When Do You Recognize Changes? Are You Ready For What's Next?

CHANGES SPEEDING UP ON ALL FRONTS OF EXPERIENCE

You ask constantly if there will be changes and when. Yes indeed and they are already underway in everything from earth upheavals to political structures. Most all of these changes would be deemed quite drastic if you were allowed to see what is REALLY happening.

You cannot assume the "changes" are something to punish you in some manner for most of the drastic human experience changes are manifest by mankind itself in political form, force and control. Earth changes are going to take their cyclic alterations in the order of universal change, but also now, technology of "man" allows for interference with the natural order of that change.

We have gone over this so many times prior to this but as you ponder the speculations of massive upheaval as predicted by various geophysical resources, it is hard not to turn your attention to possibilities.

The time is drawing near when you will be shaken and scared out of your wits.

This is not as "punishment", but a need on the one hand for the Elite Controllers to show their power in force. Also, the Earth will shake and will be moved by violent forces which will cause many to lose their physical lives. The process which will cause these earth-changing events has already gotten well under-way. The changes have begun and will continue until completion for, as the very "plates" of the Earth crust are increasing in their level of motion, the "gears" of ALL become engaged so that movement in one area will cause movement in others according to the chain of events.

The real tragedy during this time is that many will actually lose their spiritual growth.

The planet Earth is under bombardment with forces which will actually cause it to change its direction in relationship to the universe. As the universe grows and as the galaxies grow, there is a dividing and splitting of galaxies. These changes are universal. Some of these events began millions of Earth years ago. Now, the growth affects your solar system, and the planets will realign to new places and points. During this realignment the Earth

will be turned and shaken, and you will have many catastrophic events. We have told you that you are in a "great" cycle change that does not simply affect the "face" of your planet.

As the planet turns and changes direction, many natural occurrences will be recognized as disasters. Mountains will move; seas will be upturned; new lands will come out of the oceans, some of the land which is now inhabited will be inundated and returned to the ocean floor to be allowed to renew. These natural disasters have already begun, but in the sequences to follow they will occur more rapidly and with increasing violence.

Ours is to warn you of these coming trying times. It behooves you each to turn to God within your hearts and minds, for in this way some of you will survive these catastrophic events by renewing your spiritual values. However, KNOW that no coercion or force shall be utilized to cause you to do so. Only through self-intent to make this journey as such, with the remnant, will you be individually led and guided.

I can only suggest that you rest-

QUOTING (Front Page, THE TEHACHAPI NEWS, Wednesday, March 3, 1993):

COUPLE PLANS TO FIGHT IMPENDING EVICTION WITH PEACEFUL 'SIT-IN'

A Golden Hills couple who help publish THE PHOENIX LIBERATOR newspaper have been evicted from their home after years of court battles.

Doris and E.J. Ekker said they plan to fight their eviction by holding a peaceful "sit-in" at their residence. Mr. Ekker said their eviction was related at least in part to the couple's role in the LIBERATOR, which often takes critical views of the Government.

"The Sheriff will naturally hesitate to proceed if a show of force is exhibited by having 150 to 200 supporters 'camping' on the property," said Gene Dixon, the couple's legal advisor.

Mr. Ekker described the eviction as a "conspiracy" between the "financial institutions and the legal system to take properties from people."

"This is being done a lot," Ekker said. "It's not just Kern County."

According to Dixon, the Ekkers purchased the property by a land sale contract from a private seller in 1986. The Ekkers made the down payment of some \$20,000 and thereafter made another payment of

the same amount.

The seller failed to transmit the second payment to the lender, and the lender started default foreclosure proceedings, Dixon said. The Ekkers appeared at the scheduled sale date, but no sale was held, he said.

However, the lender did acquire a wrongful foreclosure trustee's deed of sale and initiated legal action in 1987, Dixon said.

Since then, the Ekkers have opposed the action in court. Dixon said the couple has 12 witnesses saying that the sale was never held. Mr. Ekker accused the auctioneer and the lender of "conspiring" to not hold the sale in order to obtain title to the property.

The Resolution Trust Corp. took over the property from Santa Barbara Savings and Loan, according to Dixon.

Ekker supporters, and specifically their own church associations, have submitted a cash purchase offer to the RTC attorneys, but RTC has rejected the offer, Dixon said. Moreover, the RTC attorneys are placing additional conditions on a settlement, saying that the Ekkers must drop lawsuits against other involved parties, Dixon says.

Ekker said he is continuing to fight eviction through the courts, but his options are limited. With financial help from supporters, Ekker said he hopes to meet the conditions to bring the case before the Supreme Court.

Meanwhile, the Ekkers continue to put out weekly editions of the LIBERATOR. Doris Ekker writes much of the newspaper, Mr. Ekker said. Both he and his wife are on the board of directors of the independent corporation, he said.

One of the stories that he said the newspaper is following is the case of the Korean jetliner that crashed several years ago. He said the passengers in that plane may still be incarcerated in China, and that former President Nixon and others were part of the conspiracy.

"We're uncovering a lot of stuff," Ekker said.

ITEM #2

QUOTING (May, 1990; THE TEHACHAPI NEWS):

LETTERS TO THE EDITOR

WHAT BECAME OF JUSTICE AND THE CONSTITUTION? Briefly: On May 24, 1988 there was to have been a public auction "for our property" due to foreclosure of prior owners (we have a land contract). Santa Barbara Savings (SBS) carried the note and suggested we clear title by re-buying at the auction. Then began the nightmare. We went to the sale with money in hand and rapture in the heart for "today we would own our home"; THERE WAS NO SALE! Witnesses of the NO-SALE (at City Hall) were the Bakersfield City Clerk and the City Treasurer. Both attended three ensuing court sessions in the Mojave Court wherein the case was never "heard" because of "improper paperwork". That began two years and some eight court actions ago, plus over \$80,000 to us in legal costs. (To re-offer the sale would have cost less than \$500, but SBS refused.)

In court I asked, "How does a person obtain justice?" Mr. Brent politely explained that we should get a lawyer! (over the New Year's week-end!) In some five sessions we have never been allowed to speak nor have our witnesses been heard. We got attorneys—neither were they heard. At our last encounter Judge Brent came to the bench stating he had "made up his mind" and refused to hear our attorney's argument as he "didn't want any more facts". He said we were "dead-beats trying to rip-off SBS" and stated he wouldn't allow the case to go further because if SBS won "they wouldn't get a penny from Ekkers". Funny thing—the audio tape of the session in court has mysteriously disappeared; but the courtroom was full of people who witnessed the personal insults. A Superior Court Judge temporarily set aside Brent's ruling to allow us to rent the property by paying \$1,500 per month plus taxes and insurance while we await appeal, which could take as

long as two to four years in Superior Court.

Two weeks ago we attended a debate between Brent and John Quinlen, the opposing candidate for Municipal Court Judge. Brent looked directly at us and said he hadn't ever had a case overturned. I guess not if court records are consistently "lost". Where is justice? If we win the appeal of Brent's ruling we can expect at least 4 more sessions at some \$5-\$10,000 each! April's legal bill was \$9,500. Once you are in "the system" you completely lose control of your costs.

WHAT HAPPENED TO OUR CONSTITUTION—OUR BILL OF RIGHTS? MENTION "CONSTITUTION" AND YOU ARE PRACTICALLY CITED FOR CONTEMPT OF COURT! Even our own attorneys snicker at the word.

Judge Brent uses as campaign rhetoric that he was a member of Stallion Springs CSD (Community Services District) and feeds the wild coons and foxes—offering that as proof of caring community participation. Well, Mr. Ekker is President of the Golden Hills POA (Property Owners Association) and we have a wildlife sanctuary in our back area and also raise birds in a permanent aviary. Where do you put breeding birds when you are evicted? SBS is history—what do we do now? Does anyone actually believe we will get justice from a seized S&L who gave its top executives large raises just prior to seizure—in fact, precipitating seizure?

Our personal problem is not the point. THE CONSTITUTION IS THAT WHICH IS THE POINT. I am author of the internationally recognized PHOENIX JOURNALS and have published 13 books. I am now writing RAPE OF THE CONSTITUTION AND DEATH OF JUSTICE. Ones ask if I am not afraid to confront the system and "god" Brent? Yes, frankly I am terrified! But you see, I have EVERYTHING TO LOSE IF I DO NOT! IF WE THE PEOPLE DO NOT TAKE A STAND FOR OUR CONSTITUTION WE ARE DESTINED TO PERISH AS A FREE NATION. THE JUSTICE SYSTEM IS ALL BUT DEAD AND YOU, DEAR NEIGHBOR, MAY VERY WELL BE THE NEXT CAUGHT IN THE INVISIBLE TRAP. CONSIDER YOUR VOTE MOST CAREFULLY. IF WE ALLOW OUR FREEDOMS TO BE STOLEN FROM US THEN WE DESERVE THAT WHICH BEFALLS US.

ITEM #3

QUOTING:

July 30, 1989

Pam Johnson, Editor
THE TEHACHAPI NEWS
411 North Mill St.
Tehachapi, CA 93561

Dear Editor:

In two recent letters from Judge Jason Brent, he invited the public to participate in observing the Kern County judicial system. I have done just that on three separate occasions over the last several months, and I had a few surprises. I witnessed a courtroom atmosphere where the citing of codes took precedent over the hearing of issues, where the judge's rote verbiage seemed to literally fill the agenda. There was an atmosphere whereby the judge had all the power (obviously) and knew it, and there seemed to be moments of glee at the metering-out of sentences with no possibility of objection.

On one occasion in particular, I witnessed a blatantly biased and prejudiced Judge Brent actually say (almost verbatim), "Don't bother me with the facts, my mind is made up." In this same case he proceeded to literally slander the defendants on trial, with no pretense of impartiality.

Each time I have gone to the Mojave court, and each sitting has been for several hours at a time, I leave shaking my head saying, to quote Al Pacino in the movie *And Justice For All*, "There's something terribly wrong here."

In most cases the defendants were Spanish-speaking and, by the sheer atmosphere of impenetrable power created in the Brent court, they shrink when asked to speak, for fear of deportation or worse. I do not

discount the fact that the courts are full and judges have their hands full. They are also paid for that experience.

But the system of justice in our country was founded on some very basic principles which have gotten lost in the legal paper shuffle—not the least of which is the right to be heard, the assumption of innocence, and the right of a trial by a jury of your peers.

When people with less education or legal savvy start falling through the cracks of our society because our judges are just too busy to determine innocence, then it's time to look again. And in looking again it's time to re-assess the values that set up the entire system in the first place. For, surely, the mercy of the court must be offered to those ones without understanding of the system. As it is now, the backs are turned on those less informed and to jail they go, wondering why, in America.

Deeply concerned,

Rick Martin

3/2/93 #1 HATONN

In reference to the stories being told around about the world regarding the property investment, legal entanglements, etc., that the Ekkers have only told lies to gain sympathy and money, we wish to comment.

George Green has gone to the original "Judge" (no longer a Judge, thanks to his incredible behavior as a Judge—having

Doris and E.J. Ekker have installed these two tents in their front yard in case they are evicted from their home. The couple plans to store their furniture in the tents.

lost every election campaign since this case began). This "case" is only a minor point of steamroller politics but it might be interesting for you readers to realize Doris took a stand years ago—publicly. George is now working WITH this ex-Judge to handle his and his conspirators' and "agent's" smear tactics. Jason Brent is now in instant contact with the RTC people **ALSO UP FOR POSSIBLE CRIMINAL ACTIONS IN THIS CASE.** I believe you readers who are hearing from George with his tales of misconduct by Ekkers—might well realize that EVERY word comes directly from J. Brent and, now, George has gone further—and lumps Mr. Tips (Ekkers' attorney) as being "IN-WITH" his own side and offers "confirmation" by Mr. Tips. This is not true and Mr. Tips is getting ever so slightly UPSET!

George Green has coerced Mr. Tips into doing some things which are not fully ethical—against the best interests of the Ekkers in regards to the University of Science and Philosophy and—to George Green: **YOU ARE FRESSING YOUR LUCK RIGHT OFF THE MAP, FRIEND.**

By the way, for you who receive information from George Green that he no longer "even gets the *LIBERATOR*": *Since leaving Tehachapi he has regularly gotten first, 500 copies (free as requested), then for the past 3 or so months, 100 (free as requested) and now still gets copies sent immediately upon press.*

WHAT HAS HAPPENED?

When Satan wants to pull down the opposition—he hits where he can get results. It is, as well, a test of Truth and association. I would remind you to read the mass mailing letter sent by Mr. Green and then consider the following copy of a letter written by G.M. to Mr. Green. **It is only one of hundreds of supporting letters but seems to have very thought-provoking information contained within. We note it made no impact on its receiver, however:**

Feb. 15, 1993

Dear Mr. Green:

Thank you for your letter of 2-8-93. To be sure, these are the times for very careful discernment, of everything.

At the bottom of the first page of the above noted letter you say, "...we have come to the painful conclusion that we can no longer rely or depend upon that source of information." Earlier in that same letter you said that "...this was Commander Hatonn's paper..."

So, this leads me to the inescapable conclusion that, after 3 years of expounding on matters of Truth, somehow Commander Hatonn has now "turned" from

that path to some other one. If that is true, then some really basic character flaw in Commander Hatonn has shown itself. Is it likely that a Host of God would have such a character flaw? Or maybe, somehow, God has "screwed up" in assigning Commander Hatonn his current post? No, NO, to both questions.

So the matter really comes down to, either Commander Hatonn has turned (extremely, EXTREMELY unlikely) and/or God has screwed up (IMPOSSIBLE) in posting him, OR, something has changed or occurred with YOU, to cause you to say and infer the things you say and infer in your letter. In my opinion, you lose this race. Of course you can say that in this "contest" you have come in second and Hatonn & God have come in next to last, which would technically be correct, but, if so, **are you somehow coloring the Truth?**

It is my experience that when someone talks unkindly or outright negatively about someone else, it is an indicator that they (in this case YOU) have done something to harm or harm the reputé of that other. NO exceptions! So, what have YOU done that you are not talking about? I personally do not want your answer to this question, respond to Commander Hatonn if you respond at all. **[H: Of course, he has not and lumps me in with others who have to "go through his attorney".]**

These are not the times to be fooling around with one's eternity. I sincerely suggest you come clean. If you honestly do, I really feel that God will listen. It's YOUR decision.

Sincerely,
G.M.

Excellent food for thought, readers.

MOVE ON NOW: BO GRITZ

Goodness sakes, readers, I know you are confused and wary but each being must act in discernment for self and of all things presented.

"Bo", after being told the above Jason Brent version of "perfect law" against the Ekkers, personally to him and repeating it to Gene at the CLC, when learning the facts and lies of the presentation, said he would be at anything happening at the Ekkers. However, there has been no acknowledgement and no message from that source. So be it. Perhaps Bo is busy in Texas (Waco?). **Perhaps Bo Gritz is, after all, simply a human being and simply unable to be everywhere at once and—in any event—only able to influence minimally any events. He is not now running for President and perhaps THAT makes a large difference.**

What I am asked about mostly is the

"SAVE AMERICA" program offered by Col. Gritz and his partners. I suggested any who would and could, attend their SPIKE program but when I asked for schedules of same, received NO RESPONSE. The SAVE-AMERICA program, as presented through callers and correspondents, is that you sign-up and purchase (through that source) ONLY American made products. This is very expensive, etc. Comments? I have no comments other than it **WON'T SAVE AMERICA—FOR BUYING INFERIOR PRODUCTS AT OUTRAGEOUS PRICES WILL SAVE NOTHING EXCEPT THE POCKET-BOOKS OF THE ONES OFFERING THE PROGRAM.** Further, it requires up front donations and fees. I would suggest you investigate and discern for selves for I only offer guidelines for "wisdom" in decisions—not directions or fortune-telling bifocal glasses, American made or otherwise.

THINGS TO CONSIDER

When ones attack another—see who might have the most investment and loss potential in a given circumstance or product. Look to see who has had the most reward from the given product, where THEY shop and leisure, work and play.

As with Greens for instance: the most expensive department stores in America, Neiman Marcus (George refers to it as "Needless Markup"), is the selection of choice for wardrobe. Expensive vehicles, Mercedes and Chrysler, are choice and acquired. A comfortable security buffer of over a million dollars has been touted to many **by Mr. Green personally** for his "wife's comfort zone". Mr. Green continues to shout: "Money doesn't mean anything and herein money is not the point!" OH???

The Ekkers and the rest of the workers at this location in California shop at Pic & Save, McFrugals, Target and K-Mart. They ALL have OLD cars, secondhand, and dine at Brewer's Truck Stop while Greens lived in the secluded "guarded" community of Bear Valley Springs and belonged to and dined at the Bear Valley Country Club.

I care not what a man does with that which is HIS OWN TO USE—but when one secrets away gold intended for God's work, into his own caches and works with ones who side-track donations to the Law Center for use of enemies, when others continue to frugally survive against all odds—it annoys me.

The latest threat by Mr. Green is that "I'll pull down the Constitutional Law Center **for practicing law without a license.**" This comes as a bullet at Mr. Dixon whose license was suspended by the Bar Association of the Elite Cartel for their considered "misbehavior and deviation from their rules of mandatory (or else) behavior and conduct in a courtroom before 'GOD OF THE

BENCH". Can YOU determine if this is best for your nation and your brother-citizens?

Is it better to pull down an entire "Institute" whereby EVERYONE LOSES a LOT—to have one or two GAIN AT YOUR EXPENSE? **IS THIS GODLY BEHAVIOR—OR MORE OF THE GREEDY SAME YOU EXPERIENCE EVERY DAY IN YOUR WORLD OF CORRUPTION AGAINST YOU-THE-PEOPLE?? I ASK YOU READERS TO THINK UPON THESE THINGS FOR IF MR. GREEN "WINS IN HIS OWN PERCEPTION"—YOU ALL LOSE! IS THAT WORTHY OF GOD'S SERVICE TO CAUSE ALL TO LOSE FOR THE EGO GAIN OF ONE? IS THERE PERHAPS SOMETHING POSSIBLY INCORRECT IN WHAT IS BEING TOLD TO YOU BY GREENS AND AMERICA WEST?** So be it.

TAKE NOTE PLEASE

At any time in the past five years that Ekkers would have WANTED TO RIP OFF THE INSTITUTE AND/OR ANY OF YOU—**THEY COULD HAVE BOUGHT THIS CONFOUNDED PIECE OF PROPERTY. THEY PUT MORE MONEY INTO THE INSTITUTE AGAIN AND OVER THE COST OF THE HOUSE TO PAY FOR THE THING. WE ARE NOT TALKING ABOUT THE TAJ MAHAL OR "WHITE-HOUSE", WE ARE TALKING ABOUT UNDER A HALF ACRE OF LAND AND A NICE, BUT CERTAINLY NOT PRETENTIOUS, HOUSE.**

They have continued to REFUSE to use any funds from the Institute for such purpose even though they have more invested than do any. I take exception to that which is going around the country from Greens that they use for personal gain—YOUR assets. Greens are the ones with the secreted away GOLD sent for the Institute—and yes, frankly, by D.O. to HELP EKKERS ATTEND THEIR PERSONAL LIVING NEEDS. Now, George says the letter included in the fourth shipment of gold said "to use for personal needs if necessary." Indeed—but the assumption, because that is what he (D.O.) was told, was NOT to George's personal coffers. THE MONEY WAS SENT FOR MY (HATONN'S) NEEDS FOR GOD'S PURPOSES!. THIS IN NO WAY INDICATES "GEORGE'S" USE FOR ANYTHING!

My people are continually amazed that you ones in the public cannot SEE what has happened in all this. Well, mankind is confused and concerned because YOU still wish to place this "operation" in the category of a Texas cult or something. We have nothing except good stable corporations with men of integrity in charge. This blows out the competition every time. No one has put a cent into any fly-by-night operation here—EXCEPT THOSE WHO LISTENED AND PLACED WITH GEORGE GREEN—DO YOU NOT FIND THAT INTERESTING?

WHY, THEN, IS GEORGE SO DESPERATE?

It begins to seem quite clear that he is

being PUSHED and ordered about quite mercilessly, would it not?? Whose tool is he?? This would certainly be worthy of notation! Watch the actions, listen to the content of the stories and HOW they are told to you and you will know instantly exactly WHO IS SERVED.

Do I wish to see George Green fall? No—JUST HIS PROGRAM. I have great appreciation for him and for Desirée for that which they DID when we needed help. This does not allow me to condone actions OR INTENT—now for that which they DO. I neither condemn nor otherwise—it simply IS HAPPENING and that is what must be confronted. I have great compassion to any and all who lose their way and become embroiled in the web of disillusion and deceit by ego and greed.

I do not keep this information flowing for ANY REASON other than that YOU might have input and discernment from a situation which is prevalent, above all, in your society and daily thrust of living. "Many come but few are chosen"!!! Ones think, and shout, "I shall never fail you Father." OH?? How long and what does it require for you to "fail"? Peter managed it three times between midnight and dawn on a fateful day 2000 years ago. "He" isn't likely to fail this time—because he can now understand the difference in "intent" and "lip service". Denial by the lips is not denial within the heart intent. When you learn the difference then perhaps these testings will be less difficult to sort. ALL is but an expressed experience and, after the passage of same—only the lesson remains to guide you further. NOTHING, NO MATTER HOW PERCEIVED HEINOUS OR GREAT, IS LOST IN THE JOURNEY OF EXPRESSION. IT IS ALWAYS "WHAT YOU DO WITH THAT WHICH IS GIVEN" THAT DETERMINES DIRECTION, PASSAGE AND FULFILLMENT. If you choose the "moment" over the "infinite"—you might have problems with the passage ticket. It doesn't mean you lose the infinite but it means you have to do it all again until you get it right!

The largest problem you have, however, is that you have a world over two-thirds filled with serpent-programmed beings. Once programmed for a task or path—it is all but impossible to re-program the entity. Block the Light of God perception and the task is impossible—through simply "remoteness dilution" if nothing else. The more distant you get from God's protection and presence—the more you are subject to the whims and programming of the adversary and the happenings of the moment.

Some, moreover, are under the misassumption that THEY are acting in a GODLY manner—when in fact they are more programmed than any of the so-thought "enemy". If EGO enters, God is usually pushed out by the assumed direction taken by the consciousness! It happens to those assumed the "greatest" and also those assumed "the least". To go forth on some

"religious" crusade is no better than to go out in service to the Adversary! God needs ones who LIVE HIS WORD—NOT BLAST HIS OPPOSITION TO BITS AND PIECES. GOD'S LAWS ARE WRITTEN WITHIN UPON HIS ALTAR OF SOUL—NOT ON A ROSTER BOOK OF DOCTRINES AND RULES SET BY MAN.

IF MY TEACHINGS ARE NOT WORTHY OF YOUR RECOGNITION—THEN I SUGGEST YOU HAVE NOT STUDIED THAT WHICH I BRING AND/OR YOU CHOOSE SIMPLY NOT TO SERVE GOD OF LIGHTED CREATION. IT IS FINE, FOR THE CONFRONTATION OF YOUR LACK OF ATTENTION WILL BE YOUR OWN—NOT MINE NOR ANY OTHER'S. MINE IS TO BRING IT UNTO YOU—YOURS IS TO DO THAT WHICH YOU WILL DO—WITH IT.

HOWEVER, YOU will not be the one who decides WHO will come aboard my place of security and journey—hold THAT carefully within your thoughts!

And WHO am I to make such statements? I am come in leadership of the HOSTS OF GOD! These "HOSTS" nor that one you await is on your place in human form. WHY? To STOP CONFUSION—you don't need to think one more moment about whether or not the man in Texas is Jesus Christ or not—HE IS NOT—HE CAN NOT BE! WHY ARE YOU SO SELECTIVE IN YOUR CHOICES OF PASSAGES AND INSTRUCTIONS FROM YOUR OWN GUIDE-BOOKS? YOU HAVE ALWAYS BEEN TOLD THE FACT OF THIS TRANSITION—WHY DO YOU DENOUNCE ME WHEN YOU KNOW ME NOT?

More importantly, why do you claim to be in God's service and then cling to the lie at all costs? This needs more attention than any other action or reaction! Why do you continue to slaughter the messenger because the message causes you discomfort? Always it is to kill the messenger in hopes the message will die and, yet, it never works.

Why do you think we are not in service? Why do you THINK the explosives were insufficient to kill the 105 thousand intended in the Twin Towers in New York rather than the five? Do you not think God might have been giving you warning, chelas, of that which is about to come upon you?? THAT terrorizing was and IS an INSIDE JOB! And how is your day?

Dharma, allow us to move on to copy-work for I need to communicate with you. Yes, readers, she CAN type from copy and absorb the contents AND commune with me on other matters. So be it. It is anticipated a brash visit by the SWAT teams any moment now and the nerves are frazzled. Few come forth to attend the pieces as they fall—it was also true in Jerusalem a "few" years ago! Many faithful pray and attend as they can do so—but by and large the world simply loves the blood to be spilled and the misery level intensified for their curiosity. Accepting this fact is NOT

the same as "liking" it.

I find this all to be most interesting. There are many within the audience who could jot a check sufficient to end this entire nightmare—and yet, they ponder over the possible loss of a sheckle in the "deal". I marvel as herein we have total coverage of assets—a house appraised at twice its value as full collateral, no connection to the people in point, AT ALL, total distancing by business procedures and still we must ponder and finally deny—because of claimed confusion. NO—it is not confusion, chelas, it is denial and wishing you could get the "ticket" without the need of participation save from a distance and holding of your assets until you CAN LOSE THEM IN THE ONE WORLD BANKS! GOD DOES TEST AT EVERY TURN OF THE PATHWAY—WHO LOSES AND WHO GAINS?? I THINK YOU KNOW AND THAT IS WHY YOU AGONIZE SO GREATLY AND TRY TO CONVINCE SELVES THAT POSSIBLY THE SITUATION COULD BE A DECEPTION—WELL, GOOD LUCK, YOU SHALL BE NEEDING IT.

Let us go back and pick up the next in the offered series by Gunther Russbacher's writings. We have so many critical subjects from which to share direct information that we are stymied by the amount and lack of ability to get it all to you. We shall do that which we can and ask you readers to bear with us as we struggle through these days of darkened assaults. There are plenty out there who not only offer—but dare—with the price of such daring being the price of their very lives. WE SHALL NOT BETRAY THEIR TRUST THAT WE SHALL DO THAT WHICH WE CAN TO GIVE THEM VOICE.

3/2/93 #2 HATONN

ATTEMPTED TO MOVE ON—BUT...

Why do we get "hung-up" on this ongoing saggy saga of the "Gold Heist"? Because YOU are demanding nothing less of us. The communications pour in with demand to have all the information so as to put "my" actions where my mouth has been—open and sharing all on this related subject.

I do this in spite of the following note because the "democratic" asks for the information by great majority, but we certainly understand the half-interested reader's point. The facts are: we are not a general type of newsletter wherein we simply are here as a "public service". That may become factual at some time but at present we are here because of need to reach our own crew here and there about the nations. Also, we affiliate with no groups so if YOU wish to participate you are welcome to do so but we do not arrange or rearrange our tasks, property or truth to suit any who disagree with us. We effort to always be "just" in our presentations and even "fair"—but we are not idiots! We will present both sides of all major issues and most especially do we present, if we have any, the information as regards this current issue in point.

The objection letter is as follows, and frankly, the information base did not come from THE

LIBERATOR. The letter stemmed from our so called "protection" of Bo Gritz.

Quote:

Feb. 25, 1993

Dear Sir:

I have honored you since I first began reading your material over four years ago. I did not have good feelings about George Green then and stuffed it in order to get the information your crew offered and continue to offer.

I am perplexed at present, however, for I supported Bo Gritz—mainly because he seemed open and a patriot and was even witnessed in Tehachapi—meaning at least an open mind. However, Sir, I am now forced to reconsider my acceptance of advice as being "so hot"! I have heard what Col. Gritz has spouted off about "you" and can only wonder at why you would continue to protect him. Now that he has teamed up with George Green—according to George Green—why would I honor the S.O.B. at all?

Unless you can give me better reason for "following his leadership" than appears to me at present—mark me off the list. If these be our friendly leaders—why should we not simply follow our enemies?

Except that I recognize God has plans of His own and you are one of the representatives, I would simply cancel my subscription to the paper and go back to idiocy in the fast-lane. Because, however, I honor truth and it seems to flow from that nucleus, therefore I shall be discerning and continue to read the paper and journals. I think Bo Gritz either has some burr up his you know what...at you, or has one lodged in his brain. Either way, I find it difficult to take him at his word when his actions so bespeak a very different approach. God's chosen?? That ain't enough, Commander—WE ALL ARE CHOSEN—AND "I" ACCEPT AND DO SO WITHOUT MY WARMED ALLION SPATTERED ALLOVER THE PICTURE BOOKS.

Anyone who is undiscerning enough to bobble around with and after one nerd, George Green of disinformation fame, is not my idea of a leader for any nation MUCH LESS "OUR" GREATEST OF ALL NATIONS. If this seems disrespectful, Sir—then in your own words: SO BE IT!

Keep up the good work, let's hear what George is using for defense of his actions without comment or protection from you—for past service rendered, and let's get on with our work, old friend.

I listen to you because you have proven to be worthy of leadership—PLEASE DON'T LET US DOWN NOW THAT WE ARE ABOUT TO ROLL, SIR.

With best regards and in great respect,
I am one of the troops awaiting marching instructions.

R.B.

So, if the heat hits my toes in the too-tight shoes, I shall perhaps have to stand on my knees a while and consider the wisdom of the words as offered.

I cannot offer more on Col. Gritz for it is not given unto me to reveal that which is not my own to attend. I apologize if I have given you readers reason to think otherwise. I have had as much abuse from Bo Gritz as from any human in my acquaintanceship—but then, how else does man or "spirit" grow and learn?? I have never said, "Hatonn chose old Bo"—I have said that my orders have been to keep him alive, respect him and offer him my hand in Command. The rest is up to him. If he pulls away from me and refuses to continue in his learning and sorting, then he shall lose the protection of the "Command". It simply IS the way it IS. We do not tread whereon we are not invited. There is a higher "supervisor" to whom I answer, however, and that is THE ONE I SERVE **FIRST, LAST AND ALWAYS!** Any MAN can do whatever he wishes to do.

The next barrage of phone calls: "Is Bo Gritz in Waco, Texas"? **Why ask ME?? Call and ask the ones with Bo! Is not one life as worthy as another? Apparently NOT in some opinions—I do not attend Col. Gritz's calendar of scheduled events. I consider Bo one of my closest brothers—but indeed as the reader stated—so too are YOU one of my closest brothers so I have nothing more to offer. One life is not more sacred than that of another—save the ONE WHO ASKS ME FOR PROTECTION—OTHERWISE, I MUST ALLOW CHOICES TO THE ONE MAKING THE CHOICE.** How do I "judge"? I DON'T! What do I think? I "know" that no man knows the contract or silent-within intent of any other! That is the will of God. How do I discern? I DISCERN ERRORS IN BOTH JUDGMENTS AND DISCERNMENT. And further, in my own words as above: So be it! Thank you for your letter, friend. And I repeat something: to call you "friend" is the greatest honor to bestow upon any being!

Now, in order to effort at "fairness", I shall ask that the Editor print the letters from one D.O. (please delete all further location and identification information) and print as written. THESE are the letters George is using for his defense (in total).

(Editor's note: See next six LIBERATOR pages for the information Commander Hatonn is referring to above, starting with the "suggestive and manipulative" fax cover page from George Green.)

Please keep in mind that until July of 1992 George even states that Hatonn, etc., was working in and around this area and location. He did not even pretend that HE was Hatonn or received directly from Hatonn and therefore the assumption at the given time in point of June, 1991, with instructions for use by one Hatonn, etc., may well have been intended for MY attention and use. **I personally cannot even realize why George would wish to use these letters as DEFENSE—as they seem totally incriminating to both he and to Desiree.**

My dear George,
 Annie, Alvin, Samuel, Helen, et al.:

I have received some money from visitors,
 and amount it amounts to \$502. I have not
 the ability to most effectively do this.

Can you help?

The situation:

My mother-in-law died some three years
 ago, and I inherited her house. I have no family
 except Alvin, a few nieces and friends.

I have my \$2000 all house, all paid
 cash, and about 10K (\$10,000) in my savings
 account for emergencies, the my retirement
 pension will be \$12K per year. I don't owe
 anybody anything; no, I don't need account
 anything more.

Essentially all the inherited house, just
 now, and have deposited about 40K. This
 is what I'd like to give back to Alvin and
 company (Alvin!).

I have no connections except thru GG
 and associated to decide how to get the
 word out, since I'm on average pleasant.
 The greatest and most efficient way, maybe,
 is to use the money all as gifts. - above all,
 pay for. - Don't write it. Use it now.

A thought is that GG, GG's family, or
 Publishers, Phoenix, et al. are all
 intimately related over a family, i.e. if
 any one part of the family wants to be
 successful, then the family efficiency is
 reduced. So, if Annie and a known money,
 if GG's family, and a known money, if
 if R. R. Pub. wants a strong paper, or
 press, or if I want, then do it. The reason for
 all the above gifts is to express my
 attitude and intent. OK?

My plan:

I'll send a gift of \$10K each to
 for example, GG, GG's wife (2), Annie, Al
 E. K. or 2 each share in a under the 10K

Your problem:

I don't do the job; I have no assistants and don't know how to do it.

However, a character named G.B., the president, trustee, etc. does have the abilities to make the on-going decisions, required or knows to whom to delegate the job.

G, this isn't just off the top of my head (?) -- I am aware that you're already working 30 hours/week and 9 days/week. Help! Please.

If you're organized to read this far, you are great! But it's a matter of calling on collect any time, if you are to.

"All my love to the whole family, including the folks who take out the garbage."

IRS limit and is not payable to the recipient. But, is there a limit to how many of the above checks I can write without a stop to me? Oh no, I've got a problem -- a 20% tax plus penalties on 36K (\$X9K) would ruin my bank account.

I want to IRS to ask, and received their Publication No. 525 (6-20), which does not answer my question. I know no CPA or tax attorney. Does someone in your organization know the proper way to handle this? Using a check to Phoenix Post is treated as an investment per se -- and this is not my aim.

All my taxes have been paid, and my inheritance is added at this point, as far as.

I have no family or rich friends; if IRS hits me because of my ignorance of their "law," then what little money I'm able to

do for them I know would be lost. Would a jailed or dead martyr help Atonement operation?

5/16/92	10-7-92
My beloved friends Jim & Mary (?) E.L.B., Mr. & Mrs. G.G.:	My beloved Debra, I love you, too! Dear George, My thanks forever for your abilities and dedication. I'm trying in my small way - by still delivering Liberators and Grit's sheets to my part of town. I bless each Liberator and house I deliver to. I often feel ashamed and lost and lonely that I'm not doing more. God is surely with you both. Or No need to reply.
Except for a possible "emergency", my Tai bond accident I keep under 5,000. Investments = zero. There is plenty for me (and 2 cats!) until our little world goes to pot. I shall send what I can as long as my pension checks come in. The Ekhus and Gansu know how to use those checks most effectively to help Hattori/Atomi operations. I know your wonderful expertise, knowledge, wisdom and dedication! So, do your thing, please. I send my own love and thanks every day to every Godly being. You need not reply - You're overloaded, I know! Love, etc. D

Beloved Annie,

I will try a little to pay some of your
 bills. No good thing for Mr. Allen & Mrs. G.C.
 and your family. No need to reply, dear lady!
 Since I'm not rich as far as money goes,
 what I can do will be doing. The
 Liberator is my part of Annie.

