GOOD NEWS: FILIPINOS SUE COMMUNIST TERRORISTS

There seems to be no peace for those who resist the international oligarchs, as Imelda Marcos can surely attest, but perhaps there is, at last, some light at the end of this tunnel in the Philippines. The December 25 issue of *THE SPOTLIGHT* provides background to this story, [quoting:]

When Marcos refused to allow his nation's internal affairs to be dictated by the international financiers and the global lending agencies that were pressuring Marcos to borrow his nation into bondage, the media guns of the banker-dominated Establishment were promptly aimed at Marcos. In no short order, an unusual alliance between the oligarchic families of the Philippine islands, multinational corporate and financial interests, and a motley assortment of State Department diplomats, CIA operatives and American political figures with ties to the banking Establishment [sounds like a very USUAL alliance to me] geared up to bring Marcos down. They succeeded.

Under armed assault Marcos and his family fled the presidential palace in U.S. military helicopters. The family was told they were going to be taken to the president's native province in the northern Philippines. The family was shocked, however, to learn that they were instead kidnaped. They were taken to Honolulu and placed under virtual house arrest by the U.S. authorities. [Long a strong U.S. ally, Marcos had received the highest American military honors for his assistance to the American forces under Gen. Douglas MacArthur.]

Despite their fall from power, the international campaign against Marcos and his wife continued. "Racketeering" charges [were brought] against President and Mrs. Marcos, but the president died before the case went to trial [VERY suspicious, indeed!] Mrs. Marcos stood trial, defended by Gerry Spence (who later handled the Randy Weaver defense). The jury quickly dismissed the charges, recognizing them for the fraud that they were. Even the judge was moved to ask why such charges (for alleged misdeeds in the Philippines) were being heard by a Manhattan jury. Confident their media campaign against Mrs. Marcos would bring her down, the conspirators were astounded by her acquittal. [Is this reminiscent of the O.J. trial, or WHAT?!] At this juncture, critics launched a new effort to discredit the memory of Ferdinand Marcos and to grab control of the remnants of the once gigantic Marcos fortune. [which was NOT stolen from the Philippine Treasury as touted by the international media but came, apparently, from a gigantic gold hoard secreted in and around the Philippines by Japanese Gen. Yamashita during the fierce Pacific islands fighting of World War II.] The conspirators orchestrated a bogus lawsuit against Mrs. Marcos with the sole purpose of grabbing control of her family's holdings. A law firm was enlisted to place the names of some 10,000 Philippine communists on a class action suit in a U.S. federal court against Marcos and his wife. Only a handful of the 10,000 "victims" were ever actually interviewed. Of the alleged violations, none had occurred on U.S. soil. What's more, most of them had supposedly taken place some 15 years

previously during the period when Marcos had instituted martial law in order to save the Philippines from communist terror and takeover.

The case was first filed in federal court in Honolulu where the Marcoses were held, but a federal judge threw out the case for lack of jurisdiction. Then the anti-Marcos cabal decided to file the suit in the court of Judge Manuel Real in federal district court in San Francisco. Real has the rare distinction of being the most overturned judge in America. He is known for his obstinate and raucous courtroom behavior, often threatening to jail people who are appearing before him. [From the Jason Brent School of Jurisprudence?] After years of bullying and routinely ruling against the Marcos defense, Real arbitrarily decided what was "evidence" and what was not. Counsel for Marcos was even prevented from cross-examining the complainants and the plaintiffs won a huge judgment. Real [not a Filipino, as you might think, but a Romanian immigrant who "escaped the gas chambers"] awarded the plaintiffs \$2 billion is now demanding some \$450 million in Swiss bank accounts belonging to the Marcos family be turned over to the plaintiffs and their attor-

If federal Judge Manuel Real has his way, neither the late Ferdinand Marcos nor his wife Imelda will rest in peace.

neys. Although attorneys for Mrs. Marcos have appealed Real's ruling, he continues to issue threats, taking umbrage that his judgment has been questioned. Real is so determined to divest the Marcos family of their money that he has dismissed the rights of Swiss or Philippine courts to adjudicate the matters at hand. Real's conduct is so outrageous the *Wall Street Journal*—ordinarily a staunch defender of the Establishment—editorialized on December 12 that Real has no authority to interfere in the case.

THE TURNAROUND

In spite of the antics of Real and his puppetmasters, justice may yet prevail, as reported in the January 1 issue of *THE SPOTLIGHT*, [quoting:]

MANILA—Ever since the anti-Marcos cabal of the State Department moved heaven and earth to steal the fortune of former Filipino president Ferdinand Marcos, the Filipino silent majority has been persecuted for its loyalty to its legitimate president. Now, this silent majority of Filipinos, acting independent of the Marcos family, has organized a sensational lawsuit which is rocking the State Department and CIA flunkies in the Philippine capital. In a counter to a suit on behalf of 10,000 Communists, which was entered in a U.S. court,

case No. 95-23529 was filed in the Philippine Superior Court by leading human rights attorney Oliver O. Lozano. Loyalists for Marcos, Inc., the entity representing the 5 million participants in the suit, seek damages from the Communists for crimes inflicted on them by the 10,000 plaintiffs in U.S. Judge Manuel Real's court. Unlike the 10,000 names on the suit in the United States—many of the plaintiffs are unverified by order of Real—all of the 5 million petitioners in the Philippines are real and verified claimants who are out for justice. This includes making right the persecution they have suffered under the CIA regimes of Cory Aquino and Fidel Ramos. [This CIA-intrigue-filled saga is not peculiar to the Philippines, as we know. It spans the globe!] Plaintiffs want the court to declare President Marcos not liable for human rights violations because of his instructions to observe due process and to protect human rights.

One of the most explosive pieces of evidence in the hands of the counter suit arsenal is a videotape in which the CIA Aquino-Ramos clique thought they had destroyed. The tape was taken during a cabinet meeting dealing with counterterrorist measures to be taken by the Marcos government. During that meeting Marcos admonished his chief of staff Fidel Ramos (now president) to insure that due process of law was observed in the apprehension of suspected Communist terrorist. To Marcos' astonishment Ramos replied somewhat laughingly that as far as he was concerned he would arrest people first and work out charges later. Marcos replied

he would have none of that, then ordered Ramos to observe due process at all levels. Thus, if the Communists were arrested without due process it was done contrary to Marcos' orders and instructions by an official who violated both his president's orders and the law. Consequently, if Real was so intent on redressing human rights violations in all of the world's countries—albeit without the slightest jurisdiction—he would have gone after Ramos—not Marcos. The State Department, and its Manila clique, did everything in its power to derail the lawsuit. Claimants were threatened. Some were subjected to blackmail and bribes, some to death threats, but all to no avail.

Finally, the real human rights violations are being adjudicated in the proper forum of the concerned country and not in Real's inquisition chambers. If the plaintiffs, representing 5 million Filipinos, are successful, the whole force of the Real-State Department-CIA cabal and lawsuit will be

destroyed.

MORE GOOD NEWS: APPEALS COURT STRIKES DOWN CHICAGO ANTI-LOITERING LAW

Let's keep the momentum going: Here's more good news, from the December 20 issue of the *THE ORLANDO SENTINEL*, [quoting:]

CHICAGO—Attorneys plan to appeal to the Illinois Supreme Court a lower-court decision striking down a city ordinance that allows police to disperse any group of people if at least one of them is a known gang member and arrest anyone who does not cooperate, it was reported Tuesday. [Similar "anti-crime legislation has been enacted in other states, notably California.] The ordinance "smacks of a police-state tactic", the appeals court found. "Gang membership itself is not a crime, and standing in a public place with no apparent purpose is not a crime," it said. "Adding these actions together does not make them any more criminal." The court said the 1992 ordinance violated *First Amendment* guarantees of freedom of association and expression, the *Fourth Amendment* protection against arrest without probable cause, and the *Fifth Amendment* promise of due process of law.

A Look At Zionism And Religious Control

12/30/95 #1 HATONN

WHAT, EXACTLY, IS ZIONISM?

We move along in the assumption that people are reading "every" thing we offer and we get careless about returning often enough to simple premises that a secret cannot be kept forever and, therefore, people will come to see the LIE. This is a wrong assumption.

I would like to consider two items at once to both save time and allow you to be getting your research materials together. Out of the recent days has come a most interesting book by a man called ben Weintraub (the small letter b is correct but if you can't stand it, grammatically, capitalize it). The title: *KEYSTONE OF THE NEW WORLD ORDER; THE HOLOCAUST DOGMA OF JUDAISM*.

Since the writings compiled in this volume are so representative of that which we cover in *New World Church Order*, I will attempt to offer parts interspersed with information of our ongoing outlay of Church and Prophecy—not to even go into the fact that both are simply POLITICAL LIES.

A copy of the book was sent "for review" with petition for response. I am astounded that ones out of the dogma itself DARE to offer such comprehensive truth and yet do so with the unbiased attitude of a dictionary (a valid dictionary, that is). So, in answering the question, "What is Zionism?" we will simply offer page 150 and 151 from the above named book. I CERTAINLY WILL THEN GIVE YOU INFORMATION FOR GETTING THE BOOK ITSELF FOR IT IS LIKE OPENING A WINDOW FOR BOTH FRESH AIR AND LIGHT.

From: *Keystone of the New World Order; The Holocaust Dogma of Judaism* by ben Weintraub [see next page for ordering information]. Indeed, "one of THEM!" So, a better question might be "Who is THEM?" So be it, one topic at a time, if we can with any reasonable meaning.

[QUOTING:]

WHAT IS ZIONISM?

"Zionism is Treason.

It is a program for the political conquest of the world, including the United States.

The United Nations is its instrument.

It is the super government mentioned in

The Protocols of the Learned Elders of Zion

promulgated at Zionist congresses between 1897 and 1905."

[H: So, it certainly can't be something that was "always there", as in race or religion, tribe or species. The above quotation is from Henry H. Klein, Attorney, reporter, candidate for mayor of New York City, 1933.] For a full copy of Klein's "Zionism Rules the World", order the June 1978 issue of *The Liberty Bell*, P.O. Box 21, Reedy, WV 25270.

Zionism's goal is not completed by creating the Marxist state of Israel but merely used Jerusalem as a strategic center at the crossroads of the East and West and as a world center of religious origins. The Knesset in 1981 passed a law permitting any Jew dying anywhere to claim Israeli citizenship, renounce his United States citizenship, and escape death and estate taxes without Israel taxing them. [H: How is this for shrewd and clever treason?] The IRS has a rule against this (Section 2017), but it has never been used. (National Vanguard, P.O. Box 2264, Arlington, VA 22202, Jan./Feb., 1986.) Israel also provides an enclave, or safe haven, for Jews who have dual-citizenship there and in any other nation in which they were born, to flee to in case they run afoul of the law "at home". The truth is that the Jew is "at home" everywhere, with his worldwide synagogues and Masonic Lodges dispersed like lymph nodes in world politics, ever ready to bring the united aid of world Jewry to any trouble spot in the world. They are the New Imperium, as Rome once was, with its legions and courts stationed in the remotest parts of that known world, with this difference: Rome used mostly Romans in its legions until its race declined, whereas the Jews, through the United Nations, intend to have a continuous supply of helots or mercenaries to deploy for their money-interests throughout the world. Other tribes will supply the men, money, and supplies to keep their New Jewish Luciferian Empire functioning. Albert Pike and Jacob Javits' aid, Rosenthal, said that Lucifer was the true God and that Jesus was the counterfeit. [H: Well, since the person by name was called Emmanuel, it is quite reasonable

that the use of the name "Jesus" is an error. This no wise infers that "A" "Christ" is an error. THEY know "Jesus" as used is incorrect—because THEY set it up that way!] The French Lodge of the Grand Orient is aptly named, for that is exactly what looms before the West—The Grand Orient.

Having continuously assassinated America's true leaders, from Louis T. McFadden, Secretary of the Treasury, Secretary of the Navy James Forrestal and Senator Joe McCarthy to President John F. Kennedy and Congressman Larry McDonald, America stands like a bleating lamb shorn of its true leadership in Washington, D.C. and as in Rome of old, the venal politicians seeking only personal gain and temporary advantage. Given the data that voting by computer can be pre-programmed, there seems to be no salvation to be looked for in the ballot box. (James M. Collier and Kenneth F. Collier, *VOTESCAM: THE STEALING OF AMERICA*, Victoria House Press, Suite 2411, 64 Wall St., New York NY 10005.) Even if the votes were honestly tabulated, the mighty media kings can depose any candidate by keeping him from the public view, defame him publicly, or create false knights in shining armor like Ross Perot, who is really but another bossy old billionaire in the Rockefeller "stable".

Thus, in these perilous times for national survival and racial integrity, it seems the best avenue for hope of redress of grievances is through the courts. A Vietnam veteran, Donald MacPherson, tax attorney and columnist for *The Spotlight*, very correctly and astutely points out that patriots should infiltrate the law schools and send every bright young American to study Constitutional and Administrative Law and take back our country by legal maneuvers in the courts. Ladies and gentlemen, that is how we lost our country in large part... in the courts, from the time President Roosevelt packed the Supreme Court with fellow travelers. It will not happen in a day, but it will happen if such action is taken by hundreds of sincere Americans concerned for their children's future and their culture's continuance. *In hoc signe vincet* ["In this sign we shall conquer!"] was Constantine's slogan when he raised the Cross as his standard in battle. General Douglas MacArthur reiterated his stand for these symbols: the Cross and the Flag.

Rick Martin!

Sir,

Would you kindly review this book and let me hear from you soon.

THANKS

Robert L. Brock

I would take a bit of exception to the above conclusions but this is only an excerpt from a book and, taken out of context, the meanings are often lost in the reprinting. You must understand that the "cross" and the "flag" are also of Zionist origin before Zionism was placed as the logo of the New World Order which actually means THEM THAT RULES AND US THAT ARE RULED! Or, better yet in their own words: "US THAT RULE AND THEM THAT WE RULE!"

WHY THE HOLOCAUST?

There HAD to be a Holocaust, readers. It was necessary to fit the dogma that there be "...all the Jews—LESS 6 MILLION..." The entire premise rests on the Hebrew letter "VAV". This letter connects and interrelates all 22 letters of the Hebrew alphabet. This letter forms a vertical line, a pillar, a man standing upright. Its name is "a hook" and it represents the NUMBER "6" and within its secret is that it is a single line of light.

The secret of the vav, which is the first letter of the sixth word of the *Torah*, is that it is a single line of light whose function is to *illuminate the darkness and thus is Time itself—present and future*. It is the Jewish People... It is the Jewish people standing together to do God's will engraved in the heart of every Jew, says Rabbi Yitzchak Ginsburgh.

Does the Biblical phrase from *REVELATION 13:18*...

"Here is wisdom: let him who has understanding decipher the code number of the beast; for it is the code number of the name of [a] man; and his number is six hundred and sixty-six."

...relate to the gematria of the vav?

Or perhaps that from *REVELATION 2:9*:

"I know your works and your suffering and poverty, but you are rich, and I know the blasphemy of those who say they are Jews AND ARE NOT, but are of the Synagogue of Satan."

This is copy from the inside cover as explanation of the cover design. [See inset.]

The entire set-up is through the Dogma of Judaism with instructions: "You shall return—*minus 6 million*" (Or, the letter "vav"). In the Hebrew Year 5708 Gematrically fulfills prophecy—when the State of Israel was founded in 1948. Therefore to fulfill PROPHECY there is a mandatory demand of "6 million".

I ask that Mr. Martin forward our comments to Mr. Brock, as requested, and if Mr. Brock would agree after checking with Mr. Weintraub, we would be pleased to take the space and time and offer serialization of the book in *CONTACT*. I apologize for the length of time interim from receiving the book for review and now—but we needed to wait for integration within our ongoing work now underway. The tumult of Zionism, Jews, Judaism and such as "Communism", etc., is so CONFUSING as to baffle the uninformed and yet so simple in explanation if you know what is taking place here. First in line for being "Had" are the ones who were, simply, "Judaists". This book in point bases its "calculations" on a system called by them "gematria". I don't believe you will find the word defined in a dictionary but it is described in the book itself.

I would go a step further and offer the "description" of the book as sent by the publisher:

The Holocaust is a Judaic religious Dogma and therefore dare not be questioned but must be accepted in Faith. How then can it masquerade as history, or a real event, and taught as history if no part of the story may be questioned or disputed or refuted by forensic, scientific, or reasonable argument?

This article of Jewish Dogma is spread not by missionaries and love, but by fanatics with the power of America, Russia and Germany combined for they are not really sovereign nations but servants and slaves of their Jerusalem-Geneva-New York corporate priesthood and UN administrative and police power. B'nai B'rith says: "The Holocaust is the Keystone of the New World Order," but the world now knows that it is nothing more than shoah business—A Holocaust Dogma.

The premiere book of an entirely new appraisal of The Holocaust as a Judaic religious Dogma that was created by rabbis using Kabbalist "gematria" to account for the number 'six million' and, more importantly to fulfill prophecy.

This religious origin of the Holocaust Dogma removes it from the legitimate questioning of historians by Western reasoning to Eastern mysticism and faith.

To question The Holocaust Dogma is heresy to Judaism. Excommunication from world approval is swiftly followed by imprisonment or fines in Europe. Can a Jewish religious Dogma be subsidized by America? Order this 230 page book for new appraisal.

[END OF QUOTING]

We have received our information from Dr. Robert L. Brock, Pres., Self Determination Committee, P.O. Box 15248, Washington, D.C. 20003.

CAUTION: I would caution you readers to not just dive off head-long into the assumption that you now have ALL the answers for you have missed the biggest lie of all—JESUS. I do not knock anyone's assumption of a Christed being—but by all accounts then or now—HIS NAME WAS NOT JESUS UNTIL SAUL (PAUL) OF TARSUS GAVE THAT LABEL TO HIM AFTER HE WAS NO LONGER IN THE HOLY LANDS. PAUL NAMED ESU EMANUEL BY THE LABEL OF "JESUS" WHILE TRAVELING IN GREECE AFTER HIS ENCOUNTER WITH THE YOUNG MAN. He was NEVER a follower of either Jesus or the Christ. THIS IS ALL A MAGIC AND MOST IMPORTANT FACTOR IN THE MAKING OF THE NEW WORLD ORDER AND CAPTURING ALL OF THE SO-CALLED "CHRISTIANS" AS WELL, INTO THE DOGMA AND STRIFE OF RELIGION.

It reminds me of a writing which Al sent to Paul Krouch of TBN some six or so years ago. It was based SOLELY on CHRIST and did not mention "Christ" by any name so it was quite simply generic writing. The letter was sent back immediately along with a torrid remark that the writer should "return to Jesus". Well, so be it, readers, for you who are waiting for that Jesus Rapture as touted by the Evangelists—are going to end up DEAD. It is ALL part of the PLAN.

You are welcome to believe anything you want to—but I suggest you research all of that which is available before you take someone ELSE'S OPINION about what YOU SHOULD DO.

"Jesus" was the CHOSEN BEING to be built into an Icon and sacrificed in the ending days of freedom, still on the cross a second time, according to the needs of the Court of Satan. There is no more value in correcting only half a story than to leave the whole lie intact. Further, to assume GOD

doesn't keep His promises by sending His messengers to set the tales to correct, is indeed foolishness. WHY DO YOU THINK IT SO ACCEPTABLE TO JOIN INTO SOMETHING AT DIRECT OPPOSITES OF ALL REASON TO COMBINE INTO A RELIGION CALLED SOMETHING AS IMPOSSIBLE AS "JUDEO-CHRISTIAN"! IF YOU HAVE ONE

America, Russia and Germany combined for they are not really sovereign nations but servants and slaves of their Jerusalem-Geneva-New York corporate priesthood and UN administrative and police power. (ADL) B'nai B'rith says: "The Holocaust IS THE KEYSTONE OF THE NEW WORLD ORDER," but the world now knows that it is nothing more

YOU CANNOT HAVE THE OTHER! You can have "Judeo-Jesuan" and have done so for generations **BY SEVERAL VARYING NAMES.** A MAN NAMED "JESUS" WAS PICKED TO BE A FULFILLMENT OF PROPHECY JUST AS HAS BEEN 6 MILLION IN A HOLOCAUST. The name itself has little to do with HEART emotional considerations. You can have a man named "John" represented as a murderer, a savior, a pitch-man, an anything-you-want man. The word "Jesus" itself is pronounced in as many ways as there are languages—and it too, IS NOT A NAME—BUT REPRESENTS "ANOINTED ONE". THE THING TO REMEMBER IS THAT YOU WILL BELIEVE ANY-THING YOU ARE TRAINED TO BELIEVE—ANY-THING!! Every concept is but an IDEA and therefore, for example, to celebrate the MEANING of CHRIST-goodness on a celebration day or "Christmas" is wondrous indeed for you are celebrating the idea of goodness, sharing and being. To take it LITERALLY is incorrect for, at the very least—you do not have the proper and correct BIRTH-date. It is so important, readers, to have WHOLE truth and not just bits and pieces which further confuse the issues confronting you as a species AND a civilization at the brink of self-destruction.

When you actually study the facts as presented you will find that you have no real separation in what is called Christian and what is called any other DOCTRINE-BASED religion. To have GOD is the only thing that requires NOTHING except YOU and HIM! Religions have forever been THE controlling factor in people-management. If you can confound or convince a man—any man—that there are other men higher than self, you have control and, therefore, religions have the most control of all entities. You are TOLD what to believe, what to worship and how to do it so there comes to be very little difference from one religion to that of another. This is WHY Satanism, which is against all things Christlike and Godly, is accepted as a "religion"—because it actually has no more or no less meaning than any other controlling religious ORDER.

Why do you think you have tax "exemptions" of money for giving to religious organizations? It is BECAUSE ALL THE FUNDS END UP IN THE SAME PLACE—THE CONTROLLERS' HANDS AND POCKETS! **THINK ABOUT IT!** "GOD" doesn't get your tithes and offerings! God will always provide the reward of return and blesses your SHARING with those who march to HIS Angel-drumbeat. GOD also expects you to become informed so that you rationally and in wisdom move along your pathway and not just "into" something new and possibly different. Have you not lived long enough in the *fairy tale*? You who say "God wins" are correct. However, if that means to you that some man, Jesus, "wins"—you have no meaning to your statement for, at best, a MAN named "Jesus" was the human physical presentation of whatever you choose—NOT THE ENTITY OF GOD. Until you KNOW the difference, you will be waiting for something which CANNOT and SHALL NOT come in TRUTH upon you or unto you. AND THIS, DEAR ONES, IS THE DISILLUSIONMENT OF YOUR YOUTH—THEY SEE YOUR LIE SHOWING AND MOST WON'T BUY IT EXCEPT IN MOUTH SERVICE TO STOP PARENTAL-SIBLING QUARRELS. IF YOU DO NOT ALWAYS LIVE THE THINGS YOU CLAIM TO WISH TO TEACH YOUR CHILDREN—YOU ARE THE LIE AND, BECAUSE YOU DO NOT, PROVES THAT YOU DON'T KNOW TRUTH.

The adversary of God doesn't care that he wins the war of freedom—for his whole intent and thrust is toward controlling the destruction of mankind AND whatever he chooses. This entity of life destruction depends on you to accept the role of the FOOL—after all, you always do! Just as you have to have 6 million

in a Holocaust to fulfill the prophecies—so too did you have to have a sacrificial person to fulfill prophecy for *New Testament* expectations. When a story is told often enough and long enough it becomes accepted, no more and no less. And remember something, good friends: GOD DOES NOT CAST YOU INTO PRISON FOR NOT BELIEVING THE LIES, NOR DOES HE WIPE OUT NATIONS AND CIVILIZATIONS TO FORCE A RELIGIOUS ORDER UPON YOU. THESE THINGS ARE OF "MAN".

