APRIL 1991 VOLUME XI NUMBER 4

4/5/91 HATONN

TODAY, APRIL 5, 1991

Good morning and may this be a wondrous day of awakening. Thank you for honoring me with your presence.

The world is in an uproar with bombings and hostages, Gates on leave in L.A. and a "perfect" shuttle launch. Which do you watch? Doesn't matter! All of it is to keep the cauldrons boiling and churning. The point is to keep the shell game moving so you don't know where the pea is.

What do they tell you was aboard the shuttle? Who is aboard as crew? Ah ha, caught most of you off-guard? Well, that doesn't matter much either for the shroud of charade matters very little. THEY tell you that this shuttle will launch a gamma-sensor satellite for "defense/military" purposes. Funny thing about that--that is what they told you they launched last time--only it was some other "blank--ray" sensor. These are supposedly billion dollar instruments for measuring "heat"--now, it gets more interesting, does it not? Further, they tell you that it is for measuring particles in space--no, when and if they ever get such a thing into space it is to measure instant registering of atomic explosion. Moreover, if they launched it last time; how is it they are launching it AGAIN? What was blown up at Edwards Air Force Base? What do they tell you will be on the next shuttle toward the ending of this month? IS THERE ANY WAY YOU CAN REALLY GET ANY INFORMATION AT ALL? WELL, YOU

CAN ALWAYS KNOW BEYOND A SHADOW OF A DOUBT THAT YOU ARE NOT TOLD THE TRUTH ABOUT IT! SO BE IT AND STAY ALERT!

AS TO LIES, DISINFORMATION AND OTHER "DRIVEL"

I ask that Dharma reprint herein a letter from a most important self-appointed "expert and authority" on, of all things, UFO's. Most of you will recognize the name and since that is his whole intent I shall honor him with further sharing. The man is Frank A. Wiener II, Researcher/Analyst of WIENER INDUSTRIES, Research Institute & Think Tank, Suite 615 Investment Bldg., Pittsburgh, PA 15222. The letterhead on which the letter is written reads: PENNSYLVANIA CENTER FOR UFO RESEARCH, Dr. Paul Johnson, Director, 721 Old Greensburg Pike, Pittsburgh, PA 15137.

QUOTE-QUOTE-QUOTE!

RE: True nature of UFO's

Dear Mr. Martin:

Below is researched information concerning the true nature of UFO's and related deceptions. It is my hope that you will stop publishing DRIVEL leading the way to the 'truth' of the matter instead of being part of the deception-manipulation.

Current research indicates that our government is engaged in mind control and mutilations where abduction scenarios are implanted memories (UFO's appear to be a separate unrelated phenomena) and/or there are good and evil entities in the universe acting at all levels; for what ultimate purpose or end only GOD really knows.

I believe that publication priority should be given to Billy Meier-Pleiadian English translation by WENDELL STEVENS, the sixty page transliterated English with all the information, or a complete new translation from the original German with all information which are being suppressed and therefore, must be the truth.

Sincerely, Frank A. Wiener II

END OF QUOTE--END OF QUOTE--END OF QUOTE

Firstly, we are here to tell you, Mr. Wiener II, that we will not stop publishing this "drivel" of which you know absolutely nothing at all and intend to know nothing at all. If you are into the group you claim herein--YOU are the one in the deception/manipulation game over your head and KNOW IT!

Yes, your government is engaged in mind control and has done a very good job of accomplishing that which they set out to do and have all but enslaved the entire populace--except, of course--possibly--you learned self-appointed professors of expert research stature. Why don't you find out and release a bit more information about abductions and implants if you contain so much valid information regarding same--I,

Cmdr. Hatonn of Pleiades, find nothing thus far to be of any truth whatsoever. If brotherhood of cosmic status have made it to your planet--I can assure you there is not such need for such stupid, lower than Earth research and technology, methods of contact. We most certainly would not be breeding "down" under any circumstances into lower intelligence and technology--I believe that would simply come under "intelligence" and "reason". There ARE good and there ARE evil entities in the universe acting at all levels--as you state--BUT, EVERYONE EXCEPT YOU (NOT JUST GOD) KNOWS THE PURPOSE. You might also learn the purpose if you simply come from out your ivory tower of super-authority.

