5/14/91 #1 HATONN
TUESDAY

Commander Gyeorgos Ceres Hatonn present in service unto God, the Intergalactic Federation and unto the ground crew already in placement. I come this morning wearing a rather formal hat for it is time to speak to some within my command who fail to "get the point", even with the alarm clock ringing and the trumpets bellowing.

I have even given special dedication unto certain people, in various Journals, and it is obvious that even those are not read--much less the information within. You who think selves so all-fired filled with brilliant information of some secret sort or another and pronounce it "Truth" unto the world--HOW DO YOU THINK IT "YOU" THAT COMES BY THE OPPORTUNITIES TO GLEAN SUCH? OH, FROM YOUR RESEARCH? I SUGGEST YOU PERISH THE THOUGHT AND SETTLE DOWN TO THINE PROJECTED INTENT UNTO GOD AND COUNTRY.

Especially those of you who have witnessed craft of alien design and now unfold gifted truth of information--if you do not cease and desist your specialized ego rituals--information and discrediting are destined to come upon you and your work, for God gives forth Truth at this time to be shared and

to be utilized for the betterment of a species. If you dwell within thine own burrows declaring "I shall sue" and "I shall this or that if you say one more word that matches my projections, etc....I will, or else.." you had best think again--for God's Truth is coming forth and it shall come forth whether or not you individual participants believe it to be sacrosanct by a Man-made bunch of nothing.

I am going to print Bruce Cathie's letter to George (who, by the way, publishes Cathie's books and/or distributes them). I am going to do this for I would hope that Bruce Cathie will look up and smell the coffee burning.

QUOTE:

May 7, 1991

Dear George and Desiree,

First of all thank you for the return of the Photos and data I sent over for the book. Much appreciated. The photos cannot be replaced.

But now something that I am very angry about.

I do not know who the person is that is supposed to be receiving messages from "Hatonn" but there will be some trouble if whoever it is does not stop using material which is almost word for word from my books. In other words "Plagiarism".

Check my books and you will see that the material is almost an exact copy.

Something that the person is not obviously aware of is that there are a few minor errors in this earlier material that have been corrected in my later research. The errors have been copied as well which indicates just how bright "Hatonn" is.

I do not know who is trying to kid who but this material is definitely illegal and I intend to discuss this with my solicitor if it occurs again.

It would be appropriate if "Hatonn" wrote a follow-up and indicated clearly that the material was referring to information in my books.

Yours sincerely, Bruce.

END QUOTING

First of all, I, HATONN, AM A COMMANDER OF ONE OF THE LARGEST SHIPS YOU HAVE IMAGINED TO EXIST AND HAVE BEEN, FURTHER, WITNESSED BY YOU PERSONALLY. I am Gyeorgos Ceres Hatonn, Commander Fleet Operation, Pleiades Sector, Shan Quadrant, United Federation Fleet, Intergalactic Fleet Command.. I have made every effort to contact you through as many resources as possible--now, just who might you be, Mr. Cathie, that holds yourself forth as being so incredibly brilliant as to withhold your "light" from your brothers at this time of transition? The world is ready to self-destruct and you are going to

quibble about whose frequencies are whose?

I have given great, great honor unto you for sensing and understanding your purpose and mission--but you have failed in your commission to recognize the truth of contact. Who and what do you think is running around in your atmosphere--you are surely not going to tell me "Little Grey Aliens" who hold hostage your pure and wondrously Godly politicians.

I would suggest that it matters not who is my secretary/translator--that one detests working with numbers and figures and most especially--**THAT WHICH YOU CONSIDER YOURS!** She would not read your material if it were the last information available to her--it is of no interest to her and further, she is far too busy to consider your tirades as they pertain to ME.

