1/15/91 HATONN

TODAY'S WATCH

Hatonn present to discuss these confusing events so that clarity is your strength. You do not understand these things going on about you for the plan has been orchestrated to the tiniest details--the maze ever more difficult to find safe passage. I cannot "force" you to act nor in all instances will actions bring positive consequences--but Truth is what IS is mandatory, lest you be tossed only with the tide in ignorance of your plight.

The plan is to confuse you on so many varying fronts of actions that you cannot think. The contradictions will be blatant but--since you have capitulated to the most heinous and obvious delusion of all--it follows in the mental pattern already set that you WILL believe everything they tell you now. It is this way so that "if" you contradict that which is being told to you, say regarding Russia, you would have to contradict your own "wise" decision made regarding all other matters. Most egos cannot bear the confession of being wrong--the consequences of admission will bring such a burden of guilt that you have sentenced millions to death by your foolish conclusions. The plan works very well indeed and always has. You see, the evil

leader does not have to change the story or the actions--the old ones work over and over and over again to perfection.

POISED FOR WHAT?

Let us look at that which IS. Herein you will simply have to believe me when I tell you that there are replacement ones for your top leaders--and hundreds of "not so top" personages. The 28th George Bush was put into the picture on the 12th of January at Camp David. He was tested and "smoothed" on the 13th and presented again to you on the 14th. He did NOT go walk alone this morning (15th) to reflect and commune with God--he went to be alone so the messages from his puppet-masters--right out of Moscow--would not be monitored. I ask that, for the moment, that you accept this which I tell you and then we will discuss how this can be true for, of course, many men have died because they brought this information. But information, none-the-less, has been given to you--the-public as far back as 20 years past--regarding genetic/holographic robotoids which bear identical memory patterns but are subsequently "programmed". I have written of it in one of the more recent Journals but will repeat the information as I have time. Suffice it for now, please accept that which I tell you is not only

possible but is, in fact, utilized in myriads of instances--right now!

There are several places of top-security where these transferences are made and replica holographic information is garnered for necessary multiples. Camp David has been the prime location for transference of top leaders and associates to be later utilized, for it is used as the Presidential Retreat and often social gatherings, such as birthday celebrations, top-level meetings with diplomats, etc., are carried out. This technology has been perfected in the Soviet Union and thus you have the reason that your government seems so indisposed to do anything other than cozy up to Russia.

Now, look at events to bring some level of confirmation to self. Your government/cartel Elite has emptied your own storage elevators of grain--to the communist nations, most especially Russia AND CHINA! Next, look at that which Russia is doing regarding their ally, Iraq. They have mildly stated that they believe Saddam should move out of Kuwait and they voted half-heartedly (after receiving more money and food supplies--\$2 billion worth--recently) and yet at the time declared they would not "fight" if there should be war. Brothers,

they have not even pulled their people out of Iraq! All the supervisors for the utilization of all the weapons, etc., sit right there in security bunkers with the most sophisticated weaponry of any place on your globe. They have beam weapons that penetrate every electronic security shield that you can put about your men, equipment or aircraft--and shoot them to blithereens in the same motion.

Next, look at that which is going on now in the nice states which have sought freedom from the Bear. They have the tanks in the dooryards with bloodied bodies lying about the streets in great numbers. Some of the people, dear ones, as in China--were run over by the tanks themselves. If you actually think Gorbachev did not know, then you are worse off than even I suspected.

WHEN, AMERICA?

I can only give you the outline of the plans as have been laid forth for, as one option is ill-advised, they instantly turn to another of many alternative actions.

The point, of course, was many-fold. First, to cause some type of uprising in a very distant location to insure that there would be no resistance troops remaining to defend domestically as the "New-States/New Constitution", by Executive Order and National Emergency, came into control. This will include taking control of the economic, political, police, etc. It will allow for confiscation of all weapons, money, and property. It will allow a call to forced labor services as indicated as needed by the government--without pay. It will eventually take all property and allot living facilities, etc. Now, firstly, this will appear to be the work and

accomplishment of the Banker's Cartel Elite--however, then the Zionists find a big hardened steel wall in front of them. You will be nicely secured and totally under control--especially if your multitudes of troops are dead and there is nothing left for resistance. Then the Soviets simply take control because they already have infiltrated with communist troops all over the U.S.--from the South and Canada. There will be no one to actually resist and, therefore, it would not likely be necessary to annihilate the land with nuclear radiation. Occupation of the nation is not a problem because your own police forces will attend the orderly transition. Resisters will simply be shot--by your own police and/or incarcerated in the already prepared detention centers. It has all been done, America!! It is already in place and you just allowed the signing of the total action to take place when you allowed the passage of the death sentence upon your military personnel.

"This is insane--you are insane and the whole idea is insane!" you will say? Yes, the idea is total insanity but I am totally sane and this is what the plan for your future is! This, and the reduction of two-thirds of the global population! That, dear ones, is still a lot of bodies to get rid of so you can look for things to be most unpleasant in the months and years which may yet lie ahead.

Who brings disinformation to you? Why would the nice people such as some of the ones of which, I myself, have spoken not have the picture? They do, some of them, and others cannot believe the extent of the circumstances any better than can you! Moreover, many of them are replacements for the purpose of beginning to allow you to see,

bit by bit, that the game is real--the cover-ups real and when the time comes, you will rebel less. The point, of course, is to discount this truth and that of others who have tried to tell you and warn you--but you listened not--***just exactly as it was predicted in the prophecies of the ancient times. Man responds to truth by killing the truth-bringer. So be it.***

Take a short break, Dharma, there is much confusion about.

1/16/91 HATONN

TODAY'S WATCH

Dharma, Commander Hatonn present, please. I have said the "truth will set you free", I have never said that it would not make you sick to your very beingness. There is no time for tears or emotional wallowing and you have done everything you could do to postpone the writing this morning. I am sorry, chela, we must write.

You sit with a letter in your hand from a young youth in Saudi Arabia who had borrowed a Phoenix Journal Express and he is torn for he recognizes the truth and yet desires to discredit the source so that there is naught to confront. I wish to tell you a story which may offset, somewhat, the continuing blow to you ones. You may document this information.

A military person from the service of Korea, and who, by the way, has a son in Saudi Arabia and expectations of himself being sent to Saudi Arabia, had come into the Express and verifies everything we have said regarding Korea and that which is going on in cover-up of military matters--and is helpless to make impact in any manner at all. Now, we shall speak of "freedom" and Constitutional

rights--IT IS FORBIDDEN TO EVEN "HAVE" A COPY OF THE SPOTLIGHT IN YOUR POSSESSION--IF SENT INTO THAT AREA, IT IS CONFISCATED AS ARE A COUPLE OF OTHER PAPERS WHICH PRINT TRUTH. So will the Express soon be forbidden reading by your servicemen. At this point it is the ONLY way to get any information which allows the ones in the Asian sector to have any bits of truth at all. Please send this letter to the Editor of SPOTLIGHT.

