# THREE-RING CIRCUS

## This Most Dangerous Game Now Playing Near *YOU*

*Editor's note: This has been an incredibly busy week for high-level negotiations between Commander Hatonn's Lighted Forces of Good and the dark puppet forces of the adversary's satanic New World Order Elite. I want to call your attention to the important writings on pages 2, 13, 18 and 25 as background to what Commander Hatonn has written below for the Front Page.*

*On the one hand, things right now are much too serious to just call this a "three-ring circus" BUT—between what's going on OVER the ground, in the sky, from Space Command on one side and from the Shuttle and other adversarial toys on the other, what's going on ON the ground with the fake Middle East-Rose Garden peace accord pageant by pro-*

*grammed New World Order puppets, and what's going on UNDER the ground that's causing a whole lot of shaking around the Pacific Plate—it does seem to be one spectacularly dangerous "three-ring circus" going on right now.*

*Gunther Russbacher figures prominently in some of the adversarial shenanigans this week, since they have been stalling on the matter of his release from prison. The latest we have heard is that he is to be released on Wednesday (9/15) and transported to St. Charles County, MO. There he will be seen by the judge and—here we go again—either released or possibly held further, pending a demand for whopping bail on some old dredged-up charge. Details are sketchy and continue to change in*

# A Busy Sky Over Arizona, New Mexico

*Editor's note: The following is a transcription of a telephone conversation between radio professional Wes Miller of Gallup, New Mexico and Rick Martin for CONTACT, first on 9/8/93, and then continued on 9/9/93. Commander Hatonn provides some heated and pointed information about what is going on here in writings on pages 13, 18 and Front Page.*

*Furthermore, I — E.Y. — received some very interesting corroborative information, from friends traveling along route I-17 from Central to Northern Arizona tonite, late friday evening 9/10/93, suggesting ongoing activity in the northern border region between Arizona and New Mexico. For a stretch of approximately 100 miles along I-17, these friends passed approximately 40-50 military vehicles in a convoy.*

*They were identified as Arizona National Guard, regular U.S. Army, and unmarked (white) U.N. vehicles ranging from troop carriers to jeeps ("humvees") and led by a U.N. command car "probably with a 1-star General in command" as estimated by one witness with a military background.*

*Furthermore, a lot of construction equipment was interspersed among the military vehicles, enough equipment to be "able to put in a road overnight if necessary", somewhere in the rough terrain of that northern Arizona-New Mexico border area—not very far from the Navajo Reservation area of the "mystery virus", by the way!*

*The convoy was observed to have started in downtown Phoenix, where the National Guard happens to be stationed, and the Army probably came from Ft. Huachuca, a hotbed of covert activity approximately 50 miles southeast of Tucson.*

*During my friends' drive up I-17 tonite from approximately Phoenix to near Rimrock, a military checkpoint was set up and observed to be in effect at Cordes Junction. (Remember that ALL the rest stops in that area were designed for use as military checkpoints if the "need" "ever" arose!)*

*It is speculated that the convoy was headed over the only logical or practical roads that would lead in the direction of the flurry of activity you will be reading about*

*below, as well as from Hatonn on pages 13, 18 and Front Page. That is, they likely took I-17 north to I-40 east, which proceeds toward Window Rock (the capital of the Navajo nation) and Fort Defiance and on to Gallup, NM. Of course, the military appeared to be expecting to make their own road(s) somewhere up into the surrounding country, probably north again off of I-40.*

*After checking in with my friends again later, in the middle of the night, they report counting at least 20 MORE units of a military convoy going by along I-17 later in the night, seen from the vantage point of a front porch "observation post" overlooking the I-17 highway in the distance.*

*As a result of this combined assemblage of vehicles and activities, it is surmised that a possibly MASSIVE movement of military has been broken down into smaller units to avoid attracting as much attention as would otherwise be the case along a route that is so heavily traveled on a friday evening.*

*And finally, two last points my friends report and are well worth noting: (1) a lot of black military aircraft (Apache attack helicopters) are "all over the area", and, ahem, (2) there just happen to be "ships galore" as far as Commander Hatonn's fleet in the area tonite...in that magnificent Northern Arizona viewing sky. There also were noted a lot of "shooting stars coming from various places in the sky but all heading in the same northeasterly direction". Busy little corner of the world!*

*And now, on to Rick's interview...*

Rick: So tell me about this event, Wes.

Wes: When I went to work this morning, about 7:30 A.M., when we get ready to do the news, one of our news personnel who covers the Navajo Indian Reservation, Bill Donovan, called in and he had gathered a story over the evening straight from the Navajo Police Department and, apparently, the State Police of Arizona were all involved in that and calls were made to the FAA locally here in Gallup and, I guess, other places. But, from Wickenburg, Arizona [northwest of Phoenix], all the way to Fort

Defiance, Arizona [on the Arizona-New Mexico border northwest of Gallup, New Mexico], and probably points beyond, as I'm still gathering more eye-witness accounts of the event itself, there was seen an object in the sky, very bright, some eye-witnesses saw it...it was "on fire" and "was going to crash".

However, nobody, no witnesses have come forth to say they saw it crash. Speculation was that it was a meteorite but when the FAA was called, they denied that it was a plane and they said that they did not pick it up on the radar. They also denied it was a weather balloon. They said it was very low in the sky and it traveled east to west; it was extremely bright.

Now, the person I talked to is an eye-witness of the event and is located near Blue Valley, by Ft. Defiance, Arizona, about 30 miles from Gallup. He said he and his father both saw it. His father saw it first. The object was traveling really fast. This eye-witness claims that it was no more than 200 feet above the ground. He said it was not "on fire" but it was so bright he could not tell exactly what color it was. He said it was very bright, low, traveling fast. It illuminated everything as it passed overhead. They watched it for about 15 seconds; it was heading toward Navajo, New Mexico. He also said he thought it was maybe going to crash, because it was so low in the sky, but once again, did not see anything crash.

But Wickenburg, Arizona to Ft. Defiance, Arizona, is several hundred miles, so, thousands of eye-witnesses saw this event last night, which would have been, what, the 7th?

Rick: Yes.

Wes: 7th of September. As we well know, the Russians and Americans, particularly the Russians, have been shooting down everything we've been sending up lately...the Mars observer disappeared [or

so we have been told; Commander Hatonn suggests that, rather, it is taking such revealing pictures of activities around Mars that the public had to be made to think there were no pictures to be seen!]. Our rocket that was launched from Vandenberg Air Force Base in California, which actually had 3 spy satellites on it, just "disintegrated" a minute and forty seconds into launch. The Space Shuttle tried four separate times to get up and was not able to get launched at any time.

So it may have been something between the Russians and Americans. However, I was wondering, Rick, if you could check with Commander Hatonn on that and see what additional information he can give us on that [again, see pages 13, 18 and the Front Page for Commander Hatonn's comments on this incident] and I'll wait for more eye-witnesses on this end and see if I can get you any additional information. That's all I have at this point.

*The conversation now picks up again at 11:30 A.M. on 9/9/93:*

Rick: Ok, Wes.

Wes: Ok, Rick, have you heard anything on your news programs about a UFO sighting that is over, pretty much, as far as we know; pretty much MOST of the United States—at least all of New Mexico?

Rick: Not heard a thing.

Wes: Ok, the spot where Commander Hatonn usually parks *The Phoenix* under the Little Dipper...

[Editor's note: I think what should be noted well is the "star" called Sirius, which is, right now, just a bit south of the eastern horizon two hours or so before dawn; the three in-line stars of Orion's belt point directly down to Sirius. You can't miss the dazzling brilliance of the spectrum strobe lights on that craft! This is NOT to be confused with, right now, the bright "morning star", the planet Venus—and whatever craft may be parked in front of it. Venus comes up, at this time, slightly north of the eastern horizon, where Sirius is south of east. Of course, as we progress into the winter months, Sirius will debut earlier and earlier in the night. Don't miss this dazzling starship even if you're not particularly a sky watcher. Even your most skeptical friends will be hard-pressed to call it simply a star if you point it out to them under really clear viewing conditions!]

Rick: Ok.

Wes: When we've been going out over the last month, in the morning, early morning

hours, it's been particularly bright. This thing, it's always been bright, but it's been extra bright lately. In the same place where *The Phoenix* was this morning, when it was flashing it's red, blue, green colors, when the sun comes up it usually disappears like any other star would. But today, and it is still up there as far as we know, it remains. It's been seen visibly all day long. Thousands upon thousands of people have seen it. We've had calls all day long concerning it. The government came out with a story early this morning saying it was a quarter-mile-wide weather balloon and they had lost it from such-and-such place, which I did not get the name. They came out with a story this morning, and even on the TV show, *Good Morning America*, it was reported to me that they already had a picture, claiming it was a weather balloon.

Rick: I can't believe they're still trying to use the weather balloon story.

Wes: Yes; and so what happened now is, just now on the local Channel 13 news out of Albuquerque, now they're saying it's not a weather balloon but they're doing some "special testing".

So, now they're saying it's not a weather balloon. This object, right now, it's very difficult to see because the sun is right there in it's path and I couldn't see it from where I watched it. I watched it for about 4 hours this morning and into an hour and a half of sunlight and this particular Command ship is very bright, very visible.

I have a pilot here with me, Kevin Barnhill, who is going to tell you about what it is he saw and he got in his plane and kind of flew towards it. So, I'm going to have Kevin talk to you, ok?

Rick: Hi, Kevin, I should tell you that I am recording this conversation. Is that ok with you?

Kevin: I have no problem with that.

Rick: Ok. Tell me what's going on.

Kevin: Well, I was made aware of this object this morning through Wes's radio program and I looked out my kitchen window and there it was. My wife and I had a discussion about it. We set up a 60-power spying scope with a tripod and observed it for over an hour. At that point I got pretty curious and I said, "Well, I'm just going to get in the airplane and see how really big this thing is." I took off from Gallup right around 10:00 A.M. in the morning and I flew toward the object for nearly an hour and **it was still way out and way higher than I was. I was at 12,000 feet.**

Rick: 12,000 feet?

Kevin: Right. **That object had to be 30,000 to 40,000 feet in the air and it had to be at least a half a mile across, maybe more.** And, I kept flying toward it and one or two times it appeared to move a little bit.

Rick: What shape?

Kevin: Pretty much trapezoidal shape, kind of like a tear drop. It wasn't so emphasized, it was pretty wide at the top and about...it would be easier for me to draw the shape. It was like a tear drop shape that was kind of flattened. And it looked like there were four objects hanging off of it, like dangling.

Rick: Ok.

Kevin: It kind of looked like a balloon, but the way the sun was shining on it, it also could have been metallic. I went back to the airport and landed and I spoke to the man who was the lineman, fueling the airplanes and he said that they were checking up on it and knew that it was definitely a weather balloon that was supposed to be going toward Tucson, Arizona.

Well, you and I know that a weather balloon will, because of its light weight, rise farther and farther in the air. That object **WAS PARKED!** It was NOT moving at all. A time or two, I also saw some objects flash, like maybe shiny objects could have been Air Force jets turning near it, is what it looked like.

Rick: Was there any color associated with this object?

Kevin: The color was mostly silvery. It had a slight yellow tinge. I managed to take about 12 or 15 photographs of it. A few of the photographs I took through the 60-power spotting scope, and I took about half a dozen photographs in the sky. It was difficult to see it through my plate glass windshield and I had to fly for quite a while before I could ever get it into focus for a photograph from the sky. I'd like to reiterate, **the object was huge!** It's been parked there and, 30 minutes ago, it was still there. And I'd like to see, really, what's going on.

Rick: Do you mind if I ask your name?

Kevin: Kevin Barnhill.

Rick: And is it ok if I use your name?

Kevin: I have no problem with that.

Rick: I'm not sure that I will, I just want

your permission in case I do.

Kevin: I have no problem with that. I'm known as a Light worker.

Rick: Ok. Well, I appreciate the report. It's fascinating. Thank you very much.

Wes: Ok, Rick. In addition to that, when Kevin was speaking of perhaps the flashes coming off this object, I had an eye witness from Grants, New Mexico, as she was driving in today, said she saw 4 or 5 Air Force jets that were flying around the object.

Rick: I'm not surprised at that.

Wes: Obviously, if it wasn't something that is there, they're NOT going to do that! We're going to tell you a little bit more about something else.

Rick: Well, as you know, they always send out jets to keep an eye on wayward "weather balloons"!

Wes: Yes, that's what they tried to say. The last one was when they had the UFO flap here in May, when the so-called "mystery flu" was at its height. They tried to tell us the same thing. And the object has been described the same way, Rick, because I was on the air that night and everybody described it as a "tear-shaped" object that maybe or maybe not had something hanging from it, but it had these four lines on it for some reason. We don't know if they're lines, if they're sending off some light reflection, or whatever—but that's the way people describe it. Silverish in color. Like I said, you could clearly see it visibly, even in the daylight, until the sun got approximately horizontal with the object [approximately 8 A.M. right now]. Then it was like trying to look into the sun.

There are many thousands of calls coming in. I've taken many calls this morning. Most people are tending to believe what the government is putting out right now. But we did definitely have sightings of jets flying at this object.

When I was talking about this object on the air this morning, I had a guy, Ed, call me from Ft. Defiance and he talked about two nights ago, when they had the original "bright streaking object" flap that Commander Hatonn has just confirmed.

Rick: Yes.

Wes: There was an object, he was monitoring the police band of his, he

has a police band radio...

Rick: Yes.

Wes: He monitored something that crashed near Wheatfields Lake and he's trying to tell me where the object is at, at this time. We've got his phone number but, well, we're going to investigate that for you.

Rick: Interesting...

Wes: But something apparently did crash because the power went out for a certain period of time and they had to send out the Navajo Utility Authority to restore power. Kevin also has a sighting from last night that will probably coincide with this crash because he was in the same area hunting last night and, I think I'll let Kevin tell you about some military plane that he saw in that very same area.

Rick: Ok.

Kevin: I'm back. I was coming down the mountain, approximately 9:00-9:15 P.M. last night and as I got to the road and was going to make a turn to the South, toward a place called Navajo Pines, I observed an aircraft flying extremely low. It appeared to me to be a military aircraft. It had the red and

green wingtip lights which will, you will know which way it's flying the flight. Fortunately, I could tell. It also had a belly light. This airplane was flying so low it was nearly hitting the trees. It was flying from the south to the north direction, pretty much. I observed it go over the trees and it disappeared. Where this aircraft was there are a lot of bases and mountains around there and lots of large trees. I could tell that if that airplane did not gain any altitude, it was going to drop. It was going to hit something. It was real peculiar to me. Some other people also pulled off to the side of the road and watched it.

Rick: And, again, what did this look like?

Kevin: It looked to me like either a passenger or a military airplane. I happen to believe it was a military airplane, because it was very dark. I also noticed a smell in the area.

Rick: Pardon?

Kevin: I also noted an acrid smell in the area.

Rick: Acrid smell?

Kevin: Yes, it somewhat burned my nasal passages and throat.

Ziggy

Rick: Ok.

Kevin: I was wondering if maybe Commander Hatonn can confirm that they were spraying something up in that area or perhaps it had something to do with a bad engine or something. But it smelled chemical to me.

Rick: And where, exactly, is this area?

Kevin: It is approximately 40 miles north of Window Rock, Arizona, north-northeast of Window Rock; it's called Wheatfields Lake. It is also near a place called Tsaile, where Navajo Community College is. It's a very beautiful mountainous area and the mountains are characterized by a flat top and, what we would call in this area, a mesa. I'd been in that area hunting since Saturday and had noticed some unusual things out there. But last night, that aircraft flying very low was, it really did get my interest.

Rick: What else would you say is unusual that you observed?

Kevin: There are legends out in that area about "lights" appearing and disappearing, and the Navajos have their legends and they're speaking of it. I did feel something very strange the other night as I was leaving the mountain, approximately the same time, after 9:00 P.M. or so; it was dark. And I just felt something going on. Wes, the next morning, got a report of somebody seeing an object flying from Lukachukai, which is a little bit North-Northwest of that area, and saw that object that Hatonn confirmed.

Rick: You don't happen to know how to spell that, do you?

Kevin: Lukachukai? I can look it up for you.

Wes: *Laughter...* Forget the spelling, just do it by word.

Rick: If we just do things phonetically, sometimes the readers out there go, "What is that?!"

Wes: I know. When you get to these Navajo names, these are very difficult. I'm sure this has something to do with the stalling of the Gunther Russbacher release and...

Rick: It's interesting that you should say that.

Wes: What's that?

Rick: Very interesting you should say

that.

Wes: Oh, really?

Rick: Have you called our *CONTACT Telephone Hotline* in the last 24-hours?

Wes: Yes, I called it right after I talked to you and I said, "Wow..." [*Commander means business in dealing with the layers of crooks-in-high-places holding Gunther, still, in the Missouri State prison system!*]

We're going to go look at the area. We can't get ahold of this guy right now but he's supposed to tell us about this crashed object. They did send the Navajo Police to this area; it's very remote, as well. And that is a very unusual thing to send—the Navajo Police—out in the middle of nowhere, you know, as far as looking at something that didn't come out in the AP anywhere.

Rick: Very interesting.

Wes: So, we'll check it out. I'll give you to Kevin, he's looking up the name.

Kevin: Ok, I have a picture of the Reservation.

Rick: Ok. Didn't mean to bog you down.

Kevin: No problem...the mountain range is called the Lukachukai; and there is also a small town, a Navajo settlement, called Lukachukai. Ok, this area that I happened to be in was pretty much in the Canyon de Chelly area, Wheatfields Lake is there, Tsaile Peak is in that area. That's approximately where this took place last night.

The area I was in was Little White Cone Lake area and I was coming down off the mesa and, as soon as I hit Road 557 or Road 12, and I was going to turn South to go to Gallup, this is when I saw that aircraft flying extremely low. And, if you wish, we can go ahead and fax you a portion of this map so you can see it.

Rick: That would be helpful. I really appreciate the report.

## Some Zig-Zag News And Higher Views

### 9/7/93 #1 HATONN

#### GOLD AND OTHER STRANGE THINGS

I am often asked why do I not comment on "gold prices" and actions of the market on Friday instead of the first working day of each week. Because the manipulations are planned and happen on weekends. YOU are the only ones not doing the most activities on the weekends.

Gold is down abruptly this morning and may go lower—THE TIME TO BUY! What happened to make it fall? Look at the world situation and challenge your library of knowledge—where there may SEEM to be no connection.

#### THE PHILIPPINES

There is a great "show and tell" of the "Marcos" burial in the Philippines—but what is really going on? Well, let us just say that, to get that fact accomplished, Mrs. Marcos paid off the Philippine national debt, for all practical purposes, along with other political extortion.

There is (was) a mammoth store of gold which was bargained for in the Philippines (actually now, mostly out of the islands) wherein the British Crown extorted great compensation in return for allowing the remainder stores to be utilized by the rightful owners. Much of that gold was bargained for through the Central Banks in London at around \$373/oz. As the "shifting" takes place great amounts of gold are changing hands and hitting the market. This is exceptionally GOOD news to many of you and as the "cover-up" over the weekend price setting (again) it is hoped that most of you won't notice—that you are nearing the end of the mass manipulation to the heavy owners of reserves. You are going to have fluctuations continually as the big boys pull down the economies everywhere and try to latch onto all wealth—at least through "control" of it.

#### THE PHOENIX PROJECT

Will they destroy "us"? Nope! They may superficially "try" but they will NOT. In fact, if they don't stop messing around in our rather isolated business—annoyance

may turn into rather active annoyance response. We have no plans to war with anyone—much the less the New World Order that you-the-people seem to support in every way except your voices. You claim to want freedom and nation—while you DO everything imaginable to see to it that the New World Order and Government survives and lives miserably ever after! We simply demand that respect be given to our crews and our own mission of peaceful assurance of journey to God's people. That does not, I'm sorry to report, have much to do with the self-proclaimed or self-styled "Christians" awaiting a rapture or salvation by the blood of an innocent man. This is **"The Phoenix Project"** which WILL NOT be confused with your Government's theft of the label! We are of the Hosts of God and we ARE that which rise from the flames and ashes of the destruction thrust upon your planet by yourselves. We demand that our people be left to make this passage for it is the agreement at higher levels of exchange. We act always within the Laws of God—and always within the rules and regulations set by man—so, we suggest that our adversary back off.

#### GUNTHER RUSSBACHER

I also suggest that the ones in Missouri get busy with whatever is required to accomplish the release of Gunther Russbacher—or consequences are going to be most unpleasant. Let my people go! If they be my people, they are no threat to you ones who would be Kings and suffer the hell of your actions as already perpetrated. They have a mission FAR BEYOND your piddling handguns and tattle-telling. They ARE part of that which offers Truth but not in defiance of your threats and actions—and, THEY KEEP THEIR PROMISES! LET HIM GO!! NOW!!!

Would Gunther be a part of a massive uprising of military or police force, as in "coup"? NO—he fully realizes that what we need to have accomplished is **accomplished by the WORD and the PEN**. It is no longer even feasible to cross the adversary in an individual manner with a weapon other than these two things and, yes indeed, readers, there will come a day when this WORD shall be silenced. How quickly depends on YOU. In the meanwhile, we work diligently to provide some jobs, industries and information on what you will need to survive in relative wholeness until such time as the Phoenix lands, or takes-off, as the case may be. We haven't much time and we have no intention of doing ANYTHING that even goes in the face of your regulatory offices. In exchange, however, for our peaceful presence we demand that our agreements be met—not forsaken in direct confrontation as did your Government with Sir Reagan and brood of lying

hypocrites. Continue to thwart our "business" within the Laws of God and the laws of the Land and our annoyance may be noted quite quickly. I suggest that you of the hierarchy of this New World Order—get that understood (again) RIGHT NOW!

You readers who think selves to be able to somehow SAVE the planet and the civilization—look again for you go about it in the way of the beast—in every category. You do, however, have to live among the masses and fall heir to that which "they" do so the choices still remain with YOU.

What do I say to ones like Gunther Russbacher about their future? Be silent if that is what is demanded under penalty of death of physical to your family, friends or self. We don't need any more martyrs nor great speakers about the naughty children at destructive play, lies and deceits—just do not succumb to their games which will further trap you into their own working game if it be in violence.

Retire! We find retirement most interesting and "basket weaving" quite sufficient to our "waning" days. What is needed now is not clandestine or subversive to anyone—it is purely a job of knowledge, abilities to reach proper involved persons with respect and lay forth agreements, contracts for business and such. "Silence is golden!"

