Controlled Media Losing Grip As People's Network Continues To *Grow*

Yes, indeed! This week's paper is almost completely news coming from you-the-people. It's flowing over an emerging, incredible network mixing the best of modern technology and good journalism. Of course, it's true that anybody with a fax machine and phone line can jump on the bandwagon—but since the thrust for national reclamation is growing ever more critical, so is the quality and quantity of information being shared. The old "grapevine" can't compete with what we-the-people have now managed to construct across this entire country to knit together our aspirations for freedom. And with each new level of our awakening, the controlled media's blatherings from the vidiot boxes and print media look ever more absurd, losing the spin of their propaganda value.

This week's CONTACT also includes a special, 36-page legal Public Notice insert, required as a consequence of Russell Herman's recent untimely demise. This document accelerates the intended utilization of a very old gold certificate to finance our nation's turnaround at this critical hour. On many levels, our nation is being reborn. Let's not throw away these gifts.

NOW EVEN THE CFR CONTROLLERS ARE LOSING CONTROL

To 1000 Citizens who are responsible for our social dilemma.

In order of responsibility for this dilemma:

1. The International Bankers who place their own power-to-control above all else.
2. The CFR Mentors who wish to advance their elitist ideology - working closely with the International Bankers and with the Corporate Chiefs.
3. The Corporate Chiefs, who join in forming a control consortium.
4. The U.S. Government, whose chief officers are CFR members who pull all voted-in officials into their network.
5. The Science Community that proposed a false concept of reality, which helped destroy "belief" religions. Replacing them with a "scientific truth" that also is outside the law of probability.
6. University professors accepted that false concept, passing it on down into the entire schooling system.
7. Business leaders and professionals in all disciplines greedily profited under this regime.
8. Publishers of books, magazines, major newspapers, radio and TV carried the approved reality to the public.
9. Over the years, this regime permitted the Militant Feminists to take over and re-constitute our basic character-building machine.
10. Along the way - greed crept in and became the NUMBER ONE priority.

Now - things are such a jumbled mess that even the Controllers can't control. The remedy: (If it isn't too late) - Forget expecting the religions coming together to solve problems. They fight among themselves and with each other. Also they do not really believe God punishes.

The International Bankers have left social problems to the CFR Mentors and to the accidentalist-Darwinian scientists.

The Corporate Chiefs are busy trying to hold their position in greedy, grabby, International competition.

The U.S. Government is manned by officials and their assistants who have been schooled in a false concept of reality and who cater to the wishes and directives of the Control Consortium.

The Science Community refuses to renounce its false reality - it also being supported by the government in such unrealistic projects as the SSC.

University professors instruct future University professors who teach school teachers to continue teaching the false reality - and the teachers, many of whom are Militant Feminists, do as they are told. Using this warped system to carry on their destructive agenda in the classroom.

Publishers of books, magazines and major newspapers and radio and TV publish what the Consortium demands. Otherwise, either adds are withheld or they are bought-out or run-out of business.

The AMA and attorneys and those in other disciplines have found ways to profit by cooperating in holding to this regime.

So - you can see how impossible the situation is; — unless a radical orientation occurs NOW.

First we must straighten out the scientists' false reality involvement.

The greater scientists - Einstein, Planck, Eddington et al. admitted to encountering some mysterious Super-Intelligent Force. Einstein often referred to "God".

Evidence uncovered by the more responsible scientists supports the ideas that there truly is such a Force that created and controls the Universe.

In the beginning there was much order and system and apparent purposefulness - as electrons, protons - along with gravity, electromagnetism, attraction between protons and radioactive decay made possible the orderly designed atoms, molecules - before mutation and evolutionary process could have been a factor.

Even more impressive was the idea of, design of, and capability of the DNA that produced life forms - including the wondrous human body with a brain-computer capable of abstract thought, reflecting and inventing. All of this that would require intelligence far greater than human.

Only a dullard would question the existence of that Intelligent Force, or "God" (If you don't object to placing that Force into the same arena with the many Gods that originated in the minds of the many Prophets).

Are The Crooks FINALLY Losing Control As The People Wake Up?

Assuming then - there is an Intelligent Force; Scientist responsibility is to uncover what be the intentions of That Force. The "truth" - "the reality". That we say must be found.

Other than establishing the existence of that Force, the first and most important intention we must face is that distinctly different humans were created - the males and the females - that were created very different both mentally and physically and intended to confine pretty closely to two different roles and responsibilities.

Research scientists have established that every cell in each of those bodies is different for each sex.

Psychologists have deduced - and- historically we have learned, that the kind of character necessary to a healthy, happy civil world depends upon the character programmed into the child's omnivorous brain-computer prior to age six.

It has been proven too that only in a two parent home, with much love, concern, teaching, disciplining that such a character can be built.

That child's brain must be programmed with millions of bits of informations that can occur only while it's five senses are exposed to day-today living; among adults and children under real life conditions. NOT possible in any child-care center.

This provision not possible unless there be compatibility between Husband and Wife - that hold them together.

When mothers abandoned the home and children to "reach my fullest potential", that essential character building stopped. And it is from that loss that humanity has fallen to it's present sad state. Proving the value, the importance, the power of the female.

Failure of husbands and females to realize that vast value and power is what helped drive the mothers from the home. That, along with war-time jobs shunting females into male jobs - with their new money-earning ability - produced a greedy-euphoria-habit that couldn't be broken.

When wives became overly independent and breadwinners - compatibility went out the window.

Males have been genetically programmed to be masterly, provider, protector, with an aggressive spirit that permitted them to face life's adversities. - The spirit that built America.

The masterly, take-charge attitude of the females is more than the male ego can tolerate. (wife beating and divorce)

In the single parent house and in the schools strict adherence to a uni-sex brain-washing has taken place. Forcibly thwarting those male-type urges. With the resulting frustration, anger, rebellion being the reason for most all of our social problems; from child to adolescent to adult. Youth gangs, rapes, drugs, child pregnancy, murder, on and on.

We have been so long away from reality that upon hearing what changes are now necessary - under todays conditions - those changes will sound radical, fantastic, ridiculous, inappropriate. But pieces will fall into place, as in a jig-saw puzzle.

The Changes:

After tending to the Male-Female identity we come to the intention that we must do all that we possibly can to maintain the identity of each race; thus to provide a varied, more interesting world of peoples. Each race to be encouraged to segregate - sex-wise - and preserve their race characteristics. discontinue busing, with all races using their own brain-computer to establish status; with each race climbing the ladder to success, without favoritism or clinging to coat tails. For it is struggle that builds strength of body and mind in all humans.

There must be separate schools for males and for females. Thus to permit greater concentration on studies and prevent competition between sexes from starting. Will also get rid of major cause of problems between black and white students. Also provide specialized knowledge that is more appropriate for each sex.

Education to be free. But only to those students with sufficient desire and proclivity toward utilizing higher education. Much more and better equipped trade schools to be provided.

The advantages of separate schools will far outweigh the additional monetary cost. This separate idea has been tried and found to be superior in many ways.

Morality to be taught in schools under banner of science.

Capitalism is wrong - as practiced. It encourages materialism and permits power to get into the hands of a small self-interest group, who may not be wise or have interests of mankind in mind.

Democracy will not work unless the majority of citizens are wise and honest.

In early America, Christian belief by leaders and the public, made democracy work. But today there is no Democracy. The people are forced to abide by the will of the Controllers concept of reality.

Best results can be obtained with government under the control of citizens whose only objective is to determine right and wrong under uncovered intentions of the Intelligent Force. With the ones with greater knowledge and versed in those intentions holding government offices. In this way all the wise provisions envisioned by the originators of 'Democracy' would be in effect. A "Supreme Court" or a "Politburo" or whatever named assembly.

Voting by the masses on what be wise is not only stupid but actually has no effect upon the plans of the Controllers.

World Government could occur under a Universal Concept of Reality. Which is not possible. there can't be two heads of the home any more than there can be two presidents of a business or a nation. However, due to too many emasculated males being present in our society — until this new regime goes into effect - some females must be head of the home and the breadwinner. But children to be quickly educated in the new way - of - life.

Religions must unite in persuading everyone to know there is a wise, just, stern Intelligent Force or "God" in control of the Universe.

Egalitarianism is unrealistic; for no ^ω people have been programmed since birth with the same data.

Special to women: When men were head of the home, the wives knew how, and did, influence the husbands decisions; often for the better; caused him to re-examine his plans. Maybe in a devious way, but left the male-female identity and compatibility intact.

Another aid to compatibility was - when an act not understandable to the partner occurred they could say: "Oh, that's just like a man" or "That's just like a female" Whereas, now that there's "no difference in the male and female" there is often bitter argument.

YOU OF THE CFR: Face it! The days of Kings, Queens, Dictators and Bismarck-Metternick strategy and control by a handful of the Controllers of Wealth — those days are over! Materialism must be phased out - as a number one priority.

Scientific knowledge is now sufficient to program the young to become productive and wiser citizens; live under a Universal Reality.

And YOU are the only ones who can bring about this orientation. For there are excellent mentalities among your consortium... But I'm not sure you have the wisdom to change - or - the courage to tangle with the Militant Feminists.

You can still lead us out of this mess - and save your neck too.

Time has run out! This is it! There is no other alternative!

You aspire to make the U.S. the Communication Center? Then communicate this concept to the U.S. and to the rest of the world.

The two keys to orientation: 1. Restore the male - female identity. 2. DNA genes are computer chips, programmed by a Super Intelligent Force.

When I see those two keys nationally published, I'll know you now know what you must do.

I'm skeptical - but - hope springs eternal.

TOP SECRET**CODEWORD: CABLESPlice**

This is a secret document being circulated among Top Government And UN. people

An Aggressive Program to Counter The Disrupters Movement

Recent efforts by The Disrupters Movement to gain political influence are beginning to *seriously* and adversely affect public perceptions and understanding of ongoing programs *aimed* at smoothing the transfer of sovereignty and power from national governments to super-national statist organizations unless such efforts are countered and discredited, the task of creating a unified global government under UN control will be far more difficult. The most dangerous element of The Disrupters Movement are those that are part of the Christian Fundamentalist majority. The following *memorandum* offers a set of policy prescriptions designed to counter-act their efforts,

ANALYSIS OF PROBLEM

Although there has always been opposition from groups and individuals with a conservative, isolationist attitude, the recent growth of such opposition, and the ability and organizational success of these groups has raised serious *concern* in recent years. Unless steps are taken to meet the challenge posed by The Disrupters Movement, it is possible that these groups could make serious inroads into the public complacency which has been so carefully nurtured over the past fifty years.

The threat is two-fold. First, there is the traditional conservative political threat, one which can be traced back to pre-W.W.II isolationism and political conservatism. These groups are not of particular concern as their organizing ability and numbers do not suggest the capability for amassing significant political power.

It is the second category, the "Christian Fundamentalists," that pose the greatest threat. These people are representative of a massive population of Americans and if allowed to propagandize and organize that base could present serious obstacles to further progress.

Overt Programs;

Overt programs to counter growing influence of Christian and other groups should take various forms:

A. An active effort aimed at promoting the benefits of global organizations and institutions. Media stories, books, conferences, and other means should be utilized to get the story out in appropriate fashion.

Appearances

B. Appearances by political figures, well-known celebrities and other influential figures at events connected to international and super-national organizations and institutions. Of particular use are events which involve "feel-good" operations such as UNICEF, Feed the Children, Americaree, etc.

C. Promotion of peaceful uses of atomic energy, disarmament as a necessary condition to peace and security, and tolerance and acceptance of non-Christian faiths should be promoted consistently but with enough subtlety so as not to turn off the targeted populations.

1. Under no circumstances, however, should such efforts be allowed to raise fears regarding those goals, nor should they provide substantive evidence of the true objectives of U.S.G. policy.

2. An important means of developing support for disarmament and the reliance on the United Nations to impose global order is through raising fears of nuclear weapons. By playing up the danger of nuclear war, it should be possible to generate considerable public support for further movement towards the disarmament of national states. This diverts attention from the real nature of disarmament effort by portraying it as necessary to world peace, rather than a

Top-Secret Codeword: CablesplICE
Crooks Try To Counter Our Awakening

step on the road to world government.

D. A massive attack on The Disrupters Movement, and especially Christian religion groups. This assault would challenge them as intolerant, hateful, exclusionist, and potentially dangerous. Such a program would include the following:

1. Efforts should be made to falsely portray their objectives as the creation of a religious theocracy and the imposition of strict religious interpretation of the Bible as the basis for political participation in "The New Christian America." This can best be accomplished by focusing on the most outrageous and extremist statements and members, while downplaying the more moderate membership.

2. "Christian" groups should whenever possible be portrayed as fringe elements of the country's religious population, not especially numerous and certainly not representative of "most" Christians.

3. At every opportunity these "Christian" groups should be presented as vicious, intolerant, and especially as anti-Semitic. The selective use of quotes, and if necessary, the use of invented statements, can be most effective means of accomplishing this task.

Arrest

4. Arrest either on criminal charges or on mental Inquest warrants certain members of The Disrupters Movement who by their fanatical religious life-styles and/or their EMERGENCY PREPAREDNESS would be psychologically and physically prepared to survive outside of the government control.

5. Harassment on criminal charges or mental Inquest warrants of those who listen to and/or sympathize with The Disrupters Movement.

II. Covert Programs: Covert programs may be equally as important, if not more so, to countering the increasing effectiveness of The Disrupters Movement.

A. Infiltration of The Disrupters Movement by sympathetic agents is an extremely useful tool in combating their efforts.

1. By carrying out extreme acts, and especially acts of violence, such individuals can bring discredit and public condemnation against The Disruption Movement.

2. By raising confusion, and carefully encouraging splits and controversy within The Disrupters Movement, such agents will be able to reduce the effectiveness and coherency of those groups.

B. Individuals who have been groomed to operate outside the usual channels of political activity should be activated and placed in positions in which they appear to be in opposition to USG policy.

1. These persons would speak out publicly in opposition to our policies, but would be in fact be sympathetic to our long term objectives. By carefully and selectively providing false or misleading information, and information of a seemingly scandalous or dramatic nature, they would seem to be supporting the agenda of The Disrupters Movement. But when the information the promulgated was shown to be patently false, it would further damage the credibility of the opposition.

2. The use of certain talk radio personalities along the lines suggested in paragraph 1 has already proven quite effective and further ventures along these lines could be beneficial.

3. In extreme situations, it may become useful or even necessary for these undercover assets to carry out certain operations against members of The Disrupters Movement who are

Interfering with CABLESPICE. In some cases, termination's with extreme prejudice may be called for.

Subversion

C. Subversion and Elimination of the Second Amendment

1. One of the most critical efforts must be the removal of firearms from individual control. The on-going long-term program to accomplish this is to bear efforts along current lines are advised.

a. The use of "agent provocateurs," individuals who are seemingly insane (but who are never taken alive) who create highly publicized mass killings with automatic weapons has been particularly useful in molding public opinion. Similarly, the regular use of random killings in large urban areas as a way of creating a climate of fear and violence has resulted in significant gains for the gun-control point of view. Such programs are extremely useful and should be continued and possibly expanded.

b. On-going efforts to gain small footholds in gun-control are worthwhile as they open the door to further controls later on. The importance of eliminating the Second Amendment Right to Bear Arms cannot be stressed too much.

III. DISINFORMATION PROGRAMS:

These programs should be designed to carefully seed the media with false and misleading information about long-term goals and plans, as well as forged and deceptive details about The Disrupters Movement.

A. Careful and selective placement of spurious and potentially damaging news stories in the popular media is an excellent means of raising doubts and fears of the population. Our opponents have made good use of this technique, we should do likewise.

B. One of the most effective disinformation programs has been the selected use of "expose" books and stories, all reputedly written by former government and super-government officials, but in fact developed within the NSA and CIA.

1. Connections to actual government operations, and the bona fides of such expose authors are deliberately vague in order to make tracing and verifying their stories difficult.

2. Although the books and information "exposed" would seemingly be extremely critical of our long-term programs and objectives, the contradictions contained within, the difficulty of verifying either authors or details, and the wild-eyed style verging on the irrational would all work to discredit and raise doubts.

The presentation

3. The presentation of fringe and extremist religious doctrine and beliefs, or the presentation of Christian religious beliefs in particularly dogmatic and intolerant fashion, would help to turn popular opinion against The Disrupter Movement.

IV. Other Propaganda Efforts

A. Print Media/Publications

1. Appropriate use of popular media intended to discredit and attack opponents is a fundamental tool of countering The Disrupters Movement.

