RONN JACKSON ON DATELINE NBC

I do believe that Ronn Jackson had an interview date with the TV News Magazine program called *Dateline NBC*. Mr. Martin was likewise contacted. However, there is an immediate contradiction which needs to be noted. Mr. Jackson believes (printed) that the interview would air on June 20th. This is either incorrect in scheduling or there is an intended schedule change. The 20th of June falls on a Tuesday; *Dateline* airs on Wednesdays and Fridays. I will ask Mr. Martin to check this out because I believe we need to support that program when it is offered. Thank you for paying attention. Life is full of unintended misspeaks so let us not be too hard on one another. [Editor's note: Rick has checked this out, and in the wild and crazy context of summer TV scheduling, indeed Ronn is scheduled to appear on *Dateline NBC* on Tuesday evening 6/20/95. We can but hope!]

Historic *We-The-People* National Common Law Grand Jury

FEDs Ordered To Show Cause Why War And Emergency Powers

6/7/95 RICK MARTIN

On Friday, June 2, 1995, citizens from around the nation arrived in Wichita, Kansas in anticipation of the weekend. Many gathered in private, small meetings to caucus over various national, political, and historical issues affecting what seem to be ever-diminishing freedoms and loss of constitutional rights. Tension was in the air.

Local law enforcement was, after Oklahoma, understandably concerned that there may be trouble at the Wichita Century II Convention Center. The National Common Law Grand Jury was scheduled to convene on June 3-4 at Century II and, frankly, no one knew exactly what to expect. Security was high. There were meetings with local law enforcement by Grand Jury coordinators to assure them that what was to follow would be a "peaceful assembly". At the conclusion of the meeting, law enforcement officials were more than a little surprised and impressed at how lawful, peaceful, mature and responsible the meeting had actually been. There were no incidents. The people gathered at this assembly were there to conduct court in an orderly fashion.

The National Common Law Grand Jury was called as a direct result of a court order issued from the Common Law Court in York, Nebraska. The coordinators of the event were merely complying with the Common Law Court's mandate.

The constitutional authority for a National Common Law Grand Jury is granted under *Articles III and V of the Constitution of the United States of America*.

Prior to the convening of the National Common Law Grand Jury in Wichita, during the month of May, the following announcement was faxed throughout the country. It reads, [quoting:]

NATIONAL COMMON LAW GRAND JURY

To hear the facts of the federal government's use of emergency power and executive agreements to suspend the *Constitution* and rule by statute in all cases whatsoever.

June 3 and 4, 1995
Wichita, Kansas

COMPLAINT

People in and for the United States of America ex rel. hereby declare that there has been a gross usurpation of our national *Constitution* and *Bill of Rights*, under pretense of a continuing crisis of War and Emergency conditions that have existed since the Civil War and continue to exist in times of peace to the present time.

Senate Report 93-549 says, "Since March, 1933, the United States has been in a declared state of National Emergency." Title 12 U.S.C. 95(b) says that

every order issued by the President since March 4, 1933, or any order issued in the future is automatically approved and confirmed. These powers being conferred under the Authority of the Act of October 6, 1917, as amended March 9, 1933, are strictly a War Power. (See *Stoehr vs. Wallace*.)

This vast range of powers, taken together, confers enough authority to rule the country without reference to normal constitutional process.

Wherefore, the People in and for the United States of America hereby demand that the President (Bill Clinton) and the Attorney General (Janet Reno), show cause within 60 days why these unlawful powers being perpetrated against the American people should not be terminated, and if they should fail to show cause, then our court with Original Jurisdiction is to issue a Declaratory Judgement in favor of the American People, and any and all remedy it finds proper, against the above named defendant(s). [End quoting.]

The following press-release was issued by Dr. Eugene Schroeder on Saturday, June 3, [quoting:]

WICHITA—A National Common Law Grand Jury is meeting in Wichita, Kansas June 3 and 4. Delegates from each state present are sitting on the jury, hearing evidence and examining more than 100 documents concerning the executive office's use of war and emergency powers to rule the country for the last 62 years.

Senate Report 93-549 says "Under the powers delegated by these statutes, the President may: seize property; organize and control the means of production; seize commodities; assign military forces abroad, institute martial law; seize and control all transportation and communication; regulate the operation of private enterprise; restrict travel; and, in a plethora of particular ways, control the lives of all American citizens."

Reuters wire service released a story June 2 that the House is considering giving the President even more sweeping war powers. The action under debate would remove the negligible reporting requirements the President now has to the Congress when he involves U.S. troops in foreign fighting.

"The war and emergency powers wielded by the President and his agencies cut much deeper than sending U.S. troops to fight foreign wars," said Dr. Eugene Schroeder, author of *Constitution: Fact or Fiction*, and *War and Emergency Powers*, two extensively researched books that sparked the Common Law Grand Jury. "The President and his agencies have the power to, and do, control and license every transaction among U.S. citizens."

Senate Report 93-549, done in 1973, also says, "Since March 9, 1933, the United States has been in a state of declared national emergency. A majority of the people of the United States have lived all their lives under emergency rule. For 40 years, freedoms and governmental procedures guaranteed by the *Constitution* have, in varying degrees, been abridged by laws brought into force by states of National Emergency. In the United States, actions taken by government in times of great crisis have...in important ways shaped the

present phenomenon of a permanent state of National Emergency."

It goes on to say, "These hundreds of statutes delegate to the President extraordinary powers, ordinarily exercised by Congress, which affect the lives of American citizens in a host of all-encompassing manners. This vast range of powers, taken together, confer enough authority to rule this country without relevance to normal constitutional process."

"We are not anti-government," Schroeder said, "but we do want a government that obeys the *Constitution*. The *Constitution* was the shackles our forefathers placed on the federal government. They reserved all rights to the people and states which were not specifically given to the federal government. Our government has been living outside those bounds for 62 years."

If the National Common Law Grand Jury determines that the facts show that the federal government is operating outside the *Constitution*, they may ask President Clinton and the federal government to show cause why they continue to operate by War and Emergency Rule. A Summary Judgement could be issued if no response is forthcoming within 60 days. [End quoting.]

Saturday morning, June 3, the Century II Convention Center received approximately 400 concerned citizens from all walks of life, representing 32 of the 50 states. The auditorium floor looked like a Republican Convention with signs on long sticks identifying each state. Those in attendance were asked to assemble with their home state.

Pastor Nichols opened the assembly with a prayer. This was followed by the *Pledge of Allegiance*. One of the organizers of the meeting was Walt Meyers [Executive Director of the Constitutionalists Networking Center], who then took the stage for some administrative remarks. He introduced several others involved in the coordination of the gathering. Ed Petrowski then made some additional administrative comments.

The entire court proceeding was videotaped, which constitutes the legal and lawful record.

The stated objective of the National Common Law Grand Jury was to arrive at Facts and Conclusions at Law concerning the status of War and Emergency Powers.

Dave Schecter asked each state to caucus and choose ONE delegate to sit on the jury. The decision process for each state was up to that state. After a relatively brief period of time, delegates to the jury, and their alternates, had been selected.

The beginning of the proceeding was somewhat difficult, disjointed, and tense. There were, after all, some very strong personalities and independent thinkers present. And there were many agendas, stated and private.

There was difficulty in seating the jury. The issue was raised, strongly, that women should not be allowed to sit on a Common Law Grand Jury. Others felt that under the Rule of Necessity women should be allowed. After some heated discussion, coordinator, Dr. Eugene

Schroeder, in a welcome stroke of sanity, took the stage and said something to the effect of, "My God, we live in a modern age. I, for one, will not stand in the way of women sitting on this jury." To which there was general, but by no means total, applause and the jury was seated.

Dr. Ron Carlson from Honolulu, Hawaii made the statement, "*We-the-People* of the several states are impaneling this jury."

Richard Perkins made a motion that the jury convene. The motion was seconded and passed. The jury then took their seats at tables set up along the front of the auditorium stage.

The next order of business for the jury was selection of a Jury Foreman, selection of a Court Clerk, and the swearing in of the Jury, Foreman, and Bailiff.

Dave Schecter then asked those assembled that Sally Freck be accepted in the position of Clerk of the Court. There was an objection, the stated reason being that the delegates should be given a choice. Nominations were made and Candace Turner was selected as Court Clerk by secret ballot.

After much discussion among themselves, Darryl Freck was selected as Jury Foreman.

Greg Paulson was appointed Bailiff.

It became clear that there was a need for a Chairman, or presiding spokesman. Gene Dixon, Director of the Constitutional Law Center took the stage, spoke briefly to the jury and added wisdom and experience to the proceeding. Discussion followed and Mr. Dixon was selected to be the person presiding over the jury—at the will of the jury.

A quorum was declared.

The Jury, Foreman, and Bailiff were all sworn in—actually the term used was "attest", not "swear".

The Jury was then ready to hear witnesses. Additionally, all witnesses were properly sworn-in prior to testimony.

The first witness to speak was Pam Beasley. Pam's testimony was obviously going to cover a very wide series of topics seemingly unrelated to War Powers. Gene Dixon stepped forward and stopped her testimony. Dixon then asked clarification from the jury as to the extent of the evidence they were to hear and accept into evidence, which was to be fairly well confined to War and Emergency Powers. Mrs. Beasley was dismissed without testifying.

Dr. Schroeder then took to the stage to ask the jury's indulgence by hearing the first three speakers who would present evidence covering a wide scope of topics, thus adding to a "big-picture" understanding of our nation's current situation. It was then agreed to hear such testimony and accept such evidence.

Senator Don Rogers from Kern County, California then spoke of many federal mandates which usurp state's rights. He spoke of the Clean Water Act, the Clean Air Act, the Endangered Species Act—and used as an analogy of government out of control the Kern County farmer, who was thrown in jail and fined heavily for killing some kangaroo rats with his tractor.

Rogers went on to remind all present that the *Bill of Rights* does not confer rights to the people, but rather it restricts government.

The next witness was Byron Dale, expert on money and fractional banking. Mr. Dale entered evidence into the record about the Federal Reserve Act of 1913, including Eustace Mullins' book *Secrets of the Federal Reserve*; the issuance of currency by the Federal Reserve, including the identity of the 12 families who own the Federal Reserve; information concerning a "gold standard"; and related financial matters. Mr. Dale said that with the passage of the National Currency Act of the 1860s, the laws of destruction came into play. The War Powers Act, according to Dale, was passed to protect banks who rob our country through fractional banking—or what he terms "theft by deception".

Lowell Becraft was not able to attend the hearing, so Ed Petrowski read a statement into the record which was written by Mr. Becraft concerning the subject of

Treaties. According to this statement, Treaties have been used by the government to accomplish what War and Emergency Powers hadn't, thereby also subverting the *Constitution*.

It was stated to the jury that Emergency Powers have never terminated, but merely been codified.

The Gold Reserve Act of 1934 was also discussed.

A "working paper" was entered into evidence for the jury to consider. This working paper concerned possible "findings" as they relate to War and Emergency Powers.

Toward the end of the first day, the jury agreed to then hear what the witness Pam Beasley had to say. Pam took the stage and spoke for approximately an hour, entering a comprehensive range of documentation into the court record. Her testimony covered a full spectrum of legislative issues over many years which have resulted in our current national situation.

State Senator Don Rogers then took the stage to offer a summary of information to the jury. At the conclusion of Mr. Roger's remarks, the assembly was closed for the day. The jury was asked to enter into deliberations.

On Sunday, June 5, the jury met in private session. Throughout the day in the main auditorium, a variety of speakers took the stage. By far the most visible, vocal, (and often frustrating to listeners), speaker on stage all day was Walt Meyers.

Other speakers included, again, Senator Don Rogers who shared excellent "sample legislation" with delegates to take back home to their respective states. Senator Rogers is also on the Executive Committee of the Constitutional Networking Center, the organization preparing the sample resolutions.

The sample legislation included:

(1) A legal document by the States directing their Agent, the Federal Government of the United States to correct our mathematically unsound monetary policy and to terminate operation of the United States under Emergency Powers.

(2) The purpose of this resolution is to seek correction of our nation's mathematically flawed monetary policy and reinstatement of the *Constitution* as the Supreme Law of our land. [95.1]

(3) A legal document from the States to the Agent requiring the removal of all foreign military forces from the United States.

(4) A legal document from the States directing their Agent to repeal an unconstitutional act known as the *1994 Crime Bill*.

(5) A formal instruction by States who, as principals to the *Constitution*, are directing their federal Agent to refrain from attempting to formally abolish, or in any way permanently render the *Constitution of the United States* null and void.

(6) The purpose of this resolution is to foster the establishment of a Commission to analyze constitutional amendments for their authenticity and intent.

(7) The purpose of this resolution is to acknowledge that the State delegations participating in the National Common Law Assembly [95.1] find there is a need for an informal National conference of constitutionally committed state legislators who sincerely desire that the pledge made by our nations 30 Republican Gover-

nors "to restore to the States and the people the prerogatives and freedoms guaranteed to them under the *Constitution*" becomes reality and who recognize the value of the *Constitution's* 10th Amendment as a tool for doing so.

(8) The purpose of this resolution is to initiate a lawful and formal process for insuring our nation's laws designed to protect our *Constitution* are justly and equitably applied.

(9) The purpose of this resolution is to promote action to have a formal Grand Jury determine the lawfulness of fractional reserve banking and whether or not this practice aids and abets, or is directly responsible for, theft by deception.

(10) The purpose of this resolution is to formally comply with the requirement of Title 18, Chapter 115, Section 2382, Misprision of Treason.

(11) This resolution is to convey the findings of the National Common Law Assembly [95.1] on the remedies offered by our nation's Republican Governors for their complaints cited in the Williamsburg Resolve. [End sample legislation.]

The resolutions listed were examples and were not debated or adopted by the National Common Law Assembly. The documents were entirely separate from the National Common Law Jury.

Joseph Gold, Chairman of the Christian Heritage Party then spoke on a variety of constitutionally related issues.

Charles Collins, Republican candidate for President, then spoke before those assembled. He said that he is the dark horse candidate referred to by Rush Limbaugh. He also said he will bypass the controlled media altogether with a system of faxes and computer bulletin boards.

In a series of statements, Collins said, "Reputation is what you earn in the daylight. Character is what you are in the dark."

Collins often referred to those currently in political office as "people who have been educated beyond their mentality."

Collins spoke of getting rid of the IRS, BATF, OSHA, EEOC, and the Federal Reserve. He asked for a 5% capped sales tax. He called for a return to the Grand Jury system and asked that we "get back to sensibility and sense in our country." He went on to speak of the gold standard, a new currency, getting rid of Big Brother and rid of the computers which house all the individual records on people. He even went so far as to speak of knocking out the satellites which track people. He assured those assembled that "we know a good idea when we see it." He spoke of removing property taxes, obtaining debt-free money and getting government out of the farming business. [Editor's note: While we here at CONTACT are not "endorsing" any candidate for President at the moment, Mr. Collins has written a speech which is such a wonderfully cogent historical statement about the Federal Reserve and how it has been draining our country of prosperity that we've elected to include it at the close of this series of articles.]

Joseph Stumph, Chairman of the Committee of 50 States and author of *The Ultimatum Resolution*, then took the stage to discuss the *Ultimatum Resolution* and

FRANK & ERNEST

the Conference of States. "What are our alternatives? What are our remedies?" Stumph pleaded with those present. He assured those assembled that he was not advocating secession, but rather put it forth as a possible future option which would be better than accepting the New World Order or entering into another civil war. While Stumph was opposed to a constitutional convention, he was in favor of the states meeting to enter into fruitful discussion of key issues.

Senator Don Rogers addressed the assembly once again, referring back to the *Magna Carta* and King John, saying that they had environmental legislation back then—if you shot a deer in the forest it was an automatic 1 year and 1 day in jail. He again reminded those present that the *Bill of Rights* are not rights but rather what the government cannot do. Several other speakers also had comments to make.

Sunday afternoon, June 4, Candace Turner, Court Clerk, resigned for personal reasons.

Were there obvious difficulties throughout the weekend? Yes. Were there disagreements and heated differences throughout the sessions? Of course, to be expected. In the final analysis, it really doesn't matter. What does matter is the miracle which did take place—a National Common Law Grand Jury comprised of *We-The-People* from 32 states attaining a quorum and arriving at a decision—a Finding at Law.

A Juror's Report, written by Dr. Ron Carlson of *The Phoenix Project/Committee of 50 States*, has just been received by *CONTACT*. We are including it at the conclusion of this article.

Sunday afternoon, at about 4:00 p.m., the National Common Law Grand Jury was seated, once again, before the General Assembly. The Foreman announced that the jury had reached a decision and released the following news release, [quoting:]

LET FREEDOM RING

Let the record show:

Your National Common Law Grand Jury having convened in Wichita, Kansas on June 3, 1995, heard testimony and reviewed evidence to require the Government to show JUST CAUSE within sixty (60) days why it has operated outside the clear bounds of the *Constitution* of these united states of America since March 9, 1933 under the pretense of a national emergency.

A war measure known as the *Trading With The Enemy Act* of October 6, 1917 was used to usurp the constitutionally secured rights of the people. Section 5(b) of this Act was amended to include almost all domestic transactions placing the American people in the same class with alien enemies, thus allowing the federal government to rule by statute in all cases whatsoever.

That evening at 8:15 p.m. central time, in closed deliberations, the juror from New York made a motion to the jury at large for a yes or no vote on the above question: "Do we have sufficient evidence to require the government to show just cause, etc." It was also understood more evidence could be considered and added later. The motion was seconded and passed unanimously. We do have sufficient evidence. The rest of the evening centered around the final wording of the Findings of Fact of the National Common Law Grand Jury pending their final approval the next day.

And so it begins...on this historic day June 4, 1995. The National Common Law Grand Jury proclaimed their Findings of Fact to their country and the world and recorded their proceedings on videotape for posterity.

COMMENTARY:

So let the word go forth to friend and foe alike that a new generation of Americans has picked up the torch of liberty to proclaim "LET FREEDOM RING. LET FREEDOM RING." [End quoting.]

The General Assembly and National Common Law

Grand Jury concluded by all present joining hands in prayer. Following prayer, the entire Assembly sang *God Bless America*.

THE PHOENIX PROJECT THE COMMITTEE OF 50 STATES

June 8, 1995

A JUROR'S REPORT

by Dr. Ronald S. Carlson

National Common Law Grand Jury on June 3rd and 4th of this year, with 32 of 50 states represented, examined evidence presented and focused upon the Banking Act of March 9, 1933 and its relationship to an undeclared, yet ongoing, everpresent state of emergency. The presenters of evidence were: (1) Byron Dale, educator and monetary expert, demonstrating that our current debit monetary system, rather than a credit monetary system (constitutional form), was finalized by the March 9, 1933 Banking Act; (2) Lowell Beecraft, attorney, presented "Treaties: A Source for Federal Municipal Power", clearly placing treaties, such as the Migratory Bird Treaty Act of 1913, in a superior position to the *Constitution*, as cited by *Fuji V. State*, CV 17309. April 24, 1950 (California), affirming that treaties made pursuant to the March 9, 1933 Banking Act accelerated the usurpation of common law and constitutional authority; (3) Dr. Gene Schroeder recited a chronology which, in effect, placed the American people in direct opposition as enemy to the U.S. Government, beginning with the War Powers Act of 1917 and ending with current law 12 USC 95(b), which affirms and confirms the Banking Act of 1933; and (4) Pam Beasley, who related the "Methods of Management" that have been employed via such initiatives as "Global 2000" and others (including 41 related documents and videos) establishing a "de facto global governance" by Khazarian-Zionist-Mishpucka-controlled United Nations, as a direct result of events and legislation derived from the so-called "emergency" created by the Banking Act of March 9, 1933. Deliberations took place for two days by 32 state jurors and their alternates, resulting in a "Findings of Fact and Conclusions of Law, Order to Show Cause", refuting the government's unexamined assertion that for the past sixty-two years we have operated as a constitutional republic. Clearly to the jury, evidence suggested that we have rather operated as a municipal corporation, or, in its extreme form, a fascist state. The Petition, Order to Show Cause, will be presented to the President of the United States of America, Attorney General Reno, Speaker of the House of Representatives, the President of the Senate, the governors of the fifty states, and other pertinent parties. By 5:00 p.m. Sunday evening, June

4, 1995, the document to be so presented was signed and attested to by 32 common law jurors in Sedgewick County, Kansas, for the several states of America. The U.S. Government will have sixty days in which they may respond to the Order to Show Cause or face more definitive action by the National Common Law Grand Jury. We thank, from the heart of our hearts, Creator God, our Father-God, for allowing us to be present during this National Common Law Assembly, and for the results guided by His hand that may now be known as the "new shot heard 'round the world".

Humbly and respectfully submitted

War Powers Vote By Congress

**By 16 Votes,
House Keeps War Powers Resolution
On The Books**
by Lee Michael Katz
USA Today

With Bosnia overshadowing the debate, the House Wednesday defeated a GOP-led effort to repeal the controversial 1973 War Powers Resolution.

In a 217-201 vote, the House voted to preserve the largely symbolic Vietnam-era requirement that a president notify Congress within 48 hours of putting U.S. troops in harm's way.

Under the law, Congress must OK the military deployment within 60 days for troops to stay, but presidents have ignored the statute and federal courts have refused to enforce it.

House Judiciary Committee Chairman Henry Hyde, R-Ill. who sponsored the defeated amendment, called

A Recent Message From Ronn Jackson

June 5, 1995: To find out if your currency and stock markets are stable, start redeeming your stocks and bonds. Brokers can only pay about two cents on the dollar. Sure, the first few people will get their money and then you will find the Dow Jones averages are as phony and artificial as your government. Your country isn't as prosperous and well-off as your government states it is.

The Hillbilly-Socialist in the White House finally broke the ice, and complained about the many fax networks in our country. Our words are reaching everywhere. It is nice to see those idiots in Washington, D.C. squirm a little. This is just the beginning. After members of the federal government appear before a Constitutional Tribunal, each will be doing more than squirming.

The *Monroe Doctrine* specifically states what this country's policy is toward sending troops to foreign lands to fight. Exercising the War Powers Act, which is non-positive law, just proves you only represent government and not the people. The truth is absolute and cannot be changed or denied.

1995 is the year that our nation will be returned to a republic as a direct result of the spirit of freedom and the dedicated work of its patriotic citizens. The *Constitution* shall prevail for all of history!

the War Powers Resolution a "wet noodle, a useless anachronism."