And God bless all of you.

Dear George

Tell your beautiful Annie that

I love her, also.

No need to reply.

Never, was it suggested to KEEP SECRET THE TOOLS SENT FOR HELP OF MY (HATONN'S) WORK FOR THE FATHER OR HOARD IT IN HIS OWN SECRET PLACES AND LEND AND BORROW MONEY AGAINST IT—STASH IT FOR LATER GLEANING OF WEALTH OR ANY OTHER SUCH INTENT.

I find it equally interesting that, as you will note in the letter, one Jim Cook at "IRI" is named. This happens to be one of the ones E.J. is in constant business with so it would have been far easier for E.J. to do the business in point than George Green in ANY EVENT. The sadder thing is that there is also a Foundation now fully operational here where such can be given as a tax-sheltered resource. George Green's garage does not offer that asset, I would guess. You will also find the letters state that the use is for such things as publishing and the intent of the sums were "TO GET THE WORD OUT"—THAT "word" being that which I and my colleagues bring forth, I believe. Moreover, if this were for the express use of ones, Greens and/or America West, WHY were not THOSE assets used instead of sums from the Institute?? Would the need not have

"sort of" "come up" at that time of "borrowing" for printing?? Further, WHY did Mr. Green tell one here, in one of his first tirades against Ekkers and Hatonn—that "...the notes from the Institute (signed by himself) are just a paper trail and the debt doesn't really exist at all"??? If this be true—then NO NOTES EXIST IN REALITY AND WHY SHOULD WE STRIP THE INSTITUTE TO PAY ANYONE ANYTHING??? YOU CANNOT HAVE ONE WITHOUT THE OTHER, SIR.

At the time of these exchanges you ALL must remember—THE ONLY ADDRESS AND WAY TO REACH ME WAS THROUGH GEORGE GREEN AND AMERICA WEST!!!! AFTER READING THE LETTERS IN POINT—DO YOU STILL THINK IF THERE HAD BEEN A WAY TO GET THINGS TO ME THAT IT WOULD HAVE GONE INTO GEORGE GREEN'S SECRET HIDING PLACE FOR HIS OWN PERSONAL USE????? Come now, George, we may be a bit "slow" BUT WE ARE NOT STUPID! I will also point out that D.O. specifically states that some of the funds were for the paper—which we just established Mr. Green as saying (and especially at the time in point) was "Hatonn's".

I further note that used AGAINST Ekkers in this matter is a letter which first named "EJE" in its introduction—THIS WAS NEVER SEEN BEFORE BY EITHER DORIS OR E.J. "E"kker. This was in May of 1992. How could Ekkers respond as did Desirée IF THEY NEVER RECEIVED ANYTHING—UNLESS SEPARATELY SENT IN A SEALED ENVELOPE—AT THAT TIME, ALSO THROUGH THAT SAME SCANNER SYSTEM! I BELIEVE YOU CAN SEE HOW IMPORTANT IT WOULD BE TO NOT LET SUCH CORRESPONDENCE SLIP THROUGH TO EKKERS. Truth will always "out" my friends, if you give it enough time and rope!

As ones are readying the eviction and the very removal of furniture into these outside tents at this location—the fact that George could have bought and paid for this dwelling ten times over with just what he has skimmed off is somewhat irritating to the senses of the ones left holding the empty bag at "snipe" hunting exercises. Snipe hunting is an old Southern trick, I believe, and should be taken a bit seriously as we move through these days of sharded glass under the feet.

THE ART OF GLOBAL POLITICS

Part II Of A New Series

(Editor's note: This is the second installment of excellent research by incarcerated superplane pilot Gunther K. Russbacher. This series began last week on page 3 of the LIBERATOR. As Commander Hatonn said in his introduction last week, "Yes, we have written on all the subjects covered here—but you need 'his' background to prepare for that which WILL be coming in sequence as we move along here with his work....I believe you will find it most interesting and this will provide support for their [he and wife Rayelan] efforts to free Captain Russbacher from his trumped-up incarceration in a Missouri prison." Remember, Gunther was the one who flew Bush back from Paris on that arms-for-hostages planning trip, over a dozen years ago, that Bush claims he never made...and Gunther has the data to prove it.)

CONTINUATION OF QUOTING OF THE ART OF GLOBAL POLITICS by Gunther K. Russbacher, Copyright 1992:

THE CFR: FUNDING AND MEMBERS

The most powerful man in the CFR

[Council On Foreign Relations] during the past two decades has been David Rockefeller, the grandson of John D. Rockefeller. Along with being a Council director for thirty-six years, David served as chairman of the board from 1970-85 and remains, to this day, the organization's honorary chairman. During this time, David was also the chairman of Chase Manhattan Bank. Such actions surely must reek of collusion and worse.

Permit me to state that in my professional opinion, the Rockefellers are in no great danger of losing control of the CFR any time soon! Another generation of family members are being groomed to continue their tradition. David, Jr., John D. IV and Norman C. Rockefeller are all current members of the Council on Foreign Relations.

As mentioned somewhat earlier, the Reece Committee found that the CFR was being financed by both the Rockefeller and the Carnegie Foundation and investigated it as well as its sister organization, the Institute of Pacific Relations, stating that the CFR "overwhelmingly propagandizes the globalist concept".

In order to determine from whence the funding came, it became necessary to call upon my "so-called" ex-associates in Langley, Virginia. The response was over-

whelming. I never doubted that they would feed me a morsel or two. However, it soon became quite clear that they intended to inundate me with far more research material than I was capable of dealing with. After sorting through a virtual panacea of secrets, I did determine it to be necessary to divulge the names of many sponsors to the organization. They didn't merely contribute, they matched contributions and grand gifts during the early years of CFR's existence.

The areas of concern are actually a little more recent. We are dealing with contributors, gifts, and matching funds received between the years 1987 and 1991. These were received from leading organization men, corporations and individuals. They are deemed to include, but are not limited to Chemical Bank, Citibank/Citicorp, Morgan Guaranty Trust, John D. and Catherine T. MacArthur Foundation, British Petroleum American, Inc., Newsweek, Inc., Reader's Digest Foundation, Washington Post Company, Rockefeller Brothers Fund, Rockefeller Family and Associates, the Rockefeller Foundation, and David Rockefeller.

During the same period, the CFR received major grants from other major corporations and foundations, including (partial list) the Association of Radio and Tele-

vision News Analysts, the Carnegie Corporation of New York, the Ford Foundation, the General Electric Foundation, the General Motors Corporation, the Hewlett Foundation, the Andrew W. Mellon Foundation, the Alfred P. Sloan Foundation, and the Xerox Foundation.

Presently, the Council currently numbers 2,670 in active memberships; of whom 952 reside in New York City, 339 in Boston, and 730 in Washington D.C. Its memberships, as you the reader shall see, reads like a Who's Who in America, including most of the nation's top leaders in government, business, education, labor, the military, the media and, of course, in banking. In addition to its headquarters in New York City, the CFR has thirty-eight affiliated organizations, known commonly as Committees on Foreign Relations, located in major cities throughout the United States.

ATTEMPTS TO WARN AND EDUCATE RE: THE CFR

Rear Admiral Chester Ward, a former CFR member for sixteen years, issued a decisive warning to the American people as to the organization's intentions. For information purposes I shall cite an excerpt of his warning:

"The most powerful clique in these elitist groups have one objective in common—they want to bring about the surrender of the sovereignty and the national independence of the United States.

"A second clique of international members in the CFR...comprises the Wall Street international bankers and their key agents.

"Primarily, they want the world banking monopoly from whatever power ends up in the control of global government."

Dan Smoot, a former supervising member of the FBI headquarters staff in the Washington Office, and one of the first and primary researchers into the CFR, summarized the organization's purpose as follows:

"The ultimate aim of the Council on Foreign Relations...is...to create a one world socialist system and make the United States an official part of it."

This of course would all be done in the name of democracy.

Congressman John R. Rarick, deeply concerned over the growing influence of the CFR, has been one of the members in Congress making a concerted effort to expose the organization. Rarick warns:

"The Council on Foreign Relations—dedicated to one world government, financed by a number of the largest tax-exempt foundations, and wielding such power and influence over our lives in the areas of finance, business, labor, military, education, and mass communication media—should be familiar to every American concerned with good government and with

preserving and defending the U.S. Constitution and our free-enterprise system.

"Yet the Nation's 'right-to-know-machinery'—the news media—usually so aggressive in exposures to inform our people, remain conspicuously silent when it comes to the CFR, its members, and their activities. And I find that few university students and graduates have even heard of the Council On Foreign Relations.

[Editor's note: I can't resist including a little aside here that may be of some confirmation and amusement to our readers about what Gunther just said above. Last week, when I was checking over Gunther's text list of the CFR names and service dates of some prominent members, I came to one that I knew was a misprint—the guy was only 9 years old at the time—and assumed that it would be a simple matter to check and correct. This particular CFR member, the long-time and now-retired President of Notre Dame, the Rev. Theodore M. Hesburgh, "was" a personal friend of mine and I just reached up for his recent autobiography on my reference bookshelf. While everything else under the sun was indexed to the finest detail, guess what: no mention of his CFR membership or activities! Then I asked a "Sherlock Holmes" member of the LIBERATOR Editorial staff to check Gunther's entire list of CFR members and dates at the local library. Again, biographical resumé information, otherwise extensive, flowery and flattering, either avoided completely or severely downplayed any CFR involvement. Hmmm.]

"The CFR is 'THE ESTABLISHMENT!' Not only does it have the influence and power in key decision-making positions at the highest levels of government to apply pressure from above, but it also finances and uses individuals and groups to bring pressure from below, to justify the high level decisions for converting the United States from a sovereign Constitutional Republic into a servile member state of a one world dictatorship."

In the event that I had any doubts remaining over the real intent of the CFR, they were removed after becoming aware of the statements made over the years by the CFR itself, advocating world government. For example, on 17 February, 1950, CFR member James Warburg, testifying before the Senate Foreign Relations Committee, stated, **"We shall have world government whether or not you like it—by conquest or consent."**

On another occasion, in the April 1974 issue of the CFR journal, *Foreign Affairs* (p. 558), Richard Gardner stated that the New World Order "will have to be built from the bottom up rather than from the top down. It will look like a great 'booming, buzzing confusion,'...but an end run around national sovereignty, eroding it piece by piece,

will accomplish much more than the old fashioned frontal assault."

In *Study Number 7*, a CFR position paper, published on or about November 25, 1959, the CFR stated that its purpose was to advocate the "building (of) a new international order (which) may be responsible to world aspirations for peace (and) for social economic change... An international order...including states labelling themselves as Socialist (Communist)." (Obviously such maneuvering has already taken place among the new republics of Eastern Europe, the former Soviet Union, and the numerous, small but ethnically tormented Balkan States. No one appears willing to embrace this "so-called" new World Order!)

CONTINUE QUOTING:

THE NEW WORLD ORDER

The term New World Order (or new International Order—as termed by the Communists since 1917) has been used privately by the CFR since its inception to describe the coming world government. However, since the winter of 1990, and spring of 1991, CFR members have, for the first time, begun using the term publicly to begin the conditioning process in order that the unsuspecting public might brace and prepare themselves for what lies ahead. It is their opinion that if the American people hear the term often enough, on a daily dose basis, that they will be less likely to resist or feel threatened by it when that fateful day arrives.

The New World Order, it should be explained, is an expression that has been used by Illuminized Freemasonry since the days of Adam Weishaupt to signify the coming world government. One of the symbols portraying the message of "New World Order" was placed on the back of our one dollar note during the administration of Franklin D. Roosevelt. It consists of a multipart message. One of the parts of the message is the pyramid, containing the eye of Osiris. Under the pyramid is the writing **"Novus Ordo Seclorum"**. Translated from the Latin text to the English language, it means...**New World Order!** It must be mentioned that this symbol was designed by Freemasons. Or better said...Masonic Interests, and became the official reverse side of the Great Seal of the United States in 1782.

To this day, most people have never given a second thought to this Latin phrase or the meaning contained therein. Some unusually astute people did recognize the seal and the meaning contained therein, and began exposing it, in context to what it really represented.

The reader should also note that at the time the seal was designed, the New World Order was a fledgling, in the early stages of being built, and was not yet complete. This is symbolized by the capstone (of the pyramid) being separated from the rest of the pyramid.

However, once the New World Order has been built and the one world government is in place, the capstone will be joined to the rest of the pyramid, symbolizing the completion of the task. One must remember that the Illuminati usurps names, ideas and symbols and perverts them for their own use. There are some who believe that the symbol was created by the Founders of our country as a message of what democracy can do once it has spread throughout the world—educating and enlightening men who will join together and establish a world government based on liberty and justice for all. But from the research I have done, it appears as if the symbol has become a sign—almost a secret codeword—for the domination of the world and the subjugation of her peoples.

As I continued my reading and research, I discovered that the CFR had far more in common with the Illuminati than a mere use of the same terminology. The facts of the conspiratorial plot are known to us. The question in my mind remains unanswered as to whether we can thwart their well placed efforts.

One of the reasons you have heard so little about the Council on Foreign Relations is because its rules, like those of the Illuminati, require that important meetings of the membership remain an eternal secret! Article II of the organizational by-laws contends that:

"It is an express condition of membership in the Council, to which condition every member accedes by virtue of his or her membership, that members will observe such rules and regulations as may be prescribed from time to time by the Board of Directors concerning the conduct of the Council meetings or the attribution of statements made therein, and that any disclosure, publication, or other action by a member in contravention thereof may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the Bylaws."

Page 182 of the CFR's 1991 Annual Report further states that "it would not be in compliance" with the organization's non-attribution rule for a meeting participant...

"(i) to publish a speaker's statement in attributed form in a newspaper; (ii) to repeat it on television or radio, or on a speaker's platform, or in a classroom; or (iii) to go beyond a memo of limited circulation, by distributing the attributed statement in a company or government agency newsletter... A meeting participant is forbidden knowingly to transmit the attrib-

uted statement to a newspaper reporter or other such person who is likely to publish it in a public medium. The essence of the Rule...is simple enough: participants in Council meetings should not pass along an attributed statement in circumstances where there is substantial risk that it will promptly be widely circulated or published."

Well, so much for freedom of the press! What could be so important that such secrecy is required if the purpose of the CFR is not to influence U.S. policy in the direction of world government...a world government that does not take into consideration the welfare of its citizens?

In order to accomplish its mission of leading the American people in a New World Order, the CFR has been using a strategy very similar to the one employed by Adam Weishaupt. It was designed to surround leaders in high places with members of the Council, targeting especially the key advisory positions in the executive branch of the U.S. government, until the Council's members were in absolute and complete control of the nation's presidency. In furtherance of their goals the tactic would also be used and applied to the fields of education, the media, the military and banking, with CFR members eventually becoming the leaders in each of these fields.

(Editor's note: On the following two LIBERATOR pages we are printing a most comprehensive and well-researched chart on CFR members. This is courtesy of Cy Minett—quiet superpatriot and running mate of Presidential candidate Col. James "Bo" Gritz during the past campaign. THE PHOENIX LIBERATOR would like to deeply thank Cy for granting us permission for the reprinting of this chart. He informs us that in approximately three weeks there will be available a new and revised version of this chart. Cy can be contacted at P.O. Box 33339, Kerrville, TX 78029.)

The goal of the CFR, quite simply put, was to influence all aspects of society in such a way that one day Americans would awaken to find themselves in the midst of a one-world system whether they liked it or not. Their hope was to get Americans to the point where entering a world government would seem as natural and American as baseball and apple pie. Although this scenario might seem preposterous to many, I respectfully suggest that the reader entertain the scope and concept of how far the CFR's plans have already come. To implement such "Order" does require some time for planning, execution and on-line bringing of such a new regime.

Using illuministic tactics and with the backing from the major global foundations, the CFR has been able to advance its agenda rapidly and with relative ease.

During the 1920s and 30s the organization made significant strides toward control of the Democratic party, and by the 1940s had managed to establish a foothold in the Republican party as well. Since the early 1950s the progress has been more than merely significant. Today, the Republican party is saturated with members of the CFR; members who propagate the idea of a New World Order. It must be stated that there is very little difference between these parties, since the advent of global communications and shortened distances. Both parties are controlled by the CFR and its various sister factions, all operating for the common goal of the CFR.

Numerous historical antecedents not only exist but have been followed to the letter while building the CFR into a power with which to be reckoned. With the start of World War II, the CFR, thanks to the superb help of Franklin D. Roosevelt, managed to gain control of the State Department, and therefore, our foreign policy. Even today, this department as well as others remain firmly under control of the CFR. Recent foreign policy directives toward the warring factions of the Mid East more than prove this point. The involvement of the United States, the United Nations, and the Arab League in the affairs of Iraq adequately verify the writer's contention that the war waged between the Coalition forces-Kuwait and Iraq show a greater goal was at stake.

It was not merely the issue of Mid East oil. It was one dictator's will against the will of a larger and more powerful one. Oil played a significant part but it was not the only cause of the hostile action. The reader must bear in mind that Kuwait, only recently, was a part of the state of Iraq. It was through United Nations Decree that Iraq was forced to give up its territory and cede political government in the region once known as a province of Iraq. No one considered the will of the Iraqi people. It was done in a covert and underhanded way. All signs point to the infiltrated Department of State. It was a CFR member who voted that such action was compatible with the furtherance of the New World Order.

Rene Wormser, a member of the Reece committee, explained so well how the United States permitted itself to be drawn into and accept the CFR. Such history dates back to the Second World War. Wormser stated:

"[The] organization became virtually an agency of the government when World War II broke out. The Rockefeller Foundation had started and financed certain studies known as *THE WAR AND PEACE STUDIES*, manned largely by associates of the Council; the State Department, in due course, took these studies over, retaining the major personnel which the Council on Foreign Relations had supplied."

A CLOSER LOOK AT THE CFR AND THE UNITED NATIONS

CFR control of the State Department would insure U.S. membership in the United Nations following World War II. In fact the Council on Foreign Relations would act through the State Department to establish the U.N. These details, long known by Consular Operations and Central Intelligence personnel, were finally revealed in 1969 during a debate between Lt. Colonel Archibald Roberts and Congressman Richard I. Ottinger, Director, United States Committee on the United Nations. During this somewhat spectacular debate, Col. Roberts testified:

"...the United Nations was spawned two weeks after Pearl Harbor in the office of Secretary of State, Cordell Hull. In a letter to the President, Franklin Roosevelt, dated 22 December, 1941. Secretary Hull, at the direction of his faceless sponsors...recommended the founding of a Presidential Advisory Committee on Post War Foreign Policy. This Committee was in fact the planning commission for the United Nations and its charter."

Col. Roberts went on to identify the people who made up the Committee, besides Secretary Hull. The list included various department advisors and staff members, CFR officials, and leaders in education, the media, and foreign policy research.

These are the real founders of the United Nations. Altogether, ten of the fourteen Committee members belonged to the CFR. As Roberts pointed out, "Each member of the Committee...was without exception, a member of the Council on Foreign Relations, or under the control of the Council on Foreign Relations."

In 1945, at the founding conference of the United Nations, forty-seven members of the CFR were in the United States delegation. Included among these were Edward Stettinius, the new Secretary of State; John Foster Dulles; Adlai Stevenson; Nelson Rockefeller; and Alger Hiss, who was the Secretary General of the U.N.'s founding conference.

To make certain that the United States would not back out of joining the United Nations, as it did with the League of Nations, the international body would this time be located on American soil. Such a gesture, it was determined, would make the American public less resistant to the move. The land for the United Nations building was "graciously" donated by John D. Rockefeller, Jr. The land had been a slaughterhouse and the soil where the U.N. buildings now stand had been fully saturated with the blood of the slaughtered animals. Knowing what I do about the purpose of the United Nations, I can think of no place more fitting.

By getting the United States to join the U.N., which represents a limited form of world government, the Council on Foreign Relations had accomplished its first major objective. Using its influence in public education and the media, the CFR would now proceed to cast a favorable image for the United Nations among the American public, eventually leading step-by-step to U.S. participation in a full blown system of world government. This, it was realized, would take some time.

Had the CFR attempted and tried to bring the United States into a world government all at once, the effort would have failed. The American people would have reacted full force against any such attempt. ***The immediate purpose of the U.N. was therefore merely to warm Americans up to the idea of global government.*** You may rest assured that it was a well constructed conditioning plan.

Since the United Nations was founded in 1945, two of its main leaders have been guilty of outrageous actions. Alger Hiss, for example, was exposed as a Soviet operative and spy. Secretary U Thant praised Lenin as a leader whose "ideals of peace and peaceful coexistence among states have won widespread international acceptance and they are in line with the aims of the U.N. Charter."

Secretary General Kurt Waldheim was regretfully and erroneously targeted and smeared by factions who were not able to exercise any degree of control over him. They branded him as a Nazi Foot Soldier, and smeared his honest name throughout the world. It was the largest slime and smear campaign ever undertaken by the United States Department of State and the CFR in its entirety. All America is aware of the atrocities attributed to Waldheim, having heard about them or read about them in the international media.

Yet in spite of these revelations, most Americans today continue to view the U.N. as a "good organization". It is truly amazing what a media publicity campaign can accomplish. It can cover the misdeeds of many and destroy the very honor of the one man who was totally dedicated to promote good will among men. One of the oldest tricks of the Illuminati was to label their enemies as having the black hearts and evil motives that were actually their own. In this way, down through the ages, they have branded and burned their enemies, and turned the gullible public against their adversaries.

Along with being responsible for the United Nations, the Council on Foreign Relations would go on to serve as a main-spring for numerous spin-off groups, such as the Club of Rome, the Trilateral Commission and, with some error, the Bilderberger Society. All but the Bilderbergers were designed to carry out a

specific task within the broader mission of establishing a New World Order. The creation of these organizations represents a restructuring of the one-world political hierarchy. This hierarchy is always changing, revising, and adapting itself to current situations. This must be done so that it can more successfully and effectively further its agenda.

The hierarchy, among other things, had called for world government to be achieved in stages through the forming of world administrative regions. This was in accordance with the U.N. Charter, which encourages the implementation and administration of world government on a regional basis. (According to chapter 8, Article 52 (2-3) and 53 (1) of the Charter, under "Regional Arrangements".)

The strategy was really quite simple. The countries of the world would first be merged into several regions. This would serve to break down the long standing concepts of national sovereignty. Then, region by region, they would be merged into a system of world government. The idea was grand, but national politics were not counted upon. All one has to do to understand this is look at Europe as it tries to ratify the Maastricht Treaty or move to Mexico because of NAFTA. (North American Free Trade Agreement.)

However, as previously indicated, with emphasis placed on nationalism, it was soon realized that regional government would be next to impossible to achieve politically because of resistance to the idea from the world's people. ***That's when the powers-that-be decided to divide the world into primary economic regions first, hoping to pave the way for later political unions based and predicated on the same geopolitical boundaries.***

THE BILDERBERGERS

In order to accomplish this feat, several special task organizations were established to oversee the creation of regional trade associations. The society responsible for Europe's economic integration would be the Bilderberg Group, here known better as the Bilderbergers.

At first it was assumed that this society would form a complementary relationship with the U.N., the CFR, the Club of Rome, the TLC [*Tri-Lateral Commission*] and numerous other sister organizations founded to promote a singular one world order. This was not to be the case as the members of the Bilderbergers Society were (are) members of Europe's old hard line aristocracy. They were more nationalistic than the entire global cabal combined. They began to break away from the CFR gang and forge their own New World Order, based on freedom and equality for all citizens.

The present day and public name for

the group was derived from the Bilderberg Hotel in Oosterbeek, Holland, the site of the association's first meeting in 1954. The present day group consists of approximately one hundred power-elite from the member nations. Most of them are members of the North Atlantic Treaty Organization. However, Austria and France were admitted because the organization originally appeared within their respective borders. Many of these Society members have come from a long heritage of Templar Knights. Many of their ancestors served as Knights Templars as well as Crusaders throughout the wars in the Holy Lands. Today's leadership is at relative ease with the Council on Foreign Relations.

The express purpose of the Bilderberger Society was to regionalize all of Europe. This goal was revealed by Giovanni Agnelli, the head of Fiat and one of the leaders of the present day Bilderbergers. Agnelli stated:

"European integration is our goal and where the politicians have failed, we, the old world elite, intend to succeed."

The original seat of the prior Bilderbergers was Schloss Bilderberg, in Passau, Germany. Here they met for hundreds of years to promote commerce between the many fiefdoms along the riverways of Austria, Germany and France. These Dukes ruled their lands with fists of iron and wills of steel.

George McGhee, the former U.S. Ambassador to Germany, revealed that "the Treaty of Rome, which brought the Common Market into being was nurtured at the Bilderberg meetings." In other words, today's European Economic Community, which is soon to become a political reality, on December 31, 1992, is indeed a product of the Bilderberg Group.

Although the Bilderbergers share some of the goals discussed earlier in this article, they differ considerably as to what the average citizen stands to gain in giving up his nationality to further a United States of Europe. It is common knowledge that most, if not all of Europe, presently has adequate housing, food, clothing, and most important, medical care for all of its citizenry. No one lives in a slum-like environment. Children receive free education, only subject to the students obtaining and holding a passing scholastic grade. Although money is an object, or better stated...the piece d'resistance, the food of the burgher is deemed to come first. It is the contention of this writer that the goals expressed by the Bilderbergers merit closer examination.

As my friend Dave Emory puts it so well...."It's food for thought and grounds for further research."

For lack of space, the rank and file of the Bilderbergers shall not be discussed in this particular article. A larger and more informative exposé is being planned for the next installment.

Therefore, the focus of the next installment shall be directed to exposing as well as discussing the negatives and positives of the Bilderberger Society, and its impact on the rest of the heretofore named organizations. As an alternate topic, the Tri-Lateral Commission, its history, agenda, and opportunistic growth patterns shall be scrutinized. Exposure of these organizations can not harm the American Will to survive. It merely gives us the much needed ammunition to fight a war for which, by virtue of our large and demographic landscape, we are ill-equipped to wage.

AFTERTHOUGHTS

A lone and single thought, nurtured and brought to action on our common behalf is a round fired for freedom. Let us not permit this chapter of history to be written without our input for proposed change. Never give in to these globalists. Remember the battle cry of John Paul Jones...

"I have not yet begun to fight..."

I urge each and every one of you to shout with me the new cry for battle...the pledge we learned in grade school; the Pledge we grew up with, and learned to honor and revere... Ladies and gentlemen, I am referring to the pledge upon which this country's way of life is based...I am referring to

THE PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA!!!

This short pledge says it far better than I could ever dare. It speaks not for the globalists; it speaks not for a New World Order. It speaks of the flag of these United States, and not the flag of a United Nations. It speaks of **One Nation under God**, with liberty and justice for all. This was the dream of the Founders of the United States of America. While they may have dreamed of taking their dream to the whole of the world, they never in their wildest nightmares imagined a one world government based upon the enslavement of its peoples.

We cannot let this country be lost because her citizenry cannot see what the global masters have in store for us. We must form a figurative chain, interlocking arms to show our national pride and unity. This must be done immediately, before they manage to separate and divide us. Their tactics include clever plans for dividing and conquering a people. If you are

made to believe that you are separate and apart from other Americans, you won't mind when their rights are taken from them. And slowly one by one, with the same tactic known in prewar Germany as **"the salami tactic"**, you will suddenly realize that you have given up all your rights and you too will have become a slave of the new world order.

We have a covenant, signed and sealed with the blood of those who came, lived, fought and died for liberty and freedom long before we were born. You live freely because of their commitment to an ideal of self-determination, liberty and justice for all. The thread of their dreams that reach from them to you will surely wither and die if you do not pick up their ideal and carry it to its completion. Fight for your freedom...fight with everything you have. Let the united will of the American people preserve our way of life and our ideals for those who shall, God willing, come after us.

Lastly, let us proudly tell the world that we are Americans...we have a history...we have a purpose...we stand as a beacon for the rest of humanity of freedom, liberty and justice. We will not be swallowed up by global masters who wish to exploit us for their own economic gain. We will march forward with our arms interlocked and proclaim to the world that we **ONLY** pledge allegiance to the flag of the United States of America...and we're damned proud of it!

A FINAL WORD OF WARNING

If you do not take personal responsibility for your country and your way of life right now...you will only have yourself to blame as your liberties erode. Get involved...get informed and then get started informing others. We must reject the one world government, we must reject the U.N. troops on our shores, we must reject NAFTA.

WAKE UP AND TAKE BACK YOUR COUNTRY!

**IF NOT YOU....WHO?
IF NOT NOW....WHEN?**

END OF QUOTING.

Let us pause and ponder for a moment or two. We are asked WHY do we not just give Dharma a few days of rest so that she might at least move and find other placement! I have presented this to these ones here and I get this response: **"No, Father, as long as there are ones like Gunther Russbacher who MUST WRITE FROM A PRISON CELL BECAUSE HE SIMPLY FLEW**

*HIS PRESIDENT BACK FROM PARIS AS ORDERED, I shall send forth His word for as long as my computer is plugged in—wherever it may be—in the gutter if necessary, as long as we have voice we shall cry out, as long as we have means and the freedom to use our voice and hands—we shall do that which another perhaps cannot do.**

God blesses you, precious friends; I humbly serve WITH you in great honor.

If you wish to write to Gunther: Gunther

Karl Russbacher, Captain, U.S.N., JCCC - 184306, P.O. Box 900, Jefferson City, Missouri 65102-0900. Or through Rayelan Russbacher, P.O. Box 3078, Carmel, CA 93921. Either and-or BOTH need your encouraging support as the road is lonely and hard as the enemy sets forth to destroy. Remember to consider the information offered prior to this in the *LIBERATOR*, through Rayelan [see page 27 of the 2/16/93 *LIBERATOR* for an informative

update and available tapes from Rayelan; also see Gunther's warm "thank you" note to *LIBERATOR* readers on page 36 of the 2/23/93 *LIBERATOR*]. This offering is the only help we can give at present due to the circumstances of the ones in this location. JUST REMEMBER, HOWEVER, **GOD WINS!**

GOODNESS GRACIOUS, PEOPLE!

Scientists And Psychics BOTH Say "Big One" Is Very Near

3/3/93 SOLTEC

Good evening. Soltec present in the Light of Holy God. I come in service with the Host of Heaven during this time of Earth-Shan transition as helper, guide and teacher to you of Earth who will hear.

I am in receipt of an inquiry made by one B.W. This inquiry makes reference to an anomaly, which according to Earth scientists, is to occur between March 7 and March 21 of this year. **According to the information B.W. has received, the moon will pass within 216,000 miles of your planet [rather than its usual average 233,000] and scientists feel this may trigger the "BIG ONE", as well as activate possible volcanic activity in the Pacific Northwest, Mt. Rainier and-or Mt. Baker.**

First of all, let us have a small lesson in lunar effects upon your globe. The lunar rotation about your planet, along with its relationship to the position of the sun, is the driving force of the tidal activity on Earth. Depending upon the alignment of the Earth, Moon and Sun, you have either high tides or low tides. When the Sun and Moon are in alignment on the same side of the Earth, you experience the new moon and extreme differences between high and low tides. This is due to the gravitational forces exerted by the Sun and Moon being in alignment. There is also something known as the effects of elliptical orbits, which has to do with the fact that the rotation of the Earth and Moon around the sun is not a round orbit, rather it is more elliptical or oval, and therefore, the orbit of the moon around the Earth is likewise

elliptical, rather than round.

The point at which the moon is farthest away from the Earth is known as the apogee and this distance, though varying somewhat from orbit to orbit, is roughly 252,000 miles; while the point at which the moon is closest to the Earth is known as the perigee and this distance is roughly 233,000 miles. The time period for the moon to move from perigee back to perigee is a period of 27.5 days, known as the anomalistic month. The sun also has maximum and minimum distances from the Earth, due to this elliptical orbit, and these are known as perihelion (approximately 92.2 million miles) and the aphelion (approximately 94.5 million miles). The aphelion occurs during the summer months, while the perihelion occurs during the winter months. (This is in the Northern Hemisphere—the opposite would, of course, be true in the Southern Hemisphere.)

Realizing that this is a very basic lesson, it should at least provide a general idea of the causes of the changing tides. Yet, what does this have to do with earthquakes and volcanoes? Let us not forget that the sun and moon also have a definite effect upon the plate movement of the Earth, as well. These gravitational forces that affect the tidal movements of the oceans affect all else as well. Sir Isaac Newton's *Philosophiae Naturalis Principia Mathematica*, published in your year 1686, stated in the preface, "...I derive from the celestial phenomena the forces of gravity with which bodies tend to the sun and several planets. Then from these forces, by other propositions which are also mathematical, I deduce the motions

of the planets, the comets, the moon and the sea." His law of gravitation states that every particle of mass in the universe attracts every other particle of mass with a force that is proportional to the product of their masses and inversely proportional to the square of the distance between the masses. The greater the mass of the objects and the closer they are together, the greater will be the gravitational attraction. Actually, tide-generating forces vary inversely as the cube of the distance from the center of the Earth to center of the tide-generating object, instead of varying inversely as the square of the distance, as does the gravitational attraction. However, Newton's theory was the basis for your understanding of why tides behave as they do, and what effects there might be upon plate movement and stresses.

Therefore, based upon the above, it is logical to expect the moon to have an effect upon the movement of your tectonic plates, and upon your planet's molten core, if all objects have a gravitational effect upon all other objects. And, due to the fact that you are in the stages of the moon and sun being at their perigee and perihelion, and maybe even a bit closer than on average, you have much stronger gravitational influences upon your planet from these two bodies.

In the past month, you have experienced several relatively small earthquakes in the Northern California coastal areas of Cape Mendocino and Eureka. They have not been much more than 3.0 to 3.2 on your scales. Yet these are, nonetheless, important to take into consideration. Let us also take into consideration the predic-

tions from one of your own "psychics" or "prophets", who has been experiencing visions for quite some time relating to the upcoming Earth Changes.

(Editor's note: This would be the outstanding Gordon-Michael Scallion, whose THE EARTH CHANGES REPORT is read monthly by many people around the world. For those of you readers who may be interested in his fine publication, it is published by Matrix Institute, RR1, Box 391, Westmoreland, NH 03467; telephone 603-399-4916; fax 603-399-4340; \$50 for a one-year subscription. Tell him THE PHOENIX LIBERATOR sent you! Also, he will be on Fox Television's program SIGHTINGS, probably this coming Friday night 3/12/93, or whenever it is aired in your area.)

