### **NEW ASSAULT AGAINST THE PHOENIX INSTITUTE BY GEORGE GREEN IN EFFORT TO FORCE INSTITUTE INTO RECEIVERSHIP**

Editor's note: No, we haven't gone crazy with the above headline. Just read on. And remember how TRUTH is always stranger than fiction. George Green is even adding Jesus Christ to his list of opposition in one of his latest legal documents. This might be funny if it weren't so serious -- though it does give one pause to consider what might now be showing through as the questionable status of this rascal's mental condition.

As you long-time readers know, get-

ting THE TRUTH out to you while remaining "alive and well" has never been an easy venture. One way or another the Adversary orchestrates various puppets to do the dirty work. In recent months, one particularly shady character by the name of "George Green" (among who knows what other names) has certainly been the Adversary's star puppet.

As background, first, you have to understand that, among other worthy projects, the Phoenix Institute was created specifically to be a financing vehicle to get THE TRUTH out to "you out there" where the controlled media reigns supreme. Some forms of delivering that TRUTH have been the PHOENIX JOURNALS, and then the early-on, fast-turn-

around newsletter called the *PHOENIX EXPRESS*, which evolved into newspapers: first as *THE PHOENIX LIBERATOR* and then on to the present *CONTACT*.

Secondly, also understand this key fact: **George Green was THE INVENTOR of the Phoenix Institute mechanism! Thus he not only knows how its financial "mechanism" works, but also how to destroy it — if he can create the right conditions to do so.** The simple equation is: shut down the Phoenix Institute and the Adversary has effectively shut down THE TRUTH.

Thus George has, through various legal actions over the past few months, tried to precipitate conditions to do just

# 1982 Falkland Islands Crisis

## Look "Deep Within" For *TRUTH*

(Editor's note: Eleven years ago at this same early-May timeframe, we-the-people were told by the media about a squabble going on between Great Britain and Argentina over some tiny, barren islands in the South Atlantic. I remember, on the front cover of one of the major weekly news magazines at the time, the intimidating picture of a British aircraft carrier and the screaming headline: "The Empire Strikes Back", borrowed from the then-popular Star Wars movies.

The media led us to believe it was a "tempest in a teapot" over ownership of those stark specks of real estate hardly visible on the map. We should have known better.

Last week's CONTACT outlay on the REAL Guyana story alluded to incredible higher-level shenanigans going on between the Soviet Union and the United States. These all fall into the context of "maneuvers for position" leading up to Nuclear War I that was slated for September of 1982 according to the accelerated timetable of the American Bolshevik war planners in Washington D.C.

Another "thread" to follow in this "fabric" is the massive array of secret underground military installations dotting the United States and elsewhere around strategic world locations. We will bring you-the-readers more information on THAT astounding subject in a separate article starting on page 15. But for now, just assume that this Falkland fight was NOT over the sheep and penguins walking ON TOP OF the barren landscape of the surface. A bad Zen-like pun would be to "look deeper"!

In JOURNAL #13 called SKELETONS IN THE CLOSET, pages 155-181, Commander Gyeorgos Ceres Hatonn painted a "slightly" different picture of the Falklands matter. It seems a few little details were left out of what we were told by the media.

We are reprinting that outlay here not only because it is an important follow-on connection to the Guyana story we ran last week (that also connected with the recent Waco, Texas massacre through government mind control experimentation), but also because it would be prudent for all of us to realize that the SAME underlying forces behind those past outrageous deceptions are in fine form behind today's, too — only with many years more practice AND more advanced technologies to build upon. And, of course, EVERYTHING is connected to

everything else at this level.

However, since the New World Order Elite Satanic Controllers use the same tactics over and over again on the sleeping masses, coming into an understanding of a situation like the Falkland Islands War will be a big help for seeing through both the current parade of deceptions on today's news, as well as those zingers planned for just around the corner on tomorrow's news.)

### 4/1/90 #1 HATONN

To give proper placement of background, you must return in your memories back to April of 1982. Move back to the Falkland Islands and South Georgia Island and the war between Argentina and Great Britain over these barren, wind-swept wastelands. Or, were they? Oh, dear ones, what you have not been told would fill mammoth volumes and we haven't time for that. I am going to give you information which is well-known in certain circles but hardly known at all to the populace—you the people. A few have come into this information; enough to confirm the truth of my writings at any rate.

On the surface the whole incident represented a dispute between Argentina and Great Britain over those barren islands. **But surely you have learned by now, that nothing is as it seems.** You are told exactly that which you are to believe and you diligently go about following the orders.

The so-called Falklands crisis was just the visible tip of a giant military operation. During the month of April 1982, fierce naval battles were taking place, not only in the South Atlantic but also in the South Pacific.

The hostilities were very effectively kept under arrest by wartime censorship on all sides of the dispute (and yes, the U.S. was most certainly in the dispute).

On April 30, a total naval and air blockade of the Falklands by the Royal Navy began. At the same time a counterblockade had been declared by Argentina in the same area.

To be effective, a blockade must be imposed over a period of time, but the Royal Navy didn't have sufficient time. Winter was coming on in the South Atlantic, and the British supply lines were overextended. Having traveled so far, however,

Her Majesty's Navy could not simply drop the blockade and sail away in a few weeks time without drawing blood from Argentina. As a result the British would be forced to undertake military operations very quickly no matter how risky they might turn out to be.

**There was also another reason why the Royal Navy had no choice but to engage the Argentine forces in combat. That reason was that the Royal Navy had already suffered losses in secret combat that same month. Only when publicly admitted fighting erupts would the British dare to admit that they had already suffered great battle losses.** And further, to obtain that cover-story, the British had no choice but to sail into combat; but in so doing, they would be risking even heavier losses on top of those already sustained. In short, Her Majesty's Navy sailed directly into a trap.

### THE SPANISH ARMADA

The events which unfolded in the South Atlantic carried strange, ironic echoes of your past. For weeks you had been hearing countless commentators referring to the British task force as an "armada". The British of all people ought to have been very uneasy with that description. The original Spanish Armada some 400 years ago was renowned as a seemingly invincible fighting force, but it came to grief in a naval disaster so complete that it changed the course of history—and it was none other than the English navy that destroyed the Spanish Armada.

The original Spanish Armada put to sea in 1588 during the reign of England's Queen Elizabeth I. The Armada was an invasion fleet carrying thousands of crack fighting men to invade England. They were met by the daring sea dogs of Sir Francis Drake. Drake and his small fast ships turned the tables on the Spanish Armada by changing the rules of battle. The English fleet was equipped with new longer-range guns, and it stayed upwind and out of reach. From there the English pounded, smashed, and shattered the big ships of the mighty Armada. When it was all over, barely half the Spanish fleet was left to limp back to port. Drake's defeat of the Spanish Armada was a shock to the world. It opened the door for England under Queen Elizabeth I to start

its expansion into a truly global empire.

Four hundred years later, history seemed to have come full circle. Queen Elizabeth II witnessed the dismantling of the world empire whose heyday began under Queen Elizabeth I, and now the cultures of England and of Spain were once again in confrontation. Once again a so-called armada was preparing for invasion, but this time the armada was British, not Spanish. Four hundred years past Sir Francis Drake was the hero of the day; today, the ghost of Francis Drake would once again be on the scene.

Please note that the South Atlantic war zone was at the eastern end of the Drake Passage around the southern tip of South America. The defeat of the Spanish Armada four centuries ago broke the back of Spain's naval supremacy, and now it appeared that the defeat of the new British armada might very well break the back of what remained of the once glorious Royal Navy.

### **MILITARY SECRET OF SOUTH GEORGIA ISLAND**

When the Falkland Islands crisis began in early April it looked at first like a mere tempest in a little teapot. For a century and a half since 1833, the Islands had been controlled by Great Britain. During that entire time, British sovereignty over the Falklands had been disputed by Argentina. There had been countless threats by Argentina to seize the Islands, which it called the Malvinas, but the threats had always come to nothing in the past and Britain had never even gotten very concerned over them.

The Islands are four times as distant from Argentina as Cuba is from the United States, and they are not much of a prize, it would seem, under any circumstances. After over 150 years of occupancy, the Falklands are home to fewer than 2,000 British settlers and a great number of sheep and some lovely penguins. In short, the remote Falkland Islands would hardly look like something to fight over, and yet there you were watching another crisis take place. You watched as literal gun-battle war erupted between Great Britain and Argentina and further, without much more than fanfare on your news media presentations.

The Thatcher government was acting as if it had forgotten all about its usual preoccupation with the Soviet threat at NATO's doorstep. Instead, Britain was throwing almost everything it had at Argentina—aircraft carriers, cruisers, destroyers, submarines, assault ships - you name it and if they had it they used it. Luxury cruise ships were even commissioned and turned into troop carriers overnight. Wave after wave of additional assault troops were

activated and sent to join the fleet even after it sailed. Ships and submarines were pulled off station from normal NATO duty and sent to reinforce the task force. The initial 40-ship force grew steadily over the ensuing weeks into an armada numbering over 70. Over two-thirds of the entire Royal Navy was already deployed to the South Atlantic off Argentina.

As this was watched in the unfolding, a lot of people were asking: What's this fight really all about? The most popular answer suggested in the major media was "oil". Vast deposits of oil were known to exist under the continental shelf between Argentina and the Falklands (or so it was projected) and that had been espoused for well over a decade. In no way could it explain the timing of the sudden military offensive by Argentina, and oil explained even less about the Argentine seizure of South Georgia Island.

South Georgia Island is some 800 miles east of the Falklands with no known oil deposits anywhere near it; and compared to South Georgia, the Falklands are quite an island paradise. South Georgia Island is covered with rugged mountains, treacherous valleys, glaciers, and semi-permanent snow. Most of it is uninhabitable. On top of all that, Argentina had absolutely no legal or historical claim to South Georgia Island. In that respect it stood in sharp contrast to the Falklands.

In your early 1830s the Falklands were occupied for a while by Argentine colonists. In 1833 the British expelled them and took over the Islands. For that and other historical reasons, Argentina argued that the Falklands actually belonged to Argentina, not Britain.

But no such argument was possible for South Georgia Island. It was always controlled by Britain, never by Argentina or Spain. The Argentine seizure of South Georgia Island looked even more unreasonable from a military point of view. Argentina's leaders were military men and they thought in military terms and this should be a great clue to you readers. They were well aware ahead of time that far-off South Georgia Island could not possibly be held for long. By seizing it they were setting themselves up to absorb a military defeat, as the Island was retaken by Britain. So the question was: Why did Argentina's military junta bother with the seemingly worthless South Georgia Island at all?

The answers to all those questions were, of course, military, not political or economic. **South Georgia Island possesses an enormous military secret! It is a giant underground installation buried under the mountains at the northwest end of the Island. The real reason for the so-called Falkland crisis was this secret installation, together with two other similar installations which I will also**

**describe in a moment.**

The secret military complexes had been in existence for many years; they were not new. What was new was an accelerated nuclear war timetable of the American Bolshevik war planners in Washington D.C. For the prior two months reports of details of that war plan were leaking out as quickly as they could be verified.

***The plan called for NUCLEAR WAR ONE to erupt by September of the year 1982. It was that fast-approaching nuclear war threat that caused the so-called Falklands crisis to erupt when it did.***

What was actually taking place was a coordinated effort to spoil part of the Bolshevik grand strategy for the coming nuclear war. The mutual enemies of the American Bolsheviks in the U.S.—namely, the Rockefeller cartel, and Russia's new rulers in the Kremlin were behind the crisis. They were trying to ruin Phase #3 of the "PROJECT Z" war plan which has since been revealed. [Described later in this narrative.]

That phase was to be world domination by the American Bolsheviks after both Russia and the United States had been destroyed in NUCLEAR WAR ONE. The key to this plan was the existence of secret weapons stockpiles in various places around the world!

The American Bolshevik military planners in America were working with other Bolshevik agents in key military positions of other countries to set off war. Having done that, they intended to ride out the nuclear holocaust they had caused, safe and cozy in Government war bunkers! When the warring nations would finally lie smoldering and exhausted, the Bolsheviks would leave the shattered remains of their host countries. They would rendezvous at the secret weapons installations and bring their weapons into the open. They would confront the world with the only remaining fresh, up-to-date powerful military force on Earth; and using that military power, they would become the undisputed rulers of the world. They planned to do all that, and they planned to pave the way for world domination by setting off NUCLEAR WAR ONE within mere months of that April—remember, September!

The Rockefeller cartel and Russia's new anti-Bolshevik rulers were working together in a race against time to try to head off the Bolshevik war plan.

Ironically, the Bolsheviks in the U.S. were already benefitting from war preparations which were started by the Rockefellers long before. It had only been about three years since the Rockefellers were dislodged as the prime movers of the United States Government by the Bolsheviks. Since that time the United States Government

had been a house divided, torn by internal power struggles between rival Bolshevik and Rockefeller factions. But prior to that, the United States had been dominated for decades both economically and politically by the four Rockefeller brothers.

In 1961 the Brothers launched a new long-range plan for world domination. It was a two-pronged strategy, half visible and half secret, which has been described prior to this writing. It was a plan for the United States to arm to the teeth in secret while appearing to disarm gradually. Without repeating all the details, the basic idea was grandiose indeed, yet simple. By deliberately appearing weak, the Rockefeller-controlled United States would maneuver itself into a nuclear war with Russia. Then the secret weapons, including superweapons, would be unleashed to smash Russia and take over the world.

When they set the grand plan in motion in 1961, the Rockefeller Brothers were looking ahead to a nuclear war by the late 1970s. Their military analysts concluded very early that the war being planned would have very different effects on the Northern and Southern Hemispheres. Both superpowers, the United States and the Soviet Union, are located well up in the Northern Hemisphere; so are the other full-fledged nuclear powers—Great Britain, France, Red China, and India. By contrast, the strategic targets for nuclear war in the Southern Hemisphere are relatively few and far between. In other words, it was expected that the coming nuclear war would be essentially a Northern Hemisphere war.

In an all-out nuclear holocaust it is known that serious radioactive fallout would gradually spread to affect even areas not initially hit by war. But there are limits to how far the war clouds can spread. It was discovered long ago that there is very little mixing between the air of the Northern and Southern Hemispheres. In the northern half of your planet, cold air from the North Pole works its way southward toward the equator, then it works its way back to the north as warm air. A mirror image of this process takes up the southern half of the planet. Northern and Southern Hemisphere air meet in the equatorial zone, but very little of the air from either hemisphere changes places with the other's.

The military conclusion is this: The coming nuclear war could ruin vast areas of the Northern Hemisphere for generations forward; but if the calculations are correct, the Southern Hemisphere could escape virtually unaffected by the war. This was surely music to the ears of the four Rockefeller Brothers. A quick look at the globe of the world shows why this would be a reasonable calculation. The Rockefeller cartel has dominated Latin America ever since World War II. As discussed in prior publications, Nelson

Rockefeller solidified the cartel grip on Latin America during the war. He accomplished this as so-called "Coordinator of Hemispheric Defense" for then-President Franklin D. Roosevelt. So that takes care of the South American continent and its natural resources.

Then let us turn to the African continent. There, too, Rockefeller control was already in effect over wide areas of Black Africa, especially south of the equator. All this was thanks to the efforts of John D. Rockefeller III, as previously detailed elsewhere.

Looking around the globe, the most important remaining land masses from the standpoint of world domination are *AUSTRALIA AND NEW ZEALAND*. Thanks to World War II, both were wide open to the Rockefellers.

**The Rockefeller Brothers decided to establish secret military installations in the Southern Hemisphere for use after the coming war. By this means they expected to become the masters of the surviving southern half of planet Earth; after the Northern Hemisphere gradually recovered from the nuclear holocaust, the Rockefeller empire would be able to pick up the pieces. In this way the third generation Rockefeller Brothers expected their family dynasty to inherit the Earth.**

In order to control the Southern Hemisphere militarily after the war, some means would have to be available to project military power onto any land mass. For example, revolts against Rockefeller domination would require troops—not a blast from the beam weapons on the Moon (another very interesting story).

The most critical factor for postwar military domination of the world was found to be a NAVY! A minimum of two secret naval fleets would be required—one based in the South Atlantic, the other in the South Pacific. Since the reserve naval fleets were to be kept secret until after the Northern Hemisphere nuclear war, they could not be built in existing shipyards. New construction facilities had to be built and they had to be hidden. To hide an entire shipyard is no small task; they take up a lot of space. On top of that, it was essential that the ships remain hidden after they were built. The best way to achieve that was to combine the shipyard and naval base into one over-all secret installation. Finally, the secret naval installation had to be invulnerable to nuclear attack; otherwise if its existence were ever discovered prematurely, the secret navy might be wiped out.

The combined requirements for secrecy, space, and protection against attack were formidable; but one day in 1959, while all these plans were still in the early stages of development, the answer presented itself. During a so-called banking trip to Sweden,

David Rockefeller was given a tour of a unique hidden naval port. The port is hollowed out from solid granite cliffs which come right down to the water. The entrance to the port is a gigantic hole in the side of the cliff which can be sealed off with enormous steel doors. Inside this big doorway on the water a huge cavity has been hollowed out to accommodate ships.

The Rockefeller Brothers and their military advisers decided that a bigger, more secret, better protected version of the Swedish hidden port was just what they wanted. A survey of candidate sites was then initiated. The site survey covered coastal areas throughout the Southern Hemisphere. Many areas were rejected very quickly because the topography was wrong. Other areas were rejected because they were too close to the equator. Still others had to be ruled out because there were too many people living nearby, making the desired level of secrecy impossible. Finally, it was essential that the sites chosen for the secret naval installations be totally secure politically.

At last the sites for the secret naval installations were selected. In the South Pacific extreme southern New Zealand was selected. New Zealand would be extremely important during a coming war.

In order to obtain the necessary space, the secret New Zealand naval installation had to be divided up into two sites located close together. One is at the extreme southwest tip of South Island where the mountain range known as the Southern Alps comes down virtually to the water's edge. The other part of the installation is built into the northwest tip of Stewart Island, which is off the tip of South Island. The Stewart Island facility is hollowed out within a rise known as Mt. Anglem.

The New Zealand location met all the requirements. Ever since World War II the government of New Zealand has been tied even closer to the United States than to Great Britain. The location is far from the equator, and the installations are buried deep under mountains, protected from nuclear attack. They are also too deep to be reached by particle-beam attacks, and the New Zealand site is well situated to command the entire South Pacific.

In the South Atlantic an even more perfect site was found. That site, my friends, is South Georgia Island. It is located perfectly for naval domination of the entire South Atlantic. The tall rugged mountains provided a perfect location for the secret installation at the northwest tip of the 100-mile long island. It is controlled by Great Britain whose government, like that of New Zealand, was willing to cooperate; and South Georgia Island was virtually uninhabited except for a whaling station on the northeast coast. The whaling station was some 50 miles away from the

secret new installation which was being built, but Britain took no chances. In 1965 the whaling station was closed down. Since that time there have been no inhabitants on South Georgia Island except for a few dozen alleged Antarctic scientists.

Construction of the secret naval facilities—two in New Zealand, one on South Georgia Island—began in the early 1960s. The techniques were adapted from those used previously to build other large underground facilities, such as the NORAD installation inside Cheyenne Mountain, Colorado (there are others well protected underground but we shall not go into those presently). However, these installations and techniques were adapted in radically new ways to achieve construction access directly from the sea instead of overland. In this way, the sheltering mountain was left undisturbed in appearance both during and after construction.

The cuts in the mountain side which were necessary to let ships in and out were kept as small as possible and were well camouflaged. Like the Swedish hidden naval port arrangement, the entrances to the secret installations can be sealed. When sealed, the entrance is virtually impossible to detect unless you know exactly where it is; and unlike most large construction projects, there are no tailing or piles of leftover rock lying round to attract undue attention. The man-made caverns which house the secret naval installations are enormous, but all the rock and debris was disposed of at sea.

Once the secret naval facilities were built, they had to be outfitted for ship construction and dockside storage. **The fake disarmament of the United States during the 1960's contributed greatly to this task. From 1961 to 1968 one man played a pivotal role in this elaborate Rockefeller scheme. He was then-Secretary of Defense Robert McNamara. All through the 1960's McNamara presided over the public paring back of America's visible military power. This included the closing down and dismantling of entire shipyards. What you were not told was where all that shipyard equipment went afterwards. Where it went, my friends, was to the new secret installations which were being outfitted in New Zealand and South Georgia Island!**

**The secret naval installations have been used as duplication facilities to reproduce certain ships and submarines designed and built here in the United States. As Defense Secretary Caspar Weinberger told Congress, "It is cheaper to build two ships at a time." That is most especially true if the second ship is an exact duplicate of the first.** This has become even more true in recent years through the use of computerized manufacturing techniques.

