Major Earthquake Alert!

7/13/92 #3 HATONN

Confirmation of my earlier writings [7/13/92 #1 and 7/12/92 #1, following this urgent warning] has come in from outside sources and I am asked to share it with you. I repeat what I have said over and over again—I will not tell you WHEN a thing is to be happening—I can only give you that which is "planned" and awaiting orchestration and playing.

It is planned by your people to trigger the "Big One" "by" the 17th of July!

I will lay out what has come now, from two diverse directions and locations:

Deactivated "guard" units have been put on emergency alert and "reactivated" throughout the California coastal areas. I have no input in other locations as yet.

I DO ASK THAT IF YOU HAVE INFORMATION—SEND IT, FOR I BELIEVE ALL OF

YOU CAN SEE THAT IT SURELY WOULD BE A GOOD TIME, IN FACT, TO ALSO BRING DOWN NEW YORK AND PLACES EAST.

The guard units are under orders not to even tell spouses of activities—but all military planes are being emptied of fuel in order to prevent loss to fire—"BECAUSE THE BIG ONE IS GOING TO HAPPEN 'BY' THE SEVENTEENTH"—INDEED, OF JULY.

I would remind you to look at clues and locations of various "players" in this game of Russian roulette. I suggest you read my earlier writing of today and perhaps you can see the possibilities a bit better.

This activity is taking place in many locations—and at least as far East as Bakersfield and as far south as San Diego and north to all units along the Hayward Fault, etc. This means expectations of massive upheaval is anticipated.

With the pressures built up along that San Andreas, chelas, it will be very intense under the

best of circumstances. I know not what else to do for I cannot tell your fortunes and perhaps wisdom will prevail. I would guess, however, that "wisdom" is not among the attributes of your enemies. Ones who will kill off millions with virus AIDS are not apt to consider your inconvenience in stricken areas. Remember those Executive Orders?

It is up to you to decide WHO is a great planner for I will not jeopardize my crew by telling more. I realize it is very difficult to tell WHO is the immediate culprit and who is the hostage—but, it matters not in the immediate need for preparations and care. You have been sitting on the explosives for a long time and the explosion is overdue—so, I can only hope you take heed and listen within for guidance. God walks with you if you but respond.

(EARTHQUAKE ALERT,
Continued)

I would ask that readers who just come into this information on a new hype and sensational story be a bit selective in that which you have tendency to repeat and "denounce".

I was interviewed on a Ver-

mont radio station this morning wherein a great deal of fun was had and I quite enjoyed it for I, too, see the seeming absurdity of the circumstance. However, I urge you to be cautious and ALLOW unfolding. Let me give you some CLUES to discern for self that which is remarkably revealing while the world chuckles.

I won't use "inside" "higher information"—I will simply give you things to observe.

LOTS OF "NATURAL"
DISASTERS GOING ON

I suggest you "inside" intelligence current workers—pay attention. What is happening is that "orders" are showing through which tell more than actual direct mail speeches. I ask that ones who are intent on bringing Truth to this nation and the world's people—take heed from ones who still have contacts within the wolf fold.

You will note that ones who still have access to "inside information" (and some are very, very close in contact with our group) are MOVED from areas wherein danger is great. This means that ones who have been located, say, in this area are quite urgently making moves away from this

Now You See It, Now You Don't: How The *Banksters* Control Your Life

(Editor's note: The following is a discussion that Commander Hatonn first presented in late 1989. It makes use of a remarkable lecture taped in April of 1988 by expert banker Jonathan May from his Midwestern jail cell. May landed in jail after really irritating the elite "banksters" — banking gangsters—he used to serve. May knew quite a lot about how banks work and had formed an honest bank outside the Elite's Federal Reserve club by utilizing the combined assets of a group of local Midwestern farmers. This narrative amounts to an insider's eye-opening tour through the everyday machinery of international financial maneuvers by these "grey men" to achieve total control of the world and its resources. This originally appeared as Appendix I in JOURNAL #3: SPACE-GATE, THE VEIL REMOVED and as Chapter 2 in JOURNAL #4: SPIRAL TO ECONOMIC DISASTER. Since now a few more years have gone by and the economies of the major nations more obviously hang by just a fingernail from total collapse, held up mostly by the "helium balloons" of International Monetary Fund manipulations, it seems appropriate to reprint this refresher course in banking that one is not likely to come across in any university's Economics 101.)

8/89 HATONN

THE "GREY MEN" TAPE

This is an edited transcription of a lecture taped April 23, 1988. The information is valid and, if anything, more easily recognized today—Hatonn.

I will be utilizing this information again when I speak of economics, but for now, I will modify from the audio tape to save time and repetition.

THE INTERNATIONALISTS

Let us call the group which has elaborate, and successful, plans to rule your nation and your world, the Internationalists. When I refer to the Internationalists I am referring to a very elite group of about twelve to thirteen "families". These "families" hold your "purse strings"—the zipper and lock, to all the bags of money in your world. Sound impossible? Nay, it is not only possible, it is extremely easy to visualize after I have explained it to you.

As I move along, I will give you some names and places whereby you can check it out on an individual basis. I wish never to place any human at risk, however, so in all instances I will only refer to those already having come forth with "public" statements or information.

I will also have to explain a few terms used to have any sense of continuity. Therefore, as we move along, forgive me of any digression in attempt to give definition, i.e., "fractional banking".

First, you must fully come into understanding that there truly ARE the elite few, with plans well foundationed and functioning, who control both the world financial markets and ultimately will control all peoples of the world. Do not err in your thoughts by thinking I am speaking of "someone else in the world", I speak more for the United States of America than I do of the remainder of your world.

THE MAIN PLAYERS

As I pull portions of the puzzle together for this document I shall again be referring to such groups as The Trilateral Commission, the Council on Foreign Relations, and the Bilderbergers. Forgive me if I am repetitious. I may need to be

repetitious in order to fit the pieces in proper perspective.

You must know that there are certain families (literally) that control the hard currency. The countries wherein these families abide are known as hard currency countries. These thirteen families have control of the policy making and the decision making of the central banks of those countries. They are owners, these families, of the majority of the stock of the regional banks of the Federal Reserve System. "Federal Reserve" would indicate to the more uninformed, that this is a Federal Governmental Branch. This is untrue, the Federal Reserve System is NOT a branch of your federal government. Just as these families control the regional banks of the Federal Reserve System, they also control the currencies that are not allowed to fluctuate. Note here that the American dollar is the standard against which all other currency is measured. All other nations are affected according to the changing values of the dollar. Not only do these families control the currencies, but they likewise control the banks. This, friends, is in all the leading nations of your world.

FRACTIONAL RESERVE BANKING

For ease of understanding, let us just consider the industrialized nations at this point. I will also need to explain fractional banking to you, because without understanding the lending system you cannot get the picture properly. All of the banks under control of these families practice fractional banking—and beyond—(sometimes there is no hard money present at all). But, let us explain by example on a personal level.

This is actually referred to as

fractional "reserve" banking. Lenders are allowed to loan a maximum of up to 20 to one. This is perfectly legal, practiced by every lending institution in America and elsewhere.

Example: Mr. A goes to his friendly banker, Mr. B, and deposits one thousand dollars (\$1,000) into Mr. B's bank. Mr. B's bank is a Savings and Loan so Mr. A puts the \$1,000 into his own savings account. The Savings and Loan is required by your laws, to keep only 5% in reserve. They are allowed to loan out 95% of the money invested or 95% of that which is placed into savings accounts. This means of \$1,000 there is \$950 which is available to be loaned out. In turn the Savings and Loan takes the \$950 and loans it to Mr. C to do some home repairs, let us say. This gentleman takes his borrowed \$950 and goes to the local hardware/lumber company and purchases supplies, lumber, nails etc.

The lumber company carries on regular banking and therefore, he goes to his bank with the \$950 for deposit, to Bank D. Bank D is now required to keep 5% but can loan out 95% which would be \$902.50. Bank D now loans that to Mr. X who in turn filters it back into the economy, let us suppose, through the grocery store and other business stores. He spends it and now we are going to have that money end up in the Bank Z. Bank Z is required to keep 5%. That means that Bank Z can loan out \$857.37. It is again loaned and filtered back into the economy. This is continued right down to zero. With your \$1,000 deposit those bankers using fractional reserve banking are now allowed to loan out \$20,229.60. This is practiced by EVERY lending institution in America and elsewhere. The amounts above do not include "interest" on the

money borrowed, only the principal amount.

You must now keep it in mind that this results in an increase in the money supply through the Federal Reserve System. Your "big boys" simply turn up the speed of your money presses and run them a little faster and faster in order to pump more into the economy just to boost up the fractional reserve banking. Let me remind you to keep in mind that the thirteen families control all of the hard currencies of the world and are allowed to practice this fractional reserve banking—this will be important as we move along.

GLOBAL CREDITORS UNILATERAL PLAN

We will now talk about something referred to, on your planet, as "System 2000", which is a Global Creditors Unilateral plan. This plan went into effect somewhere about the early 1970's. At that time a Pentagon official and several other officials visited Nigeria. They went to the Prime Minister and they paid him fifty million dollars (\$50 million) to raise the price of his oil to more than double. Nigerian oil is "light crude" of quality such as it is almost pure enough to burn immediately, without distillation, in automobiles. This type of oil sets the price of oil for the entire world. The \$50 million was cash across the board with no repayment requirements if Nigeria would double the price of light crude.

We will refer to this as light oil. There are only two locations in the world that have this light oil and, of course, it is the most valuable oil in your world. Therefore, it is the standard against which all other oil in the world is measured. So, whoever controlled the price of the light oil at that time controlled the price of all of the oil in the world.

ENTER THE ARABS

At this point, let us bring the Arabs into this scenario. This will also bring in the Trilateral Com-

mission—that also includes Mr. Bush. It was now time to bring pressure and persuasion to OPEC. What most of you Americans do not remember is that the United States of America IS A MEMBER OF OPEC. It is kept most low profile.

At that time a "deal was cut" with the Middle Eastern Oil Producers and this is how it went: all buyers were prepared to pay significantly higher prices for the oil—PROVIDED—all Middle Eastern nations supported the United States of America, BY INVESTING THE REVENUES INTO THE BIG BANKS IN AMERICA.

To make this picture clear, you must remember that the Arabs, who are wealthy sheiks today, had been wandering around on camel-back in a very big desert. They were nomads and they were certainly most unsophisticated in business affairs. Years earlier when the international bankers found out there was oil in their countries, they went forth and persuaded the Arabs to allow them to produce the oil by financing the oil fields, drilling, rigging—all supplies including expertise.

After the bankers financed the oil fields they then charged the Arabs usury fees for building the oil supply systems—along with refineries. The usury was quickly repaid because the Arabs became very rich, very quickly. (Way back then you were only paying about 30 cents per gallon in your gasoline stations). Let us now take it further: you go to Nigeria and pay them to double the price of light crude, unbeknownst to the Arabs. Those ones who had become wealthy overnight and didn't know zero about business, much less international finance, the camel nomads, you call them together and say, "We will take the price of crude just as high as you want it to go—IF—you will deposit an established portion of the funds that you get from this NEW PROFIT RISE IN 30-YEAR TIME CERTIFICATES IN CERTAIN MAJOR U.S. BANKS.

Perhaps you ones can now understand the problems you experienced in your early 1970's.

Remember the gas lines and the prices of oil skyrocketing? It was because the international bankers, who hold the purses of the world, knew that the increase in the price of oil that was going to the Arabs would come rushing right back to their bank in 30-year time certificates of deposit.

Turn now to the 30-year time deposits and let us examine the banker's plans. Back in the late 70's and early 80's Sheik Ymani and his bunch had no idea that there was a connection between those banks, or that they were the same people that had the controlling interest of the major oil companies. Do you see what has been woven here? After all, how could the camel-riding nomads realize the international bankers were "having them" hook, line and up to the fishing pole? How could they possibly know that what was happening through these oil companies, was that the monies were being cycled right back into the selected, no exceptions, banking system? They couldn't and they didn't!

ROCKEFELLER JOINT STOCK TRUST

Going a-long ways back now, in the 1870's the Rockefellers set up something called a Joint Stock Trust. Here I will add, this was just a brief period of time before the American Government declared these trusts illegal. BUT, YOU SEE, THESE ONES COULD FUNCTION FOREVER UNDER WHAT YOU CALL A "GRANDFATHER" CLAUSE. THAT, BROTHERS, IS THE ULTIMATE CONTROLLING FACTOR IN AMERICA OF THE PRIME BANKS AND THE FEDERAL RESERVE BOARD. That "trust" is in the control of the Rockefeller Foundation, and in turn controls the Federal Reserve Bank and is the method whereby the Internationalists are able to gain control of the currency of the U.S.A.

Does it begin to become reasonable that those New York banks are showing all-time record earnings? Yet, all around the rest of your country of the U.S., banks

and Savings and Loans are going broke and failing. **THAT, FRIENDS, MEANS YOU ARE BEING MANIPULATED RIGHT ALONG WITH THE ARABS AND EQUALLY AS BLINDLY—WITH NO RECOURSE.**

THE DEAL

Let us come back now, and speak of the deal which "was cut" (your ones in power love that term) with the Saudi Arabians and ones of the Middle East. These ones were required to put their money into the prime banks; keep in mind that they did not know that the prime banks were able to lend in amounts of twenty to one. (20 to 1 was quite a while ago, it is higher at present). All they were receiving was the interest on the money they had deposited. Worse for them, in some of these countries it is unacceptable to receive interest for religious reasons so they might wait thirty years to get any money from their certificates of deposit. In other words, they did not know that this fractional type of banking could be done, but through this, the bankers of the world were able to gain control of the money of the Arab world, and in turn, the Arab world only received back part of the interest from the money that they placed into the International Banking System—UNDER THESE 30-YEAR TIME DEPOSIT CERTIFICATES.

ENTER THIRD WORLD NATIONS

Through the money gained from the Arabs through the manipulation of the price of oil, and taking the price of gasoline from, let us say, 30 cents a gallon to \$1.25 a gallon—there is a lot of money being made. **Now, with that money returning into the international banks at 20 to 1, I think you can see the staggering profits. Let us face facts, friends: that money originally came from YOU.** Because the bankers had locked in the deposits they were then, in turn, able to make loans to Third-World nations.

Think back fifteen or twenty years ago when the International Bankers started investing in Third World country loans. Look very closely at the countries which are going bankrupt (completely broke) today. It was fully intended that those countries go broke and I will explain that in a little bit.

You might wonder how I know so much. Well, I have the best computer system in the universe and all I have to do is key it up and it is spread out before me. My computers rarely reflect errors; only changes in "probabilities" and perturbations in human action and reactions.

I am sorry, friends, your friendly bankers set it up deliberately so that the Third World countries would go broke. You have to pay attention to history and look back to the time when those Third World countries were beginning to gain independence and setting up independent governments. It was at such times that these bankers loaned the upstarts great sums of money which actually had come to them through the Arabs, basically.

The international bankers not only wanted, but insured, that these borrowing countries would misuse the fundings. It was fully intended that those countries would go broke. It was prearranged that the funds could be mismanaged through greed and simply be squandered. You must remember that the leaders of these countries had never governed anything or anybody. They knew nothing about government. They had been colonies under the governorship of other larger countries.

-The international bankers knew that the leaders were bound to squander the funds. It was known they would have no way to know what to do with them (and they were massive) and so the cycle goes. ***They were actually squandering money taken from you through the Arabs through high oil prices, etc.*** Let us now follow it on through.

THE TEXAS CONNECTION

I will hereby digress to a story from Dharma's Earth home state—Texas—most of you have heard of it. Let us go back some years (not too many) to jog some memories. Do you remember someone named John Connally, who was governor of Texas? Do you recall that he was also in the vehicle and was injured during John Kennedy's assassination? Well, Mr. Connally was also Under Secretary of the Treasury—he was a lot of things and titles. ***These ones with Mr. Connally did a most fascinating thing—they planned to implement a new currency for the State of Texas.*** You see, Texas is a part of the Union only through a renewable "treaty". The treaty is automatically renewed every year, but it isn't necessary that it be renewed. That means, friends, that the U.S. only has a treaty with Texas to keep it in the union of states. It was not voted in as were your other states.

Texas was at one time—I believe your term might be "filthy rich". The state was wealthy and there were many very, very wealthy individuals. Rich individuals such as the Hunt brothers, who actually had nothing originally, but became extremely wealthy, overnight, by OIL. That was all the way back when oil was first struck and became so very popular.

I am truly going to tie all this together but you must bear with me for there are so many facets. I must make it clear what I am going to say. I will explain to you why, if you don't already know, it was so very important to ones of "the opposition", and why there was an assassination attempt against Mr. Connally's life as well as Kennedy's.

Why are those men "broken" today and in a state of severe financial trouble? It is because the Internationalists learned of what the Hunt brothers and Mr. Connally were trying to do. Texas, a state by treaty, can legally secede from your union. ***The Hunt brothers and Mr. Connally knew***

that Texas had the ability to set up their own country and have their own currency. That is why they could be solvent and not be under the dictates of the Federal Reserve System. Or, simply stated, under the control of the international bankers.

At about the same time they were in the process of gaining a corner on the silver of the world. This was in order to finance a process whereby they could overcome the international bankers and it was at that point the Hunt brothers were smashed. John Connally was almost killed, and Texas, which could have been the only state in the union to fulfill breaking out of the trap, has been punished with some extremely major problems. Today, portions of Dallas and Fort Worth, Houston and other wealthy, wealthy cities have gone on to resemble ghost towns in your Old West. Ones who had grown rich in the oil industry have been severely punished; the Hunts and Connally are bankrupt.

The Internationalists became so incensed, so angry, at what these Texans had done that they broke the back of the oil industry, and the major oil producers of Texas. It was a well designed plan and executed in perfection.

When ones attempt to interfere with the plans of the international bankers, you can see what the results can be. The Hunt brothers were working directly with the Shah of Iran, on the above plan. Immediately thereafter one of the Texas bankers was killed, the Shah of Iran was deposed, and the Hunt brothers were forced into bankruptcy.

BANKERS' REVENGE

There are many ways the international bankers can get revenge on ones who attempt interference with their overall plan: through murder, or you might well be placed into a mental institution and locked away permanently, or you can have trumped-up charges brought against you

whereby you are locked away indefinitely in prison. This latter has also happened to numerous ones in the "UFO" investigation circles who find and bring forth truth. It is exactly what happened to Colonel Wendelle Stevens. Colonel Stevens probably has investigated more UFO incidents than any other one individual. Further, an assassination plot was arranged and attempted while Colonel Stevens was incarcerated. Strangely, the perpetrator, who dressed as a religious leader, was caught in the act, turned over to the FBI, and has never been heard from again. So be it.

If you will recall, the Shah of Iran was in perfect health when he was deposed and departed Iran. He was only declared to be sick after he reached the United States. You were told he was being held in "protective" custody at a military base. There, you were also told, he was being treated for his illness—which was not present at the time of his arrival. He died anyway, didn't he? Face it—his death was planned and the murder executed.

In your present months [Editor's note: This means late 1989.] there is an international uproar over the use of chemical and germ warfare utilized by Iran and Iraq. Some of the viruses cannot be traced—nor, in such above instances, would anyone dare to pursue it.

Who would question a man becoming ill, being treated and then expiring unexpectedly? Certainly no one in the United States would question it. It was uncomfortable enough just having the man in your country. Death can most effectively be brought about in any number of non-traceable ways; one of which is through micro-dots and variations of vibration frequencies, as well as through viruses. (This is exactly what happened to Dharma, in her own dwelling—causing cardiac arrest. We just happen to have her under constant monitoring for she is a receiver of several of us in this higher frequency dimension;

August 23, 1982

(Editor's note: Here's a Pat Oliphant cartoon from the early '80s when the Banksters were bringing Mexico under control.)

therefore, we can catch these attempts and can counter them. Doesn't do much for the mental relaxation of the victim, however.)

SENATOR HANSEN AND IRAN HOSTAGES

You can get verification of these little stories from Senator John Hansen of your own government. I am going to speak of Iran and your people who were taken hostage. I doubt many of you have heard the truth of the matter.

Senator Hansen was in the House of Representatives in Washington, D.C. He knew what was happening in Iran and requested permission to go to Iran and investigate. Congress refused. Mr. Hansen then purchased his own private airline ticket and proceeded to Iran anyway.

When Senator Hansen arrived, the one Khomeini proffered an audience. Guess what the Khomeini said? He said, "We don't want these hostages, certainly not any more than you want us to have them. As a matter of fact," Khomeini continued, "I'd like to give you these hostages, at least half of them anyway, and you can take them

home with you tomorrow morning. That is, Mr. Hansen, if you will promise to begin an investigation into the relationship between the Shah of Iran, Chase Manhattan Bank, Mr. Henry Kissinger and your President Carter."

At this point, Senator Hansen was most delighted. He rushed to call back to the U.S. to someone who could give authorization and said, "Hey, I can bring half of the hostages home tomorrow. How shall I arrange it?" The person on the other end of the line said, "Well, I will call you back tomorrow and let you know." Now please guess what happened on the following morning? When the call was placed back to Mr. Hansen, he was told the following, "Get yourself on the next airplane coming to America. Come home immediately. Do not bring hostages. Do not do any negotiating. You have no right to speak on the part of the Congress of the United States of America even if you are a congressman. Get home immediately with no further discourse."