Dharma, when you first asked to write you were confronted most personally and told some things of which I will herein remind you. You were told that you would be given information which would mean nothing to you as far as technical information; you would be given proper credentials and the credibility of the information would come to pass in truth of action. You were told, in the presence of at least seven persons of credible reputation, that this would be so.--Has not this, and ever so much more, come to pass? I see that you feel that you cannot be the one to bring more news of lies upon your fellowmen, but chela, how else shall they come into this truth?

Ours is not to interfere nor even intervene in the workings of your political governments--our commission is to bring forth truth for those who would hear as the world moves into confusion and chaos beyond that which Man has ever experienced in this cycle of experience. This, further, is the test of a scribe, chela. Will you write that which I bring or will you deny God along with the other of your species who have strayed so far afield from the circle of light? It matters not how many "accept" YOUR writing as Truth for our mission

is to put it to historical reference that Man may look and see when he becomes ready to seek and find Truth.

THE WAR AT HAND IN THE MIDDLE EAST

I herein block the visions--just write please. It is not a war over Kuwait, nor of Iraq or Saddam Hussein. You are squared off for the most destructive encounter of your imaginings. The wheels have been set into motion and the agony of the current decisions and counter-decisions are all but stressing out of ability to function, the replicas, for a replica has all memory, all observations with a major exception; no basic soul conscience. So, what do we have here? We have ones in effort to gain the top control in a global stand-off having arrived at your "today" by hook or crook, subterfuge and manipulation.

What has happened? A worst scenario case for you "little people of the lie". A counterpoint, near "checkmate" of the two major forces of the globe.

You think Russia is your friend? You think you were witness to "freedom" and "democracy" coming to The Soviet Union? No, you watched a manipulation of a world--today tells the story and your government knows it!

As of today--Russian media has fallen into total suppression and censorship by the government. This, of course, is to quell the atrocities coming forth to the foreign press. Let me assure you that what will now take place in the blackout will be heinous indeed.

Now, what are YOU faced with? Well, your government knows you are cornered--you are vulnerable from every di-

rection from an enemy who has set you up magnificently. The Soviets can get you from any direction--but they would prefer to do so without a nuclear war which brings too much devastation to the planet itself.

They are awaiting your actions and thus the hedging and foiling attempts by your government to disallow the Russians knowledge of the planned first strike by the U.S. in an attempt to win first victory. This is not over a little dispute with a dictator, evil or godly.

The plan of the Money Cartel was to gain control by ridding you of the Constitution and coming down in a Socialistic police force manner. The Soviets desired to wait until that was done and order restored to you in the U.S. and then simply move in for the government would already be in total control--so, what has happened? The beast has again confronted differences in who will control what--albeit the plan is to have total control over all people, with the least amount of damage to the globe itself so that the winner will have a playground.

Do you not see, that, a first-strike attack against the Soviet Union herself is your only hope of any type of victory? And yet, you do not have the surveillance information necessary nor do you have the ultimate space command to counter retaliation. You are NOT fighting a little three day war in the Arabian Desert--this is the confrontation of confrontations of evil forces for supremacy--you remain the pawns and expendables.

Why did I not tell you before this moment? I did! The strike was well-planned for December 3--the dark of the moon. Now it is simply rescheduled for

now, the dark of the moon--but it is anticipated. Again, the news gets leaked because the ones in the government have no ability to keep the truth away from their own puppet-masters!

So, Hatonn--what will happen? There are a dozen possibilities, suffice it to say--it is indeed serious. I suggest that you ones carefully consider turning in Truth and proper lawfulness again unto God for in this scenario it is the ONLY choice of true survival. When will it happen? There are many possibilities, hence the misinformation being fed forth from every TV and radio broadcast in efforts to cover real intent and action--but I promise you that the Soviet change of attitude in this instant manner was in response to your first-strike against Russia intent. Those have not been love notes passed back and forth nor hot-line heavy breathing on the red phones. What you do in these next few days may well be the decision for instant annihilation or a postponement of some sort. The "chess game" has come to some very crucial final plays, dear ones.

Dharma, I suggest you leave this for it is truly enough to chew this morning and you have other things of equal importance to attend. Do not fear, precious, I stand beside you and we work on the assumption of necessary preparations and no deadlines lest we not do of our proper work. God holds his people in the hollow of His hand and it is most adequate indeed. May He also shed mercy upon this suffering land and humanity.

By the way, you will find most of the communications cut off from the Middle East when you return to the radio. It, too, will be kept from you but phone lines were squelched to the ma-

jor media receivers at approximately the time you came to the computer to write or shortly prior--at any rate, you ones will not be getting other than propaganda for the world is in manipulation. You see, ACCEPTABLE LOSSES have naught to do with Iraq or Saddam Hussein and that may help you ones to better understand the horrendous decisions in the making. The element of surprise needed, is not against Iraq. It could be symbolized perhaps by the vision of a tremendous poison spider confronting a tremendous poison scorpion with each wrong dance-step bringing incredible destruction. Bless each moment given unto you and use it wisely.

Forgive me, I am most occupied and I need to attend my own duties. Thank you for service--all of you, we are now in the fulfilling of our mission purpose--do not become faint of heart for as we stand within God's lighted truth, no harm can come upon us. So be it and Amen.

Go in peace within that we might function according to calm response in properness. You have been trained well for the task at hand and so shall your performance be blessed. Salu and Saalome', I salute you brothers of my Command.

1/17/91 HATONN

TODAY'S WATCH

Hatonn present in the radiance of God Creator. It is time that I reintroduce myself for ones about your place call my scribe and publisher, Satan and servants of Satan. I am Hatonn of Holy God serving in the Galactic Fleet in service as a forerunner (Host) for the return of the Christ Being. I suggest that you read this before forming judgment for this may well be the

most important document you have ever witnessed.

Aboard this craft and directly in charge of this mission is one we call "Sananda", meaning "God/One with God". It is a status recognition of achievement of the totality of perfection. HE returns for the reclamation of the planet and God's people.

I personally am recognized as Gyeorgos Ceres Hatonn, in Command of the PHOENIX ship previously recognized as the BETHLEHEM. Identification has been changed to bring recognition and identification of the mission at hand. The fleet in charge of the Master's return is based, and training of personnel has originated most recently, from that star system you recognize as Pleiades. I care not that which you have heard from any Earth-based human being. What you have heard to the contrary is simply not true. In my higher capacity I am recognized as Aton and I request that you hold that label most carefully in your discernment for it means: The One Light! It is synonymous with "God".

I choose to serve at this time as a Commander more nearly approximate to you of Earth human for I, too, must have some understanding of that which you perceive you are doing and to be more clearly attuned to my base opposition in this conflict who is clever only unto the ways and actions of Man.

How can YOU trust me? You very likely cannot in the beginning with only ignorance as your foundation. You would need be privy to all that we have brought forth in these past months to see that everything (all) that I have projected has come or is in the coming to

pass. I told you months ago that Desert Shield would be called Desert Storm; I told you days ago that the invasion would come in a massive manner at this time--I told you yesterday morning that it would be launched on the yester-afternoon (in your time) but within the days of the dark of the moon--when Satanic beings can work in the darkness which suits them best that their work may be hidden from the masses and the receivers helpless.

