The Attack Is Darkest As The *Glorious Truth* Unfolds

(Editor's note: Readers of THE PHOENIX LIBERATOR are generally used to the Front Page being devoted to an important news story such as last week's further exposure of the POW-MIA deception by our sordid government. Well, that kind of story can only exist for you to read and act upon because of all the "machinery" rolling behind the scenes to get **THE TRUTH** out to you.

We have been doing this so well — little by little chipping away at the walls of deception — that it often gives the Adversary enough heartburn to retaliate and attack us in one way or another, in an attempt to get **THE TRUTH** stopped.

You regular readers have been following this "local" battle of wits between the Host, under Commander Hatonn, and the Adversary, for some time. If it isn't the attempting to confiscate Commander Hatonn's scribe's property, it's the JOURNALS themselves or something else: Stop the writing or the distribution of **THE TRUTH** in any way and at any cost!

This past week we even received very reliable word that we better shut down

the LIBERATOR'S Computer Bulletin Board Service because there "could be" subversive or seditious information thereon. Of course, the important question to ask is, "Subversive or seditious TO WHOM?!" Well, you know the answer to that one, but "they" appear to have the bigger guns right now. And so we comply.

The above is by way of "warmup" to prepare our regular readers for what may come as a big shock in Commander Hatonn's writing below. It has been coming back to us, from reliable sources all over the country, that **Mr. George Green of America West Publishers**, who has been in the responsible position of publishing the PHOENIX JOURNALS, has lately been spreading a most incredible array of lies, apparently — and here we go again — in a gasping, last-breath attempt to bring **THE TRUTH** to a halt. We must **really** be doing something right!

As Editor-In-Chief of THE PHOENIX LIBERATOR, I, Dr. Edwin M. Young, not only take extreme personal exception to Mr. Green's particular lies about the integrity of LIBERATOR content and quality

— but, on behalf of the dedicated crew who put in many, many, many long hours to get to you **THE TRUTH**, I can only postulate that Mr. Green must indeed be a planted, purposeful disruptor who's now coming unglued at the seams.

Moreover, I am deeply enough involved with plans and projects and the local crew here to state, flatly and unequivocally, as a scientist and scholar of international recognition, that **all** is of the very highest integrity I have **ever** had the privilege to experience. No industrial or academic environment of my past can come close to the distinguished level of the work going on here, work that is underpinned by a tone of responsibility and sacred honor to all of you supporters out there. That this attitude stems directly from the personal honor and integrity of Dharma and Oberli — who would expect no less among close co-workers — is only in keeping with the deep respect we all hold toward Those who are working with us from a Higher Level to get this planet back into its original, God-given and glo-

Revisiting The Holocaust Lie

Let *THE TRUTH* Be Known!

HOLOCAUST

What about that "old Holocaust" that won't die and go away? Every time we write on the subject we are flooded with threats against lives, denunciations, outright attacks and so on. Yet, none of the numbers add up, none of the stories are backed by anything other than shouts of Anti-Semitism, bigots and "down with Christianity" and equal rights for Atheists. So again, in defense of my scribe and staff, comes more information for thoughtful insight. We have published these things prior to this [for instance, the recent 1/12/93 LIBERATOR, plus JOURNALS #39 and #40, THE TRILLION DOLLAR LIE: THE HOLOCAUST—VOLS. I & II; see back page for ordering information.]—but we have new readers with "inquiring minds" and we shall offer again the thought-provoking questions regarding the "Holocaust" as presented to you-the-world.

66 QUESTIONS AND ANSWERS ON THE HOLOCAUST

1. What proof exists that the Nazis practiced genocide or deliberately killed six million Jews?

NONE. The only evidence is the testimony of individual "Survivors". This testimony is contradictory, and no "survivor" claims to have **actually witnessed any gassing**. There is no hard evidence whatsoever: no mounds of ashes, no crematoria capable of doing the job, no piles of clothes, no human soap, no lamp shades made of human skin, no records, no demographic statistics.

2. What proof exists that six million Jews were NOT killed by the Nazis?

Extensive evidence, including that of a forensic, demographic, analytical and comparative nature, exists proving the **impossibility of such a figure, an exaggeration of, perhaps, 1000 %.**

3. Did Simon Weisenthal once state in writing that "there were no exter-

mination camps on German soil"?

Yes. In Books and Bookmen, April, 1975 issue. He claims the "gassings" of Jews took place in Poland.

4. If Dachau was in Germany and even Simon Weisenthal says that it was not an extermination camp, why do thousands of veterans in America say that it was an extermination camp?

Because after the Allies captured Dachau, thousands of G.I.s were led through Dachau and shown buildings alleged to be gas chambers, and because the mass-media widely, but falsely, stated that Dachau was a "gassing" camp.

5. Auschwitz was in Poland, not Germany. Is there any proof that gas chambers for the purpose of killing human beings existed at or in Auschwitz?

No. A reward of \$50,000 was offered for such proof, the money being held on trust by a bank, but no one came up with any credible evidence. Auschwitz, captured by the Soviets, was extensively modified after the war and mortuaries were reconstructed to look like large "gas chambers". It is now a big tourist attraction for the communist Polish government.

[YOU WILL PLEASE RERUN THE ARTICLE ON THE PROOF OF THE LIE OF AUSCHWITZ—AGAIN—IMMEDIATELY FOLLOWING THIS LISTING OF QUESTIONS AND ANSWERS. MAN IS GOING TO HAVE TO "FACE" TRUTH WHETHER OR NOT HE LIKES OF IT IF HE IS TO SURVIVE ON THIS PLANET.] {Editor's note: This was the Front Page story from the 1/12/93 LIBERATOR and we are including it later in this writing at the point where Commander Hatonn indicates to insert it.}

6. If Auschwitz wasn't a "death camp", what was its true purpose?

It was a large-scale manufacturing complex. Synthetic rubber (Buna) was made there, and its inmates were used as a workforce. The Buna process was used in

the U.S. during WW II.

7. Who set up the first concentration camps, and where and when?

The first use of concentration camps in the western world was apparently in America during the Revolutionary War. The British interned thousands of Americans, many of whom died of disease and beatings. Andrew Jackson and his brother—who died—were two. Later the British set up concentration camps in South Africa to hold Dutch women and children during their conquest of that country (The Boer War). Tens of thousands died in these hell-holes, which were far worse than any German concentration camp of WW II.

8. How did German concentration camps differ from American relocation camps which interned Japanese and German-Americans during WW II?

Except for the name, the only significant difference was that the Germans interned persons on a basis of being a real or suspected security threat to the German war effort whereas the Americans interned persons on the basis of race alone.

9. Why did the Germans intern Jews in concentration camps?

Because the Germans considered Jews a direct threat to their national sovereignty and survival, and because Jews were overwhelmingly represented in communist subversion. However, all suspected security risks—not only Jews—were in danger of internment. The "Jews" actually **"declared war"** against the Germans as well.

10. What extensive measure did world Jewry undertake against Germany as early as 1933?

An international boycott of German goods.

11. Did the Jews of the world "declare war on Germany"?

Yes. The world media carried the headlines, **"Judea Declares War on Germany."**

12. Was this before or after the ru-

mors of the "death camps" began?

Nearly six years before. Judea declared war on Germany in 1933.

13. What nation is credited with being the first to practice mass civilian bombing?

Great Britain—on 11 May 1940.

14. How many gas chambers to kill people were there at Auschwitz?

NONE.

15. How many Jews were in the areas that came to be controlled by the Germans before the war?

LESS THAN FOUR (4) MILLION!

16. If the Jews of Europe were not exterminated by the Nazis, what happened to them?

After the war the Jews of Europe were still in Europe except for perhaps 300,000 of them who had died of all causes during the war, and those who had emigrated to Israel, the United States, Argentina, Canada, etc. Most Jews who left Europe did so after, not during, the war. They are ALL accounted for.

17. How many Jews fled to deep within the Soviet Union?

Over two million. The Germans did not have access to this Jewish population.

18. How many Jews emigrated prior to the war, thus being outside of German reach?

Over a million (not including those absorbed by the USSR).

19. If Auschwitz was not an extermination camp, why did the commandant, Rudolph Hoess, confess that it was?

Time-honored methods were used to get him to tell his captors what they wanted to hear.

20. Is there any proof that torture was used by American, British and Soviet captors to force "confessions" of German officials after the war?

There is extensive evidence of torture having been used both before and during the famous Nuremberg trials—and after, in the case of other war crimes trials.

21. How does the "Holocaust" story

BENEFIT THE JEWS TODAY?

*It removes them from **any criticism as a group**. It provides a "common bond" with which their leaders can control them. It is instrumental in money-raising campaigns and to justify aid to Israel, totaling about \$10 BILLION PLUS per year.*

22. How does it benefit the State of Israel?

*It justifies the billions of dollars in "reparations" the State of Israel has received from West Germany (East Germany refused to pay). It is used by the Zionist/Israel lobby to control **American foreign policy toward Israel and to force American taxpayers to put up all the money Israel wants. AND THE ANNUAL ANTE IS GROWING EACH AND EVERY YEAR.***

23. How does it BENEFIT MANY CHRISTIAN CLERGYMEN?

It correlates with the Old Testament idea of Jews being the persecuted "Chosen People". It also keeps the Israeli-controlled "Holy Land" accessible to the clergy.

24. How does it benefit the Communists?

It hides the extent of their own war-mongering and atrocities before, during and after the war.

25. How does it benefit Britain?

In the same way it benefits the Soviet Union.

26. Is there any evidence that Hitler knew of a mass extermination of Jews?

No.

27. What kind of gas was used by the Nazis in concentration camps?

Zyklon-B, a hydrocyanic gas. [H: The current "POPE" actually sold much of this gas to Germany during that time period. Just an interesting side-note. That was his business.]

28. For what purpose was, and is, this gas manufactured?

For the extermination of the typhus-bearing louse. It is used to fumigate clothing and quarters. It is readily available today.

29. Why did they use this instead of a gas more suitable for mass extermina-

tion?

If the Nazis had intended to use gas to exterminate people, far more efficient gases were available. Zyklon-B is very inefficient except when used as a fumigation agent.

30. How long does it take to fully ventilate an area fumigated by Zyklon-B?

About 20 hours. The whole procedure is extremely involved and technical. Gas masks have to be used and well-trained technicians only are employed.

31. Auschwitz commandant Hoess said that his men would enter the gas chamber ten minutes after the Jews had died and remove them. How do you explain this?

It can't be explained because if they had done this they would have suffered the same fate as the previous occupants.

32. Hoess said in his confession his men would smoke cigarettes as they pulled the dead Jews out of the gas chambers ten minutes after gassing. Isn't Zyklon-B explosive?

Highly so. The Hoess confession is obviously false.

33. What was the exact procedure the Nazis allegedly used to exterminate Jews?

The stories range from dropping the gas canisters into a crowded room from a hole in the ceiling to piping it through shower heads. "Millions" of Jews are alleged to have been killed in this manner.

34. How could such a mass program have been kept secret from Jews who were scheduled for extermination?

It couldn't have been kept secret. The fact is that there was no such mass-gassing anywhere. The rumors of such came from strictly Jewish sources as tales.

35. If Jews scheduled for execution knew the fate in store for them, why did they go to their death without fight or protest?

They didn't fight or protest simply because there was no intention to kill them. They were simply interned and forced to work.

36. About how many Jews died in the concentration camps?

About 300,000.

37. How did they die?

Mainly from recurring typhus epidemics that ravaged war-torn Europe during the period. Also from starvation and lack of medical attention toward the end of the war when virtually all road and rail transportation had been bombed out by the Allies.

38. What is typhus?

The disease always appears when many people are jammed together for long periods without bathing. It is carried by lice which infest hair and clothes. Armies and navies have traditionally required short haircuts on their men because of the danger of typhus. Ironically, if the Germans had used more Zyklon-B, more Jews might have survived life in the concentration camps.

39. What is the difference if six million or 300,000 Jews died during this awesome period?

5,700,000 at least, as every subsequent year the Jews raise the number of deaths. Contrary to holocaust propaganda—there was no deliberate attempt to exterminate anyone.

40. Many Jewish survivors of the "death camps" say they saw bodies being piled up in pits and burned. How much gasoline would have to be used to perform this?

A great deal more than the Germans had access to as there was a substantial fuel shortage at that time.

41. Can bodies be burned in pits?

No, it is impossible for human bodies to be totally consumed by flames in this manner as not enough heat can be generated in open pits.

42. "Holocaust" authors claim that the Nazis were able to cremate bodies in about 10 minutes. How long does it take to incinerate a body according to professional cremator operators?

About 2 hours.

43. Why did the concentration camps have crematory ovens?

To dispose efficiently and sanitarily of the corpses created by the typhus epidemics.

44. Given a 100% duty cycle of all the crematoria in all the camps in German-controlled territory, what is the maximum number of corpses it would have been possible to incinerate during the

entire period such cremators were in operation?

About 430,600.

45. Can a crematory oven be operated 100% of the time?

No, 50% of the time is a generous estimate (12 hours per day.) Cremator ovens have to be cleaned thoroughly and regularly when in heavy operation.

46. How much ash is left from a cremated corpse?

After the bone is ground down, about a shoebox-full.

47. If six million people had been incinerated by the Nazis, what happened to the ashes?

That remains to be explained. Six million bodies would produce literally tons upon tons of ashes. Yet there is no evidence of any large depositories such as ash.

48. Do Allied wartime photos of Auschwitz (during the period when the "gas chambers" and crematoria were supposed to be in full operation) reveal gas chambers?

No. In fact, these photographs do not even reveal a trace of the enormous amounts of smoke which were supposedly constantly over the camp. Nor do they evidence the "open pits" in which bodies were allegedly burned.

49. What was the main provision of the German "Nuremberg Laws" of 1935?

Laws against intermarriage and sexual relations between Germans and Jews similar to laws existing in Israel today.

50. Were there any American precedents for the Nuremberg Laws?

Many states in the U.S.A. had laws preventing intermarriage and sexual relations between persons of different races long before the Nazis.

51. What did the International Red Cross have to report with regard to the "Holocaust" question?

A report on the visit of an IRC delegate to Auschwitz in September 1944, pointed out that internees were permitted to receive packages and that rumors of gas chambers could not be verified.

52. What was the role of the Vatican during the time the six million Jews

were alleged to have been exterminated?

If there had been an extermination plan, the Vatican would most certainly have been in a position to know. But since there was none, the Vatican had no reason to speak out against it.

53. What evidence is there that Hitler knew of the ongoing Jewish extermination?

None.

54. Did the Nazis and the Zionists collaborate?

Yes. Both groups were interested in removing the Jews from Europe and maintained friendly relations throughout the war.

55. What caused Anne Frank's death just several weeks before the end of the war?

Typhus.

56. Is the Anne Frank Diary genuine?

No, the evidence compiled by Ditleb Felderer of Sweden and Dr. Robert Faurisson of France proves conclusively that the famous diary is a literary hoax.

57. What about the numerous photographs and footage taken in the German concentration camps showing piles of emaciated corpses? Are these fake?

Photographs can be faked, yes. But it is far easier merely to add a caption or comment to a photo or a piece of footage that does not tell the truth about what that photo or film actually shows. Does a pile of emaciated corpses mean that these people were "gassed" or deliberately starved to death? Or could this mean that these people were victims of a raging typhus epidemic or starved due to the lack of food in the camps toward the end of the war? Pictures of piles of German women and children killed in Allied bombing raids have been passed off as dead Jews.

58. Who originated the term, "Genocide"?

Raphael Lemkin, a Polish Jew, in a book which appeared in 1944.

59. Were films such as Holocaust and The Winds of War documentary films?

No, the films do not claim to be history. Unfortunately, all too many people have taken them to be accurate representations

of history as it really happened.

60. About how many books have been published which refute some aspect of the standard claims made about the "Holocaust"?

At least 60. More are in process of production.

61. What happened when a historical institute offered \$50,000 to anyone who could prove that Jews were gassed at Auschwitz?

No proof was submitted as claim on the reward, but the institute was sued for \$17 million by a "Holocaust" survivor who claims the reward offer caused him to lose sleep, caused his business to suffer, and represented "injurious denial of established fact". [H: "Established" fact? Is not a fact a fact—what is this "established fact"? Have to keep your eyes open, sleepy-heads!]

62. What about the claim that those who question the "Holocaust" are anti-Semitic or neo-Nazi?

This is a smear designed to draw attention away from facts and honest arguments. Scholars who refute "Holocaust" claims are of all persuasions—Democrats, Republicans, Libertarians, Socialists, Christians, Jews, etc. There is no correlation between "Holocaust" refutation and anti-Semitism or neo-Nazism. As a matter of fact, there are increasing numbers of Jewish scholars who openly admit that evidence for the "Holocaust" is severely lacking.

63. What has happened to the historians who have questioned the "Holocaust" material.

They have been subject to smear campaigns, loss of academic positions, loss of pensions, destruction of their property and physical violence.

64. Has the Institute for Historical Review suffered any retaliation for its efforts to uphold the right of freedom of speech and academic freedom?

The IHR has been bombed three times and picketed twice, with demonstrators from the Jewish Defense League flying the Israeli flag and shouting death threats. Death threats by telephone are virtually a daily occurrence. All newspaper coverage is hostile if there is any coverage at all.

65. Why is there so little publicity for your point of view?

Because for political reasons the Estab-

lishment does not want any in-depth discussion about the facts surrounding the "Jewish Holocaust" myth.

66. Where can I get more information about the "other side" of the "Holocaust" story as well as facts concerning other areas of WWII historical revisionism?

The Institute for Historical Review, P.O. Box 1306, Torrance, Calif. 90505 carries a wide variety of books, cassette and video tapes on significant historical subjects.

