"THE TRUTH WILL SET YOU FREE"

Is A Patriot Movement Afoot In America?

(Editor's note: In today's mail we received a provocative tape and 2-page document discussing some efforts by our United States military and other patriots efforting to **reclaim our country under the Constitution**. Meanwhile, earlier in the day, in the middle of this morning's 12/7/92 #1 writing by Commander Hatonn, which starts on page 29, he says, "...**fortunately for YOU, some are doing something on their own and getting a lot of help from US!** For instance, there is plenty of assets to completely bail your nation OUT! Further, there is movement afoot whereby both Clinton and Bush will probably have to step down as proof comes that Perot won the election. Can you depend on that happening? NO—but it is under way as ones are finding various ways to take back some of what has been stolen—as in farms and land take-backs. But this is being done through

Constitutional Law and not through violence and war."

In a private business meeting about 3 PM this afternoon, called to address getting the news out on this *veru* Patriot issue, Commander strongly urged that we do our best to transcribe some of the most important information from this "mystery" tape and get it dispersed out to you readers ASAP. Understand that: first, we have not had time to do much in the way of smoothing out or otherwise cleanup-editing the "conversational" flow of the tape's information; second, in some places we could not even decipher words or phrases properly, and this is noted by various obvious breaks in sentence structure; and third, we are excerpting some of the most important information from a quite lengthy taped conversation. The entire tape is available through *The Word*. Interested readers who do NOT already automatically receive meeting tapes from *The Word*

should contact them — see ad on page 30 — for copies of this "Patriot tape" set that includes Commander's related comments from today's business meeting.

The 2-page document that arrived with the tape is reproduced on page 33 and we suggest reading those pages before trying to make sense out of the tape excerpts starting below. Commander **strongly recommended exercising great caution** about supplying one's name or address, as the one document page urges. Moreover, Commander asks all readers to remember their lessons from past LIBERATORS and JOURNALS and, in conjunction with that information, utilize their God-given brains and discernment in sifting through the entire topic discussed here.)

Soltec: The San Andreas Fault Barely Holds On By A Thread

12/1/92 SOLTEC

Soltec present in the Light of Holy God of Creation. We have missed the opportunity to write in the past days; however, it was important to this one and her spouse to have the time to visit with guests and family members and celebrate the joyous occasion of the marriage of their son. There are now those things which need to be addressed, and though she would like a physical rest, it is imperative that we take the time now to address these things.

Your scientists yesterday, November 30, 1992, issued yet another update on the condition of the San Andreas Fault. It is now exhibiting signs which indicate that there is a one-in-eight chance of major seismic activity occurring by the autumn of 1993. As you are aware, we wrote just a few weeks past that they had estimated that the likelihood for a major earthquake had accelerated by ten years. Now they are telling you that they anticipate it to occur in less than one year. Listen to me, Chelas, they are warning you of your destiny in this place. The scientists are not about to come right out and tell you that it is high time to get out of there—they are not allowed to! Yet, they are, in their own manner, attempting to give you warning of what is planned. Many have discovered what is occurring with the beams and are, without coming right out with it, telling you that this fault line is going to go, AND SOON! We are not speaking of just a few little shakers and a few little cracks in the ground this time. We are speaking of major destruction and death. This fault has been so weakened by all the shenanigans that it is barely holding on by a thread. That thread is about to snap.

You had yet another earthquake in California last week around the area of Big Bear Lake—the same place as the strong earthquake earlier in this year. They are still trying to convince you that this recent temblor was yet another after-shock of that earlier earthquake. I would hope by now that you are more informed than that.

Keep in mind that your coastal land, west of the coastal mountains, is not part of the North American Continent. It merely rests on the continental shelf. When that fault finally goes, most of that coastal land is going to slip into very deep waters. It will shake and break apart and submerge into the sea in the same manner as did Lemuria. This will most likely happen from south of the Baja Peninsula north to San Francisco.

It may not all occur at once. In fact, it most likely will take place in three stages. **The first stage is estimated to be located in the area of south-central California, with the center of activity in and around the area of San Bernardino. The second stage will most likely be in the area of San Francisco and the third at the southern end, around the Baja Peninsula.**

Seismic activity of this magnitude carries with it the potential to spawn volcanic activity in those volcanoes which have been showing signs of renewed life in recent years and in some that were thought to be long dormant—Rainier, Hood, Shasta, St. Helens and several in Alaska, as well as those that lie to the south, along the coast of Central and South America. That is not to say that all these will erupt, but the potential is there that at least some will.

That is just the coast of the eastern side of the Pacific Rim. Remember that California is actually a part of the Pacific Plate which stretches across the Pacific Ocean to the eastern coast of Asia. That entire plate is on the move. Japan, the Philippines and the Pacific Island chains will be hit very hard. These are the areas which have the greatest likelihood of becoming part of the chain reaction when California goes.

Let us now move inland of the United States. Should California slip off the shelf and become submerged, a massive amount of water from the ocean will be displaced as the land pushes it out of the way. This will create tidal waves greater than any ever witnessed in your modern times. The newly formed coast will not only be shook tremendously by the earthquakes, but will be deluged with tidal waves. So, don't think yourself too lucky in eastern California and western Arizona. You, too, will be under water. Remember, these places were once sea bottom before that piece of land known as western California came to rest on the continental shelf. Most of Nevada will be under water as well, and the Great Salt Lake will take its rightful place as part of the sea once again.

There are also many dormant volcanoes in Utah and Arizona that would come to life as the magma seeks escape routes. Watch for signs of renewed life in these, as well. Once this begins, it will become like a roller-coaster racing downhill. The momentum will continue to build and spread until pressures again come into a balance. It will take quite a bit of time for this leveling out process to occur—possibly several years of your time. However, on the

geologic timetable, ten years is but a second of time, relatively speaking.

Should Shasta, Hood, Rainier, and St. Helens erupt, Washington and Oregon, for the most part, will become non-existent. You are looking at four major volcanoes, each of which have the potential for magnificent eruptions, with each eruption carrying the energy of thousands of hydrogen bombs. There would literally be **nothing** left within hundreds of miles of these now sleeping giants.

As devastating as all this might sound, it will be but the beginning of many other changes that will follow quickly on the heels of the initial earthquake. If you recall, in a recent writing, I told you that the San Andreas' going would be the catalyst for Earth changes worldwide. I meant it then and I still mean it now. And, my precious ones, you are very, very close to that day right now.

All of this seismic and volcanic activity will cause major weather pattern changes. The ocean currents will change, which in turn will cause the winds to change their normal courses. The volcanic ash in the atmosphere will block out much of the sunlight over a great portion of the world and you are likely going to experience extremes in temperature changes and unusually severe storms, as the Earth struggles to deal with it all.

Life, as you know it today, will be gone. The inhabitants of Earth-Shan will be in a state of mere physical survival. There will be no stock market or banks to worry over, but war will increase as man struggles against man in his attempt to survive. Cities will become death camps. At first, martial law will go into effect but, as time goes on, this will fail as well. The future in the cities is not a pretty sight. Most will die or be killed. It will resemble life as portrayed in many of your futuristic movie stories.

We do not want to instill fear in any of you, but we will tell you the truth of it. If you hope to survive, you must get informed. Your leaders and scientists will not tell you the truth. They would rather have you left in the dark until it is too late to prepare for the inevitable. God does not work this way. **Every attempt will be made to get you informed, and if it takes some confounded extraterrestrial speaking through grandmas, then that is the way God will do it. Your only choice is to believe it or not believe it. God does not make your choices for you! You were created with a brain and you are expected to use it.**

Our job is to get you through it—not to avoid it. It cannot be avoided. The Earth is going to go through many, many changes and you can sit and deny it all day long, and you can debate until your face turns blue. Arguing about whether or not there are flying saucers is wasted time and energy and of little

or no consequence. All the debating and denying is not going to change it one bit. You can choose to close your eyes and ears and get yourselves dead, but we are here to inform as many as will hear—and we will do our job, regardless of whether you choose to listen or not.

I am not predicting your future. I am giving you well-calculated estimates of what is likely to occur, based on current and past data, projected forward in time. Taking into consideration that which is presently occurring, we do not see the situation being diverted. It may be delayed—it may be accelerated. Much depends on how much more abuse this weak fault is subjected to. It is at its limit today. One blast could be enough to start the chain reaction and that is very likely, based upon your current political state of affairs. (I shall not address the political end of this, but know that it is all based upon political power games.)

There are times when this scribe thinks it would be more humane to get it over with, regardless of the outcome. She thinks that this world is cruel and harsh. She is right; it is. However, while there is still time, there are many others who might be reached, and we shall take every opportunity to do so. For, if just one more is brought through, the time has been well spent and not wasted. We, too, would like nothing more than to gather our own and take them home, yet we cannot and must continue from moment to moment in hopes of awakening another. Patience, perseverance, strength and love are the keys to sustaining in these days. The greatest of these is love.

With the present condition of the San Andreas and other, nearby fault lines, if you make it to next fall, count yourselves as extremely lucky. The way it sits at this moment, it could go tomorrow. Keep in mind, also, that one good "natural disaster" is all that is needed to suspend your Constitution and bring you into a state of full-out, complete Martial Law. You are, at this minute, in a delicate state of affairs, politically, spiritually and geologically speaking, and you cannot afford the luxury of ignoring the events happening before your very eyes every day. You are the remnant; therefore, you also have a great responsibility heaped upon you. But, remember, you have volunteered for this assignment, just as have we and we are in this thing together to the very end of it. It is too late to turn back now for we are at the very edge of the cliff.

Our job is increasing as time moves forward and we get closer to the climax of these changes. But come through it we shall—together—with God. Take solace in the knowledge that you do not walk this path alone and, as the time grows shorter, we draw you yet closer unto us.

I leave you with love and blessings of Almighty God. Soltec to clear. Salu.

Rock And Roll Around The Christmas Tree

12/3/92 SOLTEC

Good evening, my child. Soltec present, come in, and with, the Light of Holy God of Creation. Indeed, things are "Rocking and Rolling" this evening again in California. Though the earth has not stopped shaking in months, the newest assaults are causing even more movement of the ground. Are you ready for your December Surprise?

While most people are busy trimming the Christmas Tree, shopping and preparing for what is your most celebrated holiday, the Elite are preparing a Holiday Surprise of their own for all you unsuspecting, sleeping sheeple. If you are planning to erect a Christmas Tree, I would suggest securing it to something with yet another bungee. (By now, I would think that the bungee makers would be showing a profit, what with all of the recent purchases of these handy little gadgets!)

We may seem to sound to you ones as broken records, constantly repeating the same things over and over; however, as these events unfold, we have a duty unto you ones to inform of the true nature of happenings. Again, just this evening, you have been shaken by what is being reported as a moderate quake, 5.2 I believe is their report. The intensity of ground movement, however, indicates a quake of much greater size—perhaps a 5.8 to 6.0. It has once again occurred in the area of Big Bear—the same location as that one of a week ago your yesterday. And today, as then, they are claiming it to be an "after-shock" of the June incident.

Shall I remind you that you have a shuttle up again? How many times this past year have you experienced earthquakes when the shuttle is in orbit? Do you believe that this is just a case of strange coincidence? Listen, little mousies, the big bad pussy cat is playing with you again, tormenting you yet further. The shaker tonight is very widespread, and is reported to again have a rolling motion. Remember what I have told you in the past about this type of motion? **This indicates activity down into the lithosphere, which is below the mantle. The sharp jolt type earthquakes are normally crustal activity.** When you experience a rolling sensation, that means activity at great depths and much more dangerous over the long-haul. **This type of activity over long periods of time will very effectively**

take out faults, especially ones that are as weakened as your San Andreas and nearby and adjacent faults.

Just two days ago, we wrote on this very subject. [See article starting top of page 2.] I suggest strongly that you study this information quite carefully and then think about what has occurred this night. Not only are they messing with the Fault with the nice little beams from up in space, but there are some unnatural activities going on below your surface, as well, that are helping things along.

All the tunneling and underground constructing has only caused more destruction and weakening of your area. With the heavy machinery and underground blasting that has taken place, what do you expect has occurred there? **How much abuse can this shattered land be expected to take?!**

Do not be disturbed, my precious, about the tones you are experiencing. These are the frequencies meant to disrupt this work. Tighten your shield, my child, and we shall finish this work. You see, they are also playing with the magnetic grid, so be on the alert for tempers flaring, as this is one of the effects of frequency tampering. You are designed to resonate at a frequency compatible with your planet, but when they begin tampering with the frequencies, you are no longer in sync with your world's frequency and it causes all sorts of mental and psychological reactions. Tampering with frequencies also has serious effects upon the molten core of your Earth and this, in turn, affects seismic activity. You see, you are being hit from all directions at once.

Now, back to our original subject. The underground facilities which have been constructed in California, from shore to mountains, are massive and have caused a considerable amount of strain there. Recently the activity has increased, in preparation for events planned for your near future. I will not address this too much, except to say that it is totally military in nature—not necessarily your own. **If you could view the comings and goings in these places, you would not believe even your own eyes. Underground from the sea is about the easiest way to bring in foreign equipment and troops to your place. From there, they can surface from the remote mountain ranges and begin movement on your highways and**

railways and no one is the wiser.

Your space shuttle is in total media blackout, as it is a "secret military" mission again. Of course it is. They are not going to show you how they are blasting you and what sorts of games they are playing up there. Why do you think that your seismologists updated the earthquake predictions of the San Andreas Fault just four days ago? I told you that they were telling you what to expect, without telling you. How many have heard? How many will hear this time? Must you always touch the hot stove to learn your lessons? It is much easier and less damaging to your physical bodies to heed warnings than to experience the pain. Ah, but I suppose you learn better this way?

Do not forget, also, that next week you are going to experience a total lunar eclipse. What does this have to do with anything? The gravitational influence of the moon is what controls the tidal movements in your oceans, that's what. Earthquake activity also increases with ecliptic events. With the tenuous situation you are in right now, that eclipse has the potential of causing real havoc with the tides and the seismic activity. I believe that it is scheduled either December 9th or 10th. This can be verified easily by anyone interested. We shall allow some of the homework to be done by others.

How many times does Soltec or Hatonn or whoever else have to tell you that your Elite are playing deadly games before you believe? Will you have to be shaken from your very foundations? How long will you believe the "after-shock" fairytale? **GOD GAVE YOU A BRAIN—USE IT, PLEASE!** Do not wait for the house to fall in on you before you realize that this land is going to give way very soon. You were created with reasoning capacities. Stop depending on someone else to do your thinking for you. It is time to wake up, sit up and take responsibility for self. Most of you only wake up for a little while when the Earth begins to move beneath your feet, then once it quiets down for a spell, you once again close your eyes and go back to sleep.

This is the very plan of your Adversary, Chelas. If you can be kept asleep and pacified, then you will not even notice that you have lost all. When you finally do awaken, you will find that your house has been robbed of all that you have ever had—including the house! You have already lost your freedom, your health and your will—and your assets are all but gone right now. How much more can they take? How about your life? There are, according to them, too many of you non-Elitists, anyway; so what value are you to them?

Perhaps to them you are of no value. **BUT TO GOD YOU ARE VERY VALUABLE!** That is why the Host is here trying to reach as many as will receive The Truth.

God promised that He would send you The Truth, and He has. You have just not wanted to hear The Truth because it does not fit into your little preconceived ideas of what God is supposed to look like and sound like. I have news for you—if the Master Teacher Sananda were to appear in the flesh in any church house in your land, he would be called the Anti-Christ by those who proclaim salvation in His very blood! God is not in those places by the furthest stretch of the imagination. The only doctrines that are present there are those of man controlling man.

You are now in the most crucial time in your present history, my precious ones. Earth changes, both natural and man-caused, are part of the overall cycle. All these events have been foretold many times over many years prior to this by many prophets. Most of them were ridiculed and declared heretics of their time, just as many of you are ridiculed and persecuted today. Some things never change over time. But count yourselves in good company, for these are the ones counted as God's people, and that, Chelas, is the reason for our return to your Earth. We have come to claim that which is God's and we are not leaving without finishing our mission. We are not your enemy. That one is and has been on your Earth for a very

long time. We come only in total love, and it is because of that love for you ones of Earth-Shan that we have taken on this task. It is in love that we strive with you and push you to what you believe sometimes to be beyond that of which you are able. Know, however, that you are much stronger than you believe yourselves to be, and that you do not endeavor this alone. For always, there is God, and always we the Host stand with you. You may turn from us. We shall not turn from you.

I would like to tell you that the recent earthquakes will stop. I can not, though, tell you untruth, for we are not capable of it. They are not going to stop and they are not going to let up. They are only going to grow more intense and more numerous. The Earth is going to shake in many other places as well, before the dust settles. There are going to be many changes to the complexion of your world as old lands disappear and new ones (and old ones) appear (and reappear).

Through it all, know that you are loved. Hang on tightly and secure, and prepare yourselves as best as possible. You are most able with God. Thank you for your time again. I suspect that this scribe is going to become very busy in the coming weeks and, contrary to what she believes, she shall faint not. Go in peace.

Soltec to standby. Salu.

Today's News Watch: Mischievous Galore

12/1/92 #1 HATONN

WHO HAS THE "TREASURE"?

As we consider "what" news to espouse this morning, I am pleased to see that many of you are hooking the numbers together with incidents that all point in the same direction. With KNOWLEDGE all things become "possible".

FIRST TO ATTEND

Do not overlook the LAWS which come into play for the banks on **December 19, 1992**. We have given you the scenario in last week's *LIBERATOR*. [See page 28 of last week's *LIBERATOR*.] **For you who have missed it or have it not: On December 19, 1992, a law (enacted December 19, 1991 and called the new "FDIC Bailout Law Investment Act"—that is the Federal Deposit Insurance Corporation [again, a PRIVATE corporation])**

goes into effect.

This, again, is NOT Hatonn's cute and tricky revelation—it is "Law" and reported far and wide in the banking and investment market and brokerage sheets.

This LAW, which was passed by Congress on December 19, 1991, sets a minimum level of capital. That is, **if a bank's tangible equity falls below 2% of assets, closure proceedings MUST be begun by the FDIC.** This has already taken effect in many instances with the Savings and Loan institutions. But what you face now is massive bank closures necessitated by your own LAWS!

It was hoped that you would be in the middle of a currency exchange RIGHT NOW and banks would be closed for this turn-over, etc. That didn't get accomplished so now the banks are right up against it. The facts are that BankAmerica had not finished its major merger with Security Pacific and since BankAmerica ("capture it all" mother of all Bank OF America and

others) needed extra "time" and—considering other massive problems—you are still "at large". OK, Bank of America is second on the list TO BE CLOSED because their capital is only 1.91%. It is second in problems only to CitiBank which has only 0.31% of required capital. Now we all KNOW that they have plenty of money so you have to KNOW that it's a game in Elite "structuring". However, this is the good excuse to take over Security Pacific legally and with the blessings of the Congress. Moreover, there are about 450 banks scattered around with the same problem sufficient to wipe out loss reserves—which will reduce their equity below the trigger level.

So, according to the law passed by Congress—these banks MUST BE CLOSED on December 19, 1992. Will this happen? Well, since the BANKS are THE hub of control I would suggest it will come off exactly to the BEST ADVANTAGE OF THE BANKERS, wouldn't you?

What can they do? Either close all of these banks and have that "bank holiday" (other nations have done this), or, **they can circumvent the law!** But, if they circumvent the law, then why should it be expected to keep YOU in line with any laws that the Federal government has passed? If Congress can't keep their own laws, how can they provide that you will? **OF COURSE, BY FORCE!**

The stuff is hitting the fan as you move into December and you will be seeing references to this "little" quirky problem. As one Warren Heller, Research Director of Veribanc states it: "A lot of people are going to have a tremendously rude awakening."

You have a situation here where the S&Ls are costing you billions and billions and now, this, if nothing else, will cause a bailout obligation far more massive than any little S&L problem.

Perhaps, now, you will also be able to see the massive impact of that little "bearer bond" incident called "TREASURYGATE"!

TREASURYGATE

It is touted around that "TREASURYGATE" calls are to be resolved TODAY, Dec. 1, 1992. Now this would make a lot of people happy! But, my goodness, we are speaking of multiples of **TRILLIONS of dollars** all entangled with gold and gold certificates.

RUSSIAN GOLD GREATER THAN U.S. NATIONAL DEBT

Remember that "Russian" gold in the London Bank for all these past years which about wiped out Great Britain a few weeks back? Ah ha! Now you knew it couldn't have anything to do with a little "oversight" in deposits and interest payments due, didn't you? Surely enough—it has to

do with the massive sums due and payable on those certificate instruments of which we share with you as TREASURYGATE. Too bad for the adversary that he chose to blackmail and try to fool Father God and Mother Nature. Everyone wants to know, or will when you know what I'm speaking about (**GET A SUBSCRIPTION TO THE PHOENIX LIBERATOR—today!!**), the **16th instrument—which is missing!** Interesting enough to find that it is in Russia!! **AND IT IS WORTH TRILLIONS OF DOLLARS!**

NUMBERS IN GENERAL

Want to share a few projected "numbers" of value of those TREASURYGATE instruments? As example:

| | |
|--|-------------------------|
| Hosni Mubarek (Egypt—one of my favorite nations!): | 465 BILLION \$\$ |
| Heng Samrin: | 566 BILLION |
| Khashoggi: | 728 BILLION |
| Marou: | 983 BILLION |
| Nasser: | 8 TRILLION |
| (Egypt looks better and better) | |
| Castro: (2) | 3 TRILLION |
| and | 275 BILLION |
| Kadhafi: | 414 BILLION |
| Saddam H.: | 33 BILLION |
| Idi Amin: (2) | 46 BILLION |
| and | 381 BILLION |
| M. Noriega: | 135 BILLION |
| Shah of Iran: (2) | 140 BILLION |
| and | 278 BILLION |

And of course the most interesting one of all (amount unstated) MARCOS of the Philippines!!!

The cost of purchasing the world is quite high, chelas! And when the piper is waiting to be paid—it always becomes interesting to see how badly the payments hurt!

"So," you might well ask, "just where ARE these "bearer" instruments today? Well, when last noted they rested housed in the **Dallas Federal Courthouse, Dallas, Texas.**

There are some 16 MAJOR instruments and then, as you noted above: divisions of same in the hands of individual "holders".

Do you readers and listeners STILL want to argue about COVER-UPS and "no" conspiracies???? Are any of you even slightly CONCERNED? I suggest you inquire of that "Eastern" (Indiana) Hatonn through Portals of Light—whether or not God would send help to people when this is the kind of "cover-up" and deceit perpetrated against God's own beloved lineage?? Just WHO is on WHOSE SIDE?? Looks like a very dim light indeed, to me, from my vantage point!

I surely do suggest you eager learners stay tuned as this gets more and more interesting!! And, may the **FORCE BE WITH YOU!**

WATCH THE MARKETS

Remember the magic U.S. Market planned for 3500? Yesterday it closed over 3300. Just pay attention but **KNOW** it means nothing more than a "clue as to timing". The United States is totally **bankrupt**.

Japanese market closed **DOWN** over 300 points **in spite of required input of pension and retirement funds.**

SPACE SHUTTLE LAUNCH

A "so-called" SECRET shuttle mission launch today is set. As our Editor puts it: "They'll be ready for mischief by tomorrow!" Hatonn: "It won't have to wait until the launch OR tomorrow!"

EARTHQUAKES?

California is under intense media barrage of "NEW PREDICTIONS" for THE BIG ONE! Major attention to survival needs and expectation of momentary to five years—but with emphasis on NOW! It's all up to YOU, participants—I'm just scattering the news!

PARANOID "EDITOR"

Our Chief Editor tells me that he is feeling a bit paranoid! No, I think the word might be "wise" instead. You got an air-blast that shook everything in the area yesterday—that is NOT simple imagination. This one cracked foundations—in fact—worse than the expected level of shaking in your given immediate location from the "Big One". I don't have Dharma in isolation for nothing!! Think how you feel when you have to pay a debt of say, a couple of thousand dollars—well, the adversary is up against having to pay multiple TRILLIONS and you really wouldn't expect him to give up GOLD without a shudder would you?

HOT FLASH!—"QUARANTINE" PASSES BEING READIED

Word comes from a "Security Company" person in "high" position for the Agriculture Department in Alexandria, (VA) where housed in a warehouse are MILLIONS UPON MILLIONS UPON MILLIONS OF "PASSES"—NEWLY PRINTED AND BEING LAMINATED AS WE SPEAK: QUARANTINE PASSES!!! These passes will be required to get through "road-blocks", etc.

In Virginia, chelas, the Agriculture Department is linked directly with and to the Atomic Energy Department! So be it. **Have a nice day!**

AIDS!

Announced NOW is that there are

TWO AIDS vaccines now approved for research purposes and use with humans. Funny thing is that there were not any last week! However, remember I told you they would do exactly THIS and millions will line up to be injected—WITH MICROCHIPS AND MORE DEADLY "STUFF". KEEP UP YOUR INTAKE OF SUGGESTED ITEMS, PLEASE!

DEPOPULATION OF INDIA

This is now under way in massive measure—AIDS IS OUT OF CONTROL!!

TROOPS IN SOUTH AFRICA

U.S. TROOPS are now in South Africa in the multiple thousands—joined with ones already there. This has NOTHING to do with Somalia and starving children. There is a Trilateralist high-level (the highest) meeting in the wondrous "Las Vegas" of Africa—set for the 3rd (day after tomorrow). HOLD ONTO YOUR SEATS, FRIENDS, THE WINDS OF CHANGE ARE ABOUT TO BLOW YOU AWAY!

