Bo Gritz For President "Gritz For Rights In '92"

(Editor's note: Yes, there is something we can do! Now!

Following the Commander's lead, the creative people at the Constitutional Law Center-CLC in Sacramento are sending out the following Media Release. From it you can get several ideas about actions you might take—the first being to contact Mr. Schaut to coordinate with others in your area and learn where supplies and videos are available.)

Disillusioned Perot volunteers nationwide are moving over to the Col. James "Bo" Gritz for President campaign. According to Gary

Anderson of Sacramento, California, who has been in contact with Bo and others of his campaign staff, "They are moving over to the Gritz campaign in large numbers because Gritz is the only candidate who can deliver what was begun by Perot. The momentum is building for wholesale re-alignment from Perot to Gritz without much time for anyone to catch their breath. Bush and Clinton are still not viable alternatives for the majority of the former Perot supporters."

Locally (in California), two coordinators from the now defunct Perot campaign in El Dorado County are in the process of re-contacting their 10,000 petition signers to sign Gritz petitions which are being circulated to place him on the ballot in California. After seeing the Gritz campaign

platform on video, they both remarked they had made a mistake and should have been backing Gritz all along. They said the Gritz platform is what they were looking for and what was lacking in Perot.

In other areas of California Perot coordinators from Irvine, Los Angeles, San Diego, San Jose and the Inland Empire, to name a few, are calling Mr. Anderson (916 - 487-1849) for further information about whom they can contact with the Gritz campaign to keep their Grass Roots movement going. Mr. Anderson has opened up his home at 631 Wilhaggin Drive for Perot supporters to stop by and view the Gritz campaign platform video and sign or pick up petitions for circulation.

In Ohio the Perot coordinator, Bob Newcome (216 - 262-0256), is now coordinating the former Perot supporters for the Gritz campaign. If this trend continues, Gritz may soon be qualified in a majority of state ballots; he is already qualified in 19 states.

You have an opportunity before you that you shall NEVER have again! What will you do with it? Perot had become an "establishment" man—a tool, selected in careful planning but blind in his own "seeing". **He is correct in his knowing that he could not win an election.** Great heroic actions come from the ability to "see beyond" and "hear" the knocker tapping. What will he do now? Has he "betrayed you"? Why think ye that he has done so? Finally he begins to use some positive insight, chelas (students). Can you not see how "change" has swept the land? There are two or three or more ways in which his resignation can impact the world in a most positive manner!

Perot has been incorrect in his perceptions that the system was basically "good". He is having to face the facts that the "system is basically horrid" and unchangeable under ordinary

Will The Real Guyana Story Please Stand Up

(Editor's note: On pages 14-15 of last week's LIBERATOR, Commander Hatonn briefly mentioned the shocking story of the Jim Jones People's Temple in Guyana in reference to the MK/ULTRA secret government mind control program. That mind control aspect turns out to be only one small facet of the depraved planning behind a battle for position with the Russians that duped Congressman Leo Ryan and 900 men, women and children to sacrificial murder by elements of the U.S. and British governments. We are here reprinting Commander Hatonn's original outlay of the truth of the Guyana incident. This is extracted from JOURNAL #14, RAPE, RAVAGE, PILLAGE AND PLUNDER OF THE PHOENIX, VOL. I, pages 128-147. And as Commander said, "It is 'beyond' fascinating reading—it is likely the most shocking of all of the revelations of coverup.")

4/30/90 #2 HATONN

Hatonn present in truth and radiance. Good morning.

Today we shall outline the Guyana incident. It is placed within this Journal because, on the surface of it, it appears to be a "religious" incident. It was not!

THE 'REAL' GUYANA STORY

In your year 1976 the United States and Russia became embroiled in top secret hostilities in preparation for World War III/ Nuclear War I. It began in earnest during the summer of 1976 when the still secret Underwater Missile Crisis erupted. It then expanded into wholesale nuclear sabotage of the United States with weapons now planted at literally thousands of locations nation-

wide. (We shall discuss this at a separate writing). These weapons ranged from mammoth hydrogen bombs ready to destroy your largest dams and reservoirs down to tiny nuclear devices called 'micronukes' by the Russians.

For some time the Russians had been detonating micronukes in a steady drum beat of explosions all over America. Still feel safe and cozy and unwilling to 'rock the boat'?

In September of 1977 the secret war took a decisive new turn. In the still secret Battle of the Harvest Moon in space [see JOURNAL #3, pg.37; #15, pg. 111], America's Secret Rulers lost their supposed ace in the hole for the coming planned war. In a shocking upset, Russia knocked out America's secret Moon beam-weapon base in Copernicus Crater, (oh yes there was one!). Since that time Russia had seized the dominant position militarily in space. Now let's review a little arithmetic—from 1975 or so, to 1990—hummmmm, about fifteen years maybe? - - what do you think they might have been doing all this while?

We will cover all these subjects most carefully but this Guyana was set up in a religious setting and it fits into this Journal without distraction.

Prior to this incident there were drastic changes taking place in the leadership of both Russia and the United States. In Russia the original ruling factions after 1917, the atheistic Bolsheviks, had been overthrown after a progressive struggle for over six decades. The Kremlin was now under the absolute control of a tough band of native Russians, a Christian sect who considered the Bolsheviks to be evil incarnate. As a result, the Bolsheviks were being expelled from Russia

and they were flocking mostly to the United States. They were joining the many Bolsheviks already in powerful positions in the U.S. in a sophisticated new Bolshevik revolution. In the process, they were gradually preempting much of the power that was once exercised by their Secret Allies, the third generation Rockefeller brothers. As Bolshevik power became ever greater and greater in the United States, the Satanic fruits of that power were and are becoming increasingly visible.

In April 1978, the lives of over one hundred unsuspecting civilians were deliberately put in great danger for the sake of an intelligence mission.

This was the case of Korean Airlines Flight 902 which invaded supersensitive Russian air space and was shot down. There was nothing accidental about the Korean airliner episode, and the threat of death to all the innocent passengers was the key ingredient in the episode. It would have been far easier for the Russian fighters to blow the Boeing 707 out of the air in a ball of flame than to force it down with only a few casualties, as was done.

As the time passed the Bolshevik grip grew steadily greater in its hold on the United States, and human life was growing cheaper by the day. This time it would not be a hundred but nearly a thousand civilian lives, and this time it would be that they would die because nothing would be left to chance.

The gruesome tragedy at Jonestown, Guyana, is only a pale shadow of what lies ahead for the entire United States if the cancer of Bolshevism, along with a few other Cartels, is not stopped. Those who are seized by the Bolshevik way of thinking are quite

schizophrenic and Satanic and unable to tell right from wrong—or at least practice in the guise of "right". When these tendencies are allowed to go unchecked and the Bolsheviks acquire power, the consequences for society as a whole are tragic indeed.

Both murderous and suicidal actions take place on a scale beyond comprehension. It happened seventy-five years ago in Russia as the Bolsheviks took over there; and now, as the Bolsheviks are efforting to take over in your territory, it is happening—right in the good old U.S. of A.

MILITARY PURPOSE OF JONESTOWN

Yes, I said "military". And a bit later, I shall show you how Leo J. Ryan, Congressman, was utilized. The set-up for the Guyana tragedy was staged as early as 1974, with the revealing of the presence of a Guyana missile base in that place. It made radio news all across America but was promptly covered and snuffed. This was in June. In October it was again brought to public attention by daring speakers and again snuffed along with threats to cease and desist with such news items - - "or else".

The news items ran something like the following: that according to reliable intelligence sources on the matter, the Republic of Guyana (next to Venezuela in South America) had been turned into another Cuba with Atomic Missiles aimed at the Gatun Locks of the Panama Canal and at your cities in the United States.

Of course your government, which dances to a tune called "Dynasty", refused to even investigate the charges—actually, why would they? They set it up!

The warnings were frequently re-presented and some of the public citizens did in fact effort to gather information which inquiries were met with stone wall silence or double-talk and denials. Many simply discounted the whole

TRUTH WILL SET YOU FREE

story but some more insightful patrons came to realize that you couldn't believe your Government. Well, guess who was right?

MUST GO BACK TO 1965 TO LAY THE PLOT

The developments which were destined to culminate in tragedy at Jonestown began in 1965. Guyana was a newly independent country, the former British colony of British Guiana.

At that time the secret Rockefeller/Soviet alliance was in full swing, and the long range joint plans for a controlled Nuclear War were moving right along. Both sides were looking ahead toward an eventual double-cross, but that still lay far in the future at that time. The deliberate strengthening of Russia at America's expense was part of their joint plan for World Government and conquest. The Cuban Missile Crisis of 1962 threw a temporary monkey wrench into the program when President John F. Kennedy intervened personally and stopped the nuclear arming of Cuba; and for doing that, and other humane "indiscretions", he lost his life in Dallas barely a year later.

Kennedy's successor, Lyndon Johnson, made sure that he followed the script more carefully. In the wake of the Cuban crisis, the Russians needed a new forward base in the Caribbean area for strategic purposes until the heat was off in Cuba. To accommodate Russia, Guyana was selected for this purpose, and David Rockefeller saw to it that a Marxist named Forbes Burnham became Prime Minister. In return, the Chase Manhattan Bank became fiscal agent for Guyana, giving Rockefeller access to the gold produced in Guyana; and as a key factor in all this, then President Lyndon Johnson in 1965 turned over the American Air Base, Atkinson Field, to Guyana.

America's right to retain control over the Base for several more decades was simply thrown away without any excuses offered. Atkinson Field, which was then

renamed Temehri Airfield, is south of Georgetown, the capital city. This is the airfield to which American helicopters carried bodies to be airlifted to America after the Jonestown disaster.

When Johnson gave the Temehri Airfield to Marxist Guyana, he handed Russia a very large plum indeed. The Temehri Airfield is the largest in all of Latin America, larger even than New York's largest airport, the John F. Kennedy Airport; and its location makes it ideal for ferrying Cuban troops and supplies to Africa.

As a result, Johnson's action on behalf of Rockefellers robbed the United States of an important logistic connection to Africa while opening the door for Cuban troops. Your later trouble with Cuban troops in Angola and elsewhere in Africa were partly the result.

For a number of years, Russian military activity in Guyana was heavily concentrated around the vicinity of the Temehri Airfield. In 1974, they emplaced missiles in sites that ringed the airfield. Then the missiles were pulled out from those locations and moved to a separate missile complex west of Georgetown, over the following two years.

In that new complex, the missiles were deployed at sites scattered over an area some 30 miles in diameter. In the approximate center was a Command and control installation commanded by Russian personnel. And the plot began to thicken considerably.

After the missile base relocation was completed, the missile complex was centered at a point about 70 miles northwest of Temehri Airfield; and roughly another 70 miles to the northwest lay the Jonestown Peoples Temple complex, an Israeli-type kibbutz. So the missile base ended up about midway between the Jonestown commune and Temehri Airfield. It was no accident, my friends, that the Peoples Temple kibbutz was located so close to the missile base.

ORIGINS OF THE PEOPLE'S TEMPLE

The origins of the People's Temple in the 1950s had nothing to do with government intrigues. It was not until about 1970 that certain elements of the United States Intelligence community began to infiltrate and subvert the People's Temple. **The Rockefeller brothers have always had a standard practice of supporting not only the faction in power but also spies and opponents to that faction—and who doesn't want a little "free" funding and support money? In this manner they are always in a position, at least theoretically, to cut down anyone who tries to break free of their control. Heed this lesson well lest ye be tempted by their guiles in our own work.**

In the case of Guyana, the Rockefellers wanted to have such a tool in Guyana as a check on Forbes Burnham, the Prime Minister, whom they had put in power with use of their money. Certain elements within the United States Intelligence community under general coordination by the CIA were given the task of finding ways of accomplishing this.

In the course of evaluating various options, it was concluded that the Peoples Temple would prove ideal. The psychological profile of the leader, Jim Jones, indicated that he could be converted into a powerful tool of the Unseen Rulers. Contrary to reports in the controlled major media, Jim Jones was born a Jew (oops), and he already exhibited tendencies toward kibbutz-style organization that could be channeled into useful directions. This would be brought about through a combination of both conscious and unconscious factors.

At the conscious level, money and powerful political support would be channeled in his direction; at the unconscious level, the technique of psychological programming, which we will discuss in more detail elsewhere, would be employed.

Gradually, Jim Jones would

lose control of his own personality and become what your Unseen Rulers wanted him to be. The process would inevitably create tremendous internal conflicts and turn Jim Jones into a troubled and dangerous man and that, dear ones, is exactly that which came to pass.

CHANGES IN BEHAVIOR

By 1973 changes in Jones' behavior began to be noticed by his friends and followers. His conversion into a semi-conscious agent of death and intrigue was underway in earnest by that time. That same year the mushrooming funds of the Peoples Temple were used to launch the agricultural kibbutz at Jonestown, Guyana, though only a few people went there at that time.

Guyana was a rigid Marxist police state, and no one could have launched a new enterprise like the Commune without its approval by Forbes Burnham; but David Rockefeller agents made sure that Burnham received all the assurances he needed that the Jones compound would fit neatly into the Marxist environment of Guyana.

At the same time, Forbes Burnham had begun double-crossing David Rockefeller, exactly as had been feared. He was now playing ball politically but he was hiding much of Guyana's gold production in caves in the mountains. David Rockefeller found this out sometime later, but by then the much bigger problem was developing from a double-cross by Russia so Burnham was left untouched in order to make way for bigger things.

By summer 1974, the Rockefeller brothers were still soundly in bed with the Kremlin, but there were already ominous signs that something was happening in Russia which they did not understand; however they simply could not imagine that their old Kremlin allies, the Bolsheviks, were being overthrown.

And so it goes; just as any mention of possible threat from

Russia goes totally denied this day, so went denied the public warnings about Guyana missiles—and the Government spokesmen went right on lying and ridiculing those who dared speak out. The planned and programmed Nuclear War was being blueprinted for the late 1970s and they did not want the plan to be spoiled by public awareness; but two years later Russia's all-out military double-cross of America began with the Underwater Missile Crisis of 1976.

Most of you know about that crisis, which the Government kept silent about, but we shall talk about it again, later. Your Unseen Rulers were badly shaken by that surprise and initially tried to reinstate their secret alliance with the Kremlin rulers. After all, they had succeeded in doing so once before after President Kennedy broke the rules and made an issue of the Cuban missiles; but meanwhile they also began setting in motion contingency plans to gear up their possible real war.

4/30/90 #3 HATONN

MAJOR TARGET

The Guyana missile base was one of the major targets of the revised planning. When this planning began more than two years prior, the Space Battle of the Harvest Moon still lay in the future. It seemed quite inconceivable that America could lose its secret beam-weapons base which was soon to be operational on the moon; and so long as they had this Moon Base to depend on, your Unseen Rulers thought they could not lose. But in light of the Underwater Missile double-cross, they wanted to be able to pull as many of Russia's military teeth as possible. In this way, their destruction of Russia would be even more complete than originally planned.

The planners of Operation Guyana were given a difficult problem to solve. The objective was to wipe out the Russian missile base in Guyana by removing the threat

it posed to the Panama Canal and southern American cities; but this was to be a pre-war operation carried out covertly and with complete surprise. It had to be covert, because neither the United States nor Russia could afford to have it known that the base ever existed; and the surprise had to be complete, because with even the briefest warning the base could be reinforced and defended by Cuban troops.

From these requirements it was concluded that a commando-style raid would be necessary, something like the Israeli raid at Entebbe Airport in Uganda in July 1976. Are the similarities and implications becoming a bit more clear to you readers? Any other kind of attack would have required your leaders to do what President Kennedy did in 1962, and that is: Tell the American people what was afoot and ask for your support. At all cost, the one thing your Unseen Rulers were determined not to do was to tell you anything. The problem then arose—how to get the joint attacking forces into Guyana in a force large enough and fast enough to do the job.

Wiping out a base like that one in Guyana, after all, is no small task and it takes experience. It was then concluded that somehow some very sudden, massive, compelling excuse would have to be provided in order to enable the secret joint military forces to enter Guyana temporarily. The excuse, whatever it was, would have to be so visible as to tie Russia's hands so that Russia could not retaliate in Guyana without giving away what she had been up to there; and the excuse, whatever it was, would have to appear non-military yet require military expertise. Furthermore, some provision would have to be made for ALL casualties in the missile-base attack to be removed from Guyana after the raid, otherwise their presence in Guyana could have been made the basis of an international incident trumped up around some different story unrelated to the secret missile base.

For example, the government

of Guyana, following Russian dictates, might have publicly displayed the bodies of the joint military forces killed in the attack and said they were killed in an attempted coup d'etat against Forbes Burnham. It was a very big order, but the Jonestown kibbutz proved to be the answer. **All that was necessary was to arrange for many hundreds of American citizens to die suddenly in Guyana and under conditions guaranteeing instant massive publicity.**

The sheer enormity of the tragedy would require military involvement, and the location of Jonestown was made to order. Helicopters commuting between the Temehri Airfield and Jonestown would naturally fly over the missile complex—whose details were known in spite of expert camouflage. This meant that joint special armed forces could be set down near the perimeters of the missile base and later recovered, along with casualties, with relative ease. And as the reporters at the Temehri Airfield watched helicopters leaving to the northwest and return from the same direction, they were led to assume that all were going to and from Jonestown some 150 miles away. They had no way of knowing that many of the flights were to and from the Russian missile base, which lay in the same direction but only half as far distant.

IN THE BEGINNING OF THE SCHEME

When it was decided to use mass deaths at Jonestown as a cover for the missile-base attack, Jonestown was functioning only as an outpost of the People's Temple. There were not enough people there to provide a sufficiently major incident to serve the intended purpose, and so, through both direct and indirect means, Jim Jones was persuaded to go to the Guyana kibbutz himself, taking as many of his flock as would follow him. That turned out to be about 25% to 30%, and

by following him, they automatically identified themselves as the group most highly dependent upon Jones personally. They were also most susceptible to the combined influences of exhaustion, intimidation, and isolation from outside help—in other words, just right for thorough brainwashing.

