Federal Reserve Parasite Getting Ready To *Bankrupt* America!

Editor's Note: Predating this writing are two earlier warnings on pgs. 26-28.

**RE: BANKS AND CURRENCY
URGENT ATTENTION**

Act in wisdom and in preparation for that which MIGHT happen and you will always be ahead—for any preparations are always like money in hand. If you have no need to USE THE SUPPLIES—you HAVE them for another day—IF YOU PREPARE CORRECTLY.

BANKS

You have ALL come to accept "banks" as that which has been set as a trap for you. You cannot do business well without being able to "bank" and have "CREDIT" accounts and thus and so. So, what have THE PARASITES done to you? TRAPPED YOU!

**WILL THE FED CLOSE.
THE BANKS CLOSE...???**

Well, readers, one of these days it will all fall down

ON YOU. The parasites PLAN TO AND "WILL" HAVE IT ALL! YOU CAN SEE WHAT IS HAPPENING NOW AROUND YOUR NATION—STARTING WITH ORANGE COUNTY, CALIFORNIA. WILL THESE ACTIONS HURT THE BANKS? NO, THE BANKS WILL SIMPLY CLOSE AND RESTRUCTURE THE CURRENCY—SO THAT YOU LOSE.

TEN TO ONE

The changeover of currency has been projected by the "insiders" as to be ten to one. So, what does that mean, "We get ten somethings back per dollar!" NO, you do NOT. You may well get some reasonable APPEARANCE of getting back ten to one—but YOUR DEBT WILL INCREASE TEN TO ONE AND THE VALUE WILL BE TOTALLY DEVASTATED AGAINST YOU IF YOU DON'T HANDLE YOURSELVES RIGHT. The parasites are threatening to, OR WILL DO SO, catch you at your highest spending time. It will look good to you to go on and run up more debt to get rid of assets into "their" accounts. Don't think of it that way. You may well handle FUTURE expenditures in "that" manner but what is on the books in INTEREST OWED WILL BLOW YOU AWAY. THIS IS SET TO DESTROY THE MAJOR MOVERS AND SHAKERS. IN OTHER WORDS, IF A COUNTY, OR YOU,

HAS INTEREST DUE AND OWING ON NOTES, BONDS, (ANYTHING "THEY" HOLD) THE RATIO WILL BE TEN TO ONE—DUE AND OWING AND IN A CURRENCY EXCHANGE THERE IS NO WAY TO KEEP FROM DEVALUING THE DOLLAR. NO WAY! YOUR CURRENCY IS ALREADY WORTHLESS—IT IS SIMPLY PRINTED PAPER WHICH WOULD BE EXCHANGED.

IT IS BETTER TO, IF POSSIBLE, INVEST IN UP-FRONT INTEREST PAYMENTS TO STASH CASH, SAVE "CREDIT" TO USE AFTER THE SHAKEDOWN. IF, FOR INSTANCE, YOU HOLD VALUE AS COLLATERAL ON ANY LOANS—THEY CAN CALL INTEREST AND LOAN—AND THEY WILL BE ABLE TO CALL IT AT TEN TO ONE, IF THAT IS THE WAY THE CURRENCY SHIFT OCCURS.

WILL IT HAPPEN?

YES, IT MAY WELL BE CALLED OFF FOR THIS HOLIDAY SEASON—UNTIL YOU ARE SUNK IN ANOTHER FEW WEEKS, INTO THE PIT—BUT THEY HAVE **TOLD YOU THEY ARE GOING TO DO IT. PRINTED NEW MONEY, FIXED OLD MONEY (CURRENCY), AND TO CHANGE IT OUT THEY WILL**

12/5/94 #2 HATONN

It is the best of worlds and the worst of worlds. Which is it? It is opportunity for MAN of GOD to fulfill his journey in LIGHT—or to fall by the wayside in a world totally run by the physically-oriented servants of the evil King. It is Christ vs. Anti-Christ, that of which the prophets spoke. Is this "good" or "bad"? It is all in perception—individual and personal.

I do not speak of those things of which the "preachers" who CLAIM to be Christian, offer, such as Raptures and Salvation on the BLOOD OF A MAN. I speak of TRUTH and JUSTICE unto individuals and nations coming under the RULE ABSOLUTE of "man" kings and dictators. IN ABSENCE OF FREEDOM WITHIN YOUR FUNCTIONING LIVES YOU WILL LOSE ABILITY TO KNOW THAT WHICH IS FROM THAT WHICH IS FABRICATION OF MAN TO "TRAIN" YOU INTO "ENSLAVEMENT". I do not speak of one "religion" against another, for ALL RELIGIONS KNOWN TO PHYSICAL MAN ARE TAINTED BY "MAN". Spirit is pure and is that which is WITHIN INDIVIDUAL HUMAN! By using the language and thieving the "DEFINITIONS" of terms and adjusting "meaning" to suit the Chaos Bringers, YOU lose all balance and understanding, for once you THINK you may know something—you find you are incorrect BY NEW DEFINITIONS. Further, through the changing of definitions in the books you utilize in "modernized" format, YOU NEVER GET THE TRUTH—ONLY THE NEW CONCEPT DESIRED FOR YOUR INTAKE. So be it!

I have received a document researched and presented by Eustace Mullins which groups the recent writings and information from the myriad resources of HISTORICAL TRUTH and presents it in obvious format. It is one more piece of INDISPUTABLE HARD EVIDENCE THAT YOU ARE PEOPLE OF THE LIE—AND TRUTH HAS BEEN STOLEN FROM YOU.

This work is skillfully woven of two topics: (1) parasites and (2) Khazarians.

It is sent with a notation from the sender: "This is one magnificent work! It seems TIMELY on both counts and would kill two WORMS with one stone." We shall leave the sender anonymous. We KNOW Eustace Mullins and that is sufficient for any reader to understand the importance of his work.

We will offer this without major interruptions from this desk, for it says so much which would otherwise have to be gleaned from thousands of other pages. We are in the FACT business—not the decision reaching, the Salvation, or any other business!

[QUOTING PART 1:]

THE BIOLOGICAL JEW

by Eustace Mullins

Chapter One THE PARASITE

Most of us think of a parasite as something distasteful, whose role in life is to feed at the expense of someone else. As a result, the term, when applied to humans, is always

one of disgust. In the animal kingdoms, also, the parasite is universally disliked. The *Oxford English Dictionary* (1933) defines the term:

"Parasite:

1. One who eats at the table, or at the expense of, another; always an opprobrious application.
2. Biol. An animal or plant which lives in or upon another organism (technically called its *host*) and draws its nutriment directly from it.
3. (fig.) A person whose part or action resembles that of an animal parasite."

KISSINGER & ASSOCIATES, INC.

A. TAPEWORM

H. KISSINGER

Thus we find that a parasite is one who is disliked, who feeds at the expense of another, and who lives in or upon another organism which is called the host. We also find that the term can be applied to a person whose life follows the classic life pattern of the parasite.

Now, in the study of mankind, we find that there is one group or classification of persons who appear persistently in the records of the great civilizations. They are always disliked, yet they remain in the midst of the people who dislike them, and if they are driven out, they insist upon returning, no matter at what cost to themselves. We also find that they always manage to live at the expense of others.

The *Encyclopaedia Britannica* defines parasitism as follows: "Parasitism—a one-sided nutritive relationship between two organisms of different kinds, a relationship which is more or less injurious, yet not usually fatal, to the host; a relationship, moreover, that relieves the parasite from most of the activity or struggle which is usually associated with procuring food, and thus tends to favour or induce some degree of simplification or degeneracy."

In the record of many civilizations, we find that the presence of the parasitic group is in many instances fatal to the host of people, because it effects fundamental changes in the life pattern of the host people, and diverts their primary energies to the feeding of the parasites. This alteration affects every aspect of the host people's existence, and inevitably weakens them to the point where they are destroyed. Since the *Encyclopaedia Britannica* refers

above to a purely biological parasitic condition in the animal and the plant kingdoms, it is true that the parasitic relationship can be injurious without being fatal, over a period of time, yet even in these instances, we find many examples of plants and animals being killed by parasites, a fact which apparently was not known to the learned scholar who authored the authoritative *Encyclopaedia Britannica* article on this condition. [H: Now, isn't that interesting? And just WHO do you suppose compiles, edits and PUBLISHES the *Encyclopaedia Britannica*?]

The *Encyclopaedia Britannica* points out that the parasite is relieved of the struggle to procure food. In the history of mankind, we find that the known parasitic group never engages in agriculture, and is rarely known to hunt for its food. Instead, food is provided for the parasitic group by a host people. Also, and most important, the above writer points out that the leading of a parasitic existence produces simplification and degeneracy in the parasite. We note throughout history that the parasitic group, which differs in fundamental ways from the host people, has simplified its life cycle to a single factor, that of finding a host and remaining upon it in order to feed at its expense.

We find, too, that the parasitic group is continually denounced by the more moral elements among the host people, because the parasitic group indulges in every known type of degeneracy. The reasons for this are obvious. As the *Encyclopaedia Britannica* article points out, a parasitic existence leads to degeneracy. Since the parasite does not have to trouble himself with the active procurement of food, he has plenty of time and energy to devote himself to the vilest pursuits, and to the debauching of members of the host people.

The *Encyclopaedia Britannica* also paragraphs an important factor in the present study, the localization of the parasite within the host. The *Britannica* article points out that, "Parasites are often localized to a particular site within the host."

Since the parasite has reduced its life aims to one goal, that of remaining upon the host and feeding at its expense, it must choose a location where this is possible. The location must be one from which the host cannot readily dislodge it, and it must be one which allows the parasite to feed without exertion. As a result, the parasite usually chooses a place in or near the reproductive organs or the excretory organs of the host.

Throughout history, the parasitic group has chosen to localize itself near the reproductive or the excretory organs of the host. In most cases, this has meant settling in the great cities of the host people, although, in nations which were primarily agricultural, the parasitic group managed to disperse itself among the villages.

Webster's *Third International Dictionary* defines the parasites as "2a—an organism living in or on another living organism, obtaining from it part or all of its organic nutriment, and commonly exhibiting some degree of structural modification."

THE ABILITY TO MODIFY

This is an important characteristic of the parasitic group in the history of mankind. It has exhibited an

PARASITES

amazing ability to change or to modify itself in order to achieve its parasitic goal. It has developed extremely refined techniques for remaining upon the host, and sophisticated methods of continuing to feed at the host's expense. It has adopted many guises, and it has shown a tremendous amount of adaptability for appearing in various forms, in order to remain in place.

To continue with Webster's Third International Dictionary:

"Parasite:

3. something that resembles the biological parasite in dependence upon something else for existence without making a useful or adequate return (illustr.: the great city is a parasite on the country—*Francois Bondy*)."

This is the last important key to the solution of our problem, the decay of human civilization. The parasite depends on something else for existence without making a useful or an adequate return. Throughout our study of history, we find that the parasitic group never makes any return or shows any gratitude for being allowed to feed upon the host. The parasite's motto is "always take". Should we be surprised, then, to find that this motto actually appears in the written literature of a known parasitic group?

We now ask the reader—what group appears and reappears in the history of one civilization after another? What group has always been actively disliked by its host peoples? What group has played an often decisive role in the decay and collapse of one civilization after another? What group indulges in every type of degeneracy? What group always localizes to certain positions among the host peoples? And what group refuses to fulfill a constructive role in any civilization, but instead, remains true to its motto of "Always TAKE", while refusing to make a useful or an adequate return?

KNOWN AS THE JEWS

This group, as the reader may have already surmised from his own studies, is known throughout history as the Jews. Prior to the present study, human individuals or groups living at the expense of others were often called parasites, but this term was used purely in a sociological sense, without any biological point of reference. Plantation owners were said to be parasites because they lived at the expense of their slaves, aristocrats were said to be parasites because they lived at the expense of the workers.

But, in every case, the supposed parasites were performing certain duties and fulfilling certain responsibilities in the society. Thus we find that in the purely sociological sense, it is possible to name many groups as parasitical, such as children and those who are too old to work. They are certainly feeding at the expense of others, performing no useful work, and making no adequate return. But these groups either have done useful work in the past, or they are expected to do so in the future. Thus, they do not fall within the accepted framework of the biological definition of a parasite. Throughout this work, we will find that the biological references hold true to an amazing degree, in establishing the history and the presence of a parasitical group and that, in every instance, the records of the Jews prove that they are fulfilling the role of biological parasites.

OTHER BIOLOGICAL ASPECTS

In nature, we find that the parasite often attempts to disguise its parasitic life cycle, and to appear to be like ordinary plants and animals. Thus, a description of the biological plant, *Krameria*, in *The Conditions of Parasitism in Plants*, by D. T. Macdougall and W.A. Cannon (Carnegie Institution of Washington, 1910):

"The Western United States desert bush *Krameria* is parasitic on a number of woody hosts. *Krameria* does not at first glance seem to be a parasite, for it does not grow directly upon its host, but its roots reach out beneath the ground and tap the roots of its host, drawing nutriment therefrom. Its favorite host is *Covillea tridentata*, although it is also parasitic on the acacia and a number of other plants. Its condition of parasitism was discovered after scientists were puzzled that it had no deep going tap root. It is a grayish shrub, bearing fruit and leaves at certain seasons of the year."

The parasite in nature often finds it convenient to disguise itself and its aims, and to convince others that it is something else, in order to carry out its parasitic mission. Also, the parasite is not a species, but a *form of life*, which preys upon many other different species. In this regard the Jew as a biological species is not so much a race as it is a type which preys upon ALL OTHER RACES. As Geoffrey LaPage points out, in his definitive work, *Parasitic Animals* (Cambridge University Press, 1951, page 1):

"A parasitic animal is not a particular species of animal, but an animal which has adopted a certain way of living."

In regard to *Krameria*'s failure to develop a deep tap root, which is not necessary for its parasitic existence, we may note that the Jew never develops deep roots in any culture of a host people, but confines himself to the most superficial and the most quickly profitable aspects of its existence.

Therefore, a Jew is not so much a particular species in the civilized world as he is a type which has adopted a certain form of parasitic life and adapted himself to exist upon a host which can provide his food.

LaPage continues,

"Unlike many other biological terms, the word 'parasite' and its adjective 'parasitic' have been taken into the everyday language of men and women, and have, in the course of common usage, acquired emotional and moral connotations with which science—and therefore biology—has nothing whatever to do. The biologist's outlook is scientific, and because it is so, he does everything in his power to remove from his studies all human likes and dislikes and all human moral judgments. He neither despises nor admires, likes or dislikes, condemns or approves, the parasitic organism. He studies its way of living as dispassionately as he can, seeing parasites as one of the various ways of living practiced by different kinds of animals."

THE SCIENTIFIC APPROACH

We agree wholeheartedly with Professor LaPage's admonition to be completely scientific and to follow the resolve not to be swayed by emotional judgments. It was precisely by this method of dispassionate study that this writer arrived at his definition of the biological Jew. Only by studying him unemotionally as a biological phenomenon can we hope to learn how to combat the maleficent influence which the parasitic body inevitably exerts upon the more advanced human civilizations. [H: This is absolutely true. Remember that the TERM "Jew" was not known or used UNTIL THE LATTER PART OF THE 1700s. So, of necessity, you are looking at a phenomenon which did not ALWAYS exist in its current form (rather, by its NOW ACCEPTED label). The parasitic animal was ALWAYS present and called itself by MANY, MANY names to fool the most people the most of the time, originally FEEDING OFF ITS OWN.]

LaPage points out that we find, in general, two kinds of animal associations, those who belong to one species, such as herds, colonies of coral, communities of bees, etc., and two, associations of different species in the same area. To this second category, parasitism belongs, for we find

groups with roots in an area entertaining parasites who have no roots in that area. One of the more interesting facets of parasitism is that the parasite lives an existence which often goes beyond the customary laws of nature and of man. The parasite seems not to be bound by limiting factors of climate, geography, and other elements which play a commanding role in the lives of most groups. Thus we find that a parasite can survive in an area in which it has no roots, while its host does have roots in the area and has established its existence there over a period of time.

NOT COMMENSALISM

LaPage also remarks that parasitism is different from commensalism, a frequently-encountered biological term which means "eating at the same table". He cites as examples of commensalism, the ox-picker birds which perch upon the backs of rhinoceros, elephants and other large animals on the African plains. These birds not only eat ticks, lice and other parasites which infest the animals, but they also warn the animals of approaching danger.

In England, we find that starlings and sheep have a similar commensal arrangement. We also have the phenomenon of symbiosis, a biological term meaning "living together". This is a somewhat more intimate living arrangement than commensalism, because we find in symbiosis a physiological dependence of each partner upon the other. Each one supplies some food to the other without which life would be more difficult, or even impossible, and neither lives an independent life. [Editor's note: An example of this latter exchange relationship is that between plants and animals, especially concerning oxygen and carbon dioxide.]

Parasitism, however, is defined by LaPage as similar to commensalism and symbiosis in that the association is based upon the need for an adequate food supply. He states that parasitism is an association between one partner, called the parasite, which obtains, by a number of different methods, its food from the body of the other partner, which is called the host of the parasite. But, asks LaPage, does the other partner, the host, benefit? He answers that it never does. The host is always injured by the parasite. Thus parasitism differs from commensalism and symbiosis in two particulars; first, not both, but only one of the partners, the parasite, gains a food supply, and second, not both, but only one of the partners, benefits, while the host always suffers some injury.

MODIFICATION OF THE ORGANISM

LaPage conjectures that the first parasite may have been a non-parasitic organism which penetrated by some route the body of another kind of animal, and found some food there, such as blood, which was rich in nutrition and easily digestible, and that, in the course of evolution, the descendants of the first parasite liked this way of life, and maintained such an association with some other animal. Eventually, these types became wholly dependent upon parasitism as a way of obtaining food and could not survive without following it. Thus it became an "obligatory parasite", completely dependent physiologically upon its host. As LaPage points out, the host does not tolerate passively this association with the parasite, but reacts to the injury which it is suffering. He says:

"The struggle between host and parasite went on according to the laws of evolution, and this battle is constantly being waged today."

In pointing out that this battle between host and parasite is going on today, is LaPage trying to tell us something? He goes on to say that:

"Parasitism is quite different from the relationship of prey and predator, in which one body gets its nourishment by killing and absorbing the body of another. Here the predator is always larger and stronger than its prey, while the parasite is always smaller and weaker than its host."

VIOLATES NATURE

Thus we find that here once more the parasite violates a fundamental law of nature. It is a law of nature that the stronger survives at the expense of the weaker, the survival

of the fittest, as the weaker is eaten to provide nourishment for the strong. In the phenomenon of the parasite, however, we find that the weaker survives at the **expense of the stronger**, the least fitted to survive becomes the victor, and the stronger is vanquished.

This too is a fundamental aspect of the life cycle of the biological Jew. Throughout history, he has always been smaller and weaker than his gentile host, yet he has often managed to subdue him. The puny weakling, as celebrated by the Jewish comedian, Charlie Chaplin, always manages to outwit and to defeat his larger and stronger gentile opponent. We find that this celebration is a fundamental approach in all Jewish humor, literature and art. The small David is shown defeating the larger Goliath, the cunning Mordecai is shown defeating the stronger gentile official, Haman. David, of course, is the small parasite, and Goliath is the large host, who is struck down from afar, before he has a chance to use his superior strength against the weakling challenger.

TEMPORARY PARASITES

LaPage classifies as "temporary parasites" those insects such as mosquitoes and leeches, which suck the blood of the host. He names them ectoparasites because they do not enter the body of the host. Other lice, which live beneath the skin of their hosts, are classified as endoparasites. There are also hyperparasites, who live off of other parasites (the rabbinical dynasties), and brood or social parasites, which are found in ant and bee families, and which live off of the community.

EVOLUTION AND PARASITES

LaPage points out that every animal, whatever its mode of life, is gradually altered by the slow processes of evolution. He says that the parasite, far from being an exception to this rule, actually exemplifies it.

"It develops teeth with which to rasp the tissues of the host, sucking apparatuses to suck its juices, coagulants to hold onto the host body. The remarkable cunning with which some kinds of bloodsucking bats stalk their victims and steal their blood must also be reckoned among the modifications which their temporarily parasitic habits have produced. Species of *Desmodus* attack cattle, horses and other animals, including man and poultry, when they are asleep at night. They watch their victims carefully, and, when they are asleep, they walk or sidle up to them and scoop out a piece of flesh so delicately that the sleeping animal often is not aware of the bite until the bleeding is discovered in the morning."

One of the specialized modifications of the Jew is his ability to suck the blood of the gentile host without alarming his victim, weakening it without being discovered, through the highly sophisticated and refined instruments and techniques which the Jew has developed over a period of centuries for these specific purposes, and which have no counterpart in any other species. In view of these techniques, need we be surprised that some of the gentiles who have been most weakened by the blood-lettings of the Jew are among the most vociferous defenders, and who will fight to the death to protect their Jewish "benefactors". They are totally unable to recognize their danger, or the insidious nature of the parasitic attack.

SPECIALIZATION AMONG PARASITES

LaPage describes a type of parasite called the hagfish, which is classified as one of the Cyclostomes, a name whose origin refers to the circular opening inside their mouths. He says,

"All of these fishes have a wormlike shape and perhaps the best known of them is the lamprey. The hagfish has two rows of teeth on its powerful tongue and one median tooth upon the roof of its mouth. Its eyes are very important and are buried beneath the skin, probably because the hagfish borrows deeply into the tissues of the fish which it attacks, so that its eyes have become

useless. For the same reason, its gill openings are connected by long tubes to a single opening on the surface much farther back than the gill openings of the lamprey, so that the hagfish can breathe water while its head end is buried in the body of the fish upon which it is parasitic. Some species of hagfish can attach themselves so firmly by means of their suctorial mouths to the living fish that these fish can only rarely shake them off. They then rasp off the flesh of the fish and suck their blood. Some species of them consume the fish muscles until little is left of the living fish except its bones and viscera, and the fish dies."

Thus LaPage offers a complete contradiction of the definitive and scholarly article of the *Encyclopaedia Britannica* on Parasitism, which contends that the parasite is never fatal to the host. [H: Anyone who believes that it is never fatal to the host should witness the oak trees which are attacked by mistletoe—THEY DIE!] The activities of the hagfish, in sucking the blood of the still living fish until it dies, closely corresponds to the ancient Jewish religious rite of ritual murder, in which the healthy gentile victim is strapped down onto a table, ritual cuts are made into his flesh, and the flowing blood is drunk by the celebrating Jews in one of the most important symbolic acts of their parasitic existence. THE CEREMONY OF BLOOD-DRINKING CONTINUES UNTIL THE GENTILE VICTIM EXPIRES, IN A SOCIAL RE-ENACTMENT OF THE PHYSICAL ACTIVITIES OF SUCH PARASITES AS THE HAGFISH. Here we see the close correlation between the activities of parasites in the plant and animal kingdoms and those which have developed through the centuries of human civilization.

LaPage states that many leeches combine organs of attachment with organs of suction, but others have only organs of attachment, such as the hooklets developed by many kinds of parasitic animals which are attached either to the exterior or to the internal organs of the host. In the same way, when the host people of a Jewish community of parasites attempts to dislodge it, they find that the parasite has extended specialized tentacles of attachment deep into every facet of the host people's life. So deeply rooted are these tentacles that the dislodgement is not only difficult, it is such a demanding and painful operation that the dislodgement itself may be fatal to the host.

Tapeworm

The host finds that its mortgages are held by Jewish bankers, its children are being taught by Jewish teachers, its government is being administered by Jewish "advisers" or "consultants", who, even if they hold no elective or appointive office, still make the important decisions. They turn for solace to their religion and they find that Jewish converts, aided by appropriate gifts of money, have entered into the offices of their denominations and have risen rapidly until the religious beliefs are altered to embrace all of the tenets of the parasitic community of Jews (Zionists). What, then, does the gentile host have left? The seemingly inevitable doom of being slowly bled to death, after which the parasites will leave the body of their victim

and seek another host.

[END QUOTING OF PART 1]

Ticks

We need to make a break here. You who believe this to be bigotry had best look again—and especially at SELF. YOU are being sucked DRY—and it might well be you nice HEBREWS who thought you were on the RIGHT SIDE.

You people refuse to face two things: 1) that you are parasitized from outside as in the foregoing, and 2) you are full of parasites within. We can give you, AND SHALL DO SO, the method to rid yourself within—of the flukes and other parasites and offer you the product and instructions for same. YOU HAVE TO FIRST FIND THE ENEMY "WITHOUT" AND THEN IT IS UP TO YOU WHAT YOU CHOOSE TO DO—IN EITHER INSTANCE.

Thank you—to clear, please.

TIMELY QUESTIONS

There are myriads of questions piled up on our desktop, but I am not going to interrupt the sequence of writing underway to respond individually. Messrs. Martin, Moorhead and Seares are working diligently to glean the most important fragments which you MIGHT MISS from your own research. We have such limitations on our time and space as to have to ask patience. YOU WILL FIND THAT ALL OF THE QUESTIONS YOU MIGHT HAVE WILL WORK THEMSELVES RIGHT BACK TO THE PARASITES OF HUMANITY. I MAKE NO QUALIFICATION FOR INDIVIDUAL GROUPINGS OR TRADITIONS—THE TAKERS WHO LIVE OFF OTHERS ARE BEHIND **EVERY WANTON ACT WITHIN YOUR SOCIETY**. Of course there are bunches of parasites who are not classifying THEMSELVES as "Jews". These who project themselves, however, as "Jews" are by their own classification anti-Christians and thus negate any possibility of having such a term as "*Judeo-Christian*"—which is totally absurd since each is the VERY OPPOSITE OF THE OTHER! This *IS* my business.

Now, for you who do not bring yourselves to believe what we offer can possibly be other than bigotry against a poor unfortunate group of people, I want to offer an article from *The Orlando Sentinel*, Saturday, November 26, 1994.

I think you will be able to better see, if you think in "generalities and connections", that the portion of Florida whereat this paper is published is the Winter-ground for many, many "Jews". Alan Dershowitz (the Jewish attorney) has said that the United States IS THE HOMELAND OF THE JEWS! Believe it. However, the Jews have to also be TRAINED for most don't have the vaguest idea of WHAT they are presented to be—they are John and Mary Doe next door. Many are simply from the bloodline and area of the Hebrew lineage. The World Takeover Masters are NOT of those origins—but use the people now considering themselves, because they do not know better, to be "Jews" (a 1700s creation of term), BUT ARE NOT! These unsuspecting groups from that lineage, however, need to be USED to accomplish the WORLD PLAN OF THE ANTI-CHRIST. Therefore, they MUST BE TRAINED!

[QUOTING:]

The Orlando Sentinel, Sat., Nov. 26, 1994.

STUDY: JEWISH INSTITUTIONS MUST ADAPT TO AMERICA TODAY

A social researcher says today's teachings don't reach groups such as teens and divorced Jews. (Associated Press [H: Owned by Pat Robertson]).

BOSTON—Jewish community groups, synagogues and schools have failed to adapt enough to changes in American society, says a social researcher who wants to shake

up the way Jewish institutions work.

Gary A. Tobin of Brandeis University says teen-agers, divorced people, Jews married to gentiles, and the elderly are slipping through the gaps in a system that is out of sync with contemporary life and losing touch with heritage.

Religious and ethnic groups for years have complained that their cultures and traditions are dissolving in the American melting pot. **About half of all Jews marry outside their religion.** And a study this year showed that only a quarter of Jewish children get enough education to make them practicing Jews as adults.

"Basically, it used to be that people were an ethnic group or a religion first, and then American. Now, it's the reverse," said Tobin, whose recent paper is called *"Creating New Jewish Organizations and Institutions"*.

"So what does it mean to be a contemporary Jew when you are very much like other Americans?" Tobin asks, "How do you reshape that idea?"

Tobin recommends creating new Jewish groups, such as a Jewish Peace Corps, a national network of Jewish learning centers for adults and institutes for social justice. [H: Ex-Judge Jason Brent is doing exactly that locally by ADVERTISING in the local papers for "Jews to gather with him to form a select group." If a gentile did such a thing they would be run out of town on a rail with tar and feathers!]

And he says old institutions, such as synagogues, must work harder to appeal to their congregations.

On intermarriage, Tobin takes the hard line: Synagogues should **AGGRESSIVELY ENCOURAGE GENTILE SPOUSES OF JEWS TO CONVERT**. [H: WHAT is the difference in a Jew and a Gentile, friends? CHRIST!! You must understand that ALL OTHER RELIGIONS BASED ON GOODLY GOD TEACHINGS ARE CONSIDERED TO BE GENTILE ORIENTED. THE JEWS WILL EVEN PROTECT THE RELIGIONS WHO ARE SATANIC—BUT NEVER THE CHRISTIAN—EXCEPT FOR THE DECEITFUL LIE OF PRETENDING TO AGREE ON VALUES. WHAT IS IT THAT YOU DON'T UNDERSTAND? THE DIFFERENCE IN "JEW" VS. "GENTILE" IS A BELIEF IN A CREATOR GOD OF CHRISTNESS.

With "Communism" the Jew went even further into his own truth by causing the movement to be ATHEISTIC and demanded that everything in those nations be geared to atheism.] Right now, synagogues are too unwelcoming to non-Jews, he said.

For teens, Tobin recommends more outdoor leadership programs, such as nature hikes and retreats.

"Synagogues typically have teens sitting inside on Sunday mornings studying material that's hard to digest. Synagogues, like Protestant churches, are stuck in about the '60s," Tobin said.

And for the elderly, Tobin recommends more outreach by synagogues and more spiritual growth programs at community centers in the South and Southwest.

Tobin called Jewish senior citizens moving to Florida **"a bigger exodus than the flight from Egypt"** but added that areas with large Jewish populations still need to emphasize religion better. "JUST THAT JEWS ARE TOGETHER ISN'T ENOUGH. THEY HAVE TO BE MAINTAINING A PURPOSEFUL LIFE THAT HAS SOMETHING TO DO WITH OUR PEOPLE," he said. "You don't get that playing golf."

Daniel Mansoor, executive vice president of the American Friends of Hebrew University in New York, agreed that Jewish institutions need to change but questioned how drastically.

"THE DANGER IS [THAT] WE INTRODUCE SOMETHING SO TOTALLY NEW THAT WE START ALIENATING THOSE WHO CAN'T DECIDE WHICH WAY TO TURN. The beauty of the structures that exist today is a sense of organization that comes over time," said Mansoor, WHOSE ORGANIZATION RAISES MONEY FOR ISRAEL AND JEWISH PROGRAMS IN THE UNITED STATES.

THE BIOLOGICAL JEW by Eustace Mullins

[QUOTING, PART 2:]

ADULT PHASES OF THE PARASITE

LaPage points out that in many instances the adult phases of the parasite do not move much about the host's body, because they are surrounded by food and can obtain it without the help of locomotive organs. Thus, we find that the Jews are not much interested in the transportation industry, preferring the more sedentary occupations. The parasitic community actually can and does become completely immobile in the host for long periods of time, because it is characterized by the ability of dormancy, of lying without moving through the years, while losing none of its potency. We find that ticks bearing infectious diseases can remain in the ground for as long as one hundred years, and when they emerge, they are still infectious.

Jewish communities have established themselves in

Tardigrade

gentile nations and remained for hundreds of years without exhibiting any signs of being dangerous to their hosts, but, if the gentile host attempts to dislodge them, they immediately rise to the challenge and bring into play their specialized modifications for remaining upon the host. LaPage points out that parasites are naturally inclined to lead a sedentary life, "and undergo the modifications to which this mode of life leads."

