4/29/91 #1 HATONN
MONDAY

Hatonn present in service unto Holy God and unto HIS people. May you come into renewal that you might see! Ah, chelas, 'tis a sad world you have hidden behind the facade of "God's natural disasters". Do not disappoint me by asking about possibilities of the natural occurrences being no accidents. It is purely "tit-for-tat" but at some point it will be the destructions of millions of beings. Do not longer sit in your stupors thinking it "simply not possible"--it IS possible and totally controlled right from your government henchmen--on both sides of the oceans. It would seem that tornados in Kansas, USA, and strong earthquakes in Georgia/Armenia, USSR are not possible? ~~You have made Russia~~ weak economically in matters non-military but not in military capability and space technology. They have weakened you by spreading your troops all over the globe and the warnings keep coming and your government keeps playing roulette with your lives. All of these major upheavals come as you continue to effort to launch your toys in space and remember--we are not allowed to longer stabilize the fault zones--since March of '88, except in very special circumstances. We must get back to history so that you can see how

this game unfolded to this point and understand the lies.

KURDS

How can you still swallow the garbage that is fed unto you through your media? Even I am appalled and become irritated with your ability to accept ANYTHING. You are told that this massive relief effort to house and feed the Kurds is somehow because Saddam will not--well, YOU pushed them into the mountains through your idiocy and Saddam Hussein couldn't care less. You got them into the mess--now YOU get them out of it. These are basically tribal nomads who inhabit great portions of the area of northern Iraq, northwestern Iran, southeastern Turkey and southern Armenia and Azerbaijan--(do you see what I say? I repeat, *southern Armenia/bits of Georgia!!!*)

You keep hearing that the U.S. remains involved in relief to protect the Kurds from the Iraqis--that is the most absurd thing you have swallowed to date--why would Saddam object to you ones paying for and building shelters for those people? It is nothing but a big fat problem to him at any rate you cut the pie. He is not about to allow his troops to interfere with your efforts for it means he doesn't have to! Please, people--

--use your God-gifted minds. The U.S. has to have some excuse to remain on duty in the area--nothing more. Further, if you think the Iraqi people now HATE Hussein--think again--those were not "staged" demonstrations in honor of his birthday yesterday. His people love him for he intends to keep their nation a "SOVEREIGN" nation just as long as he can stand against the cartel of Bankers and Global One Worlders. Please "think" and you won't have to ask me about the daily news.

THERE IS TECHNOLOGY THAT WAS BEGUN DECADES AGO AND HAS NOW COME INTO RELATIVELY EXCEPTIONAL WORKABILITY. EVERYTHING FROM BEAM PULSE SYSTEMS TO GENE SPLICING/REPLICATION METHODS.

ARTIFICIAL LIFE FORMS

As I speak, I am left without the proper word in your language to describe what I actually mean--counterfeit would be a better choice of words than is artificial. But even that is not totally correct. It is that man cannot make a totally artificial life-form but rather tampers and rearranges "life-patterns" to start the combination of replicas into reproduction and "nature" does the rest, for the most part.

It is known that it requires approximately three generations to change a group of people into different concepts of beliefs--it also requires, in some instances, the discarding of about a third of the population (especially the leadership) of a nation to enslave same. You have had both things occur in most parts of your world--now it is your turn.

To start over-taking a planet, or just the population of a nation, you must first bring the lesser strong people under control--that would represent the Third World nations in this instance--render them economically devastated and disease-ridden along with devastation of natural patterns which cause the very life-systems to depend on the strong for survival in any case. The thrust for experimentation towards research can then be carried on in mass numbers without anyone suspecting for a long period of time, i.e. introduce AIDS into Africa through a cover of inoculation against small-pox. This worked extremely well for there were Brazilians and other nationalities present in Africa at the time, which insured carriers to the Western Hemisphere. Then introduction within the less desirable populations who were known in advance would spread the disease through common activities bred and then brainwashed into the society--i.e., homosexual community and drug-addicted "users" or both. It was KNOWN that the disease would spread according to the patterns introduced into the behavior patterns of the given society.

First, however, the plan has to be in operation for a long period of years for, to gain control, the family life must be broken down and ultimately destroyed, then addictions must be introduced with availability of substance to

allow for use enough to gain addictions (with substances which will act and addict quickly) then slowly the powerful chemical firms who press "medicines" off on the public must be brought into the fold for dealing total dependency on substances for healing and or - -. Then the judicial system must be corrupted so that the mavericks who see what is happening cannot act and are, in fact, incarcerated and removed from among the people--but how do you do all this?

It is done through massive planning for centuries of never losing the goal of domination and I remind you that the adversary of God never for one moment loses his direction nor his goal of total domination of the physical plane of experience.

UFO's--TRUTH OF ACTION AND BUNK

I hope you harken back to the beginning of these writings when we were blasted by ones for plagiarism and then pulled the rug out of the truth of the conclusions they drew. The stories were simply outrageous with bits of truth, incorrect conclusions drawn from findings of research and deliberate governmental cover-ups and disinformation. If you think that I am now, in this writing, going to take each "landing" or "crash" or, or, or and give you sordid details--forget it, for I have neither the inclination nor the time to do so. As incidents come into timely unfoldment I shall use some as examples, but just as example--some Koldasians spend research and study time (mostly in Africa) in an interplanetary study program. These ones are totally accepted within the communities around their camps. Aliens also spend much time in Peru where, likewise, they are totally accepted.

