IT'S HERE!

THERE IS NO UNABOMBER!

There is no "unabomber" or anything else afoot here except well laid plans for shutting down a nation, readers. I repeat: THERE IS NO UNABOMBER! There may well be bombs and explosions, downed airlines and blown-up airports—BUT THIS LATEST SHENANIGAN IS JUST MORE OF THE WELL-LAID BLUEPRINT OF SHUTTING DOWN EVERYTHING INTO EXECUTIVE-ORDER CONTROL. You witness a total regulation and control of the transportation system right through any packages and mail going by truck or train as well as airborne. I am asking that we publish the *Executive Orders* [see

*the sobering outlay starting on page 17, following this writing]* which your good buddy, Newt, pushed through, in full action. Then see how much difference you feel is present in the so-called "TWO" "different" Parties. YOU HAVE BEEN "HAD", AMERICA! THE *MISHPUCKA* HAS WON THIS ROUND! BUT THEY ARE NOT THROUGH; IT IS GOING TO GET SO MUCH WORSE AS TO STAGGER YOUR SENSES.

# So You Want To Plant A Garden?

6/23/95 RICK MARTIN

### THE SOWER

*That same day Immanuel went out of the house, and sat by the seaside.*

*And many people gathered around him, so that he had to go up and sit in a boat, and all the people stood on the seashore.*

*And he spoke many things to them in parables and said, "Behold, a sower went out to sow;*

*And when he had sown, some seed fell on the roadside, and the fowls came and ate it.*

*Other seed fell upon the rock, where there was not sufficient soil; and it sprang up earlier because the ground was not deep enough;*

*But when the sun shone, it was scorched, and because it had no root, it dried up;*

*And other seed fell among thistles, and the thistles sprang up and choked it.*

*And other seed fell in good soil and bore fruit, some one hundred-fold and some sixty and some thirty.*

*He who has ears to hear, let him hear."*

[Matthew 13:1-9.]

### CONSIDER THIS

With geophysical changes looming on the horizon, combined with awakening to the reality of nutritionless food, growing one's own food becomes an increasingly desirable idea. At some point in the not too distant future, it will become a necessity.

*"Give us the strength to encounter that which is to come that we may be brave in peril, constant in tribulation, temperate in wrath, and in all changes of fortune, and down to the gates of death, loyal and loving to one another."* [Robert L. Stevenson]

The Golden Rule as given by the Prophet to the Shawnee:

*"Do not kill or injure your neighbor, for it is not he that you injure; you injure yourself. Do good to him, thus adding to his days of happiness even as you*

*then add to your own.*

*"Do not wrong or hate your neighbor; for it is not he that you wrong; you wrong yourself. Rather love him, for The Great Spirit loves him, even as He loves you."*

Most people in cities have no idea how to begin a garden or even consider the possibility that such a thing can be done on a smaller scale using planter boxes. But for the average person in more rural areas who is unfamiliar with the often technical aspects of growing a garden, the prospect becomes too overwhelming to consider and is put off indefinitely.

*"...the Earth is utterly broken down, the Earth is utterly moved, the Earth is staggering exceedingly. The Earth shall reel to and fro like a drunkard and shall be shaken like a hut and its transgressions shall fall and not rise again."* [Isaiah 24:19-20.]

Well, dear readers, the time for putting off growing your garden, big or small, is past and it truly is the better part of WISDOM to take steps in this direction to insure quality nourishment in the days, months, and years ahead. I know that the time for beginning a garden may seem too late—but please remember that the garden spot you prepare will be needed and used not only this season, but for many years ahead. Therefore, even though it is late in the summer season, by all means, get busy. Also, buy a straw hat for sun protection.

The instructions here are something that I have personally used over the last fifteen plus years. If you follow the instructions explained here, it will work and you will have food to eat. This initial financial outlay can be considerable—but in subsequent years

the cost is relatively small. When you consider growing your own food rich in nutrients, the cost should be secondary. The charts within this article hold a wealth of critical information—by all means, **USE THEM**. Even the most sophisticated gardener can learn from the information contained within them.

*"Our old food we used to eat was good. The meat from the buffalo and game was good. It made us strong. These cows are good to eat, soft, tender, but they are not like that meat. Our people used to live a long time. Today we eat white man's food, we cannot live so long—maybe seventy, maybe eighty years, not a hundred. Sweet Medicine told us that. He said this food would be sweet, and after we taste this food we want it, and forget our own foods. Chokecherries and plums and wild turnips and honey from the wild bees, that was our food. This other food is too sweet. We eat it and forget...It's all coming true, what he said."* [Fred Last Bull, Keeper of the Sacred Arrows of the Cheyenne Tribe, told that to an audience in Busby, Montana, in 1967.]

### SIZE UP YOUR PROPERTY

An obvious first step is to survey your property to see what the most reasonable location for a garden would be. Always keep in mind the availability of water. Choose a location with lots of direct sunlight. Also consider overall size—the larger the garden is the more time and water it will take to maintain. You want an area large enough to produce sufficient food for you, your family and friends, but small enough so you are not an absolute slave to it. As a single person,

starting with a garden as small as 10 feet x 10 feet is not unreasonable. I would recommend, however, that larger would be more desirable. For the purposes of this article, I use the hypothetical garden space as 20 feet x 80 feet, which is a pretty good-sized garden for a small family. When you start planting more than a quarter acre, then you've got something which will keep you tied to it with a ball and chain.

If you only have an area where there is a lawn, consider pulling it up and planting a garden instead. In difficult times you won't want to eat the lawn—or perhaps I should say: you may want to eat the lawn but a garden will look a lot better.

In times of drought, a small, intensively grown garden is highly desirable as the yield is very high and it requires less water than traditional farming methods.

*"No one should control more arable land than he can maintain in a high state of productivity, the four great factors of which are good seed, suitable moisture, abundant available plant food and rational tillage. In a large majority of cases where failure, or partial failure of an abundant crop is observed the meagre results are due to a partial lack of one of these four fundamentals."* [Isaac Phillips Roberts from *Ten Acres Enough*.]

### SEED

Once you've decided to put in a garden, then you need to choose what you'd like to grow—always keeping in mind the specifics about your particular geographical region and the time of year. **GET YOUR SEED ORDERED ONCE YOU'VE GIVEN SOME CAREFUL CONSIDERATION TO IT, AND THAT WAY THE SEEDS CAN BE ON THEIR WAY TO YOU WHILE YOU COMPLETE OTHER ASPECTS OF THE GARDEN PREPARATION. ORDER SEED FIRST, THEN PREPARE THE SOIL. ALSO, ORDER NON-HYBRID OR SO-CALLED "HEIRLOOM" OPEN-POLLINATED SEED.** With this type of seed, which is rare in this country, you may replant year after year after year using seed from your own crops. Most seed at grocery stores, hardware stores, and most seed companies are hybrid—which means that you can only use the seed for one growing season—and then you need to repurchase seed for the next year. **THIS IS SOMETHING YOU WANT TO AVOID IF AT ALL POSSIBLE. PLAN ACCORDINGLY AND ORDER NON-HYBRID SEED—IN THE YEARS AHEAD YOU AND YOUR FAMILY'S LIFE COULD DEPEND ON IT!** Here are some non-hybrid seed companies that I strongly recommend you communicate with and get their catalog: [Please tell them *CONTACT* sent you.]

### HIGH-YIELD GARDENING— RAISED BEDS

*"...ere long the most valuable of all arts will be the art of deriving a comfortable subsistence from the smallest area of soil. No community whose every member possesses this art can ever be the victim of oppression in any of its forms."*

[Abraham Lincoln, 1859.]

Once you've identified the location for your garden, then the work really begins. This article will concentrate primarily on raised-bed gardening, which is referred to by various names. The beds generally are rectangular in overall shape, varying in width from 3-5 feet across and whatever length you determine but if the shape of your particular piece of land is such, the beds can take on curves or even become circular. The finished beds are elevated above the ground, anywhere from six inches to a foot high. But let's begin with soil preparation, because without that there won't be any food for the table.

Why raised beds? Well, for one thing, raised beds can solve a wide range of gardening problems. Here are just a few:

#### HOW HIGH-YIELD GARDENING CAN SOLVE THESE COMMON GARDENING PROBLEMS

According to a National Gardening Survey, the following are the most vexing problems that plague backyard growers. The techniques used in high-

yield gardening can solve or even prevent these common dilemmas.

Not Enough Water	The high humus content, uncompacted soil, and the self-shading created by closely spaced plants act to conserve soil moisture deep down. Beds allow you to concentrate a limited water supply directly where it's needed; you won't waste water on pathways. It's easy to lay out an efficient drip irrigation system among beds. Plants growing in raised beds develop deep, probing root systems and are more resistant to drought.
Insects	Mixing plantings within a single bed (instead of growing row upon row of the same crop) confuses insects, making it harder for them to locate their host plants. It's much easier to monitor each plant's development in the confined areas of a bed, so insect problems can be caught early, when they're easier to treat. Entire beds can be outfitted with a cheesecloth or other covering to keep egg-laying worms away.
Weeds	Closely spaced plants that form a "living" mulch in conjunction with standard mulches laid on the soil control weeds and cut down on the time spent weeding.
Hot Temperatures	Closely spaced plants shade the soil and each other, offering some relief from the heat. Interplanting taller and shorter crops shades the lower level planting. Lath or other shading structures are easy to set up to cover a whole bed.
Too Much Water	Raised beds drain very quickly and alleviate soggy soil conditions.
Animal Pests	Birds and rabbits can be kept at bay by covering beds with curved frames draped with plastic netting. You can get in and out easily, but the wild creatures can only gaze instead of graze.
Problems with Plant Growth and Soil Conditions	Raised beds overcome problem soils. You can create ideal growing mediums inside the beds by blending soil, sand, manure, peat moss, and other amendments. You can also tailor the soil to meet plants' specific nutrient needs. Because beds are never walked on, plants have a soft, deep area for excellent root development, which encourages strong, healthy plant growth.

Spectacular yields depend first on soil conditioning that can readily meet the heavy demands of close planting, carefully timed successions, and a growing season stretched to its absolute limit.

*“Teach us to know and to see all the powers of the Universe, and give to us the knowledge to understand that they are all really one Power.”* [Black Elk.]

I will assume that most of you putting in your first garden will not go to the trouble of having your soil actually “tested”. But if you do, keep in mind that most plants thrive on a pH range anywhere between 6.0 and 7.5. A good rule of thumb would be: Assume your soil is very poor and needs amending with nutrients and organic matter. It is essential to have organic material in the soil, such as manure, compost, minerals, or combination amendments which loosen the soil to allow for retention of moisture and healthy root growth. If you are purchasing manure, be sure it is “aged” 6 months to a year—otherwise you’ll end up with a lot of weeds and grass seed in the garden. Most bagged manure at nurseries is sterilized and aged. In many rural areas manure is readily available from local ranchers and is generally advertised in the want-ads, and often will be delivered for a fee. Larger gardens can require quite a few cubic yards of manure and it is considerably less expensive in bulk—however the danger comes in not knowing if it is “aged”, and that can really make the difference if you end up with a huge pile of grass or weeds in your garden.

Go out to the area you’ve chosen as a garden spot and carefully examine and feel the soil. Here is one guide which may be useful to you.

*“Creation does not take place where there is a scattering and dissipation of energies. Creation requires a gathering together and focusing of your power within a circle of commitment—like a seed, an egg, a womb or a marriage. If you would create and not*

*destroy, you must remember always the Sacred Hoop. Consider wisely the ways in which you would use your power and then around those ways draw the sacred circle of commitment. In the warm atmosphere of that circle, the power of love builds and builds like a storm above the wet summer prairie until suddenly the circle can hold no more and explodes in the conception of the new.”* [words spoken by White Buffalo Calf Woman, from Ken Carey’s *Return of the Bird Tribes*.]

DISCOVERING YOUR SOIL TYPE FIRSTHAND

If It Looks . . .

hard baked, crusty, and perhaps even deeply cracked when allowed to dry out

scarce in pore spaces holding air and water

devoid of individual particles

And Feels . . .

harsh and rock hard when dry

sticky, greasy, or rubbery when wet

And Is . . .

hard to work

very slow to absorb water and to dry out

slow to warm up in spring

likely to form large, congealed lumps if worked when wet

It Needs . . .

substantial additions of organic materials to break up the compaction and open channels for aeration and drainage. Some good choices: compost, manure, leaf mold, rice hulls, peat moss, coarse sand, sawdust, and wood chips.

lime to improve its texture and free locked-up soil nutrients for the use of plants.

leguminous green manure crops.

spading or tilling in fall to expose massive solid clods to the weathering action of freezes and thaws.

continual augmenting with large amounts of organic matter to hold water and nutrients within the range of plant roots.

manure worked in deeply in autumn or winter.

plentiful applications of peat moss, compost, leaf mold, or sawdust in topsoil layer.

green manures to build structure.

layers of gravel or drainage tiles to improve drainage.

lime added as needed.

loose and friable

grainy and gritty

easy to work

quite porous

crumbly and won't hold its shape when squeezed

quick to warm up in spring

full of large, irregularly shaped mineral particles

fast drying

more or less devoid of larger pieces or granules

low in nutrients because soluble plant foods are lost through leaching

very dark brown

like moist peat moss when squeezed

easy to work

full of organic matter in varying stages of decay

slow to warm up and dry out in wet springs

granular and porous

slow to decompose

low in minerals

full of crumbs of various sizes

spongy, compacting readily into a ball when squeezed, but falling apart readily when prodded

easy to work

quite porous

very productive

or floury and talcum-powdery when dry and only moderately plastic when moist

well drained yet able to retain moisture as it is needed

well aerated

retentive of nutrients

regular infusions of organic matter to maintain its already excellent fertility and structure.

PREPARING THE SOIL

The next intermediate step will be to till the soil. Many gardening purists insist on digging by hand—but I have found over the years that a rototiller can be a good friend indeed.

There are a variety of excellent books available on the subject of raised-bed gardening, and most go into great detail about double-digging the beds by hand while adding various soil amendments. The instructions I am providing here are geared for those of you readers who have never planted a garden, aren't particularly interested in digging a quarter-acre plot by hand but would still like to prepare some soil in which to grow food without killing yourself in the process.

Tilling is best when the soil is somewhat moist but not soaking wet. Many types of tillers are good; I prefer Troy-Bilt. Very dry soil is difficult to break-up and the tiller will tend to "buck". If you are starting your soil preparation during the summer months, you may have to heavily water the garden area over a period of several days and then wait for it to partially dry out. Somewhat moist is best—soggy wet is not.

Once you've tilled the soil so that the top foot or more is loose, then you are ready to begin adding the necessary soil amendments to properly build up the soil. Here are some guides for your assistance.

And It's...

CLAY If other kinds of particles are present in quantity, such soil can be classified as a stony clay, gravelly clay, sandy clay, or silty clay.

SANDY Depending on the size and texture of the particles, such soil may be classified as gravelly, coarse, medium, fine, or loamy sand.

MUCK or PEAT Peat is not fully decomposed. Muck is the same soil in a more advanced state of decay. It tends to be waterlogged and lacking in lime but rich in nutrients such as nitrogen.

LOAM A mixture of sand, silt, and clay, this close-to-ideal soil combines the best qualities of light and heavy growing media. Depending on the kind and size of the particles that predominate, a sample may be categorized as a coarse, sandy, medium sand, fine sand, silty, stony silt, or clay loam.

Depending on where you live, your local nursery can provide you with a wealth of information. Different nurseries have different soil amendments. There are many excellent "soil building" products on the market—some organic, some not. Don't get too "hung-up" on a strictly organic approach, but you certainly do want some organic matter mixed into the soil for healthy root production for your crops. What you elect to use may very well be determined by what is available in your area. I have often been frustrated by this one point. Try not to be—use what is available to you.

10. Do not plant for 2 weeks if using more than 3 pounds blood meal per 100 sq. ft. It can burn the plants during this time since it releases nitrogen rapidly at first.

11. 1 cubic yard equals 27 cubic feet. 1 cubic yard will cover 100 sq. ft. 3" deep. 8 cubic feet will cover 100 sq. ft. 1" deep. 2 cubic feet will cover 100 sq. ft. 1/4" deep. You can substitute manure for compost the first year if you do not have a ready supply of compost.

12. Beginning the sixth year your legumes, cover crops, and recycled plant materials (in the form of compost) can provide most of your nitrogen, phosphorous and potash. Double-check this periodically with a soil test.

13. For trace minerals: kelp meal is 33% trace minerals.

13a. Except for first double-dig when it is added before.

8. Addition of nutriment at these levels is optimal.  
9. Because of the growth hormones kelp meal contains, do not add more than 1 pound per 100 square feet per year.

## ANALYSIS OF RECOMMENDED ORGANIC SOIL AMENDMENTS

N, P and K refer to the three main nutrients plants need: NITROGEN for green growth and in compost piles to speed decomposition, PHOSPHORUS for root growth, disease resistance, and production of good fruits, vegetables, and flowers, and POTASH for strong stems, vigorous roots and increased disease resistance. Plants also need HUMUS which is provided by decomposed organic matter such as compost and manure. For information on the application rates for organic fertilizers when a soil test is not used, see the Fertilizer Program Table which follows this table.

### NITROGEN

#### *Cottonseed Meal*

3-5% N 2% P 1% K Lasts 4-6 months. Use up to 10 lbs./100 sq. ft. Fair source of nitrogen. Especially good for citrus and azaleas because it has an acidifying effect on soil.

#### *Blood Meal*

12.5% N 1.3% P .7% K Lasts 3-4 months. Use up to 5 lbs./100 sq. ft. A quick acting source of nitrogen, good for slow compost piles. Can burn plants if using more than 3 lbs. per 100 square feet. If using higher amounts, wait 2 weeks to plant.

#### *Hoof & Horn Meal*

14% N 2% P 0% K Lasts 12 months. Use up to 4 lbs./100 sq. ft. Highest nitrogen source. Slow releasing: no noticeable results for 4-6 weeks.

#### *Fish Meal*

10.5% N 6% P 0% K Lasts 6-8 months. Use up to 5 lbs./100 sq. ft. Good combined nitrogen and phosphorus source.

### PHOSPHORUS

#### *Bone Meal*

3% N 20% P 0% K Lasts 6 months to 1 year. Use up to 5 lbs./100 sq. ft. Excellent source of phosphorus. Especially good on roses, around bulbs, and around fruit trees and flower beds.

#### *Phosphate Rock*

33% P Lasts 3-5 years. Use up to 10 lbs./100 sq. ft. Very slow releasing.

#### *Soft Phosphate*

18% P Lasts 2-3 years. Use up to 10 lbs./100 sq. ft. Clay base makes it more available to plants than the phosphorus in phosphate rock, though the two are used interchangeably.

### POTASH

#### *Kelp Meal (Seaweed)*

1% N 0% P 12% K 33% trace minerals. Lasts 6 months to 1 year. Excellent source of potash, iron, and other minerals. Reportedly, the proper amount of trace minerals in the soil may mean only one-half the fertilizers will be needed for the same growth and yield! Kelp meal is also a natural fungicide. Use sparingly (up to 1 pound per 100 square feet per year) because it contains growth hormones.

#### *Wood Ashes*

1-10% K Lasts 6 months. Use up to 1-2 lbs./100 sq. ft. Ashes from wood are high in potash and help repel root maggots. Ashes also have an alkaline effect of the soil, so use them with care if your soil is already alkaline. Black wood ash is best.

#### *Crushed Granite*

3-5% K Lasts up to 10 years. Use up to 10 lbs./100 sq. ft. Good slow-releasing source of potash and trace minerals.

#### *Greensand*

0%N 1.5% P 6.7% K Use interchangeably with crushed granite.

### SOIL pH SCALE

A pH reading tells you the relative acidity/alkalinity of the soil. Most vegetables will grow well in a range from 6.0 to 7.5. 6.5 is probably the best all round pH. In extremely acid or extremely alkaline soils valuable nutrients are tied up and thus unavailable to the plants. An acid soil can be sweetened by the addition of dolomite lime. An alkaline soil can be brought closer to neutral by compost or manure. Compost has a buffering effect on soil, correcting both acid and alkaline conditions.

