5/11/91 #1 HATONN
SATURDAY

Hatonn present in the Light of Holy God, may we be given to serve well. May we also be given to serve in beauty that the ugliness and darkness does not pull us down into discouragement.

First, I must respond to Patricia regarding the device she refers to as the "Rife" machine. Number one--it is NOT! Moreover, it carries not enough voltage, etc., to be of any value that I can determine, whatsoever. However, if you can get enough voltage to the apparatus--you will kill anyone with a pacemaker. Do not touch Eleanor with that thing. I find no value in it whatsoever and it can cause disruption to the pacemaker. That, brothers, is the intent--you can only produce low frequency pulses from low voltage, low amp instruments which end up more damaging than anything you can do to a body. Even Bedini, who had the right idea, produced far too low a frequency--THAT requires a sequence of voltage which no one is comfortable with which to work. In the meanwhile, the dark brotherhood would love nothing more than to have us kill some of our own people with these foolish devices--YOU NEED NO DEVICES TO HEAL SELF! NONE! Even my beloved Padre' is still punishing himself with that hand for some perceived aggression or another--put it away, brother--for penance is not of God as you ones perceive it to be. When you come into true "belief" (and it can work nicely with Ed because there is no physical reason that the hand continues to give such pain) that God can stop the deterioration, and then command that the limb be healed--so shall it be--God is only waiting and all those devices simply keep avoiding

the issue at hand (pun intended).

When ones come into the balance of ceasing to "REGRET" that which is past and perceiving there is not time to finally walk and produce to full extent--the perceptions of loss melt away and the void is filled. I can only ask of you ones that you set a reasonably short penance period on selves for your perceived transgressions so that you can pay quickly, satisfy self and live in peace and beauty in the perfection of God.

Can you understand that nothing much changes in the perception at time of transition save a momentary lapse in that which is created about you on your current plane of experience? How do I know? One, I have been there! Two, I see it before me right now and Three, the mind will continue its journey hardly interrupted from that which was present at the death of the body. You have been so lied to regarding transition that long ago ceased the understanding of continuing journey of soul. NOTHING outside self will do it! "Things" can only contribute to the assurance into the mind of assistance and/or cure--but the subconscious knows immediately the difference in Truth and facade and until you can convince the subconscious mind of a "thing"--you will change nothing except, perhaps, the symptoms.

Now, let us analyze, with reason, putting aside all preconceived notions. We speak not of that which came before nor that which will come later--but what is present right now in, say, Eleanor and Ed specifically. Ed's hand can heal to perfection for physical injury was temporary but healing slower due to many factors of physical maturing. Often, with

enslavement of a body part which allows no motion due to whatever reason, as the body itself matures and changes, healing changes--slows and often misuses its fuel elements which allows for bone spur formation, etc. However, until the physical is changed and altered--the healing can be perfection and return to wholeness.

Now, let us take in point, Eleanor. She has had long-standing problems with actual deterioration of the body due to outside means as well as favoring due to pain. This has caused actual physical change along with the surgeons who have replaced two joints--even though the body would be capable of actually rebuilding itself--the mind KNOWS that that body has artificial parts and WILL NOT regenerate itself--for what would you do with four hips? The mind knows it would be producing a worse situation for the being at hand and the mind will ALWAYS MOVE AWAY FROM PAIN WHICH IT PERCEIVES AS PAIN--IF THE PAIN SUPPLANTS A NEED--IT WILL THEN CLING TO THE PAIN FOR IT HAS BECOME A FRIEND AND A TOOL FOR PROTECTION OF THE PSYCHE. The continuing introduction of one foolish "thing" after another only reinforces the knowledge of the mind that it WON'T WORK and even if you brought something which would work, the mind is predisposed to allow nothing of the kind.

Therefore, a warm and loving regular visitation and sharing would do far more than some piece of man-made contraption. So, the "frequency change" comes within the mind--negative and painful input are the low frequency range and Love moving into God-Love produces the frequencies of the high range which re-balance in

perfection and healing. It is all indeed complicated but man will not trust of "self" and simply offer of self in love and friendship and, therefore, clings to "things" and "devices" and keeps "trying" to "help"--it just doesn't produce lasting healing but rather, often causes the body to respond negatively in order to not lose the comradery of the one with the device.

Therefore, if the use of a device brings some measure of comfort--use it, but if the body has been tampered with in such manner as to be disrupted by electrical/electronic impulse--don't risk it. I suggest leaving the device at the door and taking your heart, in love, in for a nice sharing of friendship meeting and far more will be accomplished--for both (all, in fact) parties involved.

Patricia, I am indebted, precious, for your inquiry. It is sad that we continue to have to learn over and over--WE CANNOT DO "IT" FOR ANOTHER--ONLY STAND BY AND OFFER OUR LOVE, UNDERSTANDING AND GENTLENESS--IT PAYS NOT TO BE THE GREAT PSYCHIATRIST, EITHER, FOR USUALLY THE "PHYSICIAN AND GREAT ADVICE-GIVER" IS SICKER THAN THE ONE HE TREATS. YOUR OWN MEDICAL CIRCLES HAVE A GREAT JEST (TRUTH): "A PSYCHIATRIST IS A HALF-SANE PERSON TREATING A HALF-CRAZY ONE." SO BE IT. Man becomes invalid (get the word "invalid"; lack of validity) for two reasons: loneliness and self disrespect, and tyranny through which to control another. As children utilize negative behavior and tantrums and naughty actions, so too, do so-called adults--they become sick and throw more subtle tantrums and even if attention is negative in nature--it DOES WORK TO SOME EXTENT. The conscious mind can do nothing about it once it becomes a habit and the subconscious WILL NOT until the stimulation is replaced by different actions. The supra-conscious can but will not until such time as the being is whole enough to handle the change--so goes the endless loop of illness, pain and/or healing. When the body becomes weary of the game and sees through the subterfuge--the person will change IF the person faces and confronts the truth of action.

How can I say this? Look around and you will see persons who have no

arms, no legs, disfigurement, cancers--all manners of imperfections and yet they are not crippled, hardly even handicapped. You will keep unto you as much pain as is convenient--and then you will discard even that.

Does this mean that ones intentionally suffer? Yes. Does it mean they intentionally continue the path? Yes. Do they realize that which they do? Sometimes--usually NOT and certainly will not consciously admit it--especially to the ones they are somehow controlling or summoning. And yet, it is far more difficult to accept loving kindness and gifts of self-sharing than it is to be outcast, for the mind is somehow punishing the body for misperceived violations of some sort or another--usually having become total habit.

Usually one who is trained to be tended--cannot perceive being qualified or capable of tending self--when the hurdle of sufficiency is crossed the persons become quite content in their newly found FREEDOM.

God will always WAIT to see which it will be--self-enslavement or freedom--funny about that character, God. So be it.

Dharma, we are into the middle of four massive subjects, are we not? And, a dozen waiting so where do we go? Right along as if they are all the same--for they are! We just keep unfolding it and if one writing is disconnected from the one just prior--readers will have to back up a section or so. Confirmations are flowing through so quickly that I hope to get on to being able just to funnel the confirmations right on through with our bulldozer. What we have received within the last day regarding The USS Liberty, the Russian business interchange and rip-off and the failing insurance companies is enough to last us to shut-down of the planet--so, we will just do that which we can and give support to the speakers in every manner possible.

I am most pleased to tell you that by the middle of June we will have backup help for you who wish to or already have formed Nevada Corporations, etc. It has been difficult but we have one in training who can be of assistance. I hope that you ones will see the merit of this type of business for it really gives the adversary a

headache trying to getcha' when his own laws protect you. I cannot speculate as to how long that door shall remain open but we surely walk through open doors as long as we can; then, when a door shuts we usually can locate another which opens. It is the ONLY WAY WE WILL GET THROUGH THIS TEDIOUS TIME OF TIGHTROPE WALKING.

I do note that some are writing and telling me "wonderful" news--you can get incorporated in Delaware so much cheaper--NO YOU CANNOT! THE DELAWARE LAWS ARE SUCH THAT YOU HAVE STATE TAXES WHICH PUTS YOU RIGHT ONTO THE FEDERAL EXCHANGE PROGRAM. NEVADA IS THE ONLY STATE WHICH IS NOT RECIPROCAL AND AFFORDS TOTAL OWNERSHIP PRIVACY. Can you get incorporated in Nevada for less than through the ones we can hook you up with? Probably--but they offer you no buffer or in-between privacy for officers lists, etc., and if they do, it will be more expensive by great measure. Further, you must know how to follow-on and most do not have the ability to gain that information without much study and very expensive trips to training seminars. Our desire is to be able to give you that kind of assistance and corporate veil protection for some kind of nominal fee which allows us to function in a "small", invisible manner with brother helping brother in network of possibilities--the point is to keep all profits moving and in use from the eyes of the trailers--for your protection, for a half-dome job is usually worse than no job at all. However, if set up properly, you will be covered and with proper "corporation" paperwork--you are safe and they are unable to pierce that veil and you can learn and integrate possibilities at leisure.

I have stopped urging ones to go directly to Nevada unless you are already totally sophisticated and unless you live in Nevada where all information is easily attained--because you need more and to get more from Nevada is basically some \$200 to \$400 per hour for consultation, if you go that route. If you only dig "the hole" you are probably going to fall in, be pushed in or, or, or. Keep a sturdy plank across that hole which will not break under observation. We have simply been so swamped with the myriads of tasks that

even our own ones within the family are not being properly tutored. They are safe but the knowledge level is so shallow at present that the perception is one of frantic "Oh dod, oh dod, what I do now?" Our intent is to get a wholly operational business and information center going for you just as quickly as possible and one is coming directly from a bit of a training period and with some intensive input we shall be able to build a qualified staff in reasonable time. We have some attorneys willing to learn the ropes and an accountant or two ALMOST willing to stick their neck out. When they find it totally secure and shielded--we will garner that which is needed--God is funny that way, also.

