Midnight Hour For AmeriKa!!

11/1/93 #1 HATONN

EDITORIAL

This may well be the most important edition of this paper which you will receive. Why? Because it is going to deal greatly with that which is your "new" Constitution.

It is the next step in the puzzle wherein you are isolating the ONES in power and then what THEY are using as their blueprints for takeover. Please note that always there will be a merging in with all plans so that YOU WILL NOT NOTICE UNTIL THE THING IS UP AND FUNCTIONING UNDER CHANGED LAWS YOU CAN BE FORCED TO OBSERVE.

Once again I will remind you that you

cannot restore, fix or redo something which is not visible to you. You can't restore your original Constitution, for instance, if you don't even know what it says and almost none of you know. Certainly you cannot realize that you are USING a new blueprint for government and world order if you don't find out what is happening and what is being enforced and HOW. Much we bring is repeated again and again—but how many of you can recite and really understand the **NEW CONSTITUTION of the "NEW-STATES"** from the couple of times we have run it before? I thought not—my people right here cannot even remember when it was last presented—OR WHAT IT SAYS. There is NO MAGIC for insight and no magic for accomplishment of any task. However, hopping onto another task is not going to

solve this problem—I don't care who you are or what you perceive is your purpose. YOU MUST KNOW THESE THINGS OR YOU HAVE NO USE FOR SERVING IN ANOTHER PURPOSE OR ADVANCEMENT—THE RESTRAINTS OF THE HUMAN PHYSICAL ENVIRONMENT AND RESTRICTIONS BY PHYSICAL AND GOVERNMENT WILL CONSUME YOU.

It is, further, that you have not "right" to impose the load on another assuming that "you" need not know a thing or effort to move along learning because "you are different and your ultimate purpose is greater". Greater than what? If you don't get a handle on this government of yours you have no future! Worse, if you don't pay attention—you will NOT KNOW HOW TO MAKE IT (Please see MIDNIGHT HOUR, p.29)

Players In The Game Of "Gotcha"

10/26/93 #2 HATONN

PLAYERS IN THIS GAME

We have made ourselves very unpopular with our recent writings. Well, so be it. I can offer you a few clues as to who is who and WATCH the overview and you will begin to be able to focus on who is the most dangerous.

In the Moscow showdown of burn the building and waste the people in a stupid show-and-tell of violent power that the populace could SEE throughout Moscow every day—other facts have come out which should interest you. I find, however, the most "telling" FACT came from a patriot inside the Parliament Building as it was burning and troops were rousting everyone (you still don't have death figures anywhere nearly accurate). The tank had done its thing, the others roamed about to terrorize and the Soviet version of the BATF was at work. There were "KGB-Mossad-CIA" personnel there ALSO (don't be fooled, this was orchestrated and technology and help sent from Washington) all around and some cornered patriots on one of the higher levels of the building with smoke billowing behind them cried down to the troops: "You are giving our country to the Satan Jews." I made this up to impress you? NO—It was on the Ted Koppel *Nightline* show in the rehash of "events". Ponder it as you lose everything from freedom to your economy to these New World Order criminals and treasonists.

The other thing you should monitor closely is the lack of information on valid persons like Shevardnadze of Georgia, et al. Focus, however, on what they are telling you about nuclear warheads and missiles in other former Soviet block areas and the dickering going on over the goods in Siberia and the Ukraine, etc. Watch the scanners as they show you that there is OIL in them thar hills and flatlands—and Chevron and Texaco (among bunches more) are already there and in operation.

SATELLITES AND OTHER LIES

A "Red" Chinese satellite is falling from orbit later this week and may well hit land??? Oh, and just WHERE ARE YOUR

MISSING SATELLITES AND ROCKETS WHICH HAVE "JUST" SOMEHOW DISAPPEARED?? Billions of dollars are now "missing" just from Vandenberg Base alone. But then, I guess your scientists who can't seem to even properly launch a missile or rocket—seem to have total identification of a breaking up satellite among the thousands "out there"? Come on sleepyheads—will you forever believe the garbage dished out to you?

EARTHQUAKES AND BOMBS

A major complaint from you readers is that I don't know what I am talking about with such as suggesting that "man" can control weather, create earthquakes and above all—would or could plant bombs or laser detonate bombs which would cause earthquakes. Well, you believe what you like (which you will do anyway) and I will offer you a front page item from the current *Spotlight* and I can promise you—it is NOTHING relative to that which IS!

UNDERGROUND NUKES

QUOTING:

SPOTLIGHT, Oct. 25, 1993, Mike Blair: **Underground Nukes Pose Hazard to Earth. Are Iran and the Red Chinese working on bombs capable of creating earthquakes? [H: The interesting thing about this statement is that the Big Boys have already saturated most of the globe with devices with this capability—but IRAN? China will be an ultimate MAJOR player in the Armageddon world series—is it also now probable that so shall Iran? Don't just read what is stated—READ WHAT IS NOT TOLD TO YOU!]**

Iran may be continuing work on development of an "earthquake bomb"—the use of an underground nuclear explosion to create an earthquake—that was being conducted by scientists in the Soviet Union BEFORE its breakup. **[H: Ah, the magic of the lie about the breakup of the Soviet Union and what they WERE doing. Do you actually think ANYTHING at all is different in the Soviet hierarchy? Why do you think I spell America**

"Ameri(k)a"?

According to a report in the *Sunday Times* of London, former Soviet KGB (secret police) Gen. Oleg Kalugin has revealed that Soviet scientists had for years conducted underground nuclear tests looking to the possibility of developing a bomb that could be detonated beneath the Earth's surface to create a quake.

Kalugin made headlines in 1991 when he became the first former Soviet official to reveal American prisoners of war had been confined in the Soviet Union.

Soviet scientists have revealed an underground nuclear test on the island of Novaya Zemlya in the Barents Sea, near the Arctic Circle, **in 1988** may have caused an earthquake in the then-Soviet Captive Nation of Armenia, 2,000 miles away, which resulted in the deaths of 45,000 people.

In addition, according to Alexei Nikolayev, a scientist at the Institute of Geology in Moscow, Soviet nuclear tests at Semipalatinsk, located in the former Soviet Captive Nation of Kazakhstan, caused quakes in neighboring Tadzhikistan and Uzbekistan and possibly even in Iran.

LINKS WITH IRAN

According to Ikran Kerimov, the deputy director of a geology institute in the former Soviet Captive Nation of Azerbaidzhan, he first learned of the Soviet military's interest in developing a seismic bomb in 1989 when his request to purchase from Britain a large amount of seismological equipment was hurriedly approved.

Since the collapse of the Soviet Union and the emergence of the independent republic of Azerbaidzhan, Kerimov said links have been established with the republic's neighbors, and that the seismological equipment is being shared with Iran.

Iran is known by Western intelligence agencies to be proceeding aggressively with the development of a nuclear weapons program.

According to Kalugin, the Soviet military was spending enormous sums of money in the late 1980s to develop a seismic weapon, at the same time that former Soviet President Mikhail Gorbachev was working with the West to end the Cold War era.

Kalugin claims to have discovered Soviet work on the project in 1988 when he became the KGB overseer of top-secret research at the Soviet Academy of Sciences. He said he found scientific papers at the academy that described in detail how nuclear blasts could be engineered to jolt the Earth's tectonic plates, the movement of which causes quakes.

"The idea," Kalugin told the *Sunday Times*, "was to be able to cause earthquakes in America as devastating as any **NUCLEAR BLAST**."

"The advantage was that we would NOT BE SEEN AS THE INITIATOR OF WAR," Kalugin explained. **"Only nature could be blamed."**

The Soviets were apparently casting an eye upon California in particular, which would be most vulnerable to such an attack since it straddles fault lines that are linked to the Pacific tectonic plate.

According to Kalugin, the idea first emerged in the 1960s when Soviet seismologists learned underground nuclear test explosions **were sometimes followed a few days later by quakes**, some **hundreds of miles** away from the test sites.

Subsequently, scientists detonated 32 nuclear bombs at various sites around the vast Soviet Union to test the seismic effects.

After the Soviet military learned of the possibility of underground nuclear blasts creating shock waves that might be harnessed to create a seismic weapon, civilian geologists were heavily funded to further investigate the possibilities.

MILITARY RUSE

"Officially, these explosions were carried out in the interests of a better understanding of the Earth's geological structure," said Alexei Yablokov, an adviser on ecological issues for Russian President Boris Yeltsin. "But everyone suspected the military was looking for a seismic weapon, even though it seemed like science fiction."

"At first, people were dismissive of the idea that explosions could in some way be connected to earthquakes," Nikolaev said. "Even today, no link is **officially** admitted. But the probability of an earthquake in Hindu Kush of Tadzhikistan is two or three times greater after a test nuclear explosion at Semipalatinsk."

Nikolaev claims his team found that even small underground nuclear tests caused strongjolts up to 1,600 miles away. **[H: I hope you realize this is true. We covered this potential wave action of increased power in the PLEIADES CONNECTION series. I hope I covered it elsewhere but this is WHY nuclear testing in Nevada, for instance, is so DEADLY A POTENTIAL to all fault lines in California—even if nothing else would happen**

to stimulate the movement of those faults. Perhaps, I can only hope, that hearing this from a Russian General, Oleg Kalugin, will make more sense to you readers than all we (Cmdrs. Hatonn, Soltec, Kortan, et al.) have told you over and over again. Perhaps you will see and hear better from Alexei Nikolaev, a scientist in Moscow, Ikran Kerimove, geologist, and others—from more closely related resources? I would, however, consider it worthwhile reading to go back and STUDY what we have offered for your information. Recent.] (Vol. II, #3, *CONTACT* pages 30 & 31) Some scientists speculate disclosure of the Soviet efforts to develop a seismic weapon may have moved Red Chinese scientists to recently resume underground nuclear testing, perhaps with the thought of continuing where the Soviet scientists left off.

In addition, the Red Chinese have been long suspected of aiding Iran in its nuclear development program. **[H: Indeed, "they" don't like the Khazarian Zionists who now control most of your world!]**

Until the suspension of U.S. underground nuclear tests by President Bill Clinton **[H: B.S.! The testing has NEVER stopped—just the names and pretense changed!]**, hundreds of nuclear blasts were detonated beneath the desert floor of Nevada. There are no known studies of any relationship between these tests and quakes in the United States.

END

END QUOTING

Connections? There may have been "no studies" BUT, there have been thousands of top media declarations that "the underground testing blasts **HAVE NO EFFECT ON THE FAULTS!**" This is not just a comment—ALL of you not in the "dark ages" yet—**HAVE HEARD IT YOURSELVES.**

How about a few other observations from here and there—just in case you have missed something during the ball games:

IT'S YOUR MONEY

The International Monetary Fund (IMF) offered to help Vietnam in debt reduction negotiations with Western governments **[H: They ARE the Western Governments!]**, creditors and Russia. IMF Managing Director Michael Camdessus made the offer in talks with Vietnam Foreign Minister Nguyen Manh Cam. **[H: Goodbye POWs/MIAs!]**

HELLO, NAFTA

Bell Atlantic Corp. the regional telephone company serving the Mid-Atlantic

states, said it will invest up to \$1.04 BILLION to acquire 42 percent of Grupo Iusacell, which **owns the cellular phone license for the MEXICAN REGION ENCOMPASSING MEXICO CITY.**

LIKELY?—NOT! MAKE FED FEDERAL?

Rep. Henry Gonzalez (D-Texas), chairman of the House Banking Committee, has introduced a bill that would subject the presidents of the Federal Reserve's 12 regional banks to presidential appointment. **[H: Good grief, wouldn't mean a thing different, would it?]** They are now elected by boards of directors which are dominated by local bankers. President Clinton said he was "disinclined" to support the proposal. **[H: Dear Henry, please wake up—you were sort of a last bastion of "hope"—this must be concluded as blind naive gullibility OR innocent ignorance of the system—EITHER IS UNACCEPTABLE!]**

I SUGGEST ATTENTION TO NOVEMBER 7, 1993

PAMYAT (REMEMBER)

The Congress of Russian-American Inc. has declared November 7 as "The Memorial Day for Victims of Communism". November 7, 1917 is recognized as the official beginning of the "October [Bolshevik] Revolution" in the Russian empire. Russia follows the Julian calendar, which is why the "October Revolution" began in November according to the Western calendar.

[H: October or November means NOT A THING—the fact that there is attention to such a date in "America" means that A LOT OF ATTENTION WILL BE GIVEN IT IN THE "RUSSIAS". PAMYAT IS THE GROUP OF FREEDOM FOR THE WORLD(ERS). PAMYAT IS ONE OF THE LAST BASTIONS OF HOPE FOR YOUR WORLD! Salu.]

GEORGE GREEN— COMMITTEE OF 300?

As "the World turns" and information is offered up on various subjects often under discussion herein, we again find George Green the object of attention—in background and programming. Let us not overlook the importance of OUR mission with the thought that WE WOULD BE OVERLOOKED! Dharma looks around at her piles of entropy with everything "lost" and marvels that "she" is a notice, much less a bother, to ANYONE. Chelas, this is usually the way of the sincere worker within a mission—no one is greater or lesser than another—only the jobs are different. But

what of ones such as George Green who come along and then turn like screws in the torture chamber? I don't have a lot of comment—I WILL, HOWEVER, offer you readers that which has been offered to our people—still taking care of the protection of the information bearer. Is the information true? Oh, indeed—at least enough so that it is worthy of "mention" and identification of players and "how they fit".

This comes from a rather elderly man who lived (very close) to one, George Green (Indeed, THE George Green). He said: "George Green was born with a silver spoon in his mouth. His father made millions in the pork business, I think it may have been called 'Pig in a Sack' or something (George was, with his father, in the meat business and shipped all over, their products.) and He (George's father) was one of the original Committee of 300 and George was 'GROOMED' to be a part of that Committee of 300. George went to college for engineering and then joined the Air Force. Then the Committee of 300 taught him how to make millions of dollars through their system of real estate. Somehow George really made one of them (Committee of 300) mad. He was busted (broken financially) then until he came across the PHOENIX material. Then the Committee of 300 wanted to use him for a tool!" The writer of this information went on to say (from his conversation) that it is probably that the Committee of 300 actually financed printing and publishing. George met with agents regularly—like a dog on a string—with secret journeys and secret meetings of which he would lie about contacts and purposes.

BILL COOPER

This conversation all took place at a Colorado "Expo" which I will also leave unidentified for the present "cover" on the writers. This same person in point, above, went to speak with Bill Cooper (also attending). He said to Bill: "Well, guess old Hatonn isn't speaking much about you any more." Cooper replied: "He better not or I will go over there and wreck his booth."

My booth? Oh well! The fact that I don't HAVE A BOOTH—ANYWHERE—is beside the point I suppose. When we can get out of business and into TRUTH—it shall surely be a better world! I just received several other urgent messages telling us Bill Cooper was murdered? Was he? Why don't YOU find out instead of asking me? When you get your own researching done—the world will take note of your input—it will never be accepted on a wide scale from the mystical hearsay! YOU MUST PROVE YOUR POINTS BEFORE THE PEOPLE AND THE LAW—ON PHYSICAL FACT—SO WHY DON'T YOU STOP COMPLAINING ABOUT MY LACK OF FULL DETAIL—AND GIVE

THAT INFORMATION TO US SO WE CAN PRINT IT AND ALL HAVE ACCESS TO OPEN INFORMATION? THE "ABOVE" IS WHAT STANDS IN A COURT OF LAW—NOT WHAT AN INVISIBLE SPACE CADET WHISPERS IN YOUR EAR.

A duplicate of a mailing from Dec. 15, 1992 was again sent to our attention (because of the recent publications) with a request to "please run". It was received today, 10/26/93—as a reminder that we had not acted on the request—and with the same cover-letter (originally sent).

QUOTING:

Dear Sir:

Enclosed is a research paper entitled, *THE GREAT SECRET*. Because of its nature I wish to remain anonymous! I wish no recompense nor recognition for writing it. My only desire is to get the word out, unaltered, as soon as possible!

I hope you will see fit to publish the paper! Please make NO additions nor leave ANYTHING OUT of it!

Thank you for your part in helping....

END QUOTING

Indeed it is a subject germane to our immediate writings and NOW is a suitable time to share the information. There always has to be "education" before people are willing to see and hear Truth—last year was too early and still, it may be too early—but some will pay attention and possibly more will attend it next year. Our mission is one of eternal HOPE in your perceived future experience in a positive and reclaimed existence. This insight can only flow through the shared research and historical truth by writers willing to do the research and write for the sharing of information and not for the "dollar in the pocket" for the "moment". The Elite CONTROL the presses and therefore when Truth is OUTED it is because you ones care enough to do it yourself!

I am most pleased to offer the information and we will effort in the re-typing onto the computer—to change NOTHING. It is, however, quite EASY to keep confidential all references to the sender—THERE IS NO INFORMATION ON THE DOCUMENT!

QUOTING:

THE GREAT SECRET

Research on genetics with regard to race was going well in the 1930s, until in 1937, Russia put a stop to it saying, it was "anti-revolutionary"! Race-genetics research came to a halt world-wide! It was

proven at that time, with rabbits, cows, and horses, that a female retained the DNA or genes of all males she had mated with previously, and that the offspring of a later sire retained all the characteristics of a former mate! This was the case even though the later sexual union was many years after the first sexual union with the first mate! This science was given the name of "Telegony", which means the "influence of a previous sire upon the progeny of a subsequent sire from the same mother!"

Telegony appeared in the 1911 edition of *Encyclopaedia Britannica* with its reference to the effect of Negro slaves on the white population of Portugal. In the 1966 edition, all references to the Negro had been expunged and replaced with generalizations! Information on the cause of the downfall of the Portuguese people had been removed. It was considered necessary to hide the fact that it was Negro blood which caused the demise of a once great people.

Mixing with the Negro, or "Canaanite", as the Bible puts it, was the cause of the downfall of every great nation on record, and is fast becoming the cause of our own downfall in America! [H: Ah,—but author—this is where an error in the research is flawed—it is ASSUMED that it was "Negro" in racial terms for the cross-breeding that was essential in the equation—this is NOT so. The "dark races" as presented in your biblical stories WERE NOT "BLACK" AS IN "NEGROID", and certainly they were (the Negroes as you recognize the race TODAY) NOT the Canaanites. "Canaanites" were of the "now called" Jewish lineage. We will, however, read on to see how this author will handle this discrepancy, please.]

There are two ways the "Canaanite curse" is spread. One is through blood-mixing, or being born with Negro blood. The other way is through seed-mixing. Seed-mixing works like this: At intercourse there is an exchange of body fluids which contain the DNA. Both partners absorb a part of the other partner. Everyone has a part of anyone with whom they have had sexual intercourse—forever. It can't be removed! Married couples grow more alike both mentally and physically as the years pass. This is because they are absorbing each other's genetic DNA fluids.

If a white man has sexual intercourse with a woman with the slightest drop of Negro blood, the man now comes "under the same curse", as the Bible calls it. [H: I must interrupt here to tell you readers that this "researcher" has just put his "foot into mouth" for he represents himself as a learned scholarly researcher but misspells "intercourse" by continually spelling it "innercourse"—THIS IS A MAJOR CLUE, READERS. IF YOU DON'T WATCH THE CLUES, YOU WILL

BE CONTINUALLY MISLED. I point it out because you do not have the "original" document with the misspellings.] He now, through seed-mixing, becomes a Negro or Canaanite also! Then if he has "innercourse" with his white wife, she after mixing with a Canaanite, also becomes Canaanite, and so the "Curse of Canaan" is passed through seed-mixing! Then if this couple have any children after mixing, the children are born Canaanite. Thus the Canaanite genes or DNA are passed just like a virus, but there is no cure! Thus many people have Negro genes or DNA in them and are Canaanite and don't know it. [H: Oh my—does this also mean that if a person receives blood transfusions (which I deem totally "dead" input and worse than blood-letting) and it be across racial lines—one becomes the other? I can guarantee that receiving anything from a Negro into another racial humanoid sub-species WILL NOT MAKE THAT PERSON A CANAANITE—nor, for that matter—Negroid, as this writer assumes.]

The Canaanite seed is passed both physically and spiritually. [H: Good grief! Spiritually? As in "God" spiritually? GOD IS LIGHT and therefore there is no physical connection to physical "passing" of anything!] At the same instant when the seed is mixed at "innercourse", a Canaanite spirit enters at the top of the head, and thus a former white person will have a subtle change of personality. There will be a change in their beliefs as well as a rougher, cruder personality. [H: How so? Perhaps he/she would end up with a much "finer", less "crude" personality. This writer assumes the Negro Canaanite to have a "rougher, cruder" personality than the White? What if the transfer is from a highly refined Tibetan Teacher to a "lesser" refined white Caucasian? What I really think is that this author is not what he appears to present himself to be, perhaps. I suggest that he leaves off all recognition information because he is ignorant of facts and the portions of truth involved here are lost in bigotry, foolish misinformation and total stupidity (if in fact, he is unaware of his misadventures into the land of intercourse, seed-mixing, DNA transfer and genetic alterations). If he is not informed, then he has no business writing and providing further misinformation and surely he should never have sent it to me for sharing for I shall always share the facts and truth even if it offends the sender. "THAT" MUST BE THE "ASSUMPTION" WHEN SENDING ANYTHING TO ME! YOU ONES ARE GOING TO USE HISTORY AND LINEAGE FOR FACTUAL INFORMATION ONLY—FOR IT IS SO OBVIOUS THAT YOU HAVE NO KNOWLEDGE ABOUT THE TRUTH OF GOD AND UNI-

VERSAL CREATION AS IT REALLY EXISTS. THESE "ASSUMPTIONS" AND "PROJECTIONS" (AS) TRUTH ARE BUT OPINIONS AND IN THIS INSTANCE REFLECTS ALMOST NO FACTUAL INFORMATION.]

[H: Boy, it really gets sticky-wicket now.] There are only TWO RACES, the black and the white race. By mixing the two, you only eliminate the white race. The Orientals, Arabs, and Indians, from India, all have Negro blood mixed in way back in their early history. Thus they are of the dark Negro race. The Native American Indians are descended ("descended") from the white race, and their skins turned brown by a different method, as related in the BOOK OF MORMON. At the time of Columbus, the American Indians were not mixed with the Negro race, but since then, many are now mixed with the Negro. [H: This is the biggest bunch of hog-swill I have seen this week! "If" this is stated in the BOOK OF MORMON then I certainly think you know what I think of the Book of Mormon! If, further, this is a research paper—how did those Native American Indians turn color? I would really like to know.]

The Negro and the white race have many differences beyond appearance. The Negro has been shown to be inferior mentally as well. Scientists have proven that the brain of a person with one drop of Negro blood, has one less electrode than the brain of a white person. [H: Well, who knows—it appears to me that this writer (research authority) has a LOT OF MISSING ELECTRODES.] It's been stated by Alex Haley, a black man, that every Negro in America has white blood in him [H: Poor people.] and may have living white relatives. [H: More sympathy to the possible poor chap.]

God's word [H: Now comes the worse part—] in the Bible is definitely against race-mixing of any kind! Cain who killed his brother Able, became the first Negro and the first conspirator also. His main goal became to cause everyone on earth to also become Canaanite through blood-mixing or seed-mixing! [H: When you know the TRUTH of your lineage and how you are created and how you got into the physical expression on Planet Earth—you will realize that the whole story here is not only impossible but totally stupid. I repeat—Cain was not a Negro—IF HE WERE A NEGRO OR ANYTHING DIFFERENT FROM ABLE—GENETICALLY SPEAKING, IT WOULD BE IMPOSSIBLE. Of all things God IS, HE IS POSSIBLE—not such DNA foolishness in flexibility of body-hopping through bed-hopping.]

Noah was told that he and his family were the only ones on earth who had not mixed their seed! After the flood, Noah

placed the races on different continents to separate them.

The law of Moses proclaimed death to anyone who mixed their seed!

At the time of Jacob and Esau, Esau married Canaanite or Negro women, and their descendents married back into the tribe of Judah. Thus many Jews today have black or Negro blood. Even the Jews themselves don't know who is a black-Jew and who is a white-Jew. The black-Jew has created much trouble for the Jewish nation as a whole. The black-Jews are a big factor in the Illuminatti or great conspiracy today! [H: Barf—barf!] They especially want to mix every person with the Negro, either through blood-mixing or seed-mixing!

King David, King Solomon, and Samson, all mixed their seed with Canaanite women, and thus brought about their downfalls!

At the time of Jesus Christ much of the known world was mixed with the Canaanite! The Jews cried "Crucify Him", not because he proclaimed he was the son of God, but because he told the Jewish Sanhedren ("Sanhedrim?" possibly?) that they had all mixed their seed with the Canaanite, and were all black-Jews.

You will find that every evil dictator in history has mixed his seed with the Canaanite!

In 1952, Rabbi Emanuel Rabinovich leaked information that the Jewish conspiracy was trying to mix everyone on earth with the Negro. Then they hoped to rule over a world of dark peoples. At this time they claim that 97% of the world are mixed with the Canaanite! Only 3% of the world are of the pure white race!

When the black and white races are mixed, a mongrel, or hybrid race is created! This unfortunate person is weaker physically and mentally than either the pure Negro or the pure white! There are some 30-odd diseases that the mongrel is subject to that don't affect the pure races, either black or white! Just as all hybrids, both plant and animal, are weaker than the pure strains. [H: This is not true—some are much stronger—the reproduction is the only thing in consideration from hybrid productions.] We are producing a generation of mongrels and misfits! [H: Yes? Well, I think this writer qualifies.]

With the New World Order in control, it may become illegal to be pure white and unmixed! They could pass this law in the interest of "relieving racial tension"! According to Rabbi Rabinovich, it will be illegal for whites to mate with whites. The whites will be required to cohabit with the black races. Thus they hope to cause the white race to disappear, and rule undisputedly over the world of dark peoples!

As America becomes more and more saturated with the Canaanites, it's moral, social, and political structure drops lower and lower; until finally the demise of our

great nation is enevitable! ("inevitable?") [H: No Dharma you don't have to correct all the words. The "demise" of your great nation has nothing to do with Negroes or any other race as such—it has to do with such ignorance as is presented here. I hope, writer, that this is not a "thesis" upon which a doctorate is dependent on accuracy.]

As the Lord states in the Bible, all of mixed seed will be destroyed, leaving neither root nor branch! It seems as though God's law will not be mocked. [H: Surely, sir, you jest!] We now have two good reasons to live the "Law of Purity", which is, "no sex except for reproduction"! [H: Good idea—WRONG reasons!] Those two good reasons are: 1. to avoid AIDS and other disease, and 2. to be sure of the race and history of those we mix seed with!

It is hoped that this word will be spread throughout the land in time to save the white race from total extinction!

[H: I am almost embarrassed to give the references as presented because most of the authors of utilized material will surely rise up in arms. Or, if they believe the "above" to be accurate—they certainly deserve to flunk "Truth" and/or accuracy of conclusions from their own research endeavors. There are so many "half"-truths and "perceptions" which do not reflect actuality that it is hard to continue; although some authors have presented these same ideas as truth—they err! The true error in this presentation is total lack of integrated work so that reflection from the original authors is inaccurate. Intent? Well, the person, in his letter (where we put dots) said "....helping to save the white race!"! We are not efforting to SAVE the white race or any OTHER "RACE"! This is perhaps the greatest error presented herein in this idiotic presentation. It is time ALL of you stop perceiving truth and authority simply BECAUSE A "THING" IS WRITTEN AND PRINTED! THAT IS OFTEN THE BIGGEST MISREPRESENTATION OF ALL!]

[H: Why have I caused you to go through this? Because you have to "wake up" and begin to discern Truth from fantasy for "fiction" is only a "tale"—fantasy is that which is orchestrated in the mystical ideas of action experience and not "actual" experience. Much history is going to present these same ideas as possibilities or probabilities as presented by the conclusions of various students of history and research conclusions pulled from great consideration of writings. A "true" historian or research scientist of any kind will present his facts but will refrain from such opinionated conclusions as are presented herein. I, for instance, will often give my "opinion"—but it must be backed up by "fact" at some point or it is SIMPLY opinion—good or bad. There are, however, so many "holes" in this presentation as to leak as the proverbial sieve. GOD CREATOR is not a bilious seed-exchanger, readers, nor interested in your bed-time fantasies of human exchanges. HE is interested in your soul intent as expressed through actions. This kind of presentation becomes dangerous in its misinformation-disinformation potential and I suggest that you read carefully these offerings—for discernment of beings and judgment of "things" and "actions" are very important if you are to survive as a species and civilization.]

[H: This author goes on to offer a speech made by Rabbi Emanuel Rabinovich as given in copy to Eustace Mullins, as stated by the author in point.]

RABBI EMANUEL RABINOVICH

Speech Made by: Rabbi, Emanuel Rabinovich, Jan. 12, 1952—in Budapest, Hungary. Copy of speech given to Eustace Mullins by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-communist friends. He was smuggled to Hamburg, Germany and then to the U.S.A.:

Rabbi Emanuel Rabinovich:

"We will openly reveal our identity with the races of Asia and Africa! I can state with assurance that the last generation of white children is now being born! Our "control-commission" will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites.

The white women must cohabit with members of dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory.

