3/18/91 HATONN

JUST A LETTER TO MY FRIENDS IN THIS JOURNEY

There is so little time for the sharing of the hearts in this struggle to give the hidden dangers ready to devour you, as a civilization, that our own exchanges of love, queries, nurturing and simple gracious manners--must, of necessity, be put to the side. For a while we met every few days and then daily and then--almost never, only some three times since your Thanksgiving, except when personal conference was necessary. You deserve explanation, and then I shall respond to Wally Gentleman's latest correspondence along with a few other personal items if we have the time.

TO DHARMA

Firstly, Dharma is weary, her home in total confusion of clutter and inattention which brings the level of stress to overflow. All who work within our group are likewise worked to overload--at the store and in the office. We keep pushing through the documents for there is nothing which can put your world to right until Truth flows in magnitude large enough that you ones have that which you need to form the picture of that which IS. If we await the cleaned corners and tidy bed covers, you shall lose of your Constitutional freedoms--IT IS THAT SERIOUS AND IMMINENT!

One day, perhaps there can be help for doing of those things, such as the washing of walls, windows and floors--today we must write, write and write some more and the funds available must be measured diligently and there is not plenty for those little measures of comfort and assistance.

Now--as to the dwelling itself--it has been under almost constant attack from electronic pulse systems to literally bombing by laser pulses--hunches of you were present when the first major assault came. We simply cannot have regularly "planned" gatherings at this location for the adversary makes his plans to coincide with those times when the most damage can be inflicted. This is why, even the meetings held elsewhere have been sudden and with no advance notice nor location announced until time of the meeting. You ones still do not comprehend the dangers even though you experience them.

And all of you MUST remember--messages, inquiries and other communication to me--COMING TO ME THROUGH DHARMA MUST BE ANSWERED IN LIKE MANNER. YOU DO NOT HEAR MY RESPONSE FOR IF YOU INQUIRE THROUGH HER YOU ARE EXPECTING A WRITTEN RESPONSE FROM (THROUGH) HER OR YOU WOULD COME TO ME DIRECTLY.

We are honored in either event--but we must ask indulgence in timed responses for there is work of which none save Dharma and Oberli are aware and they are surviving with almost no rest. The ones who help them are blessed indeed for our appreciation is without measure and our gratitude is abundant. So, you might ask, "...then where are those other scribes you speak about?" Working as diligently but on different material for other speakers--and in training--for it takes a long, long time to come into balance with speakers and set self aside. There is no magic elixir which allows clarity in receiving and eliminates personal input into documents--AND YOU ONES NEED NO MORE TAMPERED, HUMAN-DEFINED DOCUMENTS WHICH YOU

CALL "GOD'S" DIRECT PRO-
NOUNCEMENTS--YOU HAVE
HUNDREDS OF THOUSANDS OF
THOSE OPINIONATED DOCUMENTS TO BURY TRUTH. There is truth in all but you have not yet become discerning enough to determine the fact from the personal human fiction. How do I know? Because, I can look around, and see the problems which flourish in your societal structures, political nightmares and WAR--which is not of God in any measure what-so-ever--NEVER! Who WINS a war is only important to marginal degree for it is the WAR WHICH IS EVIL--ALWAYS! Further, in this present time sequence, the wars are to further "global control/enslavement" and yet, we see the masses rushing to push selves into destruction. Acceleration of these actions shall be rushing upon you like a tidal wave for the plan is to be operational by year 2000 and as your President Bush has told you over and over again--they are "right on schedule".

Dharma says, "...but Hatonn, I shall be seventy years of age and the dust shall be very deep indeed!" So be it, and what else would thee complain of this day? I promise you that if we do not our work--you do not have to concern about dust upon your precious "things", nor will there be brethren to take note of it, if indeed it remains. No, Dharma, we shall continue in our work--FIRST--until and as long as it is required and we are sustained in ability to produce same.

TO DRUTHEA

Now, I have wondrous news for you ones who desire definitive writings and explanations regarding God's Commandments and those of THE CREATION. They were given in AND

THEY CALLED HIS NAME IM-MANUEL and yet most have missed them. They differ not from the genuine writings of your teachings but your teachings have been so altered that you no longer feel need to attend them. YES, YOU DO! THE ONLY WAY BACK HOME WITHIN GOD'S RADIANCE IS THROUGH THE PATH OF CHRISTED RIGHTNESS. You were given LAWS through the practice of which would allow you to remain in total balance upon your planet, thrive, experience in abundance and honor fellow-beings. You have abandoned THEM ALL.