### SOIL MODIFIERS

#### *Dolomitic Lime*

A good source of calcium and magnesium to be used in acid soils. Do not use lime to "sweeten" the compost pile; it results in a serious loss of nitrogen. You can discourage flies and odors with a layer of soil.

#### *Gypsum*

Gypsum is not needed by organic gardeners. It is normally used commercially in soils made impermeable by excess exchangeable sodium.

#### *"Clodbuster"*

15% Humic Acid 5.5 pH Lasts 1 year. It is crushed "rock" deposits made up of ancient plant and animal remains. Helps make soil less alkaline and releases nutrients tied up in the soil. Use up to 1 lb./100 sq. ft.

#### *Crushed Eggshells*

High in calcium. Especially good for cabbage family crops. Help break up clay and release nutrients tied up in alkaline soils. Use up to 2 lbs./100 sq. ft.

#### *Manure*

A good source of humus in the garden. Nutrient levels depend on proper handling and the amount of straw or sawdust present. Large amounts of bedding may add up to 2 years to the decomposition time.

*"It is a fundamental error to suppose that farming is neither a business nor a profession. It is a business which requires the highest business talent, it is a profession which requires the best technical skill...No other profession requires such a variety of learning, such an insight into Nature, such skill of a technical kind in order to be successful, as the profession of farming."* [Harvey W. Wiley from *The Lure of the Land*.]

Once you've purchased and spread your soil amendments (which can include manure, organic compost, and other material) across the entire surface area of your garden spot, once again, till the soil with the rototiller—or dig by hand if you are so inclined.

Fertilizer, whether organic or commercial, should be spread across the top of the completed beds and then lightly worked into the top several inches of the soil. Therefore, when spreading amendments for tilling into the soil, hold the actual fertilizer aside for the final step after the beds have been constructed.

### BED CONSTRUCTION

Once you've spread the soil amendments over your garden area and have rototilled it thoroughly, next comes the hard part (physically). For the sake of discussion, let's say your garden area (plot) is 20 x 80. At this point you'll be needing a flat, square-end shovel with a short handle. Beginning at one end, shovel an outer pathway along the 80 foot side. The pathway will be approximately 18 inches wide. As you shovel (deeply) the soft, tilled soil, throw each shovelful right next to you as you go—on what will be your first bed. The beds will be, on the average, about 4 feet across. You could, theoretically, have a bed which would, in this case, measure 4 feet by 80 feet. (It is nice to break up these long beds with cross pathways for ease of moving around in the garden.)

When you have finished shoveling your first outer pathway by placing the excess dirt onto your first bed—then measure 4 feet across and mark it with occasional stakes or with stakes and a long string. Then, beginning at one end along the 20-foot side, 4 feet in from the 80-foot outer edge, begin shoveling an inner pathway. The pathway should be whatever width you are comfortable with—don't crowd yourself—18 inches is a good standard (less if space is limited). With the first shovel of dirt, throw it immediately to your left. With the next shovel, to your right—left then right, left then right until you are all the way across the 80-foot length of land. You now have an outer path, one 4-foot very rough looking bed, another path, and then the rest of the plot. Repeat the process. In the end you will have 4 raised beds,

approximately 4 feet across and 80 feet long. good idea.

### SHAPING THE BEDS

Now, using a long-handled (preferably wide) rake you will begin to shape and even out the beds. The beds should be, for all intents and purposes, flat on top.

When there is a lot of organic matter in the soil, the beds can be shaped as rounded mounds, but for purposes here I'll generically describe them as "flat-surfaced". You'll be able to tell by the texture of your specific soil what is the most appropriate shape for your unique garden. A flat surface tends to be the easiest to work with.

With the flat-surfaced bed, sides should be at a 45-degree angle to the horizontal—in other words, a moderate slope upward. As you work with the dirt you will develop a "feel" for it.

Once you've completed the general shaping of each of the beds, you should be pretty tired, so, take a break and have some lemonade.

Now, sprinkle the chemical or organic fertilizer evenly across the top of each bed. Then, gently work the fertilizer into the top several inches of the beds with a rake. When complete, smooth the entire top of each bed to a flat surface. Then, take a piece of plywood, say 2.5' x 4' and place it across the far end of the first bed. Stand on top of the board and gently jump up and down—you will flatten the surface of the beds to the extent that they will keep their shape in all weather conditions. Step off the board, move it slightly and repeat the process until the entire surface is gently flattened. Do this to all of the beds.

I would also recommend, with the beds now complete, that you drive wooden stakes into the ground at various spots around the edge of each bed—say, the four corners and then every six to ten feet—right up to the outer edge of the bed. These stakes, say four inches wide, 1 inch thick, by 1 foot long—will serve as "hose guides". As you drag hoses around your garden, this will prevent the hose from running up the sides of your beds and destroying your plants (which can often happen in a mere moment).

### FENCING

Prior to planting and depending upon where you live, you may want to consider putting up a wire fence to keep out dogs and cats and animals like rabbits who may view your garden as theirs. Just one animal can do a great deal of damage to the completed beds. Cats will often use the soft dirt in a freshly prepared garden bed as a "litter box".

Generally speaking, fencing your garden is a

### PLANTING

Using the raised-bed method of gardening, due to the loose soil structure, you are able to plant the rows closer together because the roots themselves grow straight down rather than flattening out with harder soil. You are also able to plant closer together within rows. Therefore, the overall yield is higher in a smaller space. Due to the high percentage of organic material in the soil, by using the raised-bed method the plant's root structure develops more fully and is, overall, healthier. A healthy root structure equates to greater yield of food production. The old saying, "Everything is connected to everything" really applies to gardening.

A good recommendation, even though slightly more costly, is to "sow heavy"—that means, use quite a bit of seed within the rows while you are planting and then "thin out" the plants later. This will prevent bald spots or open spots within the rows. Also, a common mistake for new gardeners is to plant the seed too deep—don't do it.

You want to plant (and later thin) in such a way as to have the mature leaves of the plants touching one another row-to-row. This creates a "mini-green-house effect" or a "living mulch" effect which softens the negative effects of hot mid-day sun. After all, sun-scorched plants must first repair damage before devoting energy to further growth development. Planting in this manner also shades the topsoil, thus preventing excessive water loss due to evaporation and it also discourages weed growth. The raised-bed method of gardening is really the very best of many approaches. And, by the way, with raised beds you don't have to lean over as far to harvest or pull weeds throughout the season. I believe this is why the Irish refer to raised beds as *lazy beds*.

You will probably want to plant some flowers throughout your garden. They add color and some, such as sun-thriving marigolds, deter insects. Plant flowers that you'd like to see and use for dinner-time table decorations. Mix it up a bit.

Also, when planting, don't plant all of any given crop at the same time—particularly with something like lettuce. Plant a few rows, then leave some open space for a second, or rotation planting. That way you always have fresh lettuce

when the old lettuce has *bolted*, or gone to seed (which tends to happen in very hot weather). Here is a chart to assist in your planting.

## THE TWELVE MOST VERSATILE AND PRODUCTIVE HERBS

### FIRST GROUP

This tremendously productive annual imparts a unique flavor to sauces, stuffings, soups, salads, and meat dishes. Good bets are the compact 18-inch-high BUSH BASIL and the larger-leaved LETTUCE LEAF, which is great for drying. Other recommended varieties are FESTIVAL SWEETS, DARK OPAL, and LEMON, which is strongly favored by The Liberty Herb Farm in Maine, because "it makes wonderful herb vinegar and is excellent with fish and salad." BASIL SPICY GLOBE (48) is a spacesaver.

The most frequently mentioned variety of this tomato-mate and meat stew and salad-enhancing herb is the tender evergreen GREEK form, which grows to 18 inches or more. According to Carol Hildebrand of Casa Yerba in Oregon, GREEK is best for long-cooked dishes, while the 16-inch-high ITALIAN oregano excels in quickly prepared soups and salad dressings.

Thyme is superb mixed with soft cheeses and as a seasoning in stuffing, salad dressings, gravies and sauces, and egg and meat dishes. Marilyn Hempstead of Fox Hill Farm in Michigan reports that both ENGLISH and LEMON thyme "offer a big return for the space." The ABC Herb Nursery in Missouri recommends the "really high-yielding" ST. LOUIS thyme.

### SECOND GROUP

This grassy, bunching, 12 to 18-inch-high perennial member of the onion family is endlessly useful as a flavoring agent in sauces, soups, and salads of all kinds. Many herb growers also recommend garlic chives, which combine the flavor of mild garlic and chives.

An extremely hardy perennial, French sorrel grows 2 to 3 feet high. Its tart green leaves are high in vitamin C and make a tangy addition to salads or are tasty cooked together with other greens like spinach or cabbage. This herb also is the star of a famous French soup.

Unusually prolific and adaptable, this 2 to 2½-foot-high self-renewing perennial is tasty as a solo tea or added to tea and other beverages. It also contributes a pleasant subtlety to vegetable and fruit salads. Lemon balm attracts bees for better pollination of other garden plants.

Though not as sweet as the curly form, flat-leaved parsley is recommended by Kent Taylor of Taylor's Herb Gardens in California and by Anna Smith of Country Herbs in Massachusetts, who cited its "tremendous yield" and suitability for most cooking purposes.

A perennial herb that blends well with eggs, soups, gravies, stuffings, fish, and meats, sage comes in several varieties, some quite ornamental. The yard-high HOLT'S MAMMOTH is favored by one southern herb farm because it is fast growing and doesn't die back. But a better choice in intensive gardens might be DWARF SAGE—a 12-inch-high form that is less likely to be winter-killed in northern areas.

The French form of this anise-flavored, 2½-foot-tall perennial is the most superior. According to Fairman Jayne of The Sandy Mush Herb Nursery in North Carolina, French tarragon loses no flavor "even when grown under very intensive conditions." Much more flavorful fresh than dried, this herb makes a delightful vinegar and is superb in tartar and other white sauces, and with fish, cheese, eggs, and cauliflower.

### THIRD GROUP

Hardy and self-seeding, this fernlike annual attracts honeybees when allowed to mature to 2 or 3 feet. Dill needs just 8-inch spacing on all sides. If harvested young, it can be interplanted with cabbage, carrots, cucumbers, lettuce, and onions. Dillweed is a tasty addition to cheese or tofu dips, soups, salads, and creamed entrées. It's also a staple in making vinegars and pickles.

Upright forms of this elegant tender perennial are often recommended, but North Carolina grower Fairman Jayne says the most productive variety for small spaces is the foot-long creeping HUNTINGTON CARPET rosemary. North of Virginia, rosemary must be protected over the winter or taken indoors. This very decorative herb makes an unforgettable accompaniment to meat and poultry and is also memorable in soups, stuffings, gravies, sauces, and salad dressings.

The compact, 1½-foot-high annual SUMMER variety of this spicy plant was preferred by all but one of the growers who included it on their lists. Once called "poor man's pepper," savory's small, zingy leaves can be used to perk up soups, salads, sauces, or sandwiches.

WATERING THE GARDEN

Once again, don't be a slave to the garden unless you want to be. We live in a modern age and one in which, thank God, there are digital, battery-operated automatic timers which you can attach directly to your faucet and garden hose system. It is possible to program up to 4 waterings per day with a quality timer, which is well worth the expense in the time it saves you. Keep in mind, while the timer waters the garden, you can go somewhere else.

Just a few tips—while it is true that overwatering is a common problem, underwatering is a real mistake—particularly in the very beginning of germination. **DO NOT LET THAT NEWLY PLANTED SEED DRY OUT—EVER.** If you are watering several times per day by hand, you will literally be able to tell when enough is enough. If you are using a timer, which I **DO** recommend, you'll just have to play with it a bit to get it "just right". But under no circumstances let the seed dry out. I cannot emphasize this enough: It is better to overwater, if you must, than to underwater in the beginning. Besides, the raised-bed method of gardening will be more forgiving of a bit of overwatering than will a regular, hardpack farming method.

But what kind of sprinkler should I use, you may ask? **AN OSCILLATING SPRINKLER IS, IN MY OPINION, THE MOST PRACTICAL.** Also, they do have plastic Y adaptors to allow for two hoses, and thus, two sprinklers off the same water line. Keep in mind, I'm giving instructions here for a low-maintenance garden that will grow quality food. If you want to live in the garden day and night, that is your choice and you certainly are free to do so. My only point here is that over-work isn't necessary to get results that you'll be delighted with.

WHAT NOW?

If you have followed the instructions to this point, you're there! As the vegetables begin to grow, thin them carefully. I always recommend using a sharp knife when harvesting. For example, when harvesting lettuce I like to cut away the outer leaves while letting the plant continue its growth. Experiment.

I believe you will find that growing a garden is an extremely rewarding experience—not to mention the quality of food you'll soon be eating! If it is done right, it can even be **FUN**. Learning about gardening is a lot like life—it takes time and just goes on and on and on. The secret lies in beginning.

If you've completed the garden, you've accomplished a great deal. A garden at home is worth ten insurance policies, because when all is said and done you can now go out into your own back yard and pick your next healthy meal. Well done!

*"We are gardeners, you and I, in the Garden of the Conscious Presence. We draw the substance of the past into conceptions of the future. I am the source of the garden's design and I return to the garden through you. Together we tend the fields of possibility, drawing forth the inexhaustible beauties of structure, objectifying wonders, and manifesting new orders.*

*As each universal context spirals outward toward maturation, it gives birth to new and more intricate contexts within itself, revolutionizing former understandings of scale and revealing a host of new worlds to explore, inhabit, and enjoy. Each successive order of manifestation becomes the basis of yet another order and then of still another. WHAT ONE PLANT WILL YIELD

Knowing how many pounds of peas that one plant, or seed, will produce or how many cucumbers to expect from one vine is invaluable when you're planning your garden. For vegetables that yield once per plant, like carrots and onions, the figuring is easy. But what about all those that yield steadily over weeks? Here is a list of vegetables and the yield you can expect from one plant of each.

One Plant	Produces		How Often
	QUANTITY	WEIGHT (LB.)	
Asparagus	1 spear	1/12	per week for 4 weeks
Beans (lima)	—	1/25	per week
Beans (snap)	—	1/16	per week for 3 weeks
Broccoli	—	2/3	main head plus 1/3 lb. per season
Brussels sprouts	100 sprouts	3	per season
Cantaloupes	2 cantaloupes	2	per season
Cucumbers	2 cucumbers	1	per week
Eggplants	1 eggplant	1/2	per week
Peas	—	1/16	per week for 4 weeks
Peppers	1 pepper	1/4	per week
Potatoes	—	2 3/4	per season
Squash (summer)	3 squash	1	per week
Squash (winter)	1 squash	1	per season
Sweet potatoes	—	1	per season
Tomatoes	3 tomatoes	1	per week

# Little Signs That America Has Fallen For Satan's Symbols

6/29/95 #1 HATONN

## THIS PAINFUL JOURNEY

Sometimes things come to my attention that are so cruel as to stun me. As I try to pass a writing by in order to finish our own subjects under way I am pulled back again and again as I realize that what I hold is so precious, so heart-rending, so insulting and ugly that it must be attended.

You, as the population mass, don't hear about "little things" which take place in that which is distant from you and if you aren't "informed" you don't "notice", even if you might otherwise be offended or, at the least, compassionate.

There is a city called Seattle (Washington State). "Oh, we know that, Dummy!" you will retort. Ah, but what do you know ABOUT Seattle? "Oh yes," you retort, "That city is named for the Indian Chief, Seattle?!"

What's in a name, I ask you? What does a word or a name mean? Let us do a little checking here: What means *Sakoiatisan*? "Is this Russian or something?" you ask. "Give us a clue!" Well, it may be Russian for it is rather universal. "Oh no, it can't be," you say, for "I would know if it was universal." How about *Kitche Manitou*? "Oh yeah, that is some kind of semi-fish thought to be a mermaid, down in Florida or somewhere!" How about *Taiowa*? "Didn't you say that was part of Little Crow's label?" No, but it FITS and perhaps I may have referred to something similarly notable. How, then, about *Wakan Tanka*? "Sure, we gotcha there, Big Boy, that is a walking-Tonka toy truck."

Do you realize that even "Creator" has a different tag than "Creator"? How about *Sotuknang*? Certainly the Hopi and Chief Seattle would understand these terms. Well, following on, the names above are names for the Great Spirit, God, Creator.

"Ah, you fooled us and that isn't fair and besides, some of those terms are bigoted and refer to God as a male and He isn't—He's a—ah—a—a something, but not respective of male. So those names you gave us can't be 'right'."

"GOD" simply connotes an anthropomorphic being who dwells outside of humans and Nature. Well, Readers, that can't be correct—for God dwells within all humans and all Nature. Now we can go further and suggest *Taiowa* and *Wakan Tanka* are NOT representative of "male deities" or something "outside". These names represent the sum total of ALL THINGS.

NAMES DO MEAN SOMETHING, READERS. You may not be able to help what your parents named you but you CAN help what you honor. And carelessly or intentionally honoring that which is Evil, in ignorance or stupidity, is offensive and hurtful to brothers who honor this Great Spirit of all LIFE (which is ALL things and beings).

Most of the *Mishpucka* ("Jewish International Crime Family") have changed their names to fool the masses, hide the guilty, and now, take the world into possession and control. I didn't MAKE THESE TERMS; THESE ARE "THEIR" OWN TERMS FOR READY REFER-

ENCE!

Among these notable *Mishpucka* Bolsheviks who overthrew CHRISTIAN Russia are some of the most brazen and Evil persons ever to set foot on Earth's soil. In their Khazarian sweep across Europe and Russia (supported by Rothschilds and Rockefellers, both Jewish with changed names), these birthed the "Communist Party".

To accomplish making my point for the following offering I must remind you of the deceivers that "took" Russia, made her Communist at massive taking of LIVES (a total bloodbath) and MILLIONS upon MILLIONS of Christians were slaughtered—but now forgotten in the tale of "Poor Jewish" Holocaust—which didn't happen as presented. The head of this incredible dung heap was a sniveling little viper known as "Lenin". Directly from those who called themselves the "Serpent People" Nikolai Lenin was a Khazar (Talmudic Jew) from *Sibirsk*, named after a son of Togarmah and half Jewish. There was next a despicable Jewish butcher, Leonid Trotsky (true name *Bronstein*), founder of the Red Army and author of the instruction book, *In Defence of Terrorism*. Then came the rest of the "Board of Directors" OF THE EVIL EMPIRE. *Zinoviev, Lunacharsky, Kamenev and Sverdlov*. (All had CHANGED NAMES—ALL WERE JEWISH.)

Now to fit these bits and pieces of information together let me assume you are "Jewish" and you live in a ghetto of New York. How about we put up a massive honorary STATUE of Adolf Hitler IN YOUR DOORYARD, YOUR TOWN CENTER? Even the "equality of sexes" pushers probably wouldn't sit still for such a thing, would they?

Well, in the city of Seattle, where there is a large Russian, NOT SOVIET, BUT RUSSIAN POPULATION, A STATUE OF LENIN IS BEING ERECTED TO HONOR THE BASTARD BEAST OF SATANISTIC KHAZARIANISM. Can you not see how insipid and sly are the tactics? Once you allow the foot in the door, the salesman or criminal will come on in. I AM TELLING YOU PEOPLE—THE BEAST IS IN THE HOUSE!!! THIS ACT INDICATES BY "FLAG" OR SYMBOL THE TAKING OF AMERICA FROM COAST TO COAST!

## AND WHO WILL TELL YOU?

This is THE biggest SIGN OF THE TIMES that has hit the West Coast, and yet *Spotlight* wouldn't even give the Russian group in Seattle hearing enough to even offer a FAX number for their 'statement' regarding this insipid statue to enslavement. All the world claimed to hate Communism and held disdain for the pushers of that "Evil" Beast and Empire. YOU HAVE BECOME THE "EVIL EMPIRE". YOU NOW PLACE IN THE HIGHEST PLACES OF HONOR SATAN'S SYMBOLS, RITUALS AND SERVANTS. You, in Congress, have two of the largest "Faschii" IN THE WORLD. These hang on the FRONT wall of the great hall, presiding over everything Congress does. These are two huge Fascist symbols of the "Bundled Axe" (meaning and representing Fascist-Axis Power). The BLUE flag of the U.N. is a counterpart of the BLUE-

WHITE FLAG OF ISRAEL, and the BLUE HELMETS OF THE U.N. REPRESENT THE BLUE TURBAN AS SHOWN BY SIR NOSTRADAMUS. Your very Federal Reserve Notes HONOR, TOTALLY, the Illuminati (now called the New World Order as established by the Khazarian Jewish Anti-Christ).