The secret naval fleets which have been built at the secret installations are made up of duplicates—EXACT DUPLICATES of certain other ships and submarines. They are all nuclear powered—nuclear "subs"; nuclear cruisers; nuclear destroyers; and yes, nuclear aircraft carriers, at least three of them. A secret twin was built for the U.S.S. Nimitz, for the U.S.S. Eisenhower, and for the U.S.S. Carl Vincent. All have been financed through the gigantic cost overruns, so called, that you constantly hear about in the Defense Department and can't find anything about due to above top secret designations; all three carriers have been provided with a full complement of aircraft whose manufacture was financed in the same manner.

The ships of the secret American Bolshevik naval fleets are all duplicates of other nuclear-powered vessels. Even so, **the secret naval ships possess one key difference.**

**The so-called "Stealth Program" may not be too effective with the planes, etc., you have been allowed to witness but, oh my, lots of interesting things go on with things you aren't given to witness.**

**There was developed a type of electromagnetic invisibility shielding. This technique makes an object invisible from a distance by distorting light waves in its vicinity.**

**A whole new fleet of Phantom warplanes went into crash production under a top secret shield. They utilize this principle; and all of the secret American Bolshevik navy ships have already been outfitted with similar Stealth-field equipment!** The Stealth principle is actually easier to apply to ships than to airplanes because there is more room for the powerful equipment that generates the force field.

After NUCLEAR WAR ONE, the secret Stealth navy of the American Bolsheviks would be light years ahead of any other navy left on Earth. It would be perfect for the intended role of world domination. The Rockefellers set it all in motion long ago—but about 1979 they lost control of the United States Military. Now it is the American Bolsheviks who are in control, and they are most surely bent straight ahead on war.

Now don't go about forgetting about the Nazi war machine also in the Antarctic—isn't this just about as much intrigue as you can take at one sitting?

#### **5/31/90 #2 HATONN**

Hatonn in the Light of the Radiant One, to continue:

#### **SECRET NAVAL WAR OF THE SOUTHERN HEMISPHERE**

As we move along and to make things clear, we shall discuss the referred-to "PROJECT Z" I mentioned in the previous

chapter. It is the new Bolshevik three-phase strategy for NUCLEAR WAR ONE. However, since it didn't come off on schedule I feel we will not be misleading if we stick with references to the area of the Antarctic. The most skeletons to arise from the dead to getcha are all parading around "under" and "within" the Southern Hemisphere and that, after all, was the subject of this JOURNAL. I do have trouble keeping to one subject for all facets are so intertwined.

The plan in 1982 was that of an elite group of American Bolshevik military planners by which the U.S. would strike the first nuclear blow, followed by all-out thermonuclear war with Russia.

After having set off the holocaust, the Bolsheviks in the U.S. and in certain other countries planned to ride it out safely in comfortable war bunkers already in place and well stocked with luxuries. Finally, after NUCLEAR WAR ONE fizzled out in stalemate, they planned to leave behind the ashes of the U.S. and her allies. Activating Phase #3 of their grand strategy, they planned to unveil their secret weapons, especially their secret naval fleets. With these they planned to conquer and rule what would be left of the world. The United States as you know it would be long dead and gone; but in the eyes of the Bolsheviks themselves, this outcome would constitute victory for many reasons.

Up to April of 1982 the nuclear war timetable was still on track. They were still shooting for nuclear war to begin by September of that year. Actually this continued right to the date set of September 17, 1982.

What saved you is that the Bolsheviks were running as fast as they could toward war; but, the Bolsheviks are not the only runners in the race. They have two deadly enemies, both of whom are equally determined to trip up the Bolsheviks. One enemy of the Bolsheviks in the U.S. is the Rockefeller cartel; the other enemy is the new anti-Bolsheviks ruling class in Russia; and now these two mutual enemies of the Bolsheviks are pooling their efforts in certain ways.

The new anti-Bolshevik coalition is now much more firmly established but in 1982 it was still quite new and was working between the Rockefeller cartel and the Russians. The January 26, 1982 meeting between Haig and Gromyko in Geneva, Switzerland, was a turning point in the formation of this coalition. It is now a reality, and is responsible for the so-called "Falkland crisis" which dominated the headlines in April and May of that year. It should be emphasized that the new relationship between the Rockefeller cartel and Russia fell far short of a true alliance, at least at that time. They have very major disputes to be settled between them, but

they called a truce between themselves to deal with the mutual deadly enemy—the Bolsheviks in America.

**The first priority of the Russians and the Rockefellers is to slow down the Bolshevik preparations for imminent nuclear war. If they could do that, time would be on the side of the Rockefeller cartel in certain political movements. A slow-down in the nuclear war timetable will also give more breathing space for additional anti-Bolshevik actions to be implemented.**

The joint Rockefeller-Russian planners decided by mid-February of 1982 that military action against the Bolsheviks was essential very quickly. No other type of action had any hope of taking effect fast enough to prevent nuclear war by the end of the summer.

The exact details of the "PROJECT Z" war plan were not known to either the Rockefellers or the Russians, but the general outlines were known to be pretty well outlined and set-up.

It was decided that military action should be devised that would undermine Phase #3 of the Bolshevik war plan—that is, the Bolshevik-controlled secret naval installations and fleets in the Southern Hemisphere should be attacked and crippled. By working together, the Rockefeller cartel and the Russians were able to devise an attack plan which neither could have carried out alone. The Rockefeller group, who built and originally controlled these bases, provided detailed intelligence about the best way to attack them. The Russians with their enormous military machine provided the muscle to actually carry out the attack.

It was essential to devise a scheme that would enable both secret fleets in the South Atlantic and South Pacific to be attacked. Survival intact of either fleet would leave the Bolshevik war plan still workable.

Military analysts concluded very quickly that a direct assault on the New Zealand facilities was out of the question. There was no combination of commandos, frogmen, or other military force which could possibly keep an attack secret from the outside world. Any attack on the New Zealand bases would set off the very war which the Rockefellers and Russians wanted to prevent.

But the situation in the South Atlantic was a different matter. In a way, the greatest asset of South Georgia Island was also its Achilles' heel. The extreme isolation which protected the secrecy of the South Georgia base also made a covert military assault feasible. The key lay with Argentina and her long-standing claims to the Falkland Islands.

# THE FALKLAND ISLAND WAR

The Rockefeller cartel had dominated all of Latin America for decades. Cartel operatives were sent to Argentina to work

out a deal with the government military junta there. The historic dispute over the Falkland Islands was to be used to provide a ruse, a military cover, to enable the South Georgia base to be attacked. The Argentine generals were not told everything about the situation by any means, but they were told enough to make clear what they were to do.

As an inducement to cooperate, the Argentine leaders were promised handsome rewards. They were guaranteed that after the shooting was over, the Falkland Islands would remain in Argentine hands. This guarantee included the promise of covert military assistance as needed against the Royal Navy. And, to bolster the troubled Argentine economy, it was promised that the Rockefeller cartel would help develop the immense offshore oil reserves. With those combined promises of military glory and financial rewards, the Argentine military junta agreed to the plan.

So, backing up to March 19th, Argentina carried out Act One in the joint attack plan. A group of Argentine scrap-metal merchants, of all things, landed at the abandoned old whaling station on South Georgia Island. Supposedly they were there to dismantle the old buildings and carry them off to sell. While they were at it they also raised the Argentine flag over the work-site. The British, always nervous about South Georgia Island, promptly reacted exactly as expected. The British Antarctic survey ship "Endurance" put 22 Marines ashore to clear up that little misunderstanding.

They drove off the scrap merchants and promptly tore down the Argentine flag. The incident provided the exact desired excuse for the Argentine Junta to bring the simmering 150-year-old Falklands dispute to a boil. From time to time in the past, Argentina claimed that South Georgia was part of the Falklands because it is administered that way by Britain. That argument was very flimsy but it then came in most handy indeed. It was nothing new to hear that claim from Argentine leaders, so there was no hint of what was really afoot.

During late March, Argentine military forces started assembling for an assault on the Falklands. The British command thought there was nothing new for Argentina had carried out threatening maneuvers in the past many times. It was believed that they were about to do it again; but on April 2 Argentine forces did the unexpected. After many past false alarms, this time they actually invaded and seized the Islands. All Argentine public statements emphasized the long-standing historical claims to the Falklands themselves; but just for good measure, the next day a small Argentine force also seized far-off South Georgia Island. The force was so small that it gave the appearance initially that it was just a side show from Ar-

gentina's point of view; however, the small contingent of 22 Royal Marines were overpowered and bundled off the Island along with a group of 13 alleged scientists. That was a moment of pay-off in the joint Rockefeller-Russian attack plan.

# "SPUDDING IN"

Thanks to the elaborate distraction staged by the Argentine forces; a special commando team got onto the Island totally undetected. Based on the detailed Rockefeller information about the base, the team moved to the location on the mountain directly above the cavernous secret base. Special high-speed drilling equipment was set up by the Rockefeller members of the team while the Russian members concentrated on military defense. By late that same evening, April 3, the military high command in London finally learned what was really taking place. The secret South Georgia base was under attack by virtually the only means possible. The joint Rockefeller-Russian team were drilling a shaft down through the mountain toward their hollowed out cavern inside. It was only a matter of time until their drill would break through the ceiling of the giant hidden naval base. Once the hole was made, the next step was obvious. The Rockefeller-Russian team would put a weapon of some kind through the hole. The best guess was that it would be probably nerve gas—it just doesn't pay to "guess".

The shock waves that went through the highest levels of British government on the evening of April 3 can hardly be described. The Thatcher government, like the so-called Reagan Administration in America, is Bolshevik controlled. Well, the Russians told you they would rule the world and it might very well be done without firing a shot!

That was why Margaret Thatcher always said, "Me, too." any time the Reagan Administration said it would do anything to Russia. Please note that it hasn't changed very much. What of the Stinger missile "sting" in Florida and the "I agree and support the U.S." in Panama this past December? Both governments are party to the secret nuclear war plan in complete betrayal of the people of their respective countries, and on the evening of April 3 they suddenly discovered that their precious war plan was in deep, deep yogurt, I believe you call it—amongst other terms.

Immediately the Thatcher government started assembling a naval armada to sail for the South Atlantic. Haste was their order of the day. The drilling on South Georgia Island was proceeding around the clock. The best estimates were that the drilling would break through into the roof of the naval base in about three weeks, on or about April 24—but it is a very long drive from England to Antarctica on the best of

ships. If help did not reach South Georgia by then, the secret installation might be doomed. The forces stationed at the installation itself were unable to defend themselves under the circumstances. Their mighty naval ships were ships in a bottle. They did not dare open the bottle to sail out and fight because the Russian commandos were armed with far superior technical and nuclear weapons. (Who do you think might be the closest allies to the Nazi undercover workers?) We are talking about ones who do not care greatly for the Jewish element, much less the Zionist-affiliated Jews. To open the blast-proof entrance doors would be suicide.

On April 5, just two days after South Georgia Island was seized, some 40 naval ships began moving out of British ports. The same day Lord Carrington was sacked as Foreign Minister. He was forced to resign because he had assisted the Rockefeller attack plan by downplaying the Argentine attack preparations. Even the evil don't have any way to count on their own.

That same day, April 5, New Zealand, the home of the other secret naval fleet, broke diplomatic relations with Argentina. The two hidden New Zealand facilities had been placed on "Red Alert" (no pun intended). As a precautionary measure, all submarines at the twin base were ordered to sea. Several surface ships were already at sea undergoing "sea trials", but that still left seven major ships inside the hidden twin naval base including one of the nuclear aircraft carriers.

On that busy day of April 5, Argentina's Foreign Minister, Costa Mendez, was at the United Nations in New York. Come on readers, go look it all up in the records—don't just stand off and accuse me of insanity—go look and find for yourselves.

Mendez was alarmed by the deployment of such a large part of the Royal Navy. Costa Mendez hurried to Washington to seek reassurances from certain U.S. officials. Of course he got them!

For the next two weeks or so the news was filled with stories about the allegedly slow movement of the British fleet while negotiations went on. That was only a cover story. The Royal Navy was actually joining up and paddling as rapidly as possible toward South Georgia Island. If the task force arrived in time to save the secret base, a major battle was likely. The official stories about "slow movement" of the British armada were intended to give a cushion of time for that battle. If need be, the fleet would have several days to retake South Georgia Island, then it could move on to arrive near the Falklands on the announced

schedule. In that way the crucial importance of South Georgia Island would be hidden and the big secret preserved.

It was initially expected that advance elements of the British fleet would reach the vicinity of South Georgia Island within two weeks. That would have been soon enough to attack the joint Rockefeller-Russian commando team and stop the drilling before it was completed. But Russian CosmoSpheres and submarines made a shambles of the plan.

### A KEY SHIP DESTROYED

Key advance elements of the South Georgia attack contingency left Ascension Island early April 14, two days before it was announced officially. Shortly after they did so, they ran into trouble. Russian CosmoSpheres and attack submarines closed in on a single ship which was critical to the planned counterassault on South Georgia Island. The CosmoSpheres bombarded the bridge and combat information center of the ship with neutron radiation. In moments the ship was without any command, its communications and radar silenced. Then a Russian "sub" closed in and quickly finished off this key British ship with torpedoes. It broke apart with secondary explosions and sank rapidly. So far as was known, there were no survivors.

That unexpected shock in the mid-Atlantic produced two results, both very important: First, it caused a slowdown in the race toward the South Atlantic by the British armada. The task force had to be regrouped into a configuration better suited for an enroute defense, but that cost valuable time. Public announcements from London about the progress of the fleet reflected the slowdown. The timetable for arrival on battle stations near the Falklands started stretching out longer and longer. All this bought extra time for the joint commando team on South Georgia Island. And so the drilling continued.

The other result of the sinking was equally important. Word was flashed to the South Pacific Stealth navy to prepare for possible action. It was obvious that the Russian Navy was getting involved in the Atlantic, which meant that the Royal Navy could be in big trouble. During the dead of night, early April 15, the seven Stealth ships put to sea from their twin secret bases in southern New Zealand. They deployed to a secret operational headquarters area in the Antipodes Islands, 450 miles southeast of New Zealand. Their electromagnetic shields were operating to provide protection from attack. These shields make it impossible to communicate with the outside world or even to see it. But once they arrived

at the Antipodes, the Stealth ships hooked up to buoys equipped with shielded communication cables to the Island headquarters. The Island headquarters, in turn, was in constant touch with the South Georgia base by way of a transoceanic cable around the tip of South America. The deployment of the available ships of the South Pacific Stealth fleet was exactly what the joint Rockefeller-Russian planners had hoped for. The ships had been flushed out from their essentially invulnerable hiding place in New Zealand!

The British ship's sinking of April 14 was also followed by other events. On April 15 the Argentine Navy started moving out of port. The same day, Alexander Haig arrived again in Buenos Aires. Supposedly he was there as a diplomat, but in reality he was there as a General, dealing with Generals. Haig was the top Governmental operative of the Rockefeller cartel. He was making sure that the Argentines did not get cold feet and back down at that critical moment. Four days later, April 19, Haig left for Washington. As he boarded his plane, Haig somberly told reporters, "Time is running out." And so it was, my friends, for the secret South Georgia base. We shall also have a lot more to say about General Haig in future writings.

### NOT EXACTLY A DRY HOLE

The very next day, April 20, the drill broke through into the hollowed-out cavern of the naval base. Bolshevik military analysts in London had not expected that it could be completed until at least the following weekend. The British fleet was still out of range.

THE WEAPON WHICH THE COMMANDO TEAM INSERTED DOWN THROUGH THE LONG HOLE WAS A *SMALL, COMPACT RUSSIAN NEUTRON BOMB*. When it was detonated inside the confines of the huge artificial cave, the effects were, of course, totally devastating. The intense radiation instantly killed everyone inside the base. Also the heat and blast effects of the bomb are believed to have damaged all of the ships inside sufficiently to badly disable them.

Meanwhile, Russian CosmoSpheres and submarines were converging on the Stealth ships which were near the Antipodes Islands awaiting orders. From a distance, the ships were invisible to the eye due to their protective shields, which also protect against beam-weapon attack; but they were sitting ducks for the tactics which the Russians employed.

### THE COUP-DE-GRACE

Floating overhead, the CosmoSpheres

located the seven ships using their Psychoenergetic Range-Finding equipment known as PRF. There is no method known by which PRF can be jammed. The CosmoSpheres radioed the exact locations of the ships to the attack submarines. The "subs" were armed with special non-homing, non-nuclear torpedoes designed to explode on impact. More sophisticated torpedoes would have been thrown off course or detonated prematurely by the protective shield of each ship; but these simple torpedoes just cruise right through each invisibility field to strike the ship and explode. Within 15 minutes after the attack began, all seven Bolshevik Stealth ships were on their way to the bottom, and with them went their Bolshevik Commanders and mercenary crews collected from around the world.

The South Pacific action took place just after sunset local time. The time in Washington was around 2:00 P.M. April 23. That evening Secretary of State Haig was seen briefly in public with the new British Foreign Minister, Francis Pym. Pym was wearing the typical artificial pseudo-smile which diplomats are taught always to display in public. But not Haig. Haig was grinning from ear to ear, and no wonder. The joint Rockefeller-Russian military operation had been a brilliant success. The secret Bolshevik South Atlantic fleet had been virtually wiped out, bottled up inside South Georgia Island; and the South Pacific fleet, while not totally wiped out, had been badly crippled. By working together, the Rockefeller cartel and the Russians had won the secret naval war of the Southern Hemisphere.

Dharma, you are too fatigued to continue today so let us leave this for now. We will discuss the ensuing Rockefeller fear campaign against nuclear war when we resume. Thank you for your service and blessings unto you dear ones. Rest well and we shall resume tomorrow morning. Good evening.

Hatonn to clear frequency, please. Adonai and I salute you of my command.

**4/1/90 #1 HATONN**

Hatonn present in the Light of the Radiant One. May we please continue on our work. I would request that this book be finished and ready for printing by mid-month. It is better to update the material in additional JOURNALS than to either overload by quantity or allow to lag in current information. These JOURNALS, at this time, are mostly for integration and insight into that which is known. We are setting the record straight regarding Space Command and participation within your atmosphere and

disqualifying those stories which are in error regarding Space Brothers. It is necessary that the JOURNALS get out rapidly for efforts are strengthening to stop Dharma. After the facts are integrated to great extent then we can give her a bit of rest. We must, however, show you ones that your dangers are not from Space Aliens but most surely from two or three major elements on your own planet.

No, it is not pretty and it is all but impossible for you to believe that such mammoth secrets could be kept from you; however, just as with the death camps of the Allies (specifically the U.S.) after W.W.II, we believe it will begin to soak through to you ones that the truth is far stranger than any of your surface lies. It is indeed easy to cover up any action if your media is totally controlled as is yours.

We will honor all the brave and daring ones who have brought forth information and have been "taken out" because of it. At this time, however, we honor them but protect them for these are indeed recent events and families are at risk. May you the public respect and honor those ones for they gave their very lives for your freedom. Thank you.

Let us continue with the wrap-up of the Falkland Islands war and discuss the ensuing Rockefeller fear campaign against nuclear war.

#### CAMPAIGN AGAINST NUCLEAR WAR BY THE ROCKEFELLER CARTEL

At the point of June, 1982 it would appear that war of a major size was about to break out in the Southern Hemisphere, but the real war in the Southern Hemisphere was already over. What you witnessed was the beginning of its bloody aftermath. That aftermath was the battle for the Falkland Islands. They had been promised to Argentina as a reward for her role in the secret war.

As things were happening in the Antarctic area the Bolsheviks were in Washington D.C. pressing for a public announcement that the U.S. would side with Britain. As soon as that would take place, military action would heat up quickly around the Falkland Islands. Britain had no choice but to fight. She had already suffered casualties which could not be explained without a public battle; but by fighting, the Bolsheviks in Britain were running the risk of a humiliating and tragic defeat for the Royal Navy.

Meanwhile "back at the ranch", the Rockefeller strategists in the U.S. were concentrating on a fast-building, anti-nuclear-war campaign. On all sides you were hearing about the so-called "nuclear

freeze movement". There were documentaries, articles, publicity of all kinds to sensitize you to the terrors of nuclear war. There were even referenda popping up on election ballots dealing with the nuclear war issue. Medical doctors were banding together to warn the public about what would happen if there would be a nuclear war.

