David Takes On Goliath: Gritz And The People Fight Back

Dedication

This issue of THE PHOENIX LIBERATOR is dedicated to Colonel James "Bo" Gritz in deep appreciation for leading a valiant fight against the crooks in high places.

YOU, WITH GOD, CAN
CLEANSE THE SHAME
UPON YOUR NATION

As you read through this LIBERATOR you will find it dedicated to Col. James "Bo" Gritz who offers his very life to lead you back into the paths of freedom, one nation under God, with Liberty and Justice for ALL.

I know that you are hurried to find the details of speakings and gatherings to hear this young man of courage. But before you go further, please

STOP—NOW—and go within your silent temple and see if you can find a day to offer GOD your support and your petition in recognition of HIS infinite and unlimited Being. What are you willing to give unto God without strings and in reverence with action to show your trust in that allness?

Before stating that which is asked OF YOU, will you realize that GOD needs no rituals or offerings beyond SELF. However, you have lost your way and you often need reminders and "show" of offerings that you can consciously touch as focus of energy unto "meaning" and "petition".

As I and mine are asked, I in turn ASK OF YOU—I ask of Little Crow and our First Brothers to share that we might link hands across time and space in acceptance of that ONE LIGHT—that he might show us the way in which to serve that "another" might be given grace,

love and FREEDOM. May we join our hands and hearts in a show of demand to governments and Elite despoilers of this wondrous gift of planet and man that we will tolerate NO MORE. Quibblings over greedy goods is of one level of profanity—the evil incarceration and death of GOD's creations (MAN) in search of garnering that power and wealth—IS NOT ACCEPTABLE.

I believe that I will simply quote from Commander Gritz' message as it speaks more clearly than can I in causing to see and hear the seriousness of "position" of your brothers in containment cells. These are ones who served your country and have paid with their very lives of human experience.

Col. Gritz has served and has experienced the deceit, lies and heinous torture and despair. He has been "sent in" under the facade of LIES to find his brothers in the jungles and places of hell. He has been victim of the very government practices and assault that lies about the presence of PRISONERS OF WAR—(ALWAYS THE ELITE WAR MONSTERS' WARS). **HE IS IN DESPERATE DESPAIR BECAUSE THERE IS NOTHING MORE THAT HE CAN DO—AND HE HAS ALREADY GONE INTO THE VERY PLACES OF THE DEMONS AND KNOWS THEY**

ARE THERE AND CAN DO NOTHING. HE HAS TURNED IT INTO THE HANDS OF GOD TO LEAD THE WAY, TAKE CHARGE AND SHOW US WHAT TO DO TO "SAVE" THOSE ONES DESTINED TO DIE AT THE HANDS OF THE EVIL

Please see GRITZ, page 7

Amusing Note

We thought it would be amusing to share with our readers what happened once the location was confirmed for Bo Gritz's appearance to speak in Tehachapi on Sunday August 16 at the local glider port and airfield. The OK came from the enthusiastic, pro-Gritz owners. One of the owners was already contracting for refreshment stands when "other partners" entered the picture and said "NO!" to the event. Of course, the glider port depends heavily on NASA/government contracts. Wonder who the "other partners" were?

The Sordid Truth About Our POWs: Drugs Are More Important Than People

(Editor's note: Keeping with the dedication of this issue of THE PHOENIX LIBERATOR to patriot Colonel James "Bo" Gritz, we are here reprinting an important outlay on POWs from Commander Hatonn's writings of mid-November 1990. Remember our war games in the Saudi Desert were heating up at that time and the subject of sons and daughters, husbands and wives, sisters and brothers going off to yet another crooked war was as much on our minds then as, again, at this time. This important POW writing is extracted from JOURNAL #21 called CREATION, THE SACRED UNIVERSE, pages 163-164 and 179-188.

Colonel Gritz has actively sought the return of American POWs for more than 10 years, but the cover-up has remained massive and ghastly. In his definitive account of a nation betrayed, titled CALLED TO SERVE, this most-decorated Special Forces Green Beret Army Commander reminds all of us of our obligation to first get informed and then act to clean the crooks from our once great Republic. The following is a good place to start.)

11/17/90 #1 HATONN

LET US DISCUSS PRISONERS OF WAR

I will not cover this subject properly at this sitting for I must move on with the JOURNAL subject under penning—let me suffice it to say that YOU STILL HAVE A WHOLE BUNCH OF PRISONERS OF WAR IN VIETNAM. As ones are able to escape in one manner or another they are immediately intercepted and given warnings by your government to keep silent under penalty of death. I have already suggested you get your own proof of this and further, **face the fact that your sons, husbands and fathers are not**

worth the price of one ounce of drugs. I have suggested you get Col. Gritz's book and now, I further ask you to do your homework and save me some time for new information revelations. Get a book called KISS THE BOYS GOODBYE, by Stevenson/Jensen, Liberty Library, 300 Independence Ave. SE, Washington, D.C. 20003, \$24.95. You are going to get some eye openers that I believe will curl your hair, even if you have none. I shall give you a brief synopsis at the next writing but I wish to now continue with your own creation and origin.

11/18/90 #2 HATONN

May the light shine around about thee as we act in service this day, I am Hatonn.

FIRST, TODAY'S WATCH

I request that your attention be drawn to the volcanic eruption in Japan this day. The last time this particular volcano, Oshima—I believe may be proper label and spelling in your English—erupted it caused some 15,000 souls to transfer. I suggest you keep an eye open for it is indeed an important sign of activity for it indicates heavy action at great depth, of Fuji. It is alright, Dharma, you will hear of it later this day. We have trouble sorting out one tiny activity from all the others on your place and especially the correct labels which you attach to the items. This is the message given to me by Commander Soltec and I simply pass it along. By the way, Soltec plans to give you another lesson or two regarding geology as we have time for same. The masses of citizens have no knowledge regarding simple geographic and geophysical concepts and terms. It becomes important as you move into water supplies and soils for growing foods. We will

cover it in most generalized terms which will be suitable for general conceptual information in a global manner.

Hold your breath today over the games on the "Saudi" beaches—clever games can backfire most heinously. It is no accident that your President AND Secretary of State are scouring Europe to drum up support for your grievous actions—expect more money to flow from your coffers, likewise. "Spring in Prague?" Indeed no, it is the onset of a "bitter winter"! and words from Bush will not change of it in the least—just give false hope to a troubled people.

ABANDONED GIs

Let us turn now to a discussion about abandoned GIs in Vietnam as I touched upon yesterday morning. This will example, in a very brief manner, what you can expect for your beloved sons, fathers and husbands from the Middle East, if and when this heinous occupation erupts into war and moves on. The reasons for the wars themselves are so tragic that a continued cover-up of intent must be maintained by your Cartel Elite forever more. Once the sham is presented, the truth must be trapped within the cover lest you of the masses rebel. **IS IT NOT TIME YOU PUT A STOP TO THIS TERROR AND DECEIT?**

ROBERT GARWOOD, MARINE

This is going to be a bit of a story regarding a young man by the name of Robert Garwood. This young man, a Marine, was a prisoner in Southeast Asia and came back in 1979. As background, he had managed to get out because he was able to secretly pass a note to a Finnish diplomat. The contents of the note and the incident was

broadcast over the BBC and the Vietnamese were required to release him.

I remind you of the book I suggested for your reading—or accept this truth, as you choose. I think you should know that the book authored by Jensen-Stevenson is a brilliant and daring piece of journalism. Mrs. Stevenson (Monika) was a FORMER producer with CBS's 60 Minutes who literally "stumbled" onto the information regarding the plight of prisoners of war (POWs) in Southeast Asia through daring ones such as Col. Bo Gritz, etc. We honor ones who will take a stand for truth in spite of that which can be brought down upon them. Salut!

No sooner was Robert (Bobby) released than the U.S. GOVERNMENT **READ HIM HIS RIGHTS AND HE WAS COURT-MARTIALED!** HE STOOD ACCUSED OF COLLABORATING WITH THE ENEMY!

Garwood said he was eye-witness to other POWs and had had direct contact with and knowledge of many other prisoners. Of course the stories were discounted and the State Department and Pentagon denied any such prisoners as well as disclaiming any such stories by one, Bobby Garwood. But indeed Garwood HAD talked about other prisoners and this was clearly noted in NATIONAL SECURITY COUNCIL DOCUMENTS!

The documents referred to discussions of how Garwood had spoken about other prisoners while he was still in Vietnam, shortly before he came back to the U.S. It was proven that Garwood's story was truth from first telling and there is now documentation of that truth.

The truth, of course, regarding this poor young man, is that he was set up—court-martialed—only because he knew about the other prisoners, not because he had been a collaborator with the enemy. The horrible thing about this is that, of

course, he came out in 1979 when a lot more other prisoners could have come back than will ever be able to come now.

The story of Garwood is heartrending, dear ones, but you must face truth lest you never clean of the mess within thine own nests. He learned to speak Vietnamese from a veteran POW who taught him how to survive. Yet, when Garwood escaped and came out alive, the U.S. government turned it against him and charged him with collaborating with the enemy.

Ones such as Lt. Gen. Eugene Tighe, former head of the Defense Intelligence Agency (DIA), former POW Capt. Eugene "Red" McDaniel, also with others in the Pentagon and people with long family ties to the military were contacted by the authors. And then came the call from a Colonel on the NATIONAL SECURITY COUNCIL who was in charge of the POW issue and he told the authors to "DROP IT". He proceeded to tell them about everyone with whom they had spoken and then proceeded to slander and discredit them. Yet these were all people of impeccable reputations who were quite obviously telling truth. THEN THE PUNCH LINE: THIS COLONEL TOLD THE AUTHORS THAT IF THEY DID NOT CEASE AND DESIST THE PERSISTENCE OF LOOKING INTO THE MATTER THAT THEY WOULD BE **"RESPONSIBLE FOR THE DEATHS OF THE MEN WHO WERE STILL OVER THERE"**!

The colonel made it clear that it was well known that there are additional prisoners still in the Vietnam prisons.

Oh yes, to you who still believe in tooth fairies and Santa Claus—subtle death threats come also from several sources to effort to stop truth from flowing. Our scribe and publisher and ones working on the JOURNALS are constantly under attack, and threat of attack via phone, actual approach, actual gunfire, microdot placement, beam pulses and thus and so. **THE COVER-UP IS MASSIVE AND THE TRUTH BRINGERS BEAR A MASSIVE FRONT OF DISCREDITING AND LIFE-**

THREATENING DANGERS TO PUT MR. 007 TO SHAME AS A KINDERGARTEN CHARACTER. YOU ARE NOW IN THE HARD-BALL GAME, CHELAS! YOU ARE NOT DEALING ANY LONGER WITH SIMPLE INTERNATIONAL, INTERNATIONAL—GLOBAL INTRIGUE—WE ARE NOW PLAYING IN THE MOST WIDESPREAD INTERGALACTIC INTRIGUE EVER UPON YOUR PLACE. The rapid spreading of the truth is the only protection these ones have in your big, nasty world. It is through rapid dispersing of THE TRUTH, the materials, the books, that protection comes for these daring bringers of TRUTH. It finally gets too OBVIOUS if something happens to them which causes their death. This is why we reveal the death power of beams and pulses—so that a cardiac arrest, say, in this scribe is in no manner construed as "natural causes". The conspirators have taken out so many valid truth-bringers that it would indeed shock your senses. Further, those within the conspiracy system are equally taken out when and if they in any manner become a hazard to the PLAN! These ones who would be put on trial, for instance, where truth might come forth—are stricken instantly with terminal cancers, brain tumors and/or severe heart attacks and so forth. Pay attention, it is happening every day of your existence.

CREDIBILITY

The authors of KISS THE BOYS GOODBYE had, for example, the man who was in charge of prisoner security for the Vietcong, a man about whom many prisoners who did come back in 1973 reported. Garwood also described this man as having been in charge. This man was of Chinese descent, and because the Vietnamese had a conflict with the Chinese in the late 1970's, he defected. No one in the U.S. wanted to speak with him, to be sure.

It was only because Ross Perot, the Texas billionaire who got his own employee hostages out of Iran, flew this Chinese man to the U.S. that he could testify before Congress. He

talked about two things: first, a warehouse of bones that the Vietnamese have and how every once in a while they would return a few bones as "American remains" when it was diplomatically advantageous. That was accepted. It's on the record. He is known as the "mortician".

However, he also talked about live prisoners. He was the man who had been in charge of them. He reported on specific Americans who were under his control. Everything he said about those live Americans was somehow discredited. He was considered "believable" on the matter of the bones, but not believable on the matter of the live Americans still held there—ah yes, the absolute integrity of your Congressmen!

Funny thing, when spoken to OUTSIDE the great halls of "injustice", nobody has any difficulty, what-so-ever, in believing the truth. As you might guess, however, the greatest support for this truth-bringing is from the precious Vietnam veterans themselves and those men who were involved in intelligence operations, most especially the Special Forces and military intelligence. These ones must face the facts, that their lives are of less than no value to your government or Pentagon. If their presence is apt to pierce the cover-up—they are expended.

These men, however, are everywhere and they do know the truth. What they have actually done now, is to shape an intelligence network that is probably better than anything the U.S. has officially. This is because they have had to use their ingenuity, and they have contacts still inside Vietnam. Over the years they have collected volumes of information.

You see, one of the things that your government does is keep all this information "classified". They keep it classified so that no one is legally allowed to look at it, and then they can say that "there are no prisoners" and in the interest of "National Security" the records are restricted.

However, as with all lies—

there are always ones who KNOW TRUTH, and they have managed to get much of even that "classified" intelligence and have put it right onto computer files, scattered about and carefully analyzed. Just as we place our information and computer output on discs and store the information in many various and distant places, they have protected the truth—it is impossible for man to destroy that which he cannot locate. Further, as with us, the scribe and no ONE person KNOWS the whereabouts of all and this insures safety for there is no way to obtain information that is not within a given person. Further—LET ME ASSURE YOU: AS ONES IN SURVEILLANCE CREWS AND SURVEILLANCE SERVICES COME INTO TRUTH—THEY REALIZE MOST SPECIALLY OF ALL, THAT THEY, TOO, ARE VERY MORTAL AND THERE IS NO SECURITY FOR THEM FROM THE VERY ONES WHO HIRE AND TRAIN THEM. THESE SURVEILLANCE CORP WORKERS ARE THE FIRST TO BE TAKEN OUT AT UNCOVER TIME! REMEMBER, ALL MEN DIE!

I want you to further understand the confusion and perplexion of these authors for she was a producer of a major media "hit" program and Mr. William Stevenson, her husband, had a long, long history of defending the intelligence agencies.

As it became known of the investigation by these authors, information began to come in by many methods and a whole network of support began to flow from very substantial resources such as Gen. Tighe and Ross Perot—the billionaire industrialist—and people in the Pentagon who were credible and incredibly daring sources.

Tighe, for example, was the head of DIA (Defense Intelligence Agency) from before the end of the war in Vietnam through 1981. DIA is the organization that analyzes all of the intelligence from the other agencies. It would have knowledge of all of the intelligence on POWs. Tighe said that when he had that job, he made the POW issue a top priority. Every morning it would be the first thing on his desk,

and based on that information he is convinced that there are prisoners there. As a matter of fact, he calls that intelligence a "miracle".

This is because many of your Southeast Asian allies were imprisoned with a lot of your men. You had, when they came out of imprisonment, a lot of direct reports about American POWs. It is not just that ONE man saw it or was vaguely aware of it.

Tighe describes it as there being as many as 25 different people living in different parts of the world who saw prisoners. There were absolute, wonderful, bonafide reports coming in from all over that had

been sifted through, and they were convinced that it was good intelligence.

NO OATHS BROKEN

Ones such as Gen. Tighe have broken no "oaths" of secrecy. He doesn't give information from "files" nor documents—he is simply an observant person and citizen—YOU DON'T HAVE TO SEE THE MISSILE INSIDE THE SILO TO KNOW IT IS IN THERE! This is a point he often recites. The facts are that all of the intelligence, even unclassified, indicates that the POWs are there. It is through great men such as this that you can come to be-

CALLED TO SERVE

James "Bo" Gritz

In his 2nd stunning book, Col. Bo Gritz lifts the veil of National Security to reveal how U.S. Forces have been used as tools by international elitist; precisely which high-level federal officials, guilty of drug trafficking, prevent American POWs from coming home; specifically how narcotics are used to pay for U.S. and Israeli covert operations. Under the heading, Profiles in Conspiracy, Gritz names the killers of the Kennedy brothers, discloses the truth behind the Watergate coup and the attempted assassination of Gerald Ford and Ronald Reagan. In the Chapter, The Third World War, Gritz exposes patriots for profit who use the CIA as muscle to maintain subjugation over emerging nations. This is required reading for all who would understand the New World Order.

lieve the truth of it. These men have additional struggles, beyond the norm, with conscience. If they come into confrontation with God, the conscience will always move toward God and truth if it be an honorable man.