The point is to get the sugar under the shed roof before it melts and/or turns to rock, and then it can be placed in proper shelving in dehumidified rooms at leisure. I do feel remiss that I have not done more follow-on on the total value of even individual corporations--for as set up in Nevada under the full laws of the state and nation--the benefits are incredible. Will they always be that way? Probably not but maybe so--the "big boys" have to have somewhere to run with their loot and their estates--remember, people die and everything "left" after the state gets through is usually tied up in probate until the "rest" is gone--old corporations never die; they just get a new president and the bank account is not even noted. Advantages of such action are almost limitless if handled smartly and timely. And remember, you ones who will be starting a corporation for your crochet and/or pet center, or "consultation" service (to your own kids, perhaps?)--KEEP YOUR NAMES OFF THE LABEL. IN FACT, IF YOU HAVE A STRONG ENEMY--PUT HIS NAME ON THE BUILDING AND PAPERWORK--THE GOVERNMENT WILL THEN GO AFTER HIM AND YOU ARE SAFELY TUCKED AWAY. THE POINT IS TO BECOME NON-EGO FINDABLE. DO YOU WANT SAFETY, SECURITY AND YOUR MONEY--OR DO YOU WANT THE WORLD TO KNOW YOUR NAME? IF IT BE THE LATTER--FORGET THE CONTACT WITH US FOR WE ARE NOT INTO EGO-TRAINING, EXCEPT TO SEPARATE IT FROM THE TRUTH OF YOURSELF. DONALD TRUMP BLEW IT BY PUTTING HIS NAME ON EVERYTHING--HOWEVER, YOU CAN'T

EVEN START TO KNOW HOW MUCH THAT CLEVER MAN HAS THAT THE PUBLIC DOES NOT KNOW ABOUT--AND THE GOVERNMENT AND HIS ENEMIES CAN'T DISCOVER AND IF THEY DO--IT CAN'T BE CONFISCATED. If we do not become as clever and intelligent as the enemy, we must expect to lose. The intent has been to totally train the public into attitudes of profound ignorance so as to know everything and anything about you and use it against you and it has worked.

If you lose your Constitution, it is over no matter what efforts you have made--for you already bear the beast mark and you are identified--so, your only hope, already, is to cleverly utilize that which the adversary sets up for self. Can you shelter everything? No--nor should you even try for 'tis better to allow a bit of information while the rest remains in security. That which already is open--such as social security, etc., leave alone, even if there is tax, for the point is to cover all other assets and reduce self to only the income known. It simply requires intelligence and discernment and ABSOLUTELY NO BREAKING OF ANY LAWS--NONE! This only works because it CAN work within the laws--very nicely and very securely--if you are willing to do the required tending of the new baby. But then, why are we here? What is the intent? TO BRING ONES BACK INTO RESPONSIBILITY FOR SELF AND SELF-ACTION AND GET THE LEECHES OFF YOUR BACKS. IN THIS WORLD--IF YOU KILL OFF THE PARASITES (WHICH WILL HAPPEN IF YOU STOP THEIR FUEL INTAKE) THEN YOU CAN RETURN YOUR PLACE TO BALANCE. NO MORE AND NO LESS--IT HAS TO WORK FOR IT IS THE UNIVERSAL LAW--THAT THAT WHICH IS TRULY INTENDED IS THAT WHICH IS REAPED. THE LAW OF THE BUREAUCRACY IS: THAT WHICH IS STATED IN INTENT PRODUCES THE EXACT OPPOSITE. AND THAT, SIR, IS HOW YOU RECOGNIZE THAT ALL THEY TELL YOU IS, AT BEST, PARTIAL TRUTH IN ANY CIRCUMSTANCE. Their intent is to enslave you so all thrusts of the mouth must be in attempt to allow you to "think" FREEDOM--while they act to bring you into bondage. It is no longer a point of theory--it is THE "LAW OF THE BUREAUCRACY".

Dharma, since I have already rambled at some length, I think we shall just move ahead with the summary I was doing on the Banksters for it goes along a bit with business and waking up to both insult and possibilities. I think we were last, some days past, speaking of the good old Federal Reserve and the power thereof. We will just pick up at that point at any rate.

POWER EXPOSED

Every effort possible has been utilized by the Federal Reserve Board to conceal its powers, but the truth is...the Fed has usurped the government. It controls everything in Congress and it controls all your foreign relations. It makes and breaks governments at will. So it behooves you all, if you have even what appears to be meager assets--to protect them if possible. They have attempted to make you into a totally helpless welfare state whereby it does not pay you to protect selves--well, as I say, we can only offer possibilities of action--we do not twist arms nor cram anything down throats--people must take responsibility. I do, however, expect that, if you come within our working circles, you come in with intent to serve God and not further rip-off anyone, nor threaten investigations, etc., for privacy is the name of the game and if you foolishly wrap yourselves into selfishness--you will negate the purpose. All is totally legal to the finest detail but troublemakers and "seekers" of games and foment are asked to turn the other way, for we have neither time nor inclination to play games nor have a business set up for selfish, self-centered participants. The latter can easily be accomplished through this very route and through these ones who serve you--but it is ungracious to absorb their time when you can do it through established routes. Look at intent--self-shelter is worthy, but pulling your brother down in your selfish processing is unacceptable for ours is to have "business with total integrity, within the laws of the land AND WITHIN THE LAWS OF GOD"--IT CAN BE DONE!!

Hopefully, you have the picture and understand the mechanics of how the Fed works in this criminal money-system scam. However, in case we still have misunderstanding and lack of comprehension, let's have one more

objective lesson--especially for you new readers who don't know where to go "back" and pick up the information. I find that most of our regular readers still do not grasp it in full and can use the summary.

REAL LIFE MONOPOLY

Almost everyone is familiar with the game of Monopoly, which has a very appropriate name. However, its rules are those of a make-believe world. But with just a few simple rule changes you can make it resemble the real economic world far better than you would wish from a parlor game:

First, count all the money available (let us example for this scenario--say, \$8,000).

Second, loan, not give, an equal amount (\$2,000) to each of four players.

Third, instead of each player collecting \$200 FROM the bank every time he passes GO, he PAYS \$200 in interest to the bank!

Now you should know who will win every game. If not, play it according to these rules and find out! But then, perhaps you, along with the thousands of other Americans every week, have already lost the real life game and know who the winner is--ALWAYS!

THE BORROWER IS THE SERVANT

If you learn nothing else from this dissertation, learn this: If you are in debt, you are not free, you are a bond slave. Even if you have no personal debt, as a U.S. citizen, your share of the National debt is over \$20,000 and whatever property you think you own is pledged to pay that debt. And, the government can and will come and confiscate everything you thought you owned to pay it. As your own proclaimed Bible tells you in Proverbs 22:7, "The borrower is servant to the lender."

The manner in which bondslaves were to be controlled was put forth in "The Bankers Manifest" of 1934 (don't laugh, here it is):

Capital must protect itself in every way, through combination and through legislation. Debts must be collected and loans and mort-

gages foreclosed as soon as possible. When, through a process of law, the common people have lost their homes, they will be more tractable and more easily governed by the strong arm of the law, applied by the central power of wealth, under control of leading financiers. People without homes will not quarrel with their leaders. This is well known among our principal men now engaged in forming an imperialism of capital to govern the world. By dividing the people we can get them to expend their energies in fighting over questions of no importance to us except as teachers of the common herd.

Feel nervous and hot around the neckband? I hope so! Did you really get the above message? All other issues take a back seat and are secondary to the question of money! You have been divided into a thousand different camps ranging from anti-Communist to anti-racists and neutralized by waiting for the rapture, or boozing with the boob-tube. What is your favorite diversion? That is, if you have any time left after working more than six months every year for the Anti-God Banksters (AB's) and THEIR "government". It is a very safe bet that you don't study history, or money, which, to re-quote that nice Robert Hemphill:

...is the most important subject intelligent persons can investigate and reflect upon. It is so important that our present civilization may well collapse unless it is widely understood and the defects remedied very soon.

BITS OF OMITTED HISTORY

In order to understand how the AB's acquired their absolute power over the nations, it is necessary to understand some history which has been omitted from your history textbooks dealing with this matter--for your history books are so devoid of history that we have a myriad of subjects which are left out and buried under the shroud of deceit and lies. Nonetheless, let us consider this subject at hand. This knowledge is also necessary so that you do not repeat it--if you ever get the opportunity of control--AGAIN!

In the beginning, there was no money and there was no civilization. Every man obtained his own necessities of

life--food, shelter and clothing, through his own efforts in some manner or another. This was probably the only period in history short of that ill-perceived "Eden" that man was truly free and independent--and that, too, is a dream, isn't it? However, this was a very difficult, dangerous and insecure lifestyle at best, what with tantalizing apples and deceitful ladies of the night and serpents in all the trees and nothing but fig leaves to cover thine assets, and so forth. Fig leaves are most uncomfortable in the middle of a windy blizzard or especially--sandstorm.

Eventually, there developed a system of exchange of goods and services which we can call barter. In that economic system every man benefitted because he would only trade something he had for something that was of greater value in some manner to himself. For instance, if Jim had ten potatoes and Bill had ten fish, they could trade five potatoes for five fish and each would have a complete meal for his family. So there was "light".

It was soon realized that, by specializing, a man could produce a given commodity much more efficiently and trade his surplus with other specialists to obtain all of his needs. Thus everyone who efficiently produced something which many people needed or wanted could make a very comfortable living with "markers" for a variety of items in exchange for his own production.

The value that each man placed on his own produce was primarily a function of the time he spent to produce it, what he spent for raw materials and tools--AND MARKET DEMAND FOR HIS PRODUCT.

CREATION OF COINAGE

It was soon realized, however, that barter was a very inconvenient system and, fun though it might be, consumed much time in bargaining over the value of commodities. After all, every man values everything differently from every other man and at different times, places and circumstances.

