12/20/90 HATONN

RED ALERT: WARNING, ATTENTION!!!!

You are at the edge! You are very near to Armageddon this day!! I trust that those of you who have cast the stones which have all but killed my truth bearers, shall remember these next hours and weeks in fullness! It may well be that the Powers that Control you may not be able to hide all from you--pray that it be so; also, pray that sanity can prevail for your nation, if not, your world swings in the balance of annihilation-----AT THE HANDS OF YOUR NICE NEW ALLY, RUSSIA!

SHEVARDNADZE

Do you actually think this man's resignation is of no interest? This is the clue of clue of clues! This man just garnered food (which was unneeded for thousands of tons of food sit rotting in warehouses and train cars in Russia). This is the man who has held out negotiations and peace pacts with the U.S.!

THIS IS THE SAME MAN THAT ON THIS DAY HAS RESIGNED AND ACCUSES GORBACHEV OF DICTATORSHIP, WAR MONGERING AND WHAT YOU DON'T KNOW--YET--PLANS

TO TAKE OUT THE UNITED STATES OF AMERICA! Where are your "PISSSED OFF" soldiers this day? Where are the people who have written and called us liars and bigots and anti-Semites? WHERE ARE ALL OF YOU WHO HAVE TROUNCED YOUR BROTHERS AND YOUR CONSTITUTION TO SUPPORT THE GREEDY, HORRENDOUS "ONE WORLD GOVERNMENT--ORDER"?

Why is the United Nations Council REALLY meeting this day? To buffer just a little bit the Bush foolishness? No, you will find a world running for its life existence! Every sign has been present to the "mark of the beast" and you embrace it like your "savior"! This is a remarkable day in history--IF YOU HAVE ONE!

I BRING YOU "FEAR"? I CERTAINLY DO HOPE SO! NOTHING ELSE HAS TOUCHED THE MASSES IN A MANNER WHICH ALLOWS THE EARS AND EYES TO OPEN.

THE PLAN

Those of you who taunted and giggled when the Russias didn't blow away on December 3rd--had now better look again! Do you believe the Soviet Union didn't KNOW of the plans?

Foolish chelas, you are dealing with ones who will rule your globe at ANY cost! Totally and absolutely!

Mr. Shevardnadze resigned because Mr. Gorbachev has just made final decision to take the world! The Russians can take out all of your troops in just about seven minutes! This will annihilate any ability to protect America on the home territory. They have superiority in the air and can take out anything you can return at them prior to its leaving the ground or embankment--from the U.S. or any other placement. You have no protection longer, in Europe, and so it goes! MERRY X-MAS AND HAPPY SATAN'S DAY! YOU MIGHT VERY WELL SOON HAVE SOME MORE "MARTYR BLOOD" TO WORSHIP! A FOOT OF SNOW IN SEATTLE??? BROTHERS, YOUR NATION IS ALL BUT STALLED OUT ON ITS OWN ACCOUNT!

We have relieved pressure a bit on the Tejon fault so that when the San Andreas goes, it doesn't impact our crystal greatly.

And what do you have this day? More banks in serious trouble. A whole defensive missile system that is unuseable (Harm--MicroDynamics Corp.), for when the launch signal is engaged it blows up the plane and

the pilot!

Precious ones, the Soviets DO NOT WANT TO WAIT until all of your own Elite security shelters in Australia are ready for occupancy! Foolish chelas, you hang by the plaque on your teeth which are likewise poisoned with mercury! You have more KGB (Russians) in your CIA than you do Americans--and I remind you that the Russians HATE THE ZIONISTS WITH A HATRED THAT GOES ALL THE WAY TO SATAN HIMSELF! THE ONLY THING YOU OF THE "INNOCENT HUMAN RIGHTS SEEKERS" HAVE ACCOMPLISHED IS TO GET A VERY NICE LOOKING--SMILING--EXECUTIONER! SO BE IT!

