7/4/91 HATONN
THURSDAY

INDEPENDENCE DAY FOR AMERICA?

Hatonn present to share with you as you start out on this day of frantic celebration. It seems that your approach is one of bigger is better and gaudy is even better. May I plead with you as you go about your activities to "think" about those things in which you participate. As you look upon the heavenly banner of your flag which represents a chosen land and people where freedom might be birthed and grow as a shining light of liberty throughout your world--please renew your patriotism to reclaim that which has been damaged and weakened. You were birthed as one nation, under GOD, with liberty and justice for all. You must carefully consider where your path has led and look again unto the Constitution.

As you dedicate the monument carved upon the natural grace and sacred beauty, with its Man-carved faces of politicians--ponder in your hearts how the pain radiates through the Native Americans who have been driven from the land--that land--which was their most sacred altar--Awana Wakan. A place where the Great Spirit visited and where his son, Standing Bear of the Golden Fleece and White Buffalo Calf Woman walked and communed and brought truth of the

hereafter and the journey back unto the stars. LOOK, DEAR ONES, AND BEGIN TO AGAIN SET YOUR HOUSE TO ORDER FOR THERE IS GREAT PAIN UPON THE LANDS.

I have purposely waited until AFTER YOUR CELEBRATION OF THIS DAY, THE 4TH OF JULY, 1991, to bring this message of attention; for I ask you to go into your QUIET place for a moment and ponder if what you see is how you wish to be remembered in the historical annals of a planet!!?

You believe that what Hatonn tells you is incorrect--if a thing does not happen in 24-48 hours, is that invalid? I do not make such statements so that they CANNOT be so misconstrued. Since this is the time of celebration for the birth of a nation--please look unto that which has been set aside in intention and ignorance and reclaim that which you birthed to hold and steward.

Things do not happen as we tell you? Ah so, this year alone brought the coldest freeze in recorded history to your growing fields of California and now, the hottest temperatures in recorded history. In this little village, it was cool enough for heavy jackets just 4-5 days ago and then, over a hundred degrees--overnight. In the basins and valleys--in Bakersfield, California on the yesterday, over 111 degrees and climbing--it will

top 115 this day! You are in drought and your ground water is leaking toxins. Your ground water is so depleted in the near desert areas that at Edwards landing base, where your shuttle lands along with all those dandy and costly toys, the runways have sunk in spots up to over four feet in cracks and cave-in.

As of now, with the recent unemployment, you have reached over 3 and a half million homeless and hungry. Your cities are fallen into bankruptcy and there is depression and illness among your people. I do not tell you to stop and "quit", I ask you to stop, look, take stock of the situation and together we shall bring a renewal upon the lands. It is up to you.

A LITTLE GOLDEN STORY

"Tell us something NEW HATONN, or shut up," I am told. OK, how about a little plan for your gold market? I like this one because it has great uniqueness in the long run plans of subterfuge and facade.

The Japanese are far more industrious than you might guess even from watching their business astuteness in action. As the Second World War and other opportune times rolled around, the Japanese gathered gold from the four corners of the globe--lots from China, the communist nations, all around. Most of the money gleaned by the

Marcoses was from about a third of that horde in distribution--not from the coffers of the Philippine people. About a third of that gold was distributed and sold and stashed in Switzerland and other investments, like New York City, etc.

Now, guess what? The other two-thirds is ready to be dumped on the world market. Now you might think, so what!? So what? There is like 5000 tons of the yellow "stuff". It is planned to bring it to the market in London in the very, very near future in lots of several tons at a crack for that is what a major cargo "Flying Tigers" airship can handle.

Guess who is going to get blamed for ruining the world economy? Their only resources of merit are oil and gold and, so far, the cartel has controlled both. Every time the Russians try to garner funds to pull themselves out of the economic trap they are in, the gold prices are manipulated and they cannot get enough to hoist themselves out. Now remember, recently (during this past year of Gulf War) there came to light a new gold field in Russia and another mountain containing massive amounts of gold in Saudi Arabia.

