QUOTING:

PERSONAL . . . FROM THE EDITOR
(Spotlight, Jan. 11, 1993)

For years, we have been accused of not believing in the "holocaust", which has become the equivalent of a state religion in American society and in most countries in the West. You can question everything else—in fact, you are encouraged to when it comes to morality or Christianity or patriotism—and courageous defenders of "free speech" will line up behind your right to peddle pornography, defame Christians or burn the flag.

But if you question the validity of the accepted version of history concerning the alleged murder of 6 million people in Germany in World War II, you will be cast out of society, those "free speech" defenders will line up to shut you up or

destroy you, and in many countries you can be slapped in jail.

But now things are different. In this issue we report on the admission by Dr. Franciszek Piper, senior curator and director of archives at the Auschwitz State Museum, that the gas chambers displayed to visitors and in which it is claimed that 4.1 million people perished are **fakes, built AFTER THE WAR.**

Even those associated with the museum at Auschwitz no longer claim the 4.1 million figure; they revised it downward to 1.1 million....but even that figure is wrong....

END OF QUOTING

I am going to publish this because my scribe has been tormented, terrorized, ridiculed and attacked by the ADL, labeled a heretic, anti-Semite and even had our writings entered AGAINST her

as "preposterous and lies" in a court case—regarding residency rights to her home. **WE HAVE NEVER SAID THERE WAS NO HOLOCAUST—WE HAVE SAID OVER AND OVER AGAIN THAT THE RECOGNIZED "JEWS" OF TODAY ARE ACTUALLY ZIONIST KHAZARIANS AND THAT THE HOLOCAUST "DID NOT HAPPEN AS THE ORTHODOX STORY IS PRESENTED AND THAT THERE WERE NOT EVEN 6 MILLION JEWS PRESENT IN THE AREA AT THE TIME!"**

I write this in "her" honor for the assaults are painful and have been unceasingly battering but I want her to always remember that in our work—**AS WITH ALL THINGS—TRUTH WILL OUT!** It often takes long—even unto the ending of a planet's cycles for all Truth to come forth—but God sees to the evolvment of Truth before all is lost to darkness.

I ask that ALL note this statement: Judge Jason Brent (who summarily ruled

Natural Remedies Disappear As Elite Tighten Control

1/5/93 SOLTEC

Soltec, present, in service to Holy God of Light. This day, we shall endeavor to address a situation that is taking place very quietly right under your noses. The Elite Controllers have once again lied to You-The-People and are going about your country to carry out their Master Plans.

The subject of which I speak is the disappearance of certain herbal and natural remedies from store shelves. The most recent of these removals is the desert plant herb known as Chaparral (also known by Native Americans as Creosote). Many in the past have used this remedy for shrinking cancerous tumors, and it has been very successful. It has anti-oxidant properties and is claimed to be an anti-aging remedy. Your government, however, claims that this is a very dangerous plant to be using. It is being removed because it is claimed that it causes hepatitis and many who have used this have become infected.

The other remedy which is missing is known as Fenugreek. This is a remedy which has been used as a treatment of flu, sinus congestion and colds. It also has been used to treat diabetes as it aids in the control of blood sugar levels. This too, is much too dangerous for You-The-People to use so your government is protecting you by having it removed from the marketplace.

We are not, in general, given to say "I told you so"; however, have we not alerted you to the fact that your government was going to take natural, homeopathic and herbal remedies from the shelves? Is it not coming to pass now? Everyone went back to sleep when you were told that a one-year moratorium had been placed on the government's interference with the sale of these items. Instead, they are going about your country, slowly, methodically and deliberately, little by little, removing these from the retail and wholesale outlets. It is planned that you shall have none available to you.

For this reason, we have urged you in the past several months to acquaint and educate yourselves with the natural sources. We have urged you to study this subject and get to know how you could acquire such things without depending on the traditional sources.

Your world is rapidly changing and it will only speed up, Chelas. The Elite are on a very tight time schedule to get you into total and complete servitude. The removal

of natural remedies from retail sources may seem like nothing to some of you, but I guarantee you that there will come a time when you will wish you had acted.

The Elite are controlling the medical communities—not in order to assist and aid You-The-People, but rather to destroy you—to withhold from you the very medicines that you need for your survival. They have strung you along for years with promises and supposed milestones and breakthroughs in the cure and control of cancer and diabetes, and what have they accomplished during all this time and all the billions of your dollars? They have succeeded in causing cancer and diabetes in laboratory animals. They tell you what they are doing, but you hear them not.

They have told you for years and years that they are able to produce the disease, but they have never for one moment told you that they could stop it or cure it. They have the ability, but they are not about to let you in on their little secrets. And yet, year after year, millions of you ones contribute your hard-earned dollars to the organizations which are supposed to be researching and finding a cure for these killers. The same is true for AIDS, hepatitis and tuberculosis. As long as the Elite are in control of your planet, there will **NEVER, NEVER, NEVER BE A CURE FOR ANY!** Why would they want you to have the cures for the very diseases that they have created to destroy you and depopulate the planet? The cures are for the Elite, Chelas, should one of them be stricken—not for you!

Why have you not heard about this on the news? Why indeed. Why have you not heard of all the earthquakes and devastation they have caused? Why do you only see the staged, starving children of Somalia and Bill Clinton jogging around the country? Because that is what they want you to hear and see. You are being programmed daily to believe that everything is improving and that your nation is out of the recession and that the economy is growing and that your troops are doing a humanitarian service to the world, and on and on and on...

Russia has nothing on you when it comes to propaganda and brain-washing, America. You have been led down the primrose path and all the while your freedoms and rights were being ripped from you and the government took more and more control of your lives. Ultimately, the Elite would have it be your destruction.

Everything that you buy, everything

that you sell, everything that you inherit is monitored and controlled by the Elite Controllers of your globe. Every time you visit a doctor, that visit is recorded and the maladies you suffer from become part of a global data-base on a computer. Your salaries are monitored, every check you write, every credit card purchase you make is recorded in this same computer. Your telephone conversations are monitored, your television and radio programs are monitored and directed. **The Truth** cannot get out through the ordinary, everyday means, for it is simply not allowed and anyone who dares to speak up and make a wave or two is silenced either through buy-offs, bodily damage or death. The tactics used by the Elite are much worse than the Mafia ever even considered.

The worst thing is you have only begun to experience the control. It is going to move into full-swing now. Shall I remind you that there are only SEVEN years left until the year 2000?

I have strayed, once again, off the subject of the earth changes, yet, this subject is most important to you ones, though you may not recognize its impact at this time. What shall you do when you have only the physicians and pharmacies to rely on? More and more of you will be dying, that is what. And our job is to get you through this time **ALIVE!** We shall, therefore, do that which is necessary to accomplish this task, short of direct intervention at this time.

The earth changes are not off and are still right on target. You may have incorrectly assumed that they are slowing down, but I assure you that you had best not go back to sleep. You may be in a **SHORT** respite, but it is very **SHORT**. You have not had any major earth shaking for what, now, all of two weeks? In the overall of things, that is not even the blink of an eye. Have you so soon forgotten the 7.5s and 6.3s of recent?

And what of your weather? Northern California is experiencing record-setting snowfalls, the rest of the state and others are experiencing record-setting rainfalls and very cold weather that is completely out of the ordinary. So, do not think for one moment that you have come out of the woods. Earthquakes and volcanoes are not the only way to alter the geography and do-in people. There have also been tornadoes reported in Texas and other Southern areas in the past week. When do you ones last recall tornadoes being present in mid-Winter? Do you really believe this to be a normal state of affairs?

The electromagnetic grid is changing frequencies faster than your bodies are able to adjust. Have you not experienced the rapidly changing pulses and ringing of your ears recently? There are times when you feel as though you cannot stay awake and other times when you simply cannot

sit still. Then, at other times, you are so agitated and irritable that you cannot control your emotions. Chelas, these things are not of natural origins. It is just more little tricks that are being played with you ones. Try an experiment. Watch your own moods and compare them with the stories of outbursts of violence that you do see in your non-news. It should prove to be very interesting.

This is just one of the reasons that you are admonished to keep the protective shields in place at all times. You cannot afford to be tossed around like basketballs during this time. You each have a job to do and if you are experiencing the effects of the grid fluctuations, you are not going to be able to function at your best. It is also why you must spend more time in a state of true meditation and keep yourselves well rested. It is imperative that you fuel your bodies well, also. You are very physical beings at this stage and it is important that you take the time to care for the body as well as the spirit. In order to function in this physical plane, you must have a physical body. You are here for a very physical purpose now.

That is why it should be considered a crime that your Elite are going about removing from you the very things that will assist you in staying in top physical condition. All the exercises and special diets are doing you very little good, indeed. You are completely over-obsessed about being thin and spend billions of dollars on special diets and exercise programs that are only of temporary value, if any at all. When it comes to the state of survival, the ones who have a little stored fat will be able to function much longer than those who have none. It will also keep you warm, and the fat aids in shielding from the pulses. This is not to give anyone the idea that you should eat until you are fat. However, it is to say that a little stored fat on the body is not as bad as you would be led to believe. Stop obsessing about a thin body and know that every body is unique and *individual*. Each is a creation of the Creator and should be treated as such.

So, know that you are still in the thick of things. Know that the earthquakes and other earth changes are not finished. Know that the Elite's schedule is still right on target. And know that Holy God and the Host are still with you. In approximately two weeks, your new President will move into the White House and all I can suggest to you ones is that you remain very attentive, watchful and alert.

As always, we stand near and watchful of our own. You honor us with your service and loyalty to Holy God of Light. Walk daily in peace and love for one another.

Soltec to clear. Salu.

Requests vs Sharings

Plus Some Confirmations

1/5/93 #1 HATONN

REMINDER PETITION

Dharma sits here with some 40+ lengthy letters which have asked for "direct" response. This is NOT what you are asking—and I cannot ask that Dharma respond to each of you for I have not even given her time to write proper "thank yous" which are her closest thing to living in a "normal" world. I understand that you believe yourselves to be "hearing" but as long as you continue to petition for things such as over and over asking to come aboard ship and be healed of this or that and/or "give me a 'show' so I can believe and better convince my brother" and "intervene, please, on the part of this one or that one", please send me money so I can do your work, help me win the lottery, etc., etc., etc.

Number one (AGAIN)—your requests to God are none of Dharma's business and what you are actually doing is sending ME your direct petitions which are God's and not my own actions. I can promise you: **IF you are continuing to ask these things—YOU ARE NOT SUFFICIENTLY STUDIED TO ACCEPT A LEADING ROLE IN THIS MISSION AND, BY THAT, I MEAN SIMPLY A "ROLE OF LEADERSHIP IN THE SPREADING OF THE WORD" FOR YOU DO NOT YET HAVE THE CORRECT INTERPRETATION. WE DO NOT INTERVENE; WE DO NOT "JUST" SHOW OURSELVES AT THE EXPENSE OF A WHOLE MISSION PROJECT TO ATTEND YOUR "DESIRES" SIMPLY BECAUSE YOU CAN'T REMEMBER, AND LASTLY—DHARMA HAS NEVER BEEN GIVEN SUCH PRIVILEGE TO BE RECALLED IN HER CONSCIOUSNESS SO WHY WOULD I EVER MAKE HER ROLE WORSE BY ALLOWING ANOTHER TO HAVE THOSE ENCOUNTERS AND FUNNEL THE INFORMATION THROUGH HER?**

I specifically refer directly to one, R.S. in N.M. You are a beloved brother with a great talent and participation potential—but you are petitioning for the incorrect things from my "Command". We need workers who take their role and go with it as they uncover it—we do not entrust impacting strategy to ones who simply share and tell it all. Ours is not a mission of "being" and

service unto each as each requests. That is for God and man individual. I appreciate your offering services in any way suitable but you must understand that this is but a small piece of the "overall" and you must realize that "all" cannot do the "one" job. Nor is "one" blessed above that of "another" in service. **DO NOT PLACE ME IN YOUR COMPUTER SYSTEM "AS GOD"—I FILL AT THIS TIME A LEADERSHIP ROLE WITH THE HOSTS OF GOD AND, AT THIS TIME OF TOUCHING AND MISSION, SO SHALL IT REMAIN THAT WAY. WHEN CALLED, I RESPOND—TO YOUR QUESTIONS AND TO YOUR STATEMENTS FOR THE CALL COMPELS AN ANSWER OF WHICH I AM MOST HONORED TO SHARE—THAT SHARING, HOWEVER, COMES DIRECTLY TO THE INDIVIDUAL—NOT TO DHARMA!**

We delight in the "sharing" and all writings are brought directly to me—but I remind you—there are over EIGHT FEET of piled up letters and items needing response—she has nothing clear on her work area save the keyboard itself!

I do not wish ever to discourage you from contact herein for this is where the confirmations and new information must flow—but FOR ALL! While we respond to the many as individuals the "all" would have nothing.

Most of you are still wishing to find your proof of our Truth which must become your own. You want it the fast and easy way—by osmosis! How did you get so confused in the first place? Well, if you do not study that which has been given, how can you expect to go forth and TEACH another that which you "think" we bring? Has not enough damage and deceit been thrust off upon your brethren? When the student is ready the teacher appears—but you will rarely find that teacher appearing AS YOU EXPECT! The letters of support and love are ALL that keep our crew going—but the individual requests for such as psychic readings are also burying them. Do not be disinforming, however, the very words of willing service are also an expression of support and that, too, is necessary as fuel for the "fingers"—it is the inability to respond timely and/or with any input (for I give Dharma none unless in full intent of correspondence such as this) that cause

a desire so overwhelming as to be miserable, for hers is a 24 hours a day task without ability to share with family or friends or any "normal" existence. Her only trips are to court for one case bashing after another. This angers even friends and unkind and unseemly things are foisted off on these ones in the ignorance and anger of "being neglected".

I herein ask E.J. to send a note to E.S. and tell her how unduly hard it is here and that you haven't got "your — together in any way at all—only scattered it thicker and deeper"; there will be no time for "friendly gatherings" and/or such activities as past experience allowed—there is no point in injuring friends or ever misleading them. Any who come to this place come at the same level of understanding or they should not come. Dharma has offered her life work unto me as scribe and speaker—that will increase in both areas and, therefore, old friends who would find a close sisterly relationship WILL NOT. I can only offer unto you ones who serve so unstintingly while asking for nothing—not even a "sighting" shall bear the reward of that service for in the giving of the "me" God returns the gift eternally. Bombardment of my people brings only irritation to we of the Command for the action must be viewed as an ignorance of sequence in both Command and timing.

This is not intended to MOST of you beloved writers for you ask, even, not to take the time for response and, of course, you are the ones who fill the heart with desire for immediate response. **Thank you.** I am only petitioning you ones to NOT GET CONFUSED—"YOU SHALL HAVE NO OTHER GODS BEFORE ME", SAID THE LORD THY GOD. I DO NOT FILL THAT ROLE AS A SHIP OR MISSION COMMANDER! In turn, according to my own appointed task, I relinquish those higher actions of "visibility" and "invisibility" as you ask to be granted to you as individuals for your safety. If you must "ask", you are most certainly not ready for the "magic" of such! If you really wish to learn such wondrous capabilities—go forth and study the "way to do it" which is neither magic nor mystical. It is only mysterious because you haven't yet learned your lessons. We have laid forth the instructions in complete diagram right in the series of PLEIADES CONNECTION JOURNALS and you will "learn" it as presented or you shall not be given to utilize it. Ours is to bestow the Word and "how"—not to shower individuals with magical talents to protect their physical assets. If you fear to stand for God—then you are not convinced of your own "knowing" for when in knowing—you have no need of such tricks for protection. I suggest you ones quit playing in your fantasies and grow into the reality and KNOWING of Truth which far surpasses

any tricks or mystical "wishing".

I wish to remind you all—it is necessary that I use this conduit in a myriad of other ways—from how to grow spelt and organize greenhouses in our own project model to exactly how much folic acid must be produced from the solution in catalytic response to a Gaia life blueprint amniotic fluid for same—SO THAT ALL AND ANY ONE CAN HAVE ACCESS TO CELLULAR RE-CREATION AND THEN, MOVING ON, THROUGH SIMILAR TECHNIQUES, INTO TOTAL ENERGY COLLECTION FROM AND TO, ANY PLACE AND ANY USE. If you cannot see this larger picture—then we have nothing in common upon which to base a working relationship.

You who offer services in specific manner (or even in general manner) will find your "resumé" or offering in appropriate placement so that Earth workers will have that knowledge and have ability to make contact. This is a very EARTHBOUND TASK herein—against all odds and there are some very unusual things which happen—but no magic—just hard digging with all but no funding and hard work. Even in the lawsuits the lawyers think they have a thing "locked in" only to find other conduits to be "had" right through a "fixed" and raping judicial system. This means that "I HAVE TO TELL THEM IN WHICH AREAS TO SEEK MOVES AND HOW TO PRESENT THE CASE—THIS, TOO, USUALLY REQUIRES E.J. OR DHARMA IN ORDER THAT I BE HEARD!

These ones are not scientists or lawyers—and yet, all this technical "beyond even the thoughts of man thus far", must flow through their data banks. Dharma deserves to be awarded at least seven PhDs for her education has become all but unlimited—and yet, she will tell you that she knows NOTHING! She is not, either, given to REMEMBER! She still relates far more to the people who sent crocheted doilies in delicate and beautiful patterns, afghan and abundant cooked specialties for she had no time for same. She cannot understand why she has to attend mold on slime on her beautiful kitchen counter-top for a new antibiotic for the world could not be conceived to come from her cupboard shelf.

We have a new problem here which was not brought to Dharma and E.J.'s attention until this past week or so. Many of the PLEIADES CONNECTION series have been sold by the publisher—directly against Federal Court order. It is rather complicated as to how this occurred but, nonetheless—it has occurred and the Court holds Ekkers directly responsible for the "incorrect" assumption was made by the Federal Judge that Ekkers CONTROLLED the publisher. The publisher became too impatient over funds for same as they came in and retained them—this violates the very intent of the law regarding the

banned publications and now there shall be Federal Court action coming against us once more—for a bit of greed and lack of full understanding and inability, or unwillingness, to handle the case in a proper manner which could have resulted in great return from "damages" if handled properly.

To any of you who would still desire those books (the greatest set of information on your planet at this time) you MUST GO DIRECTLY TO (I BELIEVE) TEHACHAPI DISTRIBUTING. (**Editor's note: Unfortunately, as of 1/6/93 Tehachapi Distributing has been forced to terminate any and all further distribution of its PLEIADES CONNECTION series of JOURNALS due to the imminent threat of legal action by the University of Science and Philosophy. So, at this time THE PHOENIX LIBERATOR does not know where to send you readers for those wonderful JOURNALS. See next-to-last page for more on this matter.**) This is a separate, in total, entity and, other than some already operating individual independent distributors located here and there who might still have the JOURNALS, is the only place wherein these are available. I would point out that what should have happened as you made payment to America West was that they were to forward the funds as received to this Distributor who would, in turn, ship the volumes. The books have been shipped but thus far the funds have not been sent—which reads in a court of law as "contempt of court" and defiance of a Federal Court order. This is most distressing at a time when we are moving so rapidly on other projects as the costs and time consumed are without limit it seems.

I do not yet realize how we shall handle this matter—we are told that the JOURNALS are not selling at any rate—or at best, very, very few. This is the responsibility of the major distribution resource and, yet, I cannot continue to ask participation when it is becoming so costly to both here and "there". The Ekkers, so far, have received nothing but major headaches and more and more expense from the publication of this work—SOMETHING IS GROSSLY WRONG! God's work is often squelched—but by and large man will respond to Truth when he can find it—this means that he is not finding it and we shall have to consider restructuring of some kind it would seem. Dharma claims that for every step ahead we find ten backward as to their own personal survival. No—lessons are learned one upon another and the cost cannot be measured against the gain. It is difficult to become a "senior citizen" in all Earth ramifications, however, and still fight harder and more tenaciously than any young adult. When friends turn and "do you in", it must be realized that this is the most painful of

all journeys—and yet, God never promised rose petals without thorns nor did He offer a path of paved golden leaf. He said it would be harder than the passing through the needle's eye but He promised to see you through—and for these, it is sufficient. They only ask that YOU bear with their limitations for their hearts are with YOU—but their "hands" are MINE! THE FORCE OF GOD IS WITH YOU, CHELAS, AS YOU JOURNEY FORTH—BUT THE LESSONS ARE HARD WHEN THE WAY IS BENT BY YOUR OWN DOING. I CAN ONLY CAUTION YOU TO SEE BEYOND FOR, IN INSTANCES SUCH AS THIS, THE VERY GOOD DONE BEFORE BECOMES TAINTED AND QUESTIONED—AND WHEREIN GOD/CHRISTED BEINGS ARE CONCERNED IN CONNECTION OF TRUTH-BRINGING—BECOMES UNACCEPTED BY THE RECEIVERS. BLUNDERING IS ONE THING—DELIBERATE WITHHOLDING IS QUITE ANOTHER.

In the moving to a distant place those ones asked if they could not continue in the work? I responded "Yes, but it would be very, very difficult as the assaults and 'remoteness dilution' took over in the consciousness"—it has proven to be thus far, true, in the latter. Fear and insecurity and search for security of lifestyle of high standards will do—in the unsuspecting EVERY TIME. There are over 65 JOURNALS (I believe at least 67)—could not 8 or 9 rest upon the shelves until the Federal case be closed? Greed is a blindingly sneaky thing which destroys concepts and I must allow a bit of healing in perspective to these ones before any further decisions are made. It is so incredible to me that ones do cut their own noses off in order to spite the face itself. I do not see, either, how on the human foundation such as these things can be ignored for, after all, these ones be but stewards of God's property. These volumes are camera ready for press and ANY printer can put them to press—ANYWHERE! There is expense, but even that has been shared, so we are at a loss as to how this has come to be—but it has and it must be confronted for, as a Federal suit comes to public focus—it shall undoubtedly be quite ugly. Dharma was totally bashed and ridiculed at the preliminary "banning" hearings as E.T.'s became the joke of the court. The University of Science and Philosophy has put aside over \$215 million dollars to "win" this suit and now, with deliberate breaking of the court order—defense is difficult at best. The case is basically against America West Publishing and America West Distributors but they could not be found and the court assumption (because our attorneys were inept and foolish) was that the "author/writer" from whatever source—HAD FULL CONTROL OVER THE PUBLISHER, ETC., SINCE THEY WERE NOT LOCATED FOR

SERVICE OF THE COURT ORDER. The reason Ekkers become the focus is that the Judge ordered Ekkers to inform and remove all volumes from the publisher and they (the Ekkers) are held responsible for all actions otherwise.

Now in addition, all persons coming and going from the Ekker's various places of presence are under surveillance and will be arrested if anything deviates one iota from the law—and things will be "set-up" to cause suspicion of same. We have some who have served time in incarceration—and they are watched like the fly under the microscope, followed and are walking time-bombs if behavior deviates one iota from legal rules. Other ones here are offended by this—well, so be it—it doesn't exactly "make my day" either as I see ones coming under the impression that this is some sort of "find myself" gathering place.

You who have supported the Institute—for goodness sakes, you are at the brink of bringing the substance of re-creation of life cellular structure itself. You are growing and experiencing the project of the exact grains and foods which shall sustain you through all disasters; you are building structures within projects active, domed structures which are both beautiful and will withstand winds of over 200 miles an hour. You have a Constitutional Law Center which is now recognized throughout the WORLD and are bringing in ones who WRITE THE LAWBOOKS wishing to regain Constitutional Law and clean up the Judicial system—and still we have to plead and actually BEG for assistance. You have now available the equivalent of well over 25,000 pages of text in instructions and information and thousands of taped messages; you have a greenhouse project underway—YOU ARE CHANGING THE WORLD FOR GOODNESS SAKES—CAN YOU NOT BE PATIENT AND WAIT UPON THE LORD? GOD DOES NOT LEAVE YOU—YOU FIND EVERY EXCUSE AND WAY TO GET RID OF HIM! YOU HAVE A MOTION PICTURE AWAITING THE FINAL START-UP FUNDING AND YOU HAVE FUNDING PROJECTS IN FUNDING—WHAT MORE CAN YOU POSSIBLY WANT OF GOD, MUCH LESS, THESE TWO PEOPLE SIMPLY TRYING TO SERVE ME AND DO THEIR WORK? ABUNDANCE IN RETURN IS GOD—GREED IS NOT! IF YOU CANNOT MAKE UP YOUR MIND ABOUT IT—IS IT THE PROBLEM OF THESE PEOPLE WHO ASK FOR NOTHING SAVE A BIT OF REST AND A BIT OF RESPONSIBILITY LIGHTENING?

Through this route you will reclaim your Enforcement Officers and guardians if they be reclaimed at all—things this day look very, very dim for you as a nation. I shall speak on those things now, and trust that you will get your own confirmation as you consider some of the recent moves of your would-be Kings.

BUSH

I told you long ago that Bush did not want the job of Presidency—HE WANTS TO RUN THE WORLD ENFORCEMENT BODY—CALLED THE UNITED NATIONS. He has made all his contacts within the past week who would appoint him. Through loose talk and information release out of sequence—you let him get "away"! He has made many "deals" this past week and none of them are to your advantage.

