Gestapo Tactics By Armed FDA

5/23/92 #1 HATONN

Since this is the fourth identical item coming to my attention regarding this matter, I wish to share it with all of you in detail. It is another major example of misuse of power and loss of "rights" as citizens. I had not presented it because we run so short of space and our Constitutional Law Center Director is already on the case in great measure. It is the SAME as is happening all around your nation as the Elite set about gaining total control of all of your abilities to attend self and remove ALL FREEDOMS.

The following letter is from Alexander G. Schauss, Executive Director, Citizens for Health, P.O. Box 368 Tacoma, WA 98401, (206) 922-2457, FAX (206) 922-7583. It comes to this location via both Mr. Tips of CLC and Maureen Salaman of the National Health Federation, 212 West Foothill Blvd., Monrovia, Calif. 91016, (818) 359-8334, FAX (818) 303-0642. THESE ARE "RED FLAGS" AND MUST BE ATTENDED CAREFULLY AND QUICKLY IF YOU WOULD STOP THIS NIGHTMARE UPON YOU.

CLINIC STORMED BY UN- NECESSARY BREAK-IN

MAY 8, 1992!

Recap: On May 6th at 9 a.m., 15 FDA agents wearing flack jackets with guns drawn, backed by a contingent of King County Police who surrounded the clinic, stormed into the Tahoma Clinic at 24030 132nd Avenue S.E., Kent, WA., by breaking through the Clinic's door by force. No attempt was made to knock on the door or utilize the services of the

tacted us (Citizens for Health). By that time, Dr. Wright arrived at the clinic to discover his facility surrounded by King County Police. He was instructed not to enter the clinic. He found his terrified staff and patients outside the building. I (Alexander G. Schauss) arrived shortly thereafter from Tacoma. By that time, Dr. Wright's attorney, George Cody had arrived. I immediately secured a copy of the U.S. Magistrate Court search warrant. This was immediately FAXed to our office for national and local distribu-

organizations were immediately FAXed copies of the U.S. Magistrate Court's search warrant.

The FDA remained in the building, denying Dr. Wright, his attorney or anyone else access into the building until 11 p.m., 14 hours after the raid began. Boxes and boxes of the clinic's records and equipment were removed by the FDA. They hired a U-Haul truck which took the uncounted number of boxes of clinic records and equipment to an unknown location.

Repeated attempts by the media in the Seattle area and from throughout the country to get an explanation for the raid met with stiff resistance and "no comment" by the District Office of the FDA in Bothell, Washington, the U.S. Assistant Attorney, and the U.S. Magistrate's Office. By 2 p.m. our office had received calls from Arizona. By 4 p.m. from Miami, Florida. By 6 p.m. Dr. Wright was an in-studio guest of the Mike Segal Show on KVI-radio, 570 AM. He attacked the FDA for "gestapo" and "Nazi" tactics, after trying for hours to get any agency of government to explain the reason for the raid. He told the audience that the U.S. Magistrate, the FDA and the U.S. Attorney refused to give him any reason for the raid. He described the FDA's action as a conspiracy between the FDA and pharmaceutical industry to stamp out alternative health options and dietary supplements. We have a tape of that show (more details to follow on getting copies). Thousands of people

complex's landlord, who offered to open the door with his master key when presented the search warrant. Two officers yelled at employees "Drop everything! Put your hands up!" Unbeknownst to the FDA one employee was hidden behind a column which then allowed her to reach a phone and contact a friend of Dr. Wright's family. She contacted KVI Radio Seattle, which immediately con-

tion. I had established that the major items listed in the search warrant were injectable vitamins! The first television film crew to arrive was KIRO-TV, Seattle. By that time our office had begun the process of contacting every newspaper, radio and television show in the region. Soon KOMO-TV, KING-TV, etc., the *Seattle Post-Intelligence*, The *(Tacoma) News Tribune*, etc., began flooding into the parking lot of the Clinic. All efforts by press and media to determine the cause of the search warrant met with a "no comment". Next we contacted scores of our organization's members throughout the U.S. to activate our organization's emergency phone network. Within four hours we were in touch with NBC News New York, Associated Press-Seattle and New York, UPI, and contacts in Washington, D.C. NNFA, NHA and other

called into the station for the next two hours in anger as the region began to hear of Dr. Wright's plight. Calls were unbelievably supportive of Dr. Wright, even from people who normally don't agree with alternative medicine. People left for dead by the medical establishment reported their results at his clinic. People were livid in anger that the police were armed, broke into a medical clinic, and treated Dr. Wright like a common criminal! Caller after caller asked for a Federal investigation and County investigation of the use of police force to assist the FDA. It was hard not to cry several times when you listened to the pleas of callers asking the public to help get this Clinic opened again immediately.

This morning, Mr. Ken Pullen, a member of the King County Council, called for the County Sheriff Montgomery and the King County Police to appear before the County Law and Justice Committee on May 14th at a public hearing in the County building at 9:30 a.m. to explain to the press and public the use of guns during the FDA raid. He publicly apologized on radio for the outrageous use of local law enforcement to assist the FDA. His announcement is being carried throughout the region on news programs.

We were informed that the White House Chief of Staff, Sam Skinner, has implemented a dedicated FAX line at the White House to receive details directly on this FDA raid. He claims that neither the

President nor he were aware of the FDA raid [H: And petunias bloom in dead winter in Siberia, also.] or other raids in California, Oregon, Oklahoma and Texas in recent months. He appealed for anyone in the country having knowledge of such raids to FAX the White House 202-456-2461 with information. Local talk show host Mike Segal has appealed for the public throughout the United States to FAX Sam Skinner and President Bush with their sentiment with this situation immediately. Mr. Segal will personally contact every major radio talk show host in the U.S. (he has been in the business over 20 years and is often featured as one of the top five talk show hosts in the U.S.) by tomorrow to air this story and interview Dr. Wright. [H: Actually, it isn't petunias, it is sweet-peas grown by seven-fingered little gray aliens. Is this man that naive? I don't know, but what else can one do? World, you are between that proverbial scorpion and serpent.]

We have set up a "Jonathan Wright Legal Defense Fund". An IRS tax number was established for this defense fund this morning. My on-site evaluation of the Tahoma Clinic, this afternoon, leads me to advise you that under no circumstances can Dr. Wright or any of his physician colleagues provide nutritionally-oriented medical care to 1,300 patients under the clinic's care at this time. The FDA action has stopped his ability to provide nutritional-botanical-based medical services to patients. The FDA methodically stripped down the clinic until it resembles a typical allopathic facility.

RESPONSES TO "CITIZENS FOR HEALTH"

This morning we began getting calls from European countries, from a medical conference in Brazil (so it is possible this FDA raid has gone overseas through the wire services), CNN-TV, Associated Press, etc., and newspapers throughout the country. Since some of the pure injectable vitamins are imported from Germany, the Germans are very interested in why the U.S. government would seize the world's purest injectable vitamins, free of preservatives, available only

from their country.

I was advised by the *Seattle Post-Intelligence* that the U.S. Magistrate has sealed the affidavit explaining the reason for the FDA raids. This has infuriated members of the local press, who have been demanding an explanation from the FDA, particularly its use of guns. The FDA in Seattle and Washington, D.C., continues to respond "no comment". One caller to our office, who refused to give me her name, told me that the FDA never expected the kind of publicity this matter is generating in the newspapers and over the air waves. She felt that they would never have selected him if they knew of the media and public's interest. She urged the public to write letters to the FDA with copies to members of Congress, especially both Representatives Waxman and Dingell and Senators Kennedy and Hatch.

She reminded me that just recently a leading antagonist against supplements in the FDA's Washington office was removed from his position because of his vocal "fanaticism" against supplements. The head of the Office of Consumer Litigation for the Department of Justice had apparently recently been replaced.

The Governor's Office in Olympia and scores of State legislators have been contacted by hundreds of citizens today demanding a state investigation into the use of local law enforcement resources to assist an arm of the U.S. government in this matter. Unless you live in Washington state, you could not imagine how the FDA has galvanized a very vocal element of this state's population against the FDA, the U.S. Government, and the U.S. President. Congressional representatives were inundated today with phone calls. It was impossible to reach anything other than a busy signal at either the regional FDA offices, the office of the U.S. Attorney or U.S. District Court.

One must understand, this doctor, trained at Harvard Medical School and the University of Michigan has been in practice in this state since 1970. He has treated tens of thousands of patients. 1,200 patients were under the care of the clinic's practitioners at the time of the raid. There are 25 employees at the facility. [H: You

must understand that the medical profession can murder by injection, fry by radiation and kill by poison chemicals--but they cannot give instructions on nutrition and/or supplementation--and this holds true across your nation. Is anybody out there? I jest not nor am I offering sarcasm--THIS IS TRUTH.]

CITIZEN ACTION WILL WORK

By late this afternoon, we heard from CFH members and non-members whose voices were sore from the dozens of phone calls they made all day. Our office took more than 400 calls today, half from outside of Washington. Our FAX machines were loaded for 12 consecutive hours sending out copies of the search warrant and other pertinent information related to the raid. Other organizations such as the Well Mind Clinic, Citizens for Alternative Health Care, etc., in this region have done an incredible job of mobilizing their members and friends in this cause.

An inventory this morning and afternoon of items missing was given to me during my visit to the clinic in the afternoon. According to staff and Dr. Wright, the FDA removed: com-

puter hard drives, patient files, food allergy testing equipment, reference materials, dispensing records, treatment agendas and protocols, all nutrient supplements, account payable records, invoice files, financial records, newsletters, all rolodexes, equipment manuals, software, 3 intercom machines, etc. I met with one nurse, she indicated that the following items were missing from her duty station: printers, keyboards, personal business cards, computer screens, research files, patient files, two rolodexes, software, all video tapes, all computer parts, etc. I also learned during interviews with staff that when one nurse (J.C.) tried to stop an FDA agent from removing her personal effects, he said: "I will place you under arrest if you interfere."

Also, a visiting computer service representative was detained by the FDA and possibly forced against her will to physically remove the hard disks from all the computers at the clinic. I could not locate this woman to verify that she was detained for possibly 8-12 hours by the FDA.

In May 7th the Seattle Post-Intelligence newspaper ran a large story titled "Armed Agents Make 'B-vitamin Bust' in Kent". The (Tacoma) News Tribune carried a story entitled "FDA Raids Alternative Health Clinic in Kent". We discovered that Associated Press was beginning to get calls from throughout the country from newspapers asking for the story. You must continue to ask your newspapers to report this story. We contacted the AP office in New York first thing in the morning with additional details.

Now listen to this. The nearest pharmacy to Dr. Wright's Clinic, at a different address, with no financial connection to his Clinic was also raided at the same time by the FDA, unbeknownst to me or others while I was witnessing the raid yesterday. The Pharmacy owner said that over \$100,000 in equipment was removed by the FDA including freezers, freeze dryers, encapsulation equipment, etc. He has been closed by the FDA. Why? Because he fills prescriptions for Dr. Wright! He is very bitter.

Dr. Wright and I went to Seattle for four hours of in-studio radio interviews. Thousands of phone calls have flooded the stations in Seattle. We will be back on the air for two more hours at least tomorrow afternoon, again during prime commuter hours. Calls are coming in from Canada. We have secured a complete set of Dr. Wright's interviews describing what happened at his clinic first hand from the radio stations. These six hours of interviews have been sent for reproduction, to be returned to his attorney. If you would like copies of these tapes, with the comments of government officials in support of Dr. Wright, and the vocal outraged reactions of caller after caller, please let us know of your interest. As soon as I am told the cost for reproduction, I will make them available through Citizens for Health at cost and postage. Send us a post card or letter requesting notice of their cost. They will be available by Monday afternoon.