Supporters of repeal also argued that a president can't wage war without having it funded by Congress anyway. "We control the purse strings," Hyde said. "Without the appropriations, they can't get a drink of water."

Votes crossed party lines, but minority Democrats won a rare floor victory by arguing that Congress should maintain its constitutional power to approve a

president's decision to send troops off to war.

"I would think the last few days of Bosnia (is) the greatest reason for why we should not do this right now," said Rep. Patricia Schroeder, D-Colo.

"We are on the brink of war," agreed Rep. Toby Roth, R-Wisc., citing "the deepening crisis in Bosnia. In months, weeks or even days, we may be grateful we have [it] on the books."

Supporters argued the law forced President Bush to

hold an important congressional debate before sending troops to the 1991 Persian Gulf War.

Rep. Lee Hamilton, D-Ind., who led the effort to defeat the amendment, exhorted his colleagues not to "send a signal to the American people we have abdicated our power and give it to the president carte blanche." [End quoting.]

Editor's note: SR-5 is a Senate Bill introduced by Senate Republican Leader Bob Dole. This Bill has not been voted on at the time of this writing (6/9/95).

Charles E. Collins (For President) On Federal Reserve Cancer

My Fellow Americans:

In Green Bay, Wisconsin, at the Midwestern gathering of Republicans in May 1995, I had planned to end my speech with an explanation of the historical significance of the way three of our great presidents had handled the devastating, blood-sucking scourge of a central banking system. It is critical to our survival as a great nation that I get his message out to every citizen across America. It is worthy, I think, of your intense consideration.

Our forefathers came to this land to seek freedom; freedom from oppression, freedom from direct taxes, freedom from property taxes that could lead to painful loss of that property if sold for unpaid taxes; freedom to keep property that was not subject to taxes, so that they could own lands, build homes, and keep that property in the family for generations, with allodial right of ownership once the property was paid for.

Our forefathers established a Constitutional Republic for us that recognized the Sovereign power of the citizen. This power was from God; a gift that was not given by any government. But rather, man gave to the government only certain delegated authority that the citizens felt could better be handled by a central, federal government for the people, at their direction, and under their control.

One of those authorities was to the legislative body to coin money, and set the value thereof.

There was a move made by a group of international bankers to establish a national bank during President Jackson's term. He angrily denounced them, vowed that there would be no national bank to prey upon the people, and threw them out of Washington. There were two attempts made on his life, and some historians have placed the blame squarely upon the disgruntled bankers. Jackson said he would pay no interest to bankers on our national currency.

During the Civil War, President Lincoln had need of emergency money to pay for the war. Foreign bankers offered to lend him the money at high interest, but he chose to create the first printed money in the U.S.A. Because of their color, they were called "greenbacks". The smaller denominations were called "shin plasters". The U.S. Treasury has a supply of this money still, but it is not circulated. It is still lawful money. It was not created with debt, and no interest was ever paid on this money. President Lincoln was quoted as saying about the international bankers: "The money power preys upon the nation in time of peace, and conspires against it in times of adversity. It is more despotic than monarchy, more insolvent than autocracy, more selfish than bureaucracy. It denounces, as public enemies, all who question its methods or throw light upon its crimes."

"I have two great enemies, the Southern Army in front of me, and the financial institutions in the rear. Of the two, the one in my rear is my greatest foe."

President John F. Kennedy took office with many things on his agenda that were considered liberal. He expressed real concern for our country, however, in his inaugural address. By 1962, he determined to change the monetary system of the United States. Without any fanfare or announcement, he issued an Executive Order

that instructed the U.S. Treasury to print our own money, which he called "United States Notes", and which would not be tied to the Federal Reserve System at all. He bypassed the Fed to print debt-free, interest-free money. This was the same bold, historical move made by President Lincoln one hundred years before. He announced that he had determined a method by which he would return America to her People.

He obviously should have told everyone in the country that he was by-passing the Federal Reserve System, and would no longer allow our own U.S. Currency to be loaned into circulation by a corrupt system owned by foreign bankers, where our people were required to pay interest on all U.S. money, created out of "thin-air" by the Fed, not by honest labor, but by an illegal cartel of foreign bankers.

His failure to tell the people what he was doing, and why it was essential to the United States to keep from paying immoral, unconstitutional interest on their own money printed by our own Treasury, was the probable cause of his assassination in November, 1963.

Immediately following President Kennedy's death, a directive by President Johnson stopped the printing of the United States Notes. President Johnson returned to the policy of borrowing all money into circulation from the clandestine Federal Reserve System.

The Federal Reserve System is no part of our U.S. Treasury, or Federal Government. It is a private corporation chartered by Congress in 1913. It was created by an unholy alliance between a private banking cartel, and the Congress who should have all the legal and Constitutional oversight of the mechanics of coining and printing all U.S. Money. The Federal Reserve System has never been Federal. It has never had any Reserve. It has never had any operative System. The (12) regional Federal Reserve Banks are a sham and a fraud. The directors have no other authority than to set the interest rates charged to banks in their district, but their every action is subject to review and reversal by the New York Federal Reserve Bank and, the head of the F.R.S., Alan Greenspan.

The Federal Reserve is so patently illegal and immoral, and so secretive and clandestine that the only way it can survive is to stay a mystery to the American people. It is so rotten that Henry Ford was prompted to say, "If the American people understood what our monetary system and the Federal Reserve System were doing daily to hurt them, I predict there would be a revolution before morning."

The "Fed" is corrupt and so insidious by nature that you must realize it is a license to steal. It is in no way fair. All of us here assembled could demand that the Fed be thrown out, and that we become the "New Citizens Federal Reserve System". They have had it long enough. We could, like the "Fed", create all the money we needed "out of thin-air", and lend it to the Government at interest. They have no reserves, so we would not need any reserves. They do not have any, real, nation-wide system of banks. We would not need even to pretend to create such a farce. We would just have one central office bank, such as the Federal Reserve Bank of New York, where all the power resides. You and I, as citizen bankers, could perform everything the Fed does without any loss of motion or confidence in the banking system. The power brokers would change, and the flow of all the money and profits from the banking business of the American people would change. But this change would still be as illegal and immoral, and unconstitutional as the current Federal Reserve System. Therefore, the Federal Reserve System must be abolished to correct our failing monetary system.

The Internal Revenue Service is another private corporation that is abusive and oppressive, and must be abolished! How do you know it is a private collection agency for the Federal Reserve System? Just read its charter, or better yet, notice on all IRS correspondence there is postage paid, not marked as "Official U.S. Business" which would require no postage.

The Federal Reserve System has drained trillions of dollars from the U.S. economy and the American People. As your next President, I must assure you that I would follow the precedent already set by President Jackson, President Lincoln, and President Kennedy. The American people, and I, together will act in concert to abolish the Federal Reserve System, and take over its assets, both here and abroad. We would also abolish the income tax, the Internal Revenue Service, and install a 5% capped Federal Sales Tax to be collected by the dealers in each state. There would be no Federal Bureaucracy needed for the collection of the Federal Sales Tax.

We are hereby notifying every person in the United States about our intention to dismantle the playhouse of the Federal Reserve System, and why. Every citizen must know that the FED is illegal and unconstitutional, according to Art. 1, Section 8. Every citizen must know that every recession and depression in the U.S.A. since 1913, has been caused by the FED manipulating the U.S. money supply, and the rate of interest paid by our government, and the U.S. taxpayers/citizens.

Congress was duped in 1913 into passing the Federal Reserve Act. The Congressional Record reflects the feeling during debates that those who voted for it thought they were breaking up the Wall Street "Money Trust" by creating the 12 "Branch Offices" of the Federal Reserve System. Even casual observation should have shown Congress that the "Fed" was a lie and a sham. If our Congress in 1934, or 1939, or 1995, had the sense and guts to stand up to reality for the American people, there should have been a law introduced in any and every Congress since 1934 to abolish the FED and take it over.

Both the Democrats and the Republicans realized in 1932 that the Federal Reserve had caused the great Depression in 1929. Both parties had in their Platform a plan to abolish the Federal Reserve System that year. The Republicans had the same plank in the Platform in 1936. The idea to abolish the Federal Reserve System is obviously not new. It is, however, overdue.

Today I must ask every citizen/voter to listen, and read, and learn what is eating up all our income taxes, our personal money, and the heart and body of our jobs and economic system. The Federal Reserve System is historically and patently totally responsible for the recessions and depressions in our country. Hard work and ingenuity of the American people are the only things creating real money today. Then the Federal Reserve System siphons off our excess cash flow, and creates an artificial money shortage. The "Great Lie" of all time has been that we must let the FED "lend us some more money into circulation". This license to steal must be stopped. We will stop it! But you must spread this message across the nation, so that every citizen understands why and how the Federal Reserve System must be abolished, and its assets recovered by the U.S. Treasury.

Only "Knowledge" will set you free! Only universal knowledge of the dangers of the Federal Reserve System and its awesome power over money, politicians, and life and death of those who dare expose them, can allow us to follow the brave footsteps of President Jackson, President Lincoln, and President Kennedy. These great presidents saw what was wrong with borrowing our own national currency from an unconstitutional foreign cartel of bankers, paying them interest on our own currency we printed, and allowing them to control the amount of money we have in circulation, and the interest rate charged to the government, and to the people. And not one dollar loaned by the FED was created by work, or labor applied to a raw material to make a product to be sold. All the Federal Reserve money has been created by them "out of thin air", under practices (that would have put any of us in jail), for writing checks for money that was not on deposit in any FED banking account, and for writing checks on non-existing accounts. These two practices are exactly what

the FED does every time the check is written to lend money into circulation; illegal for us to do, but a matter-of-fact reality about the fraudulent operation of the Federal Reserve banks.

For me and my family to stay alive and survive to be elected, and inaugurated as President of the United States, every citizen must become aware and active in writing letters to editors all over the country, must call in to radio and television talk shows to register complaints about the fraudulent Federal Reserve System and demand that it be abolished. It must come loud, long, and clear that all Americans know the fraud is going on, that it must stop immediately, and that the People are mad as Hell, and they are NOT—repeat, NOT—going to take it any more!!!

Then they would know they are caught, the jig is up, the party is over, their lights are going out, and the lives of those who will carry out this mandate of the people, would be somewhat safer. The international thugs who work for the bankers would be identified and made to know that the people had spoken.

Don't expect these banking thugs to give up easily. For the mutual benefit of all the people in America and their President, courage and determination will win out. The fraudulent banking system will be thrown out like President Andrew Jackson did, and a new monetary system envisioned by President John F. Kennedy will be installed, without any chaos, just like President Kennedy did in 1963.

The Vision of President Kennedy of restoring America to her People will be fulfilled. It will be fulfilled by "We The People" in 1996, thirty-three years after his untimely death. That vision can be real for every American, young and old, whereby the People rightfully control their money and their destiny. Then, in memory of President Lincoln, President Jackson, and President Kennedy, we will resolve to keep our sovereignty over our money and our lives, and never again allow a bunch of international cheaters and thieves to gain control of our money system, our Constitutional rights, our God-given freedoms, our fortunes, or our lives.

"Go forth this day", as President Kennedy said, and ask (and do) what each citizen must do to take back the monetary rights stolen from the People by the Federal Reserve Act of 1913.

Major Circus Rings Connected

(Continued from Front Page)

pouring in are regarding this subject OR the Oklahoma City bombing—all of which you deserve to have shared as well as need for backup. Each needs to be presented EXACTLY as sent and there is not enough space in a dozen papers to hold it all—just pertaining to these matters.

*** BUCKLE YOUR SEAT BELTS *** MAJOR QUAKES IMMINENT

Gordon-Michael Scallion is an excellent resource as a probability gauge, readers, but you need to KNOW WHAT IS ACTUALLY TAKING PLACE—NOT JUST PREDICTIONS. For instance, the next major expected U.S. domestic quakes will likely hit very close together in time-span. The major New Madrid Fault and a MAJOR quake, not on the San Andreas as central focus, but in the Palm Springs area, will trigger incredibly widespread damage. For instance, there is now a triangle of fault lines surrounding Palm Springs which were expected to go month before last. When this finally happens you can all but kiss Palm Springs goodbye. The quake will trigger the satellite rifts and is supposed to take on the Elysian Park fault system UNDER LOS ANGELES. This will, however, concentrate the major damage to the Southland instead of ripping off the entire San Andreas.

This has become the war of the Elite. I think you can understand why. Palm Springs is a major Khazarian population center as are the portions of major intended damage in Los Angeles: Hollywood, Beverly Hills, the downtown hub of CORPORATE BIG BUSINESS and BANKING CENTRAL. It was not nice what the stupid Elite just did to Russia, friends, and the opposition to the Bolshevik tricks are not LOST on the opposing element of Russian government. The U.S. has already been TAKEN OVER by the enemy of freedom—and you see it from the top down, now stopping at you-the-people who are now awakening.

The point of selected detonations of fault lines is to do the most extensive damage possible to the Elite and Big Business Banksters, which will again focus all banking into the New York area (which is also intended to crash down). The ongoing major move, politically, is to DESTROY JAPAN economically (being now accomplished) and garner all the "stuff" in the "Americas". Worse for you-the-people, however, is that the Russian Cosmosphere fleet (the strongest space operation attached to your globe, as in "POWER") are against the Bolshevik Khazarian Zionists. I don't even speak of morality, God or Nations. The resources in those machines can make or break fault lines set forth by the New World Order and have done so! When the Palm Springs disaster hits it will be above 10 in magnitude and devastate the entire area, while also causing totally incredible devastation in the L.A. area due to the underlying array of criss-crossed fault lines.

Along the New Madrid the damage will be as great as in the West and all input has it that the major passages over the mighty rivers will be "blown". The very core of your globe is shifting totally and the consequences of that shifting will be a mammoth impact to ALL places. Water levels in the oceans are rising—but not for the popular reasons suggested, by melting ice caps, for ice takes more space than does water while water seeks the lowest portions of land upon which to flow. The rising sea-beds and tilting orb are together rearranging land masses. After all, ob-

servers, SOMETHING CHANGED AND CREATED THE MOUNTAINS, OCEAN BEDS AND OTHER MAJOR TOPOGRAPHICAL MASSES—SOMETIME, SOMEWHERE!

This all needs to be discussed, but you need to continue your understanding of WHO and WHY these things are happening which are controlled by man—never mind GOD. Nature may well take over, as in "PHYSICS", ONCE THE MOVEMENT AND SHIFTING IS UNDER WAY—BUT GOD DOESN'T SIMPLY ZAP FOR THE HECK OF MAKING YOU MISERABLE.

YOUR BIG SHOTS SIT ATOP A MOUNTAIN IN SWITZERLAND TODAY (BEGINNING THE FORMAL SITTING OF BILDERBERGERS) DECIDING YOUR FATE. HOWEVER, IN THAT SAME DECISION-MAKING PROCESS—THEY HAVE TO CONSIDER ALTERNATIVES OF WHICH "I" COMPRISE ONE. THOSE COSMOSPHERES COMPRISE ANOTHER.

Therefore, I feel it necessary to continue to allow you to see WHO are these players in the game of "getcher stuff and getcher lives". YOU continue to try to reason with GOVERNMENT. Well "government" is NOTHING—it is only a mind-game. PEOPLE RUN GOVERNMENT AND PRESENTLY IT IS NOT "WE-THE-PEOPLE".

CONTACT LIVING ON EDGE OF STAYING AFLOAT

All we intend to do about this is to continue, as long as we can do so, to share with you—truth of your circumstances and present the players. And yet, I sit in an interesting position while we receive a document of cross-complaint from a "Jewish" attorney (Esquire [title of nobility]) via the FAX network with demand that we run it for "equal hearing". As a paper, we shall do so. I have no objection to having "equal hearing"; it is good journalism and we offer freedom of speech. I just wish these DEMANDERS would send along the cost of offering their product. We do not have the problem with truly "in service for freedom" DEMANDS. There seems to be a great misunderstanding from "strangers"

regarding our publication: Who do they think pays the bills? Who do YOU think pays the bills? So be it.

I intend to run this document in point for it fits within the very subject material we now are presenting from, by the way, David Emerson GuMaér, (D.E.G.) who has now given written information and permission to use his name. We have no address for him, so please do not ask. He is not a regular reader or "taker" of CONTACT so he is unaware of our problems of operation. He suggests, in good humor, that we need a "proofreader" at the main "headquarters" of the paper. There IS NO main anything for CONTACT, much the less headquarters and/or people, much, much the less "proofreaders". Further, on any given day our tiny crew (count them on one hand) receive at least ten documents (longer than Mr. GuMaér's). Indeed, I grant you one statement made by the critics of CONTACT: "THEY CAN'T BE WHAT THEY CLAIM TO BE BECAUSE TWO OR THREE PEOPLE COULD NOT DO ALL THE WORK." Ah so, and just who do we CLAIM to be? But, the research and contributions are DONE BY YOU—YOU who share, wait patiently and make it possible to print "one more paper". Will this get to print? Yes, because we can print one more SMALL paper—and then it's pretty much over unless we pick up some major help—for loan interest payments are past due and owing.

We have some now apologizing for turning their support to Ronn Jackson and allowing us to sink. So be it—readers do that which they feel necessary. We aren't so glamorous, I believe, or as exciting or, most certainly, not as colorful. I find it rather amusing, however, as there is hardly anything around as interesting or colorful as our presence. God, however, does NOT manifest money upon your heads—for your support is a major show of INTENT as to what you will become: again a nation or simply lost into history. If the AntiChrist has his way—you will certainly BE FOREVER LOST IN HISTORICAL RECOGNITION.

With all this in mind I need to give you a rundown of my own intentions: (1) offer a paper by David C. Grossack, Esquire; and (2) *The World Order* Foreword for the Japanese translation, by Eustace Mullins. This is all Dharma can handle. She has some grandchildren graduating from high school (having moved from the cradle to graduation while she wrote for me and she didn't notice them being grown) and she tells me she is going to be at the services "come Hell or high-water". Well, readers, at least my crew has quit asking for a day off or a vacation! [Editor's note: Now let's see...how can I say this tactfully: We learned that any such request for a break was usually met with at least a doubling of the work load. So, eventually you're too worn out to ask for "a day off"!]

A Recent Message From Ronn Jackson

June 3, 1995: The bombing in Oklahoma City was a direct result of the action of the federal government. The government must create civil discord and make you believe problems exist, when in reality those problems are mostly imaginary. Government needs to propagate and justify its existence, and you are being misled and conned!! In the instance of Oklahoma City, many of your fellow Americans lost their lives. Make no mistake, government's next move will be larger in scope and they will continue to commit these atrocities until they convince you government is the answer and solution to every problem.

The interview with *Dateline NBC* was held on 6/1/95. The staff asked many questions and if the integrity of what I said remains intact and is telecast in context, then the awakening process of this country will be in full progress. I do not trust our tyrannical government and, as of this date, the show will be aired on 6/20/95. My fellow Americans, in this interview, I publicly stated that I and most Americans were much more intelligent than the President of the United States, and that if Bill Clinton continues to talk as he is doing now, we will have the first President of the United States ever charged under *Article III, Section 3 of the Constitution*.

LITTLE JIMMY

By the way, I believe ALL OF YOU READERS will be reminded, as you watched as Jim Guy Tucker, Governor of Arkansas, was indicted for felony criminal activities, that he **CHOSE** his path and cursed US and defied GOD. Good. Let us see how the other dominoes fall in Arkansas. Note they aren't being charged for blowing up buildings and murdering people—just can't believe it, can you America? Well, as for Little Jimmy Guy—his liver is worse than your favorite baseball player's and, without a transplant and under the pressure of stress applied NOW, I wonder if he can make it to prosecution. Of course, before he will be allowed to testify, I'm sure the suiciding will start up again in a real hurry. These rats jumping ship will tell all they know to stop the hanging of themselves. Jimmy Guy is/ was a real close operating buddy of Hill Billy. The FARCE in Washington is bilious to say the very least. Indeed, readers, what is there in Washington D.C. that you-the-people need or can even use if freedom is your goal? LET IT GO!! IT IS TOO LATE TO SALVAGE ANYTHING FROM WASHINGTON D.C.! IF THERE ARE LEADERS WHO WOULD HAVE LONGING FOR FREEDOM—LET THEM JOIN **YOU-THE-PEOPLE!** Your enemy of freedom and of nation of "we-the-people" works in OPPOSITES. Everything they profess to you is in exact opposition to that which they intend and DO. You will notice a good example presented right here in the next document—right from the first choices of actually printing the document. There was a demand for printing but it goes right on to state that it is publicized by Citizen's Justice Programs (A Jewish league which indicates "non-justice" of any kind because we all know from prior documentation that it is NOT FOR "JUSTICE"). Then, the title of the article "Patriotism of Fools", tells the next intent and ridicule of you Readers. And lastly, with demand for press in mind, the next writing on the document reads: "Common Law Copyright 1994. All Rights Reserved." This document has been on every FAX network line and now ends up in front of me. The assumption, I suppose, is that we will somehow blunder. Certainly the last thing this group wants IS ME OFFERING THIS DOCUMENT TO YOU-THE-PEOPLE WITH MY COMMENTS. SO, SO, I WON'T MAKE **MANY** COMMENTS! WE GIVE FULL CREDIT AND EQUAL TIME AND SPACE TO ATTORNEY GROSSACK AS A MATTER OF GOOD PRESS JOURNALISM. JUST REMEMBER THE PLOY OF "OPPOSITES" AS TAUGHT IN THE *PROTOCOLS AND TALMUD*.

The crisis facing the United States is so broad, so severe and so dangerous that the last thing that is needed is for a misguided group of men and women to attribute the problems America has to a group of people who individually or collectively have no connection with them.

For a number of years, in fact most of my life, I have been a determined libertarian and advocate of constitutional government. My entire professional career as a lawyer has been consumed in court, fighting various bureaucracies. I am truly outraged at the abuses of governmental power which are rampant throughout our land and yet there is a very sad fact and reality that I must cope with.

