"Titans" Have Begun Major Clashing *Watch Media Closely*

3/20/94 #2 HATONN

OLLIE NORTH: YOU KNOW!

Today I am barraged with questions about Oliver North's plane crash and "what was it about?" You KNOW what it was about: one of two things. His enemies knew he had been dropped off and the crash is a meaningful warning to him—or—it was thought he was aboard at which point he would be DEAD! You are far enough in your lessons, readers, if you have kept up, that you pretty much KNOW what these happenings are about.

IT IS A DIRTY, FILTHY PLAN, GAME AND WAR ALREADY UNDER WAY—FOR A LONG TIME ALREADY UNDER WAY. IF YOU GET HUNG UP ON "ONE" OLIVER NORTH RUNNING FOR THE SENATE—YOU WILL MISS THE FLAGSHIP BEARING THE WARRIORS. THE "TITANS" HAVE BEGUN THEIR CLASHING AND SKIRMISHING IN READINESS FOR THE BIG-TIME CONFRONTATIONS. STOP PLAYING SO MUCH WITH THE NITTY-GRITTY TO SUCH GREAT EXTENT; WATCH THE ONGOING EVIDENCE SHOWING

THROUGH IN THE MEDIA, EVEN IF NOT TRUTHFUL, AND YOU CAN SEE THE SCENARIO UNFOLDING. I ADVISE YOU TO WATCH CAREFULLY EVERY MOVE NORTH MAKES FROM THIS POINT!

LOS ANGELES EARTHQUAKE!

At 1:21 P.M. today there was an earthquake in Los Angeles which was well over 6 (six) points in magnitude. No, I don't recognize the numbers that are given to you so please don't argue—just LISTEN! That area is in serious trouble. This particular quake was triggered BY UNDERGROUND PULSE BLASTS. This is far more dangerous to the geophysically abutting strata than overhead blasting OR natural slippage. Why? Because the blast itself is resultant of a magnificent buildup of resonance, with no capacitors, and it can recycle itself over and over—ever building without ability to "transform" the frequencies. The pulses themselves feed on themselves.

There are tremendous political upheavals going on in that area right now along with con-

frontation with all the adversary's play-puppets. Many dispositions within the banking machinery are taking place for the changes under way. The Academy Awards affair should not be overlooked, good friends! A real show of strength is being made and you nice people in the area are going to get caught in the mousetrap along with the rats. If you would, in that area, simply go lie upon the ground and put your ear to the earth—what do you hear? What do you feel? Hmmm, Hummm—sounds like a far-off train coming on tracks, doesn't it? The actual "triggering" location (inside or above) is of little consequence for the "triggering" of the resonance mechanism (frequency pulses) can be set from "anywhere". Some of you are going to have to make some serious decisions pretty soon. What's more, we of the Lighted Brotherhood have not much longer need to hold the terrain. Some are going to have to choose between what "seems" of value but actually is NOT. Sometimes to "lose" in perceptions is actually a "gain" in literal meaning.

Then, is this something Command is doing? NO! It is *your own* PUPPET-MASTERS.

Courtroom Antics

3/15/94 #1 DORIS EKKER

Doris' observations: I, Doris, am asked again and again for my own observations about what happens to us in the ongoing sagas of "SOAP". I usually HIDE and turn over anything to my bosses because I find when I get "involved" very much—I become a bit crippled in ability to do my job. My "job" isn't as important as almost everyone else's—but I guess in a lot of instances it does come "first" in necessary sequence. I really want you readers to know, however, that I could (no, **would**) not have gotten through some of these attacks over these last couple or three years without your support. Every encounter seems worse than the last—until you study them a bit—and then you realize that your own enemy sets himself up over and over again. If I feel for George Green, for instance, at all any more—it is with PITY. Even those attorneys who work in opposition to us do us incredible service—most especially with the University of Science and Philosophy case. The stuff is in the fan and blown all over everywhere.

Mr. Gritz's radio indiscretions, along with those of George Green, Timothy Binder and Gary Anderson, have made it to New Zealand, South Africa, Australia, Canada (played on national radio), France, Austria and goodness only knows where else—these are just places "I" have heard from.

Yesterday we had to go to court again on the matter. E.J. and I cannot afford an attorney so we are having to struggle along without official help—only that which is "allowed" from the CLC and crew. We don't ARGUE well—and our habit of telling the truth without "oath", under "oath" and to the magistrate, finally begins to stand us in good stead—at least with the magistrate—because the adversarial attorney is making seriously bad blunders with his fabrications.

It has become OBVIOUS that Mr. McDonald (our former attorney) sold out to the opposition—and did actually SELL our records to them—or representatives "of" them. He failed to appear yesterday as ordered by the court, but did call-in with "I am with my sick father in the hospital." There is NO sick father! That is number uno. The next was a second call at the insistence of the Judge and this was WORSE. He hedged, lied and it was incredibly obvious to even the Judge that these were LIES and this was happening before his own court. US&P's attorney, either uninformed or playing a "double role" made a hard, hard play in behalf of Mr. McDonald and the Judge could see through the collusion (even if there was none—it sure appeared to be A LOT).

Then in a final attempt to blow us out, after I had explained that our attorney, Mr. Methven, was no longer our attorney—Mr. Buchanan shouted out that Mr. Methven "was NEVER an attorney for the Ekkers". He said, "Mr. Methven served and represented ONLY MR. GREEN! IN ALL APPEARANCES." Perhaps NOW we know WHY we were deliberately fed to the hounds of Hell! Funny thing though, EKKERS (us) JUST GOT SERVED WITH A COURT JUDGEMENT—SAYING WE OWE MR. METHVEN ALMOST

\$6,000 FOR UNPAID SERVICES. This had taken court time, arbitration hearings and finally the Judgement. Mr. Methven, however, joined forces with George Green, possibly in ignorance of ongoing processes, by writing a totally false statement in a legal letter stating that "the Ekkers had AVOIDED SERVICE" in his matter. NO, again! Ekkers collect "Service" papers like some people collect stamps. We graciously entertained the "server", in fact, regarding the papers in point—it was the Christmas Holidays. The next OBVIOUS thing is that Mr. Methven not only lied regarding the matter to our "adversary" but had botched service of HIS OWN ORIGINAL PAPERS AND HAD TO ASK FOR HIS OWN "CONTINUANCE" IN THE MATTER. HE HAS STATED THAT ALL COURT DEALINGS HAD BEEN DELAYED THROUGH THIS [our] "AVOIDANCE". FUNNY THING—the enemy gets all the documentation regarding the case from OUR OWN attorney (past) and on radio claims WE refuse to get on with the case demanding delay after delay. Good grief, no matter what we do we can't seem to force any action at all!

The point of yesterday's confrontation was an effort on the opposition's part to make sure we could have NO "DISCOVERY" and, with no records, we would most certainly LOSE anything in court. No records, no legal counsel, a Judge who had already impounded the books AND ruled ME in contempt of court—what would be left in a courtroom? Well, for one thing—A JURY! And now, a LOT OF EVIDENCE OF CONSPIRACY.

The interesting thing comes forth in all this wading through the mud: Doris Ekker NEVER published ANYTHING! George Green published. Doris Ekker NEVER distributed ANYTHING! George Green distributed! Doris Ekker NEVER received anything—GREENS received EVERYTHING. It even becomes more obvious and damaging to Mr. Green. He has done the same thing to at least five other writers and/or associates. Now, please don't lose sight of my point: Mr. Green was originally FIRST named in this suit. After SURVEILLANCE (which US&P CLAIMS they did not make), there is correspondence of threat to us—that they (US&P) had found through "investigation" that Tehachapi Distributing was but an alter-ego operation of "AMERICA WEST". Somehow NOW that is changed to an "alter-ego" OF Doris and E.J. Ekker. Poor Rick lost everything he had in that business at the hands of Green, et al. And surely enough—NO CONNECTIONS TO EKKERS!

I ask all of you readers to understand something: Bo Gritz said that I, Doris, am surely "insane". He said I was surely building a case for "Justified Paranoid Insanity" to be accurate. I agree! What kind of "justification" does one need at the hands and mouths of these incredible hounds?

I don't know how it will turn out—they will find that the Ekkers have nothing so a judg-

ment or "win"—is what? They made their settlement with Green who claims to still be a millionaire, owner of a bank, an expert on business, etc., etc. He writes to "everybody", and we must have a dozen copies of the letters, and tells them he has bunches of money as does US&P (he says), and will use it without limit, to destroy the Ekkers and the Phoenix Institute. Why so? How so? He stole from the Institute, was a Director with banking privileges (PROOF ALL OVER THE PLACE), now calls this NO-thing place here a CULT (over and over again as if it will somehow become true) AND SOMEHOW DORIS GOT HIM IN TROUBLE WITH THE WRITINGS—WHICH **ONLY HE HAD CONTROL OF PUBLISHING AND DISTRIBUTING. HE EVEN SAID COMMANDER HATONN WENT WITH HIM TO NEVADA WHILE ABANDONING DHARMA.** Now, somehow Ekkers are supposed to be charging \$400 a session for "readings" and \$1,200 a "ride", or something, for space rides—OUT OF MT. SHASTA? Mr. Gritz has spread THIS STUPIDITY all over the nation!

We found it interesting in Federal Court yesterday that Mr. Buchanan said that Ekkers totally control and own the Constitutional Law

Center! Another "funny" about that focus is that George Green went about the nation saying that he personally set it up and controlled it. Further, he and his buddy Gary Anderson, liked it SO MUCH, apparently, that they cre-

ated a SECOND entity in the same office, called *The Constitutional Law Centre Trust*. Why? Apparently to divert funds into "that" entity from the genuine Constitutional Law Center.

Yes indeed, to you who think I am a sane receiver for information—just remember the fact that obviously Doris Ekker, must be quite "nuts". BUT I CAN PROMISE YOU SOMETHING—WITHOUT HESITATION: **I KNOW THAT THE AUTHORS OF THE INFORMATION I AM ALLOWED TO TYPE—ARE NOT NUTS AND EVERY DAY, IN EVERY WAY—I SEE THAT CONFIRMATION PLAYED OUT BEFORE MY EYES.**

Moreover, I would share HOW I know: Just this weekend, as impossible as it may seem—a very important someone (not here) was TOLD to do certain things and "go" certain places—**immediately**. Before the hour in point was up, six MOSSAD agents were dead in a three car "accident" in which all three cars exploded. The person in point, now being "safe", was released, etc., SAFE AND SOUND! Did "Command" create such negative havoc? No, YOUR intelligence and police services did. However, it does indicate that the persons involved are VERY important in that they are KEPT ALIVE AND WELL. I don't know about you readers, but that is confirmation enough for me—for today, at least.

I don't know what our good Col. Gritz will say about this incident—as we (Ekkers) were not involved—but "Insanity" will likely be one of his statements.

Another strange thing has come to light—there is now another and "new" contact with CONTACT whose stories not only "check out" BUT PROOF IS AGAIN EVIDENT. This person even states that one of his last duty "contracts" as an intelligence agent—was on Bo Gritz. The "caper" was "scrubbed" just before

"I KNOW THAT THE AUTHORS OF THE INFORMATION I AM ALLOWED TO TYPE—ARE NOT NUTS AND EVERY DAY, IN EVERY WAY—I SEE THAT CONFIRMATION PLAYED OUT BEFORE MY EYES."

the dirty deed was consummated! Yep—insanity is the name of my game! But—why was the Big Boy team faction trying to get a take-out on Bo Gritz? It appears it had to do with his escapades in Southeast Asia, the drug trade (Golden Triangle) or the "Panama" incidents. It could possibly even be the setting up of a training camp to supposedly go in and pull out more POWs—funded by families of the suspected POWs which fell apart and the only ones making anything, especially money—were Bo Gritz and crew. A lot of fellow "special forces" team-mates lost a lot of love for the schemers in that one. Did it happen? Gosh, we don't know—I just "write"—and we receive every approach to a given situation. I note, however, Cmdr. Hatonn ALWAYS SEEMS TO PICK THE CORRECT STORY!

So, back to the subject:

What was the bottom line of yesterday's court encounter? I "think" we won something (never can be sure)—however, the Judge is allowing us "discovery" time and will not set the case for jury trial until November—and hopefully we can obtain a legal counsel. Yes, indeed, Mr. Buchanan (US&P attorney) objected (that is the ONLY way we could realize we must have "won" something). I had to ask the Judge what they wanted and what is the case about for I literally can't understand it. It went from a case against Green (who NEVER showed up) into a full-assault by all parties, including Green, against us! That, in turn, has moved directly into a full-assault to literally destroy the Phoenix Institute—basically it appears, so George Green could keep the gold he embezzled from same.

Now, you will note that Gritz, Green, Anderson and Binder have lately joined forces to establish a "cult" called Christian Covenant Community in Idaho! I don't know ANYTHING about it—except all the stuff sent to us from the Associated Press, what Gritz advertises in SPIKE courses and on his National Radio Program (now international).

I had never heard of Walter Russell or University of Science and Philosophy until around the time we moved [here] and I started writing on Dr. Russell's scientific presentation on Light (all of which was given to Princeton University long ago). What I had been exposed to was perhaps two conversations with two friends, Al and John (John provided the original documents published long before copyright and someone provided a document which was stated even by Lao—"would never be published" so had NO mention of copyright). However, it would appear to me that by Binder's own words on that National radio program of Gritz's—the information had been basically "unknown" for the past 50 years. Should we countersue or something?—for such advertising? Gritz had never heard of him either and neither has anyone encountered in the court system! Certainly the Brookings Institute or British Intelligence were NOT advertising for them!

So I ask YOU—what is the big deal here? We are two old people, bankrupt and the books in point are BANNED!—until a court trial can determine if there has even been any form of infringement! So far the investigations of researchers have found that according to rules covering dated material (journals and magazines) and newspapers there COULD be NO infringement. Moreover, scientific informa-

tion is not copyrightable and truth (especially in science) is not copyrightable. Further, the claim of US&P is that Russell received HIS INFORMATION FROM GOD (EXTRATERRESTRIAL)—but somehow Doris' God is not permitted—even though it BE THE SAME GOD!

Gritz says that a court ruling said we were "guilty"? Oh? There has NOT been any hearing whatsoever! There was an injunction (perfunctory, pending decision [trial]) AND a contempt charge against me with literal threat of imprisonment, because Green sold the impounded books! (Green, of course did not appear—and somehow used the services of the US&P attorney as well as "ours"! Obviously, the "settlement" contracts were already under way.) By the "timing" involved, it is obvious that Mr. Methven was already serving Mr. Green as well as US. We NEVER gave him a "release" to represent Mr. Green. Oops? Somewhere in that old document called "Constitution" is this not some infringement on our "rights"? Possibly?? It is, even if not unconstitutional—against the ethics rules of the Bar Association.

By the way, for you nice people getting documents from George Green. THOSE are HIS original documents. Those are charges he is presenting as fact—in his own garbage bin. They have NOTHING to do with fact, reality or actual happenings—they are created by him and "his" to present a trail of false information to lay a belief that there is validity to it. He presents these filings of his as if they are court decisions.

Using the same technique, he calls us the "Ekker Cult". You must understand "cult" is a high-level code word the same as "anti-Semite". He and Binder both use "that one" also. Well, E.J. is not even a member of my "cult" and neither am I so there isn't anything here to "follow" (as in "cult")—much less, form an international or intergalactic "group church". There is nothing "occult" either—just information of a very earthly factual presentation—hardly even mysterious—and nothing "mystical". Further, Rick Webber, the party so often quoted by Green, and author of the booklets passed out, etc., was IN THE EMPLOY OF GREEN. IN FACT, AT MR. GREEN'S PAYMENT, HE (this aka "Rick Webber") DID RECITE ONTO AUDIO TAPES SEVERAL OF THE BOOKS I PENNED. I find NO PERMISSION CONTRACT ANYWHERE! That "same" party works part time for Green's attorney—Horton! At least this is the information brought back to me from supposedly "knowing" parties who were "close friends" of the person in point.

What do I think of Mr. Green? I think he is most interesting! I also find it totally inconceivable that I would have any importance in such matters—AT ALL. There must have been a whole big lot of "something" PLANNED on his part that we somehow "botched" for him—to gain this much animosity.

But what do I find the most dreadful in ALL the goings-on? Is it trying to lose "everyone's" money in Green's (and now his partners') own scheme for greedy purpose? No—it is the incredibly insipid and sordid fact of John Schroepfer's incarceration in an Alzheimer's (which he DOES NOT HAVE) Institution, with

inability to have visitors, legal counsel or anything—while he has been totally abandoned by his wife and her son—to the "prison"—WHILE THEY TRY TO BREAK EVERY LAW TO GAIN ACCESS TO EVERY SHRED OF ANYTHING, INCLUDING DIGNITY, OF JOHN'S. THIS, MOREOVER, IS CONSTANTLY UNDER THE TUTELAGE AND COUNSEL OF ONES BROUGHT INTO THE SHOW BY GEORGE GREEN! And I have problems? No, I don't have problems—I have GOD and I believe these greedy, miserable impostors of humanity—have problems.

What does the psychiatrist/neurologist say about John? That he needs "some" "help" in caring for self but has no Alzheimer's disease, only dysfunctional memory disorder or "syndrome", or something of the sort. John is now near 80 but even the people at the "center" of his "jail" say he certainly does NOT belong incarcerated there. However, they have been paid handsomely. It doesn't really look good that they claimed NO ASSETS and NOW are claiming hundreds of thousands of dollars of HIS. Me nuts? Yes indeed! And why "Me"? I don't know—it all starts with George and ends with George for I couldn't even begin to "think" up all this intrigue, conspiracy and business hoopla. Worse, if I did—I am a full-blown FAILURE! So, I guess as long as God will let me serve here at this worn-out keyboard (almost all the alphabet letters are worn off) and you wish to receive what comes—for I shall never allow anything save God's teachers (MY GOSH, I WOULDN'T DARE—I'D BE DEAD IN A SECOND), we will keep right on keeping on. I can tell the truth in a court, on my own, and I guess I NEED nothing beyond that.

Does this speak for E.J.? No, although he would write about the same thing with far less complaints. He catches all the dregs of the work-load and confrontations. We have help, though, and not JUST from God. Of all the things we DO HAVE HERE it is loving friends who will totally volunteer their time day or night to help sort out the material, research the

claims and files and, like Nora Boyles, research the details of everything from the Russian royal Romanoff family to Green's files—AND TO BE FAIR AND HONEST—OURS AS WELL!! There are going to be some REAL SURPRISES FOR MR. GREEN! I find it remarkable that one such as Green equates "FRIENDS" with being a "CULT". Is this truly what we have come to in this world? I don't really have many enemies—I think the ones attending John's last court encounter (Friends of John) were amazed when I sat down WITH Khazarian ex-Judge Jason Brent, ex-enemy, (also waiting in the hall) and we had a very nice chat. Am I "Pollyanna"? No, I just can't seem to carry grudges—I appreciate whatever these ones are doing "for" me—and at this time, it is but disagreeable for they are building OUR CASE while beginning to destroy more and more of themselves—how can you be more than annoyed at them? Am I weary of the hassle? Completely bone tired of it because it is so hard to get on with that which I await—the remembering or unveiling of the mysteries of existence. I know we have to wait for the physical problems to be resolved or, at the least, confronted, so that we can work in proper balance. Yes, it is hard—BUT, PLEASE KNOW THAT IT IS NO HARDER NOR AM I MORE PATIENT THAN ANY OF YOU. I am impatient,

"Now, you will note that Gritz, Green, Anderson and Binder have lately joined forces to establish a 'cult'."

"So, I guess as long as God will let me serve here at this worn-out keyboard, we will keep right on keeping on."

annoyed and restless to get beyond the garbage and into the glory of the revelations. At least I, too, hope it is glory—that seems to be our ultimate PROMISE.

Every day that I have to do "this" I am annoyed by impatience for I too want to learn about our creation, our journey and our next step, and the next and next—and the adventures ahead—especially if we but do our work well. I know that that which will be unfolding is magnificent and exciting—and not just in a spiritual way—but also in a grand and wonderful action play—but within our SPIRIT is where the secret miracle lies. As I unwind the Truth of WHAT IS—I know that I cannot play longer in the dense darkness of this side of the veil—for I will perish. So, each step into the lighted corridors of possibility—there is more radiance and more unveiled truth of our beingness. THAT rose seems worth the puny stickers along the way—especially in the afterglow of HIS security blanket. I just don't expect it "my way" any more for I have come to KNOW it is not "my way" which counts at all—not a farthing! It is HIS WAY or it will be the "wrong" way—every time.

So, what do I do when the going gets rough and I calm down from the moment and the humanness? I pray that I CAN SEE HIS WAY AND RECOGNIZE THE INSTRUCTIONS, TRYING TO LEAVE NOTHING OUT IN THOSE INSTRUCTIONS BECAUSE OF PERSONAL "WISHES". IT WORKS BETTER AND BETTER AND BETTER, EVERY PASSING DAY—ALSO A LOT EASIER! Well then, does that mean I am reaching "perfection"? Yes, I am usually a "perfect" fool, a "perfect" female basket-case and a "perfect" imperfect! I am also a perfectly awful typist (very fast at making errors) and all the editors [Not so fast! We at CONTACT know she does an incredible job—both in terms of quantity AND quality; just look at her worn out keyboard and some of the lousy quality faxes, etc., she has to work from when typing], especially E.J., wish I were perfectly accurate. But isn't it lovely?—God doesn't seem to mind my imperfections—or yours!

Thank you for the time to read this. I haven't even thanked you beautiful friends for the wonderful remembrances at CHRISTmas. Perhaps it is suitable to wish you a wondrous "Easter". Not for the ritual of the time but for the ongoing assurances we are getting that LIFE is INFINITE! This is certainly a "greedy" way, taking room in the paper, to answer the ongoing questions [NO! Considering our readership, this approach is perfectly reasonable, delightfully readable, and certainly newsworthy]—but it DOES get to the VERY people I owe the explanations. I am so sorry if something we do or say brings pain or bother, or even irritation, to any of you—but we are really doing the very best we can under the circumstances and we appreciate every one of you. Sometimes I long for a "cult" of some kind—not for any of us to "lead"—but to simply "follow" so we could commune and play TOGETHER and not have to accept such responsibility—for self, but alas, it shall not be—EVER—and in HIS INFINITE WISDOM, HE SHOWS US WHY! If we ASK, HE always shows us WHY and then HE shows us HOW! In that order, the who, what, where and when doesn't seem to longer matter. Gosh, friends, I watch the mess with the Clintons and I even feel sorry for them for how could they ever begin to realize the spiral which would bring the indiscretions back to eat them alive? In our ignorance of following the WRONG master—there

but for the GRACE OF GOD, go we! I SIMPLY HOPE GOD KEEPS HIS WONDROUS 2" x 6" HANDY BECAUSE WE MUST BE VERY HARD-HEADED MOST OF THE TIME AT GIVING ATTENTION. And on that closing note: Thank you, "Two-by-Six" in Florida, for the endless flow of clippings and information you pour upon us. Maybe soon God will begin to unfold the next phase of our work and journey.

Somehow in this time and age, to use the word "love" seems trite and false. But I have

no other. We are so filled with appreciation and love, from and to, you each who would bother to read our presentations, for whatever reason. We are grateful and as our purposes unfold I know that we shall have more touch and sharing with you. I am stunned at how far we have been able to reach and touch—while having and starting with "O"-zip, save GOD and YOU. And, again, thank you for allowing me to share a bit of personal unloading. -- Doris.

Committee Of 300

(Continued)

3/16/94 #1 HATONN

RETURN TO "300"

We have had such a long interruption since our last sharing from "Dr. John Coleman's" book, *CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300* [W.I.R., 2533 N. Carson St., Carson City, NV 89706], that I am feeling remiss in the interruption of such a well laid-out format for the piles of information. My hope is that you ALL were able to see that in that which we offer "in between" from many sources—are but continuations and integrations into, and of, the whole. The names actually do not vary and neither do truthful FACTS. [Editor's note: We pick up the story again here, having left off way back in the 12/14/93 issue of CONTACT.]

We were speaking last from this particular work on the influx of Chinese laborers for the railroads and other installations such as dams, viaduct systems, and thus and so. We were last speaking of the opium supply ring, Lord Inchcape and British and American families' involvement. This "group" of co-partners became what you would know today as the "Eastern Liberal Establishment". These "members" were under the careful guidance and direction of the Crown (British) and subsequently its foreign policy executive arm, the Royal Institute of International Affairs (RIIA). This group has CONTINUED to run the United States—from top to bottom—through their secret upper-level, parallel government, which is tightly meshed with the Committee of 300, the ULTIMATE secret society. Remember now, the Anti-Defamation League is out of British Intelligence and therefore the hold over America by the B'nai B'rith organization is terrifying if not more, if you understand the connections in TRUTH.

Since our recent writings on the ADL and implications and connections, we are buried in material sent from every direction—even Algeria—then on to the very selection of your Secretary of Defense Strobe Talbott after "they" got rid of Bobby Inman.

Dharma is weary of the nasty threats so we will give her a day or so before we launch back into the current can of snakes. We will simply offer a bit more historical fact regarding the "whole" of the adversary's line of assault against humanity. If you can dig up the back issue in which we last wrote from the book in

point, please do catch up your memory as to reference. If you have the book in point, we will pick up near the mid-page paragraph beginning "By 1923..." on page 135.