GET INTO THE ACT(ION)

A rally will be held Friday, May 8th at 2 p.m. Already over 500 people have indicated that they will be at the

rally, including over 100 students and faculty from Bastyr College of Natural Sciences in Seattle. With the announcement of the rally no less than a dozen times tonight on Seattle-regional radio, there is a good chance more than 1,000 will be there supporting Dr. Wright. Government officials and radio talk show hosts indicated they will be there at the rally as there will be reporters and photographers there, including AP and UPI [H: And please stay tuned for I am going to give you the incredibly bad news regarding the Pat Robertson/Mossad connection as to the takeover of UPI. The news "ain't good", chelas.] Further, Dr. Wright has scheduled a press conference at 9:30 a.m. at the Renton Holiday Inn. I will be giving an interview to Gary Null on WBAI radio (99.5 FM) in New York City live at 9 a.m. (Noon in New York City) on Friday. On Saturday, I will be giving an interview to KPBC radio live 11-12 a.m. in Dallas, Texas. Contact Fred Van Liew for details 1-800-586-9263. Phil Donahue has asked to have Dr. Wright. But you must call his program in New York and urge him to have Dr. Wright on the program (212-644-6501). Tomorrow we have organized a call-in to ABC, NBC, CBS to carry this story on "Prime Time", "60 Minutes", "Inside Report", etc. [H: And so far? How many of you even have heard of this matter?] Call New York and urge the respective major networks to carry the story. Same with Larry King. [H: This is the only way you will get it anywhere near the airwaves, readers--public DEMAND.] Information has been sent to Paul Harvey in Chicago. [H: Of course, this is the SAME Paul Harvey who told Col. "Bo" Gritz to destroy the information he had regarding the Golden Triangle drug trade or he would be "put away" and also, went with "Bo" to that area and refused to photograph what was uncovered before his very eyes--how much good do you think telling PAUL HARVEY will actually do in bringing JUSTICE?] Call his show, same thing. Please understand, although Dr. Wright has had less than 3 hours of sleep in two days, he is asking everyone in America to call, call, call, call everyone in this country about this

situation. He realizes that an opportunity like this may never happen again. He wants this situation to be the rallying cry to kill H.R. 3642, H.R. 1662, SB 2135 and the objectionable provisions of FDA proposed NLEA regulations. There is film footage of the FDA from local stations, factual news stories of events surrounding the raid that are very supportive, and six hours of taped radio interviews. Politicians at many levels of government are upset that they can not get an answer from the FDA as to why injectable vitamins were taken from a licensed medical doctor. We received calls from mainstream physicians asking if it was illegal to give B-12 shots to patients, given the FDA's raid!

I left Dr. Wright at what remains of his clinic at 11:00 p.m. He is counting on our support nation-wide. Please FAX the White House. Please mail us copies of your letter to the White House. Write your Congressman. Contact your local media. Thank you, (Alexander G. Schauss, Executive Director).

Please make sure copies of this LIBERATOR are also forwarded along with copies to the White House and other involved parties. We either stand together, chelas, or we shall fall into the prepared prison of unconstitutional servitude--THE CHOICE IS YOURS.

What I am receiving as backflow is an abundant cry to get more timely information. I trust you readers realize that you are ahead of all papers on the market as to current information and our scheduling is greatly limiting.

HONG KONG/MANILA CROSS-ING

As our beloved E.C. and M.B. arrived in Manila today from Hong Kong, they were greeted with the following newspaper article. This is not a "per-chance" coincidence for all efforts are afoot to stop the activities under way at this time of transition and the bringing of TRUTH. Note that what is given is in some parts "truth" in names and then some information which will SEEM to be half-accurate statements. There is one thing which it is truly time to repeat to you who have followed one, Hatonn, through the latter times as "Record Keeper" that I am the same but have assumed my MISSION as come in the "next segment" of evolvement and enlightenment. You must always also remember that this is a time wherein all kinds of information will be flooding you as a part of the new assault against you-the-people in global impact as fitting for each nation's ability to "relate" to the information as it unfolds and the instructions given unto you. You in the U.S. are getting a full dose of "INTRUDERS" set forth in mini-series format. I can only tell you readers that you are getting very close to decision time--close indeed. As you read the article in point I want you to realize that I shall NOT do your discerning for you but will set a few things to straight as might be misunderstood. I will, also, NOT make decision FOR YOU regarding one labeled Almeida. Just remember, that in either the extreme right or left as projection of both good and evil--there will always be "mostly" truth and yet often there is some lie present if of evil intent or purpose. This does NOT MEAN THAT THIS IS NOT VALID INFORMATION--JUST

REALIZE THAT IN THE REPRINTING, ESPECIALLY IN MEDIA PRESENTATION--THERE ARE ALWAYS ERRORS.

QUOTE OF ARTICLE IN POINT:

MANILA BULLETIN, (Philippines) Mon, May 18, 1992:

A woman from Pila, Laguna, who is claiming to be a contactee of the extra-terrestrial (ET) beings has revealed an alarming news information that could shake the Vatican City.

The ETs, according to Augusta Almeida, is headed by Esu Emmanuel Sananda, who is known to Christians as Jesus Christ.

Almeida told the Bulletin that Jesus Christ is an ET and that all his works and miracles were purely products of their science and technology.

ETs, Almeida noted, which are estimated to be around 27 million (five million working on a mission on Earth) is headed by a commander-in-chief (Sananda), and a deputy commander named Ashtar She..... (at this point the copy machine failed to print nor finish the sentence)..... [H: The name which was unfinished is "Sheran". This is not contradictory as might at first be thought, chelas, so don't go bonkers. Sheran (Ashtar) is the label given to the head of the Ashtar (record keeping "computer system") Command. We have spoken of this so many times that I shall not even refer to it further in this document--but please go look it up as to description of the "Ashtar Command" as described to you in the prior JOURNALS. The Ashtar Command will be involved and in Command at such time as removal evacuation of the globe might be necessary and deemed mandatory. I, Hatonn, am in Command of the "project" recognized as the mission which "brings the WORD as promised" and setting up viable transition processes--Esu Emmanuel (the one you label Jesus, among many other titles) is Commander-in-Chief as stated, of this return of God to your planet. I am also known more readily as ATON and,

whether or not the New Age Movement and other religious "orders" like it--I AM IN COMMAND. I am in command because I AM that which you recognize as the One Light, the One Source and I accompany my people. There are no frills nor bowing or scraping in order--I would never leave my people alone to walk this transition cycle. I represent the Commander of the "Hosts" come to bring the messages and set the stage to allow for viable transition in easy "flow" with that which is needed to insure transition of all MY people. I don't object to "game-playing" but you ones had better be getting your "game" rules in order for the time is at hand and information both correct and erroneous will be flooding over you like a tidal wave. You must hold ever to the TRUTH IN REASON and you will be fine. Now let us go back to the article in point, please.]

Almeida said that between the years 1993 and 1997, the ETs will come on board starships apparently on a mission to evacuate the earthmen to a place they call the Space City, until the world has been repaired from the damages it incurred in the last 2000 years or so.

The day of Sananda's return, she said, will be Doom's Day in the layman's language. She did not elaborate.

The process, which Almeida dubbed as the Grand Lift, is conjunct with the coming of Jesus Christ, as promised in the scriptures.

The coming of the ETs will be in the form of superbly lighted space-ships that will cover the entire atmosphere. Those starships, she added, will emit levitation beams and anyone who stands beneath the ray will be absorbed into the space vehicle for evacuation.

Almeida also said that the ETs have decided to establish its first contact with earth-men in the Philippines apparently because this country is presumed as the "old Jerusalem" mentioned in the Bible.

She (missing from the copy)--identified five places here where people who are willing to be "saved" will be picked up.

They are in Pacay Cathedral in Pacay, Ilocos Norte; St. Joseph Church in La Trinidad, Benguet; San Andreas Church in Candaba, Pampanga; Floating Daungan in Pila, Laguna; Penafrancia Church in Naga City; Daraga Church in Albay, and San Miguel Church in Irosin, Sorsogon. The ETs will provide more pick-up points in the next few months said Almeida. [H: Do not ask comment regarding specific points of "pick-up" from me. You will understand that instructions are being given to various PLACES according to need. I want you to realize, however, that we need NO SPECIFIC PICK-UP POINTS TO GET ANY AND ALL OF OUR PEOPLE. There is not need of such in the Philippines but I suggest this writing might well represent places of focus for some reason or another which may only have pertinent importance to various receivers or "ground crew". As to the "first" appearance or "old Jerusalem" I would remind you of the recent writings wherein I have told you that the Philippines are MOST IMPORTANT for they are the focus as one of the "highest" points of old Lemuria which is again rising. If you look up the meaning of the word "Jerusalem" you may well have good clue at hand for your use. The major activity cannot, however, take place in the Philippines for the "remnant"--and this is WHY other places of major activity must be established. The navigation/communications system, for instance, is NOT in the Philippines but other major resources to be utilized at the time of "return" are located in that sector. It shall be left up to you as to validity of the speaker for this "speaker" is not being quoted as giving forth her own "resources" or higher being of input. This is a NO-NO of highest order and magnitude but may well be simply that the newspaper jour-

 nalist did not print it. In any circumstance, however, it is not the receiver--but rather the information which must be discerned in all circumstance. This prior statement cannot be totally true because ETs have been and are in contact with many other places than just in the Philippines. ETs, however, which are called Atmospherians have been working in and around the Philippines and fully accepted by the Filipinos, for generations so without more definition regarding the statement, you have no way of discerning from this writing whether or not it is fully valid.]

She said that the repairing of the planet Earth will take anywhere from seven to 20 years. [H: Herein we deviate from truth as regards the entire planet and there is no explanation as to "meaning" of this statement from the speaker and/or Journalist. Earth will NOT be repaired in some 7 to 20 years--HOWEVER--the full transition into and within the operations of the Photon Belt of Pleiades and transition of the Earth proper with separation and sorting CAN be accomplished in that period of time unless there is all-out nuclear war which would cause another decade or longer to dig out from the massive oppression and destruction of the Elite Blue Turbans.] After which, she claimed that Earth will again be like paradise and its people will live in peace for at least 1,000 years.

Earth, to the aliens, is planet Shan.

The project, she stressed, is in accordance with the promise of the Christ to return and "save" the mankind.

Almeida also said that hours before the Earth becomes engulfed in a raging fire from below its surface, (a superstrong wind with a velocity of hundreds of thousands of miles per hour, will sweep the fire to all corners of the planet), all earthmen will be advised of the Grand Lift. ET space ships will come in mil...(copy blank)...visible to Earth people.

All radio stations and television...(copy failed)..., she added will beam on Esu Emmanuel Sananda at the precise day and hour of his return.

The event will be of world knowledge through the superior technology of the aliens.

Almeida also said that Sananda will board his splendid starship assisted by soldiers--the angels, as the Bible puts them.

