Clinton Termination? Nasty Plan Backfires In High-Stakes Chess Game

7/31/94 #1 HATONN

RONN JACKSON?

FROM CHUCK AND MARY IN
NORTH CAROLINA—
LIGHT BRIDGES

Yesterday a letter was faxed to a lot of people, apparently. Chuck and Mary give their return number as FAX 1-704-898-4211. It showed up on my doorstep very late last night so we will address it "first" this morning.

SANCTIONS AND C.O.U.P.E.S.
SPECIFICALLY THE CLINTONS

I do not presume to answer questions FOR Mr. Jackson or anyone else—nor do I agree with many things from a lot of people with whom we share and work. Some of you have turned Mr. Jackson into some kind of an encyclopaedic guru and others simply want confirmation and information. This is what we are here for, readers, but not to specifically attend everyone's

FEDERAL TRACKING

In an article from the July 13 edition of *THE ORLANDO SENTINEL*, [quoting:]

Federal investigators have unraveled lucrative schemes to illegally convert food stamps into cash in Maryland, the only state that uses electronic banking technology to deliver welfare benefits.

The Clinton Administration, seeking to reduce welfare fraud and abuse, wants to expand the paper-free electronic benefits transfer, or EBT, to recipients nationwide by the end of the decade.

But federal court records from four laundering cases in Maryland suggest the switch from paper food stamps to an electronic card has not deterred some recipients from selling their benefits to unscrupulous retailers for cash.

However, EBT may make it easier to catch the cheats.

Food stamp recipients in Maryland are given an electronic card and their benefits are automatically credited to their account at the first of the month.

To buy groceries, they present the *Independence Card* to an authorized retailer, who runs it through a tracking device that records the card number, date, time and amount. The recipient enters a personal identification number to complete the transaction.

Federal investigators and prosecutors say the EBT system provides a complete audit trail of all transactions, allowing them to better identify trafficking patterns and food stamp recipients who sell their benefits.

CORPORATE RESTRUCTURING

In an article from Southern California's *DAILY NEWS*, dated July 26 and written by David Dishneau, CHICAGO—[quoting:]

Paper pushers, beware. The rush to re-engineer Big Business is putting corporate bureaucrats on the firing line.

Lawyers, accountants, data technicians and other number crunchers are the latest layoff targets as big companies reduce their management staffs to become more responsive to customers.

The largely white-collar computer and telecommunications industries have announced at least 78,000 layoffs this year, and other industries are following.

At Amoco Corp., which announced 4,500 mostly white-collar layoffs last week—the petroleum company's second major round of cuts since mid-1992—Chairman H. Laurance Fuller said too many people were "tossing pieces of paper back and forth and not having a whole lot of impact on the business."

Such seemingly straight talk from a corporate chieftain is rare. Not since former IBM Chairman John F. Akers decreed in 1991 there were "too many people standing around the water cooler waiting to be told what to do" had the public heard a prominent executive decry

employee deadwood and lard. IBM has since slashed nearly 50,000 jobs or nearly 16 percent of its payroll.

Still, such sweeping statements from the boss are oversimplifications, say many management consultants and strategists. In their view, businesses should do less chopping and more selective weeding.

Other big layoffs announced this year came from Digital Equipment Corp., GTE Corp., Pacific Bell, Nynex and AT&T.

SCANNERS

In an article from the July edition of the *READER'S DIGEST*, written by Lars-Erik Nelson for *NEWSDAY*, [quoting:]

The technology needed to detect guns invisibly is coming, an outgrowth of research done for U.S. Navy nuclear submarines. Raytheon Company's sonar division is working on a civilian device that could be used in schools, banks and convenience stores, or even by officers on the street.

"You could build the detectors into the walls," says a source with knowledge of the project. "You could walk by people while carrying a detector in your suitcase. You could drive by in a van. It would be totally nonobtrusive. People wouldn't even know they were being scanned."

The technological frisk is not the only high-tech crime-fighter in the works. Alliant Techsystems of Minnesota, which also does sonar work for the Navy, has a project to place microphones on city telephone poles. At the sound of a gunshot, computers would triangulate the exact location and radio it to police. No need to wait for a witness to dial 911. Police could be on the scene before perpetrators flee or before victims bleed to death.

David Boyd of the National Institute of Justice reports promising work on a "safe gun". With miniaturized recognition technology it could be fired only by its legal owner. Over the past 20 years, about one-fifth of police officers murdered by a firearm were shot with their own weapons or guns taken from fellow officers.

NEW SQUAD ON CAMPUS

In an article from the July 27 edition of *THE CHRONICLE OF HIGHER EDUCATION*, BERKELEY, CA—[quoting:]

The University of California here has formed a new tactical police squad to handle the kind of major emergencies that have rocked Berkeley and other urban campuses in recent years.

The creation of the High Risk Entry Team was prompted by two incidents. In 1990, a student was killed when a gunman held 33 people hostage in a campus-area bar. In 1992, a community activist armed with a machete broke into the home of Chang Lin-Tien, Berkeley's chancellor, and was killed by police.

The team is part of the university police department's Special Response Unit and has been training at the Lawrence Berkeley Labo-

ratory and other campus locations.

VOODOO

In a bizarre article from the July 10 edition of *THE SUNDAY EXAMINER AND CHRONICLE*, written by David Osborne, ARCADIA, Louisiana—[quoting:]

The three sisters were on I-20, just east of Dallas, in the early hours when it happened. Myra Crawford, who was driving, started to act strangely, trying to veer the car into oncoming traffic and off the sides of bridges.

Then the steering wheel squirmed into life and started to pummel her, before mutating into a monstrous demon. The apparition sprang from the dashboard, mounted the crazed Crawford and began its possession of her. It was exactly as the women had feared. The previous evening—March 17, St. Patrick's Day—they had fled from their hometown of Arcadia in northwestern Louisiana, convinced that an evil spirit was pursuing them.

Most of what is known of their journey—including a decision, halfway, to abandon their terrified children with strangers—has been told by the women to lawyers, friends and the police.

But only one thing was recorded for certain: Myra Crawford's admission, just after dawn, to a suburban Dallas hospital. Both her eyes were missing.

Four months later, the events of that night still haunt Arcadia, a remote town with a population of 3,000, otherwise famous only as the place where Bonnie and Clyde were gunned down. The Crawford sisters—Myra, 30, who will be blind for life, Doretha, 34, and Beverly, 35—have retreated to a shuttered brick house on Evangeline Drive, a scrubby cul-de-sac on the black side of the railway tracks.

Neighbors, slumped in the boiling summer air on their porches, hesitate to talk of the affair. Some even run away, afraid, because this is hoodoo business.

But the secretive world of hoodoo—a rural variant of the voodoo religion practiced in Haiti and even New Orleans—may soon be laid open for all to see if, as expected, authorities in Dallas decide this week to pursue charges of criminal blinding against Doretha and Beverly.

The accused pair's lawyer, Lela Washington, confirmed that if prosecuted her clients would plead not guilty. Crucial to the defense would be the argument that all three women were victims of an evil hoodoo hex and the blinding was the work of the demon, or indeed of Satan himself.

What set the sisters on their course originally was a visit by Beverly Crawford to a local hoodoo doctor called Benny in the hope of finding a cure for recurring headaches. She was told that she was suffering because she was under assault by demons who were trying to possess her. The revelation terrified the women, and soon afterward their father, Chester, recommended that they flee and find sanctuary with another sister in Dallas.

But their journey was hellish from the beginning.

When they checked into a motel in Tyler on the other side of the state line in Texas, their five children started to see things. It was then that the women ordered everyone back in the car, found a house with a cross in front of it and left the children at the door.

As they were getting close to Dallas the possession of Myra Crawford occurred. Beverly

Crawford and Doretha Crawford apparently beat the car into submission and managed also to calm their sister.

The three then hitched a ride closer into Dallas in a truck, and were directed to a house that also served as an ad hoc church. It is in this place, the home of one Maddy Bradfield, that Myra Crawford apparently, through whatever means, lost her sight for good.

It is a sequence that rings entirely true to David Otto, a professor of religion at Centenary College in Shreveport. He notes that in voodoo teaching, when a person becomes possessed by a spirit, he or she becomes the spirit's horse.

"In hoodoo lore, the spirit is riding on your shoulders, and to rid the person of that spirit, you either [don't try this] cut the head off, which was not appropriate in this case, or you gouge their eyes out.

"You won't be a good horse any more because you can't see, and so the spirit leaves. If you believed in hoodoo, eye-gouging would have been the appropriate response to possession."

Otto is hesitant to answer the obvious question: Almost two centuries after the introduction from West Africa and Haiti of voodoo and hoodoo to the Southern United States, how widespread are these practices today? But he does venture that in rural corners such as Arcadia, reliance on hoodoo spiritualists, as a backup to the Christian religion and medical doctors, is likely still to be common.

RENO'S ASYLUM

In a column written by Lars-Erik Nelson, from the July 10 edition of *THE DENVER POST*, [quoting:]

While Coast Guard cutters were stopping boatloads of desperate Haitians on the high seas, Attorney General Janet Reno set a new basis for claiming refuge in the U.S.: homosexuality.

In a directive to the U.S. Board of Immigration Appeals, Reno wrote that "an individual who has been identified as homosexual and persecuted by his or her government for that reason alone may be eligible for relief under the refugee laws on the basis of persecution because of membership in a social group."

We have long granted political and religious asylum to oppressed peoples from around the world. There is even a precedent for sex-oriented asylum. Under the George Bush Administration, we had kind of heterosexual asylum: Chinese were granted refuge on grounds they opposed forced abortions. They only had to say they feared persecution for wanting more than one child.

Many homosexuals can demonstrate a more credible fear of persecution than some of the refugees who have already been admitted without much question. After all, Hitler targeted homosexuals along with Jews and Gypsies for extinction in the Holocaust. In a few countries—most notably Iran—homosexuals face repression and possibly death at the hands of their government.

But still...homosexual asylum? This smacks more of special-interest lobbying than of any strategy to bring logic to American's changeable, chaotic rules on political asylum.

Like the since-repealed Bush policy on abortion foes, the new category for homosexuals is an invitation to massive immigration fraud.

According to *OUT* magazine, hundreds of homosexuals have already filed asylum claims

because they face persecution in such places as Brazil, Turkey, Colombia, Hong Kong, Iran and Russia.

Since there is already an asylum back-log of nearly 1 million people, a would-be immigrant could slip into the country by claiming homosexuality, getting a work permit and then waiting years before his or her claim is heard.

Not least, the new rules for homosexuals also give fresh ammunition to conservatives, especially the Christian right, who have worked up so much fury over Clinton's tolerance of gays and lesbians in the military. Now they see a president who would deny political asylum to Chinese opponents of abortion but would grant it to Chinese homosexuals. What fun the family-values folks will have with that!

GINSENG

In an article from the July 19 edition of *THE MONTREAL GAZETTE*, [quoting:]

It's not exactly an ancient Chinese prov-

erb, but Maurice Levesque might have something here.

"When you grow ginseng, you go to the bank," said the marketing vice-president of Vancouver-based Canadian Imperial Ginseng Products. "When you grow marijuana, you go to jail."

The ginseng root can yield up to \$165,000 an acre in gross revenues—making it the world's most profitable legal agricultural crop.

Cultivating ginseng for the Asian market has become a lucrative industry in British Columbia—about \$30 million a year and growing.

At a retail level, the industry is worth about \$2.7 billion worldwide, with North American ginseng comprising 20 percent (\$540 million).

Although gaining popularity in other cultures, ginseng is used mainly by people in Asian countries or of Asian background. The Chinese have been using the root they call the elixir of life for more than five centuries.

Government's Business Is To *CONTROL*

7/30/94 ED CLEARY

GOLD PRICE ON SAT., JULY 30, 1994
N.Y. COMEX: \$383.00/oz.

DO YOU TRULY WANT TO UNDERSTAND?

Relative to an article titled "A Theoretical Conversation Between an Individual and the NWO (New World Order)" in a recent *Leading Edge*, I present these pertinent considerations.

There are so many and such varied laws in this country that it is impossible to obey all of them.

Logically and intelligently one would think that laws are enacted to preserve order or to restore it. It is most difficult to think that the opposite is true, that laws are passed to create disorder and chaos.

THE MORE LAWS THE MORE CRIMINALS

In the "conversation" referred to above, it went like this: The New World Order fellow says, "You broke one of our laws. Well, what do you think they're for? We want them broken. We're after power and we mean it. There is no way to rule innocent men. The only power government has is in the power to crack down on criminals. Well, when there aren't enough criminals, one has to make more of them. One declares so many things to be a crime that it becomes impossible for men to live without breaking laws. Who wants a nation of law-abiding citizens? What's there in that for anyone? Just pass the kind of laws that can neither be observed nor enforced nor objectively interpreted, and you create a nation of lawbreakers—THEN YOU CASH IN ON THE GUILT. Now, that's the system and the game, and once you understand it, you'll be much easier to deal with. Government is in

the business of defense, police and courts, so the government's 'customers' are military aggressors, criminals and civil litigants. If there were no foreign military threat, no crime and new civil lawsuits, the government would have no 'customers' and would shrink in size and authority. In the defense/police/court business the government is a monopoly. Nobody else is allowed to compete—the only way for a monopoly to increase is to increase the customer base by creating new laws to apply to new people—laws which are all but impossible for the public to obey, thus technically creating a nation of criminals."

IT'S THE SYSTEM

The usual citizen goes about muttering and mumbling that he does not know what it is all about, what is happening, what went wrong and how it is to be corrected. It is quite impossible to understand the true answer to any of these questions if you think all of this legislation is for your benefit.

NOW HEAR THIS. It ain't the way you think it is. The system (government, finance, religion, education, information, welfare and medicine) is designed to harm you while at the same time causing you to think you are being helped (actual brain-wash and mind-control).

If you want to understand how we got to where we are, then read *CONTACT* regularly. Follow the trail of the Khazar-Zionist-Bolshevik anti-God and anti-Civilization groupings. Watch the powerful war and money and drug crowd move parallel with them for the most part.

If you want to understand what they have in store for you for the next six years read *CONTACT* regularly. Be alert to all information coming from the CFR, the Trilats, the Bilderbergers and all the other Elite organizations and publications. Make not the mistake of not accepting the statements at full face

value. They do what they say.

HOW "GUILTY" ARE YOU?

A key word in the quoted paragraph is "guilt". The NWO person picks it out cleanly and explains how it is being used on a day to day basis:

"Guilt produces passivity, and makes man programmed for defeat. The importance of this for totalitarianism cannot be overemphasized. If a whole society can be made to feel guilty, it will be unable to withstand an enslaving state. It is ripe for conquest. This has long been recognized as the most successful method of rendering men passive and pliable, incapable of resistance to state domination and control. As guilt produces impotence, it also leads people to call for more controls from the state. The passive population is not only malleable, yielding and submissive—it positively welcomes state intervention. The guilty, perceiving themselves unable to solve life's problems (which have been created by the state), will welcome being "saved" by the state. There is no way to disarm any man except through guilt. If a man has ever stolen a dime, you can impose on him the punishment intended for a bank robber and he will take it. If we teach a man that it's evil to look at spring flowers and he believes us and then he does it, we'll be able to do whatever we please with him. He won't fight. But save us from the man who lives up to his own standards and the man of clean conscience. He's the man who'll beat us."

If anyone of you wish truly to understand the questions presented priorly then give concentrated attention to the statements of your

enemies and accept them at full value. Example: *The Protocols of Zion*. Check 'em out and you will understand the who and what and how of the present state of the world. Argue with me about the red herring of forgery and you will never understand anything. Other samples: the holocaust, "anti-semitism", democracy, socialism and on into infinity.

A sovereign, knowing individual can never be enslaved within any lie.

"POSTSCRIPT"

During November of 1993 (and since), the United States Congress has been passing a series of Crime Laws—essentially passing the Omnibus Crime Control Act in pieces instead of as a single piece of legislation. On November 4, 1993, it was announced that the government has allotted \$22.3 billion dollars over the next five years, in which \$3 billion is for regional prisons and \$1 billion for boot (concentration) camps."

You are smarter than you were before you started reading this item.

Right under our national noses today a massive \$30+ billion crime bill is soon to become law. These are the major provisions:

[QUOTING:]

*Authorize 100,000 more law officers on the beat. Intended for community policing with officers getting to know the neighborhoods they patrol.

*Create about five dozen new death penalty categories. Restores some that existed

before the U.S. Supreme Court overturned capital punishment in 1972, creates new ones such as carjacking slayings, drive-by shooting murders and drug-traffickers who deal large amounts of drugs even if they are not directly connected to any specific death.

*Toss third-time violent and drug felons in prison for life, if the third conviction is in federal court. Would allow the early release of some prisoners over 70 if they have served at least 30 years.

*Provide \$10.5 billion for prisons, including \$8.7 billion in a state prison building grant program and \$1.8 billion to reimburse states that incarcerate criminal illegal aliens.

*Ban 19 named types of assault-style firearms and dozens of others that are deemed by the government to meet the characteristics of such firearms. It would limit magazine capacity to 10 rounds.

*Provide \$7.4 billion for crime-prevention programs. Includes \$1.8 billion for the Violence Against Women Act and \$1.8 billion for Local Partnership Act grants.

[END OF QUOTING]

You are programmed to accept this and believe that this law is to stop or prevent crime. Not me! A hundred-thousand more cops mean more arrests and more criminals and more judges and courts and more prisons. The federal government is the biggest criminal in the crime business and not one cent is allocated to catch the largest fish in the pond. And if you imagine that the health care criminals are interested in your health, it is time to have you placed in the closest looney bin.

NEW VIDEOTAPE: *THIS IS TREASON*

Readers will remember, from the 6/28/94 issue of *CONTACT*, the scope and seriousness of President Clinton's recently signed Executive Order 12919. Well, Al Carter of The American Institute For The Republic has just completed a videotape which clearly explains the implications of this diabolical Executive Order, combined with the Top Secret document *Silent Weapons For Quiet Wars*, which *CONTACT* has also published. For those of you searching for a teaching vehicle that can be used to vividly convey to friends, family, or elected officials the severity of our national slide into slavery, this videotape would be an excellent choice.

When ordering the videotape, also included is the riveting document *Silent Weapons For Quiet Wars*, plus a copy of the actual Executive Order 12919.

Working Together For God's Plan 2000

7/26/94 #1 HATONN

QUICKLY AS A WINK

"....AS QUICKLY AS A WINK—
IT'S LATER THAN YOU THINK.....!"

GOD HAS A PLAN 2000

Yes indeed, I know what it is. I am commissioned to see to it that it is put into place and so, friends, shall it be. I care not who BELIEVES I exist—I EXIST! I AM who I say I am and we will have that which we need—OR, THE ADVERSARY IS GOING TO LOSE HIS SHIRT, PANTS AND SHOES—AND SOME WILL, IN THEIR IN-FIGHTING—LOSE THEIR HEADS! Does this mean that I will "bump 'em off"? No! We will do it all with the WORD.

HOW, WITH THE WORD?

I think if you consider the possibilities of such fulfillment of an "idea" as coalition and collaboration of the various "papers" and "letters" worthy of public notice (I speak not of the money-makers in intent, although some of those have exceptional writers)—I speak of ones such as *New American View* with Victor Marchetti and *Lyke Report* with Mr. Lyke, *American's Bulletin*, *Refounding Amendment* (Silverhawk), *World Intelligence Review* (Coleman) and thus and so—I think you get the idea of "who". Now, next you have ENOUGH funding to pull these writers into unity (without need of controversial advertising) and move to, say, a daily paper or whatever is needed. Ones who are exceptional in some subjects will take the lead in that subject material and work with the others to choose THE outlay of THAT information. This would not be entered as "under" one Journalist, such as "Hatonn". It would REALLY HONOR the ones in participation—with whole sections of the paper which simply allows for the same information, and MORE, to flow through one conduit. If you then pool all of the mailing lists and subscribers, you can reach the BUNCHES of citizens. THIS could be done from all locations. It is simply that funding has to be set aside, pooled, whatever—so that you unify the material into a single focus—made up of the prime information participants.

These people already know HOW to produce a paper or magazine. However, we are not interested in out-of-sight UFO drivel and that type of "just getting writings into print". This paper would be so carefully edited by these compilers that no space or time is wasted on garbage, other than as filler for your amusement.

This is simply an "idea" of how it could work—NOT necessarily how it actually will work. *CONTACT was birthed for this very purpose and will be turned over to be used as such.* These people are tired—bone tired—getting it this far, as a voice. As we gear up we

will have experienced people who KNOW already, how to do a paper from editing, order, division and layout. We are NOT IN COMPETITION WITH ANYONE—ESPECIALLY SUCH AS SPOTLIGHT—BUT WILL WORK WITH ALL. Readers, it is THE ONLY WAY you are going to get information scattered around sufficiently for impact: COOPERATION! YOU HAVE NO FOCUS CAPABILITY IN THIS CONTROLLED MEDIA WORLD—YOU HAVE TO CREATE ONE!

Funding? Everybody is so hung up on NO funding as to fail to go forth and CREATE that which you need. However, ones are coming into the picture right on schedule who CAN provide that which you need. Let us consider for a minute, the Committee of 17 who controls so much wealth as to boggle any Earth mind.

It will behoove those on that team to turn to OUR NEEDS. That Committee, unlike the other Greedy-grabbers, is made up of BRILLIANT individuals! They are "chosen" because of their abilities to attain wealth, power and overall mental brilliance to think out these wondrous schemes—to control the world. But, they can't do it alone, NOW. It will behoove them to swing support around to the fundamental task at hand for you-the-people. YOU do not need all the MASSES—you just need to hold the power and to make these who already hold the power WANT TO DO IT YOUR WAY! This bunch, no matter how monied, brilliant or in control—must have support and backup to achieve anything—most especially freedom to continue, EVEN in their own game.

GOD NEEDS VERY LITTLE

In return, God's people will have that which secures them—without force as to use of input. This is a NEGLIGIBLE amount of wealth compared to that which exists. AFTER ALL, THESE PEOPLE HAVE TO HAVE CERTAIN THINGS WITH WHICH TO MAKE THIS JOURNEY WORTH-WHILE OR EVEN FEASIBLE. WITHOUT A NATION—THERE IS NO NEED TO CONTROL IT. ONCE AMERICA (THIS INCLUDES CANADA, MEXICO, ETC.) IS UNDER THE FULL CONTROL OF THE SATANISTAS—IT IS OVER.

RONN JACKSON

Don't do "this", readers! You are NOT going to HAVE A SAVIOR! Not Hatonn, not Ronn Jackson, not Ronn's buddy who is six-foot-7-inches tall running around right now, not "a" Christ-man, and not GOD—is going to whisk you away, force (with weapons or anything else) to SAVE YOU. YOU WILL GET INFORMED AND SAVE SELVES OR YOU WILL NOT BE SAVED! These "people" represent LEADERS who have come into seeing the way to do the job—and are willing to show you. However, the moment of readiness MUST BE SEIZED. TOMORROW MAY WELL BE TOO LATE—WHILE YOU WAIT FOR SOMEONE ELSE

TO DO IT FOR YOU. If you DEMAND IT be accomplished in the honest goodness of freedom under goodness—YOU WILL CREATE THAT WHICH BECOMES YOUR FUTURE AND INFINITE JOURNEY!

BATTLE ON "THEIR" TERMS

This does not mean to battle a lie with a lie, for instance. IT MEANS BATTLE ACCORDING TO THE MODE OF OPERATIONS—BUT WITH TRUTH AGAINST THE LIE. To tell a lie a dozen ways or a thousand times—DOES NOT MAKE IT TRUTH! YOU CAN REVISE THE RECORD BOOKS TO REFLECT "REVISION" OR REWRITING OF FACTS BUT IT CHANGES NOT ONE IOTA OF THE TRUTH OF IT! Example today: The Congressional bunch has RULED TODAY that Vince Foster's death was, according to Fiske, a SUICIDE. THIS RULING DOES NOT MAKE THE MURDER WITH USE OF TWO GUNSHOTS A SUICIDE—IT SIMPLY MAKES THE PARTICIPANTS IN THE GAME OF IDIOCY—FOOLS AND LIARS! Is this "right"? No, but sometimes the DISTRACTION to make it right at the given moment in time—is more devastating to other portions of the "play" as to make it unworthy of further battle.

You are on the ragged edge of pulling down a presidency. Should it be pulled down? Yes, BUT, "ANARCHY" is an almost insurmountable happening! You are trying, even if you don't realize it, to bring about a currency foundation and myriads of OTHER things—where all can be destroyed by misdirection.

BUT JUPITER WAS
A FARCE, ETC.

Indeed, now as it were—WE had a lot to do with scrambling "their" little distraction. No deadly death-rays yesterday? Good for us. We stopped the major explosive capabilities of your weird, sick anti-civilization, anti-humanity players at 150 miles off your surface. I am not going to explain that statement—go back and get the journals and READ THEM FOR YOURSELF. Quit asking somebody else to interpret YOUR OPINIONS! GET A LIFE!

BLUE BEAM

Just through publication of the heinous little scheme [called *Project Blue Beam*] has caused the big shots to have to shelve the plan as written in their scripts. That does not mean that it won't happen—it means they have to work harder to cover the truth and fool all of the people! It was supposed to have happened as far back as 1983—so we make progress with every day postponement has to be allowed. [Editor's note: For background on *Project Blue Beam* see the Front Page story of the 6/14/94 CONTACT. We have completely sold out of our reserve stock of that issue of the CONTACT, because of the *Project Blue Beam* story, and thus plan to reprint that story in an upcoming CONTACT when the space and timing are appropriate. So, stay turned if you missed the original outlay; the crooks are a crazy bunch!]

Stop picking at daring reporters who take the risk and tell you about things which don't happen. Information is ALL THAT PREVENTS THEM FROM HAPPENING—FOR ALL IS NOW CAPABLE OF CONTROL BY AND FROM EARTH FUNCTION. Every time the adversarial anti-civilization nerdniks have to call off a dirty deed—YOU WIN! KEEP UP YOUR RIDICULE AND PRATTLE ABOUT THAT WHICH APPEARS

TO NOT HAPPEN—AND YOU ARE LOST, READERS—DEAD LOST.

NEGOTIATIONS

Does all this mean that "Hatonn" is willing to "compromise" with the adversary? NO! Will "Hatonn" "negotiate" with the "enemy"? YES! Every time—until the players see the advantage of doing it GOD's way! The important game is not played by "others"—it is played by YOU. It is that final decision as to "direction" that matters—not who thinks it great to run the world—for the world is a stage upon which the game is being played.

To make a cake you must use certain ingredients and a recipe or blueprint. To build a proper house you must use a blueprint—ALL of which are INSTRUCTIONS IN NEEDED ITEMS, INSTRUCTIONS FOR LABOR AND LAY-

OUT. You don't need guns to build a house or a cake—**YOU NEED INSTRUCTIONS FOR CREATION OF THE FINISHED PRODUCT!** You also need the **INGREDIENTS**—so, I demand of the players that they release that which we need—so that **THEY, ALSO, MAY HAVE AND SHARE IN THE FINISHED PRODUCT!** A little sharing NOW will mean a tremendous RETURN when it REALLY COUNTS! ALWAYS ACT IN WISDOM! WISDOM IS SOMETHING YOU MUST GAIN FOR SELF. I CANNOT GRANT YOU AN HONORARY DOCTORATE DEGREE IN WISDOM. In fact, an honorary medical degree—means nothing except an uninformed idiot—who knows nothing about medicine or being a physician. BEWARE of these disinformation thieves. For instance, Kissinger is not a "doctor" of ANYTHING! He is an anti-civilization, anti-humanity ROBONOID! (Thank you, Eric!) He is a LITTLE being, person, energy and devoid of

compassion or humanitarian characteristics. He is brilliant, shrewd and dangerous in his humanoid presentation—but will destroy every shred of humanity if he can do so. He is only ONE of thousands like him—desiring CONTROL, WEALTH AND POWER ABOVE ALL GOODLY EXPRESSION.

Do I hate him somehow? No, why should I hate him? He is doing, as are all the other team-players on his team, a very good job of what he is about. I RESPECT HIM! I "respect" his capabilities and shrewdness but I abhor his unhumanity and evil directions. I "fear" him not—for he is limited, tiny, childish and foolish. This does, in the ending, give me full advantage! And further, when I have "the force" with ME—he has and IS—**NOTHING!** He only THINKS he is a "big shot" NOW. The REAL power-thinkers USE HIM LIKE A PUPPET, AS ARE THESE OTHER ROBONIDS WHO SERVE.

Dear FBI Director Freeh,

Taking the numbered order of the above referenced items, first, pursuant to the United States Code, Title 5, Section(s) 3331, 3332, 3333, and 7311, please provide certified copies of the following documents: (1) Your "Oath of Office" [5 USCS 3331]; (2) Your "Officer affidavit; no consideration paid for appointment" [5 USCS 3332]; (3) "Employee affidavit; loyalty and striking against the Government" [5 USCS 3333]; (4) Proof by affidavit of Item (3) that you are in compliance with 5 USCS 7311 et seq., to wit: "An individual may not accept or hold a position in the Government of the United States or the government of the District of Columbia if he—(1) advocates the overthrow of our constitutional form of government; (2) is a member of an organization that he knows advocates the overthrow of our constitutional form of government..." (5) Your Registration Statement and Supplements thereto [22 USCS 611-612]; and, (6) A certified copy of

your "Loyalty and Security Check", by the Office of Personnel Management [22 USCS 272b].

Secondly, in an Associated Press wire story of July 5, 1994 that appeared in the *Seattle Post-Intelligencer* and *The News Tribune*, (see attached copy) which is headlined as: "Freeh opens FBI office in Moscow...", you are quoted as saying, "Our two nations have more in common than ever before," commenting in a speech at the Soviet Union's interior Ministry's police academy. You add, "Most especially, we share a belief in the importance of democratic ideals, human rights and the rule of law." Based on this article, please answer the following questions, Director Freeh: (1.) Just **WHERE** in the Constitution for the United States of America, do you find **ANY AUTHORITY** to conduct official business of the United States of America, inside the KGB infested and very much Communist, Union of Soviet Socialist Republics??? (2.) Just **WHO** was it, that made the budget appropriation for this disgusting little twist of a power hungry and corrupt government gone mad? And, since when do our nations have "more in common than ever before"? (3.) How can a Communist inspired and led Marxist government have anything to do with Life, Liberty and the Pursuit of Happiness, as we know it, in these United States of America, when the Constitution's of both countries are so diametrically opposed to one another there can

be NO COMMONALITY?

Certainly it must be no secret to you that the "United States" as a corporate body politic (artificial), declared Bankruptcy and "Reorganization" in 1950. The Reorganization is located in Title 5 of the United States Codes Annotated. The "Explanation" at the beginning of 5 USCS is most informative reading. The "Secretary of Treasury" was appointed as the "Receiver" in Bankruptcy. (See: Reorganization Plan No. 26, 5 USCS 903, Public Law 94-564, Legislative History, pg. 5967) The "United States" went down the road and periodically filed for further Reorganization. Things and situations worsened, having done what they were commanded **NOT** to do, (See: **Madison's Notes**, Constitutional Convention, August 16, 1787, **Federalist Papers No. 44**) and in 1965 passed the "**Coinage Act of 1965**" completely debasing the Constitutional Coin (gold & silver, i.e. "Dollar"). (See: **18 USCS 331 & 332, U.S. vs. Marigold, 50 U.S. 560, 13 L.Ed. 257**) At the signing of the so-called "Coinage Act on July 23, 1965", Lyndon B. Johnson stated in his Press Release that:

"When I have signed this bill before me, we will have made the first **fundamental change** in our coinage in 173 years. The Coinage Act of 1965 **supercedes** the Act of 1792. And that Act had the title: An Act Establishing a Mint and Regulating the Coinage of the United States..."

"Now I will sign this bill to make the **first change in our coinage system since the 18th Century**. To these members of Congress, who are here on this historic occasion, I want to assure you that in making this change from the 18th Century, we have no idea of returning to it." (emphasis added)

It is important to take cognizance, Director Freeh, of the fact that **NO** Constitutional Amendment was **EVER** obtained to **FUNDAMENTALLY CHANGE**, amend, abridge or abolish the Constitutional mandates, provisions or prohibitions. However, due to internal and external "diversions" surrounding the Viet Nam U.N. Police Action etc., **THE USURPATION** and **BREACH** went basically unchallenged and unnoticed by the general public at large, who became "a wealthy man's CANNON FODDER OR CHEAP SOURCE OF SLAVE LABOR." (See: *Silent Weapons for Quiet Wars*, TM-SW7905.1, pgs. 6, 7, 8, 9, 12, 13 & 56) Congress was clearly delegated the Power and Authority to regulate and maintain the true and inherent "value" of the Coin within the scope and purview of Article I, Section 8, Clauses 5 & 6 and Article I, Section 10, Clause 1, of the **Ordained Constitution (1787)**.

Director Freeh, the foregoing is a **CRIME** of such immense proportion, that those exercising the Offices of the several States, in equal measure, knew such "De Facto Transitions" were **UNLAWFUL** and **UNAUTHORIZED**, but nevertheless sanctioned, implemented and enforced the **COMPLETE DEBAUCHMENT** and the resulting "governmental, social, industrial and economic change" in the "De Jure" States and in the United States of America (See: *Public Law 94-564, Legislative History*, pg. 5936, 5945, 31 USCS 314, 31 USCS 321, and 31 USCS 5112) and were and are now under the delusion that they can do both directly and indirectly, what they were absolutely **prohibited** from doing. Therefore, Director Freeh, having now the knowledge of this **CRIME** having been perpetrated against the People, and against the Peace and Dignity of the Laws of the United States of

America, **WHEN CAN WE EXPECT YOU TO EXERCISE YOUR AUTHORIZED INVESTIGATIVE POWERS TO BRING THE PARTIES OF INTEREST BEFORE THE BAR OF JUSTICE FOR CRIMINAL PROSECUTION BY THE JUSTICE DEPARTMENT?** Or will this mean ratting on a few of your "friends"? Just **WHERE** does your loyalty lie?