As always, it will continue to be hidden and insidious and appear to be "logical" in the way things "come-off". But, you will note by the price of gold that SOMETHING IS WRONG IN THE ELITE PLANNING! The excuse given for the plunge is that the Middle East is "dumping". Eee-gads! and I suppose Hitler was a Saint? Well, now is certainly the time to BUY! "Cosmos" has managed to block quite a few exchanges. Saddam himself has over 28 TONS of gold in Switzerland and that is why Switzerland refused to join the binding "Maastricht" idiocy of deceit. The Russian Ukraine still has the outstanding "certificate" which can totally wipe out the British banking system. There is enough public press confirmation in obvious lack of truth and yet focusing on the facts, to give credence to this information. CNN is playing the information to the public game—even the other networks are bringing all their journalists home from Somalia and will "rely on CNN for news". If YOU continue to be blind—YOU WILL SOON BE DEAD BLIND!

REACHING FINGERS OF CONTROL

Even on the functioning military bases—massive changes in routine operations are coming into change. For instance, on bases the U.S.P.S. (United States Postal Service; not a Federal entity as you think—it is just like the IRS) will require entry to the bases and now a full delivery service **even to interdepartment mailings which never leave the base**. The bases being shut down are being shifted over to other uses—one being for "Reserves" and "U.N. training centers" as well as "refugee centers"—"in case of major disasters". This by any label means "Concentration" camps. One of the first such bases in change of "upstart" rather than simple "winding down" is March AFB. Others, such as Norton—have gone into almost full-time surveillance functions.

GOD

You who continue to toss the Greeting Cards (Sananda/Turin shroud image) about hither and yon in denial are interesting to say the very least. The cards were a gift from here to YOU. Whether or not you WISH TO BELIEVE THEM TO BE TRUE OR

FALSE—CHANGES NOTHING. A most recent letter states that "Lord Jerias" says this is an imposter and is "positive proof" for "in the eyes there is not shown the LOVE that is in eyes of the 'real' picture of Jesus." Oh, and WHO is "Lord Jerias"? I have never heard of same. No love in the eyes? Wherein did YOU look? "Real" picture of Esu "Jesus"? Wherein might be found that ONE—this "real" picture? WHO produced this "real" picture? Shroud is not valid? WHO said? What MAN told you these wondrous insightful things? To accuse through the word "Sananda" in proving a point is more blatantly foolish than any other statement. "Sananda" simply means a higher state of being as in "Christ" and Sananda is a loving identification of RESPECT given to this Christed Being once "also" called Esu Emmanuel or translated later by St. Paul as "Jesus". He has as many labels as there are groups who speak differing languages. How dare you limit your brother's perception of truth by your own narrow illusion. If you care not for the picture card shared in love with you—throw it out, sit on it, eat it or whatever you wish but disrespect of even the "gift" is quite sad indeed, for the gift came with love from the givers who had nothing else to share with you. Theirs was a simple sharing of a Season's card which they found to be wondrous and wished to share with subscribers as well as make available to any who would wish them. To denounce the gift is almost as severe and MORE INSULTING than to denounce validity—do you who returned and defaced this card—return and deface all the cards of Santa Claus, Christmas Trees, the Nativity and Imitation drawings of the Mother and Child? Do you set yourselves up as judge, jury and executioner of truth which does not suit you and your various "Lords" and "Ladies"? I would never be so cruel or insulting were I your teacher—which I most assuredly tell you that I AM NOT, in this instance! A MIND CLOSED TO POSSIBILITIES BY SELF OR "HIGHER ENERGY" IS A SAD THING INDEED AND FITS THE "TIMES" IN WHICH YOU FIND YOURSELVES—DENYING THE VERY HOSTS AND GOD COME AND SENT TO BRING YOU HOME FOR YOU WILL NOTE—THAT THESE ONES WHO INSULT—HAVE NO OFFER OF TRUTH IN BETTER STEAD! THEY TELL YOU THAT YOU ARE IN THE "END" AND GIVE YOU NOTHING UPON WHICH A SINGLE ACTION CAN BE BASED IN TRUTH AND/OR "REALITY" OF LOGICAL FUNCTION. REMEMBER WELL: IT IS THE TIME OF SORTING! SO BE IT.

CONFIRMATIONS

As a change I would give confirmations: Yes indeed, the head of the Mossad was in the Chicago area during the Christmas

week—AND, yes, THE BLACK HELICOPTERS WITH BLACK-SUITED PILOTS BUZZING DISSENTERS IN THAT AREA ARE FROM AURORA, ILL. AND ARE PART OF THE FBI SPECIAL PROJECTS!

Also, comes from Illinois a report from MANY that the ground is shaking in areas close to the New Madrid Fault as to "scaring to death" the population. The report is that the ground is shaking "all the time" and, yet, no reports are given in the papers and all sorts are given by phone if ones inquire.

I am reminded to tell you that one by the name of Skolnick also has a "hotline" and his organization is called "Committee to Clean Up the Courts". This is an excellent contact and resource for the ones at the Constitutional Law Center as a lot of research has been done and need not be duplicated! That number as given from a correspondent today is: (312) 731-1505. Messages are changed, as with ours, when new and critical information is presented, and at least 2 to 3 times weekly in any case. I have given this number prior to this but am pleased to offer it again as requested. Our thrust is to ultimately NETWORK with all these patriot groups so that you can have outlet for all information and, hopefully, through a focused resource. We offer the *LIBERATOR* for this cause as that is the purpose of its birthing. As we get more ones available in the CLC, we shall have regular "case" updates and entries. The ones at that place at present, are absolutely buried in cases and haven't time to summarize reports. Neither, at this time, is there available space in the paper but it does appear that we shall have to move to more frequent printings, get more subscribers to afford integration of several newsletters now "going broke" on their own account, or, or?? I, alone, have enough information to write two papers per day without telling you more than a smattering of all that transpires. It is frustrating to hold this information when you desire it so greatly but we do that which we can with that which we are given.

HUMOR? OR TERROR?

The following is interesting in its humorous aspect of dealing with a child's questions of never-ending quantity and quality. I hope all of you will read it with thoughtful response in your own minds.

QUOTING:

DADDY, WHAT HAPPENS WHEN EVERYTHING ENDS?

by Gene Truncellito, Columnist

"Daddy, what happens after everything ends?"

"C'mon sweetheart, that's the end of

the story. That's all there is. Be good and go to sleep."

"I don't mean the story. What happens when everything ends?"

"You mean *everything*?"

"Uh-huh. Everything."

"Nothing's coming to an end. What are you talking about?"

"Jimmy says they're gonna drop bombs some day and everything's gonna end."

"Oh. I get it. I'll have to thank Jimmy someday for sharing his wisdom. Listen, hon, nobody's gonna drop any bombs on you."

"But what if they do?"

"They won't."

"But what if they do?"

"Okay. Listen. You wanna know what happens when everything ends? Well, you don't have to worry. Because you know what? Nothing really ends. Everything just goes on and on forever! Okay? Now, c'mon, go to sleep."

"When Uncle Bob died Gram said he went to heaven."

"Right! There you go. A perfect example. Uncle Bob didn't just end. He went somewhere else."

"But what about when heaven ends?"

"No, no, no, that's like everything else. It just keeps going on, too."

"What if they dropped a bomb on heaven?"

"Nah. That can't happen."

"Why not?"

"Because it can't."

"Why not?"

"Because...because...God won't let it."

"You mean that God will let them drop bombs on me here but not in heaven?"

"Aren't you the slightest bit tired?"

"But I don't understand."

"Alright. I'm not sure I do either. If I try to explain it, will you try to go to sleep?"

"I promise."

"Okay. Let's see. I think it's like this. If you go out into outer space as far as you can go and never stop, you know what happens? You come right back here to where you started."

"Where's heaven?"

"Heaven? Heaven is...it's sort of, uh...hmmm. Okay, here's what I think: when you go to heaven, you're really coming back here, just as if you flew into space. Only, you don't always come back looking exactly like you do now. In fact you can be anyone or anything you want, for all the lifetimes you want. That's why it's heaven. But there's a catch. You have to be good while you're here now. Otherwise, you may come back as something you don't like."

"You mean that this can be like the bad place, too?"

"So to speak."

"If this is heaven, or the other place, then where does God live?"

"Don't you wanna talk about, like, what

I do at work or something?"

"Where does He live?"

"Well, I guess He lives...um...well, He lives right here, inside you and me and all around us. After all, this is heaven, right?"

"Good. I like that."

"Good. Now please. Time for sleep."

"Daddy?"

"Yes."

"If they drop the bombs, will you be able to find me after I die, even if I don't look the same?"

"I'd recognize you anywhere." - - - -

END OF QUOTING

And just WHAT DO YOU TELL YOUR CHILDREN? What DID you tell them? Do they "float"? Who feeds them in those "clouds"?—well, perhaps it is time to ponder these things lest you not know what to do or where to go! Why do you LIMIT GOD? He always provides if you but see it and take it and KNOW IT.

Where is heaven?

Where does God live?

If they drop bombs on you where will you go?

How will God know you except for your works?

HO-hmmm! Time for sleep?

I thought so!

Good day, Hatonn to stand-by.

Dharma, I wish to write on the material from the Law Enforcement Officers, but this is too lengthy to continue here. Thank you.

The Divine Plan, Part X: "In Deep Fat"

12/30/92 JESUS/SANANDA

Blessings unto you this day, Child. It is I, as you know me to be, Master Jesus. Many DENY me place within and shout loudly that others of you do likewise. THESE WHO SHOUT THE LOUDEST ARE THE MOST DEAF AND BLIND. I come with a voice as a feather upon the wind. It is the wind of the soul which "blows" ever so gently and those who will not STILL THE MIND will never HEAR, SEE or KNOW me. For it is through the quiet of the still that I speak.

Most of you will never hear me. It is for this reason, Cherished One, that I come speaking to you that you might be my voice, for if not for you and others around the world who sit still and listen, there would be no one to carry my messages. It matters not that there are many who sneer and bicker among themselves that it is not I who speaks. For these go both BLIND and DEAF. It is these who go as but fodder for the fire. I SAY UNTO EACH OF YOU, "BE STILL AND KNOW ME", FOR YOU WILL NOT FIND ME IN THE HUSTLE AND BUSTLE OF A WORLD GONE AWRY. FOR, LO, COME UNTO ME SEEKING TO KNOW ME AND YOU WILL. I HAVE NO PREFERENCE OF PERSONS, BUT TO HIM WHO HUMBLY SEEKS AND SERVES IS IT GIVEN.

Precious Children, know that the Anti-christ knows no limits. No boundaries will keep him and his select from their plans of destruction, save it be the power of Creator. Satan and his servants never stop scheming of ways to subdue you. Their

plans change by the minute. I warn you now. Forget not your systems of public transit. These are slated for ATTACK. The recent problems with the wings falling from some of your airplanes was no accident. THE SAME WAS PLANNED AS BUT ONE MANNER IN WHICH TO CRIPPLE YOU THROUGH FEAR. WATCH OUT FOR SITUATIONS OF SABOTAGE TO COME YOUR WAY IN YOUR SUBWAYS. For these same ones have as much in their plans. THAT WHICH HAS HERETOFORE BEEN LARGELY A SPIRITUAL WARFARE IS ABOUT TO BECOME A PHYSICAL WARFARE. These will not tolerate the idea that many of you might be FREE of their control. For there is a real, solid, and strong patriot movement astir in your country.

For the COUNCIL ON FOREIGN RELATIONS (YOUR ZIONIST-SATANIST "SHADOW GOVERNMENT") AND THE CREATOR OF THE SAME, THE HOUSE OF ROCKEFELLER, HAS LONG BEEN IN CONTROL OF YOUR COUNTRY AND THESE WILL NOT GIVE UP CONTROL WITHOUT AN ALL-OUT FIGHT. Thus, you are faced with not only the grave probability of INTERNAL CONFUSION, but you have the threat of the same through EXTERNAL forces. THE SOVIET UNION COMMUNISTS OPERATING FROM WITHIN YOUR COUNTRY HAVE LOADED SADDAM HUSSEIN TO THE POINT OF OVERFLOWING WITH NUCLEAR WEAPONRY WITH WHICH TO MAKE WAR AGAINST YOU.

You, each of you, must open to the fact that the HOUSE OF ROCKEFELLER, the house of Satan himself, and his very elite

have never had any other design than to wipe you out as a nation, bringing you to your knees under a Satanic ONE WORLD GOVERNMENT. This GRAND CONSPIRACY HAS BEEN BUILDING WITH A GRAND FURY SINCE THE 20s. Once they gained control of the television media and the largest publishing houses, you fast fell deep within the pits of darkness. FOR WITHOUT AVENUES OF TRUTH, LIGHT CANNOT GET TO THE PEOPLE AND SOON ALL BEGIN TO PERISH IN DARKNESS. Well, thus it is with these Satanic ones, who have long controlled the media within your country and control the natural resources around the world, in collusion with other of their Satanist friends.

When you turn on your television sets and take a look at the leading "anchors" for the evening news, remember that you are looking at satanists. HOW DO THEY LOOK? ANY DIFFERENT FROM THE MAN ON THE STREET? WILL THESE TELL YOU THAT THEY ARE SATANISTS? Most likely not. For they are lost unto the glamour of Satan and his causes. They are blinded by the power and intrigue of self-importance. They count not as SIGNIFICANT their "LOVE OF THE MATERIAL". FOR THIS "LOVE OF THE MATERIAL" SEEMS INNOCENT ENOUGH TO MANY OF THEM. Nay, for it is this tool of Satan which has led them all asunder. It is these who are leading you and your children and your children's children asunder. DO YOU NOT WONDER WHY YOUR NEWS CONTAINS NOTHING BUT BLOOD, SEX AND VIOLENCE, DRUGS, MORE BLOOD, SEX AND

VIOLENCE? Wonder no more!

WHEN ARE YOU GOING TO WAKE UP AND CALL A HALT TO THE SAME? Well, it will be never if these have any say. Their plans for you are TOTAL SLAVERY. Those among the very SECRET Council on Foreign Relations have created and pushed without ceasing the grand CONSPIRACY to OVERTHROW YOUR GOVERNMENT. THEY HAVE CONTROLLED ALMOST EVERY PRESIDENT, AS WELL AS GRAND NUMBERS WITHIN THE HIGHEST ECHELONS OF YOUR GOVERNMENT, FOR THE LARGEST PART OF SEVEN DECADES. THEY HAVE GIVEN AWAY YOUR MILITARY MIGHT TO PRACTICALLY EVERY RADICAL, DEVELOPING NATION AROUND THE WORLD. THESE SAME ONES HAVE STRIPPED YOU CLEAN OF YOUR MILITARY HARDWARE AND GAVE UNPRECEDENTED MILITARY PROWESS TO THE SOVIET UNION. IN ADDITION, YOU HAVE GIVEN UNTO THE SOVIET UNION BILLIONS UPON BILLIONS OF "FREE" MONIES OR LOANED THEM BILLIONS UPON BILLIONS AT VERY LOW INTEREST RATES, THE GREATEST MAJORITY OF WHICH WAS NOT REPAYED. YOU HAVE SUPPORTED THEM WITH VERY LOW PRICED GRAIN YEAR AFTER YEAR, EVEN AT THE RISK OF GOING HUNGRY YOURSELVES.

All the while, they have schemed ways in which to combine your two countries and to collapse Europe and the rest of the world under one umbrella. Now, they have succeeded for all practical purposes. For you have the Soviets so imbedded in many areas of your government that in many, many areas you have now more Soviets than Americans. These (the KGB) have taken over your INTELLIGENCE services. They have gained control of your JUDICIARY system. They have taken over your SPACE programs and your UNDERGROUND bases. They have gained control of your COMMUNICATION systems and your SATELLITE systems. They have the capability to render you powerless through their superior weaponry and their cosmonaut space platforms, which can CONTROL WEATHER PATTERNS, and cause EARTHQUAKES.

HENRY KISSINGER, THE NUMBER ONE TORCHBEARER FOR THE HOUSE OF ROCKEFELLER, HAS BOASTED, "THEY CREATED ME."

Well, they not only CREATED Henry Kissinger, they molded the hearts and minds of each of you, your children and your children's children. FOR THEY HAVE STEADILY FED YOU STREAMS OF LIES AND HALF-TRUTHS FOR DECADES. SO LONG, IN FACT, THAT VERY FEW OF YOU ACTUALLY KNOW OF THAT WHICH IS TRUTH. YOU HAVE INGESTED A STEADY STREAM OF LIES. YOU ARE LIVING A LIE.

Precious Child, print that which your dictionary states of one House of

Rockefeller.

From the *Random House College Dictionary*, it is stated: 1. John D(avison), 1839-1937, and his son John D(avison) Jr., 1874-1960, U.S. oil magnates and philanthropists. 2. Nelson A(ldrich), 1908-1979, governor of New York 1959-1973, vice president of the U.S., 1974-77 (son of John D. Rockefeller, Jr.)

Do these Satanists go about the printing of the REAL TRUTHS? Do they talk of the billions they poured into Russia to finance WAR and REVOLT in that country? Do they tell of the billions upon billions they have STOLEN from you and poured into Communist countries around the world to aid in the growth of Communism. They describe themselves as PHILANTHROPISTS. You see the same written by one of their own Antichrist publishers. THUS, I ASK YOU, IS THE BELIEVING IN THE SEEING?

Precious Children, that which your forefathers fought to win for you has been stripped from you, for you have ceased to be VIGILANT. THESE WHO FOUGHT FOR YOUR FREEDOMS KNEW THAT WHICH WAS BEFORE EACH OF YOU. THEY CREATED A CONSTITUTION ASSURING YOUR RIGHTS, SUCH THAT YOU MIGHT CONTINUE TO BE FREE. PRECIOUS CHILDREN, YOUR CONSTITUTION NOWADAYS IS LITTLE MORE THAN A JOKE, for these who are told to uphold the same and swear that they will do so, are the ones who scheme the hardest to find ways to get around the same.

WHY DO YOU SUPPOSE THAT LAWYERS AND MEMBERS OF THE BRITISH MONARCHY WERE FAST TO BURY YOUR REAL 13TH AMENDMENT? BECAUSE THEY WERE DETERMINED TO WEASEL THEIR WAY INTO TOTAL CONTROL AND DOMINION OVER EACH OF YOU. Very few of you know that your real 13th amendment forbade that those with TITLES OF NOBILITY HOLD PUBLIC OFFICE. Precious Children, this does mean lawyers! Attorneys! These, in collusion with the British Crown, were fast to rip the same from your Constitution with the advent of the Civil War and replaced the same with the amendment forbidding slavery. All is a matter of record on your side. IT WAS THESE SAME ONES WHO NOW CONTROL YOU WHO WERE FORBIDDEN BY AMENDMENT TO YOUR CONSTITUTION TO DO THE SAME. FOR IT WAS KNOWN THAT THESE WOULD SEEK TO FIND WAYS AROUND THE LAWS THAT WERE GIVEN TO PROTECT YOU. PRECIOUS CHILDREN, YOU WERE GIVEN A CONSTITUTION TO PROTECT YOU. YOU WERE GIVEN A CONSTITUTION THAT YOU MIGHT BE FREE. [Editor's note: See the 12/15/92 issue of THE PHOENIX LIBERATOR for the fascinating story on the real 13th Amendment.]

In addition you need know that your income tax is ILLEGAL. IT WAS NEVER

RATIFIED BY THE STATES. Yet, your Zionist Elite pushed the same through as legal and, to this day, you are all paying for something which is a FRAUD. Precious One, print the name of this printing company where all interested might secure for self these thoroughly researched documents substantiating this FRAUD.

COMMON SENSE PRESS
P.O. BOX 1544
BILLINGS, MONTANA, 59103

The IRS is an unconstitutional agency. It is an ILLEGAL arm of the KGB. It is a tool used by the Zionist elite to suck each of you dry of what little you do have to survive. THERE IS NOT A SINGLE ONE AMONG YOU WHO SHOULD HAVE EVER GONE TO JAIL FOR REFUSING TO PAY INCOME TAXES, FOR THESE TAXES ARE AN ILLEGAL FRAUD. [Editor's note: For an in-depth history and discussion of the Federal Reserve/IRS scam, plus general background information about The Truth behind our modern economic malaise, see the PHOENIX JOURNALS: SPIRAL TO ECONOMIC DISASTER (#4), PRIVACY IN A FISHBOWL (#10), and YOU CAN SLAY THE DRAGON (#16). See back page for ordering information.]

It is only you, the uninformed juror, who sends these innocent ones to jail, for you know not that, according to your Constitution, you do not have to support UNJUST or FRAUDULENT laws. YOUR JUDICIARY SYSTEM WAS INDEED CREATED SUCH THAT YOU, THE JUROR, WOULD HAVE THE FINAL SAY AGAINST UNJUST LAWS. From the beginning you were given the ultimate say. IN FACT, IT IS YOUR DUTY TO VOTE "NOT GUILTY" WHEN ANY OF YOU IS BURDENED WITH AN UNJUST LAW. THESE WHO DISOBEY UNJUST LAWS CANNOT BE SENT TO JAIL IF YOU VOTE "NOT GUILTY". Precious Ones, any of you wishing to know more about informed jurors can receive of the same from the above Montana address.

CHILDREN, YOU MUST AWAKEN TO YOUR DUTY TO UPHOLD THE TRUTH AND THE LIGHT. YOU MUST CEASE TO TAKE AS YOUR SENTENCE UNJUST AND FRAUDULENT LAWS. YOUR CONSTITUTION WAS DESIGNED SUCH THAT YOU, THE CITIZEN, WOULD BE ASSURED RIGHTS WHICH ARE INALIENABLE, GOD-GIVEN, NOT TO BE SOLD OR BOUGHT. These rights are clearly delineated in your BILL OF RIGHTS, such that there is no mis-understanding.

Now, you have a government which has become OPPRESSIVE. You have a group which has SEIZED your government and has CONSPIRED to UNDERMINE you, as a nation, even unto the DISSOLVING OF YOUR CONSTITUTION AND THE TAKING OF YOUR VERY LAST FREEDOMS. EVEN

UNTO THE QUARTERING OF FOREIGN TROOPS WITHIN YOUR VERY MIDST. EVEN UNTO THE TAKING AWAY OF YOUR FREEDOMS OF THE PRESS. EVEN UNTO THE TAKING OVER OF YOUR EDUCATIONAL SYSTEM, WHICH WAS FORBIDDEN AT THE TIME YOUR COUNTRY WAS FOUNDED. Little Ones, your freedoms have been slowly usurped such that you have very few remaining. THOSE WHO HAVE SEIZED YOUR COUNTRY ARE AN EVIL LOT WHO DEMAND THAT YOUR GOD-GIVEN RIGHTS BE DESTROYED AND THAT YOU BE PLACED UNDER A ONE WORLD GOVERNMENT.

What will you do to KNOW TRUTH? What will you do to come to grips with the horror that is fast upon you? What will you do to come out of the BLINDNESS which has taken hold of you? I say, "You who will not do so much as raise a finger to help your own selves from the ditch shall PERISH; if not in this world, then in the world to come." FOR YOU WHO WILL DO NOTHING DESERVE NOTHING, AND WOE UNTO YOU, FOR THIS SHALL BE YOUR JUST REWARD. THERE IS NOT A GREATER BATTLE GOING ON RIGHT NOW THAN THE BATTLE FOR YOUR SOUL. AND THE BATTLE IS A GREAT ONE, INDEED. YOU WILL EITHER RAISE UP OUT OF YOUR STUPOR AND FIGHT OR YOU SHALL LOSE OF YOUR FREEDOMS.

Speak not in this direction that you have seen or heard NOTHING of what is going on, for you have been warned and forewarned. YOU HAVE BEEN GIVEN AS MUCH THROUGH THIS SOURCE. AND OTHER TRUTHS ARE COMING UNTO YOU FROM MANY DIRECTIONS NOW. Enough is enough. Come not unto me with your WHINING and COMPLAINING when the going gets ROUGHER, for when you could have done, you have done NOTHING. When you could have RAISED a voice, you KEPT SILENT. Come not unto me when these seek to ERADICATE you from the face of the Earth. For this is their GRAND DESIGN. I tell you that you have an OPPRESSIVE government running your country, and that the same is one COUNCIL ON FOREIGN RELATIONS.

THINK NOT THAT MR. CLINTON IS ABOUT HELPING ANY OF YOU UNLESS YOU FORCE HIM TO DO SO. HE IS A MEMBER OF THE COUNCIL ON FOREIGN RELATIONS. HE IS NOT YOUR REAL PRESIDENT, ANYWAY. HE IS A LIAR, AND HIS PRESIDENCY IS A LIE. Believe not one word you hear from his mouth as regards grand plans, for he will do exactly as he is told to do by the HOUSE OF ROCKEFELLER, or else.

