MORE THAN SNOW IS COMING DOWN IN WASHINGTON

As the "government" goes on a "rest break" in the middle of "no money to run the other part of the government", I wonder how many of you will do more than snicker?

Bob Dole needs to go "campaign", he said, and "they" can't travel while the airports are closed because of the storms and "yak, yakity, yak".

That the "First Lady Billiary Billious" is a consummate liar is now PROVEN and that can only mean that Billy Boy is WORSE than a liar, and every other negative thing you can dream of. We KNOW of some of his escapades with Georgie

"SOVEREIGN CITIZENS" IN THE NEWS FBI SAYS CHECKS MAY BE WORTHLESS

From the January 8 edition of the *ANTELOPE VALLEY EDITION OF THE (Los Angeles) DAILY NEWS*, [quoting:]

LANCASTER—FBI agents are looking into attempts by five Antelope Valley residents [*It's interesting to note that the names of these people are nowhere to be found*] to use checks they claim can be redeemed to the U.S. postmaster to purchase 10 Cadillacs or four motor homes, bail a person out of jail and pay off large debts. The residents are believed to be followers of a Montana-based organization called the Freeman Group, which has been teaching people they can create their own money, FBI officials said. Similar seminars are conducted in the Antelope Valley. "They have declared themselves a sovereign nation and believe that they have the right to create their own financial instruments" [*said Gary Auer, special agent of the FBI*]. Printed by computer, the checks, passed in the Antelope Valley bear the words "Certified Bankers Check" and "Comptroller Warrant". They also are imprinted "Treasurer united States of America—Redeemable at office of Postmaster", with the "u" not capitalized, Auer said. They bear the image of the Statue of Liberty.

According to Auer, the U.S. attorney's staff has no plans to prosecute anyone at this time—because the businesses' losses have been slight or nonexistent—but the FBI will continue to investigate.

Since the buyers were told their checks were not valid and they were not allowed to have the four mobile homes they had picked out, the bank has received several letters telling officials to honor the checks. "They're trying to intimidate us," said Wayne Rosenberger [*President of the First Valley National Bank*]. "They quote all types of codes that I don't even know are real." [*In other words, they could very well BE real and valid. Since, we KNOW that the Federal Reserve System-based instruments are fraudulent, the casual reader could safely surmise that this situation represents a threat—in the form of exposure of the FED'S scam.*]

ORLANDO TRIAL FINDS THREE GUILTY

THE ORLANDO SENTINEL provided extensive—if misleading—coverage of this event on January 5, 6, 7, [quoting:]

Laurent Moore, 50, Jack Warren, 46, and Jack Franz, 51, are accused of threatening government and banking officials from whom they sought \$22.8 million to compensate for the foreclosure of Warren's condominium. Although condo officials said Warren didn't pay some fees, Warren charged the government stole his home. He filed unusual-looking liens [*innuendo*] and threatened [*choice of words paints a picture of violence*] to take county property, such as buses and buildings, to collect.

The defendants contend they shouldn't be on trial because they are "sovereign citizens". Law officers contend they are part of a movement that believes they are exempt from income taxes and government authority. Since the trial began Wednesday in U.S. District Court, the usually stuffy proceedings have taken a twist. At first the men refused even to attend, but on

Thursday they came to court, still rejecting their three court-appointed lawyers. Warren was the only one to question witnesses Thursday, throwing up his hands in frustration at legal "word games" he still hasn't figured out. U.S. District Judge Robert Merhige Jr. nearly kicked Warren out of his own trial for not following rules. Warren is trying to prove that, among other things, the court has no jurisdiction over him. At the heart of his group's beliefs is that the United States went bankrupt in 1933 and everyone became sovereign citizens. Therefore, they contend, citizens are free to choose their own court to hear disputes. The group has created the Constitutional Common Law Court, which has its own rules and is part of the reason the men are on trial.

FBI, IRS, and Florida Department of Law Enforcement agents contend the alternative court indicted public officials and a federal grand jury, talked of treason charges and authorized the arrest of numerous court officers. The paperwork prompted extra security, warnings to workers and their families and concern about possible kidnappings [*more ploys to create the image of people who are violent and irresponsible in the minds of readers*].

Prosecutor Thomas Turner wrapped up his case Friday morning, giving the men on trial their turn to present a defense. They had rejected any help from court-appointed lawyers. Confusion mounted as the men tried to prove their only point: They are sovereign citizens over whom the court has no jurisdiction. Warren put it like this, drawing on an easel in front of the jury: First there was God. God created man. Man created the U.S. Constitution. The Constitution made corporations—fictitious entities with no morals or souls, he added. Then corporations created corporate citizens. Since the United States is a corporation, Warren continued, it assumes everyone is a corporate citizen who must follow the laws that Congress creates. Not so, he declared. He and his friends maintain they are natural citizens—apart from the corporation—who follow only the U.S. Constitution and God's laws. Corporations, he remarked, are money-hungry. So, it's kind of like God's children vs. Satan's children, he said. Follow? The dozens of people who have dropped by court in support of the men say everyone should take this subject very seriously. [*Obviously, the intent here is to demonstrate that you SHOULDN'T.*]

After deliberating three hours, [12 federal court jurors] convicted Jack Warren, Laurent Moore, and Jack Franz of 21 counts of conspiracy, mail fraud and obstruction of justice. They rejected the men's contention that the three are sovereign citizens immune from government jurisdiction and whose only court is the one they created in someone's living room one night. [*Again, this is worded to make these three men appear ridiculous. As Judge Merhige Jr. told the men, "No Constitutional Common Law Court, yackee, yackee. Ridiculous!" I guess that might have influenced the jury just a bit! It's one thing to know and understand these issues—quite another to put them into action in ways that set you up to be discredited and eliminated from the playing field.*] Under sentencing guidelines, the men face punishments ranging from eight to 12 years in prison when sentenced April 19.

AMERICANS ARE WAKING UP TO NWO DECEPTIONS

This Associated Press article was more credible in its portrayal of those who challenge the Establishment. It appeared in the January 7 issue of *THE ORLANDO*

SENTINEL, [quoting:]

PERU, Ill.—The tumblers of lemonade sit untouched as the talk meanders from the Branch Davidians to plots by the Council on Foreign Relations and the real reasons children no longer learn phonetic reading. Linda Patarozzi, low-key and polite, dressed in suburban casual clothes [*no army boots!*], tilts forward in her recliner, voice rising in frustration. "You know, I wish we didn't have to do this," she says to the nods of two other women who have spent the afternoon in the ranch house living room, schooling a visitor on threats against America. "I mean it's not that it's a hobby or something that we want to do," Patarozzi continues. "It's just that I see our freedom going down the drain, and I want to grab hold of it before it's lost for my kids."

In the aftermath of the Oklahoma City bombing, the beliefs of these women—and an uncounted number who meet via phone, fax and Internet—have been dismissed largely as the rantings of rifle-toting buffoons [*This image was, of course, carefully contrived by the NWO-controlled media!*] While the women share some of the right-wing militia's suspicions about various federal plots to stifle dissent and disarm U.S. citizens, they don't fit the militia's caricature. All three are mothers approaching middle age: one a nurse, another a housewife, the third "in transition". All are voracious readers, articulate and impassioned. There is no hate in their talk—rather, a palpable fear and a sense of urgency.

"All we want to do is get the truth out," says Beth Ann Peradotti, an earnest woman who spends up to \$1,000 a month faxing information ranging from outcome-based education to the Gulf War Syndrome and foreign troops in the United States. It is hard to find a label for Peradotti and her friends. Terms such as right wing or conservative don't fit [*Well, who knows WHAT they mean any more, since they've been media-mangled.*] They call themselves "researchers" but have no organization. [*Wise move.*] Whatever label eventually sticks—America Firsters, Constitutionals—there is evidence these true believers represent a growing fault line in the American body politic.

It [*their views*] is a scary picture: a long-plotted New World Order created by an elite class of internationalists bent on destroying national sovereignty, their totalitarian rule to be enforced by United Nations troops here while American soldiers serve the World Government overseas. Proof comes in many forms: statements from Woodrow Wilson to President Clinton and his advisers on the trend toward world government; Congressional and presidential actions rumored to have signed away the country; a national education plan seen as dumbing down children and separating them from their families, values and heritage. Each topic is painstakingly documented with a cascade of books, brochures, videotapes and citations. Viewed through this lens of conspiracy the evidence is so clear it is hard to understand why more people, especially the media, have not taken up the cause. Unless, they are part of the conspiracy. [*This would seem to paint quite a different portrait than the previous article from the same issue of the same paper!*]

SPIELBERG'S HOLOCAUST VISION

"Give us this day our daily media Holocaust fare." The menu for the January 7 ANTELOPE VALLEY EDITION OF THE (Los Angeles) DAILY NEWS included this article by Ray Richmond, [quoting:]

Henry Rosmarin's revenge is outliving many of his Nazi persecutors—and telling the world about his Holocaust experience. The 70-year-old West Valley man is one of more than 9,000 survivors who have—over the past 18 months—preserved their stories in videotaped interviews for the nonprofit Survivors of the Shoah Visual History Foundation, a project directed by Steven Spielberg. [No profit, HA! The SOLE PURPOSE of this little venture is to benefit the Zionists' consolidation of world power.] More than 100 paid employees working out of a series of trailer offices at Spielberg's Amblin Entertainment complex at Universal Studios oversee hundreds of volunteers around the world seeking out and recording survivors' stories. Spielberg hopes to videotape the stories of at least 50,000 of the estimated 300,000 Holocaust survivors worldwide by 1998 and is talking about extending the three-year, \$60 million effort to reach that goal. [\$\$ SIXTY MILLION!! All out of Spielberg's pocket? I think NOT!] The Holocaust stories of Rosmarin and several other survivors can be seen Monday night in a one-hour documentary [shown twice] produced by Spielberg's foundation titled "Survivors of the Holocaust". [The first of several documentaries planned from material compiled by the Shoah Foundation. They're gonna Show-a this stuff until we are all totally programmed to believe it really happened as presented and that is was THE most critical event in the history of the world.]