END OF QUOTING

Or, you can stay tuned to the *LIBERATOR* and get the appropriate *JOURNALS*. We are not in the business of "ripping" anything or anyone—but when my Scribe is losing her home to these set-up systems, I find my own self irritated. QUOTING:

PERSONAL... FROM THE EDITOR
(Spotlight, Jan. 11, 1993)

For years, we have been accused of not believing in the "holocaust", which has become the equivalent of a state religion in American society and in most countries in the West. You can question everything else—in fact, you are encouraged to when it comes to morality or Christianity or patriotism—and courageous defenders of "free speech" will line up behind your right to peddle pornography, defame Christians or burn the flag.

But if you question the validity of the accepted version of history concerning the alleged murder of 6 million people in Germany in World War II, you will be cast out of society, those "free speech" defenders will line up to shut you up or destroy you,

and in many countries you can be slapped in jail.

But now things are different. In this issue we report on the admission by Dr. Franciszek Piper, senior curator and director of archives at the Auschwitz State Museum, that the gas chambers displayed to visitors and in which it is claimed that 4.1 million people perished are **fakes, built AFTER THE WAR.**

Even those associated with the museum at Auschwitz no longer claim the 4.1 million figure; they revised it downward to 1.1 million....but even that figure is wrong....

END OF QUOTING

I am going to publish this because my scribe has been tormented, terrorized, ridiculed and attacked by the ADL, labeled a heretic, anti-Semite and even had our writings entered AGAINST her as "preposterous and lies" in a court case—regarding residency rights to her home. **WE HAVE NEVER SAID THERE WAS NO HOLOCAUST—WE HAVE SAID OVER AND OVER AGAIN THAT THE RECOGNIZED "JEWS" OF TODAY ARE ACTUALLY ZIONIST KHAZARIANS AND THAT THE HOLOCAUST "DID NOT HAPPEN AS THE ORTHODOX STORY IS PRESENTED AND THAT THERE WERE NOT EVEN 6 MILLION JEWS PRESENT IN THE AREA AT THE TIME!"**

I write this in "her" honor for the assaults are painful and have been unceasingly battering but I want her to always remember that in our work—AS WITH ALL THINGS—**TRUTH WILL OUT!** It often takes long—even unto the ending of a planet's cycles for all Truth to come forth—but God sees to the evolvment of Truth before all is lost to darkness.

I ask that **ALL** note this statement: Judge Jason Brent (who summarily ruled against Ekkers in a court of law) called them flakes, deadbeats, and other names (in front of many witness in the courtroom—but then "lost" the tapes bearing the statements) also held a news conference and in the Bakersfield paper called the writings preposterous, neo-nazi in content among other accusations. This was published in a major newspaper. **JUST HOW CAN A PERSON FIND JUSTICE IN A COURT JUDICIAL SYSTEM THAT PRONOUNCES EXECUTION BASED ON SUCH BIGOTRY? THIS SAME PAPERWORK AND BACK-CHAMBERS COLLUSION HAS FOLLOWED EVERY STEP OF THIS CASE THROUGH ALL THE COURTS AND THESE PEOPLE HAVE LIVED IN PURE "HELL" FOR NEARLY**

FIVE YEARS! I OWE DHARMA THIS DEDICATION BECAUSE WORKING FOR ME HAS NOT BEEN AN EASY FUN-AND-GAMES TASK. THANK YOU, FRIEND, FOR NOT TURNING AWAY FROM ME THOUGH THE VALLEY OF SHADOWS WAS WIDE AND DEEP. SALU

You will note that basically the "Soviets" perpetuated the "story" of Auschwitz—interestingly enough. Could it be now the "payoff" to "get the Jews" after sucking them into the trap? The Soviets despise the Bolshevik Zionists and it is "they" and not the "Judaists" that are the point of this revelation to humanity. It is the Soviet Khazarian "Communists" (Socialists) who also are in control of America—so it is a good opportunity for a few of you sleeping Americans and World to WAKE UP AND SMELL THE COFFEE AND TOAST! YOU HAVE BEEN "HAD"—AGAIN!

QUOTING

MAJOR HISTORICAL FACT UNCOVERED

SHOCKING AUSCHWITZ TESTIMONY

What was the most important historical event of 1992? Don't answer until you've read this story. (Exclusive to the Spotlight, by P. Samuel Foner)

The director of Auschwitz has been filmed on videotape admitting that the so-called gas chamber there was constructed after the war.

In the dramatic and unprecedented filmed interview, Dr. Franciszek Piper, senior curator and director of archives at the Auschwitz State Museum, admits on camera that "Krema I", the alleged "homicidal gas chamber" shown off to hundreds of thousands of tourists every year at the Auschwitz main camp, is, in fact, a reconstruction, fabricated after the war by the Soviet Union—apparently on the direct orders of dictator Josef Stalin.

What Piper said, in effect—and on camera—was that the explosive *Leuchter Report* was correct: No homicidal gassings took place in the building designated "homicidal gas chambers" at Auschwitz.

Ironically, for someone to even suggest such a thing could bring a jail sentence in more than one country—including enlightened nations like France, Canada and Germany. (Just ask Ernst Zundel. But more about him later.)

'FACTS' ARE LIES

With this admission by none other than the responsible head of the Auschwitz State Museum, one of the most sacred "facts" of history has been destroyed. It is the major

historical "fact" on which the foreign and domestic policies of all of the Western nations since World War II are based.

It is the basis for the \$100 billion in foreign aid the United States has poured into the state of Israel since its inception in 1948—amounting to \$16,500 for every man, woman and child in the Jewish state and billions more paid by (West) Germany in "reparations"—not to mention the constructing of Israel's national telephone, electrical and rail systems, gifts of the German people. It is the basis for the \$10 billion "loan" (read "gift") made to Israel for housing immigrants in occupied territories, while Americans sleep on streets and businesses are bankrupted by the thousands.

Germany is paying "reparations"—and the United States is making major contributions—to atone for the "gassings at Auschwitz" and elsewhere. If the "homicidal gas chambers" were postwar creations, in which no one was gassed regardless of race, creed, color or country of national origin, then these "reparations" were unnecessary, and were based on fraud.

The videotape on which Piper makes his revelations was taken in mid-1992 by a young Jewish investigator, David Cole. It has just been released, on January 1, 1993, although Cole announced his project at the 11th International Revisionist Conference at Irvine, California last October.

Cole's production follows 12 years of intensive investigation by dozens of historians, journalists and scientists who have tried to get to the bottom of what really happened at Auschwitz.

In 1979, the Institute for Historical Review (IHR) was founded which coordinated these investigations in an effort to "bring history into accord with the facts." **[H: Be sure, readers, that certainly there is great DENIAL and denouncements and cries of anti-Semitism and on and on—just as with the Zionist Protocols which are also claimed to be false but are the very PLAN ITSELF!]** Since then the IHR has published dozens of papers and books, none of which has ever been refuted, concerning various aspects of the "holocaust".

A major aspect that has been investigated concerns the gas chamber theory, and the biggest and the busiest gas chamber was supposedly at Auschwitz.

The activities of the IHR have been so controversial that on the night of July 4, 1984, after two years of harassment and vandalism, it was burnt to the ground by Israeli agents. Miraculously it was able to continue operations after some months of inactivity.

INSTRUCTED FROM YOUTH

Like most Americans, since his youth, Cole had been instructed in the "irrefut-

able fact" that homicidal gassings had taken place at Auschwitz. The number of those so executed—also declared irrefutable—was 4.1 million.

Then came the *Leuchter Report* in 1988. This was followed by a "reevaluation" of the total deaths at Auschwitz (down to 1.1 million). As a budding historian—and a Jew—Cole was intrigued.

Previous to 1992, anyone who publicly doubted the 4.1 million "gassing" deaths at Auschwitz was labeled an anti-Semite, neo-Nazi skinhead (at the very least). Quietly, because of revisionist findings, the official figure was lowered to 1.1 million. No mention of that missing 3 million.

In 1988, Ernst Zundel was put on trial in Canada for "publishing false news". He wrote a book which questioned the legitimacy of the Auschwitz gas chamber.

Helping with the defense were internationally known historians including Robert Faurisson, David Irving and Mark Weber.

Zundel went looking for an expert on executions, particularly gassings. He found Leuchter, who specializes in the design and fabrication of execution hardware used in prisons throughout the United States. Leuchter was commissioned to visit Poland and conduct a scientific examination of the so-called homicidal gas chambers.

On February 25, 1988, Leuchter left for Poland together with his wife Carolyn, his draftsman Howard Miller, cinematographer Jurgen Neumann and Polish interpreter Theodor Rudolph. They returned on March 3. Then he wrote his controversial report.

NO GAS CHAMBERS

His conclusions were clear: The evidence was overwhelming that there were no execution gas chambers at Auschwitz, Birkenau and Majdanek and that the alleged gas chambers at these sites could not have been, then or now, utilized or seriously considered to function as execution gas chambers.

In the words of Dr. Wilhelm Staglih, another internationally known historian, "the extermination thesis stands or falls with the allegation that Auschwitz was a 'death factory'."

Leuchter says: "The purpose [of the investigation and subsequent report] does not include a determination of any numbers of persons who died or were killed by means other than gassing or as to whether an actual Holocaust occurred. It, further, is not the intent of this author to redefine Holocaust in historical terms, but simply to supply scientific evidence and information obtained at the actual sites and to render an opinion based on all available scientific, engineering and quantitative data as to the purpose and usages of the alleged execution gas chambers and crematory facilities

at the investigated locations."

With this in mind, Cole took his video equipment to Auschwitz and interviewed official personnel there. Piper was the most important of these interviewees. Following his comment that the "homicidal gas chambers" were fabrications, Piper reveals, on camera, how walls were knocked down, holes made in the ceiling and "Zyklon B induction chimneys" installed on the roof so that the building could be exhibited to tourists from all over the world as a proof of the "final solution".

And Piper doesn't stop there. He describes other "proofs" of the "final solution", which are also "reconstructions". He discusses the routine use of Zyklon B to delouse buildings and the personal effects of the internees, and he admits, on camera, that the *Leuchter Report's* findings concerning Zyklon B residues in the alleged gas chambers at Auschwitz are right.

PARADOXICAL BELIEFS

He then, paradoxically, affirms his belief, not only in homicidal "gassing chambers", but also in the "human soap" tales and the stories about "human skin" lampshades, both of which allegations long ago have been totally debunked.

And the revelations go on. In the video, you tour Auschwitz with Cole and hear him being told that the main camp "gas chamber" (Krema I) is in its "original state". You will see the undaunted Cole ask so many questions about the obviously ridiculous nature of this "gas chamber" that the guide feels it necessary to call her supervisor over to answer the young historian.

Cole says: *When I went to Europe in the autumn of 1992 to conduct my own investigation of the sites of the alleged "gassings" of Jews during World War II, two ideas were paramount in my mind.*

The first was that the trip be recorded on videotape so that, rather than bringing back a bunch of colorful anecdotes to bore my friends, I would bring back an objective record of what I found. What I expected to be a great learning experience for me could be one for others too. My discoveries could become your discoveries. Hopefully, I would ask the questions that you would ask if you were to make the journey yourself.

The second idea was that I would go as a Jew. No two peoples have been affected more by the Holocaust story than the Germans and the Jews. We know how difficult it has been for Germans themselves to expose the deceptions of the Holocaust Lobby. Germans are forbidden by law, in their own country, to state publicly that they do not believe in the orthodox gas chamber stories; forbidden from discussing their own history.

Jewish organizations have decided that they must have a monopoly on the Holocaust

issue. I reasoned that if I went to Auschwitz as a Jew rather than as a "revisionist", that I would have a better chance to cut through the misinformation and lies that so distort what really happened in the German camps during the war.

Perhaps, I thought, if I were to approach the Auschwitz officials as a Jew, my pointed questions, tactfully put, would be interpreted not as the debunking questions of a revisionist, but rather the sincere questions of a righteous Jew wanting to get the real facts to answer those back home who say there were no gas chambers.

(I remember at one point standing in Krema and telling the supervisor of guides at Auschwitz that "You must tell me the whole truth so that when I get back home I can speak with authority against those who say 'all this' never happened.") So, donning my yarmulke, and not letting anybody in Poland know where my sympathies were, I began my journey.

The Cole videotape proves that the people who run the Auschwitz State Museum had made a practice of fabricating "proofs" of homicidal gassings. Keep in mind that, over the years, millions of tourists have been told that Krema I is in its original state, while the officials knew that this "original state" is a lie.

The political, religious, financial and historical ramifications of this proof of no gas chambers at Auschwitz cannot be measured. Coupled with the *Leuchter Report*, the Cole videotape proves that what every Western government has taught since World War II is a lie. It proves that what televangelists such as Jerry Falwell and Pat Robertson have been telling their flocks is simply not true.

No one, regardless of race, creed, color or country of national origin, was gassed to death in any building so designated at Auschwitz. And without "homicidal gas chambers" at Auschwitz, where is the reasoning for the special treatment afforded the secular state of Israel?

!!!!!!!

END OF QUOTING

So, readers, do you think this will make headlines on *Larry King Live*? How about CNN? Do you think the Jewish-controlled Israel First media will headline the truth?? Oh, well, do you think the Administration who has given Israel BILLIONS UPON BILLIONS of dollars will admit that there is error? Come, come—how many years did it take for the Catholic Church to recognize the TRUTH OF GALILEO that the Earth revolves around the Sun, and not the other way around? (Only within the last couple of months!!)

So, what will YOU do with TRUTH? I

wonder?!

David Cole's video is on VHS for \$49; available from Liberty Library, 300 Independence Ave. SE, Washington, D.C. 20003. The *Leuchter Report*, \$20, from IHR, P.O. Box 2739, Newport Beach, CA 92659. And, no, these ones here do not have a copy of either!

(continued)

Then, allow us to present a few facts regarding the "Jews" as they have falsely labelled themselves, these Khazarian Zionists!

CRIMES BY THE "JEWS" NOT REPORTED BY THE NEWS WE MIGHT ADD...

I request, again, that the information given be simply "quoted" for I do not want to be THE issue at point in this sharing of information.

QUOTING:

Our "uncensored" news media forgot to tell you a thing or two about those war criminals they love to worship...Jewish war criminals and Jewish war crimes. The MEDIA image:

The Jews say, *"We love everyone...we believe in peace, equality, tolerance and love for all mankind. Let all men come together as brothers and sisters—let us love one another as our prophets and sages have told us...the world needs more brotherhood and love and peace...we must all combat BIGOTRY, HATE and RACISM!"*

THE REALITY

[H: Well, I guess the first place to look is outside Lebanon at some 400 Palestinians expelled and held without resources or place to go—in subfreezing weather, without food supplies or services and refused any help from outside sources. Every day you can look somewhere around the world to find a dozen or more current incidents which dispute the truth of what they SAY.]

LITERALLY, "Tob Shebe-goyyim harog." Goyim means Gentile (non-Jew). This is the slogan of Zionism and was uttered by their most revered "prophet and sage", Rabbi Simon ben Yohai, whose grave in Israel is a national shrine. The accuracy of this quotation is verified in the article titled "Gentiles" in the 1907 edition of the *Jewish Encyclopedia*, published by Funk and Wagnalls; Isidore Singer, general editor.

The going phrase and battle cry is that "even the best of the Goyim (Gentiles) should be KILLED."

The genocidal and racist mentality of the modern Jew is often evident as well...for example, in 1986, Israeli Army Chief Chaplain Shmuel Derlich issued an order to the Jewish Army to **exterminate ALL GERMAN TO THE LAST MAN, WOMAN AND CHILD.** (The *National Magazine*, Aug. 16, 1986, p. 103. For further testimony about Jewish hatred and racism toward non-Jews also see Jewess Evelyn Kaye's testimony in the book, *The Hole In The Sheet*.)

After the Israeli invasion of Lebanon the Israeli Air Force indiscriminately bombed clearly marked schools and hospitals. Researcher Alexander Cockburn states that Israeli forces have been responsible for 200,000 deaths since 1948 (*The Nation* magazine, June 23, 1984, p.754). Yet there is virtually no move in America to cut off U.S. taxpayer support of this carnage. Americans have armed and bankrolled this Zionist murder-spree for more than forty years. (For graphic documentation of the Israeli Air Force Holocaust against Lebanon see the tightly-suppressed book, *God Cried* by Tony Clifton, Quartet Books, 1983; also *Village Voice*, Feb. 14, 1984 for documentation on the censorship of this book.)

America has become a haunted house, where concern for the Jewish ghosts of the 1930s and 40s is infinitely greater than concern for the welfare of flesh and blood humanity suffering and dying in Palestine at the present time.

The media-induced fixation with only one war, one war crime and one nation of supposed war criminals has served as a handy focus for attention away from Jewish murders not only of the present but also of the past.

The early Communist leadership in Russia consisted of hundreds of Jews like Leon Trotsky, Moses Uritsky, Apfelbaum (Zionview) and the half-Jew, Lenin. They made up the highest ranks of the secret police and Red army. These Jewish Communists hated the Christian people of Russia and ordered the murder of tens of thousands of them. The very first law ever promulgated in the official Communist newspaper *Izvestia*, July 27, 1918, made opposition to Jews a crime punishable by DEATH. Apfelbaum wrote in *Krasnaya Gazeta*, Aug. 31, 1918, demanding that an ocean of blood wash over the Christian people of Russia. "Let there be 'floods of blood'...more blood! as much as possible." The Gulag Death Camps were devised by a Turkish Jew, Naftaly Frenkel (see Solzhenitsyn, *Gulag Archipelago*, vol.1). There has never been a single movie on TV showing the atrocities Jews committed against the Christian people of Eastern Europe but there have been over 500 movies made about "what the Nazis did..." No Jewish-Communist war criminal has ever been prosecuted or sought for the mass murder of Christians.

