LIMITATIONS OF HUMAN LANGUAGE

I believe this is more "back to the subject" of the Journal than at first it might seem. If we cannot come into "communication" in meaningful understanding then we are never going to understand one another enough to function as a unit in intent. This is obviously the intended thrust of our adversaries, be they dupes of, or full participants with the anti-Divine God of Holy Spirit. Herein is good example of needing TOTAL definition of a "term". It matters not that which the term IS nor what it means--AS LONG AS ALL IN COMMUNICATION UNDERSTAND EXPLICITLY THE MEANING AS WE USE IT. This is the thrust of the anti-Lighted Spirit--to cause themselves to have one explicit definition for "their" use, of a given term--while all others are moving along under another and usually opposite definitive use of the same term. For instance, when we refer, say, to the Great Spirit--we will be referring to God, Lighted God, Holy God, Truth, Wakan Tanka, Great White (lighted) Spirit, etc. If we refer to "Sananda", we are referring to a label of achieved perfection which allows experiences as/within God from Christed experience, i.e. Pale Prophet, Esu, Isa, Iisa, Standing Bear, Jesus, the Nazarean etc., etc., and allows us to stop repeating so much to come into intended communication.

We MUST cease ever working from "IMPLICIT" and always utilize "EXPLICITNESS".

IMPLICIT: implied; assumption; capable of being understood from something else though unexpressed; to in-

volve or indicate by *inference*, association rather than to express DIRECTLY.

EXPLICIT: *free from all vagueness and ambiguity; fully developed or formulated; unreserved and unambiguous in expression; opposite of implicit.*

Accurate communication **REQUIRES ACCURATE EXPLICITNESS.**

MUTUAL UNDERSTANDING

Communication must begin with something mutually understood. The shared universe of tangible realities is something apparently perceived by all living organisms. Inborn value judgments, that sort out and give meaning to the tangible realities, well up in each individual. In combination, the tangible realities and the inborn value judgments constitute the universal language of Nature and/or whatever comprehensive creative intelligence may coexist with, or be an inseparable part of, Nature.

Humans create *word languages*. In the Western World, word languages often distinguish between body and soul, and people speak of "Nature and Nature's God". Among peoples of both East and West there is also a widespread thought pattern, called pantheism, which views Nature and Nature's God as one. Using phrases from both thought patterns indiscriminately, without addressing the difference between them, we must learn to focus on something that goes beyond usual thought patterns lest we never achieve discernment of manipulation of these patterns to deceive and mislead.

All *word languages* that have been cre-

ated, or can be created, by humans are crude, confusing substitutes for the language of Nature or Nature's God. Any assertion that Nature's God ever used crude, confusing human words to speak to humans could only come from *someone who wanted to brainwash others, or someone who had been brainwashed.*

Even between humans, no communication in words can be accepted as complete and final. No perceptive person can accept any social agreement which fails to recognize that there may be occasions when word communications are not adequate, when the language of Nature or Nature's God (involving value judgments, force and will) must be chosen.

Humans speak the language of Nature and Nature's God when they modify tangible realities and when they create cultures. This must, in our understanding of misled multitudes as with assumed labeling of the Khazar (as example), focus on "cultures" to great extent to bring understanding of the processes involved.

"Cultures" are will-actions that selectively influence *which* organic things are *encouraged* to survive, or *allowed* to survive. The culture of corn involves making conditions favorable for the growth of corn and destroying other organic things that interfere with the growth. *Human will* has created cultures of corn, beans, tulips, pigs, goats, sheep, milk cows, beef cows, work horses, race horses and so on. *Cultures are a major factor in human history.*

However, there are two cultures that historians *usually avoid* pointing out and discussing either through lack of understanding or deliberately avoiding

for one purpose or another. Both are human cultures of humans. These two human cultures of humans are the basic subject of this writing.

PRIMITIVE CULTURE

The first, or most primitive, human culture of humans had already begun when people were still in the hunting and food gathering stage. This primitive culture is still actively promoted. It vitally concerns you because it OPPOSES the manifest long range direction of Nature and Nature's God. Nature's long range direction, extending from single cells to humans, selects the most perceptive and most competent for survival. The primitive culture does the reverse. Falsely used human words are its implements!

This first human culture of humans began when those who were too incompetent to be leaders by *demonstrating their competence* stumbled upon the idea that they could *invent an imaginary leader and manipulate people by claiming to be spokesmen for the imaginary leader*.

It was all one culture but the imaginary leader was presented in various guises. The "ghost" of a dead leader, who had been widely respected, may have been the first invention. At the time of first recorded history a stone "god" or an invisible "god", purportedly supplying the *human words* that the spokesmen wanted for *manipulating the people*, was the invention most common in the Western World.

When a "spokesman" had built up a group of those who were easy to confuse and deceive, he used the manipulated *group* to destroy *individuals* who perceived and opposed the falsity he had built with words. By manipulating *group* force he could destroy *individuals* who were more perceptive, more honest, and more competent than *himself*. Assistants, called "priests", who would carry on the falsity built by words, were selected to help develop and preserve clever methods for promoting this culture.

The object was to breed great masses of people who were easy to manipulate. As purported spokesmen for the imaginary leader, the priests "authorized" sexual relations among those who were servile and stupid enough to accept their word-created falsity. They used the manipulated

group to *kill off* the strong, proud, competent, perceptive individuals who rejected what, in a word invented by the manipulators, was called "*authority*". They sought to prevent "unauthorized" sexual relations by those who rejected the "authority" they had arrogated to themselves.

At the time of the first events *word historians* have recorded, a substantial portion of the human species had obviously been bred by this culture that opposed Nature. Most humans had already degenerated into manipulated masses.

Word historians do not usually say "degenerated into manipulated masses". To designate this condition they use some such praise-giving phrase as "humans had created civilizations". Like the priests, many "historians" use words that cloud perception of tangible realities.

The only dependable history is that whose words are tangible realities. It is clear, precise, emphatic, easy to read AND EXPLICIT. Humans would do well to read the comment it makes regarding living organisms that *oppose* the evolutionary direction set by Nature, as humans do who continue this primitive culture.

Looking at this language, you find that lemmings, sheep, and some other mammals develop conspicuous groupings. However, no other *mammals* have gone as far toward evolving into *mass organisms* as have humans. Humans have now reached a stage that makes survival of individuals detached from a mass virtually impossible. Manipulated masses claim every square foot of living space on earth and demand that every individual identify with one of the manipulated masses.

Although no other mammals have gone as far as humans, some insects--ants, termites, and some species of bees--have followed this direction taken by humans, and have gone still further, they have reached the *point of no return*. Will you do the same?

These insects have opposed Nature's long range direction. They have *regressed* from autonomous sexual entities to the functional role of single cells in an asexual group organism. The *group organism* is all that continues to function as an entity having will. These insects have done with sex

odors what *most humans* at first recorded history had come very close to doing with *words*--and what the *entire human species*, whose evolutionary regression is actively promoted by mass manipulators, is now dangerously close to "accomplishing".

Dharma allow a lunch break please, for this added to the prior writing is sufficiently long. Then we shall look at the corrective culture and better perceive that which must be carefully considered at this point in history of experience. Thank you. I shall just stand aside.

Hatonn to clear.

THE CORRECTIVE CULTURE

Despite massive efforts to destroy it, there is still a record (severely mutilated and tattered) that at the time of the first recorded history, one people had recognized what was happening within the human species and had done something about it. Realizing that the condition had gone too far to simply re-educate those who had been selectively *bred* for lack of perception, the perceptive people segregated themselves from the others.

These people, the Northern Europeans, who defended their segregation by maintaining a no-man's land around themselves, established a culture that was diametrically opposed to the long-standing primitive one.

A highly significant point is that these perceptive people recognized that a culture cannot be fought with mere words; they recognized that a culture must be opposed by a culture. Ah ha, now we begin to begin to see a flicker of what happened a very long time ago to get you to where you are NOW and by whom you were manipulated.

Nature's God does not speak the crude language of humans. However humans can speak the language of Nature's God. Culture is a statement made in that language. Culture deals selectively in birth and death. When unscrupulous manipulators created *their* human culture of humans, they *chose* to *oppose* the direction set by Nature's God in the language of Nature. The *corrective* culture was a deliberate, clear, positive, unequivocal,

explicit opposition to the primitive anti-Nature culture. The two cultures are eternally incompatible.

The corrective human culture of humans was based upon agreements between a group of perceptive individuals that would curtail the manipulative *breeding in* of the unperceptive and would *breed out* manipulators. It seemed good enough at that point.

The new culture of the segregated northern Europeans dealt with both factors that make an effective culture--birth and death. The basic ideas and actions of the corrective culture were two very simple ones.

Giving birth was an individual decision. A perceptive woman could be expected to choose her sexual mate with perception and give birth to perceptive children. Therefore, opposing the breeding methods of mass manipulators--of manipulators who arrogated to themselves the role of "authorizing" sexual relations and forbidding sexual relations they had not "authorized"--the Northern Europeans agreed that a woman's choice of a man by whom she would bear children would be *exclusively hers--as an individual*. The agreement was that no man could have sexual relations with her by force or coercion, and she need defer to no individual or group approval when choosing her children's father. The perceptive people reasoned that no one should have any word-invented "authority" over the intangible portion of Nature and Nature's God within an individual, because an individual's value judgments are made by the God within. The social agreement, that would not allow interference with the highly important value judgment of each individual woman regarding who should be the father of her children, effectively meant that the people looked upon each woman as a goddess.

Dealing with death was also an individual decision. Curtailing the use of manipulated masses against individuals was the cultural action that fell to men. Unscrupulous demagogues were *bred out* by making formal, socially approved one-to-one "fair fight" combat the prerogative of every individual. There was *full social approval* of formal individual combat and *full social rejection* of all groups that tried to impose "group will" on individuals. There was concerted

group action against individuals only within the limited range to which *each individual* had agreed. Outside that austere limited range every individual could demand one-to-one single combat and full social approval would uphold the demand.