[As I read this article, I compared its assets—its funds, technology, and manpower—to our own humble efforts at getting out the CONTACT each week. It would be fair to say there is SOME disparity! (We don't even have the manpower to index the Phoenix Journals!)] The atmosphere in the Universal lot offices is hectic with people racing around, punching information into computers, answering phones, planning, discussing and editing. Interviews also are conducted out of regional offices in Chicago, New York, Miami, Buenos Aires, Toronto, London, Amsterdam, Sydney, Warsaw, Frankfurt, Johannesburg, Paris, Prague, Zagreb, and St. Petersburg. More than 2,000 interviews were taped in Los Angeles, a significant portion of those in the San Fernando Valley.

Interviews begin with a telephone call to the project's toll-free number: (800) 661-2092. One of an estimated 1,500 volunteer interviewers—each of whom has undertaken a 25-hour training session—contacts the survivor and conducts a preinterview to assess the best questions to ask and the most effective way to put the person at ease. Then comes the actual interview, always conducted in the home of the survivor for maximum comfort level, using free-lance video camera operators (all of whom donate their time).

Once the completed interview is in hand, three additional copies of the tape (besides the one sent to the survivor) are produced. One is dispatched to the foundation's cataloging department, where an employee spends eight hours indexing every word and key phrase for future easy access. For instance, if you were to key in the word "abduction" on the computer, it would go directly to that portion of a given tape in which the survivor discusses being abducted. "Abdomen" would bring up a sentence describing being beaten about the abdomen. A second copy of the interview is digitally compressed

and electronically transferred via fiber-optic network to a supercomputer. That computer is connected to a robot designed to archive, manage, and navigate through the mass of material. The third copy is referred to as a "digital submaster" for "future applications and upgrades", meaning it is awaiting technology not yet in existence. Right now, groundbreaking technology allows the Los Angeles foundation office to share information with its worldwide regional offices via a single interconnected database. The result of all this cyber wizardry—which is so new the foundation asks visitors to sign a nondisclosure statement—will in 1998 allow all of the digitalized interviews to be accessed on line throughout the world, the foundation hopes. To date, more than 30,000 Beta videotapes have been used to record more than 12,000 hours of testimony in 19 languages. One would have to sit 24 hours a day for more than 550 days to watch it all.

Spielberg's vision is that students at schools and libraries everywhere will one day be able to pop in a CD-ROM and have the entire foundation visual history archive at their fingertips—the Holocaust in all of its horror, on a single disc. [It's a horror, all right! Commander Hatonn's comments on the subject of Holocaust-saturation programming can be found on page 7.]

HOLOCAUST TALES SPARK DEBATE

Daily Holocaust fare for January 9th: Michael Kenney wrote this article for the BOSTON GLOBE, which was reprinted in the January 9 edition of the ANTELOPE VALLEY EDITION OF THE (Los Angeles) DAILY NEWS, [quoting:]

As the passing years dim the memories and still the

voices of Holocaust survivors, the accelerated efforts to record their testimonies on videotape have become controversial. "There is some value" in videotaping survivor testimonies, said [Holocaust scholar David G.] Roskies, "but the Holocaust is now a media event, and the only thing that is real is what is on the screen. The idea is absolutely insane that this reveals some deeper level of truth." What concerns Roskies is that the survivor videotapes have shifted the entire focus of Holocaust history. "In the old days," he said, "the story was how they died. The early accounts captured the life and death of those who died." But now, Roskies said, "the focus has shifted to 'how I survived'."

A word Holocaust scholars often use when discussing the survivors is "triumphalism". Hillel Levine, a social scientist at Boston University, said there is "a hidden triumphalism in basing the story of the Holocaust purely on the survivor testimonies. They have every right to say, 'We have survived.' But we don't have any right to say, 'How wonderful that people survived.' That short-circuits our obligation to understand the Holocaust." And Levine cautions that the survivor testimonies tell only a part of the Holocaust story. "We don't know," Levine said, "what those who did not survive had to say. There are other voices we have to hear, the voices of the inarticulate, and those who do not wish to speak, and the voices of those who died." And even in the testimonies of the survivors who often appear prosperous and comfortable, Levine said, "Do we hear their nightmares?" [Always playing the martyred victims!]

Accepting the view that survivors "don't always get the names, dates and facts right," videos are valuable not for the facts, but for the ways the people have remembered them. [THAT SAYS IT ALL! "Not for the facts"...]

Hillary Clinton is a 'congenital liar'

Americans of all political persuasions are coming to the sad realization that our first lady—a woman of undoubted talents who was a role model for many in her generation—is a congenital liar.

William Safire

Drip by drip, like Whittewater torture, the case is being made that she is compelled to mislead, and to ensnare her subordinates and friends in a web of deceit.

- Remember the story she told about studying *The Wall Street Journal* to explain her 10,000 percent profit in 1979 commodity trading? We now know that was a lie told to turn aside accusations that as the governor's wife she profited corruptly, her account being run by a lawyer for state poultry interests through a disreputable broker.

She lied for good reason: To admit otherwise would be to confess taking, and paying taxes on, what some think amounted to a \$100,000 bribe.

- The abuse of presidential power known as Travelgate elicited another series of lies. She induced a White House lawyer to assert flatly to investigators that Mrs. Clinton did not order the firing of White House travel aides, who were then harassed by the FBI and Justice Department to justify patronage replacement by Mrs. Clinton's cronies.

Now we know, from a memo long concealed from investigators, that there would be "hell to pay" if the furious first lady's desires were scorned. The career of the lawyer who transmitted Hillary's lie to authorities is now in jeopardy. Again, she lied with good reason: to avoid being identified as a vindictive political power player who used the FBI to ruin the lives of people standing in the way of juicy patronage.

- In the aftermath of the apparent suicide of her former partner and closest confidant, White House Deputy Counsel

THE OPENING SALVO

A few days ago, New York Times columnist and former Nixon White House speech writer William Safire wrote this column critical of Hillary Clinton. It sparked an angry reaction from the president. A number of readers have asked for this column, as well as Safire's response to the president which ran last Thursday.

Vincent Foster, she ordered the overturn of an agreement to allow the Justice Department to examine the files in the dead man's office. Her closest friends and aides, under oath, have been blatantly disremembering this likely obstruction of justice, and may have to pay for supporting Hillary's lie with jail terms.

Again, the lying was not irrational. Investigators believe that damning records from the Rose Law Firm, wrongfully kept in Vincent Foster's White House office, were spirited out in the

dead of night and hidden from the law for two years before being revealed.

Why the White House concealment? For good reason: The records show Hillary Clinton was lying when she denied actively representing a criminal enterprise known as the Madison S&L, and indicate she may have conspired to make a sham land deal that cost taxpayers \$3 million.

One reason for the recent dribble of evidence from the White House is the discovery by the FBI of copies of some of those records elsewhere. When Clinton witnesses are asked about specific items in "lost" records the White House "finds" its copy. By concealing the Madison billing records two days beyond the statute of limitations, Hillary evaded a civil suit by bamboozled bank regulators.

Another reason for revelations is the imminent turning of former aides and partners of Hillary against her; they were willing to cover her lying when it advanced their careers, but are inclined to listen to their lawyers when faced with perjury indictments.

Therefore, ask not "Why didn't she just come clean at the beginning?" She had good reasons to lie; she's in the longtime habit of lying; and she has never been called to account for lying herself or in suborning lying in her aides and friends.

William Safire writes for The New York Times.

Worst Is Yet To Come

(Continued from Front Page)

do, give us a call. My sincere hope is that he is somewhere doing his contract and filling his agreements WITH US. No, our agreements have NOTHING to do with such as "land claims" or anything of the sort. We are waiting for venture capital with some very "high-level" financial people and it has nothing to do with these side games of ANYONE. We are waiting for some project funding, already approved by financial entities. Mr. Jackson was only a middle man to protect the lenders. We don't need protection for we have legal project accounts, business proposals, etc. Neither party in our transactions is happy with Mr. Jackson's antics. He should very well be quite seriously afraid of our financial entities for they are not as nice as are we when thwarted. They are trained in physical New World tactics of physical abuse—among other things. Obviously the "land claims" were a total scam and were long before Mr. Jackson had anything to do with them. "But, can't you just follow the checking trail as in 'who cashed the checks'?" Nope, the instructions were to send CASH or money orders to pay for the claims processing. So you have a whole BUNCH of people sending cash to cover their non-legal claims. This is an old one, readers, but Evil never needs change its game because people want and hope for something—especially if it is something for nothing! The point is to choose something to "right" a "wrong" and make it sound reasonable.

EAST COAST BLIZZARDS

Why is NEW YORK wallowing in the worst blizzards ever? Because those Eastern Seaboard cities are the New Homeland headquarters of the Jewish Zionists. You are simply in the war now to allow the Beast to begin to really destroy itself in the New World and New World Order. Remember that the Continent of the Americas was called the "new world". It is now called by lots of other names including "Western" but mostly around the globe it is recognized as the new homeland of Israel. There are OTHER and bigger ways to get the point across out "west". Daily there are now MYRIADS of earthquakes along the Western Seaboard and inland to the bases of major importance (Edwards Air Force Base, China Lake Naval Weapons Center, etc.) and the quake register maps have so many quakes of reportable size that the dots cannot be differentiated in some areas. This means that those areas are going to sustain major fatigue breakage at any moment. The facts are that the Earth is shaking to the point that it never stops and nobody seems to notice any more.

My major question to you is: HOW ARE THE EASTERN CITIES and States going to fare when the melt-off comes? In the West there is no moisture and how will you fare out there? Moreover, this blizzard in the East is referred to as "the year of the big blizzard". You aren't even half way through the winter, so what makes anyone believe this is all there is? Do "they"

know something you don't? Well "they" don't SEEM to know anything!

Why is the Holocaust being pushed so hard that on any given night there is a big feature on television about it? Friends, I remind you that the Holocaust has to be recognized as a fulfillment of prophecy so that YOU CAN BE SHOWN THAT ISRAEL IS GOING TO RUN THE WORLD. THE ENTIRE OF THE JEWISH RECOGNITION OF ALL BIBLES IS BASED ON NUMBERS, AND WHEN THE NUMBERS ADD UP TO SUIT THEM, THEY PRONOUNCE THEIR PROPHECIES TO HAVE COME TRUE. JUST AS IN THE MOVIE SCRIPTS WRITTEN TO SPECS, SO TOO ARE THE PROPHECIES. And, while the people in the most heavily populated areas of Jewish "settlers" can't get out to go running about or do business, they will be saturated with television tales of woe and terrible plights of "His People", genocide, gematria and eye-for-an-eye.