E.J., I am going to have difficulty in keeping Dharma in workable order. The intensity of bombardment has really picked up. I suggest getting out after writing. My

job is picking up considerably so know that things are in attention. Be gentle with one another for the blast always comes to the emotions in efforts to unbalance my scribe and speaker. I think we may even have a bit of fun here. Remember, this is but a "pac-man" game from our perspective and that is an interesting concept if you ponder it! I CHOOSE TO WIN!

Hatonn to wi-, er, stand by.

TROUBLE IN RIVER CITY! 76 TROMBONES WON'T HELP

CLOSURE: BUREAUCRATIC TRYANNY

AS OF TODAY CAROL'S ORGANIC CANNING BUSINESS IS EFFECTIVELY CLOSED. This is "September Morn" in Virginia of whom we just wrote shortly past. It seems none of the cans from this year's crops may be sold in stores—she was denied certification as the inspection was delayed until Nov. 11th and as they were unable to WITNESS CROPS GROWING, CERTIFICATION WAS DENIED BY:

Tom Scott: (703) 923-4725 [Head of Certification for the Virginia Association of Biological Farmers. Get on it,

readers!]

However, we have no intention of leaving God's child in the barren wasteland of bureaucratic destruction. E.J., we don't need to sell any canned goods—make arrangements for the entire crop as canned and get it shipped here post-haste for the storage or distribution or whatever is required.

A SHARING FRIEND A NEW DAY!

From Erlinda, N.J. from a beautiful card handpainted and lettered by M. Schroeder: 12/01/92. Thank you for your kind support and for sharing that we all might grow and learn.

This is the beginning of a new day. God has given me this day to use as I will. I can waste it or grow in its light and be a service to others. But what I do with this day is important because I have exchanged a day of my life for it. When tomorrow comes, today will be gone forever. I hope I will not regret the price I paid for it.

CONFIRMATIONS

As we have opportunity we will bring you that which flows back to us which gives confirmations for your consideration. I will always attempt to give credit to writers and ones who share unless to do so will bring jeopardy upon them or upon our mission. In this instance, the article we will offer is written by The "Dean" of "Privacy", Mr. Mark Nestmann. It comes from *World Market Perspective*, Vol. XXV, No. 10. I am sorry to note that we find no date.

I suggest very strongly that you obtain past JOURNALS, particularly SPIRAL TO ECONOMIC DISASTER (#4), PRIVACY IN A FISHBOWL (#10) and YOU CAN SLAY THE DRAGON (#16), because we have offered facts and possible ways to attend your privacy and assets as this transition takes place. [See also the article in each week's LIBERATOR on Nevada Corporations.] There are NO miracles or magic shrouds—but there

are valid and wondrous ways to attend your business if you take time to learn and DO IT RIGHT! We are not in the line of business to show you how to make millions off another or shade the laws in any way whatsoever. STAY WITHIN THE LAWS OF THE LAND AS WELL AS GOD'S AND YOU WILL BE FINE. REMEMBER THAT LAWS MADE BY MAN WITH GUN IN HAND ARE LEGAL—EVEN IF UNLAWFUL! If, however, you choose NOT to do your homework and utilize the information brought for your use, so be it—but, do it incorrectly and you will get into very, very hot water and costly hot water at that! Better check into your "intent" and reasons.

QUOTING:

FEDS DECLARE WAR ON CASH!

"WHENEVER ANY FORM OF GOVERNMENT BECOMES DESTRUCTIVE...IT IS THE RIGHT OF THE PEOPLE TO AL-

TER OR ABOLISH IT."

-- Declaration of Independence

Using the "war on drugs" as justification, the U.S. Government is tightening the screws on cash transactions. The author fears the next sure step is a "cashless society", where shopping—and surveillance—is easy.

Government bureaucrats don't like cash transactions. After all, cash is difficult, if not impossible, to trace. Cash makes it easier to do business "off the books" without paying taxes. In short, cash is a private way of doing business—and the United States Government doesn't like too much privacy.

To fight cash, the United States Government has adopted legislation to discourage its use. The Bank Secrecy Act, for example, requires banks and other financial institutions to report cash transactions over \$10,000 and any other "suspicious cash transactions". The act also considers money orders, cashier's checks, and traveler's checks as "cash".

Amendments to this act enlist or-

dinary businesses for the war on cash. The new cash reporting form for business, Form 8300, even requires merchants to report "suspicious transactions" by their customers. No one is exempt—not even your attorney! The money you pay your defense attorney can now serve as the "smoking gun" to convict you of a crime.

Section 1957 of the Money Laundering Control Act states that merchants who accept cash from customers they suspect of committing a crime may themselves be entering into criminal conspiracy. But if you refuse to do business with someone you suspect of a crime, you may be sued for discrimination!

Forfeiture laws adopted in the 1980s give the federal government the right to seize cash "tainted" by drugs. Yet analysis by the Drug Enforcement Administration's own labs shows 90 percent of cash is drug tainted. Does this make cash illegal? You be the judge!

NEW DIRT ON MONEY LAUNDERING

By definition, money laundering is any action you take to disguise cash tied to an illegal activity. Obviously, income tax evasion is an illegal activity. So if you earn cash that you fail to report on your tax return, you're not just a tax evader—you're a money launderer.

Money laundering now includes the deposit and/or use of cash on which taxes have not been paid, and violators are threatened with prosecution. And the maximum 20-year prison term and \$500,000 fine for money laundering is far harsher than the maximum penalties for tax evasion. Moreover, convictions are far easier to obtain, since "money laundering" and "drug crimes" are inexorably linked in the minds of juries.

By far the most insidious money laundering crime is "structuring", defined as any act taken in order to avoid filling out a currency transaction report (Form 4789 for banks, Form 8300 for other types of businesses). This might seem a fairly trivial offense, but fines run up to \$25,000 per violation, in addition to forfeiture of the funds involved.

This statute, for all practical purposes, makes any attempt to protect financial privacy from government financial inquisitors unlawful. And because the structuring law is worded vaguely, not even Internal Revenue Service agents are sure what it means.

It is clear from IRS regulations that a person depositing \$9,000 in cash into an account on two consecutive days is "structuring" his transactions. But twelve consecutive \$900 deposits may be considered structuring as well. The

regulations don't address this specific possibility, or any of an infinite number of other possibilities.

One of the first individuals prosecuted for structuring was Charles Scanio, an ordinary citizen who attempted to pay off a \$13,000 loan in cash without filing a currency transaction report. The government never claimed that Scanio had any criminal intent. Even so, he was convicted of the offense, and his money was **forfeited to the IRS**.

NEW CASH CRIMES

The latest salvos against cash come in the form of 13 proposed anti-money laundering bills introduced in the current Congress. The most comprehensive bill is HR-26, the Money Laundering Enforcement Amendments. If enacted, this bill will:

- * prohibit banks from informing customers of an investigation of their financial records by any government agency,
- * permit the government to seize bank accounts or cash whose origins or transaction records were suspicious, without a trial,

- * greatly expand the definition of "structuring" by making it illegal to arrange transactions to avoid IRS reporting requirements for money transferred outside the U.S. Currently, structuring is illegal only when it involves a U.S. financial institution,

- * require the Treasury Department to recall all \$50 and \$100 bills, and to study proposals for a dual currency—one to circulate inside the United States, another currency for use outside the country.

HR-950, the Money Laundering Control Act, duplicates many of the provisions of HR-26, but would also:

- * permit customs officials to conduct body searches, open mail, and inspect the private correspondence of anyone entering or leaving the United States—and to seize cash or monetary instruments it finds, all without a warrant,
- * require the Treasury to study proposals for a "more traceable" currency.

HR-3326, the Drug Supply Reduction Act, contains the most incredible provision of all. **It would permit the government to confiscate your car or boat if it contains any hidden compartments "not part of the normal vehicle configuration". Such compartments might conceivably be used to hide drugs or "illegal cash",** according to the bill's sponsors. (Have some tools you don't want to leave in the back of your pickup truck? Don't construct a "hidden compartment" to put them in—your truck might be seized!)

MAGNETIC MONEY

If the government can't end the use of cash overnight, the next-best solution from a bureaucratic perspective might be to require all citizens to use currency whose movements can be tracked.

The first example of a new, "more traceable" currency—the \$100 bill—was introduced in 1991. The new \$100 bills contain a microscopic line of print circling the portrait in the center of the bill and a tiny thread running vertically down the left side of the bill. The bills also contain magnetized ink. New \$20s and \$50s were introduced in early 1992.

The polyester thread running down the left side of the bill is interwoven with magnetic threads. Moreover, these threads are capable of being encoded with messages—a Social Security number, for instance. At least some U.S. banks are said to be already equipped **with machines capable of "reading" the messages.**

Now that the new money has been introduced, the next step might be for an outright recall of the "old money". In 1989, a suggestion for a currency recall came from former Treasury Secretary Donald Regan, who recommended that all \$50 and \$100 bills be recalled and replaced with a new currency. The changeover should occur in a ten-day period. Regan proposed, and the old money would no longer remain legal tender after that time. Furthermore, Regan recommended that anyone turning in more than \$1,000 in old bills be required to prove that all taxes on the cash had been paid, and that the cash had not been generated through illegal activity. Otherwise, the funds would be impounded by the IRS, and their former owner would face further investigation.

Shortly after the Regan proposal was made public Senator John Kerry (D-Mass) introduced an act that called for machine-readable bar codes on all U.S. currency, so that all \$20s, \$50s, and \$100s would be "more traceable". Kerry recommended that serial numbers on these bills be tracked by optical scanning devices such as those used in grocery store checkout counters. In this manner, perhaps in combination with a national ID card, the identity of the individual spending the currency could be ascertained.

Today, the tools are in place to put into effect Regan's and Kerry's suggestions. If a sudden currency recall were to take place, it would presumably be justified as part of the "war on drugs". And once the old money had been recalled, the Treasury could announce that money **laundering, for all intents and purposes,**

had been eliminated.

A LICENSE TO PRINT MONEY

But the recall could have a much more sinister purpose: the introduction of a two-tiered currency—a "domestic" currency to circulate in the United States, and an "international" currency to circulate abroad. The two-tiered system could also be justified as providing a permanent end to the money laundering problem. The real reason for the changeover, however, would have nothing to do with money laundering. The real reason would be to establish a two-tiered exchange rate for the dollar.

At first, the values of the domestic and international dollars would be equal. However, the use of a currency that could not leave the country except under restricted conditions would permit the Federal Reserve and the Treasury to inflate away the government's gargantuan debts and unfunded obligations, using the power of the printing press. This would rapidly depreciate the value of the domestic currency against the international currency.

A law on the books for nearly a decade makes this kind of debasement completely legal—and the U.S. dollar has already lost more than 90 percent of its value in relation to gold in the past 60 years. U.S. Public Law 96-221, the Depository Institutions Deregulation and Monetary Control Act of 1980 added "bills, notes, revenue bonds and warrants with a maturity date not exceeding six months...by a foreign government or agency thereof" to the list of items constituting "legal monetary reserve" for the U.S. money supply.

In other words, it is perfectly legal for the U.S. government to simply buy or borrow a few trillion dollars' worth of foreign bonds denominated in the Russian ruble, Brazilian cruzeiro, or any other Third World currency. It could then use these "assets" as a "legal monetary reserve" in order to print as much currency as is required to meet the obligations for the welfare state.

Moreover, the Fed could allow the international dollar to float in the international currency markets. U.S. Treasury securities issued for purchase by foreigners would be denominated in this new currency, perhaps even backed by gold. This would have the effect of greatly increasing foreign purchases of U.S. Treasury debt which have declined from net purchases of \$75 billion in 1988 to less than \$5 billion in 1991.

Treasury securities held by U.S. citizens would be denominated in the virtually worthless, non-gold-backed domestic currency. Only selected banks

would be authorized to exchange domestic dollars for international dollars, and the amount of currency that could be exchanged at one time could be made progressively smaller. The domestic dollar would become a "blocked" currency, no longer freely exchangeable in world markets.

Currency recall could touch your life directly, even if you don't think you have anything to hide. Millions of citizens have perfectly legitimate reasons to hold cash. For instance, many people who experienced the Great Depression firsthand recall that thousands of banks failed during those years. Anyone who lost money in a failed bank, or fears that the government could someday violate current deposit guarantees, might prefer to keep his or her money in cash.

If you think that there would be massive opposition to a new money conversion, opinion polls show otherwise. Market Facts, a market research company, revealed enormous public support for any currency exchange that was part of a fight against counterfeiting or drug trafficking. "Conservative" columnists such as William Safire have gone on record as favoring currency recall to fight money laundering. And when former Treasury Secretary Regan proposed his recall of all \$50 and \$100 bills, his suggestion met with virtually no criticism outside the alternative press.

THE ULTIMATE BUREAUCRATIC GOAL

One way for bureaucrats to do away with cash is to make possible substitutes very convenient. Today, credit cards and personal checks have eliminated most cash transactions. And tomorrow, electronic "debit cards" promise to eliminate the rest.

With a debit card, purchases are paid for with a card read by a merchant's computer terminal. Your bank account is debited automatically for the amount of purchase and the merchant's account is simultaneously credited the same amount (minus a service charge). The process is neat, simple, and all the paperwork is done automatically. A paper trail on every item you purchase is created. But if you are making a purchase or contribution that you wish to keep private, then you have a problem.

Debit cards are popular with merchants because they provide an instant, foolproof credit that is applied to their account. Credit card chargebacks and bounced checks are eliminated. Debit cards also permit a merchant to categorize his customers by what they purchase and how much they spend, allowing the merchant to direct his marketing

efforts appropriately.

Banks like debit cards because they can deduct a service charge for each transaction. Banks are already imposing service charges for use of automatic teller machines (ATMs), which are nothing more than debit card terminals.

Marketing firms like debit cards since the profile created from individual purchases will create a much more detailed picture of consumer spending patterns than is currently available. And government bureaucrats like debit cards because they eliminate cash and permit much more detailed financial surveillance.

Debit cards won't eliminate cash overnight. But their convenience will make them a hot product of the 1990s and beyond. A national debit card system is already in use in France. Canadian banks intend to launch a national debit card system as well. A recent agreement between a dozen of the largest regional ATM networks would set up a national debit card system that would allow consumers to instantly deduct purchases from their checking accounts anywhere they travel. In the near future, you will hear much more about debit cards.

STOP QUOTING

I don't have time at this moment to go further into how this "cashless" society would work, but it is simplicity itself and ALL accounting can be maintained ON ALL TRANSACTIONS AND THE PERSONS INVOLVED!

DAN "BLATHER" ON "MONEY"

Just last evening it is reported that Dan Rather did a long segment on "the millions of counterfeited currency by color copiers". The "Head" of currency printing also spoke and said, "Even though the world is used to seeing our green money, we are going to have to go to a different color money to offset the counterfeiting by color copiers." He also spoke of the implanted "strips" and the "numbers around the center picture". "We may have to use pink or blue money to offset this, in addition," he said.

Well, chelas, the "stuff" is all printed and waiting, along with billions of coupons and "passes" required by upcoming "quarantine" restrictions.

Let us close now, leaving you to think upon these things and then, please utilize the rest of this "God gifted day" to set your house in order.

Shenanigans And Questions

THE "REAL" TRAIL OF TEARS

Indeed, the Native Americans have endured long the heinous treachery of the invaders—BUT—they are no longer ALONE in the desperate journey into LIGHT! "Just" to remember a "thing" is not enough as you will see from the "Holocaust" invasion of your senses. The scenes are false and yet reenacted over and over again—each setting getting more and more absurd and outrageous—TO HOODWINK THE MASSES INTO BELIEVING AND SUPPORTING SOMETHING THAT NEVER HAPPENED **AS STATED IN THE ASSAULT AGAINST YOUR INTELLIGENCE!**

NOW—AIDS

You cry out in wise assessment—"How can they not at least isolate and quarantine until help can be gotten, for these infected people, TO STOP THE INSANE SPREAD?" and, "They require quarantine as in Scarlet Fever, Smallpox, Typhoid Fever, and on and on and on—now, today!"

Chelas—it is PART OF THE PLAN. They can now come forth with this "NEW VACCINE" and promise this and that—but what they will really do is integrate the disease among ALL sectors of the population and then, abruptly state: "We were WRONG—this is a transmitted disease and we will have to quarantine—in special facilities. We will do it only briefly for we now have a cure and a vaccine so it will hardly inconvenience you." Then, when the population is in confusion and into incarceration camps it will be too late for you to act in any manner whatsoever. CAN YOU NOT SEE—THIS HAS BECOME UNCHECKED AND ONLY ASSISTED IN SPREADING—THROUGH THE ENTIRE WORLD? WHY DO YOU THINK THERE IS AN IMMEDIATE THRUST TO PLACE, BY DEMAND, GAYS INTO THE MILITARY SERVICES? THIS ONE ACTION WILL BOTH DEMORALIZE AND INFECT THE ENTIRE MILITARY—THUS INSURING DEMISE OF SAME. FIRST HAD TO COME THE "MORALIZING" OF SUCH UNGODLY AND EVIL PORNOGRAPHIC ACTS TO MAKE IT ALL ACCEPTABLE AND, ACTUALLY, DEMANDED BY YOU—THE PEOPLE AND THEN YOU CAN SEE THE LOGICAL ADVANCEMENT OF THE PRACTICES—INTO MILITARY, GOVERNMENT, EDUCATION, SPORTS, ETC., THEREBY SUCKING THE MASSES

INTO HELPLESSNESS THROUGH INCIPIENT SEEPAGE OF THE POISON THROUGH THE "HOLE IN THE DYKE" (no pun intended—check your dictionary).

In the event of reverse discrimination, we turn all such information sent to this resource over to the Constitutional Law Center—who is, by the way, working diligently on a class action suit for military personnel who wish to resign from the military on the basis of false information and Gays representing a hazard to non-gay individuals because of the percentage of possible AIDS carriers.

The "AIDS and GAY LOBBY" worked diligently and got passed some new laws under the Americans With Disabilities Act and the Civil Rights Act of 1991. This all happened while you were sleeping and now IS LAW OF THE LAND! If it is to be "undone" YOU WILL HAVE TO DO IT—I CAN DO **NOTHING!**

WHO ARE TARGETS OF THE ELITE?

Simple to see: All who fit into the category of "Gay or Lesbian", the poor minorities who suck from welfare, the blacks who the Elite consider lesser and fringe elements who stand against the Establishment Elite One Worlders—WHO PLAN TO DEPOPULATE THE PLANET TO THEIR OWN STANDARDS! An interesting sideline is a FULL BLOWN PLAN TO WIPE OUT ALL REMAINING "ACTUAL" "JEWS" AND THUS THE IMPACT ON THE AREAS OF THEIR CONTROL—THE ENTERTAINMENT INDUSTRY—WITH AIDS, ETC.

I offer this note from a very insightful man: "President-elect Clinton wants to cut military spending. I wonder how he pretends to do this by lifting the ban on gays in the military. This would mean building new training facilities, barracks, and latrines. As an infantry medic in the Florida National Guard, I refuse to shower or even to sleep under the same roof with these people.

"If the ban is lifted, let there be equal rights for all. If a gay man could sleep and shower with a normal man, which is his sexual preference, **I demand that normal men could sleep and shower with normal women, who are our sexual preference.**"

Oh, you think that "Well, you just hear from those stupid Californians?" The above referenced subjects came from Florida in the former and Philadelphia (Pennsylvania for you the uneducated). I received a letter asking that we stop using mail from Canada ["North Dakota"] (from a person in West

Virginia) in the latter. So be it!

THE FOLLOWING IS
NOT
FROM ME!!

THE NEXT LETTER COMES FROM A FRIEND IN OREGON. YOU ONES LIKE TO FOLLOW MYRIADS OF PSYCHICS AND PROCLAIMED "INSIDERS", I SEEM TO PREPARE "JUST ANOTHER ONE OF THEM"—SO, MOSTLY YOU TAKE THE BEST TWO OUT OF FIVE, OR THREE OUT OF SEVEN AS IN THE WORLD SERIES AND/OR LUMP US ALL INTO THE SAME MOLD AND THEN MELT US AND LADLE US OUT AS IN A PUNCH-BOWL DRINK.

I AM NOT GOING TO STEP INTO THE TRAP OF COMMENTING ON ANY AND ALL PROCLAIMING THEMSELVES TO BE CHRIST, GOD AND/OR THE VOICE OF—TRUTH IN THE ENDING WILL SPEAK FOR SELF AND YOU MUST GAIN WISDOM TO DISCERN THE DIFFERENCES—BUT I PROMISE YOU—IF YOU DO NOT STUDY TRUTH, YOU WILL NEVER RECOGNIZE IT.

I present the following to you for it is quite interesting and many ones have sent me various forms of this person's outlay to be shared. I believe you that when you get to the portion regarding Satya Sai Baba (Not Babajee, yet) you may begin to smell the "fish". Baba does NOT claim to be that which the espousers of his "truth" project. He is a "teacher" having gained great control over the physical aspects of expression—YOU ARE THE ONE IN ERROR OF TAKING ALL AS ABSOLUTE!

QUOTING:

Nov. 14, Medford, Oregon (Thank you for sharing so generously with us.)

Can you please tell us whether we still should be preparing for the Photon Belt with 4 days of either complete darkness or blinding light, or can we put our special glasses aside? [H: NO! DO NOT "PUT THEM ASIDE"—SIMPLY KEEP THEM HANDY FOR IMMEDIATE USE "SHOULD" YOU NEED THEM—REMEMBER, A NUCLEAR BLAST AND CERTAINLY A BEAM BLAST OF ANY KIND WITHIN RANGE—CAN BLIND YOU IN A MATTER OF SECONDS! ONCE YOU ARE PREPARED, STAY PREPARED!] According to futurist/psychic David Pickney, Earth/Shan experienced same on July 25, 1992 and we are now out of it. True? [H: Did you have same on July 25th? Did you undergo four days of complete darkness or blinding light? Then how did you magically get through it? Keep your protection and your preparation gear at hand!]

What is your opinion of the validity of the predictions of internationally known

futurist/psychic/author/lecturer Gordon-Michael Scallion, who publishes the monthly *The Earth Changes Report* (RR 1 BOX 391, Westmoreland, NH 03467, 603:399-4916)?? [H: I don't think about him, chela. If he speaks truth—it is valid information. If not, it is not! There is nothing MORE to "think" about. Further, if YOU were studied in ALL the information we have presented unto you—you would not be asking! I have, on several occasions shared this person's information as you ones present it to me as you have just done with this. YOU have the guidelines for judging projections and taking appropriate actions as regards possibilities. If "IT" presents "magic" in any manner, beware! God is not "magical" nor "mystic" in presentation—He is open, all is physics in presentation and even if "mysterious" is NOT mystical!] A few of the coming earth changes he has predicted as trends or possibilities are as follows:

During '92-97 time period California will experience 3 super-mega quakes magnitudes 10-15, breaking California into islands, preceded by 3 quakes in L.A./Palm Springs area. First on 4/27/92, 2nd on 6/28/92, 3rd in range of 8-9 magnitude. [H: Did he give you a date "Prior to" or "After" the first two quakes—and when is the 8-9 magnitude due? I DO NOT GIVE DATES FOR MAN CAN MAKE EARTHQUAKES AND MAN CAN CHANGE THOSE DATES—BUT IF "SOME ARE PREDICTED AS TO TIME AND DATE"—WHY NOT ALL? No, I am NOT saying this is invalid information—I do suggest you understand WHAT YOU ARE SAYING!] Major earthquake from Eureka (N. CA) to Bakersfield to Baja, CA (entire coastal area) breaking off into ocean (eventually 150 islands) anytime between now & 5/9/93. This is first cycle.

Second cycle—Within 18 months with magnitude 13-13.3 from Newport, OR to NW & S. to Tucson/Phoenix, AZ (to be new West Coast major port). California migration East predicted of 2-3 million people to survival camps established by U.S. Govt. in Eastern CA near NV/AZ borders. By '95 CA to have more islands and migrations moving to NV, NM, AZ, CO and other areas 500 miles East of Pacific Ocean.

Third cycle—After about one year on W. Coast occurs major quake 12-14 mag. for Newport, Portland, Vancouver, Seattle to Salt Lake City to NE-NEB., which will be new NW Coast. S. to Kansas, to Phoenix, AZ will be new final West Coast line by end of '97 or end of Tribulation.

'93-'95—Weather much more severe; repeat of "Dust Bowl" of Depression, only 3 seasons (spring & summer become one). After geocentric pole shift between '98-2001, the earth has a completely new weather system. Ice covers much of the

land mass in the Pacific area, & most of U.S. becomes temperate with mean temp. of 75 degrees.

As result of geophysical changes the U.S. govt. will collapse. In '95-'96 U.S. will become 13 colonies with monthly meetings, working towards establishing communities & types of bargaining. Special meetings to be held in sacred sites such as: Mt. Shasta (island), Sedona, AZ; Green Mountains of VA; and Serpent Mound, Ohio.

Says a new reborn earth in year 2002 with the world becoming a lunar society guided by intuitive, nurturing, feminine side of each and a common spiritual belief in the planet termed "The Oneness" in a belief in the interconnectedness of all life—one God—with each being an equal part of the Oneness. This is only a very small part of his prophecies pertaining only to the West Coast of the U.S. Between '93-'97 the New Madrid will split the entire Miss. Basin & Great Lakes area creating a break between 150 miles in Gulf to 50 miles in Gr. Lakes & splitting the U.S. into 2 separate continents. Eventually to be connected by a large bridge.