This culture, speaking Nature's language of birth and death, effectively reversed the primitive culture that had bred for unperceptive zombi-like humans, and bred for the unscrupulous demagogues who manipulated zombies with words (oops, where are you now?) The new culture, that *consciously and effectively* again proclaimed all individuals equally sovereign, as Nature had always done before the primitive culture, actually accelerated the direction of Nature's selection.

At the beginning of recorded history, the new culture had already bred the segregated Northern Europeans into a people significantly distinct from those around them. They cherished that difference. Any manipulated mass, that tried to breach their protective no-man's land and re-absorb them, was recognized as a potential *mass organism*. The evolving group entity was called a "dragon". The feats of great heroes who became dragon-slayers were memorialized in story and song. But here you can see where the term "dragon" and "dragon beast" came into importance.

THE CHOICE

Let us refer to these two opposing human cultures of humans by the descriptive terms: The culture of manipulated masses and the culture of individual sovereignty.

Backing away from both for a look no more long-ranged than "What kind of people do I want to associate with?" the choice focuses on the individuals who are products of the two cultures: 1) The culture of manipulated masses breeds for lack of perception and/or deliberate falsity, coupled with a strong instinctual affinity for the kind of deception that makes a clever manipulator, and 2) The culture of individual sovereignty breeds in perception and integrity, and breeds out manipulators.

Ultimately the two man-made cultures will be measured by Nature's three billion year old criteria--which

it would be reasonable to call "the morality of Nature and Nature's God (Great Spirit of Light, Holy God and The Creation).

When manipulated masses take on irreversible dominance over individuals the *masses* become the only *organisms* that continue to have effective will. These masses function as *asexual* organisms; individuals function as their component cells; evolution is thereby turned back six hundred million years or more. *Nature's* selective survival is transferred from the component individuals to the new *mass organisms*. ETERNAL MASS WARFARE BETWEEN THE NEW ORGANISMS IS THE INEVITABLE RESULT.

When individuals remain sovereign, Nature's focus remains on individuals. Nature's selective survival continues to apply to human individuals and there is no regression. The field is open for further development. Looking at the long range direction manifest by Nature, the human species remains in the forefront of all organic evolution as it was prior to the first primitive human culture. Social approval of individual sovereignty is social approval of nature's morality.

Looking at Nature's criteria, the choice becomes: Shall the human accept Nature's long range direction or oppose it? And herein is an opportunity to pause and consider the response to this question as you see it in perspective of our writings and the unfoldment of "secrets" kept from you.

THE FIELD FOR CULTURAL CONFLICT

Leaving generalized descriptions and turning to the actual conflict between the *advocates* of these two cultures, we recognize that the mass manipulators now have control of most governments, of the media, and of the school systems. They overwhelm everyone with their confusing version of history. However, enough mutilated historical fragments still exist so that the significant story can be somewhat pieced together--even without my scanners.

The significant battle between the people of the two cultures has taken place, and continues to take place, in Europe, in the Mediterranean area, and in the Western hemisphere--where there has been total infiltration and integration

within the organisms.

The people of the Orient have been affected by the dominant culture of manipulated masses as it now exists in the Western World, but they have never been involved in the *conflict* between the two cultures as have other people, although it is coming into manifestation currently. Speaking of the Oriental people in general, they are not even aware that it now exists or ever did exist although the seepage is showing up more and more. Certainly they can see little evidence that any culture now exists in the West other than the culture of manipulated masses.

There is the same non-awareness of the cultural conflict by the people of Russia although some astute people are sticking their heads up and beginning to smell the coffee burning. Russia is an area of biologically mixed people that stands between the East and West. The area has been heavily impacted by the Khazarian shroud of word twisters and as a government, the USSR conspicuously implements the culture of *manipulated masses*. The precise form of the current Russian culture came from the same source, and constitutes the same virulent danger to the human species as that which forms one side of the current battle in the West. This especially virulent form came to the Russian people in two waves, the first beginning about the tenth century and the second early in the twentieth century. There had never been a substantial culture of individual sovereignty in the area, so neither wave met any effective native resistance.

Both the Orientals and the Russians continue to *feel the impulse* toward individual sovereignty within them, but they have no conscious memories of individual sovereignty--*as a culture*. Since the Western Americans have experienced individual sovereignty it is hard to have realization that you no longer have it. This is because the word manipulators have pulled some heinous tricks on you and you live under a shroud of "their" deception and illusion.

The battle between the advocates of the two cultures has existed exclusively in the Western World. It was in the Western World that the culture of individual sovereignty came into being. It is here that some conscious advocates of it now remain. It is in the

Western World that a decisive battle between *the advocates of the two cultures is now being fought*.

The Western World still has a high percentage of people bred for individual sovereignty. However, it is *on those who remain conscious advocates of the culture that bred them that now rests the only visible hope that the whole human species will not go the way of the regressive insects*. And, unfortunate as it is for the only visible hope, many who were bred for individual sovereignty have now been so confused by words that they fail to see that the conflict is between the advocates of the two cultures. When they say that they will "just wait to see what will happen" before they decide to act, they fail to recognize that they are not "just leaving things to Nature". Human cultures have been injected into natural selection. The conflict is taking place by *human will*. They are leaving everything to their **human enemies**. A veil of human words now clouds the perception of many who were bred for perception.

CLOUDS OBSCURING THE FIELD OF CONFLICT

A confused subject called "**human progress**" serves to obscure the significant conflict between the advocates of the two cultures. It detracts attention from human beings by focusing on manufactured gadgets. Also its spokesmen falsify human history. They use manufactured gadgets as the measure of civilization and teach American school children that two thousand years ago the Northern Europeans were "barbarians".

On the contrary, archeological excavations indicate that Europe was the area where the world's earliest finely manufactured articles were developed. You can only imagine at the exact historical reasons causing the Northern Europeans to abandon man-made things and return to natural things as their criteria of value and we will not hang up on that point herein for it is a distraction for the focus point. The verbal history, or "mythology", that would tell the story on your placement has been systematically destroyed or totally twisted. You only know that about 60 B.C., when Julius Caesar was writing about the Northern Europeans, the described culture of individual sovereignty had existed among them for untold centuries. The cultural core

that selectively bred for individual sovereignty was effectively protected by the no-man's land that Caesar was trying to penetrate. It allowed only one-way passage. The Northern Europeans could go out but they allowed no one to come in. They were protecting their segregated culture. They recognized that, as individuals consciously upholding the sovereignty of individuals, they were fighting *potential mass organisms* that they called "dragons". However, the people outside viewed the conflict as merely the usual mass warfare, which is an essential part of their culture.

The earliest records you will be able to find regarding the conflict between two peoples *who recognized opposing cultures as the basis of the conflict* was that which showed up between the early Babylonians and the people occupying the Iranian plateau. Only a "color" of their conflict remains in recorded history, and you cannot be sure whether or not the division between the peoples existed because individual sovereignty people were spreading from a Northern European cultural core, or whether Iran *versus* Babylonia was the original area of division. To more fully comprehend this circumstance we must look more deeply into the Khazars by whatever name they called themselves, and we will do so as we get a bit more foundation herein with which to work.

To get a clear view of the two cultures you have to look for a discernible division between peoples advocating the opposing cultures. Otherwise you look at cultural garbage.' The two diametrically opposed cultures cannot be mixed among one people. There are only two directions that a human culture of humans can go--with Nature's overall direction or against it.

It appears ridiculous to make the obvious statement that nothing can at the same time go in two opposing directions. Such a statement now becomes necessary with regard to cultures because there are many who call the present enforced mixings of peoples trying to go in opposing direction, "the richness achieved by mixing cultures". That sort of misuse of words prepares for manipulation by promoting confusion--and who is the master of confusion? Fragments of *civilization*, that have been broken by mixing peoples from opposing cultures, may have facets that dazzle, like fragments of

broken glass in a kaleidoscope. But when a culture is viewed as a culture, it is an *injection of human will into natural selection*. Natural selection deals only in birth and death. Cultures created by human will are dealing in birth and death. The flesh and blood people that *human will* has selected for survival are the "richness (or pollution) achieved" by injecting cultures into natural selection. Conscious mass manipulators willfully promote the confusion that obscures perception of this. We seek to penetrate the obscuring cloud.

We know of areas where, in historical times, there have been mixings of people bred for individual sovereignty and those bred for mass manipulation. However the resultant conflict arising from the opposing cultural directions has not been perceptively analyzed in widely promoted histories. Spengler, who may well be the most competent of widely known historians, even applies the term "culture" to the mixings. Honor ones who passed Earth's way and projected some intelligent reasoning and understanding into historical data.

Facts indicate that people bred for individual sovereignty moved into India where they were greatly outnumbered by those long bred by the primitive culture. They were overwhelmed by sheer numbers. They could not establish their own culture. They could not act. They talked. This began before recorded history. They are still talking. The conflict between cultures cannot be settled by words.

Another mixing of peoples bred by the opposing cultures came when those from the cultural core of individual sovereignty moved in on the opposingly bred people of Greece. An attempted division between the peoples continued for several centuries by arbitrarily dividing them into "citizens" and "slaves". Obviously that attempted division, when the people were thoroughly mixed in daily contact, could not work. It did not. The attempts to create a "scientific state", where the two cultural thought patterns could be "rationally" combined, ended in the destruction of what is called the "golden age of Greece". Rashly building an empire that would teach "the science of government" to the people around the Mediterranean, who had been bred for mass manipulation, the Greeks created a *tangible civiliza-*

tion, born of mixed cultures that was like a fruit ripe for picking. Some of the more stalwart and dominant energies (teachers) of the Greek era have continued in many forms to bring understanding, wisdom and insight into the mechanism--some of you continue in frustration and repeated attempts to awaken the masses at this very day in time.

The Romans, who had fully accepted the culture of mass manipulation, and who had sufficient military power to take over a people confused by a mixture of two opposing cultures, took over the Greek people and the Greek empire. Most historians shed copious tears over this fact but show little perception of what was actually happening.