You, the U.S., believe you have done a wondrous thing? The young men, itching to bomb targets and become heroes, feel wondrously good about blowing people limb from limb and babies into particulate? Is this your Godly mission to produce freedom and the "American Way!?" So be it for that is what the American Way has become and you saw it not.

You have met far more than your match for "clever" in Mr. Hussein, my friends. So far all you have smashed and destroyed is exactly that which was probable forfeiture--you will note that all of General Hussein's people are quite well, alert and amused at your foolishness. Your war hasn't even begun! He allowed you, the world, to be witness to the most devastating bombing of continuing nature to ever strike any portion of your world. In one raid you dumped more bomb power on Iraq than three Hiroshimas--in just one raid. Does that make you proud? Well, the world saw it all and you tout your pride and you boast your advantage. If there is no retaliation at all, you will find that ultimately you will have LOST THE WAR! No man, woman or child on the face of the Earth will ever again believe your "thrust for freedom and human rights!" You just fell from your status of that

which the world would mimic into the most heinous and deadly destructor and inhumane nation ever to serve on the face of the planet. BUT--THE WAR HASN'T EVEN BEGUN!!

What will be coming forth will be beyond that which you can imagine. Do you actually believe that one, Saddam Hussein, will simply call forth "Uncle Sam" and it will all be finished? Even if he did so and marched out of Kuwait this hour--you are dead ducks in his line of fire--you have not begun to feel the scorpion's sting. You note there is no motion to move from Kuwait!

You have rigged the press so that you do not know that which is going on. Most has been staged for your digestion without a shred of truth. Oh yes, the raids were real for Saddam desired the world to have no delusion that what will come from his sector is retaliation and NOT "FIRST" AGGRESSION. And you haven't the slightest notion of that which Russia is doing for they have blackened all news out of all Russia, also.

Terrorists are taking up their stations all about the U.S.--those not already within the borders will come from both North and South and there will be no place "safe". So shall it be in Europe.

I am pained to tell my beloved friends in New Zealand and Australia that you are not safe, either, for so many of the Elite installations for security are located in your islands. Listen to what this man has said to you: "...the Mother of all Wars has begun!"

You have not touched the REAL facilities and missiles were not launched so that you could not pinpoint locations of the

installations. Iraq has the most sophisticated and well-equipped underground shelter system of anywhere in your world--you inflicted relatively few casualties considering the incredible bombardment you sent forth. They do not need to evacuate to other locations, Baghdad--the people move underground where they have set up supply depots. IF THE "WAR" ENDED THIS MINUTE--YOU WILL NOT HAVE WON FOR, IN ARAB CULTURE, IT WILL NEVER BE ENDED--on the surface, perhaps--really, never!

Why would they sacrifice any advantage by countering your massive attack and lose aircraft and trained personnel when their important installations are untouched and you bear the black eye of aggressor? IT IS AMERICA WHO IS UNPREPARED TO SAVE HER NATION--NOT IRAQ OR RUSSIA--YOU ARE THE ONES WITH NO SHELTERS OR DEFENSE IN YOUR DOORYARDS! There are many ways to bring down a nation and you just left the way wide open, dear ones.

What WILL it be? That depends--it mostly depends on whether or not Russia is ready to take control but I can assure you that the world shall never again be able to rest at night for writhing in the FEAR for you have no ability to fight such an attack.

TERRORISM

Now I shall turn my attention to local matters. You shudder as citizens and denounce terrorism--let me show you right here what REAL terrorism is, and it comes from your own local "Christian Community"!!! As you will read the letter we will reprint herein, please read it with an eye to God and the Christ for whom you label your

"churches" and see if you can believe that the Christ would utter the words and project such evil in any manner what-so-ever! You-the-public be the discernment bearers. This is happening over and over and has been constant for two years. I assure you that both the Master, and God Himself, are getting a bit on the side of annoyed.

This cowardly anonymous person continues to say that America West is some sort of a "cult". There is not even so much as a "group" so how could this one be so foolish? America West is just another business in your community who publishes a very wide range of literature, the Journals and Expresses being only a small portion. Would you denounce Bantam Books for their publications? It seems to me that recently there was great outcry regarding Salmon Rushdie and sentence of the Iranians upon him in death pronouncement--this is THE SAME, ONLY WORSE--THIS IS AGAINST A PUBLISHER OF MANY VARIED MATERIALS AND ATTEMPTS UPON THE LIFE OF THE SCRIBE HAVE ALREADY BEEN BLATANT.

Is this the kind of community you have, Tejas Shape' (Tehachapi)? Is this what you have in store for the Master upon which to set his feet again upon your Earth? You are of the chosen ones--IS THIS WHAT YOU ASK THE MASTER TO AGAIN RETURN UNTO?? So be it. As you read (keeping in mind that this letter is only one of many), ask yourselves whether or not this represents this New America of Christ?? Do you suppose this wondrous Christian who hides truth by destroying the documents to protect you from your selves, examples that

which you offer unto God? Is this the face this beautiful little valley of radiance town wishes to show unto the world as example of freedom and brotherhood?

You will see that this one refers to my expression of "your--this or that" and denounces me. I refer to it as YOURS for it most certainly is NOT MINE! I come forth from the temples of God and your planet is most certainly NOT MY IDEA OF A GODLY PLACE. Furthermore, I make no choice of you above any other and this writer of obscene letters suggests I should go to Cuba. I have also been "accused" of being an Iraqi--so be it, I am! I am ALL and I have love for the Man of Cuba and Iraq as I have for any other creature of God--for God recognizes no colors of skin or language of speech. I suggest this bigoted "brother of Christianity" might well be marching toward a bit of trouble on "Judgment Day"!

I request that the letter of threats from this local person and/or group from Tehachapi against the publisher and business workers of these writings be published right here--next. For I wish to speak to it. For all of you who do not realize it--my scribe and these ones have literally been attempted in assassination and other vile attacks. They have received prior threats from cowardly anonymous threat senders and obscene personalities but it has become serious and I wish to comment regarding contents so that there is no misunderstanding of my rebuttal to these ones who believe themselves gallant and powerful--YOU ARE NAUGHT BUT COWARDS AND DECEIVERS AND AS YOU SAY YOU ARE WATCHING EVERY MOVE OF THESE ONES WHO SERVE GOD--

GOD IS WATCHING YOU!!
DO YOU STILL FEEL SO ALL-FIRED COMFORTED??

This information has gone to the local news press and to the police. It is also sent with a cover letter to every major newspaper in the country and shall be put on every radio station. You believe you have done a clever and "christian" house-cleaning??? You have proven to every brother who reads the documents that you are evil in both person and intent--there is nothing "CHRISTIAN" about your being.

QUOTE: (Exactly as written with no corrections, etc.)