It is only your ELITE who cause such a fuss and miscarriage of Truth.

Next, I have continually said that at this time you have nothing--NOTHING--to fear from any little gray beings from space. That does not mean that at one time space aliens did not come within your earth limits and integrate into the working system of your ELITE would-be Kings.

I AM going to tell you that they first made contact and began functioning and setting up "take-over" plans with the group we have recognized as the Khazars. These ones were already from the "outer" planetary experience and were on your planet for many numbers of reasons--mostly pure evil intent of take-over of a nice, pretty planet.

America, as a matter of fact, would have been left intact if anyone had noted what was taking place in Europe but you were infiltrated with the greedy Bankers who started the wars, financed the wars and "won" the wars. This gave opportunity to further integrate into the systems and gain control bit by substantial bit. The aliens integrated into the adversary community and began to work in earnest to accomplish take-over.

These are no longer "space" aliens--they are land-locked beings who have perfected very dastardly methods of take-over, terror, replication and most inhumane behaviors. They are no longer allowed to pass outside your galaxy limits for your planet is surrounded with a full shield of brethren from the cosmos to prevent their re-entry into what we will simply refer to as "space".

There are still many participants

who do not come forth from Pleiades and do participate in different aspects of gaining working knowledge of how, for instance, to get you off the planet if whole-life form. A lot of these "little aliens" come from Reticulum, Zeta I and Zeta II. They will work from shuttle-type craft of varying sizes but mostly quite small and extremely portable. There are also a lot of robotic replicas usually headed by a "full" being which will make contact to prevent terror or discomfort, if encountered. These ones are those which are often described but are also more often given credit for being totally kind, and "pure love". These are also the ones that, if caught, are instantly destroyed by your governments.

Contacts are already on your placement which, through agreement, work with these ones for contact, study, follow-on, follow-up, etc. Most are birthed through birth canal entry so that all facets of the process can be researched in order to maintain life of physical in transport to the maximum extent possible.

There are other beings who are either already on your place in isolated bases and/or are "along for the ride", so to speak. It is a most interesting time when a planet makes evolutionary or transitional changes so you would, if you could, find ones from far, far reaches of the universe who come of pure interest but will participate in lift-off if that becomes necessary. They will not so much as touch a hair on a human's head unless invited to do so. They do not snatch bodies but if asked to "be allowed to come aboard" might very well honor the request and you, dear ones, will often get quite a ride. If confronted and the human does not wish participation--simply declare in

the name of God to stand away and they will not even approach--laws are honored in the universe and cosmos. The consequences of breaking any cosmic law through transgression is indeed swift and remarkably devastating to the perpetrator. You do not have "enemies" at a time of planetary transition. The hoodlums are planet-bound (earth-bound) and, although there is limited space capability as YOU might interpret it, it is nothing as recognized by "space" travelers. In other words, you are isolated and ingress and egress is totally controlled by higher command. Physical evil is not allowed back into the cosmos.

But evil is manifest on the planet--it was the first human life-form to make manifestation on the planet. A garden for survival of the physical-bound evil energy was provided and an opportunity to grow into the higher dimensions of creative energy given unto the beings imprisoned on the orb. You will note that instructions of the "Lighted" God were pronounced according to the Laws of God and The Creation and the beings immediately broke them and continued their evil occupations. Then through the evolutions of planetary changes and periods of discipline which would allow realignment with God--the element of evil prevailed after every change. Then through the changes evolved the old world and new world--according to your memory books and oral teachings. Man was always given a chance to heal and mend and change of his projections in order to regain ability and direction to again be allowed into higher experience. Over and over man has had to basically "start over" on your planet. Many evolve into higher knowledge and move onward toward Godness and establish at every

dimensional level of evolution in order to grow into higher knowledge.

These ones in transition, such as some of your scientists as you would historically recognize them--are at stand-by to assist in putting the technology together as needed for restoration and experience in the new evolution during sorting and separation. Then there will be beings who will remain on the old places (replaced onto the surface or salvaged from peaks, etc) who will rekindle new life experience as it is placed on the orb which is in healing cycle--if man is not successful in his attempts to totally destroy the orb itself and there remains capability of sustaining life forms.

Now please, you ones who espouse "illusion" and "rapture", spare me--for you may practice anything that you choose but Truth is going to be presented and I have no intention to argue nor, for that matter, even debate the issue. I am come as a Host and Truthbringer and I am exceptionally qualified for that task and I shall do it to the best of my ability which is quite sufficient. You can waste your time if you choose, in trying to find credit or discredit for one Hatonn, but I remind you that I am sent from the very 'halls of Aton, as God of Central Life was known right through your Egyptian times and the entity recognized by all other cultures, even though language caused different naming. My purpose is to outlay Truth--whether or not you accept it or believe it has nothing to do with me and is not my business--but I certainly suggest you give ear to messages lest you perish in the misinformation's aftermath.

I tell you now that the adversary in evil is out to destroy your physical beings in time to

capture your sweet little souls for longer experience in his game and if you lose your physical form while still in his clutches, your journey will take you to places of equal or worse confusion, separation from God of Creation and ongoing experience of forgotten spirals toward the dark apex. That is your choice and none shall interfere but I do suggest that you look at the possibilities most carefully.

