## TODAY'S WATCH

### PSYCHOPOLITICS:

Strange label? Strange term? Get familiar with it, World. This is the method through which it has been determined that the Russians would gain control of your world. The first "brain-control and change" would be the American United States. I will get around to what it is and how it works (and has been all but perfected upon you-the-people). However, I wish to continue with your Pleiades Connections and Cosmic "codes" before doing so--for ALL are necessary parts of the puzzle if there is to be understanding.

It is far beyond a simple "desire" of the Russians to control and experiment--this comes in textbook form and the entire political-enforcement system is required to be totally functional in application--it has worked!!

Russian attitudes and mandates? Let me pronounce the "Summary" as laid forth in the mandates.

### QUOTE:

In this time of unlimited weapons (1976), and in national antagonisms where atomic war with Capitalistic powers is possible, Psychopolitics must act efficiently as

never before.

Any and all programs of Psychopolitics must be increased to aid and abet the activities of other Communist agents throughout the nation in question.

The failure of Psychopolitics might well bring about the atomic bombing of the Motherland (Russia).

If Psychopolitics succeeds in its mission throughout the Capitalistic nations of the world, there will never be an atomic war, *for Russia will have subjugated all of her enemies.*

Communism has already spread across one-sixth of the inhabited world. Marxist Doctrines have already penetrated the remainder. An extension of the Communist social order is everywhere victorious. *The spread of Communism has never been by force of battle, but by conquest of the mind.* In Psychopolitics we have refined this conquest to its last degree.

The psychopolitical operative must succeed, for his success means a world of Peace. His failure might well mean the destruction of the civilized portions of Earth by atomic power in the hands of Capital-

istic madmen.

The end *thoroughly justifies the means.* The degradation of populaces is less inhuman than their destruction by atomic fission, for to be an animal who lives only once, any life is sweeter than death.

*The end (of war) is the control of a conquered people. If a person can be conquered in the absence of war, the end of war will have been achieved without the destruction of war. A worthy goal.*

*The psychopolitician has his reward in the nearly unlimited control of populaces, in the uninhibited exercise of passion, and the glory of Communist conquest over the stupidity of the enemies of the People.*

### END QUOTING

The above "means" means exactly that--any means is deemed acceptable to achieve the aims of control. This includes dominant use of robotoids, frequency beams--ANYTHING that brings a nation of citizens under the control of mental stupor. So be it.

### HOW CAN YOU TRUST OUR WORK?

Because the facts of truth are coming forth from unexpected and

unrecognized sources. "They" simply did not know where to attack and change. As ones have come into service unto the Master and the space brotherhood--direct and unrelenting attack was put in motion through myriads of ways to *insure* ego takeover and commitment failure to higher resources. It happens all the time. Dharma happened to get in under the silence of unexpected resource and got on your own leader's "hit list" first! Do you see that it is too late to stop this word? Too much has flowed forth in quantity which cannot be suppressed without spreading it even more quickly. If this one is touched--then she will simply stop of the direct receiving so that truth is not tarnished in its directness from Source.

Oh yes, they have her located and under constant bombardment with everything they can throw at her and the publishers, etc. *However, the entire area is under shielding and personal mental impact is most unlikely.*

*When I tell you that the Russians DO NOT WANT AN ATOMIC WAR, I most certainly mean it. And, it becomes more and more obvious that, in the event of a Middle East all-out war, there will be atomic weapons brought into play. YOU TEETER ON THE TOTTERING EDGE OF DISASTER. BUT, THE SHOW IS NOT OVER UNTIL (NOT WHEN THE "FAT LADY SINGS", BUT RATHER) GOD WINS!* Hold that trump card ever next thine heart-place!

### CONGRESS IN SESSION

Congress has dealt your President of War a nasty blow--thank all of you who have witnessed unto your Congressmen. It is still probable that Bush will work it so he can call Executive Orders but it gets harder and harder--because Congress has voted to "stay in session without the usual recess this

January`to monitor the Arab conflict'". That is terrible news for the Bush war plans so **KEEP UP THE BARRAGE, CITIZENS, FOR YOU ARE BEING HEARD!** You don't have to longer ask, "What can I do?"--just make loud noises unto your Congressmen--constantly. Call the 800 number in Washington--call your Congressmen--write and wire your Congressmen!! The WORD shall be that which will set you free and bring home your children, parents and spouses.