Histories, that are written by those "educated" for the culture of manipulated masses, present mass warfare (an activity of no living things but humans and regressive insects) as a natural phenomenon. Their histories are nothing but studies of mass manipulators and the battle leaders acting under the "authority" of mass manipulators. Their histories imply that no culture other than the culture of manipulated masses ever existed or ever could exist. Accepting this primitive culture as "human nature", they remove the word "culture" from its application to the human species. They twist the **WORD** to mean "*development or improvement by 'education', or refinement resulting from such development*". They ignore the conflicting directions set by human cultures.

Human cultures, a specialized use of *human will*, are no more visible than the wind but, like the wind, their effects are visible. Most of your historians describe only the effects; they fail to point out or even perceive the opposing cultures during the time that the Greek and Roman Empires dominated the Mediterranean area. Careful examination of this time and place, that identifies the beginning of the current cultural conflict, is vitally important to the fate of the whole human species--a fate that will be determined by which of the two cultures eventually dominates. Mostly these two diabolically opposed cultures are either missed or totally ignored. Those of you in the third perspective can see how it is but are basically at a loss as how to proceed to bring about massive

change.

These two cultural directions might well be like the meeting of two winds--as winds of opposing directions meet to form a devastating storm. Well, then came along one--again--as a Christed being (the one you called Jesus at the given sequence of time progression) and He became significantly placed in the "eye of the storm". ***IT IS, HOWEVER, THE WHOLE (ENTIRE) STORM WHICH VITALLY CONCERNS YOU AS A HUMAN SPECIES.***

4/6/91 HATONN

ACTUAL CONFLICT

From known history, the significant fragments must be sifted out and put into a meaningful order, if we are to make sense of what is now happening to the human species. The cultural storm system cannot be viewed as a whole without giving attention to "the eye of the storm". I make no comment regarding rationale or differences in spiritual aspects regarding this particular "being" but do give undivided attention to the circumstance and that which ensued. You have had historians who acknowledge and summarize the most common attitudes toward "the eye of the storm" in your current area of mixed cultures.

In one way it was stated that "Whether for good or ill, whether fact or fiction, the story of Jesus has had an effect--perhaps an enormous effect--in determining human destiny. In the United States there are two conspicuous views of the story. One is held by those who believe that Jesus was a "supernatural" being, that all people in the world have "sinned", and that Jesus was crucified as a sacrifice for their "sins". The other is held by those who look upon the first group as a bunch of "born-again boobs", and wish the whole story had never gotten started. Well, I'm sure that Emmanuel of "Jesus" fame wishes his presence had not been taken and made into deceit and delusion of a whole civilization--for whether or not you believe--the mere mythology becomes a focus.

From time to time, obscure and perceptive writers--and even a few who are not so obscure, have presented a third viewpoint. They have taken the view that the story of Jesus *IS significant* and it is *most significant* when

told absolutely *straight*.

The next statement will be news to most of you--Thomas Jefferson presented one "straight" version in his comments bound with the *American Christian Bible*. One historian in point is Erik Holden who carried on the work of sifting out significant fragments as started by John Harland. Holden contrasts the significance of the straight story with that of the one *accepted by many institutional religions*.

The extracts from the Bible that were put together by Jefferson left out the writings of Paul (I hope herein you will refer back to AND THEY CALLED HIS NAME IMMANUEL to find out the FACTS regarding Paul. As a matter of fact, we greatly honor Paul in this current time for he is making every effort to rectify his *misinformation*) and the *totally reversed* twist to the story that was *adopted by the Council of Nice in 325 A.D.* The so-called Jefferson Bible has been generally suppressed as is all truth; the editions that were previously available were couched in comments that came close to being apologies to Khazars (Jews) and to so-called Judaeo-Christians for what Jefferson left out. Holden looks at the story very much as Jefferson did. Inasmuch as Jefferson was the author of the Declaration of Independence and was also a man who rejected institutional Christianity, while asserting that *he* was a *real* Christian, Holden has chosen a highly significant starting point.

The *American Christian Bible* is of vital significance for the American people at the present time. The current conflict between the culture of individual sovereignty and, for that matter, individual national sovereignty, and the culture of manipulated masses is the same that has been going on for two thousand years. The imposition into Northern Europe of what the Catholic church *called* Christianity was the original focal point of the conflict.

The segregated Northern Europeans, who were so careful to preserve their no-man's land, were not conquered by the armed force of any manipulated masses from *outside*. Their enemies slyly injected the culture of manipulated masses into Northern Europe, and then used manipulated masses of *Northern Europeans to force* the cul-

ture which destroyed their own culture, *and millions of people bred by that culture*, on other Northern Europeans.

Incredible as it seems, two thousand years later the same tactics are still just as effective. The two greatest wars the world has ever known were between people bred by the culture of individual sovereignty fighting others of the same breeding. What manipulators call "the richness achieved by mixing cultures" is a synthesized drug; that drug destroys all perception; it renders people responsive to suggestions for insane action.

HISTORICALLY SIGNIFICANT FACTS

The culture slyly injected into Northern Europe centuries ago remains the focal point of the current conflict. Many, who think it was religion that was injected, may tend to dismiss that statement by saying "religion no longer carries significant weight in practical matters". But to them we must say: Hear us out. We are not talking about what some *falsely categorize as religion*. *We are talking about culture.*

The mass manipulative *culture* of the medieval Catholic Church was implemented by wholesale slaughter, torture racks, and public burnings, as one facet of *cultural action*. The other was church "authorized" marriage, church christenings, and church schools for the children of those allowed to leave progeny. The path of that foreign culture of mass manipulation, as it selectively killed some people and encouraged the breeding of others, marked the sharp line of conflict with the culture that had bred the Northern Europeans.

Therefore the foreign culture, in its usual dragon form, had been recognized and successfully opposed. Now it was not recognized because *individuals* merely carried its seeds. To get across the no-man's land these individual saboteurs had to have a passport. Harland describes the passport, which gave passage to the foreign culture's advocates, as being like a two-sided coin. The teachings of Jesus were on one side; the teachings of the Nomadic Khazar (so-called Jewish) Nation were on the other. The priests who gained passage were the ones skilled in deftly flipping the coin from side to side to

make it fit the occasion.

Currently the same trick is performed--all day everyday, in the U.S.--by those who have *unconstitutional* control of radio and television stations. In current use the two-sided coin is the hyphenated word: Judaeo-Christianity.

We need to most carefully examine the two-sided passport that has played such havoc with the culture of individual sovereignty.

Before Jesus, the Nomadic Khazar Nation was only a minor nuisance to the Roman Empire. The Nomadic Khazar Nation became a factor of worldwide significance only because it was the weather front for one culture when the two opposing cultures met with Jesus, "the eye of the storm". The whole storm system falls within our subject.

INVENTING GOD

Benefiting by a view that now stretches over two thousand years, you can recognize that the opposing cultural winds did not meet at the focal point where Jesus was born among the Judeans "just by accident". Although the Khazars were only a minor nuisance to the Roman Empire, they were the world's most pronounced *weather front for the culture of manipulated masses*. The Khazarian people exemplified the products of the manipulated mass culture more clearly than any people on earth. Also they advocated the culture, itself, more conspicuously than any people on earth. They had rationally and deliberately *formalized* the significant direction of the primitive culture by inventing a "god" who *opposed* Nature.

Most current Khazars (now labeling themselves as so-called Jews) no longer believe any such "god" exists but, nonetheless, their well-known objective of "victory over nature" and their anti-Nature "morality", which they either claim was decreed by the "god" they invented or follows logically from their atheistic communism, remains the focal point of the tradition that coordinates their *actions*. According to the spokesmen for their "god" they are a people chosen by their "god" for the role of the world's manipulators. They are repulsed by any need for contact with Nature. Their spokesmen tell them that their "god" promises them that they need have no contact with Nature, that they

can live off the milk and honey produced by other peoples. *Their culture* has bred them for such complete lack of respect for, and perception of, Nature that they remain totally blind to the fact that their objective of "victory over nature" would accomplish precisely what the regressive insects have "accomplished". It would push regression of the entire human species to the point of no return. When the cultural storm system developed, the *core* of the culture diametrically opposing the one the Khazars had formalized was *isolated* in Northern Europe. The Greeks, although biological products of that culture, had compromised it while trying to rule over peoples bred for mass manipulation. However, they had thirteen cities designed as samples of Greek civilization located around the area where Jesus was born. Although diluted and confused, some color, or breath of wind, suggesting the existence of an alternative to the culture of manipulated masses had permeated the area.

A much keener perception than that usually found among the so-called Jews (Khazarians) was needed to sense the color, or feel the faint breeze, and to visualize what would happen if the culture indicated by the faint breeze came in full force. The culture had been weakened by the Greeks' compromises but, from the same direction as the breath of wind that hinted at an alternative culture's existence, could be sensed the movement that was the whole of Nature. The faint cultural breath told that the culture both supported Nature and was backed by nature. The suggestion, however faint, that such a widely different culture did exist would be enormously significant to anyone with perception who was caught in a squeeze play between the advocates of two cultures fighting for dominance--*when both the cultures were just different forms of mass manipulation.*

The Romans had power over the Khazars. The Khazars bent to Roman rule in the open and fought it in secret. Born among the Judeans, Jesus was under the usual Judean pressure to side with the Khazarians against the Romans, but he recognized that they both moved in the same cultural direction and therefore, **HE WAS OPPOSED TO BOTH!**

What mass manipulators have interpreted as the "non-violence" teachings

of Jesus was something utterly different. Jesus advocated and practiced a policy of *not taking sides between two systems that both had the same direction of mass manipulation--this held true much later with the group of Essenes who asked for his sanction and participation within their specific group--at which point he rapidly took total and complete leave of them while at the same time announcing to his people that they would CLAIM HIM TO BE ONE OF THEM.* You must further understand that at that time the term or label "Jesus" was not attached to the entity at all. He was called Emmanuel, Esu etc. not Jesus. Paul later conjured and labeled the master teacher by that handle after traveling in Greece. If you know nothing of history and fact--how can you even know that which you worship?--for it is often false.