Is THIS hate-literature? IT IS TRUTH! And, may God forgive you for your deliberate BLINDNESS. Further, I am sick to soul of you ones spouting Jesus, Jesus, Jesus Christ—in one breath and LEAVING CHRIST OUT OF EVERYTHING YOU DO AND REPRESENT. "Jesus" AND "Christ" ARE NOT SYNONYMOUS TERMS! One is the "name" of a man as given, not by his parents or in truth, but by Saul of Tarsus (after the man's departure to Greece) to a man he hated and tried to destroy in every known manner possible. "Christ" is A STATE OF BEING IN GOODNESS (GOD-NESS)

FROM: GEORGE SPRUKSTS, CURRENT PRESIDENT  
OF THE GREATER SEATTLE AND WASHINGTON STATE  
CHAPTER OF THE CONGRESS OF RUSSIAN-AMERICANS  
(AND A FORMER RESIDENT OF SEATTLE FOR OVER 35 YEARS)

Dear Reader(s):

I am writing this letter to express my consternation  
and indignation—and not mine only, but that of the

ENTIRE Russian (and I mean the really RUSSIAN—and not just the ex-soviet!) Community of the Pacific Northwest—on account of Seattle's exaltation of a mass-murderer and syphilitic child-molester ("Lenin") whose statue Seattle's "Powers that Be" have seen fit to erect in the Fremont District! (There was a time that I used to frequent the Fremont Fair, in years past, spending my money there in support of the arts... NO MORE!

EVERYWHERE HE GOES --

CLINTON IS PHOTOGRAPHED --

WITH JEWISH LEADERS!

Clinton cannot resist being photographed everywhere he goes with a Jewish rabbi. Here he walks with Rabbi Bleich at a Menorah at a site of WWII massacre in Kiev, Ukraine, while celebrating the 50th anniversary of WWII.

I also used to shop in downtown Seattle... NO MORE! I will not support Communities that LAUD SUCH MONSTROUS DEVILS AS "SHORTY SQUINT-EYE". [H: Yes indeed, Lenin's code-name. Furthermore, you Americans had best take note: THE RUSSIANS TORE DOWN LENIN'S STATUES IN RUSSIA—BUT YOU ARE NOW ERECTING THEM IN THE AMERICAS. SLEEP ON, YE FOOLS!]

This vicious brute began his systematic destruction of Russia by attacking the Russian Orthodox Christian Faith and by devastating Cossackdom!

It was he who ordered the ritual slaughter of the Russian Royal Family in the cellar of the Ipatiev House (regardless of whose hands ultimately performed the actual foul deed)!

It was he who gratified his perverted lusts by infecting innocent little children with syphilis!

It was he who had homeless children rounded up and butchered, their flesh being sold in Moscow's meat markets or used to feed the animals in the zoo!

It was because of him that the land of Russia—GOD'S LAND [H: Didn't know the term "Russia" means "God's Land"? Your education IS sadly lacking, Readers!—was drenched with the blood of our ancestors, and he and his non-Russian—ANTI-RUSSIAN (!)—cohorts introduced their reign of terror in an attempt to enslave the Russian people in the economic, political, social, human and super-human sense! (Their goal was to dominate the Russian people thereby and to destroy them—by means of materialism, terror and, if necessary, death! And Lenin was completely indifferent to whether or not in the process, the enormous majority of the population would have to be murdered! He once remarked: "As concerns Russia... I spit on her!"; and, on another occasion: "If it is necessary to murder 90 million people, in order to be able to rule 10 million, then one should have no qualms about murdering the 90 million!" [H: Worse yet, they

set out to murder the 90 million.]

When the White Army volunteers, for example, captured Kiev from the Reds, they discovered the following:

"The entire concrete floor of the large garage (this was the place where the provincial "Che-Ka" ["The Extraordinary Commission" (a.k.a. "The Secret Police")] had carried out their butcheries) was swimming in blood, which did not flow, but formed a layer several inches deep; it was a grisly mixture of blood with brain and skull fragments, as well as strands of hair and other human remains! The entire walls, holed by thousands of bullets, were spattered with blood, and fragments of brain, as well as head skin, adhered to them.

"A drainage ditch, 25 cm. wide and 25 cm. deep and about 10 m. long, ran from the middle of the garage to a nearby room, where there was a subterranean outlet pipe. This drainage ditch was filled to the top with blood.

"Usually, immediately after the massacre, the corpses were removed from the city in lorries or horse-drawn wagons and buried in a mass grave. In the corner of the garden we came upon an older mass grave, which contained about 80 corpses, in which we discovered signs of the most varied and unimaginable cruelties and mutilation. There were corpses, from which the entrails had been removed; others had different limbs amputated and others again were cut into pieces. Some had had the eyes poked out, while the head, the face, the neck and the torso were covered with deep wounds. Further on we found a corpse with an axe in the

breast, while others had no tongues. In a corner of the mass grave we discovered many legs and arms severed from the trunk."

There are a hundred MILLION such accounts in Russian memory; this is only one of them—and the "little ape" responsible for such atrocities is **THE VERY SAME WHOSE STATUE NOW SHAMEFULLY "GRACES" THE FREMONT DISTRICT OF SEATTLE!** (It is a wonder that the Lord has not rained down fire and brimstone upon this accursed city wherein stands "the Image of the Beast"! But, just as Sodom and Gomorrah would have been spared had the Lord found but 10 righteous men there, so is Seattle doubtless being spared at this time, on account of the Russians living therein!)

It is a curious fact, too—is it not?—that the erection of this monstrosity seemed to be planned and implemented with great care and deliberate forethought, almost as if to spite Seattle's Russian Community on this, the occasion of its observance of a doleful event in Russian history. This year (1995), you see, marks the fiftieth anniversary of the horrors of post-war (World War II) crimes committed against the Russians by the victorious Allies! (These latter, while passing judgment on the vanquished Germans at Nuremburg for their "crimes against humanity", were themselves involved in genocidal atrocities code-named "OPERATION: KEELHAUL", "OPERATION: EASTWIND", et al.) During these "Operations", Russians, Cossacks, Serbs and others were forcibly turned over to Communist butchers—especially by the British and the Americans—and **SEATTLE WAS ONE OF**

**THE STAGING POINTS FOR THESE DEEDS IN THE UNITED STATES! MERE "COINCIDENCE"? METHINKS NOT! HAS SEATTLE EVER EVEN SO MUCH AS ACKNOWLEDGED ITS OWN PARTICIPATION** in one of the most horrendous crimes against humanity ever committed—much less, repented of it? I have never heard of it doing so!

Now, there are those who claim that this monstrosity is, to use their words, "a work of art", and should be appreciated as such, regardless of whom it depicts. One wonders, however, whether these people would be as tolerant were the object in question a statue of **HITLER** or of **MAO**—or, perhaps one of **TED BUNDY** or **CHARLES MANSON**? Of course not! That would be "offensive" to Seattle's **JEWISH** Community, or to Seattle's **Chinese** Community, or even, perhaps, to Seattle's **"Feminist"** Community! And yet, the very same argument could certainly be made for statues of Hitler, or Mao, or Bundy, or Manson! These, too, could be classified as "works of art"!

When it comes to Seattle's Russian Community, however, it is curious indeed that WE can be insulted and humiliated with impunity; and OUR concerns mean absolutely nothing to Seattle's "Powers that Be"—or to anyone else, for that matter! We, after all, are "only Christians" (to quote an erstwhile U.S. Supreme Court Judge who was involved in the Communist persecution of Russians in "Sovdebia" during the early years following the revolution—a time when the name of "RUSSIA" was forbidden to be used, under penalty of death!)

... We are experiencing the Russian Proletarian Revolution of 1917, all over again. There are simply too many cases of federal violence, the best known of course is the Randy Weaver case and the carnage of the religious group at Waco, Texas. Note below the pictures of the original members of the October revolution, who were the leaders of the Communist Party at that time. They are shown below:

- 1) Lenin . . . . 2) Trotsky. . . . 3) Zinoviev. . . . 4) Lunacharsky . . . . 5) Kamenev. . . . 6) Sverdlov

From the book *BEHIND COMMUNISM* -- pg. 54.

As such, we are considered to be lower than the lowest of the low! Nevertheless, it would behoove the Seattle authorities—and all, and sundry—to know that even tiny blades of grass, with time, can not only uproot, but also overturn, a concrete roadway—and JUSTICE, ultimately, is on our side...

Consequently, those who are responsible for this detestable mockery of Justice, would do well to remove this monstrosity—Oops! pah'hdon me, this "hwohk hof hah't"—which serves only to befoul the Fremont District; and they would do even better to issue an apology to Seattle's RUSSIAN Community for this affront to our sensibilities!

Sincerely,  
ss// GEORGE SPRUKSTS, CRA-WSC

P.S.: That gigantic, ugly pile of brass "dog droppings" in front of the Seafirst Building on Fourth Avenue (in downtown Seattle) was also once referred to as "a work of art" by a certain local "egg-headed" television-station commentator. His claim, of course, did not by any means serve to turn those "dog-droppings" into "art", but we raised no objection to them then, nor do we do so today; for, while they are certainly NOT art (by any stretch of the imagination!), and while they are among the ugliest things imaginable—they, at least, were never responsible for acts of genocide on an unprecedented scale: such acts of genocide as, by comparison, make even Hitler seem a "dilettante", when it comes to mass-murder!

[END OF QUOTING]

If you will accept honor to dog-dung and Nikolai Lenin—you will already have accepted SATAN.

Let us now return to a segment of "DARK SIDE..." I think all our writings may begin to make more sense as an integrated message now, I hope so. I am not here to FIGHT your enemy regardless of who you think to be him or self. I am here to point out historical FACT IN TRUTH. The "Phoenix" rises from the ashes of total destruction—do you really think God our Source (symbolized by the Phoenix, of the Sky People) can't build (CREATE) from the ashes of fallen civilizations? THINK AGAIN!!

Honorable Norman B. Rice  
Mayor  
Seattle, Washington

Dear Mr. Rice:

One of our members, a Washington State resident, notified us of the recent erection of a statue to Vladimir Lenin in the Fremont District. He was extremely upset.

The Congress of Russian-Americans ("CRA") feels that erecting a statue of a person who initiated a genocide of unprecedented magnitude against the peoples of Russia is an affront to every member of the Russian-American community, to thousands of Americans who lost their relatives and friends in Korea, Vietnam, and other Communist-instigated conflicts, as well as to the millions of other victims of Communism the world over. This is particularly unfortunate coming at the time when the U.S. Congress is considering a possibility of erecting a memorial in Washington, DC, commemorating all the victims of Communism.

Viewing legal action as a last resort, we appeal to your common sense and strongly urge you to take the steps necessary for the removal and disposal of the statue.

Please let us know what action you are planning to undertake.

Very truly yours,

Peter N. Budzilovich

## PETITION TO READERS: KEEP A COOL HEAD

You cannot depend on ANYONE to stop this insanity and "arms" are only going to get you killed. Let us use WISDOM, please, in EVERYTHING, EVERY STEP, WE DO AND TAKE.

Except for you who travel a lot, you will not find the inconvenience too great for as all new and restrictive systems come up, the "handling" by the Elite gets more organized. The first "new system" will always come at holiday time when plans are already laid and the most confusion can occur SO THAT YOU DON'T NOTICE THE FULL INTENT OF THE ACTIONS TAKING PLACE.

As you KNOW (THINK!) there is NO BOMB THREAT, this is full Mishpucka/Political crack-down. As you go to mail packages, etc., all things are checked AND YOUR PICTURE IS TAKEN ON THE SPOT.

Take note: "They" now have at least two identification cards with pictures, including an immediate PICTURE TAKEN AT THE TICKET counter if you are traveling (or mailing anything like more than a letter); they know your origin for travel, your destination, your private choices, even as to underwear. Believe me, the cameras and tapes are rolling on EVERY PERSON AT THE AIRPORTS, TRAIN TERMINALS OR BUS TERMINALS. Big Brother now knows what you mail and to whom you mail things and has right of confiscation in ALL INSTANCES.

## WHEN THEY REALLY MAKE THEIR POINT HOLD ONTO YOUR SEATS

There WILL have to be something more dastardly, however, than threats, so GET PREPARED. YOU ARE GOING TO HAVE SOME NASTY "HAPPENINGS" for the final call-in to actual troops. It is ready now as the full nation moves to threat of terror. They always have to pull their stunts where they can get the most

focus. Los Angeles was necessary this time because it is in the County and is the City with the most focus as to bankruptcy, systems closedown, even a closedown of the underground system WHICH FOLLOWS THE ELYSIAN PARK FAULT UNDER THE CITY.

To "save money" the holiday centers such as parks, swimming pools, camp areas, picnic areas, etc., are shut down in great numbers; the TALK is to immediately close THE medical centers which service the welfare population and trauma centers. Even the O.J. Simpson TRIAL is heating up to frying temperatures FOR THIS LONG, HOT WEEKEND.

## DANGEROUS HOLIDAY "AVALANCHE" ON THE WAY

The Fourth of July is not just your celebration of "Independence". It is also one of the TOP-LEVEL Satanic holidays AND is a major, major celebration of the Illuminati and NEW WORLD ORDER. The plan is to have pretty much brought the nation totally into shut-down BY JULY 4TH. When you are helpless, WHICH YOU ARE, then they will make their move to disarm you and take control of EVERY FACET of your FINANCIAL system. While you are tumbling down that mountain without ability to stop your fall, every part of the nation will be brought into chaos so that there is no place to turn, nowhere to run and certainly, at the very least, no place to hide. Moreover you will line up to play their game because you will DEMAND that "something be done" about the terrorists, etc. THEY ARE THE TERRORISTS!

## THE PRUDENT WATCHERS

What will "I" do? Not a thing except watch and wait—just as I hope YOU will do. Be prepared with what you NEED to carry you a few days (and that includes emergency rations) because when a nation is brought to her knees there is always a bigger and bigger plan to inconvenience you-the-people. EXPECT A

PROBABLE EARTHQUAKE OF SEVERE MAGNITUDE ALONG THE WEST COAST, AT THE LEAST. IF NOTHING HAPPENS, AGAIN I ASK: WHAT HAVE YOU LOST BY HAVING A SAFETY LAMP, A BOTTLE OF WATER AND A BIT OF PACK-FOOD? THIS LONG WEEK-END NOWHERE IS SAFE FROM PROBABLE CONFUSION, AT THE VERY LEAST.

ALSO REALIZE THAT WHATEVER THE ELITE NEW WORLD DOES, IT WILL BE CLEVER, HIDDEN, WHAT THEY TELL YOU WILL BE TOTAL LIES, AND YOU WILL COMPLY. The point will be to cause PROPER chaos, not with you who just go watch the fireworks and cook hot dogs. The controllers have a massive task at "shut-down" and the lower profile you keep the less likely you are to be gathered up into a net. Dead men and incarcerated patriots are no problem; they have plenty of places to stash, bash and cash—you out. But they, because they always work through deceit and lies, have to have a cover to hide behind for the start-up of their ACTIONS. They have to fool ENOUGH of you to get the hooks into you and then you can't do anything even if you wanted to. Then the trouble-MAKERS will be tucked away. Remember, they do not even have to confront you with an ACCUSER any more. This is why we advocate no violence, no lawlessness, no confrontations, no weapons—NO PROBLEMS. If America ever had need of a COOL HEAD, it is NOW. WISDOM IS YOUR COURSE OF ACTION AND STUDY.

## NO PLACE LIKE HOME

My suggestion is that unless you MUST travel—DON'T LEAVE HOME! I ask that no visitors come or go from Ekkers' dwelling as in "vacation" or "lengthy visit". It is DANGEROUS, for ANY excuse to take note will be utilized. Care enough about your relatives to suggest that they only act as family. For you who think you have to go on vacation yourselves—do it with great care, for privacy is being taken from you with every move you now make. The roads will be monitored and every vehicle will pass checkpoints and you won't even know it. Our people don't have clandestine meetings anywhere, or groups to be infiltrated, or cause for any actions at all. Your paper with THIS TYPE OF INFORMATION offers you security, for our people are not a rip-roaring religious faction of any kind NOR patriot arms-bearers. We have, in fact, told you how it IS and they know that we will always give you truth—and that includes the STRENGTH OF YOUR ENEMY! OUR WRITINGS IN THE CONTACT AND THE JOURNALS WILL PROTECT YOU WHO FOLLOW OUR SUGGESTIONS BECAUSE YOU WON'T BE OUT THERE DOING STUPID THINGS. This is now come the time whereat if you choose to do stupid things, we cannot help you to undo whatever comes down. Why would you expect God to help you do ever increasingly stupid things?

## CALIFORNIA AND WILSON

Can't you see what is happening in California as a picture-perfect example of the "sidestep dance"? You have a POLITICIAN (Wilson) who is a distractor. The State is Bankrupt, the cities are bankrupt and the asses don't want to be caught in the entangled harnesses. It is somehow better for them personally to get into and within the fold of the big power brokers in Washington or, at the least, out of the "responsibility" loop while the "running" is available. Deukmejian, for instance, had sense enough to get out of his political hot-seat BEFORE IT GOT TOO HOT and he could escape the personal confrontation of the major shenanigans of just such things as the line of S&L, RTC and political corruption hangman's noose. I note that on a "clear day" most of you still can't see across your doorstep, much the less forever.

Please use wisdom over the next few weeks of critical time segment. Salu.

"It's called money. The government either gives it to you or takes it away."

# The Communist Manifesto & Presidential Executive Orders: Martial Law By Any Disguise!

Commander Hatonn first introduced a sobering comparison of the Communist Manifesto with the then-existing Presidential Executive Orders in a writing back on 1/30/91 which is contained in Phoenix Journal #23. We are here excerpting part of that writing and updating the Executive Orders list a bit to include a few new "bars" on our incarceration cages.

This subject of Executive Orders not only ties in directly with the shenanigans Commander Hatonn has just announced in this week's Front Page story and that one I titled: "It's Going To Be A Long, Hot Summer" on p.21, but the authors of the "granddaddy" document called The Communist Manifesto are given particular attention in this week's installments of "The Dark Side Of the Force" beginning on p.22, and in Commander's p.13 writing on the outrageous antic of putting Lenin's statue in Washington State. Naturally, all the crooks and their activities connect together.

What a way to "celebrate" the Fourth Of July! We don't make the news, but likewise—we don't shy from telling the truth.

The dominoes are being set up to fall, any day now, in rapid succession, in this mostly sleeping nation. Most won't fathom what, on Earth, has happened, as those dominoes fall ON THEM!

Indeed, for those of you who monitor the radio talk shows, should a brave caller bring up the subject of Presidential Executive Orders and/or their obvious poised-to-pounce engineering, it only takes a moment for the laughs of denial to pour in, usually starting with the media-prostitute host of the show.

People call in and gush that their very "beloved" Government simply wouldn't do such a thing to them!

If this is truly the pulse of our nation, then we're REALLY in trouble. Maybe we better distribute this following writing in an air-dropped leaflet all over the country.

For now, at least read with an open mind, and share—that others MAY wake up to how deeply our collective grave is already dug.

Can anyone see the sky anymore from their hole?!

— Dr. Edwin M. Young, Editor-In-Chief

[QUOTING:]

Americans, who have been watching the degeneration of our society, the increase in violence, drugs, pornography, and the national debt, often write us for advice about what to do "once the nation falls" into Socialism, insolvency and surrender. Some use the forbidden "C" word, by asking what they should do "when the Communists take over." My friends, when the Thought-theology (psychopolitics) of what we understand is Communism finally takes over in America,

it will NOT be called by that name. The Hammer and Sickle will probably never adorn any flag. (Communism will be called "democracy" and accepted by most Americans with dancing in the streets!)

Does this sound preposterous? Think about it. How would you know "when Communism, sold as democracy," is the ultimate law of the land? If those who are now employing "more powerful levers and more subtle webs" succeed in their plans, most of those living in this country may not notice much of a difference from what they think of as the American Way these days!