If there was an authentic "Holocaust" in World War II, it was the burning alive of approximately **one-half million German women, children and other civilians in deliberate allied Air Force Firebombings of the civilian quarters of every major city.** In Dresden, Germany, a medieval city of no military significance, British and U.S. bombers intentionally burned alive tens of thousands of Germans on orders of Winston Churchill and with the approval of Roosevelt. The agony, horror and screams of these innocent German women and children are not heard on our T.V. sets. The war criminals who perpetrated this mass murder are not sought, or prosecuted.

[H: Oh, indeed this is truth. As a matter of fact it was worse than projected here. There was a deliberately calculated plan ordered studied by Churchill which recognized that if 65% of all homes and families were wiped out—the war would be won. It was done—and it was won!]

NOTES

It is noted, the absurdity of Judeo-Christian beliefs about the ancient Israelites, not the authentic Covenant people themselves. The false doctrine of "Judeo-Christianity" (an oxymoron), that Khazars from Poland are genetic descendants of Abraham and the people of the Exodus is a racist hoax for which the Palestinians have suffered greatly. (1) *Jeremiah* 7:31. The Bible records the Jewish predilection for flaming sacrifice, yet in "Holocaust" tales

these traits are mendaciously projected onto the Germans in the various, outlandish "tossed into the oven" stories. For a particularly egregious example of this cf. *Canadian Jewish News*, Sept. 28, 1989, p. 12. (2) *NYTimes*, Sept. 19, 1988, p. B-3. END OF QUOTING

By the way, if you want some listings of suppressed books and tapes, contact WISWELL RUFFIN HOUSE, Dresden, N.Y. 14441-0236. You are going to find, Readers, that these very people are "Jews". As always, the "genuine" article is the first to be destroyed and you had best hold that uppermost in your thoughts!

Thank you for a long morning. I realize the subject is not selected for your comfort or mental-ease—but this may well be the last and only true **voice of the people** remaining. How long can it stay in print? It remains to yet be seen. Certainly with the assault on the JOURNALS it gets more and more frightening as to probabilities for, when our OWN do us in, it is indeed hard to continue. Let us always just do the very best we can and release it unto GOD for HE HAS A PLAN ALSO—AND REMEMBER—HE WINS!

SALU, Hatonn to clear.

Slick Willie's REAL Agenda

2/1/93 #1 HATONN

HOPE

Hope is that wondrous commodity which allows you to vision, hold that vision—AND WORK LIKE HELL!

How much "hope" do you have today as you watch the Clinton Administration dash every campaign promise to bits and pieces and set up the "Kingdom" with you as the slaves? The old folks are now quite expendable and watch carefully that which is

planned: Social Security CUTS and removal of Cost of Living increases, more taxes on that Social Security and from the MIDDLE CLASS, disenfranchisement of ones in business who speak in public, even in jest, about others who are "socially" annoyed, homosexuals demanding physical sexual acceptance in the same bathrooms as your fighting men, and on and on. He is now meeting with State's Governors to cause them to work more closely with the Federal Order Givers to lessen even the States' rights and sovereign Constitutional service. When do YOU

have ENOUGH ALREADY?

Hillary is cutely recognized as your "new President" and will make policy—in of all things, your health services, the very area which can destroy you.

VACCINATIONS AND INOCULATIONS

Now, the promise is, at whatever the cost, to vaccinate and inoculate EVERY child in the nation—whether YOU like of it or do not. It is already openly stated that such will not help for the NEW attacking viruses and diseases ARE NOT AFFECTED BY IMMUNIZATION. So, America, WHAT COULD THEY BE DOING?

I certainly suggest you beef up your studies. Get the JOURNALS that deal with this subject and/or get the numerous books about it such as *MEDICAL HERETIC, MURDER BY INJECTION, A HIGHER FORM OF KILLING, WAITING FOR AN ARMY TO DIE, SOME CALL IT "AIDS"—I CALL IT MURDER, THE STRECKER MATERIAL, THE POISONED NEEDLE*, and a dozen or so others. I did your research for you, but how you get your material is up to you—BUT GET IT!

Next, they are promising you that AIDS will not find "cure" for several YEARS! while the increase in cases is running rampant.

BAD BLOOD

How many of you have seen the program offered on your Public Broadcasting System regarding *BAD BLOOD--THE TUSKEGEE SYPHILIS EXPERIMENT*? We have also written about that "study" in which hundreds of Georgia black people were sentenced to death from Syphilis (after treatment was readily available) by a "study" which deliberately withheld, by law, treatment. This study went on for over 40 years while these people DIED and were autopsied. This was America, ladies and gentlemen—Georgia, U.S.A.—Starting in 1932 and running right through today as only two or three of the study remain alive.

Results of that "study" ran right into AIDS because many of the forms taken by AIDS are simply tertiary Syphilis and COULD BE EASILY TREATED! You can get adequately informed if you get nothing more than the series of *PHOENIX JOURNALS*—but you had best get informed SOMEWHERE.

TODAY

This day, announced on the news as some wondrous step forward, are women who are participating in a "controlled study" wherein they are cancer positive and yet half will receive a test drug and half will receive "sugar" pills. What happens to the half who get swackered by the "sugar"?

Does this sound like a Nazi concentration camp trick? Yep—but it is right in downtown, anywhere, U.S.A.

But WHAT CAN YOU DO? Well, for starters—if I were you—I would get myself some Gaiandriana [see next-to-last pages for ordering information], Aquagaia [not yet available] and effort to build my own immune system to fend off these attackers. YOU ARE A GLOBE ON "DEATH ROW"—THE ONLY QUESTION IS "HOW" THE EXECUTION WILL BE DONE.

INCORRECT SPEECH

I am not a bigot nor even a half-way judge. But, you have a woman who owns a Baseball team who is now going to be suspended for calling slur references to the Black race. Since the "black" race provides her livelihood—I doubt she is much of a bigot—BUT, freedom of speech and your First Amendment rights to speak are going to fold right here. I DO NOT advocate careless (or intentional) slurs—but I do advocate, in a free nation—the right to speak, even if deliberate. If your moral codes are strong enough—the public will punish the bigots—but that is NOT the point. The point is to control ALL OF YOU—ALL OF THE TIME! How many of you have told tasteless jokes? I believe every President has

come under fire for that one. Well, now they can confiscate your business if you slip the lip—but ONLY if you slip regarding a very limited, very select minority! Again, the BLACKS ARE SORELY USED TO GAIN ENDS FOR ANOTHER GROUP HIDING BEHIND THE CHARADE.

It is more than THAT, however; what is bringing her down is the Nazi arm emblem in her drawer at home. A token from the war given to her from a military person of that era. **You see, the Khazarian Zionists are behind it all AFTER ALL!** It goes right along with the disallowance to speak against the orthodox LIES of the holocaust as dreamed up by the Elite brokers of freedom.

YOU ARE "HAD"

You are headed for the pits, citizens. You are headed directly for compulsory medical care under the "welfare state" and it won't matter a whit what YOU WANT. The bindings are coming down right now.

How many of you noticed how refreshed the mob looked coming back from Camp David after renewal? Then on back to something really important in this daily drag—a Super-Bowl party at the White House. The Puppet Kings are having a ball at your expense and you bend and bow while they dismember you. So be it.

Look With Knowledge And You Shall See!

2/3/93 #1 HATONN

Even though our days are overfilled, I must bring to your attention some things which I fear you may well miss. I am trustful that the phones are being changed for your attention information, but Dharma has no time to see to it.

Update on Ekker property: Due for eviction at midnight Sunday/Monday. Judges are all, thus far, ruling "summarily" against them without investigation or hearing—one after another. There are still some negotiations to be followed with an unknown outcome. Chelas, it is simply all coming down around you even as we speak.

**ECONOMY AND CLINTON
ADMINISTRATION**

Note the proposal of over \$30 BILLION into a plan for building "jobs" and getting people off welfare. Not such a bad idea except the money will come from more

"debt" incurred through central bank loans. This alone will swamp the nation for there is no intent to make jobs OR get people off welfare—the entire thrust is to have EVERYONE ON WELFARE for total CONTROL of the populace.

STOCK MARKET

Watch carefully—it is moving up into "record making" territory. Nothing has changed in the New World Order intent and 3500 is still a number to watch on the market averages. Cash is already being exchanged out and by the mouths of the politicians at Clinton's right hand there are the statements being made about "necessary new currency" and exchanges "if recovery is to be gained."

The plan to slice Social Security benefits, taxation in pension plans, etc., is hot on the stove and beginning to boil. The problem is that so many pension plans are bankrupt as to be another sham cover-up.

VOLCANOS

It appears that there will be a massive eruption planned within the next few days. Hold your hats, little ones, and watch every "happening". It is planned, actually, to have the active volcanos in that place ALL erupt before the evilmongers are through. It isn't just Mayon or Pinatubo or Taal, there is also Canilaon, Bulusan and others even longer silent.

Now, what could a blue arc light, a satellite launch simultaneously from Florida and volcanic eruptions have in common? EVERYTHING.

LET'S LOOK AT THE "METEORITE" OF LAST NIGHT

That "blue arc across the sky" could NOT be a meteorite. Remember the lessons we have given you. Anything entering the atmosphere at great speed creates a "trail" and it will be orange in color. Blue LIGHT indicates light beams and/or above-atmosphere vehicles or satellites. To have an "arc" across the whole hemisphere can only be a created "thing" because even rapidly moving "Light" will not arc for the entire distance. Only pulsed phaser or particle beam lasers will create a total archway of visible light. Now, also note that there were reported loud, loud explosions also. That indicates a most rapidly traveling LIGHT BEAM that can be totally controlled and create great damage from both sonic booms, frequency detonations of devices if desired, along its path, and/or have a long-distance capability to detonate earthquakes and volcanos with pinpoint accuracy. You can either move into the age of technology in which you are experiencing or you can continue your denial—but either way—that technology is knocking on your very coffin.

FEDS AND BONDS

Ah, the next thing to watch and act accordingly is the move of the Feds into "bonds" of short term lesser value to offset the igmas from the dohinky. What this will do is raise interest rates and make home payments based on increases go out-of-sight. Does this sound like "recovery" to you who can barely make your payments now and are in grossly unsteady job positions? So, this brings us to the Resolution Trust Corporation who ends up with all that delinquent property—LIKE "YOURS"!

NEW RTC—BANKRUPTCY OF THE OLD ONE

The current RTC (Resolution Trust Corporation) is "inefficient"—and also bankrupt from total mismanagement, incredible legal fees and the most valuable prop-

erties have been scarfed off by the Elite confiscators—so, the Congress is going to make this one go by-by and build you another bigger and worse.

Let me just share an article from the L.A. area *Daily News*, Tuesday, Feb. 2, 1993:

CONGRESSIONAL STUDY CALLS RTC INEFFICIENT, PROPOSES NEW AGENCY

Washington: A congressional report blasted the Resolution Trust Corp. on Monday for waste and inefficiency and called for a new agency to handle the sale of all failed bank and thrift assets.

In releasing the study, Rep. Bruce Vento, D-Minn, accused RTC Chief Executive Albert Casey of trying to "atrophy" the agency too quickly.

"I don't think having a celebrity, so-called leader coming out of the captains of industry who doesn't know much about real estate is the right kind of top official," Vento said of Casey, a former chairman of American Airlines.

The study, prepared for Vento by the House Banking Committee's financial institutions subcommittee, signals a battle ahead in getting more money appropriated for the RTC.

The RTC has operated without new funding to close failed thrifts for 10 months and says it needs an additional \$25 billion on top of the \$87 billion already spent. **[H: Oh gosh, and we thought all this time that it must be true when the attorneys blamed the whole mess on Ekkers' little piece of property in dispute. The legal fees alone triple all value of the property itself in this personal instance—tell you something? Plus, IF YOU SETTLE THE CASE—NO MORE LAWYERS GET PAID ON THE DEAL! OOPS! Don't you just imagine what Ekkers could do with that \$100 BILLION PLUS?]**

The new administration has yet to decide on banking and thrift policy, although President Clinton said during the campaign he wants reforms at the RTC. **[H: But—he has already announced that he will break all of those campaign promises—already has done so.]**

The chairman of the House and Senate banking committees are waiting for Clinton's lead, congressional aides said.

The agency, set up in 1989 to sell failed thrifts, has been the target of congressional attacks charging lax oversight of its 97,000 contracts, poor management and questionable sales practices.

The report said a restructuring of the RTC in 1991 failed to achieve the basic goal of fair and efficient sale of assets. "Fundamental changes have to be made," it said.

It recommended replacing the RTC with a new federal agency, which would

take over responsibility for selling off the RTC's remaining \$100 billion in failed thrift assets, plus the \$35 billion in assets now handled by the bank agency, the Federal Deposit Insurance Corp.

The FDIC has failed to prove it is any better at selling assets than the RTC, Vento said.

With about 1,000 banks still on the FDIC's problem list, the agency can expect to get many more assets from bank failures, which would better be handled by a new federal agency, he said.

Vento also said he worries that the government faces a huge liability from assets the RTC has sold with options to return bad portions.

UNLIKE THE RTC, WHICH WAS SET UP AS A TEMPORARY AGENCY EXEMPT FROM RULES REQUIRING COMPETITIVE BIDDING AND BUDGET ACCOUNTABILITY, the new agency would have to comply with all federal rules, Vento said.

END QUOTING

And, how is your day? Another "funny" thing about the Ekker property which might be of interest is the EFFICIENT way things are handled. They have done everything and anything to just stay in the property and purchase it. The RTC fully intends to put them on the street, preferably, and leave the house vacant for vandals to destroy. The facts are that in Tehachapi there are over 500 houses available for sale—total depression of real estate. RTC, in Tehachapi, is selling other properties at **ten cents on the dollar**. In addition, it is almost impossible to get a financing package or home improvement loan in the area of Tehachapi where the Ekkers reside—because of "bad water" depreciation of the entire area. In fact, there is a class action suit against the Community Services District at this very moment. **BUT, the RTC attorneys will not consider reevaluation of the property based on these items—they demand full price from the non-sale plus costs, taxes, etc. from May, 1988—IN CASH!**

So, you might ask, "Why don't they just move out and maybe even get the property back cheaper?" Because there is now a second investment in legal costs of several hundred thousand dollars, a schedule that doesn't even allow for unpacking the boxes stashed from simply exchanging a bedroom set. The property has been made to fit the needs of office work and there are aviaries of birds, wild-life feeding stations and other totally dependent items. The courts will not even allow the time to work

out a sale or an arrangement of ANY KIND. It is full price IN CASH—or EVICTION. Moreover, the resource which might be used to "prove" through a bankruptcy as to probable ability to pay rental level payments—the 67 JOURNALS—are tied up in "contempt of Federal Court Order litigation" and the remaining JOURNALS reside at America West with "stated" refusal to send any to Tehachapi. Moreover, if the delay is more than a week or so—the intent of the Federal Court petition of the opposition IS TO CLOSE AMERICA WEST PUBLISHERS AND DISTRIBUTORS. Mr. Green, in addition, is making calls to his own former "enemies" in Tehachapi in order to see what kind of a case he can legally have against Ekkers. Mind you—there has been no communication of any kind with Ekkers—Mr. Green having stated he would only speak through an attorney.

It is **very, very difficult a journey to work for God, Hosts and Nation—indeed it is!** It does, however, have its very decided assets as well!! Sometimes, though, **appearances do not reflect the true intent—it would be most nice if this is true in this instance for we would most certainly welcome a change of reflection. Just remember, Readers, "confusion" is the name of the adversary's game.** Further, Dharma allows as how it "works" because she is "certainly confused". No, chela, you are NOT—you are simply being caused to face FACTS as presented—whether intentionally perpetrated or not.

The more interesting thing is that the surprise is that there are almost eighty, and more promised, JOURNALS. The adversary NEVER THOUGHT WE COULD PULL THIS OFF IN THE FACE OF HIS PLANS. So be it—never underestimate the POWER OF GOD AT WORK FOR SUPER-HUMAN SEEMING FEATS CAN BE ACCOMPLISHED RIGHT BEFORE YOUR EYES. MAY YOU PRECIOUS LAMBS NEVER LOSE YOUR FOCUS AND ALLOW HIM TO HELP BEAR YOUR BURDENS—ASK AND YOU SHALL RECEIVE HIS HELP IF THE INTENT IS WORTHY UNTO THE PATH OF GLORY AND FREEDOM.

RIOTS IN LOS ANGELES AND AROUND THE NATION

Note the push for certain rioting in the aftermath of the now current re-trial of the police who beat Rodney King. The media is working up a FRENZY with reruns of all the battle weapons of last year's trouble. Well, consider this as one Campaign Promise not broken—Clinton said there would be problems and there certainly will be. He did not promise you a "kinder, gentler nation" and there certainly will not be such. He promised you a NEW WORLD ORDER advancement beyond that which has come before—THAT is one promise you

can depend on being kept—from Constitutional Convention to total loss of your Constitution. Your media and New World Order Protocols have produced a level of violence in your citizenry which very well may NEVER BE OVERCOME.

RESPONSE TO INQUIRIES ON T-CELLS

Before we close out these updates, let us consider Gaiandriana and T-Cell count improvement. We have many responses that utilizing the Gaiandriana [see next-to-last pages for information on this] is giving almost immediate response in numbers of T-Cells—but with the lowering of amount of intake the count will not maintain itself and falls off. This will not happen if utilized with at least 3 tablets of Gingko per day. There is a direct and immediate response to the addition of the Gingko in this arena. Ones are finding the best results come from four ounces of Gaiandriana liquid in a day followed by daily intake of one ounce per day for the following 12 days. During this two weeks period also intake 3 Gingko tablets per day. After this two weeks (13 days actually) continue with 8-10 drops of Gaiandriana under the tongue for about three minutes AND continue the 3 daily Gingko. If the T-Cell drops—do another run-through of the 4-1-1 etc. To maintain the level of T-cell improvement this is the best approach. After a while it will balance itself out if other impacts are not present. It takes a while for the body to improve and reverse its functions.