COMMANDMENT NUMBER ONE

This is the very reason God gives you a first commandment of "have no other Gods before ME". He is the very essence of life itself which lives and remains within each from the beginning of experience unto the ending and beyond into infinity--by whatever name you choose. If you WORSHIP none other, then there aren't apt to be errors in judgment by the WORD MANIPULATORS.

Esu advocated giving no active physical help, *which necessarily meant giving no active physical opposition*, to either side. When *talking about the cultures, Esu concerned himself primarily with that of the Judeans because the Khazar/Judeans had formalized the culture of manipulated masses and stated its Nature-opposing "morality" in WORDS.* The formalized verbal statement of the culture was something that Esu could oppose in *human words.* He did so for about three years.

The Khazars had the clearest statement of a culture that took *action against* Nature; they had actually said that the imaginary "god" they invented had created the world and then "repented" *his own creation.* To one who had felt the faint breeze of an opposing cultural wind, and could recognize that the total flow of Nature moved in the direction of that breeze, it was clear that the direction advocated by "the law and the prophets", who proclaimed an anti-Nature "god", would lead all advocates

of that culture to inevitable damnation.

The primitive Nature-opposing culture had not only been formalized, it had also been stated in great detail by the intricate laws of the Khazars, by their verbose prophets, and by the numerous examples of action in their proudly preserved history of clever treachery. Esu chose the contrast of speaking against it in the simplest possible words.

SOVEREIGNTY, ACCORDING TO ESU

He talked of Nature and of the God who clothed the lilies of the fields and valued the smallest sparrow. He denounced the law and the prophets and, ignoring the imaginary Khazar "god" who was presented as being *external* to his creations, Esu talked of a different God who was *within* and Father to His creations. The message of Esu was that perceptive people would realize they were *of* the Father. He said, "I am in the Father and the Father is in me." He told people they could go against the law and that was not important, they could go against what they called "god" and that was not important, but if they did not heed the Holy Spirit that was *WITHIN* them, they would be eternally damned.

In simple, bare, inexact human words, there has never been a clearer statement of individual sovereignty. But Esu was placed at the weather front of masses looking for a messiah--looking for a leader of manipulated masses, a new spokesman for the imaginary "god" they had invented. They thought only of fighting the Roman culture of manipulated masses with their own, *even more extreme*, culture of manipulated masses. Human words were inadequate for something as important as Esu wanted to say.

When He had said all that could be said by using inexact *human words*, He had to accept the bitter cup that words alone do not establish a culture. With courageous resignation He faced the fact that, even though the people around Him would not accept a culture opposite to the one that was leading them to damnation, He could still make a full statement to the whole world regarding that which came from the Holy Spirit, or Father, within Him in the *language of the REAL GOD--in the language of Nature's God.*

He told his disciples that *His* time was approaching but that *their* time was yet to come. He planned to precipitate a battle in which they *could take sides*. He said to them, "Sell your coat and buy a sword."

Then in the language of Nature and Nature's God, He spoke. As one who had violated no specific law of the mass manipulators--but as one who had denounced their *total culture*--He openly confronted the mass manipulators with full knowledge of what would happen. Having publicly proclaimed the sovereignty of an individual, He placed himself so that *as an individual* He conspicuously stood against the most clearly defined culture of manipulated masses that existed anywhere in the world, a culture that will tolerate no one who rejects the law and the prophets, a culture that will tolerate no one who obeys only the Holy Spirit within.

Esu deliberately walked into a situation where He foresaw that his crucifixion would clearly show the *mortal* opposition which exists--unreconcilably--between the two cultures. *In the language of Nature and Nature's God, His crucifixion proclaimed to all the world that the opposition between the two cultures is mortal and eternal, that compromise cannot be made, that one of the diametrically opposing directions must be chosen.*

And herein I might state that this Journal could well be labeled Vol II of THE PLEIADES CONNECTION for these are the teachings of Truth without manipulation of either culture. These ARE the teachings of the brotherhood from afar--and furthermore it must, by now, make sense why it is so important for the manipulators to silence the Truth-Bringers. Especially at this time is this information highly dangerous to the manipulators for you are foundationed upon the basis of individual sovereignty as a nation of individual people. The manipulators have not yet accomplished all necessary constraints to enslave you but are well on their way to so-doing. You as individuals with ability to function as sovereign people are all but finished and the coming into being of the One World Order with central government by those who manipulate is all but written into history as accomplished. Ah but remember--it is never too late if Man awakens even unto the eleventh hour. He does, however, have to ba-

sically understand his circumstance.

Crude, inexact human words do not pass the boundaries of different peoples and are seldom fully understood. In the universal language of Nature and Nature's God, Esu made the most significant and most eloquent statement ever made to the whole human species.

The Khazars tried to ignore that statement. When they discovered that they could not simply ignore it, they tried to kill off everyone who tried to point out the significance of it. The Romans saw its significance and gave the Khazarian gangs license to exterminate Christians--no more and no less.

Then one of the Khazarian butchers, Saul of Tarsus, came up with the idea of twisting the story backwards and actually making it *support* the Khazarian culture of mass manipulation (sorry Paul, but know son, ye bring that which is needed this day to the table that we might bring these things unto the masses of current human experience. Hold steady for all manners of opposition in all forms of manifestations are sent and continue to bind you but you shall be given to prevail and bring other fragments into peace as well as you bend not to the rigors and vicissitudes of human bombardment. Each now takes active roles in setting to straight the historical errors of experience and some will fail--again; but ones of Godly intent shall surely succeed).

The imaginary primitive "god" which the Khazars had invented purportedly demanded bloody sacrifices of the first born and finest before he would forgive their "sins". Everyone had heard Esu say, "I am in the Father, and the Father in me." Many had said that Esu was claiming to be a god. Saul conceived the idea that people could be *made* to accept Esu as the son of the *imaginary "god"* the Khazars had invented, and accept his crucifixion as a sacrifice that the *imaginary god's* law demanded for the salvation of all who had not obeyed that law.

A ROSE---?

Now I hope you ones have noted that I continue to utilize the word Khazar--but that is not actually the label appropriate. At the time of Esu the Khazars (by that label) were still in the confines of Europe. Therefore you must now look to that which "KHAZAR" means--

--"gaz" or "to wander", in other words, "nomads", and the first factual references which you will find to this group as "Khazars" came in a Syrian chronicle by "Zacharia Rector", dating from the middle of the sixth century. So what can I possibly mean? I mean that this "culture" of people were already present and functioned as the *anti-Christ* even before the presence of the one you accepted or touted as "Christ". So what were they called? Well, some called them Canaanites--descendents of Cain the cursed. But this interrupts my chain of thought which I wish to project, please--without distraction to another topic. You ones must realize that this group also is represented in your church lessons as Pharisees. We shall come back to this discussion at another time--just explicitly know that when I refer to Khazars, I speak of those who are now self-styled, so-called "Jews".

The mob had demanded that the body of Esu be crucified. Saul conceived the idea of crucifying the spirit. Nietzsche, describing Paul's action in *The Anti-Christ*, wrote: "Once more the priestly instinct of the Jew perpetuated the same old master crime against history--he simply struck out the yesterday and day before yesterday of Christianity and invented his own history of Christian beginnings. What indeed, has not this evangelist (Paul, Saul of Tarsus) sacrificed to hatred! Above all the Savior, he nailed him (back) on *his own cross*". *In spirit, Esu continues to hang there. Such conspicuous persons as Billy Graham and Jerry Falwell (who said, "I am proud to say I am a Zionist!" [KHAZAR /ELITIST]) encourage today's manipulated masses to drive more nails.*

Despite the fact that the "converted" Paul set up a chain of churches in Greece to promote the version of "Jesus" he had invented, many Greeks recognized and valued the clear and superb eloquence of the statement Esu had made. They saw it as far exceeding that made by Socrates; it was greater in both dramatic impact and clarity of meaning. Among the Greeks, people began making new commitments to the individual sovereignty that had bred them. The seed of their own culture had been resown.

Inevitably there was conflict between the two stories. Arguments, attempts to derogate the opposition and attempts

to reconcile the unreconcilable, gave rise to an enormous amount of verbal garbage. A hundred years after the crucifixion of Esu "Jesus" there were already over a hundred sects that called themselves Christian.

Verbal garbage is a preparation of the ground for dogma. Acceptance of dogma is acceptance of the culture of mass manipulation. The Roman Emperor Constantine recognized the *potential for mass manipulation* in the garbage of conflicting ideas about "Jesus". (I would interrupt herein to ask my historian, Nora--how am I doing? I, Hatonn, am greatly indebted to ones who pay attention so that I don't err greatly in sequence of events. I find your history tedious and mostly unpleasant but I do effort at being accurate.)

In 314 A.D. the Emperor convened a council of the various "Christian" sects to study their teachings. At a subsequent council in 325 A.D. he selected the followers of certain doctrines for official approval--with the understanding that they would either absorb or destroy the others.

THE PASSWORD

Basically it was the false, totally reversed twist given the story of Jesus by the anti-Christ butcher that was made "official Christianity" by an Emperor wanting docile, dogma-controlled subjects. However, the most eloquent statement ever made regarding the mortal opposition between the two human cultures of humans was not easily crushed. The significant and eloquent statement Esu had made in the language of Nature and Nature's God persisted.

Knowing how that statement had appealed to the Greeks, the priests of "official Christianity" used it as a passport of entrance to the guarded areas of individual sovereignty in Northern Europe. To the Northern Europeans, that dramatic statement, upholding their own culture and condemning the culture they condemned, made by some heroic individual in a foreign land was doubly acceptable. Its eloquence was coupled with individual heroism, and individual heroism had their respect no matter where seen.