Now you suggest that my "brightness" is somehow in question. Well, I am bright enough to not only recognize the "few minor errors" and, further, tell you now that there are still gross errors which have not been corrected in any of your material. I am, however, bright enough to NOT change your errors for I have no intent whatsoever to repeat work which another has accepted commission to do. As a Commander of this operation, I am quite annoyed at attitudes I uncover within the ranks of the very ones who claim gifted insight and scientific prowess. I further welcome all contact by any and all "solicitors", although I have urged time upon time for ones in the scientific community to avail themselves of your works--still they do not do so. You have no corner on Truth and neither will it be allowed to die with your projections of "ONLY MINE"--if Truth is Truth--it is NOT YOURS! If you have intentionally projected errors or lies you have done your brothers a great

disservice and, in that event, I would suggest George cease any relationship with your work so that we can get on with the job at hand.

Now, sir, you can step down from your ivory pedestal and humbly petition insight and you shall be given the portions which are in error so that they can find correction--there are others in the scientific community awaiting frequencies and directions which were allotted to you to produce so that they can get on with their work. If you have no intentions of other than legal foolishness--we will bypass you. If you do not wish your information utilized then I suggest you move from New Zealand right into the underground at the South Pole wherein you will walk into a community who will not only utilize your material, but will keep it from the world and destroy both you and your work.

You who "uncover" the illness and Satanic evil of the nations and peoples at the lead, begin to anger me--**HOW DID YOU EXPECT GOD TO RETURN? WHO DID YOU BELIEVE TO BE "THE MAYBE GOOD GUYS" IN THE LITTLE SHIPS? HOW DID YOU THINK THEY WOULD CONTACT YOU? WHY DON'T YOU CLOSE YOUR MOUTH AND OPEN YOUR EARS? I CARE NOT ABOUT INSULTS TO MYSELF--BUT, SIR, I OBJECT TO INSULTS OF TOTAL IGNORANCE OF FOUNDATION AGAINST MY PEOPLE IN SERVICE UNTO YOUR SPECIES AT THIS CRITICAL TIME OF CHANGE AND CONFRONTATION WITHIN YOUR CYCLE UPON SHAN (EARTH).**

Over and over and over again, I have given Bruce Cathie THE honor of being the only one thus far with credible understanding in deciphering the universal code and field frequencies as applicable to your planet grid-system. I have effected every way at my service ex-

cept for the two-by-four on your own head to get your attention. I am finally glad to have succeeded. Consider this a "follow-up" and indication that clearly states that much of the material referring to frequency information is from Bruce Cathie. Now, Bruce, the next portion of the instruction is go turn profusely red and drag about in embarrassment--for it obviously **IS ONLY YOU** who have not read the honors which have been attributed you by my Command, Co-command and Me. The readers are having a field day in entertainment for they have already taken note--and some, even from New Zealand, have efforted to contact you, write you, etc., and have received nothing from you, brother. **NEVER UNDERESTIMATE THE PURPOSES OF GOD, son.**

BETTER THAN THAT

Now, my scribe is really annoyed for she is worked into tatters and wishes not to give you another minute of our precious time. However, "Hatonn is bright enough" to know that you have great contribution to render and, further, I am also bright enough to know that when a true servant of God and Brother is approached, he will hear. You, sir, can respond any way you care to for it is of your choosing--but, if we have to introduce the truth of information (with corrections), we will do so for it is not YOURS. Further, I will not make correction on this apparatus for it is monitored by the Edwards Air Force Base, the CIA and the government Federal surveillance services--along with the KGB and Mossad--it would NOT be very bright of Hatonn to give them the final keys of operational information--would it?

I shall dictate to you, Dharma, a dissertation regarding Bruce Cathie and then I shall make further comment. What I will use, for you other reference readers is from a book, let me see here, ah yes:

ABOVE TOP SECRET, THE
WORLDWIDE UFO COVER-UP,
by Timothy Good; Quill, William
Morrow, New York. What do I
think of this book? I don't!

QUOTE

NEW ZEALAND, 1965-68

The DIA apparently showed great interest in the controversial theories of Captain Bruce Cathie, the New Zealand airline pilot who claims to have discovered evidence for a worldwide grid system used by UFO's. Cathie's meetings with US Defense Attache's in Wellington are documented, as well as his correspondence with them, in the released DIA documents.