Take'one thing at a time--IF YOU CAN RE-ESTABLISH YOUR CONSTITUTION, AMERICA--YOU CAN WIN THE REST OF THE BATTLE! IF YOU LOSE IT--YOU ARE SIMPLY SACRIFICIAL PAWNS IN THE ULTIMATE BATTLE BETWEEN THE ELITE WOULD-BE WORLD MASTERS. GOD CAN ULTIMATELY REVERSE THE MENTAL BARRAGE WITH TRUTH--BUT THE BODIES MUST SURVIVE TO ALLOW FOR SAME TO HAVE OPPORTUNITY TO OCCUR. PLEASE, GIVE LIFE IN TRUTH A CHANCE BEFORE YOU BLOW AWAY YOUR PLANET AND YOUR SPECIES!

### WHAT IS THE RHODE ISLAND BANK MESS?

Two things: Firstly, the closed banks and Credit Unions are those that are *privately insured*. It is a dual effort to scare the public from continuing to utilize Credit Unions which are not FDIC insured which will put out of commission a large majority of the Credit Unions which have functioned in honest properness and bring the depositors back into the fold of the "banks". Secondly, it will point out the institutions who have used unwise investments within the institutions of service to groups and who are insured through private sources. It basically is a call to announce the possible failure of Credit Union resources as well as the banks who

are borderline to failure, at best.

In a positive note, however, it also points out that the Insurance Industry is IN SERIOUS TROUBLE! THERE SIMPLY ARE NOT INSURANCE FUNDS TO COVER THAT WHICH IS INSURED! THIS INDICATES A HEAVY, HEAVY DEFICIT IN THE INSURANCE COMPANIES AND THEREFORE "WORTHLESS" INSURANCE. **YOU ARE IN ECONOMIC COLLAPSE WITH THE PIECES GRADUALLY FALLING AROUND YOU--FOR THE INTEGRITY OF THE STRUCTURE IS GONE AND THE ENTIRE SYSTEM HAS LONG SINCE HAD NOTHING OF FOUNDATION UPON WHICH TO STAND! SO BE IT.**

### GENERAL OBSERVATIONS

Watch most closely that which is coming forth from both sides of the Iraq issue. You are being warned CONSTANTLY of probable terrorist activities beyond the imagined if you pursue this war.

Note, that Mr. Bush has let it "slip"--if the war does not happen, the One World Order is all but a dead issue. However, the UN councils are made up of countries totally bought and sold (owned) by the International Monetary Fund and the World Bank--(these are owned and controlled in total by the U.S. and Great Britain. The threats to take away aid and funds by the World Bank if the representatives to the UN do not vote in the ordered mandates of these two countries means exactly that--BLACKMAIL BY WITHHOLDING ASSISTANCE. THIS IS THE SAME PLAN OF ATTACK UPON YOU--THE-PEOPLE!

*Do not allow yourselves to lose sight of the point of the whole game by being caught up in the distractors!*

This document is a continuation of the transcription of a document (textbook) utilized in Russia for Mind-Control--specifically directed at the United States of America. This is done through a scientific method of brain-washing called PSYCHOPOLITICS.

If you believe the entire world has gone "mad", you are very close to correct for that, indeed, is the goal of Communism. The methods have been incredibly effective and you stand at the brink of annihilation as a free people, under ANTI-CHRIST, with liberty and justice for none. The plan is synchronous with the Global Plan 2000 for total take-over of the planet.

QUOTE:

#### STATE GOALS FOR THE INDIVIDUAL AND MASSES

Just as we would discover an individual to be ill, whose organs, each one, had a different goal from the rest, so we discover the individuals and the State to be ill where goals are not rigorously codified and enforced.

There are those who, in less enlightened times, gave Man to believe that goals should be personally sought and held, and that, indeed, Man's entire impulse toward higher things stemmed from Freedom. We must remember that the same peoples who embraced this philosophy also continued in Man the myth of spiritual existence. (Hatonn: This was their first attack against immortality and God/Christ teachings.)

All goals proceed from duress. Life is a continuous escape. Without force and threat there can be no striving. Without pain there can be no desire to escape from pain. Without the threat of punishment there can be no gain. Without duress and command there can be

no alignment of bodily functions. Without rigorous and forthright control, there can be no accomplished goals for the State.