Ah, but that is not all that is planned. With the dumping of gigantic sums of gold on the market the investors who don't know lots better will scoop it up like honey in a bee-hive. Good so far? Well, when the governments clamp down to solve national economic problems--all the more to be confiscated from the world citizens! May I please remind you that over a century of detailed and careful planning has gone into the "conclusion" as is being played out in your midst. What do I think of this? I don't! I am not interested in your gold--I am interested in your future as a species. But if I were to think about this maneuver--I would note that some funding

for some very worthwhile projects might well flow from the marketing of these sums.

Most of the metal will simply be placed into large pools of collateral for money which will be placed in "paper" and "computer" money-shifting and deposit certificates, trading programs, etc., so that the Elite can have the working funds as well as hold the gold in security. So, as the old saying goes: "The rich get richer and the poor get poorer!" You are living in two illusions: the first is that which is your life-stream experience and the second that which is physical "delusion" as presented by the Elite Banksters and would-be world kings.

DHARMA AND OBERLI

Dharma is about to the breaking point for, as with all of you, she has to live one day at a time--and, sic, sic, she often ponders the positive points of letting "everything" go and stop the tirades against us. There have now been some 35 actions in this property court case and they have yet to even be recognized in a courtroom. Now we have a real dandy assault going on. The opposition attorney, a young Zionist Khazarian is attaching *Phoenix Expresses AS EXHIBITS AGAINST THEM* in the law cases, the most recent being the one of late regarding the Mossad in the Philippines, etc. What this has to do with failure of an S & L to hold a publicly advertised property "sale", is a bit beyond comprehension. I can assure you, however, that the information is making its way into the halls of great and well-known Elitists. Mark this well, America, these people who tend of their own business, and Dharma, who simply writes that which we give unto her--are called (in court actions), deadbeats, anti-Semites, non-patriotic, trouble-makers and you name it! It is a little difficult to estimate just what the opposition thinks it is proving

by such actions, other than the fact that there is no longer a court of justice according to Constitutional rights of citizens--even in freedom of speech.

Do they intend to prove her insane? So much the better for us for I considered that approach in the damage suit at any rate--so we can get on with starting a fully fledged "Law Center" where you the people can come for Constitutional backup.

You must be aware that in the year prior to beginning the JOURNALS and following the writing and motion picture screenplay of SIPAPU, Dharma was unable to write during that first year of "hell" over the property and assault of the "enemy". That is an extensive loss to America West, in funds alone. Where would they, and the level of information output be, if we had also had that year of writing? Dharma was an emotional "basket-case" with packing and unpacking, pneumonia and eviction notices to the point of being totally unable to function. Not until control was taken by capable legal counsel and ruling out an overnight move, could these ones function in order to give service to our mission. I do believe that 31 JOURNALS and two to three EXPRESSES a week, in some 18 months, attests to credible production when any semblance of "security" was granted in this interim period of time. How do you place a price on such? How does America West place a value on that lost output?

I am grateful to whoever has been giving surveillance from this community and causing one law force after another to bring every known problem unto a property caretaker as has beef thrust against these ones--SO THAT YOU CAN SEE WHAT IS HAPPENING TO YOU AS CITIZENS! How long can these ones bear this? As long as needs be and you give them support for the heart grows weary

when the way would be so easy to simply STOP. You see, the enemies in the community keep the opposition furnished with tattling, snooping and copies of the writings. Is this what America has come to at the level of community? Yes, look unto Detroit this very week, and look at the beatings by the police of citizens--and please note the remarkable incident which took the life of the prime witness in the "King beating case" in L.A. Yes, the man was THE witness to the event--and he had a "mysterious" accident in which he ran into an abutment and was killed this week. Scares you just a bit, perhaps?

The hardest thing for the opposition lawyers to comprehend is that, in the midst of ALL, the defendants herein have nothing to show for any of the work--giving all assets back into the Institute and publishing/distributing. How can you be "deadbeats" as thrust by the accusers when your work is read from New Zealand to South Africa? Chelas, does this not tell you of the TRUTH OF OUR WORD--THAT SO MUCH EFFORT WOULD BE PUT FORTH TO STOP ITS FLOW? THEY HAVE TRIED DEATH BY MURDER AND NOW, DEATH BY STOPPING THE WORD--NO, THERE WILL BE SOME, SOMEWHERE, WHO WILL STAND BESIDE THESE ONES AND THE FRONT WILL BE STRONG AND WITHOUT ABILITY TO COUNT THE NUMBERS. YOU MUST SAVE YOUR CONSTITUTION!