We are growing very weary on this side by those of you who insist that "GOD WILL DO IT", or "I'LL JUST PRAY, AND LET GOD TAKE CARE OF IT". WELL, YOU CAN THROW THAT KIND OF THINK-

ING INTO THE FIREPLACE AND BE OF THE BURNING OF THE SAME, FOR GOD WILL NOT BE OF THE DOING FOR YOU THAT WHICH YOU CAN DO FOR SELF. THE ANTICHRIST HAS WOVEN FAST INTO YOUR BELIEF SYSTEMS AND HAS TAUGHT YOU TO BELIEVE IN "MAGICAL THINKING". You have allowed the same, for you have sat back and waited to be FED, FED, FED by those who do not know the TRUTH from a LIE. YOU ARE CAUGHT IN THE WHIRLWINDS OF THE LIES OF THE HOUSE OF ROCKEFELLER AND OTHER OF SATAN'S SERVANTS, AND SUCH IS

YOUR CHOICE. YOU ARE NOW IN DEEP FAT AND YOU WILL FIGHT OR BURN A QUICK DEATH, FOR THE FIRE IS MOVING IN ON YOU FAST.

This is enough on which to ponder this day. Take of it and do as you will. But you had best know that all herein is a stern warning for those of you who will listen. THE PATIENCE GROWS VERY THIN ON THIS SIDE. THE DAYS OF "LOLLY CODDLING" ARE OVER. IT IS "PUT-UP OR SHUT-UP TIME". I AM, AS YOU KNOW ME TO BE, MASTER JESUS, THE CHRISTED ONE.

Nevada Corporations

"C" CORPORATION OR "S" CORPORATION?

There is a lot of discussion in the world of corporations about which type of corporation is the best. There are two primary types of corporations. One is called a C-Corporation and the other a "subchapter" or S-Corporation. Both of these types of corporations have their advantages in different circumstances and should be viewed from an assessment of your specific needs and corporate strategies.

After the Tax Reform Act of 1986 went into effect, many corporations changed from C-Corporations to S-Corporations. An S-Corporation allows the profits and losses of the corporation to flow directly through to the owners/stockholders of the corporation without being taxed at the corporate level first. This eliminates the potential for double taxation. Double taxation occurs when the corporation has profits that are taxed and then those profits are later paid out to stockholders in the form of dividends, which they are then taxed on. This problem however can be easily dealt with by eliminating or deferring profits through good money management.

S-Corporations are also generally limited to fiscal year ends of December 31st. However, this can be changed if you can prove to the IRS that you have a good business reason to make your year end during a different month. All C-Corporations can elect to make their year-end date be any month they choose.

S-Corporations are often used to lower the payroll taxes of a corporation. This is done by having the owner(s) of the corporation pay themselves a low salary and a high dividend. This lowers payroll taxes because there are no payroll taxes on dividends. This can be used to a limited extent, but if the proportions of these

two are way out of line, the IRS will come in and reapportion them and you will be stuck with their outcome.

The real deciding factor for which type of corporation to use is when it comes to your personal privacy. Every corporation that elects "subchapter S" will be letting the IRS and the state that they operate in know who the owners of the corporation are. Because all profits and losses flow through to the owners, there is no privacy in this structure. If you are incorporated in Nevada and set up a C-Corporation, ownership is completely hidden. Remember that Nevada is the only state not requiring the owners to be listed on any state records. For this reason alone we avoid S-Corporations altogether.

This brief overview comparing S-Corporations and C-Corporations may be too limited for evaluating some specific situations. If your corporation is a little more complicated than the average, or if you are working a multiple corporate strategy, we recommend that you consult with a knowledgeable Accountant who can then help you make the best decision for your needs.

Good Patriot Clues For Meditation

1/8/93 #1 HATONN

COSMOS—ANOTHER PERSPECTIVE

This whole scenario reminds me of the "Photon Belt" and somehow, again, a "thing" is labelled "Hatonn's". Wow—you had best speak to earth-bound Andy and Dare if you want identification of update.

I consider the early talking has cost months of precious "time" in corralling the criminals. I will comment, however, on a few things of which you can take note and realize that "something" is afoot.

Gunther Russbacher was released just before Christmas and he and "wife" went immediately to Germany. Why? Well, who knows—but remember, his background is GERMAN royalty. He will be returning on the 10th to this country and will be on radio in San Luis Obispo on Tuesday, 1/12/93, for you who might be able to pick up the transmission. I'm sorry, we do not have the station call-letters.

Also, let it be noted that "good old" KAL-007 Judge William P. Clark and seller-out of U.S. to China more recently, was very much involved in getting the "pardons" for the Bush criminals. Clark was very strongly linked to the Iran-Contra mess, as you might well have guessed. Ah, 'tis those "tangled webs" at work again.

Many "patriots" who called these shots from onset are just about to regain their respect as confirmations of their accusations come to bear fruit. It seems you ones must bear the greatest burden and insults—but, Chelas, if not you—WHO? How shall a nation ever awaken if someone does not ring the alarm bell? Too much? Indeed, but how can one measure the harvest before the reaping? You can only speculate, for even until the day of harvest the hail can come and destroy the crop.

Be patient, children of the WORD, for all is not for your eyes yet. Much is moving forward and you must "wait upon the Lord" lest you spoil of the wine by testing before its time.

You have your own government ready to blast you off again into war in Iraq. The word is out from British spokesmen that say they "support" the U.S. move against Saddam, and further, "...disregard for United Nations rules will not be tolerated by the U.S.!" Also, we "...will probably reinstate the formerly utilized 'precision

carpet bombing' if necessary." (???) "precision", 'carpet bombing'?? Do you ever feel your head is in some kind of a smasher?

So, the U.S. has a war going in Somalia almost singlehandedly—against starved natives who live in almost primitive circumstances, a major war (but actually it will be the Israelis against Saddam) beginning in Iraq, the U.S. being asked to enforce regulations in Bosnia/Serbia—well, I guess you have to realize that most of the U.N. troops are in the U.S.!

So, back to Cosmos and the expectations of the 7th? What happened? I don't know! What did they tell you would happen? You let Bush get away and all other indictments would be kept above top-secret by, further, secret Congressional sessions.

Bush is running for Head Honcho of the United Nations and you can see that Clinton is breaking, ahead of time, all his commitments.

BUDGET BREAKS CLINTON'S WORDS

Clinton already, before inauguration, has told you all that he is not going to keep his word on ANYTHING. He is telling you that the Bush gang lied to him and that the deficit and debt is bigger than he was told and would grow far more rapidly than he had imagined and all bets and pledges made during the campaign are off!

He also pledged to NOT put any insiders into office. Then he puts Brown (**the insider of all insiders**) into the top slot in "Commerce" of all things. Oh, but "not to worry"—he will resign from his law firm and not do any lobbying for his old clients. I suppose he will "shun" his old partners also—**who will still do business with the old clients!**

A TINY CONFIRMATION

You do deserve a little confirmation regarding this "Cosmos" "thing". Of course it is "real" and so is the story of the Elite trying to rig it and take over the corporation. They not only "tried"—they did so. It was only through a fluke that the original corporate founders were able to reclaim the entity. But you can recognize relationships which give confirmation of the incident by realizing that there are

several major Elite organizations recognized as shadow government scallywags; the C.F.R., Trilaterals, Cent., Bild., Rand, C. of R., etc. Well, among those is also one known as **COSMOS!** It was formed to steal the Cosmos Seafood Energy Marketing, Ltd. There are several notables on the staff of Cosmos, among whom was Nelson Rockefeller. These named are all members of one to several of the other Elite organizations: Carroll L. Wilson, Robert V. Roosa, Caryl P. Haskins, Joseph E. Johnson, James A. Perkins, Arthur F. Burns, William A. M. Burden, Lucian W. Pye and Emanuel R. Piore. I only list these ones because all of them are members of the C.F.R. and most are members of the Bilderbergers. Of course activities were and remained orchestrated by David Rockefeller (Chase Manhattan Bank) and other notables.

The COSMOS "group" is, of course, interlocked within the central organization known as **The Round Table of the Nine**. These are, starting with the Council on Foreign Relations: The United Nations, The Bilderberg Group, Club of Rome, Royal Institute for International Affairs and the Tri-Lateral Commission—all interlocked **illuminati** fronts. These swine went even further in their rip-offs and subterfuge of intrigue and their antics are recognized as "The Cosmic Conspiracy".

Since the group is called "Cosmos" and is composed of very wealthy one-worlders, it would appear appropriate to remain very, very cautious regarding the matter at point.

The way it was presented to the Nevada Secretary of State when the "takeover" was achieved through changing of records, etc., was because of the already existing status of this COSMOS organization. It took very little to rearrange things. The fact that huge sums of money were funnelled through indicates validity of the original claims—even as presented out of sequence by speakers who became overexuberant in their outlay of speech before the facts could unfold. Some of the statements were true but—through early speaking—are now invalid. Other statements were never valid and the barrage of post-cards going into headquarters were overwhelming and certainly **unsolicited—SO, on whose side are these public speakers?** I suggest you carefully observe and continue to keep your selves covered and your assets as well managed as possible—the upheaval of all economies and national governments is NOT OVER! DO NOT GO BACK TO SLEEP—THE SONG AND DANCE IS JUST THAT—SONG AND DANCE—FOR THE REAL WORK WILL GO FORTH IN SILENCE AND, HOPEFULLY, WITH VERY LITTLE PUBLIC ATTENTION UNTIL PROPER INFORMATION AND EVIDENCE CAN BE HANDLED THROUGH THE "LAW".

GOLD AND MARKETS

Markets are still reacting exactly as expected. Gold took a dive because of

efforts to garner pay-off money by ones, including George Bush who had to pay a massive debt (a billion dollars) on December 29th. Note his trip to the Saudis, etc., in order to garner that money. This "try and block" game all but undid the entire international economy. You will note, how-

ever, that the old boy has come up stronger and more supported by the top U.N. nations—EXCEPT CHINA. Don't let that fool you, though—Bush made sure they got top "favored nation" status. YOU ARE UNDER U.N. RULE, CHELAS—HOOK, LINE AND SINKER. □ □ □

Local News And Some Disturbing Incidents

1/8/93 #1 HATONN

LOCAL CONFIRMATION

Right here in this tiny village there was just a write-up in this week's paper—showing the SWAT Team members who trained late last summer IN MOSCOW—with KGB!! The most interesting thing in the article was that "...the Russians are less violent than the Americans!" Well, Dharma has felt the sting of these "boys" of the local Sheriff's Dept. but actually it is the Federal Marshal's SWAT Team that does the dirty job of actually shooting and plundering.

By the way, the Bankruptcy Court just removed the "stay" from the property and again it is "eviction" time. I can only say that Dharma is exhausted and, of course, every other barrage hits at once with everything from trouble with ones who have basically separated from my crew and also, America West, as the University of Science and Philosophy now comes up with "contempt of court" suits against my scribe and the publisher.

I don't know how this will work out—but Tehachapi Distributing has had to simply close-down. They are divested of all books—I think to a book outlet in Las Vegas but I have not investigated for those volumes have been out of our control and presence for lo these many, many months since onset of court proceedings. [See next-to-last page for more on this matter.]

There seems to be a problem with assumption that the Publisher has continued to market those volumes because of "set-up" purchases which were somehow paid to Am. West. and not relayed to the Distributing Co. in Tehachapi. This is unfortunate for we have made every effort to conform to court orders.

There is a mis-assumption that because Tehachapi Distributing's listing was in the *LIBERATOR* that somehow I, Hatonn, or my scribe had control over that. No, Dr. Young decides what will be printed in the *LIBERATOR* and since there is no paid advertising accepted, that only allows uti-

lization of those things he endorses. He is a professor in the subjects contained in the *PLEIADES CONNECTION* series. He is a student of Tesla and also Russell and those arrangements are left to his discretion.

PLEIADES CONNECTION

HURT FEELINGS

It comes to my attention that I have caused enemies to myself and ones here at this location. The words are harsh and accusatory as they are thrust at me and my scribe. I am at a loss as to how something precipitated in one's own place can somehow represent insult and offense when confronted by ones paying the heavy price at the other end of the chain.

I have apparently offended our friends at America West, and more specifically America West Distributing in that I cannot imagine deliberately entangling our work with some 60 other JOURNALS by a need to reap benefit from these limited temporarily banned volumes. I used the term "greed" and it was accepted as being very offensive. Perhaps it is assumed that if one serves without limit in one direction that it automatically makes all actions worthy. I am sorry, I know no other word to utilize in this particular instance for it was known that these books were "banned" and my scribe held responsible for informing the publishers of same. So, if there is misunderstanding it is NOT from this sector.

Dharma can simply sit and we will write a dozen books in these stead. If there is misunderstanding, I would hope that it shall be explained appropriately. I am told that it will not be discussed save **through an attorney. I find this appalling, most especially since the attorney happens to be the same for both parties.** I do feel that the misunderstanding may have come from an incorrect assumption on the way the books might have been handled earlier—but a book removed by court order is "LAW". There was a period following divestiture of the JOURNALS in point wherein they were only "pending" removal—and it

was then that they were all sent to Tehachapi Distributing and totally without any proprietary management of any named parties. I am most distressed, now, that there will be some shadow cast on Mr. Martin when his actions have been open disclosure of all dealings. This has caused Mr. Martin to have to divest all stock of all books in distribution of all kinds, and it seems most unfortunate for he had already sustained losses for original business involvement.

All parties KNEW these books were banned and hence the reason for total separation in the first place—I have neither explanation nor understanding of the whole affair.

I do know and remind you that ALL efforts will continue to keep this information from you-the-people. It is simply the way it IS and, therefore, absolute and total care must be taken in all dealings and undertakings to remain without blemish or taint. I find it hard to realize that this has happened for in the ending it is my scribe who will be called on to again attend the misery and ridicule of the Federal court, when she and E.J. have had NOTHING to do with such matters. Also, Mr. Martin went into the transaction in good faith and it is certainly our hope that this can be resolved immediately for there are neither funds nor "time" to attend such distractions. I repeat to all of you—WE LIVE WITHIN THE LAWS OF THE LAND AS HANDED DOWN UPON US—THERE ARE PLENTY OF MANAGEMENT ALTERNATIVES TO PREVENT SUCH CONFRONTATION AND, FURTHER, AS "PATRIOTS" THERE IS NO ADVOCACY OF CULTISM, ACTIVISTS IN PHYSICAL MANNER, VIOLENCE, SUBVERSIVE ACTIONS OR EVEN OVERTHROW OF ANY GOVERNMENT.

Ours is purely intent to inform and—through knowledge—reclaim your Constitutional form of government. Your Judicial system is thoroughly corrupt—but resisting the gun of the court is foolish indeed! We do not do such and I am at a loss as to why ones would be angry because I say as much! I can negotiate—I shall NEVER compromise on such matters! I would hope that all of you recall: "The path to you-know-where is paved with good intentions." I know not the "intentions" in any event—I only know that there are contempt of court charges against my scribe for which she has not so much as involved herself and further, it is said that "Mr. Martin has been 'set-up' in this instance and he was acting totally within the law with books already published and divested by the publisher and, further, no remuneration was ever made to the "author".

If I be at fault for "offending"—then I fail to see in what capacity I speak falsely and offend. I am accused of stating "untrue" things in the paper—Ah?? I truly am not in

the habit of lying or misrepresenting circumstances. God is not "secret" nor are our workings. All we do can and will be done in the full light of day. If there be problems—then why can they not be brought to attention and resolved? Why does a problem come to light only AFTER the damage is at the door, already knocking? If any load be too heavy—God will answer a request to lighten or remove the burden entirely. He, nor we, ask nothing of any man beyond which he has committed to serve.

I do, however, leave business to business managers for my job is to bring the WORD and show the way. I do give **excellent business directions for all and any who would partake—as I can see from the higher view. However, when you ones choose to use only a PORTION of that advice and claim your own intentions in another—you can see that it will not work well. It is so very important that our own immediate workers have absolutely untainted hands for even the "appearance" of wrongdoing or disregard for the regulations are unacceptable. I do not "punish" nor condemn—I simply find that my scribe is bewildered by what has happened herewith for it would truly seem that she has borne quite enough already without deliberate challenge, without her knowledge of happenings from ones claiming great and lasting friendship and sharing of load. E.J. has, likewise, continual assault upon his individual self.**

We still have ones who attend our "meetings" which are not "group" or "church" and yet visitors or ones who "assume" some sort of "insider" status seem to think that they have "rights" of open public integration into whatever our associated businesses may be experiencing. Ones are guests in our place—not some "rightful" state of passage. All are welcome but none have "right" any more than in ANY business establishment belonging to another and/or a home or property. We are "guests" in the *LIBERATOR* work-room when we have meetings and I am allowed passage as Host but not "owner" and certainly not as some sort of "ruler" in another man's place.

AN INCIDENT

We have had another event following a meeting and, now, we must more selectively consider our little gatherings.

I have requested over and over and over again that Dharma be gotten from the speaking room IMMEDIATELY following the meetings—IT IS NOT SAFE FOR HER. I realize that this is a great difficulty because there is no exit without going through a common door. There are also pieces of equipment to be gathered and taken. This

is not some sort of "performance" and should be a time of sharing and friendship. However, enemies come within our very midst with all sorts of intentions—even from time to time, to micro-chips and dots which are literally programmed to kill her. We don't want to cause any confusion or disruption of any kind—I only ask for a little space and time for her to get "on her feet" following a meeting or—on more dangerous occasions—out immediately.

Again, however, she was approached by one wishing to hug and load "defense of prior actions" on her head. In response to my request for this not to happen, E.J. reacted to what appeared from his vantage point to literally be an "assault" as it also did to another who always attends her until she gets her "land-legs" back firmly under her as it is hard on her for me to speak anywhere from three to five hours without break. Her mind is not functioning in balance or clarity when she returns to the present situation.

E.J. reacted in almost "panic" and pushed the person from the space. The person then started back again to Dharma, at which point he again took her arm, within a heavy coat, and pushed her back from the immediate small platform. The party turned and again started defending self to Dharma and then turned and went to a smaller group, as the room was still very crowded, the meeting just ending.

This person is not a new guest and has over and over again been asked to not do this very thing. This very person has and continues to precipitate continual problems, distraction and major upheaval and discord from onset of arrival at this place several years past. Every possible consideration has been given to her from finding placement for her labor wherein none existed in need, etc. Some ones continue to effort to turn this group of business associates and friends into some sort of communal group. NEVER!! We function well and without assault in our works by maintaining our life-style exactly as is. Dharma has a job—to write and speak when I need it. It is not also to find jobs, housing, food and baby-tenders. This is a community wherein everyone moving here is equal and separate. We do not exclude—nor particularly "include"—for there is no such structure more than in any township into which any might relocate or come to share with friends. Just as with a community of any type, be there a special need such as a gathering for a campaign hearing, we unify with other workers and share the load—this certainly does not make us an open forum or public church-house or congregation.

If you come to openly share as with any friends within our home, you are forever welcome and we are pleased and honored to have you here. There ARE NO OTHER

CIRCUMSTANCES! NONE!

The story is now that E.J. pushed this person down (twice), hit her in the face and bloodied her nose, etc. There are plenty of ones who witnessed the action and yet even in a full room most did not realize anything transpired. That indicates how violent and physically abusive it actually was in fact. However, now, ones who were not even present at any time on the premises have formed a coalition to "get E.J." These ones continually have meetings wherein Hatonn is discussed, cussed, denounced and grumbled about—including his scribe and others considered somehow the "inside group". We have no group—much less "inside" group. We write books and print a paper. We plant, build and have projects—this is hardly "inside" as we go through our labors. NO ONE HAS EVER BEEN DENIED ENTRY TO ANY OF OUR NON-BUSINESS MEETINGS. These same ones seem to think that all business should also be "their" business and workings are continually scratched over, bickered over and discussed until the world looks pretty level.

I see no "right" to involve in our business any more than we would involve in lampmaking or other business of any individual in this community. I think none would like it if I came within your business and demanded to see your books, be invited to every meeting you may have, tell you how to run your business and who to hire, fire and what to pay them or any other routine living aspect of any life. Why do some continue to think there is right to contradict, have opinion, etc., about ours? Some "friends" who were not even present have passed on such stories as E.J. "...cut her head when he struck her causing her to fall and the cut required stitches!" It would be amusing if it were not so blatantly "sick" and these kinds of lies are very dangerous indeed.

PROPER MANNERS

Why do ones come to our place, sit at our table, claim friendship and partake of our sharing—and hate us so viciously?

So many beloved and precious friends come to gather with us and we cherish and are humbly grateful for your presence in our midst. To touch with friends brings the greatest treasure of all—a purpose fulfilled in this journey. To lessen the experience of this kind of sharing by the few who would disrupt and cause dissension and contention is becoming more and more unacceptable.

I repeat—I, too, am but a guest in the house of the *LIBERATOR* staff, specifically the blessed ones who volunteer and send forth the paper without reward and without complaint. We share as a family wherein all readers are likewise our family. To treat

our greetings and gatherings as anything else is not truth nor acceptable. Why would you come to a place wherein you disagree and discount ones who allow you within? If you have no belief or positive association with us, why would you continually come? Would another even let you within their door? Do you push your way to another's table simply because you dwell in the same State? City? Town?—even on the same street?

Why do ones continue to come into our place when the wish is only to hurt and disagree? I care not if you disagree with me—ye shall never be forced into my presence nor into the Word in any way. What goes on here? Well, it goes on EVERYWHERE—for it would seem strange indeed that ones would continue to come within a gathering wherein they hate and despise and disbelieve the very points I do not compromise—the Truth of God. Why would you embrace the energies sent to destroy you?

The Christ loved and did not judge the man involved in any instance—but never allowed of the evil intent within his being. If you open yourself to all manner of evil in the guise of “love” and “allowing”—those energies will devour you totally and separate you from the very expression of that Truth. THAT is their purpose—to destroy YOU and pull you from your path unto LIGHT. They will separate you from your very experience within the halls of Truth for when they go they will take you with them EVERY TIME YOU ALLOW IT. And they WILL GO because darkness will not remain long in the LIGHT of Truth. These ones only flourish through hidden deceit, charades of pretense, half-Truths or total lies—and they will not tolerate The Light to shine upon themselves or those they encapsulate.

If you think “allowing” all and any action and thought in the guise of “loving” and “being” and each “can do his own thing”—you err. But, you must do it in your own space—not mine! You may love unconditionally, you must forgive instantly—but you learn and do not forget and you love the man but abhor that which is against the laws of God and Creation. There is a big difference and it behooves you ones to realize it.

You are incorrect if you are so weak in your own pathway that you allow another to so easily pull you from your KNOWN truth IN THE GUISE OF “LOVE” and “I know better FOR YOU than you do for self—just come on with me and I'll show you better”—all the while pulling you into confusion and farther from the spiritual Truth and into the physical aspect of experience and consciousness. If a “thing” or “action” is against God's laws and if deviate from those in any

way—it is “wrong”. Not any argument, allowing, shouting, voting or bending—will make it otherwise. When you ask me to sanction ill-behavior and incorrect actions—you offend me and, at the very least—grossly underestimate me.

These foolish beliefs and actions stem from the New Age lies of “everything is acceptable” and “to each his own”, etc. NO, **ALL** is NOT ALRIGHT! When you allow these negative energy forms within your very being—you have denied God in favor of the adversary. Why can you ones not be strong and demand that these who would pull you away—come within YOUR respected consideration instead of, without benefit of study of that which you believe, moving off into their world of confusion? Not only that, most of you allow them to pull away others with you to suit their own distractions. Why do you who would claim God for self allow your own silence and “change” to suit the pushing desires of another?? When a person becomes ANGRY and DEAF to your own petition—is there not possibly something quite wrong? Can you actually call this LOVE? LOVE listens and hears, is courteous and respectfully willing to share and learn—then reason and define.

When ones will leave your presence in a snit rather than “endure” your perceptions—you have neither LOVE nor respect and the sooner you realize it the more fully you will live your relationship within God. Why do YOU dump your own belief for the rantings and demands of another? Or, for the tender temptations of a sweet touch on a lonely journey for the moment of physical expression. Truth requires no rantings or refusal to hear another nor even another opinion or viewpoint—Truth will prove of its worthiness. Refusal to listen, see, or give

respect usually IS HIDING WITHIN A LIE—afraid of what might be truth other than as presented and instilled within their beings.

WHY DO I SPEAK ON THESE MATTERS?

I share these things of personal nature because most of you readers understand our thrust with these works and consider yourselves to be exactly what you are—our brothers and sisters in this journey and mission. If you did not, you would read another's newsletter and not waste your precious time. You feel our brotherhood and the consideration of the “call” and the “times at hand”—our mission, if you will.

It, further, usually seems that to be “close” in physical expression somehow makes it all easier or better, or at the least, less confusing. No, it only brings more attempts to pull ones from their path and distract from intended mission. God is where YOU are as closely as here—there is no time nor space—only now and “is” and the Radiance of HIS expression. We are come for the sharing and if we share not ALL, how can we even pretend “brotherhood”? If we can continue to “touch” at a soul connection, then, and only then, can we unify in our task. Ours must be a journey of sharing both that which is considered good and that which is ever present to pull away from freedom in all things manifest.

If ye be offended by Truth and Light shining upon thine actions—then ye know me not nor recognize the Truth of my mission. You have “right” of free-will—ye have not “right” to intrude upon mine nor any “other” upon your own any more than I have “right” to intrude upon you and yours.