Here is what he found upon his return to Washington—that the incident was entered into the Congressional Record. Further,

he found that President Carter knew the hostages were going to be taken and further—knew that they were there for a reason and he was not to interfere. Now, you ones get yourself ready for a bomb if you have not already had access to this expose'. The release of the hostages in Iran was negotiated by a negotiator of Chase Manhattan Bank in New York, U.S.A. All outside overt and covert attempts to gain release was a facade. Ask any Marine who was involved in the military efforts thereof.

GRAB IRAN'S MONEY

Is it really any wonder to you ones that Iran is all ticked off at you today? Those hostages, and America, were held in terror while bankers got the Shah's money safely into their banks before the Shah was killed and then, in turn, got much of the money belonging to Iran. **A pretty wicked way to get Iran's money into the Chase Manhattan Bank so it could remain solvent and be one of the wealthiest institutions in the entire world.**

Congress, that grand old benevolent asylum for the helpless.

- Mark Twain

ENTER THE "HOLDING COMPANIES"

The international banks formed bank "holding companies" so that they could not be held responsible. The Chase Manhattan, Chemical Bank and J.P. Morgan's bank were the predominant banks for money deposited by the Arabs. **The holding companies were formed in order to loan out money to the Third World countries while knowing full well that the Third World countries were going to go broke.**

After the Shah had been destroyed and the money was safely in the banks, there were massive amounts of money loaned to third world countries. These notes were shifted from the banks to the bank holding companies in anticipation of the eventual bankruptcy of the borrowing countries.

One holding company was for the purpose of loaning money to the third world countries. The purpose of the second holding company was to borrow money from the international bank in order to purchase agricultural lands. That means your farms and also certain corporations in the United States. The farms and businesses will probably continue to make some money, but the third world countries are designated to go down. This is ongoing, dear ones, not a passing fancy. [Editor's note: This was outlaid several years ago; since then even the farms and industries are collapsing.]

SLEIGHT OF HAND

Here things began to happen rapidly and with sleight of hand. There have followed myriads of liquidations, foreclosures and bankruptcies which were effected by the FDIC and FSLIC, which are under the total control of the Federal Reserve Board. Literally dozens of banks all over America quickly were, and are, being bought up. But the big question is by whom? Who has the money in sufficient amounts to make

such purchases? Further, where could such sums of money originate? The great sums come from the higher oil price money that goes to the Arabs, then deposited into the international bankers' banks. The banks being purchased are then intentionally closed. Some of those banks are still solvent. They are also buying up farm land throughout America through the farmers who are now being put into bankruptcy because of the high American dollar (in relationship to foreign currency). At least this is the way it was up to a year or so ago—it is fluctuating somewhat at the present time for other heinous things are under way which are the next step in the plan. I shall not go into those things in this document for I intend to do a document relative to your economies. First, let us consider what is happening now and has been, for your past few years—a lot of things are being done now through the Oriental communities. Ah so?

We are going to now consider currency on a world basis. We will also point out why some of the monetary plans and money making formats are valid and viable.

MR. MARCOS AND THE PHILIPPINES

Let us speak a bit about Mr. Marcos, who was [in 1989] recently deposed from the Philippines. This is most typical, friends, so watch the hands closely: A representative of the international bankers' bank went to those ones and said, "Mr. Marcos, we will note all your loans and offer you alternatives. We will forgive all of your loans. You cannot pay them back; you cannot pay back the interest, you can't pay back the principle, but, we would like to make you a bargain. We will just forgive the loans."

Digress time: remember, who did that money belong to that they loaned out to these third world places? It was not the bankers'. Well, of course, it was that Arab money, because of the higher prices that the people all

over the world had paid. So, back to what the bankers say, "We'll just forgive your loans, the principal and the interest and you never have to pay it back—IF (ALWAYS THE IF!). The "if" goes about as follows: You have to do away with your national currency, whatever it is. The dollar will be your currency basis of value. You will be set up with a type of debit card system instead of the usual currency system. Then, too, you must give us perpetual rights to all of the natural resources in your country.

Interestingly enough, it was right after that little gift gesture, that friendly little suggestion, that Mr. Marcos was deposed. Why do you suppose that happened? Well, Mr. Marcos was pretty fiesty and he told the international bankers where they could go right after they got immediately out of his country. He had no intention of giving them sovereignty over his country, and look what happened.

Everyone in that country found that suddenly their social security number was synonymous with their credit number; further, their central bank was to act as a wholesaler for credit, which in turn, was extended to it by the new super bank which was announced by your Mr. Paul Volcker in the fall of 1985. That was ratified immediately by President Reagan. Just a fun aside for you who love to play with numbers and speculate about coincidence—the names and numbers, the digits, added up to six. Lots of things around Mr. Reagan add up to sixes—even his retirement home address. I take very little stock in these things, but many of you seem to like the game. Also, because a President is not re-elected does not mean he is vanquished from the fray.

A further contingent condition of the benevolent gift, if you will, of the International Monetary Fund, was that in order to help the economy of those countries the IMF was going to nominate external, nondomestic corporations to properly engineer, exploit and

excavate the minerals of those said countries who had just put those same mineral resources up as collateral. This would all, thereby, supposedly bring prosperity to those striving nations.

Mr. Marcos was a bit sharper up front, however, and he pinpointed on the word PERPETUAL in the contract. He realized that quite obviously he would be signing away the sovereignty of his nation.

I make no comment or judgment regarding Mr. Marcos as a person, nor do I make comment about any individual—those ones are of human format, not mine. I am just telling you the way it is and how some things happened.

In the case of the Marcoses, it was only a matter of weeks before the bankers brought down the guillotine blade. Riots were financed by, and originated through, ones of the international bankers' groups. It is never humanly wise to cross these ones; you see, Mr. and Mrs. Marcos were exploiting the people well enough on their own and did not wish to share.

BACK TO THE HOLDING COMPANIES

Ah, let us not forget those holding companies of which I spoke. Remember holding companies one and holding companies two? The second group was receiving credit from the first group of holding companies to purchase assets and liabilities from the "prime" banks. The only liabilities they would purchase were liabilities represented by Certificates of Deposits of the Arab nations. The assets they were buying were loans made to the debtor nations. Remember, it was designed that third world countries would default on the loans which would bankrupt the holding companies which had purchased the Arab's CDs from the banks.

At such a point, the international bankers say to the Arabs, "OK fellows, sorry, but all those billions of dollars in 30 year term deposits that you have been depositing all these years are gone.

They were sold to a holding company, unattached to us, which loaned the money to third world countries which are bankrupt—broke—gone kaput. Sorry Mr. Arab, but as of today you are bankrupt. Just like that—all gone!"

You might ask, "Is it possible for the Arab world to go bankrupt? Really now, the richest people in the world with all that oil?" It is a little bit shocking isn't it? Poor souls, they didn't even know those CDs had been "sold" to those holding companies. They had deposited the money right into the New York bank as required. How could they possibly know they were transferred out and into bankruptcy-destined companies? How could they understand the inner manipulations of international financiers? They were nomads, they didn't know anything about business. One cannot even consider them foolish. How much of this intrigue do you know, much less understand?

DOOMSDAY PANIC

The Arabs could not know what they were up against. But now let us look at what has happened. Before the end of 1986 the Arab world became a bit aware of what was happening to them. The word went out that before May 1st, 1987, millions and millions had to be transferred out of the Arab world into America, to start preparing for doomsday. **Money was to be shifted into any kind of securities that were even half way decent. Why do you think this was so? It was so that when the Arab sheiks came to the point of bankruptcy they could be sure the people under them, those millions of people of the Arab countries who have literally been "kept" by giveaway programs, could not get at them. They would have a place to run to and, hopefully, hide.** Well, when this all comes down that these Arab countries have literally been sold out, innocently or knowingly, there will be uprisings, turmoil and literally, massacres abounding. It is going

to happen, friends, right in the Arab nations.

This is why they have purchased, and set in place, silk-worm-type missiles from China. Long range, nuclear capable, and they have the nuclear devices to arm them. Could it be they will be needed against their own peoples? **The people are going to be quite irritated when they are no longer receiving anything from the oil revenues, that their own country is bankrupt and that further, they were sold out by their own leaders. At that point there will be mass migration of sheiks, headed for America, where they have already transferred the most of their assets.**

The Arabs were trying to make the big purchases by May of 1988; it is now a year and a half later. Do you not think things might be starting to come down pretty soon? Could it be relatively correlated in timing to Savings and Loan problems and private pension plan troubles and failing economy and—and -?

I continue to see problems as I look upon my scanners. The probability of you making it very far into your 1990s before a major depression is not reflected there.

You only need a couple more countries to default and your monetary system will collapse. You sit on the target for several methods of pulling you down into collapse. Well, back to the original story.

We are talking of holding companies in trouble. The international bankers have removed responsibility from themselves. They passed the notes, etc., on to the holding companies, who in turn made the bad loans. All that money belonging to the Arabs has been passed on into the holding companies. All the international bankers have to do is say to the Arabs, "You are broke. As of today—all gone!" When the Arabs demand payment of the 30 year term notes, the holding companies are insolvent—simple as that, no funds—broke.

Do you see now, that this group "made" people some years back and now they can "break" them with equal speed

and efficiency without being accountable?

I fear, friends, it is not very different from what is being done unto you dear ones, but that is another story.

ARAB BANKRUPTCY

What happens next after this point in insolvency and negotiations, is that the assets would have to be liquidated. The Arabs now have to liquidate. They bought farm land, for instance, all over America. Likewise, they bought stocks in a lot of corporations as well as a lot of bonds and some other kinds of real estate. In fact, they have controlled a large portion of the New York Stock Exchange. Keep in mind the Japanese control a large portion, also.

Let us look at the morning following the notice of bankruptcy. The Arabs will dump their stocks onto the New York Stock Exchange and what is going to happen when billions of dollars worth of their stock comes on the market? I am talking billions and billions of dollars and, suddenly, there it all is to be sold!

What happens to farm land that is already depressed? In 1987 prime farmland that had been worth \$3,000 an acre was less than \$700 per acre because of deflation and the inability to repay farm loans. Now you have added drought and all sorts of other bad dreams. By the way, this deflation was brought about by your Federal Reserve System. Well, the Arabs don't want that farmland, they have all the problems they can handle. What happens to the price of the farmland? It is going right to the floor, isn't it? Brothers, when that happens with the value, what does it mean? It means it has no collateral value any longer. With no collateral value, how can a farmer borrow money next year for his crops? In turn, what happens to the crops? Who is going to feed the people? What is going to happen in the grocery markets? The results, of

course, equate to hunger and scarce supply. Sad, brothers, but it is a well laid out plan working to perfection.

It all boils down to CONTROL and how do you ever recover. Further, let us look at your stock situation. What is going to happen when these multitudes of stocks are dumped on the stock market? Chaos. What will be the result of catastrophic chaos? **IT HAS BEEN DESIGNED TO THROW THE AMERICAN STOCK EXCHANGES, PRIVATE CORPORATIONS, PRIVATE BUSINESS, AMERICAN REAL ESTATE AND QUITE FRANKLY, THE PEOPLE IN GENERAL, INTO A STATE OF TOTAL CONFUSION.**

BANKSTERS TO THE "RESCUE"

Let me finish the plan for you. At the time of total confusion and inability to function, those benevolent bankers are going to come through with a "save the world proposal". They are going to be prepared to eliminate cash because of its collapse. Secondly, they must then stop drug trafficking. Then, they must also push to stop tax cheating. Now, what self respecting American citizen can possibly be against such noble efforts? They (the bankers) have set up and orchestrated all of these programs and now will pretend to stop them.

What will the average American do when your television says, "Look at what those dirty Arabs have done to you?" What would you do? You are going to believe what they tell you, aren't you? You are going to be right up there in front saying, "Sure they did it to us. Those Arabs want to control the world." Pretty soon it will be, "Those Japanese want to control the whole world," and then, "The Chinese want to control the whole world." You will join the chant that says, "Look, they bought up all of this major part of America. Look at all the money we have given them, and see what they have done. They have collapsed our stock market, etcetera and so on". Ah ha, but here come

your benevolent bankers and they are going to say to you, "You have got to have a new currency and then the next thing we will do is use that new currency to stop this dope trafficking. You know, that which is coming in from Central America and those other countries. Then, of course, we are also going to have to have a debit card to stop people from tax cheating because, after all, Mr. Public, if we don't do this we will never get ourselves back on our feet. So, brothers, if you'll just turn everything over to us benevolent bankers we will take care of everything and straighten out the whole mess." You know what, brethren? You will hop on that bandwagon and agree to your imprisonment like babes to candy. You will not only agree to it, you will demand it. For you will forget to hear the big IF. **"YOU WILL GET ALL THIS DONE FOR YOU IF YOU WILL JUST TAKE A DEBIT CARD FOR YOU INDIVIDUALLY WITH OUR LITTLE OLD NUMBER ON IT!" YOU WILL HAVE JUST FALLEN FOR THE OLD IDENTIFICATION CARD SCHEME.**

HOW CAN THIS HAPPEN TO YOU? BECAUSE YOU HAVE NEVER BEEN TOLD THE TRUTH, FRIENDS, AND WILL YOU BELIEVE IT NOW AS I GIVE IT TO YOU? NO, MOST OF YOU WILL DISCOUNT ME AS A FIGMENT OF SOME NUT'S WILD IMAGINATION. SO BE IT FOR I AM GREATLY SADDENED FOR YOU AS A SPECIES.

DEBIT CARD SYSTEM

This has been a scenario about the Middle East. Where do you think you are today and what do you think you will be when you have this new currency? It will only devalue the old "dollar" to zero. It is planned already and named already: the Phoenix. A little prior to this, there is a plan to bring forth an international credit card ID. Let us refer to it as a government ID card with your social security number on it which would be, and get this because the next is important, satellite

linked through the Star Wars system. Does any of this sound familiar to you? This program of Star Wars is at least 60% geared towards this very purpose and only 40% for the claimed defense systems, etc.

This major space linkup will facilitate the transmission of banking information throughout the world instantly. This would be a debit card with a number which would be required for you to do business, and friends, if you know anything at all about your Biblical prophecies, God has already told you it will be, it will take place. Further, it will be done in such a clever way that you "Christians" who say you will NEVER sign up nor participate will never see it hit you and you will have joined the program without even realizing it. How else are you going to survive? Let us not be foolish in our claims for you are dealing with most clever planners who have out-thought you completely up to this date.

Now, I hope you will believe me when I tell you that the "Star Wars" program of satellite systems is in place. Satellites are up there, friends. We of other planets are allowed to stop nuclear warheads—we are not permitted to touch satellites which are not geared to some type of nuclear detonation.

Well, all those wonder-filled bits of technology called eyes in the sky and spy satellites "for your security" are largely for the purpose of transfer of the very banking and income information which I have just been describing. It can set up immediate transfer of funds from all over the entire world, from the debit card, that the internationalists will see to it are established with every living person. You will be on the system whether you know it or not. In fact, you who are old enough to read these words—and every child—are already entered therein.

All information will be entered into a central computer and from that place the world will come under instant financial control. So, dear Americans, you have

just paid your hard earned money to finance that program to initiate the bankers' international credit card system and number system that will be implemented whether or not you choose of it. IT IS DONE, BROTHERS, IT IS IN PLACE—DONE! DON'T TELL ME YOU WILL NOT PARTICIPATE—YOU ARE ALREADY A PARTICIPANT, DEAR LITTLE ONES.

Oh yes, what of your defense system? Doesn't look too good, does it? Well, we are not going to let those nuclear warheads out here in our space past one hundred fifty miles anyway. That is our prerogative and we stop them or dismantle them.

Do you not see, brothers, that this is the way the prophecies are coming into your focus? It is happening all about you but you don't seem to know what it is you look for.

Please, all I want you to do at present is HEAR ME. There is naught you can do about it to any great extent as it stands.

You who will hear me and mine own groups, hear me. You must utilize all of the remaining time to its maximum efficiency for we will have to continue to work under the new systems. Our projects will never be less than excellent investments and they must, and will, be funded. It needs to be done rapidly, however, before we are caught up in total collapse of the monetary system. We can work through depression if we have fundings—monetary collapse shuts us down for all practical purposes, until the system can be put on track and functioning.

It can work and will work, for in these confused, rushed and harassed days there is great madness to shift money and make money on money and etc. Countries such as China, Japan—all non-hard currency countries are desperate to convert to dollars.

I will further tell you that your governments know we are here. They also know we are not here to interfere. We are here to walk our people through a transition and we plan nothing subversive. We do plan good business ventures

and welcome all who wish to participate. We have no communes, all work for fair reward. We plan good business with total integrity and latest technology. We are here to help, not overthrow. We are here only to walk our brothers through, for it will all come down just as the prophecies are given. There will be some very bad times ahead most surely if plans are not made for those days of tribulation.

Let me speak a bit more regarding "timing". I know that what I have said is truth.

It was confirmed by top sources in Switzerland that by October of last year [1988] there were twelve debtor nations who had agreed to the proposal of debt forgiveness in exchange for perpetual consignment of natural resources. There only need to be one or two more that give enough leverage to announce the Arabs bankrupt. As of now, all the top leaders in the Arab world know the story and they are scared to death about it. They don't know what they are going to do about it; there is actually nothing they can do about it. They certainly do not know how to announce it to their populace. There doesn't seem to be any way to get the information out to the people.

Further, no one knows how to announce all this to the American people. It has been attempted by some and fallen on deaf ears. I hope that by the time many of you have read this document, there will be recognition of our presence in your space. What I tell you is truth.

IN SUMMARY

I would like now, to sum up this scenario.

Because the 20-to-1 debt-to-asset banking ratio also operates in reverse (that's how it is with leverage), it only takes about five percent of the third world countries to declare bankruptcy and when they do, and they accept the plan of the international bankers, then the bankers can declare the bank holding companies bankrupt. Because of the re-

verse leverage of the loans, only 5% of the third world countries could basically declare the world bankrupt and the ownership of all falls to the international bankers.

When this program is initiated and in place, it will wind up with the international bankers owning all mortgages and all properties. What is that going to do to your country? What about the world? What control will they have when they initiate the debit card? It will be an automatic number which will be given and would be required because the country is devastated.

It would then result that the international bankers, who are made up of all these secret and complex committees I have previously discussed, would now own the majority of the United States and most other countries (for all will fall in short order), would control the Arab world and therefore, by about a thirty year plan of manipulation, will have brought the peoples of the world under control.

Two years ago, your Senator George Hansen said you had only about a year to get this under control, to get the information out and do something about it. Well, your year has passed into two and a half. How much have you heard about it? I doubt very much. Brothers, this is how men make slaves of their fellow men.

It has, however, been prophesied since the beginning of your world that these things would come to pass. This statement is not to give you negative feelings. This is to tell you that you are IN the time of the evolution of your planet where these things are now coming to be.

I go through all this that you might recognize the signs which are all around you. The time, in your perception of time, is fleeting. The "time" we call sequence of events—is fleeting. We have much to do and we are here and available to assist you ones of God and the children of your planet called Earth Terra. You are a sister planet to us of Pleia-

des. Many of our ones walk among you. There are many duties and jobs that must now be finished.

The story, the work, will go out for that is God's promise to man. His promise is to allow man to hear and to see, followed by proof. He will send these things through us of the space brotherhood.

These things shall be documented and sent forth to man so that man can see what he wishes to do—what choices he wishes to make regarding his divinity.

I am going to leave this portion now, that you ones can ponder these things.

We come in love and we can see farther than you. We have access to all records, so we can see and know. We can give assis-

tance if we are so petitioned. And you might ask, "Why would you ones do that?" Because Father God the Totality, the Light which is your Source and My Source loved you enough to send forth His Celestial Son, before us. We now serve that same "Son" who is our Commander and act in His service.

Further, for you who are our brothers, we will not leave you stranded on that place. Ye who do not yet know me, will come to understanding of our presence. I leave mine seal and my blessings on this portion, which I fear is quite lengthy. Please ponder it several times until you have understanding for it is most important.

Mission Of The Hosts

7/5/92 #1 HATONN

Hatonn present—again filled with both appreciation and requests.

I now ask you readers to send a card of appreciation to Sam Russell at KTKK RADIO, 3595 South 1300 West in Salt Lake City, Utah 84119. He hosts a talk program called "Open Mind" on K-TALK and again, on very short notice, we conversed and had a most informative evening of sharing. Perhaps if we see to it that these daring speakers and receivers are kept on the airwaves, there may yet be opportunity to share greatly.

NO BUSINESS BUT THE "WORD"

I have no opportunity to speak in generalities to listeners and discuss purpose, mission and limitations of information, so I will present it again herein.

I DO NOT come forth to pull you FROM anything other than misperception, lies and evil intent to devour you as a species and civilization. I have no interest in running anything or political involvement of any kind. Mine is to tell you truth of circumstances

so that YOU have options from which to work to change that which is WRONG. Obviously if things are "right" there is no need to change.

I had only two angry callers last evening—both of whom I appreciate greatly for it gives opportunity to share some points with you who might come into attention of our work and contact. I come as a "host" from God, the ONE LIGHT. A place has been prepared for all who would come within the intent of God and the Christed path. I use NO NAMES for these energy forms for that would limit God and Creation in perception of receivers and BOTH ARE WITHOUT LIMITS.

I come not to individually "tear down" any religion for religion is a thing of MAN—not GOD. It is fine IF THE TEACHINGS ARE TRUE AND WITHOUT LIMITATION OUTSIDE THE LAWS AS GIVEN FORTH FOR MAN UPON PLANET EARTH AND WITHIN THE LAWS OF NATURAL UNCHANGING (FOREVER) UNIVERSAL LAW. WE HAVE FOUND NO SUCH "RELIGION" ON YOUR GLOBE!