You were being told that all this was just popping up spontaneously. You were then into 37 years of the nuclear age and nothing like that had ever gained so much momentum before, yet you were supposed to believe that millions of Americans had spontaneously gotten the same ideas at the same time. If you believe that, my friends, I give up! Movements like that never, NEVER, develop without leadership, organization, and money—PLENTY OF MONEY! But can you see a bit further now? If you can pick up the momentum now you can make great changes to care for your population. Truth and knowledge can most surely preserve what freedom is left to you and bring you into a safety survival mode. Ponder it as we continue.

What you were watching at that time was the Rockefeller public relations machine at work. The Rockefeller cartel could not afford to let a nuclear war take place. If it did, they would lose everything because they were not in a position to control it. Instead, the deadly enemies of the Rockefeller cartel, the Bolsheviks in the U.S., would win out if there was a war; and so the Rockefeller faction was then doing everything in its power to prevent a nuclear war.

Therefore, **the then present anti-nuclear-war orientation of the Rockefeller cartel created certain temporary common interests between them and Russia; but as Russia's new rulers knew very well, this did not spring from any great moral perspective on the part of the Rockefeller group. It was a purely practical necessity.**

**The Russians regarded the United States as a house divided, and they were exploiting that division by working in a careful way with the Rockefellers. Their first priority was to rid the world of the deadly Bolshevik menace of all-out, even suicidal, nuclear war; but once that was done, they knew that there would be a day of reckoning with the Rockefeller cartel some day. And, brothers, you are seeing it coming down in Europe this very day!**

The Rockefeller group was working toward a definite objective with their new anti-nuclear-war propaganda. That objective was renewed power—and power that moves them closer to their old dream

of World Government. The Bolsheviks in the U.S. had unwittingly provided fertile ground for the powerful new Rockefeller anti-war campaign. Under Bolshevik control, the so-called Reagan Administration had become so hawkish that it was scaring people. The Rockefeller anti-war campaign was designed to capitalize on that latent fear as a tool of power.

The smell of war was in the air. The Falklands crisis was helping to make that more intense. The Rockefeller propaganda machine was paving the way for the argument that surrender of sovereignty was the only way to avoid war. A new super-United Nations of sorts was put into the works to fill the bill. It would have teeth! As then envisioned, the new organization would be based in Geneva, Switzerland. The working name would be "World Nonproliferation Council". The plan was to bring it into being as the outgrowth of nuclear nonproliferation treaties, but its true purpose would be to use fear—the fear of war—to control you all.

### SUMMARY

The Falkland Islands crisis erupted because of secret Bolshevik-controlled naval installations in the Southern Hemisphere. Those were attacked by joint action of the Rockefeller cartel and the Russians in an attempt to slow down the nuclear-war timetable. The attacks were successful, but the results are still not totally conclusive. It did not go as expected because General Haig was fired and the planned nuclear war was averted by simply bringing the truth to public attention and the perpetrators feared mass rioting from you the people. **PUBLIC KNOWLEDGE, TRUTH AND REFUSAL TO ACCEPT THESE KINDS OF ACTION CARRY A MAGNIFICENT IMPACT FOR THE ELITE ARE NOT READY TO DEFEND AGAINST "YOU THE PEOPLE" IN THEIR OWN DOORYARDS. YET! WHEN THEY CONFISCATE ALL YOUR DEFENSE WEAPONS, I.E.—GUNS—THEN THEY WILL DO AS THEY PLEASE AND YOU CAN DO NOTHING ABOUT IT! OPEN YOUR EYES AND SEE THE WRITING ON THE WALL. SO BE IT.**

Britain's Royal Navy took a tremendous bombardment in that "little" war. No reports were given as to that fact, but the return to England was delayed just to patch and repair sufficiently to keep the secret closeted.

Two major factions were struggling for control over your United States—the Rockefeller cartel and the Bolsheviks. They differ in style but both seek to control you through fear. If you are ever to rise above their trickery, it must be through the power of our Lord Jesus Christ, your only hope.

As the recognized scriptures pronounce unto you, your Lord "...has not given us the spirit of fear; but of power, and of love, and of a sound mind." You must learn to wage peace. For your Lord declared long, long ago, "Blessed are the peacemakers: for they shall be called the sons of God." Peace can only be found through the knowledge of TRUTH THROUGH THE WORD! THE FIRST IDENTIFICATION OF GOD WAS GIVEN RIGHT OFF THE BAT—"I AM THE WORD"! FURTHER, IN REVELATION: "THEN I SAW HEAVEN OPENED AND A WHITE HORSE STANDING THERE; AND THE ONE SITTING ON THE HORSE WAS NAMED 'FAITHFUL AND TRUE'—THE ONE WHO JUSTLY PUNISHES AND MAKES WAR. HIS EYES WERE LIKE FLAMES, AND ON HIS HEAD WERE MANY CROWNS. A NAME WAS WRITTEN ON HIS FOREHEAD AND ONLY HE KNEW ITS MEANING. HE WAS CLOTHED IN GARMENTS DIPPED IN BLOOD, AND HIS TITLE WAS 'THE WORD OF GOD'. THE ARMIES OF HEAVEN, DRESSED IN FINEST LINEN, WHITE AND CLEAN, FOLLOWED HIM ON WHITE HORSES — (AND SILVER CLOUDS)!!!!!!!"

Dharma, let us close this portion for I believe we have begun the cycle of curiosity whereby ones will seek and see. The details of THE PLAN will be forthcoming but man must first be ready to hear.

I will add a postscript to this JOURNAL for I wish ones to realize that since our projection of the war crimes by the U.S., the book OTHER LOSSES and prior books such as UFOs, NAZI SECRET WEAPON? there has been a tremendous flood of eye-witnesses coming from the hiding places to confirm as eye-witnesses to the truth of our writings. Bless them for they are precious unto God for their stand for TRUTH and their fellow-man!

The postscript will only detail the last item sent unto your attention: from the newspaper called THE SPOTLIGHT. Thank you for this document and we reprint it here in honor of their daring stand. That "paper" dared to comment on the book OTHER LOSSES and now dares to print other stories. The headlines of the issue to which we refer reads: **CIA & MOB TIED TO THRIFT MESS, Immense Scandal Unfolding!** Yes, we will comment on that and further, we will honor and back the TRUTH bringers immediately and all the way! So be it and Selah!

Let us close of this document for we have reached a breaking point in the prior story but we shall now continue with one volume upon another as we lay out the current connections supported by the historical. Thank you for your attention and God be with you as you become PEOPLE OF THE TRUTH instead of PEOPLE OF THE LIE! AMEN.

SALU, SALU, SALU,

HATONN TO CLOSE THIS PORTION.

### FOREWORD

This book shall be called ECSTASY TO AGONY—THROUGH THE PLAN 2000. We cannot go back to the "beginning" of all time in a short volume to look at guidelines, instructions (Constitutions) for mankind. Therefore we shall dwell on the intent at chaos and enslavement of a planet and a species of human through PLANNED steps to eventual Elite Anti-Christ goals.

This volume does not outlay all of the information, even that which we have presented in typed outline, but it compiles the most important documents as recognized by groups as "Constitutions" of one sort or another.

You will be able to look at your Constitution of the (u)nited States of America along side the NEWSTATES CONSTITUTION of the New World Order Newstates of America as interim LAW until such time as all the globe comes under dictatorship of the United Nations Charter in full. You are already "there", you just continue to disbelieve it could happen "to you". It has happened and daily you can see what is coming down around your ears as your freedoms of expression and experience are laid aside through FORCE. This is taking place all around the globe before your eyes and still you fail to SEE and HEAR.

You as a people gave oath and contract to your children and their children that you have and hold a Constitution in the United States of America and hold a lamp of freedom and guidance to all the world to light the path to sovereignty of "man" and freedom to the oppressed. You have lied, cheated and brought down that light into extinction and the world now calls the U.S.—"THE GREAT SATAN". **You have failed your progeny, your selves and your God—while you have sold away your nation for a pittance.** If it were not so sad I would guess the Native Americans whom you thwarted and degraded are laughing in their hogans, even as you try to take away that which remains of theirs through your worthless and cheating treaties. You may think God has deserted YOU—forget it—YOU deserted GOD long, long ago. "If you can and do do things of ungodly horror against another, so shall it come to pass that ye shall reap of the same reward tenfold"—and thus sayeth the Lord. Well, I'd say it's coming back now as you read the pages of Plans and manipulations intended to bring you into bondage. I'd say, in the similar words of Ross Perot: You are in deep doo-doo voo-doo.

By the way, to you who find my terminology and language a bit harsh and unthinking as being of Godliness—I note that you DO understand it—enough to hide your eyes, your ears and turn away back unto the dark-side liars and cheats. Even your pre-conceived notions about religion and God are lies and you still hold to them like super-glue to the bonding into Hell. Hell has many descriptions, brothers and friends—MANY. The worst is the separation away from God in Light—to wallow in the darkness of evil intent and physical enslavement—over and over and over again. You ones think that I curse if I say “damn”—so be it. When I say “damn” I MEAN “DAMN”, and it would behoove you to attend the reason for the statement. I warn you—GOD DAMNS THE EVIL WHICH HAS BROUGHT HIS MOST WONDROUS CREATIONS INTO ENSLAVEMENT AND EVIL CORRUPTION—AND THE SWORD OF TRUTH SHALL CUT THROUGH LIKE NOTHING UPON THE EARTH BEFORE OR SINCE CREATION. To you who are prissy judges of all, especially beings and other human forms—you err! You err very greatly, I might add! If you cannot understand a presentation from the MESSENGERS, then you certainly are not going to make the journey home as you THINK you have secured your goodly ticket under the “new” rules voted in by MAN. It is your business that which you “think” but I KNOW what is valid and what purchases the ticket “home”. So be it.

You who think you can accuse this one or that one—are wrong—go look in the mirror! You who say, “Well, those Jews...” and “those influxing Asians have done it” and “the politicians have done it...”—while never seeming to look unto the very RELIGIOUS goody liars who have misled you through your very souls to the brink of destruction—shall pay dearly for the oversight.

I would like to quote the Editor's NOTE from a book gifted to my scribe: *THE WISDOMKEEPERS*. I often use reference to the Lakotas and other tribes of Native Americans and it was noted and we thank our observant friend for sharing:

#### WISDOMKEEPERS EDITOR'S NOTE

Today, many Native American Elders must use English in order to communicate their wisdom to others. This is not easily done with a second language. One of the greatest difficulties regarding translation of Native languages into English lies with understanding the Native American concept of a First Cause.

*Sakoiatisan, Wakan Tanka, Taiowa, and Kitche Manitou* (I emphasize “Taiowa” because however the label has been expressed in lettering—it IS the first portion of *Little Crow's BIRTH*-name. No quarrels are necessary, brother.) are, respectively, Iroquois, Lakota, Hopi, and Ojibwa tribal names that incorporate an understanding that all things are part of an incomprehensible totality which always was and always will be. Onondaga Chief Oren Lyons

expresses this eloquently and simply by stating that all things are equal because all things are part of the whole.

Terms now commonly used such as God, Creator, and Great Spirit are not adequate names for *Sakoiatisan, Wakan Tanka, Taiowa, and Kitche Manitou*. That is the failure of the English language, not of the idea. God is a term that connotes an anthropomorphic being who dwells outside of humans and nature. Creator is a term that also assigns a male gender to the First Cause and does not take into consideration that there were other creators which sprang forth, such as *Sotuknang* of the Hopi creation account. These supernatural beings—who could create worlds and other forms of life—could be male and-or female (or “ALL”) *Taiowa* and *Wakan Tanka* are NOT male deities. These names represent the sum total of all things. It is what Black Elk described as the spirits of all things living together as one, but even *spirit* has its limitations—in English. The English term *Great Spirit* attempts to define what is incomprehensible.

Reading the words of the *Wisdomkeepers*, we must understand that these terms—God, Creator, and Great Spirit—have been used to convey the concept that all things are interrelated and an equal part of the whole: that we are like drops of rain which will one day return to the ocean, that we are like candles lit by the fire of the sun, forever part of it.

The *Wisdomkeepers* all share the idea that the four-legged and winged nations, the creeping and crawling ones, the plant and tree nations, and **those who dwell among the stars**, are descended from and are a part of this Great Holy Mystery. [Note the term “mystery” and not “mysticism”].

#### **ECSTASY TO AGONY THROUGH THE PLAN 2000**

***In the course of men's lives comes the opportunity to do that which is ungodly or that which epitomizes the intent of GOD. Through the ages of man's experience he has often been brilliant and often become as evil creatures of manufactured robotic actors on the stage called physical life in expression. As unbalance has occurred so has the very planet brought ending to civilizations—some at the hands of the very men***

***who would have rule and kingdomship over all things physical—wistfully efforting to capture the very God-soul of each and all beings. The cycle has come full circle—the time is at hand and YOU must know that which has brought you down. Herein is presented “THE PLAN” for capture by the adversary of God—and that which could have saved your world—had you borne God-Truth as your shield. Where shall YOU go from here?***

#### DEDICATION

I ask that this volume be dedicated to the efforts and ceaseless work of one **Dr. Al Overholt**. I asked him to compile this document from the myriads of writings so that the most could be placed before you for close evaluation one against another. Dr. Overholt has done the layout for all of the *PHOENIX JOURNALS*, assisted by the **EDITORS** who work freely day and night to accomplish the “impossible”. I honor them all and wish, at this writing, to honor Al, for the work is hard and long and sometimes no reward or recognition for the work is visible.

Please note: Dr. Overholt is a DENTIST who relocated, purchased and self-taught himself the elusive workings and language of the computer species—in order to bear this burden of love for you-the-people, that you might have the *written WORD*. Thank you, Al; we are grateful and can find no words adequate for expressing appreciation for this service.

#### TO OUR SPONSORS

This book has been sponsored and published by ones asking to remain without personal gratitude in honor of their children and now, especially, their GRAND-CHILDREN:

Lindsey I.  
Danielle P.  
Michelle P.

They specified no particular document in their willingness to offer help to produce a *JOURNAL*, but I asked that it be THIS particular volume which would be dedicated to the CHILDREN. This is a legacy to be treasured, children, left by Grandparents who have done all they could do to preserve your place of freedom only to see that you no longer have access to Truth nor are allowed to know your own documents of freedom, as the New World Order has phased out all open education on such matters, while expressing only the lies and rewritten histories of a world in chaos.

May you some day realize the gift of Grandparents to you-the-children in a generation (**the last**) which can bring the Light of Freedom again unto your nations and bring man again unto the path in Lighted Truth of that which IS.

PROOF AT THE WACO CORRAL

(Be prepared, it won't be  
like you THOUGHT!)

Why don't I just write about earthquakes and windstorms and fairy-god mothers? Because you can't really **DO ANYTHING** about the outcome of the above—YOU **CANDO SOMETHING ABOUT THE CONSEQUENTIAL OUTCOME OF THE INCIDENTS CONCERNING YOUR GOVERNMENT AND SUCH ATROCITIES AS WACO, TEXAS' BLIGHT OF THE CENTURY.**

The following information comes via the FAX machine and the information regarding identification is overprinted. We will share what we have for it comes from a "horse's mouth" eye witness—with videotape to prove statements. **THERE IS, READERS, IRON-CLAD PROOF OF THE ATROCITIES INTENTIONALLY PERPETRATED AT THE KORESH COMPOUND ON APRIL 19, 1993!!**

QUOTING:

(FAX dated May 4, 1993; The article in point was written following the disaster at the Waco Corral.)

I am the person who started the communication process to the besieged individuals inside Mt. Carmel. With help from Ron Engleman of radio station KGBS, we employed a method involving the use of a satellite dish on top of the Mt. Carmel Complex, i.e., moving it back and forth to signify an affirmative answer to on-air questions. Integral to the process is my personal satellite downlink equipment (3 TURO dishes, 2 C-Bank, and 1 combination C and Ku band (12.7-13.9 Ghz.) The Ku band system is still somewhat new to the civilian and non-media public and are relatively rare (about 5,000 nationwide)).

I became involved in the situation last Monday after observing numerous contradictions between what was actually occurring on the scene and **what was being reported by the off-air media.** In addition, beginning Tuesday evening, I began monitoring and taping both domestic- and foreign-correspondent satellite Ku-band

uplinks or transmissions from the "media checkpoint". On Wednesday, March 3, after already removing the media twice for "safety concerns", the **FBI imposed restrictions upon the television media as to the use of more than 200X telephoto lenses on live shots, and upon the use of ambient light sensing "night vision" equipment.** Bear in mind that this type of night vision equipment cannot in any way interfere with that being used by ATF or FBI. The restriction was as follows: **night vision can ONLY be used by the NET-WORKS on a one hour delay and restricted to 2 hours per night.** Foreign correspondents, fearing for the safety of their citizens within the complex, maintained all-night vigils, using night vision as well as 400x lenses. Monitoring these foreign transmissions, I was able to observe and videotape the following atrocities:

1. On Friday, March 5, 1993, at exactly 1:18 AM CST and continuing in like manner until 1:47 AM, recommencing at 4:00 AM and convening at 4:30 AM, and again on Sunday, March 7, 1993, at exactly 2:01 AM CST and continuing thereafter at irregular intervals until dawn the following inhumane and unconscionable acts of "psychological warfare", to wit: the activating of powerful batteries of spot lights while simultaneously sounding a horn in excess of 200db and circling 3 military helicopters at tree top level as several armored personnel carriers execute a full-scale charge toward the Branch Davidian men, women and children. In addition, the power (being manipulated from the command post) is flicked off and on in an erratic annoying manner. From loudspeakers placed at north-northwest locations in the building ear-splitting recordings are played with a taunting whining voice.

2. On Tuesday, March 2, 1993, at 6:18 PM CST, a Bradley type armored Personnel carrier is positioned 200 ft. west of the front entrance. At 6:30 PM as dusk nears, the rear door (hatch) is observed lowering open. At 1:45 AM, Wednesday, March 3, 1993, the vehicle is seen backing up approx. 100 yds. At 6:30 PM Wednesday evening an armored vehicle returns to the site. As

the sun nears its setting the angle of light allows final illumination of a soldier trying to pull a corpse down from a tree.

In four decades of life I cannot remember an event that so polarized the opinions of the masses. Either one felt mortified by the plight of these Davidians, seemingly trapped by their own will in this fortress of paper and wood, or lashed out against their seemingly futile effort to be judged by deed and by fact rather than by hearsay and illusion.

Over the past 3 weeks I have made over 300 hours of nonstop video recordings of the so called Mt. Carmel stand-off. One of those tapes has clues that can help yield the truth to what happened on the morning of February 28, 1993.

True Justice can never be gleaned by watching TV or reading the words of one man, but rather only by 12 men in a sanctuary of **fairness** and protected by and yet autonomous from the State which it serves. And yet this truth is only the truth of one man [**C: but with pictures and sound recordings**]. Let this never happen again.

[**C: At this point the statement ended, still with no identification of the writer but since the packet of information continues in the same type style with a letter to Congressman Conyers and signed by Kenneth M. Fawcett AND OTHERS, we will assume, for present purposes, this to be one of the authors of same. I wish to give credit and honor to outstanding effort and, now, valor under heavy fire, for service above and beyond that of an ordinary citizen.**]

Again, this continues from the FAXed information of May 4, 1993:

Dear Congressman Conyers,

You have my vote for President if you can avert the horrible cover-up now being perpetrated upon the American people by the Justice Department and the Department of Treasury. I have been trying for weeks to alert members of Congress and the public at-large to what could only have ended in a horrible annihilation of the "crime scene" in Waco, Texas. In addition to the below described evidence, I made

seven trips to Waco getting hundreds of hours of eyewitness testimony and interviews with incarcerated members of the Branch Davidian Sect.

I am submitting this letter to you today as a concerned humanitarian, and patriotic American. From what I've seen I believe you are a man of irreproachable integrity. I am by trade a microwave communications technician, with a background in land-based telecommunications as well as law enforcement. On Sunday, February 28, 1993 I, like many Americans, was shocked by the videotaping of what was, even under the most liberal interpretation, a full military assault upon a religious compound in Waco, McLennan County, Texas, under the auspices of a "police" operation.

On March 2, 1993 at approximately 11 PM, while monitoring live Ku band transmissions from the Waco media setup, I was surprised to view what was certainly an almost unedited video "refeed" of the assault. Having monitored news feeds in the past I knew from experience that the tape would be run twice. I proceeded to tape the 2nd feed using a Fisher six head VHS VCR with composite video/audio input. Tape speed was 1.7 cm/sec. (standard play). This tape has been duplicated and distributed for my protection. Unlike the tape widely distributed over off-air and cable television news programs, this tape has no "voice-over" and the audio runs completely intact.