"We shall embark upon an era of ten-thousand years of peace and plenty. The Pax-Judaica, and our race will rule undisputed over the Earth! Our superior intelligence will easily enable us to retain mastery over the world of dark peoples." [H: I think this is a true representation of such a speech from the Rabbi—I do not see the word "Negro" or "Negroid" mentioned, however. This is "mild" compared to what is truly intended from this "One World Order" restructuring so it behooves you to PAY ATTENTION.]

Note: "Pax-Judaica" means "Jewish-Conspiracy"!

Note: The Black-Jewish Conspiracy has forgotten about Ephriam! We are assured from the Bible that every Black-Jew or the seed of Esau, will be destroyed, leaving neither root nor branch! The white-Israelites of Ephriam will prevail, even through extremely few in number! The white-Israelites of Ephriam, along with the white-Israelites of the other tribes of Israel, will carry the white race into the millennium and save the white race! Praise the Lord!

END OF QUOTING

Whatever you are "thinking" I might feel about this material—it matters not. What do YOU think about it? I certainly do not blast this person for sending this work—it is a blessing and it shows that the person in point is trying to understand a very complex set of values and understandings. You can gather several things from this writing: 1. The person is NOT Negroid. 2. The person does not understand the difference in Negro and "dark race". 3. The person in point is efforting to maintain his/her own perception of self-superiority, and 4. He does not wish to think of himself as "Jewish", although he/she is totally ignorant that he/she is NOT possibly referring to "Jew" in actuality because the term "Jew" was not used until approximately 1765 (or so) A.D. (18th century). If you have totally CORRECT information without mistranslation or misinformation or simple misunderstanding from your Bible, perhaps you might draw valid conclusions—but no one in this generation, or from the past generations for that matter, CAN UTILIZE THAT SOURCE AS ACCURATE ENOUGH TO BASE CONCLUSIONS OF FACTUAL TRUTH—MOST ESPECIALLY FROM THE "KING JAMES VERSION" FOR THE KING FORCED DELIBERATE ALTER-

ATION TO SUIT HIMSELF. That is what is meant by "version".

The really serious errors, however, are those based upon deciding GOD's reasoning or possibilities according to YOUR perceptions. As long as you base everything on the physical of race, creed, color, religion, or other MAN-MADE criteria—you WILL MISS TRUTH.

POINTS TO PONDER

GAIANDRIANA

It has been brought to my attention that I need to give you a few more instructions on Gaiandriana. Dharma handles a lot of the research experiments with the "mother" cells and she got a real shocker today. Yesterday was too busy to attend much work on the Gaiandriana so all she did was add the additional water I told her to use to "hold" it. Today is a beautiful, clear and "sun intense" day at this altitude. By mid-afternoon the cells had grown and "crystallized" to the point that the entire 3 gallon container was acting as a giant refracting magnifying glass. She has 12 of them and every one was focusing such an intense laser that there are actually etched burns ready to flame on the wooden tables. These were smoking and moving in a line at the speed of the orbit, smoking and ready to burst into flame.

The reason I tell you readers this is to warn you who would think you can "upgrade" your own drianas—be careful for if you put the liquid into a crystal container (as in hand blown, uncut, crystal) and place in the sun—you can very well start a fire and burn your house down. Treat it EXACTLY as you would a high-quality magnifying glass. This has burned into the wood and therefore ruined the surface finish of the furniture and might very well scorch formica if not attended. I would not expect this to happen but these are large three gallon containers and the power is tremendous. It is nice, however, for confirmation reasons that this happened—for it proves beyond doubt that you have active crystals reproducing so quickly that the replication frequency measurements are "off-scale".

I always have her temper the solution with other ingredients and color to gage "readiness" and prevent this from happening. It is a good experience, however, to SEE the results and life reproduction right in full eye view. If you think this will not raise those frequencies within a body cell to such an extent as to rapidly dispatch a foreign form (virus, etc.), then think again. These people (four of them) literally watched the cells line up in solution, into "stands" to intensify the laser. NEVER UNDERESTIMATE THE POWER OF GOD IN CREATION nor what God will make available if

HIS people would but accept the gifts. HE would never leave His creations without messengers or that which you need to make transition—unless His own turn from HIM. In that instance HE has NOT denied—HE has BEEN denied.

CLONES

I find it most amusing to watch and receive the input from the past week's revelations in the "news". Cloning?? Twins, triplets or more? Come children, these are NOT NEW capabilities—it is simply that this technology is now being made public to counter the revelations and happenings to come which would overwhelm the senses. We thought it especially amusing in that the releases of cloning news came from the same journalists who covered a large meeting which Rick attended and all but four or five speakers were clones—some now without the original. Cloning is EASY, RAPID and downloading "memory" even more easily accomplished than down-loading a computer program.

I have been asked to make a detailed discussion on the subject. No thank you—we have had detailed discussions on that very subject over and over again for five years.

I am sorry, scribe, for such a long session—but it was both entertaining and, I hope, informative for the thought processes. I thank the one who sent the material and I would hope that this one would re-study the works as presented for reference and reconsider conclusions. LEARNING is an ongoing process of open-mind allowances of information flow. Perhaps, after all, "conclusions" are for the very purpose of "changing" as new and valid information is offered into the equation. From the misperceptions shared and other perceptions offered in knowledge gained, can be discerned TRUTH and KNOWING. Once a sighted person discerns a "color" to, say, be "blue"—"red" will never again suffice for description of "blue". So be it.

Gardener's Delight

There is no better view of the world than from down on your knees, in the garden.

For one thing, the position puts you in your place. You may think you're a lion at the office, but down on your knees you're just like everyone else, only shorter.

You're also quiet. It's hard to shout when you're kneeling; it's almost impossible to be angry. Anyway, it wouldn't do any good. There's only you and trees and the clouds and the grass. They wouldn't be impressed. So you don't talk. You listen. And the world sounds different. The rustle of cornstalks beside you is louder than the dim ringing of the telephone in the house across the yard.

The world looks different when viewed from your knees in the garden row. The tall, straight lines of onion stems look far more secure than the wavy ribbon of highway off in the distance. You are here, now. There are weeds to pull, plants to prune, rows to thin. You work. You take off your shoes and dig your toes into the soil. It doesn't matter that your knees are dirt-stained and your back aches and your hands are grubby. It feels good. It feels peaceful.

You realize what's around you. A microscopic world beneath your knees. A lush, green world at your fingertips. A bustling, buzzing world over your head.

All is in order. All is as God planned. From the silent, brooding toads in the strawberry patch to the noisy, scolding birds on the fencerows. From the large, colorful spiders in the cabbages to the tiny, pale aphids in the rose bed. All have a purpose. All have their place.

You thank God for putting you in yours--on your knees, in the garden.

Phyllis Hobson

From A "Republic" To A "Monarchy"

10/27/93 #2 HATONN

It is sometimes embarrassing to come to write and in sorting and searching for a document—to find others that you had fully intended to share—and there they are—under the piles of entropy. This is another document which is so well done as to have all accompanying computer information—but in total separation from anything remotely like a receiving envelope or name and address. It is obvious, however, that this is to be shared and great care was taken to insure we "could" use it easily.

As we speak of nations and governments and falls of empires we are always brought spiraling back to the realization that so much is already accomplished in the pull-down, take-over and even a new and secret *Constitution* written and already into subtle realization.

We have presented the "New States Constitution" prior to this—in fact—more than once. However, someone has now sent a booklet covering this "new" *Constitution* with a review and commentary on Rexford G. Tugwell's Book *The Emerging Constitution* as reviewed by, now deceased, Dr. PETER DAVID BETER. At first glance we find no date of the review but from other "clues" I believe it to be done in about 1975. It is for this reason that I insist on at least 2 date-lines on every document we present—for ease of classification, clarity and ability to reference "time". Some documents are NEVER outdated—but sometimes "timing" of writings are very important relative to happenings.

I am going to speak first, however, on the subject entitled "*Organizing the New Nation*" as offered (referenced above):

ORGANIZING THE NEW NATION 1784 - 1796

THE ANNALS OF AMERICA
ENCYCLOPEDIA BRITANNICA, INC.

QUOTING:

Philip Freneau: Rules for Changing a Republic [into a Democracy, then] into a Monarchy.

Those who had opposed the *Constitu-*

tion thought that their fears were justified by the conduct of the government that began to function in 1789. Under the aggressive leadership of Alexander Hamilton, the secretary of the treasury, economic measures were taken that favored the few, while an effective party machine was organized and the army strengthened in such a way as to suggest an intent to control rather than to represent the many. The whole tone of Washington's administration as aristocratic, favoring as it did the educated, the wealthy, the clergy, and the press, who were fearful of "mob rule" and preferred to see what Hamilton called "gentlemen of principle and property" in command. As Hamilton had at his service a newspaper—John Fenno's *Gazette of the United States*—to support his policies, his opponents, led by Jefferson and Madison, decided to establish a rival newspaper, the *National Gazette*. Philip Freneau, an experienced journalist of known democratic leanings, was chosen to edit the paper. The editorial, reprinted here, is typical of those in which Freneau criticized the Hamiltonian program from 1791 to 1793.

Source: American Museum, July 1792: *Rules for Changing a Limited Republican Government into an Unlimited Hereditary One.*

RULES

Rules for changing a limited republican government into an unlimited hereditary one:

1. It being necessary in order to effect the change, to get rid of constitutional shackles and popular prejudices, all possible means and occasions are to be used for both these purposes.

2. Nothing being more likely to prepare the vulgar mind for aristocratic ranks and hereditary powers than titles, endeavor in the offset of the government to confer these on its most dignified officers. If the principal magistrate should happen to be particularly venerable in the eyes of the people, take advantage of that fortunate circumstance in setting the example.

3. Should the attempt fail through his republican aversion to it, or from the dan-

ger of alarming the people, do not abandon the enterprise altogether, but lay up the proposition in the record. Time may gain it respect, and it will be there always ready, cut and dried, for any favorable conjuncture that may offer.

4. In drawing all bills, resolutions, and reports, keep constantly in view that the limitations in the *Constitution* are ultimately to be explained away. Precedents and phrases may thus be shuffled in, without being averted to by candid or weak people, of which good use may afterward be made.

5. As the novelty and bustle of inaugurating the government will for some time keep the public mind in a heedless and unsettled state, let the press during this period be busy in propagating the doctrines of monarchy and aristocracy. For this purpose it will be particularly useful to confound a mobbish democracy with a representative republic, that by exhibiting all the turbulent examples and enormities of the former [merited loathing], an odium may be thrown on the character of the latter. Review all the civil contests, convulsions, factions, broils, squabbles, bickering, black eyes and bloody noses of ancient, middle, and modern ages; caricature them into the most frightful forms and colors that can be imagined, and unfold one scene of horrible tragedy after another till the people be made, if possible, to tremble at their own shadows. Let the discourses on Davila then contrast with these pictures of terror the quiet hereditary succession, the reverence claimed by birth and nobility, and the fascinating influence of stars, and ribands, and garters, cautiously suppressing all the bloody tragedies and unceasing oppressions which form the history of this species of government. No pains should be spared in this part of the undertaking, for the greatest will be wanted, it being extremely difficult, especially when a people have been taught to reason and feel their rights, to convince them that a king, who is always an enemy to the people, and a nobility, who are perhaps still more so, will take better care of the people than the people will take of themselves.

6. But the grand nostrum will be a

public debt, provided enough of it can be got and it be medicated with the proper ingredients. If by good fortune a debt be ready at hand, the most is to be made of it. Stretch it and swell it to the utmost the items will bear. Allow as many extra claims as decency will permit. Assume all the debts of your neighbors—in a word, get as much debt as can be raked and scraped together, and when you have got all you can, “advertise” for more, and have the debt made as big as possible. This object being accomplished, the next will be to make it as perpetual as possible; and the next to that, to get it into as few hands as possible. Then effectually to bring this about, modify the debt, complicate it, divide it, subdivide it, subtract it, postpone it, let there be one-third of two-thirds, and two-thirds of one-third, and two-thirds of two-thirds; let there be 3 percents, and 4 percents, and 6 percents, and present 6 percents, and future 6 percents. To be brief, let the whole be such a mystery that a few only can understand it; and let all possible opportunities and informations fall in the way of these few to cinch their advantages over the many.

7. It must not be forgotten that the members of the legislative body are to have a deep stake in the game. This is an essential point, and happily is attended with no difficulty. A sufficient number, properly disposed, can alternately legislate and speculate, and speculate and legislate, and buy and sell, and sell and buy, until a due portion of the property of their constituents has passed into their hands to give them an interest against their constituents, and to ensure the part they are to act. All this, however, must be carried on under the cover of the closest secrecy; and it is particularly lucky that dealings in paper admit of more secrecy than any other. Should a discovery take place, the whole plan may be blown up.

8. The ways in which a great debt, so constituted and applied, will contribute to the ultimate end in view are both numerous and obvious. (1) The favorite few, thus possessed of it, whether within or without the government, will feel the staunchest fealty to it, and will go through thick and thin to support it in all its oppressions and usurpations. (2) Their money will give them consequence and influence, even among those who have been tricked out of it. (3) They will be the readiest materials that can be found for a hereditary aristocratic order, whenever matters are ripe for one. (4) A great debt will require great taxes; great taxes, many taxgatherers and other officers; and all officers are auxiliaries of power. (5) Heavy taxes may produce discontents; these may threaten resistance; and in proportion to this danger will be the pretense for a standing army to repel it. (6) A standing army, in its turn, will increase

the moral force of the government by means of its appointments, and give it physical force by means of the sword, thus doubly forwarding the main object.

9. The management of a great funded debt and an extensive system of taxes will afford a plea, not to be neglected, for establishment of a great incorporated bank. The use of such a machine is well understood. If the *Constitution*, according to its fair meaning, should not authorize it, so much the better. Push it through by a forced meaning and you will get in the bargain an admirable precedent for future misconstructions.

In fashioning the bank, remember that it is to be made particularly instrumental in enriching and aggrandizing the elect few, who are to be called in due season to the honors and felicities of the kingdom preparing for them, and who are the pillars that must support it. It will be easy to throw the benefit entirely into their hands, and to make it a solid addition of 50, or 60, or 70 percent to their former capitals of 800 percent, or 900 percent, without costing them a shilling; while it will be difficult to explain to the people that this gain of the few is at the cost of the many, that the contrary may be boldly and safely pretended. The bank will be pregnant with other important advantages. It will admit the same men to be, at the same time, members of the bank and members of the government. The two institutions will thus be soldered together, and each made stronger. Money will be put under the direction of the government, and government under the direction of money. To crown the whole, the bank will have a proper interest in swelling and perpetuating the public debt and public taxes, with all the blessings of both, because its agency and its profits will be extended in exact proportion.

10. “Divide and govern” is a maxim consecrated by the experience of ages, and should be familiar in its use to every politician as the knife he carries in his pocket. In the work here to be executed, the best effects may be produced by this maxim, and with peculiar facility. An extensive republic made up of lesser republics necessarily contains various sorts of people, distinguished by local and other interests and prejudices. Let the whole group be well examined in all its parts and relations, geographical and political, metaphysical and metaphorical; let there be first a northern and southern section, by a line running east and west, and then an eastern and western section, by a line running north and south. By a suitable nomenclature, the landholders cultivating different articles can be discriminated from one another, all from the class of merchants, and both from that of manufacturers.

One of the subordinate republics may

be represented as a commercial state, another as a navigation state, another as a manufacturing state, others as agricultural states; and although the great body of people in each be really agricultural, and the other characters be more or less common to all, still it will be politic to take advantage of such an arrangement. Should the members of the great republic be of different sizes, and subject to little jealousies on that account, another important division will be ready formed to your hand. Add again the division that may be carved out of personal interests, political opinions, and local parties. With so convenient an assortment of votes, especially with the help of the marked ones, a majority may be packed for any question with as much ease as the odd trick by an adroit gamester, and any measure whatever carried or defeated, as the great revolution to be brought about may require.

It is only necessary, therefore, to recommend that full use be made of the resource; and to remark that, besides the direct benefit to be drawn from these artificial divisions, they will tend to smother the true and natural one, existing in all societies, between the few who are always impatient of political equality and the many who can never rise above it; between those who are to mount to the prerogatives and those who are to be saddled with the burdens of the hereditary government to be introduced—in one word, between the general mass of the people, attached to their republican government and republican interests, and the chosen band devoted to monarchy and Mammon. It is of infinite importance that this distinction should be kept out of sight. The success of the project absolutely requires it.

[H: Is anybody out there? Sick yet? And YOU continue to ask me “Where have you been?” I ask you: WHERE HAVE YOU BEEN, CITIZENS? THIS WAS 1784!! TWO CENTURIES AGO! Sounds like a plan laid forth last week, doesn't it?]

11. As soon as sufficient progress in the intended change shall have been made, and the public mind duly prepared according to the rules already laid down, it will be proper to venture on another and a bolder step toward a removal of the constitutional landmarks. Here the aid of the former encroachments and all the other precedents and way-paving maneuvers will be called in of course. But, in order to render the success more certain, it will be of special moment to give the most plausible and popular name that can be found to the power that is to be usurped. It may be called, or example, a power for the common safety or the public good, or, “the general welfare”. To oppose the power may consequently seem to the ignorant, and be called by the artful, opposing the “general wel-

fare", and may be cried down under that deception.

As the people, however, may not run so readily into the snare as might be wished, it will be prudent to bait it well with some specious popular interest, such as the encouragement of manufactures, or even of agriculture, taking due care not even to mention any unpopular object to which the power is equally applicable, such as religion, etc. By this contrivance, particular classes of people may possibly be taken in who will be a valuable reinforcement.

With respect to the patronage of agriculture there is not indeed much to be expected from it. It will be too quickly seen through by the owners and tillers of the soil, that to tax them with one hand and pay back a part only with the other is a losing game on their side. From the power over manufactures more is to be hoped. It will not be so easily perceived that the premium bestowed may not be equal to the circuitous tax on consumption which pays it. There are particular reasons, too, for pushing the experiment on this class of citizens.

(1) As they live in towns and can act together, it is of vast consequence to gain them over to the interest of monarchy. (2) If the power over them be once established, the government can grant favors or monopolies, as it pleases; can raise or depress this or that place, as it pleases; in a word, by creating a dependence in so numerous and important a class of citizens, it will increase its own independence of every class and be more free to pursue the grand object in contemplation. (3) The expense of this operation will not in the end cost the government a shilling, for the moment any branch of manufacture has been brought to a state of tolerable maturity the exciseman will be ready with his constable and his search warrant to demand a reimbursement, and as much more as can be squeezed out of the article. All this, it is to be remembered, supposes that the manufacturers will be weak enough to be cheated, in some respects, out of their own interests, and wicked enough, in others, to betray those of their fellow citizens; a supposition that, if known, would totally mar the experiment. Great care, therefore, must be taken to prevent it from leaking out.

12. The expediency of seizing every occasion of external danger for augmenting and perpetuating the standing military force is too obvious to escape. So important is this matter that for any loss or disaster whatever attending the national arms, there will be ample consolation and compensation in the opportunity for enlarging the establishment. A military defeat will become a political victory, and the loss of a little vulgar blood contribute to ennoble that which flows in the veins of our future dukes and marquesses.

13. The same prudence will improve the opportunity afforded by an increase of military expenditures for perpetuating the taxes required for them. If the inconsistency and absurdity of establishing a perpetual tax for a temporary service should produce any difficulty in the business, Rule 10 must be resorted to. Throw in as many extraneous motives as will make up a majority, and the thing is effected in an instant. What was before evil would become good as easily as black could be made white by the same magical operation.

14. Throughout this great undertaking it will be wise to have some particular model constantly in view. The work can then be carried on more systematically, and every measure be fortified, in the progress, by apt illustrations and authorities. Should there exist a particular monarchy against which there are fewer prejudices than against any other, should it contain a mixture of the representative principle so as to present on one side the semblance of a republican aspect, should it, moreover, have a great, funded, complicated, irredeemable debt, with all the apparatus and appurtenances of excises, banks, etc., upon that a steady eye is to be kept. In all cases it will assist, and in most its statute books will furnish a precise pattern by which there may be cut out any moneyed or monarchical project that may be wanted.

15. As it is not expected that the change of a republic into a monarchy, with the rapidity desired can be carried through without occasional suspicions and alarms, it will be necessary to be prepared for such events. The best general rule on the subject is to be taken from the example of crying "Stop thief" first—neither lungs nor pens must be spared in charging every man who whispers, or even thinks, that the revolution on foot is meditated, with being himself an enemy to the established government and meaning to overturn it. Let the charge be reiterated and reverberated till at last such confusion and uncertainty be produced that the people, being not able to find out where the truth lies, withdraw their attention from the contest.

Many other rules of great wisdom and efficacy might be added; but it is conceived that the above will be abundantly enough for the purpose. This will certainly be the case if the people can be either kept asleep so as not to discover, or be thrown into artificial divisions so as not to resist, what is silently going forward. Should it be found impossible, however, to prevent the people from awaking and uniting; **[H: Well, they surely have managed to pull this last one off very well indeed.]** should all artificial distinctions give way to the natural divisions between the lordly minded few and the well-disposed many; should all who have common interest make a common cause and show an inflexible attachment to republicanism in opposi-

tion to a government or monarchy and or money, why then.....

END QUOTING

Readers, if you still fail to see that this "planning" for your loss of freedom has been in the final stages of perfection for many decades—then we have nothing to further speak about. As you go BACK through the above PLAN—check it out—everything has been accomplished AND MORE! Friends, it is not as if it all has struck you this morning—for goodness sakes, your own capital city layout is filled with symbolism of the Secret Orders attached to the Crown. Most of the so-called "founding father" leaders WERE VERY ACTIVE FREEMASONS—**IN THE SECRET ORDER!** It is NOT new and my people weary of the labors of information-bringing which is two centuries old—unto a world of ignorance as if you are herded as sheep by the slaughter-house owner/operator. How easily YOU ARE FOOLED—YES, DUPED—IT IS EVERY DAY IN SOME WAY OR ANOTHER THAT YOU ARE MADE THE FOOL.

How? Well, let us just look at a tiny fragment of historical events—say, Ferdinand Marcos' burial. Was the body a "body" or was it a wax figure? You never thought about it? I thought not—but some did think about it and "it was!" Yes, it was a duplicate—not the old worn out original which had been pictured before your eyes in his "last days" in your country! Let us pause a minute and read an article from the Philippines at the time of the burial event:

IS IT REALLY MARCOS?

BATAC, Philippines—"He looks so handsome," people muttered as they filed past the glass coffin containing the body of Ferdinand Marcos. Some thought the body looked too good to be true.

Pictures of the president's preserved body taken before it left Hawaii last week showed a bloated face whose features had deteriorated during the four years since his death in exile at age 72.

But when Marcos' widow, Imelda, threw open the doors of the stone mausoleum after his funeral last week, the body lying there looked like a vigorous man in his late 40s or early 50s.

This has produced speculation that the figure in the coffin is actually a wax replica, similar to the more than 30 on display at the nearby Marcos Museum.

Mrs. Marcos insists it is the body of the deposed strongman.

So—will the real Marcos please stand up? Does it matter? It does to Marcos—he

might well be up and running around trying to get his fortune into security somewhere—who knows? "De shadow dol" If, however, you pay no attention to the small clues—how do you expect to pull off the reclamation of a nation and planet in a couple of weeks? Oh, you want GOD to do it? Well, He won't!

I am going to offer one more thought as we close this writing—what about the Olympics in year 2000? Australia? Well it figures! Why? Because that is the culmination of PLAN 2000 and in Australia is where the Elite of Elite have their most luxurious safety facilities—WAITING. THEY INTEND ON HAVING THE CAPABILITY BY YEAR 2000 TO FORFEIT THE ENTIRE NORTHERN HEMISPHERE TO NUCLEAR DEVASTATION AND TAKE UP LUXURY SURVIVAL DOWN-UNDER. The choice, however, truly fits into an "Orwellian political maneuver".

Let's see what *Spotlight* has to share on this subject—we have been speaking and laughing about this "subtlety" (like a two x four across the skull) for weeks and here it is—well done in the able presentation of that paper. This is by "Australopithecus" Yes, we assume that to be a name.

QUOTING:

AUSTRALIA FOR OLYMPICS 2000

The selection of Sydney, Australia over Peking, Red China as host of the 2000 Olympics is a strange choice considering that the Aussie human rights record is at least as bad as the Communist Chinese. Its selection highlights the hypocrisy of the Political Correctness brigade.

Australia has the distinction of having perpetrated the complete and absolute genocide of an entire race—no other nation can make this claim. The genocide was perpetrated against the Tasmanian population, a unique race of which today there is not a single survivor.

Tasmania is of course a large island to the southeast of the Australian continent.

On the mainland, Australian aborigines were routinely shot to make way for British farmers. The fortune of former Prime Minister Malcolm Fraser was based on vast tracts of land where his not-so-distant forebears laced aboriginal drinking ponds with arsenic. The natives drank the poisoned water and died, which gave the Frasers more land for their sheep to graze.

The surviving Australian aborigines are still victims, but in a more perverse way. Epidemic alcoholism—fueled by welfare payments—promises to wipe out what is left of the race.

In addition, aboriginal paintings and artifacts have become the rage among collectors. Shyster "art" dealers are taking

the profit without any benefit to the original artists.

DIAMONDS

In a rather Orwellian move the government has appointed itself "champion" of aboriginal land rights.

The aboriginal industry bureaucrats regularly herald their keen interest in protecting and preserving "aboriginal burial sites" as the main thrust of their land rights policy.

Some of these extend hundreds of square miles in all directions. This had puzzled aborigines and archaeologists alike since in most cases there were no signs of any graves or artifacts to be seen in these sites.

The mystery was solved when it was revealed the so-called burial sites were in fact diamond-bearing land which the DeBeers diamond cartel of Harry Oppenheimer had told successive prime ministers it wanted frozen, for fear of flooding an already bloated market.

BOER WARS

Another irony seldom mentioned is Australia's role in the Boer Wars waged in South Africa at the turn of the century. Under color of "defending the [British] empire", Australian troops were dispatched to South Africa to dispossess Boer farmers of their land for the benefit of the Rothschild-Oppenheimer gold and diamond cartels.

Ever zealous to prove its fealty [loyalty] to the Establishment, the Australian government gave its troops orders to shoot to kill all "Boer savages including females and children" whenever they met.

The British troops, slightly less blood-thirsty, invented the original concentration camps where Boer women, children and old men were herded to die of hunger and exposure. Chronicles of the time show records of Australian troops shooting the unfortunate prisoners in drunken orgies of rage and hatred.

The Australian government hated the Boers in 1900, and hated them still in 1945 after the Boers won majority rule in South Africa in an election that rocked the British Establishment and the Oppenheimer cartels.

The new Boer government had modestly asked that the mineral wealth of South Africa should not benefit only Oppenheimer. The world fury orchestrated against South Africa for the last 45 years was triggered by that modest request.

BIG BROTHER

From genocide in Tasmania to ethnic cleansing in South Africa, the Australian government has mutated into the dread enforcer of an Orwellian society. It has

more police *per capita* than any other Western-type system.

The population is under constant surveillance by the largest computer in the world, located in Canberra, the federal capital.

Every banking transaction is recorded, analyzed, cross-referenced with salaries and any other form of income and with individual tax returns. Telephones are routinely tapped by different government agencies and police. **[H: Golly, sounds like "home", doesn't it?]**

This stripping of all privacy is done in the name of catching tax cheats. With an income tax of 62 cents on the dollar, it would not be surprising that many would be tempted to cheat a little, but the system allows little play.

THOUGHT POLICE

More ominous, however, for the present state of human rights and civil liberties in Australia is a new awesome array of thought crime laws. Australians do not have the protection of a First Amendment and therefore are at the mercy of laws restricting free speech.

Arrests are made if one is overheard mentioning the race or religion of a convicted felon. The thought police have wide discretionary power to arrest anyone deemed to "express hate".

In addition to the thought police, there is a specific "Nazi-hunting" police force with a multimillion budget whose task it is to ferret out alleged death camp directors who supposedly slipped into Australia after World War II. One Nazi-hunting prosecutor said with a straight face in an Adelaide court that "only Nazis would try to leave Communist countries."

A half-million Eastern European immigrants have their telephones tapped, their mail intercepted and in some cases their homes bugged by the zealous Nazi hunters. So far the anti-Nazi hunt has cost the taxpayers more than \$1 billion, but has not resulted in a single conviction in court.

MORE CONTROLS

Another violation of human rights can be found in the government's hunt of economic criminals. These criminals do not steal, but violate the rules of a jungle of government bureaus. Recently, an Italian egg farmer in Sydney was thrown in jail for six months for selling a dozen eggs to an elderly pensioner who could not make it to the shops.

The farmer's crime was selling to a private party instead of the omnipotent Egg Board.

Australian producers are required under penalty of jail and heavy fines to sell their products to a multitude of govern-

ment boards such as the Apple Board, the Milk Board, the Meat Board, etc. These boards all have a vast staff of informers and enforcers on the lookout for free enterprise "criminals".

Another freedom denied Australians is the right to bear arms—either to overthrow a tyrant or simply to defend against criminals. The criminal class is armed to the teeth, but the defenseless citizen is left totally unprotected.