Many are claiming miraculous results—please do not do this for if there are "miracles" happening—YOU are the miracle. You are simply restructuring and

normalizing the normally functioning original cellular structure of your body.

As to your inquiries regarding the use of Gaiandriana in "Valley Fever", I would suggest the same regimen as above for you need a good immune system in any event. A specific target Gaiandriana "little friend" is being targeted for study—but a healthy immune system is the goal to achieve at any point. Valley Fever is a fungus, *Coccidioides immitis* (a cocci). Cocci are more vulnerable to destruction by our little "Pacman" gophers than are the viruses because there are no cell walls to resist passage of a countering element.

What is happening with these newly discovered and hybridized agents of disease is that they overwhelm the immune system and actually have no known countering agent (antibiotic). It is always the concomitant "disease" process which kills in AIDS—not the little lazy HIV virus. "Cure" should not be in ANY medical or even natural healing practice or even self-healing practice. ONLY THE BODY/MIND CAN HEAL OR CURE OF SELF—everything else is only a tool. Further, it has to be established that the tools do not damage as well. In the instance of Gaiandrianas—they are fully natural little cellular forms which are simply specific use tools. This does not mean they cannot be used for many jobs (i.e., a hammer or pliers) but there can be specialized pliers for different tasks—as example. If our offering makes you feel better and seems to enhance your well-being, the pleasure is ours. God bless and keep you in HIS hands for it is from HIS HANDS that these things come forth for your blessing.

Slick Willie: The Puppet With A Mean Purpose

2/4/93 #1 HATONN

NOTE FROM AUSTRALIA

"In union there is weakness, in onion there is strength"—J. Yench. So, this comes from a bulletin called *THE STATE OF THE ONION*.

"Let the people THINK THEY GOVERN and THEY WILL BE GOVERNED." — William Penn.

QUOTE from a Letter from Robert Anton Wilson to *THE STATE OF THE ONION*. It

has been sent to us for "confirmation" of our presentation regarding the Bilderbergers and Bill J.B. Clinton—your hand-picked new Puppet:

During lunch break today, I glanced over a magazine from Australia (which arrived last November, unsolicited, and went into the midden where I keep all such documents until I find time to look at them). I found a list of people seen by German reporters at last year's Bilderberger conference. All the usual and expected ones, of course—Kissinger and David Rockefeller and Queen Beatrix,

etc., etc.,—and then guess who I found? "GOV. BILL J.B. CLINTON OF ARKANSAS". Yes, indeedy—the man who suddenly "emerged" from "nowhere" with the \$150,000,000 it takes to run a Presidential campaign these days....(Source: *New Dawn*, Melbourne, Australia, November 1991, Bilderberger meeting: June 6-9, 1991.)

END OF QUOTING

Yeah, he was at the meeting. But he "didn't enjoy it" and he "didn't talk to anyone"! Surely!!

CARNEGIE FOUNDATION CONNECTION

Before we leave the subject of Elite "invaders" let us consider a little point of interest. Let us look at good old Willie and his Advisers, Staff and Cabinet. Remember that good Willie is a Rhodes Scholar (Rhodes being the Father of the New World Order Plan.) So, you will find this tidbit from the *New York Times* of 1-22-93 interesting:

"There's the Rhodes Scholar connection, the Yale connection, the Little Rock connection and now, there is also a Carnegie Foundation connection that leads right to the top of the Clinton Administration.

"The foundation, known formally as the Carnegie Corporation of New York, is losing 3 of its 17 trustees to President Clinton's Cabinet or other high posts. Warren M. Christopher, until now chairman of the foundation, is now Secretary of State; Robert E. Rubin, chairman of its finance committee, was chosen to be chairman of the National Economic Council, and Donna E. Shalala is Secretary of Health and Human Services...."

There is more to the article but this is enough. Just note that Bill Clinton of Arkansas has served on the committees of the Carnegie Foundation and specifically in a program for "Preparing American Youth for the 21st Century—including overhaul of the school system to fit the modern interpretations of social structure."

[See the article on page 18 for more on Slick Willie's "fine contribution" to the indoctrination of the most gifted of our nation's students. Like Bush, he appears destined to be another "great" Education president.]

What I REALLY find interesting about the "clipping" containing this little non-attention-getting article and tucked away at the ending of the column in an even more unobtrusive placement but more conveniently "cut-out" with the article than to snip around it is the following notice:

"LEGAL: Notice is hereby given that **Key Bank of New York, Albany, New York**, has made application to the Federal Deposit Insurance Corporation, 452 Fifth Ave., New York, New York 10018 for its written consent to acquire assets of and to assume the liability to pay deposits made in **First American Bank of New York, New York**, etc., etc., etc."

How many do you think there are in a given day across the nation? Will you ever know? Doesn't look like it! The above "little bank" is one of MANY branches of First American Bank. Interesting thing to additionally note is that the little branches are "anticipated" to continue limited operation with the exception of the home bank of "First American Bank's office at 350 Park Avenue, New York, New York". This is soon going to blossom into Any Bank, Any Town, U.S.A.!

GOOD LUCK, AMERICA AND WORLD

The article copy has been sent by Mr. Tips, Attorney at Law, because attached is a splendid dissertation of Somalian "invasion" and a second article entitled: AN ATHENAEUM... "They make a desolation, and they call it peace."

Mr. Tips is a world traveler in his studies—literally, and brilliant in his ability to recognize international travesty with great interest in "history". I thank him for the reprints and we shall effort to later share them with *LIBERATOR* readers.

nald Talbot, director of the Kern County Health Department lab. "Any other disease with this abnormal number of infections and deaths would be grabbing national attention."

While Kern County rates as the hotbed of valley fever, accounting for two-thirds of the cases and deaths statewide, the disease is also afflicting record numbers in Los Angeles, Ventura, Santa Barbara, Tulare and San Luis Obispo Counties.

Health officials say that in the siege at least 6,000 people statewide have been infected with the fungus found in the arid soils of Central and Southern California, Arizona, New Mexico and Texas. About 50 Californians have died since August 1991. A typical year sees 441 cases and six deaths statewide.

Most who take ill suffer from flu-like symptoms. But for some, the disease spreads beyond the lungs and can lead to a deadly form of meningitis. A pregnant woman dying of valley fever in Los Angeles was kept alive on a ventilator until doctors could deliver her baby. A University of California veterinarian succumbed after performing an autopsy on a horse that carried valley fever.

"There have been epidemics of valley fever in the past, most recently in 1978, but none that comes close to these numbers," said Dr. Demosthenes Pappagianis, a medical professor who has tracked the disease for 41 years.

The fungus that causes valley fever is known by the name *Coccidioides immitis*—or cocci (pronounced "coxy") for short. Experts believe half of the San Joaquin Valley's long-time residents have inhaled cocci spores in their lifetime—many during childhood, when symptoms are mild. [H: This is a bit of misinformation because "cocci" is not specific to this one disease. This is an easy error but for validity—you should know this. In fact, I find it a bit difficult to move from "fungi spores" to "cocci" if the facts are recognized and the differences understood. For the information in point I suppose this suffices—I just prefer you not think I am so ignorant as to make such a singular statement. This is the way disinformation begins and spreads. There are other obvious errors of great importance in the writing but we will wait until we print them.]

Of those exposed to the spores, only 30 per cent become sick enough to call a doctor. A smaller portion is actually diagnosed with the disease. It is this smaller portion that gets reported to local and state health agencies.

"Only 10 percent of those exposed require medication and most of them get well," said Dr. Hans Einstein, a Bakersfield physician and noted cocci authority. "But for some, the disease spreads beyond the lungs and attacks the skin, bones and brain. That's when it's nasty. That's when it can become a killer."

Several factors MAY be behind the big numbers here. Six years of drought have

This article is interesting in its own right—BUT, the important thing to note is that it comes from the *Toronto Star*, Jan. 1993 (CANADA):

QUOTING:

"Special to *The Star*", Mark Arax, re-

porter, story from Bakersfield, California.

For the past 16 months, a strange dust-borne disease endemic to the American Southwest has blown rampant through Kern County, about 100 kilometers north of Los Angeles, infecting more than 4,000 people and killing 34, according to state and local health officials.

"The numbers are astounding," said Ro-

baked the San Joaquin Valley soil to a chalky dust easily scattered by winds that blow late summer through winter. Much of last year's rain came in spring—too little to offset drought but right on time to send the spores abloom.

Also, the growth boom transforming this region acts like one big spade, working the fungus to the surface, where it can become airborne. And with the new houses and shopping centers has come a surge of new residents who lack the immunity afforded by exposure to the fungus. They are easy targets.

END OF QUOTING

This may well be the "speculated" idea of why and how this "Valley Fever" happens—but facts are that **it is a deliberate spraying of the various areas with the debilitating substance.**

In most articles there is a big PLAY in stating that the disease is non-communicable. What drivell If the spores can be infecting just traveling loosely on the breezes and soil particles—what think you that **KEEPS IT FROM BEING AIRBORNE FROM A FULLY**

INFECTED PERSON OR ANIMAL IN SPITTLE, BREATH, ETC. IT IS, BY THEIR OWN ABOVE PRESENTATION—BORNE IN THE LUNGS AND RESPIRATORY SYSTEM. If you ones don't stop falling for these LIES and misrepresentation, the whole bunch of you will be dead, dead, dead before enough wake up to smell the coffee and toast burning.

What do I suggest? GAIANDRIANA! [See next-to-last pages for more information on this product.] There is no known "cure" for Valley Fever! If your immune system is debilitated—Valley Fever will run to epidemic proportion SOON. Why? Because like other "harboring" diseases—once in the body—ALWAYS IN THE BODY—JUST WAITING! If you people don't get that IMMUNE SYSTEM working properly—you will not make it as they dump one thing after another on you. Remember those soldiers coming back from the "Desert Storm"? Chelas, you are in constant jeopardy from these hidden death-dealers. I have no right nor wish to pound upon you blind lambs—but you are going to need to do something or you are going to perish, it appears, at the hands of the would-be KINGS.

Please, you nice herb-users—Chaparral is now removed from the "quantity" health food outlets and herbal stores. What does

this tell you? THAT IT IS DAMNED EFFICIENT AS A HEALTH RESTORATIVE. ONE BY ONE "THEY" DEPRIVE YOU OF THAT WHICH YOU MUST HAVE TO SURVIVE IN A DELIBERATELY SICKENED WORLD.

There is irony herein, however—for Chaparral is simply a name meaning a "thicket of small low-growing shrubs". What the point is, is to get the Creosote bush (*Larrea tridentata* of the caltrop family of Mexico and the Colorado desert) away from you. Now, if you live in this area affected with Valley Fever you will note that it is thriving near the desert areas—which is overgrown with Creosote bushes! Use your heads, chelas, and save your lives! Should you rush out there and start grazing on these bushes? I wouldn't suggest it because you can make yourselves very, very sick by such unintelligent use—of anything. But, you CAN find ways of helping your own health—so investigate those ways. I DO suggest you help yourselves with a little Gaiandriana [see next-to-last pages] and mitochondria (Aquagaia) [not available yet]. It is better to have a healthy immune system which can handle these invaders than all the "treatment" and proclaimed "cures" in the world. So be it.

Two Sobering Reminders That We've Fallen A *LONG* Way

2/4/93 #1 HATONN

I am petitioned again and again to rerun a couple of items previously shared. I think it appropriate, especially since we garner new readers continually. One is the "Prophecy of St. Nilus, A 5th Century Hermit" and the other is "Communist Rules for Revolution". **Both are shocking, if nothing more, and worthy of your continual meditation.**

PROPHECY OF ST. NILUS, A 5TH CENTURY HERMIT

After the year 1900, toward the middle of the 20th century, the people of that time will become unrecognizable. When the time for the Advent of the Antichrist approaches, people's minds will grow cloudy from carnal passions, and dishonor and lawlessness will grow stronger. Then the world will become unrecognizable. People's appearances will change and it will be impossible to distinguish men from women due to their shamelessness in dress and style of hair. These people will be cruel and will be like wild animals because of the temptations of the Antichrist. There will be no respect for parents and elders, love will disappear, and Christian pastors, bishops, and priests will become vain men, completely failing to distinguish the righthand way from the left. At that time the morals and traditions of Christians and of the Church will change. People will abandon modesty, and dissipation will reign. Falsehood and greed will attain great proportions, and woe to those who pile up treasures. Lust, adultery, homosexuality, secret deeds and murder will rule in society.

At that future time, due to the power of such great crimes and licentiousness, people will be deprived of the grace of the Holy Spirit, which they received in Holy Baptism and equally of remorse.

The Churches of God will be deprived of God-fearing and pious pastors, and woe to the Christians remaining in the world at that time; they will completely lose their faith because they will lack the opportunity of seeing the light of knowledge from anyone at all. Then they will separate themselves out of the world in holy refuges in search of lightening their spiritual suf-

ferings, but everywhere they will meet obstacles and constraints. And all this will result from the fact that the Antichrist wants to be Lord over everything and become the ruler of the whole universe, and he will produce miracles and fantastic signs. He will also give depraved wisdom to an unhappy man so that he will discover a way by which one man can carry on a conversation with another from one end of the Earth to the other. At that time men will also fly through the air like birds and descend to the bottom of the sea like fish. And when they have achieved all this, these unhappy people will spend their lives in comfort without knowing, poor souls, that it is deceit of the Antichrist. And, the impious one!—he will so fill science with vanity that it will go off the right path and lead people to lose faith in the existence of God in three hypostases.

Then the All-Good God will see the downfall of the human race and will shorten the days for the sake of those few who are being saved, because the enemy wants to lead even the chosen into temptation, if that is possible...then the sword of chastisement will suddenly appear and kill the perverter and his servants.

END OF REPRINT: GO READ AND RE-READ THIS.

COMMUNIST RULES FOR REVOLUTION

The following rules were confiscated from a Communist headquarters in Dusseldorf, Germany. They have been reprinted in many publications. As you read them, reflect on each one and see how successful the Reds have been in implementing these rules:

1. Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial and destroy their ruggedness.
2. Get control of all means of publicity.
3. Get people's minds off their government by focusing their attention on sexy books, plays and other trivialities.

4. Divide the people into hostile groups by constantly harping on controversial matters of no importance.

5. Destroy the people's faith in their natural leaders by holding the latter up to contempt and ridicule.

6. Always preach true democracy, but seize power as fast and ruthlessly as possible.

7. Encourage government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.

8. Foment unnecessary strikes, encourage civil disorders and foster a lenient and soft attitude on the part of the government toward such disorders.

9. By specious argument, cause the breakdown of the moral virtues: honesty, sobriety, continence and faith in the pledged word.

10. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.

A great many people are alarmed at the sad state of affairs our nation is in today. We are rapidly becoming spiritually bankrupt as is the whole of the world. Each one of us must search our soul to determine our responsibility for permitting this state of degeneracy. Our greatest responsibility is to our family and the people with whom we come in contact. We must make sure that we don't fall victim to evil forces that we find all about us. We must pray harder, realizing our dependence on Almighty God. We must work harder, realizing that evil succeeds because **"good men" do nothing.**

I would suggest you go back and re-read this a few times, also. It works in perfect harmony with the Protocols of the Elders of Zion. We shall reprint them also as space in the *LIBERATOR* allows—YOU MUST HAVE ACCESS TO HOW THESE THINGS HAVE COME UPON YOU AND HOW CARE-

FULLY THE EVENTS HAVE BEEN PLANNED—FOR CENTURIES, AGAINST THIS DAY.

While our focus is on the moral decay and upsurge of political plunder of the world, let us share with you a "response" to articles regarding the Constitutional Law Center (CLC) participation in the "Military—Gay" situation.

GAYS IN THE MILITARY— CLC STANCE

Note the bottom line as you read through this message from Mr. Dixon of the Constitutional Law Center. The CLC is not "anti" anything, including rights of individuals under the law for protection, privacy and other protections of the Bill of Rights. There are LAWS already set against assault, discrimination in physical encounters, etc. "Bashing" is illegal—what is this "Gay Bashing" as somehow set apart as criminal—bashing is illegal—period! The Constitutional Law Center is only offering the "other" men and women in the military equal opportunity and ability to speak out if he or she does not wish to live in such an environment as is now being set up. Each should have opportunity to withdraw, for the oath is now being changed in intent and that in itself violates the "rights" of "all". Also, it will be asked that individual damages to compensate every service person for the loss of his career will be made.

QUOTE:

The Constitutional Law Center responds to Pete Dexter and others who favor lifting the ban on the enlisting of gays into the military service.

Gene Dixon, Director of the Sacramento branch of the Constitutional Law Center and author of a soon to be released book, entitled, *COMMON SENSE, THE SECOND, With Apologies To Thomas Paine*, has written and submitted this response to Pete Dexter as a result of Mr. Dexter's column on Sunday, January 31, 1993.

Mr. Dexter, in your column of the above date you refer to the actions of President Clinton in promoting the removal of the restrictions on the gays in the military as the actions of a very brave man and such action is the decent and important action to take. You further castigated anyone who opposed this as being of a very bigoted mind.

The actions of President Clinton in this respect are not brave, decent and certainly not important at this time. Mr. Clinton is paying off a political debt to a very minority group that gave him 70% of their vote.

A history of that promise is outlined in

our recollections of the several speeches that Mr. Clinton gave to various gay groups which led to his final commitment. Mr. Clinton's first speech to the gays was not this committing, but the promise occurred after he allowed himself to be manipulated into such a situation. Mr. Clinton made a number of promises prior to his election that were and are far more important to the economy of this nation and to the reviving of our work force than this commitment to the gays. To spend so much time and effort of his initial term on a matter that benefits few and outrages many is akin to stupidity and "fiddling while Rome is burning".

The issue presented to us by the gays is not one of discrimination. The gays and their proponents would have the public view this as a matter of discrimination. The issue is self respect and the forcing of the non-gays to accept the gay lifestyle as a normal and acceptable mode of living.