Your quotes in the article [noted above] of July 5, 1994, wherein you speak of lofty "democratic ideals, human rights and the rule of law" suggest what U.S. Representative Marjorie S. Holt noted for the Congressional Record on January 19, 1976, of a second "**Declaration of INTERdependence**" which clearly identified the United Nations as a "Communist" organization, and that they were seeking both production and monetary control over the several States of the Union and the People, through international Organizations promoting the "One World Order". Is it no wonder then, that those within the Executive Branch of the United States Government have seen fit to abrogate and annul each and every allegiance to the Ordained and Established Constitution for the United States of America? Where is **YOUR AUTHORITY** and **ALLEGIANCE**? Is it to the Soviet Red Flag with the Yellow Arm and Sickle?

With regard to both the Waco and Weaver "CRIMES" by the United States Government, among other reasons for lack of **AUTHORITY** to act, such as a Foreign Agents Registration Statement, 22 USCS 612 and 18 USCS 219 & 951, **Military authority cannot be imposed into civil affairs**. (See: Department of The Army Pamphlet 27100-70, *Military Law Review*, Vol. 70) The *United Nations Charter*, Article 2, Section 7, further **prohibits** the U.N. from "intervening in matters which are essentially within the domestic jurisdiction of any state..." Korea, Viet Nam, Ethiopia, Angola, Kuwait, etc., etc., are evidence enough of the "**BAD FAITH**" of the United Nations and its Organizations, Corporations and Associations, to which the "United States" is a subscribing member, not to mention the interconnecting **INTERPOL** agreements and the crimes that were committed during the seizure of two day care centers in the State of Minnesota by Agents of the Internal Revenue Service (who are also agents of **INTERPOL**—See: 22 USCS 263a) and holding the children as collateral/hostages for payment/ransom of their fraudulent, dishonored, rehypothecated debt credit, worthless securities (See: 26 USCS 165g). Such is the "**Rule of Law**" "as envisioned by the Founders of the United Nations. Such is Communist terrorism, despotism and tyranny. **ALL WERE AND ARE OUTLAWED HERE...IN THESE UNITED STATES OF AMERICA!**"

After witnessing the terrorism and deliberate, premeditated MURDERS of Vicki Weaver, Samuel Weaver, and the 90 or more Branch Davidians at their Church Home by components of the De Facto UNITED STATES GOVERNMENT, it is clear to us there currently exists **INTERdependence**. (See: *Public Law 94-564, Legislative History*, pg. 5950) **affiliation** and **collusion** with the Soviet Union Oligarchy (See: 8 USCS 1101(40) and 50 USCS 781), direction by the United Nations (See: 22 USCS 611), etc.

It is interesting to note that Treasury Delegation Order No. 92 states that the IRS, for example, is trained under the direction of the Division of "Human Resources" (U.N.) and the Commissioner (INTERNATIONAL), by the "Office of Personnel Management. In the 1979

Edition of 22 USCS 287, The United Nations, at pg. 248, you will find **Executive Order No. 10422**. The Office of Personnel Management is under direction of the Secretary General of the United Nations. Also, the IRS is a member in a 150 nation pact called the "**International Criminal Police Organization**" [Interpol] (See: 22 USCS 263a). The "Memorandum & Agreement" between the Secretary of Treasury/Corporate Governor of "The Fund" and "The Bank" and the Office of the U.S. Attorney General, is indicative that the Attorney General and his/her associates are soliciting and collecting information for **FOREIGN PRINCIPALS**, i.e., "The Fund" and "The Bank" (International Monetary Fund and The World Bank).

It is also interesting to note that under the "**Justice System Improvement**" Act under Public Law 100-690, purportedly to deal with the so-called "War on Drugs", under the provisions of "FBI TRAINING OF STATE AND LOCAL CRIMINAL JUSTICE PERSONNEL" (See: 42 USCS 3701 et seq. and especially 3771) the duties under which the FBI conducts training is **under** the general authority of the Attorney General. And, as we now know, the Attorney General is the Permanent Representative to **INTERPOL** and according to **Article 30** of the **INTERPOL Constitution**, the Attorney General must **EXPATRIATE** citizenship of the U.S.A. That, Director Freeh, makes Janet "Butch" Reno an Agent of a Foreign Principal under the jurisdiction of the United Nations. Does this not make the Attorney General's Office directed, controlled, financed and subsidized by "The Fund" and "The Bank"? Where is the **AUTHORITY** for this under the Constitution for the United States of America, in which all Laws must be made in **PURSUANCE** thereto?

On January 17, 1980, the President and Senate confirmed **another** "Constitution", namely, the "Constitution Of the United Nations Industrial Development Organization", found at Senate Treaty Document No. 97-19, 97th Congress, 1st Session. A perusal of this Foreign Constitution should more than qualify the **INTERNATIONALIST** intents. The "Preamble", Article 1, "Objectives" and Article 2, "Functions" clearly evidences their intent to direct, control, finance and subsidize all "natural and human resources" and "agro-related as well as basic industries", through "dynamic social and economic changes", "with a view to assisting in the establishment of a new international economic order." The high flown rhetoric is obviously of "Communist" origin and intents. **An unelected, unrepresentative, unaccountable oligarchy of expatriates and aliens, who fraudulently claim in the Preamble that they intend to establish "rational and equitable international economic relations", yet openly declared that they no longer "stabilize the value of the dollar" nor "assure the value of the coin and currency of the United States" is purely MISREPRESENTATION, DECEIT and FRAUD.**

In view of the Associated Press wire story of July 5, 1994, depicting your trip to the U.S.S.R. and Moscow to set up an FBI office, it is now necessary to ask **WHICH** Constitution "THE GOVERNMENT", i.e., the F.B.I. and other so-called "Government Agencies" are operating under? The *Constitution For the Newstates Of The United States*, which was located at Liberty Lobby, 300 Independence Ave., SE, Washington, D.C. 20003, was the subject matter of the book entitled, *The Emerging Constitution*, by Rexford G. Tugwell, which was accom-

plished under the auspices of the Rockefeller tax-exempt foundation called the "Center For The Study of Democratic Institutions." The People and Citizens of this Nation were forewarned against formation of "Democracies". **"Democracies have ever been the spectacles of turbulence and contention; have ever been found INCOMPATIBLE with personal security or the rights of property; and have in general been as short in their lives as they have been violent in their deaths."** (See: Federalist Papers No. 10; also see: The Law, Fredrick Bastiat, Code Of Professional Responsibility, Preamble) This Alien Constitution, however, has nothing to do with democracy in reality. It is the basis of, and for, a despotic, tyrannical oligarchy.

Article I, "Rights and Responsibilities", Section 1 and 15, evidence their knowledge of the "emergency." The rights of expression, communication, movement, assembly, petition and Habeas Corpus are all **ELIMINATED** from being exercised under and in a "declared emergency." The *Constitution for the Newstates of America*, openly declares, among other seditious things and delusions that: **"Until each indicated change in the government shall have been completed, the provisions of the existing Constitution and the organs of government shall be in effect"** (See: Article XII, Section 3), **"All operations of the national government shall cease as they are replaced by those authorized under this Constitution."** (See: Article XII, Section 4) **No** trial by jury is mentioned, "JUST" compensation has been removed, along with being informed of the "Nature & Cause of the Accusation", etc., etc., and every one **will** of course participate in the "democracy." This "Newstates" Constitution is but a reiteration of the Communist Doctrines, intents and purposes, and clearly establishes a "Police Power State", under direction and control of a self-appointed oligarchy.

Apparently the present operation of the "De Facto" government is under Foreign/Alien Constitutions, Laws, Rules and Regulations. The overthrow of the "essential engine" declared in and by the Ordained and Established *Constitution for the United States of America* (1787) is obvious. The covert procedure used to implement and enforce these Foreign Constitutions, Laws, Procedures, Rules, and Regulations, has not, to our knowledge, been collected and assimilated nor presented as evidence to a Grand Jury to establish seditious collusion and conspiracy...but will soon be.

Referencing Item #3, **"Confirmation of MJTF Police/UN Operatives in America"**, Title 42 USCS 3751, describes a "Drug Control and System Improvement Grant Program", wherein at subsection (b)(2) it is stated: **"The Director of the Bureau of Justice Assistance is authorized to make grants to States...Such grants shall provide additional personnel, equipment, training, technical assistance...including multi-jurisdictional task force programs that integrate Federal, State, and local drug law enforcement agencies and prosecutors for the purpose of enhancing interagency coordination, intelligence, and facilitating multi-jurisdictional investigations."** Because of troubling and persistent rumors regarding the stationing of foreign (UN) troops on American soil and/or assigned for training duty at American bases, plus our concern regarding how such assignment, if true, might square with the enumerated powers delegated

to the Federal Government by the American Constitution, and also due to the recent flurry of confirmed photo-recon pictures of UN and Soviet military equipment traversing the railway system throughout the United States, in addition to the current proposed Clinton Crime Bill wherein former Royal Hong Kong police are to be hired into the Federal police service, and given the fact that FBI Training of State, County and units of local government are under the auspices of the Attorney General and his/her interconnecting agreements with INTERPOL, please advise as to the several questions enumerated below and also point out the inaccuracies, if any, which may exist in our interpretation of the various statutes referenced herein and the inaccuracies, if any, which may exist in the attached news report from the *Spotlight*, dated October 12, 1992, at which time President George Bush declared in his speech before the United Nations on September 21, 1992, wherein he reportedly offered to make available to the UN certain military bases, including Fort Dix (New Jersey) and perhaps others. In what manner would the United Nations play a role in the "multijurisdictional task force" (MJTF) on the so-called "War on Drugs" and also relating to the purported Citizen-held firearms confiscation planned in Stage 1 or Stage 2 of State Department Publication 7277 (See: Public Law 87-297), as the United Nations is simultaneously brought to full global power?

OUR QUESTIONS:

1. Are there any UN troops on duty in America today?
2. If so, where are they, and what is their duty?
3. If not, how soon will they begin arriving, and at what bases?
4. If UN troops will be stationed in America at a future date, what will be the nature of their duty assignments, and what controls will the Justice Department and/or Secretary of Defense or the Chiefs of Staff have over them and their mission?
5. Have any UN troops been on duty in America during the past year, participating in any Justice Department MJTF program, including drug interdiction or control?
6. If so, where, when, and what was the nature of their involvement and/or duty?
7. What is the relationship between such UN troops, if any, and the various provisions of the Federal Emergency Management Act/Agency (FEMA)?
8. What is the relationship between such UN troops, if any, and the various provisions of the interconnecting "Memorandum of Understanding" and/or "Agreement" and/or "relationship" of the FBI, INTERPOL and the Justice Department, i.e., U.S. Attorney General.
9. When MJTF personnel, including FBI, SWAT, U.S. Marshal, and United Nations and/or U.S. military personnel are involved in any given operation, **WHO's** in charge?
10. Were there MJTF and/or UN operatives involved in the FBI assault at Ruby Creek near Naples, Idaho in which Vicki Weaver and Samuel Weaver were murdered?
11. Were there MJTF and/or UN operatives involved in the FBI/BATF assault at Waco, Texas in which 90 or more Branch Davidian Church members were murdered?

If no reply is received by August 05, 1994,

my advisory board has instructed me to regard the non-reply and/or a waffling answer to these direct questions as confirmation of the news report here attached (*Spotlight*, October 12, 1992, Page 6) and substantiation for the basis of the persistent rumors regarding the presence of UN troops on American soil, and to proceed on the justifiable premise that UN troops are now assigned or scheduled by agreement with the UN for immediate duty in the United States, that their mission is to assist the Justice Department and various other known and unknown components of the MJTF in maintaining "internal security" actions to "control" the American populace in the event of a national emergency (FEMA) requiring imposition of "martial law" in America, in part by corralling "dissidents" and incarcerating them in "facilities" erected for "martial law" purposes and/or including the confiscation of Citizen-owned firearms.

Referencing Item #4, **"The Holocaust at Waco, Texas"**, sensationalism is not necessary to present the incredulous statement by your FBI Special Agent and press liaison Bob Ricks that, **"They're killing themselves"**, especially in light of the new evidence coming forth from the Mt. Carmel Center that suggests the FBI and the Justice Department have not been totally candid with the American people. In fact, it is scurrilous indeed that the FBI and the Justice Department have continually contrived, manufactured and fabricated the "truth" to fit their own devious design and ulterior motives as to the real facts of what happened at Waco. Just how is it, Director Freeh, that you have not lifted one-finger to INVESTIGATE the circumstances surrounding the deliberate **ARSON-CS/CYANIDE GAS MURDER DEATHS** of the Branch Davidian Church members, some 90 men, women and children, who perished at the hands of components of the United States Government and the State of Texas, and who at the same time violated numerous Federal and State Laws? Just **WHO** are you paying a favor to for your position of Public Trust, Honor or Profit? Are you protecting former FBI Director Sessions or the skullduggery of former BATF Director Stephen Higgins? Are you protecting the Socialist and Marxist dictator, Mr. Bubba Clinton? Or are you protecting the rather queer appearing-lesbian-infested-immoral-perverted-alternative-lifestyle-homosexual Janet "Butch" Reno? Quite frankly, all of you should be doing 80-years for Treason, Sedition and Murder, or under the original laws of the United States of America for Treason, hang from the end of a rope until dead as a dodo bird.

The American people are beginning to discover the truth about the hideous lies and cover-up at Waco. And despite the continuous bombardment of the "official party line" from FBI Special Agent Bob Ricks as the only "Establishment" media representative, we are just now beginning to see the real truth of the United States Government atrocities emerge out of the ashes at Waco, because of the dedication of one independent and non-establishment television station in Ponca City, Oklahoma. David Hall, Owner and Station Manager of KPOC cared enough to independently "investigate" the real reasons behind **WHY** WACO? During the July 4th celebration of Independence Day, the KPOC Television team from Oklahoma, together with a Certified Police Officer, a Certified Fireman, and a Certified Chemist, were seeking **JUSTICE in Waco**,

that the Justice Department has tried to cover-up and white-wash. From their fact finding efforts and the evidence retrieved from soil samples and other data from autopsies of the Branch Davidians, it can now be **proved conclusively** that the 86 plus men, women and children who died at Waco, were **MURDERED at the hands of the United States Government.**

As Mr. Hall has pointed out, CS Gas is used as a "Riot Control Agent", but its use is confined to outdoor use only because of the volatile nature of the gas. Additionally, when CS Gas burns, it burns at 4,000 degrees Fahrenheit and creates **CYANIDE during the burn-off.** All of the Waco victims had ethanol and cyanide in their bloodstream, but none was found in their stomachs. This would indicate that the victims of Waco suffered a horrible, paralyzing and agonizing death, because they would have been unable to move once the CS Gas was inserted into the closed building and they continued breathing the air. Even the U.S. Government's own SWAT Training Manuals and the training seminars conducted by the U.S. Bureau of Prisons, prohibits the use of CS Gas as a "Riot Control Agent" in an indoor, closed environment, because of the high probability of combustion and fire. It cannot be used inside cell blocks, only outside in the prison yard. Why then, would it be allowed to be used at the Mt. Carmel site? The answer is clear: because the United States Government never intended for there to be any survivors at Waco. Just like at My Lai, Viet Nam, the order was given by some bureauRAT sitting in Washington, D.C. to, **"Waste them".**

It was also well known by those Agents of the United States Government surrounding the Mt. Carmel Church Home on that fateful date of April 19, 1993, that if they had sprayed water on the fire, a cloud of steam-hydrogen-cyanide would have been produced, and they themselves would have suffered the same consequences as that of the Davidian's inside the burning Church buildings: **DEATH!** We now know the reason why the fire trucks were held back and no attempts were ever made at putting out the fire. This means that the actions of the Agents of the United States Government and all those associated with the incident at Waco, Texas on April 19, 1993 are guilty of **PREMEDITATED MURDER.** Therefore, the use of CS Gas was not utilized as a "Riot Control Agent", but as **weapon of mass destruction.** The Bureau of Alcohol, Tobacco and Firearms' own internal manuals, state very clearly for all to read that the CS Gas is not to be used in any closed environment. The United States Government and every other Law Enforcement Authority participating at Waco, **knew**, ahead of time, what was going to happen. They **knew** the Davidians were using open kerosene lanterns inside the building. They knew that CS Gas, in an enclosed environment would explode into fire. It was **PREMEDITATED MURDER!** And to hear FBI Special Agent Bob Ricks tell the American people: **"They're killing themselves"** is one of the most incredulous and dastardly lies the American people have ever witnessed, save for the perfidy of the attack on Pearl Harbor on December 7, 1941.

The KPOC Television investigation will soon be released to the American people in a special, nationally televised video documentary, **The Waco Incident.** But before that occurs, we would urge your Office to immediately cause

a Special Independent Grand Jury to be convened, to investigate the perpetrators of the **PREMEDITATED MURDERS** of the 86 or more Branch Davidians who died at the hands of the United States Government and the State of Texas. We demand your voluntary compliance. If you think for one minute the American people are going to just idly stand by while the Federal Bureau of Investigation destroys evidence at the scene of a crime, while promoting an "objective lesson" to those who would oppose the government's unlawful authority, you and the rest of your cronies had better pack your bags and move to Moscow, U.S.S.R. permanently, because we intend to use every means possible to hunt down each and every one of the perpetrators of the Holocaust last year in Waco, Texas and bring them to the Bar of Justice. You and your ilk will not [further] abuse our national pride, morality and common sense.

Finally, referencing Item #5, **"The Murders of Vicki and Samuel Weaver at Ruby Ridge, Idaho"**, **WHY** hasn't the Justice Department released their official report on the government's handling of the North Idaho standoff? Idaho U.S. Senator Larry Craig has recently "asked" Janet Reno for a **THIRD TIME** to release the report. The delay of this report reads like a bureaucratic put-off to the people of Idaho and only adds to the anger, fear, and distrust of the federal government that many Americans feel over this incident.

Could it be, that the stalling tactics and delay by the Justice Department in releasing the report, possibly be related to the wrongful death, destruction of property and wrongful injury lawsuit that attorneys representing Randy Weaver will bring against the federal government, before the two-year anniversary of the shootout this August? Could it be, that if Janet Reno waits just long enough, that he/she will then be able to say, **"We can't possibly release the report now, because we're in litigation?"** Obviously, if that occurred, the report would **never** be released.

As you know, Director Freeh, Randy Weaver and Kevin Harris were **ACQUITTED** of **ALL** murder, conspiracy and weapons charges from the standoff, in which U.S. Marshal William Degan was killed. Evidence now suggests that perhaps Degan was killed by his own men. Furthermore, it is well known across America that the August 21, 1992 shootout occurred when federal government para-military individuals surreptitiously entered upon Randy Weaver's private property...to plan their "hit" on the Weavers. There can be no excuse for this abhorrent behavior of what is **supposed** to be our government, whose mission it is to **"insure domestic Tranquility, promote the general Welfare, and secure the Blessings of Liberty..."**

There is little doubt, upon reviewing the events of Ruby Ridge and Waco, with additional irrefutable evidence now coming to the forefront, that the United States Government is guilty of far more serious crimes than any individual throughout most of our national history. Your crimes compete only with those factions of history considered repulsive by most (Attila the Hun, Adolf Hitler, etc.). The United States Government is, unmistakably, the most criminal element in our society.

This is your wake-up call, Director Freeh, that the American people have had enough of the **Bull****.** Get your act together, conform to the Law of **this** Land, obey your Constitutional Oath, or pack your bags and depart from us quickly.

Constitutionally yours,

The Wise Approach To Reclaiming A Planet

7/27/94 #1 HATONN

REVENGE IS "OUT"

This writing will definitely NOT be for ones who simply want to tear people down who have "done you wrong" or destroy "anything" in the name of revolution, "resistance" or "get even".

I am writing this SPECIFICALLY for several of our team-members and since we do NOT act in great secrecy of intent—we can share after our negotiators have access to the suggestions.

Anyone can do ANYTHING chosen—FOR SELF and have ANY OPINION desired—FOR SELF. **HOWEVER, DO NOT SAY IT IS HATONN'S "OR" GOD'S OPINION OR SUGGESTION UNLESS IT IS!** You can "interpret" all you want JUST AS LONG AS YOU SAY YOU HAVE INTERPRETED A THING —NOT OFFERING AS FACT THAT WHICH IS NOT YOURS TO OFFER.

With that said, I have some requests and some "offers" to make which might well free up some of our teammates caught in the traps of the adversarial teams.

This is going to be pretty focused on both Ronn Jackson (this is his chosen name to scatter everywhere) and "Grandma Fat Lady Singing" who has not given permission to scatter ANY name anywhere. Do you readers see the difference?

INTENT OF RECLAIMING PROPERTY OR STABILITY

ALWAYS—you BUILD! CREATE! Your intent must NEVER be to pull-down or simply destroy—anything or anyone. The LATTER brings hostility, defensiveness and immeasurably SLOWS YOUR PROGRESS.

I don't want enemies—I WANT FRIENDS **ON MY SIDE!** WHAT IS DONE AND PAST IS **FINISHED**. NOTHING can be undone—only dealt with as DONE. So, what have we?

We have a Committee holding, without release until bargains are struck, a teammate because of fear of damage beyond repair to the "SELECT" FEW. I don't give a cotton-picker's mitten about them personally—NOR do I think it helpful to flog a horse to death for past indiscretions.

This team of Committee members is still VERY POWERFUL. Why would we not get them on OUR TEAM and we, too, become exponentially more powerful as we-the-people.

RONALD REAGAN

TRUTH will "out"—it always does. Beyond awakening the masses to the fraud, criminality and "way it is" in the secret circles—it has no value to flog a robonoid to shreds, destroy families and/or order (whatever little amount of it there IS). We are interested ONLY in reclaiming—not destroying. WE BUILD—RIGHT UP THROUGH THE FERTILIZER PRESENTED IN THE FORM OF THE ROT AND

DECAY. WE WILL CALL IT COMPOST!

SEEDS IN THE COMPOST

The best way to be sure a seed will sprout and grow in brilliant health and be able to infinitely FLOURISH is to have all these components present: A vision of a need for change; a desire for change; and, a way to change!

This means that first, "enough" must awaken to see the vision. This only takes a few—and the more "powerful", the better—do you see? Then you must cause those ones to have a driving desire to make changes and, next, go forth and make those changes—and, again, the STRONGER the starting lineup the more possible becomes the change.

MAKE FRIENDS OF ENEMIES—FOR THEY, TOO, WILL ALWAYS HAVE ENEMIES OF THEIR OWN!

I will give you an example: I have, since the rift with George Green, EFFORTED to work with him and allow him to see the damage he is doing to self. Every being has a right to change. I even offered that he could build, share and construct according to plans—if he would only act in truth and honor. Taking and secreting property, gold or otherwise, belonging to another—is not acceptable. That is what has destroyed your society, from the "one" to the "many".

He has chosen to cling to his ego and his lies, his hope of being undiscovered in his operations and hoards and thus and so. I am appreciative of even these actions, however, for it has been a training ground for my team which cannot be surpassed! I would still rather have him as a friend. Even Satan cannot be literally described as my "enemy"—he is only in opposition to that which is Godly (goodly), just and infinite. I do not have to dwell on or waste energy on trivia. You ones will learn that or you aren't going to be fit to lead anything. If you have a problem person—find out what that person does, from farming to typing, and if they begin as your enemy or spy—they WILL BECOME A CONTRIBUTING FRIEND AND WORKER. In this very local group you allow some to shred others and hop on the pecking line—QUIT IT! Another one is NONE OF YOUR BUSINESS! If ones come and offer service and there is place for service—put them to work! THERE IS NOTHING—NOTHING—TO HIDE ABOUT OUR PLACE. **THERE "ARE" PRIVATE THINGS ABOUT INDIVIDUALS—UNDER THE CONSTITUTION WHICH MUST BE HONORED: PRIVACY, SECURITY AND FREEDOM.**

PROPERTY

I would give you another example in this small place. The "farm", as it is referred to, where the spelt is tested, etc., (Sunshine Valley Organic Farms, Inc.) is leased property. The ones living and tending the farm have

PRIVACY as in ANY home or business establishment. However, there get to be problems as to who else might be able to walk on the property, visit or "see". What is there to see, save spelt and some farm equipment? You are accused of wasting money—well, that is a "project" and a very good project—SHOW IT OFF, QUIT HIDING IT LIKE A LIGHT UNDER A BUSHEL—BUT ALWAYS STAY TO THE PUBLIC WAYS IF YOU ARE A VISITOR—AND RESPECT, ALWAYS, THE ONES WHO MUST ATTEND THE PLACE. **THIS PLACE IS IN NO WISE A COMMUNAL "EVERYBODY'S IS EVERYBODY'S." IT IS NOT, AND THE MINUTE YOU TREAT IT AS IF IT IS—THEREIN SHALL BE A HOLE IN THE DIKE WHICH WILL GIVE YOU PROBLEMS.**

WHEN I WRITE SOMETHING—STOP ANALYZING IT FOR ANOTHER—IF IT IS NOT FOR YOU, THEN IT IS NONE OF YOUR BUSINESS!

I speak of these things as examples or parables to get to the point of this message. It is still early in contact with some entities and "hearing" is not clear in all points or focus becomes centered on one line of "attack" to solve a massive problem—so that other items may be missed. Or, in many instances statements are made which seem appropriate at the moment spoken but are not, in rational action, suitable for followthrough.

WHERE DOES THE COMMITTEE GO FROM HERE?

Well, I assume ANYWHERE they wish to. They can keep Ronn incarcerated so he is less problem—but they know that will not last much longer as protection. Or, they can get their comfort zones adjusted as to what WE are willing to negotiate and see the writing on the wall—that it is better to join us, help us, support us and we in turn can ignore that which came before except for the changing and allowance for uncovering—without revenge motive. Why waste energy on the old in revenge when you CREATE the NEW in glory—ah indeed, using the strength of the materials which have stood the test of time. Do YOU know where to go, for instance, to get funding of massive amounts to support a restructuring of your nation? NO? Well, THEY DO!!

THE COMMITTEE AS LEADERS

The "Committee" has enemies they never dreamt of—and money is not enough to hold them at bay. Whichever side supports and marches WITH the masses of citizenry WILL WIN THE SKIRMISH AND ULTIMATELY THE BATTLE. In marching with the "goodly" beings of the globe and specifically those nations which are basically manipulated by the power of said "Committee", a foundation and an army can be established which can prevail against all enemies. Scatter and divide and discount NEED for inclusion of the "mankind" factor—and YOU WILL FALL.

Would it not be better to lead a world in PEACE and prosperity—than fall with the less strong to the those who would Satanize the planet? The choice is here before you now—right now! It is a time for consideration for GREATNESS or consider the alternative—demise of civilization! The anti-civilizationists will destroy all semblance of true human civilization as you might perceive it to be.

We are not interested in revenge upon the "criminal" or the "warrior". We are interested

in neutralizing the ability of those who are equally trapped through blackmail and criminal actions—to longer bind and destroy a nation, a republic and cost ALL all hopes for FREEDOM.

Like it or not, I am here in representation of the WINNER in this battle and I am authorized to "negotiate". I will make all sorts of allowances in exchange for change of vision moving toward desire for change into freedom and constitutional foundation. I will NOT compromise on needs, agreements OR a continuation of evil. So be it.

IT BECOMES IMPERATIVE THAT ALL ARE ABLE TO SEE THAT IT IS BETTER TO BE FRIENDS WITH GOD CREATOR AND HIS TEAM THAN TO CONTINUE IN THE DESTRUCTIVE DIRECTIONS NOW FACED BY THE WORLD.

POPULATION CONTROL

Ah, but a rebuttal is that we [of Earth] are over-populated and something must be done about that. JOIN THE HOSTS OF THE UNIVERSE—AND YOU HAVE NO PROBLEM! WE CAN "CREATE" PLACES FOR EVERY LIVING BEING, ROBOTIC MECHANISM OR WHATEVER, WITHOUT DAMAGING "YOU" IN YOUR DESTRUCTIVE, MURDERING BEHAVIOR. GOD IS ABUNDANCE! GOD HAS ALL THE "SPACE" AND "TIME" IN THE UNIVERSE—INFINITELY!

To you who now hold keys to the very destruction of the enemy as relates to individual do-wrongers—THINK! Do you REALLY want to get Mr. Christopher for making a wrong hand-shake somewhere? NO, we want Mr. Christopher to stand with TRUTH against the evil that suppresses the human species. Not only that, but to release enough funding from the criminals' coffers that the people can restore order out of this massive evil empire of chaos. Would it not be better to BE RECOGNIZED BEFORE HISTORY AND GOD AS ONES WHO RESTORED FREEDOM AND RIGHTEOUSNESS TO A GLOBE THAN TO BE FORGOTTEN AND RELEGATED TO THE DUNG HEAP OF GARBAGE AND COMPOST?

The, (you of the) Committee—KNOW BETTER THAN ANY OTHER ONE GROUP OF ANYONES OR ANYTHINGS ON THE PLANET—THAT THERE ARE EXTRATERRESTRIAL ADVANCED LIFE FORMS AND THERE ARE REVOLVING SERVICE TO MIND "INCARNATIONS" (IF YOU WILL). IT IS TIME TO USE THAT KNOWLEDGE FOR POSITIVE EXPERIENCE TO STOP DEAD IN THEIR TRACKS THE DESPOILERS OF YOUR VERY LIFE EXISTENCE IN YOUR ONGOING EXPRESSION AND/OR MANIFESTATION.

Not only CAN YOU STOP THE INSANITY ALMOST INSTANTLY—BUT YOU CAN BEGIN THE RESTRUCTURING IMMEDIATELY. There are willing hands awaiting with their hammers and saws to fit and build in perfection, then move on to the freedom and wonders opening unto the people in technology and experience beyond your dreams—IF YOU GET THE REVOLVEMENT DONE.

Each on the Committee is HUMAN, capable of doing ANYTHING goodly under the sun—and you of the "Committee" have the physical wherewithal to do this job instantly. It is going to be accomplished either way—with or without you—so, it is time for the vision and acceptance of your very purpose within this human experience. POWER over a dying world is NOT ENOUGH, good buddies—NEVER enough! Soul must blossom and fulfill its

mission of creating—not destroying!

TO RONN JACKSON

This is specifically to Ronn: Do not do "battle" with these persons. They can see, if guided by vision—into the leadership we must have on your place—to turn about this insanity. THAT is your job, son, to show them this—not threaten, blackmail or compromise. You need not compromise, but negotiation is the better part of wisdom. You are in honor for that which you have revealed about the sordid other world of the Power Brokers of the Evil Empires—and you have established HOW it is you KNOW so much. It is enough. We want to build a nation in freedom—not go back and destroy anyone or any being. It is unworthy of our mission.

What of those ones who fall into categories AGAINST God's instructions? They will fall of their own volition as the building happens. When the mind-control systems are replaced with goodness—the evil mind-warping will STOP and man and woman can again function in freedom and BALANCE of intent. If evil can do it—cannot good do it better?

DOES THIS MEAN HATONN WILL STOP POINTING OUT THE "BAD"?

No, I will point out more and more—FOR YOU CANNOT FIX THAT WHICH IS BROKEN UNTIL YOU KNOW WHAT IS BROKEN. It means we stop trying to hang someone in our ignorance and that which is evil and binding will fall to the side to devour itself—in other words, be vanished. Until you can focus on the desired goal—you will be ever distracted constantly by the intended distractions—for THAT is the intent of the adversary. FOCUS ON THE GOAL AND THE REST WILL TAKE ITS PLACE. YOU NEED LEADERS—STRONG PERSONS AND FUNDS FOR SUPPORT FOR THE BUILDING. I PERSONALLY ASK EVERY MEMBER OF THAT BOARD OF 17 AND THE MAJESTIC 12 GROUP—TO "COME ABOARD". LET US, PLEASE, BRING LIGHTED BROTHERHOOD ONTO YOUR PLANET IN HARMONY AND BEAUTY—INSTEAD OF THE TERRIBLE WARPED BEINGS YOU HAVE HELPED BUILD IN SECRET DUNGEONS.

I AM OF GOD AND GOD WINS. I WOULD WELCOME ANYONE WITH INTENT TOWARD HARMONY, BALANCE AND JUSTICE—ABOARD! Further, by your year 1995 I would like participation WITH you—but I shall not subject my crews to your insane death traps.

I am appealing to your decisions toward justice—and saving your own assets, if you prefer. I need you to make this transition more easily accomplished—BUT YOU NEED ME FAR MORE! I am going to get this mission accomplished with or without you—I ask intelligent wisdom in decision making. I KEEP EVERY COMMITMENT I MAKE, EVERY AGREEMENT OFFERED. NOW, IF YOU WILL DO THE SAME, WE CAN GET ON WITH SOME REAL JOY IN EXPERIENCE.

THANK YOU, SURVEILLANCE TEAM, FOR REPORTING TO YOUR OFFICERS IN CHARGE. THERE WILL BE SOME TICKED-OFF ADVERSARIAL ELITE. I WOULD SUGGEST THEY CONSIDER A CHANGE ALSO. THE REASON ONES MAKE IT TO SUCH COMMITTEES AS THAT OF THE 17 IS NOT BECAUSE OF HOSTILE GREED AS MUCH AS SUPREME AND SUPERIOR INTELLIGENCE TO "PLAY THE GAME". THE GAME PLAYED IN WISDOM OF OUTCOME IN FREEDOM—IS THE KEY TO THE LOCKED DOOR UNTO THE UNIVERSE—RIGHT, MR. SAGAN?

ACCOMPLISHMENT AND LEGACY IS WHAT YOU REALLY SEEK. SO, PLEASE, IT IS TIME—LET US GET ON WITH IT.

Thank you for your attention, I salute you for careful consideration—and I look forward to working WITH you.

I will await your response.

By the way, for your information—the unlawful and criminal activities, orders and unconditional laws—will be brought down along with those who MADE THEM. Wouldn't it be nice to be among the ones who STOP the insult to mankind—instead of the ones BROUGHT DOWN? I believe we understand one another quite well indeed.

Now, good council, I expect agreements to be met—STARTING INSTANTLY and I DEMAND that Ronn Jackson be freed, Buckley be met in honorable agreement, the certificates held in good and valid faith be negotiated, Gunther be set free and GUARDED that he can do his transactions—and we will leave your little troops alone. I want these adversarial "causes" against my scribe shut down—favorably resolved. We ask for naught save justice—that means I want top-notch and able attorneys in a NON-FIXED judicial setting—OR, just get it shut-down with FAVORABLE results for MY PEOPLE. I am weary of the games and garbage. We all have a job to do—a worthy, magnificent and goodly job to accomplish. I do, however, demand these things be resolved NOW—in OUR best interests—for it is the fleas, maggots and leeches which are going to be buried—whether they claim to be on your side OR MINE. These are NOT of God and I want them not around me. They can live in the dunghill wherein they can suck the very essence of life from the rot.