END OF ARTICLE

Is this valuable information or a pure whiff of fantasy? I would go within and think most carefully about this information for it comes from around the world distant to most of you readers. Again, I remind you--go with the facts and whether or not there is truth within--and do not overly consider the one interviewed for an Earth newspaper article for, in the reprinting and interpretation, meanings get "adjusted". On the other hand--THE TIME IS AT HAND FOR THE ACTION TO COME INTO BLOSSOM AND I DO SUGGEST YOU PAY UTMOST ATTENTION TO POSSIBILITIES. MUCH OF THE INFORMATION HEREIN IS TRUTH--WHERE THE RECEIVER GOT THE INFORMATION IS OF LITTLE IMPORTANCE. SO BE IT.

May the Truth rest gently upon the shoulders of ye ones who have reached out with only this kind of confirmation regarding your missions. Blessed are ye who shall build and share and make such a transition a glory instead of damnation upon a planet in trouble. The Light shall always be given to shine upon the just and the unjust and yet, it will be the just who see it. KNOW that we are in constant attention and shall assist as you allow us to do so.

Always in love and attendance, I trust your total challenge to all input so that you can discern and judge in wisdom as guided for ye **SHALL BE GIVEN TO KNOW**. I salute you and bend in appreciation to you who carry the "luggage" into the valley of the shadows.

Crash At Edwards AFB

5/19/92 #1 HATONN

Here is a good one to share with all of you who need a bit of amusement right off: We received a letter today which stated the following, "...I can't believe any of the things you write because they are simply 'too much B.S. and couldn't be true' and the rest you could simply get from somewhere already written." Ah so? What is it you wish me to do? I am also told that "anyone in the military would have a listing of the underground facilities so why don't you give us something new like where are the really secret places?" This, of course, is from the same person who wouldn't believe me anyway! So, chelas, what else is new today? Maybe you ones could send me some new information so I wouldn't have to use "old" stuff??

CRASH AT EDWARDS

Anyone, for instance, want to tell me all about the major crash of a very large craft at Edwards A.F. Base on Sunday? Must be something in the runway tar that keeps crashing multi-million and half-billion dollar planes along with killing anywhere from 2 to 15 in every crash! This flight had come from the underground facility at "China Lake" just minutes before so what could they have been hauling to cause anyone to desire to blow them up?

Also:

VANDENBERG LAUNCHES

Anyone want to tell ME what is going on at Vandenberg? They are **AVERAGING A ROCKET LAUNCH A DAY** in the wee hours (3:00 A.M.) and effort to keep the journalists off guard--but, some die-hard watchers are waiting around the clock. So, readers, I would like to hear it from YOU if my "stuff" is so old as to be boring. If you wish to hear from me, however, I often speak of these kinds of things at meetings rather than on paper to avoid such accusations. Our job is not to entertain or inform casual readers who wish to find fault and pick at the work--if you want to play games--

go somewhere, pay the seminar fees and get your pot-full of nothing. My people are far too busy to spend time on anyone's dislike of our presentations. If you find our work of no value and only aggravating--please don't read it. And, if all the information is so old as to be boring--**WHY HAVEN'T YOU WHO ARE COMPLAINING DONE SOMETHING ABOUT IT SO THE REST OF US DON'T HAVE TO ATTEND IT?** Anyone who "knew all about it long ago" should have fixed it by now.

I wish you readers and workers to not be nonplused by such nonsense, please. "They" all knew about Esu "Jesus" also but set him up for murder anyway. Critics may continue to take their time and resources to bitch and moan, complain and accuse--but I shall not take my worker's time in the negative response time and I hope all of you will simply do likewise.

Robert Martyr

5/19/92 #1 HATONN

Please allow the above observation to suffice regarding one, Robert Martyr. Dozens of you graciously sat to pen him encouragement and love--he responded with the most vile Satanic accusations and barrage of insults and damnation that I have witnessed from anyone yet. Please, STOP attending him. Even GOD, when bashed, rejected and insulted, upon being told to get out of a life-experience--**WILL DO SO**. We did what was needed--the workers in that incarceration facility have changed their modus operandi and everyone in the political arena had to take careful consideration of their actions. Poor Robert doesn't have anything else to validly complain about now so let us not continue in foolishness and ask for abuse unto selves for the kind efforts. Perhaps he shall like it better when there is no-one to assist him nor will take time to even hear him. You see, chelas, it pays not to call "wolf" continually nor to bite the hand which feeds. This does not, however, give ones who are placed in caretaker roles

the right to be vicious, negligent or mean and undisciplined. If ones cannot fill their job roles within boundaries laid forth then they must find other jobs. It is the system we consider and not one vile-tempered man who feels it his "right" to shoot and kill two or three, as he puts it--"Scumbags". Especially, he may not do it in the name of Godliness and "Christian" behavior. This is why the very terms are so corrupted that goodly people dislike using the words. Lessons are learned from every experience and this one segment offers many.

I have a newspaper article to share with you regarding this person in point. You see, you got results--never underestimate the value of input to a system--U.S. District Courts had to pay attention and now, I think you will find follow-up interesting.

QUOTE:

Statesman Journal, Salem, Oregon, Wed., April 29, 1992:

STATE HOSPITAL CAN LIMIT KILLER'S MAIL, JUDGE SAYS: The ruling limits mental patient ROBERT MARTYR's mailings to the general public. By Alan Gustafson of *The Statesman Journal*.

A criminally insane killer's outgoing mail to the general public can be inspected and stopped by Oregon State Hospital officials, a federal judge has ruled.

But the same judge gave mental patient Robert Martyr legal permission to send mail, without any review or restrictions, to government officials, lawyers, advocacy groups and the print media.

U.S. District Judge Helen Frye issued the mixed ruling this month, according to opposing lawyers in the case.

"The judge split the baby," said Portland lawyer Spencer Neal, who represented Martyr in his bid for full mailing privileges.

Kendall Barnes, an assistant state attorney general who represented the state hospital, said the case could prompt another round of legal sparring.

"I wouldn't be shocked if both sides appealed," he said.

Martyr, who shot to death two men and injured another in Portland in 1976, has a history of using mass

mailings and newspaper ads to rail at those he sees as enemies.

In May 1990, hospital officials placed restrictions on his outgoing mail, stopping certain messages on the grounds that they fueled his mental illness.

Martyr repeatedly has evaded those restrictions by smuggling letters out of the hospital. He has admitted to paying other patients, with packs of cigarettes, to send out his letters in their mail. [H: This is a man who feels he has the right to literally shoot anyone who smokes deliberately in his location--but he bribes with cigarettes!]

Some of Martyr's strongly worded messages go to a mass mailer in Medford, who sends hundreds of copies to homes and businesses in specified ZIP code zones in the Salem area.

Martyr, who legally changed his name from Robert Robertson to Robert Martyr in 1981, vowed to appeal Frye's ruling to the 9th Circuit Court of Appeals in San Francisco.

"They're going to have to bloody their hands with the blood of this martyr," he said.

END OF QUOTING

Is this man guilty of murder? Yes.

Then why did I ask attention from the Constitutional Law Center and why did I ask that the Legal "Head" of the Center go visit the man personally prior to hearing with authorities? Because the man did not have a fair trial originally and the workers in the facility had begun to literally abuse the man physically. I wanted our lawyers to meet him first and discern the level of possibility that the man was truly mentally ill and "judge" possibilities in the case without outside input. Remember: Lessons in all things! And brothers and sisters, even sick and obnoxious brothers need love and care, also. If he had been unjustly incarcerated then our hands would be dirtied by failure to look into the circumstances for his ads and "con-work" were being effectively received in many of your respected news-letters. Truth can ONLY BE FOUND AS FACTS ARE LAID FORTH--PLEASE, DO NOT EVER "JUST ASSUME". Have compassion for this weary traveler for he cannot know the extent of damage he does

unto self. Blessed be ye ones who responded but you must also know when enough is enough and when you cannot longer assist--for force and coercion are NOT OF GOD and each has a right to his own choices and Mr. Martyr seems to have loudly made his. Thank you for respond-

Nazi Holocaust Numbers And U.S. Executions

It gets worse and worse, readers. I am sent notations and clippings from several newspapers and news releases from various places--one from Canada where the laws against speaking out in discounting of the numbers is illegal. I must share them with you readers for this confusion gets worse and worse. This is being noted for an 80 year-old man was just sentenced to life in prison for being in the German camps during that war a half-century ago. The Zionists who locked him away cried revenge and justice--how just can this be to an old infirm man--can one really relish revenge on such a pathetic soul? Who is in greater danger of great loss in such injustice?

But this brings forth a point--TO THE CONSTITUTIONAL LAW CENTER: GET BUSY ON THE DEMJANJUK CASE--THEY ARE ATTEMPTING TO CONVICT AND MURDER THE MAN "SECRETLY" TO STOP THE INVESTIGATIONS! NOW, TO YOU WHO DO NOT BELIEVE THIS COULD HAPPEN: CALIFORNIA IS REGULARLY EXECUTING INMATES RIGHT NOW, AT SAN QUENTIN AND MAKING NO PUBLIC NOTICE OF SAME--TO STOP THE ASSAULT OF PUBLIC OUTCRY SUCH AS IS HAPPENING WITH ROGER KEITH COLEMAN IN VIRGINIA. GOD PITY THE ONES WHO ARE INNOCENT FOR THEY WILL GO FIRST IN THE HURRY TO SILENCE ANY OUTCRY. CHECK IT OUT!

From PARADE MAGAZINE, MAY 3, 1992: FROM TEREZIN--The Nazi concentration camp at Terezin (or Theresienstadt) in Czechoslovakia pretended to be a model ghetto. It really was a fake: After a few months, surviving Jews were usually trans-

ported to the camps which were later known as "death camps". But while there, the inmates were permitted to compose, give concerts and put on shows. [H: Now, in fact (and I have two articles regarding same) the music is being sold as are laser discs and tapes--interesting!]

MEN CONVICTED--AUSTRIA

Two men were punished Tuesday for denying that Jews died in Hitler's gas chambers. In Vienna, Gerd Honsik, a right-wing writer and publisher, was sentenced to 1-1/2 years in prison. The Judge found his writings "far from any kind of scientific objectivity". In Germany, British historian David Irving was fined \$6,000 by a Munich court that rejected his appeal against a previous \$4,300 fine. The judge said he increased the fine because of Irving's lack of penitence and the fact that he had earned money by disseminating his "Auschwitz lies". [H: WILL YOU BE NEXT???

HOLOCAUST NUMBERS RE- VISED

Now, here is one which is understatement but surely interesting in view of all the above:

United Press International, Thursday, March 26, 1992: WARSAW--Newly released documents more than halved the number of Second World War victims killed in the Nazi concentration camp of Auschwitz-Birkenau, say Jewish and Polish officials.

The documents confirmed some 1.5 million victims, including Jews, died at Auschwitz-Birkenau from all causes, not four million as claimed by the former Soviet Union.

A Few Important Historical Definitions

5/19/92 #1 HATONN

ZIONISM: Founded in the 19th century by Atheist, Theodore Herzl. Historically recognized as a secular political party movement centering

around a conspiratorial scheme of the ingathering of "Jews" of the world to the Marxist/Fascist country called "Israel". In reality Zionism is a world political engine of massive power allied with the power of the "Com-

mittee of 300" supercapitalists. These Elite few effectively control all aspects of western political, intellectual, religious and cultural life. There are many non-Jewish Zionists, just as there are many "Jews" who vehemently oppose Political Zionism. The Elite Zionists use the mask of religion to hide their blatant nationalism, racism and atheistic philosophy. Some of the International Zionist "watchdog" control and propaganda tentacles are the Anti-Defamation League of B'nai B'rith (ADL), Jewish Defense League (JDL) and World Zionist Organization (WZO). All of the Zionist associations, starting with the ADL, **ARE FABRICATIONS AND BRANCHES OF BRITISH INTELLIGENCE THROUGH THE TAVISTOCK INSTITUTE IN EN-**

GLAND AND RUN BY THE COMMITTEE OF 300.

