRISING SAYING THAT SADDAM HAS NEVER HAD A WEAPON HE HASN'T USED. HAVE YOU?? IT IS THE U.S. WHO HAS USED THE ATOMIC BOMB! SO FAR, SADDAM HAS NOT! I SUGGEST YOU LOOK WITH OPEN EYES AND EARS AND WATCH THE MOVING AND SILENT HAND AT WORK--

NOT THE MOUTH WITH THE BLATHERING THEREFROM. SO BE IT.

While all of you are distracted--yes, you are! How many of you know that the Federal Reserve is going to cut the "reserve requirement"? Yes, the Federal Board is going to reduce the fraction of deposits that banks are required to hold as reserves. This would be viewed as a strong message from the Fed that it wants banks to lend--lend and lend some more, thus sinking you further into economic destruction and total disaster. If you do not understand this information, I suggest you not ask me to explain it--go re-read and STUDY the information given forth in the Journals as to the banking "reserve" and "fractional banking" as outlawed. This is as serious a move in the financial clincher division, as any confirmation you will ever get--and ALL of you missed it!

At present the banks are only required to hold--either as currency or in interest-free deposits at the Fed--sums equal to 12% of all checking deposits and 3% of certain certificates of deposits with maturities of less than 18 months. Reducing the reserve requirement would give banks more money to lend or invest at a profit and, if not offset by other Fed moves, would increase the supply of credit in the economy. Now, the FDIC is broke and the banks can loan 22 to one already--what does that tell you? It should tell you that if you put in \$100 you are apt to get out less than \$12 as it now stands and henceforth that spread shall increase drastically--in other words, the banks will hardly need hold any of your money for return to you! I would suggest this is something that should be given attention and I see not one of you even being aware of it. Moreover, all the hoopla surrounding the proposal is accompanied by total lies as to safety, problem-solving

and live happily ever-after jargon-- it is massively damaging to say the very least regarding the matter.

**HELP YOUR NEIGHBOR.
HAVE YOUR LOCAL LI-
BRARY ORDER THE
PHOENIX JOURNALS.**

WHAT CAN I DO?

We are continually asked, "What can I do, how can I help? Let me suggest a few options:

1. Start a group focused on your specific area of concern.
2. Start a group to save the Constitution using the kit as your guide.
3. Become a distributor for the Phoenix Journals.
4. Write to your representatives and local newspapers.
5. Photocopy the Express and pass it on.
6. We are very conscious of your privacy, therefore if you would like to network with others in your area, please write to us giving permission to have your information released.

SOME OF THE PHOENIX JOURNALS:

Space Gate
Spiral To Economic Disaster
From Here To Armageddon
Survival Is Only Ten Feet From Hell
AIDS, The Last Great Plague
Satan's Drummers
Privacy In a Fishbowl
Cry of The Phoenix
Crucifixion of The Phoenix
Skeletons In The Closet
R.R.P.P.*

OUR NEWEST JOURNALS

CREATION, THE SACRED UNIVERSE

By Gyeorgos Ceres Hatonn

In this latest "JOURNAL" we are given day by day information of important events going on in the world and especially about Russia, Iraq, Israel, the Middle East and the U.S. and how these tie into the major prophecies of the end-times.

We are given information about the history of this planet and origins of the humans here.

We are also given a response to the "Middle East Prayer Alert", put out by many well known "Christian" leaders, by Jesus Sananda.

Many other topics are covered including: Our origins - The moment of "no time" - Cities of Light - Pres. Bush and the "New World Order" and its consequences - The geological processes involved in Vulcanism - Learn how water (Babylon's Achilles' heel) will play a major role in starting of Armageddon - The "Global Agenda" and how oil control is of key importance - More about Noriega - Why doesn't Saddam give up? - Russia's real role with Iraq and the Middle East - Russia's superior weapons determines what we can do in space - The POW's we abandoned - The origin and purpose of the Bird Tribes - Some history of Earth and settlers here 70,000 years ago and the consequences. There is also much more.