Eventually, the use of certain durable commodities, such as gold and silver, became popular as a medium of exchange and greatly facilitated trade. Civilization began to develop as more men became specialists and an

increasing variety of goods was produced for both production (tools) and consumption. The use of gold and silver bullion as media of exchange, although far superior to trading cows and corn, was still somewhat difficult, because their weight and purity had to be determined. Weighing them was relatively easy with balance scales but determining purity and quality was quite difficult. These problems were overcome with the introduction of "coins", which were certified by the issuing authority to be of the weight and purity represented by the denomination and purity stamped upon them.

BIRTH OF THE MONSTER BANKING BABY

As wealth increased, one of the trades that developed was that of making gold jewelry, or goldsmithing. Because goldsmiths dealt in large quantities of gold, it was necessary for them to have secure vaults, or safes, in which to store their valuable commodity for protection from theft.

Other people who acquired significant amounts of metallic money, especially merchants and craftsmen, also required security for their money. It soon became common practice for them to "deposit" their money with the goldsmiths for a small fee. In return, the goldsmith would give the depositor a receipt for the amount of the deposit. A depositor could then give his warehouse receipt to a supplier in payment for goods, rather than transferring the metal itself. This method of payment was so convenient and simple that it soon became common practice. On paper an amount was simply transferred onto the books of another. Thus was born the business of banking. So good so far.

ORIGIN OF USURY (INTEREST)

The shrewd Babylonian Elite goldsmiths soon realized that, of all the gold deposited with them, only a small percentage was reclaimed each month with the warehouse receipts they had issued. As wealthy men, they were often asked for loans. As shrewd men, they were soon lending out as much as 90% of the gold placed on deposit with them, typically requiring that four talents of gold be returned to them in one year for every three they loaned, an interest rate of 33 1/3%!

Since there was a limited amount of gold in circulation, they soon "cornered" the market on gold and became the richest men in Babylon. Their descendants still are and are referred to in Revelation 18:23: "For thy merchants were the great men of the earth; for by thy sorceries (pharmicia = drugs) were all nations deceived." People who are drugged (poisoned) with alcohol, nicotine, caffeine, medicine, sugar, chlorine, fluoride, TV, government, "education", and "religion", have short-circuited brains and simply cannot think logically. If you are having difficulty understanding this, hopefully you now understand WHY! I am sure we left out a thing or two which has poisoned you as a society.

FRACTIONAL RESERVE BANKING

Ah, rears the head of the deadly poison serpent. With virtually all of the gold in their possession, the goldsmiths could loan out their "warehouse receipts" for amounts totalling more than ten times the amount of gold actually in their vaults and charge interest (usury) on something which had cost them virtually nothing (clay tablets were very cheap at the time for labor was so thrifty).

When this debt money was created and circulated in the society, it caused a temporary increase in trade and the production of real wealth until the loan was repaid. However, when the money was created, the amount of the interest was NOT CREATED and the ultimate result was a net reduction of money in circulation, causing depression and foreclosure, unless, of course, more money was loaned into circulation.

Thus was born "fractional reserve banking" and the system of usury which today rules the world. This is the lifeblood of the system identified in Revelation 18 as "MYSTERY, BABYLON THE GREAT."

THE BAAL PRIESTS

Occasionally, the people holding these "gold certificates" would get wise to the fact that the goldsmith did not actually have enough gold on deposit with which to redeem his certificates. This would result in a "run on the bank" and his sudden demise, unless he had previously escaped with his

hoard of gold.

Being shrewd, the goldsmiths recognized this as an unhealthy situation. Therefore, after very little thought, they decided to bring the king in as a "partner". After all, the king was always in need of gold to support his concubines and palace guard. Thus the king was only too happy to provide government sanction and protection for this racket in exchange for greatly discounted interest rates, even lower than the prime rate. But the shrewd goldsmiths thought that government protection might not be sufficient. After all, the police couldn't protect them 24 hours a day.

Since the king was also god in the combined state religion of Baalism, the AB's decided that it would be safest for them to practice their black art under cover of religion. After all, there might be many who would revolt against slavery and risk imprisonment or death; what's the difference? But few religionists, even though enslaved, will challenge "authority" and risk eternal torment by being "excommunicated". Thus, many AB's became BAAL Priests and practiced their banking scam in the temples with complete safety--even picking up as much as 10% tithing, free, for being there.

Thus was joined the unholy Babylonian trinity of; Government, Religion, and Banking (GRAB) which rules your world this day as a Great Mystery to the deceived "goyim", especially Christians, who are their prime target. Great pains and cares were also taken to REWRITE portions of the rule books for these goyim to fit with the Baal religion and keep the good little contributors happy and feeling "saved" at the same time.

GOLD STANDARD

The beginning and rise to world dominion of this Babylonian system is detailed in your own Book of Daniel. The gold standard was established by King Nebuchadnessar when he erected a monument of gold on the Plain of Dura and commanded that everyone bow down and worship it. This was about 500 BC when the Judaists from the southern Kingdom of Judah were in Babylon as captives of the good old Khazar by whatever name they used that particular year. Apparently, all but four of them complied with the

King's orders--Daniel, Shadrack, Meshak and Abednego.

This is not too surprising, since those Khazar/Judaists had previously shown a strong proclivity for gold at the very foundation of their nation. While encamped at the foot of Mt. Sinai after being led out of Egyptian slavery, Moses went up on the mountain to receive the Law from God--and when he returned, the foolish masses were worshipping a golden calf--so be it.

Isn't this fun? Dharma, we need a break and then we'll move right on with Daniel's vision so we pick up a bit of historical value. These are the connections which caused the Elite to separate Church and State, just in case anyone desired to check out either, or both. Salu.

Hatonn to stand-by, please.

Hatonn returned. Let us get right to work.

DANIEL'S VISION

By the way, chelas, you who might have forgotten--Daniel was the prophet who deserved the very most attention and so this is not just an exercise in games and fun--it is filled with timely and timing information regarding the Revelation and time of culmination of cycles. Even tampered with, there is incredible truth and warning of things to come through Daniel's writings--for no one could really decipher them throughout the generations.

Daniel was given a vision of the Babylonian succession of world powers. The vision was an image of a man with a head of gold, representing Babylon itself, arms of silver representing Medo-Persia, body of brass, representing Greece, and legs of iron, prerepresenting Rome. The feet were of mixed iron and clay. A stone "cut out without hands" was to come out of heaven and destroy this system by striking it in the feet, "at the time of the end" after it secretly gained control of the world, therefore becoming "MYSTERY, Babylon the Great, the whore that sitteth upon many waters (NATIONS) committing fornication with the Kings of the earth." I guess we are together so far?

Archeological searches have uncovered, dear ones, much evidence of Babylon's social and economic systems there in Iraq near Baghdad, which were very similar to yours today--during the time that the Khazarian Elite ran the world. For instance, the Igibi Bank was found with thousands of clay tablet "notes" and "inter-est" (usury) (see how important that Khazar history now becomes and we must get back to more of it) bearing contracts, which served as their money.

Babylon loaned much money at interest (usury) to Persia (Iran) which, of course, Persia could not repay. Therefore, Persia conquered Babylon to eliminate its debt AND ACQUIRE BABYLON'S GOLD. (Is this beginning to make you nervous?)

Persia adopted the Babylonian usury system and loaned Greece much money at interest (usury). Greece, of course, could not repay the debt and conquered Persia to eliminate its debt AND ACQUIRE THE GOLD IN PERSIA.

Greece adopted the Babylonian usury system and loaned Rome much money at interest (usury). Rome of course, could not repay the debt and conquered Greece to eliminate its debt AND ACQUIRE THE GOLD IN GREECE.

After the fall of Imperial Rome, the various nations of Europe were kept in bondage and poverty by the AB's for many centuries, known as the "Dark Ages"! Where do you think you might be headed, world?

When the Babylonian civilization collapsed, 3% of the people owned all the wealth. When old Persia went down to destruction, 2% of the people owned all the wealth. When ancient Greece went down to ruin 0.5% of the people owned all the wealth. When the Roman Empire fell by the wayside, 2,000 people owned the wealth of the civilized world.... It is said, dear ones, that at this time less than 2% of the people control 90% of the wealth of America.

Now that you know some history (His Story) DO YOU DETECT A PATTERN IN THE AFFAIRS OF MEN AND NATIONS? Do you begin to understand that wars are created by the AB's, who Christ called Pharisees and accused them of shedding all the innocent blood from the time Cain

killed Abel? Now you might understand why Christ was crucified only three days after He threw the money-changers out of the Temple. **BETTER YET--NOW YOU MIGHT RECOGNIZE WHY "THE LOVE OF MONEY IS THE ROOT OF ALL EVIL."**

FREEDOM?

Was there ever a time when men were free of the usurers' yoke of bondage? Yes, and it was a glorious period that lasted for nearly six centuries and provided nearly "utopian" conditions for the working people in England, and for shorter periods in the other European nations. This period is known as the Renaissance, but the reason for it is a carefully kept secret. Why? Because the revelation of this knowledge would again result in the banishment of the AB's and a flowering of debt-free freedom.

In 1100 A.D. Henry I became King of England and found the treasury empty. The supply of gold and silver coin had mostly gone with the Crusaders to Palestine (oh woe is me) and a medium of exchange was urgently required. Rather than seeking loans from AB's, Henry issued into circulation for payment of government debt, or as receipts for goods and services rendered, marked pieces of wood called tallies.

These sticks varied in size from about four inches long up to some 8 1/2 feet long. The longest represented 50,000 pounds. Notches were cut into the side, the width of the notch representing the value in pounds sterling, and the amount written on two sides. (A pound sterling was originally an actual pound of silver.) The sticks were then split and one-half paid into circulation, debt free. They were readily used by the people in trade, because they derived their value from the fact that they were receivable in payment of taxes. When the tally was presented for payment of taxes, it had to exactly match, that is tally, with the half retained in the treasury, called a foil. Forgery was nearly impossible. Silver coins, continued to circulate also.