Ever since the days of the Korean war it had been known conclusively that brainwashing techniques can cause many people to do all kinds of things. Even hardened American GI's in Korea fell victim to brainwashing in surprising numbers because they did not understand what they were up against. But, of course, the Jonestown victims were anything but hardened soldiers.

In August 1977 Jim Jones left for Guyana with his large sacrificial flock. That same month, United Nations Ambassador Andrew Young carried a message to Prime Minister Forbes Burnham of Guyana. He said that under certain conditions the United States and the World Bank would increase its aid to Guyana—that is, line Burnham's pocket by a factor of ten times more than previous levels. And so the key disaster of Jonestown was set in motion in a day shortly before the Battle of the Harvest Moon.

POOR LEO RYAN

To trigger the whole tragedy and in a blare of publicity, the interest of late Congressman Leo J. Ryan was developed and programmed.

In a display of courage that is practically unknown today in the U.S. Congress, Ryan went to Guyana knowing that it might be dangerous. But what he did not know, of course, was that he had been lured into making a trip whose tragic outcome was planned well in advance.

Congressman Ryan and those who died with him at Port Kaituma Airport were casualties in the secret war that was leading to Nuclear War One. And so were the hundreds of other American civilians who

died in the so-called "mass suicide" at Jonestown, Guyana.

As the time approached for Congressman Ryan to make his anticipated trip to Guyana, other activities were set in motion on the diplomatic and military stage. It was essential that Russia's attention be diverted away from Guyana until too late to take action to protect the missile base. Russia's prize in the Western Hemisphere, of course, is Cuba; and so in the final days before the Battle of Guyana on Thanksgiving Day 1978, the trumped up MIG-23 crisis—does anyone remember that one?—was used to divert Russian attention to Cuba. Oh, we have lots and lots of wondrous secrets to talk about, don't we? Only too late did the Kremlin discover that the real target was not Cuba but Guyana.

THE BATTLE: THANKSGIVING DAY 1978

Close aides of the late Congressman Leo Ryan have reported publicly that his ill-fated decision to go to Guyana was triggered by a State Department report to him that he found totally unsatisfactory. This reaction of Ryan's had been correctly predicted and, in fact, deliberately encouraged. With elections coming up, Congressman Ryan decided to schedule the trip after the election during the Congressional recess.

This was a quite natural decision, and had also been anticipated by the planners behind the scenes. No politician would miss the opportunity to campaign right up to election day.

As the time approached for his trip, the false issue of the Cuban MIG-23 crisis erupted. The Carter Administration had learned nearly a year prior that the Russians were going to send the MIG-23s to Cuba and decided that it would be a perfect pretext for a fake crisis. The MIG-23 can carry certain types of nuclear weapons as claimed; but even in this role it is a tactical weapon best suited for support of ground or naval forces.

The MIG-23 in and of itself does not threaten America in the same way that the 1962 Cuban missiles did; and so when the United States began playing up the MIG-23s, it was very obvious to the Kremlin that this was a deliberate effort to stir up public tension over Cuba. The question was: Exactly what was the United States up to? Would the Carter Administration be so crazy as to invade Cuba? Such a thing sounded irrational, but America's Unseen Rulers were behaving more and more irrationally.

• This, too, was partially deliberate and was intended to keep the chess players in the Kremlin off balance, but it was also partly a result of the increasing degree of control over America by those Satanic schizophrenics, the Bolsheviks.

Cuba was, after all, very important to Russia, for Russia was looking ahead to world domination after Nuclear War I; and for that, Cuba is Russia's main beachhead in the Western Hemisphere. Even more urgently, Cuba was the unadmitted home of Russia's Caribbean Submarine Fleet, and that fleet had repeatedly moved into attack positions in the Gulf of Mexico over the prior two years and more during periods of tension.

As if that were not enough, there were concentrations of nuclear weapons in at least four land locations in Cuba. One was near the north coast roughly 10 miles inland southeast of Cardenas. This location is 150 miles due south of Cape Sable, Florida. A second site was about 150 miles to the east-southeast of that and about 10 miles inland from the north coast. One hundred twenty-five miles farther to the southeast was a third concentration 15 miles northeast of Marti, well inland. A fourth nuclear site was near the eastern tip of Cuba, 28 miles north-northwest of the United States Naval Base at Guantanamo Bay.

With all this at stake, American publicity over the MIG-23s caused worry in the Kremlin. And in early November the tension

increased when the United States began sending SR-71 reconnaissance flights over Cuba — shades of 1962.

In response, massive formations from the Atlantic, Pacific, and Caribbean Submarine Fleets of the Russian Navy began fanning out along America's east, west, and gulf coasts on November 6. They did not deploy into attack formations but their sheer numbers signaled a clear warning to Washington. At that moment they were still on station, many with neutron weaponry.

Then during the week immediately preceding the tragedies in Guyana the MIG-23 pseudo crisis built to a climax. Beginning on Tuesday, November 14, a huge combined American and British naval Task Force began heading toward Cuba. By midweek, Cuban defense forces were on full alert, and on Thursday, November 16, a group of twelve United States Senators in Moscow—supposedly to discuss the SALT talks—met with Russia's Kosygin.

There they pressed the alleged issue of the Cuban MIG-23 argument, calling it a "false issue". As a former test pilot and America's first astronaut in orbit, Senator Glenn knew what he was talking about, but Kosygin's anger over the other comments about the MIGs provided the United States Intelligence community with valuable proof that the decoy action toward Cuba was working. The next day, November 17, Russia publicly admitted sending MIG-23s to Cuba, calling them strictly defensive weapons.

The same day an editorial in the Washington Post typified the crescendo of media attention to the Cuban MIG-23s. It was titled: "A New Cuban Missile Crisis?"

The very next day, Saturday, November 18, Congressman Leo Ryan, three newsmen, and a woman seeking to escape from Jonestown were slaughtered at the Port Kaituma Airport. At least a dozen other people were also wounded, but there was no effort to destroy the airplane filled with terrified escapees from Jonestown. Instead, many witnesses

were left alive, and a smaller plane managed to take off right after the airport massacre and report the attack in the capital, Georgetown.

Immediately world attention was focused on Guyana, and meanwhile the mass murder at Jonestown—wrongly called a mass suicide—was underway.

At this point, the elaborate decoy action toward Cuba was no longer needed, so the Pentagon announced that a routine naval exercise was in progress which would approach no closer to Cuba than 50 miles. Cuban defense forces relaxed, but the real action was only beginning in Guyana. The methodical executions of Congressman Ryan and three prominent newsmen had guaranteed that Jonestown would shortly be in the glare of publicity. Having guaranteed this publicity, Jim Jones then ordered the mass executions at the Jonestown kibbutz.

DETAILS OF THAT MASSACRE

The complete details of the Jonestown disaster may never be known publicly. I can promise you, however, that very, very few who died there, took their own lives—and that is, after all, what suicide is. Many were tricked, not realizing that the death rites were real. Many more resisted, but they were weak, helpless, and confronted with armed execution squads. So by various means, several hundred people were poisoned with potassium cyanide. However, there were many others who did try to escape and who resisted more effectively. Many of those people were herded off into the jungle and shot without mercy.

Finally when the mass murder was completed, the executionists performed their final task of stage-managing the horrible death scene. In order to achieve the surprise needed in attacking the Russian missile base, it was critically important that the first reports from Jonestown described the scene as a

mass suicide. Only in this way could its actual military significance be hidden long enough to fool the Russians.

Therefore, all of the bodies free of gunshot wounds were carefully arranged in neat rows and other groupings, suggesting at first sight that everyone died willingly and deliberately. This was the scene that greeted Guyanese troops late the following day, Sunday, November 19. It was more than 24 hours after the kibbutz victims died and the executioners, including the real Jim Jones, were long gone. I will return to the matter of Jones himself later for I know you are curious as to why I keep telling you he ended up in Israel.

COUNTERS AFRAID OF DISEASE

The Guyanese troops were afraid of possible disease but counted the bodies as accurately as possible without close handling or moving the bodies. The total they reported was 409 on that Sunday night. **The initial impression of a mass suicide was seized upon by the controlled major media of the United States. Without waiting for an investigation, the media drummed away at the suicide image of Jonestown as if it were a proven fact.** After a few days a few people did begin to raise questions, but by then the initial image of suicide had served its purpose of opening Guyana's doors to the United States.

For example, on Tuesday, November 21, Jim Jones' surviving son, Steven, said in a Georgetown press conference, "There's no way it could have been mass suicide." And that same day, according to the Washington Star, a Guyanese source pointed out a serious medical discrepancy in the Jonestown kibbutz death scene. He said, "If you die of cyanide, which seems to have been the poison, your body goes into spasm and contortion death, but at Jonestown everyone looked totally relaxed."

The reason for this discrepancy was that by the time the Guyanese troops arrived, all the

bodies had been rearranged. They were also placed face down for the most part. This was so that the widely publicized news photos would not ruin the desired impression of calm by letting you see the victims' final expressions of agony.

THE NIGHTMARE CONTINUED

To continue the nightmare charade to fool the Russians, the United States at first publicly urged Guyana to collect and bury the hundreds of bodies. As arranged, Guyana replied in effect that it was America's problem and that America should take the bodies back to the United States—just as planned. To facilitate this huge and hideous task, Guyana obligingly agreed to waive the usual Guyanese law that requires any body to be autopsied before removal from the country. With this arrangement, the United States achieved the carte blanche military access to Guyana that was needed.

Russian intelligence realized what was afoot by early Monday, November 20, but it was already too late to stop it. Russia could hardly announce to the world that, "We have a secret nuclear missile base in Guyana and the United States is getting ready to destroy it." That would have rallied world opinion behind America; and, although Russian CosmoSpheres quickly converged over Guyana, they, too, were useless in the covert conditions of battle there. Their Charged Particle Beam Weapons could have made short work of the commando-style forces, but in the process they would have wiped out the Russian base itself. The Guyana missiles have become only a minor factor in Russia's military power since the Battle of the Harvest Moon the year prior. They were not valuable enough to Russia to declare open war on their account. And so under these conditions, Russia was powerless to act once the Jonestown tragedy had been staged.

As Thanksgiving Day ap-

proached, huge American transports, helicopters, troops, and medical teams swarmed into Guyana. In a remote corner of the huge Temehri Airfield a command post was established for the twin operations of Jonestown and at the Russian missile base.

As some of the troops began the nauseating task of cleaning up the Jonestown kibbutz, other joint attack forces were taking up positions around the missile base in preparations for the surprise raid. Meanwhile, day after day the death count reported at Jonestown remained unchanged at 409.

Then on Thanksgiving Day itself, the Battle of Guyana took place. Crack military forces experienced in jungle and surprise warfare moved in on the Russian complex, striking all the dispersed sites simultaneously. Like the Entebbe raid, the battle itself did not last long. It had to be over quickly to be successful.

First the small crews on site near each missile were overwhelmed, and then killed. The missiles themselves were quickly disabled. Next the military forces converged on the Missile Command and Control Center, where a bloody pitched battle took place.

When the smoke cleared, every single person manning the missile base had been killed, including the Russian commanders.

When the battle was over, American helicopters from Temehri Airfield began landing within the ruined missile complex and flying out the wounded. Then the remaining attackers were left with two more jobs before they could retire from the area. First, they were under strict orders to leave no bodies of the attacking forces on Guyanese soil, and so the entire area was scoured until every single member of the attacking force had been accounted for. Their bodies, like those of the victims at Jonestown, were sealed in Vietnam-type body bags and collected in clearings where helicopters could land to pick them up.

Finally, the combined forces

were under orders to remove the nuclear warheads from the missiles and take them back to Georgetown for airlift to the United States. Specially trained members of the attacking force had set to work on this task immediately after the initial attacks on the missile crews.

By early Friday, November 24, all the warheads had been removed. They, too, were placed in body bags, one per bag, with some jungle foliage stuffed in to give the bag a reasonable appearance.

Of course none of this was apparent to the reporters at Temehri Airfield, whose access to the American Command Post there was carefully controlled. When wounded members of the attacking force were flown back to the Airfield, after the Battle of Guyana on Thanksgiving afternoon, they were kept out of sight of the reporters. Otherwise, when reporters occasionally saw body bags being moved from place to place they just naturally assumed that all contained victims from Jonestown. They had no way of knowing that some contained slain Commandos and that others contained Russian nuclear warheads. The continual cargo of death from the Jonestown kibbutz made the perfect cover for the aftermath of the Battle of Guyana.

WHERE COULD THEY TAKE ALL THOSE BODIES?

Many reporters were totally puzzled at the choice of Dover Air Force Base in Delaware for the Guyana airlift. Most of the Jonestown victims were from California, and there is a mortuary facility, similar to the Dover facility, at Oakland Air Force Base in California. Dover was chosen to facilitate transfer of the Russian nuclear warheads to the nearby Aberdeen Proving Ground and Arsenal. This was done by means of shallow flights from Dover to Phillips Air Force Base.

Originally the Guyanese count of 409 had been accepted as firm

by United States officials in Guyana. That had raised questions as to where the rest of the one thousand or so residents reported to be in Jonestown had gone. Finally, on Thanksgiving Day, with the body clean-up operation well under way, a military spokesman told reporters, "The evaluation that we have made is simply that there were not many more people in Jonestown at the time of the suicide." But even as he spoke, the Battle of Guyana was raging at the Russian missile base. By midday on Friday, the day after Thanksgiving, 485 body bags had already arrived at the Temehri Airfield. The 'bodies' of warheads from the Russian missile base were destined to raise the total far beyond the total of 409 bodies originally counted by the Guyanese at the kibbutz. It was a bad mistake, the kind of thing that happens in the heat of battle. Something had to be done, and quickly.

So, on that Friday after Thanksgiving, a breathless and nervous Pentagon spokesman at the Temehri Airfield made a stunning announcement over CBS television: "The original count of persons found dead at the Jonestown site has been found to be seriously in error. It now appear there may be as many as 780 bodies, total, found at the site. They were found simply buried under other bodies. There were larger adults that were grouped together, and under their bodies were found the bodies of smaller adults and children."

Badgered by incredulous reporters, the Government embellished the cover story later on. The Washington Star quoted the same spokesman as saying Friday night: "Near the center of the pile of bodies, near the assembly hall they were three deep in some areas. They were in layers with blankets between them." Wasn't it just nice of all those people to fall over in well orchestrated and neat rows?

This story was so unbelievable that within two days the United States Government dismissed its

own story about the blankets as a "rumor". Still the basic idea of bodies on top of bodies had to be maintained, so on Saturday, November 25, another Air Force spokesman tried to make it all sound plausible in the following words: "From what I observed, the people, when they committed suicide, would line up in nice neat little circles, children in front of them, and as they died they folded into the interior of the circle." Do you wondrously blind people begin to see the absurdity of that which you believe? You swallow it hook, line, sinker and fish!

The Guyana cover-up was world-wide in its dimensions—it had to be. In Guyana, Deputy Prime Minister Reid made the first public announcement to the Guyanese people about Jonestown on Friday afternoon, November 24, in Parliament. Then he refused to answer questions, and rushed out to cries of "Shame, Shame" and "Cover-up" from Parliament members. And there in the United States on Thanksgiving Day, FBI Director, William Webster, said that the: "FBI Disaster Squad had positively identified the body of James Warren Jones through fingerprint identification records." But, this was not so and at that very moment Jim Jones was making good his preplanned escape from Guyana.

AND HOW DID JONES MANAGE TO GET OUT?

The plans for removal of Jones were laid well in advance. An ocean-going boat, well stocked with supplies and money, was waiting for him near the river town of Bartica, 35 miles southwest of Georgetown. In order to make his way to Bartica from Jonestown, Jones had a Safe Conduct Pass.

In the early morning of Thanksgiving Day, as the Battle of Guyana was beginning, Jones headed down stream toward Georgetown. Shortly after noon Guyana time his boat left the mouth of Essequibo River into the Atlantic Ocean.

From there Jones followed a

complicated itinerary which was designed to prevent his being followed; but in spite of that, he was followed. From Guyana Jones headed due east for about 330 miles and then turned south, landing near La Mere, French Guiana, about 5:30 A.M. local time, November 27. From there he traveled by land to the capital of Cayenne, and took an airplane across the Atlantic Ocean to Freetown, Sierra Leone, in West Africa. From Freetown he headed north along the coast to Guinea-Bissau Airport, arriving there approximately 7:00 P.M. local time, November 28.

There, less than two hours later, he boarded a DC-3 and took off. His route took him eastward to Tambacounda, (Senegal); from there onward into Mali with stops at Segou, Mopti, and Gao; then onward to Agadez (Niger), and Largeau (Chad). From there his plane continued to Atbara (Sudan), and then a short final hop to Port Sudan where he arrived shortly after 4:00 A.M., November 30, local time. When he arrived at Port Sudan, Jones found a Turboprop Executive Transport waiting for him which was owned and operated by Israeli Intelligence. Within 20 minutes the plane took off with Jones and headed up the middle of the Red Sea toward the Gulf of Aqaba. At 6:30 A.M. local time on November 30, Jones' plane landed briefly at Elath, the back door to Israel; then on to a private airport outside of Jerusalem, arriving at 7:20 A.M. local time. From there he headed to a nearby location for an intelligence debriefing.

HOW COULD THIS HAPPEN TO AN EVANGELIST?

After being transformed gradually into a conscious agent of the Intelligence Community over the prior six years, Jones had taken part in a joint operation by American and Israeli Intelligence in Guyana. The Israelis had contributed valuable expertise and even key lieutenants for Jones in showing how the Jonestown kibbutz could be set up and used for

the intended purposes.

One has only to check an encyclopedia to see that Jonestown was, in fact, a kibbutz. For example, the World Book Encyclopedia under the topic "ISRAEL", says: "In a collective community, called a kibbutz, the farmers share all the property and combine their labor. The village administration provides all their needs. The adults eat together in a dining hall, but married couples and single persons have private sleeping quarters. All children are raised together in a separate home. Parents visit their children for an hour or two before supper."