Unmasking Freemasonry

Part I

Illustrations Of Masonry

by Capt. William Morgan

"One of the Fraternity"

The following quotation from the Introduction to the book *Illustrations of Masonry*, by Capt. William Morgan starts a series of articles using works on Freemasonry which are intended to reveal the nature of the institution through the unmasking of its "secrets".

Capt. Morgan, in his own words, had "devoted thirty years to the subject" of Masonry. He compiled this work on the secrets of Masonry just prior to his kidnapping and murder. According to the publisher of this work, Col. David C. Miller, Batavia, N.Y., Capt. Morgan was "carried away from the village of Batavia, N.Y. on the 11th day of September, 1826, by a number of Freemasons." As a result of the murder of Capt. Morgan and the publication of his work, a strong anti-Masonic movement emerged in America which caused the temporary suppression of Masonry. However, not for long.

Col. David C. Miller, the first publisher of the work, wrote an introduction to it which is included in the current printing of the book, available through Omni Publications, P.O. BOX 900566, Palmdale, CA 93590. Col. Miller is herein attempting "to set forth some of the leading views that governed those who embarked on the undertaking."

[QUOTING:]

To contend with prejudice, and to struggle against customs and opinions, which superstition, time, and ignorance have hallowed, requires time, patience, and magnanimity. When we begin to pull down the strongholds of error, the batteries we level against them, though strong, and powerful; and victorious at last, are at first received with violence; and when in our conquering career we meet with scoffs and revilings from the besieged partisans of untenable positions, it the more forcibly impresses us we are but men; and that in every work of reformation and renovation we must encounter various difficulties. For a full confirmation of our statement we might refer to the history of the world. It is not our intention, however, to give a full detail of the whims and caprices of man to bring forth the historic records of other years as proof of the windings and shiftings of the various characters who have "Strutted their brief hour on life's stage" in order to convince that customs, associations, and institutions are like the lives of the authors and abettors, fleeting and fragile. Many of them rise up as bubbles on the ocean, and die away. Circumstances give them existence, and when these causes cease to exist, they go into the same gulf of oblivion as countless exploded opinions and tenets

have gone before them. The mind that formed and planned them, goes on in its dazzling flight, bounding over barrier after barrier, till it has arrived at the ultimate goal of consummation.

The daily occurrences before us bring forth the full conviction that the emanation from the God of light is gradually ascending to regions of greater intellectual brilliancy.

When we view man, in the infancy of society, as in the childhood of his existence, he is weak, powerless and defenceless; but in his manhood and riper years, he has grown to his full stature, and stands forth in commanding attitude, the favored and acknowledged lord of the world. For his comfort and well-being as a member of society, rules and regulations are necessary. In the various stages of his progress, these systematic improvements undergo various changes, according to circumstances and situation. What is proper and necessary in one grade of society, is wholly useless, and may be alarming in another. Opinions and usages that go down in tradition, and interfere not with our improvements in social concerns, adhere to us more closely and become entwined in all our feelings. It is to this we owe our bigoted attachment to antiquity—it is this that demands from us a superstitious reverence for the opinions and practices of men of former times, and closes the ear against truth, and blinds the eyes to the glare of new lights and new accessions of knowledge through which medium only can they break in upon the mind.

We have within ourselves the knowledge; and everywhere around us the proofs that we are beings destined not to stand still. In our present state of advancement, we look with pity on the small progress of our fathers in arts and sciences, and social institutions; and when compared with our elevated rank, we have just cause of pride and of grateful feelings. They did well for the times in which they lived, but to the ultimatum of perfectibility we are nearer, and in the monuments we have before us of the skill and genius of our times and age, we have only fulfilled these destinies for which we were created; and we object to every obstacle that opposes or attempts to oppose the will of heaven.

In the present enlightened state to which society has advanced, we contend that the opinions and tenets and pretended secresies of "olden times," handed down to us, should be fully, fairly and freely canvassed; that from the mist and darkness which have hung over them, they should come out before the open light of day, and be subject to the rigid test of candid investigation. These preliminary remarks lead us to the main object of our introduction.

We come to lay before the world the claims of an institution which has been sanctioned by ages, venerated for wisdom, exalted for "light;" but, an institution whose benefits have

always been overrated, and whose continuance is not in the slightest degree, necessary. We meet it with its high requirements, its "time honored customs," its swelling titles, and shall show it in its nakedness and simplicity. Strip it of its "borrowed trappings" and it is a mere nothing, a toy not now worthy the notice of a child to sport with. We look back to it as, at one period, a "cement of society and bond of union"—we view it as, at one time, a venerable fort—but now in ruins—which contained within its walls many things that dignified and adorned human nature. We give it due credit for the services it has done; but at present when light has gone abroad into the utmost recesses and corners of the world—when information is scattered wide around us, and knowledge is not closeted in cloisters and cells but "stalks abroad with her beams of light, and her honors and rewards," we may now, when our minority has expired, act up to our character and look no longer to Masonry as our guide and conductor; it has nothing in it now valuable that is not known to every inquiring mind. It contains, wrapped up in its supposed mysteries, no useful truth, no necessary knowledge that has not gone forth to the world through other channels and by other means. If we would have a knowledge of sacred history—of the religion and practices of the Jews, and the terms and technicalities of the Mosaic institutions, we can have recourse to the Bible. If we wish further communications from heaven, we have to open and view the pages of the *New Testament*. If we would "climb the high ascent of human science, and trace the mighty progress of human genius in every gigantic effort of mind in logic, geometry, mathematics, chemistry, and every other branch of knowledge," we ridicule the idea that Masonry, in her retirements, contains the arts and sciences. The sturdiest Mason in the whole fraternity is not bold enough to uphold or maintain the opinion for one moment in sober reality. The origin of the institution is easily traced to the rude ages of the world—to a body of mechanics, or a corporation of operative workmen, who formed signs and regulations, the more easily to carry on their work, and to protect their order. [The very obligations solemnly tendered to every member, carry the strongest internal evidence of the semi-barbarity that prevailed at the time of the institution of the order.] In the course of time, as society increased, and knowledge became more general, it spread, and embracing in its grasp other objects than at first, it enrolled in its ranks men of the first respectability in wealth, talents and worth. But that there is anything intrinsically valuable in the signs, symbols, or words of Masonry, no man of sense will contend. That there is not any hidden secret which operates as a talismanic charm on its possessors, every man of intelligence, Mason or no Mason, must candidly acknowledge. It is worse than idleness for the defenders of the order, at the present day to entrench themselves behind their outward show—the semblance before the world—and to say they are in possession of superior knowledge.

We pretend not to act under a cover. We shall "tell the truth, the whole truth, and nothing but the truth." Masonry, it is true, has long been eulogized in song—it has formed the burthen of the poet's theme, and been the subject of the orator's best performances. Fancy has been almost exhausted in bringing out "new flowers to deck the fairy queen;" but

when we come behind the scenes, what is the picture we behold? Are we to rest satisfied with the *ipse dixit* of others, or to examine the truth for ourselves? The touchstone is before our readers in the present publication.

Masonry is of itself naked and worthless. It consists of gleanings from the Holy Scriptures, and from the arts and sciences, which have shone in the world. Linking itself with philosophy and science and religion, on this it rests all its claims to veneration and respect. Take away this borrowed aid, and it falls into ruins.

Much weight is still attached to the argument, that as a tie uniting men—that, as a significant speech, symbolically speaking every language, and at the same time embodying in its constitution everything that is valuable, it should command respect. We meet this argument with facts that cannot be controverted. We put it on a basis that will fling into the background every quibble and artifice on the subject; and, in the language of a polemic writer, we challenge opposition to our position.

The religion inculcated by the Son of Man does all this; and in no possible situation can man be placed, that the benign influence of Christianity does not completely supersede the use of a mere human institution. Place a brother in a desert, unfriended and unknown,—leave him in a wilderness where human footsteps never printed the ground, the Divine Benefactor is at his side, and watches over him with parental guidance. Let him be driven on a barbarous coast, in the midst of savage men, and there it is that the breathings of the divine influence spreads around him its shield, brings him into civilized society—in the busy walks of men, and are we to be told, as members of community, sojourners on Earth, and candidates for heaven, we must be taught our duty at a Mason's lodge? Wherever Masonry exercises its influence with success, there Christianity can have, or should have a more powerful effect. Whenever Masonry claims "kindred with the skies," and exalts herself above every living sublunary thing, then, with an unhallowed step, it obtrudes on the sacred borders of religion, and decks itself in borrowed garments.

Entrenched within these strong walls—decked with all the glitter of high sounding professions, claiming what does not belong to it,—it dazzles "but to bewilder and destroy". In its train, in these United States, are enrolled many periodical works devoted to Masonry; and under the guise of patronizing mechanics—the arts and sciences—lend their aid to carry on the imposing delusion. They take up the specious title of throwing a little illumination on this benighted country, from their secret depositories. Arrogating to itself what should deck other's brows—assuming to be the patron, the life and soul of all that is great and valuable—it deceives many of its votaries, and from its *gaudy* premises the most untenable and onerous conclusions are drawn.

Are we astonished at the wild and heedless manner in which many of the votaries of Masonry rush into every excess, putting at defiance the laws of our civil institutions, which suffer no one to put in jeopardy, but by due forms, and disregarding the command of the Most High, which says, "Thou shalt not kill?"—we can readily trace the cause to the impressions and practices obtained from its false tenets and descriptive arrogance. Masonry is

to the modern world what the whore of Babylon was to the ancient; and is the beast with seven heads and ten horns, ready to tear out our bowels, and scatter them to the four winds of heaven.

Masonry gives rogues and evil-minded characters an opportunity of visiting upon their devoted victim, all the ills attending combined power, when exerted to accomplish destruction. It works unseen, at all silent hours, and secret times and places; and, like death when summoning his diseases, pounces upon its devoted subject, and lays him prostrate in the dust. Like the great enemy of man, it has shown its cloven foot, and put the public upon its guard against its secret machinations.

This part of the subject requires no further discussion either by way of ridicule or downright sincerity, but the remark which cannot be too often reiterated, that the world, in its present advanced state, requires no such order for our social intercourse; and when the Masonic mania prevails as it now does in this country, we are exalting a mere human ordinance, with its useless trumpery and laughable accompaniments, for the sublime and unadorned lessons of Heaven.

To some men it is galling and mortifying in the extreme to give up their darling systems. With the increase of years their fondness becomes so great that they cling to them with wild and bewildered attachment. But we would ask them, where now are the Knights of Malta and Jerusalem and the objects that called forth their perils and journeying? Where are the crusades and excursions on which our Grand Commanders, Generalissimos and Sir Knights are to be engaged..... In no other excursions than Cervantes describes of his redoubtable hero *Don Quixote*. The days and occasions that called forth these deeds of chivalry and valor have passed like those before the flood; and the mock dignitaries and puppet show actions of Masons in their imitation call forth pity and indignation. When we now see the gaudy show in a lodge-room, and a train of nominal officers with their distinction and badges, it may give us some faint idea of scenes that are past, and may gratify and idle curiosity, but produces no substantial good under heaven. When monasteries and cloisters, and inquisitor's cells and prisons have been broken up before the sweeping march of the moral mind, why this unnecessary mummery should be so much countenanced in this country, above all other countries in the world, is a matter of astonishment.

The day we trust will never arrive here, when ranks in Masonry will be stepping-stones to places of dignity and power—when this institution will be a machine to press down the free born spirit of men. We have now no tyrant to rule over us—no kingly potentate to move over our heads the rod of authority; but high in our elevation, and invincible in our strongholds, we put at defiance secret cabals and associations. The public opinion is like a mighty river, and gigantic in its course it will sweep every interposing obstacle before it.

In the work which we submit to the public we have given false coloring to nothing; nor in these remarks have we set down aught

in malice. In the firm discharge of our undertaking we have been stern and unbending as the rugged mountain oak; and persecutions, pains and perils have not deterred us from our purpose. We have triumphed over tumult, and clamor, and evil speaking.

When our book goes out to the world, it will meet with attacks of a violent nature from one source, and men of mock titles and order will endeavor to heap upon it every calumny. Men more tenacious of absolute forms and practice than they are attentive to truth and honor, will deny our expositions, and call us liars and impostors.

Such is the treatment, however ungenerous and unjust, which we expect to meet, and for which we are prepared. Truth, we know, is majestic and will finally prevail. The little petty effusions of malice that will be thrown out, will die with their authors, whom this work will survive.

We now aver, in defiance of whatever may be said to the contrary—no matter by whom, how exalted his rank—that this book is what it pretends to be; that is a master key to the secrets of Masonry; that in the pages before him, the man of candor and inquiry can judge for himself, and then a proper judgement will be formed of our intention.

[END OF QUOTING]

Please keep in mind that the kidnapping and murder of Capt. Morgan took place about 50 years after America had gained her independence from England, 50 years after Adam Weishaupt had infiltrated and gained control of Masonry, and about forty years before the Civil War between the states. "Masonry" was no longer a guild of working-men, there were in other words, no "trade secrets" to protect. The men who kidnapped and killed Capt. Morgan were solely "protecting" Masonic secrets according to the terrible oaths that had been required of them. When one considers the sometimes "barbarity" of the era, the lack of education in general, and other pressures of diabolically contrived circumstances, it may be easier to understand how certain Masons were driven or even led to take the extreme action which they did.

I will take-up with the first part of the book, *Illustrations of Masonry*, at the next writing. It begins with the description of the Masonic Ceremonies in opening a Lodge of Entered Apprentice Masons.

"Authority" Tells Us Who Is Hatonn

7/28/94 #1 HATONN

SOLAR CROSS OR SOMETHING?

I don't know what it is you expect me to do with this old garbage sent forth recently from something or other called Solar Cross, Starwards II (Earthman Come Home). What in the world are "they" talking about? HOW ARE THEY GOING TO GET "HOME"? And above all—who is Richard T. Miller? Who cares? Is his information valid, invalid, foolish, limiting, inclusive of ALL OF GOD'S LAWS like, for instance, the UNLIMITED ability of GOD?

I can IMMEDIATELY tell you the paper being passed about is both old and invalid! How? Because the assault against Hatonn is focused on Dharma being a male—basically accepted as George Green, America West's presentations and something called *The Phoenix Liberator*.

This person states that Hatonn is one of the most important personages in the universe, along with Mon-Ka, Ashtar, etc., and then says that Hatonn is keeper of the records. What records?? Next he hits with the fact that Hatonn offers incredibly overwhelming information to boggle your sick minds and frighten you with such as "underground bases". Hatonn, "who is the most respected scholar in the Universal Confederation of Man and the Keeper of the Galactic Archives...would quote chapter and verse, page after page, ad infinitum, of exquisite details concerning hundreds of hidden underground military installations and missile bases, State by State and City by City, until the unwary seeker (recipient) is overwhelmed by the sheer enormity of an alleged government threat to use such weapons against its own citizens. Those receiving this type of information must be terrified of this implied threat, coming as it does from such an impeccable source as an alleged Hatonn. Can any rational person deny that this type of information creates fear, distrust and certain forms of paranoia? Can any of you believe that the real Hatonn, a responsible being, would supply such information or engage himself in such activity?"

This person goes on to suggest that my speaking on politics is offensive and "...would NEVER HAPPEN." Readers, what do you pray for? Do you not pray for help? Do you not pray for insight and information? The CALL COMPELS THE ANSWER! If you pray to God for help—and you mean it, good friend—you will GET IT! Since GOD deals with INFORMATION and energy—you will get it THIS WAY, not by a firing squad or a ruptured evacuation. Furthermore, IF we wish to consider what else the man said above: I am keeper of the Galactic Records?!? Then, who else would be better qualified to bring you the recorded truth? Ponder it. This person also continues "...But even more, how could they believe that such respected beings as Hatonn, Mon-Ka, Ashtar, etc., would participate in such an activity?

Even more incredible is that spiritually advanced and highly evolved beings such as Hatonn would become involved in the farce of human politics...or would engage in a massive tirade detailing the inner workings of the CIA, NSA, Council on Foreign Relations, Business Elite, and numerous others. All for the avowed purpose of 'waking up' a sleepy and unconcerned humanity about the terrors of a One World Government or the covert intentions of the Trilateral Commission. Many publications have appeared in the last forty years where respected Space Beings have been used to further the personal ambitions or motives of individuals, groups, and organizations who have a message of their own to impart or suspect a governmental conspiracy behind every tree. However, nowhere is this more blatantly evident, than in purported communications from Hatonn, and others, being distributed world-wide in the publication *The Phoenix Liberator* and its allied publications **AUTHORED BY GEORGE AND DESIREE GREEN OF TEHACHAPI, CALIFORNIA AND DISTRIBUTED BY AMERICA WEST.**

I am also credited with: "...that he is supplying it, (information) to let all seekers of the truth know the nature of the incredible threat facing humanity. Has the thought passed through your mind that somehow, your intelligence has just been insulted?...And this is not all. This source, claiming to be Hatonn, presents (again, in overwhelming detail) what is claimed to be penetrating insights into almost every organization, both national and international, that is involved in a gigantic conspiracy to totally enslave all humanity.... If true, this is an incredibly naive Hatonn at his finest; [H: Guess so!] instilling fear, distrust and paranoia throughout the ranks of an unsuspecting and (in his words) gullible public and humanity." [H: GUILTY AS CHARGED!]

But, readers, I like the next, best: "But perhaps we, who question this, are all unenlightened and cannot see the trees because of the forest. This would be hard to accept because 'we' are approaching this evaluation using nothing more than our past knowledge, common sense and our rational minds.

"This source, who identifies himself as Hatonn, does not make clear whether he is claiming to be 'The Hatonn' (the one we have all come to know and respect). His credentials are somewhat unclear as he identifies himself as:

"Gyeorgos Ceres Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Intergalactic Federation Fleet." [H: What is unclear about that?]

[H: NOW PAY ATTENTION, READERS:] "This cannot be the same Hatonn known to this author or the one we introduced to the public years ago." [H: They "introduced years ago"? I guess I can't be quite the same, can I? Who is dealing with mysticism and who is dealing with REALITY? What nerd from floating clouds would lie to you or who

would bring you the TRUTH of GOD and infinite life? NO—I TREAT YOU LIKE THE WONDROUS, THINKING, REASONING, FREE-WILLED CREATIONS WORTHY OF YOUR LABEL OF "MAN", THE SON OF GOD—WITH GOD, IN HUMAN EXPERIENCE—about to lose your lives! How many of you ask, "How could God let this (or that) happen? And the children, how could God let this happen to the children? GOD doesn't! You allow people like this "author" writing this garbage, to convince you that God wouldn't involve HIMSELF with your lives! HOW ELSE DO YOU ATTEND THOSE CHILDREN—UNLESS YOU KNOW IT IS HAPPENING, HOW, AND WHY?!" "This is NOT Hatonn, Keeper of the Galactic Archives. This is NOT Hatonn of the Universal Confederation of Man. This is NOT the most respected and honored scholar in the Galaxy. According to Confederation records, no one else in the galaxy is entitled to be known as Hatonn because the name is not only a name but also a special title reserved for the Keeper of the Galactic Archives. Therefore, anyone else claiming the name of Hatonn must be using the name and title for devious reasons of their own.

"From his credentials, it is immediately apparent that Gyeorgos Ceres Hatonn is not a member of the Universal Confederation of Man. Instead, he claims to be associated with the 'Intergalactic Federation Fleet'. [H: Can't be both? Especially since I am also touted as "the most respected and honored scholar in the Galaxy"? Maybe I got bored with the job? Perhaps I am quite capable of doing BOTH? WHAT DIFFERENCE DOES IT MAKE—IF I BRING TRUTH OF HOW IT IS? I have also said since onset of these writings that they are that which will be RECORDED AS THE HISTORICAL TRUTH OF THIS VERY AGE OF MANKIND AND EITHER WHAT WENT WRONG—OR THE RECORDS OF THE HISTORICAL RECLAMATION OF A PLANET! I do not insist this person access this material—this man may serve or do anything he chooses but I personally do not wish his services in my Command—he obviously serves another who is so limited as to be a warthog rooting up truffles. By the way—have YOU met anyone from the Confederation of Man? I thought not!] Perhaps because 'Federation' sounds so similar to 'confederation' humans will interpret this as meaning he is a member of the Universal Confederation. [H: Well actually, there is such—and I Am! See how sly this is? Does this writer mean Universal Confederation of Man as first mentioned or Universal Confederation? Wow, is there ever a BIG difference!] He also uses the name of Hatonn without any clarification thus, again, allowing the name similarity to create the impression that he is the 'real' Hatonn. The unsuspecting, might 'assume' he is the genuine article. His credentials also state that he is a member of a Pleiades flight command. It so happens that the Pleiades sector of space and its associated star systems are members of the 'Grand Alliance of Man.' [H: I'll tell you right now, readers, to BEWARE. A "grand alliance of HUMAN" might be acceptable—but an alliance of "man" is saying NOTHING!] The Grand 'Alliance' is composed of star systems and worlds that are not yet mature enough to become Members of the Universal Confederation. They are considered to be... [H: The last sentence is missing from the page. What credentials makes THIS "author" in point

considered valid in any measure at all? How did he or does he get his information? What is there about the writing (which, by the way, that is presented as IF HATONN WERE SPEAKING BUT IS SIGNED RICHARD T. MILLER), that provides anything save opinion of Richard T. Miller, much the more—what does the message assumed to be from this Hatonn, say? We will go to the ending to save time and give a listing of EVALUATION GUIDELINES—from this entity and/or Richard T. Miller:]

"The following may be of assistance in evaluating communications from any source identifying themselves as belonging to the Spiritual Hierarchy, the Universal Confederation [H: Of "man" or what?] or claimed extra-terrestrial:

"1. Is the message content or information supplied consistent with the awareness level you would expect of a more advanced, highly evolved, being? Do not waste your time studying information from lesser beings or those that exhibit decidedly human attitudes and characteristics if your goal is quality.

"2. It is your right to expect 'meaningful' information that contributes to your growth of awareness and understanding. Information that inspires your quest to become a more enlightened being. On occasion the "Light" will illumine areas of darkness so that you are aware of conditions that could hamper your growth of awareness. However, this is seldom an on-going experience and is never carried to the extreme of becoming a crusade.

"3. Beware of personal flattery offered you, unless it is commendation for the growth of your awareness. Highly evolved beings do not use this tactic to gain or insure your interest or loyalty.

"4. Evolved beings do not supply information that inspires or promotes conditions of strife and distrust against others.

"5. More highly evolved beings never involve themselves in human political activities or support, or urge support, for political candidates. Such activity could influence an individual's 'right of free will'. Any such action would violate a higher moral standard that they live by.

"6. Do not accept as truth, for yourself, any information that requests your action or support if such would demean or violate your own ethical standards.

"7. Realize that there are clever entities, individuals and organizations that oppose any degree of 'Lighted' awareness. Their objective is to maintain the status-quo or retard your growth of awareness by creating confusion, divisiveness and chaos. Measure your progress, using 'them' as a 'yardstick' of 'their' degrees of awareness. A comparison that truly reveals 'your' growth.

"Blessings in the 'Light' of the Radiant One. Richard T. Miller. NOTICE: In an effort to serve the best interests of all sincere seekers of the truth, and to correct the misinformation supplied to an unsuspecting public, the author Richard T. Miller, hereby grants permission to freely copy and distribute this 'Author's Note' to all interested parties."

I believe the above speaks for itself—if you have any common sense at all! Furthermore, the fact that we have received so many copies of this document from ones that receive regular packets of foolish information from Green—

where do you think such a MAILING might have originated in order to further discount this resource?? Readers, if you can't see the pattern of deception and distraction, you are in for some long, hard and bumpy roads ahead. I think the very first paragraph of this document in point says it all:

"Over the past thirty-seven years an enormous quantity of information and commentary has been published by various organizations, groups and individuals who claim their source is a being known as Hatonn.

"However, I cannot prevent myself [H: Although he should have.] from wondering why no one ever received a communication from Hatonn or any of the others of the Universal Confederation of Man, prior to our introducing these beings to humanity." [H: Beats me! Is it POSSIBLE that there were others??] "These beings were introduced to humanity by the messages received by myself and distributed worldwide by the original staff of the Solar Cross Foundation (circa 1955 through 1979) and up to the present by myself, your Author." [H: Looks suspicious to me!]

Readers, I wonder about all those preachers on Sunday mornings who get up and SPEAK WITH GOD—or claim that JESUS OR SOMEONE UP THERE—SPEAKS WITH THEM AND GUIDES THEIR OFFERINGS. DOES THIS MAN NOW LIMIT, FURTHER, GOD'S CAPABILITIES? CERTAINLY MYSELF OR ANY OTHER COMPATRIOT OF MINE WOULD NOT COME IN SERVICE TO SOME RICHARD MILLER—WE SERVE THE CREATOR AND THAT WHICH IS SOULED HUMANITY IN LIGHT, LOVE AND WISDOM. WOULD YOU WANT LESS?

Do I discount this person, Miller? NO! He has just supplied you receivers of any information a whole examination (testing) of your ability to recognize truth versus ego, disinformation, or whatever you wish to choose. Surely it is easier to "go" with such a speaker—for NOTHING is expected of you—not gaining intelligence or seeing what is happening, or fixing anything, or acting any other way at all—especially within the laws of GOD AND CREATION. All you have to do with this party is "be" stupid and uninformed! You will also, I will guarantee, think that you can ascend without reason, be raptured or evacuated without cause or reason and thus and so. This is a good and worthy guide and teacher to a world in trouble? So be it! Good luck. That FLEET to which this man refers in non-subtle sarcasm—is the difference to YOU of physical life or death! And more than that—the play describes a pretty dastardly and horrendous ending to your setting. HOW MANY PEOPLE HAVE YOU SEEN ASCEND? HOW MANY PEOPLE HAS ASHTAR EVACUATED? IS IT NOT A BIT WISER TO PREPARE—IN CASE?? Your choice is to receive garbage or truth—and all in-between. Study it ALL—and watch out for ones like this who tell you "do not read that..." Why? I offer what I offer and it will stand into infinity in total context of GOD AND UNIVERSE. If I give you an incorrect date—forgive me, I deal not in time or space limitations—and I find specific details often quite boring if not downright unimportant and unworthy of my attention. Anything taken out of context or left unread on a shelf—is of NO VALUE WHATSOEVER! I further suggest you STUDY both presentations, his and mine—ALL OF IT—and see who YOU WOULD RATHER HAVE ON YOUR SIDE and who might be serving TRUTH in ALL INSTANCES—EVERY TIME!

I purposely used this person's expression

about the underground bases. Why? BECAUSE THEY HAVE NOW BECOME KNOWN AND PUBLIC INFORMATION! WOULD YOU BE BETTER OFF TO NOT KNOW ABOUT THEM AND "BE SURPRISED" AND ALLOW YOURSELF TO START NOW IN SHOCK AND TERROR? TRUTH WILL GIVE YOU FREEDOM—garbage will end you up in the garbage dump of life! NO, I take no offense at this man's offerings—I could not purchase such confirmation of my own reality and/or what I am about and doing. MAN PLACES LIMITATIONS—GOD HAS NONE! KEEP IT IN YOUR MINDS AND HEARTS!

THE HARDER ONES NOW TRY TO DISCREDIT ME AND MY PEOPLE—THE MORE YOU CONFIRM AND PROVE THE VERY TRUTH OF OUR BEING. HOWEVER, IT IS AS THE REDUCING DIETS AND INSTRUCTIONS—IF YOU FOLLOW NOT NOR READ THE INFORMATION—YOU WILL NOT LOSE WEIGHT! DON'T TELL ME A THING DOES NOT WORK OR THAT WHICH I TELL YOU IS NOT TRUE—WITHOUT EITHER READING OR DOING SOMETHING. YOU LOSE WEIGHT BY REDUCING INTAKE! YOU GAIN TRUTH BY EVALUATION OF THAT WHICH IS OFFERED—IN FULL, FOR YOURSELF—NOT AT THE OPINION ALTAR OF A SELF-PROCLAIMED GURU OR SPEAKER. TRUTH IS TRUTH—A PERSON IS A PERSON.

Therefore, by his own declaration of himself (Miller) as being the Author of the document in point, he says it is HIS OPINION! When Doris writes—it is HER OPINION. Do you see the difference?? Let's look at something more close to home—when Mr. Clinton writes a letter personally through his secretary—is it his opinion reflected? What if the secretary writes a letter to "anyone", is it Mr. Clinton's or hers? What if he dictates it on the phone? Oh, you don't see Mr. Clinton, do you? What makes you think there IS a Mr. Clinton? How many Mr. Clinton's are there? Do YOU know him? How do you know him? When you hear Larry King on TV, even if the picture is out—do you recognize him? Do you actually KNOW it is him? Could it be a mimic? You can only KNOW by the truth of information presented!! You can only know information—if you READ IT OR GET IT FOR YOURSELF, ELSE IT IS SOMEONE ELSE'S OPINION OR PERCEPTION! IS HATONN REAL? WHAT DIFFERENCE DOES IT MAKE IF THAT WHICH I OFFER IS VALID TRUTH?

George Green writes his letters and says, UNTRUTHFULLY as a matter of fact, that five teams of lawyers have dumped the Ekkers, et al... and "what do you think that means?" Well, this, number one, has NOT HAPPENED—however, it would seem to me, knowing attorneys, that they are terrified that they will be fingered by the UNJUSTICE system—and/or ARE AFRAID THEY WON'T GET ADEQUATELY PAID FOR DOING NOTHING! And, if you can't get an attorney without funding—and there is no funding and a case is lost by no defense fight, which you can't have without funding—does the outcome in court MEAN ANYTHING? No—if a court gives the gold back to Mr. Green who thieved it in the first place, through default for lack of legal continuation because of lack of funds for continuation, does this somehow prove the righteousness of Green? No, it PROVES THE EVIL OF THE SYSTEM AND MR. GREEN UNDER THOSE CIRCUMSTANCES—FOR "HE" KNOWS THE TRUTH OF HIS SECRET DEALINGS. TRUTH IS NEVER CHANGED BY THE LIE!

BULLETIN #15

by Ronn Jackson

1. "T" from Union Mills, Indiana asks: "Could you speak more about our past or present contracts/agreements/associations with higher extraterrestrial life?" By the time you receive this letter in *CONTACT*, you will have read Bulletin #12. In Bulletin #17, I go into depth on most of what you asked. Thank you for writing, and please don't be hesitant to identify yourself and use a return address.

2. "Howard & Catherine" from Riverside, California ask: "Do you know who 'Larry Nichols' is and what part did he play in the Clinton situation?" I had to make several phone calls to get this information and I consider my sources very reliable. Mr. Nichols accused President Clinton of several violations of the law including "drug money laundering". Mr. Nichols was the director of the "Arkansas Development Finance Authority", under our current president, while he was Governor of Arkansas. The only charges that he has been able to substantiate are: "Some of Clinton's friends paid off over two-hundred-thousand dollars in personal loans that 'Bill Clinton' signed for while making a little over \$35,000 a year, as Governor." If they had not paid off the loans, Bill Clinton would have had to pay every penny he earned over a period of 10 years. Who is this fraud trying to kid?

3. "Mary G." from Portland, Oregon asks: "Mr. Jackson, since you are in prison, what is your opinion of the death penalty?" My being in prison has nothing directly to do with the death penalty. That decision must be made by the people and in compliance with the Constitution. My personal opinion is, no person has the right to take another's life, however if I were to be asked, I would support the death penalty for the following crimes: Murder (not in self defense), any crime against children of a sexual nature by an adult, rape, treason, and the making of a law or presidential directive that does not comply with the Constitution. The answer to the second part of your question pertaining to abortion, is: An abortion is a personal decision to be made by the female person involved and is none of your or my business.

4. "Dean" from Salt Lake City, Utah asks: "Have you read 'Shakespeare' and if so, what is your favorite work?" Yes, and I like, *A Mid-Summer's Night Dream*. I've seen several versions also and pick-up something new each time I see it. I have two favorite Broadway shows. The first is or was, *Happy Time*. It was shown on Broadway in the early seventies and starred "Robert Goulet". My second favorite is, *A Chorus Line*.

5. "Jerry" from Los Angeles, California asks: "Did 'Michael Jackson' really get married?" Who cares!!

6. "H.C. & Wanda" from Dallas, Texas ask:

"Do you or have you ever taken drugs?" I will soon be 56 years old and have never taken any drugs other than those related to surgery. The second part of your question referring to "recreational users", is a contradiction unto itself. People who use the term are only fooling themselves.

7. "Louise" from Colorado Springs, Colorado asks: "Can you recommend any gold stocks?" The stocks that I know and believe in are: "Battle Mountain Gold", "Cambior" and "Royal Oak Mines". A good indication of what to buy is to watch "Sir James Goldsmith" from England. He recently purchased gold futures. He alone, by his buying habits, controls much of the global gold market.

8. "Dale" from Milwaukee, Wisconsin asks: "What is the phone company doing with the '500' area code?" The phone company is offering a service. The Government has already requested access to those subscribers. 1984?

9. "Ed" from Atlanta, Georgia asks: "Can you tell me anything about the organization, 'MENSA'?" It is an organization of people with "IQs" of over 145. I was at one of their meetings and all I saw were people trying to impress others with their knowledge. The Government told me mine is 217. I don't pay that much attention to those things. Common sense is more important.

10. "Charles H." from Honolulu, Hawaii asks: "Do you have an orographic background?" I like the mountains and I have climbed a few and skied down a few. You need to be a little more specific. If you are referring to L-610-04, yes, that was me. From your letter, I can deduct you were a part of Naval Intelligence.

BULLETIN # 16

I have received thousands of requests asking why *The Death Of Camelot* is not being run at this time. In the paper's prudent wisdom, much in the series exposes names and events that most of you are familiar with. Because of the nature of the offenses and those individuals involved, you, the readers will understand.

It seems to me, I get an occasional letter with a subject contained in that letter and Commander Hatonn invariably will touch upon that very subject. Case in point, the July 19, 1994 issue of *CONTACT* had a small mention of "Nostradamus" on p. 44. I am not an expert on the ancient prophet, and have no intention of being so, but I would like to make some very definite statements regarding prophecies. Let's start with one nearer to us in time. Many people are traveling to "Egypt" this December for the Ascension of 144,000 people on 12/12/94. What I would like to say is that the only thing that is going up is "the bank account of the tour originators". What 12/12/94 means is, December 12, 1994. Nothing

more. The originator of this "Prophecy" is an obese female living in Phoenix, Arizona, who is claiming to be 265 years old. When I spoke to a couple of "elders", their response pertaining to the lady in question was: a 35-year-old "con-artist" who fleeces Senior Citizens out of large sums of money.