Cathie first approached the US Embassy in Washington in the mid-1960's, since which time the DIA kept a file on him. The earliest documented memo is from Colonel John Burnett, Air attache, to the Foreign Technology Division at Wright-Patterson AFB, dated 26 August 1965, from which I quote the following extract:

Captain Cathie visited with me for about one half hour. I observed this New Zealander to be not only rational but intelligent and convinced that certain UFO's he and others have seen are from outer space--probably Venus. He hesitated in expressing his beliefs re the Venus origin, explaining that it usually tended to convince people that he was a bit of a crackpot.

[Hatonn: and rightfully so--for that is a most misleading conclusion. At best the craft could only come from the sector of Venus as you ones destroyed Venus, as to life-forms, some eons past. But the general idea is within reason so let us go on.]

The Foreign Technology Division

responded by sending Colonel Burnett a brochure outlining the findings of the Air Force on UFO's, adding: "Since no evidence exists that these objects represent interstellar travel there is no basis for Captain Cathie's beliefs." Despite the FTD's apparent skepticism, Colonel Burnett continued to send them details of Cathie's findings and calculations for at least another year.

Bruce Cathie told me that it was Colonel Burnett who revealed that intensive UFO research was carried out at Wright-Patterson AFB, referred to in Cathie's second book:

The scientific laboratory there, set up for the purpose, was described as a complex of buildings covering a large area and staffed by many of the world's top scientists. Experimental work was carried out twenty-four hours a day, 365 days a year. At one stage the official (Colonel Burnett) asked me if I would consider a trip to America to visit the base. Naturally I said I would--any time they care to put out an invitation. Perhaps the idea was vetoed in the States, for I heard no more of this.

It is difficult to prove such a sensational allegation, but I have no reason to doubt Captain Cathie's integrity. Naturally, there is no reference to this in any of the DIA documents on him.

By 1967 Colonel Burnett had been replaced by Colonel Lewis Walker, who seems to have been less impressed with Cathie's ideas than his predecessor. But this did not prevent Walker from forwarding Cathie's material to the DIA at the Pentagon. An Intelligence Information Report dated 8 February 1968 states:

Captain Cathie is still employed as an aircraft F-27

Friendship pilot by National Airways Corporation....His superiors know of his interest and activity in UFO's and his forthcoming book "Harmonic 33". He has been checked for security reasons and no adverse reports are known....He admits that many people consider him some kind of nut but he persists in his theory. In January 1968 he came to my office and reported that four UFO's had been detected by the Auckland Air Traffic Control radarscope on () January 1968 at 2335 hours local time....Three objects were 15 miles apart in line, with the fourth object in line 30 miles behind the three. Relative speed was extremely high. In addition, two UFO's--disc-shaped--appeared east of Auckland Airport on the same track as the first four. Captain Cathie was asked if official reports were submitted on these sightings, and he said no, that Civil Aviation personnel had been warned not to report any more of these observations. Captain Cathie was advised to submit any additional information he might have....

Captain Cathie is a lean, wiry New Zealander, with an apparently above average knowledge of mathematics... He is intensely sincere in his efforts...he is spending an enormous amount of time and effort trying to prove his theory that an overall master plan exists by an alien race--purpose not defined.

[Hatonn: Did you ones actually believe alien beings, in service for the one you call "Satan" or the "Anti-God/Christ", would actually be stupid enough to bring alien-appearing races among you?--first you have to deceive the people and terrify them. You do this by projecting expectation of horror and deceit in the place of Truth in

given circumstances--but the rule is to then infiltrate within your society and into all facets of your social infrastructure--beings who are just like you--Shamir is the first one made public who resembles the original race of aliens. You ones continue to go to the groups and organizations of infiltration to effort to find Truth--and they are **READY FOR YOU**. Perhaps it is not Hatonn "WHO IS NOT TOO "BRIGHT".]