#### RAY RENICK

What would I say to Ray Renick? The same! **THE PEN WILL SPEAK TRUTH**—why would you jeopardize your standing by "fighting" the forces of the bastard cheats and liars and perpetrators of evil? You can make a wee small voice in the wilderness and it shall be heard. But if the voice is silenced by the adversary—nothing happens, for the absence is not even noted in the bulletins after a flash of the moment.

**You are being bulldozed by a "machine" that has no compunctions to goodness nor will allow facts to cloud their actions. You are in the final throes of the restructuring of a Satanic planet. YOU ARE NOW LIVING IN THE OUTSKIRTS OF HELL! WHEN THE TIME IS PROPER IN SEQUENCE—GOD SHALL COLLECT HIS PEOPLE! I HOPE THAT YOU SHALL BE AMONG US.**

#### BACK TO RUSSBACHER

What do I advise DOING for one such as Russbacher who is being held—now against a Judge's rulings and for only political reasons? See what transpires today—DO NOT GET HIM INTO TURMOIL OR CEN-

TRAL CAUSE OF UPRISINGS WITHIN THE PRISON OR HE SHALL BE SOCKED AWAY FOR EVER. DO NOT BE DRAGGED INTO FOOLISH ACTIONS OR ACCUSATIONS AGAINST THE VERY ONES WHO CAN KEEP HIM FOREVER OR HAVE HIM KILLED ON THE SPOT! USE YOUR HEADS, BELOVED FRIENDS AND LOVED ONES—YOUR DISAPPOINTMENT IS OVERRULING YOUR WISDOM. WE HAVE COME A LONG WAY TOWARD RELEASE—DO NOT BLOW YOUR ADVANTAGE THROUGH OVEREAGER FOOLISHNESS. IF, HOWEVER, THERE IS NOT POSITIVE ACTION SHOWN TODAY—THEN YOU PETITION THE GOVERNOR AND ONES ABOVE AND BEYOND THE PRISON CONTROLLERS—IF "THEY" ARE THREATENED, THE FREEDOM SHALL BE LOST FOREVER. HEED ME WELL AND SETTLE DOWN—LEST YOU DO EXACTLY THE OPPOSITE OF THAT WHICH YOU CLAIM YOU WISH ACCOMPLISHED!

Dharma, get this off this machine for I have gotten my message to the adversary—perhaps, however, it should be gotten to the ones involved in some of the instances.

As to the "gold" circumstance—wisdom of action is again your call to attend.

As to the other—regarding our brother? Can you not leave anything to God, Hosts and WISDOM of actions? Some of you are too weary and frustrated to act in correctness—and it is exactly what is being contrived to get you to blow your own intent—out of the water. Do NOT stir more than reasonable and certainly NO MORE with the ones who can immediately and directly torment the man further and incite to riot in that prison!! Settle down and allow God to call some of the "plays", beloved friends—remember the "road to hell is paved with good intentions!" So be it.

*The true basis of discipline is self-discipline; this embraces the idea of self-control and self-restraint and implies a life ordered by certain voluntarily imposed limitations; that duty comes before pleasure and these privileges are enjoyed only if responsibility and obligations are willingly shouldered.*

## THE GAIA PRODUCTS AND ROLE OF CONTACT

Why does Gaia as in New Gaia Products, *The Word*, and thus and so get "advertising" in *CONTACT* when the *CONTACT* does not have advertising? Because the products are MINE and the entities involved KEEP THE PAPER IN BUSINESS THROUGH ALMOST TOTAL SUPPORT! EVERYTHING DONE AROUND HERE GOES "IN THE HOLE" TO GET THIS PAPER OUT TO YOU OF THE PUBLIC. THEREFORE, I SHALL ALWAYS SUPPORT THESE HARD WORKING PEOPLE IN THIS MOST DIFFICULT TASK OF PROVIDING THAT WHICH I BRING AS BLESSING TO YOU AND BURDEN TO THEM.

*[Editor's note: And I—E.Y.—would add that these are such important products that they require consistent visibility for the sake of new readers quietly coming onboard, all the time, as CONTACT gets passed around and copied and talked about through people-to-people networking. Regular CONTACT readers naturally view this as redundant information, when it is printed every week, but put yourself in the place of someone who just "happened" to get a CONTACT for the first time. Would YOU want that important information there for YOU to read and partake of? I know I would!]*

I AM HUMBLy GRATEFUL AND DHARMA AND I HAVE ALMOST GOT THE PRODUCTS IN A FORM WHICH CAN BE SHIPPED—RIGHT DOWN TO SPELT BREAD PRODUCT FOR BREAD MACHINES SO THAT YOU CAN HAVE "ALL" THAT WE SUGGEST—IN SOME FORM. WE EFFORT TO NEVER SUGGEST THAT WHICH IS IMPOSSIBLE FOR YOU TO FIND OR ACQUIRE. USE IS STRICTLY UP TO YOU—WE DO WHAT WE CAN. We do not practice medicine, law or even "nutrition"—good or otherwise.

I WILL tell you why a suggested item is beneficial but use is absolutely up to you as individuals and so, too, will be the results attained—which some are claiming to be most remarkable. We will effort to begin on these discussions soon; I believe the hope is to begin offering these restructured plans and accompanying products sometime after the first of October because of the burden of quantity, research & develop-

ment and other problems of life in general. Life is always that which "happens" while you are making other plans!!

I will ask the "crew" involved to give you an idea of what will be offered, from packages of flour, bread machines and "optimum program packages"—and it would help them if you responded to the questionnaire [insert in this *CONTACT*] with a "check-off" of some kind to indicate participation so that they have some notion as to quantities for which to arrange.

In "quantity" lots, bottles, machines, (everything) is far more economical although shipping costs remain greatly exaggerated. They do have a planned program for payment with handling charge for paperwork but no interest on the extended payment plans—i.e., a bread machine with allowance for payment over several months rather than initially, etc.

Bread packets are being "perfected" as to use with individual machines you may already have in your appliance store such as Hitachi (square loaves) and Dak or Welbilt (round loaves) which work in almost opposing manner—you will have to use specific instructions for YOUR ma-

chine—but the ingredients will be stable and general—even for hand preparation.

At this time the only feasible way to get enough Spelt to you is through a plan such as this one—unless you like LARGE quantities (which tend to get bugs) and-or know the specialty grain growers. At this time Spelt is scarce and is an absolutely necessary part of my suggested plan for either survival or use in conjunction with Gaiandriana whole life resource.

It would, however, help for the people involved to have some idea as to whether they need 10 machines or 10,000. We are dealing with "living" product here and that requires incubation time from conception through pregnancy and into maturity of cellular development—along with continuing food resource for the cells while getting product TO you.

We are geared up to do what we can but it is a massive job without plant facilities—although, a plant is one of the first facilities which will be acquired with funding. The funds at this time go, and will continue to go, to keeping the paper alive and assist with fax lines and to keep our people alive and sheltered. So be it for I shall not belabor the point. I do ask that a pre-planning questionnaire be included in this next issue of the paper and do ask that you who are interested respond as quickly as possible [again, see insert]. Prices will not be accurate—they are only ESTIMATES in very rough form, but this will give the crew a couple of weeks to gear up and make plans. Thank you. We are not "big business", we are simply here to serve you as best we can and, therefore, must ask for your help.

## A Pocket Full Of Dreams

A pile of plastic garbage bags leaned against the wall of the storage shed. For five years, ever since Dad died, Mom had asked me to do something about those bags filled with his clothes and belongings. Now I was moving out of state, and they were finally going.

As I rummaged through the bags I pictured Dad in the last years of his life, his red-rimmed eyes and unkempt gray hair, the spiderlike veins in his hands, his confusion and memory loss. I prayed I could forgive him someday for the way he'd treated Mom.

The anger had been with me as long as I could remember. When I was growing up he'd disappeared for weeks on end in pursuit of a "big break" or a "sure thing," leaving Mom to scramble for our food and rent. Then he'd come back emptyhanded, his dreams nothing more than long shots on horses or bad bets on games. Even when he held good jobs, he never had a dime, and his promises of "something stashed away" were empty.

All that was left were these few bags. Out of one tumbled his red hunting parka, the last thing he had worn. We had gone hunting upstate that winter and he was still trying to tell me about "something important, something really good ahead." Again the anger welled up. "Forget it, Pop." I had snapped, then took off to hunt alone. I didn't want to

hear more pipe dreams.

Hours later, when I emerged from a patch of woods, I saw him sprawled in the snow. He'd had a heart attack and died.

Now the bags were stacked by the shed door, and I was ready to leave. But as I started off, something made me turn back one last time. I noticed that a bag had fallen open, spewing its contents over the concrete floor. I had to smile when I recognized a garish sports jacket my mother had bought for Dad. For years he adamantly refused to wear it, and yet here it was, saved among his things.

When I touched the coat, I felt something in the inside pocket. I removed a neatly wrapped package. It contained savings bonds amounting to \$15,000, bought by father and made out to my mother to provide for her in her old age.

For the first time I saw that despite all his failings, Dad had still treasured Mom. Not all his promises had been empty, not all his dreams had gone unfulfilled.

I held the jacket to me and the anger I'd kept for so long left. Feeling at peace, I put the jacket in the car and drove off to Mom's.

# Massive World Control By The Committee Of 300

9/5/93 #1 HATONN

Let us continue with our ongoing presentation of the book, *CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300* by "Dr. John Coleman" [*"Coleman" can be reached through his newsletter, WORLD INTELLIGENCE REVIEW, 2533 North Carson Street, Carson City, NV 89706, for those interested in obtaining a copy of his book.*]

CONTINUE QUOTING:

## LEAGUE OF INDUSTRIAL DEMOCRACY

Officials: **Michael Novak, Jeane Kirkpatrick, Eugene Rostow, Irwin Suall, Lane Kirkland, Albert Schenker.**

Purpose: to disrupt and disturb normal labor relations between workers and employees by brainwashing labor unions to make impossible demands with special attention to steel, automobile and housing industries.

## FREEDOM HOUSE

Officials: **Leo Churn and Carl Gershman.**

Purpose: To spread socialist disinformation among American blue collar workers, spread dissension and dissatisfaction. Now that these objectives have been largely realized, Gershman has been drafted by Lawrence Eagleburger to CEDC, a newly created body to stop a united Germany from expanding its trade into the Danube Basin.

## COMMITTEE FOR A DEMOCRATIC MAJORITY

Officials: **Ben Wattenburg, Jeane Kirkpatrick, Elmo Zumwalt and Midge Dector.**

Purpose: To provide a connecting link between the educated socialist class and minority groups with the intent of setting up a solid block of voters who can be counted on to vote for leftwing candidates at election time. It was really a Fabianist operation from start to finish.

## FOREIGN POLICY RESEARCH INSTITUTE

Officials: **Robert Strausz Hupe.**

Purpose: To undermine and eventually end NASA space program.

## SOCIAL DEMOCRATS U.S.A.

Officials: **Bayard Rustin, Lane Kirkland, Jay Lovestone, Carl Gershman, Howard Samuel, Sidney Hook.**

Purpose: To spread radical socialism, especially among minority groups, and forge links between similar organizations in socialist countries. **Lovestone** was for decades the leading advisor to U.S. presidents on Soviet affairs and a strong direct link with Moscow.

## INSTITUTE FOR SOCIAL RELATIONS

Officials: **Harland Cleveland, Willis Harmon.**

Purpose: Change the way America thinks.

## THE CITIZENS LEAGUE

Officials: **Barry Commoner.**

Purpose: To bring "common cause" legal suits against various government agencies, especially in the defense industries.

## WAR RESISTERS LEAGUE

Officials: **Noam Chomsky and David McReynolds.**

Purpose: To organize resistance to the Vietnam War among leftwing groups, students and the Hollywood "in crowd".

## THE DEMOCRATIC SOCIALIST ORGANIZING COMMITTEE OF THE INSTITUTE FOR DEMOCRATIC SOCIALISM

Officials: **Frank Zeider, Arthur Redier and David McReynolds.**

Purpose: A clearing house for leftwing socialist ideas and activities in the U.S. and Europe.

## ANTI-DEFAMATION LEAGUE—FACT FINDING DIVISION

Officials: **IRWIN SUALL**, also known as **John Graham.**

Purpose: A labor-oriented front for the Socialist International and a hot-bed of organized labor unrest polarizing workers and management.

## AMALGAMATED CLOTHING WORKERS

Officials: **Murray Findley, IRWIN**

## SUALL and Jacob Scheinkman.

Purpose: Much the same as the Machinists Union, to socialize and polarize workers in the garment trade.

## A. PHILIP RANDOLPH INSTITUTE

Officials: **Bayard Rustin.**

Purpose: To provide a means of coordinating organizations with common purpose, an example of which would be the spread of socialist ideas among college students and workers.

## CAMBRIDGE POLICY STUDIES INSTITUTE

Officials: **Gar Apelrovtz.**

Purpose: To expand on the work being done at the Institute for Policy Studies. Founded in February 1969 by international socialist, **Gar Apelrovtz**, former assistant to Senator Gaylord Nelson. Apelrovtz wrote the controversial book *Atomic Diplomacy* for the **Club of Rome** which work was financed by the German Marshall Fund. It concentrates on research and action projects, with a stated goal of fundamentally changing American society, i.e., to create a Fabianist United States in preparation of the coming One World Government.

## ECONOMIC COMMITTEE OF THE NORTH ATLANTIC INSTITUTE

Officials: **Dr. Aurelio Peccei.**

Purpose: NATO think-tank on global economic issues.

## CENTER FOR THE STUDY OF DEMOCRATIC INSTITUTIONS

Officials: Founder **Robert Hutchins** of the Committee of 300, **Harry Ashmore, Frank Kelly** and a large group of "Fellows".

Purpose: To spread ideas that will bring on social reforms of the liberal kind with democracy as an ideology. One of its activities is to draft a new constitution for the U.S. which will be strongly monarchiacal and socialistic as found in Denmark.

The Center is an "olympian" stronghold. Located in Santa Barbara, it is housed in what is affectionately called the "Parthenon". [H: Pay attention, because you are getting into the physical terri-

**tory of the Ray Renick material on San Luis Obispo connections** (see the 8/24/93 CONTACT for a major collection of Ray Renick's eye-opening material on Elite shenanigans emanating from the base of operations in the south-central coastal town of San Luis Obispo, CA) — **these places are very closely linked and in proximity in location.** Former Representative John Rarick called it "an outfit loaded with Communists". By 1973 work on a new United States Constitution was in its thirty-fifth draft which proposes an amendment guaranteeing "environmental rights", the thrust of which is to reduce the industrial base of the U.S. to a mere whisper of what it was in 1969. In other works, this institution is carrying out **Club of Rome zero-growth post-industrial policies laid down by the Committee of 300.**

Some of its other aims are control of economic cycles, welfare, regulation of business and national public works, control of pollution. Speaking on behalf of the Committee of 300, **Ashmore** says the function of the CSDI is to find ways and means of making our political system work more effectively. "We must change education and we must consider a new U.S. Constitution and a Constitution for the world," Ashmore says.

Further goals enunciated by Ashmore are as follows: **[H: PAY ATTENTION!]**

1. Membership in the U.N. must be made universal.
2. The U.N. must be strengthened.
3. South East Asia must be neutralized. (For neutralized, read "Communized".)
4. Cold War must be ended.
5. Racial discrimination must be abolished.
6. Developing nations must be assisted. (Meaning assisted to destruct.)
7. No military solutions to problems. (Pity they didn't tell George Bush that before the Gulf War.)
8. National solutions are not adequate.
9. Coexistence is necessary.

#### **HARVARD PSYCHOLOGICAL CLINIC**

Officials: **Dr. Kurt Lewin** and staff of 15 new-science scientists.

Purpose: To create a climate where the Committee of 300 can take unlimited power over the U.S.

#### **INSTITUTE FOR SOCIAL RESEARCH**

Officials: **Dr. Kurt Lewin** and staff of 20 new-science scientists.

Purpose: To devise a whole new set of social programs to steer America away from industry.

#### **SCIENCE POLICY RESEARCH UNIT**

Officials: **Leland Bradford, Kenneth Dam, Ronald Lippert.**

Purpose: A "Future Shocks" research institution at Sussex University in England and part of the Tavistock network.

#### **SYSTEMS DEVELOPMENT CORPORATION**

Officials: **Sheldon Arenberg** and a staff of hundreds, too numerous to mention here.

Purpose: To coordinate all elements of the intelligence communities of the U.S.A. and Britain. It analyzes what "players" have to be assigned the role of a national entity; for example, Spain would come under a supine watered-down Catholic Church, the U.N. under the Secretary General and so forth. It developed the system of "S RAY 2" where think tank personnel, military installations and law enforcement centers are all linked to the Pentagon through a nation-wide network of teletypes and computers. To apply surveillance techniques on a nation-wide scale. **Arenberg** says his ideas are non-military, but his techniques are mainly those he learned from the military. He was responsible for the New York State Identification and Intelligence System, a typical George Orwell "1984" project, which is completely illegal under our Constitution. The **NYSIIS** is in the process of being adopted nationwide. It is what **Brzezinski** referred to as the **ability to almost instantaneously retrieve data about any person.**

**NYSIIS** shares data with all law enforcement and government agencies in the state. **[H: Watch out—shades of the INSLAW THEFT OF THIS SOFTWARE!]** It provides storage and rapid retrieval of individual records, criminal and social. It is a TYPICAL Committee of 300 project. There is a crying need for a full investigation to be conducted into just what it is that Systems Development Corporation is doing, but that is beyond the scope of this book. One thing is sure, SDC is not there to preserve freedom and liberty guaranteed by the U.S. Constitution. How convenient that it should be located in Santa Barbara in easy reach of **Robert Hutchins'** "Parthenon". Some publications put out by these Club of Rome institutions are as follows:

**CENTER MAGAZINE**  
**COUNTERSPY**  
**COVENTRY**  
**COVERT ACTION INFORMATION BULLETIN**  
**DISSENT**  
**HUMAN RELATIONS**  
**INDUSTRIAL RESEARCH**  
**INQUIRY**  
**MOTHER JONES**  
**ONE**  
**PROGRESSIVE**  
**RACONTEUR**  
**THE NEW REPUBLIC**  
**WORKING PAPERS FOR A NEW SOCIETY**

These are by no means all of the publications issued under the auspices of the Club of Rome. There are **many hundreds more**, in fact each of the foundations puts out its own publication and the Club of Rome, a partial listing is all we can include here. Some of the more important foundations and think tanks are in the following list, which includes **Army** think tanks.

The American public would be astounded if it only knew how deeply the Army is involved in "new war tactics" research with Committee of 300 "think tanks". Americans are not aware that in 1946 the Club of Rome was ordered by the Committee of 300 to further the progress of think tanks which it said offered a new means of spreading the Committee's philosophy. The impact of these think tanks upon our military, just since 1959 when they suddenly proliferated, is truly astounding. There is no doubt that they will play an even greater role in the daily affairs of this nation as we come to the close of the 20th century.

#### **THE MONT PELERIN SOCIETY**

Mont Pelerin is an economic foundation devoted to issuing misleading economic theories and influencing economists in the Western world to follow models it lays out from time to time. Its leading practitioners are **Von Hayek** and **Milton Friedman**.

#### **THE HOOVER INSTITUTION ON WAR, REVOLUTION & PEACE**

Founded originally to fight Communism, the Institution has slowly but surely turned toward Socialism. It has an annual budget of \$2 million, funded by companies under the umbrella of the Committee of 300. It now concentrates on "peaceful changes" with emphasis on arms control and domestic U.S. problems. It is frequently used by the news media as a "conservative" organization whose views they seek when a conservative viewpoint is needed. The Hoover Institution is far from that, and following the 1953 take-over of the Institution by a group allied to the **Club of Rome**, it has become a One World-New World Order outlet for "desirable" policies.

#### **HERITAGE FOUNDATION**

Founded by brewery magnate **Joseph Coors** to act as a conservative think tank, Heritage was soon taken over by Fabianists **Sir Peter Vickers Hall, Stuart Butler, Steven Ayzler, Robert Moss** and **Frederich Von Hayek** under the direction of the **Club of Rome**. This institute played a major role in carrying out British labour leader **An-**

thony Wedgewood Benn's order to "Thatcherize Reagan". Heritage is certainly not a conservative operation, although at times it may look and sound like one.

## HUMAN RESOURCES RESEARCH OFFICE

This is an Army research establishment dealing in "psychotechnology". Most of its personnel are Tavistock-trained. Psychotechnology covers GI motivation, morale and music used by the enemy. In fact a lot of what George Orwell wrote about in his book 1984 appears to be remarkably similar to what is taught at HUMRRO. In 1969, the Committee of 300 took over this important institution and turned it into a private non-profit organization run under the auspices of the Club of Rome. It is the largest behavioral research group in the U.S.

One of the specialties is the study of small groups under stress and HUMRRO teaches the Army that a soldier is merely an extension of his equipment and has brought great influence to bear on the "man-weapon" system and its "human quality control", so widely accepted by the United States Army. HUMRRO has had a very pronounced effect on how the Army conducts itself. Its mind-bending techniques are straight out of Tavistock. HUMRRO's applied psychology courses are supposed to teach Army brass how to make the human weapon work. A good example of this is the manner in which soldiers in the war against Iraq were willing to disobey their field manual standing orders and bury 12,000 Iraqi soldiers alive.

**This type of brainwashing is terribly dangerous because,** today, it is applied to the Army, the Army applies it to brutally destroy thousands of "enemy" soldiers, and **TOMORROW THE ARMY COULD BE TOLD THE CIVILIAN POPULATION GROUPS OPPOSED TO GOVERNMENT POLICIES ARE "THE ENEMY".** We are already a mindless brainwashed flock of sheep, yet it seems that HUMRRO is a valuable adjunct to Tavistock and many of the lessons taught at HUMRRO were applied in the Gulf War, which makes it a little easier to understand how it came to be that American soldiers behaved as ruthless and heartless killers, a far cry from the concept of the traditional American fighting man.

END OF QUOTING FOR THIS SEGMENT; TO BE CONTINUED

The next segment in this writing is RESEARCH ANALYSIS CORPORATION. This is too lengthy to take up here at this sitting. We will pick up "there" next time.