AMERICA WEST: Get a set of Journals (full sets) instantly off to DeFazio and Dellums--along with ALL Expresses. This is an ALERT!

You of my own counterparts--sit tight! Do get this "Alert" to crucial ones such as Wisconsin Report, Phoenix Letter, "BO" Gritz, etc. It is up to you regarding radio stations, George, for they won't pay attention until "after the fact".

We of the higher resources are working as fast as we can to reason with sanity--but I can tell you right now--it does NOT LOOK POSITIVE!

OF COURSE SADDAM HUSSEIN KNOWS! WHY DO YOU THINK ALL SOVIET PERSONNEL ARE REMAINING IN IRAQ?

DO THE LEADERS ON EARTH KNOW?? OF COURSE NOT! YOU ARE DEALING WITH THE MOST CLEVER ENERGY FORM OF THE UNIVERSE! BESIDES,

IF THE OVERALL PLANS HAVE TO BE PUT TO THE SIDE, THEN THE TRUTH WILL NOT YET SURFACE--I TELL YOU NOW, HOWEVER, THERE IS INDIGESTION IN THE WHITE HOUSE! YOU SEE, THERE ARE GREAT DECISIONS TO BE MADE--INSTANT WAR "MIGHT" STALL THE TIMING; DIRECT AN INSTANT ATTACK ON THE SOVIET UNION "MIGHT" STOP IT TEMPORARILY. DON'T YOU INNOCENT, TRUSTING CHILDREN SEE THAT THIS IS A MOST APPROPRIATE TIME? EVERYTHING ON A HUMAN LEVEL IS FALLING INTO DISARRAY AND PRESSURES ARE BEING PLACED ON THESE GOVERNMENTS WITH WHICH THEY CANNOT DEAL AND THE CHAOS WILL INCREASE EXPONENTIALLY.

THIS IS A MOST SERIOUSLY GRAVE TIME, CHELAS, PLEASE DO NOT DISCOUNT THIS WARNING! PRAY THAT THE EVIL-DOERS WILL SLIP AND INADVERTENTLY "SHOW THEIR HANDS" FOR YOU BASICALLY HAVE ONE ENERGY PLAYING BOTH HANDS! IT IS NOW AN UNDERCOVER PLAY FOR SUPREMECY AMONG THE ELITE.

I ask to close this document at this point but I have further input for my group. The printers must have this to work with, however, for I ask that any of you who recognize ones who are on the side of the American Constitution--that they receive this document along with the three-page synopsis, by fax--immediately. We shall have to consider the price worth the last-ditch effort at sanity!

May GOD OF LIGHT walk

with you through this VALLEY OF SHADOWS--IT IS THE TIME OF CONSIDERATION FOR YOUR DIVINE PURPOSE IN HIS UNIVERSAL EVOLUTION. SO BE IT! YES, CHELA, THIS DAY I SPEAK OPENLY IN RECOGNITION OF OUR PRESENCE AND WE SHALL BE INCREASING YOUR PROTECTION. I DO, HOWEVER, ASK THAT YOU OF OUR COMMISSION BE PREPARED FOR DEPARTURE AT CONSTANT ALERT. GO ABOUT YOUR BUSINESS, BUT REMAIN IN CONTACT. I SALUTE YOU.

GYEORGOS C. HATONN,

TODAY'S WATCH

I come in service unto you and unto our Creator. I stand with you, who stand on the brink of erroneous choices in the name of evil for you know not that which you do--you could not, else you would surely not do the things you do! I am Hatonn.

Dharma, since the ALERT will not go to the general mailing until we have more message, let us get onto that first for there are some things of confirmation which I feel have been missed and I WANT YOU TO HAVE CONFIRMATION OF THOSE THINGS WHICH I BRING TO YOU BEFORE THE FACT SO THAT YOU ALL BEGIN TO TAKE NOTE AND RELATE ONE EVENT WITH THAT OF ANOTHER.