Karl Marx, the Jewish hippy who invented what is known today as "Scientific Socialism", was not himself a Communist and never claimed to be one. Mr. Marx, it is now known, collaborated with some wealthy totalitarian Socialists, and they let him put his name on their joint effort, and it was titled, the COMMUNIST MANIFESTO. It was a scheme of powerful levers and subtle webs. There is so little difference between Socialism and Communism that 70 years after the COMMUNIST MANIFESTO was published, Lenin, the Socialist founder of modern Communism, called himself a Communist but named Russia and other conquered territories the Union of Socialist Republics. Regardless of what Communism is called, it would be identified by at least ten basic planks as set forth in the MANIFESTO. These political planks need to be listed here, not only as a review but as a template by which to gauge the American government and policies today. [H: I have given you all of these but perhaps you will see and hear more clearly if they are again laid forth from Earth-man.]

## 1) ABOLITION OF PROPERTY IN LAND AND APPLICATION OF ALL RENTS TO PUBLIC USE.

Did you know that the Federal Government of Washington, D.C. now owns over 40% of the land mass of the United States? That is more land than the entire country east of the Mississippi River. It does so in direct violation of the United States Constitution. The Federal Government now owns more than 10% of all industrial properties, and owns railroads, bar, je lines, etc. As the government buys more and more land, this property is taken off the tax rolls, and this increases the taxes all of us must pay on the land we suppose that we own. Most Americans think that they own their land. They think that a certain parcel upon which they live actually belongs to them. Have your lawyer explain to you why your deeds have been drawn as they have or why you and your wife are called "tenants in common" and other strange language and phrases. Here is the rule of law: If you must pay the state or county a "property tax", and the state or county can sell your

property to someone else if you fail to pay the tax, you are not the actual and lawful owner of that land or property! Marx called the use tax on land, rent. Today it is called "property tax" and while universally accepted by most Americans, the property tax is 100% Marxist (Communist) in nature. How then will you know when "Communism takes over?"

The land that is still informally held in private hands, is now subject to state and municipal controls called "land use" and you can only do certain things on land that you suppose you own. If you actually owned it, instead of being merely a "tenant with a vested interest in it", no city, state or federal controls could be imposed upon it. Yet, you accept zoning restrictions as normal and allow the city to impose "rent controls". You sit tight when the Federal Government tells you, via an unconstitutional statute, that you must rent "your property" to anyone who comes to your door, regardless of race, color, national origin and sexual preference. From where did they get the lawful jurisdiction to tell you what you can do on "your property"? If indeed it is your property, there is no such authority except that which you voluntarily submit to. However, since you are merely a tenant paying property use tax rent on the land, they have every right to tell you how you will use that property and how far from the property line you must build any house, etc. Can you imagine Patrick Henry putting up with such nonsense? Of course not! But then, Patrick Henry was a Freeman, not a Communist. He did not hold Communist ideas about the use of land, as most Americans today do. How about you? Are you a Communist when it comes to land use? As to the use of land, every Senator and every Congressman is a Communist today. Nothing much will change "when Communism takes over", except that you will know that you are a mere tenant and not a land owner as you had supposed for years. Some of you tenants will be pushed off the state's land so that another tenant can use your nice home and farm and if you illegally resist, you may be legally shot.

When the Communist agent, Woodie Guthrie, wrote the now famous song, *This Land Is My Land; This Land Is Your Land...* he was writing with the Communist understanding about land and land ownership. Yet patriotic groups, ignorant of Communist objectives, often sing that song with the same attitude and reverence as they do with *America, The Beautiful*. Good grief!

## 2) A HEAVY PROGRESSIVE OR GRADUATED INCOME TAX.

This is probably the best known of the Marxist-Communist political concepts in use today in America. If there is any Communist statute or regulation that has been imposed unlawfully on most Americans, and one

which affects their very lives and fortunes the most, the Communist Income Tax has to be it. If there was any statute that employed more "powerful levers" or "subtle webs", you would be hard pressed to find it. As with the progressive tax on property, it is a Communist idea of "from each according to his ability and to each according to his need" that finds exact expression in the federal and state graduated Income Tax laws. Yet 90% of all Americans accept that system of federal revenue taxation as if it were both Scriptural and American. It is neither. It comes from the *Babylonian Talmud*, and is the main cornerstone of Communist Thought-theology; Marxism-Leninism is not only a political thought, but is also the religion of the Communist-Socialist. I was sitting at a restaurant meal with two Baptist ministers and their wives recently. These men had come to see me regarding several theological opinions that I hold and set forth in *STAR WARS 4*. During the discussion, the subject of the Marxist Federal Income Tax came up, and I stated that I had not filed a return in over 20 years. One of the minister's wives blurted right out, "I think I should turn you in!" Here was a woman claiming to be a Christian who was perfectly at ease turning in another Christian to the federal authorities over the matter of a Communist taxing system! What did the two ministers say concerning the outburst from this wife? Nothing. Now, how could they understand the deeper meanings of *STAR WARS 4* when they were functional Communists in Thought-theology (Psychopolitics)? Here is a plank of the *COMMUNIST MANIFESTO* so ingrained in their sub-conscious minds that they were silent when this woman suggested that I be turned over to the authorities! It is a well-known hallmark of Communism when you see people turning in their neighbors to the authorities. It is now beginning on a large scale in America with such carefully prepared TV shows as *UNSOLVED MYSTERIES*, where the TV uses brutal murders, drug and child abuse crimes to get the public accustomed to thinking about turning people in so as to solve these crimes. You will become a "state hero" and even be paid \$1,000 for your help. Next, you will be paid for turning in people who own firearms or teach the citizenry about unlawful government activities. Will you really recognize the point "when Communism takes over?"

### 3) ABOLITION OF ALL RIGHT TO INHERITANCE.

In spite of the federal Estate Tax of 1916, your Marxist government has yet to accomplish this objective. They have imposed a heavy inheritance tax, illegally confiscating a large part of that property a man leaves to his children. After a couple of generations, the property is gone. How many people do you know who still live on their grandfather's farm or ranch? Naturally, the lower classes, who have chosen not to save enough to purchase property, have no inheritances to leave. The super-rich have been provided the use of tax-exempt foundations so that their wealth is passed on to their posterity. It is the great middle-class that the Marxist objectives are directed toward, and which succeed very well in America. Where does the Federal Government get the authority and jurisdiction to tax the property of the deceased?

### 4) CONFISCATION OF THE PROPERTY OF EMIGRANTS AND REBELS.

Emigrants are people who *leave* a country, and that does not apply to Americans. However, look at what is done to Americans your government calls "rebels." All your government needs to do is allege that a person is a "tax resister" or a drug pusher and his property and real estate can be confiscated without due process. Some of you saw the story on *INSIDE EDITION* where a citizen's property was taken by the Federal authorities without due process merely because she had rented the house to people later determined to have been using

the house for drug traffic. All your government needs to do is allege that property, real estate, cars, boats, etc., are owned by those involved in drugs, and this property can be taken and sold under Public Law 99-570 set in place in 1986. You have read the horror stories. Some minimum wage seaman can sneak drugs aboard a million dollar ship, *unknown to the owners or the captain*, and the ship is confiscated by the government without due process of law! HOW WILL YOU KNOW WHEN COMMUNISM TAKES OVER?

### 5) CENTRALIZATION OF CREDIT IN THE HANDS OF THE STATE, BY MEANS OF A NATIONAL BANK WITH STATE CAPITAL AND AN EXCLUSIVE MONOPOLY.

It was through the Federal Reserve Act of 1913 that the private banking cartel known as the FEDERAL RESERVE BANK came into being. It is through this scheme, with the government controlling the banks and credit for the benefit of the secret shareholders, that the effect of this objective of the Communists came into being in the United States. The super rich bankers, while they liked the controls envisioned by Karl Marx, decided that all the usury and profits should go into *THEIR* pockets instead of the federal coffers. It is this small bank of International Bankers who decide how much interest you are going to pay on your home mortgage and they have the monopoly power to force other banks to charge the same rates. Individual credit can be given or withheld at the whim of these bankers. The private FEDERAL RESERVE BANKING SYSTEM is neither "federal" nor does it have any "reserves" as commonly thought. The local Federal Reserve Bank is not listed under agencies of the Federal Government in your phone book, but listed in the white pages as any other private business.

The FEDERAL RESERVE NOTES, which you carry in your pocket, though printed by the Federal Government for those private banker's use, and identified as "legal tender", are in fact privately circulated bank notes. As "notes" they do not certify that the U.S. Treasury has gold or silver to "back them" but state on their face that the U.S. Government is in debt to that amount. You are not paying your bills with certificates of wealth, but with evidences of federal debt. You are passing the U.S. debt to the bankers around among yourselves as if it was lawful money. The *private* Federal Reserve makes huge profits for its member banks, *and yet it pays no federal or state Income Taxes*, and they have never been audited by any government agency. A couple of years ago, Senator Metcalf of Washington State launched a campaign against the FEDERAL RESERVE and had it put on the ballot to restore the right to create money to the Congress as specified in the *Constitution*. The people in Washington State were so ignorant or Communist-minded that they actually voted it down! HOW WILL YOU KNOW...?

In 1933, when so many banks lost their shirts and had to repay their depositors or close their doors, the FEDERAL RESERVE ACT was changed to incorporate the Federal Deposit Insurance Corporation (FDIC) [H: Note "Corporation" which designates private.] Here is how that works, and we can see it with the current Savings and Loan scandals. In good times, the bankers make huge profits. However, in bad times, the American taxpayers are called upon to bail out the bankers, letting them retain their personal assets. How will you know when "Communism takes over"? Most people are so accustomed to the yoke of Communism, thrust upon them in the name of "democracy" and "Social Security", that they believe that these things must be the form of government our Forefathers gave us. They think it is normal to have total taxes in amounts to 50% of income. Where is their Great Republic based upon the Common Law and the *Constitution*? For all practical purposes, it no longer exists.

### 6) CENTRALIZATION OF THE MEANS OF COMMUNICATION AND TRANSPORTATION IN THE HANDS OF THE STATE.

All radio and television networks are licensed and permitted to operate only at the good pleasure of the Federal Government through the Federal Communications Commission. Because their programming is under strict federal guidelines, anti-Communist programs are rarely aired. How many of you can recall one TV program, in the past 30 years, which set forth the Communist objectives for the conquest of America and the world? Instead, all programming is designed to promote Socialist thinking, and our country is never referred to as a republic but *ALWAYS AS A DEMOCRACY*. All news is designed to promote the Communists and their leading individuals as reasonable people, and anti-Communist nations, such as South Africa, are always cast in an unfavorable light. Communist objectives for America, such as degeneration of moral values, interracial marriage, promiscuous sex, and homosexual life styles, are treated in both the news and the "situation comedies" as totally normal and health behavior, and are given to us and our children on a daily basis. All transportation by air is under either the Federal Aviation Agency or the Civil Aeronautics Administration, and the government controls how these private businesses operate and the fares and rates that they can charge. The Federal Government controls every form of interstate commerce, and sets the rates that these private businesses can charge and even how long a truck driver can drive his own truck in a given day.

### 7) EXTENSION OF FACTORIES AND INSTRUMENTS OF PRODUCTION OWNED BY THE STATE; THE BRINGING INTO CULTIVATION OF WASTE LANDS, THE IMPROVEMENT OF THE SOIL ACCORDING TO A COMMON PLAN.

The Federal Government now owns and operates more than 25,000 corporate units in direct competition with private enterprise. Most of these corporations are operated at staggering losses, even though they pay no property taxes and no interest on invested capital. All of these, along with their losses, are being operated without the slightest shred of Constitutional authority. Furthermore, according to figures taken from the Federal Budget, the aggregate losses of these federally owned businesses and property, including the lost state and local taxes thereon, exceed the total amount collected each year on the personal Income Taxes! According to the LIBERTY AMENDMENT COMMITTEE, from whom these statistics were taken, the sale of these unlawfully owned businesses would retire about one third of the national debt, and make the personal individual Income Taxes a thing of the past. This author is 100% in favor of bringing wastelands into cultivation and improving the soil. However, this must be done on a private enterprise basis, and not as the result of federal bureaucratic intervention. However, in accordance to the Marxist orientation of our government, swarms of New Officers (to use the language of the *Declaration of Independence*) have been descending upon our farmers. There is the Bureau of Land Management, Bureau of Reclamation, Bureau of Mines, Environmental Protection Agency, and many others. I do not need to comment on the crisis now being faced by America's independent farmers. It is not the result of incompetent farmers but because of federal meddling in both their agricultural and financial affairs.

### 8) EQUAL LIABILITY OF ALL TO LABOR, ESTABLISHMENT OF INDUSTRIAL ARMIES, ESPECIALLY IN AGRICULTURE.

In the first sentence, the emphasis should be on the word, *liability*. This is to be a "worker's paradise" and therefore all have an equality liability, a pecuniary obligation, to labor. Every citizen, according to Marx, is required to labor, and every person is to be assigned a job. There is to be no non-laboring middle class working as salesmen and shopkeepers. In spite of massive government boondoggles in agriculture, the American farmer has found a way to produce food that feeds not only our country, but those countries as the USSR and China which still suppose that the Marxist way for agriculture may someday work. Once the farmers finally fail in large numbers, not because of agricultural flaws so much as corporate debt, the Marxist agriculture armies, gathered from those "huddled masses yearning to be free", that now clog up the welfare rolls, will be sent forth to plant, till and harvest in the vain hope that they can feed the people.

## **9) COMBINATION OF AGRICULTURE WITH MANUFACTURING; GRADUAL ABOLITION OF THE DISTINCTION BETWEEN TOWN AND COUNTRY BY A MORE EQUITABLE DISTRIBUTION OF THE POPULATION OVER THE COUNTRY.**

The destruction of the cities has been going on since the Roosevelt Depression. Socialist confiscatory property and business taxes on producers, and welfare handouts to non-producers, have driven commerce and industry out of the cities and provides the excuse for federal control of land use, environmental impact studies, and regional planning. Federal regional planning done between states and over state lines, is the way this Marxist plank is being carried out today.

## **10) FREE EDUCATION OF ALL CHILDREN IN PUBLIC SCHOOLS, ABOLITION OF CHILDREN'S FACTORY LABOR IN ITS PRESENT FORM, COMBINATION OF EDUCATION WITH INDUSTRIAL PRODUCTION.**

When Karl Marx wrote "free" he meant *compulsory* education of the children under the control of the State. Because of the contract with the State known as the "Marriage License", your children are legally Wards of the State. They must have "shots" and a Social Security number "required to protect the State's wards". State-run and tax-financed government schools began soon after the publishing of the *COMMUNIST MANIFESTO*, with the key leader at that time being Horace Mann. Next came socialized or often called "progressive" education under the guidance of John Dewey. How many of you remember having to read about the wonders of Socialism in books by Lincoln Stephens in high school? The most Socialist class in any high school is not history or social science but English, where the teacher can direct the children to read certain books and make reports on them. English is the only required class for all students, and it is there that the Communists have directed their most attention. Under Biblical law, early American instruction, where students were studying Greek and Latin by 9 years of age, has always been the responsibility of the parents and their church assembly. Children were taught the moral values of the parents and of their church. Today, it is the State that determines what the standards will be for the children's education. Federal Aid to Education determines how the States will set up the basic teachings and philosophy and this is exactly what Marx had in mind. This form of education teaches the child to look to the State for help, and the State becomes the child's "god". Christian instruction, in contrast, teaches the child to look to God, and that if he needs a hand he finds one at the end of his arm. As you look at our youth educated in government schools, observe their appearance and their attitudes, and remember that crime and

drug use is increasing seven times as fast as the population, you will see the evil genius of Karl Marx in full bloom. As you re-read this section, notice that I have drawn a clear distinction between "instruction" and "education". It is Humanistic, New Age, and Eastern philosophy that man is intrinsically good. Hence the use of the word "education" by the modern Socialist, which means from the Latin, "draw the good out". In contrast, the *Bible* teaches that all men are sinners, and that they are basically of a sinful, wicked nature. Thus, there is no way to "draw good out" of them. Christian philosophy, based upon the truth of the *Bible*, teaches that children are to be *instructed*, that is to have the good of God's Laws put into them so that they can be pleasing in God's sight. Today, those church groups that teach that God's Laws are still in full force and effect, always refer to their schools as Christian Instruction. Those churches who have gone the way of Humanism, teaching that God's Laws, Statutes and Judgments were abandoned at The Cross, rightly call their schools "Christian Education". The term "Christian Education" is an oxymoron, an absurd contradiction in meaning to those of us with even a smattering of classical study.

As to the second part of Marx's 10th Plank, children under 16 are not permitted to work for wages. All private apprenticeships have been abolished for children seeking to learn a trade before the age of 16. Roosevelt's Socialist friends had the Fair Labor Standards Act passed in 1937 where apprenticeships are now under control of the State.

I have taken six pages to teach you what Communism really is from the works of their founders, Karl Marx. Now, fellow American, how many of the Marxist Ten Planks have you accepted as normal, necessary, and indeed the American Way?

[H: Please pay close attention to that which I will now quote from the same document but bearing more attention. After that I shall again ask Dharma to outline the *Executive Orders* which are now signed and in place in your government.]

J. Edgar Hoover, in his classic book on the Communist threat to America, *Masters Of Deceit*, wrote that his greatest fear was that Americans would become "state-of-mind Communists" while adamantly denying any interest or adherence to Communism. My friends, that is exactly what has happened. Most Americans go along with every single plank of the *Communist Manifesto* and even suppose that it is the American Way!

Now, my friends, the more powerful levers and more subtle webs have been set in place.

Several months ago I wrote about the Marxist Income Tax and the reasons why I was opposed to it. I further stated in public print that I had not filed any returns for 20 years nor paid any tax in all that time. These ON TARGET *Northpoint Team Reports* are widely photocopied and circulated with my permission and encouragement. However, they go from friend to friend and then to the Christian ignorant among the silent majority, and ultimately to the Socialist enemy. You cannot believe the letters we get from professing Christians! I have read their letter admonishing me to read *Romans 13*, supposing that I had not managed to read that far into the *New Testament*. They call my attention to Christ's words to "render unto Caesar..." and think that whatever is demanded by government under a pretext of law must be dutifully turned over to Socialist schemes, heathen peoples around the world and social dropouts around the country as part of our Christian witness, testimony, and responsibility.

According to these Christians, educated into the Communist Thought-theology psychopolitics of the government schools, apparently the American Colonists should have paid the tax on tea demanded of King George instead of "damaging their Christian testimony in an act of violence" by dumping it all into Boston harbor. The tax was, after all, "the Law" and imposed lawfully by those in authority. Worse than that, when the King wanted to confiscate "assault rifles" being

stored in Concord, "Christian patriots should have turned them over to the Red Coats instead of killing people at Concord Bridge".

Those early Americans are identified as Patriots, but those of us who object to the very same things today are thought of as unAmerican at best and unChristian at worst. Do you see the problem we have today? Christians are now "state-of-mind Communists" as feared and predicted years and years ago. How do I reason with a "state-of-mind" Communist, who supposes that his political, moral and economic understanding comes right out of the *Bible*?

The Federal Income Tax Statutes, and the Supreme Court decisions supporting them, clearly state that wages and salaries are not "income". Yet Christian Communists in America, in what profess to be patriotic assemblies, have been conned into waiving that statutory provision and to "voluntarily" agreeing to pay the first part of their increase not to God's Law but to Caesar, in direct violation of God's Law set forth in Scripture. And they wonder why God stopped blessing America right after the Marxist Income Tax Statutes went into effect! Looking deeper still, we find that even the Marxist Income Tax Statutes made Constitutional by the *16th Amendment*, applies only to those non-white citizens *by privilege of the 14th Amendment*. It also includes corporate officers, folks who live in Washington, D.C. and other Federal enclaves, military people and those who work in government jobs. But, people who exchange their time for wages, salaries, commissions, etc., are not required to file returns or pay federal taxes. Oh, your minister never told you these things? And your dad never knew them? Why are you giving the first portion of the wonderful blessings God gives you through increase of your land and labor of your hands and mind, to promote Communism, totalitarian Socialism and other wicked things at home and abroad? Shame on you! Repent of your ways.