You ask about the Brookings Institute and why it is not listed thus far if it is SO important? Because it is a major operating

Institute in the very take-over of the United States Government by the Institute of Policy Studies and the Council on Foreign Relations. We will get to it a bit further down the road.

Janice and Jenny: I wish to thank you for doing such a fine job working on this book in point. It was *badly* done in rough segments and writings and YOU OF THIS STAFF (particularly these two) worked it into the fine piece of literature which resulted. It did not receive adequate thanks at the time and neither have you seen a thing for your efforts in behalf of "Coleman" and Green. I wish to humbly thank you and ALL the others who not only worked this book into shape but did it at my constant urging for speed—speed at all costs to literary or grammar correctness. I believe that you can now see the importance of the information. Sometimes the sequence of events has more impact "after the fact" than can be absorbed at the time of the work. I salute you editors who worked night and day on this project—only to be later attacked and efforted to be "shut down". I do believe, however, that the "reasons" are a bit more clarified than at the time. It is truly sad that which man will **do unto himself!** Salu.

**9/7/93 #2 HATONN**

## **UPCOMING EARTHQUAKES AND DISASTERS COURTESY OF THE COMMITTEE OF 300**

There are several things going on which Commander Soltec can do far better than I at pointing out to you readers. [See Soltec's urgent writing on pages 25 - 27.] However, there is a flurry of quakes around Southern California which must be noted—from the 3.8 at Big Bear near L.A. to one at Boron (WHICH HAS NOT EVEN BEEN NOTED EXCEPT IN ONE LOCAL BROADCAST OR TWO). It is obvious the one at "Boron", California (and quite near this location) IS NOT INTENDED FOR SHARING WITH THE PUBLIC! AND, what of the one in the South Pacific which is MAKING SUCH NEWS ALL THE WAY TO HONG KONG? Be alert readers, there is big stuff afoot—from Arafat's "peace" tour on behalf of Israel to the planet in a state of convulsions.

## **OTHER "COMMITTEE OF 300" SHENANIGANS TO WATCH**

I am going to hang right in here with the reminders about the Committee of 300 because things are being set-up again to deceive you incredibly. A plot to kidnap Kissinger and Nixon? Why would anyone think either are important enough to use as hostage material? Is it true? Does it

matter? ONLY to the extent that it is a 'story' of some kind which the adversary feels is feasible enough and ridiculous enough to use to further pull down unwitting players.

**Kissinger is probably one of the most important men in the groupings of programmed workers for the Committee of 300—the "brains" if you will.** I wouldn't pay two cents for him, but then you people like your enemies to have advantage, so I guess you will bail him out and, at the least, kill all the innocent non-participants who will be named in the name of getting "guilty" parties. There is such "evil", pure and unadulterated, as to sicken the soul.

Dharma, let us move into "300" without more distractions.

CONTINUED QUOTING:

[H: We were in the middle of the listing of "some" of the front organizations of this Committee of 300 (Club of Rome)—actually, more like the Tavistock arms—or the working groups of the Committee. We will take up with:]

## **RESEARCH ANALYSIS CORPORATION**

This is HUMRRO's (Human Resources Research Office) sister "1984" organization situated in McLean, Virginia. Established in 1948, it was taken over by the Committee of 300 in 1961 when it became part of the Johns Hopkins block. It has worked on over 600 projects, including integrating Negroes into the Army, the tactical use of nuclear weapons, psychological warfare programs and mass population control.

Obviously there are many more major think tanks, and we shall come to most of them in this book. One of the most important areas of cooperation between what think tanks turn out and what becomes government and public policy are the "pollsters". It is the job of the polling companies to mold and shape public opinion in the way that suits the conspirators. Polls are constantly being taken by CBS-NBC-ABC, the New York Times, the Washington Post... Most of these efforts are coordinated at the National Opinion Research Center where, as much as it will amaze most of us, a psychological profile was developed for the entire nation.

Findings are fed into the computers of Gallup Poll and Yankelovich, Skelly and White for comparative evaluation. Much of what we read in our newspapers or see on television has first been cleared by the polling companies. WHAT WE SEE IS WHAT THE POLLSTERS THINK WE SHOULD SEE. This is called "public opinion making". The whole idea behind this bit of social conditioning is to find out how responsive the public is to POLICY DIREC-

TIVES handed down by the Committee of 300. We are called "targeted population groups" and what is measured by the pollsters is how much resistance is generated to what appears in the "Nightly News". Later, we shall learn exactly how this deceptive practice got started and who is responsible for it.

It is all part of the elaborate opinion-making process created at Tavistock. Today our people believe they are well-informed but what they do not realize is that the opinions they believe are their own were in fact created in the research institutions and think tanks of America and that none of us are free to form our own opinions because of the information we are provided by the media and the pollsters.

Polling was brought to a fine art just before the United States entered the Second World War. Americans, unbeknown to themselves, were conditioned to look upon Germany and Japan as dangerous enemies who had to be stopped. In a sense, this was true, and that makes conditioned thinking all the more dangerous, because based on the INFORMATION fed to them, the enemy did indeed appear to be Germany and Japan. Just recently we saw how well Tavistock's conditioning process works when Americans were conditioned to perceive Iraq as a threat and **Saddam Hussein** as a personal enemy of the United States.

Such a conditioning process is technically described as "the message reaching the sense organs of persons to be influenced". One of the most respected of all pollsters is **Committee of 300** member **Daniel Yankelovich**, of the company, Yankelovich, Skelley and White. **Yankelovich** is proud to tell his students that polling is a tool to change public opinion. Although this is not original, **Yankelovich** drew his inspiration from **David Naisbett's** book *Trend Report* which was commissioned by the **Club of Rome**.

In his book **Naisbett** describes all of the techniques used by public opinion makers to bring about the public opinion desired by the **Committee of 300**. **Public opinion making is the jewel in the crown of the OLYMPIANS for, with their thousands of new-science social scientists at their beck and call and with the news media firmly in their hands, NEW public opinions on almost any subject can be created and disseminated around the world in a matter of two weeks.**

This is precisely what happened when their servant **George Bush** was ordered to make war on Iraq. Within two weeks, not only the U.S. but almost the entire world public opinion was turned against Iraq and its President **Saddam Hussein**. These media change artists and news manipulators report directly to the **Club of Rome** which in turn reports to the **Committee of**

**300** at whose head sits the **Queen of England** ruling over a vast network of closely-linked corporations who never pay taxes and are answerable to no one, who fund their research institutions through foundations whose joint activities have almost total control over our daily lives.

Together with their interlocking companies, insurance business, banks, finance corporations, oil companies, newspapers, magazines, radio and television, this vast apparatus sits astride the United States and the world. There is not a politician in Washington D.C. who is not, somehow, beholden to it. The Left rails against it, calling it "Imperialism" which indeed it is, but the Left is run by the same people, the very same ones who control the Right, so that the Left is no more free than we are!

Scientists engaged in the process of conditioning are called "social engineers" or "new-science social scientists" and they play an integral part in what we see, hear and read. The "old school" social engineers were **Kurt K. Lewin, Professor Hadley Cantil, Margaret Mead, Professor Derwin Cartwright** and **Professor Lipsitt** who, together with **John Rawlings Reese**, made up the backbone of new-science scientists at **Tavistock Institute**.

During the Second World War, there were over 100 researchers at work under the direction of **Kurt Lewin**, copying slavishly the methods adopted by **Reinhard Heydrich** of the S.S. The OSS was based on Heydrich's methodology and, as we know, the OSS was the forerunner of the **Central Intelligence Agency**. The point of all this is that the governments of Britain and the United States already have the machinery in place to bring us into line in a New World Order with only a slight modicum of resistance materializing, and this machinery has been in place since 1946. Each passing year has added new refinements.

It is this **Committee of 300** which has established control networks and mechanisms far more binding than anything ever seen in this world. Chains and ropes are not needed to restrain us. Our fear of what is to come does that job far more efficiently than any physical means of restraint. We have been brainwashed to give up our *Constitutional* right to bear arms; to give up our *Constitution* itself; to allow the United Nations to exercise control over our foreign policies; to permit the President to break United States law with impunity and to invade a foreign country and kidnap its head-of-state. In short, we have been brainwashed to the extent where we, as a nation, will accept each and every lawless act carried out by our government almost without question.

I, for one, know that **we will soon have to fight to reclaim our country from the Committee, or lose it forever.** BUT when

it comes right down to it, how many will actually take up arms? In 1776 only 3% of the populace took up arms against King George III. This time around, 3% will be woefully inadequate. We should not allow ourselves to be led down dead-end roads, for that is what our mind controllers have planned for us by confronting us with such a complexity of issues that we simply succumb to long range penetration and make no decisions at all on many vital issues.

We shall be looking at the names of those who make up the **Committee of 300** but, before we do that, we should examine the massive interfacing of all important institutions, companies and banks under the **Committee's** control. We must mark them well because these are the people who are deciding who shall live and who shall be eliminated as "useless eaters"; where we will worship God; what we must wear and even what we shall eat. According to **Brzezinski**, we shall be under endless surveillance around the clock for 365 days a year ad infinitum.

That we have been betrayed from within is being accepted by more and more people each year, and that is good, because it is through knowledge, a word translated from the word **BELIEF**, that we shall be able to defeat the enemies of all mankind. While we were being distracted by the bogeymen in the Kremlin, the Trojan Horse was moved into position in Washington D.C. The greatest danger free people face today is not from Moscow but from Washington D.C. We need first to conquer the **DOMESTIC ENEMY**, and after that we will be strong enough to mount an offensive to remove Communism from the Earth, together with all of its attendant "isms".

The **Carter** Administration accelerated the collapse of our economy and our military strength, the latter begun by **Club of Rome** and **Lucia Trust** member **Robert Strange McNamara**. In spite of his promises, Reagan continued to undermine our industrial base, starting where **Carter** left off. While we need to keep our defenses strong, we cannot do that from a weak industrial base for, without a well-run military-industrial complex, we cannot have a viable defense system. **The Committee of 300** recognizes this and planned, from 1953, its zero-growth post-industrial policies now in full flower.

Thanks to the **Club of Rome** our technology potential has dropped below that of Japan and Germany, nations we are supposed to have defeated in the Second World War. How has this come about? Because of men like **Dr. Alexander King** and our blindfolded state of mind, **we have failed to recognize the destruction of our educational institutions and systems of teaching.** As a result of our blindness, we are no longer training engineers and scientists in sufficient numbers to keep us among the

industrialized nations of the world. Thanks to **Dr. King**, a man very few people in America know about, education in the U.S. is at its lowest level since 1786. Statistics produced by the Institute for Higher Learning show that the reading and writing capabilities of high school children in the United States are **LOWER** than they were among high school children in 1786.

What we face today is not only the loss of our freedom and the very fabric of our nation, but far worse, the possibility of the loss of our souls. The steady chipping away at the foundation upon which this Republic rests has left an empty void, which satanists and cultists are rushing to fill with their synthetic-souled material. This truth is difficult to accept and appreciate because there was nothing **SUDDEN** about these events. If a sudden shock were to hit us, a cultural and religious shock, we would be shaken out of our apathy.

But gradualism—which is what **Fabianism** is, does nothing to raise the alarm. Because the vast majority of Americans can see no **MOTIVATION** for the things I have described, they cannot accept it, and so the conspiracy is scorned and often mocked. By creating chaos, through presenting hundreds of daily choices our people have to make, we have come down to a position where, unless motivation can be clearly shown, all information is rejected.

This is both the weak and the strong link in the conspiratorial chain. Most thrust aside anything that has no motive, so the conspirators feel safe behind the ridicule poured upon those who point to the coming crisis in our nation and our individual lives. However, if we can get enough people to see the truth, the motivation block gets weaker until it will eventually be forced aside as more and more people become enlightened and the notion that "this cannot happen in America" is dispensed with.

The **Committee of 300** is counting on our maladaptive responses to govern our reaction to created events, and it will not be disappointed as long as we as a nation continue in the present way we respond. We must turn responses to created crises into **ADAPTIVE** responses by identifying the conspirators and exposing their plans for us so that these things become public knowledge. The **Club of Rome** has already made **THE TRANSITION TO BARBARISM**. Instead of waiting to be "raptured", we must stop the **Committee of 300** before it can accomplish its goal of making us prisoners of the "New Dark Age" planned for us. It is not up to God; IT

IS UP TO US. **We** have to take the necessary action.

All information that I provide in this book comes from years of research backed up by impeccable intelligence sources. Nothing is exaggerated. It is factual and precise so do not fall into the trap set by the enemy that this material is "disinformation". For the past two decades I have provided information which has proved to be highly accurate and which has explained a lot of puzzling events. My hope is that through this book, a better, clearer and wider understanding of the conspiratorial forces ranged against this nation will come about. That hope is being realized as more and more young people are beginning to ask questions and seek information about what is **REALLY** going on.

It is difficult for people to comprehend that these conspirators are real and that they have the power I and many others have attributed to them. Many have written to ask how it is that our government does nothing about the terrible threat to civilization? The problem is that our government is **PART** of the problem, part of the conspiracy, and nowhere and at no time has this become more clearly evident than during the Bush Presidency. Of course President Bush knows precisely what

the **Committee of 300** is doing to us. **HE WORKS FOR THEM**. Others have written to say, "We thought we were fighting the government." Of course we are, but behind government stands a force so powerful and all-encompassing that intelligence agencies are even afraid to mention the name "Olympians".

Proof of the **Committee of 300** is found in the vast number of powerful institutions owned and controlled by it. Listed here are some of the more important ones, all of which come under the **MOTHER OF ALL THINK TANKS AND RESEARCH INSTITUTIONS, THE TAVISTOCK INSTITUTE OF HUMAN RELATIONS WITH ITS FAR-FLUNG NETWORK OF HUNDREDS OF "BRANCHES"**.

END OF QUOTING FOR THIS SEGMENT; TO BE CONTINUED

We need a break to attend some other pressing matters so allow us to close this segment, please. Thank you. May God Light your mind as you study these materials and these data. You are blessed in that you are curious enough to read this information and give thought to your circumstance. May you always use Wisdom in your balancing of information.

Salu.

## Defiant Hold On Gunther

9/7/93 #3 HATONN

WILL THE REAL  
GUNTHER RUSSBACHER  
PLEASE STAND UP

Strange things are happening, my friends, and I am just about to the end of my "being pleasant" line. What is coming down here—you supposedly "goodly patriots"—you ones such as Honegger (Barbara) and others—would shock even you good readers. Someones in the information business DO NOT WANT THIS MAN FREE! WHY??

I AM GOING TO RESPOND TO THIS NAPA SENTINEL LETTER BY HARRY V. MARTIN. I HAVE RESPECTED MR. MARTIN TO THE FULLEST EXTENT—BUT THIS IS "MUCH" IN TOTAL FABRICATION AND DISINFORMATION—EXCEPT THAT IT IS "NO LONGER" DISINFORMATION—IT HAS BEEN ESTABLISHED NOW BY THIS WRITING OF YOURS, TOM VALENTINE, BARBARA HONEGGER ET AL., AND NOW ONES WHO HAVE EITHER GOTTEN TO JUDGE BROWN IN ORDER THAT HIS "REASONS" ARE "CHANGED" OR THE WHOLE THING IS A WORSE ORCHESTRATION OF ELITE POWER THAN IS IMAGINED AT FIRST GLANCE.

I ask that everyone take stock of what is going on and "who" and "why" it may be that "decisions" are reinterpreted. You have reached a new LOW in judicial injustice IF INDEED the NAPA letter be truth—which I figure into the loop to be so at this very writing.

QUOTING The letter:

From: The Napa Sentinel,  
Harry V. Martin  
To: American Patriot Network  
Date: Sept. 7, 1993  
RE: GUNTHER RUSSBACHER

Though Judge Brown vacated Gunther's sentence, that does not guarantee freedom. [H: So far—right on track for it doesn't! However, it was predecided that in THIS instance it meant EXACTLY "THAT"! According to direct interviews with Judge Brown, the vacating order allows the Prosecuting Attorney THIRTY DAYS in which to determine

whether or not to try the case again. The ruling, though broaching the Statutes of Limitation, does not vacate the sentence on those grounds, as much as the fact that Gunther had inadequate counsel.

Gunther and I were on the Tom Valentine [radio show] last night. Both Tom and I explained the circumstances to Gunther. We have a copy of the Judge's order. Tom can verify this. He can reach him at 612:222-0796. [Editor's note: We are quoting Harry's letter exactly as written and received.]

And if the Prosecutors office decides to try Gunther again, they can hold him pending the new trial. [H: Unfortunately, so far all this is correct.]

Gunther's basic problem does not stem from him being the pilot in the October Surprise—which he was not—but from skimming \$15 million off the top of a CIA-proprietary company. [H: Wow—and now you have it! Hook, line and s(t)inker!! How so this news? And, further, WHERE DID IT POSSIBLY COME FROM? THAT WAS NEVER THE CHARGE AGAINST RUSSBACHER IN ANY INSTANCE!! This has NOTHING to do with justice or truth—the man is in a State (Missouri) prison on charges very DIFFERENT than anything with the CIA, so just HOW does this come into the picture at any reasonable logic whatsoever—UNLESS—the enemy is in his dooryard with pressure tactics to shut down justice and law at the HIGHEST LEVELS OF POWER. NOW JUST WHO IN THE CIA DO YOU THINK MIGHT BE BEHIND THIS CUTE LITTLE NEW TRICK TO DECEIVE YOU-THE-PEOPLE!? "But," you might ask, "is there anything to such a story?" Probably—for within the nasty black units and black funding—there is NOTHING except fraud and rip-off—but those are NOT the charges for which Russbacher is brought to task under any public information AT ALL! This has to be something thrown into the wheel spokes NOW! And the letter goes on:] Many of these securities are now being negotiated and it is doubtful Gunther will be released or out of trouble until the money is returned. It was money laundered in the Iran-Contra scandal.

[H: Oh? And now we are to suppose that these two, North and Russbacher,

are to blame for the Iran-Contra affair? Could it be that there are SIGNED stock certificates wherein Gunther IS THE PROPRIETARY OWNER OF SEVERAL VERY LARGE CORPORATIONS (SILENT AND HIDDEN FROM YOU THE PUBLIC) WHICH HE SERVICED AS A MEMBER OF THE CIA-ASSOCIATED FORCES? LET US CONSIDER THIS FOR A MINUTE AND WHAT HAPPENED WITH "SOME" OF THE LEGITIMATE DOCUMENTS. ONE, JIM VASSILOS, WAS EFFORTING TO HELP GUNTHER—LEGALLY—SOME WAY. HOWEVER, WHAT HE DID WAS TO BRING, IN HIS BRIEFCASE, TO THE PRISON, DOCUMENTS (STOCK CERTIFICATES) WITH ORIGINAL SIGNATURES OF GUNTHER RUSSBACHER. THE PRISON OFFICIALS WERE WAITING FOR HIM AND CONFISCATED THEM AND STILL HOLD THEM. Did Jim know about this in advance? Who knows—it is not relevant now, after the fact—except that something surely STINKS in the fishing industry. Nonetheless, the Prison system has the documents and obviously now is blackmailing all parties involved. Gunther served his (your) country well under the same circumstances any top intelligence player has served—to the limits of all reasonable Laws of God and/or Man. Does that make him "guilty" of something or another? I can tell you this much—if the ones throwing these cogs in the spokes were brought to light in their own actions—guess who else would flunk "goodness" and "honor"?

Is it possible Gunther "just wants out" and is a bit misleading in hopes of swinging this through publicity? Well, he is quite capable of such actions—but this time—the truth is spelled out in the letter sent from NAPA—saying his trouble is over these CIA things. If there is ONE MASSIVE INTENTIONAL LIE—THEN MY DEARS, THE FISH ARE VERY OLD AND DESERVE TO STINK! By the way, the letter suggests that Gunther had already skimmed "\$15 million off the top of a CIA-proprietary company". Now who in the world can keep track of the CIA proprietary companies since they are all beyond top secret!?? Then comes the kicker—he has to "return the money"! In prison?? From prison?? Where is he just going to go retrieve the

"lost" or "misplaced" skimmed money? If this be truth—why is Ollie North out? Why is every Iran-Contra thug out except Gunther?? Indeed, the fish are VERY smelly today!

Now the next is quite curiously interesting:]

Our newspaper was the "creator" of Gunther, detailing his accounts. [H: Now what mean ye? You were the "what"?—"creator" of Gunther? What does this mean—is there more stinking fish frying in the hotseats? Is Gunther REALLY Gunther Russbacher of Austria/U.S.A. or is he a figment of NAPA SENTINEL?] He is a cutout for the October Surprise, working for military intelligence. [H: Again, Harry, what mean ye by this "cutout" business—did YOU "create" this "cutout" and JUST WHO SAID SUCH A THING?] The real pilot was an Air Force Colonel that Gunther is protecting. He only raised the October Surprise premise as a way of keeping alive when the CIA was after him for the missing money.

[H: So, are we suggesting that no-way, no-how, Gunther (having been sheep-dipped over 30 some-odd times) could be a sheep in wolf's clothes?? What difference does it make WHO flew Bush and buddies to Paris? The whole thing is a structured disgrace to the dignity of and an affront to the public citizenry of this once fine country—now in the dregs of such disgusting injustice. Did Bo Gritz have reasonable charges in "passport" violations—because of passports supplied to him by his own "company"? Come on, readers, there is NEVER truth to be shared when the power-brokers are efforting to squelch the truth of their own heinous crimes.

Further, why would Rayelan have to literally beg from caring friends just to stay alive if Gunther has stashed \$15 million dollars? I, for one, hope to the Heavens that he has and gets it! It might even be that you-the-people whose very national soul has been sold by these bastard treasonists, could get some value BACK out of that which was stolen first from YOU.]

It is important to keep the Russbacher story in proper perspective. We have been in contact with him from the beginning, and broke his story. We have also taken a lot of heat from the *Village Voice* and Barbara Honegar for standing by Gunther all this time.