Goals of the State should be formulated by the State for the obedience and concurrence of the individuals within that State. A State without goals so formulated is a sick State. A State without the power and forthright wish to enforce its goals is a sick State.

When an order is issued by the Communist State, and is not obeyed, a sickness will be discovered to ensue. Where obedience fails, the masses suffer.

State goals depend upon loyalty and obedience for their accomplishment. When one discovers a State goal to be interpreted, one discovers inevitably that there has been an interposition of self-willedness, of greed, of idleness, or of rugged individualism and self-centered initiative. The interruption of a State goal will be discovered as having been interrupted by a person whose disloyalty and disobedience is the direct result of his own mis-alignment with life.

It is not always necessary to remove the individual. It is possible to remove his self-willed tendencies to the improvement of the goals and gains of the whole. The technologies of Psychopolitics are graduated upon the scale which starts somewhat above the removal of the individual himself, upward toward the removal only of those tendencies which bring about his lack of co-operation.

It is not enough for the State to have goals. These goals, once put forward, depend for their completion upon the loyalty and obedience of the workers. These, engaged for the most part, in hard labors, have little time for idle speculation, which is good. But, above them, unfortunately, there must be fore-

men of one or another position, any one of whom might have sufficient idleness and lack of physical occupation to cause some disaffecting independency in his conduct and behavior.

Psychopolitics remedies this tendency toward disaffection when it exceeds the common persuasions of the immediate superiors of the person in question.

#### EXAMINATION OF LOYALTIES

If loyalty is so important in the economic and social structure, it is necessary to examine it further as itself.

In the field of Psychopolitics, loyalty means simply 'alignment'. It means, more fully, alignment with the goals of the Communist State. Disloyalty means entirely mis-alignment, and more broadly, mis-alignment with the goals of the Communist State.

When we consider that goals of the Communist State are to the best possible benefit of the masses, we can see that disloyalty, as a term, can embrace Democratic alignment. Loyalty to persons not communistically indoctrinated would be quite plainly, a mis-alignment.

The cure of disloyalty is 'entirely contained in the principles of alignment. All that it is necessary to do, where disloyalty is encountered, is to align the purposes of the individual toward the goals of Communism, and it will be discovered that a great many circumstances hitherto distasteful in his existence will cease to exist.

The technologies of Psychopolitics adequately demonstrate the workability of this.

While it is not borne out that electric shock has any therapeutic value, so far as making the indi-

vidual more sane, it is adequately brought out that its punishment value will create in the patient a greater co-operative attitude. Brain surgery has no statistical data to recommend it beyond its removal of the individual personality from amongst the paths of organs which were not permitted to co-operate. These two Russian developments have never pretended to alter the state of sanity. They are only effective and workable in introducing an adequate punishment mechanism to the personality to make it cease and desist from its courses and egotistical direction of the anatomy itself. It is the violence of the electric shock and the surgery which is useful in subduing the recalcitrant personality, which is all that stands in the road of the masses or the State. It is occasionally to be discovered that the removal of the preventing personality by shock and surgery then permits the regrowth and re-establishment of organs which have been rebelled against by that personality. In that a well-regulated state is composed of organisms, not personalities, the use of electric shock and brain surgery in Psychopolitics is clearly demonstrated.

The changing of loyalty consists, in its primary step, of the eradication of existing loyalties. This can be done in one of two ways. First, by demonstrating that previously existing loyalties have brought about perilous physical circumstances, such as imprisonment, lack of recognition, duress, or privation, and second, by eradicating the personality itself.

The first is accomplished by a steady and continuous indoctrination of the individual in the belief that his previous loyalties have been granted to an unworthy source. One of the primary instances in this is creating circumstances which apparently derive from the target of his loyalties, so as to rebuff the individual. As part of this there is the creation of a

state of mind in the individual, by actually placing him under duress, and then furnishing him with false evidence to demonstrate that the target of his previous loyalties is, itself, the cause of his duress. Another portion of this same method consists of defaming or degrading the individual whose loyalties or government, to such a degree that this target, at length, actually does hold the individual in disrepute, and so does rebuff him and serve to convince him that his loyalties have been misplaced. These are the milder methods, but have proven extremely effective. The greatest drawback in their practice is that they require time and concentration, the manufacture of false evidence, and a psychopolitical operator's time.