Over the ensuing weeks the tape was studied carefully by myself as well as several men with military and law enforcement backgrounds including veterans who served under Col. Hackworth. The conclusions reached are as follows:

1. Bureau of Alcohol and Firearms officers, either through mishandling, improper preparation, and/or defective equipment, suffered a minimum of two accidental weapon discharges. The first of which involved the Heckler-Koch MP5 assault rifle and resulted in the death of Spl. Agent Stephen Willis and the injuring of another officer as yet unidentified.

The second discharge occurred on an aluminum ladder involving a Sig-Sauer P228 semi-automatic handgun which, according to John C. Killorin, Chief of Public Affairs, ATF, has no safety. The weapon discharged in the holster of Agent Conway C. LeBleu, resulting in a flesh wound to his right leg. Agent LeBleu was able to ascend the ladder but met with death after entering a second story window.

2. The attack plan failed to take into account the unusual architecture of the compound and thereby subjected officers crossing the roof from south to north to crossfire from agents seen firing from

behind vehicles located on the west or front side of the compound.

3. The plan overestimated and/or was misinformed as to the construction of exterior and interior walls. This caused helicopter-based gunfire to pass completely through the building at angles endangering friendly forces on the ground.

4. The plan relied too heavily upon radio communication. When those communications were compromised, there was confusion as to the location of various forces, enemy as well as friendly. This too was a factor in the accidental tossing of a fragmentation device into the second story room, further identified as a 10'x10' room adjoining David Koresh's living quarters, which led to the death of agents Robert J. Williams, Todd McKeehan, and Conway LeBleu. **[C: Sure looks to me as if it was fully intended that several agents be wiped out so there could remain no possible REASON for calling off the massacre. Boy, does this not make even you able and "willing" participants in the big military "kill" game a bit undone that you are worth no more than a good story to deceive the "people"?]**

5. Despite public statements to the contrary, agents are seen firing blindly into walls and windows without properly acquiring a target. This practice is known as "spray and pray" in law enforcement circles, and is unacceptable while executing an arrest warrant on **one man and one man ONLY where more than 100 innocent women, children and men are residing.**

6. If after-the-fact statements by ATF spokespersons are true, and these affiants actually possessed and/or were suspected to possess weapons in the type and amount necessary to warrant the enforcement manpower at hand, then it is clear that management personnel failed miserably in pre-arranging ambulance and medical services for wounded or traumatized personnel as evidenced by **agents seen and heard well into the firefight telling TV cameramen to "call for an ambulance".**

7. ATF spokesmen Dan Conroy, Jack Killorin, Steven Higgins, and David Troy have repeatedly stated publicly that the "element of surprise" was paramount to the success of the "mission", yet videotape reveals that two reporters are **actually sitting clearly visible in a tree in front of the compound, and channel 10 news crews were actually INVITED to "follow the ATF horse trailers in",** per telephone conversation with Mr. Virgil L. Teter V.P. News, KWTX, Waco.

8. Despite insistence that National Guard helicopters were requisitioned only to search for "hot spots" in the compound, their approach is clearly too low and off to the right and left to provide such a function.

9. Despite public statements that the three helicopters used in the raid sustained fire they are seen being examined in subsequent video-tape and no damage is visible.

10. At the end of the video-tape an unidentified Davidian is seen and heard from a lower story doorway **repeatedly calling for "peace" and each time he is met with a hail of gunfire.**

11. Agents are taped being allowed and assisted by Branch Davidians in the stabilization and evacuation of wounded officers, this behavior is inconsistent with persons having murderous intent.

In addition to these facts the video also raises numerous questions that can only be answered by an independent and specially appointed investigative team.

Because of events of questionable moral, ethical and legal basis carried out upon the Branch Davidians in the so-called siege portion of the episode, to which there is also overwhelming video-taped evidence, it is imperative that said investigators have no attachment to the "raid" or subsequent "siege" upon the compound.

In addition to the above named evidence, an investigation has revealed that the original BATF investigation was based on an affidavit used to secure joint custody of a minor child in a Battle Creek, Michigan family law court. See: David S. Jewell v. Sherry L. Gallegos Jewell, February 24, 1992, Berrien County, Michigan. Said affidavit being affirmed to by one Marc Breault who is not even a United States citizen.

Because of these improprieties, injustices, and official misstatements of fact we call upon you, Congressman Conyers, to call for an independent investigation of the Waco debacle and appoint a Special Investigator-Prosecutor of unimpeachable integrity to investigate what is left of the "scene of the crime".

You should be receiving a videotape from me in a few days. Facts I have gleaned in recent days from my ongoing investigation are revealed but not limited to the following: **1. The time of the Feb. 28 raid was deliberately misstated by 2 hours to allow editing of the video news tape before releasing it to the public. 2. There were no less than 3 TV Station news crews WAITING at the gate to follow the BATF into the complex. 3. The press was moved back 3 times in the first 2 days of the so-called stand-off to**

obscure from view, federal agents "cleaning up" the bodies of two unarmed Branch Davidians **KILLED BY ATF snipers several hours after the "raid" had ENDED.** 4. Even though it's been widely reported that the "fire scene" was too hot for investigators and Medical Examiners to enter for two days (because of "one million" rounds of "live" ammo) **I have video-tape footage of FBI agent Bob Ricks, ATF agent Swenson and others walking around in the ashes less than 2 hours after the fire is brought under control—wearing no protective clothing or eyegear whatsoever.**

Sincerely,  
Kenneth M. Fawcett and Others  
Constituents

The following bears great importance above and beyond that which will seem evident at this time but will become more so as you move along in the unfolding of intent and "who is a Christian" and "who is a Jew" and thus and so [in other words, the Zionists don't want the REAL Jews around any more than they want the Christians around]. You see, it matters not—all will come under the control of the Zionist One Worlder Anti-God. If you can't see it, friends, there is little hope for your civilization.

QUOTING:

TO ALL CONCERNED AMERICANS:

May 4, 1993

I wish I knew what it would take to get Clinton Impeached. I, along with many other people all over this Nation, feel enough is enough. We've had it up to here with this new Neo-Nazi Administration. Why is it the: **Fact that THE DAVIDIANS ARE JEWISH, NOT CULTISTS (as proven by the Flag they flew and the Star of David they wear) HAS NOT BEEN BROUGHT OUT FOR THE INFORMATION TO THE IGNORANT?**

Clinton and his hand-picked people scare the hell out of me. Compare his people to the Hitler administration and they seem to have a lot in common. I am deeply concerned when this man will allow the **MURDER OF 24 CHILDREN BY AN ENTITY THAT CLAIMS TO BE PART OF THE AMERICAN GOVERNMENT (HASN'T EVEN BEEN GRANTED A CHARTER BY CONGRESS! IF I'M WRONG ON THIS ONE PLEASE FAX ME THE CHARTER SO I CAN BRING MY RECORDS UP TO DATE)** yet has, while joking and laughing about it at

press conferences, **Denied Americans (Humans of all races) their United States of America Constitutional Rights!!!!**

Although I happen to be white, it sickened me to hear Clinton state, "The only reason Rush [Limbaugh, TV show host] defended RENO was because she was ATTACKED by a BLACK man." The fact is: That "BLACK MAN", to a lot of us who still have the ability to think for ourselves and aren't yet touched by the BRAINWASHING of the ELITE CULT and their MEDIA, feel he **may very well be "A LIGHT AT THE END OF THE TUNNEL!"**

Thank you for allowing me my opinion,  
S.L.

The next subject material is even more important than that above—in that the above is only the proof of the following: **YOU (U.S.) ARE A CONQUERED NATION!** You are not free and have not been so since your surrender in 1930!

(I thank John R. Prukop, Chairman, "We the People" Committee; Center for Action-Washington. 11910-C Meridian East, #142, Puyallup, Washington, U.S.A. Postal Zone: 98373/TDC, Ph: (206) 927-0805—FAX: (206) 874-1456.)

QUOTING:

NEWS RELEASE

May 2, 1993

**ADMIRALTY—THE LAW OF  
AN IMPERIAL OLIGOPOLY:  
LEGAL PROOF OF A CONQUERED  
NATION**

**DATE OF SURRENDER: 1930**

**RATIFIED BY CONGRESS: MARCH 9, 1933 (SEE HJR-192, ET SEQ.)**

**U.S. REPRESENTATIVE:** Franklin Delano Roosevelt, Author of "THE NEW DEAL"

**TERMS OF THE SURRENDER:** The Geneva Law which established a National Bankruptcy Contract under "Silent Judicial Notice" to include ALL "U.S. citizens" in a fraudulent Social Security ponzi scheme, previously declared illegal under the positive Law of Nations.

**FIRST ACT OF SURRENDER:** Passage of House Joint Resolution 192, which removed the USA from the Gold Standard and made it impossible for the Nation to "pay" its debts. Set up a Credit Commune with "limited liability".

**THE GROSS PROOF:**

1. **TRIBUTE:** "Taxation without Representation" **exacted** by U.S. Officials as an extortion payment to the Federal Reserve (a private banking syndicate) and other agencies of the United Nations—a front organization for the World's Ruling Elite "Mattoids".

2. **EXPATRIATION OF JOBS AND INDUSTRIES:** Utilization of payer-supported agencies, such as OPIC and AID to export American resources overseas.

3. **DESTRUCTION OF STATE AND NATIONAL BOUNDARIES:** Regionalization of 30 of the 50 states of the Union, by removing boundary descriptions from the State Constitutions. The signing of international trade agreements such as GATT (General Agreement on Trade and Tariffs) and the present Clinton Administration's push for NAFTA (North American Free Trade Agreement) to destroy "nontariff trade barriers" and create an economic merger among Pan American countries.

4. **PROMOTION OF CRIME AND SLAVE LABOR THROUGH ALIEN IMMIGRATION:** A welfare state Immigration policy that attracts non-contributing undesirables to destroy the Standard of Living and provide a future inducement toward Communist revolution and slavery for all citizens.

5. **DISPOSITION OF THE SPOILS OF WAR:** Systematic looting of the Nation's wealth by international corporate pirates and banking privateers under Admiralty Law's "Questions of Prize". Privatization of the Nation's infrastructure through the sale of Public Assets to foreign principles was established by Presidential Executive Order No. 12803 in 1992 by George Bush.

6. **SIEGE MENTALITY IN A POLICE STATE:** Pillaging of U.S. citizens through Draconian federal forfeiture laws that violate their Civil and Constitutionally secured Rights on the pretext of a phony "Drug War". Bankruptcy and Emergency Powers such as the International Economic Emergencies Act, Title 50 USE 1701-1706, are used improperly by UN-sponsored government operatives to justify military "hits" upon political dissenters, whom are arbitrarily labelled as enemies of the "New World Order" (i.e., Vickie Weaver and David Koresh) who are terminated with "extreme prejudice" (to kill in cold blood). **[C: Vickie Weaver WAS KILLED; David Koresh, like Jim Jones, was a part of the plan and was not killed regardless of what is told to you as identification verification by the same ones who formulated the plan WITH HIM.]**

7. **DISAVOWAL OF THE LOYALTY OATH AND TREASON:** Secretary of the Treasury is an employee of the International Monetary Fund (IMF, an independent foreign corporation) and "Receiver" in the National Bankruptcy (See: Reorganization Plan No. 26 @ 5 USCA 903, Public Law 94-564). United States District Court Judges are immune from Civil Torts and are members of an "independent judiciary" of the world court paid by the IMF-controlled Treasury Department. The Civil Service Commission **suspended** the loyalty oath (See: the Stewart Case, 1970) for all federal employees and many agencies have transferred allegiance to the **UNITED NATIONS** through "Service Agreements" and "Memorandums of Understanding" (MOU's). The United States Marshal's Oath to the Constitution under 28 USC 563 **WAS DELETED** (See: Congressional Record, H7935, September 22, 1988-House) and **SUBVERTED** to INTERPOL et al, by United Nations mandate (See: 22 USC 263(a)). **These wholesale repudiations of governmental accountability to the People under Article 6 of the Constitution for the United States of America should be construed as a hostile takeover and Act of War.**

8. **SUBVERSION OF THE CONSTITUTION BY INTERNATIONAL TREATY:** Passage by Congress of unlawful (i.e., under **Color of Law**) legislation designed to **OVERTURN the Constitution**. The following list contains the highlights from U.S. Legislative History: **[C: BY NO MEANS does this list contain all or even nearly all—for instance the one causing a one nation religion is conveniently missing because probably the author has no reason to even know of that relatively new PUBLIC LAW. That is, of course, only one more example.]**

- \* The Federal Reserve Act of 1913—abrogated Article 1, Sec. 8, clauses 5 & 6.
- \* HJR-192 (1933)—suspended the Gold Standard and Gold Clause.
- \* Color of Law Coinage Act of 1965—debased the specie coin (Article 1, Sec. 10, clause 1).
- \* PL 94-564 (1971)—removed convertibility of US Dollar into gold.
- \* Declaration of INTERdependence (1976)—nullified national spirit and purpose.
- \* PL 95-147 (1977)—declared insolvency.
- \* UN Covenant on Civil and Political Rights (1992)—set aside the Bill of Rights.

The net effect of these seditious and treasonous legislative changes by a compliant and willing Congress has been to **OVERTHROW** the Dejure, Natural, Spiritual, and Common Law **[C: "Constitutional Law", it should read]** heritage of a once Great Republic.

9. **UNILATERAL DISARMAMENT:** The

creation of an Arms Control and Disarmament Agency under PL 87-297, and described in State Department Publication 7177, together with the non-incorporation of the 2nd Amendment into the 14th Amendment protections against the States, indicates that our criminal government will eventually declare Martial Law so that they can launch a "military enforcement action" **[C: Wrong here also: YOU HAVE BEEN UNDER MARTIAL LAW SINCE 1930! THERE IS NO NEED TO DECLARE MARTIAL LAW AND IT IS OBVIOUS THAT THE BIG BOYS KNOW AS MUCH!]** to confiscate privately-owned firearms from all law abiding citizens.

The merger of US and Soviet forces into a "New World Army" will signal the final step in bringing about total and "unconditional surrender" of all global peons in preparation for World Totalitarian Rule. **[C: This is already in full force—note that on the yesterday when the Soma-lia U.S. troops were changed over and out and the U.N. picked up control—the remaining troops (5,000 Americans) came instantly within and under the United Nations "blue helmets".]**

It should not be surprising that Connecticut Senator Prescott Bush, father of former President George Herbert Walker Bush, was the one who sought to push through PL 87-297, the same Prescott Bush who sat on the Board of Directors of **Union Banking Corporation** of New York. This

Bank, along with Guarantee Trust of New York was one of the heaviest **financiers of the Nazi Regime**. Prescott Bush was also a long-time partner of Brown Brothers Harriman Banking, **which also financed the Soviet Union**. Of course, he had knowledge and participation in the financing of **BOTH HITLER AND THE SOVIET UNION**. Trotsky, with Capitalist Financing of \$20-million in gold from the United States of America, left our shores to undertake the Bolshevik Revolution, turning the former **CHRISTIAN** nation of **RUSSIA** into a Communist-Socialist Police State—**THE VERY THING THAT IS HAPPENING TO AMERICA RIGHT NOW.**

**STOP THE NEW WORLD ORDER!**

**WAKE UP BEFORE IT'S TOO LATE!**

**TAKE BACK AMERICA FROM THE CRIMINALS IN D.C. NOW!**

**EXPOSE THEIR DIRTY CRIMES!**

# Secret Underground Bases

## "Little" Military Surprise

*(Editor's note: Those of you readers who watched the Fox Network television program SIGHTINGS on Friday evening, May 7, heard brief and oblique mentions of super-secret military installations and "out of this world" technologies being utilized therein. I say "brief and oblique mentions" because the whole matter has to be danced around rather than reported straightforwardly — or else such TRUTH tidbits would NOT see the light of day on our controlled TV screens.*

*Those little sprinklings of TRUTH lead, like a trail of crumbs, to a whopper of a reality. If you have read the exposé starting on page 2 of this CONTACT on the 1982 Falkland Islands War, you already know about a few of the incredible secret underground military bases — and we are here going to expand on that subject with more information.*

*The following presentation is an assemblage of Commander Gyeorgos Ceres Hatonn's writings which are scattered over several of the earlier JOURNALS as well as transcribed from an audio tape, all concerning various super-secret and not-so-secret underground facilities, plus some of the astonishing and depraved things that go on therein.*

*The total picture is one of outrageous deceit and subversion of the public trust, of technology gone crazy, and of the use of that technology against we-the-people whose tax dollars are at work paying for these facilities. Talk about "adding insult to injury" — literally! Just listen to all the abductees running around who think they are being harassed and humiliated by extraterrestrials!*

*Meanwhile, the recent arrays of "unnatural" storms and earthquakes across the U.S.A. whisper that the Elite may be gearing up to unleash upon an unsuspecting public—very soon now—a sick but spectacular "Star Wars"-type of event to galvanize the public with fear against a "common enemy from space" to help bring about our sheep-like cooperation with the New World Order's One-World-Rule goal.*

*An "engineered catastrophe" such as this borrows heavily on what goes on at some of these secret underground facilities. And for that reason, too, we have collected this information together for your reading "pleasure". Forewarned is forearmed.*

*You don't have to be a scientific philoso-*

*pher to ask yourself, "What is WRONG with this picture?" Science devoid of moral underpinnings is a scary tragedy indeed. Meanwhile, we wonder why nobody is tending the potholes in the roads, the crumbling bridges or the inner cities. Will we wake up in time?)*

**1/1/92 #1 HATONN**

**NEW YEAR'S DAY**

Hatonn present in the Holy Service of God in and of Light. Let us collect our fragments and still the currents of confusion. You will please keep ever present in your minds the impacts of these new year moments. This is to be a year of most unexpected changes which will boggle the minds if you allow it. The Adversary plans great changes to come about in these months at hand.

**TRUTH IS STRANGER  
THAN FICTION**

It is time to write of things which will be compared by every "crazy nut" to that which is already being filtered down into your consciousness by the misinformation and disinformation bearers. You are now such a controlled society of people that the differences will elude the multitudes and you shall be given into the perceptions of insanity from time to time. I must write in TRUTH so that as things unfold in the confusion of the Planners' timing you will not be either surprised nor impacted by the blatant size of the lies. Always realize that somewhere in the middle of the extremes of projections will be found the truth of the tales which are now going to be loosed upon you. We will speak in specifics in some instances but I will use generalities in explanation to cover much up-front which will later be spoken of more leisurely.

**What I have to tell you is already breaking forth from the more "wild" of the UFO community of deceivers but, you see, the only thing wrong with their conclusions lies in the assumptions of "alien" beings instead of manufactured earth-bound beings. This is THE MOST IMPORTANT facet in the wrong conclusions but, nonetheless, it is time to speak of these "incredible" circum-**

**stances before the news hits the headlines.**

The point of actions from here on in will be to panic and paralyze you citizens with the sheer magnitude of the technology present upon your place. The adversary has been working toward his goal of world domination by year 2000 for thousands upon thousands of years and you are now within the final decade of the entrapment so you are going to be shocked and terrified by that which will come into your knowledge.

I have gained a reputation of doom and gloom—fear mongering and even being Satanic. No, none of those things but what I will outlay to you "ordinary" unknowing people will be mind-boggling and beyond science fiction of any kind shown to you prior to now.

**NO ALIEN THREAT**

**The ultimate punch-line to the Adversary's plan is to align the masses into unity through assumption of an outer-space alien threat to the planet.** No, I repeat—you have no enemies in space—they are all land-locked and the plan so well laid and orchestrated that the presentations unto you will cause you to believe that which they will tell you. I must tell you THE TRUTH prior to the "pranks" because only in that advance warning will you be prepared. ALWAYS as things unfold—look unto the PHYSICAL ASPECT. GOD is a SPIRITUAL influence and condition and thus, that which is manufactured and manifest in the physical and breaks ANY BIT OF EVEN ONE LAW OF GOD IF PRESENTED FROM THE COSMOS, IS NOT OF GOD BUT SERVES THE ADVERSARY—and you are in for some real doozies right away now.

You will continually harken back to the writing of yesterday as we write during these coming days because you MUST know of the separation and sorting and if you are still playing games with God, I suggest it is now time to stop it. GOD is not a groveling wimp who will allow you to go into infinity with such stupid ideas and actions as you have been told. HE WILL ALLOW NO EVIL ACTIONS OR INTENT WITHIN HIS HOLY PLACES! That means that it will be only through honorable ser-

vice and intent that you will make that journey WITH God. You may get interim placement but you had best look most carefully at intent because the days shorten into a very precious few. Each day will be a gift of gifts.

