Look What's Happening! *Gold* In Them-Thar Vaults

5/13/94 #1 HATONN

GOLD IN THEM - THAR VAULTS!

I realize it is very nice for you to get confirmation of things of which I share, from Earth-level humans from the "inside". So, in that vein, today is a good day.

You all want to know to the moment when something will happen and I remind you that as long as man can tamper—it is impossible to calculate all the probabilities and possibilities. But let us look this day at the economy and what is afoot and PLANNED for the FIRST WEEK OF JULY, 1994.

NEW MONEY

There is a terrible confusion as to just "how" to handle a money (currency) shift. It

TODAY appears (and this comes from some Treasury Department operatives) that the more simple way to handle the money is back again to the colored currency already printed, dispersed and waiting at appropriate outlet locations. It can later then be shifted into legitimate "dollar" accounting within the Treasury Department of the Government.

That change-out is scheduled for, and I suggest you simply count on the 1st but I suspect it will be offered around your holiday of July 4th which will fall on a Monday.

The gold in amounts enough to cover a gold-standard BASE in the U.S. was received in the U.S. LAST WEEK in massive quantities. There is more where that came from but this is plenty to now finalize plans for change-out. The "bugs" have now been pretty well worked out of the system and it appears there is no reason to change the plans from this point on.

A lot of political "stuff" has been bargained

for silencing UNTIL after July one, so you can guess that this is pretty accurate as to probability. Just HOW they will do it is not important at this moment.

How do I know about these things? Because I and mine have been involved in the transactions since before any of your nerds were aware—we set up the scenario and, yes indeed, our people are involved. I can guarantee you that the Phoenix Institute for Research & Education, Ltd., for you participants, WILL NO LONGER BE UNDER CONSIDERATION FROM IMPACT FROM THE "DARK" CRUSADERS! [Editor's note: For questions about participation in The Phoenix Institute, call 805-822-0601 during normal West Coast business hours.]

There are some 150,000 TONS of gold now in the states—ready. The valuation will

Editor's note: The following material is very critical background reading, from a past CONTACT, for appreciating the latest commentaries on this disgusting subject on pages 9 and 14.

12/3/93 #2 HATONN

The next material is so terrible that you might well want to read it several times. It is going to remind you of that which I have told you about "how" things like yesterday in California, happen [Polly Klaas death: see JOURNAL #84 or 12/7/94 CONTACT, p. 29]. Things like a man going crazy and killing—programmed killing without "reason". I ask that you look at this document CAREFULLY for this very subject will be noted. You cannot look at ONE "project" as put upon you—but all linked together and realize the magnitude and widespread use of these "BLACK PROJECTS". It is shocking to realize the names are real and, yes indeed, you will recognize them.

This first portion is released by one Cathy (Cathleen) O'Brien. Real name? Never mind—for we protect as best we can the persons involved. The story is shocking and you will have a bad time absorbing it for it begins to hit "home" and not just represent soldiers and other "unrelated" directly, to you, parties in most instances. You will also find that you MUST go back and relate the information about the child pornography rings of international proportion to this material. Kiddies, you have to grow up now, and realize that you are in the most terrible time of the ending of society as you have ever in history known it to be. I ask you to BRING GOD WITHIN AS YOU READ THIS.

NORTH AMERICAN FREE TRADE AGREEMENT

AKA: "OPERATION GREENBACKS FOR WETBACKS"

(Quote: George Bush, Dick Cheney)

Released: by Cathy O'Brien, February 1992

[QUOTING:]

"Well, Kitten," Reagan said to me, "This is your death sentence: You'll go out in a blaze of glory..."

I was present when Ronald Reagan and a chief Mafia porn boss and then President of Mexico, de la Madrid, met December 1986 in Bel Aire, California to finalize plans for the

opening of the Juarez border to "free trade" of cocaine, heroin and (mind controlled) child/adult slavery operations...a forerunner to the North American Free Trade Agreement.

I had previously been programmed by Dick Cheney, George Bush and Reagan (re: No More Beating Around the Bush paperwork) to meet with de la Madrid to establish this ground work for NAFTA. Of all the Central Intelligence Agency's criminal covert operations I was used in for over a decade, and all the sensitive messages I delivered between world leaders, the criminal activity I witnessed/proposed to between US and Mexican government officials at the onset of NAFTA, prompted orders for my death. I had witnessed enough to jeopardize the implementation of the so-called "New World Order". (Note: by 1938, Adolph Hitler had termed his global efforts as the "New World Order".)

The North American Free Trade Agreement is but a small part of long range planning that was to bring about the New World Order and a shared global economy. In order to even out the vast difference between Mexico's impoverished third world economy and the wealth of the US, efforts began in the mid 1980s to financially balance the two nations. It was my experience as a government "presidential model" mind control slave to have witnessed the US taking control of the world's drug, arms and pornography industries, and using the proceeds to further covert activities that were to eventually put the "masterminds" behind the New World Order in control.

The plan I witnessed George Bush implement "allegedly" included trauma-based (and electronic) mind control via DIA Defense Intelligence Agency) Psychological Warfare Division techniques, domination of the world's organized crime (drugs) and oil industries, "ethnic cleansing", and a deliberate plan to incite anarchy to dissolve organized government structures, including suspending the U.S. Constitution and evoking Martial Law. To further the effects of total mind control, George Bush was actively involved in MK Ultra's genetic studies, Project Monarch, by personally sexually assaulting numerous children—including my own daughter—from the age of 3 1/2 years until she was 8. By influencing our so-called Justice system, further pandemonium among American citizens was created when cover-up and CIA Damage Containment practices became the order of the day, traumatizing the public sector through rampant crime

with no effective legal recourse available for the survivors.

To further influence the American populace, who had been lulled to sleep during the Reagan Administration, the DIA's "alleged" Operation Armageddon was "allegedly" implemented in an effort to convince citizens that what they were witnessing was not the work of a few criminal genius minds set on controlling the world, but rather a biblical prophecy of anarchy and "spiritual warfare" which created the overwhelming attitude that nothing could be done beyond prayer.

Enough American Patriots have retained their ability to question "Why" to have begun a united effort to sound the Liberty Bell and WAKE UP AMERICA. The resounding reality of what has transpired while we slept, has incited American patriots so determined to bring these crimes to light.

Why is our so-called "Free Press" encumbered by censorship and government control? Who and what is The Shadow or Secret Government?

Why did George Bush promote the sale of arms to Iraq?

Why did Saddam Hussein's army lay down those weapons and not fight back during Desert Storm? Or rather, what is microwave mind control?

What affliction is it that over 2,000 [now acknowledged much higher] servicemen in the military who were in Desert Storm suffer from...untreated for reasons of "National Security"?

Why is America the world leader in the drug business? Is this what "winning the Drug War" means?

Why does our military permit a named/known child molester, Michael Aquino, to run an occult church (and Day Center centers) on ALL our military bases and in the private sector without recourse?

Where are our nation's missing children? And where is newspaper boy from Omaha, Nebraska, Johnny Gosh?

Why don't openly promiscuous world and national leaders contract AIDS?

Why did leaders including Ronald Reagan, Dick Cheney, Saudi Arabian King Fahd, and then Mexican President de la Madrid NOT take "safe sex" precautions against AIDS when IN SEXUAL CONTACT WITH ME WHEN THEY KNEW I WAS BEING PROSTITUTED TO ENTERTAINERS, Haitian OFFICIALS, ETC.?

Why ask "Why"? Because the future welfare of humanity depends on it!!

In 1984, I was in Washington, DC being prepared and programmed by Dick Cheney and George Bush for an upcoming meeting in Cancun, Mexico with then Mexican Vice President Salinas. Cheney was explaining Bush's role to me, "...your new director...the Vice President. Lesson number one...you know what Miami Vice is...undercover drug agents taking control of the drug industry. A Vice President is just that—an undercover drug agent taking control of the drug industry...for the President."

Bush spoke up and said, "Mexico is a problem. They've got lots of drugs, but not the brains nor the means to sell it outside of their own country. So how can we take control of their drug industry when we can't even get our hands on it? It's your duty as an American citizen to open the routes and initiate freedom from poverty throughout their nation by offering them cash as a means of enticing their drug industry (i.e., heroin) right into our grasp by bringing it right up to our doorsteps."

Cheney laughed and said, "Operation Greenbacks for Wetbacks", which made Bush laugh and became an often repeated joke between the two thereafter.

Bush's "justification" did not stir my "patriotic passions" like Reagan so aptly had, nor did I have the ability as a programmed Multiple Personality Disordered mind control slave to even comprehend or QUESTION what he was saying... "Why ask Why?"...I was programmed robotically with a message to deliver to then Mexican Vice President Salinas during the upcoming drug run to Cancun, Mexico.

Traumas I was subjected to at the time of programming, i.e., George Bush sexually assaulting my young daughter, high voltage, etc., compartmentalized the programmed message in my brain to be accessed at the appropriate time by Salinas. Staking government secrets on the belief that I could not be "deprogrammed" and reintegrated has proven erroneous, and the messages and events I was exposed to are now mine to photographically recall in minute detail at will. I recalled while being programmed with Bush's message to Salinas, that Cheney jokingly injected the phrase "Operation Greenback for Wetbacks" into the message thereby causing them to have to "erase" the ethnic slam term and begin programming me with the message all over again. I delivered the second "clean" version to Salinas as ordered upon my arrival to Mexico.

"I have a message from the Vice President of the United States of America to our neighbors in Mexico. America is willing to share its wealth through a trade agreement with Mexico. We'll trade our cash for control over Mexico's cocaine and heroin production. By controlling your drug industry, we can open the border between our countries to allow a free flow of cocaine and heroin into the US, bought and paid for in American dollars to build Mexico. Eventually this could dissolve the border between our countries altogether as Mexico's economy grows to match ours. If we begin today, this dream could be realized by the turn of the century...sharing the same continent, sharing the same wealth. Why? The drug industry already dictates what Mexican government can or can not do. By giving

the US control of your drug industry, Mexico regains control over her government...re-established power backed by US dollars will bring Mexico on an economic par with America. We can begin by spreading the word through the (South American drug) cartels that the US is covertly willing to open the borders to free drug trade by making agents available to show you the passage and route through which the

drugs are to be delivered. Only US agents can bring Mexican heroin and cocaine across the border, and likewise they will bring the cash in (to Mexico). Explain to those select few who control the drug empires that the cruise line (NCL-Norwegian Caribbean Lines) agreement is going into mass expansion, tearing down the border between our countries enough to allow for as many drugs to come in as Mexico can deal

out. When do we begin? Immediately. The cash is at hand. (I gestured toward the suitcase I had carried in, and Salinas unzipped it to find it full of cash.) Deliver whatever amount of brown heroin you have at hand as a means of confirmation to the agreement. Keep the change as a token of the change and good fortune that has befallen Mexico from its neighboring nation."

After my meeting with Salinas, I carried a fist-sized ball of black tar heroin back to Washington, DC and hand delivered it to George Bush. NAFTA was officially underway.

I delivered many messages between our governments from that time until my rescue in 1988—some pertaining to business agreements that I could comprehend only because of my father, Earl O'Brien's involvement through opening a branch of his Camshaft business, Engine Power Components, in Mexico as arranged by our government. (My father became a large military contractor for the US government as part of his payment for selling me into MK Ultra Project Monarch mind control.) [H: Nice father.] as US Senator and Senate Appropriations Chairman Robert C. Byrd's personal sex slave in the late 1970s.) I was still unable to grasp the gravity of what was transpiring to establish New World Order groundwork, nor was I able to question "Why" due to my constant mind control trance. Yet, what I witnessed in December of 1986 while in California on US/Mexican government business was so mind shattering that it destroyed much of my pre-established programmed personality fragments, and was such that Reagan ordered my death to be video taped via a "Snuff film" to PROVE that I was indeed dead and my silence insured. [H: Still think Carla Hill in the (Judge) Thomas Affair was acting as any little old lady off the street? There has been statement after statement requesting that you LOOK AT HER EYES in the films during the hearings and later in public speakings. Even good old Rush Limbaugh (for whom, by the way, I have a great deal of respect) showed film clips and had a field-day with having everyone look at her IN TRANCE RIGHT IN TESTIMONY!]

When Mark Phillips rescued my daughter and me from our CIA Project Monarch mind controlled existence, he safely but efficiently reintegrated my multiple personalities and deactivated my programming by utilizing his MK Ultra de-programming expertise. By following his carefully orchestrated strategies, through the support of some very dedicated American patriots from the Intelligence community, and through Mark Phillips' widely known contact and proficiency with weapons, I survived Reagan's "death sentence" to reveal the corruption that the New World Order's North American Free Trade Agreement really represents.

Reagan's "Chief pornographer" and fellow mobster, Michael (Vitti) Danté, was to become my daughter's and my next and last mind control handler, and I was ordered to stay with him while in California in order that he oversee my NAFTA operations orders. Danté's Mafia boss was closely involved in the intermeshing of Mob and Government criminal activities, was good friends with Reagan, and was to become an integral part in the opening of the Juarez, Mexican border to "free trade" of cocaine, heroin, pornography, and white slavery. This Mafia boss and crime family were responsible for throwing a party for de la Madrid the night before Reagan was to arrive in California for the NAFTA meeting, and Danté was responsible for ensuring that I arrive at the party for my encounter with de la Madrid and that hidden obvious cameras would be rolling to record the "event".

"After my meeting with Salinas, I carried a fist-sized ball of black tar heroin back to Washington, DC and hand delivered it to George Bush. NAFTA was officially underway."

As de la Madrid climbed the steps of the decadent, glass fronted mansion in Malibu where we met, I delivered my "pass word" greeting as ordered "Welcome to the Hotel California". De la Madrid laughed heartily, fully comprehending that this phrase, taken from the Eagle's Hotel California song, signified that once he was committed, "he

could never leave." De la Madrid would be held to his agreement through Bush's Mafia/Hoover-style blackmail. De la Madrid knew his every word and action were being monitored, recorded and filmed, and that his "integrity" would be fully compromised by the end of the meeting.

De la Madrid, already knowledgeable of Bush's methodisms, was prepared for being compromised and blackmailed. When we went into a bedroom where I was to deliver Bush's message and then satisfy de la Madrid's sexual perversions, he cleverly held a softball sized ball of Mexican black tar heroin up to the "hidden" camera and said, "A token of appreciation, Mr. Bush...something for your private stock...the finest heroin available. Enjoy."

The message I delivered to de la Madrid from Bush was as follows:

"If you please, Sir, I have a message to deliver to you from the Vice President of the United States. Welcome to our Neighborhood. (cryptic for joining the ranks of the leaders of the New World Order). As you know, Salinas and I have worked out the details towards implementing our plan to open the Juarez border tomorrow. In preparation and celebration of this accomplishment, this little party tonight will bring you face to face with a trusted few who are integral parts of this endeavor,

and give you the latitude to see first hand the friendship and honor among the family members. I regret that I could not be here in person to greet you, but Ron (Reagan) can show you the ins and outs of the organization better than I. The (bank) transaction numbers have been recorded and are available to you for cross reference purposes to uphold the integrity of the players involved on your end of the Juarez border. Your commitment today ensures you of a higher economic standard of living for your people, increased relations with the US, an influx of American industry, and a position of high esteem in the New World Order. With your Seal of Approval, we can dissolve the Juarez border and make way for a future of prosperity for Mexico. For now, relax and enjoy your stay."

After de la Madrid committed to opening the Juarez border for free trade of drugs by providing me with the Mexican Presidential Seal of approval certificate that I would be presenting the next night to designated Mexican border guard officials, he began the "pleasurable" portion of his stay in California. The "little party" that Bush had referred to in his message was going on around us and was comprised of predominantly Mafia involved government CIA "operatives", who de la Madrid would join later as well as the following day with Reagan. With our "business complete", de la Madrid snorted a few lines of cocaine and, with "hidden" cameras rolling, accessed my various Beta (sex) programmed personalities with the keys and triggers provided him earlier by Reagan.

Later that night, when Danté came in to retrieve me, de la Madrid told him that he wanted a "Presidential Model" Project Monarch Beta trained mind control slave of his own. Danté responded, "That can be arranged."

De la Madrid's request was reiterated the next day during the course of the NAFTA meeting with Reagan, the Mafia boss, Danté and me, and subsequently it was agreed that the Juarez border would also include "free trade" of both child and adult mind controlled slaves INTO Mexico. Our nation's children then became a part of the North American Free Trade Agreement!

In accordance with this white slavery agreement, Mexico was to also become involved as a relay in the sale of our nation's children into Saudi Arabia. These slave routes, now known to both clean and involved law enforcement and border guards on both sides of the Juarez border, have incited bloody battles over the claim of these traumatized young Americans. To those on the side of Freedom and Human Rights, the Free Trade Agreement between US and Mexican government officials has tipped the scales of justice to the side of the slave runners/owners and thus jeopardizing their lives, jobs, and the Security of our Nation! Ironically, our media is censored "for reasons of National Security" from reporting this aspect of NAFTA and the resultant growing turbulence at the Juarez border that is finally beginning to shake the foundations of this "New World Order" free trade agreement.

I was heavily tranced and traumatized during the meeting, and showed Reagan the certificate of de la Madrid's Presidential Seal that would be used to officially open the border.

Reagan, in accordance with Oz programming, told me, "That Presidential Seal of Approval is your Death Certificate, Kitten, and there's nothing I can do about it." It was then discussed between Danté, de la Madrid, and Reagan that I was to die by fire in a porn "Snuff Film" directed by Danté, which would serve as proof of my death and thus keep their criminal NAFTA secrets safe. Reagan assured me, "This is your death sentence: You'll go out in a blaze of glory...." Further arrangements were made that Danté would then become my daughter's mind control handler.

Soon after opening the Juarez border point,

"Later that night, when Danté came in to retrieve me, de la Madrid told him that he wanted a 'Presidential Model' Project Monarch Beta trained mind control slave of his own. Danté responded, 'That can be arranged.'"

I met with Saudi Arabian King Fahd, diplomat Philip Habib, George Bush, and Dick Cheney in Washington, DC, which included expansion of the NAFTA agreement into New World Order realms of drug, arms, and white slavery operations. Diplomatic relations between Mexico and Saudi Arabia were strengthened at this point through criminal covert activities involving the arming of Iraq and routing of our nation's "chosen ones" children through Mexico into Saudi Arabia. I concluded my mind controlled role in NAFTA with de la Madrid in Cancun, Mexico the first of January, 1988. I was to be transferred to Danté as arranged for my demise the following month, but Mark Phillips (not so miraculously) intervened during this interim period and rescued Kelly and me and took us to the safety of Alaska where I began immediately recovering my mind with memories of the mind control atrocities that the New World Order is rooted in.

Now that I have a mind of my own, it is my obligation as an American Patriot to reveal what I learned in order that the populace wake up and face the reality of who has been running our country and what transpired while we slept...and begin asking question...demand answers...and take back America!

[END OF QUOTING]

It should be noted herein that there is a "Sworn Statement" made before witnesses and a Notary at Large which reads:

I, Cathleen (Cathy) Ann O'Brien, do, to the best of my recollection, hereby attest to the complete accuracy of the enclosed/attached testimony by affixing my initials to each set of sworn testimony and including this sworn statement before a licensed notary public.

Signed: (signature)

Date: July 21, 1992.

The witness and Notary will be left in security. I will, however, tell you now that on every page of the ongoing document there are signature initials hereto referenced.

I will not ask Dharma to continue at this sitting because the remainder is still quite lengthy and we have other tasks to be attended. Thank you.

When we continue we will pick up with the project itself, Monarch. It will be by Mark Phillips. Who is Mark Phillips? That is not for me to disclose although there is a mailing

address offered in Tennessee. I have heard this man badgered, denied, quoted, sworn to and dismissed as totally absurd. I only suggest you, as you read, CONSIDER ALL THE OTHER INFORMATION WE HAVE OFFERED—AND THEN MAKE DISCERNMENTS AND JUDGMENTS BASED ON YOUR TRAINING FOR TRUTH SEEKING. USE TRUTH AS IT FLOWS AND BECOME SO AWARE THAT YOU CAN SIMPLY PUT ASIDE THAT WHICH IS NOT CREDIBLE. YOU MUST BEGIN, SOMETIME, TO TAKE RESPONSIBILITY FOR SELF AND FOR TRUTH—NOW IS AS GOOD A TIME AS ANY!

Salu.

We are working against new deadlines today for the paper so I would turn now, back to *Project Monarch* [the document]. I also have the newest offering of the "Parowan Prophet" which is most interesting and since so many of you ask for his projections and observations, we shall effort to get to it also—at least by the following week. Things are so "timely" at this moment that it is difficult to cover it all—and we can no longer afford, under any circumstances, to continue the *CONTACT* as is. However, the information WILL BE IN THE CURRENT JOURNAL [84, see Back Page for ordering information] WHEREIN WE WILL ENDEAVOR TO COVER MORE FULLY AND WITH CONFIRMATION THAT WHICH WE OFFER. WE WILL APPRECIATE YOUR UNDERSTANDING AND SUPPORT THROUGH THE TRANSITION.

neological mind control research project for military utilization of (primarily) transgenerational pedophiles...

[QUOTING:]

PURPOSE

The US Department of Defense's original plans to research the mind control phenomena was to determine psychological and chemical formulas for providing the US with the "perfect" espionage agent. This quickly evolved into planning the "production" of the perfect soldier...government worker...slave.

However, German SS officer/occultist Himmler's research development scientists sent this search for the "Manchurian Candidate" off in another direction...PSYCHO-LOGICAL GENETIC ENGINEERING.

It was determined that "absolute" mind control could be realized through specific tortures of the intended transgenerational victim...from the moment of birth!

Armed with this deadly research, a collection of "dedicated psychiatrists" from Germany, Italy, and the US, a new but ancient form of mind control was reborn through **Project Monarch**.

Modern science had simply unraveled the occult cryptic so-called "magical" secrets of mind control...to spawn a new generation of "superior beings"...who could **NEVER ASK WHAT THEIR COUNTRY COULD DO FOR THEM...BUT ONLY WHAT THEY COULD DO FOR THEIR COUNTRY**.

PROJECT MONARCH ALPHA, BETA PROGRAMMED VICTIM/SURVIVOR IDENTIFICATION INFORMATION

1. Victim majority is female (71%).
2. Victims are Multiple Personality Disordered (100%).
3. Victims/survivors have (or are) participated in commercially and privately produced/sold legal and illegal pornography, (100% interviewed). This pornography is often the "underground variety" of bestiality, child/adult, child/child, adult/infant, sado-masochistic, satanic/occult films and videos, magazines, and still photographs.
4. Older victims were frequently tattooed for easy identification with a "so-called" Blue or other colored MONARCH butterfly. This practice became more or less obsolete in the early 1970s and was replaced by the victim wearing butterfly hair barrettes, large butterfly earrings, pins, necklaces, bracelets, or embroidered insignias to "advertise" their art of expertise to knowledgeable abusers. This rule applies to 100% of the victims interviewed.
5. All Monarch survivors were victims of brutal sexual child abuse. Programmed survivors have been found to be multi-generational incest victims whose genealogy can be traced to either Catholicism, Mormonism, and/or members of US Intelligence Communities.
6. Many victims are frequently determined to have been the natural or adopted children of multi-generational satanists or in some cases "renegade witchcraft" occult groups.
7. Survivors once in therapy are always adjudged to possess homicidal and/or sui-

cidal ideations which only recently has been determined to be as a result of sophisticated trauma-based psychological programming.

8. Victims almost always possess multiple electric prod (stun gun) scars and/or the resultant moles in the muscled areas of the back, arms, neck and thighs. Some victims are also (in addition to) vaginally mutilated through "body piercing" (rings placed in nipples, vaginal lips, or clitoris) or through actually elaborately carving the vaginal area. Also, scars from branding irons or knives throughout the body will depict pentagrams, animals, crosses, even certain cartoon characters.

There is also a group that "forces" moles through electric shock and/or chemical application to the neck and face to further identify to abusers the victim's training/programming.

THE USERS AND ABUSERS

The identity of some of the main users/abusers of Project Monarch Alpha/Beta programmed victims have been positively identified to me (Mark Phillips) by survivors who existed at the top of the US Government Criminal Conspiracy literally for their entire lives. There are other victims who are simply too afraid to talk now, programmed with the "No Where to Run, No Where to Hide" and/or "Who Ya' Gonna Call" CIA themes, but can and will eventually...because they've named their abusers from the Pentagon to the White House.

These users appear to be focusing, not on recreational sex, but on drugs—billions of dollars annually in heroin/cocaine muled into the US via cruise ships, airplanes—private and commercial—by Alpha Beta victims. The sale of these drugs is allegedly supporting the CIA's illegal covert actions habits. The CIA doesn't have a "black Budget" like the Pentagon pays...they earn theirs the "old fashioned way"—by importing and selling drugs through elaborate network systems of users that the CIA has taken years to establish. They also consume a lot of their own product!

I've heard from victims some of the dollar amounts that were transferred via computer on just one deal that could buy a banana republic. The Beta mules stopped carrying suitcases full of cash in mid-1986 after the shift from Cuban/Jamaican suppliers which went to Mexico. It has been confirmed that the **North American Free Trade Agreement (NAFTA) TREATY WAS MEXICO'S REWARD FOR THEIR COOPERATION!**

The abusers are really anyone the Beta victims have come in contact with—that knows what she/he is and how to activate their programmed triggers.

To name a few, there are drug lords, politicians, (federal, state, and local) corrupt law enforcement personnel, big name entertainers who themselves usually own a Beta victim or two and a host of other conspiracy members.

Victims are traded among members like livestock. [H: Shades of Heidi Fleiss.] When they reach 30 years of age they are many times used in snuff porn movies, or what is termed "Thrown from the Freedom Train". The abus-

ers are too numerous to mention here but, in the reports previously disseminated, were named—many on the Washington, D.C. level, and hopefully will become visible media targets once myself and concerned others wake up the populace with the well hidden truth.

[H: This is also exactly what was transpiring in the "Menendez" situation with the two sons who killed their parents in California—trial still under way.]

PROJECT MONARCH PROGRAMMING DEFINITIONS

1. ALPHA: This is considered "regular programming". This is actually what would be considered a "base personality" control. The original purpose of Alpha was to program (train/condition the mind through torture) of the espionage agent to perform certain difficult tasks. This program also locks in photographic memory, improves physical strength up to 5 times, and visual acuity is radically improved to 40 times normal limits, along with a host of other super-human traits. Alpha programming personality, which in essence causes a left brain/right brain division allowing for a programmed union of L and R through neuron pathway stimulation, and you've got a person who can now utilize both sides of his/her brain for any simple task.

2. BETA: This is a combination of Alpha "logic" programming and Beta primordial (primitive mind) sex programming. This programming eliminates all learned moral convictions and stimulates the primitive sexual instincts devoid of inhibitions. This training program (usually for women) is for developing the "ultimate prostitute"...a sex machine. This is the most used (by the abusers knowledgeable of the Project Monarch) program. **Children of knowledgeable persons are being preconditioned through incest and "sold" into the conspiracy for additional Beta conditioning to eventually satisfy the bizarre perversions of politicians, bankers, drug lords, or anyone deemed valuable to the conspiracy.**

3. DELTA: This program was originally designed to train special agents and espionage agents' minds for becoming fearless terrorists devoid of fear and basic self preservation instincts capable of incredible feats of physical endurance and murder. The new revised edition of Delta has pulled from the Delta Program information on training the new breed of hit-man—from one who kills and, if caught, self destructs. This program is now applied to some Beta prostitutes who double as drug mules...to protect the identity of their owners if they are caught, they die—of "natural causes"!