END OF ARTICLE
END OF QUOTING

So, what's the big deal? This was just a bit of background to allow you to understand "human rights" a bit better and WHO and how it is decided about "human rights". Who would be at the top causing the OLYMPIC COMMITTEE to make this choice in September last? Well—here we have him AGAIN: **HENRY KISSINGER** heads the list! He deals all over in international influence, intrigue and criminal activities in EVERY nation on the globe! Then there is Malcolm Fraser who is himself hardly removed from genocidal ancestors—and of course—good old Harry Oppenheimer's henchmen. And WHERE was this decision rendered? Monaco! Interesting? I think so.

More interesting, however, is that Red China was **double-crossed—by of all people—ISRAEL!** So, let us try on this next article and we can perhaps find some insight into these decision-maker's dark corners.

RED CHINA BLACKMAILED, THEN DOUBLE-CROSSED

Again—by "Australopithecus". This actually is the pen name of a Washington figure with wide international experience.

QUOTING:

The decision of the International Olympic Committee not to select Peking, Red China as the site of the duomillennial Olympic Games had nothing to do with democracy or human rights. It was the culmination of an intensive four-year extortion campaign against Red China by ISRAEL and its Zionist and allied political correctness lobbies in the United States. [H: This is NOT a good enemy to have, readers.]

MONTE CARLO, Monaco (Oct. 11, 1993): Red China was double-crossed by Israel, which, after years of working in the United States on behalf of the Communists, betrayed them by having them knocked out of the running as host for the Olympics.

Israeli agents have for years ingratiated

themselves to the Red Chinese government, starting with **Henry Kissinger**. They have appeared as influence and access peddlers to the U.S. government, vote manipulators at the UN, media Merlins to create favorable press, purveyors of high-tech military secrets courtesy of Zionist spies such as Jonathan Pollard and informers of CIA and Anti-Defamation League surveillance reports.

The Israeli lobby has totally monopolized access to Washington politicians and bureaucrats for all foreigners. Washington access had become a huge and lucrative industry operated largely by the Zionist lobby. Any foreign government wishing to deal with the "center of world power", as the Zionist lobbies mystically label Washington, must first go through the appropriate Israeli agents and pay a formidable price.

Red China, with the help of the Israel lobby in the United States, moved from being labeled the worst threat to world peace to a brave emerging democracy and desirable industrial site, with the blessings of Israel.

Although the Red Chinese readily availed themselves of Israeli services, it was never a comfortable relationship. First the Red Chinese chafed under the exorbitant demands of the Israelis. They found it humiliating to place the fortunes of the Middle Kingdom into the hands of Israeli influence peddlars and always looked for the opportunity to jettison what they regarded as parasitic leeches.

When those influence peddlars beat the drums to have President George Bush cancel the most favored nation trade status for Red China in reaction to the slaughter at Tiananmen Square, the Israelis extorted \$300 million from the Red Chinese to avoid such a possibility. Bush did not cancel the status.

The Israeli lobby, whip in hand, had assured the Red Chinese that so long as they remained cooperative they would be given a clean bill of health in the family of nations.

The position of vassal to "foreign devils", particularly to a newly manufactured state like Israel, has always been loathsome to the Red Chinese. The Red Chinese leadership saw the Olympic Games of 2000 as a way to shake off the unwelcome yoke.

Red China had over the years maintained an amicable relationship with the International Olympic Committee (IOC), which they believed to be relatively free of Israeli interference.

The Olympic Games originated in Greece in 776 BC and lasted until AD 394. In 1894 a genial sportsman, Baron Pierre de Coubertin, reintroduced the games in their country of origin. Coubertin made sure that the IOC's charter reflected true sportsmanship by amateur athletes from all countries, free of politics and commercialism.

Several attempts were made by Western liberals and Communists to politicize the games following World War II. In 1946, for example, there was an attempt to "denazify" the games since the IOC had picked Berlin as the site of the 1936 games.

The IOC survived the liberal witch-hunt thanks to the leadership of men like Avery Brundage, an American "populist and nationalist", and later Juan Samaranch, but relentless efforts to politicize the games finally paid off when certain countries were excluded for lack of political correctness. The expulsions were totally arbitrary, based only on the whims of the liberal Establishment.

PEKING'S BID

Red China was the front-runner with the 80 members of the IOC to host the games. There was still a majority, it was believed, inclined to select Red China regardless of the politics.

The Red Chinese felt they were entitled to have their turn and felt confident of winning. In the meantime, the Israeli lobby demanded Red China cease selling arms to Israel's archenemy Iran if it still wanted to host the Olympiad.

After the Red Chinese made a commitment to curtail new arms sales to Iran and also acceded to demands to free certain political prisoners, Israel claimed to be satisfied and indicated Peking could count on being selected for 2000.

However, hard-liners in the Rabin government maintained the Red Chinese could not be trusted. This bloc was determined to stop the IOC from selecting Peking. To that end they marshaled all of their U.S. and Western lobbies to pressure members of the IOC.

In the end, certain members caved in, in favor of Sydney, Australia, which until a week before the vote was given little chance of winning the games.

END OF QUOTING

Oh well, readers—not to worry about Red China—they will be TOO BUSY DURING THE 2000 OLYMPICS TO PAY MUCH ATTENTION TO BALL GAMES AND GYMNASTICS—GOOD LUCK, WORLD!

*It is better to create
than to be learned;
creating is the true
essence of life.*

As *The Plot* Thickens

10/28/93 #1 HATONN

EAGLES IN OUR MIDST

I have great fun with you of "our" people as you effort from your vantage point to qualify, disqualify and align selves with other things or beings or energy forms—from where you sit. Please, precious ones, it matters NOT. We use **identification references** to indicate locations and JOB.

We chuckle a lot at "who is a crow", "who is an eagle" and even "who WAS this or that?" YOU **ARE!** NO MORE—NO LESS!

So, why might I share some "reminders" with my scribe, say, and Little Crow, etc.? Because THEY are caught having to receive and translate from Grandfather, myself, etc., etc., and the WAY IS CLUTTERED AND DIFFICULT—they may seem to get a lot of the fun—but they also GET 99% OF ALL THE FLACK AND POISON ARROWS!

Don't worry about it, students and seekers, be that which you choose and "like". We will continue our mission and identifications according to our needs and the confirmations of necessary contacts and input. For instance, George Green is telling "everyone" or so he says (his term "everyone") that Little Crow has totally denounced Doris Ekker and ALL WORK FROM HATONN. He tells "everyone" that Little Crow tells "everyone" to not get JOURNALS, DO NOT subscribe to CONTACT (only he still calls it LIBERATOR). "...BECAUSE THOSE ARE CULTISTS IN A BLACK CULT." My, that is a heavy load to swallow right after Little Crow tells Dharma that she remains at the top of his "prayer list".

It does not make a whit of difference what ANYONE down there on your platforms say or do—these two energies are BROTHERS in the most important manifestation around—direct and directed SERVICE TO GOD THE GREAT SPIRIT. All else is of no consequence.

"I" personally recognize Little Crow as the WHITE EAGLE in service directly to Creator/Creation with the responsibility, ultimately, of providing guidance to you sheep of the "fold". Dharma is recognized as the "golden" eagle but not as you ones perceive the "Golden Eagle". The fact is that BOTH are considered THE Golden Eagles—but in your Earth language and identification it is the IMPERIAL Eagle which is, by us, called the Golden Eagle because it is the rarest of Eagles—akin to the Phoenix itself and often referred to as THE PHOENIX. Also, it has iridescent reflecting feathers which causes it, in the sunlight, to

appear to be a metallic golden bird. Little Crow and Dharma will ALWAYS be in range and in immediate attention of at least two (a pair) of these Imperial Eagles. Markings on the juveniles are similar to the Golden Eagle of your identification—and most people will never notice a difference.

To further consider "Little Crow", let it be known that many recognize the Raven and Crow as being about the same in species actions and color. The Raven is one of the most sacred symbols of your earth—for the story is that the Raven brought the "people" to the planet—so, therefore, you become Raven's child. This may not be important to YOU, but it is important to US. Just as "Aton" is represented as the "Sun" so too was His servant recognized as the "Golden" Eagle (your Imperial eagle). Now, isn't factual "history" fun if you study it carefully?

In practical application of EVERYTHING which appears "real" to your viewing physical eyes I like the way Little Crow sums up this journey and its evolvement:

January 5, 1992, *Little Crow* on "Transition":

Ain't none of us going to hell, ain't none of us going to heaven. What we are doing is going into the infinity of our being, the infinity of our creation, which is energy—energy and that's it. Energy has always existed, always shall exist and always has existed and will continue to exist whether we have that realization or not....

So, from the "sublime" back to the things of Earth and the "ridiculous".

HOLOCAUST

What Southern California is experiencing this week is a **Holocaust**. I suggest you look it up in the dictionary and you will find it defines the fires of destruction—NOT THE HAPPENINGS IN ANY CONCENTRATION CAMPS—BE THEY GERMAN, RUSSIAN OR JEWISH. I do remind you people that when the great quake hits Southern California it will be a thousand times what was in Laguna Beach this day! GET PREPARED—PLEASE, GET YOURSELVES PREPARED FOR SELF CARE FOR A WHILE BECAUSE YOU WILL NEED IT.

I suggest YOU LOOK BEYOND THE FIRES, however,—NOTE THE STATE OF EMERGENCY declared by both the Califor-

nia Governor and the President!! This means, little ones, that you are under full FEMA regulations and control. Your "old" emergency regulations (from the LA riots) were about to "expire" so just in the very (nick) of time—a nice new disaster to prolong the regulations. Uncle Big Boy is "always thinking of you", dear ones.

DR. PETER DAVID BETER

Before we move into commentary on the "Newstates Constitution" I want to honor a man who brought the most revealing and accurate information to the forefront of all people of your century. Most of YOU readers will know of him but, as with Tesla, Russell, etc., the name has been all but banished from public availability. This makes him one of the very MOST IMPORTANT men of your, or any, generation on your planet. I will offer a writing on this person so that you will recognize his important input on any subject.

Dr. Beter is now deceased (from your place)—murdered by the Would-be-Kings, March 14, 1987. Again, readers, I must tell you that information of Truth has been around for a very LONG TIME—you have simply not become aware—for you didn't search—and/or the Elite buried it so deeply you wouldn't know where to look for such "unbelievable" Truth.

Dr. Peter David Beter was famous as "the man who opened Fort Knox" in September 1974, through Congressional testimony and still-unanswered public charges. He was also well known for accuracy in spotlighting major events ahead of time. Years ago, for example, he warned of our present economic woes and coined the now familiar word "stagflation" to describe them. The forced resignations of V.P. Spiro Agnew and Pres. Richard Nixon was forecast many months beforehand in lectures and radio shows by Dr. Beter, who also stated a full year in advance that Nelson Rockefeller was scheduled to become your second non-elected Vice President. Those who have heard his warnings since early 1974 that Southern Africa was on a 3-year timetable for conquest find events in that area increasingly ominous.

This was the track record that gave Dr. Beter's ongoing warnings of planned economic breakdown, dictatorship, and war such significance. Dr. Beter was no perennial "doomsayer" but a professional with an international financial and legal reputation at stake. He simply stated that certain things were being planned—and

carried out—by very powerful people, whom he often named. He said that those plans **would succeed** unless you knew about them. They have and ARE!

Dr. Beter was counsel for six years (1961-67) with the Export-Import Bank of the United States in Washington, D.C., and before that Dr. Beter was General Counsel for the American Gold Association for three years (1958-61).

In 1951 he became a member of the District of Columbia Bar—but we won't hold that against him.

Dr. Beter was a member of The Bankers Club of America, The American Judicature Society, The Royal Commonwealth Society (London), and was listed in "Who's Who in the East" (USA), and "The Blue Book" (London). Do you get a queasy feeling that you have heard this all before? Ah, indeed, there is always an effort to capture these "important" persons into the Elite CLUBS—and it WORKS! They march to that drum-beat like any other mortal man to an "ego" tune. THAT does NOT make the truth they bring—LESS! It DOES MEAN, however, THAT I HAVE TO BE VERY CAREFUL IN OFFERING YOU THEIR INFORMATION FOR THE REASON THE ELITE SOCIETIES GET CONTROL OF THE "WORK" OF THESE PEOPLE—IS TO SILENCE THE TRUTH AND KEEP IT HIDDEN FROM YOU-THE-PEOPLE!

If I handle information from Dr. Beter more carefully than Germain did Russell's, perhaps we won't get in trouble with the Elite power brokers. E.J., at my request, contacted directly "THE" person through whom Mrs. Beter is reached to offer to help her (Mrs. Beter) with publication possibilities, etc. He was told emphatically that it was being taken care of and they didn't want any help. The last word was that this person would have Mrs. Beter "call". Well, that was a couple or three years ago! This material does not fall into the same qualifications as ~~work~~ work but, frankly, I am weary of dealing with your Elite greedmongers. Therefore, I am going to offer everything except Dr. Beter's underwear size and perhaps the power brokers will accept it as "recognition" and "appreciation".

Dr. Beter was the author of *The Conspiracy Against the Dollar: The Spirit of the New Imperialism*, a non-fiction best seller published by George Braziller, Inc., One Park Avenue, New York, New York, 10016, and by Doubleday Canada, Ltd., 110pp., (1973).

Lawyers, how am I doing in "cleaning up my act" in preventing the illusion of plagiarism?? I must manage politics before Truth it seems to keep my scribe out of Federal Prison. George Green, as a matter of fact, told a BUNCH of people last week that the Federal Judge was going "to throw Doris into prison" THIS WEEK. Oh my—it

doesn't "make Dharma's day" to hear that. But George should KNOW—he is the one who committed the contempt of court contempt and laid it all on her. He also says that Doris told the Judge to "go ahead and put me in jail". HOW WOULD HE KNOW WHAT SHE TOLD THE JUDGE? HE HAS NEVER APPEARED ANYWHERE NEAR THE FEDERAL COURT WHEN THE CASE (AGAINST HIM) IS HEARD OR CONVENED. DO YOU ACTUALLY THINK MY SCRIBE WOULD BE SO STUPID?? What does George say to ones who say "oh no!?" He says "Well, they put Helmsley in prison so they certainly can 'throw' Doris Ekker in." George must be terrified of my scribe to do such foolish things. Worse pain for Dharma, however—he gets his original input from spies STILL IN OUR MIDST! However, the information offered and used BY HIM comes from CONFIDENTIAL (BY COURT ORDER) DOCUMENTS—WHICH HE HAS SCATTERED LIBERALLY ABOUT THE COUNTRYSIDE FROM THE EAST TO THE WEST COAST! This is very costly to the "spies" in point, my friends! Don't we (she) know her own enemies? Not ALL of them—but the facts are she conducts herself in such a way that the spies can ultimately ONLY HELP US!

Regarding the SECRET NEW CONSTITUTION OF THE NEW STATES OF AMERICA: ANALYSIS AND COMMENTS by Dr. Beter:

NEW CONSTITUTION

Dr. Beter's critical analysis and comments:

QUOTING:

Certain powerful forces hope to celebrate our nation's Bicentennial by replacing the freedoms guaranteed in our present Constitution with their own dictatorship—a cleverly disguised dictatorship. It has been made to superficially resemble the government that we have now, so that we will not recognize it for what it is—until too late. They are using every propaganda trick at their command to make us lower our guard, and they are about to put us all in a condition of economic desperation to persuade us to accept their cleverly disguised dictatorship.

Our U.S. Constitution, according to the Preamble, is intended to provide for justice, domestic tranquility, common defense and general welfare, and to secure the blessings of liberty not only to ourselves, but to our posterity. These were the goals that shaped our Constitution. And this is the Constitution that enables America to become a great nation of free people.

The Newstates of America Constitution has a Preamble, too—but it mentions not one of the objectives of our present Constitution. Instead of "justice and domestic tranquility", the new constitution seeks

only "good order" without defining what that means. The very first words are "So that we may join in common endeavors"—and the body of the new constitution makes it clear that this means an end to individual endeavors. This new constitution is expressly stated to be good only for a prescribed period of 25 years: *our posterity are left to fend for themselves*. No reference is made in the Preamble to our defense or general welfare. Worst of all: the matter of liberty—so central to our present Constitution—is totally ignored in the Preamble of the new one, which seeks only, "an adequate and self-repairing government". The emphasis throughout their new constitution is on the government—not the people. "Adequate" turns out to mean: too powerful to be challenged. And "self-repairing" means that the laws and governmental structures can be continually changed and shifted to permit anything our rulers wish to do.

Before I explore some of the details of their secret new constitution, let me give you a bird's-eye view: Article I is divided into two parts defining "Rights" and "Responsibilities". It turns out that some of our present rights disappear outright, and practically all of the rest become conditional and fragile, able to be terminated on the whim of the government. The responsibilities, however, which are obligations of the citizen to the government, are **absolute and unconditional**.

Article II defines what are called the "Newstates". [H: These "newstates" are already depicted for your children on the backs of some cereal boxes so pay attention.] *The 50 states we have now are merged into a few large "Newstates"*. [H: This is already in functioning use for all the United States is divided into these categories which are now called Federal Districts.] It is no accident that our federal government for the past several years has managed its outlying activities through ten federal regions. These 10 new states will be completely subservient to the federal government and creatures of it.

Articles III through VIII of their new constitution define the independent branches of government and their powers and duties. Under our present Constitution, the federal government is divided into three co-equal branches—The Executive, Legislative, and Judicial. They were carefully set up according to a system of checks and balances in order to protect our freedoms from arbitrary government. But under their new constitution, there would not be three, but six branches, so structured that our present system of checks and balances are totally destroyed.

The counterparts of our present three branches will be greatly changed, and would be joined by a Regulatory Branch, to control our everyday affairs; a Planning Branch,

to plan our nation's economy; and, an Electoral Branch to oversee, monitor, finance, and regulate all elections throughout the country.

Article XI provides new procedures for constitutional amendment which are totally different from and more dangerous than those which now exist.

Finally, Article XII provides for transition from our present *representative and republican form of government* to the new, cleverly disguised dictatorship under their new constitution.

Every word of their new constitution has been chosen carefully and for a purpose. Its basic nature and provisions are very revealing.

First, consider the matter of individual citizens' rights. One right which is under powerful attack right now (1975), and which disappears in the new constitution, is THE RIGHT TO BEAR ARMS. **Instead, "The bearing of arms OR THE POSSESSION OF LETHAL WEAPONS SHALL BE CONFINED TO THE POLICE, MEMBERS OF THE ARMED FORCES, AND THOSE LICENSED UNDER LAW."** Regardless of what you may think about the ins and outs of the controversial "Gun Control" issue, you should be aware of the historical fact that disarming of the populace **is always a part of ANY totalitarian scheme.**

Another right which disappears is that of trial by jury. Instead, as defined in Article VIII on the Judicial Branch, a presiding judge may decide whether a trial is to be of the investigatory or adversary type. An investigatory trial is the type used, for example, in the Soviet Union: you are presumed guilty and must prove your innocence before a panel of judges. If an adversary trial is chosen, the judge is to decide whether there is to be a jury, and how many jurors there shall be. There is no provision to prevent your jury, if any, from being a jury of one, who as easily as not, could be your bitter enemy.

As for how you might wind up in court in the first place, the section on "Rights" provides that "Searches and seizures shall be made only on judicial warrant." That sounds reassuring, until you discover that nowhere in the new constitution are there any criteria given for the issuance of a judicial warrant. In other words, it could be completely arbitrary.

The practice of religion is said to be "privileged". That is not the same as freedom of religion, legally. A right is something which cannot be revoked. A privilege, however, is something you hold only at the pleasure of the government, which can revoke it at will.

Or consider the matter of property rights. Their new constitution states "No property shall be taken without compensation." But it does not say "just" compensation. The omission of that little word "just"—after 40

drafts—cannot be accidental. It would leave the government free to seize your house, give you \$1.00, and say, "We gave you compensation."

The preoccupation with *declared emergency* is prominent with respect to rights. In Article VI of their new constitution, the reasons and procedures for declaration of emergency are prescribed. Among other things, it states that emergency can be declared for no better reason than "if an extra ordinary advantage be anticipated". It does not say, advantage to whom, but obviously it means advantage to the government.

With this in mind, observe that Article I of their constitution says that freedom of expression, of communication, of movement, of assembly, and of petition are abridged in declared emergency. Peaceful public gatherings to discuss public issues may also be interrupted or denied. Writs of habeas corpus are also suspended in declared emergency, which means you could be locked up and held indefinitely without the proffering of any charges.

With respect to the so-called "Responsibilities" defined in their new constitution, the potential dangers tend to be more subtle: "Each citizen SHALL participate in the process of democracy, assisting in the selection of officials and in the monitoring of their conduct in office." Several points even in this one sentence would merit comment, but simply consider the word "shall". THIS IS A COMMAND. You shall participate, not that you have the discretion to participate. And if you do not do so, you would be violating the most basic law of the land, the new constitution. Compare the constitutions of all communist-led countries.

The Newstates are simply puppets of the federal government. "If governments of the Newstates fail to carry out fully their constitutional duties, their officials shall be warned, and may be required by the Senate on the recommendation of the Watchkeeper, to forfeit revenues from the newstates of America." You have no doubt already heard of various cases in which certain localities have been forced to forfeit their REVENUE SHARING funds because of failure to comply with federal "guidelines", so-called. **[H: TODAY there is big flapping going on about mandatory rules and regulations which are to be enforced by the federal government upon the states but NO FUNDING FORTHCOMING FROM THE FEDERAL GOVERNMENT TO COVER COSTS. This is a full-view showing of strength in that this is already accomplished.]**

Turning to another of the six new branches of government under the new constitution, which in the constitution is simply called "The Presidency", in Article V. This is entirely appropriate under their

constitution: The President is a "strong man", able to call all the shots. He is to serve for a single term of 9 years. You may have noticed the "single term" idea popping up, and even the 9 year length has been suggested by some in print and speech. Their secret new constitution is where the idea came from.

There are also two Vice Presidents—one designated for "General Affairs", first in line of Presidential succession in case of disability; the other designated for "Internal Affairs", and second in line. **[H: You already have this in current play—but simply missing the name. How much more do you hear from MRS. CLINTON than you do about V.P. Al Gore?—think about it—it will never be "announced" without first hooking you into the fabric so you don't realize a "change"—it simply "becomes" the rule AND THEN the law.]** There are detailed provisions for Presidential and Vice Presidential disability, with *appointment* playing a key role as in our present 25th Amendment to the U.S. Constitution. Note especially that Section 5 of Article V provides that "Candidates for the presidency and the vice-presidencies shall be natural-born citizens." **The key word here is "Candidates".** All a *foreign-born* person need say is, "I am doing nothing to become a candidate"; or, "I said I was not a candidate"; or, "I am not even a candidate, so therefore I cannot remove myself as a candidate for the vice-presidency." Under this section, therefore, **a foreign-born person could well become president once he is nominated by a president in the event there is an office vacancy in one or both of the vice-presidencies, followed by succession when a president becomes disabled for any reason. [H: In other words—Henry Kissinger, Maggie Thatcher—anybody can become your President and Vice-Presidents.]**

A provision which exemplifies the power of the president is: "Treaties or agreements with other nations negotiated under the President's authority shall be in effect unless objected to by a majority of the Senate within 90 days." Here is a pattern which permeates the new constitution, wherein all sorts of actions take effect unless objected to by a majority, instead of resulting from positive approval by a majority. This even applies in the matter of constitutional amendment, in which amendments generated by the Judicial Branch take effect unless turned down by the majority of the people. **[H: Most of "the people" don't even know when these things are up for discussion much less know about majority voting.]**

Under the Presidency, there is also to be a new official called the "Intendant" whose powers are potentially those of the commander of a nationwide Gestapo. The

actual wording, of course, sounds relatively mild to the unwary; the danger lies in what is NOT SAID and the limits that are not imposed. He is to supervise offices for Intelligence and Investigation, as well as an Office of Emergency Organization. His role here reflects a preoccupation with emergency that crops up again and again throughout the new constitution. The word "emergency" appears 13 times in the new constitution; it does not even appear once in our present *Constitution*. Constitutional provisions for declaration of emergency, of course, have been used time after time in recent years to terminate freedom in other countries.

The Intendant is also given the authority to charter tax-exempt foundations or corporations that are "determined by him to be for useful public purposes". There is no check whatsoever on his authority to do this. This only reflects the unbridled authority of the President himself under the new constitution, however. It does not provide for accountability of an unscrupulous President.

Their constitution gives the President all the tools he needs to establish unchallenged authority during the transition period from our present to the new constitution, as described in Article XII. This open invitation for him to assume any and all powers he deems appropriate speaks for itself.

Furthermore, with respect to the replacement of present governmental functions by those defined by their constitution, "The President shall determine when replacement is complete." Since only the President is given this power, there is really nothing to prevent him from freezing the process partway through, for example, after abolishing our present Congress and before appointing a new one. It is very possible that these two very short passages are the real crux of their secret new constitution. But just to round out the President's guarantees of invulnerability, their new constitution also affords a remarkable license to lie in Article IX. Of the three exceptions noted therein, "treason" is of no force and effect, since it is nowhere defined in their new constitution.

Given the power of the President under their new constitution, the rest would really have only whatever status their President allowed it to have. However, the Legislative Branch would consist of a Senate and House of Representatives, as now, but there the similarities end. *Senators would no longer be elected at all*; instead they would be hand-picked appointees of the President, plus former Presidents and Vice Presidents, and would serve for life. The House of Representatives would have 400 members, but there would only be 100 congressional districts. Each district would elect 3 representatives, who would serve

for 3-year terms. These could be expected to compete with one another instead of speaking with one voice, so this device would effectively undermine local representation at the national level. There would also be 100 representatives elected "at large", from the nation as a whole instead of individual districts. The "at-large" members would form the backbone of what little is left to the House: they would serve for 9-year terms, and would be the only ones eligible to become committee chairmen.

The Judicial Branch would be presided over by a Principal Justice, chosen by the President's hand-picked or rubber-stamp Senate. He would be a judicial "czar", controlling the entire judicial system of the nation with the aid of a Judicial Council and Judiciary Assembly. The Judicial Council would be the originator of all constitutional amendments, and would have the duty to consider amending their constitution to legalize unconstitutional steps taken by the government from time to time.

The new Regulatory Branch is foreshadowed by many current developments. But, the most notable feature of this Branch, aside from its grip on the nation's enterprises generally, is the blessing given to cartel arrangements called "Authorities". It states, "Member enterprises of an Authority shall be exempt from other regulation." But as for the "little guys", who do come under the government's regulation, it says, "Nonmembers shall be required to maintain the same standards as those prescribed for members." The "Standards" prescribed would be those agreed upon by the cartel members, and nonmembers would not be allowed even to exceed those standards if they wanted to for competitive reasons.

The Planning Branch is foreshadowed by the increasing clamor for "economic planning"; by the present Domestic Council of the White House; by the national land-use Planning legislation, and so forth. It would consist of a 15-member board appointed by the President. They would prepare 6 and 12-year plans and budgets to reflect the desires of the President, who would submit the budgets to the House of Representatives for their rubber-stamp approval each year.

Finally, the Electoral Branch is also on its way piecemeal, through public financing of election campaigns, quota systems, and now the newly operational Federal Election Commission, whose regulations do not apply to the present vice presidency office....

Under their new constitution, there is to be an electoral "Overseer" in charge of the Electoral Branch, chosen by the President's hand-picked Senate, and he is to "supervise the organization of national and district parties, arrange for discussion among them, and provide for the nomination and

election of candidates for public office." All electoral processes are to be paid for out of tax money, and no party can run candidates if it is not "recognized" by the Overseer. There are quota systems for apportionment of public funds that clearly would help drive out small parties and tend ultimately toward a one-party system. Furthermore, the Overseer is to monitor, supervise, and regulate the election process completely. All the power necessary to convert elections into a meaningless exercise is provided the Electoral Branch under their secret new constitution.

To sum up: I can only observe that their secret new constitution is not new at all. It is actually a prescription for the oldest kind of government of all: **ONE MAN RULE**. It is the slippage backward into the bad old ways of the past that we have seen increasingly during our lifetime, brought about by increasingly ignoring our own *Constitution, which is still the newest idea in government*.

Are we going to celebrate our 200th anniversary as the rebirth of our nation or as the death of our free republic? Our Constitution was the product of distilling the experience of 5000 years of civilization. Less than 200 years old, it is still practically brand new—especially since we have not used it much lately. If God will grant us the option of doing so at this late hour, there is truly a NEW START we can make with full confidence in the results.

This NEW START is to pick up our present, unique *Constitution*, and start using it again. It would be the first time in your lifetime or mine that this was really done. And I am convinced we would all be pleasantly astonished at the results.

DR. PETER DAVID BETER

END QUOTING

OK, readers—note above: **"If God will grant us the option of doing so at this late hour, there is truly a NEW START we can make with full confidence in the results....."**

This was written almost two decades ago—what have you done? God granted you "longer" and where are you? How much "longer" do you require to show signs of BEGINNING? The only thing we witness is a more progressive shove from the "Controllers"—not a return to *Constitutional* government! You have a President's wife bringing in Socialized medicine and your government riddled with foreign agents and homosexuals who laugh at your ideals and moral digression.