At some point you ones must face the fact that "secret intelligence" has become a tool used in the bureaucracy, not to defend your country, but to defend positions and personal interests.

WHO WOULD DEFEND GARWOOD?

If indeed, Garwood was a "collaborator" with the enemy as the government has claimed, then all of these veterans would not have been on his side. These are all very brave, very courageous men with incredible records. It doesn't matter, though, what kind of record you have when you confront the people who control the POW issue, because if you dare to tell the truth you get smashed. This is why the returning veterans of Vietnam have been so shabbily treated. Further, it is sad that such great and outspoken persons such as Jane Fonda, have capitulated to the pressures and now come within the very system which she could have influenced, ultimately, for truth and justice. Well, there are others who have not capitulated and still daringly place their necks on the chop-block every minute of every day to give you truth.

LT. COL. JAMES "BO" GRITZ

I cannot honor this man often enough—I have personal discourse with him and I bend in salute to his courage. Each must do all that is possible within each—to spread this truth and awaken the sleepers. I give great honor unto this brave soldier.

This man has suffered endlessly, for speaking out on the POW issue and the uncovering of factual evidence and documentation of the drug situation in Asia. He has named names and brought irrefutable proof unto you and he has been targeted for death by your own government and Pentagon—but

he works within the shield of God, my friends, and it becomes quite difficult to break through that shield of Light as long as the protected keeps the shield intact.

Much has been done to discredit this man. It has been done very effectively! As a result, a lot of people think that he is just some "crazed Rambo"! The truth is that he was on a very fine career track when he decided that the POW issue was more important. He was persuaded to leave the military officially but continued to work with it—one of those top-secret arrangements! He made that decision because he was a partner with the government in knowing about POWs absolutely. Part of that intelligence was photographs and specific reports coming back on prisoners in Laos, on very specific people.

The government was initially involved in a mission to get those men out, and then they pulled back, and Gritz went in by himself and was sabotaged. The way they sabotaged him, among other things, was to announce over the Voice of America that he was in Laos "on a top secret mission". This was announced over and over again to make sure that the information was not missed. This has happened to others, also, and is a common trick to render a mission useless.

The minute the U.S. government finds out that someone is over in Southeast Asia and may bring someone out or bring information, they sabotage it.

It is always awkward to identify "they" although you should always inquire. It is very difficult to pin down and accuse large numbers of bureaucrats who, for a large number of reasons, including total incompetence, contributed to such a scandalous situation. The name of the game is blame-passing and cover-up, bribe taking, etc., so you just have to understand that "they", in this instance, must stand without further identification.

In this particular situation, however, a group of people did take control of the issue of these missing Americans and wanted

to conceal their existence in order to continue their own private work, as it were, against the Vietnamese communists after the peace accords in 1973 and after the pullout of U.S. troops in 1975. Further, some are in very useful placement which would destroy effectiveness if revealed. There are quite enough credible spokesmen to suffice.

It is interesting to note that some of the "they" group are credible in a most "reverse" manner. Many of the "they" group have been following their own particular policies and intent. When Secret Intelligence becomes too big and too bureaucratic it becomes possible for small groups of "theys" to follow their own particular policies. They became (in this instance) accustomed to financing covert warfare through unorthodox and even criminal methods like illegal drug smuggling, etc. This was usually done with blessings and instruction of the government and Pentagon itself.

It was, however, when people began to touch upon that aspect that they got into trouble. At first it seemed to them to be a legitimate means of financing covert warfare in order to avoid oversight by Congress. However, as time wore on, it began to yield huge profits, and the money became too big a temptation—as it always does.

This aspect of drug smuggling and covert operations was revealed quite well in the Iran-"contra" entangled mess. It has, further, been linked inseparably with the S&L scandals—BILLIONS AND BILLIONS OF DOLLARS ARE INVOLVED AND THE INVOLVED PARTICIPANTS GO ALL THE WAY TO AND THROUGH YOUR PRESIDENCY.

ROSS PEROT

Mr. Perot has revealed a lot—in some instances more than intended—but we note that it is all public record so we will share it with you. He put the circumstance very well; this small group, this "secret team"—whatever you want to call it—had become addicted to drugs. Not in the sense of taking drugs

themselves but in selling drugs as a means of financing a secret war that had no official public support. It was therefore being conducted in total secrecy—with blessing all the way to the top and on the secrecy as well.

ADDICTED TO DRUG MONEY

These people became totally addicted to the money, the power and the immense profits to be made from the sale of arms. They fooled themselves into thinking that what they were doing was patriotic—or at least that was the "excuse" foisted upon you the public. They fooled themselves, and you, to the degree that any men who had to do the real fighting had to be written off, or otherwise their grand scheme would be jeopardized.

The first thing you owe anybody who goes to war on your behalf is the decency to bring them back, dead or alive, and account for them to their families—nothing less is acceptable. For hundreds of years that has even been the agreement between any government and the men that go to fight for the government. Look what you have here! You not only have your own government as a player—but you pay (did you hear me?) PAY the old enemy to keep the men until death takes them—ONE WAY OR ANOTHER! The government is now blackmailed for if the men are simply killed outright, the old enemy will tattle on you—and so the payment goes on and the bribes for silence given freely.

BRAVE WIVES DESERVE MUCH CREDIT

A lot of grieving wives who have been involved in the POW issue have suffered greatly and blessed are they who have not "just gone away".

It has been totally outrageous—the things done to these people. The wives, especially, have been helpless. They don't have any money, any large organization—no lobbying power like the Zionists, for instance, who, by the way, send the Mossad trainers to train the groups involved in the drug run-

ning and in keeping the men imprisoned.

If the wives didn't go along with the National League of Families, which represents the "OFFICIAL" government point of view, they have been hammered, discredited, attacked and threatened. Oh yes, some of these wives have been killed in cold blood to shut them up. The National League of Families, like so many wondrous organizations originally founded, was originally of pure intent. It has since been taken over completely by the government in order to control the issue and to state only what the "secret team" decides to be palatable to the public's tender ears and eyes.

This is the epitome of abuse of secret intelligence, and one of the things you must work to do is have the intelligence on prisoners declassified. The information of worthy nature will not be revealed but the fact of destruction and/or cover-up would be revealed by the very lack of records.

NOW LET US LOOK AT 60 MINUTES

Ed Bradley of 60 Minutes was cool to the whole Garwood story from the beginning of its breaking. Let us look at possible connections and why he might have wanted it "stuffed".

Bradley was a Vietnam correspondent and had been very close to some of the people who were in charge of the POW issue. When he dealt with them again, he fell to their "reasoning". He came away claiming to be convinced that people being dealt with were either senile or distraught widows, orphans and so forth. Bradley preferred to play the game with the deceivers.

The authors of the material were leaned on very heavily by the network who in turn were leaned on very heavily by at least one senator who had a very important role in all of this. Of course those avenues of "pressure" are covered very, very well. And so it goes. This is the story as affects all truth-bringers. The dark "criminals" who would control your very world, assets and citizens as

well, will stop at nothing to stop the truth from unfolding. They control by force and deceit and you ones must open of thine eyes before it is too late to make a difference. Your nation is on the very brink of destruction—pulled down by the very ones you gave power to "protect" you. So be it.

WHAT IS CONGRESS DOING ABOUT THIS?

As usual, not very much and that which they have done is anywhere from inconsequential to utterly damaging and ridiculous. Oh, there have been one or two as I will note: Jesse Helms and Charles Grassley are two. They have finally managed to bring this issue to the attention of, of all things, THE SENATE FOREIGN RELATIONS COMMITTEE—a dandy offshoot of the FOREIGN RELATIONS COUNCIL of which we frequently speak. But the only real work is going on through independent publications and groups such as YOU THE PEOPLE.

Prior to this there were many congressional committees that looked into this and came up with some quite unbelievable answers, having totally accepted the cover-up for obvious reasons.

Interestingly enough, there was a very big Veterans Affairs Committee looking into this, and they simply came up with the solution that the guys were all dead, and in the process they discredited a lot of the people who had given them information—and a lot of that information has since completely disappeared—somewhat like the FBI and Noriega's files with CNN! When the owner of CNN capitulated it was a great loss to you the people and you don't know even the slightest bit about what really has transpired. Well, in the POW matter, people had to testify in secret. The congressmen who heard the testimony came back and said there was no validity to it.

How about the Ray family, for example. The Rays lost a son in Cambodia, and had very valid information that their son had not perished where he was said to have died.

They even found out that

their son received a Purple Heart medal SEVEN MONTHS after he supposedly died, and that there were two death certificates and that other people reported having seen him ALIVE long after he was said to have died.

They took all of this information to the committee headed by Sen. Frank Murkowski and when they tried to question the senator, Murkowski said: "If he's dead, he's dead. Have you ever considered the possibility that maybe people are trying to save your feelings?" Well, he is, of course, dead by now! And so it goes, example upon example. May you come into your awak-

ening soon, dear ones, while there is possibility of change for it is a most dreary picture as it now is outlaid for and by you. I can only assist by bringing these things into your attention and you will do that which you will; may God touch of your hearts with compassion and understanding for you must be acting quickly now, if you would change of your direction into destruction. Change must begin with the single individual willing to stand forth—but, you will find there are already those there who have dared and you will no longer stand "alone". So be it.

Farewell Address Of George Washington

(Editor's note: The following Address by George Washington is as strikingly timely now as it was two hundred years ago. Or put another way, the crooks have been working for a long time to take over this country. This writing is extracted from pages 243-245 of JOURNAL # 20 called THE MOSSAD CONNECTION. Ponder the advice.)

10/18/90 #1 HATONN

As a reminder to you of the United States it is appropriate herein to reprint the Farewell Address of George Washington, given before your Congress in 1796—now recognized as an all-time classic in content:

So likewise a passionate attachment of one nation for another produces a variety of evils. Sympathy for the favorite nation, facilitating the illusion of an imaginary common interest exists, and infusing into one the enmities of the other, betrays the former into a participation in the quarrels and wars of the latter, without adequate inducements or justifications.

It leads also to con-

cessions, to the favorite nation, of privileges denied to others, which is apt doubly to injure the nation making the concessions, by unnecessary parting with what ought to have been retained, and be exciting jealousy, ill will, and a disposition to retaliate in the parties from whom equal privileges are withheld; and it gives to ambitious, corrupted or deluded citizens who devote themselves to the favorite nation, facility to betray or sacrifice the interests of their own country, without odium, sometimes even with popularity: gilding with the appearances of a virtuous sense of obligation, a commendable deference for public opinion, or a laudable zeal for the public good, the base or foolish compliances of ambition, corruption or infatuation.

As avenues to foreign influence in innumerable ways, such attachments are particularly alarming to the truly enlightened and

independent patriot. How many opportunities do they afford to tamper with domestic factions, to practice the arts of seduction, to mislead public opinion, to influence or awe the public councils.

Against the insidious wiles of foreign influence (I conjure you to believe me, fellow citizens) the jealousy of a free people ought to be constantly awake; since history and experience prove that foreign influence is one of the most baneful foes of republican government. But that jealousy, to be useful, must be impartial; else it becomes the instrument of the very influence to be avoided, instead of a defense against it.

Excessive partiality for one foreign nation, and excessive dislike for another, cause those whom they actuate to see danger only on one side, and serve to veil and even second the arts of influence on the other.

Real patriots, who may resist the intrigues of the favorite, are liable to become suspected and odious while its tools and dupes usurp the applause and confidence of the people, to surrender their interest.

The great rule of conduct for us, in regard to foreign nations, is, in extending our commercial relations, to have with them as little political connection as possible. So far as we have already formed engagements, let them be fulfilled with perfect good faith: (But) here let us stop.

Europe has a set of primary interests, which to us have none, or a very remote, relation. Hence, she must be engaged in frequent controversies, the

causes of which are essentially foreign to our concerns. Hence, therefore, it must be unwise in us to implicate ourselves, by artificial ties, in the ordinary vicissitudes of her politics, or the ordinary combinations and collisions of her friendships or enmities.

In offering to you, my countrymen, these counsels of an old and affectionate friend, I dare not hope that they will make the strong and lasting impression I could wish; that they will control the usual current of the passions or prevent our nation

from running the course which has hitherto marked the destiny of nations.

But if I may even flatter myself that they may be productive of some partial benefit, some occasional good; that they may now and then recur to moderate the fury of party spirit, to warn against the mischiefs of foreign intrigue, to guard against the impostures of pretended patriotism, this hope will be a full recompense for the solicitude for your welfare by which they have been dictated.

God's Blessed And Chosen Nation

(Editor's note: The following is a reminder of responsibilities and blessings that seemed an appropriate addition to the patriotic theme of this LIBERATOR. The short writing is taken from page 161 of JOURNAL #23 CALLED BURNT OFFERINGS AND BLOOD STAINED SANDS. May we yet have time to fulfill this Divine Charter.)

1/20/91 #1 HATONN

How was the United States of America set forth and founded? Let me remind you for you, as a nation, have forgotten and abdicated your responsibilities. You, as God's blessed and chosen, were given responsibilities, the exercise of which would bring the promised blessing to the other nations and families of the earth. Let us look at just four of them:

1. You were to provide healing for the sick, the blind, the deaf, and the lame.
2. You were to be God's instrument through which oppression would cease, and prisoners be released.
3. You were to transmit to other nations and peoples the benefits of the righteous Law of God.

4. You were to spread throughout the rest of the world the knowledge of the grace and love of God.

You were sent forth and gifted with a nation set above all other nations that you might fulfill your task as laid forth. Further, you were set up and sent forth as "caretakers" for The Creation as represented in your wondrous planet. Yet, from the beginning you allowed the evil to come within and eat away your very substance. Now you have given away the wondrous gift of freedom and God blessings into the hands of the manipulators and deceivers. Wrathful God? Well, God speaks for self but if I were in the shoes of the ones who allowed this and abetted the evil in bringing this upon your blessed nation—I would be most nervous indeed.

Bo Gritz

ONES WHO WOULD KILL THEM BEFORE THEY WILL ALLOW TRUTH TO SURFACE. GOD IS SUFFICIENT, CHELAS, INDEED GOD IS SUFFICIENT—BUT WE ARE EACH

IN HIS OWN IMAGE. THAT MEANS "WE" HAVE TO DO THAT WHICH MUST BE DONE. GOD HEARS THAT SINGLE VOICE OF PETITION AS SILENT AS THE HEARTBEAT—BUT "MAN" HAS TO HAVE THE CHORUS OF UNITY IN DEMANDING VOICE TO RECOGNIZE THAT HE SHALL SET "MY PEOPLE FREE".

Will you hear him? Will you hear ME? Will you serve with him? Will you serve with ME? Will you DEMAND response? Will you ask GOD? Will you be sincere enough to place your own convenience and desires of physical comfort into a position of experiencing, ever so slightly, that which the POWs suffer every day of their entrapment? You shall not have the terror and that of "other" subhuman experience—but will you forfeit just ONE DAY of food rations to offer God your petition in "action"? Will you join as a voice, with your brethren, and lift your petition unto GOD that he may speak as the ONE WITHIN and show you what must be done to attend our brothers who served only to be destroyed at the very hands of the ones for whom they served—pawns in a deadly game of greed and corruption, power and TOTAL EVIL?

I hear you asking, "But could you, Hatonn, simply go get them OUT?" Yes and NO! I could get them out—but the lessons and service ARE YOURS—NOT MINE. The things of Earth must be tended by the ones of Earth. I, too, petition GOD that we be shown THE WAY for this is the way of it. Each of us must serve in our space and time and understanding. I, too, must await petition and "orders" from Higher Source. We move in intent TOGETHER or we move not at all—IT IS UP TO YOU!

QUOTE: Col. James "Bo" Gritz from a portion of a response letter requesting his presence for other service:

"We are headed to Oregon tomorrow; then Washington, D.C. 10-12 Aug; 15 Aug. starts a 24 hour fast. I have asked national media to request all Americans fast on Saturday and offer a petition to God on Sunday that our POWs be returned home—while (if) they are still alive. I believe it is the last chance for them. God can certainly do all things. I have faith that if America demonstrates resolve, compassion, humility, and

recognition of our dependence on God to do what we can not, HE will hear our prayer and extend HIS hand of mercy. Otherwise, I believe our brothers are lost to us. This has nothing to do with my campaign, but I am certain the POWs are doomed if there is not Divine Intervention.

"..... Neither event can interfere with our planned fast and Sunday petition. If there is any opportunity to further communicate the appeal for Fast & Prayer, please do so. Somehow we must try and get this word across the USA so that every American will have a charitable opportunity on that weekend to do something for someone besides themselves. Appreciate your understanding and help in this matter."