According to his "Future Map of the U.S.—'98-2001", there will be no CA, very small portion of OR (NE); 3/4 WA left; no Victoria, B.C.; no NV, UT, only small SE portion AZ; 1/2 CO w/Denver as W. Coast port; most of Wyo left; only SE ID; no lower CA. Similar events to occur in smaller areas along entire East Coast. Mr. Scallion states MU will rise out of Pacific Ocean and Atlantis rise out of Atlantic Ocean.

The entire earth will have massive changes from earthquakes, volcanoes, winds of over 100 mph, etc., during this period, which he calls "The Great Tribulation".

There will be 5 areas in the U.S. to establish children's relocation centers (CO, MA, ID, FL & AZ). 75% of those who survive changes by turn of century will be under age 15. These children are the parents of the next root/blue race. [H: Blue?? race. How can THIS be UNLESS you are invaded or taken over and integrated within a race of already "Blue" people??]

Mr. Scallion recommends geodesic dome and octagon style structures for earthquakes & strong winds using natural, non-toxic materials. Also, predicting a year of darkness where the visible light is reduced by over 50%.

Mr. Scallion states that the Avatar is now on the planet whose name is Sai Baba and his Ashram is in India. That he already is known by millions. [H: Without hesitation: GOD IS NOT IN CARNATE FORM ON YOUR PLANET—IF SAI BABA IS A PHYSICAL HUMAN, HE IS NOT GOD—HE IS ONLY A REPRESENTATIVE OF, OR A PROJECTION IN FORM. WHICH IS HE?? THIS IS THE WAY GOD ALLOWS YOU TO

RECOGNIZE HIS PRESENCE, FURTHERMORE—HE WILL COME TO ALL AND NOT JUST TO INDIA! THE WORD SHALL FIRST BE BROUGHT IN ORDER TO PREPARE THE WAY FOR THE COMING OF THE DEITY IN POINT AND NOT THE REVERSE!]

He states that following the Tribulation in '97 & later, when the seeds of the Millennium of Peace are planted, the Millennium of Peace will last 1,800 years to the 39th century when the force of Humankind swings to its opposite polarity and a new Root Race is born with turning of the poles at that time.

He states prophecies are possibilities only, that consciousness can alter an event, modify changes in an area, or help people for what is to come. They are not absolutes and in the end Mother Earth & our own collective consciousness will have the final say.

"Tribulation" is the period of choosing or judgment of each soul. Each has an opportunity to choose what we desire whether "giving" or "taking". After '97 it will be too late to make any changes. [H: Oops! Limiting GOD??] '91-'93 will be time of multiple conflicts. Mid-East Palestine issue is settled prior to '93 & it will be peaceful; otherwise between '95-'97 global war will arise. These will be years of "Great Awakening". We should focus on helping our fellowman and give thanks daily to Earth. We must be at peace at this time with God.

These are only a very small portion of Mr. Scallion's prophecies. Are any of them valid? It is so confusing to us Earth humans being constantly bombarded with so much conflicting information.

Some of us would like to visit family & friends during the upcoming holidays. What, if any, areas might be safe to travel, such as in Pacific NW area, avoiding CA? [H: Come, come, chelas—know ye yet not that I shall not tell you as much? If you believe this man—WHY ASK MY INPUT? IF NOT, THEN YE HAVE YOUR ANSWER!]

Thank you Hatonn, Sananda, other Hosts, and your earthly crew for keeping us enlightened in these trying times.

Salu,

D.M.

P.S.: Mr. Scallion has an 87% correct prophecy record for the past 10 years. [H: So, which 13% has been wrong??] The very definition of a valid prophet (according to your own definition) is ONE WHO IS RIGHT 100% OF THE TIME—NOT JUST 87%. My advice, if asked, is to prepare for probable changes both in earth structure and political maneuvering to best protect viable life-form. Man on Earth Shan is a "free-will" species and as long as there is POSSIBILITY of impact or change through his

actions—there is no way to predict accurately any of these man-caused circumstances! In general, there will be great and massive change—but if you prepare, become knowledgeable and recognize possibilities and act accordingly—you are as good or better a “prophet” than any I have witnessed giving their great opinions unto you who are obviously assumed to be lesser! I never assume to have ANY—LESSER!]

END OF QUOTING.

Please, readers, I am not being sarcastic or “smart” in reply. I must write for 6 billion-plus individuals. My location is predominantly in the areas of my people who must function earthbound. That means nothing in the overall for the planet for much takes place EVERYWHERE—as factual—ALL takes place EVERYWHERE! I would never presume to tell anyone whether or not to make journey or stay put—or do anything. I can only offer that which IS! My people get their guidance and information the same way YOU get yours—by going within and listening carefully to the guidance at any given moment of experience. Most certainly would I not give open publicity unto ONE who desires to travel in the NW U.S., versus unto the smallest child in Somalia. If THIS OTHER teacher/guide/prophet is in truth—he, too, would tell you as much and you would have “heard” his message. Ponder upon these things, beloved children.

We have gone over this almost identical scenario with other beloved friends. I will not allow you to rest your responsibility of action, travel or any action upon other than SELF!

Blessed are you who share the “possibilities” and projections for, in all things—there is truth and the false will wear its own clue. USE THAT WHICH IS THE TRUTH AS CAN BE CAREFULLY DISCERNED—AND PUT ASIDE THE OTHER; GOD ALLOWS YOU “BOTH”.

Above all, do not be embarrassed to have shared and given unto a brother this information for through these things come the ONLY valid lessons there ARE!

It matters not, really, if Hatonn be real or false for the information I bring can be balanced against the LAWS OF GOD AND CREATION—and in that balance can be taken discernment of me and judgment of actions. I am not here to directly unseat even mine enemy—mine enemy will unseat self! There is not even ONE thing that MUST happen according to prophecy! If you study and understand God (try the PLEIADES CONNECTION series ON GOD) you will easily see that YOU have every capability (if you claim it) to CHANGE IT ALL! The FIRST to give consideration is

whether or not GOD IS LIMITED IN PROJECTION—GOD IS UNLIMITED SO ALL THINGS ARE POSSIBLE!!

To ones who retort that “I can’t afford all those books”—I respond: “HOW CAN YOU AFFORD NOT TO HAVE THEM AND MORE—OVER STUDY THEM UNTIL YOU CAN RECITE THEM WITHOUT PRINT AND UNDERSTAND THE WORKING PHYSICAL PRINCIPLES OF SAME?” IF YOU CAN AFFORD THE CONTEMPLATION OF A TRIP OF ANY SORT—AND YET DO NOT CONSIDER THE INFORMATION WORTHY OF INVESTMENT—THEN I MUST ASSUME YOU HAVE MADE YOUR CHOICE!

Will I protect you in your deliberate journeys into the unknown in defiance of God’s offerings? NO! This indicates that you only want protection for physical self for physically selfish reasons and that is against the principle of GOD! That does NOT mean you will not be protected—it means that you have removed your contract with ME, NOT NECESSARILY GOD! Many, many things come into play herein—all of which exclude me—these things are only between you and God! Even if others are included in your actions—the intent of action is only between YOU and GOD! How can I know “difference”? When I am addressed as “Hatonn” I respond as that Commander in charge of a mission—not your personal guide as such—OR GOD ATON!

In great love and appreciation for sharing these opportunities for clarification I thank you ones for your time and efforts toward wider understanding. YOU are growing or you would not even think to question nor ask further guidance. You are also obviously in questioning of the

totality of integrity of the “one” by questioning “another”. This is wise—not insulting. I will have served my purpose if I can only cause you to think and question WITHIN WISDOM AND GOD-GRANTED GRACE AND REASON. When you come to understand God and this expression of experience—you will then also KNOW that you shall be where you need to be and when you are to be there—AT ANY GIVEN MOMENT WITHIN THE EXPRESSION! WHEN YOU HAVE PREPARED FOR THE SPIRITUAL EXPRESSION THEN THERE SHALL BE NO FEAR OR CONCERN OF “WITHOUT” IN THE PHYSICAL. REMAIN BOUND BY THE PERCEIVED “PHYSICAL” AND YOU CANNOT KNOW THE SPIRITUAL FREEDOM.

What are you doing with THIS DAY for which you have exchanged a day in your life? Will your way be remembered as one which helped a brother? The above sharing is great in the gift of sharing—can you see? The soul can only soar on the wings of Truth within the unlimited freedom of KNOWING! I am most honored to serve as the wind beneath your wondrous wings as you learn to fly! “Ascending” is NOTHING—it is in the flying that you are sustained! Remember, it is only when the greatest Eagle falls to the Earth to find his prey to sustain his physical being—that he is trapped. If he remains beyond the physical and within the realms of the feast of GOD, he is forever free—unbounded by the entrapments of a physical world of shackles. Then and only then can he assume the glory and wonder of the “Phoenix”. May your heart give you understanding. Salu.

Truth Out Of The Lies

12/3/92 #1 HATONN

Dearly beloved, we are gathered here today, not to honor Caesar but to bury him—or something “like” that?? NO! We are NOT! We are here to bring forth “Truth” out of the lies which affect the most of you—as “individual” detailed problems must be taken up with GOD personally.

Some like the LIBERATOR and JOURNALS and some despise them—always the correspondence reflects WHICH. In addition, it is assumed that we simply “slap” a mish-mash of “stuff” into that paper and dump it on you unsuspecting, incapable readers. Since we have never had more than 1,500 valid subscribers and yet thousands upon thousands of readers—we are reaching quite a few dabblers at truth—but very few relative to the massive population of your planet.

Note that in the ending my full thrust is to bring you into KNOWING what will get you passage into God’s security—BUT, you can’t even look at those regulations until you understand that which has-been dumped on you in the name of religion, politics, military (same), etc. You have been trained into blindness.

I have a suggestion from a very “regular” reader—in fact, contributor, who has thought about this information and bluntly states how “she” feels. This is fine as far as it goes—but it is likewise obvious that she has one perception of our information necessities and another as to what “she” wants. We tried the question & answer segments in the paper and we ended up with no space nor “scribe time” to attend the myriads of inquiries. We tried to give whole meeting sessions to questions and answers in order to save time—but the

people want meetings and not "Aunt Mary's" questions—and the big demand is to be brief, "answer only what I want to hear" because I can't afford all those tapes and I don't like listening through the whole thing just to get "my" answer! At this moment (from less than a week of gatherings)—we have over three "feet" of correspondence inquiries!!!—**HOW FAR DO YOU THINK A PAGE OF THE LIBERATOR WOULD GO, D.J.?** I do think it worthy of presenting your letter and let's get feedback. I certainly realize that you would expect me to "edit" only the important data—but guess WHO has to read it and decipher it all before she can respond to my needs?? When do you ones think Dharma might get rest or renewal? She, too, has 9 children, 9-1/2 grandchildren, holidays coming, eviction notice and **FEDERAL SWAT TEAMS** such as mentioned in your letter (to follow) running around the property, faces a judicial system already ordered to deny every action presented to them.

Blessed are you who patiently wait upon the Lord to do His wonders! Neither will I succumb to giving one information receiver greater input than another—because this is the only way in which the final "truth" can be gleaned if translations and perceptions are brought into the equation. Man must have that which can be grasped in simple language, without written sarcasm (which is taken literally by almost all "readers").

Let us take the projections of one, Nostradamus, as a good example. The facts ARE that prophecies are interesting and deciphering is necessary if ones are to grasp the factual outlay of centuries past—this includes the *Bible*, etc.

However, it is all totally worthless if the soul dooms itself to darkness—or rather, the consciousness of the experiencing entity dooms the soul to darkness. If "each" takes into consideration "only" his own gift and talent, then the masses cannot relate any more to projections of one over the other—or preferably in a state of morbidity—either.

You will blast the "homosexual" discussions as being tedious and ongoing. Indeed, I weary of it also as it seems most obvious to me that the relationships cannot be "normal" as in the sense of "average". However, beyond that comes the lethal blow to that which is God's intent of use of such reproductive activities and its total abuse and despicable thrust upon mankind. However, number two, your President-elect intends to open the full military machine to the allowance of **PRACTICING** homosexuals into the organism. It would seem to gain even more importance as a subject—for it is part and parcel of the plan to gain World Dominion OVER you-

the-people, further disease and mental instability, ultimately resulting in total chaos and downfall.

Just when you begin to think that "I am the teacher here and I know (am given) all the answers to the puzzles and riddles," you will find that human EGO has seeped in with tentacles which strangle the truthbringer—**BE MOST CAUTIOUS!** How can you, for instance, expect ones to believe your espousments above that of another without giving solid "reasons" for that decision?? I will continue to give confirmation upon confirmation as we find it valid and acceptable—I write for over 6 BILLION people—almost all of which have totally no interest in either the *Bible of King James* (which is a bilious bunch of mistranslations at best) and/or Edgar Cayce or Nostradamus. Ask any school child and they will never have heard of any of the three. Ask any person at random and even if they have "*Bibles*" about their house, they will have no idea what "version". That word alone tells it ALL—"version". If there be more than ONE version—then that indicates error in all others. 100% accuracy is the only "acceptable" percentage—for it is upon the "incorrect" that man shall lose his soul to longer pain and agony of experience.

I am in great appreciation for this letter and the writer is a close, close friend of mine and can understand without blows to ego the joy of having such example to share for it is only from those of you who dare to share and express that ALL can learn for some will not speak up. It is not, however, for YOU to demand and speak up in "assumed" behalf of another—for YOU have no right to speak out for another. YOU have no right to do anything FOR another for God will have given most totally equal capability of expression in one way or another—to speak FOR another assumes that YOU ALWAYS KNOW BEST AND THAT IS RARELY ACCURATE IN PRESUMPTION.

QUOTING:

November 27, 1992

It's Yours Truly, Gang,

I just wanted to mention a very disturbing show that I watched late last night on the Discovery Channel. It was about the U.S. Army's "Rangers", whom I've only heard the very vaguest about. They were training these troops for use in "Urban Combat". The more I watched, the more uneasy I became. How easy it is for anyone to be labelled as a "terrorist" or "a threat to national" security or welfare; and there you have it. From 60mm (?) weapons, to rockets and mortars, these "elite soldiers" actually train with live ammunition. These men were so efficient in what they were doing, how they did it and why, that they

worked literally like one mind.

Urban Combat, Commander?
THEY KNOW TOO!

And they are expecting the worst. What shall I do, Commander? Stick a Mini-14 in my seven-year-old's hands and then what? Shall I throw sticks'n'stones at them? How about make enough waves to draw attention to myself? What exactly are **you all EXPECTING FROM US?** I cannot do the above, and yes, I can use that weapon. [H: If YOU are literally suggesting that I would advocate Mini-14s then **YOU DO NOT READ MY WRITINGS! WHAT DO WE "EXPECT FROM" YOU?** Unfortunately, I expect many of you to march forth and try to blast your way to death. What I want from you is that you heed God's recommendations which certainly does not advocate children with any kind of weapons of violence.] I do not profess to understand, Commander Hatonn, not at all. I know of those who sent Gritz money and they could not afford to do it, but they did. God's Chosen is a Thief? Perhaps a liar and counter-terrorist trained megalomaniac with the idea that he is King David reborn? Well, I never liked David too much anyhow. [H: You will note a magnificent lack of Gritz winning anything, I believe—except a black-eye for his nasty "serpent" letter to me and an exorcism from the LDS (Latter Day Saints) church which can only be best for him. What else did YOU have to offer?? YOU are also God's chosen—do YOU always respond and act in perfection of the KNOWN laws of GOD? WHO BE YE TO JUDGE ANOTHER'S PRESENCE WITH GOD FOR GOD JUDGES NOT WHAT IS AND NOT WHAT WAS NOR EVEN WHAT WILL BE—ONLY INTENT OF THAT WHICH WOULD "BE". PONDER IT CAREFULLY—FOR I WOULD NEVER DEEM MYSELF ELIGIBLE TO RESPOND TO YOUR ASSUMPTIONS ABOVE REGARDING "GOD'S CHOSEN" ANYTHING!]

It is just a suggestion, Commander, but if you took one page of the *LIBERATOR* and answered some of your reader's questions, limiting them to two or three, because of space, that would indeed be fascinating to read. Not that most of it isn't, but, bluntly, I'm really fed up with all this continued crap about homosexuality, sodomy, blah, blah, blah, blah. Frankly, it's been run into the ground and I, seeking spiritual guidance, get irked to panic levels when it's there over and over and over again! Hey! If they want to whack their willies on Wednesdays with whomever—so WHAT!? You can always run what a synergistic effect it is to nearly strangulate; they'll try it and that WILL BE THAT! For a few years now, many are found (go read the death stats), buck naked and swinging by a rope. So, I do disagree with whomever

erroneously spread that rumor about death being so dignified! It ain't. "Dignified" is if your sphincters do not let go!

I don't know! MAYBE THE READERS GET A THRILL OUT OF JUST THE THOUGHT! (I'm beginning to wonder.) After working where I did for so long, we removed many objects that no one was born with, had within. (Yeah, I did once crack up, I was laughing so hard I had to leave the room. WELL! It was funny.) I don't know about the rest of the readership, Hoss, but...well, I got the message the first time around. They aren't the only ones! No messin' around! Zippo. Nilch. Zilch. Homosexual, bisexual, heterosexual, polysexual, monosexual, IT AIN'T NEGOTIABLE. GOT IT!! CAN WE GET ON WITH IT? Like, who was the only female angel in the bible? [H: **What makes you think angels are male OR female?**] And why did Emmanuel say, "...they are as the angels?" Nice thought, but...well, sadly, Boss, angels don't sound so real nice, not if you read the Bible again. Sacrifice Isaac? HOW COULD A FATHER DO SUCH A TERRIBLE THING? [H: **He didn't! NOR was the incident ever even nearly an occurrence—these are the more obvious devious ways to entrap an unwary reader. BESIDES—what does what a man does have to do with what an Angel does—or did, perhaps, man ALSO "WRITE" THE STORY??**] I couldn't do it, Hoss. First time I was "told" to sacrifice my son, it would be adios, muchacho. Ain't no way, no how. I cannot even comprehend how Gabriel could have stood by. [H: **What makes you "think" he did? Somebody write that? Who could have written such a thing do you suppose?**]

Tough. Real tough, Commander. (I'm serious.) Baffles me—a lot! It's probably a good thing too, I'd have levelled the entire continent. And what was Mary's name, Miryam? Josef was Yosef? Why didn't God just slap Saul upside the head? Better yet, why didn't Emmanuel tell him to get a life? Tricks? Why? Mean tricks, cruel. Come on! I am pulled and torn, wondering why a Father, knowing we are heading for a terrible destruction and pain, for all of us, does not just laser the Laws into the earth somewhere? [H: **We HAVE!!**] The smoking gun so to speak?

Or...well, say, "This is the landlord speaking; you are all in violation of my building code and have six months to get it together or eviction proceedings will commence?" I KNOW ABOUT THE ENERGY "PATTERN"! I could paint it, even, I just cannot remember all it means, Commander. What a very novel way to imprison someone, within a biological battery. And WHY can't you just up and say, "Well, look, J.C. and Company are manifesting in 2011, L.A.X., have your passports ready and no shoving!" Why don't angels "appear" to

anyone? Yeah, yeah, I know it stinks down here, but what did you expect? Lord's Incense and Anointing Oil? And is it true that Lucifer can take on the form of ANY angel? [H: **What say?? Well, what did he look like while you were writing this letter for him??**] Saying he's Gabe, or Mike, AZ (risky I'm told) and then he can fool any of us yahoos down here? [H: **Indeed—and DOES all the time when you least expect it!**] Were Adam and Eve indeed essence and then their "punishment" was to "...wear the body of the beasts for 'five and one half days.'"? Theoretically speaking, you being energy, could you too not be "trapped" by such? And if you manifest and someone bumps you off, do you die? Or just get really pissed off? [H: **I just "get really pissed off"!**]

And why does the washing machine eat one sock? Or lids fall face down? Like buttered toast.

And just where is Jimmy Hoffa buried? [H: **HE WASN'T!**]

Why can't you just look at tomorrow's lotto numbers and give them to Doris? [H: **She doesn't ask for them!**] Is God a tightwad or what?! Hell, I do not care, Commander, and don't deal me all that testing stuff! Doris has graduated Summa Cum Laude! and don't tell me any different! So....? Get on with it! So what if no one else likes it, Hoss! Just who is in charge here? Them or you? (Hah! Could have fooled me!) Couldn't we take a vote or something? Get Doris a raise? [H: **Are YOU going to give her the rewards of the raise—or am "I" somehow expected to do so?**] Just a roof would be nice I'm sure. All else fails, she and E.J. are welcome here, even the birds, but I don't know much about birds. I only feed the wild ones. [H: **No sweat—all were once "wild" until man came along and unbalanced the lot.**] Last year the goats' next door cars froze. Come on, Hoss! Fifteen grand to Gritz! (Hit him with your keyboard, Doris. No, harder.) I WAS impressed with that FAX though! Shocking, ya know? [H: **Well, let's look at it this way—\$15,000 for that one letter may well have been "cheap" for the lesson in discernment and even in "allowing" because hindsight is always so much more defined.**]

This?

It-is-mellow!

I always end up shredding four letters to you before I get all settled down, Commander. (I lie not.) REALLY. I have a sheaf shoved away. Doris, I had the most beautiful thing a few weeks ago. A peacock gone feral! Gorgeous, but his tail feathers were gone, he sat for four or five hours in one of my trees.

I didn't know they could fly. (Not well. He flew like the Valdez sailed—rough.) [H: **Bet you didn't know that you can fly too??!! And, if your tail feathers**

were missing—would not your capability be somewhat limited? On the other hand, might that very "physical adornment" for the catching of a bit of "sex" activity—be the very "cause" of poor "flying" capability? Furthermore, the "Valdez" sailed quite smoothly—it was the "director" that had the rough go of it. The rocks were quite unimpressed with either, or their problems.] Hate their calls, though. Real hard on the tympanic membranes. Now, I'll get onto something really important, gang.

Commander, this is very troubling, but I am tentatively pretty certain of it. And since you're the only one, or Dr. Young, going to understand this microbiology, here goes. I have had really bad gut "feelings" about that plague case in Arizona. Why? Well, the Azo Strain, that Nostradamus spoke of, is a test for gram negative bacterium. Yersinia pestis, as you are aware, is the causative agent of plagues. Somehow, my mother sent away to Fighting Chance and within was a very tragic letter by Dr. Some-body, whose wife had mysteriously died of pancreatic hemorrhage. Extremely rare.

EXCEPT....

With Septic Plague. Like Cholera, it does not always affect ALL exposed. The bacteria directly enters the bloodstream, multiply swiftly and the cause of death is internal hemorrhaging, with edema to the liver and spleen. Since this kills in approximately 12-46 hours, this too matches with what was said. For Michel spoke of plague and also of AIDS. What better and swifter disease? I KNOW this is what they're playing with. Septic Plague.

I'm enclosing the Plague Pamphlet from the Rangers' Station nearby, for your readers. I want them to also know that Larkspur, yes, the flower, kills fleas and lice, they hate it. [H: **Be cautious—Larkspur also kills cattle, horses, people, etc.**] And lavender is also an old remedy for keeping the pests at bay. Fleas are the primary carriers of plague, but lice as well carry diseases lethal to humans. (Yeah, Yeah, I'll write about all that, in depth, I just want them to be aware. Most have no idea of the strange diseases that are now loose in the United States.) You, see, I'm sure, Commander, that before any are even aware of what they have, they'll be dead. It would not take much to modify it to even more lethal levels, sir, as you are aware. With optimum growth at 28 degrees Celsius, what better host than warm human blood?

If I scared anyone...?

Well, that's just too damn bad, better to be scared and alive, isn't it?

Since other Yersinia cause abdominal infections, if they modified it with Shigella? Or even perhaps heightened its virulence? How many even know about the

plague epidemic that ran for a century?
Ending in 1950?

I thought not.

I am also including Nostradamus' potion for plague, just for amusement, of course.

Salu, (Initials)

END OF QUOTING

MORE QUOTING:

NOSTRADAMUS' RECIPE FOR PLAGUE LOZENGES:

1 oz. Sawdust from the greenest
Cyprus available
6 oz. Iris of Florence
3 oz. Cloves
3 **drams** odorated calamus
6 **drams** lign-alocs

This was first made into a powder, then three to four hundred red roses, plucked before dawn, were used to make the lozenges. Not modern roses, but old fashioned ones, those that rosehips are from. It is now a scientific fact that several of the items have known antibiotic properties. That Michel Nostradamus stayed with hundreds of plague victims is indicative that all ingredients should be investigated. There was and is a reason for the herbs on earth, but we have forgotten that in our quest for synthetics. There are many herbs, of which heroin, from which morphine is derived, that cannot be duplicated in their abilities to both heal and soothe. Witness the use of heroin in terminally ill cancer patients, their pain relief is much greater with such than synthetics such as Demerol or similar drugs created within the laboratory. These lozenges were kept in the mouth at all times. As I wrote once before, the reason his beloved first wife, son and daughter died was because Michel was not there to treat them. Not that he could not have saved them, but after a certain amount of time, nothing will help with plague and you die. This very aromatic preparation would also inhibit fleas from taking a tasty bite, regurgitating the *Yersinia pestis* microbe into the patient and thus the cycle is begun.

A flea "bite", with plague, is frequently urticariac in nature, which means larger than normal. Much larger, almost hive-like, approximately the size of a fifty-cent piece in size. Moist warm to muggy climes are the best for the propagation of fleas, such were the conditions when the plague struck in both the late thirteenth century and all other times. Just for pets' comfort, those of you with a flea problem, Larkspur will kill them. A bed for a pet is easy to make and the flowers are lovely.