4. THETA: Psychic programming...the "exotic one". But not to be confused with the paranormal phenomena of fortune telling or future forecasting. Those are examples of a magician's craft—while Theta psychic programming was and is the exploration of an unpredictable fact of human science. The initial results of Theta programmed subjects were so inconsistent that the Theta project was virtually abandoned before its research completion date. Duke University, North Carolina, among other prominent "institutions" devoted many

"The Beta mules stopped carrying suitcases full of cash in mid-1986 after the shift from Cuban/Jamaican suppliers which went to Mexico. It has been confirmed that the North American Free Trade Agreement (NAFTA) TREATY WAS MEXICO'S REWARD FOR THEIR COOPERATION!"

years to this project with what equated to poor results. It seems that the region of the brain capable of transmitting and/or receiving "mental messages" has not yet evolved to a level for dependable communication...with any predictable, reliable consistency. The Soviets, however, invested billions of dollars into their version of psychic research and claimed/proved remarkable successes. With the advances in directed energy research...Theta "psychic driving" is obsolete.

But the Theta program "head" was not dead yet. Theta couldn't die because of the Soviet's reported successes...it evolved into big-medical human telemetry and directed target energy involving lasers and/or electromagnetics...the results of which were referred to as "electronic possession". The ultimate challenge for the 21st century exorcist...providing he worked a day job as a skilled CIA-supported Neuro-surgeon.

A few years ago, this programming technique involved the surgical implantation of sodium/lithium powered high frequency receiver/transducers coupled to a multi-range discharge capacitor that when signalled by remote control would electronically stimulate designated parts of the brain to signal the victim to respond according to his/her program. These experiments were only partially successful with a high mortality and paralysis rate. However, the technical mind control equipment evolution would advance to levels well beyond the grasp of any reader. Now it seems that "implants" will eventually become as common in numbers as are the victims of trauma-based psychological mind control...but non implanted, non programmed victims will hold the largest majority...the 1990s version of mind control requires neither implant nor program...just computer driven directed energy using microwave...any-body can become a target.

HISTORY

Project Monarch is a US Defense Department code name assigned to a subsection of the Central Intelligence Agency's Operation Artichoke later to become **Project MK Ultra**. Whereas Project Monarch was officially dedicated sometime in the early 1960s by the US Army.

Project Monarch is a genealogical approach to define transgenerational (via genetic psychology) behavioral modification through trauma-based psychological mind control.

The original documentation which spawned this project was derived from collected intensive research previously performed by top SS German Nazi Scientists (1927-1941) as the result of their interest in the multi-generational effects of occult psychology as applied in the nuclear family of known pedophiles. The identified leader of this research was an SS officer by the name of Himmler.

This German government Top Secret ("BLACK ARTS") research was originally considered to be a significant "bonus" by-product of the US Department of Defense's Project 63 A.K.A. Project National Interest. Project 63 was dedicated to the secret impor-

tation of a group of German Nazi and Italian Fascist scientists. This was accomplished in 1959 so as to re-unite these scientists with their captured comrades from WW II. These scientists' areas of expertise were primarily physics (rocket R & D), psychiatry (mind control/Psychological Warfare), and micro biology/pharmacology.

Although Project Monarch information has to date not been declassified as was its research umbrella from D.O.D. mind control studies known as Project MK Ultra, it nevertheless has become a household word among a multitude of Intelligence Community operatives.

Project MK Ultra was exposed publicly in 1970 through law suits filed by Canadian survivors and/or their surviving families. These brave persons received the cooperation of Canadian Intelligence individuals and others who uncovered one of the CIA's original mind control research mental health facilities based in Montreal, Quebec, Canada. Although the

CIA and Canadian government settled the law-suits out of court so as not to be required to officially admit to any wrong doing...the secret was out.

Now, two decades later, the United States and Canadian populace is beginning to feel the criminal atrocities being committed against them in the private sector as a direct result of the so-called "secret" mind control experiments.

NOW, A WAVE OF TRANSGENERATIONAL OCCULT MIND CONTROL VICTIMS ARE SO NUMEROUS WITHIN OUR GENERAL POPULATION, THE US GOVERNMENT HAS LAUNCHED, THROUGH ITS VAST NETWORK OF CIA OPERATIVES, MISINFORMATION CAMPAIGNS TO COVER-UP THIS SOURCE OF PURE EVIL. ONE OF THE MOST PROMINENT MISINFORMATION CAMPAIGNS IS TARGETING A SUPERNATURAL SOURCE (RATHER THAN THE CIA) WITH THE JUSTIFICATION LABEL, "SPIRITUAL WARFARE"...A.K.A. TO INTELLIGENCE SPECIALISTS AS OPERATION ARMAGEDDON.

FORMULA

The formula for Beta programming is the exact same as for Alpha, the only difference is that through a series of specific tortures and commands the Beta victim retreats deeper into her primitive mind and the results are a woman with a child-like insatiable sexual appetite. This retapped sexual appetite was "developed" in her formative years through constant incest with her father figure. What begins as unbearable pain to a child's mind quickly "switches" to a sexual desire for the very person who was abusing her...daddy. This reversal is the key to all programming—pain becomes pleasure, up is down, etc., etc. Hence the reason Colonel Michael Aquino, attached to the DIA, adopted the satanic philosophy of reversing everything including bad is good. [H: As you read this please do not limit such or focus in all cases on the parent or father—it is usually that particular party but certainly can never be consider "only". In many cases the sexual reversal or insatiable need for sex is commanded much later.

Remember, this is only a short brief on the subject.]

WARNING

The following information, although intended for multi-generational family abuse systems, is adequate to divide a person's base personality for enslavement purposes; but for humanitarian reasons, I cannot publish the actual programming information. If you try this at home—you are on your own...and when our nation "wakes up"...you will become a target for prosecution. [H: More than this writer, "I" hesitate to even publish as much as this small portion of information for it is almost impossible to give a full picture within "limitations" of presentation. However, you must consider these which will be offered as often-used subtle approaches to "finding yourself" or experiencing "celestial" contact and other B.S. (Balderdash) by well-recognized and, actually, well-meaning leaders of groups. Where, for instance, there will be speakings of water deprivation—reverse it and consider "water overload" which is far more damaging in the long-run. This will be inclusive of programs which claim "cleansing" but are actually to place the target in a state of "overload" and this is incredibly damaging to the body functional system along with sogging the brain into inability to properly function at which time programming is CERTAIN. **BEWARE!!**]

First, slow body metabolism by reducing caloric intake say, for an average 125 lb. female 19-30 years of age to 300 per day—reduce to "O" intake of all sugar, lower protein intake accordingly. (This action will literally starve the brain into submission). [H: A LOT OF YOU, even near myself, had better take a long, hard look at this!!! (!!!!)]

From time to time water deprivation [H: Or water overload] may be necessary to swell the brain by raising the temperature making memory of experienced events difficult or impossible to recall by the victim AKA the "kiss and no tell syndrome". Combine with 3 to 10 seconds of 120,000 volts to leg or back. Vomiting and flu-like symptoms will occur but **MEMORY IS NOW HIDDEN BEHIND A WALL OF "BLACK LIGHTNING"**. [H: In other words, you will haplessly become a perfected "target" and there will be not even a "memory" of the activities.]

Sleep deprivation—absolutely a must in preconditioning and continued maintenance for new programming. Victims must not experience more than two hours continuous uninterrupted sleep. Maximum sleep allowed 3 hours per 24 hour day. Days should be spent in heavy physical exercise to the point of constant exhaustion. This action stimulates the brain to overproduce endorphins and thus temporarily silence the logic center. This action also is responsible for reversing the brain's functions from right to left or vice versa. Victims will respond to most any command robotically and hypnotic programming becomes a breeze.

[H: As a "teacher" I must focus on this most seriously for you who have "gurus" or "sect" teachers that you may well consider to be incredibly spiritual GUIDES. MOST ARE NOTHING MORE THAN PROGRAMMERS—SOME FOR RATHER GOOD PURPOSES SUPPOSEDLY OR SOME FOR THE ADVERSARY HIMSELF. I do not go about

sorting and limiting—even within my crew. IT IS FOR YOU TO NOTE AND SORT THESE ACTIVITIES. IF ANY ONE OF THESE MENTIONED IDEAS ARE EVEN "MENTIONED"—YOU HAD BETTER TAKE A MASSIVE OVERVIEW LOOK AT THE "WHOLE". TO CONTACT GOD REQUIRES NOTHING—NOT FASTING, NOT GURUING—JUST YOU AND GOD. IF YOU FIND YOU ARE USING THESE OTHER RITUALISTIC ACTIVITIES TO HAVE A MORE WONDROUS DIVINE CONNECTION—YOU ARE IN REAL DANGER! THE VERY BEST-TRAINED PERSONS, ESPECIALLY REPRESENTING FAR-EASTERN RELIGIONS AND EXPRESSIONS, ARE WELL-PLACED DECEIVERS—SOMETIMES HAVING THEIR OWN PURPOSE AND DIRECTION COVERED THROUGH TRAINING. BE CAREFUL, ASK GOD, BRING IN YOUR SPIRITUAL SHIELDING AND SQUARELY FACE WHAT YOU ARE DOING AND EXPERIENCING IN THE "NAME OF" ANYTHING. I WELCOME, YEA—DEMAND, THAT YOU PLACE ME AND MY TEACHINGS THROUGH THE SAME PROCESSING FOR MY TRUTH SHALL STAND THE TESTING—EVERY TIME!!

Hanging the victims upside down for periods of time, one-two hours per day will further trick the brain into dissociation from reality and can reverse such primordial brain functions as turning pain into pleasure—up will become down—out will become in, and above all the person administering the tortures will become omnipotent in the victim's now rearranged mind. This phenomena is likened to the Stockholm Syndrome.

Daily tortures administered should focus on any of the known victim's former idiosyncrasies. This could include introducing ants into the ear canal or covering the victim in say (harmless) spiders or snakes (rubber facsimile

will work) or exposing them to loud noises (firecrackers) disguised as bombs, heated needles or toothpicks under the fingernails, etc.

THE COMPONENTS

Originally the physical components thought to be necessary to program/deprogram were rather complex and cumbersome...enough "laboratory decadence" to make Dr. Frankenstein blush. There were elaborate sound and light-proof sensory deprivation isolation chambers, some using exotic suspension fluids that could mimic weightlessness. Direct current high voltage with very low amperage electroshock devices are the most important tools of the trade as the brain is electrically powered. Voltages ranged from .072 volt to 200,000 depending on application and to what part of the body it was to be administered.

There are "strap on" head and foot devices that could deliver a mind-altering shock of an exact duration according to the subjects brainwave activity and/or heartbeat. Other portable hand-held stun gun type devices can deliver shocks up to 200,000 volts for a variety of reasons, but primarily for instant control of the conscious mind.

A great deal of successful research and development went into the effects of harmonics or inaudible to the conscious ear sound waves that affect the RNA covering of neuron pathways to the subconscious mind. Harmonics generators, code named ether-wave, are capable of subconscious mind embedding detailed messages (commands linked to audible triggers). This is known as electronic programming and is a standard programming device in all forms of Project Monarch. Hence

the reason many Monarch survivors (drug mules/prostitutes) recall being taken onto certain US military bases and "Freedom Ranch" AKA trauma centers for "programming".

Mind altering drugs...natural and synthetic compounds that can instantly alter certain brain/thought functions were developed from modern medical technology and from ancient witchcraft formulas.

The revised components list is not so comprehensive and obvious. For instance, a sound-proofed burial casket makes a great sensory deprivation chamber similar to one being used now at a Kentucky (CIA) "conditioning camp". There, Delta, Alpha, and Beta victims of this conspiracy are regularly taken by their owners for "reconditioning" and reprogramming or drug muling runs or "assignments". Most make it out of this man-made-hell alive; some don't...but as it is said, there's always more where those came from. Whereas, the only other equipment components needed are devices to hang victims upside down by their ankles, cattle prods—the cylinder type that are inserted deep into the vagina or rectum for a "simulated orgasm with the devil".

High voltage (up to 200,000 volts DC) hand-held law enforcement type stun guns are a must tool for the victim's owner to erase certain memory (if used on the muscle areas of the victims within 2 hours of the "to-be-forgotten" event) and to control the victim's "insane" fits of rage if they are mistakenly triggered to perform a pre-conditioned task and they are at the moment in the "wrong personality". The only other components the Beta owner must possess are a diary or a damn good memory of their programs, keys, and a working knowledge of hypnosis. In other words, a small brief case will contain everything a Beta owner "needs" to control his slave...com-

pletely...forever.

Many unsuspected things are effective—even constant tickling. These idiosyncrasies then become "tortures-of-the-mind", tortures from which there are no escapes. When the operator ceases torturing the victims short of death, he's considered benevolent, and "worship" by the victim will again commence...even stronger than before. The controllers voiced wishes will become instead commands to the victim and all moral decision-making processes (sex, murder, etc.) totally bridged (ignored) by the "new mind" of the victim.

High voltage electroshock has multi-use purposes—for torture, left brain/right brain function, reversals and, depending on the amount of voltage administered and the location on the body, to compartmentize programs or to set in new ones. Electroshock is also used as a "harmless" not so subtle reminder to carry out commands. High DC voltage is a key component as it, too, produces an instant euphoric state due to the increased endorphin production, coupled with the victim's total lack of physical control.

Sensory deprivation can be accomplished through hanging in conjunction with eye and ear covers—or with more elaborate sound and light proof rooms or even burial caskets. I am more familiar with specially heated salt water tanks where buoyancy accomplishes weightlessness, and fitted electroshock movement sensitive sensors are positioned on the victims to stimulate the mental sensation of loss of consciousness momentarily. This process is repeated over and over until the brain is trained to stop all external body movement from the conscious mind. Then the victim can be audibly commanded and programmed to a calendar date to perform a task...say 50 years in the future...without even being cued by an operator...flawlessly. This program becomes a part of the primitive mind—the same one that tells the victim's heart to beat, etc.

[H: I think it important to interrupt here with an observation and example of full programming. I have had so many ask "how" could astronauts, etc., be programmed to "act" as "if" they are on a specific mission and yet have NEVER LEFT THE GROUND. This is it. Right now as we write you are being made the fool. You are shown pictures of the shuttle, the walking astronauts and the "repair" of the Hubble telescope. The telescope in point is at White Sands, New Mexico—underground. The apparatus being shown to you is the revamping of the "spy" controlled apparatus which can monitor EVERY MOVE YOU MAKE—AND check out every cent you have, every gun EVERYWHERE and thus and so. You "oh" and "ah" and applaud YOUR OWN EXECUTION METHOD AND YOUR EXECUTIONER!]

Death or health programs can easily be put in place and are not diffusible through conventional psychiatry without knowledge of exact keys administered by an expert psycho/hypnotherapist. I personally know of one 13-year-old girl who is currently institutionalized awaiting such care due to her being locked in

through the use of sophisticated harmonics equipment from birth. But US Department of Justice officials have stopped her mother (Beta victim) in their pursuit of justice...and so goes the mother's credibility and the needed expert mental health assistance for her child.

Now you've got the formula. "Try" and protect yourself from it...nobody else will.

THE VICTIMS, PAST AND PRESENT

IT IS "ALLEGED"...

The first victims were captured MPD (Multi Personality Disordered) spies and dissidents from friendly and hostile nations, but unfortunately for the second group of victims, there weren't enough caught to properly study and develop the so-called Manchurian Candidate via psychological abuse with our country's newly organized Project MK Ultra.

The second group, it is alleged, were bright, aggressive young men who had applied to Officers Candidate School (OCS). These men took entrance exams and psychological tests...tests that revealed whether or not they would become "candidates" for Project Monarch as their entrance psychological exams revealed they were victims of child abuse.

These eager young men were allegedly told (more or less) that they couldn't go to OCS for whatever reason, but they could "volunteer" for a career in Intelligence and with their Top Secret "training" they could develop incredible super human physical and psychological abilities...with a "just sign here".

It is true but very misleading information created powerful patriotic images in their minds...they envisioned being "special" espionage agents in just a few months instead of years at OCS. 007 stuff...well, sort of anyway. They were the first volunteers! Their fates are unknown even in their families and themselves if they're still alive.

[H: I am asked about ones such as Col. Bo Gritz and his training, as a for instance. He has served in the most Elite of the hit-squad ranks, from Delta to whatever—so, is he a programmed robotic killer or what? What he is NOT is longer under control of the Adversary. If he serves the seemingly "enemy adversary", it is pretty deliberate in intent. Why? Because this man, for whatever reason God may have had for arranging it, was trained in hypnosis by a Master-Teacher in Hypnotherapy—Gil Boyne (Mark Gilboyne). Gilboyne is recently totally confirmed recognizer of God Presence and GRACE. He accepts no half-baked students and a portion of training, whether he realizes it or not—is how to protect yourself from brainwashing through these hypnotic means. Together, God recognition and shielding through God intent and KNOWING how a "thing" works—the system can't

reach through well enough to program you for other than the hypnotic moment. When released from such a program it is easy to take a Godly person and totally reprogram or "unprogram". This does not mean that attempts of the controllers will stop in their quest to recapture the entity—it simply means that the assault CAN be countered quite nicely. Are some lost to a "re-programming"? YES INDEED! This is why you must always be aware and observant and discern very, very carefully any encounter with anyone set forth as a "leader", "central authority" or "goodly stranger or friend touting God as his own center". If God is a man's center—HE WILL ADVOCATE NOTHING WHICH IS AGAINST THE LAWS OF GOD AND CREATION AND HIS ACTIONS WILL TELL IT ALL IF YOU ARE AWARE OF TRUTH! Can these people lie well enough to fool you? Yes—but NOT IF YOU ARE INFORMED! THE PRESENTATIONS WILL SOON BE "SEEN-THROUGH" FOR THE ADVERSARIAL TOOL, AS WELL AS ADVERSARIAL BEINGS AND ACTIONS—ALWAYS MUST "WEAR A SIGN".]

Present day Beta victims are allegedly "recruited" a little younger, up to 9 from BIRTH. Some (but certainly not all) by fathers who got caught sending kiddie porn through the US Mails [H: You must realize right now, if not before, that the purpose of such mailings is to identify potential candidates.], but most were either government or MOB connected. These "caught" fathers were more or less then blackmailed by alleged CIA agents to dedicate their child to the program in exchange for money, business favors, and protection against prosecution...these pedophiles became an honorable member of a US government Criminal Conspiracy. The fathers were then educated at government expense on how to precondition their little girl/boy with tortures of the mind and body and with sex—which would give this child a "gift which keeps on giving" Multiple Personality Disorder—a super-child.

Some more aggressive fathers would have a half dozen children and "dedicate" as many as "Uncle" wanted. Most all became affluent or rich...except the victims...The New Victims of Project Monarch.

Organized Crime bosses jumped in the conspiracy for the protection of their lucrative child/adult pornography business. Day Care Centers were opened by conspiracy members for what was dubbed a "kiddie smorgasbord". Some conspirators got "sloppy" and used too much occult or satanic trauma to the Mind Control base on the kids and they "told". But to no avail...AS OUR GOVERN-

"Together, God recognition and shielding through God intent and KNOWING how a "thing" works—the system can't reach through well enough to program you for other than the hypnotic moment."

MENT REGARDS PUBLIC EXPOSURE OF THEIR OWN HUMAN EXPERIMENTS AS A "THREAT TO NATIONAL SECURITY". [H: Neat cover—just slap a National Security Threat on a file-folder and it is "gone" forever.]

West Point had a Day care Center that recently collapsed under the pressure of irate parents who themselves were students at this most elite school in the "free" world. The same thing happened at Presidio, CA.

The government (US Army CID) covered it up in the name of National Security and the kids are in counseling—now scarred mentally for life. So for now it looks like it's going to be

a return to "in home supply" and implants ing around waiting to explode with rage as serial killers, child abusers, etc., etc., etc., against the society that protects a few US Government criminal conspirators—WHY?

Note: There are many other known methods of recruiting victims for Alpha and Beta. This was just two common identified methods, among others, in professional sports. I could write volumes on the other methods for types of Alpha victims such as "super" baseball (victim) players who from time to time forget how to pitch and embarrass their owners.

Ironically enough, one of the main alleged organizers of this conspiracy is a baseball fanatic and even required two of the Beta victims he used from time to time to memorize every player's batting average on four teams...this man was US Attorney General, appointed by Reagan, who resigned his post in a cloud of dishonor and is now "CHIEF LEGAL COUNCIL" for our NEW WORLD ORDER police force...the United Nations.

THE FUTURE

Psychological mind control techniques, formulas and equipment, unlike nuclear weapon systems, can be reproduced without exotic and expensive component systems...in the privacy of one's own home by virtually anyone with average intelligence, a little information, and no conscience (i.e., criminals). Mind Control Out of Control is just as lethal as nuclear war byproducts; however, through genetically engineering psychology...the "evil" seed is passed on generation to generation. [H: Can you not see here, that it MUST be you of this last generation of partial untampering which will have to change the stream of direction? There is no hope for the next generation beyond you few can pass on—for the mass mind-controlling mechanisms are IN PLACE and can be accomplished now, via your idiot box and invisible frequency waves. You will, however, get to experience the "nuclear" portion of the "game" also for depopulation is a MUST in this NEW WORLD ORDER ACCOMPLISHED.]

Trauma-based mind control, also aptly termed "white slavery", for the CHOSEN ONES in the 21st Century will be predictably the largest "cottage industry" in terms of illicit profits, death, and destruction of innocent victims...unless the trend is stopped and those responsible in government and the private sector are punished and the survivors/victims given qualified rehabilitative psychiatric care.

The US now has nuclear regulatory agencies which exercise caution as to who can even build nuclear weapons, power plants, x-ray machines, or even smoke detectors. But not for Mind Control—thanks to the same US Government corrupt officials...it's out of control.

The results of which are showing up everywhere. Multiple Personality Disordered persons are now common-place—whereas before 1980 it was one of the rarest diagnosed psychiatric disorders...from 200 cases to 24,000. Which could mean a bare minimum over 250,000 undiagnosed programmed MPDs walk-

"H: Can you not see here, that it MUST be you of this last generation of partial untampering which will have to change the stream of direction?"

While we're waiting for the answer, another child is being raped, most likely by the very person biologically designed to protect them...their father. So in a few years—he can put a notice in his computer bulletin board... "Beta trained child for sale...Best offer...will trade for business of equal value."

This document, my friends, IS SO IMPORTANT THAT I ASK YOU STUDY IT AT LEAST THREE TIMES—CAREFULLY. THANK YOU.

I ask that the REFERENCE SOURCES be offered. The copy is terrible but I want it exactly as it arrived. I ask, however, that space not be taken in the paper for same. Let us run it in the [then] concurrently being prepared JOURNAL #84.

ACTIVATED "AGENTS"

We must move right along today so I'll simply touch on some topics which cause "concern" and would seem to discredit my information sources. Sorry—but I have some observations.

I was confronted, albeit gently, and told that George Green is NOT listed in the current membership roster of the Association of Former Intelligence Officers. OK—so what have we here? Several years ago George was gloating that he was prominently listed in the roster. He showed the printout to "everybody" (his words) and tried to discount the entry.

Now, what exactly IS this "Association"? Well, let's face it and call it what it REALLY is. Prior agents who have been involved treat it much like the "Reserves". It is a listing of ones who want to stay involved and also be "available" (with or without possible involvement of family members) for "call back to active 'duty'".

So, we can establish that Green WAS ON THE LIST at "some time" or elaborate false listing was set up by the members of the "patriot" community three or four years ago. What does that mean now? It means that "active" duty is now the current status. If a "retired" agent becomes "currently active" he is removed from the "Retired" roster. You do have to understand that with such a listing you cannot know whether or not an alias is listed or the "real thing". In fact, you cannot know for sure if THERE ACTUALLY REMAINS A "REAL" THING. I am not talking about replicas or robotics in this case—I am simply speaking of varieties of "sheep dipped" identifications. Gary Anderson "claimed" to be a "Special Forces" person, as well. This is just "example" for I do not wish to waste time on the matter. I do, however,

appreciate this being called to my attention because it IS a way to learn "when" a supposedly good buddy actually took up arms against you. Sometimes the labels are deleted completely or were originally listed under an assumed identity—but in the "general run of the mill" activities, it is a good check-point. You will find that "back there" Green was attached to Naval Intelligence. Will he deny as much? Yes he HAS! However, when the rift came and he became involved with us, he went onto active duty and was PAID for his services as was Desirée only Desirée didn't KNOW IT. She was, however, continued on a low-budget payroll of monthly stipend of which she was unaware for George handled the "income". I like to keep my friends close—but I do see a very big need to keep my enemies even closer for as long as I can do so. When he became a "bother" to his "good buddies" they stopped his payrolling and then is when he got a bit desperate and started doing foolish things. How many others, involved, are on that payroll? Lots! How can you KNOW? Check WHAT is taking place and how daring are the "overriding" authorities involved. Without HELP at HIGH LEVELS this dispute with Green would have been over and finished in just settlement within a week, at most, of onset of the theft and following actions on "their" part. Can "we" ever win against "them"? YES, but it is not easy and it takes input from ALL of you willing fighters for freedom. JUSTICE CANNOT BE ACCOMPLISHED WITHOUT YOUR PARTICIPATION, YOUR DEMANDS THROUGH THE WRITTEN DEMAND—IN QUANTITY ENOUGH TO DO WHAT YOU ARE ACCOMPLISHING WITH THE RELEASE OF RUSSBACHER. MOST AGENTS ARE AT LEAST HONORABLE AND DECENT TO THEIR OWN AGENCY BROTHERS—BUT ONES LIKE THE CROOKS INVOLVED IN OUR OWN MISERY—ARE NOT LOYAL TO ANYONE—THEY HAVE NO DECENCY OR INTEGRITY EVEN UNTO THEIR OWN. THEY ARE LIARS AND CHEATS AND ENTANGLE THEMSELVES IN THE WEBS MORE AND MORE AS AN "OPERATION" FAILS TO BE IMMEDIATELY RESOLVED. THEY FINALLY SHOW THEMSELVES FOR WHAT THEY ARE—AND IT BECOMES TOO DANGEROUS AND INJURIOUS TO THEIR EVIL "CAUSE" TO LONGER PERSECUTE IN OPEN FORUM. IT TAKES A LONG TIME TO ACCOMPLISH AND THE HOPE ON THEIR PART IS THAT THE VICTIM IS RUN OUT OF FUNDS (YOU MUST UNDERSTAND THE "BLACK BUDGET" IS BOTTOMLESS).

YOU CAN, HOWEVER, ACCOMPLISH THE "IMPOSSIBLE" THROUGH 29 CENT STAMPS AND A WILLINGNESS TO SIT AND COPY OR PEN AND BARRAGE THE ENEMY WITH OPEN WRITINGS IN GREAT QUANTITY. THE SWORD CANNOT WIN—THE PEN SHALL!

MONARCH AND OTHER BUTTERFLIES

I feel remiss in turning away from personal concerns so abruptly but the world waits in growing deterioration while we ponder upon that which is limited and limiting.

I now ask that the material on the MONARCH PROJECT be pulled out and re-run so that we are not leaving this additional information hanging out in mid-air without backup of what it is we address. [Please see p.2-9 in this issue for backup material on Monarch from the 12/7/93 issue of CONTACT.] Some will have no idea otherwise. Thank you. We can simply add it to the paper with proper reference information and we will exactly reproduce the following input from Ronn Jackson without much ado about it.

You readers will remember that we will NOT give you that which will jeopardize his position in any way. You will find that we have already offered MORE, actually, than he brings herein. I state that so that our "monitors" will realize we are not "spilling beans" out of any bottles before their time.

