What You Don't Know Is Going To Kill You!

4/12/93 #1 CERES 'ATONN

OP. ED.: WHAT YOU DON'T KNOW IS GOING TO KILL YOU!!

HOW MANY OF YOU REALIZE THAT A GATHERING OF SOME OF THE MOST IMPORTANT SPEAKERS OF YOUR DAY ARE HOLDING A "SURVIVAL" SEMINAR IN LAS VEGAS THIS COMING WEEK-END? INDEED, GRITZ, SNEAD, MCALVANY, WILLIAMS, ETC., WILL OFFER YOU TRUTH. WHAT DO I THINK OF THEM? THEY ARE TRUTH-BRINGERS! WHAT DO THEY THINK OF ME? WHO CARES! TRUTH IS TRUTH IS TRUTH—AND YOU WILL DECIDE FROM THE "TRUTH" OR THE "LIES" WHICH WAY YOU WILL CHOOSE TO TRAVEL ON THIS FINAL STRETCH OF THE PLANET'S TRAVELS. MAY YOU BE WISE ENOUGH TO ASK GOD TO ASSIST YOU IN YOUR JOURNEY. [See p. 51 for Preparedness Expo '93 general information.]

You may well believe that somehow

things will "work out"—THEY WILL! But it is not going to be in the line of freedom, economic *recovery* or citizen "rights".

How many of you are aware, this day, that the following things are taking place?

There is documentation that proves there were **TWICE** as many POWs in Asian control in the late 1970s as even reported by pretty good counters. The "stuff" is being buried and is now under "national security" restraint from bringing forth. But, it has slipped through, however, with normalization of relations with Vietnam—THEY ARE DEAD.

North Korea is not only building up nuclear weapons but fully intends to use them.

Vietnam is again under open siege from the Communists under the bloodiest assaults since the open warfare of the "Vietnam War" by the Khymer Rouge.

TODAY: THE EMIR OF KUWAIT DISPATCHES A JET TO BRING BUSH, BAKER, BRADY AND SPOUSES, TO HIS COUNTRY AS HIS PERSONAL GUESTS! This is to

attend agreements, oil rights arrangements and put them in the area close for secret meetings with Rabin of Israel who is with Mubarek in Egypt. Funny "other thing"—Gorbachev is running around in the U.S. and Canada this week, also—but will be available for meetings in the Middle East WITH THE ABOVE. Yeltsin is also awaiting summons to these meetings.

How many of you know that Scowcroft was given one of the most influential and well-paying jobs in one of the MAJOR oil companies? How about poor old Baker after losing his job? Oh, he went back to his multimillion dollar job with his law firm dealing with all the cover-up banks and shadow government (British Zionist interests). How many of you also know that SCOWCROFT WAS "KNIGHTED" BY THE QUEEN OF ENGLAND? Not bad for a simple unassuming Mormon boy?

How many of you realize the plan of the One Worlders is to totally blow-away the Please see *WHAT YOU DON'T KNOW*, P.50

4/8/93 SOLTEC

Greetings, Toniose Soltec present, in the Radiant Light of Holy God. I come in service with the Host of God, unto planet Earth-Shan. It is our honor to serve in this mission and be of assistance to one another during this time of transition.

It was a pure pleasure and deep honor to have been able to visit with all of you this past week. We wish that this could occur more often, and some day it shall be that we will have that opportunity. However, for now, we must continue on in the manner in which we have been functioning these past months. It was truly an experience of pure love for Kali and Kari and their friends to have had the opportunity to visit with their family in Tehachapi and all were completely overwhelmed by the warmth with which they were received and the love which was demonstrated by you. It was also a good thing for these ones to have the opportunity to reconnect with other members of the team and to re-solidify their relationship with those others.

Though Kali was not in the least bit thrilled by having to be on the stage as part of the meeting, she was, nevertheless, honored by the warm reception given. Ceres was correct in saying that all three of the speakers of Sunday last are mortified to speak before a crowd, for all are very private people that would much rather sit quietly in the back of a room and blend in with the furniture. So, their acceptance of the task of speaking for us is in itself an act of denying the ego on their part. It is extremely difficult to do that which each of them do and we are greatly honored by the willingness they have demonstrated.

Now, on to other topics.

The space shuttle is once again in orbit; it launched last evening, Wednesday, April 7. You are being told that they are up there to study the hole in the ozone layer and the sun. What this really means is that you are once again sitting ducks for their shenanigans. The shuttle mission was delayed from Monday evening, as it shut down just eleven seconds prior to scheduled lift-off. However, just at the moment that it should have lifted-off, Tehachapi experienced a blast, which was intended to weaken, or loosen, the fault and then the shuttle was to finish the job from orbit as it passed over that place.

The delayed blast-off of the shuttle does not mean that this will not still be attempted, however, because a couple of days is not all that significant. *If I were sitting in California, Washington or Oregon now, I would be tying down whatever might be loose and preparing for any possibility.* No, I am not attempting to instill panic or fear, but a sense of responsibility for selves. If the place survives, then be thankful, not critical because some confounded extraterrestrial told you there's a possibility that you could find yourselves swimming in the ocean.

We would rather have you mad at us than dead, so it is okay to get disgusted with us because you are having to live in a state of preparedness. We are very much like the father that tells his child that he cannot play with matches because he does not want the child to get burned. The child can be angry with his father, but the father accepts that because at least the child has not been harmed. Our job is to get as many as will hear and act through this time on your planet.

The state that your place is in right now makes it ripe for taking you out. As we have discussed recently, the excessive rainfall that you have received this past winter has caused the ground to become very unstable to the point that the upper crust is simply floating on a mudbed. The heavier materials have settled, and has left only the fine soil and rock mixed with the water at levels just below the surface, so there is hardly any stability. In the more populated areas, the factor of surface weight must also be considered, to speak nothing of the resonance produced by all the noise.

All the little jolts that you have experienced, both natural and man-made, have only aided the Elite in their efforts to detonate those fault lines. There are so many cracks and fissures now that it is impossible to calculate which one is the most critical. Below the surface it is so incredibly fractured that it resembles a spider-web in appearance. As those plates continue to move and press against one another, more cracks and fissures are created and more and more pressure is building. So, should you be concerned with the situation at hand? If you are not concerned, then I would have to assume that you are still asleep at the wheel.

In the Northwest the threat of volcanic eruption looms over the heads of all the

inhabitants because of that little Juan De Fuca Plate threatening to push the magma and gases straight up those old volcanic domes. There would be enough energy released in those volcanoes to absolutely blow that place off the map. Yet, there are those who are not sure they want to leave from there, just as there are those who will not get themselves out of California, or at the very least, have some emergency preparations made. They all consider us to be as the little boy that cried wolf. But do not forget the outcome of the story. One day the big bad wolf really did show up and the sheep were killed by it! **ONE DAY THAT BIG BAD EARTHQUAKE IS GOING TO SHOW UP AND MANY SHEEP ARE GOING TO PERISH BECAUSE THEY CLOSED THEIR EARS AND EYES TO THE TRUTH BECAUSE THEY SIMPLY DID NOT WISH TO BE ATTENTIVE TO THE THREAT OF THE WOLF ANY LONGER.** Where do you stand?

The fact that there are so many disturbances taking place in so many places at the same time should give indication to you that something out of the ordinary is going on with your planet. Your weather patterns alone should be telling you that something is occurring. The volcanic activity and seismic activity should also be poking at you. The droughts, the famines, the wars, the economic situation you are in, the lies, the false prophets—all these things cannot be forever ignored and sloughed off as so much coincidence, for all these things are occurring simultaneously. Do these things not speak to you in some way?

No one here is looking to create a panic and no one here is having a good time talking about such devastation. It is not a fun subject and we would much rather speak to you about all the wonderful things that await on the other side of all this for it is a much more pleasant subject. But there is a job to do, and very little time to get it done, so we have to continually go over and over the unpleasant things and keep you ones from drifting back off to la-la-land. It is because of love for you ones that we continue to harangue, for it is not just our JOB to get you through, it is our DESIRE as well. Your job is to take responsibility for selves and prepare for selves. We cannot do it for you for it is your lessons. Ours is to bring **THE TRUTH** and get you informed, but the preparations and the

doing must be your own.

Let us also look at the area of the Long Valley Caldera once again—that place which sits close to the border of California and Nevada, that old volcano that has shown signs of life. This place is critical for several reasons and only one of which is that it is volcanic in nature. Not only do you have the natural sources of radiation to contend with from this threat, but there are also many underground man-made facilities near to this in which all sorts of toxic and hazardous products have been stored. There is everything from nuclear waste to germ warfare viruses stored in these places.

Let us also not forget what all the underground nuclear blasting has done to this area. All of Nevada and over into the desert of California has been pulverized and poisoned by all the blasting and radioactive waste from these activities by your government. So, even if the volcano itself doesn't get you, all those nice little hidden surprises below the surface will be blast up into the atmosphere to spread over the entire globe. If you think you have problems with strange viruses and diseases now, you have seen nothing like that which will occur should that old volcano erupt and cause those dastardly things to come spewing out of the ground.

As all those new strains of genetically engineered bacteria and viruses mix with the existing viruses and bacteria, mutations upon mutations will take place and the chain reaction will be impossible to stop once it begins. All the more reason to continue with the Gaiandriana, I would say. [See next-to-last pages for information on Gaiandriana and the complementary substance Aquagaia.]

Recall from previous writings the subject of gas belts. These are the natural pathways which the volcanic gases have followed for literally millions of years. These gases are building and flowing at all times below the surface through these passages, and will always take the path of least resistance to relieve pressure. The gases are continually building below the surface due to the constant motion of the plates. Plates moving in opposite directions come into contact with one another and one of the plates has to give, so it slides beneath the other plate and is pushed down into the depths of the earth where the heat and pressures are high enough to change it into a molten state. This is how your core is rejuvenated.

So the Earth is ever in a state of change and renewal. The melting of the rock and soil produces gases that rise and find their way through the fissures and fractures. Because they are constantly being renewed from the continual magma activity, the pressure of the gases cause them to flow continually through the fractures. They will, however, continue to rise and find their way to the surface at the point of least resistance—that being a vent or opening to the surface. This is what causes the tremendous explosions of volcanic eruptions.

These gases are highly volatile and produce extreme pressure and, sooner or later, it has to be released.

Many times there is little or no magma associated with volcanic eruptions—only gas and ash, as with the volcanoes in your Pacific Northwest and in South America. This does not mean that there is no magma present, it simply means that the gases have been pushed upward by the magma and they escape through an explosion, which relieves the pressures temporarily.

You would find, if you were able to view your planet beneath the surface, that all through the entire Ring of Fire there are several of these gas belts. One belt in particular runs roughly in a north-south direction from South America, through California and up into Oregon and Washington. So, you can see, by simple logic, that the pressures associated with these gases can be released in any one of the many volcanic vents that are present along this belt. So when the volcano in Colombia erupted, it relieved the pressure and could have acted to delay or avoid an eruption all the way up in Washington.

In this same area, there is also a transverse belt which runs adjacent to the north-south belt in an east-west direction, cutting across the south central portion of what is Arizona, terminating at the north-south belt. On the eastern edge of this transverse belt is another gas belt which runs the length of the Rocky Mountain region, from North America south into Mexico, and runs through such places as Utah, Arizona and Nevada. These same belts are, at different points, connected to other belts that extend all across the Pacific Ocean in that Ring of Fire.

So it is not so simple a thing to predict where a volcano might erupt, due to the fact that these gases are ever changing direction and because the plates are continually moving. And as more fissures and cracks appear, more routes become available for the gases to take.

So, as you can see, your world is ever in a state of change and renewal. The new stage at which you ones find yourselves this day is but a new act in a very old play. The planet intends to survive, regardless of what its inhabitants intend. What makes it so devastating at this time in your history is that your world is so heavily populated, and any of these changes that occur are going to cause a great deal of death and destruction to the inhabitants.

Scientific instruments can only measure so many physical factors. They cannot take into consideration the state of consciousness and intent of heart of the planet's inhabitants. The only way to measure and judge that which will take place is to measure all the factors—physical, mental and spiritual. Only when your scientists begin to recognize and acknowledge that more than just the plate movements and gas pressures play an inseparable part in the physics of geology, will

they begin to have an elementary understanding and education in the true laws of the Universe and develop the technologies that will be effective in the measurement of all the factors.

You are on an incredible journey, Chelas—one that is taking you into some of the most exciting times of the history of your planet. Learn from the experiences as you travel back to that from which you came. Look upon the changes occurring around you and know that you have come here at this time in this place to learn all the lessons that you have created about you. You are well able, precious ones, you have only forgotten that you are—for you have chosen this existence behind the veil in order to serve as part of the mission in your present expression at this present time.

Let us draw this to a close for now. We have given you much to absorb and to think upon. The job is tough at times, but you are handling it beautifully. Remember who you are and from where you have come, and to where you shall return in your journeys. May the Light and goodly blessings of Holy God be upon each and every one of you every moment of the day.

Toniose Soltec to clear. Salu.

Revised *JOURNAL* Goes To Press

4/5/93 #2 CERES 'ATONN

INTRODUCTION

It is all but impossible to separate one *JOURNAL* from the next as the material floods over us like tidal waves. I can only ask that you ones effort to get ALL of them, as you can do so.

This is the first *JOURNAL* which is being updated, rewritten and qualification made on legal orders from the nine books banned by the Federal Court per an antagonist—whose label we agreed NOT to print. We are not interested in Philosophy at this time—only in that which is destroying you via very scientific and human physical bombardment.

You are now under the **ULTIMATE ASSAULT AGAINST GOD AND MAN AND EXPERIENCING THE FINAL GREAT PLAGUE UPON MANKIND AS WILL BE PROJECTED UPON YOU THROUGH RECONSTRUCTION OF BIOLOGIC ENTITIES IN VIRUSES AND TAMPERED INFECTIOUS MICRO-ORGANISMS.**

I believe the *JOURNAL* became too lengthy to incorporate the important information as to **WHAT TO DO TO HELP YOURSELVES THROUGH THE GIFT OF GAIANDRIANA, ETC.**—at least as to how the living life cellular form works to repair

and enhance the immune system in order to break down the very invaders of body cells. That information in sufficient amounts to give you access and limited understanding can be gotten from the paper, *CONTACT*, and that which was priorly labelled *THE PHOENIX LIBERATOR*. At this time there are no known "cures" or "antibiotic" substances which can reverse these deadly infections. I think you will see, however, that the only LOGICAL approach to any tampering is to enhance the basic DNA individual structured system so that it can handle its own defense by negating the "tampering" of the genetic-DNA blueprint.

God offers HIS gifts in simple, natural form—it is your choice as to what is done with them when received. We push nothing, we coerce not—certainly there is no force involved in ANYTHING we do or share. [See next-to-last pages for information on Gaiandriana and the complementary substance Aquagaia.]

We are not sent as "Hosts" with GOD to force change, interfere, use any form of violence nor do we advocate or sanction such actions. You are responsible for your own actions and if a world be changed it will be done so—BY YOU. Our mission is to lay forth TRUTH of that which IS so that you can see and recognize WHERE YOU "ARE". What you do about it is your business.

Do we have the power to smite you into oblivion? Yes indeed! Will we use such power which is so much greater than your own? No—except in defense of our team and crew and only then in non-lethal means. We are not even interested in killing or altering your species or butting into your dastardly affairs. We do, however, have a mission at this time of evolution and fulfilling of prophecies since onset of your expression on the planet—

THAT shall be done. The evil tools of the adversary shall pull themselves down into destruction—BUT, they shall bring many unsuspecting and sleeping persons with them. We can only offer—you must do the choosing.

I thank Dr. Cloutier for making possible the publication of this volume. May he be given to understand that his gift to you, his brothers, shall offer more "life" than all the things of "health assistance" on the globe. As we are able to complete our tasks, then, and only then, can the abundance flow and the wondrous adventure be finalized and offered in abundant visual form and expression to MAN. We are indebted to you who serve constantly without asking reward—other than maybe a ride on the silver wings. I think it will go far beyond a "little trip", for that is the promise of GOD.

DEDICATION

This is the first volume published with appreciation to an individual (or group of individuals) bearing the sponsorship costs of publication. In this instance, considering the subject material within this *JOURNAL*, we offer thanks to Dr. Pierre Cloutier for making the offering possible. This is especially notable as this is the first of the "banned" volumes to be redone in such a way as to be allowed printing. We are grateful and wish to express our appreciation.

In addition, we wish to **dedicate** this volume with its information of such magnitude to this loyal and constant Brother who has shared unstintingly for years, now, in the counting. We have wept tears together in agreement, "locked-horns" in disagreements wherein GOD always wins—while we neither lose nor win—BUT GROW! I am blessed to call this man—FRIEND! IN FACT, THERE IS

NO GREATER HONOR I CAN OFFER ANOTHER—THAN TO BE ALLOWED TO CALL HIM FRIEND.

I would tell you readers a "funny" bit of insight. After a few sharp course corrections, somehow this friend thought he had "bought the farm" and missed deck-call aboard our little dingy. Perish the thought—none who walk with us is allowed such "cop-out" of commitment! When the intent of heart is service—the lips may "move and blow air through the chords" but God doesn't let you off so easily! Our journeys have brought us along together—and so, too, shall we finish this one. Salu.

This *JOURNAL* shall be titled:

THE ULTIMATE INSULT & ASSAULT AGAINST GOD AND MAN and THE LAST GREAT PLAGUE UPON MAN: AIDS AND RELATED MURDER TOOLS

*You are in the time of evolution wherein technology is proven capable of genetic and DNA tampering to the point of replication of plants, animals AND MAN. Further, brainwashing has achieved such sophistication as to totally control the mass population and individual persons to the very capability of separating soul from human consciousness. This is unacceptable to Creator. Man is doomed if changes are not brought about quickly and surely. This book is a representation of a *JOURNAL* "banned" by Federal Court. We have added the ultimate insult in this offering and made changes in the original presentation to qualify the material. May your reading be guided and the Light of realization be your gift.*

THE MOST DURABLE POWER

The following was sent to us by a reader and we wish to share with you. This is an excerpt from a sermon Dr. Martin Luther King gave in Montgomery, Alabama on 6 November 1956, just seven days before the U.S. Supreme Court ruled against Alabama's bus segregation rules.

David, our friend, has asked that in the

speech, substitute "New World Order" for "segregation" and "patriot" for "Negro", and this is powerful and is still very inspiring.

QUOTING:

THE MOST DURABLE POWER

Always be sure that you struggle with Christian methods and Christian weapons. Never succumb to the temptation of

becoming bitter. As you press on for justice, be sure to move with dignity and discipline, using only the weapon of love. Let no man pull you so low as to hate him. Always avoid violence. If you succumb to the temptation of using violence in your struggle, unborn generations will become the recipient of a long and desolate night of bitterness, and your chief legacy to the future will be an endless reign of meaningless chaos.

In your struggle for justice, let your

oppressor know that you are not attempting to defeat or humiliate him, or even to pay him back for injustices that he has heaped upon you. Let him know that you are merely seeking justice for him as well as yourself. Let him know that the festering sore of segregation debilitates the white man as well as the Negro. With this attitude you will be able to keep your struggle on high Christian standards.

Many persons will realize the urgency of seeking to eradicate the evil of segregation. There will be many Negroes who will devote their lives to the cause of freedom. There will be many white persons of good will and strong moral sensitivity who will dare to take a stand for justice. Honesty impels me to admit that such a stand will require willingness to suffer and sacrifice. So don't despair if you are condemned and persecuted for righteousness' sake. Whenever you take a stand for truth and justice, you are liable to scorn. Often you will be called an impractical idealist or dangerous radical. Sometimes it might mean going to jail. If such is the case, you must honorably grace the jail with your presence. It might even mean physical death. But if physical death is the price some must pay to free their children from a permanent life of psychological death, then nothing could be more Christian.

I still believe standing up for the Truth of God is the greatest thing in the WORLD. This is the end of life. The end of life is not to be "happy". The end of life is not to achieve pleasure and avoid pain. The end of life is to do the will of God, come what may.

I still believe that love is the most durable power in the world. Over the centuries men have sought to discover the highest good. This has been the chief quest of ethical philosophy. This was one of the big questions of Greek philosophy. The Epicureans and the Stics sought to answer it; Plato and Aristotle sought to answer it. What is the summum bonum of life? I think I have discovered the highest good. It is love. This principle stands at the center of the cosmos. As John says: "God is love." He who loves is a participant in the being of God. He who hates does not know God.

END OF QUOTING

And so it IS. No matter what you may think about this man—or what might be his mortal frailties and errors—TRUTH IS TRUTH AND THIS TRUTH COULD ONLY FLOW FROM A "GREAT" MAN. IF HE FELL IN SOME OF HIS STRIVINGS AND PASSED SHORT OF PERFECTION—ARE YE THE ONE QUALIFIED TO CAST THE FIRST STONE?? I HONOR THIS MAN FOR THAT WHICH HE DARED DO AND THAT

FOR WHICH HE STOOD WHEN THE ARMS OF THE ELITE WERE TURNED AGAINST HIM. BLESS THOSE PIONEERS WHO "SAW" AND TRIED SO HARD THAT OTHERS, TOO, MIGHT SEE.

I wish to also share an article from the *San Jose Mercury News* which accompanied the above speech. I believe it is more appropriate to insert the above terms in this than in the above. Thank you.

QUOTING:

ARMY ESPIONAGE TARGETED KING

ARMY SPIES TARGETED KING, FAMILY. **He was considered a security threat.** (Offered by Stephen G. Tompkins of the *Memphis Commercial Appeal*).

The intelligence branch of the U.S. Army spied on the family of Dr. Martin Luther King Jr. for three generations—a mission that became the Army's largest espionage operation ever undertaken within the United States.

The top-secret, often illegal spying was born of a conviction by top Army intelligence officers that black Americans were ripe for subversion—first by agents of the German Kaiser, then by communists, later by the Japanese and eventually by those opposed to the Vietnam War.

A 16-month investigation uncovered no hard evidence that Army intelligence played any role in King's assassination, although Army agents were in Memphis, Tenn., the day he was killed.

[C: If you believe that the Intelligence Services of the New World Order were not behind this man's death—then you surely haven't been reading our presentations. The blacks are the unfortunate "TOOLS" of every other minority group and the ones put to the gun to bear the brunt of the hostilities. It goes FAR, FAR beyond "black vs. white"—in fact, except for the dastardly conspirators, there would be harmony and peace between the races. Besides, in some places, California being one of them—the "whites" are literally becoming THE minority group. Most of the major cities in the nation now have Black Mayors—but, do these token "kings" act in true behalf of their "brothers"? No, they are as corrupt and treasonous against their OWN as any other grouping of Elite Power Brokers, in general—for, of course, there are the wondrous "exceptions". How will the confrontation end? With blood and loss of life—as is always the intent of those who would control the world. GOD KNOWS NO "COLOR" FOR EACH AND ALL ARE HIS OWN PERFECTION AND IN HIS OWN IMAGE—FOR HE HAS NO COLOR FOR HE IS "ALL" COLORS—FOR HE IS LIGHT AND SO, TOO,

ARE THE SOULS OF MAN—THE "REAL" YOU!]

But the review of thousands of government documents and interviews with people involved in the spying revealed that, by early 1968, Army intelligence regarded King as a major threat to national security.

In the late 1960s, some Army units began supplying sniper rifles and other weapons of war to civilian police departments as the civil rights movement merged with anti-war protests. Army intelligence began planning for what some officers believed would soon be armed rebellion.

By March 1968, King was preparing to lead a march in Memphis in support of striking sanitation workers and another a few weeks later that would swamp Washington with people demanding less attention be given Vietnam and more resources be allocated to America's poor.

By then, the Army's intelligence system was keenly focused on King and desperately searching for a way to stop him.

Army intelligence opened its file on King in 1947 with a photograph showing him and other Morehouse College students leaving a meeting of Dorothy Lilley's Intercollegiate Council. She was a suspected communist, according to the file on King kept by the 111th Military Intelligence Group at Fort McPherson in Atlanta.

As King gained prominence as a civil rights leader, intelligence officers came to believe he was a man who sparked violence wherever he went, his non-violent philosophy notwithstanding.

For example, an agent of the 113th Intelligence Detachment overheard King at a January 1963 dinner at the Edgewater Beach Hotel in Chicago telling "two black men and a pretty white woman that Project C was ready to go", according to the surveillance report the agent filed.

Three months later, King entered Birmingham, Ala. Television screens were filled with pictures of marching black elementary-school children being herded into police wagons while their parents were bombarded with high-powered water guns as they left the 16th Street Baptist Church. Riots erupted, and Ku Klux Klan members patrolled the night streets with shotguns.

SPY PLANES RECORDED EVENTS

Portions of the month-long Birmingham disturbances were recorded by U-2 spy planes taking off from the supersecret "Site 98" outside Nellis Air Force Base in Nevada. Over the next seven years, at least 26 other such domestic spy flights by U-2s and at least two involving the more advanced SR-71 were requested by Army commanders and flown by the Air Force, according to classified documents reviewed by the *Commercial Appeal*. **[C: Anyone feel like you are in the re-run cycle of the**

terrorist new-daily?]

When King turned against the war in mid-1965, it merely made him that much more dangerous to some Army officers.

Maj. Gen William Yarborough, the Army's top spy, became convinced that either the Chinese or the Soviets, through Cuba, bank-rolled King and black radicals.

Yarborough's evidence came from Lt. Gen. Marcelino Garcia Barragan, the Mexican Minister of National Defense. He said Mexican Army intelligence had discovered militant black Americans receiving combat training and secret funding from the Havana-based Organization of Latin American Solidarity (OLAS) financed by communist China's military intelligence agency.

Stokely Carmichael, co-chairman of the Student Nonviolent Coordinating Committee and a leader of the black power movement, was among a number of black Americans associated with OLAS. And Carmichael increasingly was seen in King's company.

In speech after speech the year before he was killed, King tied the growing disillusionment of inner-city and rural Southern blacks to the country's preoccupation with Vietnam.

FOCUS ON DETROIT RIOTS

But by summer, the headlines were describing Detroit, not Vietnam, when they said: "Tank crews blast away at entrenched snipers with .50-caliber machine guns."

In the Detroit riots, 43 people died, and \$45 million in property was destroyed. Rioters burned and plundered 100 other U.S. cities that summer.

After the Detroit riots, 496 Black men arrested for firing at Army troops were interviewed by agents of the Army's Psychological Operations Group, dressed as civilians.

The arrested men were asked dozens of questions, but the responses 363 of them gave to the question, "Who is your favorite Negro leader?" stunned Army Intelligence.

King was the clear favorite—178 of the men named him. Men considered more radical, such as Carmichael and Malcolm X, came in a distant second and fourth.

Army Intelligence leaders repeatedly used this survey to signify the danger King represented.

King was not the first black leader targeted for surveillance.

In September 1917, the War Department's Military Intelligence Division had opened a file on King's maternal grandfather, the Rev. A.D. Williams. As pastor of Ebenezer Baptist Church, Williams played a key role in Atlanta's black community.

King's father, M.L. King Sr., eventually succeeded Williams as pastor of Ebenezer—and inherited his own Army watchers,

Army intelligence records show. King's father's participation in the National Negro Congress tarred him with the communist brush as well.

MILITARY FORCES SAPPED

While Army commanders chewed on the King problem, another one came to the fore: The sinkhole of Vietnam had sapped the military's pool of available, experienced forces.

There weren't enough troops left in the United States to control a nationwide outbreak of protests, let alone the armed revolt many officers expected.

At the same time, King was busy building momentum for his poor people's march on Washington, planned for the spring of 1968, and trying to maintain a bridge between moderate civil rights forces such as the NAACP and his own Southern Christian Leadership Conference and the increasingly militant Student Nonviolent Coordinating Committee of Carmichael and H. Rap Brown.

While Army intelligence scrambled to develop hard information that could be used to counter King's Washington plans, mayors and police officials in cities such as Los Angeles, Detroit, Philadelphia, Miami, Chicago and Newark, N.J., began stockpiling arms in advance of what everyone expected to be another summer of violence.

In Washington, the Metro Police received \$120,000 in 1967 and \$150,000 in 1968 from Army Intelligence. Undercover police intelligence officers met regularly with Army Intelligence agents. They maintained an index-card file of 21,000 suspected black and anti-war radicals.

KING LED MEMPHIS MARCH

At 11:06 a.m. on March 28, King led a march in support of Memphis' striking sanitation workers. The peaceful demonstration soon turned violent, leaving a 17-year-old dead and 60 injured.

"This clearly demonstrates that acts of so-called non-violence advocated by King cannot be controlled," said an FBI report on the Memphis violence. "The same thing could happen in his planned massive civil disobedience for Washington in April."

On April 3, King returned to Memphis. Army agents from the 111th Military Intelligence Group shadowed his movements.

Eight Green Beret soldiers from an "Operation Detachment Alpha 184 Team" were also in Memphis carrying out an unknown mission.

On April 4, at 6:01 p.m., a bullet from a .30-06 rifle equipped with a scope struck King down on the balcony of the Lorraine Motel.

The man whose fingerprints were found on that gun—James Earl Ray—pleaded

guilty to King's murder and is serving a 99-year prison sentence.

On Oct. 3, Attorney General Ramsey Clark sent a report to the White House.

The predicted summer of violence that was to have begun with King's April 22 demonstrations in Washington never happened, the report said.

POSTSCRIPT

Much of this article was pieced together from a trail of memos, memoirs, diaries and meeting notes scattered around the country in military archives, the Library of Congress, presidential libraries and private collections. Some of the documents are still classified. Other pieces came from interviews with nearly 200 participants including several dozen Army agents still living in this country and Mexico.

END OF QUOTING.

I believe it should be pointed out here as to how "brief" is this presentation but it is sufficient for you to see that the Intelligence community has its fingers into EVERYTHING. MOREOVER, Ray now recants and pleads innocent to this murder. He is saying that through brainwashing and threats, he made a confession. It IS quite stupid in any event to "leave your fingerprints all over" something as condemning as a rifle when gloves are easily come by. I wonder if ANY of you, outside the Intelligence Services themselves, have any idea HOW LONG YOU HAVE BEEN CONTROLLED AND MANIPULATED LIKE PUPPETS ON UNBREAKABLE STRINGS? SO BE IT.

THE HOAXER PROJECT REPORT

In December, 1990 Laird Wilcox did an "essay" on hoaxes and fabricated incidents called *The Hoaxer Project Report*. I have very little information about this resource but the information is brilliantly presented. You can obtain this copyrighted report (1990, 1991) from Editorial Research Service, PO Box 2047, Olathe, KS 66061 Phone/Fax: 1-913-829-0609 (I hope). As information is shared with us from and by readers we are at a loss as to being able to give full credit in all instances. Our purpose, further, is not to rewrite articles of length unless with permission, for security purposes or when we feel it so important as to be public necessity because of content, to be shared. Of this material we will simply give you the opening few pages.

Please let me state right here FOR THE RECORD. The only reason there is any sign of a copyright on any Phoenix material IS TO OFFER IDENTIFICATION

QUOTING:

MOST INCIDENTS ISOLATED,
INVOLVE JUVENILES

[C: Please realize that this subject is dealing with the ongoing incidents scattered about—you MUST realize that all large incidents are totally orchestrated; i.e., riots, large demonstrations, etc.]

The great majority of bonafide racist and anti-Semitic **[C: Remember—this is an incorrect term—meaning by current definition to be anti-Jewish. There is no correct definition of the term—the "Jews", as you consider the tribe to be—are NOT SEMITES and recall, please, "JEW" as a term was conjured by the Khazarian Zionists in the late 1700s so mistranslation and disinformation is rampant for the full-blast purpose of confusion and chaos.]** incidents are isolated and essentially "ad hoc" phenomena, usually involving juveniles entirely unaffiliated with any "hat group", and do not represent any plot, trend or conspiracy. Incidents involving significant physical injury or property damage are rare, given the large population involved. We often forget that we live in a country of a quarter billion (250 million) people of wide ethnic and cultural diversity, and a certain number of incidents of this type are bound to occur, as they do in other multi-ethnic societies. In fact, when the United States is compared with the rest of the world we tend to experience less of this behavior than many other countries.

The majority of Americans see racial and ethnic hatred and violence as simply unfair, and reasonably so. It's in the interest of all Americans that we enjoy equal justice under law. **[C: The unfortunate facts are that mostly you DO. There is no justice in the judicial system—only bias, prejudice and POWER.]** The kind of unfairness engendered by organized bigotry, whether directed at blacks, whites, Jews or any other group subverts that process and must be opposed. No one should be subjected to illegal activity **[C: There are already plenty of laws against "illegal activity"—to call it something**

else does not change the act.], violence or unfair treatment on account of race, religion or creed. Hoaxes fabricated to manipulate institutions, acquire victim status, or intimidate critics and opponents serve only to threaten civil liberties.

The issue of racist and anti-Semitic hoaxes is extremely controversial. The organized special interest advocacy groups that claim victimization, often with valid reason, view attention to hoaxes as a threat to their credibility. This is not entirely unrealistic on their part. The hoax controversy draws attention to two important issues: 1) The actual degree of victimization, which may be less than claimed, and 2) the utility or usefulness of hoaxes to serve their agenda, even if discovered. Both of these issues must be addressed. The consequence of this type of presentation, however, is that to raise this issue brings a torrent of defamatory and degrading abuse down upon one's head, including the very charges of "racism" and "anti-Semitism".

[C: You ones MUST REALIZE that most of the seemingly simple riots, demonstrations and racist and anti-Semitic incidents—ARE NOT. THEY ARE WELL PLANNED AND ORCHESTRATED.]