END OF QUOTING

It will ONLY be through the voice of unity that this mission can be done. IF EACH PERSON ONLY TOUCHES ONE OTHER—EACH AND EVERY BEING IN THE WORLD IS TOUCHED—LITERALLY. IF THE CHAIN IS NEVER BROKEN—THEN IT SHALL ENCIRCLE ALL. IF THIS BE DONE—THEN THE PETITION IS AUTOMATICALLY SERVED FOR THE ONE WITH THE KEY MUST OPEN THE LOCK. IF YOU DO NOT DO YOUR PART, HOWEVER, DO YOU UNDERSTAND THAT **YOU MIGHT BE THE VERY ONE WHO COULD HAVE OPENED THE DOOR? PONDER IT FOR GOD WAITS!** This demands that you "ask for another" without thought to "self". It is the "way" of the Native Aboriginal Brethren. **GOD WAITS!**

If YOU do not get the word in time can we not do it again and again UNTIL THE DOORS ARE OPENED? HOW WILLING TO SERVE ARE YOU—IN RETURN FOR THE SERVICE YOU EXPECT FROM GOD AND THE HIGHER BROTHERHOOD? IF YOU ARE NOT WILLING TO DO IT FOR SELF AND BROTHER—WHY SHOULD GOD SERVE YOUR NEEDS? PONDER IT. WHY ARE YOU "EXPECTING TO GET" IF YOU ARE NOT WILLING TO "GIVE"? AND YET, KNOW THAT IN THE "GIVING" IS THE "RECEIVING". YOU CAN DO IT IF YOU WANT TO! **ALUI!**

A Parliament Of Whores

8/6/92 #3 HATONN

WHAT'S GOIN' ON?

When you have a Parliament of Whores, you have so much going on under the covers that it is all but "humanly" impossible to keep you current.

What is happening, however, is so deadly and desperate in action as to require that we speak of many of these aspects involved, from what we have already given you in detail, to more in political planning and deceit.

Let us just boggle on off into the deep end of the black hole and hope you have your lifelines blown up enough to keep you from drowning in the muck.

I see only one real possibility of stopping the "political action" as planned against you—and that, friends, is through public attention, action and knowledge. We have neither the time nor inclination to repeat and repeat and repeat so we will act under the assumption that readers have been reading.

Where are YOU in all of this mish-mash? Well, up until recently you fit the following observation by Ogden Nash:

*Abracadabra, thus we learn
The more you create, the less
you earn.*

*The less you earn, the more
you're given,*

*The less you lead, the more
you're driven,*

*The more destroyed, the more
they feed,*

*The more you pay, the more
they need*

*The more you earn, the less
you keep,*

*And now I lay me down to
sleep.*

*I pray the Lord my soul to take
If the tax-collector hasn't got it
before I wake.*

It has further been observed that *"The whole aim of practical politics is to keep the populace alarmed (and hence clamorous to be led to safety) by menacing it with an endless series of hob-*

goblins, all of them imaginary.

Forget that one—it has now arrived—the acts are not imaginary nor are they arranged by some type of hobgoblins—the acts against you and your globe are REAL, orchestrated by the Elite, under way to completion and the nightmare will not "go-away" when you awaken!

NOW—OR NEVER

I am asked "Why the PHOENIX LIBERATOR?" And, "Who do you think YOU are?" I am further petitioned by Dharma, "Why me?" In reverse order: 1. Who else? 2. I am sent of God as Host to give and receive God's information and do HIS service and, 3. Always God makes sure there are outlets for Truth for the people in time of change. There were others in your own historical archives such as the *Federalist* (referred to yesterday), the *Liberator* (at the time of Lincoln and slavery abolition) and thus and so. Many of you will remember them well!

Your world teeters on the brink of disaster this very day. There have, however, been some changes caused by attention and publicity. To you who think your faces are simply covered with egg—nay, nay—you have kept the blood and destruction at bay for a possible few minutes longer.

GAMES IN SPACE

The announcement that the satellite program was folding-up was a good indication of progress in postponing actions of disaster. The announcement, however, means NOTHING for the whole of the presentations has been a lie. It does indicate that the ignition of the radiation belt by your pulse guns—is not going too well. Please see prior writings to understand this mechanism. The only reason that most of you can "still see" today is because they couldn't get the ignition of that belt accomplished. Every day with the spread of the word of the secret

action gives you more possibility of a "call-off" of a first strike against Russia and thus a bit longer without holocaust destruction.

GOVERNMENT BY EXECUTIVE ORDER

That is already in place. The "emergency" is all that needs be in place to give credence to the "need" without question or opposition. That, too, is already in place for happening—pending other break-downs in contingency plans of your ruling criminals.

As I told you, in early July, the codes in the "football" "black-box" nuclear action key kept by the President—were changed in the Pentagon. This happened before when Nixon was in charge and election date was at hand. Bush, however, doesn't need the "key box" for first strike but there are other things which are needed and they are slipping in capability with each hour that passes.

Earthquakes are "still ON", weather disasters are "still ON" and warnings are "still ON". The show-and-tell of bringing down your stealth bomber in the last 24 hours was a very blatant SIGN OF WARNING. You will thank the commander of those Cosmospheres one day when this is all open and out—if you last that long. Does this mean that the Russians are finally and squarely "your friends"? No, no and no—they simply wish to do this "their way"! "You" are caught in the middle.

POLITICS-GRITZ

Good news and bad news. If you get someone like Gritz into office you have a chance for your nation but it will be in compliance with Russian dictation. If you don't get a man such as Gritz into office—you are doomed at the hands of your own Elite. I believe, were I you, I would go with the former for you see what the latter has done to you. Further, it buys survival time.

So what of Perot? Should you insist on his re-entering the race and hopefully win? **NO**—that is exactly what is structured against you—to appoint him President through the "Elite Plan" already in operation but being somewhat thwarted by unwanted public discovery. You see, chelas, there ARE some valid patriots within the halls of evil workers. The effort is to clear them out through revealed incidents requiring resignation, etc. Example?: "Tailhook" parties which embarrass the top-brass enough to cause resignation. This activity has gone on for years—do you think your administration cares about sexual harassment of a few females? Come now, especially to shut down a military forces branch? Oh indeed, the "get the top" orders were given and this was the chosen route and warning to others to "keep silent" about "election plans".

INDICTMENTS

Note a resurgence in plans to indict Reagan et al, (no mention of Bush) on Iran "gate" actions. Then, the next day announcement is made by the prosecutor that Reagan was not going to be indicted—only used as "witness". The obvious was to burst in with total action against Bush—but the Grand Jury is not now sitting and Walsh's term (special prosecutor) expires in December. So what is afoot?

Well, it is obvious that Bush is about to hit the dust. There are documents proving personal business relations between George Bush and Saddam Hussein through the BNL bank branch in Chicago. (Ah, you thought there was only one bank BNL—in Atlanta? Nope—one in Chicago also.) We speak now of massive dealings—not just a few wheat exchanges for pop-guns. We are speaking, in addition to weapons, etc., of major drug dealings out of the Golden Crescent area of the Middle East. This is WHY Armitage (the drug go-between in your administrative branch) was in the Middle East at the onset of the Gulf War. This is equivalent to the Golden Triangle in Asia.

There are KNOWN POWs in-

carcerated and alive right underneath Hanoi. There are also MANY in Russian gulags—hostage. So the kitchen heat is about full-bore. So what does this all mean? **It means that the plans are to pull off a coup in your government election system—which will provide PARDON for Bush and cronies. BUT, it is now stalled a bit because the toppling of your government will crash the market (and believe me, investors are efforting to "get out" now with assets—only stopped by higher orders to "hold the market").** Gosh, chelas, look at what is going on in front of you—even Milken who stripped billions from you people—is going to be released "because of exemplary behavior". Unfortunately, he DID NOT break any laws—it is the laws that are against you. But nonetheless, the pay-offs are being made while the payors are still in power to make the calls. But what of Perot? How does he fit into all of this?

ROSS PEROT

HE AINT WHAT HE APPEARS TO BE AND YOU PEOPLE ABOUT GOT SNOOKERED FOR REAL THIS TIME. HE IS PART AND PARCEL OF "THE PLAN". THEN WHY DID "I" SUGGEST A HOOKUP WITH GRITZ? SO YOU COULD SEE THE COIN TURN IN FULL VIEW. EVEN PEROT'S INVOLVEMENT IN RETRIEVING HOSTAGES WAS A TOTAL FARCE.

Perot had everything going for release of "his" people—massive payoff money, a "cover" story AND a working (I mean a business venture, in reality) with Sharon of Israel and that placed the Mossad at his disposal for information and "daring rescue".

As a matter of fact the Philippines are still in major attention for "settlement" for Perot as well as others in your nation. You can see by first looking at Subic Bay and Clark AFB. (The Penatubo eruptions were set and continue to be activated on cue.) You (the U.S.) are out of the Philippines, I believe, this very month. The U.S. Naval base docks are being towed to

Cam Ranh Bay, Vietnam! H. Ross Perot as well as Mobil Oil have contracts that cannot come to conclusion until the POW issue is buried and much information and activity regarding those men are flowing through the Philippines. My goodness, there is a lot of last-ditch paying off and squaring away happening in that cute little set of islands. I, too, hope they get it settled soon! You must realize that the web is so big and so strong that it touches all who make it to the public media.

Please, awaken chelas, it was NO ACCIDENT that "Larry King Live" got Perot to commit to running for President, nor WAS IT ACCIDENT for the follow-up encounters regarding the now "resignation". You are dealing with a Ted Turner network which establishes what the public will be shown—along with the networks OWNED by the Elite Conspiracy itself. For goodness sakes, the major stockholders in the crooked web around ABC are from BCCI. How close to the evil critters can you get? That takes care of Koppel—and what of Dan Rather? Well, he just happened to SEE the shooters of J.F. Kennedy and has made a lot of tracks careerwise by that one little incident! I doubt he would buck a system too much with those kinds of morals!

Where does Hatonn get all this dandy information? Right off the "grapevine"! If you ever get awake enough to get on the grapevine—so shall ye. We have NO INTEREST IN "BEING FIRST". Dharma, in fact, prefers to be absolutely LAST TO KNOW. My job, however, is to WAKE YOU UP—and we'll do whatever it takes because the rest of our mission is to bring God's people home and you are so soundly sleeping that you haven't any idea what or where that "home" might be. First the "two-by-four" for attention and THEN, perhaps you can hear your instructions.

HOW WOULD THE POLITICAL PLAN OPERATE?

EXACTLY as it did with Nixon, Agnew, Ford, Rockefeller, etc. Even to the extent of "holding-up on an indictment". Let's

have a brief look at how it works, and worked, in real action.

Worse to know—YOU HAVE A 25TH AMENDMENT TO YOUR CONSTITUTION THAT SET IT UP LEGALLY!

Now to make such a "plan" workable it requires players who are "blackmailable" and you have an entire plethora available. For instance, Spiro Agnew had bribery in his background which extended back to his Governorship of Maryland—so he was prime for this "Musical Chairs Operation" in 1973. This ended up by putting-in a panel of president and vice-president that were NOT "ELECTED". You people have forgotten in the interim 19 years.

At that time it started with Spiro Agnew. At that time a mass-media organization had the complete story of the "bribery" history all the way back to his being Governor. So what you had was a special interest group with their own agenda that had a full blown plan to put people in office that were not elected—all along. So in putting Agnew in, it was known he could be flushed out and then the framing of Nixon was easily set up.

The media held the information on Agnew for appropriate release for best advantage and timing. Like now, there are mass-media persons who know what is planned and are forbidden to speak or write on the issues.

So, under the 25th Amendment, Gerald Ford was put into the slot of vice-president—BY APPOINTMENT, NOT ELECTION. Then when it came down to August 8, 1974—Nixon resigned. Next day he departed—Gerald Ford became President by APPOINTMENT, NOT ELECTION and he in turn put in Nelson Rockefeller as vice-president, who could not have otherwise gotten into the position.

Now remember back, one of the first things that Gerald Ford did was to PARDON NIXON. Even your "legal experts" couldn't figure out for a while what had hit the fan. This was unprecedented—a PARDON in ADVANCE OF PROSECUTION. Years later, chelas, the foreman of the "Special" Grand Jury admitted that they had voted an

indictment of Richard Nixon and, therefore, the pardon was from a "pending indictment". **EXACTLY WHAT IS HAPPENING RIGHT NOW!**

The "convenient" problem with the present scenario is that there is a "pending indictment" but the Grand Jury in point has been disbanded and under the present terms of action the Independent Counsel Law expires December 15th, 1992. They MUST, therefore, do something prior to December 15th. December 15th, you will note, is several weeks AFTER the "election period".

The point in progress here is that there is NO INTENTION OF YOU HAVING A "REGULAR" ELECTION THIS YEAR, 1992. IN NO WAY CAN IT BE "REGULAR" AT ANY STRETCHING OF THE IMAGINATION.

This is why all the hoopla and stupidity of statements such as Bush step-down, Quayle step-down and thus and so. The stage is being set to roll smoothly when the action clapper snaps.

SO WHAT DOES THIS HAVE TO DO WITH PEROT AND TODAY?

Because THE "prosecutor" has authority to tell the foreman or other jury authority to "take the 'paper' back, do not issue it for it will topple the government, hold it or whatever - - -". The point is that if this is released presently—it will most surely bring down the government—so release would not be feasible until AFTER THE ELECTION DATE when contingency plans move into play.

You can KNOW that this action has been taken because of other happenings. Within a week of Nixon's "resignation" the ciphers (nuclear codes) were taken from Nixon through Pentagon changing of the codes. At that time it was arranged through Haig who knew of the "secret indictment pending" and therefore "cannot act as Commander-in-Chief". This simply meant that the "box" held by Nixon became inoperative.

This has now been done in the case of George Bush—on

or about July 10th. So—right now your "Commander-in-Chief/President" is NOT in control of the United States! Top officials in the military have already been briefed on these pending allegations (secret indictments).

So, now, guess who got right into the middle of "visiting" with "witnesses" about the accusations under the "cover" of finding out "truth"? Ah so—Perot!

The point now is: "How do we save Reagan, Bush and Weinberger from the hangman?" Bad news for Bush: Obstruction of Justice has already been waged against "highest ranking" Bush staff, and "published". I believe it is now apparent WHO "high ranking" IS.

Perot, unfortunately, becomes the "perfect one" to carry through such a plot. Perot was to his ears in hostages, etc., in Iran and the dandy media production, *Wings of Eagles*, was a total farce. Remember it was Ross' company whose hostages were taken in 1979—why and what was going on to cause such action? Ross Perot knew all about operations such as "October Surprise" and other clandestine encounters. He had top people in Teheran. This man was at one time a member of the Foreign Intelligence Advisory Board that supervises the "dirty tricks" and "covert operations of the CIA". He was also, as mentioned prior to this, in business with Israeli big shot Ariel Sharon.

Remember that the CIA is very active in that area known as the "Golden Crescent" so it doesn't look too good for Perot's innocence, does it? **Unfortunately, it is a total repeat of that which was taking place in Vietnam wherein total treasonists, Nixon and Kissinger, were working deals with the North. This cost the lives of thousands of U.S. men and the accusations were being made by officers who knew and saw but could not be publicly heard.**

SPECIFIC MANEUVER

There are again some fine men who are accusing their (your) Commander-in-Chief of

treason and the fire is getting very, very HOT. This group includes the "October Surprise" accusers and so on.

The next obvious question from you should be: "Then why don't these fine men just get the word out?" How? How many of you see Colonel James "Bo" Gritz' name anywhere, anytime? The Perot campaign manager in Los Angeles HAD NEVER HEARD OF BO GRITZ!

There is a book out which outlines these events of Watergate which you can get from Liberty Lobby, and I suppose elsewhere, called SILENT COUP. The publisher of that book is now under massive pressure to stop publication and distribution of the book itself. So, I would guess it is pretty "right on". Note that no matter how it might at first strike you, to pull Nixon down through "Watergate" was far more effective than simply having him arrested wherein he would have simply come out stronger rather than unscathed. Remember that McCord was a double agent and the whole of the Watergate scenario is excellent reading. E. Howard Hunt is simply always involved and personally integrated in assassinations, etc. You have to keep right up on your toes to fit the pieces together, chelas, but you can do it if you are willing to find truth.

You also have to remember that Haig had a very big bone to pick with Nixon and picked it!

SO HOW COULD IT WORK NOW?

Either just prior to the date of election, or immediately after, a "short-term" action could be run by not slating Quayle to be running as the vice-president (and another slated in his place); also, Quayle might very well resign because of a "Pending Scandal" (a case called The Chamberlain Case). **There is a witness and prior "partner" of Quayle who is in prison trying every way imaginable to "testify" against Quayle because he is NOW bitter indeed. The claim is that Dan Quayle was in "the marijuana business" with him. That story has been made public long ago and could end**

Quayle's run overnight. It would be quicker by far than with Agnew.

Know that a "Perot" game is in the immediate working. This is evidenced by his sudden responsive "drop-out" while stating his continued participation and urging to go on and get him on all ballots around the nation—this is GAMESMANSHIP at its most obvious, chelas. Then came the nice cozy calls and thanks to Perot while Bush was SUPPOSEDLY FISHING IN WYOMING. I BELIEVE YOU MUST BY NOW BE SEEING THE HANDWRITING ON THE UP-FRONT WALL!