Usury (interest), being strictly prohibited by Scripture, was also prohibited by both the Christian church and government. However, there were those who continued the

evil practice until they were banished from England in 1290 A.D.--and would you care to guess where they went? That's right! With an honest and convenient money system, an English working man could supply his family's needs for a year by working only 14 weeks! This left a great deal of leisure time available for intellectual, religious and charitable pursuits. This is the reason that the incredible cathedrals of England and Europe were built completely with volunteer labor. Do you think that is amazing? What is really amazing is how this information, essential to your freedom, has been so successfully kept concealed from you!

This tally money system continued to operate in England until 1783, when it was abolished by statute. Nevertheless, tallies continued to be used in rural areas until 1826.

BABYLON RESURRECTED

The death knell of the tally system was sounded in 1694, when the King, William of Orange, granted a charter to William Paterson and his AB associates to establish the Bank of England as a fractional reserve central bank with monopoly power to issue bank notes at interest (usury). This date, 1694, is the most important date in American history, for the Bank of England has had a direct bearing on every major event in America since before your War of Independence.

AMERICAN FREEDOM

When the Pilgrims came to America, they did so with an abundance of faith and determination, but a dearth of knowledge concerning economics and human nature. They initially instituted a system of common ownership or "communism". As a result, over half of them died of starvation and disease. Quickly learning their lesson, every man was allotted his own parcel of land on which to grow his own food and build his own home.

With little money available, the primary means of exchange was barter. Gradually, some foreign coinage came into the colony and facilitated trade. However, as the economy of Massachusetts quickly grew, due to its hardworking people, natural resources and free enterprise, the need for a medium of exchange became acute.

Knowing about England's tally system, Massachusetts issued debt-free paper scrip into circulation in 1690. Despite problems that developed with this invention, due to there being no standard of value, the economy flourished with full employment. Other colonies adopted this system in varying degree and prospered also.

During this period there was no official banking system. A few "Loaning Offices" were maintained by the Colonies, but less than thirty private lending institutions existed in all 13 colonies! Today, they are more numerous than churches, by far.

REAL REASON FOR REVOLUTION

There have been many reasons put forth for the American colonies separating from England, their mother country, and the most powerful nation on Earth. Most of these were listed, in generalities, by Thomas Jefferson in the Declaration of Independence. The first two of these read as follows:

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend them.

What were these "most wholesome and necessary" laws that were of "immediate and pressing importance"? Again, a knowledge of TRUE history is necessary to understanding. If you've guessed by now that the AB's were involved, you are absolutely correct. The root of your War of Independence was the issuance of their own paper money by the colonies, beginning with 7000 pounds issued by Massachusetts in 1690, and culminating with the issue of "Colonials" by the Continental Congress.

In 1763, a century after The Bank of England was established, Benjamin Franklin was in England. He was asked to explain why the colonies were so prosperous while England was suffering. He replied:

That is simple. It is only because in the Colonies we issue

our own money. It is called "Colonial Scrip"--and we issue it in the proper proportion to the demands of trade and industry.

The Bank of England soon learned of this situation and forced Parliament to pass a Bill prohibiting the Colonies from issuing their own money. Franklin said, "Within one year from that date the streets of the Colonies were filled with the unemployed."

Later, Franklin said that this was the original cause of the War of Independence. In his own words:

The colonies would gladly have borne the little tax on tea and other matters had it not been that England took away from the Colonies their money, which created unemployment and dissatisfaction.

Yes, the laws referred to by Jefferson were primarily ones to provide for relief of the economic chaos then existing because of The Bank of England's usury money system that had been imposed on the Colonies.

Rothschild supplied some of the financing for the War through his agent Haym Solomon who operated through Robert Morris. This may seem contradictory to the uninformed, but it is a basic strategy for the AB's to instigate war and finance both sides, especially if it involves Christians killing Christians! The Rothschild fortune began when Mayer Amschel Rothschild provided the Hessian mercenaries for King George to kill American patriots.

All of the loans that the Continental Congress obtained were insufficient to totally finance the war. Furthermore, under the Articles of Confederation, Congress had no authority to impose taxes or issue money. Nevertheless, since desperate situations require desperate measures to correct, Congress began to issue the debt-free money known as "Continental's".

Knowing, long before Lenin expressed it that, "The surest way to destroy a nation is to debauch its currency," the English proceeded to bring in shiploads of counterfeit Continentals which, combined with Congress' inability to tax them out of circulation, caused them to depreciate to practically nothing by the end of the war. But

they had served their purpose and were the means by which you were able to obtain your liberty. Rather than being denigrated, they should be revered as much as your Declaration of Independence.

SURRENDER

This now brings you to the post-war period which was already somewhat noted. Having fought and won a bloody war against overwhelming odds, the politicians then surrendered your hard-won freedom to the same cabal of AB's who had brought on the war, by granting them a charter for the First Bank of the United States. You were free from their control for a mere 15 years. The AB's agent through whom your slavery was re-established, Alexander Hamilton, was an Englishman from the West Indies whose real name was Levine (ouch!). He took the name of this step-father after his mother divorced and remarried. However, he claimed to be the illegitimate son of Hamilton, which was much more socially acceptable at the time than being a Khazarian Jew.

DEFINE THE DOLLAR

The Coinage Act of 1792 defined a "dollar" as 371.25 grains of .999 (fine) silver and 24.75 grains of pure gold, establishing a bi-metallic standard at a ratio of 15 parts of silver equal to one part of gold.

The Mintage Act of 1837 again defined the dollar as 371.25 grains of fine silver but reduced the dollar of gold to 23.22 grains of pure gold, a new ratio of 16 parts silver equal to one part gold.

In 1873, a "trade dollar" was established of 378 grains while a dollar in gold was retained at 23.22 grains, changing the ratio to 16.28 to one. But a defacto gold standard was established.

In 1878 the Band-Allison Act restored the fine silver content of the dollar to 371.25 grains and the silver/gold ratio of 16 to one.

The Gold-Standard Act of 1900 placed you completely at the mercy of the AB's who control the worlds gold. (They "fix" its price every day in London at the offices of N.M. Rothschild and Sons.) While retaining

silver as legal tender, it eliminated the bi-metallic standard which had precluded the AB's from completely controlling your currency.

KILLING OF THE BANK

Now let us again look back at the War of 1812. After winning the war the U.S. was in bad economic condition. But Congress again turned your victory into defeat by chartering the Second Bank of the United States, which was virtually a clone of the First Bank of the United States and The Bank of England, set up on the Khazarian Elite rules of the Protocols as far back as Babylon.

When Andrew Jackson became President in 1829, he declared war on the AB's. He told them in scathing words, "You are a den of vipers and thieves and I intend to rout you out, and by the Eternal God, I will rout you out." [They just don't make 'em like they used to!] He vetoed renewing the Bank's charter and in his message to Congress said:

The bold efforts that the present bank has made to control the government, the distress it has wantonly caused, are but premonitions of the fate which awaits the American people should they be deluded into a perpetuation of this institution or the establishment of another like it.... if the people only understood the rank injustice of our money and banking system there would be a revolution before morning.

Jackson removed U.S. funds from the Second Bank of the U.S. and placed them in state banks. He also eliminated the national debt. It is a sheer miracle that he was not assassinated. An attempt to kill him was made on Jan. 30, 1835, by one Richard Lawrence with two pistols. **BOTH** misfired. How quaint! But, Lawrence was tried and found innocent after he was traced back into the inner circle of the AB's. He got off by pleading insanity. However, he later boasted of his contact with European bankers who had promised to protect him if he were caught.

The AB's continued their nefarious efforts to establish another central bank without success. Nevertheless, they were able to create confusion and

chaos in your money system through the state-chartered banks. However, they despaired of again establishing a central bank through which they could control the entire U.S.--until they could find a way to cause it to appear as something other than a central bank.

CIVIL WAR PLOT

This is how the plot was hatched to conquer by dividing the U.S. into two nations. The AB's decided to instigate a war between the North and the South over the slavery issue. The London branch of the Rothschilds financed the North (in part) through their agent, August Belmont (Schoenberg) and the Paris branch financed the South through their agents, Judah P. Benjamin and John Slidell. Have you heard these names before? I most certainly do hope so, chelas, lest we have wasted hours and hours for naught.

However, the AB's, thinking that they had Lincoln at their mercy, overstepped themselves. When the Union requested loans from the private banks to conduct the war, the AB's demanded 28% interest. This angered Lincoln and he proceeded to have Congress authorize, in three issues, a total of \$450,000,000 worth of U.S. Notes, called "Lincoln greenbacks", which were paid directly for goods and services required for the war. These issues of debt-free money not only saved the Union but would have destroyed the power of the AB's. The *London Times*, an AB's paper, editorialized:

If this mischievous financial policy, which has its origin in the North American Republic, shall become indurated down to a fixture, then that government will furnish its own money without cost. It will pay off its debts and be without debt. It will have all the money necessary to carry on its commerce. It will become prosperous without precedent in the history of the world. The brains and the wealth of all countries, will go to North America. That government must be destroyed or it will destroy every monarchy on the globe.

Lincoln said of the AB's:

The money power preys upon the nation in times of peace and conspires against it in times of adversity. It is more despotic than monarchy, more insolent than autocracy, more selfish than bureaucracy. It denounces, as public enemies, all who question its methods or throw light upon its crimes.

I have two great enemies, the Southern Army in front of me and the financial institutions in the rear. Of the two, the one in my rear is my greatest foe.