The straight story served as a passport for the Roman priests whose purported

message was the teachings of the hero, who *weaponless* had defied the dragon (or serpent as Esu had called the underhanded Khazarian nation) so as to show the whole world the serpent-dragon's mortal opposition to the bare existence of a sovereign individual. Having gained passage, the priests gradually replaced the Christianity based on the straight story of Esu (Jesus) with the confusing garbage of Paul's anti-Christ "Christianity". Into this, bit by bit, was injected the Khazarian formalized dogma for promoting the primitive culture of mass manipulation.

The manipulated killing--by their own kind--of millions upon millions of the people who had been deliberately bred by, and for, the culture of individual sovereignty began when something called "JUDAEO-CHRISTIANITY" was made the "coin of the realm".

The manipulated battle, between the confused people, soon developed so many facets that it was virtually impossible to distinguish friend from foe.

The same battle is still going on throughout the Western World at this moment. The trigger that precipitates the destruction of those bred for individual sovereignty by *others of the same breeding* is still the same two-sided coin. The mass manipulators keep the confusion and destruction going as actively as their fullest efforts can promote it.

Martin Luther challenged the head manipulators in Rome over the confusing garbage being passed out for forced feeding. While observing the widespread attempt to vomit up the incompatible foreign stuff that had been cunningly pushed upon the Northern Europeans, Luther became intensely disturbed that it was not only the formalized primitive dogma of the so-called, self-styled Jews that caused the problem; the flip-side of the Christian coin was also serving as a passport for the Khazarians (so-called Jews) themselves.

While enviously admiring the clever new forms of deception practiced by the Catholic Church, the so-called Jews were intensely aware that it was their own system of mass manipulation that the Church was using to bring down those of the opposing culture. They felt jealously possessive of the

anti-Nature "god" they had created in their own image; they wanted to move in and take over the power the Catholic Church had acquired over the proud, competent, Nature-loving Northern Europeans by making them bow their heads before the Khazarian "god". The Khazarian so-called Jews were like jackals moving in to feast on a lion's kill. Luther's violent words against their methods and against the very existence of the so-called Jews as a people are fully understandable.

Now what happens? It depends upon how many individualists desiring sovereignty of person and nation there are left. The manipulators have and continue to join forces and gang up on you--fortunately for you, they can't relinquish desire to be head manipulator and this gains you some time for action and changes.

Dharma, I apologize for such a very long day but this is such incredibly important information. Thank you, chela, for I know that you are weary. Have a good rest and we shall continue on the morrow. Good night, friends, and keep heart for we ARE MAKING GREAT PROGRESS--AS LONG AS MAN CAN REGAIN HIS "REASON" HE CAN PREVAIL AGAINST ALL ODDS. IT IS ONLY THAT INDIVIDUAL MAN HAS LOST HIS WAY. SO BE IT.

Gyeorgos Ceres Hatonn to clear.

SUNDAY, APRIL 7, 1991

Remember this day to keep it Holy. In other words, let us be ever mindful of God's presence and Nature's God and revere and respect that which dwells within EACH and allows this journey into infinity. I would ask you to send energy and love to the ones in Peru for they have had devastating earthquakes along with unseasonable rains. Peru is a country which has suffered greatly at the tentacles of the Khazars through your nation. Sovereignty is a precious gem and the moment it is left unguarded the evil thieves come forth and steal it. At any rate, within the past three days Peru's coastal "rim" fault has been badly hurt by quakes of "great" and "major" magnitude. The adverse weather hampers the evacuation and your brothers suffer greatly. Ones can only struggle so long against

the tyrants and then fall to the manipulators. There go ye, America.

Don't worry about that which we write that you know not, Dharma. It is not of your special duty nor privilege to know all regarding the world. It IS your duty and that of each and every entity to know that which goes on, however, and witness the twisting, silence, shortness of announcements, hidden meanings and what the manipulators are doing and saying to mesmerize you as a dying culture of individual sovereigns. It is IMPOR-TANT to witness HOW the dragon devours its prey and in the massive greed and manipulation destroys all in its path until it, too, cannot survive its own evil.

There are constant bombardments of energy pulses against the "rim" faults for they separate that which was a portion of Lemuria from that which has stood through the just prior cycle of earth land (above water) mass. Portions of those fragments will move downward by the rift and suction as Lemuria rises again, at any rate, as old continents are rebirthed and new continents reclaimed. Be alert for you are into the time of these great changes and yet you must sense the "overall" for you will mostly not be made aware in correctness as things occur. Worse, the "adversary dragon" will always make it appear that "God did it!" in order to terrify the populace and better control them.

I honor a Professor of Biology, University of California, Garrett Hardin: *"It doesn't much matter whether you think man was created out of dust six thousand years ago or came from apes a million years earlier.... Believe what you will of evolution in the past: but you had jolly well better believe it will take place in the future if you hope to make political decisions that will give your descendants a reasonable chance to exist."*

As you must be noting in the world today, there is apparently a movement in what you called the Eastern Bloc nations to break from the bindings. Are they really? No, they are only warring factions of the very same culture and it is important that you recognize as much. It is simple manipulation of the manipulated. Strong men stand and draw support and then the hapless hordes of "me" people move like the schools of fish in the sea. They are

not seeking true sovereignty of self--but only "ME-ness". Habits from the enslavement have rendered them helpless. This is why the thrust for TRUTH is being focused in America--you have had a short history from freedom into slavery and some of you will remember when freedom meant something.

There are other nations who would join you in a moment if you can square your own nation around and bring it back into that which it WAS. In fact, the whole world would follow, in time, for man can see that that which he has and has had, does not work but he needs strong leaders to show the way. If America would stand against the Dragon, so would the world. So be it.

CONFLICTS IN AMERICA

The opposition triggered by Luther broke the stranglehold of the Catholic Church on Northern Europe, but it was not until America was being settled that there was adequate segregation to do something effective. The people coming to America had been bred for individual sovereignty but in a world of manipulated masses *segregation* is a prerequisite for effective efforts to establish individual sovereignty as a culture. The people have to get away from the synthesized drug that induces insanity; the people have to get away from "the richness achieved by mixing cultures".

Governments are the formal implementations of peoples' cultures. Theocracy was the government that manipulated masses imposed on all Northern Europeans. The definition of theocracy given by Funk and Wagnall's *Standard College Dictionary* is: "1. A state, polity, or group of people that claims a deity as its ruler, as ancient Israel after the Exodus. (Ye gads, see--even in the dictionary "Israel" is again and again misused.) 2. Government of a state by a god, or by a priesthood claiming divine authority, as in the Papacy."

The synthesized drug works by blurring the distinction between theocracy and religion. For a thousand years the people bred for individual sovereignty had been publicly executed, stuffed in dungeons, or killed on torture racks if they did not at least give lip service to theocracy. Of course, the priests did not call it "theocracy", they called it "religion". Bare lip service, when

constantly repeated, is enough to crowd out clear thought. Even though the people coming to America now had the opportunity to make choices, they had no *government* other than theocracy within the field of their conscious thoughts. The new colonies became mostly theocracies, differing only in whether the "authoritative" spokesman, setting forth "laws" for government, made those "laws" by his own interpretations from the handbook for mass manipulation or took them from a higher "authority" overseas.

In America, Roger Williams set the first milestone toward a re-established culture of individual sovereignty by establishing a *working distinction* between theocracy and religion. He said that people should be able to assemble and choose anyone they wanted to conduct their *religious* services. He publicly proclaimed that no "authority" higher than their choice as individuals was required for such action. On penalty of death, Williams was forbidden to re-enter the colonies where he had made such "blasphemous" statements. However, America had a lot of uninhabited space. A fully segregated colony that Williams set up prospered and grew.

The people of America had another hundred years of living intimately close to Nature before someone could recover enough perception to write the significant words that Thomas Jefferson put into the Declaration of Independence. Those words were the next milestone that marked the re-emergence of individual sovereignty. The Declaration began by reciting that Nature and Nature's God recognized that one people were always entitled to separate themselves from those moving in another direction. Continuing, it proclaimed that just governments are agreements between individuals who are equally sovereign. In the context of the times, that was an *unequivocal abolishment* of all theocracies, along with all kings who claimed to rule "by the grace of God". Having openly declared their position, the signers of this document individually pledged to each other their lives, their fortunes, and their sacred honor in support of concerted action. Then, leaving human words behind, they went on to say what they had to say in the language of Nature and Nature's God.

The Constitution of the United States effectively implements the segregated

culture of individual sovereignty for which the people fought. That Constitution remains the greatest hope of your culture's advocates. It has not yet been destroyed, but it is most certainly trampled into shreds and tatters as your nation has become a functioning dragon outside the Constitution while calling it "legal" and writing unlawful "laws" and enforcing same.

A thousand years under a foreign culture, which proclaimed that the underhanded practices characteristic of mass manipulation were virtues, created confusion in the minds of people. The result was failure to *take action* against practices that would never be tolerated under a fully functioning culture of individual sovereignty. Tolerance for pork barrel politics, and for individual gains by manipulators elected to preserve public welfare, brought discredit on the U.S. Constitution. Many began to say that it was not an effective step taken toward the restoration of individual sovereignty. That was a discredit of the Constitution that was undeserved. What was happening was individual *tolerance* for unscrupulous individual action. The Constitution was still functioning as an implement for the culture of individual sovereignty.

The Constitution was sound but there was still some distance to go before full recovery. Although the U.S. Constitution formally upheld individual sovereignty, no state, exercising the power reserved to the states, fully re-established the original culture that had bred the people. With no fully functioning example to show what can be accomplished by weeding out mass manipulators, *tolerance* of the unscrupulous continued to allow their development. Also a growing number of people, who were bred for mass manipulation and who--surreptitiously, but actively--promoted the culture opposed to that implemented by the Constitution, migrated to, and *falsely* swore allegiance to, the United States. These saboteurs welded the unscrupulous and confused within the Government into a conspiratorial force.

In 1913 the whole U.S. Government and the U.S. people were betrayed and fell into the hands of unseen manipulators.