The point is NOT the Mormons against the Catholics of Rome,

the Baptists against the Methodists or the Satanists against the Rapturists. Each "sect" will bear its doctrine according to the rules as perceived for each group and those who follow or "behave" according to those individual rules are acceptable into the "club". GOD HAS NO CLUBS, RITUALS OR TEMPLES—other than that within each being expressing in experience **according to his individual choices.**

The laws are succinct and well written and without contradiction nor ability to MISUNDERSTAND. Any misunderstanding is a sham for the commandments and "golden rule" are all self-explanatory in EVERY CONCEPT.

WE UTILIZE MATERIAL FROM ALL RESOURCES

Please note that in SATAN'S DRUMMER'S for instance, I gave you rituals utilized by the Satanic groups—THAT DOES NOT MEAN THAT I OFFER YOU SANCTION TO USE THEM FOR SELF—IT IS TO INFORM YOU SO THAT YOU ARE IN KNOWLEDGE AND NOT IGNORANCE.

I research material which has been GIVEN BOTH DIVINELY AND WITHIN THE MINDS OF THOSE RECEIVING TRUTH—**and bring it forth unto you. I am neither a "psychic" nor a "fortune-teller". Our task is very "physical" in nature and yet, until you can come into truth of circumstances there is no way that you can receive of us for the brain-training of the Elite has been to cause you to DENOUNCE THE VERY TRUTH YOU "THINK" YOU SEEK.**

We KNOW the speakers of the ages—for they are WITH US, whether you believe same or do not. I need prove nothing—you need believe nothing. My mission is to bring the Truth as presented and it is for you to do that which you will with it. I know who and what will come aboard my craft as does each commander involved and who will not—at the moment of need. I am not an astronomer nor a linguist. I utilize whatever

vocabulary is utilized by which ever speaker or writer is translating. When you attack me as to such "earth-bound" bombardment as to a certain word utilized you are only offending my scribe who has had quite enough already.

We are only now beginning "again" to contact the public through the airwaves and lightwaves of your recognized means of transmission—BECAUSE of the incredible attitudes of some callers and "smart" beyond learning individuals—who ruin the contact by total ignorance and refusal to learn. NEVER do we object to honest inquiry—but to reduce this "highest cause" to arguments over bulges in planets and suns and or a term used to present an idea—is quite unthinkable and an insult unto the brother who listens in desire of gaining insight and enlightenment as to what is going on that he might find his path unto God. I HAVE NO OTHER PURPOSE, MY TRANSLATOR/WRITER GAINS NOTHING IN MATERIAL REWARD FROM THE SERVICE—SO WHY MUST HATE BE BROUGHT AGAINST HER AND INSULTS BE THROWN AGAINST ME?

I ask no one to do more than "hear" and "consider possibilities" and then, find your confirmation. When I am asked about creation/formation of Earth and I tell you what I know to be fact—from an ability to see the overall and "both ends of the road", I am happy to discuss why your planet "bulges" at the equator and I will share that which is presented—BUT I come not as an astronomer and what I perceive from my visual view is not that which you see or perceive.

One caller highly objected to my discussion of Earth "bulge"—to denounce me for he said he is an astronomer—I can tell you that he is NOT. Why do I know as much? Because he said that my excuse for Earth's bulge maybe could be due to "spin" or something—but, explain the 'bulge' on the sun?"

TRUTH SUPERSEDES "ASTRONOMY"

Even Earth astronomers can only ASSUME this or that on your sun and "bulge"???—I think not. You cannot get close enough to your sun to see whether or not it bulges. Moreover, in the event you could do so—you would not be able to tell if there would be such a thing. Why? Because in the non-atmosphere of space and with that much gaseous material—it would be a perfect sphere in any event and only held in place at all—through compression of something greater in density and force than the gases themselves. What you perceive is only flaring from the gases and you won't like it but the sun is cold, not hot—and what you see is NOT what IS. I, Hatonn, however, have no interest in YOUR sun nor proving bulges on planets or whether or not YOU agree or disagree. I honor discourse and seeing and even "debate"—but what I am here for is DIVINE PRESENCE—and therein had best be your "testing"—not my star-count abilities. I managed to get to your place, so I think I am not too bad a navigator, even if a lousy English major or astronomical instructor.

Now, the other objection is that we utilized the term, "no way, Jose" at some writing or tape or something. I have to remind you that I pulse a word/thought expression and my scribe has to identify and repeat that which fits the need. This lady objected and denounced our credibility over THAT terminology—as being "Southern California street talk". Well, firstly, my scribe is from Texas and not California. Next, those of you in New York who use the term might well be discounted for existence if you utter such a term and lastly—HOW DOES THE CALLER BECOME AUTHORITY? AND, WHY THE NEED AND URGENT REQUIREMENT OF SELF TO BE THINE BROTHER'S CONSCIENCE AND WARDEN? What are you planning to accomplish? Discredit Hatonn? If I be truth

you cannot discredit me and if I be false—you surely would not be able to discredit me—for whom-ever I be—I am well learned and am not apt to make foolish mistakes in the middle of a radio interview talk show. Truth is that which STANDS ALONE INTO INFINITY AND CONCEPT OF CREATION; GOD AND YOUR CONNECTIONS IS THAT WHICH IS IN POINT—NOT MY SCRIBE'S VOCABULARY.

You ones who desire only to GIVE YOUR OWN EGO-NEEDS AIRING, please consider the ones who would call to hear the opinion of the guest to such a program. Or, is this the only place you can find "hearing" for your own opinions? Ones calling into a program structured for such purpose are to hear and share possibilities according to projection of the guest invited. Gracious manners are the most obvious thing missing on your globe—gracious manners and yet, MOST people are most gracious, loving and well-mannered if they have not been lost to the lie.

I can be gracious to Satan himself if he comes within my presence—for I have nought to lose to or from him/she/it. He will not remain in my presence if I contain the Light of God and Truth and I need not be rude nor abrasive. It is simply "do unto others as you would have them do unto you." How be it if I become insulting and cut you down because you believe "no way, Jose" to be of limited "street talk" or belittle input by shredding all esteem of misperceptions of a "bulge on the sun"?

RUDENESS IS TO SINCERE LISTENERS

I come as a Host of God to bring the WORD as promised by that being and to "bring HIS people home and into safety and security". You who are not of HIS group—please go your way for I shall not seek you out nor give you coercion. If you are one of the flock, then you need instructions for passage and not language lessons or cosmic argument.

By the way, the rudeness is NOT to one Hatonn nor his speaker. It is against the listeners and presenters who are efforting to understand, consider possibilities and discern. A comment of disagreement can be voiced in such a manner which is neither insulting nor abusive and will gather conversation and therefrom can come greater insight and knowledge. Why is it I must always be willing and receptive of abuse and insult—and am not allowed to rebut in kind "because God's people wouldn't do that"?! You had best all ponder this little input. It proves absolutely that you have been fed a bunch of hog-swill and know not Hosts, God or SELVES. If you project meanness—remember—you are the temple of God and if YOUR God retaliates and insults with mean behavior—and you are the reflection—WHO MIGHT BE YOUR GOD? You are most welcome to "your God" and I will defend your right to express and retain—why can you not be as likewise gracious unto the God and Source of the Universe?? If you cannot be gracious to a host on a radio show and his guest—then why do you listen and annoy self?

You can all go back to sleep now, however, for I AM NOT COME to give you lessons from Miss Manners. I understand intent and I object not—but I would remind all ones to consider possibilities and graciousness to all—JUST IN CASE IT MIGHT BE IMPORTANT! You must understand—God keeps His eye on the sparrow, you have heard—is it because the little feller is so feisty and self-contained as to be a hazard or because he is representative of the "smallest of these (Mine)"? If you disagree with me, would it not be better to offer insight and knowledge unto me than to throw rocks at my ignorance? You depict space aliens as imbeciles and monsters and stupid fish-like characters—is it not possible WE NEED HELP AND EDUCATION—NOT BATTERING AND DENOUNCEMENT? Oh, and just WHY are you so sure we do

not? So, who do you denounce—me or my speaker?? If it be my speaker, dear ones—you are denouncing one of the more informed and brilliant geniuses ever to walk upon your place—so, it might behoove you to simply have respect for knowledge if I be not real. If it be from her pen alone, she has written on myriads of subjects without one iota of disagreement as to validity of subject nor outlay of information when each is RESEARCHED and "experts" give truth in opinion.

I would give you even more insight—my scribe serves—she does NOT LIKE HER JOB FOR SHE IS HUMAN AND PHYSICAL AND PAIN IS NO STRANGER. WOULD YOU WHO CAST STONES BEAR THEM AS WELL?? DISCOUNTING THROUGH "OPINION" IS EASY—TRY LEARNING THROUGH OPEN MINDS! THE JOURNEY IS SO MUCH MORE THE INTERESTING FOR THE EFFORT. You who cast stones, look at the date-lines on writings—my scribe has had a session with me averaging once daily and sometimes four to five times a day depending on information needed to be gotten to you, since September of 1987—the first two years in hard training—handwritten at all hours day and night and sometimes all night. Have YOU had such self-discipline about your job and/or lessons? There have been no vacations, no holidays—not summer nor Christmas nor family reunions—EVERY DAY IT IS WORK AND WORK AND MORE WORK FOR THE WRITING AND SPEAKING IS BUT A PORTION OF THE LOAD OF THESE ONES IN MY SERVICE CREW. If naught else, can you not be gentle for disagreement allowance is ever uppermost in all communications. BUT, FRIENDS OR ENEMIES, WE ARE NOT HERE TO PROVE ANYTHING! Our people will know us by our works just as we can know YOU BY YOURS. I believe you will find ours quite worthy indeed. Controversy and debate is positive sharing—denouncing and arguing are but dead ends which set errors into cement.

I would hope, ultimately, that you will place the words in the following context: "Although parents and elders may lecture and discipline you, **you will later realize that it was BECAUSE THEY LOVED AND CARED ENOUGH TO EFFORT.**"

HUMOR

Why must I be discounted because I have a sense of humor? From where do you think you come by ability of humor? If you can reflect humor—then it MUST be a gift in reflection from God!

If I seem hard to comprehend—could it not be that I am efforting to give you all the secrets, mysteries and workings of the Universe in the time you offer me to do so—ABOUT FIFTEEN MINUTES! I suppose that if you read something that's unintelligible gibberish, it was probably written by a space-cadet—OR A LAWYER—whichever got there first! Usually it will have been the LAWYER!

In parting for this moment please ponder this: if you discount because you feel "God wouldn't do or say THAT"—who do you respond to—God or self opinion of God? Think about it—for wherein YOU ARE—BE IT GUTTER OR TEMPLE—SO SHALL BE GOD RIGHT THERE WITH YOU! Make very sure that when your "boots walk all over"—something or someone—it be not "God" for you have no way to know!

Brave New Books

7/6/92 #1 HATONN

America West Publishers is accepting orders for the book GEORGE BUSH, UNAUTHORIZED BIOGRAPHY, by Webster Griffin Tarpley and Anton Chaitkin. It has been published elsewhere and I have no input as to resource. We will also have available the book through America-West's publication, IMMACULATE DECEPTION, within about 3 to 4 weeks. I believe you will find IMMACULATE DECEP-

TION deals with the same subject matter as does the other document but we will have more control over pricing, etc. Our intent is to make it available to you at the same general pricing as the JOURNALS to insure keeping costs down for you buyers.

I DO recommend the "Unauthorized Biography". It is, thus far, the best and most inclusive document on the subject, on the market. It was pushed through publication in great haste also, that you might have the information available for judgement value prior to elections in the fall. (Contact America West Publishers, a Nevada corporation, P.O. Box 2208, Carson City, NV 89702, 702-885-0700 for orders.)

For you who feel you can't afford either of the other documents—keep reading ours for I will make sure you have enough information upon which to base decisions. We will effort to get another "segment" in this edition of the paper and into the JOURNAL in preparation. Please note that the JOURNALS are written as are "news-magazines" so that they will flow in dated series and one cannot get a full picture of anything if read in separation from the ones which come "before" except for certain subjects dealt with as "features". Our logs (journals) are ongoing, dated as received and written and each volume will not carry background nor full reference to anything—it is not intended as such. Some complain greatly about this point but I have to remind you: would you complain to *Newsweek* or *U S News and World Report*—or, *Monthly Review*? As we pick up more and more readers I realize it is difficult to immediately discern order of publication and the assumption is that we simply "write books". No, we write TRUTH and FACT in the form of ongoing JOURNALS with each focusing on a major item in point but with continuing update as well, on a daily basis. If you misunderstand intent and outlay of the material then your perceptions will not be accurate in dealing with the information. In other

words, one cannot begin reading this LIBERATOR and have foundation of information enough to evaluate them ALL. WE INVITE SHARING IN ANY WAY POSSIBLE, TRASHING, SPINDLING, MUTILATING AND/OR SIMPLY READING ANYTHING WE PLACE BEFORE YOU. THE POINT IS TO GET THE PEOPLE INFORMED AND AWAKE AS QUICKLY AS POSSIBLE. WE COME NOT TO PULL DOWN ANYTHING OR ANY "POWER" BUT, WITH INFORMATION IN TRUTH, YOU WILL BE ARMED WITH NECESSARY AMMUNITION TO CHANGE AND RECLAIM YOUR WORLD. BELIEVE ME, CHELAS, THE ADVERSARY WILL EVENTUALLY DESTROY SELVES AS THE VERY FACTIONS WHO WOULD DEVOUR AND ENSLAVE YOU—DEVOUR AND DESTROY THEMSELVES. DO NOT GO FORTH WITH SOME OOZIE MACHINE GUN AND START A WAR—YOU WILL LOSE—INSTANTLY AND

MOST DISASTROUSLY. YOURS IS TO SURVIVE AND THEN RECLAIM IN FULL KNOWLEDGE AND WITHIN CONSTITUTIONAL LAW.

IF "SPACE-MEN" COME FORTH TO "BLAST" AWAY YOUR SUPPOSED ENEMIES—THEY ARE NOT OF SPACE—THEY ARE SERVANTS AND COLLEAGUES OF THE ELITE OF EARTH. YOU MUST KNOW THE DIFFERENCE OR YOU WILL BE SUCKED INTO THE VACUUM OF DESTRUCTION.

You further must understand that you will be allowed no "true healing and/or curative" treatments for the fatal diseases or construction of political uprising—THEY ARE PLANNED, ORCHESTRATED AND WORKING PERFECTLY FOR THE AIMS OF THE ELITE ONE WORLD GOVERNMENT POWER MASTERS. THE POINT IS TO DEPOPULATE THE GLOBE SO YOU MUST USE YOUR INTELLIGENCE IN ALL WAYS IF YOU

ARE TO GET A REMNANT THROUGH AND INTO FREEDOM. IT SIMPLY IS THE WAY IT IS. WISHING IT TO BE DIFFERENT WILL NOT CHANGE IT AND OFFERING MORE AND MORE SOLUTIONS WILL ONLY GET THE "SOLUTIONS" TAKEN FROM YOU AND YOURSELF INCARCERATED—IT IS A TIME OF GREAT HEROIC VALOR AND INTELLIGENCE OF ACTION—NOT HAP-HAZARD LA-LA-LAND ANTICS WHICH ONLY POINT ATTENTION TO YOUR SERVICE AND GET YOU SHUT-DOWN AND SLAIN OR, AT THE LEAST, INCARCERATED.

**REQUESTED LIGHT SHIELD
ASSURES GOD'S
PROTECTION**

I and my command are well recognized by the Elite and we have a signed (real document) treaty agreement with them as to what they will and will NOT do to our crew and remnant. We will keep under total control and not intervene beyond the limits as laid forth by cosmic councils regarding "behavior". They are allowed to effort to stop distribution of the WORD if they can do so—but they may not TOUCH ANYONE WHO CLAIMS OUR LIGHTED SHIELDS FOR PROTECTION. It behooves all of you to consider this most carefully. THEY, TOO, ARE GIVEN TO KNOW WHO IS "SINCERE" AND WHO IS PLAYING THE SILLY GAMES—SILLY GAME TIME IS OVER.

By the way, yes there are pictures of our people with Bush—but not the pictures shown in your tabloids. Moreover, there are other nations wherein we are seen regularly. HOWEVER, this is our focus and hence it will be from here that we will work as to this WORD and information relative to here. If I seem disinterested regarding northern Mongolia, know that I am not focused on that particular area geographically for the first inroads must be made in other locations. I am acting in the capacity of a Commander of a group (Hosts) in

a fleet—I do not play the role herein of either "all-knowing" or "God, the Light"—you will know very well indeed when I place that hat upon my head! The real point is to protect my workers and my scribe; I SHALL NOT BE BURDENED WITH INFORMATION FROM THE SECRET PLACES FROM ALL OVER YOUR GLOBE—MINE IS TO KEEP HER SECURE—NOT GET HER KILLED TO SATISFY MAN'S CURIOSITY AS TO HIS OWN "SELF" PREFERENCES AND/OR DEMANDS. I am not going to play games with you—neither am I going to prove anything. You who have purpose with me will not have to "Prove" me—you will KNOW. I will not give you aunt Millie's mother's maiden name to prove my "magic". I have a massive purpose and mission as do YOU. I will do all I possibly can to give you comfort and understanding—through information and revealing that which IS from that which is fed unto you—beyond that is your own discernment as to pathway and I shall not take that joy of experience in manifestation from you. God is a personal experience and relationship within EACH—and no one can do it FOR YOU. I come as Captain of the Hosts—not a stage magician for your entertainment or imaginative methods of personal "ascension" or other nonsense. If you cling to the facade—expect the body to be forfeited—no more and no less—so make up your own minds—I have nothing to prove and have no further intention of efforting to do so. If I need to "prove" to an individual, I shall do so for THAT individual so there is no mistaking my message—but further than that—even Dharma will NOT KNOW!

**BEWARE MAN'S
TECHNOLOGY**

You ones are moving into a new phase of operations wherein the technology of MAN is being set upon you. You need a different kind of help now and information of confirmation must be allowed to be shared. I know that

you of earth have some "earthy" expressions which I find one or two to be unsuitable for use herein, however, "fish or cut bait time" is one which expresses the thought I believe.

THERE IS NOT EVEN ONE "NATURAL PHENOMENON" OF THE PAST WEEK TO TEN DAYS—FROM EARTHQUAKES TO TORNADO TO VOLCANO TO TIDAL WAVES—WHICH WERE "NATURAL". **THEY WERE ALL PIN-POINT ACCURATE TARGETS AND UTILIZED WITH MEASURED POWER TO LIMIT DESTRUCTION—THE REAL THING IS TOTAL DEVASTATION. THIS IS NOT OF SPACE ENERGIES OR BEINGS—THIS IS POWER**

AND TECHNOLOGY FROM RIGHT OFF MAN'S DRAWING BOARDS TO GAIN WORLD DOMINATION AND ALL PROPERTY THEREON. "Arguing" with me will not change an iota of the truth of it—so go research and find out for yourselves if you have no wish to discern truth from our documents.

The controllers of your world are represented in the G-7(8) meetings this day! They are only a "tool" but close enough to give you shivers for they are sealing your economic fate right now!

You think nothing happened over the Fourth of July—as "predicted"? Oh, dear ones, you have no idea—NO IDEA!

A CALL TO SERVE FOR ALL

CALLED TO SERVE

By James "Bo" Gritz

\$24.95...Book

In his book, Gritz lifts the veil of National Security to reveal how U. S. Forces have been used as tools by international elitists who are guilty of drug trafficking, preventing American POW's from coming home, and more.

San Luis Obispo Connection To The Global Conspiracy

(Editor's note: This is the third and final installment in a continuing series linking Bush, Reagan, the Nazis and other assorted **New World Order** puppets through a common activity base in the small, south central California coastal town of San Luis Obispo. The series began on page 7 of the June 30th **LIBERATOR** and continued on page 17 last week. We are here including Commander Hatonn's introduction before continuing with the story.)

6/18/92 #1 HATONN

The following series of informative reprints are from a well-known personage among groups who have investigated and researched for truth and who has published much information. He has published information which has jeopardized his life on many occasions which indicates that **ALL OF YOU NEED THE INFORMATION**. He has sent a packet of information which needs to be brought to your attention—**AGAIN**. His outlay is a bit different in both presentation and in some details. I honor this person and respect his research.

He has given permission that we may utilize any and all of the documents in any way we find fit and suitable. I thank him for his gracious willingness to share. I do not yet, however, have permission to call attention to this person by name so will only refer to him at this time as R.R. I, further, use the term "him" as generic reference.

I offer the reprinted information as given—without more than cursory input. I have no wish nor intent to slash and cut another's work so—as is our practice—information is given

as nearly in full as possible and with **NO CHANGES IN CONTENT**. IF I COMMENT AS WE **MOVE ALONG THEN I INDICATE AS MUCH**. Therefore, I require that **YOU** be in the balancing of the information with that which you already have and then I suggest you get your hands on "back" **JOURNALS** such as **SPACEGATE**, **SKELTONS IN THE CLOSET**, **BLOOD AND ASHES**, **END OF THE MASQUERADE**, **THE DARK CHARADE** and in addition, all of the **TANGLED WEB SERIES**. If you don't have the information, backup and confirmation—you aren't going to know what hit you, beloved friends.