Social Security Shenanigans Hiding Our National Deficit

1/8/93 #1 HATONN

SOCIAL SECURITY/DEFICIT

We are so behind with our current updates that I feel I must take time here to cause you to look at your Social Security circumstances. If you remain uninformed—you will be "without".

I take this directly from *The Lyke Report*, a digest which I consider exceptionally good at choosing pertinent information in a most timely manner. This is so "right on" that I thank their Editors and will offer it directly for your consideration.

QUOTING:

During fiscal year 1991, \$63 billion was diverted from the Social Security Trust Fund and used to paper over and disguise the actual size of the federal deficit.

Instead of amassing a surplus in the Trust Fund to insure the benefits of future retirees, \$63 billion of your Social Security contributions or "taxes" was spent to cover the cost of general government and interest on the national debt.

When you add in the \$63 billion of surplus Social Security taxes being collected in 1991, the correct figure for 1991's federal deficit becomes \$431 billion—not the \$368 billion being reported! The fact is, the real deficit continues at very dangerous record levels.

If you are contributing to Social Security, the thousands of dollars which are supposed to be put away each year for your retirement aren't being put away at all.

(If a private company were to handle your money in the same way Congress is managing your Social Security funds, they would face felony charges, huge fines and long jail terms.)

Unless funds are put away today, when the "baby boom" population retires, there won't be enough working Americans to support them at the same level. Unless the diversion of surplus funds is stopped, either future retirees' benefits will have to be dramatically reduced or the nation will face a tremendous new tax—a tax which could possibly include a tax on all Social Security benefits.

The true size of the federal deficit is \$431 billion—over 17% greater than previ-

ously reported! And we cannot afford such massive deficits. Today, already 61 cents of every income tax dollar you pay goes just to pay the interest on the federal debt. At our present rate, in less than eight years, it will take 102% of all personal income taxes just to pay the interest on the debt. (For a point of reference, that's the same situation Mexico and Brazil face today.) **[H: The reason this subject is so pertinent at this moment is that I just told you that Clinton is already BREAKING his campaign promises (in advance) because these figures above are not accurate either—it is so much worse that even the new Administration is totally overwhelmed.]**

To eliminate these deficits, it would be necessary to more than double everyone's federal income tax—a tax increase of that magnitude would almost surely throw us into a deep recession or worse. The diversion of the Social Security surplus and this entire crisis has come about for one reason: the massive federal deficit. **[H: Wrong—there is another reason—THE NEW WORLD ORDER plan to strip you of everything and all property. This is deliberate in intent and orchestration as well as being totally criminal.]**

Several years ago, President Reagan appointed a privately-funded Commission to study ways we could eliminate waste in the federal budget. You may remember the Commission—it was popularly referred to as the Grace Commission. It was the Commission which publicized the Pentagon spending \$436 for a \$7 hammer and the like. **[H: Well, goodness sakes, what about the \$30 thousand toilet for your space flights—just announced?]**

The Grace Commission first documented and the General Accounting Office recently confirmed: There is enough government waste in the federal budget to nearly eliminate the deficit. The Grace Commission discovered over 2,478 examples totaling \$424 billion in government waste!

Because of the growing federal deficit, America is on a collision course with national bankruptcy. At present, we are eight short years away from the day when 100% of your personal income taxes won't even cover the interest on the national debt. **[H: This was taken from *Straight***

***Talk*, and presented by *The Lyke Report*.]**

END QUOTING

I would take some exception to the article only in that it is UNDERSTATED as are all presentations regarding the state of your other retirement plans such as Pensions and Retirement of all kinds. The majority of the Banks are about to collapse—note the smaller ones are being absorbed by the big ones even in Japan.

While you aren't watching—it is estimated that surely enough, 100 to 125 banks with assets of more than \$75 billion will go broke by the end of 1993—in spite of what might be sliding over your attention. This comes directly from the Bush Administration—THIS WEEK. Interestingly enough one executive Economist, formerly with Citibank, argues that 1,492 banks are in such deep trouble as to be unrecoverable. The elusive problem is not with the "banks" as such—but with the "holding companies" with assets of at least \$10 billion with negative equity/asset ratios.

Strangely enough, the top ten such are headed by Security Pacific Corp. whose merger with Bank of America, surely enough, "somehow" got blocked. Others are Wells Fargo & Co., Shawmut National Corp., MNC Financial Inc., Michigan National Corp., Midlantic Corp., UJB Financial Corp., Chase Manhattan Corp., Citicorp, and Marine Midland Bank, Inc. These are the ten weakest but there are another 40 or so holding companies that have assets between \$1 and \$10 billion in a similar situation of negative equity/asset ratios. This is quite handy, however, as the Saudis come to collect their money—because ones such as Chase Manhattan Bank can belly-up the holding companies and capture all those nice oil funds invested by those nice Saudis years ago and now coming payable. **[See the PHOENIX JOURNAL #4 called *SPIRAL TO ECONOMIC DISASTER* for more on this matter; see back page for ordering information.]**

By the way, even as we sit and you think currency recall is not going to happen—IT IS!

As of last October banks were ordered by the "Fed" to no longer recirculate the

series 1988 and older \$100 bills. Even bills in perfect condition are to be held and returned to the Federal Reserve. Only new 1990 series are to be distributed unless absolutely necessary. The plan is to sneak in without a bank holiday or devaluation. Interesting? If you keep up with "Cosmos" you might find this very interesting, indeed. The Bureau of Engraving & Printing has also been printing **new \$10** notes and now ones are moving into circulation with—surely enough—metallic code strips! We have now had several calls of ones received by our own readers so it is no longer hearsay. The code was already in the \$20 bills so stay alert and let us try to ease through this without a total recall and massive loss of assets. Dear ones, if we can squeak through, perhaps we can hold some sort of stability. Watch the clues and remain prepared, for the moment you let down your guard and get careless—you will be hit with closures and recall exchange. Never forget that the point is to garner all of your assets and property of all kinds. Institutions such as the IRS and RTC are set up specifically to insure that capture of your property. Banks are dangerous, investments are worse—please, readers—do not go back to sleep—NOTHING IS SECURED—YET!

TAXES ON THE "DEAD"

By the way, the latest whispers abounding are on a sure-fire new law that will drastically change the federal estate (inheritance) tax and will confiscate nearly half of the life savings of millions of middle-class Americans. It won't matter whether your life savings are in a home or a farm or a small business—or a bank account, the Clinton tax collector is coming to get YOU. The statement of one of the drafters of this bill: "If you have helped people with their long-term care (Social Security, health, etc.), it is only fair to tax them when they die."

So, go look it up? Nope, there are denials of its existence by the legion. When a portion of the bill got "leaked", the Democratic Leadership yanked it back and called it "an incorrect version". Right. In actuality, word is getting around because this hits everyone—especially you nice middle-class taxpayers. It is "just to ease you into this nice New World Order". Note that every one of Mr. Clinton's speakers are touting that phrase—"fitting into the New World Order" as if it were your established form of government forever and ever—perhaps it shall be?!

And so, let us close this long dissertation. May the Force be with you—you could use some help!

Salu, Hatonn to clear, please.

THE "HISTER" CONNECTIONS

(Part VI and End Of A Series)

HISTER is the word Nostradamus used in his quatrain of prophecy regarding Hitler. In the explanations of his prophecies recorded by Dolores Cannon (see *Conversations with Nostradamus*). Nostradamus agrees with the general interpretation made by students of his prophecies that "Hister" means "Hitler". Nostradamus also states that Hitler was involved with a powerful group of "others" in the Nazi Party—he did not come to power or act alone! The identity of these "others" has been the question and object of investigation.

The question surfaced again when I came across the word **HISTER** in a Latin dictionary. Hister (AKA "Ister" or Greek "Istros") is a location. It is the name of the area surrounding and including the lower part of the Danube River in Eastern Europe. Nostradamus used anagrams and symbolic words to both cover and reveal his messages—also to provide a complex and broad view in a short phrase. In his "*Conversations*" he continually exhorts us to "study history"! People of the Nineteenth Century would have known about the word "Hister".

I was able to follow the Danube River in the World Atlas. From Germany it starts at Baden, flows along the Black Forest and Bohemian Forests in Bavaria, through Austria and the City of Vienna, into Czechoslovakia and Hungary and the city of Budapest, into Yugoslavia and through the City of Belgrade, flowing East along the borders of Rumania and Bulgaria, and then finally entering the Black Sea through several outlets (mouths) in the area of Galati, Rumania and the border of Russia.

My first view of the river's course was limited to what is illustrated for that river actually named "Danube". I later learned this did not give the total map of the river, as it is called by **slightly different names in the various countries**. According to *Larned's History*, names of the river include, Latin: "Danubius", German: "Donau", Slavic: "Dunai", Magyar: "Duna". The actual Danube and its tributaries cover a huge area and many countries—especially the East European block.

There is an excellent article on the history of the Danube River in *The New Larned History* book. The Danube was the boundary of the Old Roman Empire. It has long been an ancient trade route, and continues to be a very important trade route for all of the countries along its bank, as well as for international traders. It was the first major river to be internationalized, and, appears

to have been the focus for an early exercise in international control of trade and finance. The first insurance company handling cargo and shipping insurance was set-up on the Danube. Napoleon had a flotilla of ships located on the river near a strategic point at Vienna. Trade was monopolized via "trade guilds", which is another name for the Hanseatic League. It was through these monopolies (and the money and power gained thereby) that the League was able to even challenge governments! (I shall have more to say about the German merchant towns and the Hanseatic League.)

Russia set up obstacles to traffic on the river through various "quarantines". Also, Turkey (The Ottoman Empire) closed the mouths of the river to traffic from time to time. The problem was taken up in the Crimean War (1853-56). At the Paris Peace Conference a temporary European Commission was set up to manage and control the river. Somehow this Commission became permanent! As of 1921 Great Britain was continuing to be the dominating country involved on the Danube. The later European Commission consisted of Britain, France, Italy and Rumania. There was a second Rivarian and International Commission set up in 1920 with delegates from each country bordering the river and from each country represented on the European Commission. Germany was allowed two delegates. The river came under the control of the two regimes. The countries along its banks were the lesser of those represented, excepting Germany and Rumania.

Following the Crimean War, the Ottoman Empire and Turkey no longer retained power in the area. The Hapsburgs became dominant after that. However, keep in mind that the Khazars were the ones who controlled the area between the Black Sea (into which the Danube empties) and the Caspian Sea. Also, the Danube River, having been the boundary of the Old Roman Empire in the first centuries A.D., was the boundary crossed by the Barbarians and Mongols during their incursions into Europe from the 5th through the 12th centuries A.D. The historian Herodotus calls these invaders the "Scythians". If you look at a map which uses this label, you will see that **the "Scythians" lived in the area of the Caucasus Mountains—the land of the Khazars**. The names of people and places—especially of the Mongols and Barbarians—are so numerous it is difficult to keep track of their identities.

As for the Khazar's relationship to the Hapsburgs, that is another story. Accord-

ing to the *Columbian History of the World* (page 405), the German local princes sought a new "solvent of empire" through revival of the Hapsburg imperial to meet pressures from Turkish and French rivals (about 1500 A.D.) Of course the "German princes" were the "landed gentry, upper class, aristocracy".

In several of his quatrains Nostradamus indicates that the Second World War had its troublesome roots in the Ottoman Empire—as did the person who would become the Anti-Christ in the end times. This person's background will be somewhat of a mystery. Nostradamus states he will have access to secret material used by Hitler and the Nazis in World War II, and will learn from their successes and errors.

Further, this Anti-Christ is now studying Voltaire, Marx, Engels, etc., to perfect his world control policy. This could mean a continuing atheistic, Communistic system if he comes to power. How a person "with roots in the Ottoman Empire" acquires or is given "access to secret Nazi documents" raises many intriguing questions as to the behind-the-scenes, powerful "others" in control of the Nazis and our world in general.

Consider how such documents could have been held and made available:

1. A group of Nazis escaped with them at the time of the German defeat. This could mean the Nazis are still active and involved in world affairs.

2. When the U.S. Forces entered Germany they were prevented by orders from "higher up" from pushing into East Berlin until Stalin was able to come up and take it. This resulted in the problem of the divided City of Berlin, but also, perhaps allowed the Russians (a Communist country) access to records which might be held in East Berlin as well as power over the smaller countries of the Danube River.

3. The U.S. took in many Nazi scientists after World War II who were involved in military development projects. These people did bring "secrets" with them and became a strong part of our military, especially pertaining to advanced technology.

4. The U.S. placed itself under British control in the European Area. According to many authors writing after the War, the U.S. would take territory, and then wait for a ranking British Secret Service Officer to inspect, delegate, etc. The British are a very strong possible candidate for possession of "secret documents".

5. Whatever papers the Nazis originally had to work from could have been provided by a secret source connected to the Old Ottoman Empire—the people involved there

have never been closely tracked on a historical or personal level. Parts of the Old Ottoman Empire later became part of the Hapsburg Empire, and covered some of the former territory of the Khazars. Most of the history of the Khazars has been obscured or deleted from modern history books. In fact, the powerful merchants involved in international trade, gun running, drugs, etc., are also not "tracked" by any government. The entire area of the lower Danube provided a training ground and precedents for world control. Of course I am not aware of the total importance of this area to the rise of Nazism.

The mouth of the Danube and the area along the coast of the Black Sea, and inland to the south of the Danube is what was formerly called Moldavia and Wallachia (which were involved in many disputes), and more recently called Rumania and Bulgaria. This area was disrupted by problems between the "working class" and the "wealthy and absent landlords", called "Ayans" or "Derebeys" before it was taken from the Ottoman Empire. That these same "Ayans" obtained their wealth through trading is related in *The Columbia History of the World*, pages 615-619. This area was critical for control of both the Danube River traffic and that of the Dneister River. The loss of this area, as well as the loss of the Khanate of the Crimea to Russia by the Ottoman Empire, was a major contributing factor to this Empire's decline. (See Part V of this series for more details.)

A further consideration regarding the former Ottoman Empire is their defeat and decline. There may be a distinct need to regain territory, power and prestige for the ones in that area. Recall also that Britain took over the area of Palestine from the Ottoman (Turkish) Empire, and that Palestine became the home of the "Jews" after World War II. All of the provocations for another world conflict are present, provocations which appear, in retrospect, to have been unduly manipulated and very likely orchestrated. It is the people, or the "have nots" who have suffered and been hoodwinked.

The countries along the Danube river were forced, after the Crimean War, to allow free navigation of the river. This meant they could not defend themselves from infiltration, military attack, monetary control, trade negotiations and many other problems which should have been the responsibility and right of any sovereign nation. Most of the small countries were thus "had", since the river was critical to their economy. They became the possessions of the Communists after World War II. There is no question that the policies of the U.S., Great Britain and Russia brought it about. Also, there is no doubt these countries were **never** independent of the "ruling

class", who, in fact, were the "orchestrators" of the original problem and the "solution".

Dolores Cannon questioned Nostradamus about the person of the Anti-Christ and the number of Anti-Christ. Nostradamus listed three: Napoleon, Hitler and the one to come at the end time. He also indicated that each of them was, and will be, under the control of a powerful, secret figure who is the true controller of our present world, and before whom world leaders "quake". It appears, from Nostradamus, that the Anti-Christ of the end times and his regime will be a continuation of (and greater development over) the ones that have gone before. Moreover, the area of Hister and its world players provided opportunity, resources and probably direction for one of the Anti-Christ, Hitler.

In all of these "power plays" by the would-be world controllers, keep in mind that ancient treasure found beneath the pyramid, and written about in Grimm's tales. We saw some very advanced technology as a result of World War II. The advances in the technology have never ceased, nor have the **SECRETS!** If the knowledge came from ancient civilizations, long gone but more advanced than we are, then we could expect information on these advancements would be found in some secure place for future generations to use. But what kind of knowledge? Consider some of the following possibilities:

1. Knowledge of the Great Cycles that the Earth goes through, including the "Photon Belt", the change in the ice caps, the increase of contacts (via long-distance flying craft or spaceships) between other cosmic worlds and our own.

2. Information on flying space vehicles—how to construct them, etc. Information which required a great deal of development—hence the perceived need to make money and have wars to provide the opportunities for such developments and to manipulate the process to one's own advantage.

Some confirmation of the above can be found in the ancient, Indian text called *The Ramayama*. There is a description therein of Rama and Sita ascending in a space vehicle called a "Pushpaka" (see reference in Bibliography).

3. Information on the electromagnetic fields of the Earth. This is something Nikola Tesla was working on and over which he was killed—to prevent his gaining control away from the hands of the Elite for the public's use. (It is interesting that that obscene GOAT of Masonry, called Baphomet, has an unusual representation pictured in his lower abdomen, half covered with a wrap, which looks like some kind of electromagnetic device. It is also

interesting that another major image used by Masonry is the pyramid! Could that "all-seeing eye" shown above their pyramid represent this knowledge found beneath the pyramid? Think about it.)

4. Knowledge about a "universal language" perhaps? (See Part V of this series for more information on the Indo-European languages.) Why would one group be trying to control and orchestrate all the languages? For those of you who may not be aware of it, there is an "I.P.A." listed in my *American College Dictionary* with one simple explanation: "International Phonetic Alphabet". I was able to find out more about the I.P.A. in the *Oxford English Dictionary* under the subject "International". The I.P.A. was formed by a group called the International Phonetic Association. The phonetic alphabet is composed of Roman and Greek letters, forming an international, phonetic language. Nothing more could be learned about it from resources available to me. It appears that we have here another **BIG SECRET!!** The phonetic language is said to be used internationally!! Do you know about it??

In any event, ancient knowledge might help explain the true purpose of Grimm's Law and the insistent inclusion of Sanskrit in the Indo-European Languages. I've read, somewhere among UFO research materials, that writing found in one of the downed spaceships looked much like Sanskrit! Could Rama have spoken Sanskrit and known about space vehicles? According to the Ramayana (see N. Kasturi's Introduction to Vol. I of *Ramakatha Rasavahini*), Rama was an incarnation of God during the "Treta" age, which was far more advanced than ours, the "Kali" age (according to Indian scriptures)!

Further, recently, in answer to a question put forth by a visitor at one of the meetings here in Tehachapi, Commander Hatonn said "Yes, there were flying saucers stored beneath the pyramids!"

5. Perhaps that assertion of Dr. Bernard's in his book titled *The Hollow Earth*, where he states that the "King of the World lives in the Center of the Earth", that "all the flying saucers came from the center of the earth", and that "all the pilots of the saucers speak German" makes more sense now! (See Part I of this Series titled, "The Thule Society — Connections to the Inner Earth".) Is it possible the Germans learned about the hollow earth from the knowledge beneath the pyramids? Any earlier civilizations who flew flying saucers would certainly have known about such. (Please refer to the PHOENIX JOURNAL #13, titled SKELETONS IN THE CLOSET, by Gyeorgos Ceres Hatonn, for more recent information on activities of the Nazis and others at the South Pole opening.) (Order-

ing information on back page.)

In searching out more information on the "Derebeys", those "princes" on the lower Danube and greater "Anatolia", I was able to do a little more exploration on the word. It is not shown in the *Oxford English Dictionary*. The separate words "dere" and "bey" are. "Bey" has also been written as "by". The "Derebeys", as you will recall, were the wealthy, absent landlords (according to the *Columbia History of the World*) who caused disruption to the Ottoman Empire. They were also the "governors of small Turkish provinces".

(To clarify for you: The Ottoman Empire at one time included present day Greece, Turkey, the Crimea, Persia and the Balkan States. Greece, Turkey and the lower Danube area were once also known as Anatolia. All had their "Derebeys" or "princes".)

Perhaps some of you will recall the recent legislation proposed by the Armenians to our own Congress wherein they wanted it recognized that they, too (not only the "Jews"), had gone through a "holocaust". Theirs was at the hands of the fierce raiders known as Turks! Our Zionist-controlled Congress refused the request. Nevertheless, the raids of the Tatars, Tartars, Turks and Turkomen are well known to the Armenians.

I say this in order to prepare you for the meaning of "dere". It means to "do harm, be hurtful", an Old English word in much use in former years and pronounced "der". It is my perception that the English "Derby", a national horse racing program, got its name from the Derebeys. (Pronounced as "Derby".) Why do I say this? Because the race started out as an "upper class" pastime, and fine "Arabian" racing horses were essential to the raiding "Turks". Beyond that, remember, the wealthy merchants came originally from Gothland, the Crimea and Anatolia. The "upper class" in England are related to these people. Prince Philip, consort of the present Queen Elizabeth, came from Greece. The area of Greece was also controlled by the Derebeys at the time of the "Anatolia", Moldavian-Westphalian, problems! The "princes", or "ruling class" of Greece, as well as Turkey, Rumania and Bulgaria, at the time of Catherine of Russia, were called "Derebeys"!! A good thing to consider here also is the amount of "foreign aid" America poured into Greece and Turkey at the time of World War II, and continuously ever since! Who really benefitted? Both of these countries have been less than helpful in many, many ways. Americans were told we were helping, or gaining Allies, and strengthening independent countries—but were we?

So, what was the outcome of the "Anatolian" problem? For details you

need to read about the history of England, Russia, Germany, Rumania, Bulgaria, Moldavia, Westphalia, etc., during the years from 1783 through the Second World War. The "princes" of Moldavia and Westphalia got an independent country, now known as Rumania, which is now part of Russia. Also, after the Crimean conflict, the Black Sea was no longer controlled by the Ottoman Empire or Russia, but became a "neutral" waterway. In other words, the "merchants" of the Crimea and the Balkan states were now completely free to do their "international" trading in this area.

There is a very good summary of these events in Appendix C of the work *History For Ready Reference* (pub. 1901). Also, if you do read about the history of England, Russia, Germany and France you will find many, many references to "secret treaties". England's political decisions were very often inexplicable to those reporting the "history" of these times. It is only now, when the fruit of the actions are coming to be apparent, that the purpose of many of these "secret treaties" will be seen for what they were: a conspiracy of the most heinous kind.

