The Roller Coaster Is Picking Up Speed Again

9/16/92 #1 HATONN

HOLD YOUR BREATH

The roller-coaster is picking up speed so that, as with Humpty Dumpty, the dive off the bombed out "end" will dump the nations into absolute and total confusion and inability to sort it—for years and years to come.

Most of the people will continue like sheep in the "slaughter" chute, tolerating the prodding and accepting the "hand-outs" (if they come) with anticipation of looking like Somolian skeletons by the time you reach the chute's end. Fat sheep present more of a problem in disposal if not for "market" as meat. Or, could you be heading for "Soilent Green"? How will you know? Will you know because the "President" weeps at a letter from a "Gold Star" mother who does not RESENT the murdering of her son? Probably from anthrax introduction and not even from battle? Or might it be "friendly fire"? Practically no one, according to the government statis-

tics, could have been killed from battle in your "precision bombing" war against a tiny Middle Eastern "third world" country.

WORLD ECONOMY TODAY

Still think the economy is not FIXED? How come, then, did Great Britain raise the interest rate a full five points today?

You must look to Germany wherein it was said the last two days' market rallies owed the rallies to acts in Germany. What say ye to the fact that Germany is now REMOVING INTEREST TAXES DIRECTLY FROM ALL SAVINGS ACCOUNTS—IN ADVANCE AND WITHOUT PRIOR NOTIFICATION TO HOLDERS? Those so-called neo-Nazi rallies against the Asians are a bunch of B.S. and I see not how you miss it. They are so well orchestrated at government level that the very number of injured are precalculated as are the insults and slogans being brandished about.

The plan is still ON for massive collapsing of the economies toward the end of October—if they can be held together that

long. Final massive efforts of the monied parties about the globe are making last ditch efforts to scatter funding and get some assets into safety. As a for instance, it is going to be noted that the money for those lovely F-16s that Taiwan is buying (from the U.S.) is going to come from ones in the Philippines. Does anyone notice that the only pitch of the Republicans is toward recovery through WAR MACHINERY AND WAR? This is as old as history itself.

WHAT OF WARS?

The U.N. Security Council voted to allow the "peace keeping" U.N. forces to use FORCE in Bosnia.

COLD WAR is over? Does anyone feel a bit sickly today? You have met your enemy, alright, and he is among you. You might have missed a little point in war games: Russian officials admitted, after repeated denials, that the Soviet Union and later Russia has been violating a 1972 treaty banning germ warfare. The U.S. and Britain have voiced concern that the Russian government had failed to act on a promise to halt its program for making illicit bacteriological weapons. Oops! I hope that every listener will get a copy of this week's LIBERATOR for it is a bird's eye view of the introduction (DELIBERATELY) of disease into water supplies. The water you consume was already bad enough but under the non-need to test, ACTUALLY, for

Soltec's Geophysical Update Of Restless Mother Earth

9/16/92 SOLTEC

Good evening, Soltec present in the Light of Holy God, the God of Radiance. We of the Host are most pleased with those who are in service to assist in this mission.

Though it may seem somewhat quiet on the geologic front, rest assured that the lull is a temporary one. There are forces at work, both natural and man-caused.

You just experienced the worst hurricane of the century in Hawaii, which all but leveled the island of Kauai and now they, too, are under the control of FEMA. Hurricane Iniki was the result partially of the warming ocean currents brought about by the underwater volcanic activity heating the water. However, there was, once again, man's interference with this which caused the massive intensity of the storm. The technology used in this was developed by our Mr. Tesla, who will be addressing the issue some time in the near future. Though Nikola's intention was for the benefit of all mankind, remember that anything invented or created for good can and will be utilized by the Adversary toward the detriment of mankind.

There is still a tremendous amount of volcanic activity occurring in the depths of the Sea of Peace and it is merely a matter of time before there will be additional geologic activity. The potential is existent and could appear at nearly any point in or around the volatile Pacific Plate as pressures continually increase. The releasing of these pressures could result in minor to major seismic activity and/or additional volcanic eruptions. You can expect more surface breakthrough of volcanic gases such as have occurred in your California. Japan, likewise, is experiencing a tremendous pressure build-up and there have been few recent releases of any sizeable magnitude. However, to pinpoint any specific point for imminent activity is next to impossible. Suffice it to say that the evidence points to some sizeable occurrence in the very near future.

As we have stated in previous writings, we do not possess a crystal ball and we are not in the business of predicting the future, for such is foolishness. We can merely observe current activity, analyze past activity and from these arrive at projections. It is done scientifically—not mysti-

cally. We are more accurate simply because we possess what you would understand as a more massive "data base". Our data comes not just from your planet, but from many others as well and, although all worlds have differences, there are likewise similarities that exist throughout the Universe.

Let us now change our focus and consider the Eastern Coastal region of your continent, specifically the area around New York. There are, in your Atlantic Ocean, fractures and rifts which have become active recently, and this activity is building at an accelerated rate. Our best projections indicate that an earthquake along the fault under Manhattan is very likely. The area has also been quiet of late, geologically speaking. The chances of a major occurrence is slight at this stage, but there does exist the definite possibility of activity. The more dangerous aspects of an earthquake in this area is that very few of the structures would tolerate a seismic jolt of 5 or greater on your scales. Considering the high density of population in that region, the rate of casualties would be in the thousands or possibly even tens of thousands.

Should a cataclysm of this sort occur in New York, your nation would come to a stand-still due to the fact that all your major financial institutions, the Stock Market, the United Nations, to say nothing of the national and global headquarters of large corporations, house themselves in that over-populated city. Chelas, this would not only affect your United States, but all parts of the world, and the financial stability of your globe at present is very unstable already. This would push the economic collapse of the world past the point of no return.

Your Earth is in the process of many massive changes and these changes will be on many levels. The Native Americans refer to it as "multi-voiced", which means many levels.

Your planet undergoes these massive changes every so many thousands of years. (Geologically speaking, 10,000 years is a short period of time.) Your own scientists are becoming aware that the Earth shifts on its axis every so often, and your magnetic poles change position relative to this shifting process. When the shifting takes

place, there is an increase in volcanic and seismic activity brought about by the tilting taking place, which causes the molten core of the Earth to shift within the Earth's interior. When this happens, you would find, if you could view this happening, that the magmatic activity would appear to become unstable. Once the shift is completed, over a period of time, the magma will once again "settle" and the volcanic and seismic activity will subside. The tilting or shifting likewise causes stresses and movement of the continental and oceanic plates, which result in increased seismic and volcanic occurrences. In some cases, it will cause cracking or fracturing, which would result in rupturing the strata of rock and soil, allowing the magma to find outlets to the surface. This is occurring continually in the Pacific Ocean. As the lava breaks through the surface, it is cooled by the water and new land is added in the bottom of the sea. It is an absolutely magnificent thing to behold!

Why do I bring this pole shifting up at this time? Simply because your planet is nearing another shift, as you are completing another 25,000 year cycle. This shift will create many changes in the topography and cosmology of your planet. This will also bring about massive environmental changes. Deserts could become tundra, the Arctic and Antarctic could melt and ice caps would form at other points on your globe. The equatorial regions would change position and rivers would change their courses. From your perspective on Earth, your relative position to the four directions would shift—what you once

considered north could appear to you to now be east.

Is it not interesting to contemplate? This is not to instill fear, but to educate and bring you into a level of better understanding of what is occurring with the planet upon which you dwell. There is much perplexity upon your place regarding the changes you are experiencing. Most are aware, to some degree, what mankind's interference and abuses have caused, but most are lacking greatly in knowledge of the sciences.

Partially, this is due to the flat-out misinformation which has been taught and partially this is due to lack of emphasis on the sciences, especially in your nation.

Most of your school children would not know the difference between a sedimentary rock and an igneous rock. Your schools are lacking sorely in the study of your natural sciences. Mostly this is intentional on the part of your Elite Controllers.

As these changes accelerate, you ones are going to be begging for information and many are going to panic. But remember that knowledge is your only armor in these changing times and that is our job—to

bring you into the knowledge.

We will continue to address these changes in greater depth in future writings.

I shall leave you for this session with the blessings and love of the God of Light. May you walk in peace and come into the knowledge. We are, as always, honored by your service unto God and the Hosts.

Soltec to Clear.

Salu.

DISASTERS GALORE

For you ones who are interested in personal confirmations, relief of worry, etc., regarding ones in Hawaii this day—I ask that you just wait until able to get through. There is nothing you can DO at any rate so please release the distraction. This is just another man-caused disaster to bring down your nation and your people. Soon there will be only chaos and no ability for relief interactions at any rate.

Already Florida will break the insurance companies involved. Sears will probably have to take some form of bankruptcy for the losses which will accrue to Allstate Insurance. The people will not receive full coverage at any rate past the first few processed. Insurance companies will be devastated by one disaster following another as the small townships are also hit with "disasters" such as the contaminated water supply right in Tehachapi. **[Editor's note: See last week's LIBERATOR for an especially powerful outlay of the nation's contaminated groundwater problems.]** That same scene as here is being carried out in experience in every corner of your nation and parts of the world. Symptoms will be masked behind the shroud of other causes until the spread of the contamination is too widespread to do anything about it. **YOU ARE EXPERIENCING THE DELIBERATE PULLING DOWN OF A MIGHTY NATION INTO A HEAP OF RUBBLE.**

Who is doing this? Several factions but there are some things to watch and players in action that need monitoring.

WHERE IS JAMES BAKER?

It was said that he would "run" Bush's campaign. Where is he? Do you REALLY believe he was pulled out as Secretary of State to interject Kissinger's puppets just

to run a Republican Campaign? Clinton is already the one destined by the Bilderbergers and Committee of 300 to be the puppet.

William Clarke, one of the head honcho criminals of the San Luis Obispo Connection has done his dirty work in China as of this day. He is in China and you will note a taking away of all trade restrictions—"because China has completely straightened up her act" and a sale of some 16 massively expensive satellites (all military) are going to be transferred to China from the U.S.

F-16s are going to Saudi Arabia and who is in control of these foreign State affairs? Eagleburger! A Kissinger Associate.

F-16s are going to Taiwan on order of your President—but it is OBVIOUS that your President BUSH is NOT IN CONTROL OF ANYTHING INCLUDING HIMSELF.

RUSSIA:

NOW COMES YELTSIN of Russia—and HE IS TELLING YOU WHAT TO DO AND HOW YOU ARE GOING TO DO IT.

Next you have the \$10 BILLION going to Israel to build "Russian immigrant housing" among other military "stuff" which you can in NO WAY CONTROL. But, you don't even have money to help the hurting citizens in Florida, Los Angeles or Hawaii—but there is NO MENTION OF CUTTING ANY FOREIGN AID.

GOD

The most radical action I see going on right now is through your so-called "Godly" or "Christian" movement at the hands of Falwell and Robertson. If you can't see the evil in their actions then I see no hope for you as a nation.

Next, you cry out to God to "fix it" and "help us" and HE sends us of His Hosts and Messengers to help you and you cru-

cify us AND our workers. As a "whole" there is absolutely no visible showing of intent to change actions nor intent of actions—only more greed, more gimmy, more pain and more demand for government intervention—which results in total control over you. It certainly does NOT look too promising as a wondrous and encouraging sign of recovery in any manner whatsoever. The only JOBS even discussed as "saving" are "war" related and weapons oriented. Storms and "disasters" have ruined your reserve food crops for the season and the storms do not show signs of halting—only increasing.

We Must Be Doing Something Right

9/13/92 #1 HATONN

HARPER: "As moral guides, the Golden Rule and the Decalogue are not evil and dangerous things, like a painkilling drug, to be taken in cautious moderation, if at all. Presuming them to be the basic guides of what is right and good for civilized man, one cannot overindulge in them. GOOD need not be practiced in moderation!"

TOCQUEVILLE: "The will of man is not shattered, but softened, bent and guided. Men are seldom forced by it to act, but they are constantly restrained from acting. Such a power does not tyrannize, but it compresses, enervates, extinguishes and stupefies a people, till each nation is reduced to be nothing better than a flock of timid and industrious animals, of which the government is the shepherd."

Before I turn the forum over to Bashar (term meaning: teacher, professor, messenger, commander) Soltec to continue with his sharing of geophysical information as regards your homeland [see page 2], I need to give input regarding last evening's radio interview. (Tape available thru **THE WORD**; see ad on page 30.)

BASHERS

The "regular" bashers were available with their discounting as fraud, lies, and other foolishness. This is so very discourteous to all listeners and conversationalists. It is most sad that your society has become so hostile to even Truth-bringers that they have no wish to continue in the sharing. Of course, however, that is the purpose of the insult—to silence the Truth. For you who ponder the conversations, please realize that I know who are these people (yes, by name and action) and they are NOT my enemy—they are YOURS. Truth flowing at any "age" from any other "age" and sharing of information from how to make tea to how another made tea in France 200 years ago is valid. **The obvious, however, is that these ones are totally involved in the stopping of information from both Tesla and Russell from coming into the hands of you people.** I simply ask these ones: WHY DO I BOTHER YOU SO MUCH? WHAT IS IT ABOUT EVEN THE POSSIBILITIES OF HIGHER BROTHERHOOD THAT CON-

CERNS YOU ENOUGH TO SPEND YOUR TIME EFFORTING TO SILENCE US? COULD IT BE BECAUSE YOU ARE DISINFORMATION/MISINFORMATION PROJECTORS IN EVERY ASPECT OF YOUR LIFE? WHAT CAUSES YOU TO HATE SO TREACHEROUSLY? IT WOULD BE NICE IF YOU WOULD CHECK YOUR ASSOCIATION WITH GOD OF LIGHT, SIR, BECAUSE I FIND NO FRAGMENT OF EITHER CONSIDERATION FOR THAT BEING WHICH IS A REFLECTION WITHIN YOU AND NO DESIRE TO ALLOW ANY OTHER THE RIGHT TO HAVE SUCH RELATIONSHIP. BOTH OF YOU TOUT THE REASON OF INTEREST BEING TO "STOP THIS FRAUDULENT WOMAN"—WHY DOES THAT CONCERN YOU SO MUCH?—FOR YOUR DEMAND IS TO HAVE PROOF OF SOMETHING OR OTHER AND THEN YOU DENY THE TRUTH—SO, IF YOU CONSIDER YOUR FELLOW-LISTENERS TO BE SO STUPID AS TO BE UNABLE TO HEAR AND DISCERN—WHERE SIR, DO YOU COME FROM? IF I BE FALSE—WHY DOES IT BOTHER YOU SO GREATLY? YOU FEAST ON THE LIES OF THE UFO COMMUNITY AND THE BLATANT NONSENSE SURROUNDING ALL ELEMENTS OF PRIOR SCIENCE AS WORTHY AND FOIST ABDUCTIONS, INTERIM ARCTURIAN VISITORS AND SNATCHERS AND, YET, YOU CANNOT BEAR A HOST MESSENGER OF GOD? INDEED, I WOULD SURELY CHECK MY INTENT WERE I YOU FOR THE LISTENERS HAVE YOU QUITE CORRECTLY PEGGED AND I, FOR ONE, LOOK GREATLY FORWARD TO OUR NEXT ENCOUNTER—IF YOU DARE! I NOTE THAT EVIL INTENT AND DARK PURPOSE DOES NOT LONG STAND IN MY PRESENCE OF LIGHTED TRUTH WITHOUT BECOMING A TOTAL FOOL. BE IT AS YOU WISH FOR I WOULD MAKE MYSELF AVAILABLE. However, it cheapens the very intent of a program given forth for the people to be able to question and discern possibilities. At some point you who bring disinformation and direct affront to Truth shall crawl back in your holes beneath the rocks and yet, even there, ye shall not escape your own inescapable return unto self of that lie which you send forth upon brother. It is the absolute Universal Law of cause and effect—that which ye sow so shall ye reap.

VOTE FOR BO GRITZ

CONTENTS OF LIBERATOR

One asked most graciously if we could offer less on disinformation and cover more information otherwise. What a "dream" it would be for myself and for the ones who do the paper. Alas, we must deal with that which hits us hourly and without respite. Evidently we are doing something "RIGHT" because even the British Intelligence and Mossad send in agents two by two and sometimes by the half dozen to stop us and destroy the WORD of GOD. We are but the messengers. Then, our obligation to you is to bring you that information which is denied you from media resources for, only in the freedom of KNOWING how it IS can you find your way into Truth about destiny and direction.

BO GRITZ

For instance, if it were not for "talk" radio and the daring papers in the "underground" network—YOU WOULD HAVE HAD TOTAL BLACKOUT ON THE INCIDENT IN IDAHO. Would that be bad? Yes indeed, for even if you never heard of one Bo Gritz, for example, it is the 500 troops ordered in, in full assault gear against a citizen, which is important. It is the attempt to take the man and the one under assault BOTH into custody to silence his bid for President. These men know enough to bring down the scoundrels in your Government and then you could begin your move back into freedom.

I realize that your petition was a bit different than that, it was to cease the discussion of personal assault and counter-espousal—well, you are in the clutches of these same frauds and assault artists at the hands of that very Government mentioned above and one actually has to do with the other and cannot be separated away. In the case of dark energy presentation to cast doubts at the Truth of our presence—we MUST respond for you can now hear and see how blatant the efforts are to disallow you to know that God's messengers are present. It spoils "their" plan to terrorize you by physical acts and claims which are total fabrication and lies. You of God have no concern save brotherhood from any who come from the Cosmos—THAT IS NOT SO FOR THE EVIL PRONOUNCERS AND DOERS UPON YOUR PLACE. ONES SUCH AS THE TWO DISRUPTIVE CALLERS OF LAST EVENING ARE IN GREAT DANGER BECAUSE THEY ARE THE DECLARED ENEMY OF GOD. We, however, need DO NOTHING unto them—THEY WILL DESTROY THEMSELVES AS THE SEQUENCE UNFOLDS. GOD DESTROYS NOTHING—GOD CREATES. THIS IS PROOF FOR YOU SEEKERS.

THAT GOD IS LOVE, ALLOWER, IS NOT OF WAR, FORCE OR INJUSTICE IN ANY FORM. WHEN MONSTERS ARE MANUFACTURED TO HIDE YOUR EYES FROM THE TRUTH OF GOD AND MESSENGERS—THEN YOU CAN KNOW YOUR PROOF IS AVAILABLE THROUGH THE VERY ACTS OF THE ENEMIES OF GOD.

What threat to your welfare can myself, my crew and/or our messenger crew be to YOU? We teach Godliness, goodness, love, honor, integrity, family unity and brotherhood—why would ones wish to "shut down this fraud" (???)? **IS IT NOT, THEREFORE, OBVIOUS THAT THE DESIRE IS TO STOP THE REVELATION OF EVIL WHICH THESE VERY DENIERS THRUST UPON YOU-THE-UNSUSPECTING? IF I BE FRAUD, FOR INSTANCE, WHAT DO I "TAKE" FROM YOU? EVEN THE PAPER IN MENTION IS COSTING SOME 2 TO 3 THOUSAND DOLLARS IN ARREARS EVERY EDITION. THE JOURNALS ARE NO BETTER AND DO NOT YET EVEN "BREAK EVEN". WHAT DO I (OR WE) TAKE FROM ANY? ARE YOU CURIOUS TO KNOW WHAT CAUSES THIS ASSAULT—REALLY?**

WE CAUSE THE PUBLIC TO STOP THEIR BLIND SUPPORT OF THE VERY MEN IN POINT WHO CALLED INTO THE PROGRAM LAST EVENING. THEY ARE IN THE DISINFORMATION LIE BUSINESS REGARDING SCIENCE, TESLA, RUSSELL, AND METAPHYSICAL—ALIEN BUSINESS. THEY SELL GARBAGE AND LIES AND WE HURT THEIR BUSINESS—no more and no less. They offer total garbage and lies and SELL IT AT GREAT COST TO YOU IN EVERY WAY FROM MONEY TO DISINFORMATION AND WRONG ACTIONS, ALONG WITH WORTHLESS, IF NOT ACTUALLY PHYSICALLY HARMFUL, TRINKETS AND EXPENSIVE JUNK. THIS IS WHY THE ATTACK—THE POINT IS TO SHUT DOWN TRUTH. Ponder it—how many of you even know the difference in a resonance frequency device and a Tesla coil which the first caller denounced as "old" stuff presented in our material? All of Tesla's "stuff" is "old"—the man is dead—but his spirit is alive and well and travels WITH ME—THAT is what "they" want to discredit, dear ones.

Next "Bob" (I believe you will find his surname to be Girard of Arcturus Publications, who touts the Arcturians as something or other—the whole thing being totally hogwash) wishes to discount "Doris" before you ones find out how totally stupid and erroneous is his information dished out to you searching brothers. You will find him up to his squinty eyes in such things as Matrix II and III and so on—which delves with the clandestine misinformation thrust upon earth man by these hoodwinkers. If his name is not now "Girard" then he has simply changed it to some-

thing more acceptable after being "called" on his other misadventures upon you-the-people. He is working hand in glove with the disinformation bringers and the "insider" buriers of Truth at all costs. I actually have no pick with him at my level for I enjoy the encounter and know that these lessons are better given in this manner than in debate. But you end up the victims if you are not aware and most careful in discernment. If you have no basis upon which to make discernment—you will be pulled to the disinformation of the ones—offering to "save you from this terrible fraud" of "be good to your neighbor and do unto others as you would have them do unto you." My, my—how "fraudulent" can you get? How disreputable am I to point out that you are giving \$10 Billion to Israel to build Russian housing in stolen land half a world away—when Federal forces are not only NOT giving anything to those in Florida (many of them also Jewish) but are in fact evicting citizens from their meager remaining property at the point of assault weapons. How fraudulent am I to point out that the "war" on drugs was not fought out of Homestead base but, rather, that was the biggest ingress/egress point of the drug operation covered by your own government from points south? Is it damaging or fraudulent to show you that Soviets are totally infiltrated within the fiber of your very nation—and you are now socialistically controlled through the lie of Communism which is NOT Communist? Which do you suppose bothers these "callers" the most—that we print "old" stuff of Tesla's or NEW STUFF ON THE DISINFORMATION CRIMINALS OF TODAY? I BELIEVE YOU ONES ARE BRIGHT, INTELLIGENT BEINGS GIFTED WITH THE ONE GREAT GIFT OF ALL—ABILITY TOWARD WISDOM AND INTELLIGENT REASONING AND, THEREFORE, I REPEAT THE QUESTION: "WHICH DO YOU THINK THEY WISH TO STOP?"