Harry V. Martin  
Publisher

END OF QUOTING

Well, Harry, this is pretty typical of a "woman scorned" reaction. Honegger wrote a book on which Rayelan "Russbacher" helped research and origi-

nally was basically co-author. The FACTS, HOWEVER, ARE NOT CORRECT! Does this mean that EVERYTHING Gunther has told you is correct? No—it means that credibility was lost in/on *October Surprise* as further facts and truth have been uncovered. It is not pleasant, however, for an author to have to face the fact that he/she gave wrong information. We too wrote on the story—and Brenneke was a big player as were several others—this does not make either story absolutely correct and whoever might have "broken" the story does NOT MAKE IT FACT! I had ones denounce ME because they had received from Sananda for over 40 years—and somehow became the absolute authority on all things higher and Godly! You ones, perhaps, have been misled, even to fairy tales—but the distraction is nonetheless just THAT—distraction from truth, justice and the Constitutional crimes being perpetrated against this citizen. I do not discount your courage nor your claim to daring journalism—I respect your guts for efforting to bring truth—beyond that of almost any other journalist. Please, just don't be misled by this garbage.

If there are OTHER circumstances regarding Gunther's sentence and protocols of actual and "rightful" law—then let it be spoken here! But for you as a journalist, prodded by those who plant such distractions, it is unthinkable short-sighted in this instance. Gunther was NEVER sentenced for CIA indiscretions—and THAT IS WHAT IS IN POINT HERE!—GUNTHER RUSSBACHER'S SENTENCE WHICH HAS BEEN VACATED BY ONE JUDGE BROWN!

Just what might be the intent here? To do as with Demjanjuk in Israel—just go find something on which to base non-release? You ones have really come a long way into the gutter of justice, my friends. If you can't hold a man on the sentence charged—then hold him until you make up some charge! Indeed, I also feel very sorry for this Judge in point—for he is more "HAD" than you can imagine as average "citizens" in a corrupt and orchestrated system.

As I am writing here, I am brought a copy of a letter which seems to respond to the above message for the FAX hot-line—from Rayelan.

QUOTING:

September 7, 1993

Re: *The Napa Sentinel* Release to the American Patriot Fax Network of 9-7-93, RE: Gunther Russbacher.

Now that Gunther Russbacher is going

to be released it appears that very strong forces are trying to destroy his credibility and his influence in the Patriot Community. It is a very sad note that Harry Martin either knowingly or with consent is being used by these forces to try to bring Gunther down.

The facts contained in Harry Martin's fax are incorrect. As for the information just out by Tom Valentine regarding the vacating of the sentence, Tom is also in error. Gunther spoke with Judge Michael Brown and we will shortly follow up on that conversation.

[H: I have also WARNED YOU ONES ABOUT TOM VALENTINE—he is not GOD OF GOODNESS AND TRUTH—HE IS A RADIO PERSONALITY DOING THAT WHICH BRINGS IN LISTENERS AND PARTICIPANTS TO HIS PROGRAM. I do not say that he is not a patriot of any kind nor any measure—I do say that he, as a journalist, has responsibilities and he CANNOT KNOW EVERYTHING ABOUT WHICH HE SPEAKS—ANY MORE THAN ANY PERSON CAN BE FLUENT IN ALL THINGS SO STOP TURNING A RADIO PERSONALITY INTO AN ICON OF HEAVENLY AUTHORITY!]

As for Harry's assertion that the SR71 was piloted by an Air Force Colonel, please be advised that when Gunther was training to fly the SR71 at Beale AFB in Marysville, CA, his alias was an Air Force pilot and was "Colonel Robert Bielcor". Isn't it a coincidence that Gunther flew an SR71 as an Air Force Colonel and Harry Martin says the October Surprise pilot was an AF Colonel?

A massive discrediting campaign can only be expected. I am just sorry that the first blow in this campaign had to be struck by our friend, Harry Martin.

Rayelan Russbacher

END OF QUOTING

I am sorely tested myself as these days of atrocity continue. Citizens, if you cannot see that which is happening about you—you cannot survive for there is no freedom and, there but for the Grace of God—GO YOU! How so? Because every one of you who have served the Government beast has broken the Laws of God AND MAN. You do what you do—and yet, when you can no longer depend on the truth of justice in the courts of law—you are THROUGH! AND, THUSLY, AS I PERCEIVE IT—YOU ARE THROUGH!! GOD HAVE MERCY ON YOU ALL!

I will again, however, warn the adversary—that what you are about to do is going to merit you consequences of great retribution. [Editor's note: See the writings on pages 18 and the Front Page, as well as the interview story on page 2, for a glimpse

at what Commander Hatonn is up to in terms of this stated warning to the crooks continuing to hold Gunther "hostage".] Man cannot play God to the circumstances of another to hide or appease his own ego structuring. Who has sold out to the "devil" this time, readers? Gunther Russbacher or those who have MUCH TO HIDE AND WOULD MURDER RATHER THAN BE SEEN FOR THE LIARS AND THIEVES WHICH THEY ARE—SOME ARE EVEN MURDERERS! SO BE IT.

Yes, indeed, PUT THIS ON THE CONTACT TELEPHONE HOT-LINE AND THE AMERICAN PATRIOT FAX NETWORK. IF I AM WORTHY OF "PAYING BILLS" FOR SAME—I EXPECT TRUTH TO BE A PART OF THE NETWORKING!

Do I discount Harry Martin? No, I honor Harry Martin—for that which he has already given to you as blind lambs unable to get Truth from media and press. I do ask that he consider carefully what is taking place HERE AND NOW. Thank you.

**9/8/93 #2 HATONN**

**GUNTHER RUSSBACHER**

Since this is the topic of the day around here, I shall address it right at the top of our list of "things to do immediately".

I hereby go on record as making a PROMISE to the ones who are churning this miscarriage of all justice and LAW in this matter of holding a man after a judge vacates a sentence—**on the basis of OTHER CHARGES TOTALLY UNRELATED TO THAT WHICH CAUSED SENTENCING IN ERROR IN THE FIRST PLACE.**

This message is to the crew who monitor this computer and myself, and to those who check with the CONTACT telephone hotline and are causing this disgraceful conduct against "your own working brother"—YOU KNOW WHO YOU ARE!

The facts are that ones doing this are FEARFUL OF HAVING GUNTHER RUSSBACHER IN FREEDOM. THEY ARE SO GUILTY OF CRIMES WHICH WILL CATCH THEM WITHIN THE TRAP IF THE MAN IS RELEASED. **EITHER YOU BACK OFF, PARTICIPANTS IN THIS TRAVESTY OF JUSTICE—OR PREPARE TO HAVE YOURSELVES DISCLOSED AND YOUR IDENTITIES MADE PUBLIC AND YOUR "REASONS" MADE EVEN MORE PUBLIC!** You who would betray your brother (and I mean this as a brother in arms) are less than that which Col. Gritz calls scum-sucking whale (you know what).

Yes indeed, the same ones have betrayed me and mine—and perhaps there would have been better ways of handling them prior to this moment of "truth" but God always chooses the non-violent and gentle lessons before leaving the perpetrators to the destiny of their own conse-

quences within the retribution of MAN'S choices of actions.

It would be a "wild guess" on MY PART, but I assume that the CIA would not REALLY like what Sir Russbacher would present in a courtroom if charged AS YOU ONES ARE INDICATING RECENT MORE DIRECT REASONS FOR HOLDING AGAINST THE LAW, MR. RUSSBACHER. IF, HOWEVER, THE CLANDESTINE FORCES, INCLUDING THE CIA, WANT THEIR GENERAL AND SPECIFIC ACTIVITIES MADE VERY, VERY PUBLIC IN MYRIADS OF ACTIVITIES UNSEEN BY THE PUBLIC—THEN CONTINUE YOUR BADGERING AND BLACKMAIL TO COVER YOUR OWN DIRTY ASSETS.

Why would "I" be involved? Because THIS IS A PRIME EXAMPLE OF THE NEW AGE ORDER AND NEW WORLD ORDER METHODS OF INJUSTICE BY FORCE AND FRAUD AGAINST YOUR CONSTITUTION AND RIGHTS UNDER SUCH LAW. Until this kind of miscarriage of justice is made right—there is NO HOPE OF BRINGING YOUR COUNTRY INTO FREEDOM AND RIGHT. THIS is the entire purpose of my mission to your rather dubiously gifted planet. Further, one who makes a commitment to God in truth of intent for that service, SHALL BE PROTECTED BY GOD'S HOSTS SENT FOR THE PURPOSE!

I suggest that you who have perpetrated this injustice—get it cleared up right away or names, places and documented FACT will be the next order of the day! I salute you for your wisdom in action regarding this matter. At this point it is through greedy, personal garbage that this goes on as it is going—but you are going to incite to arms the waiting giant, my friends—and I don't mean "space" command. I CAN promise you one thing—Gunther Russbacher (by any name he might have been using) has MET ME and very well KNOWS me—and does NOT call me a "crocodile reptile". It would behoove several of you "brothers" to consider your attitudes and make proper adjustments lest one or two of you bring the Government itself down on the whole of you. I suggest you little "busy bodies" get busy undoing that which you have done—like NOW! And you who would incite that prison to riot—shall surely reap such rewards of return penalties as to be most disconcerting for it will NOT BE COVERED NOR HIDDEN!

Are these "threats" from some unseen Bee-bopper? Indeed not—I am stating facts of cause and effect—send and return. You who have broken your oaths to brothers—are not trusted by ANYONE and shall reap that reward in time and action—for if you are guilty once—you are suspect always! May insight be the word of "truth" for this day—followed by "right" action. Thank you.

# Watch Out! Trusts Alert

**9/8/93 #3 HATONN**

**TRUSTS—WATCH OUT—ALERT!**

I have been distracted for several days and have neglected to give you very important information regarding your reserves and protection of what you call Trusts. I have said there is a "place" for use of these instruments for your shelter of assets but I must now catch you up to attention.

You are about to be "had" by Mr. Clinton's manipulations and I have promised to alert you when these things come to pass. For what it is worth—the **INTENT is to tax all TRUST funds through the roof and confiscate major percentages of assets beyond a minimum—I believe, somewhere around \$7,000+ (I do not recall the amount) at 15%, and raising to 35% on the next increments, and so on.**

I don't have interest in looking it up for you. JUST KNOW THAT CONFIRMATION IS NOW AVAILABLE FOR CONSIDERATION OF WHAT I TOLD YOU REGARDING SHELTERS OF SAME—AND HOW ONES WOULD SET YOU UP FOR THEIR OWN GAIN IN THE USE OF SAME, CALLING THEM "BLIND TRUSTS, BUSINESS TRUSTS", ETC. **MOREOVER, THE ACTIONS WILL BE RETROACTIVE TO JANUARY 1, 1993!!!**

You who still want shelters for funds—we can help you with loans, etc., against gold collateral wherein your funds can "work", and we can help you with Nevada Corporations wherein you can find protections unfound anywhere else around—in this interim time [call 702-896-7002]. When the enemy has all his own protections in place, those corporations will also be attacked and become retroactive. It appears, however, it will NOT be in year 1993. So I suggest you take into consideration these points in making your decisions about how to possibly conserve some of your assets for your own survival needs as you pass into a barren economy and government.

**REMEMBER: THE INTENT OF THE ELITE BANKSTERS ONE WORLD ORDER IS TO HAVE ALL PROPERTY—INCLUDING YOURS!**

Whether or not there is possibility of dissolution of a Trust and shifting into some other "thing" or mode of handling your affairs, is not for me to comment upon. I am not a legal counsel—not even an advisor as to your management.

I would guess that it is, by far, too late if you set up Trusts for protection prior to

the beginning of January 1, 1993. You may wish to look into possibilities of change if you arranged same AFTER the first of the year for future protection, for if you were not in a Trust as of the first day of the year it would seem possible to rearrange status.

Check it out for yourselves. I stay in enough hot water for just mentioning these possibilities to you. I can assure you that once that new rule is set in cement—it will be valid and you will be “captured” in the web without ability to extract yourself.

# The Word “America” And Other Research

## AMERICA

Have any of you realized that there is a “definition” for the word “America”? Did your “teacher” in school tell you as much? Why? Do you suppose it might be intentional—considering the other **New World Order** expectations and the pressures of the adversary as relative to the **Khazarian Zionism** movement? You may—when you hear what IS the defined meaning of the word “America”.

**America: THE KINGDOM OF HEAVEN.** Far fetched? No. Misused? Perhaps—but then, “I” didn’t name your nation. Would it not be considerate if you were to be informed as to the true meaning of the very name of your beloved homeland? Has the “Establishment” been hiding something from you relating to your true identity? So be it.

Corporate public schools (Government controlled) teach you that your continent was named after Amerigo Vespucci. However, these corporate Government schools neglect to teach your children the meaning of Amerigo Vespucci’s name. Professor Miskovsky (Oberlin College) brought out some interesting facts about the word “America”. The Latin masculine singular for the word “Amerigo” is “Americus” and the feminine singular is “America”. The old Gothic form for the word “America” is “Amel Ric”. “Amel” means “heaven” and “ric” means “kingdom”. “Amel Ric” is found in the German language as “Emmerich” or “Himmelreich”. Thus “Amel Ric”, “Emmerich”, “Himmelreich”, “Amelukah”, “Amerucah” and “America” became words for “THE KINGDOM OF HEAVEN”! The word “kingdom” means government or governmental jurisdiction. The government of Heaven (from outer space) is to be fully implemented on Earth as we are told in the “Lord’s Prayer”.

*Strong’s Concordance* gives the word “Meluwkah” for “kingdom”, “Amelukah” and “Meluwkah” are related. A professor by the name of Odum indicates that the

letters “l” and “r” are sometimes interchangeable. The Hebrew “meluwkah” became “Merukah” and “Amelukah” became “Amerucah”, the latter being the Latin form of the word “America”.

Who is America that **she** should be blessed above every other nation in the world? Briefly, The (u)nited States for America along with the other Anglo-Saxon Celtic and kindred peoples in the world, “Christian” nations, today are prophetically carrying out exactly what Israel is supposed to do in the last days. One author says, “We are the descendants of the Ten Tribed Northern Kingdom of Israel which included people of the Southern Two Tribes. We migrated North and West beyond the Caucasus Mountains into Asia and on to the Americas. Information about this migration over time is plentiful and well documented....”

**So, now you can be aware that the story of America DOES NOT begin with Columbus, but far back into the history of one called Abraham** for those who love to research facts. Abraham “looked for a City (system) which had Foundations, whose Builder and Maker is GOD.” (Heb. 11:10) References for the above information can also be found in several sources, one of which comes from *The Voice of Liberty*, c/o 692 Sunnybrook Drive, Decatur, Georgia 30033, 2nd printing 1979.

And guess what—in deciphering **Revelation 12:14**, think about the following: “And to the woman [the true seed remnant of Israel] were given two wings of a great eagle, that she might fly into the wilderness [North America] into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.”

## SERPENT

Well, in view of this ongoing saga, we perhaps should also offer the definition of “serpent” and for this I shall ask copy of the document portion received re-

garding the subject.

## QUOTING:

For the identification and definition of our use of the word “Serpent” we will quote Scriptural passages attributed to the sayings of Jesus, The Christ, but first we need to put you on the trail of the “Pharisees” and the “Sadducees” to whom Jesus frequently speaks directly in the flesh. And Jesus speaks about their generation (serious study will reveal their mixed racial lineage, hence the attention to their “generation”). The mixed “mongrel” [H: **This is not a term as applied to “dogs” as so many are quick to jump on. It is a legitimate term used for “mixed breed” or “hybrid.”**] generation (race) of people who today call themselves Jews [H: **But are not**], from their own publications, clearly lay claim and trace their identity to being the physical flesh and blood descendants of the Scriptural Pharisees and the Sadducees.

One such account is published by the Jew historian Louis Finkelstine in his two-volume *History of the Jews*. In this work, he explains that the Pharisees and Sadducees were (are) Jews. Finkelstine also speaks of Jews making **slaves of Christians**. In another work by Louis Finkelstine, *The Pharisees*, 2nd Ed., Vol. 1, The Jewish Publication Society, 1940, pp. ss-xxi, we have this quote: “*The apogee of Pharisaism is the Talmud of Babylonia... Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name...the spirit of the ancient Pharisee survives unaltered.*”

We quote from Charles A. Weisman’s Book, *Who is Esau-Edom?*: “*During the Middle Ages Jews were found guilty of ritual murder of Christians in England and Norwich in 1146; and in northern Italy at Trent in 1475. The Jewish Encyclopedia lists 121 Ritual Murder cases from 1146 to 1900, which were actually tried in the courts. Many of the listings show convictions and the mode in which guilty Jews were executed. This is referenced to The Jewish Encyclopedia. Vol. III (1903) pp. 266-67.*

We continue from *Who is Esau-Edom?*: “*Abortion has become an overt means of child sacrifice which Jews have instituted under their de facto law. A more covert means of child sacrifice has been by their infamous ‘ritual murders, of which Jews have been accused through the ages.’ In this practice ‘the blood of the sacrificed gentile (child) is mixed with flour to make the unleavened bread eaten at Passover.’” The Illustrated Atlas of Jewish Civilization, Ed. Martin Gilbert, MacMillan Pub. Co., 1990, p. 125.*

From the EPILOGUE section, Chapter 9, subtitle “Character Roles & Identity”

from the book, *Who is Esau-Edom?* we quote the entire brief chapter:

"The Bible is a script which has several different themes. This material has dealt with one of its main themes—that being the conflict between good and evil, right and wrong, lawful and lawlessness, the ways of God and the ways of man. While this theme is fundamental and can be seen by most in the world, it has not been clear who the characters are involved in the conflict.

"There is one thing that is unmistakably evident regarding the Bible and that is it is about a particular race of people—the direct descendants of Adam later called Israel. They are the main characters in God's Script. Esau-Edom is a secondary character in this Script.

"Only when we know and identify the white European people as the Israel people, and the Jews as the Edomites, do things in the world make complete sense. When the roles of Jacob and Esau are identified, we see that everything is happening exactly as written in the Script (Scripture).

"The problem the world has been plagued with is a case of mistaken identity and unknown identity regarding the roles God has assigned to Esau and Jacob. Esau does not like the role he has been assigned (or shall we say the role that he has earned). He thus has been trying to rewrite the Script and alter, in the minds of Christians, their identity and the identity of the Jews in the Script. Thus it is believed that Esau (the Jew) is Jacob (God's chosen people), and Jacob (the white race) is just a 'gentile'.

"No one can deny that the Jews are a most unique and unusual people. That uniqueness exists because of their Edomite heritage. No other people fit the characteristics and follow the role of Esau-Edom so completely as do the Jewish people. The Jews follow the role that their ancestors, the Edomites, had followed. The Jew, however, is not just the descendant of Esau-Edom, but also of the other individuals and tribes that have intermarried with Esau. This would include the Hittites, the Canaanites, the descendants of Japheth through Gomer, Togarmah, Magog, and Ashkenaz, and the descendants of Ham through Canaan, Cush, and Nimrod, as well as the Israelites and Judahites who mixed with them [contrary to God's Law].

"Thus, in a sense, the Jews do have a heritage in the Bible, and yet they do not. As mongrels or hybrids, the Jews do have some biological roots extending back to Abraham and the patriarchs. But as mongrels, they can never possess the birthright or claim true heritage of the original or pure Adamic race. For it is written:

"A mongrel shall not enter into the congregation of the LORD; even to his tenth generation shall he not enter into the congre-

gation of the LORD.' (Deuteronomy 23:2) [H: Come now—I did NOT write this, I am reprinting it and it has much meaning which is hidden in the context and quick to be misperceived in meaning. You may well consider, however, WHY the later "Jews" or Khazarian lineage Zionists are not on the "Christ" bandwagon, for they were, from the beginning, the antithesis of "Christ".]

"Now it came to pass, when they had heard the law, that they separated from Israel all the mixed multitude.' (Nehemiah 13:3)

"Mixed Adamites, those possessing both Adamic and non-Adamic blood, can no more be a part or heir of the Adamic race than one who is entirely of another race. The law will not allow the Jews to inherit the birthright or the kingdom regardless of the fact that they have Adamic blood in them. These same mongrels and 'mixed multitude' tried to tell Christ that Abraham was their father, but Christ said:

"I know that you are Abraham's seed; but you seek to kill me because my word has no place in you.... I speak that which I have seen with my Father.... If you were Abraham's children, you would do the works of Abraham. You do the deeds of your father.' (John 8:37-41)

"Christ made the implication that these 'Jews' had another father aside from Abraham, and their response was, 'We be not born of fornication; we have one Father, even God.' But Christ [H: Are we assuming that "Christ" (a state of being) here used is meaning somehow the NAME of someone? A "man's" name is not a state of being so we would need to define just WHO is this "Christ"—the assumption, of course, is the one YOU refer to as "Jesus" (Esu Emmanuel?) (Jesus was not a proper label for the one in point in any event, for PAUL created the name "JESUS" long after Emmanuel was gone from his presence). Be careful in your interpretations, readers, or you may well be caught in something beyond that which you "think" you are reading. We have a rare tendency to INTERPRET WHAT THE "CHRIST" MEANT—AND THERE IS NO WAY TO KNOW WHAT WAS ACTUALLY MEANT IF YOU WERE NOT IN THE SPEAKING OF THE WORDS YOURSELF. Therefore, this whole writing loses its credibility at this point when an author decides to interpret "what was meant" by this or that saying and fails to say: "...in my opinion". Since, then, this has turned into an opinion without being stated as such I MUST REMIND YOU THAT THIS IS A QUOTED CHAPTER FROM A BOOK, AS STATED BY THIS AUTHOR IN CURRENT WRITING.] said, "If God were your Father, you would love me" (v.42). Can you think of anyone that hates Christ more

than these people known as "Jews" today?

"The Jews cannot represent the Adamic line, they can only claim to be of those lines from Adam that were either rejected by God or who had violated the law through interracial marriages. Esau-Edom falls under both of these classes. The Edomites were a mongrelized and rejected people throughout the entire Bible." [H: I won't go on—I wanted you to see how badly a thing can be interpreted in the "name of God". There is no way that THIS author has any right to place judgment in the name of "anyone" or "anybody". If in fact the "Fathers and Mothers" of these "mongrels" were so dastardly and bastardized the generations—do you ACTUALLY BELIEVE GOD WOULD CONDEMN THE OFFSPRING WHO WERE NOT RESPONSIBLE FOR THE ERRORS OF THEIR PARENTS? COULD THIS MEAN—"THE SINS OF THE FATHERS ARE RESTED UPON THE HEADS OF THE SONS?" Then, along comes "MAN" with his silver tongue and preferential opinions protecting his own stance, and projects such judgment upon those other than himself? Does this mean that his assumptions are incorrect? No—it means that this person has placed his opinions into JUDGMENT of another and he has NO WAY to KNOW the truth of his projections—or possibly that they be total and unfounded LIE.