But the teachings within the places wherein the laws should be given forth have been pulled down by the desires and egos of man. Therefore, God is giving them forth again in succinct layout along with explanation and examples. Dru is finishing the information at the present time and she and God, Aton, are just about ready to hand it into your hands, after which, Dru will continue writing as directed by God, until there is no misunderstanding regarding the LAWS OF GOD AND/OR THE CREATION. You claim to not understand--oh yes, you understand, it is simply that you DESIRE TO FOLLOW THAT WHICH IS INTERPRETED AND GIVEN FORTH BY MAN IN INTERPRETATION ACCORDING TO THE TAMPERING OF THE ADVERSARY OF GOD. YOU MAY ACCEPT THAT WHICH YOU DESIRE TO ACCEPT AND LIVE ACCORDINGLY--I TELL YOU, THIS DAY, THAT IF YOU DO NOT COME AGAIN WITHIN THE LAWS OF GOD AND THE CREATION THAT YOU WILL NOT BE WITH GOD IN PARADISE--IT IS THAT BLUNT AND THAT SIMPLE. YOU WILL NOT FIND IT ACCEPTABLE TO SIMPLY CAST YOUR SINS AND DELIBERATE MISBEHAVIORS UPON THE CROSS OF ANOTHER AND CALL YOUR JOB DONE. YOUR JOB MAY BE DONE, BUT YOU WILL NOT BE IN PARADISE WITH GOD IN THE ENDING OF THIS PARTICULAR CYCLE! YOU CAN DO ANYTHING YOU WISH UNTO YOUR HUMAN PHYSICAL BODY, EAT AND DRINK ANYTHING YOU CHOOSE, WEAR ROBES OF SAFRON OR ROYAL PURPLE, KEEP IT PURE OR CONTAMINATE IT WITH EVIL--AND IT WILL MAKE NO DIFFERENCE--FOR GOD SEES WITHIN THE VERY BEING OF

SOUL ESSENCE AND INTENT AND UPON THAT WHICH HE FINDS "THERE" SHALL THE JUDGMENT BE MADE, WITH "YOU" IN ACTIVE PARTICIPATION. NOTHING MORE AND NOTHING LESS.

TO JOY

To Joy, who would give more and accept more, I must remind her to wait upon the Lord. It is only your perception, dear one, that you do not serve well and would choose to receive as does Dharma or Dru or, or, or. It is only perception for if in building the elephant, all worked only on the tail, where would be the value of the elephant? Do not concern about "implants", etc. Who informed you, for instance, that you have none? Do not effort to measure your value or contribution by that of another lest you miss the wondrous fulfillment of thine own contribution. Do not slight God's wisdom for giving unto each that which each has given commitment in desire for service. If it appears that your contribution falls short--then you must consider upon what you base your judgment! IF a man is told to go within and find his instructions--how shall he do this? His mind has been filled with impractical, mystical and magical nonsense and he can never find balance within without help.

Further, if a man has not enough valid information with which to work once he goes within--he is still at loss. Do not push the river, children, for all MUST come in sequence which gives fullness to the accounting. I remind you that ALL jobs are absolutely necessary and sequence of contribution is mandatory in exactness--no job is "MORE IMPORTANT THAN THAT OF ANOTHER, ONLY DIFFERENT" AND NECESSARY AT VARYING TIMES OF PRESENTATION. WITHOUT THE ONE WHO WRAPS THE JOURNALS AND PUTS THEM INTO THE POSTAL SYSTEM--THE WORDS WOULD BE VALUELESS FOR NONE WOULD RECEIVE OF THEM. DO NOT MEASURE YOUR CONTRIBUTION BY THE SERVICE OF ANOTHER LEST YOU CEASE IN YOUR OWN COMMITMENT! GOD IS QUITE CAPABLE OF MAKING THOSE DISCERNMENTS AND THE BEST YOU CAN DO AND SERVE--IS THAT WHICH YOU ARE GIVEN AND THEN TEND OF THAT BUSINESS. WELL AND

LEAVE ANOTHER'S SERVICE ABSENT YOUR NOSE.

Some of you work at great distance from this particular location--that puts you no farther from God and perhaps, dear ones, even closer for you will be tended even more diligently because of the seeming detriment of distance. There is no time or space in the higher KINGDOMS.

Some of you work without support of significant others who care not, believe not, and/or all manner of other "disadvantages". Well, you chose those hamperings and/or continue to cling unto them and, therefore, you have "made your own pallet upon which to lie". I do not intend harshness, I do expect discernment of own actions and inactions--for God will allow all that you will heap upon self and LOVE YOU FOR IT. Stop efforting so hard to cause another to believe your opinion--for no amount of force can cause another to really change--he/she must move into understanding through self cause. Example is the best teacher and if the TRUTH BE MADE AVAILABLE, then you must release that other and bless them if they choose to turn away for you have done that which is asked of God that you do. Most often the lesson is intended for YOU (the self) in that you must allow another his journey--be it positive or negative in your perception. However, if you turn away from Truth--to please that other, you have erred in the greater measure for you have lied and negated God and allowed the other to cause deeper wounds in his own burden of debt. IT IS YOUR DUTY TO GOD TO EVALUATE THAT WHICH YOU DO AS REGARDS THAT ONE WHO WOULD TURN YOU AWAY FROM TRUTH. IF, SAY, A HUSBAND DEMANDS YOU TURN FROM GOD'S COMMANDMENTS TO PLEASE AND GRATIFY HIS PERSONAL EGOTISTICAL DEMANDS AND YOU DO SO IN ORDER TO "HOLD HIM"--WHO HAS ERRED THE GREATER? YOU HAD BETTER THINK MOST CAREFULLY UPON THAT POINT FOR THIS IS THE PRÉDOMINANT CONFRONTATION IN INDIVIDUAL LIVES AT THIS TIME IN HISTORY. THE PHYSICAL EXPERIENCE IS BUT A PASSING MOMENT OF EXPERIENCE--THE TRUTH OF SOUL JOURNEY IS LONG INDEED UNTO INFINITY.