Let us look at the word "commune" as domesticated in America. It means living in a commune. There is no pure form of commune in the Israeli kibbutz. **When a commune is run by persons with Satanic and schizophrenic characteristics, like those of Jim Jones, murderous and suicidal behavior are forced upon the people, as happened at Jonestown. And when this example is expanded to include an entire nation, one has a nation in the grip of Bolshevism. It was happening to America then and you are still being led directly into national suicide.**

Let me show you the ridiculous cost of such actions.

As things came to pass, the war which started between you and Russia began on that Thanksgiving Day. America lost that war in the Battle of the Harvest Moon. Of course the calculations don't work out properly because you have no notion as to what is happening nor in what order. We shall speak to these topics later. At that time the very rules of war were altered forever.

Russia then tried to force America "to surrender" to SALT II disarmament, but your Unseen Rulers instead stepped up preparations for a suicidal nuclear war to be launched by the U.S.

The Guyana happenings gave you a preview for the entire war. By the standards of those who planned it, the Battle of Guyana

was a brilliant success—and yet, at what cost! Many times more American lives were deliberately sacrificed than were lost by the enemy in the battle itself. In the same way, the plans still in operation will dwarf the numbers killed by the millions.

The Battle of Guyana was an exercise in futility, a mere scratch on the arm for Russia. It was planned before the Battle of the Harvest Moon, which rendered the Guyana battle obsolete before it happened.

Well, Jim Jones had a motto hanging over his throne in

Jonestown: "THOSE WHO DO NOT REMEMBER THE PAST ARE CONDEMNED TO REPEAT IT."

Now, would any of you care to do a dissertation on what the Guyana tragedy actually had to do with religion in any manner what-so-ever. 'Tis sad indeed! And yet, you gullibly feast on the lies. So be it.

Dharma, enough for this day. Let us close this portion. Thank you for your service.

Hatonn to stand-by. Please think upon these things most diligently for we have a long, long way to go. Salu.

Today's Watch

7/12/92 #1 HATONN

BUSH TRAVELS

Watch for the "hay to be made" during this Democratic Convention—by the Republicans. Bush will be in California and some very good things can come from those travels—which will actually help our own programs. BUT, watch out—some of the things he will be doing will be as "King" through Executive Order. Interestingly enough, Mr. Kemp will be traveling along, also.

We are asked if we "would meet" (my people) with these "leaders"? Why not? We simply bring truth, we have no bones to pick with "personalities" and much good could come though "understanding" of stance. A Godly person has nothing to fear from one with predominantly evil intent for if it be ONLY evil vs. Godly—guess who prevails!

PEROT

For you who continue to ask me about Perot—why? Can you not see what has happened? He just badly shot himself in the foot yesterday for who among the "minority" groups of, say, Hispanics and Blacks would feel "equal" after his speech within the meeting hall of the NAACP? Did Perot realize what he was

saying—NO and perhaps that is even worse for the "condescension" was totally "natural". The poor man was simply talking to his audience but enemies are afoot everywhere to never allow a slip of the lip to pass without making a chasm of it. Facts are, the fact that Perot is a billionaire speaks more loudly than any words can express. He made those billions by doing business and utilizing the system of government. "It is harder for a rich man to enter into through the gates of heaven than for a camel to pass through the needle's eye!" It does not HAVE to be thus—but it most often IS.

Moreover Mr. Perot has been spouting off about the "Hitlerian" tactics of Bush-Quayle for employing "dirty tricks" and "Hitlerian propaganda". Dan Quayle made a statement that Perot would abuse the CIA, FBI and IRS if he were to become President. Mr. Perot says: "The Republicans have had a non-stop saturation bombing to recast my personality." "It is a carefully orchestrated plan to try to damage me at a time when people thought I would announce." So, the White House spokesman comes back with "Mr. Perot's paranoia knows no bounds". Who can WIN in such games and counter moves? Most certainly NOT YOU-THE-PEOPLE. It would appear the most propitious thing

any one could do in behalf of freedom would be to "abuse" unto "dissolution" all three entities named above and include the PAC organizations—starting with total shut-down of the British Intelligence creations such as the Anti-Defamation League (erroneously thought to be Jewish).

ADL COMMENTS BY JEFFREY STEINBERG

This may hold more believability if you take note that "Steinberg" is NOT a South African, Asian or Irish sir-name of typical nature. It certainly points out to me that Khazarians who have stolen the "Jewish" heritage are REAL and not appreciated by those they impoverished in such manner. But this is not the focus—this focus must be on the ADL (Anti-Defamation League) and other such organizations.

QUOTE: article by Jeffrey Steinberg, July 6, 1992.

Time to Shut Down the Anti-Defamation League:

The longstanding illicit relationship between the gangsters of the Anti-Defamation League (ADL) of B'nai B'rith and the U.S. Department of Justice and Federal Bureau of Investigation has gone on long enough.

For years now, using the guise of "hunting Nazi war criminals" and fighting "hate crimes", the ADL—also known as the "American Dope Lobby", for its role as a front for the international narcotics cartel—has been running federal law enforcement and prosecutorial agencies as its private political police, framing up and in some cases executing "enemies" of the Zionists. The fact that the gangsters of the ADL should claim to be the leading representatives of the decent people—Jews and others—who suffered and died in the Nazi Holocaust—is itself one of the worst instances of anti-Semitism imaginable.

Now, however, as the result of two dramatic recent developments, the ADL's days of riding roughshod over the nation's police and prosecutors may fast be

coming to an end. Unfortunately, because of the ADL's decades-long manipulation of the judicial system, a number of innocent people have already been sent to their deaths.

On June 5, the U.S. Sixth Circuit Court of Appeals in Cincinnati, Ohio gave the Justice Department a deadline of July 15 to turn over all the evidence in its possession demonstrating that an innocent American citizen had been sent to Death Row in Israel by Justice Department officials who withheld hard evidence proving he was innocent.

The court ordered the Office of Special Investigations (OSI), the DOJ's purported "Nazi-hunting" unit and a hotbed of ADL subversion, to turn over the documents in the case of John Demjanjuk, the retired Cleveland auto worker who was extradited to Israel in 1986 on charges he was "Ivan the Terrible", a Nazi mass murderer at the Treblinka concentration camp in Poland.

Demjanjuk was convicted in a show trial in Israel in 1988 and sentenced to death. He has been sitting on Death Row in an Israeli prison for four years, fighting to obtain the documents that would prove his innocence—and had been hidden by the ADL and the OSI. Hundreds of pages of eyewitness statements proving that another man (who was killed in 1943) was "Ivan" had been hidden in OSI files since the 1970's. **[H: Indeed, this is the case we speak of in relationship to the Constitutional Law Center. I believe you will note that things are a bit different in that case now as "they" effort to find a way to release this innocent man and save face. Basically they have changed "rulers" in order to cover tactics in Israel. If you cannot see your support in action—try this very case within your heart and place yourself in Demjanjuk's shoes. Congressman Traficant exhausted his ability to be heard as the Israelis would not even accept his calls. This was all orchestrated by the British Intelligence through the ADL.**

When ones like Marchetti and the Law Center started stirring around in the soup pot—things began to change right fast. **THIS is the way you shall have to "change the world"—for you cannot win by a battle of weapons (guns). THE PEN WILL TRULY BECOME AGAIN NOTED AS THE GREATEST OF ALL WEAPONS. THIS IS WHY THE PENS OF PATRIOTS AND GOD ARE EFFORTED TO BE SILENCED.]**

Demjanjuk may survive an ADL-orchestrated ordeal which others did not. Karl Linas stripped of his American citizenship in 1987 and deported to the Soviet Union to stand trial as a war criminal, died in a Soviet prison. Similarly, Ante Artukovich, also charged with war crimes, died in a Yugoslav prison. Artukovich's family has now produced documents showing that he, too, was sent to his death by a Justice Department (USA) and ADL apparatus that had in its possession archival documents proving his innocence of the crimes charged.

Tzerchim Soobzokov, a Circassian-American, was actually able to prove that the ADL and OSI "war crime" charges against him were false. As the result, he won a multimillion-dollar libel suit against the *New York Times* for pushing the ADL- and KGB-manufactured slanders against him—only to be murdered in a bomb attack in 1985 in which ADL agent provocateur Mordechai Levy was implicated.

Had the U.S. government listened to Lyndon LaRouche's repeated warnings that the OSI and ADL were acting as fronts for the Soviet KGB and Israeli Mossad, pouring counterfeit evidence into the U.S. courts to murder innocent American citizens, all this could have been prevented. [H: Yes, it DID SAY LYNDON LA ROUCHE. Why do you think the Justice Department has Lyndon LaRouche in prison—probably for the rest of his life if you do nothing to set it RIGHT? LaRouche crossed these criminal organizations

and they "got him". You must understand it is a very dangerous thing to cross these evil elements of terror. **YOU ALL SHOULD HAVE LISTENED AND HARKENED TO WHAT THIS MAN TOLD YOU!]**

'HATE CRIME' LAW STRUCK DOWN

In addition to the recent Demjanjuk ruling, on June 22, the ADL suffered a second major setback when the U.S. Supreme Court unanimously struck down an ADL-written St. Paul, Minn. ordinance banning certain free speech acts as "hate crimes". Even this Supreme Court, which has the worst record of any high court in decades for trampling on individual constitutional rights, had to draw the line at the kinds of schemes the ADL was peddling to outlaw "thought crimes". [H: **Our people are continuing targets of this group and speakers regarding JOURNALS which have nothing to do with Khazarians, Jews or Government are "BANNED" from making "speeches" or "presentations" throughout Canada. Moreover, the one, SATAN'S DRUMMERS, is confiscated at the border along with most all other JOURNALS IN OPENSHIPMENTS—BECAUSE IT IS CLAIMED TO BE "CHILD PORNOGRAPHY". This one JOURNAL is about the most anti-child abuse document ever written, so do you see how evil works by claiming the opposite of Truth in EVERY INSTANCE AND THEN, WHAT THE PUBLIC IS TOLD IS WHAT THE PUBLIC BELIEVES? My people receive regular death threats, attempt at same, lawsuits and formal Satanic cult curses. But then, chelas, Satan claims the label of "Morning Star" and "Prince of Light"—can you not see HOW IT WORKS? You must always discern by the "energy flow" and insight measured against the laws of God and Creation if you will be knowing enough to "know thine enemy"!]**

According to its own litera-

ture, the ADL has rammed "hate crime" bills through the legislatures in all but four states in the U.S., and has been paid undisclosed amounts of money by the FBI and hundreds of state and local police agencies to "teach" them how to detect hate crimes. Through this latter process the American Dope Lobby has subverted American law enforcement to the core.

The ADL has flaunted its use of gangster money to run its penetration and subversion of the American judicial system. Jailed insider traders Michael Milken and Ivan Boesky were big-time backers of the ADL "hate crime" hoax, as was accused narco-dollar launderer Edmond Safra of the Republic National Bank of New York. [H: Also, for what it may be worth—Ross Perot was a large contributor.] Bootlegger's son Edgar Bronfman, a pivotal figure worldwide in the "Nazi-hunting" drive, for years ran the ADL's fundraising effort in New York. In the mid-1980's, Murder, Inc. mobster Morris Dalitz was honored by the ADL's Torch of Liberty awarded for his generous funding of the League through his racketeering empire.

NARCO-DOLLAR POWER BASE

In fact, the key to ADL power inside and outside the government is the clout of narco-dollars in the American banking system and economy. Former ADL national chairman Kenneth Bialkin, a bigshot Wall Street lawyer, was the architect of Robert Vesco's Caribbean drug-smuggling and money-laundering empire. [H: Which, of course, with the information outlaid for you, you can trace right to the inside of the White House. No, I am not going to repeat it all herein—get the TANGLED WEB series and the original JOURNALS and you will have it ALL via authentic and confirmed sources. We cannot longer do regular "catch-ups" for we are so very short of time and space in which to accomplish the

amount of work yet waiting. I am PLEASED INDEED that some of the past urgent and important "early" writings of the EXPRESS and LIBERATOR will be republished for, if you are a recent reader, YOU ARE FAR, FAR BEHIND!]

The ADL's links to federal, state, and local police and prosecutors must be severed. Given the League's close ties to international drug traffickers, this is an urgent matter of national security. The scandals of the Demjanjuk case and the "hate crime" bill offer the best opportunity to sever those ties and put the gangsters of the ADL behind bars, where they belong.

END OF QUOTING

POPE IN HOSPITAL FOR "REPAIRS"

Is it not interesting that RIGHT NOW the Pope set up by the adversary for the current position is now going to be hospitalized for "repairs" of some sort of "thing" relative to his "assassination attempt" many years past???? Chelas, if you miss "this one" you are blind as salamanders!

EARTHQUAKES

Indeed this yesterday earthquake in Mojave, California was IMPORTANT. Recall I warned you about any quakes on or near that Garlock Fault must be watched most carefully! Note further that it was, as were the prior two major quakes, over strategic areas of underground facilities and the side quakes were NOT DISTRACTORS but very, very "on target" such as the massive underground facility at 29 Palms (Marine base), Ridgecrest (China Lake Naval Weapons Center and largest of all the California underground secret facilities) and now, California City (right at Edwards dooryard!). This indicates many things but not the least of which is "terminal" backfeed amplifier contact—well planned and well tested—NOW.

Note other "news" bears a big show and tell of Photon energy

and even demonstrates the need for special extra-darkened goggles and intense enhancement of recent photon laser beams—"which are intended for use as aircraft thrust systems." Pay attention and between the lines you will find all the confirmation of truth which you will need. Watch various players and you will even find the culprits by what they are doing and WHERE.

Missing Sumarian And Hebrew History Found

7/12/92 #1 HATONN

There is one assault against my scribe which I intend to put to rest right now. We are again bombarded by ones "accusing" us of "stealing" Zecharia Sitchin material. What mean ye, readers and discounters? I have not even gotten into the erroneous conclusions of this author and, typical of the adversary, already the arrows fly? You are showing your own ignorance and readers will not long be intimidated nor impressed by your rantings and ravings.

Thank you M.M.O.L for the following which I shall simply copy for this person went and did some "homework" for YOU:

THE SUMARIANS—A LOST CIVILIZATION FOUND

About thirty years ago archaeologists unearthed the civilization of the Sumarians. Sumaria was located just north of what "was" part of the Palestine bordering countryside. This region then became known as Mesopotamia. Much data more

than 6000 years old has been recovered and interpreted as the result of brilliant work by the authors of several books on Sumarians. They were able to decipher and spell out their language. The location of this "find" was at the place of "Sumar" in modern Iraq.

Among the many branches of knowledge that have been enriched by the Sumarian texts was that of astronomy. Answers to questions that astronomers and scientists have been unable to fathom in the course of our civilization were brought to light.

From the Sumarian texts the history, customs, culture and religion have become known. It has been learned that Sumaria was overcome in battle by the Hebrew tribe from south of their border, they being completely decimated and overrun by the Hebrews. A study of the Hebrew culture and religion and a comparison with that of the Sumarians as revealed in their texts dating back thousands of years before any known history of the Hebrew tribe discloses the unmistakable truth that the Hebrew culture and religion had been taken over from the Sumarians and made the Hebrew culture and religion.

In other words, the Hebrews had appropriated the culture and religion of the Sumarians and proclaimed these newly-found Sumarian accomplishments as their own, especially the religion from that time forward. In his book, ***CHRIST WAS NOT A JEW***, the author states that the Galileans were descended from the Sumarians and were different from the Judeans to the south. The people of Galilee were not Hebrew but in the course of time had adapted the Hebrew religion. We might even speculate that they had retained some remnants of the long-forgotten religion of Sumaria, the real origin of the Hebrew religion. The Hebrew religion became known as Judaism, and later, actually ***only in the early 18th century were the Judeans called "Jews"***. However, since that time ***translators***

of the Bible have used the word "Jew" back to the beginning of the Bible using it in place of Judean.

The early leaders of the Hebrew tribe close to the time of their embracing the Sumarian religion knew what they were about. They wrote their history and Biblical stories to conform to their new-found religion, effectively blotting out the history of Sumaria to whom had been given the knowledge of the true God thousands of years before. That Sumaria had ever existed was wholly forgotten.

It can be concluded that the "Jews" knew in Christ's own time that he was not a "Jew" and have known since then, but it has been a great advantage to the Jewish cause for them to further this belief since it implies a prominent superiority of the Jew over the Christian subconsciously in the minds of Christians, while the Jew himself has continued as a group to despise Christianity.

The Hebrew people were a tribe whose history is known only back a few centuries BC. They were not capable of the high civilization attained by the Sumarians. The religion of Sumaria was akin to Christianity in many aspects.

END QUOTE

This above writing was written and sent to me on June 24, 1992, and I thank you greatly for Dharma is totally baffled by the information I give her and after a few arrow piercings she can get pretty upset with the world as it is AND HATONN.

The next is equally informative and eye-opening and you don't have to believe a bodiless voice or writing fingers. However, not to be lessened is the "...moving finger writes and having writ moves on..." and the "...handwriting on the wall by a bodiless, armless hand!" Christ Was Not A Jew-

Excerpts From Pontius Pilote's Report

7/12/92 #1 HATONN

From official documents of Historical Records made in the Days of Jesus Christ (the Arckko Volume in the Congressional Library in Washington, D.C.) This eye witness, Pontius Pilote, testified "Jesus" did not LOOK, THINK OR ACT like a Jew. You also have to know if you go and get hands on this document that you will find the label "Jesus" to be "explained" as translated "later". Also were errors made in reference to the "Jews" as translated from "Judeans". I simply want you to note this material IS IN THE CONGRESSIONAL LIBRARY IN WASHINGTON, D.C. WHAT ELSE HAS BEEN KEPT FROM YOUR EYES AND EARS???