We can speak until there is no longer breath and it would change nothing IF YOU DON'T OPEN YOUR MIND AND SEE AND HEAR. YOU perpetuate the lies by changing your attention from one absurd scenario into that of another. Until you WANT to learn TRUTH and are willing to accept some altered concepts—you change nothing and will continue to wallow in the mud-bog. I am continually astounded at the numbers of authors who seem to have a real grasp on one side of the story—but who so completely fail to see the other side of the trap.

When you actually study the facts as presented you will find that you have no real separation in what is called Christian and what is called any other DOCTRINE-BASED religion. To have GOD is the only thing that requires NOTHING except YOU and HIM! Religions have forever been THE controlling factor in people-management. If you can confound or convince a man—any man—that there are other men higher than self, you have control and, therefore, religions have the most control of all entities. You are TOLD what to believe, what to worship and how to do it so there comes to be very little difference from one religion to that of another. This is WHY Satanism, which is against all things Christlike and Godly, is accepted as a "religion"—because it actually has no more or no less meaning than any other controlling religious ORDER.

Why do you think you have tax "exemptions" of money for giving to religious organizations? It is BECAUSE ALL THE FUNDS END UP IN THE SAME PLACE—THE CONTROLLERS' HANDS AND POCKETS! **THINK ABOUT IT!**

So, you might ask, "If this be true, why do men act as they do, say, in war?" Simple; because they are TOLD WHAT TO DO, WHAT TO THINK AND HOW TO ACT—under penalty of death in one form or another. You are, as we write, sending combat troops to Bosnia. Those are not just troops—THEY ARE YOUR OWN FLESH AND BLOOD, and you act as if "Oh well....!" You do it in the name of JESUS/CHRIST and goodness—to kill, maim and ENFORCE a New World Order bunch of Slave-Masters. Come now—you allow it for you already accept your status as robotic slaves to the "Master's" wishes and orders. You in the U.S. are without government RIGHT NOW and it hardly is even mentioned in the news, except for the silly nonsense among about four entities who are alone now to make whatever laws they want—to further CONTROL you-the-citizens. The CONGRESS IS ON VACATION—PAID VACATION!

I suppose my suggestion to the authors of such a book as is considered here is to BE OPEN ENOUGH to FINISH your task of uncovering TRUTH, for if you only pick and choose the lies you wish uncovered, then you are no better than the Elite perpetrators of the history of mankind into LIES. If your lie is simply bigger and brighter than the lie you disclose, how is this TRUTH in GOD? If you demand the right to uncover truth about Judaism and Zionism—then go ON AND UNCOVER THE TRUTH ABOUT THE LIES OF CHRISTIANITY. YOU WILL FIND THEM ALL TO COME FROM THE SAME EVIL-SCHEMERS FOR THEY "WERE MURDERERS AND LIARS FROM THE BEGINNING AND

THERE IS NO TRUTH WITHIN THEM"!!!

It matters not how many times the language is changed in a presentation—if it is not truth in the beginning then it is simply representation and translation of LIES. And ALL is but a concept of THOUGHT! So, how IS YOUR thinking these days?

Dharma received some most interesting things as sharings of love and care at Christmas and among the thoughtful gifts were two rather large boxes—FILLED WITH DOZENS OF THINGS. Interestingly enough, these individual items, even to a lemon rasp and clippies, were chosen with loving thoughts, paid for with sharing hearts and sent with love and humor, great expense just for shipping, and the boxes of packages became puzzles in their own right as nobody can get them repacked into the containers as did the shipper. Well I can tell you now, each item is cherished in the receiving as was the wonderful thought of the sender WHO WANTED TO SHARE. We are humbled by the thought of each little thing, not as a commodity to return and get

worthless tokens in exchange. The items gathered their VALUE by being selected and shared in each's own tiny contribution to JOY. There can be no PRICING of a jar of lovingly made jam, a flower—or a chosen gift because the sender cared enough to SEND A LOVING THOUGHT IN HOPES THE RECEIVING WOULD BRING PLEASURE AND HOLD LOVING THOUGHTS IN THE ONLY MEANINGFUL PLACE OF ALL—THE BROTHERHOOD OF BELONGING ONE TO ANOTHER IN THOSE THOUGHTS MANIFEST OR NOT MANIFEST BUT NONETHELESS "THERE". Each is an EXPRESSION of unseen thoughts. Ah, and so too are WE but expressed thoughts of our Creator/Creation.

Dharma also received a hand-made "serpent" sculpture. The maker had put a tiny writing inside to affix which says: "My attitude could be your problem." A strange gift? Not really, it is quite interesting in its very makeup and is a thought-provoking symbol of meanings of all manners of interpretation. When all else is put aside—it makes a wonderful paper-weight to keep the summer fan from blowing away the desktop. The "idea" in Dharma's mind might

well be totally different from the creator/sender but isn't that, after all, that which makes human-beingness so wonderful? It is the ability for freedom of expression, acceptance and realization that becomes the very SOUL of man. If you allow a symbol to "be" the thing—you make error in perception. If the serpent be the symbol of evil—is it not also a representation of Creation? But why would someone send Dharma a trinket of a serpent in any form? Because from the materials utilized to make the gift—a serpent is all that could be constructed from the bits and pieces of materials available and used. GOD CAN MAKE ANGELS FROM LIZARDS! AND MAN CAN MAKE A RELIGION OF ANYTHING!

Therefore, the only VALID RELIGION is the THOUGHT within individual entities—not that which is thrust off on you as to opinion by "another". One doctrine over another has no value in your own journey—except as YOU allow another's opinions to landlock you to the doctrine itself. UNLIMITED GOD IS ALWAYS MISSED IN ALL THE MANMADE DOCTRINES, FOR MAN CONTINUES TO SET HIMSELF UP AS THE ULTIMATE CENTRAL FOCUS, AND THE BIGGER HE TRIES TO BECOME—THE LESSER HE IS. GOD DOES NOT EFFORT TO BECOME BIG OR BIGGER OR BIGGEST FOR HE ALREADY IS!

May we close this, please, so that we can attend other necessary things for life is what happens while you have other druthers.

May you come to realize THE Light and not just "some old light" lest you follow the wrong lamp-bearer. Salu.

HAPPY NEW YEAR!??

Ah, yes indeed, the day has dawned, the hangovers throbbing and the Rose Parade was an outdone event with a frog for a Grand Marshall. The two winningest floats were of Halloween Grinches celebrating the change of the Occult Weirdo Satanic Witchcraft year with ugly black gargoyles and other black things and the other a 50-foot (or so) folding "transformer" ROBOT. I hope all of you noted the immediate CHANGE in the viewers as these things came rolling by! Kermit the Frog was really quite acceptable for it came from honoring the late Jim Henson who did in fact produce a wondrous world of dreams for children, the theme of the Parade.

EARTH QUAKES

For you readers who do not take tapes it should be recorded that there was an earthquake as we had assembled to have a meeting yesterday. You should further know that it did not exceed 4.0 in magnitude and all the after-shocks were smaller. The portion of the Garlock Fault that runs through the edge of our shield was immediately stabilized and I don't believe there was even a broken vase. I have not inspected everything but you should now know that this was a stabilizing shock and you have to realize the intent of such a burst of energy which was INTENDED to take out the full San Andreas. The Garlock fault is the triggering fault of preference for the San Andreas. I simply warn all of you to be alert to the intent to have damage done unto you. It was really stupid to pull the plug where they attempted to do so. We have a shield WHICH HELD VERY WELL and that should put you nice people, in my pocket, at ease. It is not necessarily the magnitude of the initial bump but rather the duration of vibration or motion which determines the damages following an initial shock.

I am, however, continually amazed at you ones who have access to our meetings and don't bother to be either on time or come at all. You all then want to be "caught up" and I fail to have a lot of patience in the "catching up". For instance, how am I to visit with

Gene D. when he is asked not to attend because he has been exposed to illness? ALL OF YOU HAVE BEEN EXPOSED TO ILLNESS—AND HE HAS DONE SOMETHING ABOUT HIS EXPOSURE! I cannot ask Dharma to write every day and, in addition, have meetings on the whim and simply at the convenience of ones who don't bother to make it to our meetings. I find some of the more diligent attendees come from a very long distance from this place. I note, however, that more and more of young people don't bother to come—but do not catch up later, either. How can you be informed for contact with public callers in your business arenas if you don't go where the information is offered? Some even want to run businesses, which encompass my products and thus need my instructions. Do you not feel it your responsibility to know what you are doing? If I seem cross it is because I am cross.

I am finding that I am having to do scientific things and writings because Soltec is unable to get the attention of ones who were to receive these things. I note that far more attention is being given to past expressions in game playing than to our current needs. Soltec may well be a geologist so that all you may think you have to do is report shake-ups. NO, NO, and NO! He is offering you the very basics of frequency and motion for your use in calculating secure locations, foundation for expectation and that which is easily converted to

model and then working apparatus. To consider resolution of vapor material may be interesting; it is NOT of value.

I, further, have NO PATIENCE with illness "take-off". I prefer you simply say you want to work on something else, or simply miss a meeting, or whatever. You who are here and get sick—it is YOUR FAULT and there should be no great expectation of attention. Yes, you will get sick—but, no, you do not have any REASON to take longer than mere hours to heal. No, it is not all in your mind! Further, IF YOU ALLOW YOUR CHILDREN TO GET SICK—I HOLD YOU RESPONSIBLE. There is NO reason for anyone with access to what we offer, to get sick or refuse to get well! NONE! If you choose otherwise—it is your personal decision and choice. If you can take a drink of wine you can most certainly take the time to add GaiaCol to it. The same with smoking ANYTHING. If you have time to light a cigarette—YOU HAVE TIME TO TAKE A SWIG OF GAIACOL AND GIVE ONE TO YOUR CHILD.

I have great patience while ones sort their personal lives—but I am rapidly running out of all consideration for those who choose to NEVER SORT OUT THEIR PERSONAL LIVES AND HEAL THEMSELVES OF WHATEVER IS WRONG WITH THEM. IF IT IS MENTAL CONFUSION—THEN GET INFORMATION AND COME WHERE YOU CAN OBTAIN WHAT YOU NEED!

Most important, however, is that you either know what to say about ME and/or keep your mouths shut. I have gotten reputations from every George, John, Mary and Bo when they KNOW NOT ONE THING ABOUT THAT WHICH THEY SPEAK! Worse, however, right within ones who have personal public contact the WRONG information is flowing like syrup. I have no objection to ones who work without knowledge of other than product—but opinions flow from ones who don't know EITHER. If you must give uninformed information then I remind you: IT COMES FROM YOUR OWN OPINION AND NOT FROM MINE.

LAND CLAIMS

PLEASE: Nobody in this location has any knowledge of anything to do with LAND CLAIMS, farm claims, damage claims or any other "claims" as made by anyone in Nevada or New Mexico. We have even been dumped by Mr. Newby from receiving any information from the *New Republic*.

We ARE running in CONTACT the disclaimer declaration of David Newby and Rex Weeks, although

WE NEED YOUR HELP!

PLEASE CONSIDER SPONSORING A PHOENIX JOURNAL

The cost for printing the PHOENIX JOURNALS in sufficient quantities to offer them at rock bottom prices is always a serious challenge to our financial resources. At this time we need financial assistance to help cover the printing costs of the JOURNALS. If you are in a position to assist, please call PHOENIX SOURCE DISTRIBUTORS, INC. at (800)800-5565 and ask for Brent.

We would like to extend our thanks once again to those of you who have helped us so greatly in the past. Without your assistance we would not have come this far.

it is of no value as laid forth [see page 8]. I suggest that they go before a Notary Public and two witnesses for signaturing AND, add a paragraph at the ending of their declaration that "the above declaration and information is true to our knowledge and witness UNDER PENALTY OF PERJURY." Without factual witness as accepted in a court of law AND a "penalty of perjury" statement—the whole thing has no legal value AT ALL. I further suggest, Rex, since you are the most honorable one of the group, that you shorten the statement down, get it certified and run a disclaimer three weeks in a row in a valid newspaper; in this instance, I suggest both Las Vegas and your locally distributed paper.

Now for Ronn Jackson. I suggest you, Ronn, make a declaration as well and list your contacts BY NAME from the, as declared and described, "Treasury". I suggest you clear self in a public declaration as well—if you are innocent of charges and claims. Further, I suggest that you run your declaration in the local paper as well, under penalty of perjury signature. I would also suggest Betty draw up her declaration, as well, and run it also and separately. Most important, however, is that you do something to protect BETTY for, now that you have officially married her, SHE BECOMES RESPONSIBLE FOR HALF YOUR DEBTS, REAL OR DECLARED! **EVEN IF NOT CRIMINALLY IMPLICATED.** What would I suggest in this instance? DISSOLUTION OF THE CONTRACT WITH HER—LEGAL DIVORCE. Why? Because she doesn't have to be married to you legally to be married to you within the heart—and without the legal binding, she is not responsible for anything tossed against the "Mister". I believe that in the State of Nevada there is a six-month-period of time for consideration of legal ANNULMENT by application and petition.

What is my next suggestion? That you get with the program of GOD, friend, for the alternative is going to eat you alive. When you follow the New World Order Pipers, friends, they are going to simply DESTROY you and their big "boots are gonna' walk all over you!"

I suggest, in addition, that IF your word was worthy of ANYTHING you ever said—you get busy with your obligations and consider keeping your mind clear enough to function sharply and honestly. If you have access to funding, I suggest you get on with honoring your commitments because, at this moment—YOU HAVE BEEN HAD and are going DOWN! YOU DO NOT HAVE ANY BUDDIES OR LOYAL ANYTHINGS ON "THAT" SIDE OF ANY OPERATION—DON'T NOW AND NEVER DID! IT IS A VERY "SMALL" LEADER WHO WILL LET HIS FAITHFUL PEOPLE TAKE THE FALL "FOR" HIM! WHAT IS TRUTH AND WHAT IS LIE NO LONGER HAS MEANING FOR THE MORE RECENT INVOLVEMENTS ARE ENOUGH TO WIPE OUT THE WORK OF HONORABLE INTENTIONS. YOU, RONN, HAD GREAT POTENTIAL AND THIS IS WHY THE GRAND EFFORTS TO NOW DESTROY EVERYTHING YOU COULD HAVE ACCOMPLISHED—BY YOUR OWN WEAKNESS AND INVOLVEMENTS. IT IS TIME YOU TAKE PROTECTION OF YOUR PEOPLE AND ANNOUNCE AND PUBLICLY DISCLOSE THE REAL CULPRITS FOR IT BECOMES YOUR ONLY HONORABLE POSITION.

Others have PAID dearly to allow you a big mouth in ability to threaten and draw attention. Those who have honored you and trusted you in the face of every negative thing are NOW TOTALLY BANKRUPT, and more: now face criminal involvement with something they actually know nothing about. Making contracts with the Devil will usually accomplish this—a total loss of every decent thing ever imagined—to the one who made the contract and sold his soul. Is it too late to recover? No, it is never "too late" with God as long as there is breath within—but I believe that you will NEVER recover the honor and integrity of that thing called "ego" status and never from the ones you have hurt. You must see by now that the ADVERSARY will

not ACTUALLY give you a place on the platform with the Big Boys; they will simply snuff you out by the worst means possible—discredit! You have no loyal "friends" so it might well behoove you to look around and if you CAN do something to rectify this—DO IT.

Your really BIG mistake was in not believing that I am who I say I am and thinking you had a smooth old road to the bank through our people—but, no deal. I am NOT playing in your big deal games—BUT I DO EXPECT CONTRACTS AND AGREEMENTS KEPT AND CONSEQUENCES OF NOT DOING SO ARE NOT OVER-EXAGGERATED IN THE LEAST TINY DETAIL.

The point is to totally discredit you so that nothing you do ever again will even be worthy of second notice, Ronn. If you have files as claimed and information as claimed and can do ANYTHING as claimed—NOW IS THE TIME!! You are now center stage to go down as the worst traitor, including Benedict Arnold, ever in the United States of America. There aren't any "attorneys" as you have stated so I suggest you get "in proper" and do your legal declarations and take care of your responsibility to Betty while you can still handle it for yourself for I don't know anyone willing to give you a hand—NOW. When you try to make a fool of GOD and HIS people, you err, son. Not even your colleagues in crime will appreciate you but will scorn and denounce you. You don't have anyone on your side now—SAVE POSSIBLY, ME!

What do I think about "Grandma" in all this? I think that I told her early on that she was totally controlled and infiltrated by HER ENEMIES! I think that this is a very, very sad day, indeed! I also remind you that when you INVITE GOD AND HOSTS OUT OF YOUR BUSINESS AND PROTECTION OF YOURSELVES—YOU DON'T DO VERY WELL FOR THEY MOVE RIGHT OUT! THE LIPS ARE BETRAYORS OF INTENT AND INTENT THAT FLOPS AROUND WITH THE GOLD-CERTIFICATES AND PHYSICAL, ARE A TOTAL RELEASE FROM PROTECTION OF HIGHER CAUSE. WE TREAD NOT WHERE UNINVITED.

SO, WHY DO I OFFER THESE SUGGESTIONS FOR PROTECTION? BECAUSE, FRANKLY, OF BETTY AND REX. THE REST OF YOU MAY WELL REST IN YOUR CHOSEN BEDS AS YOU HAVE MADE THEM. BY THE WAY, **THIS DOES NOT ARBITRARILY BREAK EVEN ONE CONTRACT OR AGREEMENT TO EITHER GOD OR THIS WONDROUS NATION.**

In ALL things, GOD KEEPS HIS PROMISES! It is worthy to remember as much.

Let us leave this now for it has been long since you, scribe, have had ten minutes to yourself. I thank you

and I do appreciate your willingness to remain "on call" for these are treacherous times into which we now move. The battle heats because there is now less than half a decade for the New World Order, through intent at all costs—to be IN POWER AND OPERATIVE! Since it is the adversarial plan I can't suggest that they will change their thrust but, rather, will simply move forward more quickly with your destruction and controlled environment.

I can wish our people JOY; I find that "happiness" is a rather elusive "thing" which actually has little meaning any longer as sequence unfolds—for as a civilization you are grossly UNHAPPY. May you make good choices for these days of passage, for within one is glory and within the other is DARK illusion.

I bear the lamp that you might see and KNOW. I AM THAT YOU MIGHT BE!

Come, please, and walk with us for, as the Angels attend, we can carry you if need be—or at the least, take your hand and walk WITH you, for we aren't DRAGGING anyone along.

How many will come with us? Enough!

TITLE:

IN THE YEAR—9...

After the calendars turned into the accounted calendar year of Nineteen Hundred and Ninety Six—there came upon the lands, great and hard times. And upon the people came sickness and famine. All this, because of that which in those days they called the New World Order. And the heavens pulsed with rage as the whole of stability was lost upon the Earth and within the heavens. The pestilence came upon the people through the hands of Puppet-Masters and pain fell hard upon them and this was in the 9th year of God's Hosts' visitation unto the earth Shan, yet only a FEW took note for there was to be more before Man would turn again unto GOD. And so it shall be written upon the pages of history. As Man fell from GRACE and into the pit of hell, GOD sorted His flock from the clutches of the pack of wolves. Mankind turned unto that which was "called" Christ but found only an empty pedestal for the "Man" set forth was NOT. Again they had been deceived and instead of Rapture they found death. And for a while, evil upon the lands of Shan was complete! The prophecies as were written by Satan himself had come to pass. THE PEOPLE HAD BECOME THE LIE, FULFILLING THE SCRIPT, ON A STAGE OF MAKE-BELIEVE.

DECLARATION

AFFIDAVIT OF TRUTH

On or about the 3rd week of August, 1995, Ronn Jackson asked if myself and David Newby would help answer phone calls relating to a damage claim program called 'farm claims', as well as the Burgervin program (a privately setup damage claim). He stated that he was approached by the Treasury of the United States to help facilitate the claim process because of his extensive contact with people throughout the nation. The agreement between him, the Treasury and the Burgervin people, as it was related and understood by me and David, was that Ronn was approached and told by the Treasury and Burgervin claims people to ask the people who had been in the farm claims and Burgervin programs in the past to send in a copy of their claim cover sheet along with a \$200 filing fee (for farm claims). The Burgervin fee was \$300 for a claim over \$10 million and \$250 for a claim under \$10 million. The "administrative fee" was to be stapled to the upper left corner and mailed to Ronn at the address of P.O. Box 4014, Pahrump, NV 89041.

Ronn was instructed to transfer the individual claims into groups of five hundred, just as he received them, and transfer these bundles to a mailing envelope to send to the Treasury (and Burgervin) addresses, who would verify the claimant on their computer file, process their claim and pay out the claims to the people involved. Ronn was instructed to send through 2500 (twenty five hundred) claims in this fashion to the Treasury and 500 claims to Burgervin. He told me that the agreement was that he (or us) would not receive any monetary compensation of any kind from this service, either from the claim filing fees sent in or from the Treasury or any other source. Neither myself nor David, nor Ronn (to our knowledge) ever received a penny for answering these calls and our efforts have only been in good faith to resolve the claims program as we understood it.

Ronn asked that myself and David Newby help answer the phone calls to inform people of what the Treasury instructions were as to how the claims were to be sent in and what the Treasury filing fee was. We agreed to answer the phones and give people these instructions. The people called in mostly from word of mouth as to the claims being paid out through Ronn.

At no time did myself or David Newby call any person or solicit any money or participation in the farm claim program. Neither did I ever hear Ronn call anyone to solicit money or participation in the claim programs. All that was ever done was the passing on of instructions to those who wished to participate in the Treasury offering, and not once was anyone coerced or enticed to participate. Those that sent in claims did so on their own account.

We answered phone calls relating to the method people were to use to file and send the claim information in, and no more. Ronn received and handled all the claim mailings and filing fees. Neither David or myself ever saw him open any letters from claimants. One day I did see two large Priority Mail floppy mailers, each about 1½ (one and a half) to 2 (two) inches thick that were to be mailed that day. I did not look for an address on the mailers, but understood they were to be mailed to the Treasury as Ronn was originally instructed to do. Ronn was in contact with a person in the Treasury on a regular (at least weekly) basis and would relay to myself and Dave the information as to how many claims had been paid out and when they expected to be done with the 2500 claims (actually it ended up being a small amount over 2600 claims that Ronn sent through with the O.K. of the Treasury).

We, acting in good faith on the information provided to us by Ronn through the Treasury, relayed what we were told to the claimants that called in asking what the latest information was

regarding the payouts. The Treasury apparently pushed the deadline ahead several times but for 3-4 weeks in the October/November 1995 area, they consistently told Ronn (as he told us) that all the claims (that is, the 2600+ out of the 118, 432 claims the Treasury stated they had) would be paid out by November 15. Neither myself or David Newby ever talked directly to the Treasury by phone at any time, and we were not present when Ronn talked to them while we were in Nevada.

Two to three weeks after Nov. 15, 1995, we were finding out that out of a group of 12-15 people (claimants) that were in regular contact with us the whole time, had not been paid. (Early on in the program, at least in the first 4-6 weeks, Ronn stated that he confirmed by phone calls received that several claims paid out to people). During the 3 weeks after Nov. 15, Ronn stated that he had talked to the Treasury at least 3 times and each time they confirmed that they had sent the last batch of 782 claim checks out to the people. The Burgervin program told Ronn they planned to have all their claims he sent through (which numbered approximately 482 or so) by December 15, 1995.

About the 2nd week of December, Ronn told us that he confronted the Claims people who admitted to him that they were told by their superiors to lie to him about having all the claims out and that the government shutdown did not affect the programs. He said they admitted that the claims were stopped with the shutdown after all and they are not paying anything at least through the end of Dec. 1995. They apparently said they would start paying claims in January 1996 and open up a phone number that Ronn had been calling them (a person named Rosemary) on in January also (this phone number, 202-238-2412, is presently recorded as being out of service or invalid).