Because I am a Jew many of the people who would

otherwise agree with me on most political and constitutional issues believe that somehow I am the ultimate enemy. Many apparently think that as a Jew I am in some evil cult that dominates the federal government, that serves Israel first, that controls Congress, that is devoted to the international banking interests that control the media, ad nauseam. How can I ever prove that this mythology, recklessly asserted in otherwise patriotic literature, (especially the *SPOTLIGHT*) is an outrageous libel on good citizens when people irrationally choose to believe the most preposterous insinuations about all Jews being inherently wicked. The myths are so absurd and the lies are so vicious that there appears to be no limit to the gullibility of the naive or otherwise confused people who chose to believe in a "Jewish con-spiracy" and the myths about a Jewish "race".

The myths are so prevalent in rightwing circles throughout the United States that not only are innocent people being defamed and placed in the danger of suffering violent attacks or discrimination, but also the movements for individual liberty and constitutional freedoms are being deprived of the help of talented and educated people who, seeing how crazy and hateful one side sounds, are going to go over to the side that does not overtly say bad things about them.

The myths I am writing about are so silly that too many Jews just laugh rather than respond.

This is one Jew that will neither cease opposing of (sic) violations of constitutional rights nor tolerate bigotry against any group. One myth is that the Jews are in control of the federal bureaucracy. This is simply false. If I were to reveal in this essay that all Jews receive a special letter of exemption from paying taxes from the IRS, sadly a number of people would believe me. [H: I believe you!] Of course this is not the case. We pay taxes and complain about it like everybody else. We get harassed by bureaucrats like everybody else, in fact possibly more so.

If we were manipulating Congress to the advantage of Israel, the Middle East crisis would be over, Israel would be in such a strong position she would never be negotiating with the PLO. But she is, to her possible destruction.

Consider this fact: There is a party in Israel that does not want aid from the United States. They believe, correctly, the U.S. aid is used to control the country and make it dependent on Washington which then dictates policy, i.e., concessions to Arab terrorists. This group has never been in power, but its analysis appears to be on target. If it were Israel's choice, no U.S. weapons would be sold to Arab countries. They are. U.S. multinational corporations arm both sides for profit and American and U.N. diplomacy exacerbates the conflict. If Jews "owned" Congress no concessions would be made in Judea and Samaria (the West Bank). They are being made.

If Jews were in charge, the U.S. embassy would be in Jerusalem. It isn't. It's in Tel-Aviv along with other embassies that do not recognize Israel's Biblical claim to Jerusalem.

If Jews were in charge, Jonathan Pollard would be a free man. He isn't. He served nine years thus far for warning Israel about Saddam Hussein's chemical weapons because the Navy wouldn't. And Clinton is the third president to refuse to pardon him or commute his sentence. This is Jewish control over federal government? Jonathan Pollard remains in prison sentenced by a BLACK Judge angry about alleged Israeli ties to South Africa.

A lot is written about Demjanjuk in the *Spotlight*. He may or may not have committed atrocities in World War II death camps. Yes, camps did exist. Unlike the *Spotlight*, which makes money off of feeding on the frustrations and fear of its readers, I have known many Holocaust survivors and their families. I know the trauma they endure, the problems of their children, and see the numbers tattooed on their arms. I know U.S. soldiers, of non-Jewish background, who visited the

camps after the war, who were shocked and disgusted, to put it mildly, about the hell they saw in the Nazi concentration camps. Holocaust denial is about as an obscene an act as can be committed.

Now even the Birch Society is supporting Demjanjuk. But it will never stand up for Pollard, despite the futile attempts of its very few Jewish members to secure JBS support for him.

Another favorite target of the Jew baiters is the *Talmud*.

The *Talmud* is the Jewish equivalent of the Corpus Juris. It is an encyclopedia of law blended with folklore. It contains the points of legal reasoning by the rabbis of the Jewish exile in Babylonia in the 4th century, A.D.

The *Talmud* advanced such principles as the right to confront witnesses, the right to due process and equal protection of the law. Alexander Hamilton, who was raised as a Jew, studied *Talmud*, as did Thomas Jefferson and James Madison, not to mention several Supreme Court justices such as EARL WARREN and Benjamin Cardozo. [H: I wonder if this man has any idea at all that Earl Warren ORDERED THE ASSASSINATION OF JOHN KENNEDY.]

EARL WARREN

There is nothing in the *Talmud* which teaches Jews to mistreat persons who follow another faith. Any assertion to the contrary is maliciously false. [H: I wonder if Mr. Grossack has ever seen the *Talmud*? He certainly is not referring to the SAME TALMUD with which I am familiar.]

Any Jewish bookstore [H: I am here asked by commentators on this, "Is there any other kind of bookstore?"] will sell a *Talmud* to anybody willing to purchase one. They are available in English [H: But wow, the translation problems.] and Hebrew. (Because it is 18 volumes, it is fairly expensive but it is good reading.)

Then there is the widely disseminated belief that Jews have no claim to the land of [off??] Israel, that Danes, Anglo Saxons, the Dutch, the Scottish, etc., are the true Israelites, that we Jews are impostors, children of the devil, the synagogue of Satan, the tormentors of Jesus who must be damned, persecuted and destroyed. Some "British Israel" Identity Churches advance this view. People will often believe that which they are naturally predisposed to believe, even though Jews have lived in the land of Israel [H: NO, PALESTINE, READY OR NOT.] continuously for roughly 3600 years. The rabbinate in Israel today confronts the challenge of who is a Jew, especially in the light of demands by literally hundreds of thousands of potential new immigrants who claim to be lost tribes of Israel,

and potentially entitled to Israeli citizenship.

In Jerusalem, institutes have been created to analyze various customs, linguistic patterns, historical records, and other data to determine bloodlines, worship practices and ethnology to see who is entitled to claim Israeli citizenship (on the basis of either being an ethnic Jew or an adherent to Judaism) among ethnic groups the world over. After decades of debate, Ethiopian Jews were granted this recognition. At this point in time, it appears likely that the Pathans of Afghanistan might be formally acknowledged to be the lost tribes of Israel, although claims are coming from India, Burma, West Africa, and Latin America. Can anybody establish that Anglo Saxons are the lost tribes? Clearly, if evidence were presented to the Chief Rabbinate in Israel to this effect, a hearing would be held, an investigation would be made, and an intellectually honest opinion would be forthcoming.

[H: It is quite fine with me but I am caused to wonder why in the world this writer is IN THE UNITED STATES OF AMERICA? WHY INDEED IS HE NOT PRACTICING HIS TALMUDIC LAW IN ISRAEL? IS THERE SOME LAW OF THE U.S.A. THAT PREVENTS HIS GOING "HOME"? WHAT IS WRONG WITH THIS MAN'S REASONING—EVEN IF EVERY WORD BE TRUTH? IF YOUR HEART BE IN ONE PLACE—THERE TOO IS YOUR LOYALTY. AND WHAT OF AMERICA, WHERE YOU DWELL, TAKE INCOME AND LIVE COMFORTABLY WITH ALL WONDROUS LUXURIES?]

People who can prove that they are of the lost tribes would legally be entitled to a claim to Israeli citizenship under the Law of Return. But even if such claims were established, would that justify the fanatical hatred exhibited towards Jews by some Identity Churches? The calls for genocide? The ridiculous accusations of ritual murder, political conspiracy, financial control, domination of the United Nations, Federal Reserve, etc.? [H: My, my—named most of them, didn't he?]

The allegation that Jews control the federal government is one which might be made as long as the Earth revolves around the sun[sun?], simply because some Jews are present in the federal government. [H: Yes, like 65 percent!]

But the claim of some that "ZIP" code means Zionist in Power is one that is especially cute... and not without some irony.

I remember a debate in the Jewish community over a stamp issued to honor Martin Luther, who was the first German to advocate burning Jews, and who authored a book entitled "*The Jews and Their Lies*", and who is stained with much Jewish blood.

Certainly no federal government controlled by Jews would promote a stamp to honor Martin Luther. In fact, although Christmas stamps had been issued, none have been issued to commemorate Chanukah.

For years the hate groups alleged Jewish control over the USSR while Jews could not leave that nation [H: Ah, but Jews controlled the USSR! So, who left the Soviet Union was totally UP TO JEWS.], and while that nation was arming Syria and Egypt. THE INCONSISTENCY DID NOT MATTER, THE REAL ISSUE WAS HOW MUCH HATE COULD BE DIRECTED AGAINST JEWS, WHO COMPROMISE LESS THAN 3% OF THE U.S. POPULATION AND LESS THAN ONE HALF OF ONE PERCENT OF THE GLOBAL POPULATION.

I can't begin to describe the pain and anguish felt by innocent, good citizens of the Jewish faith who suffer from the lies and distortions circulated by malicious or ignorant groups and publications.

This hatemongering must cease. It only serves to harass the wrong people and neutralize the battle against the real problem, rampant, predatory bureaucracy and the erosion of everybody's civil rights in the New World Order. [H: Well, Sir, that NEW WORLD ORDER is made up of those "calling themselves" Jews, Zionists, Elite, etc. We warn constantly about

the Judean Hebrew, for the Elite bureaucrats will destroy those little friends now calling themselves "Jewish" just as quickly as they can do so. If you speak in honesty then you are totally uninformed and a REAL DANGER TO THE JUDEAN LINEAGED PERSONS. IF YOU ARE A SMOKE-BLOWER THEN GO BLOW YOUR SMOKE IN PALESTINE—STOLEN BY THE KHAZARIAN ZIONISTS THROUGH THE UNITED NATIONS IN 1948!]

THE WORLD ORDER
by Eustace Mullins

FOREWORD FOR THE JAPANESE TRANSLATION:

[QUOTING:]

WHO RULES?

The great conundrum of the world today is "Who rules?" Nations have highly visible and well-publicized ruling personalities, who may have been elected, or who have seized power by force, or who were given office as the result of conspiracy. These leaders are secretly chosen by an international group which I have termed "The World Order". When my history of this cabal was first published in 1984, *THE WORLD ORDER* by Eustace Mullins, it received very little attention. Not until 1990, when President George Bush went on television to explain his "New World Order" did my book elicit attention. It promptly sold out, and I then published an updated and greatly expanded second edition.

CANAANITES

What is the program of the conspirators of the World Order? Who are its members? These questions are not difficult to answer once the inquirer acknowledges that there really is a World Order, and that it is a functioning entity. We now know that it exists, because its members have grown so arrogant that they daily flaunt their power before a helpless public. They no longer fear exposure. The World Order elite are an oligarchy, perpetuated by birth. They are known to history as the Canaanites, the descendants of a wayward son of Noah named Canaan, who, as chronicled in *Genesis 9:24-27*, was cursed by God. He and all of his descendants were condemned to live in servitude forever. (See *The Curse of Canaan*, by Eustace Mullins, Revelation Books, 1987.) But there are no Canaanites today. What happened to them?

[KHAZARIAN] PHOENICIANS

We find the answer in *Chambers Encyclopaedia*, and nowhere else. In the twelfth century before Christ, the Canaanites changed their name. They became known as the Phoenicians. Today, they are known as the Jews. A scholar seeking information on the Canaanites would conclude that they disappeared three thousand years ago. Throughout their history, this people has been adept at camouflage, living among peoples who hated them because of their criminal activities, frequently changing their names and residences to escape punishment for their crimes.

Canaan bitterly resented his life of servitude, and he plotted his revenge. On his deathbed, he called his sons to him, and instructed them how to resist their fate. These instructions, now known as the Will of Canaan, have been the secret program of the Canaanites, the Untermensch [H: How the 'mensch' stole Christmas?], for the past five thousand years. "Five things did Canaan charge his sons: love one another, love

ECSTASY TO AGONY

THROUGH THE PLAN 2000

In the course of men's lives comes the opportunity to do that which is ungodly or that which epitomizes the intent of GOD. Through the ages of man's experience he has often been brilliant and often become as evil creatures of manufactured robotic actors on the stage called physical life in expression. As unbalance has occurred so has the very planet brought ending to civilizations--some at the hands of the very men who would have rule and kingdomship over all things physical--wistfully efforting to capture the very God-soul of each and all beings. The cycle has come full circle--the time is at hand and YOU must know that which has brought you down. Herein is presented "THE PLAN" for capture by the adversary of God--and that which could have saved your world--had you borne God-Truth as your shield. Where shall YOU go from here?

robbery, love lewdness, always hate your masters, and never tell the truth." (*Talmud, Pes. 113b*).

The Will of Canaan not only introduced an extremely pernicious doctrine of rebellion throughout the world, it also introduced the element of hatred as the controlling motivation behind all the activities of the Canaanites. This doctrine explains why the minions of the World Order always denounce their opponents as "hatemongers", or persons who are "twisted by hate". This is an ancient *technique* of denouncing your opponent as *someone who is doing what you yourself are actually doing*; it is the perfect cover-up. The accusation of "hate" is very difficult to answer. You may insist that you don't hate anyone, but no one will listen. The smear renders you ineffective in countering the sinister work of The World Order.

By instructing his sons to "love one another", Canaan was not propounding a doctrine of universal love. He was urging them to bestow their loyalty and affection only on each other, their fellow-Canaanites. They are charged to *hate everyone else* with a bitter, undying passion, particularly "their masters". Here again, hatred is revealed as the controlling motivation of the Canaanites. The further commandments of Canaan include "Love robbery". They must choose stealing over honest labor, and they can prize anything which they obtain by theft. "Love lewdness," commanded Canaan, meaning any form of sexual degeneracy. The effects of this commandment have never been more obvious than today. This commandment was enshrined in the very practice of the Canaanite religion, the Cult of Baal, whose temples were celebrated worldwide as houses of prostitution. Today, the world is flooded with Canaanite filth, an all-encompassing tide of publications which celebrate every imaginable type of lewdness. The final commandment of Canaan, "never tell the truth" has also affected every aspect of modern life. Not only must the Canaanites never tell the truth; they also use the power of the World Order to

force their victims to openly embrace their lies. Their minions must publicly acknowledge that the Canaanite lies are actually the only truth.

During the nineteenth century, because of the success of their mechanism of the central bank, which gave them the power to loot and enslave all the peoples of the Earth, the Canaanites rapidly burgeoned as a world power, replacing the ancient aristocracies which had ruled for thousands of years. In earlier centuries, they had marked their rise to power by publicly executing the King of England, Charles I and King Louis of France. The Canaanites realized that they needed a more detailed program to delegate their enormous power. This program, developed at the World Zionist Convention at Basel, Switzerland, was circulated as "The Protocols of the Learned Elders of Zion". All Canaanites knew that they must never deviate from these modernized Commandments of Canaan. Whether by intent or by accident, the Protocols were widely circulated as the explanation for the outbreak of the First World War. It was necessary for the Canaanites to denounce the Protocols, which was done in a celebrated court case in Switzerland. A judge decreed that the Protocols were "forgeries", that is, an UNAUTHORIZED COPY OF AN EXISTING DOCUMENT.

After the Great Depression which the Canaanites engineered through their cooperating central banks, openly anti-Canaanite governments sprang up in Italy, Germany and Japan. The Canaanites sought to destroy their enemies by declaring a Holy War against them, which was known as the Second World War. They won this war because of their massive production capabilities, and they then tried and executed the leaders of the opposition for "war crimes". A war crime is an offense committed by the losers against the winners. The victors claimed that many millions of Jews, as the Canaanites were now known, had been massacred during these hostilities. These alleged victims were memorialized by "the Holocaust".

TWO CRITERIA

The Canaanites now had two criteria by which they could choose their political stooges. Not only must these stooges agree whole-heartedly with every precept of the commandments of the Will of Canaan; they must also proclaim their allegiance to the Canaanites by fervently denouncing the *Protocols of Zion* as "forgeries", and they must swear that the alleged massacre of the Jews during the Second World War, the Holocaust, actually occurred. They must also swear undying fealty [loyalty] to the Jewish political State of Israel. Their public acknowledgment of these stories also upheld their commitment to the final commandment of Canaan, *never tell the truth*.

[H: Note the "swearing" requirement. This is particularly important because the first "swearing (oath)" of Jewish Holy Days is the Kol Nidre which is an annual OATH that every OATH (SWEARING) in the coming year will be null and void (in advance). I josh you NOT, this is the "Vow of All Vows" and is the FIRST ritual of the Holy-Days. This is required by all participants in the Jewish FAITH. This especially is handy for any businessmen, lawyers, judges and other controllers, for while YOU have to tell truth—they HAVE TO LIE. Interesting? No, absolutely incredible and, ACCORDING TO THE LAWS OF THAT TALMUD, is a mechanism used to gain total control over the unsuspecting people.

Even in the Simpson trial it was suggested by Ms. M. Clark to Judge Ito that it would be great to use the Talmudic LAWS in this "case". This would, in addition to other outrageous things already happening, negate the need for a Jury (according to Judge Ito in open court!). Think upon these things for it is UPON YOU NOW.]

JAPAN

Because the nation of Japan remains one of the few racially cohesive communities in the world today, the Canaanite World Order has selected this nation as their next candidate for extinction. Japan is the target of what will be known as the Third World War. President Clinton has formally inaugurated the Third World War Target, Japan-bashing, as the principle goal of his Administration. Although previous administrations had named as many as fifty per cent of their officials from the ranks of Canaanite Jews, Clinton reached a new high, naming sixty-eight per cent of his staff and official appointments from the ranks of Jews. These fanatical Zionists include many notorious sexual perverts, carrying out Canaan's command to love lechery.

During recent decades, the enormous sums of money generated by the postwar productivity of the Japanese people has excited the greed of the Canaanite Jews. Japanese firms were cajoled into investing billions of dollars into such questionable operations as the Jewish-controlled Hollywood movie studios. After these investments had been made, the Jews took the money of the Japanese and spent it lavishly, with no result but billions of dollars in losses for the hapless Japanese investors. The *Washington Post* recently headlined another financial coup of the World Order, with the Japanese as victims, "How the Rockefellers Got Two Billion Dollars and a Bankruptcy Court Embarrassment". The story, written by Allan Sloan, the Wall Street editor of *Newsweek*, exposes the hocus pocus through which the Rockefellers (identified as a Jewish family in Stephen Birmingham's best seller, *Our Crowd*) sold an 80 percent interest in their fabled Manhattan Rockefeller Center complex, to Mitsubishi for \$1.37 billion in 1989. Sloan says that the Japanese vastly overpaid. Now Mitsubishi has put the debt-laden complex into bankruptcy. However, Sloan reveals that the Rockefellers, a prominent World Order family, have realized more than two billion dollars profit from their Rockefeller Center holdings SINCE 1985!

[H: What do you think, E.J., will be happening before too long to the Mitsubishi wind farms around here?] In dealing with the international cabal of the World Order, Japanese investors have been swindled out of many billions of dollars in what seemed to be legitimate business investments. The clever Canaanites have been adept for centuries in selling properties for many times their value, and then forcing the unlucky buyers into bankruptcy. It's called: Sell high, and buy back cheaply.

There are many documents coming to light which reveal how Japan has been targeted as a victim by the powers of the World Order. Long hidden documents expose the plot to massacre the Japanese people by staging the horrific slaughters of noncombatants during the Second World War, the atomic bombings of the cities of Hiroshima and Nagasaki. Many years ago, I had fixed the blame for these atrocities on a leading World Order manipulator named James B. Conant, a chemist who was president of Harvard University. In official court documents, I had termed Conant "the greatest war criminal of the Second World War", a statement which has never been challenged by anyone.

The *NATION* magazine quotes from recently declassified minutes of the government Interim Committee of May 31, 1945, in its issue of May 15, 1945 [?]; "At the suggestion of Harvard president and federal science administrator, James B. Conant, the Secretary of War, Henry Stimson, agreed that the most desirable target would be a war plant, employing a large number of workers and closely surrounded by workers' houses." *NATION* comments that "Stripped of polite euphemisms, these minutes make clear the intention of killing workers, their wives and children, all of whom were non-combatants. That was part of the barbarism of World War II."

NATION goes on to point out that "Hiroshima was not a military target. Most residents were noncombatants, as U.S. military planners and their civilian leaders correctly anticipated in targeting Hiroshima for the atomic bomb. A major purpose of dropping the bomb was to kill enemy noncombatants massively, and thereby to terrorize the living."

Here we see the strategy of the World Order as it really is, relying ultimately on raw terrorism—inhuman, dedicated to mass murder, with its Canaanite Jews sneering at the rest of the world as subhuman animals unworthy of any consideration. They always attempt to cover up their atrocities by invoking the myth of government; however, where there is crime, there can be no government, because the purpose of government is to protect us against crime. Instead of government, we now have a World Order which is dedicated to enslaving all the people of the world, in order to escape their historic role as slaves themselves! They wish to homogenize all peoples into a single mass entity for purposes of control, people whose lives will become worthless and meaningless.

In the wake of what seems to be a typical government-planned and executed operation, the bombing of the federal building in Oklahoma City, President Clinton bleats, "How can anyone hate their government?" The answer is that no law-abiding citizen should hate "his" government, but he certainly should hate a government of World Order criminals who live by the precepts of the Will of Canaan. Terrorism has now come to the peace-loving Japanese people, probably because Japan is one of the few places in the world which openly distributes exposés of the Canaanite Jews. Terrorist incidents in Japan may in the last resort be

BANKSTERS

Respect for one's government was an important aspect of civilized life until the Enlightenment, a Canaanite operation which resulted in the beheading of King Louis of France. The aristocracy was replaced by the most active criminal elements of the Canaanites, who live by the commandment of Canaan to "love robbery". The central bank mechanism created huge new fortunes for the Canaanite Jews, who used this newly gotten wealth to purchase castles and to marry into the aristocracy, creating a new class which became known as "the black nobility". It was shortly after the introduction of this black nobility into the government of France that the philosopher Proudhon issued his famous dictum, "All government is a crime." In reality, government can never be a crime. It is a necessary part of civilized life. However, a government of World Order criminals is a crime, and this is what all peoples have to contend with today, the international cabal of criminals which goes by the name of "the World Order".

We are so overspaced here as to document length that I won't offer all of the documentation and public outcry against one Eustace Mullins. I will, however, give you a look at what Eustace wrote in response to "EXCHANGE", an "op ed" section in the June 5, 1995 edition of *THE NATION*.

[QUOTING:]

PUMPING UP THE VOLUME

Staunton, VA: Although I am impressed by the fact that you have suddenly discovered my work after some fifty years, I find that Marc Cooper's "The Paranoid Style" [April 10] has missed the mark by a few miles. The titles credited to me in this article, *The Jewish War Against the Christian World* and *Sigmund Freud: Anti-Christ Devil* apparently exist only in the fevered mind of Rick Eaton, who is paid \$75,000 a year in tax-exempt foundation funds to foist misinformation upon an always gullible public, including yourself. He identifies me as a "classical anti-Semite", a new appellation in the flood tide of vituperation which has been heaped upon me.