2. While control of the major media outlets is crucial to such efforts, it is through "fringe" media publications that the most damage can be done to The Disrupters Movement. Continued use of assets within the counter media can be beneficial.

B. Electronic/Computer Systems: Electronic computer systems, bulletin boards, and information superhighway in general is an area of considerable importance to efforts to combat the activities of The Disrupter Movement. The ability of opponents to utilize computer bulletin boards to pass information and educate people must be met with an active program of disinformation and attack.

1. One means of countering the effectiveness of such opposition efforts is the simple expedient of overloading their bulletin boards. A single operator with one computer can set a program in motion that will send out thousands of messages. The sheer volume of such messages is more than the content. Most people will give up rather than read through hundreds and thousands of messages.

2. A second means of countering the oppositions use of computer technology is through the careful placing of disinformation agents. Such agents can take two forms:

a. Agents may be placed who will simply argue against the opposition, using delaying and confusing tactics such as constantly demanding references and "proof" of allegations, referring to obscure and difficult to find documents as evidence that the opposition is wrong, and generally forcing the opposition to waste tremendous amounts of time simply defending itself from spurious and irrelevant attacks.

Other

b. Other agents have been placed with a more subtle purpose mind. Such agents would take on the persons WA attitudes of members of The Disrupters Movement, but would present the opposition case in ways that will ultimately discredit them. The necessary effort to correct the messages posted by these agents, and the resulting appearance of disarray within their camp should present considerable opportunities for further assaults on The Disrupters Movement.

3. In cases of computer networks where it is highly imperative that the efforts of The Disrupters be neutralized, coordinated assaults can be arranged using aliases and multiple membership ID's to present a wide array of negative and meddlesome messages.

. Diversionary efforts

1. Bread and Circuses

a. Celebrities

The use of celebrities is a proven means of diverting attention from serious political issues. Moreover, the use of selected celebrity figures as political spokesperson can be a very effective means of getting our message across.

b. Sports

Sports are useful as a means of diverting attention from serious political issues and dulling the minds of the populace. By focusing all their energies on sporting events, we can prevent people from undertaking the intense and serious study necessary to take effective political action.

c. Gambling

The provision of numerous outlets for public gambling serves multiple purposes; it serves to keep the popular attention engaged on sporting events, as well as what has become known as "lottery fever." Perhaps more important, widespread gambling not only keeps the general public poor. It provides needed income for our own uses-- especially when allowed in the form of state lotteries which purport to provide money for education, senior citizens, or other popular purposes. In fact, through the careful use of accounting manipulation, much of the funds raised are being diverted to support many of the other programs and efforts described in this memo.

Talk

d. **Talk Shows:** Talk Shows serve a dual purpose:

1. By diverting attention from serious issues, such programs dull the public intellect and prevent people from focusing on real issues and problems.
2. By constantly presenting groups such as homosexuals, feminists, etc. in a favorable light, and presenting real "white supremacists" "religious zealots" and other opponents unfavorably, these programs can serve to reaffirm in the public mind which people are "good" and which are "bad."

It is our belief that the above strategies.. if implemented effectively, can be effective in countering and ultimately rendering ineffective the efforts of The Disrupters Movement.

AMERICA IN PERIL The "Red Dawn" Alert

Black helicopters and foreign U.N. troops are reported in various parts of the United States and right here in California. Why are they here?

How can a federal agency arrest a tractor and farmer, with no "probable cause", in the sovereign County of Kern? And, why did the Kern County Sheriff do nothing?

Why has the *Crime Bill*, under the *color of law* [unconstitutional], made criminals of law-abiding American citizens?

Officer Jack McLamb, editor of the police newsletter *AID AND ABET*, which focuses on *Constitutional* issues for lawmen. McLamb examines America's move toward a Nationalized Police and the increasing threat of *martial law* in America. As author of *VAMPIRE KILLER 2000*, an educational manual for police and guardsman to help stop the move toward a one world government, Officer McLamb is a speaker much in demand.

Mark Koernke, a former U.S. Army Intelligence Analyst and Counter-Intelligence Analyst, answers these and other questions, including:

- * Has Clinton transferred the U.S. Military over to the U.N.?
- * Who are FinCEN, F.E.M.A. and M.J.T.F.?
- * Why are these agencies training for hostile door-to-door searches of every American home and subsequent firearm confiscation of all weapons?
- * Why has Al Gore said, "The Christians are the enemy?"
- * Why does George Bush want the world population reduced to 550 million [from the current 6 billion]? Will you be left?
- * Where will you be camping next year? [Perhaps in a F.E.M.A. detention facility?]

Illustrations Of Masonry

by Capt. William Morgan

"One of the Fraternity"

This article continues with Capt. Morgan's description of the Third, or Master Mason's Degree. We left off in Part VIII after the candidate had given his oath, had received "more light" and the Master Mason's sign. We continue:

[QUOTING:]

The Due Guard is made by holding both hands in front, palms down, as shown in cut, and alludes to the manner of holding the hands while taking the obligation of Master Mason.

The Penal Sign is given by putting the right hand to the left side of the bowels, the hand

right hand, in token of brotherly love and affection, and with it the pass-grip and word."

The pass-grip is given by pressing the thumb between the joints of the second and third fingers where they join the hand; the word or name is TUBAL CAIN. It is the pass-

word to the Master's degree. The Master, after giving the candidate the pass-grip and word, bids him rise and salute the Junior and Senior Wardens, and convince them that he is an obligated Master Mason, and is in possession of the pass-grip and word. While the Wardens are examining the candidate, the Master returns to the east and gets an apron, and, as he

returns to the candidate, one of the Wardens (sometimes both) says to the Master, "Worshipful, we are satisfied that Bro. ____ is an obligated Master Mason." The Master then says to the candidate, "Brother, I now have the honor to present you with a lamb-skin or white apron, as before, which I hope you will continue to wear, with credit to yourself and satisfaction and advantage to the brethren; you will please carry it to the Senior Warden in the west, who will teach you how to wear it as a Master Mason."

The Senior Warden ties on the apron and lets the flaps fall down before, in its natural and common situation.

The Master returns to the seat and the candidate is conducted to him. Master to candidate, "Brother, I perceive you are dressed, it is of course necessary you should have tools to work with. I will now present you with the working tools of the Master Mason, and explain their use to you. The working tools of a Master Mason are all the implements of Masonry indiscriminately, but more especially the trowel. The trowel is an instrument made use of by operative masons to spread the cement which unites a building into one mass. but we, as Free and Accepted Masons, are taught to make use of it for the more noble and glorious purpose of spreading the cement of brotherly love and affection; that cement which unites us into one sacred band or society of friends and brothers, among whom no contention should ever exist but that noble contention, or, rather, emulation, of who can best work or best agree. I also present you with three precious jewels: their names are Humanity, Friendship, and Brotherly Love.

Brother, you are not invested with all the secrets of this degree, nor do I know whether

open, with the thumb next to the belly, and drawing it across the belly, and letting it fall; this is done tolerably quick. This alludes to the penalty of the obligation: "Having my body severed in twain", etc. (See Part VIII.) After the Master has given the sign and due guard, which does not take more than a minute, he says, "Brother, I now present you with my

you ever will be until I know how you withstand the amazing trials and dangers that await you.

You are now about to travel, to give us a specimen of a your fortitude, perseverance, and fidelity in the preservation of what you have already received. Fare you well, and may the Lord be with you and support you through all your trials and difficulties." [In some lodges they make him pray before he starts.] The candidate is then conducted out of the lodge, clothed, and returns; as he enters the door his conductor says to him, "Brother, we are now in a place representing the sanctum sanatorium, or holy of holies, of King Solomon's Temple. It was the custom of our Grand Master, Hiram Abiff, every day at high twelve, when the Crafts were from labor to refreshment, to enter into the sanctum sanatorium, and offer up his devotions to the ever living God. Let us, in imitation of him, kneel and pray." They then kneel and the conductor says the following prayer:

"Thou O God, knowest our down-sitting and up-rising, and understandest our thoughts afar off, shield and defend us from the evil intentions of our enemies, and support us under the trials and afflictions which we are destined to endure while traveling through this vale of tears. Man that is born of a woman is of few days and full of trouble. He commeth forth as a flower, is cut down, he fleeth also as a shadow, and continueth not. Seeing his days are determined, the number of months are with thee, thou has appointed his bounds that he cannot pass; turn from him that he may rest, till he shall accomplish his day. For there is hope of a tree, if it be cut down, that it will sprout again, and that the tender branch thereof will not cease. But man dieth and wasteth away; yea, man giveth up the ghost, and where is he? As the waters fall from the sea, and the flood decayeth and drieth up, so man lieth down and riseth not up till the heavens shall be no more. Yet, O Lord, have compassion on the children of thy creation; administer unto them comfort in time of trouble, and save them with an everlasting salvation. Amen, so mote it be."

They then rise, and the conductor says to the candidate: "Brother, in further imitation of our Grand Master, Hiram Abiff, let us retire at the south gate." They then advance to the Junior Warden [who represents Jubela, one of the ruffians], who exclaims, "Who comes here?" [The room is dark, or the candidate hood-winked.] The conductor answers, "Grand Master, Hiram Abiff."

"Our Grand Master, Hiram Abiff", exclaims the ruffian; "he is the very man I wanted to see." [Seizing the candidate by the throat at the same time, jerking him about with violence.] "Give me the Master Mason's word or I'll take your life!" The conductor replies, "I cannot give it now, but if you will wait till the Grand Lodge assembles at Jerusalem, if you are found worthy, you shall receive it, otherwise you cannot." The ruffian then gives the candidate a blow with the twenty-four inch gauge across the throat, on which he fled to the west gate, where he was accosted by the second ruffian, Jubelo, with more violence, and on his refusal to comply with his request, he gave him a severe blow with the square across his breast, on which he attempted to make his escape at the east gate, where he was accosted by the third ruffian, Jubelum, with still more violence, and on refusing to comply with his request, the ruffian gave him a violent

blow with the common gavel on the forehead, which brought him to the floor; on which one of them exclaimed, "What shall we do? We have killed our Grand Master, Hiram Abiff!"

Another answers, "Let us carry him out of the east gate, and bury him in the rubbish till low twelve, and then meet and carry him a

west, three north, and three south in search of the ruffians, and if found to fetch them forward."

Here the members all shuffle about the floor awhile, and fall in with a reputed traveler, and inquire of him if he has seen any traveling men that way; he tells them that he

westerly course and bury him."

The candidate is taken up in a blanket, on which he fell, and carried to the west end of the lodge, and covered up and left; by this time the Master has resumed his seat [King Solomon is supposed to arrive at the temple at this juncture] and calls to order, and asks the Senior Warden the cause of all the confusion.

The Senior Warden answers, "Our Grand Master, Hiram Abiff, is missing, and there are no plans or designs laid down on the Trestle-board for the Craft to pursue their labors."

The Master, alias King Solomon, replies, "Our Grand Master missing! Our Grand Master has always been very punctual in his attendance; I fear he is indisposed; assemble the Crafts, and search in and about the temple, and see if he can be found."

They all shuffle about the floor awhile, when the Master calls them to order and asks the Senior warden, "What success?" He answers, "We cannot find our Grand Master, my lord."

The Master then orders the Secretary to call the roll of workmen and see whether any of them are missing.

The Secretary calls the roll and says, "I have called the roll, my lord, and find that there are three missing, viz: Jubela, Jubelo, and Jubelum."

His lordship then observed, "This brings to my mind a circumstance that took place this morning. Twelve Fellow Crafts, clothed in white gloves and aprons, in token of their innocence, came to me and confessed that they twelve, with three others, had conspired to extort the Master Mason's word from their Grand Master, Hiram Abiff, and in case of refusal to take his life. The twelve had recanted, but feared the other three had been base enough to carry their atrocious designs into execution."

Solomon then ordered twelve Fellow Crafts to be drawn from the bands of the workmen, clothed in white gloves and aprons, in token of their innocence, and sent three east, three

west, three north, and three south in search of the ruffians, and if found to fetch them forward."

The Master now calls them to order again and asks the Senior Warden, "What success?" He answers by relating what had taken place.

Solomon observes, "I had this embargo laid to prevent the ruffians from making their escape," and adds, "You will go and search again, and search till you find them, if possible, and if they are not found the twelve who confessed shall be considered as the reputed murderers and suffer accordingly."

The members all start again and shuffle about awhile, until one of them, as if by accident, finds the body of Hiram Abiff, alias the candidate, and hails his traveling companions, who join him, and while they are hammering out something over the candidate the three reputed ruffians, who are seated in a private corner near the candidate, are heard to exclaim in the following manner

First, Jubela—"O that my throat had been cut across, my tongue torn out, and my body buried in the rough sands of the sea, at low water mark, where the tide ebbs and flows twice in twenty-four hours, ere I had been accessory to the death of so good a man as our Grand Master, Hiram Abiff!"

The second, Jubelo—"O that my left breast had been torn open and my heart and vitals taken from thence and thrown over my left shoulder, carried into the valley of Jehosaphat, and there to become a prey to the wild beasts of the fields and vultures of the air, ere I had conspired the death of so good a man as our Grand Master, Hiram Abiff!"

The third, Jubelum—"O that my body had been severed in two in the midst, and divided to the north and south, my bowels burnt to ashes in the center, and the ashes scattered

by the four winds of heaven, that there might not the least track or remembrance remain among men, or Masons, of so vile and perjured a wretch as I am; ah, Jubela and Jubelo, it was I that struck him harder than you both. It was I that gave him the fatal blow; it was I that killed him outright."

The three Fellow Crafts who had stood by the candidate all this time, listening to the ruffians, whose voices they recognized, say, one to the other:

"What shall we do; there are three of them, and only three of us?"

"It is," said one, in reply; "our cause is good, let us seize them."

On which they rush forward, seize and carry them to the Master, to whom they relate what had passed. The Master then addresses them in the following manner [they in many lodges kneel or lie down, in token of their guilt and penitence]:

"Well, Jubela, what have you got to say for yourself, guilty or not guilty?"

Ans: "Guilty, my lord."

"Jubelo, guilty or not guilty?"

Ans: "Guilty, My lord."

"Jubelum, guilty or not guilty?"

Ans: "Guilty, my lord."

The Master, to the three Fellow Crafts who took them:

"Take them without the west gate of the temple and have them executed according to the several imprecations of their own mouths."

They are then hurried off to the west end of the room. Here this part of the farce ends. The Master then orders fifteen Fellow Crafts to be selected from the bands of workmen, and sent, three east, three west, three north, three south, and three in and about the temple, in search of their Grand Master, Hiram Abiff [in some lodges they send only twelve, when their own lectures say fifteen were sent], and charges them, if they find the body, to examine carefully on and about it for the Master's word or a key to it. The three that travel a westerly course come to the candidate, and finger about him a little, and are called to order by the Master, when they report that they had found the grave of their Grand Master, Hiram Abiff, and, on moving the earth till they come to the body, they involuntarily found their hands raised in this position (showing it at the same time; it is the due-guard of this degree), to guard their nostrils against the offensive effluvia which arose from the grave, and that they had searched carefully on and about the body for the Master's word, but had not discovered anything but a faint resemblance of the letter G on the left breast. The Master, on the receipt of this information (raising himself), raises his hands three times above his head (as herein described) and exclaims, "Nothing but a faint resemblance of the letter G! That is not the Master's word nor a key to it. I fear the Master's word is forever lost! [The third acclamation is different from the other two; attend to it. It has been described earlier.] Nothing but a faint resemblance of the letter G! That is not the Master's word nor a key to it. O Lord, my God is there no help for the widow's son?"