You speak publicly of your own level of research and intelligence gathering if you give priority to material translated by Wendell Stevens. Even Billy Meier asked that the material not be released. The document contains such idiotic disinformation as to be embarrassing to the original contact to the extent that current contacts are either hidden or stopped altogether. The contacts of original nature as well as currently--are from my command and I object to the heinous misuse of truth for your games of "expert assessment" while your nations and planet are falling into total destruction--FROM ONES ON YOUR PLACEMENT--NOT FROM COSMIC BROTHERHOOD. SOME OF THE CRAFT, FOR INSTANCE, AS SHOWN IN THE SO-CALLED "CONTACT WITH PLEIADES" BOOKS ARE AN EMBARRASSMENT TO THE ENTIRE BROTHERHOOD. YOU DO NOT HAVE INTERSTELLAR CRAFT WHICH LOOK LIKE WEDDING CAKES AND THAT IS OF TOTAL FABRICATION AND EARTH MANUFACTURE--BY ONES OF YOUR OWN CIRCLE OF MISINFORMATION PROJECTIONS.

Since you are all part and parcel of the plot against the people and sent forth to give misinformation and disinformation and then prevent people from having Truth--I suggest you have now come to the wrong resource for your pronouncement of "drivel". At best (or worst) no self-respecting "cosmic researcher"

would need to mutilate cattle and sheep--that too, is Earthbound satanic lie! I do not speak behind your back nor do I ask readers to deny the reading of your literature--because the literature you produce is so blatantly foolish as to discount itself. I might also suggest that you study carefully ALL of ours!

I do concur with one thing you indicate--THAT YOU ONES WOULD CERTAINLY LIKE US TO STOP OUR PUBLICATIONS--NOT LIKELY BROTHERS FOR WE COME AS THE HOSTS OF GOD (WHO "REALLY" KNOWS) SENT FORTH IN COSMIC SERVICE--TO TELL YOU WHY YOU ARE AT DOOM'S DOOR--AT THE HANDS OF GOD'S ADVERSARIES AND THE HANDS OF THE ELITE. I CAN FURTHER PROMISE YOU ONES WHO BELIEVE YOURSELVES TO BE AMONG THE FAVORED ELITE--YOU ARE NOT! YOUR "USERS" WILL CAST YOU ASIDE IN DISCOUNTING AND YOU ONES WILL BE THE FIRST THEY WILL EXPEND AS TRUTH COMES FORTH.

AS TO COL STEVEN'S WORK--I BELIEVE THE REPUTATION AND ACTIVITIES OF COL. STEVENS IN CONJUNCTION WITH MR. ELDERS SPEAK FOR THEMSELVES. JUST AS WITH WILLIAM COOPER, I WELCOME COMMUNION AND AS OF YET, NONE DARE EXCEPT TO CALL US TREASONISTS. I AM EXACTLY WHO I SAY I AM AND I BEAR NO BLOOD OF INNOCENTS UPON MY HANDS THROUGH DECEIT, TERROR AND DISINFORMATION-----WHO MIGHT YOU BE?

I FIND THAT NONE OF YOU IN THE "IN GROUP" OF HIGH RANKING RESEARCHERS OF DOCTORATE LEVEL DO ANYTHING EXCEPT CURSE ME AND MY FELLOW-WORKERS AND SUGGEST THAT WE STOP PRINTING OUR "DRIVEL" AND, FURTHER, CALL US SLIMY PUKES AND OTHER LEARNED EXPRESSIONS OF INTELLIGENT LIFE-FORMS. IT MIGHT DO ALL OF YOU IN THE UFO CIRCLES TO READ THE INFORMATION WE PRESENT--EXCEPT THAT YOUR PUPPET-

MASTERS WOULD NOT LIKE OF IT, WOULD THEY? WHAT IS REALLY RESENTFUL MATERIAL AND PROJECTION TO OUR COSMIC CREWS IS YOUR CONTINUAL PROJECTION THAT YOU ARE "CHRISTIANS IN SERVICE OF JESUS CHRIST" AND USE TERMS LIKE "...ONLY GOD REALLY KNOWS". YOU ONES HAD BEST LOOK AGAIN AT YOUR STATUS WITHIN THE CIRCLE OF THAT GOD AND CHRISTOS.

I find it difficult to even consider bending my knee unto such "expert authority" but do so, for you have continued to give "proof" unto the citizens who see through the massive disinformation ploy to terrorize the population of the planet regarding the brotherhood of the cosmos. You do so through such foolish projections as to give credence to discounting--not Truth.

I also bow to your wisdom of the great value to mankind of utilizing the Stevens "translation" (he really had NOTHING to do with the "translation" except for the personal additions to personalize the material for self-suiting purposes) for it would give "truth" almost instantly to the "thinking" populace if the government has left any of the "populace" with the ability to "think". It requires "intelligent" beings of higher form and technology to traverse the universe/cosmos--sir, I find no such intelligent life-forms on your planet at this time. If you consider sucking blood from abducted humans and mutilation of God's creatures to be "intelligent life-forms" then I suggest they certainly do not come from any place which I recognize capable of traversing intergalactically, or intragalactically--for that matter.