By May 1968, however, Colonel Walker seems to have become fed up with Cathie. A report to the DIA dated 1 May indicates that although Cathie was not considered a "nut", on the last three occasions that he called at the Defense Attachés office to discuss his latest findings, "These conversations were ignored." Cathie had complained that he had been put under surveillance and that in April he had been accosted by three Americans in Invercargill, who had asked him to accompany them, which he refused to do. Cathie believed that these men came from a US Navy vessel, but according to Colonel Walker the only US ship that was south of Auckland at the time was the USS *Eltanin*, which was in the Antarctic, however. The report concludes:

Capt. Cathie said that he had been cleared by the NZ government to pursue his research and that he had a letter to this effect signed by the Prime Minister. He stated that the Member of Parliament from his area, Dr. Findley, had interceded for him and obtained government approval for his work. He then asked the DATT (Defense Attache) to "Call your agents off. I have official approval to continue my work. I don't want them tailing me."

PI sent copies of these documents to Captain Cathie in 1986, and asked him for a comment. "He (Colonel Walker) is only saying that in his opinion I am obsessed

with my research," he replied, "and that there is no way they can talk me out of it. Which is fairly correct, except for the word obsessed. My research is my hobby and I find it most interesting. The evidence which I now have on hand will prove without doubt that my unified equations are correct."

END QUOTING

I see no need to play further word games, Captain. The craft mostly encountered are directly from the Antarctic bases and are not allowed into space at any rate. There are bases well-established all about your planet awaiting the full takeover of the Elite Command which is now referred to as "New World Order"/"One World Government"--who did you expect the Anti-Christ of the Revelation to be? He was already kicked out of "heaven" (defined: the space perceived as a dome surrounding your atmosphere in which the stars and galaxies are contained). These ones are now limited to physical aspects and fully intend to enslave your planet of humanoids. Since the species of humans are the Creation of one you might refer to as God and established within The Creation which is in cleansing of her property--guess who the rest of us are! Ah so, the ones sent to clean it up and reclaim property and get the ones of you who have served and will serve through the transition, either into Truth or off the orb or whatever is appropriate--we touch no one who declines and force no one into anything whatsoever. We do, however, become totally annoyed when ones with commitment to Truth refuse to see Truth. Further, we shall withdraw and if this be your choice, Mr. Cathie--so be it.

Now for you people who still say, "But who is this man and why do you waste your time with him?" I would give the following: He is 61 years of age with about enough Earth mileage on him to have gath-

ered some intelligence of Earth operation. He was birthed on Earth in Auckland, New Zealand and can also say "Gooday, mate" as well as Paul Hogan of Australia--except that he doesn't. He served in the Royal New Zealand Air Force and trained as a pilot after training in engineering. Around the mid-50's he joined New Zealand's National Airways Corporation. He began his writings after prolonged witness of UFO activity around Mangere, Auckland.

He has published some four books regarding the criss-crossed electromagnetic grid system of Earth based on theory and discovery and proof of some points through mathematical projections. He has presented mathematical evidence which indicates that the grid system was known to your scientists and was and is being used for secret experimentation, particularly by the nations involved in atomic bomb testing, etc. Ah yes, his earlier books are out of print--surprise, surprise! Truth is taken from the shelves as quickly as possible and so is the author if at all possible to accomplish. It is not easy to keep Captain Cathie in one piece, alive and well--and I reject the intent which would destroy him but I honor my own crew who are placed in responsibility to keep him alive. The enemy knows where to find this man but I am "also bright enough" to not give names, dates, locations and where to "shoot to kill". Further, I am truly bright enough to NOT GIVE THE ENEMY THE ADVANTAGE OF FULL KNOWLEDGE OF WORKABLE EQUATIONS--THEY ALREADY UTILIZE THE SYSTEM TO NEAR PERFECTION--AGAINST YOU--THE PEOPLE OF THE WORLD.

I, Hatonn, have no intent to bog down the work in prolonged awaiting for ones within the mission to come to attention if it requires too much "time"--for you of God, are out of "time". To find all

the things of "wrong" about the planet and do nothing only allows for perishment within the lie--while some of you knew the truth of it. I suggest all of you who bear Truth STOP--CEASE--DESIST from the quarrels and efforting to PROVE a point and then lashing out at your perceived personal enemy. If you have no enemies--you are no threat to evil and therefore none will bother.