I am not going to be further party to the quarrels over "Dr. Coleman's" information. It came from many, many sources whom I deeply respect. I feel totally free to use this material directly, however, for OUR crew did all the typing, editing, readying for printing, printing, etc. George Green then TOOK the book and as a matter of fact arranged a "falling out" with "Coleman" and managed to rip-off "Coleman" along with everyone else with whom he does business. "Coleman" has a large part in the play as regards US&P ("Coleman" claims to be an MI-6 agent) and was partially efforting to do-in George Green—but the culprit slipped the snare. I would suggest that "Coleman" contact someone at the CLC as a lot of other "upset" authors are now coming forth to recognize the REAL source of their problems from "these parts".... Don't you all think it about time to STOP blaming and arguing over "extraterrestrials"? GOD IS AN EXTRA-TERRESTRIAL, GOOD BUDDIES!

CONTINUATION: CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300
by "Dr. John Coleman"
(part 14)

[QUOTING:]

THE IMPORTED MENACE

By 1923, voices were being raised against this menace that had been allowed to be imported into the United States. Believing the United States to be a free and sovereign nation, Congressman Stephen Porter, Chairman of the House of Representatives' Foreign Affairs Committee, introduced a bill which called for the British to account for their opium export-import business on a country-by-country basis. The resolution set up quotas for each country, which if observed, would have reduced the opium trade by 10%. The resolution was passed into law and the bill accepted by the Congress of the United States.

But the Royal Institute of International Affairs had other ideas. Founded in 1919 in the wake of the Paris Peace Conference held at Versailles, this was one of the earliest "foreign

policy" executors of the Committee of 300. Research I have done on the Congressional Records, House, show that Porter was totally unaware of the powerful forces he was up against. Porter was not even aware of the existence of the RIIA, much less that its specific purpose was to control every facet of the United States.

Apparently Congressman Porter received some kind of an intimation from the Morgan Bank on Wall Street that he should drop the whole affair. Instead, an enraged Porter took his case to the League of Nations Opium Committee. Porter's total unawareness of who he was up against is demonstrated in some of his correspondence to colleagues on the House Foreign Affairs Committee in response to open British opposition to his proposals.

Her Majesty's representative chided Porter and then, acting like a father toward an errant son, the British delegate—on instructions from the RIIA—presented Her Majesty's proposals to INCREASE opium quotas to account for an increase in the consumption of opium for medicinal purposes. According to documents that I was able to find in The Hague, Porter was at first confused, then amazed and then enraged. Joined by the Chinese delegate, Porter stormed out of the plenipotentiary session of the Committee session, leaving the field to the British.

In his absence, the British delegate got the League to rubber stamp Her Majesty's government proposals for a creation of a tame-tiger Central Narcotics board, whose chief function was information gathering, the terms of which were purposely vague. What was to be done with the "information" was never made clear. Porter returned to the U.S. a shaken and much wiser man.

Another British intelligence asset was the fabulously rich William Bingham, into which family one of the Barings married. It was stated in papers and documents that I saw that the Baring Brothers ran the Philadelphia Quakers and owned half of the real estate of that city, all made possible because of the fortune the Baring Brothers had amassed from the China opium trade. Another beneficiary of the Committee of 300's largess was Stephen Girard, whose descendants inherited the Girard Bank and Trust.

The names of the families, whose history is intertwined with that of Boston and who would never give us ordinary folk the time of day, were wrapped in the arms of the Committee of 300 and its vastly lucrative BEIC [British East India Co.] China opium trade. Many of the famous families became associated with the notorious Hong Kong and Shanghai Bank which is still the clearing house for billions of dollars that FLOW FROM THE OPIUM TRADE IN CHINA. [H: And what think ye that all the big hullabaloo is about over the China trade status RIGHT NOW? What comes down is highly impactful on the schemers, Kissinger (Associates), Scowcroft (of Mormon fame), and Eagleburger of State Department fame! I suggest you pay attention to what these THREE mouths are saying TODAY!]

Such famous names as Forbes, Perkins and Hathaway appear in the records of the

British East India Company. These genuine American "bluebloods" created Russell and Company, whose main trade was in opium, but also ran other shipping enterprises from China to South America and all points in between. As a reward for their services to the British Crown and the BEIC, the Committee of 300 granted them a monopoly in the slave trade in 1833.

Boston owes its celebrated past to the cotton-opium-slave trade granted to it by the Committee of 300 and it is stated in the records I was privileged to see in London that Boston's merchant families were the chief supporters of the British Crown in the United States. John Murray Forbes is mentioned as the major-domo of the "Boston Blue Bloods" in India House records and in bank records in Hong Kong.

Forbes' son was the first American allowed by the Committee of 300 to sit on the board of the most prestigious drug bank in the world—even today—the Hong Kong and Shanghai

Bank. When I was in Hong Kong in the early 1960s as "an historian interested in the British East India Company", I was shown some old records, including past board members of this notorious drug bank, and sure enough, Forbes' name was among them.

The Perkins family, so illustrious that their name is still mentioned in awed whispers, were deeply involved in the nefarious filthy China opium trade. In fact Perkins the elder was one of the first Americans to be elected to the Committee of 300. His son, Thomas Nelson Perkins, was Morgan's man in Boston, and as such also an agent for British Intelligence. His unsavory—I would say disgusting—past was not in question when he richly endowed Harvard University. After all, Canton and Tientsin are a long way from Boston, and who would have cared anyway?

What helped the Perkinses a lot was that Morgan was a powerful member of the Committee of 300, which enabled Thomas N. Perkins to rapidly further his career in the China opium trade. All the Morgans and Perkinses were Freemasons, which was another tie that bound them together, for only Freemasons of highest rank have any hope of being selected by the Committee of 300. Sir Robert Hart, who for almost three decades was chief of the Imperial Chinese Customs Service (read the British Crown's number one agent in the opium trade in China) was subsequently appointed to the board of Morgan Guarantee Bank's Far Eastern Division.

Through access to the historical records in London and Hong Kong, I was able to establish that Sir Robert developed an intimate relationship with Morgan operations in the United States. It is worthy of note that Morgan interests in the opium/heroin trade have continued in an unbroken line; witness the fact that David Newbigging is on the advisory board of Morgan's Hong Kong operation run in conjunction with Jardine Matheson.

To those who know Hong Kong, the name of Newbigging will be familiar as the most powerful name in Hong Kong. In addition to his membership of Morgan's elite bank, Newbigging doubles as an advisor to the Chinese

government. Opium for missile technology, opium for gold, opium for high-tech computers—it is all the same to Newbigging. The way these banks, financial houses, trading companies and the families who run them are intertwined would perplex Sherlock Holmes, yet somehow they must be unraveled and followed if we are to understand their connections with the drug trade and their membership in the Committee of 300.

The two-track entry into the United States of alcohol and drugs were products of the same stable occupied by the same thoroughbreds. First, prohibition had to be introduced into the United States. This was done by the British East India Company heirs who, acting upon experience gained through the well-documented China Inland Mission records found in India House, set up the Women's Christian Temperance Union, supposedly to oppose consumption of alcohol in America.

DO-GOODERS!

We say that history repeats itself and, in a sense, this is true, except that it repeats itself in an ever-upward spiral. Today we find that some of the largest companies, allegedly "polluting" the earth, are the largest contributors of funds to the environmentalist movement. The "big names" send forth their message. Prince Philip is one of their heroes, yet his son Prince Charles owns a million acres of forested land in Wales from which timber is regularly harvested and, in addition, Prince Charles is one of the largest owners of slum housing in London, where pollution thrives.

In the case of those who railed against the "evils of drink", we find they were financed by the Astors, the Rockefellers, the Spelmans, the Vanderbilts and the Warburgs who had a vested interest in the liquor trade. On the instructions of the Crown, Lord Beaverbrook came over from England to tell these wealthy American families that they were to invest in the WCTU. (It was the same Lord Beaverbrook who came to Washington in 1940 and ORDERED Roosevelt to get involved in Britain's war.)

Roosevelt complied by stationing a U.S. Navy flotilla in Greenland that spent the 9 months prior to Pearl Harbor hunting and attacking German U-Boats. Like his successor, George Bush, Roosevelt thought the Congress a confounded nuisance so, acting like a king—a sense he felt strongly since he is related to the British royal family—FDR never sought the permission of Congress for his illegal action. This is what the British are most fond of referring to as their "special relationship with America".

The drug trade has a connection with the murder of President John F. Kennedy, which foul deed stains the national character and will continue to do so until the perpetrators are found and brought to justice. [H: I stress this statement because we now have PROOF that one of the shots that killed your President—WAS INDEED (IRRESPECTIVE OF WHAT COL. BO GRITZ TELLS YOU) FIRED FROM INSIDE THE CAR, FROM THE DRIVER'S SEAT, ETC. WE WILL BE OFFERING THIS INFORMATION VERY SOON NOW FOR YOUR OWN CONFIRMATION.] There is proof that the Mafia was involved in this through the CIA, which brings to mind that it all started with the old Meyer Lansky network which evolved into the Irgun terrorist organization, and Lansky proved to be one of the best

vehicles for peddling cultural warfare against the West.

Lansky was, through more respectable fronts, associated with the British higher-ups in bringing gambling and dope distribution to Paradise Island in the Bahamas under the cover of The Mary Carter Paint Company—a joint Lansky-British MI-6 venture. Lord Sassoon was later murdered because he was skimming money and was threatening to blow the whistle if he was punished. Ray Wolfe was more presentable, representing the Bronfmans of Canada. While the Bronfmans were not privy to Churchill's massive Nova Scotia Project, they were and still are nevertheless an important asset of the British royal family in the business of dope peddling.

Sam Rothberg, close associate of Meyer Lansky, also worked with Tibor Rosenbaum and Pinchas Sapir, all king-pins in the Lansky drug ring. Rosenbaum ran a drug money laundering operation out of Switzerland through a bank he established for this purpose; Banque du Credite International. The bank quickly expanded its activities and became the principal bank used by Lansky and his mobster associates for laundering money garnered from prostitution, drugs and other Mafia rackets.

It is worthy of note that Tibor Rosenbaum's bank was used by the shadowy chief of British Intelligence, Sir William Stephenson, whose right hand man, Major John Mortimer Bloomfield, a Canadian citizen, ran Division Five of the FBI throughout the Second World War. Stephenson was an early member of the 20th Century Committee of 300, although Bloomfield never made it that far. As I revealed in my series of monographs on the Kennedy assassination, it was Stephenson who master-minded the operation which was run as a hands-on project by Bloomfield. Fronting for the Kennedy assassination was done through another drug-related front, Permanent Industrial Expositions (PERMINDEX), created in 1957 and centered in the World Trade Mart building in downtown New Orleans.

Bloomfield just happened to be the attorney for the Bronfman family. The World Trade Mart was created by Colonel Clay Shaw and FBI Division Five station chief in New Orleans, Guy Bannister. Shaw and Bannister were close associates of Lee Harvey Oswald, accused of shooting Kennedy, who was murdered by CIA contract agent Jack Ruby before he could prove that he was not the assassin who shot President Kennedy. In spite of the Warren Commission and numerous official reports, it has NEVER been established that Oswald owned the Mannlicher rifle said to be the murder weapon (it was not) nor that he had ever fired it. The connection between the drug trade, Shaw, Bannister and Bloomfield has been established several times, and need not concern us here.

In the immediate post-WW II period, one of the most common methods used by Resorts International and other drug related companies to clean money was by courier service to a money laundering bank. Now all that has changed. Only the small fry still use such risky methods. The "big fish" conduit their money via the CHIPS system, an acronym for

Clearing House International Payments System, run by a Burroughs computer system centered at the New York Clearing House. Twelve of the largest banks use this system. One of them is the Hong Kong and Shanghai Bank. Another is Credite Suisse, that oh so respectable paragon of virtue in banking—until the lid is lifted. Combined with the SWIFT system based in Virginia, dirty drug money becomes invisible. Only wanton carelessness results in the FBI getting lucky now and then, if and when it is told not to look the other way.

Only low echelon drug dealers get caught with drug money in their hands. The elite, Drexel Burnham, Credite Suisse, Hong Kong and Shanghai Bank, escape detection. But this, too, is changing with the collapse of Bank of Credit and Commerce International (BCCI) which is likely to expose a great deal about the drug trade if ever a proper investigation is carried out.

"Only low echelon drug dealers get caught with drug money in their hands. The elite, Drexel Burnham, Credite Suisse, Hong Kong and Shanghai Bank, escape detection."

One of the largest assets in the portfolio of the Committee of 300 companies is American Express (AMEX) [H: On whose board sits Henry Kissinger!]. Its presidents regularly occupy positions on the Commit-

tee of 300. I first got interested in Amex when I was carrying out an on-the-spot investigation that led me to the Trade Development Bank in Geneva. Later, this got me into a lot of trouble. I discovered that Trade Development Bank, then run by Edmund Safra, key man in the gold-for-opium trade, was supplying tons of gold to the Hong Kong market via Trade Development Bank.

Before going to Switzerland, I went to Pretoria, South Africa, where I talked with Dr. Chris Stals, at that time the deputy governor of the South African Reserve Bank which controls all bulk dealings in South African-produced gold. After

several discussions over a period of a week, I was told that the bank could not supply me with the ten tons of gold that I was authorized to buy on behalf of clients I was supposed to be representing. My friends in the right places knew how to produce the documentation which passed without question.

The Reserve Bank referred me to a Swiss company which I cannot name, because it would blow cover. I was also given the address of Trade Development Bank in Geneva. The purpose of my exercise was to find out the mechanics of how gold is moved and traded, and secondly to test bogus documents which had been prepared for me by ex-intelligence friends of mine who specialized in this kind of thing. Remember "M" in the "James Bond" series? Let me assure you that "M" does exist, only his correct initial is "C". The documents I had consisted of "buying orders" from Liechtenstein companies and supporting papers to match.

On approaching Trade Development Bank I was at first greeted cordially but, as discussions progressed with more and more suspicion until, when I felt it was no longer safe for me to visit the bank, without telling anyone at the bank I left Geneva. Later the bank was sold to American Express. American Express was briefly investigated by former Attorney

General Edwin Meese, after which he was quickly removed from office and labeled "corrupt". What I found was that American Express was and still is a conduit for laundering drug money and, thus far, no one has been able to explain to me why a private company has the right to print dollars—aren't American Express travelers checks dollars? I subsequently exposed the Safra-Amex drug connections which upset a lot of people, as can be imagined.

Committee of 300 member Japhet controls Charterhouse Japhet, which in turn controls Jardine Matheson as a direct link to the Hong Kong opium trade. The Japhets are reportedly English Quakers. The Matheson family, also members of the Committee of 300, were kingpins in the China opium trade, at least up until 1943. The Mathesons have appeared in the Queen of England Honors List since the early 19th century.

NO CONSCIENCE

The top controllers of the drug trade in the Committee of 300 have no conscience about the millions of lives they ruin each year. They are Gnostics, Cathars, members of the cult of Dionysus, Osiris, or worse. To them, "ordinary" people are there to be used for their purposes. Their high-priests, Bulwer-Lytton and Aldous Huxley, preached the gospel of drugs as a beneficial substance. To quote Huxley:

"And for private everyday use, there have always been chemical intoxicants. All the vegetable sedatives and narcotics, all the euphorics that grow on trees, the hallucinogens that ripen in berries, have been used by humans since time immemorial. And to these modifiers of conscience, modern science has added its quota of synthetics. For unrestricted use the West has permitted only alcohol and tobacco. All other chemical Doors in the Wall are labeled DOPE."

"The top controllers of the drug trade in the Committee of 300 have no conscience about the millions of lives they ruin each year."

To the oligarchs and plutocrats of the Committee of 300, drugs have a two-fold purpose, firstly to bring in colossal sums of money and secondly, to eventually turn a major part of the population into mindless drug zombies who will be easier to control than people who don't need drugs, as punishment for rebellion will mean withholding of supplies of heroin, cocaine, marijuana, etc. For this it is necessary to legalize drugs so that a MONOPOLY SYSTEM, which has been readied for introduction once severe economic conditions, of which the 1991 depression is the forerunner, will cause drug usage to proliferate as hundreds of thousands of permanently jobless workers turn to drugs for solace.

In one of the Royal Institute of International Affairs top secret papers, the scenario is laid out as follows (in part):

"...having been failed by Christianity, and with unemployment on every hand, those who have been without jobs for five years or more will turn away from the church and seek solace in drugs. That is when full control of the drug trade must be completed in order that the governments of all countries who are under our jurisdiction will have a MONOPOLY which we will control through supply.... Drug bars will take care of the unruly and the discontent, would-be revolutionaries will be

turned into harmless addicts with no will of their own...."

[END QUOTING OF PART FOURTEEN]

This is a good place to pause and relook at this drug PLAN. Note how far it, along with the direct mind control methods, is already a long, long way toward having been completed.

It would also seem an appropriate place to insert some thoughtful information and speculation about your own government top puppets, the Clintons. The following is offered by Ron Paul in his most recent newsletter and is WELL WORTH NOTING:

[QUOTING:]

**FOSTERGATE:
WAS VINCE FOSTER
BILL CLINTON'S
COCAINE "CONNECTION"?**

SURVIVAL REPORT, March 15, 1994 Vol. 1, Number 3, page one.

[H: I ask that someone look up the writing we received and shared at the time of Foster's death (See Page 8 for this provocative information we first presented in the 7/27/93 issue of *CONTACT*.) It is for your recognition that WE do not lie to you and resources are pretty accurate from the inside point of view. I do not wish to belabor Foster's position but, good grief, how long does it take "everybody" else to catch up with the old *CONTACT*? We are continually charged with plagiarism—why doesn't someone use their noggin and start getting with the program timely?]

In a famous scene from the movie *The Godfather*, Michael Corleone explains to his wife Kate that Vito, his father, is not unlike a U.S. Senator. Kate responds, "You're so naive, Michael; Senators don't have men killed". Michael answers, "Who's being naive, Kate?" The comment comes to mind, with all the continuing speculation about the death of Clinton attorney and White House aide Vince Foster.

Foster was found dead in an obscure D.C. park on July 20. After we went to press last month, the *New York Post* reported that forensic experts on the scene were skeptical that this was suicide, yet the White House claimed this within hours of the body's discovery. [H: Now, you can take a lot of "this" with a grain of salt, also, but Ron Paul is just offering exactly what others offer—what they are told—so don't be too hard on him. The facts are that TWO shots were fired into his skull to make sure the "suicide" could not have been called a suicide!]

In a suicide of this nature, the body is twisted, blood is everywhere, the head and jaw are disfigured, and the gun, filled with blood and tissue, is thrown far from the body in a spasm. Yet Foster was lying flat on his back with only a slight trickle of blood from the corner of his mouth, the gun was in his hand, perfectly positioned, and there was no bullet. [H: So you see—BOTH stories are total B.S.]

Was Foster killed elsewhere and his body dumped in the park? It seems all too possible. And another theory has surfaced from sources at the *Wall Street Journal*. This version involves the existence of another suicide note, one not yet released to the public. It supposedly reveals the criminal role Hillary—Foster's ex-paramour—played in the Whitewater

Development Corp. scam. If true, it raises the possibility that the original note, the one supposedly found by White House counsel Bernard Nussbaum in Foster's briefcase on July 26, was a fake.

Even if there is no other note, there are reasons to be suspicious of the original note. Nussbaum says he found the note in Foster's briefcase. But a Park Police detective says that's not true. The same detective also reported that Nussbaum obstructed the investigation on July 22. Additionally, there were no fingerprints on the note even though it had been torn into tiny pieces. And the piece that would have contained his signature was missing.

There is another story that has gained some importance in the upper reaches of Washington, D.C. It alleges that Bill Clinton has long used cocaine, and that Foster was his "connection". [H: Oops, guess he "inhaled" something, after all!] Foster's death, in this view, either his killing or his suicide, was related to official fears that this information would get out and destroy the presidency. I (Ron Paul), am reminded about all the stories of CIA-Contra cocaine smuggling through the Mena, Arkansas, airport when Clinton was governor, and his supposed protection of the racket.

The cocaine speculation would explain certain mysteries. During the campaign, Bill never released his medical records. The press secretly chalked this up to herpes, and never challenged him, although before, releasing one's medical records had always been considered a tenet of democracy. But could the reason for his reticence be *DOPE*? Clinton has perpetual troubles with his throat and voice, which could be related to the nasal drainage a

cokehead experiences. He is also an insomniac, which dopers are. None of this is conclusive, of course, but it sure is interesting. (*SURVIVAL REPORT* ordering information: 18333 Egret Bay Blvd., Suite 265, Houston, Texas 77058. Sub. Info: 1-800-766-7285.)

[END OF QUOTING]

Yes, I'd agree that it is most certainly "interesting". We know that Hillary and her Hellcats are to their eyes in such dealings hither and yon. Well, perhaps we can just mark it all up to "anti-Semitism" and never mind the future of the world! Maybe it'll all just go away! Try "ascension"—because a lot of people are going to learn INSTANT ASCENSION technique when the blow-out happens! So be it. I guess you who are standing around afterward, if you aren't OF GOD, will BLAME GOD? That, too, is up to you. Salu.

GaiaLyte Program Now Available

PROGRAM STARTING PACKAGE

- 1 Bottle Gaiandriana (1 Quart)
 - 1 Bottle AquaGaia (1 Quart)
 - 2 Bottles **GaiaLyte** (2 Liters each)
 - 4 Packages Spelt Bread Mix
 - 5 Audio-cassettes
- COST: \$150 (for *CONTACT* Subscribers only)
\$180 (for non-subscribers)

MAINTENANCE PACKAGE

- 1 Bottle Gaiandriana (1 Quart)
 - 2 Bottles **GaiaLyte** (2 Liters each)
 - 4 Packages Spelt Bread Mix
- COST: \$90.00 (for *CONTACT* subscribers only)
\$115 (for non-subscribers)

GaiaSorb

NICOTINE	NEUTRA-BOND	2 oz.
CAFFEINE	NEUTRA-BOND	2 oz.
ALCOHOL	NEUTRA-BOND	2 oz.
SUCROSE	NEUTRA-BOND	2 oz.
(\$6.00 each)		

New Gaia Products

P.O. Box 27710
Las Vegas, NV 89126
For credit card orders, call:
1 (800) NEW-GAIA (639-4242)
We accept Discover, Visa or Master Card
Please make all checks and money orders payable to: *New Gaia Products*

GaiaLyte

This is an electrolyte concentrate with Kargosok tea, Gaiandriana, CarbraGaia (a cartilage substance similar to shark-fin but "programmed" to human tissue), fruit juice and a plethora of vitamins and minerals necessary for EVERY cell structure. This also adds fuel for the new cells introduced from the Gaiandriana and AquaGaia.

The Clintons' Friend Vincent Foster "Suicided"

[Editor's note: The following two articles are reprinted from the 7/27/93 issue of CONTACT. See Page 7 story for why, and latest news.]

7/22/93 #2 HATONN

NO MIRACLES—JUST FACT!

My, my, you call out for signs and miracles. In disbelief you petition for one more "show"—one more "viewing" from flickering star-craft lights to loss of a headache. Well I think the following will indicate a SIGN to some ones of high level treason. There are several (at least nine [9]) people who should be very, very interested and concerned about the following information which drifted into our hands this morning. As I understand the message—by the time this reaches the printer—there will be only 7 left to worry!

What is this? Well, it is a note received regarding the demise of one Vincent Foster. That nice lawyer friend of the Billaries in Washington—you know, those who "lead" your nation by the ring through the nose and the harness in the hands of Reno and other ones who murder at random! I think I would be most distressed and concerned as the profferers of torment, torture and bedlam murder—note that THERE IS ANOTHER SIDE. Who are they, this other side? I certainly would not want to be the one to give that information so we take what is sent, share it and hope the correct receivers get the right messages. We are in the business of journalism and printing what is brought to us or sent in truth—not in sorting out "who-dun-its".

Since there will be an obvious question as you read as to "why" "two" shots, in case it misses your sleuthing—I would guess it is to send a loud clear message about "suicide". A suicide victim does not get "two" shots when the first one kills him dead! I doubt, however, that YOU THE PEOPLE will ever hear about the second shot in this "suicide".

[QUOTING:]

Re: Vincent Foster

At 4:52, July 20, 1993—at the first exit to Fort Darcy, VA, a grey Ford Econoline van stopped a 1992 Chrysler Sedan. The driver and lone passenger of the Sedan was removed from his vehicle at gunpoint. There was no fuss, as the driver assumed his plight to be a "carjacking" and possibly armed robbery.

The occupant of the Chrysler, Mr. Vincent Foster, deputy Legal Counsel and close friend to B. Clinton [H: I believe this person was a former partner in Hillary's prior law firm, as well.] was taken to the rear of the car parking area. Three men, all wearing "Federal Black", told Mr. Foster to kneel on the ground—facing a park bench. At this point, Mr. Foster's head was pushed forward, a gun pushed against the base of the skull, and within seconds TWO .38 cal. rounds were fired into the skull. Foster's head was thrown forward as he died.

The men then placed the body upon the bench in a half sitting-half reclining position. The upper torso was bent to the right—reflecting an angle of 15% [H: (perhaps "de-

grees")? I never like to correct or change anything not quite understood because the meaning may be exact but not to my scribe.]. The Fairfax P.D. was called with the location of the body. The men of the van left the area and returned to D.C. proper where they boarded planes for diverse destinations.

The strike was coordinated and executed by TASK FORCE 1511! It was carried out in retribution for the Wilcher, Parsons, "Piggy" [H: This one may really be a long way off proper identification due to overstrikes on the message.] AND SESSIONS affair. At this time, a force of 32 men, holding a target list with 9 more names is preparing to assemble in a major East Coast City. (By the time you print this, at least two more sanctions will have been carried out.) END.

[END OF QUOTING]

There is no return identification on this document except 07-22-1993, 11:06. BURN THE MESSAGE, DHARMA.

7/25/93 #2 HATONN

VINCE FOSTER—SUICIDE?