By the way, as you ponder what the man said about Gritz not believing in the "stuff" of Cooper, UFO's, etc. LET IT BE KNOWN RIGHT HERE AND NOW WITHOUT EQUIVOCATION—NEITHER DO I!! BUT, WE BOTH BELIEVE UNQUESTIONABLY IN THE PRESENCE AND SOURCE OF GOD CREATOR AND IN THAT SERVICE DO WE SERVE—I CERTAINLY DO NOT OFFER SOLACE TO ONES WHO TOUT THE GARBAGE AND LIES OF UFOs AND ALIEN INSECTS, CAT PEOPLE, LIZARDS OR SERPENTS. **ONLY EVIL HAS ENEMIES FROM THE COSMOS—AND ALL OF YOU HAD BEST THINK ABOUT IT CAREFULLY AS TO WHICH SIDE YOU MAY BE SERVING. I AM A MESSENGER OF GOD OF CREATION AND I HAVE NOTHING TO GAIN SAVE A TERRIBLE "HEADACHE" FROM THIS MISSION—UNLESS I CAN ASSIST YOU IN RECLAIMING THAT WHICH IS YOURS IF YE BE OF GOD'S HOUSE. PERCHANCE THE SPOILERS DO NOT WISH DESTRUC-**

Some Illuminating Background On The Character "John Coleman"

(Editor's note: Regular readers will recall that much space in the 9/8/92 LIBERATOR was devoted to explaining an insipid array of attacks from one "Dr. John Coleman" aka John Clarke and likely actually one Joseph Pavlonski, of Russian Khazarian origin. It seems that some of the excellent sources "Coleman" "borrowed" material from have seen fit to discuss this colorful character and in so doing, provide an illuminating—if sadly destructive—pattern of activity we would share with our readers. The following is an extract from an article purportedly by Eustace Mullins in Lawrence Patterson's publication Criminal Politics for July or August of 1992.)

JOHN CLARK alias JOHN COLEMAN

AGENT-AGITATOR - -

FINALLY EXPOSED!

by Eustace Mullins

(1992)

author of 35 books and historian of the conspiracy movement

A specter is haunting the American conservative movement - - a specter using an alias (among others) - - of Dr. John Coleman. Coleman bills himself as "the World's Greatest Intelligence Expert" - - with secret but highly placed ties to British Intelligence. He appeared out of the blue at a Bob White, Sound Monetary Conference meeting in Costa Rica in 1984.

... With no sponsorship - - other than the seminar sponsor, a Dr. Harold Brown - - and no documentation, Coleman managed to convince the attendees that he was indeed - - one of the world's important experts on international intelligence. He claimed to be privy to the most carefully guarded secrets of the individuals who clandestinely rule the world.

... However, Coleman said - - he would share these secrets only if certain carefully observed guidelines were maintained. The most important of these was that he would never be asked to furnish any personal background information - - any documentation or any source from which he obtained his "secret information." Such restrictions would scream "confidence artist" to most people. But when he met James K. Warner (editor of the Christian Defense League newspaper) - - in 1984, he justified his refusal to reveal background information on himself or his sources - - by claiming that "he was subject to assassination threats."

... He snared Jim Warner by confiding in him one of his closely guarded secrets - - that his name was not Dr. John Coleman at all - - but that it was, in fact, John Clark. Coleman stated that by giving Warner this private information - - he was actually placing his life in his hands. As he was an accomplished confidence artist - - Coleman convinced Warner that he should offer him a position. Warner responded to him by employing him as a writer for the Christian Defense League Report.

... Coleman would send in material which indeed contained startling information (but was totally undocumented) - - would soon win him an enthusiastic following among Warner's readers. Coleman also supplied a great many audio tapes which were offered to Warner's readers. Each of course supplying "secret information." This began a five year relationship which proved to be filled with pitfalls for Warner, who was after all a small, underfinanced businessman.

... Not only did Coleman continue to refuse any documentation - - but he made frequent demands for salary increases... extra expenses for himself and his family... and advances on his salary which exceeded the projected totals of several years salary... Warner was in no position to meet these demands - - but in his anxiety to retain Coleman - - he dug deep into his own pocket and also issued frantic fund raising appeals for Coleman. The result was that Warner was nearly bankrupted and conservatives nearly lost an excellent source of out of print books and independent information.

... It should be noted that it is a common technique for an infiltrator to attempt a financial raid on a host target - - thereby, rendering the host target unable to continue in business. An example of this would be the Rockefeller faction attempting to take over the National Rifle Association some 15 years ago with a grandiose plan which would have bankrupted the NRA.

MULLINS MATERIAL - -

HAD TO BE DISCONTINUED - - OR ELSE!

.... There were other problems which Coleman created for Warner. One of them was his continuous demands that Warner cease any articles or sell any books written by myself, Eustace Mullins. I had, in fact, been writing for Warner for more than a decade. Warner attributed this obsession to mere jealousy on Coleman's part. In fact, it went much deeper.

Eustace Mullins

.... Coleman's vaunted sources of information were not secret at all - - but were discovered by me in the process of reviewing his printed statements. Here are the results of my study: about 30% of his material was lifted from my own writings and. . . about 70% was stolen from Lyndon Larouche publications. Principally, Coleman would rely on feature articles in the Executive Intelligence Review magazine. The material was simply rewritten by Coleman and crudely pulled up to five or six times its original length. Unfortunately, Warner never noticed.

.... Finally I became so concerned about the quantity of material lifted from the Larouche publications by Coleman - - that I decided to let Jim Warner know that his "new star" was lifting most of his "secrets" from Larouche publications.

.... Some months later, Warner received an indignant letter from the Larouche office - - complaining about Coleman's plagiarism of the Larouche material. When Warner confronted Coleman, Warner was assured that it was simply an effort by the Larouche group to sow dissension. Coleman claimed he had only seen one copy of the executive intelligence review in his life.

.... Sometime later, when Coleman claimed to have left the country for South Africa - - some of his effects were stored at the Warner warehouse. Among them, Warner found two boxes of well-thumbed issues of Larouche magazines. Sure enough, this proved to be the source of many of Coleman's "British intelligence" connections. But Warner's readers were trapped - - and they were besieging him with requests that he bring Coleman into the public spotlight through meetings and seminars.

.... Coleman finally did appear at some meetings for a few months. But then, Warner was hit with still more demands for more loans and salary advances. He tried to find other employment for him, sending him off to a part-time job with a long time supporter, William Makinney, of Florida. Bill Makinney was lured by the promise that Coleman could make some extremely profitable deals for him. Later he was disappointed when Coleman arrived with his wife and son, and Coleman demanded the use of a Lincoln town car and memberships in the most exclusive Palm Beach Clubs and nightly meals in the most expensive restaurants.

.... Even worse he spent much of his time closeted in a room at Makinney's home. He claimed to be making long distance phone calls to the head of the South African gov't. Makinney was later unable to find records of any such phone calls in his billing. Soon Makinney asked him to leave and put him on a plane the sadder but wiser.

.... Warner was again assailed by constant demands for more money. Warner finally decided that the only way to meet the demands was to hold public meetings with Coleman as the star. Coleman who had billed himself as the "World's Greatest Orator" proved to be a lack luster speaker, who read in a dull monotone from his type written speech. The meetings were a failure. Meanwhile, Warner had purchased a car for Coleman's use and a computer for Coleman's use at a large home which Warner rented for him. Coleman rarely appeared at the Warner offices citing his fear of assassination.

.... What's more, Warner discovered at the meetings, Coleman attempted to make financial deals for himself, showing no loyalty to Warner whatsoever. Finally, Warner informed him that he was fired. Warner was required to obtain a warrant to cease the automobile and computer that were loaned to him. Then he realized that Coleman had obtained an illicit copy of his mailing list. Coleman began issuing appeals to Warner's subscribers claiming that - - I had had him discharged in order to become an editor of another Warner publication.

.... Finally, Coleman showed in California where he was guest of one, Dr. Arnold Geisbret, of Glendale, CA. Geisbret has an interesting background. He is an attendee at many right-wing meetings, including those of Lawrence Patterson's National Bankruptcy Seminars. He would take copious notes and interrogate everyone that would talk to him. Geisbret, obviously, intended to collect as much information on the right-wing as possible. Coleman, meanwhile, went from one address to the other in California using Warner's mailing list as a source of suckers.

.... At each resident, he would spin a spiteful tale of having been cruelly used by Jim Warner who had taken all of his money. Meanwhile, Coleman would make threatening calls to Warner informing him that he would launch a national campaign against him if he refused to make a financial settlement. Wishing to avoid legal problems, Warner settled a substantial sum of money on Coleman, all to no avail. Coleman not only launched a campaign of denunciation against Warner using his mailing list of Warner's subscribers - - but he also began a surreptitious mailing campaign using pseudonyms to accuse Warner of sexual offenses and of being a double agent. These defamatory letters were also mailed to Warner's mailing list.

GREAT SUCCESS - -

IN SPREADING DISCORD!

.... Coleman was achieving great success in spreading consternation and discord throughout the conservative network. I began to realize his true motives. Rather than a greedy confidence artist - - with an ability to rewrite other's materials as his own - - it became obvious to me and to those that knew him, that he was more than likely a highly trained double agent - - whose handlers would unleash the "attack dog" on an unprepared patriot community a step at a time. One source I have spoken with claimed that he has been trained in Israel by a Mossad unit - - and had been known there as Joseph Pavlonsky.

.... We later discovered that he entered the United States on an English passport recorded by the INS as #A20211168 issued to "John Clarke." Interestingly, when Warner accompanied him to get a driver's license in Louisiana - - he claimed he had applied for a social security number although none was forthcoming. Even though he had been in the United States for almost a decade - - he had been driving in the Western states on a Louisiana license, and had never obtained a U.S. green card, or work permit.

ON -- TO CARSON CITY, NEVADA --

AS "SPACE COMMANDER"

.... Next comes Coleman's employment with one George Green who operates a nonconformist publication titled *Phoenix Journal Express* which is supposedly representing the statements from a space being -- (yes -- we said space being) -- by the name of Gyorgos Ceres Hatonn. . . . !!

.... Hatonn is the claimed commander of a fleet of space ships from the galaxy of Pleiades. These spaceships have been deployed over the California border with Nevada for several years. This has proved to be convenient for all concerned because the people of Pleiades, interestingly enough -- do not require a U.S. work permit from its employees. Coleman is now writing the material for Hatonn. Interestingly enough, gives advice about International Banking, but amazingly, is always negative on Sterling denominated investments and - interestingly - Swiss banking as well.

.... Under the auspices of George Green's, *Phoenix Journal Express*, and America West publishers of Tehachapi, California -- Coleman finally published his first and only book "*The Committee of Three Hundred*" After examining this book, it has proven to be the usual amalgam of his borrowings from my various textbooks and -- again -- from the Larouche magazine.

.... The foreword to the book is very revealing. He *again* takes the opportunity to sow more dissension in the conservative movement. It is a vitriolic denunciation of the movement claiming it was "part of a carefully crafted and orchestrated program to discredit him (Coleman) and run by secret government agents and informers embedded in the so-called Christian right wing "identity movement". . . . The invective goes on at some length repeating the slanders of his previous circulated hate letters.

.... The Committee of 300 contains nothing new and is an amalgam of others' materials.

MATERIAL LIFTED FROM THE --

ANTI-DEFAMATION LEAGUE!

.... Having reviewed the material of the anti-defamation league, I can say that Coleman's smear attack in his forward against the "so-called Christian right wing" is a typical material taken from the guide books of the anti-defamation league. His denunciation of the "identity movement" -- is also taken directly from ADL literature. For years the ADL has considered the "identity movement," it's number one opponent and target in the United States.

A POTENT AGITATOR --

WORKING AGAINST AMERICA!

.... Whatever the truth or falsity of the claims of Dr. John Coleman -- (alias John Clarke, alias Pavlonksy) -- it is clear that he is a potent agitator working among American conservative publishers. . . . Lawrence Patterson has also had a brush with him and he has recently succeeded in taking in Colonel Arch Roberts who ran a lengthy review of his book.

.... He has constantly sown seeds of discord and hate for his own devious purposes and will undoubtedly continue to pit patriot against patriot for as long as he is allowed to betray, impede, and infiltrate without exposure. *Hopefully, this article which has been submitted to CRIMINAL POLITICS magazine of which I am a contributing editor, will help to expose John Coleman as a foreign agent.*

Don Ecker And UFO Magazine

9/11/92 #1 HATONN

I see no purpose in responding again to such rubbish and blatant disinformation resources as Don Ecker of *UFO* magazine. I find the attack of both them and Joseph Pavlonski (alias "John Coleman") to be amusing and self-condemning. I do, however, ask that a rather miserable counter attack of a couple of years past from one of "their own UFO colleagues" to be a more than adequate answer. I ask that the Editors reprint the newsletter from Cooper regarding the group involved herein.

However, for you who read the article in

UFO, I wish to point out that ANYONE coming to INFILTRATE or SPY were welcomed and all questions were responded to with great courtesy and generosity. There has never been rudeness and I believe that is self-evident by the same article wherein the "spies" got, apparently, all sorts of information—all of which is invalid and foolish in nature. There is NO GROUP, NO CULT, NO CHURCH AND THEREFORE CAN BE NO "LOOSE ORGANIZATION".

Don Ecker shows his own blundering stupidity by ending the article "....George Green stated that "anyone" could build the "descrambler" to tune into the military

channel that purportedly carries Hatonn..." George DID NOT SAY SUCH A THING—the frequency is a high band frequency in the range of weather satellite usage and is NOT military and I would guess that you might have to be sophisticated in radio to build your own—but capability already exists for receiving the sound waves. "Descrambler" is poor language use—because it needs no descrambling—simply a translator of the pulse language or a very sophisticated computer terminal for simultaneous "reading" of the pulses.

He (Ecker) also says: "If Hatonn doesn't have the answer, perhaps local military

facilities might: Edwards Air Force Base and the China Lake Naval Weapons Station are both relatively nearby." Ah, a blackmail threat of some sort?? Not to worry, readers: They both catch everything directly and right off this computer so we actually feel quite secure. They may have "big guns" but I have more massive "weapons" at my disposal. We have a very healthy respect for one another and it would behoove readers to get a little more "with it". If you need a UFO "magazine" for old drive—what think you that may have happened in this last 40 years? The dis- mis-information teams are getting pretty desperate, ARE THEY NOT? Better look carefully and think about it, readers. If you look at their price tag I think you will also find our publications are far less expensive on one to one basis and you MIGHT

get some interesting information regarding UFOs from our resource—I have yet to see one totally accurate report or story in their publication. I would guess that our Khazarian, Don Ecker (alias a dozen labels), must be getting nervous to get involved with such other agents already disclosed as blatant enemy agents to the United States of America.

If you who claim to be "the people" do not clean out the thieves and liars who claim your press, sensational tabloids, and media—then perhaps you deserve the smothering lies and deceit dumped on you. It is these little "nerds" who allow the "big jerks" to totally control you and all your thought processes. I AM OBVIOUSLY BIG ENOUGH TO GIVE THEM A BAD CASE OF NIGHT TERRORS OR THEY WOULD NOT ATTACK SO STUPIDLY—IF I AM NOT REAL,

WHY THE ATTENTION, MR. ECKER? WE BOTH KNOW YOUR DESPERATION, DO WE NOT? PEOPLE ARE WAKING UP AND YOU DECEIVERS ARE GETTING DAMNED SCARED, AREN'T YOU? I LOOK FORWARD TO NUMBER THREE WHEREIN WE AWAIT JOSEPH PAVLONSKI'S ADDITION AND INTERVIEW—IF HE IS STILL YET UNDEPORTED AS THE WARRANT ISSUED REQUIRES. CREDIBILITY? YES INDEED—BUT NOT FOR YOU, SIRs AND MADAMs.

I further suggest all stay tuned because I believe all will find testimony in the suit defending against the University of Science and Philosophy quite interesting. I, Germain, Russell and even Tesla—are very capable of speaking for selves and I do believe a JURY will find it indeed informative. INDEED, I LOOK FORWARD TO THE NEXT IN THE SERIES, MR. ECKER.

(Editor's note: The following is Vol. I, No. 6—July 15, 1990—of Cooper's The Citizen's Agency for Joint Intelligence Newsletter containing some interesting comments about Mr. Ecker that Commander Hatonn wishes our readers to see. Apparently mutual respect among "colleagues" like Cooper and Ecker in the UFO community is no more substantive than is most of their information.)

THE CONTROLLERS

By Milton William Cooper

Who are the secret governments controllers? Who are the manipulators of information? Who are the ones that are perpetrating the biggest con game since Barnum and Bailey first went on the road with their side show? They are not obscure although you will not find them in mainstream America. They belong to the fringe element of our society and control such segments as the paranormal, UFO research, and parts of the new age community. They debunk anything and everything not normally considered acceptable to the so called leaders of the field without even a cursory examination of the facts. Character assassination runs rampant.

Although controllers prevail in every segment of the fringe community this specific article will deal only with their publications and specifically with UFO magazine. I will deal in particular with an article written on me in UFO Magazine, Vol. 5, No. 4, 1990. This paper will serve both as a response to the UFO Magazine article and as an education for the reader. I hope

you may also find it somewhat amusing.

While I was attached to Naval Intelligence I saw documents that revealed that the top publications in these fields are totally controlled or are under the influence of the secret government. This is not a new statement as UFO Magazine would have you believe. I first revealed this in a research paper entitled "The Secret Government" which I delivered at the 1989 MUFON convention.

These publications are usually staffed and operated by people with solid connections to the CIA or other intelligence agencies. The publication style reflects a total tabloid mentality. Most gossip columnists do much better. The attitude that the reader is child-like in nature prevails and information is censored with the explanation that it's for the good of the consumer.

The editors frequently profess lofty ideals on the one hand while filling their publications with trash advertisements that are perfect examples of the age old con game. I find it amusing that their ideals are sacrificed when it comes to accepting a rip off while at the same time debunking someone who writes a book as not credible because money is being made. Do they charge money for UFO Magazine?

THE FINDINGS

Several researchers have thoroughly investigated the background of Vicki Cooper, publisher and editor of UFO Magazine. What we

found out is exactly what we expected. Furthermore, I came into possession of a letter written by Mr. Martin Cannon, a prominent Los Angeles researcher that confirms 100% of our findings. Martin Cannon is a close personal friend of Vicki Cooper and used to be a contributor and staff member of UFO Magazine. I ran the results of our investigations in the CAJI Newsletter during the first 2 weeks in June of 1990. UFO Magazine's all out attack upon my character quickly followed in the issue that hit the stands in July. UFO was very careful, however, not to mention the results of our investigation or the article wherein they appeared.

I think you should find it interesting that Vicki's son attends the Military Academy at West Point. We found that Vicki Cooper's uncle is Grant Cooper, the defense attorney for Sirhan Sirhan and the Johnny Rosselli mob. Many researchers, including Martin Cannon, believe that Grant Cooper has extensive ties to the CIA. Some say that the Rosselli mob is a partner in the CIA's programs of gun running, drug smuggling and assassination.

Sirhan's parents have always maintained that no defense at all was mounted for Sirhan Sirhan for the express reason of promoting and maintaining the "lone gunman" answer to Robert Kennedy's assassination. An answer that we now know is not true. We know that Sirhan Sirhan was in front of Kennedy and could not have possibly administered the death shot which entered Robert Kennedy's brain from behind his right ear. We also know that Sirhan's pistol only

held 8 cartridges but that 9 or more shots were fired. It appears that Sirhan Sirhan's parents were right and if they were right the defense of Sirhan Sirhan was in the complete control of the CIA. The same CIA that helped assassinate Robert Kennedy's brother John F. Kennedy.

We also found that many of Vicki Cooper's friends and acquaintances swear that Vicki Cooper has personally informed them that "UFO Magazine is controlled by the CIA". The Martin Cannon letter makes the same statement. It is born out by the fact that the newest, most interesting, most revealing, and most sought after information ever to surface in the UFO field has never been published or even mentioned or referred to in UFO Magazine. It has been completely censored and suppressed. Not even one letter to the editor concerning that information has ever been published in UFO Magazine. I know that many were written but were totally ignored by UFO.

We further found that some UFO Magazine staffers have extensive ties to the intelligence community and that one contributor and ex-staff member has ties to the CIA mind control experiments and those who were extensively involved in those experiments. He has worked with such men as Dr. Lilly and Dr. J. West. This ex-staffer is the one who found Vicki Cooper's apartment for her. Is it just coincidence that the same contributor and ex-staff member lives in the apartment directly above Vicki Cooper? The Martin Cannon letter contains much more damning information on Vicki Cooper but we will save that for a rainy day.