1-10-91

Your phoenix journal express is nothing more than trash. we cannot believe such a screwed up cult exist in this present day and age. you people are so deceived, it boggles the mind. we have yet to find you listed in Walter martin's "Kingdom of The Cults", but we are sure your sect will make the top 10 list of the most misinformed cult of the 80's. you people seem to be in a time warp, you preach like some ignorant hippie's from the late 60's era. you certainly do not know much of those out there in the real world because you sincerely believe we do not know what is going on. you seem to think you have been given all the answers and are the ambassadors of truth. when in truth you are the ones out of touch with reality. we also now for a fact that most of those in charge of your operation are known draft doggers, and fags, along with not having normal family life styles. we are destroying your propaganda when found on public display and will continue to in-

form others of your trash publications. eventually the local christian community will be contacting you. your organization is not of christian origin that is pretty clear to any one who reads your work. you speak of "our country"(not yours), "our president"(not yours), which tells us that you do not consider yourself to be part of our society and government structure. not good. you should really take your false teaching somewhere else, like maybe Cuba. your office is being watched, we will take action against you, if need be. we will not tolerate such false doctrine being circulated with such treachours ideals against our community & our government. we are not afraid to use force against you. watch your back, and your property. we are watching your every move. think about it before you turn that ignition or that light switch on. you have made your organization to be a live target.

leave this area while you still have the time.

END QUOTING.

What have you to say, Community? Is this the wondrous place for God's return? You believe that which you will but I promise you--I SPEAK TRUTH and the time is at hand and I doubt there IS even one of your "Christian leaders and congregations" who will dispute the time is at hand! How did you think it would happen? To whom did you think the words would be brought forth? WHERE DID YOU THINK GOD WOULD RETURN?? Israel perhaps? Israel is Palestine--"israel" simply is a word meaning "God's Chosen" You had better go and read Ezekiel,

Chapters 38 and 39 for starters. So, where would you guess God would return? Well, I SUGGEST--ANYWHERE HE CHOOSES!

PROPHECIES

Dharma, I ask that you obtain specific documents regarding the scripture of Ezekiel in point. I ask that you utilize a translation by one, George M. Lamsa, from the Holy Bible from the Ancient Eastern Caramaic text. Simply write it herein as translated from that text. Ones can take their own version of translation of the Holy Scriptures as they choose and use for comparison.

I FURTHER SUGGEST THAT AS YOU READ, YOU SIMPLY PLACE "UNITED STATES OF AMERICA" IN THE SPACE WHICH READS "ISRAEL". SO BE IT AND SELAH FOR THE WORD OF GOD IS AT HAND AND SO SHALL THESE THINGS COME TO PASS IN YOUR GENERATION UPON PLANET EARTH. YOU ARE INDEED BLESSED OF GOD TO BE IN THIS MOMENT IN THIS PLACE AND YOU MISS OF IT FOR THE MASTER WAS NOT WELCOME IN HIS OWN VILLAGE AND WAS CRUCIFIED--WHAT WILL THIS LITTLE BLESSED VILLAGE HAVE FOR HIM UPON HIS RETURN?

There is nothing which says He shall come on some moisture fluff--it is told unto you that HE will come as on the clouds--HE WILL COME, BROTHERS, WITHIN THE SILVER SHIPS AS FROM THE CLOUDS AND YOU HAD BEST BE TAKING NOTE OF TRUTH INSTEAD OF SILLINESS. THE HOUR GLASS IS ALL BUT EMPTY!

QUOTE: Ezekiel 38, 39; pgs. 868, 869, 870; HOLY BIBLE from the ANCIENT EASTERN CARAMAIC text.

CHAPTER 38

And the word of the Lord came to me, saying,

2 Son of man, set your face against China, and against the land of Mongolia, the chief prince of Meshech and Tubal, and prophesy against him and say,

3 Thus says the Lord God: Behold I am against you, O China, the chief prince of Meshech and Tubal:

4 I will gather your people together and put a bridle in your jaws, and I will bring you forth out of your country, both you and all your army, horses and horsemen, all of them clothed in armor, a great host with spears and shields, all of them handling swords;

5 Persians, Ethiopians, and Libyans with them, all of them with shields and helmets.

6 Gomar and all her army, the house of Togarmah, and the uttermost parts of the north with all their hosts, and many other people who are with you.

7 Prepare yourself, you and all the people that are assembled with you and be a protection to them.

8 You have been' commanded in former days, and in the later years you shall come against the mountains of Israel and against the land which is at peace and free from the sword, whose people were gathered from many nations, and now all dwell safely in it.

9 And you shall come up like a storm and like a cloud which covers' the land, you and all your army and many people who are with you.

10 Thus says the Lord God: It shall come to pass that in that very day thoughts shall come into your mind and you shall

think an evil thought;

11 And you shall say, I will go up against those who dwell in tranquility, without walls, and having neither bars nor gates.

12 To take captives and to take a spoil; to turn your hand against the desolate places that are now inhabited and against the people who were gathered together out of the nations who have gotten cattle and goods who dwell in the beauty of the land.

13 Sheba and Deran and the merchants of Tarshish and all its villages shall say to you, Are you come to carry off captives and to take a spoil., Have you mobilized your host to take silver and gold, to take away cattle and goods, and to take a great spoil?

14 Therefore, Son of man, prophesy and say to China, Thus says the Lord God: On that day when my people Israel shall dwell in tranquility you shall know it.

15 And you shall come from your place out of the north parts, you and many people with you, all of them riding on horses, a great host and mighty army;

16 And you shall come up against my people Israel, like a cloud to cover the land; it shall be in the later days, and I will bring you again my land, and the nations will know me, when I shall be sanctified through your defeat.

17 Thus says the Lord God: You are he of whom I have spoken in former days by my servants the prophets of Israel, who prophesied in those days and in those years that I would bring you against them.

18 And it shall come to pass at the same time when China shall come against the land of Israel, says the Lord God, that my anger shall be consumed in my fury and zeal.

19 For in the fire of my

wrath have I spoken; surely in that day there shall be a great shaking in the land of Israel.

20 So that even the fish of the sea and the fowls of the air and the beasts of the field and all creeping things that creep upon the earth and all the men that are upon the face of the earth shall shake at my presence, and the mountains shall be thrown down and the towers shall fall and every wall shall tumble to the ground.

21 And I will call for a sword against him throughout all my mountains, says the Lord God; every man's sword shall be against his brother.

22 And I will judge him with pestilence and with blood; and I will rain upon him and upon his princes and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone.

23 Thus will I magnify myself and sanctify myself in the eyes of many nations, and they shall know that I am the Lord.

CHAPTER 39

And you, O Son of man, prophesy against China and say, Thus says the Lord God: Behold, I am against you, O China, the ruler and the chief prince of Meshech and Tubal;

2 I will subdue you and gather you together, and I will cause you to come up from the north parts, and bring you upon the mountains of Israel;

3 And I will swerve your bow out of your left hand, and will cause your arrows to fall out of your right hand.

4 You shall fall in the open field; for I have spoken it, says the Lord God.

6 And I will send a fire on Mongolia, and on the people who dwell peacefully in the islands; and they shall know that I am the Lord.

7 So I will make my holy name known in the midst of my

people Israel; and I will not let them profane my holy name any more; and the Gentiles shall know that I am the Lord, the Holy One of Israel.