The next I offer just because YOU KNOW WHAT HAPPENED TO VINCE FOSTER, REALLY [see article above]. So, you will simply find this offering most interesting and informative as to "why" Vince.

[QUOTING Arkansas Gazette, July 22, 1993:]

THE TRAGEDY OF VINCE FOSTER

By John Brummett

Arkansas, July 22, 1993.

Washington—President Clinton met with his staff members late Wednesday morning and told them there is more to life than work.

Then en route from the Old Executive Office Building to the West Wing of the White House, he stopped to say twice to a small group of pool reporters, "No one can ever really know why this happened."

Vincent Foster, Jr., possibly Hillary Rodham Clinton's best friend, a tall, nice-looking man, had driven the day before—around 6 p.m., apparently—from Washington to a suburban Virginia park. He got out of his car, walked to a spot on the banks of the Potomac River and shot and killed himself.

This was six months after Foster uprooted his comfortable life as a respected senior partner at the Rose Law Firm in Little Rock to move to Washington as chief deputy White House counsel.

I last spoke with Foster at a reception at the Hotel Washington a couple of months ago. I told him I wanted to visit with him someday about what was being thought and done at the White House the afternoon the Waco disaster unfolded.

"Well, maybe, you can learn something about what goes on in a crisis," he said a bit combatively, and certainly intensely.

Foster's good friend from the Rose firm, Webb Hubbell, was facing a confirmation hearing on his nomination to be associate attorney

general. I asked Foster if he expected Hubbell to endure a lot of nasty rhetoric.

"Of course," he said, clearly disgusted by the prospect.

The personal chit-chat was more pleasant, and as interesting. Foster was living alone at the time in a little Georgetown apartment.

"I can stand and put my arms out and touch both walls," he said.

His blond, teen-age daughter was with him that evening, and he proudly introduced her. The family would be joining him in a full-fledged new home in suburban Virginia in the summer. He looked forward to that.

Now, unbelievably, he's killed himself.

The press jumped into action Wednesday morning. I got a call from a colleague in New York who advised, "Get to the crime scene right now before the police screw it up. This has got to be bad. You just know it does."

Reporters began asking these kinds of questions, and getting these kinds of consistent answers;

"Had Foster appeared unusually stressed or depressed lately? No. He always appeared intense and fretful of the press—most corporate lawyers are—and he had been harried by a run of Wall Street Journal editorials asking who he was. But he seemed generally all right as recently as Tuesday.

"What were the inevitable personal problems? Were they financial? Were they marital? There were none, as best anyone could find or imagine.

"Then why in the world?

The best anyone could offer was that Vince Foster killed himself because he was distraught that things had gone wrong in the White House of his two friends he so admired and who had honored him with their trust. [H: The Billaries??]

Many of those problems seemed to involve perceived or real shortcomings in the counsel's office where he worked. He seemed incapable of coping with imperfection.

Not too long ago, a man asked Sheila Anthony, Foster's sister and the wife of former U.S. Rep. Beryl Anthony, how Vince was doing. Oh, you know, he takes all these White House things personally, she said.

It's sidebar to this tragedy that Foster wasn't personally implicated in many of the White House failings. He wasn't the one who advised that Lani Guinier's writings would pose no political problem. He wasn't the one who was reprimanded over the handling of the White House travel office. He was, however, the one who coordinated the successful legal arguments in defense of Hillary's role as chairman of the health care task force. [H: Oops!]

What an incredible waste and tragedy. The White House is a hellish arena. Thin skins need not apply. But, my God, it's not supposed to produce casualties.

John Brummett's column appears every Sunday, Tuesday and Thursday.

[END OF QUOTING]

The information on this paper's margin indicates something like (handwritten and abbreviated): Ark. Dem. "Flag" or "Gag"—I, Hatonn, think it may be Gazette?

It would be nice if some of you "inquiring minds" clip the REAL story of Vince Foster and send it to this man struggling in confused information. It won't help as to "why" but it sure will as to WHO! I would guess there are great "messages" being transmitted in that happenstance "suicide".

Thank you.

Committee Of 300

(Continued)

3/16/94 #2 HATONN

CONTINUATION: CONSPIRATORS'
HIERARCHY: THE STORY OF THE
COMMITTEE OF 300
by "Dr. John Coleman"
(part 15)

[QUOTING:]

CONTROL OF THE MASSES THROUGH DRUGS

There is ample evidence that the CIA and British intelligence, specially MI-6, have already spent at least a decade working toward this goal.

The Royal Institute of International Affairs used the lifetime work of Aldous Huxley and Bulwer-Lytton as its blueprint to bring about a state where mankind will no longer have wills of their own in the One World Government-New World Order of the fast-approaching New Dark Age. Again, let us see what high priest Aldous Huxley had to say about this:

"In many societies at many levels of civilization, attempts have been made to fuse drug intoxication with God intoxication. In ancient Greece, for example, ethyl alcohol had its place in the established religions. Dionysus, Bacchus, as he was often called, was a true divinity. Complete prohibition of chemical changes can be decreed but cannot be enforced. (THE LANGUAGE OF THE PRO-DRUG LOBBY ON CAPITOL HILL.)

"Now let us consider another type of drug—still undiscovered, but probably just around the corner—a drug making people happy in situations where they would normally feel miserable. [H: A form of, possibly, PROZAC?] (Is there anyone more miserable than a person who has sought and been unable to find work?) Such a drug would be a blessing, but a blessing fraught with grave social and political dangers. By making a harmless chemical euphoria freely available, a dictator (read Committee of 300) could reconcile an entire popu-

lation to a state of affairs to which self-respecting human beings ought not to be reconciled."

Quite a dialectical masterpiece. What Huxley was advocating and which is official policy of the Committee of 300 and its surrogate, RIIA, can be quite simply stated as mass mind control. As I have often said, all wars are wars for the souls of mankind. Thus far it has not dawned on us that the drug trade is irregular low-intensity warfare against the whole human race of free men. Irregular warfare is the most terrible form of warfare which, while it has a beginning, has no ending.

Some will question the involvement of the British royal families, past and present, in the drug trade. To see it in print appears on the surface to be preposterous, and it is being seen in print more often these days to make it appear exactly that, preposterous. The oldest maxim in the intelligence business is, "If you want to hide something, put it where everyone can see it."

F.S. Turner's book, *BRITISH OPIUM POLICY*, published in 1876, shows how the British monarchy and its hangers-on family relatives were deeply involved in the opium trade. Turner was the secretary of the Anglo Oriental Society of the Suppression of the Opium Trade. He declined to be silenced by Crown spokesperson Sir R. Temple. Turner stated that the government, and therefore the Crown, had to withdraw from the opium monopoly, "and if it takes any revenues at all, take only that which accrues from taxation honestly meant to have a restrictive force."

Turner was answered by a spokesman for the monarchy, Lord Lawrence, who fought against the BEIC losing its monopoly. "It would be desirable to get rid of the monopoly, but I myself am disinclined to be the agent of change. If it is a question of moderate loss that we could afford, I would not hesitate to undertake it." (Taken from the *Calcutta Papers*, 1870.)

By 1847 the war against the British monarchy and the aristocracy over its deep involve-

ment in the China opium trade was getting heated. The Society for the Suppression of the Opium Trade violently assailed the aristocracy of the day and pressed home its attacks in a fearless manner we would do well to emulate. The society said that the Treaty of Tientsin, which forced China to accept the importation of enormous amounts of opium, was a dastardly crime against the Chinese people.

There arose a mighty warrior, Joseph Grundy Alexander, a barrister by profession who, in 1866, led a strong attack on British Crown opium policy in China in which he openly mentioned the involvement of the royal family and the aristocracy. For the first time Alexander brought India, "the Jewel in the Crown", into the picture. He laid the blame squarely where it belonged, on the monarchy, the so-called aristocracy and its servants in the British government.

Under the direction of Alexander, the society committed itself to the total destruction of the cultivation of opium poppies in Bengal, India. Alexander proved to be a doughty opponent. Through his leadership, the drug aristocracy began to falter and, in the face of his open denunciations of the royal family and its hangers-on, several Members of Parliament began siding with him—Conservatives, Unionists, Labor. Alexander made it clear that the drug trade was not a party political issue; it was for all parties to join together in helping to eradicate the menace.

Lord Kimberly, spokesman for the royal family and the entrenched oligarchists, threatened that any attempts to interfere with what he called "the commerce of the nation will run into serious opposition from the cabinet." Alexander and his society pressed on in the face of innumerable threats and finally parliament agreed to appoint a Royal Commission to enquire into the opium trade, with Lord Kimberly, who was Secretary of India, as its chairman. A more inappropriate person to head the commission could not have been found. It was akin to Dulles being appointed to the Warren Commission.

In his first statement, Lord Kimberly made it clear that he would rather resign from his august position than consent to a resolution that would surrender Indian Opium Revenues. It is worthy of note that "Indian Opium Revenue" implied money shared by the nation. Like the idea that the people of South Africa share in the enormous profits from the sale of gold and diamonds, this was just not the case. Indian opium revenues went straight into the

royal coffers and the pockets of the nobility and the oligarchists and plutocrats, and made them billionaires.

Rowntree's book, *THE IMPERIAL DRUG TRADE* gives a fascinating account of how Prime Minister Gladstone and his fellow plutocrats lied, cheated, twisted and turned to keep the astonishing truth of the involvement of the British monarchy in the opium trade from being exposed. Rowntree's book is a treasure house of information on the deep involvement of the British royal family and the lords and ladies of England and the huge fortunes they accumulated from the misery of the Chinese opium addicts.

Lord Kimberly, secretary of the commission of inquiry, was himself deeply involved in the opium trade so he did everything in his power to close the proceedings to all who sought the truth. Finally, under a great deal of pressure from the public, the Royal Commission was forced to open the door to this inquiry just a crack, so that it became apparent that the highest in the land were running the opium trade and receiving huge benefits from it. But the door was quickly slammed shut again, and the Royal Commission called no expert witnesses, thereafter sitting for an absurdly short period of time. The commission was nothing but a farce and a cover-up, such as we have become accustomed to in the 20th century America.

The Eastern Liberal Establishment families of the United States were just as deeply involved in the China opium trade as were the British, indeed they still are. Witness recent history when James Earl Carter toppled the Shah of Iran. Why was the Shah deposed and then murdered by the United States government? In a word, **because of DRUGS**. The Shah had clamped down and virtually put an end to the immensely lucrative opium trade being conducted out of Iran by the British. At the time that the Shah took over in Iran, there were already one million opium/heroin addicts.

This the British would not tolerate, so they sent the United States to do their dirty work for them in terms of the "special relationship" between the two countries. When Khomeini took over the U.S. Embassy in Teheran, arms sales by the United States, which had begun with the Shah, were not discontinued. Why not? Had the United States done so, Khomeini would have cancelled the British monopoly of the opium trade in his country. To prove the point, after 1984, Khomeini's liberal attitude toward opium had increased the number of addicts to 2 million, according to United Nations and World Health Organization statistics.

Both President Carter and his successor, Ronald Reagan, willingly and with full knowledge of what was at stake, went on supplying arms to Iran even while American hostages languished in captivity. In 1980 I wrote a monograph under the title, *What Really Happened in Iran*, which set out the facts. The arms trade with Iran was sealed at a meeting between Cyrus Vance, a servant of the Committee of 300, and Dr. Hashemi, which resulted in the U.S. Air Force beginning an immediate airlift of arms to Iran, carried on even at the height of the hostage crisis. The arms came from U.S. Army stockpiles in Germany and some were even flown directly from the United States with refueling stops at the Azores.

KHOMEINI

With the advent of Khomeini, who was put in power in Iran by the Committee of 300, opium production skyrocketed. By 1984 Iran's opium production exceeded 650 metric tons of opium per annum. What Carter and Reagan did was ensure that there was no further interference in the opium trade and they carried out the mandate given to them by the oligarchical families in Britain in this connection. Iran presently rivals the Golden Triangle in the volume of opium produced. [H: Anybody surprised yet?]

The Shah was not the only victim of the Committee of 300. William Buckley, CIA station chief in Beirut, in all his lack of experience on who is behind the opium trade, began conducting investigations in Iran, Lebanon and even spent time in Pakistan. From Islamabad, Buckley began sending back damning reports to the CIA in Langley about the burgeoning opium trade in the Golden Crescent and Pakistan. The U.S. Embassy in Islamabad was firebombed, but Buckley escaped the mob attack and returned to Washington because his cover was blown by forces unknown.

Then a very strange thing happened. Contrary to all procedures laid down by the CIA when an agent's cover has been blown, Buckley was sent back to Beirut. Buckley was in effect sentenced to death by the CIA in order to silence him, and this time the sentence was carried out. William Buckley was kidnapped by agents of the Committee of 300. Under brutal interrogation by General Mohammed el Khouili of Syrian intelligence to force him to disclose the names of all field officers of the DEA in these countries, he was brutally murdered. His efforts to expose the huge opium trade developing out of Pakistan, Lebanon and Iran cost Buckley his life. [H: Bet you were never told this?]

If the remaining free men in this world believe that singlehandedly or in small groups they can smash the drug trade, they are sorely mistaken. They could cut off the tentacles of the opium and cocaine trade here and there, but never the head. The crowned cobras of Europe and their Eastern Liberal Establishment family will not tolerate it. The war on drugs which the Bush administration is allegedly fighting, but which it is not, is for TOTAL legalization of ALL types and classes of drugs. Such drugs are not solely a social aberration, but a full-scale attempt to gain control of the minds of the people of this planet, or as the *Aquarian Conspiracy* authors put it: "to bring about radical changes in the United States". **THIS IS THE PRINCIPAL TASK OF THE COMMITTEE OF 300, THE ULTIMATE SECRET SOCIETY.**

NOTHING HAS CHANGED

Nothing has changed in the opium-heroin-cocaine trade. It is still run by the same "upper class" families in Britain and the United States. It is still a fabulously profitable trade where what seem to be big losses through seizures by the authorities are written off in paneled boardrooms in New York, Hong Kong

and London over port and cigars as "merely the cost of doing business, old boy."

British colonial capitalism has always been the mainstay of the oligarchical feudal system of privilege in England and remains so to the present day. When the poor, untutored pastoral people in South Africa who became known as the Boers fell into the bloodstained hands of the British aristocracy in 1899, they had no idea that the revoltingly cruel war so relentlessly pursued by Queen Victoria was financed by the incredible amounts of money which came from the "instant fortunes" of the BEIC opium trade in China into the pockets of the plutocrats.

Committee of 300 members Cecil John Rhodes, Barney Barnato and Alfred Beit instigated and engineered the war. Rhodes was the principle agent for the Rothschilds, whose banks were awash in cash flowing in from the opium trade. These robbers, thieves and liars—Rhodes, Barnato, Oppenheimer,

Joel and Beit—dispossessed the South African Boers of their birthright, the gold and diamonds that lay beneath their soil. The South African Boers received nothing out of the BILLIONS UPON BILLIONS of dollars derived from the sale of THEIR gold and diamonds.

The Committee of 300 quickly took full control of these vast treasures, control which it even now maintains through one of its members, Sir Harry Oppenheimer. The average South African receives \$100 per annum per capita from the gold and diamond industry. The BILLIONS which flow out annually go to the bankers of the Committee of 300. It is one of the most foul and vile stories of greed, theft and the murder of a nation ever recorded in the annals of history.

[H: How many of you can bring yourselves to realize that a good quality Cubic Zirconia (Diamonique) is actually WORTH MORE than a diamond? Diamonds have synthetic value placed on them through a world-wide cartel which keeps the product OFF the market, takes the world market fully, and convinces YOU that a "diamond is forever" and almost "a rarity" which causes you to pay through the proverbial "snout" for NOTHING.]

How could the British Crown have succeeded in pulling off this stunning fraud of gigantic proportion? To accomplish such a Herculean task requires skilled organizing with devoted agents-in-place to carry out the daily instructions passed down from the conspirators' hierarchy. The first step was a press propaganda campaign portraying the Boers as uncivilized barbarians, only slightly human, who were denying British citizens the right to vote in the Boer Republic. Then, demands were made on Paul Kruger, leader of the Transvaal Republic, which of course could not be met. After that, a series of incidents were staged to provoke the Boers into retaliation, but that didn't work either. Then came the infamous Jameson Raid where a certain Jameson led a party of several hundred armed men in an attack on the Transvaal. War followed immediately thereafter.

Queen Victoria mounted the largest and best equipped army that the world had ever seen at that time (1898). Victoria thought the war would be over in two weeks, since the

"Nothing has changed in the opium-heroin-cocaine trade. It is still run by the same 'upper class' families in Britain and the United States."

"Why was the Shah deposed and then murdered by the United States government? In a word, because of DRUGS."

Boers had no standing army and no trained militia and would be no match for her 400,000 soldiers drawn from the ranks of Britain's underclasses. The Boers never numbered more than 80,000 farmers and their sons—some were as young as fourteen—Rudyard Kipling also thought the war would be over in less than a week.

Instead, with rifle in one hand and the Bible in the other, the Boers held out for three years. "We went to South Africa thinking the war would be over in a week," said Kipling. "Instead, the Boers taught us no end of a lesson." That same "lesson" could be taught to the Committee of 300 today if we could but muster 80,000 leaders, good men and true to lead this nation in battle against the gargantuan monster threatening to devour everything our Constitution stands for.

ROUND TABLE

After the war ended in 1902, the British Crown had to consolidate its grip on the unimaginable fortune of gold and diamonds that lay beneath the barren veldt of the Boer Republics of Transvaal and Orange Free State. This was done through the Round Table of the legend of King Arthur and his Knights. The Round Table is strictly a British MI-6 intelligence operation established by the Committee of 300 which, together with the Rhodes Scholarship program, is a dagger in the heartland of America.

The Round Table was established in South Africa by Cecil Rhodes and funded by the English Rothschild family. Its purpose was to train business leaders loyal to the British Crown who would secure the vast gold and diamond treasures for the British Crown. South Africans had their birthright stolen from them in a coup so massive and all pervading that it was apparent only a central unified command could have pulled it off. That unified command was the Committee of 300.

That this was accomplished is not in dispute. By the early 1930s, the British Crown had a stranglehold on the biggest supplies of gold and diamonds ever found in the world. NOW THE COMMITTEE OF 300 HAD AT ITS DISPOSAL BOTH THE VAST FORTUNE COMING FROM THE DRUG TRADE AND THE EQUALLY VAST FORTUNE OF THE MINERAL AND METAL WEALTH OF SOUTH AFRICA. Financial control of the world was complete.

The Round Table played a pivotal role in the coup. The express purpose of the Round Table, after swallowing up South Africa, was to blunt the benefits to the United States of the American War of Independence, and once more bring the United States under British control. Organizing ability was essential for such an enterprise and it was provided by Lord Alfred Milner, protege of the London Rothschild family. Using Scottish Rite Freemason principles in selecting members of Round Table, those chosen underwent a period of intense training at Cambridge and Oxford Universities under the watchful eyes of John Ruskin, a self-confessed "old school Communist", and T.H. Green, an operative of MI-6.

It was Green, the son of a Christian evan-

gelical cleric, who spawned Rhodes, Milner, John Wheeler Bennet, A.D. Lindsay, George Bernard Shaw and Hjalmar Schacht, Hitler's finance minister. I pause here to remind readers that the Round Table is only ONE SECTOR of this vast and all-encompassing Committee of 300. Yet the Round Table itself consists of a maze of companies, institutions, banks and educational establishments, which in itself would take qualified insurance actuaries a year to sort out.

Round Tablers fanned out throughout the world to take control of fiscal and monetary policies and political leadership in all countries where they operated. In South Africa, General Smuts, who had fought against the British in the Boer War, was "turned" and became a leading British intelligence, military and political agent who espoused the cause of the British Crown. In the United States, in later years, the task of boring away at the United States from the inside fell to William Yandell Elliot, the man who spawned HENRY KISSINGER and who was responsible for his meteoric rise to power as chief U.S. advisor to the Committee of 300.

William Yandell Elliot was "an American at Oxford", who had already served the Committee of 300 well, which is a prerequisite for higher office in the service of the Committee. After graduating from Vanderbilt University in 1917, Elliot was drafted by the Rothschild-Warburg banking network. He worked at the Federal Reserve Bank in San Francisco and rose to be a director. [H: Please note as I am here reminded, that the Federal Reserve Bank is NOW REFERRED TO AS THE "CENTRAL BANK". NOTE SUBTLE CHANGES OR YOU WILL MISS THE BOAT, READERS. YOU SHOULD ALSO BE NOTING THE OFTEN REFERRED TO, NOW, NAME OF "WARBURG". I

REMINDE YOU THAT THE FAMILIES AND NAMES DO NOT CHANGE UNLESS DELIBERATELY CHANGED TO HIDE FROM YOU-THE-PEOPLE!] From there he acted as a Warburg-Rothschild intelligence officer, reporting on the important areas of the United States he was overseeing. Elliot's "freemason" talent spotters recommended him for a Rhodes Scholarship and, in 1923, he went to Balliol College at Oxford University

whose "dreaming spires" hid a network of intrigue and future traitors to the West.

Balliol College was, and still is, the center of recruiting for the Round Table. After a thorough brainwashing conducted by the Tavistock Institute of Human Relations representative, A.D. Lindsay, who had succeeded Master of Balliol T.H. Green, Elliot was received into the Round Table and sent to The Royal Institute of International Affairs to be given his assignment, which was that he return to the United States to become a leader in the academic community.

The Round Table's driving philosophy was to have Round Tablers in positions to formulate and carry out social policies through social institutions whereby what Ruskin called "the masses" could be manipulated. Members infiltrated the highest levels of banking after

undergoing a course at the Tavistock Institute. The course was drawn up by Lord Leconsfield, an intimate of the British royal family, and later run by Robert Brand who went on to manage Lazard Freres. The Royal Institute of International Affairs was and remains totally interfaced with the British monarchy.

[H: Please be aware of the great numbers of your U.S. citizens who are being "knighted" (Sir this or that) by the Queen of England. Bush, movie actors, Kuralt just yesterday, Hitchcock and BUNCHES of others. You must understand that with the "knighting" comes promises, a turn at the brainwashing centers and LIMITATIONS against ever expressing an individual opinion—ever again! EXPECT SPEILBERG TO GET "KNIIGHTED" IN THE NEAR FUTURE FOR HIS OUTRAGEOUS SHINDLER STORY. WHAT HAPPENED IN SHINDLER'S ACTUAL ORGANIZATION WAS THAT IT

PROVES THAT "THAT" PLACE WAS NOT AN EXTERMINATION CENTER. JUST AS WE HAVE PRESENTED BEFORE—MOST OF THOSE CENTERS WERE FACTORIES which utilized workers to build products and for war machinery, etc. Spellberg has made it look like some goodly-two-shoes saving the masses—no, just exploiting workers! The Chinese do it every day with their own citizen prisoners.]

Some of the spinoffs of the Round Table are the Bilderbergers, set up and run by Duncan Sandys, a prominent politician and son-in-law of the late Winston Churchill; the Ditchley Foundation, a secret bankers' club which I exposed in my 1983 work, *International Bankers' Conspiracy: The Ditchley Foundation*; the Trilateral Commission; the Atlantic Council of the United States, and the Aspen Institute for Humanistic Studies [H: A pretty close fourth to the University of Science and Philosophy as referenced to "Humanistic studies".], whose well-hidden, behind the scenes founder was Lord Bullock of the RIIA for whom Robert Anderson fronted.

HENRY KISSINGER

The way in which Henry Kissinger, the RIIA's chief asset in the United States, came to power is a story of the triumph of the institution of the British monarchy over the Republic of the United States of America. It is a tale of horror, too long to be included here. Nevertheless, it would be remiss of me if I did not mention just a few of the highlights of Kissinger's rise to fame, fortune and power. [H: PLEASE PAY ATTENTION—IT IS STILL HENRY KISSINGER WHO RUNS THE U.S.A.! I ALSO URGE YOU, IF YOU YET HAVEN'T: GET A COPY OF THE HENRY KISSINGER-KGB BOOK FROM CRIMINAL POLITICS. (See box on next page for ordering information.) CRIMINAL POLITICS' Patterson has some hate-grudge going on against "me" so I won't run in-depth information on ordering. However, I am sure that the CONTACT staff has available the basic data. I am continually astonished, as well as I know human, that you will play such silly and petty games while your world goes down in flames—A REAL HOLOCAUST TO END THEM ALL!]

After a stint in the United States Army, beginning with the job of driving General Fritz

"The Round Table played a pivotal role in the coup. The express purpose of the Round Table, after swallowing up South Africa, was to blunt the benefits to the United States of the American War of Independence, and once more bring the United States under British control."

"EXPECT SPEILBERG TO GET 'KNIIGHTED' IN THE NEAR FUTURE FOR HIS OUTRAGEOUS SHINDLER STORY."

Kraemer around war-torn Germany, thanks to the Oppenheimer family, Kissinger was picked to attend Wilton Park for further training. At the time he held the rank of private first class. In 1952 Kissinger was sent to the Tavistock Institute where R.V. Dicks took him in hand and turned him inside out. Thereafter there was no holding Kissinger back. He was later drafted to serve under George Franklin and Hamilton Fish of the Council on Foreign Relations' New York office.

It is believed that the official nuclear policy adopted by the United States was delivered to Kissinger during his stay at Tavistock and further shaped by his participation in "Nuclear Weapons and Foreign Policy", a Round Table seminar which brought forth the doctrine known as "flexible response", a total irrationality, which became known by the acronym MAD.

Thanks to William Yandell Elliot and under the tutelage of John Wheeler Bennett, top intelligence director of the Round Table and chief of MI-6 field operations in the United States, Kissinger became Elliot's "favorite son" as he explained in his book, *THE PRAGMATIC REVOLT IN POLITICS*. Kissinger was coopted into the Round Table to push monetarist policies he studied at Harvard International Seminars.