I suspect GOD WILL STAY RIGHT ON TRACK as is and allow us only some hope of getting a remnant through this upheaval

in HIS NAME. You who are WITH the Adversary shall do whatever comes along at the whims of that Adversary.

We have complaints enough about our presentations, from those of you who would be do-gooders. You criticize that which we effort to do—when we see naught save further bogging in the mire from you would-be patriots—WHO HAVE NOT THE SLIGHTEST IDEA OF WHAT IT IS YOU ARE DOING OR WHAT YOU WANT TO ACCOMPLISH. We ask at random, among our own workers, and THEY CANNOT RECITE THE BILL OF RIGHTS—MUCH LESS THE CONSTITUTION! HOW WILL YOU KNOW WHEN THE NEW CONSTITUTION IS YOUR BINDING LAW? IT IS ALREADY YOUR "LAW"—AND YOU DIDN'T NOTICE!

We shall continue to the best of our ability for those of you who wish to read and KNOW—to offer TRUTH and the hidden agendas of a World Conspiracy. We have no intent whatsoever of doing a single physical thing to stem the tide of downhill flow for ours is not to interfere nor intervene. If intervention is offered it will be at YOUR PETITION—UNTO GOD. Will "I" tend my flocks? **YES INDEED—BUT NOT THE FLOCKS OF THE ADVERSARY, MY ENEMY!** Man "cannot live by bread alone"—but at the present time it will surely allow him to live a bit longer than planned by the "Kings". I suggest you store that which will give "life" and stop arguing over the shiny particles of metal shavings which shall, at best, be confiscated.

ETERNAL LIFE

You continually ask about "life" and its meaning, its journey, its presentation. You also effort to distort truth by claiming that there is "no experience after this physical one". The facts are, ALL perish from this physical existence—OR DO THEY??????? WHY DO YOU THINK THE PUPPET-MASTERS FEEL SO SECURE IN THEIR LONG-TERM CLAMORING FOR POSITION?

PAY ATTENTION: WITH THE CLONING PROCESSES FOR REPLICATION—A PHYSICAL MAN IS REPLACED, HIS BRAIN DOWNLOADED AND HE CAN BE EXTENDED INTO DECADES OF PARTICIPATION. YOU MAY NOT HAVE "THE ORIGINAL" BUT THE REPLICA DOESN'T KNOW ANY BETTER, MY FRIENDS. DO YOU THINK HENRY KISSINGER IS ANY LESS DANGEROUS BECAUSE HE IS EXPERIENCING WITH HIS FIFTH, 25TH OR 100TH REPLICATION? THE ONLY THINGS THAT FADE ARE THE LONG-TERM MEMORIES AND IN THESE AGGRESSIVE FANATIC POSSESSORS—THEY END UP WITH NO SOULS, NO MORAL CARING, NO GOODLY RULES OF BEHAVIOR—NOTHING OF GOD ABOUT THEM! THAT is where you are headed, world, as you trek along your blind

pathway seeking whatever it is you are seeking, while getting farther and farther from the goal you PROCLAIM to desire!

Now, this may seem pretty good news to you who think you wish to prolong this physical journey—HOWEVER, take note of your ticket books. How many of YOU have a ticket to the underground shelters in Australia? How many of you have had the PRIVILEGE OF EXCHANGE? Have YOU been given the gifts which indicate prolonged anything? As the world goes into disaster after disaster, famine after plagues at the Elite hands of injustice—how much FUN is that experience and expression going to be? How will you enjoy seeing your own seeded offspring slain by the madmen enforcers of terror? Indeed, my good

readers, the choices are YOURS. The choices are also AT HAND. God may well wait and allow until the 12th hour—but it is now a quarter past 11:00 or later. And when the ending arrives—God WILL go! HE WILL GO! You shall effectively be left to endure WITH whatever is left in the PIT for the definition of "HELL" is the "ABSENCE OF LIGHT (GOD)".

We will take up the new constitution as we can get to it because it cannot be offered often enough—you are all but too late to matter at all, but you may as well become familiar with your NEW LAWS so you can exist a bit longer—alive. May you think upon these things and be given some way to rest in peace—for I hardly think you are headed for the rest of angels and small children. Salu.

**TAX ON TOURISTS,
TRUCKS, TRAINS**

GREENSPAN & THE FED

The following comes to us from *THE NEW YORK TIMES*, October 20, "Alan Greenspan, testifying alongside 15 senior Federal Reserve officials, said today that the economy would be hurt if Congress forced the central bank to operate with less secrecy.

"Mr. Greenspan, the Fed's chairman, said proposals to require detailed disclosure of its discussions would discourage the central bankers from speaking freely.

"Monetary policy would suffer, and the economy along with it," Mr. Greenspan told the House Banking Committee.

"Henry B. Gonzalez, Democrat of Texas and Chairman of the House Banking Committee, called today's unusual mass hearing to ask for the banker's views on his legislative proposals to require the Fed to disclose its decisions with a week of the meetings of its main policy-making committee.

"Accurate information does not undermine markets," Mr. Gonzalez said. "Partial information and leaked information undermines market efficiency."

"Several Fed officials seemed willing today to accept one change: to allow the release of highly detailed minutes five or so years after policy-making meetings. But these officials said sensitive material, like dealings with foreign central banks, should be omitted from the minutes."

From *THE GAZETTE*, October 20, "Canadians arriving in the United States by air or sea would pay a new \$10 tax under a contentious White House proposal to replace tariffs lost under the North American Free Trade Agreement.

"Washington wants to increase its customs-inspection fee for all international travellers, including Canadians and Mexicans who had previously been exempt from the charge.

"The White House also plans to double the tax on trucks and loaded railcars entering the United States, U.S. trade representative Mickey Kantor said yesterday.

"Railways would be charged \$15 for each rail car that crossed the U.S. border, up from the \$7.50 they now pay.

"Commercial truckers would have to pay \$10, instead of the \$5 they now shell out.

"International travellers would see the tax they now pay jump to \$10 from \$5. But the Canadian fee would rise to \$10 from zero."

MEXICO & NAFTA

In the October 13 issue of *THE MONTGOMERY COUNTY OBSERVER*, "Mexico's President Carlos Salinas de Gortari said that failure by the U.S. Congress to ratify the North American Free Trade Agreement by January 1

'would effectively kill the treaty, the Washington Post reported last Friday.'

THE ENVIRONMENT & NAFTA

Also from the October 13 *OBSERVER*, "Two groups that contend the government must assess the environmental impact of the proposed free trade pact with Canada and Mexico filed a Supreme Court appeal Friday.

"Public Citizen, an advocacy group, and the Sierra Club urged the court to rule that the North American Free Trade Agreement (NAFTA) is invalid without an environmental impact statement."

CLINTON WARNING

In the October 18 issue of *THE GLOBE AND MAIL*, "U.S. President Bill Clinton has warned that if a free-trade treaty with Canada and Mexico fails, Mexico could turn to Japan and Europe for 'a sweetheart deal on trade.'"

MORE FROM CLINTON ON NAFTA

In the October 27 *DAILY NEWS (Lancaster-Palmdale, CA)*, "President Clinton and his aides said Tuesday that they did not expect that the Liberal Party's victory in Canadian elections would hurt the prospects for approval of the North American Free Trade Agreement or lead to renegotiation of the pact.

"From my point of view, it will have no impact at all," Clinton said."

CANADA & NAFTA

From the October 28 *DAILY NEWS (Lancaster-Palmdale, CA)*, in an article by Clyde H. Farnsworth of *THE NEW YORK TIMES*, Toronto: "Fresh from the stunning triumph of his Liberal party in Canada's general elections, Prime Minister-designate Jean Chretien said Wednesday that he seeks changes in the North American Free Trade Agreement and may not implement the pact without them.

"Clinton told reporters in Washington on Tuesday that he saw 'no reason to renegotiate the agreement or any grounds or basis for it.' President Carlos Salinas de Gortari of Mexico also opposes renegotiation."

PEROT & CARTER ON NAFTA

Again from the *OBSERVER*, "In Chicago, Ross Perot had a comeback for former President Jimmy Carter and it brought the Texan's fans to their feet.

"Mr. Carter last month denounced Mr. Perot as a 'demagogue who has unlimited financial resources and who is extremely careless with the truth [and] who is preying

on the fears and the uncertainties of the American public.'

"Recalling the attack at an anti-NAFTA rally last Saturday, Mr. Perot, a Navy veteran, characterized himself as a semiliterate sailor, saying he had to look up 'demagogue' in Webster's Dictionary.

"Here is the first preferred definition, he said, 'a leader championing the cause of the common people in ancient times.'"

CAR OF THE TIMES

From the October 19 issue of *THE NEW YORK TIMES*, "It may be a measure of the decline of civility: A manufacturer of armored limousines for royalty and heads of state says the time is ripe for an armored car for the common man.

"The O'Gara-Hess & Eisenhard Armoring Company of Fairfield, Ohio, is offering what it calls a Personal Security Vehicle to cope with carjackings and armed robberies. Executives said it was designed to 'defeat random violence in North America.'"

KEATING FINED

Also from the October 27 issue of the *DAILY NEWS*, "Regulators banned jailed financier Charles H. Keating, Jr. on Tuesday from working for a bank or savings and loan and ordered him to pay \$36 million in restitution for the failure of his Lincoln Savings and Loan Association.

"The action, by Jonathan Fiechter, acting director of the Office of Thrift Supervision, caps an administrative procedure that began in August 1990."

FDIC

In a comprehensive article on the FDIC from the October 24 issue of the *ROCKY MOUNTAIN NEWS*, there is the following historical summary:

"Many of the FDIC's problems stem from the huge growth spurt it went through in the middle and late 1980s:

"In 1982 the agency had 3,504 employees handling 42 bank failures with \$1.9 billion in assets.

"By 1988 the FDIC had 8,060 employees handling 200 failures with \$9.3 billion in assets.

"Through this Sept. 30 there had been 37 bank closings in 1993 and 15,400 employees were handling a total of \$33 billion in assets.

"The FDIC, which sues and gets sued often, generates a lot of legal work. As of June, there were 33,758 suits on the agency's legal log. To handle this courtroom activity FDIC augmented its own legal staff of 930 with 1,482 outside lawyers."

BILLY RAY CYRUS

From the October 26 issue of the *DAILY*

NEWS, "Before his achy-breaky breakthrough, Billy Ray Cyrus admits to being obsessed with news of the planet's imminent destruction. 'I used to watch CNN late at night and document the end of the world with my VCR,' the long-haired country star tells *TV Guide*. '...Every time I saw a story that documented different things from the Book of Revelation in the Bible—wars, earthquakes, the depletion of the ozone layer, world hunger—I'd capture it on tape.' Cyrus finally quit his video-archiving project after seeing a story on the slaughtering of whales."

PEPPER SPRAY

Again from the *DAILY NEWS*, "The Los Angeles Police Commission asked Chief Willie L. Williams on Tuesday to investigate whether officers are using pepper spray disproportionately against African-American suspects."

OPERATION WESTERN 9

In the October 27 issue of the *REPORTER-HERALD*, "Commuters, be aware.

"Starting at midnight tonight and for 24 hours, Interstate 25 will be saturated with law enforcement officials looking for law violators.

"Police from Loveland and Fort Collins, as well as Colorado State Patrol troopers, will be taking part in Operation Western 9, according to Joe Lesnak of the CSP.

"The operation targets several western interstates, forming a circle that begins and ends in Southern California. The International Association of Chiefs of Police planned the patrol, Lesnak said.

"Traffic will be the primary target," Lesnak said, "But we'll be looking for anything from the new weapons law to narcotics violations.

"Operation Western 9 begins on Interstate 15 in the Southern California desert and goes north through Nevada, Arizona, Utah, Idaho and Montana. The patrol will then cover Interstate 90 west from Butte, Montana to Buffalo, Wyoming, where I-90 meets with I-25. Patrols will cover I-25 south to Albuquerque, New Mexico, where the focus shifts to Interstate 40 west through New Mexico, Arizona and back to Southern California."

A sign of things to come.

IRAN-CONTRA REPORT

From an unknown source, "Iran-Contra prosecutors concluded in their final report that top Cabinet officers to President Ronald Reagan engaged in a cover-up, plotting to make Oliver L. North and two national security advisers scapegoats whose sacrifice would protect the Administration, sources familiar with the document say."

Brilliant.

APOLOGY TO HAWAII

From an unknown newspaper, dated October 28, "The Senate voted to issue a formal apology to native Hawaiians for the overthrow of their island kingdom by U.S. agents a century ago.

"The Senate resolution states a conspiracy existed between U.S. diplomats and the Navy, which led to the U.S. invasion of Hawaii on January 16, 1893, and the overthrow of the monarchy the next day."

BATS

In the October 24 issue of the *ROCKY MOUNTAIN NEWS*, "State health officials are at a loss to explain why more than three times the average number of people have been treated for rabid bat bites this year.

"Most years there are six reports of people treated for rabid bat bites," says John Pape, disease-control specialist for the Colorado Health Department.

"So far this year, there have been 21."

TRAINING

In a fax received at the office of *CONTACT* from an unknown source, there is a photograph of men in uniform and guns walking up steps. The caption to the photograph reads: "Training takeover—A 30-member platoon of Royal Dutch Marines are training at Camp Blanding as part of a foreign exchange program. The platoon, from a base in Aruba, will learn different tactical maneuvers the U.S. infantry uses. Above, they practice taking over buildings where hostages and unfriendly aggressors may be."

Handwritten below the caption is, "Camp Blanding is a Florida National Guard Training Camp, approximately 40 miles south of Jacksonville, Florida. Also, SAS troops from England have trained there."

FLASHLIGHTS UNDER ASSAULT

From the December 1993 issue of *SOLDIER OF FORTUNE* magazine sent to *CONTACT*, we learn that "President Bill Clinton has announced he would surely sign new crime-fighting legislation co-sponsored by Senators Metzenbaum and Kennedy severely restricting the manufacture, importation, interstate commerce in and possession of assault flashlights. The senators claim these large 5-cell flashlights have become the tool of choice among today's criminals."

ROMAN CATHOLIC BISHOPS

In an article from the October 28 *DAILY NEWS*, in an article by Peter Steinfels of *THE NEW YORK TIMES*, "The nation's Roman Catholic bishops have drafted a new statement calling for a more active American role on the world stage, including blocking nuclear

proliferation and worldwide arms sales, supporting the United Nations, expanding foreign aid and, when necessary, using military force for interventions intended to rescue people from hunger or mass violence.

"The new document, which will be submitted for amendments and a vote at the bishops' November 15-18 meeting in Washington, also appears to challenge what the bishops say is a radically altered political climate.

LARRY KING & HILLARY

From *THE MONTGOMERY COUNTY OBSERVER*, October 13, "CNN's Larry King was more than just impressed by his guest: 'I saw a Hillary Clinton that I'd never seen before. She was funny, charming, sexy—yes, gang, sexy. We are both Scorpios, which tells you a lot.'

LAND OWNERSHIP BY RUSSIAN CITIZENS

Also from the *DAILY NEWS*, in an article by Fred Kaplan of *THE BOSTON GLOBE*, "In a major step toward economic reform, President Boris N. Yeltsin signed a decree Tuesday night letting Russian citizens buy, sell, exchange, give away or do almost anything they want with land.

"This begins a reversal of one of the bitterest legacies of Communist rule: the confiscation, then collectivization, of farms, which caused 10 million deaths in the 1930s, mainly through starvation, and rubbed out any spirit of enterprise in agriculture for generations.

"Yeltsin has been trying to legalize land ownership for nearly two years but was always blocked by the parliament. Now that parliament no longer exists, he could finally take action.

"Yeltsin faced serious resistance, however. The owners of Russia's 26,000 state collective farms make up a powerful lobby, firmly represented by the minister of agriculture, who has been fighting against this decree ever since rumors of a draft began to circulate a few weeks ago.

"More than 100,000 private farms have started up in the past two years, but until

Wednesday's decree they have operated under tight restrictions. They were forbidden to sell their land for 10 years, and their plots were so small—50 acres on the average—that efficient and profitable production has been nearly impossible.

"Even so, these private farms, which take up only 4 percent of Russia's arable land, are estimated to be 30 to 40 percent more efficient than the massive collective farms.

"Yeltsin's decree radically changes this. All landowners—not just private farmers—will be given titles, documenting their ownership. The state guarantees the inviolability and protection of private property on land, as well as protection of property rights in all business transactions concerning land," the decree states.

"Furthermore, the decree allows people to sell their land or combine their holdings into voluntary cooperatives—meaning farms can expand and thus become more efficient."

CLOAK & DAGGER

In the *OBSERVER*, October 13, "Morale is said to have plummeted among the 10,000 or so CIA employees who inhabit the campuslike headquarters at Langley.

"Agency sources say the problem stems from the zeal for promoting women and minorities to senior positions under CIA Director R. James Woolsey and his deputy director, Adm. William O. Studeman.

"As a result, many experienced analysts and veterans of clandestine services have been aced out of promotions. They see it as reverse discrimination. Letters of complaint have been circulated secretly..."

NASA LAUNCHES REVIEW

Engineers have launched a review of Monday's space shuttle liftoff to identify debris seen near Columbia's three main engines, NASA said yesterday. A NASA spokesman said the shuttle performed flawlessly during its thunderous ascent, but that officials were intrigued by video images that captured an object "of unknown origin" falling into the fiery engine plume about 45 seconds after liftoff.

Nora's Research Corner

THOUGHTS ON PLAGIARISM

These comments are intended to help bring some insights to reader's understanding regarding the publishing of Walter Russell's works by America West Publishers and their having been dictated by Gyeorgos Ceres Hatonn, Germain, Sananda, Walter Russell and Nikola Tesla, through the scribe, Doris Ekker, and some through other scribes. It is only a sharing of some of my research, in the hope that others who are interested will take time to do some of their own.

I have received a copy of the work done by one calling himself Rick Webber and apparently distributed to most of the **CONTACT** newspaper subscribers. It is a collection of some extracts of material found in the PHOENIX JOURNALS, published by America West Publishers. In compiling this short tract, Mr. Webber appears to be attempting to show the unapproved duplication of other authors' material ("plagiarism") by those scribes involved, but in particular, Doris Ekker, scribe to Hatonn and others.

The publisher of this small tract is NOT shown, neither is Rick Webber identified, other than by name. Therefore, since I know nothing about a Mr. Rick Webber the actual source of this tract is veiled, at least to me. However, my copy was mailed from Carson City, Nevada. There was a note attached saying, "I thought you'd find this interesting, J.C." The only parties I had any knowledge of who were living in Carson City at the time were George Green and John Coleman.

I believe the best way to gain any understanding of what constitutes "plagiarism" would be to obtain as much information on Copyright Law as you can, as well as books from the library written by Copyright Lawyers regarding these laws, and any case studies available to you. The laws can be obtained from the Copyright Office, Library of Congress, Washington, D.C., which publishes several circulars on the subject. I am NOT a lawyer, but I can read. It appears to me that in order to determine if "plagiarism" has taken place, one must FIRST identify the AUTHOR. For, it is the AUTHOR who has the right to duplicate his own work or to transfer a copyright. So—who was the AUTHOR of Walter Russell's work?

Please keep in mind when you are reviewing Copyright Laws that they were changed in 1978, and the laws which applied to earlier works are not the same today. Some mention of this is made in the Copyright Circulars from the Library of Congress. Also, remember, the courts

have from time to time clarified the intent of the law in many instances. Whether or not a "Copyright" protection is allowed, in whole or in part, on any work would actually be the final decision of the Supreme Court.

If you read some of Walter's writings about his experiences during his yearly periods of illumination after he was seven years old, and even in his later writings you will see that Walter talked with God, and that his works are an attempt to bring God's message to the world. There are several examples of this information, phrased differently in various works, but identifiable as an ecstatic experience of Walter's with God, whom he called, "The Universal One". There is also a very explicit statement, in Unit 2 of the *Home Study Course*, published by the University of Science and Philosophy, underneath a copy of some handwriting of Walter's to the effect that it was done when his mind was "detached" from his body! So, while Walter's experiences were individual, still, it appears, there is much that correlates with Doris Ekker's experience as a scribe for Commander Hatonn.

Nevertheless, whether you believe the AUTHOR of Walter Russell's works was God, for example, or not, will depend a great deal on your personal belief system if you have not also encountered God as Walter did, according to his own statements. I know the court would prefer NOT to deal with the question of whether or not there is a God and-or that He talks to people! Nevertheless, this is essentially the crux of the problem.

In order that you might feel more comfortable with the idea that God and His Hosts can communicate directly with people, I looked for, and found, some references to these types of events in the *Old and New Testaments (King James Version of the Bible with attached Concordance)*:

Cyclopedic Concordance—meaning of the word "Prophet": The literal meaning is to "speak forth", "one who speaks forth the message which has been communicated to him through DIVINE inspiration, whether of practical duties or future events".... "The Hebrew words are: (1) Nabi, from a verb meaning 'to boil forth' as a fountain, hence one who speaks out freely from a full heart impelled by an inspiration from God. (2) Roeh, from a verb meaning to see, hence a seer (*I Samuel 9:10*) one who saw Divine visions, Divine Truth, and spoke what he had seen from God."

The number of prophets listed in the *Bible* exceeded 40, and prophetesses, 5.

There were also false prophets not listed in my *Concordance*.

Exodus (33:11): "And the Lord spoke unto Moses face to face, as a man speaketh to his friend."

Psalms (85:8): "I will hear what God the Lord will speak: for He will speak peace unto His people, and to His saints: but let them not turn again to folly."

I Samuel (3:4 through 10): This is the account of the Lord calling to the child Samuel, who did not understand who was calling but thought at first it was Eli. Finally Eli told Samuel, "Go lie down, and it shall be, if He call thee, that thou shall say Speak Lord for Thy servant heareth. And the Lord came, and stood, and called as at other times, Samuel, Samuel. Then Samuel answered, Speak; for Thy servant heareth." (Samuel became one of the Greater Prophets.)

Ezekiel (3:17 through 23): God tells Ezekiel the rule of prophecy. The Prophet is bound to hear the Word from God and to give the people warning. If he does not then he is responsible for not doing so. If the people do not hear, they bear their own responsibility for not hearing.

Daniel (9:21 and 22): "Yea, while I was speaking in prayer, even the man Gabriel, whom I had seen in the vision at the beginning, being caused to fly swiftly, touched me about the time of the evening oblation. And he informed me, and talked with me, and saith, 'Oh Daniel, I am now come forth to give thee skill and understanding.'"

Revelation (21:22:9). This tells of John's vision of the holy city descending from God. An "angel" takes John "in the spirit" to measure the city—and John describes it for us. (Ch. 21:8,9): "And, I John saw these things, and heard them...and I fell down to worship before the feet of the angel which shewed me these things. Then saith he unto me, See you do it not: for I am thy fellow servant, and of thy brethren the prophets, and of them which keep the sayings of this book: worship God."

I believe that one of the main, and therefore vital, issues IS the question of the TRUTH of the words going forth both from Walter Russell and that material used in the PHOENIX JOURNALS. Whether this issue will be adequately dealt with in our present court system is a rather large question. Nevertheless, in the past the courts have weighed the "need and right of the people to know" heavily against an "author's copyright protection". IF the material is true, and educational, the

courts, in the past, have given the greater weight to the people's right and need to know.

A good book to read on the issue of "the people's need and right to know" against an author's possible "copyright protection" is *"The Writer's Lawyer"*, by Lawyers, Ronald L. Goldfarb and Gail E. Ross. There is an article therein titled, "When Can I Use Someone Else's Work Without Permission?" Of course, one would want to be very careful in applying any of the observations made in this article to other cases.

Mr. Goldfarb and Ms.(?) Ross tell about the case of a Catholic Priest who had written a book which analyzed two other books on the subject of birth control and marriage. The Priest had requested permission to use the material for his book from the other two authors. One author denied permission. The Priest used this author's work in spite of the denied request. In fact, the Priest's work used extensive material from both books which represented totally about half of each. The author who did not want his work used said in effect, he had denied the request because he had made some legal arrangements with the persons, whose stories he told, not to share the information with another author who might treat it differently.

Of course, this author filed a lawsuit against the Priest for infringements of copyright. The court decided in favor of the Priest, as it said his work was obviously educational and the court weighed the people's right and need to know against the author's copyright protection. (The story above has been paraphrased.)

The questions arise: Is Walter Russell's work true? Is it educational? Is Doris Ekker's work true? Is it educational? Do the people have a need and a right to know about it? Do the publishers and authors state it is true? Do they see and use it as educational?

Further, IF you say Walter (and/or Lao) was a "Messenger of God", how can you not say that God was/is the AUTHOR of the work? Of course, the University of Science and Philosophy may have purchased what they believed to be the private, individual work of Lao and Walter, and the Court may see the matter in this light. On the other hand, if they had read the material beforehand, it could not have escaped them that God was at least Walter's inspiration.

There is no man-made law that says when people receive knowledge and inspiration from God or the Hosts that this must be made available to the people. Yet—we know, according to Lao's Introduction to the book, *ATOMIC SUICIDE?*, Walter worked very hard to give his knowledge to the world, as have others. Is it possible God had instructed him to do so?

Consider: If God had allowed His Word

to be withheld from the people by other Prophets and Seers we would not have the Truth that is still available in even the much revised versions of the *Bible*.

I know the above arguments do not answer all of the questions which might arise. They, of course, are not intended to do so.

As for "other" works mentioned in that tract compiled by Rick Webber—for those of you who received a copy—take a close look at them. Who WERE the actual authors? I leave it to you.

My personal experience working with material received from the "Hosts" is that the material is to be made available to the people for as low a price as possible—as no one is to reap great profit from "the Word"! It does not mean that there are not actual costs involved, which need to be tended, or that the ones doing God's work will not receive abundantly in some other way.

I was an editor, in 1990, for a woman who did scribe material dictated by Esu "Jesus" Sananda. His instructions to her, which I personally witnessed on a fax message from the scribe in point, were that the material was NOT to be copyrighted! In fact, I raised this issue with George Green, publisher at the time, who was set to copyright the material. According to George, in a very direct discussion with me on the subject, the book HAD to be copyrighted to get it into the system, get a Library of Congress number, and make it acceptable to bookstores and libraries. HOWEVER, he assured me that it would be the publisher's policy that people could copy it. In fact, people were encouraged to copy the work and share it. The only question might be in regards to other publishers. I know now, NOTHING HAS TO BE COPYRIGHTED although the copyright office recommends you do copyright published material. A Library of Congress number does not guarantee the work will be on library shelves or in bookstores.

Whether or not Sananda, Hatonn, or Walter's "Universal One" said something similar to other scribes at the beginning of their work together, I cannot say. It would not be out-of-character for God and His Hosts of the *Old and New Testament* to place such requirements upon the work. (Ref: *Isa. 55:1; Lu. 10; Mat. 10:9; Mk. 6:8*) I think it would be well if some of those "other" scribes, mentioned in Rick Webber's tract, would speak up about their own instructions from the Hosts regarding these matters.

Most of you will be aware now that a great deal of material found in archaeological sites, caves, etc., has been kept from the general public. Wealthy persons or institutes purchase new finds before they are ever deciphered; museums and the Vatican store material in vaults to which the public is not allowed access; and the

"Elite" are busily trying to suppress or destroy anything that might give us a clue as to the Truth of our world, and our progress in it. These types of actions have already been described enough to negate the need to list them here. My purpose is to show you, in a very small way, how some of the Truth from early times got lost to the general public, and that Walter Russell was one of those chosen by God to re-bring it to the people.

The archaeological discoveries in the Mediterranean and Caucasus areas during the late 1800s and throughout the 20th Century have changed the entire perspective of historians, although few others are aware of it. One of the very early works about some of these was done by George Smith, titled, *The Chaldean Account of Genesis*, in 1876. This would be when Walter Russell was a child, and would have preceded the find at Tel El-Amarna, where the administrative records of Akhenaton were found in Egypt. The material George Smith analyzed was very fragmented, but revealed an account, for example, of the Babylonian flood which pre-dated the one known in the *Bible*, as well as a good deal of other important bits of information, although the author was reluctant (in 1876) to speculate as to their meanings. This book can still be found on some of the larger library shelves; but, obviously, this material has not had a wide distribution among the general public.

I have been reading a great deal of Walter Russell's work these past few months. I am not a scientist. Nevertheless, after one reads the material several times certain ideas begin to stick in the mind. For those of you who have read Walter's epochal work, *The Universal One*, you will know that Walter described therein how the moons and planets were formed.

Surprisingly, I found a fragment of information in George Smith's *The Chaldean Account of Genesis*, which echoes Walter's explanation. I will quote this fragment for you (pg. 74 & 75):

"When the deity decided to create the moon he is represented as drawing aside the gates of this abyss (of water), and creating a whirling motion like boiling in the dark ocean below; then, at his bidding, from this turmoil, arose the moon like a giant bubble, and, passing through the open gates, mounted on its destined way across the vaults of heaven."

The use of the "whirling motion" and the "mind" to create with light is a constant theme of Walter's, and is of course the essential method of the development of the planets. I believe this example helps to show that the Truth had been lost and God again wanted the world to have the Truth of the creation. Walter was given the task.