As a result of their parasitic mode of life, the Jewish communities have developed sedentary habits, which in turn have led to certain diseases, directly attributable to this sedentary life, and which have been known for their high incidence among the Jews. Thus diabetes is referred to in many medical dictionaries as "the Jewish disease". [H: And why is diabetes so prevalent? Because OF PARASITES WHICH INVADE AND LIVE IN THE PANCREAS, FINALLY DESTROYING THE ABILITY TO PRODUCE AND REGULATE INSULIN. I am totally serious. Our team has worked diligently to bring to you the availability of a program, with instructions, as to how to rid yourselves of these death-dealing (over a long agonizing period of time through every nasty disease now recognized, i.e. cancer, AIDS, etc.) parasites. Cleansing the BODY of the parasites can allow for the healing through bringing the immune system back into full operation through such as Gaiandriana, etc. If you have not yet found full health through the use of such products and supplements—TRY THIS FOR IT IS OF A CERTAINTY that you HOST parasites. EVERYBODY has them and with the intake of such junk foods as you feast upon—you have good healthy parasites! The FLUKE IS FOUND EVERYWHERE YOU FIND CANCERS.]

Diabetes occurs principally because the sedentary and

Human intestinal fluke

parasitic life prevents Jews from burning up the excess blood sugars which they ingest in their diet, and which are intended for use as direct forms of energy. This causes a surfeit of sugar in the system, which becomes the disease of diabetes. Also, generations of sedentary persons cause malfunctions or the gradual weakening of the pancreas and other organs which are responsible for controlling the level of blood sugar. Thus, diabetes becomes a "hereditary" disease among generations of sedentary people. [H: And they will ALWAYS have parasites WITHIN.]

The Jewish community has developed a number of degenerative types of diseases, such as blood disorders, cancers of various kinds, and other forms of physical degeneration, which are directly attributable to their mode of parasitic existence, and to the physical degeneracy which it produces. As they cohabit with the gentile community, and as their sedentary mode of life becomes more widely practiced, these degenerative diseases begin to appear throughout the host community. [H: Parasites (including, you must understand, the biologic forms of microscopic entities) are passed directly from carrier to host—just as is AIDS, colds, flu, pinworms, flukes, cocci, etc.]

In one of the most important physical correlations between the Jewish community and the known types of

parasitic organisms in the plant and animal kingdoms, LaPage says:

"Among other organs which are often reduced or lost when parasitic life is adopted is the nervous system. It may be reduced as a whole or the reduction may affect chiefly the eyes and other organs. Organs of special sense are best developed in active animals which feed upon other animals and need to defend themselves against their enemies. They are not required by parasitic animals which live a relatively sheltered existence on or inside the bodies of their hosts amid a relative abundance of food."

The effect of parasitic mode of existence upon the nervous system, which can be observed in many types of parasites, are especially noteworthy in the Jew. The degeneration of the nervous system into a state of severe mental illness in an average of thirty per cent of all Jews has long been supposed by sociologists to be due to the physical interbreeding in the Jewish community, but the high incidence of mental illness in Jews whose families have intermarried with gentiles is the same rate as those who have remained within the Jewish community. This points to a strictly biological origin of this degeneracy of the nervous system, and bears out Professor LaPage's contention that the leading of a parasitic mode of existence inevitably leads to a reduction or a degeneracy of the nervous system.

PRONOUNCED CHANGES ON SKELETAL STRUCTURE

One of the most striking observations which LaPage has made in this study of animal parasites is his discovery that:

"Because this mode of life tends to cause a loss of (skeletal) structure resistant enough to be preserved as fossils, we have little geological evidence of the past history of parasitic animals. At least six species of fossil roundworms, however, have been described, two of these, *Hydonius antiquus* and *H. matutinus* in the Eocene lignite, and the other four in Baltic amber."

The effortless existence led by the parasite not only affects its nervous system, which, like any other physical attribute, tends to atrophy when not used or required by the animal, but it also leads, over a period of time, to extensive skeletal changes in the structure of the animal, tending towards a soft, amorphous bone structure which soon disintegrates after the death of the parasite. Here is another remarkable correlation between the life cycles of parasitic animals and the life cycle of the Jew. Because of their parasitic mode of existence, the Jews have left no artifacts which could be discovered among the ruins of ancient civilization, even though they are known to have been present for long periods of time during these civilizations. Despite the historical records of their presence, we can find no concrete artifacts signifying their existence.

CULTURAL ARTIFACTS

Because we have heard, and still hear, so much about the great Jewish cultures of the past, archaeologists have made extensive efforts to discover some examples of Jewish art and sculpture and architecture in ancient cultures, the solid evidences which survive the ravages of time and natural catastrophes. Yet they found nothing. The sole results of these searches are a few pieces of crude waterpots, fashioned from mud, which a Stone Age man could have produced with his bare hands, since he did not know the use of the pottery wheel which made its appearance among early civilizations. These scanty evidences of the great Jewish past are but one more witness to the biological parasitical existence which the Jew has always led as a soft, amorphous and rootless creature feeding at the expense of others, and leaving no concrete artifacts to memorialize his presence.

LaPage says, "Human writings about some species of parasitic animals take us back to the earliest records of man. The Egyptian Papyrus from 1600 B.C. refers to

tapeworms, blood flukes and hookworms of man."

Thus the biological parasite has been a problem of man since the dawn of recorded history. Although humans have been aware of the physical discomfort and danger which animal parasites have always presented to him, they have consistently failed to recognize the specific danger of the Jewish parasite until it was too late.

LaPage says, "The parasitic animal has to contend with difficulties and risks to which non-parasites are not exposed. It may have gained shelter and abundance of food, but it has obtained these at the cost of partial or complete dependence upon its hosts. The parasitic animal must find it and get into it or on its surface and it must maintain itself in these situations." [H: It is time you faced FACTS, readers, that in EVERY instance of HIV virus there is a CARRIER HOST PARASITE which is first introduced as a larvae or whole beastie most easily transferred IN THE BLOOD SYSTEM and can be transferred most easily through bodily fluids from the excretory canal and such as pinworms which can carry viruses, through simply breathing. So you may be able to totally isolate, (and exterminate) the AIDS viruses by simply getting rid of the carrier parasites! Puts a whole new FACE on FACTS, does it not?]

Thus the Jew encounters several dangers which do not ordinarily imperil other types of communities. Foremost among these is the danger of genocide, of actions against its community as a group, when the host discovers that its presence is endangering its health. The Jew is the only human group which has repeatedly undergone mass actions, or pogroms, against it.

Because of its parasitic mode of existence [H: Just like POLITICIANS, ATTORNEYS, etc. (but likewise all but "synonymous" in definition).], the Jewish community made no effort to develop a nation or an independent state during thousands of years of recorded history. This meant that the Jew had no standing army for his defense against enemies. When a Jewish state, Israel, was finally established, the nation's budget identified it as an extension of the parasitic community, for seventy per cent of its national budget consisted OF CONTRIBUTIONS FROM ABROAD, and thirty per cent from the sale of bonds, which, of course, were worthless and which would never be paid off. [H: But the good old U.S.A. is the ONE that foots the bill into the countless BILLIONS of dollars in CASH! YOU even pay for the political action groups which have bought out your politicians. Aren't you just the "good old boys"?]

HATRED

Because of its total dependence upon the gentile host, the Jewish parasite develops a deep hatred and a contempt for the animals which provide it with food and shelter. This hatred is a protective frame which acts as a shield for the Jewish community, and prevents it from accepting the life and goals of the host people for its own. Herbert Spencer may have been focussing upon the Jewish parasitic phenomenon when he wrote, "If a group places a premium on the quality of enmity, in contrast with that of amity, a criminal type evolves."

Since the Jew is the only group which places a premium on the quality of its enmity, Spencer must have been making an oblique reference to the Jewish parasite. From the standpoint of the host people, everything that the Jew does is a manifestation of a criminal act, but from the parasite's standpoint, he is only following the procedures of his life cycle which have evolved and been established over a period of thousands of years. The conflict comes from two separate and irreconcilable codes of ethics: that of the host, which places a premium upon decency, honor and self-reliance, and that of the parasite, which operates from an established modus vivendis of parasitism.

The Jew lives in constant fear of rejection, of being thrown off of the host, which would mean his starvation

and death. As a result, the Jew sees everything in the light of how he "relates" to the host, or how he maintains his parasitic situation.

ADAPTIVE MODIFICATIONS

The adaptive modifications of the parasite are attempts to anticipate possible changes in the host. LaPage says, "Other parasites correlate their life histories with that of the host; the monogenetic fluke, *Polystoma integerrimum*, which lives in the bladder of the common frog, ignores all tadpoles which have reached a state of development in which they can survive in them, but when it meets with one which has, its aimless behaviour ceases; it seems to pause and await its opportunity to dart through the spoutlike opening into the bag around the internal gills. How it knows the tadpole has reached this stage of internal development we do not know, but perhaps it is helped by its eye spots and its nervous system or by chemical substances secreted by the tadpole into the water which stimulate the miracidium larva."

The extrasensory ability of the parasite to spot a suitably developed host has always been characteristic of the Jews. From earliest history, he has made unerringly for the most advanced and the most promising civilizations, ignoring the more backwards or underdeveloped peoples. Thus, we do not find the Jew sharing the Spartan existence of the pygmies in the Ituri rain forest; he is living in a comfortable apartment in New York, dining on caviar and champagne.

Let us have an interruption, please, that we not have writings too lengthy to easily break or manage.

I think you had better pay attention TO ME for a minute. Since "JEW" does NOT MEAN just a select bunch through blood line or even "religion" I think you had better get some definitions straight. Goyim means ANYONE who is NOT JEW—and that means that all "religions" save those that respect NO GOD (atheists) or worship the GODS OF NON-CHRISTIANITY (LUCIFER AND THE CONJURED PHRASE OF JEHOVAH). Therefore: ALL WHO FIT INTO THE CATEGORY OF "OTHER THAN JEW" ARE JEWS! (By Zionist-Jew definition and translation [Yiddish].) So, you who THINK you are not Christian or Buddhist or Pentecostal but are something otherwise OR NOTHING—ARE JEWS BY THEIR DEFINITION. I say I am a Semite so you ask: "But you claim to be a Semite—isn't that the very term the Jews claim?" YES INDEED. The difference is that ONCE AGAIN—THEY LIE TO DECEIVE YOU—THEY ARE NOT SEMITES!

Now, I suggest that you who drift in purple dream clouds of ever-loving "unconditional" love and allowances—LOOK AT WHAT YOU DO—FOR YOU FALL INTO ONE CATEGORY OR THE OTHER—BY "THEIR" OWN TERMINOLOGY. I DIDN'T WRITE THE STORY, READERS, AND I AM NOT THE ONE WITH THE PROBLEMS.

Thank you.

THE BIOLOGICAL JEW

[QUOTING, PART 3:]

REPRODUCTIVE PHASES

LaPage observes that the timing of the release of the parasitic animals' reproductive phases so that they may infect the host is also shown by some species of protozoa which live in the rectum of the frog. Here again we note the affinity of the parasite for the excretory organs, the previously mentioned *Polystoma integerrimum*, which resides in the bladder of the frog, and the protozoa which prefer the

rectum of the frog as the most suitable environment for its life.

LaPage points out that parasites cause defense reactions in the host against a parasitic invader, such as efforts to localize and neutralize the injurious effects of the parasite, attempts to repair the damage done, and efforts to kill or to remove the parasite. He describes these as "tissue reactions", and these are primarily local reactions, but more advanced reactions, such as a resistance immunity, may be developed by the host as the reaction of the entire organism. He says that tissue reactions are inflammations caused by bacteria, "viruses and inanimate agencies, and may be acute or chronic. They are the results of injury or irritation caused by organs or teeth of the parasitic animal, by its migration through these tissues, or by chemical substances which it secretes or excretes into the body of the host."

PARASITIC DAMAGE

LaPage goes on at some length to describe the various types of damage which the parasite inflicts upon the host. He says that in addition to these various tissue damages, parasites introduce other types of parasites into the host, as well as dangerous viruses. [H: Read it AGAIN!] The parasites may produce substances which are injurious to the host, toxins or other kinds of poisons. In effect, then, the parasite begins to exercise a dangerous influence over the life cycle of the host, one which goes far beyond the simple goal of remaining attached to the host and obtaining food from it. Whether the parasite consciously intends it or not, it gradually becomes the most important single influence in the life of the host. The story of the newspaper business in the United States is a typical example. A century ago, newspapers were small and insignificant in this country, while the professions of journalism ranked only slightly above the professions of ratcatcher and garbage hauler. As the Jews began to assume a more prominent role in the life of the gentile host, they found that newspapers were an essential vehicle for their goals. They began to flood everyone with newspapers, and the newspapers became virus carriers of various forms of mental poisons and toxins which either stupefied, confused or paralyzed the gentile host, putting it into a state of suspended animation as long as these venoms could be maintained.

[H: By the way, I am hit with the following blast, frequently: "How dare you repeat these things when you have Jews working right with you?" NO, I DO NOT HAVE JEWS WORKING WITH ME. I HAVE GREAT BUNCHES OF HEBREW LINEAGED PERSONS WORKING WITH ME—AND SOME WHO DON'T KNOW WHAT TO DO ABOUT THEIR OWN DIRECTIONS BECAUSE THEY ARE LEFT WITHOUT "A COUNTRY" OR HERITAGE, THANKS TO THE BASTARD TAKERS OF EVERYTHING YOU HOLD PRECIOUS AND AS PROPERTY. AH HA! Now you can get the PICTURE of who these "anti-Christ" represent—for they have no notion as to infinite journey—only acquisition of PROPERTY in the physical state of presentation AND YOU, THE HOST UPON WHICH THEY MUST SURVIVE. There may well be many on my teams who still think themselves to be Jews—but they will find that they are NOT. And, as is espoused by those Jews: "Once you say you are a Jew—you are a Jew." I repeat it a bit differently: "Once you realize and know that which IS a Jew and decide you do not wish to be a parasite, then you are no longer a Jew." "Jew" is NOT blood or religion—it is a state of parasitism which takes that which you THINK and BELIEVE and turns it to their own entrapment purposes, no more and no less. Christ is a state of being—JEW IS NOT, it is a parasite which lives upon his host victims just like a flea or a virus. Does anyone note the similarity of "flu virus" and "Jew virus"? THAT IS NO ACCIDENT! Just as you have Asian Flu and Chinese Flu—you have Jewish Flu (parasitism). "THEY" just CHANGE THE NAME—TO PROTECT THE GUILTY.]

OTHER PARASITES

As LaPage points out, the parasite introduces other types of parasites into the host. We find that when the Jews obtained control of the United States Immigration Service in the 1890s [H: Oh yes they did!!], through such Jewish

Commissioners as Straus and Cohen, the gates were opened for a flood of Jewish immigrants from the ghettos of Europe, most of whom had been excluded previously on grounds of illiteracy, criminal backgrounds, and various forms of physical contagions or mental illness. [H: Yes, and the Jews who were supposedly slaughtered in Germany, etc., CAME TO AMERICA WITHOUT SO MUCH AS A NOD OR FLICKER. MOST OF THE JEWS COLLECTING CONSTANTLY FROM GERMAN FOR ATROCITIES—ARE IN AMERICA LIVING OFF YOU AND SPOUTING WHINING ABUSES WHICH NEVER TOOK PLACE!]

LaPage also says, "Parasites may cause biological changes such as species which cause changes in the host's reproductive glands, parasitic castration, such as the parasitic crustacean *Sacculina*, which destroys the reproductive organs of the host, the short-tailed spider crab, *Inachus mauritanicus*, which is attacked by *Sacculina neglecta*. The effects of *Sacculina* cause seventy percent of male crabs to acquire some of the secondary sexual characteristics of the female. The abdomen of these males becomes broad, they may acquire, in addition to their male copulating styles, appendages modified to bear eggs, and their nippers become smaller at the same time."

It is inevitable that the enormous effect which the parasite has upon the host would result in some biological alterations such as the effect of *Sacculina* upon *Inachus mauritanicus*. We have seen in America during the past quarter of a century, coincident with the great power attained by the Jews in every walk of life, startling modifications in the appearances and habits of American males, as well as a vast increase in the public practice of male homosexuality. American males have taken on some of the secondary sexual characteristics of the female, and they have shown amazing declines in such primary male characteristics as energy, aggressiveness, and physical strength.

The traditional roles of the sexes have also undergone sweeping changes, due principally to Jewish agitation for "sexual equality". This campaign has not resulted in sexual equality, since this equality could only be attained by eradicating all physical differences between males and females. However, it has resulted in a decline of masculine traits in the American male, as well as psychological confusion as to his role. This development can be equated with the pernicious influence which the parasite exercises upon the host, as LaPage describes the encounter of *Sacculina* with *Inachus mauritanicus*. Here again, we note the remarkable activity and influence of the parasite in relation to the reproductive and the excretory organs of the host.

REACTIONS AGAINST THE PARASITE

LaPage notes throughout his definitive studies of the parasite-host relationship that the host's defense against the parasite is always of an activist or a reactionary nature, such as cattle switching their tails, fish taking evasive action in sudden, unpredictable twists and turns, and other wild actions which they hope will dislodge the parasite. During the five thousand years that history has recorded the presence of the biological parasite in civilized communities, we cannot find a single shred of evidence that the host people has ever treated the parasite phenomenon in any but an activist manner, an unthinking, involuntary action to dislodge the parasite.

The host instinctively reacts against the presence of the parasite, because it knows it will suffer an injury from this strange creature, with its differing life cycle and goals. This is why the Jews always call those who oppose them "reactionaries", that is, those who react against the presence of the parasite. Consequently, one of the major tasks of the parasite is to seek out all potential "reactionaries" among the host people and eliminate them.

KNOWLEDGE OF THE PARASITE

Because of this blind, unthinking reaction, which seldom is effective in ridding the host of the parasite, LaPage says:

"The basic essential of any campaign against a parasitic animal is through KNOWLEDGE of every phase of its life history and also of its relationships with all the hosts with which it can

live. We need to know all the hosts because some of them may be reservoir hosts maintaining sources of the parasites which can then infect man. With this knowledge, we can select for attack the weakest points in the life history and biology of the parasitic animal."

Research and education, then, are the tools which are needed to counterattack against the evil influence of the parasite. Above all, we must avoid blind, instinctive reaction, since the parasite has long since learned how to anticipate and control such reaction, and even to use it for its own advantage.

ALWAYS AN ENEMY

LaPage points out that "Host and parasitic animal must always be considered together, because the parasitic animal is, like all other living things, intimately related throughout its existence to its environment. The fact that environment is, for a part or whole of its life, the surface or interior of another animal, does not absolve the parasitologist from the biologists' practice of considering animal and environment together as a whole. A second objective is the demonstration that some species of parasitic animals are among the most powerful enemies of man and his civilization."

The parasite's concern with his environment sheds light upon one of the most important intellectual developments of modern man, the Enlightenment, that revolutionary force which has spearheaded the growing control of the parasite over the host. The pre-Enlightenment centuries of human thought considered man's environment as a secondary consideration, because of faith in the powers of the individual, and the belief that the individual could triumph over his environment. After the sudden importance given to such French intellectuals as Jean Jacques Rousseau, man was no longer considered as important as his environment. All at once, our leading thinkers decided that environment was the most important thing in life. And indeed it is, to the parasite, whose environment is the host which feeds him.

But to the host, who is making his own way in life, environment is not the primary factor in his development. But to the parasite, environment is everything. All Socialist thinkers, and the various schools of sociologic thought which have crept out of this development, place primary importance upon man's environment, rather than upon his powers to use that environment and to create a life for himself, as he achieves his life's goals.

When we understand the theory of the parasite, we are able to understand, FOR THE FIRST TIME, the entire modern Socialist school of thought, because we can recognize it for what it is, the environmental psychology which the parasite has developed around his own life cycle. As such it negates all of the host's thought, goals and culture.

LaPage urges us to remember that the parasite is among the most powerful enemies of man and his civilization. Here again, he seems on the verge of going into the Jewish problem, but he shies away from applying his theories to the problems of human sociology. Certainly he could not have been referring to parasitic viruses, or to the blood-sucking mosquitoes; for even if they hindered the building of the Panama Canal, they cannot be said to have caused the collapse of any human civilization. What could he mean but the biological parasite which has infested man's civilization since the beginning of recorded history, and which has brought about the downfall of one empire after another? Perhaps that is why he urges us to select for attack "the weakest points, in the life history of the biology of the parasitic animal."

Chapter Two

THE BIOLOGICAL JEW

During the twentieth century, man has begun to concern himself with the problem of the collapse of world cultures, great empires which rise to their zenith, and then mysteriously decline. We know why the rise. They grow because a people finds itself with a mission, or because it develops techniques for mastering its surroundings. A people takes advantage of favorable conditions, because

they have the will to carry out their mission. During the period when the people are able to channel their energies constructively, a nation grows amazingly in size and power, in a geometric ratio. Then, suddenly, it begins to sicken and die. One example was Elizabethan England, which had expelled the Jews. When Oliver Cromwell brought back the Jews, the English people lost their sense of direction and, although their momentum was still sufficient to carry them on an upward course through the Victorian period, today we find that their aristocracy has been dispossessed, and their assets, although greatly reduced, are administered by aliens.

Two scholars have formulated theories, developed through many years of study, to explain this process of the downfall of nations. The first, Oswald Spengler (*The Decline of the West*, English Ed., Knopf, NY, 1926.), was a German scholar of unique power and energy. He compiled interlocking records of every known civilization, and carried on intricate comparative studies which today could only be done by an electronic computer, so complex was his mastery of conjunctive or interweaving factors.

Spengler concluded that a civilization is a body like any other, which is subject to the laws which govern natural bodies. He saw that a civilization had its birth stage, a young and vigorous stage, and an old age which left it weak and prey to its enemies. In proposing this biological pattern for civilizations, Spengler was on the right track. Nor was he insensitive to the fact that civilizations develop internal problems which function like a fatal disease. Only on one point did he seem to be blind, the concept of the parasite. This is not too strange, for Spengler was greatly concerned with the finer aspects of human culture, the greatest achievements of man, his art, his music, his poetry, his architecture. Of course a scholar of this elevated turn of mind did not wish to concern himself with degenerative and the excretory organs of man, those parasitic organisms which cause discomfort, disease and death.

A LATE THEORY

A second explorer of this ground was Arnold Toynbee, a donnish Englishman. He was equally reluctant to face the omnipresent and distasteful fact of the biological Jew. He embarked upon a vast study of civilization, which covered essentially the same ground as Spengler, and added little to Spengler's findings. His sole original contribution was a theory which immediately became popular with the intellectual lightweights of the time, since it conformed to their own prejudices. It was cast in the accepted pseudo-sociological jargon which university nit-wits employ to bemuse their students and each other.

Civilizations fall, declared Toynbee, because of a "failure of nerve", at some point in its development, a civilization, which lives by a system of "challenge and response" fails to respond to some challenge, and goes down before it.

Now, this could refer to the biological Jew, since the parasite is a challenge to the continued threat of the host. However, it is a challenge which no gentile host has ever been prepared to meet. It is a germ which is best defeated by inoculation, or by personal cleanliness and careful attention to matters of health.

Spengler's history of the decline and fall of civilizations could not be upheld because it did not take into consideration the obvious fact that few, if any, civilizations, had died of old age. Nearly all of them had been murdered, in one way or another, but Spengler was too preoccupied with the fine arts to become interested in the problems of crime and disease.

Toynbee, on the other hand, could not be the detective in this case because he had lived most of his life on a subsidy from the criminal classes. His years of study had been financed by generous grants from the Royal Institute of International Affairs [H: OOPS!], one of a network of organizations which I was the first to uncover as the principal power-holding company of the parasitic Establishment in this country. In the first edition of Mullins on the *Federal Reserve*, in 1952, a biographical note on the back cover announced that I was completing a sequel to the *Federal Reserve* book which would be an exposé of the Council on Foreign Relations. This was the FIRST TIME that any American nationalist had ever publicly called attention to this organization. A few months later, a New York Jew via Hungary, Dr.

Emanuel Josephson, rushed into print with a book on the Council on Foreign Relations, which attempted to show that it was an instrument of gentiles such as the Rockefeller, and not a front for the parasitic Jewish community. I visited him and we talked for seven hours. It was quite obvious that he knew everything that I knew about the Council on Foreign Relations, whose offices were only a few doors from his home, and it was also obvious that he had placed a different interpretation on his findings. [H: Sounds like UFO debunkers to me! What do you think?]

Just as Emanuel Josephson refused to face the facts about the Council on Foreign Relations, so Arnold Toynbee, living on comfortable grants from the Rothschild family, found no evidence of parasitical weakenings of civilizations in his vast work, (*A Study of History*, by Arnold Toynbee, Oxford, 1934.) Instead, Toynbee superficially studied the nerve patterns of cultures, and the stimuli which affected them, without once mentioning the most vicious enemy of the nervous system, THE PARASITE. [H: Yes, LITERALLY! Get rid of parasites in the body, which is EASY TO DO, and the nervous system works just fine again—if not destroyed before cleansing—just as with all other introduced disease.] When Toynbee says that a civilization failed to respond to a challenge, he asks us to believe that a man who is standing on a street corner, and who is knocked down from behind by a runaway truck, has failed to respond to a challenge. The fact is that he has been killed.

IMPORTANCE OF BIOLOGY

Has Toynbee ever heard of biology? Has he ever heard of parasites? We find no evidence of it in his encyclopaedic studies. Does he have any inkling that civilizations allow foreign bodies to settle in their midst, to flourish and operate without supervision and control, no matter how pernicious their influence may be? How could Toynbee spend twenty years in the study of ancient civilizations without knowing that the Jews opened the gates of Babylon to the Persian invaders, without knowing how the Jews brought Rome to its knees, without knowing how the Jews subjected Egypt to a terrible dictatorship for three hundred years, until the Egyptians rose and drove them out? Only a great intellectual pervert, in the pay of the parasites, could conceal such information after having uncovered it. A comparable deed would be Pasteur destroying the records of his rabies vaccine after discovering it, or Jenner concealing the formula for his smallpox remedy. [H: Oh indeed, readers, THEY CALLED THEMSELVES BY OTHER NAMES SO YOU WOULDN'T SUSPECT!]

PATTERN OF THE PARASITE

The study of the biological parasite reveals a pattern, a set of characteristics and interweaving facts of nature: 1. the parasite prefers a healthy organism as a feeding ground; 2. the parasite's life cycle depends upon its finding a host upon which it can feed; 3. a healthy organism which is invaded by a parasitic organism is inevitably injured and often dies from the evil effect of the parasitic presence. Most often, the parasite causes the host to lose its sense of direction, so that it becomes helpless and is unable to defend itself against its exterior enemies.

This pattern embraces a set of factors which have been common to every great civilization which has suddenly sickened and died. Was Mr. Toynbee, in his decades of concentrated study, unable to discern a single one of them? Apparently, the answer is yes. We see a state of affairs in which a people has built, through its own efforts, a great empire, whose ships trade with far-off lands, whose armies are invincible. This people is strong, self-confident, and aware of their virtues. Why should they fear a few shabby, furtive aliens who have drifted in from unknown places and who establish themselves in the heart of the city so unobtrusively that it seems they have always been there? These aliens are willing to do anything, they perform any sort of distasteful task which the natives feel is beneath them. The aliens traffic in the bodies of girls, set up gambling dens, deal in stolen goods, lend money, establish houses in which one can perform every imaginable type of sexual degeneracy, and provide assassins for hire.

I'm sorry, readers, but every time you add up two and two—it **MUST EQUAL FOUR!** You had better go back and read and **KNOW** truth. You can find it in myriads of places—but this is **WHY** our books are banned, injunctioned by courts, stopped at the Canadian border if dealing with this subject in any way whatsoever (hate material), and Eustace has been the target of such vicious attacks as would curl your hair. The **PARASITES** don't like to be uncovered—they don't do well when their game is discovered—**EVER**. They are of the dark, dank places of cover-up and deceit—**THEY CANNOT SURVIVE IN THE LIGHT OR TRUTH.**

We will continue with "INEXTRICABLE HOLD".

THE BIOLOGICAL JEW
by Eustace Mullins

[QUOTING, PART 4:]

THE INEXTRICABLE HOLD

In a short time, the aliens know every secret of the people's leaders, and they have established holds over them. The colony of aliens multiplies rapidly, and soon a once healthy people finds itself helpless, because their native virtues of strength, courage and honor, which have made them great, are of no avail against the newcomers. The host does not understand the parasite, which is like a creature from another planet, because they do not have the same goals, nor do they respond to the same stimuli, as the host people. They even seem to have different nerve patterns. As the pernicious influence grows, the army is demoralized, the native leaders are murdered or exiled, and the wealth of the nation swiftly passes into the hands of the aliens. The people are plundered of everything, and most of all of their self-respect. No member of a host people is allowed to preserve his self-respect or his privacy, once the parasite has taken command.

[H: I suggest you begin to carefully consider those **REAL "aliens"** out there who have been joined by the **Parasitic group** to gain control of your world. The **Parasites** built them in their own image—**LOOK AT SHAMIR! YOU HAVE NOTHING BUT GOOD TO EXPECT FROM THE HOSTS OF GOD (US) BUT YOU HAVE DRAWN TO YOUR PLACE THE MOSTLY SOULLESS BEINGS AND OUTCASTS OF A GALACTIC COMMUNITY. THESE MISFITS KNOW NO HOMELAND OUT IN "SPACE" ANY MORE THAN THEY HAVE A "HOMELAND" OF THEIR "OWN" ON THE PLANET! CHECK OUT THE "SPEAKERS" AND PROJECTORS OF UFO AND ALIEN GARBAGE AND SEE FOR YOURSELVES—"THEY" KNOW EXACTLY WHAT TO USE TO TERRIFY YOU AND IT IS SO STUPID AS TO MAKE MANKIND LOOK LIKE THE IDIOTS THEY ARE BECOMING AS THEIR LIFE-ENERGY AND SPIRIT IS SUCKED FROM THEM (YOU). Go on and refuse to see and hear—for the weakness you are feeling in your very bodies is the production of toxins from the parasites—of SEVERAL types. One is eating you alive from within—the other from without!**]

One morning, the ships of a rival nation appear in the harbor. In exchange for certain guarantees, the parasites welcome them. The host people does not resist, an empire is gone. Now, this process is not a typical life pattern of a culture a la Spengler; neither is it a challenge and response a la Toynbee. The host people could have repelled any other attack by an armed invader, but they could not fight against the onset of a furtive parasite and the inevitable decay which he brought with him, a disease which affected and paralyzed the entire organism of the people.

FOREIGN BODIES

The theory of the biological parasite explains for the

first time the fall of Egypt, of Babylon, of Rome, of Persia, and of England. A prosperous, healthy people allows a foreign body to establish itself in their midst. The foreign body paralyzes and destroys them. This new concept of history brings both Spengler and Toynbee up to date. It also offers a civilization, for the first time, an opportunity to escape the fate of its predecessors.

The serious student may find himself appalled by the more repulsive aspects of the study of the biological parasite. He finds that one type of fish in the South Seas has a long, tapering body, and that it enters the rear of larger fish, and feeds upon the feces within. Man is plagued by a tapeworm which enters his body, hooks onto the large intestine with a hook which he has developed solely for that purpose, and begins to absorb the nourishment from the food eaten by man. Various forms of lice secrete themselves around the reproductive or the excretory organs of man and cause him extreme discomfort.

**Roundworm****Hookworm**

Parasites find that the waste matter excreted by humans is a fertile breeding ground for them, because the human is a higher form of life which uses large quantities of food and excretes much of it with the food values intact. These excretions provide rich food for the parasite, but his attachment to it poses health problems for humans. Consequently, humans try to dispose of their waste matter so that it will not become a breeding ground for various obnoxious forms of parasites. The parasite considers this to be very cruel and unjust, and he endeavors by any means to reach it. If he endangers the life of the human, so what? A fly on a manure pile is not concerned as to whether he poses a threat to the health of humans.