JEW: This word did not come into existence until the year **1775**. Prior to that year the word "Jew" did not exist in any language. The word was introduced into the English for the first time in the 18th century when Sheridan used it in his play "The Rivals", "She shall have the skin like a mummy and the beard of a Jew". Shakespeare never used the word "Jew" in any of his works, contrary to popular belief. In his "Merchant of Venice", V.1.1.61, Shakespeare wrote, "What is the reason? I am a **Iewe**, hath not a **Iewe** eyes?" "Iewe" is an English word for the Latin, "Iudaeus" which means "Judeans". The generally accepted "secondary meaning" of the word "Jew" today is a composite of **FOUR** almost universally believed assertions. A so-called "Jew" is (1) a person who today professes the form of religious worship known as "Judaism" (but is Talmudism), (2) a person who claims to belong to a racial group associated with the ancient Semites, (3) a person directly the descendant of an ancient nation which thrived in Palestine in Bible history, (4) a person blessed by Divine intentional design with certain superior cultural characteristics **denied to other racial, religious or national groups, ALL ROLLED INTO ONE.**

The one known as "Jesus" was a "Judean", meaning one who lived in Judea OR a follower of the corrupted Babylonian religion (Pharisaism) of the area. Jesus was not a "Jew" as is commonly preached and he abhorred and denounced the form of religious worship practiced in Judea in His lifetime known then as "Pharisaism" and now called "Judaism". (For more in-depth information on this subject, read, **THE BITTER COMMUNION; a Phoenix Journal.**)

KHAZAR/CHAZAR: A warlike, phallic-worshipping group of people from Russia of Nordic, Mongolian and Turkish bloodlines. They ruled a portion of lower Russia, between the Black and Caspian Seas, for several hundred years and were at the "peak" of their power from the seventh to the

tenth centuries. They adopted and merged themselves with the Judaists of Judea in the year 740 AD. Most ones who call themselves "Jewish" actually are from the Russian Khazarian line, also called the false 13th tribe and they are **NOT SEMITES**. (For more in-depth information read, **COUNTERFEIT BLESSINGS** and **THE BITTER COMMUNION**, Phoenix Journals.)

SEMITE: This is the bloodline of one of Noah's sons, Sem (or Shem) of which came Joseph, the husband of Mary the mother of Immanuel/Jesus. The Semites are a bloodline which began with Semjasa, the heavenly son and guardian angel of God who is the "father" of the white human race. Do not get "crazy" here at this information, it makes NO difference whatsoever. All souled humans are GOD's children, even those who project evil. Most importantly, GOD IS LIGHT--NOT "WHITE". (Read **AND THEY CALLED HIS NAME IMMANUEL: I AM SANANDA** and all of **THE PLEIADES CONNECTION** series for further in-depth information--Phoenix Journals.)

ANTI-SEMITE: Contrary to the current propaganda from the so-called Jewish-Zionist community, this term does not mean bigotry or racism against "Jews". Most ones who call themselves "Jews" are not even from the bloodline of Sem in Judea. They are Khazars (see definition above). The actual "anti-Semites" are the Zionist Elite of the **Committee of 300** (and adherents). Most Zionists are racist because they project an irrational belief in the superiority of their own race--whatever they think that race may be--by calling themselves "God's Chosen Ones".

Iodine Protects Against Radioactivity

5/19/92 #1 HATONN

For you who have wanted information regarding "iodine" for use in relationship to nuclear incidents, tests, etc., let me warn you that very soon all such substance for your use will be taken from the shelves--for obvious reasons--so you can't have it to protect yourselves. I have been handed a source for obtaining the substance and will pass it along to you who have inquired: **Thyro-Block**. Let us just reprint the information in the advertisement: Thyro-Block reduces radioactive damage to the thyroid. During nuclear tests in the Marshall Islands, natives living 100 miles away were exposed to high levels of radiation, absorbing it through their food and drink. Nine years later, many of them developed thyroid abnormalities.

In a nuclear accident or explosion, a small dose of potassium iodide can block radio active iodide from collecting in your thyroid and causing abnormalities. If given to the Marshall Island natives, potassium iodide would have reduced absorption to only 1%. Thyro-Block would be used in nuclear accidents--like Chernobyl or Three Mile Island--and should be included in all your emergency first-aid kits. The

recommended dosage would be one tablet per day for approximately ten days. Thyro-Block has a three year shelf life with fourteen tablets per bottle. (Instructions included.)

Thyro Block AOI-MF-T100: \$2.95; Buy 5 and Save!: **AOI-MF-T100:** \$12.95. They accept Visa, Mastercard, and Discover. 1-800-999-1863 for credit card orders. (801)222-9598: Fax Machine Number. Outside of the U.S. Call: (801) 222-9596. Hours for calls are 9 AM-6 PM Mountain St. Time (Monday thru Saturday). Strange thing, there is no address listed so assume you have to call and I suggest you call the 800 number for it. No American Express and I would guess, probably no COD but suggest you check it out for self. Are there other resources? Yes, but I don't have them and I am simply passing along the information because of the tremendous number of inquiries. Yes it will work and yes, once damaged, the thyroid once destroyed will not again work so it seems a small effort for security--you are already undergoing radiation and I suggest right now, all be watching for any symptoms of damaged thyroids. (Thank you, Ellen.)

AIDS Plot Against Blacks

5/19/92 #1 HATONN

So--let us now look at some other interesting news regarding AIDS. This comes directly from the **NEW YORK TIMES**. Tuesday, May 12, 1992 and comes to me from a source in New York/Montreal.

QUOTE:

THE AIDS "PLOT" AGAINST BLACKS: Bizarre as it may seem to most people, many black Americans believe that AIDS and the health measures used against it are part of a conspiracy to wipe out the black race.

A survey of black church members in 1990 found that an astonishing 35 percent believed AIDS was a form of genocide. A *New York Times*/

WCBS-TV News poll in 1990 found that one black in 10 believes the AIDS virus was "deliberately created in a laboratory in order to infect black people" and an additional 2 in 10 thought that might be so. A Gallup-*Newsweek* poll in March produced similar results.

Even some dedicated black health workers engaged in the fight against AIDS decline to disavow these fears. Testifying before the National Commission on AIDS, one said that "until proven otherwise" she considered AIDS a man-made disease.

Worse yet, the treatments and preventives against AIDS have become suspect. Some blacks believe

Please see AIDS, next page

AIDS, cont. from previous page

that AZT, the harsh drug used to combat the disease, is a plot to poison them...that campaigns urging use of condoms, the best way to prevent sexual transmission, are a scheme to reduce the number of black babies...that distributing clean needles to slow transmission among addicts is a plot to encourage drug abuse.

At its most destructive, the paranoia causes many blacks to avoid medical treatment. Unless black and Hispanic leaders play a more vigorous role in countering the fears and mistrust, it will become even harder to slow the epidemic.

The task is urgent because the disease is now spreading most rapidly among minorities. Last year, for the first time, the number of AIDS cases reported for minorities exceeded the number for whites. Most worrisome

for the future, blacks account for a majority of AIDS cases in women and children. "AIDS in future generations may be primarily a disease of black people," the New York Department of Health warned last month.

Yet the response to this growing crisis has been sluggish. Financially pressed minority organizations and local governments have little energy for fighting AIDS, especially given the stigma attached to its main victims, homosexuals and drug addicts. But whether financing for minority AIDS programs has lagged behind white programs, as some black leaders charge, is not clear. Federal and state funds to minority AIDS organizations have gone up and the Government's central programs, like counseling and testing services, have huge minority caseloads.

No programs, even if well financed, will succeed without a change in attitudes. Thus it is welcome news that the New York State Health Department, with the help of black politicians and community leaders, has started a media campaign to encourage blacks to mobilize against AIDS.

The campaign rightly stresses that AZT and condoms are not plots against blacks. But it refuses to counteract the paranoia about AIDS as genocide, saying only that no matter how AIDS got started, there are ways to stop it. Campaign officials reasoned that few blacks would believe government denials anyway. But surely black leaders and public figures with high credibility, such as Magic Johnson, the basketball star, could do much to discredit the pernicious and dispiriting rumors.

Meanwhile, Federal, state and local health officials need a far better assessment of the flow of AIDS money into minority communities and stronger programs to fight the disease there. Costly drug treatment ought to be provided to all who seek it, an investment that would yield dividends far beyond slowing the spread of AIDS. And more vigorous outreach programs might persuade more individuals to avoid risky behavior.

As white Americans, shaken by the riots in Los Angeles, search for ways to help afflicted and distrustful minorities, there's no wiser way to start than AIDS. A failure to treat and

prevent AIDS among minorities: That would be the true genocide.

END OF QUOTING.

Lift The Veil

5/19/92 #1 HATONN

To give you a bit of confirmation regarding the launches at Vandenberg Air Force Base, let me share with you a portion of a news article editorial of May 9, 1992 from the *Santa Barbara News-Press*. (This is very near to Vandenberg). This should really curdle your blood as you read this for "launching" is only a minor part of the cover-up. You will see just how deep you are in-bed with your self-described ENEMY! WHO RUNS YOUR COUNTRY? I THINK I HAVE ALREADY TOLD YOU ENOUGH TIMES TO LEAVE LITTLE DOUBT!

QUOTE:

LIFT THE VEIL: Pentagon should reconsider news blackouts on launches. Late last month, a News-Press reporter and photographer ventured into a grassy field near Vandenberg Air Force Base. They were there to cover the launching of a Titan 2 rocket. They arrived a little after 11 p.m., and left about 4:30 a.m., because the launch didn't take place.

The intrepid newspeople returned the next night at about 11, and were rewarded around 2 a.m. with the spectacular liftoff of the Titan, a huge, thundering thing that lights up the sky.

The News-Press team was compelled to do the all-nighter because the Air Force, as usual, had cloaked the launch in a shroud of secrecy. Too many high-tech goodies on board, too many national security problems to publicize the time and date of the launch, they said.

In truth, while reporters and others wanting to watch the fiery nighttime launch would not get a firm day

and time from the Air Force, most of the details of the event were somehow **MADE AVAILABLE TO ITAR-TASS, THE NEW AGENCY OF THE COMMONWEALTH OF INDEPENDENT STATES (Soviet Russia).** [You know, the group of nations that once was the Soviet Union, the one a part-time local resident often referred to as the Evil Empire (Reagan lives at Santa Barbara).]

So, how is it that reporters in the former Evil Empire knew about the launches, when nobody in Santa Barbara County would talk about it? GOOD QUESTION.

Pentagon officials have for years insisted that secrecy is essential to national security when it comes to major launches at Vandenberg. The idea, as the theory goes, is to keep crucial information out of the hands of America's chief enemies. No prudent American could argue with that philosophy--except that it seems to have gotten its wires crossed somewhere along the line.

Unfortunately, there are many who feel the military keeps these launches secret to escape accountability when something goes amiss. Such cynicism can be divisive.