Another appellation applied against me in this

article is the ultimate politically correct put-down, "Holocaust denier", which apparently carries with it a death sentence without appeal. I appear on radio and TV talk shows and lecture throughout the United States and abroad, and I doubt if you could produce anyone who has ever heard me mention the Holocaust. This itself may qualify as "denial". I don't mention the Holocaust because (gasp) it is a nonissue and I only have time to discuss serious matters.

Nowhere in the world today is there any possibility that 6 million Jews are about to be burned or gassed, despite ongoing hysteria about same. The attempt to force the entire civilized world to become a Wailing Wall for the Holocaust represents an essential morbidity of Jewish psyche, a cult of death, which no psychiatrist cares to discuss. Why do the Jews refuse to discuss the fact that Stalin killed more Jews than Hitler?

Thank you for spelling my name right. If you find that this letter contains more information than you care to print, have no fear. It will receive a very wide circulation. *Eustace Mullins*.

Serge Monast Needs Help!

Common Plight Of Truth Bringers

6/5/95 #1 HATONN

SERGE MONAST
CANADIAN INVESTIGATIVE JOURNALIST

I feel that I should give some attention to a brother from Canada who is in the spotlight right now and about ready to fold. Chelas, there is only so much a Fool or a Patriot can do. We are in no way able to help anyone save by mentioning the work and what that person has available, to you. [Editor's note: See pages 66-67 in the 5/9/95 CONTACT for a recent, comprehensive listing of Serge's Intelligence Reports, described in his own words.]. We aren't going to have space to run very much for anyone, including selves, for awhile, as we have to bare-bones it ourselves until we can get backup troops. Mr. Martin and Mr. Dixon will be returning today from the Common Law Grand Jury in Wichita via Jean, Nevada and hopefully, a visit with Mr. Jackson. Perhaps following that we will have better vision about what is planned for his release.

We were all quite disappointed to find that at the Grand Jury (where a jury was assembled to actually present the "real thing" over this past weekend) the Foreman turned out to be one of the lead players in the, "Send me a form and \$300 EACH and we will file for money back and land back, that has been paid to or taken by, government." I told you it was a rip-off then and I have not changed my mind. Why? Because nobody is going to honor any "old gold certificates" as the nation now stands (or lays, as the case now is). It is like trying to get back your \$300 sent for each filing. I weary of you so-called Patriots who actually are as bad or worse than the out-of-control governments—because you claim even higher guidance, truth and honor while separating "the people" from their resources. No, I don't believe that I "blame" anyone more than another—for in each "Con-Game" there have to be TWO players and anyone who expects millions or billions of dollars BACK when putting in only a paltry sum in comparison—is not exactly working on all four cylinders. Are our people ever making such mistakes? OF COURSE—OVER AND OVER AGAIN.

Now back to Serge Monast and his troubles and offerings. He simply asks that we run a couple of pages of material and we will do so if space permits. Actually it is worthy even if space is short because it covers current events. It is that when one gains reputation of publishing some big secrets, other people make sure information flows to that party, as it flows into and through here. We offer it as it comes and sometimes, yes, it is a set-up but mostly it is truth, as with the Blue Beam Project. Often the PLANS are altered by necessity because somebody gets out the word and spoils the ability of the Elite to pull off their deeds on time, as with Blue Beam. Mostly they just alter the dates or bring into operation alternate plans. However, the fact that the Bilderbergers STATE that the PLAN 2000 is NOW off (delayed) by two years to PLAN 2002, tells you that some things have been thwarted—like Blue Beam. THESE MONAST OFFERINGS ARE WORTHY OF GREAT ATTENTION:

[QUOTING:] May/June 1995

INTERNATIONAL FREE PRESS
AGENCY "ALERT REPORT"
(P.O.B. 359, Mansonville, Que. J0E 1X0, Canada.)

Remember our last February Special Intelligence Press Report when we stated that an unknown source reported to us this: "Undercover Military are about to strike out at all Patriotic and Opposition Groups in the U.S."? According to the unknown source of us, the Showdown was to break out at 04:00 a.m. on March the 25th, 1995. BUT that "Red Plan", as called then, was to be replaced by an "ULTIMATE PLAN" if too many concerned Patriot Groups became informed about it. THE "ULTIMATE PLAN" was to be organized in such a way that, in front of the whole U.S. and world population, the "Patriots" would be considered as "fanatic criminals"! The aim of the "Ultimate Plan" dealt also with the absolute task to wipe out all United Nations opposition in the U.S. as well as to be the first staging step in seizure of all kinds of arms!!! That same unknown source, who said to us, by phone, to have obtained this information from a diplomatic-foreign-source in Washington, did not want to reveal his name and neither the identification of his Washington source. [H: Yes, there ARE some insiders who are "good guys". You have to kiss a bunch of toads, readers, but there are some REAL PRINCES out there on God's side.]

During the same period of time, the F.B.I. has contacted the Canadian Federal Police about the International Free Press in Canada, whom they contacted us about in the third week of February. It is after their visit that I decided to move all of our Journalistic Documents into an unknown place in order to protect all of our Investigative Reports that I was working on. NOW FIGURE OUT THIS: Without any help of any kind and any "cash money", losing at the same time our FAX and phone, feeling cut off from all of you in the States, I had to secure all of our Press Agency material. THIS IS WHY I HAVE BEEN LATE, AND STILL TO BE, FOR ALL REPORTS, AUDIO TAPES AND BOOKS PROMISED TO ALL OF THOSE WHO SENT US SOME ORDERS!! Give me the name of just one person who would have been able to keep one's promise in such a dramatic situation. DO YOU NOW UNDERSTAND WHY I NEED SOME HELP FROM EACH OF YOU? We are not just some kind of bookstore where it's possible to obtain something the same day it has been ordered. I'd like it to be that easy way, but this is not the case, especially with all the kind of investigations I am working on. Right now I barely eat one meal a day. I cannot afford more. I am exhausted, but I keep working seven days a week with a family to look after, AND I AM NOT DOING THAT WORK TO MAKE MYSELF A NAME OR A WEALTH! So please, be patient and ask yourself what you would have done in a similar case.

We do hope everyone will understand my present situation—all orders will be answered. I do need some donations to survive and, for each \$5 U.S. donation, a report will be sent.

[H: Our purpose of running this is not to cause any of you readers to do anything; we will simply list the offerings as to publications. I do want you to realize, however, that as impossible as it seems, the Big Boys CAN AND DO seize bank accounts at random, haul people off to prison without recourse or charges and you see it happening RIGHT NOW in the Oklahoma debacle. Men who may well be guilty OF SOMETHING (but not the bombing of the Federal Building in Oklahoma City) are incarcerated without bond and are quite innocent of everything unlawful.

There is a lawyer known to us, in the Los Angeles area. He is from the Ukraine but is a U.S. citizen. He, because of his background, became entangled in some activities involving funds somehow connected to the Chernobyl disaster. As of this past week he found that every check he had written on his bank account—bounced. It is that the accounts are confiscated, he is BLACKLISTED, and even his child's graduation expense checks seized. YOU THINK IT HASN'T HIT AMERICA? LOOK AGAIN! ARE YOU NEXT?]

SPECIAL ALERT REPORT
THE "PROTOCOL OF TORONTO: 6 6 6"

Have you ever heard of an "elitist" group composed of the most influential of the International Finance throughout the world, and who call themselves: "The 6 6 6"?

Did you know that that "special group" held two major SECRET meetings, one at the end of June 1967 and the other one also at the end of June, in 1985 at Toronto (Canada)?

The first meeting was called "Panem Et Circenses" [which means: Bread and Games for all] and was intended to be the "GENOCIDE of the vital for the profit of the profitable OCCULT". Their financial means to achieve their objective was to use the international humanitarian aid in order to finance their own multinationals for the next twenty-five years. The second meeting was called "The RED DAWN" and was intended to be the "Establishment of the World Occult". Their financial means for the period of time which has to reach its paroxysm by 1999 was to achieve their full global control over the "International Monetary Fund" and the "World Bank", the "United Nations" and "NATO", the "G.A.T.T." and all "NAFTA" treaties, the "Brussels Commission" and other "International organisms".

Myth or reality? Hard to say but absolutely not impossible when you become conscious of the 90m. Audio tape and its "TOP CONFIDENTIAL SPECIAL REPORT" which disclose the full inside story of what can now be called: "The Conspiracy of the Century"! [H: Pay attention, readers, remember last week we wrote about the big "trade" meeting to follow the Bilderberger meeting wherein Canada would be gathering all Jewish BUSINESSMEN into a trade conference? This is really heavy stuff, readers. We are accused of being racists and anti-this or that if we tell you of these things—but it is happening as we

write. I would have you take note that Mr. Bob Dole spoke out against the insipid, violence and hateful sex garbage spat out by Hollywood and already the word is out that he "almost used the word 'Jew'" in his accusation. It was also spouted that he puts down the violence in movies produced by Democrats but supports the worse violence in pictures made by Republicans. Are there limits beyond which these "revisionists" of history will not go? NO! Note the typical approach to everything they touch—preach the lie in every detail. They placed the lie into the place of historical truth (revised the history) and yet anyone who questions that revised issue, is called "a revisionist". You have to learn the new LANGUAGE as well as see truth for they have skewed the LANGUAGE TO SUIT THEIR REVISIONS!]

This report cannot be released before September 1995. Too much dangerous! [H: I concur for you have to understand it will be about this end-of-June meeting, 1995, and it most certainly is too dangerous with the magnifying microscope on you.]

The 90m. Audio Tape and its "Top Confidential Special Report": \$20. U.S. (S & H included), can be reserved at the above address. All checks or money orders to the name of Serge Monast. Thank you.

[END OF QUOTING]

Please note that Serge doesn't ask for something for nothing, readers. I would hope he would accept simple "donations" but when he speaks of "donations" what he MEANS (he speaks French—not U.S.A. "Americanese") is that he offers these above named works in exchange for the "donation" (price of the documents or tapes). AND, PLEASE BE PATIENT WITH HIM FOR HE AND HIS FAMILY HAVE TO DO ALL THE WORK INVOLVED WITH SHIPPING. REMEMBER, HE LOST ALMOST ALL OF HIS PROPERTY! THE PRICE OF FREEDOM AND TRUTH-TELLING IS QUITE EXPENSIVE TO THE DARING ONES WHO STEP FORWARD. IS IT NOT SAD THAT THE WORLD IS LOST TO THE WORTHLESS DOLLAR? THERE ISN'T EVEN A TUPPENCE OF GOLD TRADED IN TRUTH, ONLY ILLUMINATI NOTES—YOU GO LOOK AT THE DOLLAR BILL!

Good News!

From Michael Maholy

Dear Rick,

I would like to personally thank you and all of the readers who have expressed their best wishes and deep concern pertaining to my well-being over the recent weeks. It was through the direct efforts of all of you that the B.O.P. [Bureau of Prisons] and D.O.J. [Department of Justice] personnel involved stepped forward and realized that all of you were monitoring this critical situation carefully and, in fact, let no harm come to me.

To help explain this incident to all of you better, I will take you back to the beginning. It all started when a repeat career felon named Norman Wright was called to the office on Sunday, May 7, 1995, in regard to a complaint to the Lt. that he was suspected of an alleged escape attempt. After receiving this news, Wright approached me and accused me of telling this to the officials. I told him that this was not true and that I had no knowledge of this at all. Wright then told me that it did not make a difference whether I did or did not tell, that he was going to tell the Lt. that I also planned to escape with him and that, if he got transferred, I also would be shipped.

With this statement from Wright, I had no choice but to relay what he had told me to the officer in charge. That way, I would be covered as to any implication of involvement to any of this. Wright was then picked up and taken away to the hole—or as it is properly known, Administrative Detention, Hold-over. Wright remained there for just two days and had told the officials more lies, resulting in them coming and throwing me in AD/HO.

In order to save you from the very unpleasant, inhumane conditions that I was subjected to, I will cut to the chase here and eliminate much printing space in the CONTACT, space that could be used for much more important articles. I will, however, tell you that in all the places on this Earth that I have ever been, and all the capers, missions, and covert operations I have participated in, the AD/HO unit of the infamous Leavenworth Federal Prison was the worst place I have ever been or experienced.

I was also accused of Subversive Actions against the government, due to some reading material I had in my locker. This was a rumor started by a new guard and could not be left uninvestigated by the authorities. Word of this had spread through the prison like wildfire, and I was actually some type of local hero among much of the prison population, and will be probably for some time to come. It was in the last couple of days that the Regional Director himself came to my 4 by 9-foot cell that was located in the Cuban lockdown unit, and told me that over the course of the last couple of days, his office, along with several other offices in the B.O.P. and D.O.J. had received hundreds of letters, phone calls, faxes, and inquiries into my state of affairs. This was not normal, he said, and asked me, "Could you call the dogs off?" My reply was simple, stating that they started all of this and now it looks like my friends, my watchers, would keep on bombarding the offices with more and more mail, letters, whatever it takes to see this matter through, unless changes are made—and fast!!

The very next day, the camp administrator came to me with paper work, telling me that I was going to be transferred to another camp—a very nice camp—in South Dakota. But he had more to say. He said that I would be trusted to go the camp on my own signature, without an armed escort of the U.S. Marshals, free of any chains, leg irons, or handcuffs! Immediately, I thought the worst: that this was some type of set-up, but he assured me that this was no trick, no gimmick. So I signed the necessary paperwork, took a bus 400 miles to my new home, here in Yankton, South Dakota.

I would like to thank all of you once again for everything all of you have done to make this possible. My new address will be printed, and I would like to hear from all of you A.S.A.P. I have spent all my postal funds on calls, stamps, and trying to contact help. As soon as I can get some stamps, I will start writing all of you who have written to me. Sorry, but at the time, I could not answer you, but promise to make every effort to reach you. As soon as I find out more about this place, I'll relay all the data to you. If any of you would like a visitor's form, please send for them or ask me for a form.

My future goal, as always, is to get back to my story of the C.I.A. Pipeline and tell the whole true story—to expose all of the crooks that took part.

My special thanks to our Canadian friends who are also worried about our homeland. Thanks again, everyone. I hope to hear from all of you soon.

In Light and Love,

Waking Up To The Power Of The People

6/6/95 #1 HATONN

GOT ALL THE EVIDENCE AND GONE

Your efficient Intelligence teams announced on Friday last that they had "gathered all the evidence" from the Murrah Building in Oklahoma City and now the rubble will be destroyed. Ah so—no one other than troopers and investigators FOR THE GOVERNMENT were allowed in for this investigation and evidence gathering. What kind of evidence do you think would logically be found in a twice or three times bombed building? Further, wouldn't the inspectors have to KNOW where to look for any surviving "evidence"? You had better take long hard looks at this style of deception, public, because it stinks!

They did the SAME THING at Waco. They also intended to do the SAME THING at Ruby Ridge in Idaho. The helicopter was taking off with fuel drop-tanks to burn out the Weaver's "everything", alive people as well as dead. The chopper was stopped by the fact of full-blown TV cameras watching, and daring patriots such as Col. Gritz on the ground telling them to stop "or else". THIS IS "HOLOCAUST" wherein nothing is LEFT TO CHECK except the LIES.

You have reached the time and place, Readers, wherein your own claimed people ARE DOING THIS TO YOU.

COMMON LAW GRAND JURY

Mr. Martin comes back from the Grand Jury in Wichita to make all sorts of reports [story on p. 2-6], not the least being that the men involved didn't want to allow the women on the jury. There seems to be some bigoted garbage in the original "man-written" Grand Jury (Common Law) rules that disallowed females on the jury. If this is the way you "patriots" intend to do business you can count out all help from this sector. We are not "liberators" and we will not assist in anything, so much more wrong than what you have, as such unequal actions as demonstrated through such as this. I believe they did, after someone became sane and reasonable, "allow" women aboard. This is totally unacceptable behavior—for you either want Constitutional equality or you want personal ego CONTROL over something.

Further, IF you have a person under moral or criminal question of actions as Foreman—how can you expect RESPECT?

Now, the other thing I see as narrow vision, is in a proposed caravan to Washington D.C. in 1996. Why? Again, if you are going to continue your "wars" in the same old foolish ways—why do you ask God's help? Why do you pray for help when you fully intend to go right on in the narrow perceptions of actions in mankind's very same self focused mistakes?

TAOS, NEW MEXICO

If you are going to rally a caravan why don't you rally it and go straight to Ronn Jackson's property near Taos, New Mexico and SET UP A GOVERNMENT OF AND BY THE PEOPLE? Why New Mexico? Where

else? You would be right there where all the activity is underground and the massive engines can be heard ALL THE TIME and you would find major ingress and egress for ships (some alien, most domestic) to entertain you.

FOUNDING FATHERS?

Did the Founding Fathers have such troubles? Of course, and worse. Any time anyone takes up REASON and JUSTICE as a cause and basis for CHANGE TO EQUALITY, there is great trouble.

Do I jest about New Mexico? Yes, but only with tongue in cheek because I speak TRUTH about the location—however, I don't know if any of you modern pioneers could do without your expense-account hotels and hot baths. I exaggerate to make a point because I know that anyone who is TRULY attuned to the needs of freedom and nation would go anywhere, anytime and eat grub roots to survive, for this purpose of restoring a nation into truth. But, you are going to have to STOP referring to the erroneous instructions in the *Holy Bible* according to the Anti-Christ, to form your Union. A Constitutional Republic has no place for bigotry—against peoples or wives. This kind of behavior or belief has NO PLACE IN A STRUCTURE OF FREEDOM, JUSTICE AND REPUBLIC. If you cannot allow women on your panel—where will you draw other lines? Will it be with "No Indians"? "No Blacks"? "No Hispanics"? "No Asians"? HOW WILL YOU CHOOSE YOUR JURIES? If all you have remaining of "qualifications" is to serve "YOUR" individual preferences—then you have simply set up a continuation of the Khazarian RULE by your own bigoted titles. The Indians can council, the Asians can council and yes indeed, you Whites can COUNCIL—but until you ALL COUNCIL TOGETHER AS A UNIFIED PEOPLE TO RECLAIM FREEDOM FOR ALL, YOU HAVE NOTHING!

STOP THE LAWYER RIP-OFFS

What I see is that nothing will get done by Washington with anything you send forth—save bury it. However, you can take it PUBLIC and therein comes the power: the uncovering of TRUTH. Then you set up your PEOPLE'S SUPREME COURT or Judicial System. You won't have the backup of FORCE to enforce decisions—BUT, when the verdicts are presented to the now present COURTS as part of cases—they will HAVE TO BE LOOKED AT.

For instance, let us hypothesize: Supposing you establish a People's Grand Jury (or several of them) in each county of every State. Let us focus on Kern County, California for lack of better example. Say you convene a Grand Jury to consider the Ekker vs. Santa Barbara S&L case. This is a good example because the wrong doings weave all the way from the Municipal Court system, the Superior Court system and right on up through the highest political figures in your nation and on into Salomon Brothers Brokerage House (International). So, let us assume that instead of all the "lawyering" in endless depositions of worthless nothingness, separation of the very people involved to maintain silence until all the funds are gone—YOU AS PEOPLE NOT ONLY PRESENT THE CASE BUT HEAR THE CASE—THEN TAKE THE VERDICT TO THE STAGED COURTS! YOU HAVE CAUSE TO PRESS FOR HEARING AND ACTION ON LAW—COMMON LAW OF AND BY THE PEOPLE. Would the courts as seated rule WITH YOU? Possibly not—but the world would see the heinous truth. You-the-people have dozens of examples in every county, every village, every corner of this nation—and throughout the WORLD. Is THIS not better than wagging and waving your guns and swords? TRUTH IN ALL INSTANCES WILL GAIN MORE THAN ALL THE WARS YOU CAN CONJURE. LOOK WHO RUNS YOUR COURTS AND WORLD—AND THEN PERHAPS YOU CAN UNDERSTAND OUR WRITINGS BETTER. YOU CANNOT SINGLE OUT A RACE OR COLOR LINE—YOU HAVE ELITE CRIMINALS, THIEVES AND THUGS (KHAZARIAN MISHPUCKA BANKSTERS) RUNNING, BY FORCE, EVERY NIT-PICKING THING ABOUT YOUR LIVES. I shall continue to write about them until you CAN SEE that we speak not in bigotry—BUT IN HISTORICAL FACT. AND, UNTIL MAN GETS INFORMED, YOU WILL HAVE REPEAT UPON REPEAT OF JUST WHAT IS PRESENTED BY THE UNINFORMED, REGARDING EVERY STEP YOU TAKE.

To Our Beloved Friend, Dave Overton

6/7/95 #1 HATONN

TO DAVE OVERTON

Let me take a minute, Dharma, to pen a note to Dave. A lot of thoughts pass through his mind and I would like to respond to them. He knows the answers; he simply wants to sort experiences.

We each have chosen our journey, picked our "purpose" and know our service—or we would be doing something "else"! We pretend that we have accidents and we pretend that we "don't know" because that is part of the game at hand. Various happenings present different opportunities for, remember, the script is basically already written so we take our parts and go and decide how best to present the program to achieve agreed upon goals. Since there are NEVER "ENDINGS" we have to reach conclusions along the way while things flow one into another and, as we near the final curtain for a given scenario, we must precipitate certain responses and, yes, reactions. We may well not consciously think, as a child, that we will at age 30 or 40 or 90 "do" a given thing. But nonetheless we become willing to serve the goal, once fixed.

Certainly, as in your case, you didn't go forth to stage an accident that would put you in a rehab center—or did you? It doesn't matter, you see, for each new experience presents new and quite interesting opportunities—perhaps to simply have occasion to meet others outside the ordinary passing of days. In each circumstance comes the ability to touch another who might otherwise be lost in pain, in error, in, at the least, ignorance. Each "breath" in life is opportunity and choices—choices as to how to fully utilize, to best advantage, within God, the moment.

BILLY GRAHAMS

Billy Graham, for instance, could have rattled on and endlessly on in Canada yesterday and his lesson might well have been received and remembered somewhat—but all who were there present will now never forget the experience for Mr. Graham folded like the proverbial accordion—in the middle of his preaching. ALL the Billy Gramams you see are not the one who "fainted" on the stage yesterday. You have a presence for many occasions. One is dapper and vital for the interviews and one is aged, infirm with Parkinson's syndrome, and cannot control the other aspects of self.