PARASITE'S ATTITUDE

It follows that the parasite which has established itself upon the gentile host does not care how much it injures the host. Its only goal is to lead a parasitic life at the expense of the host, and its natural objectives are usually the reproductive and the excretory organs. Throughout history, we find the Jew entwined about the reproductive organs of the gentile host like a parasitic vine which is slowly strangling a healthy tree. The Jew has always functioned best as a panderer, a pornographer, a master of prostitution, an apostle of sexual perversion, an enemy of the prevailing sexual standards and prohibitions of the gentile community. When the title of "America's largest pornographer" was bestowed by police investigators, who was the holder of the title? One Irving Klaw of New York, who carried on a vast business in nude photographs and other items of the trade.

Other Jews, of great intellectual aspirations, have become writers, transforming our literature into dreary recitals of sexual acts, and making it impossible to publish anything which fails to conform to their standards of depravity. Other intellectual Jews have created a new profession, one so characteristic of them that it is known everywhere as a Jewish profession. This is the profession of psychiatry, an outgrowth of the parasite's obsession with the reproductive and excretory habits of the host. What is the basis of the "science" of psychiatry, as it has been formulated by its Jewish founder and patron saint, Sigmund Freud? The basis of psychiatry is the "anal complex", the theory that an obsession with the anus is the principal influence in our emotional development. Many millions of words have been written on this subject, despite its distasteful connotations, and learned speeches about the anal compulsion are delivered by scholars before the world's learned bodies of distinguished men.

[H: So now, **JUST WHO DO YOU THINK ORIGINATES ALL THAT HORRIFYING GARBAGE ABOUT ALIEN ABDUCTIONS AND THEIR TOTAL FOCUS ON REPRODUCTION, ANAL INTERACTIONS, PERVERSE INTRUSIONS, UNCLEAR FACILITIES—AND SO ON AND ON AND ON. EVEN "GOODLY" SPACE ALIENS HAVE ABSOLUTELY NO INTEREST OR NEED FOR SUCH IDIOTIC STU-**

PIDITY. Worse yet, most of the so-called "abductees" will be FOUND to have been sexually and emotionally battered people—who have ended up in regression or psychiatric interactions with these PARASITES! YOU CHECK IT OUT!]

THE ANAL COMPLEX

With the anal complex setting the tasteful tone of the parasite's obsessions, the Jew has gone on to develop other theories about the processes of human excretion. The most important influence in the modern school of progressive education is the science of toilet training, while much of modern art is based, and easily recognizable in its origins, upon the feces complex, or the handling of its stool by the pre-school child. Other important contributions of Jewish psychiatric thought, which have been hailed as **major intellectual developments of tremendous depth and scope, are too filthy to be repeated here.**

When one contemplates the spectacle of a great hall, filled with well-dressed and well-educated men and women from many countries, who are listening intently, and occasionally applauding, a little Jew in a tuxedo who is delivering a learned dissertation upon the anal and excretory habits of mankind, we realize yet another aspect of the Jew. No matter what he does, the Jew is so fantastic that he becomes a comic figure. When the former Premier of France, Mendes-France, announced that his nation was surrendering the huge French investment in Vietnam to the Communists, one hardly knew whether to laugh or cry, so comic was the bulging-eyed black-jowled image of a rag merchant howling "O-o-l-l-d-d-ra-a-a-gg-z-z-uh-" through the streets.

The poet Ezra Pound once observed to me that when he began to suggest to people that Jews were exercising undue power in the gentile world, no one took him seriously, because everyone knew that Jews were only clowns. As usual, the Jew used this impression to fix his position upon the gentile host. Charlie Chaplin, with his racially characteristic gestures, employed his typically obscene movements to be hailed as a great comic genius by the indefatigable international Jewish clique. He made millions of dollars by wagging his behind at the audience, scratching frantically at his buttocks, and exhibiting the usual run of the parasite's age-old preoccupations with the reproductive and excretory organs. [H: I would interject here that **you might check out the very tradition of the typical Jewish beard, goatee, etc. Very often the hair-cut pattern is a full representation of an anus surrounded by pubic hair. I do not JEST! So involved are these parasites with the anus that it is (was) intentional as an expression of what the Jews call chutzpah. A joke about such facial appearance has been longstanding: "He looks just like an a— h— with hemorrhoids." Poor taste? I didn't create the saying!! The Jewish comedians(?) did! You have to understand something right here and right now: **THE JEWS DO NOT TOLERATE NOR RESPECT NOR STAND-FOR TRUE HEBREW OR JUDEAN LINEAGED PERSONS. LOOK AT THE CONFLICT BETWEEN THE "JEWS" AND THE HASIDIC FOLLOWERS OF THE TORAH.**]**

In his own right, Sigmund Freud is an even greater comedian than Charlie Chaplin, because the Freudian theories of human behavior, as the great gentile psychologist, Carl Jung, reminded us, are based upon the biological parasite's enormous misconceptions of the nature of his gentile host, and Freud's theories are even more comical than the gyrations of Charlie Chaplin. Yet we laugh at Chaplin, and study the theories of Freud seriously.

PARASITES IN MANY ASPECTS OF LIFE

Another obsession of the parasite is that it must force its way into every aspect of the host's existence. It cannot endure the thought of a group of gentiles discussing anything without the parasite or one of his shabez goi agents being present to make notes. Thus, the Jew campaigns to force his way into every gentile organization, whether it be social, religious, a private school, a club, or a neighborhood, anywhere that the gentiles might be able to gather and talk over things which the Jew wishes to know.

This obsession is due to the fact that the Jew can never know any real security in his parasitic existence. He lives daily with the terrible fear that the host will cast him off,

and even when he has obtained control at every level of the gentile's life, the Jew still feels insecure. If the gentile manages to keep him out of anything, the Jew becomes wild with rage. [H: Anti-Semitic??]

THE DREYFUS CASE

This obsession with security was the real force behind the furore over the Dreyfus case in France during the last century. A Jew named Captain Dreyfus had managed to penetrate the formerly all gentile French High Command. Soon afterwards he was charged with selling French military secrets to the highest bidder. Although it was an open and shut case, as usual, the Jews launched a frantic international campaign to free him. It seemed odd that so much noise was raised over the fate of one French officer, but the theory of the biological parasite explains the mystery. The parasite had penetrated one of the last bastions of the gentile host. Now he knew all the military secrets, and he was also in a position to inform his people if the army should become involved in a reaction against the presence of the parasites. But the parasite was arrested and charged as a traitor, which he was, because his primary loyalty was to the parasitic community. The tragedy is not that he is convicted, but that the Jews have lost their man in the nation's security council. At once, the entire parasite community charges to his defense, exhibiting terrible fear and anger. This rejection or exclusion is the fate which haunts the parasite, because, for him, it is a matter of life and death. If he is rejected by the host, he cannot lead a parasitic existence, and he will die. Hence the great furore over the Dreyfus case.

OUR OWN DREYFUS CASES

Democratic administrations in the United States have had a plethora of Dreyfus cases in recent years, in which a parasite who had burrowed into the nation's security councils was charged with disloyalty. One of them was Dr. Oppenheimer, a Jew whose social circle was composed of dedicated Communist agents, most of whom were known as such while he worked on our nation's most vital defense secrets. He was finally denied a security clearance, due to public alarm over his background, and a terrible clamor arose from the international Jewish community, which went on for years. We still do not know how much damage he did to the nation.

A more celebrated case was a Jew of Russian origins, Walt Rostow. [H: DOUBLE OOPS!!!] He is only the person in charge of our national security! [H: And A-1 in/on the Committee of 16!] Yet a few years ago, loyal employees of the State Department refused Rostow a security clearance, not once, but three times, because of his notorious associations. Yet when John F. Kennedy became President, he placed Walt Rostow in charge of our national security! [H: Is there perhaps still something to be explained?]

Drew Pearson recently revealed that it was this Jew who made the personal decision to employ American troops in large forces in Vietnam, one of the greatest victories for Communism since 1917. While Americans were being slaughtered in Vietnam, Russia could sit back and see us bleed to death without the Communist world being weakened at all. In this Dreyfus case, the Jews have won every round, while the gentile who exposed him, Otto Otepka, is still being persecuted by "our" government.

GENTILE OPPORTUNISTS

[H: Pay attention—there are the ones of all societies who simply are criminal elements hell-bent on POWER and WEALTH. When you confuse the TWO you err. Some may well be of one group OR ANOTHER—and herein is the downfall of a particular type of parasite which of necessity falls to the stronger parasite. You are basically, as a world, in the throes of the power struggle between the major parasitic invaders (One World Order KING). You who are the "host" are simply being sucked dry and used up while they play their game of death-grip. There is NO LAW that establishes that ONLY JEWS CAN BE PARASITES! The CIA is pure example of same.]

In France, a few clever gentiles sensed which way the wind was blowing in the Dreyfus case, even if they had no

understanding of the parasitic theory. An obscure hackwriter named Emile Zola wrote some fiery articles, such as "J'Accuse", demanding that Dreyfus be freed, and the international Jewish propaganda machine immediately began to puff Zola as a great writer. He enjoyed great fame and fortune during the rest of his life, although his novels are now ignored.

A pompous little country lawyer, Clemenceau, also found his career in the Dreyfus case. He intervened on Dreyfus' behalf, and the Jews made him Premier of France. The way of the shabez goi can be smoothed.

The threat of rejection always stirs a torrent of fear and anger in the parasite. This writer encountered an example of this when he purchased a secondhand mattress in Jersey City. Late that night, he was awakened by an unwelcome presence. He switched on the light, and there on his stomach was a fat little bedbug, swollen with its feast, and reluctant to abandon its host even in the light of exposure.

When the light came on, the bedbug gave a furious shriek of anger, and waddled out of sight. At this time, the writer did not immediately relate this episode to the theory of the biological parasite, but he later reflected that this anger of the bedbug, which was carrying on its usual activity, was understandable. We cannot expect the Jew to appreciate any effort of the gentile host to dislodge him, and remove him from the feast. This is why he works day and night to prevent such a thing.

NECESSITY OF CONTROL

This is why the Jew MUST control our communications; this is why he MUST control our education; this is why he MUST control our government; and most important, this is why he MUST control our RELIGION. If he fails to do this, in any area, he endangers his continued existence as a biological parasite. Even in the Soviet Union, with its idealistic slogan of "From each according

to his means; to each according to his needs," the parasite gains control over gentile workers and sets them to producing goods which he sells, and pockets the proceeds. Fat Jews and their blond mistresses stroll from their luxurious villas on the Black Sea, while intense, dogmatic gentile commissars such as Mikhail 'Suslov sit in the Kremlin trying desperately to devise a system which the Jew cannot twist to his own advantage. They cannot succeed, because the parasite has always thought one step ahead of them.

AGGRESSION

When the Jews seized the lands of peaceful Arab farmers by aggression in 1948, many gentiles throughout the world supposed that a new era had begun. These gentiles assured each other, now that they have their own country, the Jews will go there and stop exploiting us. Instead, the parasitic communities in all parts of the world intensified their exploitations of their gentile hosts, in order to meet the vast needs of the new State of Israel. Garment workers in the notorious New York sweat shops, most of them Negro and Puerto Rican women and children, had large portions of their earnings extorted from them by the cold-blooded Jew, David Dubinsky, the fascist dictator of the garment union. These funds were turned over to the State of Israel. [H: Right after Dubinsky got more than his share.]

This illustrates the facility of the Jew for being on all

sides, [H: ONLY on the physical island, friends, only on the physical island—and only until MANKIND WAKES UP!] and for always being on the winning side. Chaim Weizmann, the founder of the State of Israel, quotes an oft-repeated saying of his mother, in his autobiography, *Trial and Error*, Harper, New York, 1949, page 13:

"Whatever happens, I shall be well off. If Shemuel (the revolutionary son) is right, we shall all be happy in Russia; and if Chaim (the Zionist) is right, then I shall go to live in Palestine."

TREND TO DEGENERACY

The bizarre, unhealthy existence of the parasite, with his trend to degeneracy and his decaying nervous system, places him outside of every known system of morality and human decency. Now he has perfected a Jewish hellbomb, which threatens to destroy the host and himself as well. When Alechsander Sachs, of the international Jewish banking firm of Lehman Brothers, New York, and Albert Einstein, "suggested" to President Roosevelt that he invest hundreds of millions of dollars in the production of a hellbomb, how could Roosevelt refuse? Now they needed a gentile front for their project, but when he found that most of the scientists were Jewish, he asked to be excused, saying that he believed that a Jewish director would be

more efficient in this atmosphere.

"Not at all," he was assured. "We need a gentile as the ostensible head of the project. Don't worry, we'll handle all of the responsibility."

We know that the gentile can never expect any mercy from the Jew. The horrible practice of ritual murder is sufficient evidence of this. The ritual murder of gentile children by bleeding them to death and drinking their blood is the highest symbolic revelation of the theory of the biological parasite.

SYMBOL OF VICTORY

Primitive man sometimes drank the blood of fallen foes as a symbol of victory, and to absorb some of the strength of the enemy, but another blood-drinking practice, that of ritual murder, is the only one which has survived into modern times. This religious ceremony of drinking the blood of an innocent gentile child is basic to the Jew's entire concept of his existence as a parasite, living off of the blood of the host. That is why he refuses to abandon this custom, even though it has brought him close to extinction many times.

When the Jew can no longer symbolize his role by kidnapping a perfectly formed gentile child, spiriting him away to a synagogue, and ritually puncturing his body in the places which they boasted they had wounded the Body of Christ, and drinking the blood of the dying child, then,

The Hidden "Jewish" Tyranny: The Issue That Dwarfs All Other Issues

Editor's note: The following is excerpted from a highly confidential 1976 interview by Walter White of Western Front with Harold Wallace Rosenthal, a Jewish administrative assistant to Sen. Jacob K. Javits of New York. Although space constraints in this issue of CONTACT do not permit our printing the complete transcript of this incredibly brazen interview, we here present some excerpts related to Eustace Mullins' discussion of "Jewish" parasites. For the entire interview, see Phoenix Journal #80, TRUTH FROM THE "ZOG BOG". See previous page data, and see Back Page for ordering information.

[QUOTING:]

"It is a marvel that the American people do not rise up and drive every Jew out of this country."

MR. HAROLD WALLACE ROSENTHAL, [himself a Jew] made this statement after admitting the Jewish dominance in all significant national programs. He said, "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands."

Asked how a nation could be captured without their knowing it, Mr. Rosenthal attributed this victory to absolute control of the media. He boasted of Jewish control of all news. Any newspaper which refused to acquiesce to controlled news was brought to its knees by withdrawing advertising.

Asked about men in high political office, Mr. Rosenthal said that no one in the last three decades has achieved any political power without Jewish approval. "Americans have not had a presidential choice since 1932."

Mr. Rosenthal was astoundingly candid on other topics, as well:

[U.S. foreign policy:] "It is Zionist-Communist policy from beginning to end. Yet the citizens think this Jewish policy will benefit America." The credulous nature of Americans drew only contempt from him. "We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse."

[Anti-Semitism:] "Anti-Semitism does not signify

opposition to Semitism. There is no such thing. It is an expression we Jews use effectively as a smearword—used to brand as a bigot guys like you—anyone who brings criticism against Jews. We use it against hate-mongers."

[The United Nations:] "The United Nations is nothing but a trap-door to the Red World's immense concentration camp. We pretty much control the U.N."

[The future of America:] "...in the foreseeable future there will be no Presidential power in the United States. The Invisible Government is taking strength in that direction...There will be a forced class-warfare here in the United States and many will be liquidated...It is an established rule to destroy all members of pre-existing government, their families and relatives, but NEVER JEWS."

[The "Jewish religion":] "We can live among other nations and states only as long as we succeed in persuading them that the Jews are not a distinct people, but are the representatives of a religious faith who, therefore, constitute a 'religious community', though this be of a peculiar character...This is the greatest of our falsehoods...We are obliged to conceal our own particular character and mode of life so that we will be allowed to continue our existence as a parasite among the nations."

[Money power as the tool for world conquest:] "Our power has been created through the manipulation of the national monetary system. The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution. From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes. This we have done!...Through this, we acquired total monopoly of the movie industry, the radio networks and the newly developing television media. The printing industry, newspapers, periodicals and technical journals had already fallen into our hands. The richest plum was later to come when we took over the publication OF ALL SCHOOL MATERIALS. Through these vehicles we could mold public opinion to suit our own purposes. The people are only stupid pigs who grunt and squeal the chants we give them, whether they be truth or lies."

[Jewish control over the "goy":] "We have castrated society through fear and intimidation. Being so neutered, the populace has become docile and easily ruled.

We establish your thinking—we even place within you a 'guilt complex' making you afraid to criticize Jewry openly."

[Jew's control of religion:] "Religion, too, must be taught. With our control of the textbook industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries. Judaism is not only the teaching of the synagogue, but also the doctrine of every 'Christian Church' in America. Through our propaganda the Church has become OUR MOST AVID SUPPORTER. THIS HAS EVEN GIVEN US A SPECIAL PLACE IN SOCIETY, THEIR BELIEVING THE LIE THAT WE ARE THE 'CHOSEN PEOPLE' AND THEY, GENTILES...Through religion we have gained complete control of society, government and economics."

[Mr. Rosenthal sums up Jewish "philosophy", morality, and Talmudic teaching:] "Money is more important than morality. We can accomplish anything with money...Our teachings are not concerned with moral problems, but rather with how to 'get'...Since we do not believe in a life after death, all our efforts are directed to the 'now'. The idea of self-sacrifice is abhorred by Jews...No cause is worth dying for since death is the end. The only time we unite is to preserve our individual selves. As a group of wolves unite to attack a prey, but then disperse after each is filled, so we Jews unite when peril is pending, not to preserve our community but to save our own skin."

"This attitude permeates our entire being and philosophy. We are not the creators, for to create would only benefit another. We are the 'acquirers' and are interested only in satisfying the 'self'. To understand our philosophy would be to understand the term 'to get'. We never give but only take. We never labor but enjoy the fruits of others' labor. We do not create but confiscate. We are not the producers but the parasites. We do not physically live within any society, but always remain spiritually apart."

[Soon after this interview, Harold Wallace Rosenthal, age 29, was killed in an alleged sky-jacking attempt on an Israeli airliner in Istanbul, Turkey, August 12, 1976. It would appear that Mr. Rosenthal might have talked too freely.] [END OF QUOTING]

according to Jewish belief, he is doomed. His prophets have warned him that when this custom can no longer be observed, the Jewish parasite's hold onto the host will be loosened, and he will be cast off. [H: This is also where you get the image of "communion", of drinking wine, pretending it to be the Blood of Jesus, and crackers, pretending it to be the Flesh of Jesus. Upsetting? I certainly hope so. I suggest you who find this outrageous—JUST GO GET A TALMUD AND REALLY READ IT—ALL!] Even though this ceremony is so horrible that most Jews refuse to participate in it, and all of them deny its practice, it still remains the final method by which the Jewish leaders signify and retain their control over this people. Should they abandon the practice of ritual murder, perhaps there would be a possibility that the Jew could be weaned away from his historical role as a biological parasite and become a constructive member of the gentile community, turning his back upon a record of five thousand years of bloodshed, treachery and murder, which is his entire history. We say perhaps, because we do not know.

[H: There is another thing which must be considered here. In the absence of ability to partake directly from such a body as above, there is a whole network of bloodletters right in the hospitals and among the doctors (most of whom are now Jews) who can most respectfully present the blood which is still considered symbolical in acceptance and use. This did, however, get a lot of practitioners infected with some unwanted viral parasites. The blood is now required to be tested for disease. Have you ever come a long way baby?]

THE BIOLOGICAL PATTERN

Viewing this prospect from the biological realities, it seems unlikely that the Jew could renounce his past and join gentile society as a contributing member. Certainly we find no evidence of it in the writings of the Jews themselves, even at the present time. From the most religious of them to the most worldly, their attitude towards the gentile host is the same, a fierce, undying hatred. Consider what the high priestess of the modern Jewish intellectuals, Susan Sontag, has to say in the Jewish house organ, the *Partisan Review*, in 1967:

"The white race is the cancer of history. It is the white race and it alone—the ideologies and inventions—which eradicates autonomous civilization wherever it spreads."

[H: Now with that in mind, do the "Jews" consider themselves to be Black, Yellow, Red or White? I thought you might get the picture and also why it might be so easy to get CONFUSED. If these same ones persecute their "own kind" then it must be they do not consider selves to be "their own kind!!"]

These twenty-seven words capsule an enormous amount of information about the parasite-host relationship. First, it is an expression of the undying hatred which the parasite bears for its white race host. Second, it reveals that the Jew has never and will never consider himself as part of the white race, which it regards as a separate species. [H: Ah, and it leaves my opening: THEY ARE, IN THE COSMOS, CONSIDERED THE "LITTLE GRAYS"! SO BE IT.]

Third, this passage attributes savagery only to the white race—not to the bloodthirsty tribes of the Congo, nor to the mass murders in China, nor to anyone except the highly developed North European civilization in Europe and America. And fourth, Susan Sontag reveals the entire situation in her phrase "autonomous civilization". What does she mean by autonomous civilization? She means the parasite community, which demands total freedom to attach itself to the host, to rule the host, and to prevent the host from casting it off. And she says here that the white race, because in the past it has reacted against the "autonomous civilization" of the Jewish parasite, is totally savage and evil.

Scabies

Now to you nice readers who still wonder why the UFOlogists don't contact old Hatonn—I think you got your answer. They are attached to the Lizards (Serpent races) and Little Grays that they talk so much about doing all the dastardly deeds. The Jews (who are not [Jews] but are actually an alien race) ARE THOSE LITTLE GRAYS IN COSTUME! THEY ARE THE ACTORS AND DESTROYERS OF PEACE AND SOUL IN YOUR WORLD. THEY PREY ON PLANETS BECAUSE THEY HAVE NO PLACE IN THE UNIVERSAL COSMOS! MERRY CHRISTMAS!

[QUOTING, PART 5:]

Chapter Three

THE SHABEZ GOI

We have remarked on the strange omission of works which one might expect in our libraries, works which treat the phenomenon of parasitic communities in human civilizations. And we have suggested that these works have not been written because the parasite exercises control over the academic and scholarly life of the host. Is this a fantastic conclusion? Not at all. Since the host is physically stronger than the parasite, obviously the parasite cannot control him through physical strength. Then he must exercise mental control. How is that done? The Jewish parasite controls the gentile host through an entire class of gentiles which he has created, and who serve him by maintaining control over the gentile host. This class is known as the shabez goi.

THE ADVANCED CIVILIZATIONS

We have pointed out that the Jewish parasite is a disease of the more advanced civilizations. One does not find the Jew sharing the hostile desert with the Australian aborigine. There was little food and less shelter. But those who survived began to master their environment, to till the land, to domesticate animals, and there began to be surpluses of food. Now rats and cockroaches appeared, feasting on these surpluses (one of the heroes of the Jewish intellectual movement, Franz Kafka, wrote a work in which a man envisioned himself as a cockroach, writing out of some ancient racial memory which has bemused thousands of university students who had it rammed down their throats by their professors, with no explanation of its overtones).

With these surpluses, there also appeared a new type of person, a variant of the species, one who existed by producing no goods or services, but who became adept at producing an illusion that he was giving goods and services. This was the Jew, who made his appearance upon the stage of history as a magician, a fortune-teller, a petty thief, or, in the open country, a treacherous and cold-blooded bandit. He became a physician, a teacher, an acolyte in any kind of religious group. From earliest history, he practiced money-lending, and always at usurious rates of interest.

All of these Jewish vocations have one thing in common, the opportunity for fraud. The Jew always operated from a basis of fraud, and slipped early from one vocation into another. A Jew practices medicine in one city, and, leaving behind a trail of corpses, turns up in another town as a soothsayer. After some widows are bilked of their life savings, he again takes to the road, assisted, as always, by the international Jewish community. In another town, he becomes a student priest, and soon he offers daring new interpretations of the religious beliefs, until his superiors find that he is stealthily transforming every tenet of their faith into some strange and barbaric dogma. He moves on, and turns up in another city as a highly trusted government official, respected by all, until, one evening, the gates of the city are opened to an invader, and the Jew becomes the Grand Vizier of the conquerors.

A DEFINITION

But is this the parasitism, or is it merely crime? It is crime, yes, for each of these isolated events is a crime, but the whole is not merely crime, it is parasitism. Treason,

fraud, perversion, are all the hallmarks of Jewish life among the gentiles in the Diaspora. And it is parasitism. All of these things are not merely crimes in themselves, they are crimes which are committed as essential parts of the Jew's parasitical relationship with the gentile host. We must remember that there is no Jewish crime per se, since the existence of the Jewish parasite upon the host is a crime against nature, because its existence imperils the health and the life of the host. Thus, everything that the Jew does in connection with this parasitic existence is a criminal act, and part of an overall criminal existence.

CONVICTION AND EXPULSION

A gentile government which had as its concern the health of the nation would convict the Jewish parasite and cast him off. This has happened hundreds of times in recorded history. Therefore, the Jew knows that his first task, upon arriving in a gentile community, is to subvert and take over its government, and to paralyze the people with subtle injections of poison, so that they become helpless and unable to defend themselves. Thus, the Jew begins agitation to set up a "progressive" government, also known as a "popular front", a "democratic" government, a "people's" government, a "liberal" government, and all of these are synonyms for the Jewish government, which will protect the presence of the parasite and guard it against the anger of the exploited gentiles.

When he has set up this government, usually by subversion, the Jew sets out to exterminate all of the former gentile leaders, whom he reviles as "reactionaries", that is, those who might react against the presence of the parasite. First, they are prevented from engaging in any gainful employment. Then they and all members of their families have their landholdings, bank accounts and other assets confiscated. Finally, after extensive agitation against them, the Jew arouses the populace against them and they are hunted down and killed, because they might be able to set up a "reactionary" government if they are allowed to survive. Thus the Jew has introduced the blood-thirsty custom of genocide, or extermination of groups, into world affairs.

Now, does not this sound familiar, the confiscation of assets, the mass murders? Oh, yes, Russia, 1917, the victory of the Bolsheviks, the carrying out of Marx's program of Communism, when a government which believed in the principle of "solidarity" was installed to enslave the gentile Russian people. The Czar and his wife and children were murdered in cold blood, because the biological Jew is not concerned with chivalry in his struggle to maintain control over the gentile host. We have only to read the sadistic *Book of Esther* in the Bible to see the Jewish custom of mass murder exposed in detail.

WEAKNESS OF THE HOST

Is the helplessness of the gentile host before the onslaught of the parasite an essential weakness? We have only to think of the strong, healthy man subdued by a flu virus to get the answer. Health in all matters is the principal defense against the attack of the parasitic virus. For centuries, the larger and stronger gentile host has gone

Bedbug

down in defeat before the smaller and weaker, but more deadly, parasitic virus. The survival of the gentile host is a matter of understanding biological laws. The gentile community has set up elaborate codes by which it lives, codes of honor, codes of laws, and the trust of the community. They respect the law, they respect each other's families, they respect each other's property, and they defend the nation when it is attacked.

BOUND BY NO CODES

It is the code of honor which gives the Jewish parasite his first opening in the armor of the gentile host, since this code is binding upon the gentile host, and its members achieve status in the community only if they observe it. But the parasite is bound only by his determination to achieve parasitic status upon the host. The gentile's code is itself a biological phenomenon, since it grows out of his attitude towards all life, and it is a manifestation of his innate courage, his honor and his industry, the virtues upon which he builds his nation.

The code of the Jew is quite different. It is a code which abnegates all other codes. He agrees to pay one price and later settles only half of it; he appears in court with forged deeds and wills, paid perjured witnesses, and kept judges, thus taking over gentile properties. He takes advantage of the gentile wives while their husbands are at work, thus shaming them, and in time of war, the Jew avoids army service and disrupts civilian life at home. At the times of gravest peril, he makes deals with the enemy and betrays the nation.

PARADOX OF THE PARASITE

Since the parasite depends upon the host for its food, we would suppose that it would do everything within its power to aid the gentile community to become richer and more powerful. But, overriding every other consideration is the parasite's determination to keep its position upon the host. For five thousand years, history has recorded the efforts of gentile hosts to dislodge their Jewish parasites. Empires rise and fall, continents are discovered, wildernesses are explored and settled, and man makes progress through new inventions. Yet through it all, one factor remains constant. The gentile host, fearful of the damage which it is suffering from the presence of the Jewish parasite, tries to dislodge it. The parasite has prepared for such efforts, which it always foresees, by attaching itself so securely to the host that the host only damages itself in its wild struggles. In some cases, the gentile host destroys itself in these efforts. The Jewish parasite prefers seeing the gentile host destroyed instead of leaving peaceably from a still-living host. If the host dies, the parasite looks for another host. It has no feeling of any kind for the host which has provided it with food. This callous attitude is typical of the philosophy of the Jew, and it is exemplified by the current phrase so popular in Jewish Hollywood, "Who needs it?"

Like other Jewish sayings, this phrase has become part of contemporary American life, yet gentiles do not know what it means. It means that the Jew doesn't need the gentile host, because he can always find another one.

HARD WORK

Millions of gentile Americans work hard all of their lives, raising their families and feeding themselves. When they die, there is hardly enough left to pay the funeral costs. Despite the fact that they have lived useful and productive lives, none of the profits have accrued to them or to their families, they have been unable to accumulate any of the world's goods. Yet millions of Jews, who produce nothing, accumulate vast fortunes, and die with a disproportionate share of the nation's wealth, which then goes to the parasite community. Why is this? Is it because the gentile worker is lazy? No, he has worked hard all of his life. Did he gamble away his earnings? No, he has never gambled. It is the Jews who make up the majority of the nation's gamblers.

THE THEORY OF BIOLOGICAL PARASITISM

We find the answer to this question in the theory of biological parasitism. The gentile worker has spent his

life in providing sustenance for the Jewish parasite, enabling the parasite to live in luxury while the gentile worker labors long hours each day in order to survive on a mere subsistence level. The earnings of the gentile worker vanish before his eyes into the Jewish monetary system, as calculated and abstruse monetary laws go into effect. Meanwhile, the Jewish educational system instructs the gentile worker's children that they can look forward to the privilege of laboring all of their life to support the Chosen People of God, who live in the style to which they have become accustomed.

The Jewish monetary system is a series of variations on the shell game at the county fair. The gentile is certain that the pea is under the shell on the left, but when he bets on it the shell on the left has nothing under it. The gentile puts his money down on other Jewish peas, but whatever he buys suddenly depreciates. The bonds which he purchases drop in value, and he sells at a loss, in order to avoid losing everything he has.

Many people emigrated to America because the Rothschilds had suddenly arisen to power in Europe, and were now looting the continent. As these gentiles fled, the greedy Jewish parasites inflicted heavier taxes on those who remained, conscripted the youths into armies which were leased for hire to other nations, and invaded every level of life with their pernicious influence.

Now, a feature of the parasite is his mobility. When the host moves, the parasite follows, catches up with him, and reestablishes his attachment. The American pioneers resented the efforts of the parasites to follow them, and one of the longest debates of the Continental Congress concerned a proposal for permanent exclusion of the Jews. It was finally defeated by the curious argument that, as the Jews were not presently a problem, they would be unlikely to become so in the future. This certainly went against the grain of everything that was known about the Jews and their methods.

RECORDS DESTROYED

The records of these debates have survived only in a few notes taken by some of the delegates. The drafts of the *Constitution* which contain the proposal for Jewish exclusion have all been destroyed. One of the Jewish vocations is that of dealer in old books and rare documents. In these dealings, records containing unfavorable references to the past can be sequestered and destroyed. Other rare documents, which contain no unfavorable references to the Jews, are sold to gentile collectors at huge profits. As usual, the Jew has it both ways, protecting his flanks by destroying all references to his activities, and financing this task with the gentile's money.