RONN JACKSON ON PROJECT MONARCH

The following is a transcription of a conversation between Rick Martin, for CONTACT, and Ronn Jackson, inmate at the Northern Nevada Correctional Center, which took place in person on May 4, 1994:

[QUOTING:]

Rick: You know we've written on Project Monarch. I presume that this is an ongoing series of training programs by the Government.

Ronn: Yes.

Rick: How many Monarch type-outfits are there out in the public?

Ronn: I can't give you any specific number but Monarch is the master plan and I saw it many years ago; and there are many phases or programs underneath that and I know that the number of people who are involved with it would number probably into the thousands.

Rick: Is this all underground, in the underground bases?

Ronn: No, absolutely not. Some are right in front of us. I wasn't sure you were going to ask that question but I've been anticipating it for a long time and, the reference you made to Monarch in one of your stories in one of your previous issues, I knew it would come about; but, there are those conditions in our society, and conceivably you might even know them as individuals. So, they are not all below ground.

Rick: Who primarily uses Monarch. Should I call them sleepers, operatives, or? I don't know what word to use.

Ronn: I'm sure that you could use just about any kind of a word and it would be applicable to a number of different circumstances.

Rick: Are these used exclusively by the ADL?

Ronn: No.

Rick: Or used by ordinary power structures for various agendas?

Ronn: Various, many of them.

Rick: A lot of them blackmail related, I presume.

Ronn: Yes.

Rick: You're making me work for this.

Ronn: Yes.

Rick: Why are you laughing?

Ronn: I knew that this would come eventually. I sort of put it out of mind because I was sort of avoiding it because I place a higher priority on some other things which are nearer to me, only because of my direct involvement

with those other subjects. I am not a principal in any way with Monarch. I am aware of it and I'm aware of many that are a part of it; however, I am not a part of the decision-making process in any way at all.

Rick: What is the optimum goal? Is it all blackmail, control?

Ronn: Probably control, but it's in conjunction with a number of different entities and people and there are those who believe in the overall plan, and you probably know some of them. There would be a lot of information I'm not privileged to be told, not because if I wanted to know the answer to a question I couldn't find the answer, it's just I've never had an interest in it because I have too many other things I was doing at the time, to tell you the truth. I'll say this to you: I don't consider it to be high priority as far as I'm concerned. Other people may have a different opinion of it and I'm not trying to say that a lot of blame should not be placed on the project. Well, I started to say, I don't give it a lot of credibility, but that's not true. I do know that it is in existence. I think that it may be overemphasized, at times.

Rick: I received a call from a man in, I believe, Naval Intelligence in Hawaii, and he stated that he had proof that Monarch was ongoing at the highest levels of Naval Intelligence.

Ronn: That's true, but it's not just Naval Intelligence, it's all the intelligence agencies and not everybody is aware of it within the infrastructure of these agencies. People are there to do specific jobs.

Rick: Is it all just about finding various people in compromising positions and then having that information to use against them later?

Ronn: If you want to call it...

Rick: It's an extension of J. Edgar Hoover in the very worst sense of the word.

Ronn: I think that the original plan was to place a ruling Elite, if they ever really came into what we would call "power", to give them additional assistance in control. And we are talking about people control. I think a lot of emphasis is being placed on something that may or may not develop its full potential. That's how I feel about it.

Rick: But it is ongoing?

Ronn: It's been ongoing for a long time. As far as a person on an individual level, if you ask about specifically, I suppose that if I were to make an effort I could find out. However, I wouldn't know exactly how far they would go down. Do you realize that there are many people involved who don't even know what the term "Monarch" means? So, they have been preconditioned and this is over a length of time.

Rick: If I were to line up 10 men or 10 women in front of you, how would you go about identifying if they were Monarch or not?

Ronn: If I had a need to, I could do it.

Rick: Right now, if there were 10 people in front of you, do you think you could tell?

Ronn: Yes.

Rick: How?

Ronn: By feeling or intuition. I could tell and I was born in Indiana. I'm from here. I want to explain that to you, and I have no supernatural powers that I am consciously aware of, but if you were to put 10 people in front of me, I could pick 'em. There are some things I can do that I can't explain, and maybe the Commander knows what he is talking about. Maybe, we might know one another,

but I do know there are some things I can do, as I explained yesterday. I can be in a big crowd of people and I can see people and things about certain people that other people can't see. Even though I may not know the person, I do know the person stands out in a number of ways. If you were to put 10 people in front of me, I would pick out those if they were associated with Monarch. I could walk into a room of people that I do not know and I can tell. I can't give you an explanation.

Rick: Is there an age group?

Ronn: There was at one time but that's no longer.

ON THE SUBJECT OF PROJECT MONARCH (a follow-up letter from Ronn Jackson)

To: CONTACT

Attention: Rick Martin

After our conversation of this morning (May 4, 1994), I decided I should get certain information to you regarding "Project Monarch". Please keep in mind that any documentation that I have is secured and, though I have an excellent memory, because of what is going on right now with me some details may be left out. In the future, I will provide CONTACT with what I have. You and your readers will not like what you are going to read here.

Project Monarch was started in this country (U.S.) and in Canada around 1950. Those responsible for initiating the project were a part of the "Duke (University) Alumni Ass'n.". This is as I recall but it could be another "like" organization. The basis of the experiment was from some papers captured from the Germans after WW II. Those papers had to do with Mind Control and the original subjects were supposed to be patients in mental hospitals. One of the originators of the program had some connections to a mental-health facility in Mexico that contained over a thousand patients and, if my memory serves me correctly, many of those patients were from both this country and Canada and were said to be political prisoners of one kind or another. (People who were too vocal against the money Elite.) I was told that most patients had "drug-induced" mental illnesses.

After a couple of years of compiling records on the subjects and comparing the records with those of the Germans it was found that adults could not be programmed to the degree that the Germans had attained, and the records indicated that many of the German subjects had been carried on for years, indicating the patients in Germany had started their treatment and brain-washing as children. It was agreed that it was too early to evaluate the data. However, it was decided to start a second parallel program and to find younger subjects. Because of the nature of the program, it was decided to transfer the program, (I think) to an agency of the Army (one of the intelligence branches). Note: In the latter '50s and early '60s (prior to my going to work for the Committee), several branches of Government had their own intelligence division and all sought autonomy. There was no cooperation and each thought their own programs were important and each fought for funding. None could give any accountability. Jack Kennedy found out about them and his actions drove them underground.

Project Monarch was phased out over a period of years, ending around 1970. The secondary project, which was named "ULTRA-

WAVES IN THE "BIG POND"! WHAT HAPPENED WITH CASPAR WEINBERGER?

Am I treading on dangerous water? Yes, and I CAN tread on water! So, how about that? What's more, good readers, you may as well get busy and bone up—you are going to find that there are some VERY INTERESTING personages around your parts who can do likewise and all those black, ARMED choppers being sent around everywhere to intimidate are going to make the Elite crooks look even WORSE than they already appear.

THE "JACKSON" CONNECTION

Yes indeed, we can't speak on the more pertinent and officially worrisome incidents at current pressure-bursting buildup without speaking about Ronn Jackson. So, does Ronn Jackson know everything about everything and should you believe him a little bit, not at all—or all the way? Good grief, readers, he CAN'T know everything nor does he present himself to know everything. In fact, the very reason he is going to be so valuable to Constitutional recovery is "that he didn't know everything!" However, he DOES KNOW that within which he personally worked and integrated. As a matter of fact, he holds positions of high-level "power" wherein he himself did not realize the full portent of such connections. So be it. Bits and pieces are COMING TOGETHER and no man would be given ALL in any circumstance so that such danger and hazard would cause his annihilation. Don't be foolish in your perceptions.

Ronn is now daily contacted by ones in very high places, as are his attorneys. There are threats, bribes and other blatant show-and-tell tags of a whirlwind of concern within the corridors of the high-levels of your Gov-

ernment. You are going to find, for instance, that over a third of your Congress are drug users and, in turn, by their responses and voting, allowances, etc., ARE ACTUALLY DEALERS! Do they "sell on the corners"? They don't have to...!

MS. "BUTCH" ACHESON OF "JUSTICE"

There is a high-level Janet Reno henchman to whom we, through Jackson, have referred to in the past papers, lately. She is the daughter of Dean Acheson, a high-level political and "actual" criminal of sorts. She is objecting to CONTACT and presentations being now offered. Mr. Jackson refers to her as "Butch" and this upsets her, to say the very least.

However, what is really boiling the POT is that Jackson KNOWS all about the involvement of Caspar Weinberger and his cohorts—and has, in fact, al-

ready been before a Grand Jury through which all testimony has been withheld. Mr. Bush came along appropriately and gave "Pardon" to same Mr. Weinberger. Well, two things are WRONG with that action—not the least of which is: "to do such a thing is UNLAWFUL!" So, too, was the "Pardon" Ford gave Nixon!

So, why am I into this today? Because we will be offering direct presentation about this subject in, probably, the next paper but the "assets" are going to be protected in THIS ONE!

I am going to share with you a conversation between Ronn Jackson and Rick Martin following onto which Ronn said he AND, FINALLY, his attorney are getting totally irritated with the actions and threats floating about the Capitol conduits. So, he asked that the information held here, be offered publicly. I CHOOSE TO DO THE OFFERING FOR IT IS ONLY JOURNALISTIC INTENT THAT THE PAPER BE OFFERING SUCH TIMELY INFORMATION. BUT IT IS NOT BEING ACCEPTED THAT

WAY AMONG THE THUGS AND CRIMINAL ELEMENTS. AN ARMED BLACK CHOPPER DOGGED MY PEOPLE ALL DAY YESTERDAY. THE INTERESTING THING IS THAT THE "IMPORTANT" ONES TO HAVE BEEN IMPRESSED, I.E., DHARMA AND RICK—NEVER SAW THEM!! I PLANNED IT THAT WAY! You readers may not know ME—but I promise you—the thugs in point KNOW ABOUT ME!

By the way, you UFO buffs: Keep the name Adamsky and, more currently, Lazar in your minds for you will hear them again. If you want some credible scoop on UFO possibilities, I suggest, as I did early, early on—listen to Bob Lazar. Is this valid and are they valid, OR, is this another smoke screen to fake out the goodly crew? Could be either—so don't worry about it—but as things unfold it will come full circle as to who is who and what is what! I want the unfoldment to come full circle FROM ONES WHO HAVE EXPERIENCED WITHIN THESE ACTIVITIES—SO YOU CAN HAVE YOUR HARD EVIDENCE WHICH YOU HAVE TO HAVE. DON'T THINK FOR A MOMENT THAT WE DON'T HAVE ONES AMONG YOU WHO ARE COMING INTO THEIR OWN REALIZATION OF MISSION AND PURPOSE AND A STUNNING BEGINNING OF REALIZING WHY THEY ARE AND WHAT THEY ARE! REMEMBER?: GOD, TOO, HAS A PLAN 2000!

PHOTON BELT WARNING — AGAIN!

After speaking about the Weinberger conspiracy I also wish to offer you an article on "THE PHOTON ZONE". I am so weary of you people who don't like what we bring you, jumping on the disinformation bandwagon and making hash in insulting my writer. THERE IS A PHOTON BELT and you are into the edge of it as we speak—you don't listen, you don't read with understanding and you ridicule and denounce anyone who tells you Truth. I care not that you do this, but a lot of people are going to be, at the least, BLINDED and millions (actually billions) will physically perish from the effects of this one phenomenon. I shall not insist you listen or see nor shall I

badger you with piles of new information—however, I will offer confirmations and insight as it conveniently falls available to our people. There is no way we can, nor do we wish to, cover everything from viruses to photons—a simple presentation is our mission—not CONVINCING ANYONE OF ANYTHING!

We do have another direct commission, to assist in awakening you to possibilities of regaining order and freedom—if you will respond timely and properly. In this, too, we shall not interfere but will provide you with ones who KNOW and can and WILL lead—properly. Will they be of God? YES, because he who is not, in these “shutting down” days, will already be showing his colors of darkness in service to the Elite Puppetmasters! They may well NOT consider their actions to be “Godly” but only “RIGHT”—and brothers, it is the SAME THING!

SO, BACK
TO CASPAR...

Dharma, just transcribe as we move along with the conversation and I will often simply paraphrase for I don't want to take time with “he said” and “he responded”, etc. We are in a time-warp of high-speed loss of work-time. This is especially FELT by the paper “staff” who have to stay up all night tonight to get this in the paper by early tomorrow! Grammatical excellence is not in point here. Thank you.

[PARAPHRASING:]

Mr. “X” (attorney [I believe it better to keep his name silent for now]) in New York City, who works for Caspar Weinberger went through the “back way” to make contact with Ronn's lawyer. It is known that Ronn has known “Cap” (Weinberger) for a long time and both were involved in several “things” for the Government, so with all the revelations coming out of Jackson's “space” the contact was made because Cap is concerned about Jackson revealing those “things”. He wanted to know from Jackson's attorney exactly what were Jackson's plans. Jackson's attorney responded that he didn't know what Ronn was going to do. A very good observation—since those intentions and revelations change daily.

There is quite “a little thing about which nobody is aware in our Government, and it involves three different Attorneys General and several Government officials along with a couple of Presidents. And the action that Bush took to grant a pardon to Weinberger was sort of a ‘catch-all’. Even though it was due to his supposed suppression of some evidence that probably could not have been proven in a court of law—it was for something else. It involved much more—in the decisions pertaining to the movement of drugs.”

Are we concerned about Mr. Jackson's safety? Yes, but it would be very foolish for those characters involved to do much to hurt Mr. Jackson because to go along with this little bit of publicity, set here for the PURPOSE of protection, comes far more damaging information regarding Caspar Weinberger and his involvements in everything from Diablo Canyon Nuclear Plant and Bechtel Corporation, intelligence, and Israeli Briefcase Bombs. We will share a bit of that information, also, to

allow you readers and harassment experts to understand that the information is flowing from very human levels—THROUGHOUT A FULL NETWORK. IN OTHER WORDS, THE STUFF IS IN THE FAN! HURTING (OR HOLDING) ONES WHO “KNOW” IS NO LONGER FEASIBLE FOR TOO MANY NOW KNOW!!!

“By the way, I want to remind you people that the hidden players are often the more important players—such as within the media structure of network TV, as example.”

DOCUMENTS, KNOWERS, FILMS AND TAPES ARE SCATTERED EVERYWHERE ACROSS THE GLOBE, SO TO DAMAGE ANY INDIVIDUAL SPEAKER OR WRITER ONLY TURNS THE MAGNIFYING SPOTLIGHT ONTO THE PERPETRATORS.

Why would the Government have protected Caspar with a “pardon”, even if limited? BECAUSE MR. WEINBERGER WAS GOING TO PULL DOWN THE WHOLE NEST OF THIEVES WITH HIM!! HE HAS THE STRENGTH TO DO IT EVEN NOW, AND WILL, IF CORNERED AGAIN. I REMIND YOU THAT THE PLAYERS WILL DEVOUR THEMSELVES IF LEFT TO THEIR OWN DEVICES FOR IT IS TOO LATE TO STOP THE TRUTH FROM FLOWING—EVEN THOUGH THE MEDIA BE TOTALLY CONTROLLED.

By the way, I want to remind you people that the hidden players are often the more important players—such as within the media structure of Network TV, as example. Mr. Ted Turner, for instance, is very, very important—but beyond a Ted Turner is a man named Malone—who walks circles around other players in the media control business!

Back to Jackson and Weinberger: the information which is going to be offered, when we can do it properly, will probably result in a Grand Jury—again.

This will deal, for the most part, with DRUGS. It will slop over into the Legislative branch of Government to a GREAT EXTENT. At the time of the incidents involving public investigation of Weinberger, he was a “Cabinet” officer and, although he didn't probably split up any drugs, he was aware of it and did participate in the “returns” from the dealings. How would Jackson know? Because HE DELIVERED the MONEY for those drugs. Let it be further known, however, Jackson himself has already given this information to a Grand Jury and that testimony is all on record and on tape and was provided to that Grand Jury.

It is not as simple as involving a handful of persons—at least 1/3rd (estimate) of Congress at that time were what they considered to be “recreational” users of cocaine. One of the persons who was in the Congressional Bank was also very high in the “distribution” of the drugs. Not only was the bank a phoney, which you all must know, but the person who ran the bank was also one of the drug distributors. There are two other “Cabinet officers” involved—AND THE PRESIDENTS WERE AWARE OF THE SITUATION.

There are things which are considered “unwritten law” within the Executive and Legislative branches of Government which “are not talked about...” It is not acceptable to refer to any improprieties with which your people may be involved. But, it is now coming out and ALL OF YOU SHOULD KNOW!

It is important that you all realize that it goes far deeper than just superficial cover-up and “possible” suspected activities in issues of “moral” activities (such as sexual behaviors) as well as these other corrupt dealings.

Weinberger was totally involved with Malcolm Forbes and “Jr.” Forbes has already contacted Jackson in an effort to distance Weinberger from the circumstance. However, who is going to distance Weinberger from the STUFF going on at Diablo Canyon [nuclear power plant, near San Luis Obispo, CA] and briefcase bombs and total involvement with the entire West Coast gang of Satanic/Political/nuclear devices gangsters? [Regular readers will quickly note that this particular “den of crooks” is a subject which Ray Renick has been talking about for a long time in CONTACT; see, for example, the 8/24/93 issue, p.22-47 or JOURNAL #51.]

This is all going to hit hard a well-liked Administration—but readers, they will dump on ones who “get caught” and it will be up to you-the-public to demand that the whole guilty lot be put under the glass. With your Injustice Department being a PART OF THE CORRUPTION it is difficult—but the more you see the harder it is for them to deliberately cover their illegal actions. There is one thing you must remember about the adversary evil-mongers—THEY WOULD KILL THEIR OWN MOTHERS TO PROTECT THEIR ASSETS AND YOU ARE GOING TO SEE MORE TATTTLING ON ONE ANOTHER THAN IN ALL OF HISTORY—I ONLY HOPE YOU-THE-PEOPLE DO NOT TURN THIS INTO A LYNCH-MOB RABBLE STANCE. YOU HAVE AN OPPORTUNITY TO REGAIN STABILITY AND IF YOU TURN THIS INTO A DUPLICATE REVOLUTION OF DEATH AND DESTRUCTION AS WAS IN THE FRENCH REVOLUTION—YOU HAVE NOT HELPED YOURSELVES.

Know that there are measures being taken, EVEN AS WE WRITE, to control you who would rise up in arms and you can begin to notice the markings on many freeway signs these days. You have well over a million foreign troops in your nation as we speak, well trained through bases in Texas, and entrance was made mostly through Canada and some through Mexico (depending on expertise) to disperse, pick up trouble makers and follow those cute little markers to the concentration bases! If you are NOT SCARED—you DO NOT UNDERSTAND THE SITUATION!

I believe this is enough from Jackson on this subject—let us turn to Gary Wean's input. This party called without prior knowledge of the subject in point—this morning. These are the NON-COINCIDENCES you had better be attending because it is in the mental NON-COINCIDENCES where you will find my handprint spread all over the open pages!

[END PARAPHRASING]

NEW REPORTS....!

I believe, Dharma, the better part of intelligence says to simply transcribe the following portion from the tape as recorded on the phone. It will be several days before the written documentation can arrive and the party involved will be “out of pocket”. I need a bit more coverage of this one for his own protection so let us just put it down to print and we can follow on with any necessary corrections, etc. It will highly involve Caspar Weinberger and is appropriate that we use it here. If names are too much to handle in proper spelling, write them phonetically and let us move quickly forward. If editors can't correct them, let them go. The subject is more important than correct name spelling for these are well-known

Terrible Fate Of Missing Children

Editor's note: We share this for its sad connection to Project Monarch (p.2). The original document sent to us is a lousy xerox copy of a typed manuscript. Please forgive any gaps.

"The Continental Holocaust" (The Real Serial Killers) by Barry Kincaid

[QUOTING:]

For centuries, 100,000 or more persons worldwide are led to slaughter as victims of The Continental Holocaust. Human beings, both children and adults, are tortured and killed as human sacrifice in satanic rituals.

Police cannot locate all these missing persons. Families cannot find their loved ones. These are but a few of the stories of unsolved mysteries.

These people have not run away! They have been abducted and kidnapped for the purpose of torture and murder! You may see some of the children's faces on milk cartons or blue and white cards found in your mail boxes.

Come infants and young children's lives go even unnoticed as their births were never recorded. While some of these babies and preschoolers may be born to prostitutes, others were conceived by Satanists with the sole intent to be born to die! And to die cruelly at the hands of Satan worshipers who reap pleasure at these atrocities. X-rated and violent movies are kindergarten entertainment stuff for these savages who set their prey, stalk, and go after their human meat. Barbaric, but true.

While abortion is wrong to Christians, this is a story of those individuals allowed to be born who are led to their deaths innocently. They would be far better off having committed crimes and been incarcerated—even in Singapore. They would fare better if allowed to die in the gas chamber, electric chair, by hanging or lethal injection by society.

The victims of The Continental Holocaust are procured by various methods. Many are kidnapped from loving homes. Others are the outcasts of society who will not be missed. The latter are the people who have led unfortunate lives and may have succumbed to drugs, alcoholic living, family abuse and homelessness.

They may be drifters living in the slums of cities. They may be infants taken from their mothers on the street. They may be young men and women living in wild circles with no parental supervision. They may be your children some day.

Whoever they are, they will certainly die a slow, tortuous and painful death with onlookers cheering their dismemberment and murder.

These people may be befriended, given money, drugs, liquor, coerced into sexual acts or just plain abducted. While the methods of recruitment may vary, the ritual is generally the same for all victims.

Satanists join the ranks of John Wayne Gacy, Larry Eilers, and Jeffrey Dahmer. The difference is that Gacy, Eilers and Dahmer were eventually caught and jailed. The Satan worshipers do not

get caught. No one is really looking for them, either. They share their secrets and go on to more barbaric killings.

Who are these Satanists? They come from all walks of life. They are the devil in disguise. They could be an astute businessman, politician, judge, neighbor, librarian, church organist, police officer, religious preacher, school teacher or nurse. They come from all socioeconomic backgrounds.

Just as Christians raise their children to love and honor God, Satanists raise their children to love and honor the devil. Many of these executioners grew up witnessing satanic abuse rituals. Sadly, it became a way of life for them. They generally do not tell these tales while part of this style of living. However, many break away and eventually open up to their spouses or clergy, desperately hoping they will be believed.

Yes, the clergy at all levels is aware of what is going on in this world. Psychologists and psychiatrists are well aware of satanic abuse and rituals. Many children reared with satanic abuse experience multiple personality disorders (MPD). Many have repressed memories as their pain was so great that they were forced to suppress thoughts for survival.

This is an unspoken territory put on the shelf for someone else to solve. It's time to ban together as Christians and do something to stop this inhumane holocaust.

It is time to stop thinking that baby snatchers are mothers wanting children of their own. Baby snatchers, in most instances, are out to get your children.

Now you will learn what happens when they get your children!

[some of text missing on the copy at top of page] evenings. That is the time that witches like to cast their spells. There is power in witchcraft and the occult. While Christians are praying and worshipping the Lord, Satanists are doing the same to their god, the devil.

The devil is clever and crafty. That's his job. He sets out to sway people into evil. We all know that but we forget it when it comes to worldly pleasures. We sin and become his captive audience. After all, let's enjoy ourselves as God's ways are often square.

In no way is this an implication that sinners are all Satanists. The point is that as humans we all sin and take the devil's path. But Christians feel remorse and sorrow and then pray for forgiveness. Not Satanists! They feel no remorse or feelings when they hurt and kill. They are having a good time in so doing and can't wait until the next Saturday night when they can do it again to someone else.

"Doing it" means this, folks: Whether we want to believe it or close our eyes to it, we had better know it and face it! This cruelty can no longer be put on the back burner or on the shelf. It must be dealt with and the time is NOW!

The innocent victims of The Continental

Holocaust are gagged and bound and taken to a hidden place. Or, in some cases, the children of Satanists go willingly, unaware that their "parents" brought them for slaughter.

The victims are thrown in the middle of a circle, often stripped of their clothing and sometimes raped. It depends on what the crowd is after for their "Saturday Night Live" entertainment. Witnesses have spoken out that they have seen the victims beaten, sodomized, raped, spat upon, rolled in feces, kicked repeatedly, stabbed in the heart and their blood spread around their naked and scarred bodies. Sometimes for thrills their eyes are gouged or their tongues are ripped out or their bones are broken. It depends on what the crowd is feeling, but none of it is human or warranted.

The victims witness orgies and homosexual acts of the Satanists themselves who come out to party. Just picture the scene when Moses came down from the mountain and saw his people sinning and worshipping the Golden Calf. That was nothing in comparison to what goes on in satanic rituals.

Babies and young children are tortured and killed in separate places. Sources report that these rituals often take place in forest preserves. It is common practice to drink the blood and urine of these victims—dead or while still alive. These are added attractions to take the place of coffee or cocktails. The victim becomes the hors d'oeuvre, the main meal and the dessert. There are no intermissions at these shows.

The adult slaughters can take place almost anywhere. Some of these rituals occur underground while others take place in homes or businesses operated by Satanists.

Know where your children and grandchildren are at all times and with whom they associate.

God's children suffer endless torture and death. Experiencing human denigration and humiliation is the least of their troubles. Stripped of dignity, which even criminals are granted, the victims of The Continental Holocaust experience great fear and know there is no escape for them. They are outnumbered and defenseless. They are not in war. They have nowhere to turn for help. Will you help?

The world deserves to know MORE so that this can END! Prayers are not enough to end these holocausts. You can pray for the souls of the victims and that is doing something. Or, you can join together in your churches and communities to investigate and learn more from witnesses willing to speak out. If allowed to be published, more specifics will be detailed in the continuation of this article.

Jesus Christ is the TRUTH, and this unpleasant truth cannot be hidden any further. You will be provided with eyewitness accounts, informed sources of information and suggestions for alleviating these atrocities from occurring. It is not something we want to know or perhaps want to accept but it is out there and it is happening. We hope it never happens to a family member or friend or acquaintance of yours. We pray it happens to no one ever again but that is unrealistic.

If you ever had a terrible nightmare, consider yourself a lucky person. The real nightmares of this world occur everyday.

People are afraid to delve into these matters. It can be dangerous territory. Men have been killed for attempting to expose these rituals. The only possible method is to work in numbers and large groups to expose these Satanists. They could be your next door neighbors!

[END OF QUOTING]

Editor's note: JOURNAL #9, called SATAN'S DRUMMERS, currently out of stock, is a shocking account of the vast extent of satanic practices.

Patriot Urges And Local Crew

REGARDING "SUBJECT MATERIAL"

Since I have a bit of anxiety from my *CONTACT* "team" regarding the danger of some information and personal hazards, I will make some comments of intent to mollify concerns.

When we receive information which is potentially explosive, I will monitor it carefully. We are not in the fortune-telling business, the shock and surprise business or in the revealing of deep, dark Elite secrets which will do more damage in the telling than our intent of awakening the citizens unto the problem of their plight at present. Some information simply goes beyond the level of good intelligent discernment and good discretion in the repeating. Note I used the word "repeating". Just because we have some "assumed" new players—we will not cease our practice of offering ONLY that information which has revelation "somewhere" in documentation, write-

ups and/or public presentation. This keeps us within the guidelines of GOOD JOURNALISM, in protections of sources and resources and offers protections to all parties involved. We are not rewriting "history" nor are we in the business of sensationalism even if there are "inquiring minds" who want to know TOO MUCH before its time! The "simply curious" will have to wait while all personages risking their freedom and their necks for YOUR (readers) information and, hopefully, guidance, are carefully placed in security. It is the time to STOP being foolish and efforting to demand "justice" for that about which the Elite have written NEW RULES (other than the Constitutional basis of laws), and are NOW ENFORCING SAME!