Then, when all is said and finished it simply "is" the way it "is".

You also ponder upon past "seeming" errors. No Dave, there are not any errors or coincidences. You might well think that your actions, had they been just a bit different, would have made it easier on some and more difficult for others to deceive. This is only factual if you can find no worthy lesson from the actions. Your misused and sidetracked gift to ME has offered lessons which cannot be afforded in any Earth school or university. Your actions have caused and allowed ones to ponder truth, integrity, and witness the corruption of mankind and the goodness of mankind. So MANY

souls have grown or presented their parched greed through this one act on your part. It has been magnificently fascinating to watch and witness the myriads of excuses offered as to WHY the treasure was held and hidden. Perhaps the most interesting is that, at onset of the confrontation, Green said he kept the gold to cover his quarter-of-a-million dollars investment in the Journals, paper, Institute, etc. Well, it only stands to REASON that if he had taken your gratuity and USED IT PROPERLY—HE WOULD NOT HAVE BEEN IN DEBT FOR ANYTHING OR ANY AMOUNT! THAT is why he has now had to claim loss of three quarters of a million (as stated by his attorneys) or into the millions of uncounted dollars (by him). His creative bookkeeping, however, tells the truth of it and he has now worked into a corner whereby he dumps the whole bookkeeping fiasco on his bride—nice guy! His assumption is that she is beautiful, young, brainless and no one in the judicial system would take both his gold and his "innocent" presenting bride. Desirée is naive, not innocent. In each instance of action, the EXPERIENCE is that which ultimately can bring credibility to

God's troops and allow, eventually, the unfolding of truth and LIGHTED INSIGHT into everything and everyone, from the Judges in the case to the receiver bumbling around in the darkness. Each plays his role, no more and no less. The fact that had George Green USED "just" your funds as you offered the Institute—he would have incurred NO OUTSTANDING COSTS AND WOULD HAVE, IN FACT, COME OUT WITH PROFIT THAT MY SLEEPING MESSENGERS WOULD NEVER HAVE NOTICED.

We would now, after not taking notice of his misrepresentations, be having a reputation of UFO garbage bringers and of giving a far less than desirable picture of right and wrong, God and Satan. I welcome the attention for, good or bad, people will now at least look up from their doodlings and occasionally note they have heard the "name" somewhere. We cannot do much good if nobody notices our presentations. If, for instance, nobody finds an alternative in the political bondage save to march on Washington—how sad. That is the very LAST thing to do in WISDOM. Remember the physician who, in the midst of dead and dying mothers in birthing rooms in hospitals, said of the disease and mayhem—"DOCTORS, WASH YOUR HANDS"! THE PHYSICIANS MOVED FROM MOTHER TO MOTHER, DELIVERY TO DELIVERY WITHOUT CLEANSING THEMSELVES. HAS IT

REALLY CHANGED MUCH?

Perhaps my own battle cry might reflect: "Wash your hands—not OF something but FOR something worthy." My use for gold and silver would be: "Wash in it for cleansing and intake it for stability of nervous function." Ah, but few are the WISE MEN who would "waste" gold on healthy minds when it is used as an exchange commodity. The very programmer of LIFE is used as a commodity of exchange and nobody even knows WHY.

Yes indeed, my son who has grown to be my FRIEND, I offer my appreciation for your long service—and I do not mean upon this globe at this time. We each and together have traveled long and arduous, but interesting, trails across forever. We have grown as each soul is destined to do, into higher passage—until we can serve, teach, and LEARN. Men want fortune tellers to titillate and inspire to bring dullards from their boredom. There can be no boredom if one serves God. If you serve God, each day is a miracle and you will find that YOU ARE THE GREATEST MIRACLE OF ALL! Each day that miracle can be expressed in endless manners and ways—how can this wonderment be boring?

Man images and manifests the disasters, hardships, brinksmanship, violence and other dastardly things to allow himself to believe he is, at the least, alive, for he sees no goodly miracles for there is no basis upon which the miracle can be reflected. Just as each ion of particulate form can be charged positively or negatively—so too, can man. In the world of "physics" there is matter which functions TOWARD a given charge. So too in mankind is the lifestream such that the man is shifted by probabilities in his choices. GOD HAS GIVEN MAN THE ABILITY TO CHOOSE RATHER THAN BE CONTROLLED BY THE INFLUENCES OF UNIVERSAL PHYSICS.

Let us consider for a moment, Dave, your present circumstance in which you may well feel you actually didn't have alternatives or choices save to seek help. No, that is NOT SO; you could have chosen a dozen OTHER alternatives rather than choose the WISE alternative to go get help, rest the body, heal the body and live to serve another day. It would embarrass you to realize that many look to you for their own courage as the pressures mount. Kathy, just yesterday, had reason to say, "Well, if Dave can make it through his accident, certainly I can make it though some piddling surgery." (She had to have a bit of reconstructive surgery.)

Always comes the fear of choosing to have something done which is necessary and letting it go to save either money, time or perhaps one's life from possible infections in the hazardous hospitals.) I use this only to present that each DOES impact others—and what strength is shared when the impact is one of positive foundation instead of negative intrigue.

You, Dave, will say to others, "Don't bother to answer or write for you are too busy." NO, son, if you learn nothing more than this lesson from this note: people NEED TO SHARE, if they can give not a moment to YOU, how can they hope to have that love returned? When a person chooses a loving note card, a bunch of flowers, a loaf of bread—for another, for that moment in "time" there is love offering between friends or would-be friends. YOU, as well as many others—also need to learn to "RECEIVE", for a gift is not, unless it is also RECEIVED and ACCEPTED. When, however, it is taken by lie or force, it becomes a theft. We must allow another an act of kindness and giving, for THAT is food for the soul. You, Dave, have many people loving you and trying to assist over the miles of distance; we have that need as much as you have needs—for our words, our cards, are all we have to express that companionship. Ah yes, we have to learn the hardest of all lessons for God's people—to receive HIS gifts as persons awaken to their oneness with HIM. GIVING AND RE-GIVING IS THE ONLY FLOW OF

ENERGY WHICH CAN BE ACCOUNTED IN GOD'S ELECTRIC UNIVERSE. ALL THE NEGATIVE TRAPPINGS OF THE PHYSICAL MANIFESTATION GO AWAY—ONLY THE THOUGHTS AND TIMELESSNESS OF LESSONS LEARNED ARE RETAINED IN UNIVERSAL GROWTH. CIVILIZATIONS ARE LOST EVEN TO THE PHYSICAL BUT THE INTENT OF MANKIND REMAINS ETERNAL.

How much more wondrous it is for a soul to come to the passage day and shout forth: "God, here I am," than to be hiding in the shadows knowing all the garbage will be now confronted. Man fears death—not because of fear in not "being"—it is an indwelling KNOWING that he will always "be" and he knows that death of physical is most often a terrible confrontation with actions and foolishness of expression AND intent. THE BIG LIE DOESN'T CARRY "OVER"—LIES ARE LEFT FOR THE PHYSICAL EXPRESSION.

We can journey through a lot of valleys and find a

lot of shadows—but in GOD we can find no DARKNESS. Perception is all there is, my friend. Dharma's room is buried in stacks of entropy and as she pondered what I just asked her to write, she paused, took a deep breath and looked around. There is a calendar hanging on the wall in front of her and her attention fell to the beautiful picture presented—January, 1992! The mind reels in shock for where did pass 1992, 1993 and 1994? Ah, and half of 1995—GONE into the ethers to never come forth again. This day, this moment—shall never pass this way again! Are you growing toward LIFE or are you passing your days toward "death"? Do you count birthdays as numbering that which is possibly "left" of living—or is a Birthday actually a birthing day? It can be either—according to our wishes. We simply forget and the moment we forget—the enemy comes forth and slips in a bunch of new lies so that remembering is all but impossible. But we do and shall continue—to remember how it was and how it will be.

Our problem is in the confusion of how it IS.

Man does not make "errors"; he simply expresses alternatives. When we learn this lesson we have truly grown in wisdom. When we serve God of Truth and Light—we are expressing God's alternatives and that is GLORY, for HIS rewards for service are without ending and we reach our times of transition in both beauty and peace in perfection. How wondrous it is when we go into the places for our rest and healing, where Angels sing. If we grow in truth and light we have this never-ending opportunity of expression wherein we can even become the Angels who sing. How wondrous to have Angels sing us lullabies as we travel, than to have the blackboard-screechings of evil upon our hearts.

Rest well, friend, for you are needed, for the unfolding is not yet finished.

I bid you peace.

Quite A Rascal That Gunther Russbacher

6/5/95 #1 HATONN

REMEMBER THE RUSSBACHERS?

We appreciate the parties who finally GOT THE RECORDS OF GUNTHER RUSSBACHER from the Immigration Service. At first thought it would appear that, oh my, ALL that Gunther told or showed was a lie in every conceivable way. Well, of course "intelligence agents" are usually not going around offering the truth while in service. We can leave that "there" but the painful truth is that there are two or three hundred pages of arrest reports, prison papers, court documents and illegal entry and travel, thefts, bad checks, impersonations of officers of several military branches and on and on and on. The whole stack of papers is not organized, except to represent some sort of ongoing

trail in chronological semi-order. But, before you claim that it could be fake "stuff"—no, it isn't and there are fingerprints and pictures to prove that NONE of it is fake.

Gunther started his escapades, at the least, from the time he was seventeen and continued, of course, until he ended up in prison in Austria nearly a year ago.

He has a reputation and at least eight major arrests all over Europe and was such a ladies' man (loving the ladies and leaving them financially destitute) from onset. He was at one time arrested and incarcerated in Oklahoma WHILE HE WAS AWOL FROM PRISON IN TEXAS. His wife helped him ESCAPE from the Texas prison.

We can only hope Mr. Jackson understands our cautious nature regarding ones who promise and then deal us this kind of trash. Of all the individual parties

who contributed to some murders of various "players" such as PAUL WILCHER, I lay that right on Mr. Russbacher's lap. Paul was a gullible young lawyer who believed the lies, thought he would have tapes from Gunther which would prove flights, etc., only to tell his story and then never get the material. Do you ones see that YOUR LIES can cost others DEARLY!

Does this mean that Rodney Stich's work is flawed? NO, the facts are there. It is simply that Mr. Russbacher is not who he claimed and did not do the things claimed. He simply reported as though he were the one who DID DO THESE THINGS. Russbacher's claim to fame with some of his "ladies" was and is that he would "pull off the biggest con-scam the world had ever seen". I don't think that suitable when the con is tried ON ME. Mr. Russbacher wears, or has had removed, a tattoo of my "buddy", Satan, on his left arm! Would this tell you "something" about the man inside the tattoo?

"Mr. Russbacher showed me his scars so you are full of it, Big Boy!" you might say. Yes indeed, some are REAL as to cause—but the big one on his belly is from surgery when he was a very young man. He kept it irritated until it became a nasty scar. Remember, Gunther was a "user" and an alcoholic and did inflict a lot of his own wounds.

Ah, but did his fingernails get pulled out in torture? Well, beloved ones, let us just say that most of them he lost to fungal infection and the rest became a good story.

But the "impersonations"? It is fine to impersonate an "officer" unless you are caught and court-martialed—WHICH HAPPENED TO GUNTHER. Yes indeed, he was even AWOL from the Army and eventually arrested and tried—and found guilty of lots of things. After that he went about using Champus (health programs for G.I.s and families), attending Officers' Clubs, eating, drinking and cashing stolen checks, riding on airlines free as either a military officer or a "Federal" lawyer. He was caught dozens of times, deported, jailed and it is all here in living black and white with fingerprints, passports, 35 alias names and pictures of him from the age of, say, nineteen. In my humble opinion there is little that can be done to Mr. Russbacher, whoever he is, that he doesn't deserve—EXCEPT, what was happening to him in Missouri prisons. The man had enough foul crimes to convict him and KEEP him—BUT THE CHARGES HE HAD GOING AGAINST HIM WERE POLITICAL AND UNCONSTITUTIONAL. THE CONSTITUTION MUST WORK FOR ALL, even the criminals, citizens. The reason you got him released was because the LAW WAS BREAKING THE LAW, nothing more. REMEMBER THIS AS YOU GO TO LICK WOUNDS. A LOT OF PEOPLE WERE HURT BY THIS MAN—BUT THE LAW MUST REPRESENT TRUTH IN THEIR ACTIONS, AND CRIMES COMMITTED MUST BE THE CHARGES—NOT TRUMPED UP LIES TO HIDE THE GUILTY. IF YOU can't see the difference then we waste our time and efforts at insight.

A Recent Message From Ronn Jackson

June 9, 1995: In the past few days, I have received considerable information on Senator Sam Nunn. His connection to Project Monarch and one of its offshoots, MK-ULTRA, is enough to turn your stomach. My fellow Americans, why do you continue to sanction this conduct by your federal leaders? Do you have any conception of how many of the lives of your fellow citizens have been damaged by your servants and employees, the United States Government? If you do not know what Project Monarch is all about, then I suggest you do your homework! I also suggest that before you allow any needle stuck in your arm or have your skin broken by a needle by anyone, you know that person very well—especially those of you who frequent public health facilities. The truth is absolute and cannot be changed or denied.

1995 is the year that our nation will be returned to a republic as a direct result of the spirit of freedom and the dedicated work of its patriotic citizens. The Constitution shall prevail for all of history!

Sorting Out The Voices In Our Heads & Hearts

6/9/95 #1 HATONN

A MINUTE FOR SORTING

In considering possibilities and probabilities—look very carefully at that which rears its head for attention. If an automobile is functioning well—do you go to a new mechanic to rebuild the vehicle? Why did you give attention or obtain the vehicle in the first place? Do you have the automobile for transportation or for impressing the neighbors? Do you have a whole set of instructors for operation, all inputting a bit different instructions? Or, do you take the Owner-Operator Manual and go from there? All persons familiar with the given construction and operation can have EXPERIENCED input—but if you have a Honda, will you try to operate it as the Mercedes? The “general” operation will be the same as to steering, brakes, etc. What if your auto runs on alcohol instead of gasoline? Even diesel-fueled vehicles operate a bit differently than with gasoline. WHY WOULD YOU WANT A BUNCH OF DATA INPUTTERS WHEN YOU ALREADY HAVE THE REAL THING?

A question has arisen from South Africa as to validity of speakers. I can tell you one thing very, very clearly: in “groups” who have worked together—“I” do not dictate to various receivers. Why in the world would I confuse my own troops? This is a general rule of thumb for each and every individual on BOTH sides of the experience. If you are of my “team” then you need no “bunch” of varied instructors all vying for attention and confusion. To avoid this very thing, in fact, there will always be teachers who simply become extensions—not “me” or some other lady or dude trying to explain MY input.

Right in the area of South Africa there are teachers who have far better input than I to the local arena and pertinent circumstances. However, when we are of the same team that issue is worked out nicely by not stepping on one another's toes to cause confusion. That is, Tom Astley (forgive me if I misspell) gets his teachings and guidance directly on the subject of Light and Universal function; Forbes gets hers from a teacher who is “right on”. Both clear their space until there is no QUESTION who is there speaking. Neither have to come to Dharma to check with Hatonn as to whether or not it be Hatonn. Receiving is that which is available and necessary for each and every being. But do you clutter the information with personal input, feelings of being somehow “special”? What is the response and responsibility involved?

What happens is that ones begin to hear or feel “something” and, usually without a personal need to study what is available, take the short cut of some kind of “revelation” a bit more exciting than whatever “Big Boy” is offering. Fine, but do you have the RIGHT to interrupt that which is already in progress to air YOUR personal viewpoint, whether or not it conflicts? If you have to present your alternative suggestions, WHY do you present them as coming from DIVINE resource? If there be question, WHY do you not take your “truth” and start your own group, your own direction and stop confusing that which is functioning quite well without

this added input? WHY DO YOU CHOOSE WHAT-EVER YOU CHOOSE? THIS IS THE QUESTION.

I repeat something which, if you simply read (you don't even have to discuss or study) my writings, you will find that IF YOU HAVE TO ASK THROUGH DHARMA IF HATONN BE “THE” HATONN SPEAKING TO YOU—IT ISN'T ME! I might well speak to you, but NEVER IN AN AEON OF SABBATHS WOULD I TAKE THE PLACE OF YOUR PRESENTED TEACHER/GUIDE/SPEAKER (whatever you call your guide). This is for a VERY GOOD REASON: TO AVOID EXACTLY THIS CONFUSION. THIS IS, FURTHER, WHY THE MASTER-TEACHER OR GOD INCARNATE IS NOT RUNNING AROUND ON YOUR PLACE—FOR WHERE THERE IS AN OPEN TRENCH UNCOVERED BY SHIELDING—THE DARK-SIDE ENTERS AND CONFOUNDS THE RECEIVER. This is NOT TO even imply that “you” do not receive directly. It means, readers, that you can depend on your guides and teachers being wise enough to NOT present conflicting and chaotic input—BECAUSE WE HAVE ORGANIZED AN APPROACH TO THE WORLD CIRCUMSTANCE. As long as messages are of general worthiness in living, what difference does it make—and yet, if all of you go off on separate tangents—how will you ever bring CHANGE to a world in conflict?

If there be places wherein our central mission cannot be presented—there will be teachers! Wherein our work is already utilized as central focus—there will not be the SAME teachers; there need not be. This does not insult anyone—it simply is REASONABLE and if we only bring confusion greater than that which surrounds you—you have the WRONG energy forms!

Beneath spirituality and truth of progression, where I would love to focus, comes the final acts of a major production (play) upon your stage. It is, for us, brief—for you in experiencing the play, seemingly long—somewhat less than your counted century of expression. Each “play” in which you participate will be a bit different as to role but the general script will be about the same—until someone comes along and CHANGES the play. There are as many changes possible as there are players (actors) in the scene.

What I find marvelous in mankind is that he expects to simply “be” and the revelation will fall upon his brain like an electric bulb empowered. You may gain “insight” in that manner—but you will NOT GAIN TRUTH because until you know what makes that light bulb—you can have a light turn on but you will not know what “kind” of light you have burning on you.

SOUTH AFRICA!

What and why South Africa? Why would there even arise such confusion and why would there be questions regarding same? Would it not be reasonable that there needs to be guides for South Africa different from those of Western Australia or Los Angeles, U.S.A.? Of course—but not of a central theme! Out of South Africa came the last major SCHEME of WORLD DOMINATION AND CONTROL—right directly from the evil-presenter, Cecil Rhodes! As a matter of fact, the Blacks were first brought to South Africa by the slave-

ships of Orion (mostly) to serve the “masters” who would gain control, in a most Satanic manner, of what would be appointed to be the value or wealth of the world. Now, HOW this affects South Africa certainly does not require MY input while I am making every effort to simply lay forth the story of who and how and what has taken place and outline the characters of this play. You will have the Adversarial tribe-leaders telling you that the Blacks were actually developed FOR THE SLAVE LABOR CAMPS. Is this true? Yes and no—no more than are YOU developed to be slaves to the World Order! The higher cause has always been and will always be a selection of choices of human presentation—WHO WILL GAIN THE SOULS IN A GIVEN GAME OF CHESS. WILL MANKIND FIND TRUTH IN TIME TO SALVAGE THAT WHICH HE PERCEIVES ARE HIS LESSONS OF GROWTH AND DIVINITY?

SPEAKERS AND RECEIVERS

We can always have guidelines for “receivers”—is that space cleared or is this a “game”? The responsibility which is dumped on a receiver is so mammoth as to break the very spirit within—not something which craves attention or argument with another. Would you go to Gordon-Michael Scallion and demand his placement as vision receiver? He would certainly give it to you instantly, to be free of the burden of HIS calling and purpose. The same with Dharma—she is ready to hand it over to anyone who remotely pretends to be a receiver for “Hatonn”. We even found that the Russbachers, who have proven themselves to serve the *Dark Side* of this game, appointed Suzie W. as the relief receiver for Dharma FOR ME. Sorry about that, why would I put anyone else through the grueling task of my work just to CONFUSE the people?

Dharma doesn't hold any particular seat of honor. It may well seem so to you who believe you would do a better job or serve some ego polishing. No, just yesterday, with the place empty save for Dharma and E.J., the enemy came forth unbeknownst and robbed the offices. This is terrorism because they also took the garage openers, keys, etc. This is painful and hardly the way you would like to live your lives when you realize that the things of life are all but passed into The New World Order. I can promise you that if I am speaking to you, and the same with Sananda or any other member of OUR team, YOU WILL KNOW WITHOUT A DOUBT WHO IT IS—YOU WILL FIND NO POSSIBILITY OF OPENING FOR QUARRELS.

Do I speak and instruct others? Yes indeed. But THEY KNOW WHO THEY ARE, and right here I work with several—but the JOBS ARE DIFFERENT! When you question, ask: “Is my job different somehow? Is there need for my input and have I studied all that information which has ALREADY flowed in such abundance? Is my information the SAME or different?” Then comes the discernment of WHO is giving that information—for if it BE ME—it will be the same as already OFFERED. If it be different except for possible “locale”, it cannot be “ME”, can it? Of all the things of God's troops—the sameness of context of TRUTH will

be present! Each will have a particular mission within the whole, but certainly, within a given "pod" or "cell"—there is no need for each to do what each "other" does. Why would you need to put "my" teachings down in a thousand different ways when one serves nicely and frees others to do their own task?

There are precious ones who received from me for years, but when it came to CHANGE of duty—I was denounced as not being the SAME as "their Hatonn". Well, that be as it may with THEM; I always find that the ones who denounce—DO NOT STUDY THE MATERIAL I PRESENT FROM HERE! If you don't KNOW what is offered in ALL instances—how can you discern OR JUDGE? Moreover, if "I" felt my words were being misrepresented—why would I remain within a given pod to simply cause confusion. Would it not be more intelligent and wiser to go elsewhere? If I do that, readers, the "pod" folds—every time. Ones who claim to have me as teacher are both totally informed, recognize the task and most certainly do not leave opening for quarrels. Debate over given points is what gives opportunity for growth—but name-calling such as "my speaker vs. your speaker", "my Hatonn vs. your Hatonn" is foolish.