The Master then orders the Junior Warden to summon a lodge of Entered Apprentice Masons, and repair to the grave and try to raise their Grand Master by the Entered Apprentice's grip. They go to the candidate and take hold of his forefinger and pull it; return and tell the Master that they could not raise him by the Entered Apprentice's grip;

that the skin cleaved from the bone. A lodge of Fellow Crafts are then sent, who act as before, except that they pull the candidate's second finger. The Master then directs the Senior Warden (generally) to summon a lodge of Master Masons, and says, "I will go with them myself in person, and try to raise the body by the Master's grip, or lion's paw." [Some say by the strong grip, or lion's paw] They then all assemble round the candidate, the Master having declared that the first word spoken after the body was raised should be adopted as a substitute for the Master's word, for the government of Master Mason's lodges in all future generations. He proceeds to raise the candidate, *alias* the representative of the dead body of Hiram Abiff. He (the candidate) is raised on what is called the five points of fellowship, which are foot to foot, knee to knee, breast to breast, hand to back and mouth

to ear. This is done by putting the inside of your right foot to the inside of the right foot of the person to whom you are going to give the word, the inside of your knee to his, laying your right breast against his, your left hands on the back of each other, and your mouths to each other's right ear (in which position alone you are permitted to give the word), and

hand as though you were going to shake hands, and sticking the nails of each of your fingers into the joint of the other's wrist where it unites with the hand. In this position the candidate is raised, he keeping his whole body stiff, as though dead. The Master, in raising him, is assisted by some of the brethren, who take hold of the candidate by the arms and shoulders; as soon as he is raised to his feet, they step back and the Master whispers the word Mah-hah-bone in his ear, and causes the candidate to repeat it, telling him, at the same time, that he must never give it in any manner other than that in which he receives it. He is also told that Mah-hah-bone signifies marrow in the bone. They then separate, and the

Master then makes the following explanation respecting the five points of fellowship:

[END OF QUOTING]

It is very interesting indeed that "Hiram Abiff", said to be now "Grand Master" in this degree and also the purported architectural agent of Hiram, the King of Tyre, is allowed into, much less "customarily" went into, the "sanctum sanatorium" of Solomon's Temple on a daily basis. Any true "Judaist", or any student of the *Old Testament* would know that this "holy of holies" was supposedly *only* entered once a year by the "High Priest" of "Israel". So—what can these Masonic tales and rituals refer to? The themes obviously are taken from the *Old Testament*, but are actually a blasphemy of the "Jewish" religion.

Could it be that, under a cloak of Jewishness, the Masons are being prepared to accept, for example, a Japhetic or a "Phoenician High Priest" (i.e., Hiram Abieff)? This is not really a far-fetched idea. During the 1800s, and perhaps even earlier, many archaeological finds were made in the Mediterranean area which show that the "Hebrews" took over the Sumarian religion and reworked it to fit their own situation. In other words, the "Hebrew" HIGH-PRIEST, as such, was a later gloss over much earlier historical material. So far we have not been told the actual story. The truth comes out in bits and pieces. But, think about it—could the "Hebrew" temple actually have been a moneymaking scheme set up by the MERCHANTS of Phoenicia under their very wealthy "King Hiram"? All of the stated purposes and symbolism in Masonry so far would seem to point in this direction, and therefore suggest this to be the case. This idea is further supported by the fact that Masonry, as it was at the time of Capt. Morgan, and still pertains today, for the most part, is the compilation of rituals set-up by the "Illuminati" headed by Adam Weishaupt in the late 18th Century—about the time that some of those Sumarian seals were being discovered in Mesopotamia.

In any event the biblical King Solomon, and therefore his people, were certainly placed at a great disadvantage, and therefore open to all kinds of pressure from King Hiram of Tyre (Phoenicia), due to their now great national debt owed to him for funds to build the temple. The situation was not unlike the leaders in today's governments, world-wide, who are at the "mercy" of these wealthy "financiers", and "financial advisers", the real "power behind the thrones", it now appears. You will note in the above that even the "Master" of the lodge, who takes on the role of King Solomon for part of the ritual, is symbolically placing himself *under* Hiram Abiff by saying "Our Grand Master is Missing?" In other words, Hiram Abiff now appears to stand as the "Grand Master" of King Solomon. Behind "Hiram Abiff" stands the very wealthy "King Hiram" of Tyre, an interesting "Trinity". According to history, there were several kings by this name from Tyre.

Consider the actual violence of this ritual and the real threat, much less the symbolic threat, to the candidate for the Master degree. It can only be called what it is, sadistic and violent. Also consider the hypocrisy of the "white gloves" of the twelve Masons, as well as the utter lack of Solomon's reputed "wisdom" in planning, for example, to condemn for murder the twelve confessed conspirators if the

missing "ruffians" are not found. Solomon was not wise, and certainly not merciful or just in this symbolic farce.

One cannot overlook here another view of the Masonic symbolism of "Hiram Abiff" being now a "resurrected" person (represented by the candidate)—due "symbolically" to the "lion's grip" and the "five points of fellowship." Perhaps it is a representation of the "dying resurrecting God" of many fertility cults of the Mediterranean Area. Part X of this series will continue with the Master Mason degree and will start with the "Master's" explanation to the "candidate" of the "five points of fellowship." And a representation of the man "born-again" through the rituals of Masonry. The candidate is for example now supposed to be a "new-man".

"Raising" the candidate with the "lion's grip" expresses three possible symbolic ideas. One is the "strength" of the lion, which is purely animalistic and harks back to very ancient times. Not all of "antiquity" is to be honored in fact. Many "priestly cults" have used the large cats (lions, tigers, leopards, panthers, etc.) as their major cult symbols. Some are still active today. Their rituals included using these animals in some very degrading practices and to keep the people in fear. Secondly, the reverse of this idea is that "lion", as in Jesus/Eshoo being the "lion of the tribe of Judah", means the fearlessness of one imbued with divine truth. If the Masonic compilers of this particular ritual meant this interpretation, they are implying that, for example, Masonry is the Truth which raises the man from the dead. (!!!) A third symbolic idea being expressed could be the generally accepted idea that the lion is a "noble animal", and also "king of the forest", an implication that Masonry is "noble", and a "kingly art".

In fact, the three symbolic suggestions are interwoven into the ritual, pass-words and grips. The "lion's-grip", for example, where each of the two participants in the act press their finger-nails into the wrist of the other, certainly bears no "noble" implications, and neither does the pass-word.

Update On Hopi Tribe's Water Rape

Editor's note: We share the following correspondence with you who are following and actively working to reverse the plight of the Hopi Nation. It remains to be seen whether or not Secretary of the Interior Bruce Babbitt's proposed solution is one of true substance or just more of the usual. In either case, a spotlight on the problem seems to keep all concerned a bit more honest! The first letter sets the tone of this matter, while the other four (from a different reader's inquiries) chronicle the government's proposed solution.

Dear Mr. President:

On behalf of the Hopi Indian Nation we write you this letter. On behalf of our Earth we write you this letter. Stop the destruction of the Hopi Indian Nation by the continued desecration of the ancient aquifer that is the sole source of water for the Hopi Nation.

You have allowed the Peabody Coal Company, A BRITISH COMPANY to mine coal with huge giant excavators unearthing vast areas of coal daily. This coal is transported two-hundred-seventy-three miles, in a slurry pipe-line, utilizing water from the ancient aquifer, pumping billions of gallons per day, about four thousand acre-feet of water per year; and within eighty years this source will be entirely depleted. You have allowed the destruction of the Hopi Nation, for this aquifer is their sole source of water.

THIS INSANE MEASURE OF UNTOLD CONSEQUENCES COULD BE AVOIDED FOR A COMPARATIVELY MINUTE INCREASE IN THE PRICE OF COAL. WHAT WE ARE SAYING IS THAT WITH SIMPLE MEASURES, THIS DESERT ENVIRONMENT COULD BE PROTECTED.

We appeal to your intellect and your conscience. Please inform yourself of the ancient Hopi Prophecies that have proven true with repeated accuracy and regularity--The First and Second World Wars, Hiroshima, nuclear technology, the United Nations, television, air travel, telephones; as well as clearly defined stages within the conflict between Ancient and Modern ways are very much a part of the detailed Hopi Prophecy. The final Hopi Prophecy is yet to come, and that describes a powerful Purification that Mankind is approaching. If the destruction of the Hopi Nation is complete, so will all Earth be destroyed, all of humanity, and all of life.

We are all given choices to make, and we implore you to make the choice to join together with our original Brothers and Sisters and form a mighty Nation of Justice and Love. We need to make things right. It is our responsibility to protect this Land. Healing is urgently needed, healing within the Hopi, healing within us all. We call out, as well as the Hopi Nation, to protect the Land and Life, to save the Spiritual linkage, which, according to Hopi prophecy, affects the entire reality of our Human existence.

With the power invested in you, we implore you to make the right decision...the healing of our Land and this Nation. You can do much good with the power invested in you to help create a World of renewal.

Sincerely,

Emil and Pat Muhlhausen

Dear Ms. Burden:

Thank you for your recent letter regarding the use of ground water at the Black Mesa Coal Mine by the Peabody Coal Company and its effect on the Hopi tribe. I appreciate knowing of your concern and interest in this issue.

As you may know, the water used by the company is paid for pursuant to the terms of a lease agreement entered into between the tribe and the company. The coal mining operation is governed by the same lease. Both the lease and the permit for the mining must be approved by the Secretary of the Department of the Interior. The lease was approved several years ago and I have been advised by the Department of the Interior that the company is current in all required payments to the tribe. The Secretary has not issued a permanent mining permit to the company pending the completion of further scientific analysis of the impact of the water use on the underground aquifer. At the request of the Hopi tribe, the Congress appropriated money for the necessary scientific studies and they are now nearing completion.

I want to assure you that I will follow this issue closely to ensure that any final action by the Secretary is consistent with the rights of the Hopi tribe. I know that Secretary Babbitt is well aware of his trust responsibility to the tribe and I am confident that he will uphold it in any action he takes with respect to future water use by the company.

Honorable Pat Roberts
House of Representatives
Washington, D.C. 20515-1601

Dear Mr. Roberts:

Thank you for your letter of August 18, 1994, which enclosed a letter from one of your constituents, Ms. Geraldine Burden. Ms. Burden is concerned that the Peabody Coal Mine is destroying the culture of the Hopi Tribe.

The major issue related to the Peabody Coal Mine is the delivery of the coal by a water slurry pipeline to the Mohave Generating Station at Laughlin, Nevada. The slurry line is 275 miles long and uses approximately 3,700 acre feet of water per year. The water for the line is supplied by the N-Aquifer, which is the primary drinking water source for the Hopi Tribe.

The Bureau of Indian Affairs has been working with the Hopi Tribe concerning the water use for the past several years. Also involved in discussions regarding the water use has been the Office of Surface Mining, Navajo Nation, Peabody Coal Company and the Department of the Interior's Office of the Solicitor and Office of Environmental Policy and Compliance.

The entities directly involved in the mining, the Hopis, the Navajos and Peabody have all agreed that while the use of the water is a major concern, none of the entities have stated that the mine should be shut down. The mine is profitable not only to Peabody but also to both tribes.

Therefore, the tribes and Peabody have been working with the Department to determine viable alternatives to the existing situation. In fact, this issue has now been elevated to the Office of the Secretary. A press release of August 23, 1994, which states the Secretary's plan for resolution of the issue, is enclosed for your information.

Your interest in this matter is appreciated.

SECRETARY BABBITT PROPOSES FRAMEWORK FOR RESOLVING ISSUES INVOLVING BLACK MESA MINING AND INDIAN WATER CLAIMS

Secretary of the Interior Bruce Babbitt has sent letters to the Hopi and Navajo tribes and Peabody Coal Company proposing a framework for a settlement to resolve Indian water claims, to provide a secure source of water for a coal slurry pipeline, and to assure long term management of the N-Aquifer underlying the tribes' reservations in northern Arizona.

Secretary Babbitt said that he has asked Owen Olpin, a recently retired senior partner in a Los Angeles law firm, to assume leadership of the Federal Government's Little Colorado River negotiating team, and to work with the tribes and company in negotiating an agreement along the lines suggested in his letter.

Peabody Coal Company is seeking a permit to continuing mining on tribal lands. The Interior Department's Office of Surface Mining Reclamation and Enforcement has deferred granting the permit because the Hopi Tribe contends that use of water from the N-Aquifer for a coal slurry pipeline is having an adverse affect on water resources essential to the Hopi people. The pipeline carries coal 275 miles from Black Mesa to the Mojave Generating Station at Laughlin, Nevada.

A copy of the Secretary's letter, suggesting a six-point framework for settlement, is attached.

Gentlemen:

As you know, I have been spending considerable time in the last few months exploring the issues involved in Peabody Coal Company's use of the N-Aquifer underlying the Hopi and Navajo reservations for slurring coal to the Mohave Generating Station. I have also been reviewing the issues involved in the Little Colorado River (LCR) general stream adjudication. It now appears to me that by addressing these two matters together, we have an opportunity to bring the controversy over the aquifer's use to an end and provide the water that all of the parties need. By taking a broader view, I am hopeful that we can engineer a settlement that will resolve the most contentious Indian claims in the LCR, provide a secure source of water for the slurry pipeline thereby ensuring a long life for the Black Mesa mine which is so important to both tribal economies, and provide for the long term management of the aquifer.

What follows is the general outline of a fair and responsible settlement as I see it. It leaves much to be negotiated but I am confident, with the good faith involvement of all the parties and the cooperative spirit that all of you have shown with me in our conversations over the last several months, we can bring this dispute to an amicable resolution in the near future.

First, a pipeline should be built to carry water from Lake Powell to the Black Mesa mine. Peabody must be a major part of the project because it will benefit by receiving a life of the mine permit and development of a new, secure water supply.

Second, pipeline spurs to the Indian communities at Tuba City and to the Hopi reservation boundary would be planned for, with timing of construction of these portions the subject of negotiation. The pipeline would be sized larger than necessary to carry water for the slurry (approximately 4,000 AF); that is, as recommended by the federal negotiating team on the LCR, it could also carry an amount necessary to support domestic uses of reasonably foreseeable Indian populations in the area (an additional 6,000 AF annually).

Third, we would support and contribute to the construction of the pipeline along with other parties as appropriate. Precise allocation of the water it would carry and who would pay what proportion of its construction and operating costs would be negotiated among the Federal Government, the Tribes, Peabody, the State of Arizona, and the other claimants along the Little Colorado. The pipeline's operation would be supervised by the Federal Government.

Fourth, the participants would agree to support and take the necessary steps to use, to the extent necessary, surplus Central Arizona Project water, to be diverted out of Lake Powell, for the pipeline.

Fifth, the Tribes would agree to a framework for joint management and administration of the water of the N-Aquifer.

Sixth, except for the N-Aquifer groundwater which the Tribes would jointly manage, other groundwater management arrangements that might be agreed upon, and any existing and agreed-upon new uses being made by the Navajo and Hopi Tribes from the Little Colorado, these arrangements would be in satisfaction of the two Tribes' claims to water in the Little Colorado River basin, thereby facilitating a more efficient and expeditious resolution of the adjudication. Claims on other rivers would not be addressed. (The San Juan Paiute and Zuni claims should, of course, also be addressed in this negotiation.) The settlement would take effect upon negotiation of a satisfactory agreement ratified by all participants and adopted by the U.S. Congress.

Obviously, negotiating all these matters to a successful conclusion is going to take the concentrated involvement of the Federal Government. To that end, I have asked Owen Olpin, a senior lawyer with many years of natural resources law experience to his credit, to assume the leadership of the Federal Government's Little Colorado River negotiating team. Joe Little, who has served so ably as the team leader, will stay on the team, but his other duties prevent him from devoting the necessary time to this negotiation.

Having recently retired from a long and successful practice with O'Melveny and Myers, Owen has acted as my representative in another negotiation in which the Department has been involved, and I have learned to value his expertise, energy and skill. In acting as LCR team leader, Owen will report to me and my senior advisors in this matter: Anne Shields, Bob Uram, John Duffy, and John Leshy.

Owen will shortly end an intensive phase of his work as special master in the Supreme Court original jurisdiction case of Nebraska v. Wyoming, and expects to be able to devote as much time as necessary to the LCR negotiations soon after Labor Day. In the meantime, he will be familiarizing himself with the issues and getting in touch with you. I hope that you will give him the same time, attention, and courtesy you have shown to me and my staff over the last several months. I am very optimistic that we can make this work.

Sincerely,

cc: Parties to the Little Colorado River Negotiation

Don't Forget Waco Victims

Editor's note: The following pencil-printed letter was recently received at the CONTACT offices from L. Fagan, one of the surviving but incarcerated Branch Davidians. We share it with you here as a little reminder of some of the indignities these victims are suffering. For those of you who may wish to write the address is: L. Fagan 60550-080, Hospital Unit FCI, P.O. Box 1500, El Reno, OK 73036. This person was sentenced to 40 years; 5 years supervised release; \$2,000 fines; \$1,200,000 restitution. Might there be a "need" to keep these people quiet?!

2, To subject a man to the moral indignity of a strip search to satisfy the requirements of policy, or his refusal to be so subject?

In both cases, by the judgement of conscience, the man's refusal is the lesser crime of the two. In fact, his actions would not be considered a crime, rather the right and dutiful thing to do!

In the federal prison policy, a man is so forced to work, and be subject to the indignity of a strip search. Such requirements are judged to be just and right. Refusal to comply, is judged criminal and punished accordingly.

Based on the words of officers carrying out such policies, I was judged, convicted and given 28 days disciplinary segregation. The presiding D.H.O. gave not the slightest indication, that something maybe conscientiously missed about his decision. Such is the mindlessness of those who blindly enforce such policies. How does this differ from the Nazi mentality of WWII, which allowed the resulting atrocities to occur.