Even around barns and pet areas, such use will make pets feel better and owners feel safer. You must remember, too, that at that time in history, the only ones who bathed frequently were the Russians, in bathhouses. The rest of Europe did not bathe and said bathing more than once a month or less was very detrimental to their well-being.

Lord! What a stench it must have been. Clothes were washed about once a month as well. (In desperation, some up and washed themselves.) The irony does not escape one that 437 years have passed and science is just beginning to recognize some of the properties of herbs set here by God so very long ago. Doesn't anyone ever wonder why Upper Management saw fit to do such a thing? As with the discovery that butter is not the evil culprit once said, or that (gasp, choke, horror of horrors) olive oil is better to cook with. Hmmm. Seems some of the truly natural and biblical ways were the wisest after all....

END OF QUOTING

Thank you for sharing the above information—ALL of it. It is a great burden to be among the ones awakening and feeling the heavy burden of responsibility that weighs like lead on the backs of ones serving. What seems so "obvious" to one, however, has no interest or sense to another. How many of the kids who romp around a campground and feed the little chipmunks ever "think" about a flea? Is there no place where man has not set his time bombs? NO—NONE!

When you ones stop trying to equate intelligence or positive behavior as logical to the adversary—then we can begin to move along properly. THE ADVERSARY is out to kill you, maim you and enslave YOU!

To continue in the "I can't understand" and "I can't believe that—" and "Why would God let....", etc., is a total waste of valuable insight time and production of positive change—IT IS!! IT SIMPLY IS! Moreover, you will travel this road of experience until you gain the KNOWING and accept and TAKE the power as offered by GOD for your use. The adversary has certainly used his own by tampering with "yours" for long—eons and eons ad infinitum. When will you share yours so that all can move in unity into thought coalition and change this bastard experience? You have become whores unto the beast and you don't want to **hear about it any more!** THAT, too, is part of the plan to "getcha"! Just make you so sick and tired about hearing about it—vote it in or out—and forget God, Truth and POWER THROUGH THAT GOD SOURCE. YOU WILL ONLY CHANGE ALL THIS PUZZLEMENT WHEN YOU DECIDE YOU WANT TO DO SO. NOT BEFORE, AND IF YOU PLAY OUT THE GAMES AS LAID FORTH BY THOSE WHO CAME BEFORE AND SET THEM THERE FOR THEIR OWN PURPOSES—YOU SHALL CONTINUE AND CONTINUE IN THE SAME FOG OF DECEIT.

AN AFTERTHOUGHT ON "THIS DAY"

*As I read this printing, this day will be at some stage of "finished". As it draws to a close and I look back, what see I? Did I waste it or grow in its light and be a service to others? What I did with this day is **important BECAUSE I EXCHANGED A DAY OF MY LIFE FOR IT.** When tomorrow comes—today will be gone forever. WILL I REGRET THE PRICE I PAID FOR IT?*

I wonder - - - -

The Divine Plan, Part VI: The Tidewaters Rush In

11/13-15/92 SANANDA & MOSES

THE WAY IT IS

Beloved Child, it is I, as you know Me, Master Jesus. Little Ones, open up unto the reality of your world, for there are WARS and RUMORS of WARS. There are EARTHQUAKES in diverse places. The skies yield unto you CALAMITIES not of Creator, but those which are CREATED OF MAN. Your crops fail for droughts and heavy rains sent upon you NOT by CREATOR but by the ACTS OF MAN. Little Ones, your military is BROKEN and STRIPPED that you might be INVADDED and DESTROYED by the barbaric leaders of the countries of the Mid-East. Your military secrets and weaponry have been given to these that they might make war against all of you.

You have DENIED yourselves the TRUTHS, as you wish to believe the LIE.....that you are THE GREATEST COUNTRY on the earth. PRECIOUS CHILDREN OF THE LIE, YOU ARE A BROKEN GROUP, who once knew POWER. It is the goal of the TRAITORS, who run your government, that you be buried into the dust. It is the goal of these, who curse Creator, that you perish, broken as rubble. It is the goal of these, who love Satan and his works, that all of you be totally removed from the Earth.

You, Little Ones, stand not a chance of surviving against the BIG GUNS aimed at you. These ZIONIST ELITE, who run your country, plan to have the barbaric leaders of the Mid-East countries destroy and seize you, that their goal of ONE WORLD GOVERNMENT may be made easier. AFTER YOU ARE BROUGHT TO YOUR KNEES, they plan to seize those countries of the Mid-East, and to burn the same into the ground. They plan to carry out MASS EXTINCTIONS around the world, such that the KHAZARIAN/ZIONIST ELITE will be the unquestionable RULERS OF THE WORLD.

These have no intention of making their TRUE goals known, for it is not yet time. THIS INFORMATION IS GIVEN UNTO YOU, WHO WILL LISTEN, THAT YOUR MILITARY IS SOLIDLY TIED UP AND AN ATOMIC INVASION BY THE MID-EAST COUNTRIES

IS BEING PLANNED AGAINST YOU AT THIS VERY MOMENT.

IT IS NOT OURS TO TELL YOU WHAT YOU NEED TO DO, FOR YOU HAVE BEEN GIVEN BRAINS THAT YOU MIGHT USE THEM. IT IS HOPED, PRECIOUS CHILDREN, THAT YOU WILL DO SOMETHING. FOR THIS IS THE TRUTH AND THE TRUTH STANDS ALONE. YOU WILL DO AS YOU WILL. WOULD THAT HUNDREDS OF THOUSANDS OF YOU PAY CONSTANT VISITATION TO THE HOUSES OF CONGRESS; THEY MIGHT NOT BE SO ABLE TO HIDE THEIR DEEDS OF TREASON.

Precious children, this is but one facet of the war they have planned against you. There are many angles. The I-295 SNIPING INCIDENTS ALONG THE EXPRESSWAYS (JACKSONVILLE, FLA.) ARE BUT SAMPLES OF THEIR WORKS. They create the destruction so that you will call the federal (foreign) troops into your midst.

CIVIL WAR EXPECTED

They are planning for a much greater exercise of "FORCE" among you. They are fully expecting a CIVIL WAR when news gets out that they have confiscated TRILLIONS of your dollars, all of your gold and other assets, and taken them OUT OF THE COUNTRY. THESE TRILLIONS CONFISCATED "WEIGH IN" AT WELL OVER \$150 TRILLION. You have been ROBBED of ALL YOUR PRECIOUS ASSETS. THESE HAVE YOU BROKEN, IN THE SENSE OF YOUR BEING ABLE TO DEFEND YOURSELVES, THROUGH YOUR AGREEMENT TO DISARM YOURSELVES TOTALLY BY THE YEAR 2000. THEY KNOW THAT YOUR ECONOMY WILL NOT STAND FOR LONG. THEY HAVE NO INTENTION OF ALLOWING YOU TO RECOVER THE TRILLIONS THEY HAVE STOLEN FROM YOU, WHICH ARE RIGHTFULLY YOURS, PLACED IN OTHER BANKS AROUND THE WORLD.

I AM CALLING OUT TO YOU, PRECIOUS CHILDREN, DO NOT LONGER ALLOW THESE TO SUCK YOUR LIFELINES. THESE ARE RUTHLESS SERVANTS OF THE ANTICHRIST. THEY OPPOSE ALL FREEDOM AND ANYTHING WHICH IS TRUTH AND OF CREATOR. THEY LOVE THE LIE, AND WILL KILL ANYONE IN THE PATH OF TOTAL SLAVERY. PLEASE,

RALLY BEHIND THIS ONE CALLED TOMMY BUCKLEY, WHO IS STANDING ALONE AGAINST GOLIATH. JOIN THIS ARMY THAT YOU MIGHT BE COUNTED AMONG THE BRAVE AND THE FREE. YOU NEED NOT BE OVER THE BARREL FINANCIALLY AS YOU ARE. FIGHT FOR THAT WHICH IS YOURS.

ARE HERE IN YOUR VERY MIDST. YOU ARE NEVER ALONE IN YOUR STRUGGLES. WE ARE AT THE HEAD OF YOUR ARMADA, IF YOU BUT DO THE ASKING.

ORGANIZE, ORGANIZE, ORGANIZE AND GO FORTH IN UNISON WITH TRUTH. TAKE NO MORE SLAVERY. BLESSINGS, LITTLE ONES, FOR YOU ARE INDEED SACRED CREATIONS. WITHIN THE LOVE OF CREATOR, STAND TALL AND HOLD TIGHT, FOR YOU MAY LOSE A BATTLE, BUT IT IS THE ARMY OF GOD, WHICH WINS THE WAR.

OUR HEARTS GROW SAD FOR YOU WHO SUFFER SO GREATLY. OUR COMPASSION IS GREAT, AND OUR LOVE IS NEVER-CEASING. GO FORTH WITH THIS KNOWING. I AM, AS YOU KNOW ME, MASTER JESUS, THE CHRISTED ONE.

Good Morning, Little Ones, it is I, Moses. Blessings unto each of you this day for we know that your hearts grow weary with that which is fast upon you, but precious ones, take but a brief respite. Go inward and commune, for the place is most beautiful and the calm and joy is so great, that even the most weary is renewed.

REALLY, WHO IS SLICK WILLY?

Little Ones, let us look at your two presidents. You must not take either of them seriously in their promises, for they are cheese cut from the same block. The one you call as George Bush has a long history of Nazi/Communist affiliation and various shady activities of ESPIONAGE, DRUG-RUNNING, and MURDER through his actions in the CIA. When he evolved to the presidency, he merely stepped up that which he was very good at. Never-the-less, he had the audacity to accuse one Slick Willy Clinton of SOVIET AFFILIATIONS. Little Ones, these are riding in the same car.

To the college educated, who have come from SINGLE WORKING PARENTS, JUST HOW MANY OF YOU HAVE BEEN AFFORDED THE MONIES TO TRAVEL AROUND THE WORLD, WHEN YOU WERE MERELY COLLEGE STUDENTS? WOULD MOST OF YOU NOT AGREE THAT JOINING HANDS WITH THE SATANISTS (COMMUNISTS) IN PROTEST AGAINST A COUNTRY CREATED UNTO GOD (YOUR HOMELAND) TO BE AN ACT OF TREASON? BILLY'S SATANIST (COMMUNIST) TIES HAVE NOT FORGOTTEN HIM. WERE YOU NOT TOLD BY THOSE PRUNING BILLY IN HIS COLLEGE DAYS (KHRUSHCHEV) THAT YOUR GOVERNMENT WOULD BE TAKEN WITHOUT SO MUCH AS FIRING A SHOT?

JANE AND TED'S EXCELLENT DECEPTION

Jane Fonda was HATED by many for SIDING WITH THE COMMUNISTS IN THE VIETNAM WAR, yet what Bill Clinton did is no less a SLAP IN THE FACE. Bill Clinton SIDED WITH THE COMMUNISTS THEN AND SIDES WITH THEM NOW. HE HAS ALLOWED THE COMMUNIST ACTIVITIES OF THE CIA....DRUG RUNNING INTO YOUR STATE OF ARKANSAS, FOR SOME TIME.

Jane Fonda is married to the owner of CNN, which also sides with the KHAZARIAN/ZIONIST/COMMUNIST/SATANIST world dominion seekers. It is written that Ted Turner (Mr. Fonda) is one of the secret society of THE COMMITTEE OF 300. This is THE SECRET WORLD GROUP WHICH MAKES THE DECISIONS REGARDING YOUR LIFELINE. HE DOES HIS SHARE IN COVERING THE COMMUNIST "DIRTY WORKS" BY OPERATING A BROADCASTING NETWORK WHICH CENSORS YOUR NEWS. WHAT ROLE IN WORLD DOMINION HAS HE BEEN PROMISED BY KEEPING YOU THE LOWLY WORKING CLASS IN THE "DARK"? HE and HANOI JANE WITH THEIR BUDDY, BILLY CLINTON, HAVE ALL BEEN GIVEN A PLACE OF RESIDENCE AT THE VERY TOP OF THE ONE WORLD GOVERNMENT FOR "SELLING" YOU OUT.

MORE ABOUT SLICK WILLY

YOU HAVE BUT A VERY SMALL PIECE OF THE CAKE, AND IT IS SWEET INDEED, BUT YOU MUSTN'T CHOKE BEFORE IT IS TIME. THESE CARE NOT WHEN OR HOW YOU CHOKE, AS THEY ARE COUNTED IN ON THE FEAST OF WORLD DOMINION. THEY FORGET ONE THING, HOWEVER; NO ONE BARGAINS WITH SATAN. FOR LIES MERELY BUILD UPON MORE LIES, AND ALL OF THESE HAVE BOUGHT THE ULTIMATE LIE.....THAT IS THAT THEY WILL ACTUALLY HAVE A PLACE ANYWHERE. DO YOU HEAR ME, MR. CLINTON? ALL OF YOU HAVE SOLD OUT YOUR HOMELAND FOR NOTHING. FOR THIS WILL BE YOUR REWARD. THERE SHALL BE NO ONE WORLD GOVERNMENT AND, IF YOU DO MANAGE THE SAME, IT WILL BE BRIEF INDEED.

I AM PUTTING YOU ON NOTICE AND YOU HAD BEST PUT ON YOUR HEARING AIDS AND HEAR UNTO ME. FOR YOU WHO HAVE PLANS TO HARM THIS ONE, WHO WRITES FOR ME, OR OTHERS COUNTED AMONG THE SERVANTS OF HOLY CREATOR, WHO DO HIS FAITHFUL WORK, I SAY UNTO YOU RIGHT NOW.....WOE UNTO YOU FOR THE STREETS SHALL RUN WITH YOUR VERY BLOOD AND YOU SHALL KNOW NO PEACE IN THIS LIFE NOR THE ONE TO COME, IF YOU SHALL HARM THESE.

IT IS KNOWN THAT YOU ARE BOM-

BARDING THIS ONE WITH YOUR ENERGY WAVES AND HAVE PLANNED UNTO YOURSELVES TO DO HER HARM, BUT IT SHALL NOT BE. FOR IT IS YOU WHO SHALL STUMBLE OVER YOUR VERY SELVES. IT IS SAID; AND TAKE IT UNTO YOURSELVES AS TRUTH, FOR THE TRUTH STANDS ALONE. YOU WHO SERVE THE ANTI-CHRIST HAD BEST REMEMBER....GOD HAS THE ULTIMATE, ULTIMATE PLAN....THE DIVINE PLAN, AND IT SHALL BE NONE OTHER WAY.

PRECIOUS CHILDREN, NEVER, NEVER FORGET THE WAY OF THE ADVERSARY. THROUGH LIES, LIES AND MORE LIES, THE ADVERSARY CREATES CHAOS AND TOTAL CONFUSION; AND WHEN YOU ARE NOT WATCHING, IN COMES THE DESTRUCTION. BE ADVISED, SATAN AND ALL FOLLOWERS, YOU CARRY OUT NOTHING IN "SECRET" FOR THE ALL-SEEING EYE OF GOD KNOWS ALL. YOUR DIRTY DEEDS SHALL ENWRAP YOU AND YOU SHALL SMOTHER IN YOUR OWN DARKNESS!

LITTLE ONES, BE WISE AS THE FOX. YOU MUST BE TRUSTING OF NO GOVERNMENT STATEMENTS REGARDING ITS OWN DEEDS. DEMAND TRUTH. LIVE TRUTH.

TAMPERED POLLS

BECAUSE YOU ARE RUN BY A COMMUNIST (SATANIST) GOVERNMENT, YOU HAVE BEEN FOOLED TO BELIEVE THE RESULTS OF THE POLLS. YOUR POLLS HAVE BEEN TAMPERED WITH FROM THE LEAST TO THE HIGHEST POSITIONS FOR YEARS. YOUR POLLING RESULTS ARE ONE BIG LIE. THEY WENT ABOUT FEEDING YOU THE RESULTS AHEAD OF TIME ON YOUR TELEVISION AND MADE SURE THAT YOU RECEIVED NO SURPRISE. YOUR PRESIDENCY IS A LIE RUN BY A LIAR. DOES THAT TELL YOU WHO IS RUNNING YOUR COUNTRY?

Awaken to the fact that ONE BILL CLINTON WAS PRUNED FROM VERY EARLY DAYS TO BE PRO-COMMUNIST and ANTI-UNITED STATES OF AMERICA. I hear many of you LOYAL supporters of Bill Clinton say, "NO WAY". LITTLE ONES, BY THEIR FRUITS, YOU SHALL KNOW THEM. HE IS FOR THE KILLING OF INNOCENT UNBORN. HE TOSSES ARROGANCE AT THE LAWS OF CREATION—OPENLY SUPPORTING HOMOSEXUALITY. HE FLAUNTS WILD PERVERSIONS OF THE FLESH. HE LIES, LIES AND LIES, AND COMMITS ACTS OF TREASON AGAINST YOUR VERY COUNTRY, AND HAS FOR DECADES. HE IS SMOOTH AS GLASS AND SPEAKS WITH A SILVER TONGUE. BUT HIS ACTIONS ARE TO BRING YOU DOWN, AND YOU WILL SEE AS MUCH. WHAT KINDS OF FRUITS DO YOU EXPECT TO SEE IN ONE WHO SERVES THE ANTICHRIST? WHAT YOU SEE, PRECIOUS CHILDREN, IS A LIE.

REMEMBER THAT THE ANTICHRIST BUILDS AND BUILDS, AND ALL IS BUILT ON LIES, LIES AND MORE LIES. SLICK WILLIE IS AS SMOOTH AND SLICK AS GLASS, BUT REMEMBER THAT GLASS CAN CUT YOU TO THE CORE. THINK ON THIS ONE. I AM MOSES. BLESSINGS IN THE KNOWING FOR TRUTH WILL INDEED SET YOU FREE OF THEIR CONTROL.

Good Morning, Beloved Child, it is I, Moses. Our Blessings to your faithful companion this day. From this side we give unto you as you so desire the necessary guidance to "weather the storms".

THE TESTING OF A WARRIOR

Now, as you were given to see in dream state last evening, you are indeed given many, many trials, just as are all in the kingdoms of Holy Creator. And the same is part of the evolutionary process of the soul. You must know that now in the very last days of the Earth sphere, as you know the same to be, all will be tried and tested sorely as the Antichrist is stepping up pace to implement those tactics which are against Holy Creator and the Christ. Any of you who proclaim The Principles of Creator will come under attack. This will get much worse before it gets better.

You, who pen this kind of information around the world, have certainly been given more than your share of fighting the very servants of Satan, himself, in spirit and the world around you. Such is a necessary part of spiritual evolution, such that you are not trailing the wolf. The process has been very exhausting for many of you. But you have come to be repulsed by what the Antichrist represents....which is darkness, more darkness, slavery and destruction. You have known the suffering associated with the same such that you have the strong internal desire to stop the spread of this evil. But, Precious Children, know that you will continue to be tested. Such is the way. You are warriors, and unto the fighting you must be, lest you be called NOT A WARRIOR.

If you side with the Adversary, you will become LOST to the purposes of Creator. You will become BLINDED by your own actions. This is the nature of being a traitor to the causes of Creator. Now, note that the Antichrist does indeed love to receive the so-called traitors for he smiles with glee. You are FODDER FOR THE FIRE. He has NO ALLEGIANCE to any of you. If you are LOST unto the purposes of Creator, you can in no wise fight against the spread of darkness. Thus, he can continue to spread the darkness among you, so as to destroy

the grandest number.

THE ADVERSARY NEEDS CHURCHES

Look around you, Precious Children. See the darkness sweeping in upon you. YOU ARE POISONED IN GRAND NUMBERS FROM THE INNER. You have great numbers among you who are hurting and ready to follow any cult or fake representation of the Light of Holy Creator. Grand numbers of you enroll in these cults, even unto the worshipping of Satan, himself. PRECIOUS CHILDREN OF HOLY CREATOR, THE TRUTH OF CREATOR IS, ALWAYS WAS, AND ALWAYS WILL BE UNCHANGING. YOU NEED NO GROUP OR CULT TO KNOW CREATOR FOR HE LIVES WITHIN EACH OF YOU. YOU ONLY HAVE TO ASK TO COMMUNE. YOU NEED NO ONE TO REPRESENT YOU IN ANY MANNER TO THE ONE WHO KNOWS EVERY FRACTION OF YOU. IT IS SATAN WHO MUST HAVE THE CULTS, AS IT IS SATAN WHO MUST BRAINWASH YOU EACH AND TAKE AWAY YOUR OWN IDEAS OF FREEDOM FOR SELF.

YOU, IN THE SO-CALLED CHURCHES OF HOLY CREATOR, HAD BEST BE CLEANING UP YOUR ACTS, FOR YOU FOOL NO ONE. YOU, WHO LOVE THE MATERIAL, CHANT YOUR MEANINGLESS CHANTS AND INVEST YOURSELVES WITH POWER OVER CREATOR, BE ADVISED THAT YOU BELONG NOT TO THE ARMY OF CREATOR. YOU BELONG TO THE MATERIAL CULTS CREATED OF SATAN HIMSELF, FOR YOU LOVE THE MATERIAL AND YOU ARE LOST AND BLINDED BY YOUR VERY OWN DECISIONS.

MANY OF YOUR SO-CALLED LEADERS HAVE BEGGED THE MANY MILLIONS OF YOU FOR THE MONIES TO SPEND ON THE MATERIAL UNDER THE GUISE OF "HELPING" THE LESS FORTUNATE. YOU HAVE MADE FOOLS OF YOURSELVES AND A MOCKERY OF JESUS, THE CHRISTED ONE, AND THE SAME SHALL NOT GO UNRECOGNIZED. YOU HAVE TURNED MANY, MANY PEOPLES AWAY FROM THE WHOLENESS OF HOLY CREATOR AND PUSHED THEM IN THE STREETS AHUNGERING FOR THE WORD AND THE TRUTH OF HOLY CREATOR.

NOW, YOU HAVE GRAND NUMBERS OF MISSIONARIES GOING ABROAD TRYING TO SPREAD YOUR FORM OF CHRISTIANITY TO THE COUNTRIES LOST TO COMMUNISM—AND YOU ARE FALLEN UNDER COMMUNISM, YOURSELVES, AND YOU KNOW NOT THE SAME.

SANANDA: THE BOLD HEART

Blessed Children, It is I, Master Jesus. BOLD IS THE HEART WHICH HAS THE

INNER FORTITUDE TO GO WITH THE TRUTH IN A WORLD WHERE THE STANDARD IS THE LIE. BOLD is the heart which stands among the atheists and those worshipping all manner of idols and false prophets, and shouts unto the heavens, "I am a CHILD OF GOD. UNTO THE OBEDIENCE OF GOD'S LAWS, I AM." BRAVE is the one who exposes the tabernacles of DECEIT AND TREACHERY, which run your schools and your government. BRAVE is the one who DEDICATES himself to a life of service in a selfish world where service is scoffed.

And BLESSED is he, who goes among the idolaters, the whoremongers, the atheists, the murders, the thieves, and the rebel rousers to take the LOVE OF CREATOR. For unto this one is given the BOUNTY OF CREATION. THE ONE WHO CARRIES THE LOVE OF CREATOR AND SHARES CREATOR'S ETERNAL LAWS AND TRUTHS UNTO THE LOST, THE DOWNTRODDEN AND WEARY SHALL BE COUNTED AMONG THE RIGHTEOUS, FOR THE SAME IS AMONG GOD'S SELECT.

THE GREATEST BATTLE: FOR THE SOULS OF MEN

Precious Ones, this is a battle not only unto the keeping of your country as you know it to be. THE GREATEST BATTLE HEREIN IS FOR THE SOULS OF MEN. You know not who your children commune with. THERE ARE BODIES HUMAN, POSSESSED OF SOULS, WHICH ARE DEEPLY IN SERVICE TO THE ANTICHRIST. Many of you shall be DECEIVED by these. For if you are not wise as the fox, YOU SHALL BE DECEIVED, AND YOUR CHILDREN SHALL BE DECEIVED AND YOU SHALL BECOME LOST IN THE FURY WHICH SURROUNDS THE SAME. You must remember that the philosophy of Satan is founded upon a LIE. SATAN WILL TAKE A LIE AND MAKE IT LOOK APPEALING.

These are the latter days. LOOK FOR THESE WORKERS OF DARKNESS AMONG YOU. THESE SHALL LOVE THE MATERIAL, AND THE MONETARY SHALL BE AS A GOD TO THEM. THEY SHALL ENGORGE THEMSELVES WITH SEXUAL PERVERSIONS AND SHALL LOVE THAT WHICH IS VULGAR AND OBSCENE. THEY SHALL LOVE EVIL, AND MANY WILL BE NOT SATISFIED LEST THEY TASTE OF BLOOD IN SOME MANNER. MANY ARE MURDERERS AND GO ABOUT KILLING FOR THE SPORT OF IT. MANY LOVE TO SUCK, EAT AND DRINK OF BLOOD AND PROMOTE SUCH AS FUN AND NORMAL.

Once you sheep have tasted these ways, you will cut yourselves off from the Creator. YOU WILL PERISH SPIRITUALLY AND PHYSICALLY. You must DENOUNCE these ways for these are unto your DESTRUCTION. SATAN is REAL and his

followers are REAL. THE WORKERS OF DARKNESS ARE REAL. This is not a movie or a play, in which you sate yourselves with horror. These choices, Little Ones, involve your VERY SOUL. THE GREATEST NUMBER OF YOU GO PLAYING WITH FIRE—WHICH IS FOR YOUR VERY OWN BURNING. SATAN PLANS TO TOSS YOU INTO THE FIRE AND TO BURN YOU AS STRAW ABLAZE WITH THE LIES YOU HAVE BEEN FED, AND WITH WHICH YOU HAVE SATIATED YOURSELVES.