Why do you ones continue to avoid confrontation with Hatonn? What is it you fear? Truth? Rock throwing and name calling is not even gracious, sir. George Green is a publisher--why would you suggest he stop publishing material? He publishes many things--and distributes Col. Steven's books along with many other titles. Why would you wish him to give up his business? I suggest that before you ones go forth on more seek and demolish programs against Hatonn and the

Pleiades Command that you become better informed, for you are all sitting with caked egg on the face at the least. Why do you believe the government Elite are working so hard to discredit our presence? I thought you might begin to understand! WE ARE NOT GOING TO JUST GO AWAY, MR. WIENER--AND I FURTHER SUGGEST YOU CHECK OUT YOUR OWN ROOTS! SO BE IT!

"Proof" of our presentation is all about you ones--where is yours? WHERE IS YOUR PROOF? I have nothing to "prove" for you ones of Earth place splatter truth around like a shroud of shrink-wrap. I find no evidence of that which you ones project in the least iota (minus-zilch).

God granted Man freedom to choose through reason. This sets Man apart from his relations--no more and no less. As Man again begins to use thinking reason--knowledge of Truth will "kick in" and a lot of heyokas (sacred clowns [fools]) will be "kicked out". I suggest several of you ones in the "UFO Circles" begin to carefully check out your "kicking sites" for Man is growing a bit irritated with the clowns running his very existence through idioy, disinformation, no information and illogical genocide.

Am I insulting? I would guess you might accept my statements as such--IF THE SHOE OF TRUTH FITS THINE FEET WHICH I FIND LOCATED SQUARELY IN THINE SPEAKING ORIFICE. I often find that it is far the greater part of WISDOM TO OPEN THE EYES AND EARS AND SHUT OF THE MOUTH. BUT THEN, I AM ONLY A HOST OF GOD FROM THE COSMOS ATTENDING THE CHANGING CYCLES OF A PLANET IN GREAT TROUBLE AND A PEOPLE READY TO ANNIHILATE THE GOODLY COMPANY AS WELL AS ALL LIFE-FORMS ON THE ORB. Undoubtedly it is more profitable to you ones to play games and dangle humanity over the abyss of destruction and deceit. I find it both appalling and incredible.

I most sincerely hope that all your seminars go well for in your disinformation you do more to prove our

truth than anyone on your planet. And for that, sir, I am totally indebted and bow in honor of your service unto Truth. I hope, for your sake, God is as gracious. Salu.

Relax, Dharma, these are but gnats upon thine eyes--feasting of the unfortunate ignorance of their fellowmen. The intent is not even worthy of the distraction from our work. Chela, I cannot even adequately express my appreciation for these foolish ones and I do not jest for I have great compassion for those who are simply misled and indebted to those who plan disinformation for they show Truth in an ever more brilliant light of intelligence as it is unfolded. Lies and liars always bear the "sign" and the signs are written in bold italics in everything they project. It is not for me to judge nor either condemn or condone--what a man does is between himself and God and none of Hatonn's business except as it falls upon my brethren--their foolish "expert" opinions can only HELP MY MISSION AND CAUSE, and thus--yours.

BACK TO REASON AND CONFIRMATION

Last evening I promised to reprint a letter of confirmation received yesterday. It is often better to hear these things from Earth experiences in first person so I ask that you simply copy the letter and I give humble appreciation to our friend who took the precious time to write. I give only initials for expression of privacy. But for recognition of those who know--A.B. of T., AZ. Please print the message from inside the card first, from THE PROPHET (Kahlil Gibran):

QUOTE:

* * *

You give but little when you give of your possessions.

It is when you give of yourself that you truly give.

* * *

There are those who give little of the much which they have--and they give it for recognition and

their hidden desire makes their gifts unwholesome.

And there are those who have little and give it all.

These are the believers in life and the bounty of life, and their coffer is never empty.

There are those who give with joy, and that joy is their reward.

And there are those who give with pain, and that pain is their baptism.

And there are those who give and know not pain in giving, nor do they seek joy, nor give with mindfulness of virtue;

They give as in yonder valley the myrtle breathes its fragrance into space.

Through the hands of such as these God speaks, and from behind their eyes He smiles upon the earth.