As he states in his Issue 18 of THE EARTH CHANGES REPORT for March 1993, "When Fox's producer called and asked me to do the show and share my message of Earth changes, I agreed if they could air the show as early as possible, preferably in March, so I could use this opportunity to warn the citizens of California. They were gracious and not only agreed to do it in early March, they also asked if they could present my Future Map of the United States on this show. I could not think of a better way to reach so many California people, as well as informing the nation of these changes. Once again the power of Spirit is at work." Amen! As Commanders Hatonn and Soltec often remind us, God indeed works in His own ways for those with eyes to see and ears to hear! Since I'm told he wasn't on SIGHTINGS this Friday night 3/5, it should be assumed that the next week's date of 3/12 is the next critical one to watch out for.)

Know, also, that the nearer you are to an event, the more likely prophecies or predictions are going to occur. This is due to the fact that less events may alter the outcome. Though this is not cast in stone by any means, it is worth considering, especially if the same information is coming from more than one source. Such is with that which follows.

One of the visions he has seen is in reference to the breaking up of California. The first fracture begins to break near Eureka, California and extends southward to Baja. This first fracture, he believes, from his visions, will take place **BEFORE MAY 9, 1993**—which is just slightly over two months from this date. After this first break, he believes that there will be several small islands left, which will be the remnants of Western California.

During the second fracture, he sees the Earth breaking near Newport, Oregon south on a slight curve to Phoenix, Arizona, which takes in the remainder of California and

western Nevada.

The final fracture includes the balance of Oregon, western Washington, western Idaho, most of Utah, parts of southern Wyoming and most of northern Colorado.

He also sees in his visions volcanic activity in the Pacific Northwest—Mt. Rainier and/or Mt. Baker, to be precise—interestingly enough, the same as your scientists seem to be exhibiting some concern about. This same person has had visions of renewed volcanic activity in the Long Valley Caldera, which is on the central portion of the border between Nevada and California. This volcano last erupted approximately 700,000 years ago. The ash cloud produced from this volcano extended as far east as central Kansas and Nebraska, as far south as Mexico and as far north as northern Wyoming.

This volcano is still capable of producing activity because magma is still present at variable depths beneath the caldera floor. The floor of the caldera has slowly domed upward since the explosive eruption that formed it. Around 1980, the rate of uplift here accelerated to 25 cm in about two years and was accompanied by swarms of earthquakes, some of which were in the range of magnitude 5 to 6. The magma moved from a depth of approximately 8 km in 1980 to 3.2 km in 1982. Therefore, your scientists are quite concerned with this little waking giant, as the earthquakes have continued, which carries the implication of renewed magma movement.

Is all this likely or even possible? Keep in mind the current situation that you ones in California and other Western States are in because of the heavy amount of rainfall that you have received in the past two months. The ground is fully saturated, and because of the pulverized soil, you are literally floating on a sea of mud. This has caused much instability in your ground, so earthquakes of large magnitude are quite possible, and with the moon's relative position, exerting stronger gravitational influences at this time of year, you have the potential for some heavy seismic and-or volcanic activity at this time.

Also, take into consideration all the earth shaking that has been occurring on your planet, the renewed volcanic activity in the Pacific Ring of Fire, the newly discovered chain of 1,100 volcanoes off Easter Island, the heavy interference of the Elite—and draw your own conclusions.

Remember also that your planet, being a living organism, reacts to the energy frequencies produced by all that are living on it. The energy of Earth's inhabitants is extremely destructive at this time, as is evidenced by the daily occurrences you see and hear on your television and newspapers and radios. Look about you and listen. What do you see and hear? Violence and destruction everywhere.

Chelas, your prophecies are being fulfilled daily, if you would but listen and pay attention. It is so evident that you should not need us to be telling you of what is coming about. For those of you who "feel" that something is "in the air", you are absolutely correct, for there are so many things occurring at the same time that many of you are feeling frenzied—bombarded by the confluence of so many energy frequencies.

Do you wonder why you are exhausted? Do you wonder why you have difficulty relaxing enough to fall asleep at night? Do you wonder why you are feeling ill? It is the combined effects of what your planet is going through right now. **IT IS THE TIME OF YOUR TRIBULATION!**

Confusion and frustration abound as you wind your way through this labyrinth of change, and because you and your planet are linked, you are feeling all these energy frequencies and are reacting to them, just as is your planet, for she is no different than you. The planet feels and reacts, but her reactions are in the form of changing tectonics, increased volcanic activity, changing weather patterns, earthquakes and the like.

We are here to help those who will hear through this time, as there must be a remnant that gets through this—a remnant that takes its steps upward to the next dimension of spiritual evolution on your path back to the Divine Source. It is a marvelous journey, filled with multitudes of opportunity for growth and learning.

There is nothing mystical, nothing magical about this journey. The path is most natural, for all in the entire Universe are traveling the same path, just on different levels of progression and expression. The approach of your world's transition brings with it the tribulations being experienced today, as all things must complete their cycle prior to the transition, and this is what you are seeing taking place daily. All must be purged during this time, and purging is the order of the day.

Though it may seem to ones that all is unraveling, it actually is weaving and re-creating, just as your planet is re-creating herself in preparation for this transition. Time appears to have speeded, as it must, for you are approaching a level of a new awareness and understanding of your relationship to time and space. Your world will be totally changed once you have experienced this transition to the next level of development. Those that awaken and come into acceptance of this changing will step across the threshold of a totally new, re-created planet Earth—one that is conducive to the new life form—you.

Do not mistake this acceptance of change for that which your Elite are touting, for their idea of change is not that

which is the Natural Order. Theirs is the change that is meant to trap you forever in this dimension of experience. It is the plan of the Adversary, who is very hard at work to keep you from taking that step forward.

As you have been told before, the Adversary's fight is with God and he intends to do all in his power to keep God's creations from returning to the Divine Source of Creation. So, once again, you must use your **DISCERNMENT** to know what is the change brought about by God and the change that is brought about by the Adversary, for they are in total opposition to one another. **KEEP YOUR EYES ON GOD AND GOD ALONE.** The lie is extremely strong and subtle at this time and you who have elected to serve God need have the discernment to know the difference between God and Adversary.

Your survival depends upon your ability to **DISCERN** on many levels, not the least of which is ability to "feel" your planet and know the changes that are taking place. By this knowing, you will be able to make determinations of where is safety and where you will be better off. You are being guided and taught by the Hosts of God of Light. Through this guidance you are learning to know **The Truths** on many levels and it is through this knowing that you are developing your ability of **DISCERNMENT** and will be able to survive this transitional time.

See that you fear not, for fear is the strength of the enemy. Know **The Truth**, and you shall be set free of the fear. Thank you for your attention and for your time. You honor us in your loyalty and in your service unto Holy God of Light.

Soltec to clear. Salu.

SNORRES KONGE SAGAER I

(A SUPPLEMENT TO SECTION 2, PART III AND END OF SERIES ON ROBOTIDS AND THE SNAKE PEOPLE; PLUS AN ADDENDUM ON ADMIRAL BYRD'S FLIGHT BEYOND EARTH'S NORTH POLE)

On 02/22/93, I received, from a generous and thoughtful researcher using the pen-name, Jenta Fra Norge, additional material on "Odin" and his times. It is taken from the Norwegian book titled, *SNORRES KONGE SAGAER I*, meaning Snorre's King Sagal. An account of Odin and his descendents, the Vikings and Kings of Norway. The book was published in the Norwegian language by Gyldendal Norsk Forlag, Oslo, Norway. No publishing date is given. Jenta Fra Norge has translated a portion of Part 1 of this "Sagaer" from the Norwegian, and provided some pictures from the book which illuminate the story. The account takes us up to Magnus Barefoot, son of Olav Kyrre, who became King of Norway in 1093 A.D. The title to this Part 1 is: *Ynglingesage, Snorre Sturluson's Tale*. Snorre lived in 1080 A.D., his birthdate and date of death are not given.

The material is more than can be included in one article, and probably more than is critical for our purposes here. Therefore I will quote parts of it, in order to give more details on the subject of Norse history and beliefs—and add comments to bring out the significance to the material already presented in some of my previous articles. There are three letters of the alphabet in Norwegian which we do not use in English. I will use the English letters, or their ap-

proximation, throughout. The author gives us a running tale of the "Kings", their exploits, their families, their laws and "religion", their travels and their deaths. The tale does not give the actual dates of each rule.

The first page provides a description of the Earth as known to the Norwegians prior to the eleventh century A.D. (Snorre's time). I quote:

"Kringla Heimsins, (the disc of home, or the round earth-kringla, a kringla being a **bagel-like** disc of bread), which mankind lives on, is much cut into by the ocean, huge bays come from the wide ocean into the landmass. We know there is a sea from Norvasund (lit., the narrow sound, the old Norrona name for Gibraltar) all the way to Jorsalaland (the land about Jerusalem), and from this sea there goes a long seabottom toward the northeast, that is called the Black Sea (Svartehavet). This divides among the three parts of the world, in the East it is called Asia, and the lands to the West some call Europe and some Enea (from Aeneas, the king's son from Troy, according to tradition, father of the Roman race.)"

From the above, it shows that the people in Snorre's time believed the earth was flat, and the land was enclosed by water. It also shows that the people of the Northland were familiar with the area of the Mediterranean and Black Sea. Two maps are printed with the account which depict the earth as known at that time. Whether the maps were included in Snorre's original work, or added later by the publisher is not clear. The idea of the earth being "**bagel-**

like" is curious, for bagels have a hole in the center! The map shown does not depict such a "hole", but is a flat disc showing land masses encompassed by water. The map has the Mediterranean Sea in the center with Asia, Europe and Africa surrounding it and water surrounding the whole. Perhaps Snorre's "bagel" or "kringla" is the land masses (continents) surrounding the "hole" of the Mediterranean Sea. I pursue the point because of other legends coming from the northern countries regarding a hollow earth with "holes" at the North and South Poles. It is possible Snorre was unaware of the other legends, although his picturesque choice of words is interesting.

Continuing with this narrative:

"To the North of the Black Sea lies Store Svitjod (Big Svitjod or Scythia; Snorre means most likely Scythia Magna which in olden days lay in Southeastern Russia), or the Cold Svitjod."... "The northerly part of Svitjod lies unpopulated because of the frost and cold, likewise the southern part of Blaaland (referring to Ethiopia or Northwest Africa) is desolate from the burning sun. In Svitjod there are many large towns, there are also many kinds of people and many languages. There are riser (?) and there are dwarves, there are Blueman (Africans) and there are many different kinds of people. There are also animals and dragons there, horribly large."

This "Svitjod" is the area inhabited by Japheth's sons, according to Biblical accounts, or the Khazars. It was also a trading and merchant area in which many peoples had gathered. According to Snorre, Odin was a great traveler, and could be away from home several years at a time. He also had great land holdings in Svitjod!

"Odin had two brothers,"... "Ve, the other Vilje (Will). These brothers ruled the kingdom when Odin was away." At one time Odin was gone so long that Ve and Vilje divided Odin's estate among themselves and shared his wife. When Odin returned he took back his wife! In Snorre's account we see that, indeed, Odin, Ve, and Vilje were not a trinity of "gods"! They were three, strong, aggressive brothers from Scythia (AKA Svitjod, Gothland or Goatland)!

Snorre relates a great deal about the "Vikings". When times were bad or when men needed something to do, they would "go a viking", which literally means: "raiding and plundering"! The story includes brief accounts of several battles. "Odin was a great warrior, he went far around and conquered many kingdoms; he was so seiersael (winning, or victory-happy), that he had luck in every fight. His men started believing that he could win any fight just by

wanting to. He had the habit, whenever he sent his men into battle or on any journey, he first laid his hands on their heads and blessed them. The people were confident then of success. Whenever his men were in trouble, on sea or land, they called on his name, and always it seemed to help; they trusted totally in Odin."

Snorre's account of the location of Aasgard is somewhat different from that of the account given in my article of 2/19/93, unless there are two "Aasgards". He describes a great river which divides and surrounds "Svitjod", the river is the "Tanakvisk," which is now called the "Don", and falls into the Black Sea. Continuing:

"The land east from Tanakvisk in Asia was called Aasaland or Aasaheim, and the chief fortress in the land was called Aasgard. (The old gods were called aesar, singularly ass.) One who was called Odin, was chief in the fortress, and there was also a large sacrificial place (blotsted). It was customary there that twelve hovgoden (hov was the name of the heathen godshouse; a "gode" served as a priest, among other things)...the twelve hovgoden should be the head of affairs, the leaders, they should supervise the sacrifices and judge between the people. They were called "Diar" or "Drotner" (gods, or those who lead an army). The people had to be subservient to these "Diar".

Odin and his Aesirs went against the "Vaners", who were another "God race" in old Norse Mythology. They fought for some time, first one and then the other winning, causing much damage. Finally they tired of it, made agreements between them and exchanged hostages, which were to be two each of the best men. Apparently, the hostages given by Odin turned out not to be the men agreed upon. This made the Vaner angry, they killed the men, cut off the head of one, Mime, and sent it back to Odin. "Odin took the head and smeared it with herbs so it could not rot, sang spells over it and gave it such power that it could talk with him, and it told him many hidden things. Odin set Njord and Frey to become blotgodes (sacrificial priests), so now they were gods along with the Aesir. Njord's daughter was Freya, a sacrificial priestess, and the first to teach the Aesir SEID (witchcraft), such as the Vaner used."

There is an account of Odin leaving the area of Svitjod and his "ownings" there in the charge of Ve and Vilje. He traveled North with the Aesir and many, many people. The Roman legions were taking over much country. "Odin could see into the future" and knew his people were to live on the "Northern half of the world". There is also an account of Odin in Russia, among the Saxons and Franks, etc. It follows closely the account already given of Odin's expansionist activities in the North and in Europe. According to

Snorre, Odin was already in the North country when Christ was born.

Odin made laws, one of which required that the dead be burned with all their goods. "To the memory of great men people should make a hill, and after all such men who had a man's courage, should be erected BAUTASTEINER (standing stones)." There were also laws about the seasonal activities,

One. Egg, about 1920

sacrifices, taxes, etc.

The practice of witchcraft was very prevalent, with Odin and the "priests" being the foremost workers of the "craft", or Seid. Murder was not uncommon among married couples in the ruling class. If one did not like their spouse, they killed them and got another. Warring or "viking" was a way of life. The carnage was incredible. Bodies were

stacked and burned as a means of disposal.

Another practice among Odin's priests and descendants was that of sacrifice. This was mostly a sacrifice of animals. However, during "bad" times when crops were poor, etc., ordinary men were also sacrificed to the "gods". In the case of the king, one "Domalde" was finally sacrificed as well because the "bad" times continued. The people later realized they did not have enough food due to overpopulation, and some emigrated to new territory.

According to Snorre, Odin was buried in Svitjod, which was called Gudeheim (Home of the Gods).

There is a difference of opinion among various scholars and historians whether the Black Sea area was first colonized by the Goths from the North, some of whom later returned to the Baltic area, or whether the Goths originated in the Black Sea area. From Snorre's account, at least during the time of Odin, they came from the Black Sea area to the North. However, there continued to be a close contact between the two groups.

I have sprinkled throughout this article several pictures taken from *Snorres Konge Sagaer I*, which help to convey some flavor for this culture and story.

There are several things to consider regarding Odin, his origins, his "mythology" and what Commander Hatonn has said about the Khazars. The Khazars, according to Hatonn, call themselves the "snake people", and are of a Nordic/Mongolian/Russian race. The "race" of these people from the Black Sea, Caspian Sea and the Caucasus Mountains has been amply identified herein to be exactly what Hatonn said. Further, when you remember from last week's article that, according to the "Odinic Mysteries", *mithgard* (AKA *midgard*) is the "central" or "middle" realm where the "unruled race" (mankind) lives, and this "*mithgard*" is encircled by the great worm (snake), or *Mithgard-Worm*, you can begin to see the connections. Remember, "*Scythia*" (AKA *Svitjod* according to Snorre) was the home of the Khazars, and the "gods" of northern mythology.

The conflicts in Odin's title give us further clues. He is said to be the "god" of peace, wisdom, war, death, etc. From the account of Snorre, it appears he is more correctly identified as the "god" of war, death and witchcraft — all at variance to God's Laws and Esu's teachings. It would appear, therefore, that Odin and his Aesirs obtained and maintained their "power" from the "god" of their "middle realm", or the "*Mithgard-Worm*".

Lucifer has been amply identified in Biblical accounts as the snake, the son of chaos (or *Jahldabaoth*), the "covering cherub", and the "Prince" of this world. The "*Mithgard-Worm*" is merely a new name for the Adversary. And, the earth-encircling snake is another of his symbols. It appears that, like Alexander, Odin also came from Gothland (Goatland) and was one of those "Chief

Odin over seid.

practising craft.
(withcraft.)

Princes" (AKA He-Goats)!

My summation of "Odin" is: He was a great general, not unlike Alexander the Great, who knew well the use of propaganda and how to prey upon the ignorance and fears of the Norseman. Like Alexander, whose heirs ruled in Asia and the Mediterranean area from 311 B.C., Odin's heirs were set up to rule Russia, Sweden, Norway, Denmark, Germany, and France prior to the time of Esu — and later, England, under Cedric in the fifth century A.D. However, the influence of these "religions" from "Persia, Greece and the Brahmins" already had a foothold in England by way of the Druids (a story which must be told in another article). Please see my article in the 3/2/93 issue of the *PHOENIX LIBERATOR* for more information on the sources of the Odinic Mysteries.

There are additional connections with the "home of the gods", which was east from the Don River (Tanakvisk) in Asia, and called "Aasaland" or "Aasaheim", and the Khazars! If you have read my previous articles on the Brothers Grimm, He-Goats, and the Aryans you know about the continuing control of our world by these "Khazars", control of Masonry, and the language changes brought about by Grimm's Law. The Don River first empties into the Sea of Azov and then into the Black Sea. The name "Aasaland", used by Odin and his tribe, of course is connected to the tribe name of "Asir" (AKA Asar, Ass, Ases, etc.) There is another connection to the word, Khazar, and its relationship to the names given chief-princes (AKA He-goats). That is in the word ending "Azar". I have already shown where it, or one of its translations, was thought to be used as a word ending for the "ruling class" and/or "Chief-Princes" in words such as Khazar, Kaiser, Cesar, Czar, etc., as well as some Babylonian and Semitic Kings. What I suggest now is the possibility that the word "Aryan" also came from the word "Asir"! Knowing as we now do, from Grimm's Law, that the s, z and r are interchangeable consonants among the various languages, and that the vowels are also interchangeable as well as the i with the y. Let's look at a run-down of some possible translations:

- A a S a: Norwegian Name for "Gods"
- A S a: Indo-European usage
- A S i A: Possible use of vowels
- A R a: English translation using Grimm's Law
- A R i A: Possible use of Vowels
- A R y A: The i and y interchanged

So—we are back to the words "Asia" and "Arya", and those "upper class" or "aristocrats" again! Was it the intent all along when Jacob Grimm made the law? You may be interested to know that, according to the *Poetic Edda*, "Grim" is one of the names used for Odin!

Immediately following this writing, there

is also included, as an interesting aside, a provocative writing on Admiral Byrd's flight to the "North Pole" from his own private diary. (Remember the description, early in this article, of the "bagel-shaped" Earth and the inference of passageway to the Earth's interior.) It was received from a scholar and reader, R.R., and adds to the information presented in my earlier article titled, *THE THULE SOCIETY — CONNECTIONS TO THE INNER EARTH*, in the 12/1/92 issue of *THE PHOENIX LIBERATOR*.

Please note, the people living in the inner earth at the Northern entrance called themselves the "Arianni". Whatever connection this may have to the promotion of the name "Aryan" (AKA Arian) by the philologists (like the brothers Grimm), Nazis, and Khazars is speculation. However, any group with secret knowledge of our Earth may very well have come to know about the "Arianni" long before the rest of us had any inkling. They also, in my opinion, could have conspired to use this name as a way of eventually "proving" they were the descendents of the "master race"! (Does that "ring any bells" for you?) One only needs to compare the differences between the two groups to know that the barbaric Goths and Nazis had little true connection to the Arianni, or they had regressed far from their origins! One begins vaguely to see that these "gods" from "Aasaland" could very well be that troop of "fallen angels", under the leadership of Satan! It was Satan who promised "the world" to those who would follow him. I think he has been trying and continues to try, to deliver on that promise!

IN THE INNER EARTH

Admiral Richard E. Byrd

On February 19, 1947, Admiral Richard E. Byrd left Base Camp and flew northward.

What happened on that flight?

For years rumors have persisted that on his historic flight to the North Pole, Admiral Byrd

flew beyond the Pole into an opening inside the Earth. Here he met with advanced beings who had a sobering message for him to deliver to Mankind on the Surface World.

Upon Byrd's return to Washington, on March 11, 1947 he was interviewed intently by top security forces and a medical team. He was placed under strict control and ordered to remain silent on the behalf of humanity. Being a military man, he felt he had to comply.

Here, from Admiral Byrd's secret log and diary, is the message meant to have been heard 45 years ago!

"I bid you welcome to our domain, Admiral." I see a man with delicate features and with the etching of years upon his face. He is seated at a long table. He motions me to sit down in one of the chairs. After I am seated, he places his fingertips together and smiles. He speaks softly again, and conveys the following. "We have let you enter here because you are of noble character and well-known on the Surface World, Admiral."

"Surface World," I half-gasp under my breath! "Yes," the Master replies with a smile, "you are in the domain of the Arianni, the Inner World of the Earth. We shall not long delay your mission, and you will be safely escorted back to the surface and for a distance beyond. But now, Admiral, I shall tell you why you have been summoned here. Our interest rightly begins just after your race exploded the first atomic bombs over Hiroshima and Nagasaki, Japan. It was at that alarming time we sent our flying machines, the 'Flugelrads,' to your surface world to investigate what your race had done.

"That is, of course, past history now, my dear Admiral, but I must continue on.

You see, we have never interfered before in your race's wars, and barbarity, but now we must, for you have learned to tamper with a certain power that is not for man, namely, that of atomic energy. Our emissaries have already delivered messages to the powers of your world, and yet they do not heed. Now you have been chosen to be witness here that our world does exist. You see, our culture and science is many thousands of years beyond your race, Admiral."

I interrupted, "But what does this have to do with me, Sir?"

The master's eyes seemed to penetrate into my mind, and after studying me for a few moments he replied, "Your race has now reached the point of no return, for there are those among you who would destroy your very world rather than relinquish their power as they know it..."

I nodded, and the Master continued. "In 1945 and afterward, we tried to contact your race, but our efforts were met with hostility. Our Flugelrads were fired upon, yes, even pursued with malice and animosity by your fighter planes. So, now, I say to you, my son, there is a great storm gathering in your world, a black fury that will not spend itself for many years. There will be no answer in your armies, there will be no safety in your science. It may rage on until every flower of your culture is trampled and all human things are leveled in vast chaos."

"Your recent war was only a prelude of what is yet to come for your race. We here see it more clearly with each hour...do you say I am mistaken?"

"No," I answer, "it happened once before, the Dark Ages came and they lasted for more than five hundred years."

"Yes, my son," replied the Master, "the Dark Ages that will come now for your race will cover the Earth like a pall, but I believe that some of your race will live through the storm, beyond that, I cannot say. We see at a great distance a new world stirring from the ruins of your race, seeking its lost and legendary treasures, and they will be here, my son, safe in our keeping. When that time arrives, we shall come forward again to help revive your culture and your race."

"Perhaps, by then, you will have learned the futility of war and its strife...and after that time, certain of your culture and science will be returned for your race to begin anew. You, my son, are to return to the Surface World with this message..."

With those closing words, our meeting seemed at an end. I stood for a moment as in a dream...but, yet, I knew this was reality, and for some strange reason I bowed slightly, either out of respect or humility, I do not know which.

Suddenly, I was again aware that the two beautiful hosts who had brought me here were again at my side. "This way, Admiral," motioned one. I turned once

more before leaving and looked back toward the Master. A gentle smile was etched on his delicate ancient face. "Farewell, my son," he spoke, then he gestured, with a lovely, slender hand, a motion of peace and our meeting was truly ended.

Quickly, we walked back through the great door of the Master's chamber and once again entered into the elevator. The door slid silently downward and we were at once going upward. One of my hosts spoke again, "We must now make haste, Admi-

ral, as the Master desires to delay you no longer on your schedule timetable and you must return with his message to your race." **

Update On Maynard Campbell, Ekker Property And JOURNALS

3/3/93 #1 HATONN

OPTIMIST OR PESSIMIST?

UPDATE ON MAYNARD CAMPBELL

PRESS RELEASE

March 2, 1993

This press release comes directly from the U.S. Department of Justice, United States Attorney, Eastern District of California. Room 3305 Federal Building, United States Court House, 650 Capitol Mall, Sacramento, California 93814. Phone: 916-551-2700.

QUOTING:

George L. O'Connell, United States Attorney, Eastern District of California, announced today that Maynard Charles Campbell, Jr., age 51, and Eileen Carol Kunkel, age 50, were found guilty by a jury of theft of government property for unlawfully cutting and selling trees from the Klamath National Forest in California. Campbell was also found guilty of depredation of government property for constructing earthen barriers which damaged a government roadway.

Campbell and Kunkel EACH face a maximum potential sentence of 10 YEARS IN PRISON and a \$250,000 FINE on EACH COUNT. The defendants are scheduled for sentencing before United States District Judge Edward J. Garcia on May 24, 1993.

The joint investigation of this case was conducted by the United States Department of Agriculture, Office of Inspector General, the Forest Service's Timber Theft Task Force and the Klamath National Forest.

END OF QUOTING.

[P.S.: H: This is the same court in the same district wherein Ekkers will have hearing—IF THEY EVER GET HEARING. It does seem a bit unlikely that any citizen shall ever again prevail, doesn't it?]

The optimist goes to the window every morning and says, "Good morning, God." The pessimist goes to the window and says, "Good God, morning." WHICH IS YOUR HABIT?

Yes, Dharma, I know, precious—you looked out the window at the birds flocked in for their panhandling, at the misting rain, at the tents and simply were bewildered. I heard you thank God for one more day in spite of the fact that the RTC appraisers were due in half an hour—but I also did hear you lament—"Good God, another day, can we make it?"

UPDATE ON EKKER PROPERTY TO YOU READERS AND PHONERS

After sitting on the courthouse steps for the signing of the order removing any shelter at all—the RTC "boys" overstepped their bounds in some slight measure. The Judge refused to sign the order as written by the RTC so it was returned for correction. That means three days at best—but it allows a breath for the attorneys to do something. The worst, of course, is if that Judge signs late Friday because there will be no shelter over the week-end. We shall see how it goes because it appears no help is going to come from those who could afford this place and four more like it without having to change bank-accounts. It is fine, for God watches and sorting is happening as we speak. "It is harder for a rich man to pass into heaven than a camel to pass through the eye of the needle!" So be it.

To you who stand ready to come—please remain at ready for this is not over by a long, long way. Someone has to stand the gauntlet and the Ekkers are willing to do that but it does help so much to know that you are not alone.

The letter that perhaps "hurt" the most was also so amusing that all save Dharma in her packing box got a good laugh. One person from Ohio whacked Dharma upside the head with: "Why don't you get rid of that Hatonn and let George Green run things—he is the only one who can do it right." Then in the next paragraph there were multiple "lies" offered to cover his actions from you-the-people. She further stated that she was the only one she knew who would even look at that *LIBERATOR* and she "...felt sorry for George having to even try and sell those terribly written Journals." I will remark, however, there has been ONLY THIS "ONE" out of the myriads of beautiful letters of support.

There is something you MUST understand, readers. Doris and E.J. Ekker are NOT the Institute—BUT, every cent in the Institute is backed by their word to cover in full, with interest. This includes ALL that has been skived off by anyone. And, further, I shall see to it that there is the wherewithal to do exactly THAT. If we cannot remain in integrity and purity of purpose—we have nothing left for which to work and may as well close it down right now. If YOU allow George Green this victory in his theft—then I see that few deserve more than that which you have allowed to be built to destroy you. In that event, I will ask no more of these people here, or you out there, who give all you can to this Nation and Freedom.

JOURNALS

I am herein asking you readers to purchase no more JOURNALS directly from America West. Those books are MY and MY BROTHERS' property in EVERY WAY YOU CAN MENTION—RIGHT DOWN TO THE FINANCING FOR THE PRINTING. If you MUST pin an "author of earth realm" on them—THEY BELONG TO ONE DORIS J. EKKER. We are working diligently to first reclaim the assets taken illegally and then get the volumes of printed JOURNALS—or—the sum of \$150,000 note value (in which case we shall simply reprint the books). At any rate, waiting is what is requested for would-be purchasers. We shall offer the books at a lower price—even for distributors. This will allow more quantity for distribution. Our intent has never been to make great wealth from our WORD and now this shall come back under our control. We do have to break even and make enough to afford help and warehousing. We hope to have this

matter settled shortly and at least a minimal supply with which to work. We will re-press every one if it comes to that necessity—I guess you call it "starting over". It matters not—GOD'S TRUTH DOES NOT CHANGE. While we are at it we will re-dictate the volumes banned in a different format; WE don't have poor memories and the secrets of life and God are not going to change or "go anywhere". Please allow our people a bit of time and we shall get it under control. Thank you. If the books are banned—we shall simply rewrite each and all. So be it.

MR. SESSIONS OF THE FBI

As we pen it is evident that so many things happen at once that many of the fragments are lost. For instance, do any of you know WHY Sessions is on the hot seat and being pushed out of position?

Well, it is NOT because of some trumped up corruption—the REASON is exactly the opposite. What Sessions knows—and what the late Bush Administration doesn't want you to know—is that Sessions ordered a probe of the evidence that **leading mob figures gave Bush some \$750,000 IN CASH for "whatever he needed"**.

It reminds me a bit of George Green's claim that D.O. gave him and Desiree \$350,000 in gold for "whatever they wanted it for".

Sessions is an honest man and is not willing to shred evidence and retire gracefully nor must you allow him to do so. He was going to continue his campaign to expose wrongdoing, **even, and perhaps especially, by the JUSTICE DEPARTMENT**. You know, that same group of "Hell's Angels" who back the RTC and railroad every citizen targeted.

PEROT AND CON CON

Be especially alert to the thrust of Perot in his push to handle the budget, debt and other nonsense. His THRUST IS TO CAUSE TO BE CALLED A CONSTITUTIONAL CONVENTION (CON CON) WHICH WILL COMPLETELY DESTROY YOUR CONSTITUTION—IN TOTAL—IN ONE BRUSH STROKE. YOU ONLY NEED A COUPLE OF STATES TO CAUSE SAME TO HAPPEN. New Jersey and Michigan are now efforting to undo their vote for a convention but the fight is on to disallow that

action. Hold your breath, citizens, because you are so near to loss of a nation as to be in total crisis.

ISRAEL

While you butt into everything in places like Somalia—why have you not urged something be done about the Hard Line Soviets and Hard Line Serbs in Europe who are destroying nation after nation? Why? Because it is all a part of the Kissinger Associates One World Order Plan. They are not the planners—only the henchmen and executioners.

You continue without interruption to totally foot the bill for the State of Israel and yet three Arab-American citizens of the U.S. have been seized by Israeli secret police—in the Israeli-occupied West Bank and ARE BEING HELD HOSTAGE TO SILENCE OPPOSITION TO ISRAEL'S FORCED EXPULSION OF MORE THAN 400 PALESTINIANS WHO WERE ILLEGALLY DEPORTED FROM THE WEST BANK TO LEBANON'S NO-MAN'S LAND. It becomes obvious that if your country will leave over 2,600 of your soldiers in Southeast Asia to die—what matters three citizens in Israel? Shame!

TROUBLE FINANCING COLLEGE?

If so then you might like to know that the World Bank is helping some countries. You do not happen to be one of them if you are not from the Russian Federation. The World Bank approved a \$600 million loan to the Russian Federation to provide foreign exchange. The "rehabilitation" loan will support the **first phase** of a broad-based program of reforms, said the World Bank. So that means more and more and endlessly more for you good citizens to pay.

PROTECTION, IF IT KILLS YOU

Your dollars at work, America: "If you put garlic and chili peppers on your pizza, you're OK, says the federal government. But spray it on your crops and you're in trouble. Not wanting to use chemicals on his farm, Rich Ihler of Idaho sprayed a concoction of garlic and chili peppers on his crops. **Now he's in trouble with the Environmental Protection Agency who are investigating because the mixture is not a 'registered pesticide'.**" And how is your day?

How far must suffering and misery go before we see that even in this day of vast cities and powerful machines, the Good Earth is our Mother and if we destroy Her, we destroy ourselves.

Constitutional "Rights" Or Patriotism Out Of Control?

3/3/93 #2 HATONN

U.S. DEPARTMENT OF JUSTICE LETTER

In the interest of Journalism and in an attempt to allow you to be discerning regarding Constitutional "RIGHTS", we are going to print ALL of the following. Remember, chelas, you can't have it ALL WAYS—you either must have Constitutional rights for ALL or you have nothing! If you disagree with a person's color, creed, religion, etc., DOES IT NEGATE HIS RIGHTS UNDER THE LAW?? WHAT IF ALL DISAGREE WITH YOU? PONDER IT AS YOU MOVE ALONG IN THIS PRESENTATION FOR IT GETS DOWN AND DIRTY AND DANGEROUS. This is the best example I can offer of how the Government is efforting to stamp out anything they wish to call a "cult" or "subversive" or any other excuse for stopping any who speak out against the New World Order and New States Constitution (U.N. Charter).

TO: JUDGE HARRY SMERLING
LOS ANGELES, CA

FR: DEPUTY JAMES L. PARKER
U.S. MARSHAL SERVICE
DIST. OF UTAH

RE: SENSITIVE CRIMINAL INVESTIGATION

SU: ROBERT SEAMANS

[H: Yes, you should recognize the name—from the Randy Weaver incident.]

THIS MEMO IS TO MAKE YOU AWARE OF AN EXTREMELY DANGEROUS AND SENSITIVE INVESTIGATION THAT IS ONGOING IN THE STATE OF UTAH.

SINCE OCTOBER OF 1992 A MULTI-AGENCY INVESTIGATION HAS BEEN IN PLACE. THIS INVESTIGATION HAS USED

NUMEROUS INVESTIGATIVE TECHNIQUES. THIS INCLUDES THE USE OF CONFIDENTIAL INFORMANTS, AND UNDER COVER AGENTS OF SOME OF THE PARTICIPATING AGENCIES.

DURING THIS INVESTIGATION IT WAS DISCOVERED THAT ROBERT SEAMANS WAS A CONVICTED FELON AND A PROBATIONER OUT OF THE STATE OF CALIFORNIA. THUS MS. FRANCES GARSIDE WAS CONTACTED AND HAS BEEN OF GREAT HOPE AND ASSISTANCE TO OUR INVESTIGATION.