THE FUNCTION OF GOVERNMENT

What is the function of government? The function of government is to provide the people with essential services, to guide the defense of the nation, and to promote justice and free enterprise. Now, what is the function of a gentile government which has come under the direction of the parasite? The chief function of a government controlled by the parasite is to guarantee his right to feed upon the host, to protect him against being cast out, and to allow other parasites the right to come in and feed upon the host. Thus, the chief function of such a government is bound up with campaigns for civil rights for minorities, liberalizing all immigration laws, and attacking other hosts who threaten to cast off their parasites. All other considerations of government are swept aside in the performing of these functions, which are so essential to the well-being of the parasite.

Thus, in the United States, we find the Federal Bureau of Investigation ignoring the mounting crime rate while its agents spend all of their time in battling those gentile "reactionaries" who are reacting against the harmful presence of the parasite. We find that the American government has become a vast tax-collecting agency for the benefit of the parasites, and that eighty-four percent of the gentiles' earnings are forcibly taken from them and given to the parasites. We find that every department of the government has interested itself in the added function of guaranteeing the parasite's continued security in its position upon the host. They have set up many new economic subsidiaries whose task is to funnel all of the nation's economic resources into the hands of the parasites. We

find that the Department of Defense, instead of guarding our nation, is punishing the nation with a tremendous blood-letting by sending many thousands of our finest youth to be slaughtered in jungles many thousands of miles from our shores, in wars which the Jewish parasites have conjured up for that sole purpose.

WHAT JUSTICE?

Instead of providing equal justice for all, the courts of the nation have become rubber stamp Star Chambers for the persecution of those gentiles who react to the presence of the parasite. These gentile "reactionaries" are arrested on some pretext or other, or evidence against them is planted by FBI agents, and they are sentenced to long terms in prison.

What about education? We find that the Jewish parasite makes a fetish of education. There must be universal education, education for all. But what sort of education does the gentile host receive in a state which is dominated by the Jewish parasite? First, he is taught that he must never think for himself, because this is the original sin. He is carefully instructed in how to be a docile slave for the rest of his life, a robot-like zombie who will never be able to use his mind for his own protection or advancement.

Why does the Jewish parasite have to control the native intelligence of the gentile? First, the Jew is not invisible, he has high visibility. He knows that the gentile is bound to see him, to become irritated by his presence, and to wish to cast him out. The gentile has only to look down the street on any Main Street in America to see that most of the businesses are owned by Jews. The place where he works is owned by a Jew. He pays rent each month, or a lifelong mortgage, to a Jewish bank. He knows that his country is being mercilessly exploited by a foreign body known as the Kingdom of Israel. Therefore, the biological parasite begins its instruction of the gentile child, even before the alphabet, with the definition of the forbidden sin. What is the forbidden sin? One must never show "prejudice" towards another human being. The children hear this admonition daily from the time they enter kindergarten. They are puzzled by it, because children are naturally open and generous, they do not hate anyone. They never realize that if the teacher fails to give them this daily lesson about "prejudice", she will be fired from her job.

DIRECT INFLUENCE

In high school and college, the gentile comes under the more forceful influence of Jewish teachers. They find that the Jewish teachers are interesting, because they seem to have carte blanche to say or do whatever they wish in class, while the gentile teachers seem hamstrung in everything they do. The Jewish teachers recommend pornographic books to the children, discuss sexual perversions in detail, and frequently harangue their classes for hours about the evils of Nazism. Since there is no Nazi government anywhere, the gentile children are puzzled by this. They do not understand the terrible fear and hatred which fills the Jewish people at the memory of a gentile people who reacted against them and cast them out.

At home, the gentile child watches television programs which are largely devoted to anti-Nazi themes. This is not surprising, since the Jewish parasites own outright the three television networks, and no program can be seen which is not subjected to their warped censorship. In the universities, the gentile is taught that all of the world's culture stems from the writings of three Jewish parasites, Marx, Freud and Einstein. Gentile artists and writers are no longer mentioned.

THE GREATEST PERIL

Ask an American college graduate—"What is the greatest evil which has ever existed upon this Earth?" He will reply very promptly, and energetically, "Nazism!"

He gives this answer because it is what he has been taught. In fact, it is *all* he has been taught, and it is the sole result of four years of higher education. Do not ask him WHY Nazism is the greatest evil that has ever been known, because he does not know. You will only perplex and confuse him, and make him angry at you, because he does not know the WHY of anything. He has only been indoctrinated with conditioned responses, he is repeating the

lesson which has been drummed into him until he has learned it by heart, at the hands of his Jewish and shabez goi professors. In all of the hundreds of books which have been written about Nazism, you will not find a definition of what Nazism is. This is quite understandable. The Jews do not want anyone to know what Nazism is. Nazism is simply this—a proposal that the German people rid themselves of the parasitic Jews. The gentile host dared to protest against the continued presence of the parasite, and attempted to throw it off. It was an ineffectual reaction, because it was emotional and ill-informed, as were all the gentile reactions which preceded it for five thousand years. And how futile it all was, because today, Jewish bankers own sixty percent of German industry, and their holdings are protected by the occupation army of America.

WHAT IS SHABEZ GOI?

Since the parasite is smaller and weaker than the host, he must control it principally by guile. And because he is outnumbered, he must depend upon active agents among the gentiles. Once he has destroyed the host people's native leadership, he creates a new ruling class, a group recruited from the weakest and the most depraved of the gentiles. **THIS CLASS BECOMES KNOWN AS "THE NEW CLASS", AND IT IS COMPOSED OF GOVERNMENT OFFICIALS, THE EDUCATORS, THE JUDGES AND LAWYERS, AND THE RELIGIOUS LEADERS. THIS "NEW CLASS" IS KNOWN TO THE JEW AS HIS SHABEZ GOI, OR HIS "SABBATH GENTILE CATTLE".**

The creation of the shabez goi class provides that the Jewish religion is basically a ritualization of the parasite's techniques for controlling the host. A key tenet of the Jewish religion is that he must not perform the slightest task on his Sabbath. He cannot begin his religious service until the candles are lit, but his religion forbids him to light the candles, because this would be work. He must find a gentile to light the candle for him. This gentile is called a "shabez goi". Thus, the Jewish religion cannot be enacted until the Jew finds a gentile to do his work for him. Drew Pearson described the process in a column, *Washington Post*, July 5, 1968 when he quoted Mayor of San Francisco, Joseph Alioto, a Catholic, as follows: "I've been raised in the shadow of the synagogue across the street from me, and my parish priest has been Rabbi Fine. Every week I light a candle in the synagogue, and Cyril Magnin lights a candle in my cathedral." Alioto's political success has been due to his operation as a shabez goi, lighting candles for the Jews. The Jewish religion also forbids the Jew to work for a gentile, although it is permitted for short periods of time if the Jew finds it necessary to take such a position during the period he is plotting to steal the gentile's business from him!

Those gentiles who become shabez goi for the Jews lead comfortable lives at the expense of their fellows, but they can never overcome their shame, regardless of how wealthy and powerful the Jews make them. The exploiting class which the Jews create from the most servile and contemptible of the gentiles are the most despicable human beings who have ever infested the Earth. Although they comprise the educated and moneyed classes in a host nation which has fallen prey to the Jewish parasites, the shabez goi wretches never lead happy lives. In the United States, we find that the gentile bankers, judges, college presidents and leaders of religious denominations whose mission is to parrot in Pavlov, trained-dog fashion every whim of the Jews, are also the people who have the highest rate of alcoholism, the highest rate of divorce, the highest rate of suicide, and the highest rate of juvenile delinquency among their children.

SEXUAL DEGENERACY

This "affluent society" of the shabez goi also has spawned a massive wave of homosexuality and degeneracy in America. Is this surprising? We have only to recall Professor LaPage's description of the effect which the parasite *Sacculina* has upon its host, the short-tailed spider crab, *Inachus Mauritanicus*. LaPage says that his researches showed that seventy percent of the male spider crabs acquired some of the secondary sexual characteristics of the female and had their reproductive organs destroyed by the attack of *Sacculina Neglecta*. He also stated that "the

abdomen of these males becomes broad, they may acquire, in addition to their male copulating styles, appendages modified to bear eggs, and their nippers become smaller at the same time."

What better description could we have of a middle-aged college professor simpering in the wake of a brawny football player? One of the characteristics of nations which are controlled by the Jews is the gradual eradication of masculine influence and power, and the transfer of influence into feminine forms. This is understandable. The masculine force is naturally aggressive and self-assertive, independent and self-reliant, courageous and willing to fight for its rights. The feminine force, on the other hand, is more passive, willing to accept orders, and avoids direct action. Thus, Russia and America, the two most influential powers in the world today, ally feminine powers, but the two powers which were more masculine in their attributes, Germany and Japan, and which did not give power to the Jewish parasites, are small and of lesser influence. Nevertheless, as masculine forces, they retain the will to again exert force upon the world, while Russia prefers to use her influence in sinister intrigue, a worldwide network of agents and assassins, those who stab in the back. Now America has followed in Russia's footsteps with the world-wide force of the Central Intelligence Agency, and at home, the furtive operations of the FBI are aimed solely at controlling "reactionaries" among this host people.

SOFT AND TREACHEROUS

In a Jewish-controlled environment, gentile men become soft and capable of any treachery, because of their new class, the shabez goi, are epitomes of the living lie, with their insidious conspiracies on behalf of the secret government of the parasites. In this sort of world, manliness, strength and honor are despised. [H: And if you haven't recognized THIS just within the past few short weeks since election—YOU ARE BLIND! Dole, for instance, is NOTHING other than a shabez goi.]

The most important feature of the shabez goi wretches, as liberal, faceless representatives of Jewish interests, is that they never solve a problem. If we have a national problem today, we can be sure it will be worse ten years from now, and even worse twenty-five years hence. **All problems intensify**, this is the basic law of the shabez goi government.

We have only to look at the race problem in America, as a typical illustration. Over one hundred years ago, we fought a bloody war which ravaged much of the nation, in order to solve the problem of the Negro minority in America. One hundred years later, the nation is on the point of being torn apart once more by this problem, as the shabez goi wretches have worked ceaselessly since 1900 to intensify this problem, which had been dormant from the period of 1870 to 1900. De Toqueville said everything which needed to be said about the race problem in America more than a century ago, but no one paid him the slightest attention.

A HOPELESS LIFE

One of the striking points of identification of the shabez goi new class is their complete erosion of all sense of responsibility. Since the shabez goi life means that they are living for themselves alone, as enemies of their people, it is understandable that they should reck little of the future, but it goes further than this, as a direct biological result of the effect of the Jewish parasite upon the weakest and the shabbiest of the host people. Today, the principal group in America which has resisted this biological effect is the working class. This is due to several factors, first, because the working class has had less of the effect of years of "higher education", which, in this nation, is simply extended instruction in how to be a shabez goi, and second, as workers who produce their own living, they have greater self-reliance and less erosion of their sense of responsibility and self-respect.

Although I have passed beyond any possible deleterious effect which the Jewish parasite or the shabez goi could have upon me, I know the hopelessness of the life of my people. I was freed from this paralysis, which the Jew inflicts upon the healthy members of a host nation, in two ways, first, **through my life in art, AND SECOND, THROUGH MY LIFE IN CHRIST.**

[END QUOTING OF PART 5]

It is going to be the ONLY way of making it through in healthy transition—THROUGH CHRIST. It was told to you long ago and remains so today: "Except through ME shall ye come within my Father's Kingdom." What does that mean? It does not mean "through a 'man' by ANY name". It means that except through the within intent of Christ-ness, **SHALL YE MOVE WITHIN GOODNESS IN HIGHER DIMENSIONS. EVIL SHALL NOT BE ALLOWED WITHIN THE KINGDOM OF LIGHTED GOD CREATOR!**

12/8/94 #1 HATONN

THINGS TO NOTE

Lost in the "Season of Insanity" you are given that which is to be **OVERLOOKED**. So, let us offer just a tiny bit of news you should note as the day begins.

BIGOTS AND MISTLETOE

I take no affront to any brother who walks in Light. I actually take no exception to the ones who walk in the humdrum pursuit of blood at another's expense. I do, however, find more poison in mistletoe and the poinsettia of the Season than in almost any other plants abounding on your planet. Both will kill you if you intake much of either.

CHRIST-JEWS (or, Judeo-Christian)

I WONDER IF YOU WOULD HAVE THE SAME SHUDDERING ATTITUDE ABOUT OUR WORK IF I REFERRED TO "PHARISEES" INSTEAD OF USING THE WORD "JEW"????? WELL, AS A MATTER OF FACT, IT WAS THE KHAZARIAN ELDERS OF ZION PHARISEES WHO CAME TO CALL THEMSELVES JEWS! NOW, DO WE ALL FEEL BETTER? GOOD GRIEF, IF A TRUCK IS BEARING DOWN ON YOU, ARE YOU GOING TO SMOOTH THE ROADWAY FOR ITS SURE HITTING OF YOU TO DETERMINE IF IT IS PETERBILT, MACK, GMC OR MERCEDES?

Let us consider what I mean here, please. I take NO EXCEPTION to any brother or sister from ANY location on the face of your globe. There are some who come from the Cosmos with whom I do constant annoying encounters; however, TRUTH is not just for that which YOU LIKE TO HEAR—it is now becoming THAT WHICH YOU DO NOT WANT TO HEAR!

The term "christ" means a "state of being"—not a man's name, a tribe's name or a label for deity. IT IS A STATE OF SPIRITUAL BEINGNESS—A HIGHER RECOGNITION OF GOODNESS. Jesus was a person as presented by ones believing him to be in WISDOM WITHIN THIS "CHRISTED" STATE OF BEING IN SPIRIT AND REFLECTING THAT SPIRIT OF GOODNESS IN HIS TEACHINGS AND IN HIS ACTIONS.

The term "jew" was coined in 1756 A.D. to represent an "association" but ALSO represents a "state of being"—not the label of a man, a tribe—but it does define the followers of NON-CHRIST-ness. "Jew" certainly DOES NOT "mean" Semite, Hebrew, Israelite or designate a race. It does, however, represent a "creed" of behavior intention. That creed DEMANDS the acquisition of all property and holdings within a PHYSICAL MANIFESTATION.

Christ"ian" indicates a living style of goodness which allows for transition into planes of higher wisdom in which evil and physical expression of that evil are not acceptable.

Jewian defines the attitude of all other things in opposition to the above.

So if you have an act of goodness it can be defined as being "Christly". If you have an act of deliberate greed or treachery to benefit the opposition—it is defined as being "Jewish". You ones who think "niggardly" is something to label a Black person—forget it. It is a term which originally, and still does, apply to the very ones who first called the Negro "Nigger", who were THE slave traders and were

and are the ones now calling themselves Jews. I do not make the definitions—I only share them for I note that you people don't spend much time REALLY seeking truth. If you claim to do so—you certainly do look in all the wrong places.

Remember as we write some definitions that the Negro was a label for those coming out of what is now called Nigeria (Niger). This is a dark-skinned people who were beautiful, loving, docile and innocent—which always, whatever race, becomes the prey of the PARASITES who feed off everything and everyone—EVEN THEIR OWN IF NECESSARY. IF THE PARASITE CAN CAMOUFLAGED ITSELF TO APPEAR "AS THE VICTIM IN PRESENTATION", ALL THE LONGER IT CAN GO UNDETECTED IN ITS DIRTY MISSION OF DEATH.

Webster's Encyclopedic Dictionary:

"Nigger(dly): Reluctant to give or spend. Small or scanty. Stingy; An extremely parsimonious (cheap, close, greedy, mean, miserly, niggardly, pennypinching, stingy, tight, tightfisted, ungenerous, ungenerous, ungenerous) Ex: He was very niggardly in his donation."

This "cannot" define a Black person for the Blacks are noted for being the most giving, put-upon race on the planet. Before "slavery" they were noted as THE most "giving" and loving peoples of the Earth.

"Nigger: 1) A Negro, 2) A member of a dark-skinned race. 3) 'nigger in the woodpile', a dubious or improbable element in a situation especially when regarded as undesirable or harmful." *Webster's Encyclopedia Dictionary.* [H: Now, WHO would attach these terms to that which they feed upon? It is again "proof" of the "hate the host" attitude of the Parasite. *Webster and his staff WERE/ARE ALL JEWS!* So, HOW can you trust the truth from the dictionaries presented when it comes to defining the enemy versus the ELITE?]

Some of the "NEGROES" who lead NOW KNOW THE ENEMY and it will be a terrible day in HELL when they ACT AS A NATION, TOGETHER, TO DO IN THE PARASITES WHO RIPPED THEM ASUNDER AND EXPLOITED THEIR VERY BEINGS! This CLASH will be deadly and terrible for, as the guns are removed—the tribes will rise up in incredible strength and retaliate with anything and everything around them—and it will be deadly. THIS is why the JEW has ordained and taught the BLACKS TO BE CHRISTIAN! The only way a Jew will be protected is through the Spiritual goodness (Christ-ianity) of the Blacks.

Look at that which surrounds the O.J. Simpson case: A BLACK MAN SET UP TO DESTROY PEACE AND TOTALLY CONTROLLED BY TWO OF THE MOST TERRIBLE EVIL ENTITIES ON YOUR PLACE—THE JEWISH ATTORNEYS AND THE ELITE EVIL MONGERS OF CIVIL WAR. IF YOU THINK THIS IS NOT ON PURPOSE, YOU HAD BETTER LOOK AGAIN. IS SIMPSON GUILTY? IT DOES NOT MAKE A WHIT OF DIFFERENCE—THE PARA-

SITES WILL SUCK HIM DRY OF MONEY AND THEN DISTRACT THE WORLD TAKEOVER THROUGH THE BATTLES THAT FOLLOW. The latter will not happen UNTIL ALL THE FUNDS ARE USED! Remember, the Parasites suck dry the "host" and then leave it only when it is DEAD or TOTALLY USELESS. They will, however, use the very last shattered pieces of the victims.

PLEASE NOTE: They are bringing out the "trial balloons" in that it is now projected that perhaps "space-alien" committed the murders! GET READY WORLD—THE PARASITES ARE ABOUT TO FINISH OFF THE DYING BODY CALLED AMERICA(S). THEY ARE NOW SETTING THEIR Footholds (HOOKS) INTO PARTS OF THE ASIAN NATIONS—a la Kissinger Associates, Banks, etc. Remember the East India Company(ies)? YOU HAD BETTER REALLY WATCH WASHINGTON AND THE PARASITES ON THE PROWL THERE!

Do you really think the Jewish Parasites, McDougal (not his original tribal name) or Hubbell (not his name either) will stop at simply turning over evidence in exchange for their hides? THIS IS ALL PART AND PARCEL OF THE PLAN FOR TAKEOVER! Whitewater is nothing!

SAVINGS AND LOANS VS. CURRENT PARASITE ATTACK

What has hit ORANGE COUNTY, CALIF. is only a tiny, tiny speck of tell-tale about what is going to come down on your economy. What is going to be a takeover of wealth and power through these calling of short-term loans, etc., is THE major downfall of even the highest centers of business.

This can be called ANYTHING you wish to label it. But it is a major FORECLOSING by the BIG BOYS (INVESTORS) USING SHORT-TERM LOANS OF MASSIVE SIZE TO FUNDS, PENSION PROGRAMS, MUNICIPAL MARKETS, ETC. The action is the same thing as a "call" in the metals market. If the payments aren't MADE—the property (whatever it is) is confiscated! Since ALL is a total manipulation FOR TAKING ALL PROPERTY—you can KNOW THAT YOU ARE WATCHING THE END ECONOMICALLY—AS THE BIG PLAYERS LINE UP FOR THE KILL. This "derivatives" fraud surpasses anything you can imagine for the tools of the "Crimemobile".

The alternative for such as Orange County which filed bankruptcy? A TAKEOVER BY THE FEDERAL GOVERNMENT!

THE PARASITES PLAN TO HAVE IT ALL—THEN WATCH YOU DIE!

By the way, did anyone note the references to the Gulf War Mystery Disease? Well, you should have because the report is that it is now proven that the problem came from *Experimental Injections and vaccines GIVEN THE TROOPS IN PREPARATION FOR THE TOUR OF DUTY.* By the way, it is reported that the vaccines were "NOT yet approved by the FDA!", whatever difference that makes.

SIR JAMES GOLDSMITH

I don't usually find a reference book or person that I PUSH but when I do, I hope you will heed my suggestions. All of Eustace Mullins' works are priceless [see p. 17] and now I add to that list of "must read", Sir James Goldsmith's *THE TRAP*, Carroll & Graf Publishers, Inc., 260 Fifth Avenue, New York, NY 10001. YES INDEED, THIS IS THE SAME GOLDSMITH AND THE SAME ADDRESS TO WHICH WE HAVE ASKED YOU TO WRITE AND SHARE RONN JACKSON AND INTENT TOWARD COLLATERAL GOVERNMENT UNDER GOD AND THE CONSTITUTION. The book is a "best-seller" so you can probably get it anywhere.

The sooner you get the attention AND HELP of such as Perot, Goldsmith, Jordan (Barbara) and a few others—the sooner you can begin to scrape off the parasites! You can and MUST rid your bodies of the parasites infesting your innards (which the outside parasites have used to infect and kill you) and THEN—get rid of the outside PARASITES infesting your very life-stream. How? CUT OFF

THE FOOD SUPPLY—WHATEVER IT IS. Then, they must turn upon themselves to feed and that will be the end of them. They cannot survive in the Light of Truth—or upon YOU if you cease to feed them! When Mother Earth is ready to rid herself of these parasites who have destroyed vast reaches of her body—it is going to be a REAL show and tell. You can depend on it.

We are presenting TRUTH about PEOPLE who are the new rulers of your ONE WORLD ORDER! They are the Parasites of Humankind and also the Destroyers of everything wondrous, for their own physical GAIN. They have been called by many names among which are Communists, Royalty, AND JEW. The term no better fits the ordinary man or woman from the Holy Land in Judea or the Hebrew line of ancestry than it does to automatically call the White Supremists, "Royalty". The very word "JEW" is a definition of "being" in intent—NOT A LABEL OF TRIBE, RELIGION OR RACE. And of the terms just mentioned, "Religion" fits best—but still is not on the mark. They use EVERYTHING by taking your very language and redefining words and making them their own—while you are forced into "dis" education and "dis" information while they write those definitions in the very books you go to for "truth". YOU HAVE BEEN "HOODWINKED" (A Jewish Freemasonic TERM for being made the FOOL). The JEWS are a conjured CLUB OF PARTICIPANTS TOWARD A COMMON GOAL—THE TAKING OF AND HOLDING ALL PROPERTY AND RULING THE WORLD. THEY ARE NOT A TRIBE OF GODLY BEINGS FROM OUT OF THE MIDDLE-EAST SOMEWHERE-OVER-THERE. THEY ARE AMONG YOU AND CONTROL YOUR VERY LIVES.

HOW DO YOU KNOW THEM?

GET INFORMED! You can actually hear the fifteen minutes of a newscast and KNOW that with which you are dealing. Examples? Fine:

MERGERS

Right out of headlines of the day:

Morgan Stanley and the Warburg (Banking/Mortgage) Empire ARE MERGING—TODAY! Remember that they do not announce such a major coalition until it is DONE unless they WANT to use the confusion of processing. These are among the most ELITE OF THE JEWISH PARASITES ON HUMANITY!

Also, Macy's is merging with Federated. THESE ARE ALSO AMONG THE MOST ELITE OF THE ROYAL PARASITES ON HUMANITY. BY THE WAY, THE INDUSTRIAL ENTERPRISES ARE ALL "MOVING TO LOWER WAGE COUNTRIES SO THEY CAN MANAGE TO SURVIVE IN BUSINESS." Indeed it is stated RIGHT ON YOUR CNN (ELITE JEWISH PARASITES) newscast!

FREE TRADE

The newscaster also tells you that Chile will become a new member of the Free Trade Agreements along with many other nations South of Mexico and soon you will "have a united trade world".

[QUOTING, PART 6:]

WHY THIS SUBJECT?

[H: I am asked to give information for obtaining this work. I have no information regarding same. I would suggest, however, that you go directly to Eustace Mullins, (% Ezra Pound Institute of Civilization, P.O. Box 1105, Staunton, VA 24402).

I care not from where you get these writings—BUT PLEASE GET THEM! YOU CANNOT, HOWEVER, MAKE GOOD SENSE OF ONE WRITING WITHOUT ALL SEQUENCE WRITINGS OF THESE AUTHORS. I have also been provided with some articles which deal on this subject matter and will integrate them within Mullins' works. But for now let us continue with the "Parasitic Plague".]

THE JOY OF A HEALTHY LIFE

In 1948, when I went to San Miguel de Allende, a beautiful village in Mexico, I began to live my life in art. At the age of twenty-five, this was my first experience of joy, because my life had been passed in the gloom which the pall of the Jewish parasite had cast over America. I began to understand what D.H. Lawrence had experienced during his years of desperate wanderings in search of the sun and seeking a healthy life. Not only was D.H. Lawrence dying of tuberculosis, but he was also dying of the terrible malaise which had settled over European civilization, the loss of the will to live, which had been eroded away by centuries of slavery under the Jews and misgovernment by the shabez goi.

In the bright, sun-washed streets of San Miguel de Allende, for the first time, I knew what light was. The people, though poor, were strong and self-reliant, they bore no resemblance to the Americans I had left at home. Although I did not realize it at the time, there were no Jews here, and no shabez goi. Now I began to know the joy of the creative life, my life in art, the life of the mind and the God-given talents to which all of us are born and of which we are robbed by the Jews and the shabez goi.

Now, there was nothing selfish in my attaining this joy, because I was not taking it from anyone else, and since that time, I have wished for nothing more than to bring this joy to all of my people. Since this desire now became the principal direction of my life, I began to live my life in Christ, because I wished to bring joy to others. As these efforts brought me nothing but poverty and what would have been despair, had I ever despaired, I found Christ and knew a greater joy than my life in art. [H: Note that he did NOT say "Jesus" in this statement, he said "Christ"!]

If the American people knew nothing of the joy of my life in art, how much less did they know of the joy of my life in CHRIST! The question now was, how to liberate them from two thousand years of mental serfdom. During these centuries, the Jews had continually decried the institution of physical slavery, and while noising about the possibility of physical freedom for everyone, they had subtly imposed their own brand of mental serfdom upon the gentiles. And if physical slavery is a crime, how much greater a crime is mental slavery, the taking over the mind of a freeborn human being!

One of the greatest problems which faces our nation today is the disenfranchisement of the American worker and the middle class. His vote is meaningless, it is worthless, because no matter for whom he votes, his personal position in life deteriorates. His taxes are increased, the business pressures intensify, and his family life is subjected to terror and shame at the hands of aggressive minorities, egged on by the shabez goi wretches and the Jewish overlords.

With the shabez goi in charge of the departments of our religious life, our academic life, and our cultural life, the American workers and the middle class find that wherever they turn, they are faced with the Jew. A Jew directs the symphony orchestra, ninety percent of the art galleries are operated by Jews, so that gentile artists cannot get a showing for their work unless they embrace the degenerate goals of the Jew. The three television networks are owned and operated by Jews, while the studios, producers, and writers, who are nearly all Jews, bring us programs in which gentiles caper to the Jewish tune. In fact, a five percent minority has gained control of every aspect of American life.

DEEP ALIENATION

Now, this unconscious realization causes the American worker and the middle class to become despondent, because of a deep feeling of alienation, an overwhelming sense of loss. He knows that this is not *his* art, it is not *his* culture, it is not *his* religion, and it is no longer *his* country, because an alien has taken over every department of his life. As a result the American worker and the member of the middle class loses his power of concentration, he can no longer think anything through, because his education, his cultural life, and his government, are all in the hands of the alien, and because he cannot think his problems through, he loses the resolve to act, he sinks into the hopeless attitudes of lifelong mental slavery which the parasite has forced upon him.

INTENSE SUFFERING

But, even though the American worker or the member of the middle class has lost his power to think things through, and to act from his will, he is still a human being, he can *feel*. Thus, he endures intense mental suffering, because everything has been cut out of his life except the task of working to feed the Jewish parasite. And even though I have passed beyond this suffering, I cannot rest because I know what this suffering is doing to the American people. I do not feel this suffering, because of the joy of my life in art, and the joy of my life in Christ, and, knowing this joy, I do not need America, and still less do I need a Jewish America. But America is a creation of God, and as such, it cannot be abandoned to the Jewish parasites, the suffering of the gentile host must be relieved.

THE TASK BEFORE US

Although I live in joy and peace, I know that America must be restored to Christ. I would like to free her from her bondage to Satan, in the metaphysical sphere, and from her bondage to the Jews, in the biological sphere. [H: **Synonymous terms, "Jew" as used here for "Pharisees" and Satanic ANTI-CHRIST.**] Although I have been freed from suffering through knowing Christ, I know what suffering is doing to my people, who have been robbed of everything, and who have been converted into mindless robots who mechanically perform tasks according to instructions implanted in them by a Jewish programming, and who respond to every question with a Jewish answer.

I resent the fact that my nation and my people have been converted into a country of Pavlov-conditioned dogs, and I am resolved to see them become men once more. Because they are cut off from the creative life, because they are cut off from the life of their nation by the Jewish parasite, their lives are empty and pointless.

NO HEROES

One of the problems of this Pavlov conditioning is that we no longer have heroes. Now, a nation cannot grow in health without heroes. For the past fifty years, our heroes have been the synthetic products of Jewish liberalism, those Americans who have successfully exploited their people for the benefit of the Jews, and who have expedited the mongrelization of the American people. These synthetic heroes are made of plastic, they do not have any of the human qualities. A typical synthetic hero is Hubert Humphrey, Vice-President of the United States, whom one can press into any shape, like a rubber doll, because he has no skeletal structure. He has accepted every aspect of the shabez goi role, and he has no culture and no goals except those which have been implanted in him by the Jewish programmers. [H: **This pretty well dates this material as being quite a few years old and yet it might well have been written yesterday—except things are even WORSE in the TAKEOVER. Let us consider this Hubert Humphrey. This man is almost immortalized in glory by ones such as Robert Schuler of the Crystal Cathedral. This is only an example, however, do you not see that the very being of goodly Robert Schuler has also BEEN THOROUGHLY PHARISEED AND JEWIZED? IF YOU CAN'T RECOGNIZE THE SUBTLE CLUES—YOU CAN'T FIND THE PARASITES EATING YOUR LIVES AND SOULS AWAY! Worse—in the instance of a Robert Schuler—HE DOES EVERYTHING IN THE NAME OF "JESUS CHRIST"!**]

THE MULLINS REPORT

In 1957, alarmed by the issuance of a report known as the *Gaither Report*, which insisted that every aspect of shabez goi life and Jewish liberalism must be intensified in America, some of my associates urged me to make a formal reply. As this request dovetailed with some projects on which I was then engaged, I was able to draw up a sweeping reply within a few weeks. This report is reproduced here exactly as it was published in August, 1957, by M & N Associates, in Chicago, Illinois:

(Due to public alarm over the Gaither Report, which admits that the United States is rapidly becoming a second-class power, but dares not admit why that is inevitable, M&N Associates has decided to release the confi-

dential Mullins Report, prepared in August, 1957 for a group of American industrialists. We issue this report as a public service by an impartial research organization. It has already become history.)

BY 1980, THE UNITED STATES WILL OCCUPY THE SAME POSITION IN INTERNATIONAL AFFAIRS AS DOES INDIA TODAY. The United States will then be an overpopulated, impoverished country with a standard of living 50 percent below its 1957 level. [H: Oh yes it is! You simply cannot see the forest for those trees blocking your view. You are in far worse shape in almost every way than even as recently as 1957.]

Consequently, there is no need, and little possibility, of Russia waging war against the United States. The rapid wane of the United States as a global power will enable Russia to make the American continents into Communist satellites by 1980 [H: Oh YES YOU ARE!], if she so chooses, but this prospect is unlikely. [H: Not when you realize that the term "Russia" as used here ACTUALLY means "Russia" and not the Soviet Union of Bolsheviks (Jews). Remember that Communism was started and structured from the *Protocols of the Elders of Zion* and ARE THE JEWS!] From geopolitical considerations, the continents of North and South America will be of little practical use to Russia. [H: But it REPRESENTS the HOMELAND to the Pharisees.] Her European and Asian policies will remain paramount to her national security, but the American continents will be of less geopolitical significance than Africa.