Our "Patriot", John Quade, was arrested, as a for instance, right here in Kern County and man-handled, bound and brought before a Judge. It matters not that the laws were being broken—the persons were simply enforcing that which they were ordered to enforce. Does this mean that you should stop

your petitions and actions to have *Constitutional Law* enforced and returned to your persons and property? No, but you must use your BRAINS. To blatantly cross the "little guys" will just get you hurt or, at the least, end up being costly. There was a time when you could go with such as Richard McDonald and his groups who demand to be sovereignized as "state" citizens and it would work for a few. It is now a very sore spot and the Elite cannot afford to have you nice people get away with this sort of insurrection. YOU WILL HAVE TO WORK WITHIN THE SYSTEM "THEY" HAVE ESTABLISHED IF YOU WISH TO WIN. You must understand, and herein is a very good example: Is it better to have Quade have a driver's license IN THE SYSTEM—than to have a whole patriot bulletin board NETWORK **SILENCED**? Can others keep it going? For how long? From whence will come funding to defend and protect the ones in court? The POINT, citizens, is to break you—first into helplessness and then into total helpless financial void. Good luck, John, with such as Gerry Spence. The very ONES who turned you in as troublemakers and to the IRS thugs—work for the thugs while YOU THINK THEY WORK FOR YOU. You had better begin to take a good long, hard look at WHO that might be, good buddies. The only way to GET TO YOU is THROUGH YOU. The "Judasgoat" will always be some "among" you! While you are so busy DENOUNCING ME AND MY TINY TEAM—YOU HAVE MISSED YOUR ENEMY WHO THIEVED YOUR TRUST AND FAITH AND LED YOU DANCING DOWN THE PRIMROSE PATH OF THORNS AND ENFORCERS.

George Green's "Unconditional Love"

5/10/94 #2 HATONN

As I witness the latest rebuttal of Leon against Doris and E.J. I am astounded at the blind refusal to SEE. If, Leon, all you wanted back was your money—why did you not demand that George Green give you your funds in the gold which he had stolen and buried? You came in through George, did business, according to you, because of George and HE CONTINUES TO USE YOU. Why did he tell you to demand "gold" from the Institute—WHEN HE WAS THE ONE WITH THE GOLD HE HAD SKIVED AWAY AND WHICH WOULD HAVE PAID ALL OF YOURS AND ELEANOR'S INTERESTS? Neither of you had any "personal" interest or investment with the Institute. There is a corporation in which you seem to have authority and Eleanor has a "trust" which has done some transactions with the Institute. Since Mr. Green was the one who structured the Institute, as well as holding GOLD ASSETS enough to cover both withdrawals and payouts—why do you continue to defend him and the attorney who took many thousands of dollars FROM YOU. IN A TRUST? If your funds are NOW

in a trust—they DID NOT START OUT THAT WAY!

Now, I am going to be blunt, Leon. THE LAW YOU CLAIM TO RESPECT AND THE ONES YOU CLAIM TO SERVE IN FAITHFUL FRIENDSHIP HAVE IT NOW SO CONFUSED THAT IF THE INSTITUTE WOULD PAY YOU THIS AFTERNOON—THEY CANNOT DO SO!!! YOUR ATTORNEY, ABBOTT, HAS SO ENTANGLED YOUR AFFAIRS WITH HIS OWN THAT HE HAS TO RECEIVE EVERYTHING INTENDED FOR YOU. THAT ENTANGLEMENT, THROUGH YOUR POWER OF ATTORNEY TO ABBOTT, KEEPS YOU IN THE POSITION OF CONSPIRATOR, WHETHER YOU WISH TO BE OR NOT. I UNDERSTAND YOUR HATRED FOR ME AND I AM SORRY FOR YOUR INCREDIBLE STATUS AS CAUGHT IN THE MIDDLE. WE KNOW THAT YOUR INTENT WAS NEVER TO HURT—JUST LOVE AND ACT IN GOODNESS TO THE BEST OF YOUR ABILITY. YOU HAVE BEEN SOLD A "BILL OF GOODS" WHICH STINKS, FRIEND. You may well believe there is "no conspiracy"—THERE IS and before "some" of those good-sounding tricksters are through with A LOT OF GOODLY

PATRIOTS, and you—IT WILL HAVE COST YOU, AND THEM, DEARLY INDEED. Do I think that such as "Horton", as a for instance, is evil and dastardly? NO, he is also caught in a cross-fire of "would be" CLAIMERS FOR CONSTITUTION—who are working with and for the Elite.

It is, however, unfair to continue to blame others for that which is not their doing—the Ekkers did not place you in such a state of jeopardy but you seem to overlook in unconditional love the ones who DID and DO. The ones at the Institute, and yes, the Ekkers, are and have been doing everything in their power to hold the Institute in security so that NO ONE LOSES ANYTHING. YOU HAVE NOT LOST ANYTHING—YET!—EXCEPT FOR THAT WHICH YOU HAVE DELIBERATELY DUMPED INTO ATTORNEYS AND FALSE LEADERS. Your family's funds are completely SAFE—unless you continue this push to destroy the very company which so far has managed to hold the assets in security. If George has been so concerned about your losses and WELFARE, he CLAIMS PUBLICLY to be a millionaire with plenty of funds to continue into infinity—all these cross battles. He and Gary Anderson took untold amounts of money from the Institute AND the Constitutional Law Center (through the Institute) and when he sat in his office telling you to demand your funds and pull down the Institute and invest in his Dome business—HE WAS A DIRECTOR OF SAID INSTITUTE AND AN OFFICER (SUPPOSEDLY THERE TO PROTECT YOUR INTERESTS AND THE INSTITUTE). HE WAS SITTING ON A MINIMUM OF \$350,000 IN GOLD COINS BELONGING TO THE INSTITUTE—HE KNEW EXACTLY WHAT HE WAS DOING! Why did he not use those funds which he now claims he

kept to pay bad debts, etc? Is not your note worthy of attention? Well, you say the Institute and Ekkers have taken your money and will not honor your NOTE. You forget that you gave George Abbott a power of attorney. That gave him the RIGHT to make a binding agreement ON YOUR BEHALF and without your further knowledge. He did so but NOW DENIES IT. Perhaps if Mr. Green honored his note and returned the stolen gold the Institute would be more motivated to settle the other opposition's disputed claims.

I am surprised that all of your so-called "friends" do not help you understand the FACTS instead of pressing you on into accusations which hold no merit.

Who does Doris consider GOD? This disappoints me, Leon—she considers God of Lighted Creation to be God. That which is beyond the "body death" you speak about—and certainly beyond some Space Commander sent forth on a mission to which you may attend or not-attend. If you truly be at peace—why do you show such pain and agonizing unrest? These people here are working as quickly and diligently as possible to resolve all these matters but you are working as diligently as you can to MAKE SURE YOUR LOSSES MEASURE UP TO YOUR EXPECTATIONS! WELL, YOU CAN LOSE EVERYTHING YOU OWN OR MIGHT EVER OWN—BUT ESTHER, AND YOUR FAMILY, SHALL NOT LOSE THEIRS IN SPITE OF YOU OR YOUR COLLEAGUE'S EFFORTS. I would guess that by next week the amount would probably be paid in full—to Esther IF YOU WOULD SIGN A RELEASE—but your attorney, Abbott, would then be in a position TO SUE the Institute, and you, if the funds do not FLOW THROUGH HIM! NOW WHY DO YOU SUPPOSE THAT WOULD BE?

You may well believe otherwise; however, these people here do not sit around every day trying to simply think up ways to make your life miserable or make you lose everything. You may not THINK that you are a party to attempts at receivership through force (which means forced bankruptcy) of the Institute (after which, how much, do you think, of your family funds you would regain?) BUT YOU ARE NAMED BY YOUR OWN PEOPLE AS A MAJOR PARTICIPANT—DO YOU NOT GET YOUR OWN ATTORNEY'S PAPERWORK?

There are a lot of people involved here—NOT JUST YOU! They ALL will be protected and if that means "from you" then so be it. To honor your demands and sacrifice theirs while Green continues to tie up assets, is not going to happen. By the way, WHO DO YOU THINK IS "RICK WEBBER"? YOU HAD BETTER CHECK IT OUT! He is a puppet whose strings are attached to George Green's fingers. He knows even less about magazines and journals than does almost EVERYONE else. Just to look sophisticated in computer jargon and keyboard hacking—MEANS NOTHING!

You further seem to blame these people for somehow "trapping" you in Tehachapi. I do not remember that they forced you to come here—nor forced you to do anything! I asked some things of you for which, in money, you have been repaid—is it, therefore, righteousness you want—or blood? You will get NEITHER from ME—for both are within self in your own perception and desires. You have been "had", friend, but not by those upon whom you cast blame. In your total pursuit

of "unconditional" love upon EVERYTHING and ANYONE, you have lost discernment and judgment of actions. Within God and Creation—there ARE conditions and if you believe otherwise, it is your privilege in expression but is not very wise in foundation.

It is strange that you can see no facts, hear no facts and therefore can speak few facts and would continue to honor those who would damage you while calling me a Satanic representative. No, I am not! Further, to capitulate in agreement with your invalid perceptions would not make me greater—it would cause me to be that of which you accuse. If you place no "conditions" on any actions—other than on those who would actually SERVE YOU—then perhaps there is no meeting ground.

You would continue to parrot the prattlings of ones about the "loss" of attorneys for "this side", etc. I wonder if you are EVER told anything other than that which it is desired that you hear in order to keep you restless?? It might well be interesting to you to know that a REPORTER for a newspaper out of Las Vegas who is onto the Associated Press garbage has TALKED TO EVERYONE HE CAN FIND TO INTERVIEW—among them HORTON who, he said, told him that he has yet to find that the Ekkers have been dishonest in any way. Further, he is reported to have said that if it proves to be that George Green has indeed done the things it now appears he has done, he will find no difficulty in working with Ekkers. At this point it matters not one whit what he may or may not think about me.

Sir, TRUTH will always bear ONE story. George Green has had at least seven to ten DIFFERENT STORIES REGARDING EVERY

INCIDENT OR QUESTION! So, I ask YOU, again, why did you not demand that George pay you your due and owing funds FROM THAT STASH HE HELD IN SECRECY?? YOU CLAIM ALL YOUR INTERACTIONS WERE BECAUSE OF GEORGE GREEN—WHY DO YOU NOT DEMAND HE PAY HIS DEBTS SO THAT YOU CAN RECEIVE YOURS? THE ONLY PARTIES IN QUESTION AT ALL ARE YOU AND ELEANOR. LUKE PERRY HAS NO CLAIM TO ANYTHING.

You continue to ask WHY "you didn't settle with George?" Of what are you speaking? To bypass this whole encounter there was total willingness to even let George reap benefits from his own theft and you think that this side did not allow the agreement? Well, so be it—when Mr. Dixon made contact and tried to finalize the agreement, Mr. Green "became totally irrational" (according to Mr. Dixon) and ultimately "hung up" on him. Mr. Green has never so much as appeared in any court offering anything of merit and NEVER in the matters of importance in other lawsuits in which, he himself, was FIRST NAMED! Does this not strike you as a bit "strange"? The documents he sends to "everybody" are the very documents HE ORIGINATED! Yes indeed, there certainly is something that smacks of ADL, around—but it is not from this quarter!

I apologize at not doing a worthy job of responding to your letter, Leon, but life goes on while we are all making "other plans".

You are concerned about your dear mother—yet you make no motion to help John S. who was literally set-up, and locked away so that Eleanor and her son could rob him of everything including himself and freedom. Wherein here, is your unconditional LOVE? Is not this man as worthy of care and loving life as is your own? Is "unconditional love" so filled with conditions that you cannot see the hurt and plight of "others"? How is it that you EXPECT these people to respond?

"It might well be interesting to you to know that a REPORTER for a newspaper out of Las Vegas who is onto the Associated Press garbage has TALKED TO EVERYONE HE CAN FIND TO INTERVIEW—among them HORTON who, he said, told him that he has yet to find that the Ekkers have been dishonest in any way."

Ronn Jackson Shares Potent Insight

Rick,

"The ultimate tyranny in a society is not control by martial law. It is control by the psychological manipulation of consciousness, through which reality is defined so that those who exist within it do not even realize that they are in prison." Although these are not my words, they were expressed by me in my current lawsuit in U.S. District Court in Reno, Nevada. I have now come into a new self-consciousness and understand that consciousness feeds consciousness.

I have been in a period of transition and now *feel* all universes and my presence in each. My knowledge has increased exponentially by twelve, using the plane of reference that we as humans are accustomed to, and find that "increase" is a misnomer. I have always had this knowledge; its source has just been released. Me, by me, to me and others.

I am in communication and heretofore felt this was my imagination. However, I have traced my origin, using this plane of reference, several hundred thousand years and find, on an inter-dimensional scale, these references are only applicable to me, now, and mean nothing other than a reference to a higher evolutionary entity. It is a learning experience for both, as those references were implemented by others, as a guide. A period of enlightenment is occurring and those attuned will understand my words. Those who seek Truth will not be denied. Those who are skeptics will remain so and will continue to attempt to disrupt harmony, and their numbers will decrease by attrition and enlightenment. April 12, 2011 is not the end—it is the beginning and is so recorded in space and time.

Balance will be achieved shortly and those who dispute this are false prophets. The non-believers are required and when perfection is obtained, they will cease. A moment of darkness will signal the beginning of universal enlightenment and will be taken for granted. [Tectonic] Plates will make a final major adjustment and Mother will begin her final cleansing.

Our voyages as one will be for eternity and we will be known as teachers. I am nothing but who I am.

The Money Changers

Are Really Working Overtime

5/11/94 #1 HATONN

THEY'RE HERE.... MONEY CHANGES/CHANGERS

OK, readers, watch, read and listen up, please. You are watching the beginning of the big "sell" job breaching the top of the hill.

Yesterday evening you will have noticed that there was national news talk of changing out currency—to stop the counterfeiting and blather, blather, blather.

I am going to offer you a copy, now, of the "break it to the public" changes. This will simply confuse and stir and avoid the real issues, and solutions—but you can note that what we have been expecting is COMING DOWN IN SOME MANNER OR ANOTHER—AS THE CLOCK TICKS. I am not going to further comment about this, we have covered it over and over and over again. This, however, is what is taking place as we write—they are steaming like mad to get some gold shifted back into your country. Basically, the Banking Committee wants about 60 days, 30 at least, to get paperwork done before a full announcement can be made as to "being back on the gold standard". Fine, as far as I am concerned they can have it—IF they let my people go and meet their agreements. Am I serious? Do I really expect you to believe that I have anything to do with it? I don't care whether you believe so or not—the ones in power have been meeting with me almost daily. YOU CAN RECLAIM SOME OF YOUR GOVERNMENT, CITIZENS, IF YOU SEIZE THE MOMENT!

You are, however, going to have to secure selves and choose carefully that which will be so difficult to discern that grave errors can be made if you are remaining uninformed. Does this mean you had better pay attention to ALL OF CONTACT INFORMATION? YES INDEED! HERE IS WHERE IT TRULY IS REALLY "AT".

The Khazarian Zionist Communists (Socialists) are in control of your government while the Elitist "MONEY" grabbers are in danger of losing a grip on the populace. We are talking about overlapping entities, neither of which belongs to "You-The-People", but one group having a lot more need to please YOU than does the other. One is a group spurred on by a need to rule the world as "Anti-Christ" types of humanistic power-hungry. The others are also power-hungry but are not of the same background of total political drive—they are just a Satanic-oriented bunch of criminal power brokers. They have been working together through blackmail, bribes, force, assassinations and total corruption—but one sees the handwriting and will make concessions—OR LOSE. The other COULD BE politically toppled by simply structuring and intro-

ducing a government in a different location, an economy based on a value commodity and on the Constitution. "They" don't plan it to go "that" way—but it gives you a chink in the armor through which you can expand and grow. Easy? Of course not! Why do you always want it "easy" and without challenge? Have you lost all faith in yourselves as a people and a nation? You CAN DO IT THROUGH LAW—YOU CAN NEVER DO IT THROUGH GUNS—"THEY" STILL HAVE THE INCREDIBLE TOOLS TO BLOW YOU AWAY!

Here is a good example of total distraction—right on the Front Page of the Wall Street Journal, Monday, May 9, 1994. It is right adjacent to the article we wish to share on "money" matters. I think you can see the IMPORTANCE of this garbage:

Mike Correll Lines Up Pals For Busy Executive Men Who Are Too Lonely at the Top.

By Anita Sharpe. ATLANTA—Mike Correll, a 54-year-old entrepreneur, has built a healthy business here on a peculiar, if pragmatic, belief: Successful men have little time for making friends—but enough money to buy them. [H: Want to bet?]

That's right; for a fee that runs as high as \$1,200, Mr. Correll will go out and buy you a buddy. Not just any buddy; not for just any buddy. Rather, Mr. Correll specializes in the corner office; matching harried and isolated male executives who claim they can't find the time to make close friends.

"It's tough to admit," says John Heagy, a local real-estate executive who hired Mr. Correll, "but men have a very difficult time establishing relationships with other men, other than for business reasons." He pauses and sighs, "It's not like the days at the fraternity."

The article goes on and suggests you can get Philosophers, Jocks and Hell-Raisers. It is a long article which is on the Front Page and continued to an inside page. Well, maybe it JUST SOUNDS LIKE a pimp organization? But...Atlanta??, home of the media control center of the world???

[QUOTING:]

POLITICS COULD DOOM A NEW CURRENCY PLAN

[H: Now keep in mind that THIS comes on the SAME DAY as the introduction into the national news of the probability of new currency.]

The Wall Street Journal, Monday, May 9, 1994. FRONT PAGE, THE "OUT-LOOK" column.

WASHINGTON:

This summer, a private commission headed by Paul Volcker [H: George Green's old buddy and former head of the Federal Reserve.], the former Federal Reserve Board chairman, will announce an ambitious plan to overhaul the world monetary system.

The panel will propose that industrialized countries keep the value of their currencies within a flexible band to limit exchange-rate volatility.

The proposal, which now is circulating as a CONFIDENTIAL DRAFT, would move the world half a step back toward the rigid exchange-rate system that President Nixon ended in the early 1970s. He abandoned the gold-linked monetary order created by the 1944 Bretton Woods Agreement and ushered in today's system of floating exchange rates. [H: But—don't forget—the gold-based truth in government money ENDED IN THE BEGINNING OF THE '30s!]

Mr. Volcker's system might avoid the type of volatility that has wracked world currency markets recently, but the plan is likely to face insurmountable political obstacles.

The old system collapsed because it didn't accommodate rapid economic change and because Presidents Johnson and Nixon didn't want their economic policies limited by the need to keep the dollar strong. Now Mr. Volcker, heading a group of international bankers, former top finance officials and monetary experts wants to restore some of the discipline that was required under the World War II-era agreement.

The group, called the Bretton Woods Commission [H: Important little group.], argues that the world has paid a heavy price for this lack of discipline. "Since the early 1970s, long-term growth in the major industrial countries has been cut in half, from about 5% a year to about 2.5% a year," the report says. Loss of exchange-rate discipline is partly to blame. Fluctuating exchange rates curb growth, the group feels, by creating uncer-

tainty speculation, misallocating resources and encouraging protectionism. Moreover, floating rates give countries the freedom to run irresponsible economic policies. An example is the U.S. which felt free in the 1980s to run big budget deficits without worrying about the spike in the dollar that resulted as foreign money rushed in to make up the difference.

The Group of Seven industrial nations in the mid-1980s [**H: Please note: THIS GROUP HAS JUST MET.**] began to concentrate on reducing volatility, but success has been limited. Occasionally, the countries can cooperate to combat exchange-market disorder, as they did in a concerted effort to arrest the fall of the dollar against the yen and mark last week. But, the report complains, "There has been no reliable long-term global approach to coordinating policy, stabilizing market expectations, and preventing extreme volatility and misalignments among the key currencies."

Mr. Volcker's panel proposes a gradual approach to reform. First, countries must improve their internal economic policies mainly by reducing budget deficits so that fiscal policy can once again become a tool for stimulating and slowing the economy. [**H: "Gradual approach"? Well, maybe—however, remember the "Law of Bureaucracy"? What they tell you they will do will be produced in EXACTLY THE OPPOSITE RESULT. I suggest you get prepared—just in case—there is an abrupt, sudden, stupendously immediate CHANGE IN EVERYTHING!**] Then, the G-7 [**H: Now actually G-8.**] should adopt a "more formal system for managing exchange rates" in which currencies could fluctuate within bands that would permit some flexibility but limit excessive volatility. [**H:???? Set by whom and for how much?**]

Countries would be forced to intervene in the currency markets—or even to alter their domestic policies—to accommodate changing economic conditions. What's more, the system "will have to define governments' obligations when exchange rates threaten to break the boundaries" of the currency zones and how to adjust the zones when necessary. The International Monetary Fund, the commission's report says, "should be given a central role in coordinating economic policies and in developing and implementing monetary reforms."

Not everyone agrees that there is a need for reform. Robert Solomon of the BROOKINGS INSTITUTION [**H: Ah-Hmmann...**] argues that the fluidity of today's floating-rate regime, despite its imperfections, generally works well, allowing currency relations, such as the dollar/yen exchange, to adjust gradually over time. Efforts to combine certainty with adjustability inevitably become too rigid, making gradual adjustment difficult. This happened under both Bretton Woods and the European Rate Mechanism, he argues.

Fred Bergsten, director of the Institute for International Economics, counters that the U.S. already tries to keep the dollar within broad zones, and that making the ranges explicit would help promote world trade, investment and stability.

In the end, the obstacle to a more stable monetary system may be domestic politics. The Volcker commission's plan would, in effect, require countries to relinquish some of their economic sovereignty, and put international considerations above domestic political concerns. It would attempt to force the U.S. to

reduce its budget deficit, or Japan to stimulate its economy, in response to orders from IMF bureaucrats—even if it infuriated constituencies at home. World leaders aren't likely to embrace such a plan, no matter what the advantages.

[END OF QUOTING]

I want you to keep in mind just how powerful Paul Volcker really is—he now represents a major interest in BOTH the Bilderbergers group AND the Trilateral Commission, along with CFR [Council on Foreign Relations] and thus and so. WHY IS HE STILL COMMANDING ANY ATTENTION AT ALL?? IS THIS NOT STRANGE?? I suggest you keep your eyes focused—along with your confused brain (because they WILL confuse you to the point of insanity)—and watch this comedy of stooges apply their public shell game. They plan a much more impressive show-and-tell than David Copperfield, the magician, ever thought of pulling on you-the-people. So be it.

These are the reasons, however, that the threats and potential bribe-offs of such as Jackson and Buckley are taking place—even with pleading for silence until July!! If you think the hounds of hell will give you a "break" out of "goodness" and "light"—FORGET IT RIGHT NOW!

Meanwhile back at the Clintonista sex-

ranch you will note the nitty coming forth about, "Clinton's choice to be Fed vice chairman, Alan Blinder, tried to quell criticism that he is soft on inflation, but said he doesn't think the economy is in imminent danger of overheating...." **READERS, YOU MUST KEEP UP—EVEN WITH "NO" NEWS, YOU CAN SEE WHAT THEY ARE DOING IF YOU ARE INFORMED! EVERY ARTICLE IN THIS PAPER IS WORTHY OF TOP LEVEL ATTENTION.** Let me just present some topics:

stances. There is a new book out by a Terry Reed & John Cummings which I believe you would find most informative and thought-provoking. I would even suggest you get a copy for our use if you can find one. It is called: *COMPRO-MISED: Clinton, Bush and the CIA*. This will also give you a connection between Clinton and the Iran/Contra "thing". Yes indeed, readers, Clinton, as governor of Arkansas, was a MAJOR player.

You are going to have to accept the FACTS that your President was working fully in cooperation with the CIA in bringing drugs right into and through, with the CIA, into the Mena, Arkansas airport. Clinton permitted the CIA to use Arkansas factories to make untraceable weapons, and he allowed CIA contract agents to train Contra pilots on rural airstrips in support of the war in Nicaragua, effectively evading the congressional ban on military aid to the Contras. This is the eyewitness account of an author (who was a former high-level contract agent), who became a liability when he refused to turn a blind eye to the agency's drug trafficking.

I find the following paragraph quite thought-provoking in itself as to possibilities. "...The Arkansas-CIA connection became Clinton's darkest secret. One shared by then-Vice President Bush, who himself was compromised by his involvement in the Iran-Contra scandal. Their shared guilt kept them silent and tied their hands as they faced off in the 1992 presidential election, with neither daring to mention the Iran-Contra scandal...."

Clinton was present at meetings which detailed arms arrangements, illegal Contra training and money laundering. Guess what: Involved with Clinton in this cabal were William Barr (Bush's Attorney General), Felix Rodriguez (Bay of Pigs veteran and Bush's CIA contact), and CIA contract agent Barry Seal (who used the cover of a high-profile drug trafficker to carry out his missions).

As you might well guess—this author's life became a precious commodity and of course stupidly false "charges" were brought but also "deals" were made and the man was finally acquitted. I would guess that, as with Ronn Jackson—enough information in the right hands to be dispersed if anything happens to the original "knower" offers some protection.

Where can you find this book? Well, I suspect that it won't be through the usual Walden Books, etc. I am told it can be obtained through *Criminal Politics*. If you have one of those plastic rectangles which is valid you can call 1-800-543-0486 and charge off \$18.95.

Before I offer you the following, I want you to first go back and read the REAL story of Vince Foster's "suicide" as offered in the 3/22/94 issue of *CONTACT* on p. 8. [Reprinted again on the next page.] Then I want you to read the following:

From *Criminal Politics*: April, 1994 which states: "Witness says NO GUN found at Foster's Suicide Scene!" This man just happened to be in a "van" and "Traffic was barely moving, the man recalled, and the temperature was hovering around 100. Stuck in traffic, he felt an urgent need to urinate, pulled off the parkway at the entrance to Ft. Marcy Park and began

searching for a secluded spot.

"....He came upon Foster's body, which he first thought was someone asleep. After examining the body, he noticed that the person's face was swollen. Stepping to within three feet of the man's head, he looked straight down into his face to see if that was the case." Now, guess WHO happened to get information from this elusive WITNESS?? Ah yes, none other than our old buddy, G. Gordon Liddy of Watergate fame.

PALMS OPEN AND ANGLED UPWARD!

"....The body was bloated in the heat and there were traces of blood around the nostrils and the mouth. The eyes were only partially closed and already glazed. The man described the position of the body: 'hands at his sides, palms open and angled upward.' At the bottom of the slope near the body, the brush was trampled as if someone had been walking back and forth at that spot.

"....Liddy asked if the man had seen the ABC photograph of what is purported to be Mr. Foster's hand with its thumb in the trigger guard of a handgun. The witness replied that he hadn't seen it and appeared surprised, stating he had observed both hands of the body and 'neither held a gun.' Why won't the press reveal this information?

LIDDY INFORMS FISKE [H: Oh, Barf!]

"....Soon after the interview, Liddy wrote to Fiske to report he had been contacted by the witness. FBI agents then contacted Liddy. It was, after all, Foster's tragic death and the White House's mishandling of it that triggered interest in the Whitewater transactions, the files of which were apparently kept in Foster's office.

"....The transcript of the 911 call to the Fairfax County Public Safety Communications Center states that the caller had been told about a dead body by a 'guy that came up to Turkey Run and lit out in a white contractor's van.' The call was placed by Francis Swan, a National Park Service maintenance worker. According to Award-winning columnist (??) Robert Novak, Mr. Swan is now under orders FROM MR. FISKE to remain silent!"