I might well give individual lessons as responsive to a "call". However, as with this physical mission of opening the minds and awakening a civilization—WE DO NOT ENCROACH ON OTHERS' FOCUS. This in NO WAY presents a difference of direction or service of either here or there—it represents unity and wisdom. I can example this a bit further: I work with Little Crow—but I never would encroach on his Higher Connections—for he is a Native American with leadership needs that travel the same path but in different understanding. If you have something SPECIAL for South Africa—use it, but do not suggest that we have to have the same input to each individual need. WE WORK IN TANDEM—NEVER CONFUSING THE AWAKENING SPIRITS. You people have enough to worry and distract over without this kind of added chaos.

Now, do I need more and more guidance and guides for South Africa? No! It has nothing to do with here in Dharma's corner—it is simply that there are already ones in South Africa, New Zealand and thus and so. They are there and you know who they are—because you are with them and because of them you became AWARE. Do not confuse the becoming aware with TAKING THE PLACE OF! The leaders, further, will see their leadership LAST, and LEAST, OF ALL. He or she who brought attention to the WORD will be the one, friends—think about it! Why would a "speaker, teacher" choose a bunch to do that which is already placed into the attention of original persons? You see, we can only OFFER what we have—and those in whose presence the work comes must choose the course of action regarding the material. If you simply take that which is still "another's" and go forth and use it as your own—be it invention or receiver—it is not worthy of being called THE SAME for you will have CHANGED the focus. Truth stands on its own AS IS—changing it only diminishes and dilutes value.

A good rule of thumb is that a "speaker" WILL NOT BE ME—TO ANYONE WHO HAS ACCESS TO MY WORK AND HAS STUDIED IT NOT—ALL OF IT! You might well offer debate over perception of my work—but unless you have studied it ALL as presented already—why do you have right to cast opinions on the statements or presentation? I utilize that which is available already on your place; that is necessary, so anyone who does not study what I offer, CANNOT know how things ARE or what meaning I might have for stating a given "thing". What you have, as people, to face is a time of chaotic input from every direction while your immediate freedom is being eked away. You have to know the players of the insipid games of destruction and chaos and you can't get that from "revelation"—it comes from the historical FACTS and it will be presented from research. I can only offer that which is TRUTH and you must take it and balance it

with that which is offered by the LIARS. Truth will stand and the LIE will fall as both are uncovered and laid forth before you. Until you can know the way things ARE, you cannot even follow a spiritual path without clutter of dark energies—for you will be fooled constantly. Satan PLAYS a far better "Christ" than a simple being who lives in goodness! Ponder it. Mankind does not like TRUTH because it requires and accepts no myriad of scenarios. It IS! You can prefer one story against another—but TRUTH SIMPLY IS! Moreover: truth will stand all alone quite nicely INTO INFINITY. Truth will be the same yesterday, today and tomorrow—no matter what explanation or charges man puts against it.

The truthbringers will always, moreover, be the FIRST assaulted by the deceivers. Worse, however, the deceived will waft in each new wind, while usually, as with most "receivers", having a need to "not clutter input" by fact of another's writings. When questions arise over "speakers"—it is far better to have information than question speakers or receivers—for only in the information is the truth able to be discerned. Worse, or better as the case may be, it takes a long, hard journey into realization for all the lessons will look good until you are TRAPPED. Then the lie will present in most TINY ways, in little contradictions beyond the valid contradictions of life itself. Pretty soon the stories will vary from one incident to the next—which was only "one way".

There are many, many perceptions but the FACTS of the happening don't change. Many times, and this may well be a problem, perceptions will have clarity as insight unfolds and this is always VALID—not necessarily "correct", but nonetheless valid. Herein lies the wonder of being able to SHARE perceptions and discuss and reach a conclusion in some kind of wisdom. However, on that final stage at passage—it's ONLY you and God. You shall make that passage on YOUR OWN INTENT—not on the suppositions or opinions of others. So take great care in accepting another's perceptions. You will not make it on MY input—save to realize the value of that input as it affects your actions and own intent. I have made my passage—YOU must make YOURS. I can show you the way—I CAN—NOT DO IT FOR YOU. So, to quarrel over my presence or where I might be or to whom I may be speaking is a waste of valuable and PERCEIVED time and I suggest ALWAYS that you discern and judge on the WORD, not on the game in play—for the game will end and only the WORD, TRUTH IN THAT WORD, and GOD shall stand.

If "I" would pray for YOU—it would be that you not have the burden of working FOR ME. Each individual has guides who are attached directly to soul self. You do NOT want the added load of ME. Accept the load of God with and through YOUR teachers and you will have far less botheration. Each of us has a mission to serve and each task will be similar, perhaps, but individual. I am NOT the only leader. I happen to be THE Commander of THIS INDIVIDUAL MISSION. You certainly do not need the confusion of my perceived inability to sort my team. Nor do you need the distraction of a bunch of Sergeants running about in all different directions quarreling over who has the right set of "orders". If we cannot achieve teamwork then certainly we cannot have success. I have to function in the physical expression WHERE THERE REMAINS OPPORTUNITY FOR POLITICAL CHANGE, WHERE THERE IS YET SOME PRETENSE AT FREEDOM OF EXPRESSION IN CONSTITUTIONAL FORMAT. The U.S. is where we had to take our stand, not because it is somehow more Special—but because the possibilities of CHANGE reside here more strongly than elsewhere on the globe—AT THIS TIME.

Dharma is overwhelmed by many things—BUT NOT THE MISSION. It is the myriads of impacting "things" and "pressures" which debilitate—NOT THE MISSION. Please understand, there is a difference.

She may well have to originally DO THINGS, such as give instructions in English from me as to "how" to

put together a colloid apparatus—but then it is taken and someone else perfects it and so on. Each is unsure of how to do these things and desires infinite detail. However, that is THE problem, for the information is already there, and has been for centuries in some instances—buried, hidden and disallowed for YOUR USE. Anyone can make a colloid apparatus—but no one has that which I can offer for the combinations. We can't have "everyone" doing this task for you would not have ability to "have" in the midst of Big Overlord shutdown.

If YOU, for instance, want a given task—WHY ARE YOU NOT WORKING AT IT NOW? Ponder this carefully, for if your task is FOR SOMETHING—you will be seeking and picking and studying constantly at perfecting that purpose. Some have not yet found or isolated "purpose"—that is because you are not yet informed sufficiently to handle your purpose of ultimate focus. Most never find that driving focus for they want revelation, chatting and psychic fun rather than getting educated for a job. If, for instance, you wish to build a Tesla device for pulse lasers—how expect ye to do so? Is it not wise to study Mr. Tesla's work, inventions and patents? The hardware already exists—in major use—You-THE-PEOPLE simply are not allowed to have it. But, to argue over who is receiving little messages from whom—is NOT WHERE IT'S AT.

I example again: Dr. Young is learned in technology through the most respected universities. However, he KNOWS that one of these days his will be to accomplish that which has been yet unaccomplished. He works diligently at every other thing, such as the paper and his EDUCATION. He meets with Korton and Soltec as Communications and Geophysical lessons are presented as to their connection and relationships with mechanisms that he will perfect. He spends hours and hours with ME and much of our "chatting" and clarifications will be regarding information given—sometimes debated but never "quarreled over". Sometimes a "test" will be presented to see if he will buckle to that which is Dark input to simply follow the leader—no, he won't even if his perception be different. He will not compromise his mission even though he may not fully understand his mission. Neither will Dharma, or any other ones around here. They have, we have debated, we have gone in differing directions and when the mission of one is finally divergent in a destructive way—the parties move on for they cannot abide the unchanging code of truth here. This doesn't mean that we can't work with those who disagree—it simply means that we compromise no truth to satisfy those who have "druthers" otherwise and who want to "take over" and "show us the way". If you need to take over and show the way—go where that is appreciated; do not take ours and take it for your own. You may also do this latter action—but be prepared for competition. We are GOING TO DO ALL WE CAN TO GET BOTH SURVIVAL AND ONGOING BUSINESSES MOVING. We can do that right within the system now working—we don't need to take up arms and/or fight anything. What it DOES take is an understanding and fundamental reasoning of how to go about this task.

We will always have the ones who disagree—but I find there is not one who, after studying what we offer, fails to see that this is a BETTER WAY for possibly accomplishing some kind of positive change. At the least, we do not FIGHT the opposition and get shot. The terror caused by the cowardly and sicko enemies will continue because that is THE WAY THE YELLOW-LIVERED EVIL BEINGS DO THEIR WORK—AND THAT IS THE ELEMENT THAT HAS NOW GAINED CONTROL. I have no need to fight that which isn't even REAL. The only quarrel present is how to handle or use physical matter. It concerns me NOT because my POWER comes from Universal Energy and the things of physical manifestation are NOTHING. Judgment is EASY because a given thing in presentation can ALWAYS be used either for GOOD or

for BAD! All you have to do is watch the use and the user to instantly KNOW if the intent be Godly or Satanic/Luciferian. If you don't even know WHO is Satan or Lucifer—how can you possibly discern? Because there is rightness and there is wrongness—and it is obvious in expression. I can work with my enemy—I do not become my enemy! I am not trying to take possession or control of the world, any world—I have no use for your world! Can you see? Your only use for the world of manifest physical is for the lessons of school-grade growth. This IS your schoolhouse, not your infinite dwelling. That which is valuable in the schoolroom has very little, if any, place in your infinite "position" in KNOWING. However, you have to gain diversified "knowledge" to ever acquire KNOWING! You cannot have KNOWING, especially of GOD, until and unless you realize who and what that means. You can have revelation and change in intent through inner recognition—but that inner recognition came from SOMEWHERE in your learning process. "Revelation" is only a step in "remembering" what IS.

There are more impostor teachers than "real" teachers! Why? There is only ONE real teacher. All others are fragments presented mainly for distraction. "Aton", for instance, may be a point of recognition to some—but not to all. You cannot place ONE label on GOD—not even "GOD". This diversity of LANGUAGE is the prime tool of Adversarial USURPERS. When you destroy "meaning" and change "meaning" to that of another's desired use—you confuse and confound. If you can usurp labels, you can fool most of the people ALL of the time. Don't get hung up on names—any energy in the Universe can call itself Hatonn and fool just about all of you, this for example. It is, however, up to you individually to discern—and JUDGE THROUGH THE ACTIONS OF THAT ONE. We, as teachers within the Hosts, do not come to confound or confuse. WE IDENTIFY WITHOUT QUALIFICATION OR NEED TO GET FURTHER INPUT, SAVE FROM SELF. IF YOU ACCEPT WHATEVER DRIFTS THROUGH—THAT IS ALL THAT WILL DRIFT THROUGH, THE DISTRACTORS OR THE ONES WITH FULL INTENT OF DRAWING YOU ULTIMATELY AWAY FROM GOD. Remember that "soul"? It is the soul that is the ultimate prize—not your things

or how you brush your teeth.

Beware of that which pulls you from that which was suitable and useful in favor of more revelations and personal excitement. Perhaps you are in training—or, perhaps you are being pulled away so that you are lost to God's purpose. Unfortunately, the best and fastest way to LOSE SELF is to seek only to FIND SELF. When one moves beyond SELF and into UNSELF—comes the revelation worthy of a revealer. When your prayers only focus on service to others, the relations, then and only then can the prayer of self be answered. That old saw about getting what you pray for (so be careful) is quite valid. If all you do is pray for self and for getting "things", you will find no depth in prayer, for God responds to the intent of heart. You may well get the "money" you pray for by hook or crook, but will it actually be for the bettering or fulfillment of GOD? Impatience is but the proof of lack of faith—for in KNOWING, there is no doubt of needs being fulfilled. Does that mean that the most staunch will not falter or doubt? No, the most staunch are given even more reason to have to discern, doubt and falter—but the direction of the doubt will be on self—NOT GOD.

May we close this writing please, we have other pressing service to attend. I would hope that each who have directly asked comment on these topics will find response herein.

Thank you and may we always find hearts open enough to consider possibilities in all things. TRUTH IS!

I salute each and all of you who struggle through this haze of experience—always just short of the full expression of "knowing". It is the way it IS—and it is necessary, for if you, as messengers, cannot handle the task—how can you expect the brothers to see and hear? Again, when we outgrow "self" in total focus—we can get on with our task which is actually already laid forth before us—if we but put aside the shrouds and LOOK and ACT in the truth of the SEEING. If you find that you are not willing to study, to grow in that which is offered, then you may well find that you are moving in the opposite direction—FOR TRUTH IS! Why do men not look where it IS—if they actually wish to find it? Because they actually do not wish to find it for with truth and knowing COMES RESPONSIBILITY. Ponder it, friends.

The News Desk

6/9/95 PHYLLIS LINN

MEDIA CONTINUES CASTIGATION OF "FAR RIGHT"

The articles continue to pour in—frenzied pieces designed to condition the public that the "patriots" are criminally radical crazies. The Media-Smear-Of-The-Week! Militias were the first focus of attack, then "right wing" talk-show hosts, followed by "anarchy on the Internet"—each perfectly orchestrated. In each case, the concepts at issue are made to look not only ridiculous, but dangerously so. How do they do it? The use of trigger words is basic to their repertoire—they get lots of mileage from those. Another key to successful media propaganda is what they DON'T SAY—the hidden, underlying assumptions that are projected to condition and mislead the populace. With this technique, statements are couched, not as opinion, but as fact so obvious as to need no elaboration—a given.

A headline from the June 4 issue of the *CHICAGO TRIBUNE*, "Far Right's paranoia seeping into mainstream", provides a classic example. The first three words pack a punch—combining a trigger expression ("far right") with an assumption ("paranoia"). Since the writer assumes that the "far right" is "paranoid", the reader is lead to do the same. There is NO discussion in this *Tribune* article as to the merits of the beliefs in point. The word "paranoia" dismisses them as "having no basis in fact". The subheading, "Wild theories gaining a voice in legislatures", is a restatement—"wild" implies "beyond the range of acceptability", and "theories" connotes "unproven".

Here's an assumption-packed quote from this same article, [quoting]:

"There is a very real reason to be concerned about these trends," said Ken Toole, president of the Montana Human Rights Network, which monitors right-wing extremist groups. [Note how the wording here grants this speaker legitimacy. This group was mentioned in a less-than-affirmative light two weeks ago in the *NEWS DESK*.] "People need to recognize that as these bizarre ideas [Is that an assumption or what?/] gain currency in legislative and political arenas, that has the effect of emboldening the wackos on the ground. [Does Mr. Toole make the slightest effort to demonstrate this alleged mental instability?/] When you get people who are clearly fringe [another assumption!], being listened to in the august [a pro-government assumption, this time!] halls of government, that has tremendous legitimizing power." [End of quoting.]

There are a couple of reasons for reading the news analytically. It helps to keep the blood pressure at manageable levels, possibly even preventing ulcers and apoplectic fits!! And it is important to KNOW your enemy—to understand his methods of deception! Who is your enemy? An enemy is simply one who opposes another in thought. It doesn't necessarily involve negative emotional trappings. The enemy of truth is untruth, and ignorance is the key to success for the masters of the lie.

JIM GUY TUCKER INDICTED!

We've read about some of his criminal escapades in Michael Maholy's C.I.A. Pipeline series (in previous issues of *CONTACT*). We wrote and called and faxed him on behalf of Richard Snell (to no avail). Now some of Governor Tucker's chickens are coming home to roost, as reported by Jeff Gerth in the June 8 issue of *THE DAILY NEWS*, [quoting:]

WASHINGTON—A federal grand jury Wednesday

indicted the governor of Arkansas, Jim Guy Tucker, charging him with making false statements to obtain a federally backed loan and conspiring to defraud the IRS. The indictment says that Tucker tried to hide profits from a multimillion-dollar cable television deal.

YOUTH ACTION NEWS DETHRONES NEWT

The May 1995 issue of *YOUTH ACTION NEWS* is a refreshing example of responsible journalism. What's the difference? Simply this: In his article, "The Global Annihilation of America", C.B. Baker painstakingly backs up each allegation with pages of documentation from a variety of sources and official records. Due to space constraints, only a brief excerpt is presented here; for a complete (8 page) copy, send \$5 to *Youth Action News*, P.O. Box 312, Alexandria, Virginia 22313. [Quoting:]

The liberal establishment media has been conducting a highly coordinated propaganda campaign that is designed to create a "conservative" IMAGE for the new Republican Speaker of the House of Representatives, Newt Gingrich. As a result, many Americans HAVE BEEN DUPED INTO BELIEVING THAT GINGRICH IS A GENUINE "CONSERVATIVE" and a strong "OP-PONENT" of President Clinton.

The media report about a conflict between Speaker Gingrich and President Clinton is a clever disinformation SMOKE SCREEN that is designed to conceal their close collaboration in key areas. In reality, BOTH Bill Clinton and Newt Gingrich consider themselves to be revolutionaries and change agents. On the really big issues, such as the survival and sovereignty of the United States, Clinton and Gingrich are New World Order, ideological twin brothers.

When the Republicans recently took control of the House of Representatives, Gingrich quickly implemented a new set of rules that ended the old seniority system. "Many of Gingrich's proposals to 'reform' Congress have more to do with elevating the power of the speaker's office. Abandoning seniority as the main criterion for appointing committee chairs, for example, makes those appointed more obedient to him." (4/95 *MOTHER JONES MAGAZINE*). BECAUSE HE NOW HAS SUCH VAST POWER OVER THE LEGISLATIVE PROCESS, IT IS VITAL THAT LOYAL AMERICANS DISCOVER THE FACTS ABOUT GINGRICH'S POLITICAL RECORD.

Because of his pro-Stalin foreign and big government tyrannical domestic policies, no real conservative was ever fond of President Franklin Roosevelt. Economist Murray N. Rothbard reported: "Gingrich has repeatedly emphasized his devotion to FDR", (labeling him the greatest figure in the Twentieth Century).

Contrary to his claims of being against big government intervention into the U.S. economy, Congressman Gingrich has voted for a whole series of laws that EXPAND the power of the Federal government AGAINST individuals and companies. On May 16, 1979, he supported the Alaska Lands Bill that made American more dependent upon foreign oil producers (by "locking out 68 million acres of land as untouchable 'wilderness'"). In Dec. 1987, he supported Federal spending of \$307 million for continuing the Environmental Stalinists' favorite legislation—the Endangered Species Act (which "put the rights of bugs, snakes, rats, and owls above the rights of" the American people. In May 1990, Gingrich supported the expansion of the Environmental Protection Agency to cabinet level status.

The 2/12/95 nationally syndicated column of Robert D. Novak reported that for many years, Speaker Gingrich has been a member of David Rockefeller's infamous one-world-government-promoting Council on Foreign Relations (CFR).

In 1979, Gingrich voted to vastly expand the Federal Government by creating the cabinet level Department of Education. He later voted for a whole series of big-spender Federal education bills. In 1990, Gingrich voted for the powerful (UNFUNDED MANDATES) Americans With Disabilities Act, which requires small businesses and cities to spend tens of billions of dollars. That same law allowed the Federal Government to conduct KGB-style actions against all private employees who "discriminate" against AIDS carriers.

Since the early 1970's, Newt Gingrich has been closely associated with, and a dedicated follower and proselytizer of the ideology of Alvin and Heidi Toffler. The 1/1/95 *WASHINGTON TIMES* reported that the Tofflers' "ideas about historical, cultural, and economic change have profoundly influenced Gingrich, who is "now in a prime position to bring about that change."

The *NEW YORKER MAGAZINE* reported: "There is an eerie similarity between Tofflerism and Marxism. Look at the correspondencies. Marxism sees civilization as proceeding in three stages, each of which corresponds to one of the Tofflers'. In the Marxist analysis, feudalism (the equivalent of the Tofflers' agrarian First Wave), gives way to capitalism (the equivalent of the Tofflers' industrial Second Wave), and capitalism, in turn gives way to communism (the equivalent of the Tofflers' cybernetic Third Wave). Each stage eventually becomes obsolete, and the next emerges, with much pain and dislocation, from the collapsing ruin of its predecessor."

This ideological similarity between Tofflerism and Marxism, explains why Newt Gingrich is actually working so closely with the White House Marxist duo, Bill Clinton and Al Gore, Jr.

In 1973, David Rockefeller formed his Trilateral Commission, which promoted the deindustrialization of America and the transfer of U.S. jobs and manufacturing capacity to Third World nations... The Tofflers'

ideology presents a PHILOSOPHICAL JUSTIFICATION FOR THE TRILATERALIST DEINDUSTRIALIZATION OF AMERICA. And this ideology explains why Newt Gingrich is such a fanatical supporter of NAFTA, GATT, and the Mexican bailout.

Writing in the 10/31/93 *NEW YORK TIMES*, the Tofflers described their coming Globalist "utopia": "Nations, as such, are becoming less important. Powerful transnational businesses are creating information networks that 'bypass the nation-state framework'."

Describing loyal Americans who fight against the wrecking of America's vital industrial base as "Second Wavers", the Tofflers stated (10/13/94 *NEW YORK TIMES*): "Millions of middle-class and poor Americans also resist the transition to the Third Wave (deindustrialization) out of an often justified fear that they will be left behind and slide further down the economic and social slope." The Tofflers described the battle over the NAFTA Treaty as one "in which Second Wavers were defeated by Third Wavers", such as Gingrich.

In January, shortly after the Mexican peso collapse, Treasury Secretary Robert Rubin and President Clinton announced the first Mexican rescue plan—a huge \$40 BILLION U.S. taxpayer bailout. Clinton's original scheme required the prompt support of Congress. The

White House quickly met with Congressional leaders and Federal Reserve Chairman Greenspan. The 1/20/95 *WALL STREET JOURNAL* reported: Republican Speaker of the House, Newt "GINGRICH, BECAME THE MOST VOCAL SUPPORTER OF THE RESCUE at the White House meeting."

Gingrich actually coached Clinton on better propaganda methods to be employed in selling the bailout to the public, telling the President that he should "spend more time explaining" the proposal, (2/13/95) *THE NATION*.

The plotters behind the Mexican bailout conspiracy have devised an odious new scheme to loot the funds of insurance and commercial bank accounts. Treasury Secretary Robert E. Rubin, Federal Reserve Chairman Alan Greenspan, House Speaker Newt Gingrich, and House Banking Chairman James Leach are all trying to repeal the Glass-Steagall Act that forbids the merger of securities firms and banks. They claim that such a repeal "would foster competition". In truth, such a repeal is extremely dangerous to the stability of the entire U.S. financial system. Repeal of Glass-Steagall will let the big bankers and plutocrats utilize vacuum cleaner-like action to suck up insurance reserves and commercial bank deposits throughout America.