On December 23, 1913 an action was taken in Congress which showed that

the conspiracy had gained effective power. On that date Congress passed the Federal Reserve Act. This was a violation of Article 1, Section 8 of the U.S. Constitution which gives Congress the prerogative and obligation to determine the value of U.S. money. Article 1, Section 8 is obviously based on the assumption that Congress will determine the value of money by laws that the people can examine. The Federal Reserve Act made it possible for the Federal Reserve Board--not Congress--to determine the value of money by a method that is virtually invisible.

PLEASE PAY CAREFUL ATTENTION AND NOTE THE FOLLOWING: In a world of open commerce, *money is a major instrument of a government's power.* The power is divided into specified units by a piece of paper that can be used by an anonymous bearer. In this form a government's power can be transferred to criminal conspirators or to foreign enemies. The transfer to foreign enemies can be done either by actual transfer of money, or by manipulating the value of the government's money (government's power) in relation to the value of money that is the power of other governments. By passing the Federal Reserve Act, the Congress blindfolded the U.S. people insofar as the value of their own money is concerned, and gave the power to determine the value of U.S. money into the hands of anonymous international bankers. The blindfold has remained tightly in place so that you could not see the stealing of your nation and the treasonists involved.

The control of this very great weapon of U.S. power was delivered into the hands of the conspiracy by *duly elected officials within the Government.* It was the *action* that delivered this weapon of the United States to the conspiracy that was unconstitutional. Duly elected officials exceeded the power delegated to them by the U.S. people.

Whether coined gold, coined silver, a square foot of living space, a daily ration of food as established for the armed services, a bushel of wheat, or something else is used to determine the value of money is not the issue. It is the constitutional obligation of Congress to determine the effective value of U.S. money by legislation that is known to the people. The peo-

ple can then see what is happening and do what needs to be done. If, for example, oil, or certain minerals that are more abundant in other places than in the United States, were made the unit of value for U.S. money by Congress, it would be immediately apparent to the U.S. people that Congress, as a body, had committed an act of treason. Then *the people* would doubtless arrest Congress as a body and try each individual member for treason. The present condition exists only because *the people have been blinded to what is happening.*

The determination of the value of U.S. money in relation to the monies of other nations is a highly significant part of national defense. That determination may even be a more effective weapon than atomic bombs. That determination is now made by conspirators acting in secret. Everyone whose allegiance to the United States is sincere--whose purported allegiance is not the *false front of a saboteur*--will demand that Congress and only Congress determine the value of money by *written laws that can be openly examined.* Note please, that the **Federal Reserve has NEVER EVEN BEEN AUDITED!**

Any current Congress that lets the existing condition continue can only be viewed as a Congress controlled by manipulators foreign to, and enemies of, the United States. Any congressman who consents to allow the condition to continue is consenting to an act of treason.

The 1913 date when the conspiracy first conspicuously revealed the power it had gained over the Constitutional Government is highly significant in view of what has happened since that date.

There is abundant evidence that elected officials of the United States, cooperating with a worldwide conspiracy, maneuvered the American people to take up arms against their Northern European kinsmen in World War I and World War II. But the individual officials who cooperated with the conspiracy are now dead, and condemning the dead is a total waste of all effort. You must be concerned with elected officials who TODAY allow unconstitutional "laws" passed by their predecessors to stand and *be used every day by mortal enemies of everything the Constitution of the United States*

stands for!

Since 1913 enough unconstitutional "laws" have been passed by congressmen elected with the conspiracy's help to fill whole libraries. They set up unlawful income taxes and then set up unlawful law enforcement agencies to enforce them. They have taken all sovereignty from the individual states and from you-the-people. One or two of them, if not brought into correction will pull your nation down if nothing else at all transpired.

Every day of your current lives the presence, the power, and the intent of an enemy in your midst, a group entity opposed to your constitutional government, a group entity committed to mass manipulation, is *conspicuous* in television programs throughout the United States. You do not need to follow a red herring by discussing any of the individual programs. **YOU NEED TO DEMAND CORRECTION OF THE UNCONSTITUTIONAL ACTS BY CONGRESS THAT GIVE FREEDOM OF SPEECH TO SELECTED PERSONS WHILE WITHHOLDING IT FROM OTHERS. YOUR WORKERS, SUCH AS MY PEOPLE, CAN DO MUCH TO CHANGE THE VISIONS THROUGH NEW TELEVISION OUTLETS-- BUT, IF THE FEDERAL COMMUNICATIONS COMMISSION (TOTALLY CONTROLLED BY THE KHAZAR ELITE NEW WORLD ORDER) DOES NOT GIVE US PERMITS AND LICENSE, THE LAW WILL SIMPLY INCARCERATE THE "STATION" PEOPLE AND CLOSE THE OUTLET. YOU THE PEOPLE ARE CONTROLLED IN EVERY ASPECT OF YOUR EXISTENCE--RIGHT INTO YOUR BEDROOMS! YOU HAVE NO FREEDOM AND EVEN THE SHAM COVERS DO NOT HIDE THE TRUTH OF IT! PLEASE, OPEN YOUR EYES!**

Every television program that has ever gone on the air in the United States has always been, and continues to be, unconstitutional. Shocked? Correction of this condition is more difficult now than when obscure "laws" resulted in the Department of Commerce licensing a few small radio stations in the early 1920's. But if the individual sovereignty culture, that the U.S. set out to revitalize, is not to be totally destroyed, the basic operation of radio

and television stations must be made constitutional. *Actions taken by Congress made the operation of all television and radio stations unconstitutional.*

The constitutional provision that "congress shall make no law---abridging the freedom of speech or of the press" specifically limited the power of Congress. When that limit on the power of Congress was made law there was no radio and television. The invention of radio and television obligated Congress to submit for ratification an updated constitutional wording that took cognizance of the new inventions. Such an amendment was required to carry forward the original constitutional purpose as already set forth. Instead of doing this, Congress created unconstitutional bureaus with unconstitutional power to decide what broadcast stations to license, and to withhold license from everyone else! Congress thereby made laws abridging the freedom of speech and of the press. THESE "UNCONSTITUTIONAL LAWS" GAVE THE CONSPIRACY ENOUGH CENSORSHIP POWER TO CONTROL THE CONSTITUTIONAL GOVERNMENT.

THE DE FACTO "GOVERNMENT" BY CONSPIRACY HAS NOW PUSHED ASIDE THE DE JURE CONSTITUTIONAL GOVERNMENT AND TAKEN OVER THE UNITED STATES.

Congressmen elected by the conspiracy controlling the media are under the control of that conspiracy. They do what the conspiracy demands. Constitutional law is bypassed by putting on record unconstitutional "laws". The unconstitutional "laws" are made faster than their constitutionality can be tested. And testing them is made prohibitively expensive. Money--the surreptitious weapon--has been brought into play. The unconstitutional "laws" are enforced by manipulating bureaucracies that give and withhold money taken from the people. The blatant purpose of all this is to buy the most votes for the conspirators. And the power of the conspirators is increased by anyone who buys a few seconds of broadcast time to oppose the conspirators; opposition supports the thing opposed.

The United States has thus become the scene of the most ludicrous--and

most frightening--mass-manipulation game in all history; individuals have become nothing but animated counter-chips for staged elections; unperceptive individuals are manipulated to increase the power of the controlling conspiracy that calls itself "our democratic government", and the corruption now begins as soon as a child can be laid in front of the television screen.

...and yet - -

You, the people of the United States, now have the last and greatest chance that exists anywhere on earth to win the history-old battle against the primitive culture of manipulated masses. If the battle is lost in the United States, and there is nothing left but atomic war, it will probably be much too late to effectively support the culture of individual sovereignty. Too many people have already been bred by, and for, the manipulated masses.

If the battle is lost in the United States, bare individual survival may then depend on everyone playing the primitive game of mass manipulation--and that is exactly what was just proven in this Middle Eastern war. YOU PROVED, AMERICA, BEYOND ALL SHADOW OF DOUBT THAT YOU WILL SUPPORT ANY HEINOUS BEING AND ACTION OF THE CONSPIRACY AND WAVE YOUR FLAG AND RIBBONS AND SOMEHOW BELIEVE YOU ACT IN THE NAME OF GOODNESS AND GOD. MURDER BY ANY NAME IS NOT OF GOD! Any who now see the issue and do nothing while there is yet chance of change--that may not come again for thousands of years if at all--may find the memory of this lost opportunity a heavy burden to drag through all that radio-active rubble.

AND WHY ARE THE COSMIC HOSTS COME?

Because God would not refuse to answer the prayers of his Godly people. YOU HAVE ASKED US TO COME AND GOD HAS NOT ONLY SENT US--HE COMES WITH US! SO BE IT. GOD WOULD NEVER LEAVE HIS CHILDREN IN DESTRUCTION WITHOUT KNOWLEDGE--HE WILL, HOWEVER, NOT INTERFERE WITH YOUR INDIVIDUAL SOVEREIGNTY AND ALLOWANCE FOR ACTION OR NON-ACTION. GOD IS TRUTH AND

THROUGH ACTION IN TRUTH--
YOU MUST SET YOUR COURSE
TO STRAIGHT--OR GO DOWN
WITH THE CRAFT. WE COME IN
SERVICE TO YOU AS DIRECTED
BY GOD CREATOR WHO HAS RE-
SPONDED TO YOUR CRY FOR
HELP--NO MORE AND NO LESS!
DO NOT EXPECT US TO INTER-
FERE AND DO IT FOR YOU FOR
WE SHALL NOT!

YOUR CONSTITUTIONAL GOV- ERNMENT CAN BE RESTORED

But, wow, is there ever a difficulty!