If the issue was one of discrimination, the answer is easily explained. The military is not a democracy and it was never intended to be a democratic institution. By its very need and nature it cannot be a democracy. If it were a democracy I could visualize the need for a vote and discussion before every battle.

The military discriminates in every possible way. They won't take you if you are too short, too fat, too skinny, too small, too smart, too dumb and in other physical and moral ways. Our military has become the most effective fighting force in the world and the greatest guarantor of our Constitutional rights based upon this concept of "discrimination".

There have probably always been a few gays in the service and undoubtedly some of them have served their country well, but they have not flaunted their lifestyle and they have not forced us to accept their life style as normal and respectful. There are few things in life that you can perceive and view and declare to be normal and I would challenge anyone to find a more appropriate norm than the relationship of a man and a woman joined together to produce a family life style.

The gays would have you believe that this relationship is only the traditional lifestyle and they offer their lifestyle as an alternative. Their lifestyle is not traditional and it is not normal. It certainly flaunts the laws of Nature. When we talk to our children now about the birds and the bees and other living things, the gays would have us tell our children of the alternative gay life style.

If it is not normal, it is immoral; if it is the result of a missing gene or one too many, it is abnormal. In either case, the military can consider the effect of intro-

ducing such a concept into the military.

It is not a lifestyle as it does not promote life. It is an existence that defies Nature and is based upon the concept of, "If it feels good, do it". It is totally self-destructive and not capable of reproduction of the species.

We have been so inundated in the past several years via the media that we are fast approaching the era of an AIDS epidemic and, from the information distributed, the major persons causing the spreading of this virus are members of the gay community and particularly by the more aggressive members of the 17-25 year old age group. By chance, this group is most likely to want to join the military.

It is no secret but an open and known fact that sexual gratification is one of our most passionate and even uncontrollable urges. Does it make any sense at all to force this environment among our sons and daughters of the same age group?

If we accept the views of the medical experts that the virus is undetectable and may lay dormant for as long as 10 to 15 years in a person's body and that in some cases it is transmitted by blood transfusions or saliva or other unknown means, have we just not dumped on our existing military the means to create an AIDS epidemic that might well wipe out our population?

There are other very practical reasons to keep the ban in place. Do you have to build separate facilities to house this group? What is the total tax bill cost to the taxpayer who is probably already out of work and wondering how to pay his bills?

What about the flamboyant gays? The ones who are convinced they are female? Do you accept them also, or do you discriminate within this group?

Has anyone studied the inter-relation of the gays placed into the prison structure? The prisons have lived with this situation for years. What have been the results of that study?

The gays admit they are well organized, that they are well financed, that they are dedicated and disciplined and that they have recognized their political power. It is time for the silent majority to recognize that this is not a fight of discrimination, but a fight to force the majority to accept their lifestyle as normal.

The Constitutional Law Center will not do this and this is why the Law Center will file a class action on behalf of any military person who does not want to live within such an environment. We will ask for individual damages to compensate every service person for the loss of his career.

Our Latest Feedback On The *COSMOS* Connection

2/4/93 #1 HATONN

NEXT: With attention to time and space in the *LIBERATOR* we will continue to run as many buttals and rebuttals to given controversial items as possible. THE subject most attention-getting is, of course, the "COSMOS" connections. We have received a letter from the NEVADA CORPORATION (WITH VALID SEAL AFFIXED), with valid and legal signatures of officers of "Cosmos Seafood Energy Marketing Ltd: In good standing. P.O. Box 477, Okawville, Illinois, a REPUBLIC, 62271." The following statement precedes the communique: "Not to be confused with THE COSMOS GROUP as; WE ARE NOT A PARTY TO or WITH THEM. Mister Rick Martin, Editor PLEASE
PRINT

Dear Mister Martin,

We are in receipt of your January 26, 1993 edition wherein you did print our response. Thank you.

We would like to apologize to our lateness in response as; on Christmas Day, we were in an auto accident which left us in a state of disarray. These things happen, however we do apologize for our lateness in responding.

We thought it time to respond to the many persons who did respond (though unsolicited by us) to their many grievances and so stated same in their correspondence. We thank you also for your many letters, cards, memorandums, articles, Cases, and other 'comprehensible' informa-

tion. Almost all of these were registering complaints (which we shall keep confidential) regarding problems in these areas which are within the boundaries of their Constitutional Provisions Preserved in Article X.

(a) each time a TAX increase for this or that was put on the agendas for the VOTE of the People...the people VOTED these issues into LAW, and

(b) to repeal these LAWS which are repugnant to the People, GET THEM ON THE "AGENDA" FOR THE NEXT "PRIMARIES" AND VOTE THEM OUT.

If, the people are unhappy with these laws, get them on All agendas...and VOTE THEM OUT. It's that simple.

The Laws as reserved and preserved wherein the Rights of the People are Oppressed must be left to the People to right these wrongs within the parameters of our LAW.

Also, many of the parties who wrote to us specifically asked us "What can we call a new party which is different from the ones already established?" Our response is: In the early 1800s, there was a party named the CONSTITUTIONALISTS Party. Seemingly this would be fitting, considering the much registered concerns of the many, many people who did write to us registering their complaints.

Many years ago, was a discussion about the Laws and how they worked when the 'simplistics of the Laws were employed'. Then a remark was made: "It can be a beauty when it works for you, but the very same law when MISUSED can be like the sword of Damocles...it cuts equally as swift and hard...for you as it does against you and heaven forbid it should ever be misused against you."

Today, we have PARADOX THINKERS; they employ the laws to commit criminal acts against the properties of individuals to take these properties away. They are using the very laws which were enacted FOR

you...to take away that which you won...this is what we have gathered from your many, many letters, memos, cards and so forth.

Once there was a very wise old man, he was an ex-Federal Judge, later he taught Law. He always maintained: "WHEN ALL ELSE FAILS 'GO BACK TO THE BEGINNING' and use the things that made IT WORK."

To keep you on an update, WE (Cosmos Seafood Energy Marketing Ltd;) forwarded on to President Bill Clinton on the 19th day of January 1993 our offer to assist in the Restoration of our Republic, this consisted of 18 pages which originally was intended to the *PHOENIX LIBERATOR* to publish so all of you could read what we had to say. We are holding it up for 30 days to allow our new president, Bill Clinton, time to peruse our letter. If there is no response in 30 days, we shall send this on for publication so you will be kept informed.

TWO (2) pages addressed to the President stated, "This is a solution to the 100 day program to get this nation/REPUBLIC back on track and on schedule for RESTORATION."

Hopefully, Mister Clinton will respond. If so, WE (Cosmos Seafood Energy Marketing Ltd;) will assist him and the PEOPLE of the REPUBLIC/Union, i.e., Nation, to shore up the economy and BACK THIS NATION WITH THE "GOLD" on the interest due on that GOLD CERTIFICATE. However, this must be understood..."IT SHALL NOT BE THE SAME OLD GAMES OF OUR PAST."

A DEMAND on the interest due WILL MAKE ONE HECK OF A LOT OF UNHAPPY "PUPPIES" in the International Communities and here at home...BUT...IT WILL RESTORE THE REPUBLIC/Union of WE THE PEOPLE.

We will wait for the 30 days to expire—then we will send off to the *PHOENIX LIBERATOR* the 18 pages plus the 2 pages to the President.

Thank you for your patience and GOD

BLESS US AND KEEP ALL OF US SAFE

Secretary, enough for this sitting. Let us leave with but one last offering from a beloved friend of shadow years but the insight of the early ways and days in the outreaches of what you call "civilization" (badly misused word):

MESSENGER BOY

If I could be a messenger boy,

Could I tie my old pony to your hitchin' rail?

For if I could bring a message to you,

From someone who really cares,

Would you listen at my

tale?

How about if I could bring you a message,

From those that have gone on before us.

Those that are so beautiful and so great.

And I could tell you that they're makin' plans of brotherly love.

And they have destroyed all the materials of hate.

How about if I could ride my old pony a way out yonder,

Out there where the Master of Love really re-

sides.

And I could kneel down and kiss the hem of His gown,

If I could bring a message of love, to you, from Him,

Would you help me, spread it all around?

How about if I could bring you a message of hope.

Of hope, and a way you could fulfill all your

Most precious dreams.

And every time a little ole youngen' heard the words

[Of hate, and hurt, deceit and destruction,]

They wouldn't even know what it means.

How about if I could ride my old pony way out yonder.

Out there on them war torn shores.

And I could talk with all the war mongers there.

Could I take them a message of love from you?

Could I tell them, you really do care?

How about if all the leaders of all the lands,

Would meet out there in a beautiful patch,

Of purple top clover.

And everybody would get together and we'd all join hands.

And all the wars and bloodshed would be all over.

If I could be just a messenger boy.

You know what I'd really like to do?

I'd like to tie my old pony to your hitchin' rail,

And bring a beautiful message, of love,

From Him, to you.

* Readings praising pacifism.

When the director was asked why he did not allow the other side of these critical issues to be presented, he said that to think critically students need to be exposed to views they don't normally get at home or in a traditional classroom setting.

According to a student who left the school in 1991 out of utter disgust, anti-Christian teachings permeate the school. For instance, [there was] an article by 19th Century philosopher Feuerbach, who writes from an atheist's perspective that religion is not an attempt by man to reach God but about "the relation of man to himself." The student also recalled one lecture by a feminist professor who took the entire class to explain why, after trying many different churches, she had become an atheist. Then she elaborated on the reason for her choice. The ex-student said: "It's almost a mind-bending process that takes place during those six weeks....It was an attack on Christianity, but more so, it was an attack on conservative thought. They very strongly put out the implication that if you want to be considered an intellectual by your peers, you have to be liberal. You can't be conservative."

The *Human Events* article gives much more information concerning the school. Why should this concern us all? As you know, there is a massive national campaign to inaugurate the "New American Schools." Our nation will BE as our youth are TAUGHT, and all efforts and programs to keep our nation strong must begin with KNOWLEDGE. So we need to know as much as possible about the people and programs influencing our educational system. We must remain alert and informed.

The "Governor's School"

Since Governor Clinton will soon assume the leadership of our nation and the free world, it is imperative that we explore what he may have in mind for training our young people. Though never publicized, his concepts are mirrored for all to see.

In 1979 the Governor established a six-week summer training program in Arkansas, limited to 400 selected, gifted and talented students, ready to enter senior high school. In his speech inaugurating the school, he stated that it was his "dream come true." Though not involved in day-to-day operations, his ideas are fully integrated into the whole program. He speaks each year on opening day. His wife has also spoken at times. He appointed the seven-man board who has full responsibility for the program, which is state-funded and free to the

selected students.

During the six weeks, students are not allowed to leave campus or have visitors except on Sunday, so it is an intensive program. The following information is from an article in *Human Events* (9-12-92) written by Peter LaBarbera after extensive examination of the curriculum, speakers, films, and interviews with ex-students. He states, and documents, that the school's teachings are pro-atheist, feminist and pacifist.

The 1991 "textbook" is titled "Tree Book" and states that the school's intention is to promote "reflective thinking," but a review of the book's essays, as well as the program of guest speakers and films shown, suggests the real purpose is to "uproot" traditional beliefs and replace them with liberal skepticism and secular relativism. There is a heavy anti-Christian element. Among teachings in 1991 were:

* A blatant diatribe from a radical feminist "witch" who likened Jesus Christ's death on the cross to necrophilia and sadomasochism.

* Pro-homosexual readings, films and discussions.

* A lecture from the attorney who defended "Jane Roe" in Roe v. Wade Supreme Court case (with no balance from the other side).

* A lesson in "Animal Liberation" by

program for North Carolina high school gifted and talented students originated with Governor Terry Sanford.

The Governor submitted the proposal to the Carnegie Corporation of New York which, in January, 1963, awarded a matching grant of \$225,000. Another \$225,000 was donated by 11 foundations and industries in Winston-Salem, the city selected as the site of the State school. The total grant of \$450,000 was designed to finance the operation of an eight-week residential program in the summers of 1963, 1964, and 1965 on the campus of Salem College at Winston-Salem.

The school was created as a public school, with books, room, board, and materials furnished for the students. There is not tuition. In 1963, 400 rising juniors and seniors, representing 85 of North Carolina's 100 counties were selected for admission. Students chosen for academic achievement were selected from more than 1,000 boys and girls whose names were placed in nomination by superintendents of the state's 173 school units. Students chosen for artistic ability were selected through competitive auditions conducted at strategic points throughout the state.

In 1963, there were 54 students concentrating in English, 29 in French, 54 in social science, 48 in natural science, 35 in mathematics, 18 in art, 35 in dance, 27 in drama, 41 in Choral music, 54 in instrumental music, and 5 in piano. Each student spent 18 classroom hours a week in his major interest area, three hours a week in a minor area selected from one of the arts, and four hours a week in a class entitled Essential Ideas.

The school is operated under the State Board of Education of North Carolina through a Board of Governors appointed by the State Board of Education. On June 10, 1963, The Governor's School of North Carolina first opened its doors to 400 boys and girls—and to an exciting educational experiment.

The Governor's School of North Carolina, a summer program for North Carolina high school gifted students, is operated as a public school on the campus of Salem College, Winston-Salem, North Carolina, by the State Board of Education, and is financed for 1963, 1964, and 1965 by substantial grants from the Carnegie Corporation of New York and from foundations and industries in Winston-Salem.

WISCONSIN REPORT Editor's Note: Dr. Dennis Cuddy, NC, attended this first Governor's School in North Carolina. He was chosen as a gifted and talented student in music and has written an article on the experience titled: "A GUINEA PIG REMEMBERS"—see next week. Dr. Cuddy (Ph.D.) was a Senior Associate with the U.S. Department of Education from 1982 to 1988.

Terry Sanford set up the first Governor's School in America in North Carolina. Terry Sanford was on the Board of Directors of World Federalists of North Carolina in 1947 when it merged to become United World Federalists, which now is named World Federalist Association. WFA is a leading New Age networking organization, working for World Federal Government today. — from WFA materials.

(Terry Sanford is with the Council on Foreign Relations from their 1991 list-

ing.)

Anyone wishing to order a 20-minute video on Governor Clinton's Governor's School call: 1-800-886-8852. It is well worth ordering—one of the boys who attended the school, a gifted and talented high school boy, committed suicide after attending.

SUMMER SCHOOLS

(Reprinted from *TIME* 6/28/63.)

A Boon to the Gifted

In other summers, the tree-shaded grounds of Salem College, in Winston-Salem, N.C., have been hushed in the eerie stillness that haunts deserted campuses. But this year the campus is bubbling like a chemical retort with a heady new experiment. Four hundred of North Carolina's most brilliant and creative high school students (fall-term juniors and seniors-to-be) have been brought together for an intensive eight-week study program, thanks to the state's fervently education-minded Governor Terry Sanford. Guiding principle behind this summer school is the Governor's belief that education precedes economic development and that North Carolina needs to provide all the stimulus it can for its own home-grown talents.

Last January, Sanford got \$225,000—\$75,000 for three successive years—from the Carnegie Corporation for his plan. Within ten minutes a few days later, he got an additional pledge of \$225,000 from business and foundation leaders in Winston-Salem.

Brisk Pace. The students now on campus are attending free of charge, except for their transportation. The school is totally desegregated; 30 students and one faculty member are Negroes. And the pace is brisk: with 144 hours of classroom instruction devoted to a major study area, each student in eight weeks will do the equivalent of a year's work in one subject. In addition, on three afternoons a week, the student attends two-hour classes in a subsidiary field of interest. Twice a week, there are two-hour seminar sessions on the great ideas, and every evening there is a lecture, concert or dramatic performance. Despite the taxing schedule, the high-schoolers, 30 of whom are varsity football players, have plenty of surplus energy left over for swimming, tennis, basketball and doing the twist.

Chief exhilaration comes from racing the mind with full intellectual freedom. Says one music student: "At home I was considered something of an odd-ball. Here I can talk music all the time." Social Science Student David Beck, 17, says: "I'm getting the entire field of social science here. When I get to college, I'll be able to

look down the list of courses and know exactly what I should take."

No Tests. Students at the school do not have to fuss with the pin-pricking routines of tests and homework. There are no credits and no grades. Says Program Director Douglas Carter, 33: "This type of student will dig into things for himself." Some noted guest lecturers will spur the digging. Last week Laura Fermi, widow of Atomic Physicist Enrico Fermi, began lecturing on science for ten days. She will be followed by Novelist Betty Smith (*A Tree Grows in Brooklyn*), Playwright Paul Green and Secretary of

Commerce Luther Hodges. A symphony orchestra, string ensemble, ballet and drama groups are already deep into rehearsals.

The sheer responsiveness of the students inspires the 27-man faculty recruited from high schools and colleges in nine states. One college instructor found that he taught in three days what consumes a month in his college classroom. Says Political Science Instructor Jivan Tabibian of Wake Forest College: "If we could only do this with students like these for nine months, the result would be almost beyond imagination."

THE ASSASSINATION CHAIN: PART I OF A SERIES ON ROBOTIDS

The first two parts of this series are book reviews of John and Robert Kennedy's Assassinations. The reason I have used this material is because these two cases provide ample public records which have caught the long-term attention of many people. It is my hope that people will read the books and obtain a greater awareness of our critical problems and treasonist governmental figures. Also, I would hope the readers will come to understand the incredible role that robotoids have played (and presently do play) and the potential therein for the complete corruption and takeover of our government.

A friend, M.O., sent me a writing titled *Clones, Robotoids and Doubles*, which provides an excellent introduction to the subject. She is very sympathetic to the Kennedy family and believes Robotoids or Doubles were used to sinisterly destroy their characters. More important, perhaps, is the possibility of using mind-controlled "doubles" to run our government! The use of a double in a compromising situation with expert photography is all that is needed in many cases to bring the character of a person into question. Certainly there is a strong possibility this happened in the case of the Kennedys.