I cause her to write this for I must constantly remind her that our work is not finished, for she is human and Oberli is human--and they are weary and futility overflows like the sands of the blowing desert. Do not despair, children of Truth and Freedom, for the prize is freedom and upliftment of your species and renurturing of your planet--is it not worthy of

thine labors? Well, Dharma says, "Not today, Father," but note--we continue to write! Perhaps it is partly that once there becomes too much to fear--you release it to God and the fear goes in His ALL-KNOWING, ALL-CREATING ENERGY PROJECTION OF SHIELDING AND LOVE. These of my people are coming out of insanity into sanity--but the journey is costly, yet the prize is beyond price. How can I give enough honor unto my ones who must be hospitalized and others push on such, as Oberli and George--day after encountering day and simply say--"It's just my job!" Dharma does laugh at this particular predicament--as ones try to stop her today--"What the heck, it's already out there in such massive amounts that stopping now would be stupid, might as well keep going and change this thing--it's our only hope of survival."

Devotion to God? I cannot honor these students of Truth in any way of earth measure--I want you to know that this tiny, tiny handful of people handle over a thousand calls a day and just day before yesterday sent out over eight flats of request mail. A lot of that information, chelas, was the "Constitution Kit"--glory, glory hallelujah--His Truth is marching on! Ah, can you not reclaim that wondrous beauty of the Republic and lift your voices unto Freedom with allegiance unto nation and flag for which it stands. But let us change the words to the song just a bit, to "In the beauty of Creator, Christ is born in you and me; with that glory in His bosom which transfigures me and thee--as HE lived to make men Holy let us LIVE to make Men free--God's Truth is marching on! Amen. WE CAN DO IT--IF YOU WANT TO!

That beloved Brother was given, through Dru, a most wondrously beautiful message on the yesterday. Allow it to be placed with this portion that it might be shared. It is regarding the Children (which

are all of you) and it will be through them that freedom shall blossom--if you but do your part. I AM HATONN

7/2/91 SANANDA

CHILDREN ARE THE PRECIOUS "JEWELS" OF YOUR SPECIES

Greetings, precious Druthea. I AM Sananda. I come in the service of Holy God/Aton of Light and to you my brethren upon Earth Shan.

This day we will discuss the importance of the children of your species. There are now birthed and being birthed many whom are destined to become the "leaders" of your Spiritual Transformation and Alignment in the 4th and 5th dimensional experience in which Earth is moving into.

You as a species must regard ALL children as the potential for creative and spiritual upliftment for your evolving species. There must be a universal and common interest paid to ALL children, whether YOU are a parent or not.

During this time of Kali (chaos), there exists the tremendous opportunity for CHANGE toward "higher" spiritual KNOWING and many HIGHER Spiritually developed beings are coming physically, now as your babies and children, to assist the birth of YOU within the ONE. Will you give them a "place" upon which to blossom within GOD's knowingness? Or will you continue towards the "suicide" of your species? This uncertain answer remains to be played out upon your plane.

"HOW DO I TEACH MY CHILD ABOUT GOD AND CREATION?"

There is a feeling of sincere and serious responsibility being felt by you young parents at this time of

change. Inherently YOU KNOW of the importance of YOUR mission in raising an emotionally stable and mature child into his/her adult state of independence and responsibility.

One of the most important "jobs" you have as a parent is how you explain and share your perception of God and Creation. In order for you to express with integrity and KNOWING, you must possess the integrity and KNOWING within YOU. It is crucial that you explain God FROM YOUR PERCEPTION always, that the child be allowed to come into his/her own KNOWING within, without strict rules and unwavering projections of "THIS IS HOW IT IS, SO DON'T ASK ME ANYMORE."

The most important bit of information which you can give the child is that GOD EXISTS WITHIN HIM/HER, NOT WITHOUT. You must tell the child that which YOU KNOW from soul KNOWLEDGE. God is Light, Love and Knowledge and WE ARE ALL RELATED FRAGMENTS OF HIS THINKING MIND KNOWING.

Remember, THE SPIRITUAL TRUTH, such as of DIVINE SPIRITUAL ONENESS, will not confuse or upset the child at all. HE KNOWS inside. You are simply reminding him of that which HE KNOWS. You will be giving him his spiritual stability in preparation for the probable human instability which will confront him from other "humans" whom he will undoubtedly encounter.