THE SET-UP

Well, the militias of the patriots are getting restless and everyone aboard has polished his duck pistol to shiny new and readied the ammo-cans. Your fighting youth are off to vacation in the mud and cold of Bosnia to prolong the National Emergency for Mr. Clinton and you are left bare except for the New Jerusalem U.N. Forces now all over the Americas. These are mostly restless Soviets because, after all, the Soviets don't have to go keep much peace where they have been the problem! They are free to come enforce the New World Order rules and regulations in Martial Law against you-the-people who sent your troops away.

The NEXT POINT is to get CONTROL while you have no government and no way to get around in and about that area where government is maintained. If you only have ten people present for voting—then you are going to have law of ten! The Federal Reserve Act was brought into law with less. The Bretton Woods agreements were brought into law with fewer and they weren't

even IN Washington.

If a law is suggested and entered for vote and even if no one in Congress even knows about it, after 30 days from introduction it becomes law—automatically. The U.S. took on a NATIONAL RELIGION which is one of the most important negatives offered by the *Constitution* by not even using a VOTE but just by some yeas and nays—the yeas winning of course. But, citizens of the U.S.A., for years you have had a National Religion—under the Jewish laws of the Noahide. This is why you can't have Christian scenes on public lands but CAN have Stars of David, candlesticks and anything else the Zionists want—ANYWHERE.

How do I feel about it? Well, not as bad as you SHOULD if you are, most especially, a believer on "Jesus" for the whole of the ruckus is about Jesus. However, to be about "Jesus" is still NOT about CHRIST. This so-called holiday honors a "man" and not the Christ of heavenly etheric Father. That man's name as representative was Esu Emmanuel. Do you now remember? Saul of Tarsus labeled the "man of Bethlehem"—Jesus—which was ALSO not a term of "name" but of "being anointed". Saul changed his own name to Paul to not be identified by those who knew the TRUTH. So you now have Christians and so-called Jews joining Dragon Heads like Siamese twins, not to fight for God but for POWER on EARTH.

However, I can use Jesus as a good example of "flexibility" of accepted truth: If you as Christians accept Jesus as the Messiah and the Jews do not—how can you have a Judeo-Christian ANYTHING? Was that not the basis upon which you CHOSE your belief and "salvation"?

Moreover, mankind will believe anything he is told, if told enough times. Now you have capability of publishing anything you want to publish, and even MORE on your computer internets—so how are you to discern TRUTH? If you are totally flooded with the COMMERCIAL LIES, what will you come to believe? Why do you think the intensity of the Holocaust films grow more severe after half a century? "So no one will ever forget!" they will tell you. Right, so no one can ever forget the LIES. TRUTH STANDS FOREVER; LIES MUST BE CONTINUALLY REINFORCED UNTIL, WITHOUT CONTRADICTION, THEY BECOME ACCEPTED MYTHOLOGY. YOU ARE PEOPLE OF THE MYTHOLOGY LIES!!! THEN, IF THE LAWS MAKE IT UNLAWFUL AND PUNISHABLE BY ENFORCEMENT TO EVEN SO MUCH AS SPEAK OF THE TRUTH—YOU ARE DOOMED.

"But it can't happen in America," you will tout. Oh yes it can, AND HAS.

What will happen to Dharma when that (those) laws are brought forth to stop our writing on such topics as the Holocaust and Zionism? We will stop writing on those subjects. We are not here to save anything—just to note our presence and TRUTH to our people. The word is already written, the truth presented, so why should we annoy, further, the beast with our pick-axes? If mankind does not want freedom, so be it. GOD DOES NOT USE FORCE! FORCE IS ONLY OF MAN PHYSICAL.

DEDICATION TO INTEGRATION INTEGRITY

We have been offered the use of information from resources who do not mind our using their published material but prefer we not use in "serialized" format as we do with, say, *One World Church Order*. We, will, therefore simply refer to these resources by reference so that you can make sure you have backup for whatever we offer. We will make every effort to disallow lack of "context" considerations or misinformation. One thing about offering a writing in total reproduction is to disallow these openings for errors in reproduction assumptions.

Since we will henceforth be pulling from several resources and some wish inserts and small portions used and others want verbatim and precise reprinting—we will STOP groping with the problem and you readers may assume that when we offer "Part X", we are simply designating our presentation in order of offering, for your convenience of continuity. We will continue to call the compiled writings as *One World Church Order* but will henceforth refrain from the overall "quoting" of the entire of the portions. This will ease the trying to figure out what is what and we will integrate by references as we use other documents. Most of *One World Church Order* by Calvin A. Buehrer are compiled articles and references of his own research. Later if Mr. Buehrer wishes to publish he will have a simplified task of removal of anything he does not wish included in his work. We will continue with a style of "indent" for material, brackets "[H:]" for my major comments and then reference all other quoted material.

With this explanation presented let us move on to what we will now label:

Editor's note: This material was first introduced on the Front Page of the 12/19/95 issue of CONTACT and continued in the 12/26/95 issue on p. 25, and then in the 1/9/96 issue on p. 20. We continue with it here.

ONE WORLD CHURCH ORDER

THE HYPOTHESIS

When referring to the Holocaust through orthodox visualization you must understand what is being offered. It is imperative that the doctrines of Judaism as presented be seen as fulfillment in early DOCTRINE of that religion—now called Zionism or the "Religion of the Holocaust". It is a dogma or tenet of the doctrine as preached in the second half of the twentieth century from a very good foundational base and is presented in the revised edition of *JUDAISM: The Classic Introduc-*

tion to One of the Great Religions of the Modern World, An Anthology of the Key Spiritual Writings of the Jewish Tradition (A Touchstone Book, Simon and Schuster, New York, 1991). The author is Rabbi Arthur Hertzberg, Professor Emeritus of Religion at Dartmouth College, Visiting Professor of the Humanities at New York University and Visiting Scholar at Columbia University's Mideast Institute. The former rabbi of Temple Emanu-El in Englewood, New Jersey has taught at Hebrew University in Jerusalem and at Princeton University. He has served as president of the Conference on Jewish Social Studies and as senior editor of the *Encyclopedia Judaica*. He is also a major contributor to *The New York Times*.

Reading from page XV of *KEYSTONE of the New World Order; the Holocaust Dogma of Judaism* (KEYSTONE), by ben Weintraub, Self Determination Committee, P.O. Box 15288, Washington, D.C. 20003. (With permission):

A corollary of the fundamental premise above is that *The Holocaust is the inspired result of rabbinical thought necessary for the fulfillment of prophecy*. Unlike science which proceeds from an observed phenomenon, carefully documented and repeatedly verified, Jewish prophesying declares events beforehand and then, most importantly for our century, works indefatigably to make its predictions come true. [H: I cannot stress this enough as feasible actions in all instances in which you wish to WIN. There has NEVER been a misplacement or loss of GOALS in this Christ-adversarial tribe from onset to this date. If you can't find your way to overcome the brain-draining and washing and begin to do the SAME thing, you cannot consider winning for you KNOW NOT THE GOAL.] Naturally, disgrace is the result of having predicted what did not happen. The rabbis cannot tolerate the scientific questioning and disproof of the Holocaust as it would put their prophesying into a ridiculous position.

Proof of the use of the Holocaust in prophecy-fulfillment and the necessity for the figure of 6 million is provided by Rabbi Benjamin Blech on the last page of his book *The Secrets of Hebrew Words* (Jason Aronson, Inc., Livingstone St., Northvale, NJ, 1991). [H: Please note that these accepted Zionist doctrine-setters are from the U.S.A.!] Part VI, "Prophecies and Predictions: For the Lord God will do nothing but He revealeth

His counsel unto His servants the prophets." (Note: God does not act without the rabbis having knowledge beforehand!)

It is important for everyone to understand that we are now witnesses to the efforts at fulfillment of prophecies as presented through *THE TALMUD* and what exactly is that *Talmud*.

The *Talmud* gets its name from the word LAMUD—taught, and means *The Teaching*. By methonymy it is taken to mean the book which contains the Teaching, which teaching is called Talmud, that is, the doctrinal book which *alone* fully expounds and explains all the knowledge and teaching of the Jewish people.

As to the origin of the *Talmud*, the Rabbis regard Moses as its first author. They hold that, besides the written law which Moses somehow received from "God" on Mount Sinai on tablets of stone, which is called *Torah Schebiktab*, he also received *interpretations of it*, or the oral law, which is called *Torah Shebeal Peh*. They say that this is the reason why Moses remained so long on the mountain, as God could have given him the written law in one day.

Moses is said to have transmitted this oral law to Joshua (and just how do you know now that "Josua" is pronounced and as it relates to that one "Jesus"); Joshua in turn to the seventy Elders; these Elders to the

A corollary of the fundamental premise above is that *The Holocaust is the inspired result of rabbinical thought necessary for the fulfillment of prophecy*. Unlike science which proceeds from an observed phenomenon, carefully documented and repeatedly verified, Jewish prophesying declares events beforehand and then, most importantly for our century, works indefatigably to make its predictions come true. [H: I cannot stress this enough as feasible actions in all instances in which you wish to WIN. There has NEVER been a misplacement or loss of GOALS in this Christ-adversarial tribe from onset to this date. If you can't find your way to overcome the brain-draining and washing and begin to do the SAME thing, you cannot consider winning for you KNOW NOT THE GOAL.] Naturally, disgrace is the result of having predicted what did not happen. The rabbis cannot tolerate the scientific questioning and disproof of the Holocaust as it would put their prophesying into a ridiculous position.

Prophets, and the Prophets to the Great Synagogue. It is held that it was later transmitted successively to certain Rabbis until it was no longer possible to retain it orally.

Whatever may be said about this story of the Rabbis, it is sufficiently known to us that before the birth of Christ, schools existed in Palestine in which sacred literature was taught. The commentaries of the Doctors of the law were noted down on charts and lists as an aid to memory, and these, when collected together, formed the beginnings of the Jewish *Talmud*.

