### HAVE YOU EVER HEARD...? MICHAEL JACKSON

Am I nuts over Michael Jackson's idiotic performances? NO—but have you ever heard of anything so silly as having the ADL and Jewish Leagues cry "foul", "anti-Semitic", "hate-monger", and "bigot" because the man(?) wrote and sang a song asking FOR PEACE, NON-VIOLENCE, LOVE AND RESPECT FOR ALL WITHOUT BIGOTRY?

Now, at the very least, Michael has to write a retraction and explanation of his song's MEANING? In the first place you can't HEAR the words; but more appropriately, the words ACTUALLY are most PRO-Jewish. This, after Jews falsely accused him of molesting one of "theirs", cost him a career, cost him millions of dollars, his "case", and now are publicly causing him problems over something THEY DEMANDED IN THE FIRST PLACE!

# A Note From The Typist Extraordinaire

6/13/95 DORIS EKKER

## A WORD FROM THE TYPIST

Doris: It is not that there is nothing about which to write this morning—it is that I feel a tug somewhere within which causes me to pause and speak for self.

Things are in disarray and here in our wonderful nation of America which I didn't notice falling apart until my attention was drawn to the hidden agendas. Major things happen and my brain is simply not big enough to hold the tales. But it isn't the "nation" which causes me to pause this day, go within and see how strongly I feel about my task.

Last Thursday someone who knew our work-places by 24-hour-a-day surveillance (I guess) came into our home, took the pay envelope which also carried the farm payment and other payments cash. Then, to leave a "calling card", took the electronic door opener which would be very quickly noted. It is like the clown magician who tricks you while then showing you what he has done. Now, other things which can't be missed are suddenly missing. These are such as the nightly used "night light" which is a plasma globe and could not be hidden in a pocket and useful for nothing else save ornament or very dim light. It is, however, large enough, say 8" by 12", and is a globe which is fragile glass, so would have to be handled carefully—GONE. It happens when it appears I am alone in the place—even if for a couple of minutes.

Does this succeed in the terror which is now obviously the purpose? Yes indeed. I can't say that it is actually terror, for I seemed to have continued my nightly "work" but I can't know when it will be more than a lamp or a garage opener (now two gone) or what the intent might be. What I CHOOSE TO BELIEVE is that the missing items (other than the money taken) are to assure me that "Command" is present. However, "Command" would offer the things BACK. When members of the "Command" have been visitors before, the smoke alarms go off, the electronic appliances go ON, the telephone answering machine begins to "answer", etc.

We have no choice save to pay attention, I suppose, but I have to be honest with you, friends—I don't know what is taking place or what will be the next stupid move. One nice and comforting thing is that we have been battered so much since we started this work that it would seem there would be little left to concern about. However, how long can we continue with the court trials, the bug-a-boos, and more especially, the thefts and thieving of resources which are not ours? We are like most of you in that we now have a bit of Social Security, but nothing more. E.J. responds to my "How long?" with, "You need an attitude adjustment—we will go on until we finish our job." Brave or foolish? We don't know and with all the burdens of so many and the chaos afoot—how long is "how long"?

My own perception is that the paper might well have to be shifted away from us as we move along here and we will make a smaller contribution but the paper itself will be a better and larger compilation of information than I am able to write in such massive amounts. Commander chooses what he wants and I type. The other paper content stands on its own already so there is no need for concern about the viability of the publication. The hope, of course, is that we

can continue but have the focus elsewhere for, as long as citizens are fearful of taking the paper, we cannot keep in business as the COSTS have literally eaten us alive.

We certainly do CONTINUE to expect major financing for projects—and the paper is the primary focus, along with the Institute. Yes indeed, to you contributors: there will be an accounting and you who have helped will RECEIVE. That is the way God works. Records are kept right down to the smallest gift so that we do not have to stand in a court of law and be longer attacked and lied about. This is a painfully tedious task when the work is so scattered for everyone here.

The Constitutional Law Center will have to close at the end of THIS MONTH if funding doesn't reach us before that time. This was a hope for Americans in the judicial cause. But people have to eat in order to live long enough to struggle another day. Did leaders not believe us when we said we could no longer fund? I don't know because E.J. always "prayed a way" up to now and some small handful of devoted people have given all they can to cover the "whatever". Our attitudes have been to disallow the thought of stopping the work. For one thing, we hold the ONLY backup for ability to take out the viruses abounding about us now, but "we" can't even afford the paper stamps for we will not jeopardize the "notes" by having our collateral confiscated. And yet, when the interest comes due and is not paid—the bank simply TAKES the collateral.

Is this a whine and "poor me"? I hope not for I don't feel like "poor me"—I feel that we must be winning and the adversary (whoever it is) is scared spitless to do such childish and stupid things. However, by the same token—I think you have to hear and know how precarious is our personal situation here.

Mr. Jackson is a chosen go-between and is an accepted party to push through alternative systems for hanging onto and building some type of citizen "government" that we as citizens can have a system in the midst of the chaos (while the big boys tear each other's eyes out) for retaining some modicum of freedom in

living. The people, however, seem to have gone mad—totally insane—and there remains so little honor. Further, ones who ask you to do a thing one day and even offer pay for the deed, blast you and sue you the next. I am not "frightened"; I am totally bewildered and terrified. Divide and conquer has always been the motto of the enemy—and then tell us what to believe, and now, through the TV, show us the "proof" of the LIE.

We see people lined up to demand more restrictions, eat up more lies, make heroes of dead people and set-up idiots. We see a man go down in Bosnia with a \$23 million plane and what do we NOW FIND? That the INTELLIGENCE knew about the incident BEFORE the shoot-down. Now we make a HERO (at the White House yet) of both the pilot and the garbage lies—so we can go to WAR. I just don't think I can personally take much more—I'm mad as Hell but I don't know what to do about it. I pray that the masses are truly NOT among those whom we SEE, but I observe thousands upon thousands of people pouring into movie showings which present the love affair between an Englishman and a 14-year-old Indian maiden, and I shudder—but the tickets were FREE. I see continued flower-laying at the altar of the Intelligence bastards who blew up the Federal Building and Nicole Brown and Goldman are now public heroes with an annual holiday for getting murdered—while the murderer is not even sought and the circus goes on. Everyone else involved in the murder is being made into heroes: Denise Brown, for instance, is getting a ticket and speaking tour TO ISRAEL to SPREAD THE MESSAGE ABOUT ABUSE OF WOMEN!!! This is abuse of my citizenship. I personally believe that little female you-know-what and Gloria Allred know exactly who took the very life blood from her sister and friend! She isn't even worthy of actor-of-the-day. Even the children laugh at the antics of the so-called Coroner who "pins" the lawyer's ONE ARM and cuts his throat with the ruler—while nothing is restricting the OTHER ARM AND HAND of the lawyer in display. But the news hops onto the trail and shouts, "How horrible!" Yes, and the King's "new clothes" are wonderful, aren't they?

I have no right to take up time and space here so I won't continue the observations of "a mad woman with an insane mind" as I have so sweetly been described. Unfortunately, those who use that in the court are not so lucky as to have that be true—I have never been more SANE in my entire combined LIVES. My sanity is not in point—my ability to keep going is in question. I speak for no one other than self. We are told that we are in protection and that has been proven over and over again, so the "silliness" is but an annoyance and even amusing.

## Notice To You Kind And Generous Donors

For reasons having to do with proper accounting and crediting, whenever financial assistance of amounts equal to or greater than \$1,000 is sent for the CONTACT, such checks should be made out to The Phoenix Institute For Research & Education, Ltd. It is imperative that such generosity not only be routed through proper business channels but, as a matter of integrity, acknowledged within the financial context of allowing for a later "return" on your "investment"—should that happy circumstance ever develop in the future. And thank you for your help!

— E.Y.

However, we are not the only ones involved here.

We have all sorts of interesting things take place, such as one day a "driverless" car went up and down the street opening and closing the garage doors when I was alone. Then we know that pictures have been taken of Bush with another person and AN INVISIBLE PERSON HOLDING A VERY VISIBLE FISHING POLE. Therefore we have to deduce that the visitors are simply a game of terror "in the King's new clothes". Fine, my protectors are better at invisibility than are any government CIA agents.

I can only plead with you readers to keep your eyes on the TRUTH and not on me—because I am nothing! You are going to find me hiding as much as I can—right behind the Commander's "skirts" and waving nothing except the biggest white flag I can find. By the way, readers, he has a very LARGE presence!! I do not always like my JOB—but I surely do love my BOSS!

Thank you for the pause. I would like to say that the information being presented [Editor's note: Doris is referring to the material by D.E.G. called *The Dark Side Of The Force* that we have been presenting over the past several weeks.] is not reflective of anything that I ever knew before. My adult life focused in Medicine and, as a legal secretary—for very "Jewish" doctors and lawyers. I loved them then and I love them now. We are not dealing with "friends and neighbors" here—we are facing an unknown enemy in another's costume. The original persons of the race or creed are more ignorant than we-the-people about what is happening here, but will getting to be Top Dog win the day? It won't win the day but I fear it will win the people enough to win the skirmishes. Well, I don't have to go to war and I am sorry for those who choose that route to enslavement but I suppose when that seems the only alternative and men refuse to see another way—it goes as it has always gone—into bloody violence.

I am asked to simply go on with GuMaér's "Dark Forces" until I get my own balance back. It is difficult to realize that, as you begin your day, through locked doors and careful security lights someone has been through your place of "assumed" safety. Friends, there is no where to run and no place to hide. Our days and nights of "safety" are over—we must turn to God for that shielding HE promises if we do our work and walk in His LIGHTED PASSAGE. I most certainly have seen OUR TEAM and they are NOT "little gray" scrounges. They are BIG and they are beautiful and, yes indeed, they do glow in the dark. When all is said and done about this ongoing saga, I suppose we DO have the advantage after all. Thank you, Sir.

D.E.G. [David Emerson GuMaér] has given permission to use his name since every clandestine organization knows about him already, so he says. Well, he also offered that in the copies of the paper shared with him he noted a few errors in typing—a couple of which were "k" instead of "d", etc. He further suggests that maybe we "need a proofreader at the 'main Headquarters'." Oh yes, sir—and a new typist TOO! People try to catch my errors but those middle finger misprints are annoying at best! The Editors offer to correct anything you find WRONG or incorrect for I am prone to great human failures. I simply make mistakes more quickly than other secretaries. I am honored, however, to be allowed the service of putting this to disc and after that, sir, you will have to send instructions. Worse yet, sir, there is no Headquarters and no proof-readers "anywhere", even if there would be a HQ. About three of us do what is done and, having a shortage of "robots", we humans do err and all we can do is make humble apologies and ask you to be alert and let us know where we flub. We have every reason to believe from letters, etc., that this is the most widely read paper globally and within, especially, Intelligence circles; but damn, we wish they would subscribe so that we could have a "proofreader" as suggested! That is fine—the suggestion made our day! I further have to own up that I usually am typing with some kind of bird sitting on my head, hands, or on the keyboard, and they

don't type even as well as myself. I have, however, trained all our more personal parrots and cockatiels to first learn the phrases "Mom", "E.J." and "I love you". So no matter what is going on when the world

hates you and you are positive of it—there are a whole bunch of birds sitting around reassuring us that "I love you!"

Sick? Perhaps! It works for me.

# Some Thoughts As The Learning Gets Tough

LIFE IS WHAT HAPPENS—BUT  
YOURS IS UP TO YOU

SEIZE THE MOMENT

*Seize the moment before it's gone  
For another day begins at dawn.  
Embrace the night which brings you rest—  
Awake and know you did your best.  
Fight each fight, and run each race—  
It matters not if you win or place.  
Seize the moment... you'll be blest,  
Then rest assured you passed the test,  
For he who tries can never fail  
When God directs the ship we sail.  
Seize the moment and hold it dear  
And rise by faith above your fear.*

—Clay Harrison

As you learn the mistakes (yes, that is what I said) you will come to realize that the time to LEARN LESSONS, say about such as farming, you learn all you can BEFORE you begin so that you can plant in knowing that your harvest will be bountiful. LAND MUST BE TILLED, PLOWED, TURNED AND ITS OWN FOOD ADDED, STIRRED AND BLENDED. EARTH IS LIVING—OF ALL THINGS UPON THE "EARTH", THE SOIL IS THE SUBSTANCE OF LIFE. You are going to learn THIS SEASON that even Spelt, which has grown in desolate places for millennia—will NOT GROW well if not tended as special unto its self.

Now we face a whole year of resultant bad harvest—because the seeds were too sparse and the plowing too shallow for God gave you a PERFECT winter growing season. What shall it be this Fall? Is it not time to rotate the crops? And yet you have not the reserves of Spelta to allow for the rotation FROM that which we desperately need. Moreover, for the three years we have grown Spelt I have asked for pulsing frequency of the fields and now it is too late and you shall simply put away the equipment for we will TRY(?) again next Season.

I am also weary of ones feeling that I am pounding upon your heads for some dastardly "nothing" reason. How long do we fiddle while the city burns? Parched Spelta will not a harvest make.

At the beginning of the Season last year I pleaded with you to get the crops planted and we finally planted at mid-season—only half enough seeds. I asked you to, at the least, double the planting—I got half. We can blame the ground-squirrels, the poor soil, the equipment—but are these THINGS "responsible"? No, they JUST ARE!

Does a poor crop mean that I am going to "love" you less? No, but those depending on the yield and return of input, may well do so. Love has nothing to do one with the other. Am I aggravated? INDEED! However, it is not my belly which shall growl without bread.

Would God let HIS people be hurt? YES!

TERROR AND VIOLATIONS

I can assure everyone that the "source" of attending these things is sorely tried. Miracles seem to somehow flow from ones you choose to provide. No, they can no longer do so. Theirs was NEVER to "provide". We have given products, books, endless labor and have become frazzled trying to get everyone's SHIP TO FLOAT. Well, children, the ships are sinking for the yields have not come forth—year after weary year. You cannot "talk" a field into harvest whether it be a legal field of encounter or a field of grain.

Dharma and E.J., whom everyone seems to think have the ear and hand of God—can't do it any longer. They have just been through one of the most terrifying few days of their lives. I haven't heart enough to tell it here. Their windows were "rigged" for entry and re-entry into their home, their last possession of their own, an old "Jimmy" truck, was stolen and spirited away and the home was robbed. One of the children involved in trying to stop the thieves jumped into a vehicle with one of the culprits and was threatened to be "killed". Private property of neighbors was also badly torn up as the thief ran amuck (now in a new "rented" [also stolen] vehicle for the "escape") and across the fields and into a boulder-filled wash.

Do the police come to help? NO. The police put out on the computer a "stolen vehicle" notice and "if the vehicle is stopped somewhere for another crime or violation" the police can run a check. However, after the rental/car dealer got involved, the Highway Patrol gives "them" attention. Is "this" because of the Ekkers' involvement? No, it is because you have no law, no order, no attention and on down the "no" line of lifestyle. If you are to survive, citizens, you MUST attend yourselves.

I GIVE CLUES

I saw to it that the intruder could be tracked (literally). We managed to get the intruder to leave a visible footprint in which even the name "Spaulding" could be read. We then saw to it that the man in point never had opportunity to other than "have the shoes with him" as son Gene jumped into the vehicle with the culprit and threw out a shoe—WHICH MATCHED. This little tiny handful of five people tracked, clued, followed, deducted, and LISTENED to our Pablo who had been shown a dream a few weeks back and, in spite of fear of being blamed, told it—at least two weeks ago. He was shown the very person who was serving as the "worker" carrying out the instructions—but we nudged him to do all sorts of interesting things which would nail the timing down ever so much more closely than O.J. Simpson's set up.

This poor hapless thief simply walked into the already ongoing terrorist movement and still doesn't know what hit him so he becomes a hapless victim.

There is a car, which was driven until it "blew", filled with the thief's belongings and theft items—but because it was not in the actual "chase" the police

# Confirmation Of OK City Underground Connections!

wouldn't touch it. E.J.'s sons have staked out the vehicle all night for the criminal ran on feet (bare) into the hills and across the fields. The prayer is that he has no weapons, as he exited the stolen vehicle so quickly that he had no time (it is hoped) to take a weapon.

Ah yes, some of Ekkers' property taken in the prior night from the dwelling was visible and now shall be undoubtedly tied up for the next eight years as evidence on "hold"?? There is now missing quite a lot of things including a computer (causing a great inconvenience, if nothing else). The real "terrorists" are still out there, however.

## POLICE

Readers, the police are mostly doing all they can do. The corruption on the one hand has so defeated the corps, and the load of random violence and thefts are so prevailing, that the police have few options. You are in a society ruled by mob and Crime-Lord adventure. It will be more difficult as we move ever along to protect self and property. The perpetrators are now "hyped" on drugs and booze—in combination—and they don't even know what they are doing until much later—literally. These are now mind-altering substances and the first to go is conscious thought AND MEMORY. Would YOU go out into Central or South Los Angeles or into Watts or the poverty parts of, say, Washington D.C. and "fight" crime? No, think about it: WOULD YOU OFFER TO DO WHAT A GOOD COP OFFERS TO DO? If you have a "bad cop" then you simply have more crime.

## THOUGHTS AND THOUGHTLESS

Charles just experienced a blow of blows. His brother had passed through on a visit some time ago and would hear nothing of "your (Chas') opinions"—"We are Christians," being the excuse. So time passes and they awaken a bit to some pretty ongoing possibilities—so back they come and study maps, read a bit of "other's" presentations, take some Gaia products to put aside "in case"—and pass on through to go and visit other family and friends elsewhere. They came back through here in the midst of the confusion and Inspector Clouseau's tribal misadventures—long enough to dump all the things back on Chas' table and get the heck away from such a "dark" energy as himself. Stunned, Charles wished them well as they scattered for the protection of running away (that won't be possible much longer) while saying they had spent time with a "minister of God" and this is "evil" stuff for "no man is to know" (wonder how it got into that *Bible* in the first place?) and "God will take care of us!"

Oh, precious ones, I FEAR FOR YOU. Of course when the plagues REALLY begin and the cities are in destruction they will complain (if they live) "Why didn't you MAKE us see?" You see, even in destruction of self—the BLAME must always be placed on another! It simply will no longer "work", brothers. Responsibility will be placed on the responsible parties—even if the responsibility pinches and hurts like the proverbial Hell.

## VISIBLE LOVE

Ah, even as we worked in danger, in terror—the children came, Charles returned to the "chase"—but from down the street or across the town—NO ONE CAME save to get their fees. So we shall see what we shall see. God waits to see who will seize HIS moment in service. So be it.

*In the middle of a Front Page editorial leading off the 5/30/95 issue of CONTACT, I decided to launch a little fishing expedition in the department of testing my sanity. (Now, be kind, readers; insanity and irascibility are different illnesses!)*

*I happened to mention that I had heard, very early after the Oklahoma City bombing, some mention of there being an 18-story underground associated with that building, including five floors of underground parking garage space. This tantalizing bit of news came about because some network TV interviewer was discussing the bomb pattern with, I think, the building's original designer or architect.*

*But I never heard it mentioned again, in all the days of further reporting, as the enormous magnitude of that tragedy continued to unfold, amidst spin doctoring of the most dizzying intensity.*

*As happens in such cases of instant news sanitization, one begins to question if one EVER REALLY heard what one was SURE of just a week or so earlier. After all, you would think such information couldn't easily be hidden so well.*

*So, in that 5/30/95 Front Page editorial I asked if anyone else out there had heard about this interesting and apparently "neglected" feature of the Oklahoma City federal building. After all, longtime CONTACT readers are well aware of all the diabolical, tunnel-interconnected, secret underground facilities around the country. Thus, even the mere possibility of a major UNDERGROUND aspect to that structure brings a whole new provocative array of dimensions into this already bizarre picture called the "official" Oklahoma City blast story. For instance, the "rumors" about serious Fed-incriminating Waco evidence being stored at that Oklahoma City site take on new life if an underground connection is genuine.*

*On 6/7/95 we received an interesting, excited telephone call at the CONTACT offices from someone who had read my editorial and could confirm having heard early news reports which were not only similar to what I had heard, but made what I heard sound like last week's used coffee grounds. Rick Martin took the call and, after hearing the news, asked this person to take a deep, calming breath and then put their thoughts down on paper.*

*Let me quote from that letter, received at the CONTACT offices on 6/15/95. This is from E.B.W., writing from the Pacific Northwest State of Washington.*

*[QUOTING:]*

*I watched the Oklahoma bombing right after it happened. I had the TV on and all of a sudden it switched to this scene where a bombing had just taken place. At first, I did not pay much attention; I was busy doing something else. I would listen in every once in a while. The anchorwoman, or reporter, from the local TV station, was running around, babbling excitedly. At least once, that I remember, all people were asked to leave the scene and it showed everybody running like mad. They had found additional bombs, or bomb, and the detonation squad was called in to defuse it.*

*During all this commotion, running and reporting, the lady reporter kept talking about the UNDERGROUND TUNNELS, which had been blown open. She kept referring to the HUGE UNDERGROUND TUNNELS and there may be people trapped in there. I heard her refer to the UNDERGROUND TUNNELS at least about 6 to 7 times during the period I watched. I'm not quite sure how long that was. Maybe 1 to 2 hours.*

*A lady friend of mine called me and wanted to know if I had seen the FIREMAN ON THE SCENE, who went in front of the camera, totally freaked, wide-eyed and scared, who talked about HUGE UNDERGROUND TUNNELS, where ENORMOUS SUPPLIES OF ARMS WERE STORED. He said he saw missiles, tanks, etc., etc. I don't remember what else he saw. But HE WAS TOTALLY FREAKED OUT. He looked like he had seen a ghost.*

*Hope this helps.*

*P.S. Please don't use my name. I will try to get my friend to write down what she knows.*

*[END OF QUOTING]*

*So, there you have it. If I'm crazy, at least I'm not alone, but rather, share a hair-raising "hallucination" with very good company. We will see how/if/when this story unfolds further.*

*The night of the day (6/7/95) we received the initial call about this confirmation, I was nudged to get on the Art Bell late-night, call-in radio program. After some internal trepidation and excuse-making (especially since I've never called his show—or any call-in program—before), I finally did make the call, "miraculously" got through the usual, chronic busy signals without a wait, and told my story. He cut me off before I could get to the good, confirming stuff you just read above, but at least I was able to query his listening audience to see if anyone had heard the same early news I had. No specific confirmations were forthcoming that I have heard about—so far—but I'm certainly not privy to all that crosses Art's desk, especially faxes and private telephone calls, nor did I religiously listen to the show the rest of that night and the following several evenings to be sure to catch all the on-air incoming chatter that may pertain to my request.*

*One humorous episode DID occur about a half hour after I was on the air: After I spoke, Art quickly played down my story as "(hmmpph!) highly unlikely" since HE listened to a lot of news at the time and HE didn't hear anything like that...blah, blah, blah. So, The Great One had made his official, media-kissing pronouncement.*

*Well, about a half hour later, a very calm, well-spoken and obviously aware and intelligent man called in and said something like, "I heard what Dr. Ed [you can only use first names on the air] said and I just wanted to point out that often you hear news items RIGHT AFTER an event, that aren't repeated later on." To which statement Art testily interrupted with another media-kissing retort something like, "(hmmpph!) Well, of course, once they get their data correct and can give you more accurate reporting, the story naturally changes!" To which the caller calmly responded, without missing a beat, "No Art; I mean JUST THE OPPOSITE: You often hear GOOD news, right after an important event occurs, that is THEN later deleted out of the broadcast!"*

*How true! I have nothing more to say to top that delightful demonstration of comeuppance—except to point out that it all happened right on the air! Life's little miracles. — Dr. Edwin M. Young, Editor-In-Chief*

## FOREWORD

### OLD VIRUS, NEW SYMPTOMS

It has been suggested that the very virus we have been fighting so hard lately has hit right at home. We can start with Dharma, my secretary. Within the past month or so there has been such a barrage of terrorism, house entries of strange kinds and other such oddities—but the last did it for me. She said how good to have an actual thief, even if the intrepid police let him get away AFTER having caught up with him with a half dozen citizens. The story itself is so wonderful that perhaps one day we can tell it all. Poor man, he had no idea I could cause him to leave a trail of clues, kill motors and be caught up with before the trail was finished. However, I feel, as Dharma, that compassion and appreciation also comes with this child in point. He was already in trouble; his wife had left for Florida with the children; his car wouldn't make it up the hill, etc. He was frantic. He stole a car here, but in afterthought he had safely locked it in a nearby town, undamaged, where he "exchanged" it (I don't blame him for desiring better than a 20-some-odd-year-old truck) for a brand new Ford at the agency. It was a trail of hits, run and errors. But not funny—for he threatened to kill when cornered. Barefoot and bleeding — STILL HE MANAGED TO OUT "SMART?" THE OFFICERS. After a while you don't know which to "root" for, the criminal or the organized criminals.