At no time during the past months involving the claims have myself or David Newby knowingly misrepresented ourselves, Ronn Jackson, the Burgervin people or the U.S. Treasury. We have only relayed information as we were informed through Ronn, that the Treasury or Burgervin relayed to him. We at no time solicited or asked for any compensation, money or favor of any kind from the claimants regarding their filing fees or payouts, not have we ever received any money, favor or compensation of any kind from any source. We have acted in complete good faith and dealt with the facts as we believed them to be and have not knowingly misrepresented anything in this matter. If we have been given false information from any source, we were not aware of it and certainly would not give people false information if we knew about it. We never saw or handled any money from claimant's filing fees to the Treasury or Burgervin programs and never saw Ronn handle the fees either. We see no evidence that any fees have gone to or been used by anyone or in any inappropriate way. The Treasury and Burgervin people have apparently admitted they have lied and are not honoring the contract they have with the claimants, who have acted in good faith to have these damages paid to them. They have also damaged us, who are merely caught in-between the lies and the people who claim rightful damages.

I declare under penalty of perjury under the laws of the United States, pursuant to Title 28, sec. 1746(1), that the foregoing is true and correct to the best of our knowledge and if called as a witness I could testify thereto.

"...PURE SHIT IN THAT 'NEWSLETTER'"

You might want to reread the heading above, again. Not too gentlemanly in language? Well, no, it didn't come from either Grandma or from Ronn Jackson. The above came from one "Dr." Norm Resnick of the *Resnick Show* who says in his own caption: "I am always on the right side".

A Canadian reader sent some information WRITTEN BY JEWISH JDL OBSERVERS to Norm Resnick—which were printed in *CONTACT*. The Reader felt that "Dr." Resnick "would look at the information objectively and prove it for himself—after all the article was full of research sources."

Ah, but no, and the response:

[QUOTING:]

12/27/95

GAXxxx [Scribbled by hand.]:

Thanks for your letter and your kind words.

The newsletter, *The Phoenix Project*, was the most vile, anti-semitic (sic) crap I have seen in a long time. Their comments on the JDL were bizarre and absurd.

Irv Rubin is wrong on his views on the patriot movement. He is correct, on his views of Israel and anti-semites.

Please do not rely on or believe the pure shit in that "newsletter".

Take care,

(Signed) Norm

WWCR 5.065, International Shortwave, M-F p.m. MST. P.O. Box 430, Johnstown, CO 80534, 1-800-607-TALK.

[END OF QUOTING]

Well, I guess this is the BEST advertising for the TRUTH in our paper that anyone could give us!! I really get the feeling "Dr." Resnick doesn't like us much. Oh well...! Please feel free to congratulate him on his higher wisdom for obviously if he failed to investigate the JDL (Jewish Defense League) information he surely WOULD take time to investigate, thoroughly, *CONTACT*. What kind of confirmation do you need, Readers?

Since much of the information revolves around Holocaust questions I will later list a whole bunch of questions to see if you can answer them accurately. Ah indeed, a CONFIRMED atheist JEW went to Auschwitz TO PROVE FOR HIMSELF THE TERRIBLE ATROCITIES AND HE FOUND LIES, DECEIT AND A SHAM OF TOTAL LIES. Readers, the Zionists HAVE TO HAVE "...less 6 million..." for their prophecies of the learned elders of Zion who wrote the *Talmud* AND the *Protocols of Zion*.

By the way, I am in no-wise singling out the Jewish ANYTHING or ANYBODY—because the LIE moves over and has taken the entirety of the "CHRIST" truth

according to the same writers of the New Testament as those of the Old Testament—to totally deceive EVERYONE!

My job is not to convert anyone to anything—MY JOB IS TO TELL YOU THE TRUTH ABOUT IT. You will do whatever you will WITH IT. Those who proclaim "reborn in Jesus" don't have the vaguest idea of what they utter. Jesus was a MAN in physical form. CHRIST is a state of BEING in non-physical form. If you believe on the PHYSICAL "things" as ordered that you do through the deceptions of the generations, you have no way to find truth. I will tell you this much, Readers: the general masses of mankind are sick to death of the LIES. They (you) may not know TRUTH but everyone is now convinced of the LIES being thrust upon you and BY WHOM THEY ARE THRUST.

Now, as I said earlier, we will offer 66 Questions on the Holocaust as presented by the Institute for Historical Review, P.O. Box 2739, Newport Beach, CA 92659, September 1994.

I could, yes, ask you 6 hundred and 66 questions about *THE REVELATION* and Christian tales as well, but one day at a time is all we have within which to offer anything. And, the quarrel is over the Holocaust whilst the "Christian" subject is being MERGED WITHIN THE ZIONISTS ORDER AND THUS THE HOLOCAUST WHICH IS A SIMPLE NEED TO OFFER LIES TO FILL THE GAPS IN PROPHECY.

I wonder how many of you even realize the "MEANING" of *The Revelation* as offered by someone named "John"?

"The book is called in Greek '*The Revelation*', which is in keeping with the *Old Testament* method of naming each Hebrew book by its opening words. The 'revelation' is 'of' or 'about' JESUS [H: ???], which God his father 'gave him to show his servants'. The book looks forward to a time that is 'almost here' from God's standpoint. So we always stand at the doorway of eternity. You are promised blessing in reading, hearing, and living according to the book's message." From: American Bible Society.

How nice that the American Bible Council of Zionist origin knows of "God's standpoint". Also, how nice that they KNOW you will march right along to the beat of the *PROTOCOLS of ZION* and FORGET "CHRIST"!

So, consider the Holocaust as offered to all of you [QUOTING:]

29. Why did they use this instead of a product more suitable for mass extermination?
30. How long does it take to ventilate an area fumigated by Zyklon B?
31. Auschwitz commandant Hoss said that his men would enter the gas chamber ten minutes after the Jews had died and remove them. How do you explain this?
32. Hoss said in his confession that his men would smoke cigarettes as they pulled the dead Jews out of the gas chambers ten minutes after gassing. Isn't Zyklon B explosive?
33. What was the exact procedure the Nazis allegedly used to exterminate Jews?
34. How could such a mass program have been kept

secret from Jews who were scheduled for extermination?

35. If Jews scheduled for execution knew the fate in store for them, why did they go to their deaths without fight or protest?
36. About how many Jews died in the concentration camps?
37. How did they die?
38. What is typhus?
39. What is the difference if six million or 300,000 Jews died during this awesome period?
40. Many Jewish survivors of the "death camps" say they saw bodies being piled up in pits and burned. How much gasoline would have to be used to perform this?
41. Can bodies be burned in pits?
42. Holocaust historians claim that the Nazis were able to cremate bodies in about 10 minutes. How long does it take to incinerate ONE body according to professional crematory operators?
43. Why did the concentration camps have crematory ovens?
44. Given a 100 percent duty cycle of all the crematoria in all the camps in German-controlled territory, what is the maximum number of corpses it would have been possible to incinerate during the entire period such cremators were in operation?
45. Can a crematory oven be operated 100 percent of the time?
46. How much ash is left from a cremated corpse?
47. If six million people had been incinerated by the Nazis, what happened to the ashes?
48. Do Allied wartime photos of Auschwitz (during the period when the "gas chambers" and crematoria were supposedly in full operation) reveal gas chambers?
49. What was the main provision of the German "Nuremberg Laws" of 1935?
50. Were there any American precedents for the Nuremberg Laws?
51. What did the International Red Cross have to report with regard to the "Holocaust" question?
52. What was the role of the Vatican during the time the six million Jews were alleged to have been exterminated?
53. What evidence is there that Hitler knew of an on-going Jewish extermination?
54. Did the Nazis and the Zionists collaborate?
55. What caused Anne Frank's death just several weeks before the end of the war?
56. Is the Anne Frank Diary genuine?
57. What about the numerous photographs and footage taken in the German concentration camps showing piles of emaciated corpses? Are these faked?
58. Who originated the term "genocide"?
59. Were films such as *Holocaust* and *The Winds of War* [H: Not to even mention *Shindler's List*.] documentaries?
60. About how many books have been published which refute some aspect of the standard claims made about the "Holocaust"?
61. What happened when a historical institute offered \$50,000 to anyone who could PROVE that Jews were gassed at Auschwitz?
62. What about the claim that those who question the "Holocaust" are anti-Semitic or neo-Nazi?
63. What has happened to the historians who have questioned the "Holocaust" material?
64. Has the Institute for Historical Review suffered any retaliation for its efforts to uphold the right of freedom of speech and academic freedom?
65. Why is there so little publicity for your point of view?
66. Where can I get more information about the "other side" of the "Holocaust" story as well as facts concerning other areas of WW-II Historical Revisionism?

[END OF QUOTING]

Sixty-six questions hardly begins to touch the subject, does it? I said "questions" and what is it that "by law" you cannot do? That's right: QUESTION! Where does that put YOU, American? How about Canadian? Australian? German? New Zealander? British? And what are you called if you QUESTION? Anti-Semitic? And just what does one mean by "Anti-Semitic"? Ah, but you see something else hidden here? *The Zionists and "Jews" of this day are NOT SEMITES!* So, where does that leave "anti-Semite"? Neither are they the ORIGINAL Judeans! Where does THIS leave YOU? They certainly WERE NOT "CHRIST"ians. Who and what are the Heysusians?? Who was Paul? Who was John of THE REVELATION? Was "Christ" or even "Jesus" born on Dec. 25th? No? Then what makes you think anything else you are told is true? Dec. 25th and Jan. 1 ARE THE HIGHEST SATANIC HOLIDAYS OF THE YEAR, EVEN HIGHER THAN EASTER AND HALLOWEEN. *WHO HAS BEEN FOOLED BY THE COURT JESTER?*

Indeed, God has made a lot of promises which WILL BE KEPT—EVERY ONE. One of the ones He made is that you shall be offered the TRUTH and the "LIE SHALL BE UNSHROUDED ALONG WITH THE LIARS WHO HAD NO TRUTH IN THEM FROM THE BEGINNING." Will this only encompass and embrace the Zionists? Since "Jesus" was a construct and creation of these Zionists—what is truth of CHRIST? The word and term "Jew" was not constructed or used in any way prior to 1765 A.D. so who are these people who coined and use the term "Jew"? Who are these so-called Jews who are but thieves of the heritage of those who "think" themselves to be "Jewish"? How was Israel DEVELOPED and MADE a nation? What is NOW considered the "homeland of these self-appointed Jews"? Who developed and became "Communists"? Are "Communists" Russian?

Who has ultimate "power" in this electronic world of technology and energy domination? WHO CAN PULL THE ELECTRIC POWER CORD GLOBALLY?

How many "give a damn"?

Welcome to the New Year New World Order!

Does the United States of America have a Government by Congress (OR THE PEOPLE) TODAY?? LOOK AGAIN!

Who is on vacation (PAID) while a tiny handful of

nit-wits make your laws TODAY? WHO is without pay and jobs while "laid-by" and the PAID puppets do the dirty work? WHO can't even visit "YOUR" own parks? What will THEY do to you if you break through their barricades to visit YOUR OWN PARK(S)? WHERE HAVE ALL YOUR FREEDOMS GONE? WHAT ABOUT YOUR FREEDOM TO "QUESTION"? AND, WHO RE-WROTE YOUR U.S. CONSTITUTION? WHO ENFORCES IT?

Does Mr. Resnick's statement: "Please do not rely on or believe the pure shit in that 'newsletter'," change one iota of TRUTH? OR, does, "The newsletter, *The Phoenix Project* [H: Please note that this observer doesn't even have the right label for the CONTACT, nor is it a "newsletter"!], was the most vile, anti-semetic crap I have seen in a long time," make it so? I would also point out that if you have a Semite is it not likely that an Anti-Semite would be the opposite? Then why does this "authority" on vile, bizarre and absurd spell his anti-Semite as "anti-semetic" without even so much as a capital letter to designate "title"? The man in point is a FRAUD and that is proven by his own work and words—not mine!

What do YOU know about one Norm Resnick? I thought not. If you have "liars from the beginning" why do you expect TRUTH from them NOW? Is Mr. Resnick a Jew or a Zionist? What sets up this man as having authority to pronounce anything on anyone or thing? Do you get truth from press and media? Why do you think Norm Resnick is different from the pack? Talk Radio? Oh my, you mean like Rush Limbaugh, Newt's twit? Rush Limbaugh got his training IN ISRAEL! At least Larry King (Live??) is honest about himself.

And what will "we" do if they pronounce under threat that we will write no more? *We will write no more!*

We are not "here" to "fight" anything or anyone—WE SERVE GOD CREATOR, IN LIGHT! I would suggest, however, that each and every one of you take note: THE HEADS OF THE DRAGON BEAST ARE NOW GOING TO VIE FOR ULTIMATE TAKE-OVER, SO THE SHOW WILL REALLY BE A DANDY AS THEY PIT ONE AGAINST ANOTHER AND ROBOTIZE THE REST. IF YOU ARE NOT A BIT IN FEAR, THEN YOU DO NOT UNDERSTAND YOUR CIRCUMSTANCES! Salu.

Signs Of These Turbulent Times

MILITARY MOVEMENT

Yes indeed, just pay attention and you find out all sorts of answers to your questions, i.e., "Where are all those military equipment-loaded trains, moving North, coming from and moving to?" Out in the West they are moving from Ft. Irwin (Barstow), in dark of night through such as Tehachapi and going on (in the night) to Oregon and Washington. They are moving massive numbers of transport equipment, fully activated and attended for USE. From the other direction, on the highways, are pieces of equipment being sent into Ft. Irwin to be activated and put into "combat" readiness. How can you confirm that? Wait a minute and it will fall upon you! In this instance one of those trains dumped part of its load at a place

near Tehachapi called Caliente and a "fess up" took place over the derailed vehicles.

Further, you can't seem to make yourself believe that there is a grid in the heavens for energy flow? Sorry, but all you have to do is "look up". Just yesterday near China Lake Naval Station was a PERFECT grid in cross-section!

Earthquake confirmation following "testing" in the Pacific? The worst quakes in current times hit Indonesia—yesterday! Those "tests" are for the purpose of speeding the rotation of the Pacific plate and in turn that acts as a GEAR which WILL PRODUCE TERRIBLE EARTH SHIFTS. IT IS PURELY PHYSICS!

RONN JACKSON

Grandma has sent out a petition for "missing" Ronn and

Betty to "call home" from wherever they are! Are they "out of pocket"? Yes. I suggest you follow the "money trail". I have no comment on the matter. I do suggest that my observations of yesterday be forwarded to the *New Republic* because so much damage has already been done as to possibly be past recovery. We all hope not—perhaps they simply are taking an opportunity for a Honeymoon as they had no opportunity to have time in November at the time of their wedding. Yes, and Tinkerbell fills in for the Tooth Fairy!

CATHY O'BRIEN
AND MARK PHILLIPS

"Here" is the very LAST place to where those two should travel. My suggestion is that they allow working with Wally Gentleman and the parties involved in their possible motion picture financing—even if they can't attend. Such meetings could be arranged without their presence—you will have to check out Wally's schedule possibilities. YOU DO NOT PULL ANY UNDUCE ATTENTION TO THIS PLACE—PERIOD! After all, "...we are just poor little E.T.s trying to phone home..."

I know, further, that some ones in this location want to "work" with Mark. That is a terrible thing to ask of him. He can only be present for mere hours at best and this KIND of therapy is worse than none at all, ever. If you want to see a real "basket case" just watch someone who is opened up to "possibilities" and then LEFT to face it alone! No "I" will NOT pick up the pieces. I am trying desperately to get a job done and keep you alive—not re-potty train those who don't want to do their own task. "CHILDHOOD'S END HAS ARRIVED."

From an article in *Science & Technology*:

[QUOTING:]

KEPLER VS. NEWTON'S
ROTTEN APPLE

[H: This is only the first few paragraphs but is all I want to "handle" today:]

PROBES PROVE
KEPLER

One of the more important astrophysics probes of this century was successfully launched Dec. 2 from Cape Canaveral, Fla. by NASA and the European Space Agency. Called SOHO (Solar and Heliospheric Observatory), it will give scientists for the first time the ability to study the Sun continuously, 24 hours a day, 365 days a year, with telescopes and a dozen other diagnostic instruments.

Combined with the recently established Global Oscillation Network Group (GONG), a world-wide, ground-based system of solar telescopes to record the Sun's oscillations, SOHO promises to revolutionize our understanding of the physics of the Sun and through that, of the universe.

For example, SOHO and GONG could rapidly confirm and extend the recent controversial observations by BELL LAB scientists of coherent waves in the otherwise turbulent solar wind. This would further demolish that reductionist reification of Kepler's work known today as Sir Isaac Newton's Law of Universal Gravitation.

[END OF QUOTING]

Let us go back to Tinkerbell and the Tooth Fairy. There is nothing recently put into anywhere NEAR "space" that is studying anything EXCEPT YOUR PRISON SYSTEM—CALLED "BIG BROTHER WATCHING ALL—of you" (BBWA, or, "Bubbwa"). Good luck, sleepyheads, even the floats in the Rose Parade of 1996 TOLD IT ALL—as the focus was directed to evil and CONTROL—like the "Transformer that Ate California" and, I kid you not, an "offering to the Occult—Halloween". Just in case you haven't noticed—your plate is quite full, citizen. Or, you can follow the Easter Bunny as "he" lays chicken eggs about the place in his splendid costumes. I suggest that you GONG the SOHO and face reality.

International Gulf War Illness Coalition

1/3/96 #2 HATONN

INTERNATIONAL GULF WAR ILLNESS COALITION

I am so pleased to note the formation of the International Gulf War Illness Coalition (IGWIC). I don't know much about this coalition except that it has "new" leadership from those who were not serving well the cause of veterans in the other groups.

I have been afforded a look at the information which I assume is sent to inquiring parties and I find it EXCELLENT in comprehensive content without going into details as to possibilities of help. Information is the first line of defense and publicity of the correct kind is the way to build security and safety for the risk-takers who do know what they are doing and doing it to the best of their abilities.

I was not asked for input so I will keep silent on most issues as presented but I cannot let it go that the PARASITIC infestation as cause (carrier) is not covered very well. It is not the parasite that is the big infector—but rather it carries the microbes that then enter the body with the parasites—specifically of the sand flea (well, any flea will do as the carrier of the parasite) is of choice because of its ability to withstand high temperatures as well as low.

Without repeating very much of the paper which I assume will be carried by CONTACT [see information about IGWIC on pages 13-15] in full as it is ready for public sharing, I want to stress a paragraph offered and comment for it is SO IMPORTANT that you must not overlook that with which YOU MUST DEAL IN THIS GWI. [QUOTING:]

With regards to Biological weapons, Scientists have found that bacterial DNA degrades quickly in the body, therefore needing a viral "shell" to house it. The viral shell is the HIV envelope. The HIV envelope is the HOUSE, and no one has been yet capable of killing the HIV envelope/house. [H: This is not exactly true. The point is that you have man-tampered entities here and you have to deal with them in their upgraded form. All bacteria have capability of carrying their own genetically suitable virus. The HIV in and of itself is not worth much but can be altered with EVERY host and therefore allow mutation of every virus which can make it as far as the host. The point is not HIV as such, but the recombinant retrovirus capability to utilize available "house(s)". The reason there is no capability of knocking out the virus is due to two things: (1) getting anything of "anti" capability TO THE VIRUS now housed in armor of either a parasite or a cell or a bacteria—or, or, or—and, (2) these "new" tampered viruses have a titanium "neck" which replaces the old "zinc" molecule for holding the "brain" of the virus to the crystalline body. Knock out the titanium molecule and you disintegrate the virus structure. Then, if you have an immune system, especially with Drias present, the cells will simply use the viral/bacterial parts for fuel and further enhance the immune system. This is a very nice arrangement. The problem is that colloidal silver in its singular state may or may-not do the job. We have found that it often doesn't have enough wallop to complete the task. If

the parasites are allowed to remain in the body, as well, you will only rehash the little critters.

I really can't be more specific than this because we know that if we offer much more we will be targeted and you won't have the things you need for they are not available anywhere else. The Big Boys depend on not having enough of you learn of this or be able to get it to impact their depopulation program. It usually works well for them as you get one distractor after another to keep you misinformed.]

If you can kill the HIV, you can treat the bacteria, and you can get rid of AIDS. That is why there is no real progress against AIDS. Likewise, in a test tube, you can put enough Doxycycline (antibiotic) to kill the Mycoplasma, but in the body, protected by the viral "shell", you can only hope to lower the level. Until we can break the viral capsule THERE IS NO CURE! [H: Only something with a higher impact frequency than titanium can accomplish the shattering of the shell.] Dr. Shyh Ching Lo (AFIP/Armed Forces Institute of Pathology) has stated that *Mycoplasma Incognitus* is in between a virus and a bacteria. [H: All of the NEW KILLERS ARE A CROSS HYBRID.] It is in fact BOTH. Therefore, what we have is something **CONTAGIOUS AS HELL!** There is no known Antidote—

worldwide. This also lends itself to the theory that *Mycoplasma Incognitus* is a MAN-MADE Warfare Agent. [END OF QUOTING]

Even if you knock out the problem, until you have renewed the immune system and cleansed the body—THERE IS NO CURE AS THESE LITTLE VARMINTS SIT AND WAIT FOR A COMPROMISED BODY TO HIT AGAIN AND EACH TIME THERE IS ANOTHER "HIT" THERE IS MORE AND HEAVIER DAMAGE SUSTAINED.

We who can offer "help" do not even pretend nor suggest a "cure" of any kind—if there is CURE, people, YOU DO THE CURING. It is much like a weight loss program—you can offer all the stuff in the world and outline every program on Earth—but the person who is fat has to get rid of the habits to rid the fat and heal the body—AND MIND, and it must be done by the one with the problem. Parents can pour the "stuff" down the children's throats but the adults are going to have to take responsibility for THEMSELVES.

"But, can't they just change out the molecule to something stronger?" Yep, but that opens whole avenues of tools which will work on other molecules—in the radiation range. It will be a while before they can change it out enough to blanket the world. The "enemy" can always change his tactics, so as he changes we must be prepared to keep up with him—and at some point—AHEAD OF HIM. We were a long way ahead of him with this because MY PEOPLE listen and act when appropriate and have no notion what they are doing, so security is maintained while we make sure everything we say, do or any action taken is 100% with all legal guidelines of MAN'S LAWS, local laws, national and international laws, AND GOD'S LAWS!

We will do what we can to further information regarding this coalition. We have kissed a lot of frogs which only turned into bigger and worse TOADS—however, when a prince comes by it is ever so gratifying.

ANNOUNCING THE FORMATION OF THE INTERNATIONAL GULF WAR ILLNESS COALITION

Peter Kawaja proudly announces the formation of the "International Gulf War Illness Coalition", dedicated to finding the *causes and cures* of Gulf War Syndrome. We maintain a database on diseases and deaths associated with the Persian Gulf War. This includes all soldiers (worldwide) of the Gulf War "era", family members, civilians, and indigenous peoples in the former war zone. Please send any information you may have concerning deaths and illnesses you think are associated with or may be caused by the Persian Gulf War. This group is being run (operated) by Gulf War Veterans and civilian volunteers. We are soliciting the help of everyone globally, to participate. You do not have to be a veteran. Gulf War Veterans themselves will answer your phone calls and tell you in their own words, what happened to them. Help will be available in every state across the nation so that someone in your local calling area will be there to answer your questions and provide comfort and intelligent answers that mean something to you. Those suffering from AIDS and CFIDS are encouraged to call and/or participate in disseminating information. Your generous donations will go to help sick Gulf War Veterans and support this group, so that it can continue to function and help everyone is at risk. It is time for you to understand that no one is immune, no one is secure. There are precautions you can take, but even if you live and you are the only person left alive and everyone else is dead, what have you to live for? "We" must educate the public, that is our mission. Become involved now, before we have to face something worse than the deaths of millions such as was caused by the Bubonic Plague of the First World War. PLEASE become involved now. For more information, please call or write:

Thank you for inquiring about the International Gulf War Illness Coalition/IGWIC. This document was prepared to identify who we are, why we have come into existence, and our purpose or mission.

