## Gritz Rally Huge Success

*(Editor's note: The citizen's rally for Presidential candidate Colonel James "Bo" Gritz started at 3 PM on Sunday afternoon August 16 in a beautiful outdoor setting on a local golf course. Close to a thousand people attended from far and wide.)*

*This was an astounding gathering of patriots for a small country town the size of Tehachapi. Commander Hatonn gave the introductory remarks before Colonel Gritz' warm and inspiring talk. We are here reprinting Commander Hatonn's introduction. Readers can look forward to the full text of Colonel Gritz' speech in next week's LIBERATOR, once we have had time to complete the transcription process from audio tape. The entire rally will also be available on audio tape and video tape soon. Please watch for announcement next week.)*

8/16/92 HATONN

We've struggled here and we're the people—We are The

People and we are about to lose our Constitution and we are about to lose our nation. And we cry out to God, "Why don't you save us? Why don't you fix it? We didn't really mean to mess it up quite as bad as we have done it. How, God, can you let the children suffer?"

God doesn't let the children suffer. We do. We do.

We have a man and his wife with us today who answered a call to come to this little town without struggling, without saying, "I can't work it into my schedule." He said, "I'll be there. What time shall I touch down?" And he left another seminar to come here and I think I have to share with you some of the things that these beautiful people have gone through and maybe it gives us better insight as to what in the world has happened to our nation.

We thought this was a typical, wonderful, small town U.S.A. We started trying to get a place to have this Gathering and I have to say that part of the

reason we had trouble is because there is a publisher in this town who does a paper called *THE LIBERATOR*, *THE PHOENIX LIBERATOR*, and ones even get written up in the Bakersfield paper—and Kate Taylor is here and I don't want to offend her, she did give a little bit of hearing. It is painful to ones on the writing staff to find that out of seventeen to twenty thousand people living here, the only one man on the street she could find to interview was Jason Brent, who was the ex-Judge of the municipal court in Mojave. It is also to note that Mr. Brent saw fit to say, "It is a bigoted paper, repulsive paper. Bigoted against the Jews."

It's also interesting to note that the Christian community sent anonymous messages, to these same people, calling them "Jews and Bigots" and "Watch out when you turn on the ignition in your car. You don't know when it will blow up." Followed by "the Christian community"—whoever that might be. Obviously it is nobody who attends those churches of God. I don't think I want to be classified as one of those "Christians"—"that the people who work on this paper will not last in this town."

The ones working on that paper have had their homes shot at, bullet holes, laser blasts, complete and total surveillance by the "black helicopters".

And the publisher of the *JOURNALS*, which bear nothing but Truth, literally have moved out of state, but they continue their work. They gave everything they had for their fellow citizens, for this community, to try and offer you what is really going on because you do not know.

You do not know. How could you know. And Jason Brent, man on the street who finds the work repulsive, is the very one who railroaded Dharma and Oberli's property through the RTC (Resolution Trust Corporation).

You will find that the whole network goes all the way to George Bush. There is total corruption in your nation, in the governments, in the judicial system, and, yet, there are few who are willing, without reservation, to give their lives for this nation to reclaim that Constitution, which by the way is not in effect this very day.

You were provided with a New States Constitution quite a few decades ago. The government went methodically about its way of dividing your nation into what is called The New States—ten districts. They will do away with County and State lines. You already cannot fly out of any airport without your picture being taken and credentials being recorded.

## IRS GAMES OF INTIMIDATION

More and more of you are receiving bills from the IRS and you need to know that you CAN have a response—even if you are unclear just what is the problem. The letter presented has been used by one who received as per the following:

(Please note that this has **NOTHING TO DO WITH CORPORATIONS.**)

The letter here reprinted was sent to the IRS in regards to three tax periods totaling \$146,000.00 in assessed taxes including penalties and interest. Most of you will not have such high numbers but even the smallest amount is covered in the document. As a result of the letter I am told that the above amount was reduced to nothing, "0" (zero). I simply ask that it be reprinted for your educational purpose only! I am not a bureaucrat, politician, lawyer, judge or IRS agent—so please enjoy, put your "fear of the imbeciles" into your pocket and at least see what you might do in your own circumstance.

I believe you may well be under martial law and Executive Order Emergency Regulations before the IRS is settled so you must go with that which seems appropriate. As I review the letter in point—in most instances it can stand alone. In other circumstances, you may well need to write letters of demand that your name and information "BE REMOVED" from all IRS records as a "NONTAXPAYER". Those instructions are given elsewhere. You must take your own responsibility but "it can be done" successfully. I can only ask that you get the information so that you can do it correctly. This letter, however, CAN BE

SENT without any other documentation and follow-up made as appropriate if the "case" goes further.

Dharma, please type as a "sample" with items inappropriate for personal individual letters in italics, underlined. This is a letter to be copied directly with personal insertions as appropriate. That means that personal information and "RE:" will, for instance, be personalized and correct information will need insertion in those particular places. **I cannot urge you strongly enough to obtain JOURNALS, PRIVACY IN A FISHBOWL, SPIRAL TO ECONOMIC DISASTER and YOU CAN SLAY THE DRAGON** if you are seeking privacy, anonymity, recourse with law and government and private sector bullies such as the Federal Reserve and Internal Revenue Service. I only offer that which has been utilized effectively and it is most important that you ones continue to share such helpful information with your brethren citizens. We are quite willing to present a forum but you must do the legwork and the sharing. As we increase publication of the *LIBERATOR*, we will be able to share more of such information.

Please study the documents you intend to use very carefully so that you are not "shot-down" by your own bullets. Read instructions most carefully and if need be—get clarification. For instance, with this letter, if you need question it further—Cort Christie at Corporate Advisors Corp., 2533 N. Carson St., Suite 645, Carson City, Nevada 89706, 1-702-885-9638 (Nevada) would be able to help. It is not his "business" but, being proficient with incorporation, he will more nearly understand the substance than anyone I know. It is our workers' intent to give all the service possible—it is up

to you to see to it that they can survive and continue the service, for they ask no payment except as directly incurred by business transactions. This means, in simple English: They have no real source of income. Thank you for being considerate in all instances.

**QUOTE: Sample letter to IRS. Personal information needing attention is in italics and underlined so that proper information can be inserted on an individual basis. All such information will be on your document received FROM THE IRS.**

**Certified Mail** (mail number \_\_\_\_\_)

(VERY IMPORTANT)

**RE:** Form \_\_\_\_\_ dated \_\_\_\_\_  
for \_\_\_\_\_ & \_\_\_\_\_

*[The form SHOULD BE NO. 8488, IN POINT]*

Dear Mr. Director:

I am returning your presentment WITHOUT DISHONOR since I have no Federal tax liability. Are you a Holder in Due Course, UCC 3-3067? You have sent me an incomplete instrument, UCC 3-115, with which you are trying to induce me, by fraud UCC 3-305(2)(b) & (c), to accept, for your benefit.

You have not provided any consideration to me and have not provided any performance of any nature to which I am indebted by an instrument that does not bear my signature, UCC 3-401.

I have no course of dealing in business of Duties, Exports or Customs of any kind, nor do I for "internal revenue", see Title 18 USC 3283. For definitions see notes in UCC 3283.

I am returning your unsubstantiated presentment under UCC 3-505.

1. Please exhibit the instrument(s) that contain my signature, obligating me to your demand, under Agreement UCC 1-201(3).

2. Please provide me with Proof of your claim that you maintain a security interest, UCC 1-202(37), in my person/property that makes you a Holder, UCC 1-201(20), to make a presentment.

3. Please provide evidence of your authority to make presentment and what Territorial Application, UCC 1-105, exists that we have agreed upon, that contains my signature.

4. There are grounds for insecurity on my part, therefore I demand assurances under UCC 2-609 as to your delegation of authority, UCC 2-210, to operate in a Union State in a municipal capacity, and provide the Delegation Order that comes directly from the Secretary that applies to NONRESIDENT ALIEN NONTAXPAYER.

5. Since, I have declared and affirmed the status, non-resident alien, and not a "person" described in 26 USC 7343, please provide me with the copy of the source of income and from what "geographical" part of the statutorily defined "United States" it came from, to substantiate your claim based on an agreement.

6. What presumption(s) are you working with that makes you think I, as a NONRESIDENT ALIEN, am effectively connected with a trade or business within the statutorily defined United States that caused your

presentments, Form 8488, to issue.

7. Please name all the "WE's" and supply their employee ID numbers, who determined that I, a NONRESIDENT, had a tax liability and the copy of the return calculated by the Secretary under 26 USC 6020, and signed by pen and ink UCC 3-401.

8. Please provide the negotiable instruments I was supposed to sign, that was payable to (UCC 3-805), that would make you a holder in due course, to make presentment and demand payment.

9. Which principal are you operating for in this instance; the Federal Reserve System or the United States?

10. Please tell me what the OMB number of the Form, I, as a NONRESIDENT ALIEN, am required to file when I neither make income from a source within the statutorily defined United States nor effectively connected with a trade or business within the statutorily defined United States? Please see 26 CFR 1.37(b)(1), 26 USC 6013(1)(a)(C)(i), 26 USC 2(d), and others.

Failure to provide me with the above #1 and/or other nine requisites, should you present the agreement, invalidates the presentment you made to me UCC 3-505(2).

YOU HAVE 10 DAYS  
WITH WHICH TO COMPLY,  
FROM RECEIPT OF  
THIS CERTIFIED MAIL. UCC  
L-201(10).

A fault, UCC 1-201(16), must therefore exist if you don't. Being a fault exists, it would be on your part and would create a Fraud through material misrepresentation which would vitiate anything from the beginning. UCC 1-103. I have reserved all my rights in these matters, explicit and general, UCC 1-207.

Being I am a NONRESIDENT ("not a resident of the state of the forum"), I have no recourse to a remedy at law, on an instrument that you have not presented. Your presentments are then under a fraudulent unconscionable contract UCC 2-302, and are discharged UCC 3-601(2) & (3), without resort to a Commercial

Tribunal.

Failure on your part to vacate the presentments of your demand will result in me pressing criminal charges under 26 USC 7214, 241-242 of Title 18: theft by deception, duress, coercion, fraud by inducement, material misrepresentation, malfeasance of office under color of law, and extortion using the mail system. Just remember, Mr. Director, the United States is A Corporation! The IRS is a Corporation. There is NO immunity for anybody when they deal in commercial paper under the Erie and Clearfield Doctrine, see F.R.C.P. Evidence 902 paragraph 9, but not limited to.

Failure to answer in the prescribed time will be deemed acceptance that I am correct in that you have no such instrument to back up your position to present and demand anything. Your presentment will vacate on its own.

The address at which I received a copy of your letter is a United States Postal Service address, it is not mine. That is the reason for the "care of" (c/o) as it is not a business address. It is a location. I am not a "TAXPAYER" as that term is designated for the "internal" revenue of the statutorily defined "United States" in the Statute-Merchants Code. It is for either United States citizens or resident aliens, see 26 USC 865(g)(A)(B). I am not excluded from Identifying Numbers under Title 26 Chapter 1 pages 62, 63, section 301.6109-1(g).

WITH EXPLICIT RESERVATION OF ALL RIGHTS  
WITHOUT PREJUDICE  
UCC 1-207

Very truly yours,

# Mystery UFO Shot Down

8/7/92/ #2 HATONN

QUOTE:

THE STAR, South Africa 7/26/92: **SOVIETS REPORT SHOOTING OF UFO. The Star's Foreign Service, MUNICH:** Soviet Scientists attending a space conference here reported that an "unidentified flying object" was shot down over the Caucasus Mountains in 1983.

Valery Uvarov, a member of the Academy of Sciences in the Soviet Republic of Georgia, said the wreckage of the shot-down UFO was recovered by military authorities, who covered up the incident until details leaked out recently to civilian scientists.

Mr. Uvarov, a leading expert at the Georgian Academy's Society for Unusual Air Phenomena, said the Soviet authorities were still trying to **keep the incident secret.**

"BUT WE HAVE SUFFICIENT EVIDENCE TO CONVINCE US THAT THIS IS NO FANTASY."

## KGB COVERUP

Dr. Marina Popovich, a former Soviet Air Force colonel and now president of the World Association of Women Scientists, said: "We believe the KGB is hiding something sensational." [H: I could have sworn that you were told that there is no longer a "KGB"!]

Mr. Uvarov and Dr. Popovich told the conference two MIG-25

fighters were approached by a strange flying object the pilots could not identify during a sortie over a remote area of the Caucasus Mountains, in the southern Soviet Republic of Azerbaijan, in March 1983. They fired two rockets at the UFO when it turned on a collision course.

"We have the pilots' report", said Mr. Uvarov. "It says the UFO didn't explode but turned a bright colour and then fell to earth."

Mr. Uvarov said the wreckage was first discovered by two peasants.

"By the time we traced the couple they had both died, apparently from the effects of exposure to radiation," Mr. Uvarov said.

## END OF QUOTING

Well I rather expect they might have died of "suiciding" or something more realistic—like murder—due to revelation rather than radiation but, then, who knows? May the Force be with you.

# A Matter Of Perspective

8/8/92 #1 HATONN

## LIGHT AND SHADOW

In the shadow of the lilies the butterfly rests and sups—ah so, but also is the scorpion seeking cool shade to cool himself. Each is a perfect creation—each “perceived” differently. You must see that it depends upon wherefore are the lilies—if they choke the field of food-crop then MAN discerns them to be weeds and intruders. The butterfly? Ah, but the larvae will eat the crops and the beauty of the butterfly in all its glory is lost. Then, there is the scorpion—attending his business—of eating insects which infect those very crops. But, which is deemed evil? First of all the scorpion will be smashed and yet, if MAN touches not and torments not, the scorpion—will he be stung? WHOSE TRUTH DO YOU PERCEIVE AS “RIGHT”? WHOSE SPEECHES DO YOU PERCEIVE CORRECT? How often do YOU discern for “another” by your own, possibly incorrect, JUDGEMENT? HOW DO YOU KNOW?(???) WHEN YOU, SAY, WRITE ANOTHER TO MOAN AND COMPLAIN AND DISCOUNT—DO YOU SIGN YOUR NAME? DO YOU BACK UP YOUR INFORMATION WITH OPEN ANNOUNCEMENT AND ASK FOR DISCUSSION OF ANOTHER’S SPEAKINGS? OR, DO YOU FEIGN “RIGHTEOUS” ATTITUDE AND DENOUNCE UNDER THE GUISE OF WISDOM, BEARING NOT YOUR NAME, MAKING INCORRECT ASSUMPTIONS AND ACTING WITHOUT MORE THAN A TINY FRAGMENT OF INPUT IN THE MOST GRACIOUS ALLOWANCE I CAN OFFER?