Sept 10th

Dear Contact,

I recently received your address from a most charming and informed reader. She spoke highly of your publication and suggested I write for a copy.

Presently I am in disciplinary segregation (solitary confinement) in El Reno, FCI. My request for a pen has been denied, hence my having to write this letter in pencil. I have been in segregation since August 30th, basically for two reasons.

Firstly, for refusing to obey an order to work, for 8 hours a day; 5 days a week; 51 weeks a year, with a pay of \$5.00, five dollars a month.

Secondly, for refusing to obey an order subjecting myself to a strip search.

Upon reflection, I ask myself which is really the worse crime?...

1, To force a man to work without just reward, or his refusal to be so worked? Q

The actions of the ATF and FBI at Waco, arose out of this same mindset.

Let me submit that, Policy itself is blind. It sees neither wrong or right nor does it respect either. Judging itself to be right, it sees and respects only itself. Yet, it is but an abstract form, not knowing Joy or Sorrow; Pain or Pleasure; Sadness or Happiness; Integrity or Shame. How then does it aid those under its influence? What has man gained by being subject to its insensitivity? Men must come to appreciate, that policy and its enforcement, adds nothing to solving the fundamental problems of the human condition. As a matter of fact, in its decreedness it contributes to the problem.

The people employed here at El Reno, appear unappreciative of the extraordinary demands on my personage, of the past 18 months. Being tied to policy this is to be expected. My attempts to communicate

my condition of exhaustion and need of rest, generally falls on deaf ears. Pretty much like the attempts we made to avert the tragic events at Waco. Often not until disaster strikes, then people wake up. As of August 20th, the initial state of my solitary confinement, I have not been eating. Whilst this initially arose out of a desire for rest and a progressive loss of appetite, it now serves a latent function, drawing attention to this continuing injustice. It has now been 11 days, and I've reduced to less than 116 lbs.

Yours

The Pipeline

by Michael Maholy

Part II Sabine Pass, Texas

Editor's note: Last week we had the pleasure of presenting Part I of "The Pipeline". We have noted that the name Abear is a phonetic spelling of the name Hebert. We are correcting it in this week's presentation of Part II.

Last week when we left off I had explained how tons of cocaine had entered the United States via the great remote wilderness of the swamps that infest the lower Atchafalaya River Delta in the southernmost regions of Louisiana. As I and Russel Hebert, C.I.A. drug smuggler and pilot, left Morgan City, LA in a Bell helicopter that was being piloted by another C.I.A. pilot, we were headed to our final destination of the tour, which was to conclude upon landing on ZAPATA "7", a semi-submersible oil and gas exploration drilling rig, that was located at pier 4 in the port of Sabine Pass, Texas.

My mission was to oversee the loading of some 5,000 weapons that would be stored in the massive ballast tanks that kept the rig afloat. These weapons would come from the steel foundries that I had mentioned earlier in the chapter. The weapons, along with over one million rounds of ammunitions would go to countries such as Honduras, Nicaragua, El Salvador and Panama.

It was all that the C.I.A. helicopter pilot could do to see through the intense monsoon-type thunderstorms that had moved inland from the Gulf of Mexico. The fury of this tropical depression that would batter the coastal shorelines, was just one short step from becoming a hurricane. As we raced toward Sabine Pass, normally a thirty-minute chopper ride, I could feel the force and power of mother nature at work. The helicopter was being tossed around like a small bug in a whirlwind. Thoughts would race through my mind, thinking to myself, is this God's message to me for dealing in the weapons of destruction and for bringing the poison into the lives of thousands? Thoughts that needed to be taken with a note of seriousness. We were tired, but sleep would not come, wondering if we were going to slam the ground at any second. I kept telling myself, was I even going to get a chance to spend the one-hundred-thousand dollars that was waiting at ZAPATA "7" for me, plus the additional thirty-five thousand I would make for overseeing the loading operation? It was a perfect time to break out the 4th marijuana joint I brought along to fight off the flow of my very thinned blood. The potent joint would calm all three of us down somewhat.

The pilot broke the erie silence by informing us that ZAPATA "7" was just five minutes dead ahead. He would be busy monitoring the

pale green blips on the radar screen that indicated the large amount of air traffic in the area due to evacuations of the hundreds of oil field personnel that were aboard rigs scattered along the Gulf Coast. He then informed us that the tropical storm would be up-graded to a Hurricane, that the winds now were gusting to 80-miles-per-hour. As soon as he told us that, we saw the huge floating hotel, ZAPATA "7". As we touched the helo-pad deck we all felt that we once again had beaten the odds. In what seemed to be a few seconds, a highly trained ground crew had the million dollar piece of flying metal secured to the lighted helo-deck. From there, we were escorted down to the lower levels of the rig. On my way through the maze of hallway passages of this spectacular vessel, I was amazed at the enormous size of this ship. ZAPATA "7" was considered the ghost ship of the Bushs' family of drilling rigs. All of the things that made up this 62-million-dollar piece of hardware were designed with every conceivable aspect of engineering possible. Designers from all over the globe would put their ideas together to come up with this awesome work of art. The rig would have state-of-the-art equipment, wherever one looked. If the rig had a landing strip for jets and a nuclear weapons system one would think he was on the aircraft carrier NIMITZ.

We were informed by a former Navy Seal, who worked for Bush and Oliver North, that there would be a briefing in the galley at 1300 hours. It was just 0900 so I had time to shower and shave before the briefing. The shower felt very good. The air-conditioning was quite cool so I returned to my cabin and put on a two-piece sweat suit. I then laid back and preceded to read one of my favorite magazines, *National Geographic*. It was a funny coincidence that I was reading about the swamps of the Amazon Rain Forest, a place I have been several times before, and which resembled

where Hebert and myself had just come from. At five minutes to 1300, a crew member had come to take us through the maze of passage-ways to the galley where a steak and shrimp meal awaited us. There would be no beer today, thank God! The food on these rigs is unbelievable. It equaled the equipment in the sense that no expense was spared in buying the best food that money could buy. After all, a full-bellied crew is a happy, productive crew. When out at sea, in the middle of

nowhere, you must feed a man good, or you will get poor results. There was no room on ZAPATA "7" for any mistakes or poor results. Bad judgement that caused error was virtually unheard of. George Bush would not tolerate any mistakes; he could not afford any publicity.

Without my knowledge, there was another visitor aboard ZAPATA "7". His name was Alex Bernstein, from the Washington offices. This man's job was to secure safe passage and entry into foreign waters. He held a diplomat's position, and was working for Bush. ZAPATA OIL would see to it that his man had funds placed in several banks through-out the world. Bernstein was a major player in this massive smuggling operation. Just one lethal phone call from this power figure could spell disaster for the whole plan. He was well aware of his position, and played the part to the fullest. This was the first time that I had ever met Bernstein face to face. Did you ever have a first-sense feeling about someone that you didn't like, or trust? These were my feelings kicking in, the feeling that I have depended on all my life, it seemed. This man was another piece of shit, only worse than the Arkansas State Trooper / D.E.A. / corrupt lawman, Swint. Swint was a snake all right, only he rattled. Bernstein, on the other hand, was a Cobra. When Bernstein entered the room he acted as though he were the President himself. Only he looked a little like Pee-Wee Herman, a pissant of a fellow. The more this man opened his mouth, the more that I disliked him. In reality, this man did not have the sense that God had given to a goose! My partner Hebert, the "ragin' Cajun", made the statement that one day this Capitol Hill piece of dung would piss someone off and they will never find him. Well, his prophecies would come to pass, some six years later, when Bernstein would become another one of Washington's many mysterious suicides; you know, ones like so many of the Clinton gang have dropped real dead from. Funny thing, Hebert was half right, only they found him.

THE PLAN

Before I go into the vitals of the loading operation, and the distribution end of the plan, you must understand the enormous participation of all the players of this multi-billion-dollar plan to take weapons out of the country and bring

drugs back into the country. It reaches the highest levels of government, state, and local authorities throughout this nation, as well as many other countries. It is all one big massive operation devised to make millions of illegal dollars for the rich and powerful people who never seem to have enough. In this country, the plan is for the rich to get richer and for the poor to stay poor. There is no leeway for the common people such as you and I. If we resist or even attempt to conspire against the politi-

cal brass up on Capitol Hill we will be imprisoned or, as in so many instances, killed.

The one main ingredient that any business must have before it can be functional and show a profit, is the product. Without the weapons, they will have no product. If people like Bush, North and the Clinton clan had to purchase the weapons at retail prices, the smuggling plan would not show a profit. These people are accustomed to making a lot of money and, if investigated through means such as we all are just now hearing about, you will hopefully find out that much of their money came from operations like this. If they did not find a way to get the weapons from the foundries, they would have to devise another method of obtaining the product. The decision was made that the weapons would come from the thousands of seized or forfeited weapons that are taken everyday from people across the nation. So through many under-the-table bribes and other offers to the persons in charge of sending the confiscated firearms to their destruction, and also the steel foundries personnel, these weapons would be secured. Sounds like a hard thing to accomplish but not if the price or the bait was presented just right. Many of the people would be enticed with money, homes, planes, boats, properties in other countries, and even the promise of very good schooling for their children. Now it may not have worked with everyone who was approached, but there were a lot of crooked people that did take the bait.

This plan was in the making for years. In fact, it was thought up in the 1970s. A plan was presented to members of the congress, that they needed to get tough on anyone who was in possession of firearms during the commission of a felony. The new laws would call for the seizure of any and all of the weapons, whether they were used or not. The law agencies would confiscate them. No ifs, ands or buts about it, you would lose your right to bear arms. Now, stop and think for just one minute, how many people do you know of personally that either own a firearm, or who know someone who has one. You will probably come up with several candidates. Some may own only one, some may own quite a few. There are virtually millions across the nation. So now you know where the supply comes from.

The people who vote to confiscate these weapons are in most cases either afraid or scared to shoot down the bill because they might lose their job. A perfect example was the voting of the newly passed Crime Bill. Clinton actually threatened members of congress to either vote now for the bill, or some of them would find themselves out of a job. Many did not even know what was in the package, nor did they care. The final result was a vote to ban several types of automatic weapons, the type that are needed for a quick resale in other countries. Single-shot weapons do not win battles. [Obviously, the Crime Bill provides a whole new "harvest" of weapons.]

So now the first part of the master plan is completed. We have the weapons, now we must prepare them for shipment. The guns are now sent to warehouses where they will be packed in plastic cylinders that are water tight. Each container will hold anywhere from one to two-hundred weapons, depending on the individual weapon itself. The weapons must be kept from being damaged during the occurrence of any high seas, or rough sailing, therefore much care is taken in the packing of

these guns. Guns that are damaged would not bring a good quality price, even if traded for drugs. The people in Southern countries are poor, but by no means dumb.

We are now back at Sabine Pass, and looking down from the height of one hundred feet, from the control room of ZAPATA "7". We are informed that the truck, a semi-tractor trailer rig, which by the way is also owned by ZAPATA Trucking, out of ZAPATA, TEXAS, is ready to start the unloading of the large plastic (P.V.C.) containers placed in a large cargo net, where four containers at a time will be hoisted aboard. Once aboard, they will be hoisted up on yet another crane, one at a time, then lowered through a thirty-six-inch-diameter hole that was cut especially for the containers. By cutting a new hole into the remote corners of the large ballast tanks, a person would never suspect looking there for anything, not even Customs personnel. After securing the containers from having any movement whatsoever, the hole would be welded shut, sanded down and the whole entire section of ZAPATA "7" would be painted. Again, the cost of securing the weapons was not in question.

The weapons are safely aboard now, resting in their tomb until the rig reaches its final destination. No one would lay eyes on them again until they are to be unloaded down south. The man in charge, George Bush, would be notified of the completed operation.

After all the loading was completed, our presence was no longer needed, except for what briefing Hebert was giving to the Special-Ops personnel. This information would include logistics and going over many of the off-loading procedures. Russel Hebert would show them several remote jungle landing strips and helicopter landing areas where the weapons would be delivered to. I would now wait for him in another section of the rig, the control room, where there were instruments that are interesting to me. It was like standing in NORAD with all of its high-tech radars, computers, radios and data equipment. Truly unbelievable. Whoever set this up was very informed about how the equipment would be used and placed. But the old saying applied, that "money makes money".

The storm was hovering above us now, in full force. No flights would be leaving until the storm would subside. I tried to make talk, just small talk, with some of the people who were assigned to ZAPATA "7", but as I had expected,

talk was minimal. After all, the whole crew was hand-picked for their various jobs. All crew members had to be trained for performing an oil field-related job. What I mean is, there was a driller, a company man, floor hands, deck hands, roustabouts, chefs, stewards and a motorman. These people doubled for their jobs. All of the crew was at one time involved with some type of military tactical training somewhere around the world. Many spoke different languages as well. All were fit and in great shape as though they were prepared to defend their cache of weapons, and believe me they would if the need arose.

Hebert suggested that we go to a place just three miles from the rig, in a seedy section of the port, to partake in some nighttime activity. I politely refused, as I had had enough excitement for the past two days to keep me going for awhile. So with that he suggested that we go get paid for what we had done. I was ready for the loot to be distributed, so I told him let's hit the gas and be done with it.

The money was all there, just as they said it would be. I myself had made \$135,000 in just two days. Something in the back of my mind told me that this was the Devil's money, but what can I say, I needed cash, easy cash. Besides, I thought, the Vice President, Bush will take care of me; if not him, then good old Oliver North will for sure.

Well, it was time for us to leave ZAPATA "7" and head back to the pirates' lair of Morgan City, LA. The storm lifted enough for us to make our get-away. On the flight back, I asked Russel what he had going on for the next few days. He would fly me back to my doorstep, then drop off some drugs and money in St. Louis, MO, then on to Chicago, IL, to pick up some more cash, then to Memphis, TN, then back to Morgan City, LA. He would be very busy the next few days, but as for me, I had only four days left in my vacation to enjoy myself and also to prepare for my return back to South America, and my Naval duties of monitoring cable traffic and the like.

So that was how the weapons would leave this country. Next time I will explain the rest of the Pipe Line as I take you to the tropics for another chapter of lust, greed, desire and smuggling from the high seas to the jungles. Until then, may God bless you all.

Yours Truly,
/s/ (Captain) Michael Maholy

DEATH & TAXES

Hot!

...one citizen's fight for freedom against the IRS

Gordon Kahl Video

Death & Taxes is the story of Gordon Kahl, a North Dakota farmer who became America's "most-wanted" fugitive. How had a WWII war hero become the target of one of the largest manhunts in FBI history?

Was Kahl a racist, gun-toting fanatic? Or a victim of an IRS policy of harassing vocal tax protesters into silence to keep the rest of us intimidated? Did then-Arkansas Governor Bill Clinton conspire to cover up the torture and execution of Gordon Kahl? Was it in fact Kahl—or did federal agents mutilate and burn the body to cover up the murder of the wrong man? Will coroner Dr. Thomas Noguchi's recent autopsy reveal whether it really was Kahl who was killed in Arkansas?

Death & Taxes follows the documentary trail of Gordon Kahl as his body is exhumed for a new autopsy and we interview witnesses to two fiery shoot-outs between Kahl and federal agents. Building on newsreel clips and hundreds of interviews—with IRS agents and federal prosecutors as well as Kahl's family and supporters—the movie explores the myths and controversies surrounding a man who dared to challenge the federal Income Tax system. Some revile Kahl as a cop killer. Others revere him as an American patriot. Which was he? **Death & Taxes** tells the whole story as it happened and as it continues to reverberate nationally.

EXCLUSIVE TO THE SPOTLIGHT

BY MIKE BLAIR

The SPOTLIGHT has learned that Attorney General Janet Reno has sent special instructions to the U.S. attorneys in 12 states to investigate patriotic and militia groups, particularly targeting their leaders.

The states reportedly eyed by Reno for "special treatment" are Alabama, Arkansas, Florida, Georgia, Idaho, Indiana, Kentucky, Louisiana, Mississippi, Montana, South Carolina and Tennessee.

The SPOTLIGHT has received reports that patriotic group leaders in some of the 12 states have been harassed by low flying U.S. Army helicopters hovering over their homes and black-garbed intruders have been appearing late around their premises, particularly if they reside in rural areas.

It is virtually impossible to pin down the incidents since they usually occur at night when it is difficult to photograph the intrusions and harassments.

There have also been reports that Army National Guard units are working with state and local police in joint task force operations.

SPOTLIGHT sources in Louisiana have reported joint operations

between Army National Guard units and the state police.