Because of this prospect, the Rockefeller Report and other government demands for increased "defense" spending may be properly evaluated as last-gasp attempts to shore up an artificial and doomed prosperity. [H: I would guess that you who understand what I mean, will recognize that this is THE REASON that the Rockefeller "boys" were all REPLACED!!] How did it happen that the United States, which in 1945 stood unchallenged as the supreme world power, could decline so rapidly? To understand this, a brief review of the nation's history is necessary. The country was settled by bold, energetic North Europeans who were willing to risk their lives in a wilderness in order to own their own homes and land. Cheap labor was needed, but the Indians refused to become menials, so they were killed or put on reservations. The New Englanders imported negroes, but they proved to be less productive than the cost of their keep, so they were sold to Southern plantation owners, where the climate was more suitable and their owners less demanding. Even so, their importation was soon discontinued as impractical. [H: Remember that Mullins wrote this in 1957 so he was a long way short of knowing what he knows NOW. However, how much of this did you know in 1957, or would even listen to, and what did you actually KNOW about this, say, year before last? Yesterday??]

Meanwhile, the original North European settlers prospered and increased. With ample space and plenty of natural resources, they soon developed into the most highly skilled and productive people the world has ever known. New inventions poured from them, and they enjoyed the greatest prosperity in the history of mankind.

Successive waves of cheap labor came from Europe. A substantial wave from Ireland produced many desirable citizens, but after 1860 little further immigration came from Northern Europe. Most if it was from Central and South Europe, with some Asians. Side by side with the North European settlers lived the burgeoning families of the darker citizens. Limited in number in their own lands because of the lower productivity, they reproduced in much greater numbers here because of the higher productivity of their hosts.

Despite the fact that these darker citizens enjoyed a higher standard of living here, thanks to the superior technology of the North Europeans, they felt no gratitude. Instead, they were consumed by hatred and envy of the North Europeans, many of whom had amassed large fortunes and lived like princes. By 1900, the darker American citizens had formed a voting bloc to combat the political leadership of the North Europeans. Already a deep racial schism had formed which doomed the young republic at the very peak of its promise. The North Europeans soon concentrated their strength in the Republican Party, while the darker citizens became Democrats, a party which also represented the white Southerners as a result of the War Between the States. This strange alliance achieved its first great political victory in 1912

with the election of Woodrow Wilson, a misguided idealist who hailed the Russian Communist Revolution of 1917 as a "victory for democracy over the forces of despotism". Wilson set the nation on a suicidal foreign policy caused by the racial schism of its people. This policy aimed to end all racial injustice, atone for the sins of British imperialism, reprimand French imperialism, stop German imperialism, and set up a worldwide protectorate for the colored peoples.

The North European Americans had no idea what this policy intended, and were too busy and prosperous to care. The nation gained in wealth and power by entering the First World War. A few years later, the Crash of 1929 wiped out the fortunes and property of more than half of the North European Americans. The stage was set for the Roosevelt regime, which was to set up the rule of the darker citizens over the impoverished and dispirited white Americans, a rule carried on by the Truman and Eisenhower directorates.

Our entry into the Second World War was intended to stop "racist" Germany, as though every group in the world was not "racist" and interested in its self-aggrandizement. In 1945, a victorious United States reaffirmed its role as the protector of the colored world. But Soviet Russia also claimed to be the protector of the colored world, and pointed out that white Americans refused to intermarry with the darker citizens. Most white Americans maintained homogeneous communities, schools, clubs and places of worship, just as did all other groups in the United States. However, the heirs of the Roosevelt regime now ruled it illegal for white Americans to separate themselves, although all other groups were allowed to do so without hindrance by the government. Now the government began to enforce a policy of racial amalgamation, although no other nation in the world, especially Soviet Russia, followed such a policy. Largely through the Supreme Court, an instrument operating upon powers usurped from Congress, white Americans were stripped of their private institutions and forced into racially integrated schools and living quarters. Intermarriage was inevitable, particularly because of the flood of "integration" propaganda.

All religious groups in the United States declared it a religious duty to racially amalgamate, although not one of their leaders could cite a single tenet of dogma which

required this. White children were taught in the schools and churches that it was their duty to intermarry with the darker citizens, and the press, radio, television and movies pressed the mongrelization campaign. The government continued legal action against the last privacies of white citizens, although no action was taken against Negro, Jewish or other group institutions. Yet at the very moment that white Americans were being forced to racially amalgamate, their technical skills were in greater demand than ever before! Guided missiles were being developed by imported German scientists because impoverished white Americans were working as manual laborers, unable to educate their children in technical schools. But the shortage of engineers was laid to the fact that we had not availed ourselves of our fine negro talents; a people who squatted in dusty jungle kraals for 20,000 years without the least improvement in their conditions was now declared the rightful heirs of the American technology. Our universities were flooded with colored students, their tuition paid by government grants and "racist" foundations for colored only. The white Americans who could have salvaged our declining technology continued as manual laborers.

All of this was inevitable. The American of North European descent, although realizing that he possessed superior skills, bore no ill will towards the darker citizens. But the colored man could not see a white man without hating him, for the white face reminded the colored man that he was dark. Either the colored man must become lighter or the white man must become darker. No other remedy would pacify him. Anyone who has seen the advertisements for "skin whiteners" in the negro press knows how basic this drive is among the dark people. The pivotal negro vote caused the white man to be legislated out of existence in the nation which he had created, and the Supreme Court declared, "All Americans are Negroes!" M&N Associates makes no comment on the justice or injustice of this development. We only evaluate the facts. The inevitable result was that by destroying the white American's desire to preserve himself as a manifestation of God's Holy Will, and forcing him to intermarry with the colored, the nation was condemned to go the way of other great world powers, India, Egypt, Greece and Rome, whose white leadership vanished in intermarriage with darker peoples.

The passing of a great nation from the stage of world history is neither an occasion for sadness or rejoicing. It is simply an historical event. The process was bound to be much more rapid in the United States because of the pace of modern life and the tremendous pressure behind the dark people's will to intermarry with the whites. At the same time, Soviet Russia's white managerial elite, showing no intention of intermarrying with darker peoples, continued to specialize. Selective breeding became a state policy, and thus Russia secured the future for herself, for the future was long since known to belong to that nation which could produce the highest type of technological elite.

At this late stage, M&N Associates was asked to ascertain whether the colored citizens could be restrained in their aggression against white Americans. The answer is no. They will never be content to enjoy their higher standard of living here, because it cannot compensate for their constant reminders to themselves that they are inferiors. Once again, bolder whites will emigrate, this time to Australia and New Zealand. At best, the United States may become a sort of British Guiana, a colored colony of white Canada, whose dollar is already worth more than ours!

It is too late for the North European stock, a minority of 50,000,000, to reassert leadership over 120,000,000 mixed bloods. The colored cannot be appealed to on patriotic grounds, for they can never know nation-feeling, but only have race. Only a people capable of defending their land can know patriotism. Typical was A. Philip Randolph's advice to negroes to refuse to serve in the U.S. Army. M&N Associates does not believe that a White movement can gain power. There is no longer a White market in the U.S., either commercially or politically. At best, the whites might secede again as a White Southern republic, leaving the mulatto North to go its own way, but the result would be the same, the disappearance of the United States as a world power. Our mulatto grandchildren will placidly watch the decay of the nation they inherited, while the rest of the world, including Soviet

Russia, pay no more attention to us than is presently paid to the mouthings of the mulatto inhabitants of India. The world is realistic.

PRESCIENCE

When this report was drawn up more than a decade ago, I said that it was already history. Since then, the American position has worsened on the precise lines which I laid down. I said there was no White market, and every American politician since then has borne me out. In only one point did I err; I failed to allow for the possible reclamation of America through knowing Christ, because at that time I had not progressed this far, I did not foresee this sole possibility of reclamation for America. [H: I wonder IF Mullins can yet see it today? IT IS THE ONLY WAY, READERS, THE ONLY WAY!]

Some of the sponsors of this report felt that it was unduly pessimistic. Yet, in less than a decade, many of our great cities, including the nation's capital, lay in ashes, while we had entered an economic crisis which seemed impossible to solve. Now even the Mullins Report did not predict national bankruptcy against a background of burned and looted cities, in less than ten years! [H: Remember that the report was written almost 40 years ago!]

Let us recapitulate how this all came about. In 1945, the United States stood alone as the supreme military power in the world, the only industrial nation whose plants had not been destroyed by the Second World War. Militarily and economically, America was the master of the world, and the world waited for our command. We had only to raise our hand, and our command would be obeyed. England, France, Italy, Russia, and Germany, and in Asia, Japan lay in ruins, their factories but heaps of rubble.

PARALYZED BY PARASITES

But we gave no command. Why? Because the parasites and their shabez goi wretches had but one desire, to rebuild Communist Russia. Dean Acheson proposed that vast new loans be made to Russia, through his law firm, Covington and Burling, which so ably represented nine Communist nations at our Federal trough. The American postwar economy was hamstrung by Communist Jews such as David Niles, a notorious homosexual who bragged that Harry Truman never made a decision without consulting him, and who had one sister in Israeli Intelligence in Tel Aviv, and another sister high in the Soviet Intelligence in Moscow. Harry Dexter White, a Lithuanian Jew and lifelong Communist agent, also supervised Truman's decisions as President of the United States.

At the top of this heap of worms squirmed the master parasite, Bernard Baruch, an agile Jewish speculator who made as much as one million dollars a day through foreknowledge of government decisions which affected the stock market. No wonder Harry Truman called Bernard Baruch "the greatest living American"! This master parasite pulled the strings of a horde of conniving political wretches, and collected United States Senators as a lesser man might net a cageful of hamsters. He publicly boasted that he had such Senators as Harry Byrd, James Byrnes, Harry Truman and many others in his pocket.

time to rebuild her shattered economy. Not only was the United States paralyzed by Jewish "economic planners", whose sole aim was to stall the erection of a prosperous economy, but the Communists also found the ideal instrument with which to weaken America from within, a planned race war. With the race war and the paralyzed economy in America, the Communists bought time, a precious decade, time for Russia to build an atomic bomb, with the assistance of the Rosenbergs and a vast horde of Jewish spies, while other agents threw the Negro masses against the barricades in a reckless and destructive race war. Now the government of the United States practically ceased to function, as the "spontaneous" and carefully-rehearsed "demand" of the Negro people for their "civil rights" took precedence over everything else in Washington. The shabez goi wretches leaped into the fray on the side of the negroes, yelping with precise responses to every command of the Jewish parasites, their paws flailing the air as they slavered for their slice of raw steak, whenever the Jews called out "civil rights" or "peace".

SUPREME COURT

As the high priests of the shabez goi wretches, the Supreme Court gave official status to every demand of the Communist-inspired mobs in 1954, when it ruled that all schools must be integrated. No other single decision of the Supreme Court has ever plunged the nation into such chaos. Americans stood appalled as armies of American soldiers marched into American cities, bayoneting and shooting white citizens who tried to claim their rights. But, a decade later, when we saw American soldiers again marching into American cities, it was to protect the Negro mobs who were looting and burning with impunity!

Now, in 1945, as we have mentioned, the United States stood pre-eminent in the world, as the new Rome. But in 1955, Russia was well on her way towards re-establishing herself as a world power, while the United States was weaker than it had been in 1945! And in 1965, the pendulum had already swung in favor of Russia, for in this decade the Soviet agents had successfully implemented a full-scale race war in the United States, and had also succeeded in committing American soldiers to the endless holocaust of an Asiatic land war. Caught in a man for man struggle with Asia's teeming billions, the United States would slowly bleed to death while Russia daily grew stronger, without losing a man. And Russia, at home, was calm, while the United States was drawn into a race war, the government was paralyzed, the educational system was paralyzed, and the American people had not a single representative who would defend their interests.

THE SCUM OF THE EARTH

Jewish gold had purchased the sorriest lot of ragtag beggars and thieves that had ever infested our nation's capital, men who, while handing over billions to the Jews, had sold themselves for a paltry few thousand dollars apiece! Our Senators and Representatives did not even ask for their souls the price of a healthy Negro slave at pre-Civil War levels. Once again, the Jews had bought a nation with its own money. The *Mullins Report*, in placing a dateline of 1980 to see the United States reduced to the status of another India, had erred by ten years. Now it seems that 1970 is the more likely date.

THE END OF THE ROAD?

Geopoliticians have said for years that America was running down. Everything that our nation has achieved had been done at the cost of tremendous outpourings of energy and instinctive intelligence. There has been much native greed and cruelty also, the merciless gouging of immigrant workers, the mass slaughters of the Civil War and the systematic destruction of America's only native culture, the Greek revival gentility of the South. These are dark chapters in America's history. But there are also bright pages, when America lived up to all of her promise of freedom and her offerings of hope to a sick and rotted European civilization, which was slowly expiring because of the excesses committed against her by the Jewish parasites. And now it is America's turn to totter on the brink of the abyss, as her economy reels from the onslaught of revolutionary mobs at home and insane Jewish adventures abroad. But there are still scientists who are blazing new

trails for the world, perhaps one per cent of the nation remains constructive in the face of these disasters.

In 1957, I could not predict the burning of American cities while police and National Guardsmen stood by, under orders to "show every possible courtesy to the rioters". I could not predict that a Jew who had thrice been denied security clearance would commit largescale American troops to Vietnam in order to sabotage our national economy, an effort which was advertised as an effort to "stop Communism" while the CIA planned the execution of the nation's anti-Communist leader, Ngo Diem. No wonder his widow remarked to television newsmen, "With America as a friend, you don't need any enemies."

WILL COMMUNISTS STOP THEMSELVES?

The three hundred billion dollar effort to stop Communism in Vietnam would be more believable if it had not been inaugurated by the same lifelong dedicated Marxists in the State Department who had sabotaged Chiang Kai-Shek's government and turned China over to the Communists. Can we really believe that these traitors, who had presented the Communist world with a gift of six hundred million people, were now prepared to make an all-out effort to save a few Vietnamese from the same fate? They showed their hand by refusing Chiang Kai-Shek's offer to send troops to Vietnam, just as they had refused his offer to send troops to Korea, because the State Department planners had to stick to their plan of showing Asia that it was "white imperialists" who were preventing the Vietnamese from peacefully setting up a Communist state. If Asians were sent to fight Communism, the Marxists in Washington would lose an important plank in their program to wreck our nation.

Meanwhile, at home, as the gross national product reached new highs, (due principally to runaway inflation), the Marxists continued their mad looting of the United States Treasury. Typical was the establishment of more than one hundred "think factories" in which the Jewish parasites drew huge salaries for sitting around thinking up new ways to exploit the gentile host. We find Herman Kahn's Hudson Institute, exposed in *The Nation*, May 13, 1968, as having been reviewed by the General Accounting Office and its million dollar a year contract proved to have produced nothing of value. The General Accounting Office characterized the work of the Hudson Institute as "its ideas a rehash", "superficial", "valueless". *The Nation* noted that "virtually no records were kept either at the Hudson Institute or by the General Accounting Office as to how money was spent, the progress of programs," and other usual business procedures.

We find that there are some one hundred similar concerns in this country, offshoots of the Rand Institute, which spend an average of \$50,000 per man per year. This is a salary of one thousand dollars a week for a Jew to sit in an office puffing a cigar, a type of boon-doggie which was inspired by Mortimer Adler's twenty million dollar windfall from the Ford Foundation to "study philosophy", with the usual valueless rehash of superficial ideas as the only tangible result. These moneys come from tax-exempt foundations or from government agencies, principally the Department of Defense, and never a word of criticism from our Senators and Representatives, who dare not criticize this method of the Jewish parasite's exploiting the gentile host.

THE RUINOUS EFFECT

The rapid deterioration of America from a position of strength to a rank of secondclass power, racked at home by riots and bankruptcy, is a classic example of the effect which the Jewish parasite has upon the gentile host. Writing in the *Washington Post* on April 5, 1968, Drew Pearson exposed Walt Rostow as the man who committed troops on a large scale to Vietnam. Rostow is a Jew whose father is an avowed Socialist, and Rostow himself, after being refused security clearance three times, was placed in charge of our national security. [H: Frightened yet? Is it not appropriate that they would have their chief parasite in the A-1 position of the Committee of Power? Nobody said it would be EASY—just that with God, all things are POSSIBLE! I would guess it remains to be seen if there are others on that committee willing to take a stand for TRUTH, FREEDOM AND LIGHT!] The man

who refused him security clearance because of his background is a loyal American named Otto Otepka, who has undergone continuous persecution ever since. State Department files were destroyed, witnesses were bribed, and perjury was committed to prevent Rostow from becoming another Dreyfus, a Jew who had gained admittance to the nation's top security councils and who was now to be rejected because of his past.

Later, as director of our national security, Walt Rostow and a little group of high-ranking government Jews gathered in the Pentagon early one morning to cheer the Israeli sneak attack on its neighbors, and toasted each other while Israeli planes massacred American sailors on the U.S.S. *Liberty* in neutral waters! [H: And where can you go from here? You didn't expect goody two-shoes purheart did you? Earl Warren was as black a spot on the conscience of America as ever walked the Earth—this is the way it IS! REMEMBER THAT THERE IS A COUNTER-FORCE FOR EVERY PARASITE.. HE CANNOT LIVE IF THE HOSTS EITHER PERISH OR SCRAPE HIM OFF—HE ONLY HAS "THINGS" AND OTHER PARASITES WITH WHICH TO DWELL IN THE END.]

PLANNING OF THE RIOTS

The riots which have devastated American cities for three years and left entire sections in smoking ruins, remarkably akin to the destruction which Jewish-directed bombers had visited upon the cities of Franco and Germany a few years ago, had their initial inspiration in the writings of a little black hustler in a pamphlet called "The Fire Next Time". It was published in a house organ of the Jewish parasites, the *New Yorker* magazine, and later issued as a book. In this work, James Baldwin promised that the Negroes would burn down America's cities. Baldwin has long been familiar as a housebroken pet of the Jewish parasites, and he lived for two decades on the liberal outpourings which they gave him from various tax-exempt foundations. Some grants were made in return for his favors, others were made to encourage his revolutionary activities, but none of these awards could be said to have been a sincere appreciation of his feeble literary talent. Since the fires started, he has prudently remained in Paris, snickering at a series of gay parties on the Left Bank while America's cities are devastated by the mobs who consider him their inspiration. In his interviews, which are always prominently displayed in the *New York Times*, he refers to the United States as "the Fourth Reich", an "in" joke among the parasites.

COMMUNIST INFLUENCE

If James Baldwin gave an intellectual impetus to the riots, the actual planning was done by the Chinese Communists. The inside story of the burning of Washington is that the Chinese Communists devised a plan whereby the city of Washington would become a "free city", divorced from the United States and administered by a Black Power Commission. This Commission would then charge the United States ten million dollars a year rent for the United States Capitol, the White House and other government buildings. When Mayor Washington approached President Lyndon Johnson with this plan, he was told that it was out of the question. A few days later, the city of Washington was on fire. The stage had been set three days earlier, at a Communist cell meeting at which the Party leaders decided upon the death of Dr. Martin Luther King. A North Vietnamese professional, Nuy Ti Ganh, was flown in for the job, while an American "Oswald" or patsy, as his name has now entered the American language, was murdered and his body buried that same night.

At this Communist Party meeting, one of the conspirators, a member of Mayor Washington's staff, mentioned that "our soul brother, Walter" had guaranteed the safety of looters and arsonists during the forthcoming burning of Washington. Not a shot would be fired against them—this was the commitment. The promise was kept. During three days of looting and burning Washington, not a single rioter was injured by the thousands of police and soldiers who stood by under orders not to fire.

Mayor Washington stated, at the beginning of the riot, that any policeman who shot at a rioter would be charged with murder. He fought bitterly against the ordering out of

the National Guard, and permitted it only after extracting the incredible commitment from the National Guard commander that the troops would keep their weapons unloaded, and that they would be permitted to load and fire only after obtaining written permission from a superior officer! This was the most ridiculous order ever issued to troops going into a combat situation! These conditions were then read over Television Stations WTOP and WTTG in Washington, so that rioters would know they could loot and burn without a shot being fired against them. [H: If you don't remember this—then what about the riots in Los Angeles following the King verdict—what happened to the Guard there? Ah Ha, begins to come home to pinch, doesn't it?]

MASS DESTRUCTION

At the height of the burning on Friday evening, after the Communists had murdered Dr. Martin Luther King according to plan, President Lyndon Johnson called Mayor Washington and begged him to allow the National Guard to come in. Mayor Washington curtly refused, and hung up on him, so great was the arrogance of the Negro leader.

The following afternoon, when most of Washington was in flames, Mayor Washington permitted the National Guard to come in only to protect the looters, because some of the Washington City Police, who had been shot at and clubbed by the rioters, were threatening to fight back. The merchants cheered the arrival of the National Guard, because they supposed that this meant a stop to the looting and burning. They were dumbfounded to see the soldiers standing by while Negroes drove Cadillacs from Newark and Philadelphia up to their stores, loaded color televisions, the most expensive clothing, and other loot, into the cars, and drove away, while the soldiers did nothing to stop them. When the stores had been looted, they were set on fire, and again the soldiers did nothing. The *Washington Post*, July 14, 1968, noted a government investigation which had established that the Negroes had been persuaded to burn the stores because the Chinese Communists promised them that once the Jewish merchants had been burned out, government aid would enable Negroes to open businesses in their stead, and that the Jews would be afraid to return.

GUARANTEE OF SAFETY

At 3:15 p.m. on Saturday afternoon, Mayor Washington had the instruction to the National Guard read over Television Stations WTOP and WTTG. He assured the looters that "1. The soldiers were carrying unloaded weapons and that they would be allowed to load and fire only after being given written permission from a superior officer, and 2. that the soldiers and police had been ordered to show every possible courtesy to the looters." With this reassurance, the rioters stepped up their activity, and the riot spread to Baltimore, where the same conditions were in effect. Mayor Washington's instructions resulted in another wild night of looting and burning. Five hundred and fifty-eight buildings were burned to the ground in the city of Washington after being looted, at a cost of eighty million dollars worth of goods stolen and ten million dollars in property damage. As one rioter explained, when interviewed by a television cameraman while he had his arms filled with hundreds of dollars worth of expensive clothing, "Man, it's wonderful! They can't bother us because we got a soul brother up there!"

LOOTING ACCORDING TO PLAN

During the height of the rioting, WTTG newsman Hal Walker, a Negro who was allowed to move freely about the city during the riots, interviewed a Jewish merchant, John Hechinger, who was Chairman of Washington's City Council.

"Don't you see a pattern to this looting?" asked Walker.

"Oh, no, it's indiscriminate," replied Hechinger.

"But aren't only certain types of stores being burned?" pursued Walker.

"No," muttered Hechinger, and the interview was suddenly cut off of the air.

Hal Walker was referring to the map which had been prepared before the riot in Washington, on which every Jewish store was marked, and of which three hundred copies were distributed in the city on the morning before Martin Luther King was murdered. The Chinese Commu-

nists had persuaded the Black Power leaders to stage a massive anti-Semitic uprising against the Jewish merchants who had exploited them. The main target of the burning was the destruction of credit records, and this goal was achieved. Now Hechinger and other Jewish merchants began a frantic campaign to conceal the nature of the anti-Jewish uprising. One Washington merchant, Irv Weinstein, refused to go along with the cover-up, and he openly declared that the burning of Washington was the biggest anti-Jewish uprising anywhere in the world since the end of World War II. He pointed out that the heinous Krystal Nacht in Germany during the Nazi regime, in 1938, in which Jewish stores were wrecked, had only resulted in a total of one hundred thousand dollars damage, while the Washington uprising had cost Jews one hundred MILLION dollars.

PETITIONS THE UNITED STATES

Against the wishes of his fellow Jews, who were desperately trying to cover up the story, Irv Weinstein tried to present a petition to the United Nations, charging Mayor Washington and the City Council with genocide, because they had encouraged the Negroes to attack Jewish stores, and had refused the Jews the protection of the City Police and the National Guard.

Ambassador Arthur Goldberg, our representative to the United Nations, refused to accept the petition, and assured Irv Weinstein that the United States Government would make good every dollar lost by the Jewish merchants. When he returned to Washington, Irv Weinstein was visited by two Black Power leaders who told him he had three days to live. Forty-eight hours later, he disappeared and has not been heard of since. Meanwhile, other Jewish merchants, who reopened their stores in Washington, were visited daily by Black Power leaders who charged them ten per cent of their gross to stay in business, a tactic they had picked up from the Mafia. One Jewish liquor dealer who refused them, Ben Brown, was shot down in cold blood in his store, and Mayor Washington still refused the merchants protection. Meanwhile, other Negroes were murdering bus drivers each evening, which caused the bus drivers to go on a slowdown. The purpose of these tactics to wreck the economic life of the city and its transportation system, had been planned by Chinese Communist leaders in order to paralyze the Vietnam peace talks. They correctly reasoned that with our capital city in flames and its economic life shattered, we would lose face and would be unable to make a strong presentation at the Paris peace talks. The murder of Dr. Martin Luther King had been timed for this purpose.

Meanwhile, agents of the Central Intelligence Agency were discovered to have also played a part in fomenting the Washington riot. When their role was revealed, CIA officials stated that the burned buildings followed exactly a plan for a Washington expressway through the city, which had been proposed for more than twenty years, but which could not be implemented because of the cost of acquiring the business buildings and tearing them down. Now that they had been burned out, the expressway could be built at a reasonable cost.

MONGRELIZATION PROGRAM

The riots which devastated American cities represented a new stage of the mongrelization program which the Jewish parasites had devised to weaken the United States, and, if Jews such as Irv Weinstein seemed to be the losers in this new phase, it was because they refused to look at the long-term program which had been devised for America by the Chinese Communists and their tools, the Black Power militants.

This program had been forced upon America during the Second World War, when the people were living under martial law, and had to accept without protest each new dictatorial decree of the Federal Government. [H: Yes, JUST LIKE RIGHT NOW!] At the end of the war, the Chinese Communist program moved rapidly to implement a forced mongrelization program along three fronts:

1. Forced integration of all army units, to prevent the existence of any armed unit such as an elite white guard which could battle against Communism at home.

2. Forced integration of schools, to educate children from their tenderest years to meekly accept government integration decrees.

3. Forced integration of churches, private clubs and neighborhoods, to prevent any adult white Americans from having a place where they could meet to discuss possible reactions against the activities of the Jewish parasites.

AN ADVERTISEMENT BACKFIRES

During the campaign for forced integration of all American Army units, the Chinese Communists found that there was a shortage of Negroes in the armed services, and they began a hasty program to attract more Negroes into the Army. One of these attempts was a poster which was widely distributed in Negro business and residential areas, and prominently displayed in Negro taverns and barber shops. The poster read:

YOUNG NEGRO MEN!

[H: Why do we continue to use the term "Negro" when the recognized term is "African-American" or "Black"? Because Negro is the name of the race. Black is a "color" of which I have never seen nor met a person of such color! It is an insult because it indicates the "absence of LIGHT". White is the opposite extreme—and not many of you white people are "white" either! "White" simply indicates a descriptive color of ALL COLORS COMBINED. "Light" by its lightedness is considered "white" INCORRECTLY. Light simply IS and bounces off (reflects) from any matter present. "African-American"??? There is no such thing. I suppose there can be Africans in America and many of those would be WHITE, however, an American is an American!!!! These are parasite terms to confuse and anger you in misinformation.]

"Are you victims of race prejudice? Do white girls refuse to go home with you? As a United States soldier, you can travel abroad and be stationed in the homelands of our allies, where your high pay will make you wealthy in the eyes of the people. Your money is worth five times as much as theirs. Negro-Americans! The white girls of Germany and England are waiting eagerly to see your healthy smiles. JOIN THE UNITED STATES ARMY TODAY!"

This plan came to an abrupt halt when copies of the poster were sent to Europe, where a press campaign was inaugurated to stop the planned debauching of white European girls by black soldiers, a favorite goal of the Communists which began shortly after World War One, when detachments of black Senegalese troops from the French Army were stationed in Germany and given orders to rape as many German girls as possible.

The Federal Government withdrew all copies of the poster and destroyed them. A European newspaper offered a thousand dollars for a copy but none could be found. One tactic of the Communists had backfired.

FLUKES AND OTHER PARASITES

In honor of last evening's conversation I believe that we should begin a series on "parasites", starting with whichever volume this will serve in the ongoing journals. I think it should read: *PARASITES: THE FLUKES*. This gives us a lot of leeway to cover many parasitic infestations from flukes to screw-worms. As a matter of fact, the major flukes, along with their shabez goi screw-worms, are meeting in South America to see, undoubtedly, what they can do to destroy the entirety of the Western Hemisphere.

MARKET NEWS?

Oh readers, if you try to tell what is going on by your "markets", you are going to get "had". However, WORD COMES IN (I didn't project this—it "came in") that the Federal Reserve is in worse shape than Orange County and is due to close on this coming Wednesday. As a matter of fact, Mr. Flukegreen Spanscrew is in about as hot a water as he has ever been. With the derivative market blowing out all the county and municipal bonds—bankruptcy of a nation and a banking system has to be close behind! Does this mean that the BANKING INDUSTRY is dead? Perish the thought for the Flukes have mighty and lockjaw teeth. Did you not note what I said on the yesterday? Morgan and Warburg are MERGING! Also, Macy's and Federated Stores are MERGING. This is HOW you kill a nation!

Let us try and finish this writing from Eustace Mullins, please. This is the kind of information you must have.

PLEASE NOTE THAT EVERYWHERE MR. MULLINS USES THE TERM "JEW" WE SHALL REPLACE IT WITH "FLUKE" OR "SCREW-WORM". PERHAPS THAT WILL KEEP US IN BETTER GRACES WITH THE ANTI-DEFAMATION LEAGUE?

THE BIOLOGICAL FLUKE

by Eustace Mullins

[QUOTING, PART 8:]

THE SHABEZ GOI SLOW PARALYSIS

A prominent characteristic of the Fluke parasite's techniques of slow paralysis of the higher thinking centers of the gentile (Parasite Hosts) masses is the continuing efficacy of old methods. The Fluke biological drive to destroy Hosts' civilization through the infiltration and control of the nerve centers has been centralized in the techniques of fomenting Communist (Parasitic) revolutions in the industrialized nations.

In 1848, there were street demonstrations against government policies in many European nations, riots which the police could not control. Some European governments fell before the Parasitic onslaught of 1848. Now we find, a century later, that the same techniques of street demonstrations work just as well, because the demonstrators grow more aggressive, and every department of the government is tested and strained until it gives way.

The initial impetus of the riots comes from students who are agitated by their instructors. Plans are made, students are indoctrinated by faculty members and by older "students". In Berkeley, California, the organizers of the student riots were found to be "students" in their late twenties or early thirties, and many of the protestors were not students at all, but persons who had taken up residence near the campus for the purpose of fomenting riots.

[H: By the way—EVERY TIME YOU FIND THE PRESENCE OF CANCER, YOU FIND FLUKES AND ISOPROPYL ALCOHOL. ONE IS POISON; THE OTHER PRODUCES THE POISON!]

THE ROLE OF THE CHURCHES

The churches (TEMPLES OF DOOM) in the United States play a vital role in providing "sanctuary" for the Communist plotters, raising money for the demonstrations, and serving meals to the rioters, who are too busy with their work of planned disruption to be concerned with providing food for themselves. Dedicated Marxist organizers, who probe for every weakness in the community with all the skill of highly trained surgeons, have long recognized that the churches and their air of piety provide the ideal cover for revolutionary operations. Infiltrating the church groups is no problem, because they are already wracked with dissension over theological matters, and the administration is composed of college-educated persons who have been thoroughly indoctrinated with the proven shabez goi Screw-worm techniques for controlling the Host masses. Thus, Parasitic "communists" infiltrate the seminaries (Josef Stalin began his revolutionary activities as a student priest [of the parasitic Nazi conglomerate]), and with the aid of other parasitic communists, they rise to positions of command in all the religious (Parasitic Party [they hold command over all of these parties]) denominations.