THE "RISING TIDE" OF RACISM,
ANTI-SEMITISM

Are you disturbed by the "rising tide" of allegedly racist and anti-Semitic incidents? Have you wondered how some of these incidents seem to occur at the time when they're most effective for propaganda, institutional blackmail, "consciousness-raising", or to promote repressive legislation and censorship? In fact, a significant percentage of these incidents are **hoaxes**, and these hoaxes can promote real "copy-cat" incidents which would not otherwise have occurred. **[C: Which, of course, is the real intent in the first place—example and "how to do it".]**

We use the word "hoax" to generally refer to a misleading or deceptive event which has the effect of attributing "blame" or causality to persons other than those who are actually responsible. In some cases, this may not be the express intention of the perpetrator. "Fabrication" generally refers to a somewhat elaborate and involved falsehood. The individuals discussed in this essay are not necessarily bad people, only people who may have exercised bad judgement or made a mistake. **[C: It is not my intent to present all these documentations but I do wish to discuss the ADL (Anti-Defamation League) because it is the prime tool of the Jewish Zionists and they are organized and deadly.]** I think it best serves the interests of all Americans to avoid excessively harsh judgements in considering this issue.

ADL CAN ONLY CONJURE ONE
"ANTI-SEMITIC" INCIDENT
PER 185,000 CITIZENS PER YEAR
AND, SORRY, IT DOESN'T QUALIFY!

The 1,350 or so anti-Semitic incidents recorded by the ADL last year amount to approximately one incident per 185,000 Americans. No disrespect is intended, and I'm sure these were distressing to those who experienced them, but these figures do not support the claim of a serious and significant trend toward anti-Semitic violence. Most of these incidents are on the order of graffiti, verbal altercations or telephone harassment by kids and many remain unsolved. A single hoaxer with a can of spray paint or a pocket full of quarters can inflate these statistics considerably.

In fact, the ADL itself may have been party to such a misrepresentation on the cover of the March 1985 issue of the *ADL Bulletin* where a photograph designated "Desecration of a Jewish home in Kings Point, NY" was a **fake**. The swastika depicted does not follow the contours of the paneled door and appears to stand out and away from it. It was painted onto a photo or a transparency and then re-photographed. The issue of the *Bulletin* featured a major article entitled, "Anti-Semitic Vandalism: 2-Year Trend Reversed". The article noted that California, with a population of 23,000,000 had experienced 99 incidents in 1984, or one incident per 230,000 citizens. **[C: More interesting is the fact that IT IS RARELY NOTED HOW MANY SIGNIFICANT AFFRONTES AND OUTRIGHT ASSAULTS THERE ARE BY THE ADL AGAINST OTHER CITIZENS—INCLUDING MY OWN SCRIBE, ETC.]**

The ADL actually solicits its own statistics on anti-Semitic incidents by circulating questionnaires to its mailing list (a population sensitized to victimization to begin with). This practice raises serious doubts about statistics compiled by an interested organization to promote its own agenda. According to Leonard Larsen, syndicated columnist for Scripps Howard News Service, the ADL's statistics may be questioned on other grounds as well. Larsen notes that among the "anti-Semitic" incidents listed is a case where individuals in Boston set out for public display "pro-Palestinian/anti-Israel graffiti" in the subways. Larsen adds that the ADL considered these and other incidents "anti-Semitic" because they recount brutal acts of repression against Palestinians by the Israeli government. The ADL publication clearly implies that to voice opposition to Israel's political and military policy and to support a Palestinian viewpoint is "anti-Semitic". "An obvious intent here is to use intimidation to silence criticism of Israel's political and military conduct," he says.

STOP QUOTING.

Along these lines I must again stop and remind you that the Anti-Defamation League is a British-Israel creation through British Intelligence. The out-reaching "Jewish" cover is the Anti-Defamation League of B'nai B'rith. This group is now shown to be openly infiltrated into and working illegal acts (PROVEN) right through the police departments of both San Francisco and Los Angeles—and goodness knows how many other major city police departments. This has been covered in the news of even your "establishment" presses—so don't go off on an anti-Semitic kick against these writers.

I have wanted to write this little taste of this booklet in hopes you will see fit to get it and read it but we have no more time for sharing it in this writing.

One of the points made is the almost total infiltration of the "Jewish Zionists" into and throughout the Judicial system of America (the world, actually). Remember in the protocols the Elders ordered the "Jewish" people to make their sons Lawyers and Judges, etc. Further, "titles of nobility" Amendment (which originally was your 13th Constitutional amendment and was ratified) was DELETED from your Con-

stitution. This would disallow a lawyer from being a Judge or serving in Congress. You will note that almost all members of Congress and all Judges are lawyers required to be certified by the Royal order of the American Bar Association. This most certainly is the epitome of the Fox in the Henhouse. If you make the laws, serve as judge, lawyer and jury—who is to stand against you? Therefore, wherefore art thy Constitutional RIGHTS?

I wrote in the *LIBERATOR* (actually quoted articles proving) that the Holocaust of WW II could not have happened the WAY HISTORICALLY STATED nor could the numbers of dead be correct and WHY AND THE PUBLIC CAME DOWN ON MY WRITER AS IF SHE HAD COMMITTED TREASON OR MURDER. EVEN A JUDGE, JASON BRENT, CAME FORTH IN PUBLIC AND CALLED THIS PREPOSTEROUS AND OTHER INSULTING NAMES BOTH UPON THE PAPER AND THE PEOPLE. HE HAD ALREADY, IN HIS OWN COURT, CALLED THESE PEOPLE FLAKES, DEADBEATS, TRANSIENT FREELOADERS AND ONES TRYING TO RIPOFF SANTA BARBARA SAVINGS AND LOAN—because they dared to come to court and say they went to an advertised

public sale (on instructions from that very S&L to do so), received certified notice of sale—only to take money in hand to "repurchase" their home—and find NO SALE, NO AUCTIONEER—ONLY WITNESSES WHO SAW THAT THERE WAS NO SALE. Well, it does turn out—that that very Judge is involved in the cover-up that goes all the way through two Administrations and indeed, caught these citizens in the net of thievery. I would also note that this same person now advertises for gatherings of "JEWISH" persons to join his "GROUP" in this community. What do you suppose would happen if these people advertised: "Whites only, come join our Group and no Jews permitted"!!!!???

I am out of time or I would move on to the unmitigated assault against Hispanics, Native Indians and Asians but I think you get my drift from these writings. Chelas—there are only PEOPLE OF CREATOR and until you can function in the understanding of same—it will be a very long journey into peace.

Secretary, thank you for a long day but we have done good work this day—beyond that which shows on this screen. Salu.

The Waco, Texas Standoff: Finally Some Truth Outs

4/6/93 #1 CERES 'ATONN

SHOCK? OR, EXPECTATION?

We are not going to write more on any subject until we offer the story on Waco, Texas. It has been bits and pieces in coming but now the *CONSTITUTION COALITION* has presented a paper as the siege is ongoing. This will be history by the time you receive this writing—and how will it be? Will it be death to the "hostages" inside that Branch Davidian Compound? Or, will it be peaceful? MORE IMPORTANT, READERS—WILL TRUTH EVER BE ALLOWED AIRING?

How many of you realize that those "ATF" terrorists of your U.S. Federal Swat Squads—invaded, headed directly to the babies (NURSERY) and totally "shot-up" the place? They completely severed one child IN HALF with automatic weapons fire. Two of the "squad" raiders were shot

by two **grandmothers** in protection of that nursery.

As airings have come about papers have been shut-down, people have been "disappeared" who write about **THE TRUTH** of what has happened in Texas—and one name you good readers will recognize, Bill Cooper, was on a show over WWCR in Tennessee, spoke on this subject and the station was, following the airing—**BURNED TO THE GROUND!**

I REMIND YOU: IT IS HEINOUS AND YET ALL WE CAN DO IS "FURTHER" THE STORY IN HOPES THAT THE MORE WHO SPEAK OUT AND THE MORE WHO "KNOW"—SOME MEASURE OF SECURITY CAN BE OFFERED FOR THOSE WHO WILL JOIN THE RANKS OF WEAVER, RUSSBACHER, RENICK, AND THE AMERICAN POWs—WHO, BY THE WAY—HAVE HAD THEIR **FINAL SELL-OUT BY YOUR ADMINISTRATION'S GOVERNMENT!**

I don't need to comment on this information to great extent—it certainly speaks for itself and I honor the brave people who have dared to bring it forward for dispersement to you-the-people. No matter what the government and injustice system finally does—YOU WILL KNOW THE TRUTH OF IT! This was not received in time yesterday to get in the prior issue of *CONTACT*. For that shortage of "time" we are sorry—except the paper is so filled to overflow with so much of critical importance that we have to accept what we CAN do and allow things to flow as the "river" runs. There is only so much YOU can receive and absorb and this MUST NOT BE LOST IN THE SHUFFLE AND LACK OF TIME TO READ THE PAPER.

WE WILL ALSO BE RUNNING SEGMENTS 2 AND 3 OF THE *LAS VEGAS SUN* EXPOSÉ AS BEGUN IN THE *CONTACT* OF 4/6/93.

WACO TEXAS SIEGE:
REAL STORY NOW TOLD

APRIL 4, 1993

Three principals from the Waco Siege Control and Relief Team, one a prominent Mesa, Arizona Chiropractor, arrived in Los Angeles recently to expose the Big Lie the press has been given by FBI and Bureau of Alcohol, Tobacco and Firearms. They held a successful press conference scheduled by Anthony J. Hilder of Radio Free World and obtained international coverage. However, within hours of a huge radio station, WWCR in Nashville, Tennessee, promoting this story on nationally known Bill Cooper's show, the entire multi-million dollar station was torched into ashes. This is because the REAL story is the Christian men, women and children in Waco are like the Warsaw Jews under Nazi persecution. The ATF have and are conducting a strictly Gestapo operation. No doubt the ATF burned the radio station as part of its cruel operation. Innocent people have been "set up" and are being slaughtered.

ATF went in to "take out" women and children. When the ATF stormed the nursery on the initial assault, they killed infants and cut a 6 year old girl in half with machine gun fire, splattering the little girl's guts around the room. Hackers intercepted the ATF transmissions of the assault and recorded this. Two grandmothers defended the nursery and killed 2 ATF mercenaries. The ladies were indicted for murder upon surrender, but the next day Texas Governor Ann Richards was served with a citizen's arrest written and served by **Eric Lighter** (as the Governor was not fulfilling her obligations to the Sovereign Citizens under siege in the Republic of Texas) at the behest of correspondent **Nancy LeRosa** of Dallas. The next day the indictments on the two senior women in their seventies were dismissed.

The noteworthy principals were in Los Angeles to expose the real Waco Siege story. Immediately after the first of a number of ATF assaults began at Waco, Constitution Coalition and prominent investigators, these principals, filed a Federal suit in Dallas under the name IRATEGATE. The suit, No. 3-93 CV0440 X (**Judge Kendall**), also explains the actual reasons why a related siege happened in Ruby Creek, Idaho last year. In that siege, the federal assailants shot a boy's dog, then shot the boy 3 times in the back. Agents then nailed the boy's mother while breast feeding her 10 month old infant, smashing her brains on the wall with her

other 3 children watching.

Just a few days ago in Ruby Creek, 15 armed ATF agents visited a female witness in that case while she was home alone. The ATF beat her mercilessly, ransacked her home looking for evidence, and then left her bloody and battered on the floor. It took 15 macho agents to do the job. This is the ATF in action. This is the **New World Order operating to disarm America for mastery over our constitutional rights** (see 5/31/91 *Federal Register*, pps. 24836-43; ATF's USC Title 27 is **negative law**, which is equivalent to no law or jurisdiction at all per U.S. Constitution).

The principals from Constitution Coalition, a Dallas based multi-city, a national political and legal group filed the related IRATEGATE suit in Dallas. The suit has a huge amount of high quality evidence. The evidence is so hot that many people died at the hands of the "government within the government" trying to keep the evidence out of public view. One man was sucked slowly into an airplane propeller until he begged to be killed (*SPY* magazine January 1993 issue, page 65). One family (Spiral) was tortured to death in protecting this evidence (see said federal suit for more details on this related case). The evidence includes the material sought by the U.S. House Judiciary Committee before its hearing closed and its 9/12/92 INSLAW report was filed, which hearing may be reopened.

The IRATEGATE case is the largest civilian national scandal, which is that the Federal Grand Juries in Washington, D.C. are proven to be tampered with. Thus, no wonder virtually no one of any political importance in Washington, D.C. ever gets indicted.

Constitution Coalition's negotiation settlement work has even helped President Clinton to announce "no more bloodshed". The ATF is the brutal Gestapoized bully trying to scare away the people of Dallas from the IRATEGATE evidence and issues. The ATF are even willing to sacrifice their own to accomplish this. Nancy LeRosa's request during an interview with white collar crime investigator Eric Lighter, Pastor Koresh made his first contact with the outside world since the Feds cut off his phones. Pastor Koresh moved his satellite dish as requested over a KGBS radio show March 5, 1993 in Dallas. Later, the Davidian Church Complex also gave the following Morse Code signals from the Church tower: (1) ATF GRENADED MY SON, (2) THREE DIE MILK DDT (Constitution Coalition has obtained from Dr. Michael Bradley of Mesa, Arizona the antidote for the New World Order poisons believed to be the actual crisis). (3) UV (and brain damaging micro-wave) RADIATION, (5) RAIDED AGAIN 3/3, 3/7, (6) FOOD LOW/RAIN WATER, (7) ATF GRENADED OWN MEN. The Davidian

Church Complex is no fortress, it is a wooden church complex. The ATF has been spraying rifle fire into the roof via helicopter, potentially with chemical armaments.

[C: Anybody shocked yet? It isn't EXACTLY like "they" tell you, is it?]

One thing the ATF sought was to scare the Dallas community with the Waco Assault. That is, ATF wants to get Dallas to be too afraid to support the IRATEGATE prosecutions in the Federal Grand Juries (IRATEGATE investigator Eric Lighter announced over one month before the Waco Assault that he was taking the IRATEGATE scandal to the Texas Grand Juries, which caused ATF and others to tremble in fear and need a counter measure such as the Waco Assault). **[C: NO! DO NOT BELIEVE THEY TREMBLED IN FEAR! THERE IS NO FEAR—THERE IS NOT A GRAND JURY LEFT THAT IS NOT TOTALLY CONTROLLED BY "CHOSEN" JUDGES. WE WILL WRITE ON TAMPERING WITH JURIES—NEXT.]**

Another thing the ATF is doing is attempting to scare America into disarming. Even churches are being assaulted to accomplish this. Theologians such as Dr. Arnold of the Reunion Institute in Houston have determined that Pastor Koresh is basically a mainstream Christian (a splinter from the Seventh Day Adventists), but merely that he focused on the hard to understand last Bible chapter, *Revelation*. Pastor Koresh was not under investigation as the ATF said: President Clinton even made a campaign stump speech within rifle range (1-1/2 miles) from the Branch Davidian Church Complex at the time of the alleged investigation. This is a damnable Gestapo operation in America, the New World Order SS troops.

[C: Please go back and read the Vol. I, Number 1 CONTACT for 3/30/93—AND PAY ATTENTION TO BRAINWASHING, GENE MANIPULATION (EVEN IN ADULTS) AND SUBSEQUENT TOTAL PROGRAMMING. THIS ACTION IS A TRAINING PROJECT FOR THE ROBOTIZED TROOPS—CAN YOU IMAGINE SHOOTING UP A "NURSERY"? IS THIS WHAT YOU EXPECT OF YOUR "PROTECTOR"? CHELAS, IT IS "OVER"—THE ONLY THING LEFT IS THE DYING—CAN YOU NOT SEE IT? ONLY KNOWLEDGE AND INTELLIGENT WISDOM WILL SEE YOU THROUGH THIS NIGHTMARE COME UPON YOUR WORLD—EXACTLY AS EXPRESSED IN REVELATION.]

The entire face of negotiations has changed now that the ATF Director Higgins has been served with a citizen's arrest by Eric Lighter, Dr. Michael Bradley and Lt. Col. (ret) John Salter, in order to take him to the Federal Grand Juries also. The ATF

falls under USC Title 27 and is considered negative law or no law at all because it is not enacted as positive law per USCA title 1 General Provisions Section 204, page 24. Title 27 is only prima facie and the official source of the United States law is the Statutes at Large. Congress has NOT given ATF authority to operate as ruthless premeditated murderers and raiders.

It has been suggested on two television and one radio show that the press be allowed inside the Church Complex for 8 hours just after the water and electricity is turned back on. The press is to interview the Branch Davidians for 8 hours to assess the situation and garner both sides of the story. There should be three days of calm to allow the information to be given to the press and have the other side of the story be told. Constitution Coalition has rejected a government plant's widely distributed plan to have 5,000 armed militia show up last Saturday with weapons [**C: Best news we have had!!**] (at the behest of a BATF front attorney "plant"): and Constitution Coalition seems to again have averted more bloodshed.

The press would be part of the Siege Control and Relief Team, who have already arranged to bring in medical services, food and water: just as the Geneva Convention demands even in foreign countries. Then, anyone over the age of 3 and the wounded would walk out with their hands over their heads. The children would come out first with their hands up, marching before the Bradley and Abrams **TANKS**, and militarized troops bristling with weaponry. By law the Sheriff and the Texas Rangers should have taken care of the Branch Davidian Church Complex, NOT THE ATF. If troops were needed there, the National Guard should have been used. There is a lawful and legal procedure to follow when the government interacts with citizens (due process).

OTHER IRATEGATE-RELATED CASES

(a) Disclosures by British Broadcasting Corporation about Hawaii CIA master operative Ronald Rewald, which the U.S. government refused to reveal (related to a prominent Mesa developer (and attorney) also attacked by Phoenix IRS-CID), but which were utilized to assist prosecution of Admiral Poindexter despite tamperment of the Iran Contra Special Grand Jury (which exposé of such tamperment caused the recent pardons by former President Bush), [**C: Yes indeed there most certainly IS a government project called "Phoenix" (Phoenix Project—to be correct)—doesn't it always happen? Labels utilized for confusion and chaos? By the way—how interesting to note: ABC IS GOING TO MERGE WITH BBC (BRITISH**

BROADCASTING). IF YOU THINK YOU CAN SWING A RENEWAL—GOOD LUCK AND "KNOW" THAT IT WILL NOT BE THROUGH VIOLENCE THAT YOU WILL ACCOMPLISH ANYTHING OTHER THAN ALL-OUT WAR. IT MOST CERTAINLY WILL HAVE TO BE THROUGH PEACEFUL DECLARATION OF CONSTITUTIONAL LAW.]

(b) theft and "money" (cash, gold and other "loot") laundering and/or aiding and abetting in same, including of the Hawaiian Royal Crown Jewels via Gerald Breeden's firm Royal Hawaiian Heritage (and apparently related to being a major conduit for Hong Kong and other Far East jewelry sources with high political profile: Mayor of Hong Kong), where Breeden has, according to the record, refused (1) to pay over \$300,000 (\$3 million in damages) due to IRATEGATE related victimized entity resulting in inhibition of funding for IRATEGATE investigation and prosecution, (2) to cease IRATEGATE based collusion with the U.S. government to continue using said IRATEGATE based "laundering" patterns of criminal behavior for additional purpose of degrading the cause of Hawaiian Sovereignty (by a people facing genocide who do not even have their own indigenous peoples court), subsequent to the illegal overthrow of a legitimate, sovereign monarchy by the (u)nited States of America via wrongful misuse of its uniformed troops) (Marines 100 years ago) just as in Waco, Ruby Creek and Kalamazoo, and other modern day sieges,

(c) obvious murder of IRATEGATE Hawaii's attorney George Sheets, IRATEGATE Hawaii's advocate Luella Lee-Barella, U.S. Senator "Spark" Matsunaga (D-HI), attempted murder of IRATEGATE's multistate attorney Mary Rudolph (former assistant U.S. Attorney for San Antonio, Texas, who received chemically induced nerve damage and still attends physical therapy 3 days a week; her body guard, however, was also murdered), and C. Wright bribing by ATF,

(d) the murders of high profile investigative reporter Danny Casolaro, Alan D. Standorf, Cabazon Indian leader Alfred Alvarez (and 2 other associates), attorney Dennis Eisman May and attorney David Mayer, and obviously corrupt, government inspired attacks on INSLAW investigators, authors and advisors by Richard Landkammer,

(e) torture deaths of Paul Morasca and certain INSLAW scandal insiders (including their children, such as the Spiro family),

(f) the Christic Institute *La Penca* case noted in abovesaid 5/31/91 the Iran Contra scandal to begin,

(g) serious victimization of honest IRATEGATE and CIA whistleblowers Stew Webb, Maynard Campbell, Rodney Stich

(who was indicted for daring to file IRATEGATE related important matters in an appeal to the U.S. Supreme Court), [**C: Let me interrupt right here, please. I want it recognized by readers and "enemy" alike that these people now being named ARE UNDER MY REQUEST FOR PROTECTION. THAT MEANS THAT IF THEY ARE DAMAGED AS THE ROBOTS ARE PROGRAMMED TO DO—THERE WILL BE TROUBLE BEYOND THEIR BELIEF. THIS IS PER ME, COMMANDER GYGEORGOS CERES HATONN. THESE PEOPLE ARE OFF-LIMITS, AS ARE OTHERS WHICH I SHALL NOT POINT OUT DIRECTLY AT THIS TIME. GOD IS GOING TO GIVE AMERICA A FAIR CHANCE AT TURNING SOME OF THIS SATANIC HORROR AROUND. THOSE OF YOU WHO DOUBT MY PRESENCE AND THAT I CAN DO WHAT I SAY—"MAKE MY DAY".]**

(h) Mesa, Arizona Dr. Michael Bradley (subject to office firebombing) politically persecuted (including by illegal phone taps) for daring to investigate IRATEGATE corruption and cover of corruption, as well as reveal to the world the antidote to the New World Order poisons and chemical weaponry which is intended to be used to reduce the world population by at least 25% (according to Global 2000 and accepted by President Carter 1975); the Department of Justice bribed and/or urged Dr. Bradley's ex-wife Carol and (drug abuse history) Robin LaFoe to testify against him in exchange for favors by Phoenix based Assistant U.S. Attorney Steven Winerip and IRS-CID Special Agent Gregory Heck (*defacto* Waco infant killers); persecution against Dr. Bradley also for his receiving assistance from former British MI-6 intelligence in his investigation and attempt to save lives of "under siege" women and children,

(i) murder of Michigan Judge Carol Irons and cover-up by Michigan Judge Roman Snow and others, including related cover-up of the murder of a 3 month old Caucasian infant allegedly by one apparently illegal immigrant (Dutch mafia) who, according to recent investigation has allegedly threatened to cripple other children (as well as continued sexual abuse) with the aid of an ATF front (bribee) lawyer James Zerrenner,

(j) Dallas paralegal expert Lee Stearman, whose warehouse was burned to the ground by ATF anyway when Stearman refused to cooperate with ATF insurance scam making ATF insurance beneficiary through other ATF front lawyers

(k) Dallas based JFK Center white collar crime analyst Nancy LeRosa, protected by honest federal, Texas and Dallas (police) officers and agents, made the connection between IRATEGATE key "Octopus" (per Danny Casolaro, and many others), "government within the government" players

and the connection between the JFK assassination, Ruby Creek, INSLAW, and the Waco ATF Siege; now fully exposed in abovesaid Dallas Federal suit 3-93CV0440,

(l) obvious IRATEGATE tax and property embezzlement (and attempted embezzlement) crimes of Messrs. John Ponsen and Henry Bechard, working together with other key conspirators, in the Hawaiian Colony/ Federally funded Hawaii Mass Transit/ Japanese (and Yakuza-mafia & banking) Special Interests: especially for their politically progressive "purchase" of one state in the nation (Hawaii) for purposes of manipulating Washington, D.C. political matters and its Iran Contra Special Grand Jury (which kept Ronald Reagan, George Bush from impeachment: Eric Lighter is the key witness), and including for formal IRATEGATE predictions of Gulf War funding problems related to IRATEGATE triggering Japanese Stock Market crash,

(m) IRATEGATE Shirley D. Peterson to retire via his over 1,800 pages of testimony in and in cooperation with the U.S. House Oversight Committee, supported by his filed tax return of over 250,000 pages, with over 65,000 pages being on public microfilm; and due to Lighter and others legally having some \$50 Billion in filed tax writeoffs taken to prove Federal Grand Jury tamperment; these parties sued the Grand Juries for failing to indict Lighter and Salter, who confessed to felonies to further prove tamperment, which confessions were refused despite self bonding offered to Grand Juries (bond offered by the caring Phoenix based Eternal Life Church [C: Humm-m-nn? Isn't it interesting that Phoenix has so many nice churches with "goers" who are really most interested in allowing truth to be heard and people to live in spite of the government guillotines? Some of you will even recognize having association with the Phoenix Church of Christ who plans a Branch in Tehachapi come Summer or Fall of this year. Thank you for hearing our petition and answering in tangible form, instructions and requests for structuring things in such a way as to be sufficient to our needs.] who provided the grant that inspired but not controlled this discussion, and whose prayers are welcome): this means that (1) many or most felony convicts now receive new trials paid for by the government, (2) the convicts show up to trial with plea bargains (confessions) voided, and thus many prisoners now will be freed simply because of the IRATEGATE corruption, and (3) most tax return filers can now receive 3 years of refunds because these matters have Federal Orders approving same (see abovesaid 5/31/91 Federal Register),

(n) IRATEGATE investigators Lighter and Lt. Col. (ret.) John Salter (subject to car firebombing) triggering the (CIA) Alan Fiers plea bargain, which caused top CIA offi-

cials to be indicted,

(o) INSLAW's Michael Roconosciuto (CIA) is a scientific genius (INSLAW's "Promis" software was stolen by the Department of Justice, and designed to data bank all things and people, and was covertly sold to Saddam Hussein and others) and longtime CIA key agent who is either (1) a victim of IRATEGATE who refuses to stop aiding and abetting "New World Order" crimes such as gene-splicing for illegal germ warfare (to make a "slave race" and eliminate the middle class and other innocent population blocks, while master race receives custom gene-splicing antidotes more specialized than Dr. Bradley's permanent antidote), development of super gaseous plasma bombs, futuristic new weapons (hand held laser pistols, etc.), and by his refusal to protect IRATEGATE/INSLAW crimes, or (2) is a government "plant" to bait computer and other white collar "super-genius" into the New World Order programs to enhance one-world slavery, i.e., to collect and control "super geniuses" such as Barry Kumnick, son of the historically close friend and neighbor of Randy Weaver of Ruby Creek (see above, his wife and son were murdered by federal assailants in another recent siege: Kumnick was sought by some to prevent his testimony in the U.S. House Judiciary Committee regarding the INSLAW scandal and the proposed appointment of an Independent Counsel therein, which event would surely have adversely affected the Republican slate in the 1992 Congressional/Presidential election; former Attorney General Elliot Richardson is counsel for INSLAW victims). Riconosciuto appears to be overtly aiding and abetting numerous crimes in the IRATEGATE scandal, including misuse of "black budget" clandestine technology (the size of a car battery able to illuminate city blocks), remote stealth manipulation of Department of Justice computerized files, etc., and schemes to entice such "super geniuses" as Kumnick to merge INSLAW's "Promis" software with Kumnick's software "Architecture of Thought" (designed to profile human thought and predict behavior of criminals and New World Order dissidents) via warfare applications of ominous and illegal dimensions; sometimes referred to collectively in the national media as dimensions of the New World Order "Octopus" (who covertly demands to recruit the best minds in America at ALL costs, including sieges). END OF QUOTING.

May I take a minute or two to respond to the piles of letters and questioners who ask: Is this a part of the Constitutional Law Center, and, is or was a representative from the Law Center present in Texas?

NO, to the first inquiry. Not at this time. The head of the Law Center WAS in Texas at the time early on in the Waco situation—however, it had to be restricted to "George Green" business and denial of participation in the Waco "incident". All funding and all ongoing projects of the Law Center had to be temporarily STOPPED due to the illegal ongoing of the conspirators against our own participating organizations. NOTHING IS COINCIDENTAL NOR ACCIDENTAL! Now it is very difficult to get funding to cover costs of such involvement with George Green and America West holding all assets and gold in impound. Is George Green an adversarial deliberate disinformant? Be your own Judge of actions—"he" doesn't believe himself to be an enemy. What more does that very realization tell you?

To you who write and abuse yourselves for having supported the enemy in the form of sharing with early publication of JOURNALS, etc., through America West. Please, do not chide selves—people CHANGE as visions of great fortunes come past the wishing opportunistic minds. YOU made no errors—YOU ALLOWED US TO GET TO THIS POINT WHEREIN OUR VOICES CAN BE HEARD BY THE MULTITUDES—YOU MADE NO ERRORS! PARTICIPANTS HAVE MADE ERRORS—BUT NOT YOU WHO SHARED WITH AMERICA WEST FOR IT HAS ALLOWED FULL DISCLOSURE IN ITS PROPER TIMING AND ALLOWED US TO GAIN RECOGNITION ABSOLUTELY NECESSARY TO BRING THIS HORRENDOUS NIGHTMARE INTO DOWNFALL.

We have now opportunity to allow these deceivers to bring themselves into discredit, and furthermore, THE PHOENIX INSTITUTE HAS HAD OPPORTUNITY TO BE INVESTIGATED, ACTIONS TAKEN IN WISDOM THROUGH PROTECTION OF CORPORATE LAWS AND BE MORE FUN-

DAMENTALLY SAFE AND SECURE THAN SINCE CONCEPTION. FOR THESE THINGS WE ARE GRATEFUL AND APPRECIATIVE. I ALWAYS RESPECT AND HONOR MY ENEMIES—FOR THEY ARE THE ONES WHO ULTIMATELY PROVE MY OWN PRESENCE IN TRUTH AND REALITY. SO BE IT.

Salvage America? W.D. Pelley (1932)

4/6/93 #2 CERES 'ATONN

SALVAGE AMERICA?

"America is not going to be salvaged and reconstructed by having its program of salvation and reconstruction shouted from a hundred thousand soapboxes on the principle that ten million men will all start spiritual and economic rehabilitation at once in consequence. The new economic dispensation will come in by organizing the Plain Folk in a given section of country on a new basis of living, working, loving, and worshipping, independent of the predatory megalomaniacs who think that by controlling static money they can make themselves lords of Creation. When the new system is overwhelmingly proven to be sound and desirable so that its success attracts attention throughout the remainder of the nation, then those principles speak for themselves, in action. Let them spread in ever-widening circles, taking in more and more territory, more and more people, until the "New Psychology" penetrates and includes the furthestmost corner of the country. There have been too many theories, too many programs, too many suggestions, too many recommendations made for bringing an Utopia that never crystallizes beyond the spoliation of reams and reams of perfectly good paper."

Taken from *THE FOUNDATION FOR CHRISTIAN ECONOMICS* per the private illuminations in the Liberation Scripts.

"It is not parading its recommendations for antagonists to deride or enemies to checkmate. It proposes to DO things, and let its accomplishments speak for themselves. It IS doing things, proving that its recipes for a finer order of human thinking and living are adamantly sound. As it demonstrates, then let the remain-

der of the nation copy. Meantime, let those who desire to benefit from its activities come and start life anew under its Christian jurisdiction...."

To you who have worked with us through, most specifically, these past 5 years, you will recognize this as almost verbatim of that which I have shared and that for which we strive. No communal anything, no New Age anything—just right action, business with integrity and basically again a "nation under God". The reason this may sound like a rerun to some—is amusing and most interesting to my own crew. For THIS writing was just offered to this scribe YESTERDAY, 4/5/93. BUT IT WAS WRITTEN IN A JOURNAL CALLED *LIBERATION*, IN 1932. THE WRITER? ONE WILLIAM DUDLEY PELLEY WHO LITERALLY SPENT SEVEN MINUTES IN ETERNITY AND HE SAID:

"BEYOND THE VEIL OF THIS PHYSICAL LIFE, IN THE HIGHER DIMENSION OF REALITY, LIE THE ANSWERS TO ALL YOUR PROBLEMS—EVEN THE EXPLANATION OF WHY YOU SHOULD MEET CERTAIN PROBLEMS. WISDOM IS WAITING FOR YOU, THAT WILL GIVE YOU SURETY IN YOUR ENDEAVORS AND A KNOWING THAT WILL GIVE ENDURING POISE AND PEACE."

Do you think these people will also try to shut us down as has the University of Science and Philosophy? Nay, nay—they are but of you and give credence to your own expression and manifestation. It is fact that Walter

Russell experienced the same type of "input" from we of higher dimensions and yet those who came forth to be with him corrupted his philosophy to the extent that his "science" was stolen from you-the-people. They pronounced this GODLY man a "Humanist" and have hidden his work to disallow you of mankind to have this Truth in its form of gifting. Well, it won't work, Adversary, for God prevails—it just must come in its rightful sequence so that ALL men will look and see.

As for William Dudley Pelley? It has been stated: *"Just as William Dudley Pelley's strange adventure was his entrance into this knowledge, the recording of that experience with its corollary explanation, brings it to you. As it has completely remade his life, others have been affected by the same enlightenment. Thousands have been stirred by the fresh and vital information coming from higher vantage points in time and space, as a consequence of this epochal experience."*

"The real clue to the instigation and incentive back of the nationwide movement of LIBERATION is in Seven Minutes in Eternity. The addition of 'The Aftermath' reveals its relation to the stirring drama of this changing world, and gives a few of the keystone 'Master Messages' which have been the foundation for 'The League of the Liberation'." If anyone has the writings we would be most appreciative of sharing—and reprinting so that they are not lost forever to mankind.