In moments of expediency, of which there are many, the personality itself can be rearranged by shock, surgery, duress, privation, and in particular, that best of psychopolitical techniques, implantation, with the technologies of neo-hypnotism. Such duress must have in its first part a defamation of the loyalties, and in its second, the implantation of new loyalties. A good and experienced psychopolitical operator, working under the most favorable circumstances, can, by the use of psychopolitical technologies, alter the loyalties of an individual so deftly that his own companions will not suspect that they have changed. This, however, requires considerably more finesse than is usually necessary to the situation. Mass neo-hypnotism can accomplish more or less the same results when guided by an experienced psychopolitical operator. An end goal in such a procedure would be the alteration of the loyalties of an entire nation in a short period of time by mass neo-hypnotism, a thing which has been effectively accomplished among the less-useable states of Russia.

It is adequately demonstrated that

loyalty is entirely lacking in that mythical commodity known as 'spiritual quality'. (Hatonn: Many would like to take exception to this statement in believing it to be a demonstrable lie; fundamental "Christians" have always been known for their loyalty and patriotism---NOT SO--as can be seen in the total lack of truly Godly behavior and/or staid Christian doctrines according to the Laws (Commandments) of God. Further in this very day you act in America as non-patriots in your efforts to be "patriotic". You have massive military invasion of a land across the world from your country and citizenry, to gain back land and property for a Royal Monarch who, in fact, holds black slaves--totally against the very fiber of your Constitution and projections of "freedom and liberty for ALL".)

Loyalty is entirely a thing of dependence, economic or mental, and can be changed by the crudest implementations. Observation of workers in their factories or fields demonstrates that they easily grant loyalty to a foreman or a woman, and then as easily abandon it and substitute another individual, revulsing, at the same time, toward the person to whom loyalty was primarily granted. The queasy insecurity of the masses in Capitalistic nations finds this more common than in an enlightened State such as Russia. In Capitalistic states, dependencies are so craven, wants and privations are so exaggerated, that loyalty is entirely without ethical foundation and exists only in the realm of dependency, duress, or demand.

It is fortunate that Communism so truly approaches an ideal state of mind, for this brings a certain easiness into any changing of loyalties, since all other philosophies extant and practiced on Earth today are degraded and debased, compared to Communism. It is then with a certain security that a psychopolitical operator functions, for he

knows that he can change the loyalty of an individual to a more ideal level by reason alone, and only expediency makes it necessary to employ the various shifts of psychopolitical technology. Any man who cannot be persuaded into Communist rationale is, of course, to be regarded as somewhat less than sane, and it is, therefore completely justified to use the techniques of insanity upon the non-Communist.

In order to change loyalty it is necessary to establish first the existing loyalties of the individual. The task is made very simple in view of the fact that Capitalistic and Fascistic nations have no great security in the loyalty of their subjects. And it may be found that the loyalties of the subjects, as we call any person against whom psychopolitical technology is to be exerted, are already too faint to require eradication. It is generally only necessary to persuade with the rationale and overwhelming reasonability of Communism to have the person grant his loyalty to the Russian State. However, regulated only by the importance of the subject, no great amount of time should be expended upon the individual, but emotional duress, or electric shock, or brain surgery should be resorted to, should Communist propaganda persuasion fail. In a case of a very important person, it may be necessary to utilize the more delicate technologies of Psychopolitics so as to place the person himself, and his associates, in ignorance of the operation. In this case a simple implantation is used, with a maximum duress and command value. Only the most skilled psychopolitical operator should be employed on such a project, as in this case of the very important person, for a bungling might disclose the tampering with his mental processes. It is much more highly recommended, if there is any doubt whatever about the success of an operation against an important person, to select out as a psychopolitical target persons in

his vicinity in whom he is emotionally involved. His wife or children normally furnish the best targets, and these can be operated against without restraint. In securing the loyalty of a very important person one must place at his side a constant pleader who enters a sexual or familial chord into the situation on the side of Communism. It may not be necessary to make a Communist out of the wife, or the children, or one of the children, but it might prove efficacious to do so. In most instances, however, this is not possible. By the use of various drugs, it is, in this modern age, and well within the realm of psychopolitical reality, entirely too easy to bring about a state of severe neurosis or insanity in the wife or children, and thus pass them, with full consent of the important person, and the government in which he exists, or the bureau in which he is operating, into the hands of a psychopolitical operator, who then in his own laboratory, without restraint or fear of investigation or censor, can, with electric shock, surgery, sexual attack, drugs, or other useful means, degrade or entirely alter the personality of a family member, and create in that person a psychopolitical slave subject who, when, on command or signal, will perform outrageous actions, thus discrediting the important person, or will demand, on a more delicate level, that certain measures be taken by the important person, which measures are, of course, dictated by the psychopolitical operator.