PONDER IT MOST CAREFULLY AND RE-READ THE COMMANDMENTS AS THE PROPER DEFINITIONS OF TERMINOLOGY IS GIVEN UNTO YOU FOR BETTER DISCERNMENT.

I now ask that the information of the laws as put to paper be now put to Journal--AS QUICKLY AS CAN BE DONE. I care not how many pages for we MUST have that information available in print for our thrust will turn more and more to the direction of MAN as a being and he must have the guidelines lest he continue to claim IGNORANCE.

Dru, turn not away from the truth of it--God speaks through you, child, AND YOU ARE INDEED MOST WORTHY! HE WOULD SEND NO LESSER TO BRING FORTH HIS PRONOUNCEMENTS AND HE NEEDS NONE TO INTERCEDE. THAT YOU ONES CANNOT STAND OPENLY IN COMMUNICATION BECAUSE THE "LIGHT IS TOO BRIGHT" ETC., IS TOTAL FABRICATION. WOULD A FATHER BLIND HIS CHILD--NO, HE WOULD SIMPLY TURN DOWN THE LAMP AND SPEAK MORE SOFTLY INTO THE HEART. THE MESSAGE OF THE TRUTHFUL PATH BACK INTO HIS FOLD WOULD ONLY BE GIVEN FORTH BY HE WHO GUARDS THE FOLD AND MAKES THE RULES OF BECOMING ONE WITHIN HIS BEING. GOD HOLDS THEE, CHILD, WITHIN THE HOLLOW OF HIS HANDS AND BOWS UNTO YOU IN HUMBLE GRATITUDE THAT YOU HAVE GROWN AND RAISE OF THINE ABILITY UNTO SERVICE. I HONOR THEE, CHELA.

AND TO WALLY G

Dharma, to adequately make sense of my response to Wally, I must ask that you copy his letter to me, of yesterday evening. And moreover, as Wally, and others, read the letter and my response, I wish you to ponder a bit--who do you feel is responding at this writing?--this one under Dharma's fingers. Is it Hatonn or is it one D.J.E., whom we address as Dharma, for identification of service? You see, those who know D.J.E. NEVER have a problem discerning which is which. D.J.E. never so much as enters into the equation. This is WHY she is given a name for receiving so that she

can separate self from the level of her secretarial service. This is why the years of training so as to allow for separation from that human consciousness into that superconscious receiving mechanism which impacts not the writing.

Let us just print the letter and then the explanation will have meaning. This in no way means that Wally had any such interpretation as I shall probably cause you readers to perceive; THIS IS SIMPLY A METHOD AVAILABLE FOR A MOST IMPORTANT LESSON IN DISCERNMENT--WALLY HAS LONG BEEN A MOST THOUGHTFUL CONTRIBUTOR TO LAYING BASES FOR LESSONS WHICH ARE MANDATORY FOR UNDERSTANDING. Often he will say, "I have no idea why I am compelled to put this to writing but nonetheless somehow I feel that I must do so." Son, it is because we have spoken of these things and you have been ASKED to put them to paper that your brothers might have the benefit of our communion. Man is swimming (or sinking, as the case may well be) in a sea of confusion and questions--for that is the purpose of physical journey/experience--reason, choices, freedom of both and growth--always growth through learning. Man makes errors (sins) and chooses again, and again, and again--and one moment in "time", he chooses correctly and still, he may return to error--to test, to play, to experience. THIS IS THE VERY GIFT OF LIFE EXPERIENCE--HONOR IT, CONSUME IT--AND LEARN FROM IT THAT YOU MIGHT GROW THROUGH GRACE INTO THE WONDROUS RADIANCE OF ONENESS WITH ALL.

Wally is grand example of contribution to the positive steps of MAN. If he left your dimension this moment, he would have given gifts unto the species beyond which none can measure--through his thoughtful sharing and stand of self for Truth when, in fact, he could have (and has been baited to do) turned away from "right" and made fortunes in his craft for which he would have ended his journey in this dimension with blood upon his soul. Few can withstand the pull of the physical and the pressure of the adversary when his whole place of production is filled with corruption and evil--for therein is the medium for the visual control of MAN--the media of pictured visions.

QUOTE:

From Wally Gentleman. March 17th, 1991.

I am exceedingly grateful for the message that I am sure Commander Hatonn suggested be Faxed to me two nights ago. I know that none of you have time to spare for an individuals' questions. I have had many for a long time, but have not yielded, overmuch, for guidance. The (Phoenix Journal Express) of March 1991, Volume IX, Number 9, promoted in me, as usual, great gratitude to all concerned in its production. In it I find some generous reference made to me in connection with Paramananda Saraswatti, an old acquaintance, Penny Torres-Rubin otherwise known as Mafu. Earlier, I had received the news of her man-made election to office when contacting friends within her fraternity at Ashland, Oregon. It left me disturbed.