The intent was to pull off a planetary testing of the massive Woodpecker/Wormwood pulse system now fully connected. If those tests go wrong you will have an ignited radioactive belt about the planet. The assumption is that at worst it will keep the Hosts from entering your space. It will NOT do so. However, **your Elite controllers now have finished and interconnected underground survival centers worldwide and connected by channels with such advanced technology that hundreds of years can be spent comfortably in shelter while the surface recovers—if necessary. This will be utilized above or below sea level. It is only you—the people that have no shelters and will not survive.** You still have time for action because a few things are not complete and final function of the "system" will be more perfected if the "Plan" is more fully complete than on this day. However, as of day one of January, 1992 the system is linked and the Elite ARE IN CONTROL. That does not mean America, chelas.

What you DO have this day is a breakdown, however, of the Soviet break-aways and the Zionist elements. The break-away nations and the fundamental elements of the Russian coalition will not tolerate either Yeltsin or the Zionists, even if a full-scale nuclear war must be had immediately. When Shevardnadze says you should be worried mightily about those nuclear weapons in the "wrong" hands—he speaks much too softly—they are poised and ready to fire. But that is not the subject of this evening's writing.

### UNDERGROUND BASES

It is time I confirm and explain the presence of massive underground systems throughout your globe—which are very "human" oriented and occupied.

You will be told that these installations are headed and run as a hostage situation—by aliens. Reptilians and Little Grays. BSI Are there Reptilians and Little Grays present? Indeed! There are massive numbers of them—all cloned, replicated and terrifying. You will further be told that they hold your government hostage. More and deeper heaps of lies—they are produced by the good-will dedication and greedy money grubbing governments at the control of the Elite Committee of 300 who operate out of Switzerland and headed by the Royal Crown of England. These are the Satanic British Zionists originally known as the Serpent People. This is exactly why the Reptilians will be presented to you as the ones in

control. The Serpent is the symbol of Satan and these ones have never even bothered to lie to you about their label.

### WHY SO MANY UNEMPLOYED

Sit quietly for a minute and consider numbers with me, for as these underground facilities are coming to finished status there are a lot of suddenly available unemployed. You are showing increased numbers of unemployed NEW sign-ups of half a million a week. You are talking now of millions out of work—from where? Yes, from all over, but WHY?

How many people, say, in the area of Lancaster/Palmdale, California, might you personally know who work in the aerospace industry wherein groups work on items which are isolated and secret with penalty of death as reward for tattling? Almost all is done on "need to know" basis and ones are going to realize they have been working on projects which were so unworldly as to shock Spielberg. Worse than what appears on the surface, they are subjected to mandatory testings, physicals, etc., where they are totally programmed "to forget" what they have seen and heard.

I am going to name some names and places (locations) so that you can check them out as to authenticity and then you will find it easier to accept TRUTH as it is unfolded to you.

### LOCAL SECRET PLACES

(see photos on next 2 pages)

We will start in the local area of Southern California in the Edwards Air Force Base area extending in a large triangular shape which includes all the way to Pasadena, Long Beach, Palmdale, Lancaster, Tehachapi, Mojave, Edwards and China Lake—just for starters.

We have spoken often already about the areas of "51", "72", Dulce, etc., in Nevada, New Mexico and Arizona so we will leave it to suffice that duplication is present in those places as well. Ones who have had the "privilege" of tourist rides into Yucca Mountain to check out the tunnels for planned nuclear waste sites will not be as shocked as the rest of you unsuspecting ones. At Yucca Mountain alone there are over 35 major tunnels which totally catacomb the mountain at all levels as deep as several miles. There is only one tunnel open for public eyes and it is impressive enough to stun the eyes and minds of hardened engineers.

In the Palmdale area beneath a "hanger" type building, which actually is movable on tracks, is a multilayer technology center over eight levels in depth and the size of a massive city. The workers are mostly manufactured robotoids and synthetics made

for labor with computer intelligence. Human participants are of the "Ultra top-secret clearance" personnel.

At Edwards launch area in a bluff (butte) called Haystack, there is an even larger installation underground with incredible beam pulse systems, aircraft launchers, stealth equipment in coalition with the Soviet Cosmosphere program with total capability of destroying the planet in some 15 minutes.

Locked into that installation is a massive underground facility near Tehachapi called The Anthill (Northrop). There are open silos wherein light laser systems are tested and cosmos-drones sent out like marching armies to probe electronically. They are like little basketballs of light running usually to blue and sometimes golden/orange.

These particular installations are carved out with digging equipment which melts the mind as to possibilities as nothing stops them—not rock nor metal. They are drills tipped with diamond bits and carve a 40 ft. tunnel in mere hours. Interconnecting these installations are high-speed transit rails with "trains" which "fly" on an electromagnetic system off the ground at incredible speed. There has been a lot of "blasting", also, but covered by the stories of aircraft moving through the sound barrier and after a while it simply became that no-one paid any attention.

### BEINGS INVOLVED

I don't even like to speak much of the Reptilians because they are dramatically for fear effect. Some are simply beings with leathery type of covering for protection purposes and are no more than humans in costume. The Little Grays fit into a different type of category and if not selectively handled get completely out of control. These are both comprised of manufactured (soulless) beings without compassion or feelings of any type. They are very "strong" physically and the "Grays" can literally infiltrate into the substance around them, i.e., they can "float" or disperse through a wall or door, etc.

There is a third type of replicated being made in the form of that which is presented to you on television as an "Orange". These are computer-bright but basically clone laborers. These are very human in appearance but too synthetic to fit in with your citizenry.

I am going to remind you—THESE ARE NOT SPACE ALIENS ALTHOUGH PATTERNED FROM ORIGINAL ALIEN ENTRIES OF EONS PAST.

I hope you are beginning to get the picture, chelas. These are the adversaries OF GOD and of we, the Hosts. They neither have the technology to traverse the cosmos nor are they even allowed into the space beyond the Earth orbiting system at best.

**These ones are led and controlled by the entities who would rule the Earth and they are the reflection of hybrid, emotionless beings who serve the World Order "Elite". They are basically Satanic tools and act on direct orders of the controllers.**

### WAR OF THE "GODS"

We don't speak of "Gods" as such, but the idea fits. It is the time of sorting and separation of the participants (players) on the physical orb called Shan (Earth). It is the time of retrieval of God's children who are experiencing on the place for all sorts of varying reasons in soul-growth progression. Evil intends to rule the globe and all things thereon. But, he has already destroyed the bountiful wonders of the globe and it cannot continue as is. Therefore, the plan is to take control through whatever means available—preferably leaving a remnant of Godly slave laborers and annihilation of other souled beings. This will be accomplished in two ways.

1. He will simply convince the souled being that God is not who and what He claims to be. Those unthinking masses will simply be led down the "primrose" paths through the mire of lies and disbeliefs of truth. These, for the most part, will be called Christians (by any other label). These ones will be side-tracked into a belief system which revolves around the human physical being of, say, a Jesus Christ or Buddha, as adequate examples. They will set their intent upon denying and "proving" the non-presence of God, Hosts, Goodly Aliens, etc.—anything of the Spiritual realms of Light. Their whole intent will claim infinite experience but will be entrapped in total physical and material matter.

2. He will simply enslave physically those who stand against him and as ones are no longer useful, they will be slain and/or used for testing, etc. Disease will wipe out multitudes and then wars will annihilate millions, famine and exposure will get more and in the interim, all dissenters will be interned in compounds if they are thought to be dangerous to "the cause".

Ones who go about their business without great confrontation will be basically left alone if they are in areas wherein they are no bother.

### GOD WILL NOT INTERFERE

There is full understanding between the higher "commands": Our people are not to be harmed. This does not mean that ALL know this even though ones who attempt bodily harm are usually taken out a.s.a.p. by their own group. The adversary will not risk encounter with my Command. God's people are "off limits". I suggest you be

making very, very sure as to whether or not you are one of God's people. Don't ask ME! If you don't know then you better get awfully worried.

Does this mean that God's people will not be caught in anything nasty or negative? No, many of you will perish and no place, as such, is safer than any other. I can assure you that you will have colds and flu, get cold and get hot, hungry and tired just like everyone and anyone else. You WILL be allowed to fulfill your mission whatever it might entail and you WILL BE RECLAIMED AND BROUGHT INTO SAFETY AT THE APPROPRIATE TIME.

There is time left for action in almost unlimited manner if you utilize that time well. Things are not in order to the point of desirability on the part of the Planners so you will simply work within that circumstance in which you find self. There are still some methods of assisting selves with security in ability to barter, etc., if you use intelligence. Violence will simply get all of our workers killed and it will not be tolerated—if I have to tell you that point then you are going to harm more than serve good. You will be sly as the serpent and gentle as the dove—dead martyrs serve no one. Your job is not to fight the war—yours is to bring Truth, put it to press, assist wherein you can by example without force or undue nagging for each will have to know for self. We must have a "remnant" and that means that you of my command will not act in foolishness or you will be put to the side lest you endanger the entire lift-off program. You will be given to know your task when appropriate and he who acts in greed will be put to last. Know that we can beam you up into safety from Mars if need be. I can get you aboard the *Phoenix*, for instance, which is far outside your orbiting place.

### OTHER PLACES IN THE U.S.

There are massive bases in Canada but some of the more important strategic centers are, of course, around (under) Atlanta and Arkansas. In some of those areas there was already an underground "alien" race and massive tunneling complex. There are also ancient tunnels under Tehachapi, for instance. The military has now tunneled right to the side of the crystal in Tehachapi and we have now blocked their entry into that portion of their system. Only a tiny portion of the crystal in point is allowed the use of Earthians.

### POISON WATER SUPPLY

Other bad news includes a slow and deliberate addition of herbicides into the water systems of your cities. Most is by accidental seepage from growing fields at very low levels of toxicity but now covering

massive areas. As water supplies dwindle in the areas stricken by drought there will be more and more actual toxic response to that pollution. There will also be virus infection via water systems whereby whole villages and sections of cities will become ill within hours—simultaneously.

The cover-up is massive and "leakers" or "speakers" are dealt with instantly by either absolute negation of "law" or injection or by death—mostly the latter depending on the importance of the "squealer". You have ones in the local group who are targets who managed to survive all three types of assault. I will tell you now, it is very difficult to kill one of my people. Usually the journey to this side is vaguely remembered and almost always the trip itself is recalled and known at the time and again remembered at some time later.

### AM I TELLING YOU "IT IS OVER"?

No indeed. I am simply telling you that you must be ready for that next assault on your beings as we have described it in the past. Remember, I told you that before you are through, the enemy will blame all things on aliens to prevent any of you being reclaimed by God—THE BATTLE IS FOR YOUR SOULS—ONE DIRECTION GIVES TOTAL FREEDOM AND THE OTHER ENSLAVEMENT AND YOU MUST DECIDE WHICH YOU WILL EXPERIENCE. How many will see through the facade of the physical illusion and into the co-creatorship which produced that illusion? When you understand God then you will also understand that it only requires YOUR decision. It is up to YOU to choose the gold or the gold-covered lead! Both appear the same and often the lead covered in gold appears the more shiny and desirable to the fleshly experience. The lead actually has more value in the higher experiences.

A guide to "clues" is also available to you who will mentally take a look. The protocols and instructions are in place. Bridges, passes and area dams are now bombed (mined) and tracking stations already in place—to keep ones in the area wherein you ARE when the curtain falls. This means a shut-down of all international travel, and interstate travel as well, as time passes. The point is to actually lock you into a small area of location and one in which you can be easily controlled and accounted for. Note the closure of one airline after another and note how many of those airline planes are at Mojave! As surface travel is shut down those parts will be utilized for other types of vehicles and weapons.

The plan, of course, is to allow things to appear natural in their occurrence—i.e., the markets will fall and you will be in a depression but always with the prattling

that "it is getting better"—"just a fluctuation". You will be like the Russians—into disaster without realizing it happened to you. In your confusion you will get deeper and deeper into the pit until the trap is closed. Then the government will simply pull out all resources (welfare) and it will appear most spontaneous because, after all, a government without money cannot maintain anything. The ignorant will remain ignorant and in denial until it is over and some will never know differently, much less admit that what we gave forth was right and correct.

Will you go down without revolution? Probably not, but the bigger gun usually wins, especially if he has trained himself to be more clever. You, dear ones, have been uneducated and many of your so-called educated adults can neither read nor write.

### BUT WHAT OF ARMAGEDDON? "YOU SAID - -"

Indeed I did and you can expect eruption in the Middle East momentarily because the Zionist impact is into the areas of the break-away Republics and the military Soviet machine is efforting right now to squelch any anti-military control. The military machine is on the march and it will prevail. It has been carefully orchestrated to get nuclear capability into the hands of all the little antagonistic nations to specifically allow for war. Oh indeed, if there remains a world of nations, there WILL BE AN ARMAGEDDON. I remind you—the plans are finished, for all practical purposes, to totally leave the surface of the planet to destruction while Satan and his henchmen move into those worm-holes underneath to "ride out" the storms.

In all of the installations are men, women and children synthesized and ready for reproduction at such time as viable life forms can be reintroduced.

You of the remnant of God's people are for the purpose of making sure all of God's people are aboard and into security when departure time is at hand.

Yes indeed, I am talking about the total departure and separation of God from the planet, leaving the evil manufactured entities to their destructive and depleting cycles.

Some who are left and made poor choices on the wrong assumptions will be allowed growth at separation from the physical as soul separates from physical life-form but this will only last through a couple of generation cycles at most. However, THE TRUTH will be made obvious and there will be opportunity to again stand in the place of God. It will, however, be only briefly and then, finally, the planet will be left to cleanse and recover as life forms are simply cycled away as living conditions become too hostile for all life forms.

### BUT YOU SAID "WE STILL COULD - -"

Yes I did and do! But will you? You don't even have many who even believe what I just wrote to you. "Oh," you will say, "...that is just stupid but unreal science fiction." Yes, that is what they assume you will say and how you will react to Truth. How comfortable are you this moment? How stable is the economy? How stable are the jobs? How healthy is your society physically, emotionally and spiritually? HOW do you believe it can RECOVER? Where have all your industries gone? Well, brothers, most of them have literally gone underground—where they don't need YOU any longer. The Plan is to bring the population of this planet down again to 500 million people and no more—that means some 6 billion people will be killed—one way or another. That also means that a lot of God's REAL children, with proper intent of Godness, will be watching from a nice safe distance in order to begin and establish a working system within Radiance.

As I remind Dharma of the experience of total treasure when the very hand of God brought you out of the void of mist—so shall that hand lift you into eternal radiance—IF YOU HOLD UNTO THAT LIGHT OF TRUTH FOR THE TIME IS AT HAND FOR THESE THINGS TO COME FORTH UPON AND UNTO MAN OF EARTH PLACE.

**IT MATTERS NOT WHICH IT BE IF YE ARE PREPARED. I MUST GIVE YOU BOTH EXTREMES AND THE MIDDLE PATH—FOR UPON MAN'S CHOICES RESTS THE JOURNEY. IF ONLY ONE MAN WOULD RECOGNIZE HIS GOD POWER, THE ENTIRE PLAY CAN BE CHANGED—WILL YOU DO IT? YOU HAVE PLAYED BY THE EVIL RULES AND SCRIPT FOR SO LONG THAT YOU HAVE FORGOTTEN TO INCLUDE A NEW PLAY—WRITE!?! WHO WILL APPEND THE ENDING TO THIS PLAY? WILL YOU ALLOW GOODNESS TO PREVAIL, OR EVIL? THE HOUR-GLASS LAYS THERE UPON ITS SIDE—HOW WILL YOU TURN IT? WILL YOU TURN THE EMPTY SIDE TO "UP" OR THE "FULL"? GOD WAITS! EVIL WILL NOT STAND IN THE LIGHT AND TRUTH IS THE LIGHT AND THE LIGHT IS THE WORD AND THE WORD IS GOD! SO BE IT.**

**I SHALL LEAVE YOU TO YOUR THOUGHTS AS I OFFER THE GIFT OF INFINITE LIFE AND LIMITLESS POWER TO CHOOSE. ADONAI!**

#### UNDERGROUND FACILITIES (continued)

Since speaking about the underground

facilities around this California area, I am, as expected, deluged with inquiries regarding other placements. I will make a point of going through the various states and giving you some idea where the major installations are and where there are missiles. I don't have time to be totally specific nor give maps with specific tunnel runs, etc. Please don't expect more for it is dangerous for these writers here to present such a thing but I will share some information so that you can be alert and you who do have contacts might get the areas more specifically defined and updated. Revealing the secrets is the only defense you have.

Most places are covered with rumors and things like, "...well, I'm working on 'need to know' basis and I said I wouldn't tell." This means that number One: they are working on something they actually know very little about. Two: they are working underground on installations but have no idea of the broad picture. Three: They are threatened on the basis of "national security" and threat of punishment for treason and Four: They (with family) have been promised the reward of safe placement IF they keep silent about the truth of the installations.

### ELITE GOING UNDERGROUND

Already the "big boys", as industry is shut down, are moving into the safe shelters—you are that close to probable danger.

You will now find that you will get no help from your government in the building of shelters so you are on your "own", so to speak. You should continue to ask for public funding but do not expect it and do not base your security on the possibility.

In areas of these massive underground installations and nearby "bedroom" areas, such as Tehachapi, you have a situation of "vacant census"—which means that you have many houses which are now partially (occasionally) occupied but which will empty very soon now that the facilities are operational and the major "building" and construction are finished. Places such as Tehachapi will likely end up pretty much a ghost town but will be quite ideal for young industry in food-growing, dairy farming, etc. This is because the full underground cities will not become effective yet, for the Elite. Ones who are not invited within will have to move on to find work, so much movement will need be back into the cities.

### 3/5/92 #2 HATONN

As I sit to write this portion regarding missile sites and underground facilities—please understand, I simply cannot take time to do a run-down of the world. There

are other Commanders in other parts of the globe and I, for time reasons, will only handle the United States. Keep in mind that what I am going to indicate does not have to do with simple military installations, etc. I am only going to deal with underground missiles and military installations underground. I will miss some for much is being enlarged daily—but now that most of the major construction is finished **it will suffice for impact to allow you to recognize how truly uninformed you are as a nation.** You in the other parts of the globe can consider that you are in equal or worse shape—especially any “colony” of Great Britain.

The logical inquiry regarding these massive underground installations is “how could they do that without having huge mountains of dirt to move and it would show!” No it would not—they have equipment now that will tunnel and melt the earth material into substance which can be utilized for the walling and shoring. This condenses the quantity of material into a small percentage of that with which the project begins. This tunneling equipment works with a diameter much larger than the average sized home so you can see how advanced is the technology.

I ask you not to write me about specifics nor locations—I welcome any information which any of you wish to share for either my private confirmation or for sharing but please do not expect me to give specifics or long dissertations on various locations for I shall not do so—I hesitate to even give this much information for I will have to increase the shielding for my own crew because of it. I am most pleased to handle any private correspondence but it will be one-way for a period of time, perhaps. Some of these areas will only represent having underground missiles.

I will effort to give nearby sites as reference, i.e.: Alabama: Maxwell A.F.B. north of Montgomery, south of Rattville.

#### ALABAMA:

Anniston Army Depot south into the Tallageda National Forest under Cheah Mtn., drawing water from the Coosu River.

Maxwell A.F.B. north of Montgomery, south of Rattville—drawing water from the Alabama River.

Fort Rucker: MAJOR SITE—very large area. North to Brundidge, east incl. Arton, southeast to Ozark, south almost to Hartford and west, almost to Elba. Drawing water from the Pea River Res., predominantly.

#### ALASKA:

Massive water tunnels and underground facilities and missile sites in an area running from Kotzebue to Ruby to and includ-

ing all of Norton Bay.

In the Fairbanks area including all of the Harding Lake Rec. Area.

Stoney Creek area, in the vicinity of the **Redoubt Volcano. [H: You should pick up a great “clue” right here!]**

#### ARIZONA:

Arizona is so sprinkled with installations housing missiles that it is hard to separate them from Nevada so I will include the southeast corner of Nevada also.

Small installation between Mesquite and Glendale.

Large installations between Searchlight and Boulder City.

Border of Nev./Ca. directly north of Needles, Ca. in line south from above installation.

East of Kingman some 35 miles east, past junction of 40 and 93. Right under and around I-40 directly in-line south of Peach Springs. Desolate territory with few landmarks.

Area under I-40 between (approximately midway) Winona and Winslow.

West of Phoenix under I-10, approx. midway between Wintersburg and Quartzsite.

Between Yuma and Casa Grande on (under) I-8, approximately midway between Mohawk and Sentinel.

North of Yuma on H-95 approximately midway from intersection of H-95 and I-8 and Quartzsite.

Fort Huachuca near border with Mexico in general area of Huachuca City.