(Hatonn: Have you not constantly wondered how it is that often children of important people are totally discrediting to their parents? It is one way that Bush is kept in total control! It is a very common occurrence.)

Usually when the party has no real interest in the activities or decisions of the important person, but merely wishes to remove him from

effective action, the attention of the psychopolitical operator need not be so intense, and the person need only be passed into the hands of some unwitting mental practitioner, who taught as he is by psychopolitical operators, will bring about sufficient embarrassment.

When the loyalty of an individual cannot be swerved, and where the opinion, weight, or effectiveness of the individual stands firmly in the road of Communist goals, it is usually best to occasion a mild neurosis in the person by any available means, and then, having carefully given him a history of mental imbalance, to see to it that he disposes of himself by suicide, or by bringing about his demise in such a way as to resemble suicide. Psychopolitical operators have handled such situations skillfully tens of thousands of times within and without Russia. (Hatonn: I am sure that any astute reader can name a dozen right off without hardly thinking about it.)

Please take a short break, Dharma. Hatonn to standby.

CONTINUATION OF RUSSIAN  
TEXTBOOK ON  
PSYCHOPOLITICS

It is a firm principle of Psychopolitics that the person to be destroyed must be involved at first or second hand in the stigma of insanity, (Hatonn: i.e. B.G. proclaiming that these Journals, etc., come from the "mad ravings of an insane mind!") and must have been placed in contact with psychopolitical operators or persons trained by them, with a maximum amount of tumult and publicity. The stigma of insanity is properly placed at the door of such persons' reputations and is held there firmly by bringing about irrational acts, either on his own part or in his vicinity. Such an activity can be classified as a partial destruction of align-

ment, and if this destruction is carried forward to its furthest extent the mis-alignment on the subject of all loyalties can be considered to be complete, and alignment on new loyalties can be embarked upon safely.

*(Hatonn: Or this can be accomplished by irrational acts by the persons wishing to discredit truth and the truth-bringers, i.e. Bill Cooper announcing to the world through the Billy Goodman talk show in Las Vegas that "The Phoenix Journals are the biggest hoax ever perpetrated against mankind!" In further efforting to make his case he insisted that some 50 pages of his own work had been directly plagiarized (from a 26 page document) by this scribe and Commander Hatonn. He did not, fortunately for himself and his friends who joined in the "show and tell" episode, denounce Commander Hatonn as being non-existent! The point was to discredit the writer and publisher so that their work would go unread. Didn't happen, did it? Truth will always find its "out" and I believe that it is NOT the Journals which are now in disrespect as being untruth!!!)*

By bringing about insanity or suicide *(Hatonn: This has not been an effective approach to Dharma and/or Oberli but in direct anticipation of involvement, their son was conditioned and did commit suicide!)* on the part of the wife of an important political personage, a sufficient mis-alignment has been instigated to change his attitude. And this, carried forward firmly, or assisted by psychopolitical implantation can begin the rebuilding of his loyalties, but now slanted in a more proper and fitting direction.

Another reason for the alignment of psychopolitical activities with the mis-alignment of insanity is that insanity, itself, is a despised and disgraced state, and anything connected with it is lightly viewed.

Thus, a psychopolitical operator, working in the vicinity of an insane person, can refute and disprove any accusations made against him by demonstrating that the family itself is tainted with mental imbalance. This is surprisingly effective in Capitalistic countries where insanity is so thoroughly feared that no one would dream of investigating any circumstances in its vicinity. Psychopolitical propaganda works constantly and must work constantly to increase and build up this aura of mystery surrounding insanity, and must emphasize the horribleness and hopelessness of insanity in order to excuse non-therapeutic actions taken against the insane. Particularly in Capitalistic countries, an insane person has no rights under the law. No person who is insane may hold property. No person who is insane may testify. Thus, we have an excellent road along which we can travel toward our certain goal and destiny.