RUSSIAN VISIT

Particularly heavy activity was reported in and around Bossier City, Louisiana, while a Russian Bear bomber and Candid inflight refueling tanker made a visit in late August to nearby Barksdale Air Force Base in northwestern Louisiana (SPOTLIGHT, Sept. 12).

In Bossier City, sources photographed a National Guard Bell OH-58 Kiowa observation helicopter at the Louisiana State Police headquarters and indicated that some type of joint operation was underway.

There was heavy helicopter activity around Barksdale during the visit of the Russian aircraft, which departed and returned to their base near Moscow on August 26.

Meanwhile, in southern Louisiana, another SPOTLIGHT source observed and photographed a joint activity involving two National Guard OH-58 Kiowas in Miraux, a suburb of New Orleans.

As part of the 1994 Crime Bill enacted late last month by Congress and signed into law by President Bill Clinton, provision is made for rural crime task forces to be established in each judicial district of the nation.

Operating under the attorney general, various federal agencies will be directed to work with state and local law enforcement agencies in establishing the rural crime task forces, which have a mandate under the new law to confiscate property of citizens whom they have under investigation.

The power to confiscate the property is given them based merely on the accusations that someone is under investigation, regardless of whether the subjects of the probes are under arrest, indictment or convicted of a crime in a court of law.

Civil libertarians and critics of the new anti-crime law view the task forces as grossly excessive power being placed in the hands of state and local law enforcement officials, backed and funded by federal law enforcement agencies, including the FBI, Immigration and Naturalization Service, Drug Enforcement Administration, Customs Service, etc.

In effect, through the rural crime task forces, federal law enforcement agencies will be able to buy their way into a partnership with local law enforcement to enforce local and state laws.

The only recourse a citizen has if his property is confiscated by such a

task force is to fight the issue in court, which would be nearly impossible to do effectively after the person's property and assets have been seized.

Gun owners are fearful of legislation included in the crime bill banning 19 semi-automatic—so-called "assault rifles"—by name and various copycat models, as well as people to keep and bear arms. The new Schumer legislation calls for a ban on so-called "sniper rifles," which, according to the proposed law, includes any rifle larger than a .22 caliber rimfire, with a booster of the antigun part of the barrel longer than 16 inches and equipped with a telescopic sight. This would include virtually any big game hunting rifle in America that is equipped with a scope.

Making matters worse, Rep. Charles Schumer (D.-N.Y.), the main author of the antigun part of the Crime Bill in the House of Representatives, already has in the works the next generation of legislation attacking the right of the American

FEMA, Fed Police Patches

Are RED FLAGS

Editor's note: The following are Nora's comments on the symbols on the Federal Police Patches compared to the Great Seal of the United States depicted on the \$1 Federal Reserve Note.

UNITED STATES POLICE: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) PATCH

The eagle, the arrows, and the olive branch shown on this patch appear to be attempted representations from the Great Seal of the United States—although the clarity of the images cannot be portrayed successfully with embroidered fabric, and some details are omitted. For example, how many arrows are in the eagle's claw on the sinister side of the "Coat of Arms"? There should be 13, representing the original 13 States. Also, the olive branch on the dexter (other) side looks more like a bush, and the 13 olives are not apparent. Further, whoever prepared the "insignia" has used a different number of tail-feathers on the eagle; and the shield, or escutcheon, while showing the 13 stripes, does not show the "chief" across the top, which denotes Congress, uniting the 13 original States in the "Great Seal". While it would be difficult to obtain more details with the materials used, it is also possible that the intent was to show that "Congress" has no jurisdiction over FEMA.

The significance in the changed number of tail feathers is not known to me; you will note there are nine, all in a row, on the eagle shown on the dollar bill. The tail-feathers on the "patch" are in several groups, there are at least 13 feathers, but it is impossible to be more specific.

One might think that 13 tail feathers would be in harmony with the original 13 States, as would be 13 arrows and 13 olives, etc. This is not true, according to their placement and lack of historical use—the 13 States began the "United States", they did not come at the "end", if you will allow me to say so. Further, the number of feathers actually is not clear. Does it matter? Perhaps not—depending upon the intent of those who determined its design and those who approved the design. Let's just say that this is a "different" kind of "eagle". Could it mean that it represents some other nation besides the United States?

Perhaps; eagles have been used as symbols in the nations of Germany, Rome, Mexico and Russia, although not generally displayed as in the "Great Seal of the United States". So—what else could it mean? A change of character of the United States? Yes—I think so. It means a change of character at the end of this cycle, in my opinion. Why do I say this? For one, the implementation of FEMA is a change from a so-called "democracy" to a "dictatorship"—the change has been slowly made away from our Republic under the Constitution. Further, this change was prophesied in the original text of the *Book of Revelation*, Chapter 8, verse 13. I found the correct translation of this text in the translation from the *Eastern Text*, of the *Peshitta (Holy Bible)* from Aramaic by George Lamsa. The *King James Version of the Bible* has translated this "Eagle" as an "Angel". The Greek Interlinear Translation uses the word "eagle", but not the full translation of the verse. The Aramaic Version follows:

"And I beheld and heard an
EAGLE HAVING A RED TAIL AS
IF IT WERE BLOOD,
flying through the midst of heaven,
saying with a loud voice,
Woe, Woe, Woe to
those who dwell on the Earth"
(emphasis mine-Nora)

Jesus (Eshoo in Aramaic) spoke Aramaic. According to Hatonn, that **Eagle with the Red Tail** is the symbol of the nation of the U.S. of A. with its Communist/Bolshevik/Zionist controllers at the time of the fulfillment of John's vision in the *Book of Revelation*. (An article titled "The Eagle with the Red Tail" is in my book, *The Garden of Aton*.) I would say a United States controlled by the Red Bolsheviks, who are in control of Russia, and who are Khazarian "Jews"/Zionists, would surely represent a change of character for the U.S. of A.

The unfurled scroll in the seal of the United States contains the words "E Pluribus Unum", 13 letters meaning "One from Many". The eagle has this scroll in its beak at the middle of it, so that each end flows from either side of the beak. The eagle on the patch holds the end of a scroll, and the message is: "PAC AC BELLO MEDITA", as near as I can read it from the lack of clarity inherent in the patch itself. "Pac ac bello medita" could be translated according to the Latin language, in several ways. "Pac" means Peace. "Ac" is a combining form which probably means "and" here. "Bello" means war. While I did not find the actual word, Medita, in my Latin dictionary, it falls within the family of words which mean: to mediate, to interfere, to be in the middle, etc. Therefore, "FEMA" is an agency to be used "in the middle of" both peace and war, according to its motto.

about this?

The triangle on a dark field, enclosed in a circle above the head of the eagle is a symbol claimed by many groups. The fact that it is in the place of the Crest (according to heraldry) and replaces that which symbolized "God's glory in the clouds" from the "Great Seal", is very significant. (Please see the picture of the seal on the \$1 bill.)

This nation is the only nation established as "one nation under God". Our founding fathers used the *Bible* in determining the form the Great Seal would take, and the symbols to be used. The "Glory (Rays) in the clouds" represented God's presence and protection over Israel (meaning God's people). The "Glory" (God) is replaced on the "patch" by a triangle in a circle.

What does the equilateral triangle within a circle mean? It can mean just about whatever it is you want it to mean. Look at the Logo on CONTACT. Here you have the circle, the tri-

the symbolism of the six-pointed star, as I understand another person will be commenting on this symbol, except I would like you to note that the "constellation" of thirteen five-pointed stars (pentagrams) encircled by the "clouds and the Glory" on the "Great Seal" are assembled in the form of a six-pointed star (hexagram). The number of stars could actually represent, to both Masons and Israelis, the "thirteen" tribes of Israel, for example (now including the Khazars), or some other combination. It could also be a representation of Solomon's Seal—which he used to "control the demons while building the temple", according to Masonic ritual and Hebrew legends. Solomon's Seal was said to show both the five and the six-pointed star. Here on the "Great Seal of the United States" there is a representation which could be of a similar form as Solomon's Seal.

The original drawing of the Great Seal by Charles Thompson, Secretary of Congress, and submitted to congress on 6/20/1782 for their approval, showed a design which had a "constellation" of 13 stars on the crest, which were not assembled in the order of a six-pointed star. The Congress approved the design. The report of this approval regarding the "Crest" states: "Over the head of the Eagle which appears above the Escutcheon, a Glory Or, breaking through a cloud, proper and surrounding 13 stars forming a Constellation, Argent, on an Azure field." (Comment: Or = metal gold; Glory = Rays; Argent = silver or white; Azure = blue; proper = applicable to all natural things.) (Ref.: *Our Great Seal, The Symbol of Our Heritage & Our Destiny*.)

The constellation of stars was modified by a William Barton, an authority on Heraldry and the son of Rev. Thomas Barton, Rector of St. James Episcopal Church of Philadelphia. Thompson, according to the book *The Great Seal*, etc., was given the final decision on a modification of all previous designs. The "constellation" was assembled into the six-pointed star design on the Great Die of 1782. (Die is the form of the seal used to make the impression on important government documents.) The six-pointed star design has been retained since that time, although several versions of the die of the seal have been cut, some in order to bring the seal into greater harmony with the Congressional charge. One wonders about this, since the six-pointed star design is not natural or "proper" according to the Congressional record and charge.

Whether or not the "pyramid within the circle" is intended to be the "logo of the Illuminati", which is the question of the person faxing the copies of the patches to us, I could not say,

In a recent conversation with Rep. Charles Duke, Colorado, the question was posed, "How will the federal gov't enforce the Crime Bill and most specifically the weapons ban?" He faxed these pictures of police patches as a 'probable enforcement arm'.

except that the "Illuminati" took over most of Masonry at the time of Adam Weishaupt in the late 18th Century

angle, the lightning sign, etc. One can focus on "who uses what" symbol, etc., but it does not mean the symbol itself represents what different groups intend, except to them, or that it only represents "them". Obviously, the triangle is an important part of God's Universe, as is the circle and the lightning—any arithmetician, scientist, astronomer, etc., will not hesitate to tell you so. God's Universe came before man and his symbols. Man just copies what is here—he is not yet a "creator". Man has always hoped to be empowered by symbols—starting with the totems, etc., of ancient peoples. This does not mean one should disregard all symbols, for they are used as an identification by many groups, and are meaningful to them.

Since the color of the triangle cannot be determined from our copy of the "patch", I cannot speak to any significance from this aspect. A circle, in general, means "whole", "completion", "all encompassing", etc. The triangle meant fire to many early persons who

did not have a written language. It also has meant "tent", and numerous other things.

In today's world, the equilateral triangle has become a meaningful symbol to the Cabalists, Zionists and to Masons, among others. Masonry uses the symbol of the pyramid, and also the equilateral triangle with the Hebrew letter Yod in it, and/or a Hebrew word or letter "G" signifying "God" or "Geometry" in some of its rituals. They also use the six-pointed star, now a declared symbol of the State of Israel, which is two interlaced, equilateral triangles, forming the six points of the star, etc. I will not go into

about the same time our nation was formed, and the "triangle" is a symbol of Masonry. Its form on the \$1 Federal Reserve note is in the shape of a pyramid with the "all-seeing eye" as

triangle encompassing the all-seeing eye to be the symbol of "The Grand Architect of the Universe". Their altar is triangular, as are their "Jewels", etc. The solar triangle of the Egyptians was a symbol of Osiris, Isis, and Orus (AKA Horus) and was inscribed with the mystic motto, "I am all that was, that is and that shall be." (Ref.: *Our Great Seal, The Symbol of Our Heritage & Our Destiny*, p. 59.) Therefore, it appears that one cannot assume that "God" means the same to all Masons. In fact, the further "up the ladder" a candidate goes in Masonry, the closer to the "religion" of the "Jews" and of "Isis and Osiris". Baal was worshipped as a "fertility god" in the Middle East, and Osiris as a god of the dead in Egypt. There were very many Baals, all with a slightly different name. In fact, the triangle, the Obelisk, and the sphere, of Egyptian symbology are sexual images. Isn't it interesting that, according to the Cabalists (part of the Hebrew tradition) the two interlaced triangles of the six-pointed star represents "Generation". It is a sexual symbol, and prominent at marriages (Ref.: *Encyclopedia Judaica*). Further, according to some researchers, the letter "G" in the triangle of "higher" Masonic degrees means "Generation". All of the above, of course, is symbolic of God's Creation, and I am not judging. Nevertheless, according to the teachings of Jesus (Eshoo), the sexual aspect of "human" was intended to be kept in its proper, meaningful, and private place.

Also according to the book *Our Great Seal, The Symbol of Our Heritage & Our Destiny*, "Henry A. Wallace (former Vice-President) has taken credit for making the suggestion which eventually led to the inclusion of the Reverse Seal on the dollar bill. Wallace later recorded the sequence of events as follows:"

[Quoting:]

In 1934 when I was Sec. of Agriculture I was waiting in the outer office of Secretary Hull and as I waited I amused myself by picking up a State Department publication which was on a stand there entitled, "The History of the Seal of the United States." Turning to page 53 I noted the colored reproduction of the reverse side of the seal. The Latin phrase *Novus Ordo Seclorum* impressed me as meaning the New Deal of the Ages. Therefore I took the publication to President Roosevelt and suggested a coin be put out with the obverse and reverse sides of the Seal. Roosevelt, as he looked at [the] colored reproduction of the Seal was first struck with the representation

its capstone, enclosed in a circle.

Here again, I have to say that, for example, the symbol of the "all-seeing eye" has been interpreted to mean very many things, and to be associated with God as often as it is associated with Satan/Lucifer. In fact, Lucifer is "god" to many—therefore—a great deal depends on the intent of those who made and use the symbol. The fact that the "eye" is surrounded by "Glory" on the \$1 bill, used to mean that "God" was the "capstone" of this United States (13 states at the time and 13 layers of masonry in the pyramid). However, as with any symbol, it has been used by others to suit their own schemes. To Masons, God is the "Great Architect of the Universe". This title has, in all sincerity meant "God the Creator" to most Masons, I feel sure. However, in the Masonic degrees starting with Royal Arch, the name of this "Great Architect of the Universe" is given as "Jahbulon", which, according to Stephen Knight, in his book, *The Brotherhood*, is a coined word intended to include

the names Jahweh, Baal and Osiris in its meaning. The Royal Arch Masons hold the

All patriotic and concerned Americans should be seeking answers about these patches. Call your U.S. Representatives and Senators, and also get this information to your State legislators.

Will your State legislator stand with those others who are sponsoring the *10th Amendment State Sovereignty Resolution*? Will they uphold their oath to defend and protect the *Constitution Of The United States of America* and put this federal government back in its limited capacity as provided in our *Constitution*? Or, will they be among those responsible for the demise of a sovereign America and our individual freedoms—including their own? Ask and demand answers. Time is running short!

of the "All-Seeing Eye", a Masonic representation of The Great Architect of the Universe. Next he was impressed with the idea that the foundation for the new order of the ages had been laid in 1776 but that it would be completed only under the eye of the Great Architect. Roosevelt, like myself, was a 32nd degree Mason. He suggested that the Seal be put out on the dollar bill rather than a coin and took the matter up with the Secretary of the Treasury. When the first draft came back from the Treasury the obverse side was on the left of the bill as is heraldic practice. Roosevelt insisted that the order be reversed so that the phrase "of the United States" would be under the obverse side of the Seal. I believe he was also responsible for introducing the word "Great" in the phrase "The Great Seal" as it is found under the reverse side of the Seal on the left of our dollar bills. Roosevelt was a great stickler for details and loved playing with them, no matter whether it involved the architecture of a house, a post office or a dollar bill.

[END OF QUOTING]

It is interesting that, according to Ronn Jackson, Henry Wallace was a member of that "Committee of 16". So was Eleanor Roosevelt [FDR's wife].

The motto, "Annuit Coeptis" means "He hath prospered our undertakings (or beginnings)". (Ref.: *Our Great Seal The Symbol of Our Heritage & Our Destiny*.)

POLICE: FEDERAL PROTECTIVE SERVICE PATCH

There is not much to add regarding the symbols in this second patch. The eagle is

more true to the "Great Seal of the United States" within the limitations of the material of which it is composed. The crest shows the "Glory in the clouds" encompassing a constellation of "stars". However, their shape and number are very uncertain. One person suggested there were five stars above the eagle's head. This is very possible, but not clear from the copy available to us. However, if this is the intent, the five stars might pertain to the region from which the patch originated—I am only speculating. According to FEMA, and the New World Order, America is divided into 10 Regions. Much of the administration for these regions is already in place. Five stars could represent, for example, the 5th Region of the United States, or even the 5th Region of the New World Order. However, without more information I can only guess.