At any rate that is not the story. NOR IS THIS CHILD RELATED TO THE REAL TERRORIST PROBLEM HERE—ALTHOUGH IT HAS STYMIED BOTH—FOR ONE SO CLOUDED THE FIRST AS TO BE THE LAUGHABLE PART. WELL, PERHAPS THE YOUNG MAN WILL HAVE SENSE ENOUGH TO GET TO FLORIDA—BUT OBVIOUSLY HE CAN'T WALK THE WHOLE WAY ON "THOSE" BARE FEET—AT THE LEAST WITHOUT NOTING HIS MISDEEDS EVERY STEP HE TAKES.

This was a costly escapade for now we have missing quite a few things including at least one expensive computer, some "rainy-day" silver of which most was recovered along with some odds and ends, like the EMPTY box priorly storing computer transformer. The money taken last week is a different matter SO DO NOT BE FOOLED! Because it was in the same general area of last week's theft—do NOT confuse the two.

So, what of "Dharma's" new disease organism? It is the "Denyitallviralis". The worst part of this program is that everyone around here is suffering from the same vicious attack. I write or speak directly to people and they state it is for others. They ignore the

fact that the last of the MONEY was stolen but expect E.J. to replace every last centavo of their requests. The makeup "rainy day" funds were taken—so where does that leave us?

When yesterday's writing was mentioned to those who farm, the response was, "What does E.J. want to do about it?" When that one wasn't accepted, it was more intriguing. Well, gentlemen, E.J. pleaded with ones to replant the fields. He is NOT A FARMER—only tries to pay the lease for NOTHING in return except more headaches and more red ink. A project has to pay for itself or at the least begin to produce for itself enough to pay the lease.

Now it seems we have "too many weeds" to have a crop. Why? Why do we have too many weeds? Field tending is what tames the tares and thistles—or is that also E.J. and Dharma's task? You have a mixed-up set of thoughts here, people. It was George Green who promised to PROVIDE. Dharma was to write for ME, and E.J. would do the first paper corrections of spelling and typing errors. EKKERS WERE LEFT HOLDING THE EMPTY CROAKER-SACK! (FROG-BAG), without the gold, the subscription fees, the backup—NOTHING but a plan originated by Green who NOW claims Ekker started this mammoth "Ponzi" scheme. Ekkers didn't go out and about the country advertising ANYTHING. Now, because E.J. MADE IT WORK BRILLIANTLY, HONESTLY, AND IN ADDITION KEPT EVERYTHING (IMPOSSIBLE) MOVING, INCLUDING AT LEAST TEN ONGOING LAW-SUITS IN WHICH HE LOST HIS HOME, ALL PROPERTY AND IS IN DEBT INTO ETERNITY—HE IS ALSO SUPPOSED TO WEED THE FARM? I DON'T THINK SO!

He has had to put out so many fires that no human should have to confront these problems—(especially to

simply serve God and brothers) for in addition he has sought and found other investors for the major projects (which were already underway BEFORE G.G.) and are now back on track and there is no less the promise of funding. One major financial person is already putting up housing in both Africa and Russia. Another has actually moved to Switzerland and says he has funding now lined up for several of the PROJECTS. That, however, is for motion picture studios, prefab housing, etc., not weeding gardens—for when you have to bring in venture money—you get venture control! Growing spelt, except as a business crop for health food stores, is not a business of great appeal to great investors. Ah, but—with the major projects comes the *commitment* of the financial people—and will come SOME modicum of help for that was the understanding in exchange for the assistance Ekkers gave BEFORE G.G.—you know, back when they were human business people! Back before there was a "Hatonn". It is called PERSONAL COMMISSION IN EXCHANGE FOR INVESTMENT! I personally don't see why they would further invest anything. They are now having less than nothing and keeping the IRS from being an additional problem looks very good—very good indeed. Just go off somewhere with nothing, be nothing, and hide away. Well, Dharma enjoys that thought. E.J. just tells her she needs an "attitude adjustment". DON'T WE ALL?

Can you make it until...? I don't know. Probably NOT with all the overburden. When we lose the Constitutional Law Center at the end of June, we lose the actual legal WORKERS. What then happens to the ongoing cases which could produce income? I don't know! I haven't been able to get anyone's attention so far. Why should I, after eight years, expect otherwise now? The only NEW thing going with the property cases are more letters for "continuations" and "extensions" between two attorneys out to torment EACH OTHER—while being paid, of course. When the pay slows, the case STOPS DEAD. Ah yes, beloved citizens—FREEDOM IN GOOD OLD AMERICA!

The farm has to be the next thing to fold because if you cannot pay the lease—the landowner reclaims his now very much improved property! At the very least he will insist on showing the place constantly to potential buyers. This may allow for some period of time—unless of course, he wishes to take up residence, himself, on the property. He might, however, wish to continue until whatever harvest is available, but it will be HIS.

"Only two hundred dollars an hour, Doc? What a bargain!"

## NO JEOPARDY ON INSTITUTE

**There is NO MAGIC and lender's security will not be jeopardized!!!**

THIS PROJECT OF INFORMATION IS NOT EVEN REMOTELY IN DANGER OF BEING SHUT DOWN, READERS! YOU JUST DON'T SEEM TO UNDERSTAND "THE PROJECT". OUR MISSION IS TO PRESENT THE WORD IN TRUTH SO THAT YOU-THE-PEOPLE WILL KNOW. "WE" DON'T EVEN HAVE THE OBLIGATION TO DISPATCH THAT TRUTH—JUST RECORD IT. We can go right back to a one room shack and continue our work without all the added difficulties of this horrendous load on our backs considering the semi-good times to be a precious period of experience and learning and reasonably (for a small community and for some people) a prosperous time relative to what they HAD when they came. No one goes away from here without gain. Those who TOOK and sought to destroy—may well go without gain of monetary value for they used up all incentive in costly legal confrontations. However, we have worked and served mightily together and few things will change as products cover most of the ongoing minimum needs if, for instance, the paper is cut to bare bones.

We don't seem to qualify for special rates in postage and that is what is eating us alive. Dharma and I have written some nearly 150 journals and weekly news material for 100 more. We have done what we can and shall continue to serve, but we cannot do it all—nor SHOULD we. Responsibility for selves is exactly that—a need for responsibility of self. We have asked for help—we will not BEG. Why should we beg when we gain nothing at any price? Is this Godly? YES it is!! "UnGodly" is what is being produced in your evangelical circles, churches, false patriot groups, etc. We serve in honor, protect our people, change when necessary, accept responsibility even when it brings pain and, in this way, we serve God with honor and also give hope and a "way" to a dying nation in ways which allow a nation to SURVIVE by planting our freedom crop in fertile ground outside the polluted and filthy poison ground of such as Washington D.C. We do not fertilize our fields with another's blood, death and murder of your children while we make our stand. THIS IS UP TO YOU!

Is the freedom of the WHOLE worthy of the sacrifice of the ONE? Well, if you have unlawful sacrifice of the ONE you have NO FREEDOM FOR THE WHOLE—so therein lies the chicken and the egg. Just let me say this: If you kill the hen-chicken there will BE NO MORE EGGS. IF, IN ADDITION, YOU EAT THE SEED GRAIN—THERE WILL BE NO MORE GRAIN IN THE FIELDS.

Along those lines of thought I have here a reader's gift to share: [Quoting:]

### THE MODERN LITTLE RED HEN

Once upon a time, there was a little red hen who scratched about the barnyard until she uncovered some grains of wheat. She called her neighbors and said, "If we plant this wheat, we shall have bread to eat. Who will help me plant it?"

"Not I," said the cow.

"Not I," said the duck.

"Not I," said the pig.

"Not I," said the goose.

"Then I will," said the little red hen.

And she did. The wheat grew tall and ripened into golden grain. "Who will help me reap my wheat?" asked the little red hen.

"Not I," said the duck.

"Out of my classification," said the pig.

"I'd lose my seniority," said the cow.

"I'd lose my unemployment compensation," said the goose.

"Then I will," said the little red hen, and she did.

At last it came time to bake the bread.

"Who will help me bake the bread?" asked the little red hen.

"That would be overtime for me," said the cow.

"I'd lose my welfare benefits," said the duck.

"I'm a dropout and never learned how," said the pig.

"If I'm to be the only helper, that's discrimination," said the goose.

"Then I will," said the little red hen.

She baked five loaves and held them up for her neighbors to see.

They wanted some and, in fact, demanded a share. But the little red hen said, "No, I can eat the five loaves."

"Excess profits!" cried the cow.

"Capitalist leech!" screamed the duck.

"I demand equal rights!" yelled the goose.

And the pig just grunted. And they painted "unfair" picket signs and marched round and round and round the little red hen, shouting obscenities.

When the government agent came, he said to the little red hen, "You must not be greedy."

"But I earned the bread," said the little red hen.

"Exactly," said the agent. "That is the wonderful free-enterprise system. Anyone in the barnyard can earn as much as he wants. But under our government regulations, the productive workers must divide their product with the idle."

And they lived happily ever after, including the little red hen, who smiled and clucked, "I am grateful. I am grateful."

**But her neighbors wondered why she NEVER AGAIN BAKED ANY MORE BREAD.** [END OF QUOTING]

Dharma asks that we begin to call her "Little Red Hen". No, I would likely label her "Chicken!" We agreed to scratch around a bit, bake some bread (no pun, Dharma), plant some grain and see what would grow. Have we now seen? I hope not. Dharma is also reminded of old camping-times-with-the-children-and-friends days, when the CB radio users had "handles". E.J. got dubbed "Rusty Rooster" because of his rust-colored Jimmy, toys, motorcycle, etc. So, Dharma got dubbed "Chicken Plucker" in case "Rusty Rooster" got too frisky. Well, it appears both of these chickens have gotten pretty well plucked in this "bird operation" to the extent they will have to ascend—they don't have feathers left for flight. They don't even have the proverbial barrel to hide their nakedness. We would offer a garage sale or a yard sale—but they don't own a garage or a yard. So be it.

Ah, while we are at it the response is coming: "But they..." NO "buts"; they had it good—a home appraised at \$400,000, nine children, E.J. was an Executive (Vice President) in Transamerica's most able financial company, an associate member of the California Treasurer's Association (County) and Western Regional Director of the National Association of Pension & Welfare Plans, and Ex-President of the Western Pension Conference and DID VERY WELL. Dharma was an Administrator in the most prestigious Division at Children's Hospital of Los Angeles. They then went into the alternative energy business with Co-Generation systems and had a final agreement to put into operation with Westinghouse the largest wind park in California. That turned out (later) to be with Mitsubishi.

They got side-tracked into legal loss of property and finally Westinghouse lost the site and operation (intentionally, it now appears) to Mitsubishi who is

now being forced into bankruptcy by the Rockefeller Cartel. Interesting circles? Yes.

Then they bumbled into ME and next, George Green, who was obviously on a hook-or-crook pathway. Readers, we do what we can, we share all we have, but there comes a time when holes in the bucket must be stoppered. Can we do it? We HAVE TO DO IT!

I marvel—we have set up, structured, and placed the ONLY (as Mocatta) plan of its kind where money can be loaned to an Institute, the money used to purchase gold at going price, and used for collateral for borrowing back funds for ongoing operations. Gold is the ONLY commodity in the world destined to skyrocket—and lenders get that rise. Yes, indeed there is a risk involved in the upstart—because people refuse to understand that if you call your note—you lose the profits and if there is a temporary drop in gold prices—there is a CALL by the bank! Why then, with this asset available, are we having to close some critical programs? Because man would rather have gold which will be confiscated (I can give you an update on that) or hold his, useless and soon to be neutralized, Federal Reserve NOTES.

These are YOUR choices, readers—the time is come and almost passed. You do that which you will—we will do what we must.

And now, let us take a look at an article from *Criminal Politics*, May 1995. [Quoting:]

sation for dollar losses. Here is what we have learned:

### G-7 REQUIRED—CONTRIBUTION OF U.S. GOLD!

While the *WSJ* [Wall Street Journal] of recent days has reported Belgian sales of 172 tons of gold—that gold was actually U.S. GOLD. It was delivered through the London and Zurich gold market channels so as to keep the price depressed and allow the G-7 nations to acquire the gold as it was offered on the market. There are *no sales of gold contemplated by G-7 nations*.

What's more, the new Soviet Union has nothing but its current production to sell, and has no gold stocks left (CIA story leaks to the contrary). The 172 tons represent 5 1/2 million ounces or about 2% of the U.S. gold stock. While this represents a small fraction of the 262 million ounces of gold which is CLAIMED by the U.S. Treasury, it is none-the-less significant that a gold transfer has been demanded of the U.S.

This gold was transferred as *partial compensation for the losses on Central Bank dollar holdings*. That's not all however, another part of the agreements involve the LIQUIDATION OF G-7 CENTRAL BANK'S HOLDINGS OF LONG TERM U.S. TREASURY SECURITIES accumulated during the dollar support operations of the last nine months. [H: How secure do you feel over your "Treasury" securities?] [End Of Quoting]

There is a lot more to the article but I am only interested in discussing the facts presented here regarding hard precious metal. The facts are that the losses are great and the U.S. is BROKE! The manipulation and liquidation of Treasury notes simply means more bankruptcy fodder. Each time there is a monetary deficiency—GOLD IS CONFISCATED (I.E. 1933 OR THEREABOUTS) FROM THE CITIZENS! NOT FROM THE BANKS OR AS COLLATERAL BEING HELD BY THE BANKS—FROM THE CITIZENS. We are not speaking here of some local bank from which you can withdraw—THIS IS THE WORLD CENTRAL BANK OF THE BANKSTERS OF THE NEW WORLD ORDER HEREOF SPOKEN. YOU ARE ALL "PLUCKED CHICKENS"—OR, TURKEYS, IF YOU PREFER!

Now that we are past the middle of June—the Bilderbergers have met and the Jewish Businessmen's meetings (international) are underway to consolidate corporate and banking control of the European and American communities. It is IN THE FAN!

### HOLOCAUST ACCUSATIONS AGAINST US AND OTHERS

In response to denials, assaults, insults and other diatribes by the ADL, JDL and others who revised history to suit their lies—we offer the following: (This is sent as an excerpt so the "original" publication is not given, as the copy was crooked on the reproduction machine.) It is the picture (which you will all recognize even if in bad copy) in point and the references (by the Jews) as to the picture, which should be the focus. Write-up under picture. [Quoting:]

The January 16, 1995 *NEWSWEEK* in a cover story on Auschwitz published the above famous photo, which has appeared in hundreds of newspapers, magazines, and books which insist that the many holocaust survivors are telling the truth and that the Germans exterminated six million Jews during World War II.

*NEWSWEEK* said that "Wiesel can be seen in the middle row, far right at Buchenwald." Elie Wiesel is regarded as being thoroughly truthful and honest by holocaust historians. Wiesel claims he was in Auschwitz when it was liberated, in Buchenwald when it was liberated and in Dachau when it was liberated. *CN* [Christian News] asked Wiesel how this was possible. Wiesel did not respond. He says that months after the

Germans murdered thousands of Jews at Babi Yar, their blood was *still spurting like geysers from the ground*. Wiesel would not tell *CN* how it was possible for blood

Wiesel in Buchenwald, actually shows Mermelstein in his bunk in Auschwitz! The July 26, 1985 *Billings Gazette* published an Associated Press photo showing Mermelstein holding the famous photo with the caption: "Mermelstein poses with a photograph showing himself on a bunk in the Auschwitz convention (sic?) camp." The January 16, 1995 *CN* published both the photo which Wiesel says shows him in Buchenwald and Mermelstein says shows him in Auschwitz.

Who is telling the truth? Wiesel or Mermelstein? According to Martin Gilbert, another highly regarded Holocaust authority, neither of them. Gilbert says in *The Macmillan Atlas of the Holocaust*, which includes the famous photo: "The photograph taken on the day of the liberation of Dachau, shows some of the survivors of death marches and evacuation trains..." Gilbert mentions neither Wiesel nor Mermelstein as being in the famous photo, and says it was taken in Dachau, and not in Buchenwald as Wiesel says OR Auschwitz as Mermelstein says.

Gilbert, along with Wiesel and Mermelstein, is also regarded by Holocaust historians as being thoroughly honest and truthful.

### 24 MILLION JEWS GASSED

The Anti-Defamation League of B'nai B'rith in its *Days of Remembrance* quotes both Wiesel and Martin Gilbert as truthful authorities on the Holocaust. The

# What Are The Phoenix Journals?

Many people have asked us what the *Phoenix Journals* are. They contain the true history (history) of mankind on this planet as well as detailed information about the most asked about and wondered about subjects (i.e., Spirituality, E.T.s, our origin, our purpose here on this planet, etc.). Commander Hatonn, and the other Higher Spiritual Teachers who have authored these *Journals*, weave spiritual lessons and insights throughout the unveiling of lies which have been deceptively forced upon us, throughout time, by the Elite anti-Christ controllers. These *Journals* are the "Dead Sea Scrolls" of our time. Their importance for the growth of mankind cannot be overstated. They are the textbooks of understanding which God promised us we would have, to guide us through the "End Times".

Here is what Commander Hatonn has said about the *Phoenix Journals*. Quoting from *Journal #40, THE TRILLION DOLLAR LIE*, Vol. II, pgs. 47 & 48: "Some day in the far recesses of the future experiences of another human civilization—these *Journals* will be found and TRUTH will again be given unto the world manifest so that another lost civilization can regain and find its way. God always gives His creations that which they need when the sequence is proper. It is what man DOES WITH THESE THINGS which marks the civilization. WHAT WILL YOUR LEGACY BE????? I focus on current activities which might turn your world about in time to save your ecosystems and your sovereignty as nations and peoples. You cannot wait to be filled in on the lies of the generations, lest you wait until too late to take control of your circumstance presently within the lies. YOU ARE A PEOPLE OF MASSIVE DECEPTION AND WHAT YOU WILL DO WITH THIS INFORMATION IN ACTION DETERMINES YOUR PURPOSE AND GROWTH IN THIS WONDROUS MANIFESTED EXPERIENCE. WILL YOU PERISH PHYSICALLY OF THE EVIL INTENT, OR WILL YOU MOVE INTO AND WITHIN THE PLACES OF HOLY CREATOR? THE CHOICE IS YOURS."

Brent Moorhead, Business Manager

ADL quotes Gilbert: "The deliberate attempt to destroy systematically all of Europe's Jews was unsuspected in the spring and early summer of 1942, the very period during which it was most intense, and during which hundreds of thousands of Jews were being gassed every day at Belzec, Chelmno, Sobibor and Treblinka." CN wrote to the ADL in 1988 about its approval of Gilbert's figures: "You say 'hundreds of thousands of Jews every day', so let's assume that your book means just 200,000 Jews a day. Let's assume 120 days for your 'spring and early summer of 1942'. If my arithmetic is correct, you are saying that during this period alone some 24,000,000 Jews were gassed. Various official publication figures show that there were about 18,000,000 Jews *IN THE WORLD* when the war began and almost the same number *AFTER* the war was over. The maximal number of Jews under German control is estimated by various authorities to be about 3,800,000 [at most]. How do you explain the population figures from official sources with the figures you cite in *Days of Remembrance*?" The ADL did not respond.

Many who question the six million figure maintain that about a million Jews died of all causes during WW-II.

A 1986 report from the International Tracing Service Committee of the Red Cross [H: An international Elite British Intelligence One World Order organi-

zation.] lists Auschwitz as a "concentration" camp and not an "extermination" camp (*Christian News Encyclopedia*, p. 2926). In 1956 after concluding a long investigation of the number of deaths in all the camps where Jews and others were held, the International Red Cross reported under the caption "Civilian Losses", "Number of those who died in the concentration camps and prisons due to racial and political persecution: Three Hundred thousand" (*Christian News*, November 21, 1988). [H: Now readers, the Red Cross in the U.S. is headed by the beloved wife of Mr. Dole, your Republican candidate for President. Can we be sure Lizzic wouldn't be involved with something which wouldn't tell the truth?!?]

Dana E. Alvi of the Polish-American Public Relations Committee, Box 3206, Santa Monica, CA 90408, who sent CN the famous photo as it appears in Gilbert's *Atlas of the Holocaust*, with Gilbert's testimony that the photo was taken in Dachau, commented: "Found this yesterday in a West Los Angeles library book 'Atlas of the Holocaust'. A third location for this famous photo, i.e. Dachau. If the lowest level is approximately three feet high plus several inches between ground and first layer of the boards, and the second level is approximately three feet high, the same for the next, and the naked man stands approximately four plus feet from the other men, how tall is the naked

man?—Something wrong with proportions here? [H: Is this a "typical" Jewish stature—or perhaps, we have found the 12-15-plus foot tall reptilians? Surely no one in the New World Order or the Jews would lie to you or even try to deceive through possible misrepresentation! So "I" ask again: "Who first revised history and now blame truthbringers of historical fact THROUGH DOCUMENTED RECORDS, for somehow being "revisionists" and "Holocaust deniers"? No one has denied there were deaths and even "holocausts"—ON ALL SIDES. But something is fishy in La-la-Land!]

Do any of our readers have an explanation? Just who is telling the truth about the location where this photo was taken? Wiesel, Mermelstein, or Gilbert? CN would particularly appreciate an answer from those who maintain that Wiesel, Mermelstein and Gilbert are all telling the truth. [End Of Quoting]

Well, yes, THIS READER has not only an explanation but the TRUTH OF EXPLANATION: this picture was taken in separate parts at the Eisenhower "death" camp following the immediate ending of the war. Remember—there are resources for getting all that nice "OTHER LOSSES" INFORMATION.