One of the biggest failings of UFO Magazine is the ranting and raving about those who "burst into the center of ufological (huh?) attention, making incredible claims," such other statements like, "Without exception, the whistleblowers of recent times only furnish the most hazy evidence of their claims, if that," or "oftentimes they will also lay claim to having worked with or for the government, in high enough positions to wield security clearances," and "Pied Pipers forging a trail of lies and deception." That last quote implies that UFO Magazine knows what the truth is and if they do why are they withholding it from the public?

Who wrote the material quoted in the last paragraph? Don Ecker of UFO Magazine wrote it in the article

called "Part I: Focus On Bill Cooper - THE WHISTLEBLOWER." Don Ecker has had little if any journalistic training whatsoever, and it is apparent that he does not have any ethics. Don Ecker claims to have been an army Green Beret who was attached to army G2 intelligence. He also claims to have been a police officer.

Don Ecker burst into the center of Ufological research attention making incredible claims that aliens murder and mutilate humans. (Authors note...A claim that I know is true.) Don Ecker also claims that the government and its Justice Department are covering up these dirty deeds. (Author's note...Also true, gee you'd think he was on my side.) Don Ecker has not been able to furnish any acceptable proof of his sensational claims. Don Ecker claims to have wielded a Top Secret security clearance.

Don Ecker has posted a plethora of anonymous files on computer bulletin boards that support everything that I have said since going public. I suspect that he is the author of those files and not the anonymous sources that he claims wrote them. If his claims of aliens murdering and mutilating humans are true then Don Ecker certainly qualifies as a whistleblower. Was Don Ecker subconsciously writing about himself when he spilled his bile onto the pages of UFO Magazine? How could any respectable editor of any ethical magazine allow this jerk who fits his own description to write slanderous gossip about others? You figure it out. At least get someone with no poop in their pants.

In his venomous article Ecker slobbers that I have "enthralled thousands with lurid tales of dangerous UFOs and secret government treaties allowing the alien menace to abduct and experiment on unwilling human victims in exchange for advanced alien technology." If you read my papers you know full well that that is not at all what I said. I discussed ONE treaty. I specifically stated that the government allowed the aliens to abduct humans for the monitoring of our development and medical examination only. I stated the aliens had broken the treaty and that the U.S. was helpless to do anything about it. Ecker knows all this but he is attempting to distort facts thinking that all the readers are stupid.

I have not enthralled anyone. My talks are devoted to waking up my

audience to various possibilities, one of which is that aliens may not exist at all, and that whether or not they exist someone is most certainly doing all of that and more. I attempt to stimulate the audience to do personal research and help put pressure upon the government to disclose the truth to the public. I am the only lecturer who makes it a point to tell the audience "do not believe anything I say or anything anyone else says, I want you to go out and find your own truth." Ecker seems to think that there is something wrong with that statement. I wonder what the public thinks about it?

I do state that I believe that UFOs are dangerous, a statement reinforced by Jacques Vallee in his most recent book by many articles that have appeared in UFO Magazine and by other researchers such as Linda Howe, William Stienman, Don Ecker himself (remember Ecker says the UFO occupants murder and mutilate humans), and many others. In the same UFO Magazine in which Ecker makes the statement an abduction article appears that substantiates the abduction of and experimentation on humans. In fact the theme of that issue of UFO Magazine is abduction. The governments involvement has been born out by the testimony of enough people to send any man to the gas chamber. It is a claim that Don Ecker himself makes in that the "government is covering up the human murders and mutilations."

Ecker furnishes lie after lie after lie. On the first page he states that I have "accused former friends and associates" and "various ufologists" (?) with illegal acts, moral turpitude and of purveying disinformation statement at best. I stated over 2 1/2 years ago that William Moore is an agent and that his partner Stanton Friedman is also an agent. I stated that I had seen their names along with that of Bruce Macabee on a list to be recruited in 1972. I stated that I saw no evidence thus far that Bruce Macabee is involved.

William Moore has since confessed. Friedman is going to play hard to get but without a doubt he was involved in the fraudulent "MJ-12 papers", "Aquarius telex", "Snowbird document", and several others that are all fakes, when he was a full fledged member of the Research Team of Moore, Shandera, and Friedman. Friedman's attempts to distance

himself from Moore will not save him from blame. None of them are now or ever were my friends or associates.

I have recently stated the fact that John Lear IS Condor. Condor is the so called government scientist in shadow and disguised voice on UFO Cover-up Live. The one Moore states has been working with Moore and feeding him information for years. It is a fact whether you like it or not. We have proven it is Lear beyond any doubt. It is this fact that links him with William Moore and the governments disinformation program.

I have also, after exhaustive investigation, labeled Robert Lazar a fraud because he is a fraud, and any REAL research on anyones part will readily reveal that fact. No one other than me, and I will repeat that no one other than me has REALLY and EXTENSIVELY investigated Robert Lazar. All of you have taken Lear's, Knapp's, and Lazar's word for what he claims. Proof will be in the next Newsletter.

Don Ecker relates a story, and that is exactly what it is, a story. He claims that I asked him to send a file to Friedman. I did send some information to Friedman but only through Jim Spieser. This story of me sending information to Ecker is a complete lie. If he sent anything to Friedman it was something he compiled and wrote just like the phony anonymous files he continues to post all over the computer nets. This little story of his might also account for some of the information purported to be from me that most definitely is not.

The Krill episode is unfortunate...for Lear. One of the ways the counter intelligence operations work is to publish something as fiction, like Strieber's book "Majestic" which contains all true information, so that when someone blows the whistle a finger can be pointed and the cry of thief can be raised. That was the moment that I knew for certain that Lear was recruited and is without a doubt a CIA operative. He and Grace, who is an active duty member of the counter intelligence division of the Air Force Office of Special Investigation at Nellis Air Force Base, didn't make up that name, they knew exactly what they were doing.

One of the things that I like about this episode is that Lear states that he and Grace made up the material and the name to fool the public. That is a complete and damning confession that he was involved in the dissemination of disinformation to fool the public. Lear made the statement on a

segment of George Knapp's "UFOs, The Best Evidence?"

I would advise all of you to investigate fully the employer of John Lear. Who owns the company? What kinds of cargos do they haul? Who hires them to haul it? You had also better verify employment. Don't just take Lear's word for it. You will be very surprised to say the least, that is provided that you really dig like I have.

Don Ecker continues in the same rambling and confused manner spouting lie after lie. He misquotes, on purpose, I believe, the CAJI Newsletter and several people. Ecker insists that when questioned Bob Swan "stated for the record that the only thing he remembered was "something to do with UFOs." This is not only a lie meant to disinform but is a blatant lie. Bob Swan sent a letter to Linda Howe which she published in her book "An Alien Harvest". In that letter Mr. Swan states that I showed him classified documents "to do with aliens and UFOs," and that I gave him copies of those documents. He remembers that I told him that all the space shots were accompanied by UFOs, that there was an alien base on the moon, that we discussed the Kennedy assassination and several other things. Don Ecker knows about this letter and so does Vicki Cooper, Knapp, Howe (she published it), Pelham, and everyone else that has read Linda Howe's book. You can buy the book today and read it for yourself.

Lazar, Ecker claims, said that he wrote a paper in Los Alamos concerning Project Excalibur that is concerned with an earth-penetrating, nuclear-tipped missile designed to destroy underground facilities. Lazar further claims that he wrote the original specification for that weapon in that paper in 1988. He says that he had a witness. Where is the witness? I'll be happy to make liars out of both Lazar and his witness. Long before I ever saw Lear face to face and a hell of a long time before I even heard of Bob Lazar, I discussed Project Excalibur with Jim Spieser and a man by the name of Jeff Felix. The excuse Spieser used for kicking me and Felix off of Paranet was that he felt that Felix and I were conspiring to put out disinformation. The only information that Felix and I discussed and the only information discussed with Spieser concerning Felix was Project Excalibur.

Furthermore, the basic carrier (missile) was already undergoing tests by the navy in 1988 making it a little late for Bizarre Lazar to be writing

original specifications. Further proof of Lazar's lies is the fact that it is always the military who writes the specifications for new weapons systems and then they are given to the scientists to fulfill those specifications, therefore Lazar is completely full of crap. Who put him up to it?

When I saw the information on Project Excalibur Bob Lazar could not have been any older than 16 years old. I told Bob Swan, and my wife about Project Excalibur in 1972. I believe I also discussed Project Excalibur with Jeff Smith, and Steve Raginold sometime during 1980. These two men were ex-navy men who had worked with the information. Bob Lazar is a stone-cold liar and a total fraud.

Vicki Cooper and Don Ecker have both dropped their pants on this one and neither one of them look any better with their pants off than they do with them on. Don Ecker told me at the 1989 MUFON conference that he was romancing Vicki Cooper to get a job on UFO Magazine. He gave me that answer when I asked him about the girl he left back home in Idaho. His ethics were lacking then and they aren't any better now. Apparently Vicki caught on and kicked him right out of bed. Say Don, what was that story you blubbered at the MUFON symposium about the Mayflower Madam? Poor, poor Don.

I would bet that after reading this Vicki will regret ever meeting Don Ecker. She will most certainly regret allowing this jerk to print his vicious attack upon me in her magazine for most certainly if she had not allowed it I would have had no reason to publish this reply. My policy is and always will be to only strike down those who are actively threatening my goal, me, my family, my loved ones, or my allies.

Now lets get something straight. I am not a member of the UFO community. I am not a ufologist and I do not recognize that or any other self appointed terminology. I am only a Christian, and a Citizen concerned with the preservation of the United States Constitution. I will kill to protect that document if the need arises.

I do not care if aliens are real or not. I do care about finding out what the truth is, why it has been hidden from us, and exactly who is using it to manipulate us right into a new world order which we will have no say in organizing or running. I also want to find out if I have been

used, and if I have, I want to make sure that those responsible are punished for their actions. I want an end to secrecy of any kind and for any reason.

RECOMMENDATION

Cancel your subscription to UFO Magazine and do not ever buy it again. Send a letter to Sticki Pooper telling her exactly what you think of her, her UFO Trashzine, and her sorry excuse for a journalist, Mr. Pecker. Put all your old copies in the outhouse where they belong.

Latest JOURNAL Goes To Press

9/15/92 #3 HATONN

A WORD UP FRONT

This can serve as "INTRODUCTION" to this latest JOURNAL volume but it is NOT in actuality. It simply happens to be something brought into my attention at this moment—WORTHY OF IMMEDIATE NOTATION.

This latest JOURNAL going to press is going to be called THE FUNNEL'S NECK because there is so much being pressed together that one subject cannot be easily separated from another. Our intent is now and always has been to write dated JOURNALS. If content seems a bit unliterary in perfection—so be it for great phrasing and grammatical perfection is not our goal—information in TRUTH is our only intent and goal. The awakening of man to his plight (that he might change his direction) is our HOPE. GOD IS OUR LIFE.

Thank you, Patrick, for sharing this

page of thoughtful reminders and input. I shall honor the authors and yourself just as sent to us. It is time, world, to awaken and see that which has been pulled upon thine eyes in deception.

QUOTING:

MORALITY FOR YOUTH

The following is quoted from KINSEY, SEX AND FRAUD (The Indoctrination of a People) by Dr. Judith A. Reisman, Edward W. Eichel, Dr. John H. Court, and Dr. J. Gordon Muir, Editors. Distributed by Huntington House Publishers, P.O. Box 53788, Lafayette, Louisiana 70505. Phone 1-800-749-4009.

"This book is social dynamite!" : Patrick Buchanan.

The following is directly from the book in point:

BEYOND THE KINSEY GRAND SCHEME

While adult-child sex is identified as a major objective of the Kinsey (Dr. Alfred C. Kinsey) 'grand scheme', arriving at such a goal will not be easy. For those who subscribe to both gay and pedophile agendas—and they are in influential positions in academic sexology—there is a challenging road ahead. But the challenge is being met with a subtle and comprehensive campaign affecting society's most-prized belief systems, professions and institutions. We are fully aware that the following alleged elements of this campaign may sound like science fiction, even though we have already seen most of them in the sex education and sexology literature:

- Encourage gay-activist movements, and establish homosexuality as a normal sexual orientation.
- Declare pedophilia a sexual orientation and add adult-child sex to the agenda.
- Promote widespread promiscuity to create a sexual anarchy, where so many are implicated that the distinction of pedophilia might seem insignificant.
- Promote the sexual rights of children, to open the way for pedophilia.
- Attack religion to undermine the Judeo-Christian concept of sin and eliminate the distinction between right and wrong.
- Attack psychoanalysis to eliminate psychoanalytical concepts that associate aberrant sexual behaviors with mental illness.* Disassociate sex from pathology. (* Sodomy is legally classified as mental illness under the Laws of Washington.)
- Lobby the judicial system to reform sex laws so that aberrant sexual behavior is not considered criminal. Legalize aberrant sex acts to eliminate punishment for sex crimes.
- Promote hostility between the sexes.

Align feminists with gay activists in a campaign against heterosexuality *per se*.

Exploit childhood rebellion to alienate children from parents. Separate children from the protective traditional family structure.

Redefine *Family* to break the heterosexual model of a nuclear family with a mother and father.

What chance of success does such an agenda have? Probably not much. When mainstream Americans learn to recognize the components of such a campaign, however cunningly disguised the elements are inside 'AIDS Education' programs, 'initiatives' to dispel 'homophobia', and the like, they are likely to make short shrift of them.

END QUOTING

Well, perhaps, but the people sleep on and the politicians play their sneaky games—for instance, surely you do not think Perot is out of the picture?!? As long as deceit works it will continue until it falls or imprisons you. Which it will be is totally up to YOU.

[Editor's note: Please see the article on page 15 on Congress' passing of Public Law 102-14. The Zionist Adversary is as much behind this Kinsey issue as behind that Education Act, both acting as **covers** for the undermining of America's values.]

DEDICATION

TO THOSE WHO WENT IN TRUTH, IN FACT AND IN SPIRIT TO GUARD IN A LONELY VIGIL ON A BACKWOODS MOUNTAIN TOP IN IDAHO. BLESSED ARE YE WHO DEFEND THE LEAST OF "MINE", SAYETH THE LORD. MAY THE LOSS OF THOSE BLESSED CHILDREN OF GOD WHO GAVE THAT YE MIGHT FIND TRUTH OF YOUR CIRCUMSTANCE BE REVEALED IN THE GLORY WHICH IT IS. AND, MAY JUSTICE BE FOUND UPON YOUR PLACE THAT YOU NOT BE FOREVER LOST TO THE PATH OF LIGHTED TRUTH AND SOURCE.

CRUCIFIXION CROSSES COME IN MANY SHAPES AND FORMS!

MAY GOD IN HIS GRACE FORGIVE THAT WHICH IS DONE AGAINST HIS TRUTH FOR SURELY, MANKIND CANNOT KNOW OF THAT WHICH HE DOES. MAY THE DEMAND FOR JUSTICE CRY OUT IN DEAFENING ROAR ACROSS YOUR NATIONS THAT THE LOSS AND SACRIFICE SHALL NOT PERISH, BUT TOUCH THE HEARTS OF MAN--FOR IF YOU LOSE THIS ACT OF INJUSTICE IN YOUR SLUMBER--SO TOO SHALL YE PERISH, FOR SO IS IT SPOKEN AND SO SPOKEN, SHALL IT COME TO BE UPON THE LANDS IN THESE DAYS OF THE LORD.

AMEN

Roller Coaster

(Continued from page 1)

viruses, etc., the nation has been infected with same. Further, there is nothing you can do about it. In this little town written about in the paper in which the Constitutional Law Center is taking action—they can only act on the fact that the population **was not given notice until AFTER sickness struck throughout the population.**

WHAT WAS THE EVENING LIGHT IN THE SO. CAL. WESTERN SKY LAST EVENING?

This was seen over such a large area that I feel it alright to comment. It was an attempted launch of a very deadly missile from Vandenberg. You ARE at war, remember. If you think your shuttle is up in space to study frogs and hornet's nests you are in serious trouble. Note that the announcements regarding intensive studies of "live" crystals never made the news after the FIRST announcement! They are dumping viruses (crystal life-forms) on you, chelas, by the BILLIONS OF DOLLARS WORTH.

HELP IN DISASTERS

Ah, more "aid to disaster victims" the story goes? There hasn't been any so far! Insurance companies such as Sears Roebuck (Allstate) is under review for downgrade and the Discover card holders are paying higher costs because of it. The government, thus far, has not come through with ANYTHING except inability to cope with more and more disasters. Do you realize that TODAY in Iowa's southern portion the entire area looks like Pakistan earlier in the week? What will this do to the grain crops? It has been declared to be a "state of emergency" and a "federal disaster" this morning—AFTER the release of information of a federal disaster "package" for assistance to "already" disaster areas.

The California quakes continue daily by the hundreds—you just don't hear. Yesterday a large one hit in the same area of Yucca Valley, with damage. How long will those faults hold? What kind of disaster cost will be incurred when that "Big One" happens? How much return do you think you will receive from the defunct insurance companies and your bankrupt federal and state governments?

Ft. Knox is empty of metals but is filled to overflow with new colored paper money—ready to exchange for currency now defunct and **ration coupons**, itemized, numbered and ready for immediate distribution. I suggest everyone check your supplies—AND, get a bit of water decontaminant supplies because you are set up

to be made ill from your very survival stores.

We are continually complained to that "imminent" means anywhere from next hour to next century. Well, yes, that is true—BUT THESE THINGS ARE FAR CLOSER TO THE NEXT HOUR THAN TO THE NEXT CENTURY SO I WOULD SUGGEST ACTING ACCORDINGLY.

RANDY WEAVER

Lest ye forget: You are asked to give support to Randy. He can be receiving mail at: Boise County Jail, 7200 Barrister Dr., Boise, Idaho 83704. Do, however, send him stamps and writing supplies if you desire a response for he has nothing. I ask DISCRETION in subjects discussed for ALL is censored and inspected by "intelligence". Please do not refer to any possible "old" experiences or connections as you perceive them to be. The point is to give support and love, along with sympathy for his losses and those of his children. Remember that a Mother and Son were murdered—DO NOT CAUSE THE FATHER TO BE ALSO MURDERED. ONLY NATIONAL SUPPORT AND ATTENTION WILL SAVE THIS MAN FROM THE TRAP STILL BEING LAID FOR HIM. HOW CAN ONE "LITTLE" MAN BE SO IMPORTANT TO THE BASTARDS IN CONTROL? IT IS WORTH CONSIDERING, IS IT NOT? IF YOU WISH TO SEND MONETARY GIFTS—DO NOT SEND THEM TO THIS MAN DIRECTLY FOR HE WILL NOT GET THEM, SEND THEM TO GRITZ FOR FORWARDING OR DELIVERY AND/OR HERE WHEREIN THEY CAN BE SAFELY FORWARDED. NO, OUR PEOPLE HAVE NOTHING TO DO WITH THE SITUATION OF RANDY WEAVER BUT WILL MAKE SURE THAT THERE IS SOME WAY TO GET INFORMATION AND GIFTS TO HIM. I'M SURE THERE ARE PLACES SET UP TO RECEIVE FOR HIM AND THIS "CAUSE" BUT IT HAS NOT YET COME TO OUR ATTENTION.

REVELATION 22:11-16

And when that time comes, all doing wrong will do it more and more; the vile will become more vile; good men will be better; those who are holy will continue on in greater holiness.

See, I am coming soon and my reward is with me, to repay everyone according to the deeds he has done. I am the A and the Z, the Beginning and the End, the First and Last.

Blessed forever are all who are washing their robes, to have the right to enter in through the gates of the city, and to eat the fruit from the Tree of Life.

Outside the city are those who have strayed away from God, and the sorcerers and the immoral and murderers and idolaters, and all who love to lie, and do so....

AND SO, GOD HAS SENT FORTH MESSENGERS IN THESE FINAL PASSAGES THAT YOU MIGHT BE GIVEN INTO

KNOWING. HOW WILL YOU CHOOSE?

9/17/92 #1 HATONN

HEY, WHAT'S HAPPININ'?

It is quite simple when you ponder it—you are on the rollercoaster ride—too late to get off and moving toward full steam ahead without visible means of slowing, stopping or choosing a better stopping point.

The NEW WORLD ORDER is at the end of this ride and it will then be known as the ULTIMATE WORLD ORDER. It is the **Zionist** hope to establish this Order after they have used Communism, Democracy and a Third World to gain their ends. You in the U.S. have quickly become the major nation in the "third-world" for you have been "hooked" and stripped. **I REMIND YOU—THIS IS NOT JUDAISM OR "JEWISH" AS YOU WISH TO RECOGNIZE THE HIDDEN GROUP OF THIEVES—THIS IS A PRESUMPTION WHICH IS FALSE AS TO JEWISHNESS. YOU HAVE MET YOUR ENEMY AND YOU HAVE BEEN TRAINED AND BADGERED TO NOT SEE HIM IN HIS INVISIBLE NEW CLOTHES.**

CLOSER TO "HOME"—THAT BEING
WHEREIN IS THE HEART,
I.E.: GOLD AND MONEY

What is happening with gold and silver? EXACTLY WHAT WAS EXPECTED IF YOU KEEP UP. It cannot rise by leaps and bounds until the market is triggered at just under 3,500. The dollar is in disastrous circumstance as is every other currency in the world—ready for new currency and global money. The "show and tell" is for sparring position.