U.S. SATELLITE FAILURE

Please recall that on December 2, 1990, there were multiple

missile and space rocket launches. I told you that your shuttle mission was a failure. Now, how do you know that I spoke truth? How do you know that I have told you truth regarding your satellite warning system being worthless? ***Because today the military is having to make it public that on December 2nd--you had no tracking system at all!! This is what saved you, ultimately, from all-out nuclear war and is at the least CONFIRMATION THAT I BRING YOU TRUTH!***

On December 2nd Iraq launched the three missiles as you will recall my message--they were NOT picked up on satellite surveillance! The one of three which would have done the most extensive damage was CLAIMED to have been shown on satellite--finally--at less than one minute to impact! So be it!

PRIDE IN LEADERSHIP?

Yesterday, while the world awaited total destruction--and by the way--DO NOT CONSIDER THE EVENT OFF! THINGS HAVE ONLY WORSENERD THIS DAY! FEEL FORTUNATE FOR ONE MORE DAY! YOU SEE, THE ATTACK, IF IT COMES, WILL HIT YOU IN YOUR NIGHTTIME WHERE YOU ARE AT GREAT DISADVANTAGE--WITH THE MAJOR PORTIONS OF YOUR COUNTRY IN THE SIBERIAN EXPRESS GRIP OF FRIGID IMMOBILIZING COLD. YOUR NIGHTTIME IS RUSSIA'S MOSTLY DAYTIME!

At any rate, while the world dangled on a thread Mr. Bush had his little high-level briefing meeting and, when asked about the status of Saddam and war--he said words to the effect, "if he doesn't get out there will be ass-kicking", and then laughed.

For Mr. Bush to "ass-kick", he is willing to have 30,000 to 50,000 body-bags delivered back to your U.S. homes--full! Is this what gives you pride and reverence, with respect, in your leadership? Is this what gives you security with a Soviet world coming right back into the insanity of Communist Military CONTROL? How do you feel with no NATO forces? How do you feel to be vulnerable to total all-out attack within the UNITED STATES and your military all in Saudi Arabia? Do you actually feel like the wondrous "hunter" who goes to hunt with an assault weapon to shoot the deer tethered to a tree immobilized? ***Is this the American dream of justice and liberty for all? Has the entire world gone insane?***

In Washington, DC, yesterday, five little children walked home from their little schools and all five were slain by "a drive-by shooter" having sport. In Michigan a four year old baby was shot in her bed by a gang looking for her 16 year old brother--intentionally and deliberately! IS THIS THE AMERICAN DREAM? WILL THE REMOVAL OF THE WEAPONS CURE THE DISEASE FESTERING AND INFECTING THE POPULACE? HAD IT NOT BEEN A GUN, IT WOULD HAVE BEEN A BUTCHER KNIFE. THESE ONES LOVE THE FEEL OF FRESH WARM BLOOD ON THEIR HANDS--IT GIVES THEM "A SEXUAL KICK AND HIGH"--and I quote words from the mouth of one who raped and killed! Is this the ultimate sexual degradation, perhaps, to make my further point about misuse of the wondrous gifts of God unto Man?

EARTHQUAKES

Two Earthquakes in Europe

within the week--this one of yesterday rocking the very Acropolis in Athens. The Siberian Express is now headed for Europe also. Do you think these things random acts of God?

St. Helens blew again yesterday with earthquakes accompanying the flumes. Some areas of your West which historically do not reach freezing temperatures are at 32 degrees BELOW ZERO! How would America respond to a military attack against your country this day? Well, chelas, you may very well find out! How many of you can get along in a massive Earthquake along the coast of the Sea of Peace in freezing to sub-freezing temperatures and another storm on the way?

Your government laughs at Saddam practicing at evacuation of Baghdad and claims "he is running scared". No, he is using intelligence to surpass your own.