THANK YOU FOR SHARING, **CAROLYN BROWNING.**

An Historical Lesson On Money & Its Manipulation

4/6/93 #2 CERES 'ATONN

WORLD CONSPIRACY?

Next I would like to take a few minutes to share a well thought out expression of your "money" situation in the United States today. It comes from a major publication [again, the October, 1932 issue of the *LIBERATION* journal] and is worthy of our time and interest as few find balanced perception in what is happening.

QUOTING:

SUPPOSE MONEY VANISHES FROM
AMERICAN LIFE

CAN WE ADJUST OUR THINKING TO TREAT WITH A CONDITION WHERE CURRENCY LOSES VALUE TO FURTHER A

The American people think that they are suffering from an Economic Depression. They are really suffering from a constipation of currency. This constipation of currency is not a natural condition; that is to say, it has not resulted from natural causes. It has been manufactured to further the interests of certain alien groups who are experts in the manipulation of money, and who are taking advantage of the average man's ignorance about money to make him alter the form of his government. If the American people can be introduced to enough economic suffering to make them think that their so-called "capitalistic" system has failed, they may be persuaded to do either one of two things: either permit a governmental dictatorship

under the guise of an Emergency War Board, or "embrace the beauties of Communism" as a last resort in the face of a threatened financial cataclysm.

Either expedient suits the purposes of those who are secretly working to accomplish the ruin of Christian culture generally, that an Anti-Christ regime may be installed.

The average man thinks that Communism is a set of fanatical theories advanced by wild-eyed and unwashed demagogues who come out of city slums to harangue working men from soap boxes in the twilight.

He argues that taking them seriously is about the worst thing America could do.

He does not know that Communism has long since ceased to be the half-cooked philosophy of a group of bankrupt malcontents and has become an impregnable financed, world-dominant expedient for plotting the overthrow of Christian governments that certain great international bankers may exploit national resources to their financial and racial profit.

If this is not a true statement, where are the Communists getting their seemingly inexhaustible funds to strengthen their positions and carry on some of the finest organization work that has been accomplished in recent generations?

Men who know the facts shudder at what may well be in prospect when great masses of suffering American people finally come to understand *who* is behind this increasing distress, and *what* diabolical purpose is being served.

In Russia, the intelligentsia was small in comparison to the great bulk of the aristocratic and peasant population, so that challengers OF ALIEN DICTATORS COULD BE FIRST THROWN INTO PRISON AND THEN SECRETLY STOOD UP BEFORE MACHINE-GUNS TO DISPENSE WITH THEM AS TROUBLE-MAKERS.

Over 3,350,000 of such people have been thus sent from life since 1919 according to roughly compiled figures known to representatives of the Military Intelligence Departments of the Anglo-Saxon governments.

Here in America such strong-arm methods would meet with quick retaliation: meaning the extermination of those responsible for the cabal.

The method here is more subtle.

By debauching American securities, pulling our economic system down to bankruptcy, causing maximum suffering among the masses in our cities, and driving the nation's workers to despair, the great mass of our intelligentsia may be brought to consider *seriously* an alteration in the form of our democratic institutions.

The setting up of American dictatorship, under the duress of a national emergency, similar to the War Emergency Board,

would put the control of the country in the hands of those who would dominate the dictator.

It would also clothe with war-time powers this precious coterie of despotic individuals, who would quickly see to it that all forms of criticism, or exposure, were swiftly and sternly suppressed.

Once a dictator is set up in Washington, let the American people try to get their free democratic institutions back if they can.

An enlightened, progressive party in and out of Russia has been thirteen years striving and plotting to get Russia back into the hands of Russians, and has not succeeded in doing more than exterminating its own members.

The average American scoffs at such a possibility now; that is because he is but an infant in his knowledge of what is occurring behind the scenes.

Eventually his suffering, and the sight of his starving wife and babies, may lead him to assent to anything within reason, if only the wheels of industry will turn again and his pay-envelope reappear.

The expedient used to bring the cabal to its present pass was the satanic manipulation of currency.

The average American understands little or nothing about currency; he thinks that the government manufactures money by having a monopoly on lithograph plates and printing machinery.

He does not know that gold and silver have almost no value in themselves as metals except for ornamentation purposes.

He does not know that there is such an overproduction of gold and silver in the world at present that mining operations have practically ceased.

There is not a shortage of gold; there is an over-supply.

Gold first got its fallacious valuation by being the metal sacred to the Sun, in an era when men worshipped the sun as a symbol of Deity.

By the same token, silver was sacred to the Moon.

Because of these religious significances, Gold and Silver were employed as mediums of exchange.

When Cortez came to South America, gold was so plentiful that an Indian boy, having exchanged a bag of gold-dust worth a thousand ducats, for an iron hatchet, turned and bolted into the forest, fearing that the Spaniard would take after him, repenting of his barter.

Governments of the world have been encouraged to keep their finances on a gold and silver basis, because currency permits secretion of wealth, and secretion of wealth means that governments can be brought to their knees by having the medium of exchange wrested from the economic life of a kingdom or a nation and hidden until such time as the sufferings of a people in conse-

quence compel the ruler or statesmen to concur in the machinations of the usurers and assent to their dictatorship in other quarters.

When the Unwritten History of the world is revealed, it will be found that the early Christians were not persecuted because of their religious principles so much as because they denounced usury as a crime against society.

From the days of King Alfred, about 900 A.D., through the reigns of Edward the Confessor, Henry II, Richard I, the three Edwards, and James I, the story of the inside life of the English government was one long battle against non-Christian money-lenders and their duress manipulations.

To bring a king to his knees, they merely made it their business to withdraw from circulation as much of his gold and silver currency as they could procure or control; in sheer desperation the monarch had to accede to their demands.

It is no new thing—this cabal that the nations are witnessing at present.

The Christian peoples of the earth will awaken presently with a wrathful shock to find that for several generations there has been a deliberate plan to gain control of their governments and social institutions in the interests of non-Christian peoples.

They will find that precisely the same methods have been employed as were employed in the reign of Edward the Confessor.

The recent world-war was "sold" to the gullible German people by an international ring of alien peoples, partly Mongol in blood, who thought it could be made swift and sharp, and would procure them advantages over surrounding nationals—incidentally reducing Christian populations that non-Christian elements might gain the ascendancy.

When Almighty disclosed that He had other plans for the peoples of Earth, and brought them down to bankruptcy, canny statesmen of the allied peoples determined that the same predatory individuals, whose greatest holdings were in Germany, should be made to pay for the war which they had started.

The Treaty of Versailles was not a treaty against the average German citizen, but against the financial and industrial lords who had used him as a cat's-paw.

President Wilson came back from Europe and declared that he found a power operating there with which he could not cope—and a hundred and twenty million Americans thought he meant superior European statesmanship in the guise of wits of Lloyd George, Clemenceau, and Orlando.

Only a handful in the American Senate knew he meant the heads of the international cabal who had precipitated the con-

flict.

So the Wise Ones in the International Diplomatic Arena insisted that "Germany" pay for the war which "she" had started.

Immediately an adroit move was made: if America was to insist on her "pound of flesh", that cuticle should come off the backs of the average American laborer. **[C: Hard to find it different today, is it not? EVERYTHING comes off the backs of the average American laborer!]**

Through New York representatives of those who had started the war and tried desperately to win it in order to save their great German-located industries from ruin, they sold fourteen billion dollars worth of exquisitely lithographed paper to American investors.

Then they backed an American President into office who would exert his tremendous power FOR the CANCELLATION of this stupendous war debt, "in the interests of international amity and business recovery".

If anyone doubts this feature of the cabal, let him send for the remarks of Congressman MacFadden regarding Mr. Hoover—as an internationalist—delivered in the American Congress shortly after President Von Hindenburg sent his touching appeal to the American people for a moratorium.

Figuro, the great Paris newspaper, ran a series of articles in which the statement was made that it cost a certain New York and Hamburg banking house \$100,000,000 to elect Herbert Hoover as President of the United States.

The French people apparently knew more about America than the Americans knew (or know) **THEMSELVES**.

The above contentions were widely circulated in America, yet **not a single newspaper dared pick up this challenge to our governmental morals, or demand an investigation of this banking affiliation with American politics.**

A man named Hamill wrote a book called *The Strange Career of Herbert Hoover Under Two Flags* in which he declared that the records were existent in the Old Bailey Court in London, or were at the time of the book's writing, in which the American President had been an accessory to the looting of over 400 English mining companies. **[C: Things don't seem to get better, do they?]**

It was the supreme libel of the age, if the book were untrue or its allegations false.

Thousands read the book—before it was suppressed—but nothing was done about it, and not a newspaper demanded that the author be punished.

All of which implies that there may be real evidence under the surface of national and international affairs attesting to the fact that this is not a financial or economic depression in any sense of the word, but a cabal to ruin America because she was impertinent enough to join the allies and help win the war, and has natural resources quite as desirable as

Russia's for acquisition when the cabal is complete.

Having sold America fourteen billion dollars worth of exquisitely lithographed paper, the money went abroad ostensibly to pay German reparations.

It is no international secret that the day that Herbert Hoover acceded to Mr. Hindenburg's touching appeal to allow a moratorium in the interests of international probity, *Germany turned about and loaned \$116,000,000 to Russia for the consummation of her vaunted 5-year Plan. [C: Can any of you actually realize HOW MUCH MONEY IS REPRESENTED BY \$116,000,000 or above, \$14 BILLION—in the days of Herbert Hoover?]*

That much was Germany bankrupt!

The Reparations have not been paid, nor will they be paid; we have the avowals of her banker-statesmen to confirm it.

America had in her treasure-vaults about nine billions of currency to carry on her tremendous business of about forty-five billions a year at the time.

With only 9 billions of money in existence, and 14 billions spent to keep German lithograph presses turning, is it any wonder that the average American manufacturer could not find customers with cash to buy his goods and thus keep his men employed?

With Reparations payments at a standstill, and another moratorium in sight that Germany might continue making loans to Russia, who had officially declared war on America and was using this money to finance nation-wide Communist activities, the debauchment of the "faulty" capitalistic system of the United States was well-nigh complete.

Control of our Federal Reserve system and domination of the New York Stock Market were the two expedients used to bring about this ghastly debacle.

If anyone doubts that our Federal Reserve system is controlled by alien international bankers, let him write to Congressman MacFadden for his facts **[C: MacFadden's information was recently run in the 2/2/93 PHOENIX LIBERATOR for your reference.]** Mr. MacFadden, who was Chairman of the Banking and Finance Committee in the last Congress, did not arraign Mr. Hoover and the banking group from hearsay gossip, irrespective of how an intimidated or hoodwinked press made it appear so—(even in those immediate days).

If anyone doubted or doubts that the Stock Market was not an instrument in the accomplishment of the diablerie, let him read its record in retrospect, or just watch it day by day.

The program is to raise it enticingly until the public begins to take its dollars out of hiding, gather in what remaining money may be available; then drop it lower; raising it again enticingly until another trap has been baited and the bait jumped at, it is dropped still lower.

Thus is American financial morale broken and an era of despair made positive.

And no one seems able to do anything about it. It all harkens back to the archaic idea that currency, to have value, must be based on the possession of gold or silver.

Gold or silver has absolutely no commercial value except for ornamentation, or except as predatory financiers wish it to be so accepted in order that they may have handy methods for withdrawing it from circulation from time to time and exerting duress on peoples or governments.

The adolescent American people like to talk about the "gold standard" or "silver standard".

The facts of the matter are, that a "standard" is exactly what gold and silver money do NOT possess, and NEVER HAVE POSSESSED.

On scarcely no two days on the calendar is the price of the gold or silver exactly the same.

The tailor who tried to succeed in the clothing business with a yardstick of 35 inches one day and 37 inches the next, would be not only a fool but a bankrupt as well.

The American business man tries to do business with that kind of a financial yardstick and cannot understand why he runs periodically into "economic" distress.

The time may come sooner than men think, when gold and silver, in Hoover's day called "money", and then known as "Currency", would entirely disappear or would be held from circulation. **[C: Well??]**

It is unthinkable that such a condition of affairs is passing entirely unnoted by Divine Providence; there must be some cosmic reason why this diablerie is allowed to maintain to the increased suffering of the Christian peoples universally. **[C: It cannot be merely restricted to the "Christian" people and to assume so is incorrect thought—it rains on the just and the unjust. It simply IS that the ones who garner from the massive planned extortion—ARE ANTI-CHRIST IN INTENT AND PURPOSE AND IT MATTERS NOT WHO IS HURT AND DESTROYED IN THE PROCESS OF WORLD CONQUEST.]**

Perhaps God Almighty is trying to make His people use the brains that He thought He gave them when they were created mortal, and do a little intelligent reasoning, altering their affairs sensibly and deliberately, instead of remaining the blind butt of predatory forces that can only be described as **Satanic**.

Perhaps God Almighty wants His people to stop hiving in great cities, at the encouragement of this same predatory group that knows that people in cities are easiest to control, and go back to HIS land on a more wholesome basis of living and earning.

There are ways in which it can be done, if all title to the land does not pass into the hands of the same predatory group—as it is doing at frightful speed, thanks to the "relief" of the Reconstruction Finance Corporation

[C: today, the Resolution Trust Corporation].

Someday in the future, perhaps nearer than the Satanic forces in American life dream, the inside story of this corporation may also be told. **[C: Gosh, wouldn't that be nice—I know a WHOLE BUNCH of people who would like to see them get theirs.]**

Thousands of little country bankers, mere dupes, as loyal to their predatory over-lords as they are ignorant, have "rediscounted" their frozen farm paper for cheaply loaned government "gold"—with scarcely a thought as to how they are ever going to redeem any of that paper, if indeed they do plan to redeem it at all.

A nation of beggar-people are not in a position to redeem anything, not even their own appetites as hungry human animals.

The idea of a "safe" bank, to the average banker, is a bank with enough specie in his vaults to pay off a run by depositors; never mind the prosperity of the community or whether he is buying or selling money enough to pay his overhead and clerks.

So mortgages and deeds have "gone East" and been tidily folded away in vaults of the same men who were responsible for the starting of the world war (all of them), and the debauchery of the Versaille Treaty, and the wrecking of the "faulty" American capitalistic system.

We may have to go back to the land—providing we have any land to which to go back.

Meanwhile, suffering is increasing as was Satanically planned from the beginning.

Men who could project a world struggle so colossal as the late world wars, with the wholesale butchery of Christian human life, naturally would not lie awake nights hearing the starvation gurgles of a lot of laborers' babies living in freight-cars in Chicago and Detroit, etc. "Christian" is the term herein being utilized to be anything other than the "anti-Christian Satanic intenders".

And only a handful of American citizens, too scattered and Christ-like in spirit to be able to function in any remedial capacity, know the frailest fundamentals of the actual conspiracy or anything concerning its denouement.

Meantime, great masses of Americans whose forefathers died at Brandywine and Gettysburg, are attending meetings led by speakers who are openly acclaiming: "The harder we make the suffering, the quicker will you embrace the beautiful benefits of Communism" **[C: or One World Order].**

Communism! Whose international postage-stamps carry an effigy of God being thrust headfirst down a sewer!

We may not come to the rudimentary barter of a sprat for a cake, and a shoe for a hoe, but the American people may yet be hired toilers on their own lands, at the mercy of an alien group who fancy that its members are divinely instructed to make this a world

after their own culture and peculiarly Satanic ideals.

There is only one answer for the individual. That is, to seek his liberation back in God's country, as close to Nature as he can get, living in proximity to his own kind and looking to the Almighty to send him manna in shape of sun and rain and soil and seed.

This does not mean that city men should turn farmers.

But it will not be done by accepting the pronouncements of owned, controlled, or intimidated newspapers as the true cause of this depression in morals and economics, or reading paragraph twaddle about the amounts of money held in our savings banks, or the numbers of industries starting up again after a period of enforced idleness.

It will be done by totally different programs of living and laboring, with a completely altered psychology as to what representative government means, and strengthened morals to meet the issue of the day with enlightened intelligence.

Men and women can never attain to true spiritual achievement while hounded to frenzy by the bitter rigors of predatory economics—therefore abolishing predatory economics is the highest form of spiritual liberation!

The Master spoke as He supped at the Supper at Emmaus' home: "If I go to that house and perceive ye there feasting is it not meet that I should knock and be bidden to your feasting?"

"How then perceive I the security shining

from your lintels if I find that ye feast in a garret of malfeasance where the rodents of self-interest have turned a strong fortress to a strawstack?"

"Is it not meet that ye heed my arrival? Have I not told you that presently I come and knock on the doors of your hearts for admittance?"

STOP QUOTING.

I wonder how many would ask the Master in if He came to knock upon your door—will you know Him? I can tell you right now, that you will turn Him away just as most of you have turned Him, with us the Hosts, away already. Ponder it.

Now, I believe you will find good information in the above thesis and I hope it helps you to better understand your circumstances. HOWEVER, it should be noted that except for the changing of three places of "tense" and updating in three places of no more than three words—that it is as valid today as it was when penned in **OCTOBER, 1932** and run as an article in our predecessor; the *LIBERATION* journal. This means that the screws have only been more and more tightly setted against you, chelas. Indeed I know this man, William Dudley Pelley, who wrote these wise observations as we worked closely in the unfolding.

Are The Mystics Right About Catastrophe?

4/6/93 #2 CERES 'ATONN

I think you would also enjoy William Dudley Pelley's dissertation on: *Are the Mystics Right about Catastrophe?* Perhaps we could take time and space to share it with you.

CATASTROPHE?

QUOTING (W. D. Pelley, *LIBERATION* journal, 1932):

ARE THE MYSTICS RIGHT ABOUT CATASTROPHE?

Hundreds of psychic communications tend to confirm the changes seen in Time-Space projections by persons who make sojourns from their physical bodies....

From time immemorial, certain "gifted"

persons have affected to "see" forthcoming events of a catastrophic nature whenever the human race has gotten itself snarled in political or economic complications.

Many of these have come to pass, others have not. There are not found wanting, therefore, people who view the percentage of accurate against inaccurate prophecies with a pardonable skepticism. They argue that most of the prophecy is clever guessing by the law of averages.

"The end of the world has been prophesied before," they declare. "Fanatics have had little difficulty over the ages in getting people wrought up and motivated by a Fear Complex to dispose of their household goods and prepare for the end. When their forewarnings have been inaccurate, as in the case of the Millerites in 1844, a shamefaced and bankrupt crowd has tried to go back to the tenor of its ways,

while a sheepish 'leader' has scurried into innocuous desuetude. So why should we be concerned? The old Earth has rolled on for a good many millions of years. It will doubtless roll on for a good many millions more. Let us not be unduly alarmed. If catastrophe comes, let it come. We can only die once (in each literal human manifestation) and what does it matter whether that death comes tomorrow tragically or thirty to forty years hence naturally?"

This sort of reasoning is not without its points. The trouble with most of the modern seers has been, however, that they have largely acted on psychic premonition without knowing it for what it was. They have come into knowledge of certain changes that were imminent but have misinterpreted the phrase commonly expressed as "the end of the world".

The end of the world does not mean the literal extinction of the planet on which we dwell. *It means the end of an age, or dispensation.* And looking back over history, even modern history, and observing such episodes as the preparation of the eccentric Millerites or the present-day expositions of the International Bible Students, we find them calculating without the slightest knowledge of the Celestial Pass-Over and what its effects are, in every age in which it occurs, on mass society.

Millions of Christian people accept and believe that the term "pass-over" comes to us from Jewish history when the angel of the Lord forebore to slay the eldest sons of those "chosen people" who had a certain sign over the lintels of their doorways, indicating that the sons of that house should be spared.

The true meaning of the word "pass-over" is mightier than that, just as most of the symbology of the Old and New Testament is mightier than even the professional ecclesiastic's dream. **[C: I wonder if perhaps there is more meaning to the "pass-over" period in that compound in Texas than is told to even the "had" press?]**

The true Pass-over is an astronomical phenomenon. **[C: OOPS!!] IT MEANS THAT OUR WHOLE PLANETARY SYSTEM TAKES A NEW POSITION IN THE HEAVENS AND COMES UNDER THE INFLUENCE OF CERTAIN HEAVENLY BODIES THAT COMPLETELY ALTER THE TREND OF MANNERS, CUSTOMS, RELIGION, AND SOCIAL THINKING OF THE PEOPLES LIVING IN THAT PARTICULAR AGE.**

Everyone of any education whatsoever, knows that our Earth and its neighboring planets revolve around our central star which we call the Sun. It takes one year to make the circuit. That circuit is divided into four "seasons".

No one in his senses denies that as those seasons come and go there is a slight

alteration in the mass thinking and mass habits of humankind. People "think" differently in the spring than they do in the autumn. All Nature is awaking; new life is coming into bud all about them. They feel the effects of all this awakening. Office work palls on them. Confinement is odious. Likewise people do not think it the manifestation of an angry God if freshets occur in that springtime, contiguous with the breaking up of winter's snow. They think it perfectly natural that streams should overflow, that soft soil or mud should cause them all sorts of annoyance and even distress in altering its location and causing damage to their roads or properties.

How many people know, that our whole solar system has its celestial year as well, with its months and its seasons, and that as those seasons arrive there are alterations and catastrophes quite as serious by comparison as our petty seasonable upsets with resultant alterations?

Our planet Earth revolves around its sun in one year of twelve months. But our whole solar system revolves around our vaster central sun-star Acturus in an orbit that requires approximately 25,000 of our earth-years.

That solar-system year has its months likewise, or what might be called its months. Each one of them endures for approximately 2,152 years. The astronomical name for these greater months is *houses*. As we change from one house into the other, we have what is known as a *PASS-OVER*. And those houses are indicated in the heavens, or rather, identified, as *Signs*.

This is not Astrology as some folk might think who know little or nothing of cosmic astronomy.

For the past 2,000 years, roughly speaking, mankind on the planet Earth has been living in the month of, or under the sign of *Pisces*. Before *Pisces*, it was living in the month of, or under the sign of *Aries*. Before *Aries*, it was living in the month of, or under the sign of, *Taurus*. **[C: For some of you Scorpios—what do you think is going to explode on the scene in that "month"?)**

As to the significance of these signs we do not need to go into here. Sufficient here to state that we are now passing over from the Sign of *Pisces* into the Sign of *Aquarius*. It will take us some 75 years **[C: So, minus 61 = about 14 more?]** more to go completely out of the month of *Pisces* and into the month of *Aquarius*. And as we go, all sorts of planetary and social readjustments must occur.

Pisces was the Water Sign. In the "month" of *Pisces* came the Great Galilean. Spiritual purification had to be by water, or baptism. Christ "walked on the water". He bade the "waters" be stilled. His disciples were chosen from among the fishermen. His dispensation contained the great

age of maritime discovery. In physics, we discovered the steam engine as an instrument of power. In engineering, we perfected the science of hydraulics.

Now, in this month or Sign of *Aquarius*, which is the Air month in the celestial year, we have aviation, radio, all the developments of mind and intellect. Religion itself takes on the metaphysical aspect. (Higher or "beyond" the physical.)

And it could not be otherwise. Great astronomical principles are at work, of which the ignorant know nothing. Current theological doctrine, which always takes on the color and aspect of the House under which it operates, stands up into its puny arrogance and tries to fight these changes. It cautions people not to be misled by false gods but to "cling to the faith of the fathers", not knowing that this is impossible if not downright wrong. Because the "fathers" got their peculiar brand of Faith from astronomical reactions upon the planet Earth.

It is no platitude that liberation comes from knowledge. This being the Aquarian "age" or month of intellectual progress, existing theological institutions must radically alter. But only as men and women are wise in their cosmic fundamentals, can they grasp the true import of those terrific alterations.

We are in a new "pass-over" now and the whole world is turning upside down. And when the world turns upside down, some rather queer things come floating to the surface. In that period of celestial turmoil, which has its perfect prototype in the alterations of the spring months on the planet Earth, men will advance many ideas and try to set up some preposterous social and political structures, thinking they are really instigating something new under the sun.

We must be prepared for these and yet know them for what they are. We must realize in addition that there truly IS nothing "new" under the sun. All that humanity has been through in the past 1900 years, it likewise went through thousands of years ago in a similar cycle on a lower plane of spiritual development. All that it is going through now, or will go through in the years immediately ahead, it will go through again on higher planes in the generations to come, far up in the future.

When the so-called "mystics" talk of alterations "on the make", they have a sound astronomical basis on which to rest their premonitions.

True, hundreds of them do get those alterations told to them by those in the higher and finer dimensions who have the opportunity to see them clairvoyantly in manufacture before they "come out" in actuality on this earthly plane of effect. But that does not alter the fact that with every celestial Pass-over there must of

necessity be alterations and that what the alarmists in theological prophecy take for the "end of the world" is truly nothing more nor less than a way of expressing in their cosmic illiteracy the change from one celestial month, or sign, into another.

This being so, and knowing something about it as a natural process, we can look with something more than credulity on the strange experiences which certain sensitives are having just now, either getting warnings from other dimensions of terrific alterations now in process of consummation, or going out of their physical bodies in what we call a Time-Space projection of the psyche and literally seeing those changes as actual happenings, exactly as their mentors see them who come to them with news in advance, foretelling the events of the days that are ahead.

The general public would be appalled if it could realize how common is this practice of vacating the body and "looking ahead" from such discarnate condition on events of the future, exactly as one might take a reel of motion pictures and unwind it ahead to see what has already been photographed at the end of the film.

Letters from every corner of the nation are coming into the headquarters for The League for the Liberation just now, recounting such hyper-dimensional excursions, and practically all of them reporting the same sights and events.

It has long since passed out of the realm of coincidence that a man in Denmark and a woman in Oregon should have the same "discarnate" experience at practically the same time, each without knowing that the other existed, much less as having the experience, and that each one brought back the same details of happenings which are yet of the future, insofar as our little spinning Earth-planet's "time" is involved.

[C: This is why it is so important that the factual definitions and workings of, say, God in energy expression and thought projection, not be allowed to be buried by the Adversary. It also, however, becomes OBVIOUS WHY IT SHOULD BE THUS—AN ENLIGHTENED HUMANITY WILL NOT TOLERATE THE SATANIC EVIL EXISTENCE OF THESE PHYSICAL BINDINGS.]

Incidentally, it is in these periods of the Celestial Pass-over that Evil ALWAYS rears its cobra-head, for in those periods of change from one celestial month to another there is bound to be a period of chaos, in that the Earth is operating neither under one Sign or another, but in a manner of speaking under both. Thus the chaotic forces have their 2,000 year chance to make themselves felt with maximum efficiency.

* * *

[C: In speaking of "Cobra-head" we

bring something infinitely important to attention—the sign of the "serpent" or the very Satanic symbol itself. Let us now consider it in relationship to "religion" and that which is taking place right now in the very building called U.N. Let me just quote from the Lyke Report of yesterday, a brief portion by ones visiting that building:]

"...Perhaps the most startling revelation of this visit to the United Nations was the open and unabashed spirit of anti-Christ. As we entered the main lobby of the U.N., off to the right was the U.N. Meditation Room. In front of the entrance to the Meditation Room was an 18-inch trellis fence and a wall-size stained glass window depicting all the religions of the world coming together as one. IN THE CENTER OF THAT STAINED GLASS WALL WAS A VERY PROMINENTLY PLACED SERPENT! We then entered the dark doors down a darkened hallway into the Meditation Room. In the center of the room was a large stone altar with a meditation light focused on it. The walls of the room tapered or "channeled" in a triangular shape to another stained glass mural, again depicting all the religions of the world coming together as one. To the rear of the room were eleven seats, perhaps symbolic of what Bible prophecy says, "the ten horns which you saw are ten kings what have received no kingdom as yet, but they receive authority for one hour as kings with the beast": (11th seat) (Revelation 17:12). The enforcement mechanism to achieve the new religious order or New Age Religion is a little document called the "Convention on the Prevention and Punishment of the Crime of Genocide." This treaty, first proposed at the U.N. in 1948, was not ratified by the U.S. until 1988. It defines genocide as "the committing of certain acts with the intent to destroy—wholly or in part—a national, ethnic, racial or religious group as such." The convention also includes in the definition "the acts of causing mental harm". This means, you can't proclaim that Jesus Christ is the only way of salvation, as that is deemed exclusive under this treaty and you could be tried and punished for the crime of genocide.

As you can see, their whole scheme is to have you worship godless humanism while they are controlling you under their new political order and keeping you in economic bondage to their new economic order of world socialism.

[C: Let me heretate state, however, that "I" take exception to the term "Jesus Christ" for that limits the very presence of GOD. "Jesus" was not even the name of the Christed being, Emmanuel, so to err in such pronouncement as this is no better than putting aside all religions in favor of the one "deemed" suitable by equally as bigoted groups who presume

they KNOW the ONLY religion. This is only a comment on the very thing pointed out—the anti-Christ SYMBOL becomes the very heart of all teachings and accepted practices as time marches on!]

* * *

And that, in a measure, is what is happening throughout the earth at present, epitomized in bloody wars, great international lecheries, the looting of civilizations and culture by a satanic predatory element that thinks it's on its way to successful world domination.

It is on its way to nothing of the sort. It is on its way to a species of suicide. That evil ultimately destroys itself in whatever phase it elects to manifest, is a truism that comes down to us from the far-off Atlantean civilization and culture. Unfortunately in the case of Atlantis, in destroying itself, it likewise destroyed the civilization and continent on which it operated.

Mystics, so-called, are nothing but people who have their higher and finer mental and spiritual senses awakened and functioning while they are still operating in mortal bodies on this sphere of finite Earth.

True, there are charlatans among them aplenty, who deserve all the censure which mass humanity heaps upon them. But it is a significant fact that the true mystic, knowing accurately something of the nature of the changes that are imminent for any given race or social grouping, rarely lets himself turn alarmist and try to warn the race of its danger. He keeps his information largely to himself. But he does try to influence and guide civilization in other ways than by uttering threats against its peace of mind.

There is no sense in creating a Fear Complex in humankind that is so densely ignorant and adolescent in its spiritual development that it is not able to understand what it is being warned about, much less act upon it for its own preservation.

True and real mystics are ever reticent about giving out accurate information or specifying dates for changes. For they know that those changes will come anyway and all they can hope to do is to use their information for explanation instead of prophesying gloom for which humanity will hate them. **[C: As you come, however, closer to the time of cycle abruptness it goes beyond the not speaking out in generalities and what can even now be considered a bit of "fear mongering". It is not, however, for the sleeping will not heed anyway—and the ones who are to be called and serve MUST be given the information so that they might heed that call and respond—IT IS THE TIME OF AWAKENING AND IT REQUIRES A PRETTY DASTARDLY SOUNDING ALARM**

CLOCK RINGING.]

That there are strange alterations going on about the Earth is something not reported to any extent in the newspapers as yet, and yet is the common property of geologists and other scientists who are watching the peculiar behavior of this planet whenever a great Celestial Pass-Over is to occur.

In the middle-south Atlantic, portions of old Atlantis are arising toward the surface, so close to that surface that naval maneuvers and passenger-ship routes have had to be recharted in order that ships may not run aground.

Just a few short months ago (1932), the bottom dropped out of the Atlantic in the vicinity of the Newfoundland fishing banks and has not yet been plumbed. At the same time seismographers know that many of the major earthquake faults of the planet are becoming ever more active than they care to release to the press. The rumblings in the vast gas-belt that underlies Ontario are becoming so plain that they can be heard beneath the feet at times. In South America there is an increasing amount of volcanic activity. In North America the Mississippi watershed seems to be sinking lower in the Middle West, precipitating the strange floods that the public press alibis as being the result of deforestation. That is only anesthesia for public consumption. Something vaster and more significant is "on the make" and under the guise of the Depression and economic necessity, there is a greater exodus out of the Mid-West states than the general public is aware of. Those who accredit such matters are moving onto higher ground—land that is at least 500 feet above the level of the oceans. **[C: Now it behooves ones in those areas and in the West—to get to ground above 2,500 feet as changes are continuing to occur more intensely.]** Whenever possible, people are locating on the western side of mountain ranges in Eastern North America, in anticipation of a "mighty gale" that seems to be coming from the north-east as a result of the tremendous tidal wave that may easily sweep around the earth in the event of a sudden eruption and elevation of the Atlantean Continent which has been submerged beneath the Atlantic for some 11,500 years.

These are matters not to be taken lightly. On the other hand, no specific dates are given and no true mystic or psychic will permit himself to so designate the time element. For he knows, as those in the Higher Dimensions know, that the time element cannot be adjudged with accuracy.

One can predict with reasonable certainty, that if a New England river is to rise in spring-flood, the time will come when it will overflow its banks and cause certain havoc. But no one can tell with accuracy

exactly the day and hour when sufficient water will have come down from the mountains to swell a given stream to catastrophic proportions.

We know that we are in a sort of "spring season of the planet" and there must be terrain readjustments.

The great consolation in all this is the fact that out of such upset only good can come. We are told in no uncertain terms that the destinies of this planet are carefully watched over by stupendous entities who can direct, if they cannot halt, the depredations of such a season. It is not outside the realms of possibility that many predatory elements shall be removed from human intercourse by just such an alteration, *and in no other way*, which may be the specific reason why they are "permitted".