8 Behold, the day of which I have spoken is at hand, says the Lord God;

9 Then the inhabitants of the villages of Israel shall go forth, and shall set on fire and burn the weapons, both the shields and the spears, the bows and arrows and the hand-blades and the lances, and they shall turn them as fuel for seven years;

10 So that they shall not need wood for fuel out of the field or the forest; for they shall burn the weapons with fire, and they shall take captive those who had taken them captive and plunder those who had plundered them, says the Lord God.

11 And it shall come to pass on that day that I will give to China a place there for the burial in the land of Israel, the great valley which is east of the sea; and they shall close off the valley; and there they shall bury China and all his army; and it shall be called the valley of the annihilation of China.

12 And for seven months the house of Israel shall be busy burying them; and then the land shall be cleansed.

13 Yea, all the people of the land shall bury them; and it shall be to them a renowned day when I am glorified, says the Lord.

14 Even seven months after, there shall be men who will travel continually through the land burying those who are left lying on the face of the land, to cleanse it.

15 And every one who passes through the land, and sees a man's bone, then shall he set up a sign by it, till buriers have come and taken it and buried it in the valley of China.

16 And the name of the graveyard shall be, The Mighty

City. Thus shall they cleanse the land.

17 And you, Son of man, say to all the fowls of the air and to every beast of the field, Thus says the Lord God: Assemble yourselves and come; gather yourselves from every place to the great sacrifice that I perform for you upon the mountains of Israel, and you shall eat flesh and drink blood.

18 You shall eat the flesh of the mighty men and drink the blood of the princes of the earth, of rams, of fatlings, of he-goats, of bullocks, and of all the young bullocks of Bashan.

19 And you shall eat flesh till you are filled and drink blood till you are drunk at the great sacrificial feast which I am preparing for you.

20 Thus you shall be filled at my table with the flesh of horses and their riders, and with that of mighty men, and with that of all the men of war, says the Lord God.

21 And I will set my glory among the nations, and all the Gentiles shall see the judgment that I have executed, and the heavy punishment with which I have punished them.

22 So the house of Israel shall know that I am the Lord their God from that day and forward.

23 And the Gentiles shall know that the house of Israel was carried into captivity for their iniquity; because they transgressed against me, therefore I turned away my face from them and delivered them into the hand of those who hate them, and they all fell by the sword.

24 According to their abominations and according to their iniquity have I regarded them; and I turned away my face from them.

25 Therefore thus says the Lord God: Now I will bring back the captivity of Jacob, and have mercy upon all the house of Israel, and will be zealous for

my holy name's sake;

26 After they have borne all their shame and their iniquity whereby they have transgressed against me; when they dwell securely in their own land, with no one to hurt them;

27 When I have gathered them from among the nations and brought them back from the cities of their enemies, and am sanctified by them in the sight of many nations;

28 Then shall they know that I am the Lord their God, who caused them to be carried captive among the nations, and that it is I who gathered them into their own land and have left none of them there any more.

29 Neither will I turn away my face from them; but I will pour out my spirit upon the house of Israel, says the Lord.

END QUOTING

I harken you to recall my previous instructions regarding the Khazar Zionists. Recall that I told you they are not "Jews"--they are of the now referred to, Chinese Mongols/Russian/Nordic tribes, "The Thirteenth Tribe". I will not go into the remaining content of Ezekiel's projections but suffice it to say that there will be some most ugly days ahead in this passage of segment.

I force nothing upon any of you--I bring the messages and you will do that which you will with the outlaying. I remind you that "IF A THING BE OF FORCE--IT IS NOT OF GOD!" You will EACH come into your own opinion and action but I further remind you--that which is evil and against the laws of God and The Creation--will not be brought into the holy places of God. It is a time of returning into Truth within the LAWS of GOD as given forth--that is the price of the ticket on "lift-off" day. No other's spilling of

blood shall get your ticket to some fluffy clouds. If you will ascend it shall most surely be at God's direction and not to a bit of fluffy radioactive clouds! So be it. May God give insight into your understanding. Salu.

MASTER ESU SANANDA "JESUS", THE PALE PROPHET

I have no intention of replaying the thousands of pages of messages, herein. I ask simply that Esu's last two writings through Thomas be herein appended. Then I ask that you give understanding to my need for call to duty for if you fail to note--your planet is set to self-destruct and my command is most busy indeed. I shall be asking for more and more input from Sananda for two reasons. Man must begin to ready himself for that which is coming and, further, to give confirmation that Truth is not coming from only one or two sources but from many. Dharma also receives for Sananda but you of the readers must find your balance and ability to understand that Truth is Truth is Truth and is ever unchanged from one source unto another. It is time that you come up from your coots and open your eyes unto that which IS and cease your pretending for you cast your stones at the wrong "presenters". Why do you not attend properly those ones who have given you false teachings for lo, these many years? May God truly have mercy upon you blind lambs for you are so deceived that you know not Truth when it flows all about thee. You choose to follow the pious pretenders and await some "rapture"? Think about it and then let us discern who may appear to be "mad".

Thank you for your attention. I ask that you continue to read as I bow unto my own Commander

that His voice can begin to be heard throughout the land.

IN GREAT LOVE AND APPRECIATION I SALUTE YOU.

HATONN TO CLEAR AS I MUST ATTEND MY OTHER DUTIES. GOOD DAY.

1/18/91 HATONN

TODAY'S WATCH

Shadows only prove the presence of a brighter light! Do not be weakened by that which comes about you. Hatonn present to serve God, planet and brother--Salu.

Do not be misled by that which is presented unto you by the media. The media is organized to give Saddam Hussein false information in order to hopefully dissuade him from further involvement. It is not working for the only thing it is doing is giving you-the-people false information.

The Iraqi defense system is superb and there were many of your planes lost--into the count of the sixties. The information will be kept from you to prevent further division of the people and more demonstrations for peace.

The Israelis repented to the attack instantly and did not call off their attack. They responded with chemical warheads and were told not to use them when it was found that Saddam had not utilized chemicals. The retaliation was then instantly joined by the U.S. forces in an attempt to hide the Israeli response by sheer numbers of aircraft in the air. The hoopla about no retaliation was false--the response was immediate. This is more cover-up and more attempt to emotionally

disarm Saddam--which, by the way is NOT WORKING. He and his henchmen know exactly that which they do and are masters at the planning--you have hardly just begun this nightmare.

I must tell you that announcement coming back about the number of "Scuds" knocked out in subsequent attacks is false--they have no way to account for the missiles and this is to put you back to sleep.

CAMP DAVID

Oh yes, Mr. President will (MUST) go to Camp David. Remember, he has to be fed instructions and given any necessary attention and realignment. His thought patterns have to have their weekly attitude adjustment. Did you not hear the several spokesmen who said, "Bush does not appear to even be the same man," as he returned from Camp David on the 13th of January? He wasn't! By the way, being "at the residence" instead of the Oval office means that the Elite are in security shelters--just you-the-public have no shelters nor defense.