IGWIC is dedicated to finding the causes and cures of GULF WAR ILLNESS. We maintain a database on diseases, birth deformities, and deaths associated with the Persian Gulf War. This includes all soldiers (globally) of the Gulf War "era", family members, civilians, and indigenous peoples in the former war zones, which now also includes **SOMALIA** and **BOSNIA**, as there are now published reports of similar deadly "mystery diseases" from these areas. **WHAT IS GOING ON HERE? WE NEED ANSWERS—NOW!**

- * IGWIC came into being out of necessity.
- * We are here to bring SANITY to this worldwide crisis and outbreak.
- * We are here to make sense of GWI, to impart TRUTH to those who deserve no less.
- * We are here to find the Cause(s) and the Cure(s), to STOP the senseless suffering and needless deaths.

For years now, long after the *Persian Gulf War*, we see and hear of the continually increasing numbers of deaths, birth deformities, and illnesses amongst the veteran communities, as well as family members and their civilian friends, on a worldwide basis. It is hard to deny, everywhere you turn, you hear of this *Gulf War Syndrome*, being reported in little newspapers across the globe, the veterans organizations newsletters, newspapers, on public access communications services such as *America Online*, *CompuServe*, *Prodigy*, and of course the *Internet*. Even the Department of Defense (DOD), and other governmental agencies have their own site and a host of information available for anyone to see or download, right on the Net.

So, does the Gulf War Syndrome really exist? You could spend six months surfing the Net, just reading the information available from all sorts of sources, globally. You would have to spend perhaps a hundred thousand dollars or more, for a computer sized large enough to contain all the files of information on GWS, if you attempted to download them just from the Net alone. Perhaps it would cost much more, and take even longer. The point is, everyone agrees, **THERE IS SOMETHING WRONG**. Veterans across the Globe have been complaining for years, yet we have gone about our lives, whilst thousands and hundreds of thousands of human beings have died already from this "thing" that the DOD and the VA in America say "doesn't exist"—"is in their heads", despite overwhelming evidence to the contrary such as the Riegle Report 103rd National Congress, much less plain old common sense, and from the huge amount of real-life veterans' stories reported and readily available on the Net. Therefore, we are not here to convince anyone of the existence of GWS; that is a moot point, seeing that the same DOD and VA have their own WEB pages on the Net concerning GWS/GWI, and they even have a host of government programs to deal with GWS. But then, what is GWS or GWI, what is being done about it, and why do we feel there was any necessity to form IGWIC— if, in fact, everyone agrees that GWS exists and if, in fact, the DOD and the VA "say" they have instituted programs to HELP veterans? First we must explore what happened in the Gulf. There are many explanations given for Gulf War Syndrome, as to what it is, how it originated, etc. Here are a few "causes" listed for you:

- * Infected sand flea or fly bites
- * Oil fire fumes
- * Diesel exhaust fumes
- * Depleted uranium exposure from warheads/expended shelling
- * The Pyroostigmine Bromide (PB) nerve gas pre-treatment pill
- * The Aspartame in drinking sodas
- * Chemical and/or biological weapons
- * Anthrax vaccines and experimental or "investigational drugs or products" (IND's) used by the U.S. military

Some agree it could be a combination of several exposures as listed above, but then they also disagree as to **exactly** what is Gulf War Syndrome. The greatest obstacle faced is placing the tag squarely where it belongs, for there is liability beyond that imagined ever in the history of the United States or this world, whether the cause was accidental, an error, miscalculation, or by design—the deliberate use and testing of chemical and biological weapons in the Gulf War.

Whilst the powers that be ponder, examine, debate eloquently, and squabble amongst themselves, people are dying all over this world. They are dying disgusting deaths, some are rupturing and bleeding through all parts of their body; in others, their hearts are literally "exploding" in their chests, some just silently withering away and dying from all sorts of cancers. Untold hundreds of thousands of others have become incapacitated, wheelchair-bound, crippled by this "disease". Others cannot work, and just plain getting out of bed seems the biggest chore they can handle for the day. If you didn't know it before, **YES**, this is really happening all over the globe, but being suppressed from the public by the powers that be, for the reasons as stated above.

Do you need to be SCARED? You BETTER be scared out of your mind; YOUR life depends on it!

At this LATE stage (now 4 years later), we do not have the luxury of focusing on who is to blame. TIME is running out! We have a worldwide communicable disease, spreading worse than AIDS, and no one is immune. This is not about Gulf War veterans alone. Because you are a civilian does not exempt you from DYING! There is presently NO KNOWN CURE!

At this point, if we wish to win the war against the disease, I suppose it matters not whether Saddam Hussein is to blame, that he used chemical/biological weapons. It matters not if the Coalition Forces, headed by the United States, bombed Iraq's labs or stockpiles of biologicals accidentally or on purpose, and these agents were released into the atmosphere. It matters not if the experimental vaccines administered to the troops were contaminated accidentally, or whatever the reason, whether the PB pill itself was partially to blame and/or in conjunction with the PB pill and the accidental releasing of other chemicals and BIOLOGICALS from Saddam's arsenals is to BLAME. It matters not if several of the Coalition "nations" had their own little experiments going on under the cloak of this WAR, and together, all of the above, is just an ACCIDENT. Forget the conspiracies you hear of about downsizing of the world population; forget all else, you STILL have a communicable worldwide disease with no known cure! The Doctors Garth and Nancy Nicolson, both Ph.D.s, have isolated ONE of the strains as *Mycoplasma incognitus*, which contain the HIV gene envelope. Even though the DOD and VA deny the Nicolson's findings, they have NOT been able to PROVE the Nicolson's wrong. Here is the SCARE, and why you should be very concerned and obsessed with getting some straight answers NOW!

With regards to biological weapons, scientists have found that bacterial DNA degrades quickly in the body, therefore needing a viral "*shell*" to house it. The viral shell is the "modified" HIV envelope. The HIV envelope is the HOUSE, and no one has been yet able to totally eradicate the HIV/envelope-house inside the body. This is one reason why there has been no real progress against AIDS. Likewise, in a test tube, you put enough Doxycycline (antibiotic) to "kill" (play on words) the Mycoplasma, but in the body, protected by the viral "shell" (house), you can only hope to lower the level. Until we can break the viral capsule THERE IS NO CURE! Dr. Shyh Ching Lo (AFIP/Armed Forces Institute of Pathology) has stated that *Mycoplasma incognitus* is in between a virus and a bacteria. To understand what we are up against better, let us say it is in fact BOTH. Therefore, what we have is something CONTAGIOUS AS HELL! There is no known antidote. This also lends itself to the theory that *Mycoplasma incognitus* is a MAN-MADE warfare agent.

* Why are soldiers, who received only the vaccinations (but never deployed to the Gulf) and their families sick, and having children born with birth defects, like *Goldenhar Syndrome* (See Nov. issue of *LIFE* magazine, and the ABDC Foundation, Florida and Europe)?

* Why are Gulf War-era soldiers, prepared to deploy even when sick, being now told that they are not eligible to be placed on the DOD/VA *Gulf War Illness Registry*?

* The DOD/VA says that all vaccines, including Anthrax, were FDA approved. The Anthrax inoculation, in FDA-approved doses, consists of two injections, A1 and A2. WHY were front-line troops, especially those going on deep insertions into *Iraq* given only ONE inoculation instead of two, and WHAT was in it? Was it the FDA-approved version, or an experimental (IND/INP)?

* Why does the DOD/VA try to discredit any reasonable treatment that civilian physicians/scientists come up with? Are they trying to hide anything? Are they hoping for "burnout", that is, an "acceptable" amount of human losses, and after several hundred thousand have died, "it" will contain itself? Why, despite the Drs. Nicolson's work, have VA doctors been told NOT to give out Doxycycline? Is there a conspiracy to downsize the world population by allowing millions to die?

* Why do all U.S. medical grants go through the DOD for approval?

* Why are high-level Saudi Arabian ministers, including King Fahd, suddenly coming down with "mystery illnesses"? And now, we hear the same for Somalia and Bosnia.

* If soldiers are infected with the *Mycoplasma incognitus*, and it contains the HIV-1 envelope, how come the government isn't funding research into the infection?

* Why are all these so-called Advisory Committees filled with government insiders and "experts"? Other notable scientists like the Nicolson's were nominated by public appeal, but were never assigned to a position. WHY?

These are but a very few of the questions one can come up with; there are hundreds of unanswered questions, most of them indicating "something is terribly wrong" and the truth is being covered up. Perhaps the truth of it all really is that the U.S. Government DOESN'T have an answer. Perhaps they or others fooled with Mother Nature, and Mother Nature has shown them who is really boss. Whether there is a conspiracy or not, one thing is certain: this world is facing an epidemic of monumental proportions never seen before, AND THERE IS NO KNOWN ANTIDOTE!

The *International Gulf War Illness Coalition* has a mission. We wish to cut to the quick. We understand the importance of pooling resources. It is the only way for the human species, as we know it, to survive.

WE have become an endangered species!

There can only be one of two reasons for what happened in the Gulf War.

One: There is a Conspiracy—there is a Globalist/New World Order agenda to downsize the world's population by millions, and the UNITED STATES GOVERNMENT is a participant.

If that be the case, GOD help us all.

Two: This is all an accident. Questionable testing was done in the Persian Gulf War by everyone, or the bombing of Saddam's illegal arsenal/stockpiles of Biologicals were **UNintentionally** released, or a combination of what we have already stated previously took place, **by accident**. BUT—even if by accident, nations of the world:

(A) Would prefer to allow millions of humans to die hoping for burnout at some point, rather than spend the **MONEY** to find the solution and fix the problem. In other words, money is more important than human lives.

(B) Nations of the world are scrambling to find an antidote but don't have one. They have some culpability in what took place in the Gulf, whether by their own experiments or other, and they **CANNOT EVER** acknowledge this to the world populations. They are hoping this epidemic will reach burnout at some point, and that is their solution.

If that be the case, GOD help us all.

No scenario we can think of looks good. Everything we see and hear, smells.

It is time ALL Gulf War Veterans associations band together. It is time veterans of ALL wars band together. It is time peoples of all the Earth band together—and **DEMAND** an end to this **INSANITY**. Scientists/researchers, all those in the medical profession should pool their resources and work together. You are doing this to save your own life, and your children.

Please **HELP** the **International Gulf War Illness Coalition**. You can be a part of what we are trying to do. We need your help to spread the word, before this plague takes care of us all. We need volunteers, people in every state across America, people in every province, in every nation across the globe.

We need your financial support, and above all, we need your prayers.

To find out more about GWS—IGWIC, and how you can help make a difference, what you can do to become involved with us, please write or call NOW. The **International Gulf War Illness Coalition** is made up of people just like you. You do not have to be a veteran to become a volunteer or a member. WE are in this together, whether you get involved or not. There is only so much a handful of us can do. If you have ever sent money to some far away nation to feed starving children you saw on TV, how can you ignore your own countrymen—**AMERICANS**, your own veterans who went to serve—so your children would remain **FREE** and **SAFE**. This **CRISIS** is of a **worldwide nature**. If you sent money to help the peoples of other nations before, **THEY** need you now also. The mainstream media is not showing you what you need to see. **There IS a cover-up**, no matter if this was a mistake or a conspiracy. You are **NOT** being told or shown the truth. Do not wait until it is too late for all of us—please get involved NOW!

We ask all scientists, researchers, and doctors to please aid us with information concerning treatments and any successes with Gulf War Syndrome, CFIDS, and AIDS. We will put **your** information out via our Fax on Demand (FOD) system, the Internet, mailings, etc., and let the people see the research being done, unimpeded by media blackout, AMA politics, or anyone else's agenda. We want all good ideas to share with others. People interested in the most up-to-date medical information concerning GWI/GWS will be able to access it through our system. We also ask those afflicted to fill out our survey questionnaire (accessed by FOD or mail) to help us load up our database. We will release periodic reports on trends and other relevant information we glean from our surveys, **rather than waiting for all the data to be in**. Gulf War Veterans Groups **WORLDWIDE**—we ask that you encourage your members with GWS to participate in our database.

Civilization as we know it has entered a new phase, a different plane.
We are truly in a star wars battle for survival.

Join us, and "May the *Force* be with you."

GOD BLESS THE REPUBLIC!

Depopulation Of A Planet

(Continued from Front Page)

The hands, set by the *Bulletin of Atomic Scientists*, are moved only after lengthy debate.

Some of the world's leading experts will gather this week at the University of Chicago to discuss what is expected to be the first movement of the hands since 1991.

Most people think the hands will tick forward again, advancing for the first time in a decade marked by a series of backward ticks.

In 1984, with the arms race accelerating, the time was put at three minutes to midnight. By 1988, with a Soviet-U.S. treaty limiting intermediate-range nuclear forces, it ticked back to six minutes to the hour; 1990 saw it go to 10 to midnight with the end of the Cold War and finally, in 1991, with the signing of the strategic-arms-reduction treaty, it went to its current time.

"I'd put it close to midnight right now," said John Mate, an anti-nuke campaigner for Greenpeace International, who believes the clock is ticking forward again.

"Unless France and others sign a comprehensive test-ban treaty, I think there's a huge threat."

Mate isn't a global-security expert, but he's got more of an up-front view of the threat than most, having just returned to Vancouver from the South Pacific where he protested France's most recent nuclear-test.

On the night France exploded the world's latest nuclear bomb, Mate was aboard a small yacht just outside the 20 kilometer exclusion zone off Mururoa atoll, in French Polynesia.

In the distance, he could see the glow of lights from France's nuclear-testing facility.

Mate said watching the warm electrical radiance reflecting on the waters of the South Pacific Ocean filled him with a sense of dread.

"I saw Mururoa as a place that symbolizes the greatest evil that humanity can perpetrate on the planet," said Mate. "I used to refer to the testing program as *nuclear madness*, but since going to Mururoa, I now just say it is evil."

Bill Epstein felt the political tremors in New York, where for the past 25 years he's served the Canadian government on United Nations committees concerned with nuclear proliferation.

Epstein said that by ignoring world opinion and continuing to build its nuclear arsenal, France has made it easier for other countries to do the same.

"There are 40 countries in the world today that have the capability to make a nuclear weapon if they so decide," he said. "Most of them don't, because they have signed the nuclear non-proliferation treaty. But they can withdraw from that with three months' notice—and some of them have warned now that they might do just that."

Epstein said that if he were setting the clock today, he'd push the minute hand forward to five minutes—to 12 minutes to midnight. "With the end of the Cold War

a lot of people thought peace had broken out, but there is still a very real danger out there," Epstein said. [End quoting.]

GULF WAR SYNDROME

In his [Pentagon] report dated July 14, 1995, titled *The "Cover-Up" of Gulf War Syndrome—A Question of National Integrity*, Dr. Lindsey Arison writes, [quoting:]

Gulf War Syndrome is the direct health consequence of prolonged (chronic) exposure to low (non-lethal) levels of chemical and biological agents released primarily by direct Iraqi attack via missiles, rockets, artillery, or aircraft munitions and by fall-out from allied bombings of Iraqi chemical warfare munitions facilities during the 38-day air war.

The effects of these exposures were exacerbated by the deleterious and synergistic side-effects of unproven pyridostigmine bromide pills (nerve agent pre-treatment pills which were administered involuntarily), the investigational botulinum toxoid vaccines (which were also involuntary), anthrax vaccines, depleted uranium residues principally from battlefield vehicles damaged by depleted uranium-tipped armor-penetrating munitions, and to a much lesser extent, other environmental hazards such as oil fire contamination, pesticides, petrochemicals, and electromagnetic radiation from radars and communications equipment.

The infinite number of combinations and permutations of the effects of chronic exposure to low, non-lethal levels of cumulatively-affecting chemical nerve agents, to blister agents, biological agents and "cocktails", coupled with the effects of nerve agent pills, botulinum and anthrax vaccines, depleted uranium dusts, and other environmental contaminants, has produced the infinite variations in symptomatology in Gulf War veterans. Therefore, the "mystery illness". There is, however, one principle cause.

The Department of Defense, however, continues to deny that chemical and biological agents were used during the Gulf War.

DoD is lying to our veterans and their families, to the U.S. Congress, and to the American people about the exposure of U.S. soldiers to chemical and biological agents during the Gulf War. [End quoting.]

GULF WAR ILLNESS— EBOLA RESTON

In a document received by CONTACT from Peter Kawaja titled *The Saddest Chapter In America's History Is Now Being Written*, we read [quoting:]

Gulf War Illness is a communicable disease, spreading worse than AIDS, by mere casual contact, through perspiration, or by being close to someone who coughs. You can become infected by brushing by someone at a store. Your children can be infected at a playground or at school. Mycoplasma incognitus contains most of the HIV (AIDS) envelope, which was tampered with by humans. It is a warfare agent by design. Our government is involved in this great crime and cover-up. A nationwide/worldwide panic is going to be created, of such magnitude, that it will threaten our very existence. This same government will then step in to offer a solution; they will have "an antidote", a treatment, but only those who will accept the medical ID card will be treated, all others will be considered a danger and threat to society, hunted down, and imprisoned or killed. Americans will welcome this solution, will turn in their neighbors and friends in order to survive themselves. At the same time, this instrument will suspend the *Constitution* of these United States, to allow United Nations rule, the New World Order, One World Government.

America will be enslaved. Approximately 40% (from confidential sources) of the American population is already a carrier of one form (or another) of HIV, as there are now over 2,000+ strains, effectively making almost half of the population a carrier to infect others of (example) Ebola Reston, a slow-acting deadly agent, taking years to manifest itself, killing you in pain worse than Ebola Zaire, which is quick acting.

The government is already leaking news stories through the mainstream media, warning America: it is not IF, but WHEN, we will soon face a worldwide outbreak. They are preparing you for what they already know and have planned. What they are saying, however, is that this will happen by accident, because of international air travel, and Americans are believing it. [End quoting.]

"Can we negotiate any of these?"

SPY SATELLITES STUDY NATURE

In an article written by William J. Broad, from the Nov. 28, 1995 edition of *The Denver Post*, reprinted from the *New York Times*, we read [quoting:]

With the cold war a fading memory, the nation's spy satellites are beginning to turn some of their attention to nature.

In addition to peering at the usual military targets, they are monitoring such natural phenomena as clouds, glaciers, sea ice, deserts and tropical rain forests to gather clues about long-term global climatic change and ecological threats.

At the urging of Vice President Gore, and with the support of Congress, the new program is directing spy satellites to study about two dozen ecologically sensitive sites around the world. Ultimately, it is to monitor about 500 sites.

Scientists are programming the satellites to study diverse habitats vulnerable to environmental shifts and damage, including some that are unusually remote and forbidding. [Say, Antarctica?]

"In terms of turning swords into plowshares, this is about as good of an example as I can think of," said Dr. Jeff Dozier, dean of the school of environmental science at the University of California at Santa Barbara and a member of the program's management team. The data will be archived for future generations of scientists and will remain secret for now to conceal the abilities of the nation's reconnaissance systems, the scientists say.

Intelligence experts always try to hide the exact abilities of their surveillance systems so foes are less likely to know how to evade and counter them. And in any event, the data will be most interesting in future decades because it seeks to reveal trends over time.

The program picks areas of the Earth that are thought to be particularly revealing of changes in the natural world and repeatedly photographs them on a fixed schedule, seasonally in some cases.

Data are to be collected for decades, in theory revealing subtle ecological shifts that might otherwise be missed. [End quoting.]

EARTH IN THE BALANCE

In his book *Earth In The Balance—Ecology And The Human Spirit*, then-Senator Al Gore writes:

"I have come to believe that we must take bold and unequivocal action: we must make the rescue of the environment the central organizing principle for civilization. Whether we realize it or not, we are now engaged in an epic battle to right the balance of our Earth, and the tide of this battle will turn only when the majority of people in the world become sufficiently aroused by a shared sense of urgent danger to join an all-out effort."

On the issue of population, Mr. Gore writes: "The first strategic goal should be the stabilizing of world population, with policies designed to create in every nation of the world the conditions necessary for the so-called demographic transition—the historic and well-documented change from a dynamic equilibrium of high birth rates and death rates to a stable equilibrium of low birth rates and death rates."

And also, "No goal is more crucial to healing the global environment than stabilizing human population. The rapid explosion in the number of people since the beginning of the scientific revolution—and especially during the latter half of this century—is the clearest single example of the dramatic change in the overall relationship between the human species and the Earth's ecological system."

Gore begins his concluding statements with, "Life is always motion and change. Fueled by the fruits of sun and soil, water and air, we are constantly growing and creating, destroying and dying, nurturing and organizing. And as we change, the world changes with us. The human community grows ever larger and more complex, and in doing so demands ever more from the natural world. Every day, we reach deeper into the storehouse of the Earth's resources, put more of these resources to use, and generate more waste of every kind in the process. Change begets change, then feeds on its own momentum until finally the entire globe seems to be accelerating toward some kind of profound transformation."

THE GEORGIA GUIDESTONES MESSAGE AND MYSTERY FOR MANKIND

[Quoting:]

Elberton Granite's reputation as one of the world's best monumental stones, Elbert County's geographic location, and fate seem to be key elements in why one of the nation's most unusual monuments was unveiled near Elberton. Already called "America's Stonehenge", after the mysterious monuments in England which have puzzled men for ages. The Georgia Guidestones have attracted nationwide publicity and promises to become a major tourist attraction.

Overwhelming in size and steeped in enigma, the Guidestones were revealed to the nation in the Winter, 1979. The guidestones are as much as mystery now as they were then—and probably still will be when man ceases to record his history. The gargantuan, six-piece monument stands 19-feet high in the beautiful hill country eight miles north of Elberton and proclaims a message for the conservation of mankind. Its origins and sponsors are unknown; hence, the mystery.

The components were manufactured from Elberton Granite Finishing Company, Inc.'s "Pyramid Blue Granite", and the firm's President, Joe H. Fendley, Sr., said the project was one of the most challenging ever for his quarrying and monument manufacturing concern—

partly because of the magnitude of the materials and partly because of the exacting specifications from the mysterious group of sponsors, "and those specifications were so precise that they had to be compiled by experts on stone as well as construction," said Fendley.

He said it all began late on a Friday afternoon in June when a well-dressed and articulate man walked into his offices on the Tate Street Extension in Elberton and wanted to know the cost of building a large monument to conservation. He identified himself as "Mr. Christian." He told Fendley that he represented a small group of loyal Americans living outside Georgia who wished to remain anonymous forever, and that he chose the name "Christian" because he was a Christian. He inquired where Fendley banked and Joe put him in touch with both local banks. Wyatt C. Martin, President of the Granite City Bank, was selected by "Mr. Christian" to be the intermediary for the mysterious project.

According to Martin, the man showed up at his office 30 minutes later, explained the project, and said after completion he hoped other conservation-minded groups would erect even more stones in an outer ring and carry the monument's message in more languages. He told Martin that he wanted the monument erected in a remote area away from the main tourist centers. The gentleman also said that Georgia was selected because of the availability of excellent granite, generally mild climate, and the fact that his great-grandmother was a native Georgian.

Martin persuaded the mystery man that Elbert County was the ideal location for the memorial; and he agreed, provided a suitable location could be found. He returned later and he and Martin inspected sites. "Mr. Christian", who now called himself "R. C. Christian", chose a five-acre plot on the farm of contractor Wayne Mullenix. It is the highest point in Elbert County. A few weeks later, Martin contacted Joe Fendley and told him that funds for the project were in an escrow account and to start work immediately. Martin promised that when the project was completed, he would deliver his file on the affair to the anonymous sponsors and that the secret would never be known.