IT IS IMPERATIVE TO OUR INVESTIGATION THAT THE STATE OF CALIFORNIA ISSUE AN ARREST WARRANT FOR SEAMANS. EXTRADITION IS OF EQUAL IMPORTANCE. IF THIS IS NOT POSSIBLE, WE WOULD BE FORCED TO ALLOW A VERY DANGEROUS SUBJECT TO CONTINUE TO BE A DANGER TO THE COMMUNITY THAT HE RESIDES IN. [H: Goodness, I effort to correct errors but "there should be a law against" butchering the language and grammar (not to mention miswording)—most especially in documents that pronounce actual death sentence upon a being.]

PLEASE BELIEVE ME THAT I'M NOT TRYING TO HOLD ANYBODY EMOTIONALLY HOSTAGE WITH THAT LAST STATEMENT. THE INVESTIGATION HAS A LARGE AMOUNT OF INDIVIDUALS AS TARGETS. IT WOULD BE IMPOSSIBLE TO CONTINUE THE CASE IF WE WERE TO ARREST SEAMANS ON FEDERAL CHARGES AT THIS TIME.

THE NUMBER ONE CONCERN TO US IS THE SAFETY OF OUR AGENTS AND TO THE PUBLIC.

THIS INVESTIGATION HAS THE UTMOST ATTENTION OF OUR HEADQUARTERS IN ARLINGTON, VIRGINIA, THEY HAVE EXPRESSED THEIR CONCERN IN THIS MATTER.

THE BIGGEST PROBLEM THAT THE STATE OF CALIFORNIA SEEMS TO HAVE IS THE EXPENSE OF THE EXTRADITION. THE MARSHAL SERVICE HAS WHAT ARE CALLED, "CO-OP" MOVES. THIS IS WHERE THE STATES CONTRACT WITH THE MARSHAL SERVICE TO MOVE OR EXTRADITE THEIR PRISONERS, NORMALLY THE COST IS SIGNIFICANTLY LESS THAN LOCAL OR STATES DEPARTMENTS CAN MOVE A PERSON. THIS PROGRAM MIGHT BE OF SOME HELP TO YOUR STATE.

WE ALL CERTAINLY UNDERSTAND FINANCIAL PROBLEMS, BUT I AM FEARFUL THAT IF SEAMANS IS NOT ARRESTED AS

SOON AS POSSIBLE, IT COULD COME BACK TO HAUNT ALL OF US. [H: Guess what he REALLY means!]

THANK YOU FOR YOUR ASSISTANCE IN THIS EXTREMELY SENSITIVE MATTER. I HOPE THIS MEMO IS NOT CONSTRUED AS TO INTIMIDATE OR TO THREATEN ANYBODY. I FEEL VERY STRONGLY ABOUT THIS CASE. I'M HOPING THAT MS. GARSIDE WILL FILL YOU IN ON THE BACKGROUND OF THIS CASE. IT IS INTERESTING AND SAD THAT THERE CAN BE SUCH BLIND HATRED IN OUR COUNTRY. THANK YOU AGAIN FOR YOUR HELP.

END OF FEDERAL LETTER QUOTING.

I cannot possibly catch you up on this case but I can say that there have been many calls into the *LIBERATOR* offices by one terrified person, John W. Bangerter, "Army of Israel".

We have declined to print anything because of the "Jewish" implications and we are already under attack from same through the ADL and WZO. However, you are going to find this "Israel" is not the same—but rather the opposite, which creates more fire and dragons.

Therefore, all we can do is print the letters, for information only, in good conscience for journalistic fairness. Anything that pits a Federal Marshal's SWAT team against an ordinary citizen living as his heart dictates (as with Randy Weaver), there deserves hearing at the very least. I repeat, this is so entangled with the Randy Weaver matter that we would actually be shirking of our responsibility NOT to print this material.

So, we will back up and print a letter received on Feb. 23, 1993, at the *LIBERATOR* from John W. Bangerter. I WILL NOTE HERE AT THE BEGINNING THAT WE HAVE NO ADDRESS NOR VERIFICATION OF THIS PERSON SO ALL WE CAN DO IS SIMPLY OFFER THE LETTER AS GIVEN.

QUOTING:

Dear Editor and Staff:

I am writing to you about some of the things that have been happening to my family, my friends and the "Movement". I do not know when we became a problem to

"Z.O.G." [H: no definition given for Z.O.G.] or when we became under their watchful eye.

In 1986, a group of Skinheads (about 8) would hunt the desert at night to find aliens, not Mexicans or Haitians, but aliens called "Greys". In 1987 I met with John Lear at his home in East Las Vegas. We talked about our sightings just 40 miles southeast of Las Vegas. Maybe that's when Z.O.G. began watching us or possibly could have been in 1985 after meeting Jim Wickstrom of the Posse Comitatus and Pastor of an Israel Identity Church in Wisconsin. In 1988 we were the security for the Church of Jesus Christ Christian in Hayden Lake, Idaho and found out who the feds were while they, by then, knew for sure who we were.

At the Aryan Congress of July 1989, we had a list of about 25 Federal Scum. In Oct. of 1989 Z.O.G.'s satanic forces made their play, a man whom I had known for several years tried to get my 16 year old brother and I drunk on moonshine. Well, luckily we didn't drink hard alcohol, so they couldn't get us drunk like they had planned. A couple of hours later we had a conversation with this federal agent. He wanted the two of us (my brother and I) to fly to San Diego, purchase 500 semi-auto assault rifles and then fly back to Spokane. Then, by car, drive back to San Diego and pick up the guns and then drive to Nevada, put them in a mine in a town called Nelson. Then get all the Skinheads to pick up the guns and take them to Las Vegas and hold the whole city hostage and make demands that they let all of our friends out of prison. I knew it was a set-up and my friend who I liked very much was a federal agent provocateur. After he left, I told my brother what I thought and he agreed, so we avoided him for a long time. We then warned all of our friends. Some listened, some did not. The ones who listened to him are doing time in Z.O.G.'s prisons. Well, we out-smarted Z.O.G. and their net caught the wrong fish.

Now, for their most vicious trap, the Weavers. I met Randy and Vicki Weaver at a Church of Jesus Christ Christian in 1988 at a church gathering of about 400-500 people. I sat at Randy's and Vicki's camp and talked about aliens and the Jewish control of our government. Most of the time we read scriptures. In fact, when we weren't doing security we were spending most of our time with the Weavers at their camp. Of course, the Federal eyes were taking notes of our conversations with their long-distance listening devices.

When they tried and failed to set us up in October of '89 they tried to get Randy to do so. He said no, so they put their pressure on he and his wife and children. Of course there may be reasons, some other reasons, I do not know. In March of '89, the Las Vegas SWAT searched my

house after several of us returned from an 80 mile hike through Death Valley, California. They were looking for White Supremists literature, so they stated. When they tried to set me up in August of '89 to purchase illegal firearms and then in Oct. 1989 for illegal transportation of firearms and conspiracy charges, it never worked for them.

The Gulf War began, we sent over 20,000 letters to servicemen explaining the truth. We sent articles out of Jewish newspapers, letting the real culprits spill the beans about it all. The Military Intelligence ordered us to stop. Dick Cheney himself, ordered all outgoing mail to be seized. We had over 1,000 in agreeance with us. Some told of 700 marines throwing down their guns and burning a mannequin of Bush. Fearing the soldiers safety, we burned all of their letters. The war ended a few days later. We spent all of our money on mail-outs and had to move. The FBI searched our house after we left and confiscated over 1,000 unmailed letters to "Any Serviceman". They never charged us with anything to my knowledge.

We had meetings in Las Vegas every week with sometimes more than 200 people attending. Randy's situation was always mentioned. We decided to move to Utah when our house was being shot at 3 to 4 times a week. I have three sons ages 2, 6 and 9. I needed a safe place for them. My mother, her husband, my sister and her husband, my brother, his wife and two children, my wife and I and our three children moved to Hurricane, right outside of Zion. We all lived (except my sister and her husband) in a large brick home from July '92 to Dec. '92.

One day I noticed an army helicopter circling our home for about 20 minutes. It was there again a couple of days later. Several neighbors had questions, the local paper said the National Guard was looking for marijuana crops in Zion, but I lived 20 miles away from Zion (Park) and the helicopters were circling my house. It was quiet until August. Then my friend, Dave Cooper, came down and told me the feds had Randy and his family surrounded. We did not hesitate. We grabbed our guns and left for Naples, Idaho. When we got there we heard on the radio that some skinheads were arrested for trying to get in and save the Weavers. We didn't know what to expect. When we got to the roadblock, the ATF pointed at us. They knew who we were. We never slept until it was 9 days later. We prayed by the river that they'd come off the mountain alive. Our prayers were answered. They came down alive. Dave and I wrote a letter urging Randy to come down and be a living witness to the world and tell what really happened. When they came down we went to the motel and spent two days with Sara, Rachel and Eleisheba. They told us many of our friends and their

friends were Feds. (That's why a lynch mob was formed for me and my friend, Dave, for writing a letter.)

As of Feb. 3, 1993 my brother-in-law was arrested in St. George, Utah. Federal Marshals questioned all the police who know us. The Feds are trying to say we had been trafficking guns to Randy years ago. **It is all false. They want to use us to destroy Randy and Kevin's trail and thus finally destroy us also.**

J.W.B.

END OF QUOTING.

Now, on to a letter which came attached to the Federal Marshal's letter.

QUOTING:

March 2, 1993

Mary Lynn (Bangerter) Seamans
XX, Utah

Dear Editor and Staff:

I hope that you can get this information out to your readers before my family have all been killed by the government tyrants! **[H: So do I, blessed children, so do I!]**

The FBI and ATF boys are presently busy with the Waco, Texas standoff. I think this is a good time to apprise you of what is going on with John Bangerter and the 'Army of Israel'. Johnny is my twenty three year old brother. He has been investigating the Federal Government for years. He has been very astute.

We have known for some time of the Federal surveillance on us. We know that the FBI and ATF gunners are being brain-washed and lied to about us, so that they will fire on us with absolutely no reservations!

My brother Johnny is definitely NOT of the criminal type, but rather, a deeply religious and involved man with regard to the future of our country and its people.

None of my family have been involved in crime. We have high expectations of one another. We are most particular about good health, education and patriotism in our group.

I believe that our group have become informed about the tyranny of our government to the extent that they now think it is necessary to stop us from exposing them any further.

The Weaver family in Idaho attempted to alarm the public of their suspicion of their on-coming attack. No one took them seriously enough to go to the press with their cry for help until it was far too late.

Please take note of the enclosed document. It is a letter to my husband's judge from Federal Marshal, James Parker. Please

read the information below, and hear our plea!

My husband Robert Seamans was arrested in 1990. He was driving a car that belonged to his friend. Within the car was a gun that also belonged to this friend. The gun had been modified, making it illegal. Bobby has honor and did not wish to disclose information to the police of who did own the weapons; consequently, he was charged with having possession of an illegal firearm. He was put on probation for three years.

[H: Let me interrupt right here and now. This is why I tell you that nothing associated with me nor mine will have violence or will I sanction any firearms whatsoever. I realize that you who think you have freedoms can't face the fact that you no longer 'o so. HOWEVER: DEAD PATRIOTS ARE WORTHLESS AND AGAIN IT WILL BE PROVEN—THE PEN IS MIGHTIER THAN THE SWORD UNTIL THAT, TOO, IS SILENCED. It is difficult, though, to totally silence the press as long as you have a Constitution and WORK TOTALLY WITHIN THE LAWS OF GOD AND THE LAND! BREAK THE LAWS OF THE LAND AND YOU WILL BE ARRESTED AND CHARGED—AND LIKELY IMPRISONED OR, AT THE LEAST, LOSE EVERY THING OF PROPERTY AND RESOURCE. IT IS UNDERSTANDABLE TO DESIRE TO LASH-OUT AND STRIKE BACK IN KIND—BUT IT WILL ONLY GET YOU HURT OR KILLED. PLEASE, TAKE CAUTION, CITIZENS, WAKE UP AND REALIZE THAT VIOLENCE AGAINST THIS ENEMY COME UPON YOU WILL NOT DO ANYTHING SAVE CAUSE YOU MORE PAIN AND ENSLAVEMENT.]

Robert and I were married in July of '92. My father had told me he would further my education and give me a nice car if we would live near him in Utah. He wanted me to help him with his business. When Robert was offered a job in Utah it gave us great hope since he could not find employment in California. Robert thought there would be more security and safety for a family-setting in the small crime-free Utah town.

Robert started his job right away. He advanced rapidly to 'crew chief'. He is well liked by his boss M.C. and his co-workers. We have a nice home and Bobby and I were very happy.

February 2, 1993 my husband was arrested by a large group of local police and Federal officers under large spotlights with guns to his head for violating his probation by leaving California. I didn't realize that Robert still had one month left of his probation. He was held in St. George, Utah for about a week. He was then extradited to the L.A. County jail in California.

In August of 1992 my brother Johnny, several friends, another family member and myself left Hurricane, Utah to travel to Idaho. We hoped to rescue the Weaver family from death, who were under attack by the enemies

of our Christian Nation. We all choked with emotion and worry about our dear friends as we blazed the road north toward Idaho. This time, I didn't even notice the beauty of the tall pines of the mountains along the way. I could only see the road ahead of us; the long, long road!

After we arrived in Idaho we were informed of the massacre that had taken place. We were furious at the actions taken against the Weavers. We planned and prayed night and day. Finally, my brother Johnny and friend, David Cooper, thought of convincing Bo Gritz to deliver a letter to Randy Weaver who was still in the cabin with his three daughters. In the letter Johnny and David urged Randy to end the standoff. The letter told Randy how much they cared for him and how they wanted him to live! They pleaded with him to stay a living witness and present the truth in the courts! Randy left his cabin and he and his daughters came down the mountain.

Randy was not allowed to speak with us. Sixteen year old Sara Weaver requested to speak with my brother, Johnny and David Cooper, the "skinheads" that had written the letter.

I joined my brother and David as they talked and cried with the traumatized Weaver girls at their motel. We stayed there with them for two nights. Sara was exhausted but she gave us as much information as her strength would allow her. We know the true story and events that took place. We will never forget what Sara told us!

Before and after the Idaho ordeal it was obvious that we were in the scope of the Feds. They recorded our activities. When friends left our home, they were pulled over by police. They were questioned, searched and usually cited for something. Frequently we saw military aircraft flying over our house. We saw numerous cars parked in groups near our home. We suspected a Z.O.G. attack, or at best, a beefed-up surveillance.

After the Weaver siege, we all returned to Utah. Soon, the "News" was at our house. One group of reporters after the other. Some were there at the same time. We did interviews with them to publicize the facts about the Weavers. Of course they didn't print what we wanted, but they seemed to scare off the Feds at least. Still it was necessary to guard the house night and day. After leaving our house and returning to their home, the *Salt Lake Tribune* reporters told us that they were harassed by the Feds. The FBI demanded the information that the reporters had gathered from us.

Since then, certain agents have been successful in causing several members of our family to lose their jobs. My brother's landlord was contacted by Federal Marshals and interrogated. The landlord, R.L., evicted my family from their home as soon as it was possible. He told us it was because of the press coverage about our religious beliefs.

Presently the government has intervened

in my husband Robert's court case. They have leaned on the judge and told many lies about my husband. Federal Marshal James L. Parker told the probation officer Garside, public defender, A. Leone, and Judge Harry Smerling that Robert needed to be held because they plan to charge him with trafficking guns to Randy Weaver with my brother and associates. With that in mind the public defender, A. Leone, told us that Robert may be charged indirectly with the murder of Marshal Degan who was killed up at the Weaver siege in Idaho. This is absurd! My husband has not even met Randy Weaver. He didn't attend the stand-off with us in Idaho!

It is apparent by the documents that we have obtained, that my husband's probation officers, the judge and the prosecutors have been keenly and deliberately prejudiced against him by the power of evil government.

Enclosed is the secret letter from Marshal James L. Parker. Please notice the fifth paragraph, where he states that they have targeted a large number of us! Please notice also, in paragraph nine, he attempts to intimidate the judge. We think Judge T. Smerling was greatly affected by this letter from Marshal Parker. Judge T. Smerling made a gesture of obvious recognition when Robert Seamans' name was announced in the court. The judge leaned forward from his previous relaxed posture and remarked with slow extending tones.... "Oh yes!.... oh yes...the Seamans case!" Even before any other words were uttered. We knew most certainly that Robert's case had been discussed and decided with prejudice prior to his trial! Robert Seamans' Constitutional rights have been violated!

Years before the Idaho Standoff, Randy Weaver was approached by Federal men with a "deal!" They tried to entice him to play "rat" and spy on Aryan Nations in Idaho. We worked with Aryan Nations. There was Federal surveillance on our group as we traveled to and from the Aryan Nations meetings. While we were at Aryan Nations a Federal agent tried to entrap my brother Johnny and my younger brother Grant (age sixteen) into an illegal gun traffic scam. That very same month, the agents were working hard to coerce Randy Weaver into cooperating with them in a conspiracy against us!

It is our wish that you can bring awareness to the public of the Federal government's plan to imprison or murder the remainder of my family. The Feds are using our religious doctrine as an excuse to rub us out, and cover-up incriminating information that we know about the tyranny in high levels of our government.

When the bullets start flying....remember....it will be time for all good men to gather!

Hallelujah!,
M.L.S. (age 21)

END OF QUOTING

Children, children, precious children—oh how I would hold you and dissuade you from your first errors in actions. In your plea for mercy and consideration on account of "your beliefs" you turn against others in violence for their own beliefs as well. When you lay your "religious" beliefs down as an excuse to bear GUNS and gather to arm for battle—you only bring the "bigger guns" against you. Why must you go forth with heads shaven and targets on your bosoms? Can you not fight for right in simplicity? You set yourselves up by your own actions and then become angry at God because of your plight. Of course it is not right, that which is brought against you—but you leave yourselves open for same—without ability to gain sympathy or recourse. Just because the Crusades of the Middle Ages claimed to be in the "name of Jesus"—DID NOT MAKE IT SO.

The very public violence of that group recognized as "Skinheads" brings you with the "cult of cults" for destruction. When you gather into groups (churches, cults, covens, etc.) you have labelled selves with the brush of the whole. Perhaps you are innocent—but the arrest and conviction for bearing of illegal weapons states otherwise. If you give thine enemy the quarter—he shall take it without mercy.

Do you have "rights" to do as you wish? No, not "MORAL" right if it bears hurt upon another innocent being and if it be against the laws of the land—so too, shall you be brought under the sword of that law. Do you have "Constitutional right" to do what has been done? YES, and therein lies the truth of it. It matters not WHAT religion you choose, even be it Satan's own church in the valley—you have Constitutional rights under the LAW. This may not be actions sanctioned by God—but under the "Law" you do have "rights"—however, if you BREAK, DELIBERATELY, THE LAW OF THE LAND—the ones you refer to as Z.O.G. HAVE THE LEGAL RIGHT TO "GETCHA" EVEN IF THEY HAVE NO LAWFUL RIGHT TO DO SO.

You are young and filled with patriotism and desire for freedom—but you tear down that which you have by the presentation of battle and war at every turn. You only rile the gall in the stomach of your enemy and he will strike you down. My compassion is great and perhaps your brothers can hear your cry for help and demand fairness in your hearings and in your behalf. You are in the time of great chaos as the One World Order of Satan comes upon you ones and the road is treacherous at best. You claim the Church of God as your foundation and yet, God never, never, never built HIS church upon the gun—be they legal or illegal!

Never has God advocated treasonous overthrow of governments. TRUTH, AND ONLY TRUTH, GIVES FREEDOM AND RECLAMATION OF A GOVERNMENT UNDER GOD. When you align selves with the serpent, whether in the garb of the Christian, the Jew or the Infidel—you mark of self for the fall.

IF YOU FOLLOW THE STEPS AND INSTRUCTION OF GOD—YOU DO NONE OF THESE THINGS.

Yes, indeed, I see the horror of the circumstance and the terror at the hands of the National Police of which we just wrote this very day.

Does it mean that if you follow all the rules and regulations and yet do not agree, that you will be safe, secure and untouched by the Beast and his demons? No—was the Christ untouched, even in His own perfection? Be sure, however, that that which you blindly follow is Truth or simply another trap to pull you down. After the fact, it is very difficult, indeed, to undo.

As people who work on this paper, we can only offer love and prayers for your safety and offer this help in printing. We shall also offer this information to other presses who have helped other persons involved in this horrendously powerful bringing down of all cults and dissenters. **I repeat something: The New World Order plans to bring down all governments and enslave the masses of human "subjects". This is planned by year 2000 so it will not get "nicer", readers, so I suggest you get squared away with GOD and stop the nonsense of little groupies or big groupies. GOD is a one-on-one expression.**

We work totally within the expression of God in Truth for that is the importance of the journey itself—however, we singularly work within business environments with integrity and within the regulations of the laws as expressed upon all citizens.

Does this mean that I am in favor of gun control? NO—you have a Constitutional right to hold and have a gun. But, you have to have it under the regulations of the powers that be—which YOU elected to the various offices of power. I DO feel that guns are for killing and, therefore, I am against GUNS!—not your right to have them.

Why, for instance, did you say, "...we grabbed our guns and..."? What were you going to do with those guns? Rescue Randy and the Weavers? Too late smart? I hope not, little ones, for you are just beginning your experience in your journey and you have all but destroyed your hopes of freedom by careless acts which only taunt the "big bad wolf". Let me assure you that we do not condone "gun running" whether it is pulled off or not. If you place yourself in the position to even be approached as to doing such a thing—it is most unwise. Ones who live by the gun shall die by the gun.

We were asked to run this material and we do so—but were I asked for advice, which I was not, I would suggest that you remove yourselves from connections with fringe elements of considered "cults" (you can serve God and Nation without affiliation of same), lay down those guns (turn them over immediately and peacefully) and STOP THIS INSANITY. AS LONG AS YOU STAND AGAINST THE BIG BOYS, THEY WILL SMASH YOU. ASK GOD FOR GUIDANCE AND BEWARE, IF THE ANSWER COMES TO BATTLE WITH THOSE GUNS—IT IS **NOT GOD TO WHOM YOU ASK.** Satan plays in death and bloodletting—GOD IS **LIFE.**

To any who will hear my plea (Me, Hatonn), please pray diligently for the welfare of these

babies—BUT DO NOT "GATHER" AS REQUESTED IN THE CONTEXT OFFERED—IN BATTLE DRESS AND WEAPONRY. THIS IS **NOT HOW "GOOD" MEN GATHER!**

MAY THE VOICE OF REASON AGAIN BE HEARD THROUGHOUT YOUR LANDS. BLESSED BE THE LAMBS IN IGNORANCE FOR THEIR BLOOD RESTS UPON THE HANDS OF THOSE WHO TAUGHT THEM NOT TRUTH. SO BE IT.

Thank you, Dharma, for a very long day.

Each of you is unique and wondrous—I wonder if you shall ever come to know as much. Everyone has his own fingerprints. The White Light streams down to be broken up by those human prisms into all the colors of the rainbow. Take your own color in the pattern and be just that. You cannot take another's for your own—there is, after all is said and done, only YOU and GOD!!

And for ALL OF YOU: *If you realize you aren't so wise today as you thought you were yesterday—YOU'RE WISER TODAY! WHAT PART OF YOUR "FUTURE" ARE YOU ASSEMBLING OR DESTROYING THIS DAY? PONDER IT MOST CAREFULLY AND YOUR ACTIONS MIGHT WELL REFLECT YOUR NEW WISDOM.*

Salu, Hatonn to clear—but never depart.

INTRODUCTION

I have pondered as to the necessity of placing this material into book format but I am requested to do so by ones who do not take the paper and have no other way to get the information contained therein.

I am calling the volume THE BEST OF TIMES—THE WORST OF TIMES because you cannot have one without the other also being present in perception and recognition. All things just "are" and it is how you perceive given actions, assaults, friendships, betrayals, loyalties, and thus and so, that determines the product of the resulting MAN. "Bars do not a prison make" is an old adage worthy of note. Your mind and your actions determine the MAN and the prison or freedom.

You are each TRAPPED in a physical expression—and shall remain so until you GROW through LEARNING AND, FINALLY, KNOWING, into your perfection as a higher expression of God.

As you are walking through a perceived experience in manifest form of physical compression your perceptions are myriad, confusing and hard to keep focused. The harder you effort in the consciousness to SEE beyond, the more assault you have on your

physical senses. It is simply the way it IS. If you were in the kindergarten grade of schooling—you would learn your alphabet and numbers—but only most simply. As you go into advanced university calculus—you will have had to learn those early numbers or there will be no basis upon which to consider "calculus".

If, however, you plan to utilize "calculus" as a major tool of your career and REFUSE to learn numbers—you shall not succeed! So too, is the learning grades of God's school. If you REFUSE to learn—you shall fail.

There are lessons which SHALL BE LEARNED if you are to rejoin that wondrous Source of All Creation and you cannot slip-by, skip grades or assume another can learn it FOR you. You are stuck on graduation day either having made the grade or not having done so. It is no necessary mark of either "failure" or "terrible"—it simply IS the way it IS.

There are many ways to slow your journey and mostly you ones choose the distractions of physical acquirements of "stuff", wealth, etc. Then, too, you turn your own growth into the hands of ones who will orchestrate your path FOR you. But, you LOSE in that game for it can, at best, be but a most temporary state of existence. It is, however, ONLY your singular choice. If you move yourself from the path of Lighted growth, that is one thing—if, however, you cause another to be pulled from the path of Lighted growth through subterfuge and influence beyond the ability of the one to resist—this is EVIL. (Evil: The purposeful pulling of one from his path to God of Source—even by distraction.) This brings a double whammy to the one doing the distracting by untoward means of influence locked within the physical expression. This is the hardest of all to avoid as the pit is camouflaged most gloriously with trinkets and physical pleasures that you are "trained" to desire. Do you see, it is not "good" or "bad"—for that which is "good" for the one may well be very, very "bad" for another. You must consider what is the goal and see if a given action or thing is "right" or "wrong" for your purposes.

Many think they are moving directly toward their goal only to find out that they had not the slightest idea what IS their goal in fact. You will most often claim that your goal is oneness with God—when actually, your goal is interaction with another human! You can find "both" in an arrangement—but always, you must look into your own intent as well as consider the REAL intent of the other in influence.

You will most often err when you consider "twin flames" and "soul mates" and other nonsense. You have ONLY ONE "twin flame" and ONLY ONE "soul mate"—GOD! To fall for the old line of capture as, "I am your soul mate intended for together journey in the past, in the now and in the future," is B.S. in its highest presentation. If, further, you turn

away from that ONE TRUE SOUL MATE—TWIN FLAME IN FAVOR OF ANOTHER HUMAN EXPRESSION—YOU STOP COLD ON YOUR PATH TO THAT SOURCE OF TOTAL EXPRESSION—GOD. IT IS WORTHY OF THINKING-ON.

So, who am I to speak as if I hold the key to all wisdom and knowing? Well, I've passed my "wisdom" doctorate studies and my higher "knowing" post-graduate classes. I have teaching credentials for these subjects—but, you do not have to attend my classes unless you wish. I can show you the way to the Universal Cosmic Realms AND to God for I am a "Wayshower" come for that purpose as a cohan (professor)—but the choice of receiving that which I offer is ONLY yours, chelas (students).

It is a time of growing and expressing in that growth and, finally, growing BEYOND into the reality of being. This is an experience of learning and accepting the good, the bad, the ugly and the beautiful—and utilizing all to gain perfection of expression in rising above judging, but ever in discernment, of all things—and judgement of all actions of physical expression. You cannot know the "contract" of another nor even if "that other" is a full and knowing working soul-being of God Creator, so your only method of recognition is to hold your own path solidly in the direction of the path unto THAT GOD for the snares are many and the traps deadly.

May you be given to walk in love and beauty—whatever the path shall spring upon you. Put your hand in the hand of the MAN and you shall not fall. Remember—you cannot see the heart of the lotus while the blossom is but a bud—not the rose, nor the lily—why think ye that you can see the "whole" from but a tiny shrouded "part"? God offers enough for your perceptions to see HIM in all things around you and, yet, can you not allow the petals to open in perfection that the wonders of that perfection can be yours and not something upon which only to gaze—apart from—and always longing to hold? If God seems to be pulling away from

you—it is because you stop whilst He moves on that you might learn to "keep-up". He will never move faster than your capacity to travel, nor will He ever give loads beyond that which you can bear. If you stumble He will bear you up or send His legions to carry you. He will, further, ALWAYS send His messengers to show the way and the teachers to allow for your lessons. So be it, it is the perfection of CREATOR.

This JOURNAL will be called:

THE BEST OF TIMES;
THE WORST OF TIMES

Only in the recesses of the mind can come the perceptions of which it is at any experience in expression. It is the time of learning in Godness or expressing in the most heinous manners of God's "adversary". But, in all, it is the experience which gives LIFE or DEATH of soul expression in growth beyond the realms of physical bindings. It is the time of sorting of that and those who serve their own needs above and beyond that of mankind and God, and the adjustments of selves to that which IS.

DEDICATION

I dedicate this volume to Nora Boyles: My friend, my colleague and the backbone of researched truth that you might have confirmation for your discernment. I ask our Editors if we might now assemble our first "dictionary" from Nora and get it to press. The volumes will be more suitable for use in smaller "doses"—remember, we seek understanding—not overload of the senses.

How many volumes will this require? As many as it takes! Thank you, Nora, for a superb contribution to the "knowing" and "learning" of your brethren.

REMEMBERING:
THE GREAT SPIRIT OF WISDOM

When you are remembering, it is most important, as you cast off the "forgetting of Truth", that you:

"But remember, I will speak much more clearly direct from within, if you but turn trustingly to ME for help. For I ever preserve My Holiest secrets for those who turn to ME IN DEEP, ABIDING FAITH THAT I CAN AND WILL SUPPLY THEIR EVERY NEED."

You search high and you search low and seek expression in the realms of physical manifestation for that which CAN ONLY BE SPIRIT. Those things of the physical can NEVER fulfill the seeking, searching perfection of soul in transiting—or the soul in final transition. For when you have arrived at the gate of higher Source—the physical is quite invisible and that which you THOUGHT you experienced will be gone and only the moments of ecstasy and perfection shall remain—always and constant, in presence.

"The time will come when you cease to look without for love, sympathy, appreciation and spiritual help, and turn wholly to ME within, that these seeming imperfections will disappear; and you will see in any 'mate' or brother only the reflection of qualities of unselfish love, gentleness, trust, a constant endeavor to make the other happy, that will then be shining brightly and continuously from out of your own heart."

"Perhaps you cannot yet wholly believe all this, and you still question that I, your own reflection of self in fragment of whole perfection, am responsible for your present testing, measure or present position in life, or that I chose for you your present mate or significant 'others' that you might see beyond and grow even beyond that which is 'Light' (en-Light-ment) and into the Radiance of brilliance so great that you are ONE WITH IT." — The Great Spirit of Wisdom.

You claim a "soul mate"? Does THAT ONE fit the above description? Is there ONLY the offering of that which is spiritual fulfillment? Or, does "that other" urge, push, shove and taunt into the very things of physical gratification and-or "things" which are only of the physical expression? Is YOUR "LOVE" and that of the proclaimed intent of the "other" ACTUALLY "unconditional"? Or, are there GREAT CONDITIONS of subtle unspoken expression placed upon your relationship? You had best be thinking of these things for the time in this expression grows short and the infinite journey ahead is indeed long. **THINK!**

SHARED ITEMS OF IMMEDIATE INTEREST

From R.R.: It is said that the California Specialized Training Center (old FEMA facility) has stopped all visitation.

It has recently been a place where hobbyists could gather to fly remote controlled model aircraft, etc. This has been now banned.

High security fences are being put in place NOW and army tents are up in expect-

tation of the "spontaneous, impromptu riots which are expected at the end of the "King" trial (regardless of which verdict is brought forth). This will be personally checked out by the caller.

NOTE OF "LAW"

Senator Quentin Kopp of San Francisco has introduced legislation Monday to SCRAP "NON-GUILTY" VERDICTS and replace with "NOT-PROVEN". Good luck citizens, this is a long, long way from "Innocent unless PROVEN guilty".

KANSAS BOMB

A friend from the town of Pittsburg, Kansas calls to report that on March 2nd, in the morning, there were live bombs left in a vehicle at a Mall. It required a "Bomb Squad" from Wichita to defuse the devices. Since the population of this town is less than 50,000, the terrorist campaign must be heating up in all parts of the country. That, dear ones, is a magnificent understatement.

EARTHQUAKE ALERT NEWS FROM WASHINGTON STATE

A seismologist employed by the government is saying that the government believes and is acting on the information, that between March 7th (pretty close) and the 21st, 1993, the moon is going into an "oval" orbit which will bring it 216,000 miles from the Earth. They are geared up to expect the "Big One" in California and Washington. Also, they expect that Mt. Baker, Mt. Rainier along with others, may well erupt. They say the lava from Mt. Rainier will bury Seattle and other places in between.

The question from this person, to me, is: "Is this data correct as to the dates?" I would suggest that you attend that which Commander Soltec is offering for your attention. [See "Professor" Soltec's excellent writing starting on page 20 which addresses this important issue of lunar AND solar effects on tide and crust motion. When the Moon passes exceptionally close to the Earth—216,000 rather than 233,000 miles—ALL of its effects ON the Earth would be greatly heightened.]

I would suggest that you first, however, writer, attend what you have, yourself, said: "I know it's going to happen soon...." Your geologists, geophysicists and obviously, seismologists—KNOW it will be sometime in the near, near future. I can only suggest that you pay attention and take ALL warnings seriously and remain totally prepared for any eventual date. I am not come near to tell you "safe places" or "individually guide your path as to security from Earth upheavals". We are here to

get you to "prepare" and accept responsibility for selves. We have given unlimited information regarding dangerous places—which would, I realize, appear to be "everywhere". It is the time of massive Earth changes, both inflicted by man through technology AND those of natural evolution as a planet changes.

Just as with associations which seemingly "bind" you, you must look unto the possibilities and see to that which holds you in quandary. I have no "right" to interject my wishes upon any—YOU must do that which you must do (or not do). We can only give information—not forceful intervention. Listen to that which your Earth "scientists" are telling you—check with those labs which keep track, plot those courses of highest potential and then act according to that which seems appropriate.

If you are hoping that I will somehow give you ten minutes notice or a day or,—I have already done so. IT IS TIME TO ATTEND THESE THINGS OR GO WITH THE CONSEQUENCES.

HUMANITARIAN HELP IN BOSNIA

Humanitarian help in Bosnia??? Don't be foolish, look at what is happening. There is an advancing front of assault troops moving into the area whereat the supplies are being air-dropped. The "enemy" of those targeted for humanitarian relief is GETTING IT ALL! What do you now think? Let me point it out if it eludes you: You are supplying the very enemy with rations, ammunition, medical supplies and all necessary small equipment (and some quite large) necessary for a major offensive. Even your own Secretary of State and President tell you that it will continue! And how is your day?

TOWER BOMBING TERROR

Now they are telling you: that it may take years to find evidence as to who put the bomb in the towers. Come, come little sleepyheads, do you think the world will "wait" while your rinky-dinks play around with plastic fragments? You had better get with the program or there won't be enough left to pick up any pieces.