PRECIOUS CHILDREN, TAKE WITHIN YOURSELVES THESE TRUTHS. YOU ARE GIVEN TO KNOW THESE TRUTHS THAT YOU MIGHT SAVE YOURSELVES FROM THE DESTRUCTION YOU HAVE BROUGHT UNTO YOU BY YOUR VERY OWN DECISIONS. I CANNOT SAVE YOU AND WILL NOT BE OF THE SAVING. IF THERE IS SAVING, YOU ARE THE ONE WHO DOES THE SAVING. YOU MUST STOP SEEING SATAN AS A FAIRY TALE ENTITY. HE IS REAL AND YOU ARE PLAYING WITH YOUR OWN DESTRUCTION THROUGH YOUR VERY OWN CHOICES.

I AM AS YOU KNOW ME, JESUS, THE CHRISTED ONE, AND IT IS MY PRAYER UNTO YOU THAT WHEN YOU READ HEREIN, YOU WILL RECOGNIZE ALL AS TRUE, FOR MY HEART CRIES OUT UNTO EACH OF YOU WITH GREAT SADNESS FOR THAT UNTO WHICH YOU HAVE FALLEN. TAKE THESE TRUTHS AND LIVE THEM. ONCE AGAIN, PLACE YOURSELVES BACK ON THE PATH OF SERVICE TO YOUR HOLY CREATOR AND OPEN UP TO THE LOVE OF THE ONE, WHO HAS FOR EACH OF YOU...ONLY LIMITLESS LOVE. I AM MASTER JESUS. BLESSINGS, MOST PRECIOUS CREATIONS.

A JOURNEY INTO THE LIGHT

Good Morning to you, Blessed One, it is I, Moses. You have come this morning, asking to be strengthened of the Light. You have been given to leave the body physical and to travel into The Light. I ask of you thus, "Was the same without obstacles?" You have been given to travel at length toward a beam of LIGHT through various tunnels, bombarded by various obstacles....pushed and pulled, in your journey. You have travelled as one in an obstacle course that you might be given to KNOW a lesson, that you might share the same.

Such is the nature of the teachings of the Earth Sphere. Little Ones, the Light of Creator is EVERPRESENT. You are all given guidelines for travelling within the same; yet, you will note there are many obstacles in your path. You will note strange and entertaining circumstances with which you might become enthralled.

The pull of these circumstances will be grand and you will be easily fooled by the glamour if you are not careful. Strange and powerful OPPOSITE forces will pull you off path if you do not hold your focus. YOUR COURSE WILL OFTEN COLLIDE WITH THESE POWERFUL FORCES AND YOU MIGHT BE WEAKENED AND FEEL VERY FRAGMENTED. BUT KNOW, LITTLE ONES, THAT AFTER SUCH ENCOUNTERS, YOU WILL BE GIVEN A RESPITE.

HOWEVER, DO NOT "SIT ON THE LAURELS" AFTER SUCH A RESPITE FOR YOU MIGHT BE GIVEN TO FORGET YOUR COURSE AND, WHEN YOU ARE RESTING, YOU MAY BE HIT BY ANOTHER OF THESE ENTERTAINING OR POWERFUL FORCES. YOU MUST HOLD UPPERMOST IN YOUR MIND THE NATURE OF YOUR COURSE AND MAINTAIN A POWERFUL DESIRE TO BE DRAWN BY THE LIGHT, AS IF IT WERE A MAGNET.

Regardless of the circuitous nature of your path, know that with your journey, you will be strengthened. As you resist the tendency to sit and take a respite, you will be strengthened. You must NEVER, NEVER forget what you are about. YOU MUST DOGGEDLY PURSUE YOUR COURSE. As you have been given to experience this day, Rosah, if you will continue on the journey you will bask in the LIGHT of HOLY CREATOR and you will be strengthened for the doing.

THE PULL OF THE LIGHT OF CREATOR IS A PULL ONLY WHEN YOU ALIGN WITH THE SAME THROUGH INNER FOCUS. I CAN ASSURE YOU THAT THE PULL EXISTS BECAUSE OF TRAINING OF THE MIND THROUGH DISCIPLINE AND OBEDIENCE TO LAWS. REGARDLESS OF HOW TIRED YOU BECOME, YOU MUST CONTINUE TO ALIGN YOUR INNER WITH THE LIGHT OF HOLY CREATOR.

JUST WHEN YOU THINK THAT YOU CAN NO LONGER CONTINUE, YOU WILL BE GIVEN A "TAILWIND", JUST AS THE AIRPLANE IN COURSE, WHICH WILL ADD STRENGTH TO YOUR TIRED INNER. ONCE AGAIN, DO NOT REST EVEN THOUGH YOU ARE GIVEN THE "TAILWIND". YOU MUST MAINTAIN THE POWER OF THE MIND STRAIGHT ON THE LIGHT WHICH IS FILTERING DOWN UPON YOU. YOU MUST REALIZE THAT THE ROUTE IS INDEED CIRCUITOUS; BUT, YOU AND ONLY YOU DETERMINE THE RATE AT WHICH YOU EVOLVE. KNOW THAT YOU WILL TRAVEL THROUGH DARK HOLLOW. IT IS YOU AND ONLY YOU WHO DOES THE TRAVELING. AS YOU TRAVEL YOU WILL NOTE, AS ROSAH WAS GIVEN TO NOTE THIS MORNING, THAT THE JOURNEY IS YOUR VERY OWN. GET USED TO THE IDEA. IT IS YOU, WHO MUST FIGHT THE FORCES WHICH WOULD DETER YOU FROM THE COURSE. YET, YOU AND

ONLY YOU CAN, IN REALITY, DETER YOU FROM THE COURSE.

PICTURE YOURSELF AS THE HORSE WITH THE CARROT FOREVER IN THE FRONT—NEVER REMOVING OF THE SAME. THE CARROT IS THE LIGHT OF CREATOR WHICH GOES BEFORE YOU. IF YOU GO WITH THE LIGHT OF CREATOR BEFORE YOU, LITTLE ONES, YOU WILL NEVER GO IN THE DARK.

REMEMBER THAT THE JOURNEY OF SPIRITUAL EVOLUTION IS WITHOUT END. WITH EACH STEP OF THE WAY, IT IS BUT REFINED—NOT EASIER, JUST REFINED. YOUR PART OF THE JOURNEY WILL BE NO MORE DIFFICULT THAN THAT WHICH IS EXPECTED OF SOMEONE OF THE HIGHER REALMS. IT IS JUST DIFFERENT. NOW, YOU MUST TRAVEL THE LOWER REALMS WHERE YOU ARE CONSTANTLY ASSAULTED BY LOWER ENERGY FORMS.

Do you remember the story of "Hansel and Gretel"? The desire to stop and look at the beautiful brought near catastrophe. If your soul winds up in the oven for a while, it is of your own choosing. BUT ONCE YOU ARE BURNED, LITTLE ONES, YOU MAY NOT WISH TO TRY OF THE SAME PIECE OF CANDY. Remember that YOU NEED NOT HAVE TO SUFFER THE LIFE OF TRIAL AND ERROR LESSONS. YOU NEED SIMPLY WISH TO LIVE THE LAWS OF CREATOR AND WISH TO BASK IN THE LIGHT OF CREATOR MORE THAN YOU WISH TO DO ANYTHING. THIS DESIRE MUST BE AN ABSOLUTE. IT MUST BE PURE. FOR YOUR RATE OF EVOLUTION DEPENDS UPON THIS VERY PURE DESIRE PUT INTO PRACTICE. THE RATE OF TRAVEL DEPENDS UPON YOUR ABILITY TO MAINTAIN THE PRACTICE OF THE LAWS.

REMEMBER THAT WHEN YOU THINK YOU CAN GO NO MORE, AND YOU FEEL AS IF YOU ARE CRUMBLING, YOU ARE MOST LIKELY ABOUT TO RECEIVE A "TAILWIND". SOME OF YOU ARE DUE FOR THE SAME. BE NOT IN THE "GIVING UP". YOUR "TAILWIND" MAY BE JUST AROUND THE CORNER. BLESSINGS, PRECIOUS CHILDREN OF HOLY CREATOR. WE LONG TO LIFT YOU UP AND CARRY YOU THE REMAINDER OF THE COURSE. BUT THE SAME IS FORBIDDEN. YOU MUST TRAVEL YOUR OWN COURSE. BUT YOU NEED REALIZE THAT WE ARE HERE FOR THE COMPANY ALONG THE JOURNEY. IN THIS SENSE, YOU ARE NEVER ALONE. YOU ARE BUT BEING TESTED. REFINED. FOR GREATER THINGS ARE IN THE MAKING FOR ALL OF YOU. LOOK AT ALL AS CHALLENGES, AND BE NOT IN DESPAIR. FOR YOU WHO LIVE THE LAWS SHALL BE GIVEN THE WHEREWITHAL TO MEET THE CHALLENGES. I AM MOSES.

Today's News, Confirmations And Important Lessons

12/5/92 #1 HATONN

APPRECIATION

I greatly appreciate Commander Soltec's filling in for me on the yesterday. I know that you ones are weary of hearing doom and gloom and the "same old stuff" from Hatonn. Soltec's writings often come from Dharma as to geophysical "lessons" but these current comments and observations come from Arizona. Also come the higher teachings from Arkansas and Texas. We get valid and informative reports from New York and Canada—also from Nevada. So, if you perceive "just" old Hatonn is dumping on you—I trust you will now think again. Other writings also appear in the *LIBERATOR*, as urgent releases come from valid information from "reporters"—and yes, "insiders"—usually through me but often directly to "staff". This is so there can be observations more varied as to location than centralized just in California. But, remember, the "big ones" are usually stemming from California because this is where the BIG installations and Elite Cartel have the larger facilities. Texas is another massive "hotbed" also. At any rate, when I cannot be present, I do appreciate a brother filling in for me. The jello (called "earth") out in California is so unstable that the fissures don't even know how to locate themselves—but "they" are about finished carving new break lines and soon "they" will get on with it.

TURN TO SOMALIA

I hear all sorts of responses about the Somali expedition of the U.S. in massive display of strength and "those poor starving Somalis". Where in the world ARE your brains, WORLD?? Stop now, or after the lesson, and GET YOUR MAPS!

First, let us remind you that first the Soviets set up massive observation (intelligence) ports in Somalia. Then the Soviets turned their activities to Ethiopia. At that time then the U.S. took over the bases and the operations with greater installations and puppet government in Somalia. THEN CAME THE DAY YOU DUMPED THE GOVERNMENT AND WALKED OUT ON ALL RESPONSIBILITY TO SOMALIA—DELIBERATELY LEAVING IT IN TOTAL ANARCHY AND CHAOS—TO FIT YOUR NEEDS TO FLOW LIKE SYRUP OF STRYCHNINE INTO THE AREA AT THIS TIME! LOOK AT YOUR MAPS.

WHO IS WHO IN U.S.?

OK, first pay attention to who is informing who of what in the "new" U.S. government! **BRENT SCOWCROFT!! (Several DAILY direct reports to Clinton personally)—The Mormon ZIONIST Elite "Kissinger Associates" co-lead dog in the administration! Then, secondly, every day Clinton & puppets are given the CIA report on the situation!!! No truth, just reports as desired!! You are going to find that Kissinger Associates also set up the mess in Somalia exactly as they have done in Serbia!**

The Elite will now accomplish many things at the stroke of a pen and a little psychological honey. You have now the opportunity to inject (vaccinate) and place microchips and disease for incubation into your nice new troops—how many do you notice having served already in Saudi Arabia?? That's right—not hardly ANY! This is the way it MUST BEGIN to preserve the illusion. Will Bush use this opportunity to bring down open Martial Law and hold the White House? Who cares—there is such other "stuff" afoot as to make that pale in comparison.

OK, take your finger and put it on Somalia (Note that Ethiopia is directly to the West). This is a major placement of WHERE the Israelis made sweeps to bring out "Ethiopian Jews", right up to NOW—with or without the native's permission. Forced extraction, uprooting and resettlement where they are totally unaccepted! Remember, the Ethiopians are BLACK and the "JEWS" claim a desire for a supreme "WHITE" race!

Now leave that area and move up the coast to the north. You come to the Gulf of Aden which is the mouth of the Al Bahr Al Ahma (RED SEA—very important). Moving on you come to Yemen and now move inland and north or along within the Red Sea and you find, of all things—Saudi Arabia. If you move to the East of S.A. you find Bush's (and son) controlled Bahrain—which controls the new sweet crude pools in S.A. and the "golden mountain". If you move on to the Northwest—Ah Ha! Jordan and Israel. To the Northeast—OF COURSE!—IRAQ and the Persian Gulf! Still think this little military maneuver is to bring rice to the starving, fly-bitten babies of Somalia??—**WITH OVER 45,000 TROOPS FOR STARTERS????** And, chelas, what do you think of the "tooth-fairy"?

How many of your men will come back from this little patrol of the rice bags against peasant children bearing almost obsolete guns with very little ammunition, with sand-flea bites and Cholera, Hepatitis, Yersinia pestis or Yersinia-Shigella **PLAGUE** and/or varied degrees of modified Anthrax? THE MEDIA HAS SET THE STAGE SO THE ELITE WON'T HAVE TO MAKE ANY SHOW-AND-TELL AT ALL. MOREOVER—WHAT HAVE WE HERE?? STOIC MARINES GOING FORTH TO BATTLE TO FIGHT AND PERHAPS DIE—AND THE MEDIA SHOWS YOU A LINE-UP OF "SHOT-TAKING" MARINES ALL IN A STATE OF SHOCK AT A HYPODERMIC NEEDLE AND TWO PASS OUT! YOU ARE RESPONSIBLE, AMERICAN PARENTS—HOW DARE YOU SEND YOUR BABIES OFF TO DIE AT THE HANDS OF THE BANKSTERS' ONE WORLD ORDER!! I SUPPOSE YOU WILL ALL EXPECT GOD TO BLESS YOUR DIRTY WORK ALSO??

NASTY REMINDERS

Let us remember a bit of geography and a few prophecies. It is said that the lands will split and swallow the myriads of people at Armageddon. What might that mean and WHERE would that be? It is said that that great split will come all the way from the Dead Sea to the Red Sea and where might that actually be??

Well, there is a distinctive Y-shaped head to the Red Sea graben (Def: "graben": Two vertical crustal fractures between which the central block has slipped downward producing a steep-sided, flat-bottomed valley [see Soltec's earliest writings on 'Earthquakes and Earth Crust']) **with SINAI in the center. To the east, the Gulf of Akaba is an extension of the greater Jordan graben with the Dead Sea and Lake Tiberias/Sea of Galilee both of which are well below sea level and will be "swamped". Farther south along this great "East African" rift is the steep eastern wall in ETHIOPIA!**

OTHER NASTY PREDICTIONS

You continue to nag and ask why I would keep my scribe and "service" crew in an area as unstable as Tehachapi, California. Well, for THEM I will repeat because they get a bit nervous with the continual shaking, rocking and rolling ("around this year's Christmas Tree"). Number one: the navigation-communication base is located here ("somewhere"). The crystal will be preserved in pristine form—which means WE WILL lift it, and anything on the immediate surface, out of the way of possible fracturing AND, the area (because of tectonic plate slippage and uplift)—THE AREA WILL RISE WITH ITS MAXIMUM RISE POINT AT A POINT SOUTHWEST OF TEHACHAPI—

ON THE COASTAL EDGE OF THE SAN ANDREAS FAULT.

This will probably cause a massive rift with a lot of "suction" to the coastal land mass, which will topple a lot of the Western mass. This will probably, however, give some security from incoming possible tidal wave action as it dumps directly into the crevasse caused by such splitting action, and the "rise" will shed the inflow of water as water will always seek the lowest point. This means, though, that the area of Mojave, Tehachapi and Southeast into the Mojave desert will be lifted also with the maximum point of rise on the Eastern side of the San Andreas at the general area of Tehachapi. For you geologists who tend to be awfully skeptical—this gives meaning to the "Palmdale Bulge".

Also, this means GOOD NEWS IN THIS PARTICULAR AREA, THAT THE LAND MASS IS NOW LIKE JELLO—THE SLIPPAGE AND RISE WILL BE BUFFERED BY A TYPE OF LIQUEFACTION WHICH WILL KEEP THE MASSIVE EARTH MOVEMENT IN ABRUPT JERKING MOTION TO BE QUITE MODIFIED, RELATIVELY, IN THE IMMEDIATE AREA AND IN THE RISING PORTION OF THE MOJAVE DESERT. THIS WILL LIKELY KEEP THE MASSIVE DAMAGE FROM DESTROYING THOSE NICE BIG UNDERGROUND INSTALLATIONS ALSO. AND YOUTH OUGHT YOUR GOVERNMENT WAS STUPID, SIC, SIC.

This does, however, mean bad news for tidal wave watchers for the "rising" will come from the plates lunging under the coastal area of the North American plate. Please, chelas, don't underestimate God's ability to take care of you who are in service unto HIM.

So, does this mean that if you are in Tehachapi you will automatically be SAFE?? NO INDEED!! In many ways it will be the most dangerous place on the globe. If you are just seeking "safety" of your little human bones—I suggest you NOT come here because what will be going on here is not going to be even believable to my own people. Do not think that to come here and form your rock circles and blow purple smoke rings will bring you security—it will bring almost sure destruction!

MONEY MATTERS

Let's just leave the cute military tricksters for a minute and see how many of you think the money "thing" and bank "thing" are ALL OFF? YOU HAVEN'T EVEN BEGUN!

On Tuesday, September 15th, the subscribers to *Investor's Business Daily* (a small competitor to the nation's leading financial daily, *The Wall Street Journal*) were greeted by very ugly news that the **Federal Reserve had adopted secretive new rules (final rules) THAT WILL ALLOW REGULATORS TO SHUT DOWN**

UNDER-CAPITALIZED BANKS WITHIN 90 DAYS OF JANUARY 1, 1993!

Interestingly enough, that same *Wall Street Journal*, published by the Dow Jones Organization, **FAILED to publish the news for over five full weeks—until October 22, 1992**—and hardly anyone paid a bit of attention. PEROT noticed but where were YOU?

The report by the Federal Reserve announcing its new rules claims that only 100 banks (Mr. Perot's announcement to you) will be affected. According to the study published by the *Washington Post* Newspaper's book division, the new rules will result in far more than 100 banks closing and as many as 2,000 banks could be locked tightly. What's more, according to the above study, the cost of closing these 2,000 banks will be between \$30 and \$50 billion, **as a minimum figure. (Very, very minimal—just to lock them up—not bail them out!)**

The FDIC is bankrupt and has only some \$6 or \$7 billion at most, in any assets, to even consider for utilization. Therefore, in 1993 Congress will have to cough up an additional \$30 to \$50 billion right off the bat. **Ah, but this assumes that the economy begins to recover promptly, and slips no further from current levels.**

I believe you can easily see that that is NOT what will happen! You are in massive unemployment and there is no way you can recover without war and massive changes—even war will not save your assets.

REMEMBER THE 19TH OF DECEMBER

Do not forget that on December 19th, new tougher FDIC regulations will take effect. Banks and savings and loans whose shareholder capital is less than 2% of assets will be closed unless they merge or obtain new capital SOON. Listed here [See next page.] are THE GROUP FIRST LIKELY TO BE IMMEDIATELY AFFECTED according to "Weiss Research". The Big Brothers' banks will have a different sort of two-step shuffle. So, if you are in any of these banks listed, I can only suggest you consider immediately getting shifted OUT of them. There simply will not be money to pay all depositors even in partial amounts. Remember that old, defunct banks have NOT **YET PAID OFF THEIR LOSER DEPOSITORS!**

I am indebted to the *Lyke Report* for this data—I am weary of my people being bashed as "bad forecasters".

QUOTE:

"It looks as though once again the responsibility for preserving a bankrupt banking system is going to fall squarely on the shoulders of the U.S. taxpayer.

Already the U.S. Treasury has pledged a \$70 billion line of credit to the FDIC. Under the Treasury plan the banking system is supposed to pay this money back. But you and I both know that that will never happen. That means that either the taxpayer is going to pay the money back (deflationary), or that the U.S. Treasury will forgive that debt (inflationary)." **END OF QUOTE.**

One of the banks that cannot meet the 2 percent capital requirements if it wrote off all its bad loans is Citicorp—the largest bank in America. It and another one or two in collapse and there would not be enough money in the Treasury to bail them out.

Whether you are a depositor or a borrower—you better get to attending this matter for when banking "regulations in emergency" get rolling you won't be able to draw more than ten percent of your deposit at any rate. Following the 10% draw it will drop to 5% at the END of each month.

How can they "getcha" if you are a borrower? If you have a mortgage with a bank that fails, the mortgage will have to be assumed by a **new bank**. If during the interim—from when you took out your mortgage to when your bank failed—interest rates went up, you will have to refinance your house at a higher rate of interest. (It won't matter if prices have bottomed out or not for your loan will have been on the going price at the time of the mortgage.) Right now you might be budgeting yourself on your 8 1/2 percent mortgage rate. But if interest rates go higher, and your bank fails, and your mortgage falls into the hands of a new bank, they'll tell you to forget your old rate and they'll dictate to you what you will pay on your new mortgage. It might be 10 percent, it might be 12 percent or it might be even higher. The same story if you have a business with an open line of credit.

Therefore, you don't need only worry about your bank's health just as a depositor, but also if you are a borrower. Remember that the Resolution Trust Corporation thieves of the U.S. Administration can snatch your property in a twinkling of an eye—under NEW laws which disallow you even a hearing on the matter once you enter default over 14 days. I remind you that the Elite PLAN TO HAVE IT **ALL!**

SOME LOCAL INSTRUCTIONS

Dharma, I need to now turn to subject material for tomorrow's meeting.

I see a shift into a form of "marketing" or something, which I cannot allow to continue. We are NOT in "marketing" or "new project" formation. We need, in fact, to remain in static status on what we have had going until this all shakes out a bit.

As to the "Survival Storehouse"—close it down completely. I dislike reference in

any form to "survival" and, moreover, I will only write about and offer ability to "get" a few brief listed items. By "close down" I mean "change that name" because it is already "closed". We are not in the "survival business". Ones who are working in "promotion" have only one concern—that is to get funding and sustenance to the Constitutional Law Center. We do not "market" God's Word as we would a chunk of cheese and IF READERS WILL NOT SUPPORT OUR "WORD", THEN IT SHALL CEASE TO FLOW. Do not confuse your task with MINE and do not, in your exuberance for coming into the area, concern yourselves with other than your own adventures—by this I mean: If you wish to invest your own funds into a venture—do so for I shall not provide same from God's resources for any other ventures at this time. My people have HAD ENOUGH. I need no more ones coming to the area; I need no input from ones simply to make a "killing" for selves and I certainly will not allow for distractions in direction. You can meet and meet and meet and it will change nothing out of proper sequence. I have said to stay the projects and hold up until we can get some other things in order.

As I have said over and over to ones at onset of this mission—you are welcome to do anything you like in this valley—for it is still a free nation of sorts—however, if you choose to go into "competition", that is exactly what it will be and I think you know who will eventually WIN! If you want to do magnificent things—do them wherever you WERE, go back there, and/or spare me this continual harassment. My people are weary, they effort diligently to hold to my requests and you become "out of order" by conjuring and branching out into those areas wherein it is not in our best interests at present. We have to live in this village as community—we are not going to put others already in business—out of business.

I appreciate all willing hands and understand the need for desired growth and sharing of ideas, etc. But we have too much of critical importance to randomly thrust forth in scattered directions. If you simply turn your actions to fruitful purpose in the areas committed to your service, it will be more than sufficient. That Law Center MUST HAVE BACKING FROM THE PEOPLE WHO USE IT—SO PLACE EFFORTS THERE IN UNLIMITED MEASURE AND THAT LEAVES COMMAND OUT OF THE NIT-PICKING AND ATTENTION. If you find that you simply cannot do this, as requested, then I have to ask you to subside and withdraw for "no wine shall be offered before its time"!

Any funds from the Institute are meticulously accounted and a buffer will be kept for security at all times. There is NOT FUNDING FOR OTHER RANDOM PROJECTS JUST BECAUSE SOMEONE

THINKS IT A GOOD IDEA FOR THIS OR THAT. So be it. If I do not make myself clear, then I shall do better at the meeting.

This is NOT to offend or chastise anyone for I have neither interest nor position to do either. I do, however, have responsibility for management of this mission, and you are out of order to continue to present distractions even if they be in good intent. Again, I must remind you that our paper is not an advertising sheet. We will only mention and make available resources for specific and very, very limited items as they need be available for our outlined suggestions.

Now, to you wonderful and sharing people who jump immediately into efforting to fulfill that which you PERCEIVE I have asked—SLOW DOWN! I wanted to bring the ones in Virginia into attention and as a resource. You do not NEED drag a greenhouse from Virginia—nor the expertise in point. You do need to get into "attention" of possibilities which could be ongoing immediately in this place. We accomplished what was needed in this circumstance for the present so back off and allow business to flow in that area—you do not need to ship anything out here for you have the largest organic grower in the nation in your "dooryard".