The purpose of my call was to seek the dispatch of a videotape of the film I was taken to Peru to direct. I directed two sequences only. I attended the indoor and outdoor lectures, given at indiscriminate times of the day and night. I advised on film matters as requested.

Why was I there? I know not! My own curiosity for sure. To see Machu Picchu for sure. To delight in the sincerity of the addresses, revel in the information rendered, the foreign sights and sounds of people, animals, flora and fauna, to find pleasure and illumination in the venerability of the Head of all Australian Aborigines, the Grandma Katcheena of the Hopis and the Headman of Lake Titicaca Indians, among whom Space Beings customarily walk and defer to the unseen spirits of the Celestial Beings who live at the Lake. But I filmed nothing. Directed little. Happy to be there but unfulfilled as to purpose.

The sequence I took care to select was the direction of Mafu, completed and never used. It was a beautiful visual of Mafu's obeisance to the Sun as addressed to God. If he was a maverick then he was a most devout one. It was an address to the Light of God. It was a compelling recognition of God. Filmed at the Hitching Post of the Sun, a vantage point of the heights, it was a gloriously informative shot.

At another impassioned address,

choked with emotion, Mafu earlier offered his great desire, to "bring the people home to God". Equally remarkable was the vision I had while briefly reposing on what was, reputedly, a "sacrificial stone". This Mafu refuted in stating that it was, in fact, a bridal celebration couch for newly-weds. I could happily accept that definition as being open to a star-filled sky.

I believe I have recorded by comments on Mafu's dialogues to have filled some of the holes in the tapestry of life I have constantly sought. Hatonn has, and mercifully continues to fill much more. Much more fully, in unmistakable, highly credible dialogues of great sincerity. In commendably clear English. His written communiques, prodigious and clearly composed, are not clothed in vague obscurities of Mafu's complex colloquialisms of by-gone age. They are direct. They are to be validated by time-consuming research, given to few of the human race beset as they are with the exigences of daily survival to attempt to resolve. I refer to much truth as is published. I specifically refer to articles such as TERMINOLOGY: MIND CONTROL/FACTUAL DEFINITIONS--Controlled Meaning as against true meaning. The very magnitude of information is highly impressive. I am not gullible by nature. I wish to remain open-minded. I do not seek persuasion, commendation or approval for being as natural a person as God made me.

My concern I have previously mentioned. As a person of Shakespeare's "common touch" I set myself above no-thing in God's creation. I am indeed, a fragment of God, seeking to learn more to know, in great humility, for such revelation as I can share with those of my species in as complete an understanding as may be possible for us to discern.

I distrust Mafu accepting a commendation of the Hindu fraternity. That he should accept a man-made license of approval is highly suspect. I prefer to recall Mafu's acceptance of a God he remembers and reveres in the name of Mafu. After the same fashion Shakespeare with his "methinks he doth protest too much" is applicable to the admonitions we frequently receive from Hatonn and the Space Brotherhood.

To the brainwashed mind set of established religions that I deplore as devious manipulations of Mans' insidious control of Man the all too frequent preaching contained in the Journals appear to be the very same. I say, appear to be the same because I know they are not. The sincerity overcomes the preaching, but not to the masses we hope to inform who have had similar perverted brainwashing down through the ages. Explanations such as "TERMINOLOGY" are infinitely more persuasive to the catalogued definitions of the mind of Man.

The stark simplicity of a God of Love lacks the complexity of a God of Fear. We need the appeal of reason wrapped in the emotion of abiding love for the caring and sharing in life. Warnings we have great need of. True enlightenment for the Golden Age to be deserved and laboured for and merited.

I have previously asked whether, indeed, the centuries old and eminently successful forces of evil are related to the ancient conflicts between Jehovah, Gog and Id. Is it still going on on Earth? Are we the remnants of celestial forces still in opposition? This is a type of Truth, if indeed it is, will unite the increasingly sensitised people of earth to the better actions so sorely needed in coming home to God's noble, so badly neglected purpose the Space Brotherhood attend so well.

Thank you for the provision of your letter, and to Hatonn my deepest gratitude for his help to me and the human race.

Wally

END OF QUOTING

Thank you, my friend. Tired and ancient old Space Cadets get very weary, also, and sometimes our choices of methods are also tempered with frustration of that which seems totally insurmountable, and then on bended knee, I bow unto wiser discernments, be they from whatever dimension. Mostly, I just bend my knees unto the higher wisdom of one, Aton, who is as close as my essence and sometimes as distant from me as He must seem to be from thee. For God so loved His children that He would experience in that dimension which would see you through this time of confusion and chaos as you meet the adversary of all goodness and light through which the

soul must pass to find its journey fulfilled and returned within the radiance of wholeness.

If I can experience the human agony of decision, denial and confirmation of the human experience, then together we can walk the path and ye would not be asked to make of that journey alone.