To Tiberius Caesar, Emperor of Rome

Noble Sovereign, Greeting:

"..... Among the various rumors that came to my ears there was one in particular that attracted my attention. A young man it was said had appeared in Galilee preaching with a noble unction a new law in the name of the God that had sent him. At first I was apprehensive that his design was to stir up the people against the Romans, but my fears were soon dispelled. Esu (translated 'Jesus') of Nazareth, spoke rather as friend of the Romans than of the Judeans (erroneously translated 'Jews'). One day in passing by the place I observed in the midst of the group a young man who was leaning against a tree calmly addressing the multitude. I was told it was "Esu Immanuel". This I could easily have suspected **so great was the difference between him and those listening to him. His golden-colored hair and beard gave to his appearance a celestial aspect. He appeared to be about thirty years of age. Never have I seen a sweeter or more**

serene countenance. What a contrast between him and his hearers with their black beards and tawny complexions.

"..... Never have I read in the works of the philosophers anything that can compare to the maxims of Esu. One of the rebellious Judeans so numerous in Jerusalem, having asked Esu if it was lawful to give tribute to Caesar, he replied, 'Render unto Caesar the things that belong to Caesar and unto God the things that are God's.'

"I wrote to Esu requesting an interview with him at the Praetorium. He came. You know that in my veins flows the Spanish mixed with Roman blood, as incapable of fear as it is of weak emotion. When the Nazarene made his appearance I was walking in my basilica and my feet seemed fastened with an iron hand to the marble pavement and I trembled in every limb as does a guilty culprit, though the Nazarene was as calm as innocence itself. When he came up to me he stopped and by a signal sign he seemed to say to me, 'I am here,' though he spoke NOT a word. For some time I contemplated with admiration and awe this extraordinary type of man—a type of man unknown to our numerous painters who have given form and figure to all the Gods and heroes. There was nothing about him that was repelling in its character yet I felt too awed and tremulous to approach him.

"Esu," said I unto him at last and my tongue faltered, 'Esu of Nazareth, for the last three years I have granted you ample freedom of speech nor do I regret it. Your words are those of a sage. I know not whether you have read Socrates or Plato, but this I know, there is in your discourses a majestic simplicity that elevates you far above these philosophers.

"..... 'Your blood shall not be spilt,' said I with deep emotion. 'You are now more precious in my estimation on account of your wisdom, than all the turbulent and proud

Pharisees who abuse the freedom granted them by the Romans. They conspire against Caesar and convert his bounty into fear, impressing the unlearned that Caesar is a tyrant and seeks their ruin. Insolent wretches. They are not aware that the wolf of the Tiber sometimes clothes himself with the skin of the sheep to accomplish his wicked designs. I will protect you against them. My praetorium shall be an asylum sacred both day and night! Esu carelessly shook his head....."

"I am your most obedient servant,

"Pontius Pilote"

Thank you M., for perhaps others will now go seek further information and confirmation that we are not here to feed you more lies upon those already bringing you to the point of destruction.

You will note that as the history of "this" time in passage is written, our work will be despoiled and mistranslated—but remaining will be the TRUTH as set to print for later finding. We, too, will cease to bear the mark of "Caesar's enemy" for we are not about "Caesar" and "enemies"—we are "about our Father's work".

I think it appropriate to interrupt the writing at this point to allow you to ponder on the points. We have a meeting this afternoon and I must release Dharma to her tasks.

As we sit to write again, we will probably move back to the clandestine for I have now gained personal permission to publish other material of urgent importance. Then as we continue we need to cover more on this "Divine Plan" and evolution of Man as you know him and God as you Don't know Him.

Blessings rest upon ye ones of Truth.

Salu, Hatonn to clear.

Adversarial Attack On Ray Renick

7/13/92 #2 HATONN

I have been utilizing material sent by Raymond E. Renick in several back writings. [Editor's note: This refers to the San Luis Obispo, CA connection to the New World Order conspiracy as outlayed by "R.R." in segments in the previous three LIBERATOR issues. That outlay draws upon R.R.'s lengthier dissertations on the various subjects that are noted below.] I come now to having to give names and details. I have permission and still I dislike the job because I know what added burden will be forthcoming to have this information come from my "pen". You ones will come, one day, to realize the truth of my being but it is hard when the lies have been so deep and thick that belief in ANYTHING becomes all but impossible.

Ray, I simply ask that you stay within touch and within my shielding and you will be fine, son. I come in the service only unto GOD OF LIGHT IN DIVINE SOURCE; we have a mission and we shall serve to the best of our abilities—which by the way, are quite wondrous indeed. Confirmation will be coming—just for now, please accept possibilities so that permission is granted to us for "cover".

STATEMENT OF RAYMOND E. RENICK
PREPARATION FOR FUTURE LITIGATION

QUOTING:

About 17 years ago, my brother John Renick was **murdered** in Phoenix, AZ. The Phoenix police covered it up and "lost" all the records and called it a "suicide". John was working for

a company owned by a conglomerate controlled by Senator Barry Goldwater. John was passing information about the Senator's complicity in drug trafficking, land fraud and murder to a reporter named Don Bols. Don Bols was **murdered in 1975** by a bomb placed in his car. This information can be found in a book called THE ARIZONA PROJECT by Michael Wendland.

Don Bols worked for the newspaper *The Arizona Republic* which is owned by the Pulliam family. The Pulliam family also owns an Indiana newspaper called *The Indianapolis Star*. The Pulliam family is the maternal side of **Vice-President Dan Quayle**. Quayle is also implicated in many of the illegal activities presented in the Christic Institute lawsuit under the RICO statutes. I personally exchange information with Mr. Daniel Sheehan, the chief counsel of the Christic Institute.

About six years ago a friend of mine, Scott Alexander was **murdered** in Morro Bay. Scott was working with a DEA agent named Michael Francis Aivaz. The San Luis Obispo Sheriff's Department listed his death as a "suicide" also. Scott was in possession of much information about local drug trafficking and murders. He probably knew of the deaths of Niel McCrea and Steven Carr. (See "*The SLO Connection*" and other papers.)

The information that Scott and John possessed was infinitesimal compared to information I have gathered over 40 years. My life has been threatened more than once. Frankly, I am amazed that I am still alive. **(Over 200 persons were murdered who saw William Greer shoot John Kennedy 28 years ago. Many of the murders you read about in**

the papers are contracted by the government.)

The purpose of the preceding paragraphs are to impress upon Katherine Abbey, Lloyd Somogy, and Phillip Simon the fact that I have NO intention of playing a Mickey Mouse legal game in a court controlled by friends of Judge William P. Clark. Clark, as National Security Advisor to President Ronald Reagan, helped plan the murder of the 269 people aboard the Korean Airlines Flight #007.

Rest assured that there are **MANY** copies of this paper ready to be mailed at a moment's notice. They will be sent to the courts, the newspapers, the Government, the families involved and everyone mentioned on these pages. The Congress is conducting investigations on some of the subjects mentioned here. **[Hatonn: Add to this listing the Constitutional Law Center and see to it that ALL INFORMATION in full, be into their hands and dispersed in at least three separate security placements instantly!! IF THE ADVERSARY WANTS TO GET "DOWN AND DIRTY" I BELIEVE HE HAS MET HIS MATCH!]**

Upon enlisting in the Marines almost 40 years ago, I swore an oath to "Defend and Protect the Constitution of the United States of America Against All Enemies, Foreign and Domestic". Looks like **someone** is calling in my note. For several years I have been engaged in a campaign to expose the crimes of scum-bag government officials (including several sleaze-ball Marines). This effort has affected my private life and I am faced with some slimy litigation. This paper is a strange combination of public and personal issues, but it shows what

can happen when you defend your "certain unalienable rights which are endowed by the Creator".

Strangely, Katherine Abbey has rejected any "out of court" conferences. I'm sure the court will not look too kindly upon that decision. **[H: Unless, of course, the court is the typical "fixed" circus now being presented in every "citizen" case.]**

1. The court will NOT be thrilled to receive a public petition for a dismissal and private settlement. The San Luis Obispo courts are biased and prejudiced, especially concerning their own Judge William P. Clark of Sinsheimer, Schiebelhut and Baggett, who, along with ex-president Ronald Reagan and other county officials are involved with persons in drug trafficking, murder, money laundering. (See paper, THE SLO CONNECTION.) **[H: Previously printed in LIBERATOR.]**

President George Bush will not be too happy to be sucked into a penny-ante case which could reveal that he and his son Jeb were involved with a certain Panamanian dictator in drug trafficking and had to have a witness named Steven Carr murdered by local drug traffickers. The "hit" was performed by a man from the Cicilia-Falcone drug cartel of Tijuana (and Los Osos) and was covered up by San Luis officials. (See THE UNDERGROUND EMPIRE and THE CUTOLO AFFIDAVIT.) **[H: Reprinted in recent LIBERATOR.]**

2. Judge William P. Clark will not be too thrilled to see his name in a public court transcript concerning his facing charges on bombing the KAL 007 airliner. Neither will the sitting judges who are friends of Clark be very thrilled.

3. Carol Hallett will not be happy to get sucked into this proceeding. She is already mentioned in the Kerry Committee U.S. Senate Report on

Terrorism and Narcotics.

4. William Johnston of Los Osos, realtor, will not be happy to be dragged into court since he has had shady real estate dealings in the past. He will be hard put to explain how he can notarize legal documents with a notary seal that has been expired for three years! This fact alone should neutralize this whole proceeding.

5. Sheriff Ed Williams will not be thrilled to find out some of his finest deputies are mentioned in papers connected to this proceeding. Is it possible that the Sheriff himself is involved in this? Has not the Sheriff been involved in shady real estate dealings? Isn't real estate a classic way of laundering drug money? **[Hatonn: While you ones are "at it", please continue the investigation to include Santa Barbara Savings and Loan, Shea and Gould, Home Fed. Savings, Solomon Brothers and Resolution Trust Corporation coalition, also the Deukmajian connection, the municipal courts of Kern County (along with other counties adjacent), local involvement with Judges and legal firms in all county courts and how many more billions just the folding of Home Fed will cost YOU-THE-PEOPLE. In the process, Law Center, note the PUSH to bring into LAW the "Doench Dume" "doctrine" so that there will be legal precedence for taking ALL property from you-the-people on any drummed-up basis AT ALL! THE ONLY WAY TO WIN THESE ROUNDS IS TO GATHER TOGETHER AND MOVE!!]**

6. The Board of Supervisors will also not be happy to be dragged into this. Several board members have received large political contributions from cattle and real estate Political Action Committees (PACs). Real estate is a classic way of laundering drug money!

The local cattle busi-

nesses have long been involved in importing cattle from Mexico. Not only do the trucks have secret compartments for drugs, but the cattle themselves carry drugs in their bodies. Some supervisors have gotten rich off the destruction of our children. (Read the book THE UNDERGROUND EMPIRE and THE SLO CONNECTION.)

7. Lt. Colonel Richard Peasley is NOT going to be happy about this! Along with Lt. Col. Robert McFarland (USMC) and Marine Lt. Col. **Oliver North**, the three of them, working with the National Security Agency brought us such "neat ideas" as the internal sabotage of the Delta Force hostage rescue attempt (at "Desert One") and the 1983 bombing of the Korean air liner KAL 007. Judge William P. Clark was head of the NSA at the time of the KAL 007 bombing. Clark is a resident of San Luis Obispo County and Peasley was a resident of San Luis Obispo County (Paso Robles).

Clark's protege, Col. Richard Peasley was Commander-in-Chief of the White House helicopter squadron "Marine One" as well as chief of White House security. As "Top Gun" of Marine aviation he would be the White House expert on how to blow airplanes out of the sky.

Shortly after the 007 bombing, Clark hurriedly left the NSA and McFarland took his place.

In June of 1986, there was another plot to assassinate President Ronald Reagan by blowing his helicopter out of the sky on his trip to Venice, Italy. The plot was to be carried out by Col. Oliver North's partners in Iran-Contra, Syrian terrorists Abu Nidal and Monsur Al-Kassar. **The purpose of this was to put George Bush in**

charge and initiate martial law. Another San Luis resident, Gen. Louis O. Giuffrida, was head of the Federal Emergency Management Agency and in charge of planning and executing martial law. (See "The King Alfred Plan-Rex 84")

The commander of the helicopter squadron, "Marine One", Col. Richard Peasley, quietly replaced himself as command pilot on this mission with a subordinate! Peasley did not go with President Reagan to Italy! The assassination plot was cancelled because in May 1986 the Christic Institute brought a lawsuit against the U.S. Government for previous assassinations by these same people! (See "Avrigan vs. the United States", "Cocaine Politics: Drugs, Armies, and the CIA in Central America" Capt. 10, page 163 and Radio Free America #32.)

On September 4, 1986, after the funeral of Peasley's mother, and after a few beers, Col. Peasley incurred a slight case of "Diarrhea of the Mouth". In January 1987, Col. Peasley resigned from the Marine Corps and went to Bell Helicopter. (See "The Torbitt Document" about Bell's role in the assassination of President John F. Kennedy.)

8. Lloyd Somogy is not going to be happy when he learns that there are a thousand copies of this paper awaiting his decision on how far to push this matter. Public officials are not going to be happy to learn that Somogy insisted on making a "federal case out of it". The president is not going to be happy to hear a "hick" town lawyer is dragging his crimes into the public eye. **[Hatonn: Perhaps we could even make sure Mr. Bush gets a few dozen copies during his travels to southern**

California this week? How about some 10,000 scattered to the four corners of the globe? Is it about time, chelas, to take a stand for TRUTH instead of simply "mouth" it? This is far more devastating to a civilization and nation than a little earthquake or rain-storm! All we can do is suggest and then take action in this manner for I shall not stand silent while ANOTHER IS MURDERED for trying to bring you-the-people TRUTH. THIS KIND OF BLOOD IS FAR MORE DAMAGING THAN ANY CRUCIFIED MAN IN SOME ANCIENT TIME. Are YOU among the traitors to God and don't even know it? I think you had best begin to reconsider the stories handed down to you because the stuff is about to hit all the fans and ALL will be caught in the spatters. What are YOU willing to do to change your nation and your world?? I wonder!]

9. Phillip Simon and the courts and the Bar association are not happy about how he can represent three persons on opposing sides in the same matter. Simon was told "up front" that this prospective client's problem involved the murder of Scott Alexander and the cover-up and complicity of Mike Aivaz. Simon said "I don't want to hear about it" and extended his hand for the retainer fee. Nevertheless he has information on it in his files. Perhaps someday Simon and Somogy can share an office in Bulgaria or Mozambique.

10. And of course, Katherine Abbey.

A. She will not be happy to explain to the court why she perjured her official court documents. Cancelled checks exist which show she spent many months engineering a "set-up".

B. She will not be happy to again perjure herself about existing property agreements. She will be asked to produce the papers she took from the file cabinet including the one with the illegal notary.

C. She will not be happy to explain to the DEA about the morphine syringes buried in the back yard which she "liberated" upon the deaths of Mary Perry and Helen Peasley. The RN licensing board and the administrator of Atascadero State Hospital are also not going to be very happy either. Under the "zero tolerance" laws this could result in complete confiscation of property.

D. She will not be happy when asked to identify a certain M-2 (select fire) carbine which she used in a shooting Qualification match for the Department of Civilian Marksmanship Program. The U.S. Army will have computer records of that qualification. The carbine was purchased with profits from a real estate transaction. The IRS does NOT have records of THAT transaction. The IRS will not be happy.

E. She especially will not be happy if any incarceration results.

11. And finally, the CIPA—The Classified Information Protection Act. The CIPA is a shady law used by the courts to prevent government criminals from testifying in court about their illegal activities. It was used during the Iran-Contra hearings to exonerate government scum-bags and sleaze-balls and keep their misdeeds out of the court records. Conversely it is used to prevent honest citizens from

bringing criminal charges against the government. It was used against Col. James "Bo" Gritz and the Christic Institute to prevent their bringing charges of crimes by government officials. There are also laws which provide for confiscation of assets of persons who write uncomplimentary things about the government. Some of the old rulings are CIA vs. Marchetti, Troon-Humphrey, and the Marshall rulings. There are new, even stricter laws about this which are so secret it is difficult to obtain any information about them.

So—All the skeletons are out of the closet and all the bridges are burned. The first three copies of this statement will be delivered to Simon, Somogy, and Abbey. I will expect a reply on intentions of proceedings within three days. After that an unlimited number of copies will be sent starting with George Bush. The local political activists and the Xerox machines will have a field day.

END OF QUOTING

I suggest to readers that it may well be less expensive to simply get extra copies of this paper. Your friends want confirmation of our validity and truth—here it is—ongoing as "James Bondish" as you can get and still be breathing. I suggest that you of the crew be prepared for extra printing and, of course, ones will probably wish back issues. I will, however, make every effort to get the JOURNAL bearing this whole information series immediately to press. Thank you. I depend on you readers, just as do other involved persons in our outlays, to scatter the information far and wide for it is the only security these daring speakers have—public KNOWING. MURDER in public in front of everyone is difficult—but John Kennedy is valid proof that it CAN BE DONE! But, NOT IF YOU ARE REALLY LOOKING!

Dharma Set-up Yesterday

7/13/92 #1 HATONN

I must ask you local ones to be alert; cautious and act with the seriousness this must have. A "hit" was set-up for Dharma yesterday and that is why I had to remove her physically. We have no pick with anyone but damage to my crew is unacceptable and I shall take any action required if actual attempts are carried through. This is direct warning information to the receivers of this electronic monitoring. I shall be patient with antics such as yesterday but I will tolerate no follow-through. My crew is off-limits and I suggest that all you Elite puppets respect agreements for you shall NOT LIKE MY DEFENSE SYSTEMS IF I AM FORCED TO USE THEM!