Why the recent drop in gold? Several things and several governments have sold gold in order to get foreign currency, i.e., Italy, etc. In a similar move they shoved up interest rates by a lot. Facts are that most markets didn't have news of this which is even more wondrous because there COULD NOT be a fair market reaction. There is a lot of gold being exchanged into things like jet fighters and thus and so for it is hard to get gold transfigured into quiet money at a time when money is being revamped and taken from use.

The Zionist Banksters of the world have drained off all reserves (for money backing) from your nation in one way or another and YOU have no hard metal on which to base money.

It was and is predicted that gold will bottom in 1992 so it still remains a good investment if investment is as collateral in order to put value to immediate project work. Just to tinker with gold is going to be foolish in the long run but might well hold for a while. Everyone needs some stores and it remains best for same,

along with silver—for immediate needs, in collapse.

London gold must hold over \$332 and climb back to over \$360 to get any life at all. If the \$332 low breaks, it foretells a move back to possibly in the \$280s to \$300 bottom zone which were lows between your years 1982 & 1985. The intent, then, is to move it up strongly in the next two years 1993-94 as money is changed and confusion reigns. 1995 will be a horrendous year of changes and you had best be prepared. Until then expect fluctuations and, for this reason, if invested as collateral or otherwise—for goodness sakes don't sell—for it is time to purchase, not sell. If you cause ones to sell your collateral be prepared for loss in any circumstance because of attendant fees. It will NOT hold market expectations for it is manipulated. The point is that myriads of tons of gold are being processed onto the markets but prices are being kept LOW. It would at first appear that if gold is low there will be great drives to buy but this is illusion—there is abundance of gold and thus the ability to keep the purchase price lid on for the Elite who do the manipulation.

Ones who use investments as threats or levers will not find the way easy for there are few places who will attend the security of the product and the project. Too soon the controls will be thrust upon you and it won't matter either way—at that point a piece of a good project is all that will save your assets.

MISSILES

The Vandenberg "missile" launch of a few nights past—was NOT a successful launch. However, the more important point to realize is that these types of launches are going on in almost every state in your Union. On 9/14/92, for instance, a 70-foot missile presented a REAL light show in the southern sky and was easily seen for 5-700 miles away from launch site.

There was something significant about the "flight" and this is true of all such current launches: the missiles are triangular, extremely bright (photons), and when they "shut themselves down" there is NOTHING there. In this instance of Vandenberg, for instance, even though the flight was NOT successful—it was successful to this point and was, of course, missed by the media in every instance of public release. The missile becomes invisible. This does not mean that your enemy cannot track it—it means that your enemy is in on the game. The invisible objects are NOT invisible to either alien craft or "closer", to the Cosmosphears.

EARTHQUAKES AND SONIC BOOMS

The interesting display of "rumbling" shudders over Coastal Southern California yesterday morning (for several hours) was not quake nor sonic booms as finally described to you. Neither was it the "regular" returning blast of the "photon spy plane". It was caused by a series of pulse blasts which do cause air-quakes but not of the military type you would perceive of craft breaking sound barriers. California is being polished and readied for disaster. As these things are happening constantly (without notice or after the sleeping pill is given and return to normal drugged sleep is achieved) with almost steady pulses to all areas. The quakes happening are in the areas of fault lines where there is still "snag" or "hang-up". Note that these are getting heftier and more damaging on impact.

As to floods in Pakistan and/or in Iowa, etc., it simply is the way it is going to be. There will be floods wherever the most damage to crops can be presented and monetary damage can be established. You will, if you remember, recall our writings said that winds will finally reach sustained levels of 150 mph as climates and weather patterns change. You will experience ever-increasing intensity of violence from volcanos, earthquakes, hurricanes, tidal waves, floods, fires, droughts, plus extremes in temperatures. These are expected to be at their worst from about 1991 through 1997 when the Global Government is in final establishment and you are under control—or dead. Remember—Global control **BY** year 2000. 1995 is expected to be the worst ever for earthquakes—this does not even take into consideration the San Andreas in California for it is not expected to be able to endure intact until 1995.

OVERVIEW OF MAJOR EVIL FACTIONS

I care not what you WANT to believe, you are not out of a "cold war" with Communists—you are into a do or die showdown with TWO factions of anti-God. If the Communists think they are going to conquer all the nations and set up a world government under a dictator of their own choosing they are going to have big surprises. For their PARENT, the sect which originally launched the Communist movement as an offshoot to accomplish a specific and temporary purpose, has plans for an ULTIMATE world order of its very own; and this sect, commonly called Zionist, now vastly overshadows the much cruder Communist machine in skill, finance, organization and influence. These Zionists come from every so-called walk of life and race. There are more blue-eyed pale-faces than there are

brown-eyed ones thinking of themselves as "Jewish". Zionism is NOT "Jewish", I remind you and "anti-Semite" has no such meaning in any event. IF YOU DO NOT KNOW YOUR ENEMY HOW CAN YOU PROTECT YOURSELF? THE ZIONISTS ARE TOTALLY COMMUNISTIC SOCIALISTS IN THE MIDST OF THE PLAN 2000 WORLD TAKE-OVER. I SHALL AGAIN WRITE ABOUT IT AND I TRUST YOU WILL READ IT WITH OPEN MINDS. THESE ONES DO NOT COME FROM THE HOUSE OF SHEM (SEMITES); THEY ARE FROM THE HEART AND SOUL OF THE PHARISEES. THE LIES ARE ABOUT TO BURY YOU. THESE ONES WILL WAR WITH SELVES, SLAY THEIR OWN AND START RIOTS WHILE CALLING THEMSELVES BY NAMES TO INCITE RIOTS AS IN IDAHO OR GERMANY—THE PLOT IS ALWAYS THE SAME—TO CAUSE CHAOS AND DIVIDE THE PEOPLE INTO HATE GROUPS. YOU WILL RECOGNIZE THIS THRUST OR YOU ARE DESTINED TO PERISH IN IT.

PERSONAL MESSAGE TO aka "JOHN COLEMAN" ET AL.

To Joseph Pavlonski (alias "John Coleman" et al.): It is most surely suggested that you get in touch with ones at Global Sciences Congress and clear your debts. Please contact Mr. Dean Stonier. You have major outstanding debts to many people and if you do not wish your book to be totally discredited along with self, it would behoove you to mend your fences—IMMEDIATELY. You could begin to clear yourself by returning the computers and electronic equipment loaned to you by this group at THE PHOENIX LIBERATOR. Debt for the books themselves as first printed will be given into the hands of the publisher, America West—but equipment MUST be returned to the owners.

[Editor's note: If you skipped over it, go back and see page 6 for some interesting background information on this slippery character Pavlonski/Coleman. As Commander Hatonn often reminds us, **THE TRUTH** always comes out eventually.]

Public Law 102-14

9/17/92 #1 HATONN

I remind you of Public Law 102-14 which is a true example of the "anti-christ" fighting with all its fury. The question is: do you succumb to the anti-christ or will you overcome the anti-christ? Your choice is now in these latter days of a world as you knew it WITHOUT any semblance of freedom and human dignity.

Remember something else, troopers: the blood of the uninformed is always IN the hands of the informed. However, **once they've been told, they are no longer uninformed. Their blood has been transferred back into their own hands!**

Our trust and mission is to INFORM. What you do with that information is your choice but my mission is not finished until I have brought the Word—whether or not you agree or like of it. If you prefer to continue to live in your narrow trap of deceit and lies, so be it. This "law" in point was designed, written and signed by your President and passed without you knowing a thing about it. It was lumped in with subterfuge and foisted off on you on a cute thing called "Education Day". It has nothing to do with Education Day then or now. That was March 20, 1991. The Joint Resolution reads like something out of the "Middle Ages" of special groups who control and would designate March 26, (1991) as "Education Day, USA".

9/17/92 #2 HATONN

(Continuation of #1)

The following information regarding PUBLIC LAW 102-14 comes to us from one who has shared and originated as in this presentation from another in Arizona. Since this is a newspaper/JOURNAL and I would wish to give credit for fine work, I am limited in that ability because of court action against us regarding Dr. Russell's wondrous gifted work now banned from your free use of same, as scientific fact. The courts have labeled, in this interim time prior to trial, Dr. Russell's work as metaphysical philosophy with no basis in FACT. This is heinous as that work is scientific in total nature—the metaphysical humanistic use is attributed to ones

who came after the scientific contribution to mankind.

At any circumstance I shall simply identify the sender as J.H. and the originator as B.S.

Re: PUBLIC LAW 102-14

I hope and pray the enclosed material will infuriate you enough to join in the effort of informing others of the great peril that PUBLIC LAW 102-14 promises to have on all America.

The contents are self-explanatory if read in a gleaning manner.

PUBLIC LAW 102-14 is a true example of the anti-christ fighting with all its fury. The question is: do we succumb to the anti-christ or will we overcome the anti-christ?? Truly, our choice to make in these the latter days.

Remember, the blood of the uninformed is always in the hands of the informed. However, once they've been told, they are no longer uninformed. Their blood has been transferred back into their own hands.

Sincerely in Christ,

B.S. (Arizona)

P.S.: The enclosed material definitely deserves more than a one time casual reading.

P.P.S.: **Perhaps it is time we limit politicians to 2 terms: One in office, and ONE IN JAIL.**

A GOVERNMENT TRULY GONE
MAD!

The following law went into effect in October 2, 1991: "The bill enacting this law, H.J. Res. 104, moved swiftly through by voice vote."

This Resolution was titled "A JOINT RESOLUTION to DESIGNATE MARCH 26, 1991 AS EDUCATION DAY, U.S.A." It was introduced in the House of Representatives by Robert H. Michel (R-IL) and co-sponsored by Richard Gephardt (D-MO). It was then co-sponsored by 224 more Congressmen. Congressman Bob Stump (R-AZ) was one of the 224 co-sponsors. **[H: Indeed this is one of the ones where I**

asked you to write and demand to know how this "voice vote" could have come to be. I have received copies of many of the return letters which indicate: "It is none of your business"!]

The real meaning of this law is not spelled out within the law itself but it is very strange that it was introduced, passed and signed by the President in a country whose laws ostensibly originate in the Common Law which comes from the Laws, Statutes and Judgments (Mosaic Laws) of the accepted "Holy Bible". As you will discover the Resolution has absolutely nothing whatsoever to do with "Education Day".

[H: As we go through this material ahead please be reminded that we utilize words such as "Jew", "Jewish", etc., simply for identification FOR THE TERM "JEW" WAS NOT COINED IN ANY MANNER UNTIL THE LATE 1700s (18TH CENTURY). THESE ONES IN POINT CAME FROM THE KHAZARIAN TRIBES AND WERE NOT EVEN JUDEAN OR "HEBREW"—THEY FORMED A NEW LANGUAGE CALLED "YIDDISH", WROTE THE "HUMAN" LAWS CALLED TALMUD AND HAVE GONE ABOUT A PLAN 2000 FOR GLOBAL CONTROL THROUGH WHAT THEY HAVE SINCE IDENTIFIED AS "ZIONISM". TO HAVE MEANING AS BROUGHT INTO YOUR ATTENTION WE CANNOT TAKE TIME TO IDENTIFY EACH TIME WE USE TERMS WHICH HAVE SINCE, BY LAW AND/OR USAGE, BECOME EFFECTIVELY THE ACCEPTED TERMINOLOGY. "ACCEPTED" DOES NOT MAKE IT CORRECT NOR ACCURATE!]

105 STAT. 44 PUBLIC LAW 102-14—
MAR. 20, 1991

Public Law 102-14
102nd Congress

JOINT RESOLUTION

Mar. 20, 1991

To designate March 26, 1991, as "Education Day, USA"
[H.J. Res. 104]

Whereas Congress recognizes the historical tradition of ethical values and

principles which are the basis of civilized society and upon which our great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws; Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future; Whereas the Lubavich movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Manachem Mendel Schneerson, leader of the Lubavich movement is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetyeth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state: Now, therefore, be it Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetyeth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavich movement, is designated as "Education Day, U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Approved March 20, 1991.

LEGISLATIVE HISTORY—H.J. RES. 104:

CONGRESSIONAL RECORD, VOL 137 (1991):

Mar. 5, considered and passed House.
Mar. 7, considered and passed Senate.
[BOTH PASSED BY MEANS OF VOICE VOTE]

Now that the Seven Noahide Laws are the law of the land it should behoove each of us to know and understand what the Seven Laws actually are [**H: You WOULD want to know if the Methodists or Pentecostals passed a public law of the land, would you not?**]; what the **penalties for disobeying them** are and; last but not least, **by whom are they to be enforced**. Yours truly is still waiting for the "governmental" answers to this most important issue from his written request to both Congressmen Michel and Stump. While waiting for their answers I tried to find out on my own what this "Public Law 102-14" is all about.

If you are curious and inquisitive I'd like to share with you what I found. The following is not easy or light reading. It actually requires a totally different mindset than that to which we are accustomed; e.g., to catch a thief one must **think as a thief**; or, **put oneself in their stead**.

The following spells out the Seven Noahide Laws; the Lubavich movement; the 'rebbe'; and Rabbi Schneerson. It was all gathered in context from the *Judaica Encyclopedia*, a Jewish publication. I could find but a mere mention in a few other publications but not enough to properly answer the question.

May your discernment prevail and, as you read continuously ask yourself WHY did our "government" pass this law so swiftly and with only a voice vote??

You will notice in the Whereas' above it states many times ethical values and principles. This is very important because in the sixth "Whereas" it states unequivocally where they were fostered and promoted. You'll also notice it is NOT from Common Law or Christian principles and Biblical Laws. In essence, you'll discover, if you are in complete honesty with yourself, that Public Law 102-14 legally and **POLITICALLY JUDAIZED THE UNITED STATES OF AMERICA WITH A BABYLONIAN TALMUDIC RELIGION KNOWN AS JUDAISM AND IN TOTAL VIOLATION OF THE FIRST AMENDMENT TO OUR CONSTITUTION WHICH STATES: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof;...."** This is what the media, and all anti-Christian proponents want us to believe is "Separation of Church and State."

You'll also notice in the ninth "Whereas" it is to go international with other heads of state signing. Is this just coincidental with the Messianic Age (One World Government under Zionism) that Jewry is zealously waiting, or was it deliberately planned that way? Consider the removal of "The Ten Commandments" from our so-called public schools. If all this doesn't total up for cause of concern for all of us then we definitely deserve what they

(the oneworlders) have planned for us.

From the *Judaica Encyclopedia*:
"NOACHIDE LAWS, The seven laws considered by rabbinic tradition as the minimal moral duties enjoined by the Bible on all men (Sanh. 56-60; Yad, Melakhim, 8:10, 10:12 [Babylonian Talmud]). Jews are obligated to observe the whole Torah, while every non-Jew is a "son of the covenant of Noah" (see Gen. 9), and he who accepts its obligations is a *ger-toshav* ("resident-stranger" or even "semi-convert" (See Av. Zar. 64b; Maim, Yad, Melakhim 8:10.) Maimonides equates the righteous man (Ihasid) of the [gentile] nations" who has a share in the world to come even without becoming a Jew with the gentile who keeps these laws. Such a man is entitled to full material support from the Jewish community (see ET, 6 (19540, col. 289 s.v. *ger toshav*) and to the highest earthly honors (*Sefer Hasidim* [1957], 358). The seven Noachide laws as traditionally enumerated are: the prohibitions of idolatry, blasphemy, bloodshed, sexual sins, theft, and eating from a living animal, as well as the injunction to establish a legal system (Tosef., Av. Zar. 8:4; Sanh. 56a). Except for the last, all are negative, and the last itself is usually interpreted as **commanding the enforcement of the others** (Maim. Yad, Melakhim, 9:1). *They are derived exegetically from divine demands addressed to Adam (Gen. 2:16) and Noah (see Gen. R. 34; Sanh. 59b, i.e., the progenitors of all mankind, and are thus regarded as universal. [H: But it doesn't sound too bad yet, does it? Just good manners and habits? Watch out—it means a lot of things you do not yet even think about. This could "literally" mean no eggs, no milk, etc. Think again and then read on.]* The prohibition of idolatry provides that, to ensure social stability and personal salvation, the non-Jew does not have to "know God" but **must adjure false gods (that's a good trick if you can do it)** (Meg. 13a; Kid. 40a; Maim. Yad, Melakhim, 10:2ff). This law refers only to actual idolatrous acts, and not to theoretical principles and, unlike Jews, Noachides are not required to suffer martyrdom rather than break this law (Sanh. 74a; TJ, Shev. 4:2). [**H: I can only suggest that you "good" Christians who refuse to read this go to the library and READ THE TALMUD!—EXCEPT THAT THEY WON'T LET YOU HAVE A COPY.**"] They are, however, required to choose martyrdom rather than shed human (Jewish [for "other"] is classified as something else—not 'human' blood) (Pes. 25b and Rashi). [**H: I also note that the "leaders" don't shed anything including property—just the lowly "human" Jewish sucker. It is more of that, "You sacrifice and we'll lead".]**

In view of the strict monotheism of Islam,

Muslims were considered as Noachides (cf. ET. loc. cit., col. 291, n. 17), whereas the status of Christians was a matter of debate. Since the later Middle Ages, however, Christianity too has come to be regarded as Noachides, on the ground that *shittuf* ("associationism"—this was the Jewish interpretation of Trinitarianism) is not forbidden to non-Jews (see YD 151). **Under the prohibitions of blasphemy, murder, and theft Noachides are subject to greater legal restrictions than Jews because non-Jewish society is held to be more prone to these sins** (Rashi to Sanh. 57a). The prohibition of theft covers many types of acts, e.g., military conquests (ibid., 59a) and dishonesty in economic life (ibid., 57a; Yad, Melakhim, 9:9). A number of other Noachide prescriptions are listed in the sources (see Sanh. 57b; Mid. Ps. 21; Yad, Melakhim, 10:6), e.g., prohibitions of sorcery, castration, mixed seeds, blemished sacrifices, injunctions to practice charity, procreate, and to honor the Torah (Hul. 92a). These are best understood as sub-headings of "the seven laws". Noachides may also freely choose to practice certain other Jewish commandments (Yad, Melakhim, 10:9-10). *Jews are obligated to try to establish the Noachide Code wherever they can* (ibid., 8:10). Maimonides held that Noachides must not only accept "the seven laws" on their own merit, but they must accept them as divinely revealed. This follows from the thesis that all ethics are not ultimately "natural", but require a theological framework, (see Schwarzschild, in: JQR, 52 (1962), 302; Fauer, in: *Tarbiz*, 38 (1968), 43-53). The Noachide covenant plays an important part in both Jewish history and historiography. Modern Jewish thinkers like Moses Mendelssohn and Herman Cohen emphasized the Noachide conception as the common rational, ethical ground of Israel and mankind (see H. Cohen, *Religion der Vernunft* (1929), 135-48, 381-8), and see Noah as the symbol of the unity and perpetuity of mankind (ibid., 293). Views differ as to whether the ultimate stage of humanity will comprise both Judaism and Noachidism, or whether Noachidism is only the penultimate level before the universalization of all of the Torah (see TJ, Av. Zar. 2:1). Aimé Pallière, at the suggestion of his teacher Rabbi E. Benamozegh, adopted the Noachide Laws and never formally converted to Judaism.

"In Jewish Law. While in the amoraic period the above-mentioned list of seven precepts is clearly accepted as the framework of the Noachide Laws, a variety of tannaitic sources indicate lack of complete agreement as to the number of such laws, as well as to the four possible additional prohibitions against (1) drinking the blood of a living animal; (2) emasculation; (3) sorcery; and (4) all magical practices listed in Deuteronomy 18:10-11. The Tal-

mud records a position which would add prohibitions against cross-breeding of animals of different species, and grafting trees of different kinds (Sanh. 56b). Nonrabbinic sources of the tannaitic period indicate even greater divergence. The Book of Jubilees (7:20ff.) records a substantially different list of six commandments given by Noah to his sons: (1) to observe righteousness; (2) to cover the shame of their flesh; (3) to bless their creator; (4) to honor parents; (5) to love their neighbor; and (6) To guard against fornication, uncleanness, and all iniquity (see I. Finkelstein, bibl.). Acts (15:20) refers to four commandments addressed to non-Jews, "... that they abstain from pollutions of idols, from fornication, from things strangled, and from blood." This latter list is the only one that bears any systematic relationship to the set of religious laws which the Pentateuch makes obligatory upon resident aliens (the *ger ha-gar* AND *ezrah*).