Those who have passed on, await this journey, brothers, so that completion of their own journey might come to final termination or onward passage. This is that which is meant by the message that the dead would rise from their graves, to great extent. For those precious beings of fragments await release as the whole of your experience is completed and melds again into "oneness". It also means that the death of ignorance shall be cast aside and arising into the knowledge shall happen. The trauma of the awakening is indeed painful--but it must come to pass lest the being be lost to the darkness of the lie--compounded into infinity and the bondage be terminal.

I writhe in my own pain that I must be the one to tell you the circumstance of thine plight. I, too, wish to bring unto you fairy tales of great joy and physical pleasure and allow you to romp through your lessons as a child after a butterfly--equally as important in existence as is the child. But my children have been taught to incarcerate the butterfly or smash it and crush its wondrous wings--and in so-doing destroy the miracle of its own existence as creator and not that of destroyer.

You ones must understand something most important, herein. Note that it is not important whether I be Hatonn, Aton, Christ, Rays of God, and/or---! It IS IMPORTANT that you recognize your attachment unto these higher and elder brothers and the oneness of the attachment with Holy God. It is equally important that you sever the attachment of perception that these ones are more attached to D.J.E. than to self. THIS IS THE WAY IN WHICH GOD MAKES HIS RETURN UNTO HIS CREATIONS--THROUGH COMMUNICATION OF DETACHMENT--THAT ALL MIGHT UNDERSTAND THAT HIS "PHYSICAL" PRESENCE IS NOT WALKING AMONG YOU. IF ONE CLAIMS TO BE GOD AND HE IS WALKING IN PHYSICAL FORMAT, LIVING AS MAN, AT THIS TIME OF SEQUENCE--HE IS

FALSE. THIS DOES NOT MEAN THAT THE BEINGS WON'T COME IN RECOGNIZABLE FORMAT-- BUT THIS IS THE MANNER GIVEN SO THAT YOU WILL KNOW THE PRESENCE WHEN IT IS MADE MANIFEST.

Receivers are given no greater insight than are all the rest of the perceived creations. They wait, they plead for sight and touch and "proof" for theirs is such a great responsibility and the adversary is at them constantly, to pull them down and discount our very Truth.

Do not ever confuse me with Dharma. We are one and yet we are as different as the wind from the stillness--for each of God's fragments are as unique and individual as each sunrise--always appearing the same and never the same.

Wally, it was against this very day and experience that you experienced the trip to the southern places with one called Mafu. Do you see, son, it matters not whether or not Mafu is speaking through one Penny Torres-Rubin or John Doe, if the truth be God. It matters not, even if the energy thrust be a lie, if the statement bears truth--IF--YE CAN DISCERN WHEN THE STATEMENT BECOMES THE LIE.

You must understand, as with Mafu, that I make no judgment nor statement about the persons. I must point out the emotional belief and response of actions. Firstly, you referred to a "man-made election to office" and in that very statement you placed the facts before the world. "MAN-MADE ELECTIONS TO OFFICE" ARE EXACTLY THAT--MAN-MADE AND MAN-GIVEN; THEREFORE, "MAN-RECEIVED", ACCEPTED OR REJECTED. If Mafu be a higher energy of the Cosmic or Universal realms--then MAFU HAS NAUGHT TO DO WITH THE "MAN-MADE ELECTION TO OFFICE". Penny Torres-Rubin has been given, accepted and now wears a man-made crown of some type or other. Do not confuse the two. Is Penny "bad"? Of course not--unless this is deliberately done to deceive man and bring them into the abyss of darkness. She has simply bowed and moved into the entrapment of man/evil who would destroy that pure work already presented. It in no way can diminish whatever truth came forth--but it will bury, in controversy, that which will be presented unto the

world. Penny Torres-Rubin is exactly that and bears that label; Mafu is either a farce or is who he says he is and bears that label--the two are not the same.

Herein, we laugh a lot as to who around here is management. Ultimately as to the actual typing or speaking, Dharma (DJE) is for all she has to do is stop typing or speaking and it silences me until I locate another outlet. If she has come to me in service with commitment to put to paper or tape my witness--then I am management and she relinquishes all tampering. Dharma has more tendency to agree with Hatonn's management--DJE often disagrees with both Dharma's and Hatonn's management. You ones must learn to recognize the most wondrous aspects of that which you call "self". You precious beings know so very, very little about that miracle called "self". What joy we have as teachers when we see a spark flash forth in recognition of that wondrous miracle as Truth comes into consciousness.

Now we come to the importance of this communion. Wally, you have accepted the responsibility of a task beyond all tasks upon your placement. Be not so humble that you fail to take note of that which is given into your care. You shall begin and hopefully, continue to present "visions" through which humanity can make his journey back into wondrous experience and turn from the incestuous destruction of the path presented into his viewing and mental training.