This journal shall be titled:

# CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other en-Light-ening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, CONTACT, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called THE PHOENIX LIBERATOR.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the PHOENIX JOURNAL EXPRESS, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the PHEONIX JOURNALS. Much incredible ground has been covered so far in that mission.

While the PHOENIX LIBERATOR's motto reminded all that "The Truth Will Set You Free", the CONTACT's motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the CONTACTing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

## Michael Maholy

Dear Rick,

June 10, 1995

I would like to share an event that has recently taken place here in Yankton. This will prove beyond a shadow of a doubt that, as a result of both the *CONTACT*'s and my efforts, we have been making a lot of progress in obtaining an investigation into allegations surrounding the corrupt law throughout America, especially in the hometown of many of our—let's call them associates—in Arkansas.

On Thursday, June 8, 1995, at 10:30 a.m., I was called to the S.I.S. office here in Yankton and asked if I would speak to the F.B.I.'s Special Investigative officer, who was dispatched from the Sioux Falls, South Dakota office to look into a letter that I had written to the *CONTACT* and which I had also sent to the nation-wide popular T.V. show *Unsolved Mysteries*. The letter of which I speak pertained to the death of the two young boys from the Little Rock area in Saline County, Arkansas. The two boys' names were Kevin Ives and Don Henry. They were found dead on a remote stretch of railroad tracks in this suburban town of Little Rock, Arkansas. The incident was declared to be another suicide—a result of a marijuana-induced sleep, that caused the two boys to fall asleep on the railroad tracks, only to be run over by a fast-moving freight train. This was the conclusion of the state medical examiner, Fanny Maleck—a close friend of the then-governor Bill Clinton.

The story has made national media news broadcasts and has been the topic of much controversy ever since. It has yet to be solved as to who was really involved and why the deaths occurred. There has been a lot of local talk that illegal drug activity at the local, state and even federal levels of government was involved and that a massive campaign was employed to cover the tracks of the murderers.

The F.B.I. agent who had made the two-hour drive to talk with me seemed very friendly, although this could have been a classic case of "good cop/bad cop", but nevertheless, I—being the man I am—granted this man an opportunity to speak his mind. Before allowing him any information, I was assured that I was not in any more trouble of any type; in fact, the agent assured me that I was now a valuable asset to the F.B.I. for the very accurate data I possess which pertains to a lot of events that have taken place in the towns and hills of the "good ol' boy state"—the "Bubba state"—Arkansas.

The agent brought a two-inch F.B.I. case file along with him. Although he would not directly show the file findings to me, he would, on several occasions, look into the file to confirm names, places, and events, assuring me that they matched what information I was supplying. He told me that there has been an intense investigation looking into accusations, made by several people, that foul play was involved, but things, in a case like this, sometimes take years to solve, unless someone like me comes along and gives them the break the investigators need to solve the case. He told me that many, many hours of police work went into the case so far. I replied that this was true—that many hours of corrupt police planning was involved in covering up the incident!

He then asked me about some of the people involved, the COBRA UNIT that was made up of state, local, and D.E.A. drug task force officers. He mentioned names like Alan Swint, Jay Campbell, Kirk Lang, and other law officers. He asked about Dan Harmon, who was the state prosecutor of Saline County, and Dan Lasater. He was pretty well informed about the people involved. I made it a point to mention our good ol' buddy, Jim Guy Tucker, who you will find out in the end most likely had a piece of the drug rewards, whether indirectly or not. You can just bet on it that if illegal drugs were involved, which they were, Jim Guy Tucker and the Clinton gang were involved somewhere in the shuffle. The agent's reply to my accusations about

Tucker was, "He's got enough problems already!" I said, "Well, if he (Tucker) doesn't like what's happening to him now, I know, for a fact, that he won't like what's coming up!"

The agent asked, "Is that some type of threat?" I replied, "No, that's a promise!" He just sort of chuckled. The agent asked what in the hell was going on in the rural, backwoods state of Arkansas! I replied, "A lot of corruption, self-gain, greed, lust and evilness!" He said that things are changing and the bureau will get to the bottom of all this. I had to be somewhat skeptical, stating that I was sucked into the illegal drug and weapons game by higher-ups, but at the same time, I would not deny my part; I would accept responsibility for my own actions and any judgments I have made in the past, as well as any I make in the future. The agent knew of my past, as many, many hours of investigation were also spent looking into my life. He did admit that there were some holes, some unanswered questions surrounding some of the more covert operations, involvements, but under the circumstances, they, the F.B.I., could understand. Even the agent stated that

money is power, that people are greedy, especially a select few. He was very professional and careful not to mention the elite few by name, but I sensed a mutual agreement about the people we spoke of.

The questioning lasted perhaps an hour and a half. Then he questioned another inmate, whose name you already know, but who wants not to be mentioned out of fear for his life, as he must return to Arkansas in just five more months and does not want to become another accidental suicide in the Bubba town! The other inmate confirmed with me after the visit, that the agent was hot on the trail and had a very accurate idea of what took place that night of the deaths. As it turned out, we both were asked if we would consider testifying in a grand jury and, of course, the bottom line was that we would, whether we wanted to or not!

I have no problem with helping the F.B.I. solve this case, as I know the parents of the two boys want this case solved and put to rest and for justice to prevail. From those of you who are reading this information: what I need very badly are the names, addresses—any way I could contact the parents of the young boys. I also would like them to contact me A.S.A.P., as I have a lot of additional information for them and their attorneys. Please help me to help them. We must speak and, if necessary, I will include them on my visitors' list. They must put the boys' deaths to rest, as you or I would only want to do the same.

Again, I predict that major things will soon be taking place in the land of opportunity—Arkansas! As we have recently heard, Jim Guy Tucker has been indicted, which is just the tip of the iceberg. Take it from me, when the courts squeeze you, people in trouble tend to tell on others, especially when the Feds start throwing "time" at you. Tucker, being the sissy he is, the coward, the bigot, the snake [and those are his *GOOD* qualities], the man who condemned our good friend Richard Wayne Snell to death, when he was the only person who could have stopped the execution, will now be in the dragon's seat himself. I personally wish that when they convict Jim Guy Tucker, they would send him to Yankton, so that he could bunk with me. We could talk about old times together, the drugs, the booze, the whores, the money, oh, and let's not forget our little feathered buddies, the DUCKS! Oh, how I would love to chat with him!

So please print this for the whole world to read and, as things develop, as you know, I, old "Scoop" Maholy, Federal property, inmate #19365-009, will tell the truth, the whole truth, and nothing but the truth, so help me COMMANDER!

On a final note, it's been some time since I mentioned my two bears—Mama Bear and Baby Bear. We are together, though so far away! Good day!

The man from the land of the Sioux,

/s/Michael Maholy

# Satanism In America

## Part I: It Can't Happen Here

6/14/95 RICK MARTIN

*While this subject is repulsive to most, and indeed many deny its very existence, it becomes increasingly urgent to become informed about this practice which has crept into our society at all levels. The Gilmer, Texas story in the preceding issues of CONTACT is but one undeniable example—there are so many others. But what is Satanism and how can one recognize its presence in day-to-day activities?*

*The Church of Satan is a legal church practicing under the right of the 1st Amendment to the Constitution. But there are other aspects to satanic practice which are well hidden from the curious on-looker and these more deviant, vile and violent aspects of the expression of satanic practices in America will be thoroughly explored in this on-going series.*

*So, readers, I must ask your trust and indulgence as you read some unpleasant material in an effort to become better educated on a topic which is dangerous indeed and which, surely, is closer than you realize.*

*As it makes no sense to re-invent the wheel, I will be pulling information from an excellent variety of sources. I would like to acknowledge and thank, right up front, two primary people whose research I will be utilizing—they are, John E. Hunt, Sr. (Jireh Foundation, P. O. Box 224501, Dallas, TX 75222) and Ted L. Gunderson (Ted L. Gunderson & Associates, 2218 Wilshire Blvd., #422, Santa Monica, CA 90403).*

### SATANISM

In *The Cause, Effect, and Spread of Non-Traditional Satanism and Occultism in America*, John E. Hunt, Sr. writes, [quoting:]

Satanism, as with other traditions, has its pure form as well as it's diluted or combined forms. The common thread stems from the worship of Satan who is the Biblical and historical antithesis of Jesus Christ, the Christian Messiah. A helpful perspective in evaluating the effects and methodology of Satanism is to compare it with Christianity and to visualize an exact opposite from Christian teachings and Biblical principles. Since Satan is the antithesis of God, then what he does and how he does it will be destructive to God's law and godly (good) behaviors.

Note: To many of us, Satanism, paganism, and the occult seem to be unreal manifestations of overactive Hollywood imaginations. It is not necessary for you to believe in Satan as long as there are those in society who do believe it and worship Satan and control their personal activities accordingly.

Satanism generally does not include the intense ritualization seen in pure paganism. Satanists less often construct ritual circles to ward off demons and evil spirits because they don't care. Their desire is to have close intercourse with Satan and his demons.

Satanism comes from the root word "sata" an adjective which means "evil". This has been personified as "Satan" or the "evil one" through the ages. Satan's first introduction is through the Biblical account in the *Old Testament Book of Genesis* where he was represented as a serpent who misled Eve and Adam into

sinning by eating fruit from the Tree of Life.

We see Satan in three basic groupings today:

1. Adult groups
2. Adult and adolescent groups
3. Adolescent groups

The second group combining adults and adolescents carries with it the most extreme potential for abuse and death of children if they are not related to the adults in the group.

Those in group 3, all adolescents, usually are experimenters with satanic rituals, not sincere, involved, knowledgeable practitioners of pure traditions. However, ignorance of the true implications and some of the ritualized skills does not mean that adolescent Satanism is any less dangerous. As with any other addiction, ever deeper involvement occurs.

Pure Satanism requires intense training, initiation, screening, rituals and rites and an upward mobility within the satanic worship structure.

Satanic rituals have some parallels with pagan rituals. Satanists also locate a site which is isolated to insure privacy. Each satanic worship group has its own grimoire (pronounced GRAY-MORE-AY), which is called the *Book of Shadows*. On the blank pages of this book oaths and names are written in blood. The grimoire is very important evidence about the depth, structure, and activities of any particular satanic group.

Recruitment into active Satanism is a well planned and subtle process which has devastating results. Initial introductions to the subculture of Satanism are prevalent. In fact, they are seen everywhere we turn today. Signs, symbols, and influences of satanic involvement can be observed in modern music, in the dress and activities of adolescent peers through television, MTV, movies, clothing, games, and drug abuse. Since the late seventies a great deal of satanic symbolism has publicly surfaced in wide variety. What one sees everyday he tends to accept more easily.

Although it is easy to stereotype all heavy metal, hard rock musicians as active Satanists, this is probably not true. There are some who do practice satanic worship. Much of the hype seen on album covers and in the movies are Hollywood publicists' attempts to create attention for their products. The effect on im-

pressionable adolescents is that they become conversant with a wide variety of satanic symbolism and terminology and are therefore more easily drawn into active involvement, or at least away from traditional value systems.

It is interesting to note that Jimmy Page, who is the lead drummer for *Led Zeppelin*, lives in Aleister Crowley's house in England. Such movies as *Rosemary's Baby* and *The Exorcist* stress magic, the occult, and evil phenomenon which foster fear and helplessness in the minds of those who see them.

The term "occult", an adjective, merely means "hidden or secret". The distinction must be made about specific types of activities which we have lumped together under one label. Modern clothing, "T" shirts and jewelry, so popular with the youth of this nation and the world, stress satanic and pagan symbols, representations of horrible specters, and demons. These tie in with the fantasy role playing phenomenon which anesthetizes chronic players to the actual spiritual implications of satanic involvement. There have been numerous cases of death attributable to fantasy role playing games in the United States out of an estimated two million active players. The addictive mentality predisposes some adolescents to seek involvement in spiritual/supernatural manifestations. The heavy emphasis and involvement of today's youth in illicit drugs tends to blur their distinction between reality and fantasy opening the doors of their minds to accept and explore supernatural phenomenon. In effect, they begin to lose touch with what is reality and become very vulnerable to suggestion.

Irresponsible media coverage and sensationalism contribute to the overall attack on the stability of today's youthful minds. In addition, a strong peer acceptance and support makes it almost impossible for those with addictive or dependent personalities to refuse to go along with the group.

Active Satanists use an insidious variety of approaches to entangle new converts ever deeper into Satanism. Young people, as mentioned before, are very prone to involvements. Mike Warnke in his book, *The Satan Seller*, documents the progression which commonly is used to recruit new Satanists. College cam-

On the alter of the devil, up is down, pleasure is pain, darkness is light, slavery is freedom, and madness is sanity. The satanic ritual chamber is the ideal setting for the entertainment of unspoken thoughts or a veritable palace of perversity.

The Satanic Rituals

puses are a hot-spot for recruitment. Warnke illustrates actual examples where he, as a former alleged Satanic priest, invited young people, starting in on the fringes of drug use, to parties where drugs and free sex were provided. In a back room, those higher in the satanic hierarchy prepared stronger doses of drugs which they offered freely to promising-looking recruits. In the guise of sexual orgies (with drugs and alcohol plentiful) new converts were drawn deeper into dependence on what the Satanist could provide in the way of earthy pleasures. As they gave in to the lusts of their own desires, they were drawn farther into dependency. They developed thirsts for other things also, such as power and money. At each level the newcomers were scrutinized by those initiated into higher levels in the satanic movement and the best prospects were promoted. As the converts were initiated into the ritual meetings of the Satanists they became more and more debased in what they did. In effect, the more detestable the ritual activity the bigger the "spiritual high" the worshippers receive.

The illegal debased acts include, but are not limited to rape, sodomy, ritual mutilations, child abuse/molestations, cannibalism, desecration of Christian sacraments and ritual murder.

The impact upon youthful worshippers has a devastating effect. Impressionable youths who feed on the negative and evil aspects of today's music and rebellious media representations, experience an erosion of the stable beliefs and value systems which give us security. As their insecurity increases they are drawn to some type of peer support. Involvement in the negative and illegal aspects of Satan worship may debase the individual and cause them to be tormented by tremendous feelings of guilt and isolation because they have been unable to completely shed the traditional values with which they were raised.

Satanism is very destructive to youth and there is much support for suicide among teens (who so quickly run out of perceived alternatives). Occasionally teen peer groups will take blood oaths and make suicide covenants, i.e., so that if one commits suicide they will all do so. Anything which leads the youth of today to the "end of the line", where they see no alternative but self-imposed death, must be taken seriously. Because of misguided peer loyalty, those who are knowledgeable about suicide pacts often protect their friends from authorities who would seek to prevent their suicide. By not wanting to risk ostracism by the peer group, youths may also protect friends and acquaintances who are involved in Satanism.

Television correspondent Tom Jarrell narrated a 20/20 segment entitled, *The Devil Worshipers*. This documented a situation in Northport, Rhode Island where teenagers were involved in the ritual killing of another human being. In Phoenix, Arizona, officials found the carcasses of over 140 dead dogs and thousands of animal mutilations due to satanic rituals. A situation in Walnut Grove, Alabama involved the discovery of a ritual site complete with symbols and satanic graffiti indicating secret meetings were taking place on a regular basis. Such things as 666, inverted crosses, closed satanic stars or goat head stars, the *all seeing eye*, desecration of churches, references to the "beast" and goat's head with a pentagram on its forehead are typical satanic symbols.

The Church of Satan, as an established entity, has been officially recognized in California. Its proponent is a man by the name of Anton LaVey who wrote the *Satanic Bible*. He is involved in active worship of

Satanism as a church, but denies any involvement in the illegal activities or illicit drugs. There are countless other satanic groups practicing rites and rituals which are very illegal. Although chants and incantations to Satan are not illegal per se, the higher levels of Satan worship involve unequivocal violations of the law. On that basis, official action can be taken against satanic groups and Satan worshippers individually.

A forensic pathologist was allowed to videotape portions of an actual satanic ritual ceremony which involved mutilation of a dead human body. The origin of the body was not represented on the tape. (A coroner viewing the tape said that it appeared that the body was still fairly fresh at the time of the mutilation.) Cannibalism of the heart and a sexual orgy in the blood of the "sacrifice" were documented on the tape.

On the tape of the satanic ceremony various ritual incantations were repeated by the priest and the group of worshippers who were arranged in a circle around the dead body. There was a strong emphasis on worshipping death. At one point the priest cut open the

niles who were tied to the satanic altar. The children themselves did not have the strength to force the knife into the victim's body far enough to kill. They described it in the interview that they held the knife and an adult's hand assisted in forcing it through the body of the victim.

Generally victims' bodies are effectively disposed of, usually by cremation. The level of secrecy and commitment to Satan and the spiritual powers of darkness almost guarantee that the participants do not talk about their activities. The problem is that we have many stories without identifiable victims. There is a need for a growing awareness, in society, about the potentialities of satanic involvement. Occasionally, ritual murderers and serial murderers who have been linked to satanic worship are apprehended and prosecuted, but too often their stories are viewed as exceptions merely seen as a horrifying spectacle instead of a warning of growing movement. Most normal people would rather not think about the horrors involved; they cannot easily accept the weight of the facts and their implications.

More and more frequently children and adolescents are becoming the victims of ritual molestations and/or sacrifice. This is primarily because the more innocent and virginal the victim, the more Satan, supposedly, likes it and, therefore, more power is imbued to the Satanist. Children are easier to recruit as potential victims than adults. It is easier for Satanists to kidnap them at a young age and move them from place to place.

Adolescents become very mobile in this society. They often run or are displaced by a disintegrating family structure. They are easily drawn into the victim role because no one with responsibility has an awareness of where they are or what they are doing. [End quoting from John Hunt's manuscript.]

In another manuscript received by *CONTACT* from Ted Gunderson, which was researched over many, many years concerning the subject of Satanism and titled *Corruption: The Satanic Cult Drug Network And Missing Children, Vol. I & II*, former FBI Agent Ted Gunderson writes, [quoting:]

We have information that police officers, prosecutors, morticians, ministers, teachers, doctors, lawyers and others of all ages, in all walks of life, are practicing Satanists. Many of these individuals lead double lives. To some they appear as leading citizens of the community, and to their fellow cult members, they are dedicated evil worshippers. We have been told that a superintendent of

schools in California is a Satanist. Michael Acquino, head of the Church of Set in San Francisco was a lieutenant colonel in the Army Reserves in charge of records for all Army Reserve personnel. Acquino has top secret clearance and lectures at Fort Bragg, N.C., as well as other Army bases. He reportedly is presently involved in mind control experiments at the University of Arizona. He was twice under investigation for ritualistic, sexual child abuse at the Presidio in San Francisco. No charges were ever filed against him. An adult survivor once told me the U.S. Army is Satan's army. She made this statement because of the numerous Satanists in the Army. Her father was in the Army at the time. There have been ritualistic, child sexual molestation cases at West Point, as well as the Presidio in San Francisco. [See Linda Blood's book *The New Satanists*.]

chest cavity of the corpse and tore the heart out, which he passed around the circle, giving each worshipper the opportunity to bite a piece of the heart off and chew it. On the videotape it appeared that the worshippers partaking of this cannibalism were developing physical ecstasy. The ceremony then degenerated as the worshippers discarded their clothing, took blood from the body cavity of the corpse, smeared it over their own bodies and proceeded to have a sexual orgy.

Although not every Satanist group completes ritual human sacrifices, they do partake of a wide variety of abusive sexual activities aimed at destroying innocence, which Satan must truly hate because God of Christianity loves it. The 20/20 segment documented young juveniles less than ten years old, who were drawn into active Satan worship by their adult guardians and who assisted in the ritual slaying of other young juve-

A Boise, Idaho police officer believes 50,000 to 60,000 Americans who disappear each year are victims of human sacrifices by Satanic cults. The bodies of some victims are buried, but most are cremated so there is no body and no evidence. I know of an occult supply store in Los Angeles that sells portable crematories. Reliable sources estimate there are more than three million active Satanists in the United States.

The FBI reports the number of automobiles stolen in the United States each year, but they do not keep a record of the number of persons who disappear. It is unbelievable that there is more concern for automobiles than for missing persons. Some estimate the number of missing persons as high as 1.8 million per year. Only about half are believed to be located and returned within a year. I have alerted the FBI, the U.S. Department of Justice and members of Congress to this and suggested that these matters be investigated by the federal government. My requests have been ignored.

Mr. Ken Lanning, Superior in Charge of the FBI Behavioral Science Unit, Quantico, Virginia, states that since there are no bodies, there are no human sacrifices. He claims Satanism is a religion which is protected by the 1st Amendment of the U.S. Constitution. He has publicly stated there are more crimes in the name of Christianity than there are committed in the name of Satan.

Many local law enforcement agencies recognize this problem and are actively investigating. However, local law enforcement is not equipped to coordinate this at a national level. A national clearing house is needed, as well as training and seminars. The FBI already receives monthly crime statistics from every law enforcement agency in the country. It would be a simple matter for the local law enforcement agencies to add a column to their report for missing persons. [End of quoting.]

### EVIDENCE VS. NON-EVIDENCE

Continuing with John Hunt's manuscript, [quoting:]

Over the years, there has been a lot of misinformation put out that says there is no evidence that ritual abuse or sacrifices occur and these opinions come from all corners of the world and every field of endeavor. Yet, it would seem that the examples listed below show just the opposite and still people like the FBI's Ken Lanning and *The False Memory Syndrome Foundation* say that there is no evidence and/or the memories that are surfacing are put out there by disreputable doctors, and another thought is that the people doing the killing

had psychological disorders already and are just using this as an excuse.

In *Texas Monthly's* April 1994 piece, "The Innocent and the Damned", writer Gary Cartwright cites the FBI's Kenneth Lanning, now retired, as widely debunking the phenomenon of organized satanic ritual abuse. According to Lanning, Cartwright writes, "Not a single body part has been produced."

Recently, for instance, nationally syndicated columnist Molly Ivins wrote, "...social workers who deal with child abuse have nightmares about the people who come up with patently false 'recovered memories' of satanic ritual abuse."

March 13, 1981—A UPI story reports on the conviction of a Fitchburg, Massachusetts satanic cult high priest who was found guilty of the ritual killing of a woman as part of a cult ceremony.

March 5, 1986—Sean Sellers, Oklahoma. Death Row.

1989—Matamoros, Mexico—Mark Kilroy and others.

Fall, 1990—Four satanic cult member defectors in Salida, California, are brutally killed for breaking away from the cult. After a lengthy trial in Oakland, California three satanic members responsible for the killings are now on death row. Two other cult members got life.

February 18, 1992—A *Newsday* article reports on a New York satanic cult ritual killing of a young ballerina.

July 28, 1992—CNN reported in Guaratuba, Brazil, the body of 7-year-old Yvando Caetano was found horribly mutilated. According to the CNN report, "Police say he was tortured and sacrificed in a satanic ritual." A ritual that reportedly involved the town's mayor, his wife, and five other satanic cult members.

May 5, 1994—Three 8 year-old boys were riding their bikes down a country road in West Memphis, Arkansas, when they were forced off the road, into some nearby woods, sexually abused, tortured, then horribly killed—apparently, again, by a satanic cult.