I will tell you why you pay without a whimper! It is because you are scared to death of the wicked agents of the Internal Revenue and their well-publicized cruel activities and brutal enforcement procedures. Most of you lack the guts for such basic Christian service to your country, if the truth was really known. Some of my best friends and most generous supporters have confessed this fear to me privately and I have wept for their souls. You must understand, Scripture teaches that the fearful, right along with the unbelievers, murderers, whoremongers, sorcerers, idolaters and liars shall have their part in the lake which burns with fire and brimstone. Read *Revelation 21:8* about those listed among the non-overcomers! Those who are afraid, are just as wicked in God's Eyes, as some of the most terrible of anti-Christ people! Take your *STRONG'S CONCORDANCE* and do a word study on all the variations of the word fear and it will open your eyes of understanding. Oh, how I pray that some of my wonderful Team Members and other financial supporters will turn from their fearful ways and not be included among that wretched lot at the end of time.

Did you know that if you file Income Tax returns, you place your legal status under Admiralty Law, and waive your Common Law rights under the first Ten Amendments to the *Constitution*? The fearful, under an ironic twist to God's Law, find themselves unprotected by the *1st Amendment* and cannot lawfully claim the right to religious freedom or the right of free speech, etc. They cannot claim the right to keep and bear arms as set forth in the *2nd Amendment*. Since so few Americans remain who have these rights, the laws on the gradual confiscation of any "semi-automatic weapon" are now being enacted, beginning with the so-called assault rifles, and hand guns that have an ammunition magazine or "clip". Are you surprised? These laws have been in the books for 20 years awaiting this day and hour! I know that some do not believe me on this, but see for yourself. Go to your local library and ask the librarian to show you where the *UNITED STATES CODE* books are shelved. There are 25 of these in the

set, reddish-brown in color. They are printed by the United States Government. Select Volume 9 and turn to page 554. Read public law 87-297 signed into law by John F. Kennedy in 1961. Every President since then has worked to gradually enact its provisions, knowing that most Americans would not approve. Read along through that public law to page 559, and you will see that it calls for our Armed Forces to be eliminated from NATIONAL CONTROL, which in turn wipes out our sovereignty as a nation. In the third state we shall see a "zero military" and before stage one closes, all citizen-owned guns will be banned. This issue of national disarmament is now being discussed with world leaders, and the ban on certain defensive weapons here at home is not new at all, but part of a treasonous scheme to render America as a nation, and our citizens as individuals, helpless against the Socialist-Communist conquest of the world.

Here is another problem: Are you sitting under a minister who is a state-of-mind Communist, one of the fearful who still files Income Tax returns? Sure, he may be a nice guy. Sure, he may seem to be a kindly, loving man. But he is one of the fearful, classified by Godly John and Jesus Christ as being among the whoremongers and liars? Are you sending God's tithe and your offerings to any "religious group" that is claiming "tax exemption" and thus under the jurisdiction of our Communist democracy of the District of Columbia? If you read our materials long enough, you will see a thread of theme about the ministers and preaching in America that is causing most of our problems. I remember back in the *Old Testament*, God's nation of Israel had some major problems under King Jeroboam. You might need to see how God dealt with His People in those days, as sort of a forecast of what is soon to pass in America. (*I Kings 12*, etc.) The bottom line then was that Jeroboam "made priests of the lowest of the people" (v.31). Christ, through St. John in *Revelation 21:8*, says that the lowest of people are the "fearful". You cannot be Godly and fearful at the same time, and the *Bible* word study suggested previously should have established that fact firmly in your mind. Therefore, all fearful are also ungodly, if you can follow that logic. The very first *Psalms*, a fantastic collection of distilled wisdom, begins with this most important truth: "Blessed is the man that walketh not in the counsel of the ungodly—fearful..." How many of my wonderful friends and readers are still taking counsel of the fearful, men whom the *Bible* calls priests of the lowest of people, who it so often also appears, are state-of-mind Communists?

[END OF QUOTING]

And so be it.

Now, Dharma, allow us to again present the *Executive Orders* which have now been brought into play—obviating even the need of Congressional agreement in order to become law against you-the-people.

Before we do so, however, I am going to ask you a few questions and let us see if you REALLY see and understand that which I give you and that which IS!

1. What is the name of the new Soviet Foreign Minister?
2. What is the first plank in the *COMMUNIST MANIFESTO*?
3. Whose picture is on the \$20 Federal Bank "note"?
4. What is an SS12? Who developed it? Where is it now?
5. What did you have for breakfast on Saturday last?
6. If you attend church, give me the doctrines according to denomination! Where did your minister get his "education" and did he get a "Christian Education" or "Christian Instructions"?
7. What do you REALLY know about this "Christian Community" within your own town? Funny thing

about the one in Tehachapi, California—they offer to drive these Satanic speakers from out of the city—or worse: death!

**WHAT DO YOU REALLY KNOW ABOUT ANY-THING?** Tell me the top 10 stats from Sunday's Superbowl! Welcome Home America! God have mercy on your children in the Middle East!

**U.S. EXECUTIVE ORDERS NOW IN EFFECT (CHECK THEM ONE BY ONE AGAINST THE COMMUNIST MANIFESTO):**

**EXECUTIVE ORDER 10995** takes over all communications media.

**EXECUTIVE ORDER 10997** takes over all electric power, petroleum, gas, fuel and minerals.

**EXECUTIVE ORDER 10998** takes over all food resources and farms.

**EXECUTIVE ORDER 10999** takes over all means of transportation, controls highways and seaports.

**EXECUTIVE ORDER 11000** drafts all citizens into work forces under the governmental supervision.

**EXECUTIVE ORDER 11001** takes over all health, welfare and educational functions.

**EXECUTIVE ORDER 11002** empowers the Postmaster General to register all citizens nationwide.

**EXECUTIVE ORDER 11003** takes over all air-ports and aircraft.

**EXECUTIVE ORDER 11004** takes over housing and finance authorities and housing designated as "unsafe". Establishes new locations for populations, relocates communities, builds new housing with public funds.

**EXECUTIVE ORDER 11005** takes over all railroads, inland waterways, and public storage facilities.

**EXECUTIVE ORDER 11051** designates responsibilities of the Office of Emergency Planning giving authorization to put the above orders into effect in times of increased international tension or economic or financial crisis.

Then comes the big one: Under **EXECUTIVE ORDER 11490** all of the above orders are immediately activated.

[Editor's note: And since this writing was first published, in early 1991, we have to add here two additional "bars on our cages" in the guise of these newer, dandy Executive Orders:]

**EXECUTIVE ORDER 11649**—Signed by President Richard Nixon, it divided the United States into regions, now to be controlled by FEMA and its fifty unelected officials. NAFTA and GATT are regional agreements—part of the "New World Order" and not about free trade.

**EXECUTIVE ORDER 12919**—Signed by President Bill Clinton, a derivative of the War Powers Act, takes away our rights to privacy, liberty, property, contact, and even our rights to a Constitutional Court of Law.

**EXECUTIVE ORDERS:  
WHAT ARE THEY?**

*Executive Orders* are laws established by United States Presidents. These laws are not passed by the Congress or the Senate, and create an end-run around the *Constitution*. These laws begin as *Executive Or-*

*ders* which are simply printed in the Federal Register. After thirty days these *Orders* become law and carry the full impact of law passed by the United States Congress. These laws are unconstitutional because the *Constitution* does not afford any person the right to create law by himself that negates the *Constitution*.

To understand just how this could all come about, you need to open your eyes, your mind and your heart. What we have discovered is quite scary, very much unconstitutional and in every sense, acts of treason to the United States of America. There are individuals in this world, within this country, and in our own government who would like to rule the world, and they do believe that this is possible. They are and have been working towards this goal for decades. Some of the individuals caught up in this endeavor have been our very own elected officials. These power-hungry individuals have corrupted our government and are working on sabotaging our freedom by destroying the *Constitution of the United States*, in order to establish the "New World Order" (a.k.a. "Global Community").

To bring about this New World Order, and ultimately the single World Government, there are several things that must come about: *All other forms of government throughout the world must cease to function and thus the countries would become bankrupt. Because the Constitution is a document that safeguards the sovereignty of our nation it must be destroyed. Because of the genuine threat [to the USURPERS] of the American militia, the American people must be disarmed and become addicted to government hand-outs and, thus, become "sheeple".*

The American people have become so accustomed to their freedom and the constitutional safeguards afforded them, that they have paid little, if any, attention to what is and could be happening around them. The international establishment has planned this and is working to use this weakness to erode our freedom and take control of the United States.

The *Declaration of Interdependence*, supported by several of our elected officials, moves the United States of America closer to the mandates of the *United Nations Charter*.

The U.S. has entered into many United Nations treaties (Genocide Treaty, Human Rights Treaty and Total Disarmament Treaty) that steal away our rights under the *Bill of Rights*. Despite the noble titles of these treaties, the truth of the motives of the U.N. becomes self-evident under the most fundamental scrutiny.

The "War on Drugs" is the guise the Federal Government uses to legitimize the invoking of Martial Law tactics (under the Drug & Crime Emergency Act), while they continue to covertly import the drugs and weapons they claim to be fighting against. This guise conveniently facilitates the total disarmament of all weapons (public and private) as mandated by the United Nations.

Without the complicity of the Federal Government, crime of this magnitude could not exist.

These Executive Orders establish the basis for the Federal Emergency Management Agency (FEMA). FEMA has the power to completely rule over the American people, any time the President should decide to

declare *martial law*. If this should ever happen, the director of FEMA (an unelected official) has the authorization to enact all Executive Orders, giving him full dictatorial control over all of the United States, its resources, and its people. Martial law suspends all prior or existing laws, functions, systems and programs of civil government, and replaces them with a military system. These systems include the courts, mail, sanitation, aviation and transportation, firefighting, police, agricultural products and services, public and private storage facilities, health, education and welfare. The American people and all their belongings become chattel of FEMA, and the United Nations Peace Keeping Forces will be in absolute control of our country.

When will this happen? As soon as all legal and illegal firearms are confiscated by forced house-to-house search and seizure. As of February, 1994, Al Gore has formed the "Central Law Enforcement Agency." Gore is the Czar of this agency. This agency will control all law enforcement in the United States: FBI, ATF, DEA, Secret Service, and would usurp power from local/state, county sheriff, etc., under the name of the *Multi-Jurisdictional Task Force*. MJTF will wear black uniforms and have black military equipment, including helicopters. MJTF cooperates with the *Financial Crimes Enforcement Agency (FINCEN)*. FINCEN operates under the World Bank, Interpol, U.N. and federal directives and is composed of foreign U.N. military personnel.

FINCEN is a global economic police force using INSLAW computer programs to track all financial transactions of every civilian. Clinton's phoney health care crisis is a cover to force a national I.D. card on every U.S. citizen, so you can be tracked by FINCEN.

To every concerned citizen of this country who can read and comprehend, these laws are in your County Law Library under Presidential Documents, U.N. treaties, Executive Orders, printed in the Federal Register, NAFTA, and soon to be GATT, the New Crime Bill, War Powers Act and State Department Bulletin 7277 which explains the complete disarmament of our military and private citizens.

Some of FEMA's secret martial law programs taking place right now are Wintex-Cimex 83; Pressure Point 84, Rex 82 Bravo, Rex 84 Alpha, Night Train 84 and Cable Splicer/Garden Plot. And soon, Operation Night Stalker.

*Wake Up—Freedom Is Not Free!*

John F. Kennedy, at Columbia University in 1963, said it perfectly: "The high office of the President has been used to foment a plot to destroy America's freedom and before I leave office, I must inform the citizens of their plight." Ten days later, John F. Kennedy was assassinated!

THINK ABOUT IT, AMERICA! Salu.

# It's Going To Be A Long, Hot Summer

7/1/95 #1 HATONN

## MARGARET THATCHER IN U.S.

I am asked a bunch of questions about why "Maggie Thatcher is in the U.S. and gets all the attention she does?" Yes indeed, Margaret Thatcher is a very important consort to Kings (i.e., YOUR U.S. Presidents). She is a major part of the British New World Order now headquartered in the U.S.A. She has simply come to maintain her place in the ranks of the ASPEN INSTITUTE for political meshing with the Bilderbergers and other recent decisions of such as the G-7 (8 with the Soviets' "Yeltsin" who "reached a full understanding" with Bill "Clinton", according to "Yeltsin"). You are seeing the results in your terrorist activities picking up and more opportunities to GETCHA! Will this be a long-hot summer? It is going to be a nightmare, if that is what you ask in reality.

## THE LONG, HOT SUMMER

As of today, more parks will be closing along with swimming pools and public recreation facilities in Los Angeles and other cities. Orange County, a victim of "Derivatives" now blamed on one poor man who couldn't have done it ALL by himself (a "superman" much like "Oliver North"), is also shutting down and laying off massive numbers of employees because the people are mad as hell and won't vote them in any more taxes, even a tiny sales tax. Fine, this is exactly what the NWO wants to see!

Where do people go to get away from their HOT dreary little cubicles? Where do the children GO to recreate themselves in normal growth and activities? With the crackdown of "freon" for refrigeration systems, friends, the cooling systems are set to fail and the old and overloaded electrical facilities are set to "fail" or underproduce.

Dharma came down to start to write only to find their freezer running but dead, everything defrosted and mostly "lost". It hasn't been such a good time around here this month. There is no point in "fixing" it for there will be laws against its freezing mechanism, in the near future. But as with here, people can't afford to replace the refrigeration appliances with new and more expensive, less efficient appliances. Remember: Poor people live with the old second-hand cast offs. They can't go buy new and shiny things like freezers and refrigerators.

Yes indeed, it is going to be a very intense summer. Ekkers', for instance, was already a used, second-hand hand-me-down which was certainly fine for it has lasted "another" 16 years beyond its first discarding, but now it is hardly worthy of repair, in all probability. No, friends, this is not going to be a particularly EASY transition and you of the more mature age-group MUST keep your heads cool even if your bodies are hot for the youngsters are in total confusion and frustration

## STIRRING UP TROUBLE

In Washington D.C. the curfew for juveniles is effective TODAY. All children under 17 years of age

will be "in" between midnight to 6 a.m. SEVEN days a week. The City Council voted unanimously to pass this law "because of increased juvenile violence and gang activity in the district". So, all around the nation there will be such curfews and, as the heat and violence increase, the places for relief and calming are CLOSED DOWN. The places which remain OPEN will have tight control by police which will further inflame the citizens.

This is, of course, aimed at the large BLACK population. Do I insult by naming the "Blacks" as being the target? I hope not because you will be foolish indeed if you think it "just" Blacks in point. Don't you realize that all of the "people of color" are NOW legally referred to as "Blacks"?

## WHO SCARES WHOM? WAKING UP TO TRUTH

So, who is scared of whom?? The politicians, lawyers and crooked Corporate Giants are terrified and should be. Especially the Jewish "race" had better be totally and completely scared to death. THEY ARE THE TARGETS OF THESE ONCE-TRADED SLAVES THAT WERE TRADED BY THE JEWS AND BRITISH ISRAELIS.

The "Blacks" are not going to be forever unmindful of their persecutors, readers. One day the light of facts is going to dawn on the hapless people being stirred into a frenzy and treated like the rest of YOU SLAVES and they will strike out blindly at the ones who are the problem.

The dumbing-down of the citizens will not save them. The Blacks who know truth will rise up for they have NOTHING ELSE TO LOSE!

## WHAT'S LEFT IS A MESS

ONLY THE ELITE WHITE CRAZIES WILL BE LEFT AND YOU HAD BETTER TRADE IN YOUR FLAGS NOW BECAUSE THE MAJOR "SKINHEAD" GROUPS WILL JOIN WITH THE "BLACKS" WHEN THEY REALIZE THE LIES AND SET-UP OF THEMSELVES. IT IS GOING TO BE BLOODBATH WHEREIN THE STREETS AND RIVERS WILL RUN RED JUST LIKE TOLD IN REVELATION. THESE SELF-STYLED AND FALSE JUDEANS—CALLING THEMSELVES "JEWS"—HAVEN'T SEEN A HOLOCAUST TO MATCH WHAT IS COMING AGAINST THEM FOR THESE EVIL ACTS OF THE BANDS OF SERPENT PEOPLE BECOMING THE KHAZARIAN STOLEN-NAME "JEWS", BECOMING THE COMMUNISTS, BECOMING NOW THE NEW WORLD ORDER. For goodness sakes, readers, can't you beautiful Jewish people SEE? Zionists and "Jew" has NOTHING TO DO WITH RACE OR COLOR—ONLY CREED! The ones who tout being Christian, ARE NOT! Watch them and you will see that they are the very OPPOSITE of that which is "CHRISTian". Neither God nor Hosts will stop that which is coming in the rising up of the deceived against the deceivers. It will be truly terrible. Will God intervene ever? Yes, for the "days will be shortened" that there be a remnant—HIS REMNANT.

### THE DARK SIDE OF THE FORCE

#### A Historical Overview Of The Occult Conspiracy by David Emerson GuMaér

[QUOTING, PART 24:]

ROTHSCHILD'S (Continued):

#### SPY OPERATIONS

As we read in *SpyCatcher: The Candid Autobiography of a Senior Intelligence Officer* (NY, Viking, 1987), by former Assistant Director of MI-5, Peter Wright, during the 1930s England was literally flooded with "illegal" Trotskyite agent-runners like Theodore Maly, Arnold Deutsch, Otto [Katz], Richard Sorge, Alexander Rado, Ruth Kuzchinski ("Sonia"), Leopold Trepper, Henri Pieck & wife, Walter Krivitsky, Ludwig & Elizabeth Poretsky, and others. Mr. Wright tells us that: "They were often not Russians at all, although they held Russian citizenship. They were Trotskyite Communists who believed in international Communism and the Comintern.... They were the best recruiters and controllers the Russian Intelligence service ever had. They all knew each other, and between them they recruited and built high-grade spy rings like the 'Ring of Five' in Britain, Sorge's rings in China, and the Rote Kapelle [Red Orchestra] in German-occupied Europe..." But what was conveniently not mentioned by this author is the significant fact that virtually all of the above-named Red agent-runners were *Jews*, or that their murderous mentor Trotsky was a long-time paid agent of the House of Rothschild! [H: And a statue of LENIN (only one higher in Communism and Judaism than Trotsky) presides, along with a pile of artistic dog-dung, over your U.S. city of SEATTLE, Washington!! {See page 13} Is it possibly time to start

#### THINKING?]

Furthermore, although Peter Wright devotes fully 392 pages to revealing a good deal of information about Communist espionage in Britain, rehashing much that had earlier been printed by *other* writers, he never once mentioned that Fabian Socialism, Zionism and Freemasonry are *equally* as dangerous in their subversion of his once respected nation. In fact, he often speaks with quiet admiration of how *well* the Trotskyites and Zionists have operated. But even more amazing, Wright spends a tremendous amount of time praising, defending, and covering up for the antics of his close personal friend—Lord Victor Rothschild. It's so very obvious all the way through the book that it's downright embarrassing. And why not? It was Rothschild who convinced Wright to *do* the book in the first place, since Rothschild was beginning to come under some flack from several Conservative quarters in England, as a *possible* Communist agent by that time. Nevertheless, we are grateful to this author for the candid revelation that not only is Peter Wright a Freemason, but that most of the top officers in the British Secret Service and MI-5 (if not all) have *been* Masons. During February 1987, Britain's two ruling bodies of Freemasonry, the United Grand Lodge and the Supreme Grand Chapter, announced that they have "decided that beheading and ripping out of the tongue are no longer fit punishments for violating Masonic rules". Such penalties have been on the books of Freemasonry for centuries, according to the *Arizona Republic* of 2/17/87. He also tells that back during the 1940s, these Intelligence officers all voted for the [Fabian-controlled] British Labour Party. Indeed, he assures us that as a criterion for reaching the uppermost ranks of both Intelligence agencies (and perhaps others) one quite simply *has* to be a Freemason! And now we have a better understanding of how and why there could have been more than 300 Red agents operating at all levels of British Intelligence since the Bolshevik Revolution.