In the second century after Christ, Rabbi Jehuda

who, because of the sanctity of his life, was called The Sain, and The Prince, realizing that the learning of the Jews was diminishing, that their oral law was being lost, and that the Jewish people were being dispersed, was the first to consider ways and means of restoring and preserving their oral law. He collected all the lists and charts and from them he made a book which was called the *Sepher Mischnaioth*, or *Mischnah*—a *Deuterosis*, or secondary law. [H: Do you now see from where the label *Mischpuka*/*Mishpucka* derives itself?] He divided it into six parts, each of which was divided into many chapters.

The *Mischnah* is the foundation and the principal part of the whole *Talmud*. This book was accepted by the Jews everywhere and was recognized as their authentic code of law. It was expounded in their Academies in Palestine—at Tiberias, Imnia and Lydda.

As the interpretations increased with the passing of time, the disputations and decisions of the doctors of the law concerning the *Mischnah* were written down, and these writings constituted another part of the *Talmud* called the *Gemarah*.

These two parts are so disposed throughout the whole *Talmud* that the *Mischnah* serves first as a kind of text of the law, and is followed by the *Gemarah* as an analysis of its various opinions leading to definite decisions.

All the precepts of the *Mischnah*, however, were not discussed in the Jewish schools. Those whose use was nullified by the destruction of the Temple, and those whose observation was possible only in the Holy Land were not commented upon. Their explanation was left until the coming of Elias and the Messiah. For this reason some parts of the *Mischnah* are lacking in the *Gemarah*.

In interpreting the *Mischnah* of Rabbi Jehuda, the schools of Palestine and Babylon followed each their own method, and by thus following their own way gave rise to a twofold *Gemarah*—the Jerusalem and the Babylonian versions. The author of the Jerusalem version was Rabbi Jochanan, who was head of the synagogue in Jerusalem for eighty years. He wrote thirty-nine chapters of commentaries on the *Mischnah* which he completed in the year 230 A.D.

The Babylonian *Gemarah*, however, was not compiled by any one person, nor at any one time. Rabbi Aschi began it in 327 A.D. and labored over it for sixty years. He was followed by Rabbi Maremar about the year 427 A.D., and it was completed by Rabbi Abina about the year 500 A.D. The Babylonian *Gemarah* has thirty-six chapters of interpretations.

This twofold *Gemarah*, added to the *Mischnah*, makes also a twofold *Talmud*: the Jerusalem version, which, on account of its brevity and obscurity, is not much used; and the Babylonian version, which has been held in the highest esteem by Jews of all times.

The *Gemarah* is followed by additions called *Tosephoth*. It was thus that Rabbi Chaia first styled his opinions on the *Mischnaioth*. He and Rabbi Uschaia were the first to explain this book publicly in the schools. Commentaries on the *Mishnah* which were made by the doctors outside the schools were called *Baraietoth*, or extraneous opinions.

These Commentaries were further supplemented by other decisions called *Piske Tosephoth*, short theses and simple principles.

For nearly five hundred years after the Babylonian *Talmud* was completed, the study of literature was greatly hampered partly due to public calamities and partly owing to dissensions among the scholars. But in the eleventh century others wrote further additions to the *Talmud*. Chief among these were the *Tosephoth* of Rabbi Asche.

Besides these there appeared the *Perusch* of Rabbi Moische ben Maimon, called by the Jews Rambam for short, by the Christians Maimonides, and by Rabbi Schelomo, Irarchi or Raschi.

Thus, the *Mischnah*, *Gemarah*, *Tosephoth*, the marginal notes of Rabbi Ascher, the *Piske Tosephoth*

and the *Perusch Hamischnaioth* of Maimonides, all collected into one, constitute a vast work which is called the *Talmud*.

[H: Now, readers, this is ALL recorded and can be found in MANY references and books, not the least of which is the so-called Jewish *Encyclopedia Judaica*. I am not here to offer you your lessons FOR you so, please, go look up these references for yourself and through that effort you will find truth.]

Since the *Talmud* was such a voluminous and disordered work, there was need of a compendium which would facilitate its study. To supply this need, therefore, Rabbi Isaac ben Jacob Alphassi, in 1032, published a Shorter *Talmud*, which he called *Halakhoth*—Constitutions. He omitted all lengthy discussions and preserved only those parts which had to do with the practical things of life. Since this work, however, had no order to it, it was not considered of great worth. The great works which resulted, however, are finally focused on what were, then and NOW, called the *Protocols of the Learned Elders of Zion* (*Protocols*).

There are a couple of things demanded by the Laws of *Talmud* that should curdle the blood of anyone calling himself "Christian" as is used as "Jesus Christ" for there are specific orders to kill all such persons: "Lastly, all christians, including the best of them, are to be killed." And, "A Jew who kills a christian commits no sin, but offers an acceptable sacrifice to god." and then "After the destruction of the temple at Jerusalem, **THE ONLY SACRIFICE NECESSARY IS THE EXTERMINATION OF CHRISTIANS.**" And then, of course, "Jews must never cease to exterminate the *Goim*; they must never leave them in peace and never submit to them."

[END QUOTING OF PART 9]

Readers, I did not make these rules and instructions to the Zionists—this comes DIRECTLY from their own instruction books and *Protocols* for the One World Order.

TEMPLE BUILDING

Without, hopefully, running you through the panic mode of frantic realization—the temple is already BUILT in the NEW JERUSALEM. New York, U.S.A. is the site, the UN is the temple! You can now breathe! These Zionists have now fully taken control of the U.S. GOVERNMENT and all its systems of operations—enforced by the troops of the UN. Yes indeed, this is difficult to accept if you have been working blindly on the assumption of a FREE nation with allowance for freedom of speech and thought—neither of which you LONGER hold as truth or "right" due to the full taking of your *Constitution*.

You the people have been led on a merry romp through the primroses where castles of air have been replacing truth and obvious reality.

THOUGHT CONTROL

Thought control is achieved in a very exact and scientific manner. Those who have mastered the science use it well and vice versa.

The liberals [*conspirators*] are masters of thought control and have control over the news media which give the desired results: namely, movies, TV, radio, magazines and newspapers. This along with the ability to keep other publications and media presentations from circulation or distribution and/or discrediting any such deviant materials from the orthodox and stated "facts as presented" in the lies and visualizations.

These media, directing the given thought control, will make people follow their thought, even though they do not basically believe it. Along these lines you can count the days until April comes and when, through Rev. Billy Graham, the Blue Beam Project will again be attempted, and through tapes there will be required

showing to ALL denominational churches and congregations. It will be a phenomenon which will be mandated to be taught in the schools.

Thought control is about the most extremely dangerous tool in your age, because of the advent of television and brain-pictures burned into your data-banks. You learn 85% of your knowledge through sight, so television and other modes of picturing as with presentation called "unbiased news releases" become the carrier of the plague upon your minds. The advent of the computer and networks also now carries this mentality to the outmost reaches of the globe. Thoughts are best programmed by computers and get unbelievable results for the programmers.

If you are to survive, then the people who are concerned must begin using the modern approach to see the true values and standards, or the evil will surely overcome the righteous.

I am not going to ask my scribe to retype all the document called *ALPAC Chief Brags About Power* from *Spotlight*, January 18, 1993, but I ask that it be reprinted in the paper as presented for it tells the whole of the story [see p. 8]. I would prefer if we could simply designate a "break" in flow by some other method than [QUOTING:] because it will simply no longer, on this subject, fit our needs for segments. I have to have a way to handle these segments without all the confusion of Editors and Press personnel. We are not interested in accepted grammatical or structural perfection—we have to get this information out and we have to do so NOW! I realize everyone wishes to do his own job to the fullest possible perfection—but I can't deal with this problem of distraction. There is simply too much to demand our attention to ask Dharma to do this separation when we are not in the "book" business. Thank you.

May we just bring this to a close to attend some of those other things which cause LIFE to go on and which abolish all other "plans". Salu.

[QUOTING, PART 10:]

WHAT IS GEMATRIA?

It would be far more accurate for this subject in point to ask "What is Kabbalistic Gematria?" It is simply playing the numbers game. It is fun to study numerology and affix meanings to numbers but the Kabbalistic Gematria goes far beyond and into CODE MEANINGS through the use of numbers and alphabet letters (which are also counted in numbers).

In Hebrew each letter possesses a numerical value and "Gematria" is the term used for the calculation of the numerical equivalence of letters, words, or phrases, and, on that basis, gaining insight into the interrelation of different concepts.

"The assumption behind this technique is that nu-

merical equivalence is not coincidental. Since the world was created through God's 'speech', each letter represents a different creative force. Thus, the numerical equivalence of two words reveals an internal connection between the creative potentials of each one. ...there are 3 ways to calculate the equivalence of individual letters: absolute, ordinal, reduced. And in addition there is Integral Reduced value. ..." The preceding quote is from an "expert authority" on this subject, Rabbi Yitzchak Ginsburg, head of Yeshiva Od Yosef Chai in Israel (Born, of course, in the U.S.A., Missouri). You will find the reference in *Keystone of The New World Order; The Holocaust Dogma of Judaism*, page 7. We will refer to this book as "*Holocaust Dogma*".

If you are really interested in this numerology then get the book *The Alef-Beit* by Rabbi Yitzchak Ginsburg.

HOAX?

It is accepted far and wide that when the orthodox "Holocaust" is shown to be a *Zionist myth*, the strongest of all weapons in Israel's propaganda armory is collapsed. Do you, consequently, see why it is so important to be guarded and disallowed denial? Further, when the Jews try to up the number, it can't be acceptable for it MUST BE EXACTLY A MYTH OF 6 MILLION. This is Kabbalistic magic, a creation of rabbis believing in Gematria and Numerology, both of which are branches of kabbalah or Jewish Magic.

According to John Paulos, *Innumeracy*: "Numerology (astrology is a good example), especially in its soothsaying and divinatory aspects is, in many ways, typical of pseudoscience. Based on number(s), it has limitless complexity to engage the ingenuity and creativity of its adherent, without burdening them of the need for validation or testing. ...its purity and 'tabula rasa' quality allow one maximum scope for seeing what one wants to see, for connecting what one wants to connect, for providing at the very least a limitless source...[speculation]..."

Remember that the "number of 'man' is 6" and therefore that which is related must be the number "6" because it fulfills prophecy. There are cogent reasons for the use of the number 6 but the literature is enormous and therefore let us only look at the "magic" mysticism pervading the Jewish mindset. All the while when reading you must never lose the point that the word "Jew" was not brought forth until 1767 A.D.