Next step, Quayle is out—Perot is in and then when Bush resigns for whatever reason (health probably as they are already setting the stage for your deceiving), then if he hasn't resigned PRIOR to election date he would then resign on whatever pretext—THEN, under the 25th Amendment, Perot would turn around and APPOINT, NOT ELECT, a new vice-president. Then, a Presidential PARDON could be dropped on you without recourse if done prior to December 15th. The most opportune time for the maneuver would be between the November election date and December 15th (just prior to inauguration date of Jan. 20, '93.) If the occurrence is mandatory prior to election date—THEN, Perot would already be on the ballots and assume the role of candidate for the purpose of election fodder.

OTHER LOSSES

"But," you might ask, "what does this have to do with the Democrats? And, what would cause early resignation, and, and, and....?"

Well, there is plenty of final incriminating evidence which has been passed in security between, actually, submarine transfer. There are visual recordings, for instance, of Bush in the cockpit with Russbacher coming home from Paris in "October Surprise"—wouldn't that be a nice "Fall Surprise"? Indeed, Bush knows of the evidence—why do you think the fast-track push for Executive Order control of your nation?

He has to HAVE CONTROL BEFORE ALL THIS HITS THE FAN!

It doesn't matter how Perot might feel politically—THE GOVERNMENT'S FALL IS SOMETHING NO MAN WILL WANT ON HIS CONSCIENCE UNDER ANY CIRCUMSTANCES—AND HE, TOO, IS IN THE KNOWING THAT HE CAN BE DISCREDITED—ESPECIALLY NOW! HE WOULD BE WORSE THAN "NOTHING" WHEN "THEY" GET THROUGH WITH HIM REGARDLESS OF ORIGINAL INTENT.

SO WHAT HAVE "THEY" GOT ON GRITZ FOR BLACKMAIL? NOT MUCH BECAUSE THEY HAVE TRIED USING IT ALL PRIOR TO NOW! THE ONLY WEAPON AGAINST GRITZ IS TO KEEP HIM FROM BEING RECOGNIZED AND HEARD. SO YOU SEE, IT BOILS DOWN TO WHAT YOU-THE-PEOPLE DO FROM HERE ON IN.

CLINTON AND DEMOCRATS

Firstly, the Bilderbergers chose Clinton to fill the Presidency on contingency alternative plans. This is like direct grooming by the Committee of 300. But not to worry anyway—he is more blackmailable than any of the others.

Clinton is involved, as Governor of Arkansas, in what is called the "Mena Airport Scandal". This is not a NEW incident—it has been fluffing and blowing around for a long, long time—waiting to be drawn forth in a big-gun blast too late to recoup Democratic voters, and/or candidates for that matter—but that is WHY "Gore", just in case there has to be last minute emergency changes.

Clinton was secretly involved with the CIA since his school-*da-ze* and as a Rhodes scholar. Clinton, as Governor, aided and abetted the smuggling of drugs and weapons through the Mena, Arkansas airport for the benefit of the CIA, Oliver North, George Bush and others. He simply told the state police to "look the

other way" and "take no action".

ALL FALL DOWN? OOPS!

So, Perot can be the acting President without any election whatsoever, under the 25th Amendment.

Now, chelas, THIS IS THE CONTINGENCY "PLAN". ***I do not expect it to take place*** because too much other action is underway to never allow it to get to election day. Unfortunately, for you, it means a pulling away of all your freedom in the very, very near future—or causing you so many horrendous disasters that you wish freedom was all that would be at stake.

I don't need to remind you that the adversary is not going to publish this on CNN nor in the *Washington Post*. **BUT, THERE ARE ENOUGH PATRIOTS WHO NOW KNOW—AND EVEN A FEW MORE AFTER THIS RELEASE—THAT YOU CAN MAKE THEM HAVE TO CHANGE THE PLAN. REMEMBER THAT THE ADVERSARY MUST RELY ON SECRECY AND DARK ACTIONS TO MAINTAIN COVER. HE CANNOT FUNCTION IF LIGHT IS TURNED ONTO HIS PERFORMANCES.**

"NATURAL" DISASTERS STILL "ON"

The "null-time" emergency period of total isolation of communities via long-distance and emergency services is still "ON"—if they can get any action from their lasers. This becomes less probable as Russia is still able to disable the satellites and equipment and "they" can see a way to win this round through your own indiscretions in high places.

The "disasters" now set for triggering of massive "natural appearing phenomenon" are very definitely ON. This still is planned to begin in California for the most impact. Also, you have the military centers located in California and the ones causing trouble for the Administration are going to get the worst "bump" by destruction in California. You have blackmailers blackmailing the blackmailers through black-

mail. It certainly IS difficult to keep the possibilities "straight" and that, dear ones, is THE FULL INTENT.

TO GEORGE GREEN

Take care, friend, for the ones who are pulling down the curtain are also ones giving information that you were a CIA operative and disinformers. Take this in any way you choose—just take cover and be careful!

Eustace (Mullins), be most cautious for you, too, are being utilized as a tool for personal gain by ones you think to be your friends. Do not allow your work to be lost as has been Walter Russell's. Walter's, granted, is spiritual by design—yours historical. Both are mandatory for Man to have. Regardless of WHO may well tell you otherwise—Green is not your danger. I would speak of these things "directly" but not in this open forum without your knowledge. We respect Privacy—not Gossip/Secrets. So be it.

Next, to John Coleman's readers who miss the "insider's report" and update some three times a week—call 312-731-1100 and you will get a three-times-a-week outlay of information (insider). I suggest my own people, starting with Dharma, call that number for she sits here in bewilderment. The first clue to knowing my enemies is to know and watch because they THINK I do not know what they are doing and who is doing it.

MY PURPOSE

My mission is to BRING TRUTH first so that you can accept that which comes next. I weary of this type of games-playing but it must be done if you are to awaken and see at all.

My thrust is in duty to God for HIS people—but to find his people, I must participate in the foolishness of unfolding actions. I am eager to put this all aside and bring you truth and foundation of GOD.

OTHER ATTENTIONS

You cannot turn away from observation of that which takes

place in other parts of the world—for they tell who and what is involved in the overall. This operation "U.S. Election" is but a tiny, tiny portion. You are facing THE ANTI-GOD! I can only remind my ones and those of God—GOD WINS! HOW HE WINS IS PRETTY MUCH UP TO YOU!

We stand ready, willing and very able to guide, but you will ask and do the work in the physical plane—or it shall not be done. God will win either way—I would suggest, however, that if you also wish to win, that you get off your assets and haul those assets.

You don't need a Space Command to interfere or intervene—you simply need to get off your duffs and get on with it. Just one of you who cares enough—can pull the whole rotten mess down around their ears. I wonder if you will do it?

Hatonn to close this segment.

The Declaration of Independence states that our rights come from The Creator, and that we established government to protect those rights. Any time the created becomes greater than The Creator, tyranny reigns. It is against this enterprise for supreme power that, as patriots, we find ourselves now pitted.

I have faith that today's Americans are willing to do what is necessary to defend our birthright. Unfortunately, network news and government pabulum distract us from the key issues, and we fail to recognize the insidious downward tilt of American values. Often it is only through the underground press that we are awakened to the real dangers.

- Col. James "Bo" Gritz

(from the Introduction to his book CALLED TO SERVE)

WHAT DOES "BO" STAND FOR?

Christian ethic and Constitutional government under the Declaration of Independence and Bill of Rights. Bo is the only presidential candidate with a positive plan to get us out of debt, balance the federal budget, secure the economy and allow you to keep what you make. Bo gives us a confident preference over the Republican "evil of two lessors."

WHAT WILL "BO" GRITZ DO AS PRESIDENT?

The following is "Bo's" contract to all Americans! In return for your support, as President of the United States, I "Bo" Gritz will:

- **ESTABLISH DEBT FREE CONSTITUTIONAL CURRENCY AND ELIMINATE THE FED.** I will immediately reinstate the JFK Executive Order authorizing the printing of \$450 billion in no interest "United States Notes." This will put the privately owned banking consortium known as the Federal Reserve System out of business until the public can be informed of its insidious role in our current economic crisis. Congress can then be made to return to Constitutional currency. It makes no sense to pay usury on our own money. Federal Reserve banks use the national debt as collateral and through "fractionalized banking" lend many times that amount at interest back to the people. Since assuming the Congressional responsibility for legal tender in 1913, the FED has never been audited! Thomas Jefferson warned us if ever the banks took over our currency and credit, our children would wake up as slaves on the continent conquered by their fathers!
- **STOP THE INCOME TAX AND GET RID OF THE IRS!** I will immediately send a special counsel to ascertain whether or not the 16th Amendment (income tax) was properly ratified. There is no statute of limitations on fraud. Federal income tax will be eliminated... along with the IRS! We can pay for government through Constitutional means.
- **BALANCE THE FEDERAL BUDGET!** In 1832 Old Hickory was President and America's bills were paid. Foreign wars and compound interest ran the debt to \$1 trillion in 1981. By 1989 the debt had tripled and now stands at \$4 trillion with a \$300 billion interest payment. Last year the deficit started at \$65 billion and ended up \$293.7 billion in the red. The 1992 budget is already projected to

be \$500 billion more than authorized. If you paid people the kind of money today's politicians make to manage your affairs and they performed with the same irresponsible inefficiency of our elected officials, you would fire them! It's long past time we change the direction of our nation!

• **HALT RUNAWAY SPENDING BY CAPITOL HILL!** We can put Congressional spending control back into the hands of the American people. The House Appropriations Committee writes the checks, but the Senate authorizes the expenditures. Under our original Constitution, U.S. Senators were selected by the State Legislature. Your state capitol is a lot closer than Washington, D.C. Nonsensical spending would end if the public held local officials accountable. 1913 was a bad year. The FED was created to break America economically; Senate selection was removed from the states to encourage runaway spending; the income tax was imposed to pay for these excesses. The 17th Amendment should be revoked.

• **END FOREIGN AID AND THE BUY OUT OF AMERICA.** Foreign aid is nothing more than welfare with no U.S. recipient. Debtors aren't choosers. It must be AMERICA FIRST until we are out of debt and back on our feet. Why are we sending billions overseas when over a million Americans are homeless and even more are out of work?

• **OPPOSE GLOBAL GOVERNMENT AND BUSH'S "NEW WORLD ORDER."** U.S. State Department Publication 7277 calls for the "General and Complete Disarmament of the United States." Only a United Nations "Peace Force" would be armed... all other weapons would be destroyed. Our sovereignty and Bill of Rights must be protected. The preamble to a World Constitution says the age of nations must end... the governments have decided to order their separate sovereignties into one government to which they surrender their arms. 24 U.S. Senators (two Presidential candidates, Harkin and Tsongas) and 80 Representatives have signed a "Declaration of Interdependence." They would turn our nation and resources over to a global government. We must defend our sacred birthright as Americans against all who would merge the United States of America into USA, Incorporated with King George or anyone else as chairman of the board.

• **INSTITUTE "WORKFARE" IN LIEU OF WELFARE.** America needs a "Hand-up" not a hand-out! We stop paying farmers not to produce. We stop issuing stamps and instead offer food and opportunity to the truly poor. We enforce immigration laws and quotas. We halt the illegal alien invasion. Our own citizens are being denied assistance, education, and work by thousands who sneak across our borders each year. Citizenship should not be available to those who evade the INS. Provide for our own instead of outsiders... defend our borders, but no more world policeman!

• **ROLL BACK BIG BROTHER, THE FEDERAL BUREAUCRACY AND LEGISLATIVE STATUTES** that have invaded our privacy, interfered with free enterprise, and restricted production. A return to Constitutional Law will pull the fangs on the FDA and Energy Department so alternative fuels and medical cures can be advanced in the competition with the sacred petrochemical cows. A monetized money system will replace the bankers cashless society.

• **RESTORE STATES RIGHTS AND PERSONAL LIBERTY.** John D. Rockefeller's first General Education Board chairman described education as people yielding themselves with perfect docility to our molding hands. We can replace submissive manipulation with motivated learning in competent schools. 750,000 high school graduates last year could not read their diploma. Ronald Reagan promised to eliminate the Education Department. He didn't, but I will! Each student should have a voucher and choice of learning center. Competition and professionalism will purge poor teachers and administrators while promoting those with merit.

• **SECURE THE AMERICAN DREAM** by stopping all farm foreclosures and sponsoring a law that protects the "home" from government seizure.

On Repetition And Remembering

8/2/92 #1 HATONN

THOUGHTS ON "REPETITION"

"People don't like 'repetition'?" There MUST be repetition for in this day of total repetition—there must be the multiple presentation or **no one hears or sees**. There are two very valid reasons for this—1. After people have repeated or repeatedly heard a phrase a great number of times—most especially from an "authority" figure—they believe it whether it be true or false. It IS the method of training (brainwashing) the subconscious mind to cause the conscious mind to function according to "orders" from another. And 2. Anything and everything is only found or discovered ONCE in the world and therefore all coming subsequently is repetition.

If a person says something unworthy—no amount of repetition makes it worthy—only gossip and misinformation. If, however, it be worthy—he MUST repeat it over and over again until it is seen and heard. Repetition is the only form of permanence that nature can achieve and, therefore, you shall continue to hear many things repeated again and again. There can be no "overdoing" in the Truth of GOD. If you believe it to be different—then you **did not hear it the first time!**

"REMEMBERING"

This is an entirely different set of circumstances within the mind: Memories are like computer or "card-indexes" consulted, and then put back—very often in **disorder**—by various authorities whom you do not control nor even recognize. In all your journeys to date you will find that you have long since forgotten far, far more than you remember—and thus, the remembering must be as newness. It always, in addition,

seems to be that you remember best that which would be better forgotten. Memory is like unto a fishing net with holes and yet is also quite cluttered with fish as from a stream; but a dozen miles of water have run through it without sticking for there was naught to grasp onto for your "sorting" mechanism is now damaged.

Too often man hears the phrase "Forgive and Forget". Nay, nay—Instantly forgive—never forget! The only things to be garnered in worthiness are the things **learned through remembering**. The sad portions presented are cast forth because it seems the minds are now trained to insist on cherishing those beastly incidents and casting aside as hardly noted, the wondrous beauty of the experiences, save a fragment here and there as occasional nostalgia presents. How wondrous it would be if the mind were unable to forget the beautiful and automatically cast aside the perceived negative? But how would you recognize choices? You must always realize that **oblivion** is the dark page, whereon Memory writes her light-beam characters and makes them legible; were it all light, nothing could be read there, any more than if it were all darkness. Ponder it for you are experiencing in a setting of light AND dark images and manifested actions—'tis your training ground just as school is for the tot. Would it not be marvelous if you, as adults taught, properly, the child to grow in strength instead of deliberate weakness in the things of "true living" which must be learned before returning unto God?

RETURN TO GOD

Ah, it is the purpose of all experience—and, why in fact, the adversary so stifles your senses that you cannot help but shatter into the oblivion of his

own scenarios. It is the soul at stake on the gaming table of experience and you have **forgot**. Spiritual expression and reality of soul LIFE is long ago cast out so that you MUST forget or only harbor questioning and ever so faint memory of something from another day or another time unrecalled in fullness. Our task is to simply allow the recall of the Truth so that you make decisions of higher purpose and mind-set worthy of your level of learning on your journey of experience **BACK TO GOD**. The guidelines are given and the path mapped—but the adversary places detour signs and hobbles at every turn.

How will your life-stream story read? Will it say "...he **sensed** for a short little while and went." Or will it read: **"It was a wondrous journey home unto the Light for he KNEW the difference!"** To each his own.

I am always amused at that which "man" does to distract you—let us example one "Henry Kissinger". He is given honorary titles and false authority and expertise and you all grovel at his words. But I ask you—does a great memory make a fine philosopher or a "correct" perception? Can a dictionary be properly called a grammar? Of course not—but it is YOU who must know the difference.

The Russians Are Still Coming

8/2/92 #1 HATONN

TWO DAYS WITHOUT WRITING

Two days without writing and we are so behind that it seems the entire world has occasioned happenings in every portion. Ah, the human limitations will be happily forfeited by some. Experiences in the physical MUST be accomplished, however, no matter what the goal even unto the most tiny detail. Oh would it be that the words of blessings be remembered and the actions of life be ever guided by the moments of loving sharing as with the marriage hearts who commit to share and to a child growing with only the example of the adults to emulate. The settings are wondrous and the celebration beautiful, touching the memories and hearts of all who attend—but a celebration is but a passing moment to be put to memory—can you make a lasting experience instead of casting the memory to the attic along with the faded pages and flowers? It is a time when longevity of commitments must come to be "final" lest the things of the physical have no foundation upon which to latch onto for stability—for the intent of the would-be Kings are set

upon you to tear you to shreds as they garner all within expression. Cherish all moments of beauty for they hold food for soul and heart—but remember the dastardly as well, for in the total forgetting lies the strength of your enemy. And always **remember: CHANGING THE TERM OF A WORD IN A DICTIONARY MAKES NOT ONE IOTA OF DIFFERENCE IN ITS "MEANING"**.