In July 1862, the infamous Hazard circular was circulated among American bankers by the London AB's:

Slavery is likely to be abolished by the war power and chattel slavery destroyed. This I and my European friends are in favor of, for slavery is but the owning of labor and carries with it the care of the laborers, while the European plan, led by England, is that capital (AB's) shall control labor by controlling wages. This can be done by controlling the money. The great debt (national) that capitalists will see to it is made out of the war, must be used as a means to control the volume of money. To accomplish this the war bonds must be used as a banking basis. We are now waiting for the Secretary of the Treasury to make this recommendation to Congress.

I honestly do not see how you as a nation are not in the retching stage of pure sickness and vomiting at this very minute. What does it require to make you look at this beast? It has eaten you all the way up to your necks.

SO LET'S EXPAND SLAVERY

Salmon P. Chase, Secretary of the Treasury, and Congress succumbed to the pressure of the AB's--it never seems to fail. The National Bank Act of 1863 was the result. The AB's again gained the power to create your money as debt, but not exclusively so at that time.

Later, Chase repented of his action, saying:

My agency, in promoting the passage of the National Bank Act, was the greatest financial mistake of my life. It has built up a monopoly which affects every interest in the country. It should be repealed, but before that can be accomplished, the people will be arrayed on one side and the bank on the other, in a contest such as we have never before seen in this country.

In a letter to the London branch of the Rothschild AB's, Congressman John Sherman of Ohio said:

The few who can understand the system will either be so interested in its profits, or so dependent on its favors, that there will be no opposition from that class, while on the other hand, the great body of people, mentally incapable of comprehending the tremendous advantages that capital derives from the system, will bear its burdens without complaint and perhaps without even suspecting that the system is inimical to their interests. [Well, so much for that, eh? That is exactly what they thought and think of you-the-people!]

In 1872, Horace Greely said about the National Bank Act:

We have stricken the shackles from four million human beings and brought all laborers to a common level, not so much by the elevation of the former slaves as by practically reducing the whole working population, white and black, to a condition of serfdom. While boasting of our noble deeds we are careful to conceal the ugly fact that by our iniquitous money system we have nationalized a system of oppression which, though more refined, is not less cruel than the old system of chattel slavery.

In order to protect their money monopoly and prevent the expansion of the honest, debt-free money system instituted by Lincoln, he had to be eliminated. And so he was. JOHN WILKES BOOTH WAS A MEMBER OF "THE KNIGHTS OF THE GOLDEN CIRCLE", A SECRET SOCIETY WHICH WAS CONTROLLED BY THE AB'S, AS ARE

VIRTUALLY ALL SECRET SOCIETIES TODAY! They can be identified by their promotion of the AB's deceptive religious philosophy: "The Brotherhood of Man under the Fatherhood of God". This subject will be covered in future writings for once again the heinous has usurped the perfection in intent to defraud, distract and deceive you. Do you EVER wonder WHY GOD SHOULD WANT TO SAVE YOUR ASSETS? SO BE IT.

RIGHT ON AND FAR-OUT

Bismark, Chancellor of Germany, made the following statement regarding the death of Lincoln:

The death of Lincoln was a disaster for Christendom. There was no man in the United States great enough to wear his boots, and the bankers went anew to grab the riches of the world. I fear that foreign bankers with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. They will not hesitate to plunge the whole of Christendom into wars and chaos in order that the earth should become their inheritance.

MOVING ON UP INTO THE 1870's

With their increased power, the AB's managed to implement their ancient scheme of establishing a "gold standard" in the U.S., as well as in several European nations at about the same time. This was accomplished by bribing Congress to pass the Coinage Act of 1873 which became known as "The Crime of '73". This Act, while providing for the mintage of a new silver "trade dollar" of 420 grains of standard silver, was only made "legal tender" for payments not greater than five dollars, thus effectively demonetizing silver and destroying the Constitutional bi-metallic standard.

The ensuing monetary crisis forced Congress to pass the Band-Allison Silver Act of 1878 over the veto of President Hayes. This act re-monetized the dollar of 412.5 grains of standard (.90) silver by repealing its legal tender limitation of five dollars. The mint was ordered to coin between two million and four million dollars per month and to exchange them for

silver certificates on demand. The infusion of this debt-free money into circulation caused the economy to flourish.

AH, BUT A CROSS OF GOLD

The AB's could not tolerate this situation since it reduced the demand for their bank credit and enabled the people to pay the otherwise unpayable interest on their mortgages. Thus, the AB's inaugurated a propaganda campaign promoting the "gold standard" during the rest of the century, culminating in the heated Presidential campaigns between McKinley and Bryan in 1896 and 1900. Bryan, who made the famous statement, "You shall not press down upon the brow of labor this crown of thorns--you shall not crucify mankind upon a cross of gold"! lost both elections due to the frantic efforts of the AB's--and so has it continued to be.

GOLDEN RULE

The Gold Standard Act of 1900 was passed by Congress on March 14, stating: "That the dollar consisting of twenty-five and eight-tenths grains of gold nine-tenths fine...shall be the standard unit of value." Thus was enshrined the AB's "Golden Rule", "He who owns the gold, RULES!" THE "MASTER PLAN" OF THE AB's FOR ESTABLISHING THEIR RULE OVER THE WORLD CONTAINS THIS STATEMENT:

YOU ARE AWARE THAT THE GOLD STANDARD HAS BEEN THE RUIN OF STATES WHICH ADOPTED IT, FOR IT HAS NOT BEEN ABLE TO SATISFY THE DEMANDS FOR MONEY, THE MORE SO THAT WE HAVE REMOVED GOLD FROM CIRCULATION AS FAR AS POSSIBLE. [And so you can see WHY it can't work and WHY you have no gold in reserve in Ft. Knox or elsewhere--the Khazar Elite AB's have removed it from your nation and into their banks in foreign lands.]

The MASTER-PLAN will get more attention but I want to continue with the Central Bank PLOT.

THE PLOT

With the Gold Standard firmly in

place, the AB's took aim on their greatest prize: a Central Bank. In order to generate popular support for banking reform, the AB's created the panic of 1907. Congressman Charles Lindbergh, Sr. said, "The money trust caused the 1907 panic and thereby forced Congress to create a National Monetary Commission."

The National Monetary Commission was established by Congress following the Panic of 1907 for the purpose of finding the faults in our economy and proposing corrective legislation. Senator Nelson Aldrich was named as chairman, thus assigning the fox to guard the hen house. After two years of high living in Europe at taxpayers' expense, "studying" the European banking system, the commissioners returned to the U.S.

ALDRICH WAS GRANDFATHER OF THE ROCKEFELLER BROTHERS, and was the NAMESAKE of NELSON ALDRICH ROCKEFELLER, THE NOTORIOUS GOVERNOR OF NEW YORK, EMPLOYER OF HENRY KISSINGER AND PATRON SAINT OF RICHARD NIXON!

Another member of this commission was Jacob Schiff of Kuhn-Loeb and Co. who had helped to finance the bloody Bolshevik Revolution in Russia to the tune of over \$20,000,000 in days when that, dear ones, was a LOT of cash. Schiff was born in the house which his family shared with the Rothschilds in Frankfurt, Germany. Now aren't you sorry you didn't pay better attention to history?

Immediately after the commission returned from Europe, Aldrich called a secret meeting of Rothschild agents. Those men met on November 22, 1910 at the Hoboken, N.J. railway station and boarded Aldrich's private parlor car with shades drawn. Their destination? The private hunting club of J.P. Morgan and associates at Jekyll Island, Ga. Their mission? To draft the document that would undermine the Constitution of the U.S. and enable the AB's to become the absolute masters of America. Yes, by golly--I certainly have told you all this before--why didn't you remember it? I am weary of repeating myself.

The chief architect of this plan was Paul Warburg of Kuhn-Loeb and Co. who was sent from Frankfurt,

Germany to accomplish this task, as a Rothschild agent. His salary was \$500,000 per year and that, too, was a whole bunch in those "good ol' days"!

GREATEST CRIME

The Federal Reserve Act has been well covered in our Journals and elsewhere so we won't bury you in more tiny detail. The Act has been amended more than 200 times. It suffices to say that Congress had NO AUTHORITY WHATSOEVER TO TURN ITS POWER TO ISSUE YOUR MONEY OVER TO A PRIVATE CORPORATION, ESPECIALLY ONE WHOSE CLASS-A STOCK IS OWNED PRIMARILY BY ALIEN AB's. Those aren't space aliens, dear ones. Nevertheless, they did so, with large majorities of those voting in both houses violating their oaths of office--JUST AS TODAY!

The Federal Reserve was established by the Owen-Glass Bill when it was passed by the Senate (43 to 25) on December 22, 1913 and the House of Representatives (209 to 60) [do you suppose they were trying to go home for the holidays?] on December 23, 1913. It was IMMEDIATELY signed into Law by President Woodrow Wilson. It has since been called The Federal Reserve Act and the private central bank which it established is called, simply, "The Fed". When the bill passed, Congressman Charles Lindbergh, Sr. said:

This Federal Reserve Act established the most gigantic trust on Earth. When the President signs this bill the invisible government of the Monetary Power will be legalized.

The lengths to which the AB's went to insure passage of their Treason Act knew no bounds. For instance, to insure that their agent Woodrow Wilson would become President, they financed Teddy Roosevelt and his "Bull Moose" Party to split the Republican Party and defeat Taft.

Twenty years later, Congressman McFadden said, "The sack of the United States by the Fed is the greatest crime in history."

Indeed, indeed!

Let us have a rest and then, yes, I AM! I am going to tell you AGAIN!

ABOUT MCFADDEN AND HIS SPEECH--I WISH I COULD REQUIRE YOU ALL TO COMMIT IT TO MEMORY!!

Hatonn to clear, please.