The eagle is enclosed in two circles which are surrounded by what appears to be olive branches—a symbol of "peace", as in "peace keeping forces". The letters GSA are printed at the base of the image.

These letters may represent General Service Agency (or Army?) for example. I am not familiar with the various "agencies" of the

"New World Order" and therefore cannot be specific. There are a number of articles in the *PHOENIX JOURNALS* regarding FEMA and the many functions that come under its jurisdiction in case of an "emergency", for those who would like to explore the matter further.

A Free And Independent PRESS Is Long Dead

Editor's note: The following piece of rare and candid insight comes from 1953, a solid 40 years ago now. Egads! How much more controlled do you think the media is now? Keep this in mind and show John Swinton's remarks to your doubting friends who wonder why you subscribe to and honor CONTACT so highly above the typical Satanic Elite-controlled news media.

We like to run this following message periodically, both as a caution to those still naive enough to think there is a free Press out there in the commercial world controlled by the Elite, and as a special kind of "thank you" to our many, many readers who so consistently support and encourage CONTACT and, before that, THE PHOENIX LIBERATOR. We are deeply grateful for your constant and sincere messages of encouragement. Those often highly emotional "thank you" notes pouring into the offices every day are what give us the necessary boost to keep on keeping on.

JOHNSWINTON, THE FORMER CHIEF OF STAFF OF THE NEW YORK TIMES, CALLED BY HIS PEERS, "THE DEAN OF HIS PROFESSION", WAS ASKED IN 1953 TO GIVE A TOAST BEFORE THE NEW YORK PRESS CLUB. HE RESPONDED WITH THE FOLLOWING STATEMENT:

"There is no such thing, at this date of the world's history, in America, as an independent Press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print.

"I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone.

"The business of the Journalist is to destroy truth; To lie outright; To pervert; To vilify; To fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent Press? **We are the tools and vassals for rich men behind the scenes.** We are the jumping jacks; they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes."

THE IGNORANCE OF PROTESTANT FUNDAMENTALISM

In an article from September 15, 1994 *New York Times* written by Peter Steinfels, [quoting:]

Evangelical Christians in the United States have suffered their share of scandals. But perhaps the biggest scandal has nothing to do with Elmer Gantry-like antics, sexual or financial. It is what Mark Noll, a highly regarded historian of American religion and himself an evangelical Christian, calls "the scandal of the evangelical mind".

At least a fourth of the people in the United States classify themselves in surveys as evangelical Christians. The group is probably the largest, certainly the most religiously active and potentially the most politically powerful religious force in the nation.

And yet, Noll says, evangelicals have let their religious tradition sink into intellectual penury, largely bereft of the kind of vigorous intellectual life that would engage their faith with the whole array of modern learning and artistic expression.

"The Scandal of the Evangelical Mind," he

writes in a newly published book (William B. Eerdmans Publishing Company) by that title, "is that there is not much of an evangelical mind."

The stage was set for what Noll bluntly calls the "intellectual disaster of fundamentalism". Fundamentalism hardened evangelicalism's emphasis on the authority of the Bible into a strict theory of literal interpretation, a preoccupation with apocalyptic prophecies and a fierce concern with keeping true believers uncontaminated by others.

Although much of evangelical America is now "post-fundamentalist," he says, it suffers from lingering habits of anti-intellectualism and of using the Bible as a data bank of detailed information rather than for spiritual guidance and rejuvenation.

Under fundamentalist midwifery, he writes, "the evangelical community gave birth to virtually no insights into how, under God, the natural world proceeded, how human societies worked, why human nature acted the way it did, or what constituted the blessings and perils of culture." [end of quoting]

Historian Mark Noll writes with honest knowledge relative to the ignorance of Protestant Fundamentalism at the end of the 20th century. He sketches the religious

history of this evangelical cult from the American Revolution through the Civil War and on into this TV era. He ends it by stating that Fundamentalism is an "intellectual disaster".

Now this is all pretty words hiding an obvious condition of stupidity in 25% of the American public. When one is ignorant, the condition is one of not knowing; when dull, the condition is of no power to absorb ideas and impressions but when one is stupid, there is present a congenital or temporary lack of intelligence or reason. Apply this to anyone who accepts the concept of a strict literal interpretation of the verbal content of the Bible and you will get the right answer.

Fundamentalism is incessantly preoccupied with all of the apocalyptic prophecies and is quite unaware that the sound is of chattering morons and imbeciles. The only valid and true prophecy is the one that has already happened and has been certified. All prophecy before the certified facts is simple guess work unless the prophet has a 100% accurate track record.

Noll mentions their fierce concern with keeping true believers uncontaminated by others. This song is sung by all the religions. Each religion claims to be the one, true, only, holy instrument of God. The rest are poison, so don't even get close to them.

As this ignorance, dullness and stupidity spreads and spreads and spreads into the nature and activities of planetary religions the need for radical cleansing grows larger and larger.

SPELT

Spelt is the most ancient and very best grain. *Spelta* is a grain of its own unique being. It is the best fiber resource, and has large amounts of B-17 (anti-carcinoma). It is the grain GOD gave to the planet as "manna" when humans were placed upon it.

Spelt was brought from the Middle East more than 9,000 years ago; it is a well tested product. It has since spread over the European Continent. Very recently, *Spelt* has enjoyed renewed popularity in Europe as a result of translations of mystical writings of the 12th century healer, St. Hildegard of Bingen, who praised *Spelt* as the grain best tolerated by the body. The *Old Testament* mentions *Spelt* in *Exodus* 9:31, 32 and *Ezekiel* 4:9.

Today it is used in the West in much the same way as wheat; one main distinction is that the people with allergies to wheat frequently do not react to *Spelt*. Although *Spelt* contains gluten, those with gluten sensitivity, even celiacs, can usually tolerate it. In addition, *Spelt* is appreciated as much for its hearty nut-like flavor as for its healing qualities.

The grain berry grows an exceptionally thick husk that protects it from pollutants and insects. It is stored with its husk intact, so it remains fresher. Thus, unlike other grains, it is not normally treated with pesticides or other chemicals. The strong, protective husk may also be a metaphorical signature of this grain's capacity to strengthen immunity. *Spelt* contains special carbohydrates (Mucopolysaccharides) which are an important factor in blood clotting and stimulating the body's immune system.

Spelt is richly endowed with nutrients. In general, it is higher in protein, fat and fiber than most varieties of wheat. An important feature is its highly water-soluble fiber, which dissolves easily and allows for efficient nutrient assimilation by the body. *Spelt* also contains essential amino acids, which combine with the protein in *Spelt* constitute a source for human plasma. To use *Spelt* in baked goods, cereals and other dishes calling for wheat or other grains, substitute it one for one. You will likely always have to add gluten (from wheat) to give satisfactory yeast products.

At a major clinic in Konstanz, Germany, *Spelt* has been used as an adjunct in the treatment of

many disorders, especially chronic digestive problems of all kinds, chronic infections (herpes, AIDS), nerve and bone disorders (Parkinson's disease, Alzheimer's disease, arthritis), cancer and antibiotic side effects.

GAIA DRIANA

Gaiandriana is a non-alcoholic health tonic which provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of health.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders. The end result is a feeling of well-being by, of course, being well.

The Gaiandriana (commonly referred to as "chondriana" in the Biological literature) are capable of intelligent, organized attack against cellular invaders like viruses. Think of it as a "pac-man" operation of sorts. However, beyond

that, the Gaiandriana are capable of stimulating cellular structural repairs due to damage caused by, for instance, free radicals and cumulative levels of so-called "background" radiation in our modern environment. Healthy DNA and RNA within the nuclei of our cells then lead to properly formed and concentrated enzymes, upon which healthy cellular function depends.

Gaiandriana liquid is made entirely from wholesome natural ingredients.

AQUAGAIA

Complementary to the Gaiandriana product, AquaGaia is also a non-alcoholic health tonic which

provides basic "foods" to help cells, weakened by the stresses of modern life, to return to a state of healthy function.

AquaGaia contains *mitochondria*. These are the major biochemical energy "processors" within cellular metabolism. First, enzymes begin the breakdown process of organic nutrients (like fats, carbohydrates and proteins) to intermediate substances such as amino and pyruvic acids. Then, in the next "bucket brigade" step, these various acid molecules are processed within the mitochondria to release chemical energy

recognized as adenosine triphosphate (ATP).

About 95% of the energy needed to "run the machinery" that keeps each cell going and healthy is produced in the mitochondria. Unfortunately, the mitochondria are particularly damaged by free radicals and cumulative levels of so-called "background" radiation in our modern environment. These compromised mitochondria, like half-dead batteries, then lead to impaired cellular functioning and health. Thus is the importance of AquaGaia, with its assimilable supply of healthy mitochondria — like "fresh batteries" for the body's cells.

The better our cells function, the greater is the stamina returned to our internal defense systems, and the better we can counter the constant onslaught of biological and viral invaders.

2/11/93 #2 HATONN

GAIA DRIANA & AQUAGAIA

To help in understanding the workings of these organic "pac-men" you must realize that there is a protein covering "cap" on viruses. The protein cap is centered on a charged zinc atom and is the part of the virus that recognizes and binds to DNA—in turn allowing the virus to reproduce.

AquaGaia, in conjunction with the Gaiandriana, knock out the zinc atom (a simple "charge" change), which renders the protein ineffective. This is a breakdown of "parts" of the Gaiandriana male-female DNA structure which releases many working variants but frees the Gaiandriettes or "killers" to take out that zinc atom and pass right into the affected cell. Without the "cap", the virus cannot reproduce and infect more cells—further, the damaged virus feeds the Gaiandriana unified cells and the circulating mitochondria.

Healthy cells are not affected because they lack the zinc-centered protein cap on the virus.

These "Gaia" compounds have an effect on cancer cells because they stop an enzyme on the cancer cells from producing a "messenger" molecule that blocks a second enzyme from attacking the cancer cell's DNA. The compounds (Gaia) have been seen to actually take out leukemia, breast, brain and colon cancer cells. We have no claim to anything other than stating that people utilizing these simple and natural substances do show improved well-being and do report feeling generally and, often remarkably, improved as to state of health, thought processes and stamina.

The obvious conclusion is that there might well be good reports of better health and faster recovery, following infection by other viruses, than those mentioned above. All viruses known react in generally the same manner.

It is known that many diseases are due to retroviral DNA and these are the most affected viruses by the Gaia-chondrianas (living crystal forms). We, again, make no medical claims—we are simply reporting in an effort to explain WHAT takes place within the cellular structures of living organisms.

NOTE

If any product you receive has an unpleasant odor — it is from the finishing culture process. Leave the bottle open to air and it will quickly dissipate. Then, depending on taste and preference—refrigerate after opening and reclosing.

IMPORTANT: Do not mix the two, Gaiandriana and AquaGaia, together for storage as the AquaGaia (mitochondria) are aggressive and begin to "eat" the Gaiandriana for fuel. Once ingested, they go about their appointed tasks, but in bottle prisons they are not particularly compatible once the available fuel supply is exhausted. Juices are excellent to take with the AquaGaia because the mitochondria must have the fuel derived from same, the most effective juice being from the tropical "Guava" fruit. Any juice is fine, however, and is most pleasant to intake. Diabetics should utilize whatever juices are available on their food plan to keep within the safe guidelines for calories and other requirements.

The most innocuous and easy intake available is simply a few drops under the tongue, both products taken at the same time or at different times of the day. Once the "initial" program is completed, and the maintenance level of intake is being followed, certainly the drops under the tongue are the least annoying to any daily regimen.

GaiaLyte

GaiaLyte is brought forth from Kargasok Tea. This IS the basic component of MO-GU tea as we have used the tea by that name. The GaiaLyte is a fully integrated electrolytic liquid. The "drink" is a "concentrate" (3 to 1 minimum—as much to one as you like maximum). It contains EVERYTHING supplemental to Gaiandriana—INCLUDING A GROWING-PROGRAMMING BASE OF GAIANDRIANA AND BASIC DRIANAS. It also contains enough Carbragaia to equal a full schedule of what is being used in Mexico—(shark-fin cartilage). If you are using MO-GU—keep on—it can only enhance your full-rounded intake—but it WILL NOT be the same. However, the "new" drink will supply all you need without it. This is NOT A MEDICAL PROGRAM OF ANY KIND. We are not physicians as in Medical Doctor; we are not anything—except hopefully, sharers of information.

The GaiaLyte has a full spectrum of vitamins, minerals, Ginkgo, Echinacea, Chlorella, Oxygenators, Aloe Vera—everything necessary to "program" the cells in the tea membrane AND the Gaiandriana included. This does not replace the Gaiandriana used otherwise. This is a PERFECT medium to enhance the ability of the Gaiandriana you already take to enhance itself—reinforcement fuel, if you will.

You can dilute the concentrate with water AND/or anything you like. May we recommend apple juice and/or Cranberry. The apple juice is to flush out the gallbladder and the cranberry juice flushes out the bladder (urine). You may use as much as you like of either OR both and we would hope you would do so on a continuing basis because of the value of these two products and their focus of use.

We believe you will find it a very tasty beverage but we ask that no matter how "good", just keep to the "program" amounts or you may find yourself a bit "woozy" immediately after intake. This is due more to the Aloe Vera present than

the tea itself—but as you know, even the MO-GU tea can make you quite light-headed. There is no alcohol in the beverage although you may very well think so as the body rushes to uptake the fuel supply. This is not a medical-chemical concoction so you could take the entire bottle without damage or hazard—but you might well not feel so great for a bit afterward and it is totally UNNECESSARY for any expected positive response.

This is not like taking an antibiotic with flu or sore-throat. This is a well-body systemic enhancement. It sometimes, as with other persons' elixir—takes weeks or months to feel any difference. ONCE balanced, however, you will note that at onset of infection, cold, etc., if you take around six ounces of Gaiandriana and double up on the GaiaLyte—you will probably note positive response in about an hour. Remember—you are activating the enhanced immune system and it takes a while to accomplish this task.

ALOE JUICE

(Whole Leaf, Cold Pressed
Aloe Vera Concentrate)

Aloe Vera has a long and impressive history that spans hundreds of centuries, countries and cultures, and appears in countless "folk remedies" as a plant revered for its healing qualities.

Aloe Juice is a whole-leaf concentrate prepared from the freshly harvested leaves of the *Barbadensis Miller Aloe Vera* plant. **Aloe Juice** guarantees a minimum of 10,000 mg. of mucopolysaccharides per liter.

The nutrients reported in Aloe Vera include mucopolysaccharides and polysaccharides (glucomannans), glycoproteins, glucose, mannose, galactose, xylose, arabinose, tannins, steroids, organic acids, antibiotic principles, glucuronic acids, enzymes (oxidase, catalase and amylase), trace sugars, calcium oxalate, a protein containing 18 amino acids, "wound healing" hormones, biogenic stimulants, saponins, vitamins B1, B2, niacin, B6, choline, folic acid, chloride, sulfate, iron, calcium, copper, sodium, potassium, silicon, manganese, plus many other metabolism-assisting components.

CHLORELLA

Chlorella is a nutritionally balanced whole food and contributes to the health and growth of human cells like no single vitamin or mineral possibly can.

Chlorella is extremely high in protein (60%) and contains more than 20 vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes and chlorella growth factor. It is one of the richest sources of RNA and DNA known and has twenty times as much chlorophyll as alfalfa, 10 times more than other edible algae including spirulina, and 10 times more than barley grass.

Chlorella is a natural vitality enhancer. The vitamins found in chlorella cells include: vitamin C, provitamin A, B-carotene, chlorophyll-A, chlorophyll-B, thiamine (B1), riboflavin (B2), pyridoxine (B6), niacin (B3), pantothenic acid, folic acid, vitamin B-12, biotin, choline, vitamin K, PABA, lipoic acid, inositol and para-aminobenzoic acid. The minerals include: phosphorus, potassium, iodine, magnesium, sulphur, iron, calcium, manganese, copper, zinc and cobalt.

The amino acids include: lysine, histidine, arginine, aspartic acid, threonine, serine,

glutamic acid, proline, glycine, alanine, cystine, valine, methionine, isoleucine, leucine, tyrosine, phenylalanine, ornithine, tryptophan.

The suggested daily consumption is 3 grams per day.