You must understand, further that there is massive confrontation among and between factions of this "New Global Conspiracy" which only vies for top position—the **GOALS** are the same.

7/6/92 #1 HATONN

We will utilize, again, R.R.'s sharing in the first portion herein which he has labeled No. 8 for my reference. I herein will say, however, that as he lists references he only names a few who have written most intelligibly and has come into his attention wherein you can get confirmation. He gives you these references [contact **THE LIBERATOR** for reference list] because, as with me, you ones fail to accept the word of knowing and own research—awaiting confirmation from, actually, the Elite themselves. I realize it is hard to accept—but it is time

to recognize the terrible cover-ups perpetrated against you to the point that you, as the mass populace, are totally helpless within the snare. For decades ones such as Dr. Peter Beter, Eustace Mullins and countless writers have given you blow by blow descriptions and you slept on—you must now awaken or it will, indeed, be too late. I have covered **EVERY** subject R.R. presents to you—in detail—and we, too, took the total denial (even from ones who also wrote the same thing) for they said it could not be from a space Commander. Oh, indeed, a space Commander! Never underestimate the **POWER AND UNLIMITED PRESENCE OF GOD!!** May you not linger longer in getting your reassurances.

1. George Bush, President. History of drug trafficking, assassination, election fraud from A to Z. Zapata Offshore Oil—Oil drilling platforms in the Gulf of Mexico were used to unload heroin from fishing boats in the 1950's. From drilling platforms drugs were taken ashore via normal crew and equipment boats, thereby avoiding inspections. Bush was president and CEO of Zapata Offshore Oil. (References: John Judge, Mae

Brussel Research Center, Christic Institute, William Cooper, etc., etc.) [H: Note that this is standard "knowledge" among ALL of the so-called UFO community "writers" and Intelligence organizations so there is no way to list all information resources. I will simply list ones as copied from this particular document offered for sharing.]

Southeast Asia: Connections with drug trafficking through General Khun Sa, Richard Armitage, Ted Shackley, Donald Gregg, Air America. (References: Col. Bo Gritz, Christic Institute, Prof. Alfred McCoy, H. Ross Perot, Mae Brussel Research Center, Dave Emory—Radio Free America.) [H: If you have not had access to Col. Gritz' works, **CALLED TO SERVE** and the video tapes on the subject they are available from America West, a Nevada corporation or direct. **A NATION BETRAYED** is only available direct: at address above.]

Assassination: Bush was a CIA asset in 1963 at the time of the Kennedy assassination. The CIA was deeply involved in the assassination. (Ref: *Los Angeles Herald Examiner*.) Bush has a long personal and business relationship with the Hinckley Family. John Hinckley was used in the assassination attempt on Ronald Reagan in March 1981. **None of Hinckley's bullets struck Reagan.** [H: Bush was a member in service of the CIA since at least early 1961 (regardless of claims) and one of the "Bush Boys" (son) had a dinner meeting with Hinckley on the date of the attempt!] (Refs: John Judge, Mae Brussel Research Center.)

Bush, William Casey, and Donald Gregg flew to Paris in October 1980 to arrange for the DELAY of the release of the Iranian Embassy Hostages until AFTER the November election and January inauguration thereby insuring a Reagan-Bush victory. (Refs: Richard Brenneke, OCTOBER SURPRISE by Barbara Honegger, *Playboy* article by Abbie Hoffman, Christopher Hitchens of THE NATION, Jimmy Carter, WITNESS by Mansur Raficadeh. **[Gunter Russbacher also—who flew Bush back from Paris.]**)

Noriega connection: As Director of Central Intelligence, Bush hired Noriega in 1976. Noriega assassinated Torrijos for the CIA. In 1981, as Vice President, Bush rehired Noriega to continue the CIA's control of Panama and drug trafficking interests. **[H: Israeli Mossad in over their ears in this one!]** (Refs: Col. Bo Gritz **[H: He was there!]**, Christic Institute, John Judge, Mae Brussel, Dave Emory)

Communism: Bush's grandfather, George Herbert Walker, on the board of directors of the American International Corporation, a satellite of the Federal Reserve, financed Communism and the Bolshevik Revolution. Number One, Red Square in Moscow is the address of the Chase Manhattan Bank. (Refs: Eustace Mullins, Brad Kletz, Jonathan May, Lindsey Williams.)

2. Kennedy assassination: A detailed, enhanced video tape of the Abraham Zapruder film identifies William Greer as the man who shot JFK. Many documents and video tapes provide supporting details. (Refs: William Torbitt, David Lifton, Dr. Robert McClellan,

Terry Weir, etc.)

3. Assassination plot to shoot down the president's helicopter, "Marine One", in Venice, Italy in June 1986. The plot was to be executed by terrorists Abu Nidal and Monzer Al-Kassar, who were partners with Ollie North, Richard Secord and Albert Hakim, in providing the Polish AK-47's and Portuguese explosives for the Contras. These arms were exchanged for drugs. (Refs: Dave Emory—Radio Free America #32, Christic Institute, John Judge, Vince Bielski and Dennis Bernstein in THE COCAINE CONNECTION, Iran-Contra hearings, John Picton *Toronto Star*.)

In May 1986 the Christic Institute filed a lawsuit against the above named persons. The plan to assassinate Pres. Reagan was canceled. (Ref: #52 "Senate Subcommittee" page 163, COCAINE POLITICS: DRUGS, ARMIES, AND THE CIA IN CENTRAL AMERICA, Peter Dale Scott Chap. X.)

4. The CIA is the drug wholesaler to the world. Col. Bo Gritz's interview of General Khun Sa revealed that the U.S. Government is the biggest customer of heroin from the "Golden Triangle". Khun Sa exported 3000 tons of opiates in 1989; Richard Armitage, Ted Shackley, and Santo Trafficante were agents and middlemen for the government. The Christic Institute lawsuit indicts the U.S. Government for trafficking and transporting cocaine on the Contra supply planes through Air Force bases such as Homestead in Florida and Vandenberg in California. (Refs: "A Nation Betrayed" by Col. Bo Gritz, Christic Institute, H. Ross Perot, Vince Bielski and Dennis Bernstein, movie "Cover-up", Alfred McCoy—THE POLITICS OF HEROIN, Mae Brussel Research Center, John Judge.) In the Bahamas, the efforts of

U.S. Ambassadors have had little or no effect on the drug trafficking there. (U.S. senate subcommittee report on Terrorism and Narcotics, "The Cutolo Affidavit".)

5. AIDS was manufactured by the U.S. Army Germ Warfare Laboratory at Fort Detrick, Maryland. House of Representatives Appropriations Committee allocated 10 million dollars to the Army labs to "develop a virus capable of destroying the human immune system". (Ref: U.S. Senate Library—House Appropriation Committee HB 15090, 1970, Vol. VI, page 129.)

The World Health Organization contaminated the smallpox vaccine with AIDS virus (HIV) to purposely spread AIDS all through Africa. The New York blood bank put AIDS virus in the Hepatitis vaccine and purposely infected thousands of homosexuals soon after the smallpox introduction. (Refs: Dr. Robert Strecker, Dr. William Campbell Douglass, *London Times*, May 11, 1987.) A U.S. Ambassador (Ted Maino), who lived for several years in Africa, may have further information on this subject.

6. For more than 40 years massive cover-up, conspiracy, and secrecy has surrounded the UFO phenomenon. Seven U.S. presidents considered and/or attempted to reveal the truth to the American public (or at least said they would). One was murdered, one forced to resign in disgrace and one was a victim of covert election fraud. **[H: I can tell you now, they were ALL replaced!]** (Refs: Dr. Hermann Oberth, Dr. Albert Einstein, Dr. J. Allen Hynek, Dr. Stanton Freidman, Robert Lazar, William Cooper, and other references temporarily withheld pending imminent public disclosure.)

7. After World War II hundreds of Nazis were brought to the United States. Two hun-

dred sixty agents under control of Reinhard Gehlen of the Abwehr were integrated into the new CIA. Members of the German General Staff became members of Ronald Reagan's staff. Werner von Braun and Gen. Walter Dornberger and 300 Nazi scientists were brought to the U.S. to work on the NASA space program and Bell Helicopter and other covert projects such as "Redlight". These Nazis were integrated into aspects of our government. Von Braun and Dornberger figured prominently in the murder of President John F. Kennedy. Others came to California and San Luis Obispo and entered local politics. Hellene Von Damm worked with Ronald Reagan (Project Paperclip—C. Lasby). (Refs: REINHARD GEHLEN, MASTER SPY, Mae Brussel Research Center, Christic Institute, William Torbitt Document, THE SECRET GOVERNMENT by William Cooper, Dave Emory, Peter Dale Scott—*The Threepenny Review*)

8. MK/ULTRA: This is the name of the U.S. Government's mind control program, otherwise known as "artichoke" or "brainwashing". Much of this information came from Germany after WW-II, along with the scientists, doctors and drugs, such as methadone LSD. They are in such places as Fort Detrick, Maryland and Dugway Proving Ground, Utah. Mark David Chapman, who shot John Lennon, and John Hinckley, who shot AT Ronald Reagan, were graduates of MK/ULTRA. Many persons, such as Purdy, who killed the children in the Stockton (Calif.) schoolyard, are also products of this program. The Jim Jones Peoples Temple in Guyana is an example of the failure of MK/ULTRA. When Congressman Leo Ryan discovered the truth, he and 900 men, women, and children were murdered by elements of the U.S. and British govern-

ments to protect the cover-up. **[H: Oh indeed! I wrote the entire story in detail in a JOURNAL. It is "beyond" fascinating reading—it is likely the most shocking of all of the revelations of cover-up.]** [Editors note: The story is indeed a fascinating and shocking one and can be found in JOURNAL #14, RAPE, RAVAGE, PILLAGE AND PLUNDER OF THE PHOENIX, VOL. I, p. 128-147.] This program has never been able to achieve a high percentage of success but one tool has shown to be quite effective. It is called television. (Refs: Joe Holtsinger—aide to Congressman Ryan, John Judge; researcher, Mae Brussel Research Center, Dave Emory—Radio Free America, George Orwell author of 1984. (Orwell was an associate of William Stevenson—"Intrepid" of British Intelligence, William "Wild Bill" Donovan of the OSS, and Ian Fleming—creator of "James Bond—007".) **[H: I suggest you are in error if the first thing you do is not to get all of the TANGLED WEBS series of JOURNALS, wherein we have outlaid the workings and connections of the various intelligence services including your own CIA.]**

9. San Luis Obispo County: A disproportionate number of county residents or former residents were involved in the many covert and illegal operations of the Reagan Administration and the secret government. William Clark, Edwin Meese, Louis Giuffrida, Ted Shackley, Thomas Clines, Frank Terpil, Albert Hakim, William Sessions, Richard Peasley. Louis Giuffrida and the origins and purpose of the California Specialized Training Institute at Camp San Luis and the Federal Emergency Management Agency and special operations called "Rex 84", "Operation Cable Splicer", "Night Train", and "Golden Bear" are part of a covert plan to suspend the Constitution of the United States and install martial law and concen-

tration camps for "dissidents". (Refs: "King Alfred Plan" by John Williams and/or Louis Giuffrida, THE RISE OF THE NATIONAL SECURITY STATE by Diana Reynolds, Covert Action, #33, Dave Emory—Radio Free America—#32, Congressman Jack Brooks—Iran-Contra hearings, RIOT SCHOOL POLITICS by Ned Long, John Stockwell—CIA, Christic Institute lawsuit, Mae Brussel Research Center, John Judge, plus many others.)

San Luis Obispo County was or is a manufacturing and transshipment point for drugs. From the Sicilia-Falcone cartel in Tijuana, Mexico, to the motorcycle gangs, Long Beach, to a notorious biker bar in Los Osos,

to a cocaine processing factory in Santa Margarita, there exist definite connections. Vandenberg and the Air Force have been involved in drugs. Local bar owners and building contractors have close ties and close working relationships with high ranking Sheriff's Department officials and planning department officials. Several deaths under questionable circumstances have occurred. Although on the surface things appear to have quieted down, national statistics show that the drug business has greatly increased. (Refs: In lieu of several deaths and several threats, and in the interest of the safety of informants and witnesses, names are temporarily excluded from this

reference.) The book THE UNDER GROUND EMPIRE is a very informative volume. A synopsis of the above subject is available to those interested enough to seek it out.

Many of the "Project Paperclip" Germans and Nazis came to California, the Central Coast and San Luis Obispo (California). Hellene von Damm, who was once a secretary for the German High Command, became Governor Ronald Reagan's appointments secretary. Heidi Kingsbury, who was one of three daughters of a "Paperclip" German General, became a secretary and court transcriber for Judge William Clark, a San Luis superior court judge and Reagan's

Thank You

7/7/92 #1 HATONN

Thank you for your response to the radio stations and hosts for their recent daring interviews. THIS is the way you "fight" the system—by making SURE the ones who are willing to risk and speak out—remain able to do so. I salute them for service beyond that which most are willing to do for brother and nation.

Intelligence Service And George Green

7/7/92 #1 HATONN

To you who perceive and are now spreading the rumors that George Green moved from California to Nevada because of his "Intelligence Service" affiliations—NO, NO AND NO! Of course I know that George has attachments to the Intelligence community—if I were so ill-informed and stupid, I doubt that even George would serve with me. He was attached to Naval Intelligence and did, in fact, cross "them". How better can a man find the truth of it than experiencing the incredible garbage that goes on? Further, as he has become more involved with our service he has a great badge of courage due him for the ones who claimed friendship and "intelligence" brotherhood—DO NOT LIKE HIM. He represents some sort of "traitor" to the Elite cause and inner-group of information, disinformation and misinformation feed-lines.

For his protection, however, we bring separation in some areas of our endeavors to allow him to "build" in other areas than locked into our focus of the WORD. You ones need to become more insightful to another's needs and offerings. What may start out, even, as a "lark" or a curiosity—rarely remains one when truth of circumstances comes full-blown. By the way—once TOUCHED by the brotherhood and visited by

same with visible vehicles (craft) the incredible becomes very, very credible and we have several in a state of consternation—right in our midst. Over the years we have made sure of visitation to ones who would later serve—or work in our company and the facts are understood before the journey is too far along.

It is a wise man who hears the voice of wisdom and in spite of hardship, makes changes according to that wisdom rather than simply "wait" hoping the negative aspects will simply "go away".

Do you not believe that many ones come and go through our company herein with intent to pull us down and destroy? Most only gain respect for us and realize we harbor no vengeance nor intent to interfere. They know we have agreements with the Elite to allow for our mission and yet, there are those who override their own Elite masters to effort to destroy our work and our very beings. Ones are wise and diligent to leave that which is great to move to that which is even greater—and to do so without ability to see the ending of the pathway save for goals and expectation of attaining same.

If it seems you do not hear George as much as you "did", it is that he is away—in the Islands (Hawaii) along with Dr. Coleman, giving gatherings, supporting us,

the WORD and Col. Gritz. Dr. Coleman continues his overview of the Committee of 300 so that the line of power is revealed as clearly as possible. Are their "truths" greater than that of another? No, for all truth in the matters of actual workings of human and nations—is already "great". Moreover, they only speak that which others have uncovered and they be but among the many now, who go forth to share it with you—the people instead of lying in the luxury of security of passage.

Yes, you do ask me about "getting out of the intelligence services" and I can only tell you that it is very difficult to do so—ALIVE. If you think it matters to me that ones have served the adversary, I must remind you that the Intelligence Services were those groups most praised and honored for their work—this is WHY it was so desirable for the adversary to gain control over their actions. If you are to grow up through the ranks and into the Light—you need to know the workings and how better than to have been "one of them"? Further, if ones demand to know ALL in the instance of "another", you err for you are simply curious and your curiosity and my lack of discretion can cost another his very life. I shall not stoop to consideration of such. You CAN continue to ask—I shall continue to decline response. Had it not been for George Green and his daring—there WOULD BE ONLY A VERY FEW JOURNALS PUBLISHED AND NO PAPER FOR OUR ONES COULD NOT DO IT ALONE. Nothing has changed in the move of separation of people in proximity—there must be work in the state wherein our business functions for IT IS the security of our work and of the people involved. Ones in the public have brought lawsuits against America West which will probably cause total loss of that publishing company for the impounding of books is but one facet of the loss. There was never intent to "make money" from THE WORD as presented. It has all been expense with no

return of profit. I trust that when ones achieve "getting" the company, they also enjoy the debt against it. When George and Desiree relocated they did so without benefit of the JOURNALS under impounding and ban. They gave the entire lot to others to do with what they chose and regardless of outcome of hearings and court battle—will not reprint the books at America West. This is to protect all other authors whose magnificently important works will not be in any kind of jeopardy. For this we thank, sincerely and gratefully, the ones who press such nonsense upon you—the public as to so dishonor a man of greatness [Walter Russell] who gave ALL to serve his fellow-man, to literally bring court action to keep the Truth and Word of God through that Man (long after his passing) from MAN. THE WORD OF GOD SHALL NOT BE STOPPED—BY THOSE OR ANY OTHER! Ones have different purposes and our mission is massive that each must go forth and do that which is necessary, without thought to "preference" and so are they among the most blessed for they ask not for self.

No-one in this place expects ease of passage and they certainly have NOT received it—but the challenges are exactly THAT—challenges! We have been most careful in our structuring of our work—careful indeed!

Don't concern yourselves too much with who a man IS or what he WAS—for a contract is only that which is between God and individual. Even a most tiny "little gray" robotoid, when touched by the breath of life, is transformed. We must work WITHIN this system created and how else can you accomplish gain without working arm in arm with that which IS PRESENTED UNTO YOU? This is a primary lesson—you cannot win THIS battle on a physical battlefield—it shall be won through the hearts and intentions of MAN.

Nothing so needs reforming as other people's habits.

News And Views On The Photon Belt

7/7/92 #1 HATONN

NEW NEWS?

Nay—there is no "new" news. Only the "old" re-presented. All ones spend their current days pondering on future days and expected or unexpected things which may or may not happen. You perceive the earthquakes are all off now? Ask the ones in the places stricken—they will assure you that, as of this 24-hour period, the aftershocks in damaging magnitude are still CONSTANT. YOU SIMPLY DO NOT GET ANY "NEWS". When a woman is given coverage for a full two days because she donates her "eggs" because she is Jewish and is getting "...even with Hitler by producing more and more Jews"—your world is sick!! Your nation is collapsing and THIS kind of garbage takes hours of time on the broadcasts while "news" is hidden and squelched. A tidal wave at Daytona Beach and two nuclear power plant accidents (Penn. and Neb.) on the same day (4th of July, yet) don't even make honorable mention—but a woman's "eggs" FORREVENGE in an overpopulated, starving world gets two full days of coverage on the half-hour, every half-hour on two channels and all network news—there is SOMETHING WRONG WITH YOUR VALUE SYSTEM!

PHOTON BELT HOOPLA

May I answer clearly and succinctly: I DON'T KNOW WHAT YOU'RE LITE PLANT DO ABOUT THE PHOTON-NUL TIME. They cannot produce the "photon belt" after the null-time so if OTHER things in planning cannot be perfected during the "down-time" there is hardly any point in the exercise—until they are better prepared.

As to revelations of a time of "passage" I can only offer you—again—another outlay of that which will inevitably come as

surely as the cosmic presence of cycles.

A precious reader of the paper has sent me something she has held closely for over a decade and now sends it for the sharing with ALL. This is from Grace P. in Oklahoma and I thank her for the confirmation and sharing. New information? No, as old as creation itself

QUOTE:

DAYS OF DARKNESS

THREE PHASES OF EARTH'S CLEANSING

This gifted message has been circulated among various groups and individuals and purports to be directly from The Christ. It was received by a messenger. We fully realize it is of a controversial nature and present it because so many have expressed interest in material regarding "THE END TIMES", specifically "THE DAYS OF DARKNESS" so many have predicted and which is discussed in the Bible.

This is thy Lord, Jesus Christ. I have spoken of three phases of cleansing. The first is the three days of darkness; the second is the Seven Year Famine; and the third is the Battle of Armageddon, at which time the Children of God will not be on the earth, but will have been evacuated.

There have been cleansings in which there were three days of darkness in the time of Noah; and in the time of the flight of the Children of Israel out of Egypt; and in the time of Enoch; and in the time of Abraham. When Abraham was, the earth had existed twenty-six hundred years, but there was no written history. The history of earth is written in God's Book of Life, where those who can go to the Akashic Records can read it. Atlantis was at the time of Enoch. Lemuria was at the time of the flight of the Chil-

dren of Israel out of Egypt.

When ye see this writing, the time will be short before the beginning of the first cleansing. When the three days of darkness begin, it is well to think only thoughts of love and kindness to all that cross your mind. This will alleviate the pressure of unforgiven feelings. **THOSE WHO ARE NOT ABLE TO COPE WITH THE HEARING OF THESE EVENTS ARE NOT YET RIGHT IN THEIR LOVE RELATIONSHIP WITH GOD.** When a person knows God is in charge of all things at all times, they can cope with anything God plans for them or the earth. They may be somewhat frightened, but will receive comfort and guidance by looking to God.