Your egotistical insane leaders appear as Bantam cocks strutting and crowing and will crow and strut right through the horrendous scene--they will not go to the fray, but rather continue crowing while the brood is slain and the flock desecrated!

UNITED NATIONS RESOLUTION

How about the UN non-resolution against Israel? This point so watered-down that there is no soup remaining. A no-no to exile through deportation of Palestinians from their own homes, yet refusal to even discuss a council meeting regarding the Israeli/Palestinian problem. Well, we wouldn't want any "justice" in "ass-kicking" would we?

PUBLIC RELATIONS MOVIES AND TALES

How do you feel about the new revelations of the press and Congressional sub-hearings on Human Rights Violations in Kuwait? *How does the news hit you that now tells you the movies shown to the world and your Congressional hearings and upon which Mr. Bush bases his most recent ass-kicking stance against Iraq--ARE FABRICATIONS AND PIECE-MEAL PICTURES PUT TOGETHER BY A PUBLIC RELATIONS COMPANY AT THE EXPENSE OF THE SABAH (EMIR) FAMILY WHO IS DEPOSED IN THE MOST ELEGANT HOTEL IN THE MIDDLE EAST?*

Where is the call to JUSTICE beating within the breast of the American people?

How do you feel about the new scenario that if the U.S. moves against Iraq in the least, that Iraq will probably take out Israel and, at either rate, in expectation of same Israel will overfly Syria and Jordan and "atomic bomb" Iraq? This is from their own mouths, so don't go "fear-mongering" Hatonn, sleepy-heads. This "stuff" is coming through right from your own non-news, now. How bad do you think it REALLY IS, if this is seeping through?

Ah yes, and about Mr. Asad, your newest bought and paid for (personally) ally. He says if this happens, he will go to war against Israel, with Iraq! One can just never tell in which direction the worm will turn, can you?

WARS, WAR RUMORS-- CHAOS

Did it not come down to you that in the prophecies there

would be great earth upheaval, wars and rumors of wars, and total chaos would reign upon the lands? Worse, it was also said that the people would be given into ignorance (lack of education) and distracted so that they would not see truth! Is it not so? Over three-quarters of the American populace do not read even a book a year--no matter what the subject! Further, it is being proven that children graduating from your schools are functionally illiterate. CAN YOU NOT SEE THAT THESE ARE THE THINGS OF INTENTIONAL PERPETRATION UPON THE MASSES? IS THIS THE GREAT "GLORY OF A NATION" WHICH WAS GIVEN INTO YOUR CARE? THE FIVE PERMANENT MEMBERS OF THE UNITED NATIONS HOLD YOUR WORLD ALREADY IN HOSTAGE! *THE ONLY DECISION AT THIS POINT IS WHICH OF THE MAJOR PLAYERS WILL BE THE PRISON-MASTER AND SLAVE-MASTER!*

AGREEMENT

Mr. Bush and Mr. Gorbachev AGREED not to move into NUCLEAR WAR in the Middle East until at least 1992! The Soviets prefer not to enter into a nuclear holocaust until then so that they are in better position to control the extent of the happening. DO YOU ACTUALLY THINK THAT NOW THAT THEY HAVE "BEEN TOLD" THAT ISRAEL WILL CERTAINLY USE ATOMIC WEAPONS--THEY WILL WAIT AND END UP AT DISADVANTAGE? *You had best be listening to every possible fragment of news which allows you to HEAR WHAT THE MILITARY FACTION OF RUSSIA IS SAYING! TODAY!*

Also, listen and watch what

your own military is doing. While disclaiming any intent to use nuclear weapons in the Middle East--you have nuclear missiles aboard all of your ships and the troops are "...practicing warfare with hand-carried nuclear weapons..." Again, I suggest you not throw stones at my scribe nor at me--this is coming from your own projectors and this is only in ONE little 15 min. segment of the non-news!

FRENCH SUPPORT?