To those who did not send their return address on letters to me, you have lost your deposit. Look at this as a learning experience; you could have lost more.

The next prophecy is one of my own. "1997" completes a two-hundred-year cycle that most people are not aware of. Most of what I say can be verified in most history books.

Religion runs in 200-year cycles. Currently and in the past one-hundred-ninety-seven years, people have held in their hands a crutch, called the *Bible*. Many unscrupulous people have used this book against people by twisting what is said in it to their own self-serving needs. They use, and twist and contort simple statements around and attempt to use a literal translation, instilling fear into people and stating certain actions will bring abomination unto those who do not believe their interpretations. These individuals are nothing more than good speakers (at times) and are able to hold people's attention. What will happen in 1997 upon completion of the cycle is: bigotry, "anti-semitism", hatred, and small mindedness will continue, and death by virtue of religious beliefs and/or convictions will continue to be the largest single reason people die on this globe. Yes, more people in history, up to and including now, have died because of religious reasons. I challenge anyone to dispute these words.

I continue to be asked, what is my opinion of the *Bible*. I must pre-empt my answer with the following statement: In a former life I was "Josephus", of the "Essenes." Two other men and myself participated in some of the events described in the *Bible* during that time; however, those events as depicted in that publication in no way resemble what I know to be fact. My conclusion is, due to innumerable translations by innumerable personalities, some with self-serving reasons, the *Bible* is similar to our country. It is not what it appears, and is represented to be. Further, as a scientist (in a sense), there are too many unexplained discrepancies. I believe in and know of a Supreme Being and know, in my present existence, that I will meet Him.

We, as Americans, have always risen to the occasion, no matter what the reason may be. Just in the past few short years this country has had fires burning millions of acres, floods making thousands homeless, and earthquakes causing billions of dollars in damage. Now we know that one of the first things that happens in a disaster is, that the politicians flock to the disaster like flies to "cow dung". The second thing that happens is, an emergency is declared, with the politician standing between the camera of the mainstream media and one of the most shocking scenes. The third step is, the politician, based on figures usually by someone on his staff, commits to huge sums of money that the Government does not have. The fourth step is, the politician brings in the bloated bureaucracy known as the Federal Emergency Management Agency, FEMA for short.

Now we, as Americans, as I stated earlier, are always eager to help, but none of us stop and think about where the money will come from. The money comes from "bonds" printed

up by the Government and then the *private enterprise* central bank goes into action and prints up a like amount of "FRNs" (Federal Reserve Notes) to cover the amount authorized by the action of our politicians.

I will concede that the people who are hurt by these disasters need and appreciate the money given to them by Government but, let us examine what the Government actually did. First, the catastrophe that happened is used by the politician to show what he has done with our money and to propagate his ruse. Next, the bloated bureaucracy drags their feet, using as an excuse the paperwork, to prolong the suffering of those involved, putting those people in a frame of mind that anything is better than nothing and actually not giving one single thought about the source of the funds. After the printing of the "FRNs", that money is placed into circulation so that when the bonds that the Government printed up are sold, an equal amount of "FRNs" are now in circulation. By the time the paperwork is completed on any particular disaster, another one occurs and the cycle continues all over again.

What the Government accomplished in the disaster, people will say, helped those unfortunate victims of the disaster, but they are forgetting about the funds that were used to pay for the disaster. Where will they come from? Now, since you and I were not involved directly, we don't give those funds another thought. We elected those people to do a job and it is their responsibility. You say, "It ain't no skin off our butts." You're wrong! It is coming right out of our pockets as those bonds will come due in thirty or forty years and they have to be redeemed [paid off]. Oh well, we will let our grandchildren pay for them. Now, you are getting the picture. What the Government has done is indentured your grandchildren. The definition of slavery is: "A person wholly subject to another." In this case, Government. You and I are now slaves to FEMA. It is non-positive law (laws that do not comply to the Constitution), and until you awaken and discover what the Government has done to you, and what they do to you every day, you deserve to be in bondage.

1. "Adam H." from Springfield, Illinois asks: "Why is Commander Hatonn speaking of the following past Government officials: 'Clark Clifford', 'Walt Rostow', 'Robert McNamara', 'Abe Fortas', and others?" The current series, *THE USURPERS*, mentions these people and more. All are included in *The Death of Camelot*, Book #1. Commander Hatonn knows what he is doing and I received his request. "Walt Rostow" is A-1 of the Committee [of 16/17] and much more. That information is included in Book II of *The Death of Camelot*, *The Darien Conspirators*. Mr. Rostow also has an entire chapter of Book IV. Dean Rusk is also included but he is not a part of the Committee. Mr. Rusk receives more credit than he deserves, although as a statesman he excelled, so we are told. Mr. Rostow may be the most dangerous man on this Earth; however, in our conversation of last week, he was very civil.

2. "John F." of Vista, California asks: "Can you give an educated guess on where the next earthquake will occur in California?" There is an unusual amount of stress on the San Andreas Fault, west of Fresno on Highway #165.

3. "Beverly & Leo" of Minneapolis, Minnesota ask: "In your career, did you work with any law enforcement agencies?" No, as most

were restricted by the court system in one means or another. When you play in the league I was in, you make your own rules as required.

4. "George & Marie" from Emporia, Kansas ask: "Did your work ever bring you to Kansas?" I delivered and picked up "items" on occasions but nothing of a nature that you are referring to.

5. "Mike" from Baltimore, Maryland asks: "Mr. Jackson, several years ago, I was employed by a firm that did computer engineering for the Federal Government. The man who owned the company had your name. Is there any connection?" Yes. Hi, Mike!

6. "D.H." from New York City, New York asks: "Several years ago, I was told a story by a man who had been in a plane crash. The story was about his stay in the hospital after the plane crash. Are you by any chance that man?" Yes, Ms. Hall. I saw your "soap" yesterday (Fri. 7-21-94).

7. "Albert & Eva" from Cumberland Gap, Tennessee ask: "From your statement about the 'Bear'. Were you in a former life from Tennessee?" If you were asking about the saying, I heard it from my Grandfather. No, I was not Davy Crockett. I don't object to telling you a few of my former lives. Starting backwards, I was a soldier killed in the First World War. Prior, I was an Indian killed in the Southwest. I then lived in England as a book-keeper, and before that, I was "William Pitt" the elder, to name a few.

8. "I. M. Y." from Coamo, Puerto Rico asks: "My wife and I lived in Santa Barbara County in California. My son attended 'E. P. Regette' high school. Did you have children attend that school?" Yes, we were neighbors about 18 years ago.

9. "H. G." from Spokane, Washington asks: "The people of Washington state voted in 'Term Limits'. Rep. Foley is fighting the people's mandate in court. Care to comment?" Representative Foley is speaking for the Government in his law-suit. The Government has only contempt for their Constituency and are openly showing it. My opinion of Foley's actions means little. You are a part of Washington. What are you going to do about it? I realize it is improper to answer a question with a question, however, the people of this country are going to have to get off their "Complacent Duffs" or accept slavery. Representative Thomas Foley is a traitor to the Constitution.

10. "Art & Peg" from Ocala, Florida ask: "Several years ago, there was a movie that said, the United States did not land on the moon. What are we to believe?" NASA is a Government bureau that spends (not in our interest) billions & billions of dollars. It is a program that spends your and my money and is primarily devoted to employing people. However, we did go to the moon. The movie was for entertainment.

11. "Craig" from Billings, Montana asks: "How is your lawsuit progressing?" The pre-trial is scheduled on 9-13-94. The Government is in violation of the court rules as they have failed to respond to the pre-trial order.

12. "E.L." from Connersville, Indiana asks: "I think I have seen, in the writings of CONTACT, that you are from Indiana. Can you tell where, if this is true?" Just about 30 miles north of where you live; I'm from New Castle.

13. "Martin T." from Des Moines, Iowa asks: "I've seen mentioned in your story, 'David Belin', an attorney from my city. How is he involved?" Mr. Belin was the co-counsel, along

with Senator Arlen Specter of Pennsylvania, for the Warren Commission.

14. "A.L." from Ft. Worth, Texas asks: "What kind of car do you drive?" I buy only American products. My preference for years has been a "4 X 4". Currently I own a 3/4 ton Suburban by General Motors.

15. "Sandra" from Niles, Michigan asks: "Do you know anything about the disappearance of 'Jimmy Hoffa'?" That information is included in Book #1 of *The Death of Camelot*. The speculation by the main-stream media is that he was killed by organized crime; that is incorrect. He was killed by two law enforcement officers, one from East St. Louis, Illinois and the other from Chicago, Illinois. Further details will be forthcoming; however, Mr. Hoffa is buried not far from Chicago. Details have been given in the series [of *Camelot books*].

BULLETIN #17

1. "A.C." from Dayton, Ohio asks: "Mr. Jackson, having lived my entire life in this area, there are stories about the military facilities in this area. Can you elaborate on any of them?" There is nothing out of the ordinary about the bases, i.e., Wright-Patterson and others. However, outside of Wright-Patterson, there is a security clearinghouse that the Government denies as being important. The reason they deny that anything is going on is reason enough to question them. Never believe anything that the Government says or does until it is denied.

2. "Paul" from Sun City, California asks: "Do you have any idea what will happen with Social Security?" The Government, as they normally do, promised more than they can provide. Social programs are nothing more than the "fancy" of idealistic fraudulent politicians. Their only hope of pushing through these types of legislation is dealing with the gullibility of people who want something for nothing. You need to make a very important decision. Do you want freedom or slavery? Your Government has now placed you in that position.

3. "R.G." from Norman, Oklahoma asks: "Can you explain the prime number?" It is a number not divisible by any smaller number [other than one]. There has been controversy as to the existence of such a number [that is, calculating what might possibly be the LARGEST prime number to date]. Since the number would be impossible to be worked out manu-

ZIGGY / By Tom Wilson

ally, only a computer could do all of the necessary computations. Then, there is the problem of the computer having the correct information or software, therefore requiring a person with a mathematical background to write the computer code. Several people have tried, and I am told, have been successful by using "Super Computers" to solve the problem of whether or not there is a [largest discovered] prime number. I have solved that problem, using the language FORTRAN, on an XMP-48 Cray Super Computer. The number is 20,148 digits long and required a little over two hours to calculate.

4. "A.F." from Chapel Hill, North Carolina asks: "I've noticed that none of the federal elected officials live in Washington, D.C. What is the reason for that?" When the federal elected officials are on Washington, D.C. property, physically, they are exempt from the Constitution. In other words, since our nation's capitol was originated by the Constitution, any decision or law made by them cannot be used against them for any unconstitutional act. In effect, our devious elected federal officials can commit treason and get by with it. If you look at all "non-positive" law (those laws not in accord with the Constitution), those who voted for non-positive law are guilty of "treason" against the Constitution. Each and every one of those politicians would say: "The people want it"; and if those people who are elected would say, "this law is unconstitutional" before voting against it, those laws would not be in effect today.

5. "Doris" from Jackson, Oregon asks: "Sometimes I feel a strong presence here. Have you been to central Oregon?" Yes, I own property around Blue Rivers or Sisters, Oregon. No, I have never felt any presence in that area, but I wasn't looking for one on my trips there.

6. "A. & C.-F." from San Diego, California ask: "Can you tell what information you have regarding the closure of the military bases in our country?" There are many rumors regarding what those bases will be used for. There is one very large facility in Alaska, that is being transferred to the park service. Two facilities in the San Francisco Bay Area are, it is said by the cities involved, being turned over to the cities for their use. One on the East Coast has been taken over by that particular state and a shopping center is being built at this very time. I believe what you are asking is, are these bases going to be used for dissidents of this country who do not believe in their country and Government. I would say that possibility does exist. However, there is a line, which, if the Government does go over, the citizens of this country would not tolerate. This is one.

7. "Alel" from Springfield, Missouri asks: "Can you give your opinion of the EPA?" While an agency of that nature is needed, it should be run by the states and people, not the Government. That Agency will be one of the first to go.

8. "Chris" from Orem, Utah asks: "What can I do as an individual to help my country?" Two things. First, become informed and learn. Second, reread the Constitution and pay close attention to the 10th Amendment and then contact the "Committee of 50 States" at 4808 Quailbrook Cr., Salt Lake City, Utah 84118. This is a fine organization and I believe their methods are the correct ones.

9. "E." from Goleta, California asks: "There is a fairly new research center near my home.

When I speak to my neighbors, no one knows much about it. Do you know what is being done at that facility?" Yes, but there is nothing of a clandestine nature. While the work there is classified, it is in support of programs going on at Vandenberg AFB which is 60-70 miles north of your location.

10. "Ester" from Morristown, New Jersey asks: "Why do you make so many bad remarks about the Treasury Department?" Because they are true and because that agency is not owned by this Government any longer. It is owned by the United Nations. Our Government passed a bill 22 years ago giving it away.

BULLETIN #18

1. "Leo" from Rock Springs, Wyoming asks: "Would you give your opinion of Rush Limbaugh." Mr. Limbaugh fills a need, however his remarks are geared toward the entertainment part of journalism. There is a fine line that he refuses to cross over. I would ask why he has never addressed the deaths of people connected with the President of the United States. In my opinion, Mr. Limbaugh is as irresponsible as is Tom Brokaw of NBC News who is on the Council On Foreign Relations board.

2. "Mary" from Altadena, California asks: "All that's on TV is O.J. Simpson this and O.J. Simpson that. What do you think?" First, the prosecution is out to make a name for themselves. Secondly, Mr. Simpson will be ultimately judged as "a black man with money" not a citizen who may or may not have committed a crime. My opinion is: he killed his ex-wife and her friend in a fit of passion. He is responsible for his acts and should be accountable.

3. "M" & "G" from Durango, Colorado ask: "My husband and I have all of our retirement in the stock market. I've told my husband we should reduce our holdings and put our money in other investments. What are your suggestions?" I know the market, by comparison to the great crash, is going to devastate many more people now than it did in the '20s and '30s. Get your money out now! Put your money into "mortgages". People always need a place to live.

4. "Alan K." from Palo Alto, California asks: "Can you give me any information on Biotech Companies?" In my opinion and as you can see, Biotech Companies are "start-ups" from drug companies, usually "funded" and then "bought out" by other drug companies. Not only does the Government tell you "who" and "what" to think, so does the drug industry. When, as stated by the drug companies, the next generation of drugs come along I should welcome it; however, I have to take their word for everything. What you are seeing is nothing more than, "marketeering". The worlds greatest "marketeer" got along with the very same methods for many years and then it came back and bit them. Their name is IBM.

5. "Robert & Alice" from Ashby, Massachusetts ask: "Can you tell us what the next step is for the One World Order?" There are too many unknowns at this time, such as priority of World Currencies and wages of the working class on a global basis. However, when Europe puts together an agreement similar to the one we have, the only thing that is remaining is to disarm this country. Then, you will see a

type of genocide. The Government will not be the victor!

6. "Ed" from Atascadero, California asks: "Your numbers on the 'comet' hitting Jupiter are different from what is being reported to us. Who is correct?" I am, although the numbers I used are from someone who had a "ringside seat". The largest "fragment" was over 11 miles wide. The impact was larger in diameter than the Earth. Had the angle of impact been more direct, (and speed been higher) the spot of impact would have covered the entire surface of Jupiter!

7. "P.L." from Henderson, Nevada asks: "Do you think we should take military action in Haiti?" Yes, but only if the persons sent there are members of the Executive and Legislative branches of the United States Government.

8. "Jason & Cary" from Kansas City, Missouri ask: "Thank you for your quick response. Our real problem is IRS. Our attorney received a copy of your case. He also has Mr. Carter's case, (a copy of). We have lost our home and both of us have lost our jobs due to attachments on our salaries. What can we do to help you?" Please keep the faith and I will help you. We have identified who you are. Many changes are coming soon.

9. "H.B." from New Paris, Ohio asks: "Commander Hatonn has said that our Treasury is owned by the United Nations. How can this be?" Our Government has sold us out in many ways. Our country is going to be returned to us.

10. "Glenn" from Arlington, Virginia asks: "How can you change our Government? It is too entrenched." From your letter, you are a part of the Government and don't like them. As long as you support the Government in any way, you are a part of the problem. The Government is now 2.8 million people and is growing every day. We all have to do our part. There are decisions that responsibility dictates.

Questions & Update On Ronn Jackson

7/28/94 #1 HATONN

**JACKSON UPDATE
KNOWING**

You, like us, just never REALLY know, do you? And, the minute you are comfortable in your KNOWING you suddenly realize you don't KNOW much! Moreover, with each new change (or lack of evidence of anything except sting or con) we sit back and ponder the negative possibilities.

YOU WILL NEVER KNOW FOR SURE THE MIND-SET OR DIRECTION OF ANOTHER—YOU CAN KNOW ONLY ABOUT THE TRUTH OF GOD! WE MUST WORK WITH WHATEVER IS PRESENTED TO US!

Ronn reports that he is being MOVED to a place (Jean) in Nevada near the California border and may well be continued in incarceration until November! Say what?? He also claims to speak with members of the "Committee" almost every day—several times a day. Evidence? Papers that are supposed to arrive do NOT. Other parties with whom he claims to solve problems at government or Committee levels have no evidence of anything. He further "claims" he can do nothing about a lot of things, like funding, until he is OUT—while he also claims his attorneys (who are also NEVER SEEN OR HEARD FROM) ARE CARRYING AROUND GREAT SUMS FOR OUR USE. IS RONN JACKSON A FRAUD, REAL, A VISION, A PLANT, OR WHAT?

I ask you, now, what difference does it make—except to Ronn and God?? If he "had" no importance AT ALL prior to now—HE DOES NOW! Am "I" just playing "his" game? What difference does THAT make? You must understand something, readers: THESE ARE THE DEBATES THAT TAKE UP "TIME" IN YOUR MIND AND KEEP YOU FROM DOING YOUR JOB, i.e., "Let's all ponder on the reality of Ronn Jackson while we WAIT to be spoon-fed money, direction and 'cause'."

Ronn Jackson is a man! In addition, he is an imprisoned man! He is in prison, at his own works, for breaking THE LAW! Right or wrong—this is what is OBVIOUS. Anything else going on with clandestine or covert, overt or otherwise, operations would not be told, would it? YOU ALL THOUGHT GEORGE GREEN WAS ON GOD'S SIDE! Worse, George Green et al.—THOUGHT THAT THEY WERE (ARE) ON GOD'S SIDE. IF YOU DON'T KNOW OR FOLLOW THE LAWS OF GOD—YOU DO NOT KNOW BECAUSE MAN WILL SET HIS OWN LAWS AND PULL YOU DOWN.

So, the response is, "...well, but YOU (Hatonn) know!" Yes, and I make lemon pie out of lemon pits. Do you??

I'll tell you what I "would do" if I were the adversary and one Ronn Jackson passed out the amount of information, valid or invalid, that he has—I would get rid of him. I am of God

but the group he attacks haven't the vaguest idea who or what they are—except that they have perpetrated the worst kind of evil actions against you-the-people in allowing you to come this close to total loss of a planet.

Why are THEY not concerned? Because they also know that MOST of the "people" are robonoids and mass-manipulated "followers"—brain-drained and programmed. They have no remorse for the masses' plight in actuality for they are likewise but puppets.

No, I am not going to explain this AGAIN! You go do your homework; we have explained it, finitely, prior to this. But, I will give you a bit of insight so that you can realize you don't need to know all about "a" Ronn Jackson. He is either in service or he is not—it is not important this morning! He has already been of incredible service if he never turns another piece of information or paper.

Is he just a weaver of stories, visions and wishful thinking? WHAT ELSE IS THERE, GOOD FRIENDS? FIRST THERE IS THE VISION, THEN THE DREAM OF AND ABOUT THE VISION, THEN THE PURPOSE AND FINALLY THE DANCING OF THE DREAM INTO AWAKENED REALITY. WE ARE REWRITING THE END OF THIS PLAY, GOOD FRIENDS, FOR MANY OF YOUR BRETHREN DO NOT WISH ENSLAVEMENT OR DESTRUCTION OF YOUR PLANET ACCORDING TO THE NOW-ACCEPTED PROPHECIES! HOW DO YOU DO THAT? YOU CHANGE THE PLAY, CREATE THE VISION, SET THE GOAL—AND MAKE IT SO!

POWER OF THE PEN

So, let us return to the original subject, Ronn Jackson. We have PROVEN the power of the pen, good writers. And, you will be seeing the power of that pen taken up in the case of the farmer, Mr. Krikava of Kansas as now Willie Nelson has taken up the sword of the pen in his behalf and both Reno and Current Affair are deluged with thousands and thousands of demands for pardon and justice. The organization can't even keep up with the outcry and the injustice comes under the LIGHT OF PUBLIC VIEW. YOU BECOME A FORCE WHICH CANNOT BE OVER-RIDDEN IF YOU JUST KEEP ON KEEPING ON.

In Krikava's case they are having to better organize so direct your multiple letters to: Free the Farmer, c/o Current Affair, Box 5363, FDR Station, New York, New York 10150-5363. When these evil controllers cannot longer act in secrecy with their heinous games—THEY WILL HAVE TO STOP! UNTIL YOU MAKE THEM STOP, THEY WON'T! YOU BE THE JUDGE!

THE COMMITTEE

NOW, GOOD READERS, GUESS WHAT! YOU NOW KNOW THE COMMITTEE MEMBERS [see p. 38 of last week's CONTACT]. IF NEC-

ESSARY, CAN WE NOT RAISE SUCH AN OUTCRY AND PETITION TO THEM THAT IT WILL BE HEARD THROUGH THE LANDS AND THROUGH OUT THE HEAVENS? I THINK SO. IT IS GOING TO PAY HANDSOMELY TO BE ON GOD'S AND HIS PEOPLE'S (YOUR) SIDE, GOOD FRIENDS! WHEN DO WE START? WELL, I'D GIVE IT A DAY OR SO TO FORMULATE A PLAN—MEANWHILE—KEEP THE LETTERS AND DEMAND FLOWING TO THE GOVERNOR OF NEVADA—JEAN IS IN NEVADA! LET'S GET RONN OUT WITHOUT RESTRICTIONS AS THEY ARE PLACING ON HIM NOW IF THEY RELEASE HIM "EARLY". HE IS HAVING TO MAKE CONCESSIONS AND SOME OF THE CONCESSIONS ARE NOT WORTHY OF HIS TIME OUT OF SERVICE. HE CAN AGREE TO ALMOST ANYTHING AS TO MOUTH-SHUTTING. IT'S ALL PUBLIC KNOWLEDGE NOW, ANYWAY.

If YOU do not "go away", they will HAVE TO DO SOMETHING to make YOU happy—even if it is to let this man go. Their evil has been discovered and made public—everything ELSE they now do only worsens their situation and cannot be longer hidden from you! It is time you ASSUME YOUR POWER, WHICH IS UNLIMITED—AND USE IT! HOWEVER, USE IT WISELY AND IN CONJUNCTION WITH THE THOUSANDS AND THOUSANDS OF BROTHERS—AND YOU CANNOT BE STOPPED IN YOUR MOVEMENT BACK INTO FREEDOM AND CONSTITUTIONAL LAW. IN THAT JOURNEY, YOU WILL, FURTHER, REALIZE YOUR POWER WITHIN GOD AND YOUR CREATIVE ABILITIES TO CHANGE THIS MESS INTO GLORY! SO BE IT. Never mind "Hatonn"—GO WITH TRUTH—EVERY TIME, IT MATTERS NOT WHO BRINGS IT AND IT IS ONE LESS THING TO WORRY ABOUT. REMEMBER—EVEN YOUR ASTRONAUTS IN THE SO-CALLED "SPACE" SHUTTLE ARE E.T.s THE MINUTE THEY TAKE OFF—IN FACT, ANY TIME YOU ARE IN AN AIRPLANE IN FLIGHT—YOU ARE AN E.T. (OFF TERRA) SO STOP THIS SILLINESS GOING ON—ALL THAT YOU HOLD DEAR IN THE FORM OF ENERGY "RETURN" ARE E.T.s IF YOU WISH TO GET TECHNICAL—EXCEPT GOD AND TO ASSUME HE IS ANYWHERE EXCEPT WITH YOU IS FOOLISH AND INCREDIBLY DUMB. IF YOU, FURTHER, EXPECT TO BE WITHIN THE CIVILIZATION OF THE UNIVERSE—THERE HAVE TO BE OTHER CITIZENS ALREADY THERE—AND THAT INDICATES A PROBABILITY OF EXTRA-TERRESTRIAL BEINGS!

The little "aliens" abounding underground and here and there ARE NOT EXTRA-TERRESTRIALS—they are very much on "terra". Confusion is the name of the game of the adversary and elite world controller-hopers. Ponder it, please!

CONTACT, Inc. News
Dateline: July 26, 1994

Dear Rick and Readers,

We keep hearing about "the new system of backing our (the people's) treasury with gold and silver".

THE INDEPENDENT TREASURY ACT of August 8, 1846 (U.S. Statutes at Large, Vol. IX, p. 69ff)

This being the independent treasury system and methods of keeping public moneys.

"An act to provide for the better Organization of the Treasury, and for the Collection, Safe-Keeping, Transfer, and Disbursement of public Revenue.

Be it enacted...That the rooms prepared and provided in the new treasury building at the seat of government for the use of the treasurer of the United States, his assistants, and clerks, and occupied by them, and also the fireproof vaults and safes erected in said rooms for the keeping of the public moneys in the possession and under the immediate control of said treasurer, and such other apartments as are provided for in this act as places of deposit of the public money, are hereby constituted and declared to be the treasury of the United States. And all moneys paid into the same shall be subject to the draft of the treasurer, drawn agreeably to appropriations made by law.

Sec. 6. That the treasurer of the United States, the treasurer of the mint of the United States, the treasurers, and those acting as such, of the various branch mints, all collectors of the customs, acting also as collectors, all assistant treasurers, all receivers of public moneys at the several land offices, all postmasters, and all public officers of whatsoever character, be, and they are hereby, required to keep safely, without loaning, using, depositing in banks, or exchanging for other funds than as allowed by this act, all the public money collected by them, or otherwise at any time placed in their possession and custody, till the same is ordered, by the proper department or officer of the government, to be transferred or paid out; and when such orders for transfer or payment are received, faithfully and promptly to make the same as directed, and to do and perform all other duties as fiscal agents of the government which may be imposed by this or any other acts of Congress, or by any regulation of the treasury department made in CONFORMITY to LAW; and also to do and perform all acts and duties REQUIRED BY LAW or for making any other disbursements which either of the heads of these departments may be REQUIRED BY LAW (this is

where you use ARTICLE VI. of the Constitution of the United States of America) to make, and which are of a character to be made by the depositories hereby constituted, consistently with the other official duties imposed upon them...

SEC. 9. That all collectors and receivers of public money, of every character and description, within the DISTRICT OF COLUMBIA, shall, as frequently as they may be directed by the SECRETARY OF THE TREASURY, or the POSTMASTER GENERAL (a corporation no longer associated with the federal Government, same as is the Federal Reserve Board) so to do, pay over to the treasury of the United States, at the treasury, all public moneys collected by them, or in their hands...

SEC. 18. That on January 1, 1847, and thereafter, all duties, taxes, sales of public lands, debts, and sums of money accruing or becoming due to the United States, and also all sums due for the postages or otherwise, to the general post-office department, shall be paid in GOLD and SILVER COIN ONLY, OR IN TREASURY NOTES ISSUED UNDER THE AUTHORITY OF THE UNITED STATES.

SEC. 19. That on April 1, 1847, and thereafter, every officer or agent engaged in making disbursements on account of the United States, of the general post-office, shall make all payments in GOLD and SILVER COIN, or in TREASURY NOTES, if the creditor agree to RECEIVE said notes in payment".

Isn't it interesting that 3 (three) people, when Congress is OUT OF SESSION can pass an illegal act, which by law is required to be passed by 2/3rds of the House and 2/3rds of the Senate, and this is called the FEDERAL RESERVE ACT? Operated by a FOREIGN OWNED, FOREIGN HELD "CORPORATION" ...who keeps THE PUBLIC MONEYS AS BY LAW, MANDATED TO BE HELD IN TRUST FOR THE PEOPLE...in banks in FOREIGN COUNTRIES (example is a CREDIT LYONNAISE tally sheet affixed hereto) where BILLIONS OF AMERICAN DOLLARS are OUTSIDE THE NATION OF THE UNITED STATES, AND BEYOND THE "CONTROL OF THE TRUSTORS [the People]"?

When the American TRUSTORS need money, the TRUSTEES raise the TAXES, and there is NO MONEY AVAILABLE...???

/s/ GRANDMA

YEP, LOOKS LIKE "THE MICE ARE GUARDING THE CHEESE, AND THE FOXES ARE GUARDING THE HEN HOUSE"...No one is running the RAIL ROAD, AND THE RAILS ARE BEING SOLD OFF ILLEGALLY OUTSIDE THE NATION..."WHO IS DOING WHAT TO WHOM"????? Its called TREASON.

Defrauding America

by RODNEY STICH

• One of the most explosive books on the market for understanding the pattern of hard-core criminal activities implicating high federal officials and how it affects the American people. It describes and documents epidemic corruption by federal officials, and a pattern of criminal misuse of federal offices against the American public. The contents are supported by a group of former federal investigators, covert intelligence agency operatives and contract agents, former FBI, police, and private investigators, composing a block of whistleblowers.

Among the corrupt activities described in *Defrauding America* are the following:

- Epidemic drug trafficking into the United States.
- Role played by the CIA in Savings and Loan and HUD looting.
- Conversion of Chapter 11 courts into a criminal enterprise.
- October Surprise and its criminal coverup.
- The ugly part of the Iran-Contra scandal.
- Inslaw, the tip of Justice Department criminality.
- Covert CIA financial institutions dealing in drug money laundering.
- Crooked federal judges and Justice Department attorneys.
- Felony persecution of informants by Justice Department attorneys and federal judges.
- Killings and mysterious deaths of informants and whistleblowers.
- Schemes to assassinate or remove U.S. Presidents and presidential candidates.

The Plot Thickens As "Hidden" Enemies Dance Deception Jig

ENEMIES IN YOUR MIDST

Dharma, don't try to figure out the latest happenings—YET. It will be most interesting to see how this latest shakes out. By the way—how long are you going to deal with such inefficiency as through the legal conduit as has happened today? How can we ever recommend the Center when such blatant items are ignored or missed—directly or indirectly.

Now, I am going to tell you right up front here—THAT YOU DO HAVE ENEMIES IN YOUR MIDST AND, WORSE, "USERS" WHO PRESENT ONE THING AND THEN BLOW YOU OUT.

FOR THE READERS

Actually, this particular writing is for you local parties—you Tehachapi parties. All of you from Buckley's group will know about this before we can get it written and to you.

As you of his group will recognize, Buckley "had" a friend he refers to as Mohammed. In fact, there has been a focus from Mr. Buckley about this because he said movement ahead was LOST for over a week recently by the untimely DEATH of Mohammed.

Strangely enough, something has surfaced which is about as down and dirty and yet as evidence-laden as anything non-coincidental ever experienced. Now you will know the literal meaning of being Set UP!! Ah, but by whom???

On the 10th of June, this Mohammed was in Atlanta and made two calls via MCI to Amarillo, Texas. Within two hours, on that same MCI number—calls were made from "TEHACHAPI, CALIF." TO MIDDLE-OF-THE-NIGHT PLACES—IRAN, SAUDI ARABIA, SHIPS AT SEA AND THUS AND SO—INTO THE HUNDREDS OF DOLLARS.

Now, let's have a look at this—it CANNOT be accidental as there is a whole lot of difference in Atlanta, GA and Tehachapi, CA. And, except by very quick (like SR-71s etc.) can that trip be accomplished in the TWO HOURS represented by the slack in the phone billings.

Since the copy of the phone bill and an anonymous letter were afforded Buckley and he in turn called Rick Martin at CONTACT and Rick is about to pass out with concern and worry—it is OBVIOUS that connections have been made to CONTACT for whatever reason there might be. I write this PRIOR to any discussion with anyone, including Rick.

The worst part of this story is that the phone card was reported stolen—but no time for same. Further, in the interim Mohammed became deceased. (Natural causes???) It begins to look very obviously CERTAIN that it is not NATURAL CAUSES.

Is an effort being made to loop Jackson into this scenario? I'm sure so, before it is over. Worse, it looks pretty bad under all circumstances! Ronn could be supplied with a go-between placing calls from this location—to ALL those other locations, because they will obviously have to do with some kind of "shipments"—most likely, under the circumstances—gold.

How are billings made? I think we get the drift?

Why am I writing this before any discussion about the matter? Because I want this on the computer tap—right now. This is a secret set-up which was well-planned (or used for evil purposes)—either way—it is not going to sell with me, good buddies!

If Mr. Jackson is not deliberately involved—HE IS INVOLVED! It doesn't look good, either, that every day he has been going to "get out" and solve the nation's problems and yet yesterday—suddenly—he is being transferred to a nothing place, like Jean, Nevada??? Oh my, he also said he had to do a bit of "ass-kissing", etc. Is this good or bad? Who knows? The Shadow? OR, the Shadow Government? Is there a man who can lead the nation, fund the movement and save the patriots? Yes, I would suppose so.

Now, on the other hand, how would Jackson or anyone else know the phone card number of one, Mohammed?? Why would he be SO OBVIOUS? Why would ANYONE under any circumstances be involved intentionally—from Tehachapi? Unless—he/she was truly a set-up. To make such calls Mr. Jackson would have to have a go-between in the form of someone to use a number, set up the calls and then shift to conference call status. Is this a set-up by the Big Boys against Jackson, Rick Martin or Me? I find that one interesting—since I don't use a phone at all!

Next question: Why Mohammed's card? Is CONTACT some kind of an unknown go-between and can easily be explained away? Well, in that case how do you account for the supposed loss or theft of a credit card—FROM THAT SPECIFIC PERSON WHO LATER DIED OF NATURAL CAUSES?????