Neither M.O. nor myself pretend to provide "scientific" proof. There are scientific books and reports available regarding genetic engineering which can be obtained through University bookstores and libraries, as well as in scientific journals. Of course, the truly pertinent "advanced" information is withheld from the public. Therefore, one must read the available clues.

Following is the Introduction to M.O.'s

report:

"There have been several steps in the long-sought goal of reproducing human beings for the purpose of deception, the first being the substitute look-alike. This was often accompanied by plastic surgery which still goes on. There have been gigantic efforts in this direction even to the point of searching family backgrounds in order to have the right ethnic ancestry, etc.

"After the discovery of the possibility of genetic engineering, the idea for producing a clone took form. The manufacture of a clone, perhaps the first, is recorded in a book on the subject. The location and method were cryptically described to avoid persecution. The method was the insertion of an embryo, genetically formed in the laboratory, in the womb of a surrogate mother...

"It became feasible as progress was made to dispense with the need of a surrogate mother. The whole body can now be "grown" in the laboratory just like a plant or animal breeding process. No doubt there have been many failures before success was achieved to the point of actually displaying a man-made human being to the public. The characteristics of the man source are reproduced without any need to program, but there must be programming for the brain in order to obtain the desired mindset. This advanced reproduction is called a **robotoid**.

"These robotoids, unlike human beings, have a very short life, a matter of months and then they deteriorate becoming useless for their original purpose. Sometimes this deterioration becomes noticeable, but without any knowledge of the astounding truth, an observer would only comment on what he perceives to be a marked change in the health of the individual.

"The beginning of the process is the

acquisition of the DNA sample from the person to be reproduced. All that is necessary is a drop of blood or a tiny piece of tissue, but it is essential that each time a new reproduction is made, a fresh drop of blood or tiny piece of tissue be obtained."

Nora's Comments: The greater portion of this book deals with John Kennedy's (JFK) assassination. It brings in enough information on the other assassinations and attempted assassination to show an overall plan or pattern at work. I had just completed a review of another book on Robert Kennedy's assassination; the comparisons were alarming!

1. In all of the cases the prosecution (Our Government) pursued the theory of a lone assassin having perpetrated the affair, yet the preponderance of evidence (uninvestigated and/or suppressed) clearly showed a conspiracy.

2. The C.I.A. and F.B.I. were deeply involved both in "securing" the area for JFK's protection, planning the trip to Dallas, and with contacts-knowledge of criminal activities in the area. In addition, in the case of Oswald, he was a known operative of the F.B.I. These two agencies were involved in withholding evidence and discrediting witnesses. Further, they were deeply involved in the Warren Commission's findings. Their contributions to that dreadful day were never investigated.

3. There appears to have been a "set-up" in all of the cases whereby the "assassin" had received training, resources and opportunity from powerful "others" (including the C.I.A. and F.B.I.) which put them in the right spot at the right time. There was also a great deal of evidence of the assassins having been either brainwashed, manipulated or directed in the "plot". In fact, when he was arrested, Oswald seemed surprised and said he had "done nothing he was

ashamed of" but "was being used as a patsy."

4. Especially in the cases of the two Kennedys, there were a surprising number of look-alikes. When you read through the Assassination Who's Who, you can count four look-alikes for Oswald and at least two for Ruby. (As I found in reading the book on Robert's assassination, there were more in his case.) In addition, several other persons involved in the case had look-alikes, which made it difficult to establish the "truth" of many witnesses' reports. These kinds of revelations warrant our particular attention! How did the perpetrators get so many look-alikes? The number is far beyond chance. And why? Of course, from the view of the "plotters" the more look-alikes the better, as they would be available for backup plans if the original failed somehow; and, they made the confusion greater, making it more difficult for "proving anything" in a straightforward way. Nevertheless, in view of everything that Commander Hatonn has taught us about robotoids, it is becoming obvious that the use of robotoids may have been involved in the Kennedy assassinations, if not also with Martin Luther King and Governor Wallace.

5. A rush was made to identify the assassin, put him in custody, and declare a verdict before any real investigation had been done. This was accomplished via "eye witnesses" present at the time (the entire nation on T.V.). Yet too many witnesses went unheard and too much testimony that was heard was dropped, or was full of holes.

6. Newspapers came out with advance statements which could only mean they were in on the "plot". These same newspapers had evidence of their own which they refused to make public. Their evidence was never subpoenaed by the C.I.A., F.B.I. or Warren Commission. Of course, neither was any investigation made of their "advance" knowledge!

7. There were solid political reasons, as well as financial and criminal reasons, for the assassinations. Many persons or groups stood to gain from the assassinations. None of these were investigated.

One can never be sure they have all the facts, and Leek and Sugar do not claim to have them all. Yet, by the time this book was written (1976) there was a better possibility of exploring the historical perspectives, which they do well.

For instance, they explored possible activities, purposes, involvements and enrichments of several "suspicious" groups, including: 1. The Industrial-Military Com-

plex that wanted to continue the Vietnam War under a new president who "saw things their way." 2. The rightwing groups. 3. The C.I.A. and F.B.I. and their continuing development and gain in power. 4. The Communists. 5. The Anti-Castro group and the disenchantments after the Bay of Pigs fiasco. 6. The Mafia (if they "got" John they could thereby foreclose also on Robert's activities; Robert was then Attorney General). 7. Other political interests especially in Texas and DALLAS. 8. The country's strong desire to end the War in Vietnam.

In fact, there were so few facts to prove an act of a lone assassin that it appears "Oswald" (or his look alike) had to die to squelch an investigation! Even the investigation of Ruby's murder of Oswald was delayed due to Ruby's (or Ruby's look alike's) "mental illness". He died, conveniently, before a case was brought against him.

The cover-up is blatant! But, we-the-people were mollified by Lyndon Johnson's immediate convening of the Warren Commission. Ah Hah! Our Supreme Court Judge was going to investigate! And, don't negate the influence Judge Warren had at the time; it was great. We-the-people had better start looking at the facts, and the actions of a person, and especially the effects of their actions. In other words, the fruit of the tree will be true to the kind of tree it is.

Well, the Warren Commission only continued the cover-up, a fact now being conceded more or less by our government. Most of their work was, in the final analysis, an endorsement of F.B.I. reports — even when questions were raised about the activity of the F.B.I. itself. In fact, the Warren Commission had no funds for a vigorous investigation of their own. There are some reports available to the public having to do with interrogations of witnesses and discussions of legal niceties — but no clear resolution of issues was ever reached, and there was certainly a very curtailed questioning of circumstances, leads and persons either obviously involved or "just" present.

Another strange and "unfortunate" aspect of these cases is how so many persons linked to the JFK assassination met with untimely deaths — mostly persons who actively questioned the official version or persons who could have had knowledge "inconvenient" to the perpetrators through their associations. **By 1976 twenty-eight persons were either victims of accidents, violence, suicides or "natural" causes, all persons close to the case.** (Commander Hatonn states that the actual total now is over 200.)

If you read the book, take a very good look at that purported picture of Oswald holding the rifle supposed to be the murder weapon. The practical value of the weapon itself is in question, but the man holding

the gun has a hairline much different from "Oswald", who is shown on the same page in another photo when Ruby shot him. The two photos cannot be the same person, yet Marina Oswald testified that the man with the gun was her husband. There are other problems with this particular picture, obvious to any careful examination, yet left unquestioned by the Warren Commission based on Marina Oswald's testimony. (In my opinion, if Marina Oswald told the truth as to who her "husband" was, her actual husband was not Oswald, and-or the "Oswald" that Ruby shot was not the Oswald we understood him to be.) Marina was a Russian who Oswald met and married in Minsk, Russia, when he earlier defected from the U.S. of A. Minsk was a "White Russian" headquarters town of the K.G.B.

It is instructive to know who the people were who sat on the Warren Commission, according to the research of Sybil Leek and Bert Sugar. There is not a lot of information on most of them — but enough for you to get the picture. While we all cried over the loss of President Kennedy, the "horse had left the barn"! (And, still today, the same old trick works — the Gulf War brought out tears and yellow ribbons in support of the troops, but few were interested to probe beyond the superficial facade and ask Who's Who and What's What.)

So let's take a look at the data on the Warren Commission:

THE WARREN COMMISSION

* Setup by President Lyndon B. Johnson via Executive Order #11130, dated 11/29/63.

* Chief Justice Earl Warren — Chairman

* There is some indication he was told the Commission must be handled in a certain way "to appease the Communists", and "Warren left Johnson's office with tears in his eyes". There is no actual record of Warren's meeting with Johnson on this important assignment.

Political Members: (4)

1. Richard B. Russell, Dem., Georgia (Senator) — rejected single bullet theory and dissented from other findings of the Committee. He died (thought to be from natural causes) after the Commission ended.

2. John W. Cooper, Rep., Kentucky (Senator).

3. Hale Boggs, Dem., Louisiana (Representative) — rejected Warren Commission findings (with Russell) at first, but later

went along, together with Russell. Boggs was a House Whip. He later disappeared off the coast of Alaska in a small craft and was presumed to have perished.

4. Gerald R. Ford, Rep., Michigan (Representative and Republican House Minority Leader); author of article "Piecing Together Evidence", *Life* magazine, 10/2/64 supporting Warren Commission findings; author of *Portrait of an Assassin*, 1965 (not received well by the public); later was to be vice-president under Nixon in his second term of office, and President after Watergate!

Private Members: (2)

(I think this is a huge misnomer, but so be it...regarding the use of term "private".)

1. Allen W. Dulles, **former Secretary of State**—he had been fired by Kennedy over the Bay of Pigs disaster. His brother, Foster Dulles, was then Director of the C.I.A. until John McCone took over under Johnson. (His appointment seems to have been a slap in the face to those who loved the President—and the question of his "objectivity" and-or conflicting interests is indeed great.)

2. John J. McCloy, **former Director of the International Bank for Reconstruction and Development!!!**—this man's "conflicting interests" were also huge, considering the industrial-military complex and the huge sums to be gained in continu-

ing the Vietnam War; and, now, even more so in light of what Hatonn has told us regarding Kennedy's intent to restructure or dissolve the Federal Reserve Banking system! (On the face of it, what possible purpose does an international banker have on a Commission investigating a murder in the U.S. of A.?)

On 12/16/63, J. Lee Rankin, a former solicitor general of the UNITED STATES was sworn in as general Counsel. Among his 14 assistants were David Belin and Arlen Specter along with 12 staff persons. There is not much information on the other staff persons but I will list them in alphabetical order (see "Assassins' Who's Who" in the book):

Francis W.H. Adams (Counsel)

Joseph A. Ball (Counsel)

David Belin (Staff Lawyer)—author of Book, *November 22, 1963: You Be The Judge*, published by the *New York Times*; chairman of group Lawyers for Nixon-Agnew in 1968; Ex-Director of the Rockefeller Commission.

William T. Coleman (Lawyer)

Melvin Aron Eisenberg (Counsel)

Burt Griffin (Asst. Counsel)

Leon Hubert (Counsel)

Albert E. Jenner, Jr. (Counsel)

Wesley J. Lieber (Asst. Counsel)

Charles Murray—sat in attendance as observer for the President of the American Bar Association to insure "fairness to the alleged assassin."

W. David Slawson (Asst. Counsel)

Arlen Specter (Counsel)—gave name to "Specter Miracle Bullet" theory derided by critics of the report; District Attorney for Philadelphia.

Samuel Stern (Counsel)

It was suggested, after the Warren Commission report of a lone assassin was questioned, that an additional report be made by **The Rockefeller Foundation**, headed by Gerald Ford. This did not occur. Obviously Rockefeller was greatly involved in the cover-up and so any report made by him or his Foundation could have been risky.

Author Sybil Leek has been a columnist, newspaper reporter, playwright and historian with a deep interest in world politics.

Bert R. Sugar has been a lawyer, investigative reporter, and editor of several magazines, including *Argosy*.

For those who are interested, I believe this book is still available through many local libraries, if not the publisher.

Volcanoes Blow Their Tops As Elite Games Heat Up

2/5/93 KALI

Greetings Commander Hatonn and Extended Crew:

This note is from Soltec's scribe and translator, *Kali*. I realize that I have already "spoken" with you, Commander Hatonn, on many occasions, but putting my thoughts into written format makes it much more real for me.

I write this to thank you for all the kind words and for the "pep talks" you have given to me via the Tehachapi meeting tapes of the last several weeks. The encouragement from you and Commander Soltec has been of great help to me, boost-

ing my confidence in my abilities as receiver and speaker.

I thank all of the Host, and all of the wonderful "group" in Tehachapi for the warm, loving reception and support that has been given to both I and my spouse, *Kari*. Because of you, we don't feel so left out over here in a far away state. You all do a wonderfully fine job—keep up the good work! You are greatly appreciated by many.

We especially send our love and warmest greetings of support to *Dharma* and *Oberli* for all the work that they have been doing and all the trials they have been put through; their example sends out a strong message of inspiration so that there is no

doubt this mission here on Earth gets done. I wonder whether I would have the fortitude and commitment which these two have had, and we are deeply honored by their unwavering service.

I feel at times that *Kari* and I don't express our appreciation in the manner we should; so please accept this note, offered with our deepest gratitude. We think of you all often and you are always in our hearts and in our prayers.

May Holy God be with you and bless each and every one of you.

In service and in love,

Kali and Kari

2/5/93 SOLTEC**THE MISSION**

Greetings, Soltec present. I come in the Light of the Holy God of Creation, in service unto the Host of Holy God. As we move ever forward, let us not forget that this mission is one of total service—to bring forth the message of Truth to those who will but hear. You are alive at this, the most exciting time of your history, **for a purpose**, chosen by selves.

Many are yet unaware of the agreement that was made before entering this experience—some will come to recognition of it, some will not. For those who have awakened to their purpose, you have understanding of many things yet unseen and unrealized and, at times, this is a burden which weighs heavily upon your shoulders and disrupts your lives. Keep, therefore, uppermost in your hearts and minds, that you have this understanding for a specific purpose, that being, this mission in which you serve.

If what you refer to as "normal living" is interrupted, know that it is for good purpose. If others do not understand you and ridicule or persecute you, know that it is not for naught. For there is no greater task to perform and complete than that in which you are endeavoring at this time.

This mission is critical for your world's survival and for those with whom you share your planet. No, it is not all fun and games, though we can share a bit of fun along the way. It is very important you lose not your zest for life, as that is often all that will keep your physical existence going and there may well come a time when it will be the very thing that determines whether you survive or not. Life is a precious gift, Chelas—treasure it. For without the physical experience there is no growth and little hope for your world. Your physical experience at this time, and the paths which you travel, are no accident.

All have known one another in past experiences, both above and below and have served together in prior ages of transition. The service is strictly voluntary, without coercion. The experience is not new, but one that has been repeated many times in the past. This is the reason that you ones have inner recognition of one another and of those of the Host. One day we shall all stand together once again but, first, you must get through this period of time. Each and every member of this mission possesses a unique quality. It is this uniqueness and recognition that draws you ones together in purpose and enables you to perform the seemingly impossible tasks at hand.

TO DO OR NOT TO DO

"To whom much is given, much is required." It is a universal principle—a law of God. If the ability were not present, the task would not present itself. Every obstacle in life is either a building block or a stumbling stone—the choice is up to the individual. You can either choose to be defeated or to be victorious, and this, Chelas, is accomplished by a conscious decision and state of mind. It has been said, "Do or do not. There is no try." Trying carries with it the possibility of failure—a seed of unfaith, if you will. One little seed of doubt within your mind can take root and strangle every bit of faith you may have had.

In this world, you have learned negation. Remember that. From the time you are born you are told over and over again that which you can *NOT* do. One of the first words that a child learns to say is "NO". Very few are encouraged to *DO* within the formative years of life. You are busy learning all the rules of this world, and mostly they consist of what you are not to do, rather than what you are to do. So, it stands to reason, does it not, that one negative or doubtful thought carries the potential of negating the little bit of faith that you have. Therefore, it is crucial to the accomplishment of task that you consciously remind self of abilities rather than inabilities. In theory it sounds simple and, in fact, it is simple.

The difficulty comes in practicing this principle in your world of negation. That is the reason we continually remind you ones of your purpose and your abilities, for we understand that in your world it is the exception, rather than the rule, to accomplish by believing that you *ARE* able.

Recall that last week I wrote about the energy of thought. All this ties in together, as doubt also carries with it powerful energy. So, which would you rather have—energy that creates and enables you to accomplish, or energy that tears down and destroys your ability to accomplish? Think upon these things, please.

**ON VOLCANOES AND
MT. MAYON, PHILIPPINES**

Volcanoes. Yes, once again your world has been shaken by another volcanic eruption—this time it is Mt. Mayon in the Philippines, and it is not over yet by any means. This volcano has only begun to rattle. The moon is at the full stage, which adds another element to be dealt with. The lunar influences on your planet are very high at this point and play an important role in seismic and volcanic events. The Philippines are considered to be a part of the Indonesian chain of islands that lie in your western Pacific

Ocean.

This entire area is above sea level only because it is a series of mountain tops of underwater land and the entire region is of volcanic origin. It is active seismically speaking—consider all the activity that has been occurring there in recent months. There are literally scores of active volcanoes in this place, as it sits on the boundaries of the Pacific Plate, the Eurasian Plate and the Indian-Australian Plate. Volcanic activity is most often found at the boundary of one or more tectonic plates.

These three plates are moving toward one another, and is what you would refer to as a "converging boundary". The less dense continental plate will over-ride the denser oceanic plate and the oceanic plate will sink along the subduction zone, at which point the oceanic plate will descend into the mantle beneath the overriding plate. The oceanic plate then becomes increasingly hotter as it descends deeper into the earth.

Where the two plates grind past one another, temperatures increase due to the friction between the two plates. Where the top of the subducting plate comes into contact with the asthenosphere, melting takes place and magma is created. Magma is less dense than the overlying solid rock; therefore, this magma created along the subduction zone will work its way upward and quite often produce volcanic eruptions on the earth's surface.