You are preparing the child for his LIFE'S WORK upon Earth. Are you not honored and humbled by YOUR commitment to GOD?

YOUR ACTIONS AND BEHAVIOR ARE THAT WHICH THE CHILD WILL FOLLOW

Do you live your life in balance

with the Laws of God and Nature? If not, how can you expect the child to do so? YOU are setting an example, not by that which YOU SAY, but by that which you DO.

I do suggest that your copy of "Phoenix Operator/Owner Manual" become most worn from your study of same so that as you teach your child of THE LAWS, you live accordingly in balance with them yourself IN KNOWLEDGE. If you are not responsible in your behavior, how can you expect the same of your child?

Become an honorable reflection of GOD, and your child will desire the same within self, for he will see the example of TRUTH and BALANCE and LOVE which you are expressing.

The child must also be shown how powerful are his thoughts, and that HE is responsible for that which he sows. Encourage him to ASK questions when he does not understand.

Encourage him to seek TO KNOW CAUSE of that which he witnesses or participates within. If he asks you WHY the water is dirty and the sky is brown, tell him the truth that mankind is not very KNOWLEDGEABLE about the NATURE OF GOD AND CREATION and because of his ignorance, he is slowly destroying our planet.

Tell him not to FEAR that which he witnesses as unbalance and suffering. Show him that HE can offer assistance to CHANGE that which he sees into balance again.

Teach him about GOD'S DIVINE LIGHT of protection and guidance. And that if he truly wishes to understand something which you are unable to offer an answer for, that he can ask GOD within him to show him THE TRUTH and return to him HIS knowledge.

Show him that ALL answers and KNOWLEDGE exist within him; therein lies his power.

Teach him to give honor and appreciation to God, to Earth and to ALL within Creation every day for the LIFE experience, beauty and sustenance graced upon him.

Teach him about absolute LOVE and His connection to all. That he exists as a product of God's LOVE giving and regiving principle.

Teach him to respect all of Nature and that nature and God only gives and regives. Human has the choice to give or to take, and taking is that which creates the unbalance.

SHOW him that HIS will and God's Will are ONE.

Tell him about the nature of the adversary, and how the adversary fools him through fear, pain and other human emotions into thinking he is separate from God and powerless to control his "reality".

Remind your child that ONLY GOD IS REAL. WE ARE ALL ONE.

Teach him about the universal law of CAUSE AND EFFECT. And that only through petitioning within for GOD KNOWING will he understand CAUSE and not be fooled by his senses of what is the EFFECT.

Remind your child of the IMMORTALITY of his soul and that "reincarnation" is a natural cycle of rebirth and one of the most important "facts of life".

BABIES AND CHILDREN ARE NATURALLY SELF "CENTERED" OR SELF ORIENTED FOR A TIME

This is most natural since the baby and young child are solely dependent upon its parents for its food,

clothing, home, nurturing and love. The awareness of the child is centered on the needs and wants of self, until he learns about "respect" of and "regard" for others and that "others" have needs and wants as well.

Most of you have heard the disgruntled exclamation of complaint made in regard to a particularly inconsiderate child or adult. "He/She thinks the world revolves around him/herself!"

These ones are often referred to as "spoiled", which is quite an unpleasant term to refer to someone who is excessively selfish or self-centered.

I must tell you honestly that it is up to you parents to SHOW the child what CONSIDERATE behavior is versus self-centered inconsiderate behavior. You must show the child that there are others to consider in his world and that as parents you will not give him everything he asks for, such as of material goods. He must know that he ALWAYS can count on your love, not your pocketbook.

If your child becomes demanding of more, more, more things, then parents, YOU have contributed to this ungracious behavior and ONLY you can set it right with SELF and, therefore, child.

I am sorry to inform you of the fact that in MOST all cases of "spoiled" demanding and unruly children, you have as examples, one or both parents behaving in the same way. REMEMBER, the child follows YOUR EXAMPLE OF BEHAVIOR, parents.