Does it have anything to do with Gunther Russbacher—who could fly Mohammed, himself, to Tehachapi in that interim time of two hours? Why? Well, everybody knows about the Gold Certificates and the eventual necessity of settling accounts. Gunther in prison in Austria? Do we KNOW that? Do you see how sneaky and cruel are the games these power-brokers play?

Would Jackson be a good set-up? YOU BET! And, furthermore—that can be taken on either extreme of the possibilities. Is Jackson the rat-fink? I doubt it and I doubt it is Gunther—although it will have to do with

BOTH.

As these things break we are going to speak of every one of them—SO THAT IT IS PUBLICLY DISPLAYED! AND, SO THAT IT IS PICKED UP FROM THIS COMPUTER—BECAUSE I AM REALLY GETTING IRRITATED WITH THE WAY THINGS ARE GOING, GENTLEMEN!

Names are being presented—everything from Mike B., Ed C., Gene D. to Jason Brent and George Green! It IS certainly "interesting" and the explanations (excuses) will, I'm sure, be even more interesting. Ah, God works in wondrously mysterious ways... His wonders to...!

The idiots are not too bright if they intended to continue to deceive US here in this place—for the promises of production without so much as a hint of follow-through—JUST DOESN'T LOOK GOOD! SO, WHO IS THE FOOL? THE ONE WHO SETS FORTH TO DECEIVE—FOR HIS TRAP HAS BEEN SPRUNG! THIS MIGHT WELL BE THE BEST LESSON RONN JACKSON WILL EVER HAVE LEARNED—FOR IT WOULD SEEM, AT THE LEAST, SOMEONES CLOSE TO HIM HAVE SET HIM UP—IF NOT WITH THE COMMITTEE—WITH, IN FACT OF POINT—HOPEFULLY, WITH ME. I DON'T BITE EASILY ON SCHEMES AND SCAMS—BUT I WOULD LOOK VERY CAREFULLY AT ONES "THOUGHT" TO BE FRIENDS AND BUDDIES—WHO KEEP SECRETS THEMSELVES AND "HOLD" ASSETS AND THUS AND SO.

ARE WE WAITING FOR HELP FROM ATTORNEYS WHICH WILL NEVER HAPPEN? IT IS POSSIBLE!

IF RONN DECEIVES—who all is deceived? LOTS—because you readers are the very least of the head-count! So, it most likely IS NOT HIM as that would be so stupid—and Ronn Jackson is NOT STUPID!

But where would this leave the people here, CONTACT and thus and so? Right where they ALREADY WERE—WITH NOTHING!

I do not like deceit, lies or liars. I dislike, even worse, anyone who would sell out or hurt a brother. These are HARD, HARD lessons—and can be used to push further the cause of freedom. It will NOT STOP it. I can play the "game" as well as anyone, including Satan himself—but I will not jeopardize my brothers. THE VERY LACK OF THE MEETING OF AGREEMENTS AND OBLIGATIONS WITH ME—SAYS IT ALL, GOOD BUDDIES! I SUGGEST YOU START WATCHING YOUR FRONT-SIDES BECAUSE I NEVER DO ANYTHING BEHIND ANYONE'S BACK!

RONN THINKS HE HAS HAD ONES WORKING IN HIS BEHALF! HAS HE? I THINK NOT. IT IS EITHER THAT—OR THERE IS A STUPID FOOL IN THE CROWD WHO JUST GOT CAUGHT IN THE DIRTY LAUNDRY. WHAT I HOPE IS THAT THIS MAKES RONN JACKSON MAD ENOUGH TO TAKE CARE OF HIS OBLIGATIONS NOW—I MEET MY AGREEMENTS AND IT IS TIME OTHERS MEET THEIRS!

There are plenty of cheap assassins running around—and what does THIS make Mr. Jackson look like? I thought so...! I suggest this be taken very, very seriously indeed and rectification be instant in its forthcoming! This minute brings far more interest in a dozen phone calls on a very strange credit card—than any question of a murder in 1963! I'm sure there is reasonable explanation.

Funny thing—back in the Russbacher days there was a word that went out that everything around here including Gaye's travel agency

was a proprietary! That means, for you unknowing (which included everyone here), a CIA operation or company.

I enjoy games as much as the next guy—but not when my friends get dead and our meagre requests are not met. Perhaps there are some things local friends would like to "tell Daddy"?

I'm sorry Dharma, it does seem to pour once the rain begins, doesn't it? But let us not pre-judge with no information for that is ALWAYS an error! Let us go right on with our writings and wait for the calls to be returned so we can begin to question some possibilities. Thank you, surveillance crew—we appreciate your monitoring—it is our own security blanket.

7/29/94 #1 HATONN

FOOLS AMONG US

I am reminded of the "milk" advertisement in which the young newly married couple are in the kitchen and she says: "Did you think I wouldn't find out?" He had drunk the last of the milk.

So, to the one who made all those phone calls on Dr. Boyles' [aka Mohammed] phone credit number—did you think we wouldn't find out?? "I" don't have to tell—there are people on the other end of those phone numbers, for starters!! And, there are records kept of originating phone locations. Ah indeed, the interesting focus narrows!

Who is the one being set up? Treasurygate's Buckley? How about Ekkers? How about Hatonn? What about Jackson? Ah indeed—how interesting that a number "would be stolen" from this particular personage—who makes all those phone calls himself—usually—except that he is NOW dead and cannot be interrogated!

What would have prevented THAT very person from GIVING that number to someone in this Tehachapi location—THAT number to make those calls? Why? Well, I can think of a whole bunch of REASONS and SO CAN YOU! I would remind you, however, before you jump off into deep water, that the intent to set up CONTACT is a poor ploy for witnesses are kept alert to EVERY ONE'S ACTIVITIES TO PREVENT THIS VERY THING. This is not quite the same because of size as someone blaming SPOTLIGHT for an indiscretion in Washington D.C. Why would I compare the TWO? Because every MAJOR aerospace industry is represented here along with the FBI, ONI, CIA, MI-6, MOSSAD AND KGB. Further, you have hooked to THIS computer outlet—Edwards Air Force Base nearby, AND NORTHROP (just over the hill!), CHINA LAKE NAVAL BASE WITH AN UNDERGROUND FACILITY OF SOME 80 LEVELS WITH ATTACHED OFFICE OF NAVAL INTELLIGENCE, A MAJOR GOLD MINING COMPLEX OWNED BY EXXON—JUST ABOUT EVERYTHING AND EVERYONE WHO WOULD BE INTERESTED IN GOLD SHIPMENTS—AND, SHUTTING DOWN BOTH BUCKLEY AND CONTACT.

But are THE connections within this group? YEP! Some of them! I find it interesting what is coming out in the sleuthing—George Green and his connections HEAD THE LIST. Then comes Ed Cleary, Patricia Young and Mike Blinston—through ones called Ken and Rael. Then way up at the top and looking more

damaged, because of phone LOCATIONS, is Gene Dixon. Ah, the suspicion runs rampant through even Charles and Karen, Penny and Eric. Then comes Bud Clark and his lady friend, not to leave out Ann Beam and Leon Fort with all their friends and colleagues—attached to George Green—who was, by the way—in the area on the date of those phone calls. Remember his "trip" to Costa Rica, which brought him to and fro through the location??? Gosh, nobody seems to have escaped the blaming, including Rick, Brent and thus and so. Oh my, what interesting circumstances! Who would want to spoil this Sherlock Holmes adventure? Surely not me. Well then, there is Wally and Jason Brent (supposedly a front for Green). However, good readers, it needs to be "someone" who would be interested in information on shipments (ships at sea, the billing says), Iran, Kenya, Djibouti, Saudi Arabia, Los Angeles, Iowa (Jefferson), and Ontario (California)—and yep, ALL THE PHONE NUMBERS ARE LISTED RIGHT IN A ROW—20 OF THEM! Dr. Boyles (Mohammed) made two calls just prior to these 20 calls—from Atlanta—to, we assume, Buckley, or someone or place in Amarillo, Texas.

I do find it interesting that we have not been supplied with all of the phone billings—only the portion regarding the Tehachapi location and we are given no numbers and no information otherwise, from Mr. Buckley.

I further find it interesting that Rick was not immediately notified by Mr. Buckley about this matter. We have not even come into understanding as to where Buckley got the phone "bill" but the copy originated to here from Treasurygate's FAX. This means NOTHING, readers, any more than does Mr. Buckley's attachment of Jackson, CONTACT and others in his NEWSLETTER sent out prior to any contact with this location to check out possibilities.

Do we believe this makes Buckley a hoax or an enemy? No—but neither do we appreciate his inferences. Is Jackson SUSPECT? Of course, along with every member and tool of the Committee (if there is such a thing) and anyone else wanting rewards, gold, hush-intent or, or, or! Am I somehow now saying there is NO Committee? NO. I am saying that EVERYONE involved is suspect until shown otherwise—AND NO ONE IS ASSUMED GUILTY—REMEMBER WHAT YOU ARE STRUGGLING FOR? INNOCENCE UNTIL AND UNLESS PROVEN GUILTY—CIRCUMSTANTIAL EVIDENCE IS WORTH NOTHING HERE IN THIS WORLD OF CIRCUMSTANTIAL FRAME-UPS!

I have no pick with Mr. Buckley—we have done everything we could to assist Treasurygate because the project is valid and worthy. I appreciate the confrontation with an "infamous" Mormon about "religion" but I want to repeat here and now—WE ARE NO RELIGION. WE ARE HOSTS IN REPRESENTATION OF GOD OF LIGHT AND THAT "CHRIST" THAT EVERYBODY CLAIMS IN ONE WAY OR ANOTHER—THE PERFECTION OF CREATION. I AM NOT "SOME" E.T. EXCEPT THAT MY LOCATION IS "OFF" SURFACE AND THERE IS NOTHING STRANGE ABOUT ME OR MY TEAM. NOTHING!

Now, I, for my own people who are represented here, I will respond to a few portions of Mr. Buckley's newsletter and this is for his information.

The Saddam Husein gold certificate DID NOT originate with Jackson—he got it from CONTACT who got it from Grandma Fat Lady

who is Singing, as nearly as the pieces of incoming mail can be checked out. Further, it was she who told Mr. Jackson about the certificate held by Jackie Kennedy—which he now claims "his people" HAVE.

Does it look really bad for Mr. Jackson? Yes, but frankly, no worse than for Mr. Buckley—or anyone else involved. Did you think the big boys would just let you get away with getting money?? Come now, be reasonable—people are killed for 50 cents—and you keep talking trillions—OF DOLLARS!

MY PURPOSE?

Well, good friends, it is NOT to SAVE the WORLD! It is NOT to CONVERT the world to ANYTHING. It is a mission wherein I am here to bring the historical truth, have agreements for funding (from these sources) to do a moderate building program and industrial (very small) base. Our needs are minimal and agreements were made to satisfy those needs. Some of that gold you have chasing around everywhere IS OURS! YOU CAN HAVE IT TO DO ANYTHING YOU WISH, INCLUDING WASTE IT ON BARRIOS—THAT IS YOUR BUSINESS—MY "MISSION" IS MINE.

There is a LOT OF SORTING to be done as to who and what will be salvaged from your place if you continue as you are and go down the tubes—nationally or planet-wise. YOU DO THE SORTING—I DO THE OBSERVING!

WHO IS HATONN?

I am in Command of the HOSTS (for lack of better definition) of the "good guys" sent from the Civilization of the Universe councils, the Federation, if you will. [Editor's note: This explanation is partly in response to the pompous blarney dealt with in the article on p. 15.] I am certainly not NEW AGE—I have told you before and I will repeat: **THE NEW AGE MOVEMENT "RELIGION" AND THE "RELIGION" WHICH IS BEING FOISTED OFF ON YOUR PLANET AS A ONE WORLD RELIGION—WILL DESTROY YOU!**

I represent the One LIGHT, the One Source, that One who was honored as the "sun" being, meaning LIFE SOURCE and, in Egypt at the time of reinstitution of the ONE GOD CONCEPT (Creator of Life Capability) was known and recognized as Ra or Aton. What there is that is so difficult to understand eludes me—you seem to be very willing to accept horrible little monsters, grey humanoids, lizards and serpent-people!! Or, is the GAME to discount the very promise of GOD ETERNAL—TO BRING YOU THE TRUTH IN WORD AND SEND MESSENGERS AT YOUR TIME OF EVOLVEMENT AND POSSIBLE DESTRUCTION IN SOME KIND OF PLANNED ARMAGEDDON?? Or, did you think God would come and do these things through Jim Bakker or Bill Clinton? People, I DO NOT CARE WHAT YOU BELIEVE—MY JOB IS TO BRING THIS WORD TO THIS PLACE AND YOU CAN DENY IT, ACCEPT IT, HOPE IT RIGHT, WRONG OR FOLLOW THE PIPER—THAT IS YOUR BUSINESS, YOUR SOUL AND YOUR CHOICE! DOES EVERYBODY UNDERSTAND ME? I DO NOT TREAD ON YOUR BUSINESS—AND I EXPECT THE POWERS THAT CONTROL YOU TO MEET THEIR AGREEMENTS WITH ME! WHAT THEY DO WITH THEIR OWN SOULS, IF THERE ARE ANY PRESENT, AND WHAT YOU ONES DECIDE TO DO WITH YOUR EXPERIENCE AND EXPRESSION—IS UP TO YOU. I AM GOING TO, IF YOU GET TOO ROUGH,

GOOD BUDDIES, TAKE GOD'S PEOPLE OFF THE PLACE—AND IT IS NOT GOING TO BE A BLUE BEAM RAPTURE OR A BAPTIST RAPTURE.

Buckley very aptly and effectively explains his attention to "religion" and states that he is a Baptist. Well, before we get too far off-beat—Dharma was living her early life in the home of a Southern Baptist PREACHER. We have Catholics, Jews—you name it they are welcome to believe anything they wish—and do whatever they want with the information. If they wish to visit—they are welcome—IF WE HAVE A MEETING—they are welcome. But—nobody has a RIGHT to invade—for there is no public anything—church or otherwise. If I be classified as teaching anything it is "Christ" expression of laws of Godliness, the Commandments (the real ones) which DO NOT REQUIRE SABBATH SIT-ON-YOUR-BACKSIDES AND PONDER YOUR NAVEL OR TITHING TO SOME INDOCTRINATED SECRET ORGANIZATION—YOUR GIFT AND SERVICE TO GOD IS BETWEEN YOU AND GOD! So, I cut down considerably on your list of commandments to follow—and you DON'T HAVE TO DO A CONFOUNDED THING FOR "ME"—EXCEPT KEEP YOUR AGREEMENTS AS REGARDS PRIOR CONTRACTS.

Am I weary of my enemy at my table (for we do treat ones who come as guests)? Yes and no. There is not even asked "donations" and usually there is gracious tea-type sharings to

hopefully welcome and treat visitors with grace since curiosity is understandable in this day of E.T. authorities, channels, astrologers and fortune cookies. Meetings are held when there is something to share or talk about—like RIGHT NOW AND 20 PHONE CALLS ON A DEAD MAN'S CREDIT CARD—FROM THE TOWN LOCATION WHERE WE WORK. There is no mysticism here, no rituals, no organization, and certainly no cult, as Mr. Green continues to advertise. That has been the most disappointing aspect of ones coming here—NO COMMUNAL ANYTHING—IN FACT OFTEN TIMES THOSE WHO COME TO "BE" ARE TREATED QUITE RUDELY AS THEY COME EXPECTING SOME GROUPIE TYPE OF CIRCUMSTANCES WHERE "GOD WILL TEND YOU". NO, HERE, YOU TEND YOURSELF OR YOU DON'T GET TENDED!

My plans, as a matter of fact, are to write less and less FOR the paper. The information you need is all around you and my job to date has been to sort it out as to priorities so that you can get a good look at what has happened to you. My major job will become, as we move along, that of showing you what comes next. If you can save your Constitutional rights in this nation—it can change the world you experience. If that fails—WHAT ARE YOU GOING TO DO? Do you think you will just "rapture" away to fluffy clouds? That is a most unwise conclusion. Do you think you will just sit in lotus position and ascend? Again, a very unwise

conclusion—because I remind you—you haven't seen ANYONE do it.

So, your response might well be: "Well, we haven't seen you either, big boy!" Oh yes, a whole big bunch of you HAVE SEEN ME AND MANY RIGHT OUT OF THE HIGH-LINEUP HAVE MET WITH ME AND MADE AGREEMENTS, CONTRACTS, ETC., WHICH CONTINUALLY ARE BROKEN—BUT WE CAUSE THEM TO SHELVE A LOT OF THEIR MISERABLE GARBAGE AS WELL.

Further, all you need to do to SEE US is go outside on any night—and LOOK. There we are, scattered about—showing our colors! Neither "stars" nor planets SHOW COLORS—WE DO!

If you have trouble believing this—so be it. The Elite not only believe it, THEY KNOW IT IS SO.

I do not wish to take longer at this writing on this subject at this time. I would however, offer the phone numbers and locations of those calls as they appear on this document. Several of you attend the listing for accuracy as much as is possible for the printing—for the copy is extremely BAD.

WE DO NOT HIDE AND I WANT EVERYONE TO SEE WHERE THESE PHONE CALLS ARE TO, SO THERE IS NO QUESTION ABOUT INTENDED PARTICIPATION. I AM GOING TO MEET MY ENEMIES HENCEFORTH ON "THEIR" STUPID TERMS. ANY AND ALL YOU NICE READERS ARE WELCOME TO CALL ANY OF THESE NUMBERS.

TIME SPAN OF CALLS IN QUESTION: 5:12 PM THROUGH 11:13 PM.

Nevada Corporations

WHAT MAKES NEVADA CORPORATIONS DIFFERENT?

NO STATE TAX: Pro-business Nevada, unlike most every other state in this country, has taken a stand! The state has continued to **not tax** the income of its Corporations or its citizens. Imagine a state that believes that taxes should not come directly from income of its citizens or businesses. This almost sounds like capitalism!

Your Nevada Corporation will not see any other hidden taxes such as Franchise Taxes, Capital Stock Taxes and Inventory Taxes. You may be required to pay sales taxes if your Nevada Corporation is selling products in Nevada.

PRIVACY, PRIVACY, PRIVACY!: Nevada statutes have developed a corporate structure unlike any other state. The preferred state to incorporate in for years had been Delaware. Nevada created their corporate statutes based on Delaware and then took them even further. They created their corporate structure to allow investors and owners of Nevada Corporations to remain completely private. First of all, most states in this country require you to publicly file the name and address of a Corporation's Directors, Officers and Stockholders. In the other states this information can then be publicly accessed by a brief telephone call to the Secretary of State's Office in the state of incorporation. Nevada, in an attempt to create a private corporate shelter, only requires the name of the Corporation's President, Secretary, Treasurer and the Corporation's Directors (not Vice Presidents or Stock Holders). The State does not wish to know who the investors or stockholders of the Corporation are. This makes Nevada the preferred state for incorporation.

Nevada has another unique feature which allows Corporate Stockholders to obscure their ownership of the Corporation even further. **Nevada is the only state that allows its Corporations to utilize Bearer Shares.** Bearer Shares are a type of stock certificate that says that the bearer of this certificate is the owner of the certificate's stated number of stock shares. Bearer Shares can be impossible to track or trace because the person that has possession of the Bearer Shares of a Corporation would be considered the owner of the Corporation. This form of ownership places a brick wall in front of anyone that is trying to track down the ownership of your Corporation. Other states do not have Bearer Shares available to their Corporations, because Bearer Shares make keeping track of corporate ownership nearly impossible. With most Corporations, someone has stock that they purchase from an individual. Then they send their stock certificate into the Corporation and the Corporation issues them a new certificate in their name. The Corporation has a continuous record of who the owner of that stock is. With a Bearer Share, you can sell or transfer your stock to someone else and they do not need to go to the Corporation to get a new certificate. They just keep the Bearer Shares. There is no requirement to report to the Corporation for

the sale or transfer of its stock.

Nevada takes corporate privacy very seriously. The Secretary of State's Office (that is responsible for Corporations) does not ask for much information and therefore does not have much information to share. Even the Governor of Nevada has taken a public stand to not submit to the Internal Revenue Service's request for a program of information sharing.

A Nevada Corporation owner can utilize the privacy of Contracted Officers and Directors for their Corporation, which are the only visible public representatives of their Corporation. The owner can still hold the corporate title of Vice President, remaining completely in control, but out of the public's eye.

LIABILITY PROTECTION OVER OTHER STATES: Most every state in the United States has adopted Corporate Statutes that limit the liability of corporate representatives, including the Officers, Directors and Stockholders. Nevada has very specifically spelled out in its state statutes that all corporate representatives are free of personal liability from corporate activities, except in cases where fraud has been perpetrated. This means that the Corporation can be sued, file bankruptcy and be involved in other unfortunate activities and not personally jeopardize the assets of its agents or representatives. The significant thing to remember here is that if your Corporation does get sued, the initiator of the suit must bring the action against the Corporation in its State of Domicile. This is where it becomes important to have set up your Corporation in a state that has taken a stand to protect the personal liability of a Corporation's participants. Nevada has taken this stand quite firmly. We will take a look at those statutes later.

Today, states like California are allowing lawsuits to go through a Corporation's veil of protection. Directors and Officers of a Corporation are being sued personally for the Corporation's actions. This recent turn of events is reason enough to make Nevada your corporate base. Nevada

has taken the stand against allowing lawsuits against a Corporation to personally affect its representatives.

NO RECIPROCITY WITH THE FEDERAL GOVERNMENT (IRS): In 1992, the IRS came to Nevada Governor Bob Miller and wanted him to start an information exchange program. They wanted Nevada to exchange all of the information they have on every resident and Corporation of Nevada. The IRS would agree to do the same with them. This type of automatic exchange system is done in most other states in the U.S. The Governor took a stand and told the IRS he wanted no part in the program. He even brought out the state media to record his bold stand!

Nevada currently does not keep much information on their residents or their Corporations. An exchange program would have only started them down the path of information gathering. Fortunately, Nevada still remains "America's Domestic Safe Haven".

Low Cost: Nevada is one of the lowest-cost states to incorporate in. Nevada only charges a filing fee of \$85 a year. For only \$85 a year, Nevada will give you the right to all of the benefits of a Nevada Corporation. All the state really cares about is that they get their \$85 annually.

California charges up to \$1500 to get set up and then annually you pay about \$1200 to receive all of their wonderful privileges, like audits with the Franchise Tax Board.

WHY INCORPORATE?: Many people think that just because they are a single person or a family, incorporating is not for them—

Quick
Name the
only state
where
corporate
ownership is
anonymous,
there is no
state tax, and
confidential
tax forms
are not

with the IRS.

It's Tax Free Nevada. (The last of the "safe havens")

If you're looking for the benefits that Incorporating has to offer, such as limiting your personal liability, increasing tax-free benefits, and raising capital through the sale of stock - taking just 5 minutes of your time to explore the benefits of forming a Nevada Corporation could save you and your company thousands of dollars.

No State Boundaries.

No matter which state you live in, you can still utilize and reap all of the benefits of a Nevada corporation. And you don't even have to visit Nevada to operate a Nevada corporation.

No State Taxes.

You can save a bundle on taxes. The state of Nevada does not tax the income of its corporations or its state's citizens.

Complete Privacy.

Nevada statutes have developed a corporate structure that allows owners and investors of Nevada corporations to remain completely private. Plus, Nevada is the only state that does not have an automatic exchange of tax forms with the Federal Government.

Asset Protection.

Protect your assets from potential lawsuits and threats. Nevada, the "safe haven" state has a corporate structure designed for privacy and obscurity.

Low Cost.

Nevada is one of the lowest costing states to incorporate in. Your annual fees to have the privilege of owning a Nevada corporation are only \$85 a year.

Wrong! It requires only one person to form the Corporation and they can be the entire Board of Directors, and Officers. You then have all of the benefits of a Corporation, business-wise and tax-wise. Why do you think the government seems to give breaks to Corporations? Because most of our government "servants" are incorporated and do business through their Corporations. Their private corporate lives are never made public. Yes, it is the best-kept secret in the United States and abroad. Foreigners can also incorporate in Nevada and own Nevada Corporation Stock.

A Nevada Corporation can own property in ANY state without having to qualify or be incorporated in that state. Therefore, in this instance (owning or buying real property) you are exempt from incorporating or qualifying to do business in your home state. In this circumstance, you would certainly want to incorporate in a preferred state and let the Corporation domiciled in the preferred state own the property. Then if you sell the property, simply sell the whole Corporation. There are many benefits in that kind of transaction. Simply determine what activities are exempt from qualifying to do business in your home state and those which are not. This can easily be done by contacting the Secretary of State's Office in your home state.

It is wise to incorporate in the state with the best Corporation and tax laws regardless of where you are going to do business. Then, if for ANY reason you ever wish to, you do have a safe HAVEN, as it were, to return, retreat or withdraw to.

Incorporating is a very tidy way to organize and get the best "breaks" around, because it can be utilized anywhere. Overall, Nevada is the most efficient state for personal Corporations.

What the "little people" do not realize is that then they can function in safety and security the same as the "big corporate giant", only more effectively.

THE NEVADA CORPORATION BOOM! Nevada is currently seeing a boom in the number of individuals incorporating in their state. Right now, Nevada's Secretary of State's Office in Carson City is setting up over ten thousand Corporations a year. They are so busy that new Corporation filings have been backlogged up to a month. Fortunately for all of us, they are getting more help to process new Corporations more quickly. Nevada is not a very heavily populated state. In fact the population of Los Angeles is greater than the whole state of Nevada. Most of the those individuals that are incorporating in Nevada are non-Nevada residents who want to take advantage of Nevada's preferred corporate structure.

Test Of Electronic Shutdown Of Autos

Salt Lake Fax Network
"Friends Faxing Friends"

Date: July 28, 1994

From: Salt Lake Fax Network

Subject: Test of Electronic Shutdown of Autos

The following story was related to us last evening by a gentleman who has a friend who actually experienced this on Monday, July 18th. The man was driving his late model automobile down Interstate 15 near Farmington, a northern suburb of Salt Lake City, Utah. As he drove southbound, he noticed in the distance, four black helicopters hovering above the freeway in rectangular pattern.

As he approached the vicinity where the helicopters hovered, he was surprised to suddenly experience the motor in his vehicle quit, with no warning. No sputter or hesitation as when running out of fuel. The engine simply shut off! As he coasted to a stop, he attempted to pull off the highway. He then attempted to re-start the vehicle, with no success. The starter motor would turn the motor over, but the engine simply would not start.

When he looked out, he noticed that most of the other cars in the area had also stopped. Other drivers were attempting to re-start their vehicles without success. Then he noticed an older model automobile was weaving its way through the maze of stalled vehicles. He saw several other older cars and trucks that were still running, and he carefully noted that most were of a vintage of 1983 or older. The traffic was held up for about an hour, then, as if by magic, all the engines in the stalled vehicles were able to start again. The man noticed that the four black helicopters were flying away in formation. The man drove home and never heard a word of the incident on any of the media. Two other eyewitnesses to the event have come forward and told the same story and two other occurrences in Utah have been reported. One by a man driving up Logan Canyon, who had the same experience.

Based on his experience, the man surmised that this phenomenon had to have been caused by the four black helicopters that he had observed. He also surmised that these aircraft were emitting some type of electronic signal that disabled the electronic computers in the automobiles. Why else would the older vehicles be unaffected? The older vehicles (built prior to about 1983) did not utilize electronic computers to control ignition timing, but relied on a very simple ignition system consisting of a distributor, points, and a coil.

Could it be that the technology now exists for an electronic signal to be emitted that commands the electronic computers in newer vehicles to simply shutdown? We have heard similar stories for years of vehicle electrical system failures prior to and during UFO contacts. Could there be a link between the UFO contacts and this recent episode of electronic warfare?

If the powers that be do have this type of technology at their disposal, one must ask the question: "Why would they have such technology, and how would they utilize it?" For those of us who have followed the stories about the mysteries of Area 51, the secret underground facilities, the clandestine alien technology exchange, and the like, the answers seem obvious.

We have been hearing stories for years from people like Mark from Michigan about these capabilities. Now, we finally have some evidence that it does exist. For the survivalists among us, now would be the opportune time to invest in that older, pre-computerized vehicle. At least you could rest assured that you would still be mobile while the rest of the vehicles were rendered useless hunks of iron.

Dear Rick and Readers,

Re: A statement from U.S. Department of the Treasury Agent, Reginald Joseph, Fairview Heights, Illinois: "The system has broken down, and the laws do not work anymore."

I have been thinking about this statement, slept on it many nights as it has been the source for much searching, concentration, thoughtful perusal and a lot of sleepless nights.

The Law, being the Common Laws (Federal Laws), (or the laws the Feds are supposed to follow) has been an ongoing (40+ years) love affair as far as GRANDMA has been concerned. For many years she lived and slept with them, then she decided to go deeper into the CAUSES of the Laws, because for every "good" law, you will find 100 bad and conflicting laws which confuse the legal system. Unfortunately, the young ones have not been taught how the Laws were designed to work.

In these later years, with "Lizzy wanting this, and Tommy wanting that", Lizzy says, "I have the Rights because I am a minority", and Tommy says, "I have the Rights because that is the way it is". Everybody feels as though they are "SPECIAL" in some way or the other which has an EXCLUSIONARY and PROPRIETARY LAW for "each individual".

Then comes the Laws for the Pink People, the Green People, the Blue People, people of all colors—and they think: "WE HAVE SPECIAL LAWS" and "NO ONE ELSE IS PRIVY TO THAT LAW, IT'S OUR LAW"!

Well, well, well, isn't that a PIP? Old "Grizzle Barr" (Thurgood Marshall) would turn over in his grave because, that Law (the unspoken law) "SEPARATE BUT EQUAL" keeps raising its head—the Pinks, Greens, and Blues keep keeping the "separate but equal" and hit the "minority white" over the head with it, as do the others. But, something is wrong here. IT HAS BEEN REVERSED!

Each and every one of those Pink, Green and Blue people have, somehow, found their way into the SYSTEM. They run the computers; they control the records; and they have made certain only about one-half of the money the "white minority" worked their tails off for all these many years, was put into Social Security and other Retirement Funds. You can count on it. You put a white person in the food stamp program, the white will get from \$10.00 to \$200.00 and the others will receive \$375.00 to \$450.00 and it is almost a 92% surety.

Same thing goes for the Welfare Program.

I don't know how many of you know this or not, but there is a BLACK DEPARTMENT OF JUSTICE and then there is a WHITE DEPARTMENT OF JUSTICE and, the BLACK DEPART-

MENT OF JUSTICE (Treasury Department) will almost never make certain the Laws which have been broken in regards to a White person will ever be investigated and/or prosecuted. SEPARATE BUT EQUAL, Reverse Discrimination, and dammed near without exception. Right, Ronn Jackson?

Yes, Ronn Jackson and I know one another. We worked together in Law Enforcement. I got sick of watching the screwed-up mess which was being made out of the Legal System back in the 1960s, and got lost. Most of the "good Law Enforcement Agents/Officers" couldn't believe their eyes and ears about some of these CONFUSING LAWS, CONFLICTING LAWS which WE were asked to ENFORCE, as we all felt "THIS IS WRONG"!

We all watched President after President quietly breach the Laws of the Constitution, putting Judges on the Bench, that in all reality were nothing more than "insurance for the Special Interest Groups". We all knew these "puppet judges" proper BENCH should have been a PARK BENCH feeding the BIRDS.

You all have seen WHAT happens when a LAW ENFORCEMENT OFFICER/AGENT "challenges unconstitutional laws", as in the Ronn Jackson Case. They send them off to prison and try to shut them up BECAUSE, these OLD "AGENTS"/"OFFICERS", who studied the Laws, enforced these laws, as IT WAS THEIR SWORN "OATH", TO UPHOLD AND DEFEND THE LAWS OF THE CONSTITUTION OF THE UNITED STATES OF AMERICA". Furthermore, they took this Oath dammed seriously!

Has anyone ever given any thought to WHY they are trying to get rid of all us older Americans? WELL, it's because: WE KNOW THE REAL LAWS and CAN TEACH YOU YOUNGER ONES THE REAL LAWS. THEY WANT TO DO AWAY WITH US BECAUSE "WE STILL KNOW WHAT IT TAKES TO MAKE THIS NATION RUN THE WAY THE CONSTITUTIONERS INTENDED IT TO FUNCTION. Think about that one for a while.

Now, back to Special Agent Reginald Joseph's statement: "The system has broken down and nothing works anymore." NO, the system is not unfixable, it is easily fixable, but it takes some GOOD OLD FASHIONED HORSE SENSE TO "FIX IT"!

The "Constitutioners" were not ignorant men, they were wise. They worked from experience and what they had evidenced, witnessed, etc., that had not worked in the Democratic systems in Europe. They set down the Constitution and the Bill of Rights, subject to the "antecedents" and identified in Article VI of the Constitution. Therefore, the ORIGINAL LAWS WORK! They worked just fine with GOD at the helm of this nation. They worked, prospered and became the envy of all nations upon the face of the Earth for 186 years. Then along came some dammed fool and decided "MY RIGHTS ARE BEING VIOLATED", and they kicked God out of our schools, out of our

Legislatures, out of our Courts, and out of our Lives. It's been DOWNHILL ALL THE WAY EVER SINCE and, adding insult to injury: "THE DAMMED FOOLS AT THE SAME TIME, TOOK THE MANDATORY LOYALTY OATH, AND THREW IT OUT OF THE WINDOW ALSO".

Ronn Jackson, now I am going to ask you to affirm a statement, a Rule, an unwritten Rule which WE were taught to use: "WHEN ALL ELSE FAILS, GO BACK TO THE BEGINNING AND START OVER AGAIN". Right!? And in going back to the ORIGINALS we must do away (Strike down/bar) all these CONFLICTING and CONFUSING LAWS which do not serve the people (a) fairly, (b) equally, (c) without prejudice, (d) constitutionally, (e) speedily, and (f) with equal justice for all. Which incidentally, is the true intention of the Constitutioners (writers).

The Rules of Court mandate: "Officers of the Court (this includes judges) shall maintain that office while performing in good conduct, and that upon ANY 'conduct' unbecoming an officer of the Court, the party/partys shall be removed."

This goes even into their private lives, the drunkenness, the broad-jumping, the skinny-dipping, the private payoffs, the doing of business which is in conflict with the issues at hand, etc. This even includes, RUNNING AROUND WITH A WET BLOND IN ONE HAND AND A DRY MARTINI IN THE OTHER.