Entirely by bringing about public conviction that the sanity of a person is in question, it is possible to discount and eradicate all of the goals and activities of that person. By demonstrating the insanity of a group, or even a government, it is possible, then, to cause its people to disavow it. By magnifying the general human reaction to insanity, through keeping the subject of insanity, itself, forever before the public eye, and then, by utilizing this reaction by causing a revulsion on the part of a populace against its leader or leaders, it is possible to stop any government or movement.

It is important to know that the entire subject of loyalty is thus as easily handled as it is. One of the first and foremost missions of the psychopolitician is to make an attack upon Communism and insanity synonymous. It should become the definition of insanity, of the paranoid variety, that "A paranoid believes he is being attacked by Communists." Thus,

at once the support of the individual so attacking Communism will fall away and wither. *(Hatonn: note that anti-Communists are labeled as "right-wing extremists," "paranoid," etc.)*

Instead of executing national leaders, suicide for them should be arranged under circumstances which question their demise. In this way we can select out all opposition to the Communist extension into the social orders of the world, and render populaces who would oppose us leaderless, and bring about a state of chaos or mis-alignment into which we can thrust, with great simplicity, the clear and forceful doctrines of Communism.

The cleverness of our attack in this field of Psychopolitics is adequate to avoid the understanding of the layman and the usual stupid official, and by operating entirely under the banner of authority, with the oft-repeated statement that the principles of psychotherapy are too devious for common understanding, an entire revolution can be effected without the suspicion of a populace until it is an accomplished fact.

As insanity is the maximum mis-alignment, it can be grasped to be the maximum weapon in severance of loyalties to leaders and old social orders. Thus, it is of the utmost importance that psychopolitical operatives infiltrate the healing arts of a nation marked for conquest, and bring from that quarter continuous pressure against the population and the government until at last the conquest is effected. This is the subject and goal of Psychopolitics, itself.

In rearranging loyalties we must have a command of their values. In the animal the first loyalty is to himself. This is destroyed by demonstrating errors to him, showing him that he does not remember, cannot act or does not trust himself. The second loyalty

is to his family unit, his parents and brothers and sisters. This is destroyed by making a family unit economically non-dependent, by lessening the value of marriage, by making an easiness of divorce and by raising the children wherever possible by the State. The next loyalty is to his friends and local environment. This is destroyed by lowering his trust and bringing about reportings upon him allegedly by his fellows or the town or village authorities. (*Hatonn: This has also been publicly foisted off upon my scribe with the municipal court Judge mis-ruling and continued insulting words and behaviors by Santa Barbara Savings and Loan Association. This is fully intended to turn the entire of the village against the "old couple" involved.*) The next is to the State and this, for the purposes of Communism, is the only loyalty which should exist once the state is founded as a Communist State. To destroy loyalty to the State all manner of forbiddings for youth must be put into effect so as to disenfranchise them as members of the Capitalist state and, by promises of a better lot under Communism, to gain their loyalty to a Communist movement.

Denying a Capitalist country easy access to courts, bringing about and supporting propaganda to destroy the home, creating and continuous juvenile delinquency, forcing upon the state all manner of practices to divorce the child from it will in the end create the chaos necessary to Communism.

Under the saccharine guise of assistance to them, rigorous child labor laws are the best means to deny the child any right in the society. By refusing to let him earn, by forcing him into unwanted dependence upon a grudging parent, by making certain in other channels that the parent is never in other than economic stress, the child can be driven in his teens into revolt. Delinquency will en-

sue.

(*Hatonn: You may as well quit holding your breath as you read, for yes, it gets worse as the nail is struck upon its head over and over and over right before your eyes!*)

By making readily available drugs of various kinds, by giving the teen-ager alcohol, by praising his wildness, by stimulating him with sex literature and advertising to him or her practices as taught at the Sexpol, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness into which can then be cast the solution which will give the teen-ager complete freedom everywhere -- Communism.

Should it be possible to continue conscription beyond any reasonable time by promoting unpopular wars and other means the draft can always stand as a further barrier to the progress of youth in life, destroying any immediate hope to participate in his nation's civil life.