It matters very little "How" I present Truth--for man must have it one way or another--but YOU MUST GIVE UNTO MAN THE DESIRE TO EMULATE AND ACCEPT THE VISIONS OF TRUTH THAT HE CAN KNOW THAT HE, TOO, CAN FIND THE ULTIMATE PEACE AND UNDERSTANDING. HE MUST BE GIVEN INTO THE SEEING OF THE PASSAGE AND THE POSSIBILITIES SO THAT HE CAN CREATE THE REALITY AND MANIFEST THAT WHICH IS WONDROUS AND GODLY. HE MUST COME INTO HIS KNOWLEDGE THAT "HE" IS CREATOR AND HE HAS CREATED THAT WHICH IS DESTRUCTIVE AND CANNOT SURVIVE THE PASSAGE INTO HIGHER DIMENSION AND HE MUST BE GIVEN REASON

AND DESIRE TO RELEASE IT FOR THE "UNKNOWN", "INVISIBLE" POSSIBILITIES. IF A CHILD HAS BOTH HANDS FILLED WITH NUTS AND THE CANDY IS PUT BEFORE HIM--CHOICES MUST BE MADE AND HE MUST FIRST RELEASE THAT WHICH HE HOLDS TO PICK UP AND HOLD OTHER. AS IT IS, THE WORLD'S PEOPLE HOLD THE POISONED CANDY WHICH IS KILLING THEM BUT CANNOT RELEASE THE ADDICTION FOR THAT WHICH IS WORTHY OF THEM. MAN MUST REMEMBER THAT HE IS WORTHY AND THAT VISION MUST BE REBUILT AND SHOWN UNTO HIM THROUGH THE EYES FIRST, THE EARS, ---ALL THE WONDROUS SENSES OF THE PHYSICAL BEING WHICH SET HIM APART FROM ALL AS HE MELTS THOSE THINGS WITH HIS REASON AND CHOICES.

Too heavy a load, Wally? Nay, son--it is your purpose of the journey. Perhaps we shall have to give unto Margaret a most special award and a "free ticket" home for abiding with the two of us for these years for it is not easy to live and love ones with intent and longing for perfection in their task at hand. Our vision often becomes blinded and tunneled until we cannot see that which is happening around our circles. Blessed are they who tolerate and support our intent for unto them we grant the credit for our own ability to reach some measure of achievement. Even as with Dharma; unto her I wrap my cherishment for without her willing removal of self and use of her hands, I could not reach through in the manner necessary. For as man is manifest and as the physical is his manifestation--so must come the experience and communion and realization. You are human and ye shall function as human. Do not seek escape from the experience for it is the most wondrously teaching of all experiences and thusly, is why you are there in the moment.

You have wondered about the connections of the ancient conflicts of man and higher beings--(or lower beings, as the case may be) and if they are still present--ah, like the skin of thine body. There is a bit of difference as this cycle closes, which might be considered. The celestial forces are still in opposition but the sequence is such that they are moved in and onto your own manifested places. They have

moved into your own confinement and have been mostly removed from expression upon you from the outer spaces and dimensions so that the openings of traversing the veil becomes more easily attainable--and the Hosts of God are there with extended hand and revelation of the Truth of the simplicity of God and self. The shroud is rent by the laser of light in the focus of knowledge of that which IS. As the shroud is stripped away there remains nothing save the fact that because I AM, SO CAN YE BE--AND BECAUSE I AM, SO SHALL YE BE. BECAUSE CREATION/CREATOR IS, THEN KNOW THAT YE SHALL ALSO BE--AND ULTIMATELY AS WE FLOW INTO THE WHOLE OF IS-NESS DO WE OF NECESSITY FLOW INTO THE "ONE". Aho. May the light sent ever brighten and illumine your path that you see the way as in this moment of love, brotherhood and truth. Amen.

Hatonn to clear, please. Walk easy, brothers, for we are given into the gentle nurturing and support of His wondrous being--we shall find the way.

TODAY'S WATCH

As we look at this day's activities, I think that I shall simply join you in gratitude for moisture on the Western Coastal areas of the U.S.--for even though damages are incurred--you of Earth cannot live without water and the levels of reserves are critical. At the onset of Spring I can promise you a bountiful and most beauteous wild-flower bouquet to remind you of God's rainbow of love and desire that you experience beauty through your journey.

We are a bit behind in our writing on this Journal due to necessary interruptions in finishing, for the printer, the most important one document ye shall ever hold in your hearts and hands. It will be recognized as a Journal entitled: PHOENIX OPERATOR-OWNER MANUAL. I suggest as you take it for first perusal that you read my, Hatonn's, Postscript at the end. Allow your input to be tempered with a bit of humor but do not think the offering is given in light-hearted bantering. I believe the document can be

available within about three weeks for it will be to the printer by the end of this week or early next.

If you read the manual (Journal) and feel "...this cannot be!", I suggest you ponder it most carefully as to content, re-read and consider and study alternatives most carefully before discarding. Look carefully around you at what the breaking of the LAWS OF GOD AND THE CREATION have brought unto you and your planet and then perhaps ye shall wish to make a few alterations in attitudes and actions. I sincerely hope so, for I and my brothers cherish every energy form on your globe. May you walk in understanding.

CONFIRMATIONS OF PRE-PRE SENTED MATERIAL

There are a few "confirmations" of our writings which might not be available to all readers and I am requested to enter them herein. I am most happy to do so because we of the farther vision apparatus understand your human need for human confirmation and resource to balance communications.