"NATURE AND PURPOSE. There are indications that even during the Talmudic period itself there was divergence of opinion as to whether the Noachide Laws constituted a formulation of natural law or were intended solely to govern the behavior of the non-Jewish residents living under Jewish jurisdiction. The natural law position is expressed most clearly by the assertion, as to five of the seven laws, that they would have been made mandatory even had they not been revealed (Yoma 67b; Sifra *Aharei Mot*, 13:10). Similarly, the rabbinic insistence that six of the seven Noachide Laws were actually revealed to Adam partakes of a clearly universalistic thrust (Gen. R. 16:6, 24:5). The seventh law, against the eating of flesh torn from a living animal, could have been revealed at the earliest to Noah, since prior to the flood the eating of flesh was prohibited altogether. The very fact that these laws were denominated as the "seven laws of the sons of Noah" constitutes further indication of this trend since the term "sons of Noah" is, in rabbinic usage, a technical term including all human beings except those whom Jewish law defines as being Jews. Nor was there a lack of technical terminology available specifically to describe the resident alien. On the other hand, the entire context of the Talmudic discussion of the Noachide Laws is that of actual enforcement by rabbinic courts. To that end, not only is the punishment for each crime enumerated, but standards of procedure and evidence are discussed as well (Sanh. 56a-59a). This presumption of the jurisdiction of Jewish courts is most comprehensible if the laws themselves are intended to apply to non-Jews resident in areas of Jewish sovereignty. Of a similar nature is the position of Yose that the parameters of the proscription against magical practices by Noachides is the verse

in Deuteronomy (18-10) which begins, "There shall not be found among you..." (Sanh. 56b). The attempt by Finkelstein (op. cit.) to date the formulation of the seven Noachide commandments during the Hasmonean era would also suggest a rabbinic concern with the actual legal status of the non-Jew in a sovereign Jewish state. It might even be the case that the substitution by the *tanna* of the school of Manasseh of emasculation and forbidden mixtures of plants for the establishment of a judicial system and blasphemy (Sanh. 56b) itself reflects a concern with the regulation of the life of the resident alien already under the jurisdiction of Jewish courts. Of course, the seven commandments themselves are subject to either interpretation: e.g., the establishment of courts of justice can mean either an independent non-Jewish judiciary and legal system or can simply bring the non-Jew under the rubric of Jewish civil law and its judicial system.

"THE BASIS OF AUTHORITY. A question related to the above is that of the basis of authority of these laws over the non-Jews. Talmudic texts seem constantly to alternate between two terms, reflecting contradictory assumptions as to the basis of authority, namely seven precepts "which were commanded" (*she-nitzavvu*) to the Noachides, and seven precepts "which the Noachides accepted upon themselves" (*she-kibbelu aleihem*; BK 38a; TJ, Av. Zar. 2:1; Hul. 92ab; Hor. 8b; Sahn. 56b). This disparity between authority based on revelation as opposed to consent reaches a climax when Maimonides asserts that the only proper basis for acceptance of the Noachide laws by a non-Jew is divine authority based on revelation as opposed to consent reaches a climax when Maimonides asserts that the only proper basis for acceptance of the Noachide laws by a non-Jew is divine authority and revelation to Moses, and that "... if he observe them due to intellectual conviction (i.e., consent) such a one is not a resident alien, nor of the righteous of the nations of the world, nor of their wise men" (Yad, Melakhim 8:11; the possibility that the final "*ve-lo*" ("nor") is a scribal error for "*ella*" ("but rather") while very appealing, is not borne out by any manuscript evidence). Of course, this same conflict between revelation and consent as basis of authority appears with regard to the binding authority of Torah over the Jew, in the form of "we will do and obey" (Ex. 24:7) as opposed to "He (God) suspended the mountain upon them like a cask, and said to them, 'If ye accept the Torah, 'tis well; if not, there shall be your burial'" (Shab. 88a). **[H: Now, to you Christians who bash these scribes of mine against the head—go back and read that sentence. You claim the word of the Holy Bible and yet clearly this law states, in fact, that you must believe th-**

TORAH. There is no valid term "Judeo/Christian" in FACT. The two terms are mutually exclusive and at opposite ends of definition. This is something conjured in these latter days to confuse you from your belief systems in either case and suck you into political Zionism-Socialism under a one world order—under the TALMUDIC COMMUNISTIC ONE WORLD RULE—"THEIRS AND NOT YOURS".]

"NOACHIDE LAWS AND PRE-SINAITIC LAWS. The *amoraim*, having received a clear tradition of seven Noachide Laws, had difficulty in explaining why other pre-Sinaitic laws were not included, such as procreation, circumcision, and the law of the sinew. They propounded two somewhat strained principles to explain the anomalies. The absence of circumcision and the sinew is explained through the assertion that any pre-Sinaitic law which was not repeated at Sinai was thenceforth applicable solely to Israelites (Sahn. 59a), whence procreation, would nevertheless not be listed (cf. Tos. to Yev. 62A s.v. *benet*; Tos. to Hag. 2b s.v. *lo*).

"LIABILITY FOR VIOLATION OF THE LAWS. While committed to the principle that "There is nothing permitted to an Israelite yet forbidden to a heathen" (Sanh. 59a), the seven Noachide Laws were not as extensive as the parallel prohibitions applicable to Jews, and there are indeed situations in which a non-Jew would be liable for committing an act for which a Jew would not be liable. [H: The thing herein to note is that there WILL COME NEXT the separation of the so-called "Jew" from that of the Zionist. The intent herein is to FIRST PULL DOWN THE RECOGNIZED "JEW" AS AN ACCEPTED RACE, CREED AND RELIGIOUS DOCTRINE.] As to the latter point, as a general rule, the Noachide is criminally liable for violation of any of his seven laws even though technical definitional limitations would prevent liability by a Jew performing the same act. Thus a non-Jew is liable for blasphemy—even if only with one of the divine attributes; murder—even of a foetus (see Embryo); robbery—even of less than a *perutah*; and the eating of flesh torn from a living animal—even of a quantity less than the size of an olive. [H: This would seem to disallow "eating" of any flesh torn apart from a living animal, i.e., testes in the case of castration at branding, etc. It does not however, negate the sacrifice of animals, etc.—only the EATING of such flesh "torn from"....]. In all these cases a Jew would not be liable (Sanh. 56a-59b; Yad, Melakhim, ch. 9, 10). One additional element of greater severity is that violation of any one of the seven laws subjects the Noachide to capital punishment by decapitation. (Sanh. 57a)."

The preceding represented quota-

tions and now we will look at definitions:

Amoraic period: named in honor of one of a group of Jewish scholars named Amora, who was active in the rabbinical academies of Palestine and Babylonia from the 3rd to the 6th centuries A.D., whose commentaries on and interpretations of the Mishnah comprise the Palestine and Babylonian Gemaras.

Mishnah: the section of the Talmud consisting of the collection of oral laws edited A.D. c200 by rabbi Judah ha-Nasi.

Gemaras: argumentative teachings about these laws.

Tannaitic period: named after one of a group of Jewish scholars named Tanna, who was active in Palestine during the 1st and 2nd centuries A.D. [H: Here is prime example of misuse of the term "Jew" for this cannot be 'accurate' for "Jew" was not identified until the late 1700s.] whose teachings relating to Jewish law and tradition are founded chiefly in the Mishnah.

Noachide: any non-Jew. [H: These are also called Goy or Goyim.]

Anti-Semitic: is a senseless word used to denounce opposition to Pharisaism, the Jews not being "Semites" but of all races, now as always. The cure of anti-Semitism is extermination, as in the Iron Curtain countries, and insane asylums. The "CURE" is a promotion of Rabbi Leon Spitz in his article titled "GLAMOUR PURIM FORMULA—*Exterminate Anti-Semitic Termites As Our Ancestors Did 2,500 Years Ago.*" This work was published in "American Hebrew" March 1, 1946.

In the section above, subtitled Nature and Purpose, you'll notice the terms Jewish jurisdiction, Jewish sovereignty, a sovereign Jewish state, jurisdiction of Jewish courts, etc., being used. This terminology demands more than just casual nonchalant reading. As was stated earlier in these pages "a different 'mind-set' is required. To put these terms in a proper contextual perspective, the reader must first comprehend the universalistic mentality of World Jewry. We must also remember **they believe** the Seven Noachide Laws are only for non-Jews and not for Jews, and we must remember **they believe** only they have been ordained to govern and enforce said laws, and we must remember **they believe** said laws are universal. [H: NOW they are the law of your land, AMERICA!] Keeping this all in mind we must also remember **they believe** they are sovereign citizens anywhere they reside throughout the world. Their Talmud "gives" them this privilege. They do take a lot for granted and it is seldom, if ever, challenged. [H: And again—absolutely no one was even given the chance to challenge it.]

When one considers (to bring it closer to home) the fact that they have OWNED—lock, stock and barrel—the Federal Re-

serve System, and have absolute power over our entire economic system, it is nearly impossible to say they are not sovereign here in America. They have exercised their sovereignty over the United States Government on a near continuous basis since July 9, 1868 the year the 14th Amendment was Ratified. We are now in their "yoke of bondage" thanks to apathy on the part of most Americans. We can also thank many spineless, cowardly and/or greedy politicians for Ratifying said Amendment; for establishing the Federal Reserve System; in fact for establishing all 10 planks of the Communist Manifesto which are now in operation throughout America to one degree or another. Yes, Communism is alive and well here in America, except it is under a camouflaged label spelled D-E-M-O-C-R-A-C-Y. We can also thank our "well intentioned" clergy for allowing themselves to be infiltrated by the deceptors of deceptors and who now march in unison to the drum beat of their "Judeo-Christian" ideology.

Judaism's claim that it is founded on Mosaic law, the Old Testament, is a prime example of "whited sepulchre" (see Matt. 23:25-27). On the outside Judaism is "shiny white" in appearance of Old Testament Law, but on the inside it is full of venomous Oral Talmudic law from the "pits of Babylon". This is their Torah, not the first five Books of the Old Testament, called the Pentateuch. It would behoove Christians (or anyone) to learn this fact and NEVER FORGET IT.

END OF QUOTING FOR THIS SEGMENT

Lest this get too lengthy, Dharma, allow us to close this portion. Thank you. We will continue on when we next sit together.

Salu, to clear please.

9/18/92 #1 HATONN

Dharma, allow us to finish the writing of yesterday regarding PUBLIC LAW 102-14. We need to finish that subject because you need the input prior to moving into the subject of the "Ultimate World Order". You readers (citizens) must understand that with this Public Law enacted you are under law of the Zionist seven Noachide laws as laid forth yesterday. We will continue now by labeling the section:

PHARISEES

AGAIN QUOTING: (RE: PUBLIC LAW 102-14.)

The missing link in Christian understanding is best expressed, on the subject of "Pharisees", by the Universal Jewish Encyclopaedia. (1943): [H: These resources are utilized so that there CAN BE NO DEBATE as to subject material. If information is pulled from "their" own words then it is hard to scream anti-

Semite and/or "lies upon lies". Go to the source and uncover the writers and then the later speakers cannot deny the truth of the facts presented.]

"The Jewish religion as it is today traces its descent, without a break, through all centuries, from the Pharisees. Their leading ideas and methods found expression in a literature of enormous extent, of which a very great deal is still in existence. The TALMUD is the largest and most important single piece of that literature...and the study of it is essential for any real understanding of Pharisaism."

Rabbi Louis Finklestein was chosen in 1937 by the Kehillas (Jewish communities) of the world as one of the top 120 Jews who best represent a "lamp of Judaism" to the world. He has long headed the Jewish Theological Seminary of America with branches in New York and Los Angeles. In "The Pharisees", his two-volume work, Rabbi Finklestein writes:

"Pharisaism became Talmudism... But the spirit of the ancient Pharisee survives unaltered. When the Jew...studies the Talmud, he is actually repeating the arguments used in the Palestinian academies. From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from these to Poland, Russia and Eastern Europe generally, ancient Pharisaism has wandered."

In Rabbi Finklestein's history of the Jews, he states:

"The TALMUD derives its authority from the position held by the ancient academies." (Pharisee) "The teachers of those academies, both of Babylonia and of Palestine, were considered the rightful successors of the older Sanhedrin... At the present time, the Jewish people have no living central authority comparable in status to the ancient Sanhedrins or the later academies. Therefore, **any decision regarding the Jewish religion must be based on the TALMUD as the final resume of the teaching** of those authorities when they existed." ("The JEWS—Their History, Culture, and Religion", vol. 4, p. 1332, Jewish Publication Society of America, 1949.)

"THE TALMUD: HEART'S BLOOD of the JEWISH FAITH", was the heading of the 11/17/59 installment of a best-seller book by Herman Wouk which ran serially in the *New York Herald-Tribune*. To quote:

"The TALMUD is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe—

whether we are Orthodox, Conservative, Reform or merely spasmodic sentimentalists—we follow the TALMUD. It is our common law." [H: This is out of their own mouths, little ones, so how can we be somehow putting them down by our writings as is continually assaulted upon us? They cannot have things all ways according to whims and wind shifts. This is all for your total confusion so that you will not notice that **THEY ALSO STOLE AN ENTIRE HERITAGE FROM THE BROTHERS OF THE TORAH.**]

While we mentally maintain the contents of all these pages thus far, perhaps it is time we ask ourselves once again WHY PUBLIC LAW 102-14?? My opinion, based on research, is it will legally put all "Noachides" under Talmudic bondage and it will be at their discretion when they decide it is to their advantage to enforce said law. Their main objective for now is to get the law on the books. Once it is on the books it can be enforced at any time. [H: **So you think that ones like Falwell and Robertson will 'wake up' and put a stop to this horrendous game? Think again! Both have PROCLAIMED PUBLICLY AND LOUDLY THAT THEY ARE ZIONISTS AND PROUD OF IT! GOOD LUCK!**]

From the *New Encyclopedia Britannica*, Vol. 8, 15th Edition verbatim:

"**NOAHIDE LAWS**, also called Noachian Laws, a Jewish Talmudic designation for seven biblical laws given to Adam and to Noah before the revelation to Moses on Mt. Sinai and consequently binding on all mankind.

"Beginning with Genesis 2:16, the *Babylonian Talmud* listed the first six commandments as prohibitions against idolatry, blasphemy, murder, adultery, and robbery and the positive command to establish courts of justice (with all that this implies). After the flood a seventh commandment, given to Noah, forbade the eating of flesh cut from a living animal (Gen. 9:4). Though the number of laws was later increased to 30 with the addition of prohibitions against castration, sorcery, and other practices, the "seven laws", with minor variations, retained their original status as authoritative commandments and as the source of other laws. As basic statutes safeguarding monotheism and guaranteeing proper ethical conduct in society, these laws provide a legal framework for alien residents in Jewish territory. Maimonides thus regarded anyone who observed these laws as one "assured of a portion of the world to come". Throughout the ages scholars have viewed the Noahide Laws as a link between Judaism and Christianity, as universal norms of ethical conduct, as a basic concept in interna-

tional law, or as a guarantee of fundamental human rights for all."

Once again we've got to know the meaning of their (Talmudic) terminology. Believe me, it is far different than **any other you will ever encounter.**

From the *JUDAICA ENCYCLOPEDIA* verbatim:

"Habad (initial letters of *Hokhmah*, "Wisdom"; *Binah*, "Understanding"; *Da'at*, "Knowledge") is the movement within Hasidism founded by Rabbi Shneur Zalman of Lyady (1745-1812); as the name implies, Habad places a greater emphasis on the use of the intellect in the study of the Torah, and especially in contemplation on "the secrets of the Torah" (the *Kabbalah*), than is the norm in Hasidism. The founder's son and successor, Rabbi Dov Baer (1773-1827), settled in the Russian town of Lubavich, hence the name by which the group is now known. The third leader was Rabbi Menahem Mendel (1789-1866), son-in-law of Dov Baer and the son of the daughter of Shneur Zalman. He is known, after the title of his major work, as the Zemah Zedek. (Shneur Zalman is called the "Old Rebbe"—Alter Rebbe—and his son the "Middle Rebbe"—Mittler Rebbe. The fourth leader, Menahem Mendel's son, Rabbi Samuel (the Maharash, 1834-1882), was succeeded by his son, Rabbi Shalom Dov Baer (1860-1920). His son, Rabbi Joseph Isaac Schneersohn (1880-1950), emigrated to the U.S. in 1940, establishing his "court" in Brooklyn. The present Lubavicher Rebbe, Rabbi Menahem Mendel Schneersohn (1902-____), is a son-in-law of Joseph Isaac and the great-great-grandson of the Zemah Zedek. These biographical details are far from irrelevant since, in the Lubavich doctrine, great significance is attached to the personality and "soul-root" of each **Rebbe**, past as well as present. Although the Lubavicher Rebbe is perhaps less hailed as a miracle worker than the leaders of other dynasties, he enjoys authority of a more absolute kind than they; his every command is accepted with unquestioning obedience by his devoted followers.

"The early Habad thinkers developed the idea, founded in kabbalistic sources, that deep in the recesses of every Jewish soul there is a divine spark, conceived of literally as part of divinity. When this is bestirred, like yearns to be united with like. This theoretical concept acquired great social significance in Lubavich, which has become a missionary movement to the Jews (and, to some extent, is more interested than Orthodoxy in general in attracting even gentile converts, in the belief that the gentile, too, acquires his 'divine soul' on his acceptance of Judaism. No Jew is held to be beyond redemption, no matter how far he has strayed from the Torah. Lubavich has attained astonishing suc-

cesses in this field, winning over many hitherto uncommitted Jews to a full participation in a life of Torah and mitzvot. The suggestion that Lubavich is a kind of Jewish Salvation Army is unfounded, but the movement is marked by an "evangelical" fervor wedded to an emotionalism that is somewhat surprising in view of the founder's strong intellectual approach.

"It is difficult to obtain precise figures, but it is certain that Lubavich is numerically the strongest of all the hasidic groups, with tens of thousands of active members, in addition to the numerous sympathizers who are unprepared to commit themselves fully. The main concentration of the Lubavicher Hasidim is in New York. They are also active in other parts of the U.S. and in communities all over the world. In Israel they are concentrated in Jerusalem, Tel Aviv and in the hasidic village of Kfar Habad, in the Lod Valley. There is a European bureau of Lubavich in Paris; a Lubavich Foundation of Great Britain in London; and there are similar organizations in Montreal, in Italy and Australia.

"At the Lubavich headquarters at 770 Eastern Parkway in Brooklyn, regular gatherings (the *farbrengen*) are held, attended by up to 2,000 Hasidim and others, at which the Rebbe speaks in Yiddish for hours on end; his message is frequently relayed by telephone to followers unable to be present in person. These talks are later circulated in pamphlet form, translated into Hebrew, English and other languages. The *farbrengen* usually takes place on the anniversary of the great event in the history of the movement, such as the 19th of Kislev.

"The Rebbe also receives his followers and others interested in the Lubavich ideas in private audiences (Yiddish *yechides*, Hebrew *yehidut*, "being alone"). These are held late at night and give the Rebbe an opportunity to convey his ideas and advice in an intensely personal way, as well as giving his individual blessing to the Hasid and his family.

"A spate [an unusually large outpouring] of education material pours from the presses of the Lubavich printing house, Kehot: reprints of the Habad classics; translations of these; messages from the rebbe; memoirs; and rather popular hasidic tracts. Lubavich schools flourish in many parts of the world. The self-sacrificing spirit of the Lubavich educators (in Russia, for example, they willingly risked their lives in order to hand down the tradition to the next generation) has won the admiration even of those Jews hostile to hasidism. Lubavich "missions" have been established in universities. The Rebbe was educated at the Sorbonne, and has often stated that this has made him aware of the special problems in matters of faith the university student has to face. Because of this, and because of the

traditional suspicion of secular learning by the early Habad teachers, the Rebbe would prefer that Jews did not attend university, and always advised his hasidim against a university education. [The Editor doubts if this is so now as most universities have been Judaized, or at least Hasidized. They Judaized the U.S. with Public Law 102-14. They also hold many high positions in the universities—all universities. Do not think it less so because a university may pretend to be, say, Catholic, Protestant, etc.]

"Lubavich is greatly concerned that all Jews carry out the practical commandments of Judaism. Wherever Jews meet in large numbers, Lubavich Hasidim are usually to be found urging people to put on *tefillin*, which they have ready for the purpose, or to perform the *mitzvah* of taking the *lulav* and *etrog* on Sukkot, or, occasionally, to sit in a mobile *sukkah* which makes its way through Jewish districts heralded by a loudspeaker. Packages of *massah shermurah* are dispatched to thousands of homes before Passover, together with the Rebbe's seasonal greetings.

"In their missionary thrust, the Lubavicher Hasidim have adopted the slogan *Ooferatsto* (*u-farazta*), "and thou shalt spread abroad," based on the promise to Jacob: "And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south. And in thee and thy seed shall the families of the earth be blessed" (Gen. 28:14). Lubavich, aware of the similarities between its approach and Christian missionary activity, is highly sensitive to the charge of imitation and roundly denies that the term 'Jewish missionaries' is appropriate to the movement. Taking issue with 'a certain unfortunate but understandable tendency to equate the Lubavich movement with the familiar and classical missionaries (*lehavdil*) who exhort sinners to become penitents,' Lubavich affirms that the correct translation of the Hebrew word *teshuvah* is not "repentance" but "return" to God and to His Torah. "A Jew is inherently good and wishes to do good; it is only because of various reasons for which he is either not responsible or only partially responsible that he committed an evil act. But inherently he is good." This is why Lubavich sees every Jew, no matter how estranged from Judaism [notice it doesn't say estranged from God, Ed.], as potentially observant, even potentially a Lubavich Hasid, who has to be given every encouragement to allow the divine within him to awaken itself. It is true that, of all hasidic groups, Lubavich is the most tolerant, but it is far removed from any attitude of easy-going tolerance towards unorthodox views or conduct. Within the U.S. Jewish community it occupies an uncompromising stance on the extreme right wing, and has expressed a rigid line on the who-

is-a-Jew controversy in Israel politics. Basically this most understanding and sympathetic of religious sects is the most intolerant in theory, since its philosophy refuses to recognize that there can be any truth in viewpoints other than its own; it maintains that deep down every Jew really knows that the hasidic way of life is completely true and the only way to cope with the human situation. [Ed: human situation is based on what hasidism says the situation is.]