5/12/91 HATONN
SUNDAY

MOTHER'S DAY

Hatonn present in Lighted service. Ah, might I share that which just went through Dharma's mind? She ponders for she faces the following--for the fourth year in a row--no celebration--just a keyboard and old Hatonn. Then she sighed and thought; I haven't been such a good Mother for I neglect my children in accepted categories of shopping and tending and here is another Holiday in which I appreciate them more for allowing me to do my work without guilt of being ungracious to visitors. Ah, but chela, the next was that which is honorable--she thought, "I am so humbly grateful that nine beings would choose me for a mother and step-mother and THAT must be what Mother's Day should be about." A child should honor the parents, if they must--on their own birthdays for the gift of birth--and the parents should thank the children on Mother's and Father's Days for the blessings of "choice". So be it. And for you who feel your (our) work is going wanting--at this weekend meeting (Ed. Note: A grand UFO convention in Los Angeles, California) there will be more response to our portion than all others placed together--moreover, the word is flowing out faster than the sign-up for books can be written.

The WORLD is your child, Mothers and Fathers--and as you come into balance, so shall the child and as the child comes into balance--oh precious ones, so shall the grandchildren! Last year and the year before, I brought much pain when I asked, "Have you been a responsible Mother?" Then I asked ones to check the criteria under which they responded. The guilt flowed like syrup and the whole response was so sticky that we lost a lot of readers. **WHATEVER YOU DID AND DO WAS THE BEST YOU COULD AT THE TIME--YOU COULD NOT KNOW OTHERWISE AS TO FUNCTION FOR YOU WERE BEING TAUGHT ALL THINGS AGAINST THE LAWS OF**

GOD AS PROPER FUNCTION. NO, you did as you did--no more and no less--so let us see that which is wrong, rise above the guilt trip and punishment for that which was or "might have been --if--". It only WAS. Let us all come into understanding now so that we can bring about the oneness of God that this journey may have been served in goodness. 'Tis far better to serve food and nurturing in Truth unto the masses of starving children than to feed one tiny hungry child and leave the others to starve--for it, too, shall only finally be left to the starvation if you must depart from it. Man may exist by bread alone--he cannot LIVE by bread alone. We must correct the errors in judgments which have allowed a world to flounder and then fall into despair, by seeing the errors and the cause of the disease--then we can bring it again into wholeness.

Dharma, as a "mother", ye are honored this day, child--indeed, indeed and one day the world shall know the truth of it. We shall give you the "Secretary of the Week" award for we are giving unto the world a different drumbeat to which to march and it shall pull thine own from out of the darkness as well. So be it for 'tis surely so--THE HAND THAT ROCKS THE CRADLE, SHALL RULE THE WORLD. IT IS SO SAD THAT SO MANY CRADLE-ROCKERS TAUGHT THAT WORLDLY GAIN AND POWER WOULD SOLVE MAN'S PROBLEMS. MOTHER LOVE HAS CAREFULLY BEEN EXCISED AS SURELY AS WITH A SURGEON'S SCALPEL, AND SLOPPILY AT THAT, SO THAT THE VERY MOTHER BLEEDS TO DEATH. OPPORTUNITY TO SERVE GALLANTLY IS KNOCKING UPON OUR DOORS--PLEASE, MAY WE ANSWER IN ACTION AND HONOR FOR TODAY COMES THE OPPORTUNITY TO MAKE A "GREAT CHANGE ABOUT". DO YOU "MOTHERS" NOT UNDERSTAND THAT YOU ARE THE MOTHERS OF GOD? PONDER IT CAREFULLY.

BACK TO MCFADDEN

Can you wondrous masses of Man win the war? Of course, for think upon it for a bit. The Anti-God/Christ Banksters (AB's) have cast God out of all operations. They are not any ONE group or race or nationality--even though they be headed by an original

"group"--they were motley then and they are motley now. SO, HE WHO COMES INTO TRUTH WHICH IS GOD--COMES INTO THE UNION WITH GOD. NOW COME, CHELAS--IF GOD IS ALLOWED TO STAND AGAINST THE BEAST--WHO WINS? EVEN THE BEAST KNOWS HE IS BEATEN AND THE POINT IS TO KEEP YOU ONES FROM FINDING OUT AS MUCH!

The seventh seal was opened and read in Revelation. The adversary wiped it from the WORD so you would not know and would follow his lies. IT DOES NOT HAVE TO END THE WAY THE PROPHECIES HAVE BEEN PUT TO YOU--FOR THEY ARE NOT OF THE WORD OF GOD IN FULLNESS--THEY WERE TAMPERED BY THE ADVERSARY TO CAUSE YOU TO MARCH TO DESTRUCTION AS THE LEMMINGS TO THE SEA WHILE HE GAINED CONTROL OF YOUR PLANET. AS WITH THE EVIL BROTHER, HE ALWAYS DECEIVES WHILE FLATTERING YOUR IGNORANCE INTO BELIEF OF TRUTH--FOR HE IS THE KING OF DECEIVERS, THE PRINCE OF DARKNESS; HE WORKS MAGIC AND MYSTICAL NONSENSE AND TRAINS YOU TO FOLLOW LIKE THE PUPPET ON THE STRINGS WHILE HE IS PUPPET-MASTER. NO, NO, NO--IT NEED NOT BE THE WAY IT IS PROJECTED!

Congressman McFadden, as chairman of the House Banking and Currency Committee for over ten years, was the foremost Congressional authority on the Fed and fearlessly exposed their criminal activities. But his efforts to destroy the Fed could not overcome the power of the AB's. However, his warnings are even more pertinent and important today than when he spoke in the 1930's. Speaking to Congress he said:

Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Banks, hereinafter called the Fed. The Fed has cheated the Government of these United States and the people of the United States out of enough money to pay the Nation's debt. The depredations and iniquities of the Fed has cost this Country enough money to pay the National debt several times over.

This evil institution has impoverished and ruined the people of these United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the maladministration of that law by the Fed and through the corrupt practices of the moneyed vultures who control it.

Some people think that the Federal Reserve Banks are United States Government institutions. They are not Government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lenders. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into states to buy votes to control our legislatures; there are those who maintain international propaganda for the purpose of deceiving us into granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.

These twelve private credit monopolies were deceitfully and disloyally foisted upon this Country by the bankers who came here from Europe and repaid us our hospitality by undermining our American institutions. Those bankers took money out of this Country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along. They instigated the separate peace between Germany and Russia and thus drove a wedge between the Allies in the World War. They financed Trotsky's passage from New York to Russia so that he might assist in the destruction of the Russian Empire. They fomented and instigated the Russian Revolution, and placed a large fund of American dollars at Trotsky's disposal in one of their branch banks in Sweden so that through him Russian homes might be thoroughly broken up and Russian children flung far and wide from their natural protectors. They have since begun the breaking up of American homes and the dispersal of American children.

Mr. Chairman, there should be no partisanship in matters concerning

banking and currency affairs in this Country, and I do not speak with any.

In 1912 the national Monetary Association, under the chairmanship of the late Senator Nelson W. Aldrich, made a report and presented a vicious bill called the National Reserve Association bill. This bill is usually spoken of as the Aldrich bill. Senator Aldrich did not write the Aldrich bill. He was the tool, if not the accomplice, of the European bankers who for nearly twenty years had been scheming to set up a central bank in this Country and who in 1912 had spent and were continuing to spend vast sums of money to accomplish their purpose.

We were opposed to the Aldrich plan for a central bank. The men who rule the Democratic Party then promised the people that if they were returned to power there would be no central bank established here while they held the reigns of government. Thirteen months later that promise was broken, and the Wilson administration, under the tutelage of those sinister Wall Street figures who stood behind Colonel House, established here in our free Country the worm-eaten monarchical institution of the "King's Bank" to control us from the top downward, and to shackle us from the cradle to the grave.

After McFadden was disposed of--for he HAD TO BE DISPOSED OF--the AB's continued their program of mass murder by instigating World War II, Korea and Viet Nam, bleeding America both literally and financially. Hundreds of books have been written by expert authorities detailing the treasonous activities of AB agents in the White House and Congress. Virtually all of these books have been suppressed. Occasionally, by miracle or accident, a true expose' will reach your library shelves, only to be quickly removed. So be it--we shall simply keep placing them there--from now on in it will get harder and harder to silence Truth for God is sending the Truth. And God gives honor without limit unto those brave pioneers who have set the stage to allow for the WORD TO GO FORTH! I can't even begin to honor them all properly but we shall do so as soon as we get the information unto you for at some point you must start "action" with intent and stop searching for one more piece of confirmation. You have it, you KNOW it; so let us haul assets and get

the darkness out of the temples. I don't care what "religious creed" you claim or the color of your skin--are you a creation called "human" or not? If you are, you are in trouble and it is to YOU I speak, for God has no favorites--that recognition is a conjured up thing of evil and the Elite Anti-God Banksters--the epitome of the god of evil who dwells only in the things and functions of the "physical manifestation".

Virtually all of the books concerning the Truth have been suppressed and the authors destroyed. Is Dharma different? Golly no, I just told you that she is the top of the list for "REMOVAL". BUT--SHE WRITES FOR GOD AND THEY KNOW IT AND BELIEVE ME, THEY ARE NOT SO BRAVE WHEN IT COMES TO DIRECT CONFRONTATION WITH GOD FOR THEY ALWAYS LOSE THE ROUND. IT IS A STUPID AND IGNORANT HUMAN WHO EVEN "TRIES". THERE ARE SEVERAL VERY BRAVE AND GALLANT ONES IN OUR PROTECTION ACCORDING TO THEIR WISHES--THOSE WHO BELIEVE THEMSELVES TO BE TOO GREAT TO NEED PROTECTION ARE SIMPLY CORRUPTED OR TAKEN OUT--BEING RENDERED USELESS UNTO TRUTH IN EITHER EVENT. IS DHARMA SOMEHOW SUPERHUMAN? IS COL. JAMES GRITZ SUPERHUMAN? NO, THEY ASK FOR GOD'S PROTECTION SO THEY CAN FINISH THEIR JOBS AND THEN GO HOME WHILE THEY ALSO ACCEPT THAT WHICH GOD SHALL CONSIDER TO BE THEIR "HOME". THEY HAVE NOTHING WHICH IS NOT AVAILABLE TO ALL WHO COME INTO GOD INTENT WITHIN THE LIGHTED REALMS AND ASK!