The 2/28/95 *WALL STREET JOURNAL* reported that Goldman Sachs & Co. and J.P. Morgan & Co.

support Congressman Leach's bill, which permits "THE BANKING ORGANIZERS TO ENJOY GREATER POWERS THAN THEY MIGHT OTHERWISE HAVE"...The real purpose of the Glass-Steagall Act repeal is to LOOT THE NATION'S ECONOMIC RESOURCES TO PAY FOR EXPECTED upcoming bailouts in other countries AROUND THE WORLD. [End of quoting.]

AMATEUR RELIC HUNTERS HARASSED BY FEDERAL AGENCIES

Even in the mainstream media, stories abound relating a wide range of governmental intrusions into the lives of U.S. citizens. Here's one by Valerie Richardson which appeared in the May 22-28 issue of the *WASHINGTON TIMES WEEKLY*, [quoting:]

For Billy Ray Shivers, hunting for old metal tokens and other relics in the abandoned sawmills near his east Texas home was nothing but a harmless hobby. It became something else the day federal agents raided his home. On March 1, 1992, the retired Air Force master sergeant was searching for tokens with two friends at the Aldridge Sawmill in the Angeliana National Forest when he was accosted by agents from the U.S. Forest Service. Although Sgt. Shivers told them he had permission from a local ranger to search there, they confiscated his metal detector, token pouch and digger.

Two days later, the agents returned, this time to Sgt. Shivers' home in Longview, Texas. With them were three armed police officers. As one officer stood guard over his wife, Mary, the agents went through the house "like a storm," said Sgt. Shivers. "They took everything I had except the furniture—my grandfather's pocket watch, my wife's college papers, books, jars of wheat pennies," Sgt. Shivers recalled. "They tried to take my war medals from Vietnam—my Bronze Star, my Cross of Gallantry. I told them they'd have to kill me to do it."

As shocked as Sgt. Shivers was at his treatment at the hands of government agents, he was even more astonished when he was accused of violating the Archaeological Resources Protection Act (ARPA). Passed in 1979, the law is aimed at prosecuting looters who plunder the nation's historic ruins for profit. According to Sgt. Shivers and other collectors, the law is being used increasingly to harass hobbyists motivated by their enthusiasm for historical relics. In the process, they say, longtime collectors of musket balls, coins or Indian arrowheads are being subjected to government-sponsored searches, seizures, even jail.

Part of British Operation: A Gun-Waving Larry Nichols

Part of the British manipulation of populist groups has been Larry Nichols, shown above brandishing a gun and promising to meet President Clinton at "High Noon." Nichols's indiscretion occurred on May 11, 1994 before a group called the Boulder (Colo.) Patriots.

Since his rediscovery by Ambrose Evans-Pritchard in February 1994, Nichols has been on tour virtually non-stop addressing such militia-style groups. One of his major sponsors has been the Rev. Jerry Falwell, whose front group, Citizens for Honest Government, produced a videotape called "The Clinton Chronicles," which features Nichols. The "Chronicles" reprise a series of unsubstantiated smears against the President.

Nichols's roadshow has been managed by a publicist for Citizens for Honest Government, Nick Ashton. Ashton, a British national, is also the media coordinator for Nichols. In a Jan. 4 interview with EIR, Ashton denied that Nichols was threatening the President, and declared his trust in the editor and publisher of the Sunday Telegraph, Ambrose Evans-Pritchard's immediate boss.

For more information, see Executive Intelligence Review magazine Vol. 21, No. 48.

More Important Lessons About Colloidal Au & Ag

6/5/95 #1 HATONN

GRATEFUL THANKS

We bow in appreciation to you who have rallied and sent the necessary material for some colloidalizing electrodes. I would like to plaster your names in bold headlines across these pages but we know that would not serve your privacy or your preference. We simply offer thanks and await the opportunity of recognition. Around here the minds ponder: "What would we have if we had all that gold George took—to turn into life-protection product?" Well, beloved friends, GOD WORKS IN MYSTERIOUS WAYS HIS WONDERS TO PERFORM—hold it in your hearts!

I need to offer more information on the DIFFERENCES in the products between Gold [Au] Colloidal solution and Silver [Ag] Colloidal solution. (We, for anti-biological use, begin with Silver Colloid solution and up the "frequency" through the introduction of electrodes which are gold and put a trace of gold into the finished solution. We then turn up the frequency further with the living cells of Drias which are already at a Solar frequency. We find, however, that the Drias are insatiable little friends and will detoxify everything—including the Silver we want for external use. Set a solution in the sun and the Drias will actually absorb and CHANGE everything into DNA/RNA immune system FIGHTERS. But we don't want just to build a bigger and better immune system in all instances (that is ongoing) but need a fighter and killer solution against any invading organisms WITHOUT CONVERSION. So we have to offer the non-integrated colloids for various purposes. Gold colloid taken internally does wondrous things but is totally non-reactive except for the integrated "frequency" pattern which works internally. In other words, placed on an organism it will be quite inert. However, the addition of Gold Colloid into the body is unmatched in its beneficial qualities.

Perhaps the place to begin is with gold: The chemical symbol is "Au" which stems from the Latin "Aurum" which comes from the word "aura" or "aurous" meaning: pertaining to, or containing, Gold. Colloidal Gold is, by definition, a pure, all-natural mineral supplement composed of minute particles of gold, electromagnetically charged and suspended in pure water (colloidalized). Some producers have "Aurum" as part of their trade name. This colloidal is a tasteless and totally *non-toxic* solution. This is usually a rose-purple solution.

Gold is probably one of the oldest used substances for medicinal purposes. It has no equal for affecting positively the physical body, in health as well as in sickness. Somewhere around 1885, colloidal gold was commonly used in the US as the basis of the cure for alcoholism (yes, that is what I said). Of course back then they referred to "alcoholism" by the term "dipsomania". Additional uses include treatments for ARTHRITIS, skin ulcers, burns and certain nerve damages.

Colloidal gold DOES NOT have the same GERMI-

CIDAL/ANTIBIOTIC ACTION of colloidal silver directly applied; it has a tremendous effect if taken internally for such as Syphilis and other diseases without other effective treatments. Still, it does NOT act as does silver in its antibacterial topical properties of instant antiseptis/antimicrobial abilities.

Gold, however, has always been noted (in its colloidal form) for its tremendous ability to balance and harmonize the emotional body. This is particularly in regards to unstable mental and emotional states such as "depression", "autism", "Alzheimer's" and thus and so. Colloidal Gold can reverse Alzheimer's in less than 48 hours, it has been found. I would give it longer to act than 48 hours because the damaged brain cells have to recover in order to have full recovery of function and that takes longer if full-blown active degeneration has occurred. Gold has, further, a direct effect on the rhythmic, balancing, healing activity of the heart muscle itself as it impacts and increases blood circulation. It is highly beneficial in rejuvenating sluggish organs—especially the brain—as gold is the best electric conductor yet recognized for carrying nerve charges. The tiny particles of gold will settle right into the connectors of the nervous system. I would always suggest that nerve-compromised paralysis victims—get onto heavy intake of Gold Colloid. In this instance I have a recent example: Mr. Superman Reeve who has not got a "severed" spinal cord, but rather, a traumatized spinal cord and disruption of the nervous system "connectors".

Gold has been found very useful in cases of glandular and nervous incoordination. It helps to rejuvenate the glands and stimulates the nerves which releases the pressure and allows the signals for function to reach through to the various organs and glands. There are many ways to impair nerve functions (which is the entire directive system to the body), trauma being the

most notable but least often the "cause" of impaired function. In all cases of improper function of glands and organs, it is because the original "brain" "orders" are not reaching through properly to direct function of which you are consciously unaware.

A very visible response to Colloidal Gold intake is easily seen in cases of body temperature regulation (i.e., chills, hot flashes, night sweats, etc.). Here we do not refer to fever as in infection, although the presence of gold will bring the fever down rapidly following "crisis" passage—especially if, in conjunction with the Gold, the anti-microbial used is SILVER. I don't speak of any other antibiotic on the market for they have their own dastardly side-effects to counter.

It works in alcoholism and diet control because it weakens the desire for alcohol as well as food intake because of the balancing action on the brain's craving or need for such overindulgence or addiction. Used in conjunction with, or alternatively with, silver, gold helps build strong natural defenses against all diseases and promotes renewed vitality and longevity.

The problem was, in the ancient past, that there was no way to easily produce a colloidalized product because of the lack of contained electricity. That changed, readers, with the work of Michael Faraday. [Editor's note: Michael Faraday lived between 1791 and 1867 in England and is considered both an early Chemist and Physicist who had a lot to do with the modern discovery of the laws of electromagnetism. He also worked a lot with electrolysis, which is the subject of chemical reactions induced by an electric current, such as sticking two metal electrodes in water to cause breakdown into hydrogen and oxygen.] Prior to Faraday's discoveries it was quite difficult to ionize or "peel" particles of anything, which can now be accomplished through electrolytic reactions. (or catalytic action) usually tends to change the properties of whatever is being catalyzed. However, you can go all the way back to ancient Egypt and find that gold was the principal tool in medical practices. The practitioners were not always called Physicians, but rather, "Alchemists". The Chinese of today have not forgotten the lessons and, especially in the rural areas, the ongoing rice pot will have its resident gold coin so that a bit of gold can be returned to the bodies through the food.

The substance of gold and particulate gold was referred to relative to the "Sun" for its life-enhancing properties. Monatomic gold IS THE BASIS OF CELLULAR ABILITY TO PROGRAM DNA/RNA. THIS VERY FACT IS WHY IT IS CONSIDERED PRECIOUS—NOT ITS VALUE AS A "PRECIOUS" METAL FOR MONEY. However, the would-be-rulers of all mankind LEARNED THE VALUE OF GOLD, SILVER, PLATINUM, ETC., for its life-giving properties and tried to "get it all", as mankind is prone to do.

I am asking our team to make it available to you. I will work with them in processing now that we have the starting equipment. We cannot inhibit the direct antibacterial actions of our colloidal silver to have the products intertwined. You will have to "mix" them at intake.

Some of these new "mystery" viruses attack the nervous system as well as hit the lungs and drown you. The gold is so effective for benefiting the digestive system as to be incredibly useful in getting the silver to its necessary locations through oral intake. Remember, you are not ALLOWED BY LAW to take anything through injection or intravenous in the U.S.; therefore, you have to keep your stomach in condition to accept the oral intake without heaving it back up and out. Remember flu symptoms include vomiting and diarrhea. This is why you have to be able to ingest the solution and then get it passed on through to the intestines where the silver can have contact with the organisms causing the diarrhea.

You can build your immune system to such an extent that you can ward off the disease but you are going to have to have more than that—and that is some anti-microbial (antibiotic) which directly confronts the organisms themselves with a frequency and antibacterial quality to physically and instantly act to kill the organisms. Overwhelming infections and massive infestations will be dumped on you so you will need all the arms and shielding you can get—within and without.

The people around here who have the wildlife feeding and watering near the houses are having water supplied from drinking pans with water levelers so that the water can be treated with hydrogen peroxide and OxySol. That way, where you have such as here, the endangered species wherein you cannot kill the rodents and/or

birdlife, you can protect them from the animal-borne diseases such as Bubonic Plague organisms. The recent Bubonic Plague, when moving into human hosts, is now moving directly to the lungs. In most cases now in hospitals it is called Pneumonic Plague and is deadly indeed. It is one of the new "untreatable" diseases which is NOT from the fungal/yeast family turned and tampered into viral forms. All of your original organisms have been converted intentionally into crystalline programmed viral forms. Zinc is no longer the molecule of choice to hold the "head" or "cap" to the crystalline form of viruses because we told you how to knock the zinc out and shatter the virus. The molecule of choice today is Titanium—so you need up-frequent counter-action. This is why we have taken the Silver and increased its potential.

A lot of places (mostly outside the U.S.) are turning

dated and worthless? No, the world functioned a very long time before Mr. Salk, Smith, Klein and French, Abbott and Meadeberg came up with such as the DRUGS and DANGEROUS antibiotics for the purpose of lining their pockets with THE GOLD AND SILVER. If "they" can bury the history of any such things as gold and silver colloids—they can have it all—after they get rid of you "useless eaters".

Colloidal Silver alone has been shown to take out the HIV virus in 48 hours. Moreover, and especially with Gaiandriana intake, the immune system will cleanse the traces that show HIV readings. Those readings will go away eventually with only Colloidal Silver use. The problem is that if the contacts of physical nature continue—the disease continues. Again, CHOICES!

I will chat with our "doers" here and see if we can't get a colloidal gold solution available right away. Remember something important here: There is no creed, color, race or person chosen for this upon which to "work". Red, or Yellow, Black or White—all are precious in HIS sight. ALL are SACRED. We speak of that which is truth. We recognize no COLOR LINES and our products have no singular "selection" as to "natural" or otherwise. Ponder something else please: Jew and Gentile of the human species—are in trouble! There are no "chosen ones" to be saved by God as such and you who claim to be "chosen" by the ritualistic presenters of THEIR OWN VERSION OF SALVATION, ARE IN IMMEDIATE JEOPARDY.

Thank you and good morning.

*A Historical Overview of
The Occult Conspiracy

[QUOTING, PART 17:]

NAPOLEON TO WEISHAAPT

The year 1814 is noteworthy because of the abdication of Napoleon and his exile to Elba, which was followed by the Treaty of Paris ending the Napoleonic Wars (or so they thought). There then came the Congress of Vienna, where the heads of state met in solemn assembly to discuss the settlement of post-war Europe and to supposedly put a stop to the rampant terrorism then being fomented by the Illuminati. This was actually the first attempt at forming a League of Nations, but it was torpedoed by none other than Czar Alexander I of Russia, who had by now awakened to the truth of what the Freemasons were up to. A devout Christian, he had learned of the secret plot to create a One World Socialist Government. As a result, the Rothschild-Illuminati combine set their sights on a future takeover of Russia and the elimination of the Czar and his Imperial Court. This was also the year of the formation by the Illuminati of a major Carbonari front, the Haute Vente Romaine, also known as the Alta Vendita in Italy, which was similar to the Togenbund they had created in Germany two years earlier. This group, whose stated purpose was the takeover of the Vatican at Rome, was headed by Carl Mayer Rothschild, B. Nubius and Piccolo Tigre. It was also during this Congress,

in 1814, that British representatives of the Guelphic House of Hanover further established their COMMITTEE OF 300, or the Guelphic Order (The Olympians). [H: That group is, as we speak, meeting in Switzerland. The "visible" Order (Bilderbergs) will meet between the dates of 8th and 11th (June) but the major decisions and committees will remain in meetings here and there for some six weeks—TO DECIDE THE FATE OF THE WORLD.] Then afterward came Napoleon's dramatic escape from Elba, his march on Paris, and his unfortunate defeat at the Battle

of Waterloo, resulting in his second exile, to the South Atlantic island of St. Helena. "Thus," said Nesta Webster in her *World Revolution*, "the fifteen years during which Napoleon held the reins of power were the only period... during which Europe had peace from the devastating fire of Illuminism kindled by Weishaupt."

ROTHSCHILD: POWER OF THE PURSE

By this juncture, the Rothschild brothers were firmly established in their seats of power and were fast becoming the masters of Europe, through their "terrible power of the purse". Nathan (1777-1836) had established the English Branch of London, which in 1810, as N.M. Rothschild & Company, set up its HQ at New Court. He then became financial advisor to the powerful Duke of Wellington and to Tallyrand (France's conspiratorial Ambassador to the Court of St. James); Jacob (1792-1868) had set up the French Branch at Paris, where he became lord of France during the Republic and Empire periods as confidant of General Changarnier (Commander-in-chief of the National Guard), King Charles I and then King Louis Philippes; Salomon (1774-1855), who had stayed behind to help build the German Branch at Frankfort, became the future Treasurer of the German Confederation and advisor to Otto von Bismarck (the Iron Chancellor of Germany). Since the inception of the House of Rothschild, there have only been 60 male heirs, each of which at birth has inherited \$150 million to insure a regal continuation of the Family line.

BILDERBERGER SOCIETY WORLD BANK NEW WORLD CURRENCY

Speaking of Frankfort, during October 1993 it was selected by the Bilderberger Society in Europe, as the new site of the New World Order's Central Bank HQ. This massive bank, housed in the tallest building in Frankfort (equipped with telescopic cameras), will soon be issuing a single world currency. This is made legal, they claim, by passage of the

Maastricht Treaty Accord—"which creates a common foreign policy and joint central bank and single currency by 1999." It will be run by the Rothschild Dynasty. (*Better start buying gold!*)

The ensuing decades of the early Nineteenth Century also saw the rise of the subversive Nihilists in Russia (1818), followed by the Decembrist rising there seven years later. There was then the formation of the sinister League of Just Men in Germany, during 1829, an Illuminati front that later financed Karl Marx and his *Communist Manifesto*. Also known as the Bund Der Gerechten, its AMERICAN leaders, Horace Greeley, Charles Dana and Clinton Roosevelt, that very year formed a committee in New York City to raise funds for the new international movement known as Communism, an Illuminati merger of all the world's Nihilists and Atheist groups with other such underground subversive movements. This resulted the following year in the July Revolution in Paris, during which King Charles I was overthrown and Louis Phillip (son of the Duc d'Orleans) duly installed, as a stooge of Jacob Mayer Rothschild.

Giuseppe Mazzini

CECIL BLOC: BIRTH OF THE OCTOPUS AND ROTHSCHILD'S U.S. CIVIL WAR

During 1830, there was formed at London a powerfully-influential group of men known as the Cecil Bloc, the brainchild of British homosexual Socialist Robert Arthur Talbot Gascoyne Cecil, a wealthy descendant of the co-founder of British Intelligence. It would continue to carry out the directives as laid down by those still in charge in The City [within London]. It was in this year that Weishaupt, founder of the Illuminati, passed on, but his successors continued on in his footsteps. The following year, the new head of the Illuminati, Giuseppe Mazzini, formed this subversive group Young Italy at Rome. In 1832 there was formed at Yale University the Illuminist Order of Skull and Bones, followed five years later by the Society of the Seasons at Paris (headed by Louis Blanqui). Then, in

1840 there would be created in Charleston, South Carolina the New & Reformed Palladian Rite of Freemasonry, actually an excretion of that earlier effluvial sect of 1801 in the same city, but this one headed by Gen. Albert Pike with Mazzini running its Rome affiliate (there was another chapter in Berlin as well). Interestingly, it was from Charleston, exactly twenty years later, that the order for the state of South Carolina to withdraw from the Union was issued, thus leading to the opening scenes of the Rothschild-fomented U.S. Civil War! Coincidence?

BIRTH OF B'NAI B'RITH: AND THE ANTICHRIST

The next organization of extreme importance to our scenario is one apparently founded simultaneously in London and New York during 1843—the *International Order of B'nai B'rith*. Also known as "Sons of the Covenant", this secret Jewish Masonic fraternity was the creation of Henry John Temple (Lord Palmerston), 3rd Viscount (1784-1865), an English statesman who three years later became Foreign Secretary under Lord John Russell and served him for five years. Lord Palmerston formally established the *International Zionist Movement* around the same time, working in tandem with twelve powerful Rabbis, whose purpose it was to "awaken world Jewish aspirations"—or Zionism—for the ultimate formation of a World Federation, ruled over by their future "King of the World", *THE ANTICHRIST!* (During the next century, the B'nai B'rith would work closely with the Soviet KGB.) Years later, serving under Queen Victoria, Temple would be Great Britain's Prime Minister from 1859 to 1865, overseeing all of England's subversion in the United States during the U.S. Civil War as well as the plot to assassinate President Abraham Lincoln! The key Rothschild agent in the South overseeing this enterprise was Judah P. Benjamin, a Sephardic Jew who had been born in the British West Indies and later on lived in Charleston, where in 1827 he had been inducted into the Hebrew Orphan Aid Society (a precursor to the B'nai B'rith). Overseeing operations in the North was August Belmont, a former private secretary to the British Rothschilds who had arrived in New York City from London in 1837 and rose to become Chairman of the Democratic Party. [H: Don't mumble and groan and deny all this information—GO CHECK IT OUT!]

YIDDISH SECRET CODE

As we see in Leon de Poncins' book, *The Secret Power Behind Revolution* (mentioned earlier), the Jewish Masonic Order of B'nai B'rith was described thusly: "It divides the world into eleven districts, of which seven are in the United States. The number of Lodges is about 500, with nearly 100,000 adherents... According to well-informed sources, there is in the B'nai B'rith a super position of secret societies ending in a single governing power. Above the B'nai B'rith are the B'nai Moshé, then the B'nai Zion, and finally the hidden centre of supreme command." And that, my friends, was BACK IN 1928. Nesta Webster, in her book on Secret Societies, speaks of "The B'nai B'rith, Poale Zion, the Jewish Bund, and the Weltverbund (or Jewish International Union of Socialists)..." She reveals that, "The action of printing their pidgin German, known as Yiddish, in Hebrew characters, provides the Jews with a more or less *secret code* by means of which their ideas and aspirations are concealed from the great mass of the Gentiles (Pg. 383)."

GOD ORMUZD (LUCIFER)

Both the B'nai B'rith and Zionism, of course, are and always have been extreme Leftist Socialist cults, modeled on the old Scottish Rite of Freemasonry, of

which Lord Palmerston was Grand Master at that time. And the secret god worshipped by the higher-degree Freemasons is the ancient Persian god of Mithraism known as Ormuzd, an entity referred to in the Christian Bible—as LUCIFER! A direct lineal descendant of this decidedly perverse belief system, the B'nai B'rith (and its more modern front group, the Anti-Defamation League) is actually a British Intelligence CULT long dedicated to the undermining, destruction and RECAPTURE of the American Republic!

Reading through the massive and ponderous esoteric tome, *Morals and Dogma*, compiled by the mad sexual libertine Gen. Albert Pike, we find that in the horrifying ancient ceremonies of Mithraism, "human victims were immolated therein, and the events of futurity looked for in their palpitating entrails." A firm adherent of the Rites of Mithras and a dedicated Luciferian, this man was the "Grand Commander of the Supreme Council of the Thirty-Third Degree for the Southern Jurisdiction of the United States" (from 1859 to 1891). Pike was also at this time the secret Chief of the venomous underground criminal organization, the Bavarian Order of the Illuminati, having inherited that unsavory mantle from Guiseppe Mazzini upon his demise.