GIVE THE CHILD RE-
SPONSIBILITY THAT HE
MAY DEVELOP INDEPEN-
DENCE AND SELF
ASSURANCE FROM HIS
HELPFUL DEEDS

It is most beneficial to the child

when you parents give the child duties, such as household chores, and responsibilities. There is no strict set age to begin. I would suggest that you use your GOD given intuition to guide you in each child's case. Often a child will ask to help you in some way and so that is the perfect opportunity to begin teaching about responsibility.

I would suggest that in order to help the child develop and maintain discipline in his responsibilities that you are somewhat flexible and alternate duties when you have more than one child. Also it is most important that the consequences of ignoring duties is made VERY CLEAR in advance and adhered to every time so that the consistency of the consequence is well understood by the child.

You must instill in the child that as with Nature, when her "laws" are broken there are consequences to be had, so too, when he does not do his chores, there are consequences. Always explain WHY you give him duties and WHY it is important that he DO them as agreed. IF, for example, he "forgot" to feed his dog, what would happen to the dog? He would be the CAUSE of hunger for his pet, and that is not acceptable. Or IF he forgets to take out the trash or clean his room, then how will it get done?

An extremely beneficial and fun way to teach a child about responsibility is when you have "pets", household or farm, to tend. Most children are naturally interested in nature's creatures and by giving them responsibility for the care and feeding of animals, they will learn responsibility AND love and respect for God's creatures as well..

Many of you Mothers, especially, get into the habit of just DOING everything, such as laundry, dishes, cleaning for your children and then wonder why they are so irresponsible and demanding of

MORE. When they are old enough and big enough, let them learn to cook, clean, feed the pets, do the laundry, so that they do not expect all to be done for them. And they then, in turn, learn to care for themselves and be neat and orderly in their functioning.

More than anything else, your child must be secure in the KNOWLEDGE that YOU, his Mother and Father love him absolutely.

Let us take a rest, Druthea, that we can get this to the editors in time for the EXPRESS. Thank you, precious little sister, for your service. I trust that my suggestions are beneficial for you struggling parents. We will continue in guidance on the subject of children as needed or requested. I AM Sananda, in service to God/Aton of Light and to you, my brethren. Walk gently with one another in Peace and Love. Salu.

7/5/91 HATONN
FRIDAY

Hatonn present in the Light of Source. Welcome aboard the sinking ship. Obviously, the water in your ears must be from your morning free-flow Phitzer shower and shampooing your frosted locks with herbal/honey shampoo and conditioner. Who am I to interfere with your daily routine? Who am I to spoil your golf afternoon? Perhaps I work for the Roloids/Maalox company!! Well, sorry, World, Maalox moments happen when you least expect them--and overdose of antacids will NOT NEUTRALIZE RADIOACTIVITY.

Nor will golf or the Texas Two-Step along with "Somebody Done Somebody Wrong" songs stop the steamroller.

Frustrated? Oh, I thought perhaps you were asking ME! Why would I be frustrated? I must ask my

scribe, who spent eleven hours on the most dreadful subject imaginable yesterday (the 4th of July, while the other people all had a holiday) (all my crew worked a bit harder, World)--but she is exhausted and now must face the following: "...and it is damned time you space jerks fix this thing..." and "...let's see you do some big miracle and we may believe you..." and "...George Green is a fraud, I am a physicist and I know..." and "...then tell us what to do and we'll do it...".

To all of this I respond--BS! From last to first in order: We tell you what to do and few of you do it. Moreover, as in the case of one person to whom hours and hours had already been devoted in personal time toward personal problems, the following happens: As of the past two weeks E.J. and then George spent almost ten full days working out a plan for a beloved friend. After getting everything arranged exactly the way it was asked--the person goes home and her brother (a car dealer, yet) says no-go--get it all undone. The attorney, nor the person, so much has had the courtesy to call these businessmen but instead send faxes demanding to get every cent returned. Again I say BS--the funds were immediately invested in gold! Now a week has to be spent in having the gold dealer get the gold from the bank in which it is placed, back to the dealer and then be sold at a loss, I might add, of some 10% to the person involved. Obviously it is NOT the lawyer's money--he gets \$250 an hour so why should he care about a little old loss of \$35,000 to a client. Or, is it expected that the businessmen here bear the loss? E.J. is a retired officer of Transamerica Investment Co. He has handled investments for no less than George Scharffenberger who, until they split up City Investing in New York, was the second highest paid executive in the United States--now he has the Home Insurance Group.