Kissinger avidly absorbed Elliot's teachings and was no longer recognizable as the man General Kraemer once described as "my little Jew-boy driver". Kissinger was inculcated with the spirit of the Master of Balliol, becoming an ardent disciple of decadent British aristocracy. Adopting the philosophies of Toynbee, chief intelligence director for MI-6 at the Royal Institute of International Affairs, Kissinger used its papers to write his undergraduate "dissertation".

By the mid 1960s Kissinger had proved his worth to the Round Table and the RIIA, and thus to the British monarchy. As a reward and a test of what he had learned, Kissinger was placed in charge of a small group consisting of James Schlesinger, Alexander Haig and Daniel Ellsberg. The Round Table was using them to conduct a series of experiments. Co-operating with this group was the Institute of Policy Studies chief theoretician, Noam Chomsky [of M.I.T.].

Haig, like Kissinger, worked for General Kraemer, albeit not as a driver, and the general found a number of varied openings in the Department of Defense for his protege. Once Kissinger was installed as National Security Advisor, Kraemer got Haig the job as his deputy. Ellsberg, Haig, and Kissinger then set in motion the RIIA's Watergate plan to oust President Nixon for disobeying direct instructions. Haig played the lead role in brainwashing and confusing President Nixon, and in effect it was Kissinger who ran the White House during the softening up of the President. As I mentioned in 1984, Haig was the White House go-between known as "Deep Throat", passing information to the *Washington Post* team of Woodward and Bernstein.

The Watergating of Nixon was the biggest coup yet pulled off by the Round Table as an agency and an arm of the RIIA. All the tangled threads led back to the Round Table; from there to the RIIA, and right back to the Queen of England. The humiliation of Nixon was an object lesson and a warning to future Presidents of the United States not to imagine they could go against the Committee of 300 and win. Kennedy was brutally murdered in full view of the American people for the same reason; Nixon was not considered worthy

enough to suffer the same fate as John F. Kennedy.

But whatever the method used, the Committee of 300 made sure that all would-be aspirants for the White House got the message: "Nobody is beyond our reach." That this message remains just as forceful as it was when Kennedy was murdered and Nixon hounded out of office, is evidenced by the character of President George Bush, whose eagerness to please his masters should be cause for grave concern among those who worry about the future of the United States. **[H: Not to even give mention of the Billaries!]**

The purpose of the exercise was made clear in the Pentagon Papers episode and the drafting of Schlesinger into the Nixon Administration to act as a spoiler in the defense establishment and a counterforce to the development of atomic energy, which role Schlesinger carried out from the shelter of his position in the Atomic Energy Commission, one of the key factors in deindustrializing the United States in the planned Club of Rome Post Industrial-Zero-growth strategies. From this beginning we can trace the roots of the 1991 recession/depression which has thus far cost the jobs of 30 million Americans.

PENETRATION OF THE COMMITTEE OF 300

It is virtually impossible to penetrate the Committee of 300 and the oligarchical families that go to make it up. The camouflage they pull over themselves as a protective covering is very hard to rip off. This fact should be noted by every freedom-loving American: The Committee of 300 dictates what passes for United States foreign and domestic policies and has done so for over 200 years. Nowhere was this more strikingly portrayed than when a cocky President Truman had the wind

knocked out of him by Churchill ramrodding the so-called "Truman Doctrine" down the throat of the little man from Independence, Missouri.

Some of their former members, whose descendants filled vacancies caused by death, and present members include Sir Mark Turner, Gerald Villiers, Samuel Montague, the Inchcapes, Keswicks, Peases, Schroeders, Airlies, Churchills, Frasers, Lazars and Jardine Mathesons. The full list of members is presented elsewhere; these people on the Committee ORDERED President Wilson to go to war against Germany in the First World War; this Committee ordered Roosevelt to engineer the Japanese attack on Pearl Harbor with the object of getting the United States into the Second World War.

These people, this Committee, ordered this nation to war in Korea, Vietnam and the Persian Gulf. The plain truth is that the United States has fought in 5 wars this century for and on behalf of the infamous Committee of 300. It seems that, apart from just a few, no one has stopped to ask, "WHY ARE WE FIGHTING THESE WARS?" The Big Fraud of "patriotism", martial music and waving flags and yellow ribbons, it seems, caused a great nation to become bereft of its senses.

[END QUOTING OF PART FIFTEEN]

[H: On that note let us close for today. Thank you.]

JOURNALS OF THE WEEK—BOOK REVIEW

**"When You KNOW, It Can Make All The Difference:
You Can Help Yourself And Your Loved Ones To Understand"**

Successfully taking charge of your quest for KNOWLEDGE brings you into the dimension of the "informed" and in so doing comes great joy.

In our review of this week's JOURNALS we have selected four which offer a cross-section of information, related to this week's CONTACT, which may help to put important pieces of the Modern World puzzle into perspective. First there must come TRUTH, and then, with action, is the realization that KNOWLEDGE IS POWER!

Take a look at the highlights for these four of Gyeorgos Ceres Hatonn's JOURNALS.

RELATIVE CONNECTIONS VOL. I (#73)

"Confirm your own findings—A presentation of a massive variety of 'subjects' treated briefly so you can go further to find TRUTH of CIRCUMSTANCES and PLAYERS." — Hatonn

- What or who is Tavistock Institute?
- Letter of introduction and background by John Coleman, author of *The Committee Of 300*.
- Vincent Foster: A cover-up; he was murdered!
- 1930: Walter Russell takes on the scientists and wins—in *N.Y. Times*; Russell's Genero-Radiative concept.
- Solving the other, unrecognized half of Newton's gravitational problem.
- Thought provoking discussion: Do you REALLY know? WHAT do you really KNOW? From 'where' came your information? Why do you believe 'it' to be so? HOW do you KNOW? WHO is your source?
- The "BIG LIE"—review of L. Spooner's book: *NO TREASONS; The Constitution of No Authority*, and A.J. Nocks *Our Enemy, The State*.
- Biological warfare programs & Russian spying: 1992 report—note the similarity with 1994 events; More KGB agents in the CIA than Americans! Who really controls the "new" Russia; Who are the secret rulers?

Also

- A perspective on home schooling: emotional trauma; More on Brookings Institute & MI-6 and MI-5; Washington ruled by two factions:

Rockefeller Cartel & Bolsheviks; Homestead AFB, Florida & Drugs; Vietnam POWs & Political Payoffs; Who really runs the U.S. Government? Deadly electromagnetic attack on U.S. Moscow Embassy; Russia's Woodpecker (ELF) signals and the zapping of we-the-people; Copyright laws: what is and isn't.

PLAYERS IN THE GAME; DESTINY OF DOOM! (#77)

"If you think you are not 'had' in this game of non-chance—look again. You had best recognize the players in the major rule-book writing for you are playing by the rules of the Controllers of Destiny and Builders of Doom. Even the Elite have Doomsday plans—where are YOURS?"

—Hatonn

Learn how the New World Order doesn't play fair. The Committee of 300 has a major bureaucracy at its disposal made up of hundreds of think tanks and front organizations that run the whole gamut of private businesses and government leaders.

- Find out which institutions control us. How they control us and some of their history.
- Discover how NATO ordered Sussex University to establish a very special brain-washing center.
- Tavistock provided most of the detailed programs that led to the establishing of the Office of Naval Intelligence (ONI), the number one intelligence service in the United States, and much more.
- Learn who sits at the head of the Committee of 300 that rules over a vast network of closely-linked corporations, never pays taxes and is answerable to no one.
- FEMA is the natural successor to the Strategic Bombing Survey of WW II.

Also

- Ground Wave Emergency Network (GWEN)
- Pope John 23rd's predictions up to the year 2000...astoundingly accurate, so far!

THE IRON TRAP AROUND AMERICA (#78)

"You had better start looking carefully at WHO is the enemy of the Russians. On Sept. 14, 1993 an article in the Washington Times was headlined: RUSSIAN NUCLEAR EXERCISES INCLUDE MOCK HIT ON U.S."

—Hatonn

Learn about some of the players and their game:

- Notes from John Beaty's revealing book *The Iron Curtain Over America*.
- Discover the planet of people of THE LIE.
- "Democratic" Russia exposed as hoax.
- Who were the Bolsheviks and who brought this Anti-God state of expression to our world?

Also

- World religions meeting; Activity at New Mexico Proving Grounds; behind the scenes at Stanford Research Center; Eisenhower's Death Camp; Bush's sons in Kuwait—why?; Tesla's turbine pump-generator, inspired technology.

RUSSIAN ROULETTE (#81)

- A fascinating digest of International intrigue and political maneuverings in the mind-boggling game of Elite greed, power and control of land, industry, and we-the-people.
- This is 'Russian Roulette' for control of America—or is that Amerika.
- Learn all about a proposed constitution model for the Newstates of America.

Also

- Discover what the Government is not telling you about its underground U.S. military bases and tunnels.
- Find out why British power still rules.
- How the Beatles and their 12-atonal system of music was promoted by Ed Sullivan and used to negatively influence the youth of America and the world.

YES! Please rush me these JOURNALS on smart survival. I understand that if I order the four JOURNALS together, my cost will be U.S. \$5.50 each, plus shipping and handling. If I select from one to three JOURNALS, my cost will be U.S. \$6.00 each, plus shipping and handling.

Committee Of 300

(Continued)

3/17/94 #1 HATONN

PLOTS THICKEN

As we sit to write this morning I have some requests of you in response to requests TO US. We will effort to cover everything we can but the little paper can't handle the load. I am told that perhaps within the next month, if some commitments flow through as dedicated, the paper will be able to at least stay in business. I am further assured, however, that no chickens shall be counted before the hatching!

I bother to bore you up front with this information because, in addition, there are some subjects making the rounds of press, radio, and other resources which "I" shall not jeopardize Dharma's position, or that of other parties, by making comment of a personal nature.

Since Col. Gritz's radio barrage against the Ekkers, myself, *CONTACT*, (the "ragsheet of lies and distortions"), George Green's assaults against the "Truthfuck Ekkers" and other such endearing terms, and the Constitutional Law Center (not to be confused with "their" Constitutional Law Centre Trust with the same address, etc.), I feel it far wiser to not comment on all the "stuff" pouring in to the *CONTACT*. Dharma appreciates the "confirmation" of "dirty tricks" going on—but we have far too much information of quality "difference making" than to play in a game of guns and robbers. I ask that *CONTACT* personnel use discretion in offering the reprints and only offer those from public resources such as newsletters, press, etc. "Information" must always be the name of our game with TRUTH to the very best of our ability to offer it. I believe what you are seeing is the spiraling BACK of that which is sent FORTH—the universal law is that unto self will return the fruits of the crops planted. Deceit will bring unfoldment of that deceit and thus and so.

I will also, at another writing however, offer another of Dr. Carlson's (Hawaii) admonitions to representatives and senators—excellent guidelines for you-the-people everywhere. He and some of his friends study the ongoings of legislatures and planned legislation and then hit IT with TRUTH. It is making far more DIFFERENCE than are gun-toting Supremacists. The ongoing scenario may well cause some separation of species of human—on a very superficial and political level—HOWEVER, GOD MADE MAN IN "HIS" IMAGE WHICH IS LIGHT—A COMPILATION OF ALL. Yes, there ARE differences in the races of "man"—but YOU have no right to judge cause, effect or, somehow, tout superiority of one above another. Since GOD has a purpose for each and every creation—I think you can leave the reasons for differences to Him—and you

clean up the actions taking place as man turns against man—of any and all colors.

If you think that a handful of you can stand against a nuclear equipped army of totally mind-controlled entities—with your weapons—please forget it. If you hole up somewhere as in Idaho in the Gritz planned community, you shall simply be holocausted from the air side. Remember, there are FOUR directions predominantly with infinite variations in-between. You could be reached through tunnels and from the air far more easily than one on one at the camp gate. Intelligence and knowledge is what will get you through this time of tribulation. You WILL need survival sessions—that is, preparedness. To FIGHT with your perceived enemy is stupid—you don't yet KNOW your enemy as to identification, much less recognize him in a battle called WAR!

I would like to point out to you some interesting information (classified for selective use ONLY and protected by the Copyright Law, Title 17 USC 107 [H: so YOU can't have it]).

"I believe what you are seeing is the spiraling BACK of that which is sent FORTH—the universal law is that unto self will return the fruits of the crops planted."

The cover is entitled FIRE OFFICER'S GUIDE TO DISASTER CONTROL. Now, don't think "they" have singled out the Firemen, as this is simply a part of the overall REQUIRED STUDY course. There is an inter-

esting chapter in this small portion sent to us, *ENEMY ATTACK AND UFO POTENTIAL*. The constructors of the book (many out of such as Naval Intelligence) are quite clever in that the chapter in point is numbered "13". Still think I'm bluffing when I tell you "they" are setting you up for a grand show-and-tell? When you run out of people to BLAME for your plight and to unify the world into a massive terrorist army—you are going to have to bring on the "unknown", are you not? Well, where you gonna get that kind of show? Right underground where you have "built" the cast of thousands to panic you out of your wits—while Space parties are attempted to be laughed off the map. Will it work? Indeed—the panic part. Will it succeed? NO! Your counterparts from SPACE are far, far advanced of such evil and trite little games. However, we don't have any intention of butting into your games. Those of evil who live by the sword shall perish by that sword. You who live within God shall survive within that GOD! I DID NOT SAY "CHURCH"—I SAID GOD!

One of the most interesting bits of informative literature, however, comes from a reader in Missouri. It comes from *FOREIGN AFFAIRS*, Vol. 73 No. 2 and is titled: *THE RUSSIAN 'MAFIA'*. The second article from same is titled *CULTURE IS DESTINY, A Conversation with Lee Kuan Yew* (patriarch of Singapore). I have suggested several times that the *CONTACT* should subscribe to this journal in point as it offers great insight into the CFR and other "Foreign politics" which simply RUN YOUR

WORLD! IS THERE DISINFORMATION IN IT? OF COURSE, THE MOST IMPORTANT ONES TO "FOOL" ARE THE ONES IN CHARGE! HOWEVER, YOU CAN ALWAYS GET THE DRIFT OF THE TIDE AND WHERE THE KISSINGERS OF YOUR WARDEN CREW ARE HEADED.

In an effort to get you informed better, we are not going to interrupt for these subjects in coverage. Let us move right on with a continuation of "300" so you get the outline of the skeleton of the entity against you, nation, world and TRUTH IN FREEDOM. Why? Because you will THEN know who to watch. It will remain very difficult because the name of their game is SECRET ENCOUNTERS and YOU are not supposed to know other than that which they allow you to find out. However, it IS enough if you pay attention.

CONTINUATION: *CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300*
by "Dr. John Coleman"
(part 16)

By the way, for you who follow Coleman's writings, he has another book released since the printing of "300". It is entitled: *DIPLOMACY BY DECEPTION: An Account of the Treasonous Conduct by the Governments of Britain and the United States*. The publisher in both cases is JOSEPH PUBLISHING CO. (America West is no longer any LEGAL participant in Dr. Coleman's works.) I ask here, as always, PLEASE GET YOUR BOOKS FROM THE AUTHOR [W.I.R., 2533 N. Carson St., Carson City, NV 89706] OR ACCORDING TO THE PREFERENCE OF EACH AUTHOR! THANK YOU.

[QUOTING:]

"HATE JAPAN" CAMPAIGN

On the 50th anniversary of Pearl Harbor, a new "hate Japan" campaign is being waged, not by the Institute of Pacific Relations (IPR), but in the most direct and brazen manner by the Bush Administration and Congress. The object is the same as it was when Roosevelt inspired the attack on Pearl Harbor: paint the Japanese as aggressors and wage economic war, then ready our forces for the next phase—armed aggression against Japan.

This is already in the works; it is only a matter of time before more of our sons and daughters are sent off to be slaughtered in the service of the feudal lords of the Committee of 300. We ought to shout from the housetops, "It is not for freedom nor for love of country that we are going to die, but for a system of tyranny that will shortly envelope the entire world."

So tight is the grip of this organization on Britain that 95% of British citizens have, since the 1700s, been forced to accept as their share, less than 20% of the national wealth of the country. This is what the oligarchical feudal lords of England like to call "democracy". These nice, proper English gentlemen are, in reality, utterly ruthless. What they did in India, Sudan, Egypt, Iraq, Iran and Turkey will be repeated in every country under the New World Order—One World Government. They will use every nation and its wealth to protect their privileged way of life. It is this class of British aristocracy whose fortunes are inextricably woven and intertwined with the drug trade, the gold, diamond and arms trades, banking, commerce and industry, oil, the news media

and the entertainment industry.

Apart from the rank and file of the Labour Party (but not its leaders), the majority of British political leaders are descendants of titled families, the titles being hereditary and handed down from father to eldest son. This system ensures that no "outsiders" aspire to political power in England. Nevertheless, some aliens have been able to squeeze their way in.

Take the case of Lord Halifax, former British Ambassador to Washington and the man who delivered Committee of 300 orders to our government during the Second World War. Halifax's son, Charles Wood, married a Miss Primrose, a blood relative of Lord Rothschild. Behind such names as Lord Swaythling is hidden the name of Montague, director of the Bank of England and adviser and confidant of the majority stockholder of the Shell Oil Company, Queen Elizabeth II. All are members of the Committee of 300. Some of the old barriers have been broken down. Title is today not the only criteria for admission to the Club of Rome.

It is appropriate to provide an overview of what the Committee of 300 hopes to achieve, what its aims and objectives are, before we proceed to its vast, far flung interlocking interfacing of banks, insurance companies, corporations, etc. The following information has taken years of investigative research to put together from hundreds of documents and sources of mine who gave me access to some of the papers in which the details are hidden.

AIMS AND OBJECTIVES

The Committee of 300 consists of certain individual specialists in their own fields, including cultus diabolicus, mind altering drugs, and specialists in murder by poison, intelligence, banking, and every facet of commercial activity. It will be necessary to mention former members since deceased, because of their former roles and because their places were given to family members or new members considered worthy of the honor.

Included in the membership are the old families of the European Black Nobility, the American Eastern Liberal Establishment (in Freemason hierarchy and the Order of Skull and Bones), the Illuminati, or as it is known by the Committee, "MORIAH CONQUERING WIND", the Mumma Group, the National and World Council of Churches, the Circle of Initiates, the Nine Unknown Men, Lucis Trust, Jesuit Liberation Theologists, The Order of the Elders of Zion, the Nazi princes, International Monetary Fund (IMF), the Bank of International Settlements (BIS), the United Nations (UN), the Central, British Quator Coronati, Italian P2 Masonry—especially those in the Vatican hierarchy—the Central Intelligence Agency, Tavistock Institute selected personnel, various members of leading foundations and insurance companies named in the lists that follow, the Hong Kong and Shanghai Bank, the Milner Group-Round Table, Cini foundation, German Marshall Fund, Ditchley Foundation, NATO, Club of Rome, Environmentalists, The Order of St. John of Jerusalem, One World Government Church, Socialist International, Black Order, Thule Society, Anenherbe-

Rosicrucianists, The Great Superior Ones and literally HUNDREDS of other organizations.

What then are we looking at? A loosely-knit gathering of people with weird ideas? Certainly not. In the Committee of 300, which has a 150-year history, we have some of the most brilliant intellects assembled to form a completely totalitarian, absolutely controlled "new" society—only it isn't new, having drawn

"The Committee of 300 consists of certain individual specialists in their own fields, including cultus diabolicus, mind-altering drugs, and specialists in murder by poison, intelligence, banking, and every facet of commercial activity."

most of its ideas from the Clubs of Cultus Diabolicus. It strives toward a One World Government rather well described by one of its late members, H.G. Wells, in his work commissioned by the Committee which Wells boldly called: "THE OPEN CONSPIRACY—PLANS FOR A WORLD REVOLUTION".

It was a bold statement of intent, but not really so bold since nobody believed Wells except the Great Superior

Ones, the Anenherbes and those who were what we would call "insiders" today. Here is an extract of what Wells proposed:

"The Open Conspiracy will appear first, I believe, as a conscious organization of intelligent, and in some cases wealthy men, as a movement having distinct social and political aims, confessedly ignoring most of the existing apparatus of political control, or using it only as an incidental implement in the stages, a mere movement of a number of people in a certain direction, who will presently discover, with a sort of a surprise, the common object toward which they are all moving. In all sorts of ways, they will be influencing and controlling the ostensible government."

Like George Orwell's 1984, Well's account is a mass-appeal for a One World Government. Summarized, the intent and purpose of the Committee of 300 is to bring to pass the following conditions:

STRUCTURE OF REMAINING POPULATION

A One World Government and one-unit monetary system, under permanent non-elected hereditary oligarchists who self-select from among their numbers in the form of a feudal system as it was in the Middle Ages. In this One World entity, population will be limited by restrictions on the number of children per family, diseases, wars, famines, until 1 billion people who are useful to the ruling class, in areas which will be strictly and clearly defined, remain as the total world population.

There will be no middle class, only rulers and servants. All laws will be uniform under a legal system of world courts practicing the same unified code of laws, backed up by a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist. The system will be on the basis of a welfare state; those who are obedient and subservient to the One World Government will be rewarded with the means to live; those who are rebellious will simply be starved to death or be declared outlaws, thus a target for anyone who wishes to kill them. Privately owned firearms or weapons of any kind will be

prohibited.

Only one religion will be allowed and that will be in the form of a One World Government Church, which has been in existence since 1920 as we shall see. Satanism, Luciferianism and Witchcraft shall be recognized as legitimate One World Government curricula with no private or church schools. All Christian churches have already been subverted and Christianity will be a thing of the past in the One World Government.

To induce a state where there is no individual freedom or any concept of liberty surviving, there shall be no such thing as republicanism, sovereignty or rights residing with the people. National pride and racial identity shall be stamped out and in the transition phase it shall be subject to the severest penalties to even mention one's racial origin.

Each person shall be fully indoctrinated that he or she is a creature of the One World Government with an identification number clearly marked on their person so as to be readily accessible, which identifying number shall be in the master file of the NATO computer in Brussels, Belgium, subject to instant retrieval by any agency of the One World Government at any time. The master files of the CIA, FBI, state and local police agencies, IRS, FEMA, Social Security shall be vastly expanded and form the basis of personal records of all individuals in the United States.

Marriage shall be outlawed and there shall be no family life as we know it. Children will be removed from their parents at an early age and brought up by wards as state property. Such an experiment was carried out in East Germany under Drich Honnecker when children were taken away from parents considered by the state to be disloyal citizens. Women will be degraded through the continued process of "women's liberation" movements. Free sex shall be mandatory.

Failure to comply at least once by the age of 20 shall be punishable by severe reprisals against her person. Self-abortion shall be taught and practiced after two children are born to a woman; such records shall be contained in the personal file of each woman in the One World Government's regional computers. If a woman falls pregnant after she has previously given birth to two children, she shall be forcibly removed to an abortion clinic for such an abortion and sterilization to be carried out.

Pornography shall be promoted and be compulsory showing in every theater of cinema, including homosexual and lesbian pornography. The use of "recreational" drugs shall be compulsory, with each person allotted drug quotas which can be purchased at One World Government stores throughout the world. Mind control drugs will be expanded and usage

become compulsory. Such mind control drugs shall be given in food and/or water supplies without the knowledge and/or consent of the people. Drug bars shall be set up, run by One World Government employees, where the slave-class shall be able to spend their free time. In this manner the non-elite masses will be reduced to the level and behavior of controlled animals with no will of their own and easily regimented and controlled.

The economic system shall be based upon the ruling oligarchical class allowing just enough foods and services to be produced to

"Only one religion will be allowed and that will be in the form of a One World Government Church."

keep the mass slave labor camps going. All wealth shall be aggregated in the hands of the elite members of the Committee of 300. Each individual shall be indoctrinated to understand that he or she is totally dependent upon the state for survival. The world shall be ruled by Committee of 300 Executive Decrees which become instant law. Boris Yeltsin is using Committee of 300 decrees to impose the Committee's will on Russia as a trial run. Courts of punishment and not courts of justice shall exist. [H: Well—there you have it!]

Industry is to be totally destroyed along with nuclear powered energy systems. Only the Committee of 300 members and their elitists shall have the right to any of the earth's resources. Agriculture shall be solely in the hands of the Committee of 300 with food production strictly controlled. As these measures begin to take effect, large populations in the cities shall be forcibly removed to remote areas and those who refuse to go shall be exterminated in the manner of the One World Government experiment carried out by Pol Pot in Cambodia.

Euthanasia for the terminally ill and the aged shall be compulsory. No cities shall be larger than a predetermined number as described in the work of Kalgeri. Essential workers will be moved to other cities if the one they are in becomes overpopulated. Other non-essential workers will be chosen at random and sent to underpopulated cities to fill "quotas".

At least 4 billion "useless eaters" shall be eliminated by the year 2050 by means of limited wars, organized epidemics of fatal rapid-acting diseases and starvation. Energy, food and water shall be kept at subsistence levels for the non-elite, starting with the White populations of Western Europe and North America and then spreading to other races. The population of Canada, Western Europe and the United States will be decimated more rapidly than on other continents, until the world's population reaches a manageable level of 1 billion, of which 500 million will consist of Chinese and Japanese races, selected because they are people who have been regimented for centuries and who are accustomed to obeying authority without question.

From time to time there shall be artificially contrived food and water shortages and medical care to remind the masses that their very existence depends on the goodwill of the Committee of 300.