He said "Christian" told him that the sponsors had planned the monument for years and that the ten "guides" for the conservation of mankind and the Earth were carefully worded as a moralistic appeal to all peoples, regardless of nationality, religion, or politics.

ASTRONOMICAL ASPECTS OF THE GUIDESTONES

The four large upright blocks pointing outward are oriented to the limits of the migration of the moon during the course of the year.

An eye-level, oblique hole is drilled from the South to the North side of the center, Gnomon stone so that the North Star is always visible, symbolizing constancy and orientation with the forces of nature.

A slot is cut in the middle of the Gnomon stone to form a "window" which aligns with the positions of the rising sun at the Summer and Winter Solstices and at the Equinox so that the noon sun shines to indicate noon on a curved line.

The capstone includes a calendar of sorts where sunlight beams through a 7/8 in. hole at noon and shines on the South face of the center stone. As the sun makes its travel cycle, the spot beamed through the hole can tell the day of the year at noon each day. Allowances are made because of variations between standard time and sun time to set the beam of sunlight at an equation of time.

The site, eight miles north of Elberton, Georgia on Highway 77, was chosen because it commands a view to the East and to the West and is within the range of the Summer and Winter sunrises and sunsets. The stones are oriented in those directions.

THE GUIDES EXPLAINED—THE MESSAGE

The wording of the message proclaimed on the monument is in 12 languages, including the Archaic languages of Sanscrit, Babylonian Cuneiform, Egyptian Hieroglyphics and Classical Greek, as well as English, Russian, Hebrew, Arabic, Hindi, Chinese, Spanish and Swahili.

The guides, followed by explanatory precepts, are as follows. The words here are exactly as the Sponsors provided them:

Maintain humanity under 500,000,000 in perpetual balance with nature.

Means the entire human race at its climax level for permanent balance with nature.

Guide reproduction wisely—improving fitness and diversity.

Without going into details as yet undiscovered, this means humanity should apply reason and knowledge to guiding its own reproduction. "Fitness" could be translated as "health". "Diversity" could be translated as

"variety".

Unite humanity with a living new language.

A "living" language grows and changes with advancing knowledge. A "new" language will be developed "de novo"—and need not necessarily be adapted from any languages now in existence.

Rule Passion—Faith—Tradition—and all things with tempered reason.

"Faith" here may be used in a religious sense. Too often people are ruled by blind faith even when it may be contrary to reason. Reason must be tempered with compassion here—but must prevail.

Protect people and nations with fair laws and just courts.

Courts must consider justice as well as law.

Let all nations rule internally resolving external disputes in a world court.

Individual nations must be free to develop their own destinies at home as their own people wish—but cannot abuse their neighbors.

Avoid petty laws and useless officials.

Self explanatory.

Balance personal rights with social duties.

Individuals have a natural concern for their personal welfare, but man is a social animal and must also be concerned for the group. Failure of society means failure for its individual citizens.

Prize truth—beauty—love—seeking harmony with the infinite.

The infinite here means the supreme being—whose will is manifest in the workings of the cosmos—if we will seek for it.

Be not a cancer on the Earth—Leave room for nature—Leave room for nature.

In our time, the growth of humanity is destroying the natural conditions of the Earth which have fostered all existing life. We must restore reasoned balance. [End quoting.]

CONSIDER THIS

While it may seem that I have presented many unrelated and divergent writings in this series on depopulation of a planet, I believe by now you will see the

direct connection and how, once again, Little Crow's phrase, "Everything is connected to everything", is reaffirmed. The groundwork laid by Thomas Malthus, Georg Hegel, Karl Marx, the Fabian Society, George Orwell, Bertrand Russell, and Aldous Huxley, were carried as themes through countless publications concerning the issue of population.

When examining the countless books on population it becomes exceedingly clear that, for over a century, great and not so great minds have put their concentration to this critical issue which faces, and now slams in the face of, our living planet Gaia [Shan]. What stands out in *neon* when reviewing all of the treatises on the subject of population is the total absence of God. That's right, God. He is never mentioned—never included in the equation for hope and resolution. We know that God has a Plan 2000 too, yet somehow even saying this sounds trite, like some born-again comeback. But those who KNOW God, know that God's Plan is so far out of man's reach of understanding that its magnificence will shine as the noon-day sun.

Instead of hope and inclusion of God into the equation for balance, we are presented with images of teeming masses, who, like lemmings, move en masse toward their destination in a given moment. Always the conclusions are the same—reduce growth and depopulate or face ruin. Well, we can be sure that thanks to places such as Porton Down, England; Fort Detrick, Maryland; and the World Health Organization, the tools for death and destruction are locked and loaded and dispensed to the sleeping innocents in Third World countries where trusting eyes look up to those giving the injections and say in their native tongue, "Thank you" as the countdown to their own death begins.

Have I intended for this series to be depressing fear-mongering? Far from it. I went into this series entirely "open" to find whatever the evidence presented to me, and I believe the evidence by now is so overwhelming for even the greatest of skeptics that it is safe to say, "They really are trying to kill us off!" And the tools at their disposal cross all boundaries and come in such divergent forms as: disease-carrying ticks and fleas, clouds of gas, contaminated drinking water, on-the-hoof transmission through our meat, to out-and-out nuclear weapons. The agenda for depopulation is right on track and accelerating rapidly. And, so too, the subject is so big, so overwhelming in scope, that most simply resign themselves and throw their hands up in the air and say, "There's nothing I can do about it."

It is no accident that CNN has recently run several

CONTACT: The Phoenix Project

CONTACT is a unique and inspired newspaper for concerned citizens everywhere, though it particularly focuses on the United States because of this country's special mission in the affairs of the world. That is, "As goes the United States, so goes the world."

CONTACT is a vehicle for Commander Gyeorgos Ceres Hatonn's most recent writings on important current affairs, plus those from other enlightening sources, on matters critical to a responsible and informed public at this time of planetary transition and final days of battle between the Forces of Light and the "Evil Empire" forces of darkness.

CONTACT exists to counteract the manipulating lies and clever half-truths put out (on purpose) by the regular print and broadcast media prostitutes of the Satanic Elite controllers—parasites who are in the process of economically, physically, and spiritually collapsing this once great country (and actually the entire planet) down to a slave-state level of existence under their diabolical control plan called The New World Order.

This newspaper, *CONTACT*, began life on March 30, 1993, risen, like the mythical bird, with great determination "up from the ashes" of its internationally acclaimed predecessor called *THE PHOENIX LIBERATOR*.

THE PHOENIX LIBERATOR, in turn, began life in mid-October of 1991, having evolved from an earlier newsletter called the *PHOENIX JOURNAL EXPRESS*, which itself came into existence as a faster way to get THE TRUTH out to you readers than was possible with the more substantial "book" format of the *PHOENIX JOURNALS*. Much incredible ground has been covered so far in that mission.

While the *PHOENIX LIBERATOR*'s motto reminded all that "The Truth Will Set You Free", the *CONTACT*'s motto, displayed prominently in the masthead, takes that thought another important step forward and proclaims: "Ye Shall Know The Truth And The Truth Shall Make You Mad!"

The "Phoenix Project" is about those preparations needed—at body, mind and soul levels—to both understand and survive the great healing changes which are beginning to energize this beautiful little planet, now so frazzled and tortured from abuses of all kinds. We look forward, with great expectations, to the *CONTACT*ing with all of you—a coming together that is rapidly taking place as the entire Phoenix Project "ground crew" continues to connect, solidify, and gain strength through becoming informed of THE TRUTH. Indeed, welcome aboard, friends!

specials on the Ebola virus. The public is being psychologically prepared for massive outbreaks, and massive outbreaks there will be. At this point in time, with all that has already been unleashed upon us, outbreaks are inevitable.

Those in power and control of this world do not know how to create, but they are extremely proficient at destruction and that is the path they are walking. They may make wondrous-sounding declarations about the need to protect Mother Earth, such as you just read in *Agenda 21* (which will effect everyone), but the cost in human lives will be without measure.

You will know by now that the issues confronting us as a planet are so complex, so interwoven, that there are no easy answers. But who are Aurelio Peccei, Eduard Pestel, Hugo Thiemann, Carroll Wilson, Alexander King, Saburo Okita of the Club of Rome to dictate to mankind that *thinning* the masses is required? I do not advocate violence, but there was a time in history when crimes of such high treason against humanity were dealt with in a very precise manner. At the very least, ones such as Club of Rome members should be called to answer before a World Court. But then, I suppose following this line of reasoning further, charges would have to include administrators of such facilities as Porton Down, Fort Detrick, and perhaps even the World Health Organization itself. Obviously, in our present world, this isn't going to happen.

It is only through the selfless and courageous efforts of such brilliant scholars as Eustace Mullins, Dr. Eva Sneed, Dr. John Coleman, Robert Harris and Jeremy Paxman, to name just a few, that we are given the side of the story that allows for true understanding. Under the black cloak of *national security* all manner of evil lurks, waiting to rubout the very essence of souled life as we know it.

For purposes of our discussion here, let's take Louis Farrakhan's march on Washington. Most people knew and expected that there would be major trouble, riots, rebellion, and, to use Gary Wean's phrase, initiated "race riots and revolution." And yet, what happened? The finest example of peaceful assembly ever witnessed. And why was this march so successful? Because God/Aton was included in the equation. He was the guiding force. His intervention was requested,

in earnest, and He did intervene and it was nothing short of a miracle. Let me just ask a simple question: If God will intercede on behalf of those petitioning for peaceful assembly, don't you think He would intercede directly on behalf of preserving His own Creation if genuinely asked by souled beings everywhere in heartfelt prayer? Would He not send His Hosts to assist in resolution. But man does not think of this and many would say it is too late already. Well, with God, yea unto the midnight hour, it is not too late.

So, too, God HAS sent His Hosts in response to man's petition for help. The help is coming in many ways, but most notably in the form of THE WORD, which means, knowledge. Who is listening? Who is reading THE WORD? God has kept His promises. And I don't mean for this to sound like preaching but, rather, just telling it like it IS.

As now Vice President Al Gore noted in his book *Earth In The Balance—Ecology And The Human Spirit*, "Sir Crispin Tickell, a leading British diplomat and environmentalist, noted in a speech to the Royal Society in London in 1989 that 'a heavy concentration of people is at present in low-lying coastal areas along the world's great river systems. Nearly one-third of humanity lives within kilometers of a coastline. A rise in mean sea level of only twenty-five centimeters would have substantial effects—a problem of an order of magnitude which no one has ever had to face—in virtually all countries the growing numbers of refugees would cast a dark and lengthening shadow.'"

Of course, most writings on the subject of population do not take into account Mother Earth/Gaia taking her own steps to bring the planet into balance. These steps would include massive geophysical changes in the form of tectonic plate shifting, tidal waves, land masses rising and sinking, and yes, even a possible polar shift or magnetic pole shift. We know the magnetic poles are, NOW, in a state of flux and extremely unstable.

Will mankind's legacy be one of a spent planet, a hollow shell, radiated and used up? Or, will the higher collective consciousness of man, in co-creation with Creator God turn this planet in crisis around?

On Nov. 8, 1995, Aton wrote, "NEW CONTINENTS SHALL BE FORMED AND RAISED UP FROM

THE DEPTHS OF THE SEAS AND MOUNTAINS SHALL RISE EVEN HIGHER AND THERE SHALL BE OCEANS WHERE THERE WERE MOUNTAINS AND MAN SHALL BE LOST WITHIN THOSE SEAS. IF MAN CONTINUES TO DESTROY AND MASSIVELY ANNIHILATE THE GLOBE—HE SHALL BE ENCAPSULATED WITHIN HIS OWN HELL AND ISOLATED FROM HIS COSMIC BRETHREN AND ORBITING PLANETS. IF ENERGY OF SUCH MAGNITUDE IS UNLEASHED AS TO DESTROY THE PLANET IT SHALL BE ENCAPSULATED AND ISOLATED SO THAT THE NEIGHBORS MIGHT NOT BE ANNOYED."

CONCLUSION

According to Hopi prophecy, 1996 is to be "the second migration to the new world which will be leaving behind on Grandmother Earth those who are choosing to continue to hold the power on this planet within the space of all the Sacred Twelve."

Will the Georgia Guidestones serve as mankind's legacy, as some historical marker for future civilizations to discover and decipher? Or will the guidestones provide the necessary wisdom for mankind to begin moving civilization closer its true heritage, that of HU-man, higher universal man, in close connection with God?

In George Lamsa's translation from the Aramaic of the *Peshitta*, the *Holy Bible From The Ancient Eastern Text*, found in *St. John*, Chapter 14, we read the words of Jesus (Esu/Immanuel):

Let not your heart be troubled; believe in God, and believe in me also.

In my Father's house are many rooms; if it were not so, I would have told you. I go to prepare a place for you.

And if I go and prepare a place for you, I will come again and take you to me, so that where I am you may be also.

You know where I am going and you know the way.

Thomas said to him, Our Lord, we do not know where you are going; and how can we know the way?

Jesus said to him, I am the way and the truth and the life; no man comes to my Father except by me.

New Gaia Products Offer Help

GaiaCol

GaiaCol is a combination of Colloidal Silver and Trace Colloidal Gold. This combination of ingredients has produced a product that is so high frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin. The uses of Colloidal Gold were also significantly used in the restoration of health as early as 1885 and was noted for its ability to calm and harmonize the emotional body. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. The antibiotics they were producing, however, produced no effect on the more resistant viruses, fungi and parasites. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic over-prescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is nontoxic to humans and allows no presently known disease-causing organism to live in its proximity. With the addition of Trace Colloidal Gold the frequency of GaiaCol is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. GaiaCol is gentle enough to use topically on just about any skin, hair or mouth condition

without fear of toxicity and is outstanding for burns.

For internal use during any type of infectious process, start with one teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Then maintain with 3-4 drops, 3-4 times per day under the tongue. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or at least when symptoms are noted such as cramps, bloating, diarrhea/constipation and a general feeling of malaise.

GaiaCol is said to be safe for children and pets and can be taken with other medications without incident. This product is not addictive and does not build up a tolerance to it in the body. 2 oz. \$10.00

GaiaGold

GaiaGold is a solution of 100% Colloidal Gold which is one of the oldest used substances for medicinal purposes and has no equal in affecting the physical body positively. Around 1885, colloidal gold was commonly used in the United States as the basis for the cure of alcoholism with additional uses including treatment of Arthritis, skin ulcers, burns and certain nerve damages. Colloidal gold does not have the same Germicidal/Antibiotic action of Colloidal Silver when topically applied, but it does have tremendous effect if taken internally

for such as Syphilis and other diseases.

Colloidal Gold has been noted for its tremendous ability to balance and harmonize the emotional body, particularly in regards to unstable mental and emotional states such as "depression", "autism", "Alzheimer's", etc. Gold has further been found to aid in the healing of heart muscle and is highly beneficial in rejuvenating sluggish organs—especially the brain—as gold is the best electrical conductor yet recognized for nerve action. Another use for Gold is in cases of glandular and nervous incoordination because Colloidal Gold is said to rejuvenate the glands and stimulate the nerves which releases the pressure and allows the signals for function to reach through to the various organs and glands.

GaiaGold intake can benefit self-control in diet and quit-smoking programs because it helps to balance the brain's craving or need for such overindulgence or addiction. Taken in conjunction with GaiaCol, overall renewed vitality and longevity may be achieved. 2 oz. \$20.00

EASY TO ANSWER QUESTION

I am asked if I couldn't just stick with one subject long enough to not confuse the readers? No, I can't! One-topic books are just that—books. We write JOURNALS with daily entries and we speak on whatever is in priority for the day. Sometimes we begin a writing project only to find that another topic is more urgent in presentation. At this moment, for instance, if I am not going to write on the diseases [see Front Page story in last week's paper] now killing you by design, I am going to continue to cover *The One World Church Order*. Why? Because it is time you ones realize that your RELIGIOUS dogmas are going to lose a LOT of people to the LIE.

I realize that you may well think the tales of Robert Maxwell don't have anything to do with this One World Church Order—BUT ALAS, IT DOES!

The purpose of the paper and journals is to get the word, our word, out TO YOU—not vice versa. We are wondrously delighted to get your input and that which you feel needs sharing on a wide scale. Just, however, to write to blast us or tell us how to do our mission, especially MY mission, is somewhat beyond our expectations of anyone. I don't tell you how to do your job and yet I find it interesting that we get marketers who somehow think our major thrust is to get papers out at all cost—even to truth. No thank you. We need communications and ongoing status reports for our "flock" and certainly fledglings are welcome aboard but we aren't in competition with the *New York Times* or any other paper. There will come a day when the numbers may well reflect otherwise but, frankly, I'm Marvin

not even interested in "saving" anybody who wants nothing to do with us, our work or our products. Dr. Young may well feel differently [no!], but then, if so, he can use his own authority to compile the paper. The journals are my decision as to writing and, since I can see both ends of YOUR ROAD, it might behoove you would-be journalistic professors to reconsider your thrust. If you are so great at this job (my job) why is everything in such a confounding mess around your world? Mine is totally orderly, righteous and functional in its own perfection.

With this in mind I will move right along with more on Robert Maxwell, et al:

ONE WORLD CHURCH ORDER

MAXWELL FAMILY DOUBTS REPORT ON HOW HE DIED, PROBES YACHT'S CREW

CHICAGO TRIBUNE, Nov. 7, 1991.

LAS PALMAS, Canary Islands—Robert Maxwell, the British publisher whose body was found in the Atlantic Ocean Tuesday, apparently died before he fell into the sea from his yacht, a Spanish judge in charge of investigating the case said Wednesday.

An autopsy begun Wednesday was to continue Thursday, but private investigators and members of the Maxwell family already have raised strong doubts about the conclusion by Spanish authorities that the publisher suffered a heart attack and fell overboard.

The family has ordered an investigation into the background of the yacht's 13-member crew. Besides the crew, Maxwell was the only passenger, the family said.

"To put it plainly, we need to know whether some-

one tried to do him harm," said a close associate of the Maxwell family. He said that in the mind of Maxwell's sons and business associates, there are many things that arouse suspicion.

According to Campbell Livingstone, the British vice consul in Las Palmas, some of Maxwell's or-

gans will be sent to Seville in mainland Spain and to London for further tests.

Although investigations involving an autopsy can take as much as nine days in Spain, the family has asked for the release of Maxwell's body before the beginning of the weekend. They have said they hope to bury Maxwell Sunday in Jerusalem.

Meanwhile, a former Israeli intelligence officer contended Wednesday that Maxwell laundered millions of dollars from secret weapons sales to Iran, despite an international arms embargo against Tehran.

The arms sales, from East bloc countries between 1984 and 1987, were approved by Israeli Prime Minister Yitzhak Shamir and then Vice President George Bush, Ari Ben-Menashe said in an interview in Sydney, Australia, with Reuters.

A spokesman for Shamir denied the charge, telling reporters in Jerusalem: "It's absolute nonsense."

Ben-Menashe served for more than 10 years in the External Relations Department of the Israeli Defense Force, according to investigative journalist Seymour Hersh.

Hersh used Ben-Menashe as a prime source in his new book, *The Samson Option*.

Hersh says in the book that Maxwell was linked to the Israeli intelligence service, Mossad.

Maxwell was preparing a libel suit against the allegations before his death.

Ben-Menashe said Maxwell was "especially involved in the arms sales from the Eastern Bloc to Iran, which we brokered. There were arms sales from Poland, Yugoslavia, North Korea, Vietnam—the periphery of the Soviet Union because the Soviet Union was selling them to the Iraqis.

"He would get a commission. I mean he was not only doing it for his own love of country."

Ben-Menashe said Maxwell handled the money side of the deals, while he arranged the transfer of weapons.

"We bought hundreds of thousands of percussion [artillery] shells from the East bloc," Ben-Menashe said.

Ben-Menashe said Maxwell's link to the White House was the late Sen. John Tower (R-Texas), a close friend of Bush who had direct access to Shamir. The Israeli intelligence community carried out the deals that were authorized by the United States, he said.

Hersh has said since Maxwell's death that he has more information that he may release.

Speaking to reporters before delivering a lecture Wednesday at the University of Chicago, Hersh said this information was gathered to bolster his case against the anticipated Maxwell libel suit over *The Samson Option*.

Hersh would not describe the information, but later during a question-and-answer portion of his lecture, Hersh said of Maxwell:

"There's bad stuff there. Stuff he's done on behalf

of Israel that couldn't withstand public scrutiny."

He said the information would "simply be more kicking" and "bloody him up", adding that in light of Maxwell's death, "I'm thinking about bagging it."

I suggest we now change our focus to other involved parties who help decide the fate and "One World" strategies spinning out of Israeli connections.

[RESUME QUOTING:]

TOP SPOOK PATRON OF ALLY

Spotlight Feb. 1, 1993, Warren Hough:

President Clinton's pick for CIA director has brought delight to Israel and its supporters in the United States.

NEW YORK—The choice of R. James Woolsey Jr. as the nation's new spymaster is the Clinton team's "private signal" to reassure Israel it will not lose any of the backroom influence or political clout gained during the Reagan-Bush years, highly placed UN observers say.

Woolsey, a former Rhodes scholar and Yale law graduate who served as one of Henry Kissinger's national security aides in the 1970-72 Nixon White House, is slated to become director of central intelligence—that is, head of the CIA and coordinator of the national security bureaucracy—in the incoming Democratic administration.

Senior Middle Eastern diplomats, who have long regarded Woolsey as an asset of the Mossad, Israel's secret service, made no attempt to hide their surprise and concern over his nomination for such a sensitive and strategic post.

But younger UN policy analysts dismissed such reservations as old fashioned.

"Woolsey represents a new generation of national security managers who, far from hiding their links to Israel, use them to further their careers," said Dr. Waldemar Iten, a Swiss public affairs aide at the world forum's headquarters.

In fact, Woolsey is the first "belt-way insider" to take charge of the CIA after making "big money" in Washington as a registered foreign agent—serving the notoriously corrupt governments of Guatemala and Venezuela, among others—these sources noted.

INNER CIRCLE

The new CIA chief joined the inner circle of Washington dual loyalists while working with Richard Perle and Stephen Bryen as a Senate staffer in the early 1970s, sources said.

In 1973 the Center for Strategic and International Studies (CSIS), a secretive Washington think tank where leading Israeli strategists such as Edward Luttwak, Michael Ledeen and Walter Laqueur set the agenda, offered Woolsey a fellowship.

Although Woolsey's current official biography has been "sanitized" to omit all references to his CSIS connection, sources familiar with the period say it was a "formative" relationship.

"At CSIS, Woolsey participated in a program of secret war games designed to rehearse joint U.S.-Israeli armed action against various Islamic nations," said a gulf defense expert known for his pro-U.S. views. "These exercises provided the conceptual framework for the military adventures of the Reagan and Bush regimes: the 'strikes' against Libya and Iran, the barbaric bombing of Iraq and so forth."

Woolsey also served on the board of the Jewish Institute for National Security Affairs, a pro-Israeli think tank cum advocacy group whose sole purpose was to deepen the "strategic relationship" between the United States and Israel, with all of the benefits flowing

to Israel.

After Woolsey joined the dual loyalist network that came to dominate the Washington national security bureaucracy in the late 1970s and early 1980s, his career soared. He served as under secretary of the Navy during the final stage of the Carter Administration, then turned to making what one source called "his first millions" as a well-connected lawyer-lobbyist.

When the Iran-Contra scandal erupted in 1986, Woolsey was retained as the chief legal counsel of Michael Ledeen, a former CSIS policy strategist who had emerged as one of several Israeli links in that conspiracy. It is, in part, evidence of Woolsey's rise as a Washington deal-maker that Ledeen got off scot free in the affair, these sources say.

"Woolsey served the Mossad well there, that's certain," said a congressional investigator. "Is he equally well qualified to serve as the keeper of America's secrets? All we know for now is that the Clinton transition team seems to think so."