E.J. pulled down \$300 an hour for his services when salaried--what does he do? Frustrated? I am actually aggravated! For one thing, a precious little friend of mine has just been re-entered into the world of almost surely LOSING EVERY CENT SHE HAS BECAUSE SHE TRUSTED ANOTHER WHO HAS ALREADY COST HER OVER \$200,000 IN INVESTMENT IN THE POUND AGAINST THE DOLLAR. HER FUNDS WERE LEVERAGED, WHICH IS NOT EITHER ILLEGAL NOR UNUSUAL--BUT WHAT HAPPENS HERE IS WORTHY OF DISGRACE IN A BUSINESS MANNER.

What will "I" do about it? Nothing--for everyone has a right to commit suicide if that be the choice. I do expect, however, that the next time this one asks for help of these people--there might be a glassy stare.

The picture is so obvious that it smells from here to Denmark. The lady is now in her later years and the leeches desire to set up her "estate" so the money flows to THEM and not into her own private corporation where she can have total control of her funds or in the security of gold where she can ride out the bank failures--you see, to cover her funds that are now demanded in cash back to her lawyer--she would have too much to have any protection in any one bank so would need four or more banks (separate) to even have insurance protection--which is a farce at any rate.

So much for E.J.'s background--if you don't like his, let us look at George. He has traveled in those circles of the Elite--that is WHY he knows I am speaking Truth. In return for "favors"--quite honorably already rendered in the Real Estate business, George was offered the top financial position in a presidential election campaign by several of the top Skull &

Bones/Trilateral Elitists--a few short years back. This is why he knows the collateral gold will work--because he helped design the program. God does not send you bumble-buns to help you through a time of horrendous blight. YOU CAN TURN DOWN HIS HELP ANYTIME YOU WANT TO, BUT, I CERTAINLY WOULD GIVE SOME CAREFUL THOUGHT BEFORE YOU PETITION GOD, USE HIS WORKERS AND THEN TURN AWAY AND SPIT IN HIS FACE! "It is easier for a camel to pass through the eye of a needle than for a rich man to enter into the Kingdom of Heaven." And here, we are not speaking of great wealth--just the probability of losing everything a widow has! So be it for God forces no-one into anything. I do suggest that my people not stand any loss in this instance for the entire transaction (all fragments) were fully understood by sound and stable mind.

We are not a cult, nor are we in the personal financial business--our people are willing to give unto OUR service anything required that will assist US. This does not mean that they may spend this kind of time investment and overseas calls--especially to ones who lie even about their location, and refuse to honor legal documents. This means that the funds WERE NOT AVAILABLE--NOR ARE THEY YET AVAILABLE. NOW YOU HAVE THIRD PARTIES IN THE PICTURE PROTECTING THE FIRST GROUP OF IMMORAL TRADERS. SO BE IT. George and E.J. may do that which they please--I intend to do nothing more.

Later, after Germain writes, if I have time, 'I will take excerpts from Ron Paul (Congressman/-businessman--all of you seem to really like him because we get backup of his material constantly). We will reprint them for you so you can attach more closely to hu-

man ties--that seems to make you feel more secure, although I cannot for the existence of me, understand WHY! I will not, however, take the time now because Germain and Dharma are outlaying the demise, by atomic suicide, of your entire planet and atmosphere along with all life-forms; and, that which you might do about it. **SOME OF YOU MIGHT PREFER TO HEAR AND KNOW THAT INFORMATION THAN TO TINKER WITH YOUR BANK ACCOUNTS OF WHICH MOST OF YOU HAVE VERY LITTLE LEFT AT ANY RATE--NOW THAT THE GOVERNMENT AND CRIMINALS HAVE NEARLY FINISHED WITH YOU.**

I come forth to serve my brethren and God--I DO NOT CARE A WHIT NOR IOTA ABOUT YOUR BANK ACCOUNT! But you ones continue to have to have your lessons. I told you months back that this particular person would bring you nothing but headache and at the time I told you "not to take the funds if offered"!?! Well, all circumstances change--and so, too, will this one but you will be more cautious this next time I am sure. **IF PERSONS WISH YOU TO ARRANGE THEIR FINANCIAL PROGRAM SIMPLY FOR THE PERSONAL GREED OF COVERING THEIR ASSETS--THEN HANDLE IT ABSOLUTELY AS YOU WOULD ANY BUSINESS--YOU HAVE NOT THE TIME, EITHER E.J. OR GEORGE--TO SPEND THIS KIND OF TIME TO PLAY WITH PEOPLE WHO SPEAK WITH FORKED TONGUES.** The person involved is beautiful but as with most who "have"--they cannot make decisions and listen always to the tempters who "promise" and yet rarely, rarely deliver any of the promises. So be it.