According to wire service reports, one of the suspects accused in the murder, Jessie Lloyd Misskelley, Jr., 17, said the murders were tied to a satanic cult, which also held regular orgies in the woods, performed animal sacrifices, and so on. According to a *USA Today* article, another suspect, Michael Echols, 18, often carried a cat skull, wrote satanic poems, and favored wearing all black.

May 5, 1994—*USA Today* reported a priestess of a drug smuggling cult and "four satanic followers" were sentenced to lengthy prison terms for the 1989 sayings (human sacrifices) of 13 people in Matamoros, Mexico.

(Mark Kilroy)

Michael Newman in his extensively researched, recently released book *Raising Hell*, writes, "...cult related killers stand convicted of murder in 23 states, and at least nine foreign countries." [End quoting.]

In an article appearing in the March 7, 1989 *Examiner*, written by Robert Boyd, [quoting portions:]

### SATANIC CRIME IS ON THE RISE

They call her Satan's Cop—the policewoman who is America's foremost expert on cults and demonic rites.

Ten years ago, fellow officers laughed when she said the devil was on the rampage. Now, thousands of demon-related crimes later, they listen when she says that 1989 could be a particularly bad year for satanic crime.

And when tough, hardened Sandi Gallant says "bad", that means trouble, because she has seen the worst that demonically crazed cults can do.

Sandi believes the police and public have only seen the tip of a black iceberg. She believes many ritual crimes go undetected because they involve children.

Says Sandi: "Too often I hear seasoned police officers say it simply cannot be true, that some kid must have made up the whole thing, that this just does not happen in a civilized world."

### DISBELIEF

"That is precisely what Satanists count on. They depend on disbelief or fear and ignorance."

The most conservative estimates place the number of devil worshipers in America at more than four million. A report by the Adam Walsh Center, the nation's leading investigative agency into ritual abuses, says that last year some 10,000 pre-teen American children were involved in crimes which included sacrificing animals and other demonic cult activities.

The center says last year there were 200 unsolved ritual murders in the U.S.

Says Sandi: "Just look at my case files. Wizards, witches, Satanists, sorcerers and voodooists have come out of the closet and are on the march." [End of quoting.]

In an Associated Press article appearing in the September 29, 1986 edition of the *Daily News*, [quoting, in part:]

### POLICE NOTE RISE OF SATANIC CRIME

So many satanic messages and signs of the occult are being found at Southern California crime scenes that police officers in increasing numbers are taking courses on how to recognize them. [End quoting.]

In another article from a 1986 edition of the *San Francisco Chronicle*, written by Edward W. Lempinen, [quoting:]

### MORE CASES OF RITUAL ABUSE

Bay Area mental health workers said yesterday that they are seeing more evidence of ritual sexual abuse in children and in adults who survived intense abuse when they were young.

New cases of ritual abuse and torture have surfaced in recent months throughout the Bay Area and Northern California, said therapists and others gathered at the University of California at Berkeley.

More adult survivors are coming forward after years of silence because the public is more willing to believe them, they said. [End of quoting.]

# Thanks From Dave Overton

Dear Friends:

6/19/95

A flood of priceless "Get Well Soon" cards and notes came today 6/13/95! How can there be so many Godly people who care so much about me! I'm flabbergasted and embarrassed and so happy about such friends that it simply seems impossible.

Let me stop at this point to point out that all that has happened is simply that I committed my life and fortune to Aton, Creation, Sananda and Hatonn several years ago. And look what has happened! Impossible? NO!—not the way God and Creation and Sananda operate!

Sincerely, Dave

### POLICE MULL CHARGES AGAINST 'CULTISTS' DEVIL-WORSHIP 'CHURCH' FOUND

South Shore police are considering charges against a group of alleged devil worshippers after the discovery of their "church" inside an abandoned munitions bunker buried deep in the woods at Wompatuck State Park in Hingham.

The bizarre find was made by Cohasset and state environmental police last week when officers stumbled upon a dozen satanic worshippers dressed in black cloaks who were seen leaving the bunker.

Police confiscated numerous swords, machetes and knives, an animal skull and a silver chalice, according to John Comeau of the state Department of Natural Resources. [End quoting.]

In an article from the February 10, 1989 edition of the *Record Searchlight* from Redding, California, written by George Winship, [quoting:]

### LAWYER KIDNAP MAY HAVE SATANIC LINK

Red Bluff—A reward of \$10,000 is offered for the arrest and conviction of a man who allegedly abducted a Red Bluff attorney at gunpoint in a child custody case that may be linked to Satanism and ritualistic abuse.

"That's the only motive we can see," Red Bluff police Detective Ted Wiley said today of the Feb. 2 kidnapping of Cynthia Angell, 32.

Ms. Angell and her husband, Anthony Edwards, also an attorney, are offering the reward.

The man allegedly threatened Ms. Angell's life several times if she continued to investigate links between a Tehama County child custody case and a San Francisco Bay Area children's day school.

The man told Ms. Angell that she was investigating something that she shouldn't and showed her a photograph of a baby whose skin had been partially removed, Wiley said.

"It looked like it could have been an autopsy photo, but the man said it was a child who had been killed during a satanic ritual," Ms. Angell told police. [End of quoting.]

One is the product of mind-game terrorization efforts by goons from the underground bases. These sinister New World Order nuts are involved in a wide variety of diabolical shenanigans stemming from work in both advanced genetic engineering, and the need to dramatically plant the notion that "obviously evil" aliens are doing these surgically precise mutilations. In an article appearing in the July 1982 edition of *Reader's Digest*, condensed from *Kiwanis Magazine* by Gary Turbak, [quoting:]

### MISSING: 100,000 CHILDREN A YEAR

About 8:30 A.M. on January 7, 1980, Katherine Mancil drove her daughter Marian Batson to school in Inverness, Fla. "See you tonight," Katherine called as the petite, blue-eyed 16-year-old stepped from the car.

But she did not see Marian that night. Or the next. Or the next.

No one remembers seeing Marian after she left her mother's car. The day after her disappearance, her purse was found in a trash can about 25 miles from the school. She had joined the swelling ranks of children simply labeled "missing".

Sheila and Katherine Lyon, ages 13 and 11, journeyed to a suburban shopping center on March 25, 1975, and were never seen again. In early October 1980, two-year-old Brandy Barlow vanished from her front yard. The list goes on.

Probably the most publicized missing-child case of late has been that of six-year-old Etan Patz. On May 25, 1979, Etan walked alone for the first time to his Manhattan school-bus stop and has not been seen since. Methodical searches with bloodhounds, helicopters, psychics, and phalanxes of police have failed to turn up any clues.

These are not isolated cases. Everyone close to the missing-child problem agrees that it is a large one—and growing. Statistics, however, are tough to come by. Boundaries between runaways, parental kidnap victims and children stolen by strangers tend to blur.

The best estimates are that about a million American youngsters leave home each year, with 90 percent returning in two weeks. Approximately 100,000 children are unaccounted for. Add another 25,000 to 100,000 stolen by divorced or separated parents, and the total becomes significant. [Remember, this article was written in 1982.] "Kids who just disappear present a big problem that people had better start opening their eyes to," says Det. Sgt. Dick Ruffino of the Bergen County, New Jersey, Sheriff's Office.

Yet no single U.S. agency concerns itself exclusively with missing children on a national scale. Automobiles, handguns and silverware can be registered, traced and recovered more easily than children. "Our priorities are mixed up," says Ken Wooden, director of the National Coalition for Children's Justice. "If someone steals a car, he can be traced and caught because we have a computer system for tracing stolen cars. But children apparently aren't that important to us." [End of quoting.]

In a *Special Report* appearing in the March 19, 1984 edition of *Newsweek*, [quoting:]

### STOLEN CHILDREN

Thousands of youngsters are abducted by strangers—and only a few are ever found.

Has anyone seen Kevin Collins? Kevin is 10-years-old and 4 feet 6 inches tall, with brown hair, green eyes and a cheerful disposition. When he vanished without a trace after basketball practice in St. Agnes School in San Francisco on Feb. 10, the assumption was that he had been abducted, and the city responded with all the shocked, if usually short-lived, attentiveness such outrages provoke. While San Francisco police conducted a massive, round-the-clock search for the missing boy, volunteers distributed more than 100,000 fliers carrying his picture, the school offered \$2,000 for information leading to his return and Mayor Dianne Feinstein posted an additional reward of \$5,000.

Kevin's parents, meanwhile, offered the only thing they could, a public appeal to his abductor that seemed all the more wrenching for the self-control it must have required. "We are not interested in seeking justice or punishment," said David and Ann Collins on local TV. "We are only interested in his safe return. We love our son and we need him." A month has passed without a hint of the boy's whereabouts.

**Predatory Cruelty:** Of the approximately 1.8 million children who are reported missing each year, 90 to 95 percent are likely to be runaways or youngsters abducted by a parent involved in a custody fight. By widely varying estimates, anywhere from 6,000 to 50,000 missing children are, like Kevin Collins, presumed to be victims of "stranger abduction", a crime of predatory cruelty usually committed by pedophiles, pornographers, black-market-baby peddlers or childless psychotics bidding desperately for parenthood. Only a few cases are solved. Even fewer stranger-abducted children are recovered alive. [End quoting.]

### SOME CLOSING THOUGHTS

The above articles were written in the early 1980s. Can you imagine what the numbers are today?

When various individuals and agencies hold up the "no-evidence" theory concerning the existence of satanic activity amidst the overwhelming "body of evidence", only a portion of which you have just read, why doesn't anyone question the obvious lie and cover-up taking place?

Why will FBI representative Kenneth Lanning's opinion be held up to the world as gospel, which flies in the very face of the evidence at hand?

Why do the very agencies set up for protection of the people end up serving to suppress evidence rather than examining it?

Kenneth V. Lanning, Supervisory Special Agent, Behavioral Science Instruction and Research Unit, FBI Academy, Quantico, Virginia wrote an article which appeared in the October 1989 edition of *The Police Chief*. Lanning reaches the following conclusions in his article, titled "Satanic, Occult, Ritualistic Crime: A Law Enforcement Perspective". [Quoting, in part:]

Until hard evidence is obtained and corroborated, the American people should not be frightened into believing that babies are being bred and eaten, that 50,000 missing children are being murdered in human sacrifices, or that Satanists are taking over America's

day care centers. No one can prove with absolute certainty that such activity has not occurred. However, the burden of proof, as it would be in a criminal prosecution, is on those who claim that it *has* occurred. As law enforcement agencies evaluate and decide what they can or should do about satanic and occult activity in their communities, they might also consider how to deal with the hype and hysteria of the "anti-Satanists." The overreaction to the problem can clearly be worse than the problem. An unjustified crusade against those perceived as Satanists could result in wasted resources, unwarranted damage to reputations and disruption of civil liberties. [End of quoting.]

What Mr. Lanning fails to recognize, obviously, are the rights of the children being sacrificed.

What about the rights of the parents to these children?

What about the crimes of kidnapping, torture, rape, pornography, ritual abuse, murder and cannibalism within these satanic groups? And he talks about violating civil rights? People, this is NUTS! And yet, Mr. Lanning's reports, due to the position he holds within the FBI, are held up as absolute on the subject—carved forever in stone. And so, many law enforcement personnel use his input as their directive and investigations never get to second base.

In the next part of this series, I will explore more deeply the inner workings of Satanism. Later in this series, Mr. Lanning's work will be more closely scrutinized, as well as commentary from those who take great exception with him.

When entire law enforcement agencies within our government structure turn a blind-eye to a problem of this magnitude, what does that say for our society as a whole?

At what point does the system itself become a major part of the problem, rather than being a major part of the solution?

What internal checks and balances are there to insure that the agencies themselves are held accountable in alleged service to *we-the-people*?

Alas, it's an imperfect world and one in which the New World Order is all but a finished reality. Perhaps it's better to just turn down the bed, curl up, and go back to sleep—but I don't think so. As long as freedom of speech and thought are still somewhat a reality, these questions must not only be put forth but they must be given serious consideration.

## SOUNDS GOOD? BETTER TAKE A CLOSER LOOK!

Here's an article from the June 5-11 issue of THE WASHINGTON TIMES NATIONAL WEEKLY EDITION about the establishment of a multi-story museum and research facility in Washington D.C. called the Victims of Communism Memorial Foundation. Now, at first glance, this may sound like a swell idea—"at last, public acknowledgment of the carnage left in the wake of Communism!" "Something to balance the Holocaust propaganda!" Well, let's take a second, more penetrating look. It's written by Lee Edwards, President of the Foundation, [quoting:]

For all their considerable political differences, President Bill Clinton and House Speaker Newt Gingrich are agreed on one thing: There should be a memorial in Washington for the countless victims of Communism. [The opening words create a serious credibility gap!] Which is why Mr. Gingrich co-sponsored and the president signed Public Law 103-199, which authorized the construction of an "appropriate international memorial: for the victims of Communism in the Nation's Capital, where millions of tourists and every President and Member of Congress can visit it. [Second clue: look at the proponents!]

In their deliberate mass murder of civilians, the Communists are the world's blood-stained champions. According to conservative estimates, well over 100 million people have been wantonly murdered by the Communist dictators of the Soviet Union, China, Cambodia, Vietnam, Eastern Europe and Cuba since the Bolshevik Revolution of 1917. [And who perpetrated that Revolution? Do you suppose the Memorial will feature the international Khazarian bankers?? Why, 80 years later, are we finally focusing on this trend? Always a possibility: to divert attention away from their more local, ever widening atrocities right here in the U.S.A.!] The killing continues in Communist countries like China today. [Asia-bashing time?]

The Memorial's purposes are:

- \* To commemorate the more than 100 million innocent people who died at the hands of Lenin, Mao and their followers.

- \* To educate [propagandize?] visitors to the Nation's Capital, particularly young [impressionable] people, about Communism and why America and other nations fought and won the Cold War, at such great expense in blood and treasure. [Should be verrrry interesting!]

- \* To research and study the effects of Communism on those it has controlled and still controls....[Now what do you suppose THAT means?]

The Memorial will not be just a statue in a park [darn!]. At its center will be a multi-story museum and research facility that will feature artifacts like a barracks in the Soviet Gulag, a section of the Berlin Wall, and a cell of the "Hanoi Hilton". There will be oral histories, original documents, a documentary films that will detail the Communist holocaust from its bloody birth in 1917...[What do you think are the chances of their presenting any of the many, readily available books and documents that unmask the REAL perpetrators and bank-rollers of Communism—the power behind the scenes?]

In the 16 months since the signing of P.L. 103-199, and under the effective chairmanship [WHOSE agenda is he effecting?] of Amb. Lev E. Dobriansky...[Uh-oh—another clue! This name has a Khazarian ring to it.] Among the Foundation's advisers are...former na-

tional security adviser Zbigniew Brzezinski...[As well as folks from Albania, Russia, and Latvia—even Senator Robert Byrd of MK-ULTRA Project Monarch infamy is a supporter—this must be another clue! End of quoting.]

Another con job on the gullible: The foxes erect a memorial to all the (little red) hens they have slaughtered—or perhaps it is really a tribute to themselves! At any rate, closer inspection reveals a different picture than at first glance.

## HERE'S ANOTHER ONE: MASS MOVEMENT OF GOD'S GUYS

Wow! Great news, huh? A mass movement of American men dedicating themselves to God. I am awfully skeptical when it comes to "mass movements"—can't remember ever seeing anything good come of one—how about you? This article by Larry Witham also comes from the June 5-11 issue of THE WASHINGTON TIMES NATIONAL WEEKLY EDITION, [quoting:]

More than 50,000 men at Washington, D.C.'s RFK Stadium on May 27 heard the message that "men of integrity" must kneel before God with promises to be moral, help their churches [Corporate tools of the New World Order.], serve society, and care for their families. During 12 hours of Promise Keepers ministry sessions, the roars heard over the stadium walls were not for touchdowns, but for such encouragements as: "Go ahead, guys. Glorify Him again."

Based on a call to keep seven promises, the crusade has assembled more than a half-million men at 12 stadium events...Promise Keepers was conceived in 1990 by University of Colorado football coach Bill McCartney, who left the post early this year to head what now is a \$22 million annual ministry. This year the ministry has 175 national staffers, seven state offices, and 11,000 local volunteers. The goal is to

leave behind local church ministries for men. [Big clue! From local to global? One world religion? Or am I just another lunatic fringe paranoid? The only promise quoted is the sixth: "Reach beyond any racial and denominational barriers." Then there's the whole issue of: what god are they addressing?]

## "RIGHTS GROUPS" VS "HATE GROUPS"

Which group are YOU in? They're playing with words again, aren't they. They must see a threat to their power games to be worked up like this. The first paragraph says it all—from the June 4 issue of THE GAZETTE MONTREAL, [quoting:]

WINNIPEG—Canadian human-rights agencies [Sounds like the "good guys".] are seeking more powerful remedies against the growing poison of hate and intolerance [Yuk! Must be the "bad guys". This goes on to vilify "Holocaust-denying literature" and "right-wing thinking"—the usual media fare of late.]

## A SHOCKER FROM AUSTRALIA: SENIORS FORCED FROM HOMES

This article is taken from the Sydney, NSW F & S DISCUSSION PAPERS, [quoting:]

From THE SUNDAY TELEGRAPH (1/1/95) quote: The mentally disabled and elderly may be forcibly removed from their own homes by police under sweeping reforms to guardianship legislation. The proposed changes to the 1987 Act would give the "NSW Guardianship Board" the power to issue warrants...against their wishes or those of their relatives...empowering designated persons or police officers to enter the premises...and take them to have the appropriate assessment...to invite help from the office of the Public Guardian was to risk losing all say in what happens to a spouse, mother, father, son or daughter. "When you are talking about a bureaucracy being able to take control of hundreds of millions of dollars and assets, you can see the attraction" [said one protest organizer]. End of The Sunday Telegraph quote.

Like other UN based legislation that gives extreme legal powers to bureaucratic boards, people can be compelled to appear before the Board and names cannot

50,000 men go out for God's team

Photo by Tracy A. Woodward/The Washington Times

be disclosed without Board permission. The only alternative authority is an expensive appeal to the Supreme Court. They lie without hesitation, act without passion, suppress information and are able to exercise powers at least the equal of those we hear of in the more primitive of Communist nations.

We should all be warned to do everything possible to keep ourselves and loved family clear of all such government agencies. However there is not a lot we can do when they move in except to remember that these government agencies are the result of our own reluctance to control our own government. [Good point.]

POLITICAL IMPLICATIONS OF  
WEIRD WEATHER

As we CONTACT readers know, the various factions of the power Elite are no strangers to treacherous weather-control devices, nor are they shy about using them to play "tit for tat" games with each other at our expense. Russia got a wallop of an earthquake—the one that didn't "quake"—and, as the ALBUQUERQUE JOURNAL (6/1/95) headline declares:

"MOSCOW SIZZLES IN  
RECORD HEAT WAVE"

A few days later, THE ORLANDO SENTINEL (6/6/95) announced:

"QUIRKY, SURPRISING, DANGEROUS: Hurricanes in June come out of nowhere, their paths are unpredictable..."

It's raining here in the Valley of Radiance (extremely rare in June)—hail yesterday, snow at the higher elevations!

DERSHOWITZ SEZ:  
BEWARE BRITISH SPIES

The June 5 issue of THE NEW FEDERALIST has this to report, [quoting:]

Writing in the May 19 Los Angeles Times, Harvard law professor Alan ["The United States is the new Israel"] Dershowitz warned that the British secret services may still be spying on American citizens inside the U.S. under a little-known intelligence arrangement worked out between J. Edgar Hoover and the British during World War II. Reviewing a book by John Loftus and Mark Aarons called The Secret War Against The Jews—How Western Espionage Betrayed the Jewish People, Dershowitz reported that during the war, Hoover seized upon FDR's authorization of British "listening posts" in the U.S. to set up a system for evading the U.S.

Constitution and spying on American citizens. Long after the war, Hoover kept up the arrangement under which the British would bug American citizens in the U.S. while the FBI would return the favor by bugging homes and offices of British nationals in Britain. The intelligence services would then simply swap their information," [Let me see if I've got this right: (Zionist) Dershowitz is worried that (Zionist) British intelligence, in cahoots with the (Zionist) American government, is bugging (Zionist) Jewish people? Sounds like more "Jewish-victim propaganda", although the cross-bugging is certainly likely.]

BANKER BAILOUT:  
INTERNATIONAL BANKRUPTCY  
PLAN PROPOSED

This AP article comes from the June 14 issue of the BAKERSFIELD CALIFORNIAN, [quoting:]  
HALIFAX, Nova Scotia—The United States will

push at this week's economic summit for an international bankruptcy plan to deal quickly and effectively [per the bankers' agenda] with future Mexican-style crises. They are seeking agreement on a revolutionary [It's revolting!] proposal that would allow countries facing massive debts to, in effect, declare bankruptcy much as private companies and individuals do. That is one of several U.S. initiatives to improve the handling of future financial crises. ["Improve the handling"—I guess this means the process is streamlined to avoid any opposition—a swift, silent, automatic fleeing—just declare bankruptcy, turn the country over to the "lender", and stick the U.S. citizens with the bailout bill.] It grew out of the sinking of the Mexican peso, when the Clinton Administration had to overcome strong objections from Congress and its allies to put together a \$50 billion rescue package. [There! We knew it! Of course, we're ALL bankrupt and have been for some time, so it appears that we are being set up for the final accounting.]

Japanese Prime Minister Tomiichi Murayama (A-11) and President Clinton (A-traitor) at odds at Halifax summit.

WHAT EVER HAPPENED TO...?

Have you been wondering what former Speaker Tom Foley has been up to since he was ousted (no doubt handsomely paid off to leave quietly and allow for the meteoric rise of the Newt) last fall? He's not been reduced to dumpster diving—not quite. This tidbit is from the 5/29-6/4 issue of the WASHINGTON TIMES WEEKLY, [quoting:]

Former House Speaker Thomas S. Foley, now a Washington lawyer, had a first-class seat on a recent flight from Washington to Dallas-Fort Worth. On the floor next to him was a black duffel bag holding personal items and several plastic bags, some containing food "Crackers, peanuts, that kind of thing," noted the woman who sat directly adjacent to Mr. Foley. "He had a peanut stash from other flights, other airlines; segregated stashes of food."

It was when the flight-attendant took Mr. Foley's breakfast order that the woman, a frequent-flyer who

works in the ethics field, began to pay closer attention. "He started off by ordering two breakfasts—salmon and the other [entree]. It's not unusual to order two meals, but it's a little different," she said. "What was incredible was that, in between the meals, he ordered multiple bagels and muffins. When he got the bagels, he'd take out the Ziploc bags and start putting them away. He was stashing the food! He ordered at least four bagels and two or three muffins. He would say to the gal, "Can I have two bagels right now?"

"But it was most peculiar when he suddenly took one of his unopened breakfast trays and put the entire thing into a Ziploc bag, including [standard stainless] silverware! I thought, "This is really bizarre." [I guess! Sounds like this CFR regular is ready for a Camp David tune up! He should only have been so frugal with our tax dollars.]