"True to the Habad idea, the leaders of the movement stress education of old and young as the sure remedy for religious backsliding. When the truth is known, the Jew is bound to respond to it. All heresy and all laxity in the observances of Judaism are solely the fruit of ignorance. The Rebbe writes: 'In recent generations, more than ever before, the main emphasis has been on the need to bring the knowledge and practice of the Torah and Mitzvos to the widest possible segment of our people, in the greatest number of locations, without waiting for them to see it—in the hope that they will sooner or later realize the need for it themselves. The most effective way to accomplish this is, of course, through organized Torah-true education of the young, the young in years and the 'young' in knowledge.

"Like the other hasidic groups, Lubavich believes strongly in the spiritual value of song and of dance. The Alter Rebbe set the pattern in his maxim: 'The tongue is the pen of the heart, but melody is the pen of the soul.' When the Hasid sings he raises himself above the material universe to achieve *devekut*, cleaving to God. The majority of Lubavich *niggunim*, "melodies", are without words. An exception is the popular Russian song *Nye Zyuritze Chloptzi*, Lubavich holding that there is no harm in adopting songs of this nature since there are "holy sparks" in all melodies waiting to be rescued for the sacred. Before the *shofar* is blown at the end of the Yom Kippur services the Lubavicher Hasidim sing a melody, *Napoleon's March*, said to be an adaptation of martial music played by French troops when they invaded Russia. Dancing is said to be significant because it is the highest manifestation of inner happiness. The feet moving in the dance are likened in Habad thought to the non-intellectual qualities of the Jewish soul, and dancing to the glory of God is thus an expression of the simple, basic faith of the Jew who, if need be, is ready to suffer martyrdom with a totally unreflective love that reason cannot hinder. However, unlike many other Hasidim, the Lubavich Hasidim generally engage in the dance only on the great occasions in the Jewish year. As a holy exercise the religious dance must not be made dull through familiarity. "Segregation of the sexes in synagogue,

school and in hasidic life in general is strictly upheld, though women certainly have their role in the movement (the daughter of the Alter Rebbe, for example, is a great heroine in Habad lore), and the education of girls is given special attention. The movement has stated its opposition to formal legal adoption on the grounds that parents kiss their children, and if the Hasid and his wife adopt children they may be guilty of the sin of kissing members of the opposite sex to whom they are not related by blood.

"The life-style of a Lubavicher Hasid differs in some respects from the patterns observed in other branches of Hasidism. In matter of dress the Lubavicher Hasidism (and the Rebbe himself) neither wear the streimel and white socks, nor do they cultivate "corkscrew" pe'ot. Their hasidic melodies have a strong "Russian" association, and the Lubavicher type of beard, long and bushy, resembles the old-fashioned Russian beard. Torah study is the supreme imperative, next to prayer. In addition to the Talmud the Codes, Habad thought is studied in depth. The work Tanya, by the founder of the movement, is virtually known by heart, most of the Lubavicher Hasidim carrying the book around with them wherever they go and keeping it in their tallit bag. Opponents of the movement have decried the excessive veneration of their founder by the Lubavicher as bordering on the idolatrous.

"There are experts in hasidic doctrine—the mashpi'im—one of whose tasks it is to expound in detail the higher mysteries of Kabbalah in their Habad interpretations [emphasis added, Ed]. Now is a good time to reread the Joint Resolution on the first couple of pages of this information.] From the days of its founding fathers Habad has held to the view that the older ban on public teaching of the Kabbalah has been rescinded and that, on the contrary, in this period in history, when the footsteps of the Messiah will soon be heard, only a constant familiarity with 'the words of the living God' can succeed in awakening the powers of the divine soul.

"A much discussed question is the movement's attitude towards the state of Israel. When Zalman Sharaz was President of Israel he would frequently visit the Rebbe, with whom he was on the friendliest of terms, a Lubavich knows nothing of the virulent anti-Zionism of the Satmar group. Nevertheless the Rebbe has never set foot in Israel and has been sharply critical of some aspects of life in the State. In his approbation to the work of Simhat Olam by Rabbi M. Blumenfeld of New Jersey (Newark, 1954), the Rebbe takes the author to task for daring to suggest that the emergence of the State of Israel is athalta de-geulah, "the beginning of the [Messianic redemption]". On the other hand, mes-

sianic overtones can be discerned in the Rebbe's message immediately after the Yom Kippur War, and he has stated that those occupied territories lying within the traditional boundaries of Erez Israel must not be surrendered. [One needs to understand their meaning of Erez Israel, then you'll understand why Jim Baker's peace plan, now trying to be worked out, will go astray. Ed.]

"The attitudes to modern sciences are similarly ambiguous. The Rebbe, not infrequently, makes use of scientific findings in his expositions; the splitting of the atom, for instance, is made to illustrate the Habad doctrine of bittul ha-yesh, "self-annihilation", the spiritual power which results from the mystical experience when all thought of self has been abandoned. On the other hand, the Rebbe is uncompromising in his opposition to any untraditional views based on scientific theories. He has stated that the Jew is obliged to believe that the world was created out of nothing 5,736 years ago, God planting the fossils from the beginning because the world, to be a world, must give the impression of steady growth. It remains true, however, the Lubavich numbers among its followers some very distinguished scientists." **End Judaica quote.**

I chose to quote verbatim Public Law 102-14, the Seven Noahide [Noachide] Laws and, the Lubavich Movement so no one could accuse me of taking anything out of context.

The Lubavich movement is essentially the educational arm of hasidism, hence "EDUCATION DAY, U.S.A."

The question Christians need to be asking is: Why are we, as a nation, adopting **Talmudic Noahide** laws when the Ten Commandments, Statues and Judgements

already exist? They still exist today contrary to modern church teaching that they have been nailed to the cross and replaced by Grace. It was clearly God's Law and the Holy Bible that established America as the greatest nation on earth, not **Talmudic codes and traditions**.

It should be noted that Schneerson had been "honored" before by our government. Carter proclaimed his 78th birthday "Education Day, USA", and Reagan proclaimed his 80th birthday a "National Day of reflection". Quite an honor to be bestowed on an anti-christ by so-called Christians.

END OF QUOTING

I would like to note that there is another page but it is one that we have quoted prior to this as Benjamin Franklin spoke in agreement with General George Washington regarding the dangers and from whom those dangers spring. We have presented the quoted speech only to be attacked with every "name-calling" available from you readers. My scribe has had enough for this day so we shall save it for a "stronger" time. Perhaps we shall try again at the end of our outlay of the work, *The Ultimate World Order*. It comes as pictured in *The Jewish Utopia*. I apologize, readers, but I must print what is written. This is what is written by those ones calling themselves "Jews" so I understand not why you throw stones at us for presenting their own information unto your attention. It is time you wake up, sleepyheads, or your stay upon Earth Shan is limited indeed!

Salu,

Hatonn to clear for this segment, thank you.

"John Coleman" Skips Town

9/18/92 #1 HATONN

TODAY'S LOCAL BAD NEWS
CONFIRMATION

Dharma, and all of you, into the work will always flow the traitors. Please, chelas, do not think that I knew not how the one "John Coleman" would turncoat. But this man is a common thief and liar and has put many honest and hardworking patriots into disadvantage for the past many years—it was necessary to STOP him. It also was opportunity to find how many "in my own house" would be latches-on to that which APPEARED better. This is why your world is in such straits, ones look for the "better deal" wherein it seems they can get what they want. This behavior is also that which gets stereotype-casting. This man's name

is Joseph Pavlonski, trained in Israel and in the ways of conning other men, who are honest and sleepy, out of their property for his own use. He is no different than, say, Stephen Solarz who wrote 743 overdrafts in the now-defunct House bank. They were both trained by the same teachers of the New World Order Zionist pushers.

It is hard, today, readers and listeners, because this one calling himself "John Coleman" has taken with him all the property belonging to *THE LIBERATOR* which was in his possession and had refused under order to relinquish it. He took furniture which Greens had purchased for his use and left utility bills and other expenses hanging for these ones to pay.

I suggest, E.J., that since George still has access to books and contract rights to same, that you submit the billings for the

equipment to America West. If George had not suggested same there would have been legal action already under way and the equipment could have been recovered by the sheriff.

Next, I suggest that this information be sent to the University of Science and Philosophy, Arcturus press and especially to UFO and Don Ecker. George may wish to do this "faxing". I also ask that a copy be sent to Dean Stonier of Global Sciences Congress.

Then, pass this information to ALL of the ones named in the "objection to actions" list of Coleman helpers. HE is the one who named each as an inside contact and I refuse to allow you ones to take any more flack from those who now are in self-denial over the incidents involved. My, what tangled webs are woven when deceit becomes the game and the "master crook" sucks you in. I'm sorry about the hurt that has fallen upon those ones who participated and still cannot see what happened—but I still receive mumbblings and rumblings of, "Well, I'll just take my this and that out and show them...." Show us what? That your intent was greed from onset and not intent of serving God, nation or brother? NOTHING has changed in my ground crew herein so if you hit them—YOU HIT ME AND THEREIN IS THE STORY TOLD. I don't yet know what will be done after the dust settles but for now there will simply be no open meetings for I shall not subject Dharma to such insult. I repeat, each of you who were named were not only "named" by Coleman but most identities were broadcast to the four winds on radio by Coleman as his blackmail tactics failed. You have not been "set apart"—you set self apart and since we have no group as in "church" or "club branch" we have no way to undo that which is already done.

The kindest thing any of you can do, however, is to warn Barbara Ann immediately for this man is out of funds and will go where he knows he can get some. I will help you but I will NOT retrieve it for you. I suggest you make a mailing with all this information included, to ones such as the friend in Hawaii, etc., for they have had the blackmailing up front assault from the stolen lists. This criminal did the Hawaii damage when in Hawaii as guest for meetings set up by George as a massive favor.

Again, does this mean the book on the "Committee of 300" is not valid? No, it is a good compilation of valid information and if George wishes to make it more available—I suggest he run it in press copy and drastically reduce the price so that ALL can have it—perhaps even as a give-away of some sort. A lot of names are missing from his listings of members of this or that, anyway, but it is an excellent volume for reference.

I must tell you ones, however, that only valid information utilized by this agent is valid in any of his newsletters or references. He stood in the room spouting off dates and names regarding Nicaragua with a man present who HEADED those operations in Nicaragua and KNEW the data to be false. TO CATCH A THIEF YOU

WAIT TILL HE HANGS HIMSELF. HIS OWN WAIT TILL HE HANGS HIMSELF. HIS OWN DISCREDITING OF SELF CAN ONLY GIVE MORE CREDIT TO OUR OWN WORK. WILL ONES REGAIN THEIR LOSSES? PROBABLY NOT BUT IT SURELY WILL BE MORE DIFFICULT FOR HIM TO OPENLY PRESS HIS WARES ANYWHERE ELSE.

I remind you that I told you from "early on" that these three were not what they appeared to be and that you must be wary. The one thing you must have noticed is how infrequently he would come into my presence for any reason whatsoever. In the beginning his story and attitude were honest for he was to his wits end and desperate—and we helped him. He had opportunity for total change and acceptance—he only became greedy and evil in intent and trapped again within his own spun web.

You will find that the young alias "John" was the real thief, in actuality. He ran up bills, stole the lists and spotted the resources—a master triad at work. If you have learned your lessons from this, then it is worthy in many ways for many had much to learn by focusing on this man's work when the truth lay already in the printing. I suggest the following would be true: If you said these magazines (JOURNALS) and papers were written by Astrophysicist Dr. George C. Hatonn, PhD, M.D., and former agent with British Intelligence, CIA and Mossad Security Service—the JOURNALS would sell like cakes off the fire. We could even fudge a few lies within the pages and THEY WOULD STILL SELL. Why is it that man turns from messengers of God and unto the Elite liars? Can you see how far ye have yet to go?

Dharma asks me, "But how could you tell us that the word in his work could be trusted as being more valid than almost anyone writing newsletters, etc.?" **Because he used other's work and was pretty good at choosing WHICH to utilize—then he turned upon the original writer and claimed their work to have been thieved from his own. It is the adversarial approach in every instance.** He did have a presentation which elicited knowledge and trust but, on a mundane level of everyday sense, he could not change a light globe for self as all ones in this area noted—he would call on Jack or someone to wait upon him like a servant—all the while pumping the worker for information in a most appreciative and friendly manner. We allowed THIS so that you ones can now rest assured that we do NOTHING HIDDEN OR DARK IN INTENT. WE EVEN HAVE "WATCHERS" FROM THE HIGHEST PLACES IN THE GOVERNMENT AND THEY CAN FIND NOTHING OTHER THAN INTENT TO BUILD AND SERVE. DOING ALL WITHIN THE LAWS OF THE LAND AND WITHIN THE LAWS OF GOD WORKS VERY WELL INDEED AND YOUR ENEMY WILL

ACTUALLY END UP PROTECTING AND ASSISTING YOU FOR HIS RECOGNITION IS THAT THERE WILL NOT BE ENOUGH AWAKEN TO DO HIM IN.

Also, as the factions get more deadly, i.e., Congress vs. Administration, the humans involved at top levels know about us and they know about what the Soviets are doing and it behooves them to be nice to our people. Our job is to bring information and offer it without force and to prepare and preserve a remnant—of which they already have no desire for participation, therefore, it is better to leave God's true workers alone, under the circumstances.

ROCKET LAUNCH FROM KAUAI

No, I wouldn't kid you over something that important. There was a major rocket/missile launch planned for KAUAI in November whereat the Island would need major evacuation and there were all sorts of warnings back and forth regarding the launch. I suggest you find out about it for selves and then it won't be so upsetting to find I am correct.

FLOODS, ETC.

Without more discussion than obvious fact, look at the devastation of your grain belt and, now, your Iowa corn fields without ability to have another crop this year. Chelas, you have been set up like the 10-pins and the bowling ball is striking all about you. You were warned that 1992 would be a year of massive changes and happenings and, dear ones, you have but weeks left in this year you label 1992. The New World Order is running right on schedule.

POLITICS IN THE LOW LANES

How many of you were privy to the grand unplugging done by Larry King last night? It was rather fun—the subject was Presidential debate between Bush and Clinton and how they are playing games and first one then the other refuses. You can see that the Congress is out to hang Bush because the desperate game is to get Republicans into the Congress. The criminals may be in the Bush basket but the real deadly vipers are in the Congress and hence the need to get Clinton inside the Administration. The Elite 300 and Bilderbergers have it all worked out so all you have to do is stumble along on all-fours and heed your manners. **In any case, after several calls regarding the debates and quibbling and blaming and speculating**

someone called in and rapidly asked if there was all this problem why didn't they just debate Bo Gritz? That was the fastest footwork and sleight-of-hand I have witnessed. That call was disconnected so fast and NO mention of it again in any conversation—just a whimper that it had made it through and then total cover. Not even to advertising where the audience could "think" about what they "almost" heard—just immediate and deliberate distraction. The ORDERS ARE: NOT EVEN THE PRONOUNCEMENT OF BO GRITZ ON CNN—AND THAT EQUATES, THEN, TO ALL NETWORKS.

NEW GOVERNMENT

Yes indeed, that undoubtedly is what you will have to end up doing—sooner or later. Set up a new government under the Constitution. Of course that is what the "South" tried to do in the Civil War but ultimately that is the only way you will clean out the rats' nests. So many things are unconstitutional about the Washington, D.C. government, anyway, that you already have the imposter nailed to one location. Stop the "blood flow" and it will die on the vine. The problem is, of course, that you would be against the full United Nations Soviet-run troops. This is, however, why it is necessary for the Elite to pull down the nation as a whole—economy and all. They must make sure you are hooked on welfare, hungry and homeless. In addition, you will, in great masses, be sick and actually dying. The pharmaceutical houses will withdraw, on orders, medications from the masses as is happening in foreign countries in these wars and disasters—and you WILL die, you know. In fact, beloved and spoiled masses of luxury and high life-standards—you will die more quickly for you have no notion how to survive. Look at those in Florida, Los Angeles and now, KAUAI—they sit and wait—sit and wait—sit and wait—for what? Rebuilding? What about jobs? The nation, even the borrowing nation of borrowing nations has a limit to borrowing capacity if the Banksters want to shut it down—and they do—so what do the "sitting and waiting" ones do? They have no means of survival without the generosity of helpers—they can't even get out of Florida geographically if it is deemed not to be by the Government. The Government has total incarceration of the population in the tip of Florida as if there were 40 foot fencing with razor wire. It is even more isolated in KAUAI if the Government wishes to cut those flights and boat rides out of that Island.

WHERE ARE THE TEACHERS NOW?

Where are those speakers and groupies who denounced us for doom and gloom and fear mongering? How much has changed for your "just being"? How much has changed

by your hand-holding and singing Aum-m-s? How much food do you have in stores for attending needs from the ones who said we simply "doom and gloom" too much and that you can change it around by simply "wishing it to be different" and having a few "love ins"? Where are YOU going to go to get your rice and beans? The time of need is upon you, chelas, are you ready? Are our ones ready? No—not for long enough nor nearly enough for there are only a small handful and they have given ALL to see to it that YOU are warned. They have, however, done that which they can and will do more as ability comes—if it comes. If it comes not then they have served well, and placement is assured. WHAT HAVE YOU DONE? Have you listened to the preachers who tell you it is fine and you will be tended by someone's blood spillage? Do you expect the soft clouds for rescue? Good, but I promise you that unless you are blown apart into very fine particulate you will NOT stay on those clouds. It is true, however, that you won't have to worry about food and drink. The ONLY way that you are going to ascend on your own merit is to become a substance lighter than air—that requires a full "blown" case of dispersion into molecular form which is highly incompatible with human physical life-form.

How many of you will FIND the sums to WASTE at the Christmas season in shopping for Santa Clause? Might the child you "fool" rather EAT when he is hungry? How many of you say you "can't" and actually simply CHOOSE other things to spend your sums upon? I can only remind you that later, when you "WISH I HAD", will not change a thing if you DIDN'T. Next, ones will say, "...well, I would rather be dead than live 'like that' anyway!" No, for if you feel that way and do nothing, you do not have your balance with God and with that which comes in the hereafter and, therefore, I can promise you that you will kill for food to stay longer in the physical form for the terror of the passage without readiness is terrible indeed. Prepare for that which comes with your hand in the hand of God and whatever comes will be quite acceptable and, in addition, you will have listened, heeded and taken preparations against the day as advised by the messengers as we are sent unto you.

SMART HURRICANE

"Methinks" that "they" stress much too strongly the Bonnie hurricane in the Atlantic not being a danger to shore. Chelas, THIS IS THE WAY THAT MANMADE HURRICANES ARE FORMED—out at sea with more and more pulsing currents until you have a mass as big as you want to do the damage aforeplanned. THAT hurricane is being built to straggle around off-shore until appropriate to drive her inland. Where? Watch the noon-

news and see WHERE they "let it slip" that a big happening, like a missile or rocket, launch may be planned. If you are "lucky" and capitulations occur as being demanded on this or that point of action—it will dissipate. If not—it will be brought ashore where appropriate and you will be able to plot it daily by events as well as currents.

ULTIMATE MEMORY RECALL

The Russians despised and abhorred the Bolsheviks when in Russia and further despise them now that they are the big force in the United States of America. These are mainly comprised of Khazarian Zionists who CALL THEMSELVES "Jews" but are NOT. They are the Banksters of the world and have brought your entire planet to its knees. WHO IS YOUR ENEMY? It depends on WHOSE side YOU are on! I would suggest you look around you, get informed and figure it out. After all, chelas, even now and then an innocent man is sent to the legislature. Therefore, ALL THINGS ARE POSSIBLE. I simply remind you good people: "Put not your trust in kings and princes. Three of a kind will take them both." Ponder it!

I also suggest to you ones who are in troubled families as within the larger troubled nation and planet—that you first do your children the largest service of all for if you really WANT to do something positive for your children, you should make every effort to improve your marriage for upon your example will rest the rest of their lives in human form. Then, after improving the relationships according to the Laws of God instead of the rules of the destroyers, you can move on into restructuring the government of your own nation or building a new one. Then and only then can you begin to restructure the direction of your world. You have to be alert, however, for the experts will usually come with "an accent" to tell you what and how to change. Is this accident? No, for everything sounds more romantic and more factual expressed in a authoritarian "accent" of a foreign language.

You ones struggle along as if the solution to problems is simply to "drop out", whether it be from a child who will not attend school to a marriage wherein the "sex spark" is dimmed—just get out of it, disclaim responsibility and "let somebody else" do it for you and, if you fail again, so what. You ones have been told to constantly depend on others to make you happy, successful—whatever. No, you will become responsible and balanced within self, and only self, or you will be endlessly disappointed and that which you have brought forth as children are doomed to the same destiny. Your first lesson of life is that if there were no problems, there would be no opportunities. If you cannot rectify a problem without "dropping out", then I suggest you have not gotten out of kindergarten. It is said that "If you give a pig and a boy

everything THEY want—you end up with a good pig and a very bad boy!" I suggest you ponder it, parents, and see wherein YOU FIT. And ALWAYS, it will be the things of value that will require the most avid stand in their defense—especially when the popular "vote" has ruled otherwise.

CORPORATION SENSE

Later in this *LIBERATOR* (See page 29) we will utilize Lewis' discussion on fund transfer. I get myriads of questions such as this: "I know that a corporation protects me, especially a Nevada corporation, but, I need to get some money out of my corporation. How can I do this to my very best advantage? I do not want to hold sums of large amounts in bank accounts because I know I will lose the asset one of these days. I want to cover in gold or something similar to the Institute gold collateral plan but I just don't know how to get even small amounts properly arranged."