WILLIAM COOPER

Herein I speak directly to William Cooper. Son, is it not about time to come down from thine mountain and allow Truth within? You have done more to PROVE OF HATONN'S PRESENCE than almost any other--so what do you get? Denouncement and total assault in response to your continued counter-assaults against the misdis-informers. Most of the disinformation people don't know a confounded thing about almost everything--why do you allow yourself to be sucked in? Because you cannot come from ego-trip to experience the Truth and realize it is not the assault which wins the battle, but rather, only discredits that which IS TRUTH.

And Mr. Goodman, you seem to recognize Truth and the severity of the plight of your own nation, not to even move outside your own nation--why do you not look as truthfully into possibilities--the God you claim and the Christ you claim might just have representatives upon whom YOU HAVE CALLED! Try communication--you might find you rather like it.

I have never picked Cooper's "work" apart--I take exception to his irrational behavior as if attacked, somehow. I am not interested in his material but I shall effort to correct his conclusions and honor him with that which is correct.

Now, ones will say--but how was

it you said Lazar was pretty much correct about area 51? Because Bob Lazar, whether put forth in misinformation or disinformation, had nailed some pretty interested points--for instance, let us clear up some "mysterious" "stuff". Area 51 is simply the area which encompasses a portion of Nevada just outside Las Vegas and includes Nellis Air Force Base--whereat some rather remarkable research has been carried on BY YOUR OWN GOVERNMENT AND INVOLVING SPACE PERSONS AND CRAFT--SOME OF WHICH ARE PLACED THERE DELIBERATELY BY OUR OWN COMMAND. THEY HAVE AT LEAST FIVE BEINGS IN VARIOUS STATES OF DEATH AND PERCEIVED "LIFE" WHICH WERE SENT THERE VIA EDWARDS AFB IN AUGUST/SEPTEMBER OF 1987 FOLLOWING DELIBERATE "CRASHING" AND A FEW DEMONSTRATIONS OF ENERGY-SHIELDS ON THE PART OF SPACE COMMAND--OURS.

THE REAL "ENEMY"

Now, there are not any "Royal Highnesses called Krill", etc., unless you ones have conjured them. You have been totally infiltrated and operational in service to Earthbound energies such as Bush, etc. The little aliens do not hold anyone hostage--the evil bastards and whores are already on your place, earthbound and ready to take your world--it is called the Elite One World Government, headed by the Elite Khazarian Races calling themselves Zionists and Israelis. They are NOT chosen of God--they are the ANTI-GOD, and they intend to enslave the planet, if it means total destruction of the orb and all life-forms. The next step is laid and the beast is pulling in the armloads of fragments of acquisition from nations to governments, physically and spiritually--into the pit of lies and certain destruction. I suggest that name-

calling of the perceived adversary such as "Sticky Dicky" and Mr. "Pecker" is both a waste of time and causes discredit for it is perceived that a Man of God would have better and more rational control of self.

There is nothing strange nor mysterious about my presence nor of my communications through a translator and/or secretary--I am not stupid enough to come into the den of lions as shred your own being and, quite frankly, I do not look forward greatly to having to serve with some who claim to be my friends. I do have a mission and I do have higher information; I have personally met with every head of every nation in your planet called Shan (Earth). I have been seen, efforted at incarceration, given last opportunities of change into Godly service (if the being is remaining as "original" creation)--most, you know, are not; they are replicas and genetic reproductions and/or synthetics manipulated by the head puppet-masters.

The head, however, of the Drug business (as perceived by ones on your placement, such as Col. Gritz), thought to be the one who is known as Armitage, is really George Bush, Henry Kissinger and the immediate shadows around that Government placement. This is only a small part of the plan which already has moved so far that reverse is almost impossible--BUT, WITH GOD ALL IS POSSIBLE AND SO SHALL IT COME TO BE--IF YOU ONES RAISE YOUR HEADS, STOP YOUR SILLY BICKERING AND PICTURE-HUGGING AND LET US WORK TOGETHER TO BRING TRUTH--I COME TO PROVE NOTHING AND SHALL NOT EVEN ATTEMPT TO PROVE ANYTHING--THE PROOF IS IN SHAMBLES ALL AROUND YOU AND YOU CAN'T PROVE ANYTHING!