Only good can come from all this, and the truly liberated person, knowing of the colossal forces working for the improvement of humankind, can maintain a poise in the face of such seeming disaster that will make him a leader in truth of the distraught adolescent, illiterate multitudes when the changes occur in literal displacements.

STOP QUOTING.

Why do I choose to write in this manner which is identical to that which I tell you daily? Because I want you ones, especially our scribes, to understand that we are not jeopardizing your security by "repeating" that which was published over 60 years past. It is our little way of giving you confirmation of sanity, chelas. You who never represent yourselves as psychics, much the less, prophets—need to understand that that which you are shown and KNOW shall come upon you and how, about when and why—bear great burdens upon selves—and they are not yours to bear. Those who will hear—shall and those who turn away from Truth—shall do so no matter what you offer. We serve God of Hosts, as Hosts and in that there is the whole of it. You are in the time of chaos in the Pass-Over and so it shall continue until the things of the time shall come and go. Aho.

Ceres to clear and thanking my scribe for hours at this keyboard that you ones might share in this wondrous information.

I again wish to thank Carolyn Browning for perceiving a need for this sharing. To you who do not know your purpose but feel pulled to these actions—know it is that you were led long ago into these thought patterns and recognized coming again into Truth as you experienced our work these days. Blessed are you who think you found no purpose in your many years of ex-

pression—YOU DID AND YOU HAVE FOR WITHOUT YOUR INPUT, THERE WOULD BE NO WORD FOR THIS DAY! PONDER IT.

Another *JOURNAL* Goes To Press

4/7/93 #2 CERES 'ATONN

INTRODUCTION

As we write, this time only a very short Introduction to this *JOURNAL*, I have to ask you to use for research and confirmation that which we have given before on these subjects of human replication, genetic alterations and manipulation, Psychopolitics and American Brainwashing. You can get your confirmations of these truths in just about every *JOURNAL* prior to this one, backed up by story after story of ones actually involved in BOTH sides of the games in play. You will have to understand sooner or later that the games are regulated for the purpose of the New World Order—in conjunction with your prior ENEMIES.

The working forces behind the actual physical manipulations always seem to go back to Intelligence Forces who are in the New World Order vs. Free World struggle, who all seem to be spin-offs and integrated as KGB (Soviet), CIA (you guessed it!), Mossad (Israeli Secret Service) and all wrapped up through British-Israel INTELLIGENCE NETWORK.

Some of your own Special Forces, CIA, etc., personnel and players now see what dastardly work has been done and would like to see these truths presented—and moreover—are willing to put their own necks on the line for you-the-people. All we can do is aid as we can.

When you see the following headlines in the paper as we will show you, it seems impossible to reclaim any part of "freedom" but it remains to be seen how many will rally to the trumpet of "freedom's call". Both of these examples were printed and published on April 5, 1993—so they are about as current as you can get!

Headlines: "SECRET SELLOUT OF POWs. *A secret meeting in Washington between administration officials and representatives of the Vietnamese government, unreported in the Establishment media, portends the normalization of relations and the end of hope for a full accounting of American POWs.*" If your government will deliberately murder, both literally and figuratively, those forced or volunteered to serve your nation—what hope do you have for freedom and quality of

life in the places of your nation and of those of the world?

Headline: "SYCOPHANTS CAN'T CONTAIN NATIONAL ADL SCANDAL: **A nationwide ADL (Anti-Defamation League [usually B'nai B'rith]) spy ring that has been stealing classified police intelligence files has been unmasked. This may turn out to be one of the biggest political scandals in American history. The civil liberties of hundreds of thousands of Americans have been put in jeopardy. Efforts to contain publicity about the scandal are failing.**"

We will write on both of these topics in future writings but suffice it to say that your national "everything" is in total jeopardy and—with a fixed and corrupted Judicial system—you have little chance of recovery.

HOW DID YOU GET TO HERE?

You got to here through the most massive and comprehensive of Human replication, Psychopolitical interactions, Microwave harassment and Mind control. It goes far beyond the old idea of "Brain-washing" for these things are now used against you IN MASS! THE STANDOFF AT WACO, TEXAS OF BRANCH DAVIDIAN IS MERELY AN ONGOING EXTENSION AND EXPERIMENTATION OF "MKULTRA", A PULSED MICROWAVE PROGRAMMING PROJECT UNDER YOUR INTELLIGENCE FORCES.

Further, the SWAT teams utilized to go in and "shoot to kill" fellow citizens are simply robotized programmed tools in the form of totally brain action controlled soldier/killers. The lawful soldiers don't even know what to do or think about it. The assumption is that ones in target must be horrendous and deadly dangerous, when actually the confrontation is against grandmothers, babies, children and religious and peaceful gatherings of people doing everything in freedom under Constitutional Law.

The ONLY way to conquer a man is to capture his mind. Control a man's mind and you control his body and all his actions. Most of you never even notice all the things that affect you subconsciously—you don't even know what to look for. For instance, the doctors' offices are filled with people looking for help for the "sounds in their head" and "the awful tones and ringing in their ears". Why? It is simply pulsed tones presenting signals and messages totally accepted by the mind and fully qualified by everything your enemy shows you on the television, radio, in papers—all media.

So what of Psychopolitics? Boy, that one came directly from KGB-Soviets and

is now rampantly practiced around your globe from blasting loud music (carefully chosen for lyrics and "beat") into the targeted locations (but also mentally works an intended "frenzy" on the assaulting participants). Let me just quote a few things from the Introduction to a "TEXT BOOK" for the training of Red Communists. What are Red Communists? The anti-Christ atheists in actual conjunction with their comrades, the Khazarian Zionists who are also found throughout the globe and infiltrated into EVERY NATIONAL GOVERNMENT and society.

"A great, and almost secret, war is being waged by Red Communists against Christians and all Christ-like believers in God according to the teachings of 'goodness' and God. A Red author once wrote, 'Books are weapons in the war of ideas.' The lectures and studies in this book are of two weapons, psychiatry and psychology, that secret Red Communists use against us in our own country. You may have already realized that the pseudosciences of psychiatry and psychology are ruining millions of American lives. What you may not have known, is that such ruination is DELIBERATE."

So, Psychopolitics is simply mass mind-control through any method desired at the hands of the politicians.

It is good to heed the warning of one Jean de La Bruyere (1645-1696: **"THE EXACT CONTRARY OF WHAT IS GENERALLY BELIEVED (PRESENTED) IS OFTEN THE TRUTH!"**

I can only ask that you consider that which is presented in your controlled media as if it is the opposite of the truth of a situation (see the final writing in this JOURNAL on the Waco, Texas incident) and then "find" the real information and see what you find to be truth!

I ask that the Editors offer information as to which prior JOURNALS offer coverage of these topics in direct point. (See below.)

Since I cannot name so many to whom I would dedicate this JOURNAL due to security, suffice it state here that it is dedicated to those brave people who pay the price daily for bringing light on such a dastardly scheme of world domination. This JOURNAL shall be called:

ULTIMATE PSYCHOPOLITICS MASS MIND CONTROL THE GLOBAL CONTROL SYSTEM

You have now come full circle into the integrated multi-national World Order Puppet-Master's trap. You are now the targets of the most vicious terrorism of all time and all places as the major "force" players utilize the ultimate weapons for full programming mind-control. How can you counter it? **BY KNOWING WHAT THEY ARE DOING!** Proof? Close your eyes and tightly cover your ears—WHAT DO YOU HEAR? U.S. Judges Accused Of Jury Tampering

4/7/93 #3 CERES 'ATONN

THE TRUTH WILL SET YOU FREE;
AFTER IT MAKES YOU MAD!

I have been promising you this writing for days now and other things seem to get in the way each time of writing at the keyboard. A good reminder however is that **"Life is that which happens while you are making other plans."**

The "author" of the following needs no introduction to our own readers but for you "catch-ups" and as a reminding to readers, this is by **Jack McLamb**, a Navy veteran who began his law enforcement career in Phoenix, AZ, in 1976. He was the Republican candidate for Maricopa County (AZ) Sheriff in 1984.

In 1986 McLamb was forced to take medical retirement after being injured during an arrest. He is president of Intel-Intercept Group, founder/director of American Citizens and Lawmen Association and active in various community service organizations. He was present and accompanied Col. James "Bo" Gritz to Idaho and continued through the incident at Ruby Creek (Weaver). He sends forth a Law Enforcement Officers bulletin regularly, called *Aid and Abet*. I personally honor this man as one of the most highly respected fighters for American Constitutional Rights. I salute you, Sir.

QUOTING:

U.S. JUDGES ACCUSED OF JURY TAMPERING

By: Officer Jack McLamb (Ret.)

In all 50 states it is a felony to influence, threaten, or intimidate a juror, or jury, in an attempt to alter the outcome of a trial. In most states it is a class 4 felony.

Officer R. Stevens of New York State says, "...not a day goes by that we (police officers) don't bear witness to the manipulation of juries, and their decisions, by members of the Judiciary."

I know that already some of my police

colleagues are stunned by the contents of these first few lines—and well you should be!

I read such a statement, since we lawmen have never in the past been allowed to openly utter any statements which might in some manner cast aspersions on, or deglorify, members of the Judiciary.

The topic, **JURY TAMPERING BY THE JUDGE**, is far overdue for discussion and ACTION by concerned Americans, including those in enforcement.

(For those who are more educated and understand Common Law Courts I have chosen, for simplicity, to not address Article 3/Admiralty Courts. "...One must learn to walk before attempting to run.")

JURY CONTROL A CRIMINAL ACT

It seems that many police officers strongly consider a judge's secret control of the jury as a serious crime against the People. I say this because the most consistent question that comes up on this issue, from our brother and sister lawmen across the U.S. is, "Why should we law enforcers be sworn to arrest all those we see committing such infractions as 'misdemeanors' and then be restrained from taking action against a judge for committing felonies regularly in our presences?" (Jury tampering equals "felony" to a police officer!)

In the judgment of many U.S. police officers, when a judge covertly controls the decision of a jury without the jury members having knowledge of such manipulation, this is a CRIMINAL ACT.

Such harsh words! Personally, this editor is proud to know that so many of you lawmen agree that it is past the time for SPEAKING OUT about this and other very important issues.

Yes, your oath of offices does say, "I promise to protect the Constitution from all enemies both foreign and domestic", and the right to a "fair and impartial trial by a jury of our peers" is a most essential part of that document.

In addition, what you officers are also reaffirming is one of the oldest, most essen-

tial pillars of our justice system, namely: "In America no one should be above the law."

SILENCING POLICE OFFICERS

Before we continue pursuing this subject, let me digress...

One very effective tactic police department superiors commonly use to dissuade and silence "forbidden" inquiries or discussions is to tell you: "You police officers, as sworn officers of the law are not citizens; you therefore have no Constitutional protections regarding such things as the right to privacy or free speech."

Be assured—this is a now-proven prevarication (lie) perpetrated by some government officials to keep police officers in line, and prevent their protesting (or even discussing) any dishonesties, inequities or corruption in the present governmental system. It is especially designed to stop "Officers of the Law" from expressing their true feelings to those for whom they work and have sworn an oath to serve and protect, namely the PUBLIC.

Perhaps surprisingly, the Courts have held that officers are indeed citizens with all the same inalienable rights as any other citizen. As such, we too are duty-bound to express our feelings giving input, and generally exercise justice concerning problems we may see within any facet of government.

And who, I might ask you, is in a more perfect position than police officers across the U.S. (through *Aid and Abet* newsletter)? We understand that there are other methods being used to discourage police officers from speaking about and concerning themselves with serious problems in government.

JUDGES ARE GOVERNMENT AGENTS

Police officers who witness judicial activities in courtrooms today, can attest to the fact that a judge can, at will, decide the outcome of any jury trial that comes before him in which he or his special benefactors

have a special interest.

Many police officers understand that today it is a fact—unspoken and unholy as it is! that generally speaking, "his Honor's" first duty, as a purely political appointee and government agent, is to protect the government's philosophies and political agenda from the Public.

And yet the poor misled Public is kept uninformed and forever fed the lie that: "Judges are there to protect the Citizen's right to a fair trial." Give us a break!

POLICE OFFICERS AS EXPERT WITNESSES

Police officers have witnessed this behavior in the courts regularly for decades. Some years ago one concerned and rather outspoken officer put it this way:

"Under present judicial rules and customs the social or political aims of any particular sitting judge (or those of his overseers) can, at the judge's discretion, overpower the free will of the jury. Due to its illicit nature, this usurpation of power, the actual control sequence, is always accomplished without the jury being made aware of its application." Officer Jack McLamb (June 1985)

Although not so labeled, these are "high crimes" and violations of the very foundation of **Constitutional mandates covering the American jury system.** The Public is never to know this because it is believed that they would not tolerate such subversive totalitarian activities.

Another police officer from Texas (a 14-year veteran) in his July 1989 letter shared with me his own and others' concerns in this fashion:

"Some of us (officers) have quietly discussed this activity on several occasions, but must confess that we have never understood why a judge is allowed to jury tamper. It is a unanimous conscience here that, regardless of how right and legal our protests might be, any officers involved in bringing public attention to such powerful, clandestine, political controls, would probably be the only ones punished. What we need is mass support for such changes." Sgt. M.T. of Texas, July 19, 1989

It is not difficult to relate to the frustration of our fellow officer as he and others at his department struggle to resolve this dilemma. It is hard to regularly witness such systemic illegal activity, and at the same time endure a sense of helplessness, for knowing there is probably not the sufficient support needed to bring corrective enforcement action.

Sgt. M.T. is probably absolutely right. Can't we just see one of the totally political yes men that are appointed today as Police Chiefs standing up and taking on this one! Some of the good 'ole Sheriffs who are

elected by the People and feel answerable to the People might take a stand, but not most of today's Police Chiefs.

After many years as a Cop, and having witnessed once again this nefarious usurpation of power by a member of the Judiciary at a murder trial, in Superior Court of Maricopa County, AZ, in October of this past year—believe me, your editor, too, knows first hand whereof he speaks!

OUR SYSTEM REPLACED

"Before one can evaluate what is wrong, he must first know what is right." (Sound logic from your editor!)

For those of us who may have forgotten some of what we learned in "Government 101" (and today supposed to work) it might be well to review for a moment the Constitutional system we were given, and then notice how that system has been supplanted (uprooted) and been replaced by the corruption that is in operation today.

America's system of justice was built upon some very sound, basic principles, several of which are these:

- 1). The sixth and seventh Amendments of the Bill of Rights guarantee us a trial by jury. (A jury of our peers.)
- 2). The Jury is to judge the LAW as well as the facts in the cases brought before them.
- 3). The Jury is to hear all witnesses and examine all the evidence of the case. How else can informed decision be reached?
- 4). The Jury is to determine the penalty (sentence) of the guilty party.
- 5). The judge is to serve as an unbiased resource for the jury, to answer questions on the law, and as unbiased referee on points of contention.

Although there are more, these five basic parameters are viewed as vital for a fair and just system of dispensing justice. If observed they would effectively prevent any and all despots from ever gaining dictatorial control over America!

Our forefathers knew the importance of the above controls on government. They had just come out from under a system where the King, through his agent/judges, would get rid of dissenters by holding phony trials and then simply eliminating the 'guilty' dissenter.

It was no accident, therefore, that our nation's founders built safeguards into our system of government in hopes of preventing this from ever occurring in the new law.

THE KING'S MEN ARE BACK

In the main, today's American public still believes, however naively, that these Constitutional safeguards are still in place and presently functioning.

Most do not know (what ALL judges,

attorneys and some of their local police officers do) that very gradually, behind their backs, their LAWFUL right to a fair trial, as well as their powers as Jurors have been secretly removed.

Those "in the know" understand clearly that we once again have the "King's Agent/Judges" back in control of our courts.

And currently, as some like to joke, it's not King George the 3rd but "**King George the Bush**" now on the throne. [C: At the time of this original writing.]

Let's contrast the five basic judicial parameters identified above—and which were to have guaranteed a just and honest system in America—with the manner in which today's secret injustice system works.

"SECRET" SYSTEM ALLOWS JUDGES TO CONTROL JURY

Under rules that the American Aristocracy has set up for itself Government Agent/Judges are politically appointed.

Under this set-up, private political dynasties are protected, and lifelong immunity from prosecution is virtually guaranteed them, as is also the security of perpetual wealth and power.

Listen: here are but a few of the changes that have been implemented which allow these elitists to control the outcome of any jury trial they wish.

- 1). Denying a selected defendant the right to a trial by a jury of his peers.
- 2). Selectively withholding evidence and testimony from the jury.
- 3). Hiding from the jury their lawful right and duty to decide if a law is fair and just as it applies to each specific case.
- 4). The judge wrongly deciding the punishment of the guilty party.
- 5). Using despotic "contempt" charges to silence or intimidate any who challenge these and other autocratic, corrupt and illicit practices.

Several other of the judge/agents' "favorite" oppressive courtroom tactics which often heavily influence the outcome of jury trials are listed:

The ability of a biased and corrupt judge to overrule the objections of the Defendant's counsel and sustain the objection of his government teammate, the Prosecutor.

In other words, the judge will stop opposing counsel from presenting to the jury all the facts, (some of which may even be crucial factors in a fair evaluation of the case).

Then he will allow his secret "partner"—the government prosecutor, to tell the jury almost anything he wants.

In this manner, we see the government agent/judge controls the information going to the jury and therefore controls the outcome of the trial.

The subtle and deliberate destruction of

the Defense counsel's credibility before the jury by the Judge's use of "prejudicial treatment and statements" (i.e., snide remarks, belittling and demeaning remarks and voice inflection leveled at opposing counsel solely for the benefit of the jury) thereby instills prejudice in their minds throughout the trial.

Think about it. With the use of these and other slick covert manipulations, who really decides the outcome of the trial?

We (police officers) see this Jury Tampering all the time and are amazed that it is done so expertly that the Jury never suspects a thing.

Americans have always taken great pride in proclaiming that ours is a "government of law and not men". But is it?

From even the sketchy glimpse given here of what transpires in U.S. courts today, can any thinking person say that LAW and JUSTICE reigns there today?

We can certainly see, we no longer have the justice system that our forefathers set in place.

Now, under "King George the Bush", there is the same sham system that King George III and other totalitarians throughout the ages set in place so they could selectively weed out any dissenters, or those not politically aligned, from among the masses, and still fool the people into thinking, "they had their day in court!"

THE GOOD, BAD AND UGLY

Far beyond the obvious unlawfulness, there are real problems with such a biased system that allows government agent/judges to give "selected" defendants (perhaps a friend or colleague of the judge) a particular style of "justice" and then someone that the agent/judge or his Controllers label "**BAD GUYS**" get the certain extra amount of **injustice**.

The most important issue when using such an unfair system is WHO is it that is put in charge of doing the "choosing and labeling" of who are the Good, the Bad and the Ugly in our society today.

Are we sure that it is the JUDGES (LAWYERS)—(OR THOSE WHO CONTROL THEM) that we want to put in charge of picking those among us that are to be consider the "**BAD GUYS**"?

The "**LAWYERS**"? "God in heaven protect us!"

Do we see the inherent problem in such a system? Oh yes, it would be wonderful if we could always be assured that the right people, THE REAL BAD GUYS, would be the ones to receive this extra special "injustice".

However, as you have surmised by now, the big problem with the system is, one week the person or group that is doing the "choosing and labeling" may be someone

who agrees with us as to who the BAD GUYS are. But, what about next week?

Suppose these all-wise chooser/judges decide for example, that all police officers who speak out against abusive government tactics, a corrupt judicial system, etc., are from now on criminals and must go to jail?

Or next week, maybe all people who "drink beer" or who make "ball games" their god, or who "chase women" after their shift, or believe in giving out necessary "Attitude Adjustments" are now criminals?? Let your imagination run for a moment.

We can see that under this unfair, unconstitutional system, even police officers, with their own set of quirks, might have trouble with this imaginary new CHOOSER, and might conceivably end up in jail, or worse!

JUSTICE DEMANDS SAME
JUSTICE FOR ALL

The above scenario is why our founding fathers decided it was better to have the same equitable justice system for EVERYONE. One that a power hungry judiciary, or anyone else, could not tamper with. And this is why our present system is absolutely wrong! And why it is a complete fraud and deception, for such an "activist judge" to tell the jury that they (the Jury) will ultimately decide the outcome of the trial.

As we officers have seen over and over again, in monitoring courtroom performances that not in all cases do judges feel the need to wield their secret controls.

If the defendant is a good old-fashion murderer, rapist, child molester, etc., the judge will many times just sit back and let the chips fall where they may. In such cases the jury is allowed to decide the outcome! Then again, judges with particular political and social bias have been known to use their secret controls to set free "poor misunderstood victims of society" (hardened criminals) who are a serious threat to society and belong on the gallows or in jail. Officers know this happens far too often.

PUBLIC ENEMY NUMBER 1

Some of you who have closely monitored these activities realize that there are certain type Americans who come before a state or federal court that almost guarantees his or her "HONOR" becoming an active part of the GOVERNMENT prosecution/defense and invoking these aforementioned, illicit Judicial controls.

This person is "any citizen who might give 'BIG BROTHER' a bad time such as by bringing suit against the Government or any of its agents for any number of present-

day unlawful and/or tyrannical government actions."

This person may also be on the opposing side of the present government administration's Humanist/Socialists "New World Order" political goals; or he may be one of those radicals our department warns us about. I'm speaking about anyone labeled as an outspoken true "Conservative", a "Constitutionalist", or "God fearing Christian" that is—"demanding that the government power be returned to the American People."

Officers know that if any of these type individuals come before the court, it is assured, with few exceptions, that the Jury decision in those select cases will be expertly, precisely, and secretly controlled (and decided) by the government agent/judge.

TYRANNY IN THE HIGHEST

It is important that we understand with total clarity that these "Activist Judges", through the use of onerous, unlawful powers, are committing serious FELONIES on a consistent basis, and therefore are in violation of their oath of office, which is to uphold the People's rights and the natural and Supreme laws of our nation.

BEWARE OF MAKING EXCUSES FOR JUDGES. I understand that some of our judges are our personal friends. I have several that I like on a personal basis also.

However, let me see if I can put this into a clear and simple perspective:

We all understand that a person's right to "a fair and impartial hearing by a jury of their peers" is one of the most important of all the personal safeguards of our Constitutional Republic. If we lawmen know this, could anyone believe that highly educated individuals, such as professional judges and lawyers, who have made the study and application of laws of this Republic their lifelong profession, WOULD NOT KNOW IT?

Do I hear any disagreement?

A fine attorney friend of this writer, by the name of Michael Minns, has written an excellent and important work entitled "The Underground Lawyer". (Every officer should read this book.) Anyway, in this book he details the history of our jury system. I will paraphrase a bit of this history.

Some 200 years before the Magna Carta was signed in England, Emperor Conrad of Germany established the guarantee of "trial by jury". This first system allowed for the JURY, not the government, to determine all civil justice and fairness, in other words—"due process"!

Notice, if you will, even back then it was the belief that the "people" had the best basic perception of what was good and what was evil, and an understanding of

property rights, that laid the groundwork for the "viability" of such a jury system.

This system was so fair and equitable that a Nineteenth century scholar by the name of Lysander Spooner wrote extolling the great virtue of this system in these terms:

"If the Jury does not judge the law, the facts, and all of the evidence, then they are merely the tools, rather than a barrier against the tyranny and oppression of the government."

Can you believe our present government Aristocracy today trusting the American people that much? **NOT ON YOUR TIN BADGE!**

We have discussed this before—that if any of you "Johnny Laws" have ever dreamed of being a part of a martial Law action, just wait a short while till these same power crazed Elitists trick the rest of our fellow foolish Americans into turning in their guns for a more "KINDER AND GENTLER NATION!"

However, keeping on point, the above writings of the Honorable Mr. Spooner is the way it used to be in our nation before the Elitists decided that they themselves were far more wise and could better decide who would go free and who should be convicted of crimes against "society" ("the State" or more correctly the "ARISTOCRACY").

STOP QUOTING. To be Continued.

Further discussion at this time would be superfluous so we will simply leave off at this point until we have opportunity to finish the subject article. **IF YOU HAVE NOT YET BEEN THE "VICTIM" OF ONE OF THE FARCES IN COURT—HOLD YOUR BREATH BECAUSE BEFORE IT'S OVER—YOU WILL BE. SALU.**

CONTINUATION: JURY TAMPERING
(by Police Officer, Ret., Jack McLamb)

THOSE WHO WOULD BE KINGS

A case in point: In 1982 I was interviewed on public television in Arizona. I was an active duty police officer at the time and also the Executive Director of a national police organization.

Before the interview the moderator (an attorney) and I had a moment to talk. We were discussing the present problems with the criminal justice system.

I had presented to him the "outlandish" idea that the jury (People), rather than the judge, should actually be allowed to decide the outcome of a jury trial by utiliz-

ing their full lawful powers, Jury Nullification, and with respect to reviewing all available evidence, witnesses, etc. His very stern and short reply to me was: "THE JURY (PUBLIC) IS NOT INTELLIGENT ENOUGH TO BE ENTRUSTED WITH SUCH POWERS."

Needless to say, our relationship went downhill from there. I'll say this though, with that attitude he's perfect material for a "political judgeship" under our present corrupt judicial system!

One can get a definite feeling for the depth of our problems in our U.S. judiciary from such exchanges. However, let's return to further quotes from our 19th Century scholar, Lysander C. Spooner. He continues: "It is not only the right and duty of juries to judge what are the facts, what is the law, and what is the moral intent of the accused but it is also their right and their primary and paramount duty to judge of the justice of the law, and to hold all laws invalid, that are, in their opinion, **unjust or oppressive**, and all persons guiltless in violating, or resisting the execution of such laws."

Think about it. Occasionally police officers are accused of crimes and find themselves facing a jury. Would not you yourself prefer that a **truly independent** jury of your peers decide your case **rather than a facade of jury**—craftily selected and secretly controlled by a single Aristocrat Government Agent/Judge?

As for this writer, give me a jury of my peers—their names randomly DRAWN OUT OF A HAT, NO other question, no other screening, no other qualification, **AND no secret judicial controls!!**

That is the **only way to have a jury of peers.**

Since space is always a consideration I have purposely focused mainly on the jury's right to decide both the law and the fact of the case before it. This is called "Jury Nullification" by the honest, and "Jury Lawlessness" by members of the Evil Empire...

NOT ALL JUDGES ARE "BAD"

Please remember that as hard-hitting as this article may seem, the intention is not to label all judges as "bad people". While it is all too true that nearly all judges use some secret illicit controls much of the time, we recognize that this "power grab" has resulted from long decades of **well planned, gradual, piecemeal encroachments.**

In fact the whole current, aberrant system has been so entrenched for so long, and gained such a high degree of acceptability that some offenders may even need to be somewhat excused, on grounds of ignorance. But excused **ONLY** until they are taught the errors of their

ways!

The single purpose of our study is to show that, regardless of who or what is to blame, we are at a point where the intended, all-important jury has been rendered powerless and is just sitting there as "eyewash" for public consumption.

We need to fully concentrate our energies on removing unlawful powers from the judiciary and restoring them to the People, in their capacity as Jurors.

Rational people everywhere recognize that indeed our Nation under God is gone; in addition it is recognized that **our freedom and independence are almost gone.** However, on a very positive note, we CAN give thanks that the few freedoms we have left (the vote of an independent jury being one) are quite enough to restore what has been lost. So, let's get on with it!

JURY NULLIFICATION IS A RIGHT

It is interesting to note that in 1895 one single corrupt judge on the U.S. Supreme Court usurped the right of the American Jury to be told that they do have the right to nullify bad law, or to be careful as to the method in which a specific law is applied to a particular case.

He did this by bestowing the decision of whether or not to tell the jury of their power to his brother Club Members in the lower courts. This was done because the juries kept deciding in favor of what the majority of the American People wanted instead of what the government Elitists of that time wanted. Wasn't that nice? Question: Does the Supreme Court have the right to purposely strip, or hide away, the People's inalienable rights????

As we have already discussed, it is through this kind of illicit judicial activism that these power-hungry Elitists protect certain individuals and promote certain political goals and, at the same time, punish other selected people or groups, and crush any opposition to their Elitist agenda.

President-King George the Bush, told us recently several times what the AGENDA is: his utopian "New World Order" (One World Government). Of course, it will be installed with him and his international cronies in complete control of the world's people under the United Nations. **[C: And so it has come to pass for it no longer matters WHO serves the Elite gods through the offices of you-the-people; it works out the very same in the final tally.]**

We should believe them completely when they tell us: "You won't need Constitutional protections in this new world

order." That's an understatement!

BELIEVE IT OR NOT,
A LAWYER TELLS TRUTH

One lawyer tells the truth! An attorney in Arizona (Van O'Steen) published this small, but "DYN-A-MITE", article in the largest newspaper in the state—explaining and upholding the right of the public to use "Jury Nullification". Absolutely unbelievable, but true! Read it [below] and CHEER.

JURY HAS POWER TO
NULLIFY LAW

At the end of most jury trials, the judge gives the jury instructions regarding the law applicable to the case. The jury is then excused to begin its deliberations and reach a verdict.

Jury verdict research indicates that most juries give great weight to the judge's instructions about the law. They take seriously the charge to apply the facts presented during the trial to the law as described to them by the judge.

Under our legal system, however, juries need not be controlled by the law. They may reach any verdict they like, notwithstanding what many would consider to be the obvious conclusion to be drawn from the evidence applied to the law.

This little-known principle is well established in our legal system. It predates the American Revolution.

If a jury believes a law is unjust, or that circumstances justify disregarding it, the jury generally has the power to reach a verdict that is apparently inconsistent with the traditional application of facts to law.

Most legal scholars agree that this power is one of the strengths of our judicial system. It is a corrective feature that permits ordinary citizens to do justice when unusual circumstances arise.

American juries have enormous power, and most of the time it is exerted responsibly.

Juries may be reluctant to reach a first-degree murder conviction where the accused disconnected a respirator from a terminally ill loved one. The power of jury nullification permits a "not guilty" verdict.

PEACE OFFICERS DO
HAVE POWER

One of these Fabian Socialists' greatest tools to use against the American People, (and, therefore, also their "Achilles Heel"), is our "dumb" but highly patriotic Law Enforcement Officers and National Guardsmen. (By "DUMB" I mean "not knowledgeable" about the INTERNAL enemy of our nation.)

Anyway, old King George the Bush (and now, Clinton the King Klown) and gangs, are deathly afraid of THE PEOPLE'S PROTECTORS GETTING EDUCATED (Cops and Guardsmen).

To go forward with their treasonous plans for America taking its place in their planned New World Order, they need all of their ENFORCERS (you) to do ON COMMAND the actual physical part of subjugating (placing under control) your fellow Americans.

Do you understand what would happen if the American Police Officer and National Guardsmen would REFUSE to execute their Elitist control?

Sure you know—and so do they!

That's why they are so afraid of you good patriotic American Cops and Guardsmen getting a real understanding of what their un-American goals are all about.

Never forget your power which was given to you by the people that you have sworn to protect! The enemy within this Republic cannot complete their plans to subjugate our people without your assistance.

If you do nothing more than uphold your oath of office, which is to protect the American People's Rights, and Property, their well planned World Government takeover plan is finished, KA-PUT!

Is Our Constitution On Its Way Out?

4/8/93 #2 CERES 'ATONN

LET US SPEAK OF THE
CONSTITUTION:
IS IT ON ITS WAY OUT?

The following was written by Jeffrey Forrest and his observations were run in the paper distributed by a group called Libertarians. It is both interesting and gives a lot of "history" in brief format so we will share it with you here prior to moving into a discussion on your Constitution and on to the Newstates Constitution under the re-"districted" New States—under the Government run by

That's right—YOU ARE THAT POWERFUL! What do you say we fight them every inch of the way? Help me spread the truth to our fellow police officers and guardsmen.

Start someone else down the road to understanding. This RESTORING OF THE POWER OF THE JURY is only ONE of the areas of importance.

Additional things you can do is to share Aid and Abet Police Newsletter and to attend local Constitutional-Patriot meetings. Don't BELIEVE the government hype against these fine Countrymen.

This old Cop knows thousands of them. These people love America as much as do you and I.

The other very important thing to do is to join in and help your fellow neighbors lawfully FORCE the judges in your state to stop lying and start telling the jury the truth about their powers and duties. Call or write to the wonderful people at Fully Informed Jury Amendment at P.O. Box 59, Helmville, Mont. 59843 (406) 793-5550. There is a group in your state right now that needs your help. They use the name "FIJA". PLEASE DO IT!

Please keep in mind that when I answer requests for documents for research, etc., "there are costs involved"...the work here at AID AND ABET is a "labor of love" dedicated to our nation and its people.

We are all volunteers! We never get a paycheck, nor charge for our time and assistance in answering or filling your requests; we ask only that our "out of pocket" expenses be replaced so that we can keep on helping to educate more of our fellow lawmen.

END QUOTE.

the United Nations One World Government. You will note, please, that in the United Nations—ONLY THE TINY (COUNT THEM ON ONE HAND OF FINGERS) FEW ELITE NATIONS ARE CONSIDERED IN ANY MANNER WHATSOEVER.

QUOTING:

The importance of a Constitution as the defining instrument of government can't be overemphasized. It not only sets up the structure and rules of government, it defines the limits of power. The United States Constitution has been called "the most noble document ever

penned by the hand of man". Truly, that may be, but a document is no more than the deference accorded to it, and there exists valid support for an argument that the U.S. Constitution *may not be legal at all*.