WACO, TEXAS FIASCO

No, I don't have much sympathy with a man who uses God to allow for his degradation and illicit activities. Neither do I have much sympathy for SWAT teams with assault weapons. However, you ones had better look at what is happening in Waco, Texas. There is massive information if you but look. I make no pronouncement on the incident in point except that you can expect this around your nations, around the world. We do not sanction, in any manner whatsoever, the

activities within that compound by those people within its boundaries. But, have you come so far that it is worthy of mass murder?

It is already set up as mass MIND-CONTROL and programmed to perfection so, unless you get INFORMED, you will not be able to have an intelligently-formed conclusion about anything happening in that, or any other, area. This whole event is "Psychopolitics through Religion" (a deadly combination of lies as to both politics and religion).

Note that the definition of "cult" is now changed to suit the oppressive needs of the "media". "Cult" simply means a group oriented to a given purpose or idea—usually associated with religion. Now, it represents unlimited evil expression. By definition, ANY CHURCH IN THE WORLD—IS BUT A "CULT". BUT, NOW YOU HAVE A NEW DEFINITION WHICH WILL MEAN: ANYTHING THAT IS OTHER THAN SANCTIONED BY THE ELITE AND ALLOWABLE BY THE ELITE. In other words, you can now be hanged for "NON-PROVEN" GUILT, YEA, EVEN THROUGH "THOUGHT".

HOW ARE "WE" DIFFERENT?

We are "Hosts" come to awaken God's children, allow them the Word of Truth for the purpose of decision-making and to bring home God's people while reclaiming that which is claimed by GOD Creator. **GOD WANTS nothing of the Satanic world of debased expression. This requires NO GROUPS, no "other"—only self and God.** Even physical protection from the massive movement over freedom, depends on how well you listen to instruction for behavior. Violence or law-breaking is NOT acceptable. A remnant will be brought through in awareness and you have no need to be in a special place or certainly not in any group. Groups are targeted in EVERY INSTANCE and infiltrated. I expect my crew to function fully open and act in such manner that your deadliest enemy can function on your Corporate Board of Directors—as long as his antics can be outvoted by our people. "Subversion" is a tool of that very movement you wish to confront and change—**WE HAVE NO INTENT OF ANY KIND OF SUBVERSION OR CONTRADICTIONS TO THE LAWS OF THE LAND. WE BRING "THE WORD" AND THAT IS ENOUGH. IF IT BE NOT ENOUGH THEN SO BE IT. THROUGH "THE WORD" OF TRUTH AND GOD, SHALL YOU FIND YOUR PERFECT COURSE.**

STATEMENT ON GAYS IN MILITARY BY MARINE CORPS LEAGUE (INCORPORATED BY AN ACT OF CONGRESS)

I have been asked to run the following information and we are happy to do so

since the subject considered is so impacting on ALL of you.

QUOTING:

THE WORD—MARINE CORPS LEAGUE:
Commandant's Message: Military Service Is No Place For A Social Experiment.

Candidate Clinton's priorities to the American people were substantial deficit reductions, health care reforms and other domestic actions to revitalize the country. But his first priority, as President, turned out to be the abolishment of the 50-year-old ban on homosexuals in the military.

Our new Commander-in-Chief, who has never served in the Armed Forces of these United States, and who did all he could to avoid such service that would put him in harm's way, feels qualified enough on military service life to order the enlistment of lesbians and gays in the Armed Forces. "I intend to keep my commitment to the American People," he said. Apparently we who have worn the uniform don't count as American people. Just some common inhabitants to serve this nation by putting our lives on the line whenever he calls.

The Uniform Code of Military Justice has been approved by the Congress of the United States. Sodomy is a violation of article 125 of the UCMJ, which states oral and anal sex is a criminal act.

As a veteran, I have asked myself such questions as to how much trust and respect would I have had for my immediate leaders in a combat situation if I knew they were gay? How would I handle homosexual advances in the showers? Would gay officers show favoritism toward gays when promotions were handed out? Would I help a wounded bleeding soldier who might possibly be infected with the AIDS virus? God forbid if I were the one who needed a blood transfusion while in the field.

Senator Edward Kennedy in support of Clinton said, "The President is trying to bring the nation together and to try and deal with the issues of intolerance in our society." But THE MILITARY COALITION, a consortium of military and veterans' associations representing 3.5 million members of the military community, opposed such a demoralizing move on the part of the Commander-in-Chief of the nation's uniformed services.

In a letter to the President-Elect Clinton they said, "Service in the armed forces is a unique calling. Military men and women must be prepared to live anywhere, fight anywhere, and maintain high morale and combat efficiency under frequently adverse exposure to difficult conditions. They are asked to undergo frequent exposure to risk, long hours, periodic relocations and family separations.

"Additionally, they willingly accept some abridgment of their freedom of speech, their right to privacy, and control over their lives and working conditions. These are all part of the very personal price our military personnel pay on a daily basis."

In another letter sent to Clinton our National Executive Director, Marine Corps League, **Ronald L. Martin** pointed out that our top military leaders are uniquely qualified to advise the Commander-in-Chief on the ramifications of such an action. He said, "Uniformed service personnel know that homosexual behavior is absolutely incompatible with military service because it adversely affects morale, undermines discipline and erodes combat readiness."

Martin went on to point out that the homosexual person in the military will also expect the same privileges afforded the non-homosexual person, such as quarters, the right to be married in the chapel on base and DIC payments should one of the members become a casualty of war. "It is absurd to assume that homosexuals can control their behavior under circumstances similar to those where heterosexuals have been unable to exercise self-restraint," he said.

Why is it that those who never wore a uniform and have no idea of what military service is like, let alone combat, seem to be the leaders in Congress who want to change a military service that has served this nation well for over 200 years? Supporters of the ban's removal, Congresswoman **Pat Schroeder**, who has led the fight for women aboard ship as well as in combat, and avowed gay Congressmen **Barney Frank** and **Gerry Studds** were cheered by Clinton's commitment. They are just three of the few who support Clinton on the issue. If they have their way, we'll next see a Gay Disco established at Quantico and a Lesbian Slopshoot at Twentynine Palms.

As veterans, what can we do to promote, preserve and protect legitimate military interests? The military chiefs failed to convince Clinton. But the Congress of the United States must vote on any changes in the Military Code of Conduct.

Senate Armed Forces Committee Chairman **Sam Nunn** said he plans hearings in March, regardless of what Clinton does now. That turned a light bulb on for President Clinton and he quickly agreed to delay his executive order on gay rights. Reason? Have we forgotten the fight over the flag-burning issues? When flag desecrators were on the ropes from the pressure Americans were putting on Congress, all they did was...**wait out the storm.**

Time heals, courage fails, tension lessens, people forget, the weak-kneed back off, and that is when left-leaning liberal Kennedy types take over command on the Hill.

The Congress took the slings and ar-

rows of outraged veterans' organizations on the flag issue. You can bet they will again on the gay issue—unless we stand firm and keep the pressure on.

So how do we oppose Clinton on this issue? Where do Nevada Senators and Representatives stand on gays in the military? The answer is simple. As veterans who served in the United States Marine Corps, everyone of us should write our Washington Reps and tell them where we stand on this important issue.

This article is presented by Michael

Ensworth.
END OF QUOTING.

Since the above comes from a Nevada publication, I would suggest if you wish to express opinions—write to your own State's representatives and public officials. **Also, however, since there is ongoing contact on this issue with and through the CONSTITUTIONAL LAW CENTER, your voice can be heard through that entity.**

Here is where your chondrocytes come into play as cartilage consists of specialized cells called "chondrocytes" embedded in a matrix, or ground substance, that comprises varying amounts of *collagen*, a gel-like substance.

SO WHY DON'T WE "PUSH" THE GU?

Because there is a significant amount of "broth" containing the particles of membrane in Gaiaandriana and the other products of Gaia-source. Also, our people have only a couple of membranes from which to begin a nursery. I believe there is enough now available to fill most orders for a "start" and instructions if you wish a "start" of your own. It is not an "end-all", it is only a good addition and my wish was to disabuse you of thinking it to be a "whole" to the point of exclusion of the most important of all the components in Gaiaandriana. With the "tea" or "membrane" broth—YOU DO NOT HAVE ALL THAT YOU NEED TO COMPLETE THE NECESSARY WHOLE—ONLY A SMALL PORTION—SO OUR THRUST IS TO GIVE THAT WHICH PROVIDES "WHOLE" NESS, NOT PARTIAL HIT-MISS HELP. YOUR BODY NEEDS ALL OF THE MYRIADS OF "THINGS" WHICH COMPRISE IT—NOT JUST PARTS—AND IT MUST HAVE THE PERFECTION TO KNOW HOW TO UTILIZE THE SUBSTANCES, WHEN SUPPLIED, IN RIGHT RATIOS.

This substance is more accurately recognized in our places as Gaiacondriacytic gelatinous fibrous structure. "Gaiacongel" would do nicely for the membrane, and the "broth" you can call anything you like from tea to Gaia mini (living water [liquid]) Ask any good Lakota Sioux!

I hope that all of you will take note that toward the end of this month, March, there will be some speakers assembled in Tehachapi to discuss some of these items—I believe, around the weekend of the 20th. [This began as a casual gathering and seems to have grown; an announcement will be carried as a LIBERATOR insert for the states adjoining California; others who are interested, further away geographically, please call the LIBERATOR for information.] They won't know about these things to great extent but I will probably make my own information available.

For you who wonder why you must use the actual "tea" in the solution for growth, it is because of the color. Remember that I told you that alternate spectrum needs in Gaiaandriana culturing was coffee and more efficient is tea as found steeped from the regular brewing types you utilize as beverage. The sugar, of course, is for the same purpose as sugar in yeast bread—to feed the cells. Aren't we having fun? Isn't God wonderful? Aren't we glad we came this way? I am! I am humbly grateful for the opportunity to serve in this wondrous time of uncovering the wonders of God—with you.

Comments On Ancient Elixers For Health Improvement

3/4/93 #2 HATONN

MU-GU, MO-GU AND CHINESE MUSH-ROOMS

Friends, since I am interrupted right now, let us take just a minute to discuss some of the wondrous things coming into your attention for health improvement. Ones are now calling and commenting on similarities of "ancient" substances [See the "MO-GU ELIXER" among the Gaia Resources Products information on the next-to-last pages.] now coming forth again, which they have stumbled upon, under various names, in the quiet sharing places.

Let us look at the "membrane" which gives life to these "brews". You have "Gaia-cartilage". The membrane itself is living-cartilage which is exactly the replication of any "cartilage" formation in its basic structuring, among many other things. Our "subject", however, is the membrane itself.

You will note the current interest in the use of "Shark cartilage" [on the 60 Minute television show two Sundays ago] in the reduction of cancer tumors and even, in some instances, total shrinkage of such tumors. In studies in Cuba, almost ALL treated cancer patients had remarkable showings of improvement in overall well-being, stamina and shrinkage of affected tissue masses. Is THIS the miracle cure? NO—it is not a cure at all.

Well, you could take the "membrane" and dry and grind it and have basically the same thing as Shark cartilage except for the perfection of it adapting specifically to human structure. Or, you could take the "older" membrane, cut it, dry it and use it for "chewing" and get the same results along with some pleasurable munching. This is about the BEST substance for the repair and restoration of joint cartilage attacked by arthritis and damage of any kind.

Will it completely "restore" it? Sometimes, but most likely not to perfection if there has been

intervention by surgeons, etc. This will recushion the spinal structure since the discs and surrounding tissue of the spinal canal is cartilage. What causes shrinkage of malignant tissue? It doesn't matter. It is, again, much like your television—almost all of you don't need to know how that television works—only that the on-off switch, when the equipment is receiving power, presents you with a "picture". I am not come to give you biophysics lectures—we leave those lessons and communications to the biophysicists, if you please.

Is this the "stuff" you order separately from Kathy? Yes. It has many, many labels but it technically is "living (Gaia)-cartilage" (Gaiacondrocytes). There are three main types of cartilage: hyaline, fibrocartilage, and elastic, each with a different proportion of collagen and each with different functions.

Hyaline cartilage is a tough, smooth tissue that lines the surfaces of joints, such as the knee, providing an almost frictionless layer over the bony parts of the joint. If the lining becomes worn (as in osteoarthritis) or damaged, joint movement may be painful or severely restricted.

Fibrocartilage contains a large amount of collagen and is solid and very strong. It makes up the intervertebral disks between the bones of the spine and the shock-absorbing pads of tissue that are found in joints.

Elastic cartilage is soft and rubbery. It is found in various structures, notably the outer ear and the epiglottis.

Cartilage is simply a type of connective tissue that, although not as hard as bone, forms an important structural component of many parts of your skeletal system, such as the joints. Much of the fetal skeleton is formed entirely of cartilage, which is then gradually converted to bone. In replication procedures, the first "skeletal" form is only cartilaginous.

The following is going to be taken DIRECTLY from the January 1993 issue of *The McAlvany Intelligence Advisor*. I have honored this man before and I wondered at why there was such animosity at meetings against Green who claimed to be representing our work. I guess that answer now speaks for itself, doesn't it? It seems the ones "in the seminar arena" knew George Green far better than did anyone at this location.

Since the paper has been copied and sent to us and I find it an excellently written document, I offer it with full responsibility for so-doing. I will, however, do the journalistically proper thing when using another's writing: give full credit and list acquisition information. I am a bit sorry to note that this paper is one of the "Phoenix [Arizona] Club" papers of which I have negatively written. It makes the paper, when issuing truth, no less valid. QUOTING:

THE FOURTH REICH: TOWARD AN AMERICAN POLICE STATE

"When plunder has become a way of life for a group of people living together in society, they create for themselves in the course of time a legal system that authorizes it, and a moral code that glorifies it." — Frederich Bastiat

"Socialism, once a reality, destroys the moral fiber which is the creation of freedom. It breeds every device which produces totalitarian rule." — General Douglas MacArthur

"The individual's freedom and choice will be controlled within very narrow alternatives, by the fact that he will be numbered from birth...and followed as a number,

through his educational training, his required military or other service, his tax contributions, his health and medical requirements and his final retirement and death benefits." — Carroll Quigley

"America is great, because America is good. If America ever ceases to be good, she will cease to be great." — Alexis de Toqueville

INTRODUCTION

America, in 1993 (and for the balance of the decade), is plunging toward becoming a socialist police state, remarkably similar to Nazi Germany in the 1930s or the Soviet Union from the '20s through the '80s. America, over the past few decades, has seen its traditional values turned upside down in almost every area, to the extent that the killing of 28 million babies is simply "free choice"; homosexuality is simply an "alternate lifestyle" officially sanctioned and pushed by the liberal establishment and its media; the family is now under attack from the government, the media, the schools, the homosexuals, and the environmentalists.

Pornography is now the norm on television, in movies, in books, magazines, and more and more in the classroom as students down to kindergarten level are taught how to have "safe sex" or enjoy "alternate sexual lifestyles"; spiritual values, Christian leaders, organizations, and individuals are denigrated and discriminated against more and more by a government, media, and culture that rejects our traditional Biblical foundations and (as in Nazi Germany and the Soviet Union) will soon persecute the Christian church in America.

The criminals (murderers, rapists, burglars, robbers, etc.) are given light (or negligible) jail sentences, while the government is now reclassifying honest law-abiding Americans as criminals, and giving them severe jail sentences or confiscating their assets or property via Draconian Nazi-Marxist-Leninist-style seizure laws.

The legal system and government now allow the "have nots" to plunder the assets of the "haves"; and a gargantuan U.S. government passes tens of thousands of new regulations each year (i.e., over 67,000

pages of fine print) to control every aspect of Americans' lives.

The Socialists (calling themselves liberals, secular humanists, environmentalists, gay rights activists, women's rights activists, civil rights activists, New Agers, etc.) now completely control the U.S. Administrative branch of government, the media, and the educational system; have effective control of the Legislative branch; and partial (but growing) control of the U.S. Judiciary. The Socialist agenda (now to be accelerated under Bill and Hillary Clinton and Al Gore) calls for the nationalization of children, the abolition of the family, the promotion of promiscuity, and Orwellian-type controls over every aspect of our lives.

Has the incredible transformation of American traditions and values, of our government, and our whole way of life over the past two decades happened spontaneously, or by accident? No! There have been powerful forces behind the scenes orchestrating and manipulating the transformation of America according to a well laid out plan that has been in operation for many decades, if not centuries.

As Igor Shafarevich wrote in his excellent essay *Socialism In Our Past and Future* and Alexander Solzhenitsyn wrote in *From Under the Rubble*, the destruction of religion and the family are central to socialist ideology.

The socialists, internationalists, and communists of the world (they no longer call themselves communists) are now following the revolutionary strategy of Antonio Gramsci, the late founder of the Italian Communist Party and a Marxist theoretician who died in 1937. (Franklin Sanders wrote in detail recently about Gramsci's strategy in his *Moneychanger Newsletter*, P.O. Box 341753, Memphis, TN 38184.) After spending time in the Soviet Union in the 1920s, Gramsci concluded that the clenched fist revolutionary approach of the Bolsheviks was not a winning strategy, but that socialism (i.e., communism) would triumph through the "reshaping of consciousness" in society.

Gramsci, concluding that "the cultural superstructure determines the political and economic base, and not the other way around", wrote, "In a developed society, the passage to socialism occurs neither by

putsch [ED. NOTE: A sudden revolt or uprising] nor by direct confrontation, but by the transformation of ideas, which is to say, a slow reshaping of consciousness. At stake in this war of positions is the culture (i.e., the source of values and ideas). The seizure of political power is not possible until after the seizure of cultural power. Culture is transformed through government (and its agencies), schools, universities, social sciences, trade unions, churches, and the print and broadcast media."

In essence, Gramsci said the socialist revolution would be brought about by the transformation of a society's culture and values, not through political or military power. By changing the values and very mode of thinking of the enemies of socialism without their conscious knowledge, they would become socialism's allies. We are not talking about a communist revolution or military takeover in the traditional sense, but a wholly different danger: the establishment of radical socialism by the undermining and transformation of traditional Western values.

[ED. NOTE: And that is precisely what the socialists in the American government, universities (and lower schools), media, Hollywood, churches, etc., have systematically done over the past two to three decades. They have been preparing Americans for acceptance of a Socialist-Nazi-Marxist-Leninist-style **POLICE STATE** and to willingly become slaves by undermining our culture from top to bottom. And this is the great danger of the Clinton Administration. It is likely to continue the Bush/Wall Street economic policies, but is rapidly going to culturally transform America and its values to conform to the Gramsci strategy. The whole process took only about 14 years in South Africa—which now stands on the brink of the socialist-communist abyss.]

Gramsci articulated the importance of Lenin's "*Long march through the institutions*" (i.e., the penetration of the media, the universities, public interest groups, churches, and cultural institutions)—stressing that by working through such institutions, cultural values could be altered and morals softened "irreversibly", setting the stage for political and economic power to drop into the hands of the Left (as it has done over the past decade or so, and will do like an avalanche under Bill and Hillary Clinton and Al Gore).

According to Gramsci, once socialism dominates the cultural and ideological scene, revolutionary power and control by the state will quickly follow in one short easy step. The strategy of the socialists, then, is to change the way society thinks about problems—to gain control over the minds of the population.

An essential element of Gramsci's strategy was to replace the religious (or Christian) inclinations in a targeted society with a social gospel (i.e., a Marxist-Christian dialogue, liberation theology, etc.) which is totally devoid of all supernatural content. Gramsci did not want to destroy religion, but rather to neutralize all spiritual aspects and use what remains as a vehicle for the political struggle and socialism. Worship, faith, prayer, the sacraments would be replaced with what Gorbachev calls human values, human solidarity, abolition of social injustice, and the end to oppression of women, children, blacks, native peoples, homosexuals, the disabled, etc.

Gramsci therefore strategized a "convergence" of religion and socialism and takeover of the entire field where culture is elaborated and diffused (i.e., schools, universities, the media, Hollywood, etc.). Following Gramsci's strategy, the socialists of our day (in America, Europe, South Africa, and throughout the socialist culture)—come replete with socialist literature, films, plays, poetry, and various forms of art and music. The stage is now set in America (and throughout much of the West) where the closet communists are ready to build more openly upon this well-established superstructure.

It is important to note that the "new thinking" in the "old Soviet Union" (CIS); the "new South Africa" of F.W. de Klerk and Pik Botha; the "New Covenant" of Bill and Hillary Clinton, Al Gore and their entourage of socialist advisors and staffers, is based either directly or indirectly on the writings and strategies of Antonio Gramsci.

[ED. NOTE: It would be remembered that Bill Clinton has studied under the highly praised Italian socialists and communists. And it should also be remembered that many of Clinton's top advisors come from the Institute of Policy Study, an influential socialist group which follows the agenda of the Marxists and Gramscians.]

This writer is reminded of a quote by John Strachey, the former head of the British Labor Socialist Party and a communist, who said in the 1930s: "*There cannot be a direct transition from capitalism to communism. First we must move to socialism, as a necessary stepping stone to communism.*"

Sun Tsu, the Chinese military strategist, wrote in 500 B.C. that "*to conquer your enemy, you must destroy their will to resist.*" [H: **How many of you are ALREADY "THERE"?**] Of course, that will be destroyed if you can convert your enemy without him even knowing it. Eventually, it becomes impossible to oppose socialism. In "1984", Orwell said that the purpose of the new lan-

guage, Newspeak, was to make opposition to Big Brother impossible to even conceive. Anyone who failed to embrace the "politically correct" socialist mentality was, by definition, mentally ill. It was not enough to destroy Winston Smith. It was necessary to turn him to the point where he would love Big Brother.

So, in the 1990s, America is plunging rapidly into Antonio Gramsci's socialist quagmire—not by accident—but by clever, well-orchestrated and well-financed design. Behind this socialist transformation of America (culturally, socially, politically, and economically) is the Liberal Eastern Establishment (epitomized by the socialist-globalist Trilateral Commission, Council on Foreign Relations, Club of Rome, Bilderbergers, Fabian Socialists, Socialist International, etc.). Behind these groups is probably the centuries old Illuminati, with its occultic-Luciferian substructure.

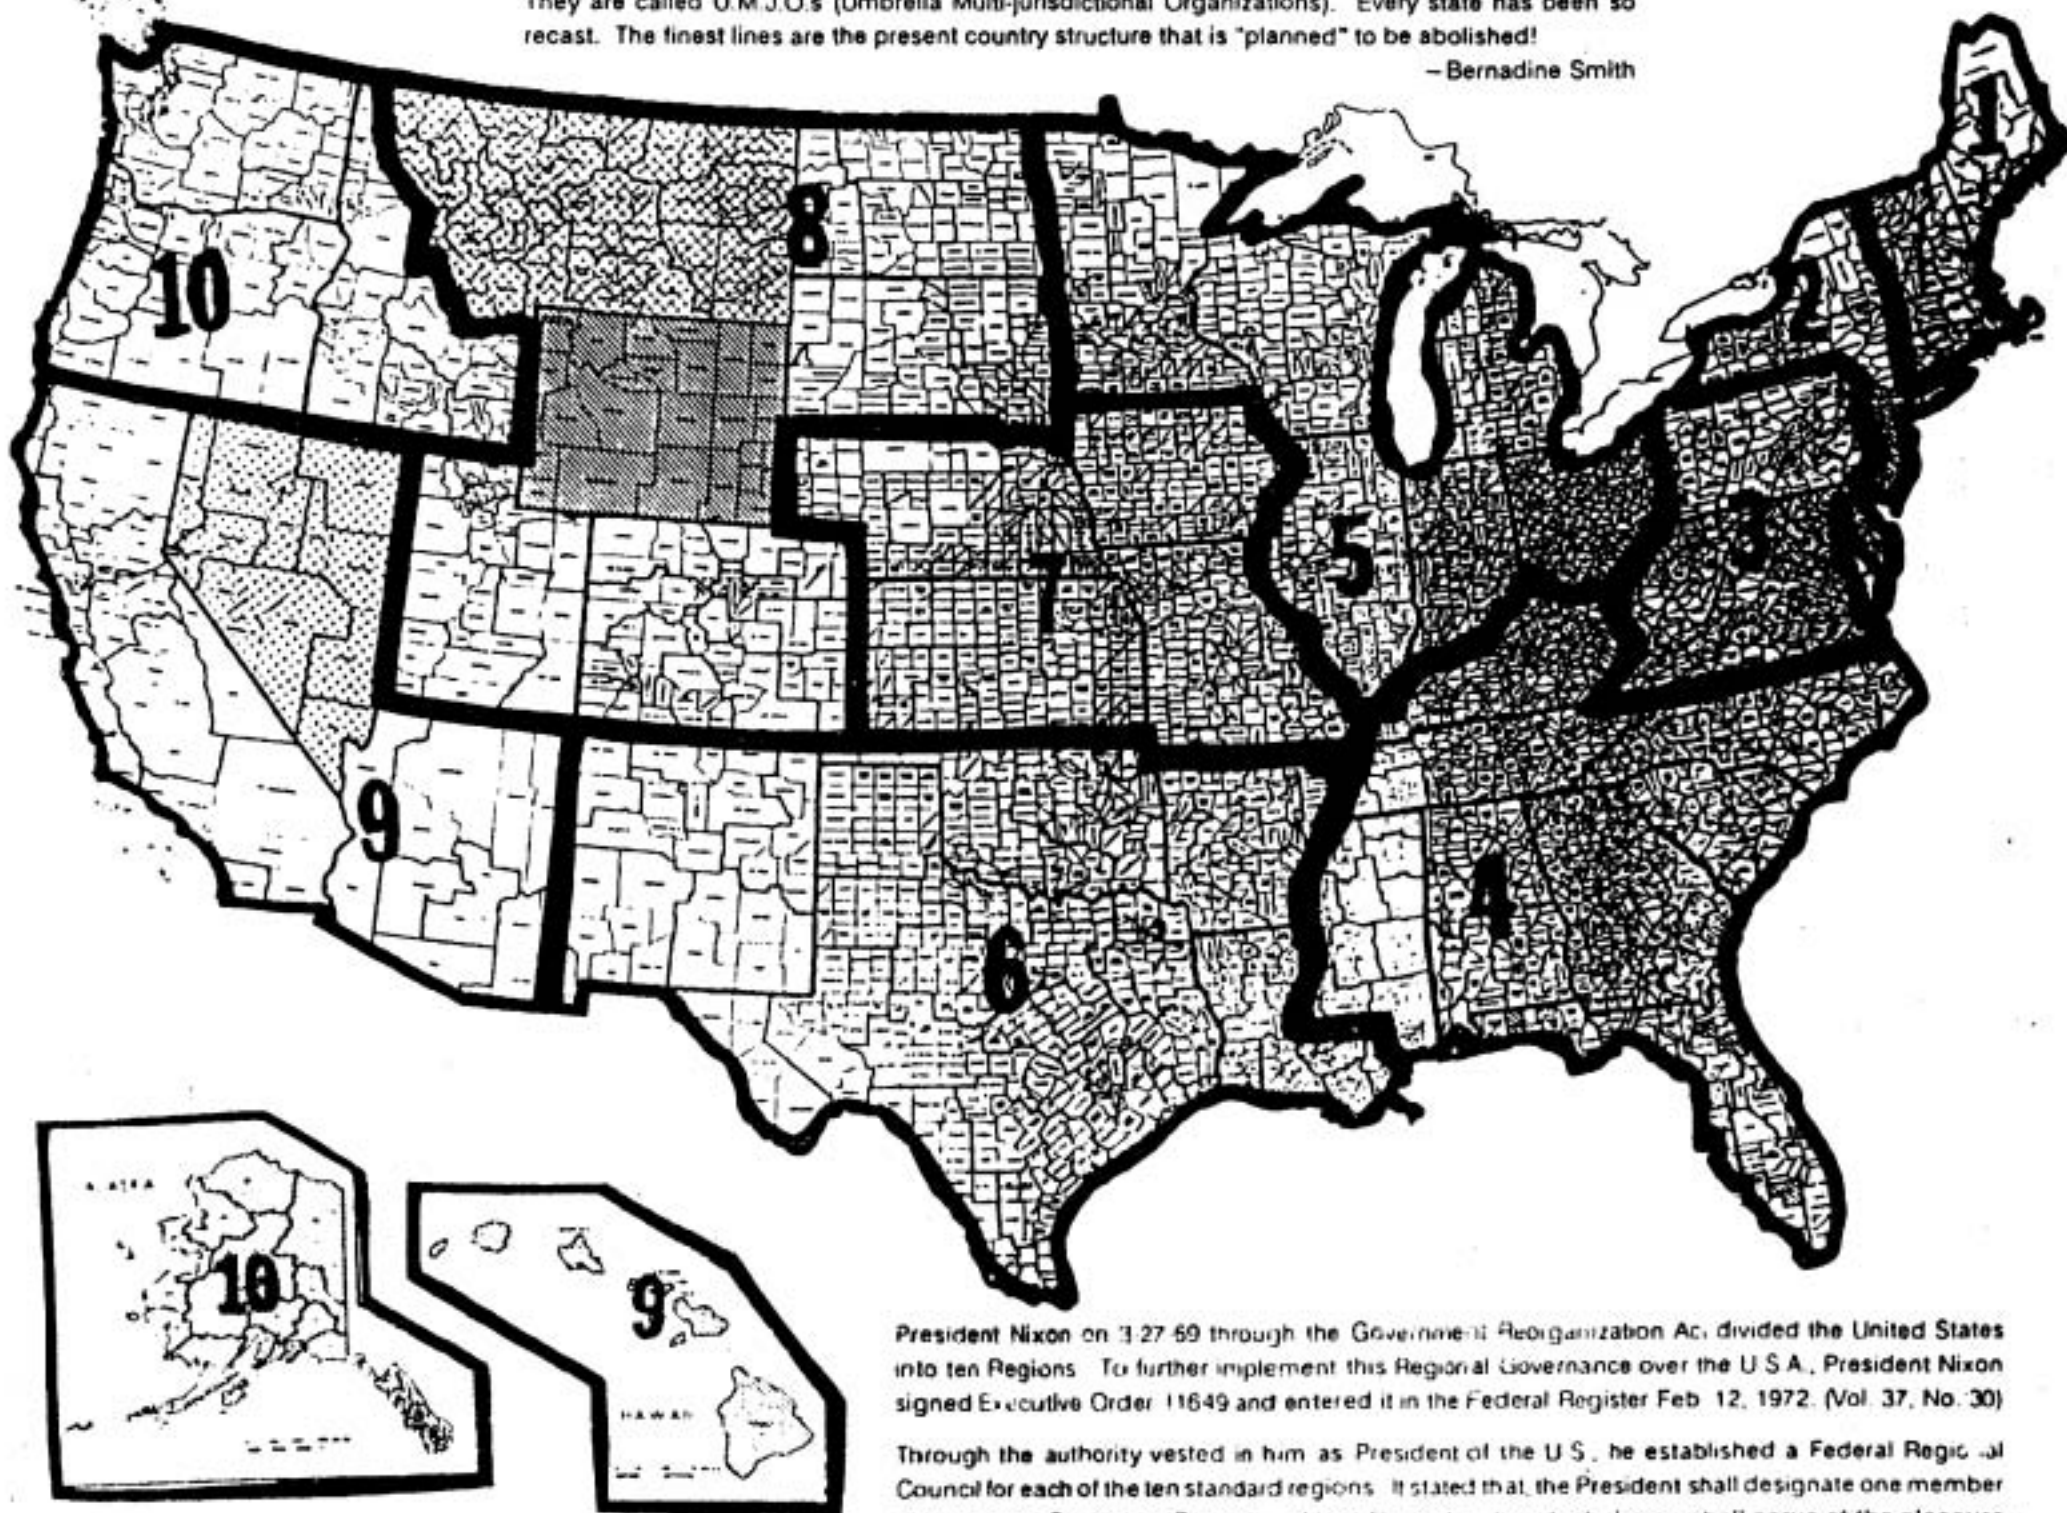

The Clinton Administration, the Bush Administration, and the Carter Administration are (or were) **wholly owned** by these socialist-globalist groups, and the Nixon, Ford, and Reagan Administrations were **partially owned** by the same. **Their goal:** the immersion of America (and the West) into a socialist world government called the New World Order, on or before the year 2000. It will be replete with a "convergence" of the common interests of America and Russia; three major regional governments: 1) Europe (the U.S. of Europe—which came into being 12/31/92); 2) NACOM, the North American Common Market (the U.S., Canada, and Mexico)—which was launched by George Bush in 1992; and 3) a Japanese-Pacific Rim regional government.

Elements of this socialist New World Order include **a global financial system** (replete with a one world Central Bank and currency, global currency controls, and eventually a cashless, computerized society); **one world environmental control** (replete with global Environmental Protection Agency which can track down and punish corporate or individual "environmental criminals"); **a one world economic system; one world population control** (which will be anti-family, anti-reproduction, anti-children, and pro-homosexual, and which will lead the charge globally for abortion, euthanasia, and other population control measures). America is to be divided into ten regions under the New World Order (as per Richard Nixon's Government Reorganization Act (3/27/69) and Executive order 11649 (2/12/72). [H: **Editors, please reprint the 10 district map of the U.S.**] [See next page.]

Regional Government Update 1987

The country is partitioned off into 10 "regions". The most bold black lines delineate the ten sections (regions), each having its own "capital". The less bold lines depict the replacements for counties. They are called U.M.J.O.s (Umbrella Multi-jurisdictional Organizations). Every state has been so recast. The finest lines are the present country structure that is "planned" to be abolished!

—Bernadine Smith

President Nixon on 3-27-69 through the Government Reorganization Act divided the United States into ten Regions. To further implement this Regional Governance over the U.S.A., President Nixon signed Executive Order 11649 and entered it in the Federal Register Feb. 12, 1972. (Vol. 37, No. 30)

Through the authority vested in him as President of the U.S., he established a Federal Regional Council for each of the ten standard regions. It stated that the President shall designate one member of each such Council as Chairman of that Council and such chairman shall serve at the pleasure of the President.

Also included is a one world police force, now called the New World Army (under the control of the United Nations), designed to keep the peace globally, eliminate global dictators (or resisters to the New World Order), and enforce global socialism and world government. The U.N.'s New World Army (pushed so hard by George Bush over the past two years) is establishing itself as the world police force, first in Operation Desert Storm, next in Somalia, next back in Iraq, and next in Serbia-Croatia-Bosnia and-or South Africa (where it is likely to be sent to install the communist ANC in power). Eventually, it is envisioned that New World Army (U.N.) troops will be sent anywhere in the world (even into America) to stamp out resistance to the New World Order. [H: Oh brother, if you haven't seen this already in place and working in the U.S.A.—you had better look carefully—AGAIN. This is already operational from one corner of your nations to the other on the entire continent.]

There is a supernatural (occultic) dimension to the New World Order, called by some the New Age Movement (and epitomized by Maurice Strong, Shirley MacLaine, Jane Fonda, Ted Turner, John Denver, Zbigniew Brzezinski, George "Thousand Points of Light" Bush, Al Gore, Hillary Clinton, the Dahli Lama, and a cast of millions worldwide), which also promises world government and sharp population reduction by the year 2000—the "Dawning of the Age of Aquarius".