What has happened to RONN JACKSON, GUNTHER RUSSBACHER and many, many others is UNCONSTITUTIONAL. It has created a CONSTITUTIONAL DISABILITY by the "disabling of the Constitutional rights as mandated by the Constitution, and an outright denial of same, which is mandatory for every citizen in the United States of America". Furthermore, any Judge, Legislator, Congressman, Senator and/or any other Law Enforcement Officer and/or Agency who adheres to such ACTS against the CONSTITUTIONAL LAWS has by Law, committed TREASON AGAINST THE PEOPLE, the RIGHTFUL SOVEREIGNS of this nation. Somehow, these nitwits got it BASS ACKWARDS!

ABRAHAM LINCOLN said: "DENY JUST ONE CITIZEN OF THIS GREAT NATION, THE RIGHTS TO THE CONSTITUTIONAL PROVISIONS, AND YOU HAVE DENIED THE ENTIRE NATION", and he was quoting Washington, Adams, and Jefferson. These are people who SIGNED our Constitution, and they were the ones who STATED how our form of government and our form of Laws were to be structured, and it is by ACT OF CONGRESS!

Of course, on the lighter side, in these days, Congress ACTS on television, radio, any stage which they are allowed on, the beach, the street—anywhere there is a television camera—and they have EXCELLED and some of them should be nominated for the ACADEMY AWARDS for an "OSCAR". (Remember that person they called "OSCAR THE ASSIN", Ronn?) Oh well, it's a "pun in fun"...First Amendment—Rights reserved.

EQUAL RIGHTS? The Constitution says: "All men are created Equal". Men/man; genus homo sapiens; no gender identified; no color identified.

"When all else fails, go back to the beginning, and start all over again."

/s/ GRANDMA

P.S. Grandpa is home from the hospital, doing fine. God bless and thank you for your prayers, letters, notes, and other assistive encouragements.

FOREWORD

Let's tell it, this about Committee crimes and Hopi hopes, plans and then let us DREAM OF RECOVERY, FREEDOM AND GOODNESS—THAT WE MAY LIVE IN BEAUTY.

We MUST speak of crimes and criminals, misled, deceived and deceivers, schemers and hopes—but only that we may know where and upon whom and what to base and focus attention and action.

In the journal there will be a bit about black helicopters and thus and so—and what might be their purpose. Col. Gritz tells the world there are none of such. Well, he actually didn't mean it as reported by those who would pick his words to pieces. He SAID (in meaning) that he had experienced no black helicopters hovering about, terrifying citizens. Is there a difference? Indeed! Whatever might be the lacking in Col. Gritz—HE IS A PATRIOT TO THE U.S.—OR HE WOULD NOT HAVE SERVED WHEN CALLED IN THE FIRST PLACE. No one has all the answers and if one has LIVED BY THE SWORD—he shall know no other way in which to reclaim that which is physically in danger of being taken.

YOU need these strong men to lead and serve, friends. Whatever one Bo Gritz may be, he would serve freedom if he could find direction and valid REASON for doing a thing a different way than as he recognizes. TOUCH GOD AND YOU TOUCH INFINITY—all ELSE can be peeled away.

The most programmed of the programmed robonoids are lost to the ADVERSARY the MINUTE they fully are awakened to the TRUTH of GOD, pull back and REALLY SEE what is TRUTH relative to the partial expressions of doctrines and secret societies. Easy? NO! But nobody promised you a Rose Garden of "EASY" thornless beauty and being, locked away from all that is presumed or assumed to be evil and bad. The "evil" and "badness" abounding IS YOUR SCHOOL OF LEARNING—CHOICES AND DISCERNMENTS.

The "error" of this day in judgments is the placing me and my mission along side that which is touted on a daily basis in a hundred thousand different religions, beliefs and experiences. I fit NONE of these things, readers.

You will read in the "holy" books of all or

ANY doctrine from Hindu to Christianity to Zionism—and you will KNOW that there always were the encounters with brothers from "out there" somewhere. It is written. YOU NOW COME ALONG AND RELEGATE GOD'S WINGED BROTHERS AND SISTERS TO HIDDEN BASES UNDERGROUND AND LIZARD SKINS AND BLACK SERPENT SCALES. NO—there have ALWAYS BEEN GUARDIANS, MESSENGERS AND ANGELS—OF GOODNESS—SENT FORTH TO ATTEND THE ONES SEEKING GOODNESS IN EXPERIENCE THAT THEY MIGHT MOVE ON IN EXPERIENCE IN HIGHER PLANES OF EXPRESSION. You want me to simply be ANOTHER ancient astronaut, an "E.T. voice" who will prove to be nothing more than a temptation to turn away from life and be something or other that never happens. It is not comforting to follow goodness when the world is bankrupt within physical bindings of the senses and the soul is dying.

Where do you suppose the brothers went from such places as Atlantis and the Mayan cities where dinner has been found on the tables within the ruins? THINK ABOUT IT! Does it mean they WENT to GOD? NO! For most were steeped in blood murder sacrifices and had buried their very souls in darkness. But, in every civilization reaching nuclear technology—there is the evil teacher who can "rapture" you away—just like the U.S.S. ELDRIGE AND BLUE BEAM. The Godly people have always been lifted off into security at such times and the remainder are "vanished". You don't have to have meteors or asteroids—all you need is TECHNOLOGY for the Evil Elite—and CREATING by the troops of GOD.

Do "angels" have wings? NO—they don't need them. That which appears as wings is for your perception and represents a very large energy aura. YOU WILL ALWAYS CREATE THE IMAGE MOST COMFORTABLE TO YOURSELF. A DEVIL WILL REPRESENT FEAR AND NEGATIVE—AN ANGEL REPRESENTS THE LIGHT AND DISSOLVES FEAR. Further, if you think GOD cannot present what you need and offer that for which you pray—then you LIMIT GOD and GOD CANNOT BE LIMITED!

All of the books and teachers have promised you the messengers, the way, the word and ability to know Truth—before the END SHALL HAPPEN. These same teachers preach that you ARE NOW IN THE ENDING TIMES OF PROPHECY. WELL, GOOD READERS, YOU CANNOT THEN HAVE ONE WITHOUT THE OTHER!

Do I discount any speaker or any "truth" as simply being picky about that which I think and that which they think? NO—for all things are TRUTH—to someone—so in the ending ALL THINGS ARE TRUTH. However, if you speak of Truth of God and how it will be—you walk a very fragile line in that you cling to that which is "modernized" and

attending to the physical expression and in so doing lock yourselves away from Truth of God and further your progress into the trap of the physical "housing". It is fine if that be your choice. However, MY mission is to bring you the WORD in Truth—that you have equal opportunity to make informed choices. No more and no less.

You of man have a massive assumed duty somehow—to kill the messengers and allow the physical indoctrinators to destroy you. So be it for it is YOUR JOURNEY.

The masses, without reading any of our work, denounce us, rise up against us and pronounce their opinions UPON YOU and YOU accept it—placing your very existence on ANOTHER'S OPINIONS.

Why do we write on those things which are in your consciousness instead of marvelous revelations about the unseen and wondrous journey of space and time? Because you don't have TRUTH in your consciousness and until you can accept that which IS, how can you even begin to accept that which is BEYOND?

Ronn Jackson said something on a taping a day or so ago which bears looking at. He said he didn't know if I was actually of God or not. He has not been exposed to almost any of my presentations or work or word. He knows very well that I EXIST for he knows me. The Godly part will have to come into comfort—AS I "NEVER" SERVE OTHER THAN LIGHT AND TRUTH—IN GODLINESS.

Does this mean I will not, as a Commander, ever become annoyed or set a stage—think not so, good readers, for I have a mission and I will see to that mission—and I SHALL SET TRAPS FOR MY ADVERSARY WHO CONSTANTLY SETS THE TRAPS AND LIES AGAINST ME AND MINE. I WILL SIMPLY USE HIS OWN TRAPS TO CATCH HIM IN HIS OWN GAMES—EVERY TIME I HAVE OPPORTUNITY—WHICH IS CONSTANTLY! Would I USE, for God's purpose, a murderer or a thief? Of COURSE! Would I allow use of funding from clandestine sources? OF COURSE—why not? Money is not evil, it simply IS. Man's attitude about same is the guiding measure. In fact, readers, I enjoy using the enemies' assets more than about anything you have going on that physical plane of intended theft and enslavement power wielded by my ENEMY.

I am continually told by YOU as to what to do and how to do it. I think NOT, readers. You haven't done so well up until now and if you had the answers, you wouldn't have the problems! I do not care as to whether or not you trust me, believe me or whatever—for that comes with experience in stability and longevity. Dharma doesn't even have to believe IN me or trust me or even have faith in me as a being—but to do her job she must be able to set that aside while we do our work—and therein lies the difference in "secretaries". She neither pretends nor claims to be anything other than that which she is in service. Much of the time she is stunned by that which I write—for it would appear to place her neck in the guillotine circle. She CHOOSES to write in spite of that and, in fact, her trust and faith is then proven—in me, that in the ending I will be her shield and buckler. In this very predicament her trust is honored and those things which I instruct and which are followed in action—have served EVERY TIME—even if the game be appearing otherwise. We have turned one disaster after another into proven asset and correct handling. Has this made her "rich"? No—but it surely has made my people

wealthy in service and confirmation. Most of the time the appearance of negative "loss" IS NOT—unless YOU QUIT AND RETURN TO THE ADVERSARY—THEN, "HE" WILL GETCHA' EVERY TIME!

You ALL must "confront the now" and "create the future"—it is up to YOU. If you are content with the "now"—continue as you are. That means, however, that you are also content with the prophecies which will destroy you—right on schedule. Again, it is strictly UP TO YOU. I can but offer and in showing you that which is and how it impacts YOU and then showing you how you might CREATE a different scenario—we can CREATE MIRACLES.

I personally enjoy the revolvment of ones

who have expressed great "badness" prior to now—because when they express "goodness" in service to humanity—THEY MEAN IT BECAUSE THEY KNOW THE DIFFERENCE!

May YOU be given to know the difference!

This journal shall be identified:

CONFRONT THE NOW
CREATE THE FUTURE

Satan and team can only "use" that which is already created, for only Creator Source can Create! Which do YOU serve?? If you confront the "now" and move in KNOWING into that which IS—and turn about unto that which is goodly, honest and just—you shall CREATE THAT FUTURE IN FREEDOM. Ignore that which IS and you shall be sucked along into the traps of the adversarial players. The choices are YOURS.

Act To Enforce The Fourteenth Amendment

April 20, 1871

"C. S. E. M. L."

Dateline: July 29, 1994

CONTACT, Inc. News

Dear Rick and Readers,

First: We want to thank all of you for your letters containing: (a) your concerns, (b) your desperate problems of losing your homes and farms, (c) the losses of your businesses, (d) your being incarcerated over some silly thing or the other, for which the Law did exceed its vested powers by their own Oaths of Office, whereas and whereby they did take those Oaths to uphold, defend and faithfully execute the Laws of the Constitution of the United States of America. And so many, many, many more letters of desperate plights and desperate pleas of persons, families, men and women and some children, who have become destitute of HOPE.

Second: We have read each and every single letter, and we do apologize for taking so long to respond. It is impossible to respond to all of you, therefore we take this opportunity to respond (as you know Russell Herman has been desperately fighting for his life) to all of you, in the CONTACT News. While watching

Russ fight for his life, and each breath, minute to minute and hour after hour, day in and day out, all night long for over ONE YEAR now, "I" read each letter, and some I read over and over again. I could not believe my eyes at the things which were and are occurring all over this nation, which creates a CONSTITUTIONAL DISABILITY on every man, woman and child in this nation. Moreover, it is and has been difficult to believe that our DULY ELECTED have sat there, doing nothing and encouraging these acts. The reason I said ENCOURAGED is: Had these duly elected familiarized themselves with the ACT TO ENFORCE THE FOURTEENTH AMENDMENT of April 20th, 1871, U.S. Statutes at Large, Vol. XVII, p. 13ff and adhered to its provisions, none of this would have happened in AMERICA, and to THE AMERICAN PEOPLE. Organized Criminal Activities would not have prevailed in our Courts, and in our Legislatures, in our Congress, in our Senate, in our State and Local Governments as it has evidenced itself to exist in your thousands of letters.

Thirdly: A copy of that Act to Enforce the Fourteenth Amendment is hereto affixed, and it is requested that it be printed with this letter [p.31]. And when each of you read this ACT TO ENFORCE THE FOURTEENTH AMENDMENT, hopefully, you will think about each

Senator, Congressman, Legislator, Attorney, Judge, President, Vice President and even the local Dog Catcher, who have attempted and succeeded in the "putting down" of this nation. By allowing Organized Criminals and their Organized Crime to prevail in our Courts, the House, the Senate and permeate our every-day lives with such a stench as is only left in the fields of death, left from the ROT and CORRUPTION causing the ROTS.

And when you read this Act to Enforce the Fourteenth Amendment, hopefully you will think on the FEDERAL RESERVE ACT, and the parties who, with malicious intent to destroy this nation, as they raise the interest rates, while you can barely buy a loaf of bread.

And, hopefully, the Congress and Senate in their HEARINGS can finally determine (a) what they can legally do, and (b) what they can not do. TO OBSTRUCT ANY JUSTICE ON ANY LEVEL is against the Act to Enforce the Fourteenth Amendment, causing the ROT to further encroach across this nation by exemplified FAVORITE LOBBYIST GROUPS; Insurance Companies who have no intent to comply with the Contract (the reason for Executive Order 12919). Shame upon shame. NOW as of today, July 29, 1994, "IF" you can still afford your PRIVATE HEALTH INSURANCE PREMIUMS—"a Premium is going to be put on the Premium, like the tax hike on Cigarettes".

Fourthly: After begging the President, Bentsen and the rest of that bunch in Washington to allow us to assist the people, after being "sluffed off" and "ignored" (in the Politically Correct Fashion), we have decided to GO FORTH ON THE BONUS 3392 N-181. The lein is in place, it has been in public print and now is the time to proceed.

GOD BLESS ALL OF YOU who have written and let us know your inner-most thoughts, trials, tribulations, losses, hopes, desires, and even your prayers. We do thank you from the bottom of our hearts.

273. ACT TO ENFORCE THE FOURTEENTH AMENDMENT

April 20, 1871 ☼

(U.S. Statutes at Large, Vol. XVII, p. 13ff.)

This so-called Ku Klux Act was the most important of several Civil Rights Acts designed to insure for the negro the full benefits of the thirteenth, fourteenth and fifteenth amendments. Similar acts had been passed May 31, 1870 and February 28, 1871. An act designed to secure social equality for the negro was passed March 1, 1875 (see Doc. No. 291). In 1876 the Supreme Court, in *U. S. v. Reese*, 92 U. S. 214 and *U. S. v. Cruikshank*, 92 U. S. 542, declared certain sections of the Civil Rights Act of May 31, 1870 unconstitutional, and thus anticipated its attitude toward the Ku Klux and Civil Rights Acts. In 1883, in *U. S. v. Harris*, 106 U. S. 629, the Court held parts of the Act of April 20, 1871 unconstitutional; in *The Civil Rights Cases*, 109 U. S. 3, it held the Civil Rights Act unconstitutional. Efforts to repeal these force acts were not successful until the second Cleveland administration. See, W. W. Davis, "The Federal Enforcement Acts," in *Studies in Southern History and Politics*; W. A. Dunning, *Essays on the Civil War and Reconstruction*, p. 353 ff.; C. Warren, *The Supreme Court* (1928 ed.), Vol. II, ch. xxxiv.

An Act to enforce the Provisions of the Fourteenth Amendment to the Constitution of the United States, and for other Purposes.

Be it enacted . . . That any person who, under color of any law, statute, ordinance, regulation, custom, or usage of any State, shall subject, or cause to be subjected, any person within the jurisdiction of the United States to the deprivation of any rights, privileges, or immunities secured by the Constitution of the United States, shall, any such law, statute, ordinance, regulation, custom, or usage of the State to the contrary notwithstanding, be liable to the party injured in any action at law, suit in equity, or other proper proceeding for redress; such proceeding to be prosecuted in the several district or circuit courts of the United States, with and subject to the same rights of appeal, review upon error, and other remedies provided in like cases in such courts, under the provisions of the [Civil Rights Act of 1866], and the other remedial laws of the United States which are in their nature applicable in such cases.

SEC. 2. That if two or more persons within any State or Territory of the United States shall conspire together to overthrow, or to put down, or to destroy by force the government of the United States, or to levy war against the United States, or to oppose by force the authority of the government of the United States, or by force, intimidation, or

threat to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, or by force, intimidation, or threat to prevent any person from accepting or holding any office or trust or place of confidence under the United States, or from discharging the duties thereof, or by force, intimidation, or threat to induce any officer of the United States to leave any State, district, or place where his duties as such officer might lawfully be performed, or to injure him in his person or property on account of his lawful discharge of the duties of his office, or to injure his person while engaged in the lawful discharge of the duties of his office, or to injure his property so as to molest, interrupt, hinder, or impede him in the discharge of his official duty, or by force, intimidation, or threat to deter any party or witness in any court of the United States from attending such court, or from testifying in any matter pending in such court fully, freely, and truthfully, or to injure any such party or witness in his person or property on account of his having so attended or testified, or by force, intimidation, or threat to influence the verdict, presentment, or indictment, of any juror or grand juror in any court of the United States, or to injure such juror in his person or property on account of any verdict, presentment, or indictment lawfully assented to by him, or on account of his being or having been such juror, or shall conspire together, or go in disguise upon the public highway or upon the premises of another for the purpose, either directly or indirectly, of depriving any person or any class of persons of the equal protection of the laws, or of equal privileges or immunities under the laws, or for the purpose of preventing or hindering the constituted authorities of any State from giving or securing to all persons within such State the equal protection of the laws, or shall conspire together for the purpose of in any manner impeding, hindering, obstructing, or defeating the due course of justice in any State or Territory, with intent to deny to any citizen of the United States the due and equal protection of the laws, or to injure any person in his person or his property for lawfully enforcing the right of any person or class of persons to the equal protection of the laws,

or by force, intimidation, or threat to prevent any citizen of the United States lawfully entitled to vote from giving his support or advocacy in a lawful manner towards or in favor of the election of any lawfully qualified person as an elector of President or Vice-President of the United States, or as a member of the Congress of the United States, or to injure any such citizen in his person or property on account of such support or advocacy, each and every person so offending shall be deemed guilty of a high crime, and, upon conviction thereof in any district or circuit court of the United States or district or supreme court of any Territory of the United States having jurisdiction of similar offences, shall be punished by a fine not less than five hundred nor more than five thousand dollars, or by imprisonment, with or without hard labor, as the court may determine, for a period of not less than six months nor more than six years, as the court may determine, or by both such fine and imprisonment as the court shall determine. . . .

SEC. 3. That in all cases where insurrection, domestic violence, unlawful combinations, or conspiracies in any State shall so obstruct or hinder the execution of the laws thereof, and of the United States, as to deprive any portion or class of the people of such State of any of the rights, privileges, or immunities, or protection, named in the Constitution and secured by this act, and the constituted authorities of such State shall either be unable to protect, or shall, from any cause, fail in or refuse protection of the people in such rights, such facts shall be deemed a denial by such State of the equal protection of the laws to which they are entitled under the Constitution of the United States; and in all such cases . . . it shall be lawful for the President, and it shall be his duty to take such measures, by the employment of the militia or the land and naval forces of the United States, or of either, or by other means, as he may deem necessary for the suppression of such insurrection, domestic violence, or combinations. . . .

SEC. 4. That whenever in any State or part of a State the unlawful combinations named in the preceding section of this act shall be organized and armed, and so numerous and powerful as to be able, by violence, to either overthrow or set at defiance the constituted

authorities of such State, and of the United States within such State, or when the constituted authorities are in complicity with, or shall connive at the unlawful purposes of, such powerful and armed combinations; and whenever, by reason of either or all of the causes aforesaid, the conviction of such offenders and the preservation of the public safety shall become in such district impracticable, in every such case such combinations shall be deemed a rebellion against the government of the United States, and during the continuance of such rebellion, and within the limits of the district which shall be so under the sway thereof, such limits to be prescribed by proclamation, it shall be lawful for the President of the United States, when in his judgment the public safety shall require it, to suspend the privileges of the writ of habeas corpus, to the end that such rebellion may be overthrown: *Provided*, That all the provisions of the second section of [the Habeas Corpus Act of March 3, 1863], which relate to the discharge of prisoners other than prisoners of war, and to the penalty for refusing to obey the order of the court, shall be in full force so far as the same are applicable to the provisions of this section: *Provided further*, That the President shall first have made proclamation, as now provided by law, commanding such insurgents to disperse: *And provided also*, That the provisions of this section shall not be in force after the end of the next regular session of Congress.

SEC. 5. That no person shall be a grand or petit juror in any court of the United States upon any inquiry, hearing, or trial of any suit, proceeding, or prosecution based upon or arising under the provisions of this act who shall, in the judgment of the court, be in complicity with any such combination or conspiracy; and every such juror shall, before entering upon any such inquiry, hear-

ing, or trial, take and subscribe an oath in open court that he has never, directly or indirectly, counselled, advised, or voluntarily aided any such combination or conspiracy. . . .

SEC. 6. That any person or persons, having knowledge that any of the wrongs conspired to be done and mentioned in the second section of this act are about to be

committed, and having power to prevent or aid in preventing the same, shall neglect or refuse to do so, and such wrongful act shall be committed, such person or persons shall be liable to the person injured . . . for all damages caused by any such wrongful act which such first-named person or persons by reasonable diligence could have prevented. . . .

THE WORD

Tapes, Transcriptions & Videos

In addition to audio tapes of meetings with Commander Hatonn and written transcriptions of some taped topics, **THE WORD** also offers other tapes and videos on selected topics.

Donations to cover the costs of tapes are \$4.00 for one tape, \$6.00 for two tapes and \$2.50 per tape for three or more, except where otherwise noted. The transcriptions are \$3.00 each. (Mexico or Canada add \$0.25 and other foreign countries add \$0.50 per tape or transcription.) Postage is included in tape and transcription prices.

Please send check or money order to: **THE WORD**, P.O. Box 6194, Tehachapi, CA 93582 or call 805-822-4176 if you have questions or you wish to use your Visa, Discover or Master Card.

If you desire to *automatically* receive tapes from future meetings, please send at least a \$50 donation from which tape costs will be deducted. We will try to notify you as your balance reaches zero.

Special Order tapes are noted below by * and are not automatically sent since this material is usually either already in print or will be soon. Available written transcriptions are noted by #.

The following is a *partial* list of older items but including all of the most current meeting dates, with the number of tapes in bold, in parentheses, and mentioning if the meeting has a special focus:

High-Stakes Chess Game

(Continued from Front Page)

business. I will, however, comment on this particular information because it seriously impacts everyone if true, and everyone if not true. It will speak of killing a president. And, furthermore, it WOULD NOT be Ronn Jackson who would be directly involved—and it is, further, THE major reason Mr. Jackson stays incarcerated—so that it cannot be "assumed" a work of his doing if this takes place as would be set up by "dealers" in the assassination game! The latter part does NOT please Mr. Jackson except that he can see the wisdom of compliance and continued incarceration. The facts are, however, that there are at least two other assassins trained and operable within orders who could accomplish such a task. I ask that all of you who pile the letters onto Mr. Jackson for response—continue the barrage because it keeps him SO BUSY that he can't even consider the possibilities involved here. WE NEED NO KILLING OF ANY KIND TO ACCOMPLISH RECLAIMING OF THE CONSTITUTIONAL GOODLY FUNCTION OF YOUR NATION.

Mr. Jackson is just beginning to understand his purpose and direction—and no longer is "sanctioning" a part of his job—it never WAS with God and citizen.

What is really incredible to witness is the sending forth of the Clintons and Gore on this stupid bus journey—they are not welcomed ANYWHERE. All YOU are shown are the nice parts—the nasty parts are KEPT FROM YOU. Indeed there are evil intents afoot.

WILL THE REAL CLINTON STAND UP?

NO! He can't. The Clintons have already been removed and he was a puppet at best from upstart of his public imaging.

I warn you, citizens of the world, when you act in violence against the LAWS OF GOD AND CREATION—you WILL NOT have the help of same.

I believe the best thing is to print the letter so that any comments make sense to you.

[QUOTING:]

Saturday, July 30, 1994

From: Light Bridges

TO: Whom it may concern:

In a telephone conversation with Ronn Jackson, Ronn said he had agreed to one last job (or sanction or killing or murder) for C.O.U.P.E.S.

Ronn then said to us that he would be

willing to tell us more information if we could guess who it was that C.O.U.P.E.S. wanted him to kill.

So Mary and I used an encrypted message in saying our guess to him by saying, "What do you think about Clint Eastwood and his ton of bills?"

This was our way of saying we thought he was going to kill Bill Clinton.

So we said this to Ronn over the phone, and after a long pause on the phone, he said, "Shit, you guessed it!"

So then we had a three or four-hour conversation with him on 4-24-94 which has been taped and copied and given to several people. However on this tape we did not mention the subject of Bill Clinton or what C.O.U.P.E.S. wanted Ronn to do. In fact, we have told no one until now.

THE ABOVE MIGHT BE PURE BS FROM A MAN IN PRISON WHO LIKES TO MAKE UP BIG LIES, OR IT MIGHT BE TRUE. SO, IF IT IS TRUE, WE FEEL WE HAVE THE RESPONSIBILITY TO TELL THE PUBLIC SO C.O.U.P.E.S. AND RONN JACKSON CAN BE STOPPED. WE DO NOT BELIEVE IN MURDER, WE BELIEVE IN HOLDING HANDS. WE ARE NOT HAWKS, WE ARE DOVES. I KNOW A LOT OF PATRIOTS WILL NOT AGREE WITH US IN THIS MATTER. [H: No, MOST "real" patriots WILL agree with you in this matter—it is no way to gain anything for your NATION.]

We do know what Larry Nichols and many others have exposed about Clinton and his drug smuggling through Mena, Arkansas, and believe all or most of it to be true. Bill Clinton and C.O.U.P.E.S. need to be put in prison so our United States Government can operate without being sabotaged by the international families and the Federal Reserve Board and the Rockefellers and the C.F.R. and the Bank of England, etc., etc., etc.

If what Ronn is saying is pure BS, then there is no harm done. However, if it is true, then we wash our hands of this information and call the prosecutors in the judicial system to do their job in stopping the treason and injustice from happening.

We know that the FBI, CIA, NSA, NSC, ad nauseam have been infiltrated by anti-Constitutionalists, but there are enough clean people left to get the job done. In 1938 Germany the problem was not too many Nazis, the problem was there were not enough vocal good guys and gals.

So let's use the information highways to our advantage and let the pen work and let the sword sit in the corner and rust!!!

Peace, Love and Light,
Chuck and Mary

[END OF QUOTING]

Then came the call to Rick from T. Buckley ["Treasurygate"] and the inquiry as to whether or not Ronn had ever said anything about this to Rick. Answer: IF SO, IT WAS NEVER REPEATED HERE! However, Buckley indicated that Ronn has spoken to him about the same order/action. So what have you? Now, the question comes full circle and back to me—why would that be? This is not my business and to "wash one's hands" as stated above, hardly sounds "new" in expression. I am NOT of your place so I can't do anything save speak about it. IF I WOULD BE PERMITTED—I WOULD NOT. I WILL SHARE ANOTHER LETTER WITH YOU IN A BIT SO LET US FINISH THESE FEW COMMENTS. YOU MUST UNDERSTAND DIFFERENT "ROLES" BEING PLAYED HERE, READERS, I MAY BE ONE OF YOU—BUT I AM NOT "OF" YOU—NOT YET!

CAN "YOU" THINK OF A BETTER WAY FOR THE COMMITTEE TO GET RID OF RONN JACKSON FOREVER?? JUST BARGAIN HIM AWAY ON A MISSION OF SUCH STUPIDITY AS TO GET HIM KILLED OR INCARCERATED FOREVER? COME NOW—THEY KNOW THEY CAN ONLY CONTROL ONE RONN JACKSON IN THIS MANNER—FOR ACTUALLY KILLING THE BEING IS NOT GOING TO BE SUCCESSFUL AND WOULD BE A MOST FOOLISH MANEUVER AGAINST A MEMBER OF THEIR OWN COMMITTEE WHO IS MORE POWERFUL, ULTIMATELY, THAN ANY OF THEM.

I would think it most unfortunate in perception that Ronn would have ever said such a thing to anyone. It does mean, however, that he was approached and it was a plan and probably will be attempted in another way by other parties. CAN YOU SEE—THAT THERE WOULD BE NOTHING GAINED FOR FREEDOM OR NATION—BY MORE ASSASSINATIONS? NOT EVEN KILLING OFF THE ENTIRE BUNCH ON ALL THE NEGATIVE SATANIC COMMITTEES OF THE GLOBE COULD YOU ACCOMPLISH FREEDOM AND GOODNESS! CHANGE THE HEARTS AND MINDS OF MAN—OR YOU CHANGE NOTHING—NO PLACE—NO TIME! YOU CHANGE THE HEARTS AND MINDS OF MAN THROUGH TRUTH IN INFORMATION!

You will note that the information came through sometime in this past April (24th?). That is quite a while ago, readers, and much changes daily—much the less, in several months. However, it does NOT make the suggestion less valid or the agony of sorting out responsibility easier. If, in fact, anything of this sort was spoken to any in this place—it has never been repeated. I would guess that it proves discretion on the part of our TEAM.

WHO ARE MARY AND CHUCK?

Well, they are close enough to be heard and have frequent conversations with Ronn and that is reality. They are the very ones who were to put Ronn's books to press as publishers, etc.

Have they betrayed Ronn some way? No! They are SERVING his security in this very telling and sharing. I WILL NOT TOLERATE ANY DAMAGE UNTO THEM AND I SUGGEST THAT IT BE SEEN TO, MONITORS! THEY ARE GOOD PEOPLE TRYING TO DO RIGHT—AND THIS WAS THE RIGHT THING TO DO! I trust the "reasons" are equally as "right" for I cannot but wonder why it took so long to show and tell. Would it be only after they got nothing expected? Please, consider "reasons" for actions and make sure, always, readers, that

your "reasons" match your words—FOR GOD KNOWS THE DIFFERENCE AND HE ONLY JUDGES BY INTENT—NOT WORDS!

Ronn Jackson is a very shrewd and brilliant mind. He set up possible "leaks" and found them! This very leak turns out to be his security blanket. Thank you, Chuck and Mary.

One major reason we turned our attention to other resources for back-up information on the network of high-level players, is that very focus. We need to inform you with that which you would NOT receive, because this information from Jackson WILL BE PUBLISHED.

In the inability to extricate Ronn from the incarceration system it has interrupted a lot of promises. One such promise was a major funding for *Light Bridges*, computers, print equipment and thus and so. This has NOT been forthcoming as has neither funding promised to ANYONE. Does this mean Ronn is a liar, a fool, a deceiver—or, not able to do anything about such business? The latter—but it doesn't ease the "minds" of participants when the happenings begin to look this negative. I don't know what arrangements Ronn may have made with them. IT IS NONE OF MY BUSINESS—IT HAS NOTHING TO DO WITH "HAND WASHING"!

I WOULD GUESS THAT THIS WILL NOT HELP BIND A LOVING FRIENDSHIP AND, AS REQUESTED OF CONTACT WE OFFER THE LETTER AND CONTACT, INFORMATION: Charles Wright & Mary Craig, Light Bridges, Fax: 1-704-898-4211; Voice: 1-704-898-4404.

I WOULD GUESS THAT THIS ONE LETTER IS ABOUT AS GOOD A THING TO HAPPEN IN BEHALF OF RONN JACKSON WHILE HE SITS IN PRISON—AS ANY SHIELD THAT COULD HAPPEN. HE CERTAINLY CAN'T BE BUMPING OFF ANYBODY WHILE SITTING IN A NEVADA PRISON, WHETHER IT BE IN CARSON CITY OR JEAN. THUS WE MAY ALL LIVE TO SERVE ANOTHER DAY—IN ANOTHER WAY!

Ronn has also promised to fund the paper, *CONTACT*, as well as to fund a lot of groups of patriots and, as well, individual parties who are in great trouble. He and others from the same services of past experience seem to have ability to do "that" if and when they can break loose and get something attended business-wise. Have YOU tried to shift money—even in a local bank and even a small sum? How can you shift it from Europe when both ends of the corruption net are RIGHT THERE? Ronn got money shifted through the New York system and to the Fed system in San Francisco—for *CONTACT*. This, only to have the Feds stop it, and hold it—illegally and knowingly illegally. The money has been recovered but was not released. No, we are not talking "small" sums—we are speaking of multi-millions.

WHO IS WHO?

I am not going into mysterious reproduction systems or who is/was who and how and what they are doing BACK in your play. I will tell you that it would be wise to find out everything you can about ones such as Thomas Paine—and go further up the ladder—and find out the full history of, say, ST. GERMAIN. Germain has showed up in every generation since God alone knows when! He was sometimes a fine fellow, sometimes a rat-fink. What he did, however, was ALWAYS started in honor and goodly intent—only to be spoiled and rotted by destroyers. He was Frances Bacon who was William Shakespeare and thus and so. He would simply be around in the busy

times and vanish—even to the point that funerals would be had only to find the "box" quite empty. He was at your *Constitution* writing—and I would think it appropriate that he be back now! He dictated information to Dharma which has gotten her into a lot of legal hassle. I think he will participate in getting her OUT of it or he shall answer—SOON—to me, his Compatriot!

Germain was always IMPORTANT, high-level "important" at every station. He was known by MANY, MANY names so don't get crazy, readers—YOU ARE EXPERIENCING THAT WHICH THE ADVERSARY WOULD LIKE YOU NOT TO BELIEVE!

When God gets BUSY—the "busy" get going! I would watch the goodly things that Ronn Jackson does as he AWAKENS (which he already has done; HE CAN REMEMBER—YOU CAN'T—YET!)

Do I or did I approve of one, St. Germain? NO, in most instances I did not—but my job and my mission are only the same as is his as far as the INFORMATION task is concerned.

Soltec On Recent Earthquakes

(Continued from Page 44)

(point of the event), the measured magnitude was 8.2. THIS ENERGY RELEASE PRODUCED SURFACE MOVEMENT OF 514 FEET, approximately 1/10 of a mile! At the focus, however, the energy potential factor would have produced movement of 615 MILES!