CONTACTS

There have been continual contacts from the beginning of the experience on the planet with the "wardens", if you will, from the cosmos and growing children in "rehabilitation" and those coming into knowledge were given care and guidance. Teachers were sent at all levels of experience--mostly only to be killed or lost to the masses. This could be allowed for the growth process is given a very long cycle and myriads of experiences. Then, however, comes within the physical manifestation--damages which cannot be overcome and through the mere "natural" evolution in the physical state--recovery is mandatory and restoration and reclamation is necessary. Then, as with all life-forms, higher evolution of the experiencing fragment acquires their own state of evolvment--a planet being a fully capable life-form in itself ceases being a simple life "sustaining" "craft" and makes its own transition into higher dimensional life-form at which point the parasites are cast off and that which remains is placed into recovery whilst the New continues into higher evolvment. This does not mean that the earth becomes the human--how dare you be so smug as a human species--it means that this incredible, balanced, totally perfected plane-

tary system evolves into higher frequency and becomes higher pivot and placement within the higher order of Universal Creation. She evolves literally into one of the mansions of God's perfection for his higher beings to have continuing placement--most of you in the service of God shall experience there in the radiance for a period of your own choosing wherein the evil pressures shall simply not exist. It is the most wondrously glorious of all so-called physical experiences for it comes in total balance within love and Godness wherein all the challenges are for pure growth and development of higher consciousness in the exploration of the universe physical and recognition and participation in technologies, honing of full realization of the individual consciousness beyond the planet-bound species.

Those ones who have been sent to your place as guides (crew) to assist and offer the physical manifestation shall be allowed to choose of placement for the "teachers" have come again from the highest dimensions to serve at this time and do not need the interim growth period. But many are already guides in that which, as physical, you consider your spiritual guides, etc. If those guides have gotten you to higher placement then they, too, are qualified to move higher in their own journey through the "grades" to serve ever higher in cause. As you get higher and higher in the dimensional levels of growth you will find fewer and fewer recognizable separation of beings, as fragments of energy become more and more the "whole", as aspects of individuality meld within the ONENESS--as focus becomes integrated.

This is why Truth can set you as a species--free. As you cease

giving nurturing, focus and intent unto the beast, he cannot sustain himself for all he has to utilize is that which is already manifest into the physical. As you withdraw and turn unto Godness, his total infrastructure is torn into shambles for he has not spiritual fuel from which to draw life. Evil can only feed on evil--goodness gives him terrible indigestion and he cannot thrive in the midst of goodness. If you locate, isolate and remove his source of life sustenance--evil simply begins to devour its own and finally kills of self as the armies of Godness turn away from his troops. And remember--his only tools are human! Only HUMAN has ability to choose evil or good--and worse, what you consider to be many--is actually only a few holding out the temptations with which to increase. His troops are mostly of brainwashed beings, robotics and synthetics having been cleverly placed to pull humanity into the pits of helplessness.

MURDER

I have been asked by ones as to whether or not it is murder to slay a robotoid or synthetic. Of course it is, for the one in point is the one who commits the murder--not the murdered. If you kill, and it be a robotoid but you are not given to usually know who is and who is not--then in thine own heart you have committed murder and "thou shalt not kill!" You need not kill those ones you see whom you perceive to be in power and know that they are robotoids, for instance, for obviously they are NOT your enemy--they are but the tools and you know not who pulls the puppet strings--so you have only damaged your cause and you cannot know the next replacement--it is better to deal with that which you can recognize.

As failure comes from the puppets in leadership roles, the adversary will remove them and render them useless--either through simply removing them or placing them in totally ineffectual circumstances--as with Ronald Reagan who is never consulted longer and now the discounting of even his wife is underway. Nixon is another who is totally worthless to them and yet occasionally is used as an imbecile "tool" to sway his old followers. It was obvious the intent was to destroy Nixon at Watergate time. Ford and Carter are kept around for they were useful and remain from time to time somewhat useful in diplomatic circles--they are replacements at any rate and we won't go into that now. I would ask you to pay attention--how do you know who is and who is not--on the adversary's side?

You begin by getting a copy of the listings of members in the Trilateral Commission, Council on Foreign Relations, Skull and Bones, Club of Rome, Bilderburgers, etc. Perspective tools are on the listings, especially the CFR. You will, for instance note that Tom Bradley of Los Angeles is a member as is Jesse Jackson--but Nixon is not a member and neither is Reagan. The "lead dog" may not show as a member and as ones get public discredit they are usually conveniently removed from membership until the ruckus is over--just watch and see and if you can, get listings of past members no longer alive or active and compare. You will find that all of the Administration Advisors are either CFR or Trilateral Commission members or both. Some are brought in through long-standing membership in exclusive clubs such as Skull and Bones. Quayle, for instance, is the son of a very important Bush connection. You will find that you are to-

tally--100 percent--controlled by ones who are members of these very select groups or in full connections with ones who are members. The CFR is U.S. membership and every major player nation has their own equivalent club and then higher control runs through the Trilateralists, etc., which is international. Always revolving around that which is the Illuminati and the epitome of that which was started as the club of the evil puppet-master. Through the years the game and names will change but NEVER THE FOCUS OF INTENT--the laws/rules are given forth right from the original foundation of that which evolved into the Zionist Protocols, Satanic Bible Code of actions, etc. All in direct opposition to that which was given as law from God unto his people.