Escalating tensions between the Colonies and Great Britain erupted on an early spring morning in April, 1775. A small militia of Massachusetts volunteers nervously waited at the little New England town of Concord, while a large contingent of British soldiers approached the bridge. The colonial minutemen had trained for this moment and they didn't yield to the red decorated troops. Then, the crack of a musket broke the still air. No one knows who fired first, but the "shot heard round the world" set loose a Revolutionary War, and a series of events that would change the world forever. The volley that followed still echoed across American countryside when the Declaration of Independence was declared over a year later, on July 4, 1776.

During the year prior to declaring its Independence, and for five years afterward, the American Colonies were an independent coalition of states operating without a constitution. For the next eight years, government was conducted under a different constitution than we now have.

ARTICLES OF CONFEDERATION

In 1777, amidst the fervor of war, representatives of the colonies met in what they called a "Continental Congress". There, they drafted the first Constitution of the United States, calling it the "Articles of Confederation and Perpetual Union". In 1781 the Articles were ratified, and for the first time the United States had a formal guiding document of law.

The early Americans now held dual citizenship, but allegiance toward the new Federal government was secondary, if at all. It was the lesser of other evils. Their first loyalty was to their own particular state, but they knew that if they were able to ward off the aggression of world powers they had to stand together in a united front.

In many respects the new Constitution was not unlike the present day United Nations design. Each of the 13 states expressly retained their own sovereignty, freedom and independence. Distrustful of centralized power and protective of their own sovereignty, the drafters deliberately created a Federal Government that was weak in its dealings with the various states, and without power as to the individual citizens of the states.

The Articles of Confederation placed

several significant limitations on the Federal Government. First, Congress lacked the power to regulate commerce; and since most treaties were concerned with trade, Congress was left virtually impotent insofar as its conduct of foreign relations. Second, Congress could legislate only as to the states, therefore it could not enact laws directly affecting individuals. Finally, and most importantly, Congress had no power to levy taxes, and the power to tax is the key to control.

The Articles provided for amendments, but any amendment required ratification by all thirteen states. It was intentionally difficult, if not impossible, to make changes.

The limitations placed on the Federal Government frustrated the Federalists who were anxious to make progressive changes and consolidate power for the sake of efficiency. Every attempt to amend the articles failed.

THE CONSTITUTION

In 1786, a Convention met in Annapolis to discuss the problem of interstate commerce. Federalists saw their opportunity, and out of Annapolis came the proposal for a Constitutional Convention. It met in Philadelphia in 1787, and amid controversy and dissent, drafted our present Constitution. [C: For exceptionally interesting reading about these things please read **THE FEDERALIST PAPERS** by Hamilton, Madison and Jay.]

Legal adoption of the changes provided in the new Constitution required an amendment of the Articles of Confederation to either completely restructure the Articles, or to dissolve it altogether. Knowing that there was little or no chance of amending it, the supporters of change came upon a simple plan to ensure adoption of a new Constitution. They simply ignored the amendment procedure.

In fact, they ignored the Articles of Confederation **altogether**, and submitted the **new** Constitution to the state legislatures for ratification by their selected "conventions". Under the Constitution's provisions, ratification by only nine of the 13 states was required for passage. The ninth state, New Hampshire, ratified it, and on March 4, 1789, a new government began operation as the "United States of America". No longer did you have specifically a (u)nited States of America. Within the next two years all thirteen states had joined the "Union".

Today, while the argument over "states' rights" still rages in various quarters, there are also those who would concentrate world power in a United

Nations. Will it one day be as easy to dump our Constitution, and subordinate the sovereignty of the United States to a world body?

END QUOTE.

INDEED! More easily than above, for the actions of the Elite ALREADY UTILIZE THE UNITED NATIONS CHARTER AND THE NEWSTATES CONSTITUTION, SO IT IS ONLY IN THE "PRETENDING" THAT THERE IS "USE" OF YOUR CONSTITUTION THIS DAY. ALL ENFORCEMENT IS CARRIED OUT THROUGH THE UNITED NATIONS AUTHORITY OF THE NEW WORLD ORDER ONE WORLD GOVERNMENT—BY THE ELITE FOR THE ELITE!

This is WHY the push to have a Constitutional Congress called—the Elite can go forth and dissolve THE ENTIRE CONSTITUTION AND PUT INTO ITS PLACE THAT WHICH IS ALREADY IN USE—THE NEW. THEY WILL TELL YOU, AS THEY DID WITH THE ARTICLES OF THE CONFEDERATION CHANGES AND AMENDMENTS—THAT THEY WILL ONLY "IMPROVE" BITS OF THE CONSTITUTION—BUT THEY WILL COMPLETELY SET IT TOTALLY ASIDE—FOREVER LOST TO MANKIND—FREEDOM.

For those, such as the Native American "Indians" who claim that nothing could be worse for "them" than what has already happened under the White Man's Constitution, I ask you to harken up a minute, brother.

It is not the fault of the "Amended" laws that you suffer still—IT IS THROUGH THE MISUSE AND FAILURE OF THE ONES IN CHARGE TO HONOR THAT CONSTITUTION WHICH CAUSES YOU GRIEF. AND, THAT IS MY POINT—YOU ARE NOW LOSING LAND, SOVEREIGNTY, RIGHTS, RESPECT AND MORE AND MORE ARE YOU HELPLESS TO COUNTER THE ELITE WORLD ORDER. AS A MATTER OF FACT "THE ELITE" CONTROLLERS NEVER ALLOWED THE FULL AND HONORABLE USE OF THE CONSTITUTION—BUT FROM ONSET BROKE THE RULES AND MADE A ONE WORLD GOVERNMENT FOR THE ELITE FROM THE BLOOD, SWEAT AND TEARS OF ALL YOU, THE MASSES—COLOR AND CREED NO OBJECT.

To move into any kind of reclamation, you must unite AS BROTHERS and stand in the shelter of the Great Spirit of Lighted Truth or you will ALL fall into the trap and be enslaved by these vipers from Hell—these Elite offspring of Satan. The choices, as always, ARE YOURS.

Introducing Cmdr. Korton Chief Of Communications

**4/8/93 #1 CERES 'ATONN
& TOMEROS MAASU KORTON**

**TOMEROS MAASU KORTON, Cmdr.
CHIEF COMMUNICATIONS OFFICER**

'Atonn present in the service unto Holy God. I take the privilege of giving recognition to a receiver-translator whom we shall simply recognize by his elder label of "John".

Dharma has written many, many hours for Tomeros (Thomas in English) Korton and is grateful to have relief so our thank-yous are abundant in appreciation. As the "crew" becomes more organized as to locations of central function about the nations, representatives must be available for translating our communications transmissions.

I will not "press" for regular writings for the paper for training is long and tedious for the receivers and to find a level of comfort is at first quite difficult. We will, however, add, to the Toniose Soltec geophysical entries, those of communications Cmdr. Korton—as comfort is reached with the receiver. Esu "Sananda" has had a speaker and writer in Thomas for years but we allowed Druthea to be the focused scribe during these past four or so years. That resource is now lost to us in validity acceptance due to very earthly pressurings, as was the receiver for Moses, who also as readily received from one she assumed was Esu (Jesus). Validity and clarity of reception and CLEARING is both the responsibility of the receiver AND the speaker. This means that the RECEIVER-TRANSLATOR must at all times be most careful as to resources utilizing his-her "frequency". For no matter what entertaining channels may wish you to think—the dark-side will always "get there first" and fool you by "truth" only to dissolve into heinous tools of misinformation and disinformation. However, TRUTH FROM ANY SOURCE—IS TRUTH AND IT IS UP TO THE READERS-LISTENERS TO FORM THEIR DISCERNMENT—FOR WE JUDGE NOT THE PHYSICAL SPEAKER. Our most humble wish is that those speakers will continue to find audience—FOR TRUTH, but it is most difficult to recover original respect after physical expression has been damaged or destroyed through human ACTIONS AND INTENT TOWARD HUMAN "GAIN", in English,

the word of definition being "greed".

The slip-over is rarely recognized and the ones in point will deny, excuse and even lie to avoid confrontation of the truth of it. But the adversarial forces will abandon those precious beings when their dirty work is accomplished or CAN-NOT BE ACCOMPLISHED—WHICHEVER COMES FIRST. We effort in every "human" way to be heard for as the human expression takes hold and the energy resources program for tuning out the Host's warnings and petitions, the Receiver-Translator BECOMES QUITE DEAF, LOSES LOGIC AND GRASPS AT THAT WHICH IS "PHYSICAL".

Be that as it may—there is always the waiting and committed ones who take the task in open willingness to serve as needed. We are honored and when these ones continue without failure under the load and bombardments—there is rejoicing "in Heaven".

I shall tell "John" who he REALLY is one of these days—but the task must always be undertaken and expressed without much realization of other than purpose of the task at hand and undenied, unqualified devotion and intent to serve the Lighted God and Hosts—not without clearing and question—but without tinkering and reservation once the lines are clear and functional. It is most difficult to put aside the interruptions and interference of "consciousness" and "receiver opinions". This must be totally overcome in all instances if information is to be valid as presented—not corrected to suit the needs or wishes of the day.

I do have to request that these brothers of mine keep the writings to minimum length (SHORT) as we overload this newspaper now going to print in far too many pages. Yet, it is a time when we must present these things (happenings) of the day and the "time" so that you ones can grasp necessary actions to make it through the time of chaos and confusion and enter into what will most likely be time of total enslavement of the masses. You shout "this is a free nation" if you be from America—NO, you are enslaved and pay for the enslavement. It will, however, get much worse before it turns about on its axis and moves again into freedom. Therefore, you must know what you are "about" and act in wisdom through intelligence—

and studied knowledge of the facts as presented. MOST on the planet will heed not, nor CAN they heed anything save simply survival, if that much.

For instance, as a radioactive cloud sweeps across the lands from Russia (Siberia) said to be a nuclear **POWER** plant in Tomsk—what have you, actually? Well, it seems that for a little village of such as Siberian Tomsk, a lot goes on. Remember back if you will—a few years—AT THE TIME OF A MOST IMPORTANT SUMMIT MEETING—A MUNITIONS PLANT BLEW UP ON ABOUT THE EVE OF SAME. AND, HOW DO YOU "KNOW" IT WAS A POWER PLANT? HOW DO YOU ACTUALLY KNOW ANYTHING? YOU DON'T AND THIS IS FAR WORSE THAN ANY LITTLE HUMAN ERROR "ACCIDENT" (**FIRST IDENTIFIED AS A "NUCLEAR INCIDENT"**). I suggest you take a good deep breath, open your eyes and ears and hang onto your seats.

So be it, scribe, may we now just present Tomeros' writing to share a bit of uplifting input out of the fear and dreary happenings of the day.

4/5/93

Korton present upon the ray within the Light of God.

Attend your contract with us as the source for your telling. Be the seed that we create to share with your brothers in the snare. All of the writings are words to express the moment of communication. You are to communicate our mastery of your words to precipitate communications with events that you humans call "time", a close inspection of things as they happen, indeed.

I must thank Commander Hatonn for his orchestrating my acceptance by my scribe over these events of human perception of nearly 3 months. Force fed by your command, therefore, thank you Commander, as there is another to receive our own understanding.

I will pause for John to read and think this over with all his own many points of view....

[C: As "original teacher" I suggest that John try a different approach: don't stop to "think" about these things for from these periods of pausing comes the confusion of the content, the doubts and the desire to feel inadequate. WRITE—then, and only then, ponder upon the message. Yours is NOT to conform the message—ONLY TO TAKE IT AND STUDY IT AS OTHERS, AFTER THE FACT. ENJOY THE "COMMUNION" FOR IT IS INDEED WONDROUS—BUT DO NOT GET LOST IN THE COMMUNION OF SELF AND

FORGET THE TASK AT HAND. John, you are doing superbly—do not attend the spelling, punctuation and other things which require your attention in the conscious self-consciousness. These things will come easier as the teacher becomes ever more affluent in the language in your own data system. We will NEVER allow embarrassment to either you, the word, or the teacher—except as we make our own errors. Simply attend the messages in translation, rest in the rather personal content here at onset for only through this type of rather broken communication can the ultimate messages and lessons, especially as they become quite scientific in nature and presentation, be accepted and penned by the receiver. You must realize at some point that you WILL NOT KNOW CONSCIOUSLY—MOST OF WHAT WILL EVENTUALLY BE PRESENTED. Korton is our Chief Communications Officer and, therefore, information WILL (must) become at some time, technical. Just as with Dharma receiving Germain's technical data with Walter Russell, so too will you be hearing from ones of great frequency technology. It is most difficult to "communicate" between worlds and dimensions so that understanding is received and utilized in both transmission and receiving centers. Thank you for your patience; I salute you for your patience and never-failing eagerness and willingness to serve. Salu.]

Korton at the helm to exclude the "other 6 views". All is from the Light of God, John's views are from man. All is not lost, however, for there is much received from the higher realms of perceptions. There is much work to be done. Understanding is on the rise to its level of incompetency. There must be Light from a higher source to transcend those manmade limits of growth. There is a fountain of perception within the willing mind to receive. The words are the vehicle to transport the understanding within your own perception that is without limits within God. All of creation is within God's Light and you are that same Light in reflection. So let us see the words as tools to accelerate your perceived perception beyond the limits placed by self within the illusion of the physical persuasion.

Webster, the adversary to goodness, would confuse the scholars to where they think that properly strung together, words will express truth of a thing. Not so. The words only uncover the truth known WITHIN the receiver, that is there already. As in understanding—realize these are your limits put upon you by the adversary. Listen within for our mes-

sage to set you free of the snare of "**perception limits**". The foundation of greed: **power** over perception.

To say it another way, we are here to guide you to the recognition that those limits are **man made** goals for profit and control to enslave your souls through your own perception of limits. As Commander Hatonn has said, "You have not yet learned that you do not need to eat", or that there is no "out there somewhere" God, or that Jesus somehow died FOR YOUR sins so that "we are magically SAVED". There are many examples of limits created on our perceptions like, the other guy with money, cars, clothes. He says he does not believe; he is an atheist....etc. Maybe that is the secret to success and respect...or, how about this: "I think I will believe in God because then I can claim Jesus Christ as my savior and sin all I want, because he spilled his blood for me to keep me safe and out of harm's way (just in case some of it may be true)." There are many ways to limit your perception from man's many points of view; however, the Hosts have come to show you the way from all of the evil snares of perception designed to entrap you in the illusion of those limits.

To confirm this message for today: **See the limit, then look beyond for the Truth that is hidden from you by those limits that restrict. Reach to God of Light, your being within that is all knowing and free to be WITH GOD and then place those limits you choose to set WITH HIM as you grow in the Light of God. Amen.**

I know this is a worry to you, but being thrown into the water WILL teach you to swim and KNOW that we are here with you.

There is a road which is perceived, say, by an ant which is not much different than if there were "no" road. A rabbit perceives a different road. But the ants, mostly no road at all from their tiny flatland viewpoint. And the rabbit perceives only an opening stripe of the road. But nonetheless, a road (pathway) is perceived each unto its own direction-finder. Man may perceive those paths as not fit to even be called a road for it will be qualified as too steep, too narrow, too muddy, too bumpy, too many holes, not wide enough and on and on. As with perception limits. Its existence is within your perceived illusion of reality, which insists that you comply with the rules laid down for you or the limits as resulting from the illusion of perception with all those limitations.

All of the physical is but illusion. You must KNOW this possibility in order to grow in the Light of your Soul journey into **REALITY** (that which is beyond illusion), where a sequence of events may

and can begin beyond your physical expression of perception, grow into a consciousness of what IS, including perceptions, limitations and illusions. How many people do you know who would even perceive an "ant road" or a "rabbit road"? Ants seem insignificant to man's perception. However, almost all humans would perceive the road as an "ant road" if there are enough ants on it. They could change the physical perception of man through physical power—and fear—if there are enough of them. These are the tools for molding physical perception and creating limitations while shackling "the soul".

A "rabbit road", however, has been "perceived" by man. In fact, one of your leaders, President Carter, relinquished his perception of physical authority over a rabbit. (He was camping and came back to proclaim a "killer rabbit" attacked his group.) However, the limit of physical perception held by the masses would not allow this perception to stand, and sent this particular entity to the "shop" for a "mental tune up"! So it is that there are limits in the other direction of travel, also, and perceptual existence remains within a narrow channel of allowed perception, held in place by a "perception" of how you *must* think, express, and participate within this illusion. It would seem you would rather fight than switch perceptions beyond those limits. Or, might you try it within, in the silence and stillness of the universe, with GOD in your mind, to be a part of this experience with illusion WITHIN SOUL, and consequently and subsequently be able to grow through the illusion into what is WITHIN GOD'S LIGHT.

Could there be reality within "this reality"—a new reality as perceived "from"—or must it be "IS" as there is creation of wider realities that can also be illusion that is perceived in the physical? Is the "other" not? Look to see what power is present that creates a "reality" that is illusion that all perceived is represented in the physical perception only. You must allow going beyond the perceived limitations of physical "reality", on into WHAT IS, to find the "cause" of assumed "reality". **It is from here that you must go WITH YOUR SOUL; it is your journey to commune and return to the physical, commune and return, commune and return—until the illusion becomes your own CREATION WITH GOD!**

Korton is blessed with this opportunity to serve.

Salu.

Blessed are those who seek and find, dare and achieve—for in that willingness of the first step is the journey accomplished. Thank you.

Waiting Upon The Lord: Thoughts On Soul Purpose

4/7/93 #1 SANANDA

Greetings, beloved Thomas, I am present in LIGHT which I AM.

Let us speak for a moment on the phrase, "Waiting upon the Lord". What does this mean to you ones? Is waiting synonymous with inaction? Is waiting something that you do without thinking? Is waiting a mindless, helpless, drifting concept with no beginning and no ending? Nay, nay, and nay again.

"Waiting upon the Lord" means to wait for that which will surely come as night follows day, as summer follows Spring. Each soul energy has their own purpose, their own destiny to fulfill...none may fulfill that destiny for another. EACH WILL BE GIVEN TO KNOW THAT WHICH THEY MUST DO TO FULFILL THEIR INDIVIDUAL SOUL PURPOSE IN THE PROPER SEQUENCE OF WHAT YOU KNOW AS TIME...EACH WILL BE SO STRONGLY GUIDED, NAY, COMPELLED TO BRING FORTH INTO THE PHYSICAL THAT WHICH THEY, INDIVIDUALLY, ARE TO BRING FORTH THAT THEY WILL NOT REST UNTIL IT IS ACCOMPLISHED IF THEY BE OF CONSCIOUS, THINKING, REASONING MIND. Unfortunately you have entered a time in history when man has become detached from his soulessence...mesmerized by the mind control of the Elite Controllers who seek total enslavement of the planet. It is only through the INTENT TOWARD GOD AND LIGHT THAT SOUL PURPOSE MAY FULFILL ITSELF PROPERLY.

Let me use an example that may be a bit too personal but will serve well in this instance. Thomas has been waiting for the time to write for me, Sananda. He has been waiting upon the Lord. He has not forgotten his purpose to write of my journey to those two thousand years past; merely, he has awaited the sequence. Now comes the tricky part for many of you. How many of you, after waiting upon the Lord for clarity of your mission or purpose on this plane, will remain in a state of inaction once you receive your instructions or guidance on that which is your purpose? How many will wait for another to do that which only the individual themselves may do? You have become so detached and desensitized as a people that you must come back into alignment with your very soul...and this is done through intent and intent alone. Intent toward what, you may ask? Intent to-

ward God, toward Light, toward service unto Holy God.

Look into thine mirror, each of you. What do you see? Must you turn away? There is no running. There is no hiding. You may not hide from soul purpose. Each will either fulfill their purpose honorably or spend countless years in the examining of their *conscious decision to turn aside from the path of LIGHT*.

The time of decisions is upon you and each of you must decide what it is you are willing to do or not do.

How do you spend your time? Do you read? Do you spend your time in bars, having sex, drinking, taking drugs, talking about others, making judgements, committing acts of violence? Think on these things.

We of the HOST come in service unto our FATHER OF LIGHT AND UNTO THE MOST HIGH CREATION. Who do you ones serve and how? Have you not waited upon the Lord long enough?

Do I tell you to now suddenly become impatient and to mindlessly act? Nay, nay. What I am telling you is that waiting upon the Lord does not mean falling into a deep coma-slumber never to awaken again in the density of earth plane. AWAKE, AWAKE, AWAKE!!!

You have heard it said from beloved Ceres before, "We sell no wine before its time", and so it is. Who among you will recognize the call when it comes? Who among you will respond? Too busy? Now isn't a good time, perhaps tomorrow? Oh? Sorry, you had the call and missed it...perhaps God will be too busy for you tomorrow...PONDER IT, BELOVED ONES...HAVE YOU BEEN TOO BUSY TO SERVE GOD? TOO BUSY TO LISTEN FOR THE CALL FOR WHICH YOU HAVE AWAITED? TOO BUSY TO BE QUIET ENOUGH TO EVEN HEAR THE KNOCKING AT THINE VERY DOORS?

Am I angry with you ones? Nay, I come to tell you the TRUTH OF IT. I am not speaking to Thomas, I AM SPEAKING TO ALL WHO RECEIVE THIS MESSAGE!

Ask not for whom the bell tolls, it tolls for thee!

This is the CALL TO ARMS...AND I DO NOT SPEAK OF ARMAMENT...I SPEAK OF CONSTRUCTIVE ACTION TOWARD BUILDING, TOWARD GROWTH, TOWARD POSITIVE ACTION, NON-VIOLENT POSITIVE ACTION...HEAR ME WELL...THOSE WHO WOULD TELL YOU TO TAKE UP PHYSICAL

ARMS ARE NOT IN MINE SERVICE FOR YOU SHALL ONLY BE SLAUGHTERED IN THE MINDLESS ONSLAUGHT THAT WILL SURELY FOLLOW....WILL YOU HAVE THE COURAGE TO TAKE UP THE PEN OR THE SHOVEL OR THE HAMMER TO SURVIVE OR WILL YOU THROW IN THE TOWEL, GO BACK TO SLEEP, ONLY TO FIND THAT YOU HAVE LOST YOUR VERY BEING? PONDER THESE THINGS.

Well, what can I do? All you do is yell at us! Oh? How so? You can do whatever it is you decide to do, but I tell you this surely: Unless there is a conscious decision and commitment of intent to serve God, whatever you do will fail in the years ahead, even if you attain what you would perceive as financial rewards it shall all come tumbling down upon you. You ones have no concept of the level of control that is now in full force. Ceres has shared much with you and still you do not know the extent of it. Get right with God and get on with it and you shall know GLORY. Choose the Black Road and you may count the minutes remaining to your very existence. The choice, as always, is man's. We may only serve as guides. Each must decide for self.

Yes but I may only decide that which you want me to decide. Oh? How so? Each will choose their own path. How many choices do you make in a day? Think about it. How many choices do you make in a day OR HOW MANY EXCUSES NOT TO DECIDE?

When I speak to you ones in this manner I am not yelling and I am not angry. I come as a Teacher. I am returned as SANANDA, *one with God*. Would you not think it the better part of wisdom to consider the teaching I bring? If you are dying of thirst and know not where there is water and a man comes along and tells you to dig here for therein is water, will you not dig and find out? Or will you rather remain in a state of inaction and perish of thirst? The choice is yours. I come with water, the very *water of life itself*. Won't you drink with me?

I believe it is becoming quite clear to you ones, even the unthinking ones, that your Earth mother, GAIA, is a living breathing organism, a *conscious souled being*. Earth man has much to learn as his ego has so overstepped its own bounds that soon man shall be given to learn humility by the very Earth herself. Your world is a seething cauldron...the conflict and turmoil among man is so very great...and the programming that will increase and increase and increase will stir the cauldron to the boiling point. Who will seek the shelter of LIGHT which I bring?

"I will, I will", you say? Oh? Oh so? What are your choices? What are your actions? What are your thoughts? What is your intent? BY THEIR WORKS THEY SHALL BE KNOWN. WHAT ARE YOUR

WORKS? WELL?

Let me again say that which has been stated before. There is no job greater than another, only different. The man with the hammer that builds of the house is as great as the political leader. The person who cleans of your house is as great as any other. Do not put your values onto the task you serve. Integrity and honor and service come from the heart. Each job is worthy, no matter how seemingly small...for remember, all is connected to all, for it is all ONE. Each is part of the whole, and without that one it is not complete. ALL IS ONE, FOR ALL IS THE THOUGHT OF CREATOR IN LIGHT.

Why do you not know of Creator? Why do you not know of LIGHT and the very universe in which you live? Because the controllers do not want you to know of God, of LIGHT...they have banned the very books that tell you that which you need to know on the very subject in the PLEIADES CONNECTION series of PHOENIX JOURNALS, now held in the hands of the Federal Court in Fresno!

Freedom of speech? Free press? Yes, when it serves their needs. Step out of line and you shall be squashed with the big foot come upon your very heads! Try having some land that the Elite want in Southern California and they will say you are growing marijuana *hanging from trees*? You have got to be kidding! But no, beloved of mine, they are not kidding...they will think of any tale no matter how preposterous to arrive at the ends they chose and they have the law and the guns and the manpower to do exactly that and life itself means nothing to them. Learn from the actions around you, or become a victim in the unknowing and careless acts of incorrect choices.

It is a time to pull together. If ones near you will not listen to the truth you share, turn from that one. The time draws nigh for choosing and each is deciding where they stand. The choices of LIGHT are glorious...many are called but few are chosen. Spend not your time in arguments trying to sway another to your view...ones will be given into the knowing of the truth of it. Ours is not to fight...ours is to see it through in LIGHT and SERVICE. Who do you serve? Who is your master?

I come in service unto the one God of LIGHT, ATON! I come again as promised, returned with the HOSTS of GOD to reclaim mine beloved. Will you be among them?

With Blessings and Light upon you ones who work in Mine vineyards, I take My leave. Thank you, Thomas, for again we meet in this manner and it shall be clear and true and shall not be difficult for you.

Adonai.

Nora's Research Corner

THE NAME AND RANK "SANANDA" (Part III and End of Series)

Revelation 19:16 — "And he hath on his vesture and on his thigh a new name written, KING OF KINGS, AND LORD OF LORDS." (*King James Version of the Bible.*)

The last twenty years (prior to 1992) have brought increasing problems to our nation and the world. I have had a sense of urgency about it, as well as of disasters ahead, for a long time.

My personal search for answers to the world problems has taken me through the books of many authors and scriptures of many teachers — some great teachers.

When, in 1989, I was introduced to the PHOENIX JOURNAL titled AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA, I felt inside myself the Truth of what was being explained. Nevertheless, I knew others might not readily accept an account so at variance with the accepted religious doctrines on the life of the Christed One.

I thus set about to find references which would make the JOURNAL, and especially the less familiar name "Sananda", understandable and meaningful to others, insofar as possible. Commanders Gyeorgos Ceres Hatonn and Esu-Sananda have already provided abundant information in their JOURNAL writings regarding this matter. I add only some fragments of information and personal thoughts gleaned over a period of years of study, in the hope that others will benefit from it in arriving at their own insights.

Some time ago, I wrote an outline of what I had discovered through my research on this matter to Hatonn, Sananda, and Dharma in 1991. Hatonn was gracious when I asked if I had arrived at the right conclusion. He said, "Yes, Yes, Yes!" So—I will share the information with you plus additional insights. I believe I have been guided in the quest for this material, and do not claim credit for it. Neither do I claim that it is an exhaustive study. There will be much more to learn about the name "Sananda" when we better see and appreciate Him as He is, and have grown more ourselves, in TRUTH, past the heavy indoctrinations of the conventional religious fables.

It was during my visit to Swami Sivananda Radha's Ashram in 1974 in Canada that I first learned about the word "ananda", my first clue. "Ananda" means love, bliss, compassion, and more. It is a term used to describe, especially, the attribute of a strong compassionate, gentle,

loving person. It includes joy, cheerfulness and all of the accompanying feelings and attributes.

Many teachers of India include "ananda" in their names, which they choose to use as an expression of themselves, or is applied to them because they embody the attributes. For example: "Siv ananda", "Vivek ananda", "Yogananda", etc. It is a term most commonly ascribed to "Bhakti Yogis" — which means the path of devotion, or love of God and His Creation. Indeed, that all the truly great teachers were known as "compassionate ones", is itself a major clue.

My next clue came through reading numerous books by various authors about the religions of Asia, but primarily India. One of their frequent word usages is "satchidananda". The word is applied as a name to some outstanding people. It is also divided into its component parts and discussed as a descriptor of the attributes of enlightened beings. The glossary to the book *The Gospel of Sri Ramakrishna* explains the meaning thusly: "(Lit., Existence-Knowledge-Bliss, Absolute) A name of Brahman, the Ultimate Reality."

This glossary provides some additional clues:

"Ananda: Bliss"

"Chit (AKA chid): Consciousness"

"Chidananda: The bliss of God Consciousness"

"Sat: Reality, being."

(There are also other spellings of the word elsewhere such as Sathchitananda, etc.)

In the PHOENIX JOURNAL titled AND THEY CALLED HIS NAME IMMANUEL, I AM SANANDA, Sananda relates his true life story as Immanuel-Esu, and how He went to the North Country to teach and to India to live and teach. (He spent some time in India prior to His public teaching in Palestine that we are aware of from conventional religions. In addition, He **returned** to India after His "crucifixion". He did not die on the cross.) It is therefore not surprising that His "new name" is one many Asians will also recognize—it is not without purpose.

Nevertheless, Hatonn has also said that "Sananda" is more specifically a level of achievement or rank or status, like we might use the military rank or achievement terms of "Captain" or "Admiral", or as the term "Christ" means in describing one who has achieved a level of Christed or enLIGHTened awareness as did Immanuel-Esu (who was mis-named "Jesus" by those early builders of a religion around this

Great Teacher).

The even more advanced term of "Sananda" means "one with God". Immanuel-Esu was a "Christed" teacher. Sananda has attained His Godhood. Sananda has said He has not been idle these last 2,000 years. He went to "prepare a place for us" — and now He will be returning to take those who are God's people with Him to that place.

The above should not really surprise any student of the Bible for Esu said when He was here 2,000 years ago that He had "other sheep He must bring also". Did you ever wonder who they might be?

John 10:16 — "And other sheep I have which are not of this fold: them also I must bring, and they shall hear my voice: and there shall be one fold and one shepherd."

Who might some of these other flocks be? Well, for instance, Esu is known as the "Pale Prophet" to the Native American peoples. There will be many who will recognize Him when He comes and each group will likely have their own familiar-to-them name for this same Shepherd of the flocks.

The next "clue" came after reading one particular issue of the newsletter (that preceeded the larger newspapers called THE PHOENIX LIBERATOR and, later on, CONTACT) called the PHOENIX EXPRESS in early 1991. Hatonn had suggested that we compare the names Sananda and Satana — that both names had been given by the same "Father". Further, Hatonn said that Immanuel-Esu's greatness would have been recognized, and thus He would have been pronounced or named "Sananda", already 2,000 years ago, if He had been incarnated in the culture of Egypt rather than in the more backward civilization in Palestine.

In the early issues of the PHOENIX EXPRESS, Satan's name was spelled "Satana". I was able to locate this spelling for the name in George M. Lamsa's translation of the Peshitta (the Eastern Text of the Bible in Aramaic) into English (see page 1061 note therein). The note states: "The Aramaic 'Satana' (Satan) is derived from STA, which means to slide, to slip, or to miss the mark, and applies to one who causes these results." I cannot comment on the comparison between the Indian and the Aramaic meaning of the word. In any event, the above is one confirmation of the name, "Satana".

Further, Hatonn has given more information about "Satana" and his followers in early PHOENIX JOURNALS, including the fact they have an "extra helping" (my words) of energy. Also, they receive extra guidance to help them balance that energy (my interpretation). The term "fallen angels" probably carries the same meaning of more powerful, if "fallen from grace" beings.

What would a comparison between the

names Sananda and Satana look like using the word "Satchidananda" from Indian teachings? If you think of the gradual development of a soul through many lives of experience and free-will choices, you realize that each life provides abundant opportunities for growth, as well as good and evil.

Think of "Sat" as the basic life provided to each human soul, or "reality" and "being" (existence). Think of "Chid" as the experience gained through many lifetimes resulting in knowledge and skill. Think of "Ananda" as the crowning development of any individual soul, a development reached when they are almost ready to "graduate" from this Earth school, resulting in "godhood" or "the absolute", or "oneness with the Father".

Satana (AKA Lucifer) was created perfect, a heavenly son of God who, maybe like a typical teenager, then rebelled against God and God's Laws. Immanuel-Esu, the Christ, was also a heavenly son of God. Both entities have encountered an abundance of life and experience, but each has made their own particular free will choices, and the results are thus uniquely individual.

Now let's try something different: If I identified the two on a hypothetical chart and were to give them a score (from one to ten, ten being the highest) on their "SAT" (reality, being, existence), "CHID" (consciousness, knowledge, experience), and "ANANDA" (love, bliss, compassion) components, as is indicated by their names, it might look something like the following. (Remember, it is not wise to judge another being, only their actions. This exercise is only meant to be one approach to this discussion).

Scores:

	SAT	CHID	ANANDA
Satana	10	8	1
Sananda	10	10	10+

The above "scores" are my own invention, being used, in a way, as educators routinely have to discern and "grade" the performance of their students in the classroom. My understanding and ideas about these two scores are that Satana and Sananda both started out with full attributes of reality and being. Sananda, unlike Satana, has increased His being through right choices and development, according to God's Laws. Therefore, I give Sananda all pluses.