CHURCH ADMINISTRATION EXPOSED

Rosemary Reuther, one of the nation's outstanding Catholic scholars and a teacher at George Washington University and Howard University, exposed the origins of our church offices in *The Church Against Itself*, Herder and Herder, NY, 1967, page 134.

"The first concept of church office was borrowed, not surprisingly, from the Jewish synagogue (Parasite Union Hall). The sanhedrin, the council of elders which ruled every Jewish (Flukish) community, provided the first model for church office. This pattern was established first in JERUSALEM, where, by PAUL'S (Saul of Tarsus and Christ's most deadly enemy!) time, it had succeeded in replacing the original community of Jesus' followers and substituting a presbyterial structure modeled on the Jerusalem sanhedrin."

Thus we find the Party's administration, a short time after the Sanhedrin (Luciferian [SATAN] Pharisees) had demanded Christ's crucifixion, [H: Directly related to Saul of Tarsus, later changed his name to Paul the apostle to protect the guilty and proceeded to write YOUR BIBLE! See how easy it is to understand when you know the right terms and language.] kicked out Jesus' followers and adopted the dictatorial administration of HIS murderers. This is one of the most amazing discoveries ever revealed about the strange role of the churches in denying Christ and trying to destroy HIS followers! Read it again and again, until you understand why the churches (Union Halls) embrace every tenet of Parasitic Communism and REJECT EVERY PRINCIPLE OF CHRIST.

DISORIENTED FOOLS

The most valuable members of the church who promote class struggle are those who are not Parasitic Communists at all, but who are disoriented fools who are unable to accept CHRIST, who are dissatisfied with their life, and who wish to provoke Armageddon by any means at their disposal.

What is most surprising is the continued gullibility of the students in our universities (Brainwash Clubs), who are still enthralled by a Fluke Communist "wave of the future" which is mired in the atmosphere of 1848. Marxism (Fluke/Screw-worm Parasitism) plods along with the same dreary set of concepts with which it faced the onset of the Industrial Revolution. Flukish Communism has not come up with a single new idea for more than a century, yet it tries to meet the Space Age with a theory which was obsolete even when it was first set forth by Karl Marx!

STUDENTS ARE UNINFORMED

Our students are never informed that the ideological masters of Fluke Communism, Marx and Lenin, [H: Neither name is their own.] were men who were completely out of touch with the life of the societies which produced them. They spoke of the "revolt of the peasantry" at a time when the peasants (slaves) were moving to the cities to take factory jobs, but then, what could Marx, sitting in a dusty room of the British Museum and wriggling back and forth as his Fluke hemorrhoids tormented him, know of the changing world outside of the book stacks, and what could Lenin know of the world during the years which he spent quietly reading in a Swiss library, leading the life of a retired insurance salesman, until the twentieth century caught up with him and dragged him back to Russia, where he became the willing tool of a homicidal maniac named Lev Bronstein, or Trotsky? Yet American professors today present these two intellectual backwaters, Marx and Lenin, as the two most original thinkers of all time!

STUDENTS ARE CHEATED

One reason that American students are so prone to embrace doctrines of revolt is that they know they are being robbed, that they are not getting the education they are paying for, because the "treason of the clerks", the *trahison des clercs* which Julien Benda, a French scholar, exposed, prevents them from receiving an education. The Screw-worm and Fluke professors, the treasonable clerks, cram the outdated philosophies of Marx and Freud down the

throats of the students when they need an education for the Space Age!

[H: In order to hurry on through this writing we will stop inserting the CORRECT terms except where easily recognized. However, I will tell you RIGHT NOW, and with no equivocation, if you get rid of the parasites in your body and build your immune system as we have suggested—CANCER AND AIDS ARE GONE! Clean them from your society and you have a society in balance and harmony—under God—with FREEDOM.]

THE MACLEISH SYNDROME

One of the principal reasons for student rebelliousness is the ubiquitous MacLeish Syndrome which they encounter in our better universities, particularly in the Ivy League schools. The MacLeish Syndrome has two firm tenets which are never deviated from: "1. All culture must be presented as Jewish in origin. 2. All human thought must be attributed to either Marx, Freud or Einstein, and must be clearly labelled as originating from these Jewish 'geniuses'." Forbidden to know the work of such great gentile minds as Ezra Pound, Werner von Heisenberg, and hundreds of others, the students grow restless, and after two or three years of this dreary rabbinical education strictly on the lines of the TALMUD, they are ripe for any doctrine of revolt. Yet, instead of rebelling against their sick professors, they allow the professors to send them out to wreck the surviving institutions of their gentile civilization.

The MacLeish Syndrome is characterized by a tweedy, Scot-terrier type of individual who has been a lifelong pet of the liberal non compos mentis. Because of inherited income, this type affects a genial air of native superiority, and entertains student leaders in a den lined with the first editions of the works of former students, nor is he reluctant to describe how he arranged for their publication.

A good sherry is poured for the students by a subservient black man while the MacLeish talks easily about the necessity for human equality. Often silly, and always dishonest, the MacLeish sits regally in a vast easy chair of Spanish leather, puffing a rare mixture of imported tobaccos in his pipe and wearing a red silk smoking jacket from Sulka, while black patent leather slippers from Peele of London dangle from his toes. The students literally perch at his feet, while the MacLeish peddles a watered-down version of the gospel according to Karl Marx. [H: You must now begin to understand how the most outlandish of persons or beings can accomplish the changing of an entire world. YOU TOO CAN DO IT IF YOU WANT TO! IF THE TOTAL IMBECILES CAN DO IT, CAN YOU NOT MAKE ENOUGH CHANGES, TOGETHER, TO FIND YOUR PATH BACK INTO SOME TYPE OF FREEDOM? I hear you when you say, "But they have the God of Darkness leading and pushing and shoving them." So, have you not got the CREATOR GOD OF LIGHT on your side when you are ready to acknowledge HIM?]

Dazed by the MacLeish syndrome, the students rise up and go out into the world to purvey classical Marxism to the masses whom this philosophy is intended to enslave. From the posts which they obtain, they rise rapidly in the spheres of education, journalism, religion and government, their promotions depending solely on the degree in which they are effective in spreading the Marxist gospel. Whatever doubts the students may have entertained about this gospel soon vanish as they discover how it opens the doors for them in their chosen professions. Those whose systems reject the infection find that, twenty years later, they are teaching study hall at the Podunk Grammar School, or tending a deserted library in East Gowatchee, Pennsylvania.

GULLIBILITY

What is puzzling is the continued gullibility of the students, who blindly accept as "the wave of the future" a philosophy of Marx which was already obsolete one hundred years ago. How can they be so obtuse? In the first place, a student must begin with what he is exposed to, the sunlight and air and water which is available to him. Now, if he gets only shabez goi (Screw-worm) thought from his Fluke teachers, what else can he know? Cut off from his native Western culture, the American student today is a rootless tumbleweed, driven by the wind from one goofy

Marxist theory to another, and unaware of his heritage, his people and his nation. His anger at finding that the education he pays for is an empty sham is understandable, but his failure to react against the true culprits suggests that his native instincts have been destroyed, as he reacts against his society, rather than against the perverters of the educational system themselves.

A STUDENT AWAKENING?

The recent Columbia University riots may presage an awakening on the part of the students, as the eviction of President Grayson Kirk from his office would seem to be a sign of student awareness, yet the same dreary Marxist slogans scrawled on the walls indicates that they have learned nothing. Those students who defecated upon Dr. Kirk's desk may have demonstrated a legitimate resentment, but they also revealed their own lack of judgment. Instead of attacking the milksop Marxisms of their perverters, they were led by the Fluke agitators who criticized the professors for not being more Marxist! Is there any intelligence left in such students, or have their minds been totally destroyed by such Fluke activists as Mark Rudd at Columbia University, the son of a Lithuanian Fluke named Jacob Budnitsky, and in France, the student leader who wrecked the DeGaulle regime, a redheaded Fluke agitator named Daniel Cohn-Bendit, also known as "Danny the Red"?

MENTAL BONDAGE

The plight of the students reflects the unhappy situation of the entire Parasitic Hosts masses, a condition of mental serfdom. Now, when we say that Americans are being held in mental bondage, what do we mean? We mean that every newspaper, radio station, television station, magazine and stage and screen play has been edited by Fluke agents to remove any reference to their crimes and to keep the Host masses in a condition of sleep. This would be a fantastic statement if we did not have at hand the annual reports of the organizations which perform this censorship. Foremost is the Anti-Defamation League of B'nai B'rith (from British Intelligence), with the American Jewish Committee and the American Jewish Congress as other important agents of censorship.

These groups issue annual reports in which they document the fact that their agents check every public presentation of any kind, written or staged, and delete any references to Fluke misdeeds. As a writer, I have followed the ADL operations closely for twenty years. If I submit a story to the *Saturday Evening Post*, an ADL staff member, whose salary is paid by the magazine, checks the story for any reference to Fluke activities, and also checks a blacklist to see if my name is there as a critic of the Flukes. Even if the story contains no reference to the Flukes, it is rejected because my name is on the Fluke blacklist, and I must be prevented, first, from earning any money from my writings, and second, from reaching an audience.

If I submit a manuscript to a publishing house, it is again checked first for references to the Flukes, and second, to see if its author is on the Fluke blacklist. In this manner, the Flukes prevent any Host writer from reaching the public if he is known to be indifferent or hostile to their goals, if he has refused to become a member of the Screw-worm class. Any publication which rejects Fluke censorship is either driven out of business, or taken over by Fluke financial interests. A book which is published by Hosts who are not of the Screw-worm class is ignored by the book review departments of mass publications, and bookstores refuse to stock it, for their stocks are reviewed monthly by traveling ADL agents who enter the store incognito, inspect the stock, and if any publication is found which mentions the Flukes, the proprietor is threatened with various weapons, lawsuits, government action, or financial revenge.

DISASTER IS PUBLISHING

Many Host publications, such as the *Literary Digest*, *Liberty Magazine*, and others have been driven out of business by the ADL, not because they published "anti-Semitic" (Pseudo-Fluke) articles, but because they refused to let ADL inspectors control their operations. Other magazines, such as *Collier's*, were once prosperous publications, but Flukes took over their editorial staffs and

filled their pages with hysterical invective against anyone who opposed them, until the disgusted subscribers quit reading them.

The *Saturday Evening Post* is now traveling this road of no return. Once a virile publication which reached a respectable percentage of the American [H: New Israel Homeland] middle class, it has become a vicious and irresponsible organ of Parasite propaganda, and is facing bankruptcy for this one reason. So important has it become to the Flukes that Martin Ackerman, a Fluke entrepreneur, recently rushed in with a five million dollar loan. A week later, he announced that he had recouped his loan by selling the *Saturday Evening Post* subscription list to *LIFE MAGAZINE*, a typical wheel-and-deal operation. Nevertheless, the *Saturday Evening Post* is doomed to go the way of *Collier's*, for, under its present editors, it is a sick and vile publication. ADL agents fill its pages with their garbage as they try to brainwash the American people. Typical was a vicious and unprovoked attack against the American businessman, H.L. Hunt, in a recent issue of the *Saturday Evening Post*, written by a professional clown named William Buckley. This article referred to Mr. Hunt as a "boob with appallingly bad manners" a "buffoon" and other sneering Fluke epithets. One ostensible reason for Buckley's attack may have been Mr. Hunt's refusal to contribute to the staggering losses suffered by Buckley's venture into publishing, the *National Review*, which is neither national nor a review.

DOES BUCKLEY EXIST?

William Buckley, a well-advertised "conservative spokesman", has been described as a figment of George Sokolsky's imagination. A Fluke provocateur, Sokolsky decided to use Buckley's money to launch a "rightwing" magazine which would peddle approved Fluke techniques of "anti-Communism". Sokolsky and a Hollywood gagwriter named Morrie Ryskind put together the format of the *National Review*, which it still follows today. Although Sokolsky died, the *National Review* was condemned to drift forever on the sea of this murky idea, in which only three principles could be discerned. The first was that Flukes are not Communists, the second was that anti-Semitism was the worst evil of which man could be guilty (a plank which Sokolsky borrowed from the Soviet *Constitution*) and the third was that all Americans are FOOLS.

SHABEZ GOI
[H: SCREW-WORM] ANTICS

One of the techniques of ADL control is to keep the gentiles at each other's throats through tried and proved methods of provocateurism. When Robert Welch founded a Host anti-Communist group, the John Birch Society, an ADL provocateur persuaded Buckley to attack Welch as being "anti-Semitic". Stung by the accusation, Welch hastily hired Fluke editors to supervise his publications, but Buckley continued his attacks, and the supposed goal of the *National Review* and the John Birch Society, anti-Communism, disappeared in an avalanche of mud-slinging, a typical Screw-worm imbroglio, while the Jews laughed their heads off. The moral is that each time you hit a ball across the net, a Fluke wins a point, because Screw-worm conditioning, the Pavlov slaving of the trained dogs, occurs on schedule whenever the Fluke utters the key word, "Anti-Semitism". But trained dogs, however amusing they may be in a circus, cannot build a nation, nor can they administer one which others have built.

WHY NOT?

Looking at this situation superficially, as we have been trained to do by the Flukes, we may well ask, "Why shouldn't the Flukes do all of our thinking for us, censor our books and burn anything they do not wish us to read?" But this goes against the grain of the American legend of freedom and self-expression; it denies us the right to examine and solve our national problems. America faces a serious economic crisis, a serious racial crisis, and a serious military crisis, yet the Flukes refuse to allow us to discuss these problems, for fear that we might criticize the role of the parasite in exploiting the host.

More important, we are frustrated in our search for wisdom. As crucial as the maintenance of life itself is man's quest for wisdom, the fruit of a healthy life, in order

to bring more benefits to his people. Ezra Pound once said to me, "A man should study German philosophy from age forty to sixty, Greek from age sixty to eighty, and after he has reached the age of eighty, he is ready to tackle Chinese philosophy." But all we get is Fluke philosophy devoted to the maintenance of the parasite's ascendancy over the host, but it also prevents us from knowing CHRIST. A great republic is collapsing into the dust, but what do the Flukes care about this? As their slogan says, "Who needs it?" They will travel to another host, and America will join the ghosts of Babylon, Egypt, Persia, and Rome.

Pancreatic fluke

Human liver fluke

Is this parasite infestation taking on a bit more meaning now? Can you not see it eating away at the very fiber of your beings? You have all but been devoured and can't seem to see clearly (that is because they get your eyesight, hearing and understanding FIRST).

I am but in Command of the "spaced-out" HOSTS and beyond the reach of the devouring teeth of the parasites— BUT YOU ARE RIGHT THERE FULLY INFESTED! THEY HAVE DESTROYED YOUR BODY (SUPER-STRUCTURE) AND ARE NOW GOING FOR THE KILL AS THE INFRA-STRUCTURE IS ALMOST GONE.

Dharma, we can finish the portion regarding Eustace at the next sitting. It is personal and I would like the writing to stand alone, please. Thank you.

by Eustace Mullins

[QUOTING, PART 9:]

THE SHABEZ GOI
TESTED TECHNIQUES

[H: This portion will be referring mostly to EUSTACE MULLINS.]

The ADL has a vast arsenal of weapons to use against those gentiles who oppose them. I have experienced the following: being discharged from professional positions; prevented from finding an established publisher for my articles and books; a continual propaganda campaign to prevent me from establishing a following among conservative Americans.

Although I knew nothing about the ADL when I began writing anti-Communist articles and books, I soon came up against them. A leading New York publisher told my agent:

"Mullins made a great mistake in going against us. He is versatile and prolific; we could have done a lot for him. Look what we did for other gentile writers, Hemingway, Steinbeck, Faulkner, they were just high school talents but we made them household words in America. Now Mullins will never have a dime, because his books will never find an outlet in this country."

When the story was relayed to me, it affected me not at all, because at this time, in 1952, I had a growing audience for my work, and some influential people in New York began a campaign to raise money so that I could devote all of my time to anti-Communist writing. My own funds at the time totalled one hundred and fifty dollars, on which I could survive, by abstemiousness and thrift, another three months. Suddenly the fund-raisers ceased their efforts. I began to hear a rumor so unbelievable that I ignored it. This story, widely circulated among New York patriots, was that I owned large estates in Virginia and that the income from these properties enable me to live the life of a gentleman scholar, to travel, and write as I pleased. In reality, I have never owned anything but the clothes on my back, and have no prospects of inheriting anything, but the story did its work, and the ADL put an effective end to the campaign to back me in my work.

THE SILENT TREATMENT

In 1954, my name disappeared from "anti-Communist" publications in America, although some of them continued to advertise my Federal Reserve book, with the name of the author carefully blacked out! It is still advertised in this fashion today. Only one patriot, Mrs. Lyril Clark Van Hyning, continued to give me space in her newspaper, *Women's Voice*. This silent treatment proved the effectiveness of ADL control over the supposedly "anti-Communist" newspapers and magazines in this country, because I had become, in a few years, the leading scholar of this group, with my exposés of the Federal Reserve System, the Council on Foreign Relations, and other shabez goi operations. FBI agents visited the offices of these publications and warned them against printing my work or mentioning my name. For nearly fifteen years, I worked quietly at home, developing my theories of the biological parasite, while most patriots supposed that I was either dead or no longer active.

CHILDREN OF THE SHABEZ GOI

With the degeneration of all levels of life in America, the most pronounced decadence appeared in the children of the affluent society, shabez goi families. These children formed a disillusioned class which became known as "hippies".

The *Saturday Evening Post* interviewed a large group of hippies in San Francisco. One gentile youth said, "My father is supposed to be a big man in our town, yet I saw that he was always raising money for Jewish charities, signing petitions for Jews, things like that. I asked him, 'What's the idea? You don't give a damn for anybody, much less the Jews.' He told me that if he refused to do this, he would be wiped out in a few days. We live in a fine home, have three cars, a color TV, you name it. But I told him, 'It's not worth it,' and I walked out."

A CORRECT REACTION

This American youth expressed a correct reaction against the pernicious influence of the Jewish parasite. Only when our youth begin to express their contempt for every member of the shabez goi, every educator who trains the youth to become gentile slaves, every religious leader who tells his congregation that it is their duty to work for the Jews, every government official who taxes the gentiles for the benefit of the Jews, only then can we hope for a "reaction" against the parasites.

It is this "trahison des clercs", the betrayal of the people by the educated middle class, which makes the continued hold of the parasite possible. Without this active assistance, he would be dislodged immediately. Every aspect of gentile existence is poisoned by the shabby, vicious and cheap gentiles who have become the passive agents of the parasite's power. Yet it is they who are held up as models for the nation's youth. It is they who are the presidents of our colleges, directors of our museums, heads of our publishing houses, chairmen of our religious denominations. Only by challenging them at every step can the gentile begin the process of dislodging the parasites. Since these gentiles already despise themselves, they will not be surprised to discover that they are despised by the rest of the population, including their Jewish masters. The next step is to drive them out of every office, and to replace them with people who have "kindness", that is, who are responsive to the needs of their own kind, and who will not sell their people for fifty pieces of silver.

THEY LIVE IN DARKNESS

It would be a mistake for the scholar to suppose that the entire shabez goi community understands the parasite-host relationship, or that our educators, government officials and religious leaders are active agents in a conspiracy to enslave the gentiles. There are no conspiracies in nature. People lead the lives which their genes map out for them, and these laws can be evaded only two ways, by following Christ, or by following Satan. The parasite automatically seeks to follow a parasitic existence, and the shabbiest, most vicious and cheapest of the gentiles find their only fulfillment in the life of a shabez goi. They miseducate, misgovern and confuse the gentile masses because that is the only role they can know in life. Without

Jewish support, our college presidents would be fortunate to find employment as janitors, our government officials would qualify only as swineherds.

In the United States, many of the shabez goi are in the third and fourth generations of their shabez goi professions. The Adlai Stevenson and Dulles families shuttle back and forth between high government positions and posts in Jewish banks and law firms. These, so we are told, are the American aristocrats, who lead the gentile masses in Pavlov gestures of approval of each action of the Jews.

APPLAUD TREACHERY

Thus we find the American masses applauding the atrocities which the Israelis commit against the Arabs. Yet these Arab peoples have always been America's friends and allies. An Arab leader asked, "How can Americans applaud the outrages of their worst enemies, the Jews in the bandit state of Israel, and cheer them on in their aggressions against us?"

The answer is that the shabez goi, in their dominant positions as publishers, educators, and government officials, have trained the American masses in group responses like trained dogs. Only when some of our young people rebel against the role of trained dog, and refuse to bark when the shabez goi order them to, will there be hope for us. Only when we fight against the well-dressed rabble which make possible the parasite's dominance will we have a chance. Only then can we remove the tentacles of the parasite from our body.

Throughout nature, the parasite seeks a host. The host tries to dislodge him. If he succeeds, the parasite soon returns. The Jews have been expelled from European nations hundreds of times, yet they are there today. Each time the parasite is cast out, he learns a lesson, he will improve his hold the next time. He learns to anticipate and control the reactions of the host and, as he turns their nations into vast, shabby prisons, he affects their most fundamental impulses and warps their entire existence.

NO FREEDOM

This is the state of Western civilizations today. Only machines have freedom. The gentile masses of the Western democracies are already dying. Many of them are zombies, the walking dead. What can we say to these walking dead? Do they have enough nervous energy left to respond to an appeal to cast out their parasites, or has the Jewish poison paralyzed their bodies?

What is the ethic of the parasite-host relationship? Is it immoral? No, it is NATURAL for the parasite to seek a host on which it can feed, and it is natural for the host to attempt to dislodge him. The Jew is obeying his god when he fulfills his life mission of being a parasite, of finding and controlling a host. It is the sense of his own historical rightness, as Trotsky formulated it in Communism, which led the Jew to believe that he was indeed a Chosen People, born to live OFF the work of others, and to take their goods and lands.

HE OWNS IT ALL

Today, the Jew believes that everything the gentile owns has come from the parasite, that the parasite has brought the good life to the ignorant gentile cattle, given him a culture, a monetary system, and a religion. The Jew believes that he has given purpose and direction to the life of the gentiles, in training the gentiles to become his slaves, for the Jew believes that their only role in life is to serve him. For this reason, the Jew believes that all of history is Jewish history, as the historian Dubnow claims. He may be right, insofar as much of recorded history is a series of variations upon the host-parasite theme.

However, Dubnow and all other Jewish historians refuse to admit one thing, the damaging influence of the parasite upon the host. Yet this has been proven in every instance, either by the collapse visited upon the host by the presence of the parasite, or by a great renaissance of culture, learning and power of the host when it manages to rid itself of the parasite, even for a comparatively short time. Look at Elizabethan England, after the Jews had been expelled. In a few short years, the English people had such a flowering as the world had never seen, tremendous productions of poetry, drama, world exploration and scientific discoveries. **COKE GAVE US THE COMMON**

LAW DURING THIS PERIOD, WHICH BECAME THE BASIS FOR THE UNITED STATES CONSTITUTION.

Look at America before 1860, when the country was largely free of the parasite blight, a young nation which was the hope of the civilized world. Look at Germany today, where it is a crime by law on the statutes to mention the parasite by name, and compare it with the Germany of 1800. Germany today is a nation of despair, because the parasite has once again fastened its tentacles deep into the host, with the aid of foreign occupying armies, and poisoned every aspect of German life. Yet in 1800, all of Germany was alive, great composers were writing the symphonies which we listen to today, and Count von Humboldt was amazing the world with his scientific discoveries, while Goethe was becoming known as the single greatest figure in world philosophy.

A LAW OF NATURE

Thus, we must admit a fundamental law of nature. If the host cannot dislodge the parasite, it sinks into a slow, degenerating trauma of sickness and death. If it can dislodge the parasite, it quickly soars to new heights of accomplishment and prosperity.

But, if the gentile host is always prey to the guile of the parasite, how can he survive? There is but one way, the gentile must become serene in the Love of CHRIST, he must acknowledge that he had been chosen as the instrument of Christ's Love which the Jews rejected, and when the gentile begins to know himself, and to acknowledge his identity as the chosen instrument of Christ's Love for all men, he will be armed against every wile, every bit of poison which the parasite seeks to inject into him.

Now, serene in that Love, and knowing yourself, prepare yourself for a life of dedication to your people, and work for the day when the host will once more be free of the parasite, when every member of an aroused community will cooperate in driving the despicable shabez goi educators, government officials and religious leaders from their positions as tools of the parasites. Then we will be able to live in a community of kindness and love, because we will have rescued our nation from the beggars, thieves and jackals who seek to install the Anti-Christ as our master. Then we can fulfill our roles in life as God meant us to.

[END QUOTING OF PART 9 AND DOCUMENT]

I bend my knee and I salute you, Eustace. God did not give you an easy task, friend, but you have DONE IT WELL. May the remainder of your journey on this place NOT BE ALONE—and may we all live long enough to see your work bear the beautiful fruit of freedom.

FAIR-USE RULING

In an article from the Dec. 1 edition of Sacramento's *THE DAILY RECORDER*, written by James Evans, [quoting:]

Businesses, including law firms, that routinely photocopy magazine and newspaper articles for future reference, and believe they are immune from copyright infringement because of the fair-sue doctrine, may be in for a costly surprise if a recent 2nd U.S. Circuit Court of Appeals decision stands.

In a case that has pushed the copyright community into opposing camps, a three-judge panel in *American Geophysical Union V. Texaco, Inc.*, 92-9341, ruled Oct. 28 in a split decision that a Texaco researcher infringed the copyright of Academic Press, Inc. when he photocopied eight separate articles from the *Journal Of Catalysis*.

The majority opinion was written by Chief Judge Jon O. Newman, who was joined by Judge Ralph K. Winter. Judge Dennis G. Jacobs dissented with a 17-page critique of the majority view.

Even though the researcher, Dr. Donald H. Chickering II, made copies for his own use and merely placed most of them in his own files, the court said the photocopying was not protected by the umbrella of fair use, and Texaco should have paid for a copying license.

According to Chapter 17 of the Copyright Act, section 107, duplication of copyrighted works is allowed if it is done "for purposes including criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research."

The law also states that four factors should be considered in determining fair use—the purpose and character of the use; the nature of the copyrighted work; the amount and substance of the portion used in relation to the copyrighted work as a whole; the effect of the use upon the potential market for or value of the copyrighted work.

NO ROOM AT THE INN

In an article from the Nov. 8 edition of the *LOS ANGELES TIMES*, [quoting:]

There was no room at the inn for Linda Friedberg. No room at three inns, in fact, because she carried no ID showing that's her name.

The Econo Lodge, Howard Johnson and the Queen City Motor Inn in Manchester refused to rent the Chicago woman a room Sept. 7, though she had \$1,000 in cash.

All three companies said they only accept ID-carrying guests for safety reasons.

Friedberg took shelter with three women who found her sobbing in a restaurant booth, took her home and let her sleep on their couch.

[On a recent trip to Las Vegas, with business checks and business cards in hand, several photo IDs, and several hundred dollars in cash, I was not allowed to rent a room for the night at one casino, with available vacancies, without a credit card. Readers, this is just the beginning of this sort of treatment.]

A NEW ELEMENT

In an article from the Nov. 19 edition of *THE MODESTO BEE*, [quoting:]

BERLIN—It took 10 years to make, and flickered into existence for less than a thousandth of a second. As yet nameless, element 110 supplies another clue to the world's creation.

An international team at the Heavy Ion Research Center at Darmstadt said it created the element by bombarding lead atoms with nickel atoms.

Scientists once thought uranium—No. 92—was the last of the elements. but in the past half-century, researchers equipped with nuclear theories and technology have succeeded in detecting 18 more, each heavier than the last.

What does the discovery mean to the average person?

For now, an addition to the periodic table in textbooks around the world. Element 110 has an atomic weight of 269—the heaviest ever produced.

Team leader Peter Armbruster said Friday that the center—credited with the discovery of elements 107, 108 and 109 in the early 1980s—will try next week to make a heavier version that will have a longer life.

For 10 years, researchers around the world, including some at the Lawrence Livermore National Laboratory in California have raced toward this discovery.

CASTRO

In an article from the Nov. 27 edition of *THE ORLANDO SENTINEL*, [quoting:]

HAVANA—President Fidel Castro, addressing an enthusiastic audience of 3,000 supporters from around the world, vowed that Cuba was sticking to socialism and would not renounce its sovereignty.

In a two-hour speech late Friday interrupted by four standing ovations and frequent applause, Castro told his supporters what they wanted to hear: that Cuba will stay socialist despite whatever pressure it faces and whatever reforms it might have to make to adapt to a changed world.

"We have dignity, a sense of honor and we stick to principles. We have never negotiated a principle," he said at the end of a week-long meeting.

"We are not going back to capitalism," said Castro, who took power Jan. 1, 1959, after dictator Fulgencio Batista fled the country. "We don't want to and we won't go back."

TANNING

In another article from *THE ORLANDO SENTINEL*, from the Dec. 1 edition, [quoting:]

By tricking skin cells into thinking they have been sunburned, scientists said Wednesday they have found a way to cause a true tan without exposure to damaging ultraviolet light.

Unlike so-called "sunless tanning" products, which simply stain the top of the skin, researchers at Boston University said they can stimulate production of melanin pigment and a darkening of the skin.

A key to the discovery, they said, was their observation that tanning is a direct result of the body's efforts to repair the damage that ultraviolet (UV) light does to genes in skin cells.

UV forces segments of genes to fuse together, causing mutations that can lead to cancer. The body has an army of gene-repair enzymes ready to remove and replace the damaged segments.

In a letter to the journal *Nature*, the Boston scientists said the enzymes appear in response to the presence in skin cells of gene fragments called "thymidine dinucleotides", which are common results of UV damage.

However, in addition to repairing damaged genes, the enzymes stimulate the cells to produce the pigment melanin, said Barbara Gilchrist, a dermatologist at the university and one of the researchers. Melanin darkens the skin, providing some protection against further exposure to the sun and its harmful UV.

Reasoning that an increase in thymidine dinucleotides would cause the enzymes to appear and start the tanning process, the researchers applied a solution containing the gene fragments to the skin of guinea pigs twice a day for five days. After 10 days, the animals began developing tans at the treated sites—without sun damage.

The tans endured for at least 60 days, the researchers said.

COMPUTER STANDARDS

In an article from the same edition of *THE ORLANDO SENTINEL*, [quoting:]

Promising to make communicating with computers even easier, International Business Machines Corp., Apple Computer, Inc., AT&T Corp. and Germany's Siemens AG announced an alliance Wednesday to standardize the transmission of voice and data across computers and telephone lines.

The alliance, called Versit, will create a worldwide standard to make it easier to send data over telephone lines from a portable computer.

The Versit specifications will be set out this year and next for voice, video, data and networking, the companies said.

WELFARE DOWNUNDER

In an article from the Nov. 16 edition of New Zealand's *CHRISTCHURCH PRESS*, written by Greg Jackson, [quoting:]

Welfare should be abolished and replaced with a three-month job search allowance, says former Labour Party leader Mike Moore.

The social welfare system had failed and needed to be abolished, Mr. Moore told the Christchurch Lions Club last night.

New Zealand needed a system of social security, not social welfare.

"Quite simply, the unemployment benefit was there to assist people between jobs, not as a payment instead of a job," he said. Unemployment benefits should instead go to employers who trained staff.

Where jobs were not available, unemployed people should be offered the option of community work or no dole.