[RESUME QUOTING:]

MEDIA BLANKET MALEDICTIONS MANIPULATE PUBLIC OPINION

August 23, 1993

Now and then you read something in the morning paper that really wakes you up. If you're feeling groggy today, try this sentence:

"All Islamic fundamentalists are potential terrorists."

That sentence, italics and all, is from a column by Eric Breindel of the *New York Post*, a charming man personally but a raging Zionist in print. He derides "the guardians of Political Correctness" who would forbid such generalizations about all members of a given religious group: "Any effort to address the problem [of terrorism] requires recognizing this decidedly un-PC reality."

TO INFLAME AMERICAN OPINION

Like many partisans of Israel, Mr. Breindel frequently tries to inflame American opinion against Arabs and Moslems, and he often favors U.S. military action against Arab and Moslem countries. But I think he would resent the kind of sweeping statement he makes if, say, it were rephrased thus: "All American Jews who support Israel are potential traitors."

Are these two statements true? Well, yes, in the sense that it would be true to say: "All Methodists are potential murderers." When you put the word "potential" into a sentence, you approach tautology. "All Turks are potential chess players." "All Swedes are potential Swedenborgians." You can play this game forever. [H: Note the presentation which so well shows the tactics of the Zionists in action.]

FILL IN THE BLANKS

But when you fill in the blanks with the name of one ethnic or religious [H: Yes indeed, Zionism is a religion!] group together with a crime, the tautology isn't a game anymore. It may be literally true all Methodists are potential murderers, because all human beings are potential murderers. But to single out the Methodists for mention is to imply Methodists are especially suspect.

Many of the world's 750 million Moslems might

be described as fundamentalists. But very few of them commit crimes, let alone terrorist acts. Mr. Breindel is encouraging hysteria. [H: And at the least, HATE.]

While he mocks the Politically Correct, Mr. Breindel is an enforcer of what might be called the Semantically Correct. Three years ago he was one of many who accused Pat Buchanan of "anti-Semitism" for observing that Israel's "Amen Corner" in this country was "beating the drums" for war with Iraq. That observation was obviously true—which is exactly why Mr. Buchanan was charged with anti-Semitism rather than, say, lying. He was recognizing, so to speak, a decidedly Semantically Incorrect reality.

Contrary to his detractors' claims, Mr. Buchanan wasn't even talking about "all" Jews. He was talking about the *Zionist apparat* in this country, which includes many non-Jews; a notable example being our former UN ambassador, Jeane Kirkpatrick, who, when our interests clash with Israel's, "always blames America First" (to borrow her own phrase about the Democrats in 1984).

On the other hand, many Jews have nothing to do with the Amen Corner, and some are Semantically Incorrect—not because they are hostile to their fellow Jews, but because they reject Zionism.

SQUELCHING DEBATE

When it comes to SQUELCHING open debate and punishing dissent, the notorious guardians of the Politically Correct have nothing on the guardians of the Semantically Correct. That is why you hear so little public criticism of Israel. On no other topic do so many journalists talk one way in private and another way in public—or simply keep a prudent public silence.

On most topics you can speak your mind without risking a campaign to damage or wreck your career. But criticize Israel—point out its laws restricting the rights of Christians, or its record of betraying this contry—and your employers and editors start getting calls for your head.

TERROR SPREAD

The Politically Correct prevails on certain college campuses. But the Semantically Correct prevails in the news media. I don't want to exaggerate the terror it spreads; the *Zionist apparat* is not so powerful that nobody ever takes the risk of piping up. But there is a certain risk, just enough to keep journalists wary and guarded in what they say about "our only reliable ally in the Middle East".

The essence of charges of political heresy, as opposed to mere error, is that a heresy isn't necessarily an error. It is a view that offends important interests. If it happens to be true, that only makes it worse, and more necessary to suppress and punish.

In these matters, truth is no defense. It can be the worst offense of all.

[H: Please go back and read those last two paragraphs AGAIN.]

[SUSPEND QUOTING]

The next is so ONGOING as to be noted that you don't even know how the investigations are coming, what happened to files in question, who is on the listings (we are!) and what in the world are the FBI, POLICE and the ADL (Anti-Defamation League) doing in cahoots anyway? *SPOTLIGHT* has an ongoing battle with the ADL. These little British-Israeli B'nai B'rith "aliens" have done about everything they can to pull down people associated with *Spotlight*. It will be one of the saddest days in American History if you allow such a thing to happen.

[RESUME QUOTING:]

FBI RAIDS ADL

The FBI and local police raided ADL offices on the West Coast in search of stolen classified police files. What they found is creating a sensation out West but is not being reported elsewhere in the country.

Spotlight, Feb. 8, 1993:

Offices of the Anti-Defamation League of B'nai B'rith (ADL) in San Francisco and Los Angeles were raided by police and FBI on December 10 and were found to contain illegally obtained classified police intelligence files on Arab-American groups and others suspected of being opposed to U.S. support of Israel.

The ADL, an illegally unregistered agent for a foreign government, bought the information from a San Francisco police inspector, Tom Gerard, who has since fled the country to a remote island in the Philippines, with which the United States has no extradition treaty. Gerard is being investigated by the FBI and the San Francisco Police Department (SFPD) for selling police intelligence data to agents of the Mossad, Israel's secret service.

Gerard had been conducting investigations of Arab-American groups suspected of links to terrorist groups in the Middle East as well as other presumed "enemies" of Israel. He culled information from national law enforcement data banks as well as through conducting his own surveillance and investigations.

Gerard, 50, is a veteran police officer who interrupted his law enforcement career in the mid-1980s to work for the CIA as a bomb expert in El Salvador. Upon his return in 1985 he joined an SFPD intelligence unit that has since been disbanded.

SUSPICION AROUSED

His commanding officer, Capt. John Willet, began to suspect he was selling information to the MOSSAD. Willet tipped off the FBI and began his own investigation. Gerard then fled to the Philippines and informed the SFPD by mail that he had "retired".

The district attorney obtained search warrants for Gerard's abandoned houseboat and ADL offices in San Francisco and Los Angeles.

During the investigation, it was revealed one of Gerard's sources was a paid informant of the ADL known as Roy Bullock. Bullock has for years spent time circulating among Arab-American groups and others critical of the close U.S. relationship with Israel, gathering information and relaying it to the ADL, which passed it along to the Mossad.

ANOTHER ISRAELI HERO

Gerard's case is big news in Israel, where it is receiving front-page treatment. Gerard is regarded as a "hero", much as U.S. naval intelligence officer Jonathan Jay Pollard, currently serving a life sentence in federal prison for espionage, was accorded that status for stealing American defense secrets and selling them to the Mossad.

According to *Haaretz*, a prominent Israeli daily newspaper, Israeli Prime Minister Yitzhak Rabin declared: "This [Gerard] is a hero and he's been going after these people, and is a patriot who wants to save lives."

Gerard had traveled to Israel in 1991 on an ADL-sponsored "law enforcement mission", an all-expenses-paid trip in which Gerard was introduced to Israeli police and intelligence officials. Gerard told a friend that while he was there he helped in the airlift of Ethiopian Jews from Addis Ababa to Israel.

"We want the ADL to come clean," said Christine Botah of the Arab-American Democratic Club of San Francisco. "What is an organization that is supposed to be advocating human rights doing collecting information on another group?"

Although details of the story are making front-page headlines in California papers and in Israel, it is not being reported in the Midwest or on the East Coast.

[SUSPEND QUOTING]

So, with the above in mind I think you need the input of facts and some personal comments by the Editor of *Spotlight* which will shed some more light onto operations of the Israeli Intelligence agency (Mossad) and, even if you don't realize it the Mossad is fully entangled with the U.S. CIA, FBI, British Intelligence and the Soviet KGB. This means that the ADL is nothing but a spoke in the wheel of these INTELLIGENCE OPERATIONS.

[RESUME QUOTING:]

Just saying a thing doesn't make it so. You need proof to back up what you're saying, particularly if people don't want to believe it. We've been saying for years that the Anti-Defamation League of B'nai B'rith (ADL) is an unregistered agent of a foreign government—Israel—operating illegally in the United States in violation of the Foreign Agents Registration Act. And we've offered plenty of proof, but our warnings have gone unheeded, and the ADL has been allowed to continue its subversion and illegal activities because the politicians are SO FEARFUL OF THE ISRAEL LOBBY.

But now, as you can see in our lead story on page 1 (above), the FBI has raided the ADL's offices in California and discovered stolen, classified police intelligence files in the group's computers and file cabinets. The surprise to us is that so many people are surprised. The Israelis themselves are not; they're already proclaiming the San Francisco police inspector who stole the data and relayed it to the Mossad and the ADL a "hero". We're not surprised, because we've been documenting the ADL's illegal activities for years. But the Establishment media—those outlets that have chosen to report it, at least—certainly appear to be startled.

No, saying a thing doesn't make it so. So we offered hard evidence, proof that has never been challenged or successfully denied.

[SUSPEND QUOTING]

Is it yet becoming clear to you who are the Zionists? They are a CONVENIENT grouping of those who you think to be "Jewish" Hebrews. No, there are as many non-Jewish, and perhaps far more, persons involved in Zionism than are the Hebrew *Torah* followers. Zionism also fits into the Zion element called the Mormon Church. These are basically people drawn from the masses to bring the Elite into One World Order CONTROL. Israel is ZIONIST. It is NOT a "Jewish Homeland" and the most surprised "Jewish people" were the ones who went there thinking it to be home. NO, and moreover, the U.S. is NOW considered the "Zionist Homeland of the Jews". You will note that ongoing CURRENT talks about settling disputes, rearranging lands in the Middle East, etc., ARE TAKING PLACE IN THE UNITED STATES OF AMERICA—NOT THE MIDDLE EAST.

Some of the most dedicated ZIONISTS come directly from your Pentecostal Evangelical CIRCLES and you blink twice and can't figure what they are talking about with their "Judeo-Christian" nonsense. And what do you do? You pour more money for a communications system of international hookup which is currently being established in both the Soviet bloc areas AND ISRAEL. This is right from your TBN religious network. Jerry Falwell shouts to all: "I am a Zionist and proud of it!" So be it, these are the "Jesus" distractors who toss "Christ" around like a hot potato while all the while leaning toward the rebuilding of the

Temple in Jerusalem, the coming Rapture (which isn't) and they are leading you right down the PRIMROSE PATH to total loss of self, soul, freedom and nation.]

We will pull this writing to a close right after we speak of another very important high-level politician, Martin Indyk.

**MARTIN INDYK
NATIONAL SECURITY COUNCIL**

June 7, 1993, *Spotlight*:

[RESUME QUOTING:]

WAR CLOUDS GATHERING

With hardly a mention in the Establishment media, soul, soul, American foreign policy in the Middle East has taken a radical turn toward interventionism and warmongering. A dual-loyalist member of the National Security Council (NSC), Martin Indyk, has seized control of policy for the region and embarked on a course sure to bring about war with Iran and Iraq. That is because he has called for nothing less than their destruction.

What's more, Indyk has been an American himself for only a few months, having been naturalized at the time of the Clinton inauguration. An Australian by birth, he became an ISRAELI CITIZEN in his youth and decided to become an American ONLY WHEN it looked as if he had a good chance of snaring a top policy position with the Clinton Administration.

Before he became a government policymaker, he directed a Washington "think tank" on the Middle East, which was nothing but a COVER FOR THE ISRAEL LOBBY to disseminate propaganda on behalf of that foreign country. In fact, the outfit was spun off from the American Israel Public Affairs Committee, the official Israel lobby. Few Americans have even heard of him, yet he has committed the country to a campaign that will result in WAR in the Middle East. Apparently, the government wants him to remain semianonymous. The White House and the NSC will not even release a picture of him.

...Clinton's policy in the Middle East makes no pretense of fairness or evenhandedness.

It simply declares that Israel WILL HAVE ITS WAY IN THE REGION, and all those who oppose it will be destroyed. This doctrine, that America has an abiding interest in Israel's welfare—indeed, that Israel's interests should be placed ahead of America's—is the source of all that's wrong with U.S. policy in the region and elsewhere on the globe. With the nuclear weapons already in the region, in the hands of Israel, and those on the way in Iran and Iraq, the specter of nuclear holocaust, thought to have disappeared with the collapse of the Soviet Union, has once again reared its fearsome head....

[END OF QUOTING AND END OF PART 6]

I would like to leave you with a thought about "nuclear" ongoing interests. You have had another "test" in the Pacific—you know, one of those that is destroying your Pacific Ocean and pushing the Pacific tectonic plates into major rotation. Things are heating up, readers, and certainly the plan is to kill you one way or another. Those "French" tests are interesting in that France has the very least to do with any of them. The computer runs are hooked up to British Intelligence and U.S. Intelligence at White Sands. The data is moving through your computers before France even has any report or collection. In conjunction with this major thrust against the plate rotations and the magnetic confusion by the pulse grid system (GWEN and HAARP, among others), you are teetering on the brink of major loss of planetary stability. The magnetic pole is in almost constant wobble like a dying top as it tosses and

twitches as it wobbles to a stop. You have all but destroyed the magnetic gyroscopic free-spin.

Politically you are in total disarray and if you think those are natural storms, floods, etc., in Bosnia which are hampering your troops from settling in with toasty toedies before a fireplace—THINK AGAIN. You are meeting far bigger manipulators than are in Washington D.C.

I marvel at your gullible acceptance of any thing and every thing pushed off on you. NOTICE: THE U.N. PULLED OUT AND NATO **COMBAT TROOPS** (YOURS) MOVED INTO THE FRAY. AND, HUNDREDS UPON HUNDREDS OF FULLY-LOADED MILITARY EQUIPMENT NOW IN **COMBAT COL-ORS** are being shifted all over the U.S. What happened to the good old WHITE U.N. "PEACE" training troopers and equipment?

Most of you aren't even taking note that you ARE WITHOUT A GOVERNMENT. Worse yet, the dangerous ones are STILL IN WASHINGTON WAGING WAR AGAINST YOU-THE-PEOPLE.

BY THE WAY, FRIENDS, WHAT ARE YOU HEARING FROM YOUR NEW REPUBLIC IN NEW MEXICO? WE WERE TAKEN OFF THEIR MAILING LIST BECAUSE MR. NEWBY DIDN'T LIKE BEING CHALLENGED ON HIS POSSIBILITIES. SO BE IT. ISN'T THAT THE WAY OF ALL GOVERNMENTS? RAISE A QUESTION AND YOU'RE "OUT"! WELL, NO, MR. JACKSON—I CERTAINLY HAVE NOT FORGOTTEN OUR AGREEMENTS SO IT APPEARS YOU ARE STILL THE ONLY ONE WHO IS NOT PRODUCING. This latter notation is because people still ask me about the *New Republic* and my Mother told me that, if I couldn't say something "nice", to say "nothing at all". Good day.

1/3/96 #2 HATONN

Please let us now turn again to our topic of the Church so that we don't get so far behind in the series and readers aren't able to have continuity.

[QUOTING, PART 7:]

[H: This next segment (article) is interesting in that it is written for *Spotlight* by Naim Giladi. The interesting part is that Naim Giladi, as of July, 1993 was chairman of the World Conference of Jews from Islamic Countries.]

Spotlight, July 19, 1993.

BEHIND 'TERRORISM'

by Naim Giladi

The Establishment media's current scare stories about an "apocalyptic wave of Islamic terrorism", as TIME magazine put it, are nothing new to a first-hand observer of the Middle East.

Although it has involved decades of deception, billions in misspent U.S. taxpayer funds and thousands of victims, the hidden role of the CIA and its longtime ally, the Mossad, Israel's secret service, in setting up and exploiting stage-managed "terrorist" incidents is still unfamiliar to most Americans.

As a Jewish historian and journalist who has studied and lived in both Iraq and Israel, as the organizer of a worldwide alliance of Jews from Islamic nations and now an American citizen, I have been a close observer of this secret war for more than a quarter-century. In fact, I encountered it head on as soon as I became an adult.

The son of a well-to-do, highly regarded Jewish family in Iraq, I was becoming involved in the self-government of our prosperous local community in early 1951 when a series of terrorist attacks shattered our tranquillity. Bomb explosions wrecked the large U.S. Information Service library on Baghdad's busy Rashid Street. Other targets included a leading synagogue where dozens of Passover worshipers were hurt.

Who was responsible for these attacks? Baghdad was flooded with rumors and news stories blaming Moslem "fanatics" for the sudden wave of terrorism. Iraqi Jews, who had lived amicably with their Arab neighbors for centuries, panicked and applied for emigration permits to Israel by the thousands.

MOSSAD BOMBINGS

I eventually moved to Israel myself to become a historian and a journalist. I soon discovered the 1951 terror bombings ascribed to "Islamic extremists"—there were even police arrests among them—were in reality the work of undercover agents from the Mossad.

Years later, having settled in the United States, I became friends with the late Wilbur Crane Eveland, by then a retired senior CIA official. Although I didn't know it at the time, Eveland's first overseas intelligence assignment

had led him to Baghdad in 1951 just after the first bomb explosions.

"There is no question that those incidents of 'Islamic terrorism' were staged by the Mossad," Eveland told me. "It's an Israeli tactic well known almost everywhere except in America, where the press always follows the Israeli line."

In his subsequent autobiography, Eveland explained such covert Israeli terrorism had more than one purpose. It was primarily designed to drive a wedge between Americans and Arabs, to "portray the Iraqis

as anti-American and violence prone."

BRING ASSETS

For another thing, Iraq's Jewish community was wealthy. "They formed the backbone of the merchant class and controlled most of the banks," Eveland reported. The Israeli government wanted them to move to Israel, and bring their assets with them.

"Soon after the bomb explosions set up by the Mossad, Israeli-printed leaflets appeared all over Baghdad urging Jews to seek safety from such violence by fleeing to Israel," Eveland wrote.

Many did. The minstate's leaders had found staged terrorism could produce both political gains and financial profits.

There was, of course, an element of risk in these undercover operations. "The repeated use of such bizarre provocations to turn the Western powers against the Arabs nearly backfired in Egypt, when Israeli involvement was revealed," reported two veteran Israeli journalists, Yossi Melman and Dan Raviv, in a recent book about Israel's clandestine services.

AMERICAN TARGETS

In the summer of 1954, the Mossad launched a wave of terrorist raids in Egypt. But "The bombing targets were not Egyptian military facilities. They were business buildings, movie theaters and American and British institutions. The aim was to provoke American anger against Moslems and against the Arabs," the two investigative newsmen related.

Sent out with incendiary grenades to burn down the U.S. Information Center in Alexandria, Egypt, on June 30, 1954, Philip Nathanson, a U.S.-born Mossad operative, accidentally set his own trousers on fire. Extinguished and questioned by police, he confessed and gave up the outlines of a major Mossad terrorist network in the Middle East.

The ensuing scandal led to an Israeli Cabinet crisis, and to a ministerial directive to use Arab operatives in the Mossad's staged terror operations whenever possible. The decision accelerated another strategic move by Israel's secret service: the penetration and subversion of Islamic movements.

SECRET SUBSIDIES

An opening for the new approach soon appeared in

Naim Giladi is chairman of the World Conference of Jews from Islamic Countries.

Egypt itself, where the pro-Soviet tendencies of President Gamal Abdel Nasser generated militant opposition among the Moslem Brotherhood. With the first multimillion-dollar installments in what became a long succession of secret subsidies from the CIA, the Mossad penetrated the ranks of the Moslem Brotherhood and incited them to violent resistance.

At about the same time, the Mossad's initiative to infiltrate and manipulate Islamic movements was emulated by the CIA in Iran. With what he has himself since described as "several steamer trunks stuffed with cash", CIA agent Kermit Roosevelt arrived in Iran to oust populist Prime Minister Mohammed Mossadegh, who had nationalized his country's oil production.

It was an uneven struggle. Using the Mossad's tactics and the U.S. taxpayers' money, Roosevelt penetrated and corrupted some of Iran's fundamentalist Shiite factions. In a wave of sabotage, bomb explosions and violent street demonstrations attributed by the press to "Moslem radicals", Mossadegh was overthrown and the shah installed on his Peacock Throne. What followed was a quarter-century of exploitation, graft, bank scams and Mossad-style repression that led directly to Iran's 1979 fundamentalist revolution.

RIVAL FACTION

But the CIA and the Mossad kept on expanding their infiltration and manipulation of Islamic movements. In their secret war against the Palestine Liberation Organization (PLO), Israeli agents funnelled weapons and encouragement to a rival faction known as Hamas, whose strict Moslem militancy was opposed to the PLO's secular doctrines.

Now that the fighters of Hamas have entered a phase of armed resistance to the Israeli occupation of the West Bank and Gaza Strip, they are being denounced as typical "Arab terrorists". While they may be of Arab nationality, these activists have been armed, financed and pushed to militant action by the Mossad.

The same sort of hidden manipulation of alien secret service agents was behind the wave of 1980s kidnappings in Lebanon, I have discovered. It was an exceptionally painful terrorist interlude the mass media have blamed insistently—and erroneously—wholly on Islamic "nationalists" and "extremists".

[SUSPEND QUOTING]

You might well be reminded here that in several instances that YOU KNOW ABOUT there was full Mossad and British involvement. At Ruby Ridge in Idaho, Waco AND especially in Jonestown. In both the Jonestown and Waco incidents—the head honchos in the form of "Jim Jones" and "Koresh" were flown out of the country and taken directly to places near and then directly to, Tel Aviv, Israel. Koresh was SEEN being boarded on a black helicopter at the rear of the building at the compound.

Let us now look at how you help your special Ally. You may not have anything good to offer your own citizens but never do you fail to give away aid and cover the ass of your special Ally.

YOU FUND NUCLEAR OUTLAW

U.S. HELPED ALLY DEFY A-POWER BAN
by James Harrer

Spotlight, Nov. 13, 1990:

For a quarter-century, successive U.S. administrations have urged and fostered control of atomic weapons, while secretly helping Israel become the world's largest outlaw nuclear power. That is the assertion of a UN report compiled under the direction of Prof. C.D.M. Black, the noted Canadian high energy

physicist. These covert actions, undertaken jointly with the Mossad, Israel's secret service, have now wrecked "the civilized world's hopes for a measure of security against such doomsday armaments", Writes Dr. Black in the report's preface.

The confidential UN paper and other related documents were made available to *The SPOTLIGHT's* diplomatic correspondent by Middle Eastern diplomats at the international organization's *New York* headquarters.

These veteran foreign service officials and other Islamic delegates at the world forum were shocked to learn in late October that Israel had successfully tested a medium-range missile. Known as the Jericho 2B missile, this ballistic projectile, with an estimated range of over 1,200 miles, can "wipe any Middle Eastern capital and most European cities off the face of the Earth with a single blow", according to a senior air force officer attached to the military staff of a UN delegation from a major Persian Gulf nation.

"Although they don't know it, American taxpayers financed this missile," explained this senior military analyst. "In 1986-87, Israel received more than \$100 million from the United States, ostensibly to develop a purely 'defensive' anti-missile technology. In reality, Israel used the money to design and build one of the most apocalyptic attack weapons in the world's armory.

"The Washington national security bureaucrats knew what was going on, but no one protested; the Israel lobby is too powerful."

It is generally accepted that Israel has long possessed nuclear bombs, but its missile delivery system was not developed until recently.

Beyond wasting its public funds, the U.S. nullified some of the most hard-fought achievements of its own diplomacy when it conspired with Israel, these delegates asserted.

Under the 1978 Nuclear Non-Proliferation Act, a major piece of legislation targeted by Congress against precisely the kind of violations perpetrated by Israel, it is illegal to recommend or extend U.S. aid to any nation that violated the 1970 Non-Proliferation Treaty or any of the subsequent accords designed to control atomic arsenals.

"It is an example of our perversely submissive relationship with Israel that this law, which would make dozens of dual-loyalist bureaucrats subject to criminal indictments if properly enforced, was never applied to Israel," noted Dr. Clarissa Bonnard, a physicist specializing in arms control studies at Princeton University.