The same with setting up Corporations--we will handle that service, as a service, but I don't want any more demands for return of corpo-

ration investment--if you don't find out how to utilize your assets, that is no problem of mine for we have told you how and we will continue to tell you how but our new people who do the corporations need to eat also!

You ones turn about and go straight to your accountants and lawyers who do not know one blamed thing about what they are doing or what will or will not work and then you turn on your benefactors with hate and malice. Well, forget it--if you deliberately go forth and do that which I tell you will merit you exactly that which is WRONG on your place--so be it--thy will not mine! It is called "asking God for help" and then "refusing to hear His response". Again--so be it, spare my crew the pain and agony--Dharma only has 24 hours in her day, also, and spends some half of it right at this keyboard so **ALL PEOPLE MIGHT HAVE THE WORD.**

I believe the physicist speaks for self with reverse tongue. The "physicists" and "scientists" are WRONG in almost everything they do. I can only suggest that the world pay attention to that which is being brought right now by Germain, for God is efforting to give you a way out of this trap you are in. If you can't understand what he says, then remain in the trap for he is explaining it as he would to third grade children--in fact, the third grade children **CAN UNDERSTAND IT EXACTLY AS PRESENTED--MOST OF THEM COULD TELL YOU ALREADY, BUT WHO WOULD LISTEN TO A CHILD?**

Do a miracle and make you believe? I do not care whether or not you believe. I have nothing to lose--you have **EVERYTHING TO LOSE!** I remind you of Earth Shan--you are frying yourselves to death at a rate which is compounding daily--**AND WE ARE YOUR ONLY WAY OFF THAT**

ORB!!! PONDER IT! I need to prove nothing to anyone--perhaps a little proving of goodly intent might do YOU some good!

Lastly: We "space-jerks" do not have to "fix" anything--WE don't have anything "broken"!!! Salu!

GOD SAID: LET THERE BE LIGHT

PLEIADES CONNECTION VOL. II

By Gyeorgos Ceres Hatonn

The thought of God is LIGHT.

LIGHT is all there is. ALL springs from, and returns to, LIGHT, the thought of God.

The "War in Heaven for Men's souls" between God and Lucifer, the Light and the dark forces, cannot be comprehended without an understanding of the "physics" of the Universe.

Returning to God requires rising above the physical so dark forces' thrust is ever to ensnare man in the physical, fleshly, "things" of "wealth" and "power" through man's ego.

Shedding our attachments to those

physical things, and "highs" associated with sex, drugs, alcohol, thrill/life-risking sports (including war), etc., requires KNOWING that there is more--something better.

This book, a primer, provides the basic understanding of what we are, where we come from and return to, why we are where we are and for what, and how to get the most from this experience.

And, it will help you begin to free yourself from the density and negativity of this experience to take that next step to your oneness with GOD/ATON, the ONE LIGHT.

Hatonn also keeps us up to date on critical National and World Events.

MATTER, ANTI-MATTER & WHAT'S THE MATTER

By Gyeorgos Ceres Hatonn

Hatonn gives us much more information on a large number of topics in this JOURNAL and again he keeps us updated with the TRUTH about the latest news.

He includes many interesting comments about spaceships including certain specific frequencies pertaining to them and specific manifestations at certain areas of the earth grid system. Descriptions of their exterior and interiors are also given.

Some of the other topics he covers are: The importance of the new Challenger shuttle replacement - Robotoids, Synthetics and Neutrals - Little Gray Aliens - Continual Update on the Middle-East Situation - Bush and the trip to Paris which he denies - The purpose for the reported alien visit with Bush at Camp David - The history of money and why and how it has to be changed before economic and social problems can be solved - The plans for a new Central American canal using atomic explosions--SOON--and the severe consequences - 666 and the Bar Codes - An explanation of Creation, etc., etc.