COMMUNISM

I am asked over and over again about the "death of Communism", as a for-instance. Since "Communism" was never "communistic" in any fashion, how can it make a difference? What was and is "Communist" is **actually Marxist-Leninist** (in your more modern terminology which actually is only "socialistic fascism"). The world now experiences this type of government control almost universally save in total dictatorships—to which you all aspire and are moving. In this case of modern experience—it is to the WORLD dictatorship that would-be Kings aspire.

The next questions of today's observers revolve around participants in the "show and tell". Can you understand that it

matters not who the small individual players actually are? The goal is one-world, total global control. Because of the very WORD used, "global", there is indication of total physical manifestation interest and, yet, total isolation and enslavement of your "souls". The "soul" can be exemplified by realizing that, collectively, a nation has a soul energy, a planet has a soul energy and overall comes a master-intent of direction and action. Earth at this time, has a very, very dark intent which has manifested itself in the physical expression while "murdering" soul understanding of higher expression. The minds of men are battered and overwhelmed with the assault of physical, sensing bombardment through brain manipulation and "washing". We have written of this experience in several JOURNALS with the subjects ranging from communistic brain-washing to American brain-washing—only to find BOTH ARE THE VERY SAME. You have to go back and look into the memories and the history books which have remained untampered and read the blueprints for the structures which eventually and now, NOW, bring about global mental control. Control the mind and you control the being in the fleshly format. If you cannot control the "mind", you can never control the being.

YELTSIN vs. BUSH

You must remember, further, that by changing a "man" as leader, be it dictator in a nation of "dictator mind-set", or King in a monarchy, or President in a Democracy—you have the same set of goals staged and foundationed in the foundation of the rulers in power. For instance, Yeltsin is a far more deadly enemy to your nation than ever was any prior leader of Soviet Russia. I did not say to all your nation's citizens—I said to your nation. There is a difference of great magnitude. People "get caught" in the games of the leadership and governments of nations and do the dirty-work for the rulers thereof. You are witnessing it TODAY as America again allows a criminal thief of your own freedom to

send your beloved children off to foreign soil again—and again—and again—. I warn you, America: **This is to get YOUR military OUT OF YOUR NATION WHEREIN THEY CAN NOT BE AVAILABLE TO HELP YOU-THE-PEOPLE.** This will allow you to be at the mercy of police departments now trained by elements from the Communist-Mossad terrorist groups and foreign military called "United Nations Forces"—headed by a Russian commander (as set forth in the **charter of the United Nations, which is now the accepted authority of national practice—NOT YOUR CONSTITUTION.**

THE RUSSIANS ARE (STILL) COMING!

Of course they are—because there has never been any other intent. However, articles are now being written which still offer the thrust directly upon the "Russians" to pull attention from the "One World Order" elite who are the worse culprits.

I have received at least twelve copies of the article by the above title in the past immediate weeks. It comes from the Summer issue of a religious journal called the *Fatima Crusader*. The article is well written but the conclusions are not correct in some instances. So much of the article is **correct** in perception, however, that it must be worthy of sharing. When I receive so many inquiries about one piece of information, it is worthy for all—along with dissection of the projections to see what lies therein. Does this mean the author is a somehow manipulated disinformant? No—it means that ALL things must be looked at from all dimensions and directions WITH KNOWLEDGE OF FACT—NOT DISSEMINATED MISINFORMATION and that YOU must ingest and digest the material for SELF.

We shall lay out the writing as given and I can comment in my usual fashion of "interrupting" which some assess as boring and uninvited but then, the writer does have some privileges after all. Just as with a TV button for "power", you can

punch it off if it fits not your needs. God asks and expects you to see every angle and aspect of an issue with good and thoughtful factual data and then, only then, can the wondrous "computer" compute correct outpouring of information. It can be a game far more entertaining, if nothing more, than a good game of chess wherein you must watch your move as well as the other player's moves. If you are just learning the initial guidelines for "Chess" then you must have some understanding from the "teacher" as to how to discern the more advantageous moves and allow insight into what the opponent at the board might have in mind to use against you and in his own favor. The stakes are indeed high in this "life game" of Chess, my friends—THE WORLD.

I believe you will note that the article is given as reprint of an *extract* (1992) by Donald S. McAlvany. I do find it interesting to note that I got NO copies of McAlvany's material and yet, great flocks of incoming inquiry from the "*Fatima*" reprint. I honor Donald McAlvany as one of your most insightful and caring Journalists of your century so I certainly do not single him out for "picking on". In addition there are a couple of other writers presented within the same topic section so we will simply take them in order. Thank you.

QUOTING:

Readers have called and written to ask if this writer still agrees with his analysis of events in the Soviet Union in the September/October issue of MIA (*McAlvany Intelligence Advisor*) (see *The Fatima Crusader* Issue No. 38 page 5) in light of recent developments. The answer is: **more than ever!** Yeltsin is still a hard-core Marxist-Leninist in spite of his rhetoric to the contrary and no one should feel better because he has the "nuclear briefcase" with his finger (instead of Gorbachev's) on "the button". [H: I am continually asked "who" would be the best President, Bush or Clinton? I say "...whichever one is elected! For then, that one has the power and therein lies the story."]

Eleven of the so-called

independent republics are still run by Communists and the 12th, the president of Georgia (Zviad Gamsakhurdia, a freely elected anti-Communist) has been overthrown by a Communist (KGB) [by any label you choose] backed military coup. So all 12 republics are **now run by Communists!** None of the republics are free or truly independent. Unfortunately, perception is reality, and most Americans have been misled to believe these republics are really free. **They are not!**

The Soviet military, the largest in the world, has **not** been dismantled in any way. It is still under the control of the Russian Republic and the old Communist Party. The defense industry has **not** been dismantled in any way. Its 600 weapons factories are still cranking out weapons as rapidly as ever, including one highly advanced nuclear submarine **every 33 days** which has only one function, that is to be a nuclear first strike weapons launching pad. Senator Malcolm Wallop (R-WY) said recently in *USA Today*:

"THE SOVIETS CONTINUE TO BUILD NEWER, MORE SOPHISTICATED WEAPONS"

The KGB has **not** been dismantled in any way or diminished in manpower except by a few hundred. It has been reorganized into three departments and is still functioning as always within the "old Soviet Union", and all over the world. The three KGB departments are: 1) **Central Intelligence Service**—in charge of the security of the republics and the Commonwealth of Independent States as a whole and in charge of international espionage, subversion, etc.; 2) **Interrepublican Security Service**—coordinates the work of the republics' security services, and conducts counterespionage within the CIS; and 3) the **Committee for Guarding the Commonwealth of Independent States**—consists of unified border guards, for guarding all CIS borders and the CIS economic zone. **The KGB has set up a new disinformation service cen-**

trally located within the U.S. which is presently spewing out disinformation all across America.

The Commonwealth of Independent States is the New Federation described in the September/October '91 MIA, predicted by Golitsyn in "New Lies For Old", and planned at the 26th, 27th, and 28th Congress of the Communist Party of the Soviet Union in '81, '86, and '90. Gorbachev brilliantly fulfilled his mission (i.e., the dissolution of the Soviet Union) [H: For all the world to see and assume factual. The very point of his going to work as President of "Kissinger and Associates" in Moscow tells a whole other story, however, does it not? The point herein is not Gorbachev, however, so please do not be distracted by "players" but pay attention to the meaning of the play itself.] and has brought the script to the present point. His opposition to the Commonwealth was fake—he pushed for it for seven years! Now Yeltsin, another fellow actor on the Russian stage, will carry the plot on for a time. Like the TV soap opera "Dallas" or "Knott's Landing", Gorby has (at least temporarily) been written out of the script. [H: It is very, very dangerous to believe this statement. He has never been written out of anything—he got all your stores and reserves and was part and parcel of the "coup" which displaced him. You are now witnessing a LARGER show on the road against what would be called the Russian hated "Bolsheviks". These are the Khazarian money-changers and bankers of the Elite power faction. Since so many of your own Elite national and worldwide families and leadership fall into this latter category, along with the Committee of 300 and the Royalty of Great Britain—you are in SERIOUS JEOPARDY OF DOWNFALL AT THE HANDS OF THESE RUSSIANS (as a nation). One faction is after EVERYTHING, including your soul—the other also wants supremacy but is not nearly as interested in your continual

survival—so it is difficult to measure just who is your enemy if you are simply we-the-people. Is it better to die by an Elitist bomb or a "nationalistic" bomb? Strangely enough—for the soul journey and intent—it DOES matter—physically it obviously matters not.]

The current phase is called "planned (but controlled) chaos". Very little in the "old Soviet Union" is happening by chance or accident. The purge is continuing in the old Communist Party of the Soviet Union and the power is still centered in the Central Committee of the Communist Party. Food and other shortages, economic bankruptcy, and poverty are being exaggerated by Soviet disinformation to elicit Western aid and sympathy. [H: Actually, it is worse than this expressed viewpoint—it is a major form of total blackmail.] The republics will follow the pattern of Eastern Europe, closet Communists will continue to rule. They will have to carry more of their own economic weight in the future, however, just like Eastern Europe, and will be given more economic and cultural freedom.

Meanwhile, Western aid continues to pour into Russia even as the West is on the brink of financial collapse. America, NATO, and much of the West, led by George Bush, are continuing to plunge into unilateral disarmament in spite of the 30,000 Soviet warheads still pointed at us. But be assured, Yeltsin says, they are only pointed at us because they can't think of another good target to point them at. Ominously, at this writing, Russia (or the CIS or the "old Soviet Union") is now beginning to sell some of its nuclear weapons to its client states around the world (replete with Soviet nuclear technicians). Imagine these weapons in the hands of Iraq, Syria, Iran, North Korea, Cuba, Libya, or Nicaragua. [H: You can further realize that the point is to blackmail and embarrass the leadership of your nation for years past—by such things as insisting that the Soviets did have POWs from

the U.S., and other nations, and that, actually, some are still alive and functional. You must pay attention to all the news to glean ANY NEWS AT ALL. Most of it will be well hidden and secret but you can read between the lines most efficiently if you but keep up with our input.]

Bush is retargeting America's missiles "off the 'old USSR'" [H: Ah, indeed, but the reason is not because it is no longer an enemy—but rather is supreme in command of military and space "might". Your administration and the "New World Order Leadership" know the ONLY possible "last ditch 'maybe'" lies in the "first-strike" attack on Russia. I believe you can "feel" the pulse system in action showing you that THAT won't work either! Frankly, you are between the proverbial rock and very hard place but the ones REALLY efforting to get rid of you-the-people are "your own" lovable liars and deceiver criminals.]; is planning to stop new production of all planes, helicopters, tanks, and nuclear attack submarines and concentrate only on research development for future weapons; has cancelled the navy's super quiet Seawolf submarine and cut the Air Force B-2 Stealth bomber production from 132 to 20 planes; has cut the U.S. defense budget to its lowest level (as a percent of the economy) since the 1930's (a move which will cost millions of jobs in the U.S. defense and aerospace industries); and according to U.S. News and World Report (2/10/92) is attempting to "mothball the entire U.S. defense industry".

Something very strange and ominous is taking place. America, under George Bush, has begun a crash program to dismantle its military/defense capability even as the Russian (CIS) [H: Please note that they didn't even bother to change the title except from "Agency" to "Service" and you never noticed!] war machine, already vastly superior to our own, remains essentially intact. What if Yeltsin turns out to be a bad guy or double-crosses Bush?

What if there is a military coup in the old Soviet Union (CIS)? What if the Russian leaders double-cross their American friends in the New World Order. [H: Ah ha! Worthy of thought! Besides, for you ones who realize Dharma is still alive along with some of our other "players"—please note that we are the ONLY ones with power greater than that of the Soviets from any direction you choose to monitor!!]

What if the McAlvany Intelligence Advisor September/October '91 analysis of Soviet strategic deception was essentially correct? How does the Bush unilateral disarmament differ from surrender? In case any of the above should eventuate, a disarmed America could be highly vulnerable to nuclear blackmail or nuclear attack—the New World Order notwithstanding. George Bush could not be doing more to put America at risk if he were head of the KGB, the Politburo, or the Russian military itself!

CONCLUSION

Gorbachev's quote from his book PERESTROIKA (pg. 36) should be remembered when one surveys all the "apparent" changes in the "old Soviet Union":

"To put an end to all rumors and speculations that abound in the West about this, I would like to point out once again that we are conducting all our reforms in accordance with socialist choice. We are looking within socialism, rather than outside it, for the answers to all the questions that arise. We assess our successes and errors alike by socialist standards. Those who hope that we shall move away from the socialist path will be greatly disappointed. Every part of our program of perestroika and the program as a whole, for that matter, is fully based on the principle of more socialism." [H: Please go back and read that at least three times! Note he didn't even bother to use the term "COMMUNISM". Wake up, dreamers, the coffee is boiled dry and the toast is already burned beyond the scraping.]

As the French Proverb says: "The more it changes, the more it remains the same."

The most sophisticated, Machiavellian strategic deception operation in world history is continuing to accelerate in the "old Soviet Union" and new "Commonwealth of Independent States". The Russians continue to talk peace, poverty, and dissolution via their global KGB directed disinformation network, while continuing to plot the demise of the West and to prepare for war. The period from now till 1995-97 could not only be the most dangerous since World War II, but in all of world history.

END OF QUOTING.

We gave you the information referred to by reference to prior McAlvany writings in the "Fall" last. I hope that you will take the time for reference and refreshment. He who is informed can be prepared with that which will allow survival and physical ability to continue. He who refuses to see, hear and/or prepare is destined to pay the price of that intentional ignorance. No amount of yellow ribbon will save one iota of your assets. No one STOPS Mr. Bush from continuing with his heinous games—BECAUSE THE ONES IN POWER KNOW HE HAS EXECUTIVE ORDER AUTHORITY TO DO EXACTLY THAT WHICH HE WANTS TO DO AS IF HE HELD TOTAL DICTATORSHIP CHIPS—WHICH HE DOES UNDER UNITED NATION'S CHARTER AND EXECUTIVE ORDER FEMA REGULATIONS. "Well," you might ask, "...who IS my enemy?" It all depends on who YOU are and what YOU plan to do about your circumstance! You don't have any plans? Too bad—you should! If you have no goals and no plans—you shall never get anywhere nor ever REALLY know what hit you when that locomotive runs right on over you without so much as a "last-rite" for your smashed and squashed bones.

While you have shouted and demonstrated for "equal rights for 'this' and 'that'" you have lost all equal rights as human species. So be it. I hope you will ponder your circumstance be-

cause you are just about to self-combust.

Close this portion and begin another, please, Dharma. I don't want a longer segment lest the

opposition consider this a "novel" of some kind rather than a "newsletter-type JOURNAL". Thank you.

Fake Soviet Coup And Real Extortion Scheme

8/2/92 #2 HATONN

"THE SOVIET COUP AND EXTORTION SCHEME"

QUOTING: Same Journal, *The Fatima Crusader*, Summer, 1992.

There are many people who are taken in by the on going propaganda about the so called collapse of Communism in the "failed coup" of August '91 and the "resignation" of Gorbachev. In the interest of keeping you free by telling you the truth and to defend you from all the lies and disinformation that are continually dished out to you in radio, TV and newspapers (both secular and religious) we present here a report by C.B. Baker.

He draws upon the daily press of the West to demonstrate that the Coup was a planned and staged event put on by Communist Russia, under the direction of the KGB, the Russian Military and the Communist Party (including Yeltsin and Gorbachev personally) [H: **At least the writer referred to the "Communist Party" by proper name. It is no different than if you referred to the "Republican Party" or "Democratic Party", "Nazi Party" or any other party such as "Libertarian"—you have no change in policy, only a "Party" label designation change.**], in order to enslave you and cheat you. To see how this was done and continues to be done read this report here below.

BY C. B. BAKER

On September, 27, 1991, President George Bush announced U.S. unilateral disarmament. Bush ordered ALL U.S. strategic bombers and a large part of the intercontin-

tal ballistic missile force to stand down from their 24-hour-a-day alert status, which has been maintained for more than 20 years. He also ordered the removal of all nuclear weapons off of all U.S. surface ships. Bush's order has left America DANGEROUSLY VULNERABLE TO A SURPRISE ATTACK.

In effect, Bush WAVED THE WHITE FLAG OF SURRENDER. Few Americans understand that the President capitulated to a series of NUCLEAR BLACKMAIL THREATS, repeatedly made by Soviet leaders over the last year.

In his speech, Bush stated: "In the Soviet Union, the advocates of democracy triumphed over a coup that would have restored the old system of repression." The President lied. The Soviet coup was one of the greatest DECEPTIONS in history. Millions of Americans have been DUPED into believing that Soviet "Communism has been overthrown."