It has required generation after generation of growth to come to the point in perception and technology whereby evil could gain foothold in such a way as to have total control but you are right at the threshold, brothers of Earth. The actions are already underway--the rules are all that is left to the actual changing--in other words, the printed Laws must be structured so that none can oppose them in any manner--that is called your Constitution. Actions are already "as if" it is changed. All that is left is to disarm you and this phase will be finished.

HOW DID IT HAPPEN AND WHAT WAS "SPACE" CONNECTION?

Guidance has always been present from the Master-deceiver himself--from onset of planetary life-form for the first beings were the outcasts from the "heavenly realms" (the functioning cosmic places). Prior to Earth, for instance, that place

you call Mars was a totally warring planet and finally it was destroyed to the extent that life could no longer exist on the planet so you were moved onto Earth. Take a look at the planets in your system--one after another show river beds and other manifestations of once having life capability. Technology either exists to such extent wherein the population can evolve into higher dimensions or placement is given on other orbs for the evolving life-forms. Always it depends on HUMAN forms of one type or another (indicated by definition as a "thinking/reasoning" being). Man did not evolve as taught in evolution nor is Man from the ape species--God created Man as his highest creation--AS MAN. If man was required by his own foolishness to return to the level of a primitive, stupid cave-man variety of life evolution--it was his own failure to understand, practice and sustain within the Laws of God and The Creation.

Do brothers from the Cosmos have to come and help you? NO! But, in every instance, there will be higher evolved brothers from the same "races" in other placements and higher experience who will effort to further their own evolvment through the act of service unto the lesser sleeping/unknowing youngsters in growth. To limit God and evolution of Creation Mother is a sad mistake for God is totally without limits and all things, beings and energy forms have balanced placement within the Creation of which God is a major component--with differing beings from various centers, galaxies and commands. It takes a very long "time" in sequence attainment into and within perfection and to become one (Sananda) within the Godness is quite an accomplishment requiring much experience, most of which is awfully

unpleasant for it requires working within the groups of lesser evolved beings who rape, ravage, pillage and plunder with all manner of heinous inventions to accompany the above activities.

The purpose of the heinous destruction of the human being housing a great and Christed teacher is to cause the energy forms of God to remain away from the physical place claimed by the adversary. After a body has experienced crucifixion, dismemberment, burning alive and a few other dandy extinctions--there is no great desire on the part of a higher being to experience again among the beasts of physical plane for you are a most unpleasant neighbor. Just as you might say, "How did I ever get stuck with this job?" so a Christed teacher such as Emmanuel "Jesus" might say, "How did I ever get stuck gaining my Christed and Sananda graduation rights on planet Earth?" None-the-less, it is the way perfection is attained and it is WHY force is not a part of God's workings--that does not mean that God will remain passive while man destroys--for all the while man is destroying; so is he destroying self and the grim reaper will reap whatever harvest manifests itself. So be it.

Dharma, allow us a break at this point. It is past your mid-day and I am called to duties. We can continue a bit later, please. I wish to dive right into the production of "developed" beings brought forth (manufactured) on your own plane and how they have been utilized to infiltrate the entire species. Thank you for your service. Salu.

Hatonn to clear the circuit but remaining on frequency; please shut down communication frequency but allow stand-by. Thank you--to clear.

Hatonn returned and in service, albeit somewhat aggravated--not at writers, for they express their opinions--but rather at my people, especially my scribe who is somehow injured by the foolish spoutings of uninformed "authorities" on how a planet should be "saved". If you are so all-fired informed about everything, dear ones--why is your planet in such a mess? If you are such authorities that you can have the audacity to "review for public consumption" the work of someone like Cathie, why is your planet in such dire circumstances? Further, because others CLAIMING to speak for some Pleiadian or another have possibly misled your perceptions--why does that have anything to do with me or my people? If white men speak and have misled you--why do you continue to follow white men in America? Further, you follow right along rattle-tail after the same ones who are out to consume you.

Why is it that writers who wish to denounce George at America West are most insulting to him and to me as well as to my "poor" misguided Scribe" and then expect a gracious response? One letter refers to "Hatonn's mush-mouthed replies of nothing," and another says, "how dare you treat us like children!"--in the same mail received.

George apparently wishes me, Hatonn, to respond to GWE of Oregon for the document has been sent to me. OK, GWE stated, "I'll be frank, George, I've yet to see one of these messages-from-space that I can believe because of this selective transmission of said message. I just flat out don't believe that contact would be made in that manner." (manner?) GWE feels that the transmission should just

blanket EVERYBODY. Obviously GWE would not hear same for the signal is easily received and there are several decoders around in your conspiracy who intercept as quickly as Dharma. Where are you that you have not learned the Universal code and you, too, could receive? Who, GWE, do you feel should receive the information--Mr. Kissinger perhaps? How about Jerry Falwell? Perhaps Saddam Hussein? Who do you feel more suited to receive?

GWE certainly misunderstands another point in our material for he says, "...it seems to me that if he really wants his message to be heard by all of us, he should be transmitting it to all of us." Number one, I do not care whether or not ALL of you get it--and further, we are transmitting it as quickly as we can right through the written, unmistakable word--in rather good English, I might add. Self-styled "authorities" on how things "should be" are obviously not as successful in critique of their own material for I repeat--If you ones know so all-fired much--why are things still being hidden from you and how is it that less qualified persons are "doing reviews of some extremely technical and gifted material" for public consumption in, of all things, FATE? You have absolutely NO IDEA OF THAT WITH WHICH YOU ARE DEALING.