Well, how can God take a Man who was a pattern for the killing machine of a Rambo? GOD CARES NOT THAT WHICH A MAN "WAS"--GOD ONLY SEES WITHIN AT THAT WHICH A MAN "IS"!

I have written so much detail about this subject that I make no attempt to elaborate on the matter. I am efforting to bring it into some type of "summary" whereby you can look at it more conveniently without interruption and as a "refresher" to the ones who have been following along constantly.

WE know that it is all but impossible to live and make it through the equivalent of 35 books of over 200 pages each and all the Expresses as well as gain any confirmation from other suggested information. So you who think repetition is unnecessary, please KNOW THAT IT IS!

It is important to you new watchers, for instance, to know right off of involvements--such as how the AB's set the stage and orchestrated wars--i.e., World War II. The roots of the war go back to the end of World War I and the Versaille "Peace" Treaty. And you "old" readers need the refresher for you have been bombed with information and you MUST hear and see it again.

THE AB's DESTROY GERMANY

One of the most favored examples of "fiat" money or "printing press inflation" which the "gold bugs" or "sound money" advocates use to condemn government issued money is the inflation of the German mark after WW-I. They do so as either ignorant dupes or deceiving agents of the AB's.

The true story of this crime against the German people has been beautifully detailed elsewhere so I shall skim over it quickly.

The World War ended in 1918. As of March 31, 1919, just before the "Peace" Conference was called and the Versailles Treaty signed, the price levels of Germany were only 117% higher than they were before the World War began. This was a smaller price rise than had actually taken place in the United States. The public debt of Germany from the beginning of the World War until March 31, 1919, had increased one hundred thirty billion Marks. In terms of dollars that would be, roughly, thirty billion dollars. The United States had increased its own public debt to a similar amount.

The German financial structure was not in any condition whatever to warrant the destruction of the currency, if that had not been the planned intention of the international money-lenders.

Under the terms of the Versailles Treaty, practically all of Germany's gold was taken away from her, together with 75% of her iron ore

deposits and mines. All of her colonies were taken away and about 25% of her other physical property. The terms of this Treaty were diabolical. They were directed to destroy the real German people. From the time of the signing of the Treaty in June 1919 until the beginning of 1922, the international money powers who were in control of the Reichsbank and the German Government were manipulating to gain control of actual physical property in Germany. They went so far as to get the banking laws of Germany drastically changed, so that they could borrow unlimited amounts from the Reichsbank and purchase physical property with the knowledge that the loans could later be repaid with worthless currency.

To give one some idea of the volume of currency that was turned out in Germany, one has only to note what happened to the price levels. Remember that during the war the German price levels had not increased as much as they had in the United States. In 1920 the price level in Germany increased 1500% over the pre-war level; in 1921 it reached 3500% over the pre-war level, and by October 23rd, when the currency became worthless, it was 709 BILLION PERCENT over the pre-war level. In other words, predatory internationalists had printed private marks and forced them into the money stream with the avowed purpose of destroying the money system of Germany. That meant the destruction of all insurance policies and mortgages owned by the real German people.

The international bankers had prepared themselves. They had obtained control of the physical properties and could later pay loans, many of which had been manipulated through the privately owned Reichsbank, with worthless money.

The inflation in Germany was misnamed. It was not a German inflation. It was a private money issue inflation, perpetrated by international schemers.

The inflation was not a government money inflation. It was an inflation of private Reichsbank notes. The officers of the Reichsbank--a privately owned institution--were responsible for issuing money in sufficient volume to destroy the entire banking structure and make all of the money of Germany worthless. And if you can't

see that which is coming down on America with the endless outflow of TRILLIONS of unbacked phony money into everything from welfare to the welfare programs of every other nation in the world, to support and financing of endless wars and defense--of other nations, not yours, then you are blind, chelas!

If you are wondering why the Germans accepted such devastating terms, it might have had something to do with the fact that, among the dozens of AB's agents at the conference, Paul Warburg (one of the biggest bankers in your own nation), Vice-Chairman of the Federal Reserve, was advising the American delegation, while his brother, Max Warburg, who had been chief of the German secret service, sat across the table advising the German delegation.

The Germans, not being exactly stupid, knew to whom they had sold their homes, farms and business for what quickly became bags of worthless Marks. Consequently, when the little corporal appeared pointing a finger in the right direction, he became quite popular (for they recognized the ones now labeled, by themselves, self-styled "JEWS"; NOT JUDEANS--SELF-MADE, SELF-STYLED "JEWS". AH, BUT THE SELF-STYLED ELITE MADE SURE THE HOSTILITY CAME AGAINST THE INNOCENT JUDEANS OF JUDEAN HERITAGE. AND WORSE, THEY STILL THRUST THE LIE UPON YOU AND YOU BELIEVE IT!).

Seeking to control Hitler, the AB's initially financed his rise to power. However, after achieving power Hitler doubled-crossed the AB's and instituted a debt-free money system. This enabled Germany to go from being an impoverished nation to becoming the most powerful military nation on Earth in less than five years. Hitler had to be destroyed. And so he was. But in order to do so, it was necessary to involve the U.S. in the war before the Nazis (National Socialists) in Germany could destroy the Communists (International Socialists) in Russia. If your leaders had been acting in your best interests you would have let the socialists destroy each other and then picked up the pieces.

Most Americans now know or suspect that the Japanese were instigated into attacking you at Pearl Harbor, but do

nothing. You KNOW by now that the Japanese responded to Roosevelt's "back door" method of involving you in the war, which most Americans opposed. As planned, Russia was the real victor of WW-II. England supposedly declared war on Germany because of Hitler's invasion of Poland. But Roosevelt and Churchill treasonously connived with Stalin to turn, not only Poland, but all of the Eastern Europe as well as east Germany over to communist Russia.

Lest the uninformed reader take offense at the charges repeated here against F.D.R., perhaps two statements of his own will create some enlightenment. In a personal communique to Stalin of Feb. 6, 1945, FDR said: **"I hope I do not have to assure you that the United States will NEVER LEND ITS SUPPORT IN ANY WAY TO ANY PROVISIONAL GOVERNMENT IN POLAND THAT WOULD BE INIMICAL TO YOUR INTERESTS."** AND THEN WE ALLOW CREDIT FOR HE SUMMED IT UP: **"IN POLITICS, NOTHING HAPPENS BY ACCIDENT. IF IT HAPPENS, IT WAS PLANNED THAT WAY."**

You and these captive nations have paid dearly ever since in ever increasing amounts. The only difference in them and you in America is that, for the most part, you do not yet realize that you, too, are a captive nation. However, this realization is happening, and suddenly with the next AB's harvest, which will make the Great Depression appear to have been a Sunday School picnic by any comparison. It has begun and what have you done about it?

Have you brought any sums into any measure of shelter? We have made suggestions according to your requests and yet you look at the stock-market every day and revert to thinking all is fine and filled with good-news. How can it be? Because they are giving you exactly the opposite of that which is expected--rising or at the least, hovering stock prices and low gold (relatively for this sequence) prices. We care not about the price of gold but the relative value of gold--if an ounce of gold at \$400 buys a suit of clothes, then in depression an ounce of gold at \$35 will buy a suit of clothes. You must rise above the expectation of reaping great "quantity" of "dollars" in bad times--for the dollar is intended to

be "gone", "gone", "gone". The gold backing has long, long since been removed from your reserves and taken to Europe in the accounts of the AB's--LONG AGO. All you have with which to work is that which can be obtained as buffering through reliable resources--which obviously, is limited. Further, the intent is to bring down regulations by which the remaining "stores of you-the-people will be confiscated" just as was done before. Hard times? Bad news? Yes--but do you think it better to just let the bricks hit you? Forget it--for the bricks might just not KILL you and you will be at greater disadvantage to get through this time totally crippled. THE AB's THROUGH THE POLICE FORCE OF THE NEW "ONE WORLD GOVERNMENT" HEADED BY THE SOVIET UNION (AND THE SOVIET POLICE ARE MAKING THE ROUNDS OF THE U.S. CITIES RIGHT NOW, IN PREPARATION) INTEND TO TAKE IT ALL AND ENSLAVE YOU. I KNOW OF NO WAY TO STRESS IT FIRMLY ENOUGH--IT IS ALL BUT DONE! What would I do? I would take my assets and run, RUN, to the Phoenix Institute, as example, and get that reserve funding you think you have safely tucked away against the rain and get it working against the collateral of gold--the last thing they will do is confiscate their own collateral--but they will do that also--but, you will have some projects in building which CAN give you some foundation for continuation. Will the AB's finally get that too? It depends solely upon that which you-the-people do. How long will you be able to utilize this method of investment? Until "they" realize it--except that they are getting their blood also and until source runs out--they are happy to have you work "with" them, within their own laws. GOD FULLY INTENDS TO UTILIZE THEIR OWN CHAINS WITH WHICH TO BIND THEM! HOLD IT IN YOUR HEARTS!

ARROGANCE OF POWER

The power of the AB's is now so great and their control so complete that they regularly expose themselves and their plans to a deluded and befuddled public. But only as fiction through their publishing and entertainment empires in New York and Hollywood.

One such example is "*Captains and Kings*" by Taylor Caldwell, a well-

informed, patriotic Christian author. This story is a thinly-veiled account of the Kennedy clan but deals with the real power behind the public puppets. The AB's were so impressed with this excellent, fictionalized revelation of their power that they made a major TV mini-series out of it. Ah, 'twill be the EGO which rings the curtain down.