RUSSIA STOPPED IRAQ/U.S. WAR

In the weeks since I pronounced that Russia would stop the war, I have had a barrage of objections, rantings, discountings, etc. Dharma, simply let us comment on a lead article in one of your worthy news-press editions. These ones are in constant attempts to be shut-down so I shall decline definition of "who". I apologize to you readers, but you who already know source, it matters not--and those who do not cannot bring further harm.

The report comes from the "intelligence community" and sources within that community say that, "The end to the fighting was brought about by President George Bush's order for a unilateral cease-fire as U.S. and coalition troops were poised for the final victory over Iraq's shattered army."

"Just the day before Bush proclaimed the cease-fire, Soviet President Mikhail Gorbachev referred to the Mideast conflict as a 'powder keg that can blow up the entire world.'"

"But as far back as last October *Gen. Mikhail Moiseyev, commander-in-chief of the Soviet army, warned that a ground war in the Persian Gulf re-*

gion would lead to a new world war.

"Moreover, on Dec. 5, at the headquarters of the Kontemeroff Armored Guard Division outside Moscow, Marshall Dmitri Yazov, the USSR's minister of defense, presided over a two-day planning conference which culminated in placing the armed forces of the Soviet Union on a virtual war footing."

THIS IS IMPORTANT: For the first time, and this is confirmed absolutely by the intelligence officers, the troops of the KGB, and the MVD and other previously autonomous military elements, such as the so-called "railroad troops", were merged under the single command of the Red Army.

At that meeting Nikolai Shlyaga, the chief political commissar of the Soviet army and fleet, stated to the assembly of top military commanders that they were responsible for the territorial integrity of the Soviet Union and the associated interests of the Soviet Union if the imperialism of the U.S./Coalition moved in the Mideast. He also stated that measures had been taken by political/diplomatic authorities to insure no misunderstanding by the U.S. and no violation would be tolerated.

WHITE HOUSE ORDERED HALT

Gen. H. Norman Schwarzkopf, commander of American and coalition forces (and a man I highly respect and revere for capability as well as for humanitarian concern over his command), told newsmen the day after the president declared the cease-fire that there was *"nothing to stop his armored columns from driving all the way to Baghdad when the White House ordered him to halt them from going further into Iraq."*

The Bush order came with total surprise to the country and the world. However, barely 24 hours before the President went on national television to signal the end of hostilities, Gorbachev was telling factory workers in Minsk that relations between Moscow and Washington had reached a most precarious stage and the outcome would be dependent on "reasoning" backed up with "examples".

On that very same day Soviet Deputy Foreign Minister Alexander Belonogov said, "It is clear to us that it would re-

spond to the interests of all countries to stop the hostilities at once."

MORE IMPORTANT: The *Nezavisimaya Gazeta*, a Russian paper, just that same morning reported that Saddam Hussein had been waiting for the right moment so he could play the Soviet card, to avoid defeat and stay in power. Soviet advisers in Iraq had been calling the shots for Saddam since the start of the gulf crisis last August.

SOVIETS ORDERED INVASION OF KUWAIT

It is now noted through high-level diplomats and intelligence analysts that the Soviets actually ordered the invasion of Kuwait. However, they were at a loss to explain why the U.S. Secretary of State, James Baker, had simultaneously issued an open invitation to Saddam Hussein to take Kuwait through the explicit message he sent the Iraqi dictator when Ambassador April Glaspie went to see him in Baghdad several days before the invasion.

Here is a bit more proof for you ones who are just now catching up--not only did Ms. Glaspie give the green light from your State Department to Saddam--BUT, AFTER THE INVASION SHE STATED: "WE WERE ALL SURPRISED WHEN HE TOOK ALL OF KUWAIT." Come now, readers, what does such a statement indicate to you? It can only mean that your government knew and expected Saddam to take a portion of Kuwait and had your blessings and permission to do so, but were caught off-guard when he moved into ALL of Kuwait.

The point is that this dual action poses the fact that the Soviets and Americans cooperated behind the scenes to touch off the Mideast war in order to create the "New World Order" that Bush has proclaimed and Gorbachev must have to survive politically in the long-haul.

The U.S. fell into yet another Soviet trap and was saved by the "skin of their teeth" by the lightning "hundred-hour" ground assault that drove the vaunted Iraqi Army from Kuwait and southern Iraq.

Now for you who shout, "We are number one" and "We smashed Saddam", etc., etc., and tied ribbons and waved flags, I am caused to herein remind you of a major point: SADDAM HUSSEIN NEVER CAME

INTO THE BATTLE. YOU SHOUT VICTORY OVER SOMETHING THAT NEVER "CAME-OFF". Let us suggest that you are going to battle Tyson in the boxing ring and Tyson never enters the ring--are you truly "victorious"? No! and you had better be finding out why Tyson (Saddam) never showed for the match!

I can promise you that the only REAL salvation of this encounter came when the Russians (yes, exactly what I mean) stopped your shuttle launch of the "defense/military payload". Further, your cooperation has allowed the Russian beam-ships to allow the proper pressures to allow your Western Coast to receive moisture.

You ones had better quit "modernizing your Commandments to suit your preference in human games" and modernize your knowledge about the technical growth of your nations, specifically Russia who is way out front of you and has compounded military buildup and capability without pause.