Dearest Dharma and Hatonn, (March 28, 1991)

My beloved sister and brother! There are no words, in this commerce based language of ours, to adequately express my eternal thanks for all you have done and all you are doing! Even though our three dimensional life appears to place more and more boxes around us and our lives, I am the freest I have ever been. TRUTH DOES SET YOU FREE!!! Thank you, thank you, thank you for contributing to my freedom!!!! [Hatonn: Do you who share this reading, think not this is as great a gift as we can possibly receive? Does it not make every step worth the effort? This IS that for which we serve and to touch but ONE is all that is required and needed! Ponder it, for in the ONENESS, which seems eventually out there somewhere--ye find it already present if ye but look within and take thine brother's hand.]

Pardon me, the phone is ringing. I'm back. Well, I was just told that within two days we are going to be invaded--by "guys from the skys" (not you). This information came

via Sedona to Tucson. How hysterical and how insidious!!! My friend G. and I placed liquid white light on Sedona.

Confirmation, for me, is not a necessity; however, what a joyful blessing when you are in receipt of some. Therefore, I wish to share a "tid bit" of confirmation of something, if I remember correctly, Hatonn has said or has asked us to watch.

From September 26, 1990 to January 28, 1991 (with 3 weeks home due to the passing of my mother), I lived in Luxor, Egypt. What a generous, loving, warm, friendly group the Egyptian people are! Even when they have no income, they share the bounty of their hearts and their tables.

When the U.S. forgave Egypt its \$7 billion debt, the man-in-the-street of Luxor--when he found out you were American and even if they couldn't speak English--put a "thumb up" and said Bush, a "thumb up" for America. Then as "war loomed closer, the man-in-the-street thought it wonderful that Bush/America was going to go in and kick Saddam Hussein's derriere. (When people could speak English, they asked what I thought about the above referenced issues. They had difficulty understanding that I did not like Bush and that I didn't want to own Egypt.)

Week before last, I spoke to a dear friend in Luxor and he told me that already, the Egyptian man-in-the-street hated Americans. I was not surprised; however, I was surprised at how quickly this had happened. I was, personally, briefly saddened. The Egyptian people, in my limited experience, are the most modern/liberal (if those are the correct terms) of all Arabs.

In one of the Expresses, Hatonn made a comment about would we be welcome (as Americans) in the homes of those of other countries. For today (it may change on the morrow), I, personally, would be welcome in TWO homes in Luxor (one Coptic Christian, one moslem). I don't really know for sure, but it may be in part due to the fact that I spoke my mind and let it be known that "my" government didn't repre-

sent ME. There, also, would be several homes in a small town in Austria where I would be welcome.

A curiosity point I wish to share regarding weather. While in Luxor, in November, 1990, it rained. That may sound strange, but I had been told that it *never, ever rains in Luxor*. It may sprinkle very briefly; but it does not rain like in the states. This particular morning (3:00 am) it sprinkled, stopped and then rained for approximately 3 hours--not a heavy rain but enough to make everything, including the streets, wet.

This small amount can be very serious because many, many people in Egypt do not have roofs on their houses and their floors are dirt--the homes very often are not even covered with straw. Also, a lot of the streets are dirt.

Again, on December 31, 1990, starting around 11:00 pm (while I was flying over the Atlantic), I was told it poured for hours. This was heavy rain. When I arrived back in Luxor (via Austria which had no snow) a week-later, the dirt streets were still wet and muddy. Now, I am told by my friend in Luxor on March 22, 1991 it poured for **10 HOURS**. Then the last 3 days have been very hot. (Not "normal" for this time of year.)

Manipulation and/or changes of the weather??? everywhere?

Yesterday, while watching the "boob tube", I picked up some comments of interest that I would like to share with you. I watched the interview with David Frost and "Stormin' Norman" Schwarzkopf on PBS. The following are items, stated by Schwarzkopf, that I thought you might find interesting. This interview confirmed, also, how the controlled media takes things out of context.

1. Schwarzkopf stated that they had been working on the plan (military strategy in the gulf) **FOR ONE AND A HALF YEARS**.

2. The "rough" plan for this campaign was called "Hail Mary"--how abhorrent!

3. David Frost called Schwarzkopf

a military man with a conscience. Frost brought up how religious a man he was and how he didn't want any of his troops to die. Schwarzkopf concurred and stated how important his men's lives were to him--can we swallow this one???

4. Frost brought up one particular situation (because I was writing, I didn't catch it all) *and asked if we had dressed as Bedouins*. **Schwarzkopf said "NOT IN THIS PARTICULAR SITUATION"**--implying that we did in others?