The truth is that COMMUNISM HAS BEEN STRENGTHENED BY THE PHONY COUP. Immediately after the coup, Soviet leader Gorbachev closed down a partially elected legislature (made up of many non-Communists) & replaced it with a State Council, made up almost exclusively of Communists.

The August, 1991 "coup attempt to remove Soviet President Mikhail Gorbachev was part of an elaborate deception and extortion campaign that was designated to dupe America into believing that "Communism has been overthrown." This campaign was engineered to push U.S. unilateral disarmament and generate mammoth U.S. foreign aid for the U.S.S.R.

BO FOR FREEDOM

SOVIET "ACTIVE MEASURES"

In December, 1990, President "Gorbachev battled doubting reformers (in the Soviet legislature) to get Gennadi Yanayev, a Communist Party functionary, appointed vice president" (9/2/91 *U.S. News and World Report*). "Yanayev's entire career has been involved in propaganda agitation operations against the West," (2/8/91 *Washington Times*).

The 6/11/91 *Washington Times* reported: "While Gorbachev's emissaries confidently shake their **begging bowls** in the world's industrial capitals, other of his emissaries are busy spending an estimated \$3 billion and \$4 billions a year in these same capitals (and in other non-Communist centers) on a **hostile** program called 'active measures'."

"The U.S. State Department defines Soviet 'active measures' as 'deceptive operations that attempt to manipulate the opinions and/or sections of individuals, publics, or governments.'" [H: **Ah, but for some strange reason your nation plays right into the hands of the deceit! Is there perhaps something afoot that is kept FROM YOU-THE-PEOPLE?**]

The present aim of U.S.S.R. 'active measures' is to convince Western ruling elites that the West has a moral responsibility to ... **Bail out the Soviet Union...** The powerful Soviet propaganda campaign to bring the U.S.S.R. to the July, 1991 G-7 London economic conference is part and parcel of Soviet 'active measures'. [H: **Note what has happened since this article was written: the Soviets (Russia) is now a permanent part of the G-7 (now G-8) of leading world industrialized nations. This IS a group of the world's "leading financial GIANTS". Does this actually fit with the "tin cup" routine of "tend us"? The Soviet Union (needing all this help) is in dire circumstances with hardly ANY industrial capability except for weapons and technology to be utilized to-**

ward One World Control. Yeltsin has even offered his "industrial" facilities in exchange as collateral—that which is obsolete and already doesn't work. Do you hear echoes of snicker-snicker? Yeltsin HAS GOTTEN EVERYTHING HE ASKED FOR PUBLICLY—AND EVER SO MUCH MORE THAT WAS NEVER MADE PUBLIC BUT, RATHER, BURIED IN "NATIONAL SECURITY" HOG-SWILL.

"The National Strategy Information Center Publication: Political Warfare, says there 'is mounting evidence' that Gennadi Yanayev (acting as Gorbachev's chief of staff) is also the man in charge of Soviet 'active measures'. That is a serious charge because it would mean that the anti-U.S. 'active measures' have not only the personal support of Mr. Gorbachev, but the most successful of these Soviet 'active measures' has been the teflonized image of Mr. Gorbachev as a 'reformer, friend of the West, and humanizer of Communism'."

Martin Ebon's 1987 book, THE SOVIET PROPAGANDA MACHINE stated: "Two terms in the Soviet propaganda vocabulary convey a mixture of conspiracy and camouflage; they are 'aktivnyye meropriatia' (active measures) and 'dezinformatsia' (disinformation). 'Active measures' cover a wide range of overt and covert **manipulative actives**, which include 'disinformation', a catchall term for fraudulent information. Misleading or misdirecting an antagonist is as old as trapping animals, hiding Greek warriors inside a wooden Trojan Horse, or building Potemkin Villages." [H: The latter some of you may need to "look up" somewhere.]

The alleged August coup attempt was another form of Soviet 'active measures' aimed against America and other Western industrialized nations. The man who was the official leader of that coup's Emergency Committee [H: Oops! Sounds like FEMA to me.] was none other than this very same 'active measures' spe-

cialist, Soviet Vice President, Gennadi Yanayev.

HUMONGOUS SOVIET FOREIGN AID DEMANDS

In May, 1991, Mikhail Gorbachev began a nuclear extortion campaign against the West. The 5/6/91 *Washington Post* reported that the Soviet President is "worried about a shift in American attitudes toward the Soviet Union."

He threatened that the world once again could plunge into the abyss of the Cold War." Gorbachev was agitated by "the cool U.S. reception to Moscow's request for \$1.5 Billion in farm credits" and "by the disappointing response from American business to invitations to invest in the Soviet economy."

The 5/23/91 *Washington Post* described the size of Soviet aid demands: The Soviet President suggested that the West send \$100 Billion. "Gorbachev warned that, without Western assistance, the Soviet Union might not emerge from its deepening economic crisis, and world stability might be threatened." The true size of Soviet aid demands upon the West is much higher than the Soviet president publicly admitted. The 6/1/91 *Washington Post* reported that officials at the International Monetary Fund have revealed that the Soviets are requesting \$250 Billion in tribute, in the form of foreign aid from the West. But the true size of Soviet extortion demands is much greater.

Henry Kissinger [H: Does always pop up doesn't he?], the powerful Learned Elder, Trilateral Commissioner, and mentor of President Bush's National Security Adviser (Brent Scowcroft), let the truth out in his 9/17/91 *Washington Post* article. He stated: "Soviet needs are huge... They would amount to \$1.5 Trillion a year, for at least five years."

A NEW FORM OF NUCLEAR BLACKMAIL

During his speech at the Nobel Prize ceremonies, President Gorbachev repeated his nuclear threats. The 6/6/91 *Washington Post* reported "un-

der Gorbachev, the propaganda of success has been replaced with the propaganda of failure... The Soviet President suggested that Western countries have a huge political and economic interest in preventing the collapse of his perestroika economic reform movement." He stated: "To me it is self-evident that if Soviet perestroika succeeds, there will be a real chance of building a NEW WORLD ORDER. If perestroika fails, the prospect of entering a new peaceful period in history WILL VANISH."

The newspaper described the Soviet President's threat: "Gorbachev is seeking to confront the seven leading industrialized nations (at the G-7 meeting) with a stark choice: Invest billions of dollars in the Soviet Union or risk the return of the Cold War." Gorbachev's threat suggested "ominously that if it proved impossible 'to reach an understanding regarding a new phase of cooperation', the Soviet Union would have 'to look for other ways, for time is of the essence'."

The Soviet President also stated that the Western aid must have no strings. It would be "futile and dangerous" for Western lenders to set conditions. The 6/10/91 *Wall Street Journal* described Gorbachev's Nobel Prize speech as "the language of extortion". The 5/7/91 *Washington Times* reported that Senator Bill Bradley (D. NJ) described Gorbachev's Nobel Prize speech as being: "an attempt at a new form of Nuclear Blackmail." "Give us money or we won't be able to control our nuclear weapons." [H: Perhaps another "strange aspect" of these newspress articles is that they are printed in primarily ELITE BANK-STER-OWNED, TOTALLY CONTROLLED PAPERS.]

Gorbachev claims that Western aid will be used for economic reforms, but in the years since he took power (in 1985), the U.S.S.R. has utilized almost all of its economic resources for a huge increase in military spending. [H: So what has changed—they now use YOURS!]

TRUTH = FREEDOM

LEADERS OF COUP PLAYED KEY ROLE IN GORBACHEV'S NUCLEAR EXTORTION CAMPAIGN

The 5/7/91 *Washington Times* reported that in December, 1990, KGB chief Vladimir Kryuchkov made a speech accusing America of selling rotting and contaminated grain to the Soviet Union. "He even warned against foreign investment, charging that Western businessmen and governments endanger Soviet security." He also attacked "offers of Western aid".

President Gorbachev and his own cabinet repeatedly placed new Stalinist shackles on the Soviet economy. The newspaper reported that in January, 1991, Gorbachev personally signed a decree that allows the KGB to "do what it pleases to combat what is called 'economic sabotage'." Gorbachev's decree allowed the super-Stalinist, KGB chief Kryuchkov to block economic reforms. Yet only a few months later, the Soviet president was making a series of public speeches demanding hundreds of billions of dollars in Western aid. Allegedly to support "economic reforms".

On June 18, 1991, KGB chief, Vladimir Kryuchkov made a top secret speech to a closed session of the Soviet legislature. Alexander Nevzorov, a Leningrad TV spokesman, provided his viewers with a tape recording of Kryuchkov's speech by the KGB—which indicated that the KGB wanted Kryuchkov's threats to reach the West, "as a part of the 'active measures' extortion campaign." [H: Can you not see how clever was the manipulation by threat and blackmail of "making Irangate" intelligence information public, Watergate "stuff", MIA-POW information in the Asian sector public, etc.? They had all they needed to do exactly what they said they would do back with Khrushchev—"bury you". Do you not think that the administration will do "anything" to keep that information from reaching you-the-people? All they have to

do is just keep reminding your "big boys" of the facts involved.]

Kryuchkov attacked proposed economic reform schemes as being a so-called "capitulation to the West and the CIA". He demanded increased Soviet military spending. The secret speech painted America as the U.S.S.R.'s mortal enemy, in the same style that was utilized by Stalin's Kremlin associates during the 1940's and 1960's.

The KGB chief also warned that Western intelligence services are "working on plans for the 'pacification and even occupation' of the Soviet Union under the 'pretext' of controlling Moscow's nuclear capability." (6/23/91 *Washington Post*). Ominously, Kryuchkov compared the present situation to that "in 1941, when the Soviet Union ignored warnings of an impending invasion from national Socialist Germany."

The **well publicized** leak of Kryuchkov's secret speech **took place only a short time before the G-7 London economic conference** of the leaders of the world's seven most industrialized nations. The purpose of the **deliberately leaked** Kryuchkov speech was to **frighten [H: No—blackmail.]** those G-7 leaders with the message: **"Send hundreds of billions of dollars in aid to the Soviet Union or the dangerous Stalinists will take over."**

FRIGHT TACTICS, REPEATED COUP AND CIVIL WAR THREATS

On June 22, 1991, Kryuchkov and prime Minister Valentin S. Pavlov attempted to get the Soviet legislature to strip Gorbachev of his presidential powers. The move was also supported by Interior Minister Boris K. Pugo and Defense Minister Dmitri T. Yazov. (All of these were later participants in the August coup against Gorbachev.) In the June legislative manoeuvre, Gorbachev was easily able to repulse Pavlov, but **the attempt (taking place three weeks prior to the G-7 meeting) was another fright tactic**, widely played up through the Western media. Many Western experts on the U.S.S.R. were shocked that all the conspirators (against Gorbachev) **remained in their jobs**.

In December, 1990, Soviet

Foreign Minister Eduard Shevardnadze made a surprise speech, announcing his resignation because of an impending "dictatorship". In March, 1991, Shevardnadze renewed his warnings, stating that president Gorbachev has "only three or four more months to save democratic reforms in the U.S.S.R." before Stalinists took over. Despite his resignation, Shevardnadze continues to be on good terms with Gorbachev. **These repeated public warnings demonstrate that Shevardnadze was playing a major part in the Soviet extortion campaign.**

Col. Viktor Alksnis (also known as the "Black Colonel") is one of the leaders of the Soyuz hard-line group in the Soviet legislature. At the same time Gorbachev began his own nuclear blackmail campaign, Alksnis suddenly started giving **a whole series of interviews** to Western news organizations. Even though he claimed to oppose Gorbachev's policies, Alksnis **reinforced the Soviet President's own threat-mongering.**

In his 7/91 *Christian Science Monitor Monthly* interview, Alksnis stated: "A civil war in the Soviet Union means **an unavoidable World War III. ...Our situation is very similar to that of the United States in 1861.**"

The 5/31/91 *Washington Times* reported that Alksnis stated: "If civil war here is unavoidable, it will involve nuclear arms and weapons of mass destruction." Col. Alksnis told Britain's *New Statesman* on April 5. **"Yes, we shall perish but we shall take the whole world to the grave. YOU WILL PERISH WITH US. There will be no borders. The conflict will splash over them, first into neighboring countries, then into a world catastrophe."** [H: I do hope that you didn't hear this here—first!]

During the same period, Alksnis had an interview over U.S. National Public Radio in which he stated that Soviet nuclear missiles, used in such a U.S.S.R. civil war, will **"accidentally" hit targets in the United States.** The 2/8/91 *Washington Post* reported that top Soviet military leaders "were in fundamental agreement, with Alksnis."

END OF QUOTING

I would note herein a petition to the readers of this particular Journal in point, *The Fatima Crusader*, that this is a Holy

Catholic Journal. In view of visions accepted and those presented at "Fatima", it would behoove you to take all this most seriously indeed. They claim that Pope John Paul II, wants to obey Jesus' command to consecrate Russia to the Immaculate Heart of Mary. "He is fiercely opposed by satanic forces around him. We must help him by our prayers and sacrifices. Jesus himself told us through Sister Lucy of Fatima: 'It is never too late to have recourse to Jesus and Mary.'"

I have no comment on the "church" in point nor regarding the "Pope" other than to note that this Pope John Paul II is Polish and is as involved as any other of the Elite personages in what is going on in the world. I honor this Editor, I presume, Father Nicholas Gruner, for insightful attention to most dangerous trends in historic movements of nations and governments. It is difficult, at best, to remain Godly in the face of such stringent assault by doctrines and religious dogmas. Blessings rest upon you, Sir, for the worthy sharing of this particular information to an awakening (I pray) world.

Salu, Hatonn to clear.

The Heat In The Kitchen Cranks Up

8/5/92 #2 HATONN

In the heat of revelation of ill-begotten acts of deceit and entanglements from which there seems no escape, comes time for reminding of fundamentals which made a nation GREAT and remembering the foundation which served citizen instead of tore him asunder.

As I purvey information and scan the happenings of "just today" I am appalled at that which blasts my senses in behalf of you-the-unknowing.

SATELLITES AND LIES

As example, the game goes on and on and on. While you

have your babies landing on the beaches of Kuwait—they themselves tell you the truth of it. When interviewed, the young men simply say "...I have to do what I am ordered to do by our President" and **"...this time let's get it finished!"** Get it finished? Get **WHAT finished?** I believe you are being told "at home" that this is an already "planned exercise" and maneuvers of ordinary nature. So what would be "finished"? What is **"It"**? How many are sent? How many are already there? **HOW DO YOU KNOW?**

So, allow us to assume, as well, that the same type of "truth" is given to you about the "space project under way".

Indeed, the lies are greater but so be it. The important thing to note this day is that "...it looks like the whole project will be called off". Billions of dollars simply dumped? Is it a misleading lie when actually a first strike is in the working within the next 24 to 48 hours? Does it mean that the opposition convinced your command to stop the heinous exercise? What does it mean? It means that if I were you I would keep the goggles handy—just in case! It appears that things are not going well for your NASA project but you have other things afoot which are more clues of closer to home troubles.

FEMA INSIGNIAS

I am now efforting to give you publicly that which comes in as confirmation and information. When I have received at least FIVE sources with identical references—I shall give them to you for your own consideration. I am denounced as "false prophet" (I am a messenger—not a prophet—and Dharma is a secretary/translator) and "...the greatest liar of all time!" At least we get recognized as being the "greatest" something or other. Your world didn't blow up, shake away and/or blow-out with photons (at least not so you could see it) but the individuals calling names are so busy calling names that they missed all the clues and all that which did happen! Can you not realize that the very thing which is being watched in space and "called" a NASA energy project—is the very instigator of the so-called Photon blast? Are there so very few who care so little of civilization as to call names to the messengers instead of thanking God for more time to be "alive"? Oh indeed, mankind as your species has come to be is most depressing.

Now, for "insignias". In many places but confirmation has been verified for one in particular so I shall give it to your attention. At Hill Field in Utah (Ogden) the personnel have been ordered to remove all insignias of military reference and replace them with FEMA insignias. Is this true? For the disclaimers of my "truth", I decline to verify

or qualify—I simply pass it along to you.

SEISMOLOGISTS ARRIVE

On this day, at least half a dozen "top-ranking" seismologists have arrived for a lengthy stay in this town—Tehachapi. They have come because this place has been declared off-limits for destruction by human hands and/or pulses and the safety factor causes them to be unable to remain closer to the disaster points than this location. They have come from several places along the West Coast.

The reports have now gone forth to the "experts" that there is "some sort of electronic shield" around this particular area and they are sent to investigate it. The blasts against this shielding are constant and massive.