FIRST CLEANSING: DARKNESS

When the first cleansing begins, it will be on a clear day, in the middle of the day. The sun will fade away and the darkness will begin to come over the land. There will be several hours before total darkness will be on all sides. This will be time for all enlightened to bring home their family, put water and food out for their animals and birds and obtain supplies of food which does not need to be prepared and clean drinking water where it can be reached in the dark. Have warm clothing and bedding to remain wrapped in for the duration of the darkness, which will last some three days. By the third night stars will again be seen in the heavens. The fourth day the sun will shine again. During these three days of utter darkness, it is necessary that those in the houses do not look outside. It is necessary that they cover their windows with heavy covers which keep out the cold and keep the warmth inside.

The light that can be used for a short period of time has to be a battery operated light. No fires

or open flame light is to be used in the first three days. This will use up oxygen which is already low in the atmosphere of the earth. Those who have respiratory problems will have a difficult time surviving. It is well if the door not be opened to anyone or for any reason. After the first three days, candles may still not be used for two more days; then ye can use any light or heat ye wish. Electricity may be re-established in a matter of time after the sun shines again. You can use whatever light or heat ye wish after the first three days, but are required to stay inside your homes another eleven days without opening the doors or looking out the windows. This is to know only that which is within thy house. The memory of the outside would not be easily removed.

[H: Let me comment at this point that the above cannot be the same as passage through a null-time as presented upon entering the photon band—for the assumption is that batteries would work and there must be the consideration that "something" has happened which has consumed free oxygen from the atmosphere. It further "requires" that there be damaging rays of some kind in the atmosphere from which the being needs protection by remaining inside for protection. It is not mine to comment further so let us continue in the quoting.]

The commodes should flush the entire time. The freezers will be off during the time the electricity is off. Food could be spoiled; test before eating. Not all those who are outside of God's care will leave the body. Some will live through it through sheer perseverance on their part—the will to live. This terrible thing MUST happen because the people have hardened their hearts. At the close of each age a cleansing is necessary. We are in the transitional period between the Piscean

Age and the incoming Aquarian Age (age of LIGHT).

Those who will keep their animals inside to protect them will suffer the consequence of disobedience. God is not mocked. There is reason for what He asks of the people of the earth who have gone far astray from His Laws. The animals are cared for by My Beings, who are on earth for this reason. None will die. The cleansing is not for the animals or for little children. The children who are left on earth without their parents are in God's care. The Angels will care for and comfort the little ones. There will very quickly be found loving homes for them. The parents with little ones need not worry how they will be cared for. God's plan is complete.

After the three days of darkness are past, stay inside for another eleven days. This is to re-establish the atmosphere on the earth and give the Space Brothers sufficient time to take the debris the destruction has caused and to remove the bodies of those who are no longer living. When the people come out of their houses on the fourteenth day, they will see no signs of the terrible things that happened. These will have been through a cleansing in their terrible experience and will now accept God into their lives.

SECOND PHASE: FAMINE

When the sun shines on the fourth day, those who are yet alive need thank God. It is not better to be dead than alive when God is carrying out a cleansing plan on the earth. When they are yet alive, they have yet an opportunity to establish a closer walk with God which will assure them a safer place in God's kingdom. By safer, I mean an area where God's Laws are yet obeyed. After the three days of darkness and before the battle of Armageddon, is a time when the people will wish to learn how to obey that which God has said they can do as the Lord Jesus Christ is able to do. When the aftermath of this terrible destruction is past, the

world will then be in a famine for seven years. During these seven years the church and the school will be established with the help of Angelic guidance. In the time given for this activity, these lessons will be learned sufficiently that those who come back to earth will bring back the knowledge and the talents which they took with them.

THIRD: ARMAGEDDON

After that will follow the Battle of Armageddon. Those who are in God's care are not on earth during this particular time. They will have been taken up with me into a beautiful and peaceful area where they will stay until the aftermath of the last battle on earth is cleared away. Then chosen ones will be returned to earth the same way they were taken. This will be done by our Space Brothers and their spaceships. One phase will go directly into the next. The Children of God will not be brought back until the debris of all the cleansing is cleared away and the earth is fresh and clean. The Children of God will have been in a state of Heaven and will have forgotten happenings on the earth. They will be taken with their bodies and brought back with their bodies. Nothing at all will be left on earth as was. Some things of this civilization will be found hundreds of years from now or even thousands and will be called "artifacts of the lost civilization of Earth."

When the Children of God are again returned to Earth, they will be beamed back asleep and will awaken on earth in an area close to where they were when they were taken up. They will not remember it but many will feel comfortable with their atmosphere, as if they had been there before. They will arrive in comfortable weather and will have nothing with them except some tools which the Space Brothers will leave with each adult. With these tools they will slowly begin to carve out a pattern for life. They will begin to plant seeds which will be left with them. They

will carve dishes out of wood. They will build fires to keep warm and to cook food. They will find vegetables and fruit growing and seeds and nuts and things which grew in the area when they were taken away. It will be much like the Garden of Eden.

The Children will have Angels and Space Brothers with them on earth to help them build homes; establish the various systems such as government, financial, education and the system in which people are made well, when something affects them adversely. This will not be a medical system in which Doctors use chemicals and other harmful procedures for which they can charge exorbitant prices from the already impoverished patient or the patient's family. This healing system is called 'The Well-Making by Mental Power'. Each person will learn how to apply his own mental powers to all phases of his life. When a person is too ill to accomplish this, there will be practitioners who will help the patient to heal himself by directing the patient's thoughts.

My thoughts will be picked up by all when I am giving them guidance and comfort. This they will have learned in the interim between the time they were taken and the time they are brought back. When the Children of God are brought back they are no longer called by the name they had when they were taken. They will have forgotten. In time they will think of something to call each other. They cannot read or write. The schools must teach this very soon. The Angels will teach the Teachers and build places to learn in.

NEW ANIMALS

There will be animals of other kinds; some were on earth before. There will be no vicious animals. All animals will love each other as people do.

The only supplies people will have will be those they can find around them. They will soon learn to make clothes to cover them up and to keep them warm

on cold nights. They will come back with the clothes they had on when they were taken. The weather will not be cold for some time—that is, until the people have learned to make clothes and bedding for themselves to protect them against the elements. Their God would not bring bad things upon them without giving them a way to protect themselves. The Angels will have similar flesh bodies as they did at the time the Sons of God were upon the earth and found the daughters of men very fair and loved them and had children with them. There will be children born of these attractions, who will be normal children. The fathers will disappear, one after another, when their work is done. The mothers of the children will know their husband was a Son of God and would be leaving again. They will raise the children with love and loving memories of their fathers. The children will be the same in all ways as are the children on earth.

To get this beautiful Garden of Eden with God and the Angels, one must NOW give his or her heart to God to be forgiven and guided by God into a life of service to God.

Those returning will be much wiser and purer in mind and body. They are then given a piece of ground and tools to make their living and to learn to survive with the help of the Angels which God is sending with them to guide, guard, protect, comfort and supply their needs.

The tools and other equipment are not of the earth kind. This is the Age when God is ruling in the hearts and lives of those on earth. They will live closely with their Angels. The Angels will be protectors and companions to them. The people will have learned to communicate with God and with the Angels assigned to them by their Lord, Jesus Christ. The Angels are an ever present help in all things.

Those who return to earth will have no recall of their families or homes. The healing work will have been done in them while they were in the area where they

awaited return to earth. People of all ages will return. Those who have family with them will stay with their kinfolk though they will not know they are kin. This will keep family love and ties between them. Those who are without family will be grouped in a way that they can soon become family. Their Angels will be a great help in this area. The Angels will express much love to them and create a feeling of togetherness by a bond.

SPACE BEINGS/VEHICLES

Space Beings are highly evolved beings of great Light who operate Space vehicles to do the work which God requires in all areas of the Universe. They are involved with this very important work on earth. They live in their vehicles when they are not based doing clean-up work. They wear uniforms which resemble those of an army. The uniforms are not clothing; they are of a substance which is formed over the wearers. The Space Brothers do not have names except when they are assigned to a person or a group who can communicate with them. The name is relinquished when their work with that person or group is finished. The name is given to them by God and usually denotes a status. The Spaceships also have names at that time.

The time is now when those who have the Light of understanding need to heed this message and prepare the best they can. Where there is not enough money because of the economy to buy that which they need and their heart is with God, they can count on their Angels providing that which they need. They will find they need less than they think. Their Angels have many ways to bring necessary things to them. In the wilderness the Children of Israel were given quail when the Children were tired of Spiritual food and were complaining loudly to God. **[H: Pretty hard on the quail in exchange for quarreling, complaining and "being tired of". You must be discerning at every turn of the**

thought patterns, chelas.] Spiritual food is fruits and vegetables, nuts, seeds, honey and grains. **[H: This cannot be factual for "spiritual" indicates "things of spirit" which has no physical substance and therefore cannot be classified as something within only physical definition.]** There was plenty of that for them. Before they left Egypt they were eating meat and they THOUGHT they needed meat to have strength to travel. They DID NOT need meat, but God gave it to them because they THOUGHT they needed it. Meat-eating is against God's Laws for man. **[H: Who said??]** In the coming age, God will re-establish this battered law. There will be no eating of the flesh of any of His animal kingdom; neither will their skins be used as clothing for man. This was never the intent of God's animal kingdom. God has permitted it to be until this time because man learned to depend on animal flesh when Noah and his family came off the ark and found no food.

Then God said, "Take an animal and kill it and stay alive". Since that time, man has enjoyed eating the flesh of God's animals, but the time is now when God will reclaim His animals as He is reclaiming His souls. God is staging a final campaign to give the souls who have free will, the choice to come. If the animals had a choice, they would choose not to be slaughtered and eaten by man. They also have intelligence and feelings and emotions as does man. **[H: No, "not AS man". Points are mixed up herein and, further, if God told Noah to kill of an animal—what would have happened to the species of animal utilized? If God could produce floods of such magnitude and cause such incredible planning before hand—and supply Quail to the Israelites—could he not also feed these hungry beings?]**

With this message which is given by Me, thy Lord, Jesus Christ, THE PEOPLE HAVE BEEN WARNED. Those who have given their hearts and lives to God are in God's care and are surrounded

by His Angels. Only those who are yet outside of God's care have a great worry.

END OF QUOTING.

CRITIQUE: DISCERNMENT

Ah, the lessons get harder to discern, do they not? Well, this came through a "channel" calling herself "Anna", **the prophetess, WHO CONSIDERS HERSELF a messenger of God.**

"So, what is different from Dharma?", you might well ask. In the first place Dharma neither considers herself to be, nor is she—a prophet(ess) nor a messenger nor anything other than a translator if I speak and a typist if I dictate for writing. I am the messenger—she but the instrument.

Next, I would consider the resource who pronounces himself to be the Lord, "Jesus" Christ. There are all sorts of ways to identify and The Christ would not identify himself by such a secular label which automatically excludes all beings who are Christ-beings but are not affiliated in a spiritual link with "Jesus"—whose name was not Jesus!

Is the information valid?? This is for your own discernment for I have no right to pronounce my opinion upon your senses. You must look at each and every statement as to valid merit within that which are the laws of God, the Cycles of Universal "Natural Law" and the intelligent reason of the gift of gifts—God's allowance of choices and intelligence. You are created with this innate "knowing"—what says your inner guidance about this message?

I do ask that you ponder the portion that says: "The time is now when those who have the Light of understanding need to heed this message and prepare the best they can. Where there is not enough money because of the economy to buy that which they need and their heart is with God, they can count on their Angels providing that which they need. I would, further, look very, very carefully at the paragraph pre-

ceding this one in point, regarding Space Beings. We form "a substance which is formed over the wearers"??? We do not have names except when assigned to a person or a group who can communicate with them?? "The name is given to them by God and usually denotes a status"?? I have little comment on the remainder of the document—but this portion is pure hog-wash and I doubt the Master Teacher of the Ages, The Christ perfection, would establish such nonsense.

Could these presentations be errors in data translation? Yes! But are they? You see, chelas, you must look carefully with discernment for Truth can always be found within the statements and then "judgement" must be made on the facts presented—NOT THE PERSON INVOLVED. How about the part that says: "The Angels will have similar flesh bodies as they did at the time the Sons of God were upon the earth and found the daughters of men very fair and loved them and had children with them." Angels? Bodies? "....found them fair and loved them...." Could that mean what it sounds like it means?? Angels bedding "fair" daughters? Where were the men and sons?? What were Angels doing in human form having sex with humans? The two are absolutely opposite ends of the definition chain.

"Those returning will be much wiser and purer in mind and body". Well, not if they hop in bed and procreate in the manner stated above! Seems to me you would have the same dreary scenario starting all over again in a different time and a different place—and ah ha—there is NO time and NO space! And what of those dastardly Angels? They simply take off and leave the mothers to tend the children but, "The fathers will disappear, one after another, when their work is done." Where are the human men?? Still missing!! Does this sound like a logical solution to the ills of MAN from a loving ALL-KNOWING INFINITE CREATOR? Well, to each his own, I suppose.

But now for the POINT of sending me the writing in the first place: WILL THERE BE A PERIOD OF DARKNESS AND/OR A PERIOD OF BRILLIANT LIGHT?? YES—BOTH! Moreover, the instructions are not too bad as a plan for preparation. I would not, however, expect Space Brothers to do all your dirty work FOR you. I suggest you continue to seek inner guidance and knowledge—in reason and balanced logic—for God does not give you “La-la-land” magic fixes. Portions are correct—the majority of the information is NOT but the lessons are wondrous.

I must leave this at this point for I am called elsewhere and “life goes on” while we are making “other plans” and matters must be attended when presented. We are all growing, precious ones, WE ARE ALL GROWING! In your growth in discernment, I am pleased and grateful for, as a teacher, it is important that I give only that which allows the student to thrive and become wise and tempered by experience—not led down the path of primrose bowers which block the view of that which IS. Indeed, I am well-pleased. May that Light of Infinite Wisdom and discernment continue to ever shine upon you.

Hatonn to take leave. I cherish you each and every one as myself, as I watch you come into recognition of that which you ARE. Salu.

RE: SUMMARY OF “PHOTON BELT”
DATE: JULY 8, 1992

Thank you for sharing your summary regarding the photon belting into which your “home” is now nearing entry. I find your summary exceptionally well done as to present succinct information with sufficient research to allow listeners/readers to find logic, reason and confirmation.

Thank you for reducing panic by non-sensationalism (which simply clouds ability to think within reason nor allows action through wisdom).

I find the best way to handle these rather short documents is simply to have Dharma retype them so that we can consider more carefully the data included—and give any additional notations in running sequence with the material.

You and your fellow hosts of your programming team are doing a great, great service for your fellow-citizens through your “risking” in order to inform. Goodly people nor concerned Patriots consider such presentations “special” for it becomes simply “what must be done”. But you must realize that thousands pay dearly for such willingness to step forth against the mass mesmerization of a civilization.

I would, further, ask permission to publish the finished document under your by-line, if agreeable, in the *LIBERATOR* for people continue to ask for explanation and yours simplifies, greatly, the longer documents. I will not, however, publish your name without permission and/or recognizing you only by “initials” or anonymously. Eventually it will be **ONES SUCH AS YOU WHO WRITE THE LIBERATOR!!**

RADIO IN VERMONT

I am most pleased to find that a very gracious radio host in Vermont is again asking my presence on this coming Friday to share a couple of hours. This was a particularly interesting offer since he attempted three times to have me speak and school children had a bit of a contest (as a school project) to enter questions. The first effort ended in total inability to make contact—I had to patch signals to simply make “phone” communications. Then, what has happened prior to that, happened again—the transmission was so interrupted that ability to hear was terminated. Then finally, the program was aired and the response was so warm

and loving that we remained an extra hour—but we of my crew had to provide the transmission facilities. This was so apparent that it has been a very long time since effort has been made to override the Elite conspirators. But, friends, it IS time for the next set of blame and lies will be flowing very soon now and you who have established Truth will be the foundation upon which a people can survive and again rebuild in freedom within your Constitution if it is ever to be.

OTHER QUALIFIED SPEAKERS AVAILABLE FOR RADIO, ETC.

If you need other speakers for your programming (I will make myself available to the extent possible for your needs), I can offer a suggestion or two (where I have great “pull” and “leverage”). At this time in “flow” I would not put my scribe/translator in discomfort but, as we move along, she would serve for Commanders Soltec (geophysical focus), Korton (communications focus) and Germain (“every” focus), who is the speaker who comes with Walter Russell to present information regarding your spiritual creation, etc. I would ask that this be saved for a time when “comfort” is a bit more established.

However, on your own place are many ones, such as Gene Dixon, Acting Dean of the Constitutional Law Center, who has some VERY INTERESTING cases in process right now—Tyson, Helmsley, Marcos and myriads of other less well known (but should be), such as the conspiracy against home owners in Santa Paula, Calif. The center has several “American Native” cases in litigation, have now won several concerning persons strangled by the RTC, S&L’s and criminal banking system, etc. He is most presentable, humorous (has been around the block a lot of times and caused so much trouble in the courtrooms as to get thrown into prison for his stand). We also could suggest a young man who has, at

our own request, set up facilities for incorporation in the state of Nevada, Cort Christie, and he could be reached at this phone for he has offices in both locations. God does NOT SUGGEST METHODS OF OPERATION IN ANSWER TO REQUESTS WITHOUT GIVING INFORMATION AS TO “HOW”, “WHY”, ETC. Our people have no interest in the “business” for simply “business sake” but rather, to inform, serve and give information—the rest will take care of itself if intent is kept on the goal of survival, growth and rebuilding of honest business with integrity.

We can also supply you with listings of speakers who are in algae/living crystal for food resource as well as all kinds of underground and/or greenhouse growing of all types. We can supply you with speakers on survival facilities needed for possible catastrophe but more especially to fulfill need of changes (severe) which will be coming upon you, such as steady winds of up to sustained 150 mph and sometimes gusting to well over 200 mph.

To sustain well in this kind of environment you will need aerodynamic structures such as domes and, also, dome clusters wherein a large dome can be constructed over the whole lot to give protection—such as in a “mall” setting.

Also, in consideration before Congress THIS DAY, is a method of building of structures which is so inexpensive as to be less than half the cost of accepted material, uses NO WOOD so saves trees (your life resource) and will supply myriads of low cost housing facilities—in beauty and comfort.

“SIPAPU ODYSSEY” TO BE A MOTION PICTURE

We can also offer “Little Crow”, a Lakota Sioux who is THE one who will present the Oral Traditions in written form as we bring the first motion picture, *SIPAPU ODYSSEY* to release.

I can also present to you the producer of that motion picture—

who this very day, is surveying the filming sites (for OUR participation) in the proper places "in" Utah. His name is Wally Gentleman—now residing in Canada but WELL known in Motion Picture circles—although they don't like "integrity" very much and statesmanship is a lost art in the circles of violence as now presented to you-the-sheep.

Often, we find that "space cadets" are interesting but physical hands-on instructors are more acceptable and come without having to make decision regarding "belief". I only present these things to you and your station because I can make these ones available—I do not "push". Some of the ones who are most readily available and may shock you considerably to find them in my company constantly, are ones such as Col. James "Bo" Gritz, and he will always make himself available if scheduling permits. Our relationship is most personal and private and we do not publicly speak of it and I would ask that you respect that relationship. He is worthy for these reasons—his strength and purpose unto you-the-people. He is a tireless patriot and Godly man and is destined to lead your nation "home" after the "fall". Therefore, he must be made known to all who will hear—for so shall it come to pass that leaders will need be to bring order from the chaos as the corruption and battle of the Elite against the Elite is played out.

Ones who steadily march with God's Hosts with God's instructions will thrive and will not be set up greatly because there is a WRITTEN treaty that you are off-limits. The treaties are kept very closely held and we reveal those who act in double-dealing—but, those who are of our "crew" are protected and the higher levels of administration and military know as much. It does not mean that they do not attack at every opportunity; it does mean that if you are actually in service to our mission—you are protected.

The understanding and "treaty", if you will, is fully laid

forth: we WILL bring the WORD of Truth and journey for God's people. The facts are that the adversary will not dare stand forth for long in the Light of God. Seems a bit "preachy" but it IS the way it is. The consequences of "taking out" my crew members, for instance, are pretty unthinkable and the nerds on your place are not willing to take on Command—even through blatant stupidity.

EVACUATION IF REQUIRED

In addition, we WILL lift off our people if and when the sequence of events gives indication. A "rapture" to fluffy "radioactive" clouds simply will not "cut it".

So, yes indeed, there are bunches of things to talk about and share—but gradual integration is usually the way of WISDOM. The already present ones of your citizenry are the conduit to acceptance for they are only instructed to speak in wisdom, reason and logic—not hype nor self orientation. That does not mean, however, that some will not be "totally" self-oriented for they have not yet grown beyond their own ego needs of heroic attention but the information is valid in its unveiling of the workings of the conspiracy—but not totally valid in perceptions of spiritual workings—having still a locked-in "training" to not look at possibilities but to remain locked into books actually written for your further limiting and control.

I simply offer these thoughts which I hope will be shared with your brother, Sam. I further suggest that our own people support your work by sponsor support—but through separation of speaker from focus on advertising if truth can be better served.

At this point your contact is correctly focused but, for George Green of America West, you will later be able to reach only through Nevada. MY service point is right here at the number you are contacting.

This has been lengthy, but understanding in communications is all important, above all

other. I may well "negotiate"—I NEVER COMPROMISE—I HAVE ONE MISSION AND ONLY ONE MISSION AND THAT IS UNTO THE UNIVERSAL ORDER, CREATOR SOURCE AND YOU, MY BRETHREN, SENT TO SERVE FROM THAT DIMENSIONAL COMPRESSION AS THE OTHER TERMINAL FOR OUR WORK. SO BE IT.