The scores on consciousness, knowledge and experience have a similar reasoning. Satana has been around a long time, but the rebellion and turning away from God's Laws has resulted in his knowledge and sphere of experience being confined to the lower dimensions of material expression. Therefore, I gave him an "8". Per-

haps this is too high a score but opens the door for discussion and concern for the "wayward son".

On the other hand, Sananda has beautifully mastered the Earthly dimensional realm — thus the "plus" added to His score is indicative of that. The word "Chid" is not indicated in either the name Satana or Sananda except as implied by the eventual progression toward or development of Ananda as a "crowning" achievement.

Of course, Satana has not yet learned compassion for his fellow beings and-or love for God and His creation — this is evident in all the mischief he and his cohorts do. Nevertheless his name does indicate a possibility of developing "Ananda", that is, a "seed of Ananda" is indicated in the last three letters of his name. Therefore I "hopefully" score him a 1 on this attribute. Immanuel-Esu was already known as the "Compassionate One" when he was here 2,000 years ago, thus indicating the level of this attribute which He radiated.

Since that time, His compassion has only gained in strength, probably encompassing much more than we at present are capable of appreciating. Therefore, I give Sananda another 10+ score. The "pluses" are truly indicative of an immeasurable (by me) "score". In short, Sananda has completed and excelled in the "courses" of the Earth schoolroom.

The wonderful thing to consider is that all entities may "complete the course" at some time in their existence. Esu said that the things He did we could do also. (John 14:12)

Immanuel-Esu-Isa, our former Christed Teacher and Wayshower, has progressed and is now returning as King of Kings and Lord of Lords, Sananda. I believe that when you finally get to see Him as He is now, you will perceive the perfection of soul that is possible for all ones following the path of God's Laws that this Great Teacher taught.

There is one interesting additional meaning related to the name, SANANDA. This one alludes to His return as "KING", and also God's promise to those who do "overcome" the challenges of this material dimension. My perception of this meaning came as a result of the teachings found in the PHOENIX JOURNALS about the name of our planet Earth, often called "Shan" in the JOURNALS by the Hosts, and was my final clue. The Book of Revelation tells us that those who "overcome" shall become "Kings" and "Priests" of God (Rev. 1:5-6; 2,7,10,26,27; 21:7). Esu Immanuel loved us, and taught us God's Laws. He is returning now to this Earth, named "SHAN", as KING. He has become God's "King" as a result of God's promise. Consider:

THANK GOD! There Is Humor In The Heavens

4/8/93 #1 SANANDA

1. Esu has "overcome" and is now "KING". He "overcame" through His love and compassion for the humans of this Earth, gaining the full right to the attribute, "ANANDA".

2. "San" would be translated into Aramaic as "Shan", where the short s sound is translated into the sh sound.

3. Therefore SANANDA literally can also mean the one who dearly loves the people of "SHAN". ("Sananda" will be pronounced "Shananda" in many Middle-Eastern and Eastern languages.)

To complete the comparison of the two names Sananda (AKA Shananda) and Satana using the sh sound and spelling, I share with you the interesting name that President Ronald Reagan was called by the Ayatollah Komeini a few years ago: the "Great Shaitan." Most of the people in the world now know, through press reports, that the present Iranian (Persian) word used for Satan (or Satana) is Shaitan, using the sh sound instead of the short s, plus a different choice of vowels. I do not know whether the word "Shaitan" is from the Persian, Arabic, or Syriac language. Nevertheless, all of them are sister tongues, having many words and pronunciations in common, or similar to each other. Doesn't some knowledge of language add interesting wrinkles to what's going on in the world?!

I am as near as your breath, Thomas, let us begin please. I come in Light and in Service unto Holy God...I am the One known by many names upon your place. I am Esu, Immanuel, Isa, Issa, the Pale Prophet. I am SANANDA.

Let us speak for a moment about misconceptions of God and His HOSTS. Why do you ones think that My brothers come as some pious judgmental beings? God is far, far from pious. Piety is of the ego and elevates the self above that of another. This is not of God. Piety is stale, blocked, limited. We of the Host are without limits. Can you ones not look to the possibilities without believing the programming by the false religious teachers who spew forth untruth and lies about God?

Piety is humorless. Think you that God and His Hosts are without humor? Humor was birthed from God in His Thought-Mind of LIGHT projection. Is the truth of it not so much more grand and filled with the ultimate promise than you ones could possibly imagine in your thinking? You have been deliberately confined into small boxes of understanding and limited perceptions and limited knowledge, both spiritual and scientific. Won't you allow us, who come with HIGHER KNOWLEDGE, to teach you? Won't you listen to that which is being brought forth for your very soul development into the Higher Realms of Light?

It is in man's very nature to resist change. Man puts up a wall between himself and understanding. "I will do it and I will do it my way," is the chorus that rings in the Heavens from Earth plane. Well, man has attempted to do it his way, filled with violence, destruction, and ego, and it has only brought forth a planet which is now out of balance. Perhaps it is time to listen to God's way as planned for man. The guidelines for behavior have been given forth and they have been given forth that man may not only live in complete balance but that man may find fulfillment. Does your life know fulfillment now? When you of Earth plane ponder it, what brings you fulfillment? A full stomach? Sexual pleasure, perhaps? Chelas, these are not fulfillment, they are mere physical sensations. True fulfillment comes from the soul. The soul knows fulfillment

when soul purpose is on the right path. Is your soul on the right path to find and know fulfillment?

When the time comes, will you work together or will you pull aside and do it your way? Working together does not mean that you work with ones who have chosen the Black Road of evil...for those beings of LIGHT who follow GOD'S LAWS AND THE LAWS OF THE CREATION will not tolerate evil behavior in their midst. That is not, hear me, to say that you judge those around you who have chosen the Black Road. So, too, it does not mean that you linger with them. Those choosing the Black Road will have their own consequences of choices. Those serving God, truly, will work together in unity of purpose no matter the task at hand. Those of the Black Road will always bring derision and turmoil within to delay the progress of LIGHT. Those of the Black Road find it most uncomfortable to be in the presence of LIGHTED BEINGS. Lighted beings in God's Service are shielded and the very Light shield makes those of the Black Road (those of evil behavior) uneasy and they will not stand long with LIGHT. Those of the Black Road like dark places.

This is the time of the false teachers. "In the end times there shall be many false prophets. Many will come claiming to be the Christ..." True, true. Caution is always the better part of wisdom. Caution, however, if used incorrectly, will block you from the very instructions provided for your very safety. Will you turn me, Sananda, aside because of the transportation I bring for your own physical protection? Will you assume to know that which is the best approach to reclaim God's people? Will you turn aside the first ship thinking there will be a second? Think on these things, beloved. Do not limit God for in the limiting of God you err. God will always provide for His people that which serves the need. Are you of physical bodies of flesh? Can you breathe at 4 miles altitude sitting on a fluffy cloud? Perhaps might it not be somewhat cold on that (radioactive) cloud? Use your God-given reasoning minds!

Let me address for a moment a matter that is really in Tonio's area...that of preparation. [See Soltec's writing on page 2] **You are in for years of trying times ahead. Are you ready? Have you**

prepared in any way? I come with knowledge of that which IS and I tell you surely and strongly...PREPARE, PREPARE, PREPARE! Do you have food stuffs? Do you have seed? Do you have medical supplies? Do you have clothing? If the tornado or hurricane or flood or earthquake come upon you, which they SURELY WILL, how will you survive? If all around you there is naught

but destruction, how will you eat? Do you have a shelter?

There will come the time when there have been so many natural occurrences, disasters if you will, that there will not be those in the attendance of your needs. Florida was one tiny, tiny example. Do you always look to another to attend these matters for you? It is time to carefully and seriously consider these

things. Is your vehicle packed with emergency supplies in the event you must withdraw unto safety? The warnings we bring you ones from these realms are not idle.

Will man listen? Will man act? We shall see, won't we?

Let us draw this to a close, Thomas, thank you.

Salu.

THE RAPE OF JUSTICE:

What Killed Our Legal System

What Replaces Our Constitution

4/9/93 #1 CERES 'ATONN

AFTERTHOUGHTS

After having a large portion of the past several years botched, buried, bankrupted and time-wasted—only to lose time after time when FACTS COULD NOT BE DISPUTED OTHERWISE (and weren't), by lawyers and JUDGES WHO COVERED THEIR OWN AND COLLEAGUE'S ASSETS—(and, now, this very day hinging on trips to the court (three hours distant, so the day is "shot" for work) AND again on Monday, the same) my scribe is not in the least in a humorous or gracious mood. In the over five years of litigation DIRECTED DIRECTLY AGAINST THEM, THEY STILL HAVE NOT BEEN ALLOWED HEARING OR RECOGNIZED IN THE COURT EXCEPT AS A CASE NUMBER. TWICE Mr. Ekker "represented" himself for a "continuance" and was all but thrown out of the courtroom for the assumption of such liberty.

So, I think in view of our last writings on "Juries", I shall offer the "FOREWORD" from one of the finest books written on the Judicial "crime" system: *THE RAPE OF JUSTICE* by Eustace Mullins. I speak of Mullins OFTEN because I believe him to be the most IMPORTANT writer on your "systems", on your globe. Further, Mr. Mullins writes FOR YOU-THE-PEOPLE, copyrighting to protect listings and to make a statement—but willingly shares his work for, after all, if it is not read then of what worth is a book? Moreover, I suspect greatly ones who refuse to share their work—it indicates to me that they have stolen it from elsewhere (since there is nothing new on the planet) or, THEIR WORK IS NOT

TRUTH—AT LEASTWISE NOT IN ALL OF ITS CONTENTS AND OPINIONS.

Regardless of what a University of Science and Philosophy may now claim in left-over copyrights, etc.—SO TOO WAS WALTER RUSSELL'S INTENT THAT "MANKIND" (ALL) SHOULD HAVE READY ACCESS TO HIS SCIENTIFIC WORK FOR IT DEALS DIRECTLY WITH MAN'S CONNECTIONS TO GOD! Be that as it may, we move from one day unto the next, one hour unto the next and pray for one more minute to the next.

QUOTING (Eustace Mullins, *RAPE OF JUSTICE*):

FOREWORD

In my travels throughout the United States, I have found that the first complaint of our citizens is the sorry state of our legal system. They do not complain that the laws themselves are onerous, but rather that their administration is almost universally unfair and unjustified. I have even heard farmers arguing with each other at their markets, each protesting with inverted pride that "Our county has the crookedest lawyers and judges in this state," only to meet with the fervent response from a farmer representing another county, "Oh, no, OUR lawyers and judges are a **lot crookeder than the ones in your county!**"

Americans recognize that we must have laws, and that we must abide by them, otherwise life would become intolerable. The problem is that law-abiding citizens are usually greeted in our courts with disbelief that anyone still obeys the laws in

this nation, and two, that a legal system which is operated by and for criminals has no greater enemy than the law-abiding citizen.

The first purpose of law has always been "Salus Populi", the safety of the people. I write this in a building which has five locks on every door. Twenty-five years ago, the doors were never locked. We hardly knew where the key to the front door was kept. With hundreds of other citizens in Washington during its tropical summers, I went to a nearby park to sleep in the era before air conditioning. Today, no one in his right mind would close his eyes in a Washington park, either by day or by night. It is rightfully known as the "murder capital of the world", rather than as the capital city of the United States of America.

This situation has been created, not by the negligence of the police, who are working harder than ever, but by the legal system, which abruptly denied the previous basis of our legal system, "Salus Populi", in 1933, with the advent of President Franklin Delano Roosevelt, who adopted the Marxist concept that the legal system was being used unfairly to defend property. Because of the Communist decree that all property was now the property of the state, the legal system need no longer defend crimes against personal property. This was soon extended to crimes against persons. The doctrine of compulsory equality meant that no citizen was entitled to wear a gold watch or to live in a large home. Other citizens who wished to deprive them of their excess property, even at the cost of their lives, were looked upon with approval by the legal system. If they injured or killed too many citizens in their exuberance, they

might be confined for a short time, but they were soon released to continue the Marxist campaign of "levelling", that is, of reducing all citizens to a common level of fear and despair. This goal was first achieved in the Soviet Union, when Wall Street bankers financed the "noble experiment in compulsory equality". Soviet Russia was reduced to a giant concentration camp, a Gulag in which tomorrow might be worse than today, but it would surely be no better. The United States has travelled that same road with remarkable speed, constantly accelerating the techniques which force our citizens to new levels of personal depth and degradation.

Under this Marxist system, our citizens have found that the legal system is now something quite apart from "the law", that is, the fixed doctrine under which we live. A law is a fixed power. In contrast, the administration of the law today is a fluid power, in flux, and subject to outside influences, mainly the power of money and its concomitant political influence. When an American citizen comes into court today, he is not faced with the power or the majesty of the law. To his dismay, he finds that this force is no longer present. Instead, he finds that he is facing the power of money, and the power of political influence.

Traditionally, the scales of justice are depicted as awaiting the weight of the evidence. A preponderance on one side or the other will tip them to a just conclusion. Indeed, this is the ideal to which we still aspire. Unfortunately, it is rarely found today in our courts. If an attorney finds that the weight of evidence is tipping the scales against his client, he immediately employs one of the myriad techniques of "civil procedure" to have that evidence declared inadmissible, to have his opponent's witnesses impeached or found incompetent, and to mount a counterattack of his own to tip the scales back to favor his client. This technique is called "practicing law". Like any other skill, it is honed by constant practice, but this skill depends heavily on its practitioner's willingness to employ any subterfuge on his client's behalf. It is as though a football game were being played during which the players were allowed to commit any unsportsmanlike or illegal act in order to gain a point, with the umpire (that is, the judge), actually co-operating in and officially approving the illegal conduct. In legal parlance, this has a name; it is known as "professional courtesy", because the judge, like the lawyers, is also a member of the bar.

You must also remember that the thrust of the Khazarian Zionist Socialists, according to their own *Protocols*, is to make Lawyers, Doctors, Judges and Clerics of their SONS AND DAUGHTERS. The largest number, by far, in EVERY one of the professions is made up of these so-called, self-styled "Jewish" personages who are NOT "Judaists" as you might term them to be, although many are and are as shocked as any "white-eyes" to find themselves in a totally criminal profession.

KOL NIDRE VOW

Next comes another dandy: The "modern" "Jew" is the product of the *Talmud*—NOT the Judean Torah or Old Testament. To the average Christian or non-Jew (Goyim) the word "*Talmud*" is just another word associated by them with the form of religious worship practised in their synagogues by so-called or self-styled "Jews". Many Christians have NEVER heard of the *Talmud*. Very few non-Jews are informed on the contents of the *Talmud*. Some may believe the *Talmud* to be an integral part of the religious worship known to them as "Judaism". It suggests a sort of bible or religious text book. It is classed as a spiritual manual. But otherwise few if any Christians have an understanding of the contents of the *Talmud* and what it means in the daily lives of so-called or self-styled "Jews". As an illustration, how many non-Jews have any conception of the "**KOL NIDRE**" (All Vows) prayer recited in synagogues on the DAY OF ATONEMENT?

In Volume VIII of the *Jewish Encyclopedia* on page 539 found in the Library of Congress, the New York Public Library and libraries in all leading cities, WILL BE FOUND THE OFFICIAL TRANSLATION OF THE PRAYER KNOWN AS THE "**KOL NIDRE**" (ALL VOWS) PRAYER. It is THE prologue of the Day of Atonement services in the synagogues. It is recited three times by the standing congregation in concert with changing rabbis AT THE ALTAR. ONLY AFTER the recital of the "**Kol Nidre**" (All Vows) prayer the Day of Atonement religious ceremonies follow immediately. The Day of Atonement religious observances are the highest HOLY DAYS of the so-called or self-styled "Jews" and are celebrated as such throughout the world. THE OFFICIAL TRANSLATION INTO ENGLISH OF THE "**KOL NIDRE**" (ALL VOWS) PRAYER FOLLOWS:

"ALL VOWS, OBLIGATIONS, OATHS, ANATHEMAS, whether called 'knoam', 'konas', or by any other name, WHICH WE MAY VOW, OR SWEAR, OR PLEDGE, OR WHEREBY WE MAY BE BOUND, FROM THIS DAY OF ATONEMENT UNTO THE NEXT, (whose happy coming we await),

we do repent. MAY THEY BE DEEMED ABSOLVED, FORGIVEN, ANNULLED, AND VOID AND MADE OF NO EFFECT: THEY SHALL NOT BIND US NOR HAVE POWER OVER US. THE VOWS SHALL NOT BE RECKONED VOWS; THE OBLIGATIONS SHALL NOT BE OBLIGATORY; NOR THE OATHS BE OATHS."

[C: Where might this leave all of you non-Jewish persons in a court of law run MOSTLY by "Jewish" lawyers and Judges? Once the structure is accepted—the rules will hold in all instances for all practicing members of that same club, won't they? So, traditions are laid forth long ago as the Thirteenth Amendment was REMOVED from your Constitution which disallowed lawyers from being Congressmen and Judges!]

Let us look at the implications, inferences and innuendoes in the *Book of Nedarim*, 23a-23b as follows:

(Book) "And he who desires that NONE OF HIS VOWS MADE DURING THE YEAR SHALL BE VALID, let him stand at the beginning of the year and declare, "EVERY VOW WHICH I MAY MAKE IN THE FUTURE SHALL BE NULL (1). (HIS VOWS ARE THEN INVALID), PROVIDING THAT HE REMEMBERS THIS AT THE TIME OF THE VOW." [C: Come now—do you really think a good self-styled so-called Jewish lawyer would actually FORGET or refuse such coverage? I have asked E.J. to set us up a valid Nevada Corporation called KOLNIDRE, LTD. wherein we can handle all the business of our law-cases! Only one thing will be different—we will require that OUR attorneys recite (and remember) EVERY MORNING AND EVENING—DAILY!]

(FOOTNOTE) (1) This may have provided a support for the custom of reciting Kol Nidre (a formula for dispensation of vows) prior to the Evening Service of the Day of Atonement. Though the beginning of the year (New Year) is mentioned here, the Day of Atonement was probably chosen on account of its great solemnity. But Kol Nidre as part of the ritual IS LATER THAN THE TALMUD, and, as seen from the following statement of R. Huna b. Hunene, "THE LAW OF REVOCATION IN ADVANCE WAS NOT MADE PUBLIC."

The greatest study of the "Kol Nidre" (All Vows) prayer was made by the eminent psycho-analyst Professor Theodor Reik, the celebrated pupil of the famous Dr. Sigmund Freud. The analysis of the historic, religious and psychological background of the "Kol Nidre" (All Vows) prayer by Professor Reik presents the *Talmud* in its true perspective. This important study is contained in Professor Reik's "*The Ritual, Psycho-Analytical Studies*". In the chapter on the *Talmud*, on page 168, Professor Reik states:

END OF QUOTE.

"THE TEXT WAS TO THE EFFECT THAT ALL OATHS WHICH BELIEVERS TAKE BETWEEN ONE DAY OF ATONEMENT AND THE NEXT DAY OF ATONEMENT ARE DECLARED INVALID."

Before explaining to you (per Dr. Benjamin Freedman) how the present wording of the "Kol Nidre" (All Vows) prayer was introduced into the Day of Atonement synagogue ceremonies, we will quote a passage from the *Universal Jewish Encyclopedia*. The *Universal Jewish Encyclopedia* confirms the fact that the "Kol Nidre" (All Vows) prayer has no spiritual value as might be believed because it is recited in synagogues on the Day of Atonement as the prologue of the religious ceremonies which follow it. The secular significance of the "Kol Nidre" (All Vows) prayer is indicated forcefully by the analysis in the *Universal Jewish Encyclopedia*. In Volume VI, on page 441, it states:

"The Kol Nidre HAS NOTHING WHAT-EVER TO DO WITH THE ACTUAL IDEA OF THE DAY OF ATONEMENT...it attained to extraordinary solemnity and popularity by reason of the fact that it was THE FIRST PRAYER RECITED ON THIS HOLIEST OF DAYS."

Now, prepare for a GREAT SHOCKER. Compelled by what you have now read here about the "Kol Nidre" (All Vows) prayer you must be shocked to learn that many non-Jewish churches actually peal their bells in honor of that serious religious ritual on the Day of Atonement in celebration of that secular holy day for so-called or self-styled "Jews". Does this indicate a bit of stupidity on the part of non-Jews? Or, are you simply waiting for the time to be told to "heave to and hop in the pit"—in other words when "THEY" tell you to hop all you have to do is bow and say "how high"?!

You readers think I am joshing? Then you certainly haven't read our past productions which brought such a blast against my people as to "tell the truth of it". Let me just present an article from the *New York World Telegram* from October 7th—1954: **"JEWISH HOLIDAYS TO END AT SUNDOWN: Synagogues and temples throughout the city were crowded yesterday as the 24 hour fast began. Dr. Norman Salit, head of the Synagogue Council of America, representing the three major Jewish bodies, had called on other faiths TO JOIN THE FAST...CUTTING ACROSS RELIGIOUS LINES, MANY PROTESTANT CHURCHES IN THE CITY PEALD THEIR BELLS LAST NIGHT TO SOUND THE KOL NIDRE, TRADITIONAL MELODY USED AT THE START OF YOM KIPPUR. THE GESTURE OF GOOD-WILL WAS RECOMMENDED BY THE MANHATTAN OFFICE OF THE PROTESTANT COUNCIL."**

Doesn't that just about "top" anything

I could say about it? Does this represent deliberate knowledge and acceptance OF THIS BLASPHEMY?—or, is it simply revealing the ignorance and indifference of the non-Jewish clergy to the hazards today facing the non-Jewish faiths? I warn you—there will NEVER BE ANY HELP FROM YOUR NON-JEWISH COUNCILS OR CLERGY FOR DEFENSE OF THE NON-JEWISH FAITHS IN YOUR COUNTRY OR ANY OTHER. THE VERY CLERGY AND COUNCIL ARE SET TO ALLY WITH THE SO-CALLED "JEWS"—BOUGHT AND PAID FOR.

Even if there was desire to be otherwise—where have they gotten loans and monies to pay for all the wondrous temples and schools and other physical riches-oriented "stuff"? Ah so! In every instance they buckle under the pressure exerted upon them by the contracts and contacts and business arrangements with these Talmudist Zionists. If it were not so tragic it would surely be comic. It is surely a "joke" but the "joke" is on you blind lambs to the slaughter. What do you do? You actually go forth and make celebration of your enemy's public statement to "do you in". You actually join religiously and "SOUND YOUR BELLS, TO SOUND THE KOL NIDRE, TRADITIONAL MELODY USED AT THE START OF YOM KIPPUR." **JUST "WHERE" DOES BETRAYAL OF A TRUST AND BREACH OF FAITH BEGIN? AND, DO YOU ACTUALLY BELIEVE THAT ALL THE HIGHEST CLERICS IN THE NATIONS ARE SO IGNORANT?**

DATED PROOF

The present wording of the "Kol Nidre" (All Vows) prayer dates from the 11th Century. It seems difficult to say there has been no opportunity for people to "get informed". A political reversal in Eastern Europe COMPELLED the so-called or self-styled "Jews" in Eastern Europe to adopt the present wording of the "Kol Nidre". You had best harken back right now to that public law your bunch of criminals enacted (by voice vote in 1991) which brings your nation in direct opposition to your First Amendment—they voted in a public law [102-14; see the 9/22/92 PHOENIX LIBERATOR for details] making the "Jewish" Noahedic "religion" your national religion. It seemed just a "nice" gesture? You had best look again!

There is, however, an interesting thing about the Talmudic version of the Kol Nidre. The original stated: "From the last day of Atonement to this one". Some cute group of self-centered tamperers (there ALWAYS are some) changed it to "from this day of atonement until the next". This makes it all inclusive and in advance so a good reciter (and he doesn't have to be in a

synagogue, he can be on his own balcony or in his Mercedes or BMW—anywhere) is always "safe" from having to tell the truth. And the bigger "funny" is that "they" KEPT THE THING SECRET AS TO THE CHANGES.

Well, I have belabored this one enough, I suppose, but I thought it might clear up some quandaries as to just HOW so many could so blatantly lie, cheat and steal and never blink an eye! It is because they have made an oath that any oath they make OF ANY KIND is ALWAYS INVALID! It is the same old game of lying wherein it is not a lie if you cross your fingers! Does it upset old Ceres 'Atonn? YES! It proves that there is NO MORALITY REMAINING! You have made a man's word worthless and with pealing bells chimed in total corruption and lack of moral honesty (in the least) into the very circulatory system of the government judicial system. This has destroyed your Constitution and all righteousness.

SEVEN NOAHIDE LAWS "PUBLIC LAW 102-14"

This Resolution was titled "A JOINT RESOLUTION to DESIGNATE MARCH 26, 1991 AS EDUCATION DAY, U.S.A." It was introduced in the House of Representatives by Robert H. Michel (R-IL) and co-sponsored by Richard Gephardt (D-MO). It was then co-sponsored by 224 more Congressmen. Congressman Bob Stump (R-AZ) was one of the 224 co-sponsors. [C: Indeed this is one of the ones where I asked you to write and demand to know how this "voice vote" could have come to be. I have received copies of many of the return letters which indicate: "It is none of your business"!]

The real meaning of this law is not spelled out within the law itself but it is very strange that it was introduced, passed and signed by the President in a country whose laws ostensibly originate in the Common Law which comes from the Laws, Statutes and Judgments (Mosaic Laws) of the accepted "Holy Bible". As you will discover the Resolution has absolutely nothing whatsoever to do with "Education Day".

[C: As we go through this material ahead please be reminded that we utilize words such as "Jew", "Jewish", etc., simply for identification—FOR THE TERM "JEW" WAS NOT COINED IN ANY MANNER UNTIL THE LATE 1700s (18TH CENTURY). THESE ONES IN POINT CAME FROM THE KHAZARIAN TRIBES AND WERE NOT EVEN JUDEAN OR "HEBREW"—THEY FORMED A NEW LANGUAGE CALLED "YIDDISH", WROTE THE "HUMAN" LAWS CALLED TALMUD AND HAVE GONE ABOUT A PLAN 2000 FOR GLOBAL CONTROL THROUGH

WHAT THEY HAVE SINCE IDENTIFIED AS "ZIONISM". TO HAVE MEANING AS BROUGHT INTO YOUR ATTENTION WE CANNOT TAKE TIME TO IDENTIFY EACH TIME WE USE TERMS WHICH HAVE SINCE, BY LAW AND/OR USAGE, BECOME EFFECTIVELY THE ACCEPTED TERMINOLOGY. "ACCEPTED" DOES NOT MAKE IT CORRECT NOR ACCURATE!]

105 STAT. 44 PUBLIC LAW
102-14—MAR. 20, 1991

Public Law 102-14
102nd Congress

JOINT RESOLUTION

Mar. 20, 1991

To designate March 26, 1991, as "Education Day, USA".
[H.J. Res. 104]

Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noahide Laws;

Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

Whereas Rabbi Manachem Mendel Schneerson, leader of the Lubavitch movement is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

Whereas in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled: That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement, is designated as "Education Day, U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

Approved March 20, 1991.

LEGISLATIVE HISTORY—H.J. RES. 104:

CONGRESSIONAL RECORD, VOL 137 (1991):

Mar. 5, considered and passed House.
Mar. 7, considered and passed Senate.
[C: BOTH PASSED BY MEANS OF VOICE VOTE]

Now that the Seven Noahide Laws are the law of the land it should behoove each of us to know and understand what the Seven Laws actually are [C: **You WOULD want to know if the Methodists or Pentecostals passed a public law of the land, would you not?**]; what the **penalties for disobeying them are** and; last but not least, **by whom are they to be enforced**. Yours truly is still waiting for the "governmental" answers to this most important issue from his written request to both Congressmen Michel and Stump. While waiting for their answers I tried to find out on my own what this "Public Law 102-14" is all about.

If you are curious and inquisitive I'd like to share with you what I found. The following is not easy or light reading. It actually requires a totally different mindset than that to which we are accustomed; e.g., to catch a thief one must **think as a thief; or, put oneself in their stead**.

The following spells out the Seven Noahide Laws; the Lubavitch movement; the 'rebbe'; and Rabbi Schneerson. It was all gathered in context **from the Judaica Encyclopedia, a Jewish publication**. I could find but a mere mention in a few other publications but not enough to properly answer the question.

May your discernment prevail and, as you read, continuously ask yourself WHY did our "government" pass this law so swiftly and with only a voice vote??

You will notice in the Whereases above it states many times ethical values and principles. This is very important because in the sixth "Whereas" it states unequivocally where they were fostered and promoted. You'll also notice it is **NOT from**

Common Law or Christian principles and Biblical Laws. In essence, you'll discover, if you are in complete honesty with yourself, that Public Law 102-14 legally and **POLITICALLY JUDAIZED THE UNITED STATES OF AMERICA WITH A BABYLONIAN TALMUDIC RELIGION KNOWN AS JUDAISM AND IN TOTAL VIOLATION OF THE FIRST AMENDMENT TO OUR CONSTITUTION WHICH STATES: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof;...."** This is what the media, and all anti-Christian proponents want **us to believe is "Separation of Church and State."**

You'll also notice in the ninth "Whereas" it is to go international with other heads of state signing. Is this just coincidental with the Messianic Age (One World Government under Zionism) that Jewry is zealously waiting, or was it deliberately planned that way? Consider the removal of "The Ten Commandments" from our so-called public schools. If all this doesn't total up for cause of concern for all of us then we definitely deserve what they (the oneworlders) have planned for us.

FROM THE JUDAICA
ENCYCLOPEDIA

"NOACHIDE LAWS, The seven laws considered **by rabbinic tradition** as the minimal moral duties enjoined by the *Bible* on all men (Sanh. 56-60; *Yad, Melakhim*, 8:10, 10:12 [*Babylonian Talmud*]). Jews are obligated to observe the whole *Torah*, while **every non-Jew is a "son of the covenant of Noah" (see Gen. 9), and he who accepts its obligations is a ger-toshav** ("resident-stranger" or even "semi-convert") (See *Av. Zar.* 64b; *Maim, Yad, Melakhim* 8:10.) Maimonides equates the righteous man (Ihasid) of the [gentile] nations who has a share in the world to come even without becoming a Jew with the gentile who keeps these laws. Such a man is entitled to full material support from the Jewish community (see *ET*, 6 (19540, col. 289 s.v. *ger toshav*) and to the highest earthly honors (*Sefer Hasidim* [1957], 358). **The seven Noahide laws as traditionally enumerated are: the prohibitions of idolatry, blasphemy, bloodshed, sexual sins, theft, and eating from a living animal, as well as the injunction to establish a legal system (Tosef., Av. Zar. 8:4; Sanh. 56a).** Except for the last, all are negative, and the last itself is usually interpreted as **commanding the enforcement of the others** (*Maim. Yad, Melakhim*, 9:1). [Editor's note: For an in depth discussion please see PHOENIX JOURNAL #55 called MARCHING TO

ZION.]

Now I am going to turn to:

THE CONSTITUTION AND THE RULE OF LAW

In 1944, Friedrich A. Hayek wrote one of the most thought-provoking books of our time—*The Road to Serfdom*. Hayek warned that Great Britain and the United States were abandoning their heritage of liberty and adopting the economic principles of the Nazis, fascists, and socialists. It was not a message which the politicians, bureaucrats, and social planners of that time wanted to hear. Hayek, who would later win the Nobel Memorial Prize in Economics, was vilified as an old-fashioned reactionary.

What I am going to use here in major presentation is by one whose name you might find interesting in view of the above outlay of information for it is superb and by a beautifully patriotic "Judaist", Jacob G. Hornberger. He would call himself a "Jew" but now that WE KNOW THAT TERM IS ACTUALLY ONLY FOR THE KHAZARIAN ZIONIST ELITIST NEW WORLD ORDER GLOBALISTS—**WE SHALL SIMPLY CALL HIM A GOOD AMERICAN!**

No one today can seriously dispute that Hayek was right. Although Americans, for example, continue to operate under the delusion that they live in a free-enterprise nation, for the last sixty years they have traveled the same moral, philosophical, and economic road as their enemies—the road to the welfare-state, regulated-economy way of life—the road to serfdom.

Hayek was also a lawyer. In fact, some of his greatest contributions have been in the area of law. Among his finest books are *The Constitution of Liberty* and his three-volume work *Law, Legislation, and Liberty*.

Two of the most important legal concepts that Hayek underscored were, first, the nature and purposes of political constitutions and, second, the legal principle known as "the rule of law".

Few Americans today understand the true idea and purpose of the U.S. Constitution. They have been taught to believe—and do believe—that their rights emanate from the Constitution.

Hayek pointed out the true nature of rights and the Constitution. He observed that our American ancestors subscribed to the most radical principles of individualism and liberty ever known to man. They truly believed the ideas set forth by John Locke and Thomas Jefferson—that people have certain fundamental and inherent rights—life, liberty, property, and the pursuit of happiness—and that these rights have been endowed by "Nature and Nature's GOD", not by government.

To protect themselves and their prop-

erty from the violent acts of others, and to provide a means by which people could peacefully resolve their disputes, our ancestors established a national government. But there was one overriding concern: what would prevent this government from becoming destructive of the very ends for which it was formed?

The goal, then, was to institute a government which could be kept within a very narrow purpose: to protect, not regulate or destroy, the natural, God-given rights of the people.