[Editor's note: I'm going to jump in here again, briefly, to explain that the above motion displacements come from the direct calculations of earthquake magnitudes from the measured ground motion or back-and-forth shaking/displacement of the quake itself. That is, for example, a back-and-forth shake of the ground of 514 feet translates into a magnitude 8+ quake. Technically, it is the log of the displacement of the surface wave in micrometers which is the earthquake magnitude number. So now you know!] This did not occur, of course, due to the density of material between the surface and the focus, but the energy potential was present to have produced that amount of motion, had there been no interference present.

This will give you some idea of the energy that is present within the depths of your little planet. Therefore, when man goes tinkering around with Nature, sometimes he bites off more than he is able to chew, let alone digest, and then you wonder why your planet is in the condition it is in now! Come, come—let us have reasonability.

You also have sent down, into a volcano, a little man-made probe to study the gases and such. For what? What is it that he hopes to achieve? Perhaps he is looking to see just what sort of energy potential might be present? I suggest the use of extreme caution in this regard, for you do not know what you are messing around with. You think you have problems now; try tapping into the life source of your planet and abusing and misusing it, and you shall see just how alive and conscious this little spinning orb of rock really is. As the saying goes, "It is not nice to fool Mother Nature!"

I realize that I have not addressed those powerful earthquakes which are occurring on

There will be the need for physical leadership and direction—THAT IS NOT MY MISSION! MY PRESENCE IS NOT YET EVEN DESIRABLE, MUCH THE LESS, NECESSARY.

YES INDEED, I WOULD REALLY TAKE A LOOK AT THE HISTORY—THE REAL HISTORY OF SIR ST. GERMAIN. YOU ARE NOT GOING TO LIKE A WHOLE HECK OF A LOT ABOUT HIM—AND NEITHER WILL THE "I AM" PEOPLE. BUT HE IS ONE OF THE GREATEST COHANS AND MASTERS OF ALL REMEMBERED HISTORY—ALWAYS SEARCHING FOR A WAY TO MAKE "MANKIND" "WORK"; ALWAYS OBSERVING AND WRITING ABOUT THE NATURE OF MAN—EVEN WITHIN ROYALTY. HE STAGED THE FRENCH REVOLUTION—I BELIEVE THE HEAD-CHOPPING GOT A BIT HEAVY THEN, ALSO. NO, I DO NOT RECOGNIZE VIOLENCE AS ANY SOLUTION—EVER. I HOLD HIGHER RANK AND HAVE TRAVELED FARTHER. UNLESS MAN FINDS BETTER THAN VIOLENCE—THERE WILL NEVER BE PEACE, FREEDOM OR, MUCH THE MORE. PERFECTION, IN YOUR REALMS.

a continual basis all along the Pacific Rim. The activity continues with no less than one or two magnitude 7.0 OR GREATER in any given week, and many which are 5.0 to 6.9. Everywhere from Russia, to Japan, to Indonesia, to Australia, to South America to Mexico to North America is continually moving [*"Ring of Fire"*].

I shall not take up any more time at this writing, for it is late in the day and the paper is waiting, in final preparation, for this writing. I felt that it was necessary to inform you ones of what is happening at this present moment in California, and to give you yet another little science lesson and a bit of enlightenment of that earthquake in Bolivia. We still are monitoring that area, as well as other places, for you have not yet seen the last of the results of that occurrence:

Remember that all things are inter-related in the Universe and that which is true in the macrocosm is also true in the microcosm. Therefore, an earthquake which occurs at one point on your globe has the potential of creating yet other results at other points on your globe.

Your tectonic plates are like a jigsaw puzzle, with all the pieces nicely fit together. Put pressure on one end, and push, and what happens? Pieces all across the puzzle will be affected, and some that are at the opposite side may just pop out of place. The same is true with your world's tectonic plates. Exert pressure at one point and there is likely to be activity at yet another point.

The trick is to follow the energy trace and attempt to arrive at a probability factor. Try it sometime—then you will see just how difficult it is, and why even we are unable to predict with complete accuracy where the next earthquake will strike or the next volcano will erupt. There are only probabilities, Chelas. Only the planet and its Creator know these things.

With that I shall leave you ones to ponder. Thank you for your attention and thank you for all your hard work. It shall pay off one day very soon. Toniose to clear. Salu.

Editor's note: Part 1 of this ongoing series began on p. 35 of the 6/28/94 CONTACT; Parts 2 & 3 began on p. 3 of the 7/5/94 issue and Parts 4-6 began on p. 24 of the 7/12/94 issue and Parts 7 & 8 start on p. 2 of the 7/19/94 issue and Parts 9-11 began on p. 6 of the 7/26/94 issue and here we continue with some more antics about a schemer Abe Fortas.

THE USURPERS, Part 12
by Medford Evans, Ph.D.

Western Islands (publishers), Belmont, MA
02178, 1968. [Out of publication].

[QUOTING:]

[H: Mr. Martin has tried every known avenue to find either Medford Evans and/or Western Islands Publishers. All he has been able to determine is that the book in point is OUT OF PUBLICATION and no further information. We will continue to list the information and hope that some reader will have information or ideas for connections. This is an IMPORTANT information book and a sad statement for the state of your nation, if not the world, that it is no longer available. These "Usurpers", readers, impact the WORLD as you will note that we are told Mr. Rostow is number one (A-1) on the Committee of 16. We can only honor Mr. Evans for his contribution and would welcome hearing from him if anyone knows of his whereabouts or that of family if any survive. Thank you.]

THE SCHEMERS ABE FORTAS

Abe Fortas seems so type-cast for a Schemer that one instinctively feels he must be more honest than he looks. Appearance and reality just don't conform well to each other. Certainly in Clark Clifford's case they do not, for nobody ever looked more honest than Clark, yet he would urge Harry Truman in 1948 in his dealings with Henry Wallace "to identify him [Wallace] and isolate him in the public mind with the Communists." Everyone knows that Henry Wallace was too impractical to be a conspirator, but was often a dupe, was a dupe of, among others, Professor Owen Lattimore, whom Abe Fortas so ably defended against the just charges of Senator McCarthy and, later, those of the Senate Internal Security Subcommittee. Suppose that any of McCarthy's enemies had ever been able to find a confidential memorandum of his in which he had advised a President, or anybody else, deliberately to "identify and isolate" a man whom he knew to be not a Communist—and Clark Clifford must have known Wallace was not a Communist—

"identify him and isolate him in the public mind with the Communists." What psalms of alternating sorrow and indignation we would have heard! The nation would have been invited by "intellectuals" solicitous for its conscience to prostrate itself in an agony of collective remorse for having produced such a monster! But it was not, of course, McCarthy; it was Clark Clifford; Clark Clifford of the honest mien, who was to advise not only Truman but also Kennedy and Johnson, the last named in close association with Owen Lattimore's attorney of the not so honest mien, Abe Fortas.

But appearances can be deceptive. Patrick Anderson, writing in *The New York Times Magazine* for January 28, 1968, quotes a "high Government official" as saying:

The President has greater respect for Clark's political judgment than he does for Abe's. He admires Abe's warm human qualities, but he knows Abe's heart is on fire with liberal causes, so he discounts his advice accordingly. The President likes to get advice from men like Clark who are cold and shrewd and aren't swayed by moralistic arguments.

Anderson does not identify the author of that estimate. Apparently Clifford has done something that makes Abe Fortas look moralistic by comparison, though it was Abe Fortas who in 1948 got Johnson's fraudulent nomination and election to the Senate approved by Supreme Court Justice Hugo Black.

Abe Fortas does not have, among American VIPs, the longest record of dubious associations—nothing like that of the late Eleanor Roosevelt or the late Dr. Harry F. Ward. But of all persons in the top rank of government, including the White House, the cabinet, senior members of the Senate and House, and the Supreme Court, Fortas has the most lurid dossier—except possibly that of his colleague on the high court, Thurgood Marshall.

Fortas and Marshall, both Johnson's appointees, have many things in common. Marshall is quite a Schemer, too, as Wayne University's Professor Alfred Kelly has told us. But possibly the most significant is that they

are the only Supreme Court Justices in United States history with a record of having been officers in a front organization not only described by the House Committee on Un-American Activities (HCUA) as having a "Communist character" (Appendix IX, published 1944, p. 795) but also cited as subversive by the Attorney General when his list was established a few years later.

Abe Fortas and Thurgood Marshall were, at

one time and another, on the "National Committee" of the "International Juridical Association" (IJA), along with Lee Pressman, Nathan Witt, Joseph R. Brodsky, and other identified Communists; and along with Carey McWilliams, Max Loewenthal, Thomas I. Emerson, Lloyd K. Garrison, Malcolm Sharp, and other intellectual fellow travelers. According to HCUA, "its most influential member," was Carol Weiss King, notorious woman lawyer whom Whittaker Chambers describes: "With bobbed gray hair, bulging brief case clutched under her arm and a cigarette drooped from her lips she seemed to be trying to caricature the common notion of a Communist." (Witness, p. 718.)

The preamble to the constitution of the IJA, which Fortas and Marshall once helped to direct, offers an interesting contrast to the Preamble to the Constitution of the USA, that Constitution which the two Justices are now sworn to uphold. Says the IJA preamble written in 1931:

Present America offers the example of a country discarding traditions of liberty and freedom, and substituting legislative, administrative and judicial tyranny. This country... now excludes, or deports, those daring to voice unpopular opinions; it now persecutes and imprisons its political dissenters.

What is the nature of the aforementioned unpopular opinions and political dissenters? Here is the documented conclusion of the HCUA:

From its inception, the International

Juridical Association has specialized in the defense of individual Communists or of the Communist Party itself. (HCUA, Appendix IX, p. 804.)

Resuming consideration of the preamble to the IJA constitution we read:

The American Section of the I.J.A. declares its purposes to be as follows: "To combat... and resist increasing executive, judicial, legislative and administrative oppression... To support the defense of political prisoners especially in the courts... To rally to the support of workers and their organizations... against the forces of the state whenever and wherever the latter aligns itself on the side of special privilege. To help establish in this country and throughout the world social and legal justice. (Appendix IX, p. 807, Italics added)

[END OF QUOTING]

Let us go, Dharma, I need you elsewhere now. We can pick up here when we get a chance to again write on this subject—but the dirty bounders are all around you—you don't have to go "back" in history to pick them out...!!! Thank you for holding steady. I, too, realize enough is enough—but for the adversary, dear ones—there are never enough bad deeds. Salu. In the name of God and in the Holy Presence and Light of Source—do we continue our work and so shall it be for as long as we can endure. Give up? Oh, chela, I think not—just when we are about to find out who are the actual enemies. So be it.

7/30/94 #2 HATONN

We were interrupted in the middle of writing about Abe Fortas as a "Usurper". I would like to continue this subject for a while today because I really do want to stay with this until we can cover Clark Clifford. He still makes almost daily news and, although he may not be as powerful or brilliant a schemer, he has nonetheless become involved to the point wherein he is PROTECTED by the powers that be until he has been able to skive off billions upon billions of dollars from you-the-people and never get so much as a hand-spank. Perhaps we can finish the subject of Fortas today. Thank you.

THE USURPERS, Part 13

[QUOTING:]

THE SCHEMERS ABE FORTAS

Because of the vigor with which they pressed their cause, the moving spirits of the IJA (International Juridical Association) did not have to wait to get their men Abe Fortas and Thurgood Marshall on the Supreme Court in order to achieve most of their objectives in liberating Communists and supporting "workers... organizations... against the forces of the state." M. Stanton Evans in 1965 summarized the record:

The Supreme Court under Earl Warren has been the most powerful instru-

ment of the Establishment program in this [internal security] field. The Warren Court has laid level internal security statutes and regulations in almost every sector of American life. It has struck down state sedition laws (the Nelson case), emasculated the Smith Act (the Yates case), hampered Congressional investigating committees (the Watkins case), forced opening of security files to Communist defendants (Jencks case), upset executive department security procedures (Service case), and hindered efforts to prevent Communist entrance to and exit from the country (Kent case). The Court has erased from the books almost every sanction the United States has against the internal activities of the Communists. (The Liberal Establishment, pp. 192, 193.)

[H: When you see something that indicates a MAKING OF LAW by the Supreme Court the red flags should be flying at full mast. THE SUPREME COURT IS SUPPOSED TO INTERPRET LAWS AS TO CONSTITUTIONALITY (YOUR OLD CONSTITUTION) AND NEVER TO "MAKE" LAWS!!!]

The American Bar Association [H: This is not a constitutional licensing division, a State licensing division or board—the ABA is a PRIVATE CLUB.] received in the Summer of 1958 a report of a Special Committee on Communist Tactics, Strategy, and Objectives which itemized twenty pro-Communist Supreme Court decisions (the characterization is mine), including all those mentioned by M. Stanton Evans, except the Service case, which like many another was yet to come when the Bar Association report was prepared. Communism did not win victories in our courts because Communist-fronters Fortas and Marshall finally made it to the high bench. It is the other way around. Fortas and Marshall were able to make it to the Supreme Court because Communism had already won so many victories there!

The IJA could hardly have started at the summit. It had to infiltrate its way upward by degrees. Its success has been phenomenal, surpassing all expectations. When the House Committee on Un-American Activities in 1944 wrote in Appendix IX that "there is not a single important Communist-front organization which does not have a substantial representation from the personnel of the International Juridical Association," it surely did not contemplate that by 1964 the Supreme Court of the United States would be added to the list.

It was in 1965 that Lyndon Johnson appointed former IJA National Committee member Abe Fortas to the Court. Two years later he added former IJA member Thurgood Marshall. To be sure this was not the first time the Supreme Court had received a justice who had once belonged to an organization that would be cited as subversive by the Attorney General, for Justice Hugo Black had belonged to the Ku Klux Klan. [H: Isn't TRUE HISTORY interesting? Further, isn't it even MORE interesting to find that the Ku Klux Klan was also started by the British Intelligence Agency who started the Anti-Defamation League—B'nai B'rith? Dear ones—the blacks and the "Jews" are not friendly enemies—they are HATED enemies!]

Abe Fortas' life can be divided into five chapters: youth, Yale, the bureaucracy, pri-

vate law practice, the Court. At Yale he met William O. Douglas and has followed him in some fashion ever since. After graduating from law school Fortas taught at Yale under Douglas, with whom he also worked in the Securities and Exchange Commission in Washington; these academic and bureaucratic activities overlapped. Prior to working part time with the SEC, young Fortas, while still teaching at Yale was, in 1933-1934, Assistant Chief of the Legal Division of the Agricultural Adjustment Administration (AAA). Alger Hiss, the convicted Communist, was a lawyer with the AAA in 1934. Indeed, Hiss was "an Assistant General Counsel", as he proudly told the House Committee when Whittaker Chambers first called the turn on him in 1948. Assistant General Counsel sounds pretty good. Lee Pressman, another convicted Communist was one too, at the same time, in the same agency—AAA. Abe Fortas at this time was AAA's Assistant Chief of the Legal Division. These are brilliant men. They wouldn't be likely to miss each other at that level in that agency. It's interesting the way Chambers describes the subterranean political atmosphere of those days. In *Witness* he writes:

I can imagine no better way to convey the secret power of the Communist Party in the domestic policies of the United States Government from 1933 to 1943, and later, than to list the members of the leading committee of the Ware Group [Chambers has previously gone into the workings of this "underground section of the American Communist Party", led by the late Harold Ware] and the posts that mark their progress through the Federal Government.

The leading committee of the Ware Group included:

Nathan Witt

August 1933 through February 1934—attorney on the staff of the AAA.

Lee Pressman

1933—Assistant General Counsel of the AAA.

John J. Abt

1933—Attorney for the AAA.

Charles Kramer alias "Krivitsky"

1933—On the staff of the AAA.

(pp. 343-344.)

Every one of them was a Communist. Chambers omits Hiss from the list. Hiss, like the others, was, in 1933-1934, a member of both the Ware Group of underground Communists and of the Agricultural Adjustment Administration. But his transfer to the staff on the Nye Committee of the Senate, investigating munitions-makers, was in prospect, and Chambers says the Party thought it prudent to separate Hiss from the group. But here in 1933-34, at the outset of the New Deal, are five AAA lawyers: Hiss, Pressman, Witt, Abt, and Kramer, all known to be Communists, and the Assistant Chief of the AAA Legal Division is Abe Fortas, who is *not* known to be a Communist. It is no wonder the justice is scrupulous in avoiding imputations of guilt by association!

John Abt is the one Lee Harvey Oswald said he wanted for his lawyer. One wonders what chance Oswald had of retaining him, though it might have been a problem for Abt to turn him down. The problem never came to a head. Jack Ruby saw to that. The reason Oswald wanted Abt is brought out by William Manchester in the *opus*, p. 247: [H: Don't you find involvement with such as the "Agricultural Adjustment Administration" a bit interesting—what does Agriculture have to do with anything attached to this mess? Perhaps it is the same as SENDING ARMS TO IRAQ, ETC., THROUGH THE AGRICULTURAL DEPARTMENT AND CLIFFORD'S BCCI? MY, my.]

....when the Dallas Bar Association's president drove to the station, Oswald declined his assistance, declaring a preference for John Abt, a New York lawyer celebrated for his defenses of political prisoners.

The parallelism of the above with the words of the IJA preamble is striking.

In 1937, Fortas left Yale and went to Washington to work full-time for the Securities and Exchange Commission. From 1934 to 1937 Fortas had worked part-time for the SEC. In 1936, John Abt worked for the SEC—Special Counsel in the case against Electric Bond and Share. It is a small world. Fortas moved on up to the bureaucracy. From SEC he went to the Public Works Administration and from there to the Department of the Interior. In 1942, when he was thirty-two, Abe Fortas was made Under Secretary of the Interior. Old Ickes (Harold the curmudgeon) liked him. So did Franklin D. Roosevelt. Ickes wrote in his diary:

The President spoke in high terms of Abe Fortas' qualities and said that he was thinking of taking him away from me and making him a member of the SEC. I told him Fortas was very important to me.

So that is how Fortas got to be Under Secretary. Nothing wrong with it. Nothing wrong with being in demand in two agencies and getting a promotion.

It was about this time that Abe Fortas and Lyndon Johnson became acquainted. Johnson first went to Congress by special election in 1937, the same year Fortas moved to Washington from New Haven. The young Schemers hit it off together. They palled around, too, with Eliot Janeway and an older lawyer, Edwin Weisl, who was later to become a bitter enemy of Joseph Kennedy. My authority for this is Rowland Evans and Robert Novak. (*Lyndon B. Johnson: The Exercise of Power*, pp. 8-9, 281.)

Abe Fortas has a way with Presidents. Roosevelt liked him, and Truman liked him, and the latter made him in 1945 an adviser to the United States delegation to the organizational meeting of the United Nations—administered by Alger Hiss as Secretary General! But important as Hiss was, Abe Fortas had already passed him on the rocky road to success. A legal adviser has a kind of status that a strictly administrative office, no matter how high, doesn't have. And Fortas, as Under Secretary of the Interior, would have outranked Hiss protocol-wise, for though State is very much more elegant than Interior, still an Under Secretary is an Under Secretary, and Hiss was

several layers down from that level within State.

Fortas' contacts were thoroughly interdepartmental. The following selection from *Interlocking Subversion in Government, Part 30: Harry Dexter White Papers*, a publication of the Senate Internal Security Subcommittee, seems worth quoting extensively, though a certain amount of repetition is involved:

On January 4, 1945, Abe Fortas, the Under Secretary of the Interior, wrote to Harry D. White congratulating him on his appointment as Assistant Secretary of the Treasury. Fortas felt that the promotion was "completely deserved" and would "strengthen the Government considerably". White expressed his "deep satisfaction" at the note. Fortas was a member of a dinner group which met on May 11 (year not given) at the Athens Cafe, 804 Ninth Street, NW, Washington, D.C., including Dr. [Isador] Lubin, David Niles, Mr. [Paul H.] Appleby, C.B. Baldwin, Dr. [Mordecai] Ezekiel, Oscar Chapman, L [auchlin] B. Currie and others. [White and Currie have attained fame as identified underground Soviet agents; the others are Left Liberals.]

On a letterhead dated May 18, 1942, of the International Juridical Association, 100 Fifth Avenue, New York City, appears the name of Abe Fortas as a member of its national committee. Among his fellow members with records as members of the Communist Party were: Joseph R. Brodsky, Nathan Witt, Leo Gallagher, Lee Pressman, David J. Bentall, Isaac E. Ferguson, and others who have been active in defending Communist cases. The House Committee on Un-American Activities characterized the International Juridical Association as an organization which "actively defended Communists and consistently followed the Communist Party Line" (Report on National Lawyers' Guild, September 21, 1950). It was an official offshoot of the International Labor Defense, cited by the Attorney General as the "legal arm of the Communist Party".

The International Juridical Association was succeeded in the Communist hierarchy by the National Lawyers' Guild. The leadership of the two organizations interlock significantly. In 1937, Fortas was a member of the national executive board of the National Lawyers Guild, which has been cited as subversive by the Attorney General. In 1940, a split occurred in the organization and there was a defection of a large group of well-known anti-Communists. *To our knowledge Fortas' name has not appeared on its letterhead since then.*

A letterhead of the American Law Students Association shows Prof. Abe Fortas, of Yale Law School, as a member of its faculty advisory board [along with Fred Rodell, by the way]. The American Law Students Association was a part of the American Youth Congress which has been cited as subversive by the Attorney General. It was also an affiliate of the United States Peace Committee, a part of the Communist-controlled peace front. Its letterhead shows union

label 209, of the Prompt Press, which prints Communist Party literature.

Abe Fortas was a member of the Washington Committee for Democratic Action, which has defended the interests of individual Communists and whose meetings have been addressed by such well-known Communists as Elizabeth Gurley Flynn, Lee Pressman, and Doxey Wilkerson. It was active in 1940 and 1941 during the period of the Stalin-Hitler Pact. (p. xxiv, *Italics added*)

Abe Fortas defended the "political prisoner" Owen Lattimore against perjury charges based on his testimony before the Senate Internal Security Subcommittee in 1952—charges eventually dropped by the Justice Department because of its repeated failure to draft an indictment in terms casuistically acceptable to Federal Judge Luther Youngdahl. The basic charge of the Senate Committee, that Lattimore was "a conscious, articulate instrument of the Soviet conspiracy", was never brought to trial, except in the court of public opinion, where those who have read the record find much that is persuasive in support of the accusation. Professional intellectuals on the other hand, who see no need to read the hearings of a Congressional investigative committee, indignantly reject anything that smacks of "McCarthyism".

In the 1950s, and to a lesser extent today, the intelligentsia preferred not to discuss such a proposition as that "X is an instrument of the Soviet conspiracy," for merely to discuss it is to imply (1) that there IS a Soviet conspiracy, and (2) that it is bad. The intellectuals are not at all sure, and really prefer not to know, about point one, but if by any chance it is true, then they incline to take issue with point two, and in any case certainly do not want to discuss it with the laity. In the interests of open scientific discussion, the intellectuals seem to advocate that all followers of Senator McCarthy ought somehow to be silenced, but if that is not feasible then at least they should be studiously ignored. This is what they mean by freedom of speech. With such brokers in the marketplace of ideas, Abe Fortas acquired much credit by defending a tycoon of the intelligentsia like Owen Lattimore.

Two questions one must never ask: (1) what has Owen Lattimore ever done that makes him such an intellectual? and (2) is he really a Communist? Both these questions are quite beyond the pale. A full professor at one of our great eastern seaboard universities is, like Caesar's wife, simply above suspicion.

Owen Lattimore was first brought to public attention by Senator McCarthy in 1950 as the architect of the Free World's loss of China to the Communists. McCarthy had most of his information from the late Alfred Kohlberg, and the information was straight. Nevertheless, the Senator's use of the importer's knowledge of the Orient-hardened resistance in the fortresses of the Establishment, for Alfred Kohlberg, a patriotic and well-to-do merchant in the Chinese linen trade, who had once himself been a member of the now notorious Institute of Pacific Relations (IPR), had, when he learned the devious pro-Communist line of the IPR, spoken out in intransigent protest. Kohlberg demanded Board action against Communist-line staffer and in other ways made the power structure uncomfortable. In particular, Kohlberg had made an enemy of Arthur H. Dean of the New York law firm of Sullivan &

Cromwell, then vice chairman of IPR. Dean was later to become a leading disarmer of America. Though Kohlberg's information of Lattimore was good, McCarthy was bucking the whole financial and legal Establishment as well as the intelligentsia. The cards were stacked against McCarthy before he began. Abe Fortas was a dealer for the house. He represented Owen Lattimore.

Eleanor Lattimore, Owen's wife—who writes juveniles—has told of the selection of Fortas as her husband's attorney. Lattimore was in Asia when McCarthy began his exposé and, though he promptly came back to the States, events here did not entirely wait for him. "I don't know how I happened to think of Abe Fortas," writes Eleanor Lattimore, author of Chapter II in her husband's pitiful book *Ordeal by Slander*:

...because everybody in Washington knew more about him than I did. [In 1950 most people had never heard of him.] We had met him once at dinner, and heard him talking about the attack on Dr. Condon [Dr. Edward U. Condon, once described as the "weakest link in our atomic security", a charge which he denied] and the way he thought such attacks should be handled. Owen and I both liked what he said but, not dreaming that my husband would ever be in a similar situation, I had not given Mr. Fortas another thought. So it was instinct rather than cleverness that made me telephone him that night to ask for an appointment.

Instinct or no, however, Eleanor Lattimore still sought advice from friends about going to the attorney. The friends were Joseph Fels Barnes and his wife Elizabeth. "Joe was finally convinced," continues Eleanor Lattimore, "it was going to be tough, and he and Betty approved of my talking with Mr. Fortas. I went alone to see him. Strange to say it was the first time I had ever been in a lawyer's office. But in the sea of unreality in which I had been floundering I knew at once that Abe Fortas was another solid rock, like Joe and Betty." (*Ordeal by Slander*, pp. 36-37.)

Another "solid rock"? What could this mean? Barnes is a world traveler, especially to Russia and Asia. Moreover, Barnes has been identified before a Senate committee by five sworn witnesses as a Communist and as an espionage agent.

Abe Fortas helped Lattimore deny any Communist connection. Not only was Fortas Lattimore's attorney, Fortas helped him write *Ordeal by Slander*. In the Foreword the professor expresses his gratitude to his lawyer and friend:

The story would have been different, and more tragic, if it had not been for the law firm of Arnold, Fortas and Porter; and particularly for Abe Fortas, who after weeks of exhausting work on the "case" still had wisdom and patience left to give me counsel on the book. (*Ordeal by Slander*, p. viii.)

Lattimore was American-born but English bred, (early school in Cumberland), had done graduate study at Harvard, been an adviser to Chiang Kai-shek, become an author of prestige books on international relations, and been made director of the Walter Hines Page School

of International Relations at Johns Hopkins University.

Lattimore came to owe Fortas a great deal. Whatever the narrowly averted danger from Senator McCarthy's charges in 1950, it was repeated with emphasis in 1952. After extensive hearings before the Senate Internal Security Subcommittee (which sedulously avoided dependence on either McCarthy or Alfred Kohlberg), Lattimore was indicted by a Federal grand jury on seven counts of perjury in his denials of Communist activity. Fortas' "wisdom and patience" endured, and Judge Luther Youngdahl was academically judicious. The judge said the terms "promotion of Communism" were not sufficiently defined, and so prevented the trial that would have defined them. The Justice Department in the early Summer of 1955 dropped the charges. This was about the same time that President Eisenhower had his picture taken with Bulganin at Geneva. Neither Lattimore nor Bulganin had ever been cleared of the standing imputations against them, but the world entered an era of ideological detente; everybody said, *Aw, the devil with that stuff*, McCarthy slowly sickened and died (May 2, 1957), Korea was over, Vietnam and Castro's Cuba were incubating, the first Suez crisis and the Hungarian Revolt was just around the corner. The long sea lanes opening to the humiliation of the U.S. Navy in the Sea of Japan in January 1968, were just ahead; and to the discrediting of the American military and diplomatic presence in Saigon; and to the predictable eviction of American power, and loss of American investment in the Far East. None of these could have been prevented without a real reversal of trends, a reversal that could come only when somebody in the United States learns how to keep a keen lawyer like Abe Fortas from securing the release of a propagandist as mendacious and impudent as Owen Lattimore.

Owen Lattimore had to be impudent to survive, for McCarthy almost had him convicted and punished. Yet the power was on Lattimore's side, as Abe Fortas knew; what he did not know at first was whether Lattimore would use it. At the first interview Abe Fortas asked Eleanor Lattimore: "Will he fight"? He would, as events were to show, but even with enough assurance to take the case Fortas needed a while to learn how tough Lattimore might be. The lawyer thought the professor might be ethically too scrupulous, which seems to have been a bit naive of the lawyer. Fortas wrote Lattimore, who got the letter in London, on his way back from Afghanistan:

As evidence of your non-Communist attitude, [Drew] Pearson broke at some length the story of the Living Buddha and the two other Mongols who are in residence at the [Johns Hopkins] University.... The emphasis in this part of the story will be that these people are refugees from Communism who were brought to this country as a result of your efforts and who are and will be of great assistance in contributing to an understanding of the Far Eastern problem. *This may sound somewhat insane to you*, but I assure you that we are operating in a situation characterized by insanity, and a certain amount of drama is not only desirable, but also completely unavoidable. (*Ordeal by Slander*, pp. 20-21, *Italics added*.)

The attorney continued to his client: "It may be necessary that you get down in the gutter in which we are now operating as a result of Senator McCarthy's personal attack on you. But if we can place the Senator in the gutter where he belongs..." (*Ibid.*) It was all right with Lattimore.

Ironically enough, Lattimore had wondered if Fortas would fight. At least he says he did. In his opening chapter Lattimore writes:

Then I thought, or tried to think, about Abe Fortas. I remembered that I had once met him at somebody's house at dinner, and that I had had an impression of him as a man with a keen mind and a warm and human personality. But I found I could not fit him into my thinking as my own lawyer, helping me to defend my own case. Never having been involved in any kind of legal proceedings I had a vague feeling that most lawyers are fixers rather than fighters. This fellow McCarthy was obviously a roundhouse brawler and a dirty fighter. A fight with him would be a slugging match. I was all set to slug, but was Abe Fortas going to be the kind of lawyer who would try to make me pull my punches? (*Ordeal by Slander*, p. 15.)

The two were soon to know each other better. Besides asking Eleanor Lattimore if her husband would fight, Abe Fortas had just one other question to put to her about her husband.

"Look here," he said, "I don't want to find that when Owen was a boy in his teens he foolishly joined something that turned out afterward to be Communist." I laughed. "You don't need to worry on that score," I said. (*Ordeal by Slander*, p. 15.)

Louis Budenz was reportedly going to tell the Tydings Committee that Lattimore was a Communist, and just for a moment Fortas was apparently a bit shaken, suddenly recollecting what he himself had done earlier, in the International Juridical Association. He was a professor at Yale when he joined IJA, and the IJA connection apparently lasted right down to the time he became Under Secretary of the Interior. Fortas knew that it is a whole lot more comfortable in the politically straight world if you have just never belonged to a Communist or Communist-front organization.

What manner of man is Justice Fortas? He is not an ordinary Supreme Court Justice. He is the superb Schemer who put Lyndon Johnson into the Senate when the voting majority of Texas wouldn't. He is the man Katzenbach "went straight to" when he wanted the Warren Commission set up, and Fortas was certainly the right man to go to, because Fortas had been the first man in Washington that Johnson called after the assassination of President Kennedy.

Abe Fortas is successful. There is a Latin motto, *fiat justitia, ruat caelum*, translatable as "Let justice be done, though the heavens fall." In Fortas' life the heavens have not fallen. They may not have fallen on Johnson—though his March 1968 abdication would seem to indicate they have. But what will it cost Fortas, in any case? On that high court, he is set for life. The best thing to do is put a man

in the White House who won't listen to him on those Opinions which undermine the Constitution. [H: Isn't ever likely, is it?]

Yet the struggle for worldly position has not stopped Abe Fortas from religious and philosophical moralizing, nor has the physiognomic fact observed by *New York Times* man Anthony Lewis that there is "no visible sign of sentimentality in Abe Fortas. He has the lidded toughness of, say, a houseman in Las Vegas." Actually the tough guy in Fortas sometimes finds the sensitive moralizer quite useful. In the McCarthy-Lattimore duel Fortas' law firm fired a letter to the Senator saying, "We suggest that a decent regard for the welfare of your country, for the high office you hold, and for elementary Christian virtues, require you immediately to put a stop to this fantastic outrage." (*Ordeal by Slander*, p. 23) [H: "Christian" virtues?? Oh my...] Since McCarthy was a Christian and Fortas did not claim to be, that seems like a cynical appeal to the other man's values. McCarthy was also a patriot and held the Senate in such high respect that he died after it rejected him.

Writing in 1964 in the *Yale Law Journal*, which he had edited thirty years before, lawyer Fortas, in an interval of contemplation between consolidating Johnson's position after November 22, 1963 and ascending to the Supreme Court said:

For a justice of this ultimate tribunal, the opportunity for self-discovery and the occasion for self-revelation are unusually great. Judging is a lonely job in which a man is, as near as may be, an island entire. The moment is likely to come when he realizes that he is, in essential fact, answerable only to himself. [H: Hmmnn—not to God or citizen??]

Unlike the letter to Senator McCarthy, this *obiter dictum* invokes no religious considerations. In this context, you would think it might have, quite legitimately. Taking the awful loneliness of the earthly judge to the edge of contemplation, one could well—this would be the place to do it—say that such a judge was answerable only to the Constitution—and God. But Abe Fortas didn't say it. He said the judge is "answerable only to himself". Of course, he was writing about William O. Douglas.

The boy who walked to religious school in Memphis forty-odd years ago to save streetcar fare (then a nickel) has for a long time now ridden in his own Rolls-Royce. He and his wife Carolyn, who is also a lawyer, are said to have made (before the Court thing came up) more than \$200,000 a year. Carolyn Fortas is a tax specialist. Fortas plays the role of a "Liberal," which is to say—for one thing—anti-big-business, and yet he got rich counselling big corporations. I don't care how you explain it, that is basically two-faced. Of course, it is exactly the same thing Johnson's other top Schemer, Clark Clifford, has done, possibly on an even bigger scale. It is, really, one of the formulae of the Establishment. Set up a Big Government, set up Big Business, switch the money back and forth from one to the other, like a man kiting checks between two banks, and you can manage the populace—both those who think they are "Liberals" and those who think they are "Conservatives." Someone has attempted to give a formula for political success: *Tax and tax, spend and spend, elect and*

elect. It's done now on a bigger scale. The difference is they don't try to spend it all on the WPA or the PWA, they spend it through contracts with big corporations—including big universities. Big Business and the Big Government hold each other up like two sides of a sandwich-board-sign which you and I have to carry around on our shoulders.