"And just who do you think you are?" you ask? I KNOW THAT I AM PLENTY BIG ENOUGH TO VAPORIZE ANY OF YOU—WE CAN CALL IT "UNCREATE" IF YOU PREFER. THERE ARE RULES TO THIS ADVERSARIAL GAME AND YOU CAN JUST GO AHEAD AND "MAKE MY DAY". I most surely suggest you back off from my people—this is not idle threat or simple warning—this is FACT.

I care not one iota whether or not you believe in UFOs and Space-men aliens. We are here and your Elite Puppet-masters KNOW US WELL and we will keep out of things just as long as the treaties and agreements, **made by your so-called leaders**, are honored—break them and the piper WILL be paid.

We would never have even gotten into your affairs to the extent we have if you had not broken every moral lawful code regarding my people's property and lives—BY THIS VERY BUNCH OF CRIMINALS AND BLOOD-SUCKERS. Our mission to your planet is not to war, not to panic nor terrorize but simply to gather

our people and secure them. The command in point is to tell you the truth of Your Divine creation and journey and the more rapidly we are left alone to get it done—the sooner we shall be out of your hair and leave you to your own chosen destruction or change—whichever you CHOOSE.

You will not, either, be allowed to greatly damage the crystal communications central system—it is now my suggestion that you stop your silly adventures at same. I believe it is time to "get Serious" because we of my Command are VERY SERIOUS! I salute my "enemies" because I am thus kept fully alert and on-my-toes, so to speak. I trust we can come into understanding without more painful encounters. MY MISSION IS OFF-LIMITS TO YOUR SILLY GAMES AND I PROFFER A GENTLE REMINDER OF SAME. SALU

Important Notice To Readers

7/15/92 #1 HATONN

It has just been brought to my attention that there is an offer of "exchanging" our "mailing list" with, at this moment of writing, unknown others. NO, NO AND NO, NO!! If this happens I shall make immediate changes in all connected publication/distribution areas. **OUR PROMISE TO OUR SUBSCRIBERS, READERS AND WORKERS—IS FOR TOTAL PRIVACY OF LISTINGS! IF WE NEED LARGER LISTINGS—THEY CAN BE PURCHASED OR WHATEVER—OURS WILL NOT BE GIVEN, SOLD OR EXCHANGED. If our promise is not honored, THEN HOW DO WE EXPECT ANYONE TO HONOR US?** Something is getting very confused and confusing for if I find that that promise has been betrayed intentionally I shall take action.

Further notation to the writers who are finding "errors" in the book, COMMITTEE OF 300,

and somehow blame me for same. This book was suggested by me for information. I did not write it or promise total perfection—this is WHY it is NOT a JOURNAL as such. It is for your confirmation of that which we have given and we honor the author who is human, from the British Intelligence forces, and has efforted to his best ability within his knowledge to bring you information. How OTHER published material is handled is not in my prerogative to attend or even comment upon—but, privacy and security will at all times be honored with the "Phoenix" material and participant references. This is not a negotiable item and there can be NO COMPROMISE. Thank you.

Confirmations Pouring In From All Over

7/15/92 #1 HATONN

**DAD-BLAMED
CONFIRMATIONS:
COULD HATONN BE WHO
HE SAYS HE IS?**

How nice that you don't have to concern yourself about it!?! Truth from ANY SOURCE is Truth and confirmations are flooding in. If you have been listening and acting you are in good shape this day—if not, a lot of ones are going to be sorely hurting. I suggest the first thing you do upon receiving this is to get straight with higher Source.

If you think I jest about planned Earthquakes, etc., I want all of you to know that "precious pretties" and dangerous objects have been removed and packed, on the floor, lamps set on the floor and all cupboards latched shut with elastic cords or bands—IN THIS HOUSEHOLD WHEREIN WE EXPECT NO MORE THAN A 4 POINTER. BUT, WITH A MASSIVE QUAKE ON THE SAN ANDREAS YOU WILL HAVE LARGE IMPACT A THOUSAND MILES AWAY FOR IT IS INTENDED TO STRIKE INLAND AS FAR AS LAS VEGAS AND SALT LAKE FROM THE WEST AND EQUIDISTANT FROM THE EAST COAST. AT THIS POINT (TODAY IS DECISION DAY) IT IS UNDECIDED WHICH TO IMPACT FIRST—EAST OR WEST—BUT THE U.S.A. IS THE TARGET FOR FIRST-BLOOD.

OTHER LOSSES

OK, harken up. You, again, do not have to listen to Hatonn because the media and insiders are now spreading the word: Beam interruptions are planned for the period of time from the 23rd on in sporadic doses—globally. Now,

comes "inside" information reported from off-shore that **"some big and major occurrence is planned for the 28th"**. Are you getting the picture, friends? Here on in there will be one continuous string of events until you will be emotionally exhausted and vulnerable to all, in mass numbers.

Horse's mouth? Is Bush "horse enough"? Is he planner or puppet? Doesn't matter does it? Will accusations get your supplies into order and your precious things into safety instead of crashing off the tables and walls? Do you have what is needed for several days of self-stability and care? There is not one thing of "natural" happening which is not orchestrated and thrust upon you unsuspecting citizens this day—from quakes to floods to tornados.

Can you still function "within the system"? Of course—you **cannot function any other way! Neither can you believe a thing they tell you about anything. I suggest if you are going to "gamble" on who may be correct—you observe the truth "so far" from these political worker-bees.** Then THINK! What do I have to gain from you? We take no funds, we take no property, we take nothing FROM YOU. I believe the politicians cannot offer as much.

**TYPICAL "FAMILY"
RECEPTION**

I am going to reprint a portion of a "family" letter (brother) of one of our most closely-working persons. This one classifies the correspondence as "...hate mail from my brother". Amusing? No, painful and **deadly**. But who shall ultimately pay for the lack of care and respect of one for another? I ask P.C. to consider and

"release it". Let "reason" be your insight and wisdom your guide. I think you will note the "accidental" misrepresentation of my label as (Hardon, i.e., Hardon) and other "cute" observations. This will be typical of that which you get "back" from even loved ones of closest relationship. Why argue? You do naught for them and waste valuable time for self. Just do not allow yourself to fall prey to their indecision and absurd inability to SEE and fail to prepare for self. A lot of people drowned when Noah's boat was launched, I suspect—even if the story be only a fable.

"..... I hope you didn't expect me to stay silent, right? I've been listening to 3 straight weeks of your usual ramblings... Soviet nuclear attack possible on U.S. which was later replaced by some milder form of catastrophe. Well, once again, thanks to the "flood of information by Hardon and the quazillions of people who read the Liberator this week (all 421 of them)" the world was spared, the "Elite" and the "Jews" cancelled the genocide. How much longer are you going to buy this line that is being fed to you?

Have you ever wondered about how the "Elite" plans these disasters and takeovers...do they sit around a conference table and discuss these deals?...and more importantly is Hardon always present!...how else would he be able to get a hold of information like this in such a short period of time?... Maybe he's a part of the "Elite"? And why is he the only "investigator" to ever get a hold of this info? Why is he the only one who knows about the photon belt? Is this individual sinister or what? A decade ago the tensions were high between US/USSR, now that attitudes seemed to have changed, why does this man still want (I

didn't say predict) war? Never does he ever do anything to bridge the gaps that exist in our worldly society but man, when he can lash-out at the Chinese, the Soviets, the Americans, the rich, the Jews, the blacks, the Salvation Army, Santa Clause and Peter the Rabbit, he goes wild! **[H: Herein I cannot help defending myself—I never lashed out at Peter the Rabbit!]** Never, ever, anything positive. Yes I know you see everything in that tabloid as being positive....well, hell, I'd hate to see what you consider as negative.

Anyways, this is probably my last correspondence to you because I don't want to hear any more doom & gloom from the Martian Tabloid...! I won't have anything to write back to you about.

Happy 4th of July!

[By the way, it is also predicted that "to make Hatonn go nuts, take away his 'bold' key!" That would do it!]

So—here we go with YOUR information breaking through and with only "421" readers, surely you don't need to "blame us".

AIDS

Globe & Mail, 8th July, 1992: The AIDS virus was genetically engineered by white scientists to annihilate black people, say black Muslims. Also, a cure is being covered up. The idea of such a conspiracy has found ready acceptance among San Diego's black community, reports the San Diego Union-Tribune; even black health professionals says reporter Cheryl Clar, feel the idea **isn't far-fetched**. Some cite a 1932-72 government experiment in Tuskegee, Ala., in which black males were infected with syphilis **[Please also see the discussion in PHOENIX JOURNAL # 8, AIDS, THE LAST GREAT PLAGUE, pages 3 and 35; and A HIGHER FORM OF KILLING by Harris and Paxman; and BAD BLOOD by Jones, etc.]** to track the progress of the disease while penicillin was not administered. (One in 40 adults in Africa is infected with the HIV virus, and 30

percent of U.S. adults and children diagnosed with AIDS, as of March 30, were black.)

RUSSIA/COMMUNISTS/ANTI-SEMITISM

[REMEMBER, Semites are NOT "JEWS".]

Globe & Mail, (Toronto, Canada) 8th July 1992:

Discontent in Russia has spawned new Communist parties heavy on nationalism and anti-Semitism, according to the Miami Herald and Britain's Spectator magazines. Notable quotes: "It is the Jewish bankers from Wall Street that will end up owning our land" (from the All Union Communist party of Bolsheviks) and "The latest historical evidence proves Hitler and the whole of his Politburo to have been Jewish" (from the newspaper Russian Cause). **[If we only have 421 readers, I also suspect THIS "info" didn't come from Hard-on.]**

LSD EXPERIMENTS

CP: Verne Wilde, administrator of Weyburn Union Hospital in Weyburn, Sask., says the facility was not involved in a program in which more than 500 people were given doses of the psychedelic drug LSD during experiments in the 1950s and '60s. A news report on Monday said psychiatrists at Saskatoon's University Hospital and Weyburn Union gave the drug to people who volunteered for a government-financed research project. Peter Boyle, executive director of the Souris Valley Regional Care Centre in Weyburn, formerly Saskatchewan Hospital, confirmed that the research was conducted there. Former study subjects told CBC Television that they were not warned of possible side effects of the drug.

What about the masked surgeons who did abortions without any anaesthetics in Yukon Territory, as reported on TV recently? Hospital denied any "wrongdoing" of course! Doctors (?) could not be traced!! **[This information from a reader—BUT, how many readers and writers do you think**

are in Saskatoon, Saskatchewan and/or in the Yukon Territory—if we only have 421 readers? I find it interesting to note that "abortion" is not particularly noted—only non-use of anaesthetics.]

SHAMIR LED HIT SQUAD

We may not have more than 421 readers of our information—but, somehow we have managed to get every detail of these information-bits to you long, long ago! So be it! [Please see the discussion of the "Stern Gang" in JOURNAL #21, page 227.]

Quote:

Associated Press. JERUSALEM, Globe & Mail, Toronto, Canada, Sat. July 4, 1992:

Prime Minister Yitzhak Shamir headed a special hit squad during his 10 years in Israel's Mossad secret service, an Israeli newspaper reported yesterday.

Mr. Shamir's spokesman, Ehud Gol, refused to comment on the report in the respected daily Haaretz. "We never relate to anything that has to do with the activities in the secret services of Israel, even when it comes to the Prime Minister," Mr. Gol said.

Isser Harel, who headed the Mossad during the time in question, also declined to comment.

Mr. Shamir, who announced he plans to retire after his Likud Party's defeat in last week's election, has rarely spoken about his career in the Mossad.

He once said of his work: "I changed names, passports and identities. In various places, I would go armed."

The Haaretz report said Mr. Shamir headed the assassination unit from 1955 to 1964. The unit carried out attacks on perceived enemies and suspected Nazi war criminals, Haaretz reporter Yossi Melman wrote, citing unidentified foreign sources.

In February of 1963, Mr. Shamir dispatched a squad on two unsuccessful attempts to assassinate Dr. Hans Kleinwachter,

a German scientist suspected of helping Egypt develop missiles, Mr. Melman wrote. In September of 1962, another German scientist working for the Egyptians, Dr. Heinz Drug, disappeared mysteriously. "It was suspected that Mossad agents killed him." **[H: They DID and "old you-know-who" pulled the trigger with the fatal bullet—point blank—less than 6 inches away!]**

Mr. Melman wrote that Mr. Shamir recruited to the unit former members of the Stern Gang **[Check out Rabin and Sharon.]** the ruthless Jewish underground group he led in the fight against Britain for Israel's independence.

Mr. Shamir and his Stern Gang colleagues were recruited, in part because they had "a lot of experience in murder, assassinations, planting bombs, threats and harassment", Mr. Melman wrote.

The underground group assassinated Lord Moyne, Britain's resident Mideast minister **[among many others of U.N. representation]**, in 1944, and was blamed for the slaying of United Nations mediator Count Folke Bernadotte in 1948, months before Israel won independence.

END OF QUOTING

If you still simply can't believe 421 readers could be "possibly" "somewhat" informed, I suggest you back up all this information from even more resources—try any one of the revealing books on CIA/Mossad connections and especially BY WAY OF DECEPTION by Victor Ostrovsky. Most of these books to which I refer can be gotten, I believe, through America West for I asked them to have reference where you readers can obtain such. Try any and all of Eustace Mullins' writings for diversification of subject material if you need reference. I have no corner on information—YOU have simply missed it all from ALL resources behind the media blackout and the banning of informa-

tion—right down to the truth about your DIVINE SOURCE AND INFINITE REALITY which is in the series NOW BEING BANNED THROUGH YOUR COURTS OF OUR PLEIADES CONNECTION JOURNALS. I suppose there is information elsewhere in this paper to indicate how you might still obtain those. (See page 27.) The government is now starting to find a way to ban and confiscate all of the TANGLED WEBS series of JOURNALS which outlays the whole CIA and Intelligence community involvement right through the Committee of 300 Club of Rome. By the way, what do you REALLY THINK is wrong with the Pope? There are dozens of books to give you confirmation of my writings—why do you denounce me when you are not willing to see Truth?

I also received a "cute" slam—really, it was aimed at a "brother" who had simply efforted to "share" information: *Dear Commander & Mother Hitler:*

After reading such fabulous articles on Rollerblades, Santa Clause and puppets, I want to know what you think of other life-sustaining/threatening products like Corn Flakes, Frisbees, Puppy dogs, skateboards, and Monday Night Football on ABC? [H: Now I ask you readers—who is the cleverest one of all—'mirror, mirror on the wall'? This is all in reference to the "Phoenix Blablator".]

MISCELLANEOUS

San Francisco Chronicle IN JUST ONE DAY—July 9, 1992:

"U.S. Withholds Funds—State Doubles IOU's...The state (Calif) will mail out more than \$300 million in IOU's today to doctors and hospitals that care for the poor because the federal government has refused to pay its share of Medi-Cal costs until a budget is in place.

"The decision to hold back its usual 50 percent share of Medi-Cal payments doubles the amount of registered warrants the state has to issue. **The increase may mean that California banks will**

stop accepting the IOU's before the end of the month, officials warned...."

SURPRISE OFFER BY YELTSIN

Same day, same place: "Surprise Offer by Yeltsin To Trade Assets for Debt. 'Bolt from the blue' at economic summit."

"Munich: In a startling conclusion to the Group of Seven summit, Boris Yeltsin offered yesterday to swap factories, energy resources and other properties for Russian debt. The Russian President said that he was 'satisfied with the results of our conversations' and optimistic that negotiations later this year on debt deferral would be successful."

This is THE most deadly game in town!

SHUTTLE LANDING

"Rain in the California desert forced the Columbia to spend an extra day in space yesterday, stretching NASA's longest shuttle flight to a full two weeks."

Funny thing about that—there was not enough rain at Lancaster, Palmdale, or Edwards to wet a patio! Who is fooling who? Enough activity was established in Los Angeles—by man-made devices—to precipitate ability to not land at Edwards. Edwards is, for all practical purposes, under siege. Laugh today—and check it out tomorrow!! Try again today to respond to yesterday's question: "What is Bush doing in Southern California?" Going to a ballgame? Try again!!

JAPAN

"Perot sides with Japan regarding Soviet held islands....blah, blah, blah." But, note that Boris Yeltsin, in Munich, said he was going for an "official visit to Tokyo in September". Another portion of the article states regarding Perot: "In the interview with the monthly magazine *Bungei Shunju*, Perot also reiterated his position that Japan and Germany should

pay more of the cost of stationing U.S. troops on THEIR soil." How about THEIR TROOPS on YOUR SOIL? They ARE ALREADY IN THE U.S., you must know—don't you?

NORIEGA

"Miami: A key witness against Manuel Noriega has recanted his testimony that he passed drug payoffs to the ousted Panamanian ruler, saying prosecutors pressured him into that answer...." Indeed, this is a "key" witness—none other than del Cid!! This SHOULD blow the entire setup. But it won't—a railroad job is always subject to lengthy time schedule delays.

ASSET SEIZURE—HOW WOULD YOU FEEL?

"Judge Freezes Assets of Sheik Tied to BCCI: A federal judge yesterday froze the U.S. assets of a former Saudi Arabian banker.... Federal Reserve Board disclosed it is also seeking to fine him \$170 million.... He was indicted by a Manhattan grand jury...."

How quaint a set of regulations and kidnap/confiscation laws you have. How fortunate for ones such as Clifford Clark, George Bush and twigs, Saddam, and dozens of other BCCI participants that you can latch onto a scapegoat and break every law of your land to hide the criminals in point. I can only suggest you read the JOURNALS if you want the information—IN FULL. [Please see the BCCI discussion in JOURNAL #36, pages 66-75.]

SATAN ON THE AIR

GOD of Divine Light is barred from the airwaves BUT: *Arizona Daily Star*, (July 8th (about), 1992): "Great Satan, prosecutors strike a deal" "The former host of 'The Great Satan at Large' cable television program pleaded guilty yesterday to contributing to the delinquency of a 17-year-old girl who stripped on the show.