After the destruction of housing, auto, steel and heavy goods industries, there shall be limited housing, and industries of any kind allowed to remain shall be under the direction of NATO's Club of Rome as shall all scientific and space exploration development, limited to the elite under the control of the Committee of 300. Space weapons of all former nations shall be destroyed along with nuclear weapons.

All essential and non-essential pharmaceutical products, doctors, dentists and health care workers will be registered in the central computer data bank and no medicine or medical care will be prescribed without express permission of regional controllers responsible for each city, town and village.

The United States will be flooded by peoples

of alien cultures who will eventually overwhelm White America, people with no concept of what the United States Constitution stands for and who will, in consequence, do nothing to defend it, and in whose minds the concept of liberty and justice is so weak as to matter little. FOOD and shelter shall be the main concern.

"At least 4 billion 'useless eaters' shall be eliminated by the year 2050 by means of limited wars, organized epidemics of fatal rapid-acting diseases and starvation."

No central bank save the Bank of International Settlement and the World Bank shall be allowed to operate. Private banks will be outlawed. Remuneration for work performed shall be under a uniform predetermined scale throughout the One World Government. There shall be no wage disputes allowed, nor any diversion from the standard uniform scales of pay laid down by the One World Government. Those who break the law will be instantly

executed.

There shall be no cash or coinage in the hands of the non-elite. All transactions shall be carried out by means of a debit card which shall bear the identification number of the holder. Any person who in any way infringes the rules and regulations of the Committee of 300 shall have the use of his or her card suspended for varying times according to the nature and severity of the infringement.

Such persons will find, when they go to make purchases, that their card is black-listed and they will not be able to obtain services of any kind. Attempts to trade "old" coins, that is to say silver coins of previous and now defunct nations, shall be treated as a capital crime subject to the death penalty. All such coinage shall be required to be surrendered within a given time along with guns, rifles, explosives and automobiles. Only the elite and One World Government high-ranking functionaries will be allowed private transport, weapons, coinage and automobiles.

If the offense is a serious one, the card will be seized at the checking point where it is presented. Thereafter that person shall not be able to obtain food, water, shelter and employment, medical service, and shall be officially listed as an outlaw. Large bands of outlaws will thus be created and they will live in regions that best afford subsistence, subject to being hunted down and shot on sight. Persons assisting outlaws in any way whatsoever, shall likewise be shot. Outlaws who fail to surrender to the police or military after a declared period of time, shall have a former family member selected at random to serve prison terms in their stead.

Rival factions and groups such as Arabs and Jews and African tribes shall have differences magnified and allowed to wage wars of extermination against each other under the eyes of NATO and UN observers. The same tactics will be used in Central and South America. These wars of attrition shall take place BEFORE the take-over of the One World Government and shall be engineered on every continent where large groups of people with ethnic and religious differences live, such as the Sikhs, Moslem Pakistanis and the Hindu Indians. Ethnic and religious differences shall be magnified and exacerbated and violent conflict as a means of "settling" their differences shall be encouraged and fostered.

All information services and print media shall be under the control of the One World

Government. Regular brainwashing control measures shall be passed off as "entertainment" in the manner in which it was practiced and became a fine art in the United States. Youths removed from "disloyal parents", shall receive special education designed to brutalize them. Youth of both sexes shall receive training to qualify as prison guards for the One World labor camp system.

It is obvious from the foregoing that much work remains to be done before the dawning of the total New World Order can occur. The Committee of 300 has long ago perfected plans to destabilize civilization as we know it, some of these plans were made known by Zbigniew Brzezinski in his classic work *THE TECHNOTRONIC ERA* and the works of Aurelio Peccei who founded the Club of Rome, especially in his book, *THE CHASM AHEAD*.

[END QUOTING OF PART SIXTEEN]

This is enough for this sitting. I ask that you readers go over these writings several times—until TRUTH sinks into your minds. THIS is what you are headed for and each day that passes brings you ones more limited capability of recovery.

Through the media you are being prepared for these things—but in a reverse psychology. You are being shown "science fiction" which is so "far out" as to turn off your interests. THOSE THINGS ARE MEANT FOR YOU! AND, YES INDEED, THERE WILL BE LITTLE, AND BIG, TOTAL MONSTERS TO ATTEND YOU FOR THESE CROSS-HYBRIDS ARE EASY TO TRAIN, CONTROL, WITHOUT EMOTION OR LOVING—AND WITHOUT SOUL! OH YES INDEED, YOU WILL COMPLY AND BE VERY PLEASED TO DO SO. YOU MUST "FIX" IT BEFORE THE HAPPENING—FOR AFTERWARDS WILL NECESSITATE A TOTAL DESTRUCTION OF YOUR PLANET CIVILIZATION TO FACILITATE REFOUNDATION.

A bleak picture? Magical cures? How about some miracles? Then why don't YOU start redrawing and creating a different picture? Why don't YOU present some magical cures—GOD will provide the substance, and, moreover—WHY DON'T YOU PRESENT THE MIRACLES (I DIDN'T SAY MAGICAL TRICKS)? IT IS YOUR RESPONSIBILITY—NOT MINE! SALU.

"It sounds too threatening. How about 'The Ten Recommendations'?"

The News Desk

3/17/94 RICK MARTIN

WORLDWIDE UNEMPLOYMENT

In an article appearing in the March 8 edition of *THE ORLANDO SENTINEL*, WASHINGTON—"Global unemployment has risen to its highest levels since the Great Depression with nearly one of three workers out of work or earning too little to live decently, a U.N. organization says.

"In the United States, more people are joining payrolls and earnings are rising. But around the world, 120 million people are registered as unemployed and probably many more millions never bother to register, the International Labor Organization said in a report Sunday.

"Practically half of the 35 million unemployed workers in Western Europe have been off the employment rolls for a year or more," Michel Hansenne, the ILO's director general, said in a statement.

"His report estimates an additional 700 million are underemployed, earning less than needed to support a minimum standard of living. The World Bank finds that the average Ethiopian, for example, earned the equivalent of \$110—about 30 cents a day—in 1992.

"According to U.N. figures, the average income of the world's 5.5 billion people [closer to 6.5 billion] may have fallen slightly in 1993 for the fourth year in a row."

AMERICA'S HUNGRY

In an article from the March 9 edition of *THE ORLANDO SENTINEL*, "One in 10 Americans, or an estimated 26 million people, rely on charitable food agencies to eat, many of them families driven into the ranks of the hungry by joblessness, a study by the largest U.S. food bank said Tuesday.

"Second Harvest, which distributes thousands of tons of donated food and groceries annually, said nearly half its hungry clients are children, many from households where the chief breadwinner has lost a skilled job and can't find another one.

"The study found that less than one in five recipients of food aid were homeless, and only 8 percent could be considered transients.

"This study reveals a whole new realm of hungry people," said Christine Vladimiroff, president of Second Harvest. "[It] breaks the stereo-typical images of the homeless as those who are hungry."

"More than two thirds of the households relying upon charitable food outlets had no adult working, a majority of them jobless for more than three months, said the study, funded by Kraft General Foods.

"The study by a marketing research firm received responses from 11,822 agencies, including food pantries, soup kitchens and homeless shelters over an 18-month period. Second Harvest, a network of 185 food banks that supplies 41,587 charitable agencies, said it was the most comprehensive study ever done on such programs.

"The demand for donated food is growing, with some agencies having to turn away hun-

gry clients and reduce the size of food packages. Second Harvest projected food demand at 120.5 million pounds in 1993, a 16 percent increase from 1992."

U.S. HOMELESS CHILDREN

In an article appearing in the March 4 edition of *THE GAZETTE* (MONTREAL, CANADA), WASHINGTON—"More than one million children had no place to live during the late 1980s, and about one-third of them did not attend school regularly, the U.S. administration estimates. A draft report estimated the country's homeless population at the close of the decade was between 4.95 million and 9.52 million. Previous administrations put the figure at 600,000." [And of those homeless children, how many are being swept away to become victims of various behavior, mind-control, genetic, Project Monarch or Franklin cover-up type of sick, satanic practices by underground base personnel or others? And worse yet, who will miss them? Who will question their absence from the streets?]

HOSTILE TOWARD JEWS

In an article from the March 8 edition of *THE ALBUQUERQUE JOURNAL*, written by Kevin Costelloe, BERLIN—"One in five of Germans surveyed expressed hostile feelings toward Jews and half of those questioned thought there is too much talk about the Holocaust, the American Jewish Committee said Monday.

"David Singer, the group's research director, called the desire of many Germans to put the Holocaust behind them 'disappointing'.

"The poll found 22 percent of those questioned would prefer not to have Jews living in their neighborhood.

"Thirty-nine percent of those surveyed agreed with the statement that 'Jews are exploiting the Holocaust for their own purposes.' Twenty percent said Jews have too much influence.

"The extreme-right Republican party accuses Jewish groups of exploiting German war guilt for profit."

POINTING FINGERS

In a small note appearing in the *UNIVERSAL PRESS SYNDICATE*, "Once upon a time, there were four people; their names were Everybody, Somebody, Nobody and Anybody. Whenever there was an important job to be done, Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it.

"When Nobody did it, Everybody got angry because it was Everybody's job. Everybody thought that Somebody would do it, but Nobody realized that Nobody would do it.

"So consequently Everybody blamed Somebody when Nobody did what Anybody could have done in the first place."

CONSTITUTIONAL GUARANTEES

In a brief article by Vern Wilson, appearing in the Feb. 27 edition of the *GREAT FALLS TRIBUNE*, "Interior Secretary Bruce Babbitt said he would make substantial changes in his plan to improve environmental conditions on government-owned rangeland. He intends to bypass Congress and enact the plan through regulations. This Mr. Babbitt does not have the authority to do. Only Congress has the power to regulate—and the power to regulate includes the power to foster, protect, control, restrain, and prohibit with appropriate regard for the welfare of the public.

"But, here as elsewhere, this power does not carry with it the right to destroy the guarantees which are placed in the Constitution and amendments. For those who don't know, the guarantees are your rights. These rights are unalienable. They can not be taken away, nor can they be given away. No person in the United States—not the president, the congressman, nor the man in the street—can put himself above the basic law of the Constitution." [Philosophically correct, but tell it to Randy Weaver or the Davidians. We've come a long way, baby. When they have the bigger gun, they can, and DO, do whatever they like—rights or no rights.]

PEPPER SPRAY

In an article from the March 7 edition of *THE ALBUQUERQUE JOURNAL*, written by Ken Guggenheim, "Pepper spray is an effective weapon that doesn't kill, a police group says—even though at least 30 suspects have died after being sprayed.

"The International Association of Chiefs of Police examined 22 of the deaths and found that pepper spray wasn't a factor in any of them, said John Granfield, who supervised the project.

"Pepper spray contains a cayenne pepper extract in an oil base. It restricts breathing and is used by police to subdue unruly suspects.

"Some police groups question pepper spray's effectiveness. Other groups, including the American Civil Liberties Union, call it a deadly weapon.

"Most deaths occurred from 'positional asphyxia,' meaning that police restrained the suspects in a way that restricted their breathing, Granfield said. This is also a common cause of death in cases not involving pep-

per spray, he said.

"For example, suspects who are hogtied—lying face-down with handcuffs and leg shackles linked—sometimes suffocate if their bellies are pushed into their chest cavities."

TOP RELIGION PRIZE

In an article from the March 9 edition of *THE ORLANDO SENTINEL*, NEW YORK—"Like many of his contemporaries, Michael Novak went from anti-war activist in the 1960s to conservative in the '80s. The Catholic scholar's theological odyssey won him the \$1 million Templeton Prize for Progress in Religion."

"In announcing the award Tuesday, prize administrators praised him as a pioneer in the theology of economics. Best known for leading lay opposition in the U.S. bishops' critique of the nation's economy, Novak was chosen by a nine-judge panel that included former British Prime Minister Margaret Thatcher."

"The Templeton Prize was established in 1972 by investment manager John M. Templeton to recognize individuals who advance the world's understanding of religion. It is the largest monetary prize for achievement in any field."

"Previous winners include Mother Teresa, the Rev. Billy Graham and Alexander Solzhenitsyn. Watergate figure Charles Colson, who later founded a prison ministry, received the prize last year."

"Novak, whose writings include *The Spirit of Democratic Capitalism*, *Belief and Unbelief* and *The Experience of Nothingness*, holds the George Frederick Jewett Chair in Religion and Public Policy at the American Enterprise Institute in Washington."

"In the 1960s, he was a critic of the Vietnam War and an advocate of federal anti-poverty programs."

"He became a leading conservative theologian who argued that capitalism, restrained by political and moral forces, is the economic system most likely to make possible an escape from poverty."

ORDERED TO PAY

In an article from the March 11 edition of *THE MODESTO BEE*, SAN JOSE—"The city says Frank Schiavo must pay for trash collection, even though he doesn't have any garbage for crews to pick up."

"Schiavo, an environmental studies teacher, has so efficiently recycled, reused and composted that he has not produced any rubbish for the city to collect in 14 years."

"So he appealed a \$13.95 per month fee charged to residents for household garbage pickup and recycling. The city imposed the fee in July when it expanded its recycling program."

"Tuesday, the City Council praised Schiavo's

efforts, but also voted 7-3 to deny him an exemption."

"This is truly arbitrary and capricious governing," said the San Jose State professor. "If they're going to make this a tax, let the City Council get brave enough to say it's a tax."

"I'm amazed with all the brainpower we have at City Hall, there's not a single suggestion on how to encourage people to set an example," said one of Tuesday's dissenters, Councilman Jim Beall."

WETLANDS

In an article from the March 8 edition of *THE ORLANDO SENTINEL*, "The first two men imprisoned for violating federal wetlands regulations, accompanied by a busload of supporters, are taking their appeal before a three-judge panel today in Atlanta."

"Ocie Mills, 58, and his son Carey, 35, received 21-month prison sentences in 1989 for dumping fill dirt on a small waterfront lot the Army Corps of Engineers classified as wetlands and for cleaning out a drainage ditch without permits."

"Although they finished their terms about four years ago, serving 19 months with time off for good behavior, the Millses have appealed to have the convictions overturned. Their case is before the 11th U.S. Circuit Court of Appeals."

"The father and son have become heroes to property rights advocates."

"U.S. District Judge Roger Vinson in Pensacola heard their appeal last year but ruled he had no choice but to uphold the convictions because he couldn't change the law."

"Vinson, however, criticized what he termed *Alice in Wonderland* regulations that let the Millses be imprisoned as polluters of navigable waters for putting clean fill dirt on 'dry land.'"

BEEF BAN

In an article from the March 9 edition of *THE (LONDON) FINANCIAL TIMES*, written by Gillian Tett, "The European Commission warned yesterday that Germany would be breaking European law if it banned imports of British beef because of fears of mad cow disease."

"Commission officials said any move by Germany, which has threatened a ban because of its concern over bovine spongiform encephalopathy (BSE), would almost certainly be met by legal action from the Commission. This would probably mean an injunction in the European Court of Justice aimed at forcing the ban to be lifted."

"Health ministry officials in Bonn said yesterday that Germany intended to seek a special session with EU health ministers later this month to discuss a ban."

"In Brussels the Commission said: 'There is only one body that can take a decision to restrict exports in Europe and that is the Community.' It added that the Commission had repeatedly told the Germans there was no scientific evidence to link British beef with another spongi-form infection, Creutzfeldt-Jakob disease, which affects humans." [Sure. What's a gene or two difference among close diseases?]

PROMOTING AIDS CURE

In a brief article from the March 12 edition of *THE ALBUQUERQUE JOURNAL*, "The Fed-

eral Trade Commission is accusing an Albuquerque man of falsely promoting an algae-based dietary supplement as a cure for AIDS."

"FTC lawyers in Seattle have obtained a court order prohibiting Robert B. Danek and his company, Lifeline, Inc., from marketing its product as a treatment or cure for AIDS."

HEPATITIS-A OUTBREAK

In an article from the March 4 edition of *THE ALBUQUERQUE JOURNAL*, "The public health nurse in Gallup says there is an epidemic of hepatitis-A in rural McKinley County."

"Pat Doiron said there have been more than 30 cases of the illness in the past month and six in the past week."

AIDS REDEFINED

In an article from the March 11 edition of *THE MODESTO BEE* (CA), written by A. J. Hostetler, ATLANTA—"The number of new AIDS cases unexpectedly more than doubled last year under a broader definition of the disease and boosted by a sharp increase in the number of infections among heterosexuals."

"The U.S. Centers for Disease Control had projected that the number of new AIDS cases would jump 75 percent in 1993, the first year of the new definition. [They must redefine because they are running out of excuses from lying to us all along about this thing.] The number actually increased 111 percent."

"Last year, the CDC expanded its definition of AIDS infection to include people infected with the AIDS-causing human immunodeficiency virus who also have a severely suppressed immune system, tuberculosis, recurrent pneumonia or invasive cervical cancer."

GENE DIAGNOSIS

In an article from the March 5 edition of *THE ORLANDO SENTINEL*, "Doctors have isolated a gene that can be used to diagnose a type of non-Hodgkin's lymphoma, a cancer that strikes children, young adults and the elderly."

"The gene is found in approximately one-third of cases of a type of non-Hodgkin's lymphoma known as large-cell lymphoma, lead researcher Dr. Stephan Morris of St. Jude Children's Research Hospital in Memphis reported in Friday's issue of the journal of *SCIENCE*."

"The disease can be hard to diagnose, Morris said."

"Now, doctors can take a small tissue sample and test it for the newly isolated gene."

HANTAVIRUS & CDC

In an article from the March 7 edition of *THE ALBUQUERQUE JOURNAL*, written by A.J. Hostetler, ATLANTA—"Urban rats prowling subway tunnels and house mice scurrying through cupboards are not the culprits."

"Federal health officials say other kinds of rodents that usually shy from humans are the most likely to carry the hantavirus that has shown up in the Northeast after killing more than 30 people in the Southwest."

"Early in the investigation of the often fatal respiratory illness, scientists from the Centers for Disease Control and Prevention thought they might be dealing with a new virus."

"Over time, as they learned more about the

illness and investigated variant strains of the virus and its ability to infect different species of rodents, CDC researchers were less surprised to see it crop up elsewhere.

"We're going to find hantavirus all over the U.S.," predicted Dr. Jamie Childs, a CDC epidemiologist in charge of trapping rodents and looking for signs of infection.

"This is not a new disease. We're just newly recognizing it," Childs said.

FOWL CHOLERA

In an article from the March 3 edition of the *RICHMOND TIMES DISPATCH* (VA), written by Lawrence Latane, "Game officials feared they lost ground yesterday in their fight against avian cholera when high winds, pouring rain and unusually high tides hampered efforts to remove dead waterfowl from the shores of the Chesapeake Bay.

"The bad weather, especially lunar tides 2 to 4 feet above normal, could make the epidemic worse by making it harder to find birds washed into marshes and shoreline vegetation...

"As of early yesterday, the death toll stood at 3,800 birds in Virginia and an equal number in Maryland, where the cholera outbreak was first detected early last week."

SHARK CARTILAGE

In an article from the March 16 *DAILY NEWS* (PALMDALE, CA), written by Glen Martin of the *SAN FRANCISCO CHRONICLE*, "California's coastal sharks could soon face the kind of devastating fishing pressure that has nearly wiped out their cousins along the Atlantic seaboard, a spokesman for the Pelagic Shark Research Foundation has warned.

"According to Sean Van Sommeran, the threat to the sharks comes from East Coast commercial interests that will pay top dollar for shark cartilage—touted in recent years as a cure for certain kinds of cancer.

"There are 22 species of sharks in U.S. Atlantic waters, and virtually all of them have been overfished for meat, fins (used for soup) and now cartilage," said Van Sommeran. "The anecdotal evidence of massive decline is overwhelming."

"There's no quota on West Coast sharks yet, but they're already depleted. Basking sharks—the second largest fish in the world—are down to 10 percent of historic levels. Soupfin sharks have almost disappeared. Thresher sharks are very rare—they routinely went 1,000 pounds, now a 200 pound thresher is a big fish. Blue sharks used to be everywhere, now you have to really work to find them."

"Absher [Kenneth, shark cartilage wholesaler] defended both the therapeutic value of shark cartilage and his attempts to develop West Coast sources for the product. [More confirmation of what Hatonn has been saying; see the 3/1/94 issue of CONTACT for details.]

"We have a couple hundred testimonial letters and considerable scientific evidence that supports the value of shark cartilage," said Absher. Monterey Bay commercial fishermen already have caught wind of the cartilage inquiries, and are excited at the prospect of a new shark fishery, according to Van Sommeran, a former commercial fisherman."

1,000-YEAR-OLD TB

In an article from the March 15 edition of

the *FORT WORTH STAR-TELEGRAM*, written by John Noble Wilford of *THE NEW YORK TIMES*, "One thousand years ago, a woman in southern Peru died at the age of 40 to 45 and was buried in a stone tomb in a river valley near what is now the coastal community of Ilo.

"As sometimes happened in the desiccated climate of the Atacama Desert, her body dried out and was spontaneously mummified. Now modern scientists have conducted a revealing post-mortem examination of the well-preserved body.

"Their research offers fresh evidence that pre-Columbian Americans may already have been infected with some of the devastating diseases that were thought to have been brought to the New World by Columbus and other early explorers.

"In the mummy's right lung and a lymph node, the scientists found scars of disease. They were small, calcified lesions typical of tuberculosis. Extracting tissue fragments, molecular biologists isolated genetic material betraying the presence of *Mycobacterium tuberculosis*.

"For medical historians, the results pose the problem of explaining how tuberculosis, thought to have evolved only in the pre-Columbian Old World in association with the domestication of cattle, could have arisen in the Americas centuries before 1492. Cows in the New World were an early European import.

"For anthropologists, the existence of tuberculosis in prehistoric Peru serves as important indirect evidence of living conditions in a society that many centuries earlier had made the transition from migratory hunter-gatherers to the sedentary life of agriculture."

SNAKES

In a portion of *EARTHWEEK: A DIARY OF THE PLANET* for the week ending Feb. 25, from the *SAN FRANCISCO CHRONICLE*, written by Steve Newman—"Battered by a violent volcanic eruption in 1991 and plagued recently by typhoons and locusts, Philippine residents living near rumbling Mount Pinatubo are facing a new manace—poisonous snakes. The deadly reptiles, including cobras, have been lured to the area by an infestation of locusts that have destroyed rice, vegetable and banana crops. Farmers have been reluctant to catch the locusts in nets or to spray for them, out of fear of being bitten by the snakes."

GROSS DOMESTIC PRODUCT

The way forward

Industrial countries' growth falls to pre-war levels...

...as social security burdens rise and SE Asia closes wealth gap...

VENUS SURPRISE

In an article from *THE ORLANDO SENTINEL* dated March 10, "After months of poring over stunning pictures from the Magellan spacecraft, scientists suspect Venus may once have had a face lift.

"Instead of showing a cracked and cratered surface billions of years old, radar images collected by Magellan reveal a surprisingly young landscape with relatively few and evenly distributed craters and signs that the planet's surface has been massively recycled.

"Somehow, about 500 million years ago, Venus was resurfaced in some sort of catastrophic process. It was virtually wiped clean, and it's now sitting there collecting craters," said Ellen Stofan, deputy project scientist of the Magellan mission. "It's an open question why."

"Magellan's unveiling of Venus has provided history's first good, detailed look at a planet that has always been an enigma. Venus' surface is shrouded in clouds so pictures must be taken using radar signals. The images have been stunning.

"Despite the seeming inactivity, there are, certainly, features galore on Venus. These include mountains, deep valleys, channels, impact and volcanic craters, plus long systems of cracks and fissures."

EARTH FIRST IN IDAHO

In an article from the March 6 edition of *THE SPOKESMAN-REVIEW* (WA), MOSCOW, IDAHO—"A co-founder of the Earth First movement has moved to Moscow to open an office and help coordinate activities for the Cove-Mallard Coalition.

"Mike Roselle, 40, said he hopes to bring a permanent halt to road construction and logging in the Cove-Mallard area of the Nez Perce Forest near Grangeville. Members of Earth First have staged protests the past two summers near Dixie.

"But Idaho legislators are considering a bill that could hand protesters some long prison sentences." [The Constitution of the United States of America, Article 1: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press, or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.]"

SATELLITE PROBLEMS

In an article from the March 5 edition of *THE NEW YORK TIMES NATIONAL*, written by Tim Weiner, "A military communications satellite built primarily for nuclear war and launched last month at a cost of 1.3 billion has experienced a power failure in orbit, the Pentagon said today.

"Senior Pentagon officials described the problem as minor, but critics of the satellite program inside and outside of the Pentagon said it was significant. Pentagon and Congressional officials said information on the implications of the failure was classified as secret.

"The satellite is to be the first of six in the Milstar program.

"Research and development costs have reached about \$8 billion. Including the rockets to launch the satellites, the spaced-based part of Milstar will cost roughly \$10 billion to build.

"Billions more are being spent on Milstar's land-based terminals and data links for soldiers, sailors and fliers in the nuclear chain of command: bomber pilots, submarine commanders, covert special-operations units and, according to Pentagon budget plans, one-star generals inside lead-lined trucks that would serve as mobile command centers for broadcasting orders during a nuclear war."

SATELLITES WATCHING

In an article from the Feb. 22 edition of the *ROCKY MOUNTAIN NEWS*, written by Gary Gerhardt, "Big Brother is listening.

"That's good, because someday when you're alone in the wilderness, desperately needing help, you'll send a signal to the heavens and know rescuers are on the way.

COSPAS-SARSAT, Russian and U.S. satellite systems crisscrossing Colorado 37 times daily, are capable of receiving the coded digital messages from a one-pound transmitter detailing who you are and, within a mile, where you are."

PENDING FIRES?