The AB's derive a great deal of pleasure from slapping you in the face with the truth, KNOWING THAT YOUR IGNORANCE, GULLIBILITY AND PENCHANT FOR DENIAL WILL PREVENT YOU FROM SEEING THE TRUTH. Their thought-control over the minds of Americans via the media is now so great that you respond to their "crisis management" like a pack of Pavlov's dogs salivating at the sound of a bell. Regularly, you are tested to check the status of their work, i.e. a nice little Gulf War where YOU are the aggressor and still, you wave your yellow ribbons, go absolutely mad while the blood drips from your hands--and proclaim GOD IS WITH YOU! YOU ARE IN THE SERVICE OF THE ANTI-CHRIST/GOD AND YOU WORSHIP IT IN MASS HYSTERIA AT THE FEET OF THE PUPPETS MURDERING YOU AND YOUR BELOVED NATION/WORLD.

Let us look at a bit of Taylor Caldwell's writing:

This book is dedicated to the young people of America, who are rebelling because they know something is very wrong in their country, but do not know just what it is. I hope this book will help to enlighten them.,

President John F. Kennedy knew what he was talking about when he spoke of "the Gnomes of Zurich". Perhaps he knew too much! Coups d'etat are now growing too numerous. This is probably the last hour for mankind as a rational species, before it becomes the slave of a "planned society". A bibliography ends this book and I hope many of my readers will avail themselves of the facts. That is all the hope I have."

I, Hatonn, can emphasize the last sentence to be truth. The bibli-

ography is the most important segment in her book!

WHO OWNS THE FED?

The AB's did everything possible to conceal their identities as owners of the Fed, primarily through the use of interlocking directorates. One man, Eustace Mullins, who had been victimized by "the system", undertook the selfless task of researching the entire subject. Mullins is a man to whom I give great, great honor and have done so since the beginning of our writing. He has given his life to the intent of informing you-the-people at total risk to self. He is under our protection also--for HE HAS ASKED OF GOD TO ALLOW HIM TO REMAIN IN SERVICE. WE HAVE LITERALLY BLINDED THE EYES OF THE FBI AGENTS FOLLOWING HIM TO ALLOW HIM TO PASS AN INTERSECTION WHERE HE WOULD HAVE BEEN ASSASSINATED. WILL GOD TEND OF YOU? INDEED, IF YE ASK IN TRUTH OF INTENT AND PURPOSE. THESE ONES WHO "SERVE" DO NOT CONSIDER THEMSELVES TO BE "GODLY" NOR "RELIGIOUS"--THEY STAND FOR TRUTH AND NATION UNDER GOD. YOU-THE-PEOPLE HAVE FORGOTTEN WHAT THAT MEANS!

If you want further confirmation after reading the Journal dealing with the subject, get SECRETS OF THE FEDERAL RESERVE by Eustace Mullins (if you can find it). Because it is removed over and over again from the shelves, I personally utilized other authors (who had utilized Mullin's work so that you could have confirmation of that which I bring you). I honor the authors for I have no intent of giving you anything which is "NEW"--EVIL WAS THE FIRST ONTO YOUR PLANET AND THEREIN WAS TRUTH FIRST SENT FORTH CHANGED INTO THE LIE. MY "BATTLE" IS AGAINST THE FORCES OF EVIL FOR I COME AS A HOST OF GOD OF LIGHT--YOU GET YOUR OWN CONFIRMATION, IF NECESSARY ABOUT THE FACT THAT I KNOW MY ENEMY AND YOU HAD BEST GET ACQUAINTED WITH HIM, TOO--FOR YOU ARE THE PAWNS IN THE GAME.

The major owners of the Fed are given

in several places but let us just consider the top ten families (inclusive unto this very day): **Rothschild, Rockefeller, Warburg, Schroder, Schiff, Morgan, Lehman, Lazard, Harriman, Gould.** These families are closely associated with one another through banking and marriage, but all are dominated by or are agents for the Rothschilds. Likewise, the Federal Reserve Bank of New York dominates and has controlling influence over the entire Federal Reserve System.

THE ULTIMATE GOAL

With the wealth of the world in their hands, what more could the Ab's possibly want? Not surprisingly, they want nothing less than a world dictatorship, which is frequently referred to as a **NEW WORLD ORDER.**

The drive to such a goal is a common theme in fiction and history and its realization is prophesied in Scripture. Detailed plans to actually bring this about have come to light in the past two centuries. Most of these have been ignored as fanciful fairytales or the ravings of lunatics. Dharma's "work" has been referred to by one Bob Girard of Arcturus Press as the "ravings of an insane mind!" Now just guess who your **REAL FRIENDS ARE!** Deception after deception has been fed into your path to distract you into mysticism of the "New Age", corruption of your evangelical community and voted-in acceptance of evil as it is entrenched into and within the teaching from your pulpits of your great "churches", **MOST ESPECIALLY THOSE WHO CALL THEMSELVES "CHRISTIAN" CHURCHES. NOTHING OF YOUR SOCIETY HAS BEEN LEFT UNTAMPERED WHILE THEY LAID THE TRAP FOR YOU--ESPECIALLY ANYTHING SACRED AND OF GOD.**

I have written at length on the **ILLUMINATI** which was founded on MAY 1, 1776 (feel faint yet?). The plans of the Illuminati were too well detailed and their activities too well traced to be a figment of the imagination--look on your Fed notes, dollar bills, etc. The pyramid with the eye atop it IS THE VERY SYMBOL OF THE ILLUMINATI (ANTI-GOD). NOW, PAY ATTENTION--SINCE THE FIRST PRIORITY OF A CONSPIRACY IS TO KEEP ITSELF

SECRET, THEY WERE FORCED UNDERGROUND AND HAVE OPERATED UNDER DIFFERENT NAMES EVER SINCE.

Nevertheless, you can know them by their fruits. In 1848 Karl Marx published "The Communist Manifesto" under contract to "The League of the Just" which put forth a basic, ten-plank program to **"SOCIALIZE" the advanced nations of the world.** A comparison of his program with that which exists as law in America today reveals that you are now over 90% Marxist and the overwhelming majority of Americans are blind-but-practicing Communists (socialists)! "Nonsense", you say? Then take the test for yourself--again: The Marxist platform is summarized herein along with your Bill of Rights and the Ten Commandments. **YOU DECIDE WHETHER YOU ARE AMERICAN, CHRISTIAN OR COMMUNIST (SOCIALIST).** We will insert it in the ending of this dissertation. (See next *Express*.)

Dharma, allow us a break. May God in His infinite mercy allow Man to be given into SEEING.

Hatonn, to stand by. Blessings, chelas, upon you of my most precious people. I salute you for that which you do for your brethren. You all work hard and long with seemingly small reward other than that which is most difficult--discounting, discrediting and destructive. Yea, but it has ever been so with the servants of God--it shall not happen again as it has in the past, hold it in your hearts! The Day of Radiance is at hand! And, I come with the King of Truth--who shall bring ye home. I am most humbly grateful to be allowed service with you at this wondrous time--it is the most wondrous time of allowed manifestation of physical form upon a Universal planet. Thank you for your hands that we might together, serve. God is **ABUNDANCE** and so shall be given into that which we need to perfect our work. So be it.

I am but thine brother, Gyeorgos.

PHOENIX OPERATOR-OWNER MANUAL

For eons of time in your history, mankind has experienced and existed in blindness about his **DIVINE SPIRITUAL HERITAGE**, that is, his **ONENESS WITH GOD AND THE CREATION**. Since the time of the "FALL" from "GRACE" of God, many ones have continued to struggle with what is "their" purpose, and why is it so difficult to find and know **THE TRUTH**. Many ones, in their ignorance and confusion, have asked themselves why **GOD** allows the seemingly unending ruthless and merciless inhumanity of man to continue; why **HE** allows suffering of children and wars and disease and pestilence and corruption. Often ones simply decide there is no God, which only keeps ones ever "separate" from **KNOWING HIS PRESENCE WITHIN**.

This volume, **Phoenix Operator/Owner Manual**, is **GOD'S** deliverance of Truth to **YOU**, His blinded fledgling creatures. **HE** is offering **YOU** the instructions for reaching the "Lighted" path back home to **HIM, AND THUS TO ONENESS**. You will learn **HOW** to recognize the Anti-Christ, (that which is **AGAINST GOD** and therefore **AGAINST LIFE**) **within YOU** and why through your gift of free-will **YOU** allowed the Anti-Christ within your temple of God. You will learn about what are the "Deadliest" Sins (errors) committed by you and also about the nature of **YOUR Personal Responsibility** for **ALL** consequences and experiences within this manifested physical "illusion".

And in addition, God is **NOW**, within these pages, bringing forth the **EIGHTEEN Logical Cosmic Laws of Balance of God and The Creation**, written in explicit detail with **MANY** examples given for **YOUR** careful consideration and recogni-

tion of Truth. Why? To let there be **NO misunderstanding** of **HOW** and **WHY** you, of humanity have lost your inner as well as planetary **BALANCE**. You ones have broken **EVERY** Law set forth herein and have, therefore, suffered the consequences of **your** errors against **GOD** and against **LIFE**. You each now have before you **YOUR "roadmap"** back home to spiritual wisdom, knowledge and Truth which is **GOD**. Will **YOU** see? Will **YOU** hear? Each **ONE** of you, being fragments of **GOD** and of **THE CREATION** must and will make this choice: To wisely learn your lessons in Truth, abide by the Laws and thus **EARN** your **Spiritual UNITY** and **Freedom** within God's Kingdom **OR** continue in the darkness of deception, ignorance and spiritual poverty which will keep you bound in the Anti-Christ's "illusion" of separation. **THIS** cycle is about to **END**. The new cycle will **BEGIN** anew in the **GLORY** and Celebration of cleansing within and without of **ALL** fragments of **ANTI-LIFE**. **WILL YOU JOIN OUR FATHER/MOTHER CREATOR GOD in His Divine Holy Kingdom of LIFE? God awaits your decision.** So be it.