"In exchange for the plea, prosecutors dropped six exploitation

and obscenity felony charges filed last year against Lou Perfidio, who calls himself the 'Great Satan'.... The show, which included nudity, violence, profanity and graphic sex, also featured a 17-year-old girl who undressed behind a sheer screen and performed simulated sex acts with her boyfriend, prosecutors said.

"Perfidio said yesterday he now is on a waiting list to get back on the air. 'I'll do basically the same thing, only better,' he said. 'This time, I think I'll card everyone.'"

Now, how about reading SATAN'S DRUMMERS, a PHOENIX JOURNAL!

FRUSTRATION, PAIN AND AGONY "OH WOE IS WE"

Why am I doing this "advertising"? Because apparently with only 421 readers—someone is missing a lot of pretty good observations and information. My MIS-SION is to bring the WORD unto your people. If you don't know WHAT HAS GONE WRONG, how can you change it? Further, if our books are banned and confiscated, burned and buried—AND YOU DIDN'T EVEN KNOW THAT THERE ARE SUCH JOURNALS—THEN WHAT AM I TO DO? If your own brothers, sisters, siblings and parents will NOT HEAR, how am I to get you information if I DON'T TELL YOU WHAT IS AVAILABLE? **By the way—there aren't enough "emphasis keys such as 'bold'" to serve my purposes to get your attention! I doubt it will "drive me nuts" but I do find the adversary just a tad irritating.**

If my own publisher pushes other books on his listing and forgets to utilize heavy distribution information scattering—how are you going to hear?? Who will tell you what is available? We are not allowed to run ads in almost everything—even *Spotlight* whom

Law Of Scientific Progress:
The advance of science can be measured by the rate at which exceptions to previously held laws accumulate.

I honor constantly. And how about the turn-down of America West as a distributor of **GEORGE BUSH THE UNAUTHORIZED BIOGRAPHY** because America West publishes the Phoenix material. Why? Because we are "anti-Semites" and other things equally as false and ridiculous. I am a Semite—who are you?

PERSONAL IDENTIFICATION

The Orange County Register, (Calif), Sat., March 31, 1990: "Washington—Leading members of Congress said Friday that the nation should adopt a simpler, more secure method of identifying citizens and legal aliens.... This would be in the form of a National Identity Card." By the way, this would only be utilized **until** other means of identification can be introduced—perhaps in the form of invisible "bar codes" or, or, or... [Please see the discussion on bar codes for citizenry ID in JOURNAL #30, page 126.]

MILITARY CONVOYS AND AMMO SHIPPING

NEWS-CAPITAL & DEMOCRAT, McAlester, Texas, June 16 & 17th, 1992: "...a total of over 6,500 TONS of ammunition, most of it for howitzers and machine guns, is being transferred to AAP from the Pueblo Depot, near Pueblo, Colo., as the Department of Defense begins its closing of the Colorado facility." **[H: And if you believe that facility is closing—you are in serious trouble!]**

Now, for just a smattering of excerpts from these articles: "...will employ at least 11 convoys and will incorporate the services of more than 375 soldiers from active duty, Reserve and National Guard units based in 16 states.

"The Army has designated the transfer of munitions from Pueblo to McAlester **and from Umatilla Depot in Oregon to California's Sierra Army Depot**.... The transfer will provide valuable hands-on training to Army Reservists and National Guardsmen who specialize in transportation and

ordinance handling operations.... McAlester's depot operations will be expanded and continued.... 105 millimeter artillery rounds and 50 caliber machine gun ammunition will be stored in 21 of the plant's magazines.... The convoys will travel to Wichita, then to the outskirts of Tulsa before swinging south on Highway 75. The convoys will pass both Okmulgee and Henryetta before reaching the Indian Nation Turnpike for its final leg to AAP.... Another group of Reservists now activated and assigned to the plant...will unload...under the supervision of our swing shift storage personnel and surveillance inspectors. The Reservists are being housed in AAP facilities and have access to the plant's recreational facilities. An active duty transportation unit from **Fort Leonard Wood, Mo.** will be assigned to the plant to assist.... **Operation "Golden Cargo" is a joint Army Forces Command-Army Materiel Command operation under the direction of the Sixth U.S. Army's 319th Transportation Brigade headquartered in Oakland, Calif....**" Gosh, I do hope "THE FORCE" is with you!

Well, so much for **Blather Bold-key Hard-on. I wonder how many of you will ask GOD to walk with you??** Time marches ON—AND ON—AND ON, ah but, for how long? Perhaps the expected and long-overdue earthquake incidents are planned as a helpful gesture by your Elite politicians to rearrange your furniture for more casual experience. I certainly hope so for I would hate to cause you undue trauma in your daily mind-set routines. Doom and gloom? Will refusing to see and hear reduce—or increase—doom and gloom? See, it IS, after all, in the perspective and perception, is it not?

Since a politician never believes what he says, he is surprised when others believe him.

An Interesting Day Of Odds And Ends

7/15/92 #2 HATONN

EARTHQUAKE NEWS

This has been a most interesting day, has it not? Especially for ones around this area. There are all sorts of the most absurd tales coming back from all directions from sand in the fuel for planes at Edwards Air Force Base requiring dumping, cleaning and refueling (of course the funny thing is that no-one even knew about the fuel situation at Edwards—other resources were named from the Hayward Fault area to Bakersfield). Sand in the fuel lines from the "earthquake" we are told! So be it.

PHOTON BELT

But, the one that has me more greatly puzzled is that we have now had a whole flurry of phone calls from radio stations inquiring about "Hatonn's Photon Belt"! We are told that George Green (who ones thought to be Hatonn at any rate because "George always intimated as much") to "George Green told us it was an exclusive pronouncement" and "Hatonn said it would come off right on time."

I repeat my constant outlay: It is NOT Hatonn's Photon anything. All information I have given you regarding any photon happening in July, 1992 was THAT IT WOULD BE MAN-CAUSED. THE PASSAGE THROUGH THE NATURAL OR GENUINE "PHOTON BELT" CYCLE IS DUE SOMETIME EARLY IN THE NEW CENTURY AND WILL RESULT IN SOME 2000 YEARS OF LIGHT!

AMERICA WEST PUBLISHERS

George Green is NOT me and I have one arrangement with Greens and America West—to

publish as a publisher, our written JOURNALS. He can promote the JOURNALS any way in which he promotes any other books, I suppose, for he, too, has free-will and is a knowledgeable business person having experienced his own encounters with alien craft and has been involved within the higher workings of the "Elite" society, UFOlogists of "every kind", Intelligence Services and thus and so.

I am now somehow being blackmailed in a most subtle way about Sananda's writings and am told that Greens are heavily pushing them and "...lately they are seeming to be totally self-serving to the writer personally". I know the games going on—do you suppose the "players" know??

I am not in competition with "other channels", "other writers" and/or anyone. Can you not sort Truth from fiction from the tales of fantasy-land of which I am constantly accused of giving forth?

DR. JOHN COLEMAN

Now, next question: What does this have to do with Dr. Coleman who is traveling with George at this very minute? I suppose YOU will have to answer that for I have no right to publish such information. I have a most tedious letter which states the problem most succinctly: The writer asks, "How can you push something which is so bigoted and obviously from a bigoted fanatic." This is to America West so I have no input other than to say that I am NOT Dr. Coleman. I pushed the book because it is the best and most current volume on the Committee of 300 (Club of Rome, as most often referred to). I have told you that ALL of the information has been published but this is the best "central" resource available. America West published the docu-

ment as agreed to with Dr. Coleman and our editors read and corrected typographical errors and structured for printing. This person objects to Dr. Coleman's damnation of homosexuals "who are respected by political and religious conservatives all across the United States." Well, I have nothing but compassion for a person who feels love for another of same sex. I do, however, insist that you must realize it is "homosexual behavior" and "activities" which cause the trouble and those behaviors are no more sanctioned than is any misuse and abused breaking of God's Laws as given. If you confuse the two, you err. One is a physical act of choice—the other is an emotional response to soul.

The other objections are regarding his negation of Freemasonry. Well, here you have me, too! I do not speak of the "John Doe" Masonic club participant but the origin of Freemasonry was as evil as it came and the ones at the TOP know exactly what they are doing. If you don't think it is a rather interesting "secret" club—be honest—**have your closest member-person reflect on the wording and secret sayings and projections of the secret rituals and swearings. I care not if you wish to play in that game, but do so with your eyes open and not in dream-land.**

Also we are pounded, especially John Coleman, about heavy rock music, etc. You claim that you "are fine" and you "liked that kind of music". Are you? Are your children? Is everything OK in your nation? Your world? So be it. Most of the writers are now objecting on the basis of a seminar advertisement given regarding the COMMITTEE OF 300 book by George Green in Palo Alto also to be attended by Dr. Coleman as speaker. Also, "—the LIBERATOR copy given out seemed interesting but if it is as bigoted we want nothing to do with the material." Oh? You would judge some sixty volumes by one advertisement?

AN ADVERTISEMENT IN POOR TASTE

There is one item to put your mind at rest, however, as I am as upset over THAT advertisement as any I have ever seen regarding our participation. In the ad I could find nothing of reference to the JOURNALS. I agree with the majority of ones receiving those ads—I wish to be no part of same. Salu!

Trouble in the "ranks"? No, for there are NO ranks. Would you give up all research of one thing Dell Books publishes because they also publish someone else's writings? Do you discount Bill Cooper because you have heard of Wendelle Stevens? I suggest if you are in a quandary about which way to turn and you can't adjust in balance to Dr. Coleman's work according to George Green and America West—then search a little further through the PHOENIX JOURNALS. And to you who sent "DESIDERATA": Thank you for I, too, recited it in our first JOURNALS and if ones would take this counsel of the wisdom of the years there would be no need for this information being brought to your attention. Blessings rest upon you for the sharing.

AS TO DISCOUNTING

It has further come to my attention that an investigator got in touch with John Coleman and he denounced both America West and called Hatonn: Satan incarnate. It seems a bit ungracious to so bite the hand which fed and clothed and provided for the need of self and family for lo, these many, many months. Evil incarnate? Why will these accusers do so in anonymity and refuse, then, to even speak with the targeted one in point?

I can offer you readers nothing more than the admonition to READ and then discern WHO might be spreading disinformation. If you find ones who speak kindly and with flattery to your face and then denounce and injure from behind,

then it is not of my task to attend them.

If your searching is beyond the physical and into the spiritual—I suggest you have insight into the PLEIADES CONNECTION SERIES OF JOURNALS AS WELL AS THE JOURNAL CALLED THE RAINBOW MASTERS. God will be where you are—and the books are filled to overflow WITH WHAT TO DO and A WAY THROUGH, as so succinctly stated by one searcher. I can only "offer" but I would petition you to look further within the writings before you cast them aside for just perchance they are most valuable indeed!

I, too, would like things in perfection without changing any perceptions or entrained ideas—a bit of blood to absolve me of all responsibility for errors done—but alas, beloved ones, there is no magic cure and no journey into Truth and Light without venturing into knowledge through open minded consideration of possibilities. Most especially you ones who "lead" others—I do not believe you want a closed-minded negation of information on your conscience when, as you look about you, there is ample "signing" that the time is at hand for great and wondrous changes and evolvment. What loss have ye if ye look?

SOME UNDERSTANDING, PLEASE

Could YOU repeat in total accuracy some 75 to 80 books? How about 300 newspapers in weekly editions? Please be a bit more kind to George Green for he is doing that which he can to bring you a bit of insight. Could it be that he has been badly USED by ones whom he trusted and served in all possible ways to ease physical problems? Can you not read a book for the VALUE OF THE INFORMATION and put aside personal perceptions?? Truth is Truth is Truth and will stand on its own into infinity—can you not be discerning enough to weed the thistles from the grain? Do you JUDGE GOD by what Rev. Jesse Jackson says about HIM? How about Robert Schuller? How about Ramtha? How about Henry Kissinger? Maybe you like Steven King's version of life on the Lighted side? GOD IS TRUTH AND LIGHT, STUDENTS OF LIFE—AND WILL STAND THE TEST OF INFINITY FOR THE ONLY FEET OF CLAY ARE THOSE REFLECTED IN YOUR MIRROR PROJECTION! I am in hopes that you ones will reflect on these thoughts most carefully before tossing them into the garbage for perhaps you throw away THE PEARL OF GREAT WISDOM.

More On The Sumarians And Hebrews

THE SUMARIANS
A LOST CIVILIZATION
FOUND
(Continued)

Dharma, let us add herein the "Supplement" sent by our sharing friend on the subject and history of the Sumarians. I believe that this friend and Nora would form a great bond in common interest and friendship—please share contact information for they both have excellence in

research ability. We honor privacy so we shall not print it herein. QUOTING:

The New Testament, the account of the Life of Christ, His teachings and the foundation of His Ecclesia superseded all that was previously recorded.

The Old Testament was compiled by the leaders of the Hebrew tribe and begun a few centuries before Christ's appearance as accepted. It was gradually added to and built up. **When the Hebrews overcame the Sumarians and discovered the**

amazing civilization and the religion of the Sumarians they rewrote their Old Testament to conform to the Sumarian religion attributing all revelation contained therein to themselves as having been given to them. Actually they substituted themselves in place of the Sumarians. However, it was necessary to rearrange the events of their own short history to conform to that of the Sumarians. In so doing discrepancies and vague language appears in the Old Testament.

In the course of time as their history developed more books were added and the order of the books was changed. The story of Exodus was placed second after Genesis and was a complete fabrication. The purpose of the book was the building up of the Hebrew pride in their own race. The Hebrews recognized the superiority of the Sumarians and other races. **The way to overcome this difference between themselves and others was to claim direct contact with the Supreme Being.**

The Hebrew history did include their sojourn in Egypt which had been evidence of the charity of the Pharaoh who permitted them a refuge in Egypt. Their stay in Egypt was marked by a growing discontent of the native Egyptians because of the obnoxious and arrogant behavior of the Hebrew people. Finally Pharaoh expelled them from his kingdom. When Moses led the people out of Egypt it was an exodus demanded by the Egyptians. They left Egypt with stolen property—jewels and fine raiment. In the account they give in their book Exodus they boast of their theft as one recommended by God Himself because they were of mankind His chosen people. Pharaoh did pursue the Hebrews after they left Egypt in order to recover the jewels and rare raiment they had stolen. These Pharaoh recovered and returned to Egypt.

The author, Jacob Elon Connor, of **CHRIST WAS NOT A JEW**, tells of the discovery of the

tomb of this Pharaoh with his mummified body reposing therein. No publicity was given this event that is not known to the world.

Many books of the Old Testament with their beautiful maxims were taken in their entirety from the Sumarian religious writings. The history of the Hebrew religion subsequently included in the Bible as we know it today was made part of the Christian Bible solely because of the beauty of these Sumarian writings such as the book of Ecclesiasticus and especially the Psalms, all Sumarian, and most of all because of the Prophecies concerning Christ's coming or, as the Hebrew religion called it, the coming of the Messiah, which they still expect as a future event for them.

The history of Christianity then had its beginning in the lost civilization of the Sumarians and their origin of Christianity is now brought to light by God Himself at this critical point in time to expose the duplicity of the so-called self-styled "Jewish" race (which is not a "race") who have foisted on the people of the world several major deceptions—hoaxes—to gain their consuming ambition to rule the world and make all nations subject to them. The hoax of the Old Testament is the major hoax, that Christ was of their own race was another, and now in this century the extraordinarily successful hoax of the Holocaust in the Second World War is another major hoax causing the continuing suppression of the truth of their centuries of deceit.

The New Testament has also been tampered with. The birth of Christ predicted in the Prophecies to take place in Bethlehem was not brought about at the time of census of the family of David. David was not the ancestor of Esu Immanuel (Jesus) through His Mother or by adoption through Joseph. These are untruths introduced into the account of

His birth to make His descent from David an absolute fact to establish that He was of the "Jewish" race. His Mother Mary was of Sumarian origin and could not have been "Jewish". The Evangelist writers gave a lineage for Mary that is presumed since there was no record to substantiate it.

The Council of Nicea separated the books of the Bible, discarding books that were obviously false. They retained all the books that were considered genuine including all books containing the prophecies of Christ's coming. The Council of Nicea had accepted the authenticity of the "Jewish" Old Testament. False statements could have been made part of these prophecies. These prophecies can now be read in their original context in the Sumarian writings.

Why, we ask, does God permit such a tremendous contradiction of the truth to become successful for two thousand years? We cannot answer this question except to say that God is infinite in His Wisdom. His decisions to allow evident lies and evil conditions to prevail and grow over centuries upon centuries can only be understood if we realize that time is an element confined to planet earth. God surveys the whole history of earthly time and

brings all things together into good over the whole range of human history.

In view of these texts I want you to ponder that which you continually thrust upon me for interpretation: THE DEAD SEA SCROLLS which reside with the Israelis. I ask you: **What do YOU think about them and the possibilities involved with their not being allowed to be brought into public notice EXCEPT AS ALREADY TRANSLATED AND WITH NOTHING AGAINST WHICH TO EVALUATE AUTHENTICITY OF TRANSLATION. Sumarian Story Of Our Moon's Creation

7/15/92 #2 HATONN

Let us now return to the original subject within "The Divine Plan" and at this time I am utilizing Sitchin's projections for they are valid indeed. Please, readers, get his material for you need this kind of information as given in GENESIS REVISITED. I have no input at this time on other of his works nor on ALL subject material in the book in point.

FINDINGS OF APOLLO PROGRAM

In addition to priorly men-

tioned findings of the Apollo Space Program is another which also stands in the way of accepting the coaccretion theory. The Moon's surface as well as its mineral content suggest a "magma ocean" created by partial melting of the Moon's interior. For that, a source of heat great enough to melt the magma is called for. Such heat can result only from cataclysmic or catastrophic event; in the coaccretion scenario no such heat is produced. How then can one explain the magma ocean and other evidence on the Moon of a cataclysmic heating?