Without bloody revolution there is only one way to restore your constitutional Government. CONGRESS--NO ONE ELSE CAN DO IT--MUST PASS A BILL SEPARATING THE MOUNTAIN OF UNCONSTITUTIONAL "LAWS", THAT ARE TOO NUMEROUS TO BE TESTED IN BOGGED DOWN COURTS, FROM THE REAL LAWS THE CONGRESS HAD THE CONSTITUTIONAL AUTHORITY TO ENACT. Without upsetting the day to day function of the bureaus that now exist in mind-numbing profusion, until they can be considered individually, this can be done with one vote on one bill. The precise action required is spelled out in detail, with proposed workings, in *Man's Relation to Government* bound with *The Six Disciplines of Man's Being* by Melvin Gorham, in *Word Controlled Humans* by John Harland, and in *How to Deal with the Force Underlying Mass Warfare*, which is the openly published strategy of the Individual Sovereignty Society for restoring Constitutional Government.

The difficulty is that the enemy who controls the value of U.S. money also controls the media. And the media intimidates--and virtually controls--Congress.

Despite the fact that there is no alternative other than bloody revolution, *Congress will not act unless a mandate comes from the people.* Ah ha, and it goes both directions--as mandates come from You-the-People that further your enslavement rather than reduce the bindings.

Since money is the fuel that supplies the dragon with energy and control, you-the-people must simply stop supplying fuel and then the system of control and manipulation will have to

show its treacherous face for that which it is. You do not function on "money", you function on "credit" through the beast itself. Stop feeding Congress with your tax robbings and refuse to cooperate in anything unlawful through your Constitution and they will depart Washington like the swarm of bees when the honey and pollen is removed.

If, however, you wait until you have demanded they disarm you--it is over, for that is the only thing which slows them at all--your ability to rise against them. Remove your ability to defend selves and kiss freedom good-by and enjoy the tyranny of the Khazar Conspirators for you will have only the time of the death march to ponder it.

Those who have unconstitutional control of the media, will, of course, resist the restoration of your Constitutional Government with all the tricks they have learned over the last sixty years. They already outshout, actively derogate, and impose full censorship on all who oppose them. The conspiracy of mass manipulators imposes full censorship on every United States citizen, on the U.S. Congress, and on the President of the United States. Don't expect the lawyers and judges to be on your side, either--for they have had generations of training at the hands of the conspirators. Even with the legal case involving my scribe, the lawyers suggest settling ON THE TERMS OF THE RTC AND THE S & L JUST TO STOP THE ACTIONS. Well, my people are weary and battered and it is hard to go on. One honorable judge has stepped down from the bench because he is biased in favor of my people--I honor him for the effort is to bring JUSTICE BACK WITHIN THE COURT. How will it turn out? It depends upon how much you ones are willing to back truth and justice!

The President is the only *individual* who has the constitutional power for effective action to correct this condition, and I beg you to look at your President and check out his actions--he tells you right off that HE IS OUT TO PRODUCE A NEW WORLD ORDER UNDER THE CONSPIRATOR'S CONTROL IF HE HAS TO KILL OFF THE WHOLE LOT OF YOU CITIZENS. In order to fulfill his oath to defend the Constitution (which Bush stated right on the tampered Bible in front of the television cameras), the

President is obligated to take *immediate emergency control* over radio and TV until an amendment, restoring freedom of speech, abolishes the unconstitutional censorship now blatantly practiced by the conspiracy of mass manipulators. *Well, Mr. Bush took emergency control and look what happened. YOU BEGIN TO GET ONLY MORE HIGHLY CENSORED VIEWING WHILE THE WAR OF NERVES AND TV WERE PLAYED AT DEADLY LEVELS. I'M SORRY AMERICA, YOU HAD BETTER GET BEHIND GONZALES OF TEXAS AND IMPEACH THE TRAITOR YOU PUT INTO OFFICE BEFORE THE PRISON IS SET AND YOUR DESTRUCTION A THING OF MEMORIES.*

THE CONSPIRACY OF MASS MANIPULATORS IMPOSES FULL CENSORSHIP ON EVERY U.S. CITIZEN, ON THE U.S. CONGRESS, ALL AT THE HANDS, THIS TIME, OF THE PRESIDENT HIMSELF.

If not stopped, the conspirators will soon have enough power to replace your present Constitution with one of their own which is already printed and ready--we have presented it to you along with all background regarding redistribution of the states, etc. The conspiracy's constitution will implement FULL DESTRUCTION OF THE INDIVIDUAL SOVEREIGNTY. The stranglehold has existed with increasing force by leaps and bounds until, at present, you no longer function as under the true Constitution at all. Time for breaking this movement is fast running out.

URGENCY FOR ACTION-- TOO GREAT TO EXPRESS

Do not underestimate your enemy. If you are to change this thing you must act appropriately--banner waving will not do it.

The present day media--already under full control of the enemy--is the most effective tool for manipulating masses that ever existed. Within the U.S., the media now makes a shameful farce of truth. THE ENEMY CANNOT BE DEFEATED BY VOTING.

HOWEVER THE ENEMY CAN STILL BE DEFEATED--AS LONG AS THE EXISTING CONSTITUTION REMAINS THE SUPREME LAW OF THE LAND.

FORTUNATELY, NO PUBLIC VOTE IS NEEDED TO RESTORE CONSTITUTIONAL GOVERNMENT IN THE UNITED STATES. THE NECESSARY LAW IS ALREADY IN THE CONSTITUTION. THE MEDIA CAN BE BYPASSED.

THE THING REQUIRED IS REMOVAL OF UNCONSTITUTIONAL "LAWS" AND THIS REQUIRES NO PUBLIC VOTE. THE UNCONSTITUTIONAL "LAWS" WERE PLACED ON THE RECORD BY CONGRESS--NOT BY THE PEOPLE.

PAST CONGRESSES ACTING AS A BODY PUT THE UNCONSTITUTIONAL "LAWS" ON THE RECORD--AND ONLY A PRESENT CONGRESS ACTING AS A BODY CAN REMOVE THEM.

The conspiracy cannot be confronted because it is hidden. But the conspiracy-controlled Congress can be confronted. You must not delay action while hugging some dream of voting for better congressmen. You must deal with the existing Congress. There are 100 members of the Senate and 435 members of the House of Representatives. All are well-known by name and appearance. It is these 535 well-known flesh and blood persons who allow the unconstitutional "laws" passed by previous Congresses to remain on record and be enforced by confused law enforcement agents. You, the people, need to deal ONLY with these 535 well-known flesh and blood individuals.

A few of these ARE ACTUAL ENEMIES OF THE U.S. CONSTITUTION AND WILL, IN FACT, STAND SQUARELY ON THE FOUNDATION OF SUCH THINGS AS "ISRAEL FIRST"--THIS IDENTIFIES THE ENEMY. THERE ARE OTHER IDENTIFICATION MEASURES BUT THAT ONE IS A GOOD START FOR IT IS THE KHAZAR ELITE CONSPIRATORS WHO ARE BEHIND THE FULL ACTION. However, a substantial majority will doubtless show themselves to be good Americans when the chips are down for they, too, are "we-the-people" and they have been worse manipulated than have you. They do nothing now because they are knowledgeable, pragmatic politicians. They were elected with media help and they

know the power of the media. They know it would be useless to oppose--by unsupported individual action--the enemy that has the media under tight control. They know they would face a media smear as individuals, be removed from office, and possibly be replaced by someone who was an actual enemy of the present Constitution.

The enemy has control of the media but Congress can be shown that real flesh and blood people are more powerful than shadows on TV screens. The undercover manipulators control printed words and shadows on TV screens--and publicly demonstrate for piecemeal causes--but they do not yet have enough power to face the BIG ISSUE OF CONSTITUTIONAL GOVERNMENT. IT IS NOW VERY CLOSE TO BEING THAT POWERFUL FOR YOU WERE TESTED, AND FLUNKED, IN THIS MIDDLE EAST/IRAQ FIASCO OF BULLDOZING INSANITY--AND YOU BIT THE HOOK, SWALLOWED THE SINKER AND ARE NOW STRANGLED ON THE POISON BAIT WITHIN THE FISH YOU "THINK" YOU CAUGHT! DO YOU ACTUALLY THINK YOUR GOVERNMENT GIVES A DAMN ABOUT THE KURDS? NO, THEY WILL GIVE MORE OF YOUR MONEY AWAY MAKING A FARCE OF FEEDING THE HUNGRY AND CLOTHING THE FREEZING. THEY ARE SHOWING YOU EXACTLY WHAT THEY ARE DOING AND LAUGHING AT YOU--THE-PEOPLE WHILE THEY SERVE IT UPON YOU!!!! AND YOU BOW AND ALLOW IT WHILE YELLING "HAIL BUSH". YOU ARE ACTUALLY PUSHING YOUR OWN FREEDOM AWAY, DEMANDING ENSLAVEMENT BY KISSINGER, THE PRESIDENTIAL TRAITORS OF ONES SUCH AS SCOWCROFT, EAGLEBERGER AND THE CFR, TRILATERAL COMMISSION, SKULL AND BONES SOCIETY, CLUB OF ROME AND THE OVERALL MANAGEMENT OF THE KHAZAR ELITE CONSPIRATORS OF THE NEW WORLD ORDER--GLOBAL PLAN 2000/ONE WORLD GOVERNMENT--RUN BY THOSE SAME CONSPIRATORS WITH POLICE FORCE INTACT AT YOUR EXPENSE TO KEEP YOU ENSLAVED.

If you as a nation and people act immediately, they are not ready to face

the flesh and blood reality--quite yet. Don't be fooled--there are plenty of you who want action and to stop this thing--it only APPEARS you are outnumbered--there are well less than 3% of your population who are the controllers. They make sure, constantly, that you know not otherwise.

Friends, there are millions of students of high schools and college campuses who don't like what they see happening in the U.S. and they ARE your future. There are millions of "blue collar" workers who don't like what they see happening in the U.S. There are millions in all fields who have been watching Jerry Falwell-type shows who publicly announce they are neither for Nature's God nor for you-the-people--they announce openly over and over that they are "proud to say they are 'ZIONISTS'" with full meaning of first support to the so-called Israel and New World Order. They say it right to you on the controlled media and you bow and hallelujah, shout "praise the Lord" (not realizing it is THE lord of darkness), send your cards, letters and millions in contribution dollars--and await "their" projected RAPTURE! YOU EVEN MISS THE TWO-BY-FOUR ACROSS THE HEAD, YOU ARE SO DEEPLY ANESTHETIZED.