I do want to go a bit further into his next segment, however, to point up the absurdity of such assumptions and wherein credibility is LOST in every instance:]

### CONSPIRACY AND CONFLICT

"It should by now be seen why talk of an 'International Jewish Conspiracy' makes no sense to the general public. They don't see or understand anything of the kind because they do not know the identity of the characters in the Script (Scripture) of God—the Bible—or their roles in that Script. Why would the Jews, which the entire church world holds up as the apple of God's eye, want to harm or destroy white Christians?"...

[H: What makes this author think that "they" do? The "conspiracy" which is destroying the world is not that of JUST JEWS. From this very kind of writing comes the wrong assumption against a "group" of people who bear, actually, a false identity label at best. The term "Jew" was conjured up by the Khazarians in the late 1700s to fill a need for themselves. They ALSO CALLED THEMSELVES THE "SERPENT PEOPLE". This has NOTHING to do with the tribes of Israel or Israel. If you don't know what you are talking about, how can you think to bring unity, peace and loving harmony into this weary world?

**There is no "Jewish Conspiracy"—THERE IS A WORLD CONSPIRACY FOR NEW WORLD-ONE WORLD ORDER AND GOVERNMENT UNDER THE RULE OF THE SELECTED FEW HONCHOS OF THE SATANIC ORDERS OF PHYSICAL EXPRESSION. TO BLAME THE JEWS IS LIKE HAVING A WHITE MAN MURDER SOMEONE AND LUMPING THE ENTIRE WHITE RACE INTO THAT ACCUSATION AND GENERALIZATION. THE "JEWS" WHO KNOW NOT THEIR OWN USURPATION—ARE THE WORST CASE OF EXPECTED DOWNFALL AND EXTINCTION BY THOSE VERY LIARS OF THEIR OWN IDENTIFICATION.**

**What mean ye: "White" race? I look upon those who claim to be Jewish (Judean) in lineage—and they look White to me! Michael Jackson, who claims to be "Black", looks White to me. GOD IS LIGHT—NOT "WHITE". Reflection of a man's skin color—does not make him "White" or "Colored". If he be of GOD OF LIGHT—HE BE "WHITE"! "WHITE" IS THE DEFINITION OF "ALL" COLOR! IF YOU DON'T GET YOUR FACTS STRAIGHT YOU ARE GOING TO MISS THE BOAT—LITERALLY!**

Let us, however, face the facts that the

symbol of "serpent" has been represented as the symbol of the adversary anti-God for as long as there has been expression in the places of physical experience. It is insulting to the well-created "snakes" and "lizards" or other reptilians, however. Just as the Phoenix Eagle is the symbol of God, so is the "serpent" the symbol of God's adversary.

I want you astrologers to consider for a moment the symbols of the Scorpio star signs of October-November. What mean those symbols? It means, in your terms, that one birthed in that "sign" can be outstandingly above and beyond that which is the EAGLE and that which is the GRAY LIZARD! (The symbol of the highest cause or the lowest!) It is not the "star" alignment which you must study—it is the meaning of the very symbols of expression PLACED ON THESE THINGS.

Does this mean that somehow to be birthed within the sign of these representations makes you "different" or "greater-lower"? Of course not—but it does give you something from which you might consider your possibilities for achievement. Would you, if you be a Scorpio sign of birthday, rather serve the Eagle or the snake? One is the symbol of God and the other has been

turned into the symbol of the anti-God. Do you wish to rise from the fire—or be caught in the pits of the embers and flames? Man misrepresents and misdefines almost EVERYTHING—always to suit his OWN ARGUMENT INTO HIS FAVOR OF PROVING HIS OWN OPINIONS.

Does this merit "good" or "bad"? I don't even know how you arrive at such "choices". If you be of the Eagle, you will follow the LAWS of the Great Spirit of which that Eagle is representative—or you will grope around in the physical entrapment of the swamp from which you cannot extricate yourself, and instead of rising above and into the security of getting "off" the burning fire (representative), you are caught clinging to the idea of your serpentdom—in the mess. If you be a souled being—GOD IS IN BOTH PLACES! BUT—THE CHOICE OF EXPRESSION IS LEFT TO YOU!

May you come into recognition of THE TRUTH for within Truth lie the secrets and unfolding mysteries of LIFE—infinite!

Thank you for sharing these moments of thought with me for ultimately all things, save these, shall be of little value to your journey—ONLY YOUR DESTINATION! Ponder it, please.

# Message To Big Boys: *Let My People Go!*

**9/9/93 #1 HATONN**

**ATTENTION  
TO WHOM IT MAY CONCERN**

We of the Command are making ourselves a massive nuisance in the New Mexico-Arizona skies [see stories on pages 2, 13 and 1] and you will be flooded with inquiries and military surveillance. I do not want you to be in panic but you must understand the importance of these encounters going on RIGHT NOW AS WE WRITE.

The military chain of command is efforting to COVER the activities from all directions and the cover-ups will increase. Agreements with our Command and over some of our people are being broken and it is unacceptable on all counts. Ones who didn't believe we were more than a figment of imaginings and some goofy woman's fantasies are going to find out differently—

right now.

I do not ask what you ones "think" or your observations on "how could this be?" The facts are that this "sighting" business is going to get "out of hand" right soon if the "big boys" don't LET MY PEOPLE GO! WOULD WE HAVE A "FIT" OVER JUST ONE LITTLE CREW MEMBER IN YOUR CLUTCHES? YES INDEED!

I SUGGEST THE "BIG BOYS" CONSIDER CONSEQUENCES VERY, VERY CAREFULLY OF THIS ILLEGAL HOLDING OF ONE CALLED **GUNTHER RUSSBACHER!** HE IS NO THREAT TO ANY OF YOU OR YOURS—EXCEPT THAT HE HAS TRUTH IN HIS BRAIN—AND YOU HARM ONE HAIR ON HIS SWEET LITTLE HEAD AND WE SHALL SEE SOME VERY INTERESTING THINGS TAKE PLACE.

How did a Special Forces Austrian-born individual get on MY team? You would be very surprised at WHO is on my direct team. Moreover, in most instances it is

only recently or "now" that the player himself—even knows they are on MY TEAM.

Would I do this for, say, Bo Gritz? No—not until he thoroughly UNDERSTANDS that I am NOT A CROCODILE REPTILE! We are not going to interfere in anything of your business. But by the same token—agreements made with my Command WILL BE HONORED OR THERE SHALL BE CONSEQUENCES. You will be hearing about those consequences.

Craft from my fleet are in your viewing now, day and night. "Weather balloons" just won't cut it, big boys. Neither will cone-shaped photon craft from White Sands "cut the mustard". You HAVE SPACE COMMAND in your skies and we will cover this nation if necessary to make a point.

In the efforts to cover a 200-mile trek in which the craft was **viewed by thousands** yesterday in New Mexico—we have PUT A CRAFT DOWN AND THAT WILL BRING

**INTO FOCUS THE REALITY OF THE MISSION FOR ONES WILL STREAM INTO THE AREA OF THE CRAFT AND THE MILITARY CRAFT YOU CRASHED TO COVER THE TRUTH!**

The "object" in your view this day in the area of the Navajo Reservation of New Mexico TODAY—ain't goin' anywhere, is it? And brothers, we are HIGH so we are BIG! You have your high-altitude trackers out here and we have some of your own craft in "tractor tow". Tit for tat—you let MY PEOPLE GO—and I will release yours!

It would be nice now, Dharma, if you get this to the ones to put onto the TELEPHONE HOTLINE and scatter Faxes everywhere anyone is interested. I suggest that Rick transcribe other incoming inquiries and information for immediate distribution [again, see that transcription, beginning on page 2].

The "stuff" is in the fan—and I need to write this on THIS COMPUTER because of the major monitoring by your ground-side

"intelligence" forces. This is NOT a game or a test. I suggest you be magnificently aware that THIS IS NOT A TEST—THIS IS THE REAL THING, GOOD BUDDIES. I EXPECT GUNTHER RUSSBACHER TO BE RELEASED POST-HASTE!

God bless all you wonderful brothers and sisters of the Lighted Hosts—for the "miracles" are about to be observed. I MEAN BUSINESS!

I am not HERE for the fun of being in your chaotic energy fields and the bastardizing destruction of a magnificent Creation of God as you ones have perpetrated. Agreements are to be kept and contracts honored for when YOU break the contract—you have taken on a most awesome enemy! I suggest you let "the Captain" go and you may be around to enjoy your games another day! If you choose not to do so—then MAKE MY DAY!

When ones come within my protection—they SHALL be protected and you of the hounds of Hell will keep your distance.

Dharma, do not allow these outside thrusts of personal nature to get to you, child. The whining excuse-makers are doing exactly THAT—whining and casting blame on you for their own KNOWING disastrous actions. These are TRIVIAL distractions and we will not bow to such antics from the greed-mongers. If this sets badly upon the digestive systems and ones say, "God's people wouldn't act this or that way"—forget it for NO ONE KNOWS WHAT GOD OR GOD'S PEOPLE WOULD OR WOULD NOT DO! GOD DOES EXACTLY WHAT HE WANTS TO DO AND THAT GIVES US A MAGNIFICENT LATITUDE TO DO LIKEWISE. YOU ARE PEOPLE "OF THE LIE" AND THE RULES ARE BEING SOLD TO YOU TO CAPTURE THE VERY ESSENCE OF YOURSELF—YOUR SOUL REALITY. IF YOU ARE SO BLIND AND CARELESS AS TO NOT COME TO SEE AS MUCH—THEN GO AHEAD AND LIVE IN SHOCKED DISBELIEF AS TRUTH DUMPS ALL OVER YOU! SO BE IT. HATONN OUT

# Khazarian Zionist Connection: *THE IRON CURTAIN OVER AMERICA*

**9/9/93 #2 HATONN**

## **"KHAZARIAN ZIONISTS" FROM: *THE IRON CURTAIN OVER AMERICA***

Since we are going to be getting some inconceivable factual research material regarding the "Khazarian Zionists" within the next short while—which has been banned from printing thus far—we need to keep you in conscious acknowledgement of this facet of the players arriving at current activities.

This next, therefore, will be from *The Iron Curtain Over America*, by John Beaty, as we continue to integrate players, teams, groups and One World Puppetmasters. So, in leaving the set of the "Committee Of 300" information for this writing, let us see if we can share the spotlight a bit more broadly and not lose our readers.

I will have many interruptions, Dharma, so be prepared to either change programs instantly or be prepared for me to take leave as we are in your sky this day and a big political-Justice System-crew confrontation is UNDER WAY demanding my attention. I believe that I have time in here to write a bit on our ongoing work and if I need to take leave, just continue in the reproduction printing until you are comfortable. Further, do not allow the changing tone impulses to penetrate. Keep that shield

intact because you are also under attack through the computer system as the monitors tap in to more circuits. It is fine—exactly what I want—so be aware but counter them, chela. If they become too alarming, I will ask you to simply go to your room and we will put you into sleep where "I" can disrupt the pulses.

QUOTING (Chapter III, p. 14 of the book in point, which was written in the early 1950s; our last installment was on pages 9-11 of the 8/24/93 CONTACT and that segment ended with the sentence, "The next chapter deals with the above-board infiltration of **Judaized Khazars**, and other persons of the same ideology, into the United States Democratic Party."):

### **THE KHAZARS JOIN THE DEMOCRATIC PARTY**

The triumphant Khazars, aided by other "converts" to Communism, strengthened their grasp on prostrate Russia by a succession of "purges" in which many millions of Russians lost their lives, either by immediate murder or in the slow terror of slave labor camps. These purges do not concern us here except as a sample of what Soviet rule would bring to America, namely, the slaying of 15,000,000 persons on a list already prepared by name and category

(statement to the author by a former, high-ranking international Communist who has deserted "Stalinism"). The lecturer, Mat. Cveltic, a former F.B.I. undercover agent, gives more recently a much higher figure: he states that almost all men and women over thirty, having been found too old for "re-education", would be slaughtered. For details, write to *Borger News-Herald*, Borger, Texas, asking reprint of *We Owe Debt* (April 16, 1952) by J. C. Phillips.

Even as they subjected the Russian people to a rule of terror the new rulers of Russia promptly and effectively penetrated the countries of Western Europe and also Canada and (as was already shown) the United States. For their fateful choice of our country as a goal of their major, though not yet completely and finally successful, endeavor there were several reasons.

In the first place, with its mutually advantageous capital-labor relations, its enormous productivity, and its high standard of living, the United States of America was an existing visible refutation of the black Soviet lie that their Communist dictatorship did more than our Republic for the workingman. The idea that the "capitalistic" democracies (Britain and America) were formidable obstacles to the spread of Communism and had to be destroyed was expressed many times by Soviet leaders and notably by Stalin in his great address

(Moscow, March 10, 1939) to the 18th Congress of the Communist Party. This elaborate official statement of Soviet policy was made *before the outbreak of World War II, and nearly three years before our involvement, and was trumpeted rather than hidden under a bushel*. It can therefore be safely predicated that our State Department, with its numerous staffs, offices, bureaus, and divisions, was promptly aware of the contents of this speech and of the Soviet goal of overthrowing our "capitalist democracy".

The second reason for large scale Communist exploitation of the United States was our traditional lack of any laws prohibiting or regulating immigration into the United States and our negligence or politics in enforcing immigration laws when they had been passed. "The illegal entry of aliens into the United States is one of the most serious and difficult problems confronting the Immigration and Naturalization Service. Since the end of World War II, the problem of illegal entry has increased tremendously. There is ample evidence that there is an alarmingly large number of aliens in the United States in an illegal status. Under the alien registration act of 1940 some 5,000,000 aliens were registered" (*The Immigration and Naturalization Systems of the United States*, pages 629, 630).

The third principal reason for the Communist exploitation of the United States was the absence of any effective policy regarding resident foreigners even when their activities are directed toward the overthrow of the government. Thus in 1950 several hundreds of thousands of foreigners, among the millions illegally in this country, were arrested and released for want of adequate provisions for deporting them.

As shown in Chapter II, above, persons of Khazar background or traditions had entered the United States in large numbers in the waves of immigration between 1880 and the outbreak of World War I in 1914. The Soviet seizure of Russia took place in 1917, however, and the hey-day for Communist-inclined immigrants from Eastern Europe was the five-year period between the end of World War I (1919) and the passage of the 1924 law restricting immigration. Recorded immigrants to this country in that brief span of time amounted to approximately three million and large numbers of the newcomers were from Eastern Europe.

Most significantly, with Communism in power in Russia, many of the new immigrants were not only ideologically hostile to the Western Christian civilization of which America was the finest development, but were actual agents of the new Rulers of Russia. Conspicuous among these was Sidney Hillman, who had turned from his

"Rabbinical education" (*Who Was Who in America*, Vol. II, p. 254) to political activities of international scope. Twenty-two years before Franklin Roosevelt gave orders to "clear everything with Sidney", similar orders were given American Communists by Lenin himself, Hillman being at the time President of the Russian-American Industrial Corporation at 103 E. Fourteenth St., New York.

Surely a relatively small number of Khazar immigrants from Russia came as actual Soviet agents; not all of them came as confirmed Marxists; and some of them have doubtless conformed to the traditional American mores. The contrary is neither stated nor implied as a general proposition. The fact remains, however, that the newer immigrants, to an even greater degree than their predecessors of the same stock, were determined to resist absorption into Western Christian civilization and were determined also to further their aims by political alignment and pressure.

In the first three decades of the twentieth century, few of the several million non-Christian immigrants from Eastern Europe were attracted to the Republican Party, which was a majority party with no need to bargain for recruits. The Democratic Party, on the contrary, was in bad need of additional voters. It had elected Woodrow Wilson by a huge electoral majority in 1912 when the Republican Party was split between the followers of William Howard Taft and those of Theodore Roosevelt, but the Democratic popular vote was 1,413,708 less than the combined Taft and Roosevelt votes. In fact, between 1892 (Cleveland election over Harrison) and 1932 (F.D. Roosevelt's election over Hoover), the Democratic candidate had polled more presidential popular votes than the Republican candidate (9,129,606 to 8,538,221) only once, when Woodrow Wilson was elected (1916) to a second term on the slogan, "He kept us out of war." In all the other elections, Republican majorities were substantial. Applying arithmetic to the popular vote of the seven presidential elections from 1904 to 1928 inclusive, it is seen that *on the average*, the Democrats, except under extraordinary circumstances, could not in the first three decades of the twentieth century count on as much as 45% of the votes.

[Editor's note: Since Commander Hatonn did not, I will jump in here and remind you that Woodrow Wilson's "elections" were anything but above-board. You have to go back to JOURNAL #16 and JOURNAL #17 outlaying the diabolical history behind the unlawful establishment of the Federal Reserve System and the IRS. The Khazarian Zionists were, like aggressive and hungry termites, working their way into our monetary system, the life-blood of a free capital-

istic economy. Putting the puppet Wilson in the White House was just a part of that larger takeover plan, as he made sure the Federal Reserve finally made it into law. In other words, the Khazarians were already quite busy with their infiltration of America by the time of World War I and they knew EXACTLY WHERE to strike to get control of this country! Moreover, just to bring this back to the subject at hand, the Democratic Party was a weak collection of misfits and thus ripe for easy manipulation.]

In addition to its need for more votes, the Democratic Party had another characteristic which appealed to the politically-minded Eastern European newcomers and drew to its ranks all but a handful of those who did not join a leftist splinter party. Unlike the Republican Party, which still had a fairly homogeneous membership, the Democratic Party was a collection of several groups. The Democratic Party was not a political party at all; it was a marriage of convenience among assorted bedfellows, each of whom hated most of the others.

In the early part of the twentieth century the two largest components of the Democratic Party were the rural Protestant Southerners and the urban Catholic Northerners, who stood as a matter of course on the cardinal principles of Western Christian civilization, but otherwise had little in common politically except an opposition, chiefly because of vanished issues, to the Republican Party. The third group, which had been increasing rapidly after 1880, consisted of Eastern Europeans and other "liberals", best exemplified perhaps by the distinguished Harvard Jew, of Prague stock, Louis Dembitz Brandeis, whom President Woodrow Wilson, for reasons not yet full known by the people, named to the United States Supreme Court. This man, at once so able, and in his legal and other attitudes so far to the left for the America of 1916, deserves attention as a symbol of the future for the Democratic Party, and through that party, for America.

According to the *Universal Jewish Encyclopedia*, there was an "historical battle" in the Senate in regard to "Brandeis' 'radicalism,'" and "his alleged 'lack of judicial temperament'." These alleged qualities provoked opposition to the nomination by seven former presidents of the American Bar Association, including ex-Secretary of State Elihu Root and ex-President William Howard Taft. **[H: Go back and read that portion again! Bar Association???**

Despite the opposition, the nomination was confirmed by the Senate in a close vote on June 5, 1916. This was one of the most significant days in American history, for we had, for the first time since the first decade of the nineteenth century, an official of the highest status whose heart's interest was in something besides the United States—an official, moreover, who interpreted the

Law not as the outgrowth of precedent, but according to certain results desired by the interpreter.

**The entire article on Justice Brandeis in the *Universal Jewish Encyclopedia* (Vol. II, pp. 495-499) should be read in full, if possible.** Here are a few significant quotations:

During the World War, Brandeis occupied himself with a close study of the political phases of Jewish affairs in every country. Since that time his active interest in Jewish affairs has been centered in **Zionism**. In 1919, he visited Palestine for political and organizational reasons ... **he has financed** various social and economic efforts in Palestine.

As a justice, Mr. Brandeis never worried about such academic perplexities as the compatibility of Americanism with a minority culture or a Jewish homeland in Palestine. Breaking away from the accepted legal catechisms, he thoroughly and exhaustively probed the **economics** of each and every problem presented. The truth of his conviction that our individualistic philosophy could not longer furnish an adequate basis for dealing with the problems of modern **economic life**, is now generally recognized ... he envisages a co-operative order. Brandeis feels that the *Constitution* must be given liberal construction.

This may be taken as the beginning of the tendency of our courts to assume by judicial decisions the function of legislative bodies.

There is testimony, also, to the influence of Brandeis over Wilson as a factor in America's entry into World War I and its consequent prolongation with terrible blood losses to all participants, especially among boys and young men of British, French, and German stock. Although Britain had promised self-rule to the Palestine Arabs in several official statements by Sir Henry MacMahon, the High Commissioner for Egypt, by Field Marshal Lord Allenby, Commander in Chief of British Military forces in the area, and by others, President Wilson was readily won over to a scheme concocted later in another compartment of the British government. This scheme, **Zionism**, attracted the favor of the Prime Minister, Mr. David Lloyd George, who, like Wilson, had with prominent Jews certain close relations, one of which is suggested in the *Encyclopaedia Britannica* article (Vol. XIX, p.4) on the first Marquess of Reading (previously Sir Rufus Daniel Isaacs). Thus, according to S. Landman, in his paper *Secret History of the Balfour Declaration*, after an "understanding had been arrived

at between Sir Mark Sykes and Weizmann and Sokolow, it was resolved to send a secret message to Justice Brandeis that the British Cabinet would help the Jews to gain Palestine in return for active Jewish sympathy and support in U.S.A. for the allied cause so as to bring about a radical pro-ally tendency in the United States." An article, "The Origin of the Balfour Declaration" (*The Jewish Chronicle*, February 7, 1936), is more specific. According to this source, certain "representatives of the British and French Governments" had been convinced that "the best and perhaps the only way to induce the American President to come into the war was to secure the co-operation of Zionist Jewry by promising them Palestine". In so doing "the Allies would enlist and mobilize the hitherto unsuspectedly powerful force of Zionist Jewry in America and elsewhere." Since President Wilson at that time "attached the greatest possible importance to the advice of Mr. Justice Brandeis", the Zionists worked through him and helped to bring America in.

**[H: Readers, you are going to be very remiss if you simply read these subjects as they fall without considering other happenings which impact on you to this day. Check out WHO was president and HOW came to be the FEDERAL RESERVE SYSTEM! If you do not pay attention you will be left with fragments so disconnected that you can't see the whole picture even though we have given all the pieces to the puzzle. Confusing? Of course—it is intended to confuse to the point of your inability to conceive the actions and players.]**

The **strange power of Brandeis over President Wilson** is indicated several times in the book, *Challenging Years, The Autobiography of Stephen Wise* (G.P. Putnam's Sons, New York, 1949). Rabbi Wise, for instance, spoke of Wilson's "leaning heavily, as I well know he chose to do, on Brandeis," and records a surprising remark by the supposedly independent-minded World War I President. To Rabbi Wise, who spoke of Zionism and the plans for convening "the first session of the American Jewish Congress", Wilson said: "Whenever the time comes, and you and Justice Brandeis feel that the time is ripe for me to speak and act, I shall be ready."