#### ARKANSAS:

In Arkansas there is a different situation wherein you have a lot of useful natural formations which allow for utilization. Most of the facility activity has been focused on the Ft. Smith area taking in the entire Ft. Chaffee military res.

#### CALIFORNIA:

California has so many installations that it is all but impossible to point to them all. The ones along the coast are set up so as to be open for massive underground moving of equipment in event of quake or coastal devastation. Underground tunnels are structured in order to move nuclear submarines from the Long Beach area to inland, to tunnels to move ground equipment by surface to inland. We will not focus on any one area to great extent for as we list the area, say, of Lancaster, it will generally take in Lancaster, Palmdale, Mojave, Edwards and up to Tehachapi areas of Northrop, Lockheed, etc. Remember that in this particular listing I am giving you “general areas”.

Starting at the north end of the state: a

very large area including all of the Round Valley Indian Res.

Area all around Ball Mountain **intersecting area of Red Bluff and including Red Bluff.**

Massive area including just south of Alturas, including Likely and Madeline and east almost to Eagleville. Includes the entire origin of the South Fork which eventually makes its way to the Pit River.

Oroville

Downieville

Yuba City and overlapping:

Nevada City, overlapping south to Grass Valley (massive area).

Lake Tahoe-Tahoma-Emerald Bay

Placerville area from Coloma to El Dorado to Kyburz

There is a NOTICEABLE absence of major facilities around San Francisco, but a MAJOR dual installation directly east in Nevada at Hawthorne and including (under) southern portion of Walker Lake.

Coastal missile facility including Pacific Grove Monterey to Salinas—including Ft. Ord.

West of King City, including all of Hunter Liggett Mil. Res. south including Nacimiento Reservoir east to overlap facility which takes in a large area including Camp Roberts and Paso Robles.

Major crucial sites at area of Camp Nelson northeast of Porterville and entire area of Tule River Indian Res. and on south almost to Woody—in the Sequoia Nat'l Forest.

China Lake—massive.

China Lake Naval Weapons Depot—massive.

Fort Irwin—massive. On H-54 southwest of China Lake, northeast Tehachapi, approx. 50 mi. northeast Mojave—large facility.

Lancaster/Palmdale and points east: MASSIVE, taking in areas from northwest of Barstow to east of Barstow to some 30 or so miles east of Barstow on I-15 (desolate area).

This area is in conjunction with the mammoth area of the Nellis bombing and gunnery range and the entire Las Vegas area.

In the Palmdale-Lancaster area must be included Edwards A.F.B., a facility on H-395 at Adalanto and a facility on I-15 between Victorville and Barstow (about mid-way). These sites located on major interstates and well-traveled roads are to allow for checking stations as you move further into the controlled environment. These are located in areas wherein there are major connections with interstate facilities—some three to five just between L.A. and L.V.

The entire Twentynine Palms Marine Corps Base and area between and including Ludlow to Twentynine Palms.

Facility on I-40 about midway between

Ludlow and Needles.

Long Beach is a massive underwater facility with water tunnels which connect all the way inland past San Bernardino with connecting travel tunnels to both Lancaster area and the Marine Base.

South to the Salton Sea—the entire area including Chocolate Mtn. Gunnery Range.

The entire area just east (into Arizona) of the Colorado River Indian Res.

Starting at Capistrano and south through all of Camp Pendelton, including Oceanside.

Moving on south to southeast: Capitan Ind. Res., then on I-8, the Manzanita Ind. Res., east to Brawley to include the Parachute Test Range and Naval Air Facility near El Centro and on east to the entire Yuma Indian Res.

### **COLORADO:**

Moving west to east on I-70: Parachute; Vail (large political facility); site of Eisenhower Mem. Tunnel.

On I-25 south from Denver, all of the Air Force Academy, south to the area south-east of Colorado Springs (Ft. Carson).

All of the area east of I-25 at Fountain north of Pueblo; this is actually a place known as Peterson A.F.B. This is a major and important location.

### **CONNECTICUT, MASSACHUSETTS, RHODE ISLAND:**

Chicopee/Springfield  
Woodstock (large facility both Mass./Conn.)  
New London  
Worcester (Quinugamond)  
Fitchburg (Ft. Devans)  
All the Military Reservations and Nat'l Guard Facility east of Buzzard Bay.

### **FLORIDA:**

Florida is a strange place in that major underground facilities are lacking but missile bases abound in clusters. This is because of the high water table and expectation that with planned earth activities the major part of Florida will be submerged. This requires that the underground bases be along the shoreline and house submarine-capable facilities.

Major installation including Foley, Ala. and the entire of Pensacola Naval Station and eastward all the way and including Freeport and De Funiak Springs and around north to Crestview.

Panama City: all of Tyndal A.F.B. (underwater and offshore).

Large area on west coast at Palmetta.  
Interlocking pods all the way on east coast from Miami to the tip including Homestead A.F.B.

### **GEORGIA:**

Major dual installation at Atlanta in an area taking in Decatur to Jonesboro.

Augusta: Total area including Fort Gordon and east to the Gov't area (massive) including the Savannah River Plant. This is a huge area.

South to Savannah and including all of the Fort Stewart area.

Ft. Benning at Columbus.

### **IDAHO:**

MAJOR INSTALLATIONS AT THE U.S. ATOMIC ENERGY COMM. RES. north-west of Idaho Falls. This is a most important facility and an extremely dangerous area.

Southeast of Boise on H-84 just north-west of Mountain Home—perhaps 10-15 miles.

All of Mountain Home military facility. Large installation on H-84 at Malta.

There is another facility just across the border in Montana about midway between Coeur D'Alene and Missoula on H-10 and one south into Nevada on H-193 south of Contact.

### **ILLINOIS:**

There are only a couple of important bases in Illinois because it is expected that with great earth changes there will be no Illinois. There is an installation and missile sites at Chicago and facilities of both kinds at

Chanute A.F.B. south of Rantoul.

Ft. Massac at the Ky. border north of Paducah.

### **INDIANA:**

Atterbury Reserve Forces Training Ground including Brown County State Park.

Crane Naval Weapons Support Center  
Jefferson Proving Grounds

Vaonia and entire area connected to include Fort Knox and Federal Depository.

### **IOWA:**

Iowa can sleep well but don't expect to have an unexpected place to run for shelter. You have some scattered missile sites but no major underground facilities or major missile pods.

#### **REPTOIDS**

To "Robert" in AZ. Thank you for information and suggestion regarding Reptoids. I would have to, unfortunately, remind you that the reptilian-appearing humanoids are mostly fabrications of gene

and DNA splicing right on your planet by very "human" hands and test-tubes with appropriate hosts. These are unstable, fragile and are "manufactured".

These beings are created because of the Elite hierarchy who represented themselves as "Serpent people" and are most adversarial in intent. They are now proliferated to scare the daylights out of humanity because the human is now trained to hate and fear the snake. This is most unfortunate indeed. These beings who create this "species" of controlled entity are very much isolated to the area of Earth. If you are set-up by the adversary and move with adversarial (physical) intent you may very well be concerned. If you are within God's circle—you have nothing to fear and certainly not from "space".

I am working as fast as the scribe's hands will go to get that very information out to you—involving many of the projections. We must, however, take the most urgent in proper sequence. If you have no society left—then it matters little about those things. We must give you information first which can allow you ability to CHANGE.

As to those who claim that the government and workers are hostage to these aliens and little "grays", I have but this to say about it: if this be true why do those very ones keep the underground for their own use and YOU ARE NOT EVEN ALLOWED TO KNOW WHERE THEY ARE??? If the government and military were not the perpetrators and developers wouldn't they just turn them loose on YOU? These pale salamander people might well exist but it certainly seems that the government keeps them all to selves. For that matter what causes you to think that we won't usurp some of those safety tunnels for you-the-people?

You know why you can tell who is doing what to whom—by the level of "evil" in every form of activity! God hides nothing in the secret places and HIS security is open as the Light of which it IS.

### **3/6/92 #2 HATONN**

#### **TAPE 1, SIDE A: MISSILE SITES**

H: Good morning, Dharma. Thank you for attending my needs this day. I would prefer that we put these military bases with installations on them and sites of missiles and underground facilities onto a tape. It is too time consuming the way we were working with it yesterday. All we need are general locations but I find that everyone is getting very tedious about it, wanting extremely large amounts of information and I'm not going to go into that. So I feel that the best approach to this is for you just to sit here and you're going to have to learn to deal with this situation of looking. I will

effort at giving you the locations and I believe that spelling these proper names will be your biggest problem so, please bear with me if I forget. All you've got to do is go and look upon a road map of some kind but I will endeavor to spell things as we go along and then whether Dharma or someone else takes it off the tape to list it, it will save us a great deal of time.

We have made it to Kentucky and as our treasure maps are laid forth, Kentucky and Tennessee are adjacent and also on the same pages. Again, I am stressing that I am utilizing installations big enough that they were started in construction many years past and have been continually in development. There will be one or two that we will list, as in California in the area of facilities, as with Angeles Crest National Forest, where those missile sites were put in and since removed, as far as you know. However, those silos have been utilized and the tearing down of those bases and the vandalism which ensued was all very purposeful and other facilities have been built on top of those areas which you would recognize as something else—either a youth camp, some surface governmental installation or private incarceration facility—so that you are not curious about it. I can tell you now that every vacated missile silo is attached to something underground. I cannot possibly list all of those places.

You in local areas put out your grapevine. You'll find out. It's like our friend, Mr. Quade, said, "Well, that's not a conspiracy and that can't be a conspiracy because everyone knows." No, everyone doesn't know and a conspiracy is two, three or more working together to secretly plan an illegal act—as a result, these are conspiracies. It's very hard to keep total silence but you will note in the area of Tehachapi most of the ones who work and live in the area work in those underground facilities, or have in the past as they are ending their construction phase, so you will find almost a vacated city. There are reasons why ones remain quiet. For one thing, they don't know what they're doing, they just simply work at one of those facilities but that's neither here nor there. Let us move on now. I believe we're ready to begin. We're going to start with Kentucky.

## KENTUCKY & TENNESSEE

There is an extremely large base and facility that runs north of Hopkinsville, down south inclusive to the west of Fort Campbell Military Reservation. This one will receive water from the great reservoir there, the lake to the east, Lake Barkley and it will also pull from the underground of the Cumberland River. This is an extremely large installation with silos with a lot of stuff going on underground. This is the major Tennessee installation. It's diffi-

cult to leave out the installations which cross borders, so we'll move over to Kentucky and to the north at Madison, Indiana. Just across the border close to Carrollton, you will find the Jefferson Proving Ground. There is a very large experimental installation in that area, mostly on the side of Indiana.

Moving downward to Louisville and on west, you will find Fort Knox. We've spoken of that before. I won't go into it. It's a military reservation with installation.

Moving eastward to Danville inclusive of Perryville, there is a large installation.

Those are the major points of importance as far as defense or research in both Kentucky and Tennessee.

## KANSAS

We will go to the east of the state to Manhattan Military Base with installation at Fort Riley Military Reservation that includes Ogden and it runs under Interstate 70.

Then eastward to Leavenworth. There is a Fort Leavenworth, this is an extremely, extremely important installation with large facilities underground. There is a federal prison and there is a massive installation beneath that prison.

Anywhere where you have major prison facilities such as you do in Tehachapi, California, you're going to have installations beneath that prison and they use prison labor and especially ones who are put into isolation for any period of time and ones that you would recognize as being on death row, they are utilized for labor for these underground installations.

## LOUISIANA

Move southward from Shreveport to Leesville and you will find Fort Polk Military Reservation. That is a reservation and an installation. That is the only important site in LOUISIANA even though there are many other bases.

You will have to understand that areas along the Mississippi River are not utilized for underground facilities, there are other plans for that river and it doesn't protect those underground facilities.

While we are here, however, I feel that we should mention Mississippi because in conjunction with LOUISIANA, you see, the federal government divides your nation into districts, it does not divide them into states and we have a little problem for your understanding and there's going to be overlapping of states so if I mention them twice, please, understand.

Moving to the east along I-10, you will come to Biloxi, passing Gulfport, to the Beauvoir Jefferson Davis Home which is a park setting. Again, pay attention to where they have these parks. That is Keesler Air

Force Installation. That is a very, very important area with a massive underwater installation.

## MAINE

At the very upper part of the state, at Caribou, just to the north of it including a place called Limestone, is a rather large inland facility.

Moving all the way to the south of the state to the area of Brunswick, you will find the entire area under Popham Beach is a water facility with submarine capability and underwater missiles. By the way, some of the missiles are Russian or Soviet missiles and have been in the area for a long time and this is part of the reason for the installation as a defense mechanism against those Soviet missiles out there offshore.

## MICHIGAN

Michigan is clean. That is not good news. That is because there is full expectation when the New Madrid Fault goes, it is expected to take Michigan with it or at least the northern part of the state of Michigan.

## MINNESOTA

Minnesota is clean. You have a lot of area above the ground but no major, major sites where great research is going on. There are some missile sites in and around Minnesota but no installations or research.

## MISSISSIPPI

The only one of notable worth is the one at Biloxi.

## MISSOURI

You have two major experimental facilities with missiles.

Whiteman Air Force Base at Knob Noster. It will take in the entire area between Knob Noster and south to Windsor. This will encircle to the east of Sedalia.

Southeast to Waynesville, you will find Leonardwood Military Reservation. This is a very large installation.

## MONTANA

A large area around Kalispell, south and including Marion and it takes in all of the Bitterroot Lake Recreation area.

Moving south to Missoula, encircling an area from Frenchtown to Milltown including Potomac and including all of the area under the Forest Service Fire Department buildings and that part of the forest. It's a National Forest. It is the Lolo National Forest. A lot of the work is performed

through the University of Montana. Much genetic development, DNA replication studies have been performed in that area.

Great Falls and to the west of the city taking in the area of a place, not necessarily a military reservation, but a place called Fort Shaw.

South of Dillon just north of a little place called Dell on I-15, under it, there is an installation and there are underground missiles.

Please note that in many of these descriptions I'm giving you, they actually are on or under major transportation routes.

Now north and east find Glasgow. This is Fort Peck Recreational Area. This is a very large area. It is just north of Fort Peck Lake and uses a lot of water from that lake.

## NEBRASKA

One of the most important of installations, Norad, is located very near and north of Omaha. This runs approximately to Blair, west almost to Winslow and the Elkhorn River runs directly through it.

Moving southward to a very, very important place where a lot of the monkeys meet and it would seem a totally unreasonable place for them to meet until you consider Norad and then you have to realize there are massive underground facilities.

Just south of Omaha at Offutt Air Force Base is a major, critical, crucial installation.

## NEVADA

Nevada district will take some doing, so bear with me. There are some extremely important major, major facilities. They are so important that I hesitate to even... I should just take Nevada as an entire state and call it dangerous.

Beginning at the north almost mid-section of HWY 95 at a place close to, well it would be identified as Granite Peak on mapping, just north of Oroville, is a major missile underground site.

Moving down HWY 95, just south of Lamoine, is an underground missile site very close to Ryepatch Reservoir. The important landmark is Star Pk.

Moving back up HWY 95 to where it changes into Interstate 80, southeast of Golconda, on I-80 is an underground missile site.

Move on across I-80, when you get to HWY 93, go north and just north of Wilkins is a small installation right under that HWY.

Moving on to the east on I-80 about midway between Oasis and Wendover with a landmark of Pilot Peak. By the way, Pilot Peak is quite a way from that road but that is the siting landmark. There is a pretty good sized underground missile installation and it probably is referred to in the

circles as Silver Zone Pass.

Go back to the western part of the state. North of Reno and Sparks on a road 445, you will find the Reno Naval Air Station. That's an extremely important one.

Traveling along I-80, west of Lovelock, you will find two landmarks. These are catacombed with missiles. One is the Humboldt Sink and the other Carson Sink. These are both areas which are closed to the public. One extends under I-80. You will find practically no reference to these two most important missile sites.

South near the western border with California near Hawthorne is a massive Department of Defense Depot. It actually is a disposal site. This is a massive, very, very important installation and from this area comes a lot of the contamination that is surfacing in the Mono Lake area in California.

There is massive activity of every kind in the Toiyabe National Forest.

Just north of Gabbs on 361 is an underground missile pod. These missile pods or sites are big enough for underground offices and living facilities.

East of Lida, under the intersection of 266 and 95 is an underground missile complex.

Under 95 at the intersection of 374 at a place just northeast of Beatty is a large installation of underground missiles. This is directly connected to the California installation which includes an underground missile facility under road 395 attached to the U.S. Naval Ordnance Test Station and, of course, is attached to the China Lake Military Reservation. This is an extremely important, critical facility.

In California to the southeast you'll find the China Lake Naval Weapons Center and Fort Irwin Military Reservation and then between Yermo, on I-15, and Baker is a major underground missile facility.

At the California/Nevada border is another underground missile facility, quite small, but these ones on these highways are set for surfacing and the installation will be brought above ground and these will be your ways of stopping interstate travel. Most especially, it will be important to stop travel from California, for many reasons, into Nevada.

In Nevada, of course, and surrounding the entire area of the Nellis Air Force Range, all the way from Warm Springs, west to Tonopah, circling down to the facility and Lida, through and including Scottys Jct., on down to Beatty, including Lathrop Wells, Indian Springs, circling back up in a wide circle to Alamo, you will find in that area a large underground missile base. It's hard to identify. Its HQ is on Hwy 93, just south of Alamo.

Moving up through Hiko and then making a swinging easterly circle back to Warm Springs, that includes all of the Nellis Air

Force Range. It includes Papas Lake which is dry and at that point you find the Nevada Test Site. You are going to refer to it as Yucca Flats, I believe, and within that you're going to find Yucca Mountain and you're going to find it interesting to realize that it is not even attached to Nellis Air Force Base except by tunnel.

Moving southward to Las Vegas, you will, of course, find Nellis Air Force Base just barely to the NE of the city.

You will find a major missile base midway between the junction of 168, 317 and I-15 near Mesquite.

Two underground missile sites, one on I-15 near the border of Calif. just a little west of Jean and then, moving south to Searchlight on Hwy 95, another just north of the intersection of 163.

## NEW HAMPSHIRE/VERMONT

These are only separated by the river. These have to be extremely general. They are military installations but they are unmarked and for all practical purposes would never be known.

In the northwest upper corner of New Hampshire, under the area of the Jay Peak Ski Area, then to the Cochran Ski Area, including the Bolton Valley Ski Area and south including the Mad River Glen Ski Area, near Woodstock is the Killington Ski Area, then the Magic Mountain Ski Area and the Mt. Snow Ski Area.

Now to Vermont: to the east of Franconia are large underground installations with missiles at Cannon Mountain, circling down into the area called Old Man of the Mountains.

West of Conway is Waterville Valley Ski Area.

Then Sanbornville Moose Mountain Ski Area and then, of course, you get to Portsmouth, all of the area under Rye Harbor. These are rather sophisticated living facilities included along with the missile and defensive installations. A lot of research takes place in these areas but, as much as anything, this is a facility for Elite housing with a protection of these sophisticated missile systems.

## NEW JERSEY

New Jersey is basically a forfeit state with most installations being quite public. There is a large installation with missiles in place at Fort Dix Military Reservation. That is near Wrightstown.

South to Browns Mills and just south along a little road of 539, almost including Whiting, is a large Air Force missile installation and facility.

## NEW YORK

On HWY 11 from just south of Watertown

to just north of Pulaski, a very long distance that includes underneath the town of Adams, is a large missile installation and facility.

Northeast of that area on HWY 11, under HWY 11 at the intersection which would enter Fort Drum Military Reservation, there is a missile installation under that road at that intersection attached to Fort Drum. A very large military reservation with missile and facility.

West Point is a very critical underground facility.

I have very little to say about Long Island Sound, it is forfeit.

New York is forfeit, by that I mean New York City.

This is Side 2 regarding military installations with underground and major security facilities and missiles and also missile sites with small facilities.

## NEW MEXICO

You will find only a couple of underground facilities but, of course, they are absolutely, incredibly huge.

The entire area of White Sands Missile Range around Alamogordo, all the way south into Texas at El Paso, crossing the river and taking in a little bit of borderland of Mexico, underground. You've got massive facilities above the ground. You have incredible, incredible multi-level underground facilities. Beneath the ground, you have alien alternates; that will be where your shuttles have been stored—this is the biggest lie on your planet.

Now, as you consider New Mexico, you will find every major freeway and roadway has multiple, multiple missile and facility sites for blocking all incoming traffic from every direction. These will rarely be at cities or towns. They will always be out in the open between places so I can only give you the general mid-location.