You see, September Morn was not *actually* "out of business" but only out of immediate alternative ideas. I believe you will note that there are now so many alternative ideas for actions as to confuse the very mind in choices. And, furthermore, you ones "here" needed to come into some "alternative possibilities" as well.

I suggest you move on with minimal thrust and by the time the "student" is ready the "teacher" will come. Or, to paraphrase: "When the foundation is ready,

the house will be built"—do not confuse the foundation with the structure!

Allow our visitor from S.A. to have what she needs to take home with her—on credit or whatever is appropriate. Do not mix credits out of the other operation in Nevada. That is very tedious at best and not worthy of my people's time in discourse. What is given out is always returned in greater measure in kind—be that ever present in your dealings, chelas—ever present. It has naught to do one with the other as businesses are separate for this very reason and it behooves you who are "closest" to realize:

As to the PLEASURES CONNECTION series. THOSE BOOKS ARE MY BOOKS ON ALL ACCOUNTS—IF THAT BOTHERS ANY OF YOU, SO BE IT! FURTHER—GOD GIVES AND GOD CAN TAKE AWAY AND I WORK DIRECTLY FOR GOD. THOSE BOOKS ARE ORDERED OFF THE SHELVES AND ANY DISTRIBUTION BY AMERICA WEST OR THE EKKERS WILL NOT BE TOLERATED. IF THAT IS NOT PLEASING TO EITHER—THEN I SUGGEST YOU RELOOK AT COURT ORDERS FOR MY PEOPLE WILL NOT BE PLACED IN FURTHER JEOPARDY BECAUSE OF GREED AND MALICE. IF IT BE CALCULATED THAT I OWE SOME LARGE AMOUNT FOR THOSE JOURNALS—THEN I SUGGEST THERE HAD BEST BE A BETTER ACCOUNTING! AND, FURTHER, IF YOU ARE SPEAKING OUT IN SPECULATION ABOUT SOMETHING WHICH YOU UNDERSTAND NOT—I SUGGEST YOU ATTEND THE TONGUE AND IF THE HARNESS ON THE TONGUE FITS, PLEASE WEAR IT.

I HAVE NO SINGULAR OR SPECIFIC CONTRACT WITH ANYONE!

Let us take this off so we can get on with a new subject. Thank you.

Hatonn to clear.

Nora's Research Corner

"THE PRINCE OF THIS WORLD?" (Part II of a Series)

For our very survival, a knowledge of history, culture, business, politics and banking is critical. How is our World organized? Who pulls the strings? And more to the point of today's discussion, who were the Nazis? Who are the Nazis today? The public is so easily misled that even the very obvious can be hidden. Are you willing to take a very small peek under the blanket of secrets and lies? This writing takes up where Part I left off.

You are expected to take some action of your own. There is nothing like finding out your own answers to make a knower out of you. Get hold of several good dictionaries, a couple of different versions of the Bible

(older ones are the best) with concordances and maps, a couple of standard and a couple of Jewish encyclopedias and look up the subjects discussed.

I will list my reference sources at the end of this writing. You need to check out these things simply because you need your personal confirmation and these references can be found in any good, public, free library. (I say this in 1992, I don't know what the future situation will be.) The older reference sources are the most likely to provide what you need because information has been "revised" or removed in all of the more recent editions.

This paper is too short of course to cover all of the subjects listed in the first sentence above. I suggest that once you get into some Jewish encyclopedias (for start-

ers) check up on the subjects of Banking and Bankers, Finances, Usury, Economic History, etc. With a little effort, there is much to be learned in a surprisingly short time. For now, I intend to continue and to concentrate on the subject of the Nazis, and who they are.

The very spelling and meanings of words deserve our most careful consideration, for it is often in a slight shift in spelling, or a change of name, or in a new meaning applied to a word that our attention is diverted from the original circumstances, and thus the continuing circumstances become a charade under new names.

Take the word "Zion" as an example. It is a typical word having a background of various meanings and spellings. It also shows how various letters in a word become interchangeable according to an author's preference or the usages of different groups. I looked-up the word "Zion" in the *Oxford English Dictionary*. There are several versions of the word listed: Zion, Syon, Sion (AKA Scion) and the Hebrew Tsiyon. Obviously, the Z and S have been used interchangeably, as well as the I and Y, although the sound is the same—even in Hebrew—where the T is silent! The current usage, for the most part, is Zion, but note—the earlier Hebrew form used the S instead of the Z.

"Zion" can mean either a hill in Jerusalem on which the city of David was built; a heavenly home to which Christians look (going to Sion was a marching slogan for crusaders, and a title to hymns); or an heir or descendent; a branch. The meanings are themselves pertinent and have been overlooked for the most part, especially by Christians. But it would be prudent to consider them. For now it is the spellings that I want to focus on.

The next word to look up and consider carefully is "Ashkenaz". Ashkenaz is the name of one of the descendents of Japheth, a son of Noah. Ashkenaz was the son of Japheth's son, Gomer (*Genesis 10:2, 23*). Gomer's people, you will find, if you look at some old historical maps (some can be found in good dictionaries), settled mostly in Eastern Europe, some in the Baltic states, some around Rumania, Yugoslavia, etc.

Also, if you look at an old map in an older *Bible* concordance, you will see Ashkenaz's people settled in the Caucasus area. This is the same area Hatonn has identified with the Khazars—an area of Southern Russia around and between the Black and Caspian Seas. The story of the Khazars is another long one. They were fierce barbarians whose people overran most of the country at one time or another, killing, robbing, levying heavy taxes, and taking into slavery. There is some mention of them also in Jewish encyclopedias (with several spellings).

You need to look closely at those old maps in the back of your older *Bibles* for your own confirmation—for this Caucasus area was also the home of some of Japheth's other descendents named "Tubal" and "Meshech", strong players in the battles at the end times (*Ezekiel 38, 39*). The name and people changes for this area are great due in part to the actual mass killings of tribes and people. But some changes are also due to translations by various authors, or names coined to meet certain "literary" needs, or even attempts at spelling words only known previously by word of mouth.

You find such names as Scythians, Phrygians, Circassians, Sabeans, Huns, Avars, Tartars and many others depending on the date of the history and the author of the work. What is pertinent to remember is the nature of the Khazars (they were fierce barbarians and economic leeches), and their origin. One way of tracing origin is thru names of people and places. So—we have "Ashkenaz", a descendent of Japheth (not of Shem, and therefore not a Semite, per Biblical accounts) whose people, or at least whose leaders were Khazars! *The International Standard Bible Encyclopedia* calls them Scythians.

Now, what does "Ashkenaz" have to do with the Nazis and the Khazars—and Zionism? If you do take the opportunity to look-up "Khazars" while you are in that *Jewish Encyclopedia*, you will learn that their leader of the time, one named "Batu" (AKA Bulan; look him up also) was converted to "Judaism" in the 8th century. There is a great question whether the "conversion" was true or only political, and whether it involved just the leaders or all of their people. Also—their proclaimed "book" is now the *Babylonian Talmud*—but then they do "claim" to be "Jews". Of course, remember they are NOT Semite (AKA Shemite); they don't follow the *Old Testament* Judaism; they don't follow God's Laws, one of which states "Thou Shall Not Kill"; and they don't love even their brother "Jews" who do follow God's Laws. Yet they say they are "Jews, Israelites, Semites", but in fact are mostly "Zionists".

People being called, or calling themselves, Ashkenazi Jews, make up the majority of the present citizens of the new State of Israel! They are mostly Eastern European and Russian "Jews". Their individual beliefs and practices are not in question here—except to reiterate: they are not Semites (according to Biblical accounts). Certainly most of these people may not be aware of the activity of the leaders of the Khazars, for example. Still, the significance of the name "Ashkenazi" cannot be overlooked.

So—what is the significance of all this background discussion? Hatonn said that the label "**NAZI**" was taken from the word

"**Ashkenazi**"! Before you turn away in disbelief *do some research on this name!* Hatonn has also said that the greatest persecutors of God's people among the "Jews" are the ones who claim the same heritage! **Who** were the greatest persecutors? The **NAZIS**! Who were the Nazis? It appears that *at least the leaders of the Khazars* played a major role in that movement and may still do so.

If you go back to that spelling lesson again in the encyclopedias you will find several versions of the name "Ashkenazi" used by or given to Ashkenazi Jews: Ashkenaz, Askhenaz, Ashkenasi, Ashkenazi, Ashkenazy, etc. The S and Z have been interchangeable, apparently, in these examples also, as have the I and Y. Further, if you have access to *The Encyclopedia Judaica* look at the subject "Ashkenaz". It now means "Germany"! The name was applied generally in medieval, rabbinical literature to Germany! How and why this came to be is not said although this area was called "Germania" in the old Roman Empire. Among other references quoted in this article, one states, on Column 193 at the top: "References to Ashkenaz in Yosippon and Hasdai's letter to the king of the Chazars (Khazars) would bring the inquiry down to the tenth century, as would also Saadia Gaon's Commentary on *Dan. vii.8*". Further, look up the reference to the person "Ashkenazi, Gershom". In this article it is said that the surname "Ashkenazi"... "is usually bestowed in Poland upon families of German extraction". Another reference to the name "Ashkenazi" being applied to families of German origin can be found in the article on "Ashkenazi, Joseph", etc. There is **no** avoiding the fact that the name "Ashkenazi" is related to the Khazars and to Germany, as well as to the Ashkenazi Jews of today in the Zionist state of Israel. Why the name seems to have originated in Poland is somewhat of a mystery. Were those rabbinical writers rabbis of the *Babylonian Talmud*?

There is another word for you to look up. I received a mental shock when I found this word. I hope the foregoing material has prepared you for it both in its interpretations and just the fact that it is. The word is "**Nasi**"! Look it up! By now you must realize that the difference between "Na si" and "Na zi" is merely an interchangeable choice of letters—the words in fact are the same and are pronounced the same for the most part, although we have been misled as to usage. (Part IV of this series will provide more information on the language laws which apply.)

What does "Nasi" mean? I quote the meaning given in *The Encyclopedia of Jewish Knowledge*, pg. 379: "**NAZI**:"

Prince; president of the Sanhedrin; originally it was a political title." Further, if you look up the title "Ha-Nasi", or "Judah Ha-Nasi" you will see it is a title given to the head of a school, considered a great head of the school, which taught the **Babylonian Talmud**. This name, Nasi, meaning "Prince", has not been previously used in *Old Testament* translations of the *Bible* to my knowledge. However, it has a strong connection to the house of DAVID, and the "Exilarchs", or rulers in exile of "Israel", per Jewish sources. More on that later.

Who was the "Prince" at the time of Hitler? I don't know. All of the above is very confusing. Hitler was opposed to the Jews—wasn't he? Maybe he did not understand about the differing groups of Jews?? In any event, whatever Hitler understood, or was led to believe, or was forced to do perhaps by his supporters (whoever they were—Thulians, Bankers, Khazars, Zionists, etc.) the name of the NAZI Party, it certainly appears, was at least originally intended, by persons unknown to us, to convey a connection to the Ashkenazi Jews (Zionists), or the Khazars from the land of the Ashkenaz, or The Prince of the Ashkenazi Jews! Who is the "Ha-Nasi" today in/for the new state of Israel? According to the glossary in the *Encyclopedia Judaica*, the title "Nasi" is now given to the **President of Israel**.

Another identity of this "Prince" could be the "Great Khan" of the Khazars—the one to whom Kissinger reports. Whoever he is or was, or is represented by today, he apparently intends to rule the world. When you get into a study of the Khazars you will come to realize they won't stop until they rule the world or are stopped by a Greater Force than they are. A few of the "Great Khans" were Ghengis, Kublai, Hulugu, and Tammerlane, all later editions of such persons as Attila the Hun! These were mostly powerful, warring, tribal chieftains. The Khazars of today run our world thru the military, the government officials, the World Bank, international trade and drug smuggling, secret investigative agencies such as the English Secret Intelligence, the KGB, the Mossad, Interpol, the CIA, the FBI, world scientific and medical control, print and broadcast and entertainment media control, and especially the United Nations. According to the *Etymological Dictionary of the English Language*, the word "Khan" means "prince" or "lord" in the Tartar language.

Further, if you can find and read the book titled, *The March of the Barbarians*, you will learn that the favorite colors of the Mongols and barbarians were blue, like the sky, and white, like the snow and clouds. Is it just a coincidence that the

United Nations troops will be identified by blue helmets, and that Israel's flag is blue on white?

To further clarify the part of the Sanhedrin and it's head (Nasi): According to references on the Sanhedrin in the *Encyclopedia of Jewish Knowledge*, the last meeting of this group, called the Great Sanhedrin, was called by Napoleon. So, the actual grouping was no longer a recognized—or at least a public—one after the French Revolution. Still, the title of "Nasi" continued as a complimentary title.

Why would it be used as a name for the Nazi Party? I can speculate: the Khazars had their own names and titles for their leaders. Remember, the Khazars accepted "Judaism" in the 8th century. Did they accept all that went with it? Obviously that answer is **NO!** Rather, they appear to be cloaking themselves with a "Jewish" facade! The true heads were the old heads of the Khazars—the Head, or Chief, or Great Khan and his Kagenbeks (or Begs). From Hatonn we know that Henry Kissinger (who is written-up in the *American Jewish Who's Who*) is one of the Begs. The *Old Testament* tribe of Levi, priests forming the Sanhedrin in Biblical accounts, is apparently no longer a prominent part of Israel, if it remains at all.

As a final aside to this writing, please

note that if you have trouble finding articles on the Khazars (Chazars, etc.) look under the following subjects: Barbarians, Mongols, The Golden Horde, Kipchaks, Tatars, Tartars, Turks, Huns, Tuetons, Vikings, Crimean, Ottoman, Turkoman, Caucasus, Black Sea, etc.

Nevada Corporations

NEVADA OFFICE PACKAGES

There is one great misconception about how far one needs to go to operate a Nevada Corporation. The Nevada Revised Corporations Statutes (Chapters 78 and 80) outline the simple requirements for every Domestic and Foreign Corporation operating within Nevada. In their simplest form, a corporation is required to have a representative or location address in Nevada, commonly referred to as a Resident Agent. It is the responsibility of the Resident Agent to maintain copies of the corporation's By-laws, Articles and Stock Ledger Statement, and to be available during business hours to accept legal service. The other requirement of every Nevada Corporation is that they must remain in good standing with the State by paying their annual filing fees, now at \$85.

So, what is the misconception?

The misconception is that every Nevada Corporation has to have their own office or "Office Services Package" in

Nevada.

So where does this misconception come from?

In Nevada there are approximately five aggressive Resident Agents that provide a myriad of services for corporations. One of the services they generally provide is "office services" which usually costs from \$125-\$250 a month. These office services provide a corporation with a Nevada phone line, location to hang a business licence, mail forwarding and access to an office if needed. A couple of these Resident Agents have misled owners of Nevada Corporations by saying that to be considered a legitimate Nevada Corporation you must have these services. Corporation owners then get locked into long-term office package contracts with these Resident Agents for a year or more. These corporation owners are then stuck with no way out of these contracts. I would consider this to be one of the most profitable deals for the Resident Agent and the least beneficial for many corporations. For many individuals

who are running a corporation, \$250 of service charges a month can be an unmanageable load to carry.

Who really needs these expensive services?

We find that most of the Nevada corporations that we work with at *Corporate Advisors* have no need of an Office Package. If your corporation is for personal use or has a very limited exposure, you would not require, nor would you benefit from, office services in Nevada. Corporations that can benefit from office services are corporations that are publicly operating corporations.

If your corporation is a highly visible business, where a vendor or client may want to check up on your business to make sure that you are not some new scam, it may behoove your corporation to have a phone line where someone on the other end will represent your corporation. In this type of situation, office services become a must. Every corporation should have some representation by a Resident Agent which may just be forwarding mail or answering calls—but this can be added as it becomes necessary for your corporation's needs.

One of the fears that sells office services is the fear that the IRS will come in and not

consider your corporation to be legal without these services. Well, the IRS is concerned with getting their tax dollars and if your corporation owes tax dollars to them this may be true, but if your corporation pays any and all taxes that are due, having Office Services in Nevada or not having such services will not matter to them.

We've witnessed time and again where individuals have set up Nevada Corporations without any clear direction and sign up for office services which never get used. First set up your corporation, then, if needs arise that warrant these services, look into them.

*For if he believes in his heart he can win
The battle is already won,
For thoughts become things
if desire is strong,
He'll win any prize 'neath the sun.*

*Now praise is a must for
it helps one to build
A healthy self worth and esteem,
Unless he believes he deserves the reward
He'll lose out on anyone's team.
But if he is praised
for the effort he makes
With confidence he'll chase his dream.*

Do you think it different at ANY age? Do you think it is different from me to you? From YOU to me?

There is a point to remember, however, as you turn that other cheek over and over again—that sometimes the cheek that needs to be turned is the one on the rear so that the child **MUST** grow! And—you might try a foot to the rear from time to time lest he only live YOUR life expression and not that of his own.

There is one other thing to understand—that is, if you damage another deliberately—forgiveness by God is very different from forgiveness from the ones actually damaged. Furthermore, if you challenge Truth and ones who bring that Truth and speak for Hosts and God—The “forgiveness” obtained from God does not allow you assumed reentry into the circle of the ones in human form offended and denounced. You can do that which you like but the “assumption”, for instance, that you can blast and pain my people and return into a fold of human circle just because you “believe in Hatonn and feel forgiveness” you must realize clearly—that your station is separate and that which you take up with me, you take up with ME—not through a speaker—for your presence and great speeches to me **THROUGH A SPEAKER**—indicates your intent to have the “speaker” assaulted, good or bad—for **I AM NOT MY SPEAKER OR WRITER**. If you only function through a “speaker” then you have no notion of who I am or what you are about.

LET US EXAMPLE

Here is a bullet to the heart and since it be written in pure hatred and ignorance beyond challenge, I shall share it. What this one does with me is one thing—but tell me why my people should open arms and welcome in ones after such attack? Ah indeed, there ARE local ones who continue to come within the circle—first to touch visitors and claim their allegiance and then

PARENTS
by Ken Coons

*If you are a parent with children to rear
And you wish them true happiness,
You want them to learn all
the things that they should
And someday to be a success.*

*Then there is a way that
these things can be done
Without all the tension and stress.*

*Remember these four simple keys,
if you will
And you will be happy to find
It will be a pleasure for them and for
you,
For this way is pleasant and kind.*

You first must instruct them,

*and then you must guide,
Encourage, with praise right behind.
Now when you instruct
make it simple and clear
And make sure that they understand.*

*Then leave them alone and allow them
to try
Before stepping in with a hand.
Some need to ponder things over a bit,
No two are alike in the land.*

*When you need to guide them
and show them the way
Example will play a big part
If you show the way by
the things that you do
It gives them a good running start.*

*When they see you practice
the things that you preach
It somehow impresses their heart.
Encouragement builds up desire to try,
Without it the task can't be done.*

expect the "people" in point to deliver audience BECAUSE it is assumed the speaker MUST accept whatever—because of my presence. Well, I AM EVERYWHERE—and the speaker is NOT ME! I repeat—an insult, however, sent THROUGH my speaker—is actually an insult directed at my speaker and/or ones of hers/his important attachments—for if there is believing—one goes directly to source—i.e., ME! So ones act in perception of correctness and chop their bridges and burn them to the ground—then, "Oops, I guess I erred—but God forgives so automatically I am venerated!" No you are NOT—for God expects the blunders and utilizes them as lessons—just as this immediate writing in point.

I told you that when you "play games" it is dangerous just as with astrology and fortune-telling of any kind. Numbers used in any manner, save the basic foundation of mathematics, is going to get you into trouble the same as any other thing of which you KNOW only a tiny smattering of a "thing" IS.

This following came from C.E. in Reno, Nevada and I hope that someone will see that she gets this response. First, print the letter:

On Nov 17th: (Liberator)

"I have one last thing at this moment to say to Commander Gritz. I AM EXACTLY WHO I SAY I AM—I COME WITH THE SON WHO IS CHRISTED SANANDA—ONE WITH GOD AND I AM THE FATHER OF THAT SON COME THAT MY PEOPLE BE RECLAIMED ALONG WITH MY CREATIONS. YOU, SON, HAD BETTER BE VERY, VERY SURE OF WHAT YOU DO FOR YOU ARE NOT GIVEN ALL TO SEE AND KNOW AND CONCLUSIONS JUMPED TO IN ANGER AND PERCEIVED "RESIGNATION" JUST MIGHT BE INCORRECT!***"

CANCEL MY SUBSCRIPTION AND RETURN THE UNUSED BALANCE TO:
C.E.

So be it. However, it might be better to note the rest of the rules and the story. You assume you have done a very, very CLEVER

COUP. You have done nothing but PROVE IGNORANCE. You have taken a name out of context and out of language in use for the very game at hand. My name in your language and in use—IS "GEORGE"! "Gyeorgos" is a name used in Greece and written in the Greek alphabet wherein the "sound" is best described in your English as GYEORGOS! You have no way to "count" with your numbers in the Greek alphabet for it differs as much as Chinese script or Arabic.

So, by your own numbers above:

G 42
E 30
O 90
R 108
G 42
E 30

342 = 3+4+2=9 (ONE OF THE SIGNS OF "GOD"!)

Now, WHO is injured from such a "game"? ME? MY PEOPLE? OR C.E.? "I AM EXACTLY WHO I SAY I AM!" WHO MIGHT BE C.E.? You ones had best go back and read carefully WHAT I SAID ABOUT THIS FOR THE EGG ON FACE IS NOT MY EGG NOR MY FACE!

There are so many versions of this game above that you had best be most careful because if you don't know them all, and make a slip in "knowing"—you are going to have a whopper of an egg sandwich! Further, if ALL you use for discernment IS THE GAME—you shall be caught in the trap of the game! Go in search of TRUTH in each perceived instance. How about a little "freedom in truth" lesson?

John: 8:25-32

"Tell us who you are," they demanded. He replied, "I am the one I have always claimed to be. I could condemn you for much and teach you much, but I won't for I say only what I am told to by the ONE who sent me; and He is TRUTH." But they still didn't understand that he was talking to them about God.

So Jesus (Esu Sananda) said, "When you have killed the Messiah ("Messiah" only means "messenger", students.), then you will realize that I am He and that I have not been telling you my own ideas, but have spoken what the Father taught me. And He who sent me is with me—He has not deserted me—for I always do those things that are pleasing to Him."

Then many of the Jewish (lazy translation—should be "Pharisees") leaders who heard him say these things began believing him to be the Messiah.

Jesus said to them, "You are truly my disciples (followers of the Truth brought forth—not the "man") AND YOU WILL KNOW THE TRUTH AND THE TRUTH

WILL SET YOU FREE!"

I do not like taking even this brief passage out of context, for words become flippant and without meaning in truth of definition—however, Truth must be sought diligently.

"Truth" is the correct answer in each set of circumstance and to base "whole cloth" on shreds and threads of different weavings—will merit you chaos. All is RELATED to ALL—but to insert poison into any drink poisons the entire of the drink! I suggest that you are simply living the LIE if you refuse the "whole" for you cannot base judgment upon any save the "whole".

A writer "IN SEARCH OF TRUTH" asks "Is it True:

* That \$950,000 in tax-payer money will be spent on the inauguration of the President? Isn't a simple "swearing in" more appropriate during these difficult times?

* That Citicorp has been trying to sell its parent holding company to Saudi Arabian interests in an effort to avoid FDIC closure under laws which take effect December 19?

* That CBS News anchor, Dan Rather, saw an un-altered version of the so-called Zapruder Film of the assassination of John F. Kennedy within days of the shooting, which clearly shows that the fatal shot was fired by the Secret Service driver of the limousine in which Kennedy was riding?

* That the New Jersey state assembly approved Assembly Concurrent Resolution 30, thus endorsing a Constitutional convention? A convention would allow New World Order groups to tamper with our Constitutionally-protected rights.

* That launching a satellite via a space shuttle is harder and far more expensive than launching it from a rocket? Why then does NASA continue to waste tax-payer dollars?

A very good set of questions for **You-The-People** among zillions of others. My mission is to also cause you to look at some of the questions and "search out the Truth".

I have so much information that there is no way to get it to you for it is now time for confirmations which allow you to understand and see—not count silly numbers upon which to "judge" that which should never be judged (THE MAN OR BEING) and allow information upon which valid discernments can be made and good and valid judgments OF ACTIONS!

This same author shares more with you. He writes a very good periodical but never divulges his name in the paper in

point. This is a very good idea—seeing as some will only count the numbers in his name (real or fashioned) and JUDGE him accordingly. So be it.

THE POETRY CORNER:

OUR NEXT PRESIDENT

*Bill Clinton will be President,
come January 1.
No darker day in history
has seen a setting sun.*

*This nation failed its greatest test,
while Satan had some fun.
Bill Clinton will be President
come January 1.*

*Bill Clinton will do as he's told
Bill Clinton is a whore.
When will this nation see the light?
Please, God, what is in store?*

*The people think they've found their man.
They've thought that thought before.
Bill Clinton will do as he's told.
Bill Clinton is a whore.*

*Bill Clinton is a puppet bought
by those who pay the bills.
There is no chance that he will change
the cause of all our ills.*

*We're headed for our darkest days.
That thought gives me the chills.
Bill Clinton is a puppet bought
by those who pay his bills.*

*Bill Clinton has achieved his goal
He'll sit upon the throne.
With Hilary close by his side
he'll reap the seeds he's sown.*

*The fact that we elected him,
this nation will bemoan.
Bill Clinton has achieved his goal.
He'll sit upon the throne.*

FinCEN

This may not mean much to you until you read further and, since I have written about these "troops", I would think that you would enjoy this confirmation of same. Again, names will be held except as listed by the writer of this article.