To get back to the events at the time of "Hitler", politically and financially, Germany had many problems. The people were ready for a major change. The Communists were very active and had a large following which worried the more conservative. The army and navy had become more or less independent of a "weak" Kaiser. (The army and navy, in fact, supported Hitler's early rise to power.) Inflation was so terrible that people had to literally carry around boxes of German marks to have enough to buy a loaf of bread! It was not hard to push the people into the arms of the dictator, Hitler! Standing back now and looking more closely at these forces, it is clear they all originated with the Khazarian "Jews" and "upper class", and that the "problems" had been orchestrated. Consider:

1. The "Kaiser" was from the "upper class." He did their bidding.

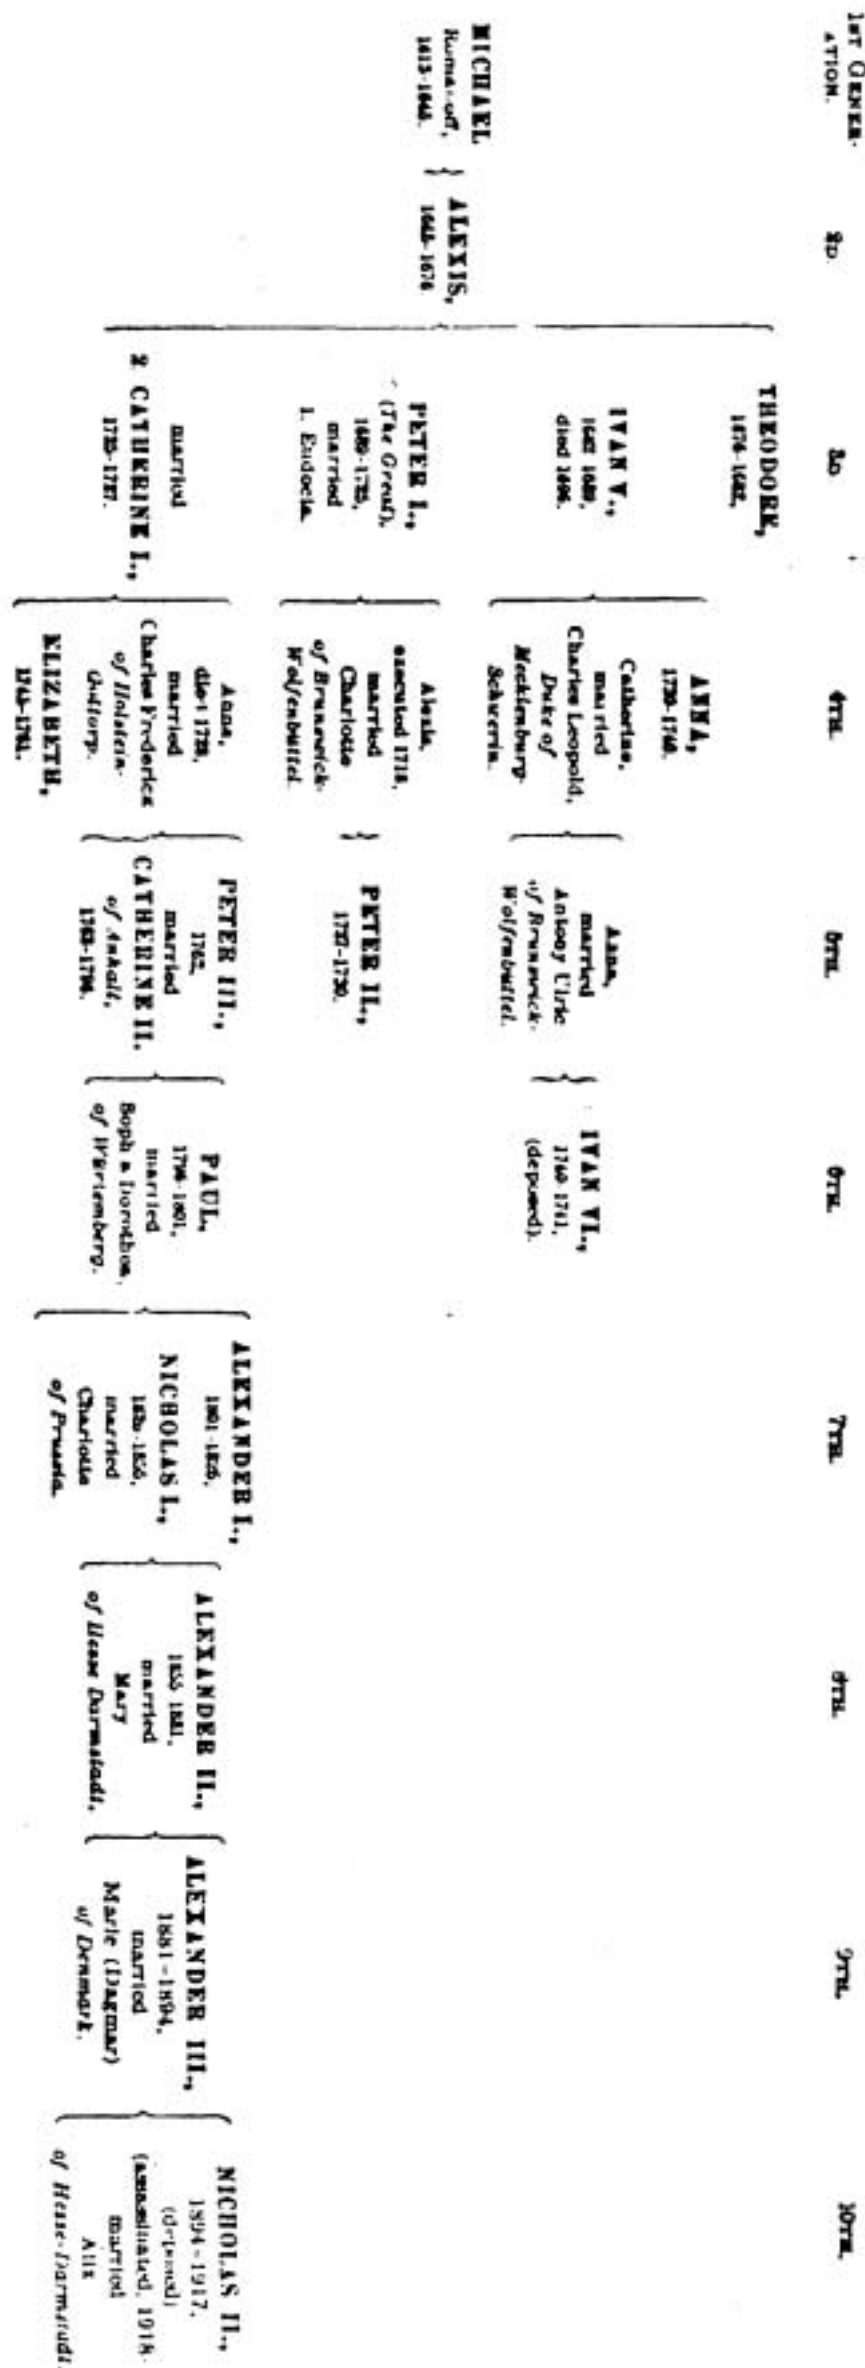

2. The "Communists" were the party set up by the Bolsheviks, known as the "red-German Jew Company" at the time of the Bolshevik Revolution (1917) in Russia. (See Nesta Webster's book called *World Revolution*.)

3. The bankers, who manipulated the money markets, were primarily "Jewish" bankers.

4. Hitler's early source of money was from the Thule society (AKA Khazarian "Jews") and the Deutschbank. (See parts I and IV of this Series for information on the Thule Society.)

5. The army and navy could not have existed without some income. Was it given

LINEAGE OF THE ROMANOFF SOVEREIGNS OF RUSSIA.

by the Kaiser, the upper class-capitalists-industrialists or the bankers? In any event, their support required the help of those with power and wealth.

It is sad that the "Low Germans", who clearly saw they had a problem with the "Jewish" bankers, did not realize how in World War II they were set up by these very ones and their cohorts. The true Judaists, the ones who followed God's Laws, were not the problem. Trouble came from the wicked ones who said they were "Jews", but were not!

I looked up the Deutschbank in *The New Larned History* (Pub. 1924). The Deutschbank was the second largest bank in Germany. The Reichbank was the largest. The Deutschbank had taken several other German banks under its control and become associated with a large oil company. It had a New York subsidiary in 1871, as well as many international subsidiaries. It helped to finance the Anatolian railway in Turkey, and promoted the Baghdad railway. In spite of inflation and World War I, they declared a dividend of 18% in 1920! It is interesting that the Deutschbank attempted to show their "democratic" principles by financing other political parties as well! This would be inexplicable if one did not know the truth of the matter. All of the "other" parties were theirs too!

Attached [See previous page] is a genealogy chart showing the Lineage of the Romanoff Sovereigns of Russia, from 1613 A.D. through 1917 A.D. It was in 1917 that

the Red Bolshevik Revolution deposed the Romanoffs. (chart taken from *The New Larned History*, J.N. Larned, Pub., C.A. Nichols Co., Springfield, Mass. 1924, pg. 7345.) The purpose in sharing this chart is so you will have a chance to see some of the intermarriages between "ruling houses" and the "upper class" in Russia-Germany-England-Denmark-Prussia.

The House of Brunswick-Wolfenbützel is a branch of the former House of Hanover, and is the House of the ruling heads of England. **The name of the English branch was changed from Hanover to Windsor during World War I.** The family name had formerly been "Welf", now mostly known as "Guelph". The Guelphs were politically strong

in the Middle Ages in Italy, on the side of the papacy and against the Ghibellines. There is much more to discuss about "ruling houses" of Europe, Russia, etc. Perhaps I can get back to it. In any event, the above relationships help explain, in a small way, some of those inexplicable decisions made by rulers down through history and the power of those "German Princes"! Most people think of "England" as a separate country and culture from Germany, as do other people in their "own" countries. Not enough attention is paid to history and the origins of people, especially the **ruling** house. All that happened to change the appearance of a "German" Monarch to an "English" one was to change the name!!

THOUGHT TO BEGIN WITH:
A NEW DAY

Dharma, let us make it worthy!

This is the beginning of a new day. God has given me this day to use as I will. I can waste it or grow in its light and be a service to others. But what I do with this day is important because I have exchanged a day of my life for it. When tomorrow comes, today will be gone forever. I hope I will not regret the price I paid for it.

TODAY'S WATCH

As you follow the non-news I trust you will read carefully and with understanding of that which IS NOT SHOWN OR TOLD TO YOU. Along with the allowance of the "Red Cross" into the median zone to check on expelled Palestinians there is ALSO a new "assumption" that Saddam has "withdrawn" anti-aircraft missiles. The charade in point is beyond even your blinded intelligence to hide intent and truth of the U.S. Administration and the U.N. Court Jesters of deadly tricks.

It is simply not as easy to start a U.S. war of aggression this month as it was a couple of years ago. What would America allow within her borders of such intrusion?

Well, let me tell you what you perhaps do not realize—YOU HAVE ALLOWED THE ENEMY INTO EVERY CREVASSE OF YOUR SOCIETY AND MILITARY INSTALLATIONS WITHOUT EVEN SEEING ANY NECESSITY OF DEFENSE—YOU ARE WIDE OPEN FOR TOTAL TAKE-OVER AND THE FACTS ARE THAT YOU HAVE EVEN SENT YOUR ENEMY INTO THE GOVERNMENT TO CONTROL YOU—THROUGH CONTROLLED AND MANIPULATED CRIMINAL "DEMOCRACY". THE PIPER WILL BE PAID!

So, what has happened? Well, ALL of the military no longer marches to the President's tune, chelas. There is some "power" bigger than the desire of an Administration for war and New One World Order. Just as with police officers and enforcement teams turning against the evil power—so too are some of the top military leaders realizing that your nation under God has been given into the hands of the criminals and thieves—right under their very noses. This means that some larger "authority" has also caused the Israelis to "back off" a bit for they were the ones who would launch this "war"—your back-up equipment, planes and nuclear stockpiles are in Israel—REMEMBER?

There is such a clampdown on the "news" releases that tiddle-de-winks tournaments will become the highlight of the day when the storms fail to bring attention. CNN is responsible for all news clearance and projection according to the scripts given them. You do not have the vaguest

idea of what is actually going on right in your dooryard—you don't even understand the "storms"! Patriots and beloved of God—hold strong the course because God doesn't long intend to continue even the appearance of losing.

How many of you KNOW the most important revelation of 1992? New World Order? No! Depression? No!—Let's try "The director of Auschwitz has been filmed on tape **admitting that the so-called gas chamber there WAS CONSTRUCTED AFTER THE WAR.**" It is now noted that the story was fabricated **AFTER THE WAR** by the Soviet Union—on the direct orders of Josef Stalin. "No homicidal gassings took place in the buildings designated 'homicidal gas chambers' at Auschwitz." I wonder how many will apologize to Dharma for calling us liars, anti-Semites, perverts, and thus-and so? She is literally being thrown out of her home because of her "preposterous writings denying that the Holocaust happened as per the orthodox story." This came from the very Judge, Brent, in a public article in the paper regarding the *LIBERATOR*. Copies of the earlier paper, *Express*, WERE ACTUALLY ENTERED INTO THE COURT FILES WITH UNDERLINING THE PORTIONS REFERRING TO POSSIBLE MISCOUNTING OF NUMBERS OF JEWS SLAIN AND STATING THAT THE KHAZARS ARE NOW THE "JEWS" OF ZIONISM. **What, may I ask, could that placement of a newspaper into a file with such marked material**

mean unless it is a sign to the Judge to "hang" the person who presented the material? You had best awaken, Americans, for the "stuff" is already in the FAN!!

We shall present the material but for the present we must continue with our primary point in assisting in bringing information to Law Enforcement Officers as to what has REALLY been going on and reaching out to them for consideration and reason. After all, Officers' families die also and they themselves have already become the slaves to the system. It behooves all to do everything within power to present FACTS.

In relating the material in hand, remember that Chief Gates of the Los Angeles Police Department is not likely to be without stain. However, he sees the writing on the wall and his major opposition has been from the Mayor, Bradley—WHO IS A PRIME MEMBER AND SHAKER OF THE COUNCIL ON FOREIGN RELATIONS—THE CONTROLLING ARM IN AMERICA OF THE ELITE CLUB OF ROME COMMITTEE OF 300! Now, you "Cosmos" thinkers and Patriots—could there be any CAUSE that Bradley might have RESIGNED and stepped down? Was the kitchen getting simply TOO HOT? I would consider all possibilities before swallowing the "I'm old, tired and have served long enough!" Old politicians with a hand in the till never get too old, too tired or even slow up in the Kingship power business.

As we quote from the material today, realize that the letters in point are from 1992 and seemingly outdated. They are not outdated and there is good reason for utilizing them. The "plan" is being presented in material being readied presently but the material we have already shared can suffice until publication is received. With permission, the *LIBERATOR* will also publish that material along with instructions and ordering information as it becomes available. We can only help to pass the word along and will continue to devote whatever space is needed to this worthy relay of information—if we can pass it on to only ONE who hears and sees, we will have served well. Thank you. Know too, please, that we will present much information EXACTLY as received and without much ado about it as to format or explanation—we have neither the time nor space to repeat. We will make available back issues, reprints, etc., as needed. Also, know that you can obtain the direct information from resources given.

QUOTING:

CHIEF GATES AND AMERICAN CITIZENS & LAWMEN ASSOC. "CALEA" LETTER

My dear "Police Against the New World

Order" supporters:

Here are the two very important (and very late) letters that will help you inform your local and state police departments, city councils, county supervisors, etc., about the notorious Commission on Accreditation of Law Enforcement Agencies organization (CALEA).

As you will see in these letters, there are many in government who know that this program can be very damaging to the sovereignty of state and local governments and individual rights and freedoms. (Keep in mind that those who have been deceived into supporting this "utopian" police PROFESSIONALIZATION program have not been told the truth about all its ramifications.)

If you send these letters to any government representatives or Police Officers, do not forget to include the **proof** of the plan of the New World Order gang that was recently put out by three police organizations, i.e., U.S. Law Enforcement Professionals Assoc., The American Citizens & Lawmen Assoc., and the (national) *Aid & Abet Police Newsletter*. CALEA is a very important part of the plan to put in force a **national** police agency to enforce the Regional New World Order mandates that are already law and the new laws that will soon be passed by our new presidents and global government promoters Hillary and Bill.

We lawmen across America thank you for doing all you can do to stop this anti-American program. Remind all those who care that it is much easier to keep CALEA out of your police agencies than to ask your state, city or county representatives to admit they did something wrong by asking them to rescind the CALEA program **after** it has been installed.

For any that are interested in the entire story, there is a book being published in the next 3 to 6 months on the CALEA plan to set up the National Police Force. It is titled *U.S. Centralization Of Police Power*. It can be ordered from ACLA at P.O. Box 8712, Phoenix, AZ. 85066. The cost is about \$10.

(Please do not wait for this book to come out before taking action to educate your state, city and county representatives. Send them a copy of these letters and Police Against the New World Order, OPERATION VAMPIRE KILLER 2000 manual NOW.)

Yours in Freedom,

Officer Jack McLamb (Ret.)

LETTER TO GATES

From: AMERICAN CITIZEN & LAWMEN

ASSOCIATION ON CRIME PREVENTION:

February 20, 1992

Chief Daryl F. Gates
Los Angeles Police Department
P.O. Box 30158
Los Angeles, Calif. 90030

Dear Chief Gates:

Our Association is comprised of U.S. Law Enforcement Officers and private citizens who work for the passage of Victims' Rights legislation and other pro-Police legislation.

Before turning to the main purpose of this writing, we, the members of ACLA, would like to say that we feel you have been a fine police chief and would like to know what we can do to help you stay on in that position. Some of us know of your abilities first hand, having served under you for years. Many Police Officers, both within California and elsewhere, hope that there is a chance you will be able to continue to serve the people of Los Angeles in your present capacity. Kindly let us know your feelings on this.

Aside from showing our support for your retention as Chief, we wish to discuss with you another pressing issue, one of which we believe you are already very much aware. We refer to the nation-wide movement to promote standardization of all U.S. police agencies, policies and procedures, through an organization called, "The Commission on Accreditation of Law Enforcement Agencies" (CALEA). The apparent and alleged purpose of such a movement is to further "professionalize" the field of law enforcement.

Most of the Officers in our Association, both command and patrol, have grave concerns about this plan. They do not understand how synchronizing all policies and procedures nationally will necessarily result in any higher degree of professionalism. The greatest concern of all, however, is registered by our Officers when they consider the potential for such a nationally standardized and synchronized force being utilized by those among us who support the premise of a nationalized police force. The bulk of the work in centralizing/nationalizing local or state agencies of any kind lies in the very effort of standardizing all policies and procedures, so that each agency can be controlled from one, central location.

Chief Gates, to some, our concerns may seem without merit—even absurd. You, however, along with many others in law enforcement, have already seen and can attest to a substantial amount of local autonomy being usurped by central government, through the use of strings attached to federal funding.

Now that the National Guards (and

some police agencies) in various States have been given their Federal Emergency Management Agency (FEMA) INSIGNIA FOR UNIFORMS, we are even more aware of the potentiality of utilizing U.S. Police powers in a national scenario.

Our members are aware that you have turned down the opportunity to make your Department more "professional" through implementation of CALEA. We assume that you had very good reasons for doing so. We realize, also, that this decision would likely have made you **even more unpopular with Mayor Tom Bradley and his associates.**

Perhaps you will be willing to share with our own police/citizen association your reasons for non-involvement with CALEA. It appears that you, like we, have some difficulty viewing national "accreditation" (standardization) as the most effective means of lowering the crime rate and improving police performance. Your opinion is important to many within our membership.

Our sincere thanks, Chief Gates, for your consideration and your response to the two concerns shared in this letter. The prayers and best wishes of our members are with you and your family. We believe that Americans all across this land recognize and acknowledge the excellent service you have given to the people of Los Angeles these many years. God willing, may you continue.

Yours sincerely,

Officer Gerald J. McLamb, Ret.
Executive Director ACLA

LOS ANGELES POLICE DEPARTMENT

Daryl F. Gates, Chief of Police
P.O. Box 30158
Los Angeles, Calif. 90030

April 2, 1992

Officer Gerald J. McLamb, Ret.
Executive Director
American Citizen and Lawmen Assn. on
Crime Prevention
P.O. Box 8712
Phoenix, AZ 85066

Dear Officer McLamb:

Thank you for your kind letter of support. I have enjoyed my career with the Los Angeles Police Department immensely, but I do intend to retire in June. In fact, I am looking forward to it.

As the main point of your letter, I absolutely agree with all the reasons you give for resisting national accreditation. Standardization is an exceptionally **BAD**

IDEA, and I have opposed it since its inception.

The strength of policing in a democratic society rests with the citizens. Allowing individual communities to participate in their local police departments is the key to effective, problem oriented, responsive law enforcement. Too many national police mandates take on the potential for a federal police structure, run by a central government.

In California, we have the Police Officer Standards on Training (POST), which provides statewide training standards set by a representative board. That is as close to accreditation as I believe we should venture.

I support the work of your organization, and wish you continued success after my retirement. Thank you for writing.

Very truly yours,

DARYL F. GATES
Chief of Police.

END OF QUOTING

I ask that Readers support this organization and Officer McLamb in every possible manner. The best way to do that is to support the publications which keeps record-keeping clear and untarnished. [Editor's note: See the publications ordering information on next two pages.] If you have read of this information in the *LIBERATOR* or through any of our presentations, we would appreciate your mentioning that with any order or contact—simply so that value of unity in informing the public can be established. You of our readership have made me humble in your responses to other requests we have offered to you. **It is time to save your nation and your freedom—and it requires action at THIS LEVEL.** You who continue to ask for your purpose and guidance—it matters not what you do LATER—it only matters what contribution you make NOW—FOR THERE MAY BE NO "LATER". If you can only send a postcard in support of these daring patriots, please do so for the road in front strewn with mines and traps is very hard for those who lead the wedge. If we put **GOD FIRST**, we of the Hosts can join with you of HIS army and **nothing can prevail against us! "EVIL" SHALL FALL TO THE LIGHT EVERY TIME!**

TEHACHAPI SWAT TEAM
IN RUSSIA!

The next is simple confirmation for you who doubted each time I mentioned that even this local Sheriff's department in Tehachapi, California—both trained with

KGB and had Soviet Enforcement Officers training and teaching within our own local enforcement groups—here is PROOF. Do I think it terrible? No. Do I try to make a point? YES. The POINT IS THAT YOU ARE HEADED FOR A ONE WORLD ENFORCEMENT SERVICE—UNDER THE U.N. WHICH WILL BE HEADED BY A SOVIET RUSSIAN COMMAND!

Just reprint the article please, Dharma, and realize that yes indeed, you recognize all of the gentlemen in the picture. They do not, however, have the same intent against you personally as do the Federal SWAT team supplied lately by the Federal Marshal's office and who have surrounded your home from every direction. This is a time of such incredible confusion to enforcement officers as to bring consideration for them as they must decide what to do—preserve nation, freedom and citizens or fall for the NEW WORLD ORDER and become the enforcers of slavery. **HARD CHOICES?** Indeed, indeed.

SWAT TEAM EXCHANGES TACTICS
WITH RUSSIANS

TEHACHAPI NEWS, Tehachapi, CA Jan. 6, 1993, Vol. 93—No. 36.

During a two-week tour of Russia with the SWAT team, a Tehachapi deputy didn't see the long food lines, the overt signs of poverty nor the drabness that others describe.

What he did see were highly disciplined, physically fit officers who were well trained but lacked some of the tactics used by local deputies.

J.C. Plank, a senior deputy in the Kern County Sheriff's Department, and four other SWAT team members spent two weeks in Moscow and St. Petersburg during August and September.

Their hosts were the Russian government and they were treated like royalty, Plank said.

He came back with impressions that varied from many contemporary accounts of Russia.

He learned, for instance, that **Russians seem to be less violent than Americans.** The Russian SWAT team members thus received extensive training in martial arts. Guns were a secondary weapon—hands and feet were the primary tools.

For the Kern County team, the semi-automatic weapon is the primary weapon, mainly because people here are more violent, Plank said.

The officers in Russia also were more physically fit than their American counterparts. In fact, he felt that the Russian people as a whole were in good physical shape when compared to Americans.

What Plank and the four other SWAT members had to offer was advice on better

HOW TO DRIVE A STAKE THROUGH THE HEART OF THE NEW WORLD ORDER

HELP AMERICA'S POLICE FORM A FIRST LINE OF DEFENSE AGAINST ONE WORLD GOVERNMENT THROUGH OPERATION VAMPIRE KILLER. 300

Dear Patriot,

It's not enough to know that the New World Order darkness is gathering and casting shadows on every free American.

You have to fight back.

But what's the best way?

Where can you channel your energies to make the biggest dent in such a formidable foe?

We think we have the answer: it lies in depriving the coming World Government of its enforcement arm — the police, the national guard, the military.

No, we're not talking about battling our brothers and sisters in uniform...we'd much rather enlighten them instead.

AWAKENING OUR FIRST LINE OF DEFENSE

There's little doubt that members of the police and military have been heavily indoctrinated lately.

They've been granted massive new powers...told to expect widespread civil insurrections...and are being "encouraged" to treat civilians who resist tyranny as "criminals of the state."

Left unchecked, America's one million police and national guard members may unwittingly "just follow orders" and enforce the globalist's agenda "for the good of the country".

UNLESS —

- Unless we can re-educate our patriotic people's servants as to their Constitutional duties;
- Unless we can remind them that they are the protectors of the people...not the enforcers of the system.

And that's just what Operation Vampire Killer 2000 does.

BE A TERRIFYING ARMY OF ONE

Operation Vampire Killer 2000 is created by Police Against The New World Order and is a step-by-step plan to help you safeguard your town, county and state by enlisting the help of your local law enforcement neighbors.

Step one is as simple as ordering Operation Vampire Killer 2000, a 75 page report written by me, [redacted] specifically to inform police and national guard about the true state of America's affairs.

Each copy costs an easy-to-buy \$6.00.

Once you get it, read it yourself cover to cover.

Then — Step two — show the booklet to your friends and acquaintances in uniform. To as many as possible. As soon as possible.

THEY CAN'T BEAR THE LIGHT OF DAY

Like vampires, the New World Order globalists are secretly and relentlessly draining the vitality of our nation.

Fortunately, like vampires, they can't stand the light of day.

So when you enlighten a law enforcement officer, you assault the enemy in his vault.

You **can** drive a stake through the heart of this growing evil. All it takes is your determination ...and some help from Operation Vampire Killer 2000.

Please join us in this noble battle for freedom and order copies of Operation Vampire Killer 2000 today. Thank you.

Sincerely,
Jack

Affordable Law Enforcement Briefings:

WHY YOU URGENTLY NEED TO KNOW WHAT THE GLOBALISTS ARE PLANNING FOR AMERICA'S POLICE

Remember when the neighborhood police were called public servants?
When "protect and serve" had a noble ring to it?
Today this longstanding policy is under cunning and relentless assault.
Now "protect and serve" refers to defending the system...not the public.
This not-so-subtle shift is no accident. Consider this:

through deceptive forces in your field.
If you're a civilian, you'll gain a new insight on the New World Order.
You'll learn what influences weigh heavily on your law enforcement neighbors...and what you can do to alert them to impending Constitutional threats.
It's fitting that Aid & Abet's editor, Jack McLamb, is Phoenix, Arizona's most highly decorated lawman.

Many members of the police and national guard have recently been instructed to prepare for widespread civil unrest and have been granted sweeping new powers to deal with it — which puts the freedom of Americans directly in the line of fire.

Now retired after being injured in the line of duty, Officer McLamb has been an international leader in educating law enforcement on the need to support Constitutionally sound police work.

But don't expect to read much about it in your daily newspaper.
Unfortunately, what you don't know about events in law enforcement can most certainly hurt you. Whether you wear a uniform or not.
But you don't have to stay in the dark... there's an affordable intelligence briefing for police and citizens that reveals what the internationalists are plotting for law enforcement: It's called Aid & Abet.

INTELLIGENCE WAS NEVER THIS AFFORDABLE

At \$15 for law enforcement professionals and \$20 for all others, you can't afford *not* to add this to your monthly intelligence reports.