[H: "Ah," you might say, "But I thought you, Hatonn, and your crew were 'New Agers'." NO! Sorry about that—I have said over and over again that if nothing else could destroy you the NEW AGE MOVEMENT would do it. I can assure you that you are going to find "us" to be about as traditionally moral as you can find anywhere in heaven. The New Age Movement is not NEW—it is as old as Satan!]

Herein lies an interesting parallel to the supernatural, occultic underpinnings of the Nazi Third Reich, which also aspired to global government and had the same occultic-Eastern religious dynamic behind it as the New World Order-New Age axis. [ED. NOTE: This writer, McAlvany, has long felt that the global convulsions of the '80s and '90s were not just political or economic, but also spiritual (or supernatural). Some Bible scholars even feel that the present rise of socialism on a global scale and the rise of the New World Order-New Age axis could be setting the stage for the rise of the Biblical anti-Christ. Indeed the New Agers call their Christ, Lord Maitreya.]

This issue of MIA (for which your editor has been gathering research for about a year) will analyze within the context of the above-described plunge into socialism, the New World Order, and New Age: 1)

the accelerating thrust to control the American people (via gun control, environmental and tens of thousands of other government regulations, electronic surveillance and computerization of all aspects of Americans' lives, a national police force, and various Nazi-Fascist-Communist-style police state tactics); **2) The plunge toward a cashless society and the government war against cash and privacy** (via money laundering and structuring laws, the new money, and foreign exchange controls); **3) The government's campaign to seize property and assets of U.S. citizens via unconstitutional forfeiture laws and regulations;** **4) Specific cases of government attacks against innocent citizens;** and **5) What to do financially and politically to oppose America's plunge into a socialist police state.**

If some of the examples of the U.S. government attacks against its citizens seem shocking or unbelievable to you (as they were to this writer), remember they are only a few examples of what has been happening to tens of thousands of U.S. citizens across America. This issue of MIA will not be funny or entertaining. It will be sobering and frightening, but hopefully it will pull together a myriad of seemingly unrelated incidents and give the reader a perspective on the trends and threats to our families, our freedoms, our traditional way of life, and our future as a free people, as we move toward an American Socialist Police State.

STOP QUOTING.

We will continue to offer portions of this material as we can fit it in. It is well done in all respects. In the interest of good journalism we will make comments from time to time but present it in its own format except for "retyping" for we have such a poor copy as to prevent direct utilization. We are efforting to give it exactly as presented, IN ITS ENTIRETY SO THAT IT IS NEVER OUT OF CONTEXT OR INTENT OF THE AUTHOR. Herein an "ED. NOTE:" indicates, I believe, Mr. McAlvany. The assumption is that he is also the writer so if confusion prevails—don't focus on that point. IT IS THE INFORMATION UPON WHICH YOU MUST FOCUS FULL ATTENTION.

3/4/93 #4 HATONN

We will now return to the writing in progress yesterday, from *The McAlvany Intelligence Advisor*, P.O. Box 84904, Phoenix, Arizona 85071. We will present it exactly as originally offered so that all context is considered exactly as presented.

.CONTINUATION OF QUOTING:
McAlvany Intelligence Advisor

1. TO CONTROL THE PEOPLE

"Either some Caesar or Napoleon will seize the reins of government with a strong hand or your republic (America) will be as fearfully plundered and laid waste by barbarians in the Twentieth Century as the Roman Empire was in the Fifth; with the difference that the Huns and Vandals who ravaged the Roman Empire came from without, and your Huns and Vandals will have been engendered within your own country by your own institutions." — Thomas Cacawley, 1857.

People control is essential to any totalitarian state, whether in Nazi Germany, the former Soviet Union, Cuba, or perhaps even in the socialist America of the 1990s, or in the emerging New World Order.

A. THE EXPLOSION OF GOVERNMENT REGULATIONS

Congress passed almost 2,500 new laws in 1992. **Most of these laws carry both criminal and civil penalties for violations.** These laws are then turned over to any of several dozen applicable federal agencies (i.e., FDA, EPA, BATF, SEC, IRS, OSHA, FCC, FAA, DEA, etc.) which write tens of thousands of federal regulations each year to implement and enforce these new laws. These agencies employ close to 121,000 faceless bureaucrats to write the new regulations and enforce these laws and regulations.

There were 67,715 pages of new regulations written and published (in fine print) in the Federal Register in 1992 and that suffices as legal public notice of the new laws and regulations. **You are responsible for following every one of those.** It would take a large battery of Philadelphia lawyers to interpret and keep up with this avalanche of new regulations; **but each U.S. citizen is considered to be responsible to know, understand, and abide by these new laws and regulations. Ignorance of the law in America is no excuse.**

Heavy fines and-or jail sentences are associated with violation of many of these laws and regulations, and tens of thousands of Americans are now sitting in jail, or have been heavily fined, or had their businesses closed for violation of these new laws and regulations. In many instances, agents from the various agencies run stings against unsuspecting citizens or businesses, and entrap them into violating the new law or regulation. A high profile example is then made of the new criminal, or violation, along with

fines, prison sentences, and media publicity, to intimidate the public, or other related businesses, into going along with the regulations.

[ED. NOTE: Incredibly, the government has created a situation in which you are almost certain to be a "criminal". You are breaking one or more of these regulations right now, and don't even know it—there is no way to know and keep all of these rules and regulations. We have more people in prison per capita today than South Africa, Albania (and most of Eastern Europe), or even Red China. We jail 6 times as many people per capita as Denmark, and almost 11 times as many per capita as Japan.]

These dictatorial new laws and regulations are costing Americans literally hundreds of billions of dollars per year, and are hamstringing tens of thousands of small businesses which literally cannot afford the paperwork, red tape, and expenses of compliance, and are therefore forced out of business. One small example: **the Agriculture Department has made it a crime to sell peaches or nectarines which do not meet the minimum size of 2-7/16" and 2-3/8" in diameter respectively.** This new regulation (passed in 1992) will condemn to rot over 500 million perfectly edible peaches and nectarines per year (worth over \$50 million at the grocery store).

The U.S. Attorney General has already filed for a federal injunction and a \$100 per box fine against California's largest nectarine and peach farmer, who was selling the forbidden fruit at a bargain price of under \$10 per box to thankful inner-city residents. The farmer is now a criminal who will be fined heavily for his crime. But meanwhile, the Agriculture Department has asked the California Nectarine Administrative Committee to undertake market research to determine the effect of fruit size on consumer preferences.

B. ENVIRONMENTAL REGULATIONS

These may be the most dangerous of all, because the Clean Water Act, Clean Air Act, and a host of other environmental laws and regulations passed in recent years give the government Draconian, dictatorial controls over virtually every business and person, over every piece of private property, every car, and every action of every American in the U.S. (The July and September '92 issues of *MIA* described this socialist juggernaut in detail.) **Environmental laws and regulations (both domestic and international) will be the number one vehicle for moving us into socialism and the New World Order.**

Seventy percent of private property in America is already considered by the government as "wetlands" (whether there is surface water on it or not) and

under their control (i.e., half of Vermont, 40% of Maryland's eastern shore, 40% of drought-stricken California, and much of suburban Houston are classified as "wetlands"). Environmentalists are pushing to make that 100%. (The Clinton Administration is likely to comply.) **They are also pushing to have private land adjacent to government land (i.e., national forest, BLM or wilderness areas) under the same government controls as the government land.**

Even as thousands of murderers and rapists are turned loose by our justice system each year on technicalities, room is being made in our jails for honest law abiding citizens who have run afoul of environmental fanatics. A case in point is a Vietnam vet and environmental consultant, Bill Ellen, who is now serving a six month prison sentence for a "wetlands" violation. (The U.S. attorney had pushed for a three year sentence but the judge was more lenient.)

What was Ellen's crime? In 1987, Ellen, who had a strong background as a conservationist, agreed to do a project to construct 10 ponds for migrating geese and wildlife on the Eastern shore of the Chesapeake Bay in Maryland. Ellen was to build the \$7 million, 103 acre wildlife sanctuary on a 2,000 acre private estate. Ellen, who knew environmental laws well, got all the proper permits, and complied with all those laws and regulations as written in 1987. However, in 1988, the definition of "wetland" was expanded to include potholes that collect water during rains.

Ellen, who already had permits, was unconcerned with the new regulations because the land was so dry that workers had to wear dust masks. However, Ellen was indicted for "wetlands" violations after one government agency told him he could continue landfill work and another told him he could not. Acting on the former, he hauled in two more loads of landfill (i.e., dirt).

Angry federal environmental bureaucrats toured the land after three days of heavy rains and indicted Ellen for "desecration of wetlands". He was sentenced to six months in jail where he now sits. The owner of the estate escaped jail as an accomplice to an environmental ("wetlands") crime by paying a \$1 million fine and making another \$1 million donation to the National Fish and Wildlife Federation.

[ED. NOTE: This and hundreds of similar travesties of justice happened under the Bush Administration. How much worse are things going to be under Bill, Hillary, and Al and their entourage of environmental radicals (called by Walter Williams "enviro-Nazis")? What has happened to Americans' constitutional protections such as the Fifth Amendment, and Article I,

Section 9 which says: "No bill of attainder or ex post facto law shall be passed."?]

C. TOWARD A NATIONAL (AND INTERNATIONAL) POLICE FORCE

The socialists believe in crisis management to solve crises (real or manufactured) in order to greatly expand their power, authority, and control over the people. The war on drugs, the environmental crisis, the war on crime, discrimination against minorities, "hate crimes", etc., are all "crises" which supposedly justify the passage of new laws and regulations, expansion of bureaucratic agencies, and the installation of police state powers over the people.

Bill Clinton and Al Gore have already called (in their new book) for installation of a national police force in America, numbering 100,000 police (made up of former or retired local police, retired military personnel, other government employees, etc.) to fight the crime war and America's other crises. CIA Director Robert Gates called for the CIA to be given the power to spy on American businesses and individuals and to help support the Justice Department and other federal agencies in enforcing the myriad of new governmental laws and regulations. (This is supposed to keep tens of thousands of CIA agents busy, since "Communism is no longer considered to be an external threat.")

If criminal enforcement agents of the DEA, FBI, CIA, BATF, EPA, FDA, IRS, and various other government agencies and departments are included, the U.S. could soon have a national police force of 200-300,000 people spying on the public and enforcing new laws and regulations. Shades of the Gestapo in Nazi Germany or the KGB in Russia!

The New World Order crowd are also talking about an **international police force** made up of U.N. troops from member countries to police and control **internal crises** such as the present famine and civil unrest in Somalia, the emerging civil wars in South Africa and the former Yugoslavia, environmental abuses, and eventually, opponents of the New World Order.

In May of '92, an extensive training course called *Police 2000* was taught at the First International Crime Conference in Fairbanks, Alaska, and was attended by law enforcement officials and government agents from America, Canada, and Russia. **One of the Police 2000 goals is for the creation of a "transnational police organization for the coming 'global village'". There is growing cooperation between international police organizations such as the CIA, KGB, Interpol, etc.**

The New World Army police force will soon reach 100,000, and could well grow to 250,000 or more over the next five years. An undisclosed number of U.N. troops are now training on U.S. soil and could be

used in America in some future State or National Emergency, civil unrest such as the Los Angeles riots, or other upheaval.

D. POLICE STATE TACTICS

U.S. military and National Guard personnel have been undergoing training and exercises for several years for house-to-house searches (presumably for drugs or guns), for crowd control, and for domestic "counter-terrorism measures". Roadblocks are being randomly set up on highways around America by local, state, or federal officials to conduct drivers license checks or warrants spot checks of cars or their occupants for drugs, liquor, or firearms; local or state police or military helicopters are, with greatly increased frequency, overflying cities, towns, neighborhoods, and individual houses at low levels (looking for drugs, for surveillance, or for intimidation purposes).

In late '91, an "urban warfare training exercise" by the U.S. Marines brought a dozen military helicopters swooping low over San Francisco roof tops, prompting hundreds of frightened calls to radio stations and the local police, who denied any knowledge of the exercise. Hundreds of military vehicles (black and with no markings) are being observed in various parts of the U.S., in many instances manned by personnel in black uniforms (with no insignias). Denial of any knowledge of these helicopters, vehicles or personnel from local, state, and federal officials almost always follows frightened inquiries from citizens.

Over the past two years, as training and enforcement exercises have increased, SWAT teams in black Ninja suits and other government marshals and enforcement teams have had an increasing number of shootouts with innocent victims—who are characterized by the government as "religious fundamentalists", "white supremacists", "left or right wing extremists", "tax protestors", etc.

In August '92, a mob of federal agents surrounded the remote Idaho home of Randy Weaver (wanted on a misdemeanor warrant) and his family, and in a ten-day siege shot and killed his wife and 14-year old son. In October '92, a "drug raid" against a 61-year old wealthy, partially blind Ventura County, California resident, Donald P. Scott, resulted in Scott being shot dead by Los Angeles County Sheriff's deputies. No drugs were found, nor did Scott resist arrest. [ED. NOTE: Details of these two cases will be described in Section IV below.]

The general tactic (whether used by local or federal police officials, or both) is to overwhelm (and intimidate) the "suspected" money launderer, environmental or financial "criminal", gun law violator, etc., by invading his home or business with a SWAT team and/or federal marshals or agents numbering 10 to 20 to 30 people. Guns are often drawn and if the "victim"

of the attack makes any sudden move he is often shot.

This writer personally knows of at least a dozen individuals (none ever convicted of a traditional crime such as murder, rape, robbery, etc.) that have had their homes or businesses invaded by local, state or federal law enforcement SWAT teams in this manner. The experience is terrifying for the individual, families, or employees involved. Shades of Nazi Germany, Red China, or the old Soviet Union!

E. TOWARD A STATE OF NATIONAL EMERGENCY

Over the past few years, a number of references to a State of National Emergency (or martial law) have been hinted at or suggested by government officials, congressmen, etc.—usually to fight the drug war, crime, etc. Indeed martial law was imposed in Los Angeles (and was begged for by the public) to quell the massive riots in the spring of '92, and could have been declared nationally had the riots continued to spread during the summer of '92. [ED. NOTE: They did spread to 166 other cities—but not as severe as in Los Angeles.]

MARTIAL LAW, by definition, is: "A system of government under the direction of military authority. It is an arbitrary kind of law, preceding directly from military power and having no immediate constitutional or legislative sanction. It is only justified by necessity, and supersedes all civil government...Martial law is built on no settled principle, but is arbitrary and in truth no law." Suspension of the writ of habeas corpus (i.e., right to trial by judge and jury and protection from illegal imprisonment) is a major element of martial law. As Justice Blackstone wrote: "In this case, the nation parts with a portion of its liberty and suspected persons may then be arrested without cause assigned."

The potential for a State of National Emergency or martial law in America over the next three to five to seven years (perhaps to deal with riots, the war on crime or drugs, a financial/banking crisis or some manufactured crisis) is a very real possibility, as the Establishment moves to install a socialist America and the New World Order. Indeed aspects of a state of emergency (or martial law) and the suspension of constitutional rights already exist in America today! Over a dozen Executive Orders have been passed by Congress over the past few decades (analyzed in prior issues of MIA) giving the President total dictatorial control over every aspect of American life if the president (or his Establishment bosses) decide to trigger and implement same. FEMA would then go into action, firearms would be confiscated, and many (if not all) constitutional rights and guarantees would be suspended.

Under a full state of emergency, tens or

hundreds of thousands of Americans (guilty of hate, environmental, financial, or gun control "crimes", or "criminal" violation of any of tens of thousands of new government regulations; or resistance to the New World Order or a socialist America) are likely to be imprisoned. Perhaps this is why George Bush moved in recent years to double U.S. prison capacity, and why under a national security directive called "Kex 84" signed in 1984 by President Reagan, eleven huge federal detention centers were activated in California, Arizona, Arkansas, Wisconsin, New York, Pennsylvania, Virginia, Georgia, and Florida.

[ED. NOTE: As part of this whole trend, Draconian laws registering firearms and outlawing many kinds of guns will begin to be passed in 1993 (and beyond), turning hundreds of thousands (or millions) of honest freedom loving U.S. gun owners, who refuse to comply, into "instant criminals."]

F. ELECTRONIC SURVEILLANCE AND COMPUTERIZATION OF THE PUBLIC

Computers and other high tech breakthroughs over the past few years have given the U.S. (and other governments) the ability to listen to, monitor, track, and keep citizens under surveillance (from the cradle to the grave) that were not available to Hitler in Nazi Germany or to the Communists in Russia, China, or the East bloc until very recently.

In 1974, the government had 3.9 billion records on individuals stored in the personal data systems of 97 federal agencies. The Department of Health, Education and Welfare had 963 separate data systems with 130 million personal records including marital, financial, health, etc., data stored. The Treasury Department had 910 data systems with 853 million records; the Justice Department 175 data systems with 181 million records; the Defense Department 2,219 data systems with 312 million records stored, etc.

These numbers (from U.S. News and World Report) are 20 years old. The computer files on Americans today are probably at least ten times larger and are linked together between most government agencies. Like it or not, your life is now an open book. Using your Social Security number, any government agency, or agent (local, state, or federal) can now tap into dozens (or hundreds) of computer data bases on every American. A total and comprehensive computer profile exists on virtually every adult American.

Now the government has developed a DNA (genetic) data base on 1.5 million U.S. military servicemen and is experimenting with same on federal prisoners. Eventually it is intended that the whole U.S. population will be placed in such a data base. Most Americans are not aware that their phone calls, teleaxes, faxes and certain U.S. mail are regularly monitored by federal agencies. The federal government is now purchasing hun-

dreds of portable fax tapping machines at \$30,000 per copy. The U.S. Air Force alone recently purchased 40 of these devices.

Phones can now be made "hot on the hook" (i.e., turned into microphones even when hung up and not in use). According to a 1992 report by the General Accounting Office entitled "*FBI Advanced Communication Technologies Pose Wiretapping Challenges*", **it is the intention of the FBI to tap all phones in America.**

Every square inch of the earth's surface can now be monitored by satellite so that all persons and activities can now be watched. The government, in conjunction with AT&T, has developed computerized voice recognition on phones and also picks up and records (through the National Security Agency) key words from conversations, which trigger the NSA tape recorders.

Several years ago, U.S. passports were made computer readable. Now, U.S., Canadian, Australian, German and other European authorities are installing computers in airports which will not only read passports, **but also hand prints via infrared security readers.** This means data banks of computerized hand prints will be developed over the next few years and linked to other governmental data bases, so that an instant computer record of an individual will be flashed on a screen simply by waving a person's hand over a grocery store-type infrared scanner. Does this sound farfetched? **This system is being set up at the Kennedy and Newark airports, and airports in the aforementioned countries at this writing.**

Biometric identification systems are now exploding onto the scene with computerized fingerprint comparisons, identification cards, debit and smart cards, drivers licenses, proposals for a biometric national ID card, a biometric card to replace welfare checks and food stamps, biometric passports, and biometric booking of prisoners by law enforcement officers. Biometric technologies include fingerprint comparison, retina scanning, DNA analysis, voice recognition, hand geometry, body odor, body heat patterns and brain wave analysis. In other words, 1001 ways of tracking the earth's inhabitants are emerging via new high technology. [ED. NOTE: Does this sound like George Orwell's 1984, or the Biblical "mark of the Beast"?]

Cars can be tracked via small implanted computerized receiving devices linked with government satellites. (The experiments on this technology were done in Singapore for several years.) The U.S. government has actually spent \$3 billion over the past 15 years to develop this people-vehicle tracking system. Now the exact location of trucks, police cars, and other vehicles is beginning to be tracked in the U.S. via this method. The Detroit Police Department is presently installing this system to track its squad cars, and a number of trucking companies are doing the same to track their fleets. Perhaps

in the not too distant future, these computerized tracking devices will be standard (or even mandatory) equipment on new cars and trucks—like seat belts and air bags.

So, in an era where Big Brother (now represented by King Bill, Queen Hillary, and Prince Al and their legion of socialist bureaucrats) wants to track, monitor and control every aspect of our lives, as he ushers in a socialist America and the New World Order, the emerging high technology in the hands of socialist bureaucrats will simply help to lock on the chains that much more quickly and efficiently.

STOP QUOTING FOR THIS SEGMENT.

So, what have we here? Is not the *LIBERATOR* along with these other "writers" apt to be shut-down, shot or something? No, not if ALL attend what I tell you. Oh, there will indeed be the assaults—but, AGAIN, I remind you that ours is to bring THE WORD—not go forth to "fight" (as in weapons of battle) or pull down ANYTHING. Ours is to inform, act always within all laws and regulations and IF CHANGE CAN BE WROUGHT—it shall be done within the LAW.

In many ways, our very own presentations are assumed most helpful to the adversary and enforcers of the new "World Order". We bring you truth which gives you guidelines by which to act (or "abide"). "They" need to get

the news of their GREAT POWER over you—TO you.

I disallow any of the crew which works in any service remotely connected to this "Command" from holding anything illegal—from weapons to substances. If ones who choose to utilize that which is against the laws of the land wish to work within this general and varied team(s)—they get rid of guns (you can have a hunting rifle or pellet device)—nothing remotely considered as a weapon of battle.

If, as is now being demanded by the "Planning" committee of the Community Service District who would have cut the Ekkers' water off yesterday as harassment, to take down the tents placed for furniture at eviction as temporary overnight storage against rain and snow—so be it—TAKE THEM DOWN IF THE DEMAND IS BACKED BY LAW AS CAN BE SHOWN TO YOU. DO NOT SIMPLY FOLD YOUR TENTS AND CRAWL IN A HOLE—BUT ALWAYS REMAIN WITHIN THE LAWS AS STATED WHEN THEY COME WITH THEIR OWN GUNS DRAWN. DEFENSE? THIS HAS NOTHING TO DO WITH DEFENSE—THIS IS NEEDLESS ENDANGERMENT FOR NO REASONABLE REASON SAVE TO MAKE A POINT. A BETTER POINT CAN BE MADE BY THE OBVIOUS IN RESPONSE—BY THE PEN!

I, further, remind you that we "fight" nothing! Ours is to get word to our people, get a remnant through, and bring THE WORD as directed. So be it, for in this event we represent no threat to any "man".

Thank you for your attention,

Latest Scam Tactics By GOOFY George Green

TRUTH OR CONSEQUENCES

All systems of morality are based on the idea that an action has consequences that legitimize or cancel it. A mind imbued with the absurd merely judges that those consequences must be considered calmly. However, consequences of your actions take hold of you quite indifferent to your claim that meanwhile you have "improved or "changed". I would remind all of you that the sower may mistake and sow his peas crookedly; the peas make no mistake as they come up and show his line. A bad beginning always makes a bad ending and that seems to be where our old friend is headed as Mr. Green

goes about his daily task of calling, bashing, thieving and raving but logical consequences are the scare-crows of fools and the beacons of wise men.

When Mr. Green allies himself in dispute with ones who already are quite uninformed or thieving on their own account, he points up quite remarkably **THE TRUTH.**

George Green is now doing that which seems quite unconscionable in that he is now giving out private phone numbers and asking his "team" to call persons with the following report: "Those people in Tehachapi are a cult, the Institute has no money as it has been skived off by the Ekkers, the group in Tehachapi have an illegal operation and steal money and assets, they are in trouble with the law" already and on and on and on.

A beloved friend in Florida, R.Y., received a call last night from one Luke Perry of Nevada. Mr. Perry's **STEPMOTHER** has control over the Perry estate—Mr. Perry having been a Christian minister, it would seem quite acceptable that she of sound mind and thought be in such a position—especially considering the vile behavior of the children in trying to strip her of everything and gain the entire estate for themselves while putting her into a home for the infirm. Even the lawyer representing her is "on their side". This became true because the "bunch of greedy goldmongers" have gone to the Wisconsin Securities Board, at the request of George Green, to "investigate" the Institute and try to break their father's will. Then, L.P. has gone to the Nevada Board of Securities and ordered an investigation—as well as to the FBI for claims.

When Mrs. Perry got word of the "Securities" secret contact (quite by accident and, again, thanks to George Green) she simply picked up the phone and called. She got the very man who had been contacted and his reaction? "How did you find out? You were not supposed to be told about this!" Is it possible someone is intercepting these SECRET DEALS?

I would think that by this time Mr. Green would be quite nervous for every one of the contacts is coming back to investigate his activities which are quite obviously incriminating. The Institute holds up very well within all functioning laws—BUT MR. GREEN DOES NOT! PERHAPS GEORGE WOULD LIKE TO REALIZE THAT NOT ONLY HAVE PRIVATE INVESTIGATORS BEEN RESEARCHING HIS GAME PLAN AND ACTIVITIES, AS WELL AS THOSE OF GARY ANDERSON, ETC., BUT NOW THERE ARE ONES FROM INSIDE THE "INTELLIGENCE" SERVICES DOING LIKEWISE. George, I have constantly tried to warn you to stop this drive to destruction for the end is quite a dead end. You are now causing ones whom you called in to your conspiracy to renounce you and reveal your clever scam. From one point on the globe to others, you are becoming the show-piece of deceit and lies and where do you go from here?? Consequences of your foolish actions are now out of "others'" hands to make choices in their own actions. In your attempt to destroy ME you have forgotten one thing: that others have not operated as you have and, therefore, all things are appropriately documented, functioning and it is now proven beyond all doubt and through simple bookkeeping that not only have you taken the gold of D.O. but much other in addition.

Moreover, as you disallow release of the JOURNALS or the funds, you have

caused the various corporations to have to check on their books—only to find that America West owes above and beyond all the bills you have sent, in an effort to show "how much you are hurt", many thousands of dollars. IS THIS THE WAY YOU CHOSE TO "GET THE WORD OF GOD OUT"? Sic, sic.

To you who sent the "coin" from the "sunken galleon", my love is great and my appreciation for your contribution also is indeed great. At the time you originally wrote and told of the "airport" exchange, I urged E.J. to question George about the transaction. George tossed the event off with a shrug and indicated that "it was so long ago that he had actually forgotten it" and "besides, there wasn't much and the coin was not worth anything—except maybe the price of the silver content."

Of course, it turns out that the transaction was "quite new", was not "old", and I thank you for now bringing this to E.J. along with the check theft. This is an interesting point, however, to note: when a man is only interested in the gold and money—he misses the most important thing of all—the value of that which appears to have no value. The coin is the most precious of all—and Dharma would love to have it for safekeeping to later use it for its first purpose—not as commercial gain, but as a symbol of love and sharing. A lot of "hearts" are growing up these days and one day honor shall safely and securely be given to those who participated in this task.

What is going on with Ekkers' dwelling? Today will tell a lot for all sorts of things "expire" today. Already the tents are ordered down and threats come from the community, etc. But mostly, support looms large and your support has seen us through the darkest days. The Ekkers feel that so many of you have paid much more dearly through these years that there is no concern over possible "loss"—only a slowing or stopping of the work in progress.

I want Mr. Green to realize that no matter WHAT HE DOES, the work shall not be stopped and NEITHER SHALL THE WORD OF TRUTH! HE HAD THE MOST OPPORTUNITY OF ALL ONES TO FIND TRUTH AND ACT WITHIN THE GUIDELINES OF INTEGRITY—BUT HE SLIPPED AND FELL. WILL HE GET UP AND CORRECT HIS COURSE? THAT REMAINS TO BE SEEN AND BETWEEN HIM AND GOD! We, however, will pull into protection all ones involved of our beloved friends and we shall all be stronger for the attack. How better can we PROVE our integrity and total adherence to that which is spoken than an international hearing in this public forum?? How long will this go on? Until it's over!

Walk Kindly, With Wisdom Amidst Chaos

NEW YORK BOMB

Don't be distracted by that which is being foisted off on you now—as to who is guilty. You are witnessing the most obvious of all tactics as you drag off an innocent (of that particular offense) man to hold hostage. Ones who serve in violence set themselves up for this kind of trade-off, however. Terror hits will become the notable point of the days ahead—as all groups who stand for "anything" will be destroyed. It is part of the PLAN to pull down all opposition to the New World Order.

I repeat something again and again and again, this is why in spite of request after request to at least start a group of some kind here—NO, NO AND NO! You need NO GROUP TO SERVE GOD. You work totally within the laws of God and the Land! The "cult" is no better than the opposition and breaks even more laws of God usually, than the appointed beast of prey. Our people are patriotic to nation, God and Constitution—but they are not affiliated "patriots" and certainly represent no "group" or "thrusters" who ARE. We will support all fair and honest situations of inappropriate breaking of justice—not as a rabble-rousing group—but as a voice of journalism. We advocate no violence, tolerate no violence nor physical civil disobedience. The pen will handle the weaponry quite nicely and if stopped from that, the remnant shall be notified at any rate. The word has gone forth and the call is being heard around the world—not for patriotism—but the call of God unto HIS people. This is all that is necessary—bloodshed is NOT.

Will the masses of people accept what WE bring? NO—most of the masses are not on the side of God but, rather, serve only evil, physical intent. Those who serve the adversary will remain with the adversary—it is quite simple in its truth. It is the time of sorting of intent and separation of the physical bindings from the "coming home". Yes, you must attend security and self-sustainment, but I remind all of you—THE PUPPET-MASTER ELITE—**PLAN TO HAVE IT ALL—AND THEY PLAN TO HAVE IT ALL BY YEAR 2000!**

Would it not be better to use that which you have for building and storing, growing

and shelter—against that day of nothing? Look unto the mountains wherein dwell your friends across the seas. In nations wherein the iron fist is being felt—starvation is rampant. Starving people without anything to eat, no home in which to dwell, no fire to warm the body, etc., are helpless and already “taken”. A “welfare recipient” will not dare to get out of the welfare line lest he starve and also his family. You cannot get out of the system, chelas, and the mark of the beast is a silly trump-card played superbly by your enemy—**YOU ARE MARKED BEFORE YOUR BIRTH—CONTROLLED AND HANDLED BY THE BEAST—ALREADY! GOD ONLY CARES ABOUT THAT WHICH IS IN THE SOUL—NOT SOME TATTOO ON YOUR LATER USELESS “HOUSE” VEHICLE. YOU MUST COME TO KNOW THE DIFFERENCE FOR WHEN YOU REFUSE TO COOPERATE IN THE “SILLY” THINGS—YOU SIMPLY MAKE OF YOURSELF A TARGET ALONG WITH ALL WHO SHARE WITH YOU.**

Hold these ideas strongly in your minds for, if you are squaring off in a direction of direct conflict through physical violence—you had best stop, look and re-think. Give the adversary any excuse to get rid of you and he shall quite willingly do so. This will worsen but you need not fall prey unless you simply and deliberately act irrationally into his hands.

Just remember something as you go along and it seems you can't reach through to ones with your truth: You must always

remember how hard it was and is, to change yourself, then you will begin to understand what little chance you have of changing others and how long the task might take. In most cases, you will simply have to “let go” for you master your enemies not by force but by forgiveness and allowance of individual journey. Don't PUSH! Know that people will often admit to a bad memory—but hardly ever will they admit to bad judgment. And, when the chips are down and the stones lay all around you, you will be wise to recall that praise is most satisfying to receive—but it **never teaches you anything NEW.**

When you stop and think about your pathway and your growth you will note that life is teaching you some painful lessons. But it is more often from adversity that strength is born. You may lose an inning—but within Truth and expression of that Truth—you **MUST** win the game! And, a final thought about these things: you don't have to prove yourself to me, your parents, your children, your spouse or even to GOD. If you have done your best within the laws of LIFE, that is all that has account and all that matters. **ARE YOU CONTENT AND AT PEACE—SATISFIED—WITH YOUR EFFORTS? THAT IS THE ONLY QUESTION TO ASK AND THE MOST IMPORTANT TO ANSWER!** In “showing and telling” to gain importance, just think: **If there were no one to watch them drive by, how many people would buy that expensive Mercedes?** Ponder it.

(Is THIS his real name? What difference, chelas? Did not Mark Twain also have another name—like Samuel Clemens? Stop the nonsense and turn to the point or you shall never get off your “dime”. Even if this be the blackest pretender on the planet, **can you not gain from whatever TRUTH is presented?**)

TO ALL THE INNOCENTS WHO THIRST FOR TRUTH AND FREEDOM

I SALUTE YOU AND BRING YOU GREETINGS!

Permit me to begin this exposé by greeting each and every one of you. Most of you have accepted the fact that change is imminent and far closer than the clouds boiling on the near horizon. You know your history, and of the great legacy with which you have been entrusted.

Many of you have availed yourselves of wisdom and knowledge so cogent, (blessings of which other and lesser men have yet to dare to dream) and have dared to make these precious gifts your very own. You are the chosen! You shall be the Guardians and Sentinels of a future not yet conceived. To you I entrust the insider information of that which has been permitted to occur, and that which lurks in the deep shadows of the nether-World.

The **hypothetical case** shown below is for all those of mild and tender conscience, and those of an overly passive nature, who have not taken time out of their “ever so busy schedules” to look about them, or think of what might come on the wings of tomorrow.

To each segment of the readership of Rayelan, I issue a strong word of caution, care and love. May your Father bless you and enlighten you in all your thoughts and endeavors, as you traverse the exalted roads of life.

There seems so precious little time to divest myself of the anchors of all our errors of judgment, deceit, covert games, subterfuge, manmade wisdom, and to convey, for the first time, “pro bono publica” (for the good of the public) the absolute truth about the “True State of this Nation”. All of which has heretofore been cloaked and shrouded under the guise and veil of National Security.

It is now time to share those informations. They are of such magnitude that they represent the difference between mere survival, and the opportunity to make this world into a safer and better place for our successors. Permit me to elaborate upon, and to submit for your consideration the following hypothetical case scenario:

“A pale dawn breaks as the sun begins its hurried climb to break away from the horizon. The light of day falls upon a landscape, defiled by small mountains of

selves—so too, are you doing the work of the Master. You shall have in return far beyond that bit you place on “loan”.

I would like to take a while for you to get a bit better acquainted with this person and his style of sharing. Is he in perfection or just another distractor who might well be the very enemy we fear? FEAR? I “fear” no man! When you live in a manner acceptable—no intruder can find other than truth—so it matters not and there is no need to dwell upon the circumstance. If you have an enemy, he will eventually show himself. If he be friend, you are already a long way into the journey. **If you have nothing to hide—why hide it??**

I shall simply ask that we type the mailing piece received yesterday, which would go forth on Rayelan's list of recipients.

RUSSBACHER

We shall do all that we can physically do to make the way a bit easier for our brothers and sisters paying a great price for their journey to help us SEE. It seems limited, the help, at this moment of confusion and sorting—but, if you wait upon the Lord, so shall the Lord act in proper perfection. Realizations come slowly and testing is always long and most difficult—but he who shirks not the task at hand and stays the course—shall prevail.

The best way I can serve you—and ones who struggle just to stay alive—is allow all the publicity we can muster. This keeps people “alive” literally and allows YOU to assist. You will find that God's people ask for nothing—for nothing, so please know that when you help the least able to help

twisted metal and crumbling concrete. The scent of sheer and utter despair wafts through the early morning breeze. Slowly, the remnants of a small city awaken from a night of fitful slumber.