COMMITTEE OF 300 AND OUR ENEMIES

It isn't that the "enemies" are "ours"—it is that the Word is supposed to be stopped at all costs. Therefore, I wish to share with you some facts involved in the particular lawsuit brought by the University of Science and Philosophy concerning one Walter Russell. This particular "University", which is NOT, has come into something like a \$125 million "gift". In addition, sitting on the Board of Directors is a **direct member of the Committee of 300!!** Does this make the assault just a bit more understandable? I thought so. **IT IS INTENDED TO STOP ALL INFORMATION OF TRUTH FROM REACHING YOU-THE-PEOPLE!**

At this time there has been an extension of the court date till August 17th (a very, very strong day indeed) in which span the JOURNALS in focus (see elsewhere in the paper for details) may still be acquired. The resource is totally separate from any America West participation as well as having no connection with this scribe who, at any rate, receives nothing from the publication in point. I believe, however, that the very act in progress points out the TRUTH of the circumstance. These spiritual Truths as outlaid in that

set of particular JOURNALS are the **most important documents on your planet this day!** I can only again urge you to take advantage of getting them if you can for with this type of "power" behind the "fixed" court system—it will probably be that the books shall be banned and destroyed. Further, with a payload backup of \$125 million to fight this case—how much "justice" do you anticipate receiving for the side of God?

This is a prime example of the buying of an institution for the direct and prime effort of destroying and burying Truth to keep it from mankind. Oh, chelas, you are in such trouble and I know not how to help you except to cause you to open your eyes.

Already this one problem has caused America West to all but bankrupt and the Greens to relocate away from this source in order to salvage anything at all. Yes, they can countersue but as you can recall from other typical legal cases such as the one in which Dharma is involved already—it takes YEARS without settlement and/or worthy hearing of any kind. In addition, the point is to cause such legal fees to accrue that unbacked "people" cannot fight long enough to prevail.

In fact, a third lawyer has had to be acquired by these ones to simply face this assault. This now means three lawyers and the Constitutional Law Center involved—just to allow you-the-people to get information long since buried and never intended that you receive.

DEDICATED TO BO GRITZ

I ask that this entire upcoming LIBERATOR be dedicated to full informational outlay of "Bo Gritz" except for this "Introduction" regarding the Constitution and Federalist Papers. I further ask that abundant extra copies be printed to make available to all who would share. This is a MAN chosen of GOD to serve you and lead you and yet, he too, must prove himself on the field of honor just as does each and every ONE. Will you take the cup and allow God to fill it—or will you dance with

the devil and throw slings and arrows at the very messengers sent to show you the path? It is up to you—for I promise you—this man and these ones do not need the exercise in trauma—THEY KNOW WHERE THEY ARE HEADED! Once again the enemy has seemingly left you with a pile of sour lemons after "Perot"—nay, nay—sweet lemonade! But YOU HAVE TO DO IT.

There are many truthbearers who would, with sufficient backing to allow for travel and interviews, carry the banner as speakers if but asked: Victor Marchetti, Ray Renick, John Stockwell, and on and on—but they have been battered and stripped at the hands of the conspirators—YOU MUST HELP THEM OR YOU SHALL NOT HEAR THEM FOR THEY HAVE ALREADY GIVEN ALL THEY HAVE—IT IS NOW UP TO YOU! **YOU CAN MAKE IT HAPPEN, AMERICA—IF YOU WANT TO!**

A THOUGHT

From the point of Light within the Mind of God—Let light stream forth into the minds of men. Let Light descend on Earth—would YOU come forth and bear the lamp?

If you are not pounding on the Perot groups and pressing for Gritz, then you err in action. We look not for perfection—we look for the brave man who will, like David, stand against the giant as the gnat and lead you to victory. If it be not this year then it must be that you have "someone" around to rally unto as this old world goes into a tailspin. I expect your year 1995 to be about as climactic and horrendous as you could expect. Therefore, time is indeed short for you to lay any foundation of network value in any manner. This does NOT mean that you have clear sailing until 1995; it means that you are in the throes of the beast right now. There will not be an election as you would recognize in 1996 so that which you do NOW is your last "performance"—which shall it be?

COMPUTER CHIP INJECTIONS

All your nice young soldiers going away to a foreign land and required to have inoculations, etc? Remember them? They have just had programming chips injected along with the serum. Worse, they are considered "expendable" just as are the PRISONERS OF WAR SITTING IN PRISON RIGHT UNDER HANOI THAT MEANS RIGHT UNDER THE NOSES OF THE "INSPECTORS" AND INTELLIGENCE OFFICERS WHO HAVE LIED TO YOU.

TO WHOM DO YOU TURN FOR HELP?

GOD! GOD! GOD IS SUFFICIENT UNTO ALL NEEDS—BUT YOU MUST BE IN UNDERSTANDING AND IN PRESENCE. HE HAS GRACE ENOUGH FOR ALL BUT YOU MUST TURN UNTO HIM AND FORGIVE BOTH HIM AND SELF—FOR IN RELEASING ANGER AGAINST GOD AS PERCEIVED THROUGH YOUR EXPERIENCE YOU AUTOMATICALLY FORGIVE SELF FOR THE TRANSGRESSIONS WHICH BRING SUCH A BURDEN OF GUILT AND FURY AGAINST SELF. ONLY WHEN "SELF" CAN FUNCTION IN LIGHTED TRUTH CAN YOU CLEARLY SEE YOUR PATHWAY. TAKE THE SCALES FROM THINE EYES AND LOOK UPON THE LIGHT OF GOD THAT YOU MAY KNOW. I speak not of ANY religious order or group. I speak only of your spiritual tie directly unto God. This produces the ONLY energy frequency which nothing of MAN can TOUCH. Are my people "safe"? What mean you by such a question? My people are on hazardous duty among the walking dead of your place—indeed we care for them.

Well, but, "How can I know who and what, etc?" (??) Keep up—if with nothing more than the *LIBERATOR* and *JOURNALS*. If it appears to be without your ability to believe what we lay forth for you—wait and watch the confirmations begin to pile in upon your watchful eyes and ears—if you get them awake. Learn the "clues" for

which to watch—and open your mind to possibilities.

CNN?

I KNOW that you get NO NEWS and what is presented is phony and pre-arranged as show and tell for you—especially now, the CNN network. Of course you can KNOW that this is so—Ted Turner has publicly come forth and made a statement that he accepts NOT GOD for he is angry at God and

tells all that "GOD WILL NOT HELP YOU"! He, further, is invited as head table guest at the White House when ones such as Kissinger, Gorbachev, etc., pay State visits. He did, in fact, cast aside (publicly) the "TEN COMMANDMENTS" and replace them with the "Turner Commandments". Does this not tell you enough? These things which I give unto your attention can be verified by your own seeking. If a man will tear down GOD and cast HIM aside—

he will think nothing at all of the destruction of a nation and its people! Heed my words!

I simply request that you ones keep your eyes on the "visitors" within the shield. Our enemies are now in the process of actually "helping us" and so was it ever to be that way. I only remind you ones to be cautious, use discretion and STAY WITHIN THE LIGHTED ENERGY FIELD. GOD IS SUFFICIENT UNTO YOUR EVERY NEED. SALU.

The Federalist Papers: Deep Roots Of A Special Nation

8/5/92 #2 HATONK

LET US NOW REPRINT THE "INTRODUCTION" FROM A BOOK ENTITLED *THE FEDERALIST PAPERS* BY CLINTON ROSSITER FOR I THINK YOU MUST "REMEMBER"!

QUOTE:

A TRUE AMERICAN CLASSIC

The Federalist is the most important work in political science that has ever been written, or is likely ever to be written, in the United States. It is, indeed, the one product of the American mind that is rightly counted among the classics of political theory.

This work has always commanded widespread respect as the first and still most authoritative commentary on the Constitution of the United States. It has been searched minutely by lawyers for its analysis of the powers of Congress, quoted confidently by historians for its revelations of the hopes and fears of the framers of the Constitution, and cited magisterially by the Supreme Court for its arguments in behalf of judicial review, executive independence, and national supremacy. It would not be stretching the truth more than a few inches to say that *The Federalist* stands third only to the Declaration of Independence

and the Constitution itself among all the sacred writings of American political history. It has a quality of legitimacy, of authority and authenticity, that give it the high status of a public document, one to which, as Thomas Jefferson put it, "appeal is habitually made by all, and rarely declined or denied by any" as to the "genuine meaning" of the Constitution.

In recent years respect for *The Federalist* has blossomed into admiration. It is now valued not merely as a clever defense of a particular charter, but as an exposition of certain timeless truths about constitutional government. It has caught the fancy of political scientists throughout the world, has been translated into a dozen languages, and—surely the most convincing evidence of its lofty status—has become one of the three or four staples of the American college curriculum in political science. General Washington, who was trying merely to be friendly, wrote some prophetic words to Alexander Hamilton in the summer of 1788: "When the transient circumstances and fugitive performances which attended this crisis shall have disappeared, that work will merit the notice of posterity, because in it are candidly and ably discussed the principles of freedom and the topics of government—which will be always

interesting to mankind so long as they shall be connected in civil society." The "notice of posterity" for the stern yet hopeful message of *The Federalist* has never been more attentive than in these drawn-out years of peril for constitutional democracy.

The immense prestige of this work seems especially remarkable when viewed in the light of its origins. *The Federalist* is essentially a collection of eighty-five letters to the public over the pseudonym of Publius that appeared at short intervals in the newspapers of New York City beginning on October 27, 1787. These letters were still appearing in late March, 1788, when the first thirty-six were issued in a collected edition. Continuous publication was halted with number 77 on April 4, then resumed June 14, and concluded August 16. In the meantime, a second volume containing numbers 37-85 was published May 28.

Conceived in the pressure of a great crisis in human events, written with a haste that often bordered on the frantic, printed and published as if it were the most perishable kind of daily news, [H: I believe my people can relate to this.], *The Federalist* bore few marks of immortality at birth. [H: I wonder if the enemy will call this plagiarism and require a banning of this material from this

magazine in order to bury this truth also? If you-the-people allow great truth to be buried at the hands of man—you shall perish!] It was, in fact, only one of several hundred salvos in the loud war of words that accompanied the protracted struggle over ratification of the Constitution. That new charter of government, it will be remembered, had been agreed upon and signed at Philadelphia, September 17, 1787, transmitted to the Congress then existing under the Articles of Confederation, and thereupon laid, with no great show of enthusiasm, before the people of the United States. The approval of ratifying conventions in nine of the thirteen states was to bring the Constitution into effect. Few of its authors and supporters imagined that it would be easy to win such a margin of approval in the chaotic political circumstances of the world's first experiment in popular government over an extended area; all recognized that a clear-cut vote against the Constitution in any one of four key states would be enough by itself to destroy their hopes for "a more perfect Union".

N.Y. GOV. CLINTON OPPOSED CONSTITUTION

One of these states was New York, among whose claims to a vital role in the affairs of the new republic were a growing population, a lively commerce, a pivotal position on the Atlantic seaboard, and New York City, then the seat of the government of the United States. It was also the home of Governor George Clinton [1], a doughty politician whose principles and prejudices and skills made him the most formidable of opponents to the proposed Constitution. Plainly New York was a state that could easily be lost and yet had to be won; plainly it was a state in which arguments voiced in public debate or actions taken in the ratifying convention might influence the course of events in other states.

It was with such thoughts as these in mind that Alexander Hamilton, the recognized leader of the forces of ratification in New York, turned in the fall of

1787 to the task of winning his state to the cause of the new Constitution. The story of how Hamilton persuaded and plotted and bullied his way over the months to the narrowest of victories in the New York convention is an epic of American politics that deserves to be better known. What is important to us about this amazing effort is that Hamilton found it both practically expedient and psychologically comforting to supplement his political activities with a contribution to the literary war. Without his foresight, energy, and organizational skill there would have been no *Federalist* to stiffen the friends of the Constitution and to instruct the minds of posterity. He conceived the idea of a series of thoughtful communications that would explain and support the proposed Constitution; he scrambled for worthy contributors and finally found them in John Jay and James Madison; he wrote almost two thirds of the total of 175,000 words: he carried on the project to its scheduled end long after the other two men had been forced to leave the field. While the Publius we know and cherish today is a composite of three men, one of these men, Alexander Hamilton, must ever be regarded as the political magician who brought Publius to life. **[H: How very, very sad that you of the readership probably do not know what this means nor well remember the persons from history books and school—your children of today will never have heard of them nor do they care. What has happened to you, America? What has happened to your world? There are still great men but they are hidden from you and torn asunder while your very history is tampered and buried—replaced by lies and greedy Elite conspirators.]**

THINKERS AND DOERS NEEDED AGAIN NOW

The authors of *The Federalist* made up a first-class team of thinkers and doers. John Jay (1745-1829), the oldest and at that time most distinguished of the group, was a prosperous

New York lawyer who had rendered three particularly eminent services to his state and country: authorship of the admirable New York Constitution of 1777, which was a prime source of ideas for the Convention at Philadelphia; negotiation, side-by-side with Benjamin Franklin and John Adams, of the Treaty of 1783 that gave America peace and final independence; and, as Secretary for Foreign Affairs under the Articles of Confederation, direction of the diplomatic maneuverings of the almost friendless republic. James Madison (1751-1836), although he could hardly have known it at the time, had already won lasting fame as the most useful member of the Convention of 1787. The Constitution was the joint work of a half dozen or more superior men, yet even today, in part because of the notes he kept of the proceedings of the Convention, few historians begrudge Madison the title "Father of the Constitution". Alexander Hamilton (1755-1804) was another New York lawyer who had served his state and country well, notably as a youthful comrade-in-arms of General Washington and as a prime mover of the events that led to the Convention of 1787. He, like Madison, was a delegate to Philadelphia; unlike Madison, he was irregular in attendance and unpersuasive in argument. His principal services to the new Constitution came only after the Convention had adjourned.

All three authors of *The Federalist* went on after 1788 to even more splendid careers—Jay to the Chief Justiceship and to negotiation of the famous treaty that bears his name, Madison to a distinguished eight years as the leading figure in Congress and to somewhat less distinguished eight-year tenures as both Secretary of State and President of the United States, Hamilton to service under President Washington as the most influential of all Secretaries of the Treasury. For those who care about such things—and many readers of this introduction are sure to care—it should be recorded that both Hamilton and Jay were gradu-

ates of Columbia, Madison a son of Princeton.

Throughout the long months during which *The Federalist* was running in the New York newspapers, and indeed until several years after publication of the collected essays, the identity of Publius was a well-guarded secret. This mask of anonymity, put on by the authors for sound political purposes, made it possible for Hamilton, in a note written just before his death and discovered just after, to lay claim to a full sixty-three numbers of *The Federalist*, some of which very plainly belonged to Madison. Just why this man of honor and sound memory should have engaged in this extraordinary action is impossible to explain. In any case, he touched off a tortuous dispute that went on for generations between his political heirs and those of Madison over the authorship of various papers, especially numbers 49-58, 62 and 63. **[H: I guess it hasn't changed much after all, has it?] Thanks chiefly to the scholarly labors of Professor Douglass Adair, we can say with some confidence that Hamilton wrote fifty-one numbers (1, 6-9, 11-13, 15-17, 21-36, 59-61, 65-85), Madison twenty-six (10, 14, 37-58, and probably 62, 63), and Jay five (2-5, 64), while three (18-20) were the product of a joint effort by Madison and Hamilton. The skimpiness of Jay's contribution is explained by an illness that overtook him in the fall of 1787, the impressive bulk of Hamilton's by the intensity of his commitment. Madison's contribution, which is far more important for the present reputation of Publius than its modest size would indicate, was made possible in the first place only because the Virginian was in New York in the fall of 1787 as a delegate to Congress. His participation ended abruptly upon his departure for home in March, 1788.**

The Federalist worked only a small influence upon the course of events during the struggle over ratification. Promises, threats, bargains, and face-to-face debates, not eloquent words in even the most widely circulated newspapers, won hard-earned victories for the

Constitution in the crucial states of Massachusetts, Virginia, and New York. Publius, by his own admission, spoke to a select audience of reasonable, responsible, and established men, and most such men had already been convinced of the necessity of a change in the system of government. The chief usefulness of *The Federalist* in the events of 1788 was as a kind of debater's handbook in Virginia and New York. Copies of the collected edition were rushed to Richmond at Hamilton's direction and used gratefully by advocates of the Constitution in the climactic debate over ratification.

INFLUENTIAL THROUGHOUT AMERICAN HISTORY

The fame of *The Federalist* derives, therefore, not from the events of a single decisive year, but from the whole course of American history. It is a sign, as it were, of the prodigious success of the Constitution, which, as it has endured and evolved over the generations, has called attention ever more insistently to the man who, having helped to write it, first explained it. Viewed from this perspective, which is the one we are privileged to take, *The Federalist* appears as four books in one: an explanation of the blessings of federal government; an indictment of the Articles of Confederation for their failure to provide such government, or indeed to provide much in the way of government at all; an analysis and defense of the new Constitution as an instrument of federalism and constitutionalism; and, lighting up these more practical subjects with sudden bursts of brilliance, an exposition of certain enduring truths that provide an understanding of both the dangers and the delights of free government.