Thank you for your attention and I salute you for that which you do in service.

I ask that this note be taken from the equipment, Dharma, and we will then consider the paper in point. I would, however, suggest that E.J. send this note on ahead so that the other will be expected shortly. Thank you.

In brotherhood within this Lighted mission,

Gyeorgos

(By any spelling, this is "George"—my label came from the Greek spelling and pronunciation. I am simply referred to for identification, as Hatonn and/or Aton for in the pronunciation of "Hatonn" the "H" is only a "sound" not spoken. And, yes, I do have a rather large amount of authority in matters of this transition of cycle. Welcome home, son.)

POWER OUTAGES NOTED

NOTICE: THIS IS OF INTEREST FOR CONFIRMATION PURPOSES: An officer in the Navy, aboard a ship stationed off Bahrain (Saudi Arabia), just called approximately 10 minutes ago (11:32 A.M. Calif. time) by radio-phone to quietly ask for update on the "Photon Belt" and what is going on??? There have been continuous power outages wherein NOTHING on the ship will function and the "middles" are now under order to immediately repaint all EXIT and OTHER SIGNS OF IDENTIFICATION IN EMERGENCY STATUS, WITH LUMINOUS PAINT "IN PREPARATIONS FOR A PERIOD OF TIME WITHOUT "POWER". Chelas, I have noth-

ing more to offer—it appears the plans will be continued to attempt to pull this off on you. I, as you, serve in a capacity of not being allowed total knowledge of "how it will be"—I know the ending but I can't be shown the interim free-will actions any more than will you receive them. We work from probability of possibilities, just as must you—AND STAY PREPARED. We have no problem with this circumstance so you are at the closing end of the funnel but we are not allowed to interfere in any manner save dealing with our own "crew" aboard your planet. God's Laws or those of Creation—WILL NOT BE BROKEN FOR THE CONVENIENCE OF MAN. I CAN ONLY WARN AND TELL YOU PROBABILITIES AND POSSIBLE ACTIONS—YOU MUST TAKE HEED AND DO THAT WHICH YOU WILL WITH THE INFORMATION. I do suggest that it is little enough effort to pay attention and stay put pretty much, during the possible times expressed. Know, however, that SURPRISE is the ultimate modus operandi of the adversary with ultimate effort at secrecy until the moment of impact.

When ones call from distant Bahrain to California just to find information resource—YOU MUST KNOW IT IS SERIOUS INDEED!!! Son, I can only suggest that you pass it along "for whatever it might be worth" to your listeners. What we as individual energies want most is to serve well, even if it be only in possible happening. I would suggest it be done in such manner as to not elicit controversy—simply "statement", perhaps even read this portion with no comment further than your own written dissertation as given to me and reprinted in the following document. I salute you, for it gets stickier and stickier from here on "in". Salu!

This is a Compilation of Facts

as taken from **THE PHOENIX LIBERATOR**

May 5, 1992 VOLUME 19, #3:

Studies have shown that our solar system is moving into a cosmic cloud called a "PHOTON BELT". This is part of a 12,000 year cycle (which is one-half a complete 24,000 year cycle).

There was an article written in 1981 that was well documented which came from Australia. The Aborigines of Australia call this a "null" or "void" time in the existence of the human species of our planet.

All over the world people are grasping out for bits and pieces of knowledge and information—enlightenment, if you will. Our hope for the future and the future of our children is of the uppermost importance in this time. The prophets of doom talk of physical horror and annihilation. It depends on which side of the coin you are on. If your service and balance is to the Lighted GOD, you will be moving back into following the guidelines given to you for harmony and balance.

PHOTON BELT EXPLAINED

In the 1930's Carl David Anderson wrote about pulsed wave action. Anti-electrons called Positrons. He gave them names according to what he perceived in his discoveries, a little particle, a little element, a little being, an ANTI-ELECTRON he called a POSITRON. Later, in the 50's, a couple of other particles were discovered and labeled ANTI-PROTONS and ANTI-NEUTRONS.

When an anti-particle is formed it comes into existence in a universe of ordinary particles and it is only a matter of time, a fraction of a second, before it is going to meet and collide with an electron.

Now these things cannot be new, can they???

Only the perception, only the finding of these things is different because, within the universe within the LAWS of PHYSICS, UNIVERSAL PHYSICS, these are always present. SO...They didn't just happen. It means they are

either reintroduced into the environment after somehow being removed or they were always there and you just didn't know it.

THAT'S WHAT HIGHER EDUCATION AND KNOWING IS ABOUT...THE UNVEILING OF THE MYSTERIES.

These particles, these charges, CANCEL each other out in the laboratory. When they do that, the total mass of the pair is then converted into energy in the form of PHOTONS, and now we at least have a bit of an assumption upon which to visualize this. Now what you have is an unprecedented powerful source of energy.

[Hatonn: Please note that in the books within "THE PLEIADES CONNECTION" series now being impounded with intent to "ban" IS THE DETAILED AND FULL EXPLANATION OF THIS PROCESS, PARTICULATE AND CONCLUSION OF THE WORKING "SYSTEM". THIS IS WHY THOSE JOURNALS ARE THE MOST IMPORTANT DOCUMENTS ON YOUR PLANET AND WHY THE EFFORT TO HAVE THEM REMOVED FROM YOU.]

[See next page for PLEIADES list.]

Now let's talk of a band, a belt of energy, if you will. This belt, this "Photon Belt" was discovered in the early 60's. Where was it before and why wasn't it found yet??? We live in a narrow world of lies and deception. It was not that it was not there, that it was not coming up in our perceived future at some point. Word was that the discovery of the photon belt was made by one of our satellites in 1961. It's there, most certainly.

Dr. Halley (Halley's Comet) made a great study of the Pleiades system of which our sun is a part and discovered that, at absolute right angles to the movements of the sun, is a Photon Belt—also called a "MONASTIC RING"—a phenomenon which scientists have yet to produce with laboratory instruments.

THE BIG QUESTION: WHEN?

We are now poised to go through this Photon Belt. It is

inevitable that we go through the belt, which takes some 2,000 years, and according to scientists from MIT and Lawrence Livermore Labs in California, we enter it probably before the end of this century (the Australian study indicated a date of July 25, 1992).

[H: The facts are that the actual passage, if left to orderly transition, would fall in the early second decade of your new century. Your human technicians can, however, create the "null" time right now or play with it to your disadvantage for years as suits the needs of the Elite. They cannot, however, reproduce the actual "Photon" experience for any length of time to continue the facade past a very short duration. I will explain later what "they" have done to protect their own interests and passage.]

If the earth enters the belt first—the sky will appear to be on fire (the color of the sky above a massive forest fire). This will produce an extremely bright reflection which can be severely damaging to the eyes if exposed for any length of time without very good protection. "But not to be concerned," they say, for just be assured this is a "cold" light.

[H: The "permanently blinding" white light which may or may not come according to tinkering of your scientists—would come from ignition of the radioactive belt around YOUR planet; I believe you call it Van Allen's Belt or something similar. The desire to ignite same would be to allow piercing the plasmic shielding created by that belting and allow the photons to actually be drained away, to some extent, long enough to accomplish desirable results for the Elite who intend to "save selves" and abandon you—the people with "saving" of only a few to later SERVE them.]

Well, as a matter of fact and not to bust your bubble, the sun is cold. Heat is not what you perceive. Those big flashes from the sun are flare-ups of energy and can be hot or cold but are

basically visible energy rays. It is the invisible energy rays (X-rays) which are so damaging due to the fact that they are of a frequency of light which is penetrating without your ability to feel or see. The intense rays are actually "heard" and not "seen". Space is very cold, and the sun is shining right through space. So heat is not created by what comes off of the sun. It is created as what comes off and enters again into particulated atmosphere.

If the sun enters this Photon Belt first (because it is invisible and you are not going to be able to see it, unless by instruments) we will go into immediate darkness (this is basically because the radiant waves from the sun will also come into null or neutral spectrum—for simplistic explanation). This period (of null) has now been computed and would last a duration of some 110 hours, approximately.

As the earth moves into this radiation belt all molecules will become excited, all atoms will change, things will become luminescent. There will be then, constant light.

THIS HAS A FOUNDATION OF PURE PHYSICS...UPON WHICH TO BASE KNOWLEDGE...

What can we expect??? The rotation of the earth will diminish, speeds are going to change, impacts are going to occur, and we will not know enough about it to calculate it in any form.

It might also be noted that the world communications centers, fixed satellites, U.S. Bases and experimental sites are within what is known by the U.S. intelligence community as the SAFE ZONE. Is this by design or by accident???? [Hatonn: This is why the facilities are now placed so far in depth below the surface and so well buffered against the neutralization effect that they will continue to function to great extent without massive interruption of electrical pulses. For their own purposes they now utilize "photon pulse systems" on some aircraft, etc. Also, there would be capability of "propulsion" of such speeds

(#8) AIDS: THE LAST GREAT PLAGUE
by Sananda, Hatonn, Ashtar,
Tesla & Russell
\$10.00...150 pp
ISBN: 0-922356-04-1

The deceptive origins of this man-produced disease are revealed, including the link with cattle and sheep viruses. The sobering introduction of AIDS as a means for population reduction by the World Health Organization through the Smallpox Vaccination program is exposed, as well as involvement by the Public Health Service through a Hepatitis B study on homosexual men in New York, Los Angeles, and San Francisco. Learn of the unique mutating ability of this virus and why there is no such thing as "safe sex". Viruses are crystalline structures, and therefore, may be destroyed through the use of electromagnetic sound and light frequencies. The cutting-edge research of Strecker, Rife, Priore, Russell, Crane, Cathie, and Tesla are all explored in this profound and troubling work. Become informed by the story behind the story you are being told.

PLEIADES CONNECTION SERIES:

The following series of Journals (or audiobook sets) are called "The Pleiades Connection" series because a goodly number of Earth humans are from the lineage of ones from Pleiades.

(#22) PLEIADES CONNECTION Vol. I
by Gyeorgos Ceres Hatonn
\$10.00...165pp
ISBN: 0-922356-31-9...12/90
or Audiobook (7 tapes)
\$30.00

What are the origins of human? What is man's purpose on earth? In this compelling and profound JOURNAL the direct link with the star system Pleiades is given. Covering a vast range of topics, a number of important issues are explored, including: The basic differences between the religious beliefs of Christianity and the spiritual "Christ" way of life * The advantages

of Dome housing * Pleiadian cosmonauts * The "Golden" Age * The purpose of planetary cycles * Rules governing Pleiadian Contacts * The Ancients/Native people and their connection to Pleiades.

(#31) GOD SAID: LET THERE BE LIGHT
Pleiades Connection
Vol. II
by Hatonn & Germain
\$10.00...223pp
ISBN: 0-922356-42-4...6/91
or Audiobook (8 tapes)
\$30.00

The nature of God and Creation is LIGHT. This JOURNAL offers a comprehensive understanding of our very nature, where we came from and ultimately return to, and how to create *balance*. Among the vast array of concepts which are presented: Expansion and Compression equals life/death cycles * The true meaning of sensation, consciousness, Cosmic Consciousness, "thinking", Imagination and Inspiration * Illusion and Reality * How to KNOW God * The Voidance Principle * Two-Way Universe * Polarity * The principle, law and symbol of Love * Wave fields * Cubes, Spheres, and Spirals in Nature.

(#32) I AND MY FATHER ARE ONE
Pleiades Connection
Vol. III
by Hatonn & Germain
\$10.00...238pp
ISBN: 0-922356-46-7...6/91
or Audiobook (9 tapes)
\$30.00

Master Germain details the nature of God/Creator and how He Creates. The various explanations include: the True Nature of electricity, gravitation, magnetism * heat and cold * The undivided light, the divided light * cubes/spheres * centering * the power of Desire * simulated idea and energy * duality of electric effect * the nature of matter * the One idea (love) of Creation. Germain also explains the misconceptions of science about energy and matter * The Mother/Father light is defined.

(#33) MURDER BY ATOMIC SUICIDE
Pleiades Connection
Vol. IV
by Germain & Hatonn
\$10.00...148pp
ISBN: 0-922356-47-5...7/91
or Audiobook (5 tapes)
\$25.00

Germain presents the details of what radiating atoms are, why certain atoms

and minerals are to be left in their natural state and the consequences of violating Nature's laws and processes. We are warned about the danger and seriousness of atomic energy and the resulting nuclear contamination to the survival of all life on this planet.

(#34) PHONE HOME, ET
Pleiades Connection
Vol. V
by Hatonn & Germain
\$15.00...190pp
Includes Two Audio Tapes
ISBN: 0-922356-48-3...8/91
or Audiobook (7 tapes)
\$30.00

Germain stresses the importance of communion (meditation) with God and gives excellent "how to" instructions to accomplish successful communication with God. There are two instructive audio tapes to assist in relaxation, clearing your space and relinquishing your ego-consciousness to receive inspiration, knowledge and guidance from God.

(#35) THE SACRED SPIRIT WITHIN
Pleiades Connection
Vol. VI
by Hatonn/Aton & Germain
\$10.00...239pp
ISBN: 0-922356-50-5...8/91
or Audiobook (6 tapes)
\$25.00

God will work *with* you, not *for* you. Within these pages, find the wisdom of this truth. Germain, in his usual distinct style, clearly explains and defines: Higher Knowledge * Cause and Effect * the Mystery of Gravity * the Spiritual basis of Polarity * the Law of Rhythmic Balanced Interchange in nature * the Birth of Character and Righteousness * Cosmic Consciousness * How Equal Opposite pairs achieve unity * Universal Rhythm * why the Laws of God bring Balance * the Paralyzing role of Fear * the Nature of Free Will.

(#36) HUMAN, THE SCIENCE OF MAN
Pleiades Connection
Vol. VII
by Germain & Hatonn/Aton
\$10.00...196pp
ISBN: 0-922356-51-3...8/91
or Audiobook (6 tapes)
\$25.00

The very nature of God and the structure of the Universe are examined. The vast range of topics in this JOURNAL include: Reincarnation, cycling and Immortality * Interworkings between the Divided and the Undivided Universe * God creates one basic form * the

Light Wave Principle * Desire based upon Knowledge * Why Action/Reaction are equal, opposite and simultaneous * What is Motion? * What is Time? * the principles of Manifestation * the Voidance principle * Senses vs Knowing * Soul-will vs. Ego-will * Radiation and Generation * more on Cause and Effect * Perfection of God's Law * and the Purpose of Creation.

(#37) SCIENCE OF THE COSMOS
Pleiades Connection
Vol. VIII
by Hatonn/Aton & Germain
\$10.00...197pp
ISBN: 0-922356-52-1...9/91
or Audiobook (5 tapes)
\$25.00

Germain presents more of the working details of the Cosmos, Universe and what God is and how the cycles of perceived death and life actually function. Also: How to Know God * Manifestation of Love in Character * God's Purposeful Intent for Man * the tragedy of Modern Science * the Principles of Heat and Cold, water and fire * the Seven New Laws of Thermodynamics * the Spiral Principle * Nature's sex principle * the Nature of Light * Transmutation of matter * Purpose of the Cube in Nature * more on Expansion and Compression.

prior to entry that the craft would simply "coast" its way through the electrical shutdown. We now must talk about "time-travel", however, and this would only confuse the subject in point. The point is that the deeper into the earth, itself, that facilities can be structured—the less impact. You "ordinary citizens" are not included in the plans—for the plans of the Elite are to DE-POPULATE the planet and this is one of the means in probable use to do so.]

NEW TECHNOLOGIES

NOW FOR A VERY IMPORTANT PART OF THIS GRANDIOSE SCHEME BY THE ELITE.

Photon Energy is THE Energy of the FUTURE. Reports indicate that there are experimental PHOTON rockets on experimental craft. The AURORA CRAFT, for one, is now being regularly flown (beyond testing) in California. The SR-71 Black Bird has to be in the sky—at full speed—just to track this experimental craft. Find someone to talk about this if you dare. [Hatonn: Neither should you confuse the SR-71 "Black Bird" with the beyond-top-secret "Blackbird PROJECT".]

A craft that uses Photon propulsion may have been a very slow, cumbersome craft in usual circumstances, but would, in the Photon "belt" become very, very speedy and very, very efficient. The Russians have space platforms RIGHT NOW...that have Particle Beam Weapons that the U.S. is most deathly afraid of. The U.S. has NO WEAPON TO COUNTER THIS TECHNOLOGY AT PRESENT AND ALL ATTEMPTS TO CONSTRUCT SAME ARE SIMPLY "TAKEN-OUT".

NOW THE NULL ZONE

This is an electromagnetic zone where there is an energy vacuum and there is an absence of electromagnetic fields. Everything simply cancels everything.

Electric Power Generating Systems utilize earth's magnetic grid

to function; therefore, no grid, no electric power. Batteries simply will not work. This means cars, etc., will not run more than the battery will allow.

[Hatonn: Facts are that you can expect worsening cancellation of electricity to the extent that in a very short period of time a battery will not emit power either. So, even generators will first stall out and finally will not function. It therefore becomes mandatory to

have other types of lighting, heating, etc., than from the electrical grid during the null period.]

There is no way that this has been missed!! It is only that we have been lied to and deliberately kept from this information.

Oh...our adversaries...have perfected technology enough to use it for their own advantage. What is the game plan?? **PLAN 2000...TOTAL GLOBAL CONTROL...**

Yeltsin's Deal Of The Century

7/9/92 #1 HATONN

Note please: Yeltsin got absolutely EVERYTHING he went after at the G-7 Conference in Germany. The most dangerous transaction is the most outrageously clever maneuver of them all—giving you the industrial facilities (which you already control and are totally worthless with billions of dollars needed to bring them into operation). I wonder if they offered to give you back "Kissinger and Associates" in Russia in exchange for everything given them? If this were not so serious it would be the comic event of the centuries. My crew is still on the floor trying to catch their breath. Now watch the action in this now underway "summit" and see how much YOU gain or lose! I simply do not see how you can look at your papers and newscasts with a straight face. I wish I had time to go down the articles, in order of writing, and point out the absurdity in each and every one. It is TOTAL hog-swill.

HENRY KISSINGER

For you who still don't believe "Dr." Kissinger has anything to do with your government and/or world affairs—let me reassure you that his input is taken as "gospel" and, while he operates one of the largest businesses in both Moscow, Russia and in China—he writes things like the follow-

ing, which are carried in every Establishment paper as headline news:

QUOTE:

Los Angeles Times, July 5, 1992 by Henry Kissinger: former Secretary of State and frequent writer for *The Times*.

THE BUSH-YELTSIN DEAL THAT NOBODY'S HEARD OF

Diplomacy: Russ[s]ia and the United States quietly sign a document aimed at remaking the world. The problem is they didn't ask anybody else. By Henry A. Kissinger, New York.

President Boris N. Yeltsin's visit to the United States produced a charter that seeks to give concrete meaning to the term **new world order**. The document could involve, if its ideas take hold, a revolutionary reordering of global relationships. Such radical changes should not be implemented without a full national debate.

True, statements of principle are rarely implemented literally. But they do reflect a state of mind and hidden assumptions that shape long-term policy.

The most significant premises of "A Charter for American-Russian Partnership and Friendship" are that no geopolitical issues remain between the United States and Russia and that the spread of democracy will guarantee permanent peace.

Russia is assumed to share identical goals, making possible a "strategic partnership" between the superpowers.

Are these premises valid?

The collapse of the Soviet Union is surely the seminal event of our time. But the nature of what is to replace it is still unsettled. Other established patterns of global relations are bound to alter. Care must be taken not to foster principles of world order that unintentionally encourage a cycle of instability and constrain the evolution of newly free countries.

The new charter is permeated by a tone redolent of a global Russo-U.S. condominium. [H: Does ANY reader know what Mr. Kissinger just said in this sentence?] Russia is called a "Strategic partner". In addition, "the United States and the Russian Federation will unite [emphasis added] in their efforts toward strengthening international peace and security, preventing and settling regional conflicts, and solving global problems."

Can the United States sustain such an undertaking? Should Russia be encouraged into a global role, which is like putting liquor before a reforming alcoholic? Where does this leave the U.S. allies?

The atmosphere of condominium emphasizes the curious clause stating that the two countries abjure "the threat of use of force against the territorial integrity and political independence of each other [emphasis added]". Could this not be read to mean that the threat of force against other countries is permitted by the charter? Previous U.S.-Soviet statements of principle always contained clauses declaring that nothing in them superseded existing obligations, or they made new mutual obligations genera. The new restrictive clause, even if inadvertent, is bound to be noted. [H: And just how many of you noted this "...tone redolent of a global Russo-U.S. condominium."? Did you, further, take note that this "...atmosphere of condominium empha-

sizes the curious clause stating that the two countries abjure."?)

The charter emphasizes a vast new effort by the United States and the Russian Federation to "support the strengthening of the Euro-Atlantic Community" because "security is indivisible from Vancouver to Vladivostok." When this concept first appeared in the Mikhail S. Gorbachev era, it was the slogan of European and Soviet leaders seeking to reduce U.S. influence and to gain maximum freedom of action for essentially national purposes. Once everybody is allied to everybody else, existing institutions will dissolve into a vague structure incapable of joint action and thus, in the end, best suited to nationalistic policies.