Further, you should now have confirmation of the fact that America West and myself are two very separate working entities--for I would never have sent the material to you in the first place. Now, you think I am harsh? What do you expect of me? GWE says, "Moreover, in Hatonn's case, his message reads much like a great manner similar conservative left-wing polemical tracts I have been

reading for years. Hatonn seems to be peddling old wine in new skins..." DO YOU THINK GOD TO BE "NEW WINE" AND HOW ABOUT OLD SKINS? I SUGGEST THAT THE READER IS NOT APPRISED OF HARDLY ANY OF OUR MATERIAL AND IT WOULD BEHOOVE HIM TO POSSIBLY STUDY A BIT PRIOR TO FURTHER INSULTING DEGRADATION FOR I, FOR ONE, AM IRRITATED AT MY PEOPLE, SPECIFICALLY GEORGE GREEN, TAKING ABUSE AT THE HANDS OF YOU SO-CALLED SELF-STYLED "EXPERTS" WHO KNOW ABSOLUTELY ZERO!

Personally, I am grossly disappointed to find that anyone would be "reviewing" and/or critiquing Cathie's work for obviously no one is of his calibre of insight and qualified to touch his work as to frequency and vibration calculations. I intend to personally see to it that you ones of the "expert" community are not able to discount his work for it is gifted of God and aided by insight directly from Mr. Tesla--I suggest you all back off with your earthbound "ego trips".

Now a brief response to D&J M. I am greatly appreciative of your correspondence and expressions of circumstance. Do not misunderstand our writings--the messages (as above stated) are for over 6 BILLION beings and I suggest all of you not become too personally involved--if the intelligent shoe does not fit--don't squish your feet therein. If you have no major assets--determine your own course of action or inaction--I care not, most surely. We put forth items and methods whereby some of you can act and prevail. If you do not find the material useful, you owe no explanation unto me. Now I

shall quote a portion of your letter and respond briefly:

We were shocked when Rick did not know the meaning of the "somata" at the bottom of the page. You all had better get Hatonn to teach you something of value. Although it doesn't necessarily teach a spiritual truth it does give us much scientific data which explains a lot in our history and in our physical world. As you say, "The truth will set you free."

You may think this letter rude or an attack but we are only cynical and suffering from righteous indignation at having received so much false information and non-information from and about Pleiadians. It is not directed solely at Hatonn for we do find some value in the Express.

Number one, there is no such definable word as somata. Number two, if it does not teach a spiritual Truth I would not bother to even discuss it. I believe if you will review your own letter, you will find that I must bring some value forth and I agree, those who desire to find the Truth--will. You do say something else which I find most interesting: "We suppose there are many different levels on which Pleiadians work but we find it difficult knowing the Pleiadian mind to equate the writings by Hatonn with that of the Pleiadians."

Who might you be, friend?? Will you PROVE it to me?? Will you please create a miracle so that I might believe in your presence and qualifications to put all into the same pot--much less a Pleiadian pot? You see, it isn't easy is it? I will tell you here and now that most so-referred-to "Pleiadian writing" is

NOT. How do I know and how can you tell? Because if at this time in historical change--if there is one iota of allowance of anything that is against the Holy Laws of God and The Creation--it is not of God source nor Pleiadian. The picture to which you refer is not from either and my curiosity is that you might wish to clarify WHO FIRST GAVE YOU SUCH INFORMATION--GOD OR MAN? That is truly meant to cause you to think because I already know. Now, there is no definable word as Somata. There is a word, Soma, which refers to any organism, excluding germ plasm, and is a noun which is plural of "mata" or "some" "body". Somato also refers to "body of" or pertaining to the body and then of course there is somatology which is the science of the human body, embracing anatomy and physiology. It also indicates a branch of anthropology dealing with the physical nature of man. Which of these elements would you like explained? And I would suggest that at most the "picture" would indicate the ever circling interchange of life within the triangle of ever circling cycles of life with a star of life (corrupted into the Star of David) overlapping the center of the picture. I do not find it particularly meaningful but rather a fanciful perception of some guru-type mysterious secret-symbol-giver. Is it valid or invalid? Obviously if it is con-jured to suit your needs it must be valid--I have no desire to discern for the correspondence already places you in direct opposition of things Pleiadian of which I vaguely am.

HEAR ME, ALL OF YOU--I DO NOT BRING "PLEIADIAN LITERATURE"; I SERVE IN THE COMMAND DIRECTLY ASSIGNED AS HOSTS OF THE RETURNING MASTER

TEACHER. THE FACT THAT MANY OF YOUR HOSTS COME FROM PLEIADES IS SIMPLY BECAUSE THEY ARE YOUR BRETHREN AND THEY ARE IN THE HOST COMMAND. FURTHER, I CANNOT SEE HOW YOU CAN DISMISS MY WORDS AND BELIEVE THE ONES YOU SENT--I SUGGEST THEY ARE ESSENTIALLY THE DIRECT SAME THING!

Funny little aside--even the article regarding syphilis. I told you in the very first writings that AIDS is naught but specialized tertiary syphilis--further, I quite agree with the man's appraisal of "satan"--so please, dear ones, can I be all that bad? As you say, JM, "Oh, well, those who desire to find the Truth will."