Now all you troops who claim to speak for Truth and Constitution,

etc., had better stop the foolishness and let us pull together. I have no intentions of intervention--but I have information and capability beyond your imaginings and if your intent is to REALLY SERVE AND BRING RETURN OF CONSTITUTIONAL TRUTH AND LAW UNTO YOUR NATION AND THE WORLD--THEN I SUGGEST WE GET ON WITH IT! I, however, am weary of extending the invitation of discourse and it is most certainly up to you as individuals that which you do. But, if you continue in the blatherings and calling it good intent--I can promise the work shall be discredited by your personal enemies.

The *UFO Journal* over which you twiddle and dicker is a foolish display of absolute garbage--why would anyone bother to have ongoing relations with them--UNLESS, your intent, also, is to kill time and destroy that which could change your national path? God waits only so long for His ones committed to service, to see Light and Truth of commission, and then those who fail to see are simply passed over and their work lost unto Mankind's service. It is the personal choice of all beings to make those own individual choices.

Addictions are thrust upon the servants of God to pull you down and cause irrational behaviors and functioning with as sure a path to destruction of credibility as any one thing on your planet. Ponder it and if shoes fit the feet--then be uncomfortable in them and when you understand the way it IS, we will adjust the shoes. So be it.

Perhaps I should speak in the same language used against my own serving persons. Some of you have acted as "slimy pukes" yourselves and I can promise you that my scribe wishes to have NOTHING FURTHER TO DO WITH YOU OR YOUR WORK. I continue to await your intentions for I am dedicated to give "my ass", if

required, to help get yours out of the pothole. Why do I continue to stick with individual ones who have a portion of this magnificent puzzle? Because you have a piece of the magnificent puzzle and a contribution to make unto Mankind--if you can pull of self together and see the path laid forth. I have no personal involvement whatsoever regarding your journey as individuals--I DO HAVE A MISSION WHICH I INTEND TO FULFILL IN PERFECTION AND BRING YOU POW'S HOME. Ones who wish to stay in prison are most welcome to do so but you will not be allowed to hold jobs which must be brought to conclusion for the remainder of the POW's wishing rescue. I AM A COMMANDER AND I AM ON A MISSION WHICH WILL BE BROUGHT TO CONCLUSION AND I CARE NOT ABOUT YOUR PERSONAL OPINIONS REGARDING THE MATTER, FOR I REPEAT--I HAVE NOT ONE THING TO PROVE TO ANY OF YOU FOR I AM NOT A KINDERGARTEN TEACHER FOR ONES OLD ENOUGH TO BE GRADUATING EXCEPT FOR YOUR OWN ILLUSION OF EGO IMPORTANCE.

SUE WHO?

If I find portions of your work that are valid I will use them and so state it. If I find it incorrect and inconclusive, I shall also state it. You may sue--I find it amusing as to JUST "WHO" WILL YOU SUE? If you sue against use of TRUTH, then you pronounce your own output--LIE. It would appear to me that the better part of intelligence might be to check it out and perchance you might find me to be who I say I am. I wish no publicity and I would never reveal my scribe--as you so foolishly did, Mr. Cooper. I would far prefer you ones clean up your own garbage pits and utilize your own earth God-given talents and research--for I do not even like your species nor

your planet--save that it is a wondrous Creation of our own Creator and you, whether I wish claim to the fact or not, are my brothers and sisters on special services assignment--of which most of you became more dense between the ears than the compression within which you function.

I am grateful for the opportunity to respond to correspondence and I ask that George please copy this document to several specific persons: Bill Cooper, Billy Goodman, James Gritz, etc.--I think he will have his own listings. Why do I work with George Green? Ah, wouldn't you ones just love to JUDGE that circumstance?!? By the way, Bill--ones of your "worshippers", i.e. "Fritz" passes out erroneous information as do you--Dharma is accused of being married to George Green--I have at least one husband and one wife who would disagree with that assessment.