The Pentagon needs to review its policies concerning launch publicity, especially when you consider who had--and who didn't have--information on the most recent launch. Besides, it's a great light show that everyone should have an opportunity to see.

Roger Coleman Facts

5/21/92 #1 HATONN

When will you realize, precious ones, that the waste of life lies in the love you have not given, the powers you have not used, the selfish prudence that will risk nothing and which, SHIRKING PAIN, MISSES HAPPINESS AS WELL? And, will ye ever remember that all the things that "go without saying" or that are "understood" between people will build up a mountain of miscommunication? Why is it that cruelty is attention-getting while kindness remains quite unremarkable? Will you ever realize that one day IT COULD BE YOU TAKEN BEFORE THE JUDGES IN INNOCENCE AND THINE OWN LIFE EXTINGUISHED? TODAY IS A SAD DAY, BELOVED ONES, WHEN SHALL YE LEARN THAT DEATH IS LEFT TO CREATOR? YE HAVE MURDERED AN INNOCENT MAN AND YOU WILL LIVE TO LEARN THE TRUTH OF THIS INCIDENT IN POINT FOR HIS INNOCENCE SHALL BE BROUGHT FORWARD AND WILL THINE CONSCIENCE REST WELL THAT NIGHT???

Even though it be after the fact, I shall give you WHY it was thought that miscarriage of justice was being done. If a man be simply in prison he is "going nowhere" but if he be executed--he has already gone "somewhere" and is no longer able to hear your pleas for forgiveness with his ears, much less can he grant you the forgiveness you ask. What if that man be YOU who is caught in a circumstance wherein you can do nothing in defense of self? Is it not time that you as a nation think upon these "rules" you make in order to bring cruel judgment and sentence upon your brother? And what of the argument on the other side? "Oh, there have only been three innocent people executed

in the state in the last 25 years.!" May God have mercy upon you who allow this.

What happened with the husband of this murdered woman? Where is he? How is it that the prosecution agent is not even a "prosecutor" for the state but a hired private lawyer? WHY WOULD THE VERY LAW- PERSONS COVER ALL AND TAMPER WITH THE EVIDENCE? Let me give you some facts which have NEVER been allowed hearing in this case and then see if the blood will wash from your hands as Pilote effected to wash it from his 2,000 years ago.

This picture of American justice should terrify the world. "Corrupt the judicial system and you can rule the world" is the thrust of the Plan 2000 planners. It has happened in everything from theft of property (such as the very home you thought was yours) to the covering of the guilty by execution of the innocent. You had better think on these things most carefully. Anyone who is in favor of the "death" penalty is not truly of God for murder is NOT OF GOD, war is not of God and JUDGEMENT IS NOT OF GOD! WHY DO YOU NOT HANG ROBERT MARTYR? HE SAYS HE KILLED TWO "SCUM-BAGS" IN COLD BLOOD! BECAUSE HE IS "ILL"? OH, CHELAS, YOU ARE IN SERIOUS SPIRITUAL DISORDER THIS DAY AND STILL YE PETITION TO GOD TO "FIX IT FOR YOU". AH, INDEED, MAY HE PLEASE HAVE MERCY FOR YE ARE AS BLIND AS ALBINO SALAMANDERS WHO HAVE NEVER SEEN LIGHT OF DAY. BUT THEY HAVE "REASON" FOR THEY HAVE NO EYES, VERY TINY HEARTS FOR THEY HAVE LITTLE BLOOD TO PUMP AND NO EMOTION AT ALL--ALTHOUGH THEY FEEL PAIN AS ANY OTHER CREATURE. WOULD IT BE YOU COULD TEMPER JUDGMENTS!

Under pressure to solve a brutal murder (1981) in a tiny coal-mining town of Grundy, Virginia, police and country prosecutors created a frame-

up and facts demonstrate as much.

Firstly, Coleman has a certified alibi for every moment of the 10-11 p.m. period on March 19, 1981, when his wife's sister, Wanda Faye McCoy, was murdered. Roger Coleman's alibi was confirmed by Centurion Ministries investigator James McCloskey, whose investigative work earlier this year freed two California men wrongfully imprisoned for more than a decade (17 years) for murder.

EVIDENCE DELIBERATELY HIDDEN AND WITHHELD

Secondly, evidence that would have tended to show that Coleman was innocent, was withheld from Coleman's trial attorneys by police and prosecutors. This included a pry mark and a latent fingerprint on the door of Wanda McCoy's home. The argument that the murderer must have been someone the victim would have willingly let in was contradicted by the evidence of forced entry—but the evidence was hidden. However, had that latent fingerprint been Roger Coleman's, the prosecution would certainly have used it at trial—so what does that tell you—the jury?

Other evidence that was intentionally withheld included two bloody sheets found in a truck belonging to friends of the man who, two witnesses later swore, **HAD CONFESSED TO MCCOY'S MURDER**. Are you beginning to get a bit nauseous yet? One of these witnesses, Teresa Horn, was found dead just this past March, THE DAY AFTER SHE APPEARED ON A ROANOKE, VIRGINIA TELEVISION STATION AND NAMED THE PERSON WHO HAD ADMITTED TO THE KILLING.

Incredibly, at the time of Roger Coleman's arrest, a 4-by 8-foot lighted sign with the message "Time for another hanging in Grundy" was erected at a gas station next to the Grundy, Virginia Courthouse. The station belonged to a man who believed that Coleman had molested his own wife.

After the trial, a witness testified that her husband's cousin had told her, "The big one is coming up. He would like to be able to sit on a jury

duty for that so he could help burn the (obscenity)". Through perjury, **THAT person succeeded in sitting on Roger Coleman's jury!**

The day of the hearing for a motion to change the venue of the trial, Coleman's attorneys did not support Roger Coleman's father, who told the judge that he could have gathered many affidavits attesting to the bias of the community if he had been aware they were needed. Coleman's inexperienced attorney did not ask the court for a continuance.

Roger Coleman NEVER RECEIVED A HEARING ON ANY OF THE SUBSTANCE OF HIS APPEAL (except for one hearing on "ineffective assistance of counsel") because his first set of habeas corpus attorneys filed his notice of appeal one day late. The U.S. Supreme Court refused to review the case, citing a "PROCEDURAL DEFAULT".

CLC ADDRESSES THE CASE

Virginia Attorney General Mary Sue Terry, has consistently opposed hearings for Coleman, on the ground that evidence of "actual innocence" is not grounds to reopen a death sentence authorized by a court. And at this point I shall give you what our attorneys at the Constitutional Law Center wrote three days ago to Governor Wilder of Virginia, in response to the Governor's statement: "*I have not been convinced that he is innocent.*"

".....This is totally incorrect as statement of the law, as a defendant does not have to convince anyone of his INNOCENCE.

The correct statement of the law is that a defendant IS PRESUMED TO BE INNOCENT, AND YOU HAVE TO BE CONVINCED OF HIS GUILT.

The magnitude of this error is so great that it will forever flaw the value of your reasoning and can only contribute to the

charge that an innocent man has been convicted and you have contributed to that wrong.

I strongly urge you to grant a stay of at least six months and appoint a review panel of Virginia lawyers to review his claims of innocence and alleged new facts.

*Sincerely yours,
C. Gene Dixon
Acting Dean of the
Constitutional
Law Center"*

that insured the Governor received the documents. Now, we executed him "because he failed a lie-detector test" mere hours prior to execution? That kind of information is not even allowed in court at trial and yet you base a man's life or death on "nerves" and the test was run by "WHO"? Could YOU pass a lie-detector test even if you were innocent and it had nothing to do with your life? How about a couple of hours before you are going to be killed? Moreover, hired killers and intelligence officers are TRAINED TO PASS LIE-DETECTOR TESTS AS PART OF THEIR BASIC-TRAINING EXERCISES.

Our people did all they could and I would appreciate it if you would send them a note of appreciation for their

Bush Implicated In Iraqi Money Deals

5/21/92 #1 HATONN

I will assume you are following the story regarding Bush's involvement with banks and arms deals with Iraq as is ongoing through the Gonzales thrust at truth. If not, then you will be out the mid-portion of information, for today I am going to move right into the money-scandal being exposed. I shall also list the American "industries" who are KNOWN to have sold materials and equipment for the production of weapons of mass destruction to Iraq--BY NAME. The United States is third in line behind Germany with 136 corporations involved directly, United Kingdom !!! with 38 and then, the U.S. with 36.

Let us, however, first look at the scandal being exposed and then perhaps facts and proof of even minor bits

This loss will not stay them from continuing this case until justice is discovered--nor will it stay all-out battle to save your rights under the Constitution. Please wake up America--YOU NO LONGER HAVE RIGHTS!

The Attorney General "ate up the clock" by legally not responding to the Coleman "brief" until May 12--leaving no time for legally responding in timely manner. This was deliberate and enough to convince anyone of intent of the politicians. Ah yes, there was celebration at 11:36 p.m. last evening--as the evidence was murdered. Rest well, America, for you have not heard the end of this matter. This Governor Wilder is "black" and Coleman "white" and already the "reverse racism" is flowing in the streets--could it be this is simply more planned chaos for your streets??? Would a few days longer, after 11 years incarceration, have served you so badly? Will the guilt of murder on your conscience be worth it? Salu.

will be a little more convincing. I shall cover this all in far more detail in a JOURNAL but this will suffice for here.

A burgeoning scandal which involves links between banks, high U.S. officials and the government of Iraq's Saddam Hussein is not only spreading but exploding, despite all-out efforts of the Bush Administration to head it off--even to disallowing information under "national security" and "illegal means of gathering the information". The information presented was intentionally NOT gotten from any intelligence agency JUST TO PREVENT SUCH ACCUSATIONS.

Please allow me to simply reprint *Spotlight's* Mike Blair's report for it is to the point and valid.

May 18, 1992: Brent Scowcroft (Mormon representative to the Administration), President George Bush's national security adviser, has been linked to the burgeoning scandal involving the Atlanta branch of the Italian state-owned Banca Nazionale del Lavoro, or Bank Lavoro. [Yes, you regular readers will already know all about this--but let us allow new readers to catch up a bit.]

The bank was responsible for providing billions of dollars to Iraq, a considerable amount in U.S.-guaranteed loans. They were ultimately used by Iraq, for several years leading up to last year's Persian Gulf War, to obtain arms.

At the same time, it has been learned Robert M. Gates misled the U.S. Senate in statements he made regarding U.S. intelligence assistance to Iraq, when testifying at his confirmation hearings last year [and last week], following his appointment by Bush as the nation's new director of central intelligence.

These revelations are the latest to surface from documents released by Rep. Henry Gonzalez (D-Texas), chairman of the House Banking Subcommittee, which is investigating the Bank Lavoro scandal.

GRAIN FOR GUNS

The Atlanta branch of the Ital-

ian bank provided U.S.-backed loans to Iraq from 1983 to buy grain, but the Iraqis redirected the ships to countries then behind the Soviet Iron Curtain, where the grain was bartered for weapons.

However, the multibillion-dollar scam began to unravel in mid-1989 when two American employees of the Bank Lavoro became fearful they might get caught and visited the offices of the U.S. attorney in Atlanta to cut a deal. As a result, FBI agents and examiners of the Federal Reserve Bank raided the Atlanta branch's offices on August 4, 1989 and carted away boxes of documents, including the so-called gray book, which Christopher Drogoul, the branch manager, used to record the illicit deals with Iraqi officials.