Now to the one who mailed the letter in Palm Springs and spoke of "Catch 22 Phase of Operations". Where did you ever get such an idea that I said to "quit our jobs so we don't feed the beast?" Ask anyone in the group at the bookstore if I have ever advocated quitting your job? Man must be self-sufficient. Moreover, I repeat, move outside self-indulgence as if you are the sole receiver of information--we must reach some 6 BILLION people and each must be capable (or incapable if he so chooses) to discern that which is best for his own needs to get through this period of confusion. Perhaps YOU cannot work in this country without a W-4 but I wonder if even you know that you can claim as many as 10 deductions on that W-4 and at least save the difference each month--legally! Moreover, if at the end of that time you choose not to file a VOLUNTARY FORM, you will not forfeit as much and if you decide to pay, you can

make it proper at the last pay period ending the year. Now, it IS up to you that which you do--or nothing. If it is more feasible for you to function continually within the system--do so.

Friends, my intent is not to make you miserable or to feel helpless--but I MUST bring the Truth and then together you ones can find the ways to allow recovery. What kind of a brother am I if I KNOW TRUTH and further hide it from you and you perish? There is nothing wrong with working for the RTC--I am happy that someone who deserves the income gets it. It is the hidden Elite that are the problem, not the workers hired to renovate and return buildings to a state of repair. But I would like to share a very descriptive line out of the letter if I might for it is a common phrase which this person cleaned up greatly. However, before I tell it, I think that the readers not familiar with wind parks producing electricity would enjoy it more knowing that the fan blades on a wind turbine are some 30 meters (60 + feet) in diameter and some even bigger--the bigger Westinghouse turbines, for instance, have 115 foot blade span. So: "...and to really compound the problem, I work indirectly for the RTC!!! Oh---now the feces have really hit the wind-driven machine!!!" Now doesn't that present an interesting visual?

Don't be so hard on yourselves, for you can only do that which you can and be gracious and kind unto selves for that perfection which you are--but do not ever ask that we withhold Truth for we cannot. I hear you and I thank you. P.S.: No, Hoagland's Mars is not the "new Physics"; there is no NEW PHYSICS--physics is as old as Creation. Quantum insight is of great value and inadvertently the

information given forth from that source holds clues--which are mostly unrecognized as such. The "secrets" are held within the light frequencies and vibrations for that is the energy substance of the universe. Thank you for asking.

Now, to one I will cover a bit more in depth for it blends with great input within the subject at hand--replication and development of humanoid, etc., life-forms. This will please be in direct response to JH if you will see to it that it is sent to that resource.

The point in focus is the fact of positive, neutral and negative readings on various people through a measuring device which indicates these three states. I think I shall share with you some of the information given to me:

"...I found an interesting phenomena: The indicator gives a negative reading, a positive reading or a neutral reading (I FEEL the difference, but the indicator will not move off dead center) when checking the "Spiritual Body". The "Mental Body" gives the same reading, except there is no "neutral", it is either "negative" or "positive".

The "negative" "Spiritual Body" reading has indicated to me that there does not seem to be a spiritual connection to the Creator. Christ once said when referring to the Moneychangers in the temple, "Ye are of your father the devil". All readings start at birth; there is no "pull" or movement for the unborn child.

The negative "Spiritual Body" person can change the reading to "neutral", although the "Mental Body" reading always remains negative; the positive

"Spiritual Body" person can change the reading to neutral (and appears when the person is under stress) but never to negative. Also there appears to be no other change throughout life from the original "programming".

Except in superficial matters there seems to be no way these negative Spiritual Body persons can be reached with the Truth. They may listen politely to your message, or they may reject it completely with but little or no positive action. This holds true for apparent innocuous types--the truly evil-doers are something else!

Based on race, additional observations and studies indicate: Only about 8-10% of the so-called "Jews" are positive; the black and brown races are mostly "neutral"; the orientals are under 50% positive; the white races are somewhat over 50% positive.

I have much more (to offer) but based on the above and excluding genetic doubles, robotoids, etc., where are these "negative" Spiritual Body persons coming from? [I THOUGHT NO ONE WOULD EVER ASK!] The physical Body unless a person is VERY sick is always positive and so is the emotional being and energy being (or body).

I much appreciate the info you are printing. Hope your "backside" is well protected as you are letting the Truth all hang out! Sincerely, JH

Well, we won't worry about my backsides for the ones high enough to kick it have no wish to do so and the ones from your place who would like to do more than that--can't reach me. However, we are now opening the Pandora's box of "mighty Truths"--who indeed are the

neutral beings? And herein is the bottom line of how the adversary has gotten as far as he has.

ROBOTOIDS, SYNTHETICS AND NEUTRALS

We have now spoken along rather technical lines regarding development of robotoids and synthetics but by far the most numerous and the strain of beings mostly present of the "developed" strains are the neutrals--for lack of better description.

Remember, the leadership of a nation must be replaced if total control is to be had. We will talk of soul essence later but let us get some detail down first. If the robotoid reproduction gets out of line then it is either replaced or in this more current time is synthesized for more capable programming and handling--but, this is a weak machine oftentimes as the reproduction process often presents exaggerated flaws in the genetic structure--but that is not the case in point in this dissertation. Now, you can present a group of people with a replaced leader but if all the people are bright, they will see through the facade--just as some are not fooled by the imitations now--such as you who write having made your own observations and witness to the total absurdity of the cover-ups. Therefore, there must be capability of enhancing the masses with ones of neutral programming so that the NUMBERS in a MAJORITY RULE DEMOCRACY can carry the votes, so to speak. They do not necessarily have to remain in a state of neutral--they just usually do. Why?