Further, if you can't get it straight as to whether George is a member of the CIA, KGB or Mossad--please stop fostering the information. Now, surprise! I don't give a flip what or who George Green was nor might still be--ESPECIALLY any of your silly surveillance teams of misinformation tossers. God only cares about that which a MAN IS! AND FURTHER, HE LOVES HIS ONES IN THE CIA WITH EQUAL LOVE AS THOSE WHO ARE NOT--YOU INCLUDED.

Why would God not want participation of ones well-trained in the services? What is the purpose of training in the first place? Do you suppose Bo Gritz would have the impact which he now places on his audience if he had not had the VERY experiences which have filled his path until now? Any who can rise above the egomaniac "trip", recognize worth instead of false insecurity, shall be welcomed aboard with joyous celebrations of

a job well-done and a person brought into maturity of realization of "WHERE IT'S REALLY AT AND THAT WHICH YOU REALLY ARE!" May God give unto all ones the ability to understand and see within.

Dharma, I will let you off the hook now and I thank you for your service. If all jobs were those we feel wondrously soothing and pleasant to our senses, we would have no space within which to grow. There is so much foolish (stupid) misinterpretation upon your place that it defies the imagination of how Man could actually perceive it to bear any Truth whatsoever--nonetheless, it is so, for the adversary has done a near perfect job of deception and training. So be it. We can move it about if we join hands and work together--else, it shall fall into that which is laid forth by and for the adversary. God already has his special places prepared--so it is absolutely up to you ones that which you do.

I shall move to stand-by. The piles of work are infinite but we must have a break. I can only suggest that the ones in point get busy and catch up for they are far, far behind in their important reading and study--while they run hither and yon looking for God and Truth, they miss the lifeboat. So be it. I salute you.

Gyeorgos C. Hatonn

CONFIRMATION

Please see that this copy of the fax sent to George at the bookstore, this morning is included in our proceeding document. It is from the Office of Foreign Relations, Washington. I purposely kept this from Dharma's attention until she had finished her morning writing, but I wish this included in the mailing to the ones named prior to this. I will keep both the time of

the incident in point and give no disclosure to the party involved. If you will quietly locate the source of the original fax, George, please send a copy of this morning's writing to the sender. Thank you.

Again, I have nothing to prove, yet you ones want proof; so be it. KNOW (and this is to anyone wishing to share confirmation with our team wherever they are), YOU SHALL BE PROTECTED AND YOUR INFORMATION KEPT IN TOTAL CONFIDENCE AS TO IDENTITY AND LOCATION. I like to share confirmations when possible but, again, I have nothing to prove. This is also true for anyone who wishes incorporation or Institute information or participation. If you KNOW SOME OF THE ONES WHO ARE INVOLVED IN VARIOUS CIRCUMSTANCES--HONOR THEM AND YOURSELVES ENOUGH TO GUARD THEM. If we are asked to identify and/or are given permission to print--fine, we are happy to share but when ones are so strategically at risk and ask protection, so be it and we will not play into the vicious curiosity of ones who would destroy a brother.

The following is typical; you will note it is regarding an area of which I spoke only this morning--which is WHY I spoke of the location this day. This is to ease my scribe a bit for information I bring is most often totally unknown to her. In fact, we often meet and information is sometimes found coming back from outside locations prior to her coming into conscious knowledge of the circumstance in point. That angers me and jeopardizes our security. We have recently had to abandon projects under way because of loose tongues within the workers who simply do not realize that which they do. It does, however, prove a great deal to higher cause when this happens as it has in these past two weeks. It shows that some ones who claim otherwise, are still PLAYING IN

THE METAPHYSICAL "NEW AGE" GARBAGE OF MYSTICAL FANTASIES AND HAVE NO IDEA OF THAT WHICH THEY ARE ABOUT.