Unfortunately, Walter's original, epochal work, *The Universal One* was NOT accepted by the scientists of the day and was not republished in its entirety after the original publication (1926-27). However, it was reproduced and an introduction and Epilogue added in 1974. This reproduced copy is being sold for \$200.00 each by the University of Science and Philosophy. What better way to repress the work than to charge so much that few will have access to a copy?

IF the Sumarian Seals are ever truly deciphered and made public in their entirety, the world may discover that Walter's work clarifies or follows them very closely in regard to the creation. So—would that mean that Walter plagiarized God's Words? (You see how complicated it can get?)

And more to the immediate point, in conversations with our "retired" Editor-In-Chief, Dr. Young, who IS a bio-physical scientist of success in many areas, the point always comes up by him that you CAN'T copyright SCIENTIFIC FACT. Dr. Young claims, for instance, that if, hypothetically, I figure out and describe for the

first time the process of green-plant photosynthesis, in a book I am writing, neither Dr. Young, nor anyone else, is required to get permission to include that factual information in his (or your) hypothetical book being written on plant biology later on.

Of course, it is a common courtesy to acknowledge, in one or another bibliographical format (such as a footnote), a reference to WHOSE information you are utilizing, if it is not particularly common knowledge. But the matter stops there. In the scientific realm, whether describing photosynthesis, or the laws of gravitation, or relativity, or (closer to Russell's work) the nature of light, IF what is being described is FACTUAL information, then it is NOT copyrightable—no matter WHO first published such material.

So, we are caught in the bind that, either Walter's scientific material IS factual, and thus not copyrightable—or—it isn't factual, and the University of Science and Philosophy is "misrepresenting" as Truth that which is not. Dr. Young sums it up by saying, "You can't honestly have it BOTH ways!"

Obviously, IF Walter's work is THE TRUTH, the Truth is from God and is intended for EVERYONE, as Walter so states in his Prelude to *The Universal One*. Contrast this intent with those who contrive to keep the Truth hidden from the public for purposes of control. Indeed, these matters are deeper than they first appear!

(1876).

More "TRICKS" & No "TREATS"

10/30/93 #1 HATONN

FRI., OCTOBER 30, 1993

In whatever radiance can be seen in the midst of a Halloween celebration of evil portent and prophecy, I give caution to you as the celebration anniversaries come more and more often—because more and more celebration days are set awash upon you. I think, however, that in many ways I honor the celebration of "All Satan's Days" more than that which has become of your "Christmas" celebration. Christ has been effectively REMOVED from your Christ-mass. Trinkets, bills, depression and tinsel replace the humble thoughts of celebration of "life birthings"—at least at the Satanic Days there is honesty in the corruption of things wondrous and beautiful.

Each year, as with the "Holocaust", the myths and tales get more and more outrageous. Did these things happen? Yes, but they were disdained in older times—except at times of great civilization collapses—and certainly NOT told in such a

way as to take 2/3rds of news bulletins.

The theme this very day is one of: "....and they used to dig up bodies and mutilate them in an effort to destroy spirits...." IS THIS WHAT YOU REALLY WANT YOUR CHILDREN TO LEARN? The horror and terror is incredible to the small mind just starting to unfurl his wings and fly into a great and frightening world. It is the time of banning some "bad" costumes from the schools, etc., because they are too "evil". BUT, look what happens in the media—the more horrible ones are shown—as an example! Where is the most deadly influence? Ah so, little Jimmy in a vampire costume is not nearly so terrifying as is the real life examples they show on TV which is his teacher and programmer.

Is it better to have "Tinker Bell" and "Fairy Godmother"? Why?—they teach something for nothing. So—is it terrible to allow the little ones to dress up in silly costumes and PRETEND? No, it is FUN if that is what is enjoyable—BUT IT IS DANGEROUS AND GIVES DISINFORMATION WHICH IS ACCEPTED BY THE CHILD AS

TOTALLY CONFUSING. FIRST YOU TELL YOUR CHILD TO ACCEPT NOTHING FROM STRANGERS AND THEN YOU TEACH HIM TO DRESS UP SO NOBODY KNOWS WHO HE IS AND GO TAKE, UNDER THREAT, ANYTHING, ESPECIALLY CANDY, FROM STRANGERS! YOU DEFEAT YOUR OWN LESSONS.

But, you say, it is only once a year! No, it is almost every hour of every day! Think about it. What has "Christmas" become for your youngsters? I thought so—"What do you want?" "I want....", "I don't like THIS one." "Susie got one more package than I did." "Gimmy another one...." Does this mean that you should not celebrate the days of holiday and giving, receiving and gathering? No—it means that you must be prepared to undo the damage such things do—it means PARENTS must take responsibility for the games they play for the child will only play the games the parents and society teach him. How many of you dress your children up as angels and take them to the same houses you visited at Halloween, at Christmas—to GIVE and

TREAT (the reverse of "trick")??? How about on Halloween?

Speaking of "Holocaust" of the "survivors" variety—look at this ad placed in *The JEWISH PRESS*, AUGUST 19, 1993. Does this represent "trick" or "treat" to you? I remind you—there are

ATTENTION HOLOCAUST SURVIVORS

If you have not received compensation or only a one time compensation, you can still apply to receive a monthly pension of 500 D.M. & a one time payment of approx. 8,000 D.M.]

more Jews collecting this very kind of rip-off blackmail than there were Jews in Germany at the time of the so-called "Holocaust" and the Germans, BY LAW, cannot even voice an opinion about said event.

Was there a "Holocaust"? Yes, this week in Southern California—intentionally set to bring the power of extension of "emergency regulations". It is not proven—the media and government KNEW the fires were going to be set! Is this sort of like the new FBI findings about the intentional, KNOWN, bombing of the Trade Center in New York? Well—"TRICK or TREAT", Amerika.

What of other cute little "new discoveries"? I offer this in case you think WE ARE NOT MAKING AN IMPACT ON THE POWERS THAT "WOULD"-BE!

AIDS CAUSES

I remind you that WE are the only ones who have told you the Truth of it and HOW the AIDS virus is passed. Today, however, they claim they have "found" that the AIDS "HIV" virus is passed within a living cell PROGRAMMED to enter into the safety of other cells for protection and sets up a barrier against treatment, while mutating to change with every DNA change (of host(s)). KEEP UP YOUR GAIANDRIANA AND STOP COMPLAINING ABOUT THE "TOO THIS AND TOO THAT" TASTE OF THE GAIALYTE—IT IS NECESSARY TO ALLOW PASSAGE OF THE NEW CELLS TO MOVE THROUGH THE BARRIERS. YOU HAVE THE GIFT OF KNOWING AND OF LIFE—IF YOU ALLOW IT TO BE ACCEPTED.

NEW YORK POST, WEDNESDAY, OCTOBER 20, 1993

Flu's back and it's brutal

The flu is back and it's stronger than ever before.

The Centers for Disease Control in Atlanta is warning citizens about this year's flu bug — a new Far Eastern strain of the virus that can wreak havoc on its victims, especially the elderly.

Outbreaks have been reported in Louisiana, an indication the flu season may begin earlier than usual this year.

Dr. James Underberg, an internist at New York University Medical Center, said the virus is so strong that everyone should consider getting a flu vaccination.

"Instead of it being just a flu that lays you up in bed for two to three days, this is something that is going to cause very, very high fevers," he said.

The CDC is urging people in the following high-risk groups to get flu shots this month:

■ Anyone 65 years or older. This is the first year Medicare covers flu shots.

■ People of any age with chronic heart or lung disease, diabetes, or any other chronic health problem.

■ Health-care workers or anyone else in close contact with people in high-risk groups. *Lawrence Goodman*

You will note, however, that others who are jealous and greedy will cut off the hands of the very ones able to produce the gifts unto you.

George Green, for instance, just one week ago yesterday told a "reader" that this product "those people out there" have will kill some people. He says that "Gina" who worked for him took some and "nearly died". He said that "...if she had taken one more dose she WOULD have died." The most "interesting" thing that George does not seem to realize is that he has the WRONG PRODUCT BY THE WRONG PERSON—THE "STUFF" THAT GINA "TOOK" WAS DIRECTLY FROM GEORGE MERKL AND **COULDN'T HAVE HURT HER IF SHE HAD BEEN ON HER VERY DEATH BED!** The "stuff" they sent to George MERKL and to the laboratories, however, was neither Gaiandriana OR Crystal Life. You must understand that what may seem simple in the onset of a thrust—might often rise up to consume you.

George Green also told George MERKL, and many others, that we have experienced death from many—overseas, from this product. Interesting?!! Dr. MERKL is the one who sells overseas—NOT US!

I repeat to you beloved readers who wish to share with us as things are offered for your choosing or denying—we are NOT in a mass-marketing thrust, we are not in a MEDICINE chest thrust, we are NOT TRYING TO "SAVE" ANYONE OR ANYTHING. We offer that which may well help you feel better and enhance well-being—NOTHING MORE. If it happens to cross the barriers of the protective structures guarding an HIV virus—so be it. It only allows the body to structure itself properly to create the capability—the bottle of "stuff" doesn't do anything. The contents, if utilized, CAN—there is a big, big difference.

George MERKL has told it widely that he can program a cell (ovum), etc.,

to clone—as is being talked about today. Ah, so you see, it is NOT difficult for you do have parts of cellular blueprint carried in CELLS which are holographic in that they ALL carry the blueprint. So, you are SAFE from this place—Dharma doesn't know HOW to do that and I am not going to tell her! So, if you HEAR such silly claims—I suggest you consider the "source" of such stories. The only reproducing we do is Gaiandriana cells—in perfection.

So much for that—let us look at the Red Chinese Satellite that was supposed to have splashed down in the ocean yesterday. Funny thing, as I told you it would be, the Chinese satellite is still orbiting quite nicely—so WHAT DID COME CRASHING DOWN?? ONE OR TWO OF YOUR "MISSING" ROCKET-LAUNCHED SATELLITES! Chelas, "...there has been no truth in them from the beginning...."

MORE ASSAULTS AGAINST INNOCENTS

Get ready for an assault on Claire Prophet's group in Montana. The play is being staged right now as we speak. Any time a "possible" assault is discussed in *Soldier of Fortune* magazine—the show is ready to "hit the road". Their offense? They have a "church" which the Elite call a "cult" and they took up (VERY LEGAL) arms and they have prepared for nuclear attack and survival. But you must understand—there CAN BE NO "GROUP" OR YOU ARE IMMEDIATELY UNDER ATTACK. It is harder to ATTACK AND DESTROY that which IS NOT! Perhaps one day all of you who would have a "group" here or there or elsewhere with our teachings of Truth—will understand why that WILL NEVER BE! WITHOUT a "group" we cannot keep up with the lawsuits and confrontations—but they are pretty much focused only on my scribe. You must understand that "now"—TRUTH—is classified as a "cult" platform.

REVIVAL OF CIVILIZATION

"CIVILIZATION CAN ONLY REVIVE WHEN THERE SHALL COME INTO BEING IN A NUMBER OF INDIVIDUALS A NEW TONE OF MIND INDEPENDENT OF THE ONE PREVALENT AMONG THE CROWD AND IN OPPOSITION TO IT, A TONE OF MIND WHICH WILL GRADUALLY WIN INFLUENCE OVER THE COLLECTIVE ONE, AND IN THE END DETERMINE ITS CHARACTER. IT IS ONLY AN ETHICAL MOVEMENT WHICH CAN RESCUE US FROM THE SLOUGH OF BARBARISM, AND THE ETHICAL COMES INTO EXISTENCE ONLY IN INDIVIDUALS...." Albert Schweitzer

There is another thought I would like to

share with you regarding what is happening to your nation and your world. You are moving directly into a dictator-operated socialistic/fascistic existence in enslavement. The subtle ways of bringing down emergency regulations are not even eloquent in expression—they are thrust at you NOW right out in the open under your noses as to thumb said noses at you.

So, what is so bad about "socialism"? Just about everything in its true practice. You have to remember, however, that NOTHING bears correct definitions any more. "Communism" is fascist-socialism, not communal anything. With one exception—the communal "people" provide all for all while the Elite controllers—control. The Elite leaders call for "sacrifice" and "leadership"—that means "YOU sacrifice" and "WE lead"—"you die, we take it all".

R.J. Rushdoony: *"Socialism has a poor record when it comes to eliminating problems: its answer adds up to eliminating people. In fact, one of socialism's major and chronic problems is simply people. Socialism on the one hand destroys production and, on the other, breeds up the least desirable elements. Its answer is to find the people at fault. SOCIALISM ALWAYS FACES OVERPOPULATION; A FREE ECONOMY DOES NOT."*

CANADA AND BEYOND

I wish that I could spend as much time on "Canada" as I do on the U.S.—but alas, readers, there is so little difference that it would amaze you.

The MOST IMPORTANT things on your globe face you these days and you can't keep up with players—you can't keep up with yourself, much less your myriad fragments of your ONE enemy. All your grain has been filched away—you see you are, as a nation, in FORECLOSURE and the COLLATERAL is being claimed—among which is ALL of your natural resources, such as FOOD. So, you who have wondered about where Canada and her "leaders" have fit into this New World Order, i.e., Mr. Mulroney, et al. Here is a good one for you to consider. The article comes from the Canadian GAZETTE and is new, October 20, 1993.

QUOTING:

MULRONEY NOMINATED FOR ADM DIRECTORSHIP

Brian Mulroney is about to accept his first corporate directorship—on the board of U.S. food-processing conglomerate ARCHER-DANIELS-MIDLAND CO.—since stepping down as prime minister.

ADM spokesman Howard Buffett confirmed yesterday in a telephone interview from company headquarters in Decatur,

Ill., that Mulroney should become a director of the food-processing giant that had sales last year of \$9.2 BILLION U.S. and has 13,500 employees, including several investments in Canada.

Francine Collin, Mulroney's secretary at the Montreal law firm Ogilvie Renault, confirmed that the appointment was "in the process", but would not comment further.

A company document mailed to shareholders says that directorships at ADM pay at least \$37,500 U.S. a year, not counting any participation in special committees.

Encouraged by the Canada-U.S. free-trade agreement, since 1989 ADM has acquired several MAJOR Canadian food processors:

* Last year, it bought John Labatt Ltd.'s Ogilvie flour-milling business, Canada's largest miller with annual sales of \$275 million and 925 employees.

* ADM earlier acquired the flour-milling business of George Weston Ltd.

* United Oilseeds Products Inc. in Lloydminster, Alta., a canola-crushing plant.

* Eleven Canadian feed mills and a chicken hatchery as part of its takeover of International Multifoods of Minneapolis. [H: Oh you know—this is the company which dealed and wheeled and gave all your grain to Gorbachev in his FAMOUS visit! ARCHER-DANIELS-MIDLAND is one of the biggest operations of the Committee of 300—GET YOUR FOOD, TIE UP THE ENERGY—GET THE GOLD AND YOU HAVE THE WORLD!]

END QUOTING

RECONSTRUCTION APPLICATIONS

I have been brought a document which speaks of the "History of the Reconstruction Applications". This may not make sense to you readers at first glance but it has to do with applications for return of money to the people which was taken unlawfully, etc., etc. Before going on, I remind you that the same forces who took it from you the first time ARE SO MUCH STRONGER NOW AS TO MAKE THOSE OLD DUFFERS LOOK LIKE NUTCRACKERS—IF YOU BASE YOUR THRUST ON SUCH A THING AS "RECOVERY OF MONEY" YOU MISS THE BOAT AND WILL ONLY GET YOURSELVES "DONE IN". DO NOT BE FOOLISH!

I will share this information, with a minimum of interruptions (I hope) wherein I see glaring errors in presentation. There is much valid and exceptional information contained herein and it offers both an overview and good confirmation—I only ask you to be VERY DISCERNING in WHAT YOU DO! You are being put under the

magnifying glass and all opportunities to "nail" you to the cross will be used against you—"lists" are now for the "take-out" purposes of the Elite Controllers.

I am constantly hounded by barkings that I don't want people to stand up "really" and "fight" for right and good. Right, to REALLY stand up and get your names listed as activists and "fight" with total disorder and violence while armed—WILL GET YOU DEAD! THE TIME HAS PASSED, READERS, FOR "DOING IT YOUR WAY"! You will, however, have to know WHERE YOU ARE NOW, where you have been, what happened and still happens—and then, only then, can you find a way to make it through and live to REBUILD—from the ASHES!

So, QUOTING, we offer this document for your information. Dharma finds no obvious identification of sender or writer so we will move along and give credits if we find same.

QUOTING:

This information is being supplied in order that you may understand how our financial situation has got in the situation we are in now.

This will tell you how the lending institutions have duped us of much of our money, a lot of property and a good way of life.

Much of the fraud and deceit involved was set up by money people to try to keep, we the people, in servitude and have to depend on the government to survive.

You may, after you read this, decide you want to put in a claim to recover assets you have lost because of fraudulent and illegal practices inflicted on you by our lending institutions and judicial system. If you do, contact the appropriate people for assistance. [H: Hold right here: this is a VERY DANGEROUS ACTION TO TAKE, CITIZENS! WE HAVE OFFERED YOU, AT LEAST TWICE PRIOR TO THIS, the names of ones running this scam operation. The facts are pretty much correct, the "right" is there—the up front \$300 per claim is the lie and rip-off for something that is CONTROLLED BY THE ELITE BANKERS—NOW IN POWER—YOU WILL NOT GET ANYTHING—ONLY POORER IN THE POCKETBOOK. THE LEGAL FEES WOULD BURY YOU ALIVE IF NOTHING ELSE TRANSPIRED! YOU WILL END UP WITH THE GOVERNMENT OWING JILLIONS, TRILLIONS AND AT THE LEAST, MILLIONS, OF DOLLARS TO EVERY MAN, WOMAN, AND CHILD. WHERE IS YOUR BANKRUPT GOVERNMENT GOING TO GET SUCH FUNDING? FROM THE BANKS? SUCKER! THE BANKS AREN'T GOING TO GIVE YOU ANYTHING BUT MORE DEBT, PAIN AND HEADACHE.]

Background information for reconstruction claims application. The amount of claim is not taxable.

A class action effort is under way in Denver, Colorado which is in the 10th U.S. District Court in the Baskerville and Foster Case. This case is the foundation on which all the reconstruction claims will be filed. More about this later.

There's a group of people who banded together to accomplish all that has been done thus far. It is composed of both active and inactive military who have been brought back on active duty, national manufacturers and the medical profession. **[H: Do you believe this?]**

The following is a brief history of events that brought us to our present situation. **[H: Be prepared for a most ingenious and interesting presentation here because it only somewhat vaguely resembles "history" as it happened:]**

It began in the 11th century in France. The nobles were the ruling class. They were both the kings and the judges. The bailiffs were the tax collectors. The working class were kept poor and in deplorable conditions because that made them easier to rule and control. These conditions finally brought about a revolution. Because there had been so many intermarriages between the ruling families of Europe, those of the ruling families in France escaped to England and were accepted and protected. Those who did not flee France were beheaded. Those that fled to England became Wigs or the lawyers and judges which was the basis of the English Bar. The wealthiest family on the whole European continent was the Rothschilds. The Rothschilds made a deal with the monarchs to supply all of the paper money to subvert the economies if they were paid back in gold. Under our *Constitution*, our monetary system was established on the basis of gold and silver as the standard.

In the *Declaration of Independence*, the *Constitution* and the *Preamble* to the *Constitution* several references are made to "Titles of Nobility". Our forefathers never wanted to have "Titles of Nobility" included in our government. In the period prior to the Civil War the entities described above tried to intervene and get a foothold in our booming economy.

Just before the Civil War, 16 states ratified the original 13th Amendment prohibiting the granting of "Titles of Nobility" as well as prohibiting anyone who accepted, from retaining their citizenship or holding public office. (The ratification of the 13th Amendment by Virginia, the last state needed to make it an amendment, was suppressed partly by taking advantage of the poor communication of the period.) A fire occurred in Washington, D.C. in which a lot of records were destroyed. The fire was believed to be set as

part of the cover-up of the ratification by the 16th state, but the fact that it had been ratified by 16 states was published and printed in the other 15 states as well as in some of the areas that were territories at the time. The "Title of Nobility" amendment was hidden from the public by the group that it would have the greatest effect on, which is lawyers. **[H: Yes, but the lawyers and judges now control your governments, your citizenry, your courts and your lives—do you actually think this now fully corrupted board of deceivers is GOING TO "VOTE-IN" YOUR RIGHTS WHEN THEY HAVE WORKED SINCE THE WAR OF 1812 TO ACCOMPLISH THIS VERY HOLD OVER YOU?]**

In 1913, the Federal Reserve Act was passed which was both unlawful and unconstitutional. The Rothschilds came in and subverted our economy. The deal was made that they would put a billion dollars into our economy in exchange for the establishment of the Federal Reserve which they would own. There was included a buy-out clause which will become important and will be discussed later on. This was forced on us. Through this control they manipulated our money and caused the stock market crash of 1929-1933.

In the Jackson era we were taken off the gold standard several times, but we couldn't stand the inflation.

In 1933, Franklin D. Roosevelt was forced to sign an executive order to allow the Federal Reserve to take us off the gold standard. **[H: FORCED? HOW QUAINI! ALSO B.S.!] The act that FDR used to justify signing that executive order was the War Powers Act, ratified in 1916. This is legislation that was designed during the war to allow decisions to be made rapidly by bypassing Congress, but was used as an emergency act to allow the Federal Reserve to take over the monetary system. [H: This is a bunch of incredibly bad historical scrambled data, readers. Who wrote this? Well I dare schout that it probably was a group project to part you from your own resources and increase theirs.]**

Our nation went bankrupt in 1933. It was mentioned in the Congressional Record in 1933, 1934, 1935 and 1937. One man, Clem Mosphaen, lost his life because he mentioned it. In 1967, we went off the silver standard. **[H: Indeed, if you are BANKRUPT as far back as even 1933—does it stand to reason that trillions of dollars are going to be returned to all and each of you waiting citizens? Come now—since when does the government actually GIVE you anything? No, dear ones, welfare is not FREE—it is the most costly of all illusions.]**

In 1982, (Ed: That's what it says.) a new Constitution was invoked on us called the District of Columbia. This needed only two people in each state to ratify it. To take

effect, that was done by two congressmen from each state. It was really designed to be only for a 10 mile square area for the seat of our government. It allowed the banks and judicial system to have total control over us.

In January of 1990, there was a plan that was thwarted to install a new constitution in place of our original constitution. This would have placed everyone who is in office now, in office for 25 years and remove our rights to hold elections to elect new officials. We already had another constitution that was instituted in 1982 called the District of Columbia. **[H: Know, readers, THAT (THIS) is the subject we are into right now—and these are not CORRECT facts. It is bad enough without foisting more lies off on you-the-people. This new constitution is what would be in effect for 25 years—not the present people in power. The President, for instance, would have 9 years, and the TWO-Vice Presidents, etc., etc. I think this is quite an unthinkable misrepresentation of that which IS and it merits what it gets from the non-lawful courts—laughter. If your own people who claim to be HELPING you get things so badly represented as is this document—you deserve to "be had" AND YOU SHALL BE!]**

In 1916, the Federal Land Bank originally submitted its charter. These papers were returned to them 4 days later for corrections. They were never resubmitted. For 6 years, there were repeated demands to have the papers resubmitted by the Bureau of Records. In 1932, it was investigated as to whether the Federal Land Bank was legal and had filed with the Bureau of Records. It was found that they were not. They have since tried to file, but have been denied because of the original foul-up. They tried to change their name to Farm Credit Services and were denied because their official name and charter was the Federal Land Bank. They then tried as simply Farm Credit. The U.S. Supreme Court ruled that Federal Land Bank is a misnomer because it never existed legally. The National Banking Act required them to register with either the State or Federal Bureaus. State banks registered with the State and Federal Banks with the Federal Reserve, neither one registered with both. The Federal Reserve is not filed or registered with the Federal Bureau of Registry or with any of the states.

The Farm Credit Act mentions the District of Columbia jurisdiction. In law week 6-LW-3233. There is a Supreme Court case, Williams vs Federal Land Bank of Jackson, Oct. 6, 1992, 12 USC 2278 (A) - 1 (B). All Federal Agencies have a rate as Federal instrumentalities. Federal judicial power extends to all Federal instrumentalities. All Federal instrumentalities are

subject to the jurisdiction of the Federal District Court for the District of Columbia. When the Federal Agencies and instrumentalities moved against us in foreclosures and other actions, they took us to state district courts which assumed jurisdiction which they did not legally have. They took people into a court that was displaying a flag with a golden fringe on it. The golden fringe on the flag indicated this was a court under military maritime law. In a court displaying this type flag you have no constitutional rights and your civil rights are violated. How can you receive a fair trial when you are in a court where you have no rights. [H: RIGHT! AND HOW MANY OF YOU FIND COURTS WHERE THERE IS A NON-FRINGED FLAG? SO HOW CAN YOU GET JUSTICE OR TRUTH FROM THIS BUNCH OF PURE ANTAGONISTIC HOG-WASH. REMEMBER SOMETHING, READERS, WHATEVER "THEY" DO, WHO ARE IN TOTAL CONTROLLING POWER—IS LEGAL—IT MAY WELL NOT BE LAWFUL BUT IT IS LEGAL—THEY HAVE THE GUN!!]

The class action case referred to on page 1 was filed by the following:

William G. Baskerville
Shirley A Baskerville
J.B. Foster Lorraine Foster aka LaVanda Foster

The defendants are as follows:
Federal Land Bank
Farm Credit Services
Credit Bank of Wichita
Federal Land Bank of Wichita, a Corporation

First Interstate Bank of Fort Collins
Ernest L. Wilmer, an individual,
Fisher, Brown, Muddleston, Gunn,
Sackston, Shibley, Struman and Holts.

Hill, Hill and Mangiee

William F. Dressail, an individual
Charles E. Mathison, an individual
Stephen J. Jord

J. A. Simplot, doing business as Simplot Builders.

All defendants were fined \$50,000 which became \$1,800,000. All were ordered to pay. All licenses were suspended and they were not allowed to practice their professions. [H: Ah, but what of the legal eagles on the side of the Plaintiffs? Did they not get "a cut" of this pie? Also, do you not realize that one small case is negligible and to the best advantage of the octopus to forfeit—than a class action suit wherein trillions of dollars are going to be paid? I guarantee that if the case were won—NO MONEY WOULD EVER GO INTO THE COFFERS OF YOU-THE-PEOPLE.]

When you got a loan you were sold a credit life policy or you were told to get one to get your loan with the lender as beneficiary so in case you died the loan would be paid off. It was a default policy. If they could force you into default so you couldn't pay your note, they were paid off by the policy you bought, plus they got the property back.

The following institutions and agencies are all fraudulent:

World Bank
International Monetary Fund
Federal Reserve Banks

END QUOTING

Dharma, we must leave this and finish it later as it is time to go to the meeting. Thank you.

Recent JOURNAL Releases

COALESCENCE

By Gyeorgos Ceres Hatonn
(J71) \$6.00 224 Pages

This JOURNAL discusses our "trainers" and "Deceivers". "The MASTER PRINCE OF DECEIVERS" in charge of that which is physical and binding in our expression. HE IS GOOD AT WHAT HE DOES! "Life" goes on and the Adversary sets up his own traps and the enemy is always at the door. However, THESE ARE the things from which knowledge and wisdom can rise and grow. It is simply a HARD UNIVERSITY of learning.

A few of the very important topics in this JOURNAL are: Does your government lie to you? Tinkered genes in the supermarkets - Genetic suicide - Ross Perot - Jews demand total control in secret meetings. Phosgene gas and deadly sins - what about smallpox and malaria? ADL and Associated Press—George Green and Luke Perry - Israel's great 10 billion dollar scam - Who is Lucifer? Prices paid by signers of The Declaration Of Independence - Adams breaks the gravity barrier.

CANDLELIGHT

By Gyeorgos Ceres Hatonn
(J72) \$6.00 224 Pages

If there is even a flicker of LIGHT—there is no darkness! Moreover, the darker the stage the more brilliant appears the flame. Further, to the tiny flame will fly all the moths seeking light. May we be given into candle lighting! *We are all sacred and in that sacredness we have an obligation and responsibility to all things to which we are connected.*

Some of the important topics discussed are: How to prepare for the coming Nuclear World War III—plan to live, not die. URGENT: GET AND READ ATOMIC SUICIDE by Walter Russell. Cloned cattle and pigs - More man created diseases - Astounding history of the WACO MASSACRE - The Weaver/Harris verdict - Details about Interpol

RELATIVE CONNECTIONS VOL. 1

By Gyeorgos Ceres Hatonn
(J73) \$6.00 224 Pages

"If you can PROVE that there was a "different" 13th Amendment to your Constitution AND cause the deceivers to confront it—you can clean your legislative houses and your Judicial Benches of the lawyers who have brought your nation to downfall." "Will you do it? Well, since the legislative bodies and the lawyer-filled "benches" of all courts and throughout your government are FILLED with barristers—it seems a rather magnificent task—but, yes, do-able!"