Those officials included Kamil Hassan, son-in-law of Iraqi strongman Saddam Hussein. Hassan was also chief of the much-feared Iraqi secret police. Also involved was Wafai Dajani, a Jordanian grain shipper, whom Gonzalez's subcommittee has determined was responsible for arranging the shipment of the grain to the Iron Curtain countries out of the Port of Houston.

Documents released by Gonzalez further show that Iraqi Foreign Minister Tariq Aziz convinced Secretary of State James A. Baker in a conversation on October 6, 1989 to overlook congressional suspicions about an Iraqi arms buildup. He also told Baker Iraq was not happy about being caught up in the banking scandal.

State Department notes of the Baker-Aziz conversation indicate Aziz said: "This was not a sign that the U.S. wanted improvement in relations. It is in fact a setback, and the government of Iraq is very unhappy."

Although the Bank Lavoro had loaned \$.5 BILLION to Iraq for supposed agricultural products, up to that point, to appease Iraq Baker encouraged the Agriculture Department, through the Commodity Credit Corp. (CCC), to back an additional half-billion in credits to the Saddam Hussein regime.

COVER-UP DEEPENS

As the administration's cover-up of the Iraqi dealings deepened, Congress was misled about the U.S. sharing intelligence with Iraq in 1989 and 1990 right up to just 10 weeks before Iraq's invasion of Kuwait in August, 1990. U.S. intelligence had been providing information to Iraq about Iranian military activity, dating back to the days of the Iran-Iraq War.

However, a September 19, 1991 report of the Senate Select Committee on Intelligence concerning the nomination of Gates as CIA director reveals: "Intelligence sharing continued on a sporadic basis until 1988 when the war between Iraq and Iran ended."

The report was presumably based upon erroneous information provided by Gates.

In any case, it is contradicted by documents released by Gonzalez, which include a State Department "option paper" prepared for National Security Adviser Scowcroft and dated May 16, 1990. The "option paper", signed by the State Department's J. Stapleton Roy, states: "Intelligence Cooperation: Intelligence exchanges have waned since the Gulf War ceasefire. Pro: They still provide Iraq with limited information on Iranian military activity that would be missed. Con: Ending this contact would close off our very limited access to this important segment of the Iraqi establishment."

BANK CONSULTANT SCOWCROFT

According to further documents released by Gonzalez, Scowcroft served as a consultant for the Bank Lavoro before joining the Bush Administration.

Scowcroft urged, as national security adviser, that Iraq be granted \$1 BILLION in farm credits through the Bank Lavoro, after the misuse of funds had become known, according to the documents.

Documents reveal that the fact Iraq was using American assistance to

Please see BUSH, next page

BUSH, cont. previous page

build its military force was discussed on October 13, 1989 at a meeting at the Agriculture Department. Those attending included lawyers and other officials of the CCC.

The minutes of the meeting state: "Although additional research needs to be done, it appears more and more likely that CCC-guaranteed funds and/or commodities may have been diverted from Iraq to third parties in exchange for military hardware."

The CIA, according to Gonzalez, knew all about how the grain for weapons operation was being conducted. The congressman said the intelligence warning flag "was either ignored or canceled by the State Department level or the Department of Commerce level and by other individuals who had some of the commercial and financial backgrounds, including highly placed individuals in the administration today, very high, specifically the national security ad-

viser (Scowcroft) and the present deputy secretary of state (Lawrence Eagleburger)." End Quoting.

We have spoken of all of this in prior writings but you must keep up with what is under way presently, as reminder that we speak of two different things herein--one is bank loans from banks involved in "dirty" business, conspiracy with your own Administration (President), cover-up and then on the other hand the continuation of business in major manner with Corporations within your nation with approval of your government. Actually these Corporations simply marched directly to the orders of Saddam. There were major items being shipped right out of other countries such as Brazil, even after the war was under way--AND WERE APPROVED BY YOUR OWN ADMINISTRATION.

DESTRUCTION OF IRAQI FACILITIES

Are there any of you out there under the delusion that the necessity of destruction of all facilities remaining in Iraq after the "surgical bombing raids" HAD TO BE UNDERTAKEN??? The only way to leave open for any "doubt" regarding U.S. involvement is to remove the evidence! Chelas--"Had again"! Can't you see that they have you coming and going? Is it very different from murdering the truth as in Roger Coleman? If you destroy the evidence you can't be proven guilty.

Televangelist Linked to Terrorists

PAT ROBERTSON IN POINT

As we untangle webs of deceit and misperceptions you ones are going to have to face the facts that painful information will sweep over you as tidal waves of disappointment in ones you thought to be Godly and in service unto Nation and Planet. Is it blindness? I leave it to you--mine is to tell you the stories as they ARE and yours is to discern.

Pat Robertson, prospective owner of the prestigious news service (UPI) is the Israeli terrorist Yitzhak Shamir's "FAVORITE AMERICAN" (IN HIS OWN WORDS).

Televangelist Pat Robertson, who

turned up unexpectedly in Rutland, Vermont on May 12 offering to pay a reported \$6 million for the remaining assets of the "busted" United Press International (UPI) at a court-ordered bankruptcy auction, may well end up in control as a front for an organization long regarded as one of the world's leading news services.

If Robertson IS allowed to purchase UPI, foreign agents will be pulling the strings. You nice Americans had best demand an investigation and you will find that Robertson's bid is simply a part of an expanded Israeli penetration of American and International Media.

If Robertson gets UPI, it will be a

 very sad day for all the world's press--it will be the death knell for any worthy news anywhere in the world.

There is a storm of criticism which has been set off by this attempt to take over the remnants of long-dying UPI and from it comes thrusting forward, Robertson, who has emerged as a figure most Americans have never seen and don't remember from political days. He is simply recognized as a "nice" evangelist on television. This is an unscrupulous media manipulator and he is linked directly to sinister international intrigues, genocidal atrocities and the world's most ruthless secret service, the Israeli MOSSAD.

CORRUPTION AND CRUELTY

In 1981, with the assistance and planning of the Intelligence force, Robertson set up a TV-radio center in southern Lebanon, where a troop of Israeli-backed mercenaries known as the South Lebanese Army occupied the frontier areas. This was a "sav- age, trigger-happy militia paid and armed by the Mossad", as described from involved intelligence officers and correspondents who have covered the Lebanon "beat" for some 20 years. They outdid their masters in cruelty and corruption. Among European newsmen they were known as "Totschlagers", enforcers who clubbed their prisoners to death in a most slow and painful manner to either obtain information or simply "set example".

You might well find Robertson to present a pious pretense to impartiality but his radio and TV stations in Lebanon have been, from onset, used as a military tool by the Israeli proxy South Lebanese Army.

In Latin America, the televangelist's Christian Broadcasting Network similarly became and is a major "tool" of Israeli intervention and a cover for the suffering, death and devastation left behind by Mossad "pacification" tactics.

The Israeli government has rewarded Robertson's loyal support with a commemorative medal and other honors which he openly boasts about on his local programs. Prime Minister Yitzhak Shamir, a lifelong terrorist, nailed the television pastor as "my

favorite American" which is an accolade that spurred Robertson to even greater efforts on behalf of Israel right to the steps of the White House campaign set upon in efforts to bring greater integration of Israel into the Washington U.S. government. Thank you, Heavenly Father, that he failed.

Ones from the higher ranks of Intelligence say Robertson "claims to be a minister of God, but he does not even qualify as a Christian. He ignores the Old Testament and misinterprets the New Testament in order to justify any territorial claim Israel makes." The acquisition of UPI is recognized as a total and unadulterated "disaster" because the press will simply be run by Israelis for Israel. Please, chelas, there is only blind and mindless devotion to foreign interests herein. The greatest help given unto the ADVERSARY is through these misleading evangelists who capture the attention and minds of you-the people who are looking for God--in all the wrong places. Can you not find HIM within in HIS TEMPLE?

CONNECTION WITH FLIGHT

103

What of this connection? Everything from the KNOWN torture, oppression and international terrorism is involved.

Challenged about the scant evidence it presented to indict Libya for the downing of Pan Am flight 103, the Bush Administration let it be known it had a "mystery witness" under wraps to BACK UP ITS CHARGES.

Who might that be? One Jamil (or Ami) Ga'aka, who is a "sometime" airline clerk and undercover Israeli operative.

UN delegates, many of whom had joined the Bush Administration's drive last month to clamp sanctions on Libya, voiced a lot of concern about the discovery that the U.S. government's most tightly guarded source is an asset of the Mossad, Israel's secret service.

Since 1980, the U.S. has been lured into military intervention--or into disputes that barely stopped short of war--time and again by disinformation concocted by Israeli agents. The press provides no checks or balances: the worse the violence triggered by the Israeli deception, the

louder it cheers and the harder you are pounded with false information.

REPORTS AS WEAPONS

Even the CIA, an ally and accomplice of Israeli intelligence since World War II, privately admits the Mossad uses clandestine and doctored reports as a weapon "for silencing anti-Israel factions in the West" and for attacking Arab adversaries. This is readily discussed and reported in intelligence circles.

Foreign observers, who follow the U.S. lead on Middle Eastern issues, express unusually strong doubts about the case against Libya in the wake of reports television evangelist Pat Robertson had emerged as the leading bidder in the May 12 court action for bankrupt United Press International, still regarded as a major news service in such countries as the Hispanic nations. They consider, in the words of Mexican commentator Abel Bonilla Alvarez (internationally recognized), "...Robertson is a loud, unscrupulous propagandist for Israel. He has broadcast lies and disinformation to cover up some of the Mossad's worst crimes. The day he gets control of UPI will be a dark day for the Arab nations--and also for Latin America."

CLOSE WITH MOSSAD

Guatemalan diplomats who are anxious to remain anonymous because of the power of this press element and the Mossad working in Guatemala, say that Robertson worked openly and closely with senior Mossad officials in the early 1980's to support a military coup by Gen. Ephraim Rios Montt, who is a self-described "born-again" Christian and a disciple of Israeli "pacification" methods.

After Rios Montt seized power in an Israeli-orchestrated 1982 coup, Mossad officials, instructors and technicians took charge of the entire Guatemalan national security system--the military, the police, even the customs service.

What followed was genocidal--a wave of repression against Guatemala's largely Indian rural population.

Robertson and his so-called "Christian" Broadcasting Network

took the lead in covering up these Israeli war crimes and in disseminating propaganda that misrepresented both the nature and the tragic toll of the Mossad "pacification campaign" in the countryside.

While Robertson and his reporters were allowed free access to Guatemala's combat zones during this period, many other Christian ministers and priests were driven out, their churches turned into army barracks or stables by troops under the command of Israeli instructors. Religious workers were often tortured by Israeli interrogators--and by 1983 the Vatican protested the murder of a Franciscan priest by Guatemala's Mossad-led security forces.

Robertson and his "Christian" network led the propaganda drive to hide these atrocities from public view, and especially from U.S. audiences. It is so serious, in fact, that Robertson is pending indictment by Guatemala and you may well find out, America, that UPI is run by an indicted war criminal, whose extradition to Guatemala is before the UN Security Council on far more serious charges than the rigged accusations of terrorism against Libya!

CONDONES ACTIONS

Robertson's close ties to and support of the state of Israel means that he condones that state's routine use of torture and summary execution of Palestinians in the illegally occupied territories.