5. On this show, Schwarzkopf said that we only lost 150 people. However, earlier that same day on his program, Geraldo Rivera stated that *we had lost 350*. I'd like Schwarzkopf to tell me where the other 200 are.

This next one caused me a great deal of mirth:

6. David Frost asked Schwarzkopf if God was on this side and Schwarzkopf replied, "He had to be!"

7. Schwarzkopf was asked to quote his favorite Bible passage. He said that it wasn't from the Bible, but possibly from St. Francis--"Dear Lord make me *an instrument of thy peace*."

The next on is regarding the "broo ha ha" that seemed to run rampant in the media, about Schwarzkopf saying that he had recommended that the war NOT STOP. This was taken from this PBS interview and it was taken *out of context*. Regardless of what we know about Bush or anybody else efforting to run the world show, this was so blatant an attempt to pit Schwarzkopf against Bush and all you had to do was watch the PBS program to get the straight "poop." This is what happens to one and all. I find it hysterical that the controlled media is doing it to those efforting control. Just now on "Prime Time Live". Sam Donaldson, speaking about this incident, while laughing, says there are 2 things you never do--you never disgrace the President and you NEVER *share the limelight*. So, according to Sam, Schwarzkopf is still in "trouble."

The last one I am going to mention

in connection with this PBS program is the ages of those killed. At the end of the show, they ran a list of the names and ages of all killed in the gulf. It was interesting to see that all but very few were in the age range of 20 to 29. There were, I believe, 3 that were 19, 2 that were 44 and several in the mid 30's.

A special thank you, Dharma and Hatonn, for the effort at publishing these letters. My friend and I had been sharing them prior to my sojourn to Egypt. Due to these letters (that's what G. and I call them), I was able to view Egyptian English language news and truly know what was happening. (Also, the Egyptians are not as sophisticated as we are at editing. They televised the entire Bush/Mubarc press conference.) I even watched the Egyptian news in Arabic and could tell, basically, what was going on. **COULDN'T HAVE DONE IT WITHOUT YOU GUYS!!!!**

An interesting item. March 17th was the first time in a long time that a tour guide friend of mine in Luxor had worked and his group was soldiers returning from the gulf--they were from North Carolina.

REJOICE! Here ends my "tid bits.

Hatonn and shipmates and all, please know you are loved and very much appreciated. There are ones here who know your frustration from personal experience. Sometimes, I don't know how "y'all" have been able to hang in there with us all these "years, centuries".

To all of my brothers and sisters from all over this universe and others, I love you all. I appreciate more than words can ever say your undying efforts to assist us and "lift us up to where we belong." (God talks to me through 1 liners from songs. What can I say.) Your unconditional love is a treasure beyond measure!!!!

There are no words, Dharma, for your unstinting devotion. Please know that there are ones out here who love you and thank you. We send you love and light. If it were possible I would share your load, clean your house, place flowers in your windows and hug you lots!!! Hang in there! It is worth it!!!!

God Bless You All ten million times over!!! If you ever need me, I am here.

Love, AB

END QUOTING

You ones are our reward! We need no other and NEVER would ye be left in time of need and neither shall any be given that which is not within capability of bearing. It is the sharing of thoughts and dreams--and confirmations--which shall make this journey glorious. This is that which makes "life", and "living" IS the experience--death is but "existence". Man will come into recognition for he is the very breath of God and therefore it can come to no other end, can it?

Please KNOW that you can give me no greater honor and blessing than to call me "brother" and "friend" and, when ye have sent love and caring unto my scribe, so have ye sent it unto God for each is measured and in the accounting as no lesser and no greater but as ONE. So be it and the blessings of His perfection rests upon His children and I am honored to serve in your company.

I have one last thing in this portion, please. I have been given presentation of another document which sums most accurately and succinctly--**WHAT DOES THE NEW WORLD ORDER REALLY MEAN?** I think it worthy of simply reproducing, Dharma, for it gives food for the thinking people.

QUOTE (from NEW WORLD ORDER Means Death and Destruction, by Phoeby Courtney published by The Independent American, P.O. Box 636, Littleton, Colorado 80160):

The Council on Foreign Relations (CFR) has taken over the policy-making positions of our government, and in the Bush Administration, the Presidency itself.

Now they are trying to take over the people of this country via the New World Order.

On January 29, 1991, in his State of the Union address, President Bush stood before Congress

and spoke of the New World Order which could bring, as he put it, "peace and security."

Yet on February 5--only a week later--the President on national TV reported that "one plane every minute, 24 hours a day" was taking off to bomb Iraq. "Military targets," he claimed.