The authenticity of these statements, which are well documented in the sources from which they are quoted, cannot be doubted. Full evaluation of President Wilson will have to wait until the secret archives of World War I are opened to the public. Meanwhile, however, the management of the war in such a way as to bleed Europe to death casts persistent reflections upon the judgment if not the motives of President Wilson and Prime Minister David Lloyd George of Great Britain. Their

bloody victory and their failure in peace stand in strong contrast to Theodore Roosevelt's dramatic success in ending, rather than joining, the great conflict (1904-1905) between Russia and Japan.

After the eight-year rule of President Wilson, the Democratic Party was retired from office in the election of 1920. For the next twelve years (March 4, 1921 - March 4, 1933), the three diverse groups in the party—Southern Protestants, Northern Catholics, and Brandeis-type "liberals", were held loosely together by leaders who helped each other toward the day of victory and the resultant power and patronage. Tactfully accustomed to ask no questions of each other, these leaders, still mostly Southern Protestants and Northern Catholics, did not ask any questions of the Party's rapidly increasing contingent of Eastern Europeans.

Thus the astute twentieth century immigrants of Eastern European origin continued to join the Democratic party, in which everybody was accustomed to strange bedfellows, and in which a largely non-Christian third force was already well entrenched. Parenthetically, the best description of the National Democratic party as it existed from the time of Franklin Roosevelt's first term and on into the early 1950s is probably that of Senator Byrd of Virginia. Speaking at Selma, Alabama, on November 1, 1951, he described the party as a "heterogeneous crowd of Trumanites" and added that the group, "if it could be called a party, is one of questionable ancestry, irresponsible direction and predatory purposes."

Woodrow Wilson, who was definitely the candidate of a minority party, was elected in the first instance by a serious split in the Republican party. By constant reinforcement from abroad, however, the "third force" of Eastern Europeans and associates of similar ideology was instrumental in raising the Democratic Party from a minority to a majority status. **Some daring leaders of the alien or alien-minded wing conceived the idea of being paid in a special way for their contributions to victory.**

**Their price, carefully concealed from the American people, including of course many lesser figures among the Eastern Europeans, was the control of the foreign policy of the United States.**

At a glance, the achievement of such an objective might seem impossible. In fact, however, it was easy, because it happens under our practice that the entire electoral vote of a State goes to the candidate whose electors poll a majority of the popular votes of the State. With the population of older stock somewhat evenly divided between the Republican and Democratic parties, a well-organized minority can throw enough votes to determine the recipient of the

electoral vote of a state. The States having the largest numbers of Jews are New York, Pennsylvania, Illinois, New Jersey, Massachusetts, Ohio, California, and Michigan. These, of course, are the "doubtful" states with a large electoral vote.

Thus when the ship of patronage came in with the election of Franklin Delano Roosevelt in 1932, the Democrats of the old tradition, whether Southern Protestants or Northern Catholics, wanted dams, bridges, government buildings, and other government-financed projects in their districts; wanted contracts for themselves and their friends; and wanted also a quota of safe-tenure positions, such as federal judgeships. Neither group of old-time Democrats had many leaders who specialized in languages or in the complex subject matter of "foreign affairs", and neither group objected to the seemingly modest interest of certain of the party's Eastern European recruits for jobs of sub-cabinet rank in Washington.

The first spectacular triumph of the non-Christian Eastern European Democrats was Roosevelt's recognition, less than nine months after his inauguration, of the Soviet government of Russia. A lengthy factual article, *Moscow's RED LETTER DAY in American History*, by William La Varre in the *American Legion Magazine* (August, 1951), gives many details on our strange diplomatic move which was arranged by "Litvinov, of deceitful smiles" and by "Henry Morgenthau and Dean Acheson, both protégés of Felix Frankfurter". Incidentally, Litvinov's birthname was **Wallach** and he also used the name **Finkelstein**. Three of the four persons thus named by Mr. La Varre as influential in this deal were of the same non-Christian stock or association—and the fourth was Dean Acheson, "who served as law clerk of Justice Louis D. Brandeis" before becoming famous as a "Frankfurter boy". The principal "Frankfurter boy" is the subject of a most important article in the *American Mercury* magazine, April, 1952, (11 East 36th Street, New York 16, N.Y.). **[H: This is an old magazine so these places may or may not still be valid addresses but the information will perhaps help you find the correct "copy" in libraries, etc.]** The author, Felix Wittner, says in part:

Acheson's record of disservice to the cause of freedom begins at least nineteen years ago when he became one of Stalin's **paid** American lawyers. Acheson was on Stalin's payroll even before the Soviet Union was recognized by the United States. **[H: Stop! Go read that again, please.]**

Mr. La Varre's article should be read in full, among other things, for its analysis of F.D. Roosevelt's betrayal of Latin America

to penetration by Communism. Bearing on the basic question of the recognition of the Soviet, here are significant quotations:

The very special agent from Moscow, Commissar of all the Red Square's nefarious international machinations, chief of the Kremlin's schemes for communizing the American hemisphere, sat victoriously at the White House desk at midnight, smiling at the President of the United States.

For Fifteen deceitful years the corrupt Kremlin had tried to obtain a Communist base, protected by diplomatic immunities, within the United States; four Presidents—Wilson, Harding, Coolidge, and Hoover—had refused to countenance Moscow's pagan ideology or its carriers. But here, at last, was a President the Communists could deal with.

Many patriotic, well-informed Americans, in the old Department of State, in the American Legion, and in the American Federation of Labor, had begged Franklin Roosevelt not to use his new leadership of the United States for the aggrandizement of an evil, dangerous and pagan guest—but to send him back to Moscow, red with the blood of the Commissar's own countrymen, without a handshake.

But Franklin Roosevelt, piqued with the power of his new office, stimulated by the clique of Marxian and Fabian socialists posing as intellectuals and liberals—and by radicals in labor unions, universities, and his own sycophant bureaucracy—had signed his name to the Kremlin's franchise. Without the approval of Congress, he made an actual treaty with the Soviets, giving them the right to establish a Communist embassy and consulates in the United States, with full diplomatic hospitalities and immunities to Stalin's agents, the bloody Bolsheviks...

**November 16, 1933—at midnight! That is a date in American history our children will long have tragic cause to remember. That was the day Soviet Foreign Commissar Maxim Litvinov, plunderer of Estonia and the Kremlin's first agent for socializing England, sat down with Franklin Roosevelt, after Dean Acheson and Henry Morgenthau had done the spade-work of propaganda, and made the deal that has led the American people, and our once vast resources, into a social and eco-**

**nomic calamity to the very brink, now, of national and international disaster....**

One of the greatest concentrations of factual information, wise analyses, police records and military intelligence ever to pile up spontaneously on one subject in Washington, all documenting the liabilities of dealing with the Kremlin, had no effect on Franklin Roosevelt. He had appointed Henry Morgenthau and Dean Acheson, both protégés of Felix Frankfurter, to "study" trade opportunities between the U.S.S.R. and the United States, and he praised their report of the benefits to come to all U.S. citizens from Soviet "friendship".

The record shows that Cordell Hull, upon the receipt of this authentic document disclosing the Soviet's continuing duplicity, sent a note of protest to Moscow, but President Roosevelt could not be persuaded to withdraw his diplomatic recognition. He began, instead, the "reorganization" of the State Department in Washington and the dispatching—to far, isolated posts—of its anti-Communist career officers.

The Roosevelt-Stalin Deal, of November, 1933, **has been so costly to us, as a nation and as a hemisphere, that the full appraisal of our losses and liabilities will not be known for several generations. The Kremlin's gains within the United States and Communism's cost to us is only now, in 1951—after eighteen years of suffering a Soviet embassy in our Capital, and its agents to roam the States—coming to public consciousness. [H: Still think there is no longer a Soviet Union to bother you cute little Americans, chelas? That was OVER 40 YEARS AGO!]**

It has truly been a costly era of mysterious friendship for an appeasement of the devil, of un-American compromises with deceit and pagan ideologies. Some of its protagonists are now dead, their graves monuments to our present predicament, but others, again mysteriously, have been allowed to step into their strategic places.

Under the sort of government described by Mr. La Varre in his *Legion* article, large numbers of recently arrived and recently naturalized "citizens" and their ideological associates were infiltrated by appointment, or by civil service, into the State Department, the presidential coterie, and other sensitive spots in the government. Among those who feathered their Washington nests

in this period were not only leftist East Europeans, but actual Communist converts or "sell-outs" to the Communist party among native Americans. The solicitude of President F.D. Roosevelt for America's Communists was constant, as was shown in his steady opposition to proposed curbs upon them. Ex-Congressman Martin Dies, former Chairman of the House of Representatives Committee on Un-American Activities, bears witness in lectures (one of them heard by the author, 1950) that he was several times summoned to the White House by President Roosevelt and told—with suggestions of great favors to come—that he must stop annoying Communists. To the unyielding Dies, Roosevelt's climactic argument was, "We need those votes!" A speech (May 17, 1951) on a similar theme by Mr. Dies has been published by the American Heritage Protective Committee. **[H: No, this is not THE Heritage Foundation—the one in point was at 601 Bedell Building., San Antonio, Texas.]** Another speech by Mr. Dies, *White House Protects Communists in Government*, was inserted (Sept. 22, 1950) in the Congressional Record by Congressman Harold H. Velde of Illinois.

**The government was infiltrated with "risks" from the above described groups of Eastern Europeans and with contaminated native Americans, but those were not all. After the beginning of World War II, so-called "refugees" immediately upon arrival in this country were, by Executive Order, introduced into sensitive government positions without the formality of having them wait for citizenship, and without any investigation of their reasons for leaving Europe.** The way for this infiltration was paved by an Executive Order providing specifically that employment could not be denied on the grounds of race, creed, or national origin.

Since no form of investigation could be made by the United States in the distant and hostile areas from which these refugees came, and since their number contained persons sympathetic to the Soviet Union, this Executive Order was a potential, and in many instances a realized, death-blow to security.

Almost as if for a double-check against security, the control of security measures in the new atom projects was not entrusted to the expert F.B.I., but to the atomic officials themselves. In view of their relative inexperience in such matters and in view of the amazing Executive Order so favorable to alien employees, the atomic officials were probably less to blame for the theft of atomic secrets than the "left-of-center" administrations which appointed them. Among those admitted to a proper spot for learning atomic secrets was the celebrated alien, the British subject—but not British-born—Klaus Fuchs. Other

atomic spies, all aliens or of alien associations, were already named.

Next to the atomic energy employees, the United Public Workers of America offered perhaps the best opportunity for the theft of secrets vital to the U.S. defense. This union included a generous number of people of Eastern European stock or connections, among them Leonard Goldsmith and Robert Weinstein, organizers of Panama Canal workers, and both of them said to have definite Communist affiliations. This union—whose chief bloc of members was in Washington—was later expelled (March 1, 1950) by the C.I.O. on charges of being Communist-dominated. However, *if the U.S. Government has shown any signs of being as particular about its employees as the C.I.O. is about its members, the fact has escaped the attention of this author.*

As the years passed, the infiltration of Eastern Europeans into the government had swelled to a torrent. Many of these persons, of course, were not Communists and were not sympathetic with Communist aims. As repeated elsewhere in this book, the contrary is neither stated nor implied. The author's purpose is simply to show that **persons of Eastern European stock, or of an ideology not influential in the days of the founding and formative period of our country, have in recent years risen to many of the most strategic spots in the Roosevelt-Truman Democratic Party and thereby to positions of great and often decisive power in shaping the policy of the United States.** The subject was broached by W.M. Kiplinger in a book, *Washington Is Like That*. According to a *Reader's Digest* condensation entitled *The Facts About Jews in Washington*, **Jews were by 1942 conspicuously "numerous" in government agencies and departments concerned with money, labor, and justice.** The situation stemmed from the fact that "non-Jewish officials within government, acting under the direction of the President", were "trying to get various agencies to employ more Jews...."

The influence of persons of Eastern European origin, or of related origin or ideology, reached its peak (thus far) with Mr. Milton Katz at the helm of U.S. policy in Europe (to mid-1951); with Mrs. Anna Rosenberg in charge of the manpower of the U.S. Army, Navy, and Air Corps; with Mr. Manly Fleischman as Administrator of the Defense Production Administration; and with Mr. Nathan P. Feinsinger (*New York Times*, August 30, 1951) as Chairman of the Wage Stabilization Board. Likewise, in October, 1948, when President Truman appointed a "committee on religious and moral welfare and character guidance in the armed forces", he named as Chairman Frank L. Weil, of New York, a lawyer and **President of the National Jewish Wel-**

**fare Board.**

It is interesting to note the prominence of persons of Khazar or similar background or association in the Socialist minority government of the United Kingdom, and in French politics, beginning with Leon Blum. Among them are the Rt. Hon. Emanuel Shinwell and Minister Jules Moch—archfoe of Marshal Petain—who have recently held defense portfolios in the British and French cabinets respectively. Just as in America the non-Christian characteristically joins the Democratic Party, so in Britain he joins the leftist Labor Party. Thus the British House of Commons, sitting in the summer of 1951, had 21 Jews among its Labor members and none among its Conservative members. Whatever his racial antecedents, Mr. Clement Attlee, long leader of the British "Labor" Party and Socialist Prime Minister (1945-1951) has for many years received international notoriety as a Communist sympathizer. For instance, he visited and praised the "English company" in the international Communist force in the Spanish Civil War.

A few personas of Eastern European origin or background—or associated with persons of such background—in positions high or strategic, or both, have already been named by the author, and others, when their prominence demands it, will be named in the pages which follow. The author hereby assures the reader—again—that no reflection of any kind is intended and that he has no reason for believing that any of these people are other than true to their convictions. **[H: Still having trouble believing that your U.S. Congress and all advisors, etc., are Khazarian Zionist in intent and basically Communistic in actions? The Congress of the U.S. is CONTROLLED, readers—good, bad or otherwise. Further, it is not even impacted by the "Christian" stance of birth of your nation under God and Christ values. This is WHY you have decadence beyond description and morals which have gone "south". "America" defined as "the Kingdom of Heaven" as written yesterday (see page \*\*) — is in a sorry state of degradation!]**

First on any list of Americans of Eastern European origin should be the Viennaborn Felix Frankfurter, **[H: Keep remembering that just because this SOUNDS current—it was written in 1951 and a lot of years, manipulations and placements of HIGH LEVEL have constantly taken place.]** who in the middle twentieth century appears to have replaced "the stock of the Puritans" as the shining light and symbol of Harvard University. After leaving his professorship in the Harvard Law School, Dr. Frankfurter became a Supreme Court Justice and President Franklin Roosevelt's top-flight adviser on legal and other matters. In the formation of our

national policies his influence is almost universally rated as supreme. "I suppose that Felix Frankfurter... has more influence in Washington than any other American," wrote Rev. John P. Sheerin, Editor of *The Catholic World*, and the *Chicago Tribune*, owned by the Presbyterian Colonel Robert R. McCormick, has voiced a similar opinion. In fact, Mr. Justice Frankfurter is frequently referred to by those who know their way around Washington as the "President" of the United States. In a recent "gag", the question, "Do you want to see a new picture of the President of the United States?" is followed up by showing a likeness of Frankfurter. [H: Sort of like the Billaries?]

Mr. Justice Frankfurter is influential not only in counsel but in furthering the appointment of favored individuals to strategic positions. The so-called "Frankfurter's boys" include Mr. Acheson, with whom the justice takes daily walks, weather permitting; Alger Hiss; Lee Pressman; David Niles, long a senior assistant to president Truman; Benjamin V. Cohen, long Counselor of the Department of State; David Lilienthal, long Chairman of the Atomic Energy Commission; John J. McCloy, Joe Rauh, Nathan Margold; Donald Hiss, brother to Alger, and "now a member of the Acheson law firm"; Milton Katz; and former Secretary of War Robert Patterson, "a hundred percent Frankfurter employee". (All names and quotes in this paragraph are from Drew Pearson's syndicated column, February 1, 1950).

A powerful government figure, the Rus-

sian-born Isador Lubin, was frequently summoned by President F.D. Roosevelt for the interpreting of statistics ("send for Lube"), and was subsequently a United States representative to the UN. Leo Pasvolsky, Russian-born, was long a power in the Department of State, being, among other things, "executive director, Committee on Postwar Programs, 1944", and "in charge of international organization and security affairs", 1945-1946. Among others very close to Roosevelt II were Samuel Rosenman, who is "special counsel" and said to write many of the President's speeches; Henry Morgenthau, Secretary of the Treasury and sponsor of the vicious Morgenthau Plan; and Herbert Lehman, Director General (1943 to 1946) of the United Nations Relief and Rehabilitation Administration (UNRRA), most of whose funds—principally derived from the U.S.—were diverted to countries which were soon to become Soviet satellites as a result of the Yalta and Potsdam surrenders.

Strategic positions currently or recently held by persons of Eastern European origin, or ideological association with such people, include a number of Assistant Secretaryships to members of the Cabinet, among them incumbents in such sensitive spots as Defense, Justice (Customs and Solicitor General's Office) and Labor; the governorships of vital outposts such as Alaska (three miles from Russia) and the Virgin Islands (near the Panama Canal); appointments in the Executive Office of the President of the United States; positions in organizations devoted to international trade

and assistance; membership on the Atomic Energy Commission; and membership, which may best be described as wholesale, in the U.S. delegation to the United Nations.

The number of persons of Eastern European origin or connection in appointive positions of strategic significance in our national government is strikingly high in proportion to the total number of such persons in America. On the contrary, in elective positions, the proportion of such persons is strikingly below their numerical proportion to the total population. The question arises: Does the high ratio of appointed persons of Eastern European origin or contacts in United States strategic positions reflect the will of the U.S. people? If not, what controlling WILL does it reflect?

END OF QUOTING FOR THIS SEGMENT

Yes, it is lengthy—but, people, your entire survival revolves around knowing what has happened to your Government who now represents the CONTROL of your citizenry through the New States Constitution and the United Nations One World Order. What you do about your "survival" is about the only thing left for your deciding—the barn door is now locked, the stock got away and the barn is burning. What can you ACTUALLY do? Get right with GOD and BE PREPARED!

Salu.

**9/10/93 SOLTEC**

## **ALWAYS CLEAR YOUR SPACE**

Good morning, child. Toniose Soltec present, in the Radiant Light of Holy God of Creation. Please clear the space now, Chela. Thank you. This day it is of extreme importance that the time be taken for clearing of space for there are many adversarial forces afoot in many directions. Though you ones may not feel it always necessary to go through this act, I remind you ones that the darkness is closing in tightly about and would like nothing better than to be able to destroy that which God has and is accomplishing.

You ones are prime targets for these forces because you ones are those who are doing the most damage to their plans, and we are in the middle of tit-for-tat business this day as there are more things than you ones could imagine taking place about your world.

## **BIG DEALINGS WITH THE ADVERSARY**

Busy, busy, busy—this is the order of the day. We of the Host have had our hands quite full of late, and can only anticipate that the load shall become heavier in the next hours of your time. Let it be sufficient to say that we are in what you might call "high-level negotiations" at this very moment, in addition to the intensive monitoring of your planet that we have been involved in for several weeks of your counting. I have not communicated through writing recently due to the activity in which we have been involved. There are times when silence is the greater part of discretion, though to those who have listened, I have been around.

## **SHAKE, RATTLE AND ROLL A MOST CRITICAL TIME**

**Since my duties involve the geophysical workings of your planet, let me tell you ones right here and now that this duty has kept us more than busy for several weeks now. Those of you who have been watching the skies in the evening and nighttime hours**

**have noted our presence. The very fact that so many ships are visible and seem to be, as you refer to it, "pulled in closer" ought to tell you that we are in a constant state of monitoring and readiness—for you are at an extremely critical state of affairs—not only geophysically speaking, but politically as well.**

## **WHAT NEWS BROADCASTS?**

That which has been reported on your non-news is but fluff and flutter, meant to keep you from knowing THE TRUTH. You are seeing your Vice President doing the talk show circuit, as any good salesman, attempting to sell the "reinvention of government" to You-The-People. Are you buying it? We would hope that your answer would be a resounding "HELL NO!"

His so-called reinvention of government will amount to nothing less than total socialistic control and loss of all freedoms and your precious *Constitution*. Can you stop their bulldozing it through? Oh, that I wish you could; unfortunately, it is most likely too late to stop the wheels of change being thrust upon you—and you are now rolling downhill at light-speed into the New World Order. President Billary and sidekick Gorey Al are seeing to it that no one and nothing stands in their way.

## **INCREASED EARTHQUAKE ACTIVITY TAKES CENTER STAGE**

Let us now turn our attention to those pesky little earthquakes that are occurring about your world, that you ones are completely in the dark about. The level of seismic activity has increased at a tremendous rate in the first nine days of your new month; therefore, let us take a closer look:

### **September 1**

Honshu, Japan	4 events, magnitudes: 4.7, 5.5, 5.0, 4.7
Philippine Islands	1 event, magnitude: 5.0
Canada	1 event, magnitude: 4.1
Chiapas, Mexico	1 event, magnitude: 4.9
Sumatra, Indonesia	3 events, magnitudes: 5.8, 5.9, 5.2
Alaska	2 events, magnitudes: 3.2, 3.5

### **September 2**

Sicily	1 event, magnitude: 2.8
Halmahera, Indonesia	1 event, magnitude: 5.4

### **September 3**

Chiapas, Mexico	2 events, magnitudes: 5.5, 4.8
Alaskan Peninsula	1 event, magnitude: 4.9
Off Coast of Oregon	1 event, magnitude: 4.3

### **September 4**

Mariana Islands	1 event, magnitude: 4.7
Fiji Islands	1 event, magnitude: 5.5
Afghanistan	1 event, magnitude: 5.9
Chiapas, Mexico	1 event, magnitude: 5.1
Savu Sea	1 event, magnitude: 5.9

### **September 6**

New Guinea	1 event, magnitude: 5.8
------------	-------------------------

Note that the majority of the activity listed above is in the area of the Pacific Ocean once again, and please note the sizes of the earthquakes involved. These are significant, chelas, and I believe that you shall see even greater significance once we have reviewed

that which has been taking place in California in the past six to seven days. **The entire Pacific Plate is on the move and the stresses to this volatile plate have reached a very critical level. Is it any wonder that we have been kept so busy with the monitoring?**

### CALIFORNIA EARTHQUAKE ACTIVITY THE ALARMING TREND

For just a little more study of the situation, let us look at California. The information I shall give you at this time is directly from Earth sources, namely the Southern California Seismographic Network ("A Cooperative Project of Caltech and the U.S. Geological Survey").