By these means the patriotism of youth for their Capitalistic flag can be dulled to a point where they are no longer dangerous as soldiers. While this might require many decades to effect, Capitalism's short term view will never envision the lengths across which we can plan.

If we could effectively kill the national pride and patriotism of just one generation we will have won that country. Therefore, there must be continual propaganda abroad to undermine the loyalty of the citizens in general and the teen-ager in particular. (*Hatonn: This was effectively perfected by the Vietnam War and since, the citizens of the United States, for instance, have been unable to find true purpose in any actions of the U.S. administration. There is not the slightest notion by*

*the military as to why they are REALLY IN SAUDI ARABIA--BUT IT CERTAINLY IS NOT PATRIOTIC NEED FOR PROTECTION OF FREEDOM OF THE UNITED STATES.)*

The role of the psychopolitical operator in this is very strong. He can, from his position as an authority on the mind, advise all manner of destructive measures. He can teach the lack of control of his child at home. He can instruct, in an optimum situation, the entire nation in how to handle children -- and instruct them so that the children, given no control, given no real home, can run wildly about with no responsibility for their nation or for themselves.

The mis-alignment of the loyalty of youth to a Capitalistic nation sets the proper stage for a realignment of their loyalties with Communism. Creating a greed for drugs, sexual misbehavior and uncontrolled freedom and presenting this to them as a benefit of Communism will with ease bring about our alignment.

In the case of strong leaders amongst youthful groups, a psychopolitical operator can work in many ways to use or discard that leadership. If it is to be used, the character of the girl or boy must be altered carefully into criminal channels and a control by blackmail or other means must be maintained. But where the leadership is not susceptible, where it resists all persuasions and might become dangerous to our Cause, no pains must be spared to direct the attention of the authorities to that person and to harass him in one way or another until he can come into the hands of juvenile authorities. When this has been effected it can be hoped that a psychopolitical operator, by reason of child-advisor status, can, in the security of the jail and cloaked by processes of law, destroy the sanity of that person. Particularly brilliant scholars,

athletes and youth group leaders must be handled in either one of these two ways.

In the matter of guiding the activities of juvenile courts, the psychopolitical operator entertains here one of his easier tasks. A Capitalistic nation is so filled with injustice in general that a little more passes without comment. In juvenile courts there are always persons with strange appetites whether these be judges or policemen or women. If such do not exist they can be created. By making available to them young girls or boys in the "security" of the jail or the detention home and by appearing with flash cameras or witnesses one becomes equipped with a whip adequate to direct all the future decisions of that person when these are needed.

The handling of youth cases by courts should be led further and further away from law and further and further into "mental problems" until the entire nation thinks of "mental problems" instead of criminals. (*Hatonn: Note that the heavy, heavy thrust in the courts is to convince you that criminals are NOT RESPONSIBLE FOR THEIR CRIMES! i.e., "...he had a bad, abusive childhood", "...he was deprived as a child", "...he is mentally unbalanced" and on and on ad nauseam.*) This places vacancies everywhere in the courts, in the offices of district attorneys, on police staffs which could then be filled with psychopolitical operators and these become then the judges of the land by their influence and into their hands comes the total control of the criminal, without whose help a revolution cannot ever be accomplished.

By stressing this authority over the problems of youth and adults in courts one day the demand for psychopolitical operators could become such that even the armed services will use "authorities on the

mind" to work their various justices and when this occurs the armed forces of the nation then enter into our hands as solidly as if we commanded them ourselves. With the slight bonus of having thus a skilled interrogator near every technician or handler of secret war apparatus, the country, in event of revolution, as did Germany in 1918 and 1919, will find itself immobilized by its own Army and Navy fully and entirely in Communist hands.

Thus the subject of loyalties and their re-alignment is, in fact, the subject of non-armed conquest of an enemy.

Dharma, allow us closure at this point, please. I want to take up the subject of "obedience" in this textbook presentation and it is a mouthful to chew because you will see it unfolding before your eyes--how you have been suckered into allowing one who "takes charge" through power to require obedience and receive of it. To this very extent, you have given up your rights to Constitutional freedom into the hands of would-be dictators and world controllers.

Is this information a bit provoking to your minds? Is it perhaps shocking? I certainly do hope so for you are all but "had" as you smile and salute all the way to the chop-block!

Good evening.

Hatonn to clear.