It is represented by many authors that Adam, according to the Kabbalists, "was as big as the world" and that is quite unordinarily large, readers. Also contained in him were all the souls of all the human beings that ever existed—NAMELY 600,000. The magic Kabbalistic number therefore would only be tenfolded (important) to be the 6,000,000.

Says Rabbi Adin Steinsalz, head of the Israel Institute for Talmudic publications in Jerusalem (no shabby position):

"The holiness of the *Bible* is in the very letters of the text. Naturally, this makes for a difference in the relation to the study of these books as tradition has shown. Every letter and sign in the *Bible* is pored over as a Divine mystery waiting to be revealed; the combinations of the letters in words and sentences are, of course, the manner in which their meaning is communicated to us; but it may well be a secondary meaning. One may make all sorts of combinations, on a variety of levels and obtain 600,000 possible revelations. As the Ramban said, all of the *Torah* spells out the names of God; it is a list of his names, very little of which has any meaning for us. It is like a secret code with an infinite number of possible interpretations, a tale within a tale. Each one is equally valid and holy."

I don't want to go into the myriads of uses for the "6" by the "Jewish Zionists" because it would fill a thousand journals but I do want you to KNOW that it is

important to them for the fulfillment of all their prophecies for it is absolutely necessary that they see to those fulfillments to maintain CONTROL through their magic and commercial ventures.

I think it time, friends, to run the *Protocols* AGAIN. The list of activities and accomplishments necessary for gaining and maintaining control of all the people all the time is laid bare and forthrightly presented in those instructions—which match their own *Communist Manifesto* AND the *Nazi Manifesto*.

In fact, there is so much other work needing our attention that I believe we could give Dharma a break from the paper writing and rerun several connected articles [See p. 12-13 for our repeat presentation on the *Communist Manifesto* and *Protocols Of The Learned Elders Of Zion* as originally presented in the 3/1/94 CONTACT].

Nora Boyles has given in-depth research work on many subjects which have direct connections to HISTORICAL truth as regards the prophecies and plans of the New World Order under Power Brokers and Puppet Masters [see Nora's excellent collected articles in her book called *The Garden Of Aton* available from Phoenix Source. Ordering information for this book and others is at end of the paper. For another related article by Nora, called "The Four Horsemen Of The Apocalypse", see p. 14.]. The large problem each would-be-King would have, however, is that the OTHER dragon heads also wish the throne of POWER and to own all the property. The point is control and status—power over all the rest. In other words: you be slave, they be slave-master. If you would allow me some crude input as presented long before me about the dragon "heads" and HORNS, it is that the horn represents the very homosexual trend that now sweeps your world in acceptance. It represents the ability to "screw" (with the horn) in the basest of "ass-etts" the anatomy of the neighboring enemy. I am sure, likewise, that there are numbers accounted to the act—for once is never enough, it seems.

GREED OF MANKIND

What undoubtedly thwarts your understanding of such facts is that you assume that the "enemy" of self fits into the religious category or banker's category, or,

or, or... However, in most instances of individuals there is simple GREED and ego push for power, importance and WEALTH—no matter by what route they have to take to gain same. With some, the "screwing" of another is enough—but to the truly "weak" of the races—power and wealth hold the key to personality quirks. These gatherers and liars, cheats and thieves have no moral integrity and will go to all lengths, even unto their own demise, in their lies and methodology of conquest. Simply getting the money is never adequate—they must also lie their way to the destruction of their assumed enemy. These ones never quit in their quest for revenge, no matter who might be the assumed "enemy". It is never the one at fault—but never can such men accept their own errors as their downfall. You want to mark it up to being aligned with this or that category or group of individuals who function as in the same mode of operation, but no, these are simply self-centered weaklings who will lie, cheat and steal for their place in the Sun of attention and recognition. Hurt their ego and you destroy them.

It is not unlike the people who put on extra pounds SIMPLY because they are too lazy to exercise and just enjoy the luxury of stuffing themselves on good-tasting foods. They are NOT "sick"; they just enjoy the pleasures of eating and resting. It is a quite normal state of affairs with no big and hidden meanings of the psychic data pads. For instance, you would-be "perfect" body beings: Skin and bones is NOT EVEN HEALTHY. You have lost your sense of God-given BALANCE IN YOUR EFFORTS TO FIT THE MOLDS OF SOME QUIRKY IDEAS OF "MAN"—NOT GOD.

Fat people think their lives will become "perfect" if only they are thin. Poor people think their world will become perfect if only they can be rich. People with a saggy chin or bumpy nose think that a cute nose or chin-lift will make them successful and happy. No, readers. The one overall truth of the matter is that nothing, save inner joy, will make you happy. Inner joy knows no size, nose, chin or money!

One of the PROMISES OF GOD is that "IF YOU KNOW ME, ALL ELSE WILL BE ADDED UNTO THEE!" Therefore your task and purpose is to FIND, KNOW, AND RECEIVE GOD—OF LIGHT AND SOURCE!

The Payroll Fairy

AIPAC Chief Brags About Power

From THE SPOTLIGHT, January 18, 1993

The following is a transcript of the October 22, 1992 phone conversation with David Steiner, president of the American Israel Public Affairs Committee (AIPAC), recorded without his knowledge by New York businessman Haim (Harry) Katz. Its existence was first revealed to the *Washington Times*, and its release triggered Steiner's resignation, as well as embarrassing the Israel lobby and the Clinton campaign.

Katz later explained he was trying to determine whether the lobby in this country had as much disproportionate power as its critics have charged. He was so disturbed by the tenor of his conversation that he released the tape to the media.

President-elect Bill Clinton received a whopping 60 percent of his non-institutional campaign funds from the American Jewish community, as well as 80 percent of their votes.

David Steiner: Haim.

Harry Katz: Hello. How are you?

S: Where are you located?

K: I'm located in Queens, New York.

S: Queens . . . Far Rockaway?

K: Belle Harbor.

S: Belle Harbor. I'm trying to get this list together. Would you ever get into the city?

K: Sure, I do. Sure, you come frequently?

S: Well I come in from time to time. I have an office there, at AIPAC in the city. You know, I want you to understand . . . where did you get my name and phone number?

K: Oh, I, um, I called AIPAC.

S: Yeah.

K: And ahh . . . I know you're the president of AIPAC.

S: You should understand that, the political information that I gave you, those are personal choices.

K: Sure, I understand.

S: AIPAC does not rate or endorse candidates, does not solicit money.

K: Yeah, look.

S: I want you to understand that the choices I would give you are personal choices.

K: I understand.

S: I wonder if before . . . I want to get together with you next week.

K: Next week would be fine.

S: But in the meantime, I wonder if I can have one of my people get together with you and talk to you about it . . . They'll want to meet you and know who you are and all this. I have a . . . maybe if I can have Seth Buchwald call you, my New York director.

K: That would be terrific.

S: And we have a guy out there, Joel Schnur. And, are you Orthodox?

K: Ahh, yes.

S: OK, Joel is Orthodox too. I am not.

K: You're Reform or . . .

S: I'm Reform.

K: OK, let me just say . . .

S: I was raised Orthodox, but I'm Reform.

K: OK, let me just tell you that, I'll just hold you a minute. I'll be happy to meet with them, I know, I've heard the names, I'd be happy to meet with them, as a matter of fact I could, when I'm in Manhattan . . . Are you ever in Manhattan?

S: Sure, today I'm going to be there, but I can't. I'm meeting with the ambassador.

K: OK, I'll just ask you very, very quickly. You know, like, in New York, you know, this is your own personal opinion, like in New York we have [New York state Attorney General Robert] Abrams against [incumbent Sen. Alfonse] D'Amato [R-N.Y.].

S: Well, let me tell you what my personal position is. OK?

K: Yeah.

S: From a Jewish point of view, I believe in political loyalty.

K: Right.

S: And if someone has been good for Israel, no matter who, if my brother would run against them, I would support them because they'd been good to Israel because that's an important message to people.

K: Right.

S: What I'm going to be doing for you . . .

K: Now D'Amato, has he been good for Israel?

S: You couldn't have a better . . . Listen I think Abrams would be good too, but that's not the message.

K: Yeah.

S: Ahh.

K: So the message, so the message is that ahh . . . I agree with you all the way, that if somebody's been good for Israel, I'll take D'Amato. But you have no complaints with D'Amato?

S: I have no complaints with D'Amato.

K: Uh huh, so and ahh, you know, let me tell you, Abrams might be, might be too liberal. I don't know if Abrams supported, let's say the ahh the war against Iraq.

S: Yeah, but all I know is if I have a guy who is there and he's doing it, then I don't want to change, you know?

K: Right. Let me ask you this very quickly and then I will . . .

S: I'm going to have Seth call you because in the meantime I'm going to be preparing this list, what I'm doing is, I've asked my friends in the various campaigns, I've made about 30 calls, what I'm trying to put together who needs it the most, you know? Because you could dissipate a million dollars, but the point is to put it where it's going to do the most, I know [defeated Wisconsin Republican Sen.] Bob Kasten, who's been an outstanding friend and needs it I know . . .

K: Excuse my ignorance. Bob Kasten is what state?

S: From Wisconsin.

K: OK, is he Jewish?

S: He's for loan guarantees, he happens to be a Republican.

K: OK, and but, he's good?

S: You couldn't have better.

K: Is Kasten, Kasten's been very, very good and he's in trouble?

S: He's in big trouble. [Rep.] Les Aspin, who's the Chairman of the Military Appropriations [Armed Services Committee], a Democrat also from Wisconsin is really [unintelligible].

K: You mean, Les Aspin is in trouble?

S: In big trouble.

K: I can't believe it. I mean, I don't, I don't follow.

S: Well see, what happened was, you know ahh, when you get to know me, I'll put you on my list and I'll be sending all these things. A wealthy businessman decided to run, using all his own money. Aspin, 'cause they sit on the finance committee for Aspin.

K: Right.

S: . . . programed the last two weeks of, well the last month of the campaign, for TV. This guy came in two months early and we didn't have the money budgeted, so we're out scratching around

AL D'AMATO

... "A guy who is there and is doing it."

to raise money for him. So we, heck, I told him, I said that I'd go, I'll sign on the bank on a loan for you, you know, that's how important it is.

K: Unbelievable. You know I read, I won't hold you long, but I'd just tell you this.

S: That's OK.