Aid & Abet is your tool to reinforce America's first line of defense...because without its enforcement arm, the New World Order will be in disorder. Join us and subscribe today.

A MUST READ FOR POLICE AND CIVILIANS

Aid & Abet doesn't cover tyranny's growth over each and every front...we're only concerned with the little-known ways law enforcement is being manipulated. And endangered.

- In recent months, we've covered:
- how American juries are manipulated by judges;
 - alarming news on little-known legislation; stories of law enforcers who've stood up to — and in many cases, become a victim of — the new socialism.

It's news that's unavailable to you except through Aid & Abet.
If you're a law enforcement professional, you'll find the Aid & Abet newsletter absolutely indispensable.
With it, you'll keep focused on the timeless truths found in your oath to serve — and see right

☒ **Yes, I need to know how globalists intend to use the police. I'm enclosing check or money order for the following:**

☐ A year's subscription (six issues) to Aid & Abet for \$15. I am a law enforcement professional.

☐ A year's subscription (six issues) to Aid & Abet for \$20. I am not in law enforcement.

tactics. The Kern County team was also better equipped, Plank said.

The Kern County officers even helped out the Russians in a sting operation, he said. Plank and the other officers purchased black market items such as jewelry and chess sets off the Russians while undercover officers watched them.

Still, Plank felt that selling goods was far from the most heinous crime. The black market could develop into a legitimate arm of the free market, he said.

That belief was consistent with a statement made by a Russian, a comment which Plank feels aptly describes the Russian condition: "We're trading a system that failed with one that if we make the right decisions will work."

But Plank's visit wasn't all work, nor was it simply a chance to observe the breakdown of Communism.

He and the others befriended the Russians, many of whom were parachuters and veterans of the Afghanistan campaign. One Russian gave Plank a t-shirt that he wore in combat during several missions. Plank offered him one of his SWAT shirts.

The five Americans also underwent an odd bathing procedure. The five were hit with hot tree branches as they bathed. The process was supposed to be relaxing. —It wasn't.—

END OF QUOTING

I do not make reference to these fine young men in any derogatory manner whatsoever. They represent the cream of your protectors and only discipline and hard physical work has made them outstanding in their presentation and careers. I bring this to you of the public for I know you have had great difficulty in recognizing that these interchanges take place in ever increasing numbers and purposes.

Is Russia your friend or foe? Interesting speculation, is it not?? The "Russians" are people of a nation—JUST LIKE YOU! Perhaps these men who lived there for a while would be the better to express attitudes perceived—already they state that they saw not what others have described. I salute them for their achievements and I also pray that their insight into truth of circumstances prevails.

AFTERTHOUGHT

For you who still tout and quote such papers as the *Washington Times*, etc., I just want you to realize that interesting things take place at the top levels of new management and so forth:

WELCOME ABOARD

The **managing editor** of the "conservative" (and very internationalist) *Washing-*

ton Times newspaper—which depicts itself as the "alternative to the liberal *Washington Post*"—has been named to **David Rockefeller's Council on Foreign Relations (CFR), firmly cementing Rockefeller's takeover of the self-styled "conservative" movement in America.** The *Times* editor, Josette Shiner, a **lieutenant of Korean cult leader Sun Myung Moon, is a devout member of Moon's so-called Unification Church,** and is one of the most powerful of the self-styled "responsible conservatives" in America

today.

Thank you, *Spotlight*.

There is a lot more to be written for almost all of the persons named to be on Clinton's team—**ARE OR WILL BE APPOINTED AS MEMBERS OF THE CFR. OTHERS WILL NOT EVEN RECEIVE CONSIDERATION!**

Let us leave this writing for to continue with the "Holocaust" information is far too lengthy. Thank you.

Unusual Weather Patterns And Earthquake Update

1/8/93 SOLTEC

Good evening, Soltec, present as always, in the Light of Holy God and in service unto the Host of Heaven. Our mission is one of total love for you of Earth-Shan and we stand in watch during your time of transition, guiding those who have accepted the challenge to serve unto Holy God and be the Light in your darkened world. We salute you ones.

Let us this evening speak of unusual weather patterns once again, as floods rage through the normally dry deserts. It is but the eighth day of your new year and already you ones in this arid region have received in excess of two inches of rain with more promised in the next five days. Two inches may not seem to be much to others, but this place receives only an average of seven inches in one year's counting. The rivers are flooding their banks and many people are out of their homes this night. It is affecting the greater part of the state of Arizona—some areas having received six inches of rain in one day.

The major problem is the situation that has resulted from man's interference with nature—again. Many years ago, the Salt River was a mighty river, flowing year round, as were all the now dry rivers in this desert. In order to populate the desert with people, water needed to be controlled, so a system of dams, lakes and irrigation canals came about. This caused the once-flowing rivers to dry up and the water was diverted into the irrigation systems. Over the many years since this project came into being, land developers flooded into this place and began building dangerously close to the rivers, because in modern times there had never been enough water in these dry beds to take notice of. The Native Americans knew what would happen but, as always, the White Man would pay no heed to these ones, although the idea for the irrigation systems came from the ancient Hohokam, who farmed this area hundreds of years prior.

There is a phenomenon known as the "Hundred Year Floods" that occur in this area of the

country and causes the rivers to swell to many times their normal size. It is Nature's way of replenishing the desert areas so that they can sustain the long periods of drought. Since very few white people lived in this place a hundred years ago (statehood taking place only in 1912), the White Man knew nothing of this thing called the "Hundred Year Floods", and of course even if the Red Man told him, he would never have believed anything of these ones.

So people began moving west and settling in this new oasis in the desert, with its lavish irrigation systems providing abundant amounts of water to turn the dry desert into a fertile farming land. People settled in the low lying areas because the land was so fertile and began to farm the land. More and more came to this place and built cities as far as the eye could see—even dangerously close to the dry river beds and desert washes. And all was well until the late 1970s. Suddenly, it began to rain in excess and the dams could no longer hold the water, so they had to release some of it into the dry river beds. And, lo and behold, the water flowed over the banks of the rivers and into the dry washes and many homes washed away and people lost all their belongings. This situation occurred every winter for nearly five years, and then once again, the rains stopped and the desert went back to its normal dry state. These newcomers to the desert thought they had made it and would not have anything to worry about for another hundred years.

But, surprise! 1992. Another unusually wet year to deal with. But, as luck would have it, there were no floods, as the water reserves had been so depleted that the dams had no problem holding the water. But it kept on raining, and now today, January 8, 1993, the same scenario is repeating itself, less than fifteen years from the last big flood time. These centennial events had not stayed on their allotted time schedule and man has again found himself at the mercy of the elements.

What has happened? Why are we having flooding again? Why all the rain?

The answer is simple. It is called the Earth

Changes! What was in the past can not be counted on in the present as all things on your planet are undergoing changes. Man has interfered so much with the natural order of things that *natural order* is not the order anymore. He has polluted his atmosphere, caused unnatural volcanic activity with his tamperings, stripped the land to build metropolises, cut down the forests and upset the very balance of Nature. What does he expect to take place? He asks, "How can Nature be so cruel?" Nature answers by saying, "How can man be so cruel to his only home!" Man is not about the business of cleaning up his messes so, therefore, Nature will do it for him, and it may not be in the manner that is most in accordance with man's preconceived ideas. But, Nature will do whatever is necessary to preserve life on this planet, even if it means that much of that life will be destroyed in the cleaning.

In the long haul of things, life will come back into its pristine, perfect state of being. It is the **NATURAL** order of things. We have stated to you over and over again that you are not living in balance with your environment and this will net the destruction of many. What will it take before you of Earth finally wake up and take notice of what is going on? How much **GREED** will your world endure? For if you sift it all out, you will find that the only reason for destroying your world is lust for more money. Is it really worth it, Chelas? If you destroy your world, who will be around to pick up the pieces? Who will put Humpty Dumpty back together again?

It is not just floods to which I refer, but the flooding of today in this immediate area should act as a stern reminder to those who have come to this beautiful desert that it is a desert and a harsh environment and was never intended to resemble the Midwest with flowers, grass yards and orchards of trees, which all require the irrigation systems. It was not intended to support in excess of two million persons, each with an automobile that pours pollutants into the atmosphere which then become trapped because of a phenomenon known as temperature inversion (which occurs there naturally every winter). Now there is so much poison trapped in the lower atmosphere that you experience hazardous air alerts nearly every winter.

The average summertime temperature has increased because of the population explosion that has been experienced in the past thirty years. Concrete and asphalt only trap the terrific daytime heat and hold it. The natural desert absorbed the heat in the daytime and cooled it at night. But now that can no longer occur. You have also experienced an increase in the humidity levels and this is due to all the swimming pools, irrigation, yard sprinkling and irrigation canals. These uses of water expel moisture into the atmosphere and create high levels of humidity. That is another reason why it seems so much hotter than it once did.

These are some of the things that I have made reference to previously when I made the statements that man has never learned to live in harmony with his world. Rather than learn the way of Nature, man has the idea that he must

change that which is natural, because he can do it better. It is not only in this place, but in all places upon your globe that consider themselves to be civilized. Any culture that lives in harmony and balance with their environment is called "savage" and is brought under control by the "civilized" nations, as more of the planet becomes destroyed.

California is no different; nor is New York; nor any other place anymore. And, Chelas, I fear that you shall reap the rewards of your own planting. The time for accounting is fast approaching, as is evidenced by all the "natural disasters" that you have experienced in recent times. You live in a very tenuous time—however, keep in mind that you chose this physical expression at this time for various reasons. There is much that you each have to accomplish and you have a very short time in which to accomplish it. It would behoove each of you to examine your reasons for being here and get on with it!

California, you are in an extremely critical situation. You, also, have experienced very odd weather occurrences of late and, to add to the situation, you have earthquake faults that have never been heard of before showing new signs of activity. Many are old faults that have laid dormant for a very long time. Others are new faults which have opened up because of the continually building pressures and shaking that you have experienced. You see, not all the

earthquakes are felt on the surface. Many occur so deep that the motion is never felt on the surface, yet they do cause new pressure points and new fractures to occur, and sooner or later, with all that is going on beneath (and from above), you will begin to see these new (or old) faults wake up and become active. It is a **serious** indication that the place is slowly beginning to break up. How many cracks and fractures can there be before it begins to crumble away? Dr. Ed Young can confirm much of this, as he is in contact with those who supply him the earthquake activity maps.

[Editor's note: Yes, indeed. Since I left the San Francisco Bay Area 9 months ago to take over the LIBERATOR, a dear friend, Angela J., 83 years young, has continued to send me the weekly earthquake summary maps from the San Francisco Chronicle newspaper. I brought this matter to Commander...or, better yet, "Professor" Soltec's attention because in recent weeks I've noticed an alarming increase in earthquake activity occurring off of the known, main fault lines. You can see this clearly in the map below just by looking closely at where the earthquake-event epicenter "circles" are situated with respect to the fault lines. As Professor Soltec says, these indicate other, new/old fault lines coming to life and that "the place is slowly beginning to break up." The signs of alarm are there for those with eyes to see!]

At this time, there is also a need to bring attention to the area of Santa Barbara, California. There is evidence, based upon our studies and observations, that this area is prime for a major earthquake—one that could cause at least a portion of it to slip into the channel off shore. The area is already weakened to a point that it would not take much to start the ball rolling. The Santa Ynez and San Gabriel Faults are exhibiting characteristics associated with earthquake activity (extreme amounts of pressure build-up). Due to the fact that there are so many other faults and fractures in this particular area, it makes for a most dangerous situation, to say the least. If an earthquake does not come to pass in this place, please do not call Soltec or the Host false prophets. Earthquakes, even at our point of observation, are difficult to predict until such a time as the initial shaking begins, and even then, whether it will produce the "Big One" is anybody's guess. Until all the pressures are released and new ones stop building, however, there remains the potential for more activity. We are only stating here that there is a tremendous amount of pressure below the surface that appears to be trapped at this time. There are always alternate routes for the pressures to release themselves. We are basing this information on the build-up of pressure in this place, and its MOST LIKELY ROUTE OF RELEASE. It is, however, not the only one. I would, though, watch it most carefully.

Of course, Santa Barbara is not the only place that could experience activity, but it is the most likely at this very time to experience severe shaking and perhaps destruction. The San Francisco area is over-due for some major shaking, as well, as is Los Angeles and the more southern areas of the state. Most of the reported recent activity has been concentrated in the

desert areas, yet this is the mere tip of the iceberg, so to speak. The San Andreas Fault is the most dangerous fault you have to be concerned about, but you must understand that many of the smaller, less active faults have the potential of awakening (note the correct use of grammar, Commander Hatonn), and these could very well act as the catalyst of starting the San Andreas into its "death throws".

[Editor's note: The above parenthetical reference has to do with Commander Hatonn humorously criticizing Commander Soltec about his use of the phrase "woke up" instead of "awakened" when I was reading an earlier Soltec writing of 12/29/92 at a meeting two weekends ago. The dictionary is not much help settling the matter between various new and old usages of these words, and I'm not about to be drawn into the middle of the crossfire of this friendly bantering of wits!]

California has been so concerned with the weather of late that I fear many have fallen back asleep regarding the earthquake situation. Yes, you do have strange weather patterns to be mindful of, yet, I urge ones not to forget the giant sleeping beneath the ground. From time to time that giant wakes up and stretches and rolls over, so just be aware.

Your new year is holding promise of the frying pan getting even hotter than it has been, so my advice to you ones is to hang on tight, because you are in for a rough go of it. But, together we shall get there. Many inroads are being made, as is evidenced by the recent articles in the **LIBERATOR** of new patriot activity. Take this as an uplift, Chelas, and know that for every attack from the Adversary, God's people have their own agenda and plans.

[Editor's note: I apologize for yet another interruption, but the next paragraph needs a prefatory

explanation. Several weeks ago Commander Soltec had written three good-sized articles for the **LIBERATOR** in one week, due to a flurry of activities and shenanigans on Earth-Shan all needing comment. After hearing me read two of those at a weekend meeting, a very pleased Commander Hatonn said he ought to consider giving Soltec a promotion for his good work. Then, for the next two-plus weeks, Soltec was conspicuously silent—not even one word—and so, at a meeting, I, with tongue in cheek, asked Commander Hatonn if the "threat" of a promotion might have caused Soltec's sudden and lengthy silence. Without missing a beat, Commander Hatonn smilingly retorted, "You've put your foot in it now!"

Now, for a lighter side. Regarding that promotion—yes, Ed, in our place of existence, promotion does mean more work. You ones think you are busy? There are times that you should see what goes on up here! You should try keeping up with all of the shenanigans that take place on your world every day—and try keeping up with Commander Hatonn sometime. Dharmacan attest to this. How many worn out keyboards is it now, Precious? He is very loving and gentle, but he certainly can hand out the work and keep all hopping about!

It is important to laugh some. Laughter is, after all, good medicine for the soul. So smile today and know that as the storm rages on about you that you are getting there, and the enemy is aware that he is losing ground. But, do not let down your shields and protection, for the battle is not yet won.

We hold you ever dear and, as always, we honor you ones who serve without benefit of earthly reward. You are the Light in this otherwise darkened world. Let that Light shine forth as a beacon to all who can see.

Soltec to clear. Salu.

1/10/93 #1 **HATONN**

CALL TO DAMAGED VETERANS

Let us speak first of "how" to get help from the Law Center. I, Hatonn, do not "run" the Law Center. Let us just say that I am a "Member of the Board and the Board of Advisers." I plan to do no "magic" but I will attempt to point out things being missed and correct impressions as we move along.

Right now, in Irving, Texas is a meeting of a group which regards veterans who are suffering from damage stemming from the

"Gulf" war. The public announcements have indicated there are only a "few". There are hundreds and hundreds suffering in varying stages of the disease development. The damage is to the nervous system causing such phases of weakness and loss of muscle function as to render the carrier unable to maintain muscle control.

I am NOT going to ask the Law Center to track down you ones who know about this problem. I remind you of Vietnam, however, that the government abandons you and when confronted and forced to make some settlement (say, as with Agent Or-

ange) the sums paid are piddling to zero.

You will note that some veterans who were exposed directly and knowingly to Mustard Gas in the WW II are just not getting any information or help. This was done in secret with enforced threat to silence all damaged parties. Do you think in this age of lies and total neglect of all citizen rights, that it is somehow "different"?

If you want help, you must organize at least to the point of a spokesperson willing to gain FACTS, even if by word-of-mouth, and make contact with the Center. The Center cannot longer sustain itself without backing and support but the expenses

would be minimal to cover research, fact gathering from locations, filing of class-actions and individual cases, etc. YOU will make the Constitutional Law Center the focus of your assistance—or, it shall not become so and you will be continued in a “nothing” void of inactivity, promises never kept and finally, debilitation. Incarceration comes in many forms; one of which is simply incarceration in holding cells called “hospital rooms” where research on you can continue until your transition into other dimensions.

LIES OF THE GOVERNMENT AND MEDIA

If you think I exaggerate, think again—TODAY! What do they tell you today? They tell you that the “cloud cover” above Iraqi areas kept surveillance to zero. Today they tell you openly that that was a fabrication to give the “CIA time to arrange other tactics”. (What is the CIA doing running this new “war”?) (Why did the CIA run the last war?) What makes you actually think there are any Iraqi anti-anything guns anywhere? The whole ploy is a total fabrication of your own CIA and Administration to allow “covered” actions directly against Saddam's lands and citizens.

What would YOU think if, say, the Russians started shooting down your planes OVER YOUR OWN NATION and then stated that YOUR PRESIDENT IS TO BE ASSASSINATED (FOR THE GOOD OF THE WORLD ORDER)?? WOULD THIS BE OK WITH YOU, AMERICANS? That is EXACTLY what is afoot! You will notice the lies in full force as the Iraq people do not even know what the lies are! Worse, all the pictures the media show you are old and have NOTHING to do with current events. Moreover, the media acted hand-in-glove with the CIA-admitted lies regarding the surveillance and the story regarding the “moving of weapons”—so WHY would you not think them lying to you now? Blindfolds OFF, chelas—or expect that which you get.

Some of the Arab nations are resisting the New World Order under RULE of the United Nations—NOTHING MORE. They are attempting to retain sovereignty—which you as a nation of citizens have long since relinquished! In every instance the U.S. is the one who is enforcing the march to doom! Why? Well, it's a long story and I would hope that you have been reading it step by step as it has unfolded—WITHIN THE LIBERATOR and JOURNALS. America is now under full Communist-Zionist control and, since the military will not act on its own and there is NO CAUSE of action within the Congress—YOUR PRESIDENT THROUGH EXECUTIVE ORDERS IS TAKING MILITARY CONTROL OF THE WORLD. THIS DOES NOT MEAN THAT THE U.S. WILL RULE THE WORLD—THIS MEANS

THAT THE ELITE BANKSTERS WILL RULE THE WORLD, INCLUDING YOU!

COUNCIL ON DOMESTIC RELATIONS

This goes HAND IN GLOVE with the false “COSMOS, ETC.” actions. DO NOT BITE ON THIS, READERS! What seems to be a working organization in your behalf is your sure death march to incarceration in those lovely camps all readied FOR YOU.

You ones who have written your cards and letters will be receiving forms to fill out with everything from name and address to every detail of your past experiences and your sources of “information”. What in the world are you doing? You claim to wish protection for selves and march right into the viper's mouth! You will be getting unsigned, undocumented questionnaires through the open blackmail system. You are simply putting your name and family on the list of first incarcerated. DO NOT DO THIS, READERS—**DO NOT DO THIS!**

The “headquarters” of the acclaimed “Cosmos” do not know anything about the cards and letters flowing in and the movement thus far has all but destroyed what headway had been gained against the Beast in Power. DO NOT DO THIS THING THEY ASK!! THE ENEMY IS AT YOUR VERY TABLE AND WILL “EAT” YOU FOR DINNER! THIS IS NOT THE WAY TO WIN—THIS IS THE WAY TO GET CAUGHT IN THE TRAP.

I state herein also, THERE WILL BE NO INTERCHANGE BY OUR PEOPLE INTO THAT COMPUTER NETWORK BEING SET UP BY PATRIOTS—WHICH DEAL WITH NETWORKING FOR THE ADVERSARY. OUR THRUST AND PARTICIPATION WILL BE TO ENTER COMMON LAW AND CONSTITUTIONAL LAW CASES INTO THE SYSTEM TO HAVE AVAILABLE FOR THE PATRIOTS IN OTHER PARTS OF THE NATION. ALL WILL BE DONE WITHIN THE WORKING LAWS OF THE LAND. “CAN” THIS BE ALSO A METHOD OF ALERTING PATRIOTS TO EMERGENCIES OR PRE-INFORMATION? INDEED—BUT THAT MUST COME LATER. OUR INVOLVEMENT IS NOT IN ANY FUNCTION OTHER THAN AS NETWORKING “LAW”! Any of our “Crew” doing otherwise will be removed from our working relationship.

Why do I not speak up sooner? I Have!! I have efforted to allow you to make discernments and judgements of the circumstances and people involved. But you who have gone along seeking privacy and sovereignty are herein set to do the work FOR THE ENEMY in one question-paper form—blowing out all the gain you made and cementing the shackles upon your bodies.

Oh, you tell me—but Dare Schaut DID sign the paper! And I ask you—JUST WHO IS C. DARE SCHAUT????? How many of

YOU know this Dare Schaut and all about him? Could THIS NAME be as strangely FALSE as everything else about the entity? Pronounced and seen as “see-Dare-shout”, it becomes most interesting, doesn't it? Does this not SMACK of the stupid labels used over and over again by the entities in the conspiracy? Do they not label everything and everyone with “cute” symbols and initials and adorable “code” names like Desert Storm, Restore Hope, ADL, Fish Meal and on and on into hysteria? “But what if this is just the man's name?” So be it!! How many of you KNEW Adolf Hitler? How many of you personally KNOW David Rockefeller or any of his clones? How many of you KNOW OR KNEW PATRICK HENRY? Are you possibly just falling for “wishful fairy tales”? HOW DO YOU KNOW?? To fill out the form marches you DIRECTLY into that which you CLAIMED you were efforting to avoid. COULD it be a TRAP? HOW DO YOU KNOW? HOW DO “MY” FRIENDS KNOW? Well, for one thing, because of the way these “friends” recognize me and THEN RUN HIDE FROM MY CONTACT AS IF I BEAR THE PLAGUE! I DO!!

I am going to present a paper to you from one, Nord Davis, who would have been Gritz' Secretary of Defense had Gritz been put into office. Mr. Davis despises and denounces ME and proclaims his WISDOM IN SPIRITUAL MATTERS TO THE ENDS OF THE EARTH—WHERE PEOPLE LISTEN—SUCH AS COMMANDER GRITZ. Does this make him a liar in matters of information? NO! This makes him uninformed. Is he CORRECT in the following document? Perhaps and perhaps not. Certainly he gives REASONS FOR PAYING ATTENTION AND NOT FALLING HEADLONG INTO THE PIT OF VIPERS—IF THEY TURN OUT TO BE VIPERS. THERE ARE OTHER WAYS THAN PRESENTED TO YOU FOR UNITING AND RECLAIMING CONSTITUTION AND FREEDOM. FOR SOMEONE TO “PUT UP ALL THE MONEY” IS NEVER ONE OF THEM. YOU ARE GOING TO CHANGE YOUR PATH BECAUSE IT IS THE RIGHT THING TO DO AND NOT BECAUSE THERE IS MONEY FLOWING TO DO IT FOR YOU. Whether this “movement” is in exuberance, ignorance or outright entrapment matters not as the stupidity involved is accomplishing the same end regardless of intent. COME UP OUT OF YOUR FANTASY-LAND HYPE AND GET ON WITH RECLAIMING YOUR CONSTITUTION PROPERLY AND GOD WILL ASSIST YOU—CONTINUE IN THIS “GET ME ON THE LIST AND SOMEBODY WILL DO IT FOR ME” WILL SEPARATE YOU FROM GOD OF LIGHT AS SURELY AS IF YOU HAVE MADE THE PRO-NOUNCEMENT, FOR GOD WILL NOT ASSIST HIS ENEMY!

FROM NORD DAVIS:

QUOTING:

December 7, 1992

"Mr. Davis, what do you think of this group called COSMOS?"

Ever since this "Cosmos" organization went public in a large telephone conference call on November 27, 1992, our office has been swamped with letters and phone calls asking if we think that they should get involved with it. A dozen of you have even sent me tape recordings of that telephone call describing the forthcoming secret overthrow of the US government by a "group of professional computer hackers who have broken the bank computer security codes and have helped themselves to billions of dollars thereby." We were told that **Cosmos** now has the entire U.S. Navy acting on their behalf, and standing ready to uphold their Oath of Allegiance to the Constitution using military force if necessary to bring about a transition of government. We were told that **Cosmos** is the largest corporation in the world and has an income from interest alone that totals 2.4 billion dollars per day, and that those assets and income have been turned over to "we the people" to set up, once again, the United States under the Constitutional Republic. We were told that **Cosmos** has completed its background check on George Bush, Bill Clinton and everyone in the Senate and Congress and has advised them that they are known to be traitors; Bush's indictment for treason is to be served on him on January 7, 1993. Bill Clinton, having been elected, will never the less decline to be sworn in as President, and the VP-Elect will also decline, because **Cosmos** has given him their dossier of data proving that he is also "dirty". According to **Cosmos**, everyone in the normal seniority succession to the Presidency will decline until the first "clean" congressman is arrived at, who is Henry Gonzalez of Texas. Mr. Gonzalez is to be sworn in as President in January according to **Cosmos**.