In an article from the March 4 edition of *THE SPOKESMAN-REVIEW* (WA), written by J. Todd Foster, "Forests from the Cascades to the Great Plains, Mexico to Canada, are so dry and unhealthy that a new study predicts cataclysmic wildfires.

"Events like the firestorm of 1991, which burned 112 homes and killed two people in Spokane and Kootenai counties, could look like campfires, the study's authors said.

"The primary reason? Man's century-old practice of suppressing fire has left the Inland West a tinderbox.

"Fire-susceptible fir trees have replaced native and heartier pines that were logged.

"Within 15 to 30 years, fires could turn huge blocks of landscape into sterile, blackened patches, 35 Western university professors say."

UKRAINE CROP CRISIS

In an article from the March 10 edition of *THE (LONDON) FINANCIAL TIMES*, written by Jill Barshay and John Lloyd, "Ukraine's hard currency crisis is forestalling the spring planting of its wheat, sugar beet and vegetable crops, as its inability to import seed, fuel and

fertilizers threatens to lead to severe food shortages later this year. The republic was once the Soviet union's bread basket.

"The crisis comes as President Boris Yeltsin of Russia claimed that his country needed to make no purchases of grain this year for the first time in nearly 40 years. 'We have grain in reserve [that's right, ours], a good reserve to last until the next harvest,' he said yesterday.

"The prospect of missing spring planting is tragic in a country with a third of the world's black soil in its territory. For Ukrainians, it would be a potent reminder of the 1930s famine in which millions died under the effects of Stalin's collectivization."

RUSSIA'S NUCLEAR POWER

In an article from the March 12 edition of the *JOHNSON CITY PRESS*, (TN), "In Russia's far north, workers at the Bilibino nuclear power plant haven't been paid for three months and the reactor's director desperately needs funds for fuel and repairs.

"Several thousand miles away in densely populated central Russia, the Kursk nuclear power plant has slashed output for lack of fuel and a long-planned reconstruction of an older reactor has been delayed.

"Across the country, Russia's nuclear power plants face a serious shortfall in revenue. The result, say nuclear regulatory officials and environmentalists, is that safety is in jeopardy, especially at Chernobyl-type reactors.

"Output recently has been sharply cut at reactors near Kursk, Smolensk and St. Petersburg in European Russia because of fuel shortages, and all three plants have been plagued by repeated safety violations and minor accidents."

WEATHER TOWER

In the March 5 edition of *THE MODESTO BEE*, OJAI, CA—Jeff Wilson writes, "Actor Larry Hagman doesn't mince words over the government's 10-story weather radar tower that seemed to bloom overnight in his mountain resort neighborhood: 'Move the damn thing! It's dangerous!'

"Hagman and his Sulphur Mountain Road neighbors complain there was no public notice before the \$2.5 million tower was constructed and there's a risk to public health from microwave and electromagnetic radiation.

"The Ojai and Santa Paula city councils, the Ventura County Board of Supervisors, Rep. Elton Gallegly, R-Oxnard, and California Democratic Senators Barbara Boxer and Dianne Feinstein expressed opposition to the tower. But the government has dismissed opponents.

"They basically told residents, 'We're the federal government and we don't have to follow those rules,' said John Frith, press secretary for Gallegly. 'The people of Ojai were outraged at the arrogance.'

"Complaints to Commerce Secretary Ron Brown, who has jurisdiction over the National Weather Service and its 98-foot Doppler radar station, were ignored, said Frith."

MYSTERY FISH

In another article by Steve Newman, appearing in *EARTHWEEK: A DIARY OF THE PLANET* for the week ending March 4, "Small fish have been found flapping around in parking lots and on roads south of Darwin after

rainstorms in Australia's desert Outback. Beryl Morris, a zoologist with the Commonwealth Scientific and Industrial Research Organization, theorizes that the heavy rains trigger dry fish eggs to suddenly hatch, and then high winds or updrafts carry the newborns considerable distances. Most of the young desert fish measured between one and two inches in length."

U.N. CONDEMNATION

In an article from the March 10 *MODESTO BEE*, GENEVA—"The U.N. Human Rights Commission condemned anti-Semitism Wednesday, putting the world body on record for the first time as opposing discrimination against Jews. Jewish groups that lobbied for passage of the resolution against anti-Semitism noted it came three years after the U.S. General Assembly rescinded its condemnation of Zionism as a form of racism."

SOUTH AFRICA

In a newsletter titled *THE INSIDER* for February 15, "The situation is serious! The negotiations between the South African Government/ANC alliance and the Zulus and white Afrikaners have broken down. The demands made by these two powerful national groups for autonomy and political self-determination were arrogantly rejected. The seven million Zulus, numerically the greatest nation in South Africa will, in all probability, boycott the coming elections and refuse to recognize the sovereignty of any new central government over their Kwa-Zulu kingdom. Among the Whites the situation is even more tense. We are afraid that an armed uprising by the Afrikaner-Boer nation could be imminent. We warn our readers to take immediate steps to protect themselves, their families and their property. It is advisable to lay up a 30 day supply, at least, of emergency rations, ammunition [remember, we're quoting an article here, not making recommendations] and medical supplies, and to keep handy gas cookers, gas bottles and adequate reserves of petrol and water. For obvious reasons we cannot provide any details, but from very reliable sources we are advised that an uprising can hardly be averted any longer unless last minute concessions on the part of the Government and the ANC are made to the demands of the Afrikaner. The mood within the Boer communities has reached boiling point and, in the opinion of the Afrikaner Volksfront leader General Constand Viljoen, it could explode at any moment. Whether the expected rebellion will lead to a long drawn-out, bloody civil war, will depend very much on the reaction of the country's military leadership."

MORE SOUTH AFRICA

And now, on a much more personal level, I would like to quote from a *CONTACT* reader from South Africa who shall remain nameless—"I am attempting to alert as many who will listen to us, as possible, including the Commissioner of the SA Police, Rightwing (now known as extreme or ultra) politicians Black and White (Blacks, until now, have NEVER had this label attached to them). But now that they too are voicing their objections, they too are being lumped into the Nazi category along with the hated Whites of SA, as to the background, and the spiritually 'devolved'

nature of the alien race so determined to usurp the planet, etc. We (SA especially, right now) are being caught between the stools of two opposing forces of the adversary, as they wrestle over the pickings of this precious country, i.e., Communism in its horrendous variety and form, on the one side; versus the utter perversion of evangelical Reborn christianity (small "c"), on the other leading those opposed to the more obvious communism straight into the arms of the order of the Anti-christ via their 'inspirational' radio-wave impinged messages from some Jesus or another—laying this, that or other 'on their hearts'...And don't forget to clasp 'your hand to your heart' when misleading the gullible *sheeple* down this dangerous route! Dear God! The 'blood of this Jesus' is undoubtedly flowing over this land at present as the happy-clapping flow towards their 'salvation' in utter unthinking faith in

what's being done to them (murdered, raped and robbed—physically, as the deadening complacency grows; and spiritually,...) And need I add that right now your (American, that is) Jimmy Swaggart is criss-crossing this nation reinforcing (his) god's forgiveness of errant souls—his own included! Frankly, just listening to this hogwash, is enough to make the undiscerning want Hell! And yes, the Commies are waiting, outstretched arms, to lead them there! The blood continues to flow.

"More substantiation: From two totally unrelated sources I have been told that there are at least 3 tunnels fanning out from beneath our Lost City (dubbed, the 8th Wonder of the World, situated in neighboring Bophuthatswana—one of foremost independent states scheduled and determined for inclusion under the disputed Interim Government constituted between the sell-out gov-

ernment and the Marxist ANC, in the so-called, New South Africa). From what I can gather, one of these leads directly to, and from the U.N. Airbase—all 15km x 47 km, of it—in Botswana; another, probably into the U.S. Embassy in Pretoria; and the third—your guess is as good as mine, but it certainly is not for the well-being of average citizens of SA! These reports came from construction workers—both Black and White, seconded to work on their construction who had the courage to tell their families where they were working BEFORE THEIR DISAPPEARANCE FOREVER! Needless to add, I seriously suspect that many of the UFO sightings over SA emanate from that source (U.N. Airbase) too in order to cover-up and sow confusion in the minds of the glamour-seeking public, over the genuine craft 'they' know are present in our skies, too at this time."

Debate The Obvious? Not Very Likely!

3/19/94 #1 HATONN

THE WAY OF IT ALL....

What am I? Who am I? And "let's get to the bottom of 'this feud' with Gritz et al."

First of all, I have no feud with ANYONE—THE VERY LEAST, BO GRITZ. This is much like having a debate between a professor of advanced nuclear physics and a party who has never had science. THERE IS NO DEBATE FOUNDATION AND CERTAINLY NO MUTUAL GUIDELINES FOR SUITABLE ARGUMENT.

Now that Mr. Gritz has given us some notoriety there comes the inquisition of myself and my speaker/scribe, et al. No thank you. I have presented my credentials over and over again and I shall not longer place my people in embarrassment and/or ridicule. TRUTH OF GOD SPEAKS FOR ITSELF and in THAT context, it simply doesn't matter "who I am"! I CERTAINLY AM NONE OF THE THINGS ACCLAIMED BY BO GRITZ AND HIS CLANSMEN. NEITHER DO I ADVOCATE ANY OF THE ORCHESTRATED METHODS OF SURVIVAL, GUNMANSHIP OR COMMUNAL COVENANT COMMUNITIES. IT IS MY DISAGREEMENT WITH HIM WHICH HAS BROUGHT THE ONSLAUGHT OF AIRWAVES DISSERTATIONS AND DISCOUNTING. I TAKE GREAT EXCEPTIONS TO THE PARTNERS IN HIS OPERATIONS—FOR INSTANCE, HIS CHIEF SPIKE COORDINATOR IS A FELON-CRIMINAL, FROM ALL ACCOUNTS BOTH WITHIN AND WITHOUT THE "INSIDER" PLAYERS, WHOSE OWN PARTNER OFTEN REFERRED TO IS SYLVIA, A CLANDESTINE PARTNER FROM THE "DIVERT FUNDS CAPER" AT THE CONSTITUTIONAL LAW CENTER, INC. AND CONSTITUTIONAL LAW CENTRE TRUST. SHE IS NOW A PARTNER IN THE RIP-OFF-THE-PATRIOTS GAME WITH MR. ANDERSON AFTER HAVING ESTABLISHED THAT RELATIONSHIP WHILE IN HER OWN MARRIAGE AND A TRUSTED ADMINISTRATOR/SECRETARY FOR THE CONSTITUTIONAL LAW CENTER, INC. SHE, IN FACT, FACILITATED THE FUNDS DIVERSION. One of their latest capers was in Paradise, Calif. where they live and where Bo Gritz had a training seminar (SPIKE) which was somehow inadvert-

ently agreed to by the high school principal to be held in the school. The training was off-beat at best and they raffled off a rifle which the papers equated to an "assault" type—IN THE SCHOOL where any type of gun is forbidden under any circumstances. It will probably cost the principal his job. Poor planning or simply "I don't give a damn about the rules"? At best it is not so good in public visibility.

This scheme was worked by and in some manner involved George Green—for the absolutely reconstructed, endorsed and mailed checks are by and through George. George also, by his own stories (six or seven different ones), OBVIOUSLY and KNOWINGLY embezzled funds from the Phoenix Institute For Research & Education, Ltd. Anderson used checking arrangements through Colorado and an account called WE THE PEOPLE. (Ah-hummm...)

Now some good reporters want "to get to the bottom of 'this'". It seems Mr. Gritz advertised \$400 interviews and \$1,200 ship rides and pick-ups from Mt. Shasta for me. Sorry folks, not this old boy and crew! When research was done in the publication stated carrying such nutty garbage it was not to be found. I cannot imagine why I would give \$400 interviews in Southern Calif. and cause you to have to travel to Northern Calif. for a ride—at any price. Nope, y'all have the wrong "Cap'n", sir.

Mr. Gritz also claims me to be a 9-1/2 ft. "reptilian lizard". Wrong again! I don't know who he talks to but he sure is 100% incorrect SO FAR!

THERE IS NO "BOTTOM" TO GET TO! His whole presentation is GARBAGE and if there were not ongoing litigations involving the other people in his crowd over PROPERTY taken unlawfully, there would BE NO ENCOUNTER AT ALL WITH ANY OF THESE CONSPIRATORIAL "NON-PATRIOT" KL—ER—CLANSMEN.

By the way, good readers, please recall from a few days past writing—the KKK is a formed branch of the Anti-Defamation League of B'nai B'rith!

Is Bo Gritz a "white supremacist"? No, Bo Gritz is an opportunist and a self-styled Mormon. I say

self-styled for he is not an orthodox doctrined member of that sect "cult" (church group). The Mormon doctrine and secret rituals are based on Freemasonry of which Gritz is about a 32nd degree member, I believe. The Mormon church itself is anti-black and until recently (within the past decade or so) a black could only be a "general" member and hold NOTHING in the Priesthood or participate in any organizational role. That became unpopular politically so the "revelation" came to the church president and the "rule" was somehow changed. There is much doubt about the GOD followed as the revered party for information was Joseph Smith and the ruling hierarchy seems to be a panel of 12 MEN. "Jesus Christ" is in the label of the organization but the church itself is not widely accepted as a "christian" church. So—you got me, good friends—the facts are that all church structures do more SECRET-keeping THAN SPIRITUAL GODLY INTERCHANGE.

We don't have a group or anything like "church" meetings, fundamentalist or otherwise. We do sometimes gather in simple friendship. There is not even "donation" for coming. I have efforted at giving interviews on the radio, etc., and have had my speaker bashed, ridiculed and totally insulted. Why would I ever do that again? I did have several

**"By the way, readers,
TEACHERS COME TO
GIVE UNTO YOU—
NOT TAKE!"**

beautiful programs with a couple of respected radio personalities—and I'm sure that one of them no longer has a job because of his graciousness to me. Dharma (Doris Ekker) NEVER has nor shall give interviews of any kind to

anyone for ANY PRICE. By the way, readers, TEACHERS COME TO GIVE UNTO YOU—NOT TAKE! You should carefully look at that which is REQUIRED of you for participation in these groups such as SPIKE to and through the local preaching house group. I do not have any interest in proving anything, taking anything, proselytizing, convincing anyone of anything or giving interviews—and I think purchased ticket rides are out of the question. If there are others promising such things—you had better be most careful—but you should be even more careful of ones such as Gritz coming in sheep's clothing while enveloped in the wolf suit underneath. You here have gun-totin' "hawks" shouting "peace"—and there is no peace.

Do they have a right to do this? As long as they get away with it—who am I to discount them? I come with and bearing truth of your journey and "the way it IS", no more and no less. As Little Crow promises in his own gatherings, I offer no naming ceremonies, no sweat lodge coeducational excursions or vision quests. Most of the information is a "downer" because your world is a downer about

to destruct. I am helping where I can—in spite of such characters—to assist in turning around some of the directional march to total destruction. I charge nothing, force nothing and have wonderment at how, under these circumstances, we cause so much harangue and discounting. If we be the "bad guys"—why all the commotion? But, remember—the Evil Adversary cannot bear the presence or illumination of the LIGHT OF GOD. Deceit and lies cannot bear the continuing presentation of truth and MY TRUTH shall stand into infinity—long after the pop-guns are rusted and the bones rotted. I don't play "games" but I am quite recognized as having a sense of humor and being gracious when graciousness is in order—or sharp when discipline is required.

I have a mission here on your place and it is NOT to SAVE the world somehow, from yourselves. If you want salvation—YOU will find your salvation. I will correct your thinking; however, there is a big, big LIE going about that somehow you dump your evil sins on the back of a MAN called by ANY name and claim your purification by HIS SACRIFICE—and you have a going bunch of terrible consequences in store for your ill-conceived thoughts and actions. And, where are you going to go AFTER THAT RAPTURE as advertised? To the clouds? Human is heavier than "cloud" material and you are not going to bounce well! God's Kingdom is a SPIRITUAL realm—have you even earned a right to get into the suburbs?? Why think that ye can come from murder to lighted glory in one fell-rapturous sweep into the Pearly Gates? YOU ARE PEOPLE OF THE LIE—and that is what my mission is all about—TRUTH and the WORD! I am not trying to convince anyone of anything—I have no wish to have anyone in my presence or crew who doesn't agree with intention of goodness; I am not a "goody-two-shoes" and accept no liar who claims to be such in worldly perfection. I cannot abide NEW AGE garbage of ANY KIND—that becomes attached by and absorbed into the Wicca movement of pure Satanism as it moves along and matures. I offer no religion, no guru and no MAGIC. I don't even say, "Hey, come follow me...." You can go anywhere you want to—as long as you can get away with it...! The very LAST thing we here want or need is a gathering of some kind. This is not some order of communal safety half-way place or "save the world" congregation. You can interview me until Hell freezes and you will find NOTHING tangible—only a messenger of Truth in preparation for higher purpose—in service ONLY to God and my brethren.

Now, to ones who want to "get to the bottom...", I suggest that there are now some 87 journals and nobody can count the papers nor the tapes available documenting word after word after word and integrating that from your place already presented and valid as well as worthy of consideration. I can only "touch" on the tips of the truths available if you but knew the resources and were willing to attain the knowledge. We offer "journals"—not revelation. You have already been given your revelations and prophecies and what have you done other than wait and ask for more revelation and prophecy?

Now, this non-remarkable 62-year-old lady here, Doris, isn't nor does she claim to be—ANYTHING. Certainly not prophet, not prophetess, not revelator—nor clan leader or follower. She is not a good entertainer because she does not offer entertainment nor theatrics. This obviously bothers ones such as Gritz—but we make no apologies. If God's or messenger presence re-

quires unbalanced whooping and Texas two-stepping, we don't find it here. When the "connection" is made it is in total quiet, total balance and the other garbage is exactly THAT—garbage for dramatic theatrics—usually to get you to pay incredibly for the entertainment. So, you may not get much from us—but it doesn't cost you anything, either. However, you cannot begin to purchase the gifts we offer.

Interviews? NO—if anyone wants to speak to me they are welcome to come when I am having communication already with whoever might be present. I will no longer abide the stupid distortions and out of context quotations from anyone thinking themselves clever and journalistic.

"But, remember—the Evil Adversary cannot bear the presence or illumination of the LIGHT OF GOD."

Committee Of 300 (Continued)

3/19/94 #1 HATONN

Back, now, to the idiocy of WHAT IS. Let us continue as rapidly as we can move along with

CONTINUATION: CONSPIRATORS'
HIERARCHY: THE STORY OF THE
COMMITTEE OF 300
by "Dr. John Coleman"
(part 17)

CHANGES

As we speak the Committee of 300 is in flux as other incredibly strong adversaries of their evil tricks are at play/work! Many changes are under way behind the scenes and in open confrontation. All is NOT going well for this little Elite group of thugs and criminal banksters. However, the job is massive and who knows if it can be accomplished without mass destruction as the TITANS CLASH. It is all we can present at this time—the truth of the structure of the Elite hierarchy.

Continuing directly from where we last wrote. As we go along please remember that this book was written in 1992 so current political figures may well be different—but the system up until now in THE PLAN is the same. Names and places are changed simply to deceive you—the people into thinking there is a difference some way.

[QUOTING:]

THE CHASM AHEAD

In THE CHASM AHEAD, Peccei spelled out Committee of 300 plans to tame man, whom he called THE ENEMY. Peccei quoted what Felix Dzerzinski once said to Sydney Reilly at the height of the Red Terror when millions of Russians were being murdered: "Why should I concern myself with how many die? Even the Christian Bible says, 'What is man that God should be mindful of him?' For me men are

I am not trying to PROVE anything and neither are my friends. I do, however, suggest it is time that YOU world citizens start proving your worthiness unto GOD CREATOR or it is going to be a most uncomfortable journey "home" to the next stop-over.

I hope this will not offend ones who are trying to arrange and set up interviews and show-and-tells. We simply are not, and never have been, in the business. It would be nice if man could find his way to peace and righteousness—but that is up to each individual and until each decides that which he will do and follow—he is going to be in confusion. You can continue in the way of the world physical and sacrifice SOUL or you can live through this physical experience in such a way as to bring "soul" into glory and the physical will follow nicely. THAT IS WHAT I HAVE TO OFFER—THE TRUTH OF LIFE! So be it.

nothing but a brain at one end and a shit factory at the other."

It was from this brutish view of man that Emmanuel The Christ came to rescue the world. Sydney Reilly was the MI-6 operative sent to watch of Dzerzinski's activities. Reilly was allegedly shot by his friend Felix while attempting to flee Russia. The elaborate plot was devised when certain members of the British parliament raised a hue and cry and began to loudly demand an accounting of Reilly's activities in Russia, which threatened to expose the role of the Committee of 300 in gaining control of the Baku oilfields and its major role in assisting Lenin and Trotsky during the Bolshevik Revolution. Rather than have the truth dragged out of Reilly, MI-6 thought it expedient to stage his death. Reilly lived out his days in utter luxury in a Russian villa usually reserved for the Bolshevik elite.

Arguing that chaos would ensue unless the "Atlantic Alliance", a euphemism for the Committee of 300, ruled post-industrial America, Peccei proposed a Malthusian triaging on a global scale. He envisioned a collision between the scientific-technological-military apparatus of the Soviet Union and the Western world. Thus the Warsaw Pact countries were to be offered a convergence with the West in a One World Government to run global affairs on the foundations of crisis management and global planning.

Events unfolding in what was formerly the USSR and the emergence of several independent states in a loose federation in Russia, is exactly what was envisaged by Peccei and the Club of Rome and this is clearly spelled

out in both the books I have mentioned. A USSR thus divided will be easier to cope with than a strong, united Soviet nation. Plans that were laid down by the Committee of 300 for a One World Government, which included the prospect of a divided Russia, are now approaching a point of rapid escalation. Events in Russia at the close of 1991 are all the more

"Why should I concern myself with how many die? Even the Christian Bible says, 'What is man that God should be mindful of him?' For me men are nothing but a brain at one end and a shit factory at the other."

dramatic when viewed against the 1960 long-range planning by the Committee of 300.

In Western Europe the people are working toward a federation of states within a one government framework with a single currency. From there the EEC system will be transferred bit by bit to the United States and Canada. The United Nations is being slowly but surely transformed into a rubber stamp of One World Government, with policies dictated to it by the United States as we saw in the case of the Gulf War. [H: Actually, do not confuse the meaning here—the "United States" as spoken herein does not mean what you think it means as "the good old U.S.A."—it is the New States under Elite Charter control—this just happens to be headquarters of that branch of thugs and enforcers. Note that you have not had a REPUBLIC since the change-over TO THE CONSTITUTION. Readers, it was a black day when the convention was called and the old Republic guidelines were supplanted with what you recognize as the Constitution. The Constitution as it became at that fateful changeover was built by predominantly servants of Freemasonry, etc. Indeed you had higher brothers present and there was a structuring of the document to later include AMENDMENTS which gave some measure of equality—but all your prior documents have been but documents for the intended and continuing rule by the Elite—that same Committee of 300! ALWAYS!! Go forth and ask the Native Americans (Indians [they couldn't even get their name straight]) and the enslaved Blacks. And who brought those first commercial slaves to your country and then sold them to these fine upstanding "Fathers" of the Constitution? Ah, indeed, the Khazarian Zionists at their best—in the role of commercial marketeers. One Nation Under God... is the biggest lie of all—you were ordered to follow some sort of "doctrine" as laid forth by the more powerful "denominations" CLAIMING a given status with GOD and a presentation of "mistranslated" mandates of behavior as "Christians"—not CHRISTNESS!]

Precisely the same thing is happening with the British Parliament. Discussion on Britain's participation in the Gulf War was kept to a ridiculously minimal level and belatedly took place only during a motion to adjourn the House. This has never happened before in the ancient history of parliament, where so important a decision had to be made and so little time was allowed for discussion. One of the most noteworthy events in parliamentary history has gone virtually unnoticed.

We are close to the point where the United States will send its military forces to settle any and all disputes brought before the United Nations. Departing Secretary General Perez de Cuellar, heavily laden with bribe money, was the most compliant U.N. leader in history in granting demands of the United States without discussion. His successor will be even more inclined to go along with whatever the U.S. Government places before him. This is an important step along the road to a One World Government.

The International Court of Justice at The Hague will be used in increasing measure in

the next two years to settle legal arguments of all types. It is of course the prototype of a One World Government legal system that will supplant all others. As for central banks, essential in the planning of the New World Order, this is already very much a fait-accompli with the Bank of International Settlements dominating the scene at the close of 1991. Private banks are fast disappearing in preparation for the Big Ten banks that will control banking the world over under the guidance of BIS and IMF.

Welfare states abound in Europe, and the United States is fast becoming the largest welfare state in the world. Once people come to depend on government for their subsistence, it will be very hard to wean them away from it as we saw in the results of the last midterm election held in the United States, where 98% of incumbents were returned to Washington to enjoy the good life in spite of their utterly deplorable records.

The abolition of privately owned firearms is already in force in three quarters of the world. Only in the United States can the populace still own guns of all types, but that legal right is being chipped away at an alarming rate by local and state laws which violate the Constitutional right of all citizens to bear arms. Private gun ownership will have become a thing of the past in the United States by the year 2010.

SIMILARLY, EDUCATION IS BEING ERODED AT AN ALARMING RATE. PRIVATE SCHOOLS ARE BEING FORCED TO CLOSE BY A VARIETY OF LEGAL STRATAGEMS AND LACK OF FUNDING. The standard of education in the United States has already sunk to such a deplorable level that today it can barely be classified as education at all. This is according to plan; as I described earlier, the One World Government does not want our youth to be properly educated.