So, while the Constitution instituted government, it also straight-jacketed it. The Constitution set forth a very specific list of enumerated powers, as well as express prohibitions on the powers of the national government. **As Hayek observes, the Constitution did not give the people rights. Instead, the Constitution was a law—a higher law—imposed on the officials of the national government to prevent them from interfering with preexisting rights.**

In a series of judicial decisions in the 1800s and early 1900s, the concept of "substantive due process" came to be an established judicial doctrine. It held that life, liberty, and property were extensions of each other. A person has the fundamental right to sustain and improve his life through labor, engage in any economic enterprise without political interference, enter into mutually beneficial exchanges with others ("liberty of contract"—WITHOUT THE KOL NIDRE), AND accumulate unlimited amounts of wealth from these endeavors. The courts held that the exercise of these rights were beyond the reach of the majority—beyond the Constitutionally granted powers of the government.

Equally important, the legal concept of "the rule of law" was incorporated into our judicial system. As Hayek explains, the rule of law means that people do not have to answer to the arbitrary decisions of government, they believe that government can rightfully regulate or take them away. Thus, since the 1930s, the American people have lived under a political order in which governmental officials have omnipotent power over their lives and fortunes.

Moreover, unlike their ancestors, Americans today believe that politicians and bureaucrats can be trusted with unlimited political power. "We should elect the best people to public office and trust them to do the right thing," is the prevailing attitude, for example, in the War on Drugs, War on Poverty, War on Illiteracy, and so forth. Americans don't even KNOW THAT THESE **"WARS" KEEP THE EMERGENCY REGULATIONS IN FORCE UNDER ENFORCEMENT BY THE FEDERAL TROOPS.** It results from a cute little Kol Nidre type of clause that lets a President through Ex-

ecutive Order or Emergency Regulations "DECLARE" "war" and while that "war" is still in action—he has full control! Americans believe that the constraints of the Constitution should be curtailed, if not ended. The idea that life, liberty, property, and the pursuit of happiness are fundamental, preexisting rights with which no governmental official can legitimately interfere is an alien notion to our fellow Americans. The belief is that Caesar—the state—should have the power to regulate and take away that which he has given. The interesting thing is that the "Caesar" arranges to have a fully orchestrated "welfare" state so that all the people all the time—HAVE TO HAVE HIS HANDOUT TO SURVIVE.

And, unfortunately, the rule of law is also now considered an outdated legal concept. Today, people must answer to hundreds of thousands of arbitrary, unclear edicts from the politicians and bureaucrats rather than to clearly defined laws. For example, take the rules against "unfair business practices". If a businessman sells his product at a price lower than his competitors, he is subject to being prosecuted for predatory business practices. If he sells his product at the same price as others, he can be prosecuted for antitrust violations. Thus, since every businessman is always subject to a criminal prosecution which inevitably entails hundreds of thousands of dollars in legal fees, he must always kowtow to his political and bureaucratic masters. He must answer to them rather than to a clearly defined law.

And the tax code is no different. Once a person bypasses the "standard deduction", he enters into the nether world of potential prosecution for tax violations. That is the beautiful thing (in the mind of the governmental official) about hundreds of thousands of rules and regulations—there is no way that a person can ever be in full compliance with all of them. Thus, each person who works his way through the maze of the IRS Code is always subject to criminal prosecution for violating one of the myriad of rules and regulations.

Let's look at a couple of real-world examples. Michael Milken, who was serving jail time, is a good example of the hazards of abandoning the rule of law. Despite all the years that Milken worked on Wall Street, and all of the billions of dollars with which he dealt, the government was able to get him for violating only a few ridiculous and inane regulations. Another example—Leona Helmsley. Although paying several millions of dollars in income taxes, she supposedly committed the heinous crime of taking some improper deductions on her income-tax return, thereby depriving the politicians and bureaucrats of their milk; and so now she must serve four years in a

federal penitentiary. **Yes, I wonder WHERE AND WHY OUR CONSTITUTIONAL LAW CENTER IS NOT IN HER CELL WITH HER—GETTING HER OUT!?! I find it hard to believe that a person with so many natural assets (money) wouldn't be HAPPY to pay a bit for freedom! It would be nice if she could spend a few days with her husband before he translates.**

And WHY Milken and Helmsley? Two reasons. First, they make good "victims", for they are rich—and Americans are taught in their public schools to hate the rich and covet their wealth. Second, wealthy people are the best vehicle by which the government can send its not-so-subtle message to you regular people: "Listen up, you little people—if the wealthiest and most influential among you cannot stand against us, then certainly neither can you. And if you try, we will smash you, just as we have smashed them—only a little faster. Obey and pay—or suffer the consequences."

Thus, even though they will never admit it openly, the American people live their lives filled with fear and terror. In public, they say, "I'm proud to be an American." In private, they shudder at the thought of having their doors bashed down by IRS agents or of having to defend themselves in court against the mighty power of the U.S. government.

What will it take to abandon the road to serfdom which Americans have traveled during the last sixty years? The first step is for people to pierce through to reality—to realize that what Hayek said was true—that the U.S. has, in fact, adopted the Nazi, fascist, and socialist economic principles of regulation of property and redistribution of wealth. The second step is to lose what the Russian people have lost—the terrifying and paralyzing fear of politicians and bureaucrats. And, third, since our government has become destructive of the ends for which it was formed, to alter or abolish it and implement new government designed to protect, not destroy, our lives and fortunes. Herein lies the road to freedom.

Since I have wandered about here and there I note I have filled up this segment. I like to have them no longer than this for I find readers don't have great attention span—especially for dry information concerning their very lives and survival; therefore, let us close this and move on. I wish to continue, however, with information about Hayek for he was one of the greatest economists and political philosophers of the 20th century—especially considering that with which he had to work.

...

I would like to share, in closing, a verse from a friend, Mary Louise White who wrote 12-31-1957:

*Oh Spirit of Life that pervades me,
Grow stronger with each passing day;
That in turn I may know how better to grow,
And the Laws of Balance obey.*

*May the Father and Brother of mankind
Make the bonds of kinship grow strong,
That in passing my way no brother shall stray
Through my ignorance or doing of wrong.*

*May the Light of Thy Grace be before me,
As the Ladder of Life I climb,
A Beacon to guide and restore me
From the Strength of Thy Omnipotent Life-line.*

*When to the end of my ladder I've come,
May I leave it with strength and grace,
Bidding no tears from my loved ones
Only, cheers, as for one in a race.*

*For Winged, my feet I'd have them
To speed me on my way
To a Victory all may win
If "Thy Will" they will but obey.*

*More earthly lives I may have need of
To learn Compassion and Love,
But with Thine Essence of Light within me
I shall strive for each rung above.*

*As life by life I wend my way,
Ever closer to the goal
Satisfaction will be the reward
With the At-one-ment of my Soul.*

Amen!

WHY I HONOR HAYEK

I don't like "Austrian School Economics". I don't like "Maynard Keynes" economics—and frankly I don't like "Mises's" ideas very much either. So, do I "just" like Hayek? No, he may have had some good ideas but HERE YOU ARE TODAY—IN TOTAL SHAMBLES NO MATTER WHAT ANY GOOD PHILOSOPHER HAD TO OFFER. THE WEIGHT RESTS SQUARELY ON YOU-THE-PEOPLE. You allowed this blindness to come upon you while you were doing other things and laughing at the "politicians" at their play.

But, in 1930 (when something could have been done) Fredrich Hayek was the leading opponent of John Maynard Keynes who presented Keynesian Economics. Hayek argued that the Great Depression had been caused deliberately by the Federal Reserve System. He thought it was through the attempt at stabilization of "price levels" through monetary manipulation in the 1920s. Hayek said that the only cure for the Depression was allowing the market to self-correct in the face of the economic distortions and misallocation of labor and capital created by central-bank mismanagement of money and credit.

What no one seemed to see was that the Constitution had been literally destroyed by that one illegal act—The Federal Reserve System. While superficial quarrels and debates flourished—the Constitution was more and more badly abused, evaded and criminally assaulted. Well, good and bad—Mr. Hayek was able to live long enough to see that his ideas proved correct—good or bad. Few are so fortunate to get their "living" confirmation. So be it. Mr. Hayek said: "Our faith in freedom does not rest on the foreseeable results in particular circumstances but on the belief that it will, on balance, **release more forces for the good than for the bad.**" However, it comes right down to the same old truth: Man must act more in good than for the bad—and he must see that he can bring himself into balance. He also said: "It is through the mutually adjusted efforts of many people that more knowledge is utilized than any one individual possesses or than it is possible to synthesize intellectually; and it is through such utilizations of dispersed knowledge that achievements are made possible, greater than any single mind can foresee. It is because freedom means the renunciation of direct control of individual efforts that a free society can make use of so much more knowledge than the mind of the wisest ruler could comprehend." And, my, what wisdom: "Before we can try to remould society intelligently, we must understand its functioning; we must realize that, even when we

believe that we understand it, we may be mistaken. What we must learn to understand is that human civilization has a life of its own, that all our efforts to improve things must operate within a working whole which we cannot entirely control, and the operation of whose forces we can hope merely to facilitate and assist so far as we can understand them."

So what has gone wrong in the American heart and within the masses of the inhabitants of the world? Perhaps we should share one more set of verses:

LOSER AND VICTOR

by EDGAR A. GUEST

*He was beaten from the start,
Beaten by his doubting heart,
And he had a ready ear
For the busy tongue of fear,
And he had a timid mind
Unto fretfulness inclined,
Filled with many reasons why
It was vain for him to try.
Given a task he'd shake his head,
"Can't do that!" he often said
"Times are hard and none will stay,
Listening to the words I say.
It is futile now to try,
People simply will not buy!"
Thus he walked the streets of trade,
Both discouraged and afraid.*

*But another kind of man
Thought this way: "Perhaps I can!
If I will supply the pluck,
Fortune may provide the luck.
If I have the grit to try,
There are people who may buy;
Anyhow, I'll not submit
To defeat before I'm hit."
One was beaten from the start,
Beaten by his doubting heart,
Beaten when he gave his ear
To the busy tongue of fear.
But another with his chance
Seized the moment to advance,
And came happy home at night
Just because he dared to fight!*

NEWTATES CONSTITUTION

I would remind you, however, citizens, that once wide coercive powers are given to governmental agencies for particular purposes, such powers cannot be effectively controlled by democratic assemblies.

Let us now take a look at the Constitution for the NEWSTATES OF AMERICA.

In 1964, the writing of a new constitution for America began, at a tax-exempt foundation with the misleading name, Center for the Study of Democratic Institutions.

The people who took it upon themselves

to write this new constitution on your behalf were, of course, not elected representatives, or in any other way your representatives. As a tax-exempt foundation, they were able to do political work on what amounts to a subsidy taken from your taxes, but you were never asked if you wanted a new constitution written. Indeed, only a very tiny fraction of the people of the United States even know, today, that it exists; it has been made known to practically no one except a select category of influential elitist people whose views and interest generally coincide with those of the people who wrote it. The American people as a whole are absolutely ignorant of its existence. This is deliberate. This is a "secret" constitution—but already in use AGAINST YOU-THE-PEOPLE.

It took some ten years to write this model constitution. A preliminary version was published in 1970 and some of you patriots who object to it will recognize the title and author: *THE EMERGING CONSTITUTION* by Rexford G. Tugwell, the man who directed the formulation of the new constitution. By the way, during the writing of this "secret" constitution that Center for the Study of Democratic Institutions was very lavishly funded with over two and a half MILLION dollars a year.

To appreciate the document—we will effort to offer you some commentary and review and you will forgive me if I fail to always at every paragraph mention the speakers. Tugwell's book, by the way, was published by Harper & Row and sells for about \$20.

We will write on a section and then append comments and observations.

A PROPOSED CONSTITUTION MODEL FOR THE NEWSTATES OF AMERICA PREAMBLE

So that we may join in common endeavors, welcome the future in good order, and create an adequate and self-repairing government—we, the people, do establish the Newstates of America, herein provided to be ours, and do ordain this Constitution whose supreme law it shall be until the time prescribed for it shall have run.

COMMENTS: This new constitution would replace the present U.S. Constitution and would dissolve the States as you know them into Newstates, "each comprising no less than 5 percent of the whole population." This new constitution is, in itself, a vehicle for the transition from your proven, tried and true, Divinely-ordained Constitution with its Bill of Rights Amendments, to the New World Order that man, in his own efforts, hopes to impose upon mankind—and basically has already accomplished at this writing.

The first eight words of the "preamble"

clearly spell out all of the above. "so that we may join in common endeavors" assumes that everyone wants to support their endeavors to destroy America's sovereignty, states' rights and the individual's God-given liberty and freedom. Should this be accomplished, the states would be abolished in favor of regions known as "newstates". By their assumption, the initiative is taken and the momentum gained.

The "common endeavors" in this case is the destruction of your U.S. Constitution so as to replace it with a dictatorship. The new would have the form and appearance of the old but there the similarity ends. The Newstates of America Constitution is merely a form of the old in order to pacify those still remembering the liberty that it guaranteed. The New Constitution is a bridge, a part of the hopefully peaceful transition from a Constitutional Republic to an oligarchic world dictatorship. THE MERE FACT THAT THIS NEW CONSTITUTION IS TO BE IN EFFECT FOR ONLY 25 YEARS AND THAT MANY OPPORTUNITIES ARE PROVIDED TO REVISE AND REWRITE IT IN THOSE YEARS—INDICATES THE ROLE OF TRANSITION.

Yes, you will find in Article XI, Section 2 it declares: "When this Constitution shall have been in effect for twenty-five years the Overseer shall ask, by referendum, whether a new Constitution shall be prepared." And should those in power be defeated in the case of amending their new constitution, they won't take no for an answer. To quote Article XI, Section I: "If rejected (that which they proposed), it may be restudied and a new proposal submitted." So it is not possible for the people to totally reject that which the appointed Principal Justice and that which the appointed Senate proposes.

You will note that the word "emergency" will appear frequently in the proposed Constitution but is never mentioned in Your U.S. Constitution. Consequently, an "emergency" is used to impose new dictates—which could only be accomplished at the expense of the U.S. citizen's liberty. Keep your eyes open as we go along.

Read again the "preamble":

1. It welcomes the future "in good order". Just what does that actually mean?
2. "To create an adequate and self-repairing Government." If your present Government needs some minor repairing, why not carefully consider the matter for possible improvement? Why even consider a new form of Government that might be "self-repairing"—by command coming from a DICTATOR? Why change the entire form of a highly successful Government for free people to one controlled by iron-clad Dictatorship?

Note, "We, the people, do establish the Newstates of America, herein provided to

be ours... **What would you have then? What, in contrast to that which you *have*, *now*?** Today, you have a noble document, even if teetering on the edge of extinction, far, far removed from a **"Consensus for Collectivism"**—a **DANGEROUS PHRASE** which you will hear from **Internationally-influenced speakers in their efforts to further the aims of the super-rich Corporate Socialists and Bankers!** The emphasis in the Preamble, and throughout, is to favor **BIG GOVERNMENT** and downgrade **The People!** This is the complete reverse of your own Constitution which you are selling out.

There is hardly enough time and space to adequately cover the comments applicable to these sections, but briefly:

[C: The comments which will be utilized are offered by Col. Curtis B. Dall. He speaks as an aroused layman who will emphasize "key points" for you who are unsuspecting, and, therefore, unalerted,—those who find it hard to believe that a few wealthy, politically-perverted-minded individuals, and their well-kept stooges, would stoop so low as to stick a knife in the back of their fellow-Americans and attempt to destroy the fruits of 200 years of struggle and great achievement! A struggle for the advancement and well-being of Free Men, in your enlightened, Constitutional Republic! I thank both Col. Dall for his observations and E. Stanley Rittenhouse who together offer this document. I

would guess from the formatting that the original document can be obtained through Liberty Library without my cluttering rearrangement of sequence, etc. It simply seems to me that you need to attend a few comments AS YOU READ THE DOCUMENT SEGMENTS. We shall then offer their "summary" in full.]

RIGHTS AND RESPONSIBILITIES

Article I. "A": Rights:

S.1. Note the glaring "exception". **WHO is to define "the emergency"?**

S.2. Another "exception!" Also note the word, "Privileged!"

S.3. Very vague, but very carefully phrased.

S.4. No comment.

S.5. "The Court of Rights and Responsibilities"? can decide whether or not YOU have been guilty of "discrimination"—THIS IS HARASSMENT IF NOTHING MORE.

S.6. **WHAT** determines "eligibility"?

S.7. No comment.

S.8. "The practice of religion shall be privileged"—a very dangerous statement! This could totally deny your present Constitutional Right to the "free exercise thereof".

S.9. No comment.

S.10. Note "National Sharing Fund" (??) How about that for a good gimmick?

S.11. WHO is to define the "appropriate tests of eligibility" FOR EDUCATION?

S.12. In referring to "compensation", the word, "just", is flagrantly **omitted**. A serious and very ominous omission!

S.13 & 14: No comment.

S.15. WHO is to declare the "emergency"?

S.16. This appears quite "involved" in that it coddles criminals while, I'm sure, restricts innocent parties.

Article I, "B": Responsibilities:

[C: Some sections will be left out and to save time we ask you to assume no special comment. There is no reason to go through this exercise for the obvious is so glaring that it needs no added attention, I would hope.]

S.1. "A corresponding responsibility" is vague, and is obviously quite dangerous as it corresponds to "what"?

S.2. Contains obvious Socialistic overtones.

S.4. Very vague! Also, note the word, "shall". "Shall" is a **command!**

S.6. "Fairness to all"—sounds nice but has no offered foundation upon which to use the term.

S.8. Citizens *shall* be deprived of their ARMS. This is the age-old "gag" of **all tyrants; their favorite technique, to first deprive all law-abiding citizens of their**

means of protection for assault. This section is clever, slick and extremely dangerous!!*!*

S.11. Aimed to "muzzle" Retired Officers of the Armed Forces! Why would they want to do THAT? Ask any old HONEST retired officer!

ARTICLE II THE NEWSTATES

SECTION 1. There shall be Newstates, each comprising no less than 5 percent of the whole population. Existing states may continue and may have the status of Newstates if the Boundary Commission, hereinafter provided, shall so decide. The Commission shall be guided in its recommendations by the probability of accommodation to the conditions for effective government. States electing by referendum to continue if the Commission recommends otherwise shall nevertheless accept all Newstate obligations.

SECTION 2. The Newstates shall have constitutions formulated and adopted by processes hereinafter prescribed.

SECTION 3. They shall have Governors; legislatures, and planning, administrative and judicial systems.

SECTION 4. Their political procedures shall be organized and supervised by electoral Overseers; but their elections shall not be in years of presidential election.

The electoral apparatus of the Newstates of America shall be available to them, and they may be allotted funds under rules agreed to by the national Overseer; but expenditures may not be made by or for any candidate except they be approved by the Overseer; and requirements of residence in a voting district shall be no longer than thirty days.

SECTION 6. They may charter subsidiary governments, urban or rural, and may delegate to them powers appropriate to their responsibilities.

SECTION 7. They may lay, or may delegate the laying of, taxes; but these shall conform to the restraints stated hereinafter for the Newstates of America; but the objects appropriate for taxation shall be clearly designated.

SECTION 9. Taxes on land may be at higher rates than those on its improvements.

SECTION 10. They shall be responsible for the administration of public services not reserved to the government of the Newstates of America, such activities being concerted with those of corresponding national agencies, where these exist, under arrangements common to all.

by the Senate of the Newstates of America.

SECTION 12. Police powers of the Newstates shall extend to all matters not reserved to the Newstates of America; but preempted powers shall not be impaired.

SECTION 13. Newstates may not enter into any treaty, alliance, confederation, or agreement unless approved by the Boundary Commission hereinafter provided.

They may not coin money, provide for the payment of debts in any but legal tender, or make any charge for inter-Newstate services. They may not enact ex post facto laws or ones impairing the obligation of contracts.

SECTION 14. Newstates may not impose barriers to imports from other jurisdictions or impose any hindrance to citizens' freedom of movement.

SECTION 15. If governments of the Newstates fail to carry out fully their constitutional duties, their officials shall be warned and may be required by the Senate, on the recommendation of the Watchkeeper, to forfeit revenues from the Newstates of America.

[C: I hear you, readers, you think I'm giving you a "big whammy" JOKE. Oh don't I wish! THIS IS THE "REAL STUFF", CITIZENS! THIS IS ALREADY IN PRACTICAL APPLICATION AS THE SET OF RULES UTILIZED RIGHT NOW (CALLED BY DIFFERENT NAMES TO FOOL YOU). This is THE Constitution to serve as interim management for the transition to the One World Order Dictatorship and integration into the Global Government through the United Nations top Elite. It is about as far from a JOKE as I can possibly imagine this afternoon.]

COMMENTS:

Article II. "The Newstates"

S.1. "There shall be Newstates"—This is very subversive, inflammatory and Communistic! Note "The Boundary Commission" and its extensive proposed powers "to decide". This is **complete Regimentation! Incredible!**

S.2. NO!

S.3. NO! Too much "planning" (to submerge the individual!)

S.4. Note "electoral **OVERSEER**".

S.8. Dangerous for *American Labor*, carries a strong political note to boost trade with communist countries, particularly the Soviet Union! Looks like a Corporate Socialist, such as Nelson Rockefeller, had a *strong hand* in shaping THIS one.

S.11. So-called "States Rights" are subject to "Emergency" rulings by the Governors, with the **approval** of the Senate of the Newstates of America, so all *States' Rights* hang on a **very slender thread!** Hence, they are down-graded.

S.12. Dangerous...Suggests a **Police**

State!

S.13. Again, "The Boundary Commission" appears, with *firm control* over the "Newstates".

S.15. Looks very much like a **Police State** set up! A club over the "Newstates" wielded by the "Watchkeeper".

[C: If you aren't trembling in your boots—then you ARE NOT ALIVE! I repeat: "This is ALREADY being practiced as Martial law, "districts", IRS, etc. Let us go on through Article III and close this segment, please.]

ARTICLE III The Electoral Branch

SECTION 1. To arrange for participation by the electorate in the determination of policies and the selection of officials, there shall be an Electoral Branch.

SECTION 2. An Overseer of electoral procedures shall be chosen by majority of the *Senate* and may be removed by a two-thirds vote. It shall be the Overseer's duty to supervise the organization of national and district parties, arrange for discussion among them, and provide for the nomination and election of candidates for public office. While in office the Overseer shall belong to no political organization; and after each presidential election shall offer to resign.

SECTION 3. A national party shall be one having had at least a 5 percent affiliation in the latest general election; but a new party shall be recognized when valid petitions have been signed by at least 2 percent at a third, or 15 percent at further elections.

District parties shall be recognized when at least 2 percent of the voters shall have signed petitions of affiliation; but recognition shall be withdrawn upon failure to attract the same percentages as are necessary for the continuance of national parties.

SECTION 4. Recognition by the Overseer shall bring parties within established regulations and entitle them to common privileges.

SECTION 5. The Overseer shall promulgate rules for party conduct and shall see that fair practices are maintained, and for this purpose shall appoint deputies in each district and shall supervise the choice, in district and national conventions, of party administrators. Regulations and appointments may be objected to by the Senate.

SECTION 6. The Overseer, with the administrator and other officials, shall:

a. Provide the means for discussion, in each party, of public issues, and for this purpose, ensure that members have adequate facilities for participation.

b. Arrange for discussion, in annual district meetings, of the President's views,

of the findings of the Planning Branch, and such other information as may be pertinent for the enlightened political discussion.

c. Arrange, on the first Saturday in each month, for enrollment, valid for one year, of voters at convenient places.

SECTION 7. The Overseer shall also:

a. Assist the parties in nominating candidates for district members of the House of Representatives each three years; and for this purpose designate one hundred districts, each with a similar number of eligible voters, redrawing districts after each election. In these there shall be party conventions having no more than three hundred delegates, so distributed that representation of voters be approximately equal.

Candidates for delegate may become eligible by presenting petitions signed by two hundred registered voters. They shall be elected by party members on the first Tuesday in March, those having the largest number of votes being chosen until the three hundred be complete. Ten alternates shall also be chosen by the same process.

District conventions shall be held on the first Tuesday in April. Delegates shall choose three candidates for membership in the House of Representatives, the three having the most votes becoming candidates.

b. Arrange for the *election* each three years of three members of the House of Representatives in each district from among the candidates chosen in party conventions, the three having the most votes to be elected.

SECTION 8. The Overseer shall also:

a. Arrange for national conventions to meet nine years after previous presidential elections, with an equal number of delegates from each district, the whole number not to exceed one thousand.

Candidates for delegates shall be eligible when petitions signed by five hundred registered voters have been filed. Those with the most votes, together with two alternates, being those next in number of votes, shall be chosen in each district.

b. Approve procedures in these conventions for choosing one hundred candidates to be members-at-large of the House of Representatives, whose terms shall be coterminous with that of the President. For this purpose delegates shall file one choice with convention officials. Voting on submissions shall proceed until one hundred achieve 10 percent, but not more than three candidates may be resident in any one district; if any district have more than three, those with the fewest votes shall be eliminated, others being added from the districts having less than three, until equality be reached. Of those added, those having the most votes shall be chosen first.

c. Arrange procedures for the consider-

ation and approval of party objectives by the convention.

d. Formulate rules for the *nomination* in these conventions of candidates for President and Vice Presidents when the offices are to fall vacant, candidates for nomination to be recognized when petitions shall have been presented by one hundred or more delegates, pledged to continue support until candidates can no longer win or until they consent to withdraw. Presidents and Vice Presidents, together with Representatives-at-large, shall submit to referendum after serving for three years, and if they are rejected, new conventions shall be held within one month and candidates shall be chosen as for vacant offices.

Candidates for President and Vice-Presidents shall be nominated on attaining a majority.

e. Arrange for the *election* on the first Tuesday in June, in appropriate years, of new candidates for President and Vice-Presidents, and members-at-large of the House of Representatives, all being presented to the nation's voters as a ticket; if no ticket achieve a majority, the Overseer shall arrange another election, on the third Tuesday in June, between the two persons having the most votes; and if referendum so determine he shall provide similar arrangements for the nomination and election of candidates.

SECTION 11. Expenses of the Electoral Branch shall be met by the additions of one percent to the net annual taxable income returns of taxpayers, this sum to be held by the Chancellor of Financial Affairs for disposition by the Overseer.

Expenditures shall be audited by the Watchkeeper; and sums not expended within four years shall be returned to the Treasury.

It shall be a condition of every communications franchise that reasonable facilities shall be available for allocations by the Overseer.

[C: Is anyone nervous about WHO this "Overseer" might be? How about the "Watchkeeper"—and, how about that "President" but those plural "Vice-Presidents"? Sounds like to me you are moving right into the pit with the viper himself—maybe the Overseer is the "right hand of Satan" and the "Watchkeeper" the "left"?]

Secretary, enough, I see that you are exhausted as we put in these dawn to dark days without letup—but, chela—it is such a critical time for your nation and your freedom as citizens that I cannot bear not to offer that which we can. Hopefully, these past new editions of *CONTACT* [Volume I, Numbers 1, 2 and 3] can be presented at the Las Vegas meeting next week-end. We MUST reach the people or there is not hope.

Hayek: *"I do not think the cause of liberty will prevail unless our emotions are aroused. But, though the strong instincts on which the struggle for liberty has always nourished itself are an indispensable support, they are neither a safe guide nor a certain protection against error. The same noble sentiments have been mobilized in the service of greatly perverted aims. Still more important, the arguments that have undermined liberty belong mainly to the intellectual sphere, and we must therefor counter them there."*

EASTER SUNDAY

Dharma, I am so sorry to have you have to not only not have holiday—but again, double up on the work-load—but we have to have this for you will be in court in Fresno tomorrow and this is the ONLY day we have to prepare for this edition of the paper—WE MUST HAVE THIS NEWSTATES "CONSTITUTION" IN THIS ISSUE, PLEASE.

In the interest of space and time, however, I will ask you to simply copy the "Constitution" itself and we will forego comments and comparison with your "now" Constitution and the United Nations Charter and the Protocols of Zion until next time.

Please don't leave me, chela, as we offer this next verse to open the writing (readers, we have already been hours in writing of critical legal documents so Dharma Wokini is not in the most gracious and receptive mood for the many hours ahead today. Tomorrow on her way to Fresno, I ask her to ponder this verse) sent to us from Fay and Sally Salter—by Ray F. Zaner:

TAKE TIME TO SEE

***It seems so hard to understand
As I look out across the land
That all I view belongs to ME
I ought to take more time to see!***

***The distant hills and mountains high,
The rolling clouds and bright blue sky.
No one can take these views from me
As long as I have eyes to see.***

***A timid deer with haunting look
Who stands refreshed by yonder brook
Knows not that he belongs to me
Oh, what a thrilling sight to see!***

***The song of birds so gay and clear
That fill the morning air with cheer.
And fragrant flowers of every hue,
That stand erect bedecked with dew.
All these and more belong to me
If I but use my eyes to see.***

***When evening shadows gather nigh
And twinkling stars light up the sky,
I hear My Master say to me
"I made it all for you to see."
My heart grows warm with faith and pride
To know that HE is by my side.***

ARTICLE IV

THE PLANNING BRANCH

SECTION 1. There shall be a Planning Branch to formulate and administer plans and to prepare budgets for the uses of expected income in pursuit of policies formulated by the processes provided herein.

SECTION 2. There shall be a National Planning Board of fifteen members appointed by the President; the first members shall have terms designated by the President of one to fifteen years, thereafter one shall be appointed each year; the President shall appoint a Chairman who shall serve for fifteen years unless removed by him.

SECTION 3. The Chairman shall appoint, and shall supervise, a planning administrator, together with such deputies as may be agreed to by the Board.

SECTION 4. The Chairman shall present to the Board six and twelve year development plans prepared by the planning staff. They shall be revised each year after public hearings, and finally in the year before they are to take effect. They shall be submitted to the President on the fourth Tuesday in July for transmission to the Senate on September 1st with his comments.

If members of the Board fail to approve the budget proposals by the forwarding date, the Chairman shall nevertheless make submission to the President with notations of reservation by such members. The President shall transmit this proposal, with his comments, to the House of Representatives on September 1.

SECTION 5. It shall be recognized that the six and twelve year development plans represent national intentions tempered by the appraisal of possibilities. The twelve-year plan shall be a general estimate of probable progress, both governmental and private; the six-year plan shall be more specific as to estimated income and expenditure and shall take account of necessary revisions.

The purpose shall be to advance, through every agency of government, the excellence of national life. It shall be the further purpose to anticipate innovations, to estimate their impact, to assimilate them into

existing institutions, and to moderate deleterious effects on the environment and on society.

The six and twelve year plans shall be disseminated for discussion and the opinions expressed shall be considered in the formulation of plans for each succeeding year with special attention to detail in proposing the budget.

SECTION 6. For both plans an extension of one year into the future shall be made each year and the estimates for all other years shall be revised accordingly. For nongovernmental activities the estimate of developments shall be calculated to indicate the need for enlargement or restriction.

SECTION 7. If there be objection by the President or the Senate to the six or twelve year plans, they shall be returned for restudy and resubmission. If there still be differences, and if the President and the Senate agree, **they shall prevail**. If they do not agree, the Senate shall prevail and the plan shall be revised accordingly.

SECTION 8. The Newstates, on June 1, shall submit proposals for development to be considered for inclusion in those of the Newstates of America. Researches and administration shall be delegated, when convenient, to planning agencies of the Newstates.

SECTION 9. There shall be submissions from private individuals or from organized associations affected with a public interest, as defined by the Board. They shall report intentions to expand, or contract, estimates of production and demand, probable uses of resources, numbers expected to be employed, and other essential information.

SECTION 10. The Planning Branch shall make and have custody of official maps, and these shall be documents of reference for future developments both public and private; on them the location of facilities, with extension indicated, and the intended use of all areas shall be marked out.

Official maps shall also be maintained by the planning agencies of the Newstates, and in matters not exclusively national the National Planning Board may rely on these.

Undertakings in violation of official designation shall be at the risk of the venturer, and there shall be no recourse; but losses from designations after acquisition shall be recoverable in actions before the Court of Claims.

SECTION 11. The Planning Branch shall have available to it funds equal to one-half of one percent of the approved national budget (not including debt services or payments from trust funds). They shall be held by the Chancellor of Financial Affairs and expended according to rules approved by the Board; but funds not expended within six years shall be available for other uses.

SECTION 12. Allocations may be made for the planning agencies of the Newstates; but only the maps and plans of the National Board, or those approved by them, shall have status at law.

SECTION 13. In making plans, there shall be due regard to the interests of other nations and such cooperation with their intentions as may be approved by the Board.

SECTION 14. There may also be cooperation with international agencies and such contributions to their work as are not disapproved by the President.

ARTICLE V THE PRESIDENCY

SECTION 1. The President of the Newstates of America shall be the head of government, shaper of its commitments, expositor of its policies, and supreme commander of its protective forces; shall have one term of nine years, unless rejected by 60 percent of the electorate after three years; shall take care that the nation's resources are estimated and are apportioned to its more exigent needs; shall recommend such plans, legislation, and action as may be necessary; and shall address the legislators each year on the state of the nation, calling upon them to do their part for the general good.

SECTION 2. There shall be two Vice-Presidents elected with the President; at the time of taking office the President shall designate one Vice-President to supervise internal affairs; and one to be deputy for general affairs. **[C: I cannot pass this one without calling special attention to what you have RIGHT NOW in the form of Hillary and Al Gore. You already HAVE THE TWO!]** The deputy for general affairs shall succeed if the presidency be vacated; the Vice-President for internal affairs shall be second in succession. If either Vice-President shall die or be incapacitated, the President, with the consent of the Senate, shall **appoint** a successor. Vice-Presidents shall serve during an extended term with such assignments as the President may make.