K: I'll just tell you this, I read the *New York Post*, and I don't even read the papers too much, I don't follow politics. Are you ready for this?

S: Yeah.

K: Get ready for this. I read in the papers this morning, I think it was the *Post*, [newly elected Sen.] Barbara Boxer, in California.

S: Yeah.

K: Do you know who she is?

S: I know who...

K: She's originally from, ahh... New York I think.

S: A friend of yours?

K: No, no, no. She's not a friend of mine, but she, ahh, I think she's in trouble.

S: Yeah, that's ahh in that race we're OK either way, 'cause Bruce Herschensohn, who she's running against, is Jewish, and he's very strong on our issues.

K: OK, but Herschensohn...

S: Herschensohn's a very conservative Republican.

K: You know. He's come out of nowhere. He was like 30 points behind.

S: Right.

K: He's come out of nowhere with it.

S: Because the truth of the matter is, she didn't always vote for foreign aid. We had a big meeting, I had a program in [Los Angeles]. I had all four senatorial candidates there, and he ripped her apart. She has always voted against foreign aid.

K: What about the one, in ahh, the one in... um, what's his name? I read it in the paper, it's just a shocker, politics is a crazy game. The Black woman in Chicago.

S: Carol Moseley Braun?

K: She was going to win by 50 points.

S: Oh it's down, she took the money, it's a big problem.

K: It's a big problem with her.

S: And we have a problem with another good friend. You know [Sen.] Daniel Inouye, from Hawaii, he's one of our best friends. It was Kasten [and] Inouye on the loan guarantees, Kasten, Inouye and [Sen. Patrick] Leahy [D-Vt.].

K: I heard, I saw it on, I know Inouye's in trouble because of, he sexually harassed his hairdresser.

S: We commissioned a poll and got some people, and I've got to raise \$27,000 to pay for the poll... So I have, so what I'm trying to do is make a priority list, because I don't know how far you want to go... how old are your kids by the way?... You have three children that could write checks, do they have their own checking accounts?

K: Yes.

S: Oh, so that's not going to be...

K: How old do they have to be?

S: They can't be one year old.

K: I mean, could they be 18, 17?

S: Sure, no problem, so they could make, nobody's going to bother you, but if you had infants, a 4-year-old, let's say, it's not a contest.

K: Let me tell you, I was planning, I was planning to, to... Inouye, by the way, is in real trouble? He's been there forever.

S: Yeah! Well, we might lose him. There's been such a sea change, such trouble this year, I can't believe all our friends that are in trouble. Because there's an anti-incumbency mood, and foreign aid has not been popular.

You know what I got for, I met with [U.S. Secretary of State] Jim Baker and I cut a deal with him. I got, besides the \$3 billion, you know they're looking for the Jewish votes, and I'll tell him whatever he wants to hear.

K: Right.

S: Besides the \$10 billion in loan guarantees, which was a fabulous thing, \$3 billion in foreign, in military aid, and I got almost a billion dollars in other goodies that people don't even know about.

K: Such as?

S: Seven hundred million dollars in military draw-down, from equipment that the United States Army's going to give to Israel; \$200 million the U.S. government is going to preposition materials in Israel, which Israel can draw upon; put them in the global warning protection system; so when if there's a missile fired, they'll get the same advance notification that the U.S., is notified, joint military exercises—I've got a whole shopping list of things.

K: For Clinton?

S: For Clinton.

K: And this was when, in the beginning?

S: In the beginning, yes. After he won, before the convention.

K: This is before the convention?

S: Oh sure.

K: OK, let me ask you, you know, I...

S: We've also raised for other guys who are running too, because they're friends. [Tom] Harkin [D], the senator, you know you have to be with everybody.

K: Let me ask you, [talks about getting cheated in business by gentiles]. Let me ask you, Clinton, if he becomes, I mean what will he do for Israel, better than Bush, if he becomes, I know Bush gave you a hard time, this and that...

S: I'll tell you, I have friends on the Clinton campaign, close associates. Gore is very committed to us.

K: Right. Clinton if he, have you spoken to him?

S: I've known Bill for seven, eight years from the National Governors Association. I know him on a personal basis. I have friends. One of my friends is Hillary Clinton's scheduler, one of my officer's daughters works there. We gave two employees from AIPAC [on] leave of absences to work on the campaign. I mean, we have a dozen people in that campaign, in the headquarters.

BARBARA BOXER

... "Didn't always vote for foreign aid."

K: You mean in Little Rock?

S: In Little Rock, and they're all going to get big jobs. We have friends. I also work with a think tank, the Washington Institute. I have Michael Mandelbaum and Martin Indyk being foreign policy advisers. Steve Spiegel—we've got friends—this is my business.

K: I understand, David.

S: It's very complicated, and the more you get into it, you'll love it. You sound like a smart guy.

K: I'm a smart guy, but I have a, maybe because I'm more Orthodox than you are, I've had bad experiences with gentiles. Let me ask you, you know what *tachlis* means?

S: Yeah, sure.

K: From a practical point of view, if Clinton wins the presidency, and I'm sure he will, I hope so at least, what will be the benefits to Israel better than Bush? From a very practical point... I mean, you just told me that Bush gave you everything you wanted.

S: Only, not everything, at the end, when we didn't want the F-15s [sold to Saudi Arabia], that's a terrible thing.

K: Selling the F-15s? If Clinton is elected...

S: Let me tell you the problem with the \$10 billion in loan guarantees, right? We only have the first year. We have authorization from Congress, but it's at the discretion of the president every year thereafter, so if Bush is there, he could say, you know, use it as a club, you know. "If you don't give up Syria, I won't give you the money. If you don't give up the Golan Heights."

It's at the discretion of the president. And that's why we need a friendly president, and we have Bill Clinton's ear. I talked to Bill Clinton.

K: And Bill Clinton has made a commitment that if he's elected...

S: He's going to be very good for us.

K: And he'll go ahead with the loan guarantees?

S: We didn't talk about that specifically, listen. I didn't ask him that, but I have full confidence that we're going to have a much better situation. He's got Jewish friends. A girl who worked for me at AIPAC stood up for them at their wedding. Hillary lived with her. I mean we have those relationships. We have never had that with Bush.

Susan Thomases, who's in there, worked with me on the Bradley campaign. We worked together for 13 years. She's in there with the family. They stay with her when they come to New York. One of my officers, Monte Friedkin, is one of the biggest fund-raisers for them. I mean, I have people like that all over the country.

K: So, I mean from a practical point of view...

S: He's going to be with us.

K: I don't say, this business, you say, Bush only went ahead with the loan guarantees for one year.

S: We only have. It's mandatory they give us the \$2 billion for one year. After that it's subject to the discretion of the president.

K: You mean the other \$8 billion?

S: That's correct. On an annualized basis.

K: Also, I heard that...

S: They don't have to give it to us.

K: But if Clinton is elected...

S: I feel reasonably certain we're gonna get it.

K: He's made that commitment?

S: Well, he said he's going to help us. He's got something in his heart for the Jews, he has Jewish friends. Bush has no Jewish friends.

K: Right.

S: Reagan had something... meshuga, but at least he had a commitment. He knew Jews from the film industry, he was one of the best guys for us. He had an emotional thing for the Jews. Bush doesn't have it. That's what it is really, if you have a feeling for our people, for what we believe in.

Bush is, there's a man with no principles. Absolutely no principles.

K: I heard something about, but I never really understood it, with the scoring. One of my global warning protection system; so when if there's a missile fired, they'll get the same advance notification that the U.S., is notified, joint military exercises—I've got a whole shopping list of things.

K: So this is from Baker?

S: From Baker and from the Pentagon.

K: So, not so, not...

S: Why did he do it, you know, why did he do it? Last year I was a bum. This year I said, look Jim, we're going to fight on the F-15s. Israel doesn't want to fight, I said, but some people on it are going to come up on the floor of the Senate and the House and they're going to fight. If you'll do this, I think I can hold them back.

But you've got to do it right away. They didn't want to fight. I said, "You don't want a fight before the election. It's going to hurt Bush. We don't want a fight before the election. We don't want to fight at all. Why can't we work something out?" So we cut a deal. You can't repeat this.

K: You're right. But you met with Baker.

S: Personally.

K: Personally. Because you know, he's the one who cursed, who cursed the Jews.

S: Of course, do you think I'm ever going to forgive him for that?

K: Unbelievable. I said...

S: Do you think I could ever forgive Bush for what he did September 12th a year ago? What he said about the Jews for lobbying in Washington?

K: Do you think that Baker has a legitimate concern for the Jews? From what I hear, do you think he's anti-Semitic?

S: I wouldn't go so far as to say that. He's a pragmatic businessman, he's a very tough lawyer. He does whatever it takes.

K: And that's why...

S: If we didn't have an election this year, you would get [unintelligible] from him.

AL GORE

... "Very committed to us."

K: Let me ask you a quick question. Just a quick question here. You know Perot, you know, I'm telling you this is scary. I don't know what you think of Perot, but if Perot hadn't backed out, I watched the debates. I thought Perot did marvelous in the debates.

S: He doesn't know how to govern. He's not going to make it. And there was an incident where his daughter was going out with a Jewish professor at school and he said, "I wouldn't have my daughter marry a Jew."

K: So Perot, they say that if Perot hadn't backed out in July, and if he would have gotten himself a good running mate, you know...

S: He wouldn't win, but it would go to the House of Representatives. The Democrats would win in the House of Representatives.

K: So if it goes to the House, the Democrats would win for sure.

S: For sure.

K: OK, let me ask you, last question and then I'll be happy to meet with your New York people.

S: You know, you sound like my kind of guy. How old are you?

K: 42.

S: You're a kid.

K: I'm not a kid, I'm 42.

S: I'm 63, you're a kid.

K: I wish I was...

S: We'll have to get you involved. I like you, we have a lot to talk about, about real estate, you know, I have so many great activities going on at AIPAC, you ought to think about coming to some of these things.

I'll have a dinner this fall. I'll have 18-20 senators there. I run programs in Washington. We just had a, I had at Ted Kennedy's house last month [a] kosher dinner. I brought [the] foremost caterers down. I had 60 people on the couch for dinner. Last year, I did it in Al Gore's house.

K: Right.

S: Those are the things you should be getting involved in and knowing what's going on.