Some of the very important topics covered are: Old newspaper articles about Walter Russell's gifts to humanity and the scientists' uproar against them - Why we are in debt permanently - Home schooling—emotional trauma - The 1993 midwest flood - Details of PLANNED disasters from DECADES AGO - Scuttled shuttles and Atlas rockets - The devastation caused by electromagnetic attack upon the U.S. "Woodpecker zapping" - Biological warfare programs - KGB still alive and stronger with name change.

WE NEED YOUR HELP! CONSIDER SPONSORING A JOURNAL

The cost for printing the JOURNALS in sufficient quantities to offer them at rock-bottom prices is always a challenging burden to our resources. Some of you have very kindly helped out financially with this task in the past and we again ask for your help at this time. If you may be in a position to assist, please contact PHOENIX SOURCE DISTRIBUTORS at the address or telephone listed on the Back Page.

Cloning (or) WAKE-UP, WAKE-UP, WAKE-UP!

More From The News Desk

11/1/93 RICK MARTIN

In an article appearing in the November 1 issue of the Lancaster-Palmdale, CA *DAILY NEWS*, Andy Rooney (of *60 MINUTES*) writes, "It wasn't the biggest headline in any newspaper and it wasn't the lead story on any television news broadcast, but the story last week about the scientist at George Washington University who cloned a human embryo was **one of the most important stories of the century.**"

"If you had to pick one single thing that would most change life for human beings on Earth in the next 100 years, it should be cloning and science's ability to choose and alter genes."

Ok, as you long-time readers of this material are well aware, this is old, cold news. Just take the trend in films over recent years, with the various robotic, synthetic, and bionic-type programmed superhumans, as a sign of the Elite's actual capability. As you also know, Hatonn has repeatedly informed us that many of our recent Presidents have been duplicated and replaced, along with various world leaders. To remind you of just how long Hatonn has been sharing this information with us, let me quote from the *PHOENIX JOURNAL* titled *SHROUDS OF THE SEVENTH SEAL*, from a writing dated February 10, 1991: "How is it that you find this difficult to accept? These "genetic/holographic" DNA/RNA replicas have been in the perfecting for well over four decades. All that is required is a holographic fragment (literally, one cell) and a replica can be reproduced. Then all that is required is down-loading of the memory data and programming of the manufactured entity."

And, from the same source, "There are technical advances upon your planet, already in use by the Elite, which would boggle your senses—robotoids are simplistic in relative comparison. They are comprised totally of physical "matter" manifested into what you perceive as physical coalition of these physical matter particles coalesced according to the DNA/RNA holographic blueprint whereby the re-creation will be a projection of that which is being

copied at the time of replication.

"The most obvious clue to replication is that the "new" entity will always be fresh and more youthful than that which you will have seen just prior to replacement. This is why you must have control of all your media in order to pull off the subterfuge. Even under strict control of photography and make-up technicians—the replication will often differ—usually in reversal of character habits or muscle actions—i.e., there will be reversal of a "lop-sided" smile—thusly, "talking out of the other side of the face", so to speak. The reversal of these traits is all but impossible to eliminate. So, too, are features which do not respond to stress changes as will a "haggard" or fatigued face pattern. Therefore, the structure and location of the ears, nose foundation and eye socket location must be perfected from viewing to viewing through cosmetic illusion and can never be EXACTLY duplicated. The whole ability to fool the public is the absolutely accepted "absurdity" of such a possibility of scientific achievement and your lack of attention."

And then, going back to the *PHOENIX EXPRESS* Vol. VII, dated 1-21-91: "There are several places of top security where these transferences are made and replica holographic information is garnered for necessary multiples. Camp David has been the prime location for it's used as the Presidential Retreat and often social gatherings, such as birthday celebrations, top-level meetings with diplomats, etc., are carried out there. This technology has been perfected in the Soviet Union and thus you have the reason that your government seems so indisposed to do anything other than cozy up to Russia."

And from the *PHOENIX EXPRESS*, Vol. VIII, "Robotoids and genetic doubles, I repeat, have been around and steadily being perfected for four decades of public use right before your eyes. They are a product of the Soviet Zionists and have been your puppet masters for a long, long time."

Well, I guess that pretty much says it.

WHEAT SUPPLY

In an article in the October 29 issue of

FINANCIAL TIMES (of London), John Buckley writes: "Bread-wheat crops around the world have been hit by bad weather for the second year running, milling industry sources report. Harvests that have been delayed or spoiled by cold, wet conditions are arriving on the market with quality well below normal. Tight supplies in Europe are driving up prices of high protein bread-grain—ironically in a year when price cuts were expected to result from the reform of the European Community's common agricultural policy."

"When milling wheat crops ran into trouble last year, exporting countries were lucky to have large stocks of high quality grain to eke out from previous good harvests in 1991."

"It is not only the Northern Hemisphere suppliers that are short of good quality bread-wheat—Australia had rain-damaged crops last season and is still some weeks away from its next harvest."

U.N. SOLDIERS

Also from the *DAILY NEWS*, "Some U.N. peacekeepers in Bosnia purportedly took sexual advantage of Muslim and Croatian women forced into prostitution in a Serbian-run brothel outside Sarajevo, *NEW YORK NEWSDAY* reported."

GENETIC RESEARCH

Again from the November 1 *DAILY NEWS*, from an article which appeared in the *SAN FRANCISCO CHRONICLE* by Charles Petit, "Aided by inspired guesswork about how DNA might scramble itself, a San Francisco-based team of researchers has found the defect—an odd stretch of backward genes—behind about half of all cases of severe hemophilia."

GM LOSS

October 29 issue of the *FINANCIAL TIMES*, from an article by Martin Dickson

in New York, "General Motors, which is battling to return its U.S. vehicle operations to profit, yesterday reported a \$113m third quarter net loss after adding \$950m pretax to reserves for its extensive North American plant closing programme."

TYPHOON

From the October 31 *DAILY NEWS*, "Residents of coastal areas north of Manila were warned today to move to higher ground as Typhoon Ira bore down on the Philippines with winds up to 117 mph."

McDONNELL DOUGLAS

In an article, again, from the *FINANCIAL TIMES*, "McDonnell Douglas, the U.S. aircraft manufacturer, has signed an agreement with Malaysia allowing Malaysian participation in manufacture of equipment..."

"The agreement, said to be worth more than \$200m to Malaysia over a 10-year period, is part of an offset program resulting from Malaysia's decision earlier this year to buy eight F/A-18D McDonnell Douglas aircraft."

FLOODS & DROUGHT IN CHINA

From the November issue of *THE EARTH CHANGES REPORT*, "Over 3,300 people have been killed because of this summer's typhoons, torrential rains and flooding, causing more than \$10 billion in losses. A severe drought is now threatening 14 million acres of crops in key winter wheat areas."

MOTHER MARY

Also from *THE EARTH CHANGES REPORT*, "Philippines—The Virgin Mary has appeared in Agoo several times over the period of a few months. More than a million people have visited Apparition Hill in the hopes of seeing her. According to one of the faithful who claims to have seen her, September 8 was to be the last time she would appear."

A tribute to dear Doris on her special day!

TO DHARMA WITH LOVE

*Though one name only may appear
As writer of this verse of thanks,
That is misleading, precious one,
For all join hearts and hands in ranks.*

*We want to make it very clear,
We know your labor and your love.
And not just we, but rest assured
It's known by God and all above.*

*We shake our heads and wonder how
You labor oh so hard and long.
Our prayers are with you night and day,
We hope that helps to make you strong.*

*We don't believe another soul
Could fill your willing little shoes.
We know your struggles and your woes
And that you're not exempt from blues.*

*We all salute you, Dharma Dear
And we support you in His mission,
And longing for that glorious day
When we all join in the transition.*

By Ken Coons

Who is Dharma? A very courageous and dedicated Lady. She is Commander Hatonn's scribe. She receives His endless messages and types them for placement in the *CONTACT* and *PHOENIX JOURNALS*. She must be able to type 300 words a minute to do it all. Perhaps that is a hyperbole. I'm not sure.

Midnight Hour

(Continued from page 1)

THROUGH INTO THAT HOPED FOR FUTURE.

When YOU settle into narrow perceptions of "self"—you are "hooked", however. You can call it "balance" or whatever you wish—but if you resign from the task at hand—I call it "cop-out" of the highest order. It presents that YOU do not feel the mundane functioning and workings of a civilization in the immediate unfolding is worthy of your attention or work increase. Every man, woman and child must do that which he is guided to do—I simply suggest in EVERY instance you consider the "guidance", the source of that perceived guidance and the CONSEQUENCES—in other words, what will you do when you get 'there'? What will be different "there"? Are there funds to do your great task "there"—from "whom"? Check with your own "Command" and carefully consider your input for some will blunder badly and actually MISS THEIR OWN PURPOSE FOR THE "MOMENT". CONSIDER THAT WHICH IS PRESENT IN YOUR INSTANT—I.E., WHERE YOU ARE—BEFORE LOOKING FOR POSSIBILITIES ELSEWHERE. SOLUTIONS TO PROBLEMS WILL NEVER BE FOUND "ELSEWHERE"—THEY ARE RIGHT WHERE YOU ARE OR THEY ARE STILL ELUSIVE TO THE TRUTH WITHIN. PONDER IT.

If there are missing bits of Editorial direction or explanations at the onset of articles, etc., please bear with us because Dr. Young attended those necessary bits of information easing your input. We are short-handed, short-funded but not short-tempered with you, our readers, so please be gentle as we grow one more step forward. We ARE going to GET THERE, team—and you are the team. Thank you.

As you study the Newstates Constitution—read it CAREFULLY. Also, understand this, your free Constitutional Republic is **IMPROPERLY** called a "democracy" by most of those in positions of public trust. **Pure "democracy", without the checks and balances of a representative system, is MOB RULE. And as every demagogue knows, MOB RULE IS DICTATORSHIP.**

Your alleged leaders, while waving the banner of "democracy", have brought the United States to the threshold of degeneration into dictatorship under their own control. True representation of the public will have been dangerously undermined, and our representative system itself is being rapidly replaced with appointive, central-

ized government. And now, little-known plans exist for adoption of their Secret New Constitution under conditions of **deliberate** political and economic crisis, by national referendum or otherwise.

We feel that you have a right to know about this Secret New Constitution and its contents—and therefore, we present it AGAIN for your consideration—it is now "old" and in play—it is simply that it is still kept invisible so you don't notice its enforcement. Your freedoms **will** be snuffed out brutally and THAT time is at hand.

This is not "liberal", "conservative", Democrat, Republican, black, white, Jew, or Gentile, Pagan or penny-ante; it is serious, it is in working mechanism right now. It is a question of SURVIVAL OF THE FREE SYSTEM **that allows the precious individual differences among you to continue to coexist, as guaranteed to you under your "original" United States Constitution and Bill of Rights.**

What you will be reading is TRUE. It has happened. It is not a frivolous or "academic" matter—THIS AFFECTS YOU!

As background: In 1964, the writing of a new constitution for America was begun, in preparation for the interim transition into total World Government Control. This was structured and fronted by a tax-exempt foundation with a most misleading name, Center for the Study of Democratic Institutions. It is a **DIRECT OFFSPRING OF THE COMMITTEE OF 300 NEW WORLD ORDER!**

The people involved WERE NOT elected parties or in any other way YOUR representatives. They did, in fact, do this travesty of free sovereignty at YOUR expense—as tax-free, using YOUR funding through taxes. The American people are **STILL** very much unaware of this document or that it is being utilized in your daily lives **RIGHT NOW AS WE WRITE. YOU CAN SEE IT IF YOU LOOK AROUND YOU!**

There were over 40 drafts of this document—the one we share here is, I believe, a copy of the fortieth! It is being changed to merge with the United Nations Charter continually so expect more restrictions on freedom and more control from "foreign" enforcement teams. In other words **EXPECT DICTATORSHIP—BUT, DO NOT EXPECT IT THROUGH THE PUPPETS SET IN THE ROLES OF FAMILIAR CONSTITUTIONAL ELECTED LEADERS. THE PUPPET-MASTERS ARE SHREWD AND WOULD NOT BE SO FOOLISH AS TO SHOW THEIR TRUMP CARDS AS YOU BEGIN TO WITNESS THE SCHEME PLAYED UPON**

YOU. The person who presented the guidelines for this new Constitution was Rexford G. Tugwell—a Zionist member of the Committee of 300, set forth and paid by that group to do this very job.

May you be given into understanding insight and realization as you study this most urgently important material—your very survival rests in the balance. God be with you for only in **HIS LIGHT** can the adversary be slowed and overcome. Only through **HIS** truth can the lie be exposed and freedom regained. I salute you for your willingness to **MAKE A DIFFERENCE.**

4/9/93 #2 HATONN

So what has gone wrong in the American heart and within the masses of the inhabitants of the world? Perhaps we should share one more set of verses:

LOSER AND VICTOR
by EDGAR A. GUEST

He was beaten from the start,
Beaten by his doubting heart,
And he had a ready ear
For the busy tongue of fear,
And he had a timid mind
Unto fretfulness inclined,
Filled with many reasons why
It was vain for him to try.
Given a task he'd shake his head,
"Can't do that!" he often said
"Times are hard and none will stay,
Listening to the words I say.
It is futile now to try,
People simply will not buy!"
Thus he walked the streets of trade,
Both discouraged and afraid.

But another kind of man
Thought this way: "Perhaps I can!
If I will supply the pluck,
Fortune may provide the luck.
If I have the grit to try,
There are people who may buy;
Anyhow, I'll not submit
To defeat before I'm hit."
**One was beaten from the start,
Beaten by his doubting heart,
Beaten when he gave his ear
To the busy tongue of fear.
But another with his chance
Seized the moment to advance,
And came happy home at night
Just because he dared to fight!**

Newstates Constitution

I would remind you, however, citizens, that once wide coercive powers are given to governmental agencies for particular purposes, such powers cannot be effectively controlled by democratic assemblies.

Let us now take a look at the Constitution for the NEWSTATES OF AMERICA.

In 1964, the writing of a new constitution for America began, at a tax-exempt foundation with the misleading name, Center for the Study of Democratic Institutions.

The people who took it upon themselves to write this new constitution on your behalf were, of course, not elected representatives, or in any other way your representatives. As a tax-exempt foundation, they were able to do political work on what amounts to a subsidy taken from your taxes, but you were never asked if you wanted a new constitution written. Indeed, only a very tiny fraction of the people of the United States even know, today, that **it exists**; it has been made known to **practically no one except a select category of influential elitist people whose views and interest generally coincide with those of the people who wrote it. The American people as a whole are absolutely ignorant of its existence. This is deliberate. This is a "secret" constitution—but already in use AGAINST YOU-THE-PEOPLE.**

It took some ten years to write this model constitution. A preliminary version was published in 1970 and some of you patriots who object to it will recognize the title and author: **THE EMERGING CONSTITUTION** by Rexford G. Tugwell, the man **who directed the formulation of the new constitution.** By the way, during the writing of this "secret" constitution that Center for the Study of Democratic Institution was very lavishly funded with over two and a half MILLION dollars a year.

To appreciate the document—we will effort to offer you some commentary and review and you will forgive me if I fail to always at every paragraph mention the speakers. Tugwell's book, by the way, was published by Harper & Row and sells for about \$20.

We will write on a section and then append comments and observations.

A PROPOSED CONSTITUTION MODEL FOR THE NEWSTATES OF AMERICA PREAMBLE

So that we may join in common endeavors, welcome the future in good order, and create an adequate and self-repairing government—we, the people, do establish the Newstates of America, herein provided to be ours, and do ordain this Constitution whose supreme law it shall be until the time prescribed for it shall have run.

COMMENTS: This new constitution would

replace the present U.S. Constitution and would dissolve the States as you know them into Newstates, "each comprising no less than 5 percent of the whole population." This new constitution is, in itself, a vehicle for the transition from your proven, tried and true, Divinely-ordained Constitution with its Bill of Rights Amendments, to the New World Order that man, in his own efforts, hopes to impose upon mankind—and basically has already accomplished at this writing.

The first eight words of the "preamble" clearly spell out all of the above. "so that we may join in common endeavors" assumes that everyone **wants** to support their endeavors to destroy America's sovereignty, states' rights and the individual's God-given liberty and freedom. Should this be accomplished, the states would be abolished in favor of regions known as "newstates". By their assumption, the initiative is taken and the momentum gained.

The "common endeavors" in this case is the destruction of your U.S. Constitution so as to replace it with a dictatorship. The new would have the form and appearance of the old but there the similarity ends. The Newstates of America Constitution is merely a form of the old in order to pacify those still remembering the liberty that it guaranteed. The New Constitution is a bridge, a part of the hopefully peaceful transition from a Constitutional Republic to an oligarchic world dictatorship. **THE MERE FACT THAT THIS NEW CONSTITUTION IS TO BE IN EFFECT FOR ONLY 25 YEARS AND THAT MANY OPPORTUNITIES ARE PROVIDED TO REVISE AND REWRITE IT IN THOSE YEARS—INDICATES THE ROLE OF TRANSITION.**

Yes, you will find in Article XI, Section 2 it declares: "When this Constitution shall have been in effect for twenty-five years the Overseer shall ask, by referendum, whether a new Constitution shall be prepared." And should those in power be defeated in the case of amending their new constitution, they won't take no for an answer. To quote Article XI, Section I: "If rejected (that which they proposed), it may be restudied and a new proposal submitted." So it is not possible for the people to totally **reject** that which the appointed Principal Justice and that which the appointed Senate proposes.

You will note that the word "emergency" will appear frequently in the proposed Constitution but is never mentioned in Your U.S. Constitution. Consequently, an "emergency" is used to **impose new dictates—which could only be accomplished at the expense of the U.S. citizen's liberty. Keep your eyes open as we go along.**

Read again the "preamble":

1. It welcomes the future "in good or-

der". Just what does that actually mean?

2. "To create an adequate and self-repairing Government." If your present Government needs some minor repairing, why not carefully consider the matter for possible improvement? Why even consider a *new* form of Government that **might** be "self-repairing"—by command coming from a **DICTATOR**? Why change the entire form of a highly successful Government **for free people** to one controlled by iron-clad Dictatorship?

Note, "We, the people, do establish the *Newstates of America*, herein provided to be ours..." **What would you have then? What, in contrast to that which you have, now?** Today, you have a noble document, even if teetering on the edge of extinction, far, far removed from a "**Consensus for Collectivism**"—a **DANGEROUS PHRASE which you will hear from internationally-influenced speakers in their efforts to further the aims of the super-rich Corporate Socialists and Bankers!** The emphasis in the Preamble, and throughout, is to favor **BIG GOVERNMENT** and downgrade **The People!** This is the complete reverse of your own Constitution which you are selling out.

ARTICLE I

Rights and Responsibilities

A. RIGHTS:

SECTION 1. Freedom of expression, of communication, of movement, of assembly, or of petition shall not be abridged except in declared emergency.

SECTION 2. Access to information possessed by governmental agencies shall not be denied except in interest of national security; but communications among officials necessary to decision making shall be privileged.

SECTION 3. Public communicators may decline to reveal sources of information, but shall be responsible for hurtful disclosures.

SECTION 4. The privacy of individuals shall be respected; searches and seizures shall be made only on judicial warrant; persons shall be pursued or questioned only for the prevention of crime or the apprehension of suspected criminals, and only according to rules established under law.

SECTION 5. There shall be no discrimination because of race, creed, color, origin, or sex. The Court of Rights and Responsibilities may determine whether selection for various occupations had been discriminatory.

SECTION 6. All persons shall have equal protection of the laws, and in all electoral procedures the vote of every eligible citizen shall count equally with others.

SECTION 7. It shall be public policy to promote discussion of public issues and to encourage peaceful public gatherings for this purpose. Permission to hold such gatherings shall not be denied, nor shall they be interrupted, except in declared emergency or on a showing of imminent danger to public order and on judicial warrant.

SECTION 8. The practice of religion shall be privileged; but no religion shall be imposed by some on others, and none shall have public support.

Section 9. Any citizen may purchase, sell, lease, hold, convey and inherit real and personal property, and shall benefit equally from all laws for security in such transactions.

SECTION 10. Those who cannot contribute to productivity shall be entitled to a share of the national product; but distribution shall be fair and the total may not exceed the amount for this purpose held in the National Sharing Fund.

SECTION 11. Education shall be provided at public expense for those who meet appropriate tests of eligibility.

SECTION 12. No person shall be deprived of life, liberty, or property without due process of law. No property shall be taken without compensation.

SECTION 13. Legislatures shall define crimes and conditions requiring restraint, but confinement shall not be for punishment; and, when possible, there shall be preparation for return to freedom.

SECTION 14. No person shall be placed twice in jeopardy for the same offense.

SECTION 15. Writs of habeas corpus shall not be suspended except in declared emergency.

SECTION 16. Accused persons shall be informed of charges against them, shall have a speedy trial, shall have reasonable bail, shall be allowed to confront witnesses or to call others, and shall not be compelled to testify against themselves; at the time of arrest they shall be informed of their right to be silent and to have counsel, provided, if necessary, at public expense; and courts shall consider the contention that prosecution may be under an invalid or unjust statute.

B. RESPONSIBILITIES:

SECTION 1. Each freedom of the citizen shall prescribe a corresponding responsibility not to diminish that of others: of speech, communication, assembly, and petition, to grant the same freedom to others; of religion, to respect that of others; of privacy, not to invade that of others; of the holding and disposal of property, the obligation to extend the same privilege to others.

SECTION 2. Individuals and enterprises holding themselves out to serve the

public shall serve all equally and without intention to misrepresent, conforming to such standards as may improve health and welfare.

SECTION 3. Protection of the law shall be repaid by assistance in its enforcement; this shall include respect for the procedures of justice, apprehension of lawbreakers, and testimony at trial.

SECTION 4. Each citizen shall participate in the processes of democracy, assisting in the selection of officials and in the monitoring of their conduct in office.

SECTION 5. Each shall render such services to the nation as may be uniformly required by law, objection by reason of conscience being adjudicated as hereinafter provided; and none shall expect or may receive special privileges unless they be for a public purpose defined by law.

SECTION 6. Each shall pay whatever share of governmental costs is consistent with fairness to all.

SECTION 7. Each shall refuse awards or titles from other nations or their representatives except as they be authorized by law.

SECTION 8. There shall be a responsibility to avoid violence and to keep the peace; for this reason the bearing of arms or the possession of lethal weapons will be confined to the police, members of the armed forces, and those licensed under law.

SECTION 9. Each shall assist in preserving the endowments of nature and enlarging the inheritance of future generations.

SECTION 10. Those granted the use of public lands, the air, or waters shall have a responsibility for using these resources so that, if irreplaceable, they are conserved and, if replaceable, they are put back as they were.

SECTION 11. Retired officers of the armed forces, of the senior civil service, and of the Senate shall regard their service as a permanent obligation and shall not engage in enterprise seeking profit from the government.

SECTION 12. The devising or controlling of devices for management or technology shall establish responsibility for resulting costs.

SECTION 13. All rights and responsibilities defined herein shall extend to such associations of citizens as may be authorized by law.

There is hardly enough time and space to adequately cover the comments applicable to these sections, but briefly:

[C: The comments which will be utilized are offered by Col. Curtis B. Dall. He speaks as an aroused layman who will emphasize "key points" for you who

are unsuspecting, and, therefore, **unalerted**,—those who find it hard to believe that a few wealthy, politically-perverted-minded individuals, and their well-kept stooges, would stoop so low as to stick a knife in the back of their fellow-Americans and attempt to destroy the fruits of 200 years of struggle and great achievement! A struggle for the advancement and well-being of Free Men, in your enlightened, Constitutional Republic! I thank both Col. Dall for his observations and E. Stanley Rittenhouse who together offer this document. I would guess from the formatting that the original document can be obtained through Liberty Library without my cluttering rearrangement of sequence, etc. It simply seems to me that you need to attend a few comments **AS YOU READ THE DOCUMENT SEGMENTS**. We shall then offer their "summary" in full.]

RIGHTS AND RESPONSIBILITIES

Article I. "A": Rights:

S.1. Note the glaring "exception". **WHO is to define "the emergency"?**

S.2. Another "exception!" Also note the word, "Privileged!"

S.3. Very vague, but very carefully phrased.

S.4. No comment.

S.5. "The Court of Rights and Responsibilities"? can decide whether or not YOU have been guilty of "discrimination"—THIS IS HARASSMENT IF NOTHING MORE.

S.6. **WHAT** determines "eligibility"?

S.7. No comment.

S.8. "The practice of religion shall be privileged"—**a very dangerous statement! This could totally deny your present Constitutional Right to the "free exercise thereof"**.

S.9. No comment.

S.10. Note "National Sharing Fund"(??) How about that for a good gimmick?

S.11. WHO is to define the "appropriate tests of eligibility" FOR EDUCATION?

S.12. In referring to "compensation", the word, "just", is flagrantly **omitted**. A serious and very ominous omission!

S.13 & 14: No comment.

S.15. WHO is to declare the "emergency"?

S.16. This appears quite "involved" in that it coddles criminals while, I'm sure, restricts innocent parties.

Article I, "B": Responsibilities:

[C: Some sections will be left out and to save time we ask you to assume no special comment. There is no reason to go through this exercise for the obvious is so glaring that it needs no added attention, I would hope.]

S.1. "A corresponding responsibility" is vague, and is obviously quite dangerous as it corresponds to "what"?

S.2. Contains obvious Socialistic overtones.

S.4. Very vague! Also, note the word, "shall". "Shall" is a **command!**

S.6. "Fairness to all"—sounds nice but has no offered foundation upon which to use the term.

S.8. Citizens *shall be* deprived of their ARMS. This is the age-old "gag" of **all tyrants; their favorite technique, to first deprive all law-abiding citizens of their means of protection for assault. This section is clever, slick and extremely dangerous!!**

S.11. Aimed to "muzzle" Retired Officers of the Armed Forces! Why would they want to do THAT? Ask any old HONEST retired officer!

ARTICLE II THE NEWSTATES

SECTION 1. There shall be Newstates, each comprising no less than 5 percent of the whole population. Existing states may continue and may have the status of Newstates if the Boundary Commission, hereinafter provided, shall so decide. The Commission shall be guided in its recommendations by the probability of accommodation to the conditions for effective government. States electing by referendum to continue if the Commission recommends otherwise shall nevertheless accept all Newstate obligations.

SECTION 2. The Newstates shall have constitutions formulated and adopted by processes hereinafter prescribed.

SECTION 3. They shall have Governors; legislatures, and planning, administrative and judicial systems.

SECTION 4. Their political procedures shall be organized and supervised by electoral Overseers; but their elections shall not be in years of presidential election.

SECTION 5. The electoral apparatus of the Newstates of America shall be available to them, and they may be allotted funds under rules agreed to by the national Overseer; but expenditures may not be made by or for any candidate except they be approved by the Overseer; and requirements of residence in a voting district shall be no longer than thirty days.

SECTION 6. They may charter subsidiary governments, urban or rural, and may delegate to them powers appropriate to their responsibilities.

SECTION 7. They may lay, or may delegate the laying of, taxes; but these shall conform to the restraints stated hereinafter for the Newstates of America; but the objects appropriate for taxation shall be clearly designated.

SECTION 9. Taxes on land may be at

higher rates than those on its improvements.

SECTION 10. They shall be responsible for the administration of public services not reserved to the government of the Newstates of America, such activities being concerted with those of corresponding national agencies, where these exist, under arrangements common to all.

SECTION 11. The rights and responsibilities prescribed in this Constitution shall be effective in the Newstates and shall be suspended only in emergency when declared by Governors and not disapproved by the Senate of the Newstates of America.

SECTION 12. Police powers of the Newstates shall extend to all matters not reserved to the Newstates of America; but preempted powers shall not be impaired.

SECTION 13. Newstates may not enter into any treaty, alliance, confederation, or agreement unless approved by the Boundary Commission hereinafter provided.

They may not coin money, provide for the payment of debts in any but legal tender, or make any charge for inter-Newstate services. They may not enact ex post facto laws or ones impairing the obligation of contracts.

SECTION 14. Newstates may not impose barriers to imports from other jurisdictions or impose any hindrance to citizens' freedom of movement.

SECTION 15. If governments of the Newstates fail to carry out fully their constitutional duties, their officials shall be warned and may be required by the Senate, on the recommendation of the Watchkeeper, to forfeit revenues from the Newstates of America.

[C: I hear you, readers, you think I'm giving you a "big whammy" JOKE. Oh don't I wish! THIS IS THE "REAL STUFF", CITIZENS! THIS IS ALREADY IN PRACTICAL APPLICATION AS THE SET OF RULES UTILIZED RIGHT NOW (CALLED BY DIFFERENT NAMES TO FOOL YOU). This is THE Constitution to serve as interim management for the transition to the One World Order Dictatorship and integration into the Global Government through the United Nations top Elite. It is about as far from a JOKE as I can possibly imagine this afternoon.]

COMMENTS:

Article II. "The Newstates"

S.1. "There shall be Newstates"—This is very subversive, inflammatory and Communistic! Note "The Boundary Commission" and its extensive proposed powers **"to decide"**. **"This is complete Regimentation! Incredible!"**

S.2. NO!

S.3. NO! Too much "planning" (to submerge the individual!)

S.4. Note "electoral **OVERSEEK**".