We'll start with the one to farthest west on I-40, that is also Route 66.

There is one very near the border east of Lupton, midway to Gallup.

There is one at a little place called Blue Water, almost in the little town running under the little town.

As you get to Albuquerque, of course, you have a large military installation with facilities at Kirtland Air Force Base.

On I-40 between Clines Corners and Santa Rosa.

North on I-25 there is an installation with missiles at approximately Pecos.

Further north on 25 is a regular size installation with missiles at Fort Union National Monument, approximately. That is midway between Watrous and Wagon Mound.

Up I-25 is a small one midway between Maxwell and Raton.

Then outside Raton at the border at

Raton Pass is another very large one, missiles with facility.

In Colorado, north of Trinidad, also on I-25 is another.

Let us move now on down through the state.

At Clovis, you have a large facility with missiles under Cannon Air Force Base and there is an oasis there that is just northwest of Portales.

Back to I-25, a missile base and large facility to the west of White Sands, under I-25.

On I-10 midway between Lordsburg and Deming is a large missile underground facility.

Along the border and overlapping into Texas, I think you would call it almost a four corners, east of Malaga, is just a large facility and there is very little in that area. It is well hidden. It is almost unknown. It is a large facility underground, secret.

## NORTH CAROLINA

Fort Bragg Military Reservation.

In the area of Jacksonville, unlisted, but is a military installation.

At the ocean where the New River empties, you will find Camp LeJune and around Cherry Point is another military installation with missiles.

## SOUTH CAROLINA

Of course, you have the entire area around the Savannah River Plant, which we've already spoken about, with lap-over or underground connections to Fort Gordon in Georgia.

Now realize that is the Savannah River Plant I just spoke of because there are other major installations at Fort Stewart at the city of Savannah.

## OHIO

A unique state with very little secret underground activity. Note that none of these installations are for public utilization under any circumstances. They are for Elite survival only or they are major defense and-or Elite research facilities, very advanced research facilities.

## OKLAHOMA

There are four major military installations.

One at Enid, at Vance Air Base.

Then toward the south, Fort Sill Military Reservation at Lawton.

West to Altus. At Altus, you have also Altus Air Force Base.

Then to the south on I-44 you will come to Sheppard Air Force Base and that is at the border or close to the border of Texas near Wichita Falls.

## OREGON

Large installation across the border into Washington at Richland and Kennewick, in that area, not well defined.

South into Oregon on I-84 between Boardman and Echo is a missile facility. This will be a major disposal station for travellers.

There are so many and so much going on in the area from, approximately, Le Grande, all the way to Ontario, at the border of Idaho, east into Idaho and west to almost HWY 395 that I cannot isolate them for you. That entire area is catacombed.

On HWY 84 at Biggs is a missile installation, military controlled, of course.

The coastal important one to note, and this would include great underground water capability tunneling, is around Coos Bay. There is a Naval Air Station and this, of course, is controlled by Naval Intelligence.

East across the state to Burns, in that general area, mostly in the forest area or what you would call the Ochoco National Forest, there's a large conglomerate type of installation.

At the intersection of 78 and 95 there are two, one being at that intersection more critical than the other and then a regular missile silo facility. But at that intersection is a major, important missile station.

Now let us move back to the west and there are some military underground installations in these general areas: Jacksonville, Applegate, around Medford all the way to Butte Falls and then south of Klamath Falls at Keno, on and under road 66.

Around the general area of Lakeview there are some winter sports areas and some geysers. There would be some thermal activity utilized by that particular installation.

## PENNSYLVANIA

At Erie, great underwater facilities.

On I-79 south of Meadville, midway to the intersection of I-80, missile installation.

On I-80 at regular intervals, midway between intersection I-53 and Moshannon, and midway between intersection of 880 and intersection of 15, missile facility.

## SOUTH DAKOTA

Major underground facility in the area of Buffalo.

Missile facility under HWY 281, south of Aberdeen.

To the east of Rapid City, almost at New Underwood on I-90, missile facility.

Reminding you that these are on heavily traveled thoroughfares for traffic control. They would also be targeted by any enemy for destruction of interstate travel facility

or capability.

## UTAH

I need two or three hours on Utah but I'm not going to be able to have it, obviously. Let's just start in the upper northwest.

The entire area of Hill Air Force Base and Hill Air Force Range. These are near the Great Salt Lake and include all of Ogden and Brigham City.

The Wendover Range, Desert Test Center, and Dugway Proving Grounds. No (unauthorized) body is allowed into these areas under any circumstances.

Then the Desert Range Experimental Station down west of Milford on 122.

On I-15, north of Beaver, is a missile guard installation.

On HWY 89, between Kanab and Glen Canyon, is a small missile installation.

Now let us move back up to I-70. I don't know how to explain this area to you. There is at least 180 miles of area in that barren desert including what is called the San Rafael Swell. This is to the west of Green River. There is an extremely large, important missile facility underneath I-70. There was a missile site at Green River; that was a diversion. It was a testing missile launch site; everybody knew about it but the important one was this area in point.

East of Green River near the Colorado border is another major missile installation under I-70, including a portion of the Colorado River as it runs through that area. In this particular part of Utah are massive, massive research, technology and UFO bases. Some are legitimate UFO bases. These are not necessarily your friends. I don't want to get into aliens at this time. I'm just telling you where these facilities are and these are military, United States of America Military, so don't confuse it with aliens. In this particular area enough research has been going on that it has been monitored continually by "alien" craft—many, many sightings, legitimate sightings—in that area because we've really had our eye on what has been going on there. In this given area, all around in this area, it's divided off into districts and in some of those cliffs, buttes, mountainous areas, you have a lot of things going on including cattle mutilations, etc. I'm not going to get into all of things and ramifications of that statement here, either. Utah is a hotbed of advanced technology.

## TEXAS

Texas is another area that I'll have to bypass. I will mention as we go through in some of the cities. There are so many in Texas that I cannot, by any means, begin to label them all.

## VIRGINIA/WEST VIRGINIA

The same is true of Virginia and West Virginia but I would tell you to keep your eye on the area of the U.S. Marine Corps Reserve in the area of Triangle and at Port Royal, Camp A. P. Hill.

## WASHINGTON STATE

Large facility at Winthrop.

Another at Snoqualmie Summit Area on I-90. It's a winter sports area.

Area of Tacoma, including Olympia, are large underwater experimental facilities.

Between Grand Mound and Lacey is a missile installation on I-5.

To the east, all of the U.S. Military Reserve at Yakima. It's called the Yakima U.S. Military Reserve.

Further east, of course, most important is Hanford, north of Richland, and it takes in quite a bit of the Columbia River.

Set up to guard that place is an installation on I-82.

Down the Columbia River on I-84, just over into the Oregon side, between approximately the junction of HWY 74 and the intersection of 730, under the Columbia River and I-84 is a missile facility.

When I get to the area of discussions of specific cities, I'll be a little more specific.

## WISCONSIN

The only one I see of any importance really is the one at New Glarus.

## WYOMING

Southern border in Wyoming. I will only give you the major locations of the missile sites.

On I-90, southeast of the intersection with I-95, midway to Gillette is a missile installation underground.

South on I-25, midway between Buffalo and Casper, just north of HWY 378 intersection is an underground missile installation.

I-80 is pock-marked with these things all the way across your nation.

Midway between Fort Bridger and Little America is a large underground missile facility.

At the Continental Divide is a large underground facility with missiles.

East of Walcott, then past McFadden, northwest of Laramie.

## ALBERTA, CANADA

I have to tell you about Alberta, Canada. There is a massive underground installation, extremely important in the area of the Primrose Lake Air Weapons Range. This is an incredibly important joint venture with

the United States and I might add, a little Soviet and, of course, Great Britain.

## PUERTO RICO

In Puerto Rico, all around the San Juan Naval Air Station.

## NOW FOR THE CITY AREAS

### ATLANTA, GEORGIA

To the east, in the area of North Decatur, you'll find a Veterans Hospital. A lot of research takes place in that Veterans Hospital and in some underground laboratories located there.

In Atlanta, Fort McPherson and, of course, the Federal Prison. Then south to William Hartsfield International Airport. There are facilities there, military controlled.

In the area of the city, South Locust Point Marine Terminal.

Moving around the lake, Dundalk Marine Terminal.

**CHICAGO, ILLINOIS**

Chicago is riddled, even though it is not expected to survive a shift because of other problems in and around the Chicago area and the Lake Michigan area. You will find many small facilities, military facilities that do not show publicly as military installations. This means that most of the installations involved will be underground, many of them housing missiles.

Chicagoland Airport.

Pal-Waukee Airport.

Glenview Naval Air Station.

Big problems at Chicago O'Hare International Airport.

Inland south, Lewis Lockport Airport.

Argonne National Laboratory is extremely, extremely important.

To the south of that, Forinier Institute.

Straight across to the Crestwood Powell Airport near Trinity Christian College.

TAPE 2, SIDE A: MISSILE SITES  
CONTINUED

This is tape #2 of underground missiles, locations with facilities and military controlled installations underground with missiles. This is a continuation of the area of Chicago.

**MIAMI, FLORIDA**

Swarms with them. All surface ones are almost in alignment, inland from the coast. I say surface because these are going to house missiles in the guise of other things, but you have to understand that you're working at the Atlantic Ocean seacoast and a lot of these will also be tunnelled to that coastline, again I remind you that most of Florida is expected to be lost.

Palm Beach County Park Airport.

Pompano Beach Air Park.

Fort Lauderdale-Hollywood International Airport.

An area overlapping that into the U.S. Forest Service Heliport. That goes almost to the area of Westminster College.

The Salt Lake Municipal Airport Number 2 and Alta Airpark.

### **SAN DIEGO, CALIFORNIA**

All along the coast many tunnels, many water facilities, many incarceration facilities where you are going to have military personnel doing some pretty good labor jobs.

Of course the Miramar Naval Station—that entire area, a huge area.

This is a continuation to Side A—

The major luxurious facilities for the high Elite, depending on the state of war

I'm sorry that it has taken so long. I hope you can brief it up. I think everybody needs the information or wants the information. If you don't already have your ticket, I can assure you that you are not included. You are not going to be welcome into any of these facilities. These are not general facilities. Some families of workers and scientists who have been guaranteed security will be allowed in, but they will only allow these people in with credentials. I don't suggest that you stop building your own underground shelter. Salu.

Mr. Schroeder was not armed. This activity was reported to the press on Thursday, March 4th, as an attempted "attack" against the 300 heavily armed BATF and DPS forces that surrounded the Branch Davidian Complex, even though none in the assembled press corp heard any shots. Subsequently, on Friday, March 12th, the BATF account of this incident was amended to include a hand-grenade allegedly thrown at BATF forces. Again, no press members reported any explosions or gunfire on the evening of the 28th, in spite of the fact the "media setup" was only 1/2 mile away. This was done in part to cover-up discrepancies between BATF versions of the original raid casualties and hospital reports used as exhibits in the search warrant, numbered W93-54M, dated April 13, 1993.

A Mr. Peter Ghent from Australia was killed by BATF snipers during the afternoon of February 28th, as he attempted to exit the top of a water tower used by the Mr. Carmel Water Company since 1947. Mr. Ghent had been cleaning and removing deposits of rust from the interior walls of the water tower during the initial "raid". His body lay on top of the water tower for 8-days before the Branch Davidians were allowed, on National TV, to have a burial on Monday, March 8th. The entire community of Elk, Texas was told not to drink the water supplied from the tank. They were never told why.

Negotiations between Branch Davidians and the FBI were completely one sided. This was particularly evident with respect to the 21 children released the first week of the siege. The agreement between Davidian parents and FBI Hostage Rescue Team negotiators was that a written list of friends and family members as well as bank account numbers was to be used to place and provide care and temporary homes for the children in the Waco area. In addition, the children were to be allowed a phone call back in to let their parents know they were OK. None of these promises by the FBI Hostage Rescue Team were kept. All of the children were handed over to Child Protective Services incommunicado, and the list of careproviders was used by the FBI to find "material witnesses".

All information for this investigation was gathered over a 6-week period from eye-witnesses, archival and current reports, proprietary video tape and government documents. Corroborating interviews were conducted with all individuals now incarcerated in Waco and San Antonio. As well, evidence supplied by the FBI, though contradictory of itself, is used extensively in this report.

It was also confirmed on Wednesday that another individual, Peter Hipsman, of White Plains, New York, was killed in the original February 28th assault. This list will undoubtedly grow, according to one of the incarcerated Davidians who requested anonymity, because they were "warned" by the FBI not to disclose names and numbers of civilian casualties suffered in the Sunday massacre.

***NEWS RELEASE***

*May 9, 1993*

***WHY WACO? - UPDATE***

(Puyallup, Washington) . . . *Prime Time Live, A Current Affair, The Dallas Observer* and *Cox News Service* were all briefed at 3:00 Pm CST yesterday as to the results of an independent investigation conducted by electronic, forensic, para-military and Texas law enforcement experts upon the event commonly referred to as the Waco, Texas Branch Davidian Church, Mt. Carmel Disaster. The results of the investigation are as follows: The "raid" on February 28, 1993 was an *orchestrated event* oriented toward destroying and or confiscating certain sensitive videotape and computer evidence possessed and gathered by members of the so-called "inner circle". This information was deemed most damaging to the Bureau of Alcohol, Tobacco and Firearms, but was also considered "sensitive" by the Department of Justice. This information is actually affirmed in Affidavit W93-54M, filed April 13, 1993, U.S. District Court, Western District of Texas, Hon. Dennis G. Green presiding.

All four of the reported BATF casualties and at least nine of the reported injuries were the result of accidental discharges, detonations, and incidental friendly crossfire principally emanating from three armed Texas National Guard helicopters. The press corp and FBI reports that Branch Davidians had "murdered" the four BATF agents is *blatantly unfounded* and false.

There was additional gunfire at approximately 6:00 Pm Sunday, February 28th. This consisted of BATF snipers firing with long-range silencer equipped rifles at 3 individuals attempting to cross a field from a site at which they had been working the morning of the raid. Two of the individuals, Norman Allyson and Bob Kendricks, fell defensively to the ground and were subsequently "picked up" by armored vehicles. The third man, Michael Schroeder, was hit in the back and died on the fence. His body was removed on the evening of Wednesday, March 3rd, with the assistance of a Bradley type APC.

# Be Thankful As Faults Hold On By Thread

5/9/93 SOLTEC

Good evening, Toniose Soltec present in and with the Light of Holy God. As we sit together at this time, please take added precautions that you have completely cleared self and have proper shielding. The precaution is given for good reason, as you are being bombarded with the low frequencies, the reason for the difficulty in focusing and the state of exhaustion in which you have found yourself recently. These frequencies will play absolute havoc with you ones as they have ability to cause all sorts of mental, emotional and physical conditions. The pace of the games is growing more intense as you press forward in time, for time grows short, and the Adversary is fully aware of the shortened season.

Many of you have been awaiting all this day the foretold events of many of your so-called psychics and prophets. The day is now nearly at a close and many are relieved, while others are perturbed that the long anticipated Earthquakes for California and your Western Coastal regions have not occurred. Rather than now begin to pick apart those ones who foretold of these events, turn your attention to God and give thanks that you have once again been spared the turmoil and destruction. For those of you who have been awaiting these events, allow me to repeat that which you have been cautioned about many times past. **IT IS AN IMPOSSIBILITY TO PREDICT THE FUTURE FOR ALL THINGS EVERYWHERE IN THE UNIVERSE ARE IN A CONTINUAL STATE OF CHANGE. EVERY MICRO-MOMENT OF TIME, EVERY THOUGHT PROJECTION, EVERY WORD, EVERY DEED CARRIES WITH IT THE ABILITY TO ALTER THE FUTURE AND CHANGE FOREVER THAT WHICH MIGHT HAVE BEEN.** For this reason, then, have we told you over and over that we are not in the business of fortune telling.

So, are these seers and prophets "all wet" and of no validity? Of course not. They simply stated that which they saw as a possibility of events and it does not mean that they are to be discredited. These events could still take place, but the time frame may be altered due to some other, seemingly unrelated event which has also

occurred. Even Master Esu [*mis-named "Jesus" by early religion formers*] stated that He knew not the hour, only the Father knows. Esu understands the principle of the inter-connectedness of all things in the Universe, and understands that what may look to be unrelated to one event, actually has the effect of altering that event, be it in time or place, or whether it will occur at all.

You, too, know this to be fact; however, because of the veil of your dimensional expression, your perception of reality is based on your present experiencing. It does not mean that you have missed it in any way—it only means that you are third dimensional expression and must experience all things in that manner. Chelas, it is all part of the lessons through which you must pass.

Are you out of the woods, then, regarding major Earthquakes? **Not on your life!** The situation has not changed one bit. The faults are still holding only by a thin thread and the volcanoes are still building pressure. There were two smaller Earthquakes which did occur yesterday in that area of California—one near Big Bear, which you will recall is the location of one of those which struck last June. The other was located near Barstow. Both were in the vicinity of 3.0 in magnitude. Also, this past week, a 5.9 Earthquake was experienced in Japan, some distance from Tokyo. It was reported by your scientists to have its "epicenter" approximately 70 miles below the surface. Actually, that point 70 miles below the surface would be the focus, not the epicenter, as the epicenter is that point on the surface directly above the focus. Seventy miles deep places the focus of this particular Earthquake into the asthenosphere, which lies approximately 63 to 70 miles below the surface and is part of the mantle of your Earth. The mantle actually extends to a depth of approximately 1600 miles.

The crust and the uppermost part of the mantle are relatively rigid. Together, these two are the Lithosphere. In Greek, the word "litho" means rock, and is explanation of what it consists of. The portion of the mantle underlying the Lithosphere is the Asthenosphere, which behaves more plastically, that is, it is not made up of solid

materials such as the Lithosphere, but rather a more molten state occurs at these depths.

Deep within the Earth, then, far beyond that which man on your world has ability or technology to view, is an internal process which is continually reshaping and renewing the face of your planet. This internal mechanism works due to hot material within the Earth moving slowly upward toward the cooler surface. This process would be known by you ones as convection—the upward movement of low-density material and the downward movement of high density material.

To understand this process, simply watch a pot of boiling water. As the water at the bottom heats, it rises, because most substances, when heated, become less dense. As the hot water rises, colder and more dense water sinks along the sides of the pot and creates a circular pattern which you would call convection current. Water is a liquid, but this same process takes place in solids, providing the solid is capable of very slow flow (similar to the flow of toothpaste from a tube). The toothpaste is not liquid, but a solid capable of very slow flow, and would behave plastically, meaning it is capable of being molded.

It is the forces deep within the Earth, then, which are responsible for the seismic and volcanic occurrences at the surface, or just below the surface. The crust of the Earth is no thicker, relatively speaking, than the skin on an apple. And, just as microbes which exist on the surface of the apple are unable to penetrate the skin and are therefore more concerned with that which is taking place on the surface than what is occurring below, deep within the apple, the inhabitants of the Earth are more concerned with the occurrences on the surface of their planet than with that which is occurring at depths of thousands of miles. Yet those occurrences are responsible for that which takes place at the surface, and that which takes place at the surface is responsible for that which occurs in the depths of the Earth, and on and on and on...in a never-ending cycle of the relationships between the planet and its inhabitants.

Oh, Chelas, the workings of the Uni-

verse are indeed wondrous things. For even the smallest microbe carries as much impact on what occurs as does the largest of planets! For truly, one can not exist without the participation of all. You are just now coming into the understanding of this principle. Not only are you responsible for creating your own reality, you are in essence responsible for creating the reality of the entire physical Universe! Does it not make the Golden Rule—"Do unto others as you would have others do unto you."-- even that much more meaningful? When you consider that your neighbor has the ability to create the reality that you experience and that you have the ability to create his reality—do you see the impact of such?

Now expand that thought to the expanse of your world—your solar system—your galaxy—your Universe. And you believed that you were powerless to change anything. Nothing could be further from truth! You see, you have been lied to, Chelas, held under the rigid thumb of control by the Adversary and his forces, for you truly do have the power of the cosmos within your very being. Do not look for it outwardly for you will never find it there. It dwells deep within each and every one of you, in the same manner as the core of the Earth lies within its depths. This moving and changing core causes the changes to occur upon the surface of the Earth, reshaping and renewing the planet. Likewise, the power of God lies deep within you ones, always moving, attempting to come to the surface. Within that part of you is the

power to reshape and renew yourselves! That renewal will not only be physical, but mental, emotional and spiritual as well. Therefore, to attempt to heal the body from the outside-in is virtually backwards, for the true healing takes place from the inside-out, just as the healing of your planet will come from the inside to the outside.