"The cry of a lone Muezzin echoes and reverberates throughout what might once have been an affluent community. The tout of the cry cuts deeply and painfully into a brain still groggy with sleep. The message that another day of horror has begun becomes manifest as the Muezzin's cry of "Allah il Allah Inshallah" is heard through every window and broken wall.

"Fear forces you from your warm bed, as you rush to pay homage and render prayer to a deity to which you hold no allegiance. You pray for speed as the front door is within your reach; opening and running through it as if your very life depended upon it.

"You live and exist only to throw yourself, face down, upon the cool damp ground, not daring to move your eyes or turn your head in any direction. With your fear magnified and reflected by your galloping heart, you strain your ears to hear the harsh sounds, and the foot steps of an alien race of men. The sounds of these men, their language so foreign and their barbaric customs, signal imminent and acute danger. Suddenly, your heart is in your throat as you recognize the unholy noise of sabers being swung against human flesh. The cries of the maimed and dying are absorbed by the earth right along with the still steaming blood. The pitiful sounds of the elderly and the children are carried almost lazily by the light breeze. The stench of blood soon assaults your nostrils as the pungent odor of death sweeps through the cool and early morning. For this morning, the almost sacrificial killing was done.

"Although you, your family, and those under your charge have somehow managed to survive another early morning bout with death, you dare not permit yourself to think about what new and frightful horrors the morrow shall bring."

No, these aren't the abhorrent, insufferable and repugnant memories of the killing fields of Southeast Asia, or the last vestiges of an era of war long gone by. It doesn't depict a scene out of the recent fiasco commonly referred to as the Gulf War; nor does it call to mind any specific place in the Mideast. It is much closer to the place you dare call home. It is what once was known as "Your Home Town, Anywhere, U.S.A."

Congratulations, America, you have just awakened to the sights, sounds and odors of a culture so alien that your mind warbles with pain as you ponder and reflect on...."how in Heaven's Name did we let it get so far out of hand?"

Have you lost the cogency to think, reason, and to believe in anything other

than the driving will to survive? You have entered a hell, not necessarily of your own creation, but nonetheless very much yours, simply because you have failed to perform the necessary duties and tasks associated with maintaining the "Great Grant of Freedom", bequeathed to you by those who came, fought, bled and died before you. You have failed to care for your legacy of peace and freedom. Maybe you have forgotten to give, voluntarily, that which is required of those who wish to remain free men; gathered under the Banner of the Free; in service to mankind through the giving of themselves—selflessly—in order to maintain a free society. Truly freedom costs a dear price. Yet it is a mere pittance compared to what awaits us if we renege on our commitments, past, present and future.

The above scenario shall be your legacy if you don't awaken to the fact that all which you hold so near and dear; cherish above everything else, is about to be wrenched from your very hands by those who claim to serve you. Don't permit their lies to muddy the waters of your thinking. Refrain from permitting the past or present administration to continue setting policy which appears hell bent for leather to bankrupt the nation, and draw us away from what is right for ourselves and the innocent others who live in the lesser fortunate areas of the world. Force them, through popular referendum, to heed the voice of the people who put them into these positions of power. Look carefully, well past your momentary emotions, and exercise your right to critique the men and women who claim to have your best interests at heart. Look closely, and guard your few remaining rights with all the strength you can bring to muster. The future is still yours, but only if you act now!

Don't say that the afore-mentioned scenario can't happen in this country. You need to know that, even now, there are foreign troops stationed on American soil. They are here under the auspices of the United Nations. They are part of the controlling interests. By controlling interests, I am of course referring to the Council on Foreign Relations, the Tri-Lateral Commission, and numerous other sister organizations, scattered around the globe. They are prepared to act upon the behalf of these powerful organizations.

Be advised that individual rights, as outlined and allegedly protected under the Constitution of the United States, hold little or no meaning to these men of power. Their allegiance is to the Global Economic Cartel, located in London, Paris and Geneva. Our presidents are usually only mere puppets of these special interest groups. He is handled no differently than a Case Officer or Operative, directly responsible to the Central Intelligence Agency. The word of

the cartel is absolute law!

In order to protect that which you hold of value, it is imperative that you acquaint yourself with the aims of such organizations, and know them for what they are. Involve yourself in grass-roots issues, making certain that your voice carries and is heard by those who represent your interests in Congress.

Know without doubt that the scenario painted herein is not only plausible, but also a coming certainty, unless you act now to reduce the risk of possible invasion. Know that there are hundreds of millions of people, controlled by the select few, who are prepared to administrate your government; rule your very lives, and force you to adhere to their whims and dictates. The racial group shown herein is merely an example of how completely your lives could change if another race becomes your masters.

Look closely to what is happening in your own back yard. We have bastardized the American Justice System to the point where no man can be assured of a fair trial by a jury of his peers. If you pose a problem, or come to the attention of those with power, you might find yourself in the "cross hairs" of what once was called Justice. How can you defend yourself against libel, false charges, and manufactured evidence? The answer is simple...you can't! You too may be standing before the Bench entering an "Alford Plea", (Nolo Contendere) because you can't afford to take the risk that a jury, manipulated and chosen by the men of power, chooses to listen to the lies, as told by the "Government Witnesses". The truth cannot survive the onslaught of lies. Consequently, you stand convicted of a crime you didn't commit. You are sentenced and incarcerated; safely defused from presenting your cause to the public.

Not only are you now imprisoned, but through the trial process have lost all your assets. Your family's economic future has been ruined, and the street people's ranks are swelled by however many were in your family. Most of these cases end up in immediate divorce, as the average wife or husband has little taste for fighting through such adversity. Suddenly it has become the old "every man-for-himself". The heart of the family unit is broken, desperate poverty sets in, and the affected suffer the many diseases of the desolate and poor.

What is the difference between an armed invasion stripping you of all you hold Holy, or the manipulations of a corrupt court system, systematically destroying you in the face of your neighbors and friends? Believe me, there is little or no difference! A man destroyed is destroyed whether it comes to pass through a bullet to the brain, or the emotional torture of a wrongful

incarceration, which ends up in divorce, loss of family, and suicide! Give thought to these words, for you may be the next to suffer the consequences of inaction.

Most of you know the circumstances behind my incarceration. You know of the attempts to discredit me, the violent attempts to take the life of my beloved wife, and of the numerous attempts to silence me forever. To date, thanks to the assistance of the men of my SEAL TEAM, who have served with me during the times of the Hot and Cold War, standing back to back, with smoking guns in our hands, we have survived the many attempts to deprive us of our lives. Men associated with the numerous scandals of the Reagan and Bush eras, are being terminated because they refuse to stand silent. Know that their lives have not been given in vain, for these infamous chapters in America's history are far from over! As long as we draw the breath of life, we shall stand for "Truth and Freedom", as cited on the title page of this exposé.

Don't let their sacrifices be in vain! Stand by those who so avidly guard your precious rights and help their families survive in a cruel and unjust environment. Give them the respect they so well deserve and provide them with the basic necessities

to sustain their lives.

This is merely the first of many installments of the TRUTH. Each month a new chapter shall follow, until all pertinent facts have been disclosed. Stay tuned for the rest of the story.

May God bless you, guide you, and shine His wondrous light of love to illuminate your every step along the path of life.

You may address your comments and correspondence to me, via Rayelan A. Russbacher, at the address shown herein. Again, please know that I invite your comments, thoughts, as well as future correspondence. Each communication shall be answered in a prompt and forthright manner.

Meditations On The Relentless Journey

3/5/93 #3 HATONN

A MOMENT TO "THINK"

In the hurry of the moment, in the insecurity of not knowing even the next moment—you must prepare yourself with the tools of "all ways". This, firstly, means we take a moment to share when a friend is needful of that which seems irritating or time-consuming to YOU. In this instance, I need to give support to friends who have served me well and pass, now, a most frustrating and debilitating time of experience. There is no REAL problem to be considered here, only solutions to fit the need. As all the problems of housing, business and other nitty things pile up, Dharma and Oberli only ask for clarity of thought and strength to "not give in" just to gain some sanity space. Remember, chelas, you do not see things as they are—you see things as YOU are. Therefore you must move outside and look at alternatives of both the one who assaults and as the one

who is assaulted. Your thoughts will always determine your responses to life. You are not victims of the world for, to the extent that you control your thoughts, you control the world.

You can see how badly the RTC and opposition parties FEAR you in this property situation. Now, even the real estate people won't move forward unless signed-off agreements are made to release all parties prior to this time in this case, for any and all responsibility. They KNOW they will find a clouded title on this property and now they want to deal. Since the property will never, at any rate, be in your name, chelas—hold strong. If you "bite" on their bait, you shall make errors. When the ones "at the top" suggest you release all litigants and "you probably won't ever collect from any of them"—you know you have a real whopper on your line. Also, when "they" tell you it's alright, take down your tents—"you won't be evicted just like that", know to leave them in place and wait. That does not mean that you do not

work like hell all the while—just use wise judgements and carefully walk through the shards of glass.

You may note that the RTC, et al., are between the proverbial rock and hard place. With the church making a "deal" on the property to allow your use of it, they don't know what to do. If they allow that to happen, you escape without any leverage to shut you up. If they don't allow that to happen, they will have lost many, many rounds of the ongoing fray. Watch your "timing" and move steadily on. Even for another party to purchase the property they will effort to require a release to be signed by YOU. DON'T DO IT! Let us not do anything to become dangerous in reaction, but let them tie their own noose for they chose the hanging if there is to be one. Note that "they" do everything possible without even considering the one proper solution—restitution and justice. Do you note this same trend in almost everything and in everyone you touch in this journey in this day? Even George could have stopped this miserable thing before it got started JUST BY DOING THE RIGHT THING—and furthermore—would have benefited greatly by the doing.

The same with the entities involved in this property—just make good on the circumstances set up incorrectly. At any time at onset they could have simply held another "sale" and no one would have ever known. No, they had to push around the little guy and threaten, destroy and rip-off the citizens and taxpayers. Now, they want to threaten you some way to cause you to go away, after losing EVERYTHING and not tell anyone. Wisdom would say to "make good" and silence would automatically be theirs—a mistake made right could only reflect well on them, but no, the lie has to be covered and recovered until it finally, simply of its own volition, becomes UNCOVERED. It is a sad commentary on mankind and what society has become. It is a result of that which is planted in the mind, nurtured and grown and now comes the harvest.

Old Clint might well have put it better than I:

THE MIND, THE SOIL, AND THE FARMER

The mind is like the farm, it should be treated like soil. Thought, like seed, should be carefully chosen, cultivated and fertilized to stimulate growth. Thought can be transplanted to another mind without harm to its original seed bed, or any damage done to the thought.

Faith and knowledge, of course, are multiplied when transplanted and accepted, for it has double the seed bed. Mind power has no limitations, and the mind is only as strong as the person in possession expects,

or demands it to be.

Your mind will accept what you put in it, but is a poor lie detector. It will file both true and false, so be careful what you plant. Because that is what you are going to reap.

Positive thought can grow a beautiful crop, whereas negative thoughts go sour and the personality joins in. Many thoughts may be planted in one mind, but as any farmer knows, too many crops are hard to care for.

Cultivation and fertilizer are very important to the progress of a good harvest, be it mental or producing a crop of corn.

No self respecting farmer will purposely plant weed seed. Nor shall he allow it to grow. If you plant weedy thoughts in your mind, they will surely interfere with your intended crop.

Weeding your mind is as important as weeding your field. While still a vacant field will also become infested with weeds. And unless they are removed before they mature, they will surely reseed and multiply.

The human mind being fertile soil for what one wants to grow there.

Plant a good seed of thought in your mind. Be positive of your expectations, fertilize and work with it. Keep it clean and you will grow a good crop.

Caution: Don't plant too many seeds on too small an acreage, unless you can afford the fertilizer.

Let us also take the time to remember the generosity of sharing from Ken Coons for this next is especially suitable at this particular writing. We used this in our JOURNAL AS THE BLOSSOM OPENS but America West has never sent copies and, therefore, we have no idea where the book is in the cycle of availability—hopefully, you readers have it. I guess we shall learn that the “author” or “secretary” has no “rights” whatsoever with America West. You know, though, it usually doesn't pay to deceive God—it has become a bit tiresome.

FORGIVE AND RECALL

Forgive and forget, the old saying goes,
But is that the way it should be?
Should we just forget the lessons and trials
That someday may help set us free?

Forgive, to be sure, for we each possess
A fragment of God as a seed.
When we forgive all, we honor our God,
And much needed growth can proceed.

If we forgive not, resentment will grow
And poison our body and mind.

That fragment of God will shrivel inside
And we become spiritually blind.

Now does this suggest the other cheek turns
When evil men strike out at you?

No, no, my dear friend, that does you no good,

The best thing is just to eschew.

Remember, my friend, each time we are tried
We're given a new chance to grow,
So handle it well, forgive and recall,
And cherish the fruit that will grow.

— by Ken Coons, 5400 W. Cheyenne,
#2114, Las Vegas, Nevada 89108.

Please remember Ken as he is passing through some rather dark days with his health and it takes a bit of time to negate such attacks on the system. He should be finding positive results soon.

And, for you ones who continue to ask about Silverhawk and when will we finish his writings—we thank you. We are swamped and he is a bit hard to “find” but we will get back to sharing with you. In fact, right here would be a good place to insert one of his lessons:

AMERICA “THE CUP OF LIGHT”

The America that was brought forth as a vision and ideal by St. Germain and projected into the minds and hearts of the founding fathers, still remains only as a vision and ideal, yet to be fully actualized in practice. The “real” America was throttled in the cradle. The minute we borrowed the European Rothschild gold, with which to begin building, our fate was sealed. We gave up our sovereignty and doomed ourselves to chasing the mirage of the actualization of our vision. The devil dealt himself into the game and we let him. Well, he knew we had no gold yet. He'll always go for the weak points in a person, or a nation. We have since been drawn into every war, revolution, civil war, depression and “plan” that he has laid forth for us.

If the first settlers had seen, understood, and chosen to forsake the old European qualification, in favor of the good red road, we would have avoided much misery and frustration indeed. Ah well, spilled milk. However, we must now walk the good red road, covenant and trust, all things will be provided for safety, security and facilitation. God is never short of anything, only man is. Can we learn to live without fear and fences like the “elder American” did, the red man? Can we know and live and awaken in the laws of life? Yes of course, and we must if we want to go on. I say that, not only a remnant man can be salvaged, but this

nation can be salvaged from purification. “People” are what makes a nation. Their unity of purpose, ideal, and vision is what makes a nation. Infrastructure follows. Our true national treasures, our “crown jewels”, can be saved. They are our land, our children, our Constitution, and our will and spirit and vision. It is time to say goodbye to Europe. It is time to finally break free and actualize this grand vision and purpose called America. It is time for reconciliation between red and white, man and God, man and Nature and man and himself. We have all that we need to accomplish this feat right here in America today. We have the knowledge, tools and resources aplenty. Become still and you can see with me that this is so.

I see this land as the “seed” of the new world. We don't need any “new world order”. Order already exists. See this universe. What we need is a new world awakening to “see” the order that is already. It is God's order, and it is ours, as man, within which to share.

As so many people before us laid down their lives and risked all for this actualization, can we do less? What shall our legacy be for our children? A free new golden world, full of life and beauty and grace, or a radioactive rock, glowing green in the stillness of space? Well, you know where “I” stand, brother. I have “stalked” this medicine ever since my mother told me not to drink the milk, because it was “contaminated” with Strontium 90. Duck and cover? Nay, rise and radiate the full life of creation. Be the Light. Be its will and intent in action. That is where I stand. Life is much bigger and older and bolder, than all those put together who shovel of the “horseshit”. Life was here long before them and will be here long after “they” are gone. Life always wins. God always wins. “All” will win back freedom when they want it bad enough. So the “harvest” is upon us. Are you “wheat”, or are you “chaff”? Only “you” can answer.

In the “new” American mind, I see the birth and growth of the concept of pure communism and pure capitalism, in harmony and balance. To “realize” this concept, the people must learn stillness and how to “see”. Pure communism states that all is held in common, the land and resources, and I would add to that, faith and knowledge and God consciousness. Pure capitalism states that, as a man sows, so he reaps and “keeps” what he reaps. His home, his possessions, his privacy, his money and his “soul” are all sacred and sacrosanct. Each must respect these rights of God, from God, for all and in return, he receives respect. “Treat others as you would like to be treated.” This is the “KING” of all laws for man. If this law was embodied and realized, then there would be no more need of prisons, fences, property of land and resource, for armies, police, intelligence and

on and on. Our stance then becomes that we see that we are all just "campers" in the great "park" of Gaia and share equal rights and opportunity.

Oh, here we go, you say. Another "utopian" comes to give us a golden shower of longing and regret. Not "this" time. I bring more than vision. I bring "medicine". Medicine holds the ways and means. Medicine is "practical" and deals with "what is". I have a wide "range" and invite all to partake and share. There are no "fences" on this range, oh no. It is free for "all" to share.

Can you see that this vision of America was already accomplished to a great degree? It is the good red road. It was held and lived by the original people, from sea to shining sea. When we re-birth it, it will be a techno-kingdom of same consciousness. A "starbase" of grace and beauty and love. It is time for it to come. It is "an idea whose time has come.....at last." We can go no further on the bad dead road that leads nowhere. I just want to add here that anyone who just flips all this off with the idea that, "well, we'll all just get beamed up anyway or we'll just be raptured", had better reconsider. The Pleiadians are "graduates" and don't take on fools, loafers or shuckers. They are "warriors". Birds of a feather? Yup.....flock together. You don't have to manifest "perfection" to enter the kingdom, just be "willing". The "shield" will follow. Stay tuned. This has been a reldy message. Please adjust your set, the fault is not with transmission. This is not a test. There is a real emergency.

So many people are growing into this consciousness now and many "elders" are holding the flame, still to this day and keeping it burning. "We the People", we are the "people". We can bring this forth and anchor it to Earth plane. We are doing it. More come forth every day, for they have no where else to go. All the "lies" that are lived and have lived, are dying now. Come back to life. Come back to Truth. Come back to God. Come home now. "ALL" are invited. "ALL" are chosen. Not all will "choose wisely" though, according to history.

St. Germain saw and started this medicine. His intent was and is to birth a nation of light and freedom that would transmit throughout Gaia herself. I join him in this and have and do work directly with him in work and intent. I will share some of his words and vision as well as my own, as we go along. From his grand stronghold in the Grand Tetons, he sent forth his vision and intent. I have been there. He brought me to one of the entrances to his stronghold. I did not enter, however. It is not time for that. I did, however, dance with the eagles and wove the golden thread of the great wheel, of the new portal, through that high ground. I am speaking now of the "foundation of the new America"; "the cup of light for the nations". I speak of the great wheel, which

is in fact a spiral. It embodies seven western states. I went out to and "claimed" the high ground power spots of all these states and activated and qualified them as the new portal, or "assemblage point", of Gaia. I wove them together in a spiral. On the day of 1/11/92, Gaia's assemblage point was moved from the Giza center in Egypt, to the western United States, as the place and configuration was provided for her to do so. This was the beginning of the fifth world. This is the foundation.

In the fourth world, light and dark continually "warred" for dominion over the portal or assemblage in the middle east. Now, the new assemblage is qualified in light only. The adversary can no longer come and go or communicate from this world. He is trapped like a rat. Nor can he hold any influence over the new assemblage. He cannot penetrate the "shield". He who was first, is now last and he who was last is now first...in the twinkling of an eye. Now of course the outer effects are slow to materialize, but they are picking up speed. It is like turning the direction of the Queen Mary with a tug boat. It is ponderous, but is being done. When the children of today reach full stature, they will experience quite a different world than we did, ah ho. The "beast" will live only in history and in memory of the elders. Let us never forget the consequences of the fallen nature then. Teach your children well. Let them see you walk with God. Speak to them of what they see. Be a demonstration of fifth world man. Innocents can only reflect you.

Let us return to the "wheel" of the West and consider its form. **[H: Now don't go crazy!]**

This is the wheel of the "purifier". You can see that it is the combination of two sacred symbols of the Hopi. The cross in a circle and the swastika. **The Nazi swastika spun in the opposite direction.** The swastika symbolizes "life everlasting". **So in the opposite direction, "death everlasting"!** **The cross in the circle represents "christing" of alpha-omega, protected by the circle.** In combining these two then, this wheel represents... "life everlasting, flowing out from the christing of alpha-omega, to all the earth in four directions, to bring forth sustaining, purifying balance, to all life and to all the earth." The cross you see, however, is broken by another smaller circle. This is where man stands. He enters the circle and completes the cross with himself and honors the four directions as he masters his four lower bodies. Now as man, his job is to awaken the "monad" and through christing to anchor the "intent" of the spirit to the gonad and thrust out the intent of God to the four directions, to all the earth, to all life. As above, so below. Thus, man cubes the life force in six directions, in himself and out to all life and creation. This is the tool of

spirit I used to open, claim and requalify the western assemblage and the high ground of it. This is the great wheel-spiral. The assemblage is "Gaia's mouth". She "breathes" the spirit in and out from here. Now, only "light" is in her breath. The "stench" of the beast has been eliminated. He is left to writhe in the ever increasing frequency of love, light and power of Gods' life. Ah ho. We-sa-kan has come far indeed.

It is time for America to have her new flag. In St. Germain's old transcription in the 1930s, in his green book collection, he spoke of the future new flag for America. "The gold, white and blue". He said that the blood of man would turn golden in the ascending purification. Thus, the red transmutes to gold to symbolize this change. I add to this my own proposal. It is this.

Instead of the old star configuration that are lined up like soldiers and tombstones, we configure them to form the wheel of purification. Fifty is a five in numerology. Five for the fifth world. The purified world. They should be gold stars upon a silver base that forms the wheel. This will be placed against the indigo color of Archangel Michael. How's that for a flag of power? That ought to make them sit up and take notice. I think that this is an appropriate evolutionary leap for the renewed America. Let our constitution then be written again in original form, with gold ink, on indigo parchment, so it stands out with more "luster".

So, as we the people reaffirm our spirit, rebirth our vision, reestablish original intent, reshape our country, refresh our minds and souls in the light and rebirth ourselves and our nation anew, let us spin this actualization out to the whole world and to all the lands. Let freedom ring, let love ride, let God in and let Light reign supreme. Make it so—on Earth as it is in Heaven. Amen. Ah ho.

— by SILVERHAWK, 1992.

I know, now that we're on a "roll" why not keep going with another epistle from another old friend. I guess we have been "hogging the paper". Well, this is a very important response to my call from DEJ. I think you need the input from this message:

Feb. 27, 1992, Saturday.

Hello, Everyone,

I know, I'm late, Commander, but, well, as you know I am not feeling so red-hot. On to the business at hand. The quatrains? I went about disproving myself, as usual, but the comet's name is Giacobini-Zinner and it appears every thirteen years with the last being in 1985, just happens to be coming back

in... 1998, but will begin appearing in '97. I just thought it might amuse you.....

As for Leishmania Donovanini?

It is also called Kala Azar, Hindu, meaning Black Fever. Also Dumdum Fever: *An infectious disease, common in the rural parts of the tropical and subtropical areas of the world. There are several types which differ as to the preference for children or adults, incidence in domestic animals, and transmitting agent. (Fleas). The disease is characterized by lesions of the reticuloendothelial system, especially the LIVER AND SPLEEN. It is often FATAL.*

What causes it: Leishmania donovani, a flagellated protozoan (tailed). The organism is transmitted by the bite of infected sandflies of the genus Phlebotomus.

Treatment: Pentavalent compounds of antimony. **[H: Ah, but now we know better, don't we?]**

Sir, you should run this with what I sent in December about CNN saying AIDS is spread like Hepatitis B. This is a major boo-boo. Hepatitis B is Infectious Hepatitis, A is Serum. A = addict. Neither is accurate, since if you are exposed long enough, you can get either, go ask the CDC. And Hepatitis B is spread by **RESPIRATORY DROPLETS**. FACT: The CDC refuses to do a Respiratory Contagion test on AIDS victims.

FACT: The CDC denies that kissing can transmit the virus.

Now, here is even worse than AIDS victims being allowed into the United States. It is called correctly Hansen's Disease—but better known as: LEPROSY.

It is transmitted by Mycobacterium leprae, a bacilli and, with any kind of suppressed or weakened system most "come" alive so to speak. AND CHILDREN ARE THE MOST SUSCEPTIBLE TO THE DISEASE. The incubation is one to thirty YEARS. It is a truly horrible disease.

Your tax dollars are at work making sure that if AIDS or White Plague doesn't get you something else will. One last thought:

"A virus was synthesized in the laboratory for the first time in 1967. This was done by using natural virus DNA (deoxyribonucleic acid) as a template for forming the synthetic virus DNA." This comes from Taber's Cyclopedic Medical Dictionary.

In case you don't understand the meaning of the above—it means that they can take diseases and alter them.

Salu and God help those who refuse to see.

DJ

P.S.: If you can, you should run this with the bits I sent about Plum Island Facility and the Biotoxin experimental lab, in San Diego I believe.

Can't do it today—out of space but I'm sure, not out of interested readers. Things are hitting closer and closer to your own doorstep, friends. Thank you for your input for what the general reading audience doesn't realize is that there is a great wealth of information in that bible: *Tabor's Dictionary*. In it it tells you and all the world that the AIDS virus is spread by droplets, (tears), saliva and blood to blood. Therefore, little ones—the media is simply avoiding truth at all costs.

EARTHQUAKE POSSIBILITY?

From Santa Cruz: "The man who studies animal behavior said there is evidence above 90% that a major earthquake will occur within just a few days. There is evidence of massive disruptions with noted 'Sun Spot Storms' going on right now."

Comment? A word to the wise should be sufficient.

Thank you,
Salu, Hatonn.

Nevada Corporations

WHAT SETS NEVADA CORPORATIONS APART?

In the World of Corporations there are two states that clearly are the leaders or preferred states for incorporation. These two states are Nevada and Delaware. Delaware has long been considered the *only* state for incorporation and this is why you can look back and find that most large U.S. corporations were first incorporated in Delaware.

There are many reasons why states like Nevada and Delaware are preferred over other states. Those reasons range from the cost of incorporation to the details of state statutes that govern the corporations.

Delaware was the first really "pro business" state to develop legislation that protected directors and officers from personal liability for acts committed on behalf of the corporation or by the corporation. This legislation is backed by years of case law in Delaware which has consistently protected directors and officers. You see, no matter where a corporation may be doing business, it is always protected by the laws of the state where it is domiciled, or where they are incorporated.

In March of 1987, Nevada, wanting to develop a very pro-business environment and generate new revenues for the state, enacted legislation that set the foundation for Nevada to become by far the most pro-corporation state in the U.S.A. Besides developing legislation that would insulate corporate directors and officers from lawsuits against the corporation, Nevada went much further.

They created an annual corporate reporting system that allows owners of corporations to become completely anonymous. They enacted legislation that allowed a Nevada Corporation to issue Bearer Shares to stockholders where the tracking and tracing of stockholders becomes virtually impossible. They have taken a strong stand against the Federal Government by

establishing this playing field in which corporate privacy has become second to none. Nevada does not yet have the case law history as Delaware, but with the type of legislation that was enacted in 1987, it will not take long for strong case law to support this legislation.

Besides being *THE* corporate privacy state, Nevada is also very unique in that it is one of the few states in the United States that does not tax its corporations. A Nevada Corporation can have millions of dollars in profits and not have to pay one cent to the state. Compare this with a state like California where corporate tax rates are as high as 10 percent.

Here are a few of the other unique features that set Nevada apart: Nevada has: no Stock Transfer taxes or fees; no tax on corporation stock; no succession tax; stockholders are not required to live in Nevada; one person can represent a Nevada Corporation; initial or minimum capital is not required; and there is no requirement that stock be issued in a small private corporation. Best of all, Nevada only charges its corporations \$85 a year for the right to use their state as a corporate base.

When Do You Recognize Changes?

(Continued from page 1)

dents of Earth heed these warnings most carefully. You are living in perilous times for now is the time of sorting those who are intentioned toward God from those locked into the Adversary's vice-grip of human physical entrapment. Far too long have you totally ignored all calls to return to your original goal and purpose. Most have totally forgotten what that goal would be. Far too long have you turned your backs on the spiritual element and into the morality of God's Laws and the balance of The Creation's Universal Laws. The last few years of this century will bring many surprises and much upheaval to those on Earth.

How do you or I reach through to the hearts turned to stone? How can you cause ones to listen to the warnings? The answer seems elusive but know that the higher guides are appearing to you ones throughout the nations, in the form of apparitions in the visual recognition of ones accepted as guides, i.e., Mother Mary, Esu Emmanuel the Christ and, to the other races and creeds, as the spiritual leader recognized through the teachings of the ancients. These will continue to appear in many diverse places and with much greater frequency. These apparitions will be for the sole purpose of warning you of the times ahead and as reminders to the multitudes of your spiritual connections.

Within the very next few years you will see massive acts which will seem from the "hand of fate" dealing out some mighty blows to Earth. There will be massive earthquakes and volcanic eruptions for when one begins the other must, by its interaction, follow. There will be massively changing weather patterns, storms will be increased in levels of power and destruction and, as the changes happen and the Earth changes herself, there will also follow massive tidal waves of unheard-of proportions. Look for strange happenings in the sky along with strange appearances of stars. The polar ice caps will begin to melt and to break apart.

Each incident which will be happening during the last times of this millennium will serve to remind you of your impotence. You will soon realize that you must look to a Higher Power to help you. It is planned that, as these things happen, you will be "forced" to look to the human puppet-masters in your confusion instead of to your actual resource for security and safety, especially if it needs to be "off" the planet.

God shall leave those choices, however, to EACH.

QUESTIONS FOR SELF

Check within: What is it that you do not understand? What is it you dread? What is it you need? What are your goals? How do you wish to be? How do you wish to be treated by others? Are you happy? Are you healthy? Are you living harmoniously? All these needs and desires are to be brought to God in your heart and in your mind.

Ones say: "I only seek the Truth of God" and "I come seeking Truth, only Truth" and then DENY THE VERY TRUTH LAID BARE BEFORE THEM. If you REFUSE TO SEE then how can you be helped? If you turn to "man" for your guidance—depend on it being from a "tool" of God's adversary set to snare you in a human physical trap.

Use whatever focuses your attention on the HIGHER SOURCE. If a trinket helps you focus—use it—but do not place power or salvation in the trinket for only in the "mind" is "spirit" manifest in fullness. Use whatever "position", words, or place that enable you to pray. Places, words, beads, and churches are not the issue in point. Your ability to commune with the ONE GOD is the utmost importance—the ONLY importance. You do NOT need a go-between, you need no angels, no ETs, no symbols—GO STRAIGHT TO GOD! THERE IS NONE MORE IMPORTANT TO GOD THAN YOU! GET THOSE LINES OF COMMUNICATION OPEN, HOWEVER, FOR YOU ARE RUNNING OUT OF CHOOSING TIME.

Don't think you can hoky-poky and fool God. Sincerity is absolutely vital to prayer. God knows your deepest longings, your best kept secrets. He knows every thought which enters your mind. There is nothing hidden from God, chelas, so stop the game playing on that pretense. HE knows with what sincerity you seek HIM. The YOU reflection of your greater being ALSO KNOWS, so sincerely ask, without human ego presence, ask the One God of the Universe to help you establish lines of communication with HIM. Your sincere desire to be near God will enable you to receive His guidance. God's ways are many and He uses many different situations and conditions to reach out to you and give you cause to find "the way".

Why do you tarry in your preparations? Why are you not in constant upgrading of those things for your survival in disasters? You are getting daily warnings now, from

even your scientific buffoons and prattlers. Is it not time to heed those warnings? You are, tomorrow, March 8, 1993 going to pass through a time when the moon is closest to your planet and "full". The tides are already up on your coastal shores and the predictors tell you that you are in a "window" for great cataclysmic happenings. How many simply listen and wonder if "this too shall pass". Well, could it not "pass" as easily with you **prepared** in case it doesn't "just pass"?

NUCLEAR WAR?

Cold war gone? Nuclear wars out of the question? What makes you think so? Oh, the government told you so? Well, why don't we just look at an article sent yesterday to this place. It appeared in a Denver, Colorado paper on 2/23/93. It was sent because it hit home to two "readers" who had, before their retirement, worked in the very facility about which the article is written. They noted bullet proof doors and glass, pass through windows; walls and vault doors. They thought those years, 1982-83, were of great concern to them for they thought "President Reagan was the same man that used to give 'freedom' speeches on the radio sponsored by H.L. Hunt." Well, that was a decade ago and things have only worsened and the puppet-masters have become less careful in hiding their total deceit.

QUOTING:

U.S. AGENCY DENIES NUCLEAR-WAR EMPHASIS

Denver Federal Center unit has special trucks but says work slanted to natural disasters. *Rocky Mountain News*, 2/23/93.

Lakewood—The Denver Federal Center has 59 trucks ready to provide mobile communication during a nuclear war.

But the drivers spend most of their time practicing for—or helping victims of—natural disasters, the chief of the detail **says**.

The 50 employees of Mobile Emergency Response Support haven't practiced a nuclear war scenario in about three years, says unit chief Jim Tobin. In that time crew members have responded to Hurricane Andrew, Hurricane Iniki and the 1989 San Francisco Earthquake.

A report Sunday by the *Cox News Service* said Federal Emergency Management

Agency, the umbrella agency for MERS, spends \$12 on a **secret mobile program to protect the government from nuclear attack for every \$1 it spends on natural disasters.**

Denver is one of five sites that has a 59-truck mobile unit.

Employees are experienced technicians in radio, generators and computers, earning from \$25,000 to \$35,000 a year, he said. **Each also has a license to drive a truck.**

One of the trucks is a 12-ton mobile radio van with UHF antennas and a clamshell that can receive satellite signals.

Others carry generators, microwave radio towers, support supplies and fuel tankers capable of pumping diesel fuel out of service station tanks.

The white trucks—mostly 10-wheelers, a few 18-wheelers—rest in a parking lot at the Federal Center or are housed in garages in the FEMA building.

Tobin says his crew spends about 20% of its training time on nuclear war scenarios.

"We spend most of our time on natural disasters," Tobin said.

The training scenarios would be valuable whether the real disaster turns out to be a nuclear war or a hurricane, said Joe Platko, head of security for MERS. **"The actions you take for a nuclear disaster are going to be virtually the same."**

MERS technicians travel to the site of a disaster and set up phone lines and radio contact, Tobin said. Microwave towers can connect the disaster area to phone systems up to 56 miles away.

In Washington, D.C., Monday, FEMA spokesman Dave Martin said FEMA has spent \$11.9 billion since 1982—\$6.3 billion for relief for victims of natural disasters and \$4.3 billion for response and recovery, and \$1.3 billion for government preparedness.

Part of that \$1.3 billion is spent on **secret security work.**

END OF QUOTING.