## LATEST WARNING ABOUT DRINKING WATER

Today's (6/16/95) *DAILY NEWS* contains an article by John H. Cushman Jr., [quoting:]

WASHINGTON—Reflecting widespread uneasiness over the risks of contaminated drinking water, federal health and environmental authorities suggested Thursday that people with the AIDS virus or other conditions that lower their immunity to diseases may want to drink only boiled, filtered or bottled water.

The cautiously worded guidance, issued by the Environmental Protection Agency and the Centers for Disease Control and Prevention, came after months of studying how to protect vulnerable groups from cryptosporidium, an infectious parasite that frequently contaminates public water supplies. [Sounds like a watered-down suggestion! Just enough to later be able to say "We warned you", but not emphatic enough that many will take it very seriously. Contaminated drinking water is a natural for depopulation purposes, and remember, cryptosporidium is the carrier of choice for deadly designer viruses. For more information on this subject see the 3/7/95 issue of *CONTACT*, p. 40.]

"I thought he would run all sorts of scientific tests."

## NEW WORLD ORDER KIDS: FLU VACCINE FOR NEWBORNS

No, nothing is sacred to the One World Elite—certainly not newborn "human resources". This article appeared in the June 6 issue of the *FORT WORTH STAR-TELEGRAM*, [quoting:]

The Haemophilus influenzae Type b (Hib) vaccine, which prevents a bacterial infection that was once a major cause of childhood illness and death, can be safely given to newborns, research shows. The American Academy of Pediatrics recommends that the vaccine be given no earlier than age 2 months, with a booster at 12 to 15 months. The Finnish researchers gave a combination Hib-tetanus vaccine to 120 healthy babies who were 2 days old, and found no adverse effects from giving the vaccination earlier. [What a hostile way to greet a new arrival!—especially in view of the fact that vaccines are another carrier of choice for man-made killer diseases. See the 1/31/95 issue of *CONTACT* for the rest of THAT story.]

## SUGAR BABIES

That was the headline for this article from the same June 6 issue of the *FORT WORTH STAR-TELEGRAM*, [quoting:]

LONDON—Just a spoonful of sugar helps newborns' pain go down, according to a British study. "We feel babies' first introductions to life are painful experiences and have been looking at ways to reduce the pain. Sucrose (table sugar) has been one of the most successful," said Dr. Malcolm Levene. The new findings further previous research by demonstrating that

the more concentrated the sugar solution fed to newborns before blood tests, the less they cried, says the study, published in today's issue of *The British Medical Journal*. [From birth we are molded into placid slaves! If that seems far fetched, check out *CONTACT*'s article on Bonne L. Fisher's book, *Food Secrets and Other Secret War Fronts in the 3/21/95 issue.*]

## VIDEO GAME VIOLENCE A REALITY

Concerns are raised from time to time over video game violence—a Senate subcommittee even held hearings on the subject after the release of "Mortal Kombat" in 1993. But the "games" grow ever more gruesome and deadly as technology offers increasing realism to the medium. That's the subject of this article from a recent issue of the *LOS ANGELES TIMES*, [quoting:]

Americans are expected to spend over \$10 billion this year in interactive entertainment. [See how we buy the rope that hangs us!!] Once the sole province of adolescent boys [See next article for follow-up], many video games are now being bought by men in their 20s and 30s. Little research has been done to gauge the effects of the fast-evolving interactive medium. But experts say the very nature of interactivity—in which the player is invited to identify with the protagonist and often becomes physically and emotionally engaged in the game—makes it a more compelling force than other media.

"People have long been put in the position of spectator at violent events," said Brian Stonehill, director of media studies at Pomona College in Claremont. "This takes you out of the role of spectator and into the role of murderer."

Through the one-way glass, you can see the young Asian agent writhing in pain. Still, she refuses to talk. You are not a violent person. But you know what you have to do. You are, after all, a CIA recruit who has discovered a plot to assassinate the U.S. president. You turn up the voltage. She screams...So goes the interactive revolution. [How can anyone think these "games" do not affect behavior? This is mind-control programming and it breaks down the taboos of civilization, making violence more acceptable—not only to perpetrate violence on another person, but more important for NWO goals, violence becomes the "norm", we become used to it and offer no resistance.]

## F.B.I. REPORTS ALARMING RISE IN MURDERS BY TEEN-AGE BOYS

A recent *ORLANDO SENTINEL* article fills in some gaps in the previous story, [quoting:]

WASHINGTON—Crimes reported to police dipped in 1994 for the third consecutive year, the FBI said Sunday. But experts said the figures hide trouble ahead as teen-age boys became killers at alarming rates. "...the rate at which boys are committing crimes, particularly homicide, is skyrocketing."

[Feeling safe and secure about the younger generations in this country?!!]

Thanks to all of you who send in the wonderful mounds of news articles!

## CHICAGO TRIBUNE'S FEATURE ARTICLE ON RUSSELL HERMAN AND GRANDMA

On June 13, the *CHICAGO TRIBUNE* printed a hefty article about Russell Herman's will, written in super-condescending style by Wes Smith. Here are a few snippets, [quoting:]

The magnanimity of the Herman will is astounding, particularly in light of the fact that apparently the only thing of any value that Herman possessed upon his death Aug. 29, 1994 was joint ownership in a battered 1983 Oldsmobile Toronado. Lacking any monetary foundation, and no legal standing, the strange will

probably would have excited little more than some amusing gossip in local coffee shops. But the Herman will's reach has exceeded its grasp. Malcontent America—the conspiracy-suspecting, tax-hating, government-baiting, antisocial segment [Whew! How's THAT for epithet-slinging?] so relentlessly news-featured since the Oklahoma bombing—is on to the Herman will. Its members believe the will is valid. They want a piece of it. And they know that you-know-who is trying to stop them.

Mrs. Herman, who is known in the malcontent, underground media as "Grandma", claims that her late husband was not a carpenter, but a "deep cover" CIA agent involved in federally approved drug-running. She believes her husband was kidnapped and murdered as part of a government conspiracy to not only cover up the drug-running but also to deny her husband and her their rightful claim to vast sums of money owed them by that same government. [The article also says Grandma makes "Gump-esque references to historical figures", as in "I guarded Jack Kennedy's back". Interestingly, the article DOES mention and label *CONTACT* as "the anti-government newspaper".]

## GRANDMA'S RESPONSE TO THE TRIB

Due to space constraints, I will share some of the highlights of Grandma's letter to Mr. Howard Tyner, Editor of the *Chicago Tribune*, [quoting:]

Your reporter was given a story which needed desperately to be told. The story he was told was about Mr. Herrmann's involvement in the Central Intelligence Agency's shenanigans in South Central America, Guatemala, Honduras, San Salvador, etc. [Many details follow.] This is a lot different story than was printed. It had been agreed that "I would be allowed to preview and edit before publication because I did not want any misleading statements or untruths printed." Your paper printed what is nothing more than a *National Enquirer*-type scandal sheet reeking of yellow journalism...The only truth you printed was the seal of the nation of Peru, which verifies the legitimacy of the certificate/contract! [End of quoting.]

Grandma also "WRITES 'RITES'" (excerpted):

Dear *CONTACT* and Readers;

Today is June 13, 1995, and I must tell you a very untruthful story was printed in regards to Russell Herman and the will in the *Chicago Tribune*. Curiously, even though they had the photos of Russell's body, they quoted the Marion Veteran's Hospital and stated he died of cancer...?

Also included in this article was a photo of the national/international seals of the nation of Peru, which is upon the documents of the gold certificate...stating: "Se legaliza la firma, que antecede" and "Se legaliza la firma, no el contenido". Perhaps in their omnipotence and God-like statures of "Make news, don't tell the truth", they did, in fact, do more to affirm the legitimacy of the certificate and the will than they had intended—they published the "seal".

/s/Grandma

## RONN JACKSON'S REPLY

Ronn had a few choice words for the author of that *Chicago Tribune* article, [quoting:]

Since 1863 to current times, there have been issued, by the federal government or its members, 210 Certificates, such as you recently denounced as being fraudulent and non-existent. I have in my possession and control 183 of those Certificates and in the near future, I intend to return them to their rightful owners, the people of this country. At that time you can kiss off the *Chicago Tribune* and any other like publication which circumvents the spirit of freedom in any way. Have a nice day.

In Light and Freedom, /s/ Ronn Jackson

David Emerson GuMaér has given us permission to use his name (but we have no address) so we have no place to tell you to write if you wish to contact him. Perhaps he would give us such as a postal box or a friend so that your appreciation for his work can be expressed. At this time we have a lot of information about his past works and are happy to be able to have permission to share that with you. We will handle it differently, however, than is usual—by offering the information at the end of our sharing rather than interrupt in the middle here. He also provides us with other documents with permission to share those, too. We are in great appreciation. Mr. GuMaér doesn't "take" *CONTACT* so it is through kind friends that he gets his own copies of the publication content. He wondered why we had not used the name, etc., under the ASSUMPTION that with all the information given we were certainly "given permission". No, sorry, readers, WE NO LONGER ASSUME ANYTHING! ### PRESIDENT WILSON (Wolfsohn) OF THE "RED ZIONIST OCTOPUS"

President Wilson, a Freemason and a crypto-Sephardic Jew (nee: **Wolfsohn**), was completely dominated and blackmailed by the Red Zionist Octopus, whose grasping tentacles were even then beginning to grab and control virtually all the levers of *real* power in Washington, D.C., having long before captured New York and other centers of commerce in the United States. And as earlier mentioned, this Conspiracy has always provided the blood in the streets as an effective diversion from the International Bankers and their cohorts, who *really* pull the strings. Due to his indiscreet earlier sexual escapades with a married woman, and the damning "Peck Letters", President Wilson was forced by his British Rothschild blackmailers to appoint one of their trusted Jewish agents, **Louis Brandeis**, to the U.S. Supreme Court, which then began the long-term subtle takeover of that judi-

**Woodrow Wilson**

cial branch of government, and the eventual subversion of the *Constitution of the United States*. Following Brandeis to the Court would soon come an even more dangerous fellow Tribesman, Judge Felix Frankfurter, a man who was rightly described at the time as "a damned Bolshevik".

As Commander-in-Chief of the Armed Forces, and supposedly the most powerful political leader in the United States (if not the world), President Thomas Woodrow Wilson nevertheless admitted privately toward the end of his presidency, "There is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive that they [their enemies] better not speak above their breath when they speak in condemnation of it." Even earlier, around 1915, Wilson was heard to say (in *solo voce*, of course): "World power is now concentrated in the hands of a few incredibly wealthy, incredibly powerful men, owing allegiance to no nation or ideal. They no longer make any *secret* of who they are, or their goals. They can be defeated only if knowledge of their activities and methods reaches enough people in time." And that was fully 80 years ago! Imagine their incredible control *now*.

But President Wilson was neither the first nor the last such person to speak of this alien threat, for in 1911, as we read in Des Griffin's excellent *Descent Into Slavery* (1980), the outspoken Mayor of New York, John F. Hylan, stated that: "The real menace of our Republic is the *invisible government* which, like a great octopus, sprawls its slimy length over our city, state and nation. At the head is a small group of banking houses, generally referred to as 'international bankers'." Some 20 years later, Congressman Louis T. McFadden, longtime Chairman of the Banking and Currency Committee, stated that these Rothschild International Bankers were, in fact, "a dark crew of financial pirates... who would cut a man's throat to get a dollar out of his pocket... they prey upon the people of these United States." That and other such revealing statements by this truly courageous American patriot resulted in his eventual *murder*, by poison. [H: Still think this New World Order wouldn't cut the throat of a couple of people in order to precipitate desired riots among the BLACKS and "others"? O.J. Simpson knows who DID the crimes but these slimes know what they are doing when they want to make a world-point. Moreover, they can capture the very people to help push through the emotional ramrod—such as Denise Brown at the hands of trainer, Gloria Allred! The trial itself is such an OBVIOUS SET-UP STAGE PLAY as to cause you to take a second look at what in the world must be taking place behind the masks presented.]

As for the British Intelligence agent Sir William Wiseman, at the height of the War he was among that "dark crew" of conspirators who materially helped Trotsky on his way back to Czarist Russia, at the behest of the Rothschild-controlled British Government. But as if that weren't indictment *enough* against this detestable cretin, Wiseman is also known to have withheld important intelligence information that his operatives had uncovered, regarding German saboteurs who were believed to be operating on the shipping docks in New York, until the U.S. Government officially entered the fray on the side of Great Britain. At the start of that war in 1914, which began on the 600th Anniversary of the death of DeMolay and the 100th Anniversary of the formation of the Guelphic Order, fully half of all Americans could actually trace their ancestry back to Germany, and it was feared by the British that the U.S. Government would at the last minute enter the war *on the side of KAISER WILHELM*.

### DEVASTATING BUT AVOIDABLE WAR

This devastating but avoidable war, which only really benefitted the Jewish Zionists and their Communist cousins, resulted in the needless deaths of

116,516 American military personnel and the wounding of another 204,000. So openly brazen were the Freemasonic-Zionist conspirators who had so carefully planned WW-I, that they also arranged for it to *end* at exactly "the 11th hour of the 11th day of the 11th month" in the year 1918. Numerologically speaking, 11 is a master number, and if you add the three 11s together you come up with 33 [as in 33°]. It also drained many billions out of the U.S. Treasury and into the pockets of the Rothschild/Rockefeller Cartels. At the close of the war, Wiseman was ordered to stay on as an agent-in-place, and he then joined the powerfully-connected Jewish banking firm of Kuhn Loeb & Company in New York. But who among you have ever *heard* of this stinking little weasel?

After the conflict was terminated, the Germans were subdued, and all the bodies were properly hidden from view at Flanders Field and elsewhere across Europe and America, the Conspirators happily convened the Paris Peace Talks at the stark and dismal Palace of Versailles during 1919. And there, they happily began the process of humiliating and punishing Christian Germany, which had actually been suckered *into* this war in the first place. At this conference, posing as private secretary to British Prime Minister David Lloyd

George, was Sir Philip Sassoon, a direct descendant of Amschel Rothschild (on the distaff side) and a member of the Privy Council. The Sassoon Family, by the way, have long been the most wealthy and powerful Jewish family in all of Asia, and in fact *control* the Orient as partners of the Rothschilds. Sitting beside the French Prime Minister, Clemenceau (a Freemason), was *his* clever Jewish adviser Jeroboam Rothschild (alias George Mandel). There was then the secretary to President Wilson, Louis Demblitz Brandeis. And finally, apparently needing no secretary, was the Italian Minister of Foreign Affairs Baron Sidney Sonnino, who was himself *half-Jewish*. Serving as official interpreter was the Jew, Mantoux, while the Conference's military advisor was the Jew, Kish. In other words, it was a stacked deck. Controlling this whole charade, we find, was the above-mentioned Privy Council, which, from its privileged sanctuary in The City of London, seems to run just about everything in Europe (and now also America). At that time, however, as revealed by the indefatigable Eustace Mullins, this Privy Council was headed by Lord Nathaniel Charles Rothschild (Father of Victor) and consisted of Sir Edwin Montague, Sir Edgar Speyer (who was born in Germany and later raised to the highest council in all of Britain), Sir

Harry Samuel (owner of Shell Oil Company), Sir Ernest Cassel, and Rufus Isaacs (Earl Reading). All, of course, were either Ashkenazi or Sephardic Jews.

Furthermore, it has been reliably reported that as a direct result of World War I and the Bolshevik takeover of Russia, Edouard Rothschild of France alone made \$100 million for his part in all this turmoil. Now how much do you suppose that would come to per French soldier dead or maimed?

Jumping ahead still further in time, through the Twenties and Thirties up to World War II, there was yet another very important Rothschild agent (out of a roster of many thousands) who did his damndest as well to subvert our nation at the behest of British Intelligence, while posing on the surface as a loyal helpmate. His name was Sir **W i l l i a m** Stephenson. Operating with the full approval of President Franklin Delano Roosevelt, in 1940 Stephenson set up the British Security Coordination headquarters at Rockefeller Center

**Louis D. Brandeis**

(where else?) in New York City to liaise with American Intelligence against Nazi Germany. While there, he worked closely with the Rockefeller Family, primarily Nelson (who, as Roosevelt's Coordinator of Inter-American Affairs, was busy using the war as a convenient cover to subvert and destabilize all of Latin America for his *own* personal gain). Although this will come as a big surprise to the author of *Called to Serve*, Col. James "Bo" Gritz (a great admirer of this British maggot), Sir Stephenson was, of course, not only a pro-Soviet Leftist, he was a flaming homosexual pervert to boot. (Sorry about that, Bo, guess the *CIA* never got around to telling you.)

Sir William Stephenson, who was also admired by J. Edgar Hoover, has been immortalized by the British as "The Man Called Intrepid", a folk-hero of their Secret Intelligence Service. One of his most trusted aides in New York was Cedric Belfrage, a long-time member of the Communist Party of Great Britain (CPGB) and a Soviet Espionage agent. Comrade Belfrage was but one of at least twelve known Soviet sympathizers on the staff of the BSC there at Rockefeller Center, who were anything but loyal to the United States. [H: Now isn't it interesting that the Rockefeller Center was sold to the Japanese who now have lost their nation's stability over the, now in foreclosure, deal while the Rockefellers made **BILLIONS OF \$S?**] Another such notable aide handpicked by Stephenson was Col. Charles Howard Ellis, an Australian who had actually worked as a spy for both the Soviets and the Nazis, all the while a highly-trusted British Intelligence officer of long standing.

Known to all his MI-6 friends as "Dickie", for some odd reason (perhaps he *too* was odd), Col. Ellis had joined the Secret Intelligence Service during the early Twenties while in league with one Vladimir von Petrov, a White Russian émigré then based in Paris. Vladimir at that time, we find, was also working with the boys from MI-6 while concurrently also secretly serving Soviet Military Intelligence (GRU). (How in the world do they keep *track* of it all?) Soon posted to Soviet Russia to work against the Reds (supposedly), Ellis is said to have served there "with distinction" in the Caucasus as a top aide to the *truly* patriotic, anti-Communist White Russian Generals Denikin and Wrangel. This occurred after the British had occupied the strategic Baku Oilfields in Russia, which was one of the key reasons the British Rothschilds helped *finance* the Communist Revolution in the *first place*. In that very important and sensitive capacity, Charles Ellis wantonly betrayed these brave Christian officers and all their men to a cruel fate at the hands of the Red Army.

### AH, THE NEVERENDING ROTHSCHILD

Nevertheless, Ellis went on to rise quietly in rank within MI-6 over the years until he had total access to everything his Soviet masters requested. Amazingly, although he had a Russian wife, was often seen in the company of suspected Soviet agents, and virtually everything he took part in seemed to always end up aiding the Reds, when MI-5 (Domestic Intelligence) raised the first *query* against Ellis during the mid-40s, "MI-6 rejected any possibility that he could be a spy." This, even though the encrypted "VENONA" electronic code signals from the Soviet Embassy in London during World War II showed clearly to the code-breakers that the Soviets were operating a *number* of their own secret agents inside the British Security Coordination HQ in New York City, on the 44th floor of Rockefeller Center. The long and the short of this tale of woe is that in 1965, Col. Charles Ellis was finally "promoted from MI-6 controller for Far Eastern Affairs to be placed in charge of all operations in North and South America!" But I'll guarantee you he was *not* working against the Soviet Union or the Red Chinese.

But so what, you might say? What's any of *this* got to do with the price of bagels in Tel Aviv? Just this: "Dickie" Ellis was a good old buddy of Lord Victor Rothschild, and thanks to Rothschild's clever manipulation of MI-6 in London, Ellis's rotten treachery was effectively *covered up* for half a century.

It is also interesting to note that during that war, and for years thereafter, there was a distant relative of Lord Victor

carrying on similar subversion in the United States. His name was Edward Rothschild. A longtime employee of the U.S. Government Printing Office in Washington, the FBI amassed some 40 confidential reports on his Communist espionage activities and forwarded them to the Justice Department. But Rothschild was not *removed* from his sensitive position until his Red background was finally *publicly exposed* by the Senate Permanent Investigations Subcommittee in 1953, chaired by the patriotic Senator Joseph McCarthy. Although Edward Rothschild was *not punished for his treachery, the following year Senator McCarthy WAS*. After exposing hundreds of such Communists operating within the U.S. Government, by a vote of 67 to 22 his *own* Senatorial colleagues voted to "condemn" this valiant man. But McCarthy continued to stand firm against Communism, giving his last formal speech on February 9, 1957, exactly seven years after he had begun his campaign to awaken America. On the evening of May 1st, while convalescing from a bout of hepatitis at Bethesda Naval Hospital in Maryland, the courageous Senator was quietly administered **poisonous carbon tetrachloride** by persons *unknown* and soon died, yet another unsung hero lost in the ongoing fight for America. Eight years earlier, the CIA had murdered Secretary of Defense James Forrestal in that same hospital (which appears to be a key *extermination center for troublesome patriots*). Forrestal had been working on an exposé of Soviet espionage rings in the Pentagon and treason in the Truman Administration when he was suddenly silenced in 1949.

[QUOTING, PART 20:]

### ROTHSCHILD

Let me now tell you a story about one of the most devious and dangerously treacherous Khazar-Ashkenazim conspirators of this century, an individual who appropriately enough, was born into this vale of tears on the Night of the Living Dead—HALLOWEEN EVE—almost 85 years ago, and rose to become a powerful member of the Council of 13 of the Grand Kehilla, and easily one of the most wealthy men on Earth. Born in London (where else?) on October 31, 1910, Nathaniel Mayer Victor Rothschild was, astrologically speaking, a classic *Scorpio*. The encyclopedia describes a *scorpion* as a *dangerous nocturnal arachnid which attacks and paralyzes its prey with a poison injected by its long, curved tail, used for both defense and destruction*. Astrology tells us that Scorpions like to travel incognito, and their eyes are a piercing kind with hypnotic intensity, and that most people feel nervous and ill at ease under Scorpio's steady gaze, that he'll outstare you every time, a fool-proof identification of the *Pluto* personality. And this, we find, fit Lord Victor perfectly. We further learn that Scorpio eyes bore deeply into you, mercilessly, as if they're penetrating your very soul; that Scorpions are total ego; that their features are noticeably heavy or sharp, and that the nose is quite prominent, sometimes beak-shaped. This characterization also fit Lord Victor to a tee. What's more, we read that people born in this year (1910), and under this sign, consciously practice a blank expression on a frozen, immobile face when the situation calls for such a mendacious mask, and that ancient astrology refers to these Scorpions as *Serpents*! Lastly, we find that these Scorpions often experiment with "the darkest mysteries this side of Hades!" All the above, significantly enough, serves as a precise description of the known personality of this most intriguing and Machiavellian of individuals. Incidentally, my own father was born just *one week* before Victor, but in Seattle, and he also fit this astrological profile exactly, so much so that during the early Thirties, while a

student at the University of Washington, he became a member of the *Young People's Socialist League* (YPSL). Fortunately for me, however, he fully recovered from *his* brainwashing.

[H: I have to interrupt here because there is only half a story above about "Scorpions". The other side of this coin is that there are two signs associated with this "Star Dating". There is the Scorpion (gray lizard) AND THE EAGLE—THE PHOENIX! Moreover those sharp-nosed little snakes are going to be plucked out and away, symbolically speaking, by the Eagles. Dharma was born at 1:10 a.m. on October 30, 1931 in Houston, Texas. We don't have any snake here, friends! Yes indeed, we certainly DO KNOW WHAT WE ARE DOING.]