SEX EDUCATION

In another article from New Zealand, from the Nov. 15 edition of the *CHRISTCHURCH PRESS*, [quoting:]

AUCKLAND—Sex education in schools is failing, creating a new wave of younger and younger mothers, a pregnancy counselor says.

Millie Bell, a counselor with voluntary organization Pregnancy Counseling Services in Auckland, said yesterday that more and more girls, as young as 11 and 12, were getting pregnant because sex education was encouraging them to experiment with sex when they did not understand the consequences.

New Zealand trends were following those in the U.S., where the growing number of young girls who were becoming pregnant was "frighteningly out of control," and school sex education programs had been blamed.

"We have adapted the same kind of sex education that appears in American schools and it has tragic consequences because they are not old enough to handle it," she said. "They are being asked to take on an adult's responsibility with a child's mind."

CARL SAGAN

In an article from the Nov. 28 edition of *THE ALBUQUERQUE JOURNAL*, written by Ben Dobbin, [quoting:]

ITHACA, NY—If space aliens ever show up for real, don't expect them to even begin to resemble the maddening monstrosities on *Star Trek*.

"Time for us to revise our views of repulsive!" says Carl Sagan, among the most energetic and eloquent of stargazers.

The sheer grandeur of the cosmos and the riddle about whether humankind shares some distant crossroads or voyages alone have bewitched this Russian garment worker's son since childhood.

The author of *Cosmos*, one of the most-watched series in the history of American public television, and *The Dragons Of Eden*, which won him a Pulitzer Prize in 1978, scans the future of space exploration in his 29th book, a recently published *Cosmos* sequel.

"Pale Blue Dot visualizes mankind 100, 200, 300 years from now and why it is in fact central for our survival that we be in space," he said.

Not just whizzing around in spacecraft. Actually settling other worlds.

Sagan himself, who just turned 60, is still performing on the high wire.

Between lectures and symposiums and robotic missions, which he's been helping design for the National Aeronautics and Space Administration since the late 1950s, he's turning his novel *Contact* into a Hollywood script and writing another novel, this one a "love story," with his wife, Ann Druyan.

When he gets stuck on one project, Sagan moves on to the next, allowing his subconscious to go to work.

"When you come back, you find to your amazement, nine times out of 10, that you have solved your problem—

or your unconscious mind has—without you even knowing it.”

At Cornell University's Laboratory for Planetary Studies, which he set up in 1968, space-mission data go into lab simulations to draw lessons about dust storms on Mars or the greenhouse effect of Venus.

Organic molecules, the kind that life on Earth is dependent on, “seem to be almost everywhere in the solar system beyond Mars,” suggesting that “life and intelligence ought to be in lots of places,” he said.

But extraterrestrials would “almost certainly not” bear any physical resemblance to humans.

“If you started the Earth over again, absolutely identical 4.5 billion years ago, and just let random factors operate—when a cosmic ray would hit a gene, which gene gets mutated—you might wind up with intelligence of great moral virtue, but they would not look anything like us,” he said.

While detection techniques are limited to spacecraft and radio telescopes, finding out whether mankind is alone, or not alone, “is one of the most important issues you can imagine,” Sagan said.

Trying to convince earthlings of that is not always easy.

“The trouble often is, you can't just invent something, you have to have underlying science,” Sagan said. “It is foolish for us not to encourage at every level in the educational system better support for science education and for the encouragement of young scientists. From the most practical self-interest, if you care about anything else, our policy is foolish.”

As for UFOs, lost continents and the like, the world can ill afford such pseudoscientific twaddle, Sagan said.

“Nobody would be more interested than me if we were being visited by extraterrestrials, but I demand reasonable standards of evidence, just as I do in searching for radio signals,” he said.

“We sometimes pretend something is true not because there's evidence for it but because we want it to be true. We confuse reality with our hopes and fears, and that is dangerous not just on the borders of science but in politics and lots of other places.”

Not least when it comes to deeply held beliefs about our origins.

“What if the universe is infinitely old?” he asked. “Then there's no reason to posit a creator because it wasn't created.”

Then what is meant by “God?”

“There's a wide range of things that are called God, from the outsized, light-skinned male with the long white beard who sits on a throne in the sky and tallies the fall of every sparrow, to the kind of God of Einstein and Spinoza, which is something like the sum total of the laws of nature.

“Who could deny that there are laws of nature that apply everywhere in the universe? So, whether you say ‘Absolutely, of course, there's a God!’ or ‘What are you talking about, there's not a smidgen of evidence for a God’ depends in a very deep way on what kind of God you're talking about.”

Sagan said he has encountered “surprisingly little” hostility from people who equate evolutionary research with the devil's work to undermine religious faith.

“I think most people appreciate having a little—clarity maybe is too strong a word—but anyway, a different point of view which makes them think. Many people realize I am searching for the same thing they are,” he said.

ISRAEL'S MOSSAD

In an article from the Nov. 28 edition of *THE SPOTLIGHT*, written by James Harrer, [quoting:]

The Israeli Mossad spies extensively on the U.S., spreads false rumors and disinformation, stages “terrorist” incidents to discredit Islamic nations, and sends in hit squads codenamed “Kidon teams” to deal with any threat to its American operations.

That revealing account of the ministate's covert activities in this country—and around the world—comes not just from any critic, but from Victor Ostrovsky, a retired lieutenant commander of the Israeli navy, who served in the 1980s as a Mossad case officer.

Now an exile from his country and a hunted man, Ostrovsky lives in Canada where, as he told *THE SPOTLIGHT*, “My main occupation is to tell the truth about what I've seen, to warn the world that the Mossad has turned into a monster.”

That Ostrovsky's disclosures are painfully true was

made apparent in 1992 when the Israeli government went to court in New York to block the publication of his first book, *By Way Of Deception*.

....The ham-fisted Israeli attempt to suppress Ostrovsky's work only helped make it a bestseller. Similar interest has preceded the publication of his second book, *The Other Side Of Deception*, last month, amid rumors that it documents what has been long suspected but never before confirmed: growing insider resistance to the Mossad's “monstrous” machinations among Israeli intelligence agents.

“Even some of this service's own operatives find its practices repulsive,” related Ostrovsky. “An intelligence agency exists primarily to provide accurate information to its government. But the Mossad lives by deception. It could not tell the truth if it tried.”

“The Mossad has poisoned the mainstream of U.S. intelligence with its deceptions, and perverted the main thrust of American strategy,” says Paul Sakwa, a retired senior CIA analyst. “British intelligence heard Ostrovsky's wake-up call: We in this country should do no less.”

In another article from the same edition of *THE SPOTLIGHT*, written by Warren Hough, [quoting:]

“This man should be killed” was the comment of a high Israeli government official on Victor Ostrovsky's new book. “If the Mossad can't reach him there (in Canada) then there will be a decent Jew who will do it.”

The announcement of an open murder contract on the life of Ostrovsky, a former case officer of the Mossad, Israel's secret service and the author of two recent books on it, came not from just any member of his erstwhile espionage agency: it was made by Josef Lapid, the director-general of the ministate's government-owned national broadcasting system.

Lapid, who made his unprecedented public call for the assassination of Ostrovsky on Israeli TV and in the pages of *Ma'ariv*, the ministate's largest daily, repeated his official invitation to murder on Canadian national television last month.

“This burst of murderous rage at Ostrovsky is proof, if any was needed, that his book is a factual, important document,” commented investigative journalist George Nicholas, who has long reported on Middle Eastern affairs for this populist newspaper. “If neither the Washington bureaucracy nor Congress has the guts to address this affair in public, American voters should do so in private by getting acquainted with the work of this courageous truth-teller.”

STATES' RIGHTS

In an article appearing in the Oct. 24-30 edition of the *NATIONAL WEEKLY EDITION*, [quoting:]

A states' rights group is taking its “Western revolt” to court to challenge the federal government's ownership of Western lands.

A lawsuit filed Oct. 3 in U.S. District Court in Las Vegas accuses Attorney General Janet Reno, FBI Director Louis J. Freeh, Interior Secretary Bruce Babbitt, Agriculture Secretary Mike Espy and others of conspiring to halt the states' rights movement.

Citing confidential notes on an Aug. 30 meeting of Justice, Agriculture and Interior officials in Las Vegas, the suit seeks to end what it describes as the federal government's overinvolvement in Western affairs.

The Individual Rights Foundation (IRF), a nonprofit constitutional litigation firm based in Los Angeles, obtained a copy of the notes. IRF President John Howard and Nevada lawyer David Hansen filed the suit.

Mr. Howard and other “Western revolt” activists argue that massive federal ownership of land puts their states at a comparative disadvantage with Eastern states. They note that the government controls 50 percent of the land in Western states, including nearly 87 percent of Nevada.

“The people in the Western states want no more than the opportunity the people in the Eastern states had to develop politically, economically and socially,” Mr. Howard said.

The lawsuit cites evidence that federal officials are violating the *Constitution*, conspiring to block legitimate political activity and the redress of grievances.

The notes obtained by the IRF detail an Aug. 30 meeting of federal officials with U.S. Attorney Katherine

Landreth and Assistant U.S. Attorney Blaine Welsh to discuss ways to “stop the states' rights movement.”

“The ‘states' rights’ movement has been made a priority issue for the U.S. Attorney's Office as well as the Department of Justice,” the notes say. David Crider, a U.S. Forest Service ranger in Nevada, attended the meeting and took the notes, which include suggestions to quash the movement.

“There was some discussion on what approach—civil or criminal—would be the best to take to be most effective,” the notes say.

“The Justice Department has stated a position that the federal government owns the lands within the state and that the suit is without merit,” said a Justice Department official who asked not to be identified.

“This is the most outrageous abuse of government power I have ever witnessed,” Mr. Howard said.

The IRF is representing private citizens and county governments in challenging federal land ownership. Assisting Mr. Howard is Edward Presley, a plaintiff in the suit and president of the Las Vegas-based County Alliance to Restore Economy and Environment.

“We have no quarrel with federal government per se, and we believe in the system,” Mr. Presley said. “Our main thing is going after those bureaucrats who operate outside the scope of their authority and are trying to be the legislative, executive and judicial branches all at once.”

REGIONAL TASK FORCES

In an article by Mike Blair from the Dec. 5 edition of *THE SPOTLIGHT*, [quoting:]

The U.S. Justice Department is in the process of establishing Rural Crime and Drug Task Forces within each federal judicial district of the nation, as provided for in the 1994 Omnibus Crime Bill, which has been signed into law by President Bill Clinton.

Under the new law, Attorney General Janet Reno has the authority to establish the task forces in each judicial district and to deputize local law enforcement officers as federal marshals.

THE SPOTLIGHT has learned that various federal agencies, which were designated by the law to be part of the task forces, are in the process of being trained and organized for their new duties.

FLESH-EATING BACTERIA

In a small article from the Nov. 29 edition of California's *THE MODESTO BEE*, [quoting:]

A so-called flesh-eating bacteria killed the chancellor of the Ventura County Community College District just three days after he went to a hospital emergency room with throat and leg pain. Thomas G. Lakin, 50, died Sunday of streptococcal infection at Los Robles Regional Medical Center, where he first sought treatment on Friday, said hospital spokeswoman Jill Donahue. Popularly called “flesh-eating bacteria,” it is formally known as necrotizing fasciitis, or death of tissue. Doctors are still puzzled as to what causes the bacteria. Lakin was the fourth known fatality from the bacteria in Ventura County.

HOLLINGER, INC.

In an article from the Nov. 21 edition of the *NEW FEDERALIST*, [quoting:]

Conrad Black's Hollinger, Inc. publishing empire told Reuters Nov. 8 that it is on the prowl for more newspaper acquisitions in the United States. Hollinger's U.S. flagship is the *CHICAGO SUN-TIMES*, which it acquired along with a group of 61 suburban papers last March. Hollinger and its units have about \$148 million in cash on hand to fund acquisitions, Hollinger president David Radler estimated.

About 900 U.S. daily newspapers remain in the hands of independent owners or small chains, making them potential takeover targets for Hollinger's American Publishing Co. American Publishing has become the second biggest newspaper publisher in the United States, after Thomson Corp.—which is also British owned.

DEPT. OF TREASURY

In an article from the Dec. 7 edition of *THE WALL*

STREET JOURNAL, written by David Wessel, [quoting:] President Clinton, as expected, picked Wall Street veteran Robert Rubin, now his White House adviser on economic policy, to succeed Lloyd Bentsen as Treasury secretary.

Mr. Bentsen's resignation thrusts Mr. Rubin, already an influential adviser to the president, into a far more public role and deprives the administration of its most seasoned politician as Mr. Clinton prepares to cope with a Republican Congress.

Yesterday's announcement by the president will be followed by other personnel changes shortly.

BORIS YELTSIN

In a brief (buried) article appearing in the Nov. 24 edition of *THE MODESTO BEE*, [quoting:]

MOSCOW—President Boris Yeltsin on Wednesday added 1,000 people to the KGB's successor agency and officially granted it the power to chase crooks, head off coups, search people's homes and fight terrorism. The presidential press service announced that Yeltsin wants to enable the year-old Federal Counterintelligence Service to "fight crime" better.

RUSSIAN SCANDAL

In an article from the Nov. 11 edition of *Executive Intelligence Review (EIR)*, [quoting:]

The process of Russia's turning into a new open dictatorship, which first peaked in Oct. 1993 with the storming of the Parliament, passed into a new phase on Oct. 17, with the murder of the young journalist Dmitri Kholodov. Kholodov, who was working for the daily *MOSKOVSKY KOMSOMOLET*s and researching massive corruption in the top ranks of the Russian military and intelligence services, was killed when he opened a package he had picked up at a railway station locker. Based on an anonymous tip, he had thought the package contained material further documenting his research; instead, it blew up in his face.

Kholodov was documenting the involvement of top Russian military and intelligence figures in the illegal sale of at least several hundred million dollars of modern arms and military equipment, and in other illegal operations. One focus of Kholodov's investigation was illegal arms sales by the Western Group of Forces (WGF), formally disbanded since Sept. 1 when the last Russian troops left Germany. These sales were coordinated by the WGF's commander, Gen. Col. Matvei Burlakov, and quietly approved and covered up by top officials in the Defense Ministry, including Defense Minister Gen. Pavel Grachov. One major aspect of these WGF activities involved the large-scale diversion of modern weaponry to Serbia, including T-72 tanks, modern jet fighters, and MI 8 and MI 24 helicopters.

JOURNALIST SHOT

In an article from the Dec. 5 edition of the *JOHNSON CITY PRESS*, [quoting:]

ALGIERS, Algeria—The publisher of a major newspaper critical of Algeria's Muslim insurgency has died from gunshot wounds he suffered in an attack by suspected extremists.

Said Mekbel, publisher of the independent newspaper *LE MATIN*, was shot Saturday as he ate lunch near the paper's headquarters in a suburb of Algiers.

Mekbel, like many other journalists, had received dozens of death threats from Islamic extremists and had survived two previous assassination attempts.

JAPAN OBJECTS

In an article from the Dec. 4 edition of the *JOHNSON CITY PRESS*, [quoting:]

TOKYO—Japan is objecting to the U.S. post office's plans to issue a stamp showing a nuclear mushroom cloud along with the inscription, "Atomic bombs hasten war's end, Aug. 1945."

The Japanese Embassy in Washington formally asked the U.S. Postal Service on Friday to reconsider issuing the stamps, scheduled to be sold in September.

The mushroom cloud depicted on the stamp is said to be a combination of images from the explosions of U.S.

atomic tests and the bombs on Hiroshima and Nagasaki.

REWRITING HISTORY

In an article from the Oct. 30 edition of the *WASHINGTON TIMES*, written by Carol Innerst, [quoting:]

A megadose of "revisionist" history appeared headed for America's classrooms.

A group that has spent two years and \$2.2 million of taxpayers' money drafting national standards for teaching history thinks it is more important to teach schoolchildren about the Seneca Falls "Declaration of Sentiments" than about Abraham Lincoln's Gettysburg Address.

The standards for American history in grades five through 12, distributed Oct. 26, do not mention Paul Revere or Robert E. Lee, but they do encourage children to become familiar with Mansa Musa, a 14th-century West African king.

A recommended activity for the exploration period before 1620 would have children analyze the "architecture, skills, labor systems and agriculture" of the Aztecs—but not their practice of human sacrifice.

The standards were developed by the National Center for History in the Schools at the University of California at Los Angeles. It was funded with grants from the U.S. Department of Education and the National Endowment for the Humanities (NEH).

While the standards are offered as guidelines for states and local school districts to adopt, critics warn it will be difficult for states to resist the carrot of federal aid in return for accepting the standards.

"Textbook publishers are already waiting for the standards to come out," said one worried member of the advisory council on the project. "Textbook publishers could absorb the standards, and they would become the de facto national history curriculum."

EU'S CURRENCY

In an article from the Dec. 3 edition of *THE ORLANDO SENTINEL*, [quoting:]

COPENHAGEN, Denmark—The introduction of the European Union's single currency will probably have to wait until 1999, EU Economic Affairs Commissioner Henning Christophersen said Friday. Christophersen told reporters in Copenhagen it was unlikely the Maastricht Treaty's economic criteria would be met by a sufficient number of countries in time for the original 1997 target date for monetary union.

FEDERAL MARKSMAN WON'T BE CHARGED

In an article from the *Fort Worth Star-Telegram* Dec. 8th edition, [quoting:]

WASHINGTON—Rejecting the findings of a highly critical internal review, the Justice Department has decided not to bring criminal charges against a government sharpshooter who killed an unarmed woman in a bloody standoff on an Idaho mountain-top in 1992. The review examined the 10-day siege involving the elite hostage rescue team of the FBI that began when a federal marshal was killed as the authorities prepared to arrest a white separatist, Randall Weaver. A day later, agents surrounded Weaver's cabin and a sharpshooter killed Weaver's wife, Vicki, as she stood in the cabin doorway holding the couple's 10-month-old daughter.

SHORTFALL IN PENSION FUNDING HITS \$71 BILLION

In an article from the Dec. 6 edition of *THE ORLANDO SENTINEL*, [quoting:]

WASHINGTON—The shortfall in money that companies set aside to pay for Americans' pensions climbed to \$71 billion last year.

"Million of Americans still are in danger of not getting their pensions," Labor Secretary Robert Reich said Monday. "Underfunding has gone up to \$71 billion from \$53 billion in 1992 and \$27 billion in 1987."

The Pension Benefit Guaranty Corp. said underfunded single-employer pension plans at the end of 1993 had assets of \$316 billion to pay \$387 billion in benefits.

The announcement came just four days after congress approved legislation requiring companies with pension deficits to reduce underfunding by more than two-thirds within 15 years. Reich said President Clinton will sign the bill on Thursday.

"This is not yet a crisis," Reich said of the gap. "But if it had not been addressed, somewhere down the line...it would have been another Savings and Loan crisis."

Officials emphasized that the vast majority of PBGC-covered plans are fully funded, with assets of \$603 billion to cover \$518 billion in benefits. But Reich, who is chairman of the PBGC board of directors, said underfunding is a serious problem affecting nearly 8 million workers and retirees, primarily in the steel, auto, tire and airline industries.

[The reader who sent this in made the following notation (And, the pension funds have been invested mostly in derivatives, and when that crashes, it will make the S&L crisis look like a picnic.)]

Think First!

Patriot Trap Alert & Possible Fed Collapse

12/10/94 #2 HATONN

OKLAHOMA: DISASTER TO END THEM ALL?

Possibly. "Grandma" has sent a fax in response to my petition for her to think carefully about certificates, value and such. She doesn't have "cash" to pay her rent so when I make suggestions, I am neither being greedy (her words) nor "somebody else" (her expressed possibility). When you don't understand something—try to understand it—and then, ONLY THEN, make accusations. A LOT OF FOOLISHNESS IS GOING ON WHICH WILL END UP NEGATING ANYTHING AND EVERYTHING YOU GENUINE PATRIOTS AND CITIZENS HAVE BEEN WORKING TO ACHIEVE. NOTHING coming into the "Institute" is the "Institute's" except the funding shared by the LENDER. Grandma, the notes are made TO YOU. There is not a bank that I know of, save the one with which YOU claim to be working, which would lend a farthing against a will, a testament, or a blithering thing connected with THAT GOLD CERTIFICATE—NO MATTER HOW VALID IT MIGHT BE.

You claim need of money, you petition ME for "how" to get it and then you simply announce that you are put off by the sudden "greed" and wonder if "Hatonn even sent the message."! Just go right on and TRY to do this JOB WITHOUT GOD AND HIS TEAM AND SEE HOW FAR YOU GET! I am weary of being insulted and then ones turn and are so nasty as to be pitiful and resent any confrontation. The CERTIFICATE, itself, is a gift from GOD—and I will tell you now—that you are beset by SOME VERY BAD ADVISERS. YOU DID NOT REALLY EXPECT IT WOULD BE OTHERWISE WHEN THE GOLD CHIPS ARE DOWN, DID YOU? YOU HAD BETTER LOOK AT THE TREASURYGATE-COSMOS PLAYERS AND RE-ASSESS YOUR ASSUMPTIONS. ALL THAT APPEARS TO BE—IS NOT!

Now, as to Oklahoma. There has been faxing going on all about everywhere as if Satan has lost his tether. What is the problem? You are all about to self-destruct and do EXACTLY what the big boys WANT YOU TO DO. Grandma, by her own words, is so focused on that target that she cannot ponder anything else? What can Grandma do about Oklahoma that could not better be DONE FROM STRENGTH?

What is this all about?

There appears to be A CALL TO ALL PATRIOTS to "ASSEMBLE TO CALL A DECLARATION OF 'WAR' AGAINST THE CORPORATIONS OF THE DISTRICT OF COLUMBIA AND ALL FOREIGN AGENTS. THE PLACE IDENTIFIED AS TO WHERE ALL PATRIOTS SHOULD MEET IS AT "SHAFFENBURG FARMS, IN KINGFISHER, OKLAHOMA".

I most certainly CONCUR that you SHOULD NOT, we repeat, NOT go to this location. DO NOT GET INTO PARTICIPATION WITH ANY SUCH ACTION AS A DECLARATION OF WAR. You obviously DO NOT understand the meaning of the TERM! THAT IS ALL THE FEDS NEED TO BLAST YOU OFF THE MAP—YOU ARE DECLARING WAR AGAINST THE UNITED STATES OF AMERICA—AND THEY HAVE THE BIG GUNS. YOU WILL ANSWER TO UNITED NATIONS' TROOPS AND IF YOU THINK OTHERWISE—JUST GO FOR IT.

Now, Grandma—pay attention. Anyone promoting such an action, ESPECIALLY DARRELL, is NOT YOUR FRIEND NOR A FRIEND OF THE CITIZENS OF THIS ONCE GREAT NATION. THIS PARTY HAS BEEN INTRODUCED TO PULL YOU DOWN! TAKE IT OR LEAVE IT. IT IS EASY TO FOOL EVERYONE SOME OF THE TIME!

This is a planned PATRIOT DISASTER—because all it takes are RUMORS OF THIS TYPE!

On the NOTICE there is a nice "saying": "*Faith is the hand of the soul that reaches forth to Heaven and never returns void.*" RIGHT: and if reaching into HEAVEN, I suggest you not do so with a sword for declarations of WAR—for that is of Satan and HELL IS THE RESPONSE. Now, get yourselves together and use REASON, TRUTH, LIGHT AND GOD! March to Satan's drummers and you march to Hell!

In addition there is a STUPID statement: "ALL STATES URGED TO BE THERE FOR REPRESENTATION." States? My dear readers—STATES are only a representation of you and CAN NOT be "there". So guess WHAT! I would guess that whoever shows up at the location given for Dec. 11 (Sunday) will be in very, very bad circumstances. After the arrests and malfunction of your plans—the insiders will be chuckling while you, who think you do service, are led away—REMEMBER THOSE CONCENTRATION CAMPS? WHOEVER THOUGHT UP THIS DANDY SHOULD BE DRAWN AND QUARTERED FOR FLAGRANT TREASON. YOU WILL NOTE THAT THERE IS NO LEADER LISTED—THAT SHOULD BE YOUR FIRST CLUE. Do not later come to ME and bitch and moan because you have been badly treated—for acting like total idiots. You get yourselves into constant cross purposes with the illegal forces that have "legal" right to destroy you and then moan and complain and want someone else to get you out of the mess you're in. There are ways to WIN this battle—but not this way—EVER.

You had better be taking note of new players in the game that YOU NEVER EVEN HEARD OF. Try the Riechmanns for beginners. Who are they? THE NEW "ROTHSCHILDS"!!!! They are residing in Canada; they are POWERFUL PARASITES and THEY ARE ON THE MOVE! Flukes?? To say the VERY LEAST! These are the "head Flukes" who are bankrolling Campeau's move with Federated Department Stores AND MACY'S! Good grief, sharpen up. There is a world out there ready to fall to the Parasites and I will not be distracted by your individual snits. Do what you will but if you don't want answers—DON'T ASK AND WASTE ALL OF "OUR" TIME. You do whatever you wish—but I suggest you DO NOT have a tantrum if I respond and it pleases you not! I do not give a whit—does everyone understand? I am not here to serve the one or two who think they are God's gift to humanity. Humanity is GOD'S gift to YOU!

Now I am not going to give individual arguments to ANY ONE. We have spent years informing you and, if you blow it now, it is of your own doing! The same goes for individual quarrels over misunderstandings. I am responsible for over 6 BILLION beings—and I am not interested in your lack of understanding of anything I offer. It is your

responsibility to get off the soap-boxes of misperception and get on with KNOWING what will serve and what will HELP.

CONTACT can no more use that will, Grandma, than Rick can fly. It has to be authenticated to be honored and so far it is ignored, no matter what is DONE. You know that as well as we do. Do not spit venom at the team because YOU do not understand the message. No one is trying to get any of YOUR personal anything and, yes, this IS what was meant by the rebuttal—I don't buy the old garbage about "not being sure it was really Hatonn". I am weary of being insulted, denied and bullied, without RESPONSIVE confrontation—the days of acceptability for any old action or thoughts against our Hosts—are OVER. YOU GUYS ARE IN TROUBLE—DEEP YOGURT. AND, I COULD CERTAINLY SAY TO YOU, ABOUT YOU, THAT YOU MUST KNOW YOU ARE A FAKE OR YOU WOULDN'T RESPOND IN SUCH A MANNER? IS THAT SUITABLE? I DIDN'T THINK SO! NOW YOU HAVE A REAL JOB TO DO, LADY, AND IT IS ONE YOU ACCEPTED. DON'T BORE ME WITH YOUR "RATHERS" FOR THIS IS SIMPLY THE WAY IT IS! WHAT YOU THINK ABOUT ME IS NONE OF MY BUSINESS!

THE BULLETIN WRITER ENDS WITH "MAY GOD BLESS AMERICA!" WHICH AMERICA?

MANY WAYS TO FOOL YOU

There are so many ways to fool you nice sleepy people as to boggle the mind. Remember, if you are a reader, that we no longer refer to the Khazarian Tricksters as "Jews" for it is a total misconception through the very terminology. Just because you are of Hebrew heritage DOES NOT IN ANY WAY WHATSOEVER MAKE YOU A "JEW". "JEW", like "CHRIST", is an "intent", a "state of being". It is NOT tangible as in the name of some person or another. It can be utilized as a definition as to working toward the Luciferian (Satanic) physical manifestation as in the god Lucifer. OR, as with CHRIST it refers to the state of perfection or intent TOWARD oneness with GOD OF LIGHT. The Luciferian TOOLS ARE PARASITES. I refer to the Zionist New World Order Kings and their parasitic tools as "Flukes"—and their tools who simply concur and aid and abet the enslavement of mankind, Screw-worms. I could go further and embarrass even my scribe by describing them as the group of Fluke-yous and Screw-you-worms. I'm not sure you are so ready for a Space-Cadet to entangle into your affairs to try to get you to save your own hides from the parasites leeching off humanity. Humor? I suppose, however, I am deadly serious this day.

Much is rumored about your plights with the Federal Reserve, Derivatives, and total bankruptcy of your world. This is what the New World Order is about, readers, THE TAKEOVER OF ALL PROPERTY AND ALL GOVERNMENTS! THEY HAVE ACCOMPLISHED THIS THROUGH THE FLUKE FREEMASONIC ORDER DRAWN FROM THE PROTOCOLS OF ZION/COMMUNISM AND SET UP THE FEDERAL RESERVE TO FINISH YOU OFF AS AN ECONOMIC NATION. THE INTENT IS TO PULL THE WEALTH BACK INTO THE HOME BANKS OF THE "WORLD" WHILE THE FEDERAL RESERVE IS PLACED IN DEATH-RATTLE OF VARIOUS SORTS. IT IS, HOWEVER, YOUR PERFECT TIME TO MAKE A MOVE UNDER YOUR CONSTITUTION—if you pay attention and act in WISDOM AND NOT IN VIOLENCE.

FED COLLAPSE SCHEDULED FOR NEXT WEEK

Indeed, the grapevine and fax-lines are hot with this rumor. Well, readers, how much longer can it remain "just a rumor"? There are LESS THAN FIVE YEARS to have fulfilled the Elite PLAN 2000 and have it fully operational. The inevitable cannot be postponed much longer. Even if your nations did not fall to the Elite Banksters through the Federal Reserve, the system would have to mightily CHANGE! The Federal Reserve is something within the United States of America and it and you are BANKRUPT! The world banks(ers) are alive and WELL!

This opportunity may not ever come again, readers. There is gold enough available to fund a NEW GOVERNMENT OUTSIDE THE DISTRICT OF CRIMINALS—ON A STANDARD OF VALUE FOR THE CURRENCY—IF YOU DO IT RIGHT! Violence will end you up DEAD and never again will your bled system be able to recover.

IS IT JUST RUMOR?

Of course not, and we have even had you on RED ALERT about this for years—often taking action to secure some part of your security arrangements laid aside. It SEEMS we just "cry wolf" to annoy you and the opportunity which was served is ridiculed and you go back to sleep, failing to act when I tell you it is TIME! WELL, DAMN IT—IT IS TIME!! The worst you can have happen by acting as I suggest is to have some cover from the Institute system of gold as collateral so you can then have a bit of cash (note loans against the gold) to function, buy a bit of coin and a tiny bit of gold for access. EXPECT THE MAJOR STORED STASHES OF GOLD TO BE CONFISCATED AS THE GOVERNMENT GOES DOWN AND IF YOU HOLD-OUT, YOU WILL BE SHOT! So, you need "some" but for "getting through" try U.S. coins and BE PREPARED—FOR ANYTHING.

Well, "can you guarantee that we won't lose something?" No—YOU WILL LOSE EVERYTHING INCLUDING YOUR LIVES IF THE BIG BOYS CAN PULL IT OFF. I CANNOT GUARANTEE ANYTHING—IT IS UP TO YOU. I CAN TELL YOU "THIS" HOWEVER, THE LAST THING CONFISCATED WILL BE THE PARASITES' OWN STASH OF COLLATERAL. THE HOLDING VAULTS AND BANKS MAY WELL TAKE THE COLLATERAL BUT IF YOU HAVE BORROWED (A LA INSTITUTE) YOU WILL HAVE HAD SOME VALUE TO CONTINUE YOUR EFFORTS AT SECURING TRANSITION PROJECTS AND PASSAGE.

Why can't just "anybody" do the same thing? Because it has taken years to build a relationship businesswise which will allow for E.J. to make these arrangements—IN SPITE OF EVERYTHING GEORGE GREEN COULD DO OTHERWISE. You need "projects" in solid proposal form for backup and ongoing work on THOSE PROJECTS. There is no MAGIC involved and the projects themselves are NOT THE POINT—the GOLD COLLATERAL IS THE MAGIC and it is up for question as to how much will be allowed to flow—AFTER WEDNESDAY THE 14TH OR AT THE LATEST ON THURSDAY THE 15TH. WHY? BECAUSE THE RUMOR-MILL HAS IT THAT THERE WILL BE A CHANGEOVER AND THE BANKS WILL NOT OPEN ON FRIDAY THE 16TH. RIGHT? ONLY THE SHADOW KNOWS!