Dharma cries out to me—“No, please, do not respond to this attack against me, for I am hurt by the response more than the arrow.” *But, chela, I AM A MASTER TEACHER—is your ego desire greater than are ALL the students who come in seeking and searching to hear Truth, discern in reason and allow for their “lessons”?*

*Can you not see that the greatest of lessons are the ones gleaned from that which at first APPEARS to be least? Ah, when the student (chela) has learned this greatest of lessons, shall the journey into radiance be attained—not before.*

## GIFT

Indeed, that which I will share with you is one of the most wondrous GIFTS Dharma has ever received. A small box arrived and Charles brought it forth and said, “Somebody loves you and has sent you a gift.” Rushed and embarrassed, she set it aside to open privately for the things received are abundant with special meanings—the leather satchel in every color of the rainbow—the pressed flower petals, the shirts with the Phoenix in a great variety of wondrous reproductions (all and each of which would merit a full-blown “business” enterprise in itself). Ones send confirmations in wondrous caring, notes of love and sharing, sharing of their own “receptions” in sameness—love and wonder abound at the glory of Lighted ONENESS.

Then come the taunting vipers from their holes to denounce ME—for in no way can Dharma be responsible for that which I pronounce. But somehow, the self-appointed gurus and censors of the WORD attack the messenger and the messenger’s scribe. I find that most interesting—especially from ones who CLAIM to speak for higher Masters and Teachers of the Highest Cause.

Most arrive with no labels unless there is NEED for return of something such as money or in lawsuits wherein theft in greed are possible—in their perception.

This is what has happened this day with this particular “sharer of mighty truth”.

## PANDORA’S BOX

In the privacy of the evening,

the box was opened and first encountered were several documents. Without reading glasses Dharma cannot see the words. In this alone I find interest—Dharma hears and writes but cannot read without magnifying glass to her vision receivers.

In the box are five books—ah, great expectations of sharing new information—NO, FIVE OF OUR OWN BOOKS. This may appear quite “dense” to you readers but Dharma and Oberli continue to give away all their own copies of our work and she thought, with appreciation, someone (a book-seller) was sending replacement copies. Oops—that appeared to be a wrong perception. But why would anyone send anything “back” to her—she writes and gives the work away. She has no input to the dealings of the publisher or the distributor. I would expect that ANYONE who even remotely keeps up with our work—KNOWS AS MUCH.

With vision intact, we will share what unfolded. The folded paper revealed a “statement” as follows: *Returned Books: Rainbow Masters—\$10.00, End of the Masquerade—\$10.00, Matter, Anti-Matter—\$10.00 and From Here to Armageddon (2)—\$20.00. Less 10% (??)—\$5.00 but Plus Postage—+ 6.50, REFUND DUE.....\$51.50. Over the Rainbow, 10767 Butte Street NE, Aurora, OR 97002.*

It is STILL undiscerned even at the time of the writing, in Dharma’s mind, as to why this return TO HER—is it “lesson time” or what? Is she supposed to do something with a Publisher in Nevada? Now, of course we know, do we not? She asked that they be forwarded for “refund” or “whatever they do with returned volumes”, to America West. I SAID “NO” YE SHALL NOT DO SUCH A THING. SHE MAY DO EITHER OF TWO THINGS—KEEP THE UNSOLICITED BOOKS WITH A NICE “THANK YOU” OR RETURN THEM FOR GIFTS OF SUCH GREAT VALUE ARE POTENTIALLY PRICELESS AND THERE MIGHT LATER BE AN-

OTHER “LAWSUIT”.

I am going through this boring tedium because you ALL must learn and see that which you do in total ignorance. Evil wears a clue—ALWAYS—and prompting of the adversary into actions such as this—are a MAJOR SIGN—even beyond “clue”.

Therefore, we shall take it tedious bit by bit and if only ONE learns from the experience and input—the journey will have been worth the steps.

I guess I must address the response to Dear OVER THE RAINBOW for there is no name to be found either on the correspondence or on the accompanying documents utilized to “prove” Dharma’s evilness—just a side-margin note: “Dharma—Please read and discern—” AND quarts of red highlight emphasis markings.

QUOTING:

[H: This will all be in italics because the typing was in a script-type print—which usually designates love and friendship. I think NOT.]

July 26, 1992 [And a “Rose” as logo.]

Greetings Dharma:

*Finding the right words at this moment troubles me deeply. I know that working within the realms of spiritual truths is not only a thankless (earth time speaking) task, but a very sensitive special talent. I have read many of the books printed through the ideas of Hatonn along with the Phoenix Liberator. [H: Many? If you only have 4 titles, out of some 60, this smacks of exaggeration does it not? Further, as we move on in the dissertation and lecture on Dharma’s evil ways—I suggest that you have done EXACTLY THAT—read and not seen, certainly neither with clarity.] Much of the material is interesting reading, but most of it has an insincere embellishment. Either Hatonn is a “Familiar Spirit” with axes to grind or you as the controlled force are not dealing on the higher realms. The information coming through is of a volatile nature and a constant threat to man through FEAR! This is not, in my discernment, truth from the Hierarchy. Last May Dharma/Hatonn made a prediction that*

the Earth and Sun would move through a Photon Belt. Even to the extent of a picture and warning signs, etc. My dear aspirant, the Hierarchy would never make such a prediction nor would this type of information be made for the masses to prepare for. [H: No? Would it be better and more believable if Hatonn had not given you what was being touted throughout the Elite play-writes? "Do NOT prepare for that which is coming?" is better? (???)]. What causes you to think you are NOT in the PHOTON BELT? DID YOU TRY TO CALL 911 EMERGENCY SERVICE ON JULY 25TH? MOREOVER THE "REASON" GIVEN FOR THE "OUTAGE" OF ALL LONG DISTANCE AND EMERGENCY SERVICES IN THE WESTERN STATES WAS ATTRIBUTED TO A THREE ACRE GRASS FIRE IN KEENE, CALIFORNIA, WHERE THERE ARE NO PHONE LINES! DOES HAVING SOME DRINKING WATER, CANDLES AND A BIT OF FOOD IN READINESS PAIN YOU ONES SO MUCH? I CAN PROMISE YOU THIS MUCH—IN AURORA, OREGON, YOU WILL NEED FAR MORE THAN THAT VERY SOON. WOULD "YOUR" "HIERARCHY" (WHOEVER THAT MIGHT BE) KEEP THIS A SECRET FROM YOU IF "HE" KNOWS? THERE IS NO SUCH "HIERARCHY" IN THE REALMS OF GOD OF DIVINE SOURCE AND LIGHT—HIERARCHICAL PECKING ORDERS ARE FABRICATIONS OF MAN. "FAMILIAR SPIRIT"? INDEED, just about as familiar as Dharma will ever experience—or YOU, for that matter. 'Axe to grind? I have no need of grinding axes—I most certainly can accomplish my task without "axes". Dharma, a "controlled force"? (???) Controlled? From the realms of God comes loving allowance—not force or control. Therefore, Over the Rainbow, WHO might control your pen? This is a school where each of us is learning. [H: Some far better than are others.] Learning what? Learning to identify our Holy Spirit through each trial we encounter on our path. [H: Since the books remain unread I have to assume that

this portion of the "path" has been deleted from your need for full understanding and possible input? How convenient to simply remove any disagreeable, "possibly", material as pre-conceived notions grab you? How shall you identify God? How shall you, more directly, identify a Space-fleet Commander? What of ALL those "Rainbow Masters"? Are they ALL bad children because you discern them to be WITHOUT reading? How did "Hatonn" get in such BAD COMPANY? THOSE JOURNALS IN POINT WERE GIVEN MOSTLY BY OTHER TEACHERS! WE SHALL SEE HOW MUCH "LESSON" IN DISCERNMENT OF "HOLY SPIRIT", THROUGH THIS PARTICULAR LESSON, YOU MIGHT LEARN.] The progression of planetary events will take place without intervention. We will all be ready and in our rightful place when the Earth is moved to a higher vibration. We can trust the process of life to take care of it! [H: Oops! Watch it—you have just stated EXACTLY what I stated to everyone I could find to hear. You are going through a period of total "Man-tampering" and the things of cosmic universal evolution will come about no matter that which you do or do not do. What you do or do not do, however, determines HOW it will come to be. As to "rightful place" how do YOU KNOW? I WOULD NOT LIKE TO BE IN YOURS!]

My thoughts on your prediction were; you needed to sell more books and this was a "SELLING TOOL". [H: How so? Dharma does NOT "sell" anything!?!] Another con game to dupe mankind with fear. It always works and has done so down the years even before the Master Jesus walked the Earth. The only change is, now Man has gotten smarter. You may have entertained your readers with your Photon story but many did not take it seriously. [H: Oh? Then why the concern as ones who did not take it seriously are surely not inconvenienced by additional water containers, candles and/or foods. Since there is no reference to man-made "Photon Belts"

and/or Natural encounter with one—in any of the returned material—WHO MIGHT BE CONCERNED WITH "SALES" OF SOMETHING OR OTHER? OR, ARE WE TO ASSUME, AFTER ALL, THAT THE RETURNED VOLUMES ARE A "LESSON" AND GIFT IN DISCERNMENT—OR, DID YOU WANT YOUR MONEY BACK BECAUSE "PHOENIX MATERIAL" WON'T "SELL" AFTER YOU "DIDN'T GO BLIND OR BLOW-UP"? IT WOULD APPEAR THAT YOU ARE THROWING ALL THE BATHWATERS, BABES AND ALL, OUT THE DOOR JUST BEFORE THE NEED FOR THE BATHWATER! DO YOU ACTUALLY BELIEVE THAT "ALL THINGS ARE OFF?" BECAUSE YOUR GOVERNMENTS COULDN'T GET THE RADIATION BELT IGNITED NO MATTER HOW HARD THEY TRIED? THEY CERTAINLY DID A WHOLE BUNCH OF OTHER THINGS DURING THAT PERIOD—SOME RIGHT IN GOOD OLD OREGON! BUT, IN SEEKING DISCERNMENT REGARDING "HOLY SPIRIT", I HAVE TO ASSUME YOU DID NOT NOTICE—THEREFOR, WE COMMEND YOU FOR NOT EVEN HINTING TO ANY POSSIBLE "VICTIMS" THAT "SOMETHING IS AMISS" AND THAT THEY JUST MIGHT GET "DEAD" BEFORE THEY LEARN TO DISCERN HIGHER REASON. GOOD FOR YOU! GIVE YOUR PEOPLE "MUSH" AND THEY WILL STARVE TO DEATH BEFORE THEY LEARN THE WAY TO GOD.

Further, the only material I have given you on the subject is EXACTLY AS PRINTED, RIGHT OUT OF YOUR SCIENTIFIC AND "NEW AGE" WRITINGS—CAN YOU NOT "READ"? "Hatonn's Photon Belt", as ones such as you proclaim this to be—IS NOT EVEN DUE UNTIL YOUR SECOND DECADE IN YOUR NEW CENTURY. I WONDER HOW MANY OF YOU WILL BE STILL AROUND TO NOTICE? GOD FORBID THAT ANY OF YOU BE PREPARED FOR HAPPENINGS IN THE INTERIM!]

What you did do was to create a skepticism of your own credibility. No longer will your

readers seek more books. They will now know that your interest is purely in money. Sales, sales, sales.

[H: In behalf of Dharma I would like to tell you, Over the Rainbow, that out of HUNDREDS AND HUNDREDS of letters of appreciation—there were EXACTLY TWO (yours and another who continually blasts, Elysian Dawn from Arizona) who have not blessed and thanked and loved more, for the information which is poured forth from this keyboard to find some sanity of unfoldment during this time of chaos. At least Elysian Dawn sends his name for identification and all else he sends is labeled and open—not cut in such a way as to delete source and author. Perhaps you might wish to reconsider possibilities, Rainbow.]

As a bookstore owner, I am very disappointed with your program and what you have done to your fellow man. [H: Program? What program? Done to "your" fellow man? Whose "fellow man"? Done to? Dharma TYPES and TRANSLATES—she does NOTHING to anyone—including sell books. Is this possibly one more PERSON who feels "fellow man" must be somehow "thought for", "acted for" and protected by some self-proclaimed "guardian" because his ignorance and stupidity causes him to not be able to function and think for self? Congratulations, but I believe I would rather seek higher authority for my "guardian" than a bookseller who prefers the world blow-up or be blinded and damaged than to face reality of truth.] I no longer feel that I can sell your books nor can I endorse any of your material as TRUTH! [H: Thank you—for it's your type of endorsement on our work which WE DO NOT WANT! GOD NEEDS NO SELF-APPOINTED ENDORSERS OF SELF-PROCLAIMED TRUTH! I DID NOT ASK YOUR ENDORSEMENT AND HAVE NO NEED OF SAME. I DO, HOWEVER, FEEL A BIT OF SADNESS BECAUSE YOU AND "YOUR FOLLOWERS" WILL PROBABLY "NOT BE ABOARD" WHEN THE TIME

**IS AT HAND AND FOR THAT, I AM TRULY SADDENED. Ah so, finally now, we get to the point—do we not?:] I would appreciate a full refund for the books I have returned. They no longer have a meaning of Light!**

**[H: If you wish a full refund why did you send them to Dharma? What is she supposed to do with them? Would you like your \$51.50 in "foodstamps"? Do you think the paper pages will take the place of the food? I do not even want her to spend the postage to return them to you, Rainbow, nor to send them to Nevada to America West. We will just hold them in the box until you send the postage to return them, thank you.]**

*I feel much sorrow for your efforts. What could have been a beautiful lesson for mankind has been destroyed once again through greed. [H: Oh, I think this very lesson is worthy of noting. Great lessons are found in all, even the most minute, places and faces, Rainbow. If this was to pull Dharma from her work—you FAILED! I welcome and bless that "failure" because she, too, must pass her testings and learn always to give appreciation unto her enemies that she might learn and share.]*

*May you find your path and re-discover the true blueprint of your mission here.*

**[H: Ah so—INDEED. You just reinforced her blueprint of service and strengthened the goal of the mission. I wonder, Rainbow, if you know that which is YOUR mission?]**

**END OF QUOTING FROM THE LETTER SENT.**

**NEXT COMES THE ATTACHED "CUTTINGS AND UNDERLINING" PAPERS FROM SOME BOOK, UNNAMED, UNQUALIFIED, UNIDENTIFIED AND SENT, I ASSUME, AS SUPPORT FOR THE ABOVE ATTACK SINCE IT IS DIRECTED TO DHARMA FOR "INSIGHT AND DISCERNMENT". WELL, I AM MOST PLEASED TO NOTE THAT SHE READ IT IN FULL SEVERAL TIMES AND DISCERNED AND GOT INSIGHT—THANK YOU.**

*I have no way to share this, either, without reprinting it and*

*wherein we "bold" (XXXXXX) print, indicates the "highlighting" by Rainbow.*

**QUOTING** from a document without introduction, identification or qualification:

*Great Mentors will never, in any instance, give anything that causes confusion of spirit, that affects to be sacrosanct to the individual alone, that insists on secrecy as to its nature and import, or that unnaturally aggrandizes the earth person either in his own esteem or esteem of his fellows. [H: Hogwash! WHO pronounces what a "mentor" will or will not do? YOU? "Never"—"in any instance"? "Confusion of spirit"? Spirit does NOT get confused—consciousness gets confused! Who writes this garbage? I simply cannot take each sentence lest we NEVER finish in time for the meeting this afternoon. Move on, chela.] They know too well the inexorable results of such counsel. But they are powerless to thwart it being given by lesser people if the earth-person has opened himself to their voices and yet will not heed the ethics involved as plainly described in clarified warnings. [H: Powerless? Thwart? Lesser people? If the teacher be powerless and efforting to thwart anything of KNOWLEDGE and/or speaking "DOWN" to "lesser people"—you have a most interesting "teacher".]*

*A favorite method of gaining or retaining hold of such earthly dupes [H: Is there no end of this "teacher's" insults to you reflections of God? Dupes?] by the "Familiar People [H: Familiar People? Who in the Universe, are "Familiar People"?], is to read to the Automatically or Clairaudiently from another dimension beautiful passages of Sacred Material [H: Whew! Lets us off the hook—I transmit directly and obviously the OBJECTION is that the writings are filled with FEAR and NOT "beautiful passages of Sacred Material".], as available to them as it is to those in earth-life, in such a manner that the earth-person assumes it to be coming from Great Masters of the Wisdom, and all too frequently from The Teacher Himself. After uti-*

*lizing such material over the inter-plane psychic wire, they proceed to inform the dupe that he has been selected for missions of vast importance in the world, as the purloined or plagiarized material would indicate. In hundreds of cases such dupes have been solemnly assured that they have either been Apostolic Fathers, or persons famous in Biblical history. But then the hoaxing comes clear between the lines. When this sort of thing has made its wanted impression, and sincere and earnest people have become persuaded that they have indeed been elected to positions of great importance, the next move.....[H: The page is cut at this point. I would point out, however, that if this was a lesson for Dharma—it somehow does not fit. She only gleans hours and hours of work and NO recognition. To stay alive, she must live an almost isolated life without such things as even her picture included with her own children at their weddings and other family and friend's occasions. When one GIVES UNTO GOD THAT WHICH GOD NEEDS—ALL ELSE BECOMES IRRELEVANT AND TRIVIAL. Then, when others participate and rest on weekends, as such, she serves as speaker and writer and shares NONE of the pleasure and respite. Is this YOUR idea of perceptions of "vast importance" of self? "Purloined or plagiarized material"? How so—IF IT BE TRUTH? HOW ELSE CAN ONE GIVE FORTH TRUTH IF IT FOLLOWS TRUTH FROM ANOTHER? PERHAPS YOU WHO "ACCUSE AND CONVICT" MIGHT EXPLAIN THAT MECHANISM TO ME! LET US CONTINUE ON APPARENTLY ANOTHER PAGE—ALSO CUT AND ALL IDENTIFICATION REMOVED. I HAVE NO WAY TO CONFIRM IT EVEN IS FROM THE SAME DOCUMENT SO CAN ONLY PRESENT IT AS GIVEN.]*

*....is to impress on those earth-people the necessity for strictest secrecy and strictest obedience. The latter takes the form of tests. Whenever a mischievous or erroneous direction, or bit of counsel, is imparted, that does not check with facts,*

*the rationalization is given that such nominees "were only being tested for their utter and implicit obedience." There is one logical qualification that is swiftly passed over or ignored. No explanation is offered as to why souls of great cosmic or earthly importance in the past should have been selected for great wisdom or great missions while possessing characters so vacillating that they must constantly be tested. Either they are of the quality to be depended upon from the beginning, or they are not. But queries regarding this vital point are blithely ignored from "the other side" and frequently the earth-person is tortured by stinging rebuke that he has "doubted" or shown himself so unworthy of responsibility as to offer logical challenges in such exhibitions of common sense.*

*When wise authorities on the earth-side are appealed to for guidance in such controversies, and when they expose the inter-plane hoaxing that is being attempted, the baffled and challenged Familiar People lapse into campaigns of criticism and abuse of those earthly counselors, vilifying them by suggestions to the distraught victims that their earthly counselors belong to the Dark Forces, or have come under Evil Influence. [H: Boy, I surely am glad that Rainbow practices NONE of the above.] Of the two, the victims are inclined to give the benefit of the doubt to the Familiar People, fearing all sorts of nameless penalties that may be inflicted upon them if they do not proceed as they have been directed.*

*It rarely penetrates the fear-struck intelligence [H: Mutually exclusive terms: "fear-struck" and "intelligence"] of these victims [H: Victims? "Victims"] that real Masters of the Wisdom never indulge in the slightest deprecations of anyone, never use duress in any form, never insist on the slightest secrecy in regard to their communications, never participate in any gesture that is not frank, and constructive, and enlightening, and inspiring. Least of all would they designate anyone on the earth-side as being*

aligned with the Dark Forces, whisper gossip about them, use threats or derogatory suggestions to make themselves of influence, granted they knew the fact to be true. [H: This one really has a doozie of a "Guide"—one who tells you NOTHING. You ask for guidance and you get NOTHING and certainly not even a "gossip" "look-out" regarding anyone from the "Dark Forces". Sounds pretty "clue-ish" to me, readers. All this non-anything—even "granted they knew the fact to be true." "Threats or derogatory suggestions"? These would "never be used"? I see—no matter how totally EVIL—a guide never would speak truth to the poor helpless "victim"? Rainbow—you have just done it: I WILL SPEAK OUT AGAINST EVIL ANYWHERE I FIND IT LURKING TO CAPTURE AND DESTROY GOD'S WONDROUS CREATIONS. IT IS NOT OF MY DOING, DHARMA'S DOING OR GOD'S DOING THAT MAN IS DUPED. IT IS THROUGH THIS VERY TYPE OF HOG-SWILL THAT YOU FEED THE "VICTIMS" FOOLISH ENOUGH TO READ THIS GARBAGE. WHY DID YOU NOT RETURN THIS RESOURCE OF NON-INFORMATION FROM UNIDENTIFIED SOURCE FOR A REFUND? I CAN GUARANTEE THAT THE "REFUND" WOULD BE FAR GREATER THAN FROM ANY JOURNAL OR PAPER THAT IS PRODUCED FROM THIS KEYBOARD!] Their very essence is frankness, constructiveness, enlightenment, and inspiration. They could not be otherwise and remain themselves. [H: Well, I guess I am just "not MYSELF" today!]

The advice, which they impart is always doctrinal in nature. [H: Yep, I can see that this "person", Rainbow, has studied carefully, all my words. Doctrinal? Funny, the doctrinal groups are also trying to "wipe me out". Doctrinal? I wonder if you even know what this says or means?] They convey...[H: The page is hereat cut away to continue at some other unidentified place]

.....broad, high principles

by which those in mortality should conduct themselves. They are interested in informing earthly people of great laws and processes at work in the Cosmos, which only they can witness and that could not be known otherwise by those handicapped by fleshly limitations. [H: I assume this is a slam regarding the Photon Belt—which WE call the time of Radiance? At any turn of the Cosmic announcements—the "evolvment in point" is referred to as the Great Barrier in many cosmic languages and the happening is not a phenomenon—it is a most regular cycle which happens on schedule every time so far. If, however, you as a non-cosmic PERSON cannot see that which is coming down on you—then blindness could be no worse for you.] If they are indeed concerned in the fortunes of some earthly person because that person may be an incarnated Master Spirit in his own right, slowly awakening to the import of his mission, they make his pathways smooth by invisible, unannounced performance; they save him from all harm but do not call attention to it; they enhance his fortunes delicately and invisibly, making it appear always that the earthly person himself has been successful of his own initiative, that he may acquire more self-confidence in performing greater tasks. [H: GARBAGE!!! This goes beyond hog-swill—THIS IS OUT-RIGHT LIE UPON LIE. I AM H A T O N N / A T O N—WHO MIGHT YOU BE WHO SENDS THIS TRASH INTO AND UNTO MY PEOPLE? WHO HIDES BEHIND THE SKIRTS OF A "VICTIM" OF YOUR LIES? I MEET ALL WHO ACT IN DARKNESS—HEAD ON, OPENLY AND FULL IDENTIFICATION—YOU DECEIVERS OF CREATION AND CREATION'S CHILDREN SHALL RUE THE DAY YOU GIVE UNTO CREATOR'S CHILDREN THESE LIES. CONFRONT ME, EVIL DOER, FOR I STAND AT READY—WHEREFORE ARE YE?] They stand ready to serve with enlightening information at all times, but it is an impersonal, cosmic lit-

erature which they compile and release. [H: Ah, you test my patience. Even garbage goes toward good purpose—this is intended for the blackest of purposes. Still, the "gift" is beyond the appraising for the quality of lessons presented!] They leave it to the individual to take the higher principles which they delineate and apply them in absolute free will to the earthly circumstance. [H: One thing right out of thousands is about par for the course, I suppose.] For thus is character formed; thus is self-confidence enhanced; thus is personal initiative made a splendid, resourceful thing. Thus have they obeyed the Great Law which decrees that true help rendered to another is in helping another to help himself. [H: "the Great Law"? What mean ye—the Great Law? Whose Great Law? This may certainly be a "good" rule—but is certainly NOT "THE GREAT LAW".]

Most of the discouragements, the bafflements, the cynicisms, the damages, wreaked on earthly persons who have taken discarnate counsel, have come from those who have blindly followed "higher mentors" to the derogation of these qualities. They have leaned on invisible counselors, believing them firm friends and allies, only to discover sooner or later that even if those in the higher dimensions are sincere, they are encountering factors in exercising such direction of their earthly pupils which they can in no wise control. Seeing events from two dimensions at once, as it were, those who vaunt themselves as being in control cannot make distinctions as to time and principles that are essential in having their counselings come true in earthly happening. They cannot always distinguish the astral from the mortal. [H: Or frankly their head from the other end!] But always two intelligences are striving to run the same body, or the same set of earthly conditions, and the result is a confusion that eventually becomes insufferable. [H: Doesn't sound like "intelligence" to me, either singularly or plural.]

[H: Page cut hereat to continue on another slip of pa-

per—assumed to be from the same disinformation resource.]

..... Discarnate counsel, therefore, by its very essence, is not for the practical affairs of life, or its petty problems that result in enhanced judgment and discrimination when solved by mortal initiative. It is for the purpose of acquainting the earthly person with cosmic facts and process that could not be acquired by any other agencies. As such it should be recognized and utilized. As such it is legitimate and approved on all planes of spirit. Having acquired a knowledge of such higher facts and process, the earthly soul, wise thereby above its fellows, has an advantage that should easily be put to mortal account. Thus the practical end is achieved; thus no obligations are undertaken on any plane that have karmic penalties attached to them on their denouement. [H: How many of you readers even know what that word means, "denouement"? Well, next will contain a portion which is highlighted and surrounded by exclamation marks so we will assume it to be aimed at us with power and abashment. Therefore, so shall we accept it in kind!]

Let us look upon life, therefore, as a problem in equity, each man toward his neighbor. !! Let us accept as counselors ONLY THOSE WHO TELL US OF "HEAVENLY THINGS".!!! But let us take such celestial knowledge and apply it mundanely, observing and adjudging human life as The Great Teacher observed and adjudge it, a temporal classroom in which so-called Suffering is merely part of an equation in Divine Geometry. [H: Everybody still with me?]

[H: Page again cut and changed—to continue elsewhere unknown and unfinished—AND UNIDENTIFIED AND UNLABELED!]

\*\*\*\*\*

Over the Rainbow, I am seriously concerned about you, child. You are the very type of innocent Spirit that misleads humanity into the paths of total darkness and that journey will most likely cause you great pain and burden as you come to un-

derstand it.

I ask that the JOURNALS in point NOT be returned or forwarded to America West. I ask that they be held RIGHT HERE until such time as response is offered—in open identification and full confrontation for YOU hide, child, behind the black curtains and that curtain will abandon you in the LIGHT of TRUTH—evil promises great things—only to abandon in the final thrust, those who confuse "truth" with "magic" and drivel. YOU HAVE JUST CONTRIBUTED MORE "TRUTH" IN PERCEPTION TO YOUR FELLOW-MAN THAN YOU HAVE EVER DONE BEFORE AND, FOR THAT, I THANK YOU. MAN MUST LEARN TO READ AND MEASURE AGAINST "ALL INFORMATION" OR HE SHALL NOT MAKE THE TRANSITION INTO HIGHER REALMS AT THIS CROSSING. WHO IS YOUR FRIEND, BROTHERS, THE ONE WHO GIVES YOU TRUTH TO THE BEST OF OUR ABILITY TO PASS IT ON TO YOU, CONSIDERING THE TAMPERINGS OF MAN—OR HE WHO GIVES YOU "WORDS" AND GARBAGE FOR YOUR INTELLIGENT AND REASONING MINDS TO FEED UPON?

I care not which you choose for it is YOURS to be in the choosing and discernment and judgment "of actions" (not man). I say this to you readers, if you think that you can make ascension, transition and crossing with naught but garbage for fuel—then you shall be sorely surprised and disappointed. You will make it through enlightenment, doing of your homework, facing and acting according to the "WHAT IS" and coming into KNOWING! I can help you or you may cast me aside along with God—but I remind you that the time is at hand, the sorting underway and the "choosing" will be done. You may do it in ignorance or knowledge—either way, it WILL BE DONE.

You may cast bullets or boulders at my speakers and scribes—but it is only YOU who will perish in the ending of the cycle of cause and effect. When one strikes out at the transcriber and not the speaker—comes your first clue of WHO brings

the affront and FROM WHERE. IF YOU HAVE SOMETHING TO SAY TO US—SPEAK RIGHT UP AND SAY IT—I WEARY OF THE STUPID GAMES PLAYING OF THE ADVERSARY FOR YOU SHALL NOT DETER US FROM OUR MISSION OF LIGHT; I CARE NOT WHO YOU THINK YOURSELF TO BE—GREAT GURU OR IDIOT. THERE IS ONLY ONE TRUTH—TOLD IN A MYRIAD WAYS. THERE IS ULTIMATELY ONLY ONE "ANYTHING" AND THE SOONER YOU LEARN THAT "GREAT LAW" THE SOONER YOU CAN BEGIN TO MAKE A BIT OF PROGRESS OUT OF THE MUCK AND MIRE OF DARK IGNORANCE. YOU ARE NO LONGER "BABIES" AND I SHALL NO LONGER CATER TO SUCH SELF-INDULGENCE. SPEAK UP AND IDENTIFY OPENLY IF YOU WISH TO ADDRESS ME OR MINE. PONDER THIS MOST CAREFULLY!

#### ANOTHER VIEWPOINT AND ONE OF IMPORTANCE

The point of literature is to urge you to attend ALL and then can the pieces be set to the tapestry. Only the final PROPER pieces will make the picture whole. To buffer the lessons above, I would like to now share another letter which arrived yesterday. Even if the "conclusions" are not quite correct in all instances, this man is "thinking" and trying to come forth with correct thought lines—using MUCH information offered by MANY ones and by sorting that which "fits" from that which "does not". HE USES, IN OTHER WORDS, THE **INFORMATION GIVEN**—NOT BLIND BABBLINGS OF WHO. EVIL ITSELF IS THE BEST TEACHER IF YOU KNOW AND KNOW THAT YOU KNOW.

I offer this so that all of you "curious" inquiring minds might go study your own books and lessons and then your information can be shared and perhaps conclusions drawn in some measure of correct harmony. I am simply asking that this letter be reprinted and shared. I intend to make very little comment as I have no intention of so much as "correcting" spelling of labels if they be

incorrect.

This deals with "the" Anti-Christ. I must first remind you that the "Anti-Christ" is NOT a single person. It is obvious, however, that there will be A leader at some point, of armies and "doings"—I leave that to your puzzlement but this man has certainly gone about his searching most carefully and has interesting sharing for your attention. Thank you very much, E. Paul C. for we all enjoy the sharing of information that we, ourselves, might well have overlooked in the unfolding and the remarkable amount of "non-news" and valid information.

QUOTING:

July 23, 1992

Dear Hatonn, Dharma, and Friends,

Let me first say that in the 4 months I have been reading your paper, *THE PHOENIX LIBERATOR*, I have learned a great deal. Please keep up the good work and try to ignore the hecklers and worse. It is indeed unfortunate that basic respect for others is such a rare commodity in our times.

The "business reason" for this letter is that I have changed addresses. Please make note.

As I become more aware of some of what is going on, I feel more capable of picking through the "Daily News" and reading between the lines. I would like to share some ideas along this line on a particular subject.

By reading America West's CONVERSATIONS WITH NOSTRADAMUS, I became aware of the potential for another MAJOR PLAYER in our planet's unfolding scenario. He is the man who could be called the Anti-Christ, the Hitler of WW-III if you will. (I personally have no Christian leanings in the current sense.) Anyway, by reading and using clues to think about this man, I have the following observations:

First, according to Nostradamus, this man should be about 30 years old at this time. (Also Jeanne Dixon predicted the man also, picked the same birthdate, Feb. 1962, and said that at age 29-30 his impact would begin to be felt in the world.)

2nd: He (per Nostra-

damus) is to take over Russia, first, by guile. He is also supposed to be a member of the Elite in that they see him as someone who can help them to secure control of the volatile Middle East. My guess is that he is behind the Moslem uprisings in many parts of the former Soviet Union. I believe he is maneuvering to get his own leaders in power in these states. And more importantly, it is through this connection that he intends to arm himself with the military might of the old Soviet Union.

And who is this man? Note Nostradamus tells us that the Beast will first appear during an eclipse. Was there not an eclipse on Jan. 5, 1992? And, at this time were not general elections cancelled in Algeria to avoid victory by the Islamic Salvation Front? This was the first we (internationally) heard of this leader, Abolkadah Hachari (spelling uncertain, heard this on radio). **[H: I will say that Dharma recognizes no such name and has interrupted herein to go and search—we shall allow her to find it a bit later for she has no "leg up" on any of you other students. Indeed, you will all chuckle when you realize you DO know the name.]** He and his followers were imprisoned.

Hachari took over the ISF (media uses FIS) in late Spring of 1991. According to Nostradamus he was to have set up his computer network by April, 1991 and to then begin his political career. Yes, this man is intimately involved in computers and with the Elite debit-card, laser code plan to internationalize finances and human control.

Also, Nostradamus stated that the man grooming the Anti-Christ for his upcoming mission was himself behind the assassination of Anwar Sadat. I may have heard on radio (it goes by so fast) that the ISF was previously implicated in this assassination as well!

Notice in Algeria how the power is not in the hands of the government. It is the police who are killed, the leaders who are killed (Boudiaf, et al.), etc. Meanwhile, the poor, imprisoned ISF members wait to be swept into

power on the tide of popular unrest after having the elections stolen from them, having been illegally imprisoned, etc. (The government is too scared even to bring them to trial.) The set-up seems very clear to me! Note also that Nostradamus predicted his local rise to power for August, 1992!!!

Hachari, or whoever the Anti-Christ is, will win the battle for top dog among the Elite. He will proceed to take the economic reins from the Elite and use them to carry out plans beyond even the evil presently being considered by the Top Dogs!

In any case, it is my opinion that more attention should be paid to the connection of this man to what is unfolding. It is one more way to sort out the confusing signals coming in.

I am interested to know if Hatonn has addressed this subject in previous journals. I would be more than happy if he wanted to use my letter as a springboard to make comment himself. Please reprint my letter in your paper in whole or in part for this purpose, if you wish. I could write more, but I know you already get a great deal of mail and are very busy.

Thanks again for all you have taught me. Your article on Sumarian astronomy helped me to understand our Sister Moon better than I ever did and to give me new faith in my own spiritual path.

Much Love and God Feelings,

E. Paul C. [He offers his name, but I shall hold it in privacy for the present. I think Nora might well enjoy doing a bit of "digging" on this subject. Thank you.]

END OF QUOTING

Chelas, the point is not "who" is the Anti-Christ. The point is to "think" and coalesce these thoughts into knowledge so that you can be in expectation of your ENEMY. The "clues" are always GIVEN if you but seek them out and know how to measure the information. Blessings unto and upon you who share in open giving for it is through these paths that truth can make its rising.

I will not comment further at this time for the day grows short

prior to a scheduled meeting and we must leave the keyboard. I will be happy to discuss this at the gathering but I shall tell you in advance: I shall not reveal the conclusion for it is not for me to do so. I do find the deductions worthy of note and very thought

provoking. Thank you.

Let us leave this as it is lengthy indeed, and we must move on. Peace, scribe, for no one offered you a "rose garden" but in the ending, the roses shall be wondrous! Salu.

Hatonn to clear.

## Pendulum Swing From Serious To Ridiculous

8/10/92 #1 HATONN

### A CONFIRMATION OR TWO!

Good morning and greetings in the Light of the Radiant ONE. May you be gentle in your journey but unbending in the KNOWING of your path in Truth. GOD gives that which is needed as that for which petition comes from the being who asks in highest good and honor. That which is asked for in greed and ill-intent will surely be given, in return, in KIND. If you always ask of GOD to lead and give in selfless intent for "brother", then you can be assured of return of goodness unto self. **For that which you press upon brother is pressed at the very same instant—UPON SELF! ASK DESTRUCTION OF BROTHER OR FELLOW CREATION, AND YOU SHALL BE SURELY DESTROYED IN LIKE MANNER—IT IS THE LAW OF THE UNIVERSAL CREATION. BE CAREFUL, THEREFORE, THAT WHICH YE ASK AND DO. SALU.**

### HUMOR IN PRINT

Take that which is written about "us" with humor in your receiving. Accept that which is taunting in KNOWING it will be eaten "as the Crow" when the tide washes back unto the senders of ridicule. I promise you of my team—the tide will wash back and your taunters WILL NOT HAVE THE LAST CHUCKLE! THAT, FURTHER, MAY BE MORE QUICKLY NOTED THAN YOU MIGHT AT FIRST GUESS—YOURS IS NOT TO KNOW WHEN—ONLY "THAT"—IT SHALL BE SO. You must hold this KNOWING within your silent place, in good hu-

mor and Light that you do not appear the foolish snob when the "proof" is made quite clear. Is it OK to ask for that "proof"? Of course, chelas, HOW ELSE DO YOU THINK WE WILL BE ALLOWED TO GIVE SUCH PROOF? JUST ALWAYS ASK IN SUCH A MANNER THAT YOU DO NOT JEOPARDIZE OUR MISSION—AND ALWAYS BE INTROSPECTIVE—FOR WHOM DO YOU WISH THAT "PROOF"? IF IT BE FOR SELF—THEN WORK HARDER AT YOUR LESSONS AND SEE WHERE YOU LACK UNDERSTANDING.

Dharma, for instance, knows she "lacks it" in understanding and knows "she wants the proof for self"—BUT, we continue our work with the "KNOWING WITHIN" that rises above need for silly magic tricks and show-and-tell games and hoopla. Just be honest in your approach and—all of you—KNOW THAT YOU ARE FAR MORE WORTHY "WITHIN" THAN YOU REALIZE "WITHOUT". GOD DOES KNOW AND UNDERSTAND—IN AND WITHIN SELF. REMEMBER "THAT" TRUTH TO KEEP IT HOLY IN RELATIONSHIP—AND ALWAYS KNOW THAT THE HUMAN "HOUSE" AND EGO IS A FULLY SEPARATE AND DIFFERENT BEING IN CREATION—UTILIZING THE SAME MECHANICALLY PHYSICAL "VEHICLE" TO MAKE IT THROUGH SCHOOL. SALU.

### ITEM ONE: RCA BAN ON RECORDING

There is a fine song-writer, we are told, who has written a song to this nation, U.S.A., called "WE MUST TAKE BACK AMERICA". The sharer of this information has given us the following but is not sure how to

spell the name of the artist in point. I share as he gave it and you can research it for self—always, YOU must now begin to take up information and follow-through for it is YOUR JOURNEY in point—not MINE. G.S. tells us the name "sounds" like "Steven Haus" (house, hoss, etc.). This person is under full attack from the establishment and incredible "flack" from the recording and media industry. Major stations have been banned by order to NOT PLAY THE SONG and RCA has pulled the song and will not let the artist have it back. The artist has a toll-free number for support and help. (Our people will effort to supply you with that number, but surely one of your readers will find it more quickly and please, phone it in to the Editors. Thank you for THIS is the way the network can work. It requires each and all to share, network and make a contribution at every opportunity for giving confirmations, i.e., the following:)

### TEENAGERS' FEAR ABOUT PHOTON BELT/RADIATION BELT IGNITION

I have remarkable coincidence this day—letters from "teens" who are sharing top-secret information. One shares direct information from parents who WORK within THE SYSTEM and on the very projects in point. THE PARENTS WERE TOO INTIMIDATED UNDER DIRECT THREAT TO SHARE—THE CHILD DOES SO WITHOUT ASKING ANONYMITY—I KEEP THE SILENCE AND SECURITY FOR PROTECTION. The other information also bears a label but requests silence. I would say these are very mature teenagers who live in circumstances where THEY CAN KNOW WHAT IS TRANSPILING AND ARE SCARED TO DEATH FOR THEIR FUTURE EXPERIENCE.

The fact in point is that ones working on the projects themselves say that the "Photon Belt" **"PROJECT"** IS THE MOST SECRET PROJECT EVER. IT IS ALSO CONNECTED TO "SOMETHING" CALLED THE "BLACK-BIRD" PROJECT IN "SOME SORT OF 'GRID' PATTERN SETUP, THAT I DON'T

**QUITE UNDERSTAND".** "I didn't know who else I could trust to tell—my folks *get copies of the LIBERATOR* for most issues, but they are ordered to keep silent. I know that it will be terrible and I am so scared we are all going to die and I don't want to die, sir..... Please tell me what to do—but don't mail it here because it will get my parents killed." **Precious, you are honored and you have done that which is the only thing you can do. Hold to Truth, son, and YOU will find protection. Your nation and world stand at the crossroads and the way must be chosen in direction. God hears and receives ALL and your daring document will be destroyed, burned, and ashes destroyed. Thank you and your fellow-man will one day come to recognize that which you have offered of self—for him.** "I hear them also speaking about NASA and ignition of the 'radio-active' belt—they call it somebody's name that I don't know. I think it may be the one you have written about but I don't know enough about it to be sure. Would you check on it, please sir? Please, may I ask that you will transport my family and me to some safe place because we don't have anything to do about these terrible things but my folks can't do anything about it or they will be 'taken' and arrested and we think they would be killed if anyone finds out. God, I am so scared and I know that it is earth people doing this and terrorizing us but I don't know what to do, sir. Please help us. I am scared for you to use my name so if you would please just use my initials, I would thank you very much and maybe not give our location because we are watched all the time. I hope this gets to you because I am mailing it somewhere else—our mail is messed up so I think it is watched. I sure do thank you, sir, for reading this because I don't know anywhere else to go and my folks are right into this mess—but thank goodness, not in headquarters or at top-level. There are hundreds of people who are working in there that know all about this and can't do anything about it. I am real

sorry that everybody laughs at you and the information because this is really 'real' and I can't sleep at night because I don't expect to wake up and if I do, I think I will be blind because my folks got eye protection that we have to keep with us ALL THE TIME, even as we sleep. Sir, I haven't read your papers very much but I hear my folks talking and I know whatever you are writing must be true—because my Dad says it IS and everybody 'better wake up' or 'what is coming down will blow away our planet.'

"Is it alright to be scared? I am 13-1/2 and I paid attention in physics and chemistry—but I don't think I studied hard enough because they didn't tell us anything about all this stuff.

"I sure do hope you can do something—even like tell the people. Every day I think it may be our last minute. Can you get this to God, sir? Thank you! I sure do appreciate it if you can. I don't guess I know who God is but maybe you do because my folks say he ain't in the church-house but is somehow traveling around with you people. I sure hope he will do something because my Dad says it is getting worse and worse down here.

Thank you a lot, sir, and I hope that THAT GOD takes care of you, too. Yes sir, I sure do hope so. Is it alright that I am so old now and still get scared really far-out? I guess it isn't very cool and I should maybe just chill out like the guys say—but I can't seem to get rid of it. I'm trying to be real good, like I used to get before Christmas—so maybe you will listen. I hope so. I hope the Force is with you, sir, if there is one because we sure do need it.

"I most sincerely thank you, sir—I'm trying to be respectful so you know I mean it."

\*\*\*

**If that cry from your own babies doesn't touch you, readers, WHAT HAVE YE LEFT TO CAUSE YOU TO HEAR?** Please also be kind to me, old Hatonn, for I can hardly bear it and I too must wait and see. I can only promise to bring GOD'S PEOPLE INTO SECURITY WHEN THE TIME IS RIGHT TO COME HOME and it shall have to be enough—for GOD IS SUFFI-

CIENT!

**FROM THE MOUTHS OF BABES COMES TRUTH—MAY YOU BE GIVEN TO HEAR IT. TO YOU PARENTS WHO MAY OR MAY NOT EVER KNOW WHO IS THIS CHILD—I HONOR YOU FOR THAT WHICH YOU HAVE GIVEN HIM—TRUTH, STRENGTH AND RESPECT TO HIGHER CREATOR—HE KNEW THE DIFFERENCE! I SALUTE YOU.**

The other child said almost the same thing regarding "how he/she came into knowledge of events"—but simply asked me to be like "Scotty" and "Beam us Up" because "...it looks like the only way off this awful place when they finally set it on fire!" Anybody "HOT" UNDER THE COLLAR YET? Indeed, it is time to stop throwing stones at Truth and possible truth—and get some leadership in your nation—or a lot more is going to be "hot" than under your collar. So be it.

#### **STUPID, FALSE AND DANGEROUS DISINFORMATION**

In your circles of "fun and games" for gain, information, disinformation, misinformation and total B.S. come ones who, for the life of me, are beyond understanding, and who, while denouncing total Truth given in reason and logic, are believed, given credibility and honor IN SPITE OF "NO" REASON.

I sincerely appreciate ones who share such information being passed around as valid. Sometimes the insult is so blatant that I will not keep silent and allow even a hint of validity to be given such documents. I do this because I want ones sharing of such information to not assume because I decline response or denial—that I somehow approve validity of such garbage.

What has come to me as simple inquiry in the form of sharing is worthy of noting to ALL of you readers so that you can be discerning in that which comes to you for attention. It is SIMPLY AND PURELY using guidelines for self in every instance—then, you need no other input to discern credibility. Of

course, readers, if you have not bothered to read guidelines then this is an excellent example of HOW you can be HAD most foolishly indeed. YOU MUST WATCH **EVERY** CLUE AND THESE DOCUMENTS START RIGHT OFF WITH THE FIRST AND MAJOR CLUE: COPY-RIGHT **WARNING**.

If you offer TRUTH which you want "to share", it IS truth in fact—and cannot be of copyright value—it becomes 'NEWS' and property (already) of the public by its sheer "natural law" presentment. I realize that "publishers" must utilize a "form" of copyright to get listed in the Library of Congress and in order for readers to "track" and find out-of-print documents or locate "in-print" documents through listings. To **"warn of prosecution for sharing ANY PORTION of a document presented as TRUTH, if shared in any manner—SPEAKS LOUDLY AND CLEARLY THAT IT IS INDEED, AT MOST, ONLY PARTIAL TRUTH AND MOSTLY LIE—ALONG WITH BEING INFORMATION (REPRESENTING TRUTH) BEING GLEANED FROM "OTHERS" WRITINGS OR SPEAKINGS.**

The documents under subject are called: (I wonder if this listing of title is also copyrighted?) **THE HEERMAN RESEARCH PAPERS**, by David Lee Heerman. In the first place, this is NOT the man's name nor is it valid information in any form. Even the information which IS valid is gleaned from other presentations and structured in such manner as to render it useless except for very dark causes. I will be most pleased to take this up with the author in point but it is difficult to do an adequate public job with such threat of lawsuit if I even quote his work—for discussion. **WHEN ONE PRINTS TRUTH HE DESIRES USE OF HIS MATERIAL FAR AND WIDE AND UNTO THE CORNERS OF THE EARTH FOR CREDIT TO MANKIND AND, USUALLY, EVEN TO A VERY BIG EGO STATUS. ONLY FALSE PRESENTMENTS ARE HIDDEN AND THREATS AND WARNINGS STATED RIGHT AT THE ONSET REGARDING THE MATERIAL. THE INTENT OF THIS**

**MATERIAL IS TOTALLY EVIL IN PROJECTION, UNTRUE AND TOTALLY WITHOUT HONOR IN ANY MANNER.**

"PSYCHIC RESEARCH"—  
THE NOSTRADAMUS  
TECHNIQUE; "NOSTECH"

My, my, I certainly do hope the "copyright" laws work in this case for it is both absurd and a disgusting insult to one seer, Nostra-Damian, if not outrage on behalf of an honorable and insightful Nostradamus. So far, Nostradamus has been right on target—it is IN TRANSLATION AND LACK OF ADEQUATE DECIPHERING that any of Nostradamus' work is found to be off "timing" and/or "incorrect". Man has been unable to properly decipher Nostradamus any better than you did John in *Revelation*.

These papers in point today are 99% total foolishness covered over by 1% valid information. You could, if I had permission to share it with you (WHICH, OF COURSE, I DO NOT!) find the useful information right off at the first reading and simply discard the falseness. However, it is intended that you take within the lies and cast out the truth—so be it.

This man says he has, through Nostech, isolated locations of an interconnected system of outposts in and around, specifically, Los Angeles—where is alien life. (We assume he actually means "extraterrestrial" presence, for I assume that in all locations **IN AMERICA, YOU WILL CERTAINLY FIND "ALIEN" LIFE SINCE THAT IS WHAT AMERICA IS ALL ABOUT?**

Next this man goes on to "reveal" "Gray Alien Bases". Oh, this is also impossible B.S. If there are "Gray Aliens" or any other kind of "aliens" they are MAN-BASES. IF IT BE IN THE PHYSICAL PLANE—IT IS "MAN" MANUFACTURED IF IT HAS ANY NEGATIVE IMPACT ON "SOUL". REMEMBER, "EVIL" IS A MANUFACTURE OF MAN—GOD CREATES—EVIL MUST UTILIZE THAT WHICH IS ALREADY CREATED. MAN CAN MANUFACTURE FROM THAT WHICH IS ALREADY CREATED—BUT NOW, YOU AL-

READY HAVE THREE FULL-VIEW CLUES AND YOU AREN'T EVEN THROUGH THE FIRST HALF OF PAGE NUMBER 1. THERE ARE AT LEAST 20 OTHER FULL-BLOWN CLUES TO THE FALSENESS OF THE DOCUMENT WITHIN THOSE SAME LINES OF PRINT WITHOUT KNOWING INTENT AT ALL, TO BEGIN WITH.

BASES AND FINDING  
THESE BASES

This "NosTech" "authority" tells you "how" to locate these bases and let us see if I can be accurate without using more than short sentences to ensure non-copyright infringement:

He continues regarding these clues, "All of which presented here have the same criteria for what I present as "Gray Alien Bases". That criteria being:

1. The presence of the alien itself in what I refer to as a "Tingle Field". [H: Tingle field? Tingle field(??) Does this mean you "tingle" if you come into the "presence" of, say, an unpapered Italian, Greek, Mexican, Canadian? You certainly WILL NOT "tingle" in the presence of an extraterrestrial—UNLESS THAT EXTRATERRESTRIAL WANTS YOU TO "TINGLE". Now, if you want to "tingle"—simply go stand under a high-power transport line or in the aura radiation of a microwave or television transmitter. You WOULD NOT pick up "tingling" as such from an extraterrestrial unless HE is communicating it to you INTENTIONALLY. "IF", indeed, there was a whole base full of these beings—THEY WOULD NOT "TINGLE" NOR SEND SUCH STUPID SIGNALS FOR DISCOVERY. YOU ARE NOW TALKING ABOUT DEALING WITH "INTELLIGENT" LIFE-FORM OF WHICH THERE IS VERY LITTLE ON YOUR PLANET.]

2. A system of energy transfer and manipulation through simple materials (Stone). [H: Gads, chelas, how else do you "transfer

energy"? The most simple material, I suppose, being simple "atmospheric" photons, particums and electroms. No wonder you sincere researchers get ridiculed and discounted—YOU ALLOW THIS KIND OF GARBAGE TO BE PROTECTED AND SCATTERED ABOUT AS SOMETHING OF VALUE. WHEN WILL YOU "GROUPS" CLEAN UP YOUR HOUSE? IT IS AS WITH MEDICINE AND DOCTORS—IF YOU HAVE QUACKS WITHIN—WHY DO YOU NOT GET THEM OUT? YOU FEED THE DISINFORMATION NETWORK AND THEREBY KEEP IT ALIVE AND WELL IN MISINFORMATION AND THE WHOLE IS DESTROYED BY THE "PART". You DO NOT, however, destroy the man—you show the incorrect information for that which it is and the "man" will take proper status without judgment of same. Judge information, not MAN. I, FURTHER, WANT NO MAN TO TAKE MY INFORMATION BECAUSE OF ANY OTHER REASON THAN THAT IT BE TRUTH—BY PERSON OR BEING IS OF NO CONSEQUENCE WHATSOEVER—AND WE DO NOT COPY-RIGHT OUR MATERIAL—WE ASK THAT IT BE SPREAD IN ANY MANNER POSSIBLE TO THE FOUR CORNERS OF THE FULL UNIVERSE—ANYWAY YOU CAN GET IT OUT THERE—IT WILL STAND INTO INFINITY AND WE WELCOME ALL ATTENTION SO THAT THAT MIGHT BE SEEN BY EVERYONE EVERYWHERE!]

3. Interactions of energy between multiple sources with human body fields as one of them. [H: Says nothing and means less, if possible.]

4. Some type of old alignment system such as ritual circles pointing to areas like 51, and S4. [H: Ritual circles? Extraterrestrials do not use RITUALS OR RITUAL CIRCLES. Those "rituals" are things of hu-

man expression in human format. If WE leave markings—they are NOT ritualistic—they are exactly what they appear to be, SIGNS and effort at communication in understandable form. They will be intended for specific ones and those ones RECEIVE THE MESSAGE LOUD AND CLEAR—THEY ARE NOT FOR EVERYONE AND THE ONES WHO DO RECEIVE ARE INTELLIGENT ENOUGH TO KNOW THE DIFFERENCE.

5. Evidence of ritual sacrifice of all kinds of living animals on the sites. [H: Extraterrestrials are intelligent enough to get to your planet—that means they are intelligent enough to work within the Laws of GOD AND CREATION. GOD CREATES—HE DOES NOT SACRIFICE (KILL, MAIM OR TORTURE) ANY OF HIS PRECIOUS CREATIONS. THIS STATEMENT CAN ONLY PROVE IGNORANCE AT BEST, INTENTIONAL MISINFORMATION AT WORST. If there are such "ritual circles pointing to...." specific areas—it is intentional and IT IS OF MAN.]

6. The sights [sic, sic—"sites" perhaps?] themselves as some type of functioning device, usually multipurpose. [H: Do you ACTUALLY THINK GOD WOULD CHOOSE SUCH AN INEPT SPEAKER FOR TRUTH? IF, indeed, the receiver is honest in his "receiving" then the speaker giving forth the information through this receiver resource—is pretty seriously involved with DARK representatives—FOR THUS FAR—THERE IS NOT ONE SINGLE FACTUAL PRESENTMENT—NOT ONE!]

7. Some type of vertical energy system pointing upward. [H: This one eludes me totally. What in the name of reason is a "type of vertical energy system"? Ponder point: IS NOT EVERY SYSTEM AT LEAST BOTH VERTICAL AND LINEAR AS IN HORIZONTAL

**AND VERTICAL IN DIMENSION? YOU CANNOT HAVE A SYSTEM OF "VERTICAL" WITHOUT ONE OF HORIZONTAL, LIKEWISE. IF YOU UTILIZE LIMITATION OF "SPACE" THEN THE LEAST YOU CAN HAVE ARE "TWO" DIMENSIONS, THEREFORE, YOUR SPEAKER HAS GIVEN YOU, AGAIN, ZERO, NOTHING, (0)!]**

Ah, this writer goes on to say: **"Important note:** The presence of these aliens is not limited to these sights [sic, sic]. They can also be found in buildings, dwellings, and other places around L.A. They tend to stay in dark dry places such as closets, ceiling corners, under desks and beds, or in the shade of bushes." **[H: Do you really think, reasonably, that extraterrestrials of "intelligent life-form" would be in ANY of these stupid**

**placements?"]**

Please, readers, do not misunderstand what I do here for I am only still on page one of this foolish projection. This is NOT written in absurd manner—it is written with full intention of sucking you unsuspecting "searchers" within a mind-warp field of confusion. It is always UP TO EACH how this information will be received. It is time you start measuring, with reason, every piece of information you receive. The only way to measure that information is against TRUTH and those resources are few and very far between—in whole. We offer that which we can, but we do not force or coerce so you must utilize inner KNOWING and then carefully gain information or you will be buried by this type of disinformation sent forth to trap you.

This author then goes on to

make computer nothings and drawings of half-truthful information—THEN, takes a valid mapping of a large area, including Los Angeles, and presents THE underground tunnel system which is indeed valid. **GOOD LUCK, READERS.** Of course, he labels this valid map of another, "Heerman Research Papers". He then presents a rather interesting and somewhat insightful showing of "crop circles", etc. He actually hits upon the reason for them and then discounts the message by false and intentionally inputted disinformation of a most absurd type. He does not even realize he has been FED (GIVEN) FALSE INPUT—this being even "worse" as I discern the situation to be.

One of the other documents provided for my attention is more difficult to speak about. It comes as a presentation from

one who claims to speak by and of the "Pleiadians". Again, the information must be **MEASURED** against the **LAWs** and wherein the laws are "broken" in presentation—they are not of the HOSTS from Pleiades.

We need a break, Dharma, and then we shall take up this subject in point. For each must learn to "discern" and "judge" that which is given. Please do not "judge" the persons who project for perhaps it is given FOR YOUR OWN LESSONS TO **LEARN PROPER DISCERNMENT AND JUDGMENT IN ACTIONS AND PRESENTATIONS. YOU KNOW NOT THE CONTRACT OF ANOTHER, USE THAT WHICH IS GIVEN IN PROPERNESS AND YOU HAVE NO PROBLEM EITHER WAY. PONDER IT.**

Thank you, I shall step aside and await your return.

Hatonn to clear.

# America Has Forgotten Her Spiritual Heritage

**8/11/92 #1 HATONN**

There were times upon your place as dark and painful as this day in which you experience. It was mixed with glory and wonder for those who could see. But, it allowed evil to take foothold in the garden of apathy and forgetfulness and today you have forgotten.

You have forgotten to the extent that your children and now your grandchildren do not know for you have given them nothing to remember. It only requires three generations and the change is made—the brains trained and taken. You are now into your fourth generation of these deliberate mesmerizations. You have entered Zombie-land.

There are those of you, however, who DO REMEMBER and are awakening to the horror of the damage heaped on MAN civilization and, faced now with the

journey home or to "lost land", you must take action or perish.

The spiritual heritage of American people is HERE. It has gone nowhere—YOU HAVE GONE TO SLEEP, PURELY AND SIMPLY. The heritage has not been extinguished—only covered over by the dank curtains of illusion deliberately drawn—the vision blinded by the glare of lies, greed and stupor.

The spiritual fire still has embers and can still burn if fanned and tended. It is beckoning for America, indeed the world, to come closer, to listen, to learn, and to share in its warmth and comfort. It is time that the curtains be drawn back—from the ones of darkness to the steel, iron, bamboo and buckskin. It is time and you must KNOW it.... Teach the Children. You MUST provide a place for them in which they can do their work, their mission. This means that you must

KNOW and tell them. They are the Grandfathers and Grandmothers of tomorrow and you have given away tomorrow. You have forgotten the "Laws". Not those putrid laws set forth by MAN who controls with power and force—but God's Laws which govern MAN's soul and spirit. The supreme Law of the land is the Great Spirit's, not Man's.

The Native Americans REMEMBER. A couple of centuries ago the Creator saw that even they, the Wisdom Keepers, were wandering from their ways because of the changes the White Man had brought. So He sent a message to those sent again to remember and lead the "people" back into Creator's path. Now it is time for us to pull our minds together as one and thank those who give unto the spillage of their own physical life blood to show the way.

When the Creator created

us, HE used a part of HIS heart in each one of us—He now wants his heart to return to HIM. Moment by moment He sends down His love to us wherever we might be. And He asks that we carry out the duties that we were directed to perform. And for this we are very grateful. So let us put our minds together as one and try to be the people that He wants us to be. And let it be that way....

It is not enough to "look" for wisdom. Wisdom comes only when you stop looking for it and start truly living the life the Creator intended for you.

You ask for signs of "proof", magic whirlwinds and silver-winged angels; you ask for miracles to "fix it all". No—YOU are the miracle and if you look around unto that which Creator has given in "PROOF" unto you, the scales shall be lifted from your eyes and you will again see your direction.

Until you can truly SEE—a miracle would be wasted upon your blindness—for YOU ARE THE MIRACLE FOR WHICH YOU SEEK. AHO.

Get out your tissues and hankies for I am going to share a letter from "Old Charley, a Vet, and his 'getting-old' friends who hurt more than anyone knows". I KNOW, BROTHER—I KNOW!

#### QUOTING:

Would Hatonn listen even though we don't consider ourselves stupid? You have told us, on page 5, June 16, PL:

"Greed and envy within perceptions of falseness shall ever be the way of it." Then you quote, "Forgive us our debts, as we forgive our debtors"—and—"for it is not for you to judge another and you must have compassion for another who feels need to bring pain upon his brethren." Later on you say "... that the enemy is stationed among you and yet you trust all as if they be chosen directly of God—NO—MAN CHOOSES FOR SELF AND IT IS YOU WHO MUST COME TO CONFRONT THE EVIL PRESENCE."

[H: Please pay careful attention to this which follows for these are the "grandfathers" trying to lead, trying to serve after having served, filled with pain and not knowing how to reweave the tattered threads into whole cloth. Those you trusted to be "wisdomkeepers" betrayed you and thus, your children, your heritage and your world. This is a cry out of the despair—but a willingness to go on. The message to be found herein is that "if GOD will somehow LEAD—we will hear and do." GOD IS LEADING, GOD IS SENDING FORTH IN RESPONSE TO YOUR PETITIONS—WILL YOU RECOGNIZE THE GIFT? THE GREATEST GIFT AT THE MOMENT IS IN THE FORM OF A SIMPLE MAN—A WARRIOR—TO LEAD A PEOPLE AND NATION BACK TO ONE NATION UNDER GOD WITH LIBERTY AND JUSTICE FOR ALL. It is the first step, dear ones—the first unsteady step to recovery BUT YOU CAN DO IT! TOGETHER WE SHALL DO IT! GOD WILL NEVER LEAVE YOU

**ALONE IF YOU BUT LISTEN IN LOVE AND ACT. THE ACTIONS MUST BE WITHOUT THE GUNS AND SWORDS—THE WEAPONS "TRUTH" AND THE WIPING AWAY OF THE LIES AND CLEVER DECEITS. HATE IMMOBILIZES AND FOCUSES ON THE VERY ASPECT OF ACTION WHICH DESTROYS. DESPISE AND LOATHE YOUR ENEMY OF GOD—BUT DO NOT WASTE YOUR BEING AND SERVICE THROUGH THE LUXURY OF "HATE" FOR HATE ONLY DESTROYS THE BEARER—NOT THE OBJECT. TRUTH IS FAR WISER THAN THE SWORD. THE PEN FAR MIGHTIER THAN THE SWORD—AND THE ENEMY'S DEMISE FAR MORE PERFECT THAN WITH THE SWORD. PONDER IT CAREFULLY FOR YOUR SUCCESS IN THIS BATTLE DEPENDS UPON IT.]**

We know the FRS (Federal Reserve System) was formed by greedy internationalists and Congress accepted their fraud against the people of our country. We do not forgive them and we do judge them as thieves and crooks who have bankrupted our nation and our people, and that goes for the two houses of Congress whose members have refused for 79 years to clean up that fraud.

We do not forgive those who stole billions from our Social Security Fund which belonged to the working people who paid into it for their old age. We judge those who stole this money as thieves and money criminals and they ought to pay for their type of sins. People are no longer sovereign as individual human beings and our nation is now nothing but a puppet for the UN (the Trojan Horse within our gates) and our Presidents even go to the UN to sign papers to give the UN dictatorship over our people in our own homeland and the people are not allowed to do anything about such treason because they have FEMA to aid a foreign police state in our own states and cities and on our farm lands. Why don't the TV networks tell the truth? Because the banks might not let them get to their money??? Or, they will be repaid in some big way and be saved from the concentration

camp??? WHY? that word can be hollered a thousand times and there is no answer but fear from the people who can be hauled around mentally by the IRS by the thousands every year so as to collect more billions. Didn't Perot sell the government computers etc. as his part towards wealth and did he not say the IRS needed a better computer to collect more billions? For what? More social programs for the non taxpayers to bankrupt taxpayers? Why shouldn't we hate those who have stolen from us for years and keep on, the same theft program for fifty years—but the President signs a hate-law that makes it a crime to hate the evil—what we as an individual believes now becomes evil—in other words that is thought-control as if we were robots to be used as anything the government, now the foreign UN—can think about—this world government—to hand out any disease or any law to take from us what we had in our right to own private property. We have nothing to live for anymore and if we dare think or hate or lose our compassion for the evil—etc.—thousands of laws yearly in states and cities and counties and the federal defacto-government—and we only need the Ten Commandments and the Golden Rule—they would have given us national and individual honor and honesty. If you are God, Hatonn, why haven't you in that capacity made the crooks and criminals pay by stopping them from prospering on and on for fifty or more years? Do not jump on us for asking that question—why can't the truth be told to make the thieves found out? Even the little papers which have told us the truth have to go out of business, the editor dies or something sad and hurting results—why to the truthful—why not the mean?

Nearly 60 thousand died in the Vietnam war, for what? A "peace prize" for Kissinger who said "a win is not desirable". He humiliated our military and our nation but he gets more and more power to control our nation and its people. Where will Israel occupy within our country—our nation and its people. Where will Israel occupy within

our country—now the Russians are inside and ready, **who WILL THE COMMUNIST UN PROTECT?** Who runs the Churches where there are no morals, no decency, anymore? Where are all these "ologies" coming from? Old Hubbard, remember him—his Dianetics—his getting rich at it—and it cons on and on—did they also say Christ only got as far as "cleared" and never reached the next "whatever" that is—and there's Satan too—and even scientists manufacturing a human-headed horse, and how about this dolphin with ARMS? Who allowed those Russian criminals here and other aliens. WHO? WHY?

Who ARE those Freemasons and who are those British who are always in the bushes and ready with another plan for the world—why did the Queen come here and go to Communist China after the Brits had done a dope-job on mainland China long ago? Old Cecil Rhodes must be wheeling in his grave that those colonies may now be taken back as both the colonies and the GREAT Britain are now bankrupt and they might merge to shed more-tears together and then grab other territory—or will Israel have done it ahead of them? Tavistock is waiting, anyway.

How can there be any hope for the people when the government itself won't do their jobs to represent us, the people? Carter gave our Canal, our shipping lifeline to the communist, Torrijos, and the Senate went along with that sellout and even paid the recipients to take it. Some of those Senators still draw pay, one of them being Sam Nunn of Georgia who is head of the Armed Service Committee. And that's what happens to those who betray us—why?

When we are invaded from the north end or from our southern border we will be unable to fight for our own country because the UN will have taken over because they have been given the power by several Presidents and those EOs (Executive Orders) are loaded with ways to take over the people to make them serfs and slaves on their own properties.

And we are supposed to

forgive and not judge these financial monsters and others who have betrayed us? We should have the right to make the punishment to fit the crimes—that there never could be another S&L scandal to burden down the taxpayers—make those who stole the money pay back every cent—

We want to thank you for the Journals etc., you have put out with many truths for few will believe them until everything personal has gone and then it will be too late.

Maybe you will never have time to read anything from people like us, but as long as some truths come out, we will read them if we can find the money to buy them.

We thank you.

*Old Charley, a Vet, and his getting old friends who hurt more than anyone knows.*

**END OF QUOTING**

#### FROM THE ONONDAGA

".... as the Creator looked over what He had created, He saw that many things could hurt our people, that many obstacles stood in our way. So He sent us four Protectors, four Beings like angels who watch over us and help us when we need it. Often it happens that we find ourselves in dangerous situations. Then, somehow, we get out of it and it was only a close call. That's because the four Protectors are still watching over us and helping us. And for that we are very grateful. So we put our minds together as one and we thank the four Protectors for doing their duty. And let our minds be that way...."

Well, Little Crow, I also call on you! It is time, Son, to tell the world what you know...about nature and about God. So when will you tell us what you know and who you ARE? These people had better listen for they have got to learn. Man has got to find TRUTH in even the simple things. A MAN has come up with such a song and dance as to "walk around a rock clockwise, then counterclockwise—to handle a "time shift". This one mocks the very sacred reverence of our original people in their nonsense and foolishness—insulting the very evolu-

tion of creation. Little Crow, I refrain from calling you Sioux in my private communion—for that is White Man's name for you—you are Lakota and GOD named you "people" and "human" and if you do not step forward soon, son, to tell the people how it is—for now we have brought forth a "forum" in which to begin to be heard throughout the lands—then I shall have to do it and it is not given unto ME. It is YOUR task, given from Eternal Spirit unto you. Ah, you said to Dharma, brief years past as you recognized the call—"...what we do shall change the world as we know it!" She laughed for she **could not see**. It is time to take up the challenge and lead the way for you are in a "hopeless" land of pain and slavery—LET MY PEOPLE FREE! AHO!

Dharma, close this for I have other for you to do but we shall return to this today. It is the time of calling to the warriors—the gathering of the Eagles for the Phoenix rises and so shall HE bring our tribes home. It is a time of valor beyond all which has come before. It is time for Great Wisdom as never before. Have the people not waited long enough for the leaders to come and set them free? They must cut the bonds which bind them—but they have forgotten how. It must be told from the ones who can remember—to lead—and it must be through the WORD as given through the Spirit of Being in the eternal link of GOD AND MAN.

As you ones serve and face odds so great as to bewilder the angels themselves, I see your fatigue, and often, despair. NO—you shall not be given into the trap of selfishness—for YOU ONES HAVE COME TO SERVE AND BRING THE LIGHT UNTO THE DARK PASSAGES—I do not release you from your commitment—we will see the journey THROUGH. So be it.

I stand aside that you might attend other needs. I await your summons. Those things which pain so greatly, are sent unto me—you will release them for they are not your burden—I accept them for they ARE mine. Hatonn to clear.

# Bo Gritz Rally

## Preparations And Background

**8/12/92 #2 HATONN**

### IT IS TIME TO TELL YOU

This exercise we are offering you is IN DIRECT ANSWER TO THE PRAYERS AND OFFERINGS UNTO GOD FOR HELP IN THE POW RECOVERY. **DO NOT MISS THE RESPONSE**. As always—God presents the opportunity—YOU DO THE WORK!

This is NOT a political rally of some kind. This is a gathering of crippled Eagles pulled down by the "hunters" and killers of the human species.

This is being set up for all who "hear the call" and "heed the 'claimed to be desired prayer response'" to respond in action immediately with a place and opening for success—in Tehachapi on Sunday, August 16th, 1992. Facilities for overnight will be premium and our people CANNOT get involved—they are already literally being "shot" at and any coming here will bear full responsibility for everything regarding selves from food to rooms. Bakersfield is less than an hour away, Mojave 20 minutes, Lancaster/Palmdale about equidistant to Bakersfield. I don't care what you do or where you stay—you ASK FOR HELP AND TO BE SHOWN THE WAY—THIS IS THE WAY GOD ANSWERS PRAYERS AND YOU HAD BEST NOT BE MISSING IT. IS IT NOT TIME YOU FIND OUT THE TRUTH ABOUT GOD AS WELL AS THE TRUTH ABOUT YOUR NATION AND SO-CALLED (SIC, SIC) LEADERS?

If this job gets done and those blessed men are brought home—will it not be worth the exercise? Put your actions where your loud, complaining mouths are located—UPFRONT AT ALL COSTS (AS YOU CLAIM YOUR INTENT TO BE) and ACT! If you gather enough speakers and doers into one camp—it will far surpass any "walk" across anything, including "on water". I take your offer of

fasting with great sincerity—however, keep the body fueled and let's recognize that herein lies God's answer to the "call". It is your first MAJOR lesson in PRAYER RESPONSE RECOGNITION. You see, it takes only ONE—but it sure helps to have MANY! I suggest we have our OWN POW/MIA hearing—where it counts—with WE-THE-PEOPLE and the ones who KNOW THE STORY. WE WILL MEET ALL NIGHT IF REQUIRED TO GET IT DONE!

YOU ARE GOING TO SEE GOD AT WORK.

We need NO SELF-IMPORTANT PEOPLE; WE NEED "DOERS" WITHOUT EGO NEEDS. I DO NOT CARE WHAT "EXCUSES" ARE GOING TO BE MADE OR REASON SEEMINGLY VALID. YOU WILL NOT HAVE EXCUSES WHEN THE DEATH KNELL STRIKES FOR IT WILL BE TOO LATE. YOU ARE EITHER WITH GOD OR AGAINST HIM. PONDER IT—BUT DO SO VERY, VERY QUICKLY FOR YOU ARE OUT OF TIME! SALU.

THIS IS NOT A POLITICAL RALLY. THIS IS A GATHERING OF CITIZENS AND PARTICIPANTS TO SAVE THIS NATION.

I will reprint some information from Bo's own speeches and highlight the ones who MUST be contacted.

### GRITZ ON POWs

#### QUOTE:

American Prisoners of War are being deserted and left to die alone in the hands of our enemies. National Security Agency supervisor, **Jerry Mooney** and linguist **Terrell Minarcin** have said so; Army Security Agency **Sergeant Barry A. Toll** testified before the Kerry Senate POW Committee that while detailed to the White House he passed information on living POWs to the President; **Colonel Millard Peck**, resigned in disgust as chief of the Pentagon's Defense Intelligence Agency's (DIA) POW

Office citing the Administration as a major part of the problem; **General Eugene Tighe**, DIA Director has testified that POWs were left, satellite photos show POWs in captivity. A U.S. Senate POW report dated Thursday, 23 May 1991 verifies POWs; even Boris Yeltsin says, "No more lies!" Yes, Americans were held by the Russians after World War II, Korea and Southeast Asia. Now former **Congressman Billy Hindon** has been fired because integrity was more important than his job. It is long past time that we knock off the "Bushlip" and reveal the truth about what happened to those who put on a uniform and went where they were sent to do. This is what bureaucrats are fearful of being exposed.

**Admiral Jerry O. Tuttle** told me in his DIA office that he had personally briefed the president on the existence of U.S. POWs in Communist Asia. Rescue raids were planned—then aborted. Intelligence Support Activity chief, **Jerry King**, told me: "We have been ordered to put Operation Grand Eagle (POW rescue) back on the shelf as if it never existed. There are still too many bureaucrats here in Washington that don't want to see POWs come home alive." **[H: IT IS NOW UP TO YOU TO MAKE SURE IT IS BETTER TO BRING THESE MEN HOME ALIVE THAN ANYTHING ELSE THEY CAN DO. IF THEY KILL THESE MEN THE CRY SHOULD BE TOTAL DEVASTATION TO THE NATION IN POINT BEARING THE PRISONERS AND WHO SUBSEQUENTLY KILL THEM. YOU CAN EITHER CONTINUE TO TOLERATE THIS "BLACK-OUT" OR BAND TOGETHER AND STOP IT! IT IS UP TO YOU BUT IF YOU NEVER GET THESE PATRIOTS TOGETHER AND CONTINUE TO HAVE LITTLE RALLIES FOR CANDIDATES—YOU WILL NOT WIN THIS WAR!]**

Senator John Kerry seized and destroyed evidence [and that is the man in charge of these so-called "hearings" going on right this minute.] collected by Hindon and other Committee staff members. He justified this Nixon-North strategy with the comment that if the

information would have gone public, it could have caused the Nation to collapse. **[H: Is not your nation in collapse NOW—BECAUSE OF THESE THINGS?] North sought to deny a covert operation! Who are we keeping the secrets from? Certainly not the Russians! National Security is a synonym today for "cover-up". The secrets are being kept FROM THE AMERICAN PEOPLE.**

I would remind the high and mighty office holders in Washington (District of Criminals) that it was **"WE THE PEOPLE"** who created government. They work **FOR** us! As a presidential candidate, I will sign a contract to insure that every person guilty of the POW cover-up is exposed and prosecuted to the maximum limits of the law—with no Ford-type pardons! There is no statute of limitations on murder or continuing fraud. I intend to unveil the Kennedy killers and reveal why CIA Director Gates said he could not release the JFK files since it might affect the powers of the presidency. It is time the American people learned the truth. It is time the press stopped vilifying those who have risked life and limb to rescue our POWs and focus instead on the cover-up.

Look first at Subic Bay and Clark AFB. We are out of the Philippines as of this month. The Navy's floating docks are being towed to Cam Rahn Bay, Vietnam! Mobil Oil and even **H. ROSS PEROT** have contracts that can't come to fruition until the POW issue is buried. Read in the Senate Report where Russia wanted \$6 BILLION in 1945 for the release of 25,000 U.S. POWs. Even *USA TODAY* verified that 20,000 POWs were taken to the gulags. Now the price is \$24 BILLION. Despite Yeltsin's admissions, Bush's envoy spends one week in Moscow and makes the pronouncement, "There are no American POWs alive that are being held against their will."

The reason POWs aren't home and won't come home is because of economics, politics, and cover-up. We as Americans, not "the" government, must bring them home. Executive Branch bureaucrats have

been involved in illegal narcotics as a means of funding covert operations not approved of by the U.S. Congress. The return of POWs would focus attention on people like **Richard Armitage** who was responsible for their return as Assistant Secretary of Defense. H. Ross Perot and General Khun Sa (head of the Golden Triangle) have both accused Armitage of conduct un-becoming!

Kerry should be required to release ALL information on living POWs! The Executive Branch should be required to release all information they have. Sources that might be endangered can be blackened out, but details of Americans from World War I through the Gulf War would be de-classified. We obviously aren't keeping anything from the Russians, only the American people. As president, I will do this and more. If there is one American alive anywhere in the world that is wrongfully being held, we will have a full accounting and bring them home—don't read my lips—read my CONTRACT.

## Snake Dance

**8/12/92 #3 HATONN**

Are we having any fun yet? If not, then you aren't paying attention!

### WATCH THE MOVING BALL

Watch it! See what is taking shape in the political halls. Note that Perot was, just yesterday, so insulted and abused as to take out any real possibility of placing him in the position of V.P. More important, he wouldn't even consider "a pardon" for the culprits. So, it looks like set-up for alternative two is working:

Baker will be pulled on Thursday under the pretext of taking over campaign head. Eagleburger will be placed in the slot of Sec. of State.

Kemp is seen this day at the Southern Christian Leadership Conference—with no less, Dellums. This means nothing other than he is being placed in the position of bringing in Black

"Christian" votes. The alternative two of a Baker/Kemp ticket at Rep. Convention is in full swing. This allows Bush graceful exit to higher cause, insures a pardon and, as Clinton is pulled apart the expectation, of course, is a winning ticket of Baker/Kemp.

They may well have to change these details, also, because of this writing but they are running out of alternatives because the ease of pulling off Executive Order takeover is not falling into place as easily as Bush had expected. You will note that Saddam "ain't even in the news today". That is both good and bad—good because perhaps things are quiet—bad because things may well be ready to blow apart—surprise is the best tactic every time. Do not go to sleep.

## Today's Watch

**8/13/92 #1 HATONN**

### PEROT AND GRITZ

Number one is PEROT. He is making sure he can have place to MOVE BACK INTO THE PRESIDENTIAL RACE. THE ONLY PROBLEM WITH ROSS PEROT IS THAT HE CANNOT CHANGE THIS NATION USING THE TYPE OF INSTRUCTIONS HE IS ESTABLISHING—IT CANNOT BE DONE ACCORDING TO THAT WHICH HE OFFERS.

The second major thrust of the Perot "higher manipulation factors and puppet masters" was to MAKE DAMN SURE GRITZ DID NOT GET NOTICED. GRITZ IS NOW IN A POSITION TO BE HEARD AND SOON, THERE WILL BE NO WAY TO HIDE HIM IN ACTUALITY—I WILL SEE TO THAT. However, Perot is also now going to be USED to ensnare Bush into stepping down. That will make "Pardon" a sure thing because Baker would be put aboard. Clinton has also been given orders from his puppet masters, The Committee of 300 and Bilderbergs—TO PARDON BUSH FIRST MOVE—TO KEEP FROM REVEALING ANY OF THE ELITE BASTARDS AND WHORES—AND WE KNOW WHO THE BIGGEST PRACTI-

TIONERS OF THESE ARTS "ARE". SO BE IT.

### POW HEARINGS

If you watched that sorry excuse for foxes picking feathers (yours) out of each other's teeth yesterday and ever so gently plucking Perot's, in that so-called "hearing"—then your belly is sick this morning.

When all is said and done—what in the world was your Government doing getting a nice, Texas businessman involved in such clandestine recovery or intrigue with any, even the most remote, Constitutional basis?

How many of you enjoyed Armitage's blatherings and put-upon rantings and self-pitiful "pleadings for truth"? I can assure you, he doesn't want even the most tiny speck of truth to be mentioned. When it comes out, and hence the reason for "burying" Gritz, that he was "in charge" of the Golden Triangle U.S. Elite drug machine, it "won't look so good!"

I will tell you this much—Perot "thinks" he is patriot enough to cover for these bastards to hold continuity of Government in the U.S. and in his "wisdom" he will continue to do a lot of covering in order to "start fresh" and let dead dogs lay. He is already making those kinds of announcements, chelas—LISTEN!!

"Let's just not mention the killings of the POWs—let's JUST SAY that "....you killed them, now, show us the graves so we can account for our beloved men." And, "...let's put aside these threats and quibblings and 'how it looks' and get our men home and/or accounted for." Intentions may be GOOD but results will be more cover-up, more irresponsibility, more Boondoggle, more lies and the Constitution will be surely LOST BEYOND ANY KIND OF RECOVERY. Intentions may be of highest calibre—these kinds of actions will be the doom and death of America as a nation.

### FREE TRADE STEAMROLLER

The North American Free Trade program is IN. Call it how

you wish—it is done. The facts are that it has been operative for years. But, now it is formalized, hidden by secret agreements, a coalition formed in TOP-SECRET NATIONAL SECURITY documents and agreements, treaties and amendments—AND YOU DON'T (WON'T) HAVE ANYTHING TO SAY ABOUT IT.

### NAZI HOLOCAUST AGAIN

The "Nazi Holocaust" is again TOP, TOP-NEWS. I find it interesting, and shall probably speak on the matter—that the Jews denounce ones who take exception to the NUMBERS involved in counting—as REVISIONISTS! IF YOU HAVE HISTORY AND SOMEONE CHANGES IT TO SUIT SELVES, THEN, ONES COME ALONG AND DEMAND THAT IT BE AGAIN CONSIDERED AS TO FACT—WHO IS THE "REVISIONIST"? CAN YOU SEE "HOW CLEVER" THE TRICKERY? IT IS EXACTLY THE SAME AS SAYING YOU ARE ANTI-SEMITIC. IT SOUNDS BAD, IS TOTALLY IMPOSSIBLE IN FACT—BUT THE ADVERSARY ALWAYS PRESENTS FROM OPPOSITE ATTACK POINT—THE MORE RIDICULOUS, THE MORE ATTUNED YOU ONES ARE FOR THE RECEIVING OF THE LIE INSTEAD OF THE FACT IN POINT. IF YOU ARE TRAINED AND TOLD WHAT TO THINK, THEN GIVEN THE ITEM UPON WHICH TO THINK—YOU WILL RESPOND EXACTLY AS PROGRAMMED—EVERY TIME.

But, man's CAPABILITY OF THOUGHT in REASON is not gone—only suppressed and buried. IF HE CAN AGAIN ACTUALLY HEAR AND RECEIVE REASON IN WISDOM—HE IS ALSO CAPABLE OF UNDOING THE "SPELL" AS QUICKLY AS IT WAS CAST UPON HIM.

I suggest that we get on with the "spell busting" Just call us the "Ghost" BUSTING CREW. And while we're at it—LET'S HAVE A BIT OF JOY, GLORY AND FUN. "THEY" HAVE HAD PLENTY AT OUR EXPENSE. I FEEL THAT THE LEAST WE CAN DO IS OFFER BACK THAT WHICH THEY HAVE SO RICHLY AND FREELY GIVEN UNTO US. SO BE IT.

# The Heavy Load Of A Day's Work

8/13/92 #2 HATONN

### PERSONAL THOUGHTS

As we sit with tears flowing down the face of the scribe, I am caused to STOP and remind you ones of the WAY. What happened particularly? Nothing. Another nasty barrage in a large paper filled with hate and ridicule, a few attempts to take out the dwelling—by laser blast. A gathering of thousands to attend the organizing and sharing in work-load—a typical day, in other words. Not just for Dharma—but for all of the team—wherever YOU are. But, when the tough get going into positive progress, the rough get busy to destroy, tear down and pull YOU away from your task.

Dharma has one child needing hospitalization resulting from this very kind of deliberate attack—set up through agents to deliberately destroy the mind and function of THAT ONE. What does a MOTHER do? How can it come within two days of such demanding service unto God and Nation? There is NO POINT, CHELAS, IN HITTING YOU WHEN IT'S CONVENIENT.

Then, the grandson (the first) and the child of the damaged Mother, comes to confront the problem. The Grandson, who just yesterday sat on Grandma's knee, looked out at the sky on the way to a camp-out (less than two-years of age) and asked for the "pretty moon ball". Today, without warning, he is 15, a birthday at hand, eight more grandchildren added to the list and another on the way, and there is no Earthly way to make heads or tails of it. How can you ease "his" pain? How can you live with your own? Where have the years gone? What could I have done differently? God, I can't stand it! Anyone out there?—DOES THIS SOUND IN ANY WAY FAMILIAR? How about "GOD SHOW ME THE WAY"??? (??)

Could another chocolate cookie fix it? Could another little camping excursion fix it? Will turning away from task at hand

fix it? Indeed? Will more "lying" fix it? Will abandonment of committed task fix it? For whom? What of those OTHER grandsons, grandmothers, grandfathers, lost and misplaced parents and children? Will your chocolate cookies fix it, Dharma? Will a vodka-tonic fix it? How about a sniff of cocaine? Perhaps a little roll in the hay will fix it? NOT EVEN GOD WILL FIX IT! BUT, My promise is this—YOU DO YOUR WORK WITHIN THE COMMITMENT TO GOD—AND IT WILL BE FIXED!! WILL NOT GIVING TRUTH AND DIRECTION UNTO THE MULTITUDES FIX MORE THAN CHOCOLATE COOKIES FOR THE ONE—WHICH WOULD NOT HELP AT ANY RATE?

Do you have so little faith in your own children and grandchildren that you would think them incapable of seeing the overall "greater" gift and have respect and reverence for the effort?

Ah but you say to me, "....but I would rather hide in your service and face nothing of other! Is that not guilt by decision? Am I simply 'copping out' because I would 'really' rather do what I am doing than the things of the moment?" I ask again, readers—SOUND FAMILIAR? Is it SELFISH? Is it somehow **insane** OR **selfish** to prefer to spend your moments of experience in REASON, escaped briefly into Truth and KNOWING that there is a higher and BETTER way? Would it not be more insane to wallow in the drivel of circumstance, weeping and wailing about "somebody done somebody wrong" and blindly go to slaughter—and allow your children and grandchildren to remain at the TOP of the "slaughter order list"?

Yes, I know a "grandmother's cookie" can fix a lot of things in a hurting child—but what is the healing agent—IS IT NOT LOVE, UNDERSTANDING AND UNQUALIFIED CARING AND ACCEPTANCE? IS IT THE COOKIE?? (??) HOW LONG CAN YOU HIDE THE FACTS OF THE NATION, WORLD AND CIVILIZATION BEHIND A CHOCOLATE

CHIP COOKIE? DO YOU THINK GOD HAS LESS PAIN IN YOUR PAIN AND WOULD NOT PREFER TO GIVE YOU A CHOCOLATE COOKIE TO "FIX IT"? GOD IS NOT THE ONE WHO GIVES YOU FAIRY TALES AND LIES TO SOOTHE THE PHYSICAL CONSCIOUSNESS OR PHYSICAL INJURY—HE WILL, HOWEVER, HEAL YOUR SOUL AND NEVER LEAVE YOU—EITHER WAY.

To hide the problems just a bit longer, let us say the child has diabetes—is not that cookie capable of actually KILLING THE CHILD? Lies kill. Refusal to face truth—KILLS. If ones cannot get truth—are they less "DEAD"? IF YOU DO NOT DO YOUR JOB—HOW MANY DO YOU "KILL"? IGNORANCE IS NOT BLISS IGNORANCE KILLS—AND REFUSAL TO LEARN IS TOTAL SUICIDING TO THE SOUL. If Truth be allowed to flow from the willing hands of the truth-bringers—then ignorance can be eliminated. Refusal to learn Truth is the responsibility of the receivers and that is not your business. GOD IS PRESENT EITHER WAY and EACH being is a part (as large and important a part as any other—for each is unique as created by God—the WHOLE MUST HAVE ALL PARTS. IF YOU BURY YOUR PART AND TURN AWAY—UNTO THE COOKIES AND VENEER OF VARNISH OR "FROSTING" ON THE COOKIE TO HIDE THE DEFECTS IN THE COOKIE ITSELF—WHAT HAVE YE DONE? Have you served God, Man, Self—or actually NONE other than the Adversary?

These are most important points to think on, chelas. I know that the way is hard in the "staying". I know that the testing is hard and unending—but thus is the journey itself. You will be amazed to learn that when you relinquish, no matter how hard or what is shouted back to hurt from ones who have to shoulder responsibility you do not take upon self to relieve them—THEY GROW. THEY GROW IN LOVE AND RESPECT FOR HAVING TAKEN THE RESPONSIBILITY AND GIVEN SERVICE UNTO THAT OTHER—AND NOT HAVING TO FEEL GUILTY FOR ONCE AGAIN DUMPING THEIR MEA-

SURE UPON YOUR ALREADY BURDENED SHOULDERS. Mommies and Daddies cannot "FIX IT" as a being grows—EACH MUST FIX FOR SELF. If given tough and unbending LOVE and support through that love—the individual CAN FIX SELF! NEITHER CHOCOLATE NOR BLOOD-SMEARED GARMENTS WILL DO A THING. THINK UPON IT.

If you think you hold a corner of some kind on the market of problems and pain—think again. There is glory, joy, pain and expectation in full measure given forth to all in equal quantities. YOU decide which measure you shall hog, horde or release. I suggest you get priorities in order, TRUTH under your belt, LOVE as your shield and expectation—GOD AS YOUR FOCUS THROUGH NATION UNDER GOD, RETRIEVE LIBERTY AND JUSTICE FOR ALL AND GET OFF YOURSELF-PITY DUFFS. YOU AREN'T GOING TO FIND THOSE CHOCOLATE COOKIES "UP THERE" SOMEWHERE—OR, "DOWN THERE" SOMEWHERE ELSE. IF YOU WORK IT RIGHT YOU WILL SEE THAT GOD IS THERE—AND YOU WON'T NEED THE CONFOUNDED COOKIES. SO BE IT.

Dharma, let us take a little break so we can get a bit refocused as to task. Life is certainly what gets in the way as you make other plans! Let us move on, precious ones, renewed, refueled and recreated so that we can make sure GOD WINS!

# Transition Time

7/6/92 SANANDA

Greetings precious little dove, Dru. I AM Sananda. I was known as Jesus the Christed One and have been labeled many things in many cultures. I AM the one who walked your place, Earth Shan, some 2000 years past in your counting. I am not yet upon your place, although I travel with the HOSTS of God in preparation for transition/graduation "time" upon your place.

As promised, I went to prepare a place for each of God's children, meaning those who CHOOSE to live the Laws of Creator Source and Creation in intent and behavior. There is not one religion, race, creed or culture CHOSEN, in mass, above any other, for only the individual may decide his/her own placement by understanding and living within the Laws.

For those of you who partake of this information for the first time, I suggest you please read the JOURNAL, PHOENIX OPERATOR/OWNER MANUAL, wherein We of God's Hosts have outlaid those Laws for you in descriptive detail that each may be REMINDED of that which each of you is birthed knowing. Many of you have simply "forgotten" those Laws through your human experiences. I will tell you here and now that you MUST be in the remembering for the final hour is nearing and choices of action and behavior must be examined and adjustments made accordingly to "pass" these final "exams" of graduation into the higher lighted places of God, Our One Creator Source.

We of the Hosts of God have given forth now over fifty-five JOURNALS, daily logs of Earth events past and present, in less than three years. These JOURNALS, presented primarily by my beloved brother Commander Hatonn, when studied carefully, will explain to you your circumstances and how evil has infiltrated and nearly destroyed you ones and this beloved planet. I suggest you carefully read the catalog of JOURNALS and then

get as many as you can afford that you may learn and KNOW the Truth. If you choose to remain in ignorance about the corruption of government, ecology, science, medicine and etc., you will be absolutely powerless to change anything about either yourself in Ego limits, or your world. Once you become informed, then you are just beginning to "do your part" for God that He may then encourage awakening to personal mission and service in behalf of ALL in Lighted Brotherhood.

And best of all, for it is not all hopeless and doom and gloom as many perceive in simple ignorance and self-fear, we have given you the TRUTH about your (and Our) spiritual divinity and your relationship with the Father/Mother Creator Source. There are now some EIGHTEEN JOURNALS dedicated to the subjects of spirituality, the human experience in relationship to God, who and what evil and the adversary is and where from it has come, how to recognize ego delusion and change self through knowledge, the beginnings of your spiritual awakenings, where you are and where you are going, the true science of Creation, etc. Many, many subjects are covered in detail by ones such as Germain, Lord Michael, Tesla, Hatonn, the Master Cohans and myself, Sananda.

Study these JOURNALS and soon the light will flicker inside you and every question you have had will begin to be answered logically and to your satisfaction as your mind/spirit awakens to your Divine Spiritual Connection. And then, of course, more questions will come to you and YOU will need do YOUR homework and study and Commune with the Great Spirit within to find the answers in Truth and the verification that, indeed, that which we have brought you in some 14,000 pages of JOURNALS and LIBERATORS is Truth and with this and diligent work in study and service, you will have the tools YOU need to attain your graduation diploma. So be it.

For those of you most precious and blessed readers who already know us, thank you for your patience and indulgence as We must repeat instructions which you have heard or read about before. Some ones are just beginning to wipe the sleep from very tired eyes, and we must give instruction and explanation that "new" ones are not simply lost in confusion and misunderstanding. Each of you, precious, precious chelas (students) are so very blessed indeed. It is not by accident that you partake of this *LIBERATOR* or *JOURNAL*, for it may be these very transmissions from Commander Hatonn and myself which awaken YOU unto the beginning of true REALITY and LIFE into Knowledge.

The road to Knowing is not easy and you each will be TESTED constantly. Know that you will never be given MORE than that which you can handle. God allows you to do that which you will with the Free Will given you. You will stand naked before self and Creator and JUDGE self as you do even now in this life stream. The Law of Cause and Effect will allow you opportunity to bring balance back to your thoughts and behaviors, because whether you remember or know or not, you will reap that which you sow, ALWAYS. Call it the checks and balances of Creation.

There is no way to defy God or Creation for the Laws are absolute and God is WITHIN you. If you be a drunk in the gutter, that is where YOU have taken God. If you give of self to another, have you not honored God and the other? If you give and give to ones and they do not give in return and even despise you for giving, who has dishonored God?

Do you know when to release ones who simply covet and take and demand more of YOU? Why would you cast pearls to swine when the swine are recognized as same? And I do not speak against beloved swine, only symbolically am I speaking, please. You feel used? Why would you allow this? It is painful to give in intent to serve and assist a brother who is in need only to have that one demand more from you instead of

feeling inside like, "How can I repay you, friend, for you took my hand in my hour of need and desperation and lifted me into the light that I felt freedom and security." There comes a "time" wherein the one in need must intend to regive his gifts and be self-preserved or that one will destroy self by his own greed and self-centeredness. Do not allow these ones to pull YOU down, for that is how they are used by the adversary to pull you precious ones from God's service! Again it is the Law. God is JUST, although in human perception, He may not "seem" fair.

These are lessons, chelas. These are tests for your discernment and you are doing well, very well indeed. You are recognizing that you no longer have the "time" to attend ones who only care about selves and attempt manipulation of you to do what THEY must do for selves. Release these ones for theirs is a bitter road of unfulfillment and restless nights. It will become easier to recognize your human adversaries. Bless them, for the tests they offer you are invaluable to you for your mission. I am most pleased with Dru's progress in discerning the enemy. Now she is simply trying to find a friend or two! You have MANY friends, chelas, you just haven't remembered each other yet, and you are becoming much more careful and that is necessary. And remember, each one of YOU may call ME. I AM Sananda, your spiritual leader, in Oneness with Our One Creator Source in Knowledge. Take my hand when you are lonely. Take My hand when you are sad. Take My hand when you are joyful and together we will walk through the valleys of shadows and confusion with our heads held high in knowledge that GOD walks with us to guide and protect us EVERY step of the way.

Thank you for your attention, My precious chelas. It is an honor to serve you and Our Creator and I AM returning soon to bring YOU home with Me to God's higher places which we have prepared. Do you honor God in your thoughts and behaviors toward each other and toward self? Do you wake in the

morn and ask God how you can serve Him this day? Or do you think only of self each day and what you want to fulfill your altered Ego needs? Ponder these things carefully, chelas. Who is FIRST in your life? Are you sure? So be it. Thank you, Dru, for sitting with Me this day. Be at peace, precious, we are with you in those shadows. Hold strong! Not one hair on your head will be touched by our adversaries. They only play with your "mind" if you allow it. We will tend you. Know this! With great love, I release you to the day. Walk in peace with one another. I AM Sananda. I serve God of Light within Creation. Salu.

*GRITZ, cont'd from page 1*

You had your young men line up to be sent again to Saudi Arabia and they had to have their inoculations. They also inoculated them with a **micro-computer chip** where they can be programmed.

This is all very, very far fetched, isn't it? Well, I think, maybe, you have someone to meet the need this day, who has come out here because you are *The People* and it is going to be up to us if this nation is turned around, we will do it. God will help us. We will do it and you must look around you at the youngsters, your children and your grandchildren, they have no prayer of freedom if we don't do something and we're all but too late.

We asked ones from the other religious groups to come and briefly speak in behalf of their groups and I would welcome any one of them to come forward right now and say a few words, either in rebuttal—but Judge Brent said that he didn't find anyone who would represent the Jewish community for you. The ones who declined in the Christian church didn't believe they had anybody that would want to fill in. We do have someone from the Catholic church who is retired but has a great deal of work to do here in this community and this community is special. This community is the heart of this globe.

Now, I know that sounds pretty far-out and maybe that's why *THE LIBERATOR* gets such

a bad reputation. But this is an important place and today is a very, very strong day in the language of the Native Americans and Aboriginal People all over this globe. This is New Year's Eve to them. Tomorrow you start year six into this next cycle that will either be the ending of this world as you know it or the beginning of the Time of Radiance.

I prefer the latter, but oftentimes, when we go through what we have gone through this week, you wonder why would you bother and you look to heaven and you say, "God, why do you bother with us?"

This nation was birthed,— "One nation under God, indivisible..." Mind you, I'm not offending anybody. I didn't say "under Jesus". I said "under God", which is according to the Christ following, the Christ teachings, and when That Gentleman said, "Except through me, shall ye come in," He knew what He was talking about. The Commandments were given to us. This nation was chosen as a special place for us and all the way along there have been patriots. And in defense of *THE LIBERATOR*, I'm going to say that one of our very favorite authors, who shares with us, is George Washington. That's how "bigoted" we really are and how non-patriotic we really are. We would chose someone, obviously, who was biased. The question is, "Biased toward what?"

Before the ratification of the Constitution of the United States of America, which eventually set forth by its amendments, the first ten, that is—I should interrupt right here to tell you that amendment number thirteen was totally removed and another fills its place. The thirteenth you will find interesting. It says that "There shall be no titled people, no royalty, in the high places of the judicial system or in the government." That means all lawyers (Esquires) are serving illegally and unlawfully and unconstitutionally. But you're not going to find that, are you? EXCEPT IN THE PATRIOT MOVEMENT.

(APPLAUSE)  
Thank you. You need your confirmation because I'm just

one voice, and sometimes it seems in the absolute wilderness.

But at the time when it was time to ratify the Constitution of the United States, there came forth some patriots and they called their paper *The Federalist*. It was the only way that they could get the word to the people of the importance of what they were about to do and then later at the time of the Civil War and it was time to work to abolish slavery, you had another one and it was called *The Liberator* and they finally murdered that publisher.

There are many, many and they cannot be heard. There is an absolute blackout of all media. I would wager you, until you got here, the only time in the last months you would have heard "Bo" Gritz' name is by a sheer fluke or someone discounting him in the POW hearings. I think we've come a long, sad way.

When we started looking for a place where we might have Commander Gritz speak, guess what? Nobody would allow us in the parks, *public* parks. That was barred. So we thought since he is flying in, we'll go to Larry and Jane Barrett at the glider port and they were excited and they even started to get refreshments. But by the next morning they had to decline—NASA had sent out the word that "If you have Bo Gritz at your airport, you have no further contract with NASA."

Now, you ones who work at Edwards AFB know full well of what I speak. There are underground facilities forty levels down under the ground nearby here under China Lake. There are tunnel facilities that will float a submarine all the way into and under San Bernardino. Right over here at Northrop, everybody in this community on any good clear evening can watch the discs, the flying saucers, launched right out of Northrop. You've got problems.

As a nation, you're on the ragged edge of losing it.

(Editor's note: We will continue with the full text of Colonel Gritz' speech in the next issue of *THE PHOENIX LIBERATOR*. It's a dandy!)