Raised with the proverbial golden spoon in his mouth, and surrounded by all the standard intrigues that the Rothschild Dynasty had been infamous for since the late 1700s, young Victor was not yet seven years old when his insatiable family helped orchestrate and finance the Khazar-Bolshevik Revolution that overthrew the world's largest Christian nation, Czarist Russia. Nor was he then old enough to realize that Great Britain (or at least its hidden Jewish Zionist rulers) had earlier nurtured and given refuge to Karl Marx, Nicholai Lenin, Leon Trotsky and Joseph Stalin, as well as a great number of other Communist revolutionary terrorists of their roach-like ilk. Even Adolf Hitler lived there for a time, from November 1912 to April 1913, while he studied *art* in Liverpool, his brother having married the actress Bridget Elizabeth Dowling, oddly enough. In fact, Hitler said he *loved* the English people. Hmmm.

In 1932, at age 21, Lord Victor entered the staid and exclusive Cambridge University, enrolling at *Trinity College*, from which he was to graduate with honors four years later with a Ph.D. in Chemistry. He would go on to become "a distinguished scientist", and two decades later, Head of Research for the Shell Oil Corporation. But midway through his term at Cambridge, the Rothschild Dynasty carried off an important plot that must have had a profound effect on this young intellectual scion of the Rothschild billions. In 1934, when the former Red Army founder and Commander Leon Trotsky escaped to the United States, having been earlier expelled by Stalin from the Communist Party of the Soviet Union (CPSU) during November 1927, and exiled in Turkey, he did so in the innocent guise of an employee of the Paris Rothschild Frères bank. This daring escape from Stalin's assassins was effected following two secret meetings in France in Comrade Trotsky's behalf. Among those top Jews secretly aiding this notorious Jewish revolutionary terrorist were the international Zionist, Bernard Baruch (who later became the top advisor to President Eisenhower); the Soviet Communist butcher, Maxim Litvinov (nee: Finkelstein); and Baron Maurice Charles de Rothschild, Victor's French uncle. Litvinov, the USSR's Ambassador to the U.S. had, that very November of 1934, "persuaded" FDR to give diplomatic recognition to the Red criminal Government of the Bolsheviks. Years later, in 1941, Comrade Litvinov would also become the ghostwriter of the important propaganda book, *Mission to Moscow*, for U.S. Ambassador to Russia Joseph E. Davies.

After many years of painstaking research into the scarlet labyrinth of Soviet espionage, and after having traveled throughout the United States, Canada, Mexico, England and all over Europe to further my graduate studies on this arcane subject, I can now reveal that according to my sources both Victor Rothschild and his Jewess wife Teresa, or Tess, were actually long-time Communist espionage agents working for the Soviet Secret Police! And for many years, since the late Thirties, these two Red traitors moved casually but carefully in and among the very highest circles of the British Establishment, without arousing undue suspicion as to their subversive activities—until *now*, that is. [END QUOTING OF PART 20] Thank you and Salu.

# Answering Good Letters About Pets, Health, Choices, Colors

6/16/95 #1 HATONN

## HARDLY INSIGNIFICANT

I am here with a letter from Erika B. who presents a problem which actually is faced by all of you at one time or another—attachment to pets, responsibility to same.

Her plea for peace responds to an act of mercy in which a beloved friend and companion, a cat, was put to sleep due to illness, pain and organ shut-down. I want to quote a portion of the letter because Erika has to know that I reply personally regarding her circumstance, but also generally, in that we who feel responsibility and love in these situations are pulled in every PERCEIVABLE way upon our heartstrings.

*"I have lost my much loved and cherished cat last September, under the most horrible conditions. It seemed like my worst nightmare came true and I feel fully responsible. I took her to be put to sleep because she was terminally ill, in pain and her system seemed to have shut down. I didn't want her to suffer—instead what she was put through by a very incompetent vet was horrible. He couldn't kill her and just tore her apart and on the fourth try I am not quite sure just what he gave her. He said she was dead but I have this strong feeling that she was only paralyzed and fully conscious. I don't know why all this happened. It is entirely my fault. I should have known better. Since I had made arrangements to leave her there, I am not sure just what happened to her. My imagination runs wild and I imagine horrible things happening to her—when I was under the impression she was dead.*

*"I can't put this behind me and can't discuss it with anyone. Nobody knows what happened. I am unable to share it with anyone. I am in tears many times a day or night and I don't seem to be getting any better. What causes me such pain is that I don't know what happened to her. Did she suffer much, did she die when I was told she was dead? Where is she now?*

*"If you cannot respond to my particular problem, could you at some time talk about what happens to our beloved pets when they pass on? Do they reincarnate? Do they keep their personalities, do they have individual souls or group souls? Do they ever evolve into human beings? Most of all, will I be with my cat again sometime?*

*"Her name was Mitzi—I took her to the Vet on September 2, 1994 to have her put to sleep. I had been told it was a very quick, painless procedure. They just fall asleep. Well, nothing like this happened with my cat. I keep reliving the horror and her cries.*

*"If there is anything you can do to help me, I would be very grateful. If you are unable to address this issue, I will fully understand. At least I tried."*

Erika, it is the unknown which is the terror—

always. If something horrible takes place in your view, or with known results, you can deal with it because, even though there may be horror of the moment—the PERCEPTIONS and "terror" are not present.

What you did was RESPONSIBLE relief of pain for that which was given into your care. A pet is not a human being in the definition of "human" (thought, reason, choices). The animals are created and placed upon your place for companionship, use, and yes, protection. They become a MAJOR PART OF YOUR PASSAGE.

We cannot know what OUR LESSONS might be at a lingering death of physical passage into spirit but we CAN know that in the animal kingdom there is simply "passage".

A cherished pet is something which offers lessons beyond our comprehension to the provider. I do not like the term "owner" for it denotes total force and possession as in "chair". A cat of all animals is not ever a possession for they have such independence as to be the owner, not the enslaved. With cats, YOU become the trained slave to ITS needs, more often. Every cat

rip into the heart and very soul of the being experiencing for there is no time more mutual, more beautiful, more close than at passage when SPIRIT is joined. No person who loves animals enough to become a vet would cause, deliberately, lingering pain or agonizing fear in an animal. Vets are special people, Erika, who must love animals to go into that labor, for why would they spend as much time to treat pets as it would require to treat humans and make "a bundle".

No precious, your pet was "dead"—or "again living" as the case is. This brings me to the next discussion.

## ANIMALS AND DEATH

Where do animals go? What happens to them? Well, they do not become human for their spirits are precious and totally open and innocent. God creates animals—YOU CREATE PETS. These become a part OF YOUR SPIRIT, and the closer the bond, the more cemented is the energy of that "child" to your own Spirit. Often a "new" being is found and accepted and you will find that the energy of the former friend will present, within and for you, the same attachments. Literally, that "passed" energy will continue to present again in a living form to the same person. *When passage comes for the human of the two, now physically stilled, beings, the energy form recognizes and awakens WITHIN the combined SPIRITS.* Those living beings who walk and share the physical plane have spirit and if a person is given to mistreatment of God's creatures—there will be responding mistreatment, in the passage dimensions, of the perpetrator.

The portion of this lesson to hold closely to you is that you ultimately become one with God and seek ever in physical experiences to become and find oneness. In the animal-life world-of-expression that which is created BY YOU is the same—always seeking to become one with YOU.

Just as God has a myriad OTHER persons to choose from, the loss of YOU is painful and devastating so He will search and

keep you and find YOU in another. You must consider seeking and finding that which presents unto you—not to "take the place of", say, Mitzi, but to allow Mitzi the peace of passage, again to experience WITH YOU. Animal spirits revolve most quickly. Insects reappear and swirl into physical expression literally overnight in their evolvment or expression. They are without actual reasoning thought but are given to natural evolution and genetic knowledge of presentation. Animal spirit will simply evolve, or "revolve" if you wish, and genetic pass-down will offer similar expression. This is simple biology but, when love and nurturing with human counterpart of living beings is presented in such manner as true friendship—there is a bond which lives eternally, attached to the soul of the human being. This is as eternal as is your soul. In many (and I detest this term) "past life visions"—animals are THERE! Big and as real as life itself. In fact, you can be quite sure that your own expression has found such as Mitzi TO FILL A PLACE LEFT THERE IN YOUR BEING AT SOME OTHER WONDROUS JOURNEY. Further, fact

person will know of that which I speak.

When an animal, loved and cherished, is terminally ill and failing and in pain at every moment, to keep the precious life "alive" is agony at every turn and merciless in a most selfish manner when there are merciful measures to be taken to allow quiet passage. I do not speak of human passage, for no man may choose that passage for another—or, it must be dealt with at that encounter and not through the considerations of, especially, a "third" party.

It is what you PERCEIVE happened is what is bringing you pain and continued visions—which worsen, not dim. Please, remember something important here: YOU DO NOT KNOW! An animal senses, just as does human, that passage is at hand and blessed bonds shall be broken AS WERE EXPERIENCED IN HEALTH AND PHYSICAL PRESENTATION. Animals sense even MORE, the pain in the beings of their friends—the hurt, the loss, the grieving. They cry out in fear—just as do you over loss and separation—and as a child cries for its Mother, its guardian. Those cries

reveals that the REALITY of the experience itself, yours and your pet, is as a holographic vision extension—the REALITY is that which resides in SPIRIT. SPIRIT is the REALITY of both YOU and the PET. A pet is not a human—unless, of course, you have a human pet, but that indicates a non-person of whole capability. You can, however, literally love an animal MORE than any other human being—for most animals (especially pets) are easier to love and far more honest and uncomplicated than any human complex being. If animals present in mean or vitriolic presence—it is because they have been TRAINED BY HUMANS TO BE EXACTLY WHAT THEY PRESENT.

If a man cannot love an animal—I WANT HIM NOT ON MY TEAM OR TO LINGER IN MY ENERGY PRESENCE. IF A MAN CANNOT CARE FOR AN ANIMAL—HE WILL NOT CARE DEEPLY FOR HIS BROTHER! There are many reasons why a person may actually FEAR animals, or mistreat animals—but this becomes a confrontation of soul-force which is one of the keys to discerning that which a man “is”. For one thing—like a baby—an animal KNOWS. Animals especially sense evil, for they can even SEE the energy form—and hear its low pulses. They FEEL the presence—especially of evil energy. They respond to that energy which is high in frequency and matches their own higher senses.

Animals in physical presentation have little to allow for their being different than the “pack” according to their environment, for they “think not” in reasoning terms save to become clever enough to stay alive. So, they certainly do “learn”. Some, with special attention, can be allowed to learn enough to actually reason somewhat and think, to some extent, on their own. However, and as example, a cat will not bother to learn to open the refrigerator if his can of food comes from his “food god” out of the pantry. He may very well learn to go to the pantry and then come and “get” his “food god” off the couch!

With this in mind—what do you now think of the masses of swarming people headed by their “food gods”, their “shelter gods”—government—when all they want are the things of nurturing, tending and welfare state? In other words, the majority of mankind has simply become the “pets” of the system and enslaved to the “master’s” voice. They also become the victims in the hands of those same masters! They will become whatever the master determines and, once living “off” of society—will as readily destroy or eat those “others” within society.

To Erika and all of you readers, please hold loving thoughts in your hearts and minds so that you CAN move on while allowing release of the pain and agony which binds you to narrow passage. There are other little pets whose lives can be saved, who otherwise will be put to sleep and never allowed experience of singular love and nurturing. When pets or children are lost to passage—it is wise to gain another spirit to hold and love when the grieving and honor is allowed its passage. Grieving is necessary and how terrible a world it would be if we could not weep over a beloved friend’s

passage. I have little use for “relatives”; I cherish my FRIENDS for they are chosen by me—two legged, four legged, eight legged or winged! I can even choose my finned friends. They will not betray me, turn from me or steal from me—although they may well put their excess hair on my chair with or without me IN IT. While a kitten sits on my lap leaving hair—it is also, however, putting its heart into my HANDS and within my “being”. A pet can accept that which is so private to an individual as to be beyond comfortable sharing with another human spirit.

I repeat something here for Erika and any who question these things: There is no DEATH of anything, save “physical” expression, for ANYTHING created BY GOD. A giant oak may perish, but from the acorn of the tree is eternal life. When a spirit attaches to its higher experience—it is as eternal as human’s soul. Moreover, that Spirit will merge as part of that friend’s soul energy—infinitely. ONLY EVIL IS CAST AWAY

the memory of such expression. However, when the pain is kept alive, it is time to fill that empty hole with new life. Why? Because in the lingering return to the pain—the beauty of the loving expression during life is lost—to that which was love and sharing. We HONOR by remembering that which is wondrous in the companionship—not that which is passed and painful—and cannot be changed. Accept and allow the passage into other expression and offer gentle care to that which is present and in need—it will mend the tear in the soul.

Thank you, Erika, for allowing me this opportunity to share, for I too become so saddened by that which I must experience among my own people in the journey through physical test-grounds.

### CANCER AND OTHER MUTATIONS

This is a bit different in content—but far more terrorizing than anything that hits a human being in physical expression: What happens when things go wrong with that old “house”?!

David Wilder writes to petition me for possible guidance. Yes, I can offer solution to the immediate problem—but YOU have to do the task—for I can’t heal you, cure you or do diddly-plunk FOR you.

Note that all “mutations” ARE NORMAL happenings of cellular change. The immune system is SUPPOSED to be healthy to encounter, counter and discard the emerging mutant cells. This is not happening so well these days because of poor diet, disease assault, etc. ad nauseam.

Without lessons in hundreds of pages of input here, let it be known that poor diet is going to keep you in poor health—although it requires no great changes to stay in pretty good nutrition and have your poor habits as well.

I suggest you change immediately to

spelta grain in whole form and get at least the equivalent of two to three slices of bread into you a day—along with some B-vitamin supplements, and general vitamins, and especially MINERAL supplements. No big deal but you suffer from deficiencies. Next, get onto double or triple intake of Gaiandriana and AquaGaia to strip those plaques from the blood vessel walls and start to mend that Immune System. Right off, get your system cleared of parasites which continue to bear the nutrition deprivation and carry the viruses which give cause to the mutation of cells. Then get onto Silver and Gold colloids (heavy intake—like a couple of days of two OUNCES [yes, a bottle of each]) WITH intake of triple replacement of friendly bacteria for your digestive tract. Never mind it, however, for you have to clear the varmints out which are offering the continued disease.

No sir, you don’t need a bunch of colonics or drastic measures. Some manipulations or even surgical procedures can sometimes assist in draining known abscess sites—but a healthy Immune System will attend the

TO ROT IN ITS OWN HELL, TORMENTED BY ITS OWN “THINGS” OF LIMITED PHYSICAL EXPRESSION. IN THIS EVIL EXPRESSION, RIGHT DOWN TO THE HOUNDS OF HELL CAN BE REPRESENTED, REMANUFACTURED—RESTRUCTURED—but ONLY IN THE REALMS OF SPIRITUAL EVIL AND UPON PHYSICAL PLANES. FOR ALL IS PRESENTATION OF MIND!

That which is CREATED by GOD in Lighted passage is RE-CREATED as Spirit comes into understanding and “knowing”. That which is animal, plant, mineral—all things exist in infinite reality. This pittance of “time” perceived on a given stage by energy-forms manifest—are but passages of script. GOD GIVES AND RE-GIVES—INFINITELY. A PET, FOR INSTANCE, WILL NOT “EVOLVE” INTO HUMAN FORM—BUT GOD CAN RECREATE THAT WHICH “IS” INTO ANYTHING HE DESIRES. DO NOT LIMIT GOD!

Do not linger in the PAST or dwell upon that which is no longer present, except in respect and reverence of

wash-out or absorption of the viral/biological waste in its own proper time. The drias in GaianDriana are for the very purpose of feeding on these fragments and excess baggage of the system.

Will you experience miracles? I hope so—that is up to you; these are but tools!

Much love and a happy future with your “beautiful lady”—yes indeed, sometimes we do need a boost to cause us to love ourselves enough, forgive ourselves for the desire for passage—and will actually get busy and restructure our selves. But don’t forget God in your rebuilding—for it is HE who allows the reprocessing through your petition for help, while YOU PRESENT YOUR OWN MIRACLE. To help feel better within your own “miracle”, I suggest you consider a resource for DHEA (which I have asked that New Gaia procure and I am sure will be available soon), some of the triple “stuff” from grape seeds, and perhaps a couple of other things—but these are simply extras. You DO need to provide the body with a few things from which it can select and rebuild cells and replace damaged DNA/RNA blueprint. If you feel you can’t afford these things, know that it is going to be far cheaper than a stay of indefinite length in hospital or in the funeral—or “the beautiful lady”! Attend your problem NOW, hit it hard and then plan to MAINTAIN until, at the least, you RETRAIN your body and cells to reproduce properly.

Get in touch with New Gaia and see what they have, please, for I haven’t information. I will ask that some information, however, be sent with this note. Do I simply favor one vendor over another? Yes—New Gaia is the ONLY place you can get that which “I” present in GaianDRIana products and colloids. The price will, however, be better than anywhere you can shop for we are but a “tool” operation. We don’t peddle “cures”—just supports. I would wish to help heal your soul, but there isn’t anything wrong with your soul!

“May you live long and prosper!”

In brotherhood in Light, I wish you well.

Salu,

Gyeorgos

I get the most interesting inquiries and sometimes they are worthy of conversation and, as I have a space of interruption from the dreary needs of information-sharing of urgent matters, I enjoy discussing some of the more “off the wall”, or direct, interchanges. A good physician, however, will always do what he/she can to relieve the pain so that the person can allow healing. I hope that I am always a good physician in that aspect of presentation. When free of guilt and pain, a person can heal and grow. Release pain and guilt, brothers, because they serve no goodness. They are both things which need ATTENTION for they are SIGNS of something amiss—nothing more. Look and find the reason for either (for they are the same and always offered as the primary symptom of FEAR). Do we fear failure? Do we fear accusation? Have we failed some way? And on and on and on until the farther road cannot be seen for the bog in which you catch self. The “bog” simply allows you to look clearly at possibilities, make changes where necessary, and MOVE ON! The point is to not go forth and simply make more and different unwise actions. Each must learn and ACCEPT RESPONSIBILITIES—no more and no less, and the better TEACHERS are those who present seeming FAILURE for those CAN BE CHANGED. Success perceived—is often “failure” cloaked. Blame is that which is used for escape of responsibility—for if one is responsible for a perceived failure already accomplished, the point is to make correction and move on—not simply cast “blame” (correct or incorrect). It helps to have a bit of humility, for often we make big scenes to allow our ego to shine when the offer of another’s wisdom was worthy of input in the first place.

Repeated failures become unacceptable for, when others are concerned as well as the individual, it cannot be left to chance and happenstance to “succeed”. Everyone has to learn but that learning must come through

direct learning toward SUCCESS. When each “failure” is responded to in “blame of other things or persons”, there is no way to solve the confronting problem of that which IS.

I have a prime example working before me and I can only face my own responsibility in handling the circumstance. If, say, one wishes to be a farmer but is not yet in knowledge—he has to LEARN. How do you learn? From those who are farmers! However, in this instance, you only had to do that which I asked to be done! Land has to be worked, seeds planted TIMELY, fed and watered, weeded (which comes with the proper working of the soil) and a WILLINGNESS to be shown. Perhaps the desire is not for the “farming” but for the possible security of the presentation of the soil. Check out WHY you have a “calling” and make sure the “calling” is not one of convenience rather than a real desire for challenge and enjoyment.

A “manager” must be one who has SUCCEEDED in that which he now attends to “manage”. We must be very careful in our own limitations of input accepted because, without the support system, we stumble upon our asses or noses—whichever protrudes the greatest. I would far rather a man on my team fall on his nose—for it indicates, at the least, that he is moving forward—not backwards!

Opportunities are CREATED or, at the very least, recognized, to be of value. The world is filled to overflow with those who did not bother to “create” alternatives OR recognize an opportunity when it presented—but rather buried self deeply into the shrouds of defensive protection—only to be lost to the very thing he/she claimed to desire. This is THE PRIME clue of ego presentation.

Man, further, tends to want to bury his perceived failures in physical reaction—be it anger or so-called love-making. This often, in both or either instance, results in either more responsibility in recovery or misuse of “another” to support a self-sense of “being”—and the spiral goes on.

Mankind makes “love”? No, mankind USES the act of sex for some display of prowess and power! This is detrimental to all involved. So the consequences are very often—more children who will suffer inattention or at the least irritation as added responsibility. Overabundance of birthings is a direct result of such behavior without attention to consequences. This doesn’t mean that a child will not be “loved” or “wanted”—but certainly NOT CHOSEN!

### PINK OR BLUE

This brings me to an inquiry from a child who asked why pink is for girls and blue is for boys? Wow, perception of children is often resulting in the hardest-to-visualize responses. This, however, is one of the more simple questions.

We have recognition of the more fundamental aspects of GOD in thought projection and His DUAL UNIVERSE, HIS ELECTRIC UNIVERSE—that which always must present in duality—man being but one aspect of same.

Pink is literally the COLOR TONE of the frequency of that which presents as female. Blue is the color tone which presents as male. As with the seed DNA/RNA structure of life in its tonal presentation of visible light—the visible color tone will be violet to cobalt blue in color. So a blending (merging) of the pink and the blue colors will present the purple or violet color of transmutation or translation.

So why all the colors which present in a time of climaxing sexual expression? Because there is visual release of the varying rainbow of color octaves—purple being the most prevailing as a merging—white or “transparent” light being the burst of all those “colors”. Pink and blue, however, merge to form the violet flame or energy color of merging male and female “colors”. We also find it in its finest form in ALCHEMY—as we work with the metal of life-cellular DNA/RNA allowance—gold! Note that Silver in ionized form is golden

in color, which is actually a mix of yellow, red and blue and some touch of green (offering a mix of brown and yellow in basic mix). Gold in ionized form presents as violet. Mixed equally in electrical transformation, the resulting solution will take on the higher form of the gold frequency—and present as purple. I use this only as a very general and uncomplicated explanation—not scientific detail—for many things are taking place. However, in the merging of male and female—the resulting COLOR is the ALCHEMICAL “color tone” of violet.

In other dimensional environmental expression, all energy is presented as energy COLOR—the desire, of course, is to become one with God—TOTAL LIGHT! The absence of LIGHT (or God) is BLACK simply because there is that absence of color. In LIGHT there is the presence of ALL COLOR. A good example to ones around here are the tiny microscopic beings of DRIAS. They take whatever is placed into their presence and transmute it over time into transparent LIGHT. This is why they “eat” anything of substance placed in their presence for long enough—they alchemize EVERYTHING into energy form. These are the ORIGINAL LIFE FORMS IN CELLULAR PRESENTATION. Is this some kind of magic? NO, they are the basis of life DNA/RNA blueprinting—always clamoring to achieve the highest cosmic frequency of God in Universal LIGHT. They will NEVER damage or mutate any created form of intended perfection—but will neutralize or negate, and then absorb and transmute, the negative aspects into positive presentation and perfection. They are the very essence of GOD IN HIS INFINITE CREATIVE BLUEPRINT—UNSEEN, UNEXPLAINED BUT NONETHELESS PRESENT AND VISIBLE. Wonderful? Yes indeed. Are we not privileged to be allowed this sharing and rebirthing? Are we not gifted with HIS mighty trust and faith that we can serve honorably? Are we not blessed by that which is highest in Universal experience? Please take my hand, friends, for we are but children in paradise—unable to see beyond the moment. I am but to remind you of the way so that you can remember. Just as the DNA/RNA is eternal in all things—so too are YOU. There is always the substance of SOUL which REMEMBERS! YOU HAVE BECOME CONSCIOUS OF YOUR DIMENSION AND BECOME LOST IN FORGETTING. WE ARE HERE TO HELP YOU SORT, HAVE REFERENCE, HAVE KNOWLEDGE AND FINALLY, KNOWING! All other things will pass into their own existence—YOU CAN PASS INTO GLORY!