This type of "preaching" and misguidance is called "Judaean-Christianity", two totally and mutually exclusive, diabolically opposing terms. All are not misled by the BS and blatant lies and don't like what they see happening in the U.S. There are millions of REAL Christ-oriented people of ALL FAITHS AND NON-FAITHS, SO-CALLED PAGANS OF NATURE'S GOD FORCES AND SO ON, WHO DO NOT LIKE WHAT THEY SEE HAPPENING TO THEMSELVES AND THE UNITED STATES.

Some groups, that stand watching the enemy constantly extending its beachhead without opposition, are already preparing for the time when the enemy feels strong enough to violate the second amendment and TAKE AWAY THE RIGHT OF AMERICANS TO DEFEND THEIR LAST REMAINING VESTIGE OF FREEDOM. SELF-DEFENSE IS ALWAYS JUSTIFIED, BUT IT IS FOOLISH TO WAIT FOR THE ENEMY TO CHOOSE THE TIME AND PLACE FOR BATTLE.

The strategy of the Individual

Sovereignty Society (ISS) is to ACT NOW--while *peaceful action* is still in any way possible. The *existing* Constitution proclaims "the right of the people peaceably to assemble, and to petition the government for redress of grievances". The single, all encompassing, petition of the ISS has already been published. All that is left is for the flesh and blood petitioners, and all who agree with them, to assemble and *demand* that the stated action be taken by 535 flesh and blood members of Congress. The ISS is just one of the larger groups united to DO SOMETHING. It is presently sponsored most effectively by a group recognized as the Valorian Society, the American Christian Church, and the PERCEPTIVE Baptist Church. It is rapidly increasing in membership and getting additional sponsors. It is readying a peaceable assembly -- again -- of flesh and blood people for a face to face meeting with the 535 flesh and blood people who are in a position to take effective actions.

The group would, under the Constitution, be a group of non-manipulated mass. They would be acting as sovereign individuals who know exactly what they want, why they want it, how badly they want it, and how to get it. But they must be supported and energy of presence poured in. The intent of the conspiracy is to strip you of funds, ability to travel and congregate, and divide and keep you conquered.

How many of you realize that there is a present thrust to do away with all private aircraft? There is already a cessation of all manufacture of new private small craft. Why do you think there is this new thing of crashing planes with notables aboard? They will soon shut down all flights of private aircraft of non-Elite to PROVE they are dangerous and the government is "protecting" you-the-people. If you are isolated from one another and the media is completely controlled and the phones continue to terminate in tapped computers as is Dharma's--you are trapped into segments unable to reach out to one another. It is all but finished, brothers--not just a distant "dream" of some sort.

Well, how do you get in touch with this ISS? Through a press called "SOVEREIGN PRESS" located, if not changed, at 326 Harris Rd., Rochester, Washington 98579. And then, there is the Liberty Lobby as already given

unto you--these places can give you information as to who and where to make contact. Don't try to re-invent the wheel--join with those already using the wheel effectively.

This group in my joint service, through America West are in the process of beginning to join with other seminar groups and patriots and also set up group meetings about the country. A seminar organizer of great talent moved to this area day before yesterday and until settled I shall refrain from sharing information further than that. But know that our people are moving into action--and brothers, when God decides to move into action--watch the feathers begin to fly from the buzzards and chickens who have cornered the coops. The Eagle and the Phoenix take back seat to NO ONE OR NO THING! The THUNDERBIRD TRIBES, alone, could pull it off if they would but pull as a unit--but so much better if you join hands and form a solid wall of strength and stand tall and unbending. You do not have to "fight", all you must do is stand unified for TRUTH and you cannot be stopped. But you must form the "army" in service to Holy God lest ye only replace the vile with that which is even more vile. Do not settle for war between ones in the same manipulative culture--DEMAND A RETURN TO THE SOVEREIGN RIGHTS OF INDIVIDUALS UNDER GOD-CULTURE. YOU ACHIEVE SUCCESS THROUGH OPEN TRUTH AND NOT THROUGH DECEIT. YOU UNCOVER THE DECEIT OF THE ADVERSARIES AND GREED AND CRIMINAL ACTIONS OF YOUR ELECTED LEADERS AND YOU COMMAND AND DEMAND RETURN UNTO YOUR CONSTITUTIONAL LAW!

This means that you straighten your backbones and stop sending your voluntary contributions to evil. Hold that which is rightfully yours--in your control for there are now millions who will stand with you. It is the time of the year for the boom to fall and the media fear projections regarding income taxes--HOLD YOUR MONEY AND STOP PLAYING INTO THE UNCONSTITUTIONAL CRIMINAL ROBBERY FORCED UPON YOU WHO ARE NOT EVEN ELIGIBLE FOR THE CONFOUNDED RULES AND POLICE FORCE. GET INFORMED, IF NOTHING ELSE--STUDY THE JOURNALS AND

THEN STOP FEEDING THE BEAST. IT IS NOT A "WAR"; IT IS PASSIVE REFUSAL TO CONTINUE THE LIE. DO SOMETHING WORTHY OF BEING CALLED GREAT AND GODLY--STEP BY STEP WE WIN THE BATTLE AND THEN THE WAR AND THEN FREEDOM AND JUSTICE THROUGH TRUTH--BUT YOU MUST STEP OUT AND MAKE THAT FIRST STEP. HOLD FORTH THINE HAND AND PLACE IT IN MINE AND I SHALL HOLD UNTO THE HAND OF GOD AND TRUTH AND TOGETHER WE SHALL WALK THAT JOURNEY, BROTHERS. THIS IS THE UNFALTERING PROMISE OF GOD OF CREATION--YOU HAVE ASKED HIM FOR HELP, HE HAS SENT US OF THE HOSTS FROM THE COSMOS AND WE AWAIT INVITATION FOR SERVICE.

I await your reply,

COUNTERFEIT BLESSINGS
THE ANTI-CHRIST BY, ANY
NAME: *KHAZARS*

"....AND THEY WERE LIARS
FROM THE BEGINNING!"

By Gyeorgos Ceres Hatonn

In this book Hatonn brings us up to the minute on world events, but more importantly he gives us the **TRUE** history of the diabolical masterminds that have led the world into all of its major problems and most of its minor problems, for their own selfish and greedy aims.

We are also given the actions we **MUST** take if we are going to stop these well-organized groups from putting together the final pieces of their WORLD WITHOUT FREEDOM (the NEW WORLD ORDER).

Hatonn especially stresses the history of the **Khazars**, Judeans and the Jews and how the **Khazars** have labeled themselves as Zionists and Jews to deceive our planet and to take total control of it in the **NAME OF THE ANTI-CHRIST**, and how knowing and exposing these forces can preserve freedom for all of mankind.

THE BITTER COMMUNION AL-
TARS OF HEMLOCK
"....AND A NEW RELIGION
SHALL SWEEP ACROSS THE
LANDS AND THE PEOPLE WILL
BE DECEIVED...."

HATONN:

The subject of this Journal is an ongoing outlaying of that which has come upon you--it is our "commission" given forth by God Creator and our commitment unto Him and that unto Creation to set the records to straight so that the truth is known in the final days. But oh, blessed brothers--it needs not be the "final days" for that is the BIGGEST LIE OF ALL AGAINST YOU DECEIVED ONES OF INNOCENCE--YE WHO HAVE TRIED TO FOLLOW THAT WHICH YOU PERCEIVED AND ACCEPTED AS TRUTH FROM YOUR TEACHERS AND LEADERS--HOW COULD YOU KNOW THAT THEY WERE DISINFORMED FROM EVIL SOURCES? MAY GOD GIVE HELP TO ALLOW YOUR VISION TO CLEAR THAT WE MIGHT WALK TOGETHER IN TURNING ABOUT THIS BEAST AND CLEAR IT FROM THE LANDS. AHO!

ATON:

...AND YE HAVE GIVEN HEM-LOCK UNTO MY CHILDREN IN THINE COMMUNION CUPS--IN MY NAME HAVE YE CORRUPTED THE LAWS OF GOD. AND IN THAT CORRUPTION SHALL YE BE GIVEN TO KNOW THAT WHICH YE HAVE DONE FOR YE HAVE DEFILED MY NAME AND SHED BLOOD OF THE INNOCENT UPON MY PATH OF GODNESS AND THEN YE ASK GOD TO ALLOW YOU TO PREVAIL. YE HAVE STOLEN THE CHALICE OF GOD AND FILLED IT WITH THE BITTER POISON AND GIVEN IT UNTO MY CREATIONS--AND THIS YE HAVE DONE IN MY NAME. GREAT SORROW SHALL PREVAIL

UPON THE LANDS IN THE FINAL DAYS OF THE CLEANSING.

**WHO WILL COME WITH ME?
WHO WILL WALK WITH ME?
WHO WILL SHARE OF THE
SWEET COMMUNION WITH ME?
YOU WHO HAVE PATIENTLY
OBEYED THE LAWS OF GOD DE-
SPITE THE PERSECUTION,
THEREFORE WILL YOU BE PRO-
TECTED BY ME, FROM THE TIME
OF GREAT TRIBULATION AND
TEMPTATION, WHICH WILL
COME UPON THE WORLD TO
TEST EVERYONE ALIVE. LOOK, I
AM COMING, SO YE OF LIGHTED
TRUTH HOLD TIGHTLY TO THE
LITTLE STRENGTH YOU HAVE--
SO THAT NO ONE WILL TAKE
AWAY YOUR CROWN.**

PRINCIPLES OF CONSTITU- TIONAL MONEY

ARTICLE 1 SECT.10: "No State shall

Payment of Debts."

ARTICLE 1 SECT. 10: "The Congress

Our Forefathers intended Money to be
gold and silver Coin **INSTEAD OF
PAPER** because paper is inherently
disastrous, easily printed and issued