The time frame is for the week from midnight Thursday morning, September 2, Pacific Daylight Time, to midnight Wednesday night, September 8. They are reporting 633 seismic events in this seven-day time frame, with significant clusters or swarms of quakes in various locations.

One cluster of events occurred 24 miles NNE of Lake Isabella. This little cluster was 66 events, with the majority occurring within a three-day window. Another cluster occurred just south of the California-Mexico border near Calexico. 107 events were recorded there, the majority of which occurred within a two-day time frame. Another cluster, consisting of 52 events, occurred beneath the area of Redlands, near the intersection of the Banning and San Jacinto Faults. The majority of these events took place within a five-day period.

They have indicated that the **total seismicity just about doubled this past week**, compared to the past few weeks. Though the majority of these shakers were in the 2.0 to 3.6 range, **the sheer numbers are what have us concerned.** This flurry of activity carries potential for greater seismic activity (greater in magnitude, that is) for your area. **As the Pacific Plate continues to exhibit such increased activity, and as the crust is exhibiting signs of "stretching", there is great possibility of further and more intense activity at the edges of the plate—and, dear ones in California, you are in the hot seat!**

Keep in mind the larger earthquakes that have taken place farther south into Mexico within this SAME time frame, as well as across the Pacific Ocean near Japan and Indonesia. **With such activity on both sides of this great expanse, the potential for a major earthquake grows ever greater with every passing moment.** The Earth is attempting to release stresses, but the intensity of the pressure continues to build, and so more pressure is released, yet greater amounts continue to build, until sooner or later the pressures are such that a catastrophic event is imminent.

Let me give you a small example of the activity. Within a four-hour period of time on the 7th of September, there were 29 earthquakes in the area of Calexico, on the California-Mexico border. On the 4th of September, within a four-hour period of time, there were 11 earthquakes in the area of Lake Isabella, east of Bakersfield—and on and on the list goes.

This level of earthquake activity has been on the increase for well over a month and the major earthquakes that occurred at the Mariana Islands were only the beginning of a very dangerous cycle. You are now beginning to see the spread of activity, just as we have discussed at length in past writings.

**Keep your eyes on the Philippines, Mexico and California, for it is in these places that the pressures and stresses are reaching critical mass, which means that potential for a MAJOR EVENT is extremely likely in the VERY NEAR future.**

[Editor's note: Maybe we here near the action should start sweating gumdrops about now. Within approximately 12 hours of when Soltec wrote this warning that you just read above, there was ANOTHER large earthquake in Mexico. This one registered at least a heavy 7.5, happened on Friday afternoon 9/10/93, and was located just off the Mexican coastal waters, in the ocean. Seems like Mother Earth has had just about enough of being nice and is about to go into some health-restoring, serious sneezing fits.]

### "WHO DUNNIT?" IS A POINTLESS QUESTION, NOW

You ones are curious about whether these quakes are man-made or of natural origin. It is becoming more and more difficult to sort out that mess, for there has been so much tampering by man that certain events were set in motion in the past and you are just now beginning to experience the results.

Because they pick the weakest points with which to tamper, and because these places already were seismically active, it is extremely difficult to say that these are all of natural origin, or that they are resultant of present and past tampering. In the long run, however, shall it make a difference whether the destruction comes from man or from Nature?

When you have utter destruction upon your globe from earthquakes and volcanoes, how many are going to be concerned with who did what? I doubt that, at that time, it will make much difference, for you will have devastation regardless and you will be in such a state of shock and panic that the last thing on your minds will be

who did it.

### GET PREPARED NOW! TOMORROW MAY BE TOO LATE

**Just know that this present flurry of activity is leading up to much greater activity and those of you who have not prepared selves have urgent need to get prepared NOW! Tomorrow may be too late for time is one luxury you do not have.**

We have covered all these things for well over a year now in great detail, and at this sitting we have neither time nor energy to repeat all the details. Just know that events are proceeding and you ones have need of preparation and GET THYSELVES RIGHT WITH GOD! When the great shaking begins to happen there will be many who will be cursing God, and many who will be calling upon Him. Which category will you be in? **You have all been forewarned of these coming events and THEY ARE NOW AT YOUR VERY DOORSTEP!**

It is not a time for sleeping, Chelas—it is a time for the doing and the preparing. Our job has been to keep you informed and bring unto you ones instruction for your safety and survival. All the information in the Universe will be of little value unto you unless you do something with the information. If all you have done is read and then fretted and worried about that which you have been told, then you are not prepared and all the information will have done you no good at all.

### AN OUNCE OF PREVENTION — NOW!

Take a walk through your dwellings and take an inventory of all things. If you have need of a thing, **THEN GET IT NOW!** Get glass objects stored away in a safe place, for when the shaking begins they will get broken—and worse, flying glass is highly dangerous. Glass shards penetrating the body are extremely painful and, at worst, lethal!

Know where your gas valves (and turn-off wrenches) are located so that you can turn the gas off when the shaking begins. If you live in more rural areas, your best chance for survival will be outdoors, away from structures. The greatest danger in earthquakes is from the collapse of buildings, explosions from ruptured gas lines and electrocution from downed electrical lines, so stay clear of these as much as possible. Also stay away from windows as the glass will break and become airborne projectiles.

**Basic COMMON SENSE will be your best tool for survival—and remain calm—panic in these instances will cause you to do foolish things and can bring about**

**Injury or death.**

Talk with other family members and have a plan on where to go and what to do. It is wise to have an alternate plan as well, especially if family members are separated and not at home.

After a major earthquake, even if you still have running water **DO NOT DRINK IT**, for it is highly possible that the lines will have been jeopardized and the water contaminated. You should have *PURIFIED* water stored already, if you have been paying attention in the past. [See back pages for a discussion of water purification with 35% food-grade Hydrogen Peroxide, as well as a checklist for a possible 72-hour emergency kit.]

**REMEMBER THE CHILDREN!**

Knowing what to do, where to go and how to make do during an emergency situation can mean the difference between survival and death. Those of you who have children should have earthquake drills at home, just as they do in the schools. Let your children know that it is serious business, but do not instill fear in them, for the fear will only cause them to be immobilized during an actual event. You want them to have clear heads and know what to do, because you may find yourselves unable to reach your children during the earthquake and they need to know what to do on their own, should the need arise. You will be amazed at how resourceful children can be in an emergency situation if they have received proper instruction.

**Yes, you are at an extremely crucial point and you ones need to have yourselves ready for just about anything. You have witnessed many unusual weather occurrences this past year, and you are going to have earthquake occurrences as well. It is simply fact!**

We are not attempting to instill fear or panic. We are simply trying to instill in you ones the severity of the situation you are in. Your world is upside down, and if you intend to survive, you need to have this information—for to be forewarned is to be forearmed. You will not get this information from anywhere on your planet, for you are purposely kept in the dark until it is too late.

Let us draw this to a close at this time and get it into the works. Keep the Light of Holy God about you during the days ahead, and stay ever mindful of who and what you are. You ones are going to need a good dose of courage, but know that you have the capability and ability to get through this time.

Blessings upon each and every one of you. I leave you, as always, with the Radiance of Holy God.

Toniose to clear. Salu.

# Three-Ring Circus

(Continued from Front Page)

SHOULD be without being locked into what "I" am doing. What "I" am doing fits in the category of your "curiosity" while "Rome Burns"!

Indeed a LOT of things are going on in New Mexico—not the least of which is a big cover-up and game-playing with your trinkets. More IMPORTANT TO YOU, however, is the Shuttle launch in the face of that which is going on in your heavens. Get ready for some massive impacting repercussions for human actions.

You must understand that you have several facets (groups) within your own governmental structure and enforcement teams. The "farce" of agreements with Israel and Palestine is exactly what it appears to be—between orchestrated, programmed individuals. It is a bigger show-and-tell, even, than the foolishness that the "downfallen" Soviet Union pulled on you-the-sheep-weeples.

I, however, am not going to divulge any information which might well jeopardize the well-being of any ONE of my people on Terra-Shan (Earth). It should be called, henceforth, *TERROR-SHAN*.

Indeed I STILL have your craft in tow and crews are getting pretty nervous. However, aboard our ships they will not miss their junk-piles and play-pens so very much.

## CONES AND DUMB-BELLS

You readers had best take stock of that which they are doing NOW. How is it that only a week ago "they" INTRODUCED a new toy at White Sands and ALREADY you have show-and-tell gatherings to witness it—along with promises to take it "even higher" each testing!?! I could also ask you to note that for manipulation and maneuvering there were definitely fuel-based propulsion systems emitting flame and thrust. It is, however, the ONLY thing you have around which could remotely look like the big upside-down cone in your sky in the area. YOU HAVE GOT REAL BIG TROUBLES!

Who is it and what is it? You shall find out much sooner than you probably REALLY want to know.

## MILITARY TROOPS AND GEAR CRAWLING ALL OVER NORTHERN ARIZONA AND NEW MEXICO

You have troops gathering in the area of the Arizona-New Mexico border areas—serious troops; Federal, National Guard AND United Nations—headed, actually, by United Nations order-givers.

You have several "down" things crashed or set-down in the area upon which "they" are converging and I want to see what the press and releases say about it. I don't want to spoil surprises.

I do, however, repeat: LET MY PEOPLE GO! THE GAMES ARE GETTING LESS AND LESS ACCEPTABLE TO OUR FLEET. Yes indeed, there are some neat Russian craft outside your atmosphere ALSO—and they are not in a good mood over that which the UN Elite Puppetmasters plan to tinker.

## TEA IN THE ROSE GARDEN?

Wouldn't you THINK it a bit dangerous to have such key officials all gathered in the Rose Garden in Washington on the morrow—IF THEY WERE THE "REAL" THING? COME ON, READERS, WASHINGTON D.C. WOULD BE FAR EASIER TO TAKE OUT THAN WOULD NEW YORK! YOU ARE BEING SET UP FOR ACTIVITIES OF INSURMOUNTABLE CONSEQUENCES.

Will anything serious happen? NOT IF I CAN HELP IT! However, there are a whole bunch of irritated "hornets" buzzing about and the blind-lamb doers are programmed to react to such manipulation.

## EARTHQUAKES

Once again the Puppetmasters (all inclusive any more) are threatening to blow the San Andreas Fault—again threatening. This is an old and continual threat. I can, however, GUARANTEE some interesting things coming down with the new toys they are playing with out here. You won't find the Shuttle *Discovery* any further out than Australia, however, so don't worry about the

team on board—if there REALLY IS a team on board. You have been told and shown so many lies that you cannot know, can you? The whole **Shuttle program** has been a massive and expensive FARCE!

## WHY WHITE SANDS?

Because it has always been the central nerve center of such operations. It is where robotoid-duplicates and telescopes and little gray aliens are first manufactured. The more sophisticated training and programming places and regular duplication centers are scattered about—but White Sands is the nerve center for these types of programs, in the United States. The little show-and-tell ice-cream cone (upside down) did not, you notice, flip out of Edwards A.F.B. or one of the Northrop facilities. They had to produce it wherein they could hope to cover tracks of deadly consequences.

## MORE PLAGUES COMING

Get ready for the biggest plague to hit your world. I suggest you keep up your Gaiandriana and balanced survival needs. [See next-to-last pages for descriptions and other ordering information.]

## WORLD RELIGIONS MEET IN CHICAGO

How many of YOU are even aware of the World Religions meeting in Chicago around the end of August? I thought not for you were really busy with Labor Day picnics and complaining about no jobs and worse.

However, one of the most important meetings was taking place which will suck the world religions (by majority VOTE) into the Khazarian United Nations-dominated New World Order and this will set the foundation for the accepted "religions" to be based on "new age" "everything" is acceptable and should be expressed openly and without moral consequences—EXCEPT FROM GOD, OF COURSE.

THIS WAS A "REAL" DIALOGUE WITH

THE DEVIL, MY FRIENDS, AND THE CONSEQUENCES WILL BE MOST DISAGREEABLE AS YOUR CHURCHES AND LEADERS PUSH EVER MORE IN THE DIRECTION OF A WHOLLY GOD-LESS REALITY OF EXPRESSION. IF YOU OBJECT TO SUCH VOTED-IN IMMORALITY YOU SHALL BE PUT OUT OF THE CHURCHES, IN TIME, AND EXTERMINATED, IF YOU CONTINUE TO FOIST "CHRIST" AND "GOD-CHRIST" UPON YOUR BROTHERS.

OH, IT WON'T **"APPEAR"** THAT WAY BECAUSE THE **"NAMES"** OF GOD AND CHRIST SHALL BE CENTERED ON EVERY BANNER—**TO DECEIVE YOU! GOD "ALLOWS" YOU TO BREAK HIS LAWS—HE CERTAINLY DOES NOT REWARD YOU GRACIOUSLY FOR DOING SO!**

ROSS PEROT

It is imperative that we continue to give attention to important writings on the "Committee of 300" and their New World Order, and the "Iron Curtain Over America", I want to remind you to NEVER ease up on presenting (yea, demanding) that Ross Perot get these pieces of information. It matters not whether he "believes" in Space Cadets—it is OBVIOUS that WE ARE HERE! THE POINT HAS NOTHING TO DO WITH "US"; IT HAS EVERYTHING TO DO WITH DEMANDING THAT HE ATTEND WHAT IS **REALLY** GOING ON IN YOUR WORLD—AND IT BEGINS WITH YOUR NATION.

[Editor's note: Many of you have already been quite diligent about "bombing" Ross Perot with CONTACT information. For you who wish to do so: Ross Perot, The Perot Group, 12377 Merit Drive, Suite 1700, Dallas TX 75251.]

Pay attention when the news writers slip and give you a bit of viewing of what he might be doing, i.e., yesterday he came out and made a statement against removing the trade embargo with Vietnam. **He said that if the embargo is removed and agreement is reached—THE POWS REMAINING WOULD BE KILLED.** There is a hunger strike going on by some in favor of the POWs and against the trade agreement.

YOU MUST KEEP UP WITH THESE THINGS AND SUPPORT THIS MAN AS HE EFFORTS TO BE HEARD. IF HE CAN COME INTO REALIZATION OF HOW THINGS "REALLY" ARE, THERE IS YET A PRAYER OF AMERICA RISING AGAIN. I SEE NO OTHER LEADER WHO CAN EVEN BEGIN TO "TOUCH IT". I have little optimism that he can do much at this late time of insight—but who else do you have??

Could he be a facade also?—to keep you distracted in false hopes while Rome

burns? Yes, but to sit and be slain is not the "American" way, my beloved friends. Remember the meaning of the word: **"America"—The Kingdom of Heaven!** [See the interesting writing beginning on page 16 on the meaning of the word "America".] For how long can it be worthy? Perhaps it already is NOT—but things WILL BE COMING DOWN RIGHT HERE!

PROPHECIES

You are watching some of the more serious "signs" of the prophecies coming to pass! It was said that in the end there would be shoutings of "peace, peace!" and there would be no peace to be found. There is none to be found, chelas.

AND, for you who can remember a lot of the things which we have told you in the reminding—that the ones who would "bring peace to the Middle East between the Israelis and Palestinians—WOULD BE A MAJOR ANTI-CHRIST FIGURE IN THE WORLD TOTAL DESTRUCTION! Look very, very carefully at that which is taking place—right in your own national "rose garden". So be it. Ignore the signs and you are doomed!

What of the things happening in the "Heavens" and what it all means? I suggest you find an ancient Native American brother who has been given the visions of these times—and ask HIM. Right on schedule—right on location!

The Phoenix is GOING TO RISE AGAIN, friends—will you be on the flight or still voting-in deliberate death through your "right" to sex-deviation and other interesting degradations? These are your privileges—they are NOT, however, YOUR "RIGHTS"! YOU HAVE NO RIGHTS TO DAMAGE ANOTHER BY YOUR OWN WANTON ACTIONS! HOW ANY MAN WOULD MISUSE HIS ONE GIFT OF IDENTIFICATION AND RECREATION OF SPECIES BY DUMPING INTO THE WASTE-HOLE OF HUMAN-EXCRETION IS BEYOND MY IMAGININGS—EXCEPT THAT MAN ONLY THINKS THIS LEVEL OF ESTEEM OF SELF. It is NOT love, my friends—for that is an insult to the meaning of the term in truth.

Love is protection, giving and rejoicing—not damaging, bringing pain and loathing of the act itself offered in beauty for re-creation with that which is natural in Nature for such re-creation.

You now murder the offspring of natural Creation activities as if a mass prophylaxis. What does this mean? It means that you are now programmed to destroy your own species—and limit

world population exactly as planned to do so—through your own stupidity.

ANGRY?

Me? Angry? No! Why should I be angry over your stupid antics? I come to get our people in the sorting. You can continue to argue about the matters of physical allowing all you wish—for that is where you shall remain—in the PHYSICAL consequences!

Anger plays no part in the overall at all—it is exactly as it was and is expected from Satanic-led humanity. You might well be irritated at a 3-weeks old babe for dirtying his diapers—but to be "angry" would certainly be stupid. You are just a bunch of babes with dirty diapers—and fortunately, changing those diapers is NOT my PROBLEM—THAT IS **YOUR PROBLEM!**

IRRITATED? YES, BECAUSE YOU ALLOW SUCH FOOLISH THINGS TO HAPPEN AND THEN STRUGGLE AND ARGUE OVER "WHO IS RIGHT" AND "WHO IS WRONG"—ESPECIALLY IN YOUR RECENT PATRIOT GROUPS—WHILE THE VERY PROGRAM WHICH MIGHT HAVE A CHANCE OF PULLING YOU OUT OF YOUR TRAP IS KEPT IN PRISONS AND OUT OF ABILITY TO SERVE OR USE THAT WHICH HAS BEEN SET ASIDE FOR USE—**FOR YOU!** I find it inconceivable that you are so BLIND!

I would reprint a paragraph from a document sent to me. The point of the paper is not important—the final statement is very important:

*"My observation is that the most dangerous people to active patriots are 'friends' and 'neighbors' who have been brain-washed into sheep and who will turn you in out of spite or fear over some trivial statement or action on your part. The next thing you know, the storm troopers are at YOUR door on a tip that you have an 'illegal' gun or have 'hate' literature. As Jesus said on the occasion of his betrayal, 'Forgive them Father, for they know not what they do.' MAY GOD HELP AMERICA!"*

Salu.

## Disease that killed 3 Jackson inmates still baffling doctors

By Eric Freedman  
and Kenneth Cole

DETROIT NEWS LANSING BUREAU

LANSING — Josh Brown wrote Gov. John Engler more than a year ago, begging for a chance to die at home instead of prison.

"I know I'm dying," said Brown, 41, who had AIDS. "I've accepted that. I just prefer to die at home."

His request for parole was denied. Last week, the Detroiters was one of three inmates killed by a mysterious disease at Jackson State Prison.

So far, at least another 38 inmates and a corrections officer have sought treatment for the illness, sparking fear at the facility.

"I wouldn't say people are panicking. They're professionals," said Ed Fox, president of the Michigan Corrections Organization, which represents the state's 7,500 prison guards.

"Not knowing (what caused the deaths) is the biggest fear," Fox said. "These people have families and are concerned they'll be taking something home."

There are about 1,200 guards at the two Jackson facilities in which prisoners with the disease were housed. In all, three prisons make up the Jackson State Prison complex.

State officials are still hunting for the cause of the disease and warned Wednesday that it will take a week or more to determine its cause.

"We don't know exactly what we're dealing with at this point," said

Dr. Ronald Davis, chief medical officer for the state Public Health Department.

"We do have a pretty good idea that it's not tuberculosis; it's not Legionnaire's disease; it's not bacterial pneumonia; and it doesn't look like a fungal illness," he said.

In addition to Brown, the pneumonia-like illness is blamed for the deaths this week of Michael Hurd, 39, of Ferndale, and William Peoples, 62, of Detroit. Hurd and Brown were serving sentences of 7-15 and 5-15 years, respectively, for breaking and entering. Peoples was serving 20-30 years for a drug conviction.

Brown was quoted in April 1992 by The Detroit News in a report on AIDS in Michigan prisons.

"More than anything, I don't want to die in prison," Brown said then.

His older brother Rodney also had AIDS and died behind prison bars.

Like Brown, Hurd and Peoples had serious health problems, including hepatitis B and heart disease. The Corrections Department had no other information on them.

In addition to the three dead, seven other inmates and one corrections officer were still hospitalized Wednesday.

Davis said the disease may have been transmitted by sneezing or coughing.

Symptoms include a fever of at least 100.5 degrees, lower respiratory tract infections often identified by

coughing and pneumonia, and an onset of illness since Aug. 23, when it first was noticed.

Scientists at the state Health Department in Lansing are examining antibodies in the blood of patients and victims in an effort to pinpoint the cause.

"We look at the body's response," Davis said. "People have an antibody specific to a particular virus, and we can look at their antibodies against HIV (the AIDS virus) and against a variety of known viruses, ones that are or have been in the community," Davis said.

Because it generally takes 10 days to two weeks to isolate a virus, however, Davis said finding an answer may take at least another week — if the cause is identifiable at all.

Although there is no evidence the disease has spread beyond Jackson Prison, Davis said the risk of a communicable disease spreading is higher in institutions like prisons, day care centers, nursing homes and hospitals than among the general public.

Treatment depends on severity. Some patients require respiratory support such as oxygen or inhalants, intravenous fluids and medication to reduce fever.

The Health Department also is tracking civilian and prison clinics and hospitals to see if they encounter the same disease.

# Mysterious illness kills 3 prisoners

■ **Scare at Jackson:**  
33 are treated, nine hospitalized with pneumonialike bug.

By Becky Beaupre  
and Mike Wowk  
THE DETROIT NEWS

A mysterious pneumonia-like illness has killed three inmates in the State Prison of Southern Michigan at Jackson and hospitalized nine other people, including a corrections officer, at the 7,000-prisoner complex, state health and prison officials said Tuesday.