[H: Now for you who pro-

claim loudly that "Hatonn only uses information already known!" Indeed, for we write "journals"—then you can go get your confirmation. I am sent to carry out a mission—not do all your homework when able men with integrity and purpose have done a superb job. But how many of you would KNOW this wondrous information if I told you not? I come in competition with no one for I have no interest in your material planet whatsoever, except as it regards my mission which is of spiritual involvement. But you don't know your spiritual status now or ever—you have forgotten as a species and civilization what you were and ARE. The material is being sent forth for God's people so that they might heed the trumpet call. What the remainder of you entities do, who wish not my encroachment upon selves—thank you for not participating.]

The need for a birth of the Moon with the right amount of angular momentum and a cataclysmic, heat-producing event led to a post-Apollo program hypothesis that has been dubbed the *Big Whack Theory*. It developed from the suggestion by William Hartmann, a geochemist at the Planetary Science Institute in Tucson, Arizona, and his colleague Donald R. Davis in 1975 that collisions and impacts played a role in the creation of the Moon ("Satellite-sized Planetesimals and Lunar Origin," *Icaris*, vol 24). According to their calculations, the rate at which planets were bombarded by small and large asteroids during the late stages of the planets' formation was much higher than at present; some of the asteroids were big enough to deliver a blow that could chip off parts of the planet they hit; in Earth's case, the blown-off chunk became the Moon.

Well, Hatonn simply requests that you get the book in point and read it for selves for I have no interest in collision theories, etc. I am only interested in the Sumarian projection of truth in

the matter and thus you have to go back to Sumarian cosmogony for the answer regarding that "old moon".

The first help it offers modern science is its assertion that the Moon originated not as a satellite of Earth but of the much larger Tiamat. Then—millennia before Western civilization had discovered the swarms of moons encircling Jupiter, Saturn, Uranus, and Neptune—the Sumarians ascribed to Tiamat beyond Mars, which would qualify her as an outer planet; and the "celestial horde" was acquired by her no differently than by the other outer planets.

When the scientific theories are compared with Sumarian cosmogony, it is found that not only modern scientists have come around to accepting the same ideas found in the Sumarian body of knowledge but are even using terminology that mimics the Sumarian texts.

Just as the latest modern theories do, the Sumarian cosmogony also describes the scene as that of an early, unstable Solar System where planetesimals and emerging gravitational forces disturb the planetary balance and, sometimes, cause moons to grow disproportionately.

You have had a scientist, George Wetherill, who updated his calculations of multicollisions, in 1985. The terms used by this scientist and those of the Sumarian texts are amazingly similar as presented in the *Eruma elish*. He speaks of "lots of brothers and sisters" moving about, colliding with each other, affecting each other's orbits and very existence. The ancient text speaks of "divine brothers" who "disturbed", "troubled", "surged back and forth" in the heavens in the very zone where Tiamat was, near her "belly". He uses the expression "battle royal" to describe the conflict between these "brothers and sisters". The Sumarian narrative uses the very same word—"battle"—to describe what happened, and recorded for all time the events of Genesis as the Celestial Battle.

You can read in the ancient texts that as the celestial disturbances increased, Tiamat brought forth her own "host" with which "to do battle" with the celestial "brothers" who were encroaching on her:

She has set up
an Assembly
and is furious
with rage....

Withal, eleven of
this kind she
brought forth....

They thronged
and marched at the
side of Tiamat;

Enraged, they
plot ceaselessly day
and night.

They are set for
combat, fuming and
raging;

They have as-
sembled, prepared
for conflict.

Just as modern astronomers are troubled by the disproportionately large size of the Moon, so were the authors of the *Eruma elish*. Putting words in the mouths of the other planets, they point to the expanding size and disturbing mass of "Kingu" as their chief complaint.

According to this ancient cosmogony, one of the eleven moons of Tiamat did grow to an unusual size because of the ongoing perturbations and chaotic conditions in the newly formed Solar System. How the creation of this monstrous moon affected these conditions is regrettably not clear from the ancient text; the enigmatic verses, with some of the original words subject to different readings and translations, seem to say that making Kingu "exalted" resulted in "making the fire subside", or "quieting the fire-god" and humbling/vanquishing the "Power-weapon which is so potent in its sweep". This would have something to do with the perceived "pull" of gravity.

It turned out, so the story goes, that it was the "sin" of Tiamat, her giving Kingu his own orbital "destiny", that enraged the other planets to the point of

"calling in" Nibiru/Marduk to put an end to Tiamat and her out-of-line consort. In the ensuing Celestial Battle, as described earlier, **Tiamat was split in two: one half was shattered; the other half, accompanied by Kingu, was thrust into a new orbit to become the Earth and its Moon.**

Well, good old Kingu was reduced to the status of a mere satellite, deprived of orbital momentum. The Sumarian observation that Nibiru/Marduk made Kingu "shrink" refers to its reduction in "rank" and importance—not size.

The Sumarians asserted that Kingu was turned into a DUG.GA.E is intriguing. It means "pot of lead". Apollo discoveries suggest that the Sumarian term was not just figurative but was literally and scientifically correct.

Ah, but there remains much unanswered as to your "Moon" such as "why" its crust is so unusually rich in radioactive elements such as uranium. There is also evidence of the existence of extinct radon. These elements decay and become lead at either final or intermediary stages of the radioactive-decay process. This product is also utilized in alchemy of "gold" by extraterrestrial travelers. Gold is the metal of choice for circuitry. It is now obvious that that "old Man in the Moon" was a witness to creation of your planet—to "Genesis".

Astronauts' Own Words

7/15/92 #2 HATONN

I would like to end this segment by reprinting a presentation called *In the Astronauts' Own Words*:

Feeling changes of "almost a spiritual nature" in their views of themselves, of other humans, and of the possibility of intelligent life existing beyond Earth have been reported by almost all the American astronauts.

Gordon Cooper, who piloted *Mercury 9* in 1963 and co-piloted *Gemini 5* in 1965, returned

with the belief that "intelligent, extraterrestrial life has visited Earth in ages past" and became interested in archaeology. Edward G. Gibson, a scientist aboard *Skylab 3* (1974), said that orbiting the Earth for days "makes you speculate a little more about life existing elsewhere in the universe."

Especially moved were the astronauts of the Apollo missions to the Moon. "Something happens to you out there," stated *Apollo 14* astronaut Ed Mitchell. Jim Irwin (*Apollo 15*) was "deeply moved...and felt the presence of God." His comrade on the mission, Al Worden, speaking on the twentieth anniversary of the first landing on the Moon on a TV program ("The Other Side of the Moon" produced by Michael G. Lemle) compared the lunar module that was used to land on and take off vertically from the moon to the spaceship described in Ezekiel's vision.

"In my mind," said Al Worden, "the universe has to be cyclic; in one galaxy there is a planet becoming unlivable and in another part or a different galaxy

there is a planet that is perfect for habitation, and I see some intelligent being, like us, skipping around from planet to planet, as South Pacific Indians do on islands, to continue the species. I think that's what the space program is all about.... I think we may be a combination of creatures that were living here on Earth some time in the past, and had a visitation by beings from somewhere else in the universe; and those two species getting together and having progeny.... In fact, a very small group of explorers could land on a planet and create successors to themselves who would eventually take up the pursuit of inhabiting the rest of the universe."

And Buzz Aldrin (*Apollo 11*) expressed the belief that "one of these days, through telescopes that may be in orbit, like the Hubble telescope, or other technical breakthroughs, we may learn that indeed we are not alone in this marvelous universe."

May I simply leave you now with these thoughts to ponder. Thank you.

Earthquake Alert Continues

7/16/92 #1 HATONN

In the beauty of the morning the only reflection of perception is that which comes from within. Is this a beautiful day or a dreaded day? Obviously if you are to be executed at 10:30 A.M., then right now is a bit of a "drag", it being 10:02 and the desire would be to stop "time". However, if you have grand and wondrous plans for 10:30, it is filled with excitement and anticipation with hope that the time will fly rapidly.

The same is true of "warnings" which seem only to be foisting doom and gloom upon your beings when activities are already pressing and dreary enough. However, if one withholds "warnings" as they flow forth from knowledgeable ones who share—are you, in a sense, responsible if damage occurs to the others from

which you withheld that information? Is this not that which the governments and military have already done to you for lo, these many decades?

I actually have ones joshing and bantering that "...if Hatonn is warning about this or that, I don't have to worry about it happening—ha, ha, ha!" So be it. **But, less than 1/2 hour ago a person called from Yucca Valley to WARN that she had just been notified from the "seismographic center" that persons there are placed on upgraded alert. They were already prepared for a 7-8 point quake by ending 17th. IT HAS NOW BEEN UPGRADED TO THE EXPECTATION OF A 10-12 POINT "DISASTER".**

Next, a person called from Las Vegas to give input that activity in the military flights and all mili-

tary movement has quadrupled just last evening and this morning. The word is "coming down" from alerted "troops" to anticipate MAJOR happenings within the next 48 hours.

NOW FOR "NETWORK" ALERT!

11:06 A.M.: I am asking Dharma to move back up to this location for ongoing update as it comes in to our attention. We need to each and all keep updates flowing and shared.

We have "friends" in "high places" who have literally traveled back to Washington with "high officials", from Hemet, California. There is confirmation that SOMETHING BIG is COMING DOWN within days if not hours. He is staying over in Washington to acquire more inside information. However, he has required that his wife and friends gather all "precious" "stuff" and go inland. In this instance, to friends in Phoenix, Arizona.

BIGGEST ATTENTION POINT SO FAR

The latest word out of "high places" in L.A. coupled with Las Vegas activities is as follows: The seismologists, in mass, are leaving the coastal area—they began leaving Monday and the last of the "authority crews" are leaving NOW. Cal Tech seismologists have alerted the utility and "nerve center" emergency response places to be prepared for massive upheaval before the 20th of the month and IN NO EXCEPTION OF PREDICTIONS, WITHIN THE NEXT 20 DAYS. The subject is being handled under only "need to know" basis and orders are to "keep total silence". The media, press nor public will be informed.

From Las Vegas from one who actually works within area 51 (where space-flight-capable "saucers" are often witnessed) comes the word to be on total alert. **Razor wire is being placed around the periphery of all military bases—to contain people.** This "informant" said that this same thing is happening on ALL

military bases—at least within the Western areas.

SCALAR (PRANA) BEAMS

ELF (extra low frequency) beams are being pulsed into the land mass and are being recorded in massive levels at monitoring stations. Neither the people nor the earth can sustain without "breaking" under such bombardment. It is expected that the faults will break first.

Low frequency impact causes distress, depression and "I don't give a damn about you" response to everything. They give off physically disabling side-effects.

SAN FRANCISCO AREA

The same information is coming out of San Francisco, chelas. The notification system is alerted and ones who know the consequences are departing the city and coastal areas. The areas of Santa Barbara, San Luis Obispo, etc., are battered down and the Elite are gone "on vacation".

LOCATION AND GEOGRAPHY

Chelas, I can only deal with this Western geographic location. You should be getting information regarding happenings in scattered placements across the nation. It is now mandatory that you ones act as a network in purely human contact. There are ones in all locations who are "inside" and hear or KNOW facts and unless you are willing to share you simply will not KNOW as public citizens.

If ones wish clearing networking of cross-filed input—I suggest that our people would be happy to receive and disperse rumors and/or updates. I don't know how you would wish to do this but surely radio stations who have been gracious to our presence should be notified and this information "faxed".

George at America West can do whatever he sees fit to do in this circumstance regarding media contacts but in prior instances there has only been ridicule and,

JULY 21, 1992

finally, denouncement and classification as "kooks".

Dharma, do not return to the end of this document. I feel it needs be taken from the equipment and given into other hands. Then we can simply begin a new program if we sit again to write this day. Thank you.

You do what you want to do, chelas, but I am remiss if I share not with you. I do not mind a bit of ridicule for the last laugh **shall be MINE!** Here is where an "ounce of prevention equals far more than a pound of 'cure'." For instance, if you have failed to bolt and "bungee" your upper china hutch to the wall—how expect ye to not lose your precious china when even a small "shaker" happens?

Is this not what you have done year after year after year? You have failed to bind your public "servants" into security and now they have control over you. You hide and pretend that meditation and "trust in God" will save you AND your china goodies. No, but latching and tying or banding the cupboard doors will save the China or at least it will lessen the damage.

"Oh, but I can't live that way. Why would I have things if I cannot use them?" you ask. I respond—if you are warned that a hurricane is likely to strike at 3:00 P.M. this afternoon and you can see the storm moving around and a tidal wave rising of some 50 feet and coming ashore and say you live on the beachfront, what would you do? Would you not effort to secure and consider the possibility of it passing you by, in a day or so? Well, you of Southern California as for instance, live on a network of faults and YOUR GEOLOGISTS, SCIENTISTS AND MILITARY ARE ON ALERT BECAUSE THEY EXPECT A 10 TO 12 POINT QUAKE ALONG THE WEST COAST ANY MOMENT. WOULD IT NOT BE GREATER WISDOM TO CONSIDER POSSIBILITIES OF IT HAPPENING? At worst, you will have some boxes in view and some survival gear readied.

WHAT IF IT DOESN'T HAPPEN?

That possibility is also valid in consideration. But, **insurance can only be purchased when it is not needed!** Ponder it. Now that "man" can orchestrate disasters which once could only be done by Mother Nature—you have doubled your risk and the price is far higher to purchase security. If it doesn't happen on schedule, how long do you live like bungee jumpers? I can't say for the hope is that you will become fatigued with the assaults of preparation and when you least expect the blast—it will come. This is the way "mind-control" and "action-control" works.

If you are prepared for the earthquakes then you can turn your mind to other factors which confront you as a society.

FEEDING THE FIRES OF CHAOS

Many states and towns are in horrendous financial shape. Let us again consider California as an example. They have not even formulated a budget because the prospects are so financially, and tax-wise, bad. There are no funds and the banks are going to refuse, very soon, to take IOU's. What happens to, say, a prison system when there is no funding to PAY WARDENS AND GUARDS? What happens to the animals at the zoos when there is no one to attend them? I would guess the "National Guard" in blue helmets will look pretty good to you as they move in to regain order? I suppose those "emergency regulations" and FEMA rules which by executive order forces the guards back to duty—without pay (or be shot), will look pretty good to you? **Well, this is the way the final acts of controlled One World Order works. The only thing is, it does NOT end. Once under total military control, you have no way to go back to normal life-style. The big boys have "gotcha". The day of reckoning is at hand and this particular "piper" intends on**

a massive harvest. You are the mouse—"they" are the cats. This is terrorism at work, chelas, from earthquakes to actual execution—the waiting is devastating to the nerves and at some point you will "do anything" to end the waiting.

All the while you are "waiting" you are being bombarded with frequency pulses that depress you emotionally and confuse thoughts and "wipe you out" physically.

People are so "good and helpful" after a disaster. Why, chelas, could you not work together in the same manner—BEFORE the disaster when you KNOW at some point it IS GOING TO HAPPEN? The remarkable thing is that people willingly suffer and even perish willingly and without grievance if the masses in numbers of departed be large enough. It is the single child down a well or a

kitten up a tree that elicits all-out effort. Your adversary KNOWS EXACTLY what he is doing. At some point the human emotional system shuts down and a zombie state sets in. You are now in "that" state of behavior. The "demonstrations" are orchestrated to confuse you even more abundantly for they give you the perception that someone cares about something. No, it is but confusion and things are never changed through such disorder. The orchestrated demonstrations only feed the fire of more and more disorder.

GRITZ, cont. from page 1

means. The reason his new campaign managers left him is because he could see what was happening and would not bend from that which he perceived the right moves to make. If Ross Perot were to become president under the set of circumstances as they were headed, you would end up in worse anarchy and total control either way. By stepping down he will not be "hamstrung", as Col. Gritz puts it, by a system out of control and headed off the precipice.

What clues did you get from the above? **SEIZE THE MOMENT.** Ross saw that "he" could not do "it". But, what is done from this day will decide your fate as a nation politic. If you absolutely flood the "campaign" with demands that Gritz be put forth and supported, it **COULD** be done. Even if not, the man would become "known" and later that would serve its even better purpose. The "Elite" are terrified of "Bo" Gritz wherein they had done enough bribing in subtle ways to encumber Perot on "judgement day". With a new thrust **AND** Ross Perot pushing and supporting Gritz—yes indeed—you-the-people **could prevail.**

However, wait-up, and consider: Bush will not allow you to outstrip him except through total surprise and he has bigger surprises laid in your path for you to have distraction. You WILL fall to executive order all the while he says "Look how hard I'm trying". Clinton and Gore are Committee of 300 selectees for the presidency and are totally controllable by the Elite. Nothing has changed, chelas, from the moment we began the writing—only perturbations—IF you keep your eyes soundly on the "goal".

Ross believes in big government and that, by whipping it into shape, he can make it work better. He is **wrong.** The majority of Americans actually like government redistribution of wealth, which includes benefits for the poor and the rich. Social security is a sacred institution, incum-

bents continue to get reelected and most Americans enjoy a good rally war now an then—i.e., Grenada, Panama, or Iraq. If Americans were truly concerned about fiscal problems, the Congress would have reflected these views a long time ago. Except for a silenced remnant, there are **no cries for honesty about your problems and no proposals offered that actually address the issues. So what happened with Ross Perot?**

The phenomenon of Ross Perot is quite understandable and not at all a fluke. It was bound to happen. It grows out of the inherent contradiction of the interventionist, mixed economy that leads people to milk the system, complain it doesn't work, and resent paying for it. It is pure and simply "greed" at work in perfection—give an inch and the mile becomes far too short.

So, what will you-the-people do? This man has given you opportunity unsurpassed in history. What does "he", however, plan to do? Oh, well, he will say things such as: "I will keep pushing and running and we can later clean up the Congress". (Good idea), but a loss is devastating to the "workers" who have dug in and are now in betrayal in their own perceptions. **WHAT WILL YOU DO?** Are you ready to take the next step for which you ask God to show the way? Are you **REALLY?** Your Elite enemy is not going to "roll over dead"—the way will be nothing short of nightmare time—but, **you have one willing to lead you! IT IS UP TO YOU, AMERICA. I told you in the beginning of this work that it could be done IF you really want it done—if not, it matters little for the steam-roller is moving and plans to flatten everything in its path.**

Please: SEIZE THE MOMENT! Win or lose an election—you WILL need honorable leaders to find your way home! Ponder it.