S.8. Dangerous for *American Labor*, carries a strong political note to boost trade with communist countries, particularly the Soviet Union! Looks like a Corporate Socialist, such as Nelson Rockefeller, had a *strong hand* in shaping THIS one.

S.11. So-called "States Rights" are subject to "Emergency" rulings by the Governors, with the **approval** of the Senate of the Newstates of America, so all *States' Rights* hang on a **very slender thread!** Hence, they are down-graded.

S.12. Dangerous...Suggests a **Police State!**

S.13. Again, "The Boundary Commission" appears, with *firm control* over the "Newstates".

S.15. Looks very much like a **Police State** set up! A club over the "Newstates" wielded by the "Watchkeeper".

[C: If you aren't trembling in your boots—then you ARE NOT ALIVE! I repeat: "This is ALREADY being practiced as Martial law, "districts", IRS, etc. Let us go on through Article III and close this segment, please.]

ARTICLE III The Electoral Branch

SECTION 1. To arrange for participation by the electorate in the determination of policies and the selection of officials, there shall be an Electoral Branch.

SECTION 2. An Overseer of electoral procedures shall be chosen by majority of the *Senate* and may be removed by a two-thirds vote. It shall be the Overseer's duty to supervise the organization of national and district parties, arrange for discussion among them, and provide for the nomination and election of candidates for public office. While in office the Overseer shall belong to no political organization; and after each presidential election shall offer to resign.

SECTION 3. A national party shall be one having had at least a 5 percent affiliation in the latest general election; but a new party shall be recognized when valid petitions have been signed by at least 2 percent at a third, or 15 percent at further elections.

District parties shall be recognized when at least 2 percent of the voters shall have signed petitions of affiliation; but recognition shall be withdrawn upon failure to attract the same percentages as are necessary for the continuance of national parties.

SECTION 4. Recognition by the Overseer shall bring parties within established regulations and entitle them to common privileges.

SECTION 5. The Overseer shall promulgate rules for party conduct and shall see that fair practices are maintained, and

for this purpose shall appoint deputies in each district and shall supervise the choice, in district and national conventions, of party administrators. Regulations and appointments may be objected to by the Senate.

SECTION 6. The Overseer, with the administrator and other officials, shall:

- a. Provide the means for discussion, in each party, of public issues, and for this purpose, ensure that members have adequate facilities for participation.
- b. Arrange for discussion, in annual district meetings, of the President's views, of the findings of the Planning Branch, and such other information as may be pertinent for the enlightened political discussion.
- c. Arrange, on the first Saturday in each month, for enrollment, valid for one year, of voters at convenient places.

SECTION 7. The Overseer shall also:

- a. Assist the parties in nominating candidates for district members of the House of Representatives each three years; and for this purpose designate one hundred districts, each with a similar number of eligible voters, redrawing districts after each election. In these there shall be party conventions having no more than three hundred delegates, so distributed that representation of voters be approximately equal.

Candidates for delegate may become eligible by presenting petitions signed by two hundred registered voters. They shall be elected by party members on the first Tuesday in March, those having the largest number of votes being chosen until the three hundred be complete. Ten alternates shall also be chosen by the same process. District conventions shall be held on the first Tuesday in April. Delegates shall choose three candidates for membership in the House of Representatives, the three having the most votes becoming candidates.

b. Arrange for the election each three years of three members of the House of Representatives in each district from among the candidates chosen in party conventions, the three having the most votes to be elected.

SECTION 8. The Overseer shall also:

- a. Arrange for national conventions to meet nine years after previous presidential elections, with an equal number of delegates from each district, the whole number not to exceed one thousand.
- b. Approve procedures in these conventions for choosing one hundred candidates to be members-at-large of the House of

Representatives, whose terms shall be coterminous with that of the President. For this purpose delegates shall file one choice with convention officials. Voting on submissions shall proceed until one hundred achieve 10 percent, but not more than three candidates may be resident in any one district; if any district have more than three, those with the fewest votes shall be eliminated, others being added from the districts having less than three, until equality be reached. Of those added, those having the most votes shall be chosen first.

c. Arrange procedures for the consideration and approval of party objectives by the convention.

d. Formulate rules for the nomination in these conventions of candidates for President and Vice Presidents when the offices are to fall vacant, candidates for nomination to be recognized when petitions shall have been presented by one hundred or more delegates, pledged to continue support until candidates can no longer win or until they consent to withdraw. Presidents and Vice Presidents, together with Representatives-at-large, shall submit to referendum after serving for three years, and if they are rejected, new conventions shall be held within one month and candidates shall be chosen as for vacant offices.

e. Arrange for the election on the first Tuesday in June, in appropriate years, of new candidates for President and Vice Presidents, and members-at-large of the House of Representatives, all being presented to the nation's voters as a ticket; if no ticket achieve a majority, the Overseer shall arrange another election, on the third Tuesday in June, between the two persons having the most votes; and if referendum so determine he shall provide similar arrangements for the nomination and election of candidates.

In this election, the one having the most votes shall prevail.

SECTION 9. The Overseer shall also:

- a. Arrange for the convening of the national legislative houses on the fourth Tuesday of July.
- b. Arrange for inauguration of the President and Vice-Presidents on the second Tuesday of August.

SECTION 10. All costs of electoral procedures shall be paid from public funds, and there shall be no private contributions to parties or candidates; no contributions, or expenditures for meetings, conventions, or campaigns shall be made; and no candidate for office may make any personal expenditures unless authorized by a uniform rule of the Overseer; and persons or groups making expenditures, directly or indirectly, in support of prospective candidates shall report to the Overseer and shall dates shall report to the Overseer and shall

conform to his regulations.

SECTION 11. Expenses of the Electoral Branch shall be met by the additions of one percent to the net annual taxable income returns of taxpayers, this sum to be held by the Chancellor of Financial Affairs for distribution by the Overseer.

Funds shall be distributed to parties in proportion to the respective number of votes cast for the President and Governors at the last election, except that new parties, on being recognized, shall share in proportion to their number. Party administrators shall make allocations to legislative candidates in amounts proportional to the party vote at the last election.

Expenditures shall be audited by the Watchkeeper, and sums not expended within four years shall be returned to the Treasury.

It shall be a condition of every communications franchise that reasonable facilities shall be available for allocations by the Overseer.

[C: Is anyone nervous about WHO this "Overseer" might be? How about the "Watchkeeper"—and, how about that "President" but those plural "Vice-Presidents"? Sounds like to me you are moving right into the pit with the viper himself—maybe the Overseer is the "right hand of Satan" and the "Watchkeeper" the "left"?]

COMMENTS:

Article III. The Electoral Branch

S. 1. This is something new, for greater control over the people.

S. 2. Here comes the "Overseer"!

S. 4. Note, "Recognitions by the Overseer"!

S. 5. More "Overseer" stuff...not overlooking the "Planning Branch"!

Sections 7 & 8: MORE OF THE SAME.

S. 11. "Expenses of the Electoral Branch" to be met by an added 1% to the net taxable income of taxpayers...for dis-

position by the Overseer.

Secretary, enough, I see that you are exhausted as we put in these dawn to dark days without letup—but, chela—it is such a critical time for your nation and your freedom as citizens that I cannot bear not to offer that which we can. Hopefully, these past new editions of CONTACT [Volume 1, Numbers 1, 2 and 3] can be presented at the Las Vegas meeting next week-end. We MUST reach the people or there is not hope.

Hayek: "I do not think the cause of liberty

will prevail unless our emotions are aroused. But, though the strong instincts on which the struggle for liberty has always nourished itself are an indispensable support, they are neither a safe guide nor a certain protection against error. The same noble sentiments have been mobilized in the service of greatly perverted aims. Still more important, the arguments that have undermined liberty belong mainly to the intellectual sphere, and we must therefor counter them there.

AMERICA: IN THE NAME OF GOD— SAVE YOUR CONSTITUTION!!!

Ceres to lay down the pen that you might digest these writings as we move along. Good day.

Continuation of:

THE NEWSTATES CONSTITUTION (Already in use even though unratified)

ARTICLE IV

THE PLANNING BRANCH

SECTION 1. There shall be a Planning Branch to formulate and administer plans and to prepare budgets for the uses of expected income in pursuit of policies formulated by the processes provided herein.

SECTION 2. There shall be a National Planning Board of fifteen members appointed by the President; the first members shall have terms designated by the President of one to fifteen years, thereafter one shall be appointed each year; the President shall appoint a Chairman who shall serve for fifteen years unless removed by him.

SECTION 3. The Chairman shall appoint, and shall supervise, a planning administrator, together with such deputies as may be agreed to by the Board.

SECTION 4. The Chairman shall present to the Board six and twelve year development plans prepared by the planning staff. They shall be revised each year after public hearings, and finally in the year before they are to take effect. They shall be submitted to the President on the fourth Tuesday in July for transmission to the Senate on September 1st with his comments.

If members of the Board fail to approve the budget proposals by the forwarding date, the Chairman shall nevertheless make submission to the President with notations of reservation by such members. The President shall transmit this proposal, with his comments, to the House of Representatives on September 1.

SECTION 5. It shall be recognized that the six and twelve year development plans represent national intentions tempered by the appraisal of possibilities. The twelve-year plan shall be a general estimate of

probable progress, both governmental and private; the six-year plan shall be more specific as to estimated income and expenditure and shall take account of necessary revisions.

The purpose shall be to advance, through every agency of government, the excellence of national life. It shall be the further purpose to anticipate innovations, to estimate their impact, to assimilate them into existing institutions, and to moderate deleterious effects on the environment and on society.

The six and twelve year plans shall be disseminated for discussion and the opinions expressed shall be considered in the formulation of plans for each succeeding year with special attention to detail in proposing the budget.

SECTION 6. For both plans an extension of one year into the future shall be made each year and the estimates for all other years shall be revised accordingly. For nongovernmental activities the estimate of developments shall be calculated to indicate the need for enlargement or restriction.

SECTION 7. If there be objection by the President or the Senate to the six or twelve year plans, they shall be returned for re-study and resubmission. If there still be differences, and if the President and the Senate agree, **they shall prevail**. If they do not agree, the Senate shall prevail and the plan shall be revised accordingly.

SECTION 8. The Newstates, on June 1, shall submit proposals for development to be considered for inclusion in those of the Newstates of America. Researches and administration shall be delegated, when convenient, to planning agencies of the Newstates.

SECTION 9. There shall be submissions from private individuals or from organized associations affected with a public interest, as defined by the Board. They shall report intentions to expand, or contract, estimates of production and demand, probable uses of resources, numbers expected to be employed, and other essential information.

SECTION 10. The Planning Branch shall make and have custody of official maps, and these shall be documents of reference for future developments both public and private; on them the location of facilities, with extension indicated, and the intended use of all areas shall be marked out.

Official maps shall also be maintained by the planning agencies of the Newstates, and in matters not exclusively national the National Planning Board may rely on these.

Undertakings in violation of official designation shall be at the risk of the venturer, and there shall be no recourse; but losses from designations after acquisition shall be recoverable in actions before the Court of Claims.

SECTION 11. The Planning Branch shall have available to it funds equal to one-half of one percent of the approved national budget (not including debt services or payments from trust funds). They shall be held by the Chancellor of Financial Affairs and expended according to rules approved by the Board; but funds not expended within six years shall be available for other uses.

SECTION 12. Allocations may be made for the planning agencies of the Newstates; but only the maps and plans of the National Board, or those approved by them, shall have status at law.

SECTION 13. In making plans, there shall be due regard to the interests of other nations and such cooperation with their intentions as may be approved by the Board.

SECTION 14. There may also be cooperation with international agencies and such contributions to their work as are not disapproved by the President.

ARTICLE V

THE PRESIDENCY

SECTION 1. The President of the Newstates of America shall be the head of government, shaper of its commitments, expositor of its policies, and supreme commander of its protective forces; shall have one term of nine years, unless rejected by 60 percent of the electorate after three years; shall take care that the nation's resources are estimated and are apportioned to its more exigent needs; shall recommend such plans, legislation, and action as may be necessary; and shall address the legislators each year on the state of the nation, calling upon them to do their part for the general good.

SECTION 2. There shall be two Vice-Presidents elected with the President; at the time of taking office the President shall designate one Vice-President to supervise internal affairs; and one to be deputy for general affairs. **[C: I cannot pass this one without calling special attention to what you have RIGHT NOW in the form of Hillary and Al Gore. You already HAVE THE TWO!]** The deputy for general affairs shall succeed if the presidency be vacated; the Vice-President for internal affairs shall be second in succession. If either Vice-President shall die or be incapacitated, the President, with the consent of the Senate, shall **appoint** a successor. Vice-Presidents shall serve during an extended term with such assignments as the President may make.

If the presidency fall vacant through the disability of both Vice-Presidents, the Senate shall elect successors from among its members to serve until the next general election.

With the Vice-Presidents and other officials the President shall see to it that the laws are faithfully executed and shall pay attention to the findings and recommendations of the Planning Board, the National Regulatory Board, and the Watchkeeper in formulating national policies.

SECTION 3. Responsible to the Vice-President for General Affairs there shall be Chancellors of External, Financial, Legal, and Military Affairs.

The Chancellor of External Affairs shall assist in conducting relations with other nations.

The Chancellor of Financial Affairs shall supervise the nation's financial and monetary systems, regulating its capital markets and credit-issuing institutions as they may be established by law; and this shall include lending institutions for operations in other nations or in cooperation with them, except that treaties may determine their purposes and standards.

The Chancellor of Legal Affairs shall advise governmental agencies and represent them before the courts.

The Chancellor of Military Affairs shall act for the presidency in disposing all armed forces except militia commanded by governors; but these shall be available for national service at the President's convenience.

Except in declared emergency, the deployment of forces in far waters or in other nations without their consent shall be notified in advance to a national security committee of the Senate hereinafter provided.

SECTION 4. Responsible to the Vice-President for Internal Affairs there shall be chancellors of such departments as the President may find necessary for performing the services of government and are not rejected by a two-thirds vote when the succeeding budget is considered.

SECTION 5. Candidates for the presidency and the vice-presidencies shall be natural-born citizens. Their suitability may be questioned by the Senate within ten days of their nomination, and if two-thirds of the whole agree, they shall be ineligible and a nominating convention shall be reconvened. At the time of his nomination no candidate shall be a member of the Senate and none shall be on active service in the armed forces or a senior civil servant.

SECTION 6. The President may take leave because of illness or for an interval of relief, and the Vice-President in charge of General Affairs shall act. The President may resign if the Senate agree; and, if the term shall have more than two years to run, the Overseer shall arrange for a special election for President and Vice-President.

SECTION 7. The Vice-Presidents may be directed to perform such ministerial

duties as the President may find convenient; but their instructions shall be of record, and their actions shall be taken as his deputy.

SECTION 8. Incapacitation may be established without concurrence of the president by a three-quarters vote of the Senate, whereupon a successor shall become Acting President until the disability be declared, by a similar vote, to be ended or to have become permanent. Similarly the other Vice-President shall succeed if a predecessor die or be disabled. Special elections, in these contingencies, may be required by the Senate.

Acting Presidents may appoint deputies, unless the Senate object, to assume their duties until the next election.

SECTION 9. The Vice-Presidents, together with such other officials as the President may designate from time to time, may constitute a cabinet or council; but this shall not include officials of other branches.

SECTION 10. Treaties or agreements with other nations, negotiated under the President's authority, shall be in effect unless objected to by a majority of the Senate within ninety days. If they are objected to, the President may resubmit and the Senate reconsider. If a majority still object, the Senate shall prevail.

SECTION 11. All others, except those of other branches, shall be appointed and may be removed by the President. A majority of the Senate may object to appointments within sixty days, and alternative candidates shall be offered until it agrees.

SECTION 12. The President shall notify the Planning Board and the House of Representatives, on the fourth Tuesday in June, what the maximum allowable expenditures for the ensuing fiscal year shall be.

The President may determine to make expenditures less than provided in appropriations; but, except in declared emergency, none shall be made in excess of appropriations. Reduction shall be because of changes in requirements and shall not be such as to impair the integrity of budgetary procedures.

SECTION 13. There shall be a Public Custodian, appointed by the President and removable by him, who shall have charge of properties belonging to the government, but not allocated to specific agencies, who shall administer common public services, shall have charge of building construction and rentals, and shall have such other duties as may be designated by the President or the designated Vice-Presidents.

SECTION 14. There shall be an Intendant responsible to the President who shall supervise Offices for Intelligence and Investigation; also an Office of Emergency Organization with the duty of providing plans and procedures for such contingencies as can be anticipated.

as can be anticipated.

The Intendant shall also charter non-profit corporations (or foundations), unless the President shall object, determined by him to be for useful public purposes. Such corporations shall be exempt from taxation but shall conduct no profitmaking enterprises.

SECTION 15. The Intendant shall also be a counselor for the coordination of scientific and cultural experiments, and for studies within the government and elsewhere, and for this purpose shall employ such assistance as may be found necessary.

SECTION 16. Offices for other purposes may be established and may be discontinued by presidential order within the funds allocated in the procedures or appropriation.

ARTICLE VI

THE LEGISLATIVE BRANCH (The Senate and the House of Representatives)

A. THE SENATE

SECTION 1. There shall be a Senate with membership as follows: If they so desire, former Presidents, Vice-Presidents, Principal Justices, Overseers, Chairmen of the Planning and Regulatory Boards, Governors having had more than seven years service, and unsuccessful candidates for the presidency and vice-presidency who have received at least 30 percent of the vote. To be appointed by the President, three persons who have been Chancellors, two officials from the civil services, two officials from the diplomatic services, two senior military officers, also one person from a panel of three elected in a process approved by the overseer, by each of twelve such groups or associations as the President may recognize from time to time to be nationally representative, but none shall be a political or religious group, no individual selected shall have been paid by any private interest to influence government, and any association objected to by the Senate shall not be recognized. Similarly, to be appointed by the Principal Justice, two persons distinguished in public law and two former members of the High Courts or the Judicial Council. Also, to be elected by the House of Representatives, three members who have served six or more years.

Vacancies shall be filled as they occur.

SECTION 2. Membership shall continue for life, except that absences not provided for by rule shall constitute retirement, and that Senators may retire voluntarily.

SECTION 3. The Senate shall elect as presiding officer a Convener who shall

serve for two years, when his further service may be discontinued by a majority vote. Other officers, including a Deputy, shall be appointed by the Convener unless the Senate shall object.

SECTION 4. The Senate shall meet each year on the second Tuesday in July and shall be in continuous session, but may adjourn to the call of the Convener. A quorum shall be more than three-fifths of the whole membership.

SECTION 5. The Senate shall consider, and return within thirty days, all measures approved by the House of Representatives (except the annual budget). Approval or disapproval shall be by a majority vote of those present. Objection shall stand unless the House of Representatives shall overcome it by a majority vote plus one; if no return be made, approval by the House of Representatives shall be final.

For consideration of laws passed by the House of Representatives or for other purposes, the Convener may appoint appropriate committees.

SECTION 6. The Senate may ask advice from the Principal Justice concerning the constitutionality of measures before it; and if this be done, the time for return to the House of Representatives may extend to ninety days.

SECTION 7. If requested, the Senate may advise the President on matters of public interest; or, if not requested, by resolution approved by two-thirds of those present. There shall be a special duty to expressions of concern during party conventions and commitments made during campaigns; and if these be neglected, to remind the President and the House of Representatives that these undertakings are to be considered.

SECTION 8. In time of present or prospective danger caused by cataclysm, by attack, or by insurrection, the Senate may declare a national emergency and may authorize the President to take appropriate action. If the Senate be dispersed, and no quorum available, the President may proclaim the emergency, and may terminate it unless the Senate shall have acted. If the President be not available, and the circumstances extreme, the senior serving member of the presidential succession may act until a quorum assembles.

SECTION 9. The Senate may also define and declare a limited emergency in time of prospective danger, or of local or regional disaster, or if an extraordinary advantage be anticipated. It shall be considered by the House of Representatives within three days and, unless disapproved, may extend for a designated period and for a limited area before renewal.

Extraordinary expenditures during emergency may be approved, without regard to usual budget procedures, by the House of Representatives with the concur-

rence of the President.

SECTION 10. The Senate, at the beginning of each session, shall select three of its members to constitute a national Security Committee to be consulted by the President in emergencies requiring the deployment of the armed forces abroad. If the Committee dissent from the President's proposal, it shall report to the Senate, whose decision shall be final.

SECTION 11. The Senate shall elect, or may remove, a national Watchkeeper, and shall oversee, through a standing committee, a Watchkeeping Service conducted according to rules formulated for their approval.

With the assistance of an appropriate staff the Watchkeeper shall gather and organize information concerning the adequacy, competency, and integrity of governmental agencies and their personnel, as well as their continued usefulness; and shall also suggest the need for new or expanded services, making report concerning any agency of the deleterious effect of its activities on citizens or on the environment.

The Watchkeeper shall entertain petitions for the redress of grievances and shall advise the appropriate agencies if there be need for action.

For all these purposes, personnel may be appointed, investigations made, witnesses examined, post audits made, and information required.

The Convener shall present the Watchkeeper's findings to the Senate, and if it be judged to be in the public interest, they shall be made public or, without being made public, sent to the appropriate agency for its guidance and such action as may be needed. On recommendation of the Watchkeeper the Senate may initiate corrective measures to be voted on by the House of Representatives within thirty days. When approved by a majority and not vetoed by the President, they shall become law.

For the Watchkeeping Service one-quarter of one percent of individual net taxable incomes shall be held by the Chancellor of Financial Affairs; but amounts not expended in any fiscal year shall be available for general use.

B. THE HOUSE OF REPRESENTATIVES

SECTION 1. The House of Representatives shall be the original lawmaking body of the Newstates of America.

SECTION 2. It shall convene each year on the second Tuesday in July and shall remain in continuous session except that it may adjourn to the call of a Speaker, elected by a majority vote from among the Representatives-at-large, who shall be its presiding officer.

SECTION 3. It shall be a duty to implement the provisions of this constitution and, in legislature, to be guided by them.

SECTION 4. Party leaders and their deputies shall be chosen by caucus at the beginning of each session.

SECTION 5. Standing and temporary committees shall be selected as follows:

Committees dealing with the calendaring and management of bills shall have a majority of members nominated to party caucuses by the Speaker; other members shall be nominated by minority leaders. Membership shall correspond to the parties' proportions at the last election. If nominations be not approved by a majority of the caucus, the Speaker of the minority leaders shall nominate others until a majority shall approve.

Members of other committees shall be chosen by party caucus in proportion to the results of the last election. Chairmen shall be elected annually from among at-large-members.

Bills referred to committees shall be returned to the House with recommendations within sixty days unless extension be voted by the House.

In all committee actions names of those voting for and against shall be recorded.

No committee chairman may serve longer than six years.

SECTION 6. Approved legislation, not objected to by the Senate within the allotted time, shall be presented to the President for his approval or disapproval. If the President disapprove, and three-quarters of the House membership still approve, it shall become law. The names of those voting for and against shall be recorded. Bills not returned within eleven days shall become law.

SECTION 7. The President may have thirty days to consider measures approved by the House unless they shall have been submitted twelve days previous to adjournment.

SECTION 8. The House shall consider promptly the annual budget; if there still be objection by a two-thirds majority, the House shall prevail. Objection must be by whole title; titles not objected to when voted on shall constitute appropriation.

The budget for the fiscal year shall be in effect on January 1. Titles not yet acted on shall be as in the former budget until action be completed.

SECTION 9. It shall be the duty of the House to make laws concerning taxes.

1. For their laying and collection:

a. They shall be uniform, and shall not be retroactive.

b. Except such as may be authorized by law to be laid by Authorities, or by the Newstates, all collections shall be made by a national revenue agency. This shall include collections for trust funds herein-after authorized.

c. Except for corporate levies to be held in the national Sharing Fund, herein-after authorized, taxes may be collected only from individuals and only from incomes; but there may be withholding from current incomes.

d. To assist in the maintenance of economic stability, the President may be authorized to alter rates by executive order.

e. They shall be imposed on profitmaking enterprises owned or conducted by religious establishments or other nonprofit organizations.

f. There shall be none on food, medicines, residential rentals, or commodities or services designated by law as necessities; and there shall be no double taxation.

g. None shall be levied for registering ownership or transfer of property.

2. For expenditure from revenues:

a. For the purposes detailed in the annual budget unless objection be made by the procedure prescribed herein.

b. For such other purposes as the House may indicate and require the Planning Board to include in revision of the budget; but, except in declared emergency, the total may not exceed the President's estimate of available funds.

3. For fixing the percentage of net corporate taxable incomes to be paid into a National Sharing Fund to be held in the custody of the Chancellor of Financial Affairs and made available for such welfare and environmental purposes as are authorized by law.

4. To provide for the regulation of commerce with other nations and among the Newstates, Possessions, Territories; or, as shall be mutually agreed, with other organized governments; but exports shall not be taxed; and imports shall not be taxed except on recommendation of the President at rates whose allowable variations shall have been fixed by law. There shall be no quotas, and no nations favored by special rates, unless by special acts requiring two-thirds majorities.

5. To establish, or provide for the establishment of, institutions for the safe-keeping of savings, for the gathering and distribution of capital, for the issuance of credit, for regulating the coinage of money, for controlling the media of exchange, and for stabilizing prices; but such institutions, when not public or semipublic, shall be regarded as affected with the public interest and shall be supervised by the Chancellor of Financial Affairs.

6. To establish institutions for insurance against risks and liabilities for communication, transportation, and others commonly used and necessary for public convenience.

7. To assist in the maintenance of world order, and, for this purpose, when the

President shall recommend, to vest jurisdiction in international legislative, judicial, or administrative agencies.

8. To develop with other peoples, and for the benefit of all, the resources of space, of other bodies in the universe, and of the seas beyond twelve miles from low-water shores unless treaties shall provide other limits.

9. To assist other peoples who have not attained satisfactory levels of well-being; to delegate the administration of funds for assistance, whenever possible, to international agencies; and to invest in or contribute to the furthering of development in other parts of the world.

10. To assure, or to assist in assuring, adequate and equal facilities for education; for training in occupations citizens may be fitted to pursue; and to reeducate or retrain those whose occupations may become obsolete.

11. To establish or to assist institutions devoted to higher education, to research, or to technical training.

12. To establish and maintain, or assist in maintaining, libraries, archives, monuments, and other places of historic interest.

13. To assist in the advancement of sciences and technologies; and to encourage cultural activities.

14. To conserve natural resources by purchase, by withdrawal from use, or by regulation; to provide, or to assist in providing, facilities for recreation; to establish and maintain parks, forests, wilderness areas, wetlands, and prairies; to improve streams and other waters; to ensure the purity of air and water; to control the erosion of soils; and to provide for all else necessary for the protection and common use of the national heritage.

15. To acquire property and improvements for public use at costs to be fixed, if necessary, by the Court of Claims.

16. To prevent the stoppage or hindrance of governmental procedures, or other activities affected with a public interest as defined by law, by reason of disputes between employers and employees, or for other reasons, and for this purpose to provide for conclusive arbitration if adequate provision for collective bargaining fail. From such findings there may be appeal to the Court of Arbitration Review; but such proceedings may not stay the acceptance of findings.

17. To support an adequate civil service for the performance of such duties as may be designated by administrators; and for this purpose to refrain from interference with the processes of appointment or placement, asking advice or testimony before committees

only with the consent of appropriate superiors.

18. To provide for the maintenance of armed forces.

19. To enact such measures as will assist families in making adjustment to future conditions, using estimates concerning population and resources made by the Planning Board.

20. To vote within ninety days on such measures as the President may designate as urgent.

TO BE CONTINUED.

EASTER

NEWSTATES CONSTITUTION

CONTINUATION OF:

ARTICLE VII

THE REGULATORY BRANCH

SECTION 1. There shall be a Regulatory Branch, and there shall be a national Regulator chosen by majority vote of the Senate and removable by a two-thirds vote of that body. His term shall be seven years, and he shall make and administer rules for the conduct of all economic enterprises.

The Regulatory Branch shall have such agencies as the Board may find necessary and are not disapproved by law.

SECTION 2. The Regulatory Board shall consist of seventeen members recommended to the Senate by the Regulator. Unless rejected by majority vote they shall act with the Regulator as a lawmaking body for industry.

They shall initially have terms of one to seventeen years, one being replaced each year and serving for seventeen years. They shall be compensated and shall have no other occupation.

SECTION 3. Under procedures approved by the Board, the Regulator shall charter all corporations or enterprises except those exempted because of size or other characteristics, or those supervised by the Chancellor of Financial Affairs, or by the Intendant, or those whose activities are confined to one Newstate.

Charters shall describe proposed activities, and departure from these shall require amendment on penalty of revocation. For this purpose there shall be investigation and enforcement services under the direction of the Regulator.

SECTION 4. Chartered enterprises in similar industries or occupations may organize joint Authorities. These may formulate among themselves codes to ensure fair competition, meet external costs, set standards for quality and service, expand trade, increase pro-

duction, eliminate waste, and assist in standardization. Authorities may maintain for common use services for research and communication; but membership shall be open to all eligible enterprises. Non-members shall be required to maintain the same standards as those prescribed for members.