Be that as it may, the Trotskyite-run "Ring of Five" that Wright mentions was recruited at Cambridge University from the cast of characters I have thus far described, and their immediate *targets* were the various branches and departments of the British Government, the Intelligence services, the Military and the Media, exactly as was already taking place in the United States during this same period. All told, as we *now* know, there were actually *eight* primary members of this highly important spy ring, with a *support* apparatus of at least *forty-two* other helpers and defenders, many of them Fabians, people whom I will be listing later on for the Record. From what all writers on this subject have

already confirmed, the *first* controller of this soon-to-be dangerous Red spy ring was the earlier mentioned Theodore Maly, a Hungarian Communist and former priest (Jesuit?). Once all the principal agents were firmly on their way to their assigned tasks, or firmly in place, this spy ring was "run" during WWII from 1940 to 1945, first by NKVD officer Anatoli Gromov (code name, "Henri"), and later by Boris Krotev, both of whom operated clandestinely out of the Soviet Embassy in London. Other Russian Soviet agents, from time to time, personally handled individual spies as well, as stolen documents piled up. For example, in 1944, after being reassigned to Washington, D.C., Comrade Gromov not only was the special handler *there* of the fragile homosexual agent Donald Maclean, who himself had by then been posted to the British Embassy (as had Isiah Berlin), but also served as the control for both Soviet spy courier Elizabeth Bentley and for Whitaker Chambers, the latter two of whom themselves serviced two large communist spy rings then operating in our nation's capital, right under the noses of our much-vaunted FBI! After the war, many members of this "Ring of Five" were then handled by one Yuri Modin (code name, "Peter"), who continued in that unsavory assignment for his Russian Khazar masters until 1963, primarily handling Kim Philby. But let's back up just a bit.

#### BACK TO 1938

Let us go back to 1938 and pick up the story as told in the highly-readable and revealing British book, *The Philby Conspiracy*. It was during this period that Guy Burgess succeeded in enrolling another Cambridge homosexual school friend, Goronwy Rees, to work closely with him as a Comintern agent. Rees then managed to insinuate himself into Military Intelligence while his sodomite lover became firmly ensconced in the Secret Intelligence Service (MI-6). Years later, in 1951, Rees would commendably have a twinge of patriotic conscience and try to expose what he knew about Burgess and the Ring, telling his supercilious and blasé MI-5 listeners that "there was some homosexual element in the friendship between Philby and Burgess." But he was *not* believed! Or perhaps they did not *want* to believe him.

Another of Burgess' close friends during this early period, we find, was a 17-year old dancer named Jack Hewitt, whom Burgess also managed to convince to carry out a bit of espionage for his older lover, using his youthful tumescence as a come-on. By December 1938, the affable and well-spoken Burgess had in this very

way gained access to the ardent Zionist Judenknecht, Winston Churchill, the soon-to-be Prime Minister of Britain, who all during the War strictly forbade the British Intelligence Services from in any way hindering the movements or activities of the Soviet Intelligence Services in England or its far-flung Colonies. And why not? Wasn't Churchill another Freemason? Then, in early 1939, Guy Burgess entered MI-6 D-Section, actually sponsored by an old homosexual princex then in his sixties named Sir Joseph Ball, yet another Freemason "who had spent most of his adult life in the British Secret Intelligence Service". After gayly servicing the old queer properly, Burgess was then promptly recommended for employment in this highly sensitive security agency—and the SIS conducted absolutely *no* investigation of his openly-Red earlier background! Typical fare.

In the meantime, Donald Maclean was also making good headway himself. Making the rounds with his pervert friend, Mark Culme-Seymour, Maclean had succeeded in landing a job with the Foreign Office and was immediately posted to the British Embassy at Paris. On the aptly-named Left Bank of the River Seine, Maclean soon befriended two extreme Leftists like himself, the avant guard sculptor Giacometti, and the surrealist "poet" Tristan Tzara, founder of the bizarre and subversive Dada ("Art") Movement, no doubt a protégé of the Spanish Jew and Communist, Pablo Picasso. [H: This bunch utilized realism in art, i.e., dog dung, pigeon poop and garbage as part of their public art imaging! Golly, and you probably thought it was left to Seattle, Washington!?] Maclean, of course, dove headlong into the task of undermining his country, as he had been professionally programmed to do, and by June 1940 he had uncharacteristically married a young American girl there in Paris named Melinda Marling. This was apparently done as clever cover for his regular abnormal activities, as is often done by *many* prominent homosexuals to mask their true sexual inclinations. Some time thereafter, Melinda herself became a devoted, hard-core Communist and helpmate.

### SPANISH CIVIL WAR

Elsewhere, Kim Philby had been over in war-torn Spain serving as a "Conservative" war correspondent for *The Times* of London, Britain's Establishment daily, and continuing to create the impression that he was now an *anti*-Communist. During that Communist-directed bloodbath, known far and wide as a "Civil" War, Philby was secretly aiding the Red Republican side in that devastating conflict, while spying on General Franco's patriotic Loyalist officers, for his Soviet masters. Remember, this Ring of Five spy apparatus had been ordered to go underground, to disguise their *true* sympathies in the roles to which they had been assigned.

Regarding this Spanish Civil War, there has been so much adverse propaganda against Gen. Franco over the years that I feel some corrections are in order. As revealed by Capt. A.H.M. Ramsay in his book, *The Nameless War* (London, 1952), the International Brigades used in Spain by the USSR were comprised of Communists and criminals from 52 countries—who were armed with an assortment of weapons bearing the Red Jewish 5-pointed star. "This star and the Seal of Solomon were upon the signet rings of N.C.O.s and Officers in this Communist horde of ill-disciplined ruffians. Barcelona had been declared in October 1936 the capital of the Soviet States of Western Europe..." This was somewhat confirmed in a laudatory paragraph found on Pgs. 764-5 of *The Hebrew Impact on Western Civilization* (1951), edited by D.D. Runes, which stated: "In the Spanish civil war of 1936-39, among the foreign volunteers who rallied to the side of the [Communist] Republicans, the Jewish percentage was high. Of the American contingent of 3,500, 630, or about 20%, were Jews. Both of the leaders of the Abraham Lincoln

Brigade were Jewish boys, Lieutenant Colonel John Gates, and the battalion commander, Milton Wolff." What was conveniently left out of this account, however, was the fact that this Brigade was an officially cited **Communist Front** and that both Gates and Wolff were hardened **Communists**! Also left out was the minor little detail that these vicious Reds efficiently slaughtered hundred of thousands of mostly innocent people throughout the country, many of whom were priests and nuns. The latter were specially singled out for the worst torture of all, and then were often hacked to pieces or burned alive. All in all, a massive karmic debt was paid by the victims.

In late 1939, Kim Philby's ruse as an anti-Communist finally paid off when he too was able to gain a coveted position in the British SIS—again, with absolutely *no* background security check of his openly-Communist days at Cambridge. In fact, as the astute authors of *The Philby Conspiracy* point out in their book: "An amazing amount of crooks seem to have got into SOE, SIS and all those outfits during the war..." That was putting it mildly. Nevertheless, many of these intelligence agents were actually recruited in barrooms and bedrooms, if not right out of the steaming *sewers* of London. As a prime example, one of the most flagrantly disgraceful of these types of recruits, we read, like a man suffering from diphallia terata, "was the old Etonian homosexual, Brian Howard, who was recruited to MI-5 and often went drinking with Burgess, as ever an outspoken Marxist."

[QUOTING, PART 25:]

### CRYPTIC ALPHABETICAL AGENCIES

Before we proceed any farther in this narrative, let me pause a moment to explain what all these bewilderingly cryptic alphabetical agencies are all about: **MI-5**, originally the counterespionage section of British Military Intelligence, it later became the popular name of the Directorate General of Security Service, also known as "The Firm" (which is concerned with domestic investigation, mainly *inside* Britain, and is somewhat equivalent to "our" FBI); **MI-6**, originally the section of British Military Intelligence concerned with "positive" espionage, it later became the popular name for the Secret Intelligence Service (SIS) which is concerned with the intelligence gathering, espionage, sabotage and assassination (mainly *outside* of Britain, and is somewhat equivalent to "our" CIA); **GCHQ**, the British Government Communications Headquarters (radio-interception organization) utilized during WW II at Bletchley Park, which is something like "our" National Security Agency (NSA); **OSS**, the American Office of Strategic Services of WW II which was the forerunner to the CIA; **NKVD**, formed in 1934 as the People's Commissariat of Internal Affairs for the USSR, its foreign espionage was controlled by its sub-department, Glavnoye Upravlenye Gosudarstvennoy Bezopasnosti (Chief Directorate of State Security); **KGB**, formed in 1954, it was the direct lineal descendant of the NKVD (which is now masquerading as the Boy Scouts of the "New Russia"); **GRU** (Main Intelligence Directorate of the Red Army), the Soviet Military Intelligence Service; **SOE**, the Special Operations Executive of Great Britain (also known as the Baker Street Irregulars) which functioned during the War in opposition to the *Nazis* and the *Admiralty*, a British military department somewhat analogous to our own Navy Department, combined with "our" Pentagonsky (now com-

pletely dominated by Khazar types and under the command of Comrade General Shalikashvili). Recently, such Pentagon officials as Joshua Gottbaum have advocated cutting way back on all aspects of our Defense Department so as to leave America totally at risk in the event of any future enemy attack.

Formed in early 1940, before Hitler's forces invaded France, the Special Operations Executive (SOE) was a highly-secretive Intelligence/Action/Coordination agency headquartered on the top floor of the spacious, Jewish-owned Marks & Spencer Department Store on Baker Street, in downtown London. By sheer coincidence, of course, the Chairman of that particular chain of stores was one Israel Sieff, the Zionist son of a radical Russian Jew who had fled to England in 1901 for easier pickings. The Sieff family, we find, had been the prime movers of the Zionist Movement during the late 1890s. Israel himself went on to become a Peer of the Realm and a very powerful grey eminence in the British Labour Government, heading the massive department store chain until 1984. This family is also involved as banking partners with the British Rothschilds. Another top official of that very store wherein the SOE was secretly housed during those years was one Flora Solomon, a Russian-born Jewish crypto-Communist who was not only an early lover of Harold "Kim" Philby, but a valued spy courier for he and his Ring of Five. This was not really so very strange since the SOE worked regularly with the Soviet NKVD and GRU during its sabotage, assassination and intelligence missions into Germany and Nazi-occupied Europe. In a correlative matter, during July 1943 the well-known British Communist, Douglas Frank Springhall, was sentenced to seven years in prison for espionage, having worked as a spy for the Soviet GRU for years as part of the British section of the Red Orchestra (Rote Kapelle) spy ring. This incredible spy apparatus is now known to have been comprised of some 5,000 underground members—all secret Communists and anti-Nazis—which made up fully 10% of the Communists then known to be operating throughout Britain! This highly-effective Ring was run by the devious little Polish Jew, Leopole Trepper [According to a Genealogical Chart I have, prepared by the Carnegie Institution of Washington, D.C. from 1934 (and also printed in *The Washington Star* on 2/29/36)], who as a young man had been affiliated with the Zionist Hechalutz organization in Palestine. One of Comrade Springhall's prime sources of top secret information was a young Jewish officer in the Highland Light Infantry then working within the SOE, a fellow named Ormond Uren, who had joined the CPGB in 1940 after having been commissioned in the Army. Indeed, the SOE was thoroughly riddled at all levels, literally honeycombed, with Fabian Socialists, Freemasons, Marxists, NKVD and GRU agents, homosexuals and alcoholics, just exactly like MI-5, MI-6 and the OSS all during the War.

Why include the OSS? Because it was actually built from the ground up with the "help" of the Reds who ran the SOE, and headed by the Soviet-loving Col. William "Wild Bill" Donovan, a Leftist lawyer and a personal friend of the crypto-Jewish President, Franklin Delano Roosevelt who was also a 33° Freemason. Born in 1883, Donovan had years earlier, in March 1916, been sent by the Rockefeller Foundation's American War Relief Commission to investigate conditions in war-torn Europe during WW I. Then, during April and May, he spent some time in England with a wealthy upcoming young Zionist homosexual named William Stephenson (many years later known as "A Man Called Intrepid"). In 1919, Donovan was sent to Siberia by the

Rockefellers "to assess the beleaguered White Russians" of Generals Wrangle and Deniken, then fighting the Red Army. But instead of revealing all the horrid atrocities then being committed by the rotten Khazar-Ashkenazim Bolsheviks in Russia, Donovan instead reported to the U.S. State Department only that the

"According to my own extensive research over more than three decades into the overall Communist-Zionist-Masonic Conspiracy, the Soviet Intelligence apparatus has functioned almost unhindered throughout Britain, France, the United States, and indeed most of the rest of the world ever since the completion of the Bolshevik Revolution in 1917. It was only in Nazi Germany and Imperialist Japan that they found any real opposition. These treacherous enemies of Mankind have otherwise scored victory after victory after victory over their basically lukewarm opponents in Western Intelligence agencies, so much so that it's been almost a one-sided battle. I know this to be true because way back when, while working for Police Intelligence as an undercover operative within the Communist New Left movement, while also reporting to the FBI and the House Committee on Un-American Activities (HCUA), there were so many hundreds of thousands of active Reds involved in everything that we could barely begin to cope with them. And believe me, they're more active than ever, only there's absolutely no U.S. agency now to even watch them!"

"anti-Communist forces were corrupt and divided", in that crucial conflict.

#### DONOVAN AND OTHER RED COMMUNISTS

The following year, Donovan went off to Europe again, first class of course, on a private fact-finding mission financed by the Rockefeller Foundation. As a direct result of his service to the Rockefellers, William J. Donovan was appointed assistant U.S. Attorney General in the Justice Department (1925-29), and liaison to the B'nai B'rith-controlled Bureau of Investigation (located in the same imposing building). In July 1941, he was promoted by the Rockefellers up the line to become the U.S. Co-ordinator of Information, and then head of the newly-formed Office of Strategic Services (later to be promoted for his treachery, to Brigadier General). Also, all during WW II Donovan maintained numerous contacts with the so-called Free French forces of the crypto-Communist traitor, General Charles DeGaulle, whose own military forces "were riddled with Soviet agents". In point of fact, one André Labarthe was a top deputy to DeGaulle as his Chef du Cabinet—while at the same time serving the Soviets as a Communist espionage agent. Another top hand-picked aide of DeGaulle's was the deputy who controlled all military affairs in France, Admiral Mueselier, yet another Soviet Communist agent. Another such Red who then worked very closely with DeGaulle was Jean Moulin, the Communist head of the French Resistance during WW II, the Maquis. And the list goes on and on.

More importantly, another of those top Leftists on the staff of Gen. DeGaulle, was Alphonse Paul de Rothschild, Victor's French cousin, who was a Captain in the French Army. It seems that the pro-German Vichy Government in France after 1940, being very much opposed to the pro-Communist Jewish presence in that country, "had confiscated various family assets and stripped the Rothschilds of their citizenship after they had fled the country" (*The New York Times Magazine*, 12/5/82). But DeGaulle and his new Communist Government immediately after the war had restored everything back to Baron Guy and his family. The Rothschilds, we read, had fled to New York and then back to London to escape the Nazis—who were in fact their worst nightmare. Baron Guy, who was the longtime head of The Consistory, the official body governing the religious affairs of the Jewish community in France (which was loaded with Communists), later went on to become the dean of the French branch of the European banking family, and head of the Banque

Rothschild (formerly Rothschild Frères). The title of Baron had been bestowed on the French Rothschilds in 1822 by the Emperor of Austria, "for financial services during and after the Napoleonic wars..."

But let's now get back to the British Special Operations Executive (SOE) and to some more loathsome cretins in its menagerie. The SOE, we learn, was set up by the pro-Soviet Fabian Socialist fop, Hugh Dalton, a flaming Marxist lawyer then serving as Minister for Economic Warfare. Dalton also occupied a key position in the Fabian-controlled Labour Party of Britain. Working closely with Dalton during the war years at the London School was the notable (and perhaps loveable, who knows?) Professor Harold Laski, yet another of those treacherous Jewish Communists, as well as a Freemason and crypto-Soviet espionage agent—as was his powerfully-connected brother, Judge Neville Laski. Years earlier, Laski had taught at McGill University in Montreal and at

Harvard, then did likewise at the University of London, going on then to serve as Secretary of the Labour Party. But Professor Laski had yet one more special claim to fame (or was it infamy?), for in 1939 he had served at the London School of Economics as the personal instructor of the son of the U.S. Ambassador to the Court of St. James. This young man was a personable and wealthy Harvard University student, actually a Leftwing Socialist, who had made a trip to Spain and become an ardent admirer of the Communist revolutionaries there during their attempted takeover. His bootlegger father, Joseph, who had made his millions as head of the Irish Mafia in New England years earlier, was declared persona non grata in England during WW II for being both anti-Jewish and pro-Nazi, this, even though he was very close to the Round Table Groups there. His young son's name, of course, was John Fitzgerald Kennedy.

According to my own extensive research over more than three decades into the overall Communist-Zionist-Masonic Conspiracy, the Soviet Intelligence apparatus has functioned almost unhindered throughout Britain, France, the United States, and indeed most of the rest of the world ever since the completion of the Bolshevik Revolution in 1917. It was only in Nazi Germany and Imperialist Japan that they found any real opposition. These treacherous enemies of Mankind have otherwise scored victory after victory after victory over their basically lukewarm opponents in Western Intelligence agencies, so much so that it's been almost a one-sided battle. I know this to be true because way back when, while working for Police Intelligence as an undercover operative within the Communist New Left movement, while also reporting to the FBI and the House Committee on Un-American Activities (HCUA), there were so many hundreds of thousands of active Reds involved in everything that we could barely begin to cope with them. And believe me, they're more active than ever, only there's absolutely no U.S. agency now to even watch them!

#### HOW COULD THIS BE?

How could this be, you might ask? Because it is a very sad fact of history that the Soviet Secret Police, and all their many Red ancillary Intelligence organizations (as well as their millions of active members and stooges), have actually been secretly aided and protected in their incredibly aggressive machinations, since day one, by their well-placed agents and Fabian/Masonic friends in the upper echelons of first British Intelligence, then French Intelligence, next in the OSS,

and finally in the CIA. According to the 1978 biography of the Dulles Family by Leonard Mosely, cleverly entitled *DULLES*, on page 296 we learn that "Wild Bill" Donovan, while head of the OSS, recruited the following Reds into the Research and Analysis Branch: John K. Fairbanks, Ralph Bunch, Maurice Halperin and Herbert Marcuse. But these weren't the only such Communists. In her book *Out of Bondage*, former Soviet spy courier Elizabeth Bentley tells us on Page 263 that Halperin was a [Jewish] Communist espionage agent in the Latin American Branch of OSS—and was known as such to the Security Division. A few other such Soviet agents known to have served within OSS included the following: Major Duncan Lee, Donald Wheeler, Julius J. Joseph, Leo M. Drozdoff, Irving Fajans, Jack Sargent Harris, Paul V. Martineau, Leonard E. Mins, Helen B. Tenney, Milton Wolff, George S. Wuchinich, David Zablodowsky, and Carl Aldo Marzani (the latter of whom was the designer of the United Nations emblem and flag). **INDEED, the CIA now has an office in Moscow, as does the FBI, and these two agencies today work hand-in-glove with their Red Russian counterparts!** [H: And unlike THE gloves in the O.J. Simpson case—the gloves certainly DO fit.] There has also been similar and parallel subversion going on among innumerable other high-ranking political officials the world over, but most especially in London, Paris, Rome, Brussels, Bonn, New York and Washington. The reason, as by now should be quite evident, is **TREASON!**

#### SOCIALIST INTERNATIONAL AND COMMUNIST INTERNATIONAL

Incredible as it sounds, MI-5 and MI-6 in England, and their OSS-CIA lackeys in America, are merely the Intelligence-gathering and Action/Assassination/Drug Dealing arms of the SOCIALIST INTERNATIONAL.

The NATO Alliance and the United Nations are also adjuncts of this *charade* of supposed anti-Communism. All are merely vying with the COMMUNIST INTERNATIONAL and its ungodly forces for the ultimate control of the world—in a **NEW WORLD ORDER**.

Thus, rather than being actual hard-line enemies,

one with another over the years, they are but *rivals* in the "Great Game". The whole of British Intelligence, and the bulk of American Intelligence (with the exception of COM-12 in Naval Intelligence), are actually secretly controlled out of Chatham House in London, the de facto HQ for the Fabian Socialist Society and its bastard Marxist sibling, the secret Round Table Groups of Lord Alfred Milner, known before 1901 as the "Rhodes Secret Society".