As an explanation of the federal form of government *The Federalist* comes closest to being an original piece of work. Other men, to be sure—most notably Althusius and “the celebrated Montesquieu”—had discoursed intelligently on some

of the problems of unity and disunity among states with close emotional and commercial ties, but it remained for Publius to make the first real stab at expounding the merits of genuine federalism, which is, after all, a full and tricky step beyond mere federation in the direction of consolidation. *The Federalist* deserves lasting credit for the clarity with which it insists that both levels of government in a federal system must exercise direct authority over individuals, that the central government must enjoy unquestioned supremacy in its assigned fields, and that federalism is to be cherished not alone for its contributions to peace within the land and security without, but for the firm foundation it provides for the enjoyment of individual freedom over a wide expanse of territory. *The Federalist*, it could be said, converted federalism from an expedient into an article of faith, from an occasional accident of history into an enduring expression of the principles of constitutionalism.

Those pages of *The Federalist* which catalogue the weaknesses of the Articles of Confederation make much the least interesting reading today. In 1787-88, however, they made very interesting reading indeed, and many friends of the new Constitution valued *The Federalist* principally for its merciless indictment of the “palpable defects of the subsisting Confederation.” Since the indictment was one that had to be made with force and in detail, one cannot begrudge Publius the joys he must have experienced in beating a horse that may look dead to us but was very much alive to him. [H: Dharma just put us into our “proper perspective” for I must tell you—she often thinks we ride and beat a very dead horse. No—remember—GOD WINS! Perhaps it is because she has hammered out thousands and thousands more pages than were *The Federalist* papers and, only now, a few begin to see the dawning. Can you not realize that there has always been need for “great” men if goodness and freedom were to

hold?] And even in the muddiest parts of the hard going from numbers 15 to 22 there are solid observations on one of the major themes of *The Federalist*: the dreadful circumstance of a weak government in a disordered society.

Up to now, at least, *The Federalist* has worked its chief influence on the course of events as a uniquely authoritative commentary on the Constitution. Today, as all through the history of American constitutional development, a particular interpretation of some clause in that document can be given a special flavor of authenticity by a quotation from Publius. If he was understandably wrong in his interpretation of some details in the Constitution—for example, in assigning the Senate a share in the power of removal and in giving a purely military cast to the President's authority as commander-in-chief—he was remarkably right about many more. Publius the constitution lawyer, in the bold person of Hamilton, reached the peak of intellectual power and of historical influence in the breathtaking assertion of judicial review in number 78.

POLITICAL THEORY UNIQUELY CRYSTALLIZED

Publius the political theorist, in the perceptive persons of both Hamilton and Madison, is the man who has brought fame and influence to *The Federalist* in recent years—this despite the fact that all the more or less speculative musings of *The Federalist* make up at best a fragment on government. What Hamilton and Madison were capable of producing as political theorists in the closet of leisurely detachment and what they managed to produce as political strategists in the arena of zestful engagement were, alas, two quite different matters. *The Federalist* is a contribution to political theory only by accident—by the happy accident, one might say, that neither of its chief authors could ever make a point in the most earth-bound debate without pausing, if only for a moment, to put the point in a larger and more abstract perspective. Yet this, af-

ter all, is the familiar way in which some of the greatest contributions to political theory were brought into being, and one should not spend too much time regretting the startling omissions and uneven quality of *The Federalist*, lest he be slow to pay the homage of painstaking study to such notable contributions as Madison's reflections on the plural society in numbers 10 and 51 and Hamilton's appraisal of executive power as an agency of free government in number 70.

If he does pay such homage, and if he also keeps an earnest eye out for the nuggets of speculation strewn all through the pages, the student of *The Federalist* will in time amass a respectable treasure of political wisdom about the problems and possibilities of freedom. While *The Federalist* has important things to say about all governments in general, it is popular government—in those days called “republican” government—with which Publius is principally concerned. His dislike of instability and downright fear of anarchy are writ large and often in the essays, but he offers us other and better ways than that recommended by Thomas Bobbes to bring peace and security to the community. To find “republican remedies” for the “diseases most incident to republican government” is the constant purpose of the authors of *The Federalist*.

BALANCE OF INNER FORCES

In the course of their long search for these remedies, the chief of which turn out to be federalism, social pluralism, and constitutionalism (that is, divided, balanced, and limited government), Hamilton and Madison give their own answers to some of the oldest questions of political theory; and it is safe to say that no more eloquent, tough-minded, and instructive answers have ever been given by an American pen. Whether discoursing on the universal urge of mankind toward weakness and wickedness, demonstrating the existence of the saving graces of human reason

and decency, accounting for the diverse interests that arise in a progressive society, finding a formula for liberty in the very fact of these clashing interests, setting both static and dynamic limits to the rule of the majority, or working out the balance of forces within a complex structure of government, *The Federalist* sends out messages of universal validity to all students of political man, and especially to those who wish him well. It is, in particular, the cold-eyed yet ultimately hopeful view of mankind that lifts *The Federalist* into the circle of classics in political theory. **No one can read the pages without being reminded powerfully of both the light and dark sides of human nature—of man's capacity for reason and justice that makes free government possible, of his capacity for passion and injustice that makes it necessary.**

It is, to be sure, a great pity that the authors of *The Federalist* had neither time nor inclination to sort out and restate in orderly, comprehensive fashion their many brilliant observations about the nature of political man, or indeed about liberty or society or the purposes and forms of government. It is a greater pity, a source of especially keen distress to students of political theory, and they apparently found it unnecessary to make more than a handful of explicit observations on private property as a right of man, a pillar of ordered society, and a force in politics. Nor is the occasional character of *The Federalist* as a tract in political theory its only fault. As a piece of very special pleading—some have called it a lawyer's brief—it says the same thing over and over in a half dozen ways, tiptoes delicately around many of the hard criticisms directed against the Constitution and slogs ponderously through some of the silliest, and makes at least a few arguments and appeals which its authors must have had trouble justifying to their own consciences. Hamilton, in particular, was hardly the enthusiast for the Constitution that he appeared to be in these pages.

In recent years a good

deal has been made of the fact that Publius was a "split personality", speaking through Madison as a federalist and an exponent of limited government, through Hamilton as a nationalist and an admirer of energetic government. Yet Publius was, on any large view, at least as whole a personality as any reasonable man can be when he has to deal with the everlasting tensions of free government. His own tensions, it might be argued, are only an honest reflection of those built into the Constitution. *The Federalist*, like the Constitution it expounds and the polity it celebrates, is a "bundle of compromises". The wonder must always be, not that Publius spoke some of the great truths of politics in an offhand manner and with a hoarse voice, but that, in the circumstances of the case, he spoke as pointedly and coherently as he did. He managed to do this principally because the thoughts of his creators, while hastily written down, had not been lightly conceived. They were, indeed, the product of years of learned study and hard experience.

Not every great political theorist has cared much for free and popular government. Of those who have cared, not every one has been candid enough to expose its disease, or hopeful enough to counsel a broad scheme of prevention. **[H: Well, we finally got there didn't we? WE CARE ENOUGH TO BE CANDID ENOUGH TO EXPOSE ITS DISEASE AND KNOW ENOUGH TO KNOW THAT RECLAMATION CAN BE CLAIMED IF YOU WANT TO DO SO BADLY ENOUGH.]** *The Federalist* is a famous work in political science **[H: Mutually exclusive terms—if it be political it cannot be "science".]** because it does just that, because it mixes candor and hope, realism and idealism, in a message to all friends of liberty wherever they ply their honorable trade. And the message of *The Federalist* reads: no happiness without liberty, no liberty without self-government, no self-government without constitutionalism, no constitutionalism without morality—and none of these great goods without

stability and order.

END OF QUOTING

I have gone on at length to hopefully get your attention unto your task. We cannot do it for you—BUT IT HAS BEEN DONE BEFORE YOU—PERHAPS EVEN "BY" YOU.

When the students are ready—God sends the teacher. I wonder how many of you are READY?

Further, I wonder if it will be the same—that the words are locked away unattended for the most part—until centuries have passed and the authors gone—to be handled with appreciation?

A copy of this book which

contains the papers can be easily obtained, I believe, through any book store. It is a "Mentor book and published in the *United States* by NAL PENGUIN INC., 1633 Broadway, New York, New York 10019. In *Canada* by The New American Library of Canada Limited, 81 Mack Avenue, Scarborough, Ontario M1L 1M8. This particular book is most valuable for it has a final section which collates *The Federalist Papers* with The Constitution of the United States of America. Every teacher must have a copy of this material and USE IT—for your children have lost their heritage and all historical roots. Please be among the ones who are willing to step forth and change this path to oblivion. Salu Hatonn

Seize The Moment!

Elect Bo Gritz

7/18/92 #1 HATONN

SEIZE THE MOMENT!

What means this phrase, seize the moment? The day? The "time"? It means **seize the opportunity which is "knocking" at your threshold.**

PEROT

You have an opportunity before you that you shall NEVER have again! What will you do with it?

Perot had become an "establishment" man—a tool, selected in careful planning but blind in his own "seeing". **He is correct in his knowing that he could not win an election.** Great heroic actions come from the ability to "see beyond" and "hear" the knocker tapping. What will he do now? Has he "betrayed you"? Why think ye that he has done so? Finally he begins to use some positive insight, chelas (students). Can you not see how "change" has swept the land? There are two or three or more ways in which his resignation can impact the world in a most positive manner!

Perot has been incorrect in his perceptions that the system was basically "good". He is having to face the facts that the "system is basically horrid" and unchangeable under ordinary means. The reason his new campaign managers left him is because he could see what was happening and would not bend from that which he perceived the right moves to make. If Ross Perot were to become president under the set of circumstances as they were headed, you would end up in worse anarchy and

total control either way. By stepping down he will not be "hamstrung", as Col. Gritz puts it, by a system out of control and headed off the precipice.

What clues did you get from the above? **SEIZE THE MOMENT.** Ross saw that "he" could not do "it". But, what is done from this day will decide your fate as a nation politic. If you absolutely flood the "campaign" with demands that Gritz be put forth and supported, it COULD be done. Even if not, the man would become "known" and later that would serve its even better purpose. The "Elite" are terrified of "Bo" Gritz wherein they had done enough bribing in subtle ways to encumber Perot on "judgment day". With a new thrust AND Ross Perot pushing and supporting Gritz—yes indeed—you-the-people **could prevail.**

However, wait-up, and consider: Bush will not allow you to outstrip him except through total surprise and he has bigger surprises laid in your path for you to have distraction. You WILL fall to executive order all the while he says "Look how hard I'm trying". Clinton and Gore are Committee of 300 selectees for the presidency and are totally controllable by the Elite. Nothing has changed, chelas, from the moment we began the writing—only perturbations—IF you keep your eyes soundly on the "goal".

Ross believes in big government and that, by whipping it into shape, he can make it work better. He is **wrong.** The majority of Americans actually like government redistribution of wealth, which includes benefits for the poor and the rich. Social security is a sacred institution,

incumbents continue to get re-elected and most Americans enjoy a good rally war now and then—i.e., Grenada, Panama, or Iraq. If Americans were truly concerned about fiscal problems, the Congress would have reflected these views a long time ago. Except for a silenced remnant, there are **no cries for honesty about your problems and no proposals offered that actually address the issues. So what happened with Ross Perot?**

The phenomenon of Ross Perot is quite understandable and not at all a fluke. It was bound to happen. It grows out of the inherent contradiction of the interventionist, mixed economy that leads people to milk the system, complain it doesn't work, and resent paying for it. It is pure and simply "greed" at work in perfection—give an inch and the mile becomes far too short.

So, what will you-the-people do? This man has given you opportunity unsurpassed in history. What does "he", however, plan to do? Oh, well, he will say things such as: "I will keep pushing and running and we can later clean up the Congress". (Good idea), but a loss is devastating to the "workers" who have dug in and are now in betrayal in their own perceptions. **WHAT WILL YOU DO?** Are you ready to take the next step for which you ask God to show the way? Are you **REALLY?** Your Elite enemy is not going to "roll over dead"—the way will be nothing short of nightmare time—but, **you have one willing to lead you! IT IS UP TO YOU, AMERICA. I told you in the beginning of this work that it could be done IF you really want it done—if**

not, it matters little for the steam-roller is moving and plans to flatten everything in its path.

Please: SEIZE THE MOMENT! Win or lose an election—you WILL need honorable leaders to find your way home! Ponder it.

I am asked if "our people" can receive phone calls and book orders and so forth for Commander Gritz? Of course—always, day or night. These are the **ONLY** ways we can support this movement at **THIS** particular time—**THAT** and giving voice to hearing of Truth. Unless this cause gets support and funding it cannot survive. But, if you give unto the cause of God and righteousness, freedom and sovereignty under God—then shall **GOD** give back unto you the glory and the pearl of great prize. Gritz **WILL** clean House (and Senate) and **ALL** the leeches hanging onto the administration fixed crime circle. He is without fear for he has met his Maker—he has seen his enemy in effort to destroy him and "his" nation—**HE WILL NOT BREAK!** It is up to you to **SEIZE THE MOMENT AND DEMAND THAT PEROT PRESENT ARMS AND DUTY UNTO NATION AND GOD!** Your dreams can come alive and sweep across the lands like a tidal wave of honor. So be it and may you be ever at ready lest you miss the moment when it comes.

**FLEAS CAN BE TAUGHT
NEARLY ANYTHING
THAT A CONGRESSMAN
CAN.**

Following the Commander's lead, the creative people at the Constitutional Law Center-CLC in Sacramento are sending out the following Media Release. Disillusioned Perot volunteers nationwide are moving over to the "Bo" Gritz for President campaign. According to Gary Anderson of Sacramento, California, who has been in contact with Bo and others of his campaign staff, "They are moving over to the Gritz campaign in large numbers because Gritz is the only candidate who can deliver what was begun by Perot. The momentum is building for wholesale re-alignment from Perot to Gritz without much time for anyone to catch their breath. Bush and Clinton are still not viable alternatives for the majority of the former Perot supporters."

Locally (in California), two coordinators from the now defunct Perot campaign in El Dorado County are in the process of re-contacting their 10,000 petition signers to sign Gritz petitions which are being circulated to place him on the ballot in California. After seeing the Gritz campaign platform on video, they both remarked they had made a mistake and should have been backing Gritz all along. They said the Gritz platform is what they were looking for and what was lacking in Perot.

In other areas of California Perot coordinators from Irvine, Los Angeles, San Diego, San Jose and the Inland Empire, to name a few, are calling Mr. Anderson (916-487-1849) for

further information about whom they can contact with the Gritz campaign to keep their Grass Roots movement going. Mr. Anderson has opened up his home at 631 Wilhaggin Drive for Perot supporters to stop by

and view the Gritz campaign platform video and sign or pick up petitions for circulation.

In Ohio the Perot coordinator, Bob Newcome (216 262-0256), is now coordinating the former Perot supporters for the

Gritz campaign. If this trend continues, Gritz may soon be qualified in a majority of state ballots; he is already qualified in 19 states.

The People Speak Out For Bo Gritz

AUGUST 1, 1992

Santa Barbara News-Press

"Media manipulates public by ignoring Gritz"

So, Perot has backed off. The media is spurring the presidential race is between Clinton and Bush. The media blackout on Bo Gritz continues.

We're led to believe, and the game has been, Democrats vs. Republicans, liberals vs. conservatives, right/left wing, etc. It's not this way or that way, black or white.

One person's point of view is just as important as another's. One culture, one way of life is just as valued as another. One isn't good and the other bad. So, we have our Constitution to guarantee our rights in this richness of diversity. This is our strength and beauty in being Americans. Our differences should not set us apart.

Changing America, our system, isn't the answer, upholding our Constitution is. Supporting the candidate who upholds our Constitution is the answer. And, who might that be?

Bush's new world order would null and void our Constitution that he took an oath to uphold. The United Nation's World Constitution says the age of nations must end. We would turn our nation and resources to a global government.

Clinton's ideas of change mean only more taxes and continuation of our nation's ruin and bankruptcy.

One of the reasons JFK was killed was probably his order to

print \$450 billion in no-interest U.S. notes. This would have put the international bankers-owned Federal Reserve System out of business.

Thomas Jefferson warned us that if banks ever took over our currency and credit our children would wake up as slaves on the continent conquered by their fathers!

James "Bo" Gritz will abolish the Federal Reserve and the IRS. We can pay for government through Constitutional means.

The powers that be have held a blackout curtain around Gritz's campaign for the presidency. Our Constitution guarantees freedom of the press for the people. The media has a dark history of manipulating information. The purpose of the press is to inform the people (not withhold and manipulate information).

Bo Gritz National campaign number is 800-633-7692.

"The Ross Perot departure from the 1992 campaign is not a surprise", says Bo Gritz, IPC, (independent party candidate).

If the Perot supporters knew of Bo Gritz, there is no question who they would support. Many will return to their roots rediscovering the RIGHTS for GRITZ.

Bo's agenda is simple - truth, decency and honor in govern-

"Our Nation has been led to the brink of disaster! The restoration of Constitutional government must be started this election year. The New World Order will destroy United States sovereignty," says Gritz.

The restoration of life, liberty and the pursuit of happiness will occur if the Bo Gritz platform is implemented.

Bo's platform will address, revamp and/or curtail the following:
