Standoff In Idaho Much More Than It Appears Gritz Joins Weaver Against Feds

8/27/92 #1 HATONN

INCREDIBLE HAPPENINGS?

No, that which "seems" incredible is only of that which you are unaware. What is happening with Commander Gritz and Randy Weaver in Idaho this day is not incredible—it is **THE WAY YOUR GOVERNMENT DEALS WITH THOSE IT WANTS TAKEN OUT!**

WOUNDED KNEE

My intent is not to complain to my own crew—BUT, how are you going to reclaim the world if you cannot gain enough passion to cause a listener to understand importance of events? What is happening in Idaho is going to go beyond a "wounded knee" incident this very day if it is not

stopped now.

Randy Weaver was set up by the Feds and now they have orders to "take him out" and that means, in this instance, WITH family and anyone around the dwelling. Now that Gritz is there, it becomes harder to achieve that end—however, it is already a standoff. There may well be more than 10,000 Gritz colleagues and supporters on location by this time tomorrow.

We have ones who personally know Bush and others at that level of Government, efforting to shut down this fiasco. I would suggest that it is part and parcel of a plan to totally bring down Bush because it is more than "just" Bush. When these people "talk" it will pull down Bush, Kissinger, Eagleburger, Scowcroft and hundreds upon hundreds of government wigs.

GOD HAS SENT YOU THE "WAY"—

WHAT WILL YOU DO WITH IT? WE SHALL SEE, WON'T WE?

I ask that Mark GilBoyne be contacted and give support, E.J., I do not want Dharma on that phone—"they" are trying to silence her and have effectively succeeded this day as this is the first time we have for instructions and sharing. The tape this morning was "emergency" for I wish you to function on your own creative ideas. You, E.J., must face the fact that the effort is, first, to cause you to be unable to think clearly or rapidly. You have had this happen enough in other "emergency" circumstances that I have to ask you to sit a minute and attend ME—not through Dharma—directly please.

Gil will need to know what he can do. My suggestion is that he directly contact Claudia and let her share with him. Even

TO OUR READERS

This could be the most important issue of *THE PHOENIX LIBERATOR* we have yet produced. Aside from the Q&A session from Bo Gritz' recent Citizens' Rally in Tehachapi, we are running two extremely important "historical" articles on the Banksters and the United Nations and how both now strangle our nation. But **MOST IMPORTANTLY** is the front page story about how the Feds are out to get two fine Patriots who each know enough to bring down our entire crooked government. One of these Patriots is Randy Weaver and the other is "merely" Presidential Candidate Colonel James "Bo" Gritz.

Bo Gritz Rally

Questions And Answers

(Editor's note: The following is the third and final transcription installment, somewhat edited, from the hugely successful citizens' rally for Presidential candidate Colonel James "Bo" Gritz held in Tehachapi, California on the sunny Sunday afternoon of August 16, 1992. The first installment was Commander Hatonn's Introductory remarks that appeared two weeks ago in the 8/18/92 LIBERATOR. The second installment was the complete text of Bo's warm and thought-provoking speech in the 8/25/92 LIBERATOR last week. What follows below is the lively question-and-answer session that began after a brief rest break after Bo's speech. Bo was talking and signing autographs at the same time, as people converged around the podium for a close-up look at the man whose grace and warmth and sincerity had won over nearly a thousand people that had come from all over to hear THE TRUTH. It was an extraordinary afternoon and not one that any of us present will likely ever forget.)

Bo Asked Lady In Audience: Do you ride a Harley Davidson, or are you just wearing that head band?

You see, my wife got me a belt buckle. It was a Harley Davidson. I said, "I can't wear this belt buckle. Somebody's going to ask me if I actually got the motorcycle." I was in Bangladesh and I called to check and my wife said, "If you could have just one thing in the whole world, what would it be?" I think she thought I was going to say, "Just to come home to you, my darling." And while I was actually thinking that, you see, my warped sense of humor said, "You mean other than a Harley?" So when I got home she had a Harley Davidson. So we actually got the motor bike. Now I can actually wear the belt buckle. I'm here to answer questions now so....You're first in line. Let's go right down the line.

Question: What about the Federal Reserve and what has our government put up as collateral?

Bo: The government hasn't directly put up collateral, but, indirectly, if you'll notice something—the Declaration of Interdependence that was signed says that they're

calling for an establishment of a New World Order and it says, "America's resources are global resources." Alaska, today, is owned 90% by the government and Nevada is owned 80% by the government. Washington, Oregon, I mean all states mostly are. And it isn't something that is just static. It is more and more every year there is less and less State land. So, what has actually been ransomed is this: once the American people are hoodwinked into thinking that the U.N. Charter is the supreme law, once they have taken our Constitution away from us, the next thing is, they say, "Well, you see, we are so deeply in debt that like other nations, Brazil for example, our resources now become global resources." And the States cannot object, because the States do not own the lands.

Most of the land that is worth anything is owned by Uncle Sam. So, as the President, I am going to turn back all of the lands, minus those under The Constitution that were authorized for military bases for the common defense, but, all other lands immediately go back to the States. The States will look after the Snail Darter, the Desert Tortoise and the Spotted Owl much better than the politicians in Washington, DC will, and so, that will be the first act that I'm going to do—rip up the Executive Orders that make the President a tyrant. Can I do that? Yes, because the President has signed them all, and so, a President can just rip them up. Ronald Reagan tore up the Executive Order from Kennedy (when he started printing United States Notes), and so, if Ronald Reagan can do that then I'm very well qualified to take that piece of paper and tear up all those Executive Orders that say that all of you are going to be under government control, under Executive Order 11000, during a National Emergency, that the Postmaster General is empowered to register all of you. I think that's where your little mark comes in, and on and on and on and on.

I think you're going to get a chance in California to see FEMA up close and if you don't like it, then by November, friends, you'd better be prepared to change government so that we can go back under The Constitution.

Question: What was that about Oregon?

Bo: Well, Oregon is owned about... You see, they have the Douglas Fir up there—wonderful commodity, wood. Oh boy, the foreign countries are going to love to get that when the global resources crooks come to collect on Oregon.

Question: What about women's right to abortion?

Bo: Here's what I'm going to do—it's not how I feel because as an individual it doesn't make much difference and as a president, it shouldn't even though, of course, it does more. Here's how I feel, here's what I'm going to do—I'm going to propose an Amendment to The Constitution that is called a Human Right To Life Amendment.

Now, here's why I'm doing it. I am sick up to here seeing the media tell us what our beliefs are. I'm sicker up to here with the Supreme Court making Law. That's not what the Supreme Court is there for, and so, under the Constitution, if three-fourths of the States—because that's the only way we'll ever know what the American people feel like. Put it in the hands of the States—if three-fourths of the States ratify a Human Right To Life Amendment, the question is over. All of a sudden, the special interest groups can pack up and go back home, the media can do all of the squawking they want to, but, America should determine—not a President and not any one little clique—what our morality base is.

Personally, I am against abortions of convenience. And, as a President, I will veto any kind of money that comes from Congress that would promote public abortions, and, if Congress wants to go around me, they can, but, that's my personality.

I will not appoint anyone who has ever been a part of the Council on Foreign Relations or Trilateral Commission—that's 16,000 people that won't be working, probably, because most of them that are there now are members of those organizations. I will not appoint anyone who does not believe in God. You see, I don't want people serving in the government, now this reflects my personality and as a President

that is what I would do, I don't want anyone serving the people in the government who doesn't have to look for accountability to a Higher Source. I have this little nagging concern that people who have no greater power than themselves might feel like—hey, if it feels good, I'm going to do it—which means, I'll get rich now off the people and I don't have to account to anybody later because there is no God.

I won't appoint any homosexuals to the 16,000 positions that I control or that I know of because I do not support, personally—this lifestyle. It is my own personality, this is how it comes out—into those 16,000 positions. I don't believe homosexuality is consistent with the Laws of God. But, when it comes to abortion, this should be something determined by the people and I'm not going to let you get out of it and the way that I'm going to make you do that is to put an Amendment to The Constitution before you, and then, you will decide. Overall, I believe that God graces or condemns nations today according to how moral their laws are.

Friends, right now, the Supreme Court has said, "You cannot teach Creationism in the schools. You cannot have the Ten Commandments, you cannot read the Bible, you cannot say the word 'God'." That's all the Supreme Court making law. It's not easy for God to judge this nation when the Supreme Court is the problem. And so, I'm going to take that—as a President, I can do it—I'm going to take it out of the hands of the Supreme Court. We're going to put it in the hands of the American people. If you decide that you want to support abortion of convenience, to support alternative lifestyles, to support drugs and whatever else, you'll deserve the condemnation that comes down on you.

According to our 1990 census, 92% of the people believe in God. I believe we are a righteous nation. I think that if the people were allowed to determine the laws that we would have Grace in this challenging period. Friends, if we don't have it, there's very little chance that we'll be able to stand.

Question: Do you know about the book *Holy Blood, Holy Grail* and are you a Mason?

Bo: The name is so familiar. It's in paperback. I've seen it and I have looked through it. Firstly, the recommendation is: it's well documented and read it.

Secondly, Am I a Mason? I wish that I was a 33rd degree Mason. If I was, I would know all there was to know about Masonry, but, I am not. I'm not even a 1st degree Mason. I have read a lot about Masonry. As I told you, when I started this presentation, the truth to me is very, very important and there are just so many things you can do in one lifetime. Besides being a paratrooper and a frogman and a ranger and a

Special Forces soldier and a pilot and speaking Chinese and Swahili and being in all parts of the globe, I never had time to be a Mason. Ultimately, here's what I have found out, and see, you never know because I'm not one. If I was one I would share with you the truth.

As a Mason, I would want to know the truth. I know a lot of 32nd degree Masons. I don't know any 33rds. The 32nds I know seem to be God-fearing Patriots. A lot of them are Sergeant Majors... My national campaign manager, Charlie Brown, an old Navy chief, has got not one drop of political blood in his veins, he's a 32nd degree Mason.

Here's what I fear from what I've studied. I fear that in Europe there are many higher degrees than 33rd. What I feel in Europe is a Godless organization that is Luciferian based, and, I fear the worst of it could come back down through the channels from Europe into America that said, "Look, this New World Order is where it's at. This is what we're for." I don't think many of the 32nd degree Masons that I know would buy it. I think most of them would say, "No, we're not going along with it. You can take your Masonry and your worshipful masters and you can go back into the lodge because we're going to keep faith with the United States and with God." But, I believe that Masonry may have, at the center of its web, a pure evil. That's my own personal conclusion. It doesn't mean that it's true. I don't know because I am not one of them.

Question: Do you know what the sign language is for a politician?

Bo: Oh, thank you. Yes, this is something in any politician... Politician in sign language is [Bo demonstrates]—Crazy thinking person! I don't want to be a politician. I am not a politician—but, you know, we have had some miracles. Here's what happened, for example: before last week, we had about 2,500 signatures in the great state of Illinois. We needed 25,000. So, we said, "Well, it doesn't look like we're going to make it in the great state of Illinois." We've got ZERO media. We are finding a lot of opposition wherever we go. A black minister, by the name of Henry Mitchell, suddenly came out of the woodwork. Last week, we turned in 57,000 signatures in the state of Illinois! Henry Mitchell is a Baptist, I believe, Evangelist; so, he headed out for Ohio. We qualified in the state of Ohio thanks to Henry Mitchell!

I was trying to catch up with him. I called him last night, he had already left Kentucky. I am sure we had qualified in Kentucky when he left. Henry Mitchell is like a fire brand—wherever he goes, he leaves a trail of hot behind him. People really get heated up.

In Alaska, we were just up there, and we turned in more ballots or more petitions

than were required. We are on the ballot now in about 21 states or more. We're going to be on the ballot in enough states to win this election, and so, anytime somebody says, "Well, you just can't do it...." you see, just remember that's the same thing that they told the heavy bumble bee about not being able to fly and George Washington about his odds, and I'm sure they looked at biblical David and said, "Don't go, David. You can't do it. Don't go. That's Goliath up there."

You see, I don't have a choice. I've been called to serve. It's not the title of my book. It's the purpose of my life. People say, "Well, Bo, do you wear a bullet proof vest?" No. Then they say, "Aren't you afraid for your life?" No. I have a home. I have a family. You see, when they took my 2,500 brothers away from me (as POWs) and they started executing them and killing them, they didn't know that they were putting them on the other side of the veil where they could probably help us even more now than they could buried in cages back there in Southeast Asia.

I've got a whole family. I've got a Family of Patriots that goes all the way back to George Washington. They're helping us out, but, we've got to do for ourself all that we can. Then when we can't do anymore, that's when God parts the veil. That's when Elisha says, "Look on yonder hill at the Angels in chariots of fire." That's when things happen that we don't know how to explain. I don't even know how television works. How do I explain an Angel in a chariot of fire. But, are they there?

I tell you, you read my book. There are places all through here where I've mentioned God's name because one time a man tried to shoot me in the back out of a spider hole in Vietnam—twice a sub-machine gun failed to fire. After I went back and secured it, it fired perfectly well on the next round. I sent one bullet to my Mom, I sent one bullet to my Grandma, and both of the primers were well dented. No reason at all why that should not have fired. My whole life I've been in times of extreme need, in times of great peril, I have knelt down and—you see, real soldiers aren't supposed to ever pray, but I have never seen a real soldier as a atheist. The people with me in the [battle] arena—they get down and we pray. We hold our hands and we invoke the name of God.

I know it sounds dumb, but, my wife would testify, we were coming back from Phoenix on instruments in a storm and I've got a thing called a "strike finder"—it shows you where all the lightning is—and there was a great field of lightning right in front of us. We were over the mountains, coming back from Kingman; I couldn't go down any lower, I couldn't really divert. My wife says, "What are you going to do?" I said, "I guess we're just going to go straight

ahead." You ask her about this because when it was over, she labeled it properly. As we continued ahead, the strike finder starts at 200 miles then goes down to 25 miles, there was a huge wedge of lightning straight off our nose. When we got to the 25 mile point, the strikes were still there, but that lightning moved to my right wing and as we passed through, that lightning passed and as we passed through, the lightning—I swear to God above to you—those strikes moved right back around behind the aircraft. This was a huge field of lightning and my wife is a little uneasy up here. I got a distinguished flying cross and 26 air medals for valor, but my wife is still a little uneasy. She said, "Do you know what that was?" I said, "What?" She said, "That was the prayers that people offer to keep us in God's hand. That's what that was." It sure wasn't anything to do with my flying because I just kept the plane on auto-pilot straight ahead and I don't like lightning and you wouldn't either if you were up there with me. My wife puts a pillow in front of her face. I don't know what she thinks that it will do, but I guess it takes some of the glare!

We've had it where the lightning was so intense it would light up the propeller. Oh, it's pretty scary. You know, it's all kinds of green... She doesn't like that. I don't either!

Question: I'm just one guy and I really like what you're saying, but, other people don't know about you or what you stand for. What's the best thing that I can do to get the message out?

Bo: Thank you. How do we get the message out? I think the way to get it out—continue to lean on radio and TV talk shows like *Larry King Live*. If you call in, for example, that's how old Perot got started free of charge. If you call in and say, "Hi, I want to tell your guest what a wonderful person he is," and then when you get on there say, "By the way, how come you don't have Bo Gritz on because he's in more ballots than H. Ross Perot and he's got a plan to get America out of debt and to win this war on AIDS and how come you don't have him on?" That will happen about 3 or 4 times and then the next thing you know, they'll start opening up the lines. They'll try to vilify us. They'll try to make us out to look ridiculous, but again, I go back to the Scriptures because it says, "Have no fear when you're called before those Scribes and Pharisees, for the words will be given to you."

Well, our message is TRUTH. You see, that's why it's so strong! We can honestly get out of debt with a single pot metal coin. Now, do you think that the people who own the media, the banks, want the word put out to America? They don't! So, that's why they don't want us on there. Again, it's like ABC, CBS... If we just keep hitting on them

and if you'll do it where they have Talk Shows, either television or radio, just call in—you may have to tell a little white lie to get on the air—and then lay it on them. Say, "I want to hear this fellow. We need 200 million Americans to hear this message. This is important."

We were scheduled at BYU and they had National Security Advisor Brent Scowcroft—they should have kicked him in the britches instead of giving him a Ph.D. Scowcroft went up there and told them that The New World Order was going to happen. The Declaration of Interdependence was a U.N. mandate. We weren't going to get a chance to vote on it. Then they had Bush come in there and, of course, I was due in there on the 28th. They cancelled us out. It makes no difference.

September and October, these are our national media target months. That's when the race will be won—September, October. If we'd have had all the media back in July and August then they may have tailed us off—September and October. If what we're meant to do is right and right enough, it'll come to us.

In Command General Staff College, I was the Honor Graduate, (I shouldn't have been), I was a Special Forces Officer. The reason I was is because on the first day, just listening to the enormity, the first announcement they made, "We have 358 Ph.Ds." The whole auditorium erupted into clapping. They said, "We have 6 hundred and some odd Masters." Then, they said, "We have three who have not completed their University requirements." Now, I was one and I knew another guy, but we never did find the 3rd person. We were 3 out of 1,600 and so the first day in class I said, "Boy, I don't stand much of a chance here." So, I drew a little profile of a fat man and he was trying to blow a bugle. He was trying so hard that he broke wind and underneath it I said, "You can try too hard." You know, I just set in my mind. I said, "I won't even graduate. These are the best and the brightest." And do you know, I was the Honor graduate just because you put your mind in that groove and you just don't try too hard. If what you're doing is right enough, it'll come to you. You've got to be willing to suit up, but if you try too hard you run into this law of reverse effect: The harder you try, the further away you get.

Question: Are you on the ballot in California?

Bo: We're not on the ballot that I know of right now. Don Held is our California representative and I don't see Don here, but he would be able to give you an exact update. We've got tremendous support. People have been working really hard. California requires an exorbitant number of signatures. I don't know where we stand right now in California. I'll find out from

Don Held, but the America Independent Party of California has its convention the 29th of August. *[Editor's note: According to Sandra Shea at Bo's National Campaign Headquarters, the American Independent Party is on the ballot in California. The State is just waiting for the A.I. Party to name their candidate on August 29th. The A.I. Party decision right now is between Howard Phillips of the Taxpayer's Party and Bo Gritz. Hopefully Bo will succeed in California via this route.]* There's no reason why we should not be their candidate. I'm the only candidate that has a chance to win this election. We're already on just about enough ballots to do so. Ohio and Illinois were great States for us, friends. They're big and they're populous, they're not as big as California, California is the biggest, but if you have any influence—I forget the guy who runs the American Independent Party—Bill Shearer—Thank you, Lord, it just came—Bill Shearer runs the American Independent Party. Now, Mertin Short, a Navy pilot out of Oakland, is the chairman, but that doesn't mean anything. Bill Shearer runs the Party. If you have any influence with the American Independent Party, we should be there, we should have a chance to speak—and they should, by a democratic process, if they voted I think I will be their candidate. Wouldn't you join the American Independent Party if we could get on the ballot here in California? You bet you would. Bill Shearer needs to know that, because, failing that, I don't know where we stand with signatures. But, that is the best way.

Question: How can we reach Bill Shearer?

Bo: American Independent Party—Mertin Short—he's out of Oakland, California. You certainly could call Mertin. If you want, I'll find out the number and give it to E.J. You can get hold of E.J. Ekker and he'll have the number for Bill Shearer. But in all honesty, that is the very best way and it's simple—all the delegates have got to do is say, "Yes, we want Bo." and you're on the ballot because the American Independent Party is ballot qualified. They ought to put me on because I voted for Wallace in 1968. That made me an American Independent, and so, when I moved here to California, I was listed as an American Independent when I came back from Vietnam.

Question: I'm concerned about Bush using those instruments of destruction that you mentioned before the break—to cause a so-called "natural phenomenon", some kind of catastrophic event where we'll have FEMA (Federal Emergency Management Agency) control and maybe not an election.

Bo: I hate to say it because as a Special Forces soldier, I always watch being paranoid. You see, it doesn't mean that there

aren't people following you around just because you're paranoid. Maybe you can be paranoid, but there are still people who are really there. You've got to be real about this thing. What is real is this—George Bush is not acting right. I think George Bush has got a health problem. I think it's in his thyroid. Bush became very irritated when he yelled at the Prisoner of War families, "You shut up and sit down." That right there should have been a signal, a shot around the world. What he should have been saying was, "You always stand up and you sound off when you don't think things are right." That's what a president should say to the people. But when he said what he did, it was just another indication that Bush is on the ragged edge.

Again, I'm not a prophet, but my Spirit tells me that there will be a catastrophic event in California and it will be before the election and I don't know when, but I would guess—you see, I'm a strategist so I don't look at it from a lot of other angles. I look at it from a strategy way. If I were the Action Officer to set this thing up, I would set it up so that probably somewhere around mid or last of September or first of October that something would happen. See that gives enough transition period to where the election has to be put off because it will be fairly major. I don't think they care about the loss of lives. I really don't. As a matter of fact, Global 2000 has already pretty much established that. I think that could certainly happen and, again, I sound like a nut when I say it, but I'm trying to be real. I think it's true and it will most likely be in the form of earthquakes.

If you use these weapons—and let's look at Mt. Hood, Mt. Shasta, Ft. Lewis at Mt. Rainier, let's look in Alaska. You see, they're already fairly critical masses at work there. When you add the things that we've given the Russians, a Treaty that says, "We won't..." Well, now that there isn't any more Soviet Union, those Treaties aren't really binding. They wouldn't make a difference anyway. All of a sudden, we (I think) can use the consummate energies. When you put both the Soviets and the Americans together with our gemstone technology, you can cause quite a "burp" in Mother Nature. You don't have to do too much around the San Andreas Fault to make it go.

Question: What is FEMA?

Bo: FEMA is the Federal Emergency Management Agency or Act. It is the thing that makes the President a dictator. He doesn't have to have Congress declare it. When Gingrich and Gramm tried to declare a National Emergency last year, the President doesn't really need it, but if he does declare it without Congress then he's walking on thin ice. We've just about dug in against Bush. Going back into Iraq is not going to win him the Flag this time, I don't

don't think.

Question: What kind of emergency is needed for FEMA to step in?

Bo: Emergency is never defined. He literally could declare an Emergency—it could be on crime, it could be on drugs.

Yes, it's a very important document and I have just a copy that comes in your Document Packet of all the Executive Orders, but if he has the actual fleshed out copies, it might be worth trying to find out how they can get them from you. That's important.

Question: What about the People's Revolution?

Bo: We better well be on our way toward a 2nd American Revolution.

There was a really cute couple when I was in Alaska. They were about in their early 30's, a man and his wife and they had 2 children. They're both working for the FBI on the Counter-terrorist Division. They came up to me after my talk and said, "Bo, we are with you 100%. We're told to keep you under surveillance to see if we couldn't catch you in something that could be used as seditious or treasonous because you're talking against THE GOVERNMENT." THE GOVERNMENT, you betcha. They said, "But after listening to you, we've got two children of our own. We want those children to grow up free in a land of Liberty. We don't want this New World Order."

The little people that are working for the government, they're with us all the way. It's only the major Players. It's the Kissingers. It doesn't take much to jam and block government, does it? That's why we need Roto-rooter to just rout them out. That's why all the CFR, all the Trilateral, you know, they just go. They're human sewage and we just rout them out. When that happens, all of a sudden, we turn the money tables over, we start playing by our rules, but our rules are the Constitution. So, what can the Federal Prosecutors say?

Does anybody remember a guy named Col. Gale? Col. Gale was in California. He had something called The Committee of States. They even wrote a book about it. They convicted him in Las Vegas. His Committee of States was trying to form a Militia under the Articles of Confederation. Well, they got him. You see, it's simple. I took my oath, My oath is good enough. It's called The Constitution. How are they ever going to ever prosecute me? I've already seen what a fully informed jury can do. They tried to prosecute me. On the films, there's the U.S. Attorney... Who has seen those films where the U.S. Attorney says, "George Bush called me up and told me to get Bo Gritz."? Would you ever believe that ever happened? I mean, you wouldn't believe it. That guy is appointed by the President. Tell me The Holy Ghost is not alive because the Holy Ghost came upon that man and without knowing it he said

the truth. When the media said, "What happened?" He said, "George Bush called me up and told me to get Bo Gritz." and the newspapers said, "You're denying that. Is that what you're saying?" They couldn't believe it and he said, "No, what I'm saying is George Bush called me up and told me to get Bo Gritz." God be praised.

Question: How can I get your information packet?

Bo: I guess to get the packets of information, you can just call me. You can call me if you're interested in the phone number it's—this is my home and when I'm not there, we have volunteers that are there at the phone, they send it right out to you—702, that's Nevada, 723-5266. That's my number. There's a fax number I love because you people find all kinds of interesting stuff and you fax it to me. It's the only way I stay up to speed on this. The fax number is 702—and sometimes when the phone's busy, you can send a fax and say..."Hey, get off the phone. I need to talk to you..." 702-723-5357 is the fax number.

Now, have I heard of Rush Limbaugh? Everybody's heard of Rush Limbaugh. With one half of his brain tied behind him he takes on the defenseless people who would call and venture any kind of query or question. Rush doesn't have any talent on his show, obviously. I think in the end, this is just me thinking and remember that I've got a funny sense of humor—in the end I wouldn't be a bit surprised to find that Rush Limbaugh was probably a closet pinko Commie, maybe even worse. I think maybe Rush has put on this face of supreme conservatism as a gig for his radio show. I don't have that much faith in people in New York, very frankly, New York City. Being that this real conservative, that he—but here the head of the radio station maybe would be able to tell us more truth: do you think Rush Limbaugh just came out of the woodwork as this tremendously powerful conservative?

Someone In Audience: I understand he was financed by the Trilateralists.

Bo: He's financed by one of the Trilateralists, I wouldn't be a bit surprised and then your third question was NRA. The NRA is not going to support Bo Gritz because right now they think, "Well Bo, he just can't do it." You see, once September and October rolls around, isn't it easy to be a Patriot once the flag is already up? But I'm sure that you have a lot of people coming around saying, "Hey George! Good job! P.J., you guys really kicked butt out there! Great! Now we are a nation? You mean we're no longer beholden to King George? Hey, I'm glad—come on down. Remember where we used to be with the Tories that drank ale? Well, you guys are invited. The drinks are on us down there..." It's real easy to be a patriot once the battles

are fought. The little red hen is at work here, I have a feeling.

When we do it, because we—how many people vote? How many normally? It's not very many is it? So do we need more than 3% of the voters that are really dedicated and for example, where we've missed. We missed in Colorado. We didn't get enough signatures, but we're write-in in Colorado.

So we're going to have all the volunteers with pencils and on the day of the election, they'll be at the polling places and they'll give a pencil to the voter that says "Write in B-O-G-R-I-T-Z." Abraham Lincoln won the presidency on a write-in.

People say, "Bo, don't you know that you can't win because of the electronic interference?..." In Cincinnati in 1988, my own testimony, I was there as a speaker. I was in a motel room. They didn't have CNN as I remember, but I turned on the news and here was a Federal Judge examining two AT&T employees. They had been ordered by their superiors to set-up a line tap on the line used to tabulate the election results. Their testimony was that anyone—they just set-up the line tap and then they were told to leave—anyone could have come in and with a computer, hooked into the line and affected, according to their testimony to the Judge, affected the results. Now, I thought..."Gosh! This is going to blow up all over America!..." Can you imagine what that would have done to the American voters' confidence? Knowing that AT&T, Ma Bell, was sitting there adding zeros or taking zeros away, according to her favorite candidate? Well, I never saw it, but that was on the Cincinnati news. It was in Cincinnati, but I didn't see it any place else.

Here's what will happen. I'm going to tell you how I am. If they do that, if they finally get worried and say, "Put Ma Bell in there. Make sure our boy wins." When you watch that video and you see the U.S. Attorney make his statement, why would it be any less that an operator would sit down and say, "Well, let's see. They want me to what? Add or subtract? Maybe I'm supposed to subtract zeros from these guys." You leave that in the hands of the Lord. You see, in all honesty we do all we can. We act absolutely courageous. What have we got to be fearful for? Friends, what happens to us if they take us out? We just go on the other side. My grandma's over there and she is a tigress and if she has anything to do with these Angels and chariots of fire, we don't have anything to worry about because there will be things—I'm trying to give you the things I've learned in my life. Be fearless. It's a paradox. I used to teach all my soldiers: If you want to live, walk the road to death. It's a paradox, but it works. You clear your mind and you do what you have to do and you let the Lord determine whether or not you're going to make it

through. Then get ready to meet the Angels because I see them all the time. If you will commit your life to what is right with no thought of yourself, you will meet the Angels along the way that are there as road guards to make sure you zig or you zag or make sure the traffic gets stopped at the right time when you're coming through. It's pretty exciting. Yes sir.

Question: What was that, again, about not needing the Income Tax to run the government?

Bo: The Fed. Let's just take the statistics. Now the best statistics are the—the latest ones we have are in a volume. It's a white book, it has blue lettering. It's called *The 1991 Statistical Abstract for the United States*. It's in the library, I get it in the bookstore. I had to take a course in statistics in getting my Masters one time. It's about this thick and it's just rich with all kinds of stuff. It tells you how many Christians we have, how many people believe in God, and all of these other things. It says in there that in 1991, the last time they got statistics, that \$400 billion was the amount collected in personal income tax. Now what is the interest to the Federal Reserve? It's coming up to \$400 billion. All of the rest of the money comes from Constitutional means—tariffs, duties, imposts, excise. You see, those are all legal ways to raise revenue. The Communist Manifesto's second plank calls for income tax. We didn't have it before 1913. We paid for government quite well. For over 120 years we paid for government, didn't we? Never had it. The only time that we ever had to have income tax was when we had the private banks doing all that I told you about. Then we had to have some way of paying them and so that's where income tax comes in, but we don't need it. So we get rid of the Federal Reserve, we don't need income tax. Yes sir.

Question: What about a ticket of Howard Phillips and Bo Gritz?

Bo: Yes. Thank you. Howard Phillips and Bo Gritz. Howard Phillips called Jerry Gillespie, my national campaign coordinator. He said, "Bo, I'd like to meet you in Washington, D.C." This was just this last week. I met with Howard Phillips. Howard Phillips and I sat down at the University Club where he is a member and he said, "Bo, we need to see if we can come to terms." I said, "I agree with you, Howard." Because his planks and my planks to the platform are just about the same. He doesn't see the urgency that I do. Howard has said publicly, "I don't think I can win the election. I don't intend to win, but I'm building a party for the year 2000." By the year 2000 he wants to have a viable political party called the U.S. Taxpayer Party. It's a terrible name. They ought to name it Constitution Party or something, but we shouldn't be paying taxes, not the income taxes. Anyway, it's interesting because

Howard and I went through—he asked me, "Are you a Mason?" I said, "No. Do you belong to the Knights of Malta?" He said, "No." And I said, "Well, all right. Tit for tat. What else have you got?" So we went through all this. You know what happened?

We got down to the bottom and I said, "Howard, I believe you're a righteous man. Do you believe in God?" He said, "Yes." I said, "Do you believe in Divine Intervention?" He said, "Yes." I said, "Howard, I love my country more than I love myself. I love my country more than I love any other thing other than God Almighty." And I said, "Howard, I believe in God and I believe that God's hand will be with us. Here is a solid gold coin. I'm gonna flip it and you call it. If you win, I give you 100% of every thing that I have in support and I think the people that support me will follow that. If I win, you do the same thing. Are you ready?" He said, "No. I don't think I would want to do that." And I said, "Well, I'll tell you what. Separately we are fighting a very difficult uphill battle. Together I think that we have more than we need to win this election, but it's simple. One of us is going to have to be the President and the other the Vice President and I'm willing to put it in the hands of God. Call it!" And he said, "No, I won't." So I believe Howard Phillips is a politician and I am a Patriot. I think there's a major difference and I was heavily disappointed with Mr. Phillips because all he's trying to do is still stroke this thing for whatever political mileage he can get. I was very disappointed. I was willing to do it. It was just this week. You can call him and ask him about it.

I said to Howard, "Do you remember the Biblical story where two mothers had been fighting over ownership of a child? He said, "Yes," and I said, "Do you remember that Solomon's decision was to cut the child in half?" I said, "Because Solomon knew that the true mother wouldn't let that happen." I said, "Well, I got this coin right here." I said, "Are you ready because I don't want the child cut in half and I'll go one way, or I'll go the other." I think that's all I would want.

I've got a blessing. The blessing says, "Bo, you have been given gifts from God that allow you to know the events of the times and to be able to speak them in words that people can understand. You will have large groups of people who will listen and depend upon you for those truths." And it says, "They will have no allegiance to you. They will have allegiance to what it is that you are directing them toward." Now, that is the Constitution. I was more than willing to put the faith in Higher Source. Now, I wouldn't use a coin to decide, say, "Should we go into Iraq or not?" No, I'm not that kind of President. We're not going into Iraq. Period! I know the answer to that one!

But for this, Howard Phillips or Bo Gritz to be the team leader, I would trust it to Divine Intervention to a coin flip.

Question: What about Nicaragua and the new Canal?

Bo: It's not going, obviously, to come up until after the elections. But, just after the election, you've got to understand how critical it is. The whole Iran/Contra, they were still seeing these jerks from Claire George and even Nixon, you see. Who they should be investigating—George Bush, of course, and his proteges—the gentleman who is now the Ambassador to Korea, he is the man who ran the program of Iran/Contra out of the Vice President's office. These are the people who should be investigated, but you notice that the Attorney General has said, "There's nothing dirty going on at 1600 Pennsylvania Avenue. I'm appointed by the President. I've checked in on it myself. Everything is A-1 over there."

After the election, you will see a new Canal. The Canal has to be dug because the Panama Canal cannot accept any supertanker and the idea is for the Pacific Rim to be able to come through and be serviced. The Japanese need the iron ore in the Amazon Basin. They need access to our East Coast and so that will happen. The most interesting thing about it is—it will be created by atomic demolitions. That is something Mother Nature may have something to say about, and so, I'm not even going to hazard a guess at what's going to happen because as Commander of Special Forces in Latin America, I had all the statistics and so I know that if I go back and check my notes—exactly the megatonage that is to be used. You don't fire it (250 megatons) one at a time. You fire it all at once so that you get the synergism. Now, that's going to be something to behold. I just hope that I'm up in the air quite a distance so I won't be down on the ground when everything starts to move around because that is part of the Ring of Fire, right there. A blast there would initiate earthquakes of tremendous magnitude.

My teams have gone down to Managua and we've gone in any number of times to help with emergencies after earthquakes in Nicaragua and that area, and so get ready. I'm not sure that it'll be as great as the one coming up in California, but it will probably be a close 2nd. Of course, you won't have a 250 megaton explosion popping off here! I think you'll just have whatever it is that they shoot from places we can't see.

Question: Who is your choice for Vice President?

Bo: My Vice President is Cy Minett, harder than woodpecker lips, 63 years old, fighter pilot, a lot better looking than I am. Cy is a Constitutionalist. Cy is also a Christian and if something does happen to me, Cy Minett—he's an expert on the Coun-

cil on Foreign Relations, Trilateral Commission, etc. He puts out the "wiring diagram".

Question: How can my son (in Provo, Utah) find out the proof of the money issue and the Federal Reserve?

Bo: Well, this is interesting for people. I was just in Denver and they've got a mint and they have a Federal Reserve there. Here's where it can be located: First of all is Article 1, Section 8 of The Constitution. I hope that my memory serves me correct. It says, "Only the Federal Government can coin money and regulate the value thereof." The Federal Reserve is not anything federal, in the sense of the Federal Government.

Now, how you find out that—write or call any Federal Reserve. Denver is close to him. San Francisco has another one. And ask them, say, "Hello, I'm at Provo and I'm a college student and I'm trying to study about the Federal Reserve." Don't tell them all the nasty things. Say, "I'm trying to study about economics on the Federal Reserve. Would you please send me... Don't you have an info. document. It's called *I'll Bet You Didn't Know* from The Federal Reserve." They'll say, "Sure." They'll fire it right out to you. The very first point of *I'll Bet You Didn't Know*, their info. document, says, "The Federal Reserve is not federal. It is a private consortium of banks."

The second one is Article 1, Section 10. It says that only gold and silver can be made legal tender within the United States.

By the way, if you have any extra money get some bags of silver coins and if you can... A guy came up to me and said, "Bo, do you accept gold?", and he flipped this gold coin on the table. I said, "Of course!" He says, "I want your stuff." I said, "Take anything you want." A guy came up and said, "Do you take silver?" I love people like that. If you have silver or you have gold, friends, it spends!

We have a survival chain... I was going to wear it for you today. I used to wear it everywhere I went. It was just habit, I suppose. I speak Swahili; in Africa I can spend that survival chain. I've been in Saudi Arabia as an advisor; it spends. In Latin America, it spends. In Asia, it spends. It is 24 karat. It weighs about 12 oz. It is in little links that I can bust off. Now, that gets me out of trouble. In Special Forces, we're given these things. These are called survival chains. Well, let's say I don't take a mark (of the beast), but yet I need gasoline real bad and I come up and say, "Hi, I don't have a mark but I've got one of these. It's a silver dollar. It's dated 1921." The guy says, "Gee whiz, they don't have those anymore." I said, "Do you think you could just scan yourself and pump me some gas?" He said, "Well, what do you think this is worth?" I said, "Whatever you

think. How about ten gallons? How about a full tank?" I think they are going to pump the gas. It would behoove you to have a bag of silver coins.

I've got a friend called Richard Flowers. He runs the Christian Patriot Association up in Oregon. That's where when we do have any money and we've got maybe three or four of these things, we'll save it and send it to him and then Richard, whatever the price of gold is, sends it to us. But get some gold or silver if you can. That's going to spend where... Why are they marking the paper stuff? You see, in Cleveland the other day, the guy told me that all this paper money has a little mark running through it and, as matter of fact, he said that one had magnetic ink. There's a little line that goes right through there (Bo points to a thread in the paper bill). It's on the \$100s, the \$50s and the guy in Cleveland told me, he said, "Bo, we've even been ordered to mark the \$5s." (Someone hands Bo money) Is it all right if I keep this because it's worthless?! (Laughter). You see the mark running right through here.

Now, here is why they do this. I believe when the National Emergency comes out, where we go to the cashless system, then they'll tell you, "You will turn in..." Remember the gold in 1933 with Roosevelt? "...You'll turn it all in. If you keep it, it is a felony." Now, some people are going to say, "I'm not going to take that mark, so they'll try to hide some of this stuff and it's going to be like trying to take a weapon through the metal detector at the airport, because it's interrogatable and, so, get rid of it. Don't have too much of this stuff in the banks, please. And, if you have a lot of it, try to put it into, if you can—what you can, into gold and silver that will spend. I'm not a prophet, but my predictions are, if we don't change it, 1994—Martial Law.

(Someone hands Bo a 1 ounce silver coin.) Thank you. You see, these are examples of silver. This is 1 ounce of silver. Tell me a gas station guy, when you pull up in the middle of the night and say, "I don't have a mark, but, I've got a silver coin." See, they're going to get rid of this stuff. You can't have it anymore. All of a sudden, it becomes very valuable, doesn't it? And, so, that's the kind of thing that the guy will say, "Go ahead and pump your gas." and he'll take it home and give it to his family or to his children. But, that's why they've got the Mark, so that you cannot horde it, so that if they stop you, they can scan you and they'll be able to tell... And I think you are going to be homeless. I think they're going to put you away if you have very much cash on you.

Question: What about William Cooper and his claims about extraterrestrials and the Kennedy assassination?

Bo: It's a great and a good question and a fair one about Bill Cooper and all that he

says—including the part about when I was Commander of Special Forces in Latin America, I had something to do with the alien stuff. Here's the real quick run down...

First of all, Bill Cooper caught himself in a terrible lie. He shot himself. We didn't do it to him. Bill Cooper had been selling a tape made by someone who worked for me by the name of Lars Hansen. Allegedly, it shows the driver, Bill Greer, turning around and killing the President, but, Bob Groden is a friend of mine, he was the man for the Congressional Assassinations Committee who was their technical film advisor. Life magazine bought up the Zapruder film, but, Groden had access to it for the Congressional Investigations. So, Groden made himself a first generation copy. I told Lars, when he showed me that, I said, "Lars, you got big trouble. We never shoot anybody with a chrome-plated 45. We've got so much stuff we could use, you'd never use something that would reflect like that." Secondly, the driver—impossible. The reason is because the driver has got to control that vehicle. If you're going to kill the President, I don't care how hypnotized you've been or how little blood you've got in your veins, you don't kill the President every day and turn around and have to direct your attention—you know what happens when you turn around if you drop a cigarette butt between your knees or you turn around to get something that falls off the seat—and so, I said, "It's just too tricky and you don't need it because there's enough ways to get him without using the driver."

So Lars went to Bob Groden and when he went there Bob Groden laughed and pulled out his 1st generation and gave us a copy of it and it very clearly shows that it is Kellerman. Kellerman is in the right-hand seat. Kellerman gets down when the bullets start flying, then just as the President is killed, Kellerman raises up. When he raises up, the sun reflects off of Kellerman's hair. The same as it's reflecting off the other peoples hair, but, the bar is kind of a bright bar. It's slanted up this way and Greer, on the 1st generation film, has both hands on the wheel just like this (Bo demonstrates hand position). He is turned and looked at the President, but, both hands are locked, just like they're taught to be locked, so the vehicle isn't going to veer. He turns around, looks at the President—no question, I think Greer is probably in on it, 'cause he's slowing the vehicle down—but, Kellerman lifts up, the bar of light shows off his hair, the President is hit in the head. I believe from the right front, and, of course, you all know the result of it.

Now, Cooper, of course, has said that he saw that and all the secret documents. Let me give you some logic.

Does anybody believe that I was a Chief of Congressional Relations in the Office of Secretary of Defense? Does anybody believe that I was an Army General Staff Officer in the Pentagon? I have been there at the highest levels of classification. As a Chief of Congressional Relations, there were almost no documents that weren't available because you have to be there to determine whether Congress has the clearance to see the stuff that they request. Like when Senator Barry Goldwater wanted to go into Hangar 18 at Wright Patterson, somebody had to see whether or not it was all right and they said, "No, you can't go." Somebody was authorized to look and see. I didn't know anything about flying saucers in those days, or aliens and so I didn't go looking around, but, I guess I probably could have.

Here's my point. Cooper says that when the watch officer—Cooper's never claimed to be an officer. He keeps saying he's been a Naval Intelligence Officer. That's a lie. Cooper's been an enlisted man, there's no question. He was an enlisted man in the Navy and in the Air Force. Cooper said that when the Naval Watch Officer went for coffee that he grabbed a file and copied it. Now, here's the problems with that. See, Cooper's never been around classified information.

First of all, Watch Officers don't go for coffee. They send the enlisted man, probably, to get it. Secondly, if you do go, every safe has a red and green tag. It says "Open" or it says "Closed". On every safe there is a place to sign in and sign out. If you even take your eyes off those containers, you spin all the dials, you put the green tags in and you sign them and then you go to the men's room or to get coffee. Nobody leaves those safes open. Secondly, there is no Xerox machine authorized anywhere around classified information containers. Can you understand why? Xerox almost put us out of the security business anyway, but, you can understand why you couldn't have a Xerox. Thirdly, and here's the greatest problem with his logic—can you imagine having in one file that a Navy person could go through and look and find—one file that tells everything from the aliens to government drug trafficking, to who killed John Fitzgerald Kennedy, to everything else that he says. It was all in one file? Give me a break.

It would be in probably twenty five files and it would be all over the place and why would they have that kind of information in Hawaii? You see, they don't copy this stuff and put it all over. If it is "code word", if it is coded, then sometimes an Admiral may have to fly all the way from Hawaii to Washington in order to see a "code word" document that is S.I.—Special Intelligence, Above Top Secret, because they don't let these things out, they don't Xerox them

and send them all out.

When I was in command of Special Forces Latin America, I knew a lot about what was going on within the CIA and our covert operations. My efficiency report is right in here. It says, "This officer is responsible for unconventional warfare in Latin America." Unconventional warfare, guerilla warfare, subversion, sabotage, assassinations, direct action missions, all of those were within my scope of responsibilities. I didn't know anything about aliens. I had never heard anything about them. I knew about the government drug operations. I didn't like it, but, as a commander, you are always taught you keep your eye on your mission.

So, when Manuel Noriega turns up dirty dealing in Operation Watch Tower, we're going to kill him and that's what we send back. Then, when I'm ordered by a three star general, Harold Arons says, "You keep your hands off Manuel Noriega. He has immense value at the highest levels." What are you going to do? You don't know how this thing is interfacing with the world. You have to have some faith in great white father and big brother. That's why there is no original thought in uniform. If you've got people in uniform looking like Schwarzkopf—people saying, "Make Schwarzkopf President." Maybe in three or four years if Schwarzkopf will start getting his head up and learning what's going on, he might make a good President. But, coming out of uniform, friends, you know far more than General Schwarzkopf right now about what's real in the world.

So, that's the story. I think Cooper got caught and I think he got mad. He put on his phone answering machine, "If you support Bo Gritz, Jesus Christ will not claim you." (Crowd laughter) I don't know what Cooper knows about Jesus. I know this—if you looked, for example, at my files, it says very clearly, "This officer is given Top Secret clearance, background investigation this date..." It's easy to show. It's no big deal. But, Cooper has never produced a single document that has ever shown that he has even had access. Your assignments say, "This officer was a Chief of Congressional Relations... this period of time." Cooper has no documents that show or he's ever presented—I've got his file—that shows he had any kind of assignment that would allow him to have any other clearance than maybe he turned the lights on and off for a briefing one time.

Here is what we're going to do. You see, if the alien thing is real—you know, about The Grays and The Reptilians—here's what happens: Who created us? God. Thank you. Who created government? We the people created government. Now, if we created the government, should there be secrets? There is a need for national security, but, friends, if there are aliens and

when I say, "I'm going to open up Hangar 18" that doesn't mean that's all. When I say, "If you want to go into Hangar 18, we're taking volunteers." I mean that we are going to open the book, because I don't care what's in there.

Don't you think America should know what is going on? We need to know the history, all the way back from the very beginning. We need to know whether it was Nazis flying saucers or whether it was from outer space. We need to know what landed at Roswell (New Mexico) or crashed and that they were so secret that they wouldn't let Barry Goldwater look at it. We need to know these things. Why? It's our country. Who are we keeping the secrets from? The Russians? Mikhail Gorbachev perhaps? No, and so, do you understand when I say, "We're going to open the doors to Hangar 18", what does that mean? It doesn't mean that we say, "Hide everything in Hangar 18, we're getting ready to open the doors." It means the whole program gets their doors opened.

If you want to be part of it, if you've got some skill and knowledge, you make sure we get your name and address. I'll guarantee you that when we're in the office, you'll be one that will be one of a party of a hundred. You think that this inspection in Iraq is going to be in detail? We're going to get to the bottom. We need to know if the aliens are here to help us—GOOD. If they are here to not nibble on our ankles, we need to know that, don't we? So let's just get to the truth. Isn't the truth a very precious commodity? But, it sure isn't easy.

Question: How do we balance all the paper currency against your silver and gold standard? What if we don't have enough precious metals?

Bo: Thank you! You see, it is good and when I say something like opening Hangar 18, it doesn't just mean as literal as opening Hangar 18. It means getting to the bottom of it. What he just said was, "It says in the Constitution nothing will be made legal tender except gold and silver." And that's true and that's what we're going to do. I believe that God will help us. I think that America within our territories, we have enough gold and silver and we're going to do like we did back in 1791. We're going to monetize the world's gold and silver. That means that if you've got a Krugerrand or if you've got a—whatever the Russians are using over there—if that stuff is real and it meets our weights and measures, then we accept it. But, here's what we're going to do initially because you see what he's saying—very intelligent observation.

Let's say that I'm Rockefeller. Let's say that I have a trillion dollars in Federal Reserve Notes and I say, "Oh, you're going back on the gold and silver standard? Good. Here is my trillion dollars worth of worthless Federal Reserve Notes, I want all of your gold." That could happen, right? Yes. So, here's what we do first because we are going back on the gold and silver standard, but there is an interim step. Initially, what we're going to do—

because we've got to go back under Constitutional currency—that means it has to be monetized. We're going to monetize the highways of the United States. Now, isn't that valuable? It costs a lot of money to lay highways, doesn't it? So, if we say that our currency—we're going to start putting it out, it will say "United States Note"—5, 10, 20, 100. If you have Federal Reserve Notes, you'll just be able to exchange them or the Fed will be spent out of existence. Don't worry about losing any money. You're a citizen, you're protected. But, we're going to monetize it based on our highway system. Do you think we have enough highways laid in America to cover our issuance of notes? I think so, but, you can't take the highway with you. So, Rockefeller couldn't turn over a trillion dollars worth of worthless Federal Reserve Notes and dig up a trillion dollars worth of asphalt and put it on his back and haul it over to Europe. Do you see why we're doing this?

We monetize the highway system first, then we call in all of the currency. It's traded in and once we've got it... When you say the gold is gone, if the gold is gone, we're going to have a very long rod which will contain very many criminals who will be tarred and feathered and probably sent in some kind of floating craft towards Europe because it is criminal if they have gotten rid of the gold. According to the 1991 statistics, we have enough gold and silver in reserve that we can do this, but, if what he is saying is right, because who has been in Fort Knox recently, see I don't know. If they have been secretly running this stuff off, that's why we can't immediately say your Federal Reserve Note will get you an ounce of gold. Initially, it's going to get you a piece of pavement which you can't take with you. Then, once we've made the transition then we go back. Yes, you'll have a Note and you can take it in when you want to anywhere in the world. You can bring it here and it'll be exchanged for gold or silver. That means that we don't have inflation. It means that we don't have devaluation.

Follow Up Question: Would you make any effort to get it (the gold) back...?

Bo: I've already mentioned that we're going to let the Emir of Kuwait go and get his little chunk of pot metal from the Federal Reserve. If they have the gold and silver then, yes, you can put on a lot of bravado to try and get it back. If they don't want to give it back to you because they're angry that you have run the Federal Reserve off, then, it's very difficult other than war, isn't it? I don't think I would ever send young men and women to fight for MONEY. If you haven't got something better than that to fight for, you're in terrible trouble. So, let them keep it. Again, we'll monetize our highway system until we are up to speed with gold and silver.

A lot of this, you've got to put in the hands of God, because, otherwise, there wouldn't be any glory for God. We would think we were so haughty that we did it all ourselves, and then,

isn't that kind of the way the history of the world goes? We're so smart, so haughty, we don't need anybody. Well, we are children. I don't care if you've got a Ph.D., you're a child and probably more so than a lot of other folks. We are children. Our dependence needs to be on God and that's why, as a combat soldier, I think the Lord has called on me. I don't know if I'm going to be President. I don't know the Lord's agenda. Maybe I'm a watchman, but, if that's what I am, I am going to do the best I can. I've been anointed by Christian ministers as a "Modern Day Gideon" before I was a candidate for President. I don't know whether that anointment by oil is holy or not. I don't care.

I am a human. I am a son of God. I recognize and I claim that kinship and I'm going forward fearlessly to do what I believe is right. I'm not going to do anything original, it's going to be under The Constitution. I believe that we'll survive and if we don't survive, then, all we do is go home and that's a fairly decent reward. So, I don't think we have to be fearful.

When I was thirteen, gosh, I was invincible. Me and my dog, Smokey, and my gun were all over those wheat fields in Oklahoma. I had no thought at all other than if I had wanted to fly, if I flapped my arms enough, I probably would lift myself up. And I hate to see a child who has anything but great confidence and courage because God's hand is so powerful and so perfect and so strong that, literally, if need be, we could be encompassed so that no harm could come to us. I have read accounts where women, mothers, have picked a car up that has run over their child. Tell me that's human strength? That's God strength. When I was in Nebraska going to the University of Nebraska, a woman actually got down into the lions' den—her child had crawled under and had fallen down into the lions' den in the Omaha Zoo—and she got down there and a lioness had her child in its mouth. She literally freed the child from the lioness, crawled back out of the den and didn't have a bit of trouble.

So, tell me about the Lord. You keep faith in Him and then you do what you know to be right and be fearless and, if you will, you'll see the Angels. They'll be there for you. Again, remember this—before the guilty can be punished, the innocents must suffer. Now, you've got to remember that. I wouldn't want you to have your spirit broken because a loved one was taken wrongfully. You can't have your spirit broken. You've got to keep your faith in God. You'll join that loved one soon enough. Remember, if that didn't happen, the guilty could not be punished because God's Law is perfect, and so, the blood of those offended, those innocent ones, they cry out and that gives God the reason and the justice to make those account who are responsible.

I'm excited about it, aren't you? And so, together—remember that, not alone but together—there isn't anything that we can't do. So, we just restore the United States, no matter what CNN says, and we just go back to The Constitution no matter what George Bush says!

The Best Kept Secret: Our Babylonian Money System *OR* How Banksters Steal A Nation

8/21/92 #1 HATONN

In the past we gave you a run-down of what we referred to as the Anti-Christ Banksters (ABs). This was NOT originated by me—it was very well written in other documentation publication. It is now presented to me again from a reader and I haven't enough information on source to give more than name and address. It is apparently from a publication called *The Revelator*, c/o Box 911, Cocoa, Florida 32922. It is referenced as The Christian American Research League but I do not know who publishes the actual document.

I believe it is identical to the first published replication long, long ago but I find no date to give proper reference to either their presentation or to ours. It is so well done that I shall simply ask that it be reprinted herein. I ask that it be copied as nearly like the original as possible.

THE ELITE ORGANIZATIONS

Dharma, I also ask that we make note of the fact that within the Conspiracy to rule the world you have the House of Rockefeller on one side and the House of Rothschild on the other. They become completely and totally intertwined down the middle by the Order of the Illuminati, Club of Rome (Committee of 300) at the summit coming down through the Council of Thirteen, the Bilderbergers and Higher Council of 500, Atlantic Council (connected by the Federal Reserve via the Council on Foreign Relations on the Rockefeller side to the Royal Institute for International Affairs on the Rothschild side). Then coming on down the line you have the World Court and World Bank into the United Nations and feeding into and out of to the Central Committee of the Communist Party of the Soviet Union and down to the Communist Party U.S.A. Each category herein listed

have their own offshoots such as the fact that THE ORDER (Chap. 322 "Skull & Bones" [Bush's club] Yale) comes on the Rockefeller side of the charting and on that same side is the Grand Druid Council out of the Council of Thirteen. In like mirror-image is THE GROUP (Rhodes-Milner Round Table [Oxford] and The Kahila out of the Council of Thirteen).

Moving on down, for instance, and feeding directly into the United Nations is the Council on Foreign Relations out of the Rockefellers and the Royal Institute for International Affairs from the Rothschilds.

I realize that this is confusing and scrambled. What you must retain, however, is that all are working toward the same goal—TOTAL SUPREMACY AND POWER (RULE OF THE WORLD—PHYSICAL). So, please with this in mind, let us share this excellent explanation in hopes you will take it, copy it—do anything possible to extend the information to all who will read or hear. Do not "pick" on tidbits—if only a tiny, tiny portion be fact—it is enough to destroy your entire global hope of survival.

AS YOU READ THE FOLLOWING—KEEP EVER UPPERMOST IN MIND WHAT COL. JAMES "BO" GRITZ PROMISES AND CONTRACTS WITH YOU, TO DO—UNDER THE CONSTITUTION—AND THEN GET OUT THERE AND DEMAND THAT HE BE PRESIDENT.

MYSTERY BABYLON EXPOSED

Credit to: **Carl Gorton.**

The largest, most powerful criminal organization in the world is not the Mafia or Cosa Nostra, it is not the drug cartel, it is not the Red government of Russia or China or Cuba, it isn't even the IRS (which many may dispute). These are only a few of the thousands of parts which comprise Mys-

tery Babylon the Great, and which make her so mysterious to the world over which she reigns. To describe any part of Babylon, such as New York City, as all of Babylon, is not to see her at all. It is like the blind men who were asked to describe an elephant. Each one described it according to the part he touched; a snake, a tree trunk, a wall, etc.

The brain, or control center of the Babylonian world system is comprised of the hidden, cabalistic crew of International Bankers who own and control the Federal Reserve and the other central banks of the world. They will be referred to hereinafter as the Anti-Christ Banksters, or ABs. The life-blood of this harlot is the wealth of the world stolen through the operations of their central and commercial banks.

THE ROTHSCHILD DICTUM

The political and economic systems of the nations, whether 'democracies' or dictatorships, are not controlled 'by the people and for the people' but rather 'by the ABs and for the ABs'. The principle by which this power is acquired and maintained was set forth by the founder of the Rothschild dynasty of ABs, Mayer Amschel Rothschild, 200 years ago when he said:

"Permit me to issue and control a nation's money, and I care not who makes its laws."

What this translates to is simply that we now have the best Congress that money can buy!

The simple, but brilliant scheme to enslave whole nations by controlling their money systems was facilitated by keeping the people ignorant about money—the most important thing people must understand in order to be free. As John Adams said in 1787:

"All the perplexities, confusion

and distress in America arise, not from defects in their Constitution or Confederation, not from want of honor or virtue, so much as the downright ignorance of the nature of coin, credit and circulation."

This is exactly the situation which exists today in America because, as George Santayana said in 1905, **"Those who cannot remember the past are condemned to repeat it."** Of course, we can not be expected to remember the past if we do not **know** the past. Therefore, one of the first objectives of the ABs was to gain control of our education system. This was accomplished simply by obtaining controlling interest in the companies that publish our high school and college textbooks on history and economics.

As a consequence, the knowledge necessary for us to be economically and politically free has been kept from us and our nation is being rapidly gobbled up by the ABs. This situation was prophesied by Thomas Jefferson, author of the Declaration of Independence when he said:

"If the American people ever allow private banks to control the issue of their currency, first by inflation and then by deflation, the banks and corporations that will grow up around them will deprive the people of all property until their children will wake up homeless on the continent their fathers conquered."

THE FIRST BANK OF THE U.S.

Jefferson, along with Benjamin Franklin and James Madison adamantly opposed the plans of the New York ABs agent, Alexander Hamilton, to establish a private central bank for the U.S. like the Bank of England. However, after Franklin's death in 1790, Hamilton succeeded in bribing enough Congressmen to have Congress grant a charter to the ABs in 1791 for "the First Bank of the United States" for a period of twenty years. Having lost his battle against the ABs, Jefferson said:

"I believe that banking institutions are more dangerous to our liberties than standing armies. Already they have raised up money aristocracy that has set the government at defiance. The issuing power (of money) should be taken from the banks, and restored to Congress and to the people, to whom it belongs."

When the charter expired in 1811, a wiser or more honest Congress refused to renew it. What followed was the War of 1812, in an effort to reestablish the rule of the Bank of England over us, as was the case before our War of Independence.

TRUTH WILL SET YOU FREE

HOW THE SCAM WORKS

Now, you may be shocked at hearing such seemingly incredible claims, but they only seem incredible because these details about the real causes of historical events were carefully omitted from our history books.

There is far more to the story, and much worse, but to gain a comprehensive understanding of how this criminal system developed requires an overview of history which, even though greatly condensed, is quite lengthy. Therefore, we will interrupt the historical narrative to provide an explanation of the mechanics of how the criminal scam called 'fractional reserve banking' works to enslave the people caught in its insidious trap.

In the first place, most Americans believe that our government creates our money in accordance with Article 1, Section 8 of the Constitution which states; **"The Congress shall have Power.... To coin money, regulate the Value thereof, and of foreign Coin,...."** This most important power of government was again surrendered by Congress, in 1913, to a private corporation called 'The Federal Reserve.' It is no more Federal than Federal Express and is no more a reserve than a bucket without a bottom. **Yet, more than 9 out of 10 Americans ignorantly believe that it is a government agency.** The actual owners of the Fed will be named later.

The process by which the ABs conquer nations economically is simply unbelievable because it is unbelievably simple. Here is how it works: **First**, they seduce the political authority to grant them monopoly power to issue the nation's money as debt at interest (usury).

Second, they create the money OTA (out of thin air) as a book or computer entry when they loan this bank credit to the government and corporations in exchange for interest-bearing bonds, and to individuals in exchange for title to their property.

Third, when there is no unencumbered property remaining to collateralize more loans and there is insufficient money to repay the loans, the victims are foreclosed.

END OF QUOTING

I need to take leave at this time, chela, so please allow us a break. We shall continue at the point of THE BEST KEPT SECRET, for reference if we get distracted.

You readers will be doing yourselves a great disservice if you do not study this carefully and then note how and what Gritz promises to do if you place your trust in him in the Presidency—UNDER THE CONSTITUTION OF THE

UNITED STATES OF AMERICA—ONE NATION UNDER GOD, INDIVISIBLE, WITH LIBERTY AND JUSTICE FOR ALL! IT CAN BE DONE—LEGALLY AND INSTANTLY—BUT YOU HAVE TO GET HIM IN THERE BEFORE ANYTHING CAN BE DONE!! SO BE IT—GOD SHOWS YOU THE WAY, SENDS FORTH THE WARRIOR AND NOW, YOU WILL RESPOND OR YOUR NATION IN FREEDOM SHALL NOT SURVIVE.

Thank you to Carl Gorton, *The Revelator*. Blessed are the "Truth-bringers" for they offer FREEDOM.

QUOTING: (Continued)

[(ABs): Anti-Christ Banksters]

THE BEST KEPT SECRET

The reason that the prior sequence is inevitable is that it is the best kept economic secret in the world. Here it is. When the ABs and their associates (your friendly local banker) create the money as a bookkeeping entry to make a loan, say *1000 (* = **Federal Reserve Accounting Unit Dollar FRAUD**) for one year, the interest (usury) on that loan, say 10%, or *100 is NOT created and, therefore, **can not be paid!**

When the bank credit is put into circulation, it increases the money supply and generates increased economic activity throughout the society. When the principal is repaid, the bank credit is eliminated and economic activity is reduced accordingly. If it stopped there, we could have an honest and potentially stable money system.

But then comes the rub. Since the interest amount was not created, it remains in the economy as a bank claim on someone's property. Why? Because in order to pay the *100 interest (which was **not** created) on the first loan, **someone** had to **borrow** it into circulation. Thus, an **unending** cycle of debt is instituted with the inevitable eventual result being that title to **all** real wealth in the nation is owned by the ABs. This is the reason why our farms, homes and factories are being foreclosed by the thousands every week! It is also **the real reason for inflation**, which has reduced the 'dollar' to about 10% of its value in 1940!

THEIR MONEY IS OUR DEBT

All of our money, except for our coins and the few remaining U.S. Notes, **has been borrowed (OTA) [out of thin air] into circulation as debt!** About 95% of this

debt exists as bank deposits (check book money) and about 5% exists as Federal Reserve Notes. There is not enough money in circulation (called M1) to pay the *3,000,000,000,000 (plus) [Now over 4 trillion] public debt, let alone the *7,000,000,000,000 (plus) [by bunches] private debt! Talk about balancing the Federal Budget is just that—talk. If the Federal Government, under this criminal Babylonian money system, did not continually borrow more Federal reserve bank credit into circulation, we would have no medium of exchange!

Furthermore, this debt exceeds the value of all the real estate in America, which is pledged to pay it. Therefore, we are now legally bankrupt!

In the words of Robert Hemphill, for many years credit manager of the Federal Reserve Bank of Atlanta:

"If all bank loans were paid, no one would have a bank deposit, and there would not be a dollar of currency in circulation. This is a staggering thought. We are completely dependent on the commercial banks. Someone has to borrow every dollar we have in circulation, cash or credit. If the banks create ample synthetic money, we are prosperous; if not, we starve. We are absolutely without a permanent money system. When one gets a complete grasp upon the picture, the tragic absurdity of our hopeless position is almost incredible—but there it is. It (the money problem) is the most important subject intelligent persons can investigate and reflect upon. It is so important that our present civilization may collapse unless it is widely understood and the defects remedied very soon."

Some of the various topics discussed in this PHOENIX JOURNAL are:

The coming depression - Fractional Banking - Credit meltdown - New Currency - Debit card system and the advantages of Incorporation.

CRIMINAL POWER EXPOSED

The enormous, criminal power of the Fed was exposed by Louis T. McFadden, Chairman of the House Committee on Banking and Currency in 1933, before the **ABs finally succeeded in murdering him after two unsuccessful attempts. he wrote:**

"Every effort has been made by the Federal Reserve Board to conceal its powers, but truth is ... the Fed has usurped the government. It controls everything here (Congress) and it controls all our foreign relations. It makes and breaks governments at will."

Hopefully, you now have the picture and understand the mechanics of how this criminal money system works. However, in case someone doesn't comprehend this scam, let's have an object lesson.

REAL LIFE MONOPOLY

Probably everyone is familiar with the game of Monopoly, which has a very appropriate name. However, its rules are those of a make-believe world. But with a few simple rule changes we can make it resemble the real economic world:

First, count all the money available (for example, \$8,000).

Second, loan, not give, an equal amount (\$2,000) to each of four players.

Third, instead of each player collecting \$200 from the bank every time he passes GO, he pays \$200 in interest to the bank.

Now you should know who will win every game. If not, play it according to these rules and find out. But then, perhaps you, along with thousands of other Americans every week, have already lost the real life game and know who the winner is. **Always.**

THE BORROWER IS SERVANT

If you learn nothing else from this dissertation, learn this: **If you are in debt, you are not free, you are a bond slave.** Even if you have no personal debt, as a U.S. citizen your share of the National Debt is over *20,000 [H: In 1992 it is between \$40,000 and \$45,000] and whatever property you think you own is pledged to pay that debt. As the Bible states in Proverbs 22:7, **"The borrower is servant to the lender."**

The manner in which bondslaves were to be controlled was put forth in 'The Bankers Manifest' of 1934.

"Capital must protect itself in every way, through combination and through legislation. Debts must be collected and loans and mortgages foreclosed as soon as possible. When, through a process of law, the common

people have lost their homes, they will be more tractable and more easily governed by the strong arm of the law, applied by the central power of wealth, under control of leading financiers. People without homes will not quarrel with their leaders. This is well known among our principal men now engaged in forming an imperialism of capital to govern the world. By dividing the people we can get them to expend their energies in fighting over questions of no importance to us except as teachers of the common herd." [H: Oh no, chelas, **THIS IS EXACTLY VERBATIM WHAT IT SAYS!**]

DID YOU GET THAT? All other issues take a back seat and are secondary to the question of money! We have been divided into a thousand different camps ranging from anti-Communist to anti-racist and neutralized by waiting for the rapture, or boozing with the boob-tube. What is your favorite diversion? That is, if you have any time left after working more than six months every year for the ABs and their government. It's a safe bet that you don't study history, or money, which, to re-quote Robert Hemphill,

"... is the most important subject intelligent persons can investigate and reflect upon. It is so important that our present civilization may collapse unless it is widely understood and the defects remedied very soon."

SOME OMITTED HISTORY

In order to understand how the ABs acquired their absolute power over the nations, it is necessary to understand some history which has been omitted from our history textbooks. This knowledge is also necessary so that we do not repeat it—**again!**

In the beginning, there was no money and there was no civilization. Every man obtained his own necessities of life; food, shelter and clothing, through his own efforts. This was probably the only period in history (other than in Eden) that man was truly free and independent. However, this was a very difficult, dangerous and insecure lifestyle.

Eventually, there developed a system of exchange of goods and services which we call barter. In this economic system every man benefitted because he would only trade something he had for something that was of greater value to himself. For instance, if Jim had ten potatoes and Bill had ten fish, they could trade five potatoes for five fish and each would have a complete meal for his family.

It was soon realized that, by specializing, a man could produce a given commodity much more efficiently and trade his surplus with other specialists to obtain all

of his needs. Thus, everyone who efficiently produced something which many people needed or wanted could make a very comfortable living.

The value that each man placed on his own produce was primarily a function of the time he spent to produce it, plus what he spent for raw materials and tools.

THE CREATION OF COINAGE

It was soon realized however, that barter was a very inconvenient system and, fun though it might be, consumed much time in bargaining over the value of commodities. After all, **every man values everything differently from every other man and at different times and places.**

Eventually, the use of certain durable commodities, such as gold and silver, became popular trade. Civilization began to develop as more men became specialists and an increasing variety of goods was produced for both production (tools) and consumption. The use of gold and silver bullion as media of exchange, although far superior to trading cows and corn, was still somewhat difficult, because their weight and purity had to be determined. Weighing them was relatively easy with balance scales but determining purity was quite difficult. These problems were overcome with the introduction of **coins**, which were certified by the issuing authority to be of the weight and purity stamped upon them.

THE BIRTH OF BANKING

As wealth increased, one of the trades that developed was that of making gold jewelry, or goldsmithing. Because goldsmiths dealt in large quantities of gold, it was necessary for them to have secure vaults, or safes, in which to store their valuable commodity for protection from theft.

Other people who acquired significant amounts of metallic money, especially merchants and craftsmen, also required security for their money. It soon became common practice for them to 'deposit' their money with the goldsmiths for a small fee. In return, the goldsmith would give the depositor a receipt for the amount of the deposit. A depositor could then give his warehouse receipt to a supplier in payment for goods, rather than transferring the metal itself. This method of payment was so convenient and simple that it soon became common practice. Thus was born the business of banking.

ORIGIN OF USURY (INTEREST)

The shrewd goldsmiths in Babylon soon realized that, of all the gold deposited with them, only a small percentage was reclaimed each month with the warehouse

receipts they had issued. As wealthy men, they were often asked for loans. As shrewd men, they were soon lending out as much as 90% of the gold placed on deposit with them, typically requiring that four talents of gold be returned to them in one year for every three they loaned, an interest rate of 33 1/3%!

Since there was a limited amount of gold in circulation, they soon 'cornered' the market on gold and became the richest men in Babylon. Their descendants still are and are referred to in Revelation 18:23: **"For thy merchants were the great men of the earth; for by thy sorceries (pharmacia = drugs) were all nations deceived."** People who are drugged (poisoned) with alcohol, nicotine, caffeine, medicine, sugar, chlorine, fluoride, TV, government, 'education' and 'religion,' have short-circuited brains and simply cannot think logically. If you are having difficulty understanding this, hopefully you now understand WHY!

FRACTIONAL RESERVE BANKING

With virtually all of the gold in their possession, the goldsmiths could loan out their 'warehouse receipts' for amounts totalling more than ten times the amount of gold actually in their vaults and charge interest (usury) on something which had cost them virtually nothing (clay tablets were very cheap).

When this debt money was created and circulated in the society, it caused a temporary increase in trade and the production of real wealth until the loan was repaid. However, when the money was created, the amount of the interest was **not** created and the ultimate result was a net reduction of money in circulation, causing depression and foreclosure, **unless**, of course, more money was loaned into circulation.

Thus was born 'fractional reserve banking' and the system of usury which today rules the world. This is the lifeblood of the system identified in Revelation 18 as **"MYSTERY, BABYLON THE GREAT"**.

THE BAAL PRIESTS

Occasionally, the people holding these 'gold certificates' would get wise to the fact that the goldsmith did not actually have enough gold on deposit with which to redeem his certificates. This would result in a **'run on the bank'** and his sudden demise, unless he had previously escaped with his hoard of gold.

Being shrewd, the goldsmiths recognized this little thought, they decided to bring the king in as a 'partner'. After all, the king was always in need of gold to support his concubines and palace guard. Thus the king was only too happy to pro-

vide government sanction and protection for this racket in exchange for greatly discounted interest rates, even lower than the prime rate. But the shrewd goldsmiths thought that government protection might not be sufficient. After all, the police couldn't protect them 24 hours a day.

Since the king was also god in the combined state religion of Baalism, the ABs decided that it would be safest for them to practice their black art under cover of religion. After all, there might be many who would revolt against slavery and risk imprisonment or death; what's the difference? But few religionists, **even though enslaved**, will challenge 'authority' and risk **eternal torment** by being 'excommunicated'. Thus, many ABs became BAAL Priests and practiced their banking scam in the temples within the complete trinity of Government, Religion, and Banking (GRAB) which rules the world today as a **Great Mystery** to the deceived 'goyim', especially **Christians, who are their prime target.**

THE GOLD STANDARD

The beginning and rise to world dominion of this Babylonian system is detailed in the Book of Daniel (Bible). The gold standard was established by King Nebuchadnezzar when he erected a monument of gold on the Plain of Dura and commanded that everyone bow down and worship it. This was about 500 BC when the Israelites from the southern Kingdom of Judah were in Babylon as captives. Apparently, all but four of them complied with the King's orders, Daniel, Shadrack, Meshak and Abednego.

This is not too surprising, since the Israelites had previously shown a strong proclivity for gold at the very foundation of their nation. While encamped at the foot of Mt. Sinai, after being led out of Egyptian slavery, Moses went up to the mountain to receive the Law from God. When he returned, the Israelites were worshipping a **golden calf**.

DANIEL'S VISION

Daniel was given a vision of the Babylonian succession of world powers. The vision was an image of a man with a head of **gold**, representing Babylon itself, arms of silver representing Medo-Persia, body of brass, representing Greece, and legs of iron, representing Rome. The feet were of mixed iron and clay. A stone **"cut out without hands"** was to come out of heaven and destroy this system by striking it in the feet, **"at the time of the end"** after it **secretly** gained control of the world, therefore becoming **"MYSTERY, Babylon the Great, the whore that sitteth upon many waters (nations) committing for-**

nication with the Kings of the earth." (Rev. 18:3)

Archaeological searches have uncovered much evidence of Babylon's social and economic systems which were very similar to ours of today. For instance, the Igibi Bank was found with thousands of clay tablet 'notes' and interest (usury) bearing contracts which served as their money.

Babylon loaned much money at interest (usury) to Persia which, of course, Persia could not repay. Therefore Persia conquered Babylon to **eliminate its debt** and acquire Babylon's gold.

Persia adopted the Babylonian usury system and loaned Greece much money at interest (usury). Greece, of course, could not repay the debt and conquered Persia to **eliminate its debt** and acquire the gold in Persia.

Greece adopted the Babylonian usury system and loaned Rome much money at interest (usury). Rome, of course, could not repay the debt and conquered Greece to **eliminate its debt** and acquire the gold in Greece.

After the fall of Imperial Rome, the various nations of Europe were kept in bondage and poverty by the ABs for many centuries, known as the Dark Ages.

MINORITY OWNERSHIP OF WEALTH (GREED) ALWAYS LEADS TO DESTRUCTION

In his book *Lincoln Money Martyred*, Dr. R. E. Search said:

"When the Babylonian civilization collapsed, 3% of the people owned all the wealth. When old Persia went down to destruction, 2% of the people owned all the wealth. When ancient Greece went down to ruin 0.5% of the people owned all the wealth. When the Roman Empire fell by the wayside, 2,000 people owned the wealth of the civilized world.... It is said at this time less than 2% of the people control 90% of the wealth of America. [H: I would guess it to be far less than that number—say, less than 13 to 15 families and they all through the Committee of only 300.]

Now that you know some history (His Story) do you detect a pattern in the affairs of men and nations? Do you begin to understand that wars are created by the ABs, whom Christ called **PHARISEES** and accused them of shedding all the innocent blood from the time Cain killed Abel? Now you should understand why Christ was crucified only three days AFTER He threw the moneychangers out of the Temple. Now you know why **"The love of money is the root of all evil."** (I Tim. 6:10)

VOTE FOR BO GRITZ

FREEDOM, AT LAST

Was there ever a time when men were free of the usurers yoke of bondage? Yes, and it was a glorious period that lasted for nearly six centuries and provided nearly 'utopian' conditions for the working people in England and, for shorter periods, in the other European nations. This period is known as the **Renaissance**, but the reason for it is a carefully kept secret. Why? Because the revelation of this knowledge would again result in the banishment of the ABs and a flowering of debt-free freedom.

In 1100 A.D. Henry I became King of England and found the treasury empty. The supply of gold and silver coin had mostly gone with the Crusaders to Palestine and a medium of exchange was urgently required. Rather than seeking loans from ABs, Henry issued into circulation for payment of government debt, or as receipts for goods and services rendered, marked pieces of wood called **tallies**. [H: Pay close attention, readers, we have written of this before. You are going to find, when Col. Gritz gets into the Presidency—that your supply of gold and silver has been confiscated and smuggled out of your country and into the coffers of the Elite ABs—mostly residing in Basel, Switzerland under the control of Khazarian Zionists—remember those "British-Israelis" that we wrote about? I suggest you go look up that information ASAP.]

method again—before monetizing the highway system of America. Please, honored Patriots—point out this method to him before such complicated monetizing is undertaken in "free America" following Senate, Banking and House CLEANING.] Notches were cut into the side, the width of the notch representing the value, in pounds, and the amount was written on two sides. The sticks were then split and one half paid into circulation, debt free. They were readily used by the people in trade, because they derived their value from the fact that they were receivable in payment of taxes. When the tally was presented for payment of taxes, it had to exactly match, that is **tally**, with the half retained in the treasury, called a foil. Forgery was nearly impossible. Silver coins continued to circulate also.

[H: Col. Gritz has asked ones to apply for positions in his Government if you fit qualifications under the Constitution. I believe that I shall herein apply for the position of Chief Advisor. Would you readers pass this on, please. You can stop asking GOD to send you free solutions and "do it for me" methods of "intervention". HE HAS SENT YOU WHAT YOU NEED IN ANSWER TO YOUR PETITIONS—USE IT!]

Usury (interest), being strictly prohibited by Scripture, was also prohibited by both the Christian church and government. However, there were those who continued the evil practice until they were banished from England in 1290 A.D. With an honest and convenient money system, an English working man could supply his family's needs for a year by working only 14 weeks! This left a great deal of leisure time available for intellectual, religious and charitable pursuits. This is the reason that the incredible cathedrals of England and Europe were built completely with volunteer labor. Do you think that is amazing? What is really amazing is how this information, essential to our freedom, has been so successfully kept concealed from us!

This tally money system continued to operate in England until 1783, when it was abolished by statute. [H: And, just guess WHO pulled off that maneuver while no one watched?] Nevertheless, tallies continued to be used in rural areas until 1826.

BABYLON RESURRECTED

The death knell of the tally system was sounded in 1694, when the King, William of Orange, granted a charter to William Paterson and his AB associates to establish The Bank of England as a fractional reserve central bank with monopoly power to issue bank notes at interest (usury). This date, 1694, is the most important date in American history, for

the Bank of England has had a direct bearing on every major event in America since before our War of Independence.

MYSTERY BABYLON EXPOSED

(Continued from 8/22/92 #1)

FREEDOM COMES TO AMERICA

When the Pilgrims came to America, they did so with an abundance of faith and determination, but a dearth of knowledge concerning economics and human nature. They initially instituted a system of common ownership or 'communism.' As a result, over half of them died of starvation and disease. Quickly learning their lesson, every man was allotted his own parcel of land on which to grow his own food and build his own home.

With little money available, the primary means of exchange was barter. Gradually, some foreign coinage came into the colony and facilitated trade. However, as the economy of Massachusetts quickly grew, due to its hardworking people, natural resources and free enterprise, the need for a medium of exchange became acute.

Knowing about England's tally system, Massachusetts issued debt-free paper script into circulation in 1690. Despite problems that developed with this invention, due to there being no standard of value, the economy flourished with full employment. Other colonies adopted this system in varying degree and prospered also.

During this period, there was no official banking system. A few 'Loaning Offices' were maintained by the Colonies, but less than thirty private lending institutions existed in all 13 colonies! Today, they are more numerous than churches! THINK ABOUT THAT!

**THE REAL REASON
FOR THE REVOLUTION**

There have been many reasons put forth for the American colonies separating from England, their mother country, and the most powerful nation on Earth. Most of these were listed by Thomas Jefferson in The Declaration of Independence. The first two of these read as follows:

"He has refused his Assent to Laws, the most wholesome and necessary for the public good."

"He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in

their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend them."

What were these "most wholesome and necessary" laws that were of "immediate and pressing importance?" Again, a knowledge of true history is necessary to understanding. If you've guessed by now that the ABs were involved, you are absolutely correct. The roots of our War of Independence was the issuance of their own paper money by the colonies, beginning with 7000 pounds issued by Massachusetts in 1690, and culminating with the issue of 'Colonies' by the Continental Congress.

In 1763, Benjamin Franklin was in England. He was asked to explain why the colonies were so prosperous while England was suffering. He replied:

"That is simple. It is only because in the Colonies we issue our own money. It is called 'Colonial Scrip'—and we issue it in the proper proportion to the demands of trade and industry."

The Bank of England soon learned of this situation and forced parliament to pass a Bill prohibiting the Colonies from issuing their own money. Franklin said, **"Within one year from that date the streets of the Colonies were filled with the unemployed."**

Later, Franklin said that this was the original cause of the War of Independence. In his own words:

"The colonies would gladly have borne the little tax on tea and other matters had it not been that England took away from the Colonies that money, which created unemployment and dissatisfaction."

Yes, the laws referred to by Jefferson were primarily ones to provide for relief of the economic chaos then existing because of the Bank of England's usury money system that had been imposed on the Colonies.

Rothschild supplied some of the financing for the War through his agent Haym Solomon who operated through Robert Morris. This may seem contradictory to the uninformed, but **it is a basic strategy for the ABs to instigate war and finance both sides, especially if it involves Christians killing Christians!** The Rothschild fortune began when Mayer Amschel Rothschild provided the Hessian mercenaries for King George to kill American patriots.

All of the loans that the Continental Congress obtained were insufficient to totally finance the war. Furthermore, under the Articles of Confederation, Congress had no authority to impose taxes or issue money. Nevertheless, since desperate situations require desperate measures to correct, Congress began to issue the debt-free money known as 'Continental'.

Knowing, as long before Lenin expressed it that, **"The surest way to destroy a nation is to debauch its currency,"** the English proceeded to bring in shiploads of counterfeit Continentals which, combined with Congress' inability to tax them out of circulation, caused them to depreciate to practically nothing by the end of the war. But they had served their purpose and were **the means by which we were able to obtain our liberty!** Rather than being denigrated they should be revered as much as our Declaration of Independence.

VICTOR SURRENDERED

This brings us to the post-war period which was covered briefly in the beginning **Having fought and won a bloody war against** overwhelming odds, the politicians then surrendered our hard-won freedom to the same cabal of ABs who had brought on the war, by granting them a charter for the **First Bank of the United States. We were free from their control for a mere 15 years.** The ABs agent through whom our slavery was re-established, Alexander Hamilton was an Englishman from the West Indies whose real name was Levine. He took the name of this step-father after his mother divorced and re-married. However, he claimed to be the illegitimate son of Hamilton, which was much more socially **acceptable at the time than being a Jew.**

Hamilton was probably the leading authority on finance and banking at the Constitutional Convention which, along with his leadership of the New York delegation, gave him considerable influence in matters pertaining to money. The Constitutional provisions limiting our government to a metallic (specie) system, combined with the power **"To borrow Money on the credit of the United States,"** are the **Achilles heel** of our Constitution.

The original phrase was **"To borrow Money and emit bills on the credit of the United States,"** which was the same phrase written into the Articles of Confederation by Benjamin Franklin. But Governor Morris said, **"...the Monied Interest will oppose the plan of Government, if paper emissions be not prohibited."** Thus was the trap set for us to again become slaves of the ABs. Remember **"the borrower is servant to the lender."**

These provisions then enabled Hamilton, especially as Secretary of the Treasury, to lobby for and bribe Congress into granting the Charter for the First Bank of the United States in 1791. Thus did America snatch defeat from the jaws of victory and again enter into the debtor prison owned by the ABs.

Alexander Hamilton was a thousand fold more a traitor than was Benedict Arnold, yet Hamilton is revered as a great

patriot.

Thomas Jefferson understood the Achilles heel of our Constitution. He said:

"I wish it were possible to obtain a single amendment to our Constitution. I would be willing to depend on that alone for the reduction of the administration of our government to the genuine principles of its Constitution; I mean an additional article, taking from the federal government the power of borrowing."

THE DOLLAR DEFINED

The Coinage Act of 1792 defined a 'dollar' as 371.25 grains of .999 (fine) silver and 24.75 grains of pure gold, establishing a bi-metallic standard at a ratio of 15 parts of silver equal to one part gold.

The Mintage Act of 1837 again defined the dollar as 371.25 grains of fine silver but reduced the dollar of gold to 23.22 grains of pure gold, a new ratio of 16 parts silver equal to one part gold.

In 1873, a "trade dollar" was established at 378 grains while a dollar in gold was retained at 23.22 grains, changing the ratio to 16.28 to one. But a defacto gold standard was established.

In 1878 the Bland-Allison Act restored the fine silver content of the dollar to 371.25 grains and the silver/gold ratio of 16 to one.

The Gold-Standard Act of 1900 placed us completely at the mercy of the ABs who control the world's gold. (They 'fix' its price every day in London at the offices of N.M. Rothschild and Sons.) While retaining silver as legal tender, it eliminated the bi-metallic standard which had precluded the ABs from completely controlling our currency.

JACKSON KILLS THE BANK

Returning to the War of 1812—after winning the war the U.S. was in bad economic condition. But Congress again turned our victory into defeat by chartering the Second Bank of the United States which was virtually a clone of the First Bank of the United States.

When Andrew Jackson became President in 1829, he declared war on the ABs. He told them in scathing words, **"You are a den of vipers and thieves and I intend to rout you out, and by the Eternal God, I will rout you out."** [H: Ah, good! Sounds just like Gritz to me and yes, indeed, he CAN DO IT IF YOU ELECT HIM PRESIDENT!] He vetoed renewing the Bank's charter and in his message to Congress said:

"The bold efforts that the present bank has made to control the government, the distress it has wantonly caused, are but premonitions of the

fate which awaits the American people should they be deluded into a perpetuation of this institution or the establishment of another like it. ...if the people only understood the rank injustice of our money and banking system there would be a revolution before morning."

Jackson removed U.S. funds from the Second Bank of the U.S. and placed them in state banks. He also eliminated the national debt. It is a sheer miracle that he was not assassinated. An attempt to kill him was made on Jan. 30, 1835, by one Richard Lawrence with two pistols. Both misfired. [H: And you still think God does not hear your petitions for "the way"?] Lawrence was tried and found innocent by reason of insanity. However, he later boasted of his contact with European bankers who had promised to protect him if he were caught.

The ABs continued their nefarious efforts to establish another central bank without success. Nevertheless, they were able to create confusion and chaos in our money system through the state-chartered banks. However, they despaired of again establishing a central bank through which they could control the entire U.S.

THE PLOT FOR CIVIL WAR

Thus was hatched the plot to conquer by dividing the U.S. into two nations. The ABs decided to instigate a war between the North and the South over the slavery issue. The London branch of the Rothschilds financed the North (in part) through their agent, August Belmont (Schoenberg) and the Paris branch financed the South through their agents, Judah P. Benjamin and John Slidell.

However, the ABs, thinking that they had Lincoln at their mercy, overstepped themselves. When the Union requested loans from the private banks to conduct the war, the ABs demanded 28% interest. This angered Lincoln and he proceeded to have Congress authorize, in three issues, a total of \$450,000,000 worth of U.S. Notes, called 'Lincoln greenbacks,' which were paid directly for goods and services required for the war. These issues of debt-free money not only saved the Union but would have destroyed the power of the ABs.

The *London Times*, an ABs paper editorialized:

"If this mischievous financial policy, which has its origin in the North American Republic, shall become indurated down to a fixture, then that government will furnish its own money without cost. It will pay off its debts and be without debt. It will have all the money necessary to carry on its commerce. It will become prosperous without precedent in the history of the world.

The brains and the wealth of all countries will go to North America. That government must be destroyed or it will destroy every monarchy on the globe."

Lincoln said of the ABs:

"The money power preys upon the nation in times of peace and conspires against it in times of adversity. It is more despotic than monarchy, more insolent than autocracy, more selfish than bureaucracy. It denounces, as public enemies, all who question its methods or throw light upon its crimes.

"I have two great enemies, the Southern Army in front of me and the financial institutions in the rear. Of the two, the one in my rear is my greatest foe." [H: Indeed, now you know the thrust of the "Liberator" number one. Abolition of slavery was only an "issue"—the *Liberator* and Garrison got in constant and horrendous trouble by efforting to inform the people of the sure destruction of civilization by the Anti-Christ Banksters. So, you who think history is repeating itself and your fingers are worn and calloused—your sleep restless and your driving need to inform the brothers—is thine legacy to again effort to do your job properly and come into success—THIS TIME. GOD walks with you, little ones of Truth—GOD WALKS EVER WITH YOU! Dharma, the evil enemy managed to slay that Patriot—it shall NOT happen again.]

In July 1862, the infamous Hazard circular was circulated among American bankers by the London ABs.

"Slavery is likely to be abolished by the war power and chattel slavery destroyed. This I and my European friends are in favor of, for slavery is but the owning of labor and carries with it the care of the laborers, while the European plan shall control labor by controlling wages. This can be done by controlling the money. The great debt (national) that capitalists will see to it is made out of the war, must be used as a means to control the volume of money. To accomplish this the (war) bonds must be used as a banking basis. We are now waiting for the Secretary of the Treasury to make this recommendation to Congress."

SLAVERY EXPANDED

Salmon P. Chase, Secretary of the Treasury, and Congress succumbed to the pressure of the ABs. The National Bank Act of 1863 was the result. The ABs again gained the power to create our money as debt, but not exclusively so.

Later, Chase repented of his action, saying:

"My agency in promoting the pas-

sage of the National Bank Act was the greatest financial mistake of my life. It has built up a monopoly which affects every interest in the country. It should be repealed, but before that can be accomplished, the people will be arrayed on one side and the bank on the other, in a contest such as we have never before seen in this country."

In a letter to the London branch of the Rothschild ABs, Congressman John Sherman of Ohio said:

"The few who can understand the system will either be so interested in its profits, or so dependent on its favors, that there will be no opposition from that class, while on the other hand, the great body of people, mentally incapable of comprehending the tremendous advantages that capital derives from the system is inimical to their interests."

Writing about the National Bank Act in 1872, Horace Greeley said:

"We have stricken the shackles from four million human beings and brought all laborers to a common level, not so much by the elevation of the former slaves as by practically reducing the whole working population, white and black, to a condition of serfdom. While boasting of our noble deeds we are careful to conceal the ugly fact that by our iniquitous money system we have nationalized a system of oppression which, though more refined, is not less cruel than the old system of chattel slavery."

In order to protect their money monopoly and prevent the expansion of the honest, debt-free money system instituted by Lincoln, he had to be eliminated. And so he was. John Wilkes Booth was a member of The Knights of the Golden Circle, a secret society which was controlled by the ABs, **as are virtually all secret societies today.** They can be identified by the promotion of the ABs deceptive religious philosophy: **"The Brotherhood of Man under the Fatherhood of God"**. This subject will be covered at some future time.

RIGHT ON THE MONEY

Bismarck, Chancellor of Germany, made the following statement regarding the death of Lincoln:

"The death of Lincoln was a disaster for Christendom. There was no man in the United States great enough to wear his boots, and (The ABs) went anew to grab the riches of the world. I fear that foreign bankers with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. They will not hesitate to plunge the whole of

Christendom into wars and chaos in order that the earth should become their inheritance.

Bismarck was 'right on the money'.

Let us leave the work for a rest period. I release you for other activities. It is good to take renewal rest. We are making good progress. We will continue on this subject while urging ones to read, study, think and relate to that which our beloved patriot son, James Gritz, promises by contract—to DO FOR THIS NATION AND CITIZENS—WITH you. MYSTERY BABYLON EXPOSED (CONTINUED)

From *The Revelator*, by Carl Gorton:

QUOTING:

THE CRIME OF 1873

With their increased power, the ABs managed to implement their ancient scheme of establishing a "gold standard" in the U.S., as well as in several European nations at about the same time. This was accomplished by bribing Congress to pass the Coinage Act of 1873 which became known as 'The Crime of '73'. This Act, while providing for the mintage of a new silver "trade dollar" of 420 grains of standard silver, was only made "legal tender" for payments not greater than five dollars, thus effectively demonetizing silver and destroying the Constitutional bi-metallic standard.

The ensuing monetary crisis forced Congress to pass the Bland-Allison Silver Act of 1878 over the veto of President Hayes. This act re-monetized the dollar of 412.5 grains of standard (.90) silver by repealing its legal tender limitation of five dollars. The mint was ordered to coin between two million and four million dollars per month and to exchange them for silver certificates on demand. The infusion of this debt-free money into circulation caused the economy to flourish.

A CROSS OF GOLD

The ABs could not tolerate this situation since it reduced the demand for their bank credit and enabled the people to pay the otherwise unpayable interest on their mortgage. Thus, the ABs inaugurated a propaganda campaign promoting the 'gold standard' during the rest of the century, culminating in the heated Presidential cam-

paigns between McKinley and Bryan in 1896 and 1900. Bryan, who made the famous statement, **"You shall not press down upon the brow of labor this crown of thorns—you shall not crucify mankind upon a cross of gold!"** lost both elections due to the frantic efforts of the ABs.

THE GOLDEN RULE

The Gold Standard Act of 1900 was passed by Congress on March 14, stating; **"That the dollar consisting of twenty-five and eight-tenths grains of gold nine-tenths fine...shall be the standard unit of value."** Thus was enshrined the ABs 'Golden Rule', **'He who owns the gold, RULES.'** The 'master plan' of the ABs for establishing their rule over the world contains this statement:

You are aware that the gold standard has been the ruin of States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible. [H: Perhaps it is as well that the ABs have removed all the stores of gold from your reserve vaults for this may in the long-run keep you from again basing your money on that standard for gold, alone, is not the point—as long as the ABs set the price of gold you are trapped!]

We will have more to say about the master plan.

THE CENTRAL BANK PLOT

With the Gold Standard firmly in place, the ABs took aim on their greatest prize: a Central Bank. In order to generate popular support for banking reform, the ABs created the panic of 1907. Congressman Charles Lindbergh, Sr. (Father of "The Lone Eagle") said, **"The money trust caused the 1907 panic and thereby forced Congress to create a National Monetary Commission."**

The national Monetary Commission was established by Congress following the Panic of 1907 for the purpose of finding the faults in our economy and proposing corrective legislation. Senator Nelson Aldrich was named as chairman, thus assigning the fox to guard the hen house. After two years of high living in Europe at taxpayers' expense, 'studying' the European banking systems, the commissioners returned to the U.S.

Aldrich was grandfather of the Rockefeller brothers, and was the namesake of Nelson Aldrich Rockefeller, the notorious Governor of New York, employer of **Henry Kissinger** and patron saint of Richard Nixon.

Another member of this commission was Jacob Schiff of Kuhn-Loeb and Co.

who had helped to finance the bloody Bolshevik Revolution in Russia to the tune of \$20,000,000. Schiff was born in the house which his family shared with the Rothschilds in Frankfurt, Germany.

Immediately after the commission returned from Europe, Aldrich called a secret meeting of Rothschild agents. These men met on November 22, 1910 at the Hoboken, N.J. railway station and boarded Aldrich's private parlor car with shades drawn. Their destination? The private hunting club of J.P. Morgan and associates at Jekyll Island, Ga. Their mission? To draft the document that would undermine the Constitution of the U.S. and enable the ABs to become the absolute master of America.

The chief architect of this plan was Paul Warburg of Kuhn-Loeb and Co. who was sent from Frankfurt, Germany to accomplish this task, as a Rothschild agent. His salary was \$500,000 per year! [H: In those days half a million dollars was astronomical!]

Because of the importance of the Federal Reserve in controlling our lives today and the voluminous information available from private researchers, the temptation is strong to expand this article into a book. Space does not permit. However, for the reader who would like to have more detailed documentation on the subject, [H: I suggest you get the JOURNALS dealing with the Federal Reserve, etc. I recommend the JOURNALS over the book to be stated because of the additional information included. leading authority on the Fed. [H: Eustace Mullins' book can be obtained, I believe, through America West as well. We did not utilize the book directly from Mullins because all information since the writing of his book on the subject—has been taken directly FROM that one book by that same author. Because of this fact, I do not recommend any other book on the subject other than our own—which has our own input regarding the information with no other intent than "truth" as foundation—not investments, not "how to"—just facts. I made the point that I honored Mullins above the author of the book in use—because it was a direct copy of information from Mullins—at the time of the writing of our information on the subject in point. Please remember: OUR BOOKS (JOURNALS) ARE EXACTLY THAT—JOURNALS—dated material, as ours is NOT TO USURP ANY OTHER'S WORK BUT MERELY TO INTEGRATE THE BEST OF ALL PRESENTATIONS FOR YOUR OWN CONFIRMATION AND READING. WE CAN SELECT THAT INFORMATION FOR YOU AND SAVE MAMMOTH AMOUNTS OF RESEARCH TIME. OUR SUGGESTION IS ALWAYS TO READ IT ALL IF YOU CAN FIND THE TIME—BOTH ERRORED AND ACCURATE—BUT YOU ARE TRULY RUNNING VERY SHORT, UNDER THE BEST OF CIRCUMSTANCE, OF "TIME".]

THE GREATEST CRIME IN HISTORY

We will not detail the provisions of the Federal Reserve Act, which has been amended more than 200 times. Suffice it to say that Congress had no authority whatsoever to turn its power to issue our money over to a **private corporation**, especially one whose Class A Stock is **owned primarily by alien ABs**. Nevertheless, they did so, with large majorities of those voting in both houses violating their oaths of office.

The Federal Reserve was established by the Owen-Glass bill when it was passed by the Senate (43 to 25) on December 22, 1913 and the House of Representatives (209 to 60) on December 23, 1913. It was immediately signed into Law by President Woodrow Wilson. It has since been called the Federal Reserve Act and the private central bank which it established is called, simply, 'The Fed.' When the bill passed Congressman Charles Lindbergh, Sr. said:

"This Federal Reserve Act established the most gigantic trust on Earth. When the President signs this bill the invisible government of the Monetary

Power will be legalized."

The lengths to which the ABs went to insure passage of their Treason Act knew no bounds. For instance, to insure that their agent Woodrow Wilson would become President, they financed Teddy Roosevelt and his "Bull Moose" Party to split the Republican Party and defeat Taft.

Twenty years later, Congressman McFadden said, **"The sack of the United States by the Fed is the greatest crime in history."** Indeed, it was.

Congressman McFadden, as chairman of the House Banking and Currency Committee for over ten years, was the foremost Congressional authority on the Fed and fearlessly exposed their criminal activities. But his efforts to destroy the Fed could not overcome the power of the ABs. However, his warnings are even more pertinent today than when he spoke in the 1930's. Speaking to Congress he said:

"Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Banks, hereinafter called the Fed. The Fed has cheated the Government of these United States and the people of the United States out of enough money to pay the Nation's debt. The depredations and iniquities of the Fed has cost this Country enough money to pay the National debt several times over.

"This evil institution has impoverished and ruined the people of these United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the maladministration of that law by the Fed and through the corrupt practices of the moneyed vultures who control it.

"Some people think that the Federal Reserve Banks are United States Government institutions. They are not Government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lenders. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into states to buy votes to control our legislatures; there are those who maintain International propaganda for the purpose of deceiving us into granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.

"These twelve private credit monopolies were deceitfully and disloyally foisted upon this Country by the bankers who came here from Europe and repaid us our hospitality by undermining our American institutions. Those bankers took money

out of this Country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along. They instigated the separate peace between Germany and Russia and thus drove a wedge between the Allies in the World War. They financed Trotsky's passage from New York to Russia so that they might assist in the destruction of the Russian Empire. They fomented and instigated the Russian Revolution, and placed a large fund of American dollars at Trotsky's disposal in one of their branch banks in Sweden so that through him Russian children were flung far and wide from their natural protectors. They have since begun breaking up of American homes and the dispersal of American children.

"Mr. Chairman, there should be no partisanship in matters concerning banking and currency affairs in this Country, and I do not speak with any.

"In 1912 the National Monetary Association, under the chairmanship of the late Senator Nelson W. Aldrich, made a report and presented a vicious bill called the National Reserve Association bill. This bill is usually spoken of as the Aldrich bill. Senator Aldrich did not write the Aldrich bill. He was the tool, if not the accomplice, of the European bankers who for nearly twenty years had been scheming to set up a central bank in this Country and who in 1912 had spent and were continuing to spend vast sums of money to accomplish their purpose.

"We were opposed to the Aldrich plan for a central bank. The men who rule the Democratic Party then promised the people that if they were returned to power there would be no central bank established here while they held the reins of government. Thirteen months later that promise was broken, and the Wilson administration, under the tutelage of those sinister Wall Street figures who stood behind Colonel House, established here in our free Country the worm-eaten monarchical institution of the "King's Bank" to control us from the top downward, and to shackle us from the cradle to the grave." [H: In a prior **JOURNAL** in earlier point, we give you ALL of McFadden's speech—incredibly worthy of your attention in full.] (See **JOURNAL** #17, Ch. 9-11 for the complete text of this most remarkable speech.)

After McFadden was disposed of, the ABs continued their program of mass murder by instigating World War II, Korea and Viet Nam, bleeding America both literally and financially. Hundreds of books have been written by expert authorities detailing the treasonous activities of AB agents in the White House and Congress. Virtually all of these books have been suppressed. Occasionally, by miracle or accident, a true expose' will reach our library shelves, only to be quickly removed. [H: Ah

yes indeed—shades of our very own newspaper THE PHOENIX LIBERATOR and our JOURNALS.]

In this overview of monetary history we can not provide much detail, but serious students have a virtually unlimited amount of information available, primarily from private sources and publishers. However, we will take the time to show how the stage was set for World War II. The roots of the war go back to the end of World War I and the Versailles 'Peace' Treaty.

QUOTING:

THE ABs DESTROY GERMANY

One of the favorite examples of 'fiat' money or 'printing press inflation' which the 'gold bugs' or 'sound money' advocates use to condemn government issued paper money is the inflation of the German Mark after WW-I. They do so as either ignorant dupes or deceiving agents of the ABs.

The true story of this crime against the German people was detailed by Gertrude M. Coogan in her book *Money Creators*, as follows:

"The World War ended in 1918. As of March 31, 1919 (just before the 'Peace' Conference was called and the Versailles Treaty signed), the price levels of Germany were only 117% higher than they were before the World War began. This was a smaller price rise than had actually taken place in the United States. The public debt of Germany from the beginning of the World War until March 31, 1919, had increased one hundred thirty billion Marks. In terms of dollars that would be, roughly, thirty billion dollars. The United States had increased its own public debt to a similar amount.

"The German financial structure was not in any condition whatever to warrant the destruction of the currency, if that had not been the planned intention of the international money lenders.

"Under the terms of the Versailles Treaty, practically all of Germany's gold was taken away from her, together with 75% of her iron ore deposits and mines. All of her colonies were taken away and about 25% of her other physical property. The terms of this Treaty were diabolical. They were directed to destroy the real German people. From the time of the signing of the Treaty in June 1919 until the beginning of 1922, the international money powers who were in control of the Reichsbank and the German Government, were manipulating

to gain control of actual physical property in Germany. They went so far as to get the banking laws of Germany drastically changed, so that they could borrow unlimited amounts from the Reichsbank and purchase physical property with the knowledge that the loans could later be repaid with worthless currency.

"To give one some idea of the volume of currency that was turned out in Germany, one has only to note what happened to the price levels of Germany. Remember that during the war the German price levels had not increased as much as they had in the United States. In 1920 the price level in Germany increased 1500% over the pre-war level; in 1921 it reached 3500% over the pre-war level, and by October 23rd, when the currency became worthless, it was 709 billion percent over the pre-war level. In other words, predatory internationalists had printed private marks and forced them into the money stream with the avowed purpose of destroying the money system of Germany. That meant the destruction of all insurance policies and mortgages owned by the real German people. [H: Without efforting to unduly alarm you—where do you think you are in the U.S. with mortgages and insurance?]

"The international bankers had prepared themselves. They had obtained control of the physical properties and could later pay loans, many of which had been manipulated through the privately owned Reichsbank, with worthless money.

"The inflation in Germany was misnamed. It was not a German infla-

tion. It was a private money issue inflation, perpetrated by international schemers.

"The inflation was not a government money inflation. It was an inflation of private Reichsbank notes. The officers of the Reichsbank—a privately owned institution—were responsible for issuing money in sufficient volume to destroy the entire banking structure and make all of the money of Germany worthless.

If you are wondering why the Germans accepted such devastating terms, it might have something to do with the fact that, among the dozens of ABs agents at the conference, Paul Warburg, Vice-chairman of the Federal Reserve, was advising the American delegation, while his brother, Max Warburg, who had been chief of the German secret service, sat across the table advising the German delegation.

The Germans, not being exactly stupid, knew to whom they had sold their homes, farms and businesses for what quickly became bags of worthless marks. Consequently, when the little corporal appeared pointing a finger in the right direction, he became quite popular. Seeking to control Hitler, the ABs initially financed his rise to power. However, after achieving power, Hitler double-crossed the ABs and instituted a debt-free money system. This enabled Germany to go from being an impoverished nation to becoming the most powerful military nation on Earth in less than five years. Hitler had to be destroyed. And so he was. But in order to do so, it was necessary to involve the U.S. in the war before the Nazis (National Socialists) in Germany could destroy the Communists (International Socialists) in Russia. If our leaders had been acting in our best interests we would have let the socialists destroy each other and then picked up the pieces.

Most Americans now know or suspect that the Japanese were instigated into attacking us at Pearl Harbor as Roosevelt's 'back door' method of involving us in the war, which most Americans opposed. As planned, Russia was the real victor of WW-II. England supposedly declared war on Germany because of Hitler's invasion of Poland. But Roosevelt and Churchill treasonously connived with Stalin to turn, not only Poland, but all of Eastern Europe as well as East Germany over to Communist Russia.

Lest the uninformed reader take offense at our charges against FDR, perhaps two statements of his will create some enlightenment. In a personal communique to Stalin of Feb. 6, 1945, FDR said, "I hope I do not have to assure you that the United States will never lend its support in any way to any provisional govern-

your interests." But credit must be given to FDR for making one of the most forthright revelations ever made by an ABs agent, "In politics, nothing happens by accident. If it happens, it was planned that way." Was Pearl Harbor 'political'?

We, and these captive nations have paid dearly ever since. The only real difference between them and us is that we, for the most part, do not yet realize that we, too, are a captive nation. However, this realization will happen suddenly with the next AB's harvest. It will make the Great Depression appear to have been a Sunday School picnic by comparison.

THE ARROGANCE OF POWER

The power of the ABs is now so great and their control so complete that they regularly expose themselves and their plans to a deluded and befuddled public. But only as fiction, through their publishing and entertainment empires in New York and Hollywood.

One such example is *Captains and the Kings* by Taylor Caldwell, a well-informed, patriotic Christian author. This story is a thinly veiled account of the Kennedy klan but deals with the real power behind the public puppets. The ABs were so impressed with this excellent, fictionalized revelation of their power that they made a major TV mini-series out of it.

The ABs derive a great deal of pleasure from slapping us in the face with the truth, knowing that our ignorance, gullibility and penchant for DENIAL would prevent us from seeing the truth. Their thought control over the minds of Americans via the media is now so great that we respond to their "crisis management" like a pack of Pavlov's dogs salivating at the sound of a bell.

In her foreword to *Captains and the Kings*, TAYLOR CALDWELL WRITES:

"This book is dedicated to the young people of America, who are rebelling because they know something is very wrong in their country, but do not know just what it is. I hope this book will help to enlighten them.

"President John F. Kennedy knew what he was talking about when he spoke of the 'Gnomes of Zurich'. Perhaps he knew too much! Coups d'etat are an old story, but they are now growing too numerous. This is probably the last hour for mankind as a rational species, before it becomes the slave of a "planned society". A bibliography ends this book, and I hope many of my readers will avail themselves of the facts. That is all the hope I have."

As interesting as her book is, the most important part of *Captains and the Kings* is the bibliography.

WHO OWNS THE FED?

The ABs did everything possible to conceal their identities as owners of the Fed, primarily through the use of interlocking directorates. One man, Eustace Mullins, who has been victimized by 'the system', undertook the selfless task of researching the entire subject. His book, *Secrets of the Federal Reserve* reveals in detail his findings and includes many organizational charts of the interlocks and connections. The following list includes most of the major families: **Rothschild, Rockefeller, Warburg, Schroder, Schiff, Morgan, Lehman, Lazard, Harriman, Gould.** [H: If you have time and assets to avail yourself of this book, please do so. LaRouche had major input. This same sharing giant has sent documents regarding the New Zealand betrayal by a new "Act" controlling the Reserve Bank. I have chosen to NOT print those documents in point—because Hart has been subjected to incarceration with intent to commit to a mental institution, for his writing on the subject. THE ULTIMATE GOAL

With the wealth of the world in their hands, what more could the ABs possibly want? Not surprisingly, they want nothing less than a world dictatorship, which is frequently referred to as a "New World Order".

The drive to such a goal is a common theme in fiction and history and its realization is prophesied in Scripture. Detailed plans to actually bring this about have come to light in the past two centuries. Most of these have been ignored as fanciful fairytales or the ravings of lunatics. But

the plans of the Illuminati, which was founded on May 1, 1776, were too well detailed and their activities too well traced to be a figment of the imagination. However, since the first priority of a conspiracy is to keep itself secret, they were forced underground and have operated under different names ever since.

Nevertheless, we can know them by their fruits. In 1848 Karl Marx published "The Communist Manifesto" under contract to "The League of the Just" which put forth a basic, ten plank program to "socialize the advanced nations of the world." A comparison of his program with that which exists as law in America today reveals that we are now over 90% Marxist and the overwhelming majority of Americans are blind but practicing Communists! You decide which plan is in operation and decide whether you are American, Christian or Communist.

THE AB's ONE-WORLD MONEY

This world dictatorship already exists 'de facto'. It only remains to be established 'de jure'. In order to do this a world monetary system must be established, but first the current national monetary systems must be destroyed. Economic chaos must be created so that the people, suffering from extreme privation, will demand that the government "do something". Naturally, it will.

The solution that will be presented, sooner or later, will be an "international currency" probably based on the ABs false alternative, gold. This will make the bitter pill easier to swallow by the naturally patriotic but mesmerized and economically illiterate Americans, who have been sold a bill of goods by the 'economists'.

Plans for this system have been under way for decades and are now ready to be implemented. Do you still think this is impossible nonsense? Then perhaps the following words, from someone who ought to know, will convince you:

"The evidence is compelling that reconsideration of the world monetary system is overdue. Therefore, national economies need monetary coordination mechanisms and that is why an integrated world economy needs a common monetary standard, which is the best neutral inflationary coordinating device. But no national currency will do—only a world currency will work."

These words were uttered by **President Ronald Reagan at the 1983 Economic Summit AT ROCKEFELLER'S COLONIAL WILLIAMSBURG, VA. ES-TATE**. Yes, Reagan is an AB's agent, just as almost every President since Woodrow Wilson has been, including George Bush. He was a member of the Rockefellers' Tri-Lateral Commission, as was 'born-again'

Carter.

The numerous ABs front organizations, such as the Tri-Lateral Commission, the Council on Foreign Relations (CFR), the Bilderbergers, the Club of Rome, 1314, and **hundreds** of lesser organizations, all of which are financed primarily through the AB's tax-free foundations, are virtually never mentioned in news media. **[H: We are continually asked if we are a "tax-free" organization—YES INDEED—BUT ONLY BECAUSE WE NEVER MAKE ANYTHING ON WHICH TO BE TAXED! WE REMAIN INDEBTED TO THESE NERDNICS JUST TO BE ABLE TO CONTINUE TO PUT STAMPS ON THE DOCUMENTS WE MAIL.]** Why not? Most of their presidents or chairmen belong to one or more of these semi-secret organizations.

A monetary collapse is **inevitable**, and in the **very** near future. Without the knowledge provided herein, Americans in general and Christians in particular will become easy prey for the ABs. But all is not lost—yet. **"The following monetary plan, if implemented, would enable us to trade without "the mark of the Beast".** The ABs, of course, will oppose such a plan being implemented nationally. However, after the collapse, it could be implemented locally.

DEFINING THE MONETARY PROBLEM

The first step in solving a problem is to analyze it. Every problem is a result, or effect, of a cause. The reason for analyzing a problem is to determine its cause. When the cause of a problem is clearly understood, the solution usually becomes obvious.

Strangely, however, according to our monetary authorities and experts (bankers, economists, investment brokers, politicians, etc.) the subject of money is too mysterious for mere mortals to understand. Such things as the 'business cycle', 'inflation' and 'depressions' are blamed on everything from consumer, producer and worker 'greed' to the astrological (no relation to logical) position of the stars.

Of all the incredible facts presented herein, perhaps the most incredible of all is that Americans, who take great pride in their technological achievements, swallow these bald-faced lies hook, line and sinker. The fact of the matter is that money is a relatively simple subject and that business 'cycles' are deliberately and scientifically created by and for the benefit of those who control our money.

Inflation, depression and business cycles are symptoms, or effects, of a cause. What is the cause? **The cause is an unstable supply of money with respect to the production of wealth!** (A debt money system is inherently unstable.) Therefore, the solution is to provide an

amount of money in circulation that is proportional to the production of wealth. This is relatively simple, but there are several factors to be considered. First, is the proper definition of some frequently misused words.

We define "**money**" as "a medium of exchange and a measure of value", regardless of the form which it may take. There are two major forms of money; **commodity money** (gold, silver, etc.) and **created** (or fiat) **money**. A commodity money system is actually a barter system of trading one commodity with a certain market value for another commodity or service with a certain market value.

Incidentally, no commodity has 'intrinsic' value, which only humans have. All commodity prices in a free market result from the law of supply and demand. The price of gold, which is probably the most worthless of all metals for human use, is artificially established by the 'gnomes' of London and Zurich, by which they control the economic health of every nation.

Created money is the only thing man can create. It is created out of nothing but paper and ink or computer bytes, but represents, or is a claim on, wealth. Created money **is not wealth**. Wealth is that which men produce for human use through the intelligent application of energy to natural resources. '**Fiat**' is a french word which means 'So be it', and in operation applies to an order or edict by authority. ALL paper money is 'fiat' money. However, as part of the ABs' semantic subversion to control our thinking, 'fiat' is used as a term of approbation, applied to **government** issued **debt-free money** (U.S. Notes).

MONEY: A TRANSPORTATION SYSTEM

Money is the life-blood of society and performs the same function as blood does in our body, carrying food and oxygen to every cell and carrying away the waste products to sustain life. The blood system is actually a transportation system. Money may also be compared to a transportation system, as did Henry Ford:

"The function of money is not to make money but to move goods. Money is only one part of our transportation system. It moves goods from man to man. A dollar bill is like a postage stamp: it is no good unless it will move commodities between persons. If a postage stamp will not carry a letter, or money will not move goods, it is just the same as an engine that will not run. Someone will have to get out and fix it."

However, our 'engine' was deliberately designed with a fatal flaw which causes it to self-destruct and it can **not** be fixed. It must be replaced with another engine of proven design but with a modern control

system (cruise control) that will enable it to automatically adjust to changing power requirements (money volume) in order to maintain a constant speed (money value). If we pursue this analogy further, the steps necessary to implement an honest and stable money system become obvious:

First, the unConstitutional and criminal Federal Reserve System **must** be abolished and its primary function, money creation, taken back by the Congress to whom it belongs, both logically and legally (Art. I, Sec. 8, U.S. Const.).

Second, the new engine, of proven design, must be a **debt-free** money system similar to the tally system of England, the scrip issued by the colonies and the U.S. Notes which enabled Lincoln to preserve the Union and which have saved American taxpayers over 100 billion dollars in usury which would have been stolen by the ABs.

Third, a **Standard of Value** for money must be established as a reference so that any deviation from it may be quickly detected and corrected. To our knowledge, **there has never been a Standard of Value established for money in the history of man.**

At this point many may object, thinking, "The Coinage Act of 1791 established a standard of value", or "The Gold Standard Act of 1900 established one." No. What these and the other monetary acts of Congress did was to establish a **temporary** standard of **weight** and **purity** of gold or silver coins called a 'dollar'.

Their 'value' was determined in the market-place by vendors and buyers who bartered them for other commodities. In a relatively static, agricultural economy, they served quite well as money. That is, until the ABs cornered the market on gold, forced it upon the people as the 'standard of money' and then **"removed gold from circulation, as far as possible."** (Pro. #20)

The myth that gold or a gold-based money system is the only way to provide stable money should have forever been put to rest when our nation suffered the worst financial panics and depressions we ever endured between 1900 and 1934 when we **were** on a 'gold standard'. Those who promote this phoney alternative today do so as shrewd agents or ignorant (without knowledge) dupes of the ABs. Incidentally, the Pavlovian conditioning of the American sheeple became obvious in 1933 when they turned in their gold under orders from the ABs agent, FDR. (It will be interesting to see if the sheeple's grandchildren will turn in their guns when so ordered.)

MYSTERY BABYLON EXPOSED (CONTINUED)

From *The Revelator*, by Carl Gorton:
QUOTING:

THE STANDARDS FOR STANDARDS

One reason that a Standard of Value may never have been established is that it may have been considered impossible to do so. After all, every man values every thing differently from every other man and also differently at other times and places. Therefore, the first thing necessary to establish a 'Standard of Value' is to determine what the general requirements for **all** 'standards' are:

First, a standard must have **similitude**. That is, it must be similar to that which it measures. A standard of weight must have weight, a standard of length must have length, etc.

Second, a standard must have **stability**. That is, its value must remain constant under all conditions throughout the system which it serves. An inch is exactly the same length whenever and wherever it is used.

Third, a standard must have **commonality**. That is, everyone in the system must understand and have, or have easy access to, the standard unit. Most everyone in America knows what an inch is and has, or can easily obtain, a rule (standard) with which to exactly measure it.

GOLD FAILS AS A MONETARY STANDARD.

Now, if we compare **any** commodity, fully inadequate.

With respect to the first criterion, **similitude**, there is no relationship whatsoever. The value of gold is determined by its weight. While the price of many commodities (coal, wheat, meat, fruit, etc.) is determined by its weight, the price of manufactured goods bears little, if any, relationship to their weight, the major cost factor being that of labor.

With respect to the second criterion, **stability**, we find that gold is only chemically stable, that is, durable. (Is it possible that this word might derive from the Plain of Dura, where the King of Babylon, Nebuchadnezzar, first established The Gold Standard?) As a commodity in the free market, its price would vary in accordance with the law of supply and demand. As a controlled commodity, its price has been less stable than the stock market, and for the same reasons.

With respect to the third criterion,

commonality, while many people have gold wedding rings and some have gold fillings, very few have any gold coins, which could be used as money.

Furthermore, the vast majority of the worlds' gold is owned or controlled by the ABs. **Think about that.**

Thus, it is obvious that of these three criteria for **all** standards of measurement, gold and silver meet **none** of them as a **monetary standard**.

Incidentally, the 'gold bugs' insist that money, in addition to serving as a medium of exchange and **measure** of value, must **also** be a **store** of value, which most of them erroneously refer to as 'intrinsic' value. **But these are contradictory requirements.** Money, in order to serve its function as a medium of exchange, must be kept in circulation and the faster it circulates (called 'V' for velocity) the better it serves that function as a medium of exchange. This is the reason for the need to continually mint large quantities of pennies, because many people fill jars or 'piggy banks' with them as a form of saving, often using them as convenient door stops. A better store of value would be gold. But the **best are, in order of priority: STORAGE FOOD, WATER, FUEL, LEAD, SEEDS, TOOLS AND SILVER COINS.**

TIME IS MONEY

Since **no** commodity has all of the criteria to serve as a monetary **Standard of Value**, what in the world does? A clue to what this might be is given in Revelation 18:12,13, which lists the treasures of end-time Babylon in descending order of value. The **first** are "cargoes of gold and silver" and the last are "slaves and human lives". Yes, the lives of men are the **least** valuable thing in Babylon. Does this not prove that we live under Babylonian rule today, when we send our finest young men to fight, suffer and die in the ABs' no-win wars and, even worse, permit helpless, unborn babies to be murdered by the millions?

If the Babylonian system is to be overthrown, then its value system must be reversed. Instead of everything being measured by gold or silver, the proper standard should be the **lives of men**. And how are the lives of men measured? By **TIME**! Yes, the perfect standard of value can be established based upon the time of men's lives, or **man-hours of work**.

The price of all things can be, and frequently is, based upon the man-hours of labor required to make them and market them. The price of something is often quoted in terms of the average man-hours of labor required to purchase it, especially in comparisons between different nations or time periods. In fact, this is the conscious or unconscious means by which everyone determines the value of anything

to himself; how much of his life (time) must he exchange for it? Most everyone is already aware of the fact that "Time IS Money".

A TRUE STANDARD OF VALUE

Let us arbitrarily establish our monetary standard as one **average** man-hour of labor, which would be equivalent to setting the cruise control at, say, 60 mph. This new standard of monetary value should also have a name, so let's call it a Manny (O) and its 1% division a Minny (o), for obvious reasons.

How well does a Manny meet the requirements for a standard? Let's compare them and see. First, **similitude**. Labor time is the primary factor in determining the price of everything and also the value of everything to each person, as already mentioned. Second, **stability**. There is nothing more stable than time, which remains fixed through all generations and nations. Third, **commonality**. Nothing is more common among men than time, which is distributed to all men equally; 24 hours a day.

Everyone understands time and virtually everyone has its standard of measurement on his wrist—a watch. We measure and regulate our lives by time. For many things, there is no other means of measurement. This paper, for example. A dollar value can not be placed on the work required to write it (which was about ten times longer than expected) nor on the many years required to study, research, analyze, understand, and solve the problem. The only cost that can be placed on the effort is the **time** involved to accomplish it. Thus, we find that the Manny not only meets **all** of the requirements for standards in general, but **uniquely** serves as a monetary **Standard of Value**.

HOW MANNY MONEY FUNCTIONS

The Manny system may be instituted by any taxing authority anywhere in the world and trade could be conducted with any other Manny-based economy at par, since all Mannys would be issued against the same standard.

The taxing and money issuing authority would print, **with a one year expiration date**, as many Mannys as necessary to meet its authorized expenditures. These would be **paid** into circulation as wages to government employees and to contractors for goods and services. The **AVERAGE** wage paid would be maintained at the rate of, say, 1 Manny/hr.

How? Very simply. For government employees, the actual average wage paid is determined by dividing the **total** wages earned by **all** employees by the **total hours** worked by **all** employees. If the result is

more or less than ONE, the pay rate would be adjusted accordingly. For instance if there are 1,000,000 employees who worked 40,000,000 man-hours in one week and their wages totalled "O"39,604,000, then each employees' actual pay would be increased 1% to maintain the standard of 1 Manny/hr. Actual individual wages might range from 40 o(Minnie)/hr. to "O(Manny)" 4/hr., more or less.

This direct adjustment in pay would be fine for government employees, but what about those who are employed by business and professional and self-employed people? The earnings of entrepreneurs and professionals would not enter into the balance equation since that is confidential. The average wage of employees would be obtained from every employer doing business in the nation and the overall average wage easily calculated. If this figure varied from the standard, the government would increase or decrease its spending to maintain the standard.

With the Manny system, taxation to **pay for government expenditures** would not be necessary, since the government would print all the money necessary. However, money must be removed from circulation at a rate equivalent to its being spent into circulation or its volume would continue to increase until it became worthless (inflation).

With the Manny system the removal, or taxation could be the ultimate in equity and simplicity. As previously stated, the Mannys would be printed with a one-year expiration date, after which they would become worthless. However, they could be turned in to the tax collector within thirty days after they expired, for **new** Mannys which would be good for another year. However, the new Mannys issued would only be 90% (or other percentage determined by the taxing authority) of those turned in.

Practically all of the expired Mannys would be exchanged by businesses in relatively large volumes rather than by individuals, who would spend their about-to-expire Mannys, thus enhancing trade. Hence, most taxes would be paid by business in proportion to their profits and **no income tax computations or payments would be required from anyone**. Mannys which were lost or destroyed would accrue to the benefit of everyone since they would not be redeemed by the tax collector for new Mannys.

Anyone convicted of tampering with the Manny System, whether government employee, business employee or counterfeiter, should be sentenced to life working for the community.

1. A **stable money system** based on a Standard of Value which everyone understands.
2. Elimination of the present legalized

system of organized theft and slavery through usury.

3. Reduction of the tax burden by eliminating the income tax and IRS.

4. No involuntary unemployment since ample money would be available to pay for labor that is available to do any needed job.

THE ABs' MASTER PLAN

Not surprisingly, the ABs, who understand money better than anyone, intend to implement a similar system after they possess the world through the operation of their thieving system of usury, in order to keep their 'cattle' well-fed and docile.

Since it encapsulates all that has been said herein we will quote at length from *Protocol of Zion* #20 of the 'master plan' from which we quoted briefly previously:

(Editor's note: The *Protocols of Zion* are presented in *JOURNAL* #24 and the entire remarkable hidden Zionist/Khazarian "world rule" plot is outlined in *JOURNALS* #20, 24-26, 28, 39-41.)

"Today we shall touch upon the financial programme, which I put off to the end of my report as being the most difficult, the crowning and the decisive point of our plans. Before entering upon it I will remind you that I have already spoken before by way of a hint when I said that the sum total of our actions is settled by the question of figures (money).

"When we come into our kingdom our autocratic government will avoid, from a principle of self-preservation, sensibly (sic) burdening the masses of the people with taxes, remembering that it plays the part of father and protector.

"The tax upon the poor man is a seed of revolution and works to the detriment of the State which in hunting after the trifling is missing the big. Quite apart from this, a tax on capitalists diminishes the growth of wealth in private hands in which we have in these days concentrated it as a counterpoise to the government strength of the goyim—their State finances.

"A tax increasing in a percentage ration to capital will give a much larger revenue than the present individual or property tax, which is useful to us now for the sole reason that it excites trouble and discontent among the goyim.

"On no account should so much as a single unit above the definite and freely estimated sums be retained in the State treasuries, for money exists to be circulated and any kind of stagnation of money acts ruinously on the running of the State machinery, for which it is the lubricant; a stagnation of the lubricant

may stop the regular working of their mechanism.

"The substitution of interest-bearing paper for a part of the token of exchange has produced exactly this stagnation.

"Economic crises have been produced by us for the goyim by no other means than the withdrawal of money from circulation. Huge capitals have stagnated, withdrawing money from States, which were constantly obliged to apply to those same stagnant capitals for loans. These loans burdened the finances of the State with the payment of interest and made them the bond slaves of these capitals.

"The present issue of money in general does not correspond with the requirements per head, and cannot therefore satisfy all the needs of the workers. The issue of the money ought to correspond with the growth of the population and thereby children also must absolutely be reckoned as consumers of currency from the day of their birth. The revision of issue is a material question for the whole world.

"You are aware that the gold standard has been the ruin of the States which adopted it, for it has not been able to satisfy the demands for money, the more so that we have removed gold from circulation as far as possible.

"With us the standard that must be introduced is the cost of working-man power, whether it be reckoned in paper or in wood (tallies?). We shall make the issue of money in accordance with the normal requirements of each subject, adding the normal requirements of each subject, adding to the quantity with every birth and subtracting with every death.

"Every kind of loan proves infirmity in the State and a want of understanding of the rights of the State. Loans hang like a sword of Damocles over the heads of rulers, who, instead of taking from their subjects by a temporary tax, come begging with outstretched palm of our bankers. Foreign loans are leeches which there is no possibility of removing from the body of the State until they fall off of themselves or the State flings them off. But the goy States do not tear them off; they go on in persisting in putting more on to themselves so that they must inevitably perish.

"If the superficiality of goy kings on their thrones in regard to state affairs and the venality of ministers or the want of understanding of financial matters on the part of other ruling persons have made their countries debtors to our treasuries to amounts quite impossible to pay it has not been accomplished without on our part heavy expenditure

of trouble and money.

"How clear is the undeveloped power of thought of the purely brute brains of the goyim, as expressed in the fact that they have been borrowing from us with payment of interest without ever thinking that all the same these very moneys plus an addition for payment of interest must be got by them from their own State pockets in order to settle up with us. What could have been simpler than to take the money they wanted from their own people?

"But it is a proof of the genius of our chosen mind that we have contrived to present the matter of loans to them in such a light that they have even seen in them an advantage for themselves.

"Our accounts, which we shall present when the time comes, in the light of centuries of experience gained by experiments made by us on the goy States, will be distinguished by clearness and definite and will show at a glance to all men the advantage of our innovations. They will put an end to those abuses to which we owe our mastery over the goyim, but which cannot be allowed in our kingdom.

"You know to what they have been brought by this carelessness, to what a pitch of financial disorder they have arrived, notwithstanding the astonishing industry of their peoples."

The 'master plan' was revealed in Russia nearly a century ago, although parts of it had come to light long before, especially in the plans of the Illuminati which was organized by Adam Weishaupt on May 1, 1776. Their symbol, declared to be the reverse side of the Great Seal of the U.S., appears on the back of our one 'dollar' bill and bears the inscription "Novus Ordo Seclorum"—A New World Order

MY PEOPLE ARE DESTROYED
FOR LACK OF KNOWLEDGE

THE ABs' ONLY FEAR

The only thing the ABs fear is that GOD's People will wake up to the fact that GOD's Law is still alive and that HE meant what HE said in Deuteronomy 23:19:

Thou shalt not lend upon usury (interest) to thy brother, and Leviticus 25:36, 37:

Take thou no usury (interest) of him, or increase; but fear thy God; that thy brother may live with thee. Thou shalt not give him thy money upon usury, nor lend him thy victuals for increase.

WHICH WAY AMERICA(N)?

While most Christians will readi

admit that interest (usury) is condemned in the Old Testament, they have been taught to misunderstand the parable of Luke 19. First they are taught they are no longer under the Law, but under 'grace' and that the Law was 'nailed to the Cross with Christ'. Indeed, superficial readings of various verses in question **can** lead to shallow and erroneous understanding of the lessons intended.

In the first place, God is the **same**; yesterday, today and **forever**. Secondly, Christ explicitly stated, "Think not that I am come to destroy the law or the prophets. I am not come to destroy, but to **fulfill** (do). For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled." (Matt. 5:17, 18)

So how can the parables misinterpreted be correctly understood? The key is found in verse 22 of Luke 19, "Out of thine own mouth will I judge thee, thou wicked servant." What had the servant just said? He had just (falsely) accused his master (Christ) of **being a thief**! "...thou takest up that thou layest not down, and reapest that thou didst not sow." In order to justify his own failure to obey and **invest** his Master's money! So his master proves the servant to be liar by asking the simple question, "If

you **REALLY** believe I am a thief, then why didn't you put my money in the bank along with the other thieves, so that on my return I would get my money back with usury?"

I suggest you continue to ponder these things, dearly beloved, for you are herein given a clear and precise picture of America's condition, both when you were blessed by obeying and currently when you are under the curses for disobedience. This is painted in Deuteronomy 28. Verses 43-45 explicitly describe your economic condition today: "The stranger that is within thee shall get above thee very high; and thou shall come down very low. He shall lend to thee and thou shalt not lend to him; he shall be the head, and thou shalt be the tail. Moreover, all these curses shall come upon thee, and shall pursue thee and overtake thee, till thou be destroyed; because thou hast harkened not unto the voice of God, to keep his **commandments** and his **statutes** which he commanded thee."

THE BOTTOM LINE AS PRESENTED

In light of the foregoing, we are forced to conclude that the ABs are merely the instruments of God to tempt us to violate HIS Law, and when we have done so, to chastise us. Men get the kind of govern-

ment they deserve. (We can be thankful that we are not yet getting all the government we **pay for**!) The bottom line is that WE are our OWN worst enemies, or, in the words of Pogo, "We have met the enemy and they is US!"

UN USURPING U.S. MILITARY,
CONSTITUTION

The following comes from an outstanding issue of what is called a "Bulletin" from the Committee to Restore the Constitution. It is an extract from a recorded debate between Congressman Richard L. Ottinger, Director, U.S. Committee on the United Nations, and Archibald E. Roberts, Lt. Col. AUS, ret., Director, Committee to Restore the Constitution, at the Little Theatre, West Chester County Center, White Plains, NY, **26 Sept. 1969**. *The "bulletin" was published in July 1986. It has massive value for this reveals the terrible power of the United Nations Security Council to commit U.S. Military forces to battle, anywhere in the world. The fact that*

this comes from over TWO decades past should be attention getting to you who have drowsed while Rome burned.

This is so old that I am hesitant, without careful checking, to give location information but I believe the "Committee" is still quite valid and quite busy—in Colorado. We shall check into it and give you information as we find it. The documents in point were sent to us by a loyal reader who offers to share many most urgent materials. Thank you, P.K.

The reason that I believe the "Committee to Restore the Constitution" (a registered trademark) is still active is that she has sent two documents, the latest dated 1990. This shows an address of P.O. Box 986, Ft. Collins, CO 80522. As is often the case, when we have copies, it is difficult to always be able to give proper appreciation and recognition. Only the portion in point

was sent so it appears that the document is incomplete. It is important enough, however, to allow understanding and you can, then, do follow-up if you are interested in the bulletins as sent from the organization. The United Nations is the one organization that has totally usurped and buried your national Constitution.

QUOTING:

JULY 1986: COMMITTEE TO
RESTORE THE CONSTITUTION

SHOULD THE UNITED STATES
PARTICIPATE AND ENCOURAGE
DEVELOPMENT OF THE UNITED
NATIONS ORGANIZATION?

....Col. Roberts' testimony, rebuttal to Rep. Ottinger's opening remarks, and extended question and answer period, ex-

plain how a Federal policy of "perpetual war for perpetual peace" generated no-win wars in Korea and Vietnam. This same UN control over US military forces may in today's climate of political crisis commit a new generation of Americans to a UN no-win war in Africa.

Col. Roberts Testimony

Congressman Ottinger, honored guest, ladies and gentlemen of the jury. I hold for the prosecution. During the next 20 minutes, the prosecution will attempt to prove the following charges against the United Nations organization:

Number 1. That the United Nations is a subversive organization.

Number 2. That vital powers of government held in trust for the American people have been illegally transferred to the United Nations organization in violation of the prohibitions of the Constitution.

Number 3. That the United Nations Charter was foisted upon the American people to serve those who seek to overthrow the Constitution and to coerce American citizens into a Socialist animal farm.

Consonant with facts presented in official documents, and we will use some of these official documents, and of public testimony by elected officials and others, I intend to use the war in Vietnam to prove these accusations and to expose the real objectives of the United Nations and those who promote its cause. During the course of my indictment of the United Nations it might be well to keep in mind the following axiom.

Wars—under whatever name—which do not reduce the political power of an officially named enemy of the American people, and which do not increase the political power of the United States, must in the end reduce the political power of the United States and thus serve the secret objectives of a concealed enemy.

JOHNSON, NIXON: EARLY TRUMPETING TOWARD ONE WORLD GOVT

Let us begin our introduction for the prosecution by calling on the testimony of Lyndon B. Johnson, who was then President of the United States.

Mr. Johnson told the American people on 13 July 1965 that their soldier sons were dying in South Vietnam because of our commitment to the South East Asia Treaty Organization: SEATO. During a White House news conference on this date, 13 July 1965, President Johnson stated, and I quote, "I think it is well for us to remember that three Presidents have made the pledge for this nation; that the Senate

has ratified the SEATO treaty by a vote of 82-1, pledging the United States to come to the aid of any nation on their request who are parties to that treaty." Then President Johnson went on to say, "We expect to keep that commitment; our national honor is at stake."

Four years later, nearly to the day, President Richard M. Nixon, was to use the same words in describing our commitment to the SEATO treaty.

On Monday, 29 July 1969, in Bangkok, Thailand, which of course is headquarters for the SEATO organization, Mr. Nixon reiterated his pledge to the SEATO treaty in these words.

"We are determined," Nixon testified on worldwide television, "to honor our commitment to the SEATO treaty, the Southeast Asia Treaty."

Of course neither Mr. Nixon nor his predecessors have admitted that the Southeast Asia Treaty, a treaty which our sons honor in blood and agony, was framed under the provisions of Articles 52 and 53 of the United Nations Charter. As we shall see, however, SEATO is a regional arrangement, a regional arrangement formed to deal with matters relating to the maintenance of international peace and security, consistent with the purposes and principles of the United Nations.

The prosecution will prove that the no-win war in Vietnam is secretly a United Nations war and that it is being conducted [Remember, this debate occurred on September 26, 1969.] to serve the purposes and principles of the United Nations. We will also reveal why this strange war has clearly failed to reduce the political power of the Communist enemy. Instead this war has increased the political power of the United Nations and thus serves the secret objectives of a concealed enemy.

The first exhibit for the prosecution is "The Story of SEATO", a booklet published by the Southeast Asia Treaty Organization. This is a copy. Anybody can get a copy of this booklet, "The Story of SEATO". On page 5 of "The Story of SEATO", we find the following declaration, and I read: "the members of SEATO have chosen a collective defense system under the authority of the Charter of the United Nations." SEATO in this statement of purpose, asserts that it is an agency, an extension, of the United Nations organization.

Now, let us join this information, that is the declaration of the SEATO people, let's take this information and join it with Exhibit number 2, for the prosecution; the SEATO treaty itself. In the back of the same book we find the SEATO treaty, The Southeast Asia Treaty, sometimes called the Manila Pact because it was signed in Manila on 8 September 1954. In these articles, and I am going to quote a part of some of them, we find the following informa-

tion, "The party," says Article 1 of SEATO, "undertakes as set forth in the Charter of the United Nations, to settle any international dispute in which they may become involved by peaceful means, and to refrain," and listen to this, "and to refrain in their international relations from the threat or use of force in any manner inconsistent with the purposes of the United Nations." Well, I would say that American casualty figures in this interminable war in Vietnam is evidence that the military force used in Vietnam is applied, is applied in a manner consistent with the purposes and principles of the United Nations. [H: Would this not also account for the need for meetings including Secretary of State, Baker—in the Philippines in the recent weeks past? Remember—I said that the docks, etc., from Subic Bay are now towed to Vietnam? Watch it for the hands (and tow-boats) are much quicker than your eyes when you are distracted elsewhere.]

As a matter of fact, the United States Ambassador to Vietnam, Elsworth Bunker, made this point crystal clear in his personal testimony on *Meet the Press*, 19 Nov 1967. I quote a part of his testimony before the public on this television show. "It seems to me," said Bunker, "It seems to me that what we are doing in Vietnam is to make credible our commitments under the United Nations and under SEATO treaty to resist aggression. We have made a commitment." Doesn't that sound familiar?

Unfortunately Ambassador Bunker failed to identify the UN agency which is charged with conducting this Vietnam war under the United Nations. But the information to fill this important vacuum is found under Article 4 of the SEATO Treaty. Again I quote, "Measures," now when they say measures, they mean military action, "Measures, taken under this paragraph shall be immediately reported to the Security Council of the United Nations." However, let's pinpoint the UN Articles that make credible our commitment under the United Nations, because you see, ladies and gentlemen, this statement, "reporting all actions to the Security Council," this statement means that the chain of command is very specific. It could not be more specific than that. Because you see the Security Council is the war-waging arm of the United Nations.

UNITED NATIONS CHARTER: BIBLE OF "ONE WORLDERS"

To make credible this commitment, let's quote again, as Mr. Bunker so lucidly explained on *Meet the Press*, let us now present Exhibit number 3 for the prosecution, the United Nations Charter.

We will find, as predicted in "The Story of SEATO", that the authority for the

construction of this UN-SEATO collective defense system is revealed in Chapter 8 of the United Nations Charter. Chapter 8 is called regional arrangements, and we will find that a comparison of UN and SEATO articles also shows that the quotations that I made a moment ago from SEATO are in fact faithful duplication of the United Nations Charter, specifically of provisions 52 and 54 of the United Nations Charter, this is the Bible of the One Worlders, the Constitution for world government.

"Nothing in the present charter," says Article 52, "Nothing in the present charter precludes the existence of regional arrangements, providing that such arrangements or agencies are consistent with the purposes and principles of the United Nations."

Where have we heard that before? Why in the Charter of the SEATO Treaty.

Ladies and gentlemen, it is immediately apparent that Article 1 of SEATO exactly reproduces the authority of Article 52 of the United Nations Charter. Don't you see? In the same way Article 4 of SEATO similarly reflects the provisions of Article 54 of the United Nations Charter.

Again I quote, "The Security Council," commands Article 54, "shall at all times be kept fully informed of activities undertaken or in contemplation under regional arrangements." Undertaken or in contemplation. This means, of course, the US military operations 'undertaken or in contemplation' in Vietnam are first submitted to the UN Security Council for their approval.

Ladies and gentlemen, the evidence permits but one conclusion, just one conclusion. The strategy of 'perpetual war for perpetual peace', a strategy which sends Americans into battle with neither the promise nor the hope of victory, is the strategy of the United Nations. It is United Nations strategy, don't you see? As a matter of fact these UN war making powers, and the usurpation of governmental authority which permits it, was dramatically illustrated by James Reston in his column of 13 July 1967, which was entitled *Isolations Echoes by US Move in Congo*. Do you remember when we sent troops to the Congo under the United Nations?

I quote Mr. Reston, "The administration's position is that it is committed under the Charter of the United Nations, under various treaties and under the Truman Doctrine, to do whatever it can to maintain peace anywhere in the world."

You realize, of course, that the real objective of these 'no-win wars' is not international peace and security as UN supporters are led to believe. The true purpose and principle of these UN military adventures is to manipulate the United States armed forces under the United Nations Security Council. To force all of the nations

of the world into line and to deliver them up to a one world government. That's what it's all about. **[H: KEEP IN MIND: AUG. 1969 AND THE SUBJECT HAS HAPPENED FARTHER BACK IN OCCURRENCE.]**

For proof I invite your attention to Chapter 5 of the United Nations Charter, headed the "Security Council Functions and Powers".

I quote, "In order to ensure prompt and effective action by the United Nations, its members confer upon the Security Council primary responsibility for the maintenance of international peace and security."

Again, Article 25, "The members of the United Nations agree to accept and carry out the decisions of the Security Council."

UN TREATY RATIFICATION UNCONSTITUTIONAL

In simple language, ladies and gentlemen, these two UN articles transfer the power of self defense given to the Congress by the sovereign states into a blanket authority to send American soldiers into battle anywhere in the world at the direction of the Security Council of the United Nations. Now, the Constitution is very specific about the powers of keeping peace and waging war. Nowhere does the Constitution authorize the transfer of these powers to an international agency. The prosecution has therefore established the fact that the Senate ratification of the United Nations Treaty on 28 July 1945 is in violation of the Constitution of the United States. Being illegal, it must be put down.

[H: If you can't repeat, verbatim, the above paragraph—with meaning—go back and read it AGAIN! Note the date of 28 July 1945. I would guess it will take some "doing" to get this job done after all these years of more and more entanglements—I suggest you get Commander Gritz elected to head this confrontation!]

Perhaps the members of this jury have wondered why the wars in Korea and Vietnam saw the outpouring of vast resources of US men and material in a land war without a formal declaration of war by the Congress of the United States. Well, Article 39 of the United Nations Charter explains why, and more importantly why the UN Security Council can at any time force this nation and the entire population of the United States into a military posture without the consent of Congress.

Again I quote from the U.N. Charter, Article 39, "The Security Council shall

determine the existence of any threat to the peace, or breach of the peace or act of aggression. And it shall decide which measures shall be taken, in accordance with Articles 41 and 42, to maintain or restore international peace and security."

Articles 41 and 42 spell out the full authority and extent of UN military action, authorizing the use of air, sea and land forces. I'm quoting, "The use of air, sea and land forces as may be necessary to maintain or restore international peace and security." Additionally, the military muscle needed to endorse these Security Council edicts is provided by usurped sovereign power as spelled out in Articles 43 and 46 of the United Nations Charter. These UN laws, Articles 43 and 46, order "the transfer of armed forces, assistance and facilities from member nations," we are a member nation, "to the UN Security Council for use as the Security Council may determine in its application of armed force anywhere in the world." **Anywhere in the world.**

To give legal coloration to this breach of public trust, the Congress of the United States, on 26 Sept. 1961, just eight years ago tonight, ratified Public Law 87-297, the "Arms Control and Disarmament Act". This unbelievable legislation purports to legalize the transfer of the United States Military establishment, and American citizens in uniform, to a United Nations world army. Members of the jury, fellow Americans, your sons now serving in Vietnam, are by UN Charter definition, a United Nations world army, and they take their orders from the United Nations Security Council "consistent with the principles and purposes of the United Nations."

As final proof in the case for the prosecution, I read from House Joint Resolution Number 1145, called the "Gulf of Tonkin Resolution".

The Gulf of Tonkin Resolution is often quoted as Congress's approval to commit Americans to the Vietnam war. This is what the resolution says. "This resolution (Section 3) shall expire when the President shall determine that the peace and security of the area is reasonably assured by international conditions created by the United Nations." Not the United States but the United Nations.

Ladies and gentlemen, I respectfully submit that the prosecution's case against the United Nations is now legally established.

The prosecution has demonstrated that the Articles of the United Nation's Charter amend by deceit and subterfuge the Constitution of the United States, in a manner not sanctioned by Article 5 of the Constitution. The United Nations is therefore a subversive organization and it is a threat to the freedom of persons

and property guaranteed to the people by the Constitution.

The prosecution has demonstrated that the authority to commit Americans to battle anywhere in the world has been surreptitiously transferred from the Congress of the United States to the Security Council of the United Nations. Therefore vital powers of government held in trust for the American people have been illegally usurped by the organization of the United Nations in violation of the Constitution.

The prosecution has demonstrated that the real but concealed objectives of the United Nations organization is to place the military power of the United States at the disposal of the United Nations Security Council, to force all of the nations into line and to deliver them up to a one world government.

The United Nations was therefore foisted upon the American people to serve those who seek to overthrow the Constitution and to coerce our citizens into a Socialist animal farm.

In this brief indictment of the United Nations, the prosecution has also revealed that, as the political power of the United States is dissipated in no-win military ventures all over the globe, the political power of the United Nations and those who serve and promote its purposes is increased.

In summation, the prosecution declares that the United States should not participate or encourage the development of the United Nations. To the contrary, the prosecution claims that it is the clear and urgent duty of all federal office holders to dismantle the United Nations organization in consonance with their oath to "defend and preserve this Constitution".

The prosecution rests.

When we again sit to write we will take up Colonel Roberts' rebuttal to representative Ottinger's opening remarks.

I would, however, leave this writing with a thought to carefully consider—presented by Col. Roberts:

Wars—under whatever name—which do not reduce the political power of an officially named 'enemy' of the American people, and which do not increase the political power of the United States, must in the end reduce the political power of the United States and thus serve the secret objectives of a concealed enemy.

Continuation: SHOULD THE UNITED STATES PARTICIPATE AND ENCOURAGE DEVELOPMENT OF THE UNITED NATIONS ORGANIZATION? From an article published by the Committee to Restore the Constitution, July 1986, regarding an article (hearing) Sept. 26, 1969.

QUOTING:

COLONEL ROBERTS' REBUTTAL
TO REPRESENTATIVE OTTINGER'S
OPENING REMARKS

The Honorable Ottinger made some splendid points in support of world government in his presentation. I believe that he may have impressed you with the urgency for such world government, protecting us from a nuclear holocaust, which is today's example of international wars, and that we must embrace world government under the United Nations, or a similar agreement. I think we are familiar with this technique of harassment and terror. It has been used against us for a good many years. I don't think that it is necessary to refute the fact that there is a nuclear potential. But, let us keep in mind who actually controls the nuclear trigger on both sides of the Atlantic Ocean.

I believe also that Congressman Ottinger attempted to paint the United Nations as the "good guy". For purposes of illustration, on the reverse side of this coin, we ought to identify some of these "good guys". And since I talked about the Security Council, I would like to identify some of the good guys in the Security Council. In fact, specifically, I would like to identify the Under Secretary for political and Security Council Affairs in the United Nations. [H: Keep in mind the "date" of this offering, 1969. The positions, etc., will not now probably be valid. You will recognize some of the names, however, but note that the list shows ones who have BEEN IN THESE POSTS SINCE THE BEGINNING OF THE U.N.]

The Under Secretary post is actually the supreme director of the Security Council. He is the permanent member, whereas the President of the Security Council rotates, as you know, every year. But the permanent official, selected by the United Nations Secretary, is the Under Secretary for Political and Security Council Affairs.

These are the men who have held this post since the beginning of the United Nations:

1946-49	Arkady Sobolev	USSR
1949-53	Constantine Zinchenko	USSR
1953-54	Ilya Tcherychev	USSR
1955-57	Dragoslav Protich	YUGO-SLAVIA
1958-59	Anatoly Dobrynin	USSR
1960-62	Georgy Arkadev	USSR

1962-63 Eugeney D. Kiselev USSR
1965-67 A.E. Nesterenko USSR
1968-(present; 1969) Leonid N. Dutakov USSR. [H: Keep in mind that this is exactly as it is supposed to be: Soviets in charge of all military forces according to the United Nations Charter.]
These are the "good guys".

U.S. HAS NO VETO OVER
SECURITY COUNCIL

The Congressman also mentioned that in as much as we have the veto power we are not bound to any distasteful decisions of the Security Council. *I would like to point out that we no longer have the veto power in the Security Council.* [H: Go read that line again!] This was taken away from us by the "Uniting for Peace Resolution", passed by the General Assembly in 1950. At that point the General Assembly assumed all of the prerogatives and powers which formerly were limited to the Security Council, therefore effectively circumventing U.S. veto power in the Security Council.

I would also like to point out that the Congressman stated that UNESCO and its humanitarian activities are of considerable pride to the United Nations. Many of us realize that UNESCO are the propaganda arm of the United Nations. Its purpose is to convince the American people that the United Nations is the hope of the world. We know that Jesus Christ is the hope of the world.

And now, in order to further examine the United Nations we will have a question and answer period.

(q) Col. Roberts, I have here an article from Foreign Affairs, the Council on Foreign Relations. May edition, written by Youst. He is talking about the treaties, SEATO, CENTO, NATO, and he says under existing circumstances the United States would no doubt have to join in resisting an attack if requested by Japan, South Korea, Taiwan, the Philippines, Thailand, Australia, New Zealand, Israel, and would also probably have to come to the assistance of such states as India and Iran if they were attacked by Communists. Would you like to comment?

Roberts:
Yes, I believe that it is now general knowledge that, although it has not been officially admitted, there are something like 42 area treaties committing this nation to send her sons to defend other countries; what may not be generally known is that this number exceeds 5,000 separate agreements, treaties and other involvements, which now commit the American government, if you will, to place at the disposal of the U.N. Security Council, United States citizens in uniform for the purpose of defending against aggression anywhere in

the world. This of course, has been highly publicized in the discussions in the Senate of the United States, in their discussion of Senate Joint Resolution 85, and has uncovered such things as the agreement with Thailand, which now permits the placement of American soldiers, citizens in uniform, at the disposal of Thailand commanders. In other words I believe that these agreements very lucidly and dramatically show that the Congress of the United States holds the American people and their sons in utter contempt. Because the American soldier in uniform is now a paid mercenary who can be sent to fight as a paid mercenary in any nation in the world under these agreements.

(q) I'd like to ask Col. Roberts a question. I'd like to read a paragraph from a pamphlet which was given to me, "The Anatomy of a Revolution", says contemporary history, in fact, convincingly suggests that those that head the federal government are manipulated by matroids, by men of unbalanced and dangerous brilliance, who direct the exploitation of the United States power structure by applying an internal psycho-eugenic science as a weapon against the people. They have seemingly perfected a sophisticated, systemized plan incorporating brain washing and genetic prostitution to achieve Soviet style control over the American social order. Col. Roberts, Who are these people?

Roberts:

Just happen to have a note here. I believe that we can show who these people are by placing this question within the parameter of the United Nations, because this is what we are talking about.

It ought to be explained that the United Nations was spawned two weeks **after Pearl Harbor** in the office of Secretary of State, Cordell Hull. In a letter to the President, Franklin D. Roosevelt, dated 22 Dec 1941, Secretary Hull, at the direction of his faceless sponsors, and we are going to identify them in a minute, recommended the founding of a Presidential Advisory Committee on Post War Foreign Policy. This Post War Foreign Policy Committee was in fact the planning commission for the United Nations, and its Charter. The purpose of this Committee, Mr. Hull stated, would be preparing for "effective participation in the solution of vast and complicated problems of international relations which will confront the United States and the world after the final defeat of the forces of aggression."

Now, without going into too much detail as to the structure of this Committee, which was the planning committee for the United Nations, I'd like to identify the men who made up the Committee, beside Secretary of State Hull.

Mr. Sumner Welles, Under Secretary of State, who was Vice Chairman of the Committee. A member of the Council on

Foreign Relations.

Mr. Norman Davis, President of the Council on Foreign Relations.

Mr. Myron C. Taylor, member of the Council on Foreign Relations.

Mr. Dean Acheson, who was then Assistant Secretary of State, also a member of the Council on Foreign Relations.

Mr. Hamilton Fish Armstrong, Editor of *Foreign Affairs*, which is the official publication of the Council on Foreign Relations.

Mr. Adolf A. Berle Jr., Assistant Secretary of State, a member of the Council on Foreign Relations.

Mr. Isaiah Bowman, President of John Hopkins University, a member of the Council on Foreign Relations.

Mr. Benjamin V. Cohen, General Council for the National Power Policy Committee, a member of the Council on Foreign Relations.

Mr. Herbert Feis, Department of State Advisor on International Economic Relations, a member of the Council on Foreign Relations.

Mr. Green N. Hackworth, Dept. of State legal advisor.

Mr. Harry C. Hopkins, Chief, Department of State, Division of Commercial Policy.

Mrs. Anne O'Hare McCormick, editorial staff, *New York Times*.

Dr. Leo Pasvolosky, who was then a Special Assistant to the Secretary of State, Chief of Departments Division of Special Research, and a member of the Council on Foreign Relations.

I point out that since it is apparent that each member of the Committee, chosen to create and write the Charter of the United Nations was, without exception, a member of the Council on Foreign Relations, or under the control of the Council on Foreign Relations, it is obvious that the secret government of the United States is the Council on Foreign Relations. And that they manipulate and operate our foreign policy through the Secretary of State and the State Department as the supreme directors of our policy.

(q) The U.N. has no army?

Roberts:

I believe that it must be stated that the United Nations does have an army—OURS. As a matter of historical accuracy, let me remind you that the American military establishment in Korea is still called the United Nations Command.

(q) Don't you think it would be a good idea to have every member of Congress pass an examination concerning the United Nations?

Roberts:

I believe that it must be brought out that under Article 5 of the Constitution of the United States there are only two ways in which the Constitution can be amended

and that is by a convention of the states or by ratification of two thirds of the states. Now we have shown in the preceding discussion that powers of government, namely the power to declare war and to control military ventures anywhere in the world, to transfer our soldiers into these conflicts without the approval of the Congress, is a violation of the constitution. Because the Congress by Constitutional edict and direction is the only authority which can authorize the declaration of war and the commitment of our national economy and the lives of our young sons in a defense posture to preserve and protect the United States.

(q) (United Nations is a communist plot, etc.?)

Roberts:

The point was made that we are fighting Communist aggression, therefore it is in juxtaposition to the United Nations, vis-a-vis Russian Communism. Well, let us dispel that faulty premise immediately. ***I think it must be apparent that there is something vitally wrong with the conduct of the war in Vietnam when the number 26 military power in the world is able for seven years to thwart the military might of the number 1 military power, the United States. Further, I would point out that this montage of military action against the backdrop of mainland Asia is in fact a subterfuge. It is a subterfuge because we are supporting both sides of this war. We are supporting both sides. We send business groups to Moscow to make deals with this enemy, to make arms and ammunition to send to the Communist enemy fighting our sons in Vietnam. We find that the major port of Haiphong, through which most of this military hardware is processed, is left intact. It is never bombed and never will be because the United Nations Security Council in Vietnam, just as they did in Korea, control both sides of the action. To create conflict. Why? Because "No-win Wars" create a resignation on the part of the American people, and through terror and 'giving up', will persuade the American people that the resolution of these evil wars all over the world must be world government. World government is the objective.***

(q) I would like to know if either of you are familiar with a letter verifying the Security Council's involvement in the Vietnam War?

Roberts:

No, I'm not.

(q) Are all U.S. actions in Vietnam reported to the U.N. Security Council?

Roberts:

Yes, Douglas McCarthy III, U.S. State Department, in 1965, in response to a letter from Florida, asking the question,

"Is Article 54 of the United Nations Charter being observed in Vietnam", answered in the affirmative. His answer was, "Yes all of the actions undertaken in Vietnam are being reported, in compliance with the provisions of Article 54, of the United Nations Charter, to the Security Council." "This is proof positive that U.S. military action has to have the approval of the Security Council before it can be implemented."

(q) *I'd like to ask the Colonel, according to my reading, I understand that the United Nations Charter is virtually a copy of the Constitution of the USSR. Am I correct in that understanding?*

Roberts:

I think it is significant to remember that one of the framers of the United Nations Charter was Leo Pasvolosky. Leo Pasvolosky was born in Russia of Communist parentage and came to this country at a very early age. He was inserted into our government and rose by rapid progression into a position from which he was able to ultimately transfer certain sovereignty of the United States into the United Nations. I think this is significant for this reason: You can take these two documents, that is the United Nations Charter and the document you mentioned, the Constitution of the USSR, and you can compare these and you can see where the material from the USSR Constitution has been taken and inserted into the Charter of the United Nations. It is that close.

(q) *(Question on U.N. international peace and security)*

Roberts:

I would like to present two sides of the same coin. The one side Congressman Ottinger presented was international peace and security. The other side of the coin is full and complete disarmament. Now, 'full and complete disarmament' presupposes the creation of a disarmed world. But this is a false goal, you see, because what the internationalists, and apparently Congressman Ottinger, really propose is a central political authority backed by overwhelming military power. And that military power is to be controlled by the United Nations. Not as a world international peace force but the same kind of peace enjoyed by the Soviet citizen under Soviet bayonets."

I should like to point out that the international peace and security that you will enjoy under this world government is already spelled out in a Bill of Rights for world government published by the United Nations General Assembly on 12 Jan 1967. It is called the "International Covenant on Economic, Social and Cultural Rights".

This is the same Bill of Rights for world citizenship which you will enjoy very soon unless you do something about it, unless we change the march to the animal farm.

You know we have a Bill of Rights under the Constitution. This is the Bill of Rights for world citizenship. It is a duplication, by and large, of our own Bill of Rights. I'd like to show you the comparison.

Article 18, of the new bill of Rights: Freedom to manifest one's religion or beliefs may be subject only to such limitations as are prescribed. [H: But by who and how is the "law" prescribed? Ah so!]

Article 19: Everyone shall have the right to hold opinion without interference but it may be subject to certain restrictions, but these shall only be such as are provided by law.

Article 21: The right of peaceful assembly shall be recognized. No restriction may be placed on the exercise of this right other than imposed in conformity with the law. [H: Ah, but all of these are according to "the law" which is NEVER DEFINED!]

THIS IS THE ANIMAL FARM!

(q) *Why is it where the Communist interest is involved the United Nations seems to be weak, and when the United States interests are involved, we are on our own?*

Roberts:

I believe that for clarification it should be noted that the United States is the only nation that ratified the Charter of the United Nations as a treaty. So we are the only ones actually legally bound by it. It must be very obvious that the purpose of the United Nations was to collect and control the military establishment of the United States.

I served in Korea, just as Congressman Ottinger did. I was with the 187th Airborne Regimental Combat Team. The other nations serving in Korea were token forces. [H: Sound familiar—over and over and over and over - - -] The brunt of the action was always carried by United States military forces. And one of the shocking things that I witnessed, and which actually began my thinking and investigation, was this: for the first time in American history, I saw American dead being buried under a foreign device, the United Nations banner.

(q) *What is the Council on Foreign Relations? And where do they meet and how can we attend?*

Roberts:

The headquarters of the Council on Foreign Relations is the Harold Pratt House 58 East 68th St., New York City 10021. And the way you attend these meetings, and they are held all over the United States—there are something like 39 subcommittees of the Council, is to be a leader in your community, either as an industrialist, banker or military leader or in some other top level echelon. Then you may be invited to become a member. Either a member of the New York committee or a subsidiary

committee. And to answer your first part of the question. The Council on Foreign Relations comprises some 1800 leading individuals on the American scene; industry, banking and military and every other social/government facet. Of these 1800 we believe there are about 300 who are the decision makers and who have created this monster called the United Nations.

(q) *In view of the Congressman's answer, a very good answer to some peoples ears, my question: Do you know anything about the Executive Order, do you know anything about the Executive Order in which our President, since 1956, can just sign away our Constitution, our Bill of Rights and we will be under the United Nations Charter? I'm sure Col. Roberts knows:*

Roberts:

The question of course does not relate to statutes but to Executive Order. The Executive Order is a technique, a rather recent technique, which was devised by some preceding presidents to circumvent the Constitution's restrictions in so far as 'a state of emergency'. There are today something in excess of 3,000 of these executive orders which have been inserted into the Federal Register. These Executive Orders automatically, without the consent of Congress or anyone else, become the law of the land, once they are signed. Provision of all of these Executive Orders is to transfer control of every facet of our economy and industry, military, communications and the entire structure of these United States and to create a dictatorship under the President. They provide for, in case of a national emergency—and national emergency is not defined—so that any condition which is determined by the President (or more accurately his faceless advisors) to be an emergency, will be the excuse for implementing these Executive Orders and transferring us wholesale into a world government.

I believe that we might come to a conclusion by reducing this problem to the central issue.

Congressman Ottinger has again and again extolled the virtues of the United Nations and his belief that we must have world government if we are to resolve the threat of war. What has been ignored by all of us so far, is the fact that such a world government presupposes the transfer of sovereignty to a world international body. Now, nowhere in the Constitution is the Congress authorized or permitted to dissolve the Constitution. Congressman Ottinger, and every other member of Congress, has taken an oath to defend and preserve that Constitution. They are not doing it!

END OF QUOTING

The prior article is one of the MOST IMPORTANT WRITINGS YOU SHALL EVER READ, CITIZENS. I suggest we close hereat and allow some digestion. These things in point have ALL COME TO PASS, NOW OVER TWO DECADES IN PERFECTING. INDEED, YOU ARE IN SERIOUS AND GRAVE CIRCUMSTANCES. DENIAL OF MYSELF AND/OR THE INFORMATION WILL CHANGE NOT ONE IOTA OR HAIR OF IT.

Today's Watch

Hatonn to clear.

8/26/92 #1 HATONN

KNOWLEDGE

What majestic errors are made when there is refusal to receive KNOWLEDGE. There is no bliss in ignorance, only foolish failure to utilize the wondrous gifts given in response to the petitions for which responses are not noted.

TELEPHONE HOTLINE

Since our crew has set up a note-board by phone (see back page), I shall effort to comment of things which may be worthy of note in more "timely" manner.

HURRICANE WATCH

Note that the course of the storm "Andrew" was changed to avoid the direct hit on major cities of the Gulf of Mexico area. There was a noticed and deliberate slowing of progress of movement and now the storm has been diminished in intensity. The reason was that the "Western to Eastward" storm system moved by a bit too far to the north and the "hookup" with "Andrew" became impossible to connect into as was first planned for major impact. It matters not for there will yet be devastation from flooding as the system is slowed for the "dumping" of the water load.

What causes you to believe this is the ONLY storm which will pass that way? This one was so programmed as to be SENT directly over Homestead and it was so tracked that Bush already had FEMA at ready and in the area. It is not feasible to have great underground facilities in that area of Florida because of the water levels, so it was indeed a much bigger "lesson" than any of you citizens are allowed to see. Chelas, face it—the battle of Armageddon is engaged—you just don't yet seem to recognize the "players". May insight strike you soon lest you perish.

EARTHQUAKES

Meanwhile, the next proclaimed "date" of the California San Andreas quake has

been shifted to the 29th. There is also talk of perhaps choosing to continue in the "Eastern" U.S. with quakes and tornados along the Mississippi—but the plan "of choice" as of this morning is to go ahead with Western disaster to facilitate total take-over through Executive Order and Emergency needs.

The reason for the need to act in California is to not allow for signing and putting into operation the State Budget in time to avoid the impact of bank closures, etc., as will be caused by such a "natural" disaster. It would seem to me in witnessing the fires about the Western States that your citizenry might have had enough but I suppose NOT.

POLITICS

If it is necessary to pull Quayle and replace him with a sure appointed and not elected vice-president to move into the non-elected position of President, then Baker is set and in training. Eagleburger is a total disaster in any State role but nobody objected and so it goes—by assumption. He is a full-blown Kissinger man and the NOOSE TIGHTENS.

IRAQ

The reason for the close-down of Iraq flights over Southern Iraq is NOT because of Shiites—it is to prevent Saddam to observe the movement into Iraq of inspectors, oil equipment and military invasion. You must keep your eyes open in EVERY DIRECTION because the Elite are efforting to bring the bag-strings into knotted encapsulation. The BIG works, however, are

taking place in Israel. Remember that Rabin was the one who ordered the strike against your *USS Liberty* and also a member of the notorious and evil Stern Gang with Shamir and Sharon. The plight of the Europeans is hopeless as is South Africa. Cold war over?? Indeed! You must understand that the UN now controls, through Charter, all military actions—especially the United States'—as is my continuing outlay in the writings of present. The Soviet military is very "alive and well" and thriving on the blood of nations.

AND WHERE IS GOD IN ALL THIS?

GOD is your ONLY shield and buckler and HE seems be left out of everything abounding—not just the Democratic and Republican parties' platforms as each accuses the other. God has not been included in your governments in far over a century. I can only hope you begin to see and hear the truth of it—for THROUGH HIM IS YOUR ONLY WAY IN FREEDOM—IF IT NOT BE ALREADY TOO LATE.

I will, before closing this portion call your attention to the most heinous miscarriage of law enforcement to date—in Idaho. The point is to KILL Randy Weaver and his family. The Feds are in force and the locals are efforting to draw them away calling them "baby killers" and "murderers"—to NO AVAIL. It is mandatory that the officers take out this man because HE KNOWS TOO MUCH. AS A BIT OF BACKGROUND—HE SERVED IN BO GRITZ' OWN UNIT IN THE MILITARY. Does this tell you enough? Your nation is SICK unto death—I can only petition to WAKE UP!

Inquiry About "John Coleman"

8/26/92 #1 HATONN

LETTER REGARDING "COLEMAN"

I have been interrupted in the work herein under way and presented with a request to respond, ASAP, to a letter sent in full honor by a reader who has just attended the Global Sciences Congress held in Denver. **It is suitable that we first simply reprint the letter in full and then we can look at the contents.**

Dear Commander Hatonn,

For about one year now, I have been faithfully following THE WORD in the Phoenix Liberator, Journals and the audio tapes. They have been truly enlightening and uplifting. For that, I thank you, Commander. Now, my wonderment and devotion is being sorely tested as a dark cloud has dimmed

the light in my path.

This past weekend I attended the annual Global Sciences Congress held here in Denver. Among the luminaries invited were Bo Gritz and Dr. John Coleman. Both gentlemen had important messages for us but stunning developments were yet to unfold. Later, I found myself talking with Dr. Coleman at his display table and the subject of cosmospheeres came up. I apparently had pushed a sensitive button.

Obviously piqued, the Dr. snapped, "I know where you got that rubbish—from those Phoenix People."

He said that cosmospheeres DO NOT exist and further emphasized that information printed in the Liberator is almost always 180 degrees from the truth. Dr. Coleman even expressed surprise that George Green continues to publicize the Committee of 300. In fact, he was selling a "corrected"

version of his book that he had published. The conversation darkened when an associate of his offered that Commander Hatonn, the Phoenix Literature and all that are a part of it, are nothing more than a cult and a scam.

The associate, with a certain measure of outrage, railed profusely against the projection of the so-called Photon Belt and its implications. He said it was terrible that people with heart pace makers had to worry that their units would cease to function. At that point, I had to leave.

It's a few days later now, and I am still confused, upset and, generally, heart-sick. Did Dr. Coleman have a falling-out with you or George Green? Could it be that he has begun to feel the heat of the controllers? Do you have some insight to this change of heart by the good doctor? Having heard him on one of the tapes with you, I was under the impression that he was "one of the flock" and on our side. Please, Commander, help me sort this out. Just what is the truth of this matter? Thank-you for everything you've done and are inspiring others to take up the torch. Salu.

R.R., Denver

(Rec: today by fax, 8/26/92.)

I ask that copies of the correspondence and transactions between Coleman and myself be sent to this person—as regards the recent visit of Gritz and, as well, the computer equipment, fax and other items Coleman refuses to return.

Also, send copies of the writings from Patterson and Mullins as was in *Criminal Politics*. Mullins must be most upset at the printing of his "material" but it is now too late to change the bait in the trap. I do not wish to make further comment about that information for that is between the ones in point and not myself. Remember: "Thou shalt not bear false witness against thine neighbor!" To the writer I can only suggest that you not be so easily pulled away from truth for it truly does stand alone and shall—into infinity.

I have no intention of delving into such insults and accusations for TRUTH needs no such defense. **If there be no "Cosmospheres" then the good Doctor Coleman (alias Clarke among many aka's) has been feeding YOU THE PUBLIC a full bag of lies prior to this encounter as he has certainly continually pronounced that there ARE Cosmospheres.**

Other of Coleman's acquaintances have much information to dump on the public with which I heartily disagree in content. One being that somehow Dr. Coleman is a "double agent"—I think it is far more painful and deceitful than merely being a double agent.

If the *Committee of 300* is now published in "corrected" form, the quality must be substantially lessened—Coleman did not

have any input financially for the first publication nor has he gleaned enough funds to do another like publication. He has, however, charged almost double the price agreed upon—for his own book sales. His demands for return on the volumes have been totally outrageous but that is between him and the publisher. My crew who did the work involved in publication, and did in fact furnish a large portion of printing expenses, received not so much as a THANK YOU, or flowers, in appreciation. To each his own. Please note that THAT WHICH IS SENT FORTH IS RETURNED IN LIKE MANNER—AND THAT "RETURN" IS GETTING FASTER AND FASTER!

Falling out? At least with George Green there seems to be great blaming of George for "agreements" which never existed, but I had no relationship with him from onset, other than to help produce that which we needed to integrate information for ease of our readers to get updated input. I was unable to cause enough of you to read Mullins' work and that of others, to get fully informed and confirmations set.

We took responsibility for all things, including security, rent, utilities, computers, publication, editing, reformatting, etc., in an effort to serve John at onset of initial relationship. So far, this is the only thing received in return for the assistance. "Truth" cannot be copyrighted and therein lies the ONLY thing that has saved Coleman from the hangman's noose—I suspect. His anger with ME (and this was the end of our relationship, in fact) was that I published two documents from two different "nations" utilizing the EXACT SAME MATERIAL IN THE SAME OUTLAY OF WRITING SEQUENCE, at the same time the book was in printing. TRUTH WILL ALWAYS "OUT". Mine is simply to call your attention to the information and ask you to get the material in point—I guess we will have to assume what might have been his motivation. I thank him for the book for it is a good place to gather the information you need for backup of these pages and pages of information, names and methods of these evil cartels. TRUTH itself is never touched by the bringers—even if they be in evil intent. Truth is Truth is Truth—from whatever resource. To now deny part of the existence of the Truth therein written is but to prove the fact of it.

I note, again, regarding this author, as with others who claim we USE THEIR MATERIAL—then state that our work is 180 degrees out and "untrue". If we are using his material as claimed—is it not likewise true that HIS IS FALSE?

Chelas, just go by your "guidelines" for discernment and you will be fine. Coleman is terrified and all but rendered helpless by these latest confrontations. His "usefulness" to the adversary is in question and same is about to dump him and his in the

trash bin. I have continually offered help and he refuses. I do believe you will find that he allows no confrontation with ME. At onset of "differences" I spoke clearly on the matter and he has refused any interaction, claimed some kind of agreements with Green and refuses to have communion of any sort. To each his own and he may surely go his way with my blessings. I honored the man and enjoyed his company and, in this manner transpiring at present, I see that he will destroy self as subterfuge always eventually accomplishes. The entire family set-up and presentation as well as the "work" is NOT WHAT IT APPEARS TO BE—AND I SUGGEST THAT YOU BEWARE!

Terrifying people over possible malfunction of pace-makers? Dear ones—most of those pace-makers will stop functioning—BUT, in the LIGHTED FREQUENCIES which are coming from the Photon (both in darkness and light because your perception of the rays themselves is erroneous) will allow the heart to pick up its own pacing. Most pace-makers are inserted for the benefit of the DOCTOR at point of surgical placement—not for the benefit of the patient. Surely Dr. Coleman would know as much. Obviously, the good "doctor" who is NOT, in any sense of the term, medically or degree-wise, is in a lot of pain and misery. I cannot help but have compassion on one who bites the very hands that have helped and allowed him to literally survive.

To you, the writer of this communication, I can only offer that you must look from all sides and note why there would be a response that, in fact, denies HIS OWN OUTPUT! So be it. I would add in closing, however, that the other attacks and counter attacks, as going on among writers within those "inside information" printers, are most specifically ugly and totally distracting—COULD THAT NOT BE THE REASON FOR SAME? WALK GENTLY UPON THIS BEING FOR HE IS BUT A BROKEN MAN IN TOTAL AGONY—CAUGHT IN A TRAP OF HIS OWN MAKING. MAY OUR APPRECIATION FOR THE SHARING OF THAT WHICH WAS WORTHY BE NOT DIMINISHED AND MAY THE LOVE IN GIVING, BE HEALING UNTO HIM, A BROTHER, IN DESPAIR.

Thank you for writing and for your heartfelt inquiry. Our work will stand, chelas, for it is the time of the sending forth of the Hosts and so we are come, no more and no less. We do not detract from any "man's" work if it be Truth for ours is only to pen the JOURNALS that you might find the confirmation. We have no "group", much less "cult". We write "dated" Journals so that you can refer to that truth presented already on your place. Ours is not for sensationalism or "channeling" to entertain. Ours is a task to "inform" and give information wherein you can become

informed in ALL subject matters—IN PREPARATION FOR THAT WHICH IS YET TO COME TO YOU. My pity is often surpassing my compassion for ones who refuse to see and hear.

By the way, not only are there Cosmospheeres but they have prevented you from getting any of YOURS up there with them in any effective manner. Moreover, as to photons—WHAT DO YOU THINK THOSE HIGHER INFRA-RED RAYS TO BE? YOUR OWN SCIENTISTS ARE NOW CALLING THEM "PHOTONS"—AND EVEN THAT TERMINOLOGY IS BUT GENERAL CLASSIFICATION TO DISINFORM YOU AND DRAW YOU AWAY FROM THE TRUTH OF

THAT WHICH IS AT HAND.

These assaults are painful to my people—but they are most well-appreciated by me for they only point up the truth of that which we present unto you. Assaults upon my people are not even worthy of comment. All knew at outset that it would be no path of rose-petals. Those who have made their wealth and reputation on lies and misinformation are not happy to have the lies shattered. Ponder it carefully. There is no income gleaned by my scribe for any of this work and the publisher is only "in the financial hole" by offering it unto you. The amount is boggling in output and expenses cannot match income in any measure. It is for the very reason of keeping

costs to the reader at minimum that we can continue in the physical presentation at all. Thank you for your support.

Now, please, put this aside—AND GET OUT THERE AND HONOR THAT "OTHER" "LUMINARY", BO GRITZ. HE HOLDS IN HIS MIND THAT WHICH WILL ALLOW YOU TO TURN ABOUT AS A NATION—AND IS WILLING TO PUT HIS ACTIONS WHERE IS HIS MOUTH AT WHATEVER COST TO SELF. HE CAN ONLY DO THESE THINGS UNDER THE CONSTITUTION AS PRESIDENT—THEREFORE, YOU MUST MAKE SURE HE IS GIVEN THAT OPPORTUNITY OR THE LAST OPPORTUNITY WILL BE GONE—FOREVER. SALU.

Standoff In Idaho

(Continued From Page 1)

if Gil is away—the message should be among the very first that he encounters on his return. If it would be necessary he and Bo could lay out that whole mess of Fed children through hypnosis but it requires fearless confronters and I see few who fit the role. He may also be most helpful in notifying Stallone of possibilities here.

You ones have an unbelievable opportunity to harvest attention—I ask that you do so in EVERY way you can think of—no matter how ridiculous the approach may seem to be. Drastic situations are cause for drastic actions.

This IS THE TIME to be able to get Gritz before the nation—as at some point the incident will have to be attentioned even if the man is not.

You will note that to this time on this day, there is full CNN blackout of all mention of the Idaho situation. This IS your time to make hay or let the harvest go. You need to test the patriot grapevine with contact of everyone you know and ask that everyone your contacts know—get with the appeal for support.

HURRICANE ANDREW

Note a total lack of relief for any of the people who just underwent the hurricane in Florida and along the Gulf Coast. No supplies have arrived and ones are not allowed in or out of the Homestead area. It is such an obviously intended attack on the "people" in that area as to have to be covered from public view. Even the relief craft trying to get in was crashed—deliberately, right after takeoff. I am not going to put you ones in danger by spelling things out for you—you should be able to figure it

out. The point is TO TAKE ACTION AS OPPORTUNITY FLOWS—NOT SIT UNTIL IT PASSES.

We need ones such as Gil to get aboard in complete devotion to this coming election and that means YOU ONES MUST SEIZE THE MOMENT TIMELY. You are watching Martial Law and foreign enforcement at work.

In Florida the poor little lady from *Larry King Live* is in a state of total panic and shock—as NOTHING is done. She is petitioning all to contact Bush and require that he follow through on his "promises". The relief promise is now not for another full 24 hours. The babies cannot survive for there is contamination, poison serpents and other plagues which are now setting-in.

NATIVE AMERICANS

This is your opportunity to take national note of the brotherhood and bonding between the Native citizen and the White/Colored brotherhood of citizens. It is time to put aside all creed, color, racial and other hatreds, join hands and stand tall for your foe is now identified. Brothers, it is YOU against what appear to be YOUR OWN. No, they are your deadly enemy and puppet politicians are but the sham at the control panel with no switches hooked to anything. They are nothing but "dummies" flopping in any direction pushed or pulled.

You as Americans can make it or break it—RIGHT HERE TODAY! I REPEAT: YOU HAVE ASKED GOD TO GIVE YOU "THE WAY" AND SHOW YOU "HOW"—HE HAS DONE HIS PART—WHO WILL DO YOURS? My crew cannot do it all for everyone and

neither can election committees—neither can "Bo". Together you can do it easily for you now have THE METHOD to break the blackout on the media.

INDICTMENT AGAINST GRITZ

There is a secret indictment already processed against Commander Gritz to forcibly take him out of the public arena. You can allow that to happen or you can stand tall beside him and disallow such criminal assault against you. If you allow this fine man to be taken away in chains—how think you that God will protect YOU? The processing is going on at panic pace to forcibly get him out of Idaho. There MUST be enough of you there—to see that that does NOT happen. You need not fire a shot nor give cause for arrest—but if enough of you are THERE—they dare not take rash action. Now, if they DO take Bo away—cover that place like a blanket and do not leave that area.

The bullies are planning to do whatever is required to distract you and the likely tool will be more massive earth-based catastrophes.

If you turn away from brother and God this time, I suggest that you are in real serious trouble, world citizen. For if you turn from the least of HIS—YOU HAVE TURNED AWAY FROM HIM! PONDER IT.

You can recover your country but it requires immediate action for the window of opportunity is already closing. Can you not see what is happening? Just in Florida it may well "require" Bush to make Executive Order Emergency measures to override the stagnant system. This will then make him look really GOOD to those who

are literally dying in that place. Think about the "dirty tricks" and remember the JOURNALS and the story piled upon story about other deliberate attacks and murder on your own to further the New World Order. They are going to take out 6 Billion—do you think a few suffering citizens in Florida or Louisiana bother them?

Dharma, take this out of the equipment and get it processing—you ones are running out of "day". Blessings upon your service through the long and painful hours when the body is sick and weary and there are endless tasks ahead. I think it unwise to try to write on generalized subjects this day—let us go with the flow, get a current update on data and status and **KEEP THE INFORMATION FLOWING!** Can you citizens realize that in answer to GOD you can save your nation? This is the way it shall be done or it shall not be done at all. God works **WITH** you and not **FOR** you. Opportunity is about to blast your door down—**PLEASE HEAR AND SEE.**

8/28/92 #1 HATONN

TODAY

FIRST, STAND STRONG WITH GOD AND STAY IN COMMUNICATION WITH HIM!

FEMA has deliberately held up all relief to Southern Florida for **THREE** days without "orders". This is a duplicate of what happened in Los Angeles—exactly. Bush is going to leave the political trail to "monitor relief efforts"? By the time help arrives, total panic and desperation will cause the people to submit to **ANYTHING**—especially inoculations "to prevent disease". Watch it—the serums will contain worse than any disease at present. However, diseases which are deadly will be introduced into the area also.

BUSH OFF CAMPAIGN TRAIL?

No, he is not "off the trail for a couple of days to monitor relief". He knows that an American Revolution with technical weapons to match the military is about to begin in Idaho. Also, the plan is still to break open the San Andreas Fault which is, at this moment, under so much pressure and slippage as to break loose on its own power, shortly. It can actually stand no more pressure and is only being held by beam force. This catastrophe coupled with an already destitute Red Cross and FEMA's tactics of non-response will so devastate you-the-people that chaos will be irreversible. Meanwhile you are starting a war in the Middle East—**AGAIN.** I suggest all of you get the tapes now being made on the UN and on the Anti-Christ Banksters. These are the writings from the past week and a half.

ASSOCIATED PRESS

NOTE: There is a total blackout of all news from Naples, Idaho where expert Military Special Forces are surrounding a man and his family—having already slain one of the children of only 13 years of age.

There is a picture released on Wednesday which tells the story. There are shown U-Haul trucks which are extremely sophisticated communications centers and surveillance headquarters. There is, in the background, a full communications (satellite transceiving) system. There is a massive surveillance (black) helicopter and at least one other in the picture. There are "humvees" and troop trucks and uncounted FBI vehicles as well as barracks tents and inclusive "Intelligence" center.

Col. Gritz is at the scene (for some two days now) because Randy Weaver served with him in Special Forces. It is a total standoff with no allowance for entry of the Colonel—the intent is to kill all living persons in the vicinity. This includes a friend, 24-yr. old Kevin Harris, Mrs. Weaver and their three other children—two young girls and a baby. The family has no water, no power and no ability to have protection. They do have weapons.

So, why is this man in such trouble? A set-up was structured wherein a sawed-off shotgun was sold to a neighbor **THAT WAS 1/4 inch** shorter than mandated by Federal Law.

Randy Weaver is a former special forces Green Beret who served at Fort Bragg from 1968 to 1971 and is a trained demolitions expert, as well as an expert marksman. Colonel Gritz says of Weaver, "If they (the Feds) try to take him, the **FAMILY WON'T SURVIVE.** Randy **DOES HAVE THE AREA WIRED**" and if violent force is used against him "to take him"—he will "take out" **MANY** federal agents. Randy is quite willing to come out, but not with the threat of 500 guns pointed at him." Ironically, Randy at one time had run for sheriff in Boundary County, but now he's been tagged as a "federal fugitive".

STAGING FOR FEDERAL MILITARY-TYPE ASSAULT

The Marshal in question who was involved with the "serving" of an arrest warrant on an alleged Federal Firearms violation, William F. Degan, **WAS FROM QUINCY, MASSACHUSETTS.** He is one of the most decorated U.S. Marshals in the service. Degan was an "expert" from the special operations group which deals in hostage and terrorism activities. The facts are that the encounter resulted from Degan and five other "Marshals" probing around on Weaver's property and were **NOT** attempting to serve a warrant. These Mar-

shals were obviously anticipating and planning to make a **HIT** on Randy Weaver's cabin. "What has occurred here in Northern Idaho shows premeditation, that they were setting up Weaver for a military type assault," says Gritz—who should know the signatures of such actions. Otherwise, they would not have dispatched key experts on terrorism.

The neighbors and townsfolk have kept around-the-clock vigilance, calling these men "baby killers" and "murderers". This is all that has saved the Weavers from being bombed out of existence—and the citizens **KNOW IT.** All communications out of the compounded area have been blocked as has all communications by radio and emergency assistance lines. Ones wishing an update on the situation have to get information from out of state. **THERE IS TOTAL BLACKOUT ON SUCH AS CNN AND MAJOR NETWORKS.**

WHY? BECAUSE RANDY WEAVER HEADS A GROUP CALLING THEMSELVES "ARYANS" (CHRIST CHRISTIANS) AND DOES LIVE A MOST SECLUDED LIFE OF ALMOST HERMIT LEVEL. HE IS ACCUSED BY PRESS AND MEDIA OF BEING "ARIAN" (NAZI), ANTI-SEMITES AND RACIST.

To you who will not help because you perceive this man to be "different" and racist, i.e., you Indians of all and any tribe, blacks, Hispanics, etc. Watch out—you have been lied to and you are only PROVING the control the Feds have come to hold over you ALL. You will join as brothers and stop this color/creed division or you will perish as a WHOLE. REMEMBER: SOME OF THOSE STILL MISSING MIAs AND PRISONERS BEING HELD UNTIL THEY DIE—DELIBERATELY VIA POLITICAL CRIMINAL ACTIONS AND LIES—ARE FROM ALL RACES—ALL CREEDS. IT IS TIME TO RESPOND TO TRUTH AND LAY ALLE ELSE ASIDE FOR ONLY UNITY CAN STOP THIS INSANITY.

THE FACTS ARE THAT THERE ARE MANY SUCH SERVANTS OF FREEDOM—AT READY—TO SERVE THE CONSTITUTION AND FREEDOM AT ALL COSTS TO THEMSELVES. THE GOVERNMENT IS FULLY AWARE OF THIS AND, FURTHER, WEAVER CAN PULL EVERY SINGLE CRIMINAL RASCAL DOWN—FROM BUSH THROUGH ADVISERS, KISSINGER, EAGLEBURGER, SCOWCROFT, ARMITAGE, POWELL, BAKER—ETC.—EVERY LAST ONE OF THEM! NOW DOES IT BEGIN TO MAKE MORE SENSE AS TO WHAT IS HAPPENING?

THE MOMENT FOR ACTION

If, however, **YOU-THE-PEOPLE** demand and give support to Gritz who also can pull these rascals down—**YOU MAY BE ABLE TO CAUSE THE FEDS TO BACK-OFF.**

A secret indictment is prepared and waiting to be served so that Gritz can be hauled away also. When that happens, friends, EXPECT A REVOLUTION.

I have personally gotten word to the TOP—but it remains to be seen if this thing can be stopped. I will not divulge contacts for obvious reasons. There is active planning to consider the problem in council (away from Washington) on Monday, but, chelas, consider a long, weary and frustrating weekend of thousands of milling and militant participants around that place. Gritz was interviewed on radio by Sam Russell (THANK YOU FOR RESPONDING, SAM) last evening. Please just stay tuned. My people have calls in for the latest request for action from Gritz as to his more urgent needs. We will give that bulletin as soon as contacts are accomplished. We have no way to spread word faster so YOU will have to spread this word to wherever and whomever you CAN DO SO. The Feds have now been amply WARNED and I, Hatonn, have sent word to stop this thing NOW or face the consequences of military confrontation the likes of which this nation cannot imagine. The goodly "minutemen" of your nation are prepared to go to WAR for your freedom and Constitution.

This does mean, however, that if they do not call off this blatant military attack in Idaho—you can expect disaster upon disaster around your nation—immediately—for rendering you-the-people helpless is all that will save the Feds.

GO!

THIS MESSAGE IS FOR THE PURPOSE OF ASKING YOU TO SPREAD THE WORD TO ALL FORMER SPECIAL SERVICES PERSONNEL, ALL VETERANS AND ANY WHO CAN MAKE THE JOURNEY TO THE IDAHO AREA—TO RALLY AND HAUL ASSETS TO STAND WITH THESE VALIANT MEN STANDING AGAINST A FEDERAL ASSAULT HIT-SQUAD. IT IS TIME TO STAND FOR AMERICA, YOU-THE-PEOPLE. GOD WILL GO WITH YOU—HE WILL NOT DO THIS FOR YOU. IF YOU GO—TAKE SURVIVAL GEAR, WATER, FOOD AND SLEEPING NEEDS FOR THE COMMUNITY IS DISTANT AND THE LOAD IMPOSSIBLE WITHOUT EACH ATTENDING HIS OWN NEEDS—AND—BRING SUPPLIES FOR OTHERS WHO ARE UNABLE TO GET OUT TO RESUPPLY! DO NOT GO INTO THE AREA UNPREPARED FOR ATTENDING OWN NEEDS AND EXTRA FOR THOSE WHO MAY BE THERE ALREADY UNPREPARED.

Colonel Gritz is going to attempt a "Citizen's arrest" of both the Governor of Idaho and the "agents" present—today (probably now under way at this writing). I believe we can guess the outcome of such a venture. Just know that, although there is a blackout on activities—THERE IS A WHOLE BUNCH OF THINGS GOING ON!

So, take your tent, and family—weiners and peanut butter and have a most valuable vacation trip. Naples, Idaho will welcome you with open arms. Potties will also be most appreciated by happy campers!

IF YOU CANNOT GO—CALL THE GOVERNOR'S OFFICE (IDAHO) 208:334-2100 AND IDAHO ATTORNEY GENERAL: 208:334-2400. FAX NUMBER FOR FBI (WASHINGTON D.C.) IS 202:324-4705. YOU WHO ASK "WHAT CAN I DO?"—HERE IT IS—PLEASE DO IT—NOW!

A DIRECT PETITION FROM COL. GRITZ: TO ALL SUPPORTERS AND PATRIOTS; CONVERGE ON NAPLES, IDAHO TO MAKE A SHOWING TO THE GOVERNMENT THAT VICTIMLESS "PAPER" CRIMES MUST COME TO A STOP.

LET US SHARE ANOTHER STORY

Col. Gritz pleads, "Now is the hour and now is the time for all patriots to come together to help their beleaguered brethren, now standing off an army of Federal Swat teams." It is not necessary to reconsider the Wounded Knee incidents for that is being documented by Redford in an upcoming documentary. But, there are so many other acts of Federal aggression that we have to choose one similar to this in point. This would be the "Gordon Kahl Massacre". This was the deliberate and brutal murder of World War II veteran Gordon Kahl by a Federal Swat team near Smithville, Arkansas, on June 3, 1983.

Kahl, who lived in North Dakota, had been ambushed on February 13, 1983, in Medina, North Dakota by Federal agents dressed in plain clothes and firing at him without either identification or warning. Kahl shot back killing several of them. His only "crime" to this point was that he was alleged to have been a convicted "**ILLEGAL TAX PROTESTER**" (whatever that means). Suddenly, Kahl became a "Federal Fugitive" just as is Weaver, for defending himself in the Medina ambush. Kahl fled to Smithville, Arkansas. On June 3, 1983, the F.B.I. had located him, and then set up a morbid ambush. Kahl, alone in a friend's farmhouse and nearly deaf from World War II injuries, was shot in the BACK of the head, as he watched TV with the volume set on "high". A few seconds later, the sheriff of that county, Gene Matthews, who had witnessed the F.B.I. murder of Gordon Kahl, was also shot and killed by someone within the Federal Swat team. (See, their joyous bloodletting knows no bounds to "do a job"—perhaps YOU will be next?) It is known that the Federal Swat team forces then opened fire on the building with 50-caliber machine guns after there was no longer reason to do anything more. It is also known that Gordon Kahl's body was **then dismembered**. In their hurry, one of the severed feet was kicked

under a refrigerator nearby and was later discovered by a *New York Times* reporter, Jim Barden (go look it up). After mattresses were brought into the kitchen, the body of Gordon Kahl and its severed parts was placed on them, and then covered with another mattress. This gruesome pyre was then saturated with gasoline and fuel oil brought to the site by Federal officers for that specific purpose. Gasoline and fuel oil was then poured on the roof and down the chimney and the house and the body of Gordon Kahl was torched. The property was guarded by Federal agents during the night of June 3rd, 1983, and the following day the remains of the dwelling, including the body of Gordon Kahl was systematically saturated with gasoline again, and the site was again set on fire. The charred remains of his body were then shipped back to North Dakota.

Newspapers, a college professor, and a host of Arkansas citizens have **tried in vain** to get a grand jury to investigate the Murder-Arson-Conspiracy on the part of the F.B.I., the Justice Department, the Federal Marshals, and the IRS regarding the death of Gordon Kahl—to no end. **HOWEVER, RETIRED PHOENIX POLICE OFFICER JACK McLAMB, WHO IS ACCOMPANYING COLONEL GRITZ IN NAPLES, IDAHO, HAS MANAGED TO RAISE \$20,000 TO EXHUME GORDON KAHL'S BODY AND HAVE AN INDEPENDENT INVESTIGATION CONDUCTED BY A FORENSIC PATHOLOGIST.** What do you think the chances are?

YOU ARE IN IT!

If YOU still do not wish to believe there is a Secret Government and cover-ups on top of cover-ups and total media control—then I have nothing more to offer you and, perhaps, you in your refusal to see and act—will result in exactly that which you deserve for such refusal. That is between you and GOD. However, for you who CLAIM to pray for your nation and freedom—get off your assets and claim the opportunity GOD offers you to reclaim dignity and freedom.

Remember: The MORE CITIZENS PRESENT, the harder it is for the Feds to act out this insanity. They do, however, plan a last-ditch effort napalm blasting of the area to start a massive forest fire. With the fires already going in Idaho it would not be noticed as being incendiary. There are, however, OTHER reasons they have not yet done this. This is because there are facilities in the area which can bring down craft in the split second firing of lasers. CITIZENS—THIS IS NOT A MINOR OCCURRENCE—THIS IS MAJOR, MAJOR ACTION AND YOU HAD BEST BE DEMANDING HEARING.

8/29/92 #1 HATONN

TODAY

In the beauty of the morning all things seem the same? Is it not all in perception? In Southern Florida is it the beauty of the morning or the arrival of Federal troops which gives beauty and song to the heart? So be it. Once again the Feds have pulled your strings and **YOU HAVE DEMANDED MORE CONTROL OVER YOUR EXISTENCE.**

But, are not the Federal services your expectation and right? Yes, but where were they when the politicians were disallowing their assistance unto the needy? Where were they? Sitting at ready **with orders NOT to move. Your nation is indeed sick, chelas.**

These are the things you must **WATCH** for the truth is so subtle, so elusive and so hidden in the garbage that you **MUST LOOK FOR IT IN THAT WHICH IS NOT SAID AND/OR TWISTED.** If you cannot do this then I can only petition that you stay tuned to this station and we will effort to point out that which you may be missing.

**BO GRITZ/ WEAVER—FEDS
STANDOFF**

Firstly, **KNOW** that in the facts regarding the incident—they do not match any of the early projections. In the first case, **MRS. WEAVER IS DEAD—SLAIN BY THE FEDERAL THUGS. WOULD YOU COME OUT WITH SUCH STARING YOU IN THE FACE?**

NEXT, and I hope more confirming of **MY REALITY AND PRESENCE**—in response to my input and demands, the Feds came to a startling realization that they **HAD TO STOP THE INSANITY. THEY MADE ARRANGEMENTS WITH PAUL HARVEY TO FLY OVER AND WITH A BULL-HORN OFFER SECURITY AND LEGAL ASSISTANCE TO WEAVER. THE WORD NOW COMES BACK FROM THE "TOP" THAT "THEY" REALIZE THAT WHATEVER WAS GOING TO BE DONE AT THAT PLACE—HAS TO BE "OFF". THE FEDS ARE TRYING TO FIND A WAY TO SHUT THIS DOWN NOW BECAUSE THERE IS SO MUCH MEDIA AND PRESENCE AT THE PLACE THAT ANY ORIGINAL PLANS CANNOT BE COMPLETED. I THANK ONES WHO SAW TO THIS TRANSFER OF INFORMATION AND TO THOSE WHO UNDERSTOOD AND LISTENED. YOU MAY HAVE JUST POSTPONED A FULL AMERICAN REVOLUTION—WITH BULLETS, NOT BALLOTS.**

CNN may as well come around now, for Bo has been recognized by other radio/TV networks as being a Presidential candidate. That means that **YOU, CNN and TED TURNER, are going to be caught with your censorship up and your pants down.**

There are rumors rampant and I intend

to leave them to run their course so we can monitor when and IF truth reaches base. I am not here to ruin good rumors unless they are about to backfire. One group of pretty authentic people, "at site", say Bo was taken into custody. Another says that Bo will not leave Randy until Randy is in security in a "safe" place. The consensus is, however, that Randy has agreed to come out and that some sort of safety has been arranged.

I must tell you, however, that it is no rumor that the first helicopter plan of the Feds was **NOT PAUL HARVEY.** You will come to learn that Paul Harvey was to his media ears in the drug dealings cover-up by the Feds. He **IS** a number-one-Fed accomplice—not a beautiful "dean of American journalism" as touted by the establishment. The first plan, which was stopped only by this intervention—was to dump gasoline on the Weaver house and buildings and ignite it. This is what I meant when I used the term "napalm". Napalm means something specific to ground crews in this "war". **DO NOT UNDERESTIMATE THE PRESENCE OF GOD'S TROOPS, CHELAS, LEST YOU ERR GREATLY! WILL HATONN NOW TELL ALL—NO INDEEDY—I CERTAINLY WILL NOT! DISCRETION IS A VERY GOOD TRAIT TO LEARN AMONG YOUR OTHER LESSONS.**

A **MAJOR RUMOR** says that **AMERICA WEST** is giving out information that **BO WAS SLAIN.** THIS, OF COURSE, IS TOTALLY FALSE FOR NUMBER ONE: **AMERICAN WEST** IS NOT IN CALIFORNIA AS STATED IN THE "RUMOR" AND TWO, THE **GREENS** ARE AT A LECTURE OF SOME SORT AT KENT STATE UNIVERSITY. You pawns of the Elite had better be paying attention because these "chips" flying everywhere are flack and flack is deadly. As Bo says: "If you're catching flack—you're on target." When he left Tehachapi, he told Dharma, Ed and E.J. to "shed the flack and stay on target!" God bless you, son.

FLORIDA CONFIRMATIONS

There is now a big splash about Bush's finally moving in the troops—as if something went wrong with his original orders and promises. He claims that the government (yours-the-people) had to do certain things before his orders **COULD** be undertaken. **NO—he has full EXECUTIVE POWER** now and was obviously hand in hand with the political head (governor) of Florida in the seemingly stupid delays. No, no—it has all worked to **THEIR** perfection.

But, how and why, not to mention "who", was behind the storm creation and movement "in a straight (unheard of) line" across the major base utilized by the politicians? What caused the "unheard of" "multicolored" electric strikes in the storm as described by your own Dan Rather?

What stopped and slowed the march of the storm across the South? What, what and who, who? What relationship does that storm have to do with the standoff of Randy Weaver in Idaho? Come, come—it most certainly **DOES!** Yes, indeed, "the Russians are still coming" as the saying goes. Actually, it is those nasty old defunct Soviet Communists. Insight? Well, I suppose we can **TRY** again.

IDAHO RANDY WEAVER

[I want his name to go into history]

The "Native Indian" community decided to **NOT** participate in protection of the "racist, bigot, crazy, madman CHRISTIAN EXTREMIST". Well, old buddies, the extremists of total evil intent showed up and are you native Americans better off this day? Where is Peltier of the Sioux? Was the **TRUTH** told about Peltier? Is the media (if it is forced on the "rulers" to say "something") telling truth about Weaver? **IF AMERICA AND THE CONSTITUTION GOES DOWN—ARE YOU NATIVE AMERICANS BETTER OFF JUST BECAUSE YOU HOLD GRUDGES AGAINST THAT CONSTITUTION EVEN THOUGH ITS INJUSTICES TO YOU WERE REMOVED? DO YOU PREFER TO LIVE AND EXIST IN STUPOR AT THE HANDS OF THE POLITICIANS WAITING FOR YOUR HAND-OUT, GRUMBLING TO GREAT SPIRIT ABOUT INJUSTICE? GREAT SPIRIT SENDS OPPORTUNITY, NOT A SHOWER OF "MAKE IT RIGHT FOR ME!" GOD IS GIVING YOU OPPORTUNITY AND YOU SIT AND GRUMBLE ABOUT WHAT IS PERCEIVED BY TOUTING, LYING AND DECEITFUL POLITICAL POWER BROKERS, BANKSTERS AND ONE WORLDERS WHO ARE IN TOTAL CONTROL OF THE PRESS AND MEDIA?**

How can you **KNOW?** Because there is ordered a total blackout of even mentioning Bo Gritz's name on CNN and other Networks—although "slips" are harder to control in off-hour breaking stories. You can tell, now, that the situation in Idaho **HAS** grown so big that it **MUST** be mentioned—at least in passing. So, derogatory and insulting terms are used to describe Weaver and his "stand-off" so that you don't notice that **A MAN AND HIS WIFE AND BABY, ALONG WITH TWO LITTLE GIRLS AND A 24-YEAR OLD FRIEND STAND ALONE AGAINST A LITERAL INTELLIGENCE SPECIALIST HIT SQUAD WITH FULL MILITARY BACKUP—**for trading a sawed-off shotgun 1/4 of an inch (this big: —) too short!! One little boy gone forth to check as to "why" his dog was barking—was shot dead by these "experts in black suits" along with the dog. At least that was the "STORY" so that **TRUTH** would be burned beyond revelation. **The**

wife and mother was slain and others injured

This is America, Native American? Peltier, you say, is different? How so? A Fed is shot by another stupid Fed and a child is blamed? These Feds were DIGGING UP PORTIONS OF WEAVER'S PROPERTY SEARCHING FOR OTHER EVIDENCE OF AN UNDERGROUND NETWORK OF SPECIAL SERVICE PERSONNEL WHO ARE PATRIOTS AND "MINUTEMEN" WHO PLAN TO DEFEND YOUR CONSTITUTION AND NATION AT ALL COSTS IF THE NEED FINALLY MAKES IT TO THAT POINT.

THE INTERESTING POINT IS THAT THEY SET UP THIS "NETWORK" TO DEFEND AGAINST THOSE "RUSSIANS WHO ARE STILL COMING!" YOU FOOLISH, FOOLISH LITTLE ANESTHETIZED CHILDREN REVEL IN YOUR TOTAL IGNORANCE AND WEAR IT LIKE SOME KIND OF A BADGE OF UNBIGOTED HONOR. YOUR NARROWNESS WILL DESTROY YOU AND IT VERY WELL MAY BE SOONER THAN LATER!

Weaver holds information (now scattered among multitudes of bearer brothers) that will pull down the entire of your Government from top through Congress and all military structures—right down through local State governments. PROOF POSITIVE AND UNDENIABLE.

TURNER TO TERMINATE ANNOUNCERS MENTIONING GRITZ

DO YOU THINK IT NOTABLE, PERHAPS, THAT THE REGULAR NEW BLATHERER ON CNN STUMBLED AND STALLED OUT WHEN HE GOT TO THE PART OF THE STORY THAT READ, "A FORMER COLLEAGUE GREENBERET, A HER—IS CARRYING INFORMATION BETWEEN THE RACIST AND THE FEDERAL TROOPS." (This story has been further modified to not even directly state the prior sentence—but the dedacted (censored) information "threw them for a bit—until new tape could be cut".) The ORDERS were to, under NO CIRCUMSTANCES, so much as mention the name "Bo Gritz". If his name has to be mentioned because of too much publicity—it is to be downgraded to absolute minimal attention. "Announcers who blunder and/or slip will be fired on the spot," came down the edict—THROUGH TED TURNER PERSONALLY FROM EVEN HIGHER AUTHORITY.

The point is to now make all you people converging on the Idaho territory, turn around because it is "all over". NO, it has only just begun! What can be done and HOW, to silence the publicity following this event? Bo Gritz, for goodness sakes, is a Presidential candidate sweeping the nation and cannot be "bought" or "terrorized". Word comes back that Weaver's wife had said that if Randy gives in and goes forth because of her and the family—"I will

shoot you myself." Is this true? It matters not because the intent is there at any change of the story.

The word has gone forth that these are Arians (Nazis)—NO, this is HOW the evil adversary works—by stealing names and making them very, very similar so you do not know the difference—THEY, IF ANYTHING, ARE "ARYANS". They are actually NOT EVEN THAT but it suffices for example. The definition, even as given in the local paper stated: "The real problem with Randy Weaver is that he **reportedly** has or had ties with the **Church of Jesus Christ Christian Aryan Nation**."

Now, however, a state of emergency has been declared in Idaho, Boundary County by the Governor (all of these contacted have "No Comment") so that the National Guard is called in in mass. Even the local store in Naples is making no comment under orders of "higher authority" and the "townspeople just want to get back to normal." And, undoubtedly, back to sleep, and the more of the "troublemakers" killed, the better. CAN YOU NOT SEE HOW YOU ARE MANIPULATED? CAN YOU NOT SEE THAT IF YOU ARE NOT ON THE SCENE—YOU ARE MANIPULATED LIKE PUPPETS? AND WHY ARE YOU NOT ON THE SCENE??? AMERICAN? I SEE, "LET SOMEONE ELSE TEND IT!" "LET GOD AND MAKE-BELIEVE HATONN HANDLE IT?" WELL, DHARMA WOULD BE THERE EXCEPT THAT I KEEP HER IN PLACE BECAUSE SHE IS MY SPOKESPERSON TO YOU THE PUBLIC AND TO THE BUREAUCRATS OUT OF WASHINGTON. THEY ARE MEETING WITH REPRESENTATIVES ON THIS MATTER ON MONDAY—**WITH ME!** It is only you—the people who cannot seem to recognize that I AM VERY REAL, INDEED!

Oh indeed, there is real bargaining also going on to petition me not to make my presence known. You see, the problem you are facing right now only seems to be centered around the Elite Anti-Christ Banksters but they are in a stand-off with the Communists who would also be King. How much of your world will survive this encounter is up for discussion.

But YOU, America, have to face what IS and start reclaiming WHERE YOU CAN MAKE IMPACT—BY CLEANING YOUR OWN HOUSE OF VERMIN, RECLAIMING CONTROL THROUGH YOUR CONSTITUTION AND, THEN, FACE THE NEXT ENCOUNTER! SIT ON YOUR ASSETS AND YOU AS A NATION ARE FINISHED!

YOU JUST DON'T KNOW MUCH

Why do the adversaries (but at this point, not the Communists) try to stop US? Because the hierarchy of the Russias know WHO WE ARE—YOU DO NOT for you have been lied to for so long in cover-up. You do not know who the Pleiadians are; you don't

know who GOD IS (and the University of Science and Philosophy is spending over \$250 million to hopefully insure you never learn); you do not know what "races" are or means. You do not know who Grandfather is in relationship to Great Spirit and you certainly do not know who the Khazarian Anti-Christ is. I said "Christ" for that designates a certain thrust in truth teachings while the adversary most certainly has a GOD—it is simply that it is dark as a pit in physical Hell! You want God to fix things for you? HE IS, CHELAS, HE IS—it is simply NOT THE GOD YOU IMAGINE. GOD OF LIGHTED TRUTH IS ALSO AT WORK BUT YOU SEEM TO MISS EVERY OPPORTUNITY FOR YOU SIMPLY WANT "HIM" TO LET YOU CONTINUE IN THE EVIL PATH WHILE HE MAKES IT RIGHT FOR "YOU" AND "YOUR WISHES"—IT WILL NEVER BE THUS.

Oh, so "I'll just go with this 'other god', old buddy"—?? That is THE ONE who has led you into downfall so I say, welcome to the journey, little friends, sorry you missed the lift-off. Is THAT God making you feel comfy-cozy in Homestead, Florida this morning? How about when the Cottonmouth strikes after he comes ashore in search of the rats who have nothing left in the fields to eat? Have a nice day and put on a "happy face", blinded lambs. "Hatonn is not a nice person?" Hatonn is not a "person" at all and my entire thrust in spite of all the evil you have thrown at me and my people—we have remained quite "nice". Wherein MY PEOPLE are concerned, however, I am getting ready to be "QUITE NASTY"—indeed, quite nasty. I AND MINE ARE SENT FORTH TO BRING TRUTH AND TELL YOU HOW IT IS AND SHOW YOU THE WAY—I.E., POINT OUT OPPORTUNITIES YOU MISS. I AM NOT HERETO "SAVE" A CONFOUNDED THING OTHER THAN MY PEOPLE AND THOSE OF LIGHTED GOD OF SOURCE. THE REST OF YOU ARE QUITE FREE TO CONTINUE IN YOUR WORSHIP OF POWER, GOLD, VOLCANOS, STAR-ARRANGEMENTS AND/OR HOG SWILL. I DO DEMAND THAT YOU LET MY PEOPLE GO! YOU IN AUTHORITY BY POWER AND FORCE. YOU HAD BEST BE TEAMING UP WITH THOSE YOU TRY TO MURDER—BECAUSE YOU ARE IN BETWEEN THE NUCLEAR BOMB AND THE PULSE BEAM OF YOUR REAL ENEMY!

Do you of the Federal Government, REALLY THINK you could silence the REAL PATRIOTS by your "orders"? YOU OF THE SECRET LIE HAD BETTER LOOK AROUND FOR YOU ARE SURROUNDED. YOU ARE SURROUNDED BY THE GHOSTS OF THE MEN YOU LEFT TO DIE IN PRISONS A WORLD AWAY—BY THOSE YOU SOLD OUT IN GARNERING WEALTH THROUGH DRUGS AND POWER GREED. **YOU ARE SURROUNDED, SCOUNDRELS, AND IT**

IS RATHER NICE TO WITNESS. I, actually, am quite sorry all the people cannot see it—thanks to you who have played the power game and stolen a nation and freedom! YOUR DAY IS NIGH, GOOD BUD-DIES. It would seem to me to be better to come into integration WITH THESE PATRIOTS, BRING THOSE POW/MIAs HOME TO SAFETY AND JOIN AGAINST YOUR REAL ENEMY. IT IS, OF COURSE, UP TO YOU—YOU SCUM-BAGS OF TREASON AND TREACHERY. GUESS WHICH SIDE HATONN AND FLEET ARE GOING TO BE ON WHEN YOU START AGAINST MY PEOPLE??

For you listeners and readers who continue to ask, why, why, oh why don't you make yourself KNOWN? I HAVE AND AM QUITE WELL KNOWN, INDEED.

WHAT HAPPENED? (WORLD POLITICS)

Quite a few years back the Banksters (specifically the Rockefellers in this particular scenario) [and, the government boobs are all Rockefeller boys from Kissinger on down—and that includes the counter-part of European Rothschilds] GOT VERY CROSSWISE WITH THE RUSSIANS.

The big split began with the still-secret underwater missile crisis in the summer of 1976. Until then there was cordial alliance among the factions involved in desiring to take your world. The worst thing for your Anti-Christ Banksters is that you have underestimated YOUR ENEMY! You thought you could bribe, buy-off, pay enough blackmail, etc. But I remind you—the adversary of such high level of evil does not work for physical gain—only produces the show-and-tell of same. At that time the four Rockefeller Brothers (while there were still the originals in point) tried desperately to patch things up, but Russia finished severing the alliance in September of 1977. Russia began the massive deployment of a whole new generation of manned space weapons—her unique Space Triad; and, in the process, America's secret military control of space was broken.

All of this was tied directly to drastic changes taking place within the ruling circles of Russia. Today, little sleepy-heads, it is the World, and most specifically America, which is dying from the cancer of Bolshevism. The old Bolsheviks, WHO USED TO CONTROL RUSSIA, HAVE BEEN OVERTHROWN AND EXPELLED FROM RUSSIA. Step by step through lies, United Nations actions, integration with such places as Israel as a tool, hundreds of thousands were integrated through "fixed and rigged" immigration rules, etc., into your very fiber, America and World (for it is worldwide—but, you, America, slept the most soundly) and they replaced the

Rockefeller cartel as the most powerful faction in America.

Both Bush's bunch and Clinton's bunch are TOTALLY CONTROLLED AND MANIPULATED BY THIS BUNCH OF THUGS AND TRAITORS.

Meanwhile, having overthrown the Satanic Bolsheviks, Russia's secret new Christian rulers struggled and are still struggling to revive the spiritual roots of Russia. This does not yet flourish but that which was falsely-labelled "communism" is alive and well. I assure you, however, truly Christian people of America and World—these elements of Christian (of Lighted Source) ARE NOT YOUR ENEMY AND WILL BE THE SAVING OF YOUR VERY EXISTENCE. This does not mean that they will save that which YOU ARE AT THIS MOMENT!

ARGUMENTS?

Argue all you wish!! Go right ahead and argue until you turn into purple people eaters—it will change not one iota nor hair of it.

Is Hatonn somehow racist? NO, but I surely AM BIASED! Further, I have bigger weapons and I do not need guns as weapons. Will I force an issue? No! But I will protect my people for we are back to RECLAIM THAT WHICH IS LIGHTED GOD'S. We are not interested in YOUR THINGS—we have far better than ANYTHING you primitive beings have conjured. When we RECLAIM—we reclaim that which is eternal and infinite. YOU HAD BEST START CHECKING AS TO WHICH SIDE YOU STEM FROM AND GET ON WITH DECISIONS ABOUT POSSIBLE BETTER ROUTES TO EXPERIENCE. YOU ARE IN THE FUTURE, LITTLE DREAMERS!! I WANT TO REMIND YOU—OF-THE-PHYSICAL—YOU-THE-PEOPLE—IN EVERY INSTANCE, ARE CONSIDERED DISPENSABLE. IN FACT, I REMIND YOU THAT THE ELITE INTEND TO KILL OFF SOME 6 BILLION OF YOU-THE-PEOPLE AND ARE DOING A VERY NICE JOB OF IT RIGHT NOW.

Ones such as you, Little Crow, know what I am saying and know it to be TRUTH. I cannot force your people to see and hear any more than any other free-will species. However, I must remind you that the time of cycles is HERE. The aboriginal peoples in Australia HAVE NOW CEASED TO HAVE CHILDREN—THERE WILL BE NO MORE CHILDREN BROUGHT FORTH BY THE GREAT SPIRIT'S OWN—DREAMTIME IS LONG SINCE OVER AND THE CONFRONTATION AND MIGRATIONS ARE AT HAND.

Each and all will do that which they will unto task and purpose. Could we not simply join hands, lay aside differences for in the ending there will be none—and get this wrap-up done correctly for a betterment, for once, in our experience? Perhaps

you perceive we "left you" at some other time in experience on this place—were you "left" or did you "refuse to come"? Ponder it, brothers. Will you refuse AGAIN? Think upon this even more carefully.

8/30/92 #1 HATONN

A "CONNECTIONS" QUESTION FOR TODAY

QUESTION: What does an earthquake in Culver City, Calif., eruption (with MASSIVE ERUPTION EXPECTED IMMEDIATELY) of Mt. Pinatubo in the Philippines, two eruptions of volcanos and two earthquakes in Japan, SMELL of sulfur fumes in Los Angeles claimed to be from the Salton Sea (over a hundred miles southeast of L.A.) and a Fed. standoff with a man named Weaver with Bo Gritz in attendance—have in common? This, of course, not to mention the mess in Florida or the tornados which destroyed portions of other states just last night. In addition, is anyone LISTENING to what is happening in Bosnia-Herzegovina, the Persian Gulf, Iraq, Israel and South Africa(???)

All the "war" incidents are obviously plays for total power by the Elite and/or ruling controllers—LISTEN to what the "people" say—if and when they are interviewed, "...we don't know these people who claim to be 'our neighbors'—they are hired military 'special forces' fighting and killing IN A POLITICAL WAR which is NOT OURS! Our very families are being killed on both sides because there is only ACCEPTANCE of intermarriage among all of us and we are struggling to not lose memory of that fact." Ponder it. Is it already America? Those "we-the-people" have NO WEAPONS, cannot do anything, even obtain food, because they are shot by snipers. Have WE NOT ALREADY SPOKEN MANY TIMES IN THE PAST FEW YEARS OF HOW IT WILL BE? THINK! THINK! THINK!

Are not the ones in Florida totally helpless awaiting hand-outs and government tending?? Was there not total control of a given area where none were allowed (by police force) to leave or enter? Are not the devastated at the mercy of controllers in EVERY ASPECT OF EXISTENCE? THINK ABOUT THIS ALSO!

WEAVER/BO GRITZ UPDATE

Weaver is wounded (shot in the arm) and Bo will not leave the area. If the Feds want this man so badly as to do such a horrendous thing over one (set-up) fire arms violation wherein there was actually NO VIOLATION—do you think the man will last incarcerated where they can poison him or simply give him cardiac arrest. Come, come. The Feds DIDN'T EVEN COME WITH A "WARRANT FOR ARREST", little

blind lambs. I am going to write all morning on this and allow you to draw conclusions—for I would not want to endanger these men with "NATIONAL SECURITY" violations by causing them to reveal the nasties in the closet. WHO ALL DO YOU THINK MADE THOSE CLANDESTINE TRIPS INTO CAMBODIA, SHANLAND, ETC? WHY WOULD PAUL HARVEY BE INVOLVED? I THINK WE MAY HAVE A BIT OF SLEUTHING FUN HERE AND SEE WHAT CONCLUSIONS YOU-THE-PEOPLE MIGHT COME UP WITH. WHY WOULD THE FEDS AND ADMINISTRATION WANT THIS MAN ON THE MOUNTAIN MINDING HIS BUSINESS—DEAD? Perhaps GOD answers prayers for those who pray for insight, after all? You must understand, reader, that if a thing is classified "NATIONAL SECURITY" and information is divulged by the one ordered silent—it is DEATH ON THE SPOT! IF THE FEDS WILL KILL A MOTHER AND CHILD—DO YOU NOT THINK THEY WOULD IMMEDIATELY SHOOT, BLOW-UP OR NAPALM A "SPEAKER"—ON THE SPOT AND CLAIM "NATIONAL SECURITY" LATER—AND BE ALLOWED TO DO SO? AH INDEED, GOD MAY BE MOST WONDERFULLY INSIGHTFUL IN THESE MATTERS.

IS HATONN GOING TO TELL YOU THE ANSWER? NOPE!! WE WILL JUST PLAY A GAME OR TWO IN "POSSIBILITY THINKING", DR. WATSON! LET US BEGIN, HOWEVER, BY KNOWING THAT WEAVER IS NOT AND NEVER WAS, A MEMBER OF THE ARYAN NATION. THE CUTE LITTLE HOODLUMS CALLED SKINHEADS WERE SENT AS PLANTS AND YOU BETTER GET WITH FACTS AND GET RID OF THE FANTASY YOU ARE GIVEN OR YOU ARE DEAD! THE FIRST REAL RIFT CAME WITH WEAVER WHEN HE REFUSED TO GO IN AND INFORM ON THAT VERY GROUP. HE WAS ALREADY "WANTED" AND THIS WAS AN "EITHER/OR" ORDER. HE REFUSED—SO, BEGIN TO TAKE IT FROM THERE!

WEST COAST URGENT WARNING

Culver City (L.A.) had an earthquake today. There was immediate release of "sulfur smell". The sulfur odor has been building since the first quake in "Landers". The excuse given is that it is coming from "dry fissures" in the Salton Sea—over a hundred miles distant.

Salton Sea is created by volcano activities in the past—is an inland "dead sea" and those volcanos are ready to rip apart. Remember the writings on "deadly fumes up through Lake Elsinore" we wrote about a couple of years ago? Get ready—these will be DEADLY! You can now expect minute by minute possibility of the San Andreas "going" and with it will come "fumes from the very streets and sidewalks" as Nostradamus put it. The area of

29 Palms military base is UNDER EVACUATION as will soon be the civilian surrounding area.

In Needles, California there are trainloads of military equipment off on sidings ready for use. Wake up—America. The earth shakes in this area until nausea is the constant complaint and particulate in the air is causing massive allergy and irritation response in ones who DONT HAVE HAY FEVER! The areas around the original quake sites are of "cottage cheese" consistency and in appearance as seen from air surveillance.

Why didn't "I" tell you about the hurricane and Florida? I DID!! I did so from the moment it was created! However, if you don't GET the information what difference does it make?

My people do not have funds to publish more often nor carry more "hot lines"—they are doing the very best that they can and it never can be "enough". If you don't subscribe to the paper then you can't have it timely at any rate. Even then we are using first class mail to speed receiving but the paper is "going broke"—so there you have it. Our staff is failing physically from the around-the-clock burden and no rest.

PHILIPPINES

Big things going on in the Philippines. Mt. Pinatubo is spewing sludge and is going to erupt massively at any minute with "no further warnings anticipated". (That is the way it always is when it is "triggered" and, if not "triggered", why would such a statement be made?) They "say" the eruption will be even bigger and more devastating than last year's and already evacuations are taking place from the mountains nearby! And how is your day?

GAMES: 20 QUESTIONS

Some of you elder statesmen may remember a "game show" called *20 Questions*. You guessed a thing by deductive reasoning from a series of questions—with a bit of factual information with which to begin.

This game we shall play requires that I give you information KNOWN, information from the current press, players in the news right now and then deductive reasoning as a result of a few questions. We will ask the questions—YOU provide the conclusions. Will you ever know if your conclusions are correct? Yes, if you demand to know—loudly enough. Ballots seem the very best approach to me since the story is going to be around and about Bo Gritz in one way or another.

We need to conclude about several points

so the goal needs to be stated up front.

1. Why is Bo Gritz at a standoff with the Feds and a fellow Green Beret at Ruby Point, Idaho?

2. Why do the Feds want Randy Weaver so badly?

3. Is the "story" given by the Feds, logical or truthful?

4. Why did "Paul Harvey" make the approach for help for Weaver?

To begin consideration, you are going to have to have more information about Randy Weaver THAN IS BEING PUBLISHED BY THE MEDIA ALLOWED INTO AND ONTO THE SCENE UNFOLDING IN IDAHO. Some questions will be answered in the reprinting so let us just begin and then we can backtrack to prior circumstances as seem appropriate and/or interesting for consideration.

To play this game FAIRLY, I must tell you that Dharma KNOWS NOTHING MORE THAN DO ANY OF YOU WHO WILL READ THIS. SHE HAS NEVER VISUALLY SEEN ME OR MY CRAFT OR ANY OF THE OTHER BROTHERS—IN CONSCIOUS REALIZATION—SO SHE HAS NO ADVANTAGE EXCEPT FOR THE SAME CONFIRMATION YOU ONES GET.

KEEP IN MIND

This is a most important year regarding Presidential election—at best, it will not be "normal". Now, remember what we have given you regarding the players for the role of President, who is groomed by who, what have been their past actions (hidden but now revealed), why there would be a standoff with Federal troops and high intelligence SWAT teams in the backest of backwoods, Idaho.

What do we get from the media? NOTHING on CNN, save hurried non-information about a "fugitive" and finally ONE mention of a Bo Gritz (at 4:00 A.M. this morning and off the airings by 6:00 A.M.). There has been some slippage of the media coverage and mention of this "controversial" "most-decorated Green Beret" and thus and so—mostly quite nothing, if not actually derogatory, in reporting.

Why have you heard ABSOLUTELY NOTHING ABOUT BO GRITZ FOR PRESIDENT FROM ANY MEDIA NATIONAL NETWORK? Why has the "Dean of Journalists", Paul Harvey, failed to EVER speak of Bo Gritz? (???) (This is a biggie!) and, what could a back-woods ex-buddy know about anything that would concern the Administration or the Feds, in general—especially enough to kill his family, plan to burn him out (actually, "kill at all costs"), cause a man to file an affidavit years ago stating the Feds would kill him and other most bizarre and questionable things.

The LOGICAL QUESTION IS: WHY DOESN'T GRITZ, WEAVER AND THE

FEDS JUST COME CLEAN AND TELL YOU WHAT THIS IS ABOUT?

ANSWER: Gritz and Weaver would be shot on the spot for violating orders of "NATIONAL SECURITY". I did not say because of National Security—I said, "UNDER VIOLATION ORDERS OF NATIONAL SECURITY." Whose orders? Ah Ha! The very ones who have placed the orders to shoot and kill. Those ones are part of the conclusions you may wish to formulate but please leave us out of your pronouncements. But, let's see if you have done your JOURNAL homework. This is sort of like a quiz-day.

So, let us get the articles which have been sent to us from here and there from ones who are at the scene in Idaho and collect clippings and have them sent for our consideration. You-the-people would not have them, for the most part, for the major press has handled this situation most differently from the facts and local stare-down.

They may be a bit out of order in delivery, but it is part of the sleuthing to sort and piece possibilities. I shall, however, emphasize in some portions and places which might otherwise be overlooked at first glance.

Let us start with the "affidavit" of Randy Weaver. The paper has no date of reference but it was published by the *Spokesman Review*, 8/28/92. It appears the affidavit was filed in 1985. This, too, is from deductive calculations. Remember—we are working with EXACTLY WHAT YOU HAVE TO WORK WITH AS WE PRINT THESE PUBLICATIONS—UTILIZING PAST INFORMATION FROM THAT WHICH WE HAVE GIVEN YOU PRIOR TO NOW.

WEAVER AFFIDAVIT

Weaver named four neighbors as conspirators against him. Spokesman Review, Aug. 28, 1991:

Weaver's three-page, handwritten affidavit may indicate that the white supremacist's concerns about the government began years before his run-in with federal agents for selling two sawed-off shotguns to an informant.

Or it could be a sign of paranoia, a courthouse employee suggested.

"There is evidence of my innocence, but they continue to try to build an illegal case on a fraudulent accusation and fraudulent evidence because they don't like my political beliefs or religious faith," Weaver wrote.

"My accusers set me up as a criminal member of Aryan Nations. They accused me of having illegal weapons. They accused me of saying I was going to assassinate the President of the United States and the Pope. Very possibly a threatening letter was sent to the President with my

name or initials forged.

"My accusers hoped that the FBI would 'rush' my home with armed agents hoping I would feel the need to defend myself and thus be killed or arrested for 'assault on a Federal Official'.

"Fortunately, bad weather (the first part of Feb., 1985), witnesses to this plot, and our God, the Lord Jesus messiah, King of Israel, prevented a disaster.

"We have had conversations with and explained our innocence and the motive for this conspiracy to have myself and my wife murdered by the Federal Government," Weaver wrote.

Weaver named four neighbors as conspirators against him. Efforts to reach those people Thursday were unsuccessful.

He also listed six officials. He said he contacted then-Boundary County Sheriff Ron Smith about alleged threats against his life. Smith, now the county Commission chairman, left Thursday afternoon to attend a meeting on grizzly bears in Libby, Mont. [H: So couldn't (obviously) be found for comment along with the "four neighbors" above. Coincidence of such a "happening" and their having an alibi during these raids and murders?]

Weaver said he also shared the threats against him with Joe Allen, a former special investigator with the Boundary County Sheriff's Department. [H: Remember that you were told that Weaver had actually run for Sheriff in Boundary county.] A receptionist said Allen moved to Oregon in 1988.

Others contacted by Weaver were Coeur d'Alene, Idaho FBI agents Ken Weiss and Glen Curtis, and Secret Service Agents Bob Andrew and Ron Moelling in Washington, D.C.

Curtis is retired from the FBI's Salt Lake City office, said Dave Tubbs, assistant special agent in charge of that office, who was told of the 1985 affidavit. He didn't know Weiss.

"To the best of my knowledge, we've never had a case on the guy," Tubbs said of Weaver.

"I can tell you we've never had any investigations with him as the subject since at least 1984 when Weaver moved to Idaho," Tubbs said. [H: Tangled webs of lies and deceit?]

He noted the FBI did sweeping interviews with hundreds of people in 1984 and 1985 during investigations of the Aryan Nations. [H: Why??? Aryan Nations is a rather nasty group of self-proclaimed white supremacists—but then, how much damage could they do in the backwoods of Idaho less than fifty miles from the Canadian border—in total isolation and seclusion? Why would the Feds be interested in another man's "religion" in America where there is freedom of speech, press and religion? THIS IS

IMPORTANT SO DON'T THROW OUT THIS INFORMATION—YOU WILL FIND, HOWEVER, THAT THERE IS MORE TO IT—AND, THAT WEAVER WAS NEVER A MEMBER BUT, RATHER, WAS ORDERED TO SPY ON THEM.]

Weaver attended two Aryan Nations' meetings in Hayden Lake and later denounced the hate group.

"I don't know anything about his mental stability, but obviously his background is strange," Tubbs said, referring to Weaver's religious beliefs and why he might have filed the affidavit. [H: Would you say the Seventh Day Adventists have strange backgrounds? The Catholics? The Israelites? The Buddhists? How about the Christians? Maybe the Mormons? Christian Scientists? Atheists? Agnostics, Jews, Muslims??? THE NAME OF THE GROUP THAT CONTINUES TO ELUDE THE WRITERS IS: "CHRISTIAN IDENTITY". Now, chelas, that doesn't sound like "Arian", "Aryan", racist or supremacists—it sounds exactly like it states: "trying to keep identity with God truth (Christ) under the protection of the Constitution of the United States of America!]

"If he did make threats against the president, he would have been interviewed by us, though," Tubbs said.

Next evidence in point is a letter composed by "Friends (neighbors) of the Weaver family".

Received: Aug. 29, 1992. The Fax cut off part of the heading but the letter went to Editors of papers, etc., and a copy was sent to my attention. THIS LETTER WAS WRITTEN LONG PRIOR TO THE IMMEDIATE INCIDENT UNDERWAY NOW.

Quoting:

Editor, -

After spending a considerable amount of time with the Weaver family on their Mountain, we have concluded that Mrs. Weaver and the children are doing just fine, everyone's health is excellent. The children are being taught at home. They are very good at reading, writing, arithmetic and problem solving. In fact, we all agree that they are further ahead than most children of their own age who attend the Public School System. The children have a cheerful attitude about their indoor activities and accomplishments.

After many conversations with the Weaver family we have learned the following things that we feel the public needs to be aware of.

1. In July of 1986, Randy Weaver and his son were taken to an Aryan Nations Congress at Hayden Lake, Idaho by Frank Kumnick (FK), which we are told may not even be his real name. This was the first time that Randy had even thought about going to the Aryan Nations Church, but he

was convinced to go by Frank Kumnick. Since that time Randy has been to the Aryan Nations Church only a handful (if that many) times, mostly just to get literature for research that he was doing in his spare time. Randy has told us that he does not agree with many of the views of the Aryan Nations Church nor has he been there since late Spring of 1990.

2. In 1988 Randy Weaver ran for Sheriff of Boundary County on the Republican ticket. Part of Randy's Campaign was a card that he was handing out. The card had his name on one side and on the other side it stated "Get out of Jail Free", its purpose was to draw attention to his Campaign. Also, Randy's campaign was questioning as to WHY the Government that is now in power, has made itself into nothing more than a large Corporation having turned against the people by not having any feeling for the people, because it is only concerned with feeding itself (revenue and control). [H: Seems like a pretty good question to me!]

3. In late Spring of 1990 Randy Weaver was threatened by Federal Agents while he was at the Aryan Nation Church. The Federal wanted Randy to set Butler's church up and if he did not cooperate they would make sure that Randy was "SET UP REAL GOOD". Randy emphatically would NOT agree to cooperate with the Federal Agents to be an informant against the Aryan Nations Church, even though he was not a member of the Church, because he did not feel it would be a righteous or patriotic act against those who were exercising their Freedom of Speech and Freedom of Religion.

4. In December of 1990 a Federal Indictment was brought against Randy Weaver for selling and/or possessing two sawed-off Shotguns. One of those shotguns was an 870 Remington Pump Shotgun with a 20" (This is of legal length) Buck barrel, which was purchased by Randy from the Gun Shop in Bonners Ferry, Idaho for Steve Tanner who did not want his name to appear on the FFL 4473 form. The second Shotgun in question was a H&R 12 Gage Shotgun purchased for Frank Kumnick by Randy from the Pine Street Pawn Shop in Sandpoint, Idaho for apparently the same reason as the first Shotgun. BOTH SHOTGUNS WERE UNALTERED BY RANDY AT THE TIME HE DELIVERED THEM TO THE ABOVE MENTIONED PEOPLE. AT THIS TIME RANDY DID NOT KNOW OF THIS INDICTMENT AGAINST HIM. Did paragraph 3 just come true? ("SET UP REAL GOOD").

5. In January of 1991, the day after the war started with Iraq, Randy and his wife were heading home when they came to one of the bridges that they have to cross and noticed a Pickup with a camper topper on

the back stranded in the middle of the bridge with its hood up and a man leaning over and looking into the engine compartment. Randy got out of his truck and went up to the man to see if he could help. As Randy was looking into the engine compartment the man pulled out a .45 cal. pistol and held it against Randy's nose. By this time there appeared out of the camper several more men and one woman, all of whom were armed. The woman went to Mrs. Weaver and began to "frisk" her. After she was through "frisking" her she started to "frisk" her again when one of the older men told her that that was enough.

Randy and his wife Vicky were arrested by B.A.T.F. Agents. However, Randy was the only one who was detained and held under custody. At no time was an arrest and/or search warrant(s) presented to Randy or his wife Vicky. THE SHERIFF OF BOUNDARY COUNTY WAS PRESENT WHILE ALL OF THIS WAS TAKING PLACE. [H: Remember please—emphasis mine.]

6. At Randy Weaver's first hearing before a U.S. magistrate he was NOT ALLOWED COUNSEL, WHEN HE REQUESTED ONE TO BE PRESENT, NOR WAS THERE A PROSECUTING ATTORNEY PRESENT TO REPRESENT THE UNITED STATES. After his hearing Randy was released on a \$10,000 signature bond to guarantee his appearance at future hearings.

7. Randy Weaver requested Everitt Hofmeister, of Coeur d'Alene, Idaho as his attorney before the above mentioned hearing. After learning later Mr. Hofmeister is being paid by the Federal Government to defend him, Randy questions whether he can even trust Mr. Hofmeister or the courts, because Mr. Hofmeister, the Prosecuting Attorneys, the Judges and the Agents who stated Randy would get "SET UP REAL GOOD", are ALL paid out of the same pocket—The Federal Government. Randy will not turn himself in because of the threats made to him by Federal Agents and also because of the above stated reasons.

8. Why has the news media all of a sudden been agitated to shame the U.S. Marshals into doing something with Randy Weaver when he has put himself under a self imposed house arrest? Is there someone or is there more than one who would wish to see physical harm (or even death) done to the Weaver family? Who are these subversive agitators among us that would do such a thing as this? Why was Geraldo Rivera in a helicopter over the Weaver's property, the same day as the U.S. Marshals were present? HOW DID HE KNOW? [???

9. We have discovered it is not illegal to own a sawed-off shotgun, but it is illegal if you do not pay the required amount of

revenue for a permit from the Federal Government. Why then is the Federal Government spending so much money, our tax dollars, on someone who had not been found guilty of failing to buy a permit, or for that matter, of ANY crime? It could just as easily been someone not having a driver's, fishing or hunting license. It's just a means for the Federal and State Government(s) to collect revenue from the Citizenry.

10. Mrs. Weaver told us that she does not want herself or her children to leave their home on top of the mountain to be exposed to the sin and lawlessness (drugs, alcohol, pornography, bearing false witness, etc.) which is in the world and also because Mrs. Weaver feels it is her place to stay and protect her property from those who would do damage or harm. When we go up to visit the Weavers it is like going to a place that you have no worries or fears from the lawlessness of mankind; it is like getting a breath of fresh air or a cool clean drink of spring water. [H: How nice that Mrs. Weaver no longer has to worry about her son who was murdered on Friday—nor, herself, face such worries since her own murder by "your protectors" on the following day, Saturday. The Feds do stick with a task, don't they? Obviously, all for a "permit fee"? But who will worry for the two daughters left and the 9 month old baby? The father who is also "shot" or perhaps the "friend" of age 24 who was shot through the chest but survives—FOR NOW? Perhaps all you good neighbors and citizens will rush in and attend the helpless? Surely I jest? How about Geraldo? How about Paul Harvey? Gritz seems to be doing all he can along with some of you willing to keep vigil—and the gasoline bearing helicopter sent to burn the family OUT. AH INDEED, THIS IS GOOD OLD AMERICA—I ALMOST FORGOT FOR A MINUTE—LAND OF THE FREE AND HOME OF THE BRAVE. How much bravery is required to shoot a pet dog, a child and his Mother—dead—and spray the dwelling with automatic weapons fire? HOW BRAVE HAVE YOU BECOME—AMERICANS? DHARMA SAYS SHE IS NOT BRAVE! NO? I HEREBY BEG TO DIFFER FOR SHE AND YOU WILL MAKE THE DIFFERENCE IF ONE IS TO BE MADE!]

11. Randy Weaver has told us over and over that he is not guilty of the charges that are held against him. But because of what has been stated above he will not turn himself in because he is afraid for his life more in the hands of the authorities than he is at the mercy of the mountains.

12. Why doesn't the Federal Government forget about its procedures and hold trial without him, pronounce him guilty, and sentence him to the time he has served under his own (as a Federal Agent stated in

the *Spokesman*) "self-imposed house arrest"? Thereby, avoiding the potential for needless bloodshed, on either side that is likely to occur.

There have been people who are supposed to be friends of the Weaver family who have misrepresented them, stole from them items and money that were intended solely for the Weaver family and have stated things that the Weaver family was supposed to have said when they have not. This has got to stop before further damage is done, be it their lives or reputation.

Through our investigations by talking with the local Citizenry, we have discovered that Randy Weaver is well liked around the community because he has helped many in need without looking for something in return; he has taken a stand against immorality, corruption in government, etc. Randy wanted only to help his fellow citizens.

With the intent of preventing bloodshed and incurring any additional burdens to anyone, those of us who are concerned would be more than willing to pay the required fees for the permits necessary to put this matter to a rest if the Federal Government is not willing to do as suggested in paragraph number 12.

Sincerely,

Friends of the Weaver Family.

Everybody still with us?

Dharma, close this, please, for a minute—I want to get a note to Bo Gritz.

VALID RUMORS: GRITZ

Urgent message for Col. Gritz, on site. The rumors appear to be valid that an indictment has been issued, charges unknown, with warrant to take into Federal custody. This indicates, as far as we can discern, that plans ARE TO TAKE BOTH WEAVER AND GRITZ INTO FEDERAL CUSTODY IMMEDIATELY UPON WEAVER'S SURRENDER.

It is hoped that this message will be gotten to, and ATTENDED BY, APPROPRIATE PARTIES ON BOTH SIDES OF THIS CONFRONTATION IN IDAHO.

IT IS FURTHER HOPED THAT ALL WILL REMAIN CALM AND WITHOUT RASH RESPONSE UNTIL THIS INFORMATION CAN BE CLEARED WITH FEDS. THEN, IF UNRESOLVED, IT APPEARS FORCE WILL BE UTILIZED REGARDLESS OF CONSEQUENCES TO THE TWO PARTIES INVOLVED—DEATH BEING THE CONSEQUENCE OF CHOICE. IT WOULD APPEAR, HOWEVER, THAT SUCH UNTHINKABLE ACTION WOULD BE UNWISE, INDEED, FOR RUMORS ARE ALSO THAT PATRIOT SPECIAL FORCES ARE ON ALERT AND ALSO READY TO RESPOND. WE ARE NOT GIVEN ANY FURTHER INFORMATION

ON THIS MATTER. OUR PRAYERS ARE THAT WISDOM WILL PREVAIL IN ALL INSTANCES FOR THIS WOULD MEAN, SURELY, ALL-OUT REVOLUTION WITH BULLETS—NOT BALLOTS.

It is assumed by Feds that Patriots are again sleeping after a week of ability to pump the nation full of new notions and distract through other means. Be most cautious today as Feds appear pretty desperate in desire to encapsulate Bo from public and will likely take rash action. Media has turned totally hostile and national media is giving totally false information.

It is time for patriots to WAKE UP, not return to your pallets for as of this morning it appears the Feds want a dirty game of it. Information is likewise being kept FROM ones who are making decisions and negotiating. THE ADVERSARY IS ALIVE AND WELL AND FUNCTIONING TO FULL CAPACITY OF DECEIT.

It is further hoped that ones who would damage and incarcerate Col. Gritz on ANY charges, would rethink the situation and, FURTHER, THAT COMMANDER GRITZ WILL REALIZE THIS FLACK IS RIGHT ON TARGET AND RESPOND ACCORDINGLY. GOD IS ALSO ON "REACT" AND DECISIONS HAVE TO BE CONSIDERED WHICH WILL TAKE A FEW MORE HOURS, IT SEEMS.

It seems to be fully realized by the Federal agents involved that Commander Gritz would have to also be "taken" if this matter with Weaver be resolved.

How could two men be so important to the Administration and

top-level government? Could it be that some sort of a "team" might have gone into the Golden Triangle after POWs as in "First Blood II", found the hotbed of cover-up—possibly even involving Paul Harvey some way—and THEY have to be silenced? Especially before election? Since neither Weaver nor Gritz have now or ever been involved with this "ARYAN NATION" except to REFUSE TO BECOME INVOLVED IN ANY WAY—THERE IS CERTAINLY SOMETHING TERRIBLY WRONG WITH THE RUMORS AND IT ALL SEEMS TO SMACK OF MORE COVER-UP!

Remember that the more *LIBERATORS* THAT ARE IN CIRCULATION—THE BETTER FOR *OUR* NATIONAL SECURITY. We have been remiss in not getting many copies to the area in point and tomorrow's issue is even more informative regarding many of the happenings. We would appreciate help in correcting this oversight. If you have ability to get information into the area—please contact the *PHOENIX LIBERATOR* office at 1-800-800-5565.

WE OF COMMAND NOW HAVE SEVERAL RESOURCES FOR INFORMATION EXCHANGE TO COVER ALL POSSIBILITIES OF SHUT-DOWN. IT WOULD SEEM WISDOM WOULD ALLOW OPEN CONDUIT FOR RECEIVERS DO NOT HAVE ANY INFORMATION TO SHARE BEYOND THAT WHICH IS DIRECTLY GIVEN AT ANY WRITING. GOD HAS BEEN PETITIONED TO SERVE AND GOD IS RESPONDING. THANK YOU.

Latest Update From Idaho

(Editor's note: The following is absolutely "hot off the FAX" at 5:19 PM today - 8/31/92 - from John Prukop, the Washington State Press Secretary for the Bo Gritz National Presidential Campaign Committee. John has been on top of the Randy Weaver issue since it began. This is the latest of a number of bulletins John has put together from data supplied by supporters of the Weaver family plus some input by Bo himself. John can be contacted at 206-927-0805.)

AMERICAN TRAGEDY:

ASSAULT AT RUBY CREEK

(Editor's note: We apologize for the length of this report/update on the siege in northern Idaho; however, there has been much disinformation and labeling of Randy Weaver, his family, and Kevin Harris. When the truth of this report finally reaches the American People, despite cover-up of the facts, together, we will all realize that this entire Assault at Ruby Creek has been deliberately stage-managed, with malice, forethought and premeditation on the part

of the United States Defacto Government. From the following facts, it is incontrovertible that officials within the Washington, D.C. power circle, Federal Bureau of Investigation, U.S. Marshal Service, and the Justice Department have condoned, encouraged and spawned felonious abuse and cover-up of abuse of: discretion of office; power of office; firearms and directing of lethal force; military and/or paramilitary forces; and, more as charged in the six-page Federal Order for Citizen's Warrant for Citizen's Arrest.)

(Naples, Idaho)...A group of supporters

of independent U.S. Presidential candidate, Lt. Col. James "Bo" Gritz have established their own "Command Post" to assist in the organization of the "peaceful demonstration" and the release of accurate information. Their concern is that the "near blackout" of the press, plus disinformation and rumors, have created a state of confusion. The story from Ruby Creek, located in northern Idaho, is now an international news story. Some of the important points are capsulated herewith:

On the afternoon of Friday, August 28, 1992, Col. Gritz was finally permitted to begin to negotiate an immediate solution. His offers to negotiate were shunned by federal authorities until Col. Gritz and a former, meritorious Phoenix, Arizona police officer, Jack McLamb, white-collar criminal investigators Eric Lighter of Honolulu, Hawaii and retired Lt. Col. John Salter of Missoula, Montana, invoked federal warrants for citizen's arrests. These arrests were served on (1) FBI Director William Sessions, (2) apparent FBI on-site oversight Chief Gene Glenn, (3) Idaho Governor Cecil Andrus, and (4) Washington, D.C. Director of the U.S. Marshal's Service, Henry Hudson. After their releases on their own recognizance, delivery of the arrests are being made to federal grand juries in Idaho, and at least a dozen other states. When the U.S. Marshals lost control of the military "hit" on the inhabited cabin of Randy Weaver, of Ruby Creek, Idaho, the FBI Assistant Director for Criminal Investigation Division handed control of the "assault at Ruby Creek" over to Director William Sessions in Washington, D.C.

For about one week, the Weaver family and friend Kevin Harris have been holding out in their mountain-top cabin, relating to an alleged firearms violation. The incident has resulted in the death of Randy Weaver's wife, and his 13-year old son from separate, purposeful gunfire incidents involving U.S. marshals and FBI agents. A U.S. Marshal was also killed, William A. Degan. Wounded, but still alive, are Randy Weaver, 44, and Kevin Harris, 24. Kevin Harris was airlifted by helicopter to Spokane, Washington's Sacred Heart Hospital Sunday, August 30th, accompanied by Jack McLamb. His condition was reported as stable. Randy Weaver and his three daughters, ages 16 and and 8, and 10 months, at last report, were still inside the cabin. Weaver is a popular neighbor, who was narrowly defeated in his bid for Sheriff of Boundary County in 1988. Col. Gritz recently arrived to attempt mediation with former Green Beret Weaver, who requested Col. Gritz's assistance in the face of up to 500 armed agents and national guard soldiers. Col. James "Bo" Gritz was the most highly decorated Green Beret Commander in Vietnam, but was denied access to

Weaver, until he invoked the arrests.

A three-page affidavit from February 28, 1985, filed in public record, predicted that the FBI would murder Randy Weaver and his family, as a result of a smear-campaign due to disagreement with Weaver's politics and religion by certain parties within the Washington, D.C. "power circle". Initial inquiry indicates that Weaver's military activities may be of more concern to these entities in Washington, D.C. The death of 13-year old Sam Weaver violated, among other laws, the Geneva Convention Protocol. The rest of the Weaver family and friend Harris have similarly immense damage claims and U.S. Constitutional violations. The arrests and attached massive exhibits were prepared by Lighter and Salter, and then faxed to Col. Gritz from Hawaii. Lighter and Salter then arrived in person late Friday (August 28, 1992) at the Idaho site, where they met with Gritz, Jack McLamb, and many in the growing crowd of supporters. The paramount issue now is the safety of the Weaver children. The remaining cabin occupants are, essentially, hostages of the FBI. Lighter and Salter have offered themselves to become hostages in place of the children. The conditions are: If Sessions or President Bush come to the site personally, Lighter and Salter will allow the "hostage swap" to proceed, plus they will cease prosecutions of Sessions and Bush on the \$50 billion dollar tax bribe made to them by the White House. Also, they will cease suit against the Iran-Contra special grand jury for prosecutions that kept the Iran-Contra case open past May 15, 1992. The actions of Lighter and Salter aided in certain other prosecutions in that scandal, partially noted in the May 31, 1991 *Federal Register*, pages 24836-24843. Importantly, within those legal actions there is evidence that the federal grand juries in Washington, D.C. have been tampered with by federal officials. Lighter and Salter have said they want to prevent other sniper bullets from potentially being aimed at other innocent victims, especially supporters of Col. Gritz. However, Lighter and Salter insist that once the crisis has passed and all parties are safe, all federal authorities must leave the Ruby Creek assault site.

Lighter and Salter also demand that Randy Weaver be provided a provably honest, impartial and fully informed jury. The cabin must be photographed immediately, together with all pertinent physical evidence at the Ruby Creek assault site.

BACKGROUND

During the afternoon of Friday, August 21, 1992, former Green Beret Randy Weaver, 44, and his 13-year old son Sam, were walking near their forest cabin with family friend Kevin Harris, 24. When the

family dog began barking, Sam and Kevin approached the sound to see if a deer had been flushed out. Someone wearing body armor and a camouflaged uniform emerged from the brush and told Kevin to "freeze". Someone else shot the dog, and 13-year old Sam turned and immediately made a loud protest about shooting his dog and apparently fired a 30-30 rifle at the intruder. Sam had met an assault team of U.S. Marshals in body armor, who were top specialists in hostage and terrorist situations. They were there without a warrant and without identifying themselves. Upon hearing the shots, Randy, a short distance away, fired his shotgun into the air and yelled for Kevin and Sam to come to him and to the safety of the cabin. As young Sam came running, someone shot Sam in the arm. A second shot was fired at Sam, as he headed to the homebuilt cabin, striking him in the back. Kevin stopped and checked for Sam's pulse, thereupon pronouncing Sam dead. Kevin proceeded to run for the cabin. Randy and Kevin made it safely back to the cabin. In the cover of darkness, Randy and Sam's mother, Vicki, recovered Sam's body, cleaned it up and then wrapped it in a sheet in preparation for burial. The body was then placed in a woodshed near the cabin. Saturday, August 22, 1992, Randy went out to the shed to say his last goodbye to Sam. When he reached up to unlatch the door of the shed, Randy was shot through his arm, with the sniper's bullet exiting via his armpit. Randy turned and told Kevin to take cover in the cabin and then ran quickly back to the cabin himself. However, in the process, Vicki opened the door while holding her 10-month old daughter Alishba. Vicki was shot in the head approximately between the eyes, killing her instantly. Fragments of Vicki's skull and of the well-aimed sniper's bullet also hit Kevin, breaking a rib and injuring a lung. Randy closed up the cabin and has remained barricaded with his three daughters and Kevin ever since. No return fire was given from the cabin, or at all, save for the initial confrontation on Friday, August 21st, in the forest.

After Marshal Degan died, another U.S. Marshal called in the Idaho State Police, the city of Spokane, Washington Police and the Idaho National Guard. Moreover, the Alcohol, Tobacco and Firearms (ATF) and FBI agents came to the scene. An assortment of other bureaucrats eventually showed up, including personnel from the U.S. Attorney's office. Idaho Governor Cecil Andrus next declared *martial law*, allegedly after the initial shooting incident. Beginning Sunday, August 23rd, up to 500 armed officers and SWAT teams became involved in the siege. Armored personnel carriers, various helicopters including at least one large Huey helicopter, and numerous armored vehicles arrived around

the base of the mountain, with Randy's cabin on top. The Idaho National Guard supplied generators, a bulldozer, front-hoe tractor, bridge planking, truck loads of other equipment, tents, cots, 50-caliber machine guns, and assorted military equipment; plus other high-tech electronics. The local inhabitants of the area were removed from their homes on Friday after the first shots were fired.

Next, a four-seat FBI helicopter and hundreds of troops arrived in the staging area. At least 30 agents positioned themselves to surround the first perimeter of the cabin, which perimeter extended 200-meters from the cabin. However, Idaho National Guardsmen now became unarmed upon demand by the FBI, apparently only to add to the appearance of mutual cooperation, as federal authorities became seemingly concerned about Guardsmen sympathy turning into mutiny.

Also on Sunday, August 23rd, a satchel charge of explosives was planted by a SWAT team near the cabin. A satchel charge is an explosive device that can be readied and set off by timer or remote control. An hour later, a 20-gallon blue plastic drum was filled from a diesel truck with the same fuel used by the generators, and then placed aboard the FBI helicopter. The FBI helicopter then took-off and flew towards the cabin when a news reporter and local separatist scout stepped out from beneath the trees and made sure the pilot saw that he was being photographed. The pilot then circled two times and landed. The film evidence of this event survived a hasty journey down the hill, and is in safe hands. The diesel fuel was to have been poured on the cabin and the satchel charge set-off to make a fire bomb that would easily consume the cabin and all its occupants, including the two young girls and a 10-month old infant barricaded inside. The news reporter who photographed the attempted firebombing has been arrested for "obstruction of justice". But the film was successfully developed and safely secured. Some "official" reports are being challenged by local inhabitants of the area. The official report is that Marshal Degan was not wearing body armor at the time of his death. Marshal Degan was allegedly not shot by another U.S. Marshal, in what is known as "friendly fire". However, in order to lessen the evidence of the wrongful death of 13-year-old son Sam Weaver, and because the Federal weapons being used at the scene fire in 3-shot bursts, some observers believe that Degan's vest was removed after his death to conceal two other "friendly fire" hits. Some conflict also exists regarding the sniper-fired "stray" bullet that killed Vickie Weaver on Saturday, August 22.

FBI informants are at the site. One FBI informant was unsuccessful in offering to

lead Lighter and Salter up a back road, up the mountain, alleged to be unguarded. "Bo" Gritz arrived at the Ruby Creek assault site. Col. Gritz was at the Ruby Creek bridge, under constant surveillance by various armed agents when an ATF agent sighted a weapon on Col. Gritz, and an immediate protest was lodged. The assassination attempt of a U.S. Presidential Candidate was unwise. On Friday, August 28th, while Col. Gritz was reading the text of the citizen's arrest warrants, Col. Gritz had his back to the barrier rope when another ATF agent, identified as Agent Ahern, stood pointing his loaded H & K MP-5 submachine gun, which hung by a sling from his neck, at Col. Gritz's back. One of Col. Gritz's supporters, Don Stewart of Portland, Oregon, jumped between the gun and Col. Gritz, and then told the agent in rather strong terms that he had better take his finger off the trigger and point it elsewhere. After briefly turning the weapon away, ATF Agent Ahern again pointed the loaded machine gun at Col. Gritz. Col. Gritz walked away, safely, after delivering the arrests, and continued in his ordeal to ensure the safety of Randy Weaver, his three girls and Kevin Harris.

The intense stand-off had become defused enough to allow Col. Gritz to escort friends of the Weaver family up to, but not

within, the cabin. Col. Gritz's *call to action* to end the tyranny of the bureaucrats in Washington, D.C. continues to expand. Col. Gritz supports this report and wants the bureaucrats responsible for this **Assault at Ruby Creek** to be held accountable for their orders and actions, including the investigation of the entire episode of events by Federal Grand Juries.

BULLETIN

8/31/92 1430 HRS PDT

Moments ago, independent Presidential Candidate, Lt. Col. James "Bo" Gritz walked off Ruby Ridge with 44-year old Randy Weaver and his three daughters. Col. Gritz negotiated his departure from the cabin which included Weaver being able to walk, unhandcuffed and with his full dignity, with his daughters, down the mountain to awaiting U.S. Marshals. Weaver will be taken to Boise, Idaho for arraignment. Col. Gritz and retired Phoenix, Arizona Police Officer Jack McLamb will also be enroute to Boise. According to an agreement signed by federal officials, Weaver's three daughters will apparently be allowed to remain with relatives. Further details of the end of this 11-day ordeal will be made as they become available.

Law Center Call For Help

8/30/92 #1 HATONN

CONSTITUTIONAL LAW CENTER

At the top of our list today is Constitution Law Center actions. Because of the "Center" it appears California WILL do something about passing the budget—while the Legislature blames the Governor and back and forth. No time for speeches—just read the information:

PASS THE BUDGET AND PAY THE PENALTIES

(THIS IS ALSO A VALID "FEDERAL" APPROACH BUT THE CENTER NEEDS HELP!)

The Sacramento (Calif) based Constitutional Law Center has filed a civil lawsuit against EACH legislator for their failure to pass a budget by 6-15-92—A CONSTITUTIONAL MANDATE.

This unique class action lawsuit demands that each legislator be personally responsible for this Constitutional Law violation and pay penalties out of their own pockets.

THE DIRECT PENALTIES NOW BEING CHARGED TO US TAXPAYERS IS \$10,000 PER HOUR, \$240,000 PER DAY AND NOW,

AFTER 60 DAYS ARE OVER \$15 MILLION PLUS THE INDIRECT COSTS THAT CONTROLLER DAVIS ALLEGES ARE OVER \$250 MILLION THROUGH THIS DATE, 8/29/92.

This terrible tragedy greatly overburdens the economic condition of this state and its citizens.

The cavalier attitude of our legislators toward this crisis is disgusting and will be repeated yearly (and in every state) unless the Law Center is successful with this lawsuit.

WE NEED HELP!!

1. VOLUNTEERS: CALL 916-485-7901 TO ASSIST.

2. MONEY: We anticipate we will spend a minimum of \$250,000. We do not have the money and need your donation.

Please send your donation to: CONSTITUTIONAL LAW CENTER, 564 LA SIERRA DR., BOX 176, SACRAMENTO, CA. 95864. EVEN A COUPLE OF FED. RESV. NOTES WILL HELP—ESPECIALLY FOR YOU WHO ARE ON "IOUs" FOR YOU WILL REAP THE MOST BENEFIT!

TIME TO RALLY—AMERICA, FOR YOU ARE NEXT! IT IS TIME TO REGAIN YOUR NATION OR FORGET IT FOREVER—JUST LIKE YUGOSLAVIA! IT IS PULL TOGETHER TIME, AMERICA.

Dear Readers: Go For It!

Our country has reached a point in time where we must make an all out effort to elect Colonel James "Bo" Gritz as President of the United States. November is right around the corner and there is precious little time for us to act. Every one of us who support Bo Gritz must do EVERYTHING within our ability *and beyond* to get him elected. Bo was chosen by GOD to lead us through these troubled times and we must not rest until he becomes our first honest President in many, many decades.

Believe In Miracles

If we do ALL that we possibly can and then ask GOD for help we will succeed if it is HIS will. If we don't do ALL that we can, then we have no one but ourselves to blame for what the adversary pulls off against us.

Please contact *everyone* and *anyone* who will listen to you about Bo Gritz and what he stands for. Call or write all of the media sources listed below. And don't give up until they listen!

If enough of the American people find out what our government and the private bankers have done to us, then surely there will be a strong positive reaction to keep the

ball rolling and recapture this once great nation under Bo Gritz' capable leadership.

It only took 3% of the *American people* to defeat the British during the American Revolution. Do we have the resolve and the guts that our forefathers did to free ourselves, once again, from yet another King George's New World Order and the insipid Banksters?

Remember that this world is the means and the platform by which we as the Human Species must learn and progress Spiritually at this time. We must recognize and meet the challenge. We must not let the adversary have his way.

America is in a unique position in that as we go, so goes the world. Let's do our very best to lead the way.

If you can afford to buy some literature please contact Bo's campaign headquarters and order campaign videos and brochures to help spread his message. Also, if you can arrange local cable TV air time, then ask Sybil at the campaign headquarters to send you a copy of either the 29 minute or the 60 second, 3/4 - inch format, videos. **The telephone number for the campaign headquarters is 1-800-633-7692.**

by Sananda, Hatonn, Ashtar,
Tesla & Russell
\$10.00...150 pp
ISBN: 0-922356-04-1

The deceptive origins of this man-produced disease are revealed, including the link with cattle and sheep viruses. The sobering introduction of AIDS as a means for population reduction by the World Health Organization through the Smallpox Vaccination program is exposed, as well as involvement by the Public Health Service through a Hepatitis B study on homosexual men in New York, Los Angeles, and San Francisco. Learn of the unique mutating ability of this virus and why there is no such thing as "safe sex". Viruses are crystalline structures, and therefore, may be destroyed through the use of electromagnetic sound and light frequencies. The cutting-edge research of Strecker, Rife, Priore, Russell, Crane, Cathie, and Tesla are all explored in this profound and troubling work. Become informed by the story behind the story you are being told.

Constitutional Law Center Requests Help!

Dear Readers,

The Constitutional Law Center wishes to thank all of you for your support and prayers. It is because of your dedication toward preserving the Constitutional rights of everyone that we continue to become increasingly effective.

Currently, we are seeking experts in Constitutional Law, as well as other areas of law, to assist us with the tremendous research that we must develop. This research can be done in your area and forwarded to us via fax or mail.

We are especially in need of the legal knowledge of suspended, disbarred or retired attorneys and are desirous of establishing contact with those who are naturally "drawn" to the study and practice of Constitutional (Common) Law.

We urge you to contact us if you, or someone you know, are available to perform such research for the Constitutional Law Center.

And again, we thank you for your tremendous support.

Sincerely,

Gene Dickson, Director