Oh yes, Mr. Mitterand spouts off and yet let us look at what one of the French envoys has to say: "(The Bush administration) has shocking lack of concern for the lives of American hostages and personnel in the Persian Gulf." The question raised is "...excessive Israeli influence fueling the war fever in Washington."

I am going to herein point out the news for you:

Among U.S. high-level policy officials who now hold key commands in the gulf despite their *total commitment to Israel's interests* (these are NOT your elected representatives for they are administration appointed), are the following:

PAUL B. WOLFOWITZ, the under-secretary of defense for policy. Wolfowitz has "been at the elbow of Defense Secretary Dick Cheney during every visit to the gulf," UN diplomats report, adding that in Cheney's absence Wolfowitz "is often seen running things in Saudi Arabia." There is "concern" about his role

because Wolfowitz has been known for years as a *key supporter of Israel*.

At the State Department, DEPUTY SECRETARY LAWRENCE S. EAGLEBURGER, LEGAL ADVISER ABRAHAM DAVID SOFAER AND DENNIS B. ROSS, DIRECTOR OF POLICY PLANNING--the three TOP officials in charge of gulf strategy--are all *ACTIVIST SUPPORTERS OF ISRAEL*.

In the White House, CHIEF NATIONAL SECURITY ADVISER BRENT SCOWCROFT has been described by a European diplomat as the "loyal lip servant" of HENRY KISSINGER, the leading advocate of instant war in the gulf. *Scowcroft is a former executive of Kissinger Associates and a capo in the Trilateralist mafia. Scowcroft is not capable of making a decision that does not first serve the interests of Israel.*

MONEY IN THE BAG

Let us again look at the reasons for aggression from another aspect. Let us consider the revived Coalition for America at Risk (CAR), which describes itself as "*an ad hoc organization which supports a strong response to Saddam Hussein's aggression in the Persian Gulf*". CAR has launched an elaborate media campaign to drum up public support to "help President Bush GET SADDAM HUSSEIN OUT OF KUWAIT NOW--not months or years from now--NOW!" This campaign, as you have

surely noted, includes full-page ads in major American newspapers and spots on the ABC, CBS, CNN and NBC television networks. (Does it seem strange to any of you that our material is rejected in total and no allowance of such is permitted to be given to you-the-people?) The group claims to have raised nearly \$1 million and to "have been flooded with 2,600 calls a day" at its two toll-free 800 numbers, according to the *Washington Post* (another fine Establishment press who REFUSES to respond to our contacts. Nonetheless--all alerts and such are faxed to them right on schedule!--SOME DAY THE PUBLIC WILL COME TO KNOW THE TRUTH!). CAR's address is the OFFICE OF KEENE SHIRLEY ASSOCIATES, A LOBBYING AND PUBLIC RELATIONS FIRM IN A WASHINGTON SUBURB, ALEXANDRIA, VIRGINIA. But its guiding instructors--its four co-chairmen--are a bankrupt precious metals dealer and magazine publisher, and three of his associates in these ventures.

FOUR HORSEMEN OF APOCALYPSE?

These co-chairmen are:

WILLIAM KENNEDY of San Diego, the founder and president of Western Monetary Consultants (WMC) and former owner of the defunct *Conservative Digest* magazine. WMC's 1988 bankruptcy left unpaid bills to trade creditors of \$1.2 million and claims by investors totaling over \$17 million.

The investor claims resulted when WMC failed to purchase silver and other precious metals for investors, following their paying for them through WMC's "Silver Accumulation Plan" and similar investment

media.

SCOTT STANLEY, JR., the managing editor of the John Birch Society's *American Opinion* magazine from 1961 until it discontinued publication in 1985. Stanley was then hired by Kennedy as editor of *Conservative Digest*, which Kennedy purchased from mailing list mogul Richard A. Viguerie that same year. Kennedy sold *Conservative Digest* in the wake of WMC's bankruptcy, and the magazine subsequently folded in December, 1989.