Because they are developed by artificial cross breeding and breeding out the immortal or "Spiritual" of the being. All

you have to do is introduce programmed beings having been artificially gene spliced and then send those ones out to reproduce--almost in a frenzy of sexual drive activities. Since there is no spiritual wholeness, the entire societal structure will break down within two full generations and by introducing leader species within groups, whole groups of homosexually deviant beings are produced, whole groups of addiction-prone and emotionally driven individuals are produced and you will, further, through breakdown of moral attitudes, have reproduction of confused, misplaced beings.

Now it becomes easy to see how--after the first generation--if enough beings are constructed to have another generation by simply breeding of the beings and by the third generation you have compounded the neutral elements. But what of the first developed generation? That is more interesting and will explain a lot of things you UFO and ABDUCTION reviewers and even animal/people-mutilation are misinformed about. Again, the programming is absent spiritual development and is mostly focused on simple existence or thrust into the more "satanic" or deviant attitudes having been deprived of spiritual nurturing.

The seed-beds were laid (I mean no humor) many decades past. And to fully understand this, you must know that the product is resultant of integrated research and development by human persons, right on your physical placement with input and technical thrust from outside your physical plane but which did, in fact, manifest onto/into your physical status.

The instigators infiltrated into

that which was the Elite of the Khazar tribes as they were again gaining power and thrust for ultimate One World control. The most advanced of the scientific production came out of the Nazi/Zionist Khazar coalition. But, the whole Elite machinery was financed by the powerful Elite Bankers of the same general species. If you can't remember about these coalitions--go back and read the portions regarding the Nazi development of discs, rockets, robotics and finally translation to the Antarctic regions as security measure. The agreements were already in place, however, for the information and technology to be utilized in the foremost nations of your globe, i.e. Russia for the Khazar Elite Zionists were Khazar Communists. Then the Bolshevik/Zionists group in America brought the whole mess within your own borders, America. In fact, the Atomic bombs dropped on Japan were made in Germany by Communist scientists.

At the same time the Elite plan was coming into final phases of orchestration to insure take-over by year 2000 and heavily intense research and development went forward to perfect genetic duplication and synthetic production. But that was only one phase.

The phase of the most interest herein is the development of purely "physical" beings through devious methods. The intent would be to be able to develop surrogate parents, multiple production without duplication or synthesizing to avoid identification problems and to likewise render the public terrified of possible alien arrivals. What happened next was mind-boggling even if expected of the species.

As hover craft was developed

with proper capabilities, many abhorrent actions began to take place. To develop enough neutral people there needed to be massive research and follow-up and therefore the encounters began and the interchanges frequent and pretty clumsy at best. Most of the encounters were actually with robotic little replicas of first-arrival creatures from off planet. But, the replications were developed by your human scientists as was the research and development carried out by your own human scientists. Now, all the major government Elite knew all about the experiments and intention. You see, to do that which was needed only required a few female eggs and male sperm; then these could be crossed artificially into myriads of genetic interchanges which would develop offspring with individual characteristics--but only in physical nature. These beings would have capability of soul bearing but being developed devoid of higher spiritual input they would be easily programmed and controlled.

In the early part of the intervention into population/species control it was necessary to have incubators. Often pregnant women would suddenly turn up "unpregnant" and other strange phenomenon. Then as the beings implanted in wombs were birthed and grew, they had to be monitored continually. It was found that a fetus could be surrogate-mothered (for a beginning period of time) within the womb of a sheep (rather unsuccessfully) or if the implant were treated with bull sperm secretion would adhere and initially grow quite well within a cow womb. That meant that as the fetus was then extracted it required a slow replacement of blood and nutrients to artificial solutions which therefore required a blood supply or the fe-

tus would have a violent and usually fatal reaction to the change. Then as study-group members were suitable the babies were appropriately placed for maturing within a mother human host destined for normal delivery. These hosts would be given total mental blockage to all which transpired.

Now, what you have is an increasing population of social deviates (I did not say "bad", I said "deviate" which means deviation from the "accepted norm".) These "persons", however, could easily be given altered genetic structure which would hormonally produce a programmed drive for homosexual desire. Team that with an ever more confusing set of biological standards and social thrust toward deviant behavior and you have ones experiencing that which they are birthed to expect. The other human characters get simply sucked into the movement of the mass either for seeking whole experience or finding no satisfaction within the ruptured family structures--try anything and everything--just blindly going along with "what's in"!

As with all cover-ups you have to have the tracks covered, and to cover them properly the cover-uppers must not know they are covering up anything--so enter the satanic worshippers and mutilators. They actively participate in the opposite of the Laws of God and they have literal blood baths, drink blood and even slay humans for some of their rituals. They mostly are the bred beings who have no sense of conscience whatsoever for they are the development of evil--not the creation of God with immortal soul energy.

After you know that which to look for, it is easy to recognize the decoys, but in the beginning

you cannot know who is what, why, when or where. Many of these developed beings are mystically gifted and have powerful energy patterns but usually turn ultimately to madness, fanatical irrationality in certain areas of behavior and usually refuse to hear any sort of reason which would pull them from their worldly path. They are cold, erratic beings usually, or totally, seemingly devoid of much emotion or showing sporadic losses of control. They are usually terrified by Truth and most often violently oppose its presence in any form.