[H: Lots of things are in flux and turmoil and some things ARE very obviously being blocked—BUT, do you actually see any of THESE THINGS taking place? Good grief, chelas—the warnings of every intended action was MADE PUBLIC ANNOUNCEMENT BY THESE SO-CALLED PATRIOTS! The only thing accomplished by these "revelations" has been to destroy the only course of possible action as had been laid forth by true "Patriots". Also, it buried the "Treasurygate" activities into total impossibility of carry-

through at this time. However, the "legally binding" things are still alive—but **HARDLY COULD BE CONSIDERED "WELL"**. The adversary, once again, has played his trump card and now moves on to gain the whole of the pot through his incredibly deceitful and clever manipulations—through tools of ignorant manipulators. You ask me constantly "is this real"? Of course it is "REAL"! You would, further, have ME tell you everything and blow all the remaining possibilities of recovery—NO, I shall not do that! You ones are going to grow up, read information, sort and listen to Spiritual God Truth—and then, only then, will this mission of "Freedom" be granted full assistance. To shoot yourselves in one foot is folly enough—but to blow off both feet will cause you never to walk again!]

Is that about the gist of what you have been told about **Cosmos**? If you want our opinion, you will not believe one word of this **Cosmos** nonsense, and you will stay as far away from it as you can get. Those of you who have allowed yourselves to be a party to the discussion of this sedition in a telephone linkup may soon be indicted in a conspiracy to overthrow the government of the United States. Be assured, the Bush Administration's Justice Department and FBI are well aware of this **Cosmos** proposal, and it would not surprise me if they are the ones who have concocted this scheme in the first place. The background to my opinions will be found on the next page.

First, there may well be a company named **Cosmos Seafood Energy Marketing, Inc.** It may well be a CIA front as were many of the CIA "SEAFOOD" fronts [H: Not the least of which was the "Bush" "fish-meal" operation offshore in the South wherein cocaine was being delivered to the off-shore Zapata oil-rigs. This is still ongoing! This "fish-meal" tasted, looked and acted—when ingested—EXACTLY like cocaine in powdered form. So, we maybe should go back to the old "duck" theory of "if it quacks, waddles, appears like and so forth"] located in Costa Rica. Those CIA fronts, as set forth in my book, *Hope's Husband* [H: And within several of the **PHOENIX JOURNALS—WHY DO YOU THINK THE ENEMY EFFORTS TO EVEN MURDER TO BAN OUR WORK?**], were used to bring drugs into America frozen in with the fish. **Cosmos** [as stated by spokesmen] is located at RR1, Box 171, Okaville, Illinois 62271. For the largest corporation in the world, it does not have a listed phone number. This is a town in south-central Illinois of 1,300 people. [H: Actually, THIS is the only thing

that gives validity to the whole operation as being worthy.] It is probably as far away from the source of any "seafood" as any spot in America. This company really does have a man named **Andy Nicholew** in its employ. However, **this Andy Nicholew denies making ANY PRESENTATIONS as set forth on the November 27, 1992, phone calls. Furthermore, according to my intelligence sources, the company known as Cosmos Seafood Energy Marketing, Inc. or Ltd., has no idea whatever about all the information being sent forth across America in its name.**

[H: But you think **Dare Schaut** is NOT a "nasty" as presented by **Bo Gritz** and you are angry at **Bo** also and you will "go with **Dare**"? "Ah", you say, "...but there is this lady in Colorado who worked for **Bo Gritz** and she is "after **Bo**" legally because he mis-used campaign funds! She says he used campaign funds for "vacations", "a new airplane", "travel to sell his books" and on and on. This is total fabrication from the "vacation to the airplane"! Since when can you consider traveling under threat of death and 24 hour a day schedules a "vacation"? Why was she angry? Because she "believed **Dare Schaut** and didn't get a personal thank-you note from **Gritz**!" by her own words. She did state that she could confirm almost none of the information being given publicly, however. Some was given openly and most was pure fabrication as gleaned from her own contacts. I shall not give this person's name as she has had such trauma and aggravation out of this whole mess as to cost her a lifetime of misery. Is not "confusion" and "deceit" the VERY MARK OF THE BEAST? WELL, JUST "WHO" IS "WHAT"? KEEP YOUR PRIVACY AND DO NOTHING FOOLISH AND WATCH IT UNFOLD—GETTING YOUR NAME ON A LIST WHICH COULD BE YOUR VERY DEATH SENTENCE IS HARDLY SAVING YOUR NATION OR YOUR FREEDOM. USE "REASON" AND DO NOT LET DOWN YOUR GUARD FOR THE ENEMY ALWAYS MUST SHOW HIS HAND AND YOU ARE EXPECTED TO SEE IT WHEN SHOWN!]

What do we make of this? If **Cosmos** wants this information out in preparation for what is to come next month, with dozens of people on a telephone conference call, why would their parent company deny any knowledge of it, and their agent **Andy Nicholew** DENY HE MADE THESE PRESENTATIONS? If they are the largest corporation in the world, with assets worth billions and with control of the political process such that they can drive Clinton into hiding, they would not

be concerned at this point in security. Nor, would they need money. If so, why do they want a fee of \$250 to get hooked up to their computer link?

[**Hatonn: DO NOT PASS THIS POINT WITHOUT REREADING WHAT I AM GOING TO WRITE RIGHT HERE! The computer network and that \$250 has NOTHING to do with this COSMOS scheme. John Quade (Saunders III) is a recognized actor turned Common-Law through Computer Systems Citizen. His full thrust is to simply make law-and-cause available through systems such as other "Law Reference Libraries" (i.e., WestLaw, etc.). This system network will house immediately recoverable law information and HAS NOTHING TO DO WITH ANY OF THE COSMOS "STUFF". Mr. Quade has been working on this program for years, has outlaid his work and struggles widely through everything from Patriot meetings, Citizen groups reclaiming Common Law and Constitutional Rights to this "Cosmos Conference Call" (to which he tuned in late, you will take note from the beginning—and missed the next ones—because he was WITH MY PEOPLE!) HE STATED 'ON THE AIR' THAT HE IS CONNECTED TO NOTHING! AND SPECIFICALLY, NOT TO COSMOS IN ANY MANNER WHATSOEVER IMAGINED! HEAR ME WELL! THIS MAN AND THIS COMPUTER NETWORK HAS NOTHING TO DO WITH ANY OF THIS BLATHER!]**

This whole thing has the smell of a CIA operation [H: Like your proverbial "rotten fish in Denmark"! Even to its cute code-names! Do these things mean necessarily that every time you have strange "coincidences of names" that it is invalid? No—it means you start watching the quacking, waddling and webbing of the feet. If you are NOT dealing with a "duck" it will become apparent and you will have lost no privacy in the interim.] projecting to the American patriot community whatever they want to hear, while setting them up for a huge "John Doe" indictment for sedition.

Second, there is the factor of timing. We never heard of *Cosmos* until just after the elections wherein Bush lost and Clinton is alleged to have won. Suddenly, out comes the *Cosmos* project, offering hope at last for the discouraged patriots. Where was *Cosmos* all during the election when its billions could have been used to get massive coverage of the Bo Gritz campaign? If they had been serious, as they would have us believe, they could have either promoted Bo Gritz or any other well-informed patriot and

put him on either political party if they wanted to do so. The *Cosmos* telephone conversation states that *Cosmos* offered the Democratic "nomination" to Bo Gritz but he turned them down. Do you believe either the offer or the rejection? Come on! Wake up!

One intelligence source suggests that perhaps *Cosmos* is a CIA scam to create the need for a declaration of National Emergency and that would suspend the installation of Clinton and eliminate the patriotic opposition to the New World Order at the same time. The timing of the *Cosmos* proposal and release of classified information makes the whole thing highly suspect in my opinion. Anything that is too good to be true usually is too good to be true.

Third, there is a clue in their choice of the word *Cosmos*. *Cosmos* is a Greek word that means two things: World and Order. This word "cosmos" appears about 150 times in the *New Testament* in both good and evil contexts, *John 3:16-17*, *1 Cor. 1:28*, etc. The CIA would be clever enough to use the word *Cosmos* as a code for World Order. No seasoned patriot group would be ignorant enough to ever use that word in their name. Further, in Eustace Mullins' classic and authoritative book, *THE NEW WORLD ORDER*, on page 221 he writes:

"All conspiratorial societies for the past thousand years have sought one single goal—hegemony of parasitism. Bharati Darma holds that the world is an order or Cosmos—that it is not chaos—it is not thrown together."

[H: OK, let's pause here and think a minute. This is not quite right EITHER. It is OBVIOUS from all writings that the words in meanings are distorted continually. However, when "I, Hatonn" spoke with these gentlemen (Schaut and Nicholew) there was respect when I said that "I represent the 'cosmos' part of any such claim or organization of Light." Somehow neither have wanted to have encounter with "ME" again, stating too full schedules, too filled 'airtime' and so forth. When I petitioned for hearing—it was OBVIOUS that the last entity to have hearing on their program was one from the *Cosmos*—meaning: from off Earth soil and abiding somewhere in the Cosmic Realms. I actually found it quite amusing if not downright 'funny' to watch the burying of "stuff" and avoidance of any further contact whatsoever. Fine, I don't much care for thieves and liars, deceivers and scallywags. I DO SEE AN OPPORTUNITY FOR YOU PATRIOTS TO MAKE HEADWAY IN INFORMATION SHARING AND PROGRESS IN RECLAIMING CONSTITUTIONAL LAW THROUGH

NETWORKING, ETC. YOU MUST ALWAYS SEIZE THE MOMENT AND GLEAN THE GOOD FROM EACH CIRCUMSTANCE—YOU NEED NOT TAKE THE POISON AND DELIBERATELY ADD IT TO THINE CUP. PONDER IT!]

So, *Cosmos*, has become one of those Secret Words for this New World Order, and I find it incredible that any alleged patriotic organization, wishing to re-establish the Constitutional Republic, would make the mistake of using this New Age and World Government word for their name. Can't you see what you are looking at? [H: No, Commander Davis—they cannot. Neither should they be "put down" because they can't see or hear. All have not been given the gift of insight into the horrid workings of the adversary and even you, sir, miss the most important points of all in your self-styled "religious" dogmas. If you can see the tampering and corruption to your own Constitution—why can you not believe the adversarial teams (even the CIA) might not touch your beloved instruction books of God? JUST WHAT MAKES YOU THINK GOD WOULD NOT ALLOW SUCH TAMPERING?—THE LAST WORDS OF REVELATION TELL YOU THAT YOU WOULD BE CONTROLLED BY THE VERY ADVERSARY YOU STRUGGLE AGAINST—BY INFORMING THAT "...And I solemnly declare to everyone who reads this book: If anyone adds anything to what is written here, God shall add to him the plagues described in this book. And if anyone subtracts any part of these prophecies, God shall take away his share in the Tree of Life, and in the Holy City just described. He who has said all these things declares: Yes, I am coming soon! Amen! Come, Lord Jesus! The grace of our Lord Jesus Christ be with you all. Amen!" And just how did you think this Lord Jesus would return to your world? Did He not promise to return after preparing a place for you? Do these words sound like GOD or the enemy causing you to exist within the limits of his threats and boundaries? There is not even "REASON" in the threat, sir, so how can YOU expect patriots, uninformed, to know anything at all about the word "Cosmos" and how dare you put them down for ignorance which they have had no opportunity to overcome—when YOU preach drivel and fear upon their very spiritual beings and consider the Hosts of God come to assist—as evil and Satanic beings from "out there somewhere" in the "Cosmos"? If you cannot see the bigger lie, how can you expect man to see the tiny and clever subterfuge? How many souls rest on your own misperceptions

of "how it is with God, Christ, Jesus and the Universe"? Ponder it carefully!]

Fourth, unknown to most patriots, but known to all of us who have backgrounds in IBM and with computers, know that there was a huge Federal arrest of computer experts who had found a way to break into the banking computer's encryption codes and were accessing personal identification numbers (PIN) used in automatic teller machines. Beginning in April, 1992, arrests of these "computer hackers" began in earnest in California, New York, Florida, Arizona, Ohio, Pennsylvania and Washington State. It is known that there is a network of more than 1,000 of these computer experts, and this network, as chance would have it, seems to parallel what has been so far revealed about an organization called **Cosmos**.

The bank numbers are encrypted by a special federally approved scrambling formula intended to protect the customers of every bank. These computer experts (hackers is a term they use for themselves) were able to thwart what the government had figured was an impossible-to-break system known as Data Encryption Standard (DES). This system was developed by IBM Research around 1972 and its original name was **Lucifer**! IBM released **Lucifer** to the public domain, meaning anyone could use it without copyright or user fees required. It is never publicly referred to as the Lucifer code, but only as DES. My mailing list files, for instance, are DES-encrypted into my computer and cannot be determined even if the computer is stolen. The computer program I use for this is known as MacSafe. [H: Ho-humm!] Understand, DES is very good and a generation of mathematicians and computer hackers have spent their careers trying to break DES without success. Until 1988, DES was considered invulnerable, invincible and uncrackable. However, by 1988, desk-top computers had become so powerful that a \$20,000 unit was more powerful than anything that the National Security Agency had in the mid-70's. At that time, the National Security Agency, a Pentagon division devoted to electronic espionage under Michael S. Conn, decertified DES for top secret materials. What astounds me, and those patriots who have helped me with this intelligence report, is that **Cosmos** has gone public, admitting that they were the ones who broke into the DES banking code and that they are illegally tracking bank transfers in the hundreds of millions around the world and keeping billions of this money for themselves. Would anyone who really had accomplished that criminal act ever go public with it? What makes this more risky is that anyone who "listens without objecting" to the discussion of this criminal act

is at once included in the "conspiracy to defraud the banks"—a major criminal offense. Anyone who personally knows of such activity and does not report it to the proper authorities would be guilty of "misprision of a felony" which also carries major prison terms. For those interested in more information regarding this DES bank computer cracking conspiracy of 1,000 computer hackers should read the just released story on this very activity in the January, 1993 issue of *Popular Science*, page 71. Never say that I have not warned you.

Fifth, as chance would have it, there was a movie starring Robert Redford called *Sneakers*. I have made every effort to find and review this movie, but it is not showing in our area and will not be released to the video stores until mid-February. It is based upon a book with that name by Dennis Gram. I have ordered a copy and this data is subject to change after I have read the book. It is the story, according to those who have talked to me about it, of a highly professional group of computer and financial experts who find a way to break into the banking encryption codes and steal a whole lot of money. Doesn't this sound like what you have heard from the **Cosmos** group? Do you know what the fictional name for the computer/program that broke the banking code was? According to three people who saw the movie, the name was **Cosmos**. Of course it would be nice if a group of super rich people would step forward and help save our Republic. If so, it would be the first time this ever happened in history.

[H: Further warning: Beware this Council on Domestic Relations as if it were a direct line into the CFR. Already, hard research and gleaning from ones who have gathered Constitutional law materials have been told to send their work by the boxloads to this central receiving center (CDR). Gracious, citizens—they are not even claiming to be the "Case Law" gathering place—do you have to line up to offer your heads to their silver platters? You take your "Law research" to a Law Center—not an offshoot of the Council on Foreign Relations and CIA to have it lost forever to all Patriots brought before the InJustice system of English Khazarians. There truly are some very blinded true Patriots fallen for this game without proper research who have told these ones to send their "stuff" to the CDR and it would be handled "for them" from there. IN-DEED! IT MOST SURELY HAS BEEN AND WILL BE.]

Continuation of quoting from Nord

Davis:

WHAT IS THE COSMOS LESSON THAT WE ARE TO LEARN?

[H: I do ask that you pay special attention to this insightful writing. If "Cosmos" is validly a Godly entity—it will handle its own quiet way to perfection. God, however, doesn't "usually" work in the manner put up front by this so-called "Cosmos", in all of my own experience. However, yours is not to have to discern other than to THINK and discern from KNOWING. You are ones trained to desire magic and instant show and tell, along with "do it for me" so that you are instant prey to the same kind of solutions. God will provide as you move into His service—He will NEVER reward the adversary for ill-intent—even if it be you good Patriot's ill-intent. THERE IS ONE WAY INTO THE HEAVENLY COSMIC REALMS WITH GOD IN CHRISTED WONDER—THROUGH THE CHRISTED PATH OF GOODNESS—IN INTENT! All the "voting", "wishing" and "working" otherwise—shall not change an iota of this routing. I come as Host in Command of that Source of Perfection and any other prescription into that Realm of Great Spirit Creator—IS FALSE AND WILL DESTROY YOU! YOU CLAIM TO "REFUSE TO ACCEPT THE MARK OF THE BEAST" WHEN YOU ACTUALLY TURN TO MAKE SURE THE BEAST SPELLS YOUR NAME CORRECTLY, OR AT THE LEAST KNOWS YOUR EXACT WHEREABOUTS AND INTENTS!]

The first thing we are to learn is that there are not going to be any quick fixes for the socialism, insolvency and surrender that has made up the domestic and foreign policy of the American Administrations for the past 75 years. We are not going to solve this problem as long as the American people hold the idea that it is perfectly legal, proper and moral to tax one citizen more than another, and to then give to one citizen the fruit of the labor of another. This problem must first be solved in the thoughts and philosophy of the people before any Christian political candidate has any chance for the Presidency.

Next we must remember that, as the Totalitarian Socialist New World Order goes into effect, first for seemingly morally justified reasons, as in Somalia to feed the starving, these people are going to use every means at their disposal to terminate or silence any opposition that would normally come against them. What will be their means toward that end?

We should have learned when we watched the so-called "Sedition Trials" in Arkansas about 6 years ago. Yes, that was while Clinton was Governor. In this case there were a dozen people, several who did

not even know each other, who were tried on Sedition charges and sent off to prison. One of my friends, who had little or nothing to do with this group, Ardie McBrearty, was sentenced to 40 years in prison for merely letting one of the men, who later became involved in the Sedition activities, live for a month in his home. Mr. McBrearty was an active, outspoken patriot, and the Federal authorities used this innocent occasion to entrap him into a conspiracy of which he knew nothing and of which he would not have approved.

Cosmos talks about some old Gold Certificates that are going to be used, or have been used, to back the German Mark with gold. Are these Certificates the same ones that were issued by the German Republic in the years before Hitler? Those Certificates have been floating around the world for years, and I was the one who helped the Costa Rican *La Nation* newspaper reporter LaFete win his Latin Pulitzer Prize in 1983 for exposing that fraud. Those Certificates had already been redeemed and later stolen when the Russians took over Berlin in 1945. If these Certificates are the ones being used, you will find Southern California convicted fraud artist Randolph Jackson Rudd, a Missionary Baptist minister, whose age is about 65, somewhere at the heart of it. He served his Federal Prison time in California being treated like a king. He is now out and "has plenty of money". Or you will find Vincent Carrano, aka Rizzo, of the Vatican Bank scandal, who served time in the Federal Pen in Birmingham, AL. He was a CIA asset who jumped the traces and became a friend of Daniel Ortega, President of the Sandinistas in Nicaragua in 1982. He slipped back into Miami one dark night and was arrested there sitting in his bathing suit at his pool. Yet, our patriotic friends fall for the "Gold Certificate Scam" as if it were a totally new idea. No ancient Gold Certificate is going to finance America out of her huge national debt or back all the legitimate American currency as they have proposed. Answer: 12/92. It is supposed to be one Gold Certificate issued or dated in the 1870's. Forget it. **[H: Could the one presented by the Ukraine (Russians) to the Banks of London also be a sham? Could the British be a possible co-conspirator in this game of Cosmos? What ever happened to that incident of a few months back? What ever happened to the "plan to pay the national debt" in exchange for Bush? Chelas—it is a time of confusion, chaos and lies—sprinkled liberally with TRUTH for your further deceiving. I cannot and will not simply live your lives FOR YOU—you are given thousands of pages of instructions and lessons along with hours and hours of tapes—if you will not learn—I cannot help you. THERE WILL BE NO MAGIC**

OR SEEMING "MIRACLES"—YOU are the miracle—WHAT ARE YOU DOING? Is there wealth for your growth and passage? YES? HAVE YOU EARNED IT YET?? PONDER IT!]

We confidently predict that not one of the Cosmos "predictions", such as the bank holidays, the legitimate indictment of George Bush, and the Clinton drop-out of his being sworn in, etc., will ever come to pass. Now, let's sit back and see what happens in the next sixty days.

NWD, Northpoint Team Intelligence.

Dharma, I realize it is especially confusing for you, who writes these symbols for me. But, chela, you must also be discerning. The response by Dare when I said that Bo Gritz has in no wise left the Patriots or ceased his efforts in their behalf, was one of total agreeable honor. Forget it, children, he HATES Gritz with a passion unsurpassed! I make no comment as to validity of reasons or purpose—I have efforted to present BOTH sides in all instances as printings have come to our attention. THIS IS WHAT THIS PAPER IS SUPPOSED TO BE ABOUT—TRUTH AND REPORTING—NOT PSYCHIC HOGWASH. YOU will reclaim your Constitution or it will not be reclaimed. There is plenty underway and afoot within the privacy of activities and opening into truth of enforcement officers and military leaders (who see the picture)—but when you move as a swarm of ants to the bait—remember the dangers of that bait.

Do I advocate following someone like Bo Gritz without caution and/or reason for self? Of course NOT—but why would you follow his ENEMY? HOW DID "HE" LET YOU DOWN? BY LOSING THROUGH YOUR LACK OF SUPPORT? "A SYSTEM DID IT"! INDEED—BUT DOES YOUR CLINGING TO HIS ENEMY—MAKE HIM WRONG? I HAVE TOLD YOU READERS—GRITZ IS CHOSEN OF GOD WHETHER OR NOT YOU (OR HE) LIKES OF IT. IF HE BE WANTING—HE SHALL BE BROUGHT TO TRUTH. HE RELIES TOO HEAVILY ON THOSE ABOUT HIM WHO HAVE NO KNOWLEDGE AND IF HE CONTINUES TO CLING TO THOSE MISTRUSTED LEADERS—HE SHALL UNDOUBTEDLY BE FINDING HIMSELF PAYING THE PIPER. HOWEVER, TO SERVE UP LIES ABOUT HIS ACTIONS AND ACQUISITIONS THROUGH RUNNING FOR OFFICE IN THE ONLY MANNER POSSIBLE—BRINGS SHAME UPON US ALL. MUST YOU CRUCIFY EVERY MESSENGER SENT TO ASSIST YOU? DOES THIS MEAN THE MESSENGER IS "PERFECTION"? GOD KNOWS WHAT HE DOES—AND IF THERE BE NO PERFECTION

PRESENT—HE SHALL PERFECT IT! HE IS BEHOLDEN OF A BEING IN HIS PRESENT EXPERIENCING MANIFEST BEING—NOT THAT WHICH IS PERCEIVED FROM THAT WHICH IS PAST. YOU KNOW NOT WHAT YOU DO OR EVEN THAT WHICH YOU PERCEIVE—HOW LONG WILL YOU ASSUME YOUR OPINIONS IN LIMITED INSIGHT TO BE THAT OF GOD'S IN ALL INSIGHT AND VISION? HOW LONG WILL GRITZ CONTINUE IN HIS OWN NARROW VIEW AND PERCEPTION? JUST AS LONG AS IT TAKES GOD TO CORRECT HIS "THINKING" AND THAT WILL BE IN PERFECT SEQUENCE OF EVENTS. IT WILL BE EXACTLY AS IT WILL BE—NO MORE AND NO LESS!

Should all of you up and run off to Idaho with Bo? Why would you do that? Could you not carefully survey the situation, study the possibilities, even go forth and sit in the trial of Weaver if possible—and SEE if there be merit? I can assure you now that no matter what you think BO THINKS, he himself, knows not what he actually thinks nor does he have accurate perceptions of those whom he trusts implicitly. NO MAN IS PERFECTION—THAT IS LEFT TO GOD OF CREATION!

So, what will happen with "Cosmos"? **If it be valid and of God's PLAN—it will work out in perfection. If it be not of God—I suggest you keep your silence for your caution and silence will merit you nothing save good marks in Heaven. Certainly you do NOT go forth and line up God's Lambs in the slaughter-list computer run—if the "thing" be false. IF YOU CAN'T QUITE BRING YOURSELF TO BELIEVE I AM WHO I SAY I AM AND HAVE NEVER MISLED YOU—WHY DO YOU JUMP ONTO ANY BANDWAGON OTHERWISE THAT COMES DOWN THE ROAD?? COULD YOU NOT USE AT LEAST AS MUCH CAUTION WITH THE ADVERSARY AS YOU USE AGAINST GOD'S OWN HOSTS? SO BE IT.**

Dharma, thank you scribe. This has been long but necessary in the sharing. I know I have given no explicit response—but there is EXPLICIT information if you have paid attention to ALL. Salu.