This question has a lot of answers, depending, of course, on how much income your corporation "makes", shareholders and whether or not you have issued shares (not a good idea), employees, what is the purpose of incorporation, i.e., family estate & business, business, privacy and protection or whatever

the need. I don't wish to spend time on this when there is ample information available but I do feel that it is timely and would appreciate Cort's response in the *LIBERATOR*. Thank you.

If you are going to utilize incorporation in Nevada then PLEASE DO IT RIGHT—OR LEAVE US OUT OF YOUR ARRANGEMENTS. We NEVER suggest you do anything to either EVADE taxes or create any breaking of the laws of the land. NEVER! There are ample laws which allow for tax shelters through legal and expected means as set forth by corporations as well as privacy and good management for even "small" people, as you like to call selves. If you act in greed in order to serve selves—you are very apt to get into ego problems and get that veil pierced the first time the government comes to "getcha". I cannot warn you often enough and I do ask that if you simply want to greedily hold everything in your own name, rank and status grabbing—stay a long, long way AWAY from me in so-doing. USE the laws existing for benefit—don't abuse them or they will be brought down on you so hard and fast your head will swim until they let you out of jail—if they ever do.

We only offer SOUND, LEGAL alternatives to help get through this time of

chaos and economic trauma. We never give doom and gloom facts without offering suggestions as to how you might do better and if you wish to work WITH GOD'S TEAM, then there will be other alternatives and possible security options that you can't "just" go do on your own for you have not "time" to establish methodology nor have conduits for management. This is abused herein, by ones thinking themselves beyond the "rules" and thus demanding more than fair and just shares at mind-change whims—these we also hope will stay a very long way away from us. God answers the sincere petitions of His people—but if your intent is only for self and greedy gain—you shall not be welcome in the service provided. Check your intent before you call on our ones for service and inclusion, please. They are not here to "judge" you or your intent but I AM HERE to see to it that all honest participants are protected from the tentacles of the greedy. So be it and watch your "footwear" and the way you "make your bed", for therein shall ye be finding yourself walking and sleeping.

The man who is above his business may one day find his business above him. -- Samuel Drew

The Ultimate World Order **Zionist Plan For Domination**

9/19/92 #1 HATONN

So much for the tinkering of the morning, Dharma. We are going to dive right off into the information provided and following onto the past two days' writings [on Zionist World Domination; see page 15]. We are going to take up what is now called:

THE ULTIMATE WORLD ORDER

This information is as pictured in *The Jewish Utopia*. I shall not change the wording for that would only further protect the "guilty". I believe you who have followed along with our messages will be able to begin to fit the final tapestry pieces together as you add these bits and pieces.

The work compiled here comes from a small book, *The Ultimate World Order*—as pictured in *The Jewish Utopia* (with slight revisions) by Robert H. Williams. Mr. Williams has compiled the information into print and I shall do as usual—simply utilize the material, giving great honor for a

daring and worthy job of presenting information which is efforted at burial in an ongoing and ever more drastic attempt at silencing.

No, the ADL will NOT like this and the screams of "anti-Semite" will again flow loudly and abundantly. Note that THAT is the aggressive offensive of the ADVERSARY IN ACTION. A little about this information: THERE IS A MASSIVE EFFORT AFOOT TO STOP THIS PRESENTATION JUST AS IS THE CASE WITH THE ZIONIST PROTOCOLS AND ONE WORLD ORDER INFORMATION—SO—THERE MUST BE TRUTH HIDDEN SOMEWHERE THAT IS DESIRED TO BE, ONCE MORE, KEPT FROM YOU-THE-PEOPLE and quite frankly, ESPECIALLY THE SO-CALLED "JEWS".

QUOTING:

The Jewish Utopia discovered by the author (Williams) in an unlisted Jewish collection in the library of the University of Texas, is the **authentic and complete plan of the Zionists for WORLD DOMINATION**. It pictures the ultimate

"new social order" which the Zionists hope to establish after they have used Communism, Democracy and a Third World War to gain their ends. *The Ultimate World Order* is an analysis of *The Jewish Utopia*, WITH EXCERPTS FROM THE ORIGINAL TEXT.

[H: The information is far too important and all we can do is FURTHER the information flow in order to serve the original compilers. Herein is our purpose in writing and publishing this material—that it might go further and broader into the hands and eyes of your globe. Please note that "footnotes" (*) as nearly following subject in printing as possible within the text. I thank J.H. for providing the first document for use. We now have several. People ARE awakening and beginning to focus on urgent truth and it brings joy for the voice in the wilderness IS being heard.]

BO GRITZ' PRESIDENTIAL PLATFORM IS THE CONSTITUTION.

THE ULTIMATE WORLD ORDER - - as Pictured in *The Jewish Utopia*

If the Communists think they are going to conquer all the nations and set up a world government under a dictator of their own choosing they may be in for a surprise. For their parent, the sect which originally launched the Communist movement as an offshoot to accomplish a specific and temporary purpose, has plans for an ultimate world order of its own; and this sect, commonly called Zionist, now vastly overshadows the much cruder Communist machine in skill, finance, organization and influence.

The Communist plan for rubbing out all national, religious, cultural and racial lines and submerging the world in formless, characterless chaos for easy domination is grandiose enough. To say that there is still another, more grandiose plan beyond that for which the Communist machine was set up is indeed to challenge the credulity of most of us, especially of us Anglo-Saxons who are too busy with our humdrum routines to pull the propaganda curtain aside and see the giant hiding there.

Not many years after I began studying the Communist movement, trying to understand it, I noticed a hint that Communism was not to be the ultimate world order. **Heinrich Heine, German-Jewish poet and Communist youth leader of the 1830s and 1840s (friend and co-revolutionary of Karl Marx) spoke of Communism as temporary.***

"The Heine prophecy of the destruction of Russia nearly a hundred years before the event is so revealing and so amazing as to justify quoting at some length. Note the picture of a nationless, raceless world, "one flock and one shepherd . . . with an iron staff":

"Communism, though little discussed now and loitering in hidden garrets on miserable straw pallets, is the dark hero destined for a great, if temporary, role in the modern tragedy...."

"It would be war, the ghastliest war of destruction . . . The second act is the European and the World Revolution, the great duel between the destitute and the aristocracy of wealth; and in that there will be no mention of either nationality or religion; there will be only one fatherland, the globe, and only one faith, that in happiness on earth . . . How could the drama end?"

"I do not know; but I think that eventually the great sea serpent (Britain) will have its head crushed and the skin of the Northern Bear (Russia) will be pulled over its ears. There may be only one flock and one shepherd—one free shepherd with an iron staff, and a shorn-alike, bleating-alike human herd! . . ."

"The Gods are veiling their faces in pity on the children of man, their long-time charges, and perhaps over their own fate. The future smells of Russian leather, blood, godlessness and many whippings. I should advise our grandchildren to be born with very thick skins on their backs."

Why and in what way temporary? What did this far-sighted master strategist of revolution see as the successor to Communism? Is it not disturbing enough that a machine dedicated to liquidating all opponents, wiping out the nations as such and the best blood of the races and blending the remnants into a faceless brown slob—is it not enough that this the Communist machine already enslaves nearly half the people of the world and is armed with hydrogen bombs?

If Communism is only temporary, what is to be the ultimate *novus ordo seclorum*, the new order, of society if the successors to the Jewish revolutionaries, Marx and Heine, accomplish their aim? Who are to be the masters of the new order and what do they want to do with our children and grandchildren?

It goes without saying that no man can escape concern about such a scheme if it has powerful backing.

For years I have felt that somewhere there must be a master plan showing what Heine and his fellow planners had in mind for us, after the fires of Communism burn away the heritages of the various races and cultures, religions and nations; after Communist monsters have killed out several generations of what they rightfully call "the leadership personnel", all who might have the intelligence, skill and courage to resist.

But I little expected ever to have this ultimate master plan, this chapter beyond the *Communist Manifesto*, in my hands. Of the hundreds of documents I have collected on activities of the Marxist revolutionaries—including originals or photostats of official government reports, intelligence releases, Communist papers, Zionist organizational reports to their members, Jewish histories of revolutions, biographies of their revolutionary leaders, etc.—I have never seen anything comparable; for this small book sketches the general outlines of the ultimate goal hundreds of years ahead, toward which all the various activities of the **Zionists and their "liberal" dupes** are, wittingly or unwittingly, contributing.

[H: Yes, we **HAVE** given you this information in several forms, readers and listeners, but **YOU DIDN'T DIGEST IT AND ACTUALLY PUT IT DOWN** as some sort of radical, bigoted and "anti-Semitic" assault. **YOU HAD BEST NOW PAY ATTENTION AND REALLY DIGEST this material for you ARE OUT OF "TIME".** I will put this information to audio tape for I feel it time to dump this

terrible load of truth on your shoulders before you are enslaved forever. For you "tapers", please do not rush to do this **FOR me**, for I want to comment as I go along and we will do this instead of regular "meeting" tapes for I want no meetings until our current problems are resolved.]

ZIONISM FROM TALMUD AND TORAH

[H: Be sure you read the writings starting on page 15 of the past two days regarding **PUBLIC LAW 102-14** prior to diving off into this for it has **EVERYTHING to do with YOUR NEW NATIONAL RELIGION!**]

Yet, the book was not marked secret; it was in plain English and in the Library of the University of Texas. (And, a friend found a copy in the Library of Congress, Washington, D.C., supposedly a copy which was filed with application for copyright in 1932.)

It is a book of 118 pages, plus preface, notes and bibliography, entitled *The Jewish Utopia* (not "A" *Jewish Utopia*, but "The" *Jewish Utopia*), by Michael Higger, a university professor, published by the Lord Baltimore Press, Baltimore, Md., 1932, and copyrighted the same year by the author.

If the book is not marked secret, if it is in plain English, it is nevertheless almost safe, for it is largely couched in the esoteric language which all Jewish revolutionaries have used throughout known history, language found even in their **Torah (The Books of Moses)**, and which Jewish writers imparted to Communist literature. Their use of words which you and I take to mean one thing but which their followers understand as meaning something else, a system which our people little suspect, almost guarantees the security of the document. [H: To catch a thief **YOU MUST LEARN TO "THINK" LIKE THE THIEF.**]

HERE AT LAST IS THE COMPLETE PLAN OF THE ZIONISTS, IN THEIR OWN WORDS, FOR WORLD DOMINATION.

The author speaks of "the righteous" and "the just". He says they shall inherit the earth. He quotes the Prophets, the Books of Moses, etc. Who would suspect that he had political revolution and total conquest in mind? But read on and you find that the "righteous" are to be the Zionist Jews and such gentiles as they may accept.

ALL OTHERS SHALL PERISH.

That is what the author says repeatedly, on page after page. And note that this book is not the creation of the Jewish Professor, Michael Higger; he merely com-

piled it. It is the sum total of the prophecies, teachings, plans and interpretations of the foremost rabbis and Jewish tribal leaders of the past 2500 years—since the time of the Oral Law and the beginning of the *Babylonian Talmud*, with its double standard for Jews and non-Jews and its nationalistic, militant interpretation of the *Torah* (the Books of Moses, the first five books of the Old Testament).

There is no mistaking who is meant by "the righteous". Mr. Higger says even those Jews who fail to enter into the program of the Utopia (which he reveals to be the same program of Socialism, brotherhood and internationalism as that of the Zionists and involving much also that is Communist) will be denied the Utopia. Even the non-conforming Jews shall perish, along with the rest of us.

On page after page Mr. Higger's *Jewish Utopia* unfolds the ultimate order. Some mighty force, with the ruler from the house of David on the throne, is to take control of every life, every shekel's worth of property, every acre of land, every nugget and coin; no child may live, none may be born, if the Power objects.

And the regard in which *The Jewish Utopia* is held by the rabbinate may be surmised from the printed Texas University Library seal inside the front cover, which says the book was "Presented by the Kallah of Texas Rabbis, 1939" to The Abraham I. Schechter Collection of Hebraica and Judaica of the University library.

I stated earlier that the book was in plain English. The fact is, it is addressed throughout to students familiar with the *Talmud*, the teachings of the foremost rabbis of Jewish history; it was not in the library proper but in the Abraham I. Schechter collection, to which one may access only by special permission; and it was not, and is not, listed in the library catalogue.

We shall see presently the plan in detail. We would dismiss the entire book as a daydream by an unbalanced mind but for the facts of history, including current history, in which the Socialistic man-trap has caught this and other countries and people, and is steadily sucking their blood.

The Jewish machine has men in the most powerful positions; protected by the cowardice of leaders who fear to be called "anti-Semitic". We are paralyzed by that atom-powered little scare word; we are children afraid of the dark.

Apparently a good many Jews themselves are now fearful of the impending bloodshed. I have known, and do know, many Jews; while the Jewish temperament is incredibly true to pattern, there are many who realize that they have found the Promised Land, their Utopia here in tolerant, benevolent, rich America; and if we appeal to these, they

might well join us in the fight to keep America free.

Mr. Higger says those Jews who do not knuckle under and who are not "tall and handsome" will be weeded out.

While our first concern is for the survival and continued freedom of our children and grandchildren, we ought to find helpful allies among the Jews. Several million Russian children and many millions of adults have been beaten to death, shot or starved by the insane Marxist machine called Bolshevism, or Communism; and the Zionists, Communists and their foolish "liberal" dupes are far advanced with the Marxist Socialist program in this threatened Republic.

So that the reader may not be asked to take my word, I am showing several pages photographed from Mr. Higger's unique blueprint for conquest.

THE AIM

Professor Higger states his aim in the first paragraph of his Preface:

"For my main problem is to reconstruct an ideal social life on earth as pictured by the rabbis of old."

He adds, later:

"An ideal society among the family of nations, as visualized by the prophets, although not realized as yet, will ultimately be achieved. Nations will come, nations will go. Dogmatic Christianity has come, dogmatic Christianity will be gone. 'Isms' have created nations, 'isms' will destroy nations. Capitalism has brought happiness and woes to mankind; Communism may bring its paradise and hells to mankind. Doctrines have shaped the destinies of peoples, doctrines may bring destruction to peoples. But the millennium will come only when the nations of the earth direct their efforts toward the visions of the prophets, and make function the teachings of Amos, Isaiah and Micah."

Do Professor Higger and Talmudic rabbis interpret the Prophets as do the Christian? Or do they believe that the Jewish Prophets of the Old Testament were trying to keep their people dedicated to a religion of conquest, trying to keep them united and moving toward political and economic domination?

Let us keep the question in mind as we read; eventually we shall find the answer.

Mr. Higger continues:

"A Jewish Utopia begins where Wells leaves off. It starts with the world as the basis of the new social life. From that viewpoint, the rabbis picture first a scheme of a transvaluation, of spiritual, intellectual, and material values, and a complete spiritual transformation. Having laid this foundation of the new, ideal order, the Jewish idealists proceed with the rest of their plan;

and complete the superstructure of their Utopia. In that part of the structure there are, to be sure, a few common elements in the rabbinic and other Utopias as the ideals of common interest and mutual helpfulness; cooperation supplanting competition in the new social order; the toil of industry being reduced to a minimum, and thus permitting a higher cultural and intellectual life."

Obviously, some catastrophic change is in store for the world. *Isms* will destroy nations. An *ism* has destroyed Russia in our life time—that is, a secret organization successfully promoted an *ism* as a device for undermining and capturing, and then gradually destroying, the Russian people, their culture, economy, religion and already, to a great extent, their best racial stock.

From beginning to end, *The Jewish Utopia* emphasizes that what the rabbis, the *Talmud* and the *Old Testament* were talking about was an earthly regime, not a spiritual one but an ideal political, racial, economic and social era (from the Jewish viewpoint) here on earth. And it is to be a one-world state, conforming to a single ideology:

"... Plato is chiefly concerned with what will hold the ideal city together. The rabbis, on the other hand, are mainly interested in that ideology which would hold the whole world, or the Universal State, together."

This concept of the Jewish religion as a conquering ideology, preparing the world for a Jewish-dominated military-political state here on earth, is not held by all the rabbis but it is the Talmudic interpretation, as the *Utopia* shows.

The author hints that his paradise will be a Socialist order for it is to begin "where Wells leaves off" and H.G. Wells, a Socialist, idealized Socialism. A Socialist regimented world order would kill the spirit, dry up the ambitions, chain the imagination of the highly individualistic Anglo-Saxon and his kinsmen of the Western world, and likewise his friends in Asia, the Japanese and Chinese.

STOP QUOTING, THIS SECTION

Dharma, we will effort to keep the segments to a length suitable for a sitting so that ones can digest the information as they move forward. This is the most important information you will ever receive in this manifested experience upon your place in human format. You are in the time of great evolution of species and planet. You are in the "Revelation" time of the prophecies. That which you WISH to believe has no bearing on that WHICH IS. My mission is to uncover the truth for your information that you might know that which is upon you—no more and no less. What you do with this information is that which determines your remainder of experience. JUST

REMEMBER, CHELAS—GOD OF DIVINE LIGHTED SOURCE/CREATOR—**ULTIMATELY WINS!!!!** Perhaps, after all is said and done, THAT is the "ULTIMATE" PART OF THE DIVINE PLAN.

For Dharma and my close crew members in service in the outlay of information, I must again state: This is not new to you or to the JOURNALS—but most have not come into the early JOURNALS and those wherein this information is laid bare—are BANNED for all practical purposes. They are efforting now to be placed in compound as "hate" crime revisionist literature. Already, the books with this information are banned from even crossing the Canadian border inspection. These are NOT to be confused with the series, PLEIADES CONNECTION, under assault by the University of Science and Philosophy, having been stirred and boiled by one alias, "John Coleman". Oh indeed, the Piper shall be paid and dearly paid if reconsiderations are not immediately forthcoming.

This "John Coleman" is now wanted by the Law Enforcement teams for all sorts of crimes. He ran out on his rental agreements, and all living expenses including dentists, physicians, etc., in the cover of night for packing and under the "interesting" cause of "terror", "having been beaten up by two thugs hired by George Green." The Sheriffs in charge know what is really going on but were unable to trace his actions on the spot but are in the tracking process at the moment. The man in point is so irrational that the Sheriff in charge of the investigation WARNS GEORGE GREEN THAT THE MAN PLANS DAMAGE TO HIS (GEORGE GREEN) PERSON. A BULLETIN HAS BEEN SENT THROUGH THE WIRES LISTING THE MAN AS "ARMED AND DANGEROUS".

To all who got sucked in by this triad of thieves (agents for the above "plan"), I can only give compassion for he was good at what he did. It does not, however, change the lack of loyalty and/or assault against my people and myself as messenger of Truth. How all of this will resolve itself is in the waiting to unravel—but, I shall not openly expose my speaker/scribe further until security is achieved. We will go on about our writing and our work—but we shall not have further "open" gatherings for I will not longer subject my people to such hostility within their own place. You took God's greatest gifts and scattered them as worthless pieces of garbage. You accused and brought insult by your accomplice to this traitor in our midst. This triad did sell your "honor" on the auction and then accused you as individuals for having perpetrated the offenses. It is always the way of the evildoers. This IS the deceit of the adversary which is always utilized on his "victims". I can only hope that you will move into your lessons of that

which is given for your learning and training for discernment that you might recover your balance and relationship with that which you claimed to seek. And, if YOU have pushed another from his path and prattled and prodded and caused him to respond in ill-conceived manners—I can only pray that the brother "had" be gentle in understanding and assume own responsibility for having been the "dupe" at YOUR ignorance.

Let us leave this now. May the Light of TRUTH be abundant as you sort of these mighty things come upon you.

Hatonn to clear, please.

CONTINUATION: THE JEWISH UTOPIA (ULTIMATE PLAN 2000)

QUOTING CONTINUED:

WHO IS TO JUDGE?

Higger says the term "righteousness" has all but lost its meaning in the modern world; that "the Jewish Utopia is built upon this very term, or idea, of righteousness . . . the Kingdom of God in this world will come only when suffering mankind passes through the gate of righteousness."

This sounds **Not unlike** a Christian, Anglo-Saxon or any other "Utopia". Idealization of righteousness is more or less universal. The Nordic, with his "New England conscience", idealizes righteousness and sometimes practices it. But we must ask by what standards righteousness is to be judged. The Christian expects God and his own conscience to be the judge of righteousness; the Anglo-Saxon, the Negro, the Japanese, surely would not want to be judged righteous or unrighteous according to the wishes, ambitions or whims of a worldly Jewish authority. On the other hand, we could hardly expect ardently pro-Jewish Jews, including Talmudic rabbis, in their paradise, to cede power to ardent Christians, individualistic Norsemen who cherish their personal freedom, or the art-loving Mediterraneans who likewise must give vent to creative yearnings and who like a leisurely, unregimented life. Hence, the Jewish regimenters are sure to encounter resistance.

"To understand the rabbinic conception of an ideal world it will help us if we imagine a hand passing from land to land, from country to country, from the Indian Ocean to the North Pole, marking 'righteous' or 'wicked' on the forehead of each one of the sixteen hundred million inhabitants of our earthly globe. [H: Does this counting date this book origin better than could I by giving you dates? (Sixteen hundred million inhabitants?) Does this not also

speak of evolutions of civilizations and incarnations for growth of souls in ever changing experiences?] We should then be on the right road toward solving the major problems that burden so heavily the shoulders of suffering humanity. For mankind should be divided into two, the only two, distinct and unmistakable groups, namely, righteous and wicked. To the righteous would belong all that which God's wonderful world is offering; to the wicked would belong nothing. In the future the words of Isaiah, in the language of the rabbis, will be fulfilled: Behold, My servants shall eat, but ye shall be hungry; behold, My servants shall drink, but ye shall be thirsty; behold, My servants shall rejoice, but ye shall be ashamed. This is the force of the prophecy of Malachi, when he said: Then shall ye again discern between the righteous and the wicked, between him that serveth God and him that serveth Him not."