ENSUING INTRIGUE AS NEW SOCIETIES BLOSSOM

The remaining years of the Nineteenth Century were equally filled with such intrigue, as well as interminable wars, revolutions and assassinations. Since it would take an encyclopedia to cover every event, I will here merely list those key items and organizations pertinent to our Outline, such as the formation of the League of Communists at London by the German-Jews, Karl Schapper and Henrich Bauer, in 1847; the issuance of the *Communist Manifesto* by the radical Jew, Karl Marx, in 1848; and the massive Illuminati-inspired Revolution that swept most of Europe that same year and into the next. The year 1850 saw formation of the Universal Society of Communist Revolutionaries, followed fourteen years later by formation of the First (Communist) International at London, convened on September 28, 1864 by Karl Marx, then living as a guest in England. It was also known as "The Jewish International" and the "International Workingmen's Union".

The Socialist International was equally busy dur-

GRIN & BEAR IT

"Your Honor, my client can't possibly get a fair trial with all this damaging evidence against him!"

ing this period, for in 1868 came the formation of the Socialist Party in New York, the Socialist Labor Party in 1877 (founded by the Jew, Daniel DeLeon), and both the Fabian Socialist Society and the Socialist League in London during 1884. In the meantime, the programmed agents of the Conspiracy had assassinated Czar Alexander II of Russia, and then a short while later, President James Garfield, during the early months of 1881. There followed the formation of the Socialist Second International, held at Brussels during 1889, convened by Emile Vandervelde. Vandervelde was then the leader of Freemasonry in Belgium and would maintain that position into the 1920s. Two years after this important conference came the formation in London of the Rhodes-Milner Group, an extremely subversive, high-level organization headed by Cecil Rhodes, Alfred Milner and Lord Nathaniel Rothschild. In that same year, 1891, came the takeover of the occultic Theosophical Society (LUCIS TRUST) by the Fabian Socialist Annie Besant and her co-conspirator Alice Bailey, the two of whom then created The Enlightened Universal Knowers, the Arcane Schools and The Triangles, to carry forth their bizarre ideas. Finally, to top off the century, there was held at Basel, Switzerland the *The First World Zionist Congress*, convened by Dr. Theodore Herzl. There were, of course, dozens of other such subversive groups that came and went during those years but I believe you get the idea. The enemy never sleeps, only its complacent victims.

[END QUOTING OF PART 17]

This is a good place to break the writing because we will next take up THIS century in this complex, but simplistic when laid forth in LIGHT, history. I believe that EVERY person who would take part in a RE-BUILDING of the nations should have required study of all this historical information—prior to sitting on any Committee, Jury or Panel. How can you build upon clean and fertile soil if you have NO IDEA WHAT HAS TAKEN PLACE PRIOR TO NOW? How can you build a nation on GOD's LAWS if you find that you are simply continuing a construction on the very laws rendered AGAINST GOD? It is certainly not mine to push or force—but it would seem that only in TRUTH OF HISTORICAL FACT can you even begin to accomplish FREEDOM. You are going to find that your own beloved writer, Ian Fleming, is part and parcel of the world dominion by these CREEPS. Even the founder of the British Boy Scouts, Baden Powell, was one of this Elite Leadership. How better to "grow up" your babes INTO this chaotic environment? You have come a long, long way, citizens, and now stand on the very brink of the cliff into oblivion and the Dark Age's return. Truth is not hard to take if your intent be toward right—it is simply HARD TO LOCATE among the

intended confusions and outright lies presented as that which YOU SEE AND HEAR.

Who am "I"? Who "I" AM does not matter, dear friends. WHO ARE YOU? DO NOT CONCERN ABOUT "ME". CONCERN ABOUT THE TRUTH LAID FORTH FOR YOUR NOT-TOO-LATE USE. IN THE VALLEY OF THE SHADOWS COMES THE SELECTION AND CHOICES OF LIFE JOURNEYS. WHAT WILL BE YOURS? I HAVE MADE MINE; I SERVE GOD IN LIGHT, AS DO MY PEOPLE, BUT HUMANITY IS IN THE CROSSROADS.

These writings will not get "better", friends, for truth is not pretty as regards the taking of a world and owning it in the name of Satan. Nonetheless, we shall continue to offer and perhaps a few will see and hear. Salu.

[QUOTING, PART 18:]

INTELLIGENCE,
MI-5 AND OPIUM

Rushing forward now, to this century, as we read in *The Philby Conspiracy*, by Page, Leitch and Knightly (London, 1968), "The British government has had secret departments at least since Elizabethan times, when Mr. Secretary Walsingham was supposed to run the best intelligence network in Europe." Yet there is no evidence that this much-ballyhooed intelligence network ever did anything to stem the tide of either the embryo Socialist or Communist Internationals, or any of the subversive organizations I have itemized. In fact, as you may have noticed, a great many of these conspiracies found their birth and subsequent nexus in London, the very headquarters of the World Revolution. As these patriotic British authors then inform us, the Security Service, otherwise known as MI-5, was not founded until 1909, and then by the Committee of Imperial Defense. Its first Director was a young Army officer and veteran of the Boxer Rebellion, Captain Vernon Kell. Again, what was not mentioned by these otherwise faultless reporters was the fact that the rebellion in China of a decade earlier was brought on by the British East India Company's flooding of that massive country with opium, dispersed for the express purpose of subverting, destabilizing, and taking over the Manchu Dynasty and crushing the I Ho Ch'uan.

Then in 1911, "another department was set up to handle offensive espionage... named at first MI-1c. Its first Director was Captain Mansfield Cumming, RN, and it fairly soon became known as the Secret (or Special) Intelligence Service. After the First World War, during the Thirties, its alternative designation was changed from MI-1c to MI-6." As then mentioned, some of the top agents of these services included such individuals as John Buchan, Dennis Wheatley, Ian Fleming, John le Carré, and also Baden Powell, founder of the British Boy Scouts. But again, what was not mentioned by these authors was the following: Buchan was a member of the Rhodes-Milner Group, who had been rewarded for his services to them in 1935 by "being raised to a barony as Lord Tweedsmuir and sent to Canada as Governor-General" (according to *The Anglo-American Establishment*, Prof. Carroll Quigley, Pg 56); Wheatley was a notorious member of the Order of the Golden

Dawn and a sicko Satanist; Le Carré is a Leftist author and Soviet apologist; and Powell was a known homosexual pederast! Typical.

HEYDAY OF THE '20s

We are also told that the Twenties were: "the heyday of agents like Sidney Reilly, the Russian Jew who became known as 'Britain's Master Spy'. According to his biographer Robin Bruce Lockhart, Reilly began operating around the turn of the century, and performed such amazing deeds as securing the Persian oilfields for Britain, almost singlehanded." Again, what these writers neglected to say about Reilly was that his real name was actually Sigmund Rosenblum, or that he was in reality a crypto-Communist agent, a double-agent, and a repulsive sexual libertine. He was also an accomplished assassin. This illegitimate "offspring of an adulterous relationship between his mother and Dr. Rosenblum" (the Jewish doctor who had attended her), is even known to have had his own wife murdered, as he had earlier murdered her previous husband! (Lockhart, *Ace of Spies*, Hodder, 1967.) While operating in Russia during WW-I for the British, actually for the City of London, Rosenblum-Reilly controlled the firm of Blohm & Voss, through which the British Intelligence Service gained access to all of Germany's warship plans. While in Moscow he came in close contact with the powerful and legendary Basil Zaharoff (later Sir Basil) [H: Note that when England picks up a new resident citizen (as with George Bush, Alfred Hitchcock, etc., etc.), the person is KNIGHTED by the Queen of England and guess who the person NOW SERVES? NEW YORK
B. W. HUEBSCH
1912

TO YOUR CONSTITUTION?? "LLB" and "Esquire" behind the name of an ATTORNEY is also a "title" of "nobility" FROM ENGLAND!], a top Khazarian Zionist Jew and agent of the British Vickers Corporation, who was also operating for the Rothschilds in Russia at that time (1917). Rosenblum-Reilly and Zaharoff also worked quite closely in revolutionary Russia with a number of key members and agents of the British Round Table Group in Moscow and Petrograd, who were issuing orders and distributing massive funding to the mainly Jewish Bolshevik leaders, helping to finance the overthrow of the Christian Czar, Nicholas II.

[H: As we are on the subject of "Sir" this and that, and specifically Sir Bush, let us bring you a bit more current—like day-before-yesterday. Remember that a story broke about some ex-Federal Prosecutors (attorneys) involved with the major drug smuggling cartel in Central America? Note that that was an old "Bush"-protected smuggling group. Well, do you also remember the big splash when Bush, as President, laughingly had a "thing" going with insiders about not liking broccoli? Readers, the inside joke was the massive amounts of drugs being brought in in fence posts AND BROCCOLI SHIPMENTS. Broccoli as a vegetable had nothing at all to do with anything! Why is it, though, that you allow the joke to always BE ON YOU?]

Also working for and with the Rothschild crowd of

London was one Olaf Aschberg, the Jewish owner of the Nya Banken of Stockholm, a Bolshevik-Communist banker connected with the Morgan-controlled Guaranty Trust Company of New York—before, during, and after the Bolshevik Revolution. In Czarist times, Aschberg had been the J.P. Morgan agent in Russia who had negotiated loans from the West, serving as financial intermediary between Western bankers and the Bolsheviks. After the Revolution, this Red agent became head of the Ruskombank, the first Soviet international bank (with a branch in London), while one Max May, a vice president of Morgan-Guaranty Trust of NYC, became director and chief of the Ruskombank's foreign office. The American branch of this operation was controlled by the Rothschild's junior partner, John D. Rockefeller. Yet another such Jewish agent of the Rothschild/Rockefeller Cabal was Alexander Gumberg, a Marxist representative of an American firm in Petrograd during 1917. This Red agent was active in "Colonel" William Boyce Thompson's phony Red Cross mission to Soviet Russia, and later became the chief Bolshevik agent in Scandinavia (until he was finally deported from Norway for his treachery). Gumberg then became the personal assistant to the Jewish financier Reeve Schley at Chase Bank in New York, and later on to Floyd Odlum of the Atlas Corporation. The origins of Chase Bank go back to 1799 when it was founded as the Manhattan Company of New York—by Alexander Hamilton.

Regarding the Bolshevik Revolution, which was aided and abetted by British Intelligence, according to the expert research of CDR George E. Pittam (USN, Ret.), as he stated in September 1979: "...only 1700 expert criminals, most of them trained in the United States, controlled the 80,000 active Communists who ruled Russia by terror and murder during the first twenty-two years under Bolshevism." It is also of considerable interest to note that, according to the March 6, 1920 edition of the French publication, *Documentation Catholique*: "Of the 25 leading Bolshevik officials in Russia's Revolution, 24 were Jewish. This includes Trotsky, whose name was Bronstein when I lived in New York City. (Name changing is common among Jews...) The 25th, Lenin himself, was part-Jewish and married to a jewess." Actually, Lenin, Stalin and Trotsky were Khazars. And later on, after Stalin oversaw the assassination of his arch-rival, Lenin, Josef Stalin (true name Djugashvili [H: Oops! Do we not have another ...kashvili? Does this "new guy", by almost the same name, not run your military in the U.S.A.? Hummmnn...]) would rule the Soviet Union as a mere front man for the *real* power in Russia, Lazar Kaganovich, his Khazarian Deputy Premier and father-in-law.

In the meantime, the "key man in New York" for the British Secret Intelligence Service was a particularly aggressive Jewish Zionist named Sir William Wiseman, head of the British Purchasing Commission

in the United States. Another loyal Rothschild agent, Wiseman occupied the plush apartment in Washington, D.C. above that of Colonel Edward Mandell House during World War I, and served as a personal emissary to London and Paris for President Woodrow Wilson. Col. House, the odious and unsmiling Marxist adviser to President Wilson (and his "alter ego" and puppeteer), was quite obviously taking orders from his secret "control", Wiseman. [H: Could we look at the word "emissary" for just a minute—and its meaning. Obviously it means agent or servant of cause, does it not? Well, when a phone call was made by E.J. to Leon Fort (a few days after the discovery of the embezzlement by George Green of the gold coins) and Ann answered the phone and responded to who she thought was George Green. She said, "Hello George, we have been expecting your call and I know Leon will want to talk to you—this is Ann, your emissary from Arizona." What would that mean to YOU? It is denied in COURT but I just ponder: what would that mean to YOU? This lady was a member of an active Witch's Coven in Arizona, as well. "White witchcraft", of course, she claimed. This was DIRECTLY into the "horse's ear". I wonder, then, why these ones continue to bash us about the heads and ears because of their own deviant intent? Why? Because there are always LAWYERS who will take these cases and don't quit until every last cent is drained from their hapless VICTIMS, AS WITH lawyers GEORGE ABBOTT AND DAVID HORTON! ("The Constitutional Attorney" as advertised.) God save us ALL!]

ALIAS COL. HOUSE

[H: We want you to please pay attention to the Jewish symbol on the cover of the next named book (see previous page).]

The eminent Col. House was the then-anonymous author of the strange and prophetic book, *Philip Dru: Administrator* (1912), wherein he had laid out his clever plan for the ultimate Socialist takeover of America—with *himself* as dictator. In this amazingly revealing book, House explained that he was working toward "Socialism as dreamed of by Karl Marx". Thanks to Comrade House and his fellow conspirators, the Rockefellers and the Warburgs, we now have a heavy and progressive *income tax* and all the other delights of Marxian-Socialism, and we are now living in the final stages of the Communist/Zionist takeover of America! House's book was carefully fictionalized, of course, but he was the Philip Dru as portrayed, nonetheless.

[END QUOTING OF PART 18]

Let us take a break, please. We will take up with your President Wilson, a Freemason and a crypto-Sephardic Jew Khazarian (nee: Wolfsohn) when we continue this evil intrigue.

SIPAPU ODYSSEY

"This journal which comes in 'fantasy' format is, in fact, **TRUTH in every measure...**

"It was decided that we would first bring forth an 'acceptable' story line that would bear a particular message to the ones awaiting instructions and the knowledge that the time of final instructions and 'count-down' is at hand..."
—HATONN

This journal is about the adventures of three people and their encounters with Native Americans of the Sipapu and their Space Brothers. It describes their amazing experiences after showing up at the Nevada nuclear bomb test site for a protest.

You will also find revelations large and small, from the ancient past and the future. *A fantastic, fun "fantasy"*. This was THE first work by "dharma", thought to be a Fantasy but now appreciated as the beginning of an en-Light-ening Reality Journey. With help from Little Crow of the Lakota, Dharma's public mission of translation for Higher Teachers begins here, as a sensitive love story of the Purification Times, which brings together a mystical "ancient" group from the "past", a Pleiadian space expedition from the "future", and some awakening volunteers from Earth's "present".

Sipapu Odyssey is in the early stages of being made into a motion picture utilizing the Pleiadian advanced technology of Futuronics.

I suppose I rank overall second in command. I am not a discarnate energy (spirit); I am an etheric being. I have never taken human embodiment upon planet Earth. Many have inferred such; it is not true. I have been far too involved with affairs of the Universe to prattle around in human format on Earth. I serve at a very high involvement as a member of the councils scattered throughout this Universal Sector, serving in an advisory capacity at strategic levels of intergalactic affairs. "You and I know that millions have died for freedom. And we appreciate beyond all human understanding the efforts and lives they gave so we could enjoy a certain measure of freedom. We will carry on now to regain those freedoms stealthily stolen from us by those who were supposed to watch out for our interests. Let us now take up the pen, which is mightier than the sword, in the singular struggle to regain our constitutional rights.

New Gaia Offers Journey To Health

What Should We Be Taking?

5/26/95 SANDRA TULANIAN, D.C.

The times in which we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breath of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Aside from a core of products that New Gaia carries which will be discussed further on in this article, two brand new products are being offered that are extremely important to present first. They are **GaiaCol** and **OxySol**. **GaiaCol** is a combination of Colloidal Silver, Trace Colloidal Gold and Trace Crystalline Drias. This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin; and the uses for Colloidal Gold at that time were just beginning to present themselves. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. Interestingly, the antibiotics that they were producing had no effect on the more resistant viruses, fungi and parasites yet this did not stop the medical community from prescribing these drugs regardless of the type of infection. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic overprescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is non-toxic to humans and allows no known disease-causing organism to live in its presence. With the addition of Trace Colloidal Gold and Trace Crystalline Drias, the frequency of **GaiaCol** is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. **GaiaCol** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns. For internal use it is recommended to maintain with 3-4 drops, 3-4 times per day under the tongue and if an infection is present, start with 1 teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or, at the least, when symptoms are noted (symptoms may include cramps, bloating, diarrhea/constipation and a general feeling of malaise).

Please note that this product is said to be perfectly

safe for children and pets and can be taken with other medications without incident. Colloidal Silver is not addictive and the body does not build up a tolerance to it. For your information only, Colloidal Silver has been used effectively on the following: acne, conjunctivitis, allergies, rheumatoid arthritis, bladder inflammation, venereal diseases, eczema, appendicitis, boils, cancer, candida, otitis media, prostate problems, whooping cough, ulcers, plus many, many others. **GaiaCol** can also be used to wet wound dressings and bandages and help heal cuts, scratches, abrasions, fever blisters, etc. There is a myriad of uses for this product which makes **GaiaCol**, in my opinion, one of the most exciting and valuable products on the market today.

OxySol contains Colloidal Silver and Trace Colloidal Gold but has Hydrogen Peroxide (food grade) and other trace minerals to add a new dimension to the effects. Organisms that have plagued us for centuries may be destroyed using this product but the new, more resistant strains will require the higher frequency **GaiaCol**. When added to water, the **OxySol** will help to purify, which makes this ideal for taking to restaurants or for travel. When taken with **GaiaCol** you get a two-fold effect of combating foreign invaders and providing a greater oxygen content for the health of the cells from the Hydrogen Peroxide. **OxySol** is wonderful topically as well, but is not advised for burns (use **GaiaCol** for burns). The trace minerals found in **OxySol** are vital to our health because the nutrients that were once taken for granted in our vegetables and fruits have been systematically farmed out of our soil. These trace minerals need to be replaced, otherwise our bodies continue to be open season for aggressive bugs. Another use for **OxySol** is to rid the oral cavity of harmful bacteria by brushing your teeth with 4 drops **OxySol** on your toothbrush or use as a mouthwash or gargle. The recommended amount to take daily for system clearing is 6-10 drops, 3 times a day on an empty stomach. If taken with **GaiaCol**, reduce both daily requirements in half. If you are adding **OxySol** to your water, just add 1-2 drops in each glass of water. Both **OxySol** and **GaiaCol** are very powerful additions to our pursuit of health.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken

regularly, that is felt to be essential to health and well being. These products are: **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse Program**, **Chlorella**, **Spelt**, and **3-In-1**. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

Gaiandriana is a product that is said to help correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to disease. Another benefit from consuming **Gaiandriana** is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. **Gaiandriana** is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

Aquagaia was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

Aquagaia is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the

age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both **Gaiandriana** and **AquaGaia** work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is **Gaialyte**. This is a fully integrated electrolyte liquid that is brought forth from the **Kombucha Tea**. The combination of tea and juice, vitamins, minerals, Ginkgo Biloba, Echinacea, **Chlorella**, oxygenators, Aloe Vera and **Gaiandriana** are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **Gaiandriana** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "**Tea Breeze**" **Kombucha Tea**. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called Kargasok, Russia. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of **Kombucha Tea** daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard **Kombucha Tea** as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through New Gaia Products, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **Gaialyte** and your favorite juice, or just drink it straight.

There is a **Kombucha Vinegar** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **Kombucha Vinegar** is not recommended for canning or preserving, it certainly is recommended for general consumption.

CarbraGaia is the membrane that is found in the mushroom fungus of the **Kombucha Tea** bathed in a nurturing amniotic-like fluid of **Gaiandriana** to aid the body in repair of connective tissue. This product was designed to replace the need for Shark Cartilage supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called **GaiaCleanse** has been developed that assists in the elimination of the nasty

parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as Cancer, AIDS, Hepatitis, Hodgkin's Disease, Diabetes, just to name a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GaiaCleanse Program** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GaiaCleanse** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

Chlorella is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **Chlorella** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

Chlorella is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **Chlorella**, in larger doses, is warranted.

Moreover, because of its superb food value, **Chlorella** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **Spelt** (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. **Spelt** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (Mucopolysaccharides) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **Spelt** to be easily digestible. What is most exciting is the delicious nutty flavor that **Spelt** offers to any baking needs. Another advantage of **Spelt** is the large amount of vitamin B-17 found in the grain (also known as Laetrile) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. **Spelt** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **Spelt** grain can be ground up into flour and used in any recipe where flour is required. New Gaia offers the whole **Spelt** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". Pycnogenol comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief of a number of chronic conditions. The **3-In-1** product offered by New Gaia has been found to be superior to Pycnogenol. The research that has been conducted on the elements found in Pine Bark were primarily conducted on Grape Seed Extract because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the Grape Seed Extract

was even superior to the Pine Bark in that it contains a higher level and higher potency of OPCs (Oligomeric proanthocyanidins) which are the active ingredient for free-radical scavenging. These OPCs found in the Grape Seed Extract are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the OPCs found in Grape Seed Extract have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued PMS, and reduced inflammation of arthritis.

The other substances found in **3-In-1** are Ester-C and Aloe Vera. Ester-C is found to get into the blood stream faster and in larger amounts than other forms of vitamin C and wastes only a fraction of what other vitamin C products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin C because Ester C has a neutral pH. Each capsule also contains 150 mgs. of Aloe Vera which is the equivalent of one-and-one-half ounces of natural Aloe Vera juice. Excerpted from an article by John C. Pittman, M.D., we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in Cold Processed Whole Leaf Aloe. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called **3-In-1**. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **OxySol**, **GaiaCol**, **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse**, **Chlorella**, **Spelt** and **3-In-1** can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.

TELEPHONE HOTLINE 805-822-0202

This is a service for our dedicated readers. Today's Watch telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus daily callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