2/23/94 #1 HATONN

I have been nagged and badgered to put together something that would help to remove and keep off excess body fat. You people are so focused on the purely physical aspect of experience as to concern me. However, there IS need among the population for some help in controlling the negative problems of "lipoid and horizontally challenged" people. Of course there is an array of natural herbal assistants for the problem. There are also the very practical programs available for self-hypnotic training for the body. Our people will, my request was by mid-March, have a full "program" in herbal form to interact with the fat molecules which will cause them to "liquefy" and then with abundant fluid intake, wash away the surplus cellular material. The reason this is so valuable is that you are leaving your necessary muscle tissue untouched which produces the end results of a lean, healthy body. You will have to check with the "Gaia" people for we don't stick our noses into the business of the product offerings. Do "I" present the formulas and "create" the products? Not in all instances—but yes, I do. Dharma is stuck with the nasty job of physically combining the substances and doing the "gardening". However, she then has nothing further to do with the management or presentation. I can promise you, for instance, that she thought she could make bread until she reaches Heaven's gate. I watched her "trying" to put a loaf together from a batch of spell which had lost its instruction label—and GONE were the steps and amounts.

We remove these tid-bits from her memory for the most part for she has enough other topics with which to deal and we want NO connections with the other entities and companies handling product-FOR OBVIOUS REASONS!

Now as to the self-help training program—it IS hers. She developed it in 1986 for a totally different purpose but it has a weight reduction program built in (or NO program at all is acceptable—you can still fully utilize the tapes). The tapes have been abundantly used in the management of bulimia and anorexia as well. America West offered the sets for a while until she withdrew them. There are probably a hundred or so sets left. The contact addresses, of course, are now different but the personal interaction remains open and valid. They are recognized as positive help programs and even the Master Hypnotist Teacher and head of the Council of Hypnotist Examiners have featured and "sold" the program to students.

It DOES mean however that you can't fail to attend your own personal care for self—the tapes or the capsules DO NO GOOD IN THE CLOSET—RESULTS ALWAYS DEPEND ON THE DESIRE FOR CHANGE—THEY ONLY HELP YOU ACCOMPLISH THAT CHANGE.

Hydrogen Peroxide Use For Water Purification

To purify water (of viruses as well as bacteria and other critters) for drinking purposes, use 10 drops of 35% Food Grade Hydrogen Peroxide per gallon of water and agitate container enough to mix well.

Locating the 35% Food Grade Hydrogen Peroxide can be a problem as the Elite effort to close down everything that promotes health, from products to therapies. Food Grade Hydrogen Peroxide is necessary as the drugstore (3%) variety contains additives and stabilizers not good for ingestion.

Cosmos Seafood Energy Marketing, Ltd.

Russell Herman, officer of the corporation Cosmos Seafood Energy Marketing, Ltd. and holder of an extremely old and valuable gold certificate, has recently died. In his Last Will And Testament And Notice To Beneficiaries concerning the gold certificate [Exhibits A,B & C on pgs. 8-14, 26], a huge sum (in gold) was left to those courageous States taking the steps to declare sovereignty under the 10th Amendment to the Constitution. Another purpose for which the certificate is to be used, is to pay off the total Federal Reserve System debt (of six trillion). Additional beneficiaries, such as CONTACT, are also listed therein.

Please read the enclosed legal documentation very carefully, particularly if you belong to one of the States recently declaring sovereignty, as each beneficiary will be required to submit their own claim, under law.

As our regular readers are fully aware, over these last many months we have printed story after story concerning the corporation called Cosmos Seafood Energy Marketing, Ltd. (CSEML). Then, during the last few weeks, V.K. Durham, one of CSEML's corporate officers, deluged CONTACT with a mountain of faxes and legal documents concerning Russell Herman's Last Will And Testament And Notice To Beneficiaries. This was amidst all of the other absolutely overwhelming chaos that goes on around here.

The problem was that I gave V.K. my word that an insert to CONTACT would be run in last week's issue, with all of this information included as part of the legal requirements for "Public Notice". But, for good reasons, we elected to delay publication for awhile. Now, recognizing the legal consequences that would occur from not following through with "timely" publication of this documentation, we have elected to print it here—with apologies for the initial delay to V.K. and the other parties affected.

Our readers are also well aware that the attacks

against our credibility have been unrelenting. We understand that this will not only continue, but will, in all probability, accelerate! Why does this matter? Because there are some who view the COSMOS material as just flat "crazy", and thus do not recognize its true, MASSIVE value as "fuel" for driving a national reclamation.

Let it be clearly understood up-front: We are not attorneys (thank God!), and we are not lawyers—so please do not construe this series of documents as though we are giving legal advice; we are not.

BUT—we have, after much careful evaluation of the facts, determined the following course of legal actions to initiate our own legitimate claim as one of the beneficiaries. It is likewise up to each of the other beneficiaries to take responsibility for submitting their own claim, meeting the same requirements, namely: (1) submitting a claim to the appropriate individuals and/or governmental departments; and (2) publishing a "Public Notice".

We have elected to submit our claim to three parties: the County Treasurer of Gallatin County, Illinois; the Illinois State Treasurer; and lastly, to Lloyd Bentsen, Secretary of the Treasury, Washington, D.C. [See pgs. 31-32.]

It will be up to the Treasury Departments of each beneficiary State to submit their own valid claims and, if they fail to perform, it will fall to the Attorney General of those States to act on behalf of we-the-people.

We can only do our part, so we are publishing information here which, if used properly, will have a tremendous impact on the reclamation of our nation.

Remember : "All that's necessary for tyranny to prevail is for good men to do nothing!" -- Rick Martin

Contact, Inc. News

Dear Rick and Readers;

I have received the 20th of September 1994 issue of Contact. Also, I have received this morning alone 18 calls calling me a 'liar', as I had told these people: "Rick had told us there would be a special insert in the Contact on RUSSELL HERMAN and the BEQUESTING of his LAST WILL AND TESTAMENT".

According to the LAW, "I" as the Executrix did have to follow the Law, as Lawyer in Fact for the Estate of Russell Herman/Herrman/Herrmann/Herman. Also, according to the LAW it was mandatory: I NOTICE ALL BENEFICIARYS to the LAST WILL and TESTAMENT of the Decedant, Russell Edward Herrmann, Herrman, Herman, and Russell Herrmann, Herrman, Herman.. Which I did to the best of my ability.

FURTHER, it is most important the BENEFICIARYS know, realize, establish firmly: THIS BEQUESTING OF MONIES FROM RUSSELL IS: "THE PEOPLES MONIES WHICH WERE STOLEN BY AN ILLEGAL ACT OF 3 PEOPLE TO INSTALL AN ILLEGAL LAW CALLED THE FEDERAL RESERVE BANK/SYSTEM. This "bequesting" represents: EVERY FARM, EVERY HEAD OF LIVESTOCK, EVERY PIECE OF FURNITURE, EVERY PIECE OF FARM EQUIPMENT, EVERY WATER RIGHT, EVERY MINERAL RESOURCE, EVERY "TREE", EVERY LIFE, EVERY AUTO, EVERY PIECE OF CLOTHING, EVERY BANK ACCOUNT of the PEOPLE OF THE UNITED STATES OF AMERICA WHICH WAS "STOLEN" BY UNLAWFUL ACTS, CONSPIRED AND PUT INTO ILLEGAL "LAW" BY ACTS OF "LEGAL WILLFULNESS WITH CARELESS AND

(1)

WILLFUL, WANTON, MALICIOUS INTENT TO DEFRAUD AMERICANS FROM THEIR PROPERTYS BY THESE ILLEGAL LAWS CONTRARY TO THE CONSTITUTIONAL PROVISIONS OF "LAW". THE MAJOR PORTION OF THE ACCURED INTEREST BELONGS TO THE AMERICAN PEOPLE, TO RESTORE THEIR NATION ONCE AGAIN!

"I" must follow the LAW on noticing the AMERICAN PEOPLE of their JUST, LEGAL, RIGHTFUL INHERITANCE from the Decedant; RUSSELL EDWARD HERRMANN, HERRMAN, HERMAN, RUSSELL HERRMANN, HERRMAN, HERMAN FOR; IF I DO NOT, THEN "I" AM AS GUILTY OF BEING ILLEGAL, DISHONEST, CORRUPT, NEGLIGENT, REMISS IN MY DUTYS UNDER THE "LAW" as the corrupt personages who stold the propertys and the full faith and credit of the PEOPLE OF THE UNITED STATES OF AMERICA in the first place. I WILL NOT BE A PARTY TO ANY DECEPTION, DECEPTIVE PRACTICE, WITHHOLDING OF EVIDENCE, WITHHOLDING OF "NOTICE TO ALL BENEFICIARYS". Not today, not yesterday, nor even tomorrow.

The disappointment of not having the "NOTICE TO ALL BENEFICIARYS" published...is overwhelming...as it was a moral, legal, comprehensive, constructive responsibility of all who have possession, and/or knowledge of this NOTICE TO ALL BENEFICIARYS as the "Last Will and Testament" of Russell...THE RESPONSIBILITY is OVERWHELMING TO GIVE NOTICE, not giving notice is incomprehensible, bizarre, and not-understandable...

"I" by LAW, cannot follow "ONE" voice, "I" by LAW must do that which "I" have been entrusted to do; NOTICE ALL BENEFICIARYS. "I" REFUSE TO BREAK "ANY LAW" TO WHICH "I" KNOW AS "LEGAL CONSTITUTIONAL "LAW".

In that light, I now ask all of you who have FAXES to PUT THIS INFORMATION ON THE "NETWORK"... "TIME IS OF THE ESSENCE"...

We have a NATION TO RESTORE

GRANDMA WRITES "RIGHTS"

September 10th, 1994

CONTACT, INC. NEWS

Dear Rick and READERS;

First, I want you to know, Grandpa was buried on the 6th, of September 1994.

For the services which were held graveside, first our wedding vows were re-affirmed and read by Pastor Johnson. Second, the Poem written by Russell's dearest female friend Cecelia Xalis entitled "IN FLANDERS FIELDS, DO POPPYS STILL GROW". Third, GRANDPAS "Notice to ALL Beneficiaries" was read... And do you young ones know what happened when this was going on..(?) Well, a gentle breeze began to blow through the trees, and the corn fields..over the hills..throughout the Cemetery...and all the while..this Butterfly...fluttered over GRANDPAS CASKET... Then..Taps was played....and the echo came again..from another bugle..far over the hill..The Honor Guard fired their Salutes..to RUSSELL EDWARD HERRMAN/Herman.

The day before, the Rains came..and I told my Mother: "God is washing the earth for Russia"...and the Second day, the day of the funeral, was a gloriously beautiful day..a day to behold..and I thank GOD for cleansing the Earth for our GRANDPA, and sending such a glorious day to receive him.

Second, Bless all of you who sent your cards, and your letters of encouragements...I most assuredly did appreciate each and every single one of them. You are good people, and your cards and letters show you are good people, you allow me to know YOU ARE GOOD PEOPLE...and I thank you from the bottom of my heart for allowing me the privacy of YOUR thoughts.

(1)

Third; THE PHILIDELPHI STOOD ON CONCORD BRIDGE, when the "Notice to ALL Beneficiaries" was read at RUSSELL EDWARD HERRMAN, HERRMANN, HERMAN's Funeral.

The PHILIDELPHI are of; Universal Brotherly Love, these are the keepers of the light, the keepers of the laws, the keepers of the truths and make those truths self evident, these are the PEACEKEEPERS, and the PRACEMAKERS...These PHILIDELPHI are of the single thought; MAKE MANKIND AND MANKINDS EARTH A BETTERMENT OF ENRICHMENTS FOR ALL WHO DWELL THEREUPON.

Just in case some of you did not read about CONCORD BRIDGE in your educational system; "CONCORD BRIDGE WAS THE BEGINNING OF THIS NATION SHEDDING HERSELF FROM THE YOKE OF TRYANNY, CORRUPTION, DESPOTISM AND OPPRESSION...as it was their RIGHT and DUTY to do so, TO DEFEND THEIR LIVES, HOMES, AND PROPERTYS from corruption.. of KINGS...and Patroons who represented KINGS...

"IF" you young people are serious about your Nation, and the Nations secured future for future generations here and yet to come you will urge your STATES TREASURERS to UNITE WITH THE TREASURER OF THE COUNTY OF GALLATIN, STATE OF ILLINOIS TO SUBMIT TO THE "UNDER SECRETARY OF THE TREASURY IN NEW YORK CITY AND COLLECT THAT WHICH YOU, YOUR COUNTYS, TOWN, VILLAGES, STATES "AND" INDIVIDUALS, INCLUDING THE "CONTACT INC, NEWS OF LAS VEGAS NEVADA, AND COLLECTIVELY "COLLECT YOUR JUST AND LEGAL INHERITANCE", DUE AND PAYABLE ON A JUST AND LEGAL CONTRACT, JUST AND LEGAL LEGISLATIVE RESOLUTION, JUST AND LEGAL "BONUS 3392 Sub Number 181", of May 1, 1875* PORTION OF THE ACCURED INTEREST DUE AND PAYABLE UP TO MAY 1, 1990. PLEASE, DO NOT LET GRANDPA HAVE DIED..IN VAIN.. IN HIS ATTEMPTS TO "RESTORE AMERICA TO AMERICANS".

Please do not reflect this example: "A woman was given a new stove, new pots and pans, and beautiful "Prime Cuts of Steaks", she did not know how to turn on the stove, she did not know what the pans were for, so she decided to throw out the steaks and go out to eat at McDonalds"... Frankly, I think you are smarter than that...or I sincerely hope so...

(2)

Third, The party who murdered Russell thought: there would be no LAST WILL AND TESTAMENT, they thought they would keep our butts so busy, this would not be done... Little did they know... GRANDPA was prepared for this... The day we sent the letters to the President of the United States of America offering to assist the Nation... back in July of 1993... the two of us commented: "WE HAVE JUST SIGNED OUR DEATH WARRANTS". Then, we both got our acts together... and protected you young ones... OUR LAST WILL AND TESTAMENTS were IN ORDER...

The Contact Inc, News, has a paper trail... which "IF" followed will show, the dates, what occurred after these dates... but just to fill you in... it goes like this;

1992, we offered to assist the young President, William Jefferson Clinton... in restoring the Nation, and

1993, we offered to assist the Nation... rebuild after those disastrous floods this was in July...

1993, Papa took ill... after that car went down the street blowing out that strange 'fog or smoke'... (July)

1993, August we extended the offer to assist... Papa was ill from the 'smoke/fog'...

1993, October 12, 1993, took the Interest into Boatmens National Bank and in accordance with Title 17 of the Illinois Banking Laws... and the proper U.C.C.s, tried to draw down on the accrued interest due and payable on DONUS 3392, Sub Number 181.

1993, October 24th, Russell was taken to WASHINGTON COUNTY HOSPITAL for Emergency Treatment...

1993, October 28th, Russell was kidnapped, taken across state lines... had the living hell beat out of him... he was missing for over 12:50 hours, when we discovered where he was, he was laying in his own body waste tied to a bed... left arm broken, and left ribs broke... he stated: They beat the Hell out of me trying to get me to sign off on the Certificate, but I wouldn't sign"...

1993, November 1st, We issue a letter demanding a RETURN BACK ACROSS STATE LINES WHEREUPON RUSSELL HERMAN COULD BE SENT TO MARION ILLINOIS VETERANS HEALTH CARE FACILITY... IT WAS STAMPED RECEIVED... (Russell was never admitted into St. Marys in Clayton, Missouri, not on the 28th or any following date... he was kept illegally until the 17th day of November 1993)

1993, November 3rd, Boatmens National Bank in Belleville/ St. Louis, Missouri... did attempt to use another Certificate identified by the Peruvian Embassy as Certificate 1065, whose alleged owners were "M.O.H" ENTERPRISES. They denied payment as rightfully they should have, as this 1065 was one of the DRYFUS CONTRACT... which was a contract of suspect... as they would tell the Peruvian Government "We shipped out 10 tonnes"... when in fact they "shipped out 30 tonnes"... and did not pay the Peruvian Government what was actually owed to them... so, the Government CANCELED those Certificates... and rightfully so...

1993, We filed EX PARTE in Federal District Court on Boatmens National Bank... "Violations of Title 17, and the U.C.C.s."

1993, The Judge called, said he was not familiar with the U.C.C.s, and "RECUSED HIMSELF"... no other judge has been assigned, nor have we been notified of assignment of said judge... (of course we have ONE year... and in all probability an ANCILLARY will be filed... citing MURDER... (no statutes of limitations of time)

1993, December 10th, ILLINOIS Department of Veterans Affairs, came to the house... and after gleaning all the informations... stood up and said: "Well, Mrs Herman, if you plan on getting some of these bills paid... don't look to us... and I suggest to you, after he is DEAD... GO TAKE BANKRUPTCY"... this was at 10:15 am on the 10th.