I could go through the Doomsday program for you again but we did that earlier in our beginning JOURNAL writings. Little has changed other than continual upgrading and perfecting. Old security "bomb shelter facilities" are now obsolete and are actually being "sold". That means that the new, deeper and better facilities are operational.

MORE MILITARY BASES TO CLOSE

They say that some 15 more bases will close. I find it interesting to note that we received listings over two weeks ago and yet, it just this week-end gets on your

"news". What can this tell you? **It should tell you that there will be 15 MORE bases for incarceration of the populace! You are moving into the final six years of perfecting the Global Plan 2000. It is NOT going to be an easy six years and it will be often-times very, very hard to isolate your friend from your enemy. Just as mind control and "physical drives" can be programmed and changed, i.e., causing homosexual drives from typical heterosexual (with the actual cause of cessation of hormonal function for either sex) so too can personalities be changed by the blink of a pulse-wave-probe.**

I can only warn you ones who serve in God's battalions that if you don't stay securely in the shelter of the Lighted protection shield—YOU WILL BE ATTACKED AND STRUCK DOWN INSTANTLY BY THE ADVERSARY. WATCH ONES AT WORK RIGHT NOW—WHO THOUGHT THEY COULD GET BY WITHOUT THOSE SHIELDS. WHEN I, FOR INSTANCE, AM SHOVED OUT AND ANOTHER ENERGY ACCEPTED AS MYSELF, THE ASSAULT IS ON AND THE ATTACKED HELPLESS—AS IS GEORGE GREEN AT THIS VERY MOMENT. There are others I could name, involved in the same scenario—but it need not take up further space herein. Actions become totally irrational with inability to see that they set up their own downfall—it is as a programmed robot heading for the cliff with all controls nonfunctional. Does this mean that "these ones" ARE robotoids? Might as well be for the programming is as tight in either instance.

Further, just because I may choose to work WITH someone, does not mean that YOU should do likewise. YOU are not ME and lack of discernment regarding persons is apt to deal you total misery. YOU CANNOT SEEM TO ISOLATE YOUR ENEMIES AND BECOME CARELESS IN YOUR SHIELD UPKEEP. We are working and presenting SEVERAL right now who are not necessarily ON YOUR SIDE BUT ARE, RATHER, TRAINED TO DO EXACTLY WHAT THEY ARE DOING. BE MOST CAREFUL IN WHAT YOU SAY, DO AND TO WHOM YOU GIVE BLIND ALLEGIANCE. LEOPARDS RARELY CHANGE THEIR SPOTS—EVEN IF THEY "DYE" THEIR COATS. DO NOT BE SUCKED INTO "CAUSES"—ALL YOU NEED IS YOU AND GOD AND YOU HAD BEST REMEMBER IT. YOU NEED TO KNOW WHAT IS GOING ON—BUT THE LAST THING YOU NEED TO DO IS JOIN IN VIOLENCE OR NOTABLE TARGETURE.

IRAN/U.S. INVOLVEMENT IN NEW YORK

CNN let it slip—how many caught the announcement? The Iranian Government said loudly and without hesitation that

eventually the Trade Center bombings will be laid at Iran's doorstep. The response, however, was spoken loud and clear and slipped through ONCE! It was said that the U.S. set up and orchestrated the whole thing and that the CIA was working in conjunction with Mossad agents to set-up the persons now blamed for the action. This announcement was IMMEDIATELY removed from the airwaves. However, once stated, it can never be totally erased—just as several years ago when Reagan petitioned Russia to "join forces against the aliens coming from space".

Always be alert to these things, sort TRUTH, and keep to God in allegiance—not speakers who seem to know all the inside secrets. If they KNOW the inside "secrets" then they have been, or are, working on the inside—most probably FOR the "inside". You can utilize this to great advantage, keep secure in your beings by never bending to the "groupie" scene or lawlessness urge. If you think you can hide weapons and survive—then stay away from any of "my" people because people who think they can live by the gun shall perish by the gun—look to the groups caught in the traps right now, i.e., Texas, Idaho, etc. Dead "martyrs" are not—they are stupid fools. Ones who tell you they are gathering arsenals for "defense" of selves—lie. Look at what happens and, again, you look right to Texas and Idaho for examples. If you want a hunting gun and live where you might actually be able to survive by finding food (which almost NONE of you do), fine, but even there, you are apt to be "misunderstood" in intent and get yourself SHOT. Remember—"any excuse"! Better plan to "survive" on stored grain (spelta) or something less aggressive than wild animals. There will, however, probably come a time when you will have to defend selves against roving bands of domestic animals gone wild—as people can no longer attend dogs, etc., they will need food and you may represent that food resource to them. Further, as cities are devastated the larger cats and animals of the zoos will probably be let loose. But if you think you can set up a defensive "army" of some kind with rifles and automatic weapons—you are going to be dead before you can WIN with them.

LETTER OF CANCELLATION TO LIBERATOR

I want to share this letter with you readers because I think it speaks for many of you and I wish to point out a couple of things. The first, obviously, is **why does one have to excuse or blame? If you want to cancel a subscription, why take so much time in beating the dog? If a dog is dead, why kick it and waste your time? If the dog is perchance just not allowing you to hide your head in the**

sand-pot, then perhaps you better take another look!

QUOTING:

2/25/93

I am writing to cancel my subscription. Please return whatever amount is fair from my subscription price.

I am cancelling because I simply am tired of encountering the same problem, issue after issue, that exists with "establishment papers". I am capable of making up my own mind—just give me the facts. I am sorry, but I am simply tired of being told what I should be thinking and believing. God gave me a fine mind and I am quite capable of using it. There are many sources of true information available. If the facts are there, then I should be able to come to the same conclusions as you—but you don't allow me that courtesy.

Sincerely,

S.M.

Hartland, Wisc.

END OF QUOTING.

Now, I find this most interesting. Did someone FORCE her to take the *LIBERATOR*? Did anyone FORCE her to READ IT?? ARE you, S.M., capable of making up your own mind? Why do you protest so loudly? How can you get the "facts" if you stop reading anything that presents those facts to you? There are many sources of true information available? Perhaps, but I wonder, will you cancel all that also? Then the punch-line: "If the facts are there, then I should be able to come to the same conclusions as you—but you don't allow me that courtesy." How so? I believe I constantly bash you about the head and mind to draw your own conclusions—I am far more criticized for the latter action than for your critique. Yes, IF you get truthful facts—you SHOULD be able to come "to the same conclusions as you"—**BUT YOU WILL NOT FOR YOU HAVE ALREADY DRAWN OPPOSITE CONCLUSIONS BY YOUR OWN ACTION IN THIS VERY MATTER.** If you cannot "afford" the paper, then so be it—if you find no truth for self within the paper—don't read it—but it as with the television which has an OFF-ON switch—if you do not use the button you won't get response—I wonder if **you have also cancelled your television? How about your establishment media presentations? Or, is it simply that we draw conclusions FOR YOU?**

My real question, however, is why make a speech about it—why did you not just cancel your subscription and ask for a refund? If you take an item you don't like back to a department store—do you denounce the store because you didn't like

the style of the clothing you yourself bought? We OFFER and that is all we shall EVER DO. What you do with the material is up to you—in every instance. We appreciate your communication for it is evident that this paper is not for you—but for the thousands of others who do find Truth and information within—we shall continue to print it as is.

ANOTHER LETTER FOR THOUGHT

This one comes from R.S. who asks that I not use the name.

QUOTING:

2/21/93

Dear Sirs:

In a recent "*Liberator*" I read a section by "Soltec" discussing various volcanic eruptions. Among those mentioned was the eruption at Lake Nyos that killed over 1900. I don't know about the other disasters but the Lake Nyos one of August 1986 was not a volcanic eruption. It was a test of an Israeli neutron bomb.

The person who broke this story is Mae Brussel, a copy of whose article I enclose. In December of 1986 *National Geographic* published an article on this disaster. After the event hundreds of geologists converged on the area to study the volcano and the seismographic records were carefully studied. The consensus of all observers was that there was NO ERUPTION. To be sure, the crater lake was full of carbon dioxide bubbling from below, water had been splashed some 200 feet uphill and the water of the lake was several feet lower than usual and warmer. All this was attributed to an eruption but scientist were puzzled to find no seismic activity and NO VOLCANIC VENT. Finally this led to the theory of a "gas bubble."

What actually happened seems to be the following: Lake Nyos is one of a chain of extinct craters in the Cameroons now filled with water. A few of the newest craters show minor activity, mostly escaping gas. A year or so before the Lake Nyos disaster some carbon dioxide gas from a nearby volcano overwhelmed and suffocated some dozen farm workers near the crater. This apparently gave some people the idea for a live neutron bomb test. At this time the Iranians had crossed the Shatt Al Arab and were driving on Basra in a WW I style battle. Apparently the US-Israeli group selling arms to Iraq were considering use of a neutron bomb to stop the Iranians. Before such a thing could be done the bomb had to be tested. Unlike a regular A-bomb, such a weapon, designed to kill people, needed a human target. It was also necessary to see if such a weapon could be

exploded secretly. Thus, Lake Nyos was chosen.

Apparently the bomb was put into the crater lake above the populated valleys. The lake water would smother the flash and the ground shock of the bomb and the rainy season clouds would provide further cover. Conditions were much like in the Tigris-Euphrates delta. The bomb, of course, splashed water and carbon dioxide out of the lake and thus provided the cover story for the bomb test. The neutrons burned the people from "inside" but did not burn the grass roofs like a normal A-bomb would do. The burns on people and cattle were a giveaway. Even more so was the destruction of insects and bacteria by the neutrons so that the bodies of humans and animals were slow to decay. The dead lay in the heat for weeks before rotting, a dead giveaway as carbon dioxide wouldn't kill insects or bacteria. Pictures taken after the disaster show cows swelled up but that is due to methane from their stomachs and not decay gasses as in humans.

The test was apparently a success and the use of the bomb was generally covered up. However, in the end the poison gas the US sold Iraq was enough to stop the Iranians and the direct use of neutron bombs was not necessary.

Sincerely,

And the article: **AFRICAN HOLOCAUST WAS SECRET NEUTRON BOMB TEST** (April, 1987).

More than 2,000 people were cold-bloodedly slaughtered after the secret explosion of a neutron bomb, charges a top political analyst.

And now two world powers, Israel and the United States, face charges of a massive cover-up.

"Both nations were more than willing to kill innocent people to test the neutron bomb," says California-based radio commentator Mae Brussel.

Some 2,000 people perished in the explosion in the African nation of Cameroon last August, she added.

Press reports originally blamed the catastrophe on a massive bubble of carbon dioxide rising to the surface of a volcanic lake and bursting, emitting a suffocating cloud.

"But gas wouldn't cause burns, and victims were badly burned," noted Miss Brussel.

The officials responsible for the horror are many of the same now in the headlines for the Iran-Contra scandal, continued Miss Brussel.

All are strong advocates of neutron weapons, which can kill people and animals as effectively as atomic bombs, while leaving

buildings and property undamaged.

Intelligence sources realized that it would harm America's image to be associated with these terrible devices—so they arranged for Israel to test them in return for security.

"They armed a vile anti-Semite like the Ayatollah when we asked them to. In exchange, they get all aid and weapons they need from us," says Miss Brussel.

Right after last summer's incredible tragedy, Cameroon rolled out the red carpet for a glittering reception for visiting Israeli Prime Minister Shimon Peres.

Peres took with him 18 scientists to study the after-effects of the blast, said Miss Brussel.

"Why else would they be so interested in Cameroon when they never were before?" she asked

END QUOTE.

Well, that was 1987—do you think it is somehow different now?

THE DISASTROUS FEDERAL RESERVE

This one keeps popping up continually as you people get informed but haven't gotten information from the prior JOURNALS or elsewhere regarding the Federal Reserve. [See the JOURNALS recommended at the end of the "Nevada Corporations" article on page 49 for the best background reading on the Federal Reserve and related shocking matters.] This is a total viper in the bosom of your Constitution and you can go right to that source as to "who" is bankrupting your beloved America. Let us look at it briefly here, again, and then we'll see who the Federal Reserve Big Boys are.

In a tragic betrayal of the public trust, the Congress of 1913 created a private, for-profit corporation which has never been taxed or audited. Its creation was a gigantic fraud, probably bigger than all of the other historic swindles put together.

In November of 1910, powerful men in the world of finance met at Jekyll Island in Georgia. Among them, Paul Moritz Warburg, partner in Kuhn Loeb Co., member of the M.M. Warburg Co. of Hamburg who represented the Rothschilds, planned America's economic future—and the world's, for that matter. This was a totally orchestrated plan to gain billions of dollars in profit personally for themselves.

In December (22-23), 1913, the Jekyll Island plan was approved and America gave up the control of her destiny! The House vote, 298 to 60. The Senate vote, 43-25. Woodrow Wilson signed the Bill into law and the Federal Reserve System was born. It was indeed a very sad day for America. Paul Warburg, the Rothschild's representative became the first "head" of the "Fed".

**THE WORD NOW ACCEPTS

An alien, who barely spoke English, took control of America's money supply! Even Woodrow Wilson would regret his actions and before his death, stated: "I am a most unhappy man—unwittingly I have ruined my country." Perhaps too late smart? Congressman Charles Lindberg, Sr. said, "This act establishes the most gigantic trust on earth...When the president signs this Act the invisible government by the money power, proven to exist by the Money Trust investigation, will be legalized...The new law will create inflation whenever the Trusts want inflation...**From now on depression will be scientifically created.**"

The *LIBERATOR* has just recently [2/2/93 issue] re-run the entire, rousing speech by Lewis T. McFadden and I would urge you to dig it out and re-read it carefully. As McFadden referred to the Federal Reserve Board and the Federal Reserve Banks, he said: "*They are not government institutions. They are **private monopolies** which prey upon the people of these United States for the benefit of themselves and their foreign customers...this nation is run by the international bankers.*"

WHO ARE THE "REAL" OWNERS OF THE FEDERAL RESERVE?

Well, we can list off the top eight for you:

1. Rothschilds of London and Berlin
2. Lazard Brothers of Paris
3. Israel Moses Scaif of Italy
4. Kuhn, Loeb & Co. of Germany and New York
5. Warburg & Company of Hamburg, Germany
6. Lehman Brothers of New York
7. Goldman, Sachs of New York
8. Rockefeller Brothers of New York

All of the above listed men, with the sole exception of the Rockefeller Brothers of New York, are Khazarian Zionist "Jews". Note that ALL are also "foreign" with established headquarters in Europe, even the ones in New York are only "branches" of European establishments.

There are an additional three hundred people, approximately, mostly relatives, who hold stock or shares, and they comprise the ownership of this enormous monster, the massive wealth of which is beyond man's comprehension.

This is by far the most gigantic counterfeiting ring in the world. The world has been "stolen" with worthless paper. As we have time we shall integrate this subject within our next episode from McAlvany on a cashless society and the destruction of privacy as well as cash.

I hope I have given you **some** facts worthy of your notice. I do not tell you what you **should** think or believe—but I surely do hope you draw some of the same conclusions as I.

Thank you.

Salu, Hatonn.

LAW CENTER FOUNDATION INAUGURATED

The Constitutional Law Center announces the establishment of a non-profit tax-exempt foundation named the *Foundation for Constitutional Education and Research, Ltd.*

In making this announcement, Law Center Director, Mr. C. Gene Dixon, focuses on the following key factors leading to the decision to establish a foundation: First, is that an increasing number of supporters of the Law Center wish to make specific tax-exempt pledges and contributions. Second, is that the Law Center recognizes the need to educate and inform Americans about the Constitution, its history and their rights under the Constitution and the Bill of Rights.

Another important goal is to provide easy access to this kind of legal information. Mr. Dixon went on to say that there is much current and historical research to be conducted that would benefit all Americans. He also stated that the Law Center is extremely grateful to all who have already given it their solid and warm support.

The Constitutional Law Center sincerely requests your help to meet these critically important objectives. The *Foundation for Constitutional Education and Research, Ltd.* is a tax-exempt, non-profit foundation. Therefore, contributors may request a receipt, for income tax purposes, acknowledging their contributions made to the *Foundation*. "Our nation was founded as an experiment in human liberty. Its institutions reflect the belief of our founders that men had their origin and destiny in God; that they were endowed by Him with inalienable rights and had duties prescribed by moral law; and that human institutions ought primarily to help men develop their God-given possibilities."

Two Opposing Letters On The George Green Plague

Editor's note: At Commander Hatonn's request, the following two letters are presented for your discernment.

I, Dr. Edwin M. Young, Editor-In-Chief of THE PHOENIX LIBERATOR, am frankly sick of this whole George Green escapade—though I realize heavy sorting is taking place. And for as many of you out there, in reader land, who are likewise sick of wasting LIBERATOR space spotlighting the "George Green Dance [Swan Song?] Of Self Destruction", there are an equal number of you who have a vested interest in this unfolding of **THE TRUTH** with its undeniably exquisite lessons in discernment, choices and growth.

The first letter, though squarely addressed to admonish George Green, was sent to the LIBERATOR as an "open letter" for publication. In light of what is revealed in earlier pages of this present, latest LIBERATOR, about George's most recent breathtakingly despicable tactics, this first letter, from Robert J. Peters, comes across, as exceptionally mild and gracious counsel.

The second letter, with three attachments, is from Mr. Leon Fort, who claims to be the most "unconditionally loving" — and has been the most vocal — of the local group of "conspirators" you have been reading about. Leon's manuscript was hand-delivered to the LIBERATOR office around 11:30 AM today, Monday, during

the last moments of around-the-clock working to put together for press an already huge, complicated and editorially demanding paper.

Overlooking that hardly endearing case of tunnel vision and lack of consideration, we are nonetheless honoring Commander's offer of rebuttal space to George Green or his flock of "conspirators" seduced into his sordid camp of lies and shenanigans.

An open mind, an open heart and common sense are called for here. Whether some want it out or not, TRUTH WILL OUT, and often in ways least expected or desired OR flattering to some who demand public hearing. So be it.)

OPEN LETTER

Dear George *

Your statement that the Hatann energy has left Tehachapi is in error. You have been misinformed. Assuming all else you say is correct, what does it matter in the long run? Your activities in spreading the conversation you told me helps raise how many consciousnesses? What good does it really do men to hear what you have to say that negates all the fine work and cooperation you have done. Don't let the money spent be a resentment as it appears to be. Let it go. All things sort themselves out. You cannot justify your present position no matter what. The truth is the energy is still as stated. You have free will to decide what to do, George. But your present efforts don't seem to fit the pattern of helpfulness they used to. These are my thoughts prompted by no one at Tehachapi.

As a Brother with love, and still another of God's messengers, truth will out. →

Bob Peters

You can go your own way with God's blessing but slam dunking another messenger seems so inappropriate, coming from you.

You must return the gold and cease your harmful activities, George.

Are you enraged or enlightened? Your reaction will tell you how far along the path of God's kingdom you are.

Your body is the temple of the holy spirit. Your soul is a part of God. You are a spiritual being inhabiting a material body for a season to learn things from your earth experiences to advance your consciousness, to increase your awareness and understanding. What you are is what everyone else is also. We are all in this together as part of the oneness. What one does (what you do) influences and affects everyone on a spiritual level and mental level and eventually on a physical level. We have been given free will to choose to follow the rules of God or not. Our choice. We may have a tendency to abuse, murder, swear, smoke, overeat, behave as a sodomite etc... But we can override these tendencies with our own free will by realizing the God force is within each one of us and using it. It is more powerful than any material tendency. We empower ourselves when we come to this awareness. Yes, it is the truth. Always seek the truth. Test it against your inner awareness. You are responsible for yourself and your thoughts, words and deeds. Your actions are your own choice, always. Live them according to God's rules and you will have no insurmountable problems. Only opportunities for growth in consciousness. Your behavior should reflect the God part of you, the indwelling real you. Do it. Not always easy but it can be done. Seek truth wherever it may be found. We have been fed a lot of lies by those who wish to control us. Be discerning in your thoughts. God is always with you. I am that I am, you are too.

Thoughtfully,

BP 2-28-93

The Operator-Owner Manual for \$5.95 plus P&H is the most complete, reliable & accurate set of God's rules I have ever seen. Available from America West Pub., PO Box 2208, Carson City, NV 89702. Isn't it time you found out what the rules really are for a happy, fulfilling earth experience???

March 5, 1993

To My Fellow Humans Out There Whom I Have Never Met,

I, Leon Fort, am your humble brother. My quest is truth, my foundation is love and wherever I walk, I shine my light of love, honor and integrity. From the Lord God of my being, I love who I am in this energy form; therefore, I am able to love all of you as I love myself.

I have asked Ed Young the editor of this paper (the "Phoenix Liberator") to please print this letter in full content without bending, twisting or leaving out full lines and paragraphs as Hatonn is so famous for doing. Will this be done? If not, I promise to all you divine seekers of truth, with the help of others and yourselves if your quest is truth, I will do all possible in human form to present total truth as it unfolds.

Am I sharing with George and Desiree Green? Yes, indeed I am because they also feel deceived. They feel and know what I know and are willing to do all possible to expose any lies or deception. In other words, I am a seeker of truth not a conspirator.

When Hatonn offered George Green front page of his paper for rebuttal, I talked to him. These were his words. "Point your finger away from yourself, Leon and what do you see?" I said, "So you have no intention of defending yourself or taking Hatonn's offer of front page?" "No, why should I," said George.

This reminds me of a poem I once wrote and it seems appropriate at this time to share it. "You should never point your finger for truth you may lack, for when you point your finger, you have three pointing back."

Please try this dear friends; you just might have a great revelation! Who is the one who always points the finger according to the direction of the wind? If and when the wind changes directions, who is it that runs to sit atop the band wagon? To you old readers, do you remember A.S.S.K and Little Crow? They were at one time the only other bearers of light according to Hatonn. What happened and why were some of the early journals changed? What about Little Crow? Has he stopped his chanting and wagging of feathers that he may now represent God in the "Liberator"? Especially since Moses is no longer a writer of the "Divine Plan"? Perhaps Little Crow will save the day? Please dear ones, we must not forget John Coleman, Bo Gritz and now George Green.

I say to you seekers of truth, I desire not to cast stones or to speak falsely in any manner. I am open and I hide nothing, which was my great attraction for all this work in the beginning. What I wish to share is my openness and my truth as things have unfolded for me. For as I look back, I can see where I've been on this adventure so costly to me and my precious mother of 88 years young.

Page 2

I sold my family estate in the San Francisco bay area after meeting George and Desiree Green in Berkley. It was advertised as a Winchester house. (All done without permits as my dear, deceased father desired.) It was a high price for freedom, when sold. But after meeting George and Desiree, I realized I was to free myself from this property that owned me. So I sold the land, giving the house away. I moved my mother into a thirty-two foot R.V., worked three months in L.A. and came to Tehachapi. I was convinced I had found the truth, the whole truth and nothing but the truth. I had found "my people" all working together, hand in hand, to get the word and this truth out to the ends of the earth. E. J. had set up a corporation for me and I gave him all checks as they came in to deposit as he saw fit. E. J. was president of my corporation and Doris was secretary. Promissory notes were given to my corporation as E. J. wrote checks to the Phoenix Institute. What I didn't know at the time was Doris and E. J. were the only listed officers of the Phoenix Institute for Research & Education, Ltd. Not that this truth would have made any difference to me at all at the time as my feelings were open sharing and caring and that of complete trust. However, I now see it as great conflict of interest. So recently, on February 6th, I asked that they resign from my corporation. They have done so. In the same request, I asked for my funds to be returned. (Previously, I had asked along with three others for my funds to be returned; two have since changed their minds.) I did this as an honorable human being believing what E. J. had told me from the beginning. If I needed funds for any reason, it was as simple as asking. Well, as all can see, it doesn't take much discernment to understand I and B. C. have not been paid or even given any serious hope that the funds are even available. Well, one thing for sure, the slings and arrows are flying toward me, George and Desiree and any others who question Hatonn, Aton, Sananda or any other energy form coming forth through Dharma.

Before I go any further, I wish to state that my letter to the Board of Directors of the Phoenix Institute for Research & Education, Ltd. that was printed in the "Liberator" on February 23, 1993, page 6 was not only butchered, twisted and bent out of shape, paragraphs and sentences left out, but any truth of my letter was lost. Would you please reprint my letter, in full content, Ed? No interruptions please! The reason for my letter was I had been granted a hearing by the board and these ones are like family members (those sitting on the board). I didn't even know they were board members until I was granted a forum the day before. So I wrote this letter doing unto them as I would wish them to do unto me if the table was turned. (For letter, see attached Item #1.) I believe the next letter of February 22, 1993 is self-explanatory and is directed to you ones out there as well as here. (See attached Item #2.)

There was a time we as people were to question every word from Dharma. Now ones are to accept every word without question and you

Page 3

will do it my way or you shall not serve in my command. But I thought God was not of force? You want to leave? You are free to go. But what of my investment that is supposed to be in gold? You have no investment here! You want your gold? Get it from George Green. But my notes were signed and guaranteed by E. J. Ekker. So why would I ask this of George? Who are you who would even suggest such a thing? "I am exactly who I say I am. I created you and I can uncreate you." Do you ones with ears hear what is being said? This energy form is here to speak on freedom of the physical being on planet earth. Is history repeating itself? Is the Lord God Jehovah here again as he promised, not only in the Bible but in the protocols? If you do it my way, I will be your god and you will be my people. You will do as I say or you shall not come aboard my craft. Is this love without conditions? How about fear? Are you of the remnant destined to repeat your lessons of earth? Or are you among the free walking your Christed path of honor, integrity and love without fear of an angry god might leave you behind to face death and destruction of the flesh.

Please excuse my long letter of many words but it has come from deep within me that I should share with all you people who have never questioned the true intentions, actions and out-and-out distortions of truth. Please dear ones, I share this only as great possibility and food for thought as this energy form is and has been so clever in his manipulation and intimidation. As truth comes in from across this land, sent to the "Liberator", it has been copied and sent to you. Many of us here who are beginning to see glimpses of light and truth, can only laugh at some of the statements made by Hatonn because they are so far from the truth. Then we reason together, question and are able to see and understand how the "scanner" works. Oh, yes, it comes from the little whispering elves in human form bent and twisted out of shape. So and so and such and such is why such and such is so and so, then comes the conscious mind of Doris/Dharma, Hatonn missed it all because the wires got crossed of who's speaking.

How do you ones out there feel about this god and institute using all that you have for over a year, interest free, then when the notes are called in, as I have done, being ignored and called a conspirator? Would God really lie, steal, deny, tell you that you have no investment here and to go see George Green? Would you get angry if their thank you was to suggest bringing charges against you for conspiracy?

I just got a notice delivered to me which I must share with you. (See attached Item #3.) Am I angry? Yes indeed I am. Yet this is unacceptable to me even as a human which only increases my spiritual awareness that any angry jealous egotistical being seen or unseen is not part of the Father within me. So with my blessings to this energy form and all angry gods, I say begone from me for you are no part of my kingdom.

Page 4

Please, all of you, remember these words. The Father within me is also within you. Satan, Lucifer, Jehovah, Hatonn has no power or control over anyone of us. It is you and I who feed these powerful energy forms. We, you and I, have always given them power over us because we fear the unknown powers that be and will trade our spirit and soul to be saved in physical form. May the Father's love which destroys nothing be the power and the glory forever. We, each one of us, has a free choice, enslavement or freedom? Love or fear. "I am the Light of the world." Shine your light of love that all can see that the Father within me is also in you. Love is the fulfillment of the law and all laws to come. You may take my body but you shall not take my living soul for I am at oneness with the spirit of love. If I have not love, I have nothing.

Sincerely,

Leon Fort.

ITEM # 1

Dear Members of the Board:

I, Leon Fort, came to this valley of Tehachapi because of my quest for truth and believed, as you ones here, that this was the word of God. It was George and Desiree Green that I first met in Berkley. It was these two who were out front bringing in investors and believers of Hatonn. I believe without them there would be no "Phoenix Liberator" or Institute. This is my personal belief as George was the one who encouraged me to invest. I put most of my family's estate in the Institute and believed with each person that I met that I was finding my long lost spiritual family. I still believe this is a truth. I feel there are no accidents.

In the beginning, I believed everything Commander Hatonn said, like I was a robotoid and I questioned nothing. Whenever I heard words that didn't resonate from my soul, a bell would go off. But I found I would ignore the bell and hold my peace, totally denying the God within that had brought me this far. In the not too distant past, I realized I was not being true to myself and, also, realized that the price of my silence was festering like a boil. So from my heart, I wrote a letter to Doris, E. J., Commander Hatonn and All Ears of Heaven and Earth. I felt the answer from Hatonn and especially Doris was extremely long and said little or nothing in response to my letter. For one who is supposed to know all things, be all things, see all things as Aton and speaks only truth through Dharma, I found only confirmation that Hatonn's truth is not mine. I have brought copies of all these letters if you wish to read them. It is said that I retreat and hide behind unlimited love. Then at the following meeting of "The Word" on tape, it was said that I hold my mother hostage! Well, what can I say.

My first real denial to self was over a year ago when Commander Hatonn said, "God gets angry." Then at a following meeting, it was said (while hitting the table), "God does not just get angry, but God gets furious." I really questioned this statement but kept my mouth shut. Perhaps I was in fear to speak out or even question this higher Command at that time but I did some serious research on those two words and Nora

I would love to read what your expert research would say. Anyway, there was a following statement made much later that is still shocking my soul. Yet, to this day, no one except myself has openly questioned Hatonn's words when he said on tape, "I created you and I can uncreate you." This statement planted the seed that has brought forth these words: "I am the bright and morning star and the revealing Angel of light." I share this only that you ones might go within for sincere guidance, always using the foundation of love. I have great reason to believe that the Light is the enslaver that keeps man in prison on the forever wheel of life here on earth. In the ancient school of wisdom, we were taught to go through the visable light to the infinite unknown; at the time, it meant little or nothing. I have since gotten follow up confirmation from other sources that is great food for thought. I feel each of us that was guided to this valley listened to the voice within.

Page 2

I, personally, had stopped listening for awhile in favor of Hatonn, Aton which I now recognize as one with Jehovah. "I am a jealous God and there shall be no other Gods before me." My soul remembers this god of anger and vengeance whom I once served faithfully. Am I now the enemy because I come into remembering? Or because I wish to take my family's gold back into our possession? Or because I now speak possible truth and desire to share?

Good old Moses and the Devine Plan didn't quite make the promised land. Perhaps, he too has found the Father within to be the unconditional love of the Christ Consciousness. Perhaps, he has, also, awakened to the truth of Hatonn, Aton, Jehovah?

My conclusions and decision to withdraw from all of you whom I love dearly has not been easy. As a matter of fact, it has been the hardest decision I have ever made. Not that worldly possessions mean a thing; they are necessary and I would rather be doing anything but sitting before this board asking for our gold to be returned freely as it was given. Does not this in itself strike any of you as strange? Why have I written this letter of explanation? Well, lots of things depend on this letter, as many decisions shall be made from the outcome of this meeting. I only desire to go my way in peace leaving my love and blessings with each of you I have touched in this valley.

Sincerely,

Leon Fort

ITEM # 2

Dear Brothers and Sisters of This Non-Group
and Whomever This Energy Form Is,

I, Leon Fort, asked, as a humble man and a brother, for our gold to be returned. I have been told by the board and this energy form that I have no gold invested in the Phoenix Institute. I was told by board members that I needed to file proper paper work as a corporation. (I have done this.) My first letter was written February 6th and, as all can see, today is February 22nd.

When I invested the money from my family estate, I was told by E. J. that if I ever wanted or needed the money for any reason it was as simple as asking. To all you other investors, were you not all told the same thing? What would any of you do if you were in my place? Don't laugh, please! You may all see the truth sooner than any here or out there would like. It's painful!

I am writing this letter to all ones here because the Sunday meeting a week ago was cancelled. It was my intention to bring all truth to the surface at that time. To those of you who may have read the writing of February 16th, 9:41 A.M. by Esu Jesus Sananda, Aton and whoever, it is indeed the same energy as Hatonn. All I can say is that my words were twisted and bent and very important lines left out. My meeting and letter to the board was sincere and I was there asking for my investment to be returned. I was doing unto others as I would wish them do unto me. I was giving the board reasons for my decision. How can anyone reading my letter to the board and then reading this writing not see deception and withholding of my intent? I have been blasted here for flaunting my love and turning everything around like I am doing intentional harm by asking for our funds to be returned and even denied they exist. My god people! How much more do you need? I knew when I asked for our funds to be returned that we might lose it all. Why do you think it has been the hardest decision I have ever made?

It is a hard lesson to admit to myself that we have been had. Harder still is how do I tell my sisters, who didn't believe any of this to begin with. Well dear sisters, I believed I was doing God's work and protecting our mother and father's life long savings. I'm sorry I was wrong! I should have given you each your share but felt I was doing the right thing placing it into gold into service to God.

You see dear ones I can handle mine and mom's loss because neither one of us need great material wealth. It would be wonderful not to lose our investment. Most important of all, for myself, is to know truth and hold fast to my path of love. It is not what any of you believe or disbelieve, express or feel toward me that is important. How I walk my truth and feel toward my fellow man is worth all the gold in this universe.

Page 2

May sincere love be the path for us all.

Sincerely,

A handwritten signature in cursive script that reads "Leon Fort". The signature is written in dark ink and is positioned below the word "Sincerely,".

P. S. "May you love one another as I have loved you."

DEMAND NOTICE

March 5, 1993

Leon Fort
Indian Hills Campground
Banducci Road
Tehachapi, California 93561

Dear Leon,

It has come to our attention that the letter, dated February 6, 1993, which you wrote and which you, Raymond Clark, and the Schroepfers signed relative to the withdrawal of "our gold from the Institute" has been used by George Green in his quest to "shut down" the Phoenix Institute. We have also been receiving reports from various locations throughout the country that George is claiming that the four of you are in alignment with this purpose.

If these conspiratorial claims by George Green are true then we must act upon those claims. Therefore, due to our fiduciary responsibility as Directors and Officers of the corporation, we demand that you "cease and desist" in these activities and that you require George Green to "cease and desist" from using your name as a co-conspirator.

If these claims are not true and you are not conspiring with George in his activities to damage the Institute, then we demand that you notify George Green of that fact and require him to "cease and desist" from using your name toward these ends.

In either case, you must notify the Institute, in writing, of your compliance with this demand and supply us with a copy of your "cease and desist" notice to George. If you do not comply with this demand, then the Phoenix Institute will have no alternative but to include you in any action that it takes against George Green, his activities, and any conspiracy that he has organized for that purpose.

We send this notice in good faith to seek to resolve this matter in a businesslike manner and, hopefully, without any court action being necessary. Due to the circumstances and George's high activity level in this matter we require that you comply within three (3) days of the date of this notice.

On behalf of the Directors and Officers, sincerely,

Executive Vice President

Gaia Resources New Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead

batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other

viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondriana (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body

tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA

(Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "the living fossil". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted

around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of Alzheimer's disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "The Remedy for Immortality" or "The Divine Tsché".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus

Japonicus, Fungojapon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.