[QUOTING, PART 26: Continuation of Chapter called "Rothschilds"]

#### MEN AND THEIR "GROUPIES" CECIL JOHN RHODES

As we read in the highly revealing 1981 master-

piece, *The Anglo-American Establishment*, written by Prof. Carroll Quigley (a Leftist who for many years was on the inside track with these conspirators, but seems to have had a change of heart in his later years), this secret and subversive society of Cecil John Rhodes was formed in 1891, seven years after the creation of the Fabian Socialist Society. Upon his death in 1902, Rhodes' estate created a huge endowment fund with which to provide scholarships to Oxford for the purpose of creating a useful pool of future Marxists. Some current Rhodes Scholars include President William Clinton

and such top advisors of his as: Robert B. Reich, Ira Magaziner, Strobe Talbott, Douglas Eakely, Darryl Gless, Tom Williamson, James Crawford, William Fletcher, Richard Stearns, and George Stephanopoulos. Established at London in March of that year, its original initiators included such immensely wealthy men as: Lord Milner, William T. Stead, William Baliol Brett (Lord Esher), Arnold Toynbee, and, of course, the diamond magnate Rhodes. Its first "Circle of Initiates" then included: Lord Arthur J. Balfour, Sir Harry Johnston, Lord Albert Grey and Lord Nathaniel Charles Rothschild. Its Outer Circle of wealthy and influential members were known as the "Association of Helpers". Of this group of social psychopaths, Lord Nathaniel, or "Natty" as his intimates called him (perhaps with a kiss on the buttocks),

was the grandfather of Victor Rothschild and a close advisor to the future King Edward VII of England (of the Guelphic House of Hanover). Natty was also the very first Jewish member of the British peerage, and the first Lord Rothschild. Upon Natty's blessed demise in 1915, the title of Lord passed on to his son of the same name, and then, in 1923, upon his death, to Nathaniel Mayer Victor Rothschild (who was then but 13 years old).

Arnold Toynbee, wrote Prof. Quigley, can be regarded as the founder of the method used by the Group later on, especially in the Round Table Groups in the Royal Institute of International Affairs. In Cecil Rhodes' amazingly candid *Confessions of Faith*, he instructed his Marxist followers that this Secret Society should be "patterned on the Jesuits", that they should take the Constitution of the Jesuits and merely insert the words

*CONTACT* is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

*CONTACT* is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

*CONTACT* exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, *CONTACT*, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called *THE PHOENIX LIBERATOR*.

*THE PHOENIX LIBERATOR*, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the *PHOENIX JOURNAL EXPRESS*, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the *PHOENIX JOURNALS*. Much incredible ground has been covered so far in that mission.

While the *PHOENIX LIBERATOR*'s motto reminded all that "The Truth Will Set You Free", the *CONTACT*'s motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the *CONTACT*ing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

"English Empire" for "Roman Catholic Religion". And that's exactly what they did. Later on, after 1901, this Secret Society (*their description*) would be referred to as the **Milner Round Table Groups** (Rhodes having died and left a huge fortune to Lord Rothschild), and their actual HQ in the United States from that day forward would be housed within the **British Embassy** in Washington, D.C. Years later, after a 1938 secret agreement between President Roosevelt and Prime Minister-to-be Winston Churchill (*Churchill and FDR were seventh cousins once-removed*), gave British Intelligence secret control over all U.S. Intelligence services, Sir William Stephenson (the homo Zionist) set up the **British Security Coordination** network in NYC—at Rockefeller Center. Fifteen years later, in

Freemasonic Milner Group (if not earlier). There was also *another* top Templar involved in this public execution of a head of state (which is their way of doing things). *Sic semper tyrannis*, remember, especially Catholic ones. But let's back up a bit.

**BRITISH FREEMASONRY AND  
SOME HENCHMEN  
ALSO THE ADL OF B'NAI B'RITH  
AND COVENANT GROUPS**

In 1924, the British Freemasonic conspirators and one of their young henchmen would manage to quietly take over an important American internal security agency in Washington, an early investigative arm of

OF HIS POWER

February 1953, Sir Alfred Milner's successors named a top CFR member as Director of the Central Intelligence Agency, an American Fabian Socialist and leftist conspirator named **Allen Welsh Dulles**. Ten years later, this very man would be the overseer for his British masters in the assassination of the President of the United States, John F. Kennedy. Dulles had been ignominiously *fired* by the Catholic President almost exactly two years earlier on November 29, 1961, thus JFK was lured to his death in Dallas—the county of which falls on the 33° north latitude line (the exact same line that runs through Charleston County, South Carolina, wherein the 33° Ancient & Accepted Order of the Scottish Rite of Freemasonry had been *born* in 1801). [H: There are no coincidences or accidents in these PLANS, readers, NONE! Everything is built around there being no accidents and if there should happen to be one, it is used as part of the Plan itself.] Astrologically speaking, 11/22, the date of the murder, is made up of two Master numbers, which when added together yields the sum—33! It was on this same latitude line, you will remember, that the fateful Masonic meeting at Acre had occurred in 1228, a meeting which included the Templars. And as coincidence would have it, Allan Dulles was a modern Knights Templar. He had been a founder of the CFR back in 1919 when he was a top Intelligence agent for the Rockefellers in Europe and thereafter. Later, while stationed at Berne, Switzerland from the early Thirties until the close of WW II, he had in 1935 become a secret member of the

the already Liberal-controlled U.S. Justice Department. This highly efficient investigative agency, which had been formed in 1908, was then doing its utmost to stem the alarming floodtide of Jewish Red Khazar invaders into the Eastern seaboard of the United States, *aliens* from the Pale of Russia and Eastern Europe. By 1919 this agency had uncovered a massive Conspiracy to take over the United States by these same infiltrators and had raided its HQ, thus breaking the back of this Red plot and hauling off many of its files. Targeted for destruction or takeover, the Anti-Defamation League of B'Nai B'rith soon achieved the latter by insinuating one of its *agents* into this agency, a young man fresh out of law school. The Independent Order of B'nai B'rith, or Sons of the Covenant, was described as a "Jewish fraternal organization, founded in New York City in 1843 by a group of German Jews headed by Henry Jones." (*Lincoln Library of Essential Information*, Buffalo, NY, Frontier Press, 1947, Pg. 2048.) [H: I would suggest that all of you who follow, say, a Col. Bo Gritz, had better back up and reread that last statement about "Covenant" groups and communities. Bo Gritz is a long-time Freemason and Mormon offshoot of that organization. He is/has, with a group of "Patriots", started forming "Covenant Communities" and their ain't "nothin'" Christ-ian about them. They claim to be Christian but they are "Jesus" (who is also considered the Paul/Saul 13th or "capstone" of the Illuminati Pyramid). This has EVERYTHING to do with Lucifer and nothing to do with CHRIST!]

This founder, of course, had merely changed his name to an American-sounding one. Seventy years later, its offspring ADL would be formed in New York to *protect* those radical aliens from arrest and exposure, for the ADL was in actuality the Jewish Intelligence arm of British Intelligence in the United States. And the identity of their devious agent, who had been through a series of clever maneuvers placed in *charge* of this investigative agency, the then-called **Bureau of Investigation**, by Leftist officials of the parent Justice Department, was a 24-year-old homosexual mulatto who was himself a member of the Ancient & Accepted Scottish Rite of Freemasonry (Southern Jurisdiction) of Washington, D.C. His name was J. Edgar Hoover. Almost 40 years later, he would earn his spurs by being a major player in the planning and cover-up of the "Crime of the Century", along with a host of other top Government officials (*exactly* as had happened a century earlier when the British Rothschilds also arranged the assassination of President Abraham Lincoln). It is most intriguing to note that President Lincoln was lured into attending a stageplay at Ford's Theatre entitled, *Our American Cousin*, and then *abandoned* by his Secret Service bodyguards to his fate. Coincidentally, the Templars refer to themselves as "Good Cousins", while the Jewish bankers of the City of London who financed the assassination have always called themselves "The Cousinhood". Furthermore, the motto of the Knights Templars, *Sic semper tyrannis*, were the very words shouted by Lincoln's assassin, John Wilkes Booth, before he was allowed to escape to safety by Secretary of War Edwin M. Stanton, to England, leaving a double to die in his place. [H: The usual mode of operation, isn't it? Readers, please pay attention: This is an OLD story taking place and what you have known as the freedoms of the United States of America are NOW GONE, and unfortunately, are aided and abetted by ones you thought you could trust, such as Col. James "Bo" Gritz. Gritz may well be a "Jesus" MAN, he is not a Christly intended citizen. This is why he and Green and buddies MUST BE CONTINUALLY HARANGUING AND DENOUNCING ME. THE FAT IS IN THE FIRE AND THE MORE THEY BURN THE MORE THEY TRY TO DESTROY AND ARM, ARM, ARM AS "PATRIOTS". NO, "PATRIOT" IS A LABEL TO GET YOU KILLED.] Ah, but we digress.

**RETURNING TO  
"RING OF FIVE"**

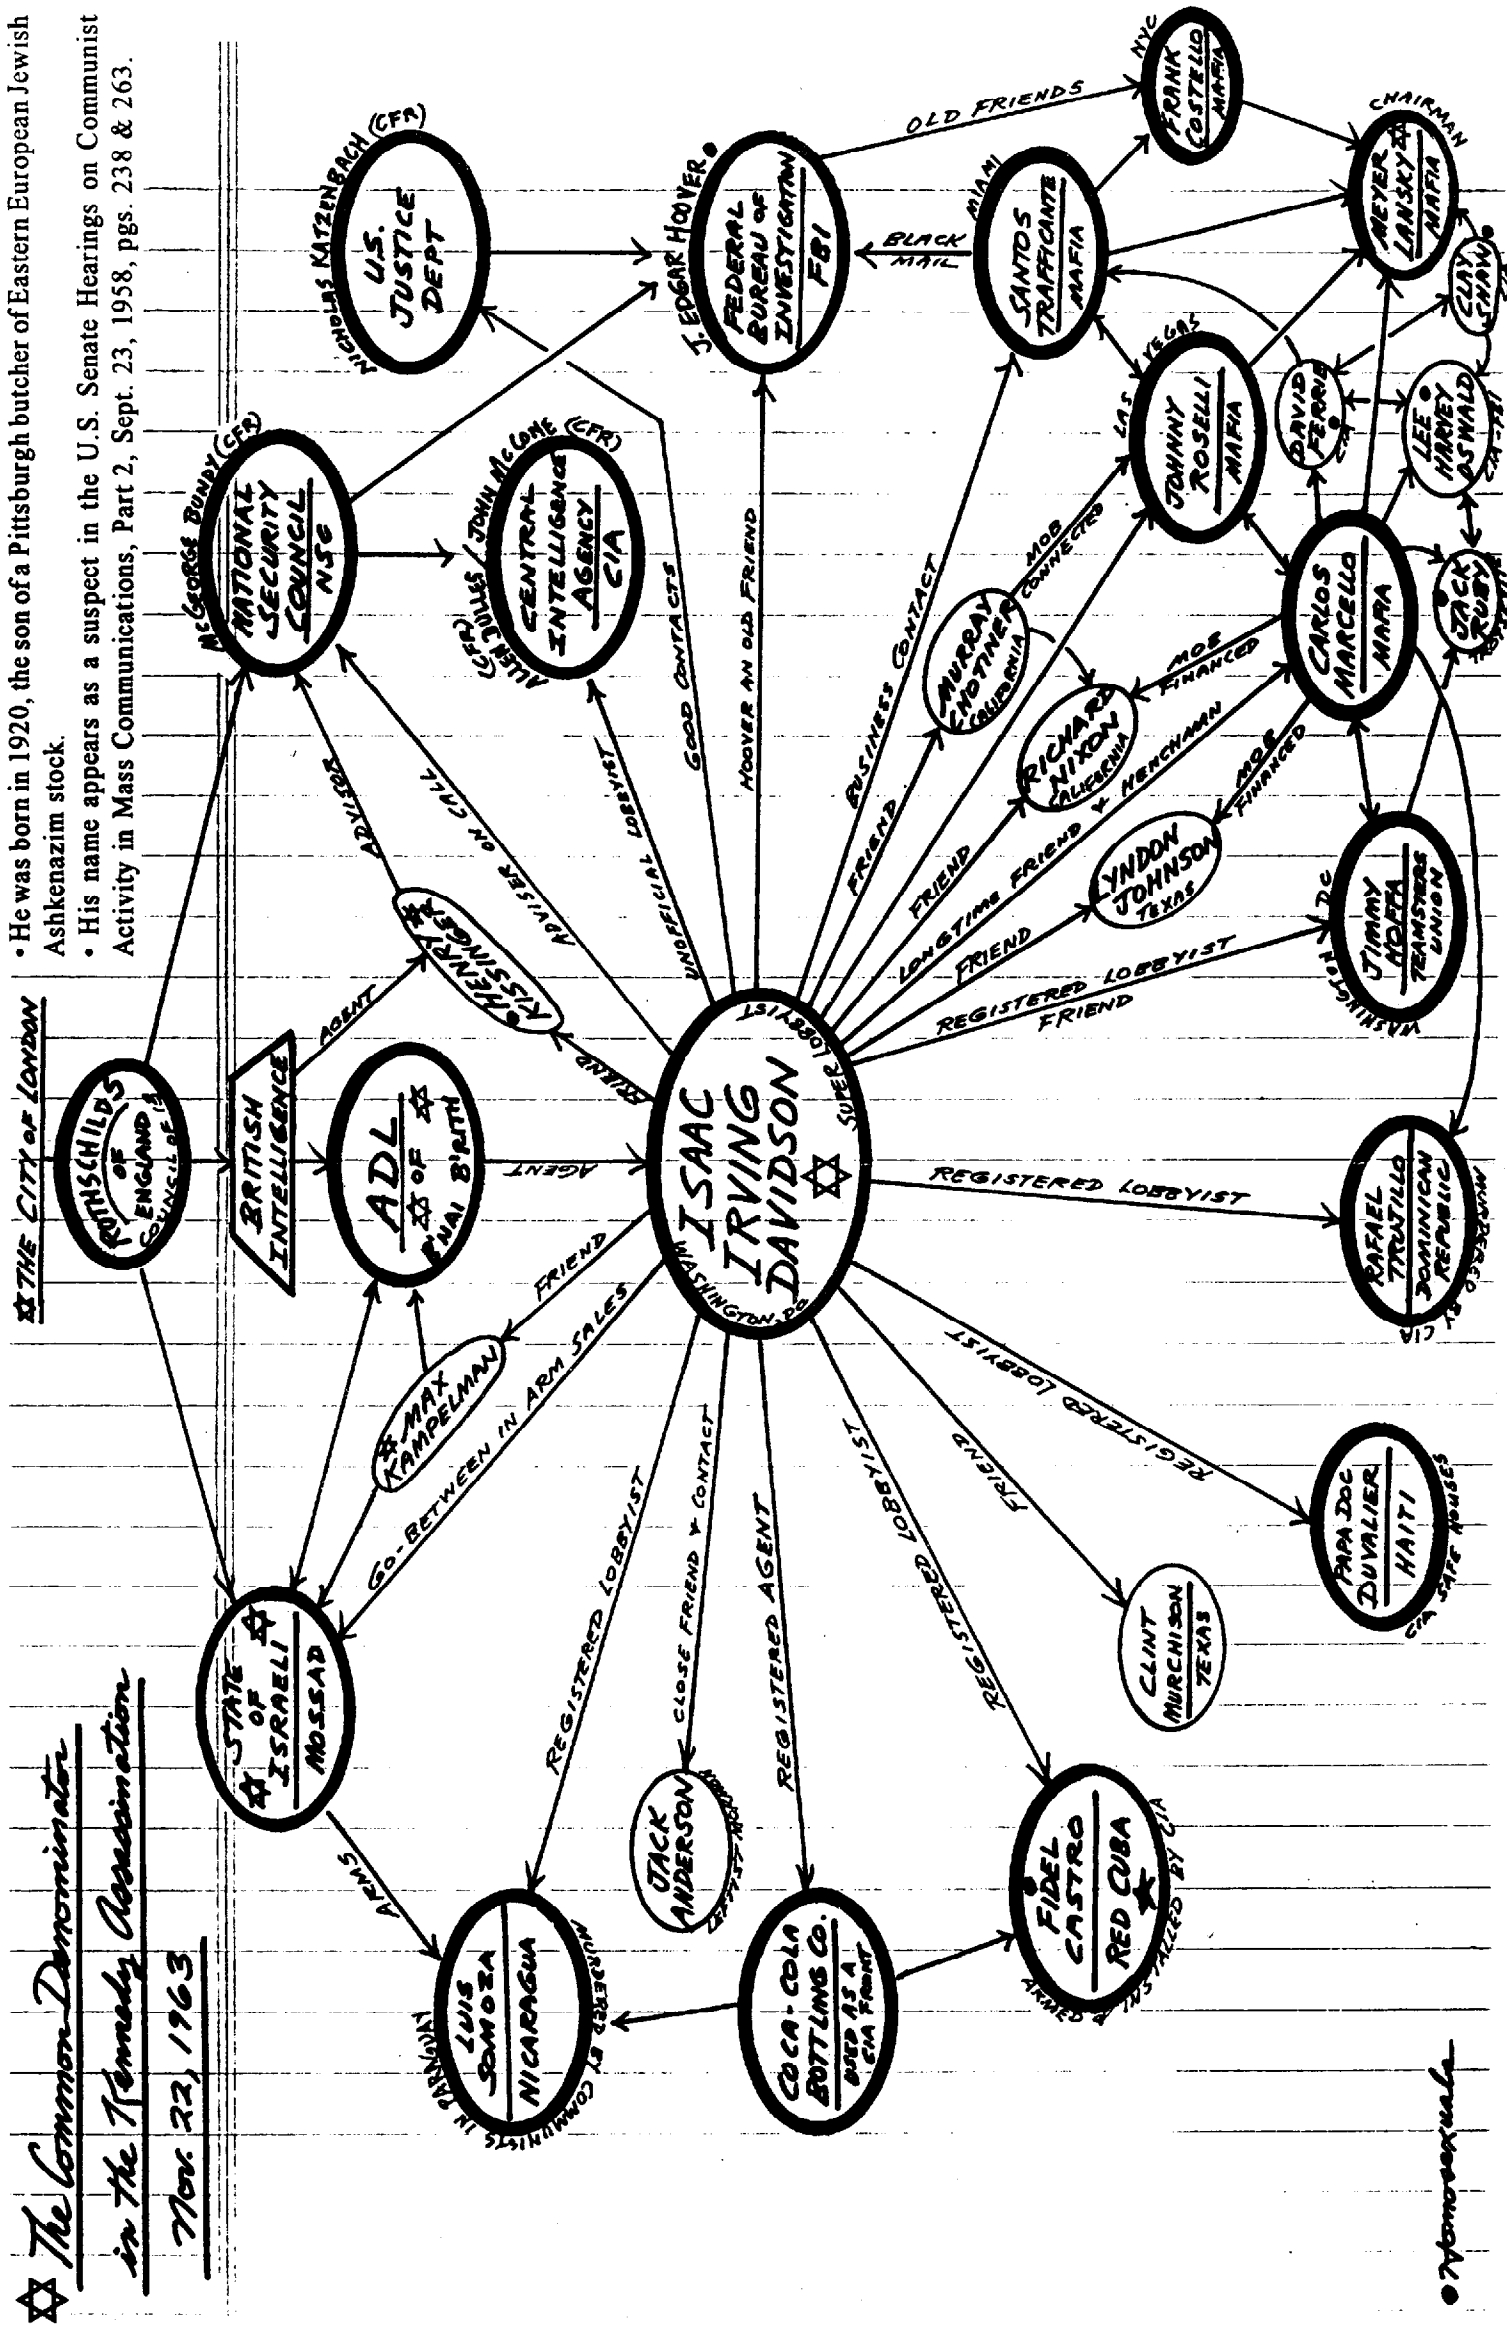

Returning once again at long last to the infamous so-called **Ring of Five** (Remember them?), in Chapman Pincher's excellent 638-page exposé, entitled *Too Secret Too Long* (New York, St. Martin's Press, 1984), we learn that in the early part of World War II, "Lord Rothschild, a distinguished Cambridge scientist who had joined MI-5 and specialized in the study and dismantling of German booby traps, had rented part of a house [that he owned] at 5 Bentinck Street, where he lived with his wife." One of those close friends he rented an apartment to, "well known to Lord Rothschild and then entirely above suspicion, was Anthony Blunt. He suggested that the fourth occupant should be Guy Burgess. Number 5, therefore, came to house two Soviet spies though this was unknown to the other occupant or to Rothschild."