NO GUN AT SCENE!

Well, readers—there was already something WRONG with the reports of the "suicide". The man was shot TWICE and I believe, to the back of the skull. It rarely takes TWO shots to accomplish "suicide" even under the most spectacular of circumstances for a dead man to shoot himself a second time—especially in the same general spot!

"....On March 22, Liddy went to the witness's home to question him. There is a

five-page, typewritten account of the interview, which clearly states 'he had observed both hands of the body and that neither held a gun.'"

THE REAL MR. FISKE

Gosh, it begins to not look so good for Mr. Fiske and this open, objective and credible investigation by said Mr. Fiske. He has now had to admit that he has known Nussbaum (who is being investigated) as an OLD FRIEND since the 1970s. As a matter of fact, Fiske is the one who recommended Mr. Nussbaum as a prosecutor in the Iran-Contra case! Further, in this Whitewater case, a Fiske client SOLD THE LAND TO THE CLINTONS!

Fiske is just now barely remembering some of the relationships which obviously had slipped his mind. Another one of those recollections, NOW, is that his former law partner was none other than Lawrence Walsh, the Iran-Contra prosecutor. Oh my goodness! Go back up this writing and read about Clinton's connections with Iran-Contra.

I am sorry we have already used "Tangled Webs" for a series of journals because if this doesn't beat all...

Now that we are about to the end of this writing, I will ask you what YOU think about a couple of things, the first being this money garbage? What do you think is being efforted at accomplishing? Well, dear ones, you had best look to GOLD! All of this is a magnificent effort to CONTROL

GOLD and other precious metals. This is evident all the way from the South African elections entangled with Kissinger—to the shores of the Philippines—and back to Langley, Virginia. If you can control gold you can control the world—set the price and use it as a foundation for every value established.

I believe that you WILL be in some danger of having all gold CONFISCATED again to SAVE something or other—so, again, it may well be that the REAL value might well have to be garnered from wealth through collateralization through the use of gold and then placing your money into projects structured to "be your tummies and wardrobe at some time ahead." Complicated? No, simple—but shrouded with that which appears confusing and complicated to FOOL YOU AGAIN! When you form a habit of walking a crooked line instead of setting your eyes on a goal with goodness and freedom—you begin to be able to think only in confusion and crookedness—but never well enough to keep up with the kings of deceit and trickery. You must learn to go straight for the intent of the Big Boys and it will ALWAYS be toward gaining power and more wealth. Further, if there is a legal, honorable way to do something—THEY will always choose the complicated, enforced and dishonorable method of accomplishment.

The adversary is NOT GOING TO REGAIN YOUR CONSTITUTIONAL RIGHTS OR PRIVILEGES FOR YOU. COUNT ON IT! When you have the players involved who are involved—WORRY!!

Let us leave this please, we have other things to do. Thank you.

"When you form a habit of walking a crooked line instead of setting your eyes on a goal with goodness and freedom—you begin to be able to think only in confusion and crookedness—but never well enough to keep up with the kings of deceit and trickery. NO MIRACLES—JUST FACT!

My, my, you call out for signs and miracles. In disbelief you petition for one more "show"—one more "viewing" from flickering star-craft lights to loss of a headache. Well I think the following will indicate a SIGN to some ones of high level treason. There are several (at least nine [9]) people who should be very, very interested and concerned about the following information which drifted into our hands this morning. As I understand the message—by the time this reaches the printer—there will be only 7 left to worry!

What is this? Well, it is a note received regarding the demise of one Vincent Foster. That nice lawyer friend of the Billaries in Washington—you know, those who "lead" your nation by the ring through the nose and the harness in the hands of Reno and other ones who murder at random! I think I would be most distressed and concerned as the profferers of torment, torture and bedlam murder—note that THERE IS ANOTHER SIDE. Who are they, this other side? I certainly would not want to be the one to give that information so we take what is sent, share it and hope the correct receivers get the right messages. We are in the business of journalism and printing what is brought to us or sent in truth—not in sorting out "who-dun-its".

Since there will be an obvious question as you read as to "why" "two" shots, in case it misses your sleuthing—I would guess it is to send a loud clear message about "suicide". A suicide victim does not get "two" shots when the first one kills him dead! I doubt, however, that YOU THE PEOPLE will ever hear about the second shot in this "suicide".

Re: Vincent Foster

At 4:52, July 20, 1993—at the first exit to Fort Darcy, VA, a grey Ford Econoline van stopped a 1992 Chrysler Sedan. The driver and lone passenger of the Sedan was removed from his vehicle at gunpoint. There was no fuss, as the driver assumed his plight to be a "carjacking" and possibly armed robbery.

The occupant of the Chrysler, Mr. Vincent Foster, deputy Legal Counsel and close friend to B. Clinton [H: I believe this person was a former partner in Hillary's prior law firm, as well.] was taken to the rear of the car parking area. Three men, all wearing "Federal Black", told Mr. Foster to kneel on the ground—facing a park bench. At this point, Mr. Foster's head was pushed forward, a gun pushed against the base of the skull, and within seconds TWO .38 cal. rounds were fired into the skull. Foster's head was thrown forward as he died.

The men then placed the body upon the bench in a half sitting-half reclining position. The upper torso was bent to the right—reflecting an angle of 15% [H: (perhaps "de-

grees")? I never like to correct or change anything not quite understood because the meaning may be exact but not to my scribe.]. The Fairfax P.D. was called with the location of the body. The men of the van left the area and returned to D.C. proper where they boarded planes for diverse destinations.

The strike was coordinated and executed by TASK FORCE 1511! It was carried out in retribution for the Wilcher, Parsons, "Piggy" [H: This one may really be a long way off proper identification due to overstrikes on the message.] AND SESSIONS affair. At this time, a force of 32 men, holding a target list with 9 more names is preparing to assemble in a major East Coast City. (By the time you print this, at least two more sanctions will have been carried out.) END.

VINCE FOSTER—SUICIDE?

The next I offer just because YOU KNOW WHAT HAPPENED TO VINCE FOSTER, REALLY [see article above]. So, you will simply find this offering most interesting and informative as to "why" Vince.

[QUOTING Arkansas Gazette, July 22, 1993:]

THE TRAGEDY OF VINCE FOSTER

By John Brummett

Arkansas, July 22, 1993.

Washington—President Clinton met with his staff members late Wednesday morning and told them there is more to life than work.

Then en route from the Old Executive Office Building to the West Wing of the White House, he stopped to say twice to a small group of pool reporters, "No one can ever really know why this happened."

Vincent Foster, Jr., possibly Hillary Rodham Clinton's best friend, a tall, nice-looking man, had driven the day before—around 6 p.m., apparently—from Washington to a suburban Virginia park. He got out of his car, walked to a spot on the banks of the Potomac River and shot and killed himself.

This was six months after Foster uprooted his comfortable life as a respected senior partner at the Rose Law Firm in Little Rock to move to Washington as chief deputy White House counsel.

I last spoke with Foster at a reception at the Hotel Washington a couple of months ago. I told him I wanted to visit with him someday about what was being thought and done at the White House the afternoon the Waco disaster unfolded.

"Well, maybe, you can learn something about what goes on in a crisis," he said a bit combatively, and certainly intensely.

Foster's good friend from the Rose firm, Webb Hubbell, was facing a confirmation hearing on his nomination to be associate attorney

general. I asked Foster if he expected Hubbell to endure a lot of nasty rhetoric.

"Of course," he said, clearly disgusted by the prospect.

The personal chit-chat was more pleasant, and as interesting. Foster was living alone at the time in a little Georgetown apartment.

"I can stand and put my arms out and touch both walls," he said.

His blond, teen-age daughter was with him that evening, and he proudly introduced her. The family would be joining him in a full-fledged new home in suburban Virginia in the summer. He looked forward to that.

Now, unbelievably, he's killed himself.

The press jumped into action Wednesday morning. I got a call from a colleague in New York who advised, "Get to the crime scene right now before the police screw it up. This has got to be bad. You just know it does."

Reporters began asking these kinds of questions, and getting these kinds of consistent answers;

"Had Foster appeared unusually stressed or depressed lately? No. He always appeared intense and fretful of the press—most corporate lawyers are—and he had been harried by a run of Wall Street Journal editorials asking who he was. But he seemed generally all right as recently as Tuesday.

"What were the inevitable personal problems? Were they financial? Were they marital? There were none, as best anyone could find or imagine.

"Then why in the world?

The best anyone could offer was that Vince Foster killed himself because he was distraught that things had gone wrong in the White House of his two friends he so admired and who had honored him with their trust. [H: The Billaries??]

Many of those problems seemed to involve perceived or real shortcomings in the counsel's office where he worked. He seemed incapable of coping with imperfection.

Not too long ago, a man asked Sheila Anthony, Foster's sister and the wife of former U.S. Rep. Beryl Anthony, how Vince was doing. Oh, you know, he takes all these White House things personally, she said.

It's sidebar to this tragedy that Foster wasn't personally implicated in many of the White House failings. He wasn't the one who advised that Lani Guinier's writings would pose no political problem. He wasn't the one who was reprimanded over the handling of the White House travel office. He was, however, the one who coordinated the successful legal arguments in defense of Hillary's role as chairman of the health care task force. [H: Oops!]

What an incredible waste and tragedy. The White House is a hellish arena. Thin skins need not apply. But, my God, it's not supposed to produce casualties.

John Brummett's column appears every Sunday, Tuesday and Thursday.

[END OF QUOTING]

The information on this paper's margin indicates something like (handwritten and abbreviated): Ark. Dem. "Flag" or "Gag"—I, Hatonn, think it may be Gazette?

It would be nice if some of you "inquiring minds" clip the REAL story of Vince Foster and send it to this man struggling in confused information. It won't help as to "why" but it sure will as to WHO! I would guess there are great "messages" being transmitted in that happenstance "suicide".

Thank you.

Another Look At Prophecy: *Doomsday 1999 A.D.*

PROPHECIES

I am hounded these days for input on "prophecies" and, "What is going to happen?" I repeat, readers, I AM NOT A FORTUNE-TELLER AND I AM NOT SENT HERE TO OFFER MORE PROPHECIES—THEY HAVE ALL BEEN WRITTEN AND PLAYED—YOU ARE NOW FINALIZING THAT WHICH WILL BE. The staff is so overworked that I hesitate to ask more of them. However, IF someone here wishes to do so, please pull out the "prophecies"—you will find them in *SIPAPU*. [CONTACT has been presenting, as an ongoing series, portions of *SIPAPU ODYSSEY*, beginning 4/19/94, p. 27 and 5/3/94, p. 40; the book is also available, see Back Page for ordering information.] This is just a general outlay of how it will ultimately be as to land and water changes, etc. There are a lot of others in various journals but I do not wish to dwell on those things when so much is now controlled BY MAN.

By the way, friends, **CHANGE YOUR ACTIONS AND INTENT—AND WE WILL CHANGE THE ASTEROIDS AND ORBS HEADED YOUR WAY.** Yes indeed, we certainly can but unless there is massive spiritual change—it will not be so. A greater number of massive assaults against you will BE FROM YOUR OWN SPECIES AS THEY VIE FOR POWER! Short of total destruction of your globe under circumstances already offered many, many times—we will not intervene in either natural phenomenon or that which man does unto man. I suggest **ALL PREPARE** and remain prepared for the "worst" and anything short of "that" shall be a great gift.

We are not here to terrify you—we are here to awaken you and, whatever is DONE, YOU will do! We are already in finalization of preparations within our mission—where are YOU with YOURS?

Dharma, I am embarrassed to ask you to repeat things when our load has already been so great. However, for new readers and those who continue to forget or "give up"—we will offer some of the things which have already been given and which do again show up on our work-desk in these current days.

You already have so many claimed prophets who interpret and propose and project that you don't need any more for you only **ACTUALLY** ask for a different set of prophecies so you can go back to sleep. I am not here to feed you revelations but I will remind you of that which has been offered so you can ponder possibilities. If the staff wants to really scare daylights out of everyone—they can dig them all up, add to those which we haven't yet shared and offer an entire paper and journal to the subject. However, we, here, do not have time to do it AGAIN.

There is an excellent book available called *DOOMSDAY 1999 A.D.* by Charles Berlitz. I don't know where you can get it; an excerpt from that book will be presented here but we do not have the entire publication. That which we have comes from P.O. Box 58, 7500 St. Moritz, Switzerland (*The Armageddon Letter*). It is basically sent as-is for my rebuttal or input, at the least—my comments. No, I will present it exactly as offered and YOU will pull up your own discernment possibilities.

I will tell you, however, when you "judge" or "discern" I remind you to be open and wide in your "possibilities". We are going to present ones, for instance, WHO HAVE BEEN INTO THE INNER PASSAGES FROM THE POLES—SO WHEN YOU "CANNOT BELIEVE" SOMETHING, I SUGGEST YOU THINK AGAIN!!

[QUOTING:]

DOOMSDAY 1999 A.D.

The end of the world, whether by flood, fire, freezing, cosmic collision or other catastrophic manifestations, has always had a grim fascination for prophets of doom and also for the general population. The makers of such predictions are of several varieties. They are religious prophets of warning, mystic prophets—basically a variant of the former—and seers who seem to dream inadvertently of future events without living to see their prophecies fulfilled. Then there are the scientific interpreters of trends and likely possibilities of doom who frequently indicate, supported by the evidence of astronomy, theology, meteorology, and even economics, an even more complete destruction than many of the prophetic visions from the past.

The scientific prophets of today foresee the pillaging and eventual destruction of the Earth's potential through uncontrolled industrialization; general famine resulting from overpopulation and food distribution breakdown; disastrous climatic variation and flooding through the hothouse effect of excessive carbon dioxide in the upper atmospheric layers; and the poisoning of the oceans and the destruction of the sea's ability to renew life. These threats to survival are generally conceded to become acute toward the end of the second millennium of our era—the year 2000 A.D.

There are, understandably, a great number of thoughtful people in the general population who fatalistically expect a possible Doomsday from the results of thermonuclear warfare, with the added possibility of a self-generating chain reaction which, in the opinion of some theoreticians, might possibly turn the Earth into a temporary though short-lived sun. These ever-present eventualities, while they may or may not cause the world to end, have never-

theless contributed liberally to the increasing neurosis of human beings. This neurosis may explain the turning of a basically moralistic society into a hedonistic (and increasingly violent) one, acceptable for many individuals but not valid in the long run as the example of the decay and disappearance of the Roman world empire can brilliantly attest.

As nation after nation develops its own nuclear warfare capabilities in a sort of international contest of self-esteem, it is evident that within the next fifteen to twenty years all industrial or developed countries, as well as all developing countries which are striving and being helped to become developed as soon as possible, will doubtless have their own nuclear weapons. And with the testing of such weapons the poisoning of the planet will be hastened, even if war does not come.

And, as if potential man-made dooms were not enough, there is an increasing possibility that the Earth, as it approaches the third millennium of our era, may experience a wandering of its magnetic poles so far away from its rotational poles (the southern magnetic pole is even now rushing with increased velocity into the Indian Ocean) that it could cause a shifting of the [rotational] poles and a reversal of the magnetic fields of the Earth with catastrophic consequences. Those of us who witnessed such manifestations would in effect feel that the end of our world had come, a feeling doubtless shared by many in the distant past when the Great Flood (of which catastrophe the deluge may have been only one aspect) swept over the world, and great inhabited islands sank into the Atlantic and other seas.

The Earth's weather, either caused by sun-spots or the beginning of a change in the magnetic field, has become increasingly er-

ratic and intense. The great Sahel drought famine in Africa has been the worst in hundreds of years; the rising and falling of water levels and coastlines in different parts of the world; the melting of the Arctic ice cap and the rapid building of ice in the Antarctic Continent; and the increase in the number and rating on the Richter scale of earthquakes within the last few years in Alaska, Iran, Turkey, China, Peru, and Morocco, with impressive seismic occurrences expected almost momentarily along the San Andreas Fault of California, are impressive warnings for those who will heed them. Not only the number but also the intensity of earthquakes seems to be increasing throughout the world in a sort of geometric progression, even as seismologists perfect new methods to foretell them. (So far seismologists have yet to improve on earthquake detection methods apparently inherent in animals: when Russian bears leave their Siberian forests in a hurry, observers know from experience that an earthquake is sure to follow.)

There may also be more danger from space itself than an occasional falling skylab or space station. The Earth is pitted with enormous Craters caused by meteorite impact, some of them on the sea bottom, other huge ones covered over or partly obscured by growth or settlements, while others are strikingly evident, such as the meteorite crater in Arizona. Other "bombs" from outer space have left huge lakes in Canada like Clearwater Lake, a whole depressed area in Central Europe, the Ries Kessel Crater, and, it has been theorized, a crater which filled with water to become Hudson Bay. There is also a circular area of the western Atlantic south of Bermuda which may have received a tremendous cosmic bolide, tentatively dated at the alleged time of the disappearance of lost Atlantis. While the Earth's atmosphere has provided a stronger shield against these voyagers from space than that of the moon or Mars, a certain amount have slipped past Earth's protective guard to leave great scars, and perhaps when big enough, to cause the shaking of the Earth upon its axis.

Coincidentally with the possible catastrophe by 2000, there exists a planetoid, Toro, some five kilometers in diameter, which orbits between Earth and Venus, making a loop once in every five orbits. While there is no danger to the Earth from Toro in its present orbit, a gravitational pull occasioned by the lining up of several planets and the sun might capture Toro within the Earth's field of gravity, a situation having results perhaps similar to those caused by strikings of the Earth by comets, planetoids, or enormous meteors in the past. Such an alignment of Earth, the sun, and the greater planets will take place in 1982. [H: We have no information on publication of this material but our first clue appears herein—it was produced some time prior to "1982". This means you can also see that you are STILL HERE after the possibilities described above. OR, did you have some activity which indeed increased the speed of such other activities as are described? You are so lied to as a planetary population as to not be able to know. When the greater possibility fails to be expressed—you call the whole thing a bunch of garbage and go back to sleep. Warnings are ignored and MAN hops into the void with his own "miracles" and "devastations" and YOU CANNOT TELL THE DIFFERENCE!]

A curious and somewhat disquieting coincidence is becoming increasingly evident as the twentieth century or second millennium draws to a close. This coincidence, rooted in both the distant and the recent past, ties in the prophecies of hundreds and even thousands of years ago with the cosmic theories and scientific realities of the present. Prophecies of the world's end by fire, ice, water, or explosion, although made in different ages and by different cultures during the past 6,000 years, seem to agree that the age of doom is fairly close at hand, that is, toward the end of our second millennium by whatever calendar or zodiacal calculation used by the prophets.

[H: Do you find a thread of sameness weaving through ALL of the "prophecies"? Are they not ALL offered as to that which is PHYSICAL MANIFESTATION AND HAPPENINGS TO AND FROM "THINGS"? DO YOU SEE THAT PROPHECIES ONLY DEAL WITH THE MANIFESTED PHYSICAL CONSCIOUS REALITY OF PERCEPTION? THERE WILL ALWAYS BE THE WARNINGS TO TURN BACK UNTO GOD CREATOR AND MOVE BACK WITHIN THE LAWS OF CREATION, BALANCE AND HARMONY OF SPIRIT—BUT ALL PROPHECIES ARE ABOUT "THINGS" WHICH SHALL OR HAVE, IN RETROSPECT, COME TO PASS TO PHYSICAL EXPRESSION BEINGS AND THINGS. WHY? BECAUSE SPIRIT IS NOT LIMITED BY SUCH PHYSICAL CONTRIVANCES OR SPECULATIONS. THERE IS NO SUCH THING AS CATASTROPHE SPIRITUAL EXPRESSION.

This is WHY I have no interest save observation and a bit of humor at the intense manipulation of minds as to the reality of prophecies of any sort or other. I KNOW that you are expressing in a world of "thought projection" and "created" manifestation. In more simplistic terms—"illusion". There is no past or future in reality—ONLY NOW! You have every capability as gifted creation-capable entities of CHANGING ANY PROPHECY!! Those persons aligned with God Creator by whatever name you call HIM, and who express in that relationship—recognize no limitations in ability to change the scenario as chosen and if the scenario of coalesced transition is continued through thought conglomeration in projection—"they" of mine will simply remove them-

selves from the play when appropriate and create their own security and balance in whatever is remaining from the "changes". There need be no physical birthing, selection, or expression remaining as such—God has no problem with spirit reproduction or physical establishment according to circumstances—whatever those might be. YOU DO!! And it is within that "need" of limitation binding that YOU MUST ACT OR PERISH ACCORDING TO THE WHIM OR PROPHECY OF ANOTHER.

Is it not obvious that if you are an expressing actor in an illusion—there can be no impact (LITERALLY) FROM ANY OTHER FANTASIZED "THING"?

Yes indeed, I realize that you cannot comprehend this and so we write as fast as twinkle-fingers can type and urge you to get your heads screwed on properly—BEFORE IT IS TOO LATE TO CHANGE COURSE. However, you are going to have to do it WITH GOD CREATOR for all other perceptions and "realities" of that perception are embedded in the cement of the physical evil empire which can only USE THAT WHICH IS ALREADY CREATED AND THAT IS ONLY PHYSICAL EXPRESSION BINDED BY ALL THE PHYSICAL LAWS COMPRESSING THE THOUGHTS INTO OPERATING BEINGS OF IMAGININGS.

Mankind is "cursed" with "senses". He would rather look forward into the excitement of terror than to accept RESPONSIBILITY and make harmonious passage. He is tempted at every turn of his thought patterns so that the STRUGGLE becomes the only proof of the "livingness" he perceives. Even pain and sorrow become accepted for in most instances those are the only perceptions which somehow seem to prove existence. This is WHY ignorance is more appealing than KNOWING because with KNOWING the majority of things which offer FEAR of physical nature—are no longer present and the interests of soul will overlook the perturbations of physical change—except to prepare the body physical for such changes as necessary—depending on the intended journey of the individual soul in transit.

FROM OR FOR ANYTHING. Neither was the great teacher—salvation is a very personal thing—from within wherein GOD DWELLS. YOU, further, are not going to **ESCAPE** anything—for this is a valid part of your planned expression and experience so it would behoove you to better see what you are about. I can only "lift off" those who recognize my presence, in fact. Why? Because the denial of presence is the key—if you deny my presence—how expect ye to come aboard??

"But," I hear over and over again, "if you are of God and God is Light and Love and all "those" things—**YOU HAVE TO TAKE ME!**" No, I do not **HAVE TO** do anything with YOU—and for most, I shall not, for you who deny God, Hosts and Helpers, deny self the very thing which will give you soul security and the choice is made **BEFORE ANY LIFT-OFF, GOOD FRIENDS.** You who cannot and/or refuse to believe there is greater and beyond—will **NOT** experience that wondrous fulfillment—you will continue your journey in the confusion and ignorance of limitation. Further, your expression will continue in whatever re-experience after re-experience of repeated physical experiences **AT A LEVEL WHERE YOU LEFT OFF IN TIME AFTER TIME CLASSROOM—UNTIL YOU LEARN.**

With this lesson in mind, let us go back and discuss more of the physical expression unfolding happenings in perception of what you call prophecies. However, I will point out right here and now that I guarantee there are two **PROPHETS** on your place who are 100% correct **EVERY TIME** and shall always be correct and they do not call themselves prophets: **Dharma and Little Crow!** Why? Because they will **BOTH** tell you that "It will be exactly as it will be..." **AHO!**

Some of the most fearful prophecies from the past are alarmingly close in content and in time location to today's pessimistic scientific forecasts, although the prophets of other centuries, in so far as we know, had no access other than their imagination to scientific developments in what to them was the distant (but not unforeseeable) future.

There existed, however, even in antiquity the great time clock in the night sky, which we still share with our ancestors. This is the zodiac, a great turning wheel of twelve constellations making a complete circle every 25,920 years but with each of its twelve constellations in order having ascendancy over the skies of earth approximately every 2,160 years. Observed and calculated even before the development of writing (which may itself have been a result of zodiacal influence) this great celestial cosmic calendar signified certain portents to our most distant ancestors who, like many of their descendants, detected its influence in their lives.

According to zodiacal tradition the ascendancy of each new sign every 2,000-odd years is accompanied by catastrophic or otherwise crucial events on the earth. At the change over of the Leo to Cancer cycles the sinking of the great Atlantic islands traditionally took place; the Cancer to Gemini change coincided with the presumed striking of the earth by a comet or the catastrophic arrival of Venus; the appearance of Taurus after Gemini marked the beginning of recommencement of new civilizations in the ancient East; Taurus to Aries brought a new series of floods and catastrophes; while the Aries to Pisces change coincided with the rise and spread of Chris-

tianity (it is of particular interest that early Christianity was first identified by the sign of the fish, an early symbol adopted even before the cross). [H: Keep in mind how truly interesting it is that **EVEN THE SIGN** of the fish is a 100% physical manifestation. Only its "representation" even touched upon emotion or "spirit" mind thought.]

As we pass the cosmic border from Pisces to Aquarius our own tumultuous age has been foreseen as one of materialistic degeneration and maximum destruction, especially at its beginning, which is now. This general tradition has perhaps been colored by many of the world's ancient as well as by fairly recent prophets.

Nostradamus, the sixteenth-century French prophet (of Jewish descent), abandoned his usually vague and veiled references for a precise date when he stated:

The year 1999, month seven,

From the sky shall come a great king of terror...

Those of us still alive in 1999 will be able to judge the perceptiveness of Nostradamus' most precisely dated prophecy.

Edgar Cayce, perhaps the most famous of modern prophets, because of his remarkable record of verification, has sketched, in his transcribed dreams, a time of imminent future catastrophic events will be recognized by the renewed volcanic activity of Mount Etna—which has already started.

Religious prophecies of a final end to the world or civilization are frequently predicated on other events which will signal their occurrence. The ancient Jewish prophets foretold that Armageddon would occur after a Jewish state had been reestablished. Speaking from several thousands of years ago their voices seem to ring with the accent of today's political commentators as they prophesy in the *Old Testament* that the final battle and the final coming of the Messiah will occur *within a generation* after the re-establishment of the Jews in their ancient homeland. [H: **So, to make sure that you have death and destruction, horror and foolishness—YOU ALL GET OUT YOUR DRUMS AND GUNS AND MAKE SURE THAT THE JEWS HAVE AN ANCIENT HOMELAND (EVEN IF IT BE SOMEONE ELSE'S PROPERTY), GET A TEMPLE BUILT EVEN IF THEY DESTROY THE OTHER'S TEMPLE AND YOU DRUM BEAT AND BANG WITH YOUR GUNS UNTIL YOU FORGE THE VERY DESTRUCTION YOU CLAIM TO DESPISE. "THE COMING OF THE MESSIAH?" YOU HAVE HAD SO MANY MESSIAHS THAT YOU CAN'T TELL ONE FROM ANOTHER—BUT ALWAYS DENY THAT WHICH IS TRUTH—BECAUSE, I SUPPOSE, IT IS SO BORING...! GOOD LUCK!**]

The final war of general annihilation according to the Biblical prophets will be occasioned by attacks from peoples living to the north and south of Israel, which will be opposed by Israel and its allies. While we do not know the actual date these prophecies were made they antedate the *New Testament* by at least a thousand years and perhaps thousands of years.