Mostly these ones are set loose on the public well programmed with misinformation and narrow groups of cliques who feed each other's need for support of stories and continue the cover-up rather than allow egos to be damaged--remember, mostly ALL these ones have with which to function is the ego for they are ONLY physical and can in no way deal with that which is spiritual in Truth. They will always give the party line of any story--even if they know the difference. They know good from evil but simply have no response to the knowledge. When these beings do see the Truth, however, and have ability to work within lighted centers--they are truly birthed anew and since the leader-persons are usually genetically superior species as to brilliance and intelligence--are incredible workers and through reason and sheer daring will destroy the presentations of the adversary.

The next logical question is: can the ones involved know what and who they are? Of course not--do YOU know exactly that which you are? Did you not come in a rather logical manner onto the planet--OR DID YOU? Ponder that a bit as you move about your daily life.

Most of you of our workers with more spirituality than most humans are birthed in about the usual manner. We follow you of our species in love and gentleness, disciplined and special--awaiting the proper timing for enlightenment. But you ones innately KNOW THAT YOU ARE FROM GOD AND "OUT THERE SOMEWHERE". The developed human physical has no direction, no roots and no aspirations--they will take, leave or screw God, country and mother. Moreover, they will attach to the more "whole" human and if that one can be pulled down--will do so for it cannot long endure the presence of spiritual light--it is simply an alien feeling which is not understood. It is not necessarily evil, it is simply existing and will respond and act as programmed, braintrained or with the masses as parrots.

Now comes the valuable input regarding these ones. They react very badly against those who have developed them and then misuse them. They will become violent against ones who "treat them unfairly" and/or effort to "control" them. Most of the "masses" of functioning physical developed are not greatly intellectual so that they are not given to "thinking" on technical or political grounds--they are kept usually below-average and bred accordingly with full intent of the puppet-masters to integrate them into groups which are marked for extinction in great numbers. These are called the "first expendables". These ones may even dutifully take their own offspring off to whatever church pleases them and where they can feel socially at "home" with no input as to spiritual upliftment past shaking hands with the preacher at the door. The offspring of these ones see the total absurdity of the show and become even more incorrigible

and rebellious. This is why most churches have been intentionally corrupted for the preacher will say "don't read this or that for it is evil", and all the good little developed sheep throw the object in point away or burn it or whatever. They treat Truth like an asp that will surely kill them--for they know they have no ability to think for selves and fear totally the unknown which is drilled into them day after chaotic day. These are walking, talking, physical machines, for lack of better description. They simply have no conscious--or subconscious--connection with Creator, they simply ARE! They will usually show conscience only when convenient or serves their purpose--they function basically for themselves in a "me" oriented world and rarely move outside that "me-ness". They can only see every occurrence as to how it impacts "self" and all seems to be accepted as deliberate attack upon their being--personally.

Now don't go crazy, dear ones, you have all been brainwashed through every type of media--if these shoes fit, be careful that you don't err--MOST of you don't fit the pattern so don't try this route as a "cop out". There is nothing wrong with the huge majority of you except you have been sleeping while everything was happening--now it is time to wake up and see that which IS and set it to "right". This world DOES NOT HAVE TO END IN AN ARMAGEDDON.

The cover-up has been massive and the attempt to terrify you and panic you at the arrival of the brotherhood from the outer cosmos has been even more massive--and THEY aren't by any means through. There will be staged incidents to cause you to believe your space brothers have attacked you--nay, nay.

The beast will kill all of its own to preserve its power--I hope you will not be so gullible.

May we walk in peace and brotherhood lest the journey be too burdensome, remember that the spiritual connection with Creator sets ye above thine enemies--and dear ones, **GOD WILL PREVAIL--EVEN THE EVIL TAMPERERS HAVE PROMISED YOU AS MUCH! SALU.**

Hatonn to clear. Thank you for your attention. Good-day.

We will discuss this much, much more but I have my scribe at this keyboard much too long this day and I beg your patience--she must have rest.

OUR NEWEST JOURNAL

**END OF THE MASQUERADE
LET'S PLUCK THE CUCKOO BIRD**

By Gyeorgos Ceres Hatonn

TO ALL WHO WOULD HEAR GOD'S WORD IN THIS TIME OF TOTAL MASQUERADE. IT IS TIME TO PULL OFF THE MASK ALONG WITH THE BLINDFOLDS AND EAR-PLUGS. THE TIME IS AT HAND TO GAIN TRUTH AND INSIGHT AND TAKE ACTION FOR YOUR WORLD IS IN GRAVE DANGER.

That which is called the "Anti-Christ" is at hand and has de-

ceived most of the world. **You are surrounded by multitudes of replicas and man-made humanoids who have basically gained control of your planet.**

Our intent in these Journals is to give you proof of that which we project--by documentation of history, origins and other boring information. But the information will get far less boring as we move along, dear ones--and so, let us move along rapidly.

I repeat again and again--**the evil brotherhood of darkness cannot stand the focus of the light of Truth**, just as it requires only the tiny spark of light to cause a place to no longer be in darkness.

Hatonn includes the PROTOCOLS and also continues to keep us current on world affairs.