Although very carefully worded, Mr. Pincher, Britain's leading investigative reporter in the field of espionage, must certainly *know* better, but due to the crippling Official Secrets Act in England, and in order to get his block-buster books printed at all (I have three of them), he obviously had to go along with the international charade that Lord Victor Rothschild and his radical chick wife were merely innocent bystanders in all this amazingly complicated subversion. But I don't have that restriction, due to our *First Amendment* rights.

And so, in 1940, the homosexual Guy Burgess

moved into this close friend's large and sumptuous three-storied home near Wigmore Hall at No. 5 Bentinck Street, to share a beautifully-appointed apartment with his effeminate, longtime sodomite lover, Blunt. "A fairly continuous resident" there during the war, the coprophilic Blunt we find, "had just left the Warburg Institute to work for MI-5..." Apparently unbeknownst to Pincher, the Warburg family, who are quite prominent in England, had been top Rothschild Dynasty agents and Communist fellow travelers for many decades, as well as International Bankers, in Britain, Germany and the United States. In fact, the Warburgs (primarily Max) were also part owners of I.G. Farben, the huge industrial and chemical cartel in Nazi Germany that ran all the concentration camps for the German effort (these were not extermination camps, as Red propaganda affirms, but work camps—which were run on the inside by Ashkenazim Jews). Anthony Blunt, by the way, was the son of Wilfred Scawen Blunt, an early associate of Cecil Rhodes and Lord Alfred Milner. But to his credit, the elder Blunt had been

completely opposed to Britain's mad Imperialist policies in Arabia, India, Egypt and Ireland. As a consequence, he fell out of favor with the Rhodes-Milner Group, and as Quigley states in his book, *The Anglo-American Establishment* (Pg. 111), Blunt was labelled "a psychopathic anti-imperialist who spent his life praising and imitating the Arabs..." And that was exactly how Kim Philby's father had also been characterized for his antics and beliefs. So maybe we now have a clue as to why their high-born sons turned out to be traitors to the land of their birth.

Before long, Burgess became "a bit of a standing joke in intelligence circles", due to the odd assortment of drunks and homosexuals (and perhaps a polyorchid transvestite or two) from MI-5, MI-6 and Military Intelligence who often partied there. Yet he was not immediately fired nor even reprimanded. Nor was Blunt.

### SEX ORGIES AND FRIENDLY PARTICIPANTS

Some very, very important continuous visitors to the Rothschild home there on Bentinck Street during the war years, men who came to participate in the wild and wooly sex orgies and drunken marathons held there by Burgess and Blunt, included: Guy Maynard Liddell, a homosexual MI-5 officer who had joined the service in 1927, from the Special Branch, and later served as Deputy Director-General from 1946 to 1951 (he later tried to stop Goronwy Rees from revealing what he—Rees—knew about the Cambridge spy ring, then retired from MI-5 to become chief security officer for the Atomic Energy Commission); Willy Forrest, a "former" Communist friend of Kim Philby's, and a Spanish War veteran (on the Republican Red side), who worked as a correspondent for the *Daily Mail*; John Strachey, a homosexual Fabian Socialist who at that time was a Wing Commander for the Royal Air Force (RAF) and worked in a sensitive post at the Air Ministry (he later went on to become a Member of Parliament (MP) "known to be openly associated with Communists"; Peter Pollock, a radical Jewish homosexual lover of Burgess; Stuart Hampshire, who maintained a sensitive post in the Radio Security Service (RSS), the signals intelligence organization of MI-5, which worked closely with GCHQ on the secret Double Cross System (XX); Robin Zachner, an MI-6 officer responsible for counterintelligence in the Middle East and Persia who often worked behind Russian lines, he was a Communist espionage agent (as per Konstantin Volkov revelation) who later became Professor of Ancient Persian at Oxford University; Otto Katz, a Jewish Czech Communist and Soviet NKVD Colonel, he was an agent-runner who in 1936 had been placed in charge of all espionage activities in connection with the Spanish Civil War (and in 1942, he sailed for NYC as a poor Jewish "refugee" from Nazism, and soon established a string of Red fronts there and in Los Angeles and Hollywood); Alister Watson, another Cambridge homosexual spy, he served in the Radar and Signals Establishment of the Navy and became head of the Submarine Detection Research Section at ARL, "one of the most secret and important jobs in the entire NATO defense establishment" (he was a regular contact of the Russian agents Yuri Modin, Sergei Kondrashev and Nikolai Karpekov, and later on even Watson's wife and daughter were Communists); and, Kenneth

Younger, a prominent Fabian Socialist then working in MI-5, and a man who was said to be able to slip "through the Iron Curtain as if by osmosis", he would later serve as a Minister under the Fabian Prime Minister Lord Clement Atlee, then in 1951 become the #2 man in the Foreign Office under the Fabian, Herbert Morrison (a man who later on came to the defense of the Red traitor, Donald Maclean). In 1968, Younger would attain the pinnacle of his power by becoming Director-General of the pro-Soviet, anti-American Royal Institute of International Affairs (RIIA), with HQ at Chatham House, London. Oh yes, another dastardly visitor to Rothschild's spy palace there on Bentinck Street was the illimitable scoundrel, Harold "Kim" Philby. Like Burgess and Maclean, Philby had a good number of highly-placed friends and protectors in the Fabian Socialist Cabal, men like Herbert Morrison, who, while top man in the War Office in 1941 used his powerful influence to get Philby's eccentric father released from Brixton Prison. [H: So what is so bad about a few homosexual orgies? Well, readers, we simply find that these same people of that community are by and large so unrighteous in every other way as well as in their sexuality as to be suspect to honorable leadership. It is so sad when, for instance, a British royalty or Elitist such as Prince Charles and the honorable Prime Minister Majors get caught in a scandal of sexual indiscretion—it is because it is a "female" partner that is the bug-a-boo, not the sexual relationship. Check it out, it is the rampant homosexuality which the little princesses use as blackmail material. While the females are swooning over these macho males and dreaming of them as lovers, it is KNOWN that they are as "queer as \$3 bills", to quote a remark made by a very high-level princess, quite lately.]

Again, right in the midst of these Marxist menageries of dipsos, perverts and spies, there was the noble Victor Rothschild, supposedly oblivious to it all. Yet here was a highly intelligent, Intelligence officer whose ancestors had had their own Intelligence service since the late 1700s, and we are seriously asked to believe that he and his equally-brilliant wife never suspected a thing all during the war. The American people may be dumb, but they ain't stupid, OK? It is by now a fairly well-known fact, at least in the United States, that the Rothschild Dynasty has virtually owned Great Britain since at least the mid-Nineteenth Century, just as the Rockefeller Dynasty has occupied that same sacrosanct capacity in the United States for the past 70 years or so. While the former family is comprised of Ashkenazim Jews, the latter is comprised of Sephardic Jews—but their voracious appetites and methodologies are exactly the same, completely unconscionable. After carefully studying and sifting through some 4000 pages of documentation on Fabian subversion and Soviet spy rings in Britain, and looking at the overall situation from a much different perspective and parallax view, I can say without equivocation that Victor Rothschild was nothing else if not a perfidious TRAITOR.

[END QUOTING OF PART 26]

I believe that you can now see why our works get burned and banned. The Elite New World Order are TRYING to keep you uninformed and totally ignorant. You-the-people ARE NOT SUPPOSED TO KNOW ABOUT THESE THINGS. KNOWLEDGE and being informed are the greatest enemies of this Evil Empire's taking of the world. If they can guide and insure your only receiving the LIES and then being too shocked to listen to TRUTH, they win—you lose. Simple! ## Blarney Break: A Cult By Any Name Is A...What?

As we go to Press with this week's CONTACT, someone has sent to our offices the May/June 1995 issue of a periodical called UFO Magazine.

Its foreboding cover story for this issue is titled UFO Cults and their overall premise is that "As the Information Age merges with the Age of Aquarius...alternative religions continue to increase, and the ones linked to flying saucers still hopelessly marginalize the entire subject and place adherents in that inevitably disparaging fringe arena called cults."

Oh no—not that "C" word again!

After first making the genuinely insightful point, according to J. Gordon Melton, that, "A cult is any group you don't like," the analysis degrades rapidly into New Age psychobabble like: "In a pluralistic, 'free' society, cults are healthy mutations in a thriving garden of mainstream religions."

Now there's the "R" word, too.

Of course, that's as long as it's not THEIR "religion" of UFOs because: "...UFOs are not a religion, and those who opt for such odd bedfellows of belief deserve a load of criticism, for sure. Much of ufology's time and energy is absorbed, not in research, but in fighting off the stigma that flying saucer cults incur.... So if this part of the fight must go on, the well-armed must know the enemy..."

They then announce they're going to bring us to a vivid level of illumination about Knowing The Enemy with a list they title "A Few 'New Wave' UFO Groups" that are presented with the provocative cautionary rhetorical question: "Cults...Or Cutting Edge?"

However, in the "rogues' gallery" write-up that follows, what we see hardly helps us to "KNOW the ENEMY". The featured candidates actually run the gamut from purposeful disinformation plants to honest victims of infiltration and deception—but their stories are presented to us absent any true insight about the Larger Picture.

For example, one can't help but notice how devoid their discussion is of even the most basic understanding of typical cult "engineering technologies"—such as that achieved through the MK-ULTRA Monarch Mind-Control Project that has, for so long a time now, worked quite well under so-called "cult" covers and includes such masterpieces of Governmental deception as the Waco and the Jim Jones-Guyana schemes.

By contrast, CONTACT readers are well aware that many "cult" experiments sprout from projects as intimately

related to terrestrial UFOs, abductions, and sordid underground intrigue, as the rest of the Black Budget antics—you know, those ones that the "leading" conventional "researchers" can't ever seem to uncover or get straight for SOME reason.

Wonder why that is??? Do I hear cynicism?

But there's a humorous point to all this which I have been leading towards: One of the featured subjects in this muddled discussion is shown in the box below. Our longsuffering, longtime readers will surely recognize that popular prize paragon of polluted prevarication featured therein. Don't you just love that smilin', sell-you-a-used-car face?

Like you, we here were wondering what was happening with George and his equally "innocent" ("Monarch butterfly") wife Desirée, and we're NOT at all surprised to note they're in such intimate contact with, not Commander Hatonn, but "Hatton"—whoever THAT may be in George's colorful theatre of the absurd.

And while CONTACT can emphatically concur with ANY suggestion, such as this UFO Magazine feature makes, about "hanging a warning flag" around ANYTHING having to do with George Green, let me make one thing very clear: since I became Editor-In-Chief of The Phoenix Liberator, way back in May of 1992, and then Editor of its successor, CONTACT, in March of 1993, George—then or now—has ABSOLUTELY NOTHING to do with these valid journalistic beacons—lights which have been so threatening to the Crooks in Dark Places that we've been constantly the focus of both derisive flak and nonsensical attack (like this)! That's THE test to look

for in a world awash in disinformation!

Moreover, we—all of us associated with and contributing to the information in CONTACT—must be doing something VERY right to have such "honors" constantly bestowed upon us.

While, for Black-Budget Projects reasons, there truly IS much purposeful disinformation in the UFO world, the revealing question to ask is: WHO aids & abets and/or profits somehow from that blarney flow, and WHO sacrifices all to share truth?! Remember: "Ye shall know them by their works."

As our readers well know, ol' Georgie skipped town (coincidentally, shortly after I took over the paper) with gold and other funds intended to be utilized (by The Phoenix Institute For Research & Education, Ltd.) for important projects such as helping to keep afloat this newspaper beacon of truth for our nation. So—which side are such as he working for?

Unfortunately, one senses the same lack of awareness, mixed with trumped-up (magazine selling) turbulence, in this particular UFO Magazine's journalism as one typically finds in that entire, (dare I use the word) cultish UFO field. Put bluntly: garbage in, garbage out.

Meanwhile, our country goes steadily down the tubes for lack of truth getting out to we-the-people, while disinformation showers over the land like (pardon the "inside" technical pun) weather-controlled rain. At least water has its useful side.

No, our problems are definitely very terrestrial. Just take a good look around—like at this week's Front Page story!

— Dr. Edwin M. Young, Editor-In-Chief

GEORGE GREEN AND THE 'PHOENIX LIBERATOR.' Exposed for some anti-Semitic bias (see UFO, Vol. 7, No. 3), investment banker and real estate man Green at one time apparently sponsored the incendiary cant of E.J. and Doris Ekker, the latter who claims to be in contact with the powerful and spiritually eclectic Hatton of the Pleiades Sector of the Ashtar Command. Hatton supposedly stands watch over the troubled earth while in space-ship orbit. The pot called the kettle black when Hatton's right-wing newsletter *The Phoenix Liberator*, which espouses his allegedly channeled material, was accused of plagiarism by Milton William Cooper, and others. At last report, dissension in the ranks has cut into Hatton's—or at least Ekker's—standing among those who prefer their political propaganda from outer space. Green—whose wife Desirée is now in "constant contact" with Hatton—also deals in the dire Millennial predictions; that Mt. Rainier will blow is one of them.

# New Gaia Offers Journey To Health

## What Should We Be Taking?

5/26/95 SANDRA TULANIAN, D.C.

The times in which we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breath of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Aside from a core of products that New Gaia carries which will be discussed further on in this article, two brand new products are being offered that are extremely important to present first. They are **GaiaCol** and **OxySol**. **GaiaCol** is a combination of Colloidal Silver, Trace Colloidal Gold and Trace Crystalline Drias. This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin; and the uses for Colloidal Gold at that time were just beginning to present themselves. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. Interestingly, the antibiotics that they were producing had no effect on the more resistant viruses, fungi and parasites yet this did not stop the medical community from prescribing these drugs regardless of the type of infection. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic overprescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is non-toxic to humans and allows no known disease-causing organism to live in its presence. With the addition of Trace Colloidal Gold and Trace Crystalline Drias, the frequency of **GaiaCol** is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. **GaiaCol** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns. For internal use it is recommended to maintain with 3-4 drops, 3-4 times per day under the tongue and if an infection is present, start with 1 teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or, at the least, when symptoms are noted (symptoms may include cramps, bloating, diarrhea/constipation and a general feeling of malaise).

Please note that this product is said to be perfectly

safe for children and pets and can be taken with other medications without incident. Colloidal Silver is not addictive and the body does not build up a tolerance to it. For your information only, Colloidal Silver has been used effectively on the following: acne, conjunctivitis, allergies, rheumatoid arthritis, bladder inflammation, venereal diseases, eczema, appendicitis, boils, cancer, candida, otitis media, prostate problems, whooping cough, ulcers, plus many, many others. **GaiaCol** can also be used to wet wound dressings and bandages and help heal cuts, scratches, abrasions, fever blisters, etc. There is a myriad of uses for this product which makes **GaiaCol**, in my opinion, one of the most exciting and valuable products on the market today.

**OxySol** contains Colloidal Silver and Trace Colloidal Gold but has Hydrogen Peroxide (food grade) and other trace minerals to add a new dimension to the effects. Organisms that have plagued us for centuries may be destroyed using this product but the new, more resistant strains will require the higher frequency **GaiaCol**. When added to water, the **OxySol** will help to purify, which makes this ideal for taking to restaurants or for travel. When taken with **GaiaCol** you get a two-fold effect of combating foreign invaders and providing a greater oxygen content for the health of the cells from the Hydrogen Peroxide. **OxySol** is wonderful topically as well, but is not advised for burns (use **GaiaCol** for burns). The trace minerals found in **OxySol** are vital to our health because the nutrients that were once taken for granted in our vegetables and fruits have been systematically farmed out of our soil. These trace minerals need to be replaced, otherwise our bodies continue to be open season for aggressive bugs. Another use for **OxySol** is to rid the oral cavity of harmful bacteria by brushing your teeth with 4 drops **OxySol** on your toothbrush or use as a mouthwash or gargle. The recommended amount to take daily for system clearing is 6-10 drops, 3 times a day on an empty stomach. If taken with **GaiaCol**, reduce both daily requirements in half. If you are adding **OxySol** to your water, just add 1-2 drops in each glass of water. Both **OxySol** and **GaiaCol** are very powerful additions to our pursuit of health.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken

regularly, that is felt to be essential to health and well being. These products are: **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse Program**, **Chlorella**, **Spelt**, and **3-In-1**. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

**Gaiandriana** is a product that is said to help correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to dis-ease. Another benefit from consuming **Gaiandriana** is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. **Gaiandriana** is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

**Aquagaia** was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

**Aquagaia** is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the

age of twenty, have plaques developing on the arterial walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both **Gaiandriana** and **AquaGaia** work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is **Gaialyte**. This is a fully integrated electrolyte liquid that is brought forth from the **Kombucha Tea**. The combination of tea and juice, vitamins, minerals, **Ginkgo Biloba**, **Echinacea**, **Chlorella**, oxygenators, **Aloe Vera** and **Gaiandriana** are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **Gaiandriana** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "Tea Breeze" **Kombucha Tea**. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called **Kargasok**, Russia. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of **Kombucha Tea** daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard **Kombucha Tea** as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through **New Gaia Products**, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **Gaialyte** and your favorite juice, or just drink it straight.

There is a **Kombucha Vinegar** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **Kombucha Vinegar** is not recommended for canning or preserving, it certainly is recommended for general consumption.

**CarbraGaia** is the membrane that is found in the mushroom fungus of the **Kombucha Tea** bathed in a nurturing amniotic-like fluid of **Gaiandriana** to aid the body in repair of connective tissue. This product was designed to replace the need for **Shark Cartilage** supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called **GaiaCleanse** has been developed that assists in the elimination of the nasty

parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as **Cancer**, **AIDS**, **Hepatitis**, **Hodgkin's Disease**, **Diabetes**, just to name a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GaiaCleanse Program** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GaiaCleanse** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

**Chlorella** is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **Chlorella** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

**Chlorella** is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **Chlorella**, in larger doses, is warranted.

Moreover, because of its superb food value, **Chlorella** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **Spelt** (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. **Spelt** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (**Mucopolysaccharides**) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **Spelt** to be easily digestible. What is most exciting is the delicious nutty flavor that **Spelt** offers to any baking needs. Another advantage of **Spelt** is the large amount of vitamin **B-17** found in the grain (also known as **Lactrile**) which has a reputation for retarding cancerous cell growth and aiding in the healing of other serious illnesses. **Spelt** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **Spelt** grain can be ground up into flour and used in any recipe where flour is required. **New Gaia** offers the whole **Spelt** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". **Pycnogenol** comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief of a number of chronic conditions. The **3-In-1** product offered by **New Gaia** has been found to be superior to **Pycnogenol**. The research that has been conducted on the elements found in **Pine Bark** were primarily conducted on **Grape Seed Extract** because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the **Grape Seed Extract**

was even superior to the **Pine Bark** in that it contains a higher level and higher potency of **OPCs** (**Oligomeric proanthocyanidins**) which are the active ingredient for free-radical scavenging. These **OPCs** found in the **Grape Seed Extract** are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the **OPCs** found in **Grape Seed Extract** have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued **PMS**, and reduced inflammation of arthritis.

The other substances found in **3-In-1** are **Ester-C** and **Aloe Vera**. **Ester-C** is found to get into the blood stream faster and in larger amounts than other forms of vitamin **C** and wastes only a fraction of what other vitamin **C** products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin **C** because **Ester C** has a neutral pH. Each capsule also contains 150 mgs. of **Aloe Vera** which is the equivalent of one-and-one-half ounces of natural **Aloe Vera** juice. Excerpted from an article by **John C. Pittman, M.D.**, we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in **Cold Processed Whole Leaf Aloe**. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called **3-In-1**. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **OxySol**, **GaiaCol**, **Gaiandriana**, **AquaGaia**, **Gaialyte**, **Kombucha Tea**, **Kombucha Vinegar**, **CarbraGaia**, **GaiaCleanse**, **Chlorella**, **Spelt** and **3-In-1** can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.