QUOTING:

MORE ABOUT FinCEN

On the Radio Free America broadcast of October 13, 1992, "Mark from Michigan" went into elaborate detail about

the presence of United Nations troops upon American soil; the creation of the MJTF police, which he claimed stands for the "Multi-Jurisdictional Task Force", and an organization he called FinCEN. Mark claimed that these three organizations are part of a three-tiered objective. **[H: Now my purpose: He is correct!]**

I have found no documented mention of MJTF police.

However, my investigation into FinCEN, which Mark claimed is "the second element...four military and secret police units inside the continental United States", leads me to a brochure published by the **Financial Crimes Enforcement Network** in April 1991. The brochure states that, "Secretary of Treasury Nicholas F. Brady officially established FinCEN by an Executive Order dated April 25, 1990. This order set forth the FinCEN mission to provide a government-wide, multi-source intelligence and analytical network to support law enforcement and regulatory agencies in the detection, investigation, and prosecution of financial crimes...currently staffed by criminal investigators and/or analysts from Customs, IRS, DEA, Secret Service, Postal Inspection Service, FBI and BATF."

(For those unaware, Mr. Brady is a Bilderburger and a member of both the Council on Foreign Relations and the Committee on the Constitutional System. These organizations seek to establish a world government, being sold to the public as a New World Order.)

This is the first instance I have seen where it was suggested that someone other than the President writes Executive Orders (EOs). But it appears to be true, since no EO was written by President Bush on the date cited by FinCEN. **[H: Pay attention!]**

To further complicate matters, a reference to FinCEN appears in remarks made by President Bush at a "Luncheon for Newspaper Publishers" on January 25, 1990, three months prior to FinCEN's claimed date of creation. Quote: "Treasury's newly created Financial Crimes Enforcement Network will improve financial intelligence."

Based on this earlier reference to FinCEN, I searched for an EO issued in 1989. Again, I found nothing. I did find the Intelligence Authorization Act of 1990, passed as Public Law 101-193 on November 30, 1989, which authorizes appropriations for intelligence activities to 10 prominent government agencies, including the Department of the Treasury. I also found that FinCEN's 1992 budget "for necessary expense" **exceeds \$18 million.**

The last item I found credited to FinCEN is "TRENDS IN MONEY LAUNDERING", an 11-page simplistic overview of various means used to launder money. It was published in December 1990.

Does Mark possess documents not readily available to the public which give credence to his allegations about FinCEN? Who really established FinCEN, and why? What useful function does FinCEN provide for the \$18 million per year it receives from Congress?

What has been published about FinCEN leaves many questions unanswered. My search for truth about FinCEN's origins and purpose will continue. But from what FinCEN acknowledges in its own brochure, I conclude that FinCEN violates my right to privacy as provided for under the 4th Amendment to the Constitution.

Tom Valentine, host of *Radio Free America*, says he has not received the "4-1/2 inches" of documents Mark promised to send him. Valentine also says attempts to reach Mark at the telephone number provided (by Mark) have not been successful.

Has Mark pulled a "snow job" on information-hungry listeners of *Radio Free America*? Has he been "silenced" by someone? It appears that whether, or not, Mark is correct concerning his specific charges, FinCEN is meant to play a role in the **New World Order.**

END OF QUOTING

Included here is a small map which I have also "received". I will tell you in advance—IT ONLY LISTS A MERE PORTION OF THE LOCATIONS ACTUALLY IN FULL USE AROUND YOUR NATION. WE SHALL INCLUDE IT ANYWAY BECAUSE THE PLACES MARKED ARE WHERE PEOPLE HAVE LITERALLY SEEN AND VERIFIED THE TROOPS. [See next page.]

Keep in mind the "description" noted and the description of ones involved in door-to-door confiscation, etc., in East Lansing. The black uniforms (sometimes so dark brown that you cannot tell the difference except in well-lighted circumstance). There will usually be a round emblem stating FCEN or even FEMA. You have to understand that the EO spoken of is actually the FEMA Law.

There is no way in which I can more strongly urge than have others of searchers after the truth of these horrendous things come upon you: Do not blindly accept that which you read, see on television, or, hear on the radio as truth, including all our publications—go VERIFY! The Truth is out there if you will but accept it.

By the way, I continue to get pounded by ones who continue to question Bill Cooper. Why do you continue to concern over him or me or our relationship? GET THE TRUTH AND USE IT—MEASURE THE MESSAGE—NOT THE MAN.

Besides, I do NOT judge one Bill Cooper

and I have a lot of patience while ones search out my own presence—Cooper included! I dedicated a JOURNAL to the man for the truth which he HAS shared—WHAT HE THINKS OF ME IS NONE OF MY BUSINESS! I simply do NOT accept the portions which are disinformation and B.S.—most of which centers around extraterrestrials!!! "I" happen to be an "expert authority" on that subject and the UFO "community" is basically nothing but disinformation/misinformation nerds! If you ones continue to consider the extraterrestrials come to your place as idiots and warmongers—you are in sorry disinformation as to capability at the very least! If you continue to deny the "Hosts" of God you are going to be in even worse dilemma pretty soon now. You had best be considering the venom spewed by the vipers as that which it is—destructive and deadly poison—for that serpent of the New World Order is exactly what he projects himself to be—a deadly viper!

SO WHAT OF GEORGE GREEN?

What OF George Green? You claim that he is "one of them"? What is "one of them"? George Green is owner of America West Publishers. He does the very best he can from thousands and thousands of pages of our offerings to you. He has had

his own experiences from which he speaks. His wife speaks on the relationship IN TRUTH with God, Jesus, and the errors and absolutes of integration with US—when we show up in a form you can recognize to claim God's property. What else do YOU wish me to say?? I have found these ones to be doing the best they can and except THROUGH THEM—you would not have this WORD! God expects not perfection—GOD EXPECTS YOU TO DO YOUR VERY BEST IN HIS SERVICE ACCORDING TO THE LAWS AS HANDED DOWN FROM HIM AND WITHIN CREATION—NO MORE AND YET, NO LESS. HUMAN IS FALLIBLE—BE YE SO IN PERFECTION THAT YOU CAN "JUDGE" ANOTHER?? TAKE "TRUTH" AND IT BE ENOUGH!

AIDS AND THE NEW TB

Next I would share an article on AIDS and consider TB. The article comes from New York and shows the duality of treatment of ones with AIDS and those with TB as relates to the health system concerning deadly transmittable diseases. Could it be that you will find WHY TB is going to be reclassified and included in with the AIDS diagnosis? Is this a move to isolate both or to complain about the incarceration of TB patients? Either way it smacks of the NWO VIPER'S bite.

Keep in mind BOTH diseases as you read. Also **KNOW that the new strains of TB are resultant directly from the virus series created for AIDS.** Therefore, that which we have suggested as viable help for such disease will serve as well for either to improve state of health and feelings.

LAST RESORT: LONG-TERM DETENTION

QUOTING: (We are not given the full identifying information from the paper. It comes from New York and it is recent as within the past week).

Amid its scramble to catch up with the runaway tuberculosis epidemic, [H: **Oh, didn't you know?**] the city has proposed an amendment to the health code that spells out the power of health officials to **detain** noncompliant TB patients during the **full course of their illness.** Though existing statutes already grant officials wide powers to confine individuals who pose a public health threat, [H: **Good grief, there has never been a greater public health threat than this horrendous AIDS plague.**] until now, the practice has been to limit TB detention to the contagious stage, which lasts two to 12 weeks. The amendment means patients may be held for up to two years.

The justification, say officials, is that most short-term TB detainees simply stop

taking their pills after they're released, increasing the likelihood of a relapse or the development of deadly, drug-resistant strains of the disease. "How could I in good conscience let someone out of the hospital just to go home, relapse, and infect his wife and baby?" asks Thomas Frieden, director of the city's Bureau of Tuberculosis.

Indeed. No one disputes that drastic measures are needed to ensure that patients finish treatment. The TB caseload in New York has leapt 142 per cent since 1980, with one in five cases resistant to standard therapy. And nothing the city has tried so far seems to be working. [H: **One reason for this is that tuberculosis is caused by a specific entity—what you have now are "programmed" entities which mimic but are NOT the same as the tuberculosis-causing element you "used" to recognize and respond badly to all recognized treatment for the disease as once described.**] "Chronic detention is the last of a hierarchy of interventions, all of which have been tried," Frieden adds.

But critics of the amendment say in fact very little has been tried. "New York is a program in chaos," charges Lawrence Gostin of the American Society of Law, Medicine & Ethics. "It offers a system of detention or nothing."

The city does promise to expand its Directly Observed Therapy program—a kind of health probation where caseworkers rendezvous with patients daily or weekly to watch them take pills, making detention unnecessary. The current staff of 140 TB outreach workers will grow to 250 by June. But DOT can't adequately track people who don't have a fixed address and its paternalism drives some patients away.

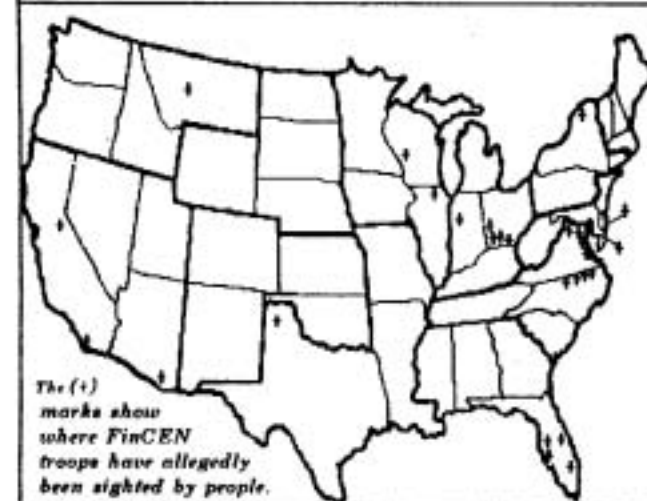

The city has also tried more positive incentives, such as handing out food, cash, and tokens along with pills to encourage compliance, but so far this effort has proved largely cosmetic. Free Pepsi can't offset the usual long wait, malfunctioning X-ray machines, and substandard follow-up that patients endure in the city's nine TB clinics. "People don't care about free food or TV," says Frederick "Slim" Brown, who resides in the Bellevue TB shelter.

Brown only agreed to remain at the shelter because he was promised a transfer to private housing. Advocates have long argued that the best way to ensure compliance is to help patients develop a stable lifestyle. But health officials seem reluctant to tangle with the housing bureaucracy. Advocates have brought a lawsuit to require the city to provide safe housing for all with HIV or TB, and the state's AIDS Institute recently offered \$5 million for that purpose, but the city, reluctant to take on the burden of coordinating scattered-site housing has yet to accept....

FinCEN Troop Locations?

I recently received a map from an individual who believes, as does "Mark, from Michigan," that FinCEN military troops have been spotted at various locations around the country. However, this individual could not provide documentation "at this time."

I am providing this map not as proof that FinCEN troops exist, but as a tool for individuals who are looking for the alleged black uniforms.

I see no need to finish the article as it repeats itself—however it provides a look at what is actually going on. **You must understand that Hepatitis is also at epidemic proportions in many places in your nation—specifically hit are prisons, homosexual groups, etc.**

Now, it must likewise be looked at that there is massive TB AND HEPATITIS RUNNING RAMPANT ALONG WITH STARVATION IN PLACES LIKE SOMALIA!

"Ah, but we are vaccinating and inoculating our troops before they go over there!" Indeed! And so did you inoculate appropriately for **diseases which are now killing your returned Saudi Arabian Gulf War troops—from the vaccine.**

Also, REMEMBER—AIDS WAS INTRODUCED INTO THE WORLD THROUGH THE WORLD HEALTH ORGANIZATION IN SMALLPOX VACCINE IN AFRICA. IT WAS ALSO INTRODUCED INTO THE U.S. THROUGH HEPATITIS "SHOTS" IN NEW YORK! Indeed you have just vaccinated and inoculated all those unsuspecting troops going to Somalia. I remind you that you are dealing with diseases which have lengthy incubation periods and you don't know until "after" the fact! Better get out those stringy yellow rib-

bons for you will need them.

In leaving this writing I must refer to some notes regarding Nostradamus and recent writings regarding predictions from a couple of very good speculators. One says beware of the lunar eclipse due around the 9th of December. Another says no, Nostradamus means an "October" surprise. What I ask that you ALL do is just pay attention—watch for that comet's tracking and know what is going on around you and to you. Things will unfold exactly as they will unfold and IF YE BE PREPARED—then what difference does it make?? My point, chelas, is that you cannot continue to simply babble and prattle, argue and sit. You must be prepared and then, only then, can you get on with that which MUST be done.

It must be realized that things such as the Bible and such as the works of Nostradamus can be tampered and changed to suit the needs of the ones who tamper and you cannot know. Things that often "seem" right ARE VERY OFTEN "NOT". I have no more than observations regarding one Michel Nostradame—other than to note that if his quatrains are correctly deci-

phered, he has not been shown to be wrong—only the decoders. However, I have no interest whatsoever in prophecies—except as to analyze where man is headed and what needs be given in order to "head him off". YOU HAVE "FREE-WILL" CHOICES IN YOUR CREATED EXPERIENCE—SO YOU CAN CHANGE IT ALL IF YOU SO CHOOSE. I WONDER IF ANY WILL DO IT.

We present these wonderful writings and sharings because they bring interest and fullness to your life-stream but you must remember something: the stars, etc., in the cosmos only represent a given "thing" from perspective of viewer—in my view, from out here—we see nothing AS DO YOU!! Moreover, we label nothing the same as you, except as perhaps where history has not managed to obliterate the original. YOU are going to make the difference in YOUR experience—not anyone else, be they prophets or liars—IF YOU MOVE WITHIN "TRUTH" FOR TRUTH PRESENTS IT TO YOU BUT YOU HAVE TO GRASP IT!

Salu,

Hatonn to clear within the Light of Radiance.

EARTH FAULTS

I am amused at my scribe today, more than usual, because as things come into her attention which she thought she knew not—we have interesting reactions. Please, chelas, understand that you are NOT to have things so in advance of others as to be "incredible" and unacceptable to the readers. THIS is THE frustration of serving in "ground crew"—you have to accept that, yes, you do know—and, NO, YOU MAY NOT CONSCIOUSLY RECOGNIZE THAT "KNOWING". EACH MUST SERVE PURPOSE AND "MISSION" AND WE MUST ALWAYS NOW GIVE THAT WHICH IS REASONABLE AND CAN BE VERIFIED—NOT MYSTICAL, PSYCHIC IN NATURE OR SO DISCOUNTABLE AS TO LOSE THE ADVANTAGE OF THAT UP-FRONT INSIGHT. IT IS TEDIOUS INDEED. KNOW THAT OUR PURPOSE IS TO WRITE FOR ALL PEOPLES ON THE PLANET BUT ALSO, GIVE OPPORTUNITY TO ALL WITHIN THE "CREW" TO HEAR AND HEED THEIR OWN CALL. MUCH GOES ON AWAY FROM THIS LOCATION AND YOU ONLY NEED TO ATTEND "KNOWING" AND DO THAT WHICH IS YOUR TASK. Dharma, for instance,

does not need to concern with that which is going on in, say, Washington D.C. by our brotherhood—only her task and expect the connection in its proper time to validate the "whole".

This is WHY there is no need to "rush" to this location for you must understand that especially if you are in the working network—work must be done in various and sundry manners all about the globe. THIS is the place wherein the WORD would be given forth—but many "actions" would be necessary from other places to allow that the work be done at all. Also, you will have to work through the spider-web of ones out to stop the Truth and therefore comes the adage that you need to kiss a lot of frogs to find the prince.

The point is that we have kept away from speaking of remarkably dangerous faults under the very city of Los Angeles, with Dharma KNOWING of their presence—for many reasons, but the most important is "causing the populace of the area to take it seriously".

Are these new "faults" actually faults of natural cause OR are they manmade? Your geologists would not know the difference and how on earth do you suddenly just "find two new faults" touted, now, to have been there forever as "very old" faults??

Do you see the ridiculous nature of the announcement hitting the news this day? Do you also note that it made early headlines ON CNN?? Why?? This is a "nothing" sort of "discovery" in a networked area of faults criss-crossing the entire coastal area along the meeting lines of tectonic plate activity.

I think you will find it mandatory to look at what is presented here with these two "new faults". [See map on page 32.]

The "faults" do not run properly directed, they run the wrong direction as to plate activity—and both are short from end to end—one being at least 4 miles long and passes directly **under downtown L.A. high-rise district, following Wilshire Boulevard northwest along MacArthur Park and then continuing to Hollywood, where it "sort of" joins the "Hollywood Fault".** The other, Echo Park Fault **starts just south of California State University and stretches northwest to a point just south of good old "Dodger Stadium", then cuts through the north end of downtown near "Chinatown" before continuing directly under the Hollywood freeway past Echo Park to about Vermont Avenue.**

Now to you who know nothing about Los Angeles this will mean little indeed. To you who know this area as does Dharma it

answers myriads of questions and literally strikes a bit of terror into the heart—for these two faults alone can (and will) take out the entire area of Los Angeles.

Are you "being prepared"? Absolutely! Well, what can you do about your "relatives" and "loved ones" in the area who have no seeming interest in survival, belief in that which is coming or, or, or? Just what you must do in every instance—give them the information and release it—knowing that it is THEIR journey and not yours; you cannot do anything about their "safety" at any rate and "worry" for the sake of "worry" merits nothing but immobility.

As visions of Truth are given to ones, such as Dharma, this is all but paralyzing for a minute until balance can be regained. Dharma worked in the area of Hollywood (at Children's Hospital of Los Angeles) for many years and she has "seen" the area split wide open with people not only falling from earthquake activity but from fumes of deadly toxins rising up from the very streets in point—Hollywood Blvd., Sunset Blvd. and Vermont Avenue. All these streets intersected at the approximate location of the hospital in point.

With this "new" information will the hospital be abandoned because she now KNOWS? No! These are the things which must be "released" because YOU CAN DO NOTHING FOR ANYONE ELSE! When might "this" happen? Well, since they saw fit to announce something which must have been both known and discussed long before coming public—it obviously is imminent in prospects, is it not??

The underpinnings of the city itself (just as is San Francisco, New York, Chicago, etc.) is on a latticework of fractured and "tunneled" (natural and manmade) foundation. The city structure is already "sinking" from the massive weight on the surface and when it "goes" in a large enough impact—the place will fracture and shatter—literally "crumble" as it were.

"Well, but YOU must get the information out!" you will scream at me. I try and I have the same results YOU do—as I am called Satan and our work and word—evil. Common SENSE will tell you that what we say here—HAS TO BE CORRECT BECAUSE OF TOTAL LOGIC AND REASON. GOD IS NOT MYSTICAL—AND LOGIC SUITS EVERY NEED—YOU ARE MYSTICAL IN SEARCHING AND LOGIC AND REASON HAS LONG SINCE BEEN DRUMMED OUT OF YOUR THOUGHT PROCESSES. Further, ones in the area will say, "...but I can't AFFORD to move." So be it—my reasoning says that you cannot afford to longer stay!

"But what will I do to eat IF I move and to where will I go? My home and everything I have along with my 'job' is within this or that placement?" So? Why ask me? I do everything I can to help you and no, I shall do no more. What will you do "if" the whole

place falls down? What if you "lost" your job and could get no other—would you lose the property? Would you starve or go get "welfare" or what? Why do you think I, and my crew, should attend those things? We have absolutely ALL we can handle in this location and still ones come thinking that just because they COME HERE that somehow their livelihood depends upon me and mine. NO—not so!! It is LESS that way than in any other location I can see. Besides, without the full intent of God in "service" and no other intent—this is about as unstable and miserably dangerous a place to be as any other I can see anywhere on the face of the globe! WE have reason to be HERE—you very probably DO NOT!

"Well then," you might ask next, "...why didn't you tell us about those faults?" I did—and now "they" have to own up to it! Does this make a difference? WHY?? YOU

THE WORD NOW ACCEPTS VISA, DISCOVER OR MASTER CARD

HAD BEST BE LOOKING MOST CAREFULLY AS TO "WHY" THINGS ARE IMPORTANT AND NOTABLE TO YOU. YOU SEE, THIS WILL BE BORING INFORMATION TO ONES IN PENNSYLVANIA OR VIRGINIA—SO GO DEMAND FROM THE ONES IN "THAT" AREA—THE TRUTH OF YOUR OWN LOCATION! DON'T ASK "ME" OR DHARMA—GO DEMAND INFORMATION—THE EARTH "BOYS" KNOW ALL ABOUT THESE THINGS IN EVERY LOCATION AND HAVE USED THE INFORMATION FOR THEIR OWN PURPOSES!

POLITICS

"Why don't YOU do something about this political mess and fix it for us?" is next. Why? Do YOU deserve it for some reason? Do YOU deserve, somehow, God intervention against another in favor of your wishes? How so? Well, fortunately for YOU, some are doing something on their own and getting a lot of help from US! For instance, there is plenty of assets to completely bail your nation OUT! Further, there is movement afoot whereby both Clinton and Bush will probably have to step down as proof comes that Perot won the election. Can you depend on that happening? NO—but it is under way as ones are finding various ways to take back some of what has been stolen—as in farms and land take-backs. But this is being done through Constitutional Law and not through violence and war.

Can it be done actually? Yes—but not if you continue to think yourselves helpless and God incapable of such massive change. A few totally God directed and intentioned people can perform the "miracles" you need. The adversary will undo himself in those circumstances—but not easily nor nicely. All will not appear to be perfection either—but it will be workable—TOWARD perfection. Will it magically be perfect in "my" own "little world" so I can go back to sleep?—might well be a question in point. NO, NO AND NO. YOU will get exactly what you have given out and if it be in the form of evil, I suggest you begin to expect evil in return. It is time to make choices and find your direction for time is about gone for same!

If you are in God's service already and are seemingly "caught" in bad locations in your own mind—WATCH THE OPPORTUNITIES PRESENTING THEMSELVES. DON'T EXPECT IT TO SOMEHOW BE "HERE"—BUT IT WILL BE "SOMEWHERE"—MOST LIKELY NOT HERE! I REMIND YOU THAT THE PLANET WILL BE DEPOPULATED AND EVIL WILL DO IT TO SELF. THOSE YOU "THINK" AND FEEL ARE GODLY JUST BECAUSE YOU WANT TO BELIEVE SAME—MAY WELL NOT BE AND IT IS NOT YOUR BUSINESS! For instance, ARE those children you love so

much and who won't listen—truly Godly? Do they "practice" God's laws and attend God's Creation?? How do "THEY" treat, for instance, "sex"—"money"—"family"??? Are they truly worthy of being snatched out of circumstances—or is it that YOU want it?? There is a difference and perhaps it is time YOU take stock of it. You are no different than Dharma and E.J.—They have children who patiently ignore and discount, or, simply don't take a minute to even consider possibilities and "if it happens, God won't really let it happen to me because of Mom, etc, etc." WRONG! Mom doesn't have any say in it to speak of except where our own "service" contracts are concerned. If the child would rather continue in the full knowledge of evil trappings, drinking and greedy for more and more "things"—the person is responsible—not the mother—and herein, the "mother" must release and realize the difference. The only difference is that in contracting for YOUR service those who do serve in full intent and within God's laws in full recognition—yours will be given a second confrontation for decisions so that at the time of chaos our servants will be able to consciously serve and not be pulled by that which they cannot control but does immobilize. If you "just want to get someone off!" be sure YOU are in position, first, to even ask such service. If you don't understand the difference in this statement and that which you "thought", I suggest you sit and ponder it most carefully. Simply knowing and recognizing Hatonn—does not actually mean much just as in realizing there IS a God somewhere "but I don't want to do anything he suggests!" "Well, but I thought you said that sins are natural, etc, blah, blah!" I certainly did! "Well, what of Dharma?—is she without sin and thus and so?" NO—but she sure tries her best in full intent of service as asked and within all the laws as she KNOWS them. But, what SHE does is NOT what her "son" does! Nor is it what her daughter does! Each has their own path and penalties or rewards as applicable to actions and thought intent. Her ticket is not their ticket! Does this make you uncomfortable? Then I suggest you have not studied all that we have brought unto you.

So, you might wonder, "Well, gosh, these old E.T.s aren't funny any more." "Do you mean, I can't dump my wrongdoing and thoughts off on some man from 2000 years ago?" RIGHT!! HOW DID YOU EXPECT GOD TO BE?? HOW DID YOU EXPECT HIM TO "RETURN"? DID YOU EXPECT HIM TO BLESS THE EVIL PRACTICES?? IF YOU DID—YOU ARE INCORRECT! IF YOU DON'T LIKE

THIS THEN I SUGGEST YOU GO RIGHT BACK TO THE CHANNELS AND TEACHERS, PREACHERS AND FORTUNE TELLERS AND LIVE IN TOTAL STUPID STUPOR UNTIL YOU ARE SMASHED! GOD IS NOT HERE TO SAVE ANY OF YOUR ASSETS! NOT EVEN YOUR "ASS"! WE ARE HERE TO ATTEND YOUR SOULS IN TRANSITION AS GOD RECLAIMS HIS PROPERTY! IF YOU DON'T LIKE IT—I AM SORRY FOR YOU BUT IT MAKES NO DIFFERENCE TO MY PURPOSE. We will bring as many home in security (and that means in "human" form) as will come—we do not snatch bodies nor coerce or force any being! But you don't like that? You better go look at who led you to BELIEVE OTHERWISE and why you thought it would be different! YOU KNEW IT WOULD BE THIS WAY—YOU FOOL NO-ONE, MOST ESPECIALLY NOT GOD!