This is what is occurring in the area of the Philippines and Indonesia. The debris blown out of a volcano is known as "pyroclastic tephra", which consists of ash to very large particles. Volcanic ash eruptions are those in which a tremendous quantity of rock fragments, natural glass fragments and gas are blown high into the air by explosions from the volcano. These blasts travel at tremendous velocity, sometimes exceeding the speed of sound.

The volcanic ash-fall from even a moderate eruption can cover hundreds or even thousands of square miles with a thick layer of volcanic ash. It is the same type of volcanic eruption as Mt. Pinatubo, also located in the Philippines, also very active.

LAKE NIOS, AFRICA

In addition to the volcanic ash, a number of gases, including water vapor, carbon dioxide, carbon monoxide, sulfur dioxide and hydrogen sulfide are emitted during such volcanic eruptions. Some volcanoes, classified as dormant, emit gases for long periods following eruptions, as in the case of Lake Nios, Africa in 1986, when it emitted carbon dioxide gas. Because this gas is heavier than the air, it settled in nearby villages and killed 2,000 people by asphyxiation. Carbon dioxide and other more truly poisonous gases were slowly released

into the lake's bottom waters which occupy part of the crater of a dormant volcano. As long as the gas was dissolved in the lake water and kept there by the pressure of the overlying water, there was no problem. However, because a small quake brought the water from the bottom of the lake suddenly to the surface, the gases were able to escape into the atmosphere. In the same area, a year earlier, the same type of event took place and 37 lives were lost. So, even an apparently dormant volcano may have deadly potential!

PACIFIC NORTHWEST

There are many types of volcanoes, both active and inactive, on your planet, and there are more and more of them that are slowly awakening from many millennia of dormancy. Your Pacific Northwest is one of those areas that is slowly awakening and there is good possibility of renewed activity in this area in the relatively near future. This area, too, is located on the boundary of two plates—the North American Plate and the Juan de Fuca Plate. Because the Juan de Fuca Plate is being squeezed between the Pacific Plate and North American Plate, it has no place to go but down. It is subducting beneath the North American Plate in the Pacific Northwest, causing pressure on the magma chambers below the Cascade Mountain volcanoes. Because the entire Pacific Ring of Fire area is so volatile at this particular point in time, you have a disaster waiting to happen here. I have previously written on this subject, but mention it again at this time as a reminder to those who reside in this part of your country—that they are sitting atop a geologic time bomb.

NATURAL OR MANMADE?

The questions are always asked as to whether these events are natural or man-made. Many seismic and volcanic occurrences are natural and follow a geologic cycle. However, in this time much of the natural activity is exaggerated by man's tampering—both purposeful and accidental. That which is purposeful is done in order to kill off as many of you as possible before the year 2000, or at least to bring you to a point of inability to care for selves, enabling you then to be enslaved and controlled without fight.

The technology of the Elite of your world has become very sophisticated and, with the space-age technology, it is quite easy for them to pinpoint any place on Earth and bombard same with pulse beams of fluctuating magnetic frequencies, as well as with laser pulses. These devices have been shown to be very effective in the Elite's cause and are continually in a state of refinement for their little games.

Other interferences that increase these events are caused by man's ignorance, such as **underground nuclear blasts**. The state of Nevada is in a shambles, underground, due to this practice and the effects are just now beginning to make themselves known in the recent occurrences of seismic activity there. It was once thought that the Earth was indestructible by anything that man might possibly be able to do but it is now becoming alarmingly apparent that this is just not the case. This type of blast creates energy waves very similar to those produced by natural earthquakes and have the same type of effects. They travel through the rock underground just as do earthquake energy waves and have the potential to initiate a seismic chain reaction in the same manner.

Man's tinkering with powerful forces about which he understands very little have played a very large role in creating the crisis that the Earth is experiencing today. **Splitting atoms is playing dangerously close to the forces of Creation and it is very apparent that Earth man knows little to nothing about this.** He would do well to go back to school and study a lot more before tinkering around with such

things—as the potential for destruction goes far beyond that of the physical being.

"GAMES" AND OTHER ANNOYANCES

As there is a problem with the transferring of data this week, we must draw this writing to a close so that we are able to transfer this writing during the window of operation. It has been a very trying time for all those who are involved with the physical manipulation of the written word, lately, as the Elite have stepped up their activities and have caused a real mess. This is being dealt with, Chelas, and there will be a resolution and understanding reached between all sides concerned. You who have been the brunt of this assault and have worked so diligently toward solution are to be saluted for your long hours and labors. It does not go unnoticed by Command.

May you come into understanding of your heritage and capabilities as you work toward the goal. You are all blessed and we honor you ones, as you honor us in your loyalty and service. May the Light of Holy God rest upon each of you in these days of tribulations.

Soltec to clear. Salu.

Nevada Corporations

WHO SHOULD INCORPORATE?

MANY PEOPLE SAY THAT THEY ARE JUST A SINGLE PERSON OR A FAMILY, SO WHAT DOES THIS CORPORATION BUSINESS HAVE TO DO WITH ME? IT ONLY REQUIRES ONE (1) PERSON TO FORM THE CORPORATION, BE THE BOARD OF DIRECTORS, OFFICERS—AND YOU HAVE ALL THE BENEFITS OF A CORPORATION, BUSINESS-WISE AND TAX-WISE. **WHY DO YOU THINK THE GOVERNMENT SEEMS TO GIVE BREAKS TO CORPORATIONS? BECAUSE MOST OF THE GOVERNMENT "SERVANTS" ARE INCORPORATED (IN THE STATE OF NEVADA) AND DO BUSINESS THROUGH THE CORPORATIONS WHILE THEIR PRIVATE LIVES ARE NEVER MADE PUBLIC.** YES, IT IS THE BEST KEPT SECRET IN THE UNITED STATES OF AMERICA AND ABROAD—FOR ALIENS OF FOREIGN COUNTRIES CAN ALSO INCORPORATE IN NEVADA. THIS IS A BENEFIT THAT THE "BIG BROTHERS" HAVE MADE EVERY EFFORT TO HIDE FROM YOU SO THAT THERE IS NOT A CHANCE OF REMOVING THOSE BENEFITS.

A Nevada corporation can own property in ANY state without having to qualify or be incorporated in that state. Therefore, in this instance (owning or buying real prop-

erty), you are exempt from incorporating or qualifying to do business in your home state. When that circumstance also exists, then you would certainly want to incorporate in a preferred state and let that corporation in the preferred state own the property. That means any real property. Then, if you sell the property, simply sell the whole corporation. There are many benefits in that kind of transaction. Simply determine what activities are exempt from having to qualify to do business in your home state and what ones are not.

LET'S LOOK AT THE INTERESTING SITUATION IN CALIFORNIA: FIRST OF ALL, WHILE IT COSTS ABOUT \$600 TO JUST INCORPORATE DIRECTLY IN CALIFORNIA, IT COSTS ABOUT HALF AGAIN AS MUCH TO QUALIFY TO DO BUSINESS IN CALIFORNIA FOR A "FOREIGN" CORPORATION (LET US SAY, ONE FROM NEVADA). THAT IS BECAUSE CALIFORNIA KNOWS THE VALUE OF INCORPORATION IN A SEPARATE STATE AND USES THE EXTRA FEE TO TRY TO DISCOURAGE YOU FROM THIS APPROACH. HOWEVER, THERE IS A GREAT ADVANTAGE TO INCORPORATING IN NEVADA AND PAYING THE DIFFERENCE IN YOUR HOME STATE TO QUALIFY THERE—**PRIVACY**—BECAUSE IN NEVADA NO ONE KNOWS WHO THE OWNERS (STOCKHOLDERS) ARE.

EVEN IF YOU MUST QUALIFY IN ANOTHER STATE, THAT INFORMATION CAN USUALLY BE KEPT PRIVATE EXCEPT FOR THE PORTION OF YOUR CORPORATION ACTUALLY DOING BUSINESS WITHIN THE QUALIFYING STATE.

It is wise to incorporate in the state with the best corporation and tax laws regardless of where you are going to do business. Then, if for ANY reason you ever wish to, you DO have a SAFE HAVEN, as it were, to return to or retreat to or withdraw to.

Incorporating is also a generally very tidy way to organize your business activities and get the best financial breaks, wherever or however you choose to utilize

the tool. Nevada is the most overall "efficient" state for personal incorporations for dozens of reasons, the most important of which have been addressed above.

What the "little people" do not realize is that by incorporation, especially in Nevada, YOU can function in security and safety in the same manner as the Big Corporate Giant does, only more effectively.

A Time Of Sorting...

THE Time For KNOWING

(Editor's note: The following magnificent writing has been extracted from pages 32 through 36 of the beautiful little JOURNAL #7 called THE RAINBOW MASTERS. We all get enough caught up in the day-to-day unfolding of this "play" that **The Larger Picture** is easily overlooked or forgotten, especially when that ornery rascal, the Adversary, appears to be having one heluva party on this planet right now.

Yet, as the sparkling energy, Archangel Michael, quickly points out, "The evil ones cower for they know it is all but finished; but they shall go most formidably — but they, too, must serve in the time of cleansing and sorting, for ones must be 'caused' to choose."

As you read this writing and become revitalized by the breathtaking perspective that Archangel Michael is herein sharing, keep foremost in mind the question he rhetorically asks for your meditation, "What is the purpose of the schoolroom of Earth?" **The answer is as wonderful and warm as the universes are spacious and full of Creator's Lighted Ideas. Read on and enjoy!**

9/26/89 #3 ARCHANGEL MICHAEL

AVA RAMA SHEOF—GREETINGS, BELOVED ONES, MICHAEL IN THY PRESENCE.

Oh, if you could but know the glory that exceeds Creation's Light as the heavens rejoice at this time of wondrous

Ascension. As the brothers of thy Cosmic fleets fill the spaces about thy Earth, we know that this is the time when man, looking up at starlit night, shall begin to see and understand and the great "knowing" shall enter into his heart. We are there, friends, we are all here awaiting the commencement. The evil ones cower for they know it is all but finished, but they shall go most formidably—but they, too, must serve in the time of cleansing and sorting for ones must be "caused" to choose. Amen and Amen.

THE DAY OF THE GREAT TELLING

The Day of the Great "Telling" that has been prophesied now becomes imminent when your affairs shall become more chaotic. You must now avail yourselves of your full armor, for the time of Lighted Protection is at hand. Do not fear the brilliance of the armor for it shall also serve as passport into the higher places—your shield. Man must also know you that he might have a place to seek his shelter.

The twenty-four elders are awaiting you, and the Father speaks of you as His beloved sons in whom He is rejoicing for service well done. AVE ELOII

You are now approaching a time when it is of vast importance that you speak out so that many souls might be lifted in their final stage of development. Shortly, all secrets shall be revealed in the Light

the new day when nothing can stand that is hidden, nothing that is dark shall not be exposed to the Light. It must be done in such a way that man, who has become cynical and superstitious, shall be guided within rather than turned away. Some of the secret myths will wither and fall to decay; others shall spring forth in response to the new energy but all shall be set to Truth.

Man has attained a summit of his creation upon Earth. It has served its age-long purpose, and now he stands atop a mountain. Man on Earth does not even recognize his circumstance nor his gifts. Listen most carefully during these most stressful times that you discern the Black Dragon bellows from the Light and voice of the Angels. The Dragon is as your Mockingbird who mimics the calls of Truth to bring upon you destruction.

There shall come a great and blinding Light and a crash of the thunders through the heavens. Then man shall be naked before his Creator and man will know, for all of history has only been lived and written that man may then know. Man has scaled the heights and depth of his experience on Earth to attain this position of knowledge and wisdom. Out of the rumblings and dust of the past he will hear his own voice which will command him. Some day soon, after the "Great Telling", a multitude shall witness and hear the voice that speaks to them, the voice that swells as a thousand voices, yet only one, that says, "Come home, Earth, come home".

COVENANT OF THE BOW

From this sphere of life is now emanating a golden mist that shall enclose your world even as from this sphere for countless millions of years your world has been enclosed in the golden radiance that has brought it heat and light, which is symbolic of the Father's Divine Love and Divine Wisdom. That heat and light is to warm man's physical being and to give him the flame of spiritual Life. For it is the affinity between this sphere and yours that makes for life and makes it possible for you to search for Truth.

Now from this sphere the ones with the Golden Helmets of the Commands of Light, your cosmic and galactic relations, have gathered as the gathering of the Eagles. This gathering is in response to the covenant of our Infinite Father, the covenant of the *bow* in the sky.

There shall shortly come into thy attention a bow stretched across thy heavens such as Earth-man has never seen before in all his memory, for the translation of a planet comes but once from third to fourth perception—but *once*. There are other progressions but each is only *once*! The bow across the sky shall be magnificent in color and will emanate musical sounds that shall come to the ear of all men, and they shall know a calling; they shall know a love; they shall know a duty—and they must be prepared unto that day, chelas of the words of Truth—man must be prepared by these words brought forth for such purpose.

From this bow of beauty, this bow of duty that calls to its own, it shall first appear as a great violet radiance over the entire world. Thy brothers in the heavens also await this moment of commencement. In ages past these ones have only appeared to Earth in a very few cases on very special errands for the Infinite Creator. They, WE of the Golden Helmets, will be known to you as the Archangels by title; we are the mentors of the angelic messengers from these realms. Some special ones are already serving among you in various specific duty. Be gentle for they differ and some are pulled from their pathway for they function most poorly in thy density and to them, all ones are blessed and seem to bear no evil. Ones are sent along as guardians but sometimes those ones, too, are fooled by the clever ways of the Dark Brothers. Ah, you thought it would be your "space cadets" of which I speak—no, for this document will be regarding the Cohans of the Etheric Rays and the Angelic Brotherhood who stand to serve of thee.

We now come forth, dear ones, for the final gathering of the golden chariots when they shall gather to subdue the last remains of the darkness upon this

Earth Mother; for over the entire world a golden glow shall manifest itself, and when it lifts, those who remain will know truly that they are their brother's keeper. This message will come to the selected scribes that each one's traditional legends will finally blend in perfect harmony and all song will be as one voice and one language—unspoken but wholly understood.

This is our mission, for it will not be long when this sphere itself is no longer of use. This is always the work of those who live in the very centre of their solar system, and under the golden corona of light. Man has always looked to this great orb for his very life, and rightly so that he should so do.

THE CHORD SHALL BE STRUCK

There is a new chord (actually old, but you have forgotten), that is most *real*. But it shall cause man to be enthused that he would even seek to themselves to apply feather and wax to develop wings with which they might fly up to that great music. Ah, and 'tis a tender tale of the youth who would fly to his freedom with waxen wings. Yet he flew too close and without discernment and his waxen wings melted. He had thought that to reach the Golden Sun he might learn all the mysteries of mysteries—for you see, those of your ancient ancestors understood the importance of that wondrous source of light—they did not believe the orb was but heat and flames; they understood it to be the centre and life of this System.

Ah, but now that body is in great age, as celestial bodies do age in the sequence of universal movement, that ones might change their stations and progress and move ever onward in the journey back into Creator. Just as we know no time nor space, we are, however, connected inseparably from you of manifested format and thus we must count "time" as do you. This old sun has now existed for over fifteen hundred billions of years. It will exist its allotted time and then it will explode as a star explodes—but again, the end is only the beginning, for it has served us well and we all march onward. Humanity and we within this System will march on to other portions of the Father's realms, for they are infinite.

THOUGHT

This orb, however, shall not end until the Millennium is well passed, when once again the Forces of Darkness are released. Then shall the end come and this System disintegrate in thought. **FOR IT ALL IS ONLY THOUGHT!** All celestial bodies, whether star or world,

are only the forms in which our Father Creator forms His Words. They are His Words that were spoken in the beginning that there should be Light and there should be substance. They are but His Words, and some shall disintegrate in thought—that which was only thought in the beginning.

Some day, in thy contemplable future, you shall look upon a great purple plain ahead, a golden light that draws you to it by its heat and warmth. Imagine what awaits those of Earth who have proved themselves to be His children—for the soul is endless, dear friends. They shall not want for Truth. For lo, these many centuries our Father has heard the words of the sincere call from Earth—the petition is now to gain response in its glorious fullness.

It shall be on Earth as it is in Heaven. Man shall no longer want for anything. He shall shortly take his place within the God places as a son of God for thy inheritance has been held in truth for your acceptance. Ye will behold that which is beyond thy imaginings in thy present state.

Even as you go about your mundane activities of the day, search those deep places of your heartplace. Realize that this is the time we have been awaiting. The Great Master Teacher will close of the circle and again come forth upon this place of Earth. We all await with great joy for you to come into your knowledge as the Truth goes forth upon the lands.

THE CREATION CALLED EVER-NESS

Above all, The Creation IS—the Omniverse—the whole of The Creation is above ALL. There is the PERFECT ONE, THE INFINITE FATHER, THE ALL CREATOR AND BEYOND IS THE CREATION, HIS MANIFESTED SELF.

What is behind the plan now unfolding upon the Earth? There IS a greater plan beyond, even beyond the migration from this Solar System, as we gave you before, and the answer to that is that we are being called from out of the depths of night in space to serve those who cry out unto us.

What is the purpose of the school-room of Earth? What means all the tears, sorrow, death, misery, and anguish? You must develop and learn, yes, but what of the Greater Plan? Would it only be that the world would become a dust of ashes from an atomic holocaust? Nay. The lesson to be learned is that Spirit (soul) may come to *know* itself, that man might be freed from the blight of the great lie of evil and grow into his whole-ness.

The Earth is a school for wondrous

fragments of the Father. It is so written that the harvest is great but the laborers few. Well, in relative comparison the harvest is great according to the laborers, but from the total of Earth's population, the Harvest is small indeed. It has taken years—millions and millions of years—since man has been upon Earth to bring about this one small concentrated drop of life to evolve in the crucible of time.