I have no input as to another's beliefs or to that at which they wish to play. I do, however, expect ones who hold positions of trust and inclusion within our workers, take note and pay attention for the time of little games is over and if the child has not graduated--so be it--for ones may not be allowed to continue disruption and destruction of another. For instance, Mr. Cooper was badly misled and actually disinformed by ones in Sedona regarding the *Phoenix Journals*. This was over a year past but he responded in almost irrational manner without any knowledge whatsoever. He shouted over the airwaves, lies (oh yes, Bill: i.e., "...have plagiarized 50 pages of my work." No, the document of Mr. Cooper's, at best, was some 26 pages of rough manuscript so mathematics were erroneous, if nothing else.) My scribe was not privy to the circumstances or the resource. I gave him credit for some rather reasonable research and took exception to many of his inclusions including all of his conclusions. So, in response, he claimed an entire call-in, program on which George was guest and was incredibly foolish--playing right into the hands of his own enemies. He had many of his most vindictive current enemies calling in to denounce George and the Journals. He spread names and addresses and total denouncement. I care not about opinion but it would seem that ones of the calibre he wishes to project as himself would have researched a bit more comprehensively prior to doing something so rash.

You see, now, ones call in to use against him that which was accusation against others by Cooper in which, in his uncontrolled behavior, he actually threatened death to

his adversary. This is NEVER LOST TO THE ADVERSARY AS A TOOL TO REAP DESTRUCTION UPON THE ONE OUT OF CONTROL. Cooper also threatened my scribe through George-- "...to take out these ---- receivers...." I took it as an intention of probability and responded accordingly. We do not need irrational hot-heads in any operation, much less in the bringing forth of God's work--passionate participants, yes--irrational and uncontrolled behavior subject to more severe changes through any type of substances use. I can only tell you that no one can make a fool of another for the other has to agree to the being the fool. Further, ones CAN NOT DISCREDIT TRUTH--ONLY ALLOW THE PROJECTOR TO DESTROY HIS OWN CREDIBILITY--AND, FURTHER, I, HATONN, HAVE NO INTENT TO DISCERN FOR ANY OF YOU WHICH IS WHICH.

Nonetheless, for you readers, here is a bit of sharing--old enough to be secure and recent enough to be current. This has nothing to do with the persons in prior point. Is it possible someone has sent me something which is a facade, sting, etc? Who cares--for I know what is at Area 51 in Nevada and I know how special services operate and so, at worst, it is certainly valid enough. At best, it gives you information which is equally valid.

The person in point is valid and the subject in point is a result of an effort to find out about craft coming and going from the area of "51" and other strange things occurring which were causing great concern and confusion to many, many citizens. Several people went forth to effort at finding out information--photographs were taken and followed up from several separate instances, finally approaching authorities and asking for information and explanation. I can assure you that the intent of the "authorities"

was and is to put a stop to not only investigation, but also to any mention thereof.

I want you to take careful note of several things in the letter to follow: one, "elite", and, "best left to professionals", "refrain from further visits to the region in question", "...focus is quite unwarranted", "panel of scientists, politicians and educators is very much on top of this situation", etc.

Now, why don't some of you ask again, "...why doesn't somebody bring this to the public" and "...why don't you just appear to our leaders?" and "...make your presence known and we will all know" and, and, and---YOU ARE IN THE MIDST OF THE GREATEST COVER-UP AND DECEITFUL PLAN IN ALL HISTORY--THE ULTIMATE PLAN, ACTUALLY. SO READ CAREFULLY THE DOCUMENT IN POINT AND THEN PONDER CAREFULLY:

Dear Mr. ():

According to our representatives, you have expressed an interest of late in a particular geographical region. We understand fully the concerns of ordinary citizens such as yourself, but rest assured, Mr. (), your focus is quite unwarranted under the circumstances. It may put your mind at ease to know that our elite panel of scientists, politicians and educators is very much on top of this situation. At the same time, however, it's the consensus of these top flight personnel that your ongoing visits to the Southern Nevada region can serve no useful purpose, and may in fact subvert the common goal by disrupting the delicate matters at hand.

Therefore, we must ask you kindly to please refrain from making further visits to the region in question. Most assuredly, we are doing everything possible to support the general welfare and achieve the interests of the community-at-large. Your continued presence will only complicate matters and possibly sabotage the productive inroads made so far. In any case, Mr. (), we feel--and we're sure this is something with which you'd agree--that this matter is something clearly best left to professionals. With the cooperation of loyal citizens, we feel confident that the United States can stay the course.

Sincerely,
Wilson F. Hines III