If the presidency fall vacant through the disability of both Vice-Presidents, the Senate shall elect successors from among its members to serve until the next general election.

With the Vice-Presidents and other officials the President shall see to it that the laws are faithfully executed and shall pay attention to the findings and recommendations of the Planning Board, the National Regulatory Board, and the Watchkeeper in formulating national policies.

SECTION 3. Responsible to the Vice-President for General Affairs there shall be Chancellors of External, Financial, Legal,

and Military Affairs.

The Chancellor of External Affairs shall assist in conducting relations with other nations.

The Chancellor of Financial Affairs shall supervise the nation's financial and monetary systems, regulating its capital markets and credit-issuing institutions as they may be established by law; and this shall include lending institutions for operations in other nations or in cooperation with them, except that treaties may determine their purposes and standards.

The Chancellor of Legal Affairs shall advise governmental agencies and represent them before the courts.

The Chancellor of Military Affairs shall act for the presidency in disposing all armed forces except militia commanded by governors; but these shall be available for national service at the President's convenience.

Except in declared emergency, the deployment of forces in far waters or in other nations without their consent shall be notified in advance to a national security committee of the Senate hereinafter provided.

SECTION 4. Responsible to the Vice-President for Internal Affairs there shall be chancellors of such departments as the President may find necessary for performing the services of government and are not rejected by a two-thirds vote when the succeeding budget is considered.

SECTION 5. Candidates for the presidency and the vice-presidencies shall be natural-born citizens. Their suitability may be questioned by the Senate within ten days of their nomination, and if two-thirds of the whole agree, they shall be ineligible and a nominating convention shall be reconvened. At the time of his nomination no candidate shall be a member of the Senate and none shall be on active service in the armed forces or a senior civil servant.

SECTION 6. The President may take leave because of illness or for an interval of relief, and the Vice-President in charge of General Affairs shall act. The President may resign if the Senate agree; and, if the term shall have more than two years to run, the Overseer shall arrange for a special election for President and Vice-President.

SECTION 7. The Vice-Presidents may be directed to perform such ministerial duties as the President may find convenient; but their instructions shall be of record, and their actions shall be taken as his deputy.

SECTION 8. Incapacitation may be established without concurrence of the president by a three-quarters vote of the Senate, whereupon a successor shall become Acting President until the disability be declared, by a similar vote, to be ended

or to have become permanent. Similarly the other Vice-President shall succeed if a predecessor die or be disabled. Special elections, in these contingencies, may be required by the Senate.

Acting Presidents may appoint deputies, unless the Senate object, to assume their duties until the next election.

SECTION 9. The Vice-Presidents, together with such other officials as the President may designate from time to time, may constitute a cabinet or council; but this shall not include officials of other branches.

SECTION 10. Treaties or agreements with other nations, negotiated under the President's authority, shall be in effect unless objected to by a majority of the Senate within ninety days. If they are objected to, the President may resubmit and the Senate reconsider. If a majority still object, the Senate shall prevail.

SECTION 11. All others, except those of other branches, shall be appointed and may be removed by the President. A majority of the Senate may object to appointments within sixty days, and alternative candidates shall be offered until it agrees.

SECTION 12. The President shall notify the Planning Board and the House of Representatives, on the fourth Tuesday in June, what the maximum allowable expenditures for the ensuing fiscal year shall be.

The President may determine to make expenditures less than provided in appropriations; but, except in declared emergency, none shall be made in excess of appropriations. Reduction shall be because of changes in requirements and shall not be such as to impair the integrity of budgetary procedures.

SECTION 13. There shall be a Public Custodian, appointed by the President and removable by him, who shall have charge of properties belonging to the government, but not allocated to specific agencies, who shall administer common public services, shall have charge of building construction and rentals, and shall have such other duties as may be designated by the President or the designated Vice-Presidents.

SECTION 14. There shall be an Intendant responsible to the President who shall supervise Offices for Intelligence and Investigation; also an Office of Emergency Organization with the duty of providing plans and procedures for such contingencies as can be anticipated.

The Intendant shall also charter non-profit corporations (or foundations), unless the President shall object, determined by him to be for useful public purposes. Such corporations shall be exempt from taxation but shall conduct no profitmaking enterprises.

SECTION 15. The Intendant shall also be a counselor for the coordination of sci-

entific and cultural experiments, and for studies within the government and elsewhere, and for this purpose shall employ such assistance as may be found necessary.

SECTION 16. Offices for other purposes may be established and may be discontinued by presidential order within the funds allocated in the procedures or appropriation.

ARTICLE VI

THE LEGISLATIVE BRANCH (The Senate and the House of Representatives)

A. THE SENATE

SECTION 1. There shall be a Senate with membership as follows: If they so desire, former Presidents, Vice-Presidents, Principal Justices, Overseers, Chairmen of the Planning and Regulatory Boards, Governors having had more than seven years service, and unsuccessful candidates for the presidency and vice-presidency who have received at least 30 percent of the vote. To be appointed by the President, three persons who have been Chancellors, two officials from the civil services, two officials from the diplomatic services, two senior military officers, also one person from a panel of three elected in a process approved by the overseer, by each of twelve such groups or associations as the President may recognize from time to time to be nationally representative, but none shall be a political or religious group, no individual selected shall have been paid by any private interest to influence government, and any association objected to by the Senate shall not be recognized. Similarly, to be appointed by the Principal Justice, two persons distinguished in public law and two former members of the High Courts or the Judicial Council. Also, to be elected by the House of Representatives, three members who have served six or more years.

Vacancies shall be filled as they occur.

SECTION 2. Membership shall continue for life, except that absences not provided for by rule shall constitute retirement, and that Senators may retire voluntarily.

SECTION 3. The Senate shall elect as presiding officer a Convener who shall serve for two years, when his further service may be discontinued by a majority vote. Other officers, including a Deputy, shall be appointed by the Convener unless the Senate shall object.

SECTION 4. The Senate shall meet each year on the second Tuesday in July and shall be in continuous session, but may adjourn to the call of the Convener. A quorum shall be more than three-fifths of

the whole membership.

SECTION 5. The Senate shall consider, and return within thirty days, all measures approved by the House of Representatives (except the annual budget). Approval or disapproval shall be by a majority vote of those present. Objection shall stand unless the House of Representatives shall overcome it by a majority vote plus one; if no return be made, approval by the House of Representatives shall be final.

For consideration of laws passed by the House of Representatives or for other purposes, the Convener may appoint appropriate committees.

SECTION 6. The Senate may ask advice from the Principal Justice concerning the constitutionality of measures before it; and if this be done, the time for return to the House of Representatives may extend to ninety days.

SECTION 7. If requested, the Senate may advise the President on matters of public interest; or, if not requested, by resolution approved by two-thirds of those present. There shall be a special duty to expressions of concern during party conventions and commitments made during campaigns; and if these be neglected, to remind the President and the House of Representatives that these undertakings are to be considered.

SECTION 8. In time of present or prospective danger caused by cataclysm, by attack, or by insurrection, the Senate may declare a national emergency and may authorize the President to take appropriate action. If the Senate be dispersed, and no quorum available, the President may proclaim the emergency, and may terminate it unless the Senate shall have acted. If the President be not available, and the circumstances extreme, the senior serving member of the presidential succession may act until a quorum assembles.

SECTION 9. The Senate may also define and declare a limited emergency in time of prospective danger, or of local or regional disaster, or if an extraordinary advantage be anticipated. It shall be considered by the House of Representatives within three days and, unless disapproved, may extend for a designated period and for a limited area before renewal.

Extraordinary expenditures during emergency may be approved, without regard to usual budget procedures, by the House of Representatives with the concurrence of the President.

SECTION 10. The Senate, at the beginning of each session, shall select three of its members to constitute a national Security Committee to be consulted by the President in emergencies requiring the deployment of the armed forces abroad. If the Committee dissent from the President's proposal, it shall report to the Senate, whose decision shall be final.

SECTION 11. The Senate shall elect, or may remove, a national Watchkeeper, and shall oversee, through a standing committee, a Watchkeeping Service conducted according to rules formulated for their approval.

With the assistance of an appropriate staff the Watchkeeper shall gather and organize information concerning the adequacy, competency, and integrity of governmental agencies and their personnel, as well as their continued usefulness; and shall also suggest the need for new or expanded services, making report concerning any agency of the deleterious effect of its activities on citizens or on the environment.

The Watchkeeper shall entertain petitions for the redress of grievances and shall advise the appropriate agencies if there be need for action.

For all these purposes, personnel may be appointed, investigations made, witnesses examined, post audits made, and information required.

The Convener shall present the Watchkeeper's findings to the Senate, and if it be judged to be in the public interest, they shall be made public or, without being made public, sent to the appropriate agency for its guidance and such action as may be needed. On recommendation of the Watchkeeper the Senate may initiate corrective measures to be voted on by the House of Representatives within thirty days. When approved by a majority and not vetoed by the President, they shall become law.

For the Watchkeeping Service one-quarter of one percent of individual net taxable incomes shall be held by the Chancellor of Financial Affairs; but amounts not expended in any fiscal year shall be available for general use.

B. THE HOUSE OF REPRESENTATIVES

SECTION 1. The House of Representatives shall be the original lawmaking body of the Newstates of America.

SECTION 4. Party leaders and their deputies shall be chosen by caucus at the beginning of each session.

SECTION 5. Standing and temporary committees shall be selected as follows:

If nominations be not approved by a majority of the caucus, the Speaker of the minority leaders shall nominate others until a majority shall approve.

Members of other committees shall be chosen by party caucus in proportion to the results of the last election. Chairmen shall be elected annually from among at-large-members.

Bills referred to committees shall be returned to the House with recommendations within sixty days unless extension be voted by the House.

In all committee actions names of those voting for and against shall be recorded.

No committee chairman may serve longer than six years.

SECTION 6. Approved legislation, not objected to by the Senate within the allotted time, shall be presented to the President for his approval or disapproval. If the President disapprove, and three-quarters of the House membership still approve, it shall become law. The names of those voting for and against shall be recorded. Bills not returned within eleven days shall become law.

SECTION 7. The President may have thirty days to consider measures approved by the House unless they shall have been submitted twelve days previous to adjournment.

SECTION 8. The House shall consider promptly the annual budget; if there still be objection by a two-thirds majority, the House shall prevail. Objection must be by whole title; titles not objected to when voted on shall constitute appropriation.

The budget for the fiscal year shall be in effect on January 1. Titles not yet acted on shall be as in the former budget until action be completed.

To provide for the regulation of commerce with other nations and among the Newstates, Possessions, Territories; or, as shall be mutually agreed, with other organized governments; but exports shall not be taxed; and imports shall not be taxed except on recommendation of the President at rates whose allowable variations shall have been fixed by law. There shall be no quotas, and no nations favored by special rates, unless by special acts requiring two-thirds majorities.

5. To establish, or provide for the establishment of, institutions for the safekeeping of savings, for the gathering and distribution of capital, for the issuance of credit, for regulating the coinage of money, for controlling the media of exchange, and for stabilizing prices; but such institutions, when not public or semipublic, shall be regarded as affected with the public interest and shall be supervised by the Chancellor of Financial Affairs.

There shall be Circuit Courts to be of first resort in suits brought under national law; and they shall hear appeals from courts of the Newstates.

Other courts may be established by law on recommendation of the Principal Justice with the Judicial Council.

SECTION 2. The Principal Justice shall preside over the judicial system, shall appoint the members of all national courts, and, unless the Judicial Council object, shall make its rules; also, through an Administrator, supervise its operations.

SECTION 3. The Judicial Assembly shall consist of Circuit Court Judges, together with those of the High Courts of the Newstates of America and those of the highest courts of the Newstates. It shall meet annually, or at the call of the Principal Justice, to consider the state of the Judiciary and such other matters as may be laid before it.

It shall also meet at the call of the Convener to nominate three candidates for the principal Justiceship whenever a vacancy shall occur. From these nominees the Senate shall choose the one having the most votes.

SECTION 4. The Principal Justice, unless the Senate object to any, shall appoint a Judicial Council of five members to serve during his incumbency. He shall designate a senior member who shall preside in his absence.

It shall be the duty of the Council, under the direction of the Principal Justice, to study the courts in operation, to prepare codes of ethics to be observed by members, and to suggest changes in procedure. The Council may ask the advice of the Judicial Assembly.

It shall also be a duty of the Council, as hereinafter provided, to suggest Constitutional amendments when they appear to be necessary; and it shall also draft revisions if they shall be required. Further it shall examine, and from time to time cause to be revised, civil and criminal codes; these, when approved by the Judicial Assembly, shall be in effect throughout the nation.

SECTION 5. The Principal Justice shall have a term of eleven years; but if at any time the incumbent resign or be disabled from continuing in office, as may be determined by the Senate, replacement shall be by the senior member of the Judicial Council until a new selection be made. After six

years the Assembly may provide, by a two-thirds vote, for discontinuance in office, and a successor shall then be chosen.

SECTION 6. The Principal Justice may suspend members of any court for incapacity or violation of rules; and the separation shall be final if a majority of the Council agree.

SECTION 7. A presiding judge may decide, with the concurrence of the senior judge, that there may be pretrial proceedings, that criminal trials shall be conducted by either investigatory or adversary proceedings, and whether there shall be a jury and what the number of jurors shall be; but investigatory proceedings shall require a bench of three.

SECTION 8. In deciding on the concordance of statutes with the Constitution, the Supreme Court shall return to the House of Representatives such as it cannot construe. If the House fail to make return within ninety days the Court may interpret.

SECTION 9. The Principal Justice, or the President, may grant pardons or reprieves.

SECTION 15. The Courts of the Newstates shall have initial jurisdiction in cases arising under their laws except those involving the Newstate itself or those reserved for national courts by a rule of the Principal Justice with the Judicial council.

ARTICLE IX GENERAL PROVISIONS

SECTION 1. Qualifications for participation in democratic procedures as a citizen, and eligibility for office, shall be subject to repeated study and redefinition; but any change in qualification or eligibility shall become effective only if not disapproved by the Congress.

For this purpose a permanent Citizenship and Qualifications Commission shall be constituted, four members to be appointed by the President, three by the Convener of the Senate, three by the Speaker of the House, and three by the Principal Justice. Vacancies shall be filled as they occur. The members shall choose a chairman; they shall have suitable assistants and accommodations; and they may have other occupations. Recommendations of the commission shall be presented to the President and shall be transmitted to the House of Representatives with comments. They shall have a preferred place on the calendar and, if approved shall be in effect.

SECTION 2. Areas necessary for the uses of government may be acquired at its valuation and may be maintained as the public interest may require. Such areas shall have self-government in matters of local concern.

SECTION 3. The President may negotiate for the acquisition of areas outside the Newstates of America, and, if the Senate approve, may provide for their organization as Possessions or Territories.

SECTION 4. The President may make agreements with other organized peoples for a relation other than full membership in the Newstates of America. They may become citizens and may participate in the selection of officials. They may receive assistance for their development or from the National Sharing Fund if they conform to its requirements; and they may serve in civilian or military services, but only as volunteers. They shall be represented in the House of Representatives by members

elected at large, their number proportional to their constituencies; but each shall have at least one; and each shall in the same way choose one permanent member of the Senate.

SECTION 5. The President, the Vice-Presidents, and members of the legislative houses shall in all cases except treason, felony, and breach of the peace be exempt from penalty for anything they may say while pursuing public duties; but the Judicial Council may make restraining rules.

SECTION 6. Except as otherwise provided by this Constitution, each legislative house shall establish its requirement for membership and may make rules for the conduct of members, including conflicts of interest, providing its own disciplines for their infraction.

SECTION 7. No Newstate shall interfere with officials of the Newstates of America in the performance of their duties, and all shall give full faith and credit to the Acts of other Newstates and of the Newstates of America.

SECTION 8. Public funds shall be expended only as authorized in this Constitution.

ARTICLE X GOVERNMENTAL ARRANGEMENTS

SECTION 1. Offices of the Newstates of America shall be those named in this Constitution, including those of the legislative houses and others authorized by law to be appointed; they shall be compensated, and none may have other paid occupation unless they be excepted by law; none shall occupy more than one position in government; and no gift or favor shall be accepted if in any way related to official duty.

No income from former employments or associations shall continue for their benefits; but their properties may be put in trust and managed without their intervention during continuance in office. Hardships under this rule may be considered by the Court of Rights and Duties, and exceptions may be made with due regard to the general intention.

SECTION 2. The President, the Vice-Presidents, and the Principal Justice shall have households appropriate to their duties. The President, the Vice-Presidents, the Principal Justice, the Chairman of the Planning Board, the Regulator, the Watchkeeper, and the Overseer shall have salaries fixed by law and continued for life; but if they become members of the Senate, they shall have senatorial compensation and shall conform to senatorial requirements.

Justices of the High Courts shall have no term; and their salaries shall be two-thirds that of the Principal Justice; they and members of the Judicial Council, unless they shall have become Senators, shall

be permanent members of the Judiciary and shall be available for assignment by the Principal Justice.

Salaries for members of the Senate shall be the same as for Justices of the High Court of Appeals.

SECTION 3. Unless otherwise provided herein, officials designated by the head of a branch as sharers in policymaking may be appointed by him with the president's concurrence and unless the Senate shall object.

SECTION 4. There shall be administrators:

a. for executive offices and official households, appointed by authority of the President;

b. for the national courts, appointed by the Principal Justice;

c. for the Legislative Branch, selected by a committee of members from each house (chosen by the Convener and the Speaker), three from the House of Representatives and four from the Senate.

Appropriations shall be made to them; but those for the presidency shall not be reduced during his term unless with his consent; and those for the Judicial Branch shall not be reduced during five years succeeding their determination, unless with the consent of the Principal Justice.

SECTION 5. The fiscal year shall be the same as the calendar year, with new appropriations available at its beginning.

SECTION 6. There shall be an Officials' Protective Service to guard the President, the Vice-Presidents, the Principal Justice, and other officials whose safety may be at hazard; and there shall be a Protector appointed by and responsible to a standing committee of the Senate. Protected officials shall be guided by procedures approved by the committee.

The service, at the request of the Political Overseer, may extend its protection to candidates for office; or to other officials, if the committee so decide.

SECTION 7. A suitable contingency fund shall be made available to the President for purposes defined by law.

SECTION 8. The Senate shall try officers of government other than legislators when such officers are impeached by a two-thirds vote of the House of Representatives for conduct prejudicial to the public interest. If Presidents or Vice-Presidents are to be tried, the Senate, as constituted, shall conduct the trial. Judgments shall not extend beyond removal from office and disqualification for holding further office; but the convicted official shall be liable to further prosecution.

SECTION 9. Members of legislative houses may be impeached by the Judicial Council; but for trials it shall be enlarged to seventeen by Justices of the High Courts appointed by the Principal Justice. If con-

victed, members shall be expelled and then ineligible for future public office; and they shall also be liable for trial as citizens.

ARTICLE XI AMENDMENT

SECTION 1. It being the special duty of the Judicial Council to formulate and suggest amendments to this Constitution, it shall, from time to time, make proposals, through the Principal Justice, to the Senate. The Senate, if it approve, and if the President agree, shall instruct the Overseer to arrange at the next national election for submission of the amendment to the electorate. If not disapproved by a majority, it shall become part of this Constitution. If rejected, it may be restudied and a new proposal submitted.

It shall be the purpose of the amending procedure to correct deficiencies in the Constitution, to extend it when new responsibilities require, and to make government responsible to needs of the people, making use of advances in managerial competence and establishing security and stability; also to preclude changes in the Constitution resulting from interpretation.

SECTION 2. When this Constitution shall have been in effect for twenty-five years the Overseer shall ask, by referendum, whether a new Constitution shall be prepared. If a majority so decide, the Council, making use of such advice as may be available, and consulting those who have made complaint, shall prepare a new draft for submission at the next election. If not disapproved by a majority it shall be in effect. If disapproved it shall be redrafted and resubmitted with such changes as may be then appropriate to the circumstances, and it shall be submitted to the voters at the following election.

If not disapproved by a majority it shall be in effect. If disapproved it shall be restudied and resubmitted.

ARTICLE XII TRANSITION

SECTION 1. The President is authorized to assume such powers, make such appointments, and use such funds as are necessary to make this Constitution effective as soon as possible after acceptance by a referendum he may initiate.

SECTION 2. Such members of the Senate as may be at once available shall convene and, if at least half, shall constitute sufficient membership while others are being added. They shall appoint an Overseer to arrange for electoral organization and elections for the offices of government; but the President and Vice-Presidents shall serve out their terms and then become members of the Senate. At that time the presidency shall be constituted as

provided in this Constitution.

SECTION 3. Until each indicated change in the government shall have been complete the provisions of the existing Constitution and the organs of government shall be in effect.

SECTION 4. All operations of the national government shall cease as they are replaced by those authorized under this Constitution.

The President shall determine when replacement is complete.

The President shall cause to be constituted an appropriate commission to designate existing laws inconsistent with the Constitution, and they shall be void; also the commission shall assist the President and the legislative houses in the formulating of such laws as may be consistent with the Constitution and necessary to its implementation.

SECTION 5. For establishing Newstates' boundaries a commission of thirteen, appointed by the President, shall make recommendations within one year. For this purpose the members may take advice and commission studies concerning resources, population, transportation, communication, economic and social arrangements, and such other conditions as may be significant. The President shall transmit the commission's report to the Senate. After entertaining, if convenient, petitions for revision, the Senate shall report whether the recommendations are satisfactory but the President shall decide whether they shall be accepted or shall be returned for revision.

Existing states shall not be divided unless metropolitan areas extending over more than one state are to be included in one Newstate, or unless other compelling circumstances exist; and each Newstate shall possess harmonious regional characteristics.

The Commission shall continue while the Newstates make adjustments among themselves and shall have jurisdiction in disputes arising among them.

SECTION 6. Constitutions of the Newstates shall be established as arranged by the Judicial Council and the Principal Justice.

These procedures shall be as follows: Constitutions shall be drafted by the highest courts of the Newstates. There shall then be a convention of one hundred delegates chosen in special elections in a procedure approved by the Overseer. If the Constitution be not rejected, the Principal Justice, advised by the Judicial Council, shall promulgate a Constitution and initiate revisions to be submitted for approval at a time he shall appoint. If it again be rejected he shall promulgate another, taking account of objections, and it shall be in effect. A Constitution, once in effect, shall be valid for twenty-five years as herein

provided.

SECTION 7. Until Governors and legislatures of the Newstates are seated, their governments shall continue, except that the President may appoint temporary Governors to act as executive until succeeded by those regularly elected. These Governors shall succeed to the executive functions of the states as they become one of the Newstates of America.

SECTION 8. The indicated appointments, elections, and other arrangements shall be made with all deliberate speed.

SECTION 9. The first Judicial Assembly for selecting a register for candidates for the Principal Justiceship of the Newstates of America shall be called by the incumbent Chief Justice immediately upon ratification.

SECTION 10. Newstates electing by referendum not to comply with recommendations of the Boundary Commission, as approved by the Senate, shall have deducted from taxes collected by the Newstates of America for transmission to them a percentage equal to the loss in efficiency from failure to comply.

Estimates shall be made by the Chancellor of Financial Affairs and approved by

the President; but the deduction shall not be less than 7 percent.

SECTION 11. When this Constitution has been implemented the President may delete by proclamation appropriate parts of this article.

Well, friends—anyone who thinks you haven't died and gone to Hell—just doesn't see the facts. May GOD be with you sleeping prey. There is no mention of "we-the-people", no mention of juries and trial by peers—there is nothing save the announcement of Monarchy Dictatorship—worsening with every article and section in sequence.

To you who wish to continue to call me "false" and of "Satan"—who might YOU be—you who allows such as this to come upon God's perfection and the nations of your world which house your brothers and sisters? Indeed, indeed; **may God please have mercy upon you sleeping lambs.**

Nevada Corporations

JUDGEMENT-PROOFING YOUR CORPORATION OR HAVE YOU EVER SEEN A LAWYER CRY?

One of the main reasons that a business owner will decide to incorporate is to limit the potential liability that the business has on personal assets. With a corporation, an individual can separate personal activities and those of the corporation. Any suits or losses that may arise from the activities of a corporation will not be the personal responsibility of its owner—unlike all businesses that are not incorporated. This means that no matter what kind of trouble a corporation gets into (except fraud), its owners, directors, and officers are insulated and not held personally responsible.

While it may be clear that a corporation can provide you with personal protection, we also need to take this analysis one step more and look at ways to protect your corporate assets. Corporations are very desirable targets for lawsuits today. Hungry attorneys and their clients automatically assume that a corporation will have assets, and therefore they appear to be a worthy target for financial gain. As we know today, the condition of "just cause" is NOT a prerequisite to lawsuits anymore.

Deep pockets are the main item of attraction.

Corporate strategy involves many angles, one of which involves Judgement-Proofing your corporation. One technique, used by corporations large and small, is to separate out those areas of business which have a higher likelihood of drawing lawsuits from the more financially valuable assets.

A good example of this can be made from those in the construction business. Construction companies may consider placing their expensive vehicles and equipment in a separate corporation that leases these assets to their main company. The main corporation is the one that hires the workers, signs the contracts and takes all of the legal heat. This can usually keep all of the physical assets quite secure, and leaves very little of real financial value to anyone who may decide to sue. Such a business as construction can find itself open to many different lawsuits (some of them justified these days with all their cutting of corners to stay afloat) that can eventually place them into bankruptcy. In this way, instead of wasting time and money fighting the suit, the corporation itself can just be handed over to those filing suit, at very little relative loss to the owners.

This strategy is also illustrated by the story of Ted Kennedy and the death of Mary Jo Kopechney in the Chappaquiddic River. When there was not enough evidence to prove any wrongdoing on Kennedy's part, the family of Mary Jo decided to take their claim up with the owner of the vehicle. The owner ended up being a trust that just held this one car in it at the time of the lawsuit. If the vehicle was held *personally* by Ted Kennedy, they may have had a chance to go after any other assets that he may have held personally. This left the grieving family without anyone or anything to go after for damages.

Another useful strategy for Judgement-Proofing your corporation involves encumbering your corporation with heavy debt. This strategy can work using two corporations or just one. The idea of this strategy is to turn your corporation into a "turnip that no one can bleed for blood" so to speak, where anyone considering a suit will not find anything worthy to sue for. The corporation that you are trying to protect borrows money from you personally or from another corporation. If you have assets of \$100,000 in your corporation you would want to get that corporation deeper and deeper into debt through a series of loans that would put your corporation at least \$100,000 into debt. To secure these debts you, or the other corporation (that made these loans to your operating corporation) would sign a security agreement with the borrowing corporation. A security agreement is a common, powerful tool that is used to secure certain assets as collateral on a loan. With this security agreement they agree that the assets, receivables, inventory, and everything belonging to your corporation, is collateral for the loans.

Once the assets are thus secured, you would want to make public notice of this debt to all of the hovering birds of prey that may be circling overhead. The entity that has now secured your property for a loan would file a UCC-1 financing statement with the Secretary of State's office in the State where your corporation is incorporated, as well as with the County Records in the County of the assets. This UCC-1 states to the public that these assets are collateral for a note that is owed. It gives notice to the world that the assets are encumbered. It tells the public that they cannot touch these assets until the debt is paid. The UCC-1 tells the public that this creditor of the corporation gets paid first before anyone else, except (of course) the IRS. Those encumbered assets can't be touched until after that creditor (which may be you or another corporation that you control) gets paid.

So, when someone decides to sue your corporation, they visit their greedily smiling attorney, who can hardly wait to go to

work for them on contingency. First, they see just how much they can take you for by finding out exactly how much you have. This is accomplished by doing a Standard Asset Search. First they find any and all assets that are in the corporation's name, and then they look for any hidden assets and any UCC-1 filings. After turning up the UCC-1 filing they find out that the business is so indebted that it is amazing to even be operating. At this point, their attorney, who for some reason is no longer smiling quite so broadly, calls them back and gives them the bad news that there is nothing to go after in a suit. Congratulations! You have now successfully judgement-proofed your corporation.

This strategy can be VERY successful when utilizing a Nevada corporation in conjunction with your home-state corporation. Your Nevada corporation would be the lending entity to your home state business that fully encumbers the assets of your home-state business. This would allow you, as an individual, to remain out of this predatory

litigation loop completely because no one has to know that you are the owner of this lending corporation in Nevada.

Philippines?

HOW MANY OF YOU KNOW THAT YOU NO LONGER FUNCTION UNDER THE CONSTITUTION OF THE UNITED STATES OF AMERICA AND WILL NO LONGER BE CALLED THE UNITED STATES BUT RATHER, THE **"NEW STATES" OF AMERICA** AND THE **CONSTITUTION FOR DICTATORSHIP** IS ALREADY WRITTEN AND IN USE [see story starting on p.32]. THIS WILL HOLD AFTER ANNOUNCEMENT OF FULL EMERGENCY STATUS AND OPEN MARTIAL LAW—FOR TWENTY-FIVE YEARS, AFTER WHICH YOU ARE SOLELY A SOCIALISTIC COMPOUND UNDER THE HIERARCHY OF THE ELITE WHO RUN THE UNITED NATIONS.

How many of you heard Oliver North warn you, this weekend, that Clinton's plans dive you deep into Socialism and the Republic of the United States is doomed? He should know—after all he "single-handedly" orchestrated and pulled off the entirety of the Iran Contra affair according to the "Big Boys" and they "wouldn't lie to you", would they?

How many of you know or care that the bomb used in the New York Trade Centers bombing was a **"nuclear device"**? It was. How many of you realize it was an integrated terrorist action—including, as usual, the CIA, KGB and

Mossad? All orchestrated under your Mother, the British Intelligence Agency?

How many of you have RECENTLY read Orwell's 1984? What makes you think those things predicted have not come to pass? How about Ayn Rand's works on the disintegration of the nation's (world's) total infrastructure, diseases and plagues and ultimate movement into holes and canyons for survival? HOW MANY OF YOU STILL THINK AN ELITIST ONE WORLD GOVERNMENT UNDER WHICH YOU ARE SLAVES IS A GRAND "NEW" IDEA?

HOW MANY OF YOU GIVE A DAMN? SO BE IT!

This paper is some kind of "Dooms Day" rag-sheet? We just call 'em as we sees 'em! You who think as much, I suggest read it very, very carefully! You tell me who could "make up" all this dreadful "stuff"? We must be doing something RIGHT—every operative on the globe is after our blood but I remind you all: GOD SHALL PREVAIL AND IS IT NOT ABOUT TIME YOU CONSIDER YOUR OWN POSITION? AN OSTRICH QUESTIONING TRUTH WITH HIS HEAD DOWN IN THE SAND-POT IS ELEGANTLY EXPOSED ON A VERY VULNERABLE END—SO, TAKE YOUR HEAD OUT OF THE DARK OF THE SAND-POT AND **GET MAD! TRUTH AWAITS, AS CAN FREEDOM.**

GET READY!

A Free And Independent PRESS Is Long Dead

(Editor's note: The following piece of rare and candid insight comes from 1953, a solid 30 years ago now. Egads! How much more controlled do you think the media is now? Keep this in mind and show John Swinton's remarks to your doubting friends who wonder why you subscribe to and honor CONTACT so highly above the typical Satanic Elite-controlled news media.

We like to run this following message periodically, both as a caution to those still naive enough to think there is a free press out there in the commercial world controlled by the Elite, and as a special kind of "thank you" to our many, many readers who so consistently support and encourage CONTACT and, before that, THE PHOENIX LIBERATOR. We are deeply grateful for your constant and sincere messages of encouragement. Those often highly

emotional "thank you" notes pouring into the offices every day are what give us the necessary boost to keep on keeping on. Thank YOU!)

JOHN SWINTON, THE FORMER CHIEF OF STAFF OF THE NEW YORK TIMES, CALLED BY HIS PEERS, "THE DEAN OF HIS PROFESSION", WAS ASKED IN 1953 TO GIVE A TOAST BEFORE THE NEW YORK PRESS CLUB. HE RESPONDED WITH THE FOLLOWING STATEMENT:

"There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print.

"I am paid weekly for keeping my honest opinions out of the paper I

am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone.

"The business of the Journalist is to destroy truth; To lie outright; To pervert; To vilify; To fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals for rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes."

Update On Gold Treasure Articles From Daring LAS VEGAS SUN

CONTACT had planned to bring you readers the follow-on articles to those we ran in last week's 4/6/93 issue on pages 60-70, if the LAS VEGAS SUN was not stopped from further outlay of the gold treasure coverup in the meantime.

However--interesting new turn--by the time we caught up with them to formally ask permission, we were informed, late this afternoon (4/12), with the new material all set to go to press, that the SUN'S Legal Department, counseling through their Managing Editor, would not grant CONTACT permission to print this/their copyrighted material, including what we had already shared with you!

One can but wonder who might not want that HOT stuff spread nationwide.

To those of you readers who caught the Fox TV SIGHTINGS broadcast on Friday night 4/9/93, it should have been irritatingly evident that gifted earth changes visionary Gordon-Michael Scallion really got the watered down treatment, after all.

Gaia Resources New Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable

supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

2/11/93 #2 HATONN

GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we

are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

GINKGO BILOBA
(Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "*the living fossil*". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are

usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

MO-GU ELIXIR

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tsche*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungo japon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combuchu Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: Bacterium Xylinum, Bacterium Gluconicum, Acetobacter Ketogenum, and Pichia Fermentans.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

CHLORELLA

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS
with American Ginseng

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos*, (hedgehog or sea urchin) referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.