Under the pressure of Israel's influential Washington lobby, "Two generations of national security officials have become implicated in illegal covert conspiracies designed to provide Israel with the tools, the technology and the raw materials necessary to build a doomsday bomb," charged Dr. Bonnard.

UN diplomats, who agreed with her assessment, were incensed to learn in late October that the government of South Africa had also participated in the clandestine efforts to "nuclearize" Israel.

In return for missile technology and guidance in building an atomic device, South Africa has reportedly provided Israel with what one U.S. intelligence analyst called "a plentiful supply of the enriched uranium needed to build nuclear warheads".

South African staffers at UN headquarters, while asking not to be quoted by name, were also indignant about these revelations. "Perhaps we are being set up by the Mossad," commented a military attache, "to serve as a kind of lightning rod or fire wall for Israel if it is singled by worldwide condemnation for its bandit bombs.

"South Africa is beset by grave problems. But they are largely internal, and have more to do with the lack of resolve and stamina shown by recent government than with any external threat against which we could use nuclear missiles. We don't need these anti-human weapons, and I, for one, think we especially don't want them from Israel, the one pariah among UN members."

[SUSPEND QUOTING]

Ah, but there doesn't seem to be an end of the bomb business so let us offer a few more random articles on the subject.

[RESUME QUOTING:]

GENIE OUT OF THE BOTTLE

Thanks to U.S. meddling overseas and favoritism toward Israel, there are a number of small, impoverished nuclear powers spoiling for a fight, and having the means to deliver war-heads to Israel by the hundreds as retribution for Israeli treatment of their co-religionists.

Spotlight, Dec. 30, 1991, Lawrence Wilmot and Martin Mann.

The republic of Kazakhstan, viewed as a leader among the five Central Asian nations emerging from the breakup of the Soviet Union, has made a secret appeal for aid to major Moslem nations, promising in return to regard its large stockpile of nuclear weapons as "Islamic bombs".

Intelligence reports of these surreptitious moves have sent the White House into a "panic huddle" and Secretary of State James Baker on a hurried visit to Central Asia.

There are tactical atomic weapons sites in four of the five Central Asian republics—Uzbekistan, Kazakhstan, Turkmenistan, Tadjikistan and Kirghizia—that have become independent countries with the disintegration of the Soviet central government. In addition, there are reportedly more than 100 underground silos in Kazakhstan housing giant inter-

continental ballistic missiles targeted at the United States.

An alliance between some—or all—of these former Soviet republics, whose total population of nearly 50 million is largely Moslem, and the leading nations of Islam would "provide a strategic counterforce to dwarf Israel's vaunted atomic arsenal", says Dr. Vanessa Hughessen, a nuclear physicist specializing in arms control at Princeton University.

The vast world of Islam would regard such a development as "nothing less than historic justice", added Dr. Hughessen. "For decades, the

United States has urged nuclear control in public, while behind the scenes it connived at the secret buildup of Israel's outlaw atomic armaments. It was a lesson to the Moslems to provide their own defenses."

HISTORIC NECESSITY

Moreover, an economic and military alliance between the Central Asian republics and the nations of Islam may also prove a historic necessity, says Nancy Libin, professor of Soviet affairs at Carnegie Mellon University.

"Economically, these lands are born to independent statehood in a devastated condition," explained Dr. Lubin. "Unemployment is soaring. Factories are closing everywhere. Infant mortality has shot up by a startling 50 percent in recent years."

Islam could "become a very potent banner" for these people, especially with the rapid expansion of ties with Iran on the southern border, warned Prof. Lubin.

Beyond Iran, Kazakhstan's President Nursultan Nazarbayev has made a broad appeal for aid and cooperation to a number of Moslem governments. He has requested financial support from oil-rich Persian Gulf countries as well as technical and military assistance from large nations such as Egypt and Pakistan.

"This genie is out of the bottle," commented a long-serving Arab ambassador at UN headquarters, asking not to be quoted by name. "My government's policy is moderate and largely pro-American. But I am sure we will not ignore the call of our Moslem brethren in Central Asia, nor their offer of a shared atomic arsenal. If this is a crisis, the United States has only itself to blame."

There is no doubt the Bush administration regards the growing unity between Central Asia's Moslems and the larger community of Islam as a "very serious crisis", White House sources say.

JUMP START

In a flying tour of Central Asia, Baker reportedly promised Kazakhstan and its neighbors "substantially increased American aid" if they halt their back-room talks with Middle Eastern governments, these sources have confirmed.

But the only concession Baker managed to obtain from these newly independent republics was a pledge to comply with strategic arms limitation treaties signed earlier by the Gorbachev regime.

"What this means is that if American taxpayers pony up a few extra billions—maybe not quite so few—

to jump-start these severed Asian economies, they will in turn disarm some of the largest strategic missiles and destroy the intercontinental targeting instrumentation of others so they cannot be fired at the United States."

But there was no commitment from Kazakhstan or its brethren to give up their nuclear arsenals, or to place them under the central command of the newly emerging "Commonwealth of Independent States."

"The world's nuclear balance is shifting dramatically," warned Dr. Hughessen. "Israel must now reckon with the one threat it dreads—an Islamic world whose last-ditch resources include nuclear weapons larger and more numerous than the minstate's own stockpile."

SOVIET MINI-NUKES LOOSE?

Possibilities Worry the West.

Spotlight, Sept. 23, 1991, Mike Blair:

The administration of President George Bush and other Western governments are voicing concern about the status of Soviet nuclear bombs and missiles as the USSR continues to disintegrate. But meanwhile knowledgeable U.S. military experts are quietly expressing concern about the possibility of renegade or fanatical Soviet troops using small, portable nuclear weapons in terrorist-type acts of blackmail or destruction.

Former U.S. Army Special Forces officers have said that they are deeply concerned about die-hard Communist troops stealing and using the small nuclear munitions to commit terrorist acts.

The portable nukes, officially referred to as Special Atomic Demolition Munitions (SADM), are miniature versions of nuclear bombs, with an explosive yield ranging from 100 tons of TNT to one kiloton. The devices were designed to wipe out enemy installations, such as missile sites, factories, dams, etc., but are capable of destroying a vast section of a major city.

EASILY SMUGGLED

One former Special Forces officer who was trained in the use of the SADM devices said that the weapons could easily be smuggled into the United States across either the Canadian or Mexican borders, or even aboard a ship.

He expressed particular concern about Soviet Spetsnaz (Spetsialnoye Nazhacheniye), meaning special purpose, troops, which are the equivalent of U.S.

Special Forces, because, like Special Forces, they are highly trained and their training includes the use of the SADM devices.

Little is known about Soviet SADM weapons, although Viktor Suvorov (the pseudonym of a ranking Soviet Red Army officer who defected to the West and currently lives in Britain) says the Soviets have "small portable nuclear charges with a TNT equivalent of anything from 800 to 2,000 tons".

It is reasonable to expect, the retired Special Forces officer said, that the Soviet devices are similar to U.S. SADMs, which can be carried backpack style by a single man.

Although the U.S. military has been particularly secretive about its SADM devices, it is known that the Army has deployed two versions of the weapons since 1964, the M-129 and M-159. Each weighs only 163 pounds and measures two feet, 10 inches in length.

HUNDREDS PRODUCED

The U.S. Army is known to have at least 308 of the devices, 93 of which were at one time deployed with Special Forces units in Europe, and the remainder stored in the United States.

The devices are encased in a container, the lid of which is removed by the operator correctly dialing a coded number into a lock at the top. Inside, a timing device is located and can be set for the device to detonate, allowing the operator time to depart the target area before the detonation occurs.

Spetsnaz troops are fanatical communists, specially selected for their dedication to the Marxist philosophy, and they are trained for infiltrating enemy territory and committing acts of sabotage, terror and assassination in advance of a Red Army attack. [H: They work very closely with Mossad.]

The Soviets have been very careful to keep their nuclear devices out of the hands of troops of other nations, formerly of the so-called Soviet bloc, so it is reasonably certain that the weapons could not fall into the hands of other fanatics or terrorists. [H: Sorry, THIS IS NOT TRUE.]

Spetsnaz troops have been known to have secretly infiltrated U.S. territory on a number of occasions.

There have been numerous reported sightings of the Soviets along the Alaskan coasts, and on U.S.-owned islands off Alaska. [H: And look how far they've come inland TODAY!]

There have also been reports that they have infiltrated Clark Air Force Base in the Philippines.

They have successfully infiltrated most West European nations, frequently posing as truck drivers.

It is believed they have surveyed and mapped most NATO installations in Europe, having been seen parked near them, taking photographs.

They have been particularly active in West Germany.

I know that you are wondering what all this has to do with Zionists. However, it has so much to do with Zionism that it will curl your cute little eyebrows. I need to offer a note on that topic and then later we will begin to integrate *The Holocaust Dogma of Judaism*. It is all as related as is your head to your neck and YOU are about to lose BOTH.

ZIONIST INFLUENCE THREATENS U.S. SAFETY

Spotlight, Jan. 20, 1992. Paul Grubach.

[H: Why are all the articles seemingly from *Spotlight*? Well, because that paper was the only paper daring enough to hit head-on these topics and they have paid dearly, DEARLY, for doing so. The best we can do "now" is simply pass them along to you because most of you will never have seen the articles and, if so, HAVE FORGOTTEN. Out of sight is out of mind and EVERYONE needs a refresher course in your probable destruction.]

In a direct, literal sense, the "holocaust" doctrine has become a threat to human life. For this reason alone a policy of subjecting it to intense scrutiny is wholly justified. In order to clarify this, consider the following.

The efforts of pro-Zionist members of Congress, Rep. Stephen Solarz (D-N.Y.), were crucial in getting America involved in the Persian Gulf War. He was a co-sponsor of the bipartisan resolution authorizing the use of military force in the gulf. Concerning his motivations and "justifications" for his hawkish behavior, Solarz made the following admissions.

In a speech at Georgetown University in Washington on January 17, 1991, one day after the U.S. air strikes began against Iraqi targets [H: And KNOW, in case you have forgotten, U.S. planes flown by Israeli pilots WERE THE FIRST TO BOMB IRAQ.], Solarz said, "Enough Jews have been gassed in our century. For that reason alone, our [military] strike last night [against Iraq] was justified."

Then in May, at the 85th annual dinner of the American Jewish Committee, Solarz again admitted the "overwhelming thought of the 6 million Jews killed in the holocaust" was the ideological driving force behind his pro-war activism.

If we Americans are going to send our soldiers off to die on foreign soil, then we have the moral duty to publicly scrutinize all of those doctrines which are used to promote and "justify" such actions. The reader should ask, "What if the 'holocaust' is a hoax?" [H: And we know that it is exactly that!]

WHY DIE FOR A LIE?

If so, a false doctrine, a myth, a lie, is being used to promote and justify pro-war policies which culminate in death and suffering for thousands of people—an intolerable situation indeed. And even if the "holocaust" doctrine is true, why should Americans have to shed their blood to gain revenge for Israel? Let the Israelis tend to their own problems.

SHOCKING TESTIMONY

But there is even a more outrageous example of how the "holocaust" doctrine is a threat to all life on Earth. A book published in 1989, *Testimony: Contemporary Writers Make the Holocaust Personal*, is a landmark volume in which contemporary Jewish novelists, essayists and poets tell how the "holocaust" doctrine has shaped their lives and thinking. The testimony of award-winning writer Jane De Lynn is quite shocking:

"Although in general I believe in nuclear disarmament I am glad Israel has the atomic bomb, and the continued existence of Israel is the only cause for which I consider it justifiable to use nuclear weapons. Let me put this in the starkest and ugliest light: I am not sure, but I believe, that if the choice were between the survival of Israel and that of the remaining 4 or 6 billion peoples of the world, I would choose the 4 million [Jews] in Israel."

Get the picture? Because "6 million Jewish lives were lost in the holocaust", nuclear destruction of the non-Jewish world is preferable and justifiable in order to save Israel. [H: Wow! And now even the people who estimated over 4 million killed at Auschwitz admit there couldn't have been more than 1.2 million at the most by their own accounting and that of the records.]

The reader should keep in mind that Miss De Lynn is not some insane derelict everybody ignores. She is a prominent writer who commands a respectful hearing in both Jewish and "gentile" communities. How many other Zionists in powerful places have beliefs similar to hers? The sheer danger of such thinking should be intuitively obvious.

The only way to expose and refute such thinking is

by education and public debate.

Historical revisionism. Now, more than ever.

[END OF QUOTING AND END OF PART 7]

Ah, but it is now considered a HATE CRIME to even suggest such confrontation and questions and in many countries it already is absolutely against the law to even mention the question of errors in the Holocaust orthodox lies.

Solarz may not be in Congress today—but I promise you, readers, he is still just as BUSY where he can

do more damage!

THE HOLOCAUST DOGMA IS THE KEYSTONE OF THE NEW WORLD ORDER! IT IS ALSO THE VERY BASIS OF THE NEW WORLD CHURCH ORDER!!

Yes, I do realize that this is sordid material and doesn't make your day too happy and gleeful. There is something unfortunate about papers, however, even those that print such revealing information—they are put aside and usually never again given reference. It is wondrous when someone will dig out information to RE-OFFER for your input so that you can actually REVIEW and check out how much has happened since the original publication.

You may well think the Bosnian thing is not attached to Israel or anything related to this information. NO, YOU ARE WRONG; IT IS SIMPLY A DISTRACTION TO KEEP YOU FROM NOTING WHAT ELSE IS TAKING PLACE—EVERYWHERE ELSE. The major players in Bosnia are Communist Serbs—and who are "the Communists"? Sure enough! And, for your information, those cute little portable nuclear bombs are also called ISRAELI BRIEFCASE BOMBS!

May you rest in peace instead of pieces. Salu and good evening. Thank you for a long day, scribe.

1/5/96 #1 HATONN

MOVING ALONG

The best way to handle both topic and time restraints is to simply move along with the topic of Church as integrated within the One World Order of Zionism and the Dogma of the Holocaust. We have experienced another week of very expensive lessons at the hands of the court system out of control where even the Judge threw up his hands, reprimanded both sides, and said that all being accomplished was "to take your client's fees"! Well, that was not aimed at only our attorney. Although being quite new to this case, he certainly does expect pay at \$275 an hour. All the work of the past month was tossed out without reading [by the Judge] and "compel" to answer interrogatories and reveal information, while an \$800 sanction was handed down. The OBVIOUS thing now becomes that no Earth human can get justice, a fair go at anything, and even the lawyers spout that off like some kind of a badge of their own honor. No reference is longer made to the point of the trial. Absolutely no mention is made of the case in point or the persons involved. The opposition now demands, and orders are, to reveal all information on every corporation in which Ekker signed as "agent" for the past unlimited number of years to present. No, that will not happen, friends. Nevada laws defend YOUR right to privacy. This [attorney] Mr. Horn (a suitable name for the beast's protuberances, both large and very small) is working directly and closely with George Green, Horton and Abbott and everything said or used in one case is poured directly into all other cases. Fine, that leaves open season to do the same unto them.

I am continually amazed at what takes place and what the Club of the Bar allows without seeming to do more than "cover". There is now a George Abbott motion to place the Institute into receivership on the basis of an affidavit of one Ann Beam, who has NOTHING to do with anything, has no involvement other than once stating she was George Green's "agent" and writing a letter to Gerry Spence ABOUT THE WRONG CASE IN POINT and catching Abbott in the lie of his century. She is Mr. Fort's lover and before coming here played with the witches of Arizona. Abbott has outrightly STOLEN over \$40,000 of Leon's money and STILL they fall for the garbage he offers—EVEN AFTER VERIFYING HIS BEING DIS-

CIPLINED IN THE PAST FROM HIS OWN STATE BAR ASSOCIATION! Well, it is over, we turned the "other cheek" until we were simply spinning tops, so—we no longer have anything else to turn. People are going to stand responsible for their own actions, and consequences will be of their own doing. It would appear to me that instead of pursuing suits against people who have nothing to do with Leon's actions they might consider suing Leon and get to the heart of the matter. Abbott claims that the Institute took from his 90-year-old Mother and puts this into Supreme Court documents. Nobody took ANYTHING, NOT ONE CENT OR COOKIE, FROM ANYONE AT ANY TIME. LEON CAME TO THIS PLACE AFTER MEETING GEORGE GREEN, TRAVELED WITH GREEN TO LEARN TO MAKE DOMED BUILDINGS AFTER GREEN STARTED HIS COMPETITION AGAINST THE INSTITUTE—AND DID ALL HIS OWN BUSINESS THROUGH A CORPORATION OF UNKNOWN OWNERSHIP.

I must remind you that YOU are free to make any decisions you wish but, where possible, if you wrong another in doing that, you are going to, here at any rate, face the consequences of those decisions and actions if they are fraudulent against another. We have absolutely no wish to run you or your world but we WILL STAND RESPONSIBLE FOR WHAT WE DO—NOT WHAT DECEIVERS AND THIEVES MANAGE TO SECRET AWAY WHILE HOLDING RESPONSIBLE POSITIONS. These are simply LIVING EXAMPLES of the troubles upon your place and now eating away at the very fiber of your nation and souls.

A few atomic bombs may well destroy a lot of people and even some of those destroyed are going to be unmissed in ongoing history—but the destruction is nothing compared to the slow and cancerous diseases of the corrupted judicial systems which enforce the crime's assurance of being OK under the guise of *Kol Nidre* and payoffs while truth is buried forever if at all possible. This is a slow and insipid death, friends, wherein if entangled in the system you are not allowed freedom until every cent and piece of property you ever thought to own is confiscated through the manipulations of these "horns" of Satan. If the shoe doesn't fit, then don't wear it, but to me to win a case on simple outdeviating your opponent by cheating is not WINNING—it is LOSING of the worst kind and I don't care WHO you are.

I truly don't believe you want ME to start countering the misuse and abuse of goodly people by these Satanic methods—but you might be surprised which of YOUR LAWS we will use for, after all, YOU MAKE THE LAWS—SO YOU SHALL LIVE BY THEM!

So, we will get into these things after we have some meetings regarding same and until then we will continue as rapidly as possible on "the beast" of *Revelation*.

[QUOTING, PART 8:]

AMERICAN DOOMSDAY DECISION

Give Best Ally Means To Destroy the World?

Spotlight, June 4, 1990, By Warren Hough and Lawrence Wilmut.

Caught in a cross-fire between powerful pressure groups and worried national security advisers, the Bush Administration is debating a fateful decision: whether to permit Israel to buy the U.S.-made super-computers it needs to develop doomsday weapons. [H: Here is a good example of after-view for you all know, NOW, that this was exactly what took place.]

Spearheading the drive by alien-lobbyists is the World Zionist Organization (WZO), and its shadowy, foreign-born executive director Jacques Torczyner. Their aim is to obtain for Israel three giant high-powered computer mainframes designed by the Cray Research Corp.

Their campaign is strongly opposed by key Ameri-

can national security officials, including the Joint Chiefs of Staff, as well as by "most knowledgeable White House science advisers", or so says Dr. Shirley Bowington, an arms control analyst who specializes in thermonuclear physics. [H: Don't buy this trash, readers.]

The export of these supercomputers is tightly controlled by the government and the Pentagon, precisely because of their use in advanced military applications.

It is not necessary to be a scientist to recognize that Israel's growing nuclear arsenal threatens, not just world peace, but ultimately the survival of mankind, UN intelligence observers say.

In 1988, Mordechai Vanunu, a technician employed at Israel's super-secret atom bomb plant near Dimona in the Negev Desert, left his country to deliver an ominous warning to the world.

The Israeli government, having assembled and stockpiled some 200 atomic bombs, had begun work on thermonuclear weapons, Vanunu revealed.

Shortly after his statement was made public, Vanunu was ensnared by agents of the Mossad, Israel's secret police, who kidnaped the outspoken "witness of conscience" to face a secret trial in his homeland for "treason", and a lifetime in prison.

Scientific evidence and intelligence findings both suggest that Vanunu was telling the truth.

BONE-DEEP FEAR

Although many of these knowledgeable experts were reluctant to discuss Israel's outlaw doomsday armaments unless assured of anonymity, they shared a profound concern, what one physicist called "bone-deep fear", over the unstable and bellicose ministrate's growing apocalyptic might.

"A government with 40 to 50 hydrogen bombs can stage a global holocaust," explained Dr. Bowington. "Right now, the only thing that stands between that awesome power and an Israeli grab for it is these supercomputers they badly want but haven't quite managed to get yet."

But the alien lobby that "has been stroking and bullying congressional leaders up and down Capitol Hill", as one Senate staffer put it, got closer to getting its way when, in an unexpected move, the *New York Times* threw its weight behind Israel's supercomputer grab in early May.

In a series of tendentious quotes, the *Times* argued that it was "absurd" to fear that these supercomputers might be used to design nuclear weapons.

Arms control experts and policy analysts interviewed dismissed such arguments as "blatant propaganda".

"The reality is that any supercomputer this small, warlike state acquires will be used to turn out megaweapons," cautioned Dr. Bowington. "All our evidence confirms that."

Israel is already stockpiling outlaw atomic warheads by the hundreds, but it cannot hope to produce hydrogen bombs—that is, fusion weapons—without supercomputers, this expert observer related.

"Fusion devices are a thousand times more powerful than the familiar nuclear bombs that devastated Hiroshima and Nagasaki using the fission process," she explained. "But to unleash this awesome power takes high technology of the most sophisticated kind."

TO DETONATE FUSION WEAPON

To detonate a fusion weapon, a tiny atomic bomb—that is, a fission device—must be exploded by shaped charges inside the hydrogen bomb. This series of explosions, which must be precisely timed in nanoseconds, by triggering devices known as drytrons already stolen from America by Mossad agents, generates a blast that could smash New York City and all its affluent suburbs with a single blow. Or the blast could emit enough neutrons to slaughter the population of Los Angeles.

The original fusion weapons were developed in the United States and in the Soviet Union, not with computers but by means of hundreds of tests. Because such procedures need vast open spaces and are easily de-

tected, Israel cannot follow them. The only alternative is to do the design and engineering electronically, on computer-generated models. That requires a Cray—a high-powered computer mainframe that can perform the same number of calculations in an hour that lesser number-crunchers take months or years to process.

To placate the WZO and its allies last fall the Bush Administration quietly approved the sale of a so-called mini-supercomputer made by the Convex Corp. in Texas to the Technion, Israel's leading "defense" research center. This concession merely whetted the appetite of the alien pressure groups, which intensified their no-holds-barred campaign for the supercomputers.

ISRAEL HAS LONG-RANGE MISSILE

What particularly worries the Joint Chiefs of Staff, Pentagon sources say, is that Israel has recently developed a long-range missile, the Jericho III. With a reported range of over 1,500 miles, it is capable of delivering a devastating nuclear weapon to many sites in Europe, Africa and Asia.

Moreover, intelligence reports that came to light in Berlin late last year after the collapse of East Germany's Communist regime have confirmed persistent rumors that Israel is secretly negotiating for a small fleet of high-powered submarines, to be built in Germany. The U.S. taxpayers will put up the cost from so-called security assistance funds.

"Put together, these developments make up a terrifying threat," warns Prof. Arve Borglid, a Swedish physicist who advises the United Nations on nuclear non-proliferation issues.

"Israel is by far the world's worst nuclear outlaw, the only nation which is known to be building stockpiles of apocalyptic armaments while it scoffs at the treaties and controls adopted by civilized nations to guard against a global holocaust."

In an unusually broad consensus just about every scientist interviewed agreed with this conclusion.

"Under the best of circumstances, Israel is a violent troublemaker and a threat to its region," said Dr. Bowington. "With hydrogen bombs, it will become a menace to all mankind. For once, the White House and Congress must join in a firm stand to prevent this disaster."