But who is to direct the hand which marks on your forehead and mine, on the forehead of each of our children and our loved ones, "righteous" or "wicked"? Who is to say who may own property and who must die of thirst and starvation? Who is to dictate such conformity? Who is to deny us our own right to choose?

Notice that Professor Higger considers that the Jewish Prophet Malachi used the term righteous as referring to the same persons to whom he, Higger, and the nationalistic rabbis would apply it today—righteous according to the standards, aims and desires of the leaders who build toward a Jewish paradise, a Jewish world order. That is not the Christian interpretation of Malachi and the other Prophets, Jews though they were. The Talmudic interpretation inspires the Jewish flocks to believe that the Prophets were addressing their appeals to their own people, trying to whip them into unity and consecrated devotion to the building of a Jewish world order.

The *Talmud** tells the Jewish flocks that Moses was their militant, conquering hero, and that the Mosaic Law which says love thy neighbor is for the Jews only. It shows the Jewish people are not bound by any moral requirement in dealing with gentiles. [H: You must always be keeping in mind that the term "JEW" WAS CREATED EXPRESSLY FOR THIS PURPOSE OF IDENTIFICATION OF "ZIONIST LEADERS.]"

*There are TWO *Talmuds*, the Babylonian and the Jerusalem or Palestinian *Talmud*. Any reference to the *Talmud* means the Babylonian *Talmud* unless otherwise stated, for the other is rarely used. The *Talmud* consists of many huge volumes. The English translation of it (from which I have many photostats, showing how the Jews are free to deceive and outwit the non-Jews, except where there is danger of reprisals) now apparently is available

for purchase by libraries and, possibly, by gentile individuals. There is also a single volume of considerable size, called the *Shulkan Aruch*, a compilation of excerpted teachings from the *Talmud*, which volume is in common use among rabbis and seems to be available in most big city libraries.

"The Law Moses gave unto us as an heritage; it is an heritage for us, not for them." (Sanhedrin 59 a.)

"Ye are called men, but the goyim (gentiles) are not men, but beasts." (Baba Meziz fol. 114 b.) [H: Does that not put most of you in your place in relationship to this New World Order?]

These quotations are translations from the 9-volume German-language edition of the *Babylonian Talmud* in the Library of Congress, Washington, D.C. [H: So it would seem pretty hard to deny presentation as they have with the Zionist Protocols, etc.]

GLORIFIES STEALTH AND DECEPTION

The *Talmud* is a many-volume compilation of Jewish history and traditions and the teachings of the ancient rabbis. One of its most important elements consists in interpretations of the *Law of Moses* by rabbis over a period of centuries, in legal decision after legal decision. The quotations above are from different rulings in different cases. Whereas the Christian who accepts the *Old Testament* as either sacred or at least historical, thinks of Moses as a great moral leader appealing to all the world, the Talmudic rabbis consider Moses a great military commander. By their interpretation, Moses kept the Children of Israel in the Wilderness "forty years" so as to discipline his flock, raise up an army and train it to goosetep. And, of course, the *Old Testament* does say that Moses' soldiers fell on unsuspecting villagers and annihilated them, men, women and children. The *Books of Moses* plainly glorify this slaughter and the theft of the land from unsuspecting gentiles. [H: This is no way or by any means of Lighted Creator God of Source. God of Divine Source of Light—only creates, he does not destroy—he ONLY creates for there is no need of other in the unlimited presence and ability of the ONE CREATIVE SOURCE!]

*Historians now say that the Hittites whose peaceful villages were thus attacked, were a fair, blond people speaking a language so much like early German that many words were identical. The Hittites, like the Germans 1300 years or more B.C., also knew the secret of working iron.

Read especially the *Books of Numbers* and *Deuteronomy*, for additional examples of how the Jewish adherents should take what they want.

"And we took all his cities . . . And we utterly destroyed them, as we did unto Sihon, king of Heshbon, utterly destroying the men, women and children of every city." (Deuteronomy 3:4-6)

Not only Zionism but Communism, too, acquired much of its hatred of Christians from the spirit of hatred kept alive by rabbis in the ghettos of Europe and Russia—the constant repetition of "mine enemies" from the *Old Bible*.

"And ye shall be saved from your enemies. . . ." "And let thine enemies be scattered; and let them that hate thee flee before thee."

The master-race concept, the zeal for conquest and self-adulation were kept alive in the ghettos for their interpretation of the *Torah*:

"And it shall come to pass . . . that the Lord thy God will set thee high above all the nations of the earth." (Deut. 26:19). "The Lord shall establish thee a holy people. . ." (Deut. 28:9).

Read also in *Exodus* how Moses had his fellow Jews borrow jewelry and other valuables from the Egyptians the day before they slipped out of Egypt. They did not return the valuables. [H: Sound familiar, anyone?]

We may sympathize with the racial or tribal pride of the Jewish men in the wilderness when they resented the presence of a non-Jewish woman in the tent of one of their brothers; but the example of bloody fanaticism shown when they stoned the couple to death because the woman was not Jewish is a strange example indeed to come from those who cry loudest for brotherhood (from us to them) and who are the first to condemn such race pride (in non-Jews).

Whatever the Christian may think of the intent of Moses, the *Talmud* teaches the Jews to believe that Moses was talking only to their ancestors, not to the goyim, when he said Love thy neighbor; Thou shalt not steal, etc. The *Talmud* gives adequate cause for the belief among the Jews that Moses was a military leader, keeping the Children of Israel in the wilderness the figurative forty-years so as to train them under the brief, rigid Ten Commandments, which thus would be his police code to keep them in hand. By this interpretation, Moses was indeed building an army of conquest.

The *Talmud* thus indicates that when Moses said Love thy neighbor as thyself, he meant Love thy Hebrew neighbor; thou shalt not steal (from thy Hebrew neighbor), etc.

If this is what many Jews believe and if the *Torah* is the core of their religion, very well; it is their privilege to worship as they please, even if they plan thereby to annihilate us. But let us open our eyes and defend ourselves. We must not blame

them if we let a small tribal group bring about our destruction.

While the *Encyclopedia Britannica* (p. 771, Vol. 21, 1949 edition) says "The *Talmud* is still the authoritative and practical guide to the great mass of the 'Jews', still not all the rabbis accept the *Talmud*, with its glorification of secrecy and cunning and its incitation to blood-letting and conquest. Rabbi Elmer Berger, for instance, repudiates both the *Talmud* and the *Torah*. In his *Partisan History of Judaism* (Devin-Adair Co., New York, 1952) he attacks the *Books of Moses* as expressions of nationalistic fanaticism, only partially based on historical fact. He shows that modern Zionism springs from this ancient "Zionism".*

*Rabbi Berger accepts the Prophets, and about 1947 he told a closed meeting of delegates to the convention of the American Council for Judaism (a small anti-Communist, anti-Zionist group) "God promised us world priesthood." Thus he and his group, too, have a program. But there is a vast difference: Their program, apparently, is only a missionary ambition—to Judaize the world by open and legitimate missionary methods. One does not have to accept their program. The Christian and some other religions are not bent on destroying all who refuse to knuckle under.

USES ESOTERIC TERMS

Mr. Higger leaves no doubt of his meaning in using the word "righteous". The word as here used is a cabalistic, esoteric term. The whole substance of the text shows that the "righteous" are those nations and individuals who work with and for the Zionist world program. The author even explains some of his key words, by direct definition. For instance:

"At the outset it should be pointed out that the terms redemption and salvation have a radically different connotation from that which they have in Christian theology.... Jewish redemption stands for the physical liberation and freedom of Israel. For the people of Israel will attain the height of their spiritual functions and potentialities only through their attainment of material freedom and liberty."

Redemption then, for the Zionist, has nothing to do with "redemption from sin", nothing to do with his personal relationship with God and the hereafter. It refers to a political, military and geographical accomplishment, and setting up of the state of Israel and the "liberation and freedom" of the Jews.

The terms liberation and freedom, as used by Zionists, likewise are consistently misinterpreted by gentiles, as is the Jewish term persecution. A study of Jewish revolutions in many countries shows that the

word persecution is almost universally used to mean prosecution. Even those Jewish writers who tell in detail about Jewish revolutionary and seditious activities against the government of their host country, brand any punishment of the guilty Jews by courts of the land, as persecution. Notice that in the three-volume *History Of The Jews In Russia And Poland* by Simon Dubnow, one of the foremost Jewish historians, though Dubnow relates with pride many of the subversive, violent movements launched by Jews, he always brands their punishment as persecution. Similarly, the Jewish press and planted articles in the general press in America, during the trials of Jewish Communist officials in Russia, Poland and Hungary during the past few years, have treated the trials as **persecution** rather than **prosecution**. And the courts and Stalin were anti-Semitic! (Stalin lived with Rosa Kaganovich, **sister to his close friend, Jewish Deputy Premier Lazar Kaganovich**, though there cannot be found a record of any marriage.)

"All the treasures and natural resources of the world will eventually come in possession of the righteous. This would be in keeping with the prophecy of Isaiah: 'And her gain and her hire shall be holiness to the Lord; it shall not be treasured nor laid up; for her gain shall be for them that dwell before the Lord, to eat their fill and for stately clothing.' Similarly, the treasures of gold, silver, precious stones, pearls, and valuable vessels that have been lost in the seas and oceans in the course of centuries will be raised and turned over to the righteous. . . In the present era, the wicked are ordinarily rich, having many comforts of life, while the righteous are poor, missing the joys of life. But in the ideal era, the Lord will open all the treasures for the upright, and the unrighteous will suffer. God, the Creator of the world... will be happy, so to speak, only in the era to come, when the world will be governed by the doings and actions of the upright..."

Now we are beginning to catch broad panoramas of the Zionist Utopia, the ultimate world order, as longed for by Professor Higger and the principal rabbinical teachers of 2500 years: "Ye shall be hungry" unless you are among the "righteous". "All the treasures and natural resources of the world will eventually come in possession of the righteous."

Since only the righteous shall own property and all the rest of us shall, in fact, perish, it is important to know who are to be judged righteous and who unrighteous. Which of us are to be among the chosen, enjoying the Kingdom of God here on earth; and which of us are to be among the hundreds of millions of human beings denied even food and water?

[H: Pay close attention here because if you are of Lighted Creator God—you are going to find that YOU are not in-

cluded in the lift-off lists of the Zionists, Jews or whatever they wish to call themselves. You are among the ones intended to perish! By the way—unless you already HAVE YOUR TICKET TO THE UNDERGROUND SURVIVAL FACILITIES—YOU ARE GOING TO PERISH IF THESE ADVERSARIES HAVE ANYTHING TO DO WITH IT. YOU HAVE BOUGHT THEIR GARBAGE AND NOW YOU ARE IN THE "COLLECTION" PROCESS OF THEIR FORECLOSURE ON A PHYSICAL PLANET. YOU WILL NOTE THAT ALL REFERENCES ARE TOWARD MATERIAL "PHYSICAL" ACQUISITIONS, ETC. YOU HAVE MET THE ANTI-CHRIST ADVERSARY AND HE STANDS BLOCKING THINE PATH AS SURELY AS A WALL OF STONE. YOU WILL EITHER RISE ABOVE AND BEYOND SUCH PERCEPTION OF REALITY OR YOU SHALL SURELY PERISH IN IT.]

"In general, the peoples of the world will be divided into two main groups, the Israelitic and the non-Israelitic. The former will be righteous; and they will live in accordance with the wishes of one, universal God; they will be thirsty for knowledge, and willing, even to the point of martyrdom, to spread ethical truths to the world. All the other peoples, on the other hand, will be known for their detestable practices, idolatry and similar acts of wickedness. They will be destroyed and will disappear from earth before the ushering in of the ideal era. All these unrighteous nations will be called to judgment, before they are punished and doomed. The severe sentence of their doom will be pronounced upon them only after they have been given a fair trial, when it will have become evident that their existence would hinder the advent of the ideal era. Thus, at the coming of the Messiah, when all righteous nations will pay homage to the ideal righteous leader, and offer gifts to him, the wicked and corrupt nations, by realizing the approach of their doom, will bring similar presents to the Messiah. Their gifts and pretended acknowledgement of the new era, will be bluntly rejected. For the really wicked nations, like the wicked individuals, must disappear from earth before an ideal human society of righteous nations can be established." (p. 37)

That makes it clear. Now we know that unless the United States as a nation joins wholly, in fact and in spirit, in the Israel-Zionist movement to promote the new social order, our nation is doomed (if the Zionists win). The Zionists call the process of liquidating opposition, "social surgery".

END OF QUOTING FOR THIS SEGMENT.

I ask that we break this writing right here, Dharma. I will next look at the "plans for Armageddon" and see if you can't have even a bit MORE insight. I also ask that this information be published in the least expensive format possible and offered at as low a price to cover expenses and give overage enough for follow-on printing, as possible. YOU ARE MEETING YOUR ENEMY AND HE IS CLEVER AND DECEITFUL. HE USES EVERY TERM IN YOUR LANGUAGE TO OPPOSITION OF MEANING AND THE TRUTH IS, YOU ARE DOOMED IF YOU SEE NOT THROUGH THIS VEIL OF LIES AND PHYSICAL CUNNING. YOU NEED NOT LOOK BEYOND THAT WHICH IS OBVIOUS—HE WHO CALLS HIMSELF BY THE THIEF'S NAME IS THE ONE THAT IS GUILTY. IF "HE" CALLS HIMSELF "JEW" AND/OR ZIONIST—THEN HE IS YOUR ENEMY—IF YOU DO NOT IN FULL INTENT AND PURPOSES OF "HIS" GAIN, CALL YOURSELF ONE OF "HIM". Time has run out for the choices. You are either "of God" or you are His enemy!

May insight into the truth of your circumstances be given into your blinded eyes.

Salu, may the blessings of LIGHT be shown unto you.

Corporate Sense

9/21/92 #1 HATONN

Hatonn to comment on a question which comes up over and over again—even after full explanation, for it is hard to treat a corporation as its rightful individual self and also have "control" of it. Then comes the problem of how to individually get assets out. I thank Lewis Laughlin who, among other jobs, writes for *The Incorporated News*.

QUESTION: I am aware that a corporation protects me and my assets in case I get sued. But I need to get some money out of my corporation. How can I do this to my best advantage?

ANSWER: This question has a multitude of answers, depending on how much income your corporation makes, how many shareholders there are, how many employees you have, and many other factors. For the purposes of this response, I'll assume **you're employed** by your corporation.

Obviously, one of the quickest and easiest ways to get cash out of your corporation is to pay yourself a salary. The payment to you by the corporation is deductible to the corporation. In setting your salary you want to be certain that it is reasonable in relation to the job you perform. If your

salary is questioned by the IRS, and found to be too much for the tasks you perform and for the overall income of the corporation, deductibility of the salary will be denied. You will still get the same amount of income, but the corporation will not be able to deduct the payment. So far as the corporation is concerned, it will be considered a dividend payment, not a salary, and therefore not an expense.

One way to get around the unreasonableness issue is to have a smaller salary, and provide for bonuses, both short and long term, based on company profitability. Your employment contract with the company (you do have one, don't you?) should set out your terms of employment, benefits, vacation, salary, bonuses, etc., particularly if you are a shareholder.

A corporation can pay some of your personal expenses in a fashion that makes them tax free to you and deductible to the corporation. For example, the corporation can set up a health plan for all employees, you included. Instead of getting a paycheck and buying your own insurance with after-tax dollars, you're getting your insurance paid for with before-tax dollars. The payments are deductible by the corporation and are not included in your income.

Another method is to have your spouse and children **on the payroll**. Their pay must be reasonable for the work performed, but this can be easily accomplished. Oftentimes even young children can do office cleaning and janitorial duties, run errands, answer telephones and the like. Almost certainly their tax rates are going to be less than yours, and you won't have to give the kids an allowance—they can get their money the old fashioned way—"they can earn it".

Still another method is for you to actually own the equipment that the corporation uses, and to rent or lease the items to the corporation. The corporation deducts these payments as ordinary business expenses. You include the payments in your income, less any depreciation or other expenses you may have regarding the equipment. It is important that you **DO** have agreements on paper if the IRS comes to call.

These are just a few ways that you, as a shareholder of a closely-held corporation, can get some of the cash from your business. There are a multitude of ways you can go if you just put your mind to it. Get those creative juices flowing. One is to simply "borrow" money and have agreements as any other contractual arrangement with any **other** corporation. Whatever can be done with any **other** corporation can be easily and legally done with the one in point. Notes and agreements accurately documented are usually the very best approach but it does require constant tending and updating as changes happen.

You can go right back to those instructions in a prior **JOURNAL** where it explains "Red Ink—Black Ink" possibilities. There are a myriad of approaches in between. The most important thing is to legally and emotionally treat the corporation **EXACTLY LIKE WHAT IT IS—a separate entity over which you have control**, but very definitely a separate entity.

WHAT IS BO GRITZ'S BALLOT STATUS THROUGHOUT THE UNITED STATES?

When carefully reviewing Bo's status within each state, it becomes difficult to project with any degree of certainty the precise status. Many of the states are in question or in a state of flux. To further confuse matters, the guidelines for independent write-in candidates vary from state to state.

Please do not hold us to the following as being carved in stone. Realize there is room for adjustment and change in this projection, but, as far as we are able to determine at this time, the following applies with regard to Bo Gritz.

In what states is Bo ballot qualified?

Hawaii, Arizona, Washington, Idaho, Montana, Utah, Minnesota, Iowa, Wisconsin, Illinois, Arkansas, Louisiana, Mississippi, Tennessee, Alaska, and New Jersey.

In what states is Bo qualified as a write-in?

Colorado, Kansas, Texas, Missouri, Indiana, Georgia, Texas, West Virginia, and Maine.

What states are currently unknown or somewhat in the air?

Oregon, California, Wyoming, North Dakota, Alabama, North Carolina, Kentucky, Pennsylvania, Maryland, Delaware, New York, New Hampshire, Connecticut, Rhode Island, Massachusetts, and Vermont.

[Note that some of the most critical states are in this category.]

Are there states in controversy or some pending litigation?

Nevada, Florida, and New Mexico

Are there states where write-ins are prohibited?

South Dakota, Nebraska, Virginia, Oklahoma, and South Carolina.

SPECIAL GUEST SPEAKERS:

• **COL. BO GRITZ** •
America's most decorated Green Beret Commander from the Vietnam Era. Author of *A Nation Betrayed* and *Called to Serve*. Bo exposes U.S. officials, operating in the highest positions of special trust and confidence, who have circumvented our constitutional system in pursuit of a "New World Order".

DON MCALVANY
Author of *Toward a New World Order: The Countdown to Armageddon* and editor of *The McAlvany Intelligence Advisor*, a monthly geopolitical/financial intelligence newsletter analyzing global monetary, economic, and political developments and their effects on the precious metal markets.

GEORGE GREEN
Publisher of the provocative *Phoenix Journals* which represent the compilation of daily transmissions from the Pleiades space craft "The Phoenix". Topics include: Why the UFO Cover-Up?, Controlled Earth & Weather Changes, Genetic Experimentation by our Government, The Economic Collapse, Prophecies Of The Next 3,000 Days and much more.

LINDSEY WILLIAMS
Author of the controversial best sellers *The Energy Non-Crisis*, *To Seduce A Nation*, *Syndrome of Control*, and *Where's The Food?* Lindsey explains the mindset of the International Bankers and their quest for the global control of food, energy & natural resources.

EVA SNEAD, M.D.
Dr. Snead has over 20 years experience as a licensed physician specializing in nutrition, holistic medicine and chelation therapy. She is the author of *Some Call It "AIDS," I Call It Murder!* which explores the startling connection between Cancer, AIDS, Immunizations and Genocide.

"I believe and will prove in this book that a multi-faceted secret combination exists within our national structure that is dedicated to the decay and eventual demise of America as established under the Constitution -- a nation under God....

"I am certain a parallel government has existed for decades which led us into wars that have cost us far more than money and manpower. This shadow government has maintained a stand alone, off the shelf, self financing covert force for decades. To help pay operational costs, it has infused our nation with drugs, and will continue to lead us into areas of conflict as a means of further reducing national resolve."

-- from the Introduction of *Called To Serve* by Colonel James "Bo" Gritz

Please Help CLC!

Dear Readers,

The Constitutional Law Center wishes to thank all of you for your support and prayers. It is because of your dedication toward preserving the Constitutional rights of everyone that we continue to become increasingly effective.

Currently, we are seeking experts in Constitutional Law, as well as other areas of law, to assist us with the tremendous research that we must develop. This research can be done in your area and forwarded to us via fax or mail.

We are especially in need of the legal knowledge of suspended, disbarred or retired attorneys and are desirous of establishing contact with those who are naturally "drawn" to the study and practice of Constitutional (Common) Law.

We urge you to contact us if you, or someone you know, are available to perform such research for the Constitutional Law Center.

And again, we thank you for your tremendous support.

Sincerely,
Gene Dixon, Director
Constitutional Law Center