1993, December 10th, 10:30 A.M., called the WHITE HOUSE... told them the "story"... finally by TUESDAY Russell had his needs for the "V.A" complied with...

(lets go back to November 26th)

1993, Hospice was called in... to assist...

1993, Hospice demanded "I" give Russell 10mg of MORPHINE every 4 hours with a 2 hour break through, and he had to take it even if "I" had to "RUB IT INTO HIS GUMS WHILE HE WAS SLEEPING". Hospice was told by me: "I WILL NOT BE A PARTY TO MURDERING MY HUSBAND, AS I KNOW WITH THESE AMOUNTS OF DOSAGES, HE WILL BECOME ANOREXIC, DEHYDRATE AND GO INTO PULMONARY CARDIAC ARREST".

Needless to say; that was the end of HOSPICE...

(4)

This battle with hospice went on from November 1993 up to about February 1994...

March 1994, Russle was admitted into the Marion Veterans Hospital, in Marion Illinois... (God what a little trooper he was)

Little did "I" realize, even though I had won the battle over the "morphine"... they had snuck another one in on me which old dumb ass me... did not fully know about "LASIX/FUROSEMIDE"... The son of a bitches had been giving him the afore-mentioned in his "I.V's"... And he had perscriptions here at home... Recently I discovered, now this is straight from the manufacturers print-out: "ADVERSE REACTIONS"... "GASTROINTESTINAL SYSTEM REACTIONS" 1) anorexia, 2) oral and gastric irritation, 3) nausea, 4) vomiting 5) sloramping, 6) diarrhea, 7) constipation, 8) jaundice (intrahepatic cholestatic jaundice), 9) pancreatitis".

Lets go backwards... The initial Diagnosis was: Gastrointestinal Bleeding, Suspected bowel obstruction, Liver Malfunction". This is the Diagnosis of October 28, 1994, Washington County Hospital in Nashville, Illinois. (Lasix/furosemide (?))

Veterans Administration printout of June 1994 diagnosis: GASTROINTESTINAL CANCER"... he was receiving lasix in his "IVs"

1994, from March to the day Russell Herman died, we were being told CANCER OF THE PROSTATE, blip blip... bla bla..

RUSSELL HERMAN'S DEATH CERTIFICATE: "Cancer to the Mets..." and, the death certificate is signed by an unknown doctor, not the primary doctor DR. HYDE of the Marion Veterans Hospital (?)

I requested an AUTOPSY, in writing from the Veterans Hospital. This was vehemently and adamantly DENIED on the fact: "We will not do an autopsy that can or could be used in ANY court of Law in this Country". quote end quote Dr. Petith (Petoo)

Dr. Petith stated; MRS. HERMAN, you are not a medical person, and you do not know what you are talking about"....

(5)

At this time, I will make the statement to ALJ. of you, and for the RECORD to this alleged Dr. Petith.... "NO, I am not a medical doctor,.... but I was trained as an investigator.. and was attached/assigned to THE ORGANIZED CRIME BUREAU TASK FORCE.. by; President John F. Kennedy .. Now, you son of a bitch.. RUN.. HIDE.. GO HUNT A FRIGGING HOLE... I Run Rabbit Run! Because I intend to hound your ass and drum your ass straight out of the profession... and the paper trail exists.. it was all recorded of recorded records in COUNTYS OF WASHINGTON, AND GALLATIN in the State of Illinois! You might cause me a little harm.. but your frigging ass is grass.. and GRANDMA IS THE LAWN MOWER... the MURDER CHARGES ARE OF RECORDED RECORD IN RUSSELL HERMAN'S "NOTICE TO ALL BENEFICIARIES"... you Chicken Shit Son of A Bitch! And that goes for the parties who were the accomplices.. Medicare and others.. its all in the records.. PUBLIC RECORD...

You "Mother Hoosers" might have killed GRANDPA.. and you are going to TRY to Kill "ME"... But.. THERE IS A PUBLIC RECORD, RECORDED CROSS RECORDED... WHAT THE LEGAL BEAGLES CALL.. A PAPER TRAIL"...

IF GARY SPENCE would actually practice the Law.. he would respond to this in a different message other than; "I am so sorry Mrs. Herman, but you must realize, justice is sometimes hard to find".... and after a second contact with Gary Spence he responded; "It made me feel badly having to write to you once saying that I can't take your case. Now, I have to do it again and it makes me feel worse. Many thanks for your letter, but please believe me". Sincerely.. blip.. blip.. bla.. bla..

What Mr. Spence and other attorneys don't realize is; there is an old law still on the books which in essence says: "In the event, an officer of the court and/or officers of the court, have KNOWLEDGE OF A CRIMINAL ACT, and have stood silently, and let this CRIMINAL ACT GO UNADDRESSED, then they shall have been considered AS GUILTY AS THE PARTIS and/OR PARTIES WHO DID COMMIT THE ACT THEM SELVES". IT IS CALLED AN "ACCESSORY TO, BEFORE, DURING, AND AFTER THE FACT". Just having knowledge.. and doing nothing.. is A CRIMINAL ACT WITHIN ITSELF.. FOR "ANY" OFFICER OF THE COURT!"

(6)

In these days when our POSITIVE LAWS (Constitutional) have been usurped by NON POSITIVE LAWS (unconstitutional), these attorneys, officers of the court, public officials, Congressmen, Congresswomen, Senators, Legislators...who have KNOWLEDGE OF CRIMINAL ACTS, AND DO NOTHING...ARE AS GUILTY OF THE "CRIME AS IF THEY HAD COMMITTED THE CRIMINAL ACT THEMSELVES". Ladies and Gentlemen; THAT IS THE REAL POSITIVE LAW OF THE CONSTITUTIONERS...and WHY, THIS "POSITIVE" LAW IS SO IMPORTANT...it stops the son of a bitch dead in their tracks...IF YOU PEOPLE DEMAND THE POSITIVE LAWS ENFORCED!

You people were left the VEHICLE to RESTORE YOUR NATION, GRANDPA left it to you...in his NOTICE TO ALL BENEFICIARIES... Recorded September 6th just straight from his grave.... GRANDPA was buried at 12:00 on the 6th day of September, the documents of "NOTICE TO ALL BENEFICIARIES" was recorded at 12:16, received by the COUNTY TREASURER at 12:30 September 6th, 1994.

Now, get up off your rumps, get your thumbs out of your fannies, throw your brains out of neutral...and KICK ASS! And do not allow any one or anything to stop you...

That FEDERAL RESERVE SYSTEM is foreign owned...it is a FOREIGN CORPORATION...which controls our lives...over a set of DEBTS which were CANCELED... IN THE EVENT, YOUR "TREASURER and YOUR GOVERNORS DO NOT COMPLY"...hit them in the ASS with TITLE 50 SECTION 5... "Trading with the ENEMY and adhering, adding and giving COMFORT TO THE ENEMY"...Then kick them in the fanny with Article II, Sec. 3...TREASON...against the American People...and use NAFTA, GATT, THE FEDERAL RESERVE BANKING SYSTEM AS YOUR "IRON BOOT".

FOURTH, Grandma can not sustain herself...financially... she has gone to the WALL for all of you in complying with GRANDPAS WISHES... Frankly, I do not know how I am going to meet next months bills... You young ones must stand up...and take that which GRANDPA and GRANDMA has legally given to you...YOUR NATION BACK! and, the MONEYS TO RESTORE YOUR NATION...use it wisely, and never allow these CROOKED POLITICIANS TO PLACE YOU IN DOUBLE JEOPARDY TWICE...USE THE FIFTH (5th) ARTICLE OF THE BILL OF RIGHTS...

71

Both GRANDPA and I, GRANDMA, know the consequences when we came out and did what we intended to do...back in 1989...we both know we would be casualties of DEFENSE OF OUR AMERICA and DEFENSE AND SUPPORT OF THE AMERICAN PEOPLE WHEREAS AND WHEREBY, THEY COULD ONCE AGAIN WREST THEMSELVES FREE FROM THE SAME THINGS IDENTIFIED IN THE GREAT AND INFAMOUS "DECLARATION OF INDEPENDENCE".... "OPPRESSION, DESPOTISM, AND TYRANNY from a Tyrannical Government". Also, Grandpa and Grandma were willing to pay the ultimate price... with our lives if necessary.... Grandma has lost his life... in an honest and faithful attempt to RESTORE THIS ONCE GREAT NATION TO ITS FORMER STATUS... LETS NOT LET HIM HAVE DIED IN VAIN...and allow his wishes to go unfulfilled....

GOV. PASS ALL OF YOU, AND KEEP YOU SAFE

30 day extended OFFER TO ASSIS:
ENDING; SEPTEMBER 4, 1993 at
12:00 MIDNIGHT CENTRAL.

THANK YOU FOR RESPONDING, MR.
PRESIDENT.

Gentlemen and Ladies;

We are more than casually concerned about the FLOOD and its effect upon the nations heartland, the nations people, the nations industry and the ultimate loss to all americans.

This over-all plight which faces all americans due to crop losses, loss of business, loss of homes, loss of jobs concerns us greatly.

WE are aware; this is a NATIONAL EMERGENCY STATUS SITUATION ON A "PRIORITY ONE LEVEL".

WE own the worlds oldest gold certificate which has accrued 7% bi-annually up to 1880 as interest in gold, gold coin, gold bullion etc in accordance with the accepted book-keeping methods; thereafter up to and including the present time the implementation of the accepted .44% interest on the compounding of the principal and interest accrued to in excess of \$400 Quantillion gold dollars, gold bullion, gold coin. Now due and payable.

Gentlemen and Ladies; having been in the building industry; we are more than aware; the moneys which Congress allocated..will not suffice, and it will create a tax burden on future generations, furthermore; more moneys will ultimately be required, as this pittance will not suffice to resolve the needs of the people effected by these disasters.

Therefore; we offer our assistance once again; whereas and whereby; no hardships will be imposed on American people in the form of taxations. WE offer our assistance; to RESOLVE these problems of loss of homes, farms industrys, equipment, jobs and so forth; to AMERICAN CITIZENS; AMERICAN FARMERS, AMERICAN LANDOWNERS, AMERICAN INDUSTRY as; NO FOREIGN OWNED WILL BE ASSISTED BY US; WE are "Americans First".

WE offer to assist and WITH YOUR ASSISTANCE AND CO-OPERATION RESOLVE the following:

page 2 continued, August 4th, 1993

Offer to assist and resolve; to President Clinton, Governors Carnahan & Edgar.

- 1) We must RESOLVE the national debt, and
- 2) We must RESOLVE the National Health & Welfare of Americans
- 3) WE must RESOLVE our future generations EDUCATIONAL PROGRAMS and availability of UP TO DATE EQUIPMENT OF LEARNING, and
- 4) WE MUST RESOLVE THE ABILITY TO LEARN CARPENTRY, MASONRY and other labouring by hand industrys, our young must be taught how to rebuild and preserve that which here and that which is yet to be, and
- 5) WE must RESOLVE the National Health care of the elderly whereas whereby and whereupon; our parents, grand-parents..and ourselves if needed..may enjoy qualified, competent, decent needed medicals and housing facilities, and
- 6) WE must RESOLVE the needed care for the aged, whereupon, whereas and whereby; these formerly productive Americans albiet, mothers, fathers, uncles, aunts...or some mothers son...can enjoy a peace full enviornment with quiet enjoyment of his or her golden years without overburdening, overwhelming interference from any Govermer individual and/or agency, and
- 7) WE must RESOLVE the National and State wide FARM & Agriculture programs, our AMERICAN FARMERS THEIR FARMS THEIR HOMES MUST BE RESTORED; posthaste, these AMERICAN FARMERS MUST and shall be CITIZENS OF THE UNITED STATES OF AMERICA to receive our assistance and
- 8) WE must RESOLVE the industry, research and development, jobs of the AMERICAN PEOPLE posthaste,
- 9) WE must RESOLVE the failed; a) infrastructure, b) roadways, c) rail-ways, d) bridges, e) drainage, f) waterways, g) waste management, and
- 10) WE must RESOLVE; a failed monetary system which is functionally obselete in its structuring, and

Most of all; WE must work with "A PORTION OF THE ACCURED INTEREST ON THIS ANCIENT GOLD CERTIFICATE; with dilligence, prudence, realism and; the WISDOM OF SOLOMAN whercas and whereby; this 'fictious' debt on .03¢ dollars can never occur again..nor will it be positioned to place the people and the nation in the jepordy it is presently experiencing.

THESE CAN BE RESOLVED, our nation can be restored and become the once great nation of our past...but we must all work together.to accomplish these goals.

WE are with full realization of the SCHEDULED; extremely hard winter in our immediate offing, which makes this offer to assist; A PRIORITY ONE on the agenda. WE STAND RWA (READY WILLING AND ABLE) to assist in the resolution of the restoration and preservation of our people...and our nation, the caveat emptor; WE MUST ALL WORK TOGETHER..IN FULL ACCORD, AS TIME IS OF THE ESSENSE....

page 3 continued, August 4th, 1993,
OFFER TO ASSIST AND RESOLVE to; PRESIDENT Bill Clinton, and
Governors Carnahan & Edgar..and all others affected by the flooding...
including the MAYORS of the flooded Towns...& Villages..

Gentlemen and Ladies; we realize the difficulties you have
experienced during these days of flooding & disaster, We have watched
the gallant efforts and attempts to save your historic villages, homes,
towns and sites. WE have also watched the floods crase every effort
you made in the blink of an eye.

Lloyd Benson; this is the very same Certificate you, Jim Wright, Peggy
Bates, Marion Akin aka Aikens aka Aiken, John F. D'Acquisto and the NSA
groupwell, never mind...but; YOU KNOW IT IS REAL AS HELL; and
you also know; those Letters of Credit...have not been underwritten by
us; nor have we authorized by signature or seal..the right to issue such
idicoy....\$2.4 Billion here, \$200 Million per day, \$1.4 Billion there,
30 Million somewhere else, \$30 Billion..some where else...Nor, did we
underwrite the Agricultural program loan for SADDAM as requested by
"THE BUSH BOYS CLUB".

Gentlemen and Ladies; we are prepared to assist and resolve this DISASTER
WHICH HAS DEFELL THE NATION. Moreover; we are prepared to restore the
DEPARTMENT OF THE TREASURY in accordance with the provisions of the
CONSTITUTION OF THE UNITED STATES OF AMERICA and the WE THE PEOPLE.

PLEASE BE ADVISED; WE ARE NOT TO BE CONFUSED WITH;

- A) THE COSMOS GROUP, or
- B) COSMOS GROUP 1, 2, 3 or 4.

AS; it is rumored; these COSMOS GROUPS are less than desireable in their
methods and actions, therefore we must affirm...WE ARE NOT A PARTY TO THES
COSMOS GROUPS, NOR HAVE WE BEEN AT ANYTIME IN THE PAST.

BECAUSE; Gentlemen and Ladies; we are the REAL ONES, the ones with
the SIGNATURE POWER and the SEALS....in other words..WE ARE THE REAL
McCoys....

Please Respond as to your intent, as time is of the essense.

Attention: William Jefferson Clinton, President

The President of the United States of America
1600 Pennsylvania Avenue
Washington, District of Columbia

Mr. President;

I am affixing hereto five (5) pages. These five pages are attempts by me, the Wife to determine "IF" or "IF NOT" a murder did occur on an active agent who was taken accross statelines, without authorization, without knowledge, excessively and invasively radiated without authorization and/or our knowledge.

Mr. President, it has been recently discovered, this "agent" was working undercover on a project called "SWORDFISH and SWORDFIN" You probably know about these, I do not.

Due to these highly unorthodox "sets of circumstances", I have requested a comprehensive autopsy, defined the tissues and areas, and parts of the body required to be scrutinezed by the pathologist, including secondary tissue for an outside secondary autopsy.

I have been denied the autopsy from the Marion Veterans Hospital in Marion Illinois as: "We are refusing to conduct the autopsy due to a later possible CRIMINIAL INVESTIGATION". This was stated by a Dr. Petith (Petoo) on a recorded conversation yesterday August 31, at 1:15 pm. It was also stated; "The Coroner for the State of Illinois also refuses to conduct the autopsy as there may be a later CRIMINAL LITIGATION/INVESTIGATION". (?), (1).

I have also been told, the body would be disposed of due to my lack of co-operation. Mr. President; I am attempting to discover the 'real cause of my husbands death, and if, or if not there has been foul play". Nothing more, Nothing less. In a normal society, the discovery and/or determination of "FOUL PLAY and/or MURDER" would be encouraged. But not in this instance.

Mr. President, I am requesting your assistance, post haste in this matter whereupon and whereas this issue may be resolved.

Mrs Russell Herman