From other of the world's religions or cosmic theogonies come indications of doom whose signals have taken place within our own "end of Pisces" time frame. Tibetan Buddhist prophecies that Tibetan Buddhism would end after the thirteenth Dalai Lama would be dethroned (he has been) and the general Buddhist prophecy that Buddhism would last for

2,500 years, a period now ending, both agree that the final world period will be at hand for the coming of the future Buddha, Maitreya. [H: Suppose the **CORRECT** Dalai Lama is not the **REAL 13TH ONE?** There was **ONE**, dear readers, who was buried as to historical presentation for political reasons long, long ago—so the one unseated "above" is **NOT THE THIRTEENTH BUT, RATHER, THE 14TH!** NOW WHERE ARE YOU? Is it not now bordering on the same thing that happened with your *U.S. Constitution 13th (original) Amendment*—which disallows, by law, lawyers holding offices in Congress, Judgeships, etc.? It just conveniently got removed from circulation while the very ones intended to be kept out—have taken over total control of your nations!!! I repeat—it is **YOU** who make the prophecies and **YOU DON'T EVEN KNOW WHAT IT IS YOU ARE EXPECTING OR TALKING ABOUT. "JEW", THE VERY "TERM" IN POINT WAS ORIGINATED IN 176(?)** (the latter part of the eighteenth century) so how could **THEY** have had an "ORIGINAL" TEMPLE—ANYWHERE?? Am I just a mean old task-master spoiling your game of fright-night excitement? I certainly do hope so!]

An unexpected prophetic development occurred in the case of the Islamic prophecy that Islam would last until man set foot on the moon, a hyperbole signifying an indefinite period but which caused consternation in conservative Islamic circles when Armstrong and Aldrin finally did so. Islamic traditionalists, however, have argued that the astronauts did not land on the **REAL** moon—"the lamp of the night"—but on some other heavenly body. Therefore the prophecy has not been fulfilled and, in any case, Islam seems to be affirmatively flourishing.

The pyramid prophecies as interpreted by psychic pyramidologists indicate in the turns and measurements of the inner galleries of the Great Pyramid at Gizeh, Egypt, the end of the world in the year 2001 of our era. The decline is said to have started in 1965, the latter date a finding with which many economists will doubtless agree. Also, the ancient Aztec age cycles as well as the probably connected Hopi cyclic age endings both predict an end to the world at the end of the present period—the sun of fire, Hindu tradition, as expressed in the ancient Puranas, also foretells a possible annihilation of the human race at the end of the fourth or kali yuga (and remember that Kali is the goddess of destruction), the present

age now drawing to a close.

Whatever may be one's scientific theories, cosmological tradition is that cataclysmic doom seems to be generally expected by approximately the year 2000 A.D. Other cultures, while guarding their own religious counts of time, as in the case of the Chinese, Arabs, Jews, and others, have generally accepted the western system of counting years because of the easier common calculations. There seems, nevertheless, to exist a common zodiacal thread—the change of "hour" or era of the dominant constellation of our shared cosmic clock every 2,160 years. This may have influenced the inception of Christianity itself or, conversely, been signaled by it.

It is also perhaps to be expected that humanity may consider that every thousand-year period will be accompanied by Earth-shaking events. The very word millennium, originally simply a count of one thousand years, **has taken on a meaning alternately of destruction, death, redemption, retribution, and—hope.**

[END OF QUOTING]

Let us break this writing at this point before it becomes too long.

Before we close, however, I have had a dear and precious friend inquire as to whether or not it would be worth it to move to, say, New Mexico, if indeed there is going to be total destruction in July—and she is of an age wherein a move from where she is would be all but intolerable! Dear ones, YOU MAKE YOUR OWN DESTINY. Can you not see it unfolding in TRUTH as we write? YOU ARE PEOPLE OF THE LIE—AND YOU WILL BRING UPON YOURSELVES THAT WHICH YOU FOCUS MIND UPON IN PROJECTION. IT WILL BE AS WRITTEN—IF YOU BELIEVE WHAT IS WRITTEN. I CAN TELL YOU UNTIL HELL FREEZES THAT IT IS NOT SO—WILL YOU BELIEVE ME? SO BE IT.

PROPHECIES

DOOMSDAY 1999 A.D.

[QUOTING:]

**ANCIENT PROPHECIES:
THE WORLD ENDS
BY 2000 A.D.**

[H: Check it out: The "prophets" can't even agree on a date? What if nothing happens? Well, you can depend on one thing: If nothing of prophecies happens as to destruction of a planet—you can count on the fact that if you do nothing about your social and political problems and with the natural changes set in motion AND those that will be used BY MAN to destroy and terrorize to gain power—it will certainly be a disastrous time of it.]

According to British astronomers John Gribbin and Stephen H. Plagemann (*The Jupiter Effect: 1974*), an even more dangerous condition will exist in May, 2000 A.D. for those of us who are here to observe it. At this time Mercury, Mars, and Earth will be in direct allineation with the huge planets Saturn and Jupiter [H: But what of Jupiter's destruction and blast-off in July 1994??], as well as with Pluto and the Earth's moon. Venus will also

be close to Mercury in this cosmic line-up. The effect of powerful earthquakes brought about by this positioning might be strong enough to disturb the Earth's rotation, causing it to wobble on its axis and perhaps to bring about a magnetic reversal of the poles.

But this "worst case" situation, which is now being commented on with increasing frequency by present-day astronomers, geologists, and oceanographers was also noted and commented on by Berossus, a Babylonian astrologer-historian who lived more than 2,300 years ago. One wonders through what telescopic equipment and what lost techniques Berossus and the Babylonian magicians (then a word for astronomers) arrived at their calculations. The Roman poet, Seneca, related some 300 years later what Berossus originally caused to be inscribed in wedge-shaped cuneiform syllables pressed into wet clay tablets:

...these events take place according to the course of the stars; and affirm it so positively, as to assign the time for the Conflagration and the Deluge. He maintains that all terrestrial things will be consumed when the planets, which now are traversing their different courses, shall all coincide in the sign of Cancer, and be so placed that a straight line could pass directly through all their orbs. But the inundation will take place when the same conjunction of the planets shall occur in Capricorn. The first in the summer, the last in the winter of the year...

Berossus, in speaking of "the year" was referring to the sidereal year, the precession of the equinoxes, which takes 25,827 of our years. (This figure is the time it takes the Earth's polar axis, which changes in space from day to day, to return to its original position in space in relation to the zodiacal band. The twelve constellations of the zodiacal band as they succeed each other in the night sky have formed a convenient cosmic clock for Earth observers for many thousands of years.)

Was Berossus making a prophecy or merely an educated guess several millennia in advance of his time, based on many millennia of observation and research before his own era? The astronomical observations of distant antiquity, generally connected with prophecy, were often included in legends of the gods or disguised as a code, perhaps to restrict the information to the priestly caste. The extent of the sidereal year can be recognized in the sum of the crossed diagonals of the Great Pyramid at Gizeh which gave a total of 25,826.6 pyramidal inches. How did Berossus know about or the Fourth dynasty of Egypt measure the sidereal year? And this is only one example of cosmic information contained in the Great Pyramid.

Because of the scientific information still being discovered within the Great Pyramid, a belief has grown among psychics that there must be a message of prophecy indicated by measurements of the interior passageways, calculated by pyramidal inches. Measurements have revealed a series of breaks and variations built into the twists, turns, and protuberances of the galleries and inner chambers which are considered as indicative of

"The very word millennium, originally simply a count of one thousand years, has taken on a meaning alternately of destruction, death, redemption, retribution, and—hope."

important events in the past, the present, and the future. Believers in these prophecies have included at least one well known astronomer, Charles Piazzi Smyth, once the Astronomer Royal of Scotland. These predictions in stone are believed by many pyramidologists to have begun on a date equivalent to September 22, 4000 B.C., and will end on September 17, 2001 A.D., the end of the sixth millennium.

While remembering that this is an interpretive prophecy, mainly after the fact, it is still intriguing to observe that certain modern events appear to have been indicated in advance, that is, since the time the key was thought to have been discovered in the early part of the twentieth century—the gallery measurements apparently indicated critical events which would occur at dates corresponding to World War I, the Armistice, World War II, the Atomic Age, and crucial events of the fifties and seventies. But the measurements—and history itself—seem to break off in 2001.

A calculation by Heraclitus of Ephesus, a Greek philosopher of the Ionian school, can be interpreted as a forecast of the next world catastrophe. Ancient Greek cosmic outlook was influenced by a theory held by Plato and other philosophers that there were and would be periodic destructions of the Earth by fire and flood. Heraclitus, who was not influenced by Plato's account of the destruction of Atlantis, since he predated him, calculated that the world would be destroyed again in 10,800 years, counting from the last time it suffered almost total destruction. If we take Heraclitus' time span of recurring catastrophes and calculate it from a date in Plato's account of the sinking of Atlantis (9,000 years before his time) we obtain a date for the next catastrophe fairly close to the end of the second millennium. [H: Ah, but Plato was WRONG in just about everything he presented...including "Philosophy" in which he was supposed to be totally "expert".] This theory was proposed centuries before our present year count began. It is one more instance of a correlation in time of ancient predictions of catastrophes, kept alive in various world traditions throughout the centuries.

Scientific expertise and cosmic information interpreted through legends mixed with prophecy sometimes occur in remote corners of the world far removed from the advanced cultures of Egypt, Greece, and Mesopotamia.

The Hopi, a small Amerindian tribe of very ancient traditions, apparently knew that the Earth turned on its axis. In the Hopi legend the axis of the Earth was guarded by a pair of cosmic giants who, when they left their positions, caused the Earth to falter in its spin, resulting in the end of a world and the start of a new era, eventually to be followed by still another. The beginning of the end of the present or Fourth World is considered by the Hopi to have already started and will be consummated after the appearance of a now invisible star, rushing toward Earth from space. Strangely, the Hopi concept of catastrophe caused by the Earth fluttering on its axis is a preoccupation among certain scientists of today and yesterday who, attributing the future cause to overloading of ice on the poles, shift-

ing of the inner magma tides of the Earth, a series of earthquakes and volcanic eruptions, or a cosmic collision or near collision, foresee basically the same results as the Hopi prophetic visions—the world's end in earthquake and fire.

Toltec-Aztec world-ending concepts also prophesied that the present world or sun would end within the present era by earthquakes, a cataclysmic denouement shared by Berossus of Babylon, ancient prophets, medieval seers, and a number of modern astronomers and psychics.

Within the Judeo-Christian religious tradition there exist in the Bible, as expressed by some of the Old Testament prophets, predictions in which, although the years are not mentioned, certain conditions are specified which seem to locate the end of the present world within our own time period, very close to now, the final days being identified as the time soon after the Jews have been established once more in their own land. At this time, as written in *Zechariah 14*, the Lord declares: "...I will gather all nations against Jerusalem to battle..." these prophecies are also contained within *Ezekiel chapters 36, 37, 38*; in *Daniel, 11, 12, 14*; *Joel 2 and 3*; and *Isaiah 23 and 24*.

In the *Book of Ezekiel* we find a specific reference in the Lord's prophecy to Ezekiel recalling the scattering of Israel "among the heathen" in the past. But the Lord promises that He will "gather you out of all countries and will bring you into your own land..." and that "...the wastes shall be builded... and the desolate land shall be tilled..." and "...the waste cities shall be filled with flocks of men... I will make them one nation in the land upon the mountain of Israel."

However, further along in Ezekiel's prophecy, we find that a great invasion shall come from "Gog" in the north and a great war will ensue when "everyman's hand will be against his brother." This prophecy continues with a promise of divine intervention—"with pestilence and with blood... and I will rain upon him, and upon his bands... an overflowing rain and great hailstones, fire, and brimstone... and I shall send a fire on Magog..." and "seven months shall the house of Israel be burying them."

These predictions have been interpreted by many Biblical students as a direct reference to the final battle of Armageddon, when Jerusalem will be attacked by many nations and the next millennium will be at hand. As this attack and threat of attack is located within the present century, if we link it to the prophesied return of the Jews to Israel, we have the feeling that Biblical prophecy is being corroborated by events in the daily press.

Hal Lindsey, author and theological student (*The Late Great Planet Earth*, 1970), even suggests a battle plan, based on Daniel's prophecies such as, "At the time of the end (italics added) the king of the south shall push at him (Israel) and the king of the north shall come against him like a whirlwind... with chariots, with horsemen, and with many ships..." A somewhat free interpretation of the above and the ensuing verses indicates to the author a Russian amphibious assault to the south of Israel, to coincide with an invasion from the northern flank to push down through Israel north to south before the final battle is joined at Armageddon. After this conflict the Day of Judgment will come: "...many of them that sleep in the dust of the Earth shall awake, some to everlasting life and some to shame

and contempt."

The prophecies in *Joel* deal with destruction before a future Day of Judgment as they describe: "...wonders in the heavens and in the Earth, blood and fire, and pillars of smoke—the sun shall be turned into darkness and the moon into blood, before the great doom, one with cosmic overtones: "...the windows from on high are opened, and the foundations of the Earth do shake... the Earth is utterly broken down... The Earth shall reel to and fro like a drunkard... it shall fall and not rise again... The Lord maketh the Earth empty... and turneth it upside down..."

In the *New Testament* the mystical and frequently obscure *Book of Revelation of St. John of Patmos* contains vivid descriptions of the catastrophes which will occur during the approaching period of the Apocalypse and the Final Judgment and refers to a final battle, the greatest of Earth's history. This will be the Battle of Armageddon (Meggido, on the map) in which will contend an attacking army of 200,000 cavalry spouting "fire, smoke, and brimstone", which is how modern armored cavalry units would appear to a prophet of ancient times. Mention is made and interpreted by some students of the Bible as a recognizable reference to thermonuclear warfare, of the power "to scorch men with fire" and that men were "scorched with great heat and blasphemed the name of God..." and of an earthquake "such as was not since men were upon the Earth so mighty an earthquake and so great," and that "...every island fled away, and the mountains were not found..."

There is even a passage in *Zechariah 14* which, in describing the effects of a future battle, reads:

Their flesh shall consume away while they stand upon their feet, and their eyes shall consume away in their holes...

Two phenomenon familiar to observers of the effect of atomic bombs. Also reminiscent of what one hopes we will avoid in the future is a forewarning contained in the *Book of Esdras of the Apocrypha* which tells of

...great and mighty clouds... shall rise to destroy all the Earth and its inhabitants... and they shall destroy cities and walls, mountains and hills, trees of the forest and grass of the meadows and their grain... no one shall be left to cultivate the Earth or to sow it...

In the Gospel according to *St. Luke* and also mentioned by *St. Matthew* there is a prophecy attributed to Jesus Christ which describes a period wherein "Jerusalem encompassed with armies" will be a sign of the approaching Final Judgement:

When you shall hear of wars and commotions, be not terrified; for these things must first come to pass; but the end is not by and by. Then said he unto them, Nation shall rise against nation, and kingdom against kingdom; and great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall be from heaven. And when ye shall see Jerusalem compassed with armies, then know that the desolation thereof is nigh. And there shall be signs in the sun, and in the moon, and in the stars; and upon the Earth distress of nations, with perplexity; the sea and the waves roaring; So likewise ye, when ye see these things come to pass, know ye that the

kingdom of God is nigh at hand.

The Biblical prophecies doubtless contributed strongly to the medieval conviction that the world would end with the first millennium. When it did not do so the feeling of relief and thankfulness felt in the European Middle Ages may have encouraged the building of the vast cathedrals which flowered during this era, and no doubt, because of religious fervor, increased the zeal of the subsequent Crusades. Somewhat later, in the early 1350s the Black Death appearing suddenly in Europe and causing the deaths of a third of the population, with resulting breakdown of society and widespread madness, was thought by man, before it abated and life went on, to be the actual end of the world. After this visitation popular belief began to consider that perhaps Domsday had been postponed, at least until the second millennium.

Some of the medieval European prophets made written predictions, often printed at the time, so that one can be fairly sure that they were not predated, that seem to link themselves to the events of today. Sometimes even the future year is specifically mentioned as in the case of Nostradamus who wrote in the middle of the 1500s:

*The year one thousand nine hundred and ninety nine,
the seventh month,
A great frightening king will come from the sky,
To raise the great king of Angoulmois,
Before and afterwards Mars will reign uninterrupted.*

This prediction has been variously interpreted by modern observers, as an atom bomb, a rogue planet, or an air attack, possibly by the Chinese (depending on a cryptic reading of Angoulmois as "Mongol").

Nostradamus limited the power of the Brit-

ish Empire, before it started, to 300 years. The peculiar ability of Nostradamus in predicting details of incidents hundreds of years in advance is especially notable in his description of the capture of Louis XVI by revolutionaries and his being brought back to the Tuileries (not yet constructed) and puns on the names of two participants, hundreds of years before their births. Because of the almost uncanny accuracy of some of his predictions many persons, other than psychics, are watching with considerable interest to see what will happen in the seventh month of 1999. Nostradamus also indicates several other possible dooms or combinations of catastrophes at the end of this millennium such as:

*The world near its last period,
Saturn will come back again, late.*

The reference to Saturn is an interesting one as this will be one of the important planets in the planetary alignment of 1990, at which time some modern astronomers have suggested that the influence that the great planets in allineation will have on the molten tides inside the Earth, pushing the rocky tectonic plates together, may set off a series of catastrophic earthquakes, especially on the fault lines. There seems to be an incredible reference to tectonic plates in another quatrain:

*The fire at the center of the Earth
Will make the new city tremble.
Two great rocks will contend
Against each other for a long time
And then Arethusa shall color the new
river red...*

(Arethusa: A classic allusion to a spring coming from the Earth.)

One of the most frequently contemplated dooms of modern prophets concerns the rising

"H: I am going to interrupt right here to tell you about '2000' and its REAL IMPORTANCE. It is the year 2000 in which THE PLAN of the New World Order and total control of your planet by Satanic influence and massive oppression of all people, save the Elite, is planned to be in full operation."

of the waters of the sea, since climactically or artificially induced melting of considerable portions of the stored ice at the north and south poles would raise sea levels hundreds of feet. [H: THIS IS TOTAL HOGWASH!] This would have specially catastrophic results for the modern world where so many of the great cities are seaports, and so large a portion of the population is clustered on the coastal plains often only a few feet above sea level. Nostradamus, in a letter of dedication written to his son, Caesar, on March 1, 1555, wrote: "Before the universal conflagration there shall happen so many inundations that there shall scarcely be any land that shall not be covered by water...." In the same letter he seems again to indicate the present millennium as an end of this "revolution" for humanity:

We are now in the seventh millenary which ends all and brings us near the eighth which is where the great God shall make an end of this revolution....

His reference to the end of the seventh millennium can be interpreted as the five thousand years between the Biblical Creation and the birth of Christ, with two thousand years added to that to mark the end of humanity as we now know it. He is more definite in his letter to Henry II of France when he specifies the signs by which it will be recognized:

There will be a solar eclipse more dark and gloomy than any since the creation of the world, except after the death of Christ. And it shall be in the month of October that a great movement of the globe will happen, and it will be such that one will think the gravity of the Earth has lost its natural balance and that it will be plunged into the abyss and perpetual blackness of space. There will be portents and signs in the spring, extreme changes, nations overthrown, and

mighty earthquakes.

Another seer of the Middle Ages, who lived before Nostradamus and was known to history as Mother Shipton, specialized in writing the future history of England in couplets. She apparently had an unusual ability to foretell developments in countries that had not yet been mapped by Europeans, such as the USA and Australia, and even to foretell and describe the use of products not yet known in Europe, such as potatoes and tobacco.

As to the catastrophic ending of the world, she seems to have placed it 400 years after her time, adding certain feminine details for future identification, when she rhymes:

*When women dress like men and trousers wear,
And cut off all their locks of hair,
When pictures look alive with movements free,
When ships like fishes swim beneath the sea,
When men outstripping birds can soar the sky,
Then half the world, deep drenched in blood, SHALL DIE.*

Mother Shipton apparently claimed that the world would end in 1981 but a publisher of the nineteenth century, republishing some of her rhymes, apparently doctored the 1981 to 1881, thereby causing a near panic until the date was past. [H: Still think nobody ever tampers with anything important?]

Others among the world's great religions also specify in their traditions a fateful time in their history occurring in about 2000 A.D., which of course would not occur in their traditional count although in years it comes out the same as the Western system of counting time.

In archaeological and other scientific terms 2000 A.D. is often referred to as 2000 C.E. (common era) and B.C. as B.C.E. (before common era) in an effort to render the scientific count of years more religiously neutral inasmuch as almost all national units now use the calendar whose identifying letters hitherto have stood for "Before Christ" or "In the Year of our Lord." It is nevertheless remarkable that religions and traditions with no common starting point coincide in their prophecies of a date in Western count 2000 A.D. which will signify an end or new beginning of humanity.

[H: I am going to interrupt right here to tell you about "2000" and its REAL IMPORTANCE. DESTRUCTION IS FREEDOM OF HUMAN SPECIES AND A LOT LESS POPULATION THROUGH ALL SORTS OF INCREDIBLY DASTARDLY ACTS WHICH HAVE NOTHING TO DO WITH GOD!

For example, Buddhist tradition placed the end of the present world at 2,500 years from the birth of Gautama Siddhartha, the Buddha, at which time mankind will be redeemed by Maitreya, the future Buddha, and Gautama Siddhartha, it may be noted, lived 2,500 years ago.

Tibetan and Mongolian Buddhist tradition had long foretold the end of the rule of the Dalai Lamas and a whole way of life after the reign of the thirteenth. This prophecy was fulfilled, as predicted, with the onrush of Communist troops from China. [H: Who said???

Hinduism calculates the age of humanity as the yuga (epoch) of Kali, the Goddess of Destruction, and this is the age now drawing to a close.

The force for preservation in Hindu theogony, Vishnu, has already saved humanity on a number of occasions [H: Really, and WHO told you THAT?], symbolically appearing as a savior in the form of a fish, tortoise, boar, man-lion, dwarf, Parashurama (Rama with the ax), Rama, Krishna, and Buddha. He will finally appear, soon, as Kalki, a white horse, destined to destroy the present world and take humanity to a different, higher plane. [H: Do any of you see what foolishness is afoot? Good grief, readers...! God needs none of this garbage to relate to man—the facts are that all the drivel is to allow for everything to have an EXCUSE when the predictions are proven to be pure trash. All of you who expect to just be “raptured off” just because you think and believe there was someone who perished at your hands and SAVED you—are full of it...! These concepts are as primitive in perception and reality as ANY ever projected by any insane mind. You are ending up basing everything on the MAGIC of some illusion out there somewhere—when you are the illusion right where you ARE. Why would WE want a bunch of primitive and ignorant savages aboard the perfection of order established from REALITY of Universal LAW?? You are planning on a physical human to somehow appear and all your human ignorance be wiped away and you go a place of joy and full KNOWING—out of the depths of a jungle of evil interpretation? Forget it, for there is no magic, no mysticism, and no DO IT FOR YOU. Your enemies, very human in every aspect, fully plan on your foolish mysticism and witchery magic to cover their dastardly deeds right up and THROUGH YOUR DEMISE! NO INDEED, THE SHIPS WILL NOT BE CROWDED THIS DAY!]

In the very heart of Asia, in the deserts of Mongolia and the mountain reaches of Tibet there has existed for many centuries the mysterious and mystical tradition of Arghati and its ruler, the King of the World. Arghati is believed by many to be an actual inner world existing under the high plateau in the mountains of Central Asia, a series of huge caverns with secret entrances to the surface of the Earth through which ancient tribes sometimes entered and there continued a hidden civilization down to the present day. This underground Shangri-la is still believed to exist underneath the Communist-dominated surface and whenever its ruler, the King of the World, makes prophecies the birds and ani-

mals on the surface of the Earth suddenly become silent. Hundreds of years ago the King of the World made a prophecy which, counting from the time it was purportedly given, falls, as do so many other predictions, within the latter part of the twentieth century.

Men will increasingly neglect their souls....The greatest corruption will reign on Earth. Men will become like bloodthirsty animals, thirsting for the blood of their brothers. The crescent will become obscured and its followers will descend into lies and perpetual warfare....The crowns of kings will fall....There will be a terrible war between all the Earth's peoples...entire nations will die....Hunger...crimes unknown to law...formerly unthinkable to the world....The persecuted will demand the attention of the whole world...the ancient roads will be filled with multitudes going from one place to another...the greatest and most beautiful cities will perish by fire....Families will be dispersed...faith and love will disappear...within 50 years there will be 18 years of war and cataclysms....Then the peoples of Agharti will leave their subterranean caverns and will appear on the surface of the Earth.

It is noteworthy that all the ancient predictions of doom, most of them fixing Doomsday within our own era, concern a mixture of final warfare, earthquakes, tempests, worldwide volcanic eruptions, and overwhelming floods. Most of them deal with especially destructive warfare, with perhaps a suggestion that it will be a sign of, or a contribution to, final doom.

In the next writing we will take up that which is referred to as prophecies of the Gulf Breeze Six [Gulf Breeze, Florida, UFO activity]. With everything we have written in the past four years about the actions of your ongoing experiments and such—HOW CAN YOU CONTINUE TO ACCEPT SUCH GARBAGE AS A BANQUET? The Gulf Breeze Prophecies, for goodness sakes, were made through a Ouija board in one of the cutest mind-manipulation experiments of your time linked with total relaying of DESIRED information. Why do you think these nice children were given “honorable discharges” and turned out onto the public like soothsayers? Oh sleepyheads!!

Inslaw's Owner, Bill Hamilton Speaks With CONTACT

5/11/94 RICK MARTIN

“The Clinton Justice Department is scheduled to release, within the next couple of weeks, its own review of the Inslaw case. That review was conducted under the auspices of Webster Hubbel who was the Associate Attorney General until April, when he resigned to return to the private sector.

“I’m not too optimistic because the department, as an institution, cannot credibly investigate itself criminally. And there needs to be an independent investigation by an Independent Counsel. Someone who doesn’t care which way the dominos fall. You know?

“We had one meeting with an FBI agent and the First Assistant U.S. Attorney from Los Angeles on our February submission. [A 29-page memorandum filed by Bill and Nancy Hamilton, joined by former Attorney General Elliot Richardson, with Attorney General Janet Reno charging that the Office of Special Investigations (OSI) in the Department of Justice (DOJ) houses a covert operations unit and that it is tied to at least one murder.] And they had questions principally about material in that submission about the death of the journalist Danny Casolaro.

“During that meeting they confirmed to us that something we had heard from a confidential source was true. And that was, a maid at the hotel in Martinsburg, West Virginia had seen a man coming out of Danny Casolaro’s hotel room the morning he was found dead, but before his body was discovered. Then, subsequent to that meeting, the Justice Department attempted to deny that they had, in fact, confirmed that during the meeting with us. And that effort to deny it makes you very uncomfortable, you know?

“We have always maintained that public confidence in a Justice Department requires that they step aside on the Inslaw matter and let an Independent Counsel be appointed. Our first priority is that the Justice Department should pay us for the amounts fully litigated in the Bankruptcy Court and the U.S. District Court, and confirmed by the House Judiciary Committee. That’s the usage by the U.S. Attorney’s Offices. And, right after they did that, they should step aside, recuse the Justice Department from the Inslaw case and seek the appointment of an Independent Counsel as soon as that Independent Counsel Statute is reinacted, which should be this month or next.”

Hawaii's Sovereignty Stand!

(Editor's note: Pages 28-33 announce a serious step forward in the battle for the sovereignty of our individual states of the Union. STANDING COMMITTEE REPORT NO. 3201

Honolulu, Hawaii

APR 18, 1994

Honorable Norman Mizuguchi
President of the Senate
Seventeenth State Legislature
Regular Session of 1994
State of Hawaii

Sir:

RE: S.C.R. No. 108

Your Committees on Government Operations, Environmental Protection and Hawaiian Programs and Judiciary, to which was referred S.C.R. No. 108 entitled:

"SENATE CONCURRENT RESOLUTION PRESERVING THE REPUBLIC AND THE CONSTITUTION OF THE UNITED STATES OF AMERICA,"

beg leave to report as follows:

The purpose of this Concurrent Resolution is to call for the government of the United States of America and the governments of the various states to adhere to the principles of constitutional federalism and provide for the dissolution of the United States of America if the national debt exceeds \$6 trillion dollars or if Congress or the President of the United States in any way attempts to render the Constitution invalid.