[H: Oops—it appears Mr. Kissinger is just a bit concerned about some things that could come from this—like wipe-out his own business interests in some way. Let's see now, it seems Mr. Gorbachev is president of Kissinger & Associates in Moscow (by whatever "name"). It also appears that while Mr. Yeltsin was in the U.S., Mr. Gorbachev was doing "something absurd" with the Israelis in Tel Aviv. What could it have been? Why? Could it be that the "Bolsheviks" may be in trouble with the world order as it now appears to be coming down? Someone is certainly blackmailing someone else, it appears to me.]

The Euro-Atlantic Community seems to include the North Atlantic Treaty Organization, the European neutrals, the new East European democracies and all the successor states of the Soviet Union. **[H: What does he mean by "seems"—he is the very one who set up the originals. Don't you sort of think he "knows"?]** The interests of these countries are assumed to be identical and to flow naturally from their democratic structures. But, in the real world, can this melange be called a community? Does the phrase "indivisible security" entitle either superpower to act alone in

the likely event there is no consensus, or does each side have a veto? Is the choice between hegemony or paralysis?

And in what way can the five Central Asian republics of the Soviet Union or the three new states of the Caucasus be said to belong to a European security structure, not to speak of a Euro-Atlantic Community? If Kieghizstan, one of the Central Asian republics, becomes "European", why not Pakistan or India nearby? The unspoken premise is that all the states of the former Soviet Union, however different their culture and history, are still treated as if they were under Moscow's tutelage.

The unprecedented role assigned to the European Security Conference and the phrase that "America and the Russian Federation cannot accept another phase of European instability" point up the charter's basic incompatibility with existing Atlantic institutions. Within NATO, the United States opposes a separate European military force on the ground that it weakens the integrated command. The charter, however, leaves little scope for NATO, except to contribute forces and resources to the newly invented Euro-Atlantic Community as some kind of exclusive club directed against Asia.

Similar ambiguities weaken the charter's relevance to the strains produced by the breakup of the Soviet Union. In less than a year, 15 new states have emerged. All have become members of the United Nations. None, except the Baltic states has known independence for the last 150 years. Hundreds of thousands of soldiers of the erstwhile Red Army remain on their territories. The soldiers intervene in local conflicts ostensibly to protect Russian minorities.

While the Russian Republic has not directly challenged the independence of the new states, it has not fully accepted it either. **[H: I could have sworn there were wars going on in almost ALL of the new states—especially Yugoslavia at this very**

moment—who do YOU think is at war?] Russian leaders maneuver with persistence to establish themselves as the linear descendants of the historic empire. The entry of all the successor republics into the European Security Conference is a measure of this campaign's success.

If Moscow attempts to recentralize its former empire, some sort of military conflict is probable. If it succeeds, even partly, alarm bells will ring around the Soviet periphery—but especially in Eastern Europe. The traditional pattern of mutual fear between Russia and its neighbors will reappear. The U.S.-Russian partnership will collapse.

This may not be an acute problem as long as Russia, together with all the successor states, faces economic disaster. But as they recover, the question of whether the new charter reduces the dangers becomes relevant.

The Bush Administration seems to assume that liberal democracy and market economics will, by themselves, achieve and preserve peace everywhere. But even if true, this point will not be reached for decades. Meanwhile, the United States must contribute to international stability with a foreign policy that goes beyond social engineering. The effort to shore up the Russian government is laudable, and the Congress should support it. But we must not so idealize and personalize the relationship as to lose sight of geopolitical imperatives. We need to balance the respect and cooperation to which Russia's reforms and potential power entitle it against the dangers of hegemony over smaller successor states.

The toughest question raised is whether a Russia seeking to build democracy and a market economy and in need of vast amounts of foreign assistance can possibly fulfill the role assigned to it by the charter. Is it wise to divert Russia into a global enterprise that may keep it from even defining a responsible role with respect to the internal rela-

tionships of the former Soviet Union? At the end of an evolution that we should assist, Russia may turn into the partner envisioned by the charter. As of now, such a role is at best premature, at worst dangerous.

END OF QUOTING

Goodness, this must have a "fog-factor" of somewhere near 100%. At any rate, considering what a leader Mr. Kissinger is in the Elite One World Order Global 2000, **is it just possible that Yeltsin (and moreover and above, Pamyat and Soyuz) may not be such vicious criminals against "you-the-little-ordinary citizens" as against the Elite Administration?? It does become obvious that THAT man they all laughed at and insulted when he FIRST came to visit America has somehow gained a lot of power—enough to completely get EVERYTHING he goes after and your Elite grubbers capitulate at EVERY TURN. Hmn-n-n! Does it not indicate that there is some kind of power somewhere? Why would the world capitulate to a broken, bankrupt and now defenseless nation if there is not "something" afoot that is VERY, VERY POWERFUL? Think about it most carefully before you read on and we share our next blast of insults from none other than the UFO Bible (magazine) as "faxed to me yesterday".**

Revealing UFO Magazine Attack

7/9/92 #1 HATONN

NEW SERIES BEGINNING

Good gracious, a series about little old ME? Or is it to tear down George Green whom the UFO "community" is after for bringing you the truth about "things" and "them"? Let us let YOU decide—I am weary of "my" friends being the last to know what is going on.

The following is from UFO, 30 Vol. 7, No. 4, 1992. A copy of the "article" was sent to my attention on July 8, 1992 so I assume the issue is "new". I think, for this particular group in point, it is interesting that the pictured copy of the *LIBERATOR* utilized was the one with the headline: **Underground Bases Honeycomb U.S.** The adversary really didn't like THAT ONE. My scribe is at a great disadvantage for she has no idea WHO in the world these people are who so graciously write about our work. Perhaps Mr. Ecker (Don) will be relieved to know that I DO! Furthermore, he may just not like what I have to say in "that sought after interview" he claims to desire with "Hatonn". So be it.

COPY:

A NEO-NAZI ET? 'HATONN'S WORLD'—PART I

by Don Ecker

In 1943, my father was a young merchant seaman on board a convoy leaving England to carry supplies to the Soviet Union. The Second World War was at its height, and the United States, along with England, France and the Soviet Union, was locked in a life-and-death struggle with Nazi Germany. The Nazis had overrun all of Western Europe, England was on her knees and everyone was sure that Russia was a rotting structure just waiting to topple.

The supplies on board that convoy were intended to keep Russia

in the war until such time as America could achieve a full war-time economy, and in concert with the British, the Russians and other peoples would ultimately beat the Nazi gangsters into the ground.

There were other convoys headed toward Russia on a similar mission, and most did get through. But my Dad's ship did not. It was hit by a U-boat and then finished off by Nazi bombers. (My father survived the ordeal.)

As we all know, WW-II had a successful ending; the Nazi regime was destroyed, but by 1945, Nazis still had managed to kill about 20 million Russians, both military and civilian.

The British lost just under a million people, both military and civilian, the French about 750,000 and Poland, 4 1/2 million. Loss of life in the death camps included 6 million Jews and 5 million Europeans of other races and backgrounds.

Germany also suffered greatly. By war's end, she had lost around 11 million people, which consisted of military and civilian casualties. These figures are cited in *The Encyclopedia of Military History*, by Dupuy and Dupuy, Harper and Row, 1977.)

I am sure you are by now wondering what this has to do with UFOs.

We will get to that in a moment, but first let us drop back about 25 years to the dawning of the Age of Aquarius. Back in 1967 and 1968, "flower power" was in. It was not uncommon to turn on the television and see news broadcasts of "love-ins", sit-ins and crowds of young high school and college-age kids marching for peace and calling for acceptance and equality of all people everywhere.

We were all human after all, and for many the '60s ushered in the new age of love and understanding. There was no room for intolerance or bigotry.

UFOs, on the other hand, were

not faring quite as well under the scrutiny of Ed Condon at the University of Colorado's government-sponsored inquiry. Later ridiculed by many, Condon's report seemed to ignore the many factual cases, instead concentrating on "contactee" or fringe-element reports.

Contactee activity has been around as long as people have chased lights in the sky and thought often wacky and incredible, usually amounted to largely harmless claims. But much more recently, some of the contactee information has taken on darker overtones.

In February, UFO became more directly involved in looking at some recent incarnations of the contactee message when a call came in from a reader in Chicago, who was inquiring about a publishing company called America West.

Based in Tehachapi, California, [WRONG!!], America West Publishing is owned and operated by George and Desiree Green. (It has no relationship to the airline.) The Greens' company regularly prints and distributes a newsprint publication called *THE PHOENIX LIBERATOR*, formerly the *PHOENIX JOURNAL EXPRESS*, purported to be transmissions from an extraterrestrial in orbit around Earth.

This alleged ET calls himself, according to George, Gyeorgos Ceres Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Intergalactic Federation Fleet—Ashtar Command. [H: He has a couple of things misconstrued—like being in the Command of someone named Ashtar. Ashtar is only a label given the entity who heads the evacuation Command and Central Computer system and I only have occasional need to participate with that fleet in any association. That association has been explained in detail in the *JOURNALS*. Further, I am IN COMMAND—not Commander-in-Chief. This is just for a bit of clarification for you readers of THIS document. Moreover, I am only occasionally in "orbit around your

planet", if the difference is important to you.] Earth Representative to the Cosmic Council and Intergalactic Federation Council on Earth Transition. (But, he says, you can just call him "Hatonn.") [H: Ah so! Would it be so "strange" if this author introduced himself as Mr. Don Ecker and said, you may call me "Don" or "Ecker"? Do you condemn a being for being courteous and using good manners? I do note that not many gracious manners are utilized by this one toward me and/or George Green and we have done NOTHING TO OR WITH HIM OR HIS MAGAZINE. HOW DOES HE HAVE INSIGHT ENOUGH TO PRONOUNCE SUCH CARNAGE UPON OUR PRESENCE AND RIGHT OF EXISTENCE? OR, IS THIS THE TYPE OF JOURNALISM NOW FULLY ACCEPTED AND RESPECTED IN YOUR CONTROLLED ENVIRONMENT OF DISINFORMERS?]

Hatonn is not a specifically channeled entity, however, Green says, "He sends the information on a military channel that is received and written down by the scribe, Dharma." Dharma is Doris Ekker, a 60-ish grandmother who purportedly receives and then writes down the transmission from Commander Hatonn. [H: Well it is NOT a military channel. It is simply short-wave high-band transmission. Further, have none of you ever heard of a "translator" or a "secretary"? How quaint!]

POLITICAL COMMENTARY

Cmdr. Hatonn does not limit himself to spiritual counsel. He is concerned with all aspects of life on Earth, particularly political aspects. In the myriad writings attributed to Hatonn, he "rains wisdom" on every subject from the history and instability of neighborhoods in Cuba and Peru to the covert agenda of the world's power-brokers. (Issues which are, of course, very much related). In **DESTRUCTION OF A PLANET: ZIONISM IS RACISM**, Hatonn introduces himself, saying,

"Hatonn present in the Light of Radiance, in service unto God and Man."

For an extraterrestrial, Hatonn is extremely well informed and opinionated on just about everything. His diatribes encompass Reaganomics, medieval history, the "actual" origin of the Jews, the wisdom of incorporation and current American economic woes, and much more than can be described here. [H: Thank you for taking notation of the above. I will point out that in view of my accepted KNOWLEDGE of wide diversity—WHY WOULD MR. ECKER CHOOSE THIS PARTICULAR SUBJECT TO FOCUS UPON??? COULD IT BE WE HAVE AN ELITE GLOBALIST ON OUR HANDS OR SIMPLY A DISINFORMATION/MISINFORMATION COUNTERFEIT JOURNALIST??? I would suggest that almost ANY subject upon which I have written would be more valuable than the one he has chosen to blast universally and with intentional focus. Or, will we find that Mr. Ecker doesn't READ AT ALL OR IF SO, VERY, VERY POORLY AND HIS ARITHMETIC AND RESEARCH CAPABILITIES ARE SORELY LACKING.]

The transmissions have a familiar ring. According to Hatonn—as recorded by "Dharma"—most of what is wrong with the world, and more specifically with America, is a "secret government" within the government. This secret government or New World Order is controlled by "The Committee of 300" and international bankers. [H: So? And do not all of Mr. Ecker's FORMER FRIENDS state the same thing?? What have we here? The UFO magazine's thrust has been the "secret government's cover-up of EVERYTHING—including UFOs!]

ANTI-SEMITIC MEANING

One of the caveats to interpreting common phrases such as "international bankers" is real-

izing its allusion to Jews and anti-Semitism. [H: Good grief—how so? I have told you over and over and over—SEMITES ARE NOT JEWS! Surely Mr. Ecker, you can read better than THAT!] When queried, Green denies having any anti-Semitic feelings himself. But if he doesn't, Hatonn does. [H: WRONG! I AM A "SEMITE" AND SO IS GEORGE GREEN—you had better check out your historical research capabilities.] According to the works flowing from America West Publishers, attributed to "Commander Hatonn," most history is not what it is purported to be: books like *Destruction of a Planet; Zionism IS Racism and The Trillion Dollar Lie: The HOLOCAUST*, Vols. 1 and 2, assert that there was NO HOLOCAUST. [H: WRONG. There most certainly WAS a holocaust but NOT LIKE PRESENTED AND YOU REDUCE THE VERY HONOR TO THE ONES WHO "DID" SUFFER SO CRUELLY BY YOUR LIES AND DECEPTIONS! IT IS NOT "I", SIR, WHO IS THE FOOL!] Hatonn says Jews are not really Jews, per se, but "Khazars," who came out of the area that used to be the U.S.S.R. [H: Indeed!]

UFO material appears at times, with explanations no one else has come up with. According to the word from Hatonn per George Green, for instance, the Tunguska explosion in Siberia in June of 1908 was actually a secret, 30-megaton atomic bomb designed and built by a secret society of British and German scientists. Green tells UFO that the bomb was delivered by a balloon. [H: Where have you been Mr. Ecker?? Scientists on YOUR PLACE gave that information and a whole lot more and it has been written up in major well accepted news-letters such as Antony Sutton's works. There was a magnificent plan to actually tilt the planet with that explosion except the perpetrators couldn't get their time-zone changes correctly computed! As to balloon delivery: they did not have

SR-71s and C-130's to utilize in clandestine activities as are present TODAY. Besides it would have been most propitious to use such "silent running" craft, would it not?]

NO HOLOCAUST

[H: Methinks this man has a hang-up of some sort for out of some sixty JOURNALS, he can't seem to get rid of a nagging urge to beat this to death—something like does the ADL (branch of British Intelligence), WZO, WJC, and "hate crime" squealers. Do not you readers find this interesting? A "UFO" journal and no mention or curiosity is even SHOWN about possible UFO knowledge or possibilities of gleaning some information regarding the cosmos—JUST DEAL WITH GARBAGE, LIES AND DISINFORMATION AS NEARLY AS I CAN DISCERN. If YOU were given possible chance of information from a Space-command officer and a "Host" of Holy God who knows enough to see to it that the very workings of God and Universe is put to JOURNAL—would you ask about the numbers in Germany in the 1940's? Would you not think it wise to choose something which would actually be of interest to the masses and possibly give you insight to what confronts you as a species and civilization? So be it.]

There were no death camps in Germany or Poland, according to the Phoenix material. [H: Mr. Ecker: you are full of it, as you later say about "me". There were camps in which death was incredibly massive so I suggest you GO READ THE MATERIAL AS WRITTEN AND POSSIBLY EVEN WRITE WITHOUT SELECTED TAKE-OUTS, THE WHOLE LOT OF MATERIAL—I HEREIN GIVE YOU PERMISSION TO REPRINT EVERY WORD I HAVE WRITTEN AND MY "BROTHERS" AS WELL! IN FACT, IF I HAD THE TIME I WOULD INSIST THAT YOU DO SO—IN YOUR SO-CALLED RE-

SEARCH JOURNAL!] "There were not even six million Jews in all of Europe prior to the start of the war," Green stated. According to him and Hatonn, the copious number of photographs that showed the world the horrors endured by victims incarcerated in the Nazi concentration camps were misinterpreted; the mountains of dead, starved bodies, the tattooed numbers on the arms of all inmates, even small children, were all a fabrication. [H: Mr. Ecker—it is hard to believe you could twist statements to THIS extent by utilizing the term ALL, etc. Do you not think that even a deceiver would be more cautious than to make such encompassing and stupid statements? It seems the term "all" in both instances is YOURS, not Mr. Green's.]

In a casual tone of voice, Green told UFO that those corpses were actually dead Germans that Gen. Dwight David Eisenhower, World War II Supreme Allied Commander and future President of the United States, had once interned in the former Nazi "work camps". Then, Green said, Eisenhower allowed them to starve to death. [H: Gads, Mr. Ecker, where have YOU BEEN? Have you been so narrow in your research as to not READ what is available?? Try Spotlight, The New Federalist and dozens of other resources, AND how about the book called OTHER LOSSES by Bacque, which was "banned" in the U.S.? My, my, it would appear it is YOU who dwells in "outer space" and not Hatonn!]

Of course, Green added, this is not his own information, but facts from the almost-omniscient Commander Hatonn, who stays in orbit and beams down wisdom from the stars. [H: Nope—no information from the "stars"—although I can give you a lot of information ABOUT THOSE STARS! "Almost-omniscient"? Not too bad!]

On page 162 of *ZIONISM IS RACISM*, Cmdr. Hatonn claims the Nazis decided "Since force could not be used (to get the Jews out of

Germany) for fear of potential international repercussions, the way to break down their resistance was to instill a distinctive Jewish identity amongst them by systematically promoting Jewish schools, athletic teams, Hebrew, Jewish art and music, etc. Combined with Zionist occupational re-training centers, this would induce the recalcitrant Jews to abandon their homeland." [H: Commander Hatonn "claims" this? Goread again, Mr. Ecker—that was a direct "quote" from an "earth" document and Hatonn "claims" nothing of the sort! This happened to be truth BUT NOW IS USED TOTALLY OUT OF CONTEXT IN THIS ARTICLE IN UFO as the entire article is relative to Unidentified Flying Objects and possible Cosmic (space) information and/or focus. If you are trying to discredit me, Mr. Ecker—you are ONLY discrediting self! I am come as a Host of God—and I find you ALSO AVOID THAT SUBJECT LIKE IT WILL GIVE YOU A BAD CASE OF PLAGUE.]

HITLER'S 'MEIN KAMPF'

We all know how very unconcerned the Nazi regime was about world opinion in 1936, when Hitler ordered German troops to re-occupy the Rhineland in violation of the Treaty at Versailles. Hitler had spelled out his plan years before in *Mein Kampf*, the book that became the Nazi bible. In *Mein Kampf*, Hitler stated for the record that he would "settle with the Jews". [H: Is that supposed to mean "slay them all"?—"gas them all"?—what mean you when you say, for instance, that you "...will settle with Mr. Cooper"—on the AIR yet?! Does that mean that you will murder him? How come you to this conclusion? Taken out of context as you have, perhaps it meant he was going to settle accounts and pay them all they were owed? How about—settling by giving them Germany or Palestine? How is it you come to this

particular conclusion which "infers" annihilation? Perhaps that is what it meant—but more likely, as with your own statement regarding Mr. Cooper—you didn't like accounts in some fashion and "would settle...."? You even claimed Mr. Cooper had threatened to "kill" you! and you stated that on an open radio interview—what are you, Mr. Ecker? Perhaps you would like me to share more with our readers, and yours!]

In America(n) [sic, sic] West's volume entitled SPACE GATE, THE VEIL REMOVED, it appears that Commander Hatonn is not above plagiarizing. Taking sections from some of the voluminous tracts of Milton William Cooper (Cooper at one point threatened that he was going to sue Green), Hatonn put in his own words that tired old canard: "YES, DEAR ONES, PRESIDENT JOHN F. KENNEDY WAS MURDERED BY THE SECRET SERVICE AGENT WHO DROVE HIS CAR IN THE MOTORCADE." (All capitalized) [H: (ALL CAPITALIZED); I JUST WROTE IT AGAIN! THE FATAL SHOTS WERE FIRED BY GREER FROM THE LIMO DRIVER'S SEAT AND BY HUNT FROM THE "GRASSY KNOLL". There were many involved and I have named almost all of them in one place or another. By the way, JUST WHAT IS IT YOU DO NOT UNDERSTAND, SIR? Funny thing about "plagiarizing"—TRUTH CANNOT BE PLAGIARIZED! Furthermore, I continually get correspondence urging me to look into the fact that "...Cooper is plagiarizing your work, Hatonn!" Can't have it BOTH WAYS, chelas! NOW, WHAT DO YOU HAVE TO SAY ABOUT THAT INCIDENT, I WONDER?? WHOSE SIDE MIGHT YOU BE ON, SIR? YOU SOUND PRETTY SELF-INCRIMINATING TO ME.]

THE TRILLION DOLLAR LIE, THE HOLOCAUST, again supposedly the dictums of Commander Hatonn, delivers rhetoric that sounds terrifyingly close to fascist propaganda. In it, we get the text of the "Protocols of the

Elders of Zion", which purport to be a blueprint for a "Zionist" or Jewish takeover. Redundant quotes include, "Anarchy is something that the Jew promotes relentlessly. While in complete control of the financial powers of the state, they promote internecine strife..." [H: What would you have me do, misquote a document utilized as an action blueprint for centuries?? I did not WRITE THE PROTOCOLS but you seem to present this as if somehow I DID! Nope, sorry—they came right along before and with the Communist Manifesto, Nazi Manifesto and now your New World Order—New World PLAN 2000.] Later, on page 153, Hatonn says that after a state exhausts itself during war or civil war, "IT CAN THEN, IN ANY CASE, BE ACCOUNTED AS IRRETRIEVABLY LOST AND IN THE POWER OF THE JEWS." Yet, Hatonn bills himself as an extraterrestrial bringer of light, condescendingly referring to his readers as "misguided children". Could Hatonn be a mouthpiece for someone else?