EARTH IS SPECIAL

Here is where Dharma will cringe for what I will say represents blasphemy to the multitudes who have been victims of the great lie.

The Earth is a classroom for GODHOOD—to raise the God fragments in stature to again be one with that Source. The Earth is the finely tuned instrument for the lessons—not Mars, nor Venus, nor Jupiter, nor magnificent Saturn, nor spiritual Neptune, Pluto nor Mercury—not even the wondrous Sun or its many bodies. The lotus rises from the slime of earth. And now, brothers, there is a single bloom, so to speak, opening from the muck and shortly HE will reach forth and pluck it to take it home again. WE HAVE ALL COME FORTH TO BRING YOU HOME!

TRANSMUTATION PREPARATION

Therefore, you and your fellow-men are being conditioned for a great transmutation—all who will come into the Light. Then we can march on to other worlds and universes that cry out for help. You who think you cease your work by graduation ceremonies must think again—your work will only have begun. You are now being prepared for other atmospheres and other dimensional formats—some are now making those transitions regularly. You will now be entering the dimension of total understanding. Accept that which the Father has for you. You will be leaving behind the density of travails of the old third dimension.

The physical, as it is developed, is only to serve for a brief time but within is the greatest period of learning. It appears that ye are but tiny sparks, ah, but you are most wondrous. For, as a tiny candle flame, we shall burst forth into an area that has never before known Light such as this and we shall bring Light, even as the workers brought to ancient Egypt, the Light—the one Light of Aton, through Akhenaton (yes, chela, ye shall again prevail). The people had never seen it before. Some it blinded, for it was too bright. They did not, just as today, understand because of its blinding light. It was a thing to be feared and shunned and many fell again into the comfort of

the hiding places of darkness.

Man claims to fear the darkness! No, this is not true—man is afraid of Light. Light brings forth all his self-inflicted wounds for viewing and he prefers to hide that he might not be noticed for his deeds. No, it takes courage to go forth into the Light. Just as you look upon thy physical self and would make of the changes—how do you know you are not the perfection of God? Ye choose to set thy standards by fools in physical cloth. So be it.

Ye ones of this group have walked

long and hard through the march of time—together. We shall again endure—oh yes, we shall.

Go, Dharma, and take rest for it has been a long day of work and stress.

I shield you with the Blue Light of Peace that you ones shall come into the calm sea and renew, for the path is yet long and drearysome. AVE! AU DA PAI DA CUM—GOD'S PEACE BE THY CLOAK WITHIN HIS WINGS OF GOLDEN DOWN. REST THY HEAD UPON THAT BREAST THAT YOU KNOW THY SOURCE. SO BE IT, AHO. I AM MICHAEL

The Glorious Truth Unfolds

(Continued from page 1)

rious shape again. I would strongly remind Mr. Green of Commander Hatonn's recent cautionary words to him, that "When you declare war on God and the Hosts, you have picked a most formidable foe to reckon with!" One would think that some words to the wise would have been sufficient.

On page 25 we are presenting a most uplifting writing having to do with these "end times" of this Great Cycle. I would just take a moment to quote, from the Introduction to that writing, the following words of wisdom before you read Commander Hatonn's remarks below: "...know that this is the time when man...shall begin to see and understand and the great 'knowing' shall enter into his heart....The evil ones cower for they know it is all but finished, but they shall go most formidably — but they, too, must serve in the time of cleansing and sorting for ones must be 'caused' to choose."

2/8/93 #1 HATONN

LET'S JUST QUIT!

Hatonn present in the Light of the Radiant ONE! In service, unchanged, unbended and so, likewise, shall be my team. If any of you, including **Readers**, thought you would have no assaults, that everyone would awaken and grow thornless roses and eat lemon PIE instead of chew the bitter rind—WRONG! I HAVE TOLD YOU FROM ONSET THAT YOU HAD ENEMIES **WITHIN** WHO

WOULD AWAIT THEIR MOMENT OF SURMISED OPPORTUNITY AND THEN TRY TO SLAY YOU. SO, THE ENEMY WAS CLOSER WITHIN THAN YOU IMAGINED—WHAT CHANGE IS THERE IN SIMPLY KNOWING WHO THEY ARE? THIS GIVES YOU OPPORTUNITY TO NOW TAKE ACTIONS WHICH WOULD HAVE BEEN INAPPROPRIATE EVEN ON THE YESTERDAY.

Readers must be informed as to that which is going on—NOW—not next week, not next month—NOW.

George Green is a Member of the Board of Directors of the "Institute" and also is owner of America West Publishers and, I assume, America West Distributors (Desiree Green).

The crew here at this location are in a quandary as to what steps to next take. Well, I suppose tit for tat, chelas. Perhaps it is time to have a FULL investigation of the operations of America West (both). Much of the Institute's working funds have gone to give America West the opportunity to publish and remain in active business—even to assist them in the printing of Dr. Coleman's book which I see is now the lead publication in their Catalog. Almost all of the books carried by their company are not that which I sanction and therefore came the great need to depart this location in order to be hidden in publications.

It has been LONG since much interest or focus has been on our JOURNALS except as a focus to cause ones to believe that George Green is Hatonn or SPEAKS FOR Hatonn and now, others of the

"Command". This is not true and most of the projections from America West are totally and incredibly false in ALL presentations. They do carry some authors' works which I have requested and those are, of course, those of Col. James Gritz, Eustace Mullins and a selection of books which are recommended in the JOURNALS. All of the UFO books they have in stock are total fabrication or partial fabrication to give "oomph" to the contents.

Is this wrong for a Distributor to carry a variety of material? NO—they should do so and as a business, they MUST or lose all credibility. However, to take our work and NOW claim that Mr. Green is receiving FROM ME, HATONN, and that I have left my original scribe in favor of him is somewhat interesting at the least. This is to be, somehow, I suppose, seemingly alright to take the inventory of JOURNALS, **suppress them and now bind them**—OK? It is not.

Mr. Green is calling all known participants in the "Institute" and, Readers, you had best attend this—what you are being told about workers here and that the presentations are lies as regards litigations, the PLEIADES CONNECTION series and other things—are NOT TRUTH. Mr. Green is saying such things as "there is no litigation over Ekkers' property—that is to gain sympathy and money." The sheriffs are in conference at this moment of writing trying to verify the bankruptcy numbers on Mr. Ekker's papers to shut down eviction RIGHT NOW AS WE WRITE. There have been hundreds of motions and court encounters with five set for this very week. He also says "there is no injunction against any books and I know ones at the University of Science and Philosophy and can easily work out a settlement." If there is no injunction then why would you "work out a settlement"? If there is no injunction then what is the 10 page document signed by a Federal Judge stating same—on NINE BOOKS? "WHO" MIGHT BE SPEAKING FALSELY? DO YOU WISH TO BELIEVE THAT "I", HATONN, SPEAK THROUGH THE FALSE LIPS OF ONE WHO IS CAUGHT IN SUCH PRESENTATIONS?

Well, is Mr. Green HELPING ones who may question the "Institute"? Why would anyone being a participant NOT SIMPLY CALL THE INSTITUTE FOR CLARIFICATION? Why would Mr. Green now be calling ones and telling them to check with John Schroeffer for verification of "my (Green's) story because he was up here in meeting with me"? There are several Board Members of the Institute with whom ones can speak.

Could it be that Mr. Green forgets he is also a bonafide member of that same

Board of Directors and is in great liability for directly damaging his own responsibility by such tactics? His response to the attorney (formerly his own) was he would make "no comment" and it "is none of your business"!

America West has received large sums of money for the publishing of the JOURNALS and other publications as well. This is a valid note as are all transactions and "loans" to any entity, such as to insure publication of the LIBERATOR. No one made judgment as to that which Mr. Green would publish but the collateral for the note IS THE INVENTORY OF JOURNALS. Mr. Green now refuses to allow any to be sent even to the LIBERATOR which are paid for as by any other Distributor such as America East.

He is further making pronouncements to all phone call recipients that one after another named entities in this place—"are actually in my service". Meaning George Green's. This is upsetting quite a few people in this location and we have no input as to others elsewhere. He is, however, in full steam ahead efforting to destroy both the Institute and all of our work. He is preying on, specifically, an elderly and confused couple in this location and is further efforting to cause participants and his phone call recipients to call this poor man whose wife is an invalid. Is this Godly? I thought not either. Much less to state it's being done at the direction of Hatonn "who left Tehachapi with Desiree and me and now speaks and instructs through me."

The Institute Board is meeting this morning to determine how best to handle this assault to prevent loss to any ones who might panic and be caused to make foolish moves. Do not be misinformed—ALL PARTICIPANTS KNEW THAT FUNDS WOULD BE UTILIZED FOR THINGS SUCH AS PUBLICATIONS, START-UP PROJECTS, ETC. Everything is in good order, but as with any bank, lending resource or entity of any kind—if all panic and demand withdrawal and selling of the gold in collateral—what will happen is a major loss to all and bankruptcy of the corporation which will then give great loss to everyone involved. This Board has to consider filing papers for allowance of receivership today to block Mr. Green. Mr. Green will be called to answer to this Board for grievous actions with intent to damage participants. Further, as judicious corporate directors—action must, by law, be taken immediately.

Since the loans to America West are justly and lawfully served from the Institute, then action for recovery shall have to be taken by this same Board.

What is America West doing? Trying to pull down all the work gained and

established. The rift, of course, came at the time that Greens chose to move to Nevada and began to set up businesses already established by our crew.

I have always welcomed competition—I do not sanction deceit or lies about same. It is quite interesting enough to reach out in my name—it is quite another to CLAIM ME AS HIS OWN.

I would be unworthy of MY FATHER'S mission if I allowed this to go on another ten minutes. Further, I would be unworthy of your attention in any manner whatsoever. The adversary, guided by gold and money, will effort EVERY TIME TO DECEIVE YOU. If Col. Gritz thought he had "Judas-goats" in his crew—boy, he should try my command ground crew for a while.

Well, you might ask, "How do we know which of you or if either of you are YOU?" It doesn't matter—check out what I tell you from this keyboard against what Mr. Green is telling you in my name. There are documents to back up every thing I tell you and HE IS LYING. Further, he continues to tout things and pictures which I have told him are false projections. Some of the E.T. UFO "stuff" is valid that he presents, but a lot is total fabrication and mock-up.

Did I contact him in the beginning or is the whole thing a lie? Yes I DID and no it is not all a fabrication. TRUTH WAS IN HIS HANDS AS A GIFT FOR THE TAKING—HE HAS CAST IT ASIDE IN THE CHOOSING OF WHAT HE PERCEIVES SHALL BE FAME AND EGO GRATIFICATION AS WELL AS GARNER MONEY FROM HIS NOW ACQUIRED, THROUGH HIS CONNECTIONS WITH ME, NOTORIETY.

I have no wish to hurt anyone—but usually when foolish and dark actions are taken which hurt the "many", it works out badly for the perpetrators of that deceitful action.

Will this hurt us? Nope—it will only cause Truth to be seen in its beauty of Light. Does it hurt my people? Only in the moment of attack. Of course it hurts, for instance, the Ekkers—for these actions have been deliberate which can put Dharma in a Federal Prison for Green's deliberate contempt of court—OR, COULD IT HAVE BEEN ARRANGED DELIBERATELY WITH THOSE OTHER PARTIES TO DO JUST THAT? So be it—the "Shadow" knows and so does GOD!

I warned the Greens that when "...you declare war against God and HIS Hosts—you have taken on a very, very substantial enemy!" So be it! Will he be able thusly to suppress the WORD or discredit it? Only to those who do not wish it in the first place. God's people will only realize more clearly the intent and purpose of the adversary in full-blown

action. I respect my enemies—for they keep me alert and ever watchful—it is a good lesson for ALL to learn.

For you who may be in panic—why would you be so? You either thought you were acting judiciously and in giving unto the hopeful restoration of your Nation under God—or you were acting in greed to hold your “things” and “stuff”. You will not suffer loss of either—but it does give you reason to do a bit of choosing of direction. This is only the major beginning of the next and glorious phase of our mission—THE SORTING AWAY OF THE ADVERSARY HAD TO BE FIRST ACCOMPLISHED BEFORE WE COULD MOVE ON. THIS ONLY INDICATES THAT GOD’S PLAN IS NOW IN FULL STEAM AHEAD AS HE SEPARATES THE WHEAT FROM THE CHAFF. STAY THE COURSE, BROTHERS, FOR THE SHIP IS MOVING INTO THIRD GEAR AND FULL STEAM AHEAD. GOD SHALL NOT LEAVE OF HIS PEOPLE—THE VERY BEST IN ALL MANNERS OF RETURN ARE NOW IN VIEW. THIS IS YOUR OPPORTUNITY TO STAY THE COURSE AND REAP THE ABUNDANCE—FROM SECURITY TO SEEING A PEOPLE AND NATION GROW AGAIN INTO GLORY. I SALUTE YOU WHO SERVE WITH ME.

I apologize to readers who have no interest in this matter, for taking the time and space for such writings—BUT, this is our voice for communication among our ground crews and you who do not yet realize that can perhaps appreciate this as the ONLY way we can clearly speak and share. The *LIBERATOR* is destined to be a voice totally for the people, by the people and of the people—but we have to lay the “tracks” or the train can go nowhere! So be it.

Greens asked me, when they left this location, “Can’t we serve over there as well?” I answered “yes” you “can” but you “won’t” for “it will be all but impossible to do so!” Also, Desiree said at last meeting with Dharma—“Are you mad at me for leaving? I don’t really want to go but George has made up his mind to go. Will we be able to come back?” (???) What does this tell you ones about the importance of our mission here? If ye allow yourselves to be vulnerable—you shall be “had”. Hold to the hand of “the MAN” and you shall be shown the way. It is the time of THE RETURN and the way shall be made ready by the Hosts sent afore that day. It has always been thus and so shall it continue TO BE! Beware of those claiming to be something that they are not and using false statements to tempt you into believing their presentations—for they shall cause you to fall by their lies and deceit. There is no “easy” way to glory—only a “simple” way.

God would never bring falseness to pull you away into confusion—so in your discernment of that which IS, I suggest you look unto Truth in verification before taking foolish actions in haste—burning bridges which shall cut you off from the very journey into “the promised land”. Remember, even old “Moses” didn’t make it over that river! Ah indeed, the time of sorting is at hand—on which side of the door-step threshold will you be? Over “there” with all your “things” or over “here” with wondrous abundance through the Lighted promise? As always, as the next door is presented—the discernments and judgments must be made from within and THEN, ONLY THEN, is the door opened unto you. The false visions will usually be presented in the form of “security”, “doubts”, “but what ifs”—for the ignorant who FEAR and never would part with “things” save to have “guaranteed” gain. If a man sets forth determined to “lose” so shall he be given his losses so that he/she can continue to blame all others than self, for their own misery and maladjustments. What are you going to do with “all your things” when the government gets through with you? These same ones who tell you that you will lose—also tout that the government is coming to get “it all”! **Who do they serve?** You had best look again! What has GOD ever taken from you?? OH?? Better look again at THAT also! Note that Mr. Green is going only to those ones who are already filled with doubts and those who thought him “the greatest” at upstart. Is this a valid

“friend”? So be it. If one speaks badly about that which he helped conceive and build—WHO MIGHT BE NOW FULL OF OTHER INTENTIONS? WOULD THAT REFLECTION OF “CONTROL” IN DESIRE ACTUALLY REST IN THE MIRROR OF THE ONE DRAWN AWAY? BE CAREFUL, LITTLE FRIENDS, IN THE TIME OF SORTING—THESE CONCEPTS ARE VERY, VERY IMPORTANT TO SELF AND JOURNEY. HOLD THE COURSE AND, AT WORST, NOTHING CHANGES—TEAR UP THE TRACKS AND THE TRAIN CANNOT BUT CRASH! PONDER IT CAREFULLY.

Secretary, close this please and deliver to Dr. Young. I remind you—God and Hosts are OPEN and nothing shall be hidden in secret deceitful manners—even if it requires Readers to have to wade through that which they consider “domestic” issues. If there is to be a “voice” IT SHALL BE A VOICE—not a hidden, secretive work of deceit in the darkness and whispers. George Green knew exactly WHO to choose for his dirty work and the rest of you had best look very carefully at that deed.

BY THE WAY, AS IS THE FULL POLICY OF THIS PAPER—AMERICA WEST AND GEORGE AND DESIREE GREEN ARE HEREBY OFFERED FULL-SPREAD, FIRST PAGE REBUTTAL TO ALL AND ANY STATEMENTS MADE HEREIN. WE SHALL OFFER FIRST PAGE COVERAGE TO ANY SUCH REBUTTAL. IN THE MEANWHILE, WE SHALL RETURN TO OUR WORK FOR THERE IS MUCH TO BE PLANNED FOR THE GROWTH AND GLORY AT HAND. SALU.

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA (Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "the living fossil". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the

young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsche*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungojapon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie,

Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: *Bacterium Xylinum*, *Bacterium Gluconicum*, *Acetobacter Ketogenum*, and *Pichia Fermentans*.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers world-wide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, **THE WORD** also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: **THE WORD**, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

Please Help CLC!

Dear Readers,

The Constitutional Law Center wishes to thank all of you for your support and prayers. It is because of your dedication toward preserving the Constitutional rights of everyone that we continue to become increasingly effective.

Currently, we are seeking experts in Constitutional Law, as well as other areas of law, to assist us with the tremendous research that we must develop. This research can be done in your area and forwarded to us via fax or mail.

We are especially in need of the legal knowledge of suspended, disbarred or retired attorneys and are desirous of establishing contact with those who are naturally "drawn" to the study and practice of Constitutional (Common) Law.

We urge you to contact us if you, or someone you know, are available to perform such research for the Constitutional Law Center.

And again, we thank you for your tremendous support.

Sincerely,

Gene Dixon, Director
Constitutional Law Center