However, photographs shown on CNN, graphically depicting the results of such saturation bombing by U.S. planes, prove otherwise. By February 7, massive damage in Baghdad and other cities had been caused to the property of civilians, as well as loss of lives.

Thus the use of devastating military force is an integral part of the New World Order.

WHAT THE NEW WORLD ORDER WOULD MEAN TO YOU

Students of contemporary history know that the phrase "a new world order" has long been used by idealists and conspirators to describe a world government able to enforce peace, but also able to enforce tyranny.

World government cannot fail to lead to tyranny. The principles which made America great--a constitutional republic that limits government power combined with a belief in God and the dignity of the individual--could not coexist with any socialistic world government.

Should America become a part of the New World Order, urged by President Bush in every address to the nation he makes, the United States as we know it would cease to exist. We would have to scrap our Constitution and Declaration of Independence, and merge our system of government with dictatorships worldwide. The end result would be the complete destruction of freedoms that we now enjoy as Americans.

What is the motive behind the New World Order? Why have the world's richest and most powerful men spent millions of dollars and decades of time to promote such an alien concept?

world's manufacturing, trade, transportation, money system, and natural resources such as oil.

There are two certain consequences of a New World Order.

1) *Rather than improving the standard of living for other nations, the New World Order would mean a forced redistribution of all wealth and a sharp reduction in the standard of living for Americans.*

2) *The New World Order would include: a world tax system (with Americans bearing the biggest burden), a world court, a world central bank, control of education, abolition of private firearms, and a world military force.*

The New World Order pushed by President Bush would also mean the eventual abolition of the United States as a sovereign nation. There is no way to have both.

In his syndicated column Charley Reese declared:

"I don't know about you, but I am an American. My allegiance is to the Constitution and to the United States of America, not to any international organization, and I will not shift that allegiance.

"I have to say plainly that if someone attempts, as many would like to do, to sacrifice the independence of the United States for the sake of a New World Order, then I will rebel.

"I will not consent to the loss of American independence for which over one million of my countrymen have given their lives."

Syndicated columnist Patrick Buchanan put it this way:

"The Trilateralist-CFR, Wall Street-Big Business elite, the neo-Conservative intellectuals who dominate the think tanks and op-ed pages; the Old Left, with its one-world, collective-secu-

arity. UN uber alles dream: All have come together behind the New World Order.

"Everyone is on board, or so it seems. But out there, trying to break through, is the old, authentic voice of American patriotism, of nationalism, of America FIRST!"

END OF QUOTING

One service of the book is a listing of members of the Council on Foreign Relations. Funny thing, you will recognize so many names, such as Jesse Jackson, Stephen Solarz and Richard Helms (not Jesse--isn't that interesting?) To whom have you entrusted your very existence as a populace and a nation? Further, do NOT BE SURPRISED at who is NOT LISTED. For many of the top criminals are in higher controlling organizations such as the Trilateral Commission which is exclusive indeed, and Bilderbergers, Skull and Bones and such.

YOU ARE AT THE CROSS-ROADS, - AMERICA!

Thank you for your attention and you, Dharma, for your service. Hatonn to stand-by.

Good day.

4/6/91 HATONN

TODAY, APRIL 6, 1991

Hatonn present and all fragments accounted for. I won't take time away from our work to go down a list of "nonsense for today". I will, however, respond regarding the "explosion" or "boom" of two days ago in the early evening. It was neither an earth movement nor a "sonic boom" from aircraft. It was an "airquake" produced over Edwards Air Force Base by the stationed cosmospheres. It was truly a follow-up of the rocket destruction the prior day and a warning regarding the intended shuttle launch. Do not be fooled by the tube of man-made visions which will project space walks, etc. The shuttle would only go into sub-orbit at best and all the pictures you will see are fabrications and "old pre-filmed" experiences either conjured or taken

prior to now. The astronaut crew will come home from Australia just like they always do, if they come home at all.

Isn't my scribe in the area of danger? Yes, *but so am I and I am much bigger and have much more functional and dependable toys with which to play! So be it.*

COMMUNICATION TO M.C.B.

I cannot take time to properly respond to your communique, Mark. I will, however, take opportunity right now to thank you for hearing your call, son. It is time to begin pulling participants and technicians and it will be those who come forth--in truth of intent, asking directions in selfless intent, who are being summoned. It is extremely important that the talents and purpose match the need and at this time it is also extremely important that human entities assume responsibility of choosing and discerning in correct and directed manner. I ask that your information along with this notation be forwarded by fax to our beloved W.G. I further request that a copy of this notation along with contact information for W.G. be given to MCB. I believe that it would be appropriate to send References and Portfolio, son, and begin your association directly.