Still, as convenient as this marriage of Socialism and capitalism is, there have to be intermediaries—marriage brokers, marriage counselors. That's where Abe Fortas and Clark Clifford come in. Anthony Lewis of *The New York Times* says that as a lawyer Fortas "spent less time in courtrooms than in the offices of big corporations, advising them on how to improve their management and enlarge their profits without running afoul of the government." (*The New York Times Magazine*, August 8, 1965, p. 11.)

Clifford, as we shall see, has done the same thing. Liberals of the naive stripe, who want to feel that Fortas and Clifford belong to them, worry from time to time as to whether this kind of law practice is not somehow selling out to Big Business. Before you answer that question for yourself, remember that while the client may get a government contract and pay less taxes than he would without such lawyers, the government is always assured that its main interests are protected. Tax laws are written so that the revenue from them may be, depending on how they are construed and applied, either high—or very high. Never low.

About two years later—June 4, 1967, to be exact—Fred P. Graham, a lawyer who covers the Supreme Court beat for *The New York Times*, also had a *Times Magazine* article about Fortas, with Fortas' photograph on the cover. Graham says that Supreme Court Justice William O. Douglas, Fortas' mentor from the old, was discovered to be getting a \$12,000 a year retainer from a "nonprofit foundation with very thin financial ties to gambling interests in Las Vegas". Foundation official Harry Ashmore, speaking in defense of the corporate virtue, declared, the organized philanthropists in the case would pursue a "Caesar's wife" policy. What they actually did, according to the Graham, was to hire Carolyn Fortas, the tax-law-expert spouse of Justice Fortas. [H: My goodness, they REALLY DON'T ever change, do they?] Oddly enough, Carolyn Fortas said the foundation was actually as clean as one of Harry Ashmore's houndstooth jackets. Graham concludes his resumé of this episode with the reflection: "That the investigation was concluded without raising any hint of a possible conflict of interest is further evidence of [Abe] Fortas' prowess as a behind-the-scenes mover and shaker." In other words it is Carolyn who is Caesar's wife.

On Fortas' elevation to the Court in July 1965, *The New York Times* (it has published at least three analytical and evaluative *curricula vitae* on him) called him an *eminence grise*, which is what Cardinal Richelieu was called when he governed France for Louis XIII. That, too, may be an exaggeration, for Fortas' influence with Johnson, probably unique in early 1964, has been to some indeterminate but undoubtedly significant degree displaced subsequently by the influence of that other master Schemer, Clark Clifford. (Rostow's influence has never been personal with Johnson. Rostow's influence is almost automatic on whoever is in the White House.)

In a world where the Viet Cong can take the American Embassy in Saigon, and the North

Koreans can capture an American vessel on the high seas, it may emerge as an *advantage* to have been once a force in the International Juridical Association. Even for this we cannot charge Fortas with naivete. Lack of sophistication is the last charge to which he would be vulnerable. According to Anthony Lewis cited in *The New York Times Magazine*, a lawyer who once worked with Fortas said:

Of all the men I have met, he most knows why he is doing what he is doing. I don't like the s.o.b. [sic], but if I were in trouble, I'd want him on my side. He's the most resourceful, the boldest, the most thorough lawyer I know.

[END OF QUOTING]

And I remind you readers:

PROTOCOLS OF ZION:

"We have already established our own men in all important positions. We must endeavor to provide the *Goyim* with lawyers and doctors; the lawyers are *au courant* with all interests; doctors, once in the house, become confessors and directors of conscience."

And from a Fifteenth Century Zionist Protocol:

"...As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them."

Now, where do I fit in all this gibberish? The Zionist Anti-Christ is my direct enemy. This group of Khazarian role-stealers and heritage-thievers of the Judean peoples—have declared war on GOD of Christed perfection. I speak not of a "person"; I speak of that which is now called by all sorts of non-meaning names which fit no definition as USED. Communism was established by this very GROUP OF ONES CALLING THEMSELVES AND ACTING AS SELF-STYLED JEWS. THEY ARE NOT! YOU HAVE BEEN DUPED! THEY ARE NOT!

Are all the ones in POWER of said lineage? NO—and as soon as they realize THEY TOO HAVE BEEN "HAD" IN THE NAME OF POWER AND GREED, MIGHT WELL LOOK CAREFULLY AT WHAT THEY HAVE DONE—AND YOU MIGHT WELL RISE UP AND SMITE THEM—HUMAN CITIZEN.

I will remind you of something very, very important: WITHOUT LAWS SET IN GOODNESS, JUSTICE AND ABSOLUTE FAIRNESS FOR ALL, YOU HAVE MONARCHY AND ANARCHY CONTROLLED BY DICTATORIAL FORCES OF POWER AND COERCIVE FORCE.

WHEN THE HIGHEST COUNCILS OF THE LAND SIT IN CORRUPTION AND SELF-APPOINTED KINGDOMING—YOU HAVE LOST FREEDOM IN THE WORST POSSIBLE MANNER—FOR THERE NO LONGER RESIDES JUSTICE AMONG YOU.

YOU ARE THE PAWN OF THE ELITE POWER BROKERS HANDING OUT DEATH, LIFE, PRISON OR FREEDOM—ACCORDING TO THAT WHICH GATHERS UNTO THEMSELVES THE SPOILS OF A PLANET WHILE THE MASSES BECOME BLINDLY ENSLAVED AND HERDED LIKE THE BEASTS AS CHATTEL. IT HAPPENS AND MAN DOESN'T NOTICE UNTIL TOO LATE! Salu.

CONTACT, July 5, 1994, Pg. 61, "The Test is What You DO With Challenges"

Somebody masquerading as a friend, gave me a copy of CONTACT some time back. The material got my attention and generated a call to your 800 number, leading to a subscription by me. It did very little to produce any information but I did learn, or at least was told, that you are an etheric being.

After digesting several issues of CONTACT [H: Several issues of the paper? My, my,

how informed can you get—since I have written over 104 BOOKS, hundreds of papers and thousands of tapings—this must make YOU very, very INFORMED!], I believe it is safe to say that you do have a lot to say in these papers. In this issue you got just a little noisy and loudmouthed for a ball of smoke so I thought I would give you the benefit of my observations.

I would like to see a little documentation regarding the great hero Bo Gritz. I no longer believe him to be the white hat he tries to appear but put it down to his being misled because of his own lack of expertise in some areas. If you can prove he is as you say, spit it out, I will immediately confront him with it. [H: Oh my, good sir, I am quite sure you need no documentation for such confrontation for surely the information just jumps onto you without need of research. Why should I, a smoke-ball, supply you with anything? Perhaps he only needs YOUR "expertise" in all the obviously missing areas of his own.]

You do run off at the mouth about everyone out here being so dilatory and doing nothing [H: I have never used the word "dilatory".], believing nothing, and making excuses. Hatonn, old spook [H: Thank you for recognizing my finer qualities. Do you suggest I am simply a spook as in vapor—or a spy out in the cold?], I will match efforts with you any day. I have given everything I have to the point of destroyed health and poverty and I am still in there pitching. [H: Gosh, sir, how greedy of you to think we write all these papers JUST FOR YOU!] I'm tryin' and that, Casper, is all a steer can do. [H: Ah, but sir, if you

KNOW that you are a steer and not a bull—why not act in wisdom and intelligence and quit tryin' and start doing something intelligent? If you suggest that somehow you have been castrated—and know it—why suggest you can't help it if you are not a stud? I find your example interesting—and about as intelligent as the rest of your observations from "several issues of a paper".] I know a whole lot of others that have done the same and languished in hell holes for their efforts. Look up men like Tupper Sausy, Alan Stang, Rudy Stanko, Yorrie Kahl, Kaltenberger, Bill Benson, Red Beckman, on and on and be aware that those men are out here where you are throwing your shit.

I have no problem with that really, just consider the source as one who was probably still wearing jammies with feet in them when I started drawing my SS. I do have a problem with your apparent claims that you have some sort of an inside track with God, a direct franchise, and never mind that guy called Jesus. You have got a real problem there. I suggest in all seriousness and concern for your welfare, that you get that problem solved at once.

[H: Indeed, I take your suggestion, sir; YOU are a much better spokesman for the perfection of JESUS CHRIST.]

You may be an etheric being, an angel, a just man made perfect, pure spirit, pure intelligence, pure power and pure as the driven snow, but you are not pure enough to qualify as a top kick for God, that is the spot reserved for a man [H: a MAN?] named Jesus Christ who earned it. [H: Ah yes—you must have been there? And, sir, did you base all this information on a few issues of a biblical newspaper or what, Sir? I assume God made YOU the chief JUDGE and counsellor?] If you want to talk with God it would be best to go through the proper channels.

[H: Proper channels? What channels—if, as you say, Jesus Christ is God—what CHANNELS do you now suggest? Perhaps your infinite KNOWLEDGE came from going through the "proper" channels—instead of to GOD!] He might just zap you into even less than smoke.

You know the drill and I refuse to honor the sheer stupidity of your statements by attempting rational discussion about them with such an obvious spiritual cripple. [H: Fine, sir, for I don't believe you would recognize a "rational" discussion under any circumstances. I believe you might look in the mirror, sir, for you seem to know a lot about spiritual cripples if you can so judge!] As the saying goes, I refuse to engage in a battle of wits with an unarmed person. Think it over!!! [H: Likewise!!!]

Your diatribe against Bo Gritz included some reference to the Coalition For Human Dignity [H: I may have quoted from it—I doubt I had much of a "diatribe" and I don't "hang around" with them—I don't recall the subject as you describe it—I do not, in fact, recall ever hearing the name of Coalition for Human Dignity.] I have a copy of their report and also some of their other garbage. If you are hanging around with such people as that, no wonder you talk so squirrely at times, they are queer as a three dollar bill, or are you one too? [H: You just proved you are a fine example of CHRISTIAN NON-JUDGMENTAL LEADERSHIP QUALITY.] There were a couple of references to residence in Portland, I live very close to Portland. If you are an etheric

being, why don't you just employ a smidgen of that there astral projection or whatever and come on over, we can have a good discussion about all this.

[H: I assume you will have Jesus Christ there also, since you seem to know all about his business and you assume to represent him as an authority? Sir, this being that you insult by your very presence—TRAVELS WITH ME AND THIS IS HIS PROGRAM UNDER-WAY. YOU INSULT HIM BY YOUR VERY LANGUAGE AND I DOUBT IT SHALL BE "ME" WHO IS ZAPPED FOR BEING MISINFORMED OR PRESENTING MYSELF AS SOMETHING I AM NOT. You claim to be a Christian and prove otherwise in every breath!]

God bless you anyhow, why not, none of us deserve it.

[H: Speak for yourself—and at last, you have put the facts wherein they lie—when you say "none of US". I deserve HIS blessings as does every God-respecting being. I

cannot answer FOR you.]

Sincerely _____ sig. _____
Joe Schaffer.....sui juris

[END OF QUOTING]

What does it require to be a "top kick for God"? I would surmise that I am not the "spiritual cripple" here. This is, however, more interesting than a similar writer once wrote—that I was a "...horney, sex-deprived queer needing a good f___!

So be it, I thank the good sir for his attention to my shortcomings. This is "obviously" the very type of person who will regain your national Constitutional LAW and return goodness and Christ unto your nation.

Are we all to be impressed with your signature and "sui juris"? It appears that quite possibly you are a frustrated lawyer of some kind who would have some humble patriot trappings to fool the people. Good luck. Salu.

Rev-Up Your Pens & Grab Some Paper!

8/1/94 #1 HATONN

AS THE WORLD TURNS

There are a couple of things I ask to be made sure go in this paper:

1. Michael Silverhawk's current valid address for all things to do with the Refounding Amendment. [Editor's note: National Refounders Empowerment Center Ltd.; P.O. Box 27740; Las Vegas, NV 89126.]

2. Some information regarding the "Candace" conference calls. [Editor's note: This is an ongoing weekly patriot phone conference network. For more information: call Candace at 1-610-582-7400. You'll hear a dial tone, then dial 1119; you'll hear another dial tone, then dial extension No. 401. Allow ample time for ringing to begin; when ringing stops you are connected to the conference call. Wait for moderator, Candace; if busy, hang up & redial. If you have someone or something you'd like to put on the agenda, fax it to 417-548-3104. Candace says, "Join fellow American leaders every Wednesday, 10 p.m. Eastern Time."]

3. Standby information regarding Ray Renick. [Editor's note: You can still write to Ray c/o: San Luis Obispo County Jail, P.O. Box 15409, San Luis Obispo, CA 93406. Rick Martin has just completed a face-to-face meeting with Ray as we go to press and suggests that our readers send Ray some warm & uplifting words of support. To convey that Ray is in a chemically "subdued" mental state is a tactfully understated report of the facts. Thus Ray could really use—and would deeply welcome—the lift that a sincere and encouraging note always provides.] Ray is due for a "hearing" tomorrow having now been established through the appeals as "fit for standing trial"; etc. A nasty, un intimidated lawyer has been acquired for

him and maybe there is, at last, hope for his ability to have some kind of a non-burial situation. He is being transferred and by next paper we should have a place for you to reach him by mail. Rick Martin is attending the hearing and will come back with more information.

YOU DO HAVE IMPACT—YOU ARE GETTING THE JOBS DONE THAT NO AMOUNT OF "TRYING" HAS BEEN ABLE TO ACCOMPLISH. PLEASE, PLEASE, keep pen at hand and a piece or two of paper—because you are going to march across this nation in behalf of your brothers in full force of the word, Constitution, and remind the ones who went before—that they have not served in vain.

In fact, here is the next brother who must be given some hope and support. He is a member of the intelligence corps who is now in a Federal Prison on "no" charges—just for knowing too much. This is all wrapped up with the Israelis—even to the Chicago Israeli Consulate. He was a major "team" player in the dirty trenches, along with several others who yet remain alive—and they need help. This one is going to, like Gunther and Ronn, TELL! In fact, he is being moved to a HIGHER-SECURITY FEDERAL PRISON TO BETTER HIDE HIM. I DON'T THINK WE WILL LET THEM HIDE HIM LONGER, READERS. HE IS IN FLORIDA NOW AND THE PLANS ARE TO MOVE HIM FOR BURIAL IN LEAVENWORTH, KANSAS. (Well, that is stupid—we ALREADY know that address because of our dear brother Farmer, Krikava.)

I want to share Michael's letter (God does work in mysterious ways—one mention of this man in Contact and HE GOT WORD OF IT!).

PLEASE WRITE HIM AND AT THIS TIME

LET IT BE IN SUPPORT BECAUSE HE CAN'T RESPOND VERY OPENLY YET. PLEASE DON'T FORGET TO ENCLOSE AN ENVELOPE OR TWO—STAMPED. HE IS LIKE THE OTHERS—ALLOWED ONLY A MERE FEW STAMPS AND NO SUPPLIES. WE WILL WORK ON GETTING HIM PAPER, ETC., AS WE MOVE ALONG HERE—WHAT HE NEEDS NOW IS TO KNOW HE IS NOW IN "FOCUS".

[QUOTING HIS LETTER:]

July 22, 1994

Dear Sir,

I would first like to thank you for taking an interest in my circumstances that have led to my imprisonment. I had just recently started to receive the newspaper CONTACT, due to a very good friend of mine, B.W. I find that your news reports are "dead on target", and reward the readers with valuable data.

In the July 12th, 1994 issue, the Commander had briefly stated my name. I want to thank you very much for this input, and any future publicity you may offer in my defense.

If you are interested in what vital information I have, concerning much of military operation tactics, please advise me. I will tell you that the Feds want me silenced, as they know I have very damaging data.

I was arrested in Little Rock, Ark., just 4 blocks from "Bubba Clinton's" Governor's mansion. I sold drugs to Rodger, Bubba's little "bubba". I own property six (6) miles from "White-Water" properties in North-Central Arkansas. This area is full of remote air-strips used for smuggling drugs.

I also know of "Bubba's" most prized "hit men" whom are made up of several Arkansas Troopers and various police agencies and who are responsible for several deaths.

So if you think that you would like to communicate in the near future, please contact me. The FBI and Secret Service have been hounding me, and in the near future I am going to be transferred to a higher-level of security at Leavenworth, Kansas. So time is of the essence.

I am looking forward to talking with you as I have much to tell and share.

I will write you as much as possible, until what little postage stamps I have runs out. If it weren't for people like B.W. and her friends, I would have run out of postage funding long ago. I only make \$5.70 per month, and it goes for personals.

Thank you for your concern and efforts. Please give my best to the people at your command post.

Yours truly,

/s/ Captain Michael Maholy

[END OF QUOTING]

OK, readers—this needs IMMEDIATE and RUSH attention, to cover this man in attention for attention and focus is the ONLY WAY TO BRING ANY SHIELDING. PLEASE, BURY THE PLACE IN MAIL—AND LET THEM KNOW THAT BIG "WHITE" BROTHER IS NOW ON WATCH! IT IS TIME TO CREATE YOUR MIRACLES! Please check to see how you can get small

cash gifts into his account. We did it for Gunther with small money-orders in \$5, \$10 or so, amounts directed to his "account" and I believe, used HIS identification number (listed above). Perhaps as we move along we can have a fund at CONTACT or with B.W. Prisoners are not allowed much more than just small amounts for personal needs, snacks, stamps, paper, etc., so greater funds need to be put

into trust somewhere for later needs.

After we get some of these more urgently needed people OUT and can gain their help and resources—WE CAN GET A WHOLE LOT OF INNOCENT PEOPLE BACK INTO FREEDOM—THIS IS HOW YOU TAKE BACK YOUR NATION—ONE STEP AT A TIME AND THEN LIKE THE FLOODGATES ARE OPENED! LET US MAKE GOD "RIGHT"—PLEASE.

More Success With Pen & Paper Power

Editor's note: The following great success letter was recently received at the CONTACT office. The 5/17/94 CONTACT article called "Hawaii's Sovereignty Stand", referred to in this letter, has caused the lighting of many a fire across this country in State Legislative offices. We would also call your attention to the "10th Amendment Constitutional Revolt" writings in last week's issue for more "ammunition" for the cause!

Dear Rick:

Re: The PHOENIX PROJECT/COMMITTEE OF 50 STATES

After seeing the "Hawaii's Sovereignty Stand" in the May 17 issue of CONTACT I wrote to my Illinois State Representative as well as four other State Representatives from my area. I also sent each of them photo copies of Hawaii's 10th Amendment Resolution and asked what they are doing to protect the State of Illinois' sovereignty.

I am pleased to announce that on June 30, 1994 Illinois HAS passed House Resolution 2540, giving notice to The Federal Government that their mandates to the State of Illinois is in violation of the 10th amendment to the Constitution of the United States.

As frustrated as I feel at times, it is inspiring when something like this happens. It shows that we are not alone in our effort and thinking in wanting to preserve our Constitutional Rights. I'm a news addict but I saw nothing about this reported in the papers or on TV. It proves that grass root movements against the POWER of "New World Order" Federal Government's mandates that usurp State and individual rights ARE being heard in spite of controlled mainstream media bias.

I am enclosing copies of Illinois House Resolution 2540 for your file and for possible publication or distribution.

Sincerely,

John & Jean

Schaumburg, IL

PS: I sent copies of the resolution to the AMERICAN PATRIOT NETWORK. Also, I've enclosed some articles from the Chicago Sun Times you might find interesting if you haven't seen them yet from other sources.

PRESS RELEASE

FOR IMMEDIATE RELEASE

JULY 28, 1994

From: David Thibodeau
Waco Fire Survivor
Branch Davidian Association

704-669-0097; Fax 704-669-5191

This press release is issued in response to numerous reports in the media that the "Branch Davidians" have moved to Colorado and have started "rearming" and "stockpiling weapons." This is not true.

The surviving members of the Branch Davidian Association are now scattered throughout the United States and some have been repatriated to their countries of origin. None of the former residents of Mount Carmel Center in Waco, Texas, are presently living in the State of Colorado. There are no plans to reassemble or to possess weapons of any kind.

The people to whom the press reports refer are Ron Cole, Wally Kennet, and a third party. Mr. Cole and the third party are not now, nor have ever been, members of the Branch Davidian Association that existed on February 28, 1993. Moreover, Mr. Kennet, who is a former member, left the Association in 1992.

These reports in the news media are nothing more than scare tactics designed to sell newspapers or increase ratings. All of the surviving members of the Association are now trying to put our lives back together and to prosecute civil claims against the BATF and FBI for their actions on February 28 and April 19, 1993. We believe that the best way to avenge the deaths of our wives, children, friends, and loved ones is through the courts of the United States, not through the use of weapons.

The Branch Davidian Association would urge responsible reporting of the facts and ask that media organizations exhort their reporters and fact-checkers to ascertain the truth before engaging in unsubstantiated story-telling.

Branch Davidian Survivor News

July 30, 1994; San Antonio, Texas

Here is important information. The eight Branch Davidian Survivors who remain political prisoners have been assigned to their new quarters pending a solution which will free them from oppression of the federal government. They are not complaining but they clearly could use some encouragement and you can now be a part of that. They can all receive mail at their new addresses but you may not send books or magazines. They can get one package each year which will be coordinated through their families. Please do your part and write to as many of them as you can. They need to know that the people have not forgotten them.

Soltec On Recent Earthquakes

"I Feel The Earth Move Under My Feet"

8/1/94 #1 SOLTEC

Toniose Soltec, here, in service unto the Holy God of Light. There are a few things I wish to discuss this evening regarding earthquake activity and some little tid-bits about what is going on overall in the Department of Earth Changes. And yes, Chelas, this department is *very, very busy* at the present time and continues to heat up.

The first item in the Earthquake Department I wish to discuss is the flurry of activity which is occurring at present in a place known as Fontana, California, a small town just west of San Bernardino. The activity there has been steady and heavy, though the magnitudes of the temblors have not been what the residents would consider significant.

The numbers, however, are the point of concern, because this recent flurry of shakers is now **IN EXCESS OF TWO-HUNDRED OVER APPROXIMATELY A TWO-WEEK WINDOW**. The largest reported magnitude has been something like 3.5. Not to worry, any of you little sleepyheads, but as you may or may not recall, this is precisely the type of activity which preceded the Northridge disaster in January of the present year.

Your scientists are, as usual, asleep at the wheel, so it is left up to "you-know-who" to break the news to you ones. In fact, your scientists are reporting that this is nothing to be concerned about and that these little shakers are but a nuisance and not the precursor to the BIG ONE.

Well, Chelas, whether or not this round is what shall bring about the BIG ONE is hardly the issue. The real issue is: can California, or anywhere else in your country, or any other country endure, with present resources, another disaster such as that which occurred earlier in the year in Northridge? I hate to tell you this, but your coffers are all but empty, and the only way they are going to get refilled is by you ones digging yet further into your pockets to bail out your Government's debacle and mismanagement of resources.

That area of Fontana lies on a small fault line which intersects with yet other small-to-medium-size faults, which in turn intersect on one end with the Big Daddy, the San Andreas Fault, and on the other end with that pesky little *newly discovered* Newport-Inglewood Fault.

[Editor's note: See pgs. 18-19 of the 2/1/94 CONTACT for more information on just how

incredibly dangerous is that Newport-Inglewood Fault. It runs, in a fairly wide swath, from underneath Newport Beach at its southeastern-most edge, up through Huntington Beach and Seal Beach, traveling northwest, and then takes a more northerly cut, running underneath Inglewood, Culver City and Century City, and ending up about underneath Beverly Hills—quite an array of expensive and vastly populated towns!

I will also tie in here, with this Newport-Inglewood Fault, a fax we received at the CONTACT office recently that goes as follows: "A friend of mine talked to someone who works for a Seismology Testing Corporation in the Los Angeles area. His current job is to drill 4 holes, 4-10 miles down, all near Hollywood, with charges set and remote-controlled detonators. The depths of the holes and the amounts of the charges are all different. The job has to be completed by August 10th." Now, for those of you readers who are well aware that so many of our earthquakes are "non-natural", this ought to speak volumes! For more discussion on this matter, listen to what Commander Hatonn has to say on The Word tapes from the 7/31/94 meeting; see p.32.

Moreover, on today's (8/1/94) late night Los Angeles TV news, as we were going to press, it was announced (translation: they HAD TO announce because so many people called the station) that there was a 4.8 magnitude "aftershock" in the Landers-Big Bear mountainous area east of San Bernardino and Los Angeles proper. This was admitted to be one of 53,000 such "aftershocks" since the Landers-Big Bear quake of June 28, 1992. Of the 53,000, 175 have been of magnitude 4.0 or greater. Surely the writing's on the walls for those with eyes to see!

Also showing quite a bit of activity of late has been the Landers and Big Bear areas, again (or shall I say still) the Northridge area, plus a few other little shakers along the San Andreas Fault near Indio, Banning and Beaumont in Southern California, and in Parkfield farther to the northwest. Over near the Nevada and California border, again the area of Mammoth Lakes has been experiencing a little flurry of its own, with over three dozen small shakers.

Now to Bolivia: I'll bet you thought I had forgotten about that one. Well, relax, I have not, and no, I did not miss it. In fact, we have been extremely busy studying and monitoring that one.

Your scientists report that it was, I believe, an 8.2 or 8.3 at the epicenter. Well, Chelas, it is now time that you ones remember all those boring geology lessons which I crammed down your throats for months on end. The epicenter is the location at the Earth's surface, directly above the focus, which is the point at which the event actually occurred.

Now, let logic take over, and realize that this quake was **470 MILES** deep within your planet. What might you guess was the actual magnitude of this earthquake at the focus? Well, let me give you a hint: Your scales do not go that high. In fact, most of your so-called scientists of this discipline (I use the word loosely), are of the belief that the planet will never endure an earthquake greater than a 9 and that an earthquake greater than magnitude 10 is not only improbable, but impossible.

Well, let the impossible be logged as the possible, for that 8.2 or 8.3 earthquake would have measured **IN EXCESS OF 12** on your scales, which of course do not count that high! So much for your data-collecting capabilities! That which occurs at the surface point is but a shadow of what is actually occurring.

You see, by the time your scientists get through playing games with all the numbers and adding here, subtracting there, fudging this way, fudging that way, there is no real information to be gained from what they report, other than you can almost always boost their reported numbers upward anywhere from a few decimal points to several whole numbers, depending on where, when and what sort of earthquake they are dealing with.

What caused this great quake? And, yes, Chelas, this was a GREAT quake. Well, your scientists believe that it was caused by several tectonic plates coming into contact with other plates and by the zone of subduction which is in this area. Yet, this tectonic plate interaction is but another result of a much deeper occurrence.

This quake's focus was located **WITHIN THE MANTLE** of the planet, which extends to some 4600 miles below the surface of your planet. The mantle is the portion of your planet which is mostly associated with volcanic activity.

Now, consider the energy which was generated by this earthquake. At the surface, which we agreed was 470 miles above the focus

SPELT

Spelt is the most ancient and very best grain. *Spelta* is a grain of its own unique being. It is the best fiber resource, and has large amounts of B-17 (anti-carcinoma). It is the grain GOD gave to the planet as "manna" when humans were placed upon it.

Spelt was brought from the Middle East more than 9,000 years ago; it is a well tested product. It has since spread over the European Continent. Very recently, *Spelt* has enjoyed renewed popularity in Europe as a result of translations of mystical writings of the 12th century healer, St. Hildegard of Bingen, who praised *Spelt* as the grain best tolerated by the body. The *Old Testament* mentions *Spelt* in *Exodus* 9:31, 32 and *Ezekiel* 4:9.

Today it is used in the West in much the same way as wheat; one main distinction is that the people with allergies to wheat frequently do not react to *Spelt*. Although *Spelt* contains gluten, those with gluten sensitivity, even celiacs, can usually tolerate it. In addition, *Spelt* is appreciated as much for its hearty nut-like flavor as for its healing qualities.

The grain berry grows an exceptionally thick husk that protects it from pollutants and insects. It is stored with its husk intact, so it remains fresher. Thus, unlike other grains, it is not normally treated with pesticides or other chemicals. The strong, protective husk may also be a metaphorical signature of this grain's capacity to strengthen immunity. *Spelt* contains special carbohydrates (Mucopolysaccharides) which are an important factor in blood clotting and stimulating the body's immune system.

Spelt is richly endowed with nutrients. In general, it is higher in protein, fat and fiber than most varieties of wheat. An important feature is its highly water-soluble fiber, which dissolves easily and allows for efficient nutrient assimilation by the body. *Spelt* also contains essential amino acids, which combine with the protein in *Spelt* constitute a source for human plasma. To use *Spelt* in baked goods, cereals and other dishes calling for wheat or other grains, substitute it one for one. You will likely always have to add gluten (from wheat) to give satisfactory yeast products.

At a major clinic in Konstanz, Germany, *Spelt* has been used as an adjunct in the treatment of

many disorders, especially chronic digestive problems of all kinds, chronic infections (herpes, AIDS), nerve and bone disorders (Parkinson's disease, Alzheimer's disease, arthritis), cancer and antibiotic side effects.

GAIANDRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond

that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, AquaGaia is also a non-alcoholic health tonic which

provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

AquaGaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy

recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of AquaGaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIANDRIANA & AQUAGAIA

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

AquaGaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and AquaGaia, together for storage as the AquaGaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the AquaGaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

GaiaLyte

GaiaLyte is brought forth from Kargasok Tea. This IS the basic component of MO-GU tea as we have used the tea by that name. The GaiaLyte is a fully integrated electrolytic liquid. The "drink" is a "concentrate" (3 to 1 minimum—as much to one as you like maximum). It contains EVERYTHING supplemental to Gaiandriana—INCLUDING A GROWING-PROGRAMMING BASE OF GAIANDRIANA AND BASIC DRIANAS. It also contains enough Carbragaia to equal a full schedule of what is being used in Mexico—(shark-fin cartilage). If you are using MO-GU—keep on—it can only enhance your full-rounded intake—but it WILL NOT be the same. However, the "new" drink will supply all you need without it. This is NOT A MEDICAL PROGRAM OF ANY KIND. We are not physicians as in Medical Doctor; we are not anything—except hopefully, sharers of information.

The GaiaLyte has a full spectrum of vitamins, minerals, Ginkgo, Echinacea, Chlorella, Oxygenators, Aloe Vera—everything necessary to "program" the cells in the tea membrane AND the Gaiandriana included. This does not replace the Gaiandriana used otherwise. This is a PERFECT medium to enhance the ability of the Gaiandriana you already take to enhance itself—reinforcement fuel, if you will.

You can dilute the concentrate with water AND/or anything you like. May we recommend apple juice and/or Cranberry. The apple juice is to flush out the gallbladder and the cranberry juice flushes out the bladder (urine). You may use as much as you like of either OR both and we would hope you would do so on a continuing basis because of the value of these two products and their focus of use.

We believe you will find it a very tasty beverage but we ask that no matter how "good", just keep to the "program" amounts or you may find yourself a bit "woozy" immediately after intake. This is due more to the Aloe Vera present than

the tea itself—but as you know, even the MO-GU tea can make you quite light-headed. There is no alcohol in the beverage although you may very well think so as the body rushes to uptake the fuel supply. This is not a medical-chemical concoction so you could take the entire bottle without damage or hazard—but you might well not feel so great for a bit afterward and it is totally UNNECESSARY for any expected positive response.

This is not like taking an antibiotic with flu or sore-throat. This is a well-body systemic enhancement. It sometimes, as with other persons' elixir—takes weeks or months to feel any difference. ONCE balanced, however, you will note that at onset of infection, cold, etc., if you take around six ounces of Gaiandriana and double up on the GaiaLyte—you will probably note positive response in about an hour. Remember—you are activating the enhanced immune system and it takes a while to accomplish this task.

ALOE JUICE

(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Juice is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadensis Miller Aloe Vera* plant. **Aloe Juice** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulants, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine,

glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

2/23/94 #1 HATONN

I have been nagged and badgered to put together something that would help to remove and keep off excess body fat. You people are so focused on the purely physical aspect of experience as to concern me. However, there IS need among the population for some help in controlling the negative problems of "lipoid and horizontally challenged" people. Of course there is an array of natural herbal assistants for the problem. There are also the very practical programs available for self-hypnotic training for the body. Our people will, my request was by mid-March, have a full "program" in herbal form to interact with the fat molecules which will cause them to "liquefy" and then with abundant fluid intake, wash away the surplus cellular material. The reason this is so valuable is that you are leaving your necessary muscle tissue untouched which produces the end results of a lean, healthy body. You will have to check with the "Gaia" people for we don't stick our noses into the business of the product offerings. Do "I" present the formulas and "create" the products? Not in all instances—but yes, I do. Dharma is stuck with the nasty job of physically combining the substances and doing the "gardening". However, she then has nothing further to do with the management or presentation. I can promise you, for instance, that she thought she could make bread until she reaches Heaven's gate. I watched her "trying" to put a loaf together from a batch of spelt which had lost its instruction label—and GONE were the steps and amounts.

We remove these tid-bits from her memory for the most part for she has enough other topics with which to deal and we want NO connections with the other entities and companies handling product-FOR OBVIOUS REASONS!

Now as to the self-help training program—it IS hers. She developed it in 1986 for a totally different purpose but it has a weight reduction program built in (or NO program at all is acceptable—you can still fully utilize the tapes). The tapes have been abundantly used in the management of bulimia and anorexia as well. America West offered the sets for a while until she withdrew them. There are probably a hundred or so sets left. The contact addresses, of course, are now different but the personal interaction remains open and valid. They are recognized as positive help programs and even the Master Hypnotist Teacher and head of the Council of Hypnotist Examiners have featured and "sold" the program to students.

It DOES mean however that you can't fail to attend your own personal care for self—the tapes or the capsules DO NO GOOD IN THE CLOSET—RESULTS ALWAYS DEPEND ON THE DESIRE FOR CHANGE—THEY ONLY HELP YOU ACCOMPLISH THAT CHANGE.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

TELEPHONE HOTLINE 805-822-0202

This is a service for our dedicated readers. *Today's Watch* telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