Your Committees have amended the measure by inserting provisions that call for a cessation of unfunded federal mandates, and requests assistance from legislative associations to protect the rights of states.

Your Committees believe that with perseverance, faith, and collaboration, the nation will be able to return to constitutional federalism.

Calling for the cessation of unfunded federal mandates is the necessary first step down the road to such a recovery.

Your Committees on Government Operations, Environmental Protection and Hawaiian Programs, and Judiciary concur with the

STANDING COMMITTEE REPORT NO. 3201

STATE OF HAWAII

S.C.R. NO.

S.D. 1

SENATE CONCURRENT RESOLUTION

PRESERVING THE REPUBLIC AND THE CONSTITUTION OF THE UNITED
STATES OF AMERICA.

1 WHEREAS, the federal government is charged with
2 protecting the health and safety, as well as promoting other
3 national interests of the American people; and
4

5 WHEREAS, although the federal government is charged with
6 such responsibilities, in recent years it has saddled states
7 with the responsibility to comply with a myriad of federal
8 mandates, many of which lack federal funding to effectively
9 carry them out; and
10

11 WHEREAS, the cumulative effect of unfunded federal
12 mandates has increasingly strained the budgets of state, local,
13 and tribal governments; and
14

15 WHEREAS, additionally, the cost, complexity, and delay
16 in applying for and receiving waivers from federal requirements
17 in appropriate cases have hindered state, local, and tribal
18 governments from tailoring federal programs to meet the
19 specific needs of their communities; and
20

21 WHEREAS, these governments should have more flexibility
22 to design solutions to the problems faced by citizens in this
23 country without excessive micromanagement and unnecessary
24 regulation from the federal government; and
25

26 WHEREAS, in an Executive Order issued on October 26,
27 1993, President William Clinton called for the reduction of
28 unfunded federal mandates, the streamlining of the application
29 process to obtain waivers from federal requirements, and the
30 proliferation of meaningful collaboration and consultation with
31 state, local, and tribal governments on federal matters that
32 have significant effect upon their communities; and
33

34 WHEREAS, in a letter to the Honolulu Advertiser,
35 Governor John Waihee stated that the cost factor associated
36 with complying with federal mandates will cost the State of
37 Hawaii \$377 million or approximately twelve percent of the 1994
38 state budget; and

1
2 WHEREAS, fiscal responsibility by the federal government
3 is necessary to restore the economy; and
4

5 WHEREAS, the Tenth Amendment to the United States
6 Constitution states that "the powers not delegated to the
7 United States by the Constitution, nor prohibited by it to the
8 states, are reserved to the states respectively, or to the
9 people;" and
10

11 WHEREAS, increasingly, the federal government has
12 pre-empted powers constitutionally reserved to state and local
13 governments by the Tenth Amendment; and
14

15 WHEREAS, clearly, there is an immediate need and
16 potential authority for the states to curtail the imposition of
17 unfunded federal mandates; and
18

19 WHEREAS, the Phoenix Project, a nationwide organization
20 dedicated to the preservation of the fundamental precepts of
21 the United States Constitution has developed a process of
22 dissolution if constitutional federalism is abrogated; now,
23 therefore,
24

25 BE IT RESOLVED by the Senate of the Seventeenth
26 Legislature of the State of Hawaii, Regular Session of 1994,
27 the House of Representatives concurring, that the United States
28 government honor the language, spirit, and intent of the Tenth
29 Amendment of the United States Constitution by ceasing the
30 usurpation of state powers; and
31

32 BE IT FURTHER RESOLVED that the United States government
33 is urged to cease further pre-emption of state and local powers
34 derived from the Tenth Amendment of the United States
35 Constitution; and
36

37 BE IT FURTHER RESOLVED that all compulsory federal
38 legislation which directs states to comply under threat of
39 civil or criminal penalties or sanctions or requires states to
40 pass legislation or lose federal funding be prohibited; and
41

42 BE IT FURTHER RESOLVED that the National Conference of
43 State Legislatures and the Council of State Governments are

1 requested to investigate methods by which the imposition of
2 unfunded federal mandates could be prevented as well as
3 developing proposals to ensure the further protection of the
4 rights of states; and

5
6 BE IT FURTHER RESOLVED that in developing these
7 solutions, the National Conference of State Legislatures and
8 the Council of State Governments shall study the possibility of
9 including proposals made by the Phoenix Project if appropriate;
10 and

11
12 BE IT FURTHER RESOLVED that certified copies of this
13 Concurrent Resolution be transmitted to the Governor of each
14 state, the Director of the National Conference of State
15 Legislatures, the Director of the Council of State Governments,
16 the President of the United States, the Speaker of the United
17 States House of Representatives, the President of the United

Another Interview With Ronn Jackson

5/4/94 RICK MARTIN

Editor's note: The following is taken from an interview with Ronn Jackson, by Rick Martin for CONTACT, held at the Northern Nevada Correctional Center on May 4, 1994:

Rick: Why do you suppose the Committee was so conservative with the amount of information they would provide you on an assignment?

Ronn: I think it was my attitude. They never gave me instructions, they gave me the parameters and they left any of the actual doings up to me and my attitude was I was...

Rick: Parameters, meaning the time-frame?

Ronn: I never received a time-frame other than there was an urgency. For example, about "Extra", but because that was his frame of mind at the time but they knew that I would address a subject and that I more-or-less had tunnel vision. When I went on a project I went on it and I didn't let anything else interfere; I finished it and moved on. I think that played

a great part in it. I think that probably some of the things that I've described in the story may have different meanings to different people, but there were other reasons other than what I described for the events that occurred within the story. In other words, let's talk about me and Extra.

It would appear that he had a problem with his mind, which he did; he was very unstable. On the other hand, he worked for a different part of Government other than what I described, and even though the reason is obvious within the story as to why what happened to him happened, there were other reasons for that. Again this is a situation where things are not always what they appear to be because I didn't elaborate on the man. Once I mentioned his name, then other people are going to know what happened to him and other people who worked with him at the time are going to understand why what happened to him did.

I'm purposely selecting my words so that you'll understand, and it appears on a number of situations there is a reason for doing what

I did, but there were other reasons too, that I didn't mention or elaborate on. For example, I make mention of a perfume that had a drug that's part of the perfume that I destroyed. Well, the person who was doing that and his sister, there was another reason that's not mentioned in the story. He was a Banker and she was a Beauty Shop operator but there was a reason other than what was obvious there; he had some connections with South America that had to be broken. So, you have to be—even though it is somewhat crudely done because I don't consider myself a writer, I wanted to at least provide the foundation so that people in the near future can...

Once I explain "why" with one of them, then it's going to become obvious with the others.

Rick: Can you explain what an assignment would look like? Was it a folder, photography, hand written notes?

Ronn: Eight-and-a-half by elevens, sometimes photographs, sometimes invoices, sometimes plane tickets, deposit slips to banks, a data sheet giving physical descriptions of one or more parties, sometimes they would have work places. They were all different and they were customized to the person or individual assigned. There was always a lot more to what was going on than what I saw and it wasn't long before I was piecing together the individual or individuals prior to my given data.

Well, I think I mentioned when I was in South America one time there were a couple of bodyguards who there was no mention of. Well, the Committee didn't know about the bodyguards because the person, the primary target, had found out something was coming down and he had just hired them, but that is

primarily window dressing. If you see anybody who takes the offensive, as a rule, they're just plain ordinary everyday folks.

There are so many things that I don't go into detail about in the story because it would require me to say some things that I would have to guess about, and I try to be as accurate as possible. You'll notice that you're working on part of the fiction right now. He just printed number six and number five and whatever it was. Now, my interview was real but it was not in the place that I say it was and the occurrences only go up to the beach and when the sanction was called off. Now, it wasn't particularly a sanction but we were actually on the beach the night prior and our objective was Fidel Castro and we would have gotten him, there was no problem with that. I don't know what the reason was; that was their business, and I was paid and I was satisfied, but even though I wanted to know, I don't know why it was called off.

Rick: That would have had a major impact.

Ronn: Well, sure it would have, absolutely. You know that little dinky island, they only have one power plant on the whole island. I never argue with my orders but I sure questioned them on several occasions. I've been in Meyer Lansky's home; that's now a presidential palace in Cuba where Fidel Castro lives and I know the house, not real well, but I've been there a couple of times, and Lansky had that built. He used to run the Miami portion of Organized Crime. Organized Crime is still a bigger myth than most people think. It's been glorified by television and *The Untouchables* and so on; but it did exist. But not to the degree or extent that it was represented to be. Now, Lansky built that home in Cuba and he had the gambling. Well, they got all of their money out before Castro ever jumped the gambling number, so they were making tons and tons of money. Every gambler was going there from the States. What I'm saying to you is, I can elaborate on many of the incidents there, and even though I've been real factual as far as the particular situations are concerned, there's much more to every single one of them.

Rick: Let's talk about Lansky and JFK.

Ronn: He knew the family but the Kennedys knew just about everybody in the higher level of Organized Crime. Lansky had nothing to do... If you remember all those people that I covered, Rigano, Giancana—those people had nothing to do with Kennedy's assassination—they weren't smart enough. Very few people had the mental capacity that Earl Warren had. Earl Warren and the Committee are the people who assassinated Kennedy. It's as simple as that. You can use and speculate the CIA, you can say Organized Crime, you can do anything you want to and they have nothing whatsoever to do with it, and everything goes right back to the currency that he put out of the Treasury; that's the reason he was killed.

Rick: Were there any parties involved that we don't know about that would surprise the readers?

Ronn: As far as I'm concerned, I'm the biggest surprise and I didn't know what I was doing at the time. Last night, and it's ironic that you would ask the question because one of the readers of *CONTACT* asked me if I was in Dallas when it took place and I responded to him by saying that I was on an unrelated matter, I thought, and found out that the purpose for me to be on that unrelated matter was to get me away from Dallas. They thought

that I would probably—because of my being as young as I was at the time—that I would have probably gone in and done something that would have been stupid. They're probably right, because when I heard the name J.D. Tippit [*Dallas policeman allegedly shot by Oswald*] I was a long way from Dallas, Texas and where I heard it was strange, and it's like two years later but there are other things that I didn't piece together.

So, mind you, when I talked with Earl Warren in 1974 and we made the tape of the conversation, that's when I had all the pieces. I knew many of them but just through the process of elimination and being curious I was able to piece together a lot of the information. And I knew Warren's involvement in the Committee. I think what prompted him to call me was finding that I had concluded that he was a member of the Committee and that's when he told me what he did. Because I had my methods and they were usually right on; I mean, I wasn't a super sleuth but I had certain things that I did and procedures that I used and they worked for me and that's how I found out. They were unorthodox, to say the least, but I knew most of the story and when he said what he did, I knew everything, and after that, well, I was never in the dark.

There's just so much speculation. Of course, the conspiracy buffs come in and Kennedy, he had, naturally, the highest ratings of any President in the country if you want to pay any attention to the ratings. People were just interested; I think it was a state of attitudes at the time. I don't want to be disrespectful to citizens of this country but they go through mood changes and shifts in their thinking. It's something that we do collectively as a society and it can be a small thing that sets it off or it can be a number of series of events that set it off. I think the American public at the time wanted a hero and Jack Kennedy was it. Well, in some people's thinking, he was a hero because he was a Catholic, and then the men thought he was good with the ladies.

You don't even know what your entering into right now.

Rick: It's big.

Ronn: Well now, I mean kiss off Watergate in comparison to what you're doing, and that dominated everything. A lot like Kennedy dominated everything when he was assassinated.

When I got back from visiting on the 3rd of May, talking with you, I had a message to call, I just had a number to call and it was in the 202 area code, and of course we know where the 202 area code is [*Washington, D.C.*]. It ended up being Mr. Gonzalez [*Henry B. Gonzalez, D-TX, Chairman of the House Banking Committee*] and they upped their ante to Mr. Buckley [*Treasurygate*] by ten million dollars to twenty-five million. I don't think you get the whole picture, twenty-five million dollars may mean a whole lot of money today, but it doesn't mean any-

thing to Buckley. I called Buckley's attorney and passed the message on and he, at that time, advised me that he had read the paper and he had...

Rick: The *CONTACT*?

Ronn: The *CONTACT*, and was aware of me mentioning all of the folks' names who I've been talking to. Of course, I told the members of the Banking Committee that I wouldn't say who they were...so I lied. I love it, (laughter) and I passed the message on and Gary just laughed. Of course, he thought, and so did Buckley, that it was private money that was trying to buy him off. I assured him, I said, conceivably it could be private money because I have no idea where the source of the money would come from, but it was made by a member of Government or several members of Government. So, I relayed the message and he just laughed and thought it was funny.

Rick: Can you give me one quote from Gonzalez that I can use?

Ronn: "We want you to talk to Mr. Buckley and we'll raise our offer ten million dollars". I responded by saying, "To twenty-five?" And he said, "Yes." I said, "I'll call his attorney right away." That's the majority of the conversation. It [*the conversation*] probably didn't last more than one-hundred-and-twenty or one-hundred-and-fifty seconds.

Rick: And did he say anything else?

Ronn: His voice wasn't real upbeat, but no.

Rick: You knew you were talking to Gonzalez.

Ronn: Oh yes, I recognized his voice, I've talked to Mr. Gonzalez on several different occasions. I would also recognize [*R-NY, Sen. Alfonse*] D'Amato's voice and I would also recognize [*D-MA, Rep. Barney*] Frank's voice. I have to be careful, I don't know about all the people who would be reading the story, so I'm not going to use the term that I've used with you on several occasions...fruitcake. (Laughter.)

Rick: We're talking about Frank, right?

Ronn: Now, I cannot confirm the entrance [*into the Earth*] from the South Pole, but I can confirm the Northern entrance. I have been in the Northern one. Now, I don't care what anyone says, the opening is over two miles wide. There is no visible light and yet you can see. I still can't explain that. There is only one time of the year that you can actually land. Now there are other days that are clear, but you have winds of anywhere from seventy to one hundred miles-per-hour most of the time

and you have adverse temperatures there and you have very poor visibility. But for about ten weeks in the summertime, it is about the only time that you can safely use that particular entrance.

Rick: Mid-summer?

Ronn: Mid-summer. Now, there are other times that people have used those entrances but I can't swear to it. I went there and I know what I was told.

Rick: Can you tell me what your mission was to go there?

Ronn: Not right now, but I will at a later date. I don't mean to put you off, it's just that it had nothing to do with the Committee themselves but I was involved with the Committee and it was involved with something to do with one of the Committee members.

[Shifting topics now to MJ-12.] There is a little bit more to MJ-12 than you know and understand and...

Rick: How many people does MJ-12 consist of?

Ronn: Nineteen, but usually there's only fifteen or sixteen. Actually there only has to be twelve people to vote on any policy endeavor. Now, when you...

Rick: So it's still active?

Ronn: Oh, absolutely. Why would it stop? It's very probably one of the most important committees that there is in existence. Let me tell you something: A3 is involved with MJ-12 directly of the Committee. Even though MJ-12 is a little more than maybe what you know, it's also involved with the Committee. A3 is involved directly with them.

Rick: Lets talk about the Orions.

Ronn: Ok. I don't want anyone within this facility to overhear anything or misconstrue anything that I say about certain subjects but I'll talk about them on a one-on-one basis or even more than a one-on-one basis with you. But I will answer some of the questions.

Rick: Can you physically describe one?

Ronn: Not that much difference, a little different facial, very similar but there's nothing much different, Rick. I mean, they're not green and they don't have tails and things of that nature.

Rick: Not reptilian or...

Ronn: No, nothing like that.

Rick: Just normal people?

Ronn: Different than us, I mean...

Rick: Taller?

Ronn: A little taller, a little bit thinner, quite a bit thinner, in fact almost all of them are fairly thin but they're taller.

Rick: Any difference in coloring.

Ronn: Not much; I mean eyes, yes. You can tell the difference in the eyes. I've only seen three, four, maybe five, but they're larger than us...but just people and they talk just like we do. There's no difference. They have the same senses that we have and so... I don't know a lot about them but I have talked to them.

Rick: How about the Sirians?

Ronn: I can't answer a lot because I don't know a lot. I do know the existence, that's what I'm saying, that's why I'm wondering if the Commander knows something. I'm sure he knows a lot that I don't know but what I'm saying is in reference to him saying that I will find that we know each other; not that I can recall, not in my conscious memory.

Rick: Why do you suppose he always refers to the Committee as seventeen?

Ronn: Because I'm the seventeenth person.

Rick: You're the seventeenth person?!

Ronn: I know that's why he's doing it. He did that purposely, didn't he?

Rick: He's done it deliberately. He does not make those kind of mistakes.

Ronn: I'm the seventeenth person but I still am not involved in any of the decision-making process and when I separated with those people, as far as I'm concerned, when I make the break I make the break. Now, there were only fourteen and they added two, so he has to be referring to me. At no time was I ever asked about any of the decision-making process. I was not involved with that and he keeps saying seventeen and I've noticed that and he has to be referring to me. When I was in the field I was the number-one person because I had to make decisions. I was questioned a couple of times on some of my actions, but my response was always accepted, so he has to mean me because I know that nobody else has been added to it.

Rick: You were given immunity on all of these sanctions, and what form does the immunity take? For example, if local law enforcement interfered with something you were doing.

Ronn: You know, that's strange. I was never arrested nor was I ever questioned, nor was I ever pulled over or confronted by anybody. Had I had to take action at the time, I'm sure that I would have been backed up 100% by the Committee. I notice that he has made reference to seventeen but it has to be me, and Rick, I was never asked; nothing.

Rick: Can you mention any judges who are in direct control of the Committee?

Ronn: In direct?

Rick: Under the direct control of the Committee.

Ronn: No, but I can probably get you several other...there were several other things that the Committee did that I wasn't privileged to be a part of. There was no need for me...no, it's funny, when I wanted to know something about the Committee, I'd always ask the Committee and the Committee would always be very open with me and I think that perhaps that could have been because of what Earl Warren did. But even that was in 1974.

Rick: What do they think about your writing and newsletters being published in different places.

Ronn: Oh, they've got copies of everything, you know. It's almost like they're encouraging me.

Rick: Is it an ego thing?

Ronn: You mean on their part? No, not at all; I wouldn't say that unless I really believed it. Those people don't have egos. They don't have egos, not in the sense that we know what ego is. They have money, they have power, they don't want notoriety yet they have never backed off or threatened me in any way. It could be a combination but I'm just not...I don't look at it that way. I don't revere them as supreme beings of any kind. I have to tell you, Rick, I still have some respect for some of the people; as individuals I can probably, under different circumstances, call them friends. Some of them. You know I've told you many times, had I been in the decision-making process I probably would have gone along with them.

Not having been in that position I would have had to find out a lot of information about some of the people. Not being in that position, I did agree with a lot of their actions. Of course maybe that's to bolster me, maybe my ID or

inner being, but I agree with a lot of their decisions—but I disagree with their hiding the truth. I mean, I'm going to take care of myself and I'll help if somebody asked me for help but I can't tell you how to live your own life and I can't tell Dharma how to live her life. I can make suggestions, if you want, but those people are thinking for me and you and everybody else. But they're looking at the overall picture. Who's to say who's right? We base and make our decisions on what we know to be true and then we have to live. I'm still not prepared to say that they were wrong in everything that they did. I still love this country, and I'm still going to get it back.

Well, I don't know but, Rick, those people are very, very real and there's probably not two people alive, until I wrote the story, who knew of their existence. They want it that way; I mean, that was of their choosing. There are other people who do their bidding for them, not in my capacity but in other capacities. Those people will complete whatever they're requested to do, but of course they're bought for one reason or another. As far as the Committee and its existence being known, until I started having the story printed, nobody knew of them. Nobody knew anything about it.

Rick: Let's talk about the plan to starve the American public. Most of the world, most of our grain, as you know, has been sold to Russia and other countries. Most of our silos are empty. We have no storage food to speak of, as a country.

Ronn: Do you recall the other day where I spoke of the Chicago Board of Trade?

Rick: Oh, yes.

Ronn: Ok, keep that in mind because it has a lot more to it. Those plans were bogus in their origin. OK? Do you follow what I'm saying?

Rick: No.

Ronn: They really did not have any kind of official origin. That's not true, I mean the Committee does a lot of manipulation but this country's not in any danger of any kind of being starved. There are some silos that perhaps are not full, that were full in the past but you go out through rural America and almost any farm bureau or any co-op has nothing but silos completely full of grain and...I wouldn't worry about that too much. I mean there have been other...[guard yelling in background, unable to hear].

Rick: It has been something that we've written about in the last few years and it is of concern. What I mean is, that there be a sufficient food supply within our borders.

Ronn: I think that it's...I have no indication that the Committee would allow anything like that to happen. These people are...they're still part of this country. They just want to be all of the decision-making process, and they're not going to be. They're also business people and they are as good business people as you'll ever find. They don't have losing years, or losing quarters, or losing days, and part of their efforts are grain and the Chicago Board of Trade. There's no such thing as a loaf of bread that didn't go through the Board at one stage or another.

Rick: You mentioned the other day that Viet Nam was about rice and not about drugs. What did you mean by that?

Ronn: Let's make that a separate thing because I want to bring in...

Rick: It's a whole exposé?

Ronn: What we'll be doing is, you've got

the Cambodian situation with Nam, you've got the countries of China and Taiwan, and also Japan. All nations whose staple diet is rice. See, in our country our staple is potatoes. Well, they are no different than we are, only their staple is rice. I do want to give you the whole story about Viet Nam and it's all because of rice, but I can't continue here. Separately, and later, because Viet Nam's over and done with and people are going to be mad about it. A lot of people know about it but they've never been given the sequence of what happened in Viet Nam. Of course, I've never

had any respect for the French people other than when they had the original French Revolution. I have often thought that we were going to have to have our version of it here.

I think you remember the French Revolution; you know what it was about, don't you? They had an economy similar to ours right now, only back a couple of hundred years ago. They got tired of interference and they went out and they hung every barrister, every judge, in every town. That was, essentially, the French Revolution, and their country was fine until

they put back in a like Government. A Government like they had before. Now, France has got one of the worst Governments. They gave away everything. Their ruler in France can do and say anything in their behalf, which you know I don't believe in.

I thought that perhaps that was what we would need in this country but I'm changing my mind because of other information and things that are coming to me. When the people of this country really find out what happened in Viet Nam, that will be another very sore spot.

5/9/94 RONN JACKSON
BULLETIN #2

As stated by H. L. Mencken: "The whole aim of Practical Politics is to keep the populace alarmed and, hence, clamorous to be led to safety by menacing it with an endless series of hob-goblins, all of them imaginary...." i.e., health care, guns and tobacco. "Who does this fraudulent and unconstitutional Government think they are kidding? (Just the population.)"

Federal Reserve Board member Paul Warburg's son, James P. Warburg, smugly informed the U. S. Senate on 2/17/50: "We shall have World Government whether or not we like it. The only question is whether World Government will be achieved by conquest or consent."

The stockholders of the private for-profit entity, the Federal Reserve, ("yes, the same ones who print the paper in your wallet") have created the problem: gold oppression, and in this country, in consort with our trusted political elected national leaders a \$4-1/2 trillion national debt which will be solved ("they think") by their goal, World Government, by using the words and tactics perfected by Hegel. The Hegelian principle is best described by a great American patriot, Donald McAlvany, in his long-running and very accurate newsletter and in the CONTACT newspaper which there are not in existence enough superlatives to describe: (sic) this is a three-step process authored by Hegel and perfected by the Marxist Leninist "Thesis, Anti-thesis, and Synthesis". The first step, Thesis, is to create or fabricate a problem. The second step, Anti-thesis, is to generate opposition to the problem, i.e., fear, panic or hysteria. The third step, Synthesis, is to offer a solution to the problem created in step one. Change which would have been impossible to impose on the people without the proper psychological conditioning, achieved in stages one and two, occurs.

This morning, 5/9/94, I spoke to A1, A2,

A3, and A6 of the Committee coupes and advised them of my future intentions. To sum up our conversation I said, "Any and all laws enacted by the Federal Agency, as in the United States Government, are only applying to the Federal United States and not to the citizens of the sovereign union of 50 states known as the United States of America, if those laws do not comply with, and to the letter of, the supreme law of the land, the Constitution."

Their response was, "Your Justice Department will most certainly view your action as a form of insurrection."

My response was, "They are not my Justice Department! Those Government employees are nothing more than boys who depend on force and coercion and, as individuals, are a cowardly lot who depend solely on ignorance. When they are confronted with truth they are nothing, a very similar position you gentlemen find yourselves in. I fear the U.S. Government to the same degree that I fear you gentlemen."

They: "Mr. Jackson, we are at a loss at your attitude."

My response: "Gentlemen, I've come out of the ether." The line went dead on the other end.

I am reminded of the words of Etienne-de-la-Botie: "It is incredible how, as soon as a people become subject, it promptly falls into such complete forgetfulness of its freedom that it can hardly be roused to the point of regaining it; obeying so easily and willingly, that one is led to say that this people has not so much lost its liberty as won its enslavement."

President Bill Clinton, as Governor of Arkansas, made a trip to Italy and promptly returned to his home state and installed 70-some-odd youth cooperatives patterned after the ones in Italy, sponsored by and maintained by the Italian Communist Party. As President, Clinton put into the number-two position at Justice, Strobe Talbott, an old college buddy and fellow leftist and draft-dodger, who is an expert on Lenin. Number

three at Justice is Ms. "Butch" Acheson, who likes women, like so many other women Clinton has appointed, and she is a student of Hegel and Lenin. His appointment of Robert Reich to his cabinet has proven that Mr. Secretary Reich believes more in his ancestry to Germany than he does to this country as he has done nothing but praise a country that is only known to believe they are the master race and he has openly propagated the Fourth Reich.

My only conclusion is, the American public has been screwed again—and the only difference being Mr. Clinton is a leftist. I must congratulate the CFR and the Tri-lats. I underestimated them, but this is the last time. I am currently making up their respective eulogies, I do so solemnly swear.

Journey Path Is Often Bumpy

DIFFERENCES

As we sit to write this morning, let me first take time to say some things which will be confounding and disconcerting to many of you readers. However, as you ponder upon the REALITY of existence and the things which must be accomplished, you will, hopefully, find insight into the various facets of necessary sequence.

Yesterday I broached the subject of various brother-tribes. I purposely left out those who are just "experiencing" and "observing" because we have neither the time nor space at this point to go into those details at this time.

However, as you are coming into a whirlpool of information and ones are beginning to experience truth in pathway (and most of you who "think" this is happening to you—it is NOT!), we must begin to merge activities. I will NOT give forth information "before its time" but our people need insight as well as the readers who simply dig for the sensationalism, mystic perceptions and/or guidelines. Our thrust in action will always be a shifting off to the HUMAN expression who KNOWS—and I DO NOT speak of spiritual advancement for I find almost no truthbringers scattered about. Almost all those that I experience and observe have tainted their teachings with that which they, as humans, find expeditious and suitable AS HANDED DOWN THROUGH GENERATIONS—AND IS ALMOST ALL INCORRECT.

Our journey today is to open the roadways to Truth in experience through the gifted leaders being awakened to their role. YOU will not agree with almost all of the ones CHOSEN as, in some manner or another, you will find it against teachings you perceived were of God and Creator's blessings. Remember, as I have told you before, YOU HAVE NO IDEA OF THE REALITY OF GOD, ALIEN SPACE BROTHERS OR, IN FACT, YOUR OWN PROJECTION INTO THIS "PLAY".