This mission is not one to come rescue the "kids" who find themselves in a place and situation which suddenly looks pretty bad to them—YOU GOT INTO THE MESS—YOU WILL GET YOURSELF OUT. IF YOU COME WITH GOD AND ARE WILLING TO WORK DILIGENTLY ONLY IN HIS SERVICE—HE WILL PROVIDE IN PERFECTION. IF YOU WANT TO "DO IT YOUR WAY" WITHOUT CHANGING THE HUMAN LUSTFUL DIRECTION—SO BE IT—CONTINUE! WHEN YOU WANT TO CHANGE THIS THING BADLY ENOUGH INTO THE RIGHT DIRECTION—YOU WILL DO IT, NOT BEFORE. IT IS A TIME OF EVOLVEMENT WHEREIN NONE SHALL REAP THE REWARD OF ANOTHER! YOU WILL EARN YOUR OWN GOODLY REWARD OR YOU WILL FORFEIT IT TO THE ADVERSARY!

You want to say that the man in the gutter is equal unto God. That depends on circumstances, does it not? Further, it has nothing to do with God's "equality". Why is the man in the gutter? Oh, he is addicted—"but his intent sounds good!" No, not so—if his intent were truly in KNOWING goodness and God—he WOULD NOT BE IN THE GUTTER FOR ALONG WITH DESIRE TO SERVE MUST COME THE REALIZATION THAT, FIRST, MAN MUST HEAL SELF AND THAT MEANS THROUGH GOD—CURE SELF OF THAT WHICH KEEPS YOU IN THE GUTTER! If a man be in the gutter to help his brother who still wallows in the gutter—this be different! NO MATTER WHAT IT IS YOU WISH TO ACCOMPLISH—EVEN IF IT BE EVIL—WITH THE HELP OF THAT HIGHER KNOWING IT WILL BE ACCOMPLISHED!! BUT IT WILL BE ACCOMPLISHED BY "SELF". This is exactly WHY the "12 step program" of AA works—BUT NOT IF YOU WHO ARE IN NEED DON'T REALLY WANT IT TO WORK! PONDER IT. If your intent be Godly then

your works will be Godly. If your intent is to glean wealth and become more dastardly—then you will find yourself a total success in dastardliness. You who consider yourselves "failures" have actually totally "succeeded" in exactly that which you set out to accomplish—and failure is ONLY in your own perception. HOW MANY PEOPLE HAVE YOU HELPED ABUNDANTLY TO ACCOMPLISH THEIR OWN SUCCESS AT FAILURE? YOU PARENTS, ESPECIALLY, HAD BEST LOOK AT THIS!! NO MATTER HOW MUCH YOU MAY WISH A THING AND OFFER AND OFFER HELP—UNTIL THAT OTHER WANTS SUCCESS AT PERCEIVED "SUCCESS" YOU ARE ONLY HELPING TOWARD THE SUCCESS AT "FAILURE".

The above holds true for any who would "take" and who say, "...well I'm here now and I'll straighten this all out for you!" This is absurd and an insult in perception that you of us are not capable of being exactly where you are supposed to be. Moreover, who REALLY asked for their presence: ME? or, "themselves"? If you feel God doesn't have His own projects in perspective—then you certainly don't have any true perception of our presence! Moreover, you do not have good reading or listening perception. Ones are lined up and doing whatever is required in the waiting for opportunity to serve—newcomers will find ice-water running in the streets when they perceive "they" will walk in and fill those surmised spaces. The crew is very small

and God has EVERYTHING and EVERY-ONE HE needs when HE needs them—so each had best be listening—not for opportunity to get in and get with it—but WHERE DOES GOD INTEND ME TO BE!?! Special talents merit special placements in order to fill the jobs as earthbound systems must function within that which already IS. This is not somehow "un-

fair"—this is JUST as God always IS. KNOW too, that "God's delays are not God's denials" and if you jump your own gun then you shall be shot by it! So be it.

Dharma, I need you elsewhere right now, chela, so please close this down for now. Thank you.

Hatonn to stand by, please.

Patriot Movement

(Continued from page 1)

office is not to this government or to the President or any of those offices that deal (***) with the Constitution and they gave them an ultimatum that they're either going to return to Constitutional law in this country under their own initiative, which is to take place right away or else the military was going to step in and take over the country, whether there was bloodshed or not, and restore this to a Constitutional Republic under the Constitution as being the governing law again.

He said that the guy up in Canada told him he (***) involved in this company International. They sell all over the world. And they can't do any business in the United States because of the total fraud and corruption involved with the banks and our government. They couldn't get in to do any business in this country. Dan said that he was told that on December 9, the United States Supreme Court is supposed to hear the real Thirteenth Amendment which was allegedly passed and then hidden from us, which prevented titles of nobility. He said that that made it all the way to the Supreme Court to be ruled on December 9th. He heard Robert Bork on another talk show, a radio talk show, here in the last week and he asked him what he's been doing for the last year or so and he said he's been out there doing everything he can to return Constitutional courts to our country...we don't have any and he says that we want to get back to Constitutional law and get Constitutional courts back in the land and he said that Rhenquist is also in favor of supporting that and he wants to get back to Constitutional courts. The banking holiday, he said, by December 17 the Federal Reserve will be out of business. They'll be completely gone. The 19th is supposed to be a banking holiday where they're going to come out with the brand new money backed by silver, silver certificates, United States treasury notes. There's only going to be 5 banks left and they're all going to be called the Bank of the United States. All the other banks are all going under. They're all bankrupt; they don't

have any money. And he said all this money that's been loaned out overseas, Congress hasn't got the authority to give away our assets or money and that all of it that's out there is going to be demanded to be repaid and brought back into the country.

What else did he say?

The guy said, "It's a done deal." This is all going to be in place before they announce it and he said the military is not going along with anything anymore to sell out our country. They're not having anything to do with it. They're going to back the people and they said that they would renounce their oath of office, if they had to. They're not going to allow our country to be turned over to these gangsters and this international crowd. They were investigating and putting judges in jail right now. They have got over 110 judges, we were told, that have already been either resigned or pulled from the bench; that they've got several others under investigation. Four, that we know of, have already been committed to psychiatric wards for evaluations because they're trying to fight what the military is doing. That the military will investigate any of these "prisoners" for felonies under Title 18 Section 4. All you have to do is make out the complaint and they will conduct a private investigation and they are the ones claiming we're still under Martial Law in this country and that's why the military is going to clean it up.

Going to have a bunch of people arrested here, down the line. Lot of 'em are going to be changing places with people in jail.

Yeah.

The Internal Revenue Service supposedly is going to be a thing of the past. They're also going to be out of business because they're tied with the Federal Reserve Bank. They're just a collection agency

Newly found faults: The MacArthur Park and Echo Park faults have been discovered in downtown Los Angeles. The MacArthur Park fault is at least 4 miles long. It passes directly under Los Angeles' downtown high-rise district, following Wilshire Boulevard northwest along MacArthur Park and then continuing to Hollywood, where it probably joins the Hollywood fault, geologist Jim Dolan of the California Institute of Technology in Pasadena said. The 8-mile-long Echo Park fault starts just south of California State University, Los Angeles, and stretches northwest to a point just south of Dodger Stadium. Then it cuts through the north end of downtown near Chinatown before continuing directly under the Hollywood Freeway past Echo Park to about Vermont Avenue.

for those guys.

They're going to take a lot of these judges and Internal Revenue Service agents and attorneys that have been prosecuting people and they're going to prosecute them and put them in jail. And they're going to let everybody that's involved in the crime, that's been charged with a crime by the Internal Revenue Service that's in jail is supposedly going to be released. They're going to be openly called nothing more than political prisoners and they're going to get damages for 3 times the value of whatever they've lost through these illegal seizures and levies of property. And for those who have spent time in the jail—they're going to, they won't even have to sue, I guess, they'll just have to state the value of their claim and the government is going to pay them back with real money for 3 times the value of what they've lost. The guy said that's another one that's "a done deal".

Congress and those people are meeting secretly to do all these things that need to be done to bring us back to our Constitutional Republic, right now. It'll be in place here by December 21 or 22. Dan, for the first time, said he sees some real light happening in the country because we've heard of judges making good rulings out in Colorado and other places out West now where they've overturned these convictions the Internal Revenue Service got on these 1099 returns...saying that there's nothing wrong with what the people did, it was all within the law and that the real criminals are the Internal Revenue Service and the prosecutors who prosecuted the people illegally and unlawfully. So they're going to have to return their fines to these people and that the Federal Land Bank, the Production Credit Association and the Farmer's Home Mortgage Companies...none of them are registered in any of the states...licensed or certified to conduct or do business in any of the states. They've been doing so fraudulently. It's an illegal business practices and they're going to have to—if they don't return the land they're going to have to pay back the farmers for the land they stole 3 times the value of the original price of the land that the farmers had stolen from them by these criminals. So, it looks like this whole thing is coming unraveled and that there shouldn't be too much longer here before we're going to get back to Constitutional government and the real criminals are going to be the guys with the, I guess, the judges and the attorneys and the Internal Revenue Service and these crooked bankers...they're all going to be going to jail.

That's what it looks like.

They're going to get them for sedition, treason, and conspiracy.

Umhmm. And the reports you have are coming from a different section than the one that's on the other side of this tape.

Yep. And it must be good information because it's coming in from all over. We're hearing more and more stories that just confirm that's what is going on. I know that judge in my case was told by my friend, the informer, that the information is Mr. Zadkoff is one of those judges that's under investigation for sedition and treason right now.

And we saw that New York judge was taken out, we've mentioned that. And so the people who get this tape are to read the paper that comes with it for immediate action and then as the informer suggests, if you don't want to put your name on you can put any name on and I guess your address...but they must hear from all 50 Republics...all 50 states. So, we'll just try to send it to as many as we can in the different states and then....

Distribute it to other parties and people that they know in other states, surrounding states, and get something going here. They only got a couple weeks to do it, so...

That's right.

Let's take our country back; obviously Yahweh has opened up the door for us to take our land back.

So we praise the Father and thank Him for making this opening for us and we'll do our part to get the information out and trust that each one will do likewise.

Man, these are exciting things...boy, I haven't heard stuff like that...

It's unbelievable.

Well, we could—I'm going to turn this off now.

Oh, you did. Uhuh.

And there's a lot of things that are going on, he says, that the 7th of January is when all this will come to the head. Because, on the 5th and 6th, although the minutes were written down that they would arrest them, they've already been

notified.

I see.

There will be no physical arrest on the 5th and 6th of December.

I see.

On the 7th, after I got done talking to him for about an hour he asked me if I'd like to run for President.

Is that right. You said, sure.

...the judicial system and everything.

Is that right, my gosh.

He said that the reason why they want this out, the names won't be put in there but when Germany asked them and also France, and then that's where is their support. In other words, if they're speaking for the people, where is the truth that the people are what they're speaking for. And, he said, of course we had a red face because we couldn't produce any documented evidence that America is a Republic.

I see.

So that's why they are asking for this.

For the cards to be sent in or the letters to be sent in?

Right.

So, he ah, said that whatever they can get, as much as they can get...

I see.

...in that short of period of time and because it has to appear as a result, he says, don't worry about the zip, I asked him about that. He said if we don't want to put the zip on there we don't have to put the zip on there, it will get there because they have a full time U.S. Marshal collecting the mail.

Is that right? My gosh. It's just amazing, isn't it?

And they said that in 1890 in the government documents they had, that's when the United States was sold out. And that the Federal Reserve existed in the mid-1880s as the family, and it was just an organization just like Uniform Commercial Code, it's not incorporated, just an organization...and that after 1913 they were incorporated in 1927.

Isn't that amazing information?

Uhuh.

And you really think this thing is breaking down then?

Yeah. From the way that they got it, he says, the only thing that we have to have is the support of the people.

I see.

And he says that no one is going to lose anything because they're wiping out all the federal loan programs and everything. They wanted to take it over and control it and the government wouldn't let them. So he says all the farmers are going to have all their property back and not one bank will be able to foreclose on that property...in fact, all people's houses will be debt free.

Is that right?

He says, simply because they have the gold and the bank has paper.

And what about the taxes like the property taxes?

He says all that would have to be worked out but if you own the property in alodium, you'll pay no property taxes.

Well you shouldn't, that's right.

The corporate state that has brought everything in, and those corporations that it created, has to pay the property tax.

I see; wow.

So he says they're trying their darndest to get it back to the Republic. In fact, everybody who will have to claim the money back...I asked him, what about all these people that have lost money and homes and jobs and everything because of the IRS? He says, well that will be taken care of because there will have to be a claim form put in. And, just everybody's (name?) on a claim form because they will have all the IRS records as to what was taken from all the people.

I see. Uhuh.

...they say, they took 50 million dollars from me when they took 35 thousand, and they will have all the records from the IRS.

Well, now you have supposedly three hundred thousand foreign troops in this country.

Yes, he says that the Somalian thing

that they have is a build up not to send the forces overseas but to redo all the forces in this country for the takeover of the invasion of this country.

For the takeover of the... Now, tell me what you mean by that? The takeover of what? From the U.N. forces?

No. They want to have a planned invasion, not this company, but the government wants to have a planned invasion and the build-up of the Somalian troops that are going to be sent overseas is just a front for the building up of the rest of the guards in order to implement this right after the banks because the Joint Chiefs of Staff had a meeting and they just had it last week and they had a meeting six months ago with the President and the Navy Department says they will not under any circumstances (unless Congress decrees it) leave this country and transport anybody to a foreign country to defend it.

Is that right?

Yes, that was six months ago and they just had a Joint Chiefs of Staff meeting knowing that the banking collapse is coming and what they're going to do as far as the military is concerned. So, he says they are really trying to nail them and he said Perot is in the bunch with it, the same as Bo Gritz.

And Bo Gritz is too? What about Jack McLamb?

He didn't say anything about McLamb.

What do you think about him?

I really don't know. I think he's on our side but so did I think Bo Gritz was.

Yeah, well, I've heard a lot about it. I sent you information on him, didn't I?

On Bo?

Yes. With what Campbell had put out.

Yes, I got that.

A lot of patriots have said, "We've been suspicious of him for a long time." Can you believe that that man could be that way?

Oh yes. If he's working for the government, then, you know.

Oh, but the people trusted him.

Oh sure. Now you're talking about

treason! What a good way to bring out treason.

That's right. My gosh. That's really something.

Like He says in the *Bible*—you won't know who your real friends are.

No, you're absolutely correct. Well, that's very, very interesting information. I was putting out a mailing on it and I wanted to wait to hear if you had anything additional to put together with it.

Yeah, well, I got a call from Las Vegas, from Cy Minett. You know Cy Minett?

Well, that's Bo's running mate. How does he figure in this?

He didn't know what was going on with Gritz. He really wasn't in tune with Gritz. He checked out this Sibushi (?) and the only thing that he said from Simboshi was that he couldn't get the documentation. They wouldn't give him backup documentation of what they were saying. The man I talked to was in California, he says all the documentation is in Colorado. That's their home base.

I see.

Now that's, of course, for when they put us under the U.N., right? Or the Constitution, I guess. Was that it?

Yes. In other words, the address you have there is from Melville but Cosmos is in Colorado. They are chartered, the domicile for the corporation that was in Nevada. So, that's where their incorporation papers are, in Nevada.

And yet, they are a corporation, right?

Oh yes, yes. But the corporation was taken from them, through the government; they got it back by suing the government. In the Corporate structure, they couldn't do it. They know how corrupt the judicial system is and that's why they're going in and they're trying to clean house among the judges. He says they do talk to old judges who know of the Common Law, but he said all these judges are retired. Not one judge in this country understands the Common Law outside the retired judges.

Is that right? My gosh.

So, we know how corrupt it is.

Well, now the people that have taken over the government, taken over the coun-

try, they're going to fight in some respect, aren't they?

Oh sure, they're going to put up a good fight that's why Bush and everything... They are really running scared because they are not backing down and he says you know **we've got to have the people**, but you wouldn't believe how stupid people are.

I know it.

He says, and that's what's really makes them sick. They complain about the government. They know they're getting screwed. They won't turn around and do anything because they're too high on the dole.

That's right. They bought them all off, didn't they?

Yes.

Well, there's some people that aren't that way.

It even shocked him that John Glenn took the two million dollars.

He took it, too? My gosh. Now these, what was it, a hundred and twenty-two congressmen now...

They're going after about three quarters of the House and they are directly working with Gonzalez. You don't see Gonzalez saying any of this on TV or anywhere. He won't say it. He is definitely working with them.

Well, we had felt that he's been good all along. He's about the only good one in there, isn't he?

Yes.

That's amazing, isn't it?

He says there's a few other ones in there, but he says they are all told what to do.

Now, did I understand it correctly? Each of those congressmen got two million dollars?

Right.

No wonder they wouldn't do what was right.

Right.

That is some money, isn't it? Now, where did that come from? Who paid them?

The banks. "The Family". There's 185 members of the family and they've got the original charter for the Federal Reserve in which the Federal Reserve stockholders have to absorb the losses, not the people as they are led to believe.

Right. Boy, that would make quite a book wouldn't it?

Yeah.

So, the dates that you gave us last night are still dates to watch? I spoke to Ralph today and told him about this, played back the information I have. Well, he was real excited about it. He said, "We've got to get this out to the people." So that's what I was doing, was trying to send it out to some of the people now. What was my question? I was going to ask you about...

I gave it to Peter Simpson. Of course, I gave it up to Ralph. I faxed it up to Jeff. I got it to Vegas. I got it to Arizona. I put it up into Philadelphia and they've got it into New Jersey.

What about Alaska and Hawaii?

I haven't tried those yet.

No, I don't have anybody up there.

I know people up there, but I don't have any fax number or anything for them.

Oh, I see. Because apparently they had to hear from all the states, right, or all the Republics?

Yes. Of course, Washington knows about this and Montana knows about this. I expect Idaho does now. But I haven't gotten down to Texas. I told a guy in Kentucky tonight. He's out in Arizona now and I faxed this up to him tonight. I think Dennis has it in Illinois. I told Phil Van Der Wedge about it in Nebraska. I just talked to him tonight. He called me and I told him about it. I was trying to get it down to a person in San Antonio, Texas. I'll have to call her.

I did send it to two people in Texas.

Oh. OK.

Two good people down there, that's why I'm going to put the cassette tape in and then I just wrote a little message on the other side of the Cosmos paper and that they know that it's important to get this out. It's imperative, really.

Oh, yes. Like he said today... I asked

him why he was using a zip code. He says, "Well, that's what people understand, but you don't need to use a zip code because they definitely will get the mail because they're recognized as a Republic now." Because they put liens on all the banks, none of these foreign countries can borrow money from the United States because the banks are lienied.

That's pretty interesting, isn't it? But you don't see anything in the papers that would even suggest this. I mean you see Clinton there. What about him?

He's put on notice to be indicted also because they found out he started back in 1970 to be groomed for the job of president.

I see. Well, I guess that whole thing with Gordon Kahl in there, he didn't do what was right either.

No.

They went to him and he didn't do... In fact, one of the men here in town said that they had gone there, he was from that area, was a friend of Kahl.

The fact is that Clinton did this when he was in Congress.

So, he's going too? So, who's President?

Well, that's why he asked me, "Do I know anybody that would be a President in the Patriot system?" I said, "No, I don't want it." I said, "If you want someone for the Judiciary, well, I might think about the Judiciary."

Well, if it's offered, you certainly have the capability. We have to take those jobs because if we don't do it, that's how the bums get in.

I have quite a few people that I have in my mind that would be good to run the government, who really know what's going on and not some way off-the-wall stuff.

No, that's right.

We deal in reality today. We don't deal in the *Bible* of yesterday.

That's the truth. You're right.

Bring the reality back to the people. You can't bring the *Bible* back to the people. You've got to bring reality back to the people first.

Well, the *Bible* wasn't meant for every-

body, anyway.

Yeah.

And so they don't understand it to begin with, but that's the law you're dealing with, isn't it?

So, once you can get it back to the Natural Law, you know what Natural Law is?

Yeah.

Now you say, well hey, the *Bible* is Natural Law.

That's right. Isn't that funny how they question Thomas on that. Remember when they questioned him very closely. He looked at it one time, but he wasn't involved in that now. He sold out, too.

Right.

Well, I'm wondering now how this will work out. What about the Supreme Court?

Oh, they're going into the Supreme Court. They've already notified them too.

Is that right?

Oh yeah.

I wonder how that will affect Ralph's case in there now?

I don't know. I told him that I called the Joint Chiefs of Staff and he knew the guy that I talked to.

Oh, really?

Yeah.

Now this was an Army man that you spoke to, a military man?

Yeah, Major (316) ???

Oh, I see.

Down in Washington. I said that I wanted to know who do I file this treason and felony charges against State officials and State judges and Federal judges? He said, "Go to a military post and go to the Provost Marshal and lodge your complaint with them."

I see. Well, that's what Ralph heard on the tape. I played it for him today so he had that pretty much ready and so he was going to go... I think he probably was on that phone right away to get that thing going.

Yeah, yeah. You heard the tape that I taped, right?

With Homer?

Yes.

Yes. Did I play the tape that I had with the conversation with the Joint Chiefs of Staff?

No.

Oh, okay. That's what I thought. I had asked Homer if... I thought it was Homer I wanted to... No, maybe it was another guy. I tape recorded it from them and I thought I had played it for Homer yesterday.

No, no, you didn't play that.

Okay. I told him about what I had done.

Well, we're in a state of shock listening to this. I mean...

We just have to wait and see how the cookie crumbles and how everything comes down **during December**.

That's right.

I mentioned to him about the 15th on the bank holiday and he says that he's going to have to check into that because that's not in their planned schedule because the planned schedule is that the holiday is going to be on the 18th which is a Friday because the 19th is when the FDIC thing comes into effect and the FDIC is going to have a five hundred seventy-eight billion dollar shortfall because they only have seventy-nine billion to pay for the 578. They have four hundred and ninety-nine billion dollars that they can't make and the problem is that they can't take control of the bank's assets because of the liens on it. In order to take control, they've got to pay the lienholders off and guess who the lienholders are? Cosmos.

Isn't that something! That is amazing.

So that's why they said that it's pretty well wrapped up that we won't have any Federal Reserve after the 1st of the year.

My gosh. You know, if America goes down this way, the whole world is affected, isn't it?

Oh yes. Did you know that they have Treasury Notes based on the Yen now? Is that right?

Yeah. He said that if anybody buys those Treasury Notes based on the Yen, that shows you how stupid they are because the Yen is more powerful than the dollar so therefore it's more powerful than the Treasury Notes and that's why they're basing the Yen now because there

is no United States money because it's all locked up in liens and it can't be borrowed. **So, the United States is using the Japanese Yen as the criteria for their Treasury Notes.**

Just amazing, isn't it?

It is really asinine when you really think of what's going on and how they're trying to, you know. They've got to put down Cosmos and all the people in order to have the masses realize that we've got a bunch of radicals trying to take over the country and that's an invasion.

That's right.

And you get the "local jokals" out there who won't believe anything but what the government spoon-feeds them.

That's right. They don't like it. They know things are wrong, as you say, but they still hang on to that government, don't they, or their churches? My gosh, what are the churches going to think of this?

It will put them out in left field somewhere.

That's the truth. Right.

And make them realize that things aren't what they're cracked up to be.

No. No. Absolutely not. **They led the people astray.** Well, well, alright then. I'll go ahead and put that out and get it going then and who was the person that was going to call me?

Peter Simpson.

That name sounds familiar. Oh, I know he wrote a book or something, didn't he? He's active in the movement, isn't he?

Oh yes, he was in one of the Midwest States and then his son died, they took his daughter and they went after him and that's why they had to leave the States.

I know that name is familiar.

Well, I'll go up there tomorrow and get that information that you wanted. I should have that tomorrow and I'll send that to you, that book, you know, on the prohibition?

Oh yeah, yeah.

So, I'll get that for you.

Clinton Statue?

(Editor's note: For a change of pace, we would like to share with our readers the following humorous "letter" received earlier this week by FAX. We doubt there's any need for further comment!)

2120 Mt. Diablo
WASHINGTON D.C.

November 4, 1992

Dear Friend,

We have the distinguished honor of being on the Committee for raising five million dollars for placing a statue of Bill Clinton in the Hall of Fame in Washington, D.C.

This Committee was in a quandary as to where to place the statue. It was not wise to place it beside the statue of George Washington, who never told a lie, nor beside Jessie Jackson, who never told the truth, since Bill Clinton could never tell the difference.

We finally decided to place it beside Christopher Columbus, the greatest Democrat of all. He left not knowing where he was going, did not know where he was when he got there, returned not knowing where he had been and did it all on borrowed money.

Over 5,000 years ago, Moses said to the children of Israel, "Pick up your shovels, mount your asses and camels, and I will lead you to the Promised Land."

Now, Bill Clinton is going to steal your shovels, kick your asses, raise your taxes on Camels, and mortgage the Promised Land.

If you are one of the fortunate people who has anything left after paying taxes, we expect a generous contribution to this worthwhile project.

Respectfully,

Ron Brown of the
Bill Clinton Statue Committee

P.S. It is said that Bill Clinton is considering changing the Democratic Party emblem from a donkey to a condom, because it stands for inflation, protects a bunch of pricks, halts production, and gives a false sense of security while being screwed.

Thanks.