K: Let me just ask you about Clinton. I want to tell you, you may not believe this, but I think that if Perot...

S: Yeah, he would've given us a hard time. What's the name of your company, what do you do business as?

K: We do business as HK Inc.

S: HK Inc.?

K: Right.

S: Do you have a street address?

K: Sure. 621 Beach 129th St., Belle Harbor, Queens, N.Y. 11694.

S: Yeah, because on my computer you only show a post office box. This is your house? You work out of your house?

K: Yeah, out of an office in the house. Look, Mr. Steiner...

S: David. My father's Mr. Steiner.

K: David, let me just ask you about Clinton. Honestly, what do you feel about Clinton?

S: Well, I've known Bill Clinton for seven, eight years. I think he's got to be a lot better than George Bush. We have a lot of people in there. But he doesn't need money, he really doesn't need money. I'm a trustee of the Democratic National Committee. We collected \$63 million for him so far.

K: Who's collected \$63 million?

S: The Democratic National Committee and the Clinton campaign have raised \$63 million.

K: So they've already raised \$63 million, so they don't need money.

S: No, we need money, like we got a guy, [Rep.] Byron Dorgan [D], in North Dakota, who's going to be very good for us, and we need money to make sure that he gets in. We've got people like that, because [unintelligible], whatever you give them would be a tickle on the elephant's behind. But when you give \$5,000 or \$10,000 to Bob Kas-ten, that's very meaningful.

K: Let me ask you, I understand what you're saying. Clinton, when Clinton first started running a year ago, did he need money at that time?

S: Yes he did.

K: I mean, did you help him out, 'cause that's the time...

S: I personally am not allowed, as president of AIPAC, to get involved in the presidential campaign, because I have to deal with whoever wins. Friends told me there's a difference in the scoring, but I don't understand...

S: Scoring is like points that you pay [on the \$10 billion].

K: So let's say, if Bush is elected on the loans...

S: No, we've got the scoring arranged, it's 4.5 percent. It's all done.

K: That's all done, even with Bush?

S: Even with Bush. I've got that worked out.

K: So that's all done.

S: It's in the bill. It's all passed. He signed the bill. It's a matter of law.

K: So it's already 4.5 percent?

S: We could've had it less, but then we couldn't...

K: And Clinton, if he was president, he would give...?

S: He could not change it, you cannot change it.

K: No, but I'm saying, if he was president now, before the bill was signed, he would've given you the 4.5 percent.

S: I would've gotten less.

K: I'm sorry?

S: I would've gotten it cheaper.

K: How much? Even 2 percent?

S: Yeah, we thought we were going to get 2 percent. But [Israeli Prime Minister Yitzhak] Rabin gave it away.

K: You mean Rabin didn't bargain as good as he could have?

S: That's right.
K: Unbelievable. So, if Clinton is elected, that will be the best . . .
S: I think that will be the best we could do.
K: You know, I just want to tell you one last thing. Do you have parents that come from Europe?
S: Yeah, of course, from Głogów, near Kraków.
K: You're kidding, your parents are from Kraków?
S: Near Kraków.
K: Guess what?
S: You too?
K: My parents are from Kraków.
S: Well, we're not from Kraków, but from near Kraków. My mother's from Rudnik, my father from Grunów, near Tarnobrzeg. Do you know where Tarnobrzeg is?
K: Yes. Let me tell you . . .
S: . . . don't have many left. Everybody got killed.

K: Let me tell you. The same with me. Let me tell you, my parents were the only ones who came out. Let me tell you, my . . .
S: You're a Holocaust survivor?
K: Yeah. No, not me, my parents.
S: That's some experience, I've got two cousins, I've got one in Israel and one in France that came out of Mauthausen, I'll tell you, and everybody else dead on my father's side, in Russia. I just brought six of them from Koshkent to Israel last year.

K: Right. Let me tell you that, you know what my father always says? My father was a rich man in Poland, and he says, he says, "Economic power is very good. You have to have money, but if you just have economic power and you don't have political power . . ."

S: You've got nothing.
K: You've got nothing.
S: If we had AIPAC in the 1930s and '40s, we would have saved millions of Jews. We would have had the political power. But Jews were afraid to open their mouths. They didn't know how.

K: AIPAC started after W.W. II?
S: Oh, sure.
K: And if you would have had AIPAC in the '30s?
S: I feel we would've saved a lot of Jews.
K: And Franklin Roosevelt, he could've done a lot better?

S: Sure, he could. The Jews never opened their mouths. They were afraid.
We're not afraid. They can curse me out, I don't care if they hate me, just as long as I get what we need for our people.

K: So if you had a little lamp, a wishing lamp, and you could wish for either Bush, Clinton or Perot . . .
S: Clinton.

K: Clinton all the way? And in terms of Israel having political power, between the three candidates, the one who will give us the most political power?

S: Clinton is the best guy for us.
K: He's the best one.
S: I hope you're serious about what you told me?

K: I am, I'll tell you this [tells a long anecdote about Justice David Souter promising to oppose abortion as a nominee and then reversing himself on the Supreme Court]. So I wish we had a Jewish candidate for president.

S: I don't think the country's ready.
K: If the country was ready, is there any Jewish candidate?
S: I wouldn't venture to say anything.

K: You know who? I don't know him, I've never met him, [Sen.] Joe Lieberman [D-Conn.].
S: Oh, I'm very friendly with Joe. I'm having dinner with him Monday night.

K: Let me tell you, I think Joe Lieberman would have, uhh, would have, if he wasn't Jewish, that's the only problem he has. He's highly respected.

S: I'd like to see him on the Supreme Court.
K: If Clinton is elected, has he told you who he's going to put on the Supreme Court?
S: We're talking now. We don't have, no commitments yet. We're just negotiating. We're more interested right now, in the secretary of state and the secretary of National Security Agency [national security adviser]. That's more important to us.
K: If Clinton is elected, who do you think will be secretary of state?
S: We don't know yet, we're negotiating.
K: Who are you hoping for?
S: I've got a list. But I really can't go through it. I'm not allowed to talk about it.
K: But you figure. God willing, if Clinton's elected . . .

S: We'll have access.
K: You'll have access and you'll have a good input into who's secretary of state.
S: I do believe so.
K: And the other position is . . .
S: National security adviser.
K: Those are the two critical positions.
S: Right.
K: Gotcha. Well, David, thanks for talking with me.
S: And we're going to get together next week. I hope you'll have your checkbook ready.
K: Will do.
S: OK, thanks.
K: And let me ask you about the real estate . . . [more talk about irrelevant issues].

WHAT HAS HAPPENED TO: YOUR LIBERTY??

LIBERTY IS A RIGHT equally endowed to everyone by the Creator of all nature to freely do anything he/she chooses, that is within his/her ability, that is not a transgression on a Natural Right or other property of another individual.

In other words, Liberty is, complete freedom of thought, choice and action with responsibility. The opposite of Liberty [though seldom recognized as such] is always some form of servitude or slavery resulting from coercive acts of others.

The Right to Liberty includes but is not limited to: the absolute right without taxation, regulation, permit, license or hindrance from others, to all of the fruits of one's own labor; to have means of one's own choice for defence of self, loved ones, property and country; to freely travel, express, associate, trade, contract, give and receive; to one's own beliefs; to search for truth and to teach. Liberty is a God-given Unalienable-Right of everyone to freely choose, to act, to privacy, and to be let-alone to govern his/her own life without interference from others.

When children are not taught the true meaning and value of Liberty (as is now the case in the United States of America) career-politicians thrive and plunder as if they owned the people and their property. They shackle the people with the invisible slave-chains of licenses, regulations and imposed-debt! To finance these invisible slave-chains, politicians burden the people with huge loads of impoverishing taxes on their labor, other property, and trading. By submitting to the legalized-theft of the fruits of their labor (which enriches parasitic politicians) the people unwittingly abandon their God-given Right to Liberty! To keep the people entrapped, career-politicians 'invent a maze' of [so-called] victim-less crime laws. These Liberty destroying laws control the enslaved-victims with the instilled fear of heavy fines, and imprisonment...for acts that harm no other individual.

When the true meaning of Liberty is forgotten, Real-Prosperity, True-Justice, and Genuine-Freedom...VANISH!! The people are reduced to impoverished dependents (for their votes), and docile tax-slaves of political-parasites. This sad situation is: Socialism – deceptively called democracy! Socialist-Slavery (disguised as democracy) IS NOW, exploiting our labor, oppressing our lives...and replacing our Constitutional Republic! Which was to guarantee: **YOUR LIBERTY!!**

POLITICALLY CORRECT?

I am here accused of being "politically" incorrect in the way I present my speeches to persons with whom I disagree on matters of Truth and spirituality. What in the world do you mean? I am amused that simple language terminology according to dictionary or Biblical definement are not sufficient to keep the lawsuits from the door. Does calling a shovel a "spade" or a "scoop implement" or a "digging device" make it more a "shovel"—or less? This is what has happened to all your foundational communications resources. A "thing" in description at one time is not THE description at another time. For instance, when I said that the "swine" who would keep information of Russell from the public, etc., was stated—it was immediately assumed and accepted as totally degrading in that I was calling those people, there, pigs. I was referring to the symbolic message of "casting pearls before swine and being trampled beneath the feet of...." Further, without specifics as to identification of "who", it was immediately established by the receivers as to "who" it "must" be. Was it accepted by the "correct individuals"? Possibly, but then, if shoes fit I always suggest they be worn if suitable.

If I were to call someone, say Georgeo Greenspanus, an "...ignorant, stupid substitute for a human who is a bore and an airhead who is a failure, spacey and dishonest"—would he likely be furious with me? What if I refer to him as a "Knowledge-base nonpossessor, cerebrally challenged, heifem who is a cerebro-atmospheric individual who is incompletely successful, somewhat differently focused and ethically disoriented?" What if I refer to a "Black" or "Hispanic" as "melanin saturated" or a "White" as "melanin deficient"? What if I refer to a bald man as "fallicularly challenged"? Or, a short man as "vertically challenged"? Or, a fat person as "horizontally challenged"? The facts ARE: it would become amusing, politically correct and no-body would know what in the heck I said. Isn't it true anymore that "Racist" actually means a politically correct way of saying "I disagree with you"? My "thanks" for the explicit definitions used above to Henry Beard and Christopher Cerf who have presented *The Official Correct Dictionary and Handbook* (Villard Books, \$10). A small smattering of the contents have been forwarded to me from Mr. Tips whom I also thank for sharing.