Whatever “time” you waste in the pouting of selfness, the longer shall be your journey into that “glory” and so too shall you hold back the passage of those entrusted into your care for teaching and nurturing. None of us are perfect and the sooner we tell our children that we know we are not perfect—the sooner we all can be perfection. Do not longer cause your children to be wiser than the parent. However, do not assume they are not wiser—for every babe is far wiser in knowing than any adult in age counting. They only know truth until YOU ONES teach them to become part of THE LIE. A failed crop is not even notable beside the allowance of a child to see a failed truth in a parent. A child can readily accept a failure recognized in a parent, for that child can then be allowed, within himself, to err. But always causing the problems for BOTH adult and child—is the LIE TO SELF and ALLOWING IT TO BECOME ACCEPTED TRUTH.

We are but souls experiencing in our various forms along an infinite journey—all just relations which live in God—and often experience in EVIL. This is fine—it is not, however, wise to cast God aside as GOAL, for the soul becomes entrapped for long periods of sequenced expression in very undesirable perceptions if God is removed from the ideal and ongoing expressing “ideas”.

May we close now, please, as there are other pressing needs of this day in which we are most grateful to find available to our use.

I salute you who must make this journey and also do the choosing. Good day and Salu.

# Look At The Latest News

(Continued from Front Page)

area—and anywhere O.J. might have attended a ball game, suddenly shrank from 3 cc's of blood? The idiot couldn't even get the lining back into the glove he claimed to have made and sold. Then the prosecution tries to make it look like the gloves actually fit when they obviously did not and were obviously NOT EVEN SIMPSON'S GLOVES—EVER. Then, the entire team of prosecutors spend about three hours out of court trying to train "Mr. Ruben" to explain how the gloves that were THE MURDER GLOVES would have somehow been tampered to no longer "fit". And, worse, Mr. Ruben did his lying damndest! Even worse, the very year that "this type of glove" CAME OUT WITH A SIZE LARGER—WHY WOULD O.J. NOT HAVE REPLACED THESE NON-FITTING GLOVES WITH A PAIR THAT FIT? But no, the gloves in court not only don't fit but show major signs of having been worn to the point that one palm is almost worn through. Mr. Simpson has large, larger and LARGEST hands—remember, he can catch a football with one hand. His life was on a football field where he scooped up a football *with one hand* and was noted for same. He could also reach down and pick up a basketball with one hand—CAN YOU? Does snively Ruben look like an athlete O.J.? Well, he put the gloves on his tiny little claws AND THEY FIT!

By the way, readers, have you ever noticed leather goods "shrinking" after YEARS of hard use? It seems to me that gloves and shoes become misshapen—and LARGER! We now seem to have a "physics" reversal. This seems to be THE case of the "magical shrinking gloves". The "blood" suddenly added (some 3 cc's, about half a teaspoonful) must have had Cryptosporidium which ate the extra size—how else could a pair of gloves make such instant changes? Moreover, how could those "Cashmere" linings (both of them) shrink in equal proportion when they didn't even get wet with anything, as the prosecution even pointed out—only one spot on the inside of one glove. Of course they aren't saying "that" NOW.

How too is it that the SAME suspected investigators and officers ARE PRESENT AT ALL OUT-OF-COURT VIEWINGS AND INTERVIEWS—AND WITNESS-PREPARATION MEETINGS. HOW IS IT THAT YOUR CHIEF LAW-OFFICER (GARCETTI) IS ALSO POKING AROUND IN THESE TRAIN-THE-WITNESSES MEETINGS? WATCH OUT, PUBLIC, YOU ARE ABOUT TO LOSE YOUR HEADS—AT THE NECK!

Now for the double whammy!

## LOS ANGELES COUNTY-U.S.C. MEDICAL CENTER

Los Angeles County is bankrupt say the Supervisors. What will they do? They are saying they must CLOSE DOWN the biggest, busiest HOSPITAL IN THE NATION! Millions of dollars are being poured down the rat-hole (literally) over an innocent man's set-up riot-causing world-wide television show-and-tell for the *Mishpucka* and the major & only County hospital is to be closed and millions of poor will have no medical care, trauma victims will have no emergency care, and burn victims will now be deprived of special burn-center care. Are they out of their minds? NO!

This announcement of closures and shut-down of County facilities comes on the very day the GLOVES DON'T FIT! The hospital only being ONE. Further, the STATE has again not presented a budget. Remember, the Constitutional Law Center TRIED to get interest to cause the Legislature to honor the State Constitution and meet budget deadlines—but no, nobody was

interested enough to help support the measure. The Legislature is now angry at the new "Speaker" and refuses to even present a budget!!! What all will this lack of funds close down?

Why NOW? Because you are getting ready for the warm-up riots, good buddies. The facts are proving that O.J. Simpson, a hero-idol of the wishful Blacks, is being railroaded in royal order and it is now showing its ugly head for exactly what it is. With no welfare functioning, no hospital facilities, no government agencies operating—YOU HAVE THE FOUNDATION FOR TOTAL DEVASTATION!

**THE TROOPS ARE ALREADY IN THE AREA AND ON ALERT—THIS TIME WITH AMMUNITION.**

## DEPARTMENT OF WATER AND POWER

The Los Angeles Department of Water and Power is shutting down some 2,400 jobs, getting ready to split up the water from the power, and sell the power portion to So. Cal. Edison, which is a major Cartel utility. Millions of acres of land are now under total control of the Federal Government as Wilderness areas and other stupid excuses. These are not YOUR national parks, friends—these are not even for your use! THESE HAVE BEEN CONFISCATED (SEIZED) NOW WITH LIENS AGAINST THEM FOR FOREIGN DEBTS. YOU ARE NOW "FORECLOSED", AMERICA—EVICTION AND/OR INCARCERATION IS AT HAND. LOS ANGELES IS ONLY ONE OF THOUSANDS OF CITIES AND COUNTIES IN FORECLOSURE, OR IN WORSE SHAPE, STAGED FOR RIOTS.

By the way, how are you going to have medical care in the next "Big One" quake with no hospitals? How about when the planned "plagues" hit? Well, good voters in this Democratic society—YOU VOTED IN THE BASTARDS!

## EVEN I COULD GET HYSTERICAL

With all this, friends, comes more information on Cryptosporidium (remember that which we long-ago [starting with the 9/15/92 CONTACT and most recently, specifically, in the 3/7/95 CONTACT] told you about—in detail?), those little devil-parasites which cannot be killed by ordinary water treatment. Well, it is now admitted it is in the water supply—of yes, the major cities and not only is there no treatment for the water—but there are NO FUNDS for even testing the water supply. Oh yes, by the way, they now say they (these disease CARRIERS) are SPREAD AND TRANSFERRED BY SEX (AND KISSING).

Yes indeed, readers, I would most certainly stock up on some extra parasite kits and keep as much colloidal silver and Gaianidriana on hand as you can possibly tuck away! THE SWORD IS RAISED AND POISED TO FALL. You will also need the upgraded resource of Spelt grain for it is the only grain and fiber I know of that can push those little vermin out of the intestines before they reproduce offspring which attach with their little suction teeth. They have suction mouths on all sides of their cute little ball-shaped heads—remember? sort of like Henry Kissinger.

We watch; we make every effort possible to offer that which will sustain, but we face a ruined crop. By the way, here in Southern California on the 15th and 16th of June—there was SNOW down to 4,000 ft.—for the FIRST TIME—EVER! No, weather did not ruin our crop—bad judgment ruined our crop of spelta—and

lack of resources. We now sit with an available source for 50,000 pounds of spelta, from elsewhere, at 30 cents a pound—ready for cleaning and grinding—and we not only do not have the funds but we are ROBBED, in addition, by outright thieves. Fortunately, and God, we thank you, not one piece of the colloid material was touched. Ekkers had the last of their Susan Anthony silver coins taken—but the colloidizing metal remains intact. Perhaps the robber-thieves couldn't recognize it! Well, without the "farm" there is no place to set up the mill for processing or funds to pay the costs, so perhaps we all "go down". Dharma claims she already has lost everything so it might be a nice rest.

## RONN JACKSON

"When will he be out?" you petition and petition and petition. I DO NOT KNOW! Ones of authority say the 23rd (June), other authorities say "two more years" at least, some authorities say NEVER, other authorities say "right on time" (whatever that means). Mr. Jackson says the 23rd and *Dateline NBC* interview viewing the 20th. Who is your "authority" which is actually all you have? YOU! Almost everyone around has STOPPED demanding his release—a letter or two to the Board, the Prison Authority, the Governor of Nevada—WOULD HELP. This battle is NOT OVER until the man walks FREE! That, in addition, will probably be only the beginning of this war.

## LETTERS TO GERRY SPENCE

We are humbly grateful to you who have written Mr. Spence on our behalf. We note that copies of letters sent come from everywhere and perhaps the voices of the people will be heard. We can only pray that this petition be heard IN TIME. We have to close the CLC, at the least temporarily, at the end of June—there simply are no more funds. The Institute simply has no buffer coverage enough to borrow more funds. We have to "hold". The Law Center and the Farm, along with the Paper have been supported by a few contributors and mostly by notes and loans from the products whose profits all go into loans to carry load.

As Kenny Rogers said in his song, we "have to know when to hold them, know when to fold them—and then, know when to walk away." Please Father, don't let us have to "walk away".

## YES INDEED

Yes, Gerry Spence at the helm of this property theft case would give funds enough to run it all for a while—but as it is, the very attorney who has handled this matter, Mr. Tips, has already MOVED TO FRANCE. No matter, in addition, how hard and well done are the cases in Nevada—rulings always go with the *Mishpucka*. It is a hard time to experience, friends—indeed a very hard time—watching the greatest nation in the history of mankind on Earth—FALL. Can we pick her up and heal her wounds? Yes, but will we? Certainly it shall not be done if things continue in the protection of the VERY ENEMY.

[Editor's note: Mr. Tips is moving to Europe to establish "safe-haven foreign trusts". Look at what has just been received—a paragraph from a "news service", somewhat out of context: "Now, without any news coverage whatsoever, a new bill [S700] is in the hopper which makes the previous one look absolutely benign by comparison. This subsurface measure will not tax at 15%, but rather at the current capital-gains rate of over 32 percent. It can be applied retroactively to anyone who has been out of the country eight of the last fifteen years. The tax will be payable ninety days after expatriation, with a security clause compelling adherence, which means that your assets could be frozen by the government for 'anticipated tax deficiencies'. If you set up a foreign trust you will be required

*to divulge on your 1040 all the methodology which was used, as well as to divulge any other trust ownership in which you might have the merest beneficial interest.”]*

## PTAH

An emergency-urgent came from a “receiver from PtaH” in/from South Africa. It warned Dharma that she was receiving bad information, hateful overtones and would be sorely punished if she didn’t change to say only “goody” things. It went further and said PtaH IS GOD and we would be stricken and to “watch out, for the CIA is after” us. A set-up is being laid—etc. Ones around who have read this “warning” quiver and inquire as to Dharma’s state of mind. Her reaction to this urgent message of warning? “B.S.—what tripe!”

Why pick on Dharma, good person? She didn’t say to “watch out for PtaH”—I DID. You, sir, have used very bad grammar in speaking FOR “God”, and you put yourself into the message—instead of PtaH—or anyone else. This person goes on to suggest that PtaH is pronounced Poo-tah. Dharma says, “Phoo—ey”.

Until we rise into knowledge and climb out of the pits of garbage, friends, we cannot do anything worthy of our calling. And, I suggest you ALL GET SET AGAIN FOR OPERATION BLUE BEAM. It is coming! You can call God anything you wish—but his name is NOT PTAH!

When will the games stop? Never! It is up to you as to what you will believe, as deceiver after deceiver rushes in and past. You are watching and experiencing the Evil Cabals battling their counterparts. YOU ARE CAUGHT IN THE CROSS-FIRE—AS ALL SLAVES ARE ALWAYS SERVED UP TO DO THE BATTLE, SPILL THE BLOOD AND LOSE.

Sad? Yes. Unexpected? No. How could these things be unexpected? The rule book for the play was written and you swallowed it up, hook, line and now the lead sinker is killing you. The Blue Beam brigade is going to give you a “Rapture” like you aren’t going to believe. Good grief, readers, there is technology USED on your place which can literally transfer hard packages through airwaves and will become the delivery system soon—replacing the necessity of UPS. You can present holographic FOOD—as in “eating”. There is holographic SOUND equipment which presents sound from the holographic presentations. The big screen in the sky will present all of this TO YOU. It will present invaders from space—and don’t forget, good Evangelists, that “Rapture” as the Serpent People strike. I repeat a suggestion: Get Serge Monast’s material. [While we don’t have space to be constantly repeating this material, please see pages 66-67 of the 5/9/95 issue of CONTACT, as well as pages 12-13 of the 6/13/95 issue of CONTACT, for the most recent available materials from excellent Canadian investigative journalist Serge Monast.] These things of which we have warned are coming SOON at your local sky. We make our presence known constantly—but we will NOT interfere. This is YOUR GAME, humans. We most certainly WILL STAND BY. GOD WILL NOT FORSAKE HIS PEOPLE! BUT HE MOST CERTAINLY WILL LEAVE THE EVIL BROOD BEHIND TO FACE THEIR OWN CONSEQUENCES—AND THAT, READERS, IS CALLED THE ABSENCE OF GOD (LIGHT), PRESENTING “DARK AGES”—AND IT IS ALSO REFERRED TO AS THE BURNING AFTERMATH OF HOLOCAUST—HELL.

God of Light offers you “the way”, “the truth” and the “knowing” and yet WE ARE ACCUSED of being deceivers and fear-mongers! GOD WILL WAIT FOREVER—HIS TROOPS WILL NOT!

## DECISIONS

We have many decisions to make this day—and like you ALL, they must be made without view into future magic globes. We all work diligently with “what is” and do so with responsibility. There is no MAGIC in

working for God. HE waits and we serve to the best of our ability—no more and no less.

## PRECIOUS METALS ALERT

I can tell you who secure yourselves that you can soon expect the confiscation of precious metals—gold first—from the “citizens”. There will then be a total collapse as currency and markets change. YOU ARE IN FORECLOSURE AS A NATION AND A PEOPLE. PLEASE DO NOT WAIT TOO LONG TO MAKE APPROPRIATE SHIELDING. I “believe” as things are unfolding, that you can secure your assets into a corporation [For more information on Nevada Corporations call 1-800-398-1077]—but gold, except for some jewelry and business NEEDS, will be taken even from your safe-deposit boxes—as in 1933. We believe we can salvage the metals for use in colloids. Offshore bank accounts are going to be FROZEN as the bankers do battle. If you keep small, keep in working order and hold steady, you can make it through these things.

## PROPHECY FULFILLED?

If, however, you continue the in-fighting as “patriots”, you are going to LOSE—BIG TIME! I remind you of the prophecies (which I did NOT make): the major cities will go down, the nations will split apart (literally) and riots, plagues, weather devastation and all manner of vile and painful things will beset you as Evil takes final control of your planet. The Evil bastards of the planet have input and total working assistance from the long-ago-landed aliens known in the Cosmos as the Serpent Races. They CALL THEMSELVES the Serpent People—and now, the One World Order.

## “FINAL” MESSAGES?

Dharma is getting quite anxious as I speak in terms which seem quite “final” as she sees the seriousness of the tones in which I speak. Final is not a word in our vocabulary, nor is “can’t” or “impossible”. However, there are all manners of reason for “interruptions” in communications and in ability to connect. Agreements have reached stand-off proportion between the opposing factions in your political hierarchies and the stuff is in the fan. I do not speak of agreements with we of “Command”—we are but a tiny speck in the overall game going on around you.

I would point out that many of the military and concentration bases and underground facilities are at full alert and in full activation—NOW. G-7 is “on” and so are the wars “stepped up”. The Russians have more equipment for war on American soil than they have anywhere else in the world—including Russia—while you have been dismantling yours.

Do “I” have concern over the Russians? No—not “I”! Should you? Yes indeed. I think, however, that you might well not fear the Russians any more, and perhaps quite a bit less, if you be “patriotic”, than your own beloved GOVERNMENT OF EVIL TRAITORS.

Can you take up your “arms” and fight them? Sure—if you wish to be deaded on the spot. I tell you now, however, that the cities are planned to go down and I don’t mean just “sort of”—it is planned to take them OUT.

When? Well, by THEIR ACCOUNTING—NO LATER THAN 2002 (WITH ADJUSTMENTS FOR THE TWO-YEARS OF GETTING BEHIND)! I do not believe the adversary(ies) will lay down without punching each other’s eyes out! We have to now take time to latch down, batten the hatches and prepare for riding out the rough WATER. The coast of California will, before it’s over, lap at our Island’s shores. Not pretty? Well, what did you expect—the prophecies you touted and believed—are at hand for finishing!

But what of “our” people in these dangerous places and along these coasts? What about them? Of all people on the globe they should now know what is coming down and where they should be. If not, then I

guess our “Teachers” have missed the insightful lessons. Students either learn or fail to learn—it is not the Teacher who decides. Shall we dance? While we decide how many Angels on a pinhead—ROME BURNS!

You were promised a decade of hard teaching and WORD presentation—you are almost finished with year EIGHT. The major changes in attitudes and mankind must take place in massive manner within the next year and a half. If, by the way, THIS CENTER FOLDS—you are in MOST SERIOUS trouble—for this was and IS—IT. Is this somehow “special”? Yes, I am here. This land will be an island and we can do our necessary work from this point. This does NOT mean that there are not other places, for there ARE. I am not the only member of this team—I simply happen to be here because this is where the Cosmic guidance connections reside. Why here? Why NOT here? Do YOU have a better suggestion? YOUR suggestions up to now have not been TOO HOT! I relinquish my responsibility TO NO ONE—SPIRIT, LIVING, WALKING-DEAD OR DEAD. We are not here to SAVE anyone or anything and we will have no EVIL ABOARD. Man makes his own choices and, at confrontation—man and Creator decide—NOT ME.

“God shall mark His people and they shall be known to the Angels, in that day of final tribulations, and I have gone forth to prepare a place for you—and I shall return that you might be spared.” This means, friends, that WE, the messengers (Angels) will be given listings from the “Book of Life” and you who are entered upon that list are KNOWN. “God spake and said, ‘ye are either for me or ye are against me’—where stand ye?”

Do we prepare for the final days? You bet your bottom worthless dime. We do not, however, rush to some innocent mountain to take our foolishness and idiot scramblings. Nobody is coming to Rapture you off to anywhere “SAFE” for your fannies. A LOT of people are going to ascend, however, in missile blasts and, incredibly, in a stupid lie called Rapture. You are going to be literally “evaporated” and those left will be mostly totally mind-damaged by the assaults against your physical beings. All the senses, except the fear and pain, will be lost. The intended laser lights will blind, and the frequencies pulsed at you will deafen. The land will shudder, heave, change in massive rollover and will again be still, as sunken lands rise and the old is scourged. GOD DID NOT DO THIS TO YOU OR BRING THIS UPON YOU—THIS IS THE WORK OF “MAN”. THE “SEERS” AND “KNOWING ONES” WEEP WHILE THE MULTITUDES RUSH MADLY ABOUT IN THEIR COMPLAINTS AND UNGODLY ACTIVITIES. WHILE ONES TAKE TIME TO THROW MORE STONES UPON THE MESSENGERS—THE BOATS ARE SINKING! I WONDER HOW MANY OF YOU WILL GO DOWN WITH YOUR LAWSUITS PENDING (AT “WIPE OUT” DAY) AGAINST US FOR OUR EFFORTS TO INFORM YOU OF THE TRUTH OF YOUR JOURNEY? I WONDER HOW MANY WILL “WISH” THEY HAD HELPED MORE AND SERVED A BIT MORE GENEROUSLY—ON THE EVE OF THAT DAY—FOR INDEED, ALL SHALL BE AWARE AND KNOW! ALL!

Remember the verses: “Man shall plead for the mountains to fall upon him that he might be saved from that which is upon him.” That request will also be accommodated—but not to those who are not near the mountains!

Will the great tunnels and cities built beneath the land suffice to save the One Worlders? No; we can turn off their electricity supply! They will be trapped like rats in a cave. Neither shall they be allowed passage beyond the planet or nearby orbs. Further, they shall be deprived, there, of life-sustaining substance. The Serpent aliens will return to their places of station and wait for return or other lands to conquer.

I can only remind all of you, one more time: GOD WINS, HAS WON AND WILL ALWAYS WIN. So Be It.

# Thoughts About Father's Day

## And Guided Changes

6/18/95 #1 HATONN

### FATHER'S DAY, 1995

I have very little comment to make on the subject of "Holidays". This is not because I object—it is only that I don't understand them for it appears that every "holiday" you have it becomes a commercial venture and my adversary makes a lot of money and very little "honoring" takes place. Each "honoring day" becomes a day of political or commercial extent and the thoughts set aside are mostly passive and passing.

In the higher dimensions of expression there are not "fathers" and separate somewhere are "mothers" as you recognize it here. I believe, in my own opinion, that it is a most wise evolvement for the "child" is always presented with both "parents".

### SOULS ARE BIRTHED

Each soul that would experience the dimensional passages is most certainly "created" in a realm of energy which offers nurturing and maturing to soul. In higher dimensions wherein souls are formed and begin their journeys—mother and father are MERGED. There are very definitely dual energy presentations as are always present in God's Electric Universe but not presented as human manifestation in physical "sensing" form. All "senses" are centered within soul—but in a third dimensional physical format—are expressed through the physical bodies. The "senses", themselves, are emotional "responses" to triggering energy pulses along nerve routings, i.e., a paralyzed person "feels" nothing below a severed spinal cord while his "thinking" and "emotional" status is untouched save by the "emotional" impact of the event. However, for recognition and identification—you as third dimensional travelers are experiencing in a "sensing" state—while responding physically to sensed data.

It is, therefore, ONLY in the physical expression of experience that there is PHYSICAL procreation of male and female counterparts. This is WHY, when asked about homosexuality, I have to respond that I have no input about the matter. Energy form recognizes not the individual human physical responses of anything except the brotherhood of relationships. Energy form experiences "love" just as you do—with "emotional" energy response to another living being and appreciation and reverence to all that lives and is "created". We [of higher dimensions] "love" our "mates" but not in a physical manner—we further, express our love in a most respectful and reverent manner.