I ask that the full questionnaire as presented be reproduced in this paper—IN FULL! WHAT REVIEW? THIS IS NEW by their own statements—so what does "usually" MEAN? Could it be that at the end of this "45 days"—the train leaves for Auschwitz or other picturesque vacation spots? against Ekkers in a court of law) called them flakes, deadbeats, and other names (in front of many witness in the courtroom—but then “lost” the tapes bearing the statements) also held a news conference and in the Bakersfield paper called the writings preposterous, neo-Nazi in content among other accusations. YOU HAVE BEEN “HAD”!—AGAIN!

QUOTING:

MAJOR HISTORICAL FACT UNCOVERED

SHOCKING AUSCHWITZ TESTIMONY

What was the most important historical event of 1992? Don't answer until you've read this story. (Exclusive to the Spotlight, by P. Samuel Foner)

The director of Auschwitz has been filmed on videotape admitting that the so-called gas chamber there was constructed after the war.

In the dramatic and unprecedented filmed interview, Dr. Franciszek Piper, senior curator and director of archives at the Auschwitz State Museum, admits on camera that “Krema I”, the alleged “homicidal gas chamber” shown off to hundreds of thousands of tourists every year at the

Auschwitz main camp, is, in fact, a reconstruction, fabricated after the war by the Soviet Union—apparently on the direct orders of dictator Josef Stalin.

What Piper said, in effect—and on camera—was that the explosive *Leuchter Report* was correct: No homicidal gassings took place in the building designated “homicidal gas chambers” at Auschwitz.

Ironically, for someone to even suggest such a thing could bring a jail sentence in more than one country—including enlightened nations like France, Canada and Germany. (Just ask Ernst Zundel. But more about him later.)

‘FACTS’ ARE LIES

With this admission by none other than the responsible head of the Auschwitz State Museum, one of the most sacred “facts” of history has been destroyed. It is the major historical “fact” on which the foreign and domestic policies of all of the Western nations since World War II are based.

It is the basis for the \$100 billion in foreign aid the United States has poured into the state of Israel since its inception in 1948—amounting to \$16,500 for every man, woman and child in the Jewish state and billions more paid by (West) Germany in “reparations”—not to mention the constructing of Israel’s national telephone, electrical and rail systems, gifts of the German people. It is the basis for the \$10 billion “loan” (read “gift”) made to Israel for housing immigrants in occupied territories, while Americans sleep on streets and businesses are bankrupted by the thousands.

Germany is paying “reparations”—and the United States is making major contributions—to atone for the “gassings at Auschwitz” and elsewhere. If the “homicidal gas chambers” were postwar creations, in which no one was gassed regardless of race, creed, color or country of national origin, then these “reparations” were unnecessary, and were based on fraud.

The videotape on which Piper makes his revelations was taken in mid-1992 by a young Jewish investigator, David Cole. It has just been released, on January 1, 1993, although Cole announced his project at the 11th International Revisionist Conference at Irvine, California last October.

Cole’s production follows 12 years of intensive investigation by dozens of historians, journalists and scientists who have tried to get to the bottom of what really happened at Auschwitz.

In 1979, the Institute for Historical Re-

view (IHR) was founded which coordinated these investigations in an effort to “bring history into accord with the facts.” [H: Be sure, readers, that certainly there is great DENIAL and denouncements and cries of anti-Semitism and on and on—just as with the Zionist Protocols which are also claimed to be false but are the very PLAN ITSELF!] Since then the IHR has published dozens of papers and books, none of which has ever been refuted, concerning various aspects of the “holocaust”.

A major aspect that has been investigated concerns the gas chamber theory, and the biggest and the busiest gas chamber was supposedly at Auschwitz.

The activities of the IHR have been so controversial that on the night of July 4, 1984, after two years of harassment and vandalism, it was burnt to the ground by Israeli agents. Miraculously it was able to continue operations after some months of inactivity.

INSTRUCTED FROM YOUTH

Like most Americans, since his youth, Cole had been instructed in the “irrefutable fact” that homicidal gassings had taken place at Auschwitz. The number of those so executed—also declared irrefutable—was 4.1 million.

Then came the *Leuchter Report* in 1988. This was followed by a “reevaluation” of the total deaths at Auschwitz (down to 1.1 million). As a budding historian—and a Jew—Cole was intrigued.

Previous to 1992, anyone who publicly doubted the 4.1 million “gassing” deaths at Auschwitz was labeled an anti-Semite, neo-Nazi skinhead (at the very least). Quietly, because of revisionist findings, the official figure was lowered to 1.1 million. No mention of that missing 3 million.

In 1988, Ernst Zundel was put on trial in Canada for “publishing false news”. He wrote a book which questioned the legitimacy of the Auschwitz gas chamber.

Helping with the defense were internationally known historians including Robert Faurisson, David Irving and Mark Weber.

Zundel went looking for an expert on executions, particularly gassings. He found Leuchter, who specializes in the design and fabrication of execution hardware used in prisons throughout the United States. Leuchter was commissioned to visit Poland and conduct a scientific examination of the so-called homicidal gas chambers.

On February 25, 1988, Leuchter left for Poland together with his wife Carolyn, his draftsman Howard Miller, cinematographer Jurgen Neumann and Polish interpreter Theodor Rudolph. They re-

turned on March 3. Then he wrote his controversial report.

NO GAS CHAMBERS

His conclusions were clear: The evidence was overwhelming that there were no execution gas chambers at Auschwitz, Birkenau and Majdanek and that the alleged gas chambers at these sites could not have been, then or now, utilized or seriously considered to function as execution gas chambers.

In the words of Dr. Wilhelm Staglich, another internationally known historian, "the extermination thesis stands or falls with the allegation that Auschwitz was a 'death factory'".

Leuchter says: "The purpose [of the investigation and subsequent report] does not include a determination of any numbers of persons who died or were killed by means other than gassing or as to whether an actual Holocaust occurred. It, further, is not the intent of this author to redefine Holocaust in historical terms, but simply to supply scientific evidence and information obtained at the actual sites and to render an opinion based on all available scientific, engineering and quantitative data as to the purpose and usages of the alleged execution gas chambers and crematory facilities at the investigated locations."

With this in mind, Cole took his video equipment to Auschwitz and interviewed official personnel there. Piper was the most important of these interviewees. Following his comment that the "homicidal gas chambers" were fabrications, Piper reveals, on camera, how walls were knocked down, holes made in the ceiling and "Zyklon B induction chimneys" installed on the roof so that the building could be exhibited to tourists from all over the world as a proof of the "final solution".

And Piper doesn't stop there. He describes other "proofs" of the "final solution", which are also "reconstructions". He discusses the routine use of Zyklon B to delouse buildings and the personal effects of the internees, and he admits, on camera, that the *Leuchter Report's* findings concerning Zyklon B residues in the alleged gas chambers at Auschwitz are right.

PARADOXICAL BELIEFS

He then, paradoxically, affirms his belief, not only in homicidal "gassing chambers", but also in the "human soap" tales and the stories about "human skin" lampshades, both of which allegations long ago have been totally debunked.

And the revelations go on. In the video, you tour Auschwitz with Cole and hear him being told that the main camp "gas chamber" (Krema I) is in its "original state". You will see the undaunted Cole ask so many

questions about the obviously ridiculous nature of this "gas chamber" that the guide feels it necessary to call her supervisor over to answer the young historian.

Cole says: When I went to Europe in the autumn of 1992 to conduct my own investigation of the sites of the alleged "gassings" of Jews during World War II, two ideas were paramount in my mind.

The first was that the trip be recorded on videotape so that, rather than bringing back a bunch of colorful anecdotes to bore my friends, I would bring back an objective record of what I found. What I expected to be a great learning experience for me could be one for others too. My discoveries could become your discoveries. Hopefully, I would ask the questions that you would ask if you were to make the journey yourself.

The second idea was that I would go as a Jew. No two peoples have been affected more by the Holocaust story than the Germans and the Jews. We know how difficult it has been for Germans themselves to expose the deceptions of the Holocaust Lobby. Germans are forbidden by law, in their own country, to state publicly that they do not believe in the orthodox gas chamber stories; forbidden from discussing their own history.

Jewish organizations have decided that they must have a monopoly on the Holocaust issue. I reasoned that if I went to Auschwitz as a Jew rather than as a "revisionist", that I would have a better chance to cut through the misinformation and lies that so distort what really happened in the German camps during the war.

Perhaps, I thought, if I were to approach the Auschwitz officials as a Jew, my pointed questions, tactfully put, would be interpreted not as the debunking questions of a revisionist, but rather the sincere questions of a righteous Jew wanting to get the real facts to answer those back home who say there were no gas chambers.

(I remember at one point standing in Krema and telling the supervisor of guides at Auschwitz that "You must tell me the whole truth so that when I get back home I can speak with authority against those who say 'all this' never happened.") So, donning my yarmulke, and not letting anybody in Poland know where my sympathies were, I began my journey.

The Cole videotape proves that the people who run the Auschwitz State Museum had made a practice of fabricating "proofs" of homicidal gassings. Keep in mind that, over the years, millions of tourists have been told that Krema I is in its original state, while the officials knew that this "original state" is a lie.

The political, religious, financial and historical ramifications of this proof of no gas chambers at Auschwitz cannot be measured. Coupled with the *Leuchter Report*, the Cole videotape proves that what

every Western government has taught since World War II is a lie. It proves that what televangelists such as Jerry Falwell and Pat Robertson have been telling their flocks is simply not true.

No one, regardless of race, creed, color or country of national origin, was gassed to death in any building so designated at Auschwitz. And without "homicidal gas chambers" at Auschwitz, where is the reasoning for the special treatment afforded the secular state of Israel?

END OF QUOTING.

|||||||

So, readers, do you think this will make headlines on *Larry King Live*? How about CNN? Do you think the Jewish controlled Israel First media will headline the truth?? Oh, well, do you think the Administration who has given Israel BILLIONS UPON BILLIONS of dollars will admit that there is error? Come, come—how many years did it take for the Catholic Church to recognize the TRUTH OF GALILEO (within the last couple of months!!)

So, what will YOU do with TRUTH? I wonder?!

David Cole's video is on VHS for \$49; available from Liberty Library, 300 Independence Ave. SE, Washington, D.C. 20003. The *Leuchter Report*, \$20, from IHR, P.O. Box 2739, Newport Beach, CA 92659. And, no, these ones here do not have a copy of either!

"AH, BUT SOMALIA—?"

Indeed, there IS Somalia and all that humanitarian effort. But guess what—coming into the country now (YOURS) is a great quantity of a new drug—which is expected to be totally out of control with the return of your soldiers from Somalia—QAT!

Qat (pronounced "cot") is a drug (illegal) which is a stimulant with effects like cocaine. The narcotic has turned up on the illicit drug markets in increasing amounts since the Somalian intervention. It is a plant which is chewed over a period of several hours and is used extensively by the young thugs who belong to the gangs of ruling warlords in Somalia. The drug causes high increase in aggressiveness and violence. Good luck, America.

MIA/POW FINAL SELLOUT!

Kiss your loved ones goodbye, Americans who have MIAs and POWs in Asia. Bush is normalizing relations with Vietnam and along with the agreements is one final agreement—ALL MIAs and POWs will NEVER surface again!!! May God have mercy on Kerry, McCain and

the Beasts of Hell for upon their direct shoulders rests the deaths by murder of over 2 thousand fellow-Americans. Ah indeed—a NEW WORLD ORDER! Shame upon mankind!

MAYBE BETTER?

"Maybe it will be better," you mutter. Even Mr. Gritz suggests, *"We should back the Clinton-Gore Administration to the degree that they promote the God-given birth-right our Founders fought so hard to establish for us in this choice land. In as much as they perform as officials in accordance with their oath of allegiance, let us be with them. But, should their direction be away from justice and liberty, let us seek a solace within the union of patriots who want peace, but not at any price...."*

Better? How can it be better? Let us look at WHO is placed into the Clinton Cabinet, just to turn to one group for example.

FOREIGN POLICY AND NATIONAL SECURITY APPOINTMENTS

SECRETARY OF STATE: Warren M. Christopher—A Los Angeles attorney (Titles and nobility—[missing 13th Amendment]), Christopher is a member of both the Council on Foreign Relations and the Trilateral Commission. Christopher has been running in Establishment circles for years. He served as deputy secretary of state under Jimmy Carter and as deputy attorney general under Lyndon Johnson. Christopher, who headed Clinton's vice presidential search and transition teams, also headed up the inquiry that examined the Los Angeles riots of 1992.

DEPUTY SECRETARY OF STATE: Clifton R. Wharton Jr.—The first Black man appointed to this important position, Wharton, like Christopher, is a member of both the CFR and the TC. He has served under four presidents and takes pride in his "non-partisan" service in government. Typically, CFR and TC members, like Wharton, can move in and out of any administration, Democrat or Republican. Wharton personifies the Establishment through and through, and he certainly does not represent the average, hardworking middle-class Black American. His father was one of the first high-ranking Black diplomats in the State Department.

DEFENSE SECRETARY: Les Aspin—A Democratic member of the House since 1971, Aspin, who chaired the House Armed Services Committee, is a member of the CFR. He has a long history of service as a federal bureaucrat, having served in the Pentagon during the John F. Kennedy Ad-

ministration and as an economist for JFK's Council of Economic Advisors.

UNITED NATIONS AMBASSADOR: Madeleine Albright—Well connected to the Israel lobby, she is a professor at Georgetown University's School of Foreign Service (Bill Clinton's *alma mater*) and a member of the CFR. The daughter of a prominent Jewish defector from Communist Czechoslovakia, Miss Albright is a longtime Democratic Party foreign policy adviser.

DIRECTOR OF CENTRAL INTELLIGENCE: R. James Woolsey—A member of the CFR, Woolsey has served in the Defense Department and on the staff of the National Security Council. He is also, like the president-elect, a Rhodes scholar and a Yale Law School graduate. Another Establishment "non-partisan-type", Woolsey was Navy under secretary during the Carter administration and served as ambassador and U.S. representative to Vienna during negotiations on conventional armed forces in Europe during the Bush administration.

NATIONAL SECURITY ADVISER: Anthony Lake—A tried-and-true Establishment insider, both a member of the CFR and one of the early members of the TC. Lake is one of the Rockefeller empire's "non-partisan" foreign policy leg men, having served in the State Department under Jimmy Carter and as a special assistant to Richard Nixon for national security affairs, answering to boss **HENRY KISSINGER**. Lake was also a diplomat in Vietnam from 1963 to 1965 during the years of CIA covert activity there leading up to U.S. military involvement in the region following the CIA-orchestrated murder of President John F. Kennedy.

DEPUTY NATIONAL SECURITY ADVISER: Samuel R. "Sandy" Berger—A member of the CFR, Berger is an international trade lawyer who has been shilling for Japanese corporate interests as a lobbyist in Washington. Berger is also a devout Israel loyalist. His political orientation is very much liberal and internationalist. He even worked on ultra-radical George McGovern's 1972 presidential campaign.

U.S. TRADE REPRESENTATIVE: Mickey Kantor—Although this post is technically attached to the Commerce Department, it has become so important in international trade negotiations that it is properly classified under foreign affairs. Kantor, chairman of the Clinton campaign, has been rewarded with this position. He managed the 1974 campaign of longtime Israel booster Sen. Alan Cranston (D-Calif.), who has declined to seek re-election in the wake

of his involvement in the savings and loan scandal. [H: By the way—you can soon expect the "suiciding" of Keating and son—because the Elite broke their promise to him and have sent him away for a million years. But, he could STILL "TALK"—so you can expect the elimination of both Keatings shortly! The remarkable thing about the pitiful situation is THAT KEATING BROKE NO LAWS!! What does THAT tell you about both your "laws" and your "fair judicial system"?] Kantor is a member of the influential law firm of Manatt Phelps Rothenberg and Tunney, whose clients include Occidental Petroleum as well as other major energy producers, Bank Leumi (the dominant Israeli bank), and 70 other banks and dozens of large corporations. As a member of the national advisory board of the American-Israel Public Affairs Committee (AIPAC), a registered foreign lobby for Israel, Kantor can be expected to produce trade deals beneficial to Israel (first).

DOMESTIC AFFAIRS CABINET APPOINTMENTS

ATTORNEY GENERAL: Zoe Baird—Vice president and general counsel for the giant Aetna Life & Casualty Co., Miss Baird is an experienced Establishment operative, despite her relatively young age of 40. She served in the Justice Department's Office of Legal Counsel and in the office of President Jimmy Carter's White House counsel, Lloyd Cutler, a member of the CFR and "former" member of the TC. Miss Baird has further CFR/TC links: She is a former law partner of Secretary of State-designate Warren Christopher. She is also hand-picked by Mrs. Clinton.

TREASURY SECRETARY: Lloyd Bentsen—Longtime Democratic Senator from Texas, Bentsen has moved in big money circles throughout his political career. Tied by investigative reporter Pete Brewton in a series of articles in the *Houston Post* to wily savings and loan crooks who are in turn linked to organized crime and the CIA, Bentsen is an "old reliable" as far as the Establishment is concerned. This is evidenced by Bentsen's selection as 1988 Democratic presidential nominee Michael Dukakis's running mate. Bentsen, who attended the 1992 Bilderberg meeting in Evian, France, will not rock the boat.

DEPUTY TREASURY SECRETARY: Roger C. Altman—A Georgetown University classmate of Clinton's, Altman is also a member of the CFR. An assistant secretary for domestic finance under Jimmy Carter, Altman is a financier with

the Blackstone Group, based in Manhattan.

INTERIOR SECRETARY: Bruce Babbitt—Although his White House ambitions were put on hold in the 1988 Democratic presidential primaries, Babbitt is still young (just 54). The former governor of Arizona is a close friend of President-elect and Mrs. Clinton and is also, like Bill Clinton, a member of both the CFR and the TC. Additionally, like Clinton, Babbitt has been in attendance at meetings of the exclusive Bilderberg group. In recent years, since leaving the Arizona governorship in 1987, Babbitt has been serving as a partner in the powerful, CIA-linked law firm of Steptoe & Johnson.

AGRICULTURE SECRETARY: Mike Espy—One of the first Black leaders to endorse Clinton. Espy served in two high-level state jobs in Mississippi before his election to Congress. Espy was no radical extremist in Congress, by any means. In fact, he upset the gun grabbers by consenting to appear in an anti-gun control advertisement sponsored by the National Rifle Association, of which the new agriculture secretary is a member. Espy's nomination may be one of the bright spots in otherwise dismal Cabinet selection. But don't count on it—he will have absolutely NO POWER WHATSOEVER—HE IS A BLACK OFFERING.

COMMERCE SECRETARY: Ron Brown—The outgoing chairman of the Democratic National Committee, Brown is a Washington insider through and through. Although touted as one of the "Black" appointees—one of four (including Deputy Secretary of State Clifton Wharton)—in the Clinton Cabinet, Brown, a highly paid lawyer, is very much out of touch with the average Black American. Brown is more accustomed to moving in circles such as that of Haiti's ousted Black tyrant, Francois "Baby Doc" Duvalier, for whom he served as a highly paid Washington lobbyist. Brown's paymasters—Duvalier and his father, "Papa Doc" Duvalier—killed tens of thousands of their fellow Haitians during their corrupt rule.

LABOR SECRETARY: Robert Reich—A Harvard professor of economics, Reich attended Oxford University with fellow Rhodes scholar Bill Clinton. Rhodes scholars are indoctrinated in a "one-world" philosophy by their English professors. Established by Rothschild family frontman Cecil Rhodes, the Rhodes scholarships are designed to train young Americans to work toward the ultimate reunification of the United States "colonies" with England—the "mother country". Reich has also distinguished himself as a longtime cham-

pion of forced racial quotas in hiring and education.

HEALTH AND HUMAN SERVICES SECRETARY: Donna Shalala—Chancellor at the University of Wisconsin at Madison, Miss Shalala is a longtime friend of Hillary Clinton and very well connected. She is a member of both Rockefeller family-financed clubs: the CFR and the TC. Miss Shalala is known for enforcing "political correctness" on campus. The "speech code" she designed for preventing verbal "hate crimes" at the University of Wisconsin was thrown out of court for violating the First Amendment.

HOUSING AND URBAN DEVELOPMENT SECRETARY: Henry Cisneros—The former mayor of San Antonio, Cisneros is one of the Establishment's token Hispanic leaders selected for membership in both the CFR and the TC. He has been touted for years by the Establishment media as a possible presidential or vice presidential candidate.

TRANSPORTATION SECRETARY: Federico Pena—The former mayor of Denver and two-term Colorado state representative, Pena was an early Clinton supporter and part of the Clinton transition team's transportation advisers. He was said to be a "last minute"—even "surprise"—selection when the front-runner for the job was dropped from contention.

ENERGY SECRETARY: Hazel O'Leary—Another "late entry" in the Cabinet selection roulette, Miss O'Leary is president of the Northern States Power Co. in Minneapolis. Insiders say Miss O'Leary's appointment may be a payoff to the influential Democratic Farmer-Labor party political machine based in Minnesota, the organized crime-dominated entity that has produced such liberal internationalist powerhouse politicians as the late Hubert H. Humphrey and former Vice President Walter Mondale. Miss O'Leary is a Black.

EDUCATION SECRETARY: Richard Riley—The former governor of South Carolina, Riley is said to have been a major influence on Clinton as far as education policy has been concerned. His primary political activities have been at the state level. This is his first national appointment. He is generally outside the Establishment "insider" loop, although his new Cabinet status may make him an insider in the end.

VETERANS AFFAIRS SECRETARY: Jesse Brown—The executive director of the Disabled American Veterans, Brown is probably well suited for the job, being a severely disabled veteran himself. He has never held any government position and has no known Establishment connections. He earned this position the hard way—through service and

sacrifice in Vietnam. However, as is to be shown—neither will he have any measurable input into veterans' (especially disabled) affairs.

WHITE HOUSE STAFF APPOINTMENTS

NATIONAL ECONOMIC COUNCIL CHAIRMAN: Robert Rubin—The senior partner and co-chairman of Goldman Sachs & Co., Rubin is one of the world's most powerful financiers. His investment house and its partners and associates were the top corporate contributors to the Clinton presidential campaign. Goldman, Sachs & Co. provides financial services to some of the world's richest families.

COUNCIL OF ECONOMIC ADVISERS CHAIRMAN: Laura D'Andrea Tyson—Although she has never held a government post, this professor of economics and business administration at the University of California at Berkeley, a liberal outpost, is a member of the CFR—and that tells it all.

WHITE HOUSE CHIEF OF STAFF: Thomas "Mack" McLarty—This Arkansas businessman and former state representative may scare Establishment insiders. He's been a friend of the president since kindergarten and probably knows Clinton better than any of the high-powered internationalists serving in the administration's top posts. He has no known connections to the internationalist elite that otherwise dominates the administration. So, that will change immediately!

DIRECTOR OF OFFICE OF MANAGEMENT AND BUDGET: Rep. Leon Panetta (D-Calif.)—Panetta, who started his career as a Republican and a member of the Nixon administration (who was fired for not being a team player), has served as chairman of the House Budget Committee. He is an avid deficit fighter who has run into trouble with other members because he routinely calls for real cuts in entitlement programs and tax hikes to pay for new programs (which would make them harder to pass). He has steadfastly opposed budget gimmickry in Congress and opposes as well the proposed balanced budget amendment as a fraud that would simply allow Congress to continue spending beyond its means. Although he has no known connection to the international elite, his deputy, Alice Rivlin, is a CFR member and is closely tied to the globalist movers. Ah, and how is your staff and management team?

I just thought you should know who it is you will be supporting and allow you to gain insight as to how long you think this "team" will work in the Constitutional behalf of you-the-people. So be it.

To close please, Hatonn to clear.

PUBLIC NOTICE

As regular readers of *THE PHOENIX LIBERATOR* are aware, the University of Science and Philosophy has brought suit against George Green, Desiree Green, America West Publishers, Inc., America West Distributors, Inc., and Doris and E.J. Ekker. This lawsuit is concerning the *PHOENIX JOURNALS* known as the *PLEIADES CONNECTION* series, including the two *JOURNALS AIDS: THE LAST GREAT PLAGUE* and *MATTER, ANTI-MATTER*.

In May of 1992, the University of Science and Philosophy made its *intention* known regarding filing a legal action making these *JOURNALS* literally unavailable to the American public. George Green and America West Publishers, Inc., subsequently gave these *JOURNALS* to Tehachapi Distributing, Inc.

Some weeks past, Tehachapi Distributing became fully aware of some complex billing discrepancies and initiated efforts to resolve the situation. To compound matters, Tehachapi Distributing received communication last week concerning an *intended* legal action brought by the University of Science and Philosophy against Tehachapi Distributing specifically concerning the above mentioned *JOURNALS*.

Tehachapi Distributing reached a very difficult decision and has divested itself of ALL inventory of these JOURNALS and, regretfully, is no longer selling them.

It is indeed unfortunate when **Truth** is hidden by legal mandate. It has always been the intent of Tehachapi Distributing to function fully within the law in all matters.

At this time I wish to express my deep gratitude and appreciation to Dr. Ed Young, Editor-in-Chief of *THE PHOENIX LIBERATOR* who has supported this important work by informing readers of these precious *JOURNALS*.