SAM H. ZAKHEM, the former U.S. ambassador to Bahrain (1986-89). (oops--funny thing about this and the Bush family holdings in Bahrain--perhaps?) He was a former member of the Colorado House of Representatives (two terms) and Colorado state Senate (one term). Zakhem was a regular speaker at WMC sales meetings and had the additional responsibility of supervising other speakers and of serving as master of ceremonies, prior to his appointment as ambassador. And what of his little old inside workings with Silverado Savings? Oh well, perhaps you should just keep the stoning aimed at Hatonn lest you happen to see truth in all the right places.

LEWIS A. TAMBS, former U.S. ambassador to Costa Rica and "ambassador" to Kennedy more recently; he was a continuing speaker at several "postbankruptcy" sales meetings in 1990. Stanley and Zakhem are the principal spokesmen for CAR.

Stanley challenged Attorney General Ramsey Clark for a public debate on the Persian Gulf issue. Clark is a prominent liberal critic of America's military intervention in the area. Stanley also spoke to the *Wall*

Street Journal, whose editor is fully in favor of military intervention--NOW, on the issue of CAR's funding.

The WALL STREET JOURNAL identified Kennedy as "a registered Kuwaiti, i.e. foreign government agent trying to profit by managing Kuwaiti flight capital" and quotes him as declining to say how much CAR has raised, or from what sources. "You don't tell the enemy what your resources are,"--is what was left dangling.

Stanley told the *Journal* that "Our policy is to keep it (CAR) an American committee and not take money from foreign sources." Then the punch line: "We are rallying America in defense of Kuwait while simultaneously soliciting investment money from Kuwait." When possible disclosure was mentioned, all were assured that, "Mr. Kennedy will file a libel lawsuit against the reporter for you'll find Bill Kennedy is litigious," is what Stanley taunted. You see, little reporters don't know that their stories and investigations will make it only to the Editor's waste can. Reporters think they are doing a great public service uncovering these truths. Do you of American understand what will happen as truth begins to free the writings and tongues of the truth-bearers--when they no longer stand isolated and alone against that which has been set up against you?

Do you note that these stories are cut and edited and never become public and yet the most atrocious defilement unto your female of your species is allowed to be published and distributed--that which graphically describes sexual perversions, torture and rape of women as well as a graphic description

therein of peeling the skin from a living woman! This all in the name of "freedom of the press" and "free speech". Ah yes, the Phoenix Journals are "BANNED" and not allowed on the major bookstore shelves--and yet instructions for the torture and rape hit the Best Seller listing before the final document is to press! Is there not something out of balance with your Constitutional Bill of Rights? Dharma is literally shot at, with real live guns, to shut up Hattonn and yet this corruption is spread about your nations as wine for the gourmet'. Men shown in homosexual acts is supported in "art" form pictorials and hung in museums funded by you-the-people and yet the Phoenix Journals are banned and boycotted? So be it! In the ending God will win, my dear friends--and where will that leave you who find evil erotic and sexually stimulating? "Yeah, but what a way to go..." you giggle. WHO WILL STILL BE GIGGLING IN THE FINAL SCENE AS THE LIFE-BOAT LEAVES--WITHOUT YOU? WILL YOU GO WITH A FINAL ERECTION, OR IN BED WITH THE BONDED WOMAN? WILL SHE BE GIGGLING WITH YOU THINKING IT IS ALSO "HER" BIRTHRIGHT TO DEGRADE AND DEBASE THE GIFTS OF GOD UNTO YOU?? WILL YOU STAND PROUD BEFORE GOD WHO WILL HELP YOU JUDGE YOUR JOURNEY UPON EARTH? WILL YOU STAND NAKED WITH ERECTION IN ONE HAND AND MONEY IN THE OTHER--TO TRY AND BRIBE GOD? SO BE IT, BROTHERS, SO BE IT!