My objection, if I would have one, is that mankind has brought his most creative acts of gifted response of "love" for another into the deathbeds of disease, excrement and USE. This results in abuse, sickness and pain for both participants (or all participants as is the case today). Therefore, I have no comment about the sexes having great loving friendships for that is what love means, a giving and sharing, protection and caring of and with another. I object to the sexual practices in the name of, but certainly presenting as a lie, love when it is beyond even the boundaries of lust. Lust is a "desire for"—not a physical expression. You can lust after a

thing or being—but the actual physical expression is the physical follow-through of uncontrolled selfishness. This always results in NEGATIVE aspects of emotional unbalance.

In the energy world of expression, I suppose, as some immature energies express or "desire for expression", they are in need of further physical experience in order to grow into REALITY and out of the child's world of experiencing in the primary primitive aspects of life. What man human does is his business, not mine. However, from experience I KNOW that some of man's activities are not going to get him other than ultimate pain, lack of peace and locked into a circle of one event after another which brings only a response of HUMAN PHYSICAL MALADJUSTMENTS. It is not the "love", it is the "physical behavior" which presents as the problem. I have no more "use" for misbehavior or disrespect between heterosexual parties than for misbehavior and irresponsibility between any other combinations of entities. Misbehavior is always a lack of responsibility. Does this mean, then, that "I" don't love these individuals who express in this manner? No, it means I don't like their behavior—there is overwhelming difference. If your child wets his bed, deliberately, do you hate him or stop loving him? No? Well, don't you get totally aggravated at that child and dislike his behavior? You are, as a species, producing mutants because of the activities and INTENT upon your place—where the physical acts are so carelessly considered as to be worthy of abortions and amputations. You have reached a time of thoughtlessness as to consider a deadly disease a RIGHT and a flag of some type of sick honor. This indicates that when accepted as social behavior and laws are made to enforce the activities—you are on your way out as a species—simply because you will kill off your own races. Two entities of the same "sex" cannot procreate.

Do not give me the old "some types of earthworms..." No, within a mono-organism is a DUALITY OF SEXED PAIR. Procreation is present because of the duality—not because it is housed in the same house. You can have artificial propagation but the facts are that you HAVE TO HAVE MALE AND FEMALE DUALITY OF PAIR(S).

In the sexual experiences of intercourse there is a rush of energy which disallows the actual distinguishing of pleasure from pain; a burst of energy is neither—it just "is". When society becomes fixated on the physical energy exchanges of negative behavior—there can only be a downgrading of SOCIETAL STRUCTURE, for morality is "anything" expressed and RESPECT and REVERENCE for the once beautiful things are lost in probabilities of disease and DIS-EASE. If the only excitement of the day is the living on the brink of wondering if you have AIDS or not, the multifaceted wonder of life has no positive focus for creativity. I do not consider movie-acting and money-making as creative events. These are both activities of an illusioned world—not the perfection of the state of REALITY. I certainly DO NOT consider intercourse by any means as a creative event in almost all ways man-physical USES the act. I do not limit this abject observation to only sexual intercourse. This word "intercourse" meaning inter-exchange is another one of your RUINED

words. Creative intercourse is Balanced Communication—abuse is unbalanced discord. So, whether you be screwing in a light bulb or your neighbor you might well be wise to consider what you are doing because you can get "electrocuted" either way.

I have a bit of trouble, at any rate, in the one-day-a-year honoring of anything worthy of honor on ALL days. I honor my Mother/Father Creator EVERY MOMENT OF MY EXISTENCE—I AM A LIVING HONOR TO THEM IN EVERY WAY THAT I AM. In this manner of existence I have to make no petitions for pardon or forgiveness—for I attend the perfection of themselves. Was I as an energy form always such as I now AM? No—but again I remind you: it is what I AM upon which I AM judged! "Perfection" is not one of the "judging" criteria; intent is the only measure of meaning—and actions are the expression of that intent. Therefore, the positive force of LIFE is with me and I do not have to be distracted by the individual negative characteristics of your most interesting choices. I know that which damages rather than advances and enhances. Why would I ever be foolish enough to chose such self-abusive actions or make such destructive choices? I do not have to touch—to love, for, in love—I AM within wherein I cannot be closer!

### MESSAGES TO OTHERS

In this locale there is a couple of my precious friends who are given instructions to relocate and do so immediately. Do I have comment? No. They claim that Sananda and Hatonn gave them instructions so Dharma is asked about the correctness of such a statement. Why? I speak to Dharma; I speak to others. Why do YOU question the possibility of my inter-change with others? Do I not speak with YOU? Or perhaps, you do not HEAR? You have no way of "judging" another's contract, mission or danger. Wherein Dharma might well be safe and secure and serving her purpose in one point, another might well be needed elsewhere as changes come and would not be "safe" in the same point of reference. It behooves all to LISTEN, for guidance will come in that manner—not from a bull-horn on a hilltop. There are myriads of people right now in the changing of temporary or permanent locations, activities, insight-gathering or simply being urged to go experience elsewhere. I do not advocate ill-advised meandering around here and there in the hopes that something wondrous will drop on your noggins. LISTEN TO YOUR GUIDANCE. As you mature in KNOWING and HEARING, you will not be misguided and you will notice that when the directions are correct, doors will somehow open (or close) as a "SIGN" THAT YOU ARE RIGHTLY FOCUSED. It does not help us or you—or the "cause" of anything—if ALL BE IN THE SAME SPOT DOING THE SAME THING. I am grateful and extremely appreciative of our team members who hear and see and KNOW and do not pretend to take the role of another—simply to be somehow one-up in stature. Each is different, each job is different—even though the purpose is the very same. We certainly do NOT go about inferring or denying another's ability to see and hear and, hopefully, from the same teachers—especially and hopefully from the SAME teachers. You would not be drawn together if you did not hear and have the SAME TEACHERS.

Russ and Penny have my precious little Robyn and they shall find great reward and service in response to HEARING the messengers. Just because some of YOU do not often see these persons—does not mean that I do not. They shall be offering great service and shall receive great reward and security by their move. They will be moving to Las Vegas where they are both safe and needed. They did not know that and they anticipate immediate changes, so their abrupt change may appear quite unusual and even foolish to a lot of you. Forget your "opinions"—there is such massive stuff coming down that you had all better start listening!

Las Vegas will be fairly secure (compared to other

places) because when the major dam goes, it will move water DOWN-STREAM. Vegas is a city which the adversary will not want destroyed for it is known as "Sin City". You don't have to be sinful to dwell there and, through the security network the elite have built for themselves, the people of God can function and live nicely also—WITHIN ALL LAWS OF GOD AND LAND. I give my encouragement and blessings to the willing persons. I remind all of you that when you "wait upon the Lord"—He will show the way and when you offer willing service in truth, not just mouthing—the opportunity will not only come—but will "overlap" so that loss of security is not total. Just, however, to hop around and demand that God will protect and bless you with riches is foolish—for that means that you are depending on someone else to look after you—not God or self.

Remember, team, that there needs to be "business" here so that our presentations can be perfected. But, as the corporate headquarters are "there", it is only logical that the businesses, once established—be operated there. We don't need all the bother and problems HERE in this VALLEY—for most of living will be done elsewhere. We need to establish "the model", if you will, and then hand it off to others in appropriate locations. Have we not had enough battering and bashing here? As we move into ventures of physical nature—the focus must be in Nevada—separate and focused THERE. We are but the nucleus, and to be able to change enough lives to rebuild or have remnant in stability—we have to spread the load and responsibility and most importantly the "distribution". Our businesses are children of Nevada—they need stability of home in Nevada along with roots. There is nothing special about California as such, nothing remarkable about being in or from Texas or anywhere! Where YOU are is where YOU must focus and be willing to change if you wish growth and it becomes desirable to relocate. I desire that all have security of and in placement but when you "marry" to a given place or things—you limit your own growth. Be flexible and open—but do not be a hop-scotch Bunny Rabbit that simply hops around for the heck of moving about. IF YOU LISTEN TO GOD/CREATOR YOU WILL NOT BE MISGUIDED—YOU WILL BE IN EXACTLY THE RIGHT PLACE AT ALL TIMES. Refuse to see and hear—and you are going to be in the wrong place at almost all times. The old quote of, "I'll do God's work but, by God, I'm going to do it MY way!" IS REMARKABLY STUPID. That may make for a cute joke but it is unwise as a method of functioning. Why? Because you will always find the WRONG GOD—YOUR WAY! You will always find a "god" who will accommodate your ego-focus. The TRUE strength and presence of a man is to be secure in God and then he can function beautifully in full ability OF NOT BEING SWALLOWED UP BY THAT WHICH IS PRESENTED TO YOU ON THE PHYSICAL PLATE. You can eat from the silver plate without eating the plate. We, however, must eat a bit of that silver plate—do we not? Perhaps when we stop JUDGING another's choices and moves—we shall find ourselves in better balance of our own destiny. (??)

You may well wish to think that places like Nevada in general, New Mexico and other States are not particularly "safe"—especially after looking at maps by Scallion and other "seers". I don't think that is a particularly good resource for decision-making. Go with where the ENEMY has built his major underground facilities. You can live nicely with them if you do not take up arms against them. They have placed these facilities in security as far as they have been informed through technical knowledge. Those tunnels, etc., can become your safety shelter, also. You can get along very nicely with aliens of the Cosmic kind and they will respect your attachment to God. I would far prefer to JUDGE location on WHERE THE ADVERSARY HAS BUILT HIS NEST.

Remember something: there is no point in owning the world—if there is no world! Further, there is no

loyalty or trust, in reality, among the liars and thieves. They will sooner do-in one of their own as YOU. Why? Because they can't trust their OWN. I have no "enemies" for I command respect and am respected—far more than the Kings within their systems—who are totally disrespected and have no loyalty or integrity. The major players with the most impact recognize that I will always keep my word. They likewise know that the ones who CLAIM to be on their team—WILL NOT. Who would YOU rather work with? God's true people will be respected and attended—the liars who simply call themselves God's people but who are not (which is 99%) will fall at the hands of their own false pipers. What matter if there be but FEW of God's TRUE people? If you are among that number—it is 100%, is it not? Further, why would ascension be of importance to you in physical form by chanting and garbled instructions? If you recognize the all-possible unlimited God—you will ascend when it pleases you and the need arises. Why focus otherwise? Our job is not centered on ascending—it is focused entirely on NOT ASCENDING at this time. Until you know the difference, you aren't ready for the professorship—for you are still the primary-grade student!

### THE NEXT THING I HEAR

Ah, the next thing I hear if one is guided elsewhere and it ends up looking pretty good, is: but I have served well; why did you not send me? That is exactly why! I detest the envy of one for another. And if I choose another—I don't like that type of response as if I somehow must serve your needs instead of the better way FOR GOD and our mission. Any of you who wish to be in Las Vegas are most welcome to be there and, as things are less focused here, there will be more opportunity there. You can CHANGE a nation from Tehachapi—YOU CANNOT EASILY BUILD A NEW ONE THERE. And always know that "your need or want" is NOT MY COMMAND.

Why do I not suggest Carson City or northern Nevada? Because we have had most unpleasant disadvantage there. That may well become a hub or focus again, but why would we subject any of our people or projects to that kind of heinous assault? This is not due to "Nevada"—it is due to the corruption of George Green and cohorts. It is simply a more "desirable" topographical place to live and rear family in a community environment—but community and environment is that which you make it to be.

Certainly you must be even better prepared for "survival" in Las Vegas than, say, in Tehachapi, as

remote as that seems. When the dam goes, so goes the electricity supply so please, as you establish selves—make sure you have some backup resources to make it through and MAKE IT HOME! There are, however, myriads of massive back-up generators established in Las Vegas and in Reno for such contingencies, and in some ways it makes it more feasible to expect quick recovery if systems go down—in the immediate emergency. The ADVERSARY will have thought of all those little contingencies! When we learn to USE the enemies' tactics without becoming the enemy—we have double strength and protection. We must be as shrewd as the fox and serpent—but as gentle and flexible as the dove—REMEMBER?

Dharma, I think this enough for today. We must keep the papers small to meet our financial problems—but you also need a bit of respite and ability to sit and consider response to this latest stupid barrage of legal documents just received. I believe you are beginning to "think", chela—go with their accusations and quit "fighting" and "defending". The opponent cannot degrade you—only himself, and Mr. Horn is perhaps setting himself up for his own demise within his own "unprofession". You can never be dishonorable because a George Green or a Steven Horn says you are dishonorable while projecting THEIR OWN mode of conduct. They only end up presenting their own lack of integrity, morality and lack of honor.

There is not one accusation made on the basis of anything except to emotionally cause you to struggle with possibilities. No—good business is GOOD BUSINESS and to say that you tried to rip off a SAVINGS AND LOAN which is birthed and nurtured in total corruption is but a fling of dung to distract. I would not have you in leadership of my assets and management teaching IF YOU DID NOT MANAGE WITHIN THE SYSTEM TO THE VERY BEST OF MORAL, LEGAL AND SHELTERING INTENT. FORGET THE BADGERING, FOR REMEMBER—THERE IS ALWAYS A BADGER TRAP!! LEAD THE SUCKER INTO THAT TRAP AND THEN SPRING THE DOOR SHUT ON HIM. YOU CAN USE A "HAVE-A-HEART" TRAP IF YOU LIKE BUT DO NOT TURN THE VARMINT LOOSE AGAIN ON THINE BROTHER. I BELIEVE, E.J., THAT IT IS TIME FOR YOU TO HAVE A MAN-TO-MAN TALK WITH MR. SPENCE FOR, BY THE WAY, THIS BLAST IS GOING TO PREVENT YOU GOING FURTHER WITH THIS CASE. THERE MUST BE A REASON!

Thank you for your service and allow us to accept and anticipate the changes coming, in joy, for we must always move into the "better"—not consider backsliding. Salu.

### SIPAPU ODYSSEY

"This journal which comes in 'fantasy' format is, in fact, **TRUTH** in every measure..."

"It was decided that we would first bring forth an 'acceptable' story line that would bear a particular message to the ones awaiting instructions and the knowledge that the time of final instructions and 'count-down' is at hand..." —HATONN

This journal is about the adventures of three people and their encounters with Native Americans of the Sipapu and their Space Brothers. It describes their amazing experiences after showing up at the Nevada nuclear bomb test site for a protest.

You will also find revelations large and small, from the ancient past and the future. *A fantastic, fun "fantasy"*. This was THE first work by "dharma", thought to be a Fantasy but now appreciated as the beginning of an en-Light-ening Reality Journey. With help from Little Crow of the Lakota, Dharma's public mission of translation for Higher Teachers begins here, as a sensitive love story of the Purification Times, which brings together a mystical "ancient" group from the "past", a Pleiadian space expedition from the "future", and some awakening volunteers from Earth's "present".

Sipapu Odyssey is in the early stages of being made into a motion picture utilizing the Pleiadian advanced technology of Futuronics.

"Who is Ashtar? I suppose great volumes of 'stuff' have been written about Ashtar, the entity. I will endeavor to identify myself so that flourishes are not added by cherished ones. I have been called a 'Christian Commander from Venus', a 'Supreme Director in charge of all of the spiritual Program' for your planet.

"I am honored, but I believe it would be more suitable to state that I am a dominant commander from the Etheric realms. Here, I always confront trouble, for your words do not actually define my position. I shall attempt at simple explanation.

"I have been around for a very, very long time. Under the sponsorship (I suppose is a good enough word) of Lord Michael and the Great Central Sun government of this, your galaxy. I suppose I rank overall second in command. I am not a discarnate energy (spirit); I am an etheric being. I have never taken human embodiment upon planet Earth. Many have inferred such; it is not true. I have been far too involved with affairs of the Universe to prattle around in human format on Earth. I serve at a very high involvement as a member of the councils scattered throughout this Universal Sector, serving in an advisory capacity at strategic levels of intergalactic affairs. I share responsibility with Esu Immanuel (Jesus) Sananda for the airborne divisions of the Brotherhood of Light." —ASHTAR

"You and I know that millions have died for freedom. And we appreciate beyond all human understanding the efforts and lives they gave so we could enjoy a certain measure of freedom. We will carry on now to regain those freedoms stealthily stolen from us by those who were supposed to watch out for our interests. Instead they have looked after their own selfish interests ahead of the common man. Way ahead. Let us now take up the pen, which is mightier than the sword, in the singular struggle to regain our constitutional rights.

"Let this be your clarion call if you have not heard one yet. This is it. Take effective action now in your own sphere of influence and keep at it. The battle of words and wits has only begun. # New Gaia Offers Journey To Health

## What Should We Be Taking?

5/26/95 SANDRA TULANIAN, D.C.

The times in which we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breath of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Aside from a core of products that New Gaia carries which will be discussed further on in this article, two brand new products are being offered that are extremely important to present first. They are **GaiaCol** and **OxySol**. **GaiaCol** is a combination of Colloidal Silver, Trace Colloidal Gold and Trace Crystalline Drias. This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin; and the uses for Colloidal Gold at that time were just beginning to present themselves. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. Interestingly, the antibiotics that they were producing had no effect on the more resistant viruses, fungi and parasites yet this did not stop the medical community from prescribing these drugs regardless of the type of infection. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic overprescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is non-toxic to humans and allows no known disease-causing organism to live in its presence. With the addition of Trace Colloidal Gold and Trace Crystalline Drias, the frequency of **GaiaCol** is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. **GaiaCol** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns. For internal use it is recommended to maintain with 3-4 drops, 3-4 times per day under the tongue and if an infection is present, start with 1 teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or, at the least, when symptoms are noted (symptoms may include cramps, bloating, diarrhea/constipation and a general feeling of malaise).

Please note that this product is said to be perfectly

safe for children and pets and can be taken with other medications without incident. Colloidal Silver is not addictive and the body does not build up a tolerance to it. For your information only, Colloidal Silver has been used effectively on the following: acne, conjunctivitis, allergies, rheumatoid arthritis, bladder inflammation, venereal diseases, eczema, appendicitis, boils, cancer, candida, otitis media, prostate problems, whooping cough, ulcers, plus many, many others. **GaiaCol** can also be used to wet wound dressings and bandages and help heal cuts, scratches, abrasions, fever blisters, etc. There is a myriad of uses for this product which makes **GaiaCol**, in my opinion, one of the most exciting and valuable products on the market today.

**OxySol** contains Colloidal Silver and Trace Colloidal Gold but has Hydrogen Peroxide (food grade) and other trace minerals to add a new dimension to the effects. Organisms that have plagued us for centuries may be destroyed using this product but the new, more resistant strains will require the higher frequency **GaiaCol**. When added to water, the **OxySol** will help to purify, which makes this ideal for taking to restaurants or for travel. When taken with **GaiaCol** you get a two-fold effect of combating foreign invaders and providing a greater oxygen content for the health of the cells from the Hydrogen Peroxide. **OxySol** is wonderful topically as well, but is not advised for burns (use **GaiaCol** for burns). The trace minerals found in **OxySol** are vital to our health because the nutrients that were once taken for granted in our vegetables and fruits have been systematically farmed out of our soil. These trace minerals need to be replaced, otherwise our bodies continue to be open season for aggressive bugs. Another use for **OxySol** is to rid the oral cavity of harmful bacteria by brushing your teeth with 4 drops **OxySol** on your toothbrush or use as a mouthwash or gargle. The recommended amount to take daily for system clearing is 6-10 drops, 3 times a day on an empty stomach. If taken with **GaiaCol**, reduce both daily requirements in half. If you are adding **OxySol** to your water, just add 1-2 drops in each glass of water. Both **OxySol** and **GaiaCol** are very powerful additions to our pursuit of health.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken

regularly, that is felt to be essential to health and well being. These products are: **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse Program**, **Chlorella**, **Spelt**, and **3-In-1**. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

**Gaiandriana** is a product that is said to help correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to dis-ease. Another benefit from consuming **Gaiandriana** is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. **Gaiandriana** is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

**Aquagaia** was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

**Aquagaia** is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the

age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both **Gaiandriana** and **AquaGaia** work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is **Gaialyte**. This is a fully integrated electrolyte liquid that is brought forth from the **Kombucha Tea**. The combination of tea and juice, vitamins, minerals, **Gingko Biloba**, **Echinacea**, **Chlorella**, oxygenators, **Aloe Vera** and **Gaiandriana** are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **Gaiandriana** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "**Tea Breeze**" **Kombucha Tea**. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called **Kargasok**, **Russia**. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of **Kombucha Tea** daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard **Kombucha Tea** as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through **New Gaia Products**, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **Gaialyte** and your favorite juice, or just drink it straight.

There is a **Kombucha Vinegar** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **Kombucha Vinegar** is not recommended for canning or preserving, it certainly is recommended for general consumption.

**CarbraGaia** is the membrane that is found in the mushroom fungus of the **Kombucha Tea** bathed in a nurturing amniotic-like fluid of **Gaiandriana** to aid the body in repair of connective tissue. This product was designed to replace the need for **Shark Cartilage** supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called **GaiaCleanse** has been developed that assists in the elimination of the nasty

parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as **Cancer**, **AIDS**, **Hepatitis**, **Hodgkin's Disease**, **Diabetes**, just to name a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GaiaCleanse Program** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GaiaCleanse** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

**Chlorella** is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **Chlorella** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

**Chlorella** is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **Chlorella**, in larger doses, is warranted.

Moreover, because of its superb food value, **Chlorella** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **Spelt** (**Triticum Spelta**) should be added to every diet in replacement of the standard wheat grain. **Spelt** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (**Mucopolysaccharides**) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **Spelt** to be easily digestible. What is most exciting is the delicious nutty flavor that **Spelt** offers to any baking needs. Another advantage of **Spelt** is the large amount of vitamin **B-17** found in the grain (also known as **Laetrile**) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. **Spelt** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **Spelt** grain can be ground up into flour and used in any recipe where flour is required. **New Gaia** offers the whole **Spelt** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "**Pycnogenols**". **Pycnogenol** comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief of a number of chronic conditions. The **3-In-1** product offered by **New Gaia** has been found to be superior to **Pycnogenol**. The research that has been conducted on the elements found in **Pine Bark** were primarily conducted on **Grape Seed Extract** because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the **Grape Seed Extract**

was even superior to the **Pine Bark** in that it contains a higher level and higher potency of **OPCs** (**Oligomeric proanthocyanidins**) which are the active ingredient for free-radical scavenging. These **OPCs** found in the **Grape Seed Extract** are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the **OPCs** found in **Grape Seed Extract** have been identified with: **Anti-aging** protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued **PMS**, and reduced inflammation of arthritis.

The other substances found in **3-In-1** are **Ester-C** and **Aloe Vera**. **Ester-C** is found to get into the blood stream faster and in larger amounts than other forms of vitamin **C** and wastes only a fraction of what other vitamin **C** products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin **C** because **Ester C** has a neutral pH. Each capsule also contains 150 mgs. of **Aloe Vera** which is the equivalent of one-and-one-half ounces of natural **Aloe Vera** juice. Excerpted from an article by **John C. Pittman, M.D.**, we read: "**Acemannan**, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in **Cold Processed Whole Leaf Aloe**. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called **3-In-1**. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **OxySol**, **GaiaCol**, **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse**, **Chlorella**, **Spelt** and **3-In-1** can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.