Israel is the ONLY nation in the world that gives such barbaric treatment of subject peoples the sanction of its laws and courts.

Israeli soldiers have for the past year operated under rules of engagement in the Occupied Territories that allow them to use deadly force against those suspected of "security offenses". This term encompasses everything from rock-throwing to running away from soldiers. Palestinians have appealed to the international media to publicize the many such executions they have witnessed, but to no avail. Do you think it will be better if the "international" chain-link is controlled and operated by the perpetrators themselves?

The Israeli High Court established

guidelines in 1987 permitting the use
of torture in interrogation of Pales-
tinian prisoners.

*This includes beatings resulting
in breaking of limbs, solitary con-
finement in closet-sized cells tied in
painful restraints, immersion in wa-
ter, electric shock, burning with ciga-
rettes, etc.*

Robertson seems to simply look
the other way without comment as
these atrocities occur under his very
nose. Many of those Palestinians who
have been killed and tortured are
"Christians", readers. What make
ye of this? Will it be enough for your
conscience to say "I didn't know!"?

Mel Gibson: Hate Focus

5/23/92 #2 HATONN

Mel Gibson has fallen into the hands
of the new "Hate Crime" elements
for expressing his personal opinion
regarding homosexual behavior and
abortion issues. When questioned he
replied openly and with preface stated
as to it "being his PERSONAL opin-
ion and nothing more". He has been
condemned by an organized group
called Hollywood Supports, a self-
proclaimed "anti-homophobic and
anti-AIDS discrimination" organiza-
tion demanding action under the
"new" laws. Gibson's crime? He
declared that he is not homosexual and
thinks homosexuality in behavior is
wrong. He further said he thinks
unborn children have rights and should
not be killed. Outraged homosexuals
and abortionists declared Gibson *per-
sona non grata* and asked boycotting
of all his films past, present and not be
allowed to make films in the future.
Gibson doesn't yet seem too worried
but I hope he will keep us in mind if he
gets "out of work".

blackmails the CIA. Now, the "fixed"
information is promised but even that
doesn't seem to quite "appear".
Funny thing, no matter how they
tamper and cover it still comes out that
the CIA was absolutely involved to
their tiny little eyes.

Gates, as in "Robert", CIA direc-
tor, gave testimony before a Senate
subcommittee holding hearings on
pending legislation that would require
disclosure of up to 1 million pages of
secret records relating to the assassi-
nation of John F. Kennedy. **Gates
said he would not wait for the legis-
lation to take effect and would re-**

**lease "all" CIA files on Lee Harvey
Oswald. He is in a lot of sub-
committee hearings lately promis-
ing all sorts of things and never
proving or producing a thing--from
Patriot missile failures to the latest
Banking hearings of Gonzalez.** The
purpose of releasing the documents,
he said, was to put an end to what he
described as the "insidious, perverse
notion that elements of the American
government, that my own agency, had
some part in the assassination." He
was referring to PLAUSIBLE DE-
NIAL, the book by Mark Lane, which
presents proof that elements of the
agency were indeed behind the mur-
der of JFK--along with other informa-
tion now come forth in PROOF of
involvement. Gates claims he re-
leased the entire preassassination file
on Lee Harvey Oswald, which began
in December, 1960, but the State

Department had sent a cable to the
CIA in October, 1959, saying Oswald,
a Marine with access to secret codes,
had defected to the USSR. So the CIA
waited for 14 months to open a file on
a known defector with damaging in-
formation? Oswald was directly work-
ing for the CIA at the time and prior
to the time in point. The entire chaos
over the truth is now to cover the direct
links of ones such as Bush in the
assassination itself. Bush, Nixon and
Johnson were all directly involved and
all actions since, including Watergate,
were to hide the fact of such involve-
ment. Your government has been
made up of obscene criminals for the
past many decades.

He who continues to refuse to use
his eyes and ears shall become as the
blind salamander--blind and deaf and
dwell within the earth as a prisoner in
the darkness. So be it.

Inspiration: The Language Of God

5/20/92 SANANDA

Greetings precious Druthea. I
AM Sananda. I have been labeled
many things; Jesus Christ, Pale
Prophet, Quetzalcoatl. I came as
man, human upon your place and I
brought TRUTH of Our Father's King-
dom WITHIN, as many ones before
me have.

My name given of God during that
lifestream, some 2000 years past, was
Esu Immanuel, meaning God who
walks with us. What set me apart IN
PERCEPTION ONLY from those I
brought the message to, was My illu-
mination of KNOWLEDGE inspired
from Our ONE Creator Source. My
beloved ones who call themselves
"Christian" believe I came to for-
give, absolve THEM of their SINS or
errors against God. Precious ones, if
you believe this, you error greatly in
understanding of the Laws of God
AND Nature.

I brought to you a way of LIVING
in balance and harmony with the FULL
power of GOD working WITH YOU
to sustain you in that balance.
Christness is a way of LIFE, a state of
being and an achieved level of KNOW-
ING God and His ways. My life as a
Truth messenger was not what was
important to YOUR salvation. It was
the message, the idea of LOVE giv-
ing, of INNER power to be Master of
Self and the human physical illusion
by KNOWING GOD WITHIN. Hence
I was able to say and KNOW this
TRUTH: I AND MY FATHER ARE
ONE.

Even in the various versions of the
Christian Bible, there are left
untampered teachings which I brought
which totally contradict YOUR belief
on MY blood to save you and some-
how buy you a ticket into God's
Kingdom's. What do I mean? I told
you this: **As you sow, so you shall
reap.** What does this mean to you, my
brethren? If this be true, then how can

I or any human SAVE you or forgive
YOU from your own errors? How can
this be possible? On the one hand you
want no responsibility for self, per-
haps? Which way will you have it?
For you may error and error end-
lessly, dear ones, and until YOU un-
derstand the error (sin) and FOR-
GIVE SELF, you will reap the conse-
quences of that error against THE
LAW OF LOVE GIVING. This is the
meaning of that law, it is Cosmic Law
and We described its meaning in great
detail within the JOURNAL called
OPERATOR/OWNER MANUAL.
Therein this Absolute LAW which we
call CAUSE AND EFFECT is out-
lined.

Consider this carefully. ALL of
Creation is a play of CAUSE AND
EFFECT. The highest principle of
this Truth lay in the fact that the ONE
Creator is the great CAUSE of ALL,
and ALL of Creation (that includes
each one of you, precious ones) is the

EFFECT of Creator's thinking from His Mind of KNOWING. Creation is His stage of simulated Motion. What this means is that the One MIND is Reality. It is the UNdivided perfection. Physical manifestation as you recognize it, is a thought projection ILLUSION from the ONE great Knower and Thinker, GOD SOURCE. You each are divided sexed conditioned pairs, equal opposites, male and female, who seek to be again UNITED in mind idea, whether or not you know or understand this Truth.

That is why and it is quite true that although you struggle to find the very elusive perfection in the physical experience, you CAN find moments (or

longer) of balance when you merge your physical mind into GOD's Mind for knowledge and understanding and thus, ILLUMINATION. The more you are able to tune your thoughts to the rhythmic universal heartbeat, the more you will allow God to speak to you in His electric Language of LIGHT; INSPIRATION. Please, precious ones, if a flicker of understanding is coming to you now, go and obtain Germain's PLEIADES CONNECTION JOURNALS, for Germain has most wondrously given EXPLICIT detail on the Nature and Basis of God and Creation.

While we are on the subject of the PLEIADES CONNECTION JOURNALS, please allow me a moment to extend humble appreciation and gratitude to Mark who has recently joined the Tehachapi circle, and who has put to audio tape these PLEIADES CONNECTION JOURNALS. Our Father is well pleased, son, for your inspired reading of these JOURNALS brings the various speakers, Aton, Hatonn, Germain and I, Sananda to life in minds of the listener. Because of this giving of YOUR gift, son, many ones will comprehend more easily the lessons. You are indeed blessed in our Father's Kingdom beloved Mark.

Druthea has requested that I let you readers know that all is not quite complete for availability on these books on tape. Please be patient a bit longer and the tapes will be announced in the LIBERATOR when details are finalized. Thank you.

Now, back to our subject at hand, INSPIRATION. Defined in your dictionary, **Inspiration** means: 1. A creative feeling or impulse. 2. The state of quality of being inspired 3. One who or that which acts as an inspiring influence. **Inspire** means: 1. To stir or move (a person) to creative activity or vigorous action; fill with motivating emotion. 2. To arouse or create (a feeling, an idea). 3. To direct or guide, as by special divine influence.

The ONE great Teacher is GOD SOURCE. When a fragment of Him earns and accepts GOD illumination, such as have I Sananda, then I am given along with that KNOWLEDGE, responsibility to my younger brethren. This is the same with each ONE of you who attune yourselves to GOD's LIGHT, you become the guides for

those who do not yet have that knowledge, or in other words, who are yet UNAWARE they have it inside themselves.

Through inspired thought given of the ONE teacher, each one of you can be the messenger of inspiration and unity to others as YOU receive, comprehend and accept your partnership with GOD who works WITH you, not FOR you.

I ask you goodly ones who label yourselves "Christian" "Jewish", "Muslim", "Mormon" etc., WAKE UP! For the time of choosing is at hand and your places are prepared by your intent and knowing. When you KNOW you are not limited by a human interpreted doctrine of what God is and who you are in relationship, then the spark of inspiration will be allowed to illumine IN you! Do not longer argue and JUDGE one another based upon inconsequential and often ridiculous differences in BELIEF structure of religious doctrine. Instead, seek UNITY of purpose and understanding of one another. Communicate with LOVE and seek to understand what you each have IN COMMON within your hearts. The details about WHO Jesus Christ was and why he came must not set you ones apart for I, as Esu Immanuel brought THE LAW, the Sword of TRUTH. LOVE YE ONE ANOTHER! DO NOT JUDGE LEST YE BE JUDGED IN KIND! YOU FEEL YOURSELF CHOSEN? WHY? WHAT HAVE YOU DONE AND HOW HAVE YOU LIVED TO EARN THIS SELF-APPOINTMENT AS "GOD'S CHOSEN"? IF YOU THINK YOUR BIRTH AS A "JEW" OR YOUR BELIEF IN THE BLOOD OF JESUS CHRIST AS A "CHRISTIAN" AUTOMATICALLY MAKES YOU "CHOSEN OF GOD" YOU ARE IN ERROR. FOR GOD CHOOSES NOT ONE RACE OR RELIGIOUS DOCTRINE BELIEF ABOVE ANOTHER! YOU ARE CHOSEN BY SELF BY HOW YOU LIVE YOUR LIFE IN INTENT OF LIVING GOD'S LAWS AND MANIFESTING LOVE GIVING AND COMPASSION. REMEMBER YOU HAVE FREE WILL, AND GOD ALLOWS YOU TO CHOOSE HOW YOU WILL BEHAVE AND LIVE AND RESPOND. IF YOU UNDERSTAND NOT, THAN YOU WILL REAP THE

CONSEQUENCES OF YOUR IGNORANCE, REGARDLESS IF IN IGNORANCE OR KNOWINGLY YOU DEFY THE LAWS OF GOD AND NATURE. IF YOU BELIEVE OTHERWISE, THAN YOUR EGO-CENTRIC THINKING AND BEHAVIOR WILL BIND YOU IN THE HELL OF PHYSICAL ILLUSION OF YOUR OWN IMAGINING UNTIL YOU DO LEARN. SO BE IT.