These horsemen of the Apocalypse tout the strategy for handling *the Kuwait's money* as involving *anti-dollar* investments. They assure that, with the dollar

destined for decline, their methods will surely work as it has already been paying off most substantially, and these bankrupt ones live in a kingly manner, proving the point!

The whole thing is "a massive concept and part of our multi-million-dollar over-all advertising strategy, which will further our goal of generating grassroots support for President Bush. With this new ad campaign, with input from key inside personnel, we are expecting thousands more Americans to join our coalition and make massive contributions," says Stanley as spokesmen for the group.

"Only by showing a broad consensus for our present policy in the gulf can we thwart the isolationist sentiment of a few individuals who have captured the media's attention and liberate both Americans held hostage and Kuwait."

Zakhem has said the American military buildup in the Persian Gulf of some half million troops is good because, "Kuwait has been a good friend, and American values call for fighting for one's friends." (Ah, yes, go around the world to support and protect a Royal dictator who rules slaves and poor workers from the other desperate Arab states. Are these your values, Americans?)

Zakhem did you another favor as he named his comrades and CAR supporters of outstanding prominence--who have been foolish enough to believe they would "win" the debate and march off to instant war. Some of these he lists are Dr. Timothy LaHaye, Ben Hurt, Viguerie L. Bouchey, retired major generals George Patton III and John Singlaub, David Keene, a partner in Keene Shirley, and

"others from a broad range of conservative organizations with many millions of members"--which, of course, have no relatives among the troops in Saudi Arabia! Also closely allied with the group is John Rees, a leader of the "new right" who is highly connected to the foreign intelligence agencies.

CLOSE TO THE HEART OF THE ADMINISTRATION

Kennedy was on a lot of committees with access to the Reagan White House and coincidentally--access to, such as the Bush connections in Bahrain. He did in fact travel to Bahrain in raising funding to bail out his failing business. It was decided that it would be more expeditious to allow the business to simply bankrupt so that the outstanding debts could be "written off". He also met with bankers and other wealthy individuals who would be interested in sponsoring **WAR COLLEGES IN THE MIDDLE EAST**.

This cute little club was established in 1985 to support the Reagan Administration's commitment to the Nicaraguan "contras" but had gone underground to stop attention in the time following the encounter and Iran-gate. But no longer, friends, it is strident in its calls for forcing Iraq out of Kuwait and to remove Saddam from Kuwait--the "DESERT SHIELD NEEDS A SWORD", they tout! This is exactly what a full-page ad headline reads.

This same ad goes on to say that: "The Kuwaiti morgues are filled to overflowing, and the Iraqis have piled the bodies of murdered Kuwaitis in heaps, as at Auschwitz. Countless Kuwaiti women have been raped and brutalized by grinning Iraqi troops in uniform." Do you suppose they gleaned

"instructions" from this nice newly debated book destined for your Bookshelves on "how to rape and ravage women"? The ad continues: "Saddam Hussein has friends right here in America that want to help him bring America to her knees. This is not merely a 'crisis in the Gulf' but a HOLOCAUST. Why, then, aren't we hearing the whole truth? Why are so many dancing around the issues?" *Chelas, please hear me--if you continue to march to these drummers, you are destined to horrendous consequences--for the globe, not just a few--ALL--will pay dearly if you allow continuance of this insanity.*

KISSINGER GETS HIS WAY

As George Bush considered his political advantage by consenting to some token meeting with Hussein, Kissinger about choked on his own ego. Right on national TV's Ted Koppel's show, Nov. 30, he about choked on his words he was so livid as he said, "I told the President not to meet with Hussein" and the viewers were witness to an appalled Henry. "I told the President not to meet with Hussien, he repeated, referring to the scheduled exchange of foreign ministers. Old Hank was visibly shaken that Bush would not follow his orders--**BECAUSE, DEAR SLEEPY-HEADS--HENRY KISSINGER'S ORDERS ARE NOT CASUALLY OVERSTEPPED AND HIS SUGGESTIONS ALWAYS COME TO BEAR THE PATHWAY AS LAID FORTH BY HIM AND THE PLANS OF THE TRILATERAL COMMISSION**. I believe you will note the chaos which has befallen the meetings.