It may take a week or more for laboratory tests to pinpoint the nature of the illness, said Craig Hutchinson, medical director for the Jackson region of the Michigan Department of Corrections.

"At this point, we're just waiting for science," he said. "It could be anything."

He said that because of the pneumonia-like symptoms, officials tested for Legionnaire's disease, but those tests came back negative.

As many as 70 people may be ill,

33 of whom have sought medical treatment, he said. All of the dead and hospitalized had weakened immune systems, officials said.

A Detroit inmate with an advanced case of AIDS died Saturday. An inmate who was ill with hepatitis died of the pneumonia-like symptoms Tuesday morning. A third inmate, who had a heart ailment, died Tuesday afternoon. Their names are being withheld until relatives are notified.

A guard supervisor, also not identified, was in critical condition in Foote Hospital in Jackson with similar symptoms, officials said. The conditions of the eight hospitalized inmates were not known.

"I couldn't tell you with certainty all of the transmission is over, or all of the illness is over," said Dr. David Johnson, chief of the communicable disease control division of the Michigan Department of Public Health.

"It would appear the bulk is over, but it is too early to say."

Those with chronic diseases are hit most severely because their ability to fight infection already has been weakened, he said.

Johnson said the sick inmates

have fevers and body aches. Their X-rays reveal signs of pneumonia.

All of the affected inmates are from the Charles E. Egeler Correctional Facility and the Trusty Division at Jackson.

The two units are on opposite ends of the sprawling Jackson complex, raising fears of more widespread outbreaks, said Fred Parks, president of the Michigan Corrections Organization, the guards' union.

"They're anxious, they're upset and worried, and they don't know what to do," Parks said of the guards. "I hope it's nothing more than a new strain of flu."

Illnesses spread quickly through prisons like Jackson because of the large numbers of inmates, he said.

"You can't pack 7,000 inmates and 1,500 employees together like that without having a common cold or flu spread real fast," Parks said.

In a normal week, only six inmates out of the 7,000 in Jackson suffer pneumonia-like symptoms. Of the 33 cases reported in this outbreak, 25 occurred within the last week.

Although many types of virus do not respond to antibiotics, the patients are being treated with the drug erythromycin, which attacks a broad range of infections. Johnson said it is too early to determine whether the antibiotics are helping.

The U.S. Centers for Disease Control in Atlanta have been notified of the investigation.

Prison staffers and inmates were advised Tuesday to take normal precautions, including washing their hands frequently, and covering the mouth and nose when sneezing.

# Hydrogen Peroxide Use For Purification Of "Stuff"

*Editor's note: We are re-running this important information on the purification uses of Hydrogen Peroxide not only because of its usefulness in conjunction with the New Gaia Products items (on the next-to-last pages), but also as a general "antidote" to the satanic Elite's water contamination and other "plague" introduction plans.*

**4/27/93 #1 HATONN**

## NECESSARY INSTRUCTIONS: GAIANDRIANA AND OTHER "PRODUCTS"

As we sit to pen this information I am at a loss as to how to keep you from thinking me idiot-material. However, you who already have past information, say, regarding Hydrogen Peroxide and its antiseptic-antibiotic properties, please be patient while we offer information to those who have not received same. Further, Summer is upon you and such as Gaiandriana and the Mo-Gu starters and-or tea need updated care instructions. [See next-to-last pages for the New Gaia Products being referred to here.]

We have gotten back from ONE who said he had the "stuff" tested and found a few bacteria, a virus or two and some E. Coli in the test-run. If it were the Gaiandriana I question that result very, very much. **It is important for you to know that in the culture medium utilized there is a combination of items which CREATE AND PRODUCE HYDROGEN PEROXIDE in the Gaiandriana transformation.** This will purify the liquid. This does not mean that you cannot contaminate the bottle in some manner. However, since intake decreases, usually, let us consider the "setting" bottle, etc. Of course it is recommended that you store the larger quantity in refrigeration facilities.

HOWEVER, if you have no refrigeration facilities, etc. Place the equivalent of 10 drops of food-grade (35%) hydrogen peroxide (H<sub>2</sub>O<sub>2</sub>) in a small quantity (approximately an ounce) of water (to first dilute the H<sub>2</sub>O<sub>2</sub>) and then add this diluted H<sub>2</sub>O<sub>2</sub> to the 32-ounce Gaiandriana or Aquagaia bottle. Remember to scale down the number of H<sub>2</sub>O<sub>2</sub> drops utilized for the smaller

16-ounce and 8-ounce product bottles. The Gaiandriana or Aquagaia will continue to thrive and the unwanted bacteria and-or any virus will be destroyed and then actually removed by ingestion by the Gaiandriana or Aquagaia activity.

The "tea" (Mo-Gu) is a very different matter. You are making a very sweet growing medium for the membrane and in addition you are growing it in a warm condition (necessary) and further you are setting it for a couple of weeks or so, give or take a bit. What do I suggest? Well, I suggest that probably you won't want to ship much "tea" during the hot months because of lack of refrigeration in route. But, you CAN purify the water used in making the tea with the general rule-of-thumb water-purification formula of 7-10 drops of 35% food-grade H<sub>2</sub>O<sub>2</sub> per gallon of water—which will additionally help enhance the membrane growth.

Then, later on, as you process or "harvest" the finished Mo-Gu tea product, and store it in the refrigerator, add another 7 to 10 drops (say, for a gallon storage container of Mo-Gu, with scaled down number of drops for smaller storage containers) of the 35% food-grade H<sub>2</sub>O<sub>2</sub>. Again, first dilute the H<sub>2</sub>O<sub>2</sub> in some water before adding to the Mo-Gu. You will not taste it and neither will it hamper the value.

I always suggest, in adding any 35% food-grade H<sub>2</sub>O<sub>2</sub> to anything, that it be **DILUTED FIRST**. Just as you must NEVER drop concentrated anything into the mouth (for it would damage living cellular structures), neither do you dump it full-strength into living culture medium. Dilute it in a bit (say, an ounce) of water first and STIR rapidly whatever it is you are dumping the diluted H<sub>2</sub>O<sub>2</sub> into for purification purposes. Naturally, if just purifying a gallon of water, there is no need for active stirring, though a little closed-container agitation (a few shakes) won't hurt.

## GETTING "SLIMED"

Another question: What about that

slimy goo in the bottom of the bottle of Gaiandriana or Aquagaia if left out of refrigeration? GOOD GOO! I suggest you now go get some FOOD-PROCESSED ALOE VERA LIQUID. Take a half cup or so of it (some of it is even orange or lemon-lime flavored, etc.) and dump in the "goo" and last portion of a Gaiandriana or Aquagaia bottle. Or, strain the "goo" out of its original bottle and place it into the new aloe vera "home". Leave set for a couple of days and you will have a concentrated batch of Gaiandriana or Aquagaia product which will be an addition to the original bottle.

This is NOT a replacement for the original batch you get for it will not contain all you need. However, in ones who intake products which tend to kill off a portion of the Gaiandriana in the body (like caffeine in coffee)—this will enhance the potency—even if you just drink a little. Remember, Aloe Vera itself has a tendency to make some people feel "queazy" so DO NOT OVERDO how much of this you drink!! However, a full-blown AIDS victim could take ten times a "normal" amount and only improve—for perhaps "feeling good" is a very relative state of being.

Some people are going to run fevers and have "crisis" symptoms as healing takes place. If this goes on for very long, look to other health problems for the cause. First, treat the "liquid batch" with hydrogen peroxide as above described. THEN start on a regimen of hydrogen peroxide according to the instructions given again herein [chart on following page at bottom].

I happen to know that you do not need to work up to any 25 drops as the instructions [following] claim UNLESS you are suffering from flu, infection, or other maladies. If you are "well" and "anything" makes you feel bad—either stop it or, certainly, decrease the amount. USE YOUR REASONING MIND!! Like anything of this nature—TOO MUCH WILL MAKE YOU SICK OR BE DETRIMENTAL—EXCEPT WITH GAIANDRIANA—AND THEN EVEN THOUGH YOU MIGHT NOT FEEL GOOD (BECAUSE OF THE OVERDOSE OF ALOE FROM THE CUL-

TURE MEDIUM), YOU WON'T HURT YOURSELF.

### **HYDROGEN PEROXIDE — H2O2** **(35% Food Grade)**

Purchase a small eye dropper bottle at the drug store. Fill your small dropper bottle from the large bottle as needed. The large bottle may be stored in the refrigerator or in the freezer inside another plastic container. The small eye dropper bottle should also be kept in the refrigerator. **Always use caution when handling 35% hydrogen peroxide!**

**DO NOT** use with carrot juice, carbonated drinks or alcohol. For best results, take on an empty stomach 1 hour before a meal or 3 hours after meals.

**Formula:** Mix the number of drops of 35% hydrogen peroxide into at least 6 oz. of distilled water, juice or milk and stir vigorously, then drink the mixture. Some people eat 1/4 to 1/2 of a banana immediately after drinking the solution. You may prefer something else to eat.

If your stomach gets upset at any level, stay at that level or go back one level. Then proceed to increase your daily dosage again.

When free of complaints you may taper off by taking:

25 drops once every other day for 1 week,  
25 drops once every 3rd day for 2 weeks,  
25 drops once every 4th day for 3 weeks.

A good maintenance could be 5-15 drops per week, or whatever makes you feel good.

If you get the 35% hydrogen peroxide on your skin rinse it under running water for several minutes.

**Soak feet:** 1-1/2 oz. 35% to 1 gal. of water.

**Bath:** 16 oz. 35% to a tub of water to detoxify.

**Colonic:** 1/2 pt. of 3% per 5 gal. of water.

**Douche:** 6 tablespoons of 3% per qt. of water.

**Candidiasis:** 1 drop of 35% 3 times a day; then increase schedule.

For the more serious complaints, stay at 25 drops 3 times per day for 1 to 3 weeks. Then graduate down to 25 drops two times per day until your problem is taken care of. This may be from 1 to 6 months.

If you have a weak stomach you may experience nausea similar to that in pregnancy. Also as dead bacteria or

various forms of poisons are released you will experience a cleansing effect as they are released through the elimination organs of the body: skin, lungs, kidneys and bowels.

Some reactions to the cleansing effect could include skin eruptions, nausea, headaches, sleepiness, unusual fatigue, diarrhea, head or chest cold, ear infections, boils or any other ways the body uses to loosen toxins. This is a natural cleansing of the body and should be of a short duration as you continue to maintain your program.

**Formula to make a 3% solution of hydrogen peroxide.** Put 1 oz. of 35% hydrogen peroxide in a pint jar. Add 11 oz. of distilled water. This will give you 12 oz. of 3% H<sub>2</sub>O<sub>2</sub>. Use also for brushing teeth and applying to skin sores.

Do not use 35% H<sub>2</sub>O<sub>2</sub> if you have had a transplant.

### **TO THOSE OF YOU WAITING** **FOR NEW STRENGTH OF PRODUCT**

Because I have mentioned that work is being done on strengthening the Gaiandriana, some of you are backing off and waiting. Please don't do that for research is being done and it will be a while. In addition, one of the items in the medium is being removed in order to enhance the strength. This will mean that you can get the same basic result by adding some food-processed aloe vera to the initial product which will allow a higher level of Gaiandriana presence. Gaiandriana will only grow to its level of fuel (food) available—so just treat the product accordingly.

I am, further, requesting that all further product be receiving hydrogen peroxide for purification purposes. Any that YOU ADD, however, will only enhance—not damage.

### **OTHER PRODUCTS**

We have tried to make available other products to use in conjunction with the Gaiandriana. **USE YOUR REASON HERE ALSO!!** If something makes you feel bad—don't use it!, cut back on amount or forget it altogether. These are all natural substances so remember, if you are eating anything that makes you feel bad—you quit eating it, right? Just continue the Gaiandriana—I promise you—it is not making you ill. If you are reacting, then it may be due to the "base" or "combining" substance in tableting, etc.

### **CHLORELLA**

We get complaints about chlorella causing indigestion, etc. Chew the tablets or dissolve in a bit of liquid before intake.

Now again, use reason. Are you still eating in addition to the chlorella? Well, perhaps you will wish to reduce the intake. It is better for you than food but you **DON'T NEED EVERYTHING**. We are efforting to show you what you could take with NO food in survival situation **AND STILL BE ABUNDANTLY HEALTHY**. Adjust your intake accordingly. If you are caught in an emergency and need survival sustenance—now you know what to take for health needs.

You can subsist on chlorella and water alone. Add Mo-Gu tea, a bit of spelt bread and some lentils (preferably red) and you

can live healthily ever after—in other words, it would not be malnutrition that would "getcha". AND ALWAYS KEEP FOOD-GRADE HYDROGEN PEROXIDE AVAILABLE TO PURIFY EVERYTHING. REMEMBER, 7 DROPS OF 35% FOOD GRADE HYDROGEN PEROXIDE TO A GALLON OF WATER WILL PURIFY IT AND THE WATER WILL PICK UP A MUCH IMPROVED "FLAVOR" OF FRESHNESS—UNDER MOST CIRCUMSTANCES NOT EVEN NOTED AT ALL. THIS is why one of the first items confiscated from health food stores, labs, and so on—IS HYDROGEN PEROXIDE IN FOOD GRADE. I remind you readers of long standing: the best treatment for arthritis and other seemingly "incurable" diseases is hydrogen peroxide therapy in accompanying regimen of Gaiandriana which moves in and restructures the cellular restructuring of self.

### CRYSTAL LIFE

That is an exceptional product but has become almost out of sight expensive. However, the best results with Gaiandriana are being reported with continued, even if remarkably decreased amounts, of Crystal Life continued right along in conjunction with the Gaiandriana—mixed or otherwise. About 8 to 10 drops mixed or separate under the tongue three times a day is excellent. In illness, however, increase within reason. If I did not already state it prior to this—add 7-10 drops of hydrogen peroxide per quart to the Crystal Life also—especially if non-refrigerated, after opening. This will decontaminate any possible "unwanted visitors" and not damage the product.

### WATER

I cannot urge you often enough to TREAT your faucet water. Even if you have a reverse-osmosis unit—treat that water with proper amounts of hydrogen peroxide for YOU DO NOT KNOW WHAT IS IN THAT WATER. IT WON'T HELP CONTAMINATION BY TOXINS BUT IT WILL TAKE CARE OF THE VIRAL OR BACTERIAL CONTAMINATES. IT IS CHEAP AND NON-TOXIC IN PURIFICATION AMOUNTS. The best mouthwash and gum enhancer is a mouthwash of several drops of hydrogen peroxide in a fourth cup of water (or so) and cleanse mouth after brushing (or just do it several times a day as convenient). If the solution is "light" just swallow the wash—it can only help you unless you have an active mouth infection. Moreover I suggest keeping some hydrogen peroxide near and handy to drop a few drops of undiluted peroxide on your

toothbrush a couple of times a week—or daily—whatever. You will have a sterilized brush and stop spreading germs and recontamination.

### SPILLING

If you spill full strength (35%) peroxide on your skin—it will burn you. Rinse immediately under water and it will be fine. It will bleach so rinse anything that gets spattered—in water. It is simply one of those substances which needs to be handled properly. Peroxide offers so many "cleaning" uses that I won't even effort to list them—but you will find it about the most useful item around your kitchen, bath, etc. You can find information at health food stores and vitamin supply outlets.

Our people may also be able to direct you or help you with product or information; I do not attend those things unless brought to my attention. We offer these things as a service rather

than a major business so we are perhaps remiss in full-range material. We can do better when the full load eases a bit. Thank you for your patience and loving support of the ones who have taken this load on in addition to their other tasks—ever without complaint and ever wishing to help and please. At present they are trying to build refrigeration facilities to bring you exceptional product and yet do so with very, very limited resources—so we do thank you for your patience. With George Green's attack on the Institute a lot of things have had to wait or be actually closed down until the audits are over and the reclamation can begin. As you might realize, the impact has been great on all entities in these projects. It is fine—rewards will be in like measure to that which is given forth.

I ask that this message be both run in the paper and sent in addition to all packings in mailings of product.

Thank you.

# New Gaia Products

## GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well!

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

## AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health.

Thus is the importance of Aquagaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

**2/11/93 #2 HATONN**

## GAIANDRIANA AND AQUAGAIA:

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male/female DNA structure which release many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take-out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery following infection by other viruses than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal

forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms. If you really want to witness remarkable growth in plants and good stamina and health in pets and other animals—try a little of these additives as you would vitamins or fertilizers. Use in a mildly vitamin C based solution on same. At transplant time for garden plants and houseplants—soak their little root systems in this natural and mild solution. Just add a tablespoon of Gaiandriana, a few drops of liquid vitamin C or C-crystals to a quart of water and let set for 48 hours—then it is ready for use. It will not negatively interact with anything other than perhaps harbored viruses and disease spores and organisms.

## NOTE

If any product you receive has an unpleasant odor—it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

**IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) is aggressive and begins to "eat" the Gaiandriana for fuel. They go about their appointed tasks once ingested, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.**

**The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is begun and maintenance is followed, certainly the drops under the tongue are the least annoying to any daily regimen.**

## A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health.

Free radicals are highly unstable substances produced in the body through, among other routes, the metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes, and thus the cells themselves. The

products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as hardening of the arteries.

One area of Aging Research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being byproducts of the metabolism of oxygen, such as during strenuous exercise, we also generate significant levels of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and beta-carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

### **GINKGO BILOBA** (Ginkgo Biloba extract 24%)

The Ginkgo Biloba, or Maidenhair tree, is one of the oldest living species on this planet. Ginkgo has flourished almost unchanged for 150 million years, and its ancestors can be traced back 250 million years. It is because of this antiquity that the Ginkgo Biloba tree is called "the living fossil". Individual trees are believed capable of living 2000 to 4000 years. During the last ice age, Ginkgos nearly became extinct. These trees survived only in China and other parts of Asia, where they stayed until approximately 1,000 years ago. At that time, Ginkgo trees were also planted around monasteries in Japan, where they still live today.

The name *Ginkgo* may come from the Chinese *Sankyo* or *Yinkuo* (Yin Guo), meaning "hill apricot" or "silver fruit". The word *biloba* means "two lobes" and describes the young leaves. Although modern medical research focuses mainly on the leaves of Ginkgo, the Ginkgo fruits and nuts have been used in China since time immemorial as a delicacy and tonic food. Five-thousand-year-old Chinese texts record Ginkgo's use as a medicinal agent.

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of *Alzheimer's disease*.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

### **MO-GU ELIXIR**

The first recorded use of Mo-Gu Elixir was during the Chinese Tsin-Dynasty in 221 B.C. It was referred to as "The Remedy for Immortality" or "The Divine Tsche".

It has been well documented that there are certain people who live to be well past a hundred years of age. These people live in such areas as the mountainous Caucasus, Yakutia in Siberia, the Poltava District of the Ukraine, Tibet and Spain. There is an area in Russia called Kargasok where the people are a dairy- and vegetable-eating populace. Centenarians are common among these people. They attribute their longevity to the Yeast Enzyme Tea (Mo-Gu Elixir) which has been in their diet for hundreds of years. It is said that Mo-Gu and yak butter are staples among the dwellers of the high Himalayas.

Mo-Gu has been used throughout history in China, Japan, Russia, Korea, and India. It has been said to promote a feeling of well-being and overall physical restoration. It has been known by many names, some of which are: Fungus Japonicus, Fungojapon Kombucha, Pichia Fermentans, Cembuya Orientalis, Combucha Tschambucco, Volga-Spring, Champignon de Longue Vie, Teekwass, Kwassan, and Kargasok.

The Mo-Gu fungus constructs in a membrane form and is a symbiosis of yeast cells and different bacteria. Among these bacteria are: *Bacterium Xylinum*, *Bacterium Gluconicum*, *Acetobacter Ketogenum*, and *Pichia Fermentans*.

The Mo-Gu fungus needs to live in a solution composed of common (black) tea and sugar. In the proper temperature environment they multiply constantly. They do not build spores as yeast normally does, but instead multiply by a process of branching.

### **CHLORELLA**

Chlorella is a single-celled, fresh-water alga. Believed to be the first form of life with a true nucleus, chlorella dates back approximately 2.5 billion years, making it *pre-Cambrian*. Through the process of photosynthesis chlorella cells reproduce themselves by cell division at the rate of four new cells every 17-24 hours. It was not until the 1890s that chlorella was identified under the microscope. In naming it, the prefix *chlor* was selected to signify green, while the suffix *ella*, indicates small. Chlorella is the most researched algae in the world and remains the most popular with millions of consumers world-wide.

*Chlorella is a nutritionally balanced whole food* and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

*Chlorella is extremely high in protein (60%)* and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

*Chlorella is a natural vitality enhancer.* The vitamins found in chlorella cells include: Vitamin C, provitamin A, B-carotene, chlorophyll a, chlorophyll b, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

### **ECHINACEA GOLD PLUS** with American Ginseng

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*). The genus name is derived from the Greek *echinos* (hedgehog or sea urchin), referring to the prickly scales of the dried seed head. Echinacea was widely used medicinally among Native Americans, particularly in the Plains. It is a product which is now used widely throughout the United States and Europe.

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin/complement system, interferon-like activity, stimulation of general cellular immunity, and

antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is generally placed in the buttercup family. The name Goldenseal was adopted in 1880, previously having been known as Yellow Root. Goldenseal was widely used among the Native American population, particularly among those in the East. The Cherokee used the roots as a wash for local inflammations, for general debility, dyspepsia and to improve appetite. The Iroquois used it for whooping cough, diarrhea, liver trouble, fever, sour stomach, flatulence, and pneumonia. Benjamin Smith Barton first referred to the use of Goldenseal for rattlesnake bites as early as 1793. Clinical recognition of the use of Goldenseal came in the early 1850s and has continued to this very day.

Goldenseal is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Ginseng can be literally translated from Chinese as "the essence of man" or "man-shaped precious root." Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

References to the use of Reishi in the treatment of a variety of complaints date back as far as 2700 B.C. in Chinese literature. It is referred to by a number of names, including the "ten thousand year mushroom". The rarity of this particular mushroom has increased its value. The Chinese emperor Shih Huang Ti (250-210 B.C.) mounted expeditions of hundreds, even thousands of men to find the Reishi. Recently techniques have been developed for the cultivation and harvesting of the Reishi Mycelium. Writings about Reishi place it in the category of "fu zheng" herbs and claim it is a medicine that improves the ability of the body to maintain balance by strengthening natural resistance and generally improving health.