It is obvious from your communication that you are well studied and experienced and have come to recognize some of the "real" artists in your time of communion. I suggest that you maintain open mind and be prepared for disappointments in finding some of your perceptions are not who they first appear to be--it does not mean that they will not COME TO BE, at some point, great contributors in truth and not ego projections of self-centered spouting of assumed greatness.

W.G. has received Academy recognition for his work and photographic expertise. I ask that you particularly attend to holographic photography and reproduction of same onto film. I further ask that you be sent a set of "Clearing" tapes and the 2 tape set of "Problem solving meditation". Know, Mark, that these are not "professional" tapes but are made for personal use of/by my scribe. Come into using

them for I need to speak with you and I need a meeting "ground". Don't, please, perceive that I will come blasting through like a loud-speaker in Central Park. But you will be given to know that which is given in a few sessions of communion.

Indeed, as to your inquiry, the command has great cause to "track your activities" and have done so--God is a great and mysterious (not mystical) force of intent. Please, however, don't become so scattered that you always prevail in attendance to the "Collective Unconscious" for it is through that perception that ones are first misled down the "Primrose Path". Cause every energy to identify and always, in EVERY ENCOUNTER, from your soul, demand that any energy in the service of God's adversaries depart your "space". Allow only identified beings into your contact for through careless identification--you will ALWAYS pick up the dark energies FIRST, and then it always follows that the urging of those energies to NOT allow our presence within is usually honored by the human. It is through that lack of care that Man separates himself from God Himself. More beings are trapped into the abyss of human ego through this manner, and lost to the service and oneness with God, than through any other method. Believe me, the dark brotherhood KNOWS the appointed and accepted workers long before the individual in point. Therefore efforts to sidetrack the worker are set up from birth through finding of purpose. It must, however, be this way for only the sturdy shall prevail and lesser will simply "not cut the mustard" in this time of chaos and passage and species/planet transition. It is a responsibility of tremendous and incredible commitment which claims all of self with consuming and unrelenting intent for selfless accomplishment. It so happens as with ONLY GOD, that through that very intent and giving--comes the backlash of wondrous return of that very thing you had freely given back into the hands of God--the WILL OF SELF.

I take this opportunity to express publicly in this writing the spiritual communion of this instance, for it is lesson and "total requirement" of any who totally and truthfully serve

God. Ye need not "do without that which you perceive you must have"-
-YE MUST ONLY, TRULY, WITHIN SOUL PLACE, BE EVER WILLING TO GIVE IT ALL AND NEVER LOOK BACK. SOME-TIMES IT REQUIRES A WHILE AND EXPERIENCING GREAT LOSSES IN MATERIAL AND HUMAN PERCEPTION--TO REACH THE SUSTAINED INTENT OF TRUE SERVICE. YOU WILL FIND THAT ONCE THE SOUL BECOMES, IN TRUTH, DEDICATED BEYOND ALL RETURN--THEN THE CREATOR PROVIDES FOR THE NEEDS AND THAT NEED OF ABUNDANCE OF MATERIAL GAIN MYSTERIOUSLY FINDS IT WAY BACK INTO THINE SPACE AND THE ENTITY FINDS NO LONGER AN ATTACHMENT TO IT SAVE THAT WHICH HE CAN AGAIN GIVE FORTH--EVER INCREASING THE COFFERS OF GOD AND WONDROUS CREATION.

Does this mean that on Academy Award night when all honors for work is tossed about--mostly to ones within the "OK to receive" listings, that when you receive your recognition, you should shun it? No, for this is what will give you MORE opportunity to have more work available in which to portray God's reflection. But make sure that you honor the TRUE SELF WITHIN as the wondrous creation you are--and not the frivolous EGO of HUMANNESS which will only destroy all that is of immortality attached to the physical plane. Easy? Not at first, but I might use Dharma as example. As we write and speak and share, sometimes it hard for her to release my own energy unto working with another--if she is in awareness for she feels great responsibility that somehow SHE is not misleading or assuming personal load which is not hers in actuality. The best way to get her to release, as in this correspondence, is to overload her burden to the point wherein she cannot longer carry all the secretarial duties of letter writing and phone calls, etc. This does two things--it causes her to release ME and causes ones to hear and comprehend from me "directly". If the perceptions are coming through incorrectly, I can always sit and pen a reminder or corrective input in

this same manner.