Who am I who speaks with such authority? I AM the WORD and THE WAY. I AM SANANDA, ONE WITH GOD AS CO-CREATOR IN KNOWLEDGE AND TRUTH. I come as representative as a HOST of God, the ONE CREATOR, to reclaim HIS kingdom and HIS lost and now FOUND lambs who choose to LIVE HIS LAWS. I LOVE YOU OF MINE BRETHREN, for many of you have walked with me for aeons of time bringing Earth Human the WORD and THE SWORD of TRUTH that each may be lifted by the spark of GOD-inspiration into KNOWING, out of the darkness of spiritual poverty and ignorance. My time of RETURN, as I promised is nearing. WILL YOU RECOGNIZE ME? OR WILL YOU DENY ME ONCE AGAIN? THE CHOICE IS YOURS AND ONLY YOURS TO MAKE.

And even my return signals not THE END, precious ones, but a new beginning, a new book of creation of OUR imagining with God inspiration is being birthed. What part will you play? That depends on self in THIS play; how well you balance your lessons and KNOW. Do you simply watch the clock in your service, anxious to get through the time? Or do you relish each moment you are given to serve and effort to live a life of Joy, even in the midst of the evil cancer which you must look at and understand and walk through? Do you silently petition God to give to you the "things" you must acquire for self, if that be your desire? In other words are you asking God to do for you and give to you that which you must do for self? Or do you ask God to show you HOW to best serve HIM and then listen for your instructions and act upon them? What are YOU WILLING TO DO FOR GOD? AND DO YOU RECOGNIZE HIS VOICE WITHIN YOU? STILL UNSURE? WHY? WHERE

DO YOU SEEK GOD? IN A CHURCH? IN A MAN'S OPINION? HOW ABOUT IN A CHILD'S INNOCENCE? OR IN NATURE? OR WITHIN IN YOUR INTENT? DO YOU JUDGE YOURSELF AND OTHERS? HOW DO YOU DO SO? DO YOU KNOW HOW TO STOP JUDGING? IF NOT, HOW WILL YOU FIND OUT?

WHEN you are able to intuitively attune your will to God's will, HE WILL INSPIRE you to KNOW and DO your part, your service, for HE has already done HIS. When your DESIRE is simply to BE like UNTO GOD in your thinking and behavior, the door is opened for that opportunity and you choose it by recognizing HOW GOD IS and responding in KIND. EVERY interaction is a testing of your knowledge of GOD and HIS WAYS. PERFECTION? There is no perfection short of reuniting with

Creator in oneness. What point would there be to the play of Creation if all fragments extended in perfected wholeness? In reality there would be no fragments for the perceived imperfection is created by the divided equal opposites which come form the ONE undivided LIGHT of perfection, GOD. In your individual reflection you bring life to Creation, to the play of Cause and Effect. Eventually you become as Co-creator by understanding and living the Laws of God and Nature. Many of you stand at that door NOW, ready to move into you higher understanding and responsibility. You still have much to DO HERE, so please stay focused on your service on Earth and your placement in the higher places is assured, precious ones.

Let us close this document. I trust I have left you ones with much to ponder on your path to Knowledge and thus, GLORY. Thank you precious Dru, for sitting with me. I do request chela, that you recognize the little bird has spoken to you, more than once. The request is I would like to please have sitting with you, Dru, for giving instruction in each LIBERATOR which comes forward from now on. When we have accumulated enough of these instructions, then we will please continue putting them into JOURNAL form in the PRE-FLIGHT INSTRUCTION volumes, or as I instruct. Now you've heard it from the "horses mouth" chela, so there is no misunderstanding. Thank you. Remember God gives you not more than you can handle, and you will be fine chela with your schedule and perceived duties. There is time for all and if there is not then the other duties must be delegated for this writing takes priority, precious. I know you understand. Release the worry over "little" things, little one. You have capable and willing hands now available, utilize them.

Thank you, precious brethren, for your attention. I AM in great LOVE with each one of you and I am so humbly appreciative of the love and giving and support of this ground crew, and that includes you of mine brethren across the United States and the rest of Earth Shan. I AM SANANDA. I come in service unto the ONE lighted Creator Source and thus, to you, my brethren. Walk gently with one another in peace and love. Salu.

Tax Advantages Of A Nevada Corporation

There are a myriad of tax benefits that can be achieved by using a Nevada Corporation. Corporations can expense items that you and I as individuals cannot. Many of the tax benefits that are available for a corporation can greatly benefit the individual by lowering their taxable income.

Because Nevada does not have any corporate income tax, many businesses that use a Nevada Corporation will run funds through Nevada where their home state cannot attach a tax to that business. This can be accomplished in a number of creative and legal ways.

Along this same line of thinking, a home state business could contract with a Nevada Corporation. The Nevada Corporation may be in the business of consulting, such as management, advertising, or marketing. The Nevada Corporation would provide its consulting service to your home state business which would pay for this service. Now you set it up so

that your home state business pays your Nevada Corporation. This pay generally equals the amount of profit that you would have in your home state business. This eliminates any taxes on your home state business. Now your Nevada Corporation would be required to file its taxes, but you are left paying only federal taxes. You now have successfully eliminated your home state taxes!

The legal tax strategies available through Nevada Corporations are too many to list. This again is where creativity comes into use. See what kind of ideas you can come up with to benefit your situation!

U.N. Laws To Be Signed

(Ed. note: This is a continuation from the May 19, 1992 PHOENIX LIBERATOR of a U. N. treaty adopted by the Senate; reprinted from SPOTLIGHT May 11, 1992.)

PART VI

Article 48

1. The present Covenant is open for signature by any State Member of the United Nations or member of any of its specialized agencies, by any State Party to the Statute of the International Court of Justice, and by any other State which has been invited by the General Assembly of the United Nations to become a party to the present Covenant.

2. The present Covenant is subject to ratification. Instruments of ratification shall be deposited with the Secretary-General of the United Nations.

3. The present Covenant shall be open to accession by any State referred to in paragraph 1 of this article.

4. Accession shall be effected by the deposit of an instrument of accession with the Secretary-General of the United Nations.

The resolution of ratification is as follows:

Resolved (two-thirds of the Senators present concurring therein), That the Senate advise and consent to the ratification of the International Covenant on Civil and Political Rights, adopted by the United Nations General Assembly on December 16, 1966, and signed on behalf of the United States on October 5, 1977 (Executive E, 95-2), subject to the following Reservations, Understandings, Declarations and Proviso:

1. The Senate's advice and consent is subject to the following reservations:

(1) That Article 20 does not authorize or require legislation or other action by the United States that would restrict the right of free speech and association protected by the Constitution and laws of the United States.

(2) That the United States reserves the right, subject to its Constitutional constraints, to impose capital punishment on any person (other than a pregnant woman) duly convicted under existing or future laws permitting the imposition of capital punishment, including such punishment for crimes committed by persons below eighteen years of age.

(3) That the United States considers itself bound by Article 7 to the extent that "cruel, inhuman or degrading treatment or punishment" means the cruel and unusual treatment or punishment prohibited by the Fifth, Eighth and/or Fourteenth Amendments to the Constitution of the United States.

(4) That because U.S. law generally applies to an offender the penalty in force at the time the offense was committed, the United States does not adhere to the third clause of paragraph 1 of Article 15.

(5) That the policy and practice of the United States are generally in compliance with and supportive of the Covenant's provisions regarding treatment of juveniles in the criminal justice system. Nevertheless, the United States reserves the right, in exceptional circumstances, to treat juveniles as adults, notwithstanding paragraphs 2(b) and 3 Article 10 and paragraph 4 of Article 14. The United States further reserves to these provisions with respect to individuals who volunteer for military service prior to age 18.

II. The Senate's advice and consent is subject to the following understandings, which shall apply to the obligations of the United States under this Covenant:

(1) That the Constitution and laws of the United States guarantee all persons equal protection of the law and provide extensive protections against discrimination. The United States understands distinctions based upon race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or any other status—as those terms are used in Article 2, paragraph 1 and Article 26—to be permitted when such distinctions are, at minimum, rationally related to a legitimate governmental objective. The United States further understands the prohibition in paragraph 1 of Article 4 upon discrimination, in time of public emergency, based "solely" on the status of race, color, sex, language, religion or social origin not to bar distinctions that may have a disproportionate effect upon persons of a particular status.

(2) That the United States understands the right to compensation referred to in Articles 9(5) and 14(6) to require the provision of effective and enforceable mechanisms by which a victim of an unlawful arrest or detention or a miscarriage of justice may seek and, where justified, obtain compensation from either the responsible individual or the appropriate governmental entity. Entitlement to compensation may be subject to the reasonable requirements of domestic law.

(3) That the United States understands the reference to "exceptional circumstances" in paragraph 2(a) of Article 10 to permit the imprisonment of an accused person with convicted persons where appropriate in light of an individual's overall dangerousness, and to permit accused persons to waive their right to segregation from convicted persons. The United States further understands that paragraph 3 of Article 10 does not diminish the goals of punishment, deterrence, and incapacitation as additional legitimate purposes for a penitentiary system.

(4) That the United States understands that subparagraphs 3(b) and (d) of Article

14 do not require the provision of a criminal defendant's counsel of choice when the defendant is provided with court-appointed counsel on grounds of indigence, when the defendant is financially able to retain alternative counsel, or when imprisonment is not imposed. The United States further understands that paragraph 3(e) does not prohibit a requirement that the defendant make a showing that any witness whose attendance he seeks to compel is necessary for his defense. The United States understands the prohibition upon double jeopardy in paragraph 7 to apply only when the judgment of acquittal has been rendered by a court of the same governmental unit, whether the Federal Government or a constituent unit, as is seeking a new trial for the same cause.

(5) That the United States understands that this Covenant shall be implemented by the Federal Government to the extent that it exercises legislative and judicial jurisdiction over the matters covered therein, and otherwise by the state and local governments; to the extent that state and local governments exercise jurisdiction over such matters, the Federal Government shall take measures appropriate to the Federal system to the end that the competent authorities of the state or local governments may take appropriate measures for the fulfillment of the Covenant.

III. The Senate's advice and consent is subject to the following declarations:

(1) That the United States declares that the provisions of Articles 1 through 27 of the Covenant are not self-executing.

(2) That it is the view of the United States that States Party to the Covenant should wherever possible refrain from imposing any restrictions or limitations on the exercise of the rights recognized and protected by the Covenant, even when such restrictions and limitations are permissible under the terms of the Covenant. For the United States, Article 5, paragraph 2, which provides that fundamental human rights existing in any State Party may not be diminished on the pretext that the Covenant recognizes them to a lesser extent, has particular relevance to Article 19, paragraph 3, which would permit certain restrictions on the freedom of expression. The United States declares that it will continue to adhere to the requirements and constraints of its Constitution in respect to all such restrictions and limitations.

(3) That the United States declares that it accepts the competence of the Human Rights Committee to receive and consider communications under Article 41 in which a State Party claims that another State Party is not fulfilling its obligations under the Covenant.

(4) That the United States declares that the right referred to in Article 47 may be exercised only in accordance with international law.

IV. The Senate's advice and consent is subject to the following proviso, which shall not be included in the instrument of ratification to be deposited by the President:

Nothing in this Covenant requires or authorizes legislation, or other action, by the United States of America prohibited by the Constitution of the United States as interpreted by the United States.