[SUSPEND QUOTING]

Well, certainly we now know that not only did the White House and Congress NOT prevent this disaster but paid for the freight and carrying charges to set it up for the Israelis.

Now I, Hatonn, am asked about the security of the U.S. in actual confrontation by bombs and foreign curse. I have but one thing to say: yes, indeed you are at risk. "But wouldn't it seem that there are so many Zionists involved here that to blow up the U.S. would take a whole bunch of themselves OUT?" Yes, but Satanic would-be Kings don't really care much WHO they "take out". However, it should be noted that the places where the most would be taken out by PLAN are those places such as the upcoming concentration camps. "Domestic terrorists", Patriots, etc., would be the first to have massive "natural disaster" or "accidental" incidents. The problem now is that the U.S. is also infiltrated with enemies of the Zionists and when the One World Order HEADS of the Beast go to war against one another—NO PLACE IS SAFE!

All the systems within your government structure, monetary structure, total economic structure, military, et al., are already run by this bunch of thugs. At the moment you HAVE NO GOVERNMENT EXCEPT BY THESE ALIEN (FOREIGN) BANDITOS.

Are we going to war against these beastlets? No way! Little pop-guns against these sophisticated war-mongers are useless. The only way possible to outdo these players is through GOD of TRUTH. I dislike even

ruffling their feathers for, until your own people want freedom and realize truth and morality as a desired goal, what good would plucking their horns accomplish? Remember that the more you pinch the beast the more he will bellow his brimstone breath upon you and prick you with his blood-letters.

Are such as Richard Cheney, Colin Powell, et al., just members out of standing of this Order? No, they are in very GOOD STANDING while the shivs puncture the very heart of freedom and national cause. They simply have a DIFFERENT agenda than do the "supposed" radical elements of World Domination.

ISRAEL UNDERMINING U.S. DEFENSE POSITION

[H: THE WAY TO BEST FOOL THE PEOPLE IS TO ACCUSE, IN FRONT OF EVERYONE, THE VERY ONES ON YOUR OWN TEAM!]

The Bush Administration has been warned that it must find a way to curb Israel's "penetration and plunder" of American defense technology.

In a barrage of protest that resembled "a dam bursting", top military commanders and arms manufacturers have told the White House that the minstate is pirating advanced U.S. combat systems. Israel is reselling them in the international black market, they said.

At the same time, the powerful Israel lobby, led by the World Zionist Organization (WZO) and the American-Israel Public Affairs Committee (AIPAC), uses its clout on Capitol Hill to scuttle badly needed U.S. defense sales to friendly nations, these sources have related.

Addressing the annual convention of AIPAC in Washington on June 12, Secretary of Defense Richard Cheney delivered what Pentagon sources afterward called "a warning shot" at the minstate's power brokers:

"Some people who like to portray themselves as great friends of Israel are also in the forefront of those who want to cut the heart out of the U.S. defense budget," Cheney warned the 1,000 assembled Israel lobbyists, who stared back at him in stony silence.

The defense chief also criticized "interference by outsiders" in the programing of foreign military sales.

Some of the most urgent warnings came from Gen. Colin Powell, Chairman of the Joint Chiefs of Staff,

Editor's note: The photo below, according to the 1/5/96 issue of *The Bakersfield Californian*, is of a "unique cloud formation" over Tehachapi for many hours on 1/3/96. Hmmm.

known as a "discreet administration insider", military sources say.

REDS AMAZED

Powell returned to Washington last month from a conference held in Vienna, Austria between NATO commanders and senior Warsaw Pact representatives. At the meeting Eastern bloc spokesmen, such as Gen. Antonin Slimak, the new chief of the Czech general staff, privately expressed their "amazement" at how Israel is allowed to "exploit" American military assets.

After the Red Chinese government's bloody suppression of freedom demonstrations in Teinanmen Square a year ago, it was banned from obtaining U.S. armaments. But the Red Chinese had NO TROUBLE BUYING UP "THE MOST ADVANCED U.S. DEFENSE ELECTRONICS AND AVIONICS—THEY JUST ORDERED THEM FROM ISRAEL AND PAID DOUBLE ON DELIVERY...."

"...Israel could get its hands on anything in Washington, and it would resell its [pirated U.S.] technology to any government with plenty of ready cash... Howard Teicher had become an Israeli arms salesman. Teicher headed the key military-political directorate in the White House *National Security Council (NSC)* during the Reagan era.

BOSS PROTECTED

Says British defense reporter Derek Shaw: "Although Teicher was Oliver North's BOSS in the NSC while the secret arms deals in Iran and Nicaragua were played out, he was protected by both media and congressional investigators when the scandal broke. The reason: he was considered a SECRET ISRAELI ASSET."

"Now Teicher has assumed the role in public. He is still immune to criticism. No other nation than the United States would put up with such tactics."

...The Israeli infiltration of our military establishment has turned into a malignancy that must be cut out. Otherwise it may prove fatal ...

[END OF QUOTING AND END OF PART 8]

I need to be elsewhere so we will bring this segment to a close, please. We will try to begin to work on the other topics as soon as time permits.

Important Victory Over Legal Octopus

EACH DAY

**"THUS DOES THE WORLD FORGET
THEE, ITS CREATOR,
AND FALLS IN LOVE WITH WHAT
THOU HAS CREATED
INSTEAD OF WITH THEE!"**

St. Augustine

First up this morning I am going to take time to personally bend my knee to the long and loving service of our FRIEND, Dave Overton. Will the courts actually return the gold thieved by George Green unto him? Well, the Supreme Court of Nevada has ruled, finally, that the gold shall be handled according to the lower court ruling of being returned to Dave. Dave, it is a good day, Friend. The Institute attorney did a splendid job and the FACTS SPOKE FOR THEMSELVES. In the "ruling" as set forth, for all you who will read nasty and silly quips from the Associated Press writings scattered about your land by the boot-lackey of George Abbott (Attorney at Lie), let me assure you that it is exactly that—silly nonsense.

Because I don't want to take time here and a thing is best read for self rather than in interpretation by another, I ask that all possible items be simply put to press, AS ARE, in *CONTACT*.

[See cleverly twisted wording of inset article. This was well written.]

Dharma's heart is full this day as gratitude is offered for both a job well-done by Gene Dixon via Brad Elley—both backed by the tireless work of Karen White. I want accolades to go where they belong—to the endless attention of ones who always cared more for Dave than for any piece of gold in the Universe.

Yes, there can be further quarrel that within the hearts of all, here, the victory is one of God's within a system that has NO JUSTICE, NO INTENT OF JUSTICE and SCORNS GOD AT EVERY SPEAKING. George Green, et al., was soundly put down as a LIAR by that high court in oral hearing. Now the papers say in headlines: TEHACHAPI GROUP WILL NOT KEEP GOLD... headed by Doris and E.J. Ekker. B.S.! There is NO GROUP, silly and childish. Brendan Riley, of the A.P. You got your hands swatted for your dirty yellow journalism and now you struggle back in conjunction with other attorneys—now to bring down the Ekker-Ekkers? I think not for

Mr. Horn puts all this garbage into his case about "this house" long ago sold by RTC and now it becomes a case of throw in everything to do with publicity—THANK YOU, THANK YOU, THANK YOU.

The Institute NEVER saw, heard of, nor expected gold from Dave Overton and Green was caught with the loot buried in his backyard. The paper states that he "turned over the gold to the court..." NO, he was ORDERED BY LAW to bring the gold to the court or ELSE...!

There will be a waiting period before final mocking of the courts is finished by Green and Horton, but I would hope that the Nevada courts are sick enough of this trashing to hold. Dave is failing in his nursing home where nothing can be brought to shore up his health. But we have beautiful friends who attend him often in visitation and this will brighten his life immensely. He has continually stated that he "failed God through bad management". No, Dave, you served a nation by bringing focus to the terrible state of affairs of a system and thieves gone berserk. The court ruled that the commodity was intercepted and your gift never handled properly nor terminated according to your GIFT instructions—and therefore, by upholding the lower court ruling, the commodity will be returned to the sender. Of course, realize that it has taken years and floods of tears to accomplish this one act of justice.

There is NO THING too small, readers who feel pain at the expressions of silly nonsense. I hope the

Tehachapi 'space alien' group can't keep gold

CARSON CITY (AP) — The Nevada Supreme Court has refused to cancel a lower court ruling that returned \$400,000 in gold coins to an elderly man who tried to give his life savings to a group claiming ties to a space alien.

The high court ruled Thursday against George Green, who challenged an October 1994 ruling by Douglas District Judge Dave Gamble returning the money to David Overton.

Green, got the coins from Overton for a Tehachapi, Calif., group called the Phoenix Institute for Research and Education Ltd.

Even though Overton gave the coins to Green, the Supreme Court said he wanted them to go to the Phoenix Institute — which prints an anti-government and apocalyptic paper and is headed by a couple claiming to be in contact with an extraterrestrial called Commander Hatonn.

Green, a former officer of the institute, was sued by Eddyjo and Doris Ekker, who head the institute, for allegedly taking the gold coins in 1991 and hiding them.

Lawyers for the Ekkers said Green told Overton to send the coins in packages marked "machine parts" to help "get the word out" about the institute, but the Ekkers didn't learn of the gift until Green had left the Tehachapi area.

Green also filed a counterclaim naming the Phoenix Institute, the Ekkers and even Hatonn, "commander in chief, sector flight command, intergalactic federation fleet."

Green, a former Air Force airman who says he had a top-secret clearance, is a UFO enthusiast who says he too gets messages from aliens. But he said during the civil trial over the coins that the Ekkers were dealing with a "dark energy."

CONTACT runs pictures of OUR SHIPS on the day that ruling came down [See picture on previous page]. It was IMPOSSIBLE to miss the show and even the papers featured front page pictures of truly magnificent ships which "remained stationary for hours in gale force winds". What more do you need, little ones? Let the tweeks chatter and print what they will—they seal their own fate and what have you to lose if you have gained GOD unto your support system? These people will fall of their own doing and at the hands of their own considered allies.

WHAT DO
I MEAN?

Well, let us consider what has just been compelled by the court in Bakersfield regarding the "property" case ongoing because "there was no sale". The point at issue has so long ago been avoided as to be a cartoon characterization and depiction of out-of-control legal farce. However, Ekkers responded to interrogatories demanding an outlay of ownership, participation, etc., in every corporation they ever so much as touched. Well, they only served as pass-through incorporating agents and ownership is not known except for a few at issue and I find that the ones who will now pay the Piper are the ones who have brought damages against the Institute and Ekker-Ekker. If owners are KNOWN they MUST BE TURNED OVER TO THE COURT. Now, how beautiful that the laws of Nevada shelter the people AND THE AGENT FOR THERE ARE NO OWNERS REQUIRED, NO REQUIREMENT FOR STOCK ISSUANCE, AND NO LAW IS TO BE ALLOWED TO FORCE THAT WHICH IS UNKNOWN!

I must tell you, in addition, that all records of all attorneys involved with Ekker-Ekker MUST HAVE ALL RECORDS OF BILLINGS PRESENTED TO THE OPPOSING COUNSEL, MR. HORN. Terrible? I don't think so, FOR EVERY ILL-INTENDED FEE GRAB IS OUTLINED RIGHT THERE FOR MR. HORN TO PICK OVER THE BONES. MR. TIPS IS IN A BLIND FURY FOR WE INSIST THAT IT BE PRESENTED "AS IS" WITHOUT REDACTION OF THOSE PARTS THEY DON'T WANT KNOWN. THE ONLY THING WE, OURSELVES, WILL ALLOW IS REDACTION OF PRIVATE CARD AND PHONE NUMBERS.

This is going to show that, for instance, Ekkers were charged \$150 an hour for backup help from Mr. Mortimer when Mr. Mortimer only received \$40 for his services. This goes on for hundreds of thousands of dollars, so, Dharma should not weep over this turn of events—Child, get your champagne! It is also going to show more recently that even after Tips and others QUIT or were FIRED from the case—they continued to bill outrageously and not only will the court know as much but their dedicated ENEMY will know as much. You are going to find that there is even a percentage paid by Mr. Gross to attorney Tips for gaining the case. It was FULLY INTENDED that over the myriads of billings demanding pay that fully half is going to be deemed unnecessary billing—by the Judges. Mr. Gross and Mr. Tips fully planned to charge \$275 an hour to personally sit and redact all unwanted showings. No thank you! This last show in court which demanded all these things be supplied—will be supplied.

Further, those corporations and parties who had corporations and are suing Ekker-Ekker/Phoenix or whatever silly nonsense abounds—will be revealed in A COURT OF LAW! To this day they have been protected but the Judge has now served notice that if there is lying done by Ekker-Ekker they will be found in "contempt" and "jailed". So, Mr. Fort who has now AGAIN joined with George Abbott—we are sorry but the court is ordering your information known and it will show absolute integrity on the part of both Ekker-Ekker/Phoenix. Further, every name mentioned with unreasonable and erroneous amounts as to corporations sent forth publicly by George Green will be investigated thoroughly. The facts are that they already have

been and, while in association with the Institute, have passed FBI inspection! If Green has publicly listed your name or corporation—BEWARE, THE HOUNDS ARE RUNNING.

There WILL BE NO REVEALING OF PRIVATE INFORMATION otherwise! Before that would happen, the case would be dismissed! Dharma says, "So what? I've been found in contempt because of George Green's own actions, before—so what's the big deal? I don't have anything so bring on the judgements!" After you have been financially destroyed by the liars—there isn't anything else they can do with any "get more" activities. In fact, now one attorney has to go fight his benefactor to get the fees taken when the bank account was stripped at Christmastime. That should be an interesting few days of encounter by Mr. Tips and Mr. Methven. George Green always said they BOTH worked directly for HIM! So be it. He also said Gene Dixon worked with him—unfortunately for George, THAT IS NOT SO. So, good luck Mr. Green, Mr. Dixon is going to WIN THESE CASES AND YOU ARE GOING DOWN TO FACE YOUR MALICIOUS ACTIONS. Indeed, Dharma, the heart will heal as the brain engages truth of what is happening here—at what they think is nasty doings unto you! I suggest, in addition, E.J., that you find a way to cause Mr. Gross to pay the sanction money because it was "they" who did not want this information brought public and Tips depended on Gross to not allow THIS TO HAPPEN!

Now, a word to B.J.—open thine eyes, brother. The rest of your life and invention production will be HELL for you if you continue associations as are now staged. We can perfect your work when you solve these limitation problems. When money is the goal—even the goose who lays the eggs is going to be destroyed in the grasping and clawing to get everything.

I suggest that all of you who have been named by the opposition here, consider actions for until the rats are brought forth from their baseboard hiding places—you will never have a minute free of these distractions.

Mr. Green has made public the business, PRIVATE, of Sharri Yount, Betty Tuten, Leon Fort and Ann Beam, Eleanor Schroepfer and John, Bud Clark, Paul Berger and Dale Sutton, Rod Ence/Enz, Patricia, Father Cleary, Sims, etc., (and they don't have any connections), the Perry family (and they don't have any interests) and on and on and on. He has also made public all assumed dealings WITH ANYONE WHO WORKS WITH THEM OR EVEN REMOTELY IS ATTACHED TO THEM. This also means that even the \$40,000 taken by George Abbott from Leon's holdings will be brought for inspection before the courts of CALIFORNIA! You can directly thank Mr. Tips, George Abbott, George Green and associates for your new association with Mr. Horn. Oh, and by the way, ALL ENCOUNTERS AND ARGUMENTS OVER CASES AND ASSOCIATIONS OF George Green, Desiree Green, America West Publishers, America West Distributors and bankrupt Tehachapi Distributors will be laid bare on the altar of the California Bench. YOU PEOPLE MADE YOUR BED, BLAMED OTHERS FOR YOUR LACK OF GOOD REASONING JUDGMENT—AND NOW YOU HAVE FOISTED OFF ONTO OTHERS YOUR VERY SOUL DIRECTIONS. "EKKEK-EKKEK/PHOENIX" NOW HAS ALL THE SEPARATION NECESSARY BY THE "CUTE" LITTLE INCLUSION OF "EKKEK-EKKEK" TO GO FORTH AND MAKE YOU ACCOUNTABLE FOR YOUR INDISCRETIONS AND DISCREDITING ATTEMPTS. Now, EkkeK-Ekkek, I suggest you "make it so". And then, I may let you have a day off!

Gene, John S. needs paperwork for his protection IMMEDIATELY. Let him file his personal counter-motion against Abbott and crew—I repeat, IMMEDIATELY. He has been patient for so long after actually having those people try to take his life, literally. He is capable of handling himself in court, now, so let him do what he insists upon doing and don't wait longer for he

needs his rightful property and this evil oppression off his back. I believe Mr. Elley will find himself quite busy and well rewarded, especially as motion pictures get under way. HONOR WILL PAY, AFTER ALL IS SAID AND DONE!

Will all this be worth the decade of HELL? Yes, for at some point SOME MODICUM of JUSTICE must be found, at the least for a Dave Overton and a John S.

I'm sorry about those who caused the selling (taking) of gold within banks as collateral—for covering of "calls". We tried everything available to get you people to do your proper "thing" and you denied and refused. It is gone as to collateral and George Green and Abbott just made another plea to the Nevada Courts to place the Institute into Receivership. If that happens, people, you who have worked so diligently to have that very thing happen—will lose it ALL for the Institute itself has ONLY DEBT. George Green has certainly done you beautiful people no service! And Leon, this will absolutely STRIP YOUR ACCOUNT! Your loyalty to George Green and Abbott is indeed expensive for George Green claims YOU as one of "his" "boys"! You have loyalty to these people? Well, Son, THEY have NO LOYALTY to YOU.

Nobody here did any business with your 90-year-old Mother or with YOU, except as through YOUR corporation. So, for Abbott to say that EkkeK-Ekkek took funds from your 90-year-old mother is ludicrous at the least—foolish at best. Do you actually think such garbage methods of foolishness would sell to General Motors? Well, one corporation, large or small, has the SAME PROTECTIONS UNDER THE LAWS!

THIS, readers, is the final major TESTING of the shelter for privacy by Nevada Corporations—and it holds unless YOU choose otherwise with your own corporations. If you can't be willing to learn the LAWS you will fall on your face for you bring the IRS and LAW to your door for investigation, AND RIGHTFULLY SO. In your ego attempts to destroy someone else, you buy into the DRAGON'S fire-pit.

TRUTH IS GOING TO BE BROUGHT FORTH AND MY FAITHFUL WORKERS WILL BE ATTENDED. DO NOT PRE-JUDGE HOW GOD WORKS HIS WONDERS OR HOW LONG IT MAY TAKE—STAND IN TRUTH AND HONOR AND IT SHALL BE SERVED! WE STAND IN FULL RECOGNITION OF THE FACT THAT THOSE WHO HAVE BROUGHT THE LAW AGAINST US AND SET FORTH TO GLEAN ALL THE ASSETS—HAVE NOTHING HERE, FOR YOU HAVE CHOSEN TO REMOVE SELVES AND ASSETS FROM ANY KIND OF OUR SHELTERING SERVICES. IT IS AS TO NOW SPIT AGAINST THE WIND! YOU WHO HAVE SO PUBLICLY STATED OVER AND OVER AND OVER AGAIN, AND THEN REMOVED YOUR ASSETS BY EDICT, FROM THE INSTITUTE—STAND EMPTY AND YOU CAN BOW YOUR KNEES FOR SAME UNTO YOUR GODS ABBOTT, GREEN AND HORTON! GEORGE GREEN WAS YOUR MENTOR, A DIRECTOR IN THE INSTITUTE, AND YOU HAVE LET HIM TRY TO STEAL, MANGLE AND DESTROY YOUR VERY SELVES WHILE YOU AID AND ABET HIM AT ALL COSTS UNDER EVERY CIRCUMSTANCE. BUT ONCE AGAIN, I REPEAT, YOU MAKE YOUR OWN CHOICES! Some of you people are elderly now and I don't know how you can recover from HIM and perhaps that is what you have wished for all along—to finally LOSE instead of see TRUTH.

We fight to the end for one of OUR FRIENDS such as Dave Overton—we certainly will NOT struggle for your gain when you have brought legal actions against us for serving you WELL AND WITH INTEGRITY.

So where does this leave ones such as B.T. and S.Y.? Well, S.Y. just had B.T. pick up all her books and corporation papers from the agent and severed all ties, with abrupt and rude demands of no debate on the matter. I find it hard to believe that otherwise intelligent people so carelessly sever their own noses to get

even with their faces for doing them a favor of holding the nose. I am sure the court and Mr. Horn will be attending you shortly—for your books! YOU then will be wondering what have your books to do with the fact that an auctioneer did NOT HOLD A HOUSE SALE in dreary Bakersfield, California. The answer? It doesn't, but you must have long ago learned that the SYSTEM has no reason or honor longer instilled within its black halls and robes.

I think you will also begin to see what God means when it is said that many come but few are chosen and of those chosen, few remain long enough to be counted among HIS OWN. When "things" enter the picture—they seem to win over most of the people almost all of the time. When attorneys fight with fists over the confiscation of a bank account holding nothing but Social Security checks—it is a sad day and, therefore, you now have a very sad day indeed.

And to you who have been so kind and loving through this seemingly painful time for my scribe, I bow unto you for there is little joy or happiness while these things are battering the very being. However, BEHOLD, for we hold strong and true and the storm only hurts while the whirlwind blows and, yet, there is "peace in the valley" sheltered by HIS HAND. After all, readers, they CRUCIFIED the CHRIST sent to bring this very message of TRUTH. Can you, however, continue to bear losing friends? I can only respond: THEY WERE NEVER YOUR "FRIENDS"!

By the way, CONTACT is described by the Associated Press as an "anti-government, apocalyptic paper". NO, that is not so; we are simply FOR truth in government and we outlay what is already before you! If YOU interpret that as being anti-anything or catastrophic in presentation, so be it, for ONLY THOSE WHO WOULD ATTEND SUCH WARNINGS ARE ALL WE WISH TO REACH—ANYWAY. I HAVE NO WISH TO HAVE THE OTHERS "ABOARD".

But, why do we continue to write about these rather personal or limited subjects and happenings? Because YOU are the ones we promised to keep informed for we did not begin nor continue to have an international sensation rag-sheet—from the beginning. THESE ARE THE THINGS OF IMPORTANCE!

Next, I suggest that you who have considered the possibility of participation in some form of asset protection consider both the Institute and certainly, at your earliest convenience, consider getting in touch with Nevada Corporate Headquarters and find out about Nevada Corporations. Unless YOU choose to divulge your own information, nobody else will. This point has now withstood the hardest investigations and microscopic PROVING. And no, I don't suggest you go to "just any old agent"—GO TO ONE NOW PROVEN FOR INTEGRITY AND, YES, THERE ARE ONLY A COUPLE OR SO—BUT THEY ARE AVAILABLE TO YOU. I CERTAINLY DO NOT SUGGEST YOU GO USE GEORGE GREEN'S, MEGAN'S, AND/OR MARY-ANN'S. Oh indeed, George Green DOES have an incorporation corporation! George Green simply has no moral integrity on any subject or action.

I suppose the Institute will have to re-certify as the "receivership" assaults have been painfully difficult to overcome but it will be done and when it is finished it will be carved in stone instead of the sawdust of evil-doers who TAKE, DECEIVE, SECRET AND STEAL. You who join with those who have brought about these things—you are welcome to your choices for we can do no more than "offer". If you have chosen bad advisors—that be your doing, not else's.

Let us leave this now for we need to move on with our other appointed tasks.

I repeat to you of our friendship circles—that it is indeed a GOOD DAY AND A DAY WHEN JUSTICE BLINKS OPEN AT LEAST ONE TWITTING EYE AN INSTANT IN TRUTH. BLESSINGS REST UPON THE ONES WHO DILIGENTLY WORKED TO MAKE THIS SMALL TOKEN OF JUSTICE POSSIBLE. THANK YOU.