Funny thing about this scenario: you are sitting ducks and yet Israel, Iraq, etc., have wondrous defense shelters and there are hardly any casualties--from direct bombing. Do you think New York, San Francisco, Chicago and/or Los Angeles will be so fortunate? How about Austin, Texas or Port Arthur? Bakersfield or Omaha? What about St. Louis? Oh yes, there are hundreds of off-shore Canadian and Mexican-based missiles aimed right at your cities. From less than fifty miles across your southern border are elaborate installations along with the enemy tank battalions. The Soviets would

prefer to have you do yourself in and/or fatigue your entire population with this war for "freedom, human rights and democracy" before taking action. You are NOT getting accurate information out of Russia either, dear ones. Do not delude yourselves back again into your stupor and false security.

Pay attention to the Earthquakes of this day in Thailand--the sleeping giants are beginning to stir.

WHILE NO ONE WATCHES

The banks and markets are finding patterns if you but watch however, you will be getting little information and they will appear to fluctuate with no balance or direction. No, they are falling directly into line--especially gold and oil. Good news and the prices of both drop--war news and they both rise. Remember, this is an economic war based on the structuring of the One World Government. You who watch in wisdom can protect yourselves to great extent.

I am continually asked about how the system of creation and destruction of reserves is accomplished. You see, it all goes back to the Federal Reserve (Feds) who literally "loan" your money into existence--"at interest".

Commercial banks create money from *nothing*, based on multiples of their deposits (reserves). This created money is then loaned at interest. The loan debt principal and the money paid thereon go out of existence as the principal is paid down.

The point in question is always misunderstanding regarding destroying money as principal as it

is repaid and what happens when a loan is not repaid, but is lost through default--your immediate and overwhelming problem.

In the former case, the Reserve component on which the loan is based is released and becomes available as the Reserve on which another Fractional Reserve loan can be made (read SPIRAL TO ECONOMIC DISASTER). In the latter case, the lending bank loses the reserve covering the loan, but an amount of money equal to the defaulted loan principal remains in existence and circulating in the economy.

Assuming, lets say, a 12 percent reserve requirement, a deposit of \$1 million in a commercial bank does not limit that bank to making \$1 million in new loans. It can retain \$120,000 as a reserve against lending this \$1 million deposit, and use the remaining \$880,000 as "excess reserves" which it can invest, or use as reserves to lend additional money *into existence*.

The remaining \$880,000 can be re-loaned against the retention of \$105,600 (12% of \$880,000) in reserves, and the remainder--\$774,400--can be re-loaned against 12 percent thereof being retained as a reserve, and on and on and on.

Some have called for the creation of debt-free money in the U.S. directly by the treasury. A limited amount of such money is actually already in circulation, as U.S. notes and cupro-nickel coinage (1, 5, 10, 25 and 50 cents, and the Susan B. Anthony \$1 coin). Now let us consider some ways the "private sector" can introduce debt-free money into the economy:

A bank loan is defaulted upon and is written off by the lending bank.

A successful bank robbery of uncirculated currency which is spent into circulation within the U.S.

The successful introduction of a perfect counterfeit currency which is spent into the U.S. economy.

You actually have more of all three (above) than you might guess.

It would appear, however, that an economy based on loan defaults, bank robberies and counterfeiting could not exactly be expected continually to prosper, never mind that bank robbery and counterfeiting are illegal. [Dharma, write this immediately and pause long enough for us to consider what is going on with the power supply for the input is under tampering. Hold up please, until I check the circumstances.] [Thank you--there has just been a major incident at 7:19; you will want to check it out when you leave the writing.]

Back to the above subject-in-point, please. The fact that "debt-free" money can only come into existence through such dubious means just underlines the strangle-hold the bankers have on the financial system.

Money could be created by the treasury as it now creates U.S. notes and coins. The money so created could be lent to states and communities, interest-free, for the construction of voter-approved infrastructure projects, and to retire existing interest-bearing debt. It could also be lent at a reasonable rate of interest to banks which would then re-lend it to borrowers at a higher rate of interest.

Banks could operate under such a regime; indeed, credit unions already do so. Credit unions are member-owned financial

cooperatives which accept deposits from members and re-lend these deposits to member-borrowers.

A credit union charges a higher rate of interest on loans it makes than it pays on deposits; the credit union's operating expenses and earnings are covered by the "spread" between the interest it pays depositors and the interest it charges borrowers. And credit unions are in better financial shape, as a group, than commercial banks or savings and loan associations.

Banks, however, earn interest on the money they lend into existence and use these earnings to pay operating expenses--salaries, rent, taxes, utilities and such--set aside reserves for bad debts, and then pay dividends to their shareholders. If enough real estate, credit card and Third World loans go belly-up, the bank first charges the loss to profits. If profits are wiped out, they look to their loan loss reserves. If these reserves are wiped out, the bank is technically insolvent.

You operate under a system that requires more and more money be created just to pay interest. When the ultimate impossibility of borrowing \$10 and promising to repay \$11, if the 11th dollars must also be borrowed into existence, is finally recognized, you will either have a drastic monetary reform or experience a financial collapse and I believe you know which to expect!

Let us look at some comparative figures which will be good examples. Beginning in December, 1978, the Federal Reserve Credit was \$124 billion. For August, 1990 the average Federal Reserve Credit was \$280 billion. (These are rounded numbers.)

This represents a steady overall increase in the Reserve Credit which is the basis of your money supply. This steady increase indicates that more and more money must be created to pay increasing taxes and service the increasing national debt in addition to maintaining the Gross National Product.

Federal Reserve Credit is the Fed's loans to commercial banks which use these borrowings as reserves against which much larger sums of money are loaned into existence. The "Fed", like commercial banks, creates money by making loans. But it does not make loans to individuals or corporations the way commercial banks do. It lends only to the U.S. Treasury and to its member banks. It does so by buying bonds, notes and bills issued by the treasury. The Fed can either buy these securities directly from the treasury, or from a bank.

As you can probably quite plainly see, you-the-citizen-taxpayer pay the bill in the ending.

I still tell you that as you effort to figure all this financial wizardry out for investments--it is going to collapse on you either through its own weight or through National Emergency Executive Order Regulations. From this nice new war, creating a National Emergency and bringing into play all the Executive Orders we have discussed, the Government can now close and regulate the banks even unto confiscation of your funds. They can likewise confiscate all gold in any form. I still suggest the safest option for protection is to invest in a foundation, etc., which then borrows against GOLD and LEAVES IT IN THE BANK AS **COLLATERAL**. The bank must be one in which the Cartel deals for the LAST confiscation will be of

their own collateral deposits. *Can they confiscate it? Yes! But I can also assure you that they have plenty of back-up plans to get all your assets--otherwise.*

I hope this did not simply cloud the water and make the subject even more confusing. I make every effort to respond as the questions flow in great quantity--however, in this most crucial time which claims so much of my attention, I must beg patience as I find little time for properly responding to other than immediate emergency situations.

There are not going to be "perfect" methods for you to preserve assets and that which will work this day may very well not work on the morrow--however, if you handle your assets through this investment method and get things out of your "name" and into corporations, you will be provided with much protection which is simply absent otherwise. Keep assets which might be accrued--moving and into other corporations and in use to the maximum for that which is parked in what you consider "safety" is pin-pointed and will be either confiscated, heavily taxed and/or made worthless by total exchange of the money product itself. As a cashless system comes into play and exchange notes are provided--all available assets will be open to the government's documentation and use as the "regulations" are thrust upon you. I simply again lay this information before you for consideration and use, if you so desire. Again, I have no interest in this matter and if you are interested in information about resources--you may inquire of the publisher of this material. I have neither the time nor intent to personally advise anyone. If, however,

you would like to participate in security in God's work and information dispersing, I would offer you resource--what you do is up to you.