Destruction of national identity proceeds apace. It is no longer a good thing to be patriotic—unless it is in the cause of some One World Government project such as the war of genocide being waged against the nation of Iraq, or the impending destruction of Libya. Racial pride is now frowned upon and deemed to be an illegal act in many parts of the world, INCLUDING THE UNITED STATES, BRITAIN, WESTERN EUROPE AND CANADA, ALL COUNTRIES HAVING THE LARGEST CONCENTRATIONS OF THE WHITE RACE.

Led by the secret societies in America, destruction of republican forms of government has proceeded apace since the close of WW II. A list of such governments destroyed by the U.S. is long, and it is difficult for the non-informed to accept that a government of a country, allegedly wedded to republicanism under a unique constitution, would engage in such conduct. But the facts speak for themselves.

This is a goal which was set over a century ago by the Committee of 300. The United States has led the attacks on such governments and continues to do so even as the United States republican base is being steadily undermined. Starting with James Earl Carter's legal counsel, Lloyd Cutler, a committee of constitutional lawyers has been working to

change the U.S. Congress into a non-representative parliamentary system. Work has been in progress since 1979 on the blueprint for such a change, and because of his devotion to the cause, Cutler was made a member of the Committee of 300. The final draft for a parliamentary type of government is to be presented to the Committee of 300 at the end of 1993.

In the new parliamentary system, members will not be responsible to their constituents, but to parliamentary whips and will vote the way they are told to vote. Thus, by judicial and bureaucratic subversion will the Constitution vanish as will individual liberty. Preplanned degrading of man through licentious sexual practices will be stepped up. New, sexually degenerate cults are even now being set up by the British Crown—working through the SIS and MI-6 services. As we already know, all cults operating in the world today are the product of British intelligence acting for the oligarchical rulers.

We may think this phase of creating a whole new cult which specializes in sexual degenerate behavior is still far off, but my information is that it is due to be stepped up in 1992. By 1994 it will be quite commonplace to have "live shows" in the most prestigious clubs and places of entertainment. This type of "entertainment" is already in the process of having its image cleaned and brightened.

Soon the big names in Hollywood and the entertainment world will be recommending this or that club as a "must" for live sex shows. Lesbianism and homosexuality will not be featured. This new socially acceptable "entertainment" will consist of heterosexual displays and will be written up in reviews as one finds in today's newspapers about shows on Broadway, or the latest hit movie.

An unprecedented assault on moral values will go into high gear in 1992. Pornography will no longer be called "pornography", but adult sex entertainment. Sloganeering will take the form of "why hide it when everybody does it. Let's take away the image that public displays of sex are ugly and dirty." No more will those who care for this type of unbridled sexual lust have to go to seedy porno parlours.

Instead, the upper-class supper clubs and places favored by the rich and famous will make public sexual displays a highly "artistic" form of entertainment. Worse yet, some church "leaders" will even recommend it.

The voluminous, all-pervading and enormous social psychiatry apparatus put in place by the Tavistock Institute and its huge web of related capabilities has been under the control of one single entity, and that entity is still in control as we enter 1992. That single entity, the conspirators' hierarchy, is called THE COMMITTEE OF 300. It is a power structure and a power center that operates far beyond the reach of any single world leader of any government, including the United States government and its Presidents—as the late John F. Kennedy found out. The Kennedy murder was an operation of the Committee of 300 and we shall return to that.

[END QUOTING OF PART SEVENTEEN]

Let us take a break please. If there is time today we shall continue with a notation of who heads this Elite Club.

"The United Nations is being slowly but surely transformed into a rubber stamp of One World Government, with policies dictated to it by the [Elite-controlled] 'United States' as we saw in the case of the Gulf War."

"The abolition of privately owned firearms is already in force in three quarters of the world."

3/20/94 #1 HATONN

**CONTINUATION: CONSPIRATORS'
HIERARCHY: THE STORY OF THE
COMMITTEE OF 300**
by "Dr. John Coleman"
(part 18)

Let us return now to the most timely lessons as regards "players" in the game.

"John Coleman" compiled an excellent volume from the myriads of presentations of ones such as Eustace Mullins and other major presenters of truth regarding these matters.

[QUOTING:]

THE RULING CLASS

The Committee of 300 is the ultimate secret society made up of an untouchable ruling class, which includes the Queen of England, the Queen of the Netherlands, The Queen of Denmark and the royal families of Europe. These aristocrats decided, at the death of Queen Victoria, the matriarch of the Venetian Black Guelphs that, in order to gain worldwide control, it would be necessary for its aristocratic members to "go into business" with the non-aristocratic but extremely powerful leaders of corporate business on a global scale, and so the doors to ultimate power were opened to what the Queen of England likes to refer to as "the commoners".

From my days in the intelligence business I know that heads of foreign governments refer to this all-powerful body as "The Magicians". Stalin coined his own phrase to describe them: "The Dark Forces", and President Eisenhower, who was never able to get beyond the "hofjuden" (court Jew) grade, referred to it in a colossal understatement as "the military-industrial complex". Stalin kept the USSR heavily armed with conventional and nuclear forces because he did not trust what he called "the family". His ingrained mistrust and fear of the Committee of 300 proved to be well-founded.

Popular entertainment, especially the medium of movie making, was used to bring discredit upon those who tried to warn of this most dangerous threat to individual liberty and freedom of mankind. Freedom is a God-given law which man has constantly sought to subvert and undermine; yet the yearning for freedom by each individual is so great that, up to now, no system has been able to tear that feeling from the heart of man. The experiments that have gone on in the USSR, Britain and the USA, to blunt and dull man's yearnings for freedom, have thus far proved to be unsuccessful.

But with the coming of the New World Order-One World Government, far-reaching experiments will be stepped up to drive man's God-given yearning for freedom out of his mind, body and soul. What we are already experiencing is but nothing, a mere bagatelle, when compared with what is to come. Attacking the soul is the thrust of a host of experiments being readied, and I regret to say that institutions in the United States will play a leading role in the terrible experiments which have already been carried out on local small-scale levels at such places as Bethesda Naval Hospital [in Maryland] and Vacaville prison in California.

CONTROL BY "SANCTION"

The movies we have seen thus far include the James Bond series, the Assassination Bu-

reau, the Matarese Circle and so on. They were make-believe movies, designed to hide the truth that such organizations do exist and on a far greater scale than even Hollywood's fertile idea-men could dream up.

Yet the Assassination Bureau is absolutely real. It exists in Europe and the United States solely to do the bidding of the Committee of 300 to carry out high-level assassinations where all other remedies have failed. It was PERMINDEX which ran the Kennedy assassination under the direction of Sir William Stephenson, for years the Queen of England's number one "pest control" operative.

Clay Shaw, a contract agent of the CIA, ran PERMINDEX out of the Trade Mart Center in New Orleans. Former New Orleans District Attorney Jim Garrison came very close to cracking the Kennedy assassination plot up to the level of Clay Shaw until Garrison was "dealt with" and Shaw was found not guilty of involvement in the Kennedy assassination plot. The fact that Shaw was eliminated in the manner of Jack Ruby, another CIA contract agent—both died of induced quick-acting cancer—speaks volumes that Garrison was on the right track.

A second assassination bureau is located in Switzerland and was until recently run by a shadowy figure of whom no photographs existed after 1941. The operations were and probably still are financed by the Oltramaire family—Swiss Black Nobility—owners of the Lombard-Odier Bank of Geneva, a Committee of 300 operation. The primary contact man was Jacques Soustelle—this according to U.S. Army-G2 intelligence files.

This group was also closely allied with Allen Dulles and Jean de Menil, an important member of the Committee of 300 and a very prominent name in the oil industry in Texas. Army-G2 records show that the group was heavily involved in the arms trade in the Middle East, but more than that, the assassination bureau made no less than 30 attempts to assassinate General de Gaulle, in which Jacques Soustelle was directly involved. The same Soustelle was the contact man for the Sendero Luminosa-Shining Pathway guerrilla group protecting the Committee's Peruvian cocaine producers.

When all of the best that the assassination bureau could do had failed, thanks to the excellent work done by DGSE (French intelligence—formerly SDECE) the job was assigned to MI-6—Military Intelligence Department Six, and also known as Secret Intelligence Service (SIS), under the code name "Jackal". SDECE employed clever young graduates and was not infiltrated by MI-6 or KGB to any measurable extent. Its record in tracking down foreign agents made it the envy of the secret services of every nation, and it was this group that followed "Jackal" to his final destination and then killed him before he could fire on General de Gaulle's motorcade.

It was the SDECE who uncovered a Soviet mole in the cabinet of De Gaulle, who also happened to be a liaison man with the CIA in Langley [Virginia]. In order to discredit the SDECE, Allen Dulles, who hated De Gaulle, (the feeling was mutual) had one of its agents, Roger De Louette, caught with \$12 million worth of heroin in his possession. After a great deal of expert "interrogation", De Louette "confessed" but was unable to say why he was smuggling drugs into the United States. The whole thing stank to high heaven of a set-up.

Based upon an examination of SDECE methods in protecting De Gaulle, especially in

motorcades, the FBI, Secret Service and the CIA knew exactly how to strip President Kennedy of his security and make it easy for the three PERMINDEX shooters to murder him in Dealey Plaza in November 1963.

Another example of FACT disguised as fiction is the Leon Uris novel, *TOPAZ*. In *TOPAZ* we find a factual account of the activities of Thyraud de Vosjoli, the very KGB agent uncovered by SDECE and denounced as the KGB's liaison man with the CIA. There are many fictionalized accounts of the MOSSAD's activities, nearly all of which are based on fact.

MOSSAD

The MOSSAD is also known as "The Institute". Many would-be writers make nonsensical statements about it, especially one writer who is much in favor with the Christian right wing, which are accepted as truth. One can pardon the offender because he has no intelligence training, but that does not stop him from dropping "Mossad names" all over the place.

Such disinformation exercises are routinely run against American right wing patriotic groups. Originally the MOSSAD consisted of 3 groups, the Bureau of Military Intelligence, the Political Department of the Foreign Office and the Department of Security (Sherut Habithachon). David Ben Gurion, a member of the Committee of 300, received some considerable help from MI-6 in putting it together.

But it was not a success and in 1951 Sir William Stephenson of MI-6 restructured it into a single unit as an arm of the Political Department of the Israeli Foreign Office, with a special operations group of espionage and "black job" operations. British intelligence gave further assistance in training and equipping for service the Sarayet Maktal, also known as the General Staff Reconnaissance unit, in the format of Britain's Special Air Service (SAS). This service unit of the MOSSAD is never mentioned by name and is known simply as "The Guys".

"The Guys" are merely an extension of British intelligence's SAS unit who continually train and update them in new methods. It was "The Guys" who killed the leaders of the P.L.O. and kidnaped Adolph Eichmann. "The Guys", and indeed ALL MOSSAD agents, operate on a war-time footing. The MOSSAD has a tremendous advantage over other intelligence services in that every country in the world has a large Jewish community.

By studying social and criminal records, the MOSSAD is able to pick agents among local Jews it can have a hold over AND MAKE THEM WORK FOR IT WITHOUT PAY. The MOSSAD also has the advantage of having access to the records of all U.S. law enforcement agencies and U.S. intelligence services. The Office of Naval Intelligence (ONI) ELINT services the Mossad at no cost to Israel. Citizens of the United States would be shocked, angered and dismayed if ever it was discovered just how much the MOSSAD knows about the lives of millions of Americans in every walk of life, even those who are not political in any way.

The first head of the MOSSAD, Reuben Shiloach, was made a member of the Committee of 300, but it is not known whether or not his successor enjoyed the same privilege. Chances are that he does. The MOSSAD has a skillful disinformation service. The amount of disinformation it feeds to the American "mar-

ket" is embarrassing, but even more embarrassing is how it is swallowed hook, line and sinker and all.

TED TURNER

What we are actually witnessing in the microcosm of the MOSSAD is the extent of control exercised by the "Olympians" over the intelligence services, entertainment, publishing, opinion-making (polls) and the television "news" media on a global scale. Ted Turner was recently given a seat on the Committee of 300 in recognition for his "news" (making) CNN broadcasts. **THE COMMITTEE HAS THE POWER AND THE MEANS TO TELL THE PEOPLE OF THIS WORLD ANYTHING, AND IT WILL BE BELIEVED BY THE VAST MAJORITY.**

[END QUOTING OF PART EIGHTEEN]

Here is a good place to break this segment. We will move on into more discussion on the players when we again take up the subject.

3/20/94 #2 HATONN

YOU KNOW!

I would discuss a minute a question that keeps dropping on me: "What and who is THIS 'Coleman' and why should we trust his work?" Well, I guess you can only go with the unfolding of TRUTH—never mind "Coleman"—or for that matter—"me". When enough facts get out into the ether, then THE TRUTH begins to come together with each new piece of the puzzle "that actually fits". "Coleman" could be the greatest disinformation-giver of MI-6 that ever existed. That does not make the truth he brings, false! IF he be of God and simply misunderstood his respite in my camp—so be it—he will come again within the shelter. He was badly USED by George Green under the appearance, as usual, of it being ill-use by Hatonn and those who served, both me AND HIM. This book from which I quote is remarkably well-done and he wrote with great insight into truth. It matters NOT from whence came information—each past author contributing should be pleased that "his" work was chosen to repeat. Why were some of the other "mouths" NOT CHOSEN FOR RESEARCH? You ones have reached the point of denying your own destiny—deliberately through your silly antics and ego trippings.

In total ignorance of his own intentions, "John Coleman" (alias) has served me well. He knows about US&P and although he claimed and touted that George Green was Hatonn—John NEVER thought as much. Perhaps if any of you contact John's attention—suggest he "call E.T. at home". He is in dire need of protection for both himself and his family, as he presented them—emotionally and healthwise. God only asks a man to leave his personal "ego" outside HIS door and you can come inside, dirty shoes and all...! Around these parts we honor our "crows" and play with them—WE DON'T EAT THEM!

CONTINUATION: CONSPIRATORS' HIERARCHY: THE STORY OF THE COMMITTEE OF 300
by "Dr. John Coleman"
(part 19)

[QUOTING:]

WHEN THE COMMITTEE IS UNCOVERED

On every occasion that a researcher happens upon this astounding central control group, he is either successfully bought off, or else he undergoes some "specialty training" at the Tavistock Institute after which he becomes a contributor to more fiction, of the James Bond type, i.e., he is derailed and well rewarded. If such a person as John F. Kennedy should stumble onto the truth about who directs world events, and cannot be bought, he is assassinated.

In the case of John F. Kennedy, the assassination was carried out with great attendant publicity and with the utmost brutality to serve as a warning to world leaders not to get out of line. Pope John Paul I was quietly murdered because he was getting close to the Committee of 300 through Freemasons in the Vatican hierarchy. His successor, Pope John Paul II, was publicly humiliated as a warning to cease and desist—which he has done. As we shall see, certain Vatican leaders are today seated on the Committee of 300.

It is easy to put serious researchers off the track of the Committee of 300 because Britain's MI-6 (SAS) promotes a wide variety of kookery such as the New Age, Yogaism, Zen Buddhism, Witchcraft, Delphic Priesthood of Apollo (Aristotle was a member) and hundreds of small "cults" of all kinds.

A group of "retired" British intelligence agents who stayed on the track labeled the conspirators' hierarchy "Force X", and declared that it possesses a super-intelligence service that has corrupted the KGB, the Vatican Intelligence, the CIA, the ONI, DGSE, U.S. military intelligence, the State Department intelligence service and even the most secret of all U.S. intelligence agencies, the Office of National Reconnaissance.

The existence of the National Reconnaissance Office (NRO) was known to only a handful of people outside of the Committee of 300, until Truman stumbled upon it quite by accident. Churchill had a hand in setting up the NRO and he was reportedly livid when Truman discovered its existence.

Churchill, more than any other servant of the Committee of 300, considered Truman His-Little-Man from Independence "without any independence at all". This referred to Truman's every move being controlled by Freemasonry. Even today, NRO's annual budget is not known to the Congress of the United States, and it is responsible to only a selected few in Congress. But it is a creature of the Committee of 300 to whom its reports are routinely sent every few hours.

Thus the fictionalized spoofs one sees about the various branches and arms of control of the Committee were designed to take suspicion away from the real thing, but we should never doubt that the real thing does indeed exist. Take another example of what I mean, the book *THE DAY OF THE JACKAL*, from which a highly successful movie was created.

The events related in the book are factual. Although, for obvious reasons, the names of some of the players and the locales were changed, but the thrust of the story, that a single MI-6 operative was assigned to get rid of General Charles De Gaulle, is absolutely correct. General De Gaulle had become unmanageable, refusing to cooperate with the Committee—whose existence he knew very well since he had been invited to join it—came to a

climax when De Gaulle withdrew France from NATO and immediately began building his own nuclear force—the so-called "force de frappe".

This so angered the Committee that De Gaulle's assassination was ordered. But the French secret intelligence service was able to intercept "Jackal's" plans and keep De Gaulle safe. In the light of the record of MI-6, which I might add is the Committee of 300's main resource when it comes to intelligence, the work done by French intelligence borders on the miraculous.

MILITARY INTELLIGENCE DEPARTMENT SIX (MI-6)

Military Intelligence Department Six dates back to Sir Francis Walsingham, paymaster of Queen Elizabeth I for dirty tricks operations. Over hundreds of years, MI-6 has established a record which no other intelligence agency can come near to duplicating. MI-6 agents have gathered information from the four corners of the Earth and have carried out secret operations that would astound even the most knowledgeable if ever they were to be made public, which is why it rates as the Master service of the Committee of 300.

Officially, MI-6 **does not exist**; its budget comes out of the Queen's purse and "private funds", and is reported to be in a range of \$350-\$500 million per annum, but no one knows for sure what the exact amount is. In its present form MI-6 dates back to 1911 when it was under the leadership of Sir Mansfield Cumming, a captain in the Royal Navy who was always identified by the letter "C", from which "M" of James Bond fame is taken.

No official record of MI-6's failures and successes exist—it is that secret, although the Burgess-Maclean-Blake-Blunt disasters did great damage to the morale of MI-6 officers. Unlike other services, future members are recruited from universities and other areas of learning by highly skilled "talent scouts" as we saw in the case of Rhodes Scholars inducted into the Round Table. One of the requirements is an ability to speak foreign languages. Candidates undergo a rigorous "blooding".

With the backing of such a formidable force, the Committee of 300 had little fear from ever being exposed, and this will go on for decades. What makes the Committee incredible is the incredible secrecy that prevails. None of the news media has ever made mention of this conspiratorial hierarchy; therefore, as is to be expected, people doubt its existence.

The Committee of 300 is for the most part under the control of the British monarch, in this case, Elizabeth II. Queen Victoria is believed to have been quite paranoid about keeping it secret and went to great lengths to cover up MASONIC writings left at the scene of "Jack the Ripper" murders which alluded to the Committee of 300's connections with "experiments" carried out by a family member who was also a highly-placed member of the Scottish Rite of Freemasonry. The Committee of 300 is filled with members of British aristocracy which has corporate interests and associates in every country of the world, including the USSR.

The Committee's structure is as follows: The Tavistock Institute at Sussex University and London sites is owned and controlled by the Royal Institute for International Affairs whose

"hofjuden" in America is **Henry Kissinger**. The EAGLE STAR GROUP, which changed its name to the STAR GROUP after the close of the Second World War, is composed of a group of major international companies involved in overlapping and interfaced areas (1) Insurance, (2) Banking, (3) Real Estate, (4) Entertainment, (5) High technology, including cybernetics, electronic communications, etc.

Banking, while not the mainstay, is vitally important, especially in the areas where banks act as clearing houses and money launderers of drug money. The main "big name banks" are The Bank of England, the Federal Reserve Banks, Bank of International Settlements, the World Bank and the Hong Kong and Shanghai Bank. American Express Bank is a means of recycling drug dollars. Each of these banks is affiliated with and/or controls hundreds of thousands of large and small banks throughout the world.

* * *

[Editor's note: Commander Hatonn's earthquake warning—which we moved to the Front Page—actually occurred right here, as an interruption or "news flash" bulletin.]

* * *

BANKS

Banks large and small in the thousands are in the Committee of 300 network, including Banca Commerciale d'Italia, Banca Privata, Banco Ambrosiano, the Netherlands Bank, Barclays Bank, Banco del Colombia, Banco de Ibero-America. Of special interest is Banca del la Svizzera Italiana (BSI)—since it handles flight capital investments to and from the United States—primarily in dollars and U.S. bonds—located and isolated in "neutral" Lugano, the flight capital center for the Venetian Black Nobility. Lugano is not in Italy or in Switzerland, and is a kind of a twilight zone for shady flight capital operations. George Ball, who owns a large block of stock in BSI, is a prominent "insider" and the bank's U.S. representative.

BCCI, BNL, Banco Mercantil de Mexico, Banco Nacional de Panama, Bangkok Metropolitan Bank, Bank Leumi, Bank Hapoalim, Standard Bank, Bank of Geneva, Bank of Ireland, Bank of Scotland, Bank of Montreal, Bank of Nova Scotia, Banque Paris et Pays Bas, British Bank of the Middle East and the Royal Bank of Canada to name but a very small number in a huge list of "specialty" banks.

The Oppenheims of South Africa are much bigger "heavy-weights" than the Rockefellers. For instance, in 1981 Harry Oppenheimer, chairman of the giant Anglo American Corporation that controls gold and diamond mining, sales and distribution in the world, stated that he was about to launch into the North American banking market. Oppenheimer promptly invested \$10 billion in a specially created vehicle for the purpose of buying into big banks in the U.S., among which was Citicorp. Oppenheimer's investment vehicle was called Minorco, which set up shop in Bermuda, a British royal family preserve. On the board of Minorco was to be found Walter Wriston of Citicorp and Robert Clare, its chief counsel.

The only other company to rival Oppenheimer in the field of precious metals & minerals was Consolidated Gold Fields of South Africa, but Oppenheimer took control of it with a 28% stake—the largest single stockholder. Thus gold, diamonds, platinum, titanium, tantalite, copper, iron ore, uranium and 52 other metals and minerals, many of them of absolutely vital strategic value to the United States, passed into the hands of the Committee of 300.

Thus was the vision of one of the earlier South African members of the Committee of 300, Cecil John Rhodes, fully realized, a vision which started with the spilling of the blood of thousands upon thousands of White farmers and their families in South Africa, whom history records as the "Boers". While the United States stood by with folded hands as did the rest of the world, this small nation was subjected to the most vicious war of genocide in history. The United States will be subjected to the same treatment by the Committee of 300 when our turn comes, and it will not be long in coming.

INSURANCE COMPANIES

Insurance companies play a key role in the business of the Committee of 300. Among these are found such top insurance companies as Assicurazioni Generali of Venice and Riunione Adriatica di Sicurtà, the largest and second largest insurance companies in the world, who keep their bank accounts at Bank of International Settlements in Swiss gold francs. Both control a multiplicity of investment banks whose turnover in stocks on Wall Street double that of U.S. investors.

Prominent on the board of these two insurance giants are Committee of 300 members: the Giustiniani family, Black Nobility of Rome and Venice who trace their lineage to the Emperor Justinian; Sir Jocelyn Hambro of Hambros (Merchant) Bank; Pierpaolo Luzzatti Fequiz, whose lineage dates back six centuries to the most ancient Luzzatos, the Black Nobility of Venice, and Umberto Ortolani of the ancient Black Nobility family of the same name.

Other old Venetian Black Nobility Committee of 300 members and board members of ASG and RAS are the Doria family, the financiers of the Spanish Hapsburgs, Elie de Rothschild of the French Rothschild family, Baron August von Finck (Finck, the second richest man in Germany is now deceased), Franco Orsini Bonacassi of the ancient Orsini Black Nobility that traces its lineage to an ancient Roman senator of the same name, the Alba family whose lineage dates back to the great Duke of Alba, and Baron Pierre Lambert, a cousin of the Belgian Rothschild family.

The English companies controlled by the British royal family are Eagle Star, Prudential Assurance Company, the Prudential Insurance Company, which own and control most American insurers, including Allstate Insurance. At the head of the list is Eagle Star, probably the most powerful "front" for Military Intelligence Department Six (MI-6), it is also a front for major British banks, including Hill-Samuels, N.M. Rothschild and Sons (one of the gold price "fixers" who meet daily in London), and Barclays Bank (one of the funders of the African National Congress-ANC). It can be said with a great degree of accuracy that the most powerful British oligarchical families created Eagle Star as a vehicle for "black operations" against those who oppose Committee of 300 policies.

Unlike the CIA, British law makes it a serious crime to name MI-6 officials, so the following is but a partial list of "top brass" of MI-6, who are (or were) also members of the Committee of 300:

Lord Hartley Shawcross.
Sir Brian Edward Mountain
Sir Kenneth Keith.
Sir Kenneth Strong.
Sir William Stephenson
Sir William Wiseman.

All of the foregoing are (or were) heavily involved in key Committee of 300 companies which interface with literally thousands of companies engaged in every branch of commercial activity as we shall see.

INCLUDED COMPANIES

Some of these companies include Rank Organization, Xerox Corporation, ITT, IBM, RCA, CBS, NBC, BBC and CBC in communications, Raytheon, Textron, Bendix, Atlantic Richfield, British Petroleum, Royal Dutch Shell, Marine Midland Bank, Lehman Brothers, Kuhn Loeb, General Electric, Westinghouse Corporation, United Fruit Company and a great many more.

MI-6 ran a large number of these companies through British intelligence stationed in the RCA building in New York, which was the headquarters of its chief, Sir William Stephenson. Radio Corporation of America (RCA) was formed by G.E., Westinghouse, Morgan Guarantee and Trust (acting for the British crown), and United Fruit, back in 1919, as a British intelligence center. RCA's first president was J.P. Morgan's Owen Young, after whom the Young Plan was named. In 1929 David Sarnoff was appointed to run RCA. Sarnoff had acted as an assistant to Young at the 1919 Paris Peace Conference where a fallen Germany was stabbed in the back by the victorious "allies".