THIS WAS THE FIRST CONFRONTATION IN WORLD WAR III. Further, it allows your government to continue emergency regulations on you people of the U.S. because you can now move right into a non-finalizing maneuver of the encounter itself--as well as pull you down economically and introduce emergency economic regulations and restrictions.

THE "PEOPLE" did not vote confidence for Gorbachev; the elections are a sham and this places the world in incredible instability for the alternative Government of Russia is of far differing opinions of who shall exist and how. They will happily see Israel wiped from the map! Since Israeli Zionists control your government, the U.S. will be targeted for destruction also, for there is no longer diplomatic separation of the two.

You will further note that immediately upon the cease-fire, Foreign Minister Alexander Bessmertnykh was forcefully inserting major Soviet participation in the new regional security apparatus that will be set up in the Mideast under the so-called United Nations auspices. As a matter of fact, while YOU OF THE U.S. were proclaiming victory--guess what! IT WAS BEING ANNOUNCED LOUDLY IN THE USSR'S LEGISLATURE THAT

THE CEASE-FIRE WAS "A GREAT VICTORY FOR THE FOREIGN POLICY INITIATIVE OF OUR PRESIDENT GORBACHEV!" Good luck, World!

I have been denounced as maniacal since our publication of AIDS, etc. So just copy the next blurb please, Dharma.

"AIDS THROUGH THE AIR"

"The Center for Disease Control (CDC) in Atlanta is going to have to fund a study after Dr. Donald Jewett, professor of orthopedic surgery at the University of California at San Francisco, conducted a study showing that aerosols containing H-IV-infected blood were produced during orthopedic surgery when bone-cutting tools were used. He found that these particles were small enough to penetrate a surgical mask and unpunctured surgical gloves. The finding would also implicate high-speed dental drills, apparently. Previously, the CDC said it was impossible for AIDS to spread through the air."

And along the lines of the subject material of our current Journal, the following:

"AND JUSTICE FOR SOME"

"The Federal Election Commission has admitted it found on February 6, 1990, that there was cause to show that the Anti-Defamation League of B'nai B'rith and the American Jewish Committee had illegally paid for a smear campaign in 1986 against presidential candidate Lyndon LaRouche." No, this did NOT come from the *New Federalist* publication--this has now been made public in "establishment" papers. Mr. LaRouche has remained in prison for all these years--where are your freedoms, America? There is also proof now available that all charges were fabricated and the courts in the case were "fixed". So much for your "free" elections; you must take careful note of these things for reclaiming your Constitutional freedoms is at stake here.

Last for the items for current discussion. I have said I would keep you current on items which can affect your investments, living concerns, etc. Therefore, I shall herein print a listing of banks which are determined "WILL

FAIL" and I can only assume you will take heed and act in wisdom.

A major Florida firm has recently analyzed the fiscal policies and soundness of the 100 largest banks in the U.S., employing three standard accounting practices. The firm totaled the stockholders' equity in each bank, comparing it to the bank's total assets. Then the bank's liquidity ratio was measured by analyzing the cash holdings, treasury bills and other readily convertible assets on hand as a percentage of total deposits and other short-term liabilities.

Lastly, the auditors figured the ratio of bad loans on each bank's books. This was done by taking the total amount of bad loans held by each bank and comparing it to the stockholders' equity.

Using these measures, the auditing firm developed a safety index, with four categories. These are: banks that are strong and safe; banks that are safe; banks straddling the line between safe and unsafe and banks that are unsafe.

When all the computations were completed, not even ONE of the 100 largest banks in the United States received the highest, "strong and safe", rating. More distressingly, only ONE of the top 100 banks received second-highest rating of "safe". That bank was the State Street Bank and Trust Co. of Boston.

Among the rest, 49 were rated as *borderline--teetering on the edge between "safe and unsafe". The other 50 were rated at the bottom of the scale as totally "unsafe".*

Since the ratings were issued, one bank listed in the group was seized by the Federal Deposit Insurance Corp. with you taxpayers being forced to pay as much as \$12.5 billion (and growing) to bail out the financial giant. The others may not be in much better shape, but through tricky financial accounting procedures, usually described as "smoke and mirrors", they have managed to stay in operation:

Please note that these are taken only from the 100 largest banks in the U.S.. The Savings and Loan collapse now is positively going to cost taxpayers in excess of more than \$1 TRILLION

AND RISING. You had better be taking great stock now, in the banks for it is going to be incredibly more expensive and losses are going to be without ability to count. These things are clues to "timing" and possibilities. Do not postpone actions of proper tending of assets for the banks listed above, unless bailed out by miracles, will fail--that means that hundreds upon hundreds of the smaller banks are destined to total collapse.

I present this documentation so that you can make decisions in some manner of wisdom. Dear ones, there are simply no methods of total insurance against some measure of loss for the Conspirators have nailed shut the exits and alternate routes through the maze. I can only offer information as timely as possible for your assistance. AHO.

Dharma, allow us a rest before we move again into the subject matter of the Journal in writing for this turned out to be a bit more lengthy than anticipated and it is past lunch time. Thank you. In gratitude and appreciation to you ones of my crew, I step aside.