I, for instance, can give you in detail the difference in my Command and that which is generally recognized as "Ashtar's" Command. Why is there difference? Why are there different races and species on your planet? "Ashtar", itself, in terminology, is "a Command", not a cute little space being. There IS a Commander and for identification this Commander is recognized by simply, "Ashtar". I have almost NOTHING to do with THAT Command. It is a tremendously large BRAIN, as in computer system. Your closest thing to this system would be recognized as your computer system called "the Beast". Is Ashtar a Beast? Well, I guess, sometimes—but that is beside the point. His purpose is to tag every living being and would, at a time of necessary evacuation, have every living thing "wire tapped" for expeditious removal or "rejection". St. Peter? Perhaps. I suggest you STOP your silly efforting to find secret mysticism in everything. Example? JerUSAlem! This is pure balderdash and a game of distraction. What's in a name? Anything you

want to choose to be in a name.

What we are about these days is early awakening to understanding that in some of these "Committees", even the perceived "Dark" councils—sit what you call extraterrestrials. I assure you that on at least one very, very important Council—sit at least two alien brothers who were present among your "Founding Fathers". Ah, indeed, they are old—but when you are not concerned about "AGE", the expeditious takes precedence over the observed generality.

So, who am I? I am that which represents the Hosts—or the "Wayshowers" of Lighted Grace and expression of goodly portent, intent and perfection in those intentions. This DOES NOT MEAN that the majority of the "visitors" are even goodly sports—most are NOT. Therefore, "a couple of goodly actions and all will be fine and dandy", is NOT GOING TO HAPPEN! You will, however, be given "the method (way) to transfer the basic structure into one of honor, integrity and equality of acceptance" as you move through the passages and activities. God always provides THE WAY if man will but choose that particular passage. Man has never shown any desire to achieve such perfection, so mostly the exercises become more Earth-binding experiences instead of learning Truth into KNOWING soul perfection.

Do "I" have the most "clout"? YES—but I and mine are not interferers or interventionists. We are here to see to our mission: bringing the WORD, the TRUTH and the LIGHT. In other words, the actions of physical plane will be as "man" allows or structures it to be. We will build places for remnant (ours) passage and lay a foundation of example and production and service while making available the transportation to necessary security of OUR people. Anyone who wishes to BECOME one of OUR people is certainly welcome to join us, and you aren't going to be able to tell by skin color, size, breed, or anything, who those are. You had best go look into the mirror and then consider your own ACTIONS and you can discern, pretty well, if you are honest. Pretending will not "cut it" longer, good buddies, for it will be your soul intent that brings the final sorting, placement and JUDGMENT of self as projected. It is from WITHIN that the KNOWING of status is recognized—no matter where you are, who you are, or your purpose here. If the response to the "image" is more excuses, a new tale of lies to fool mankind—so be it. If you REALLY believe the lies, you had better take a really good hard look at self—because simple brain function knows when you lie and when you speak truly. "I" don't care which you are or do—except as to how it affects MY PEOPLE. YOU are certainly most welcome to DENY me or my existence. It is not my business as to what you think about me. More important: WHAT MIGHT I THINK ABOUT YOU? So, to answer that one—basically, I don't think about you at all if you deny me. Further, if you DENY me before God and Men, I MOST CERTAINLY SHALL DENY YOU BEFORE GOD. Moreover, I shall allow the adversary to do that which he will—with you. This is usually a

rather dastardly and mean evolvment of physically negative responses.

When we find ones who involve themselves deliberately and detrimentally within or against my mission or my people, I turn them over to those entities who function in such capacity of game-keeper or warden. What happens with those entities is, again, not my business. Your church doctrines and teachers thereof have so lied to you from their own ignorance as to be amusing if it were not so incredibly dastardly. NO, I do not expect a BIG lift-off or a "RAPTURE" of any sort in transition into GLORY! I do expect a lot of physical deaths and ascension as recognized by "soul's" infinite ability to continue. There are a lot of souls already departed through migration—both good and bad. You are populated by millions of soulless beings experiencing a physical expression.

As to "Prophecies", I would say that there are as many possible "endings" to YOUR PLAY as there are ones of you. However, the reason you can count on "prophecies" as written (no matter how they are written) to be fulfilled is because the writers of the play are already in control—subject to possibilities of "free-will mankind" changing his mind. There will not, however, be a mass turn-about of ALL mankind prior to depopulation of the planet and clearance of the numbers of inbred "animal" life. How do you note "animal" vs. souled man? Sometimes you obviously can't. However, you can look into that which breaks ALL laws of God and Creation and discern pretty well who you would want to travel in your adjacent seat on the plane. If he advocates illicit, illegal and horrendous behavior while spreading deadly disease with every breath—you would not desire his presence as your mate, now, would you? Spouting "unconditional love" will NOT CUT THE MUSTARD, my good friends. 'nat very spouting becomes the biggest lie of all and dirties the name and the terms: goodness, love and Godliness. GOD IS LOADED WITH CONDITIONS, AND SELECTION AND DISCIPLINE ARE ULTIMATELY HIS!

I always am both amused and astounded that you would think that I, as Commander of a mission, would be a sleazy wimp of some kind. What makes ye think these stupid thoughts? Ah, I thought so—those nice teachers who drain you of your assets while pointing at another, and lead you through the tin rings through thine noses. Tin? Yes, for THEY TAKE THE GOLD and let you blame OTHERS that ye have but sharp-edged tin bindings.

But you disagree? Why? How? WHO CARES? If you want naught to do with me or mine—go thine way! Where did you COME BY YOUR PERCEPTIONS? ARE THEY REALLY BUILT ON TRUTH IN FOUNDATION? Oh, you have read a thing or two that I have spoken? You have even sat in on a meeting or two? And, you didn't like the discipline and unattachment of myself and my program? I do not have a "church" or "group", "commune" or "mystical game-playing bunch of acceptors at all idiotic costs!" I HAVE A MISSION! I WILL FULFILL MY MISSION AS WILL MY TEAM! What good does it do to go into groupies and deny, taunt, assault and babble about those who choose to work in God's vineyards? What gains you in this endeavor?

I am interested in Leon's notation that he "still shares things from the CONTACT which seem suitable...." So? Good, but am I supposed to be pleased, humble, touched, irritated or??? I do not note the name on the subscription listing! Further, when the next thing you speak is that "the wildlife at Ekkers' eat better than some of the people..." Unconditional love? You came, Leon, enjoyed and WERE PAID for whatever work you did around the home that USED TO BE EKKERS

Good grief, you people, the Phoenix Church of Christ is domiciled in Phoenix, Arizona—it is not something belonging to Ekkers!! How dare you ones speak in such total ignorance and lies?!? as you project around the nation. Do you expect ME to have no anger, no loss of patience? Forget it, good brothers, not only do I respond—in anger, but I am to that very point at this very moment and when the sword of Truth falls upon the necks of the liars and cheats—it will be an interesting thing. I DO NOT PROTECT THOSE WHO DENY ME! Creator can do that which He will—NOT ME!

Men are given their opportunity to serve and change. Never is it too late in hours, to change. But few change toward God—only further away from HIM. I NEITHER FORCED NOR COERCED ANY MAN, WOMAN OR CHILD TO COME TO MY PROXIMITY OR ASKED THEM TO SERVE IN ANY WAY PAST THAT WHICH THEY OFFERED AND VOLUNTEERED. NOW YOU ANGER BECAUSE YOUR VOLUNTEERING IS NOT SUITABLE TO YOU OR ANOTHER CLAIMS YOUR SERVICE TO BESOMEHOW "MENIAL". BETTER MENIAL THAN NOT AT ALL. PONDER IT.

[TRANSCRIPTION OF TELEPHONE CONVERSATION: May 16, 1994, from Gary Wean.]

[Call to Rick:] I want to get this to you now because something is going to happen on it so will you please record it to cover until I can get the documents to you?

REGARDING PG&E DIABLO CANYON

In the early '60s the owner was a "family", the Marre family, Louis, Casper, Angela and, I believe, Luigi. The latter is the one who made the original \$6-million-deal and ran it up to \$12 million. UnoCal, Arco, AT&T and Pacific Telesis all have guarded pipelines and communication lines running through Diablo. As regards Ronn Jackson's date of "Sept. 29, 1963" in Grover City and connected material—in the last few weeks there HAVE BEEN A SERIES OF MURDERS CONNECTED TO DIABLO. One is Rigby Maloney, 39-years, two shotgun blasts to the head. The connection is that he worked for contractors at Diablo and was also involved IN DRUGS. Ricky Kahn, about 40-years, allegedly killed Maloney and he was in turn shot and killed several days later by deputy sheriffs. He worked for contractors at Diablo as well and was also involved in drugs. Another person who was killed in the area, also by shotgun blasts (name unknown at this time), also worked for Diablo contractors and he too was also involved in drugs.

[Editor's note: Upon hearing the above, a certain very knowledgeable "little birdie" whispered into the winds that if you think Clinton's Mena, Arkansas airport is dirty with the "dust" and dealers of the drug business, try putting a spotlight on the White Plains, New York airport.

Apparently the REALLY BIG shipments of cocaine for The Committee's business

come into the White Plains airport from France, which, of course, does the refining and other processing of the product from elsewhere, such as Asian growing fields.]

Now, several years ago a young woman was killed in Santa Barbara. She worked for SeaWorld and was a marine biologist. She discovered many sea animals mysteriously dying and also shellfish were dying and turning black, in the Diablo area. She was bringing this information public when she was mysteriously shot and killed. At this present time there are numerous dolphins and whales washing up on the beach, dead. Investigators can't find any cause for it.

Diablo was built by Bechtel Corporation involving CASPAR WEINBERGER. Now, there is another connection with another nuclear power plant called Palo Verde Nuclear Plant in Arizona. It was also built by Bechtel Corporation and CASPAR WEINBERGER. This involves Senators Alan Cranston and Dennis DeConcini and Judge Leon Savitch. Also the Carlsberg Corporation of which Cranston was a Director. You can refer to the index in my book [THERE'S A FISH IN THE COURTHOUSE]. This also involved Judge Berenson, Ben Nordman, Carl Ward. Carl Ward was the lawyer who was involved in the JFK murder and a man by the name of Wayne Reeder. This was mentioned in, I believe, Stich's documents. They were involved in Savings and Loans and billions of dollars in bond sales. OK, all the bond records for the Ventura Public Utilities Corporation and the Southern California Power Corporation (Edison), which were set up by the same people who were, as well, building the Palo Verde plant, were kept in the First Interstate Bank Building in Los Angeles. It is a high-rise office building which was torched and all the records burned and a man was killed. The Security Agency was Pedes Security—WHICH IS OPERATED BY CASPAR WEINBERGER!

I took all this information to a Los Angeles Deputy D.A. and we sat for some two-to-three hours, with another associate of mine, and we recorded this meeting and any and all evidence given. Ira Reiner was the District Attorney in Los Angeles at the time and was tied up with Judge Savitch and all of those people—and killed the investigation.

[Rick inquired about when all this occurred.] Response: Over several years—going back to 1976 when Don Boles was investigating, supposedly, the Southern California Palo Verde Nuclear plant and also the corruption at Cabazon [Indian Reservation of Inlaw fame] at the same time. At the same time there was another Indian Reservation in Arizona which had a lawsuit against Palo Verde Nuclear Plant, the construction of it, when Boles was blown up in Phoenix. This was in 1976 when I was trying to stop the Ventura County Public Utilities Corporation with lawsuits. Two days later, after the Arizona incident, "they" tried to kill me in my driveway. This was involving all the SAME PEOPLE. A lawyer in Phoenix was at the scene of Boles' murder, and was in fact the one who set-up the death. This lawyer was connected with Judge Berenson, Nordman and Savitch in Los Angeles.

Now, Jessica Savitch and her boyfriend were also killed as a result of all of these things. Pedes Security has strong connections to Wackenhut.

Getting back to Diablo: the Fisher Scientific Chemical Division, Fair Lawn, New Jersey, 07410 and a phone number (201) 796-

7100, had been shipping to UnoCal at Diablo, (UnoCal is right in conjunction with Diablo at Diablo), a chemical called Unisulf-Solution. As near as can be determined at present, PG&E is, in conjunction with Arco, involved in something a lot bigger than I at first thought. I am not a chemist but I believe they are involved in formulating chemicals, the ingredients of which are used for the "thermo-nuclear satchel bomb". This involves Lithium. And, in the processing of all this they are discharging these things out into the ocean which is in turn causing death to these sea animals. This is the only possible thing accounting for these deaths.

SATCHEL BOMBS

These are the latest things in "bombs". They kill personnel and yet do not destroy buildings. Israel is deeply involved in the development of all types of these things and is deploying them around the world. One of these days a nut is going to set one of these off and it will start a chain reaction of one side against the other and we'll all be right in the middle.

(At this point Rick inquired as to whether or not the paper might print this material because of the involvement of Caspar Weinberger and Commander's above subject regarding C.W. Permission was granted, with even more information....)

Well, let me throw this at you, then. This will just come off the top of my brain but know that he is involved in the whole thing.

Caspar Weinberger and, as nearly as I can discern, George Bush, were involved in the murder of Vickie Morgan. There were defense secrets involved in the whole thing and they were terrified that it was going to come out. This was the real reason that Bush had to pardon Weinberger: because if Weinberger was going to go down he was going to pull down everyone else with him.

DARYL GATES

This is going to tie right in with the Rodney King trial going on right now in Los Angeles. They have dismissed Daryl Gates from this lawsuit, even though it had been intended to take him for millions and millions of dollars. The reason they dismissed him was because HE HAS COPIES OF ALL THE VIDEO AND AUDIO TAPES THAT VICKIE MORGAN AND HER BOYFRIEND TOOK OF ALL THE GUYS AND THE SADO-MASOCHISTIC BLOOMINGDALE. At the particular place and incident in point—Alfred Bloomingdale was present and Vickie Morgan was his girlfriend. He used to put on these huge multi-sex (of every kind) parties. He promised Vickie thousands of dollars for the rest of her life. But—he ticked her off and when he died she lost all this. But, she had taken pictures of all the goings-on. Now, CASPAR WEINBERGER, Bloomingdale and, we believe, George Bush, and a couple of more right from Washington D.C. who were involved in defense projects, were involved in these pictures.

Now, Daryl Gates, for his own protection (similar to J. Edgar Hoover's blackmail files), has so much "stuff" on politicians that when they start giving him a bad time, boom, he drops it on them and it's all over. Daryl Gates is now involved with a fellow who was head of the ACLU, Stanley Scheinbaum. Stanley Scheinbaum is totally involved with CASPAR

WEINBERGER and Scheinbaum now runs the POLICE COMMISSION WHICH CONTROLS THE ENTIRE L.A. POLICE DEPARTMENT. It just goes on and on, but if Commander is interested in Caspar Weinberger right now—this is one of the things which has been getting a lot of people killed, right now.

DRUG INVOLVEMENT?

I don't really have any information about Weinberger's involvement in drugs in Washington, etc., but it does not surprise me.

Drugs enter heavily into the Diablo Canyon nuclear power plant thing. You see, this Diablo Canyon is a really weird set-up. They have an entire area out into the ocean where they are allowed to discharge stuff (or do so anyway) and the area is marked off and no one is allowed within the area. If a boat approaches the area uninvited they are met by machine-gun armed security agents—also in boats. There is a secret dock undetectable from any vantage point on shore. The dock is placed, however, so that boats can come in and off-load.

Arco, that's Atlantic Richfield, has facilities there and so too does UnoCal. Pacific Telesis and AT&T are also all mixed up in the operations there at Diablo. All these outfits, and this goes back to our old buddy, WILLIAM P. CLARK, who is tied up 100% with Caspar Weinberger. It can very well be that William P. Clark was also at Vickie Morgan's at the same time as these other "big-boys".

Let us consider just a few of the ones involved, who were actually killed for involvement in this. Jessica Savitch (a TV announcer you should all remember) and in some manner she was directly related to Judge Leon Savitch. Judge Leon Savitch DISMISSED a lawsuit that the citizens had filed to stop this \$4 BILLION bond deal. Remember that "bonds" run very heavily through these entire operations. If you'll check with your Securities Exchange on Wall Street you can see what is happening to bonds on the market right at the present moment. They are being sabotaged and maneuvered and the same thing is typical of the old billions and billions of dollars of bonds involved in other projects such as the Washington Power Plant. You see, they make their money on bonds in these big constructions and then they are "gone". Well, the Washington Power Plant was one of the biggest failures ever—something like 4 or 5 billion dollars were lost and on which the American taxpayers are still paying. THIS ALL INVOLVES THE SAME OLD GROUP OF PARTICIPANTS!

How do I know about these killings? I have been involved for years and years in investigations into these things. I know Judges involved; Steven Stone, who is also known as "Litsberg". Now, all of them have control of those three counties of which I have written. But it is far more than just that because their control goes so widely spread—as in the case of Caspar Weinberger. One of the people who is ABOVE Caspar Weinberger is HARRY PREGERSON. Harry Pregerson has INTERNATIONAL CONNECTIONS. He goes all the way back to Mickey Cohen and I suggest you just go look it up in my book where I go into all of this information. It goes right to Menachem Begin.

This Fisher Corporation back in New Jersey bears a lot of checking-on to find out how they are involved with all this because this Unisulf that they are furnishing to UnoCal is

at point here because when it is mixed with other things it becomes a serious product. I believe that it is Lithium which is used, even though I repeat that I am not a chemist. A lot of people theorize that it uses Plutonium and that the Russian thing about dismembering all the weapons, etc., is actually to get product far advanced of that which has been used to date. Plutonium, in fact, is all but obsolete in usage. The latest nuclear weapons are far more sophisticated. When a weapon the size of a grapefruit or baseball can wipe out ten city blocks—you have something pretty awesome. It wipes out the people but doesn't destroy the buildings—but when mixed with other substances and detonated it CAN selectively bring down buildings as in the case of the Trade Center blast. Rick, this is pretty technical stuff we are talking about here. [Editor's note: The basic type of device being talked about here—where people, but NOT buildings, are destroyed—suggests some kind of a neutron bomb. Now, mix neutron bomb activity with some more "explosive" physics and you can get the type of multi-purpose capability that Gary is describing above. Ever wonder what the people who work on this kind of stuff would be doing if not that? So much for a commentary on the "best and brightest" of "Higher" Education.]

I'll check in in a couple of days to see if there are any questions but otherwise I will be staying pretty much out of sight.

Good luck to you guys and stick with God. See you later!

[END OF TRANSCRIPTION]

Readers, we have so much to pass on to you that I will have to back off as to possibility of getting everything into this edition of the paper. For instance, I have information concerning Satanic involvement of THESE SAME ENTITIES and, yet, I want to allow space for such as the "photon zone" also. Please bear with us as our tiny crew works around the clock to get this information to you as it unfolds. I warned you readers it would be interesting—yet I believe you didn't realize, EVER, just HOW interesting?? Armed helicopters should give indication—but remember—I have some pretty big "guns" also!

The fact that Washington high-rollers are meeting in RENO, Nevada and have had so many hundreds of calls into the Federal offices of the court system there—about Ronn Jackson—that they refuse to EVEN ACKNOWLEDGE A PERSONAGE KNOWN AS

JACKSON—TELLS A GREAT DEAL OF THE STORY. Keep up the good work, readers, PLEASE! And, for protection of our little team, if you as a citizen get through—or have information, please contact CONTACT because publicity is your security blanket and our little team has a giant unified stomach full of nervous butterflies! The pieces are now coming together and, just as it SHOULD BE—no one person has all the pieces but the ones gathering NOW will, together, have it. Stand with your brother because it is the standing together in total unbending Truth—that will give you strength.

GUNTHER RUSSBACHER

It seems that some kind of hearing or trial is set for Gunther in Austria on the morrow (17th). The interesting thing in this scenario, however, is that they don't seem to have anyone publicly acknowledged by the label of Gunther Russbacher. Well, in this instance I think it is "good news" that the "name" is somehow different.

The Navy of the U.S. has also denied any knowledge of anyone by any of Gunther's prior names as being alive or EVER associated with them. This is THE WAY "sheepdipping" works, good buddies. Let it move its way in security—but keep writing, readers, you have sent hundreds of cards and letters and "they" don't know what in the dickens to do with them as, obviously, such an outpouring CAN NOT BE BURIED! THIS is example of THE POWER OF THE PEN IN TRUTH. These daring Truth-bringers can press forward as long AS YOU STAND BEHIND AND BESIDE THEM IN THIS MANNER—AND SO TOO CAN YOU RECLAIM YOUR NATION.

But, will the old/new revolved Constitutional structure be immediate? No, because there is a great power behind the pulling down of the current players as being brought into your attention as herein offered. I remind you that there is YET THE CLASH OF THE TITANS! Can you survive? Yes, but, "WILL you survive?" may well be the more important question! Salu.

SPELT

Spelt is the most ancient and very best grain. *Spelt* (*Triticum Spelta*) is a grain of its own unique being. It is the best fiber resource, and has large amounts of B-17 (anti-carcinoma). It is the grain GOD gave to the planet as "manna" when humans were placed upon it.

Spelt was brought from the Middle East more than 9,000 years ago; it is a well tested product. It has since spread over the European Continent. Very recently, *Spelt* has enjoyed renewed popularity in Europe as a result of translations of mystical writings of the 12th century healer, St. Hildegard of Bingen, who praised *Spelt* as the grain best tolerated by the body. The *Old Testament* mentions *Spelt* in *Exodus 9:31, 32* and *Ezekiel 4:9*.

Today it is used in the West in much the same way as wheat; one main distinction is that the people with allergies to wheat frequently do not react to *Spelt*. Although *Spelt* contains gluten, those with gluten sensitivity, even celiacs, can usually tolerate it. In addition, *Spelt* is appreciated as much for its hearty nut-like flavor as for its healing qualities.

The grain berry grows an exceptionally thick husk that protects it from pollutants and insects. It is stored with its husk intact, so it remains fresher. Thus, unlike other grains, it is not normally treated with pesticides or other chemicals. The strong, protective husk may also be a metaphorical signature of this grain's capacity to strengthen immunity. *Spelt* contains special carbohydrates (Mucopolysaccharides) which are an important factor in blood clotting and stimulating the body's immune system.

Spelt is richly endowed with nutrients. In general, it is higher in protein, fat and fiber than most varieties of wheat. An important feature is its highly water-soluble fiber, which dissolves easily and allows for efficient nutrient assimilation by the body. *Spelt* also contains essential amino acids which, when combined with the protein in *Spelt*, constitute a source for human plasma. To use *Spelt* in baked goods, cereals and other dishes calling for wheat or other grains, substitute it one for one. You will likely always have to add gluten (from wheat) to provide satisfactory yeast activity.

At a major clinic in Konstanz, Germany, *Spelt* has been used as an adjunct in the treatment of many disorders, especially chronic digestive problems of all kinds, chronic infections (herpes, AIDS), nerve and bone disorders (Parkinson's disease, Alzheimer's disease, arthritis), cancer and antibiotic side effects.

GAIA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against

cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, AquaGaia is also a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

AquaGaia contains mitochondria. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of AquaGaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

GAIA

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

AquaGaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—fur-

ther, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondriana (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and AquaGaia, together for storage as the AquaGaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the AquaGaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

GaiaLyte

GaiaLyte is brought forth from Kargasok Tea. This IS the basic component of MO-GU tea as we have used the tea by that name. The

GaiaLyte is a fully integrated electrolytic liquid. The "drink" is a "concentrate" (3 to 1 minimum—as much to one as you like maximum). It contains EVERYTHING supplemental to Gaiandriana—INCLUDING A GROWING-PROGRAMMING BASE OF GAIANDRIANA AND BASIC DRIANAS. It also contains enough Carbragaia to equal a full schedule of what is being used in Mexico—(shark-fin cartilage). If you are using MO-GU—keep on—it can only enhance your full-rounded intake—but it WILL NOT be the same. However, the "new" drink will supply all you need without it. This is NOT A MEDICAL PROGRAM OF ANY KIND. We are not physicians as in Medical Doctor; we are not anything—except hopefully, sharers of information.

The GaiaLyte has a full spectrum of vitamins, minerals, Ginkgo, Echinacea, Chlorella, Oxygenators, Aloe Vera—everything necessary to "program" the cells in the tea membrane AND the Gaiandriana included. This does not replace the Gaiandriana used otherwise. This is a PERFECT medium to enhance the ability of the Gaiandriana you already take to enhance itself—reinforcement fuel, if you will.

You can dilute the concentrate with water AND/or anything you like. May we recommend apple juice and/or Cranberry. The apple juice is to flush out the gallbladder and the cranberry juice flushes out the bladder (urine). You may use as much as you like of either OR both and we would hope you would do so on a continuing basis because of the value of these two products and their focus of use.

We believe you will find it a very tasty beverage but we ask that no matter how "good", just keep to the "program" amounts or you may find yourself a bit "woozy" immediately after intake. This is due more to the Aloe Vera present than the tea itself—but as you know, even the MO-GU tea can make you quite light-headed. There is no alcohol in the beverage although you may very well think so as the body rushes to uptake the fuel supply. This is not a medical-chemical concoction so you could take the entire bottle without damage or hazard—but you might well not feel so great for a bit afterward and it is totally UNNECESSARY for any expected positive response.

This is not like taking an antibiotic with flu or sore-throat. This is a well-body systemic enhancement. It sometimes, as with other persons' elixir—takes weeks or months to feel any difference. ONCE balanced, however, you will note that at onset of infection, cold, etc., if you take around

six ounces of Gaiandriana and double up on the GaiaLyte—you will probably note positive response in about an hour. Remember—you are activating the enhanced immune system and it takes a while to accomplish this task.

ALOE JUICE (Whole Leaf, Cold Pressed Aloe Vera Concentrate)

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Juice is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadensis* Miller Aloe Vera plant. Aloe Juice guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulants, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, argi-

nine, aspartic acid, threonine, serine, glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

ECHINACEA GOLD PLUS (with American Ginseng)

In recent years few medicinal plants have garnered as much attention as Echinacea (*Echinacea Purpurea* and *Echinacea Angustifolia*).

Echinacea is a non-specific stimulant to the immune system. Claims for Echinacea include: stimulation of leukocytes, mild antibiotic activity, anti-inflammatory activity, stimulation of the adrenal cortex, stimulation of the properdin-complement system, interferon-like activity, stimulation of general cellular immunity, and antiviral activity. Internal preparations are said to assist in alleviating cold and flu symptoms, respiratory infections, and arthritis, to name a few.

Goldenseal (*Hydrastis Canadensis*) is among the most popular herbs in the American health food market. Uses are numerous, including but not limited to: antiseptic, hemostatic, diuretic, laxative, and tonic/anti-inflammatory for the mucous membranes, hemorrhoids, nasal congestion, mouth and gum sores and eye afflictions.

Few medicinal plants in the world possess Ginseng's near-legendary status. Dating back thousands of years, its history of use in the Orient records therapeutic properties so wide ranging that it was first dismissed by Western doctors as a "panacea". When fatigued, Ginseng reportedly restores both physical and mental functions to peak efficiency and, with regular use, improves resistance to disease and stress. American Ginseng's genus name is *Panax Quinquefolius*.

Over 40,000 species of mushrooms exist, many of which are used as medicines. Of particular note are such remedies as penicillin- and ergot-based extracts used in migraine treatment, to name a few. Extensive research has been done with one mushroom in particular, namely, Reishi. This mushroom is now considered a tried and true immune system fortifier.