FEDERAL RESERVE AND TRILATERALISTS HAVE ENGINEERED THE NEXT COLLAPSE OF THE ECONOMY

As is my original intent, I do not come about giving you revelations and fortune-telling lies. I offer you valid observations and projections from ones I know to be correct in assumptions and research conclusions—to the best of all our abilities. I do not act on anything more than you have available—but I will continue to offer my observations about such information and presenters.

You have one compilation of observations well worth studying THIS DAY. A person by the name of Pat Riott has offered some very insightful information compiled from various sources and observing the things coming down as we write. I cannot do better—why not go with what is available for your conclusion-drawing from what IS AVAILABLE IN THE PHYSICAL PLANE? STOP

BASING YOUR VERY LIVES AND PROGRESSIVE GROWTH ON MYSTICISM. YOU HAVE ANGELS, BUT THEY EXPECT YOU TO USE WISDOM AND THEN IF ALL FAILS THEY MAY WELL SAVE YOUR ASSETS—BUT THAT IS NOT THEIR JOBS, REMEMBER? JUST CONSIDER OLD "ME" AS A GUARDIAN-ANGEL AND PERHAPS WE CAN BETTER UNDERSTAND ONE ANOTHER.

"But sir," I hear, "will it really happen?" Confound it—what will you LOSE if you ACT? You can be SURE that if you do not—ONE OF THESE DAYS THEY WILL GETCHAGATT!! Free Trade? Yes indeed. "They" are free to do anything they want with trade and you are FREE TO DIE. So be it.

Rick or Brent, please contact Pat Riott and ask permission to use this information. We will give the information for people to obtain his publication but there is NOT TIME TO DELAY—FOR OUR PEOPLE! IT ALREADY BECOMES A MOOT POINT BUT I COULD NOT HONORABLY ACT PRIOR TO NOW. YOU PEOPLE MUST STOP THE NONSENSE AND GET ON WITH "TOGETHER" OR YOU CANNOT MAKE IT. I CARE NOT WHO THINKS I AM FRAUD. I CARE EVEN LESS AS TO WHO THINKS JACKSON IS A FRAUD. YOUR CIRCUMSTANCES ARE SERIOUS AND IF YOU WANT SUCH DISTRACTIONS, FINE. MY PEOPLE DO NOT! Why don't you just get started to the cemetery while you dally about whether or not Hatonn and/or Jackson are real or fakers. I am here to suggest, however, that you need us BOTH. I can't offer you a personal phone number for you "know how it is" with truthbringers. However, an address for Pat Riott's Information Newsletter is Box 4567, Oak Brook, IL 60522; the annual subscription price is \$40.00. AND, THERE IS AN 800 PHONE NUMBER FOR ORDERING EXTRA COPIES OF THIS NEWSLETTER IN POINT. 1-800-CRASH-95. The paper is "copyrighted" and I will not ever again embarrass my secretary through use of material—even if it originated either HERE or from other sources and compiled only, by presenters. I suggest that you place the information (800 number) on the HOT-LINE and let people get on with getting their own copies NOW. They will get some mind-blowing membership listings which I have no intention of "running" without input from source—and—I want the "connection", not the product.

I will, however, ask that we reprint here the editorial of the inside front page, to give you an idea of the content of the document you would get if you call the above number.

I am informed that contact has been made earlier in the week with the people ("Jay?") of the newsletter in point. He agreed to send a supply of the newsletters to CONTACT for immediate use and gave permission to use any material from the document. They have also assured us that your calls to them will be most welcome and graciously received. IT IS A TIME OF PULLING TOGETHER. CITIZENS.

[QUOTING, Pat Riott's Information Newsletter (address above), Issue XXII, Fall, 1994, page 2:]

WARNING!!

YOU are NOT supposed to know the information on the following pages.

A warm welcome is extended to our international family of newsletter subscribers. I know that the information contained in this issue will further our mutual goal of providing beneficial and interesting information to you and your circle of friends, associates, and loved ones.

As this issue goes to press the uncertainty of world financial markets, the U.S. dollar and stock market seems to be more uncertain with every passing day.

Your personal financial security and future is a growing concern as well. More Americans are waking up to the reality of a future bleaker and less promising than what they may have dreamed of just a couple of years ago.

The most important piece of legislation that will affect your financial future will probably be voted on before the end of the year. That legislation is GATT. I urge you to learn about it and make your voice heard loud and clear. [H: Well, it's too late for that now, isn't it? NO—it isn't, because it is totally UNCONSTITUTIONAL!]

Few, if any, of the individuals in Washington who will vote on this legislation understand it or the legislation

which has preceded it.

The latest completed round of the GATT negotiations is called the Uruguay Round. Since several major U.S. news organizations will reap financial windfalls in the form of tremendous tax savings, don't expect anything from them except applause for those who support GATT. Don't expect to see any discussion or inspection of the disaster to the manufacturing landscape and overall financial strength of our country which resulted from the previous round of GATT which Jimmy Carter promised would enhance our balance of trade and strengthen our country.

The argument against GATT would be easy if our legislators were more honest and not mere puppets of the bankers and corporations.

The men and women we send to Washington are certainly aware of the results which will occur under the pending World Trade Organization/GATT legislation.

If they don't play by the rules of the "big boys", their spigot of soft money and PAC funds will dry up faster than a snowflake under the hot Mojave Desert sun.

To the few representatives in Washington who honor the will of the people and uphold our Constitution, we owe them our respect and admiration. They are worthy of our support.

Because of our elected servants' blind agenda, disasters of monumental proportions continue to build like great tectonic plates under mounting pressure. Their failure of leadership and vision, of honesty and integrity, will eventually culminate in numerous earthquakes of unbelievable severity. Economic Richter scales worldwide will record their effects.

Our economic leadership position in the world has been severely eroded. Our standard of living has been on the decline for several decades. Despite Washington's lies, the torch of world financial leadership, although not officially acknowledged, already lies far beyond our shores.

To say that these events just happened requires genuine ignorance of the events which were engineered by a government nearly void of responsibility, integrity, and vision.

Refuse to be swept into the baseless, blind argument of finger-pointing at either individuals or political parties. The Republicrats together share the blame for trashing the world's greatest economic engine and carelessly dumping our treasury into black holes around the globe.

Washington and the media claim they can't figure out why we're so angry. They're frightened, and with good reason, especially after you finish reading the information we've put together in this issue.

[END OF QUOTING]

PLEASE TAKE NOTE, READERS, THAT THE BANK LISTINGS IN THIS PARTICULAR NEWSLETTER (WHEN YOU GET IT) ARE ONLY FOR "ONE" DISTRICT. YOUR OWN DISTRICT IS, AT THIS MOMENT, UP TO YOU, INDIVIDUALLY, TO OBTAIN. I HAVEN'T TIME TO DO IT FOR YOU. JUST REALIZE THAT ALL MAJOR BANKS (AND EVEN THE LITTLE ONES) ARE PART OF THE FEDERAL RESERVE NETWORK. MY SUGGESTION TO YOU ALL IS TO STRIP YOUR CASH VALUES OUT OF YOUR ACCOUNTS AND CONVERT TO SILVER COINS. YOU CAN ALWAYS RE-DEPOSIT THE COINS—THE FEDERAL RESERVE NOTES WILL PROBABLY BE GREATLY DEVALUED OR WORTHLESS. By the way for you NEW and unsuspecting readers. Federal Reserve NOTES are what that paper is you carry around calling it currency. They are nothing except notes of I-Owe-Yous in exchange for NOTHING, no backing and simply printed "notes". Go with minted coinage of THE U.S. GOVERNMENT UNDER THE CONSTITUTION. Unhandy? How handy will NO MONEY be? I thought so.

BARRON'S PUBLISHES SHOCKING FIGURES

Please take careful notice here, you readers who keep "waiting". For you who have stayed in the market hoping to recoup your losses since the market's peak in January, the BAD NEWS on page three of the October 31 issue of Barron's was hardly a treat to read.

The overall slide in the stock markets has remained HIDDEN by the relative strength of "blue chip" stocks.

[H: These are false guides, friends, and the big boys have been playing their games readying for the KILL.] Few publications have the courage to print the truth and I certainly understand the lack of desire to BELIEVE IT COULD ACTUALLY BE HAPPENING—TO YOU.

Join the Halloween fright show and look at the vampire banksters at the Federal Reserve and what they ARE DOING. You are going to be brought down with interest rates if nothing else happens—LOOK AT IT. Can they get, say, the Institute with interest rates? Yes, they "could" but the point is that GOLD will increase more than the off-set of the increase in interest rates on the notes [*]—which are, yes, tied to that fluctuating prime rate. [* referring to notes from the Institute to the bank, on loans against the gold collateral.] These vampires are planning to absolutely suck your lifeblood out of the economy.

What is ahead? Well, if nothing ELSE happens, through higher interest rates, the Federal Reserve is already gearing up to create the next financial crisis. The games being played at the New York Federal Reserve are totally ILLEGAL. Scandal with "just" New York's Fed Chairman, Green"berg", should force Congress to demand complete audit and overhaul of the ENTIRE Federal Reserve System. The facts are that as it stands this day—it will simply FOLD.

TAKEN ALL DAY

I apologize, Dharma, for taking all this day on emergency fires. I am not the local "firefighter", nor are YOU. However, I am not satisfied to stand by and allow you to burn yourselves alive IF I can help it. So be it.

REF: BANKS AND CURRENCY AND RONN JACKSON, GRANDMA, SEARES AND OTHER PLAYERS

I have a pile of correspondence that would take months for the angels to get through—regarding controversial messages, contradictions, exaggerations and you name it. I am not in the business of Earth business OR various writers.

IS RONN JACKSON REAL?

Well, "somebody" calls and writes and "says" he is named Ronn Jackson. A whole lot of you have heard from him. Now "I" get letters and copies of Ronn's letters with inquisition regarding reality, exaggerations, differing signatures and on and on and on.

I am asking Ronn Jackson to STOP giving out numbers on letters received and ANYTHING that could be accepted as "exaggeration". I do not care IF Ronn can write with both hands AND both feet—people get hung up on measuring their own capabilities relative to what they THINK can be accomplished. This is WHY I cause Dharma to write EVERYTHING I offer through her—no "scanning" (she couldn't figure out the scanner if she had to) and no cut-and-paste in our writings. We do every word carefully so that I sit with her and monitor EVERY letter printed. Ones who CAN function faster and more readily than another is THEIR BUSINESS—NOT MINE! If there ARE exaggerations, that too, is not MY PROBLEM.

GRANDMA

I have a scathing response from "Grandma" stating that I have accused her of being "already bankrupt morally and spiritually". Say what? What I really feel is that I am to my ears in ones WHO CANNOT READ, ARE ON THE DEFENSIVE PERSONALLY AND REFUSE TO READ WHAT IS PRESENTED. I said: "...AMERICA IS IN COLLAPSE AS WE WRITE, ECONOMICALLY. YOU [the country] ARE ALREADY BANKRUPT MORALLY AND SPIRITUALLY. LET US PLEASE ALLOW OUR TEAMS TO MAKE IT THROUGH HERE AND YOU CAN REBUILD A REPUBLIC." IF there is further interpretation, it is not of my doing! Further, I cannot give more individual time to such quibbling. You, Vina, [Grandma] sent word for MY INPUT regarding banks and that Gold Certificate. I gave it and immediately we are treated as "greedy" (YOUR WORDS) and told to "USE YOUR OWN". It simply DOES SEEM that the minute I respond

to direct inquiry—I get a blast and the advice REQUESTED is distorted and nothing appears save argument. So, STOP ASKING IF YOU DON'T WANT ANSWERS! I answer to 6 BILLION persons, I am come with the HOSTS OF GOD—"I" am not Pleiadian and I am weary of this kind of garbage. Vina, you have been infiltrated and that simply is the way it IS! I would be totally remiss in not warning you. So be it. My focus is on the United States—my MISSION is NOT TO SAVE ANYTHING OTHER THAN TO SECURE MY PEOPLE AND BRING TRUTH TO A WORLD READY TO DESTRUCT. I am as responsible for the head of the Committee of 300 as I am to any one of YOU. I am as responsible for the babe in the dense forest of South Africa as I am for YOU. This paper, CONTACT, gives you VOICE which can be heard—IF YOU WANT TO BE HEARD—which certainly I note both Grandma and Ronn Jackson fully desire and demand! You note that "Hatonn hasn't produced anything yet..." I WOULD LIKE TO SEE WHAT "YOU" HAVE ACTUALLY PRODUCED!

BANKS IN CLOSURE

I DO NOT KNOW WHETHER OR NOT THE BANKS WILL CLOSE—EVEN FOR TEN MINUTES. WE HAVE BEEN TOLD BY MANY SOURCES THAT THIS WILL HAPPEN. WILL IT BE ORDERLY OR CHAOTIC? I DO NOT KNOW NOR DO I CARE. I HAVE TOLD YOU WHAT TO DO TO PROTECT YOURSELVES IN CASE. IF YOU HAVE ASSETS AND YOU WISH TO LEAVE THEM ALONE AND RUN RISKS—DO SO!!!! My people here ASK ME and I will tell you. DO WHATEVER YOU LIKE ABOUT IT.

EARTHQUAKES

You want the time and date of any possible earthquakes, also. Why? So you can blame me after the fact that you were NOT PREPARED? You in Southern California KNOW YOU ARE GOING TO GET A VERY BIG EARTHQUAKE. When that happens and it is the Big One—you are going to have to have emergency funds in spendable cash—would not silver coins spend in the market? I remind you—I am not your baby-sitter—not even WHEN YOU WILL PUT UP WITH ME. However, if readers interpret my writings in such TOTAL DISINFORMATION MANNERS AS IS HAPPENING—THEY ARE NOT IN TUNE ENOUGH TO BE YOUR LEADERS!

QUANTITY

Has Ronn Jackson received 17 millions pieces of mail? NO—I don't know how many pieces of mail he has received and, in fact, MOST OF THE MAIL HE HAS NOT RECEIVED AT ANY RATE—AS IT IS SAID TO BE BYPASSING. THE ADDRESS ON THE ENVELOPES AS ASKED, HAS NOT RECEIVED VERY MANY PIECES OF MAIL AT ALL. WHAT IS HAPPENING? I DON'T KNOW AND I DO NOT CARE! But I, and Ronn, repeat what we are told—I assume. He sticks with his figures for he says the mail is "weighed". He says a lot of funds have been sent—we have seen none of it. Does this answer your many inquiries? I DO NOT ATTEND THOSE MATTERS NOR SHALL I. Ronn SAYS he has access to funds when he is free—does he? How would we know—we have SEEN NONE. Is he a "con man" only? Some say he IS, others say no. I say nothing. I don't care! The hardest inquiries come from Canada—where it matters not very much what Ronn Jackson IS. There are SOME who NEED TO KNOW these answers and WILL, soon enough. These are, however, ones who depend on accuracy of presentations—by themselves. The rest must wait and see. In fact, those with need to know—will also WAIT.

Now, as to "different" signatures on correspondence. Typed messages are most often copied from dictation or printed [written] letters—prepared and signed by ones acting in the capacity of typist or secretary. For goodness sakes, friends, the man is in prison. He broke the LAW and is in prison—what is there NOT to understand?? You have a lot of people in prison, some at the total WHIM of the courts—others may well be rightfully incarcerated—BUT THE WORST CRIMINALS ARE RUNNING AROUND RUNNING YOUR LIVES. I AM NOT A PERSONNEL DIRECTOR AND I REPEAT SOMETHING: I AM WEARY OF YOU AGING AS IF I AM! WHEN YOU ARE AS "INFORMED" AS IS RONN JACKSON I

WILL ASK EVERYONE TO DIRECT THEIR CORRESPONDENCE TO YOU! Life goes right on moving by—you can either live in the distractions or get with the living. Now, I repeat something else: WHAT YOU THINK OF ME IS NONE OF MY BUSINESS! I know my mission—DO YOU KNOW YOURS? Well, Ronn THINKS he is beginning to finally KNOW HIS. Is he correct? That is between him and GOD who makes the contracts! I AM NOT JUDGE NOR JURY! REMEMBER, IF YOU INTRODUCE YOURSELF TO ME AS "JESUS CHRIST", I WILL EITHER CALL YOU "HEYSOOS" (JESUS) OR "MR. CHRIST". Ronn has also, in humor, asked me for a ship to carry the mail—well, wouldn't it be "lovely" if, in fact, there were enough pounds to require it? OUR PEOPLE HAVE NO CONTACT WITH ANYONE MR. JACKSON EVEN MENTIONS UNLESS THEY WERE ALREADY IN OUR CONTACT—SO, I AM NOT THE ONE OF WHICH TO INQUIRE—I DO NOT ACT AS GOD OR MR. KNOW-IT-ALL. WHAT I KNOW IS MY BUSINESS—AND I SHARE WHAT MAY HELP YOU TO BECOME ENLIGHTENED. I AM NOT HERE TO HAND YOU GOLD OR CURRENCY—THAT IS FOR YOU TO CONSIDER. OUR PEOPLE DO ALL THEY CAN AND I WILL NOT ALLOW FOR ABUSE OR INSULT UPON THEM LONGER. THEY ARE DOING EVERYTHING THEY CAN UNDER THE VERY WORST OF CIRCUMSTANCES.

Now, as for ones who promise, promise and promise substantial support. Perhaps when we SEE IT AND CAN USE IT, it becomes more REAL and we won't have to work on NOTHING. Just to "tell" us something—DOES NOT MAKE IT VALID—A LA RUSSBACHER???? But, we do not go to each of you asking you to verify or validate (or discredit) ANYBODY. "But," I am told, "you know everything—even what I am thinking!" I DO? I "can". There is a LOT OF DIFFERENCE!

Jackson and Grandma BOTH satisfy me—but then I am not looking for what YOU ARE LOOKING FOR—so it means nothing to YOU anyway. I do not judge, I am not "jury" and my mission requires a lot of things that have NOTHING to do with anything YOU RECOGNIZE!

I am etheric in almost all presentations. That means you cannot see me; it DOES NOT MEAN I DO NOT EXIST. You can't see the wind either—only the results of the wind or the "feel" of the wind. I CAN SEE THE WIND! What difference does it make? You can't SEE light—I CAN. What difference does it make? WE BOTH KNOW THAT THERE IS BOTH "WIND" AND "LIGHT". "Grandma" nor Ronn Jackson have read hardly any of our presentations. They read the paper (and not many of them) and perhaps, at most, one or two journals. Grandma has not even participated in that much. I suggest all ones stop judging and concluding on NO INFORMATION. A partially informed person IS A DANGEROUS PERSON—TO ALL OF YOU. May we now move on to things which ARE important that you know, please?

I have absolute demand that my workers act totally WITHIN ALL LAWS—OF GOD AND THE LAND. THEY, FURTHER, ARE NOT HERE TO SERVE OTHER THAN GOD AND MISSION. It is unfortunate that ones get bent totally "out of shape" because, say, Rick or Doris (Dharma) or E.J. or anyone here—is slow in responding to anyone about anything. They work 24 hours a day—around the clock, around the calendar. There are no vacations here, there is no "day off" and weekends are busier than the rest of the week. GOD IS GRACE—I AM A COMMANDER.

“The Jewish Peril”

12/10/94 #2 HATONN

I am going to offer something from *MERCURY*, Winter, 1975, entitled:

[QUOTING:]

THE JEWISH PERIL

Editor's note: This Editorial was originally printed in *The Christian Science Monitor (CSM)* ON JUNE 19, 1920.

A considerable stir has been caused in the political dovecots of Europe by the publication of an amazing pamphlet, entitled *The Jewish Peril*. This pamphlet, which has a sub-head, *Protocols of the Learned Elders of Zion*, professes to reveal a plot, formulated by a Jewish secret society, for the overthrow of Christendom, and the establishment, through the most lavish expenditure of blood and gold, of a Jewish world despotism of the most intolerant description. It is not possible to read very deeply into this pamphlet before becoming aware that the ideals are those of an old friend. *The Protocols of the Learned Elders of Zion*, to put it quite briefly, are instinct with the doctrine of Adam Weishaupt, and of the extraordinary organization which played so remarkable and so sinister a part in the French Revolution and in the Terror.

Now, for the moment, it is not necessary to plunge into the thorny question as to whether the Jewish Peril, of today, is as much a delusion of its prophets as was the Yellow Peril, in its day. *What is important to dwell upon is the increasing evidence of the existence of a secret conspiracy, throughout the world, for the destruction of organized government and the letting loose of evil.* People are apt to smile, with incredulous tolerance, at the mention of the word witchcraft. But witchcraft, when it is understood in the psychology of evil, is not the riding of aged haridans on broomsticks, but the impulse to do evil for the sake of evil in the human consciousness. Now, that any person should be desirous of doing evil for the sake of evil seems at first preposterous. And the philosophy of the world exhibits simultaneously its incredulity and its practicality by asking, "What is to be gained by it?" If, however, the philosopher is to find an objection to the existence of evil-mongering on the basis of the absence of any substantial quid pro quo, he will have to undertake the rewriting of history. History reeks with the expression of crazy sensuality, manifested in crime of every description. It is, indeed, a fact which may as well be taken into consideration, at the beginning of any such inquiry, that sensuality is invariably the backbone of inordinate crime. As the human mind shakes itself free from any regard for Principle, it must, indeed, in the very nature of things, substitute evil for its deity.

Anybody who will for a moment turn to the outpourings of Adam Weishaupt and the Illuminati may satisfy himself of that. The theory that the end justifies the means Weishaupt has inherited from the ex-Jesuits, who had assisted him in organizing his new order. John Robison, who studied the gyrations of this order, in the spurious Masonic lodges of France and Germany, *has summed up its ideals as the obliteration of Christianity; the deification of sensuality; the proscription of property; the abjuration of all religion and morality; the repudiation of marriage, and as a necessary corollary the state adoption of children; universal license; and the wrecking of civilization and giving over of society to general plunder.* [H: And you don't think you are THERE? How can the Surgeon General of your United States of America not only advocate teaching condoms in the grade schools but now wants to have required education CLASSES IN MASTURBATION! AND YOU DON'T THINK YOU HAVE PROBLEMS? WHAT

WILL MAKE YOU THINK YOU HAVE A PROBLEM OR TWO?] It was, in short, through the propagation of such crazy iniquity that men like Rabaud de Saint-Etienne were led to the conclusion that society could only be improved by being first destroyed. "To make the people happy," he declared, in a burst of revolutionary rabies, "their ideas must be reconstructed, laws must be changed, morals must be changed, men must be changed, things must be changed, everything, yes, everything must be destroyed, since everything must be REMADE."

Such were the ideals which, in the dawn of the French Revolution, were imparted to Mirabeau by Weishaupt and his fidus Achates, Baron Knigge of Frankfurt-on-the-Main, and adopted in the lodges of the new Free-masonry founded by Mirabeau himself and the unfrocked Bishop of Autun, in the days when the unmentionable Duke of Orleans had succeeded in securing his election as Grand Master of the order, in France. The energies, however, of the neophytes brimmed over, with the result that the Cape Breton Club was founded as a meeting place for the ILLUMINATI MASONS; and it was the existence of this Club, better known later as the Club des Jacobins, which accounted for the intimate connection between the philosophy of the Illuminati and the ideals of the Jacobins themselves, in all the horrors which followed.

It is not possible, except at great length, to show how the teaching of Weishaupt found a new exponent, in revolutionary France, in the person of the Prussian, Anacharsis Clootz; and how, when that worthy drove to the guillotine, in one of Robespierre's red tumbrils, the teachings of the Illuminati were preserved and disseminated through the intermediary of the Grand Orient. As a consequence, it is not surprising to find, in the first decade of the present century, Leopold Engels, the head of the revived order, disseminating the unadorned theories of the Illuminati in a book, published in Germany, to be exact, in the year immediately following that in which the *Protocols of the Learned Elders of Zion* were first given to the world by Professor Nilus, a minor official in one of the state departments OF MOSCOW.

Whether, therefore, the one is a mere rehash of the other, or whether both are imbued from the same ideals, is a question which may be argued another time. For the present, it is sufficient to draw attention to the fact that these ideals keep reappearing with a curious and sufficient regularity, at moments of great political commotion, and exercising an extraordinary and appalling effect upon world politics. For it was the naked theory of Adam Weishaupt that no scruple was to be permitted to be taken at any evil which would make for the advantage of the order, since the order itself was superior to every other consideration, which was the dominant note of "kultur" in its insistence of the State before morality. It was this theory, more than any one other thing, which brought about the recent world war, and which was used by the military vehmgericht to justify all the horrors of German policy, in a way which recalls the famous conversation between Marmontel and Chamfort, in the days of the Revolution, when, in reply to the opinion hazarded by the former that the nation might go further than it wished, the latter replied, "TRUE, BUT DOES THE NATION KNOW WHAT IT WISHES? ONE CAN MAKE IT WISH, AND ONE CAN MAKE IT SAY, WHAT IT HAS NEVER THOUGHT." THERE, IN NAKED LANGUAGE, IS THE WHOLE THEORY OF SUGGESTION AS A MEANS TO AN END, INTO WHICH SCRUPLE IS NEVER TO BE PERMITTED TO INTRUDE.

It is perfectly clear, then, that no matter whose may be the responsibility for "THE JEWISH PERIL", the fact remains that the propagation of the ideal of evil for the sake of evil exists as a theory of political degeneracy which can find expression, in high politics, in the most unlooked-for ways and unexpected quarters. The human mind jeers at the theory of mental manipulation, yet prominent politicians, philosophers, and soldiers, are found, at critical moments, giving expression to views of an absolutely non-moral description, which are not in accordance with their behavior in ordinary life. These views are manifestly disseminated mentally, and, unless the victim understands how to protect himself, through a scientific knowledge of what really constitutes Principle, he is liable unconsciously to accept them, and even to act upon them. It is here that the conspiracy of evil against humanity becomes recognizable. Whether it constitutes a "Jewish Peril" is a question for consideration in itself, but that it exists, as a peril, is entirely undeniable.

Fed Bankrupts America

(Continued from Front Page)

HAVE TO HAVE BANK HOLIDAYS. YOU ARE ALL SET IN "THEIR" PHONY MONEY. THE ONLY VALID WORTH IS IN CONSTITUTIONALLY MINTED MONEY—COINS—SINCE THEY ARE NOT HONORING GOLD OR SILVER CERTIFICATES.

Look and LISTEN TO ME. I am NOT a fortune-teller and you are up against SHREWD PARASITES set forth to GET EVERYTHING OF VALUE AWAY FROM YOU. In one day THEY CAN PUT THE NATION INTO TOTAL COLLAPSE—ON INTEREST ALONE. You must understand, for instance, that if you think you will just put off until after Christmas, the payment on the house mortgage. THEY WILL NOT DEVALUE THE INTEREST—THEY WILL TAKE YOUR COLLATERAL—YOUR HOME, PROPERTY, GOLD, CAR—WHATEVER IS COLLATERAL AGAINST THE NOTE ITSELF! Worse, the value of whatever is that collateral if other than, say, precious metals (gold, silver, platinum, etc.) WILL BE DEVALUED. How can you know? Because the Feds keep raising the interest rates "to stop inflation". This time you are headed for a "deflationary depression". If you read our early, early writings like SPIRAL TO ECONOMIC DISASTER [That's journal #4; also important are J#10, #16 & #17; see back page for ordering information.]—YOU WOULD KNOW THIS. Your corporations will HOLD and your GOLD will hold—because it is PLANNED TO INCREASE IN VALUE—ACCORDING TO THE BIG BOYS! Outstanding interest will, however, push you into having assets seized.

I don't know any other way to explain this. I DO NOT KNOW WHEN THEY WILL FINALIZE THIS MOVE—BUT IT IS WRITTEN IN THEIR PLANS AND WITH THE FALL OF ORANGE COUNTY—IT APPEARS TO BE UNDERWAY LIKE THE FALL OF DOMINOES. THEY WILL DO THESE THINGS AT THE MOST DETRIMENTAL, TO YOU, TIMING. THAT IS THE ONLY SURE THING.

I certainly do not tell you what to do and I don't know WHEN this will come down—the only sure thing about PARASITES is that they never stop until they KILL THE HOST—AND YOU TAXPAYER CITIZENS ARE THE HOSTS.

STAY ALERT AND ACT

If you are already "in" too deeply to act—then get some groceries and coins and pray for a delay—and THEN, if you are given time—get PREPARED. THOSE EARTHQUAKES ARE GOING TO COME, and when better—than in the midst of total economic disaster when the banks are shifting? That is called double or triple jeopardy—and THEY CAN DO IT ON PLAN AND ON SCHEDULE.

THE ECONOMY IS NOT GROWING AS THEY TELL YOU. YOU, AS A NATION, ARE BANKRUPT (SINCE 1933 AND UNDER MARTIAL LAW). THAT MEANS THAT "ORDER" WILL BE ESTABLISHED BY UNITED NATIONS TROOPS!

The changeout has been scheduled for at least three years with new currency paper already printed. Disaster ALWAYS comes, FASCISM moves in, in TOTAL CONTROL with the collapse of the economy—and you are THERE—NOW! The economists are stupid liars just as are your astronomers and scientists. They don't want to embarrass themselves and admit their TOTAL STUPIDITY.

You do not spring from monkeys or fish—YOU ARE "MAN" CREATED BY GOD AND SETTLED FROM THE COSMOS. YOU HAVE ALLOWED THE ENEMY PARASITES TO DESTROY THAT WHICH IS WONDEROUS, HONEST AND BEAUTIFUL. YOU HAVE PROVIDED THE FOOD TO FUEL YOUR OWN DEMISE. IS THIS DOOM AND GLOOM? MY GOD, WHAT DOES IT TAKE FOR YOU TO HEAR?

I do not DO ANYTHING—SAVE WARN YOU. I suggest you take cash "paper" and convert it to coins of your "Realm" (minted coins of the U.S.) and prepare for a changeover. If it happens not this week or next—it WILL HAPPEN and you will have SOMETHING to work with—EITHER WAY.

MY TURN

J. Irving Weiss

In this column last November, I warned that the huge financial transactions in derivatives have-made us "the greatest speculating and gambling nation in the world." My proof was this simple chart:

If you wish to stay in "business", then pay your interest. If you are prepared to lose to the parasites and you plan to simply collapse WITH IT, then go spend, charge and use up your credit lines. It will destroy your credit but so what? In collapse, you will at least have something with which to work and the parasites themselves will be caught with the deficit. They are going to take EVERYTHING THEY CAN WHEN IT HAPPENS AND SO FEW FISH WILL GET OUT OF THE SWEEPING NET AS TO NOT DETER THEM EITHER WAY. Mortgage collateral is what they are after—not the bits of cash loss in charge cards. THEY PLAN TO HAVE ALL PROPERTY—EV-

ERYTHING! AND, THE BLUEPRINT CALLS FOR DOING SO AND BEING FULLY OPERATIONAL UNDER THE NEW WORLD ORDER—IN YEAR 2000! THE LAST FIVE YEAR PERIOD OF THIS CENTURY IS THE SHUT-DOWN, IN FULL CONTROL—PERIOD. So, if not today—tomorrow?

THIS IS THE WAY IT IS—WHAT YOU CHOOSE TO DO IS YOUR FREE-WILL CHOICE. IS IT NOT TIME TO LOOK BACK UNTO GOD OF LIGHTED GOODNESS? THE PARASITES ARE NOT JUST AFTER YOUR WEALTH—THEY ARE AFTER YOUR SOULS, AS WELL!

TELEPHONE HOTLINE 805-822-0202

This is a service for our dedicated readers. Today's Watch telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.

PLEASE NOTE:

CONTACT and Phoenix Source Distributors are **NOT** the same! Checks sent for **JOURNALS** or book orders should **NOT** be made out to **CONTACT**—and vice versa.