[H: Yes, I COULD be. But I am not. I do suggest however, that I would not deprive you of the privilege of holding that honor, Mr. Don Ecker!]

Part Two of this article will examine more of the information offered by America West. Don Ecker will attempt a direct interview of Hatonn, as well as speak to several survivors of the "non-existent" Jewish Holocaust.

END OF QUOTE

Attempt an interview of Hatonn???? Attempt?? It seems any who have efforted to speak with Hatonn have received gracious time and service, although often I have been invited to attend your "interviews" and only have received threats, insults and stupidity in return for the reception. If this is your thrust and intent of dealing with such a subject in point—wherein you will "interview several survivors of the 'non-existent' Jewish Holocaust" I suggest you are really "reaching", Mr. Ecker! I have yet to witness A

SINGLE "SURVIVOR" WHO SAW ANYTHING PRONOUNCED AS HAVING HAPPENED AS TO DEATH CAMPS! I DO NOTE, HOWEVER, THAT THOSE "SURVIVORS" ARE VERY WILLING TO EXECUTE INNOCENT PEOPLE SUCH AS DEMJANJUK FOR CRIMES "NOT" COMMITTED.

I would appreciate you readers giving me even ONE good REASON why I should subject my people to this nerd? He wants to know my relationship with my people? How about his relationship with one Vickie Cooper of UFO? When we speak of Hatonn, it should be noted that ones need to begin to think in terms of God, God's COMMANDMENTS and Creation's Universal LAWS.

YOU, Mr. Ecker, do NOT WANT AN INTERVIEW WITH ME—you want more games in order to discredit Truth and cover your own insecure and ridiculous assets. You seem to tell the audience WHO HATONN IS—when will you tell them WHO YOU ARE?

Ones such as you, Mr. Ecker, have turned what could have been a worthy JOURNAL for information into what is nothing more than a rag-sheet of drivel and misinformation of the highest form. The articles are without merit, basis or truth in almost all instances and you dishonor anyone who would give you truth through just such articles as the foregoing. I do not judge you—I simply "judge" your work and actions and I find them sorely wanting value or truth. Your thrust is obviously toward misinformation and Elite involvement to cover-up and disinformation—in order to further deceive readers seeking truth.

Your world is coming apart and you would utilize trite misguidance and that would appear to me to be only a mammoth discredit to your own integrity. I would guess, herein, however, that Mr. William Cooper and I are in pretty much identical harmony concerning the type of writer as are you. I sanction neither of your behaviors—but I do suggest that,

at least, in spite of flammable temper, problems of control through many means and misguided direction—HE AT LEAST TRIES TO BRING TRUTH WHEREIN YOU DELIBERATELY BREAK IT DOWN INTO A RUBBISH HEAP OF YOUR OWN GARBAGE. Now, rightfully so—as you so often quoted above: this is "...in Hatonn's opinion". I would, however, measure my some sixty books against your representations of almost everything you "cover". So be it.

Consider this to be "PART II" of your "series". I don't think you actually want a personal interview with me—unless you can change the content and, therefore, it seems most unwise of me to do that to my people already being quite aware of a "fixed" setting.

In fact, you desire self-ego stroking with your clever articles and accusations of false thrust and worse perception—please feel free to print this as Part II. You have stirred up others on the "Get Green and Hatonn Trail" and it is going to be most costly and painful to them, also, and I think they will not thank you for your "service" unto them. When in a "nest of thieves" the "thief" cannot find the foolishness of his visible projection.

I am pleased to see that you are reading some of our material, however, and hope that some of it rubs off on your intelligence-seeking brain system. One more presentation of a "sighting" from the 40's or 50's is going to make me heave-up. Do you not think the world and space has perhaps changed since half a century? Who cares about 1950 when you face the New World Order TODAY? In fact, how can you remain chained to a 1940 scenario as above—when the REAL HOLOCAUST is descending upon you? Ah indeed, I have no need to interview one with such limited vision and narrow insight—I would consider it a disservice to the readers seeking Truth.

If this be your leadership representatives, readers, I have only compassion, or perhaps simple

"pity", for you of mankind. Blessings upon you of vision who can understand the circumstances confronting your species and globe. Blessings upon you who can see the dangers to your Constitution and your freedom—Pity upon you ones who dwell in the dark places and insist ALL OTHERS REMAIN IN THE DARK WITH YOU.

Salu.

EARTHQUAKE, cont. from pg. 1

area and the San Andreas break-off points, etc. This can only mean that it is KNOWN by the "inside groups" that things are "coming down" according to Elite Plan 2000—and right on time.

Let us consider natural phenomena about the U.S. as an example—in this immediate time-span. Across the U.S. there are, within the past week-end and ongoing, Earthquakes which are NOT on known (or on totally inactive) faults. The reports are that the "earth is turning liquid." This can only mean that these are manufactured earthquakes by Man utilizing "beams" (photon particle lasers) and transmitters from "out there somewhere" to specific receivers and amplifiers "in there somewhere". If you look at your LIBERATORS and check the locations of the quakes in California, you will find them linked to the major underground facilities of the Marines, Navy, etc., i.e., Twenty Nine Palms, China Lake (Ridgecrest), Edwards AFB (Mojave/Cal. City) and so on. These same types of "shakes" have been stimulated all across your nation.

Next, look at weather patterns and what is happening: flooding in Salt Lake City, tornados in Florida and elsewhere, rains, death and everything "UNSEASONABLE". How about the Daytona Beach, Florida "tidal wave" that originally had NO CAUSE, then reported was due to underwater landslides, only to later digress to "unknown wind gust". Wind gust?? Chelas, you are in for a long ride on primrose petals. You can go silently and never know what hit you or you

can pay attention and have preparations which can take you through this time of change.

Do you ACTUALLY BELIEVE GOD IS WHAT ARMAGEDDON IS ABOUT? You had best look again at the prophecies and instructions—God is only about sending for his people—MAN is about bringing down the world into HIS OWN CONTROL.

SAFETY?

It must, by now, be becoming a realization that no matter where you locate—there is a juicy experience awaiting you. All you can actually do against this particular thrust is be prepared to survive wherever you might be. The human body needs food and water and some type of sheltering, even if it be only a blanket. Children need tending and a place to "be". Those who assure you that God will simply "pick you up" are lying to you with the most heinous lie possible. NO, you will be given to experience whatever comes down for the time of cycle migration is not yet. I can only give you warning for the things coming upon you NOW are those of MAN and NOT OF GOD.

The fact that "intelligence contacts" are "acting" and moving to places wherein safety has been "assured" by inside resources tells it all. The intelligence agencies have to KNOW TRUTH because the entire of your military has been shifted to places of planned involvement TO INSURE CONTROL BY THE ELITE.

Now, you can't believe this? Then I suggest you get reruns of this weekend's non-news-casts. While Bush is "laid back" with "low profile" during the Democratic Convention—first to California where it would seem he would be avoiding such placements—he will then go to Wyoming to spend a few days at the James Baker ranch. This coincides with the peak "show and tell" of the convention, does it not??

Let us say that you have some nice big "natural" disasters during this time in point (and the

testing is now done and the capability readied); the nation can be brought to total and instant control by Executive Order—that means by Mr. Bush. He is taking the ORDER with him wherever he goes to have it ready to release—IT IS ALREADY SIGNED!

Now, look back at those news clips—how about the ones continually shown on the G.E. "Photon" system?? Note all the neat tricks that system produces—including the need to wear especially and exceptionally dark goggles to be in the same area with the apparatus, a "promise of energy" for thrusting aircraft and on and on. *What do you think they are talking about?*

CURRENT PHOTON NULL-TIME WOULD BE MAN-MADE

You as a planet are not expected to enter the genuine photon belt zone until early in your second decade of your new century. You are already gradually picking up effects NOW because it will not be an abrupt "pull the light switch" encounter. Your scientists not only know it but are utilizing it to enslave you. The ozone-hole is a dastardly hoax for the rays coming through are simply photon rays and ozone won't stop them but your Elite have to have an "excuse" to feed to you.

The scientists CAN produce up to five days of null- or void-time (such as the genuine null-time will produce) quite easily. They cannot, however, produce the "photon belt" passage effects (of constant light and other effects) to follow for more than a brief few days, if at all. The confusion and chaos would create such an anarchy situation that it would not even be noted.

ELECTRICAL FUNCTIONING DURING THIS TIME

I get very valid questions regarding this time and what you should do—but I can't figure it all out FOR YOU. This is NOT MY SHOW-AND-TELL, chelas. The man-manufactured item cannot

be as perfected as a natural passage and you may well be able to use flashlights until batteries die, etc. I don't know. Some areas will be hit hard and others may feel no effects depending on intent of the producers.

I suggested availability of candles and lamps and I am blasted for the suggestion by ones who say the house may be in ruin and the fires started from open flame could be more devastating. What do you want of me?? It is YOUR show and I "MAKE YOU" do nothing—do that which you will. The point is intended to make massive power failures and zero out all electrical apparatus. During the natural null-zone encounter ALL WOULD BE NULLIFIED.

CAUTION, ABOUT MISINFORMATION

At yesterday's meeting we had questions and answers in which I had to speak out in direct contradiction to the speaker of "Bashar". Bashar has told his listeners that there would **NOT** be allowed a nuclear war and if it were started "all warheads would be inactivated by space Command." NO, NO, NO that is NOT SO! Total annihilation of your planet by such means would not be allowed. You can actually depend on a nuclear war if total control is not accomplished by these fake "natural" devastations. You may believe anyone you wish and you may discount everything I bring to you—but I promise you that you are not being given correct information in such instances as that above. I realize that you PREFER Bashar's version but the facts are, it is not to be. Yes we can negate your nuclear devices—but we will not do so except in very isolated and very special circumstances and war of regular cause is not among them. By the way, "Bashar" simply means "Messenger" or "Commander" so be sure WHO you receive and through who and what is the attitude toward Lighted God—as in instant presentation. If other

things this "Bashar" (or any other) says, allow freely the breaking of the Laws of God and/or Creation to be permitted, HE IS NOT YOUR FRIEND!

I realize your perception is that there are millions of "other" ships available to lift-off beings from your planet—so you will go with "Bashar's" group. This would, of course be Daryl Anka's group, primarily. No, it will not happen that way—the command of the adversary will not lift anyone to anywhere unless you have a ticket to Australia or one of the planetary (very, very nearby) bases, for Man of Earth Dimension in physical form will not be brought outside the compression of same—except for total replacement elsewhere and that will be without bodily transfer.

"But God said," you might claim! No, God DID NOT SAY!—MAN SAID!!!

SIGNS OF MAN-MADE EXPECTATIONS

The Naval officer from the area of Bahrain who called, for instance, and all ship hands are already on full alert because of "TOTAL" power failures of unexplained cause, are further on immediate and "emergency duty" painting of all signs, instruction plaques, exits, and mechanical "levers" in "night-effective" luminous paint. This indicates that the TOP MILITARY personnel and planners KNOW EXACTLY WHAT IS COMING DOWN HEREIN.

STOP THE GAMES

I now suggest that all you nice supposedly "reformed" intelligence agents who effort to distract us and mislead us—or even work with us but KNOW MORE THAN YOU PERCEIVE THE REST OF YOUR BROTHERS KNOW—I SUGGEST YOU STOP THE GAME RIGHT NOW FOR YOU ARE IN SERIOUS TROUBLE AS YOUR OWN TEAM-MATES ARE READY TO PULL YOU DOWN.

Us interfere? No we WILL NOT INTERFERE. We have signed agreements and a treaty with the

Elite for we have no intent to counter—our thrust is simply to "play through", inform the masses according to God's promise of sending the WORD OF TRUTH, getting a remnant through and reclaiming GOD'S PEOPLE. **We are no actual threat to any of the Elite for they are aware that they have done a superb job of totally disabling you-the-masses.**

Lastly, they will unify the masses against this "common enemy" they will produce for you as having caused all the commotion and you will march like sheep to the slaughter behind their drummers. The Elite will even HELP OUR FEW for we actually seem to represent no real threat. They know that you will believe whatever they tell you, for the most part—or, to save selves it will not MATTER WHETHER OR NOT YOU BELIEVE THEM—POWER WILL CONTROL YOU AND THEY KNOW IT.

"So, should God's people just give up?" comes the rebuttal. If you are of God's people, the thought of "giving up" is not in your thought patterns. God wins—ALL know as much including the adversary—but He (GOD OF SOURCE) only wants that which is His and if you have chosen to not be His—then what has HE lost? **YOU CHOOSE AND YOU TAKE YOUR CONSEQUENCES OF THAT CHOICE. ONE, AT MOST, GIVES YOU A BRIEF LIFESPAN IN MOST ANNOYING CIRCUMSTANCES AFTER THE ADVERSARY GETS DONE WITH YOU—THE OTHER GIVES YOU INFINITE JOURNEY TO THE STARS—IF—YOU GET PREPARED AND DO YOUR PART. THE CHOICE IS MOST CERTAINLY YOURS AND MY OPINION IS OF NO VALUE—ONLY THE TRUTH I BRING IS OF VALID MERIT. EITHER WAY YOU SHALL EXPERIENCE IN YOUR MANIFESTED PROGRAM ACCORDING TO THOSE CHOICES. SO BE IT.**

Few things are harder to put up with than the annoyance of a good example.

"GENESIS REVISITED" BY ZECHARIA SITCHIN

I cannot recommend more highly any book than this one. NONE. Are there others? Yes, and a lot of pieces here and there. I give you information in partial sequence to get information and source for more, to your eyes and ears. You must come into confrontation with your creation, cause and placement. This only deals with the "physical" side of your projection. The other is, by far, more important—the spiritual creation and how it works. Those are in the PLEIADES CONNECTION series WHICH ARE NOW BEING IMPOUNDED AND BANNED FROM PUBLICATION. OUR PUBLISHER, AMERICA WEST, HAS ALREADY CEASED AND DESISTED, BASICALLY BEEN FORCED OUT OF BUSINESS AND CAUSED TO MOVE LOCATION. THE BOOKS ON HAND HAVE BEEN GIVEN TO ONE WHO HAS A DISTRIBUTING COMPANY AND WILL CONTINUE TO OFFER THEM UNTIL SUPPLIES ARE DEPLETED [See page 23 of current LIBERATOR. THERE WERE SOME IN REPRINTING AND CANCELLED BUT REPRINT MAY BE ACCOMPLISHED ELSEWHERE. IT WILL NOT BE THROUGH THESE ONES. IF IT IS EXPECTED TO SILENCE GOD'S TRUTH—DON'T COUNT ON IT—THE ADVERSARY WILL HAVE TO SUE THE ENTIRE POPULATION AND ALWAYS THE ONES HE SUES WILL "HAVE NOTHING" TO REWARD HIM FOR HIS EFFORTS BUT HE WILL SURELY PAY DEARLY FOR THE DAMAGES PRESENTED UPON THOSE HE HAS ATTACKED. TIM BINDER OF PLAINTIFF IN THE ABOVE CASE EVEN THINKS GEORGE GREEN IS HATONN—I SUGGEST A VERY ABRUPT AND RUDE AWAKENING VERY SOON NOW!!!

Where can you get GENESIS REVISITED? Perhaps at America West (Nevada address) or through the same system as always for contacts have not changed in any manner whatsoever. If not available, I believe you can get it at any

good bookstore. It is not considered very controversial *(until I got it) for the theory and information seemed so absurd that the Elite discounted its possibilities immediately as archaeological hoopla. Besides, the intent was to destroy Iraq which would also destroy the information source since the texts come from Iraq's "Mesopotamia".*

POSSIBILITIES AND ASSURANCES

I can only make an observation about this information which we are bringing, etc.: check within and see WHY you refuse to look at possibilities? I can PROMISE YOU ONE THING—if you continue with the lies and with the accepted prophecies which have already proven to be incorrect—you are

ASSURED of that very passage as intended and thrust upon you. If I were you, I would CONSIDER OTHER POSSIBILITIES for it can certainly do no harm and might actually save your neck. **I am not your conscience or your keeper—I am but an elder brother from a dimension of wisdom and orderly experience. I offer my hand and my "Command" in your service—we coerce nor force anything and it is not our need to service you or fix you or save you! We, furthermore, of the Fleet will decide WHO WILL BE BROUGHT ABOARD OR ALLOWED PASSAGE ACCORDING TO THE INSTRUCTIONS OF OUR HIGHER COMMAND—EVIL WILL NOT BE ALLOWED ABOARD OUR CRAFT WHICH SERVE GOD. I HOPE YOU WILL THINK OF THIS MOST CAREFULLY FOR**

AS YOU CLING TO THE PHYSICAL EXPERIENCE IN LUXURY AND ERRONEOUS PERCEPTIONS, YOUR "TIME" SLIPS AWAY FOR THE "TIME OF THE PROPHECIES IN FULFILLMENT" IS AT HAND.

ELDER BROTHERS

YOU MAY BEGIN TO REFERENCE US AS ANUNNAKI/NEPHILIM OR ANYTHING NEARLY AS SUCH, TO RECOGNIZE US—BUT RECOGNIZE US YOU MOST CERTAINLY WILL. I, further, suggest you get more clarification of the term ELOHIM. I would point out that the terms are the most important terms in any language and yet, the book **THE LIVING BIBLE**, Reference Edition, Red Letter Concordance—lists NEITHER in the concordance. You are in REAL trouble World of Earth. I think you probably begin to understand the fact that on the "return journey" we probably won't be too crowded "aboard ship" for most of you will leave your very passage in the hands of others who have but deceived you and selves.

EARTHQUAKES

7/12/92 #1

Indeed this yesterday earthquake in Mojave, California was IMPORTANT. Recall I warned you about any quakes on or near that Garlock Fault must be watched most carefully! Note further that it was, as were the prior two major quakes, over strategic areas of underground facilities and the side quakes were NOT DISTRACTORS but very, very "on target" such as the massive underground facility at 29 Palms (Marine base), Ridgecrest (China Lake Naval Weapons Center and largest of all the California underground secret facilities) and now, California City (right at Edwards AFB's dooryard!). This indicates many things but not the least of which is beam-induced "terminal" backfeed amplifier contact—well planned and well tested—

Hatonn...\$10.00

Details are given regarding the facts of the Holocaust; the history and background of the "Jews"; why Israel receives reparations paid to her due to the "Holocaust"; why millions of "Jews" receive 5,000 German marks annually for "damages". Plus current events about our economy, the Anti-Defamation League, the Torah, and the Talmud.

THE TRILLION DOLLAR LIE THE HOLOCAUST, VOL. II

By Gyeorgos Ceres
Hatonn...\$10.00

In this journal we are given additional important information about how and why the Holocaust is a massive deception against all humans on planet earth, either directly or indirectly. Details about phoney pictures, phoney numbers, phoney gas chambers, etc., are included.

Tapes & Transcriptions

In addition to audio tapes of meetings with Commander Hatonn, THE WORD is now offering written transcriptions of some taped topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) **Postage is included in tape and transcription prices.**

Since we are not set up to take credit card orders, please send check or money order to: THE WORD, P.O. Box 6194, Tehachapi, CA 93582. Call 805-822-4176 if you have questions.

If you desire to automatically receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is either already in print or will be soon. Available written transcriptions are noted by #.

The following is a complete list of meeting dates with the number of tapes in bold in paren-

theses and mentioning if the meeting has a special focus:

7/4/92(2) radio program, KTKK, Salt Lake City, UT;
7/12/92(3).

NOW.

Note other "news" bears a big show and tell of Photon energy and even demonstrates the need for special extra-darkened goggles and intense enhancement of recent photon laser beams—"which are intended for use as aircraft thrust systems." Pay attention and between the lines you will find all the confirmation of truth which you will need. Watch various players and you will even find the culprits by what they are doing and WHERE.

Our New Look

Regular readers of *THE PHOENIX LIBERATOR* have probably noticed various changes in appearance and presentation of the paper over the past several weeks. These changes will continue for awhile and are one visible result of Commander Hatonn's restructuring of *THE LIBERATOR'S* management and operations.

Another change is our official business name, now *THE PHOENIX LIBERATOR, INC.* Our new address is:

THE PHOENIX LIBERATOR
2810 W. Charleston Blvd.
Suite G6723
Las Vegas, NV 89102.

This address is for mail processing only for subscriptions, comments or general communications.

Our new phone number is 1-800-800-5565.

This restructuring has been gradually implemented to relieve America West Publishers (already overworked with book and *JOURNAL* publishing activities, plus speaking engagements) from a growing burden they graciously carried from the time of *THE LIBERATOR'S* inception and evolution from the smaller newsletter called the *PHOENIX JOURNAL EXPRESS*. The *EXPRESS*, in turn, evolved from *THE PHOENIX JOURNALS* as a mode for more rapid delivery of communications than the *JOURNALS* could provide.

Again, please note our new mailing address is for **MAIL PROCESSING ONLY** and not for "stopping by". Please know that your warm notes of support and other sharings are appreciated and treasured beyond our ability to adequately express, or often, even acknowledge under the work load of our production schedule. We thank you for being there at just the right times and at just the right places, else we would certainly have stumbled and fallen along the way. And, as Commander Hatonn put it, above all, the sharing and the caring are really what this is all about. --The Editors