I am asked if "our people" can receive phone calls and book orders and so forth for Comman-

der Gritz? **Of course—always, day or night. These are the ONLY ways we can support this movement at THIS particular time—THAT and giving voice to hearing of Truth. Unless this cause gets support and funding it cannot survive. But, if you give unto the cause of God and righteousness, freedom and sovereignty under God—then shall GOD give back unto you the glory and the pearl of great prize. Gritz WILL clean House (and Senate) and ALL the leeches hanging onto the ad-**

ministration fixed crime circle. He is without fear for he has met his Maker—he has seen his enemy in effort to destroy him and "his" nation—HE WILL NOT BREAK! It is up to you to SEIZE THE MOMENT AND DEMAND THAT PEROT PRESENT ARMS AND DUTY UNTO NATION AND GOD! Your dreams can come alive and sweep across the lands like a tidal wave of honor. So be it and may you be ever at ready lest you miss the moment when it comes.

"Natural" Phenomenon Update

7/18/92 #1 HATONN

NOTHING OF IMPACT AS PLANNED, IS OFF! The word is out "from the government" that it will come forth within the coming days, these great "disasters".

EAST COAST

NASA AND FEMA are planning contingency plans for handling "...great tidal-wave disaster"—right now!

MISSISSIPPI RIVER

They are also making plans and alternative plans for handling a **full change of course of the Mississippi River and the accompanying disasters.**

MILITARY

Troops are at ready in the outskirts of EVERY LARGE CITY in the United States—for **RIOT CONTROL.** The local military bases are now mostly encircled in razor wire in preparation for containing the populace in detention.

SEISMOLOGISTS

Oh, there is **GREAT DENIAL** on the part of seismologists in all facets of "rumors" and "alerts" as are **ACTUALLY COMING DOWN.** They are "under order" to "not panic the public"

and thus "keep silent regarding happenings".

Do you ones realize that the recent quakes in California have all been upgraded in intensity by a tenth of a point—that is some increase, let me assure you.

WATER TABLE IN L.A. AREA

The water table in the L.A. Basin is down over a hundred feet. Water is pouring into and through the San Andreas Fault in **MASSIVE** amounts. In the desert areas of Mojave the underground facilities are leaking so badly that "all hands" are repairing as fast as possible and several areas are sealed off. **THAT** is NOT of your doing, it is to prevent launching of your "space weapons" and "disks". The shuttle "could not be landed at Edwards on its return from its last fiasco."

Why do you think Mr. Bush was in Southern California—care to try another guess than the one you "thought-up" when I asked you before? Do you further care to guess who all attended the meetings in those strategic places?

PULSE BEAM BOMBARDMENT

The desert and fault systems have been under total and constant bombardment by pulse-beams for weeks and it continues.

SURVEILLANCE (LIQUEFACTION)

The entire area is being overflowed and mapped as to damage and changes: "The ground looks like curdled cheese and there are 'rifts' and/or 'sinks' which are 20 to 50 ft. in width and run for miles in length. The land appears to have been molten, or liquid, and 'curdled,'" go the reports and pictures.

FAULT MOVEMENT

Activity of the San Andreas "in motion" is reported from one end of its continental connection to the other. Teachers ARE on alert in the schools, paramedics are on stand-by, National Guard on military alert and the full expectation yesterday (Friday) was that the fault could not hold past 48 hours. THE EXPECTED MAGNITUDE: 10 TO 12 POINTS ON YOUR SEISMOGRAPHS WITH INTENSE AND LENGTHY DURATION.

EXPLOSIONS AND LIGHT BURSTS

Both explosions of regular interval and duration and "light bursts" are reported the full length of the fault. This is true of the rim of the full Ring of Fire.

MASSIVE MILITARY SHIFTING

There has been the ongoing shifting of military equipment and personnel and still tanks and equipment are seen in every part of your nation—in full battle paint and gear. MX missile-cars are seen on railroads throughout your country. Activity is almost frantic around all military bases and Yucca Valley is teeming with activity as is the Las Vegas area of Nevada.

THESE ARE SOLID FACTS

Chelas, these are facts which have been confirmed. I am not in the business of doing more than reporting to you as ones report viewing and network infor-

mation. You have been warned to the best of my ability. I have been stationed mostly above the Mojave Desert near here and other Command Craft are monitoring from other "hot spots". Remember, Plan 2000 has only 7-1/2 years for completion so it will not improve unless YOU MAKE IT IMPROVE! We of the Command will NOT interfere or intervene save to get a remnant of our people through the activities. I, further, observe that you are in serious, serious trouble—judging from the ridiculous and insulting treatment of myself and speaker on a MAJOR radio network on Thursday night last.

I will ask that someone transcribe the tape for I want to present the interview to you for your confrontation. It was a night when I and my crew were at full-alert and yet, an interview had been asked and granted. The idiots involved were no less than nit-wits and insulting, degrading baboons (giving insult to the baboons). The callers, aided and abetted by "one of America's finest and most popular hosts" offered sexual encounters with Dharma and me, spoke of sexual positions and only two callers even remotely had any interest whatsoever in anything of value to you or your societal status.

Why would I tolerate it and continue such an encounter? **Because I finally caused them to allow phone numbers to be given wherein "anyone really interested in serious content" could CALL for such information.** This is the kind of battering that George Green gets every time he makes appearance or interviews. Yes, I see an awakening but, boy, you surely do have to DIG to find it.

Bush Biography Withdrawal

7/18/92 #1 HATONN

Note that I have given great respect and honor to the authors and *New Federalist* for the work and daring printing of the UNAU-

THORIZED BIOGRAPHY of George Bush. In return? When the printers of the La Rouché paper found out that George Green was connected to the *LIBERATOR* they refused to even allow George to carry the book! How often do you hear that group speak of God? I thought not. It IS hard to see it at first, is it not? La Rouché is an Internationalist and even though his presentations were on track regarding much in thrust—at least enough to hurt the Established government—there is NO rebuilding suggested "UNDER GOD WITH LIBERTY AND JUSTICE FOR ALL". Funny thing about the *Spotlight*, also; no one there will allow even advertising of JOURNALS or *LIBERATOR* in any publication. Why might this be? They have been directly con-

tacted!

I only desire that YOU SEE the difficulty in gaining change because you are blocked at all turns in the most subtle manners. Knowing what is wrong is not enough—you must go somewhere with the knowledge and this is why the blockage—either keep you off the track from "doing" that which will regain foundations or leave you helpless in the hopelessness. Are there none, then, of established popularity, in papers which can serve God AND Man? Yes indeed, but they are few and far between and it is intended to be exactly that way. The point is, however, that Truth can be gleaned from them all—even your Establishment papers IF YOU KNOW THAT FOR WHICH TO LOOK!

More On Photon Belt

7/18/92 #1 HATONN

I realize that you ones are bombarded by your "channels" and "soothsayers" as to the Photon Belt "slipping in on them". Let's do a bit of "looking within" briefly and see why that might be.

Firstly, the action coming up right now is MAN MADE and not the entry into THE belt of light. You must understand that you must be the ones who KNOW the difference in "natural" happenings and "man made" substitutes. We have given you information to discern and judge these situations. I cannot help it, chelas, if you have not attained the material and studied your information. I still get myriads of letters from ones wanting to "know this" and "that"—when it is ALL well laid-out in the information we have brought. I am barraged with "why don't you tell us" and "how come you didn't let us know" and "why don't you tell us now how this or that works?" It is all there in the JOURNALS, chelas—ALL OF IT. We DID bring it and IT IS the WORD and I cannot force you or cause you to either get it or accept it.

references and so we shall just excerpt some of the documentation. The paper in point: Editor: R.E. McMaster, Jr., P.O. Box 84901, Phoenix, AZ 85071. He references the "Third Hammer" which is a personal projection of Mr. McMaster and is very interesting but I can't cover it herein and it is not my point for reference. I would guess that in MATRIX III you might also find references to the "time in point"—I have not perused it for that content.

TESLA ENERGY

".....1992 International Tesla Symposium will be held at the Sheraton South Hotel in Colorado Springs July 23-26 [interesting timing].... Moreover, it is Tesla who is the father of **all this new energy physics** [new??] which is breaking through now, and will be featured in this incredibly energetic time frame. In short, the harmonics that are occurring in late July/early August are nothing short of incredible."

BLACK OR WHITE

"Now it gets even weirder. The second week in June, I began receiving information in Matrix III. Then on June 10 Robert Fridenstine called to tell me that sources in the U.S., as well as scientists in Canada and else-

ONLY HATONN TALKS OF PHOTON BELT?

Someone has sent a paper to us, called the *Reaper*, June 24, 1992. It has some interesting

where, said the earth will begin passing through a photon belt on July 25. This is precisely in the 'Third Hammer' time frame! Robert (New Horizons Trust) Fridenstine stated there could be two phases to this, one a black phase and one a light phase, but he didn't know which we would go through, either or both, or which one first. The black phase, it was thought, could cause black-outs on the earth for 3-4 days, a total earth eclipse in which light would be 180 degrees out of phase. There are concerns about social disruptions, people going berserk, and the temperature of the earth dropping three degrees and maybe 8-10 degrees. On the other hand, the light phase of this photon belt could increase light intensity 7-10 times. This would be sufficient to blind anyone who goes into it, particularly for an extended period of time. Millions of us could be blinded. It could destroy all food, wildlife, and livestock, or at least blind them. Welding goggles with #10 lenses would be necessary, as well as living in a basement, to survive this thing, whatever it is.

"Interestingly enough, the increase in ultraviolet light intensity this year is already so great that some manufacturers of acrylics, varnishes and the like which are put on boats (which stay in the sun) have reduced their warranty times by 50%.

"Since Robert's comments literally shed new light on my 'Third Hammer' time frame, I immediately picked up the phone and called my old Christian Cherokee Indian friend in Independence, Missouri, whose dreams and visions are uncannily accurate. You will recall that I have mentioned this gentleman here many times before. Historically, over the past two or three years, when our information dovetails (and we come to the same conclusions using totally different methodologies) nearly every time it has been a direct hit.

"To say this old Christian Cherokee was glad to hear from me would be an understatement. He told me that he had had a terrifying dream. It was 'a one-time thing, like an explosion on the earth, not quite like a volcano, however. There were black rolling clouds that smelled like sulfur. It burned and blistered like hot ashes. Poison gas affected every living thing on the earth. He had to get inside and stay under cover because it would affect the ozone and everything. It came like a straight wave—parallel to the earth,

like a wave of death, and it would bring cancer and other diseases. It would hit the southern states really hard, central Oklahoma, Arkansas. It was terrifying. It covered the U.S. and everything—parallel. Ashes and sulfur went past and plant life was burned. I've never seen anything like it. It hit the earth like hail. It occurred when it was hot, summertime. It was like a wind, an explosion, rolling black clouds, rolling in a straight line. Stay out of the sun at that time."

PHOTON TORPEDOES?

"If the earth is indeed going to move into a photon belt on July 25, then it could very well slice the earth just like this old Cherokee describes. Remember my earlier comment that when I first computed these 'Three Hammers', because of the incredible intensity of so many major turning points occurring at the time of the 'Third Hammer' in late July/early August, I mused whether the earth was going to 'blow up or something'. The old Cherokee thought the ramifications of this event could carry into October/November."

[H: Can you take note that even the "Ancient" noted that the results of THIS happening would react into October/November—SO, it could not be THE Photon Belt entry—but, rather, a happening by man-caused devices (explosives, etc.) because the Photon Belt impacts for 2000 years!]

"Back to Robert Fridenstine. I told Robert what the old Cherokee had said and asked if he could amplify, and gather more data. Robert stated he was told that the black phase will occur if the sun goes into the Photon Belt first. Then light would go 180 degrees out of phase and there could be a total earth eclipse, a blackout on earth for 3-4 days. However, if the earth goes into the Photon Belt first, the light phase, that's when light intensity could increase 7-10 times. This is why the old Cherokee emphasized living in the basement, wearing protective lenses, staying out of the sun, going blind from the light and heat, crops being destroyed—if the light phase occurs. But he also discussed rolling black clouds. A black phase? These two men don't know each other.

"Next, totally out of the blue, a masseuse called me to ask if I would like to come to a small private meeting in Montana to hear Dr. Lawrence Kennedy

speak. She has never, ever called me before. My antenna went up. Dr. Lawrence Kennedy is a featured speaker on Crystalase (a crystal laser) at the 1992 International Tesla Symposium, to be held in Colorado Springs July 23-26, 1992. Needless to say, I went. Here's where more of the pieces came together.

STAR TREK

"Only ten people showed up, and I didn't know any of them, save the masseuse. Here's what I learned: Apparently, the galaxy is moving into a corridor of space where it's never been before. It's like a quantum leap. It's a time of birth pangs, where things become less materialistic and more spiritual...." etc. But next came a good-one and I don't want to misstate so let me also print this exactly like written:

"....I was told that a man named George Green, who used to (and perhaps still does) author a publication known as the Phoenix Journal, has said we could have three days of light or three days of darkness, July 25, based upon stellar orbital information. Okay, I'm listening...."
END QUOTE

Strange how things get "changed" in the repeating? Intentionally? Honest error? Disinformation? No, just efforts to share. George neither authors the document in point (though this does seem to be the thrust of the "enemy", to make you—the people think so) nor does George speak of "3" days. If anything, George would repeat something like "110" hours and/or "5" days because that was the projection of the factual "null-time" of entry into the Photon Belt when it actually occurs. This will take into consideration a day on either side of the happening for movement into and out of the "null-zone".

By the way, you who are devoted readers of the BOOK OF ENOCH and other volumes such as OAHSPE, not to even consider the Holy Bible as you call it, all refer to this period of time. How is it that this has suddenly become "Hatonn's Photon Belt" and we are denounced along with "space-cadets" as Satanic extraterrestrial beings spreading doom, gloom and false teachings? I repeat what I ask now and have forever: **WHERE FROM DO YOU THINK GOD WILL COME? HOW WILL "HE" COME? DO NOT THE HOSTS (MESSENGERS) ALWAYS COME FIRST? ARE THEY NOT EXTRATERRESTRIALS?** "Ex-

traterrestrial" means "that which is not terrestrial"—all else is extraterrestrial. That means, chelas, God must be an extraterrestrial. Are you sure you do not turn away God because you have followed the preachers and deceivers into believing that which "comes from space" to be of Satan? Ponder it—for it may well mean the difference in life and death unto you.

Willy Whitefeather**

7/18/92 #1 HATONN

I thank my brother who has sent a compiled volume called SEEING CAUSE AND EFFECT THRU THE EYE OF THE EAGLE FOR PEACE.

The "great bird" is, of course, the Phoenix and is carried as the theme throughout the volume. I would like permission to print this volume in total (no changes in ANYTHING by Editors). It is intended to be as Grandfather presented thoughts and ideas to this speaker.

I know that you readers would greatly enjoy this presentation and will find our brotherhood totally bound one with the other in Truth. You will also note, when available, that the Earthquakes, etc., as being presented now are next to the last entry into the volume—THE PHOTON BELT, THE LAST. Does this mean the "Ending"? No, it only means the beginning—of that which will come "after" but the evidence is there for your seeing. So be it.

GREATEST HONOR

To have my brothers from the Ancient "people" realize the Truth of that which I bring, means far more to me than all the riches and confirmations of physical humans in any station. My brothers KNOW TRUTH and have NOT FORGOTTEN IT ALL for they bore and bear the ORAL teachings from generation to generation through those who held to the Truth or again awakened to serve in the revelations of cycle change. Grandfather Whitefeather speaks from the memory of the Cherokee, Little Crow from that of the Lakota and others speak from Hopi—but all speak for Universal Truth in KNOWING and REMEMBERING. Are any greater or lesser than another who bears Truth? No, for we are but all the ONE and Truth is Truth—told in many ways

(#8) AIDS: THE LAST GREAT PLAGUE
by Sananda, Hatonn, Ashtar,
Tesla & Russell
\$10.00...150 pp
ISBN: 0-922356-04-1

The deceptive origins of this man-produced disease are revealed, including the link with cattle and sheep viruses. The sobering introduction of AIDS as a means for population reduction by the World Health Organization through the Smallpox Vaccination program is exposed, as well as involvement by the Public Health Service through a Hepatitis B study on homosexual men in New York, Los Angeles, and San Francisco. Learn of the unique mutating ability of this virus and why there is no such thing as "safe sex". Viruses are crystalline structures, and therefore, may be destroyed through the use of electromagnetic sound and light frequencies. The cutting-edge research of Strecker, Rife, Priore, Russell, Crane, Cathie, and Tesla are all explored in this profound and troubling work. Become informed by the story behind the story you are being told.

so that each might find "understanding"—nothing greater and nothing lesser—JUST THE ONE! When you get the volume in point, please note the identical sign of the "Phoenix" with only a very slight change in the "signature" of the picture. The "Phoenix" of the cosmic-brothers bears a "star" in the "heart" to indicate coming from the stars. The "Cherokee Phoenix", for instance, bears a banner which reads: *Protection*. In both the Phoenix is RISING! Ah, indeed, the "Bird Tribes" are present—the Thunder Brothers returned!

I would please share a last thought as we draw this segment to a close for this is a thought provoking portion—you are at the crossroads and choices, sorting and purification are coming forth. A beloved and respected teacher of the Lakotas speaks and says, "It's time Indians tell the world what we know...about nature and about God. So I'm going to tell you what I know and who I am. You guys better listen. You got a lot to learn."

And may it be heard! Mitakuye oyasin, Aho.

Hatonn, in great respect and reverence unto my brethren, The Wisdomkeepers.