BLIND LEADERSHIP

I suggest you consider how well

the blind can lead the blind! This above outlined group of bankrupts, leaving the honest to carry the burden, is now spearheading the march toward a totally bankrupt, blood-covered, bankrupting foreign policy. Warmongers? In every sense of the meaning! They are raising massive sums of money to drum up war fever in the hopes of reaping vast profits once the war is on. The cost in human life and suffering, not to speak of the national interest, is nothing to them. The members of this coalition are inciting war fever to increase the flow of "crisis capital". They are already reaping incredible sums from the displaced and hugely wealthy Kuwaiti ruling elite--right into their own slimy pockets.

*The only winners in any war, dear ones, are the elite--on both sides--who profit from it. The losers are those who fight and die and those who lose husbands, sons and fathers, and now wives, mothers and daughters as well--in short--**ALL THE REST OF YOU--THE-PEOPLE!** IN ADDITION, IN THIS SPECIFIC INSTANCE YOU WILL LOSE YOUR WHOLE CONSTITUTIONAL WAY OF LIFE FOR YOU WILL KILL DEAD YOUR UNITED STATES OF AMERICA CONSTITUTION!*

WILL YOU NOT HELP BRING TRUTH AND EXPOSURE UNTO THIS GROUP OF INSANE MERCENARIES? WILL YOU NOT JOIN IN EXPOSING THE EVIL CARTELS FOR THAT WHICH THEY DO? AMERICA, WAKE UP!

ONE MORE POINT OF INTEREST

Could it be?---ah, yes, it could! President Bush's son George is a *director and major stock-*

holder of Harken Energy Corp. in Dallas, Texas. *This company has potentially lucrative drilling rights in Bahrain, a few miles from where Bush has deployed half a million U.S. troops. Billions of dollars and potential profits are involved.* HOW MANY OF YOU ARE "READING MY LIPS" (BUSH) REGARDING THIS FAMILY BUSINESS VENTURE?????

ARAB LAST WORD?

No further comment from Hatonn regarding this particular notice. The Arabs do NOT call Bush a wimp. They call him "boo-sh". This is not a drawn-out linguistic error, dear ones, it is a word pronounced like the name of your president but drawn out a little in the "oo's". They pronounce it firmly with a broad smile on their faces when they talk about your Commander-in-Chief and all the bribes and payoffs shovelled out to get them to join his "Grand Coalition for New World Order" against Iraq. *In Arabic, the word boo-sh means "hollow hole", or "rubbish", or "anus"! Is this the respect you want, America? So be it.*

Let us pull this to a close and take a rest. I have overworked you ones these days but evil does not wait for the Godly to "rest", beloved ones--they do their most heinous work while God's people "rest".

Hatonn to stand-by, may it be a good day, no--er, er--may it be another day. You in this area of five years of drought--bless unto you and give unto God thanks for this wondrous snowfall which cleanses and gives drink unto a most thirsty world. If you do not need go forth--stay within--for do not go about your foolish games and get into trouble and then blame God for bad

weather. You humans are indeed a strange species. *May God grant the light of truth to begin to wipe out the darkness of total insanity which controls your world at this time. You wobble on the brink of the abyss and you mostly have only "Holiday Jitters", as the newscasters put it. I suggest you be thankful for a "day" and forget the "Holiday" portion of the drivel. What better time for an enemy to take you out--at pre-occupation of Christmas Holiday, while you stand naked and unprotected and Siberian winter upon you? Yes, I think you might thank God for one more "DAY" in any event of its coming unto you! Salu.*