I realize that it is difficult for you ones to attend all the myriad of details in such a time of chaos and confusion, but all I can do is present it unto you and you must decide how and which method is suitable to your particular situation. Gold will ultimately go up in price to even more ridiculous prices before it drops out in depression and then it will fall relative to prices, i.e., an ounce of gold now would buy a suit of clothes--in depression, an ounce of gold will still buy a suit--you will not be able to talk dollar for dollar, for that has no longer any "meaning".

I would suggest that if you desire to utilize such a method of preservation of funds that you not tarry too long for already the intent is to shut down the open purchasing of that pretty yellow "stuff". It will not be long in your counting before it is no longer legal to trade in gold--after the Elite get their arrangements in order and the metal into their possession for REAL manipulation. You-the-people have a somewhat brief "window" of opportunity herein but plans are to close these windows very soon. Bush has now been given the power to control these things by force and will do so; after all, it is the intent of the entire scenario unfolding around you.

ANTARCTICA

I have also been petitioned to further discuss, in depth, the technological aspects of the Germans, etc., in Antarctica. I must ask indulgence on this subject. I haven't the time to discuss it herein but you can

find back-up information if you do a bit of research. I cannot spare my scribe the time to do it for you but quite a bit is in publication. Thank you for your inquiry and attention.

DESERT STORM!

I am barraged with inquiries regarding information that I have written and re-written--please, dear ones, read that which has already been given relating to this situation and the past activities bringing you to this point.

You will find that America's military venture into the Middle East was planned in New York City months and months ago. I do not create the "facts", I simply outlay them to you and you miss the entire point of the whole venture.

Precious ones, you have to know you are going to war in a specific location in order to have the hundreds of thousands of uniforms and "*desert*" *camouflage* equipment available on such "short notice".

I remind you of the beginning of this build-up. Your President told you that your Armed Forces were being sent to Saudi Arabia at a terrific expense to an already overburdened budget--"to protect Americans, American interests and safeguard American principles", further, to prevent "aggression into Saudi Arabia". How does this statement equate with the wipe-off-the-globe bombings of Iraq and Kuwait? You have already done ten to a hundred times the damage to Kuwait in one day than in all her history! Is this the way you "PROTECT" the American way, democracy and "SAVE A NATION"? "Blanket bombing", I believe, is the terminology regarding the bombing raids on Kuwait within these current hours. What a quaint

concept of "protection" of those poor, misplaced Kuwaiti citizens. You proclaim atrocities by the Iraqis? What about your blowing to bits these innocent people with your napalm and cluster bombs? "*One nation under God, indivisible---???*" *I think not too likely, dear hearts.*

ANOTHER WARNING

It was the Soviets and their undercover partners of International Zionism (not David's Jews), who cooperated fully in the takeover of Kuwait. Any claims that the Soviets are siding with America against Iraq are nothing but criminal propaganda. Note that the Soviets have not sent even one man to the fray beside the "U.N. troops"; further, the Soviet advisers and workers have never left Iraq nor Kuwait.

Just to give you a bit of clarity of insight, let me point out a little something regarding the ending of the "cold war". While you cut back on military spending in America by around some 12% (meager, but something)--*the Russians increased theirs by over 27% - 35%*. I would like to quote you a little speech made by a Russian, Demitri Manualisky, in 1946 as he projected the future intent of the Soviet Union:

"WE will give unheard of peace concessions, and the capitalist nations, the nations of 'Christendom', stupid and decadent, will leap at the chance to be our friends, they will be willing to cooperate in their own self-destruction. Then when they have gone to sleep, we will SMASH them with our clenched fist." *Your leaders know that the Soviet and Zionist doctrine of world domination has NEVER CHANGED. Even Mr. Gorbachev has told you*

this over and over again. This week the Soviets are proving this point to you in a most blatant manner.

Well, Bush and his mentor, Herr Kissinger, tell the American people that you must go to war, but they have never given even a remotely intelligent reason for so doing.

WORST CASE

Precious citizens of the world--take a good clear look at something you may have missed: *Because President Bush has DONE NOTHING TO GET THE SOVIETS TO REMOVE THEIR MILITARY ADVISORS FROM IRAQ, you must assume that HE IS THE "FRONT MAN" in the Soviet-Trilateral-Zionist conspiracy to AID IRAQ, while claiming they are backing our program in Saudi Arabia.*

GET A BIT OF TRUTHFUL INFORMATION TO CONSIDER

The Soviets and East German scientists have provided Iraq with electronic gear which can be used to jam your AWAC spy planes and disrupt the electronic systems of your attack helicopters and fighter planes. It is one of the reasons Hussein seems to remain so cool when confronted by overwhelming military odds--he knows the difference in truth and propaganda.

It is a known fact in your State Department that Soviet planes have been flying military equipment from Libya into Iraq since the war crisis began in August. Your State Department even allowed, with knowledge, the shipping of a super-computer through an Iraqi front organization in Brazil to Iraq--in August, after the troops were

deployed and in place. Why are these things not told to you through the national media? While the media glibly tells you that Gorbachev is your undying friend and to be trusted, the *London Financial Times* tells you that the Soviets have advanced a \$150 million credit line to Iraq for the purchase of military supplies. All this, while you are contemplating sending the Soviets another couple of billions of dollars worth of food products---oh yes, you are!

The CIA has come right out and told you that the Kuwait invasion had been in the planning stages for months, whether or not you wish to accept the truth of it. The scenario was carried out most carefully by your government, after they tricked Hussein into his military actions. As early as ten days before the Kuwaiti invasion, representatives of your State Department assured Hussein that you had no military treaty with Kuwait and that you really didn't care what he did there. Further, it is openly admitted that it was fully expected that, "Iraq would take a portion of Kuwait in the northern sector but it was not expected that they would take it all!"

You had best be inquiring as to ***WHO are the Communists and Zionists cooperating with the U.S. which would cause your media to deliberately lie to the American people! To understand this, it is necessary for you to understand who controls the media in America. It is international Judaism. I make no prejudicial input regarding the fact, but the fact is the fact. Truth remains Truth, even when it is unpleasant and unpalatable. "AM I THEREFORE BECOME YOUR ENEMY, BECAUSE I TELL YOU TRUTH?" So be it!***

HENRY KISSINGER-- AGAIN!

It is KNOWN that Henry Kissinger, the German-Jew who was a KGB agent during World War II, employs a staff of over 50 persons including several dozen geopolitical advisors who have served during different administrations and who can be trusted with carrying out "Henry's" plans for the New World Order (that President Bush is constantly pushing).

As a matter of record, Henry Kissinger gave the order--for you see, Bush is an "order-taker"--not "giver". Neither is he a "decision-maker" and must go forth to Camp David and elsewhere to receive orders. The facts are that the "Kissinger orders" come from much higher than Henry Kissinger!