It is such that after long communion the integration of "spirit" is so finely "tuned" that there is no "conscious" separation and yet instant identification. I demand, however, that there never be contact without identification--it is the first lesson if you are to work within this "Command". YOU must clear your space--I can do it but I WILL NOT DO SO UNLESS YOU ARE BLUNDERING IN A MANNER WHICH IMPACTS THE VERY PROJECTED PURPOSE OF OUR MISSION. YOU MUST DO IT--A THOUSAND TIMES A DAY IF NECESSARY--UNTIL IT IS INSTANT HABIT FOR IT WILL BE IN THE EARLY DAYS THAT THE ADVERSARY WILL EFFORT THE HARDEST TO FOOL YOU. STAY ALERT, FOR IT WILL ALWAYS BE WHEN YOU LEAST THINK IT POSSIBLE. HE IS A RELENTLESS ANNOYANCE AND A VERY "SORE" LOSER; KEEP IT EVER UPPERMOST IN THE MIND CONSCIOUS AND TRAIN THE SUBCONSCIOUS TO ACCEPT NO OTHER THAN GOD'S LIGHTED BROTHERHOOD AND THEY, TOO, MUST IDENTIFY.

Well, how can I tell whether or not I am receiving correctly? If it contradicts and counters that which you are innately born with capability of discernment, as to true laws of God and/or The Creation--it is NOT OF GOD. If there is a tiny urge on the part of the energy present to guide you into even the tiny portion of allowance of evil intent--IT IS NOT OF GOD. And yes, "they" are allowed to lie, deceive and falsely identify--that is the name of their game, brothers. Does this mean in the human form you will cease to err? Of course not--we are herein talking about the teachers and guides who are in energy form responding to your call. Man lies about "not knowing" right from wrong--and that is all it is--a lie for you are CREATED (if created by GOD and not a replica of fabrication as in "Robotoid" conjured by Man) KNOWING INNATELY AND WITHOUT ERROR THAT WHICH IS RIGHT AND TOWARD GOD AND BALANCE AND THAT WHICH IS AWAY FROM GOD. EVIL IS THAT

FROM GOD. EVIL IS THAT WHICH CAUSES DEVIATION OF THE SPIRIT--IN EVEN THE SLIGHTEST MEASURE--AWAY FROM GOD OF TRUTH AND LIGHT. AND REMEMBER, GOD KNOWS THAT ALL SHORT OF BEINGNESS WITHIN GOD IS LESS THAN PERFECTION FOR THAT IS THE POINT OF THE JOURNEY AND EXPERIENCE--THE COMING FINALLY INTO THE ONENESS WITH PERFECTION.

Man, and evil cause in the hands of Man--votes in rules and regulations, acceptance of that which is against God, etc. GOD'S TRUTH NEVER VARIES IN THE LEAST IOTA! NEVER! FURTHER, NEVER, NEVER CONSIDER THE LAWS OF GOD AND THE CREATION TO EVEN RESEMBLE THE LAWS AS SET FORTH AND VOTED-IN BY THE HUMAN SPECIES--THOSE ARE SET UP TO PULL YOU ENTIRELY AWAY FROM GOD.

There are two parts to the human creature--that which is physical and that which is spiritual and, actually, never the twain shall meet as one. It is not intended so and EGO is of the conscious mental function of the body physical--the testing mechanism of soul spirit to determine the level of growth in the dimensions of immortality of spirit.

I had not intended a Journal on the subject this morning; it is only that as ones who come into perception of "call to service", also understand it is as important that laws of God are understood as well as the call "heard". Does this mean that none will serve until they are somehow "purified" and "perfected"? Of course not, but it does mean that ones who will bear, and have accepted, great responsibility fully appreciate that responsibility. The knowledge is there already--it is only hidden by the veil as with all, and the remembering purpose and intent must again come into consciousness. Some are simply not "ready" at a given "time" and need more "remembering time". The responsibility of birthing a new planet into higher existence and the tending of the "old" along with the changing attitudes and misperceptions of a species of Man--is a heavy responsibility indeed. Does this mean you become less human? Yes

and no. You will become less attached to the human--and no, the bombardment of existence within the human environment will not only not lessen but will increase in many ways. I must be quick to assure you, however, the rewards for the experience are grand indeed and the peace which all men seek blossoms like the lotus and fills the cup to overflow as purpose is recognized and accepted. So be it.

Thank you for giving me opportunity to share these moments for please accept my own petition for understanding--THIS is the driving need within my own being--to bring you home and I become frustrated with my NECESSARY JOB of speaking of wars and crimes of man and governments, when my only real purpose is to bring you, my brethren, home. Growing is hard, both as a human and as a spirit--but wondrous indeed.

Hatonn to step aside for a short break.