SECTION 5. Authorities shall have governing committees of five, two being appointed by the Regulator to represent the public. They shall serve as he may determine; they shall be compensated; and he shall take care that there be no conflicts of interest. The Board may approve or prescribe rules for the distribution of profits to stockholders, allowable amounts of working capital, and reserves. Costing and all other practices affecting the public interest shall be monitored.

All codes shall be subject to review by the Regulator with his board.

SECTION 6. Member enterprises of an Authority shall be exempt from other regulation.

SECTION 7. The Regulator, with his Board, shall fix standards and procedures for mergers of enterprises or the acquisition of some by others; and these shall be in effect unless rejected by the Court of Administrative Settlements. The purpose shall be to encourage adaptation to change and to further approved intentions for the nation.

SECTION 8. The charters of enterprises may be revoked and Authorities may be dissolved by the Regulator, with the concurrence of the Board, if they restrict the production of goods and services, or controls of their prices; also if external costs are not assessed to their originators or if the ecological impacts of their operations are deleterious.

SECTION 9. Operations extending abroad shall conform to policies notified to the Regulator by the President; and he shall restrict or control such activities as appear to injure the national interest.

SECTION 10. The Regulator shall make rules for and shall supervise marketplaces for goods and services; but this shall not include security exchanges regulated by the Chancellor of Financial Affairs.

SECTION 11. Designation of enterprises affected with a public interest, rules for conduct of enterprises and of their Authorities, and other actions of the Regulator or of the Boards may be appealed to the Court of Administrative Settlements, whose judgments shall be informed by the intention to establish fairness to consumers and competitors and stability in economic affairs.

SECTION 12. Responsible also to the Regulator, there shall be an Operations

Commission appointed by the Regulator, unless the Senate object, for the supervision of enterprises owned in whole or in part by government. The commission shall choose its chairman, and he shall be the executive head of a supervisory staff. He may require reports, conduct investigations, and make rules and recommendations concerning surpluses or deficits, the absorption of external costs, standards of service, and rates or prices charged for services or goods.

Each enterprise shall have a director, chosen by and removable by the Commission; and he shall conduct its affairs in accordance with standards fixed by the Commission.

ARTICLE VIII THE JUDICIAL BRANCH

SECTION 1. There shall be a Principal Justice of the Newstates for America; a Judicial Council; and a Judicial Assembly. There shall also be a Supreme Court and a High Court of Appeals; also Courts of Claims, Rights and Duties, Administrative Review, Arbitration Settlements, Tax Appeals, and Appeals from Watchkeeper's Findings. There shall be Circuit Courts to be of first resort in suits brought under national law; and they shall hear appeals from courts of the Newstates.

Other courts may be established by law on recommendation of the Principal Justice with the Judicial Council.

SECTION 2. The Principal Justice shall preside over the judicial system, shall appoint the members of all national courts, and, unless the Judicial Council object, shall make its rules; also, through an Administrator, supervise its operations.

SECTION 3. The Judicial Assembly shall consist of Circuit Court Judges, together with those of the High Courts of the Newstates of America and those of the highest courts of the Newstates. It shall meet annually, or at the call of the Principal Justice, to consider the state of the Judiciary and such other matters as may be laid before it.

It shall also meet at the call of the Convener to nominate three candidates for the principal Justiceship whenever a vacancy shall occur. From these nominees the Senate shall choose the one having the most votes.

SECTION 4. The Principal Justice, unless the Senate object to any, shall appoint a Judicial Council of five members to serve during his incumbency. He shall designate a senior member who shall preside in his absence.

It shall be the duty of the Council, under the direction of the Principal Justice, to study the courts in operation, to prepare codes of ethics to be observed by members, and to suggest changes in procedure. The

Council may ask the advice of the Judicial Assembly.

It shall also be a duty of the Council, as hereinafter provided, to suggest Constitutional amendments when they appear to be necessary; and it shall also draft revisions if they shall be required. Further it shall examine, and from time to time cause to be revised, civil and criminal codes; these, when approved by the Judicial Assembly, shall be in effect throughout the nation.

SECTION 5. The Principal Justice shall have a term of eleven years; but if at any time the incumbent resign or be disabled from continuing in office, as may be determined by the Senate, replacement shall be by the senior member of the Judicial Council until a new selection be made. After six years the Assembly may provide, by a two-thirds vote, for discontinuance in office, and a successor shall then be chosen.

SECTION 6. The Principal Justice may suspend members of any court for incapacity or violation of rules; and the separation shall be final if a majority of the Council agree.

SECTION 7. A presiding judge may decide, with the concurrence of the senior judge, that there may be pretrial proceedings, that criminal trials shall be conducted by either investigatory or adversary proceedings, and whether there shall be a jury and what the number of jurors shall be; but investigatory proceedings shall require a bench of three.

SECTION 8. In deciding on the concordance of statutes with the Constitution, the Supreme Court shall return to the House of Representatives such as it cannot construe. If the House fail to make return within ninety days the Court may interpret.

SECTION 9. The Principal Justice, or the President, may grant pardons or reprieves.

SECTION 10. The High Courts shall have thirteen members; but nine members, chosen by their senior justices from time to time, shall constitute a court. The justices on leave shall be subject to recall.

Other courts shall have nine members; but seven, chosen by their senior, shall constitute a court.

All shall be in continuous session except for recesses approved by the Principal Justice.

SECTION 11. The Principal Justice, with the Council, may advise the Senate, when requested, concerning the appropriateness of measures approved by the House of Representatives; and may also advise the President, when requested, on matters he may refer for consultation.

SECTION 12. It shall be for other branches to accept and to enforce judicial decrees.

SECTION 13. The High Court of Appeals may select applications for further consid-

eration by the Supreme Court of decisions reached by other courts, including those of the Newstates. If it agree that there be a constitutional issue it may make preliminary judgment to be reviewed without hearing, and finally, by the Supreme Court.

SECTION 14. The Supreme Court may decide:

a. Whether, in litigation coming to it on appeal, constitutional provisions have been violated or standards have not been met.

b. On the application of constitutional provisions to suits involving the Newstates.

c. Whether international law, as recognized in treaties, United Nations agreements, or arrangements with other nations, has been ignored or violated.

d. Other causes involving the interpretation of constitutional provisions; except that in holding any branch to have exceeded its powers the decision shall be suspended until the Judicial Court shall have determined whether, in order to avoid confrontation, procedures for amendment of the Constitution are appropriate.

If amendatory proceedings are instituted, decision shall await the outcome.

SECTION 15. The Courts of the Newstates shall have initial jurisdiction in cases arising under their laws except those involving the Newstate itself or those reserved for national courts by a rule of the Principal Justice with the Judicial council.

ARTICLE IX GENERAL PROVISIONS

SECTION 1. Qualifications for participation in democratic procedures as a citizen, and eligibility for office, shall be subject to repeated study and redefinition; but any change in qualification or eligibility shall become effective only if not disapproved by the Congress.

For this purpose a permanent Citizenship and Qualifications Commission shall be constituted, four members to be appointed by the President, three by the Convener of the Senate, three by the Speaker of the House, and three by the Principal Justice. Vacancies shall be filled as they occur. The members shall choose a chairman; they shall have suitable assistants and accommodations; and they may have other occupations. Recommendations of the commission shall be presented to the President and shall be transmitted to the House of Representatives with comments. They shall have a preferred place on the calendar and, if approved shall be in effect.

SECTION 2. Areas necessary for the uses of government may be acquired at its valuation and may be maintained as the public interest may require. Such areas shall have self-government in matters of

local concern.

SECTION 3. The President may negotiate for the acquisition of areas outside the Newstates of America, and, if the Senate approve, may provide for their organization as Possessions or Territories.

SECTION 4. The President may make agreements with other organized peoples for a relation other than full membership in the Newstates of America. They may become citizens and may participate in the selection of officials. They may receive assistance for their development or from the National Sharing Fund if they conform to its requirements; and they may serve in civilian or military services, but only as volunteers. They shall be represented in the House of Representatives by members elected at large, their number proportional to their constituencies; but each shall have at least one; and each shall in the same way choose one permanent member of the Senate.

SECTION 5. The President, the Vice-Presidents, and members of the legislative houses shall in all cases except treason, felony, and breach of the peace be exempt from penalty for anything they may say while pursuing public duties; but the Judicial Council may make restraining rules.

SECTION 6. Except as otherwise provided by this Constitution, each legislative house shall establish its requirement for membership and may make rules for the conduct of members, including conflicts of interest, providing its own disciplines for their infraction.

SECTION 7. No Newstate shall interfere with officials of the Newstates of America in the performance of their duties, and all shall give full faith and credit to the Acts of other Newstates and of the Newstates of America.

SECTION 8. Public funds shall be expended only as authorized in this Constitution.

ARTICLE X GOVERNMENTAL ARRANGEMENTS

SECTION 1. Offices of the Newstates of America shall be those named in this Constitution, including those of the legislative houses and others authorized by law to be appointed; they shall be compensated, and none may have other paid occupation unless they be excepted by law; none shall occupy more than one position in government; and no gift or favor shall be accepted if in any way related to official duty.

No income from former employments or associations shall continue for their benefits; but their properties may be put in trust and managed without their intervention during continuance in office. Hardships under this rule may be considered by the Court of Rights and Duties, and exceptions may be made with due regard to the

general intention.

SECTION 2. The President, the Vice-Presidents, and the Principal Justice shall have households appropriate to their duties. The President, the Vice-Presidents, the Principal Justice, the Chairman of the Planning Board, the Regulator, the Watchkeeper, and the Overseer shall have salaries fixed by law and continued for life; but if they become members of the Senate, they shall have senatorial compensation and shall conform to senatorial requirements.

Justices of the High Courts shall have no term; and their salaries shall be two-thirds that of the Principal Justice; they and members of the Judicial Council, unless they shall have become Senators, shall be permanent members of the Judiciary and shall be available for assignment by the Principle Justice.

Salaries for members of the Senate shall be the same as for Justices of the High Court of Appeals.

SECTION 3. Unless otherwise provided herein, officials designated by the head of a branch as sharers in policymaking may be appointed by him with the president's concurrence and unless the Senate shall object.

SECTION 4. There shall be administrators:

a. for executive offices and official households, appointed by authority of the President;

b. for the national courts, appointed by the Principal Justice;

c. for the Legislative Branch, selected by a committee of members from each house (chosen by the Convener and the Speaker), three from the House of Representatives and four from the Senate.

Appropriations shall be made to them; but those for the presidency shall not be reduced during his term unless with his consent; and those for the Judicial Branch shall not be reduced during five years succeeding their determination, unless with the consent of the Principal Justice.

SECTION 5. The fiscal year shall be the same as the calendar year, with new appropriations available at its beginning.

SECTION 6. There shall be an Officials' Protective Service to guard the President, the Vice-Presidents, the Principal Justice, and other officials whose safety may be at hazard; and there shall be a Protector appointed by and responsible to a standing committee of the Senate. Protected officials shall be guided by procedures approved by the committee.

The service, at the request of the Political Overseer, may extend its protection to candidates for office; or to other officials, if the committee so decide.

SECTION 7. A suitable contingency fund shall be made available to the Presi-

dent for purposes defined by law.

SECTION 8. The Senate shall try officers of government other than legislators when such officers are impeached by a two-thirds vote of the House of Representatives for conduct prejudicial to the public interest. If Presidents or Vice-Presidents are to be tried, the Senate, as constituted, shall conduct the trial. Judgments shall not extend beyond removal from office and disqualification for holding further office; but the convicted official shall be liable to further prosecution.

SECTION 9. Members of legislative houses may be impeached by the Judicial Council; but for trials it shall be enlarged to seventeen by Justices of the High Courts appointed by the Principal Justice. If convicted, members shall be expelled and then ineligible for future public office; and they shall also be liable for trial as citizens.

ARTICLE XI AMENDMENT

SECTION 1. It being the special duty of the Judicial Council to formulate and suggest amendments to this Constitution, it shall, from time to time, make proposals, through the Principal Justice, to the Senate. The Senate, if it approve, and if the President agree, shall instruct the Overseer to arrange at the next national election for submission of the amendment to the electorate. If not disapproved by a majority, it shall become part of this Constitution. If rejected, it may be restudied and a new proposal submitted.

It shall be the purpose of the amending procedure to correct deficiencies in the Constitution, to extend it when new responsibilities require, and to make government responsible to needs of the people, making use of advances in managerial competence and establishing security and stability; also to preclude changes in the Constitution resulting from interpretation.

SECTION 2. When this Constitution shall have been in effect for twenty-five years the Overseer shall ask, by referendum, whether a new Constitution shall be prepared. If a majority so decide, the Council, making use of such advice as may be available, and consulting those who have made complaint, shall prepare a new draft for submission at the next election. If not disapproved by a majority it shall be in effect. If disapproved it shall be redrafted and resubmitted with such changes as may be then appropriate to the circumstances, and it shall be submitted to the voters at the following election.

If not disapproved by a majority it shall be in effect. If disapproved it shall be restudied and resubmitted.

ARTICLE XII TRANSITION

SECTION 1. The President is authorized to assume such powers, make such appoint-

ments, and use such funds as are necessary to make this Constitution effective as soon as possible after acceptance by a referendum he may initiate.

SECTION 2. Such members of the Senate as may be at once available shall convene and, if at least half, shall constitute sufficient membership while others are being added. They shall appoint an Overseer to arrange for electoral organization and elections for the offices of government; but the President and Vice-Presidents shall serve out their terms and then become members of the Senate. At that time the presidency shall be constituted as provided in this Constitution.

SECTION 3. Until each indicated change in the government shall have been complete the provisions of the existing Constitution and the organs of government shall be in effect.

SECTION 4. All operations of the national government shall cease as they are replaced by those authorized under this Constitution.

The President shall determine when replacement is complete.

The President shall cause to be constituted an appropriate commission to designate existing laws inconsistent with the Constitution, and they shall be void; also the commission shall assist the President and the legislative houses in the formulating of such laws as may be consistent with the Constitution and necessary to its implementation.

SECTION 5. For establishing Newstates' boundaries a commission of thirteen, appointed by the President, shall make recommendations within one year. For this purpose the members may take advice and commission studies concerning resources, population, transportation, communication, economic and social arrangements, and such other conditions as may be significant. The President shall transmit the commission's report to the Senate. After entertaining, if convenient, petitions for revision, the Senate shall report whether the recommendations are satisfactory but the President shall decide whether they shall be accepted or shall be returned for revision.

Existing states shall not be divided unless metropolitan areas extending over more than one state are to be included in one Newstate, or unless other compelling circumstances exist; and each Newstate shall possess harmonious regional characteristics.

The Commission shall continue while the Newstates make adjustments among themselves and shall have jurisdiction in disputes arising among them.

SECTION 6. Constitutions of the Newstates shall be established as arranged by the Judicial Council and the Principal Justice.

These procedures shall be as follows: Constitutions shall be drafted by the highest courts of the Newstates. There shall then be a convention of one hundred delegates chosen in special elections in a

procedure approved by the Overseer. If the Constitution be not rejected, the Principal Justice, advised by the Judicial Council, shall promulgate a Constitution and initiate revisions to be submitted for approval at a time he shall appoint. If it again be rejected he shall promulgate another, taking account of objections, and it shall be in effect. A Constitution, once in effect, shall be valid for twenty-five years as herein provided.

SECTION 7. Until Governors and legislatures of the Newstates are seated, their governments shall continue, except that the President may appoint temporary Governors to act as executive until succeeded by those regularly elected. These Governors shall succeed to the executive functions of the states as they become one of the Newstates of America.

SECTION 8. The indicated appointments, elections, and other arrangements shall be made with all deliberate speed.

SECTION 9. The first Judicial Assembly for selecting a register for candidates for the Principal Justiceship of the Newstates of America shall be called by the incumbent Chief Justice immediately upon ratification.

SECTION 10. Newstates electing by referendum not to comply with recommendations of the Boundary Commission, as approved by the Senate, shall have deducted from taxes collected by the Newstates of America for transmission to them a percentage equal to the loss in efficiency from failure to comply.

Estimates shall be made by the Chancellor of Financial Affairs and approved by the President; but the deduction shall not be less than 7 percent.

SECTION 11. When this Constitution has been implemented the President may delete by proclamation appropriate parts of this article.

Well, friends—anyone who thinks you haven't died and gone to Hell—just doesn't see the facts. May GOD be with you sleeping prey. There is no mention of "we-the-people", no mention of juries and trial by peers—there is nothing save the announcement of Monarchy Dictatorship—worsening with every article and section in sequence.

To you who wish to continue to call me "false" and of "Satan"—who might YOU be—you who allows such as this to come upon God's perfection and the nations of your world which house your brothers and sisters? Indeed, indeed; **may God please have mercy upon you sleeping lambs.**

If you cannot determine what it is I see that you do not—GO BACK AND STUDY THIS DAMNED EDICT OF SLAVERY! SALU.

PRESS RELEASE -- Milwaukee, Wisconsin

**AIDS INFECTED WATER PLAGUES MILWAUKEE
Milwaukee Health Department Orders Boiling City Water Again!**

Milwaukee Mayor Norquist has refused to take action on the City approved practice of allowing funeral parlors to drain the blood of deceased people with AIDS directly into the sewer system, also feces from AIDS-infected people. With AIDS, sometimes millions of gallons of untreated fecal waste is bypassed from the treatment plant and diverted directly into Lake Michigan, where it can be funnelled back into our water treatment plants.

This summer, 370,000 Milwaukee area people became ill. Approximately 25 have died. The DNR, Health Department, and Mayor's office refuse to test our drinking water for AIDS. (Note: Some cities do!) Has God's judgement come to the United States? AIDS-infected water in Milwaukee - Fires and Earthquakes in the West - Floods in the Midwest - Hurricanes in the East. Please note: our Mayor supports the act of sodomy and the killing of babies.

The Christian Civil Liberties Union is happy to announce that Channel 6-CBS and Channel 12-ABC have yielded and shown footage from the WACO - The Big Lie. Both stations showed the armored tank setting the Branch Davidian on fire. Thank you for your support.

Note: The printed media (The Milwaukee Journal/Sentinel) has said NOTHING.

Constitutional changes mark end of compromise

Yeltsin seeks unfettered powers for presidency

By John Lloyd and Dmitri Volkov
in Moscow

MR Boris Yeltsin is seeking to place unfettered powers in the Russian presidency with a series of constitutional amendments rendering the office invulnerable to challenge from a future parliament.

A series of amendments to the new constitution - now being thrashed out by a constitutional assembly - point to a greatly strengthened presidency and an end to previous efforts to compromise with the growing power of the regions.

A set of decrees issued by Mr Yeltsin yesterday also mark the biggest drive yet to bring Russia's rebellious regions under a restored central command, with the president at its apex.

Mr Yeltsin has demanded that all regions and republics immediately pay all taxes due to the central government - on pain of having all credits and centrally distributed supplies suspended from November 1.

A number of republics and regions have withheld taxes, while arguing with the federal authorities over their respective rights to spend them.

Other regions have claimed republican status while a group of regions have proclaimed a new Urals Republic.

Under the constitutional

amendments, the president would obtain the right to appoint the prime minister rather than, as is now the case, merely to propose a candidate who must then be confirmed by the lower house of the new parliament.

He would also be enabled to sack the government without the parliament's agreement and ultimately disband it, if it consistently opposed his choice.

The president would no longer be impeached for breaking the constitution - the issue on which the previous parliament sought to remove him.

Treachery against the state or other serious crimes are now the only grounds for impeachment, which must itself be confirmed by a higher court, with the impeachment process

completed within three months.

The president would be empowered to suspend any executive body of power in Russia for breaking federal law, and the post of vice-president would be abolished, leaving the prime minister as the next in line in case of death or incapacity.

Amendments to the previous draft also include a cancelling of separate citizenship rights.

All foreign trade links would have to be "organised" by the centre, while the form of government adopted by regions and republics would need approval by the federal authorities.

The draft, which must be completed within the next two weeks, will then go to a referendum before being adopted.

Making good on pledge by Bolsheviks

Yeltsin hopes to make 'peasants the masters', writes John Lloyd

THE daily Izvestiya yesterday heralded its announcement of President Boris Yeltsin's decree giving Russian citizens the right to buy, sell, rent and bequeath land by reprinting its own front page of exactly 76 years ago. That contained the decree "On Land" by the new Bolshevik government which proclaimed that land would be returned to the peasants.

The decree, said Izvestiya, claimed to "make the peasants the masters", but remained a piece of propaganda, while the reality soon became one of state ownership and dispossession of peasant proprietors in favour of collectivisation.

The present decree eschews grand sounding phrases in favour of a definition of rights and a description of the mechanisms under which citizens can buy and sell land in order to create a class of farmer-proprietors with fully guaranteed rights, for the first time in Russian history. The state will guarantee and protect the right to buy, sell, rent, transfer and divide land freely, reserving only the right to claim land for strategic state use after paying the market price for it.

Foreigners and foreign companies can participate in the process of buying and selling land, but apparently only (the decree is vague on the point) in association with Russian companies. Land can be used for agricultural purposes, or for development of any kind.

In a move analagous to the rights given to workers in state enterprises, workers on state and collective farms will have the right to buy plots of land at discounted prices. Land can be sold off in auctions or offered for sale privately to competitive bids.

A new state body, with offices in all regions, the Russian Federation Committee for Land Resources and Land Construction, will be the body charged with ensuring that land sales go through. It will have offices in all regions, and is clearly designed to override the inevitable objections and barriers raised to land sales by local authorities and the leadership of state and collective farms to a measure they have bitterly resisted for years.

Resistance to the move to make land a commodity is not confined to former communist leaders and bureaucrats in the regions, but is often strongly expressed by the state and collective farm workers themselves - who see the growth of a private farming sector as a threat to a life which, though poor, is secure and undemanding. At the same time, those who have already embarked on private farming have faced delays, hostility and sometimes intimidation - as well as a lack of capital and equipment designed to the needs of small farmers.

Russian land has only briefly been freely tradeable, in the decade before the first world war following agrarian reform

pushed through by Mr Pyotr Stolypin, the prime minister. It succeeded in creating a class of peasant-proprietors - who were dispossessed two decades later by ruthless collectivisation which left only small plots in the hands of the peasants throughout the Soviet Union.

Mr Viktor Khlystun, the agricultural Minister and as such the highest representative of the agricultural lobby, has already sought to limit the damage he sees the decree as doing - by saying that no foreigners can buy land, that speculation in land should be avoided and that no small farmer should be allowed to hire labour.

However, the decree gives a solid guarantee of the state's intention to tackle what has been the largest inhibition to the dismantling of the socialist system: it will, however, require a vigorous response from would-be farmers if it is to herald the revolution in the countryside it clearly hopes for.

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, **THE WORD** also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: **THE WORD**, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

The following is a complete list of meeting dates with the number of tapes in **bold in parentheses** and mentioning if the meeting has a special focus:

MYSTERIES OF RADIANCE UNFOLDED RELATIVE CONNECTIONS VOL.II

By Gyeorgos Ceres Hatonn
(J74) \$6.00 240 Pages

"Truth is Truth is Truth"—and ALL IS LIGHT. YOU and YOU and YOU ARE the manifested thought focus of GOD who is LIGHT. GOD IS LIGHT which is ALL colors becoming ONE. If there was not present the red-bronze of the Native, the brown-bronze of the "Black", the golden hue of the Oriental and the blue-pale shades of other spectrum colors of the "White" and thus and so—there would be missing in the WHOLE. NOTHING is missing from the "whole" and therefore ALL are a part of the ONE Creator source—SPIRIT—GOD!

How that ONE CONGLOMERATE fits into all other expression as YOU PERCEIVE it to be is the "MYSTERY OF THE AGES AND THE UNIVERSE." Some of the important topics covered are: What is CREATION AND WHAT IS CREATOR? Who are you? What are you? What is your journey and purpose? The Eighteenth Dynasty in Egypt - "Matter" is wave—"Matter" is Light. All light particles are alike. The "Photon Belt" - The body is a light being, invisible Light - Nikola Tesla's contributions - What is gravity? The "remnant" - 22% not dead - Floods and other terrors - What is luminon? "Cold light"? - Newtonian theory challenged.

Sorting The Pieces

By Gyeorgos Ceres Hatonn
(J76) \$6.00 240 Pages

"As a man thinketh--so he is!" Well, Man's thoughts have digressed into destruction, greed, war, immorality and heinous acts one upon another. You need to understand what happens with "thoughts"--THOUGHTS "CREATE"--or destroy--that is ALL THERE IS IN REALITY. Therefore, you become, the nation becomes, and the planet becomes a MIRROR REFLECTION of THOUGHT!

Some very important topics discussed are: Censorship by copyright - The TRUTH of how God creates - Jews control the Bolshevik government in Russia. Fundamentally, Judaism is anti-Christian. Is the whole Jewish race to be condemned? More on home-schooling - Origin of the "300" - The Teutonic knights and Germany - More on Aleksei Romanoff - South Africa military bases and news update - Future Revelations - Mountains in the Atlantic Ocean - True purpose of the Pope's visit - Clinton linked to CIA.

(See last page for ordering information)

New Gaia Products

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, Aquagaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

Aquagaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance

of Aquagaia, with its assimilatable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIANDRIANA & AQUAGAIA

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

Aquagaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in

an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—**refrigerate after opening** and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and Aquagaia, together for storage as the Aquagaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the Aquagaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes and thus, the cells themselves.

The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over

time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as atherosclerosis.

One area of aging research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being by-products of the metabolism of oxygen, such as during strenuous exercise, we are also exposed to significant sources of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and Beta-Carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-Carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

ALOE COMPLETE

**(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)**

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Complete is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadosis Miller Aloe Vera* plant. **Aloe Complete** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulators, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

GINKGO BILOBA **(Ginkgo Biloba extract, 24%)**

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of Alzheimer's disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine,

leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS **(with American Ginseng)**

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*).

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin-complement system, interferon-like activity, stimulation of general cellular immunity, and antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquifolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

OXY TODDY

Made from pure Aloe Vera juice from organic Aloe Vera plants, this product is oxygen-enhanced with 35% food grade hydrogen peroxide, minerals, whole Aloe Vera pulp, 60 colloidal plant minerals (an aqueous solution), and natural flavors.

One ounce of **Oxy Toddy** contains approximately 20 drops of 35% food grade hydrogen peroxide. This product contains no sugar, fillers or starches and is cold processed to ensure maximum enzymatic activity.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

72 Hour Kit Checklist ☒

☐ **Water**
Stored in a portable container. Rotate regularly. Have at least three gallons per person (for a three day supply). Have a water purification method.

☐ **Food**
Suitable for long term storage. Packaged to prevent water damage. Include cups, utensils, paper plates and a can opener, if needed.

☐ **Extra Clothing**
A complete outfit of warm clothing for each family member. Include extra socks, and underwear. Include walking shoes.

☐ **Warmth & Shelter**
Coats, hats, scarves, and gloves for everyone include warm blankets (wool or emergency blankets are best). Rain ponchos, garbage bags, and/or umbrellas to keep off the rain. Warm Packs or other heat source. Pup tent or tarp.

☐ **Light Source**
Flashlight with extra batteries or a chemical lightstick. Kerosene lanterns are fine, but any flame may pose a hazard, especially near potential gas leaks. Have at least two quick and safe light sources in your kit.

☐ **Tools**
Pocket knife, lightweight shovel, duct tape, matches, pocket sewing kit, screwdriver.

☐ **Important Papers**
Important family documents (such as birth certificates, marriage certificates, insurance forms, wills), addresses and phone numbers of relatives, and places to meet if separated.

☐ **Money**
Keep at last \$20 in your kit. Be sure to include quarters for phone calls, etc.

☐ **First Aid Supplies**
Pain relievers, bandages, antiseptics, clean cloths, burn ointment. Include any personal medications.

☐ **Special Needs**
For babies: diapers, ointment, bottles & pacifiers, hand towels, special foods, and other supplies as needed. Consider the needs of elderly people as well as those with handicaps or other special needs.

☐ **Stress Relievers**
Card games, books, small hobbies, hard candy, Bible. For children: small toys, paper and pen, favorite security items.

☐ **Communications**
Portable radio with batteries, signal mirrors, whistles, red flags, signal flares.

☐ **Personal Sanitation**
Sanitary napkins, razors, toothbrush, hand soap, dish soap, towels, toilet paper.

☐ **Portable Container**
Such as a book bag, backpack, or duffel bag. Should be easy to carry and lightweight. Shoulder straps are best for traveling long distances.

☐ **Additional Items**
Added as carrying weight and expense of kit will allow: Extra food, camp stove and cooking equipment, tents, sleeping bags, sun block, insect repellent, portable toilet.

PHOENIX JOURNALS LIST

THESE WORKS ARE A SERIES CALLED THE **PHOENIX JOURNALS** AND HAVE BEEN WRITTEN TO ASSIST MAN TO BECOME AWARE OF LONG-STANDING DECEPTIONS AND OTHER MATTERS CRITICAL TO HIS SURVIVAL AS A SPECIES. **SINGLE JOURNALS** ARE \$6.00, **ANY 4 JOURNALS** ARE \$5.50 EACH, **10 OR MORE JOURNALS** ARE \$5.00 EACH (Shipping extra - see below).