It appears that these nice advisors, Brent Scowcroft, Bush's National Security Advisor and Lawrence Eagleburger officially the Assistant Secretary of State under James Baker, are in reality supervisors of the President and follow him around wherever he goes, making sure that he adheres to the New Age Order. You will notice these ones are in constant attendance at every new encounter. This assures that the "order givers" know at all times, instantly, what the President is doing and saying. If problems arise, they can immediately take corrective action to see that the President does exactly that which he is told.

PUNCH LINE

Not pleasant to confront, dear ones, but none-the-less it shall be laid forth herein--again: ***The Middle East crisis was planned with the Soviet Union primarily in charge, and the Zionists: to subject the American people to***

a parasitic relationship where the Soviet Union and the NON-JEW Israelis can suck the blood from the U.S. and economically bleed her to death. While you go to war and spend, spend, spend--life and resources, the traitors in your own Government are giving away tens of billions of dollars worth of American oil in your own hemisphere to the very enemy which through the years has promised to "bury you!"

Right now, while you fight and slaughter your citizens, over 15 major American corporations have signed contracts with the State Department for the development of Soviet resources, using American taxpayer (yours) money!

Secretary of State, James Baker, in the closing words of his highly censored speech before the U.S. House of Representatives on September 4th, spelled out the real reason American troops are in Saudi Arabia and you can get proof of this statement of fact:

- 1. To achieve a settlement of the Palestine-Israeli conflict***
- 2 To create a new Regional Security Structure, and now (hold your breath)***
- 3 TO IMPOSE THE NEW RULES OF THE "POST COLD WAR INTERNATIONAL ORDER!"***

Saddam Hussein may be a most despicable man but I dare say he is not alone in his despotism. You had best listen up when you hear the "new Christians and leaders" speak of "Z.O.G." Pay attention, chelas, this is the "Zionist Occupation Government", which already controls your country and which is leading you at a terrific pace straight into the New World Order which they plan to totally control.

Allow us closure, please, as I must attend other matters. Thank you for your service. God bless and keep you ones in security within His lighted safety. Good-day. Hatonn to clear, please.

1/16/91 SANANDA

Let us begin Thomas. I Am Esu Immanuel Sananda present in the Radiance of Aton/God. I come in His Service within The Creation which is above ALL. There is weeping in heaven this day for your planet.

You have gone past the artificial deadline established that The Plan may be initiated in its fullness. Soon the killing shall begin in earnest and the ones on the homeshores shall be left guessing..."did my son die, was he hit..." Those initiating such measures care not whether sons die for that IS The Plan...to kill off as many as possible. The Plan is so horrendous that those of the "christian" and "thinking" populace cannot comprehend such evil...yet you ones continually forget that it is Satan himself controlling the very ones who yield the scythe of death. The thoughts race among even mine own precious ones...will there be time...will there be time...what do we do...preparations must be made...how much time???? etc., etc., etc. Ever you ones may do that which you able with that with which you have to use at your disposal...nothing more and nothing less. To sit idly by at this time when the foreknowledge has been offered would be the worst kind of foolishness and one which you yourselves shall experience the consequences of. When the confiscation begins in America, and it shall indeed, the weapons shall be THE FIRST. Always it shall be much sooner than you expect so it is the better part of

wisdom to make your preparations while there is still...time.

What will be the reaction of the American citizenry when the tanks roll in? Will there even be a reaction at all for is there not a lot of troop movement for Desert Shield? Mostly the sleep will continue only to find that when the awakening is upon them they are found bound in the detention centers awaiting the execution...or worse. The plans are devious and dark indeed...for with Satan at the helm you may expect the very worst. And yet for some who "go along" it shall simply be another small adjustment to make...the troops on the corner...the curfews...afterall, you get no news now so the freedom of information won't change much...just more of what they want to show you. The psychopolitics has been far far too effective. We come to offer man his way out...his ticket home unto glory if he will but listen. But alas the sleep has been too deep and all but the tiniest number shall take the path laid forth by the Master Deceiver Himself...like sheep to the slaughter. It will be a long time before the ones who take the left path find their way home unto God...but they shall...eventually, but it shall be a hard and long journey.

Ever is the freedom of choice within the world of man. Yet this day the dye is all but cast...and it shall be red, BLOOD RED. There will be no washing of this blood from the hands of those who sent the beloved and brave men to the slaughter and God weeps for man's ignorance.

Holy Spirit within may I walk in peace this day. May the Spirit touch the many who walk in fear and ignorance that the com-

fort may come upon them in the knowledge of your Presence. Holy Spirit, awaken within man the connection with your Source that he may come into wisdom. Let us be mindful this day of those who shall soon become dust upon your place for the decisions made by you the people. Holy Spirit, let me ever walk the road of red that the journey home be filled with glory in Your Presence.

Let us close this Thomas, walk in peace.

Salu
I Am Sananda

1/17/91 SANANDA

I am no longer Immanuel...I am returned as Sananda. I am come in Radiance and in service unto The Father/God/Aton...and I have returned to fulfill the prophecies of long past for this is the ending of a cycle and it is the dark period of the cycle indeed.

Saddam speaks truth, "The Mother of all wars is now started." Oh, children of the lie, we weep for your ignorance. Blind aggression? What think you of bombing an entire nation? And you see it not, your nation sees it not. So few will walk with us and it is so sad, for the glory in these realms is beyond description. To serve the higher good of man is the greatest of all honors...particularly at the ending of an historical cycle...particularly on this planet. Give great thanks this day for thine participation within this Play for it shall unfold magnificently before you, yet so too I tell thee that there shall be much bloodshed, confusion, chaos, and the path will not be an easy one for the Controllers would have you working in their camps...their prearranged sta-

tions. Will you go without a struggle? Will you serve on the road crews quietly? How many among you will go as the sheep? And so too what merit it to struggle in the face of overwhelming odds only to result in death of the physical body? These questions shall all be answered before all is said and done.

It is a time to gather in food stuffs. To think that such measures may not be required is dreaming...you have entered a dangerous, dangerous time and the net will soon fall all around you...and all straggling fragments shall be gathered in to perfection. These ones do their work extremely well...no matter the loss of life.

Caution, in your efforts to garner supplies that shall indeed be needed at a later time do not diminish all cash reserves for you shall need this too for a time. If you are low on cash reserves, once again rebuild them so that this area also is covered for times of "inactivity" or "shutdown".

For those even among our own grouping who do not listen to the warning we bring, you ones shall be left wondering. Charity shall be ever present in My House and those who abide with me...yet for any to expect it is most foolish indeed. We give great honor to you ones who are responding appropriately to the instructions as given. The preparations shall serve you well and shall be the cornerstone for the rebuilding...for there shall be rebuilding and there shall be the remnant. Let us hope that those who profess service unto us are among the ones serving at that hour.

It is a dark day indeed for your world. The death blows now shall be tit for tat...only the

death counts will not be in the single or double or triple digits. Walk ever within the Light and command the Holy Spirit Presence within to remain ever in alignment with The Laws and with His Will that His Plan may achieve be fulfilled. Walk in peace for the road shall grow most uncertain and strange.