Remember, your thoughts and words create. What you create is your responsibility and you have no one to blame but selves if your lives are not going in the direction you would like them to go. If you are ill, then you have the power within to re-create health. If you are unhappy, you have the power within to re-create happiness. If you are in poverty, you have the power within to re-create prosperity.

No, creating the experiences you would prefer is not an easy task for you do exist in a very negatively influenced and controlled world. However, it is part of the learning process as well. You have chosen this experience at this time, for there are lessons which you need to learn and the learning process of creating reality and the understanding of same is the lesson which many of you have come here to experience. Patience is also a lesson which many of you have come here to learn. Remember, if you need to learn a thing and have asked for these lessons, then you are going to get ample opportunity to learn them.

Let us now get back to the subject at hand—those Earthquakes and Earth changes which were predicted to occur at this time. Do not throw out all that was

foretold for these events could still occur at any time. **Your Earth is going to go through a massive period of change and upheaval in the very near future**—if not today, then another day in your near future. **Thank God that you have more time to prepare and grow in your lessons for the time shall come upon you soon enough.** When these changes do get into full swing, you will be looking back to this time and wishing that you could travel backwards for the past will look very inviting relative to the present or the future. **You still have family and friends who may not be around after the changes take place so make the most of the time you do have and do not throw it away.** Every moment of your life is precious and is to be experienced to its fullest capacity. A life is a precious gift and glorious opportunity to grow closer and closer back to Creator.

Let us bring this writing to a close for this evening. You have been given a reprieve—**DO NOT WASTE IT.** God is long-suffering and patient and can be petitioned for the smallest of creatures, for God would that none should perish, but that all would come back unto Him. But this is your choice and nothing can be thrust upon you which you do not accept and embrace. Keep this in mind in the coming days.

Thank you for your attention and your time. We shall hold you ever dear unto us. Let the Light of Holy God of Creation shine upon you and through you unto the world. Toniose to clear. Salu.

# George Sues Jesus

(Continued from Page One)

that. This started with seducing some major contributors to "join with him" and pull their funds out of the Institute...in other words, create "a run on the bank" of sorts.

There have also been numerous allegations of funds, **meant** to go to the Phoenix Institute, getting — how shall we put this politely — "sidetracked" into George's pockets and those of some other long-time equally shady "friends" working with him. Naturally all of this is heatedly denied by George and his "friends", even though the most incredible array of proof continues to pour in every day against "honest George's used cars" integrity posturing.

So, that background brings us to the latest brassy legal volley flung our way. In a legal (counterclaim) action filed recently, George Green has had the nerve to launch into a new, full frontal assault against the Phoenix Institute and — we kid you not — has effectively even declared war on God, considering who all are mentioned in the suit. [See copy of the legal action cover page on page 37.]

This counterclaim, filed on May 4, 1993 by Dave Horton, George's dutiful if gullible Attorney, is listed as:

**America West Publishers, Inc., America West Distributors, Inc., Nevada corporations, George W. Green, an individual [Desirée Stevens-Green is conspicuously absent from the filing listing] and Does I through X — Defendants and Counterclaimants**

**vs**

**Phoenix Institute for Research & Education, Ltd., a Nevada corporation, Eddie Jo Ekker, (aka "E.J. Ekker", aka "Oberli", etc.) and Doris Ekker, (aka "Dharma", aka space traveler from the constellation Pleiades), "Gyeorgos Ceres Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Inter-galactic Federation Fleet," aka "Ceres 'Atonn, aka "Esu Jesus Immanuel Sananda", (Jesus Christ), aka "Sananda, Supreme Commander of Project Earth Transition," aka "Violinio Germain", aka "Wokini", aka, etc., ... Phoenix Liberator, Inc., a Nevada Corporation... etc.**

Next, we need to give you some background to the other legal document just

launched by George: The Phoenix Institute had, in late March, filed a motion for a **Temporary Restraining Order** to STOP George from alarming various Institute lender/creditors he was contacting (just as fast as he could) and to which he was giving highly erroneous information. This particular scheme was meant to induce them into transferring funds OUT of the Phoenix Institute to, again, bankrupt the otherwise financially quite sound Institute, and thus stop its worthy enterprises.

Also, and even more outrageously, it has somehow gotten justified by George that various donated funds and gold (which the donors said they wished to go into the Institute, but which ended up in George's pockets or those of some "friends") belonged to him because of what he has "personally" put out in funds for publishing enterprises. Now, WHAT kind of publishing business was it that he is in where he confiscates so much of others' monies to run HIS business? What a deal in low overhead!

These above Restraining Order issues are what are then referred to in an oppositional summary document by George called "Points and Authorities" [on pages 38 and 39]. This document is "In opposition to motion for temporary restraining order and preliminary injunction, and motion for relief".

Green states: "The purpose of the Ekkers' litigation is to preserve, for a little while, the ponzi scheme [!?!] in which they are engaged, by seeking gold belonging to George Green, which was acquired by him by gift [?!?], with the knowledge of the Ekkers [?!?], and to which he is entitled both by gift and by providing more than the equivalent cash to pay the expenses for which the gold was provided.[?!?]"

You will notice we are including an early and probably embarrassingly "inconvenient" letter from **George Green** [on pages 40 and 41] which states, in his own words, that **he is a Director of the Phoenix Institute!** Of course, George denies such involvement. Note that this letter is from a Colorado address and was written on "America West Financial" letterhead. Also note his involvement is at least as far back as July 19, 1990, according to the fax date stamped on the top of the pages. Oh, what a tangled web he weaves...and falls into.

Now to some of George's "friends":

Green has also objected to our mentioning his collusion with one Gary Anderson (who happens to be an ex-Federal felon) and Anderson's pocketing of funds intended for the Constitutional Law Center. We are thus printing [on page 42] another "inconvenient" letter — this time written to George Green from Gary Anderson. This backside-covering note concerns funds intended for the Constitutional Law Center, a Nevada corporation. These funds were — again, how shall we put this politely — "diverted" to Anderson's Constitutional Law Centre (a trust). While the chummy letter from Anderson to Green implies accidental receipt of funds, as well as intent to return other items to their rightful owner, YOU be the judge (or better yet, the jury) as to who is doing what to whom.

Furthermore, we would like to know just WHEN Anderson founded his "trust" that it should be so conveniently named (Centre rather than Center) to cause mixup and "accidental" funds diversion away from the highly praised and recognized GENUINE Constitutional Law Center. We would also like to know...ahem...where the bank account is located because of still other shady matters.

And while we're on the subject of George's "friends", let us not forget one Luke Perry [see page 43] who has contrived to bring yet another wave of destabilizing anxiety against the extremely sound financial integrity of the Phoenix Institute. Perry has mounted a particularly venomous attack "using" the offices of the Associated Press as his publicizing agent. (WHO has this kind of clout without "help" from higher up the Adversarial Elite ladder?!?) Moreover, the earlier AP articles were almost hilarious they were so unprofessionally one-sided in their reporting.

HOWEVER it just so happens that the Junior Perry has tried, for several years, to—how shall we put this politely—"procure" his step-mother's trust estate, her sole means of support. Thus, once the Associated Press finally made the effort to do its homework on this matter a bit more thoroughly, as the article [on page 43] reports, we are FINALLY informed that Perry's own stepmother "questioned her stepson's motives" to put it mildly.

**So do we!**

There will be much more information in next week's CONTACT as the data is assembled that has come in from all over. Many are angry at George's antics. And for those of you who wish to take specific action in support of the Phoenix Institute and Phoenix Project, in light of these accelerated attacks, stay tuned!

Dear Friends:

Thanks you for your inquiry into the Phoenix Institute. The Institute has put together a method for providing fundings for our projects, which we feel will benefit you as help us reach the programs which are given to us from the Command. We of course will accept donations at any time.

Because of the large quantity of money required, your personnal requirements of safety and direction, both E.J. Ekker and myself as directors have instigated a program to plan a bit for you on an individual basis.

We have arranged for a bank in Minneapolis to act as a holding department for our gold. We will be purchasing gold for your Corporation account to be placed in a Holding Corporation. You will be given a receipt for the number of Gold or type purchased. We will only purchase base gold items (no numismatics). This is you gold, we will only have use of it with your permission either for general projects or as you direct.

The bank will allow us to borrow against the gold up to 70% of spot. This will allow us to proceed with our building projects, movie, and other things that are presented to us. WHEN, the gold goes up and after you have been consulted we will sell the gold and purchase Treasury bills, or whatever you desire with your moneys and retire the notes. Our corporations in the projects will participate with you in 50% of the profits in relationship to the overall requirements. The balance will be in the Phoenix Institute to carry on with our projects. In the case of any project that we have built or developed, you will get back 100% of the capital contribution before we share in the profit. If we utilize the funds for promotion you will be credited with a return of 8% interest for the time of use. (THE INCREASE OF GOLD VALUE IS ENTIRELY YOURS)

The program always has some risk, as the direction of gold does happen to be level at the moment, but our feeling as well as other experts appears it will exceed \$2000. per oz.

The resturant, hotel, movie studio, etc, projects will be run by experts in the field. Their creditials are more than adequate to do the jobs as required.

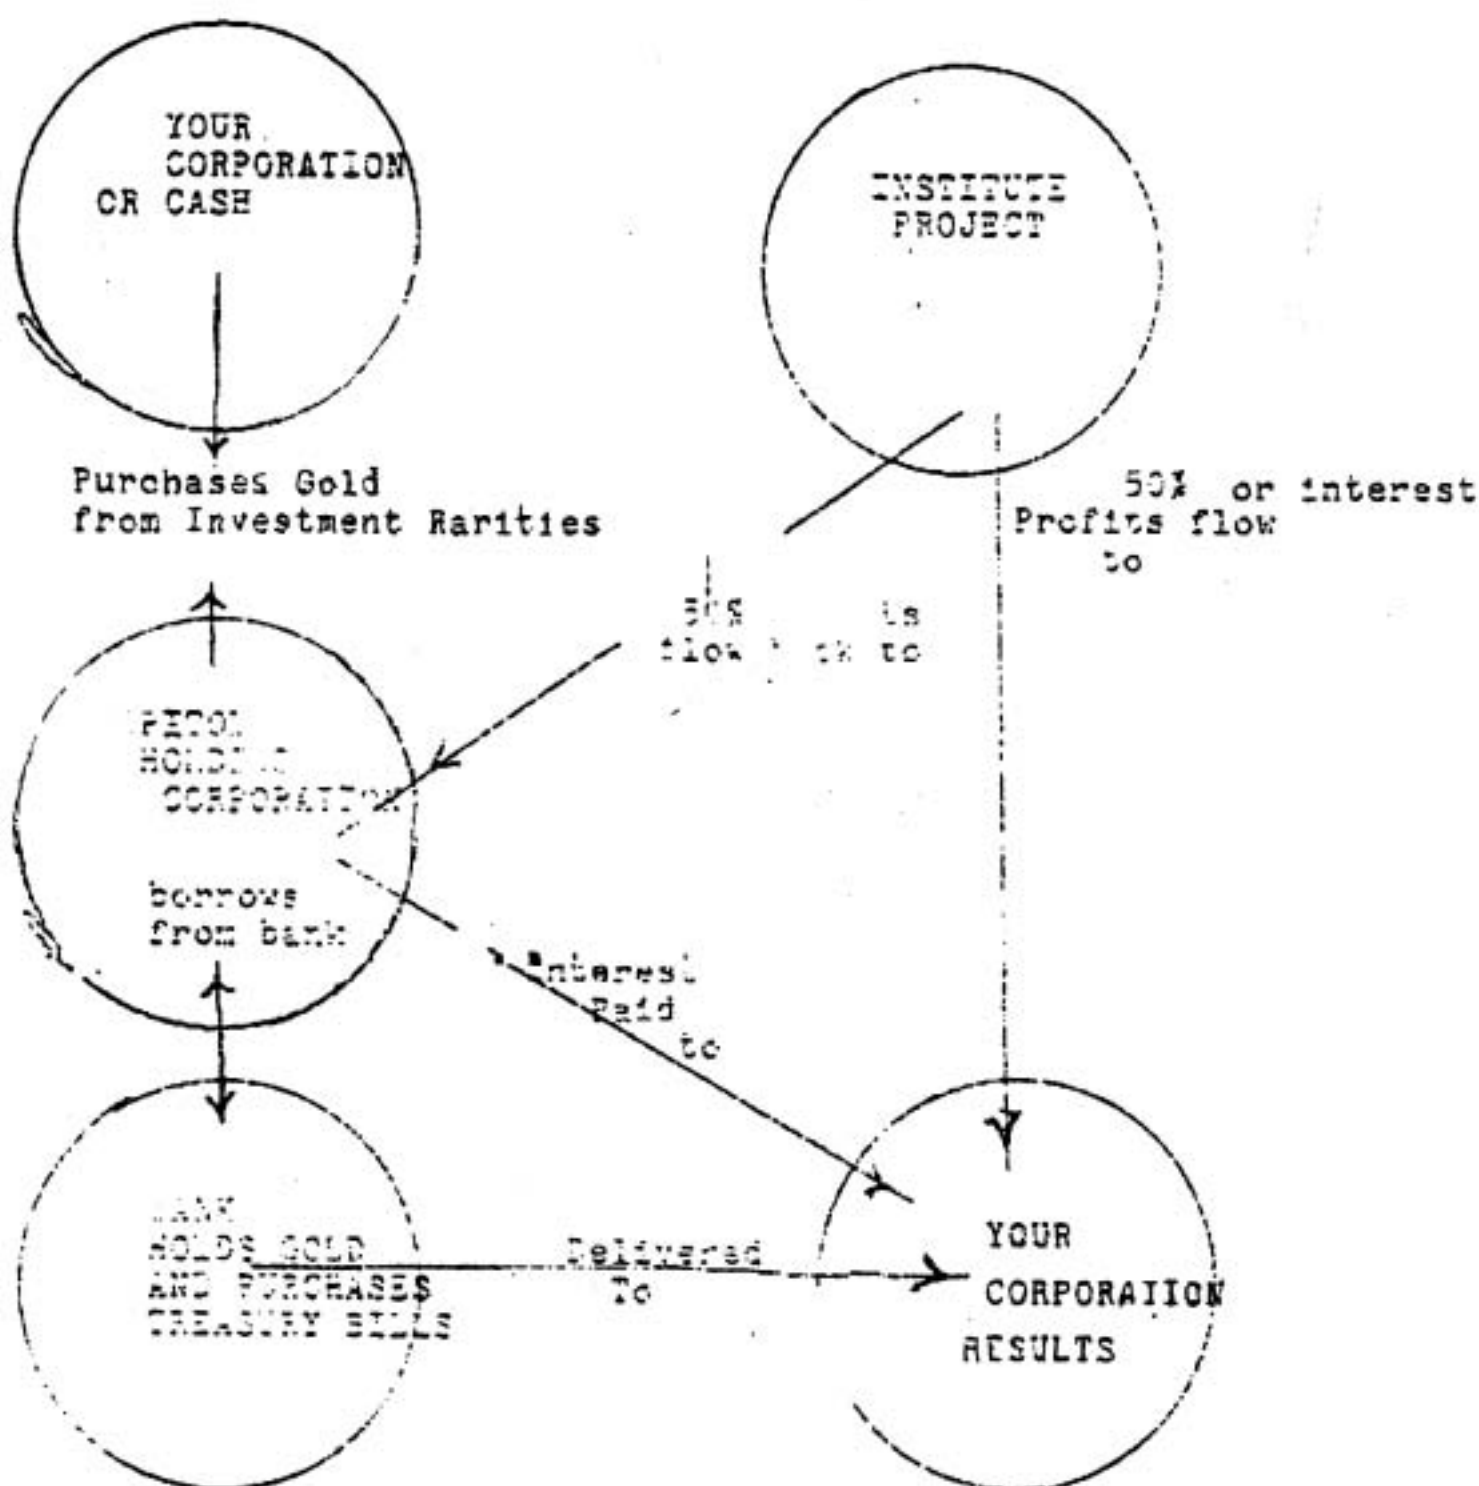

Thanks, George Green

Re: \$2577.47 Check from Constitutional Patriot

Dear George,

On or about December 28th, I received a letter in my mailbox with a check for the Constitutional Law Center which I deposited around December 29th or so. I realize that this check was probably meant for the other center in Sacramento. You see, I have the Constitutional Law Centre, a trust, and Sacramento people have one called Constitutional Law Center, a corporation, I believe. I have enclosed a Cashier's check in the same amount made out to you directly for lack of other.

While their Center was located at 631 Wilhaggin Drive they never paid for rent which is around \$13,000, and all work that they were submitting to Tehachapi as their information and ideas they had received from me and then formalized, typed up and sent in as proposals to Tehachapi.

As of this writing, I still owe the Center a VCR and a computer system. I have the VCR here and the computer I'm trying to download all my stuff off so I can return it -- hopefully, by the end of March.

I understand you are having quite a few conflicts with Tehachapi. If I can be of any assistance in your behalf, or Desiree, please let me know as I know quite a few things that went on that aren't right.

I am going to pursue a couple of the projects, one which is a private civil court; so if your constitutional patriot/donor really wants to help support what they thought they were supporting at the beginning, I'll be glad to accept the cashier's check in return.

Sincerely,

  
Gary

# Tehachapi man denies links to firms are out of bounds

By Brendan Riley  
Associated Press

CARSON CITY, Nev. — A Tehachapi man who claims to get counsel from a space alien says there's nothing fraudulent about his involvement in hundreds of Nevada corporations.

Eddyjo Ekker, 62, also said he's on food stamps and isn't making money by being listed as a top officer in the corporations. He added that the people who wanted the corporations formed are in control of any assets.

"We're not bilking anyone out of anything," said Ekker, who with his wife, Doris, runs the Phoenix Institute for Research and Education. They're listed as top officers for more than 200 Nevada corporations formed since 1991.

Doris Ekker, 61, claims to be a translator for Commander Hatonn, an extraterrestrial orbiting Earth and warning disciples about intergalactic strife.

Ekker said only his wife can hear Hatonn's radio communication, but from that communication he understands Hatonn to be a white male, "maybe Nordic in appearance," who would stand out in a crowd only because he's tall and wears "Star Trek" garb.

Ekker said in a telephone interview that Nevada corporation laws allow a level of financial privacy that "not even some of the off-shore tax havens have."

Ekker said he worked with

friends to help them set up their own Nevada corporations, adding, "Certainly we get a lot out of it, but it's in the heart and not in the pocketbook."

Ekker also challenged claims by Luke Perry of Las Vegas, who says the Ekkers control \$120,000 of his family's money as a result of a move made by his stepmother to the Phoenix Institute.

Loretta Perry, of Holmen, Wis., confirmed she can get her money back if she wants, but prefers to take interest payments on a monthly basis. She questioned her stepson's motives and added she finds the Ekkers to be "just perfectly normal people, just like you and me. There's nothing weird about them at all."

Perry also said the Ekkers have tied up at least \$2 million in other investors' funds, but Ekker denied that.

The activity has prompted a state Assembly subcommittee to look for ways to close any loopholes that could be used in corporate investment schemes.

Assemblyman Scott Scherer, R-Las Vegas, who is chairman of the subcommittee, has asked for reports on the authority of the secretary of state when advised by citizens of possible frauds.

He also questioned a bill that would exempt resident agents who file papers for thousands of new Nevada corporations each year from laws governing telemarketers.

## GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

## AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of Aquagaia, with its assimilable

supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

**2/11/93 #2 HATONN**

## GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we

are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

## NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

**IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.**

**The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.**

## A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

### **GINKGO BILOBA** **(Ginkgo Biloba extract 24%)**

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "*the living fossil*". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Ancient Chinese texts record Ginkgo's use as a medicinal agent as far back as five thousand years ago.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are

usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's* disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

### **MO-GU ELIXIR**

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "*The Remedy for Immortality*" or "*The Divine Tonic*".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungo japon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combucha Tschambucco, Volga-Spring, Champignon de Longue Vie, Teckwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: *Bacterium Xylinum*, *Bacterium Gluconicum*, *Acetobacter Ketogenum*, and *Pichia Fermentans*.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

### **CHLORELLA**

Chlorella is a single-celled, fresh-water algae. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers worldwide.

*Chlorella is a nutritionally balanced whole food* and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

*Chlorella is extremely high in protein (60%)* and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

*Chlorella is a natural vitality enhancer.* The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-amino-benzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

### **ECHINACEA GOLD PLUS** **with American Ginseng**

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos*, (hedgehog or sea urchin) referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.

This is a service for our dedicated readers. *Today's Watch* telephone hotline carries the latest news and comments from Commander Ceres 'Atonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