A network of Wall Street banks and brokerage houses takes care of the stock market for the Committee, and prominent among these are Blyth, Eastman Dillon, the Morgan groups, Lazard Freres and Kuhn Loeb Rhodes. Nothing happens on Wall Street that is not controlled by the Bank of England, whose instructions are relayed through the Morgan groups and then put into action through key brokerage houses whose top executives are ultimately responsible for carrying out Committee directives.

Before it overstepped the limits laid down by Morgan Guarantee, Drexel Burnham Lambert was a favorite of the Committee of 300. In 1981 almost every major brokerage house on Wall Street had sold out to the Committee, Phibro merging with Salomon Brothers. Phibro is the business arm of the Oppenheims of Anglo American Corporation. By this control mechanism, the Committee of 300 ensures that its members and their far-flung business corporations turn their investments on Wall Street over at a rate of double that of the "non-insider" foreign investors.

Remember, some of the richest families in the world live in Europe, so it is natural that they should have a preponderance of members on the Committee. The Von Thurn und Taxis family who once owned the German postal franchise, make David Rockefeller look like a very poor relation. The Von Thurn und Taxis dynasty dates back 300 years and generation after generation of family members have had seats on the Committee which they occupy to this day. We have already mentioned by name many of the most wealthy Venetian Black Nobility members of the Committee of 300 and other names will be added as we come across them in their various fields of endeavor. Now we shall include some American members of the Committee of 300 and try to trace their affiliations and connections to the British Crown.

[END QUOTING OF PART NINETEEN]

When we next take up this book and the people about to be named I want it known that it is difficult to get listings of these families as to lineage—i.e., "a" Walter Russell or a "Lao Russell" whose trail is deliberately clouded by new and important changes in purpose and direction of that which follows a given "person" in this association to the British "Crown". Please refer to Nora's writings as pertains to "just" the "Russell" family, coat of arms (crest), etc. [Nora's articles appeared in CONTACT: for 9/28/93 "Tavistock Institute, The Elite & Media Control, Part 1", and 10/19/93 "More Connections: Goats And The Russell 'Elite', Part 2." They will also appear, later, in her next book!]

Then, you can begin to associate players and "why's" of operations at such as the University of Science and Philosophy and its "silent" management by the Brookings Institute and direction under MI-6. It will also make more sense to you who think "Doris Ekker" could not possibly have anything of interest to such an organization (including one, Doris Ekker). However, if you see the OVERALL, it is obvious WHY full assault would be launched against such a bringer of information and namer of the players in their game of cover-up. The interesting thing is that we do not care. We are not here to "pull-down" anything, nor compete with anything. I find it very interesting to note the full-scale battle to sink our ships, hide the truth, ban the books, etc., taking place. WHY DO THEY KICK AND KICK AND KICK THE DEAD DOGS?? COULD IT BE THE DOGS ARE NOT DEAD?? EVEN IF THE DOGS THEMSELVES THINK THEMSELVES TO BE OF LITTLE MORE TROUBLE THAN A LUMP OF DEAD DOG. THAT WHICH IS ADVERSARIAL TO GOD OF LIGHT—CANNOT BEAR TRUTH IN FULLNESS TO COME INTO THE LIGHTED REALMS OF DAY—NO MATTER WHAT THEY ARE DOING. I HONOR THE SCIENCE ONLY, OF ONE, WALTER RUSSELL. THE PHILOSOPHY IS THAT OF HUMANISTIC NEW AGE—AND IS THE DOWNFALL "RELIGION" IN CONSTRUCTION IN MIND-CONTROL—OF YOUR WORLD. IT IS BUT A SMALL BRANCH OF SAME, BUT BY "HAPPENSTANCE" IS THE ONE RECOGNIZED BY THE PARTIES INVOLVED IN CONFRONTATION. You will note that ALL confrontations with any entities—have come from the New Age, UFO Bull-shippers groups. THE ADVERSARY DOES NOT WANT YOU TO RECOGNIZE GOD! I did not say "Space Cadets"—I SAID GOD!!

I can promise you that before we are finished you will realize that the lineage to the University of Science and Philosophy leads DIRECTLY from the Committee of 300. If one Timothy Binder doesn't know it, why does he bash us so? Why would that be something to hide—would not they be PROUD to hold such royal honor? So, why are the books ripped off the public shelves? To keep YOU from finding out that WE OF GOD, directly, denounce the PHILOSOPHY as FALSE while pronouncing the scientific realization of Walter, to be valid. They at the center of the group—DO NOT WANT YOU TO KNOW EITHER ONE.

Now, I ask you: how is this construed to be defamatory? Is there no room in your "FREE" world for expression of opinion? To speak out in opinion seems to somehow equate to their accusations of "ANTI-SEMITES"! How come we turn to such a full-blown hate word for thrusting out at "Doris"? Because WE are the Semites and we certainly are not against ourselves—AND IT HAS NOTHING TO DO WITH "JEWS". "THEY" will always accuse the opponent of being THAT WHICH THEY ARE! And, the story will change with the winds suitable to the circumstance—note George Green's no less than seven stories about how he has the "gold". Now "Rick Webber" (ALIAS), unfortunate young man, offers another—if George Green did in fact hold stock in the Institute as owner—then the gold should be his anyway. HAS ANYONE ON THAT SIDE OF THE CONGREGATION EVER HEARD OF CORPORATE RESPONSIBILITY AND STRUCTURE—WHAT GEORGE GREEN DID IS FELONY EMBEZZLEMENT!! What young "Rick Webber" is doing is aiding and abetting FELONY CRIMINAL ACTION! This seems unwise to me to take such a course of action, for by involving self with the inner workings of the legal counsel and directly offering misinformation—you are setting yourself for some serious legal repercussions. Your computer talents aside, son, you are playing into the hands of the parties at

fault. No matter what your feelings might be about any issue in point—the FACTS are not those which are presented by YOU as being FACT. George Green is using your work as if it were the GOSPEL of St. Truth, when it is worthy of NOTHING. Any one can have an opinion and snatch bits of documents and present them as if they are original court rulings—but the facts will catch up with you. I repeat something to you ones who tinker on George's side about the "gold" "gift". I remind you and question: "If there were four 'unopened' (George's claim), how could he have 'watched Ekker count the loot' as once claimed (one of his stories) and furthermore, how did the letter 'happen' to be in the ONLY opened box?? This letter that he claims GIVES HIM AND DESIREE THE GOLD. So, if there is reference to the "fourth" box with letter—WHAT ABOUT THE OTHER THREE???

In addition: Note the LETTER used to prove ownership of the gift—I believe it says to: Aton/Hatonn/America West, or something similar. I am the representative of the FIRST TWO NAMED and I am attached to the Institute. If you, "Rick W.", are going to get into such silly representation—please attend WHAT IS SAID LEST YOU LOOK THE FOOL

YOU BECOME.

George Green and Tim Binder, as well, say they have plenty of money to fight this thing (whatever it is)—forever, if necessary. George says he is a millionaire and threatens ones of the Institute Board with this information: "...I have plenty of money and will use it; do you?" And, "I will take your money and use it against you..." Hardly sounds a REASONABLE approach to me.

They are fighting someone (Ekkers) who have nothing—AND an Institute that they say has nothing to the point of receivership—which they continually effort at accomplishing—SO WHAT ARE THEY DOING? DO ANY OF YOU ACTUALLY THINK THAT THEY ARE DOING THIS FOOLISHNESS TO PROTECT THE PUBLIC INTERESTS OR "YOUR" RESOURCES? COME NOW!

Enough, scribe, for now. I know that you need to go check on your family and loved ones already in the damage from the bigger quake. Yes, it is time to reconsider locations. For one thing, the unknowing and insecurity of parents being away is terrifying to children in fear of being ALONE when the "Big One" comes—and RIGHTFULLY SO! It is time for all you parents to consider values and priorities. Salu.

A Timely Spiritual Message

3/20/94 #1 HATONN

CAN'T WE DEAL WITH 'JUST' THE SPIRITUAL?

The heart LONGS to simply turn unto and into the Spiritual aspects of expression and especially as the seeming years pass, more and more is longed for: the answers, peace, fulfillment, realization and quieting of chaos. More and more the soul aches for the "hand in the hand" and the "soul within THE soul"—only seemingly to be thwarted at every turn of the physical journey. Ah, and so it is! For it is the physical journey that allows the soul to grow as the consciousness is confronted barrage after barrage with choices, decisions, confusion and outright lies.

What happens to the great and "true" gurus? What happened with the "Rainbow Masters"? Where are they and why do they not come presently and set the classrooms to order? Because it would become again "their" mission and this journey upon which YOU have set forth—IS YOURS! So, you sit to your lessons, both in Truth and in total falseness. The HUMAN ASPECT always chooses the preference of the physical ease, luxury and satisfaction of the physical senses. Ah, but these are but illusion as to that which will bring peace, balance and harmony WITHIN SOUL. And, the problem becomes that SOUL is the infinite—PHYSICAL BUT THE PASSING....

You each, with soul, are blessed at onset by KNOWING the laws of God and Universe. Then the lessons of MAN are thrust upon the senses and the forgetting takes place. You literally FORGET who you are and what was your journey about in the first place. Most never recover memory and drift further into the mire of disposition.

"But," you say, "it is too hard to stay to the path of God and do that which is righteous. And, I can't be sure...." No, that is NOT so—you KNOW every time you so much as "fib".

You know every time you advantage another—YOU KNOW! THIS is why the secret societies of the darkness—to join with others of like deceit so YOU don't feel alone. Further, the "club" can set the prices of dues and fines and you can pay them to the physical aspect of the "leader of the pack" and feel exonerated and given absolution. The very spiral of secret behavior, unacceptable to the LIGHTED PATH, becomes THE normal behavior. YOU MADE AND MAKE THE CHOICES IN CONSCIOUS DECISIONS WHETHER IT BE TO "LIFT" A FINGER NAIL CLIPPER FROM THE MARKET OR TO JOIN THE DARKEST SECRET SOCIETY OF THE SATANIC CHURCH OF THE PHYSICAL REALM. You KNOW—you simply CHOOSE.

"Evil" can only HATE! And above all, Evil (let's use it as an entity name for this purpose) hates the image of himself which YOU create from the perfection of GOD. Mr. Evil plows the furrows deeply in order to plant firmly the "idea" of humanistic "reality"—but there is no "REALITY" within that realm of experience—only chaos of consciousness. Worse, when the human journey is interrupted by whatever cause—the effect then is to dump the released energy "soul" into an abyss of limbo-land AT A LEVEL OF UNDERSTANDING AND ACCEPTANCE OF THE HUMAN CONSCIOUSNESS HOUSING THE MANIFESTED EXPERIENCE. So, you may well have a Satanic killer who, when murdered himself, still bears the direction of Satanic level growth—to represent entity at receptivity of greater expression of Evil. On the other hand, at each re-presentation there is the CHOICE of change. In every physical manifestation of expression there will ALWAYS be both Evil and Goodness—dark and light, unknowing and knowing.

When, however, you CHOOSE to journey and serve within the LIGHT expression—then comes the "CREATIVE" POWER offered by the substance of ALL life. The limitations are torn away—leaving only, once again in lessons, the "choices", confound it. But the choices be-

come easy if you follow the "path" and the lessons in recognition and knowledge with WISDOM. What seems the EASY way of humanistic spirals—is DEAD END. You can learn everything a human teacher can tell you and show you about, say, ascension—BUT YOU STILL WILL BE TOTALLY UNABLE TO ASCEND TO ANYWHERE—NOT EVEN LEVITATE! Why? Because the PHYSICAL cannot do that which only the SOUL can do. If both the physical and soul be in complete atunement—BOTH CAN ASCEND—but will still be functioning in the physical consciousness and you certainly will not be free in that ascension to express within the realms of soul freedom. Masters do not LIKE to come back within your bindings of physical expression—FOR ANY REASON. They do, however, present themselves in many ways because of service unto God and SOUL and LOVE. The fact is that there is only ONE SOUL in perfection—therefore, I, for instance, am not WHOLE in my own being without my fragmented parts being again brought into the ONE. There is a void within my own soul perfection until I recombine with you who are missing from myself. Creator ALLOWS us those diverse experiences of HIS THOUGHT that we might return home in PERFECT regiving and acceptance—in KNOWING.

THEN WHY DO WE DWELL ON THINGS OF PHYSICAL?

Because you ARE expressing in PHYSICAL MANIFESTATION—in forgetfulness, confusion and UNKNOWING. You are making choices without wisdom or intelligence—much less, knowledge. I cannot tell you EVERY detail of every experience to give you knowing—so I must choose those things hidden from you which CAN GIVE INSIGHT AND ALLOW CHANGE THROUGH CHOICES MADE IN WISE RECOURSE. You must come to KNOW your enemy! It helps not if only "I" know YOUR enemy—it is enough for me that I know my own enemy—but you are experiencing in YOUR journey and what I know is not that which you focus upon. MY JOB is to bring into focus SOME of those things upon which you MUST ATTEND if you are to reclaim your SELF. I do not have the task of ALL teachings—and you must come to understand the falseness of almost all teachers at this time of chaos. If the teachings require physical aspects of yourself to serve a HUMAN CAUSE or CONSCIOUSNESS OF PHYSICAL—IT IS INCORRECT! YOU MUST JUDGE THE TEACHINGS AND THEN THE TEACHER BECOMES IMMATERIAL—99.99% OF ALL THAT SATAN TELLS YOU IS TRUTH! IT IS THAT TINY FRAGMENT IN LIE THAT "GETS YA".

Mr. Evil will boggle your mind with "insider reports", tinker over hours on the clock and dates as does a barrister in a vapid court of non-law. Mr. Gritz will, for instance, say that "If Hatonn is so hot, why didn't he just know I was out of town...." What difference does it make what Hatonn may or may not know—YOU DON'T KNOW and "YOU" is where "it's at". If I ask someone to respond to a message offered through this routing—THESE PEOPLE IN FLESH AND HUMAN EXPERIENCE HAVE TO HAVE A HUMAN RESPONSE "THEY" CAN UNDERSTAND. What you deal with in the "former instance" is magical gamesmanship, not realistic interchange. If the commanding officer sends a radio message to a Delta player in the jungle and asks for acknowledgement—does this mean "Oh well, the General knows

where I am!" No, the "argument offered" is even less smart than "stupid". When you succumb to such idiocy—you have just been rebitten by the serpent dwelling around your intelligence center injecting venom at every spark of "light". This is why the description of any of God's troops will come from these ones as "serpentine", reptilian, etc., for it is the deceit of the Evil Empire—it is THEIR symbol of existence—be it in old Lemuria, Pan, the Garden of Eden, the Khazarian choices of symbol (Serpent People) or whatever. THEY create the image of GOD in their own IMAGE! GOD CREATED YOU IN HIS IMAGE—RADIANCE! THEREFORE, YOU CAN ONLY PERCEIVE GOD IN THE IMAGE "SOLD" TO YOU. It is so unfortunate for the tiny creature presenting as a "snake" for these in manifestation are but creatures now bashed and battered "just for being".

My "responsibility" is NOT to those who pull away from God and have made choices of separation and service unto Evil (knowingly or unknowingly). My job is to attend the fragments who HAVE NOT PULLED AWAY FROM GOD AND SEEK JOURNEY HOME IN RADIANCE AND SECURITY OF HIS WINGS. Mine is a task of bringing you that information in integrated form, already provided you at some place, some time, and to record events and entities for historical archives of the eons of experience—for another place and another time in the screenplay. This is to allow you to reconsider or "firstly" consider your path as the spiral narrows and the cycle completes itself.

That which remains with GOD shall be gathered unto God in HIS manner of gathering. That which is worthy shall be gathered and brought into radiance of expression (a

time of radiance) and that which is negative in service unto low-wisdom lifeform will be separated out to continue in a most dank environment devoid of God's Lighted Presence. THAT is the definition of HELL—DEVOID OF GOD! GOD REQUIRES NO PERFECTION OF HUMAN—HE ASKS ONLY INTENT TOWARD HIS OWN PERFECTION WHICH ALREADY IS!

I know, Dharma, you long for more and more of THIS Truth that you may rest from the duty board. No, you must know the manifested players and scenarios set forth to ensnare you as a civilization. Then, and only then, can you see far enough to reclaim that which must be reclaimed upon your planetary experience. You do not need abide by the prophecies of some ancient play—but you must get together the God consciousness in order to SEE HOW TO CHANGE.

Am I but a "chess" player manipulating puzzle pieces against an opponent recognized as "satan"? Perhaps. So, WHO WOULD YOU LIKE TO SEE WIN THE CHESS MATCH? Well, either way—GOD WINS! Now, it remains for you to choose—WHICH GOD? In the REALMS OF GOD there is no question. Only at your level of unknowing is there even such a game as this. How can YOU participate in a "chess" game wherein only your enemy knows the rules and who the pawns ARE? You have the ultimate advantage in that you of God can pull forth CREATIVE POWER—if you come to know what you are about. At present the adversary has the lead in the game because you have refused to learn the game plan. It is not a difficult concept to understand—he who knows the game is GOING TO WIN! REMEMBER, HOWEVER, "GOD, TOO, HAS A PLAN 2000!" Salu.

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, **THE WORD** also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: **THE WORD**, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

The following is a list of current meeting dates with the number of tapes in bold in parentheses and mentioning if the meeting has a special focus:

1/2/93(2);	7/2/93(2)* Rayelan Russbacher on KTKK;
1/14/93(2) Seminar speech by Retired	7/11/93(3); 7/18/93(2); 7/30/93(3);
Police Officer, Jack McLamb;	7/31/93(1) KTKK Little Crow;
1/16/93(2); 1/23/93(3); 1/30/93(2);	8/8/93(2); 8/21/93(2);
2/6/93(1); 2/13/93(2); 2/18/93(2);	8/22/93(3) Gunther Russbacher interview;
2/20/93(2) radio program on KTKK featur-	8/29/93(2);
ing Soltec with Hatonn;	9/5/93(3); 9/14/93(2); 9/19/93(3);
4/4/93(3) including Soltec and Sananda;	10/9/93(3); 10/16/93(3); 10/30/93(2);
4/10/93(2) radio program KTKK;	11/13/93(2); 11/21/93(3); 11/27/93(2);
4/24/93(3); 5/2/93(2); 5/16/93(2);	12/5/93(2); 12/12/93(2); 12/18/93(1);
5/23/93(3); 6/20/93(2);	1/8/94(2); 1/16/94(2); 1/23/94(2);
6/20/93(1)*Mystery Virus in New Mexico	2/7/94(2); 2/13/94(4); 3/6/94(2).

**VISA, DISCOVER AND
MASTER CARD ACCEPTED**

#1 to #5 Corporation Lectures (\$5 each tape).

New Gaia Products

GAIAANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, AquaGaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

AquaGaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of AquaGaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIAANDRIANA & AQUAGAIA

To help in understanding the workings of these organic "pac-men" you must realize that

there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

AquaGaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and AquaGaia, together for storage as the AquaGaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the AquaGaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other

requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

A-C-E ANTI-OXIDANT FORMULA

[On special thru March 31, 1994 see Ad on p. 9] There is growing evidence that essentially everyone in our society is exposed to free radicals, now more than ever. While free radicals are normal products of our cells and have certain beneficial roles in the body, increased levels of free radicals in our body tissues can be detrimental to our health. Free radicals are highly unstable substances produced in the body through, among other routes, metabolism of oxygen. Free radicals multiply through a series of chain reactions and can attack the polyunsaturated fatty acids of cell membranes. Unless excess free radicals are neutralized, they can cause considerable damage to the structure and function of cell membranes and thus, the cells themselves.

The products from free radical reactions are implicated in the progressive accumulation of deleterious cellular changes over time, which may eventually result in recognizable disease. Free radical damage is implicated in the initiation and promotion of many cancers, as well as atherosclerosis.

One area of aging research suggests that free radicals damage body cells and cause the pathological changes associated with aging. Besides being by-products of the metabolism of oxygen, such as during strenuous exercise, we are also exposed to significant sources of free radicals from the environment, such as from so-called "background" levels of ionizing radiation.

Cooperative defense systems that can protect the body from free radical damage include certain enzymes and the antioxidant vitamins A, C, and E and Beta-Carotene, which protect cell membranes from oxidative damage. Vitamin E, one of the fat-soluble vitamins, is present in the blood as d-alpha-tocopherol and is well accepted as the major antioxidant in lipid body tissues. Vitamin E is considered the first line of defense against cell-membrane damage due to peroxidation. Vitamin E scavenges free radicals, terminating chain reactions and confining damage to limited areas of the membrane. Selenium contained in the enzyme glutathione peroxidase is the second line of defense that destroys peroxides before they can damage cell membranes. Beta-Carotene, a precursor of Vitamin A, also traps free radicals. Vitamin C is water soluble and serves to neutralize free radicals in aqueous systems.

The antioxidants show promise as cancer-prevention agents, alone and in combination.

ALOE JUICE**(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)**

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Juice is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadosis Miller Aloe Vera* plant. **Aloe Juice** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulators, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

GINKGO BILOBA**(Ginkgo Biloba extract, 24%)**

The Ginkgo Biloba extract is a complex compound. The green leaves of the tree are usually harvested from trees grown on plantations in South Korea, Japan and France.

Ginkgo is reported to have a natural affinity for the nervous system. It also seems to stimulate the vascular and endocrine systems that, in turn, strongly affect the function of the nervous system, possibly increasing the capacity for normal physical activity, and the flow of blood to the brain. Some research indicates the possible effectiveness of Ginkgo in the treatment of Alzheimer's disease.

Due to its pharmacological properties, Ginkgo is now widely used throughout Europe for treating many forms of vascular disease. In a survey of packaging information of European products, Ginkgo has been recommended for such ailments as headaches, vertigo, inner-ear disturbances, diminished intellectual capacity and alertness as a result of insufficient circulation to the brain, anxiety, and depression, to name a few.

Ginkgo Biloba Extract (24%) is concentrated from the leaves of the Ginkgo Biloba tree. The highly specialized extraction process yields a 50:1 concentrate from the leaves (50 grams of leaf produce 1 gram of extract). The extract is then further standardized to contain 24% of the active Ginkgo Flavoglycosides.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including

spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS**(with American Ginseng)**

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*).

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin-complement system, interferon-like activity, stimulation of general cellular immunity, and antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.

OXY TODDY

Made from pure Aloe Vera juice from organic Aloe Vera plants, this product is oxygen-enhanced with 35% food grade hydrogen peroxide, minerals, whole Aloe Vera pulp, 60 colloidal plant minerals (an aqueous solution), and natural flavors.

One ounce of **Oxy Toddy** contains approximately 20 drops of 35% food grade hydrogen peroxide. This product contains no sugar, fillers or starches and is cold processed to ensure maximum enzymatic activity.

**72 Hour Kit
Checklist**

- ☐ **Water**
Stored in a portable container. Rotate regularly. Have at least three gallons per person (for a three day supply). Have a water purification method.
- ☐ **Food**
Suitable for long term storage. Packaged to prevent water damage. Include cups, utensils, paper plates and a can opener, if needed.
- ☐ **Extra Clothing**
A complete outfit of warm clothing for each family member. Include extra socks, and underwear. Include walking shoes.
- ☐ **Warmth & Shelter**
Coats, hats, scarves, and gloves for everyone include warm blankets (wool or emergency blankets are best). Rain ponchos, garbage bags, and/or umbrellas to keep off the rain. Warm Packs or other heat source. Pup tent or tarp.
- ☐ **Light Source**
Flashlight with extra batteries or a chemical lightstick. Kerosene lanterns are fine, but any flame may pose a hazard, especially near potential gas leaks. Have at least two quick and safe light sources in your kit.
- ☐ **Tools**
Pocket knife, lightweight shovel, duct tape, matches, pocket sewing kit, screwdriver.
- ☐ **Important Papers**
Important family documents (such as birth certificates, marriage certificates, insurance forms, wills), addresses and phone numbers of relatives, and places to meet if separated.
- ☐ **Money**
Keep at least \$20 in your kit. Be sure to include quarters for phone calls, etc.
- ☐ **First Aid Supplies**
Pain relievers, bandages, antiseptics, clean cloths, burn ointment. Include any personal medications.
- ☐ **Special Needs**
For babies: diapers, ointment, bottles & pacifiers, hand towels, special foods, and other supplies as needed. Consider the needs of elderly people as well as those with handicaps or other special needs.
- ☐ **Stress Relievers**
Card games, books, small hobbies, hard candy, Bible. For children: small toys, paper and pen, favorite security items.
- ☐ **Communications**
Portable radio with batteries, signal mirrors, whistles, red flags, signal flares.
- ☐ **Personal Sanitation**
Sanitary napkins, razors, toothbrush, hand soap, dish soap, towels, toilet paper.
- ☐ **Portable Container**
Such as a book bag, backpack, or duffel bag. Should be easy to carry and lightweight. Shoulder straps are best for traveling long distances.
- ☐ **Additional Items**
Added as carrying weight and expense of kit will allow: Extra food, camp stove and cooking equipment, tents, sleeping bags, sun block, insect repellent, portable toilet.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

New Gaia Product Update

- **Gaia-Trim** [see 3/1/94 CONTACT, p. 10, for description]
- **CarbraGaia** [see 3/1/94 CONTACT, pgs. 10 & 37, for description]
- **GaiaSorb Starch Neutra-Bond (2oz.)**
- **GaiaSorb Travel Pac**

Since it will be several weeks before the first of these products become available to order, please keep your eye on this box for availability updates!