What point could I be making here in the middle of "thought" discussions as associated with reality and illusion and the manifestation of either? Simple—you are trained continually to perceive EXACTLY that which is intended to disorient you and all your perceptions relative to "what IS".

COMMUNIST GOALS

"Oh", you say, "now we are going to get the anti-Semite poking and the Communist intent to take the nations of the world." Well, GOOD FRIENDS, the Semites are NOT the Khazarian so-called Jews and the so-called "Jews" in reference ARE the ones who established and continue the Communist regime so you take your druthers while I offer a thought-provoking (I hope) look at something from your Congressional Record, Thursday, January 10, 1963. I don't believe I need make comment at all for even if you are "POLITICALLY CORRECT" you may yet be able to see the intent of the handwriting on the walls of your globe.

CONGRESSIONAL RECORD 45 COMMUNIST GOALS

CURRENT COMMUNIST GOALS
EXTENSION OF REMARKS
OF
HON. A.S. HERLONG, JR. of Florida
IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 1963

Mr. HERLONG: Mr. Speaker, Mrs. Patricia Nordman of De Land, Fla., is an ardent and articulate opponent of Communism and until recently published the *De Land Courier*, which she dedicated to the purpose of alerting the public to the dangers of Communism in America.

At Mrs. Nordman's request, I include in the RECORD, under unanimous consent, the following "Current Communist Goals", which she identifies as an excerpt from *The Naked Communist*, by Cleon Skousen:

CURRENT (1963) COMMUNIST GOALS

1. U.S. acceptance of co-existence as the only alternative to atomic war.
2. U.S. willingness to capitulate in preference to engaging in atomic war.
3. Develop the illusion that total disarmament by the United States would be a demonstration of moral strength.
4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.
5. Extension of long-term loans to Russian and Soviet satellites.
6. Provide American aid to all nations regardless of Communist domination.
7. Grant recognition of Red China. Admission of Red China to the U.N.
8. Set up East and West Germany as separate states

in spite of Khrushchev's promise in 1955 to settle the German question by free elections under supervision of the U.N.

9. Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long as negotiations are in progress.

10. Allow all Soviet satellites individual representation in the U.N.

11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the U.N. as by Moscow. Sometimes these two centers compete with each other as they are now doing in the Congo.) [H: I think most of you can name several places around your globe even more evident as example—TODAY.]

12. Resist any attempt to outlaw the Communist Party.

13. Do away with all loyalty oaths.

14. Continue giving Russia access to the U.S. Patent Office.

15. Capture one or both of the political parties in the United States.

16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.

17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

18. Gain control of all student newspapers.

19. Use student riots to foment public protests against programs or organizations which are under Communist attack.

20. Infiltrate the press. Get control of book-review assignments, editorial writing, policymaking positions.

21. Gain control of key positions in radio, TV, and motion pictures.

22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."

23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."

24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.

25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.

26. Present homosexuality, degeneracy and promiscuity as "normal, natural, healthy".

27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch".

28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state".

29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.

30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern

for the "common man".

31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the "big picture". Give more emphasis to Russian history since the Communists took over.

32. Support any socialist movement to give centralized control over any part of the culture—education, social agencies, welfare programs, mental health clinics, etc.

33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.

34. Eliminate the House Committee on Un-American Activities.

35. Discredit and eventually dismantle the FBI.

36. Infiltrate and gain control of more unions.

37. Infiltrate and gain control of big business.

38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat.

39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use united force to solve economic, political or social problems.

43. Overthrow all colonial governments before native populations are ready for self-government.

44. Internationalize the Panama Canal.

45. Repeal the Connally reservation so the United States cannot prevent the World Court from seizing jurisdiction over nations and individuals alike.

[END OF QUOTING]

So now let's look at those old *Protocols* in the "short" form:

[QUOTING:]

LETTERS AND PROTOCOLS OF ZION ELDERS

From the *Revue des etudes Juives*, published in 1889, is again presented for you who may not have prior writings or a copy of this document:

Dear beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

The advice of the Grand Satraps and Rabbis is the following:

1. As for what you say that the King of France obliges you to become Christians: do it, since you cannot do otherwise, but let the law of Moses be kept in your hearts.

2. As for what you say about the command to despoil you of your goods [the law was that on becoming converted, Jews gave up their possessions]: make your sons merchants, that little by little they may despoil the Christians of theirs.

3. As for what you say about their making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.

4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.

5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix themselves up with

the affairs of State, in order that by putting Christians under your yoke you may dominate the world and be avenged on them.

6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

Signed V.S.S.V.F.F.,
Prince of the Jews, 21st
Caslue (November), 1489.

In the year 1844, on the eve of the Jewish Revolution of 1848, Benjamin Disraeli, whose real name was "israel", and who was a "damped", or baptised Jew, published his novel, *Coningsby*, in which occurs this ominous passage:

"The world is governed by very different personages from what is imagined by those who are not behind the scenes."

And he went on to show that these personages were all Jews.

Now that Providence has brought to the light of day these secret Protocols all men may clearly see the hidden personages specified by Disraeli at work "behind the scenes" of all the Governments....

FUNERAL ORATION: RABBI REICHHORN RE: GRAND RABBI SIMEON-ben-IHUDA

Prague, 1869

1. Every hundred years, We, the Sages of Israel, have been accustomed to meet in Sanhedrin in order to examine our progress towards the domination of the world which Jehovah has promised us, and our conquests over the enemy—Christianity.

2. This year, united over the tomb of our reverend Simeon-ben-Ihuda, we can state with pride that the past century has brought us very near to our goal, and that this goal will be very soon attained.

3. Gold always has been and always will be the irresistible power. Handled by expert hands it will always be the most useful lever for those who possess it, and the object of envy for those who do not. With gold we can buy the most rebellious consciences, can fix the rate of all values, the current price of all products, can subsidise all State loans, and thereafter hold the states at our mercy.

4. Already the principal banks, the exchanges of the entire world, the credits of all the governments, are in our hands.

5. The other great power is THE PRESS. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders. (There were no "radio" or "TV" at the time.)

6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christians into political parties; we shall destroy the unity of their nations; we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW OF OUR BANK, always united, and always devoted to our Cause.

7. We shall force the Christians into wars by exploiting their pride and their stupidity. They will massacre each other, and clear the ground for us to put our own people into.

8. The possession of the land has always brought influence and power. In the name of Social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters. We in our turn shall become the great proprietors, and the possession of the land will assure the power to us.

9. Let us try to replace the circulation of gold with paper money; our chest will absorb the gold, and we shall regulate the value of the paper which will make us masters of all the positive's.

10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall

spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating Christian capitalism. We shall

promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that *our profits will be greater still*.

11. In this manner we shall prepare Revolutions which the Christians will make themselves and of which we shall reap the fruit.

12. By our mockeries and our attacks upon them we shall make their priests ridiculous—then odious, and their religion as ridiculous and as odious as their clergy. Then we shall be masters of their SOULS. For our pious attachment to our own religion, to our own worship, will prove the superiority of our religion and the superiority of our souls.

13. We have already established our own men in all important positions. We must endeavor to provide the Goyim with lawyers and doctors; the lawyers are *au courant* with our interests; doctors, once in the house, become confessors and directors of consciences.

14. But above all let us monopolize Education. By this means we spread ideas that are useful to us, and shape the children's brains as suits us.

15. If one of our people should unhappily fall into the hands of justice amongst the Christians, we must rush to help him; find as many witnesses as he needs to save him from his judges, until we become judges ourselves.

16. The monarchs of the Christian world, swollen with ambition and vanity, surround themselves with luxury and with numerous armies. We shall furnish them with all the money their folly demands, and so shall keep them in leash.

17. Let us take care not to hinder the marriage of our men with Christian girls, for through them we shall get our foot into the most closely locked circles. If our daughters marry GOYIM they will be no less useful, for the children of a Jewish mother are ours. Let us foster the idea of free love, that we may destroy among Christian women attachment to the principles and practices of their religion.

18. For ages past the sons of Israel, despised and persecuted, have been working to open up a path to power. They are hitting the mark. They control the economic life of the accursed Christians; their influence preponderates over politics and over manners.

19. At the wished for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christianity will definitely enslave the Christians to US. Thus will be accomplished the promise of God made to His People.

[END OF QUOTING]

I believe you are quite capable of evaluating "where you are" from measurement against the foregoing. You've come a long way, Baby!

Now how does this come into your daily lives in such a way as to be able to discern and judge circumstances? For one thing you can get the information we have offered and STUDY it. Or, you can continue to wade through bits and pieces as presented hither and yon and hopefully get enough to have a "picture" of that which is coming and has already come upon you.

The Four Horsemen Of The Apocalypse

MANIPULATOR-CONTROLLERS, MERCHANTS, MONARCHS, BANKERS AND THIEVES

Article I—Section 1

The present series of writings will be an elaboration and extension of the last series of articles, "Mystery, Babylon the Great", will present examples related to the Four Horsemen of the Apocalypse. Hopefully, these examples will provide some identification of these "horsemen", which I believe are planned, prophesied, and symbolic stages along the way to the end of this cycle of time. Remember, in these prophecies it is Babylon the Great and the Great Beast she sits upon that claim the major roles of the apocalypse. This "great beast" has been with us for some time, but has remained more or less hidden. We have been fooled into thinking that our present world is composed of about 175 sovereign nations on Earth. The Truth is that all, or most, of them have been manipulated and controlled by a financially and politically powerful group of greedy men at the core of governments (who control the "beast"), especially in the these latter days. What has brought us to the threshold of their planned world holocaust?

The answer lies in part with the meaning and the revelation of the "Four Horsemen of the Apocalypse", and all the ramifications of these symbolic presentations. Think of each "horseman" as an empire—however, not necessarily or solely a duly represented government but a POWER with all its allies, pushers of propaganda, military establishment and aggression, "religious", financial and political ends.

I shall start with the "first horseman". Ref.: *Book of Revelation*, Chapter 6:2, (quote):

And I saw, and behold a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering and to conquer. (End quote)

The "bow" has been used for millennia as a weapon to conquer other people and also to secure game for food. In fact, conquering other people has been a promoted and accepted way of life for longer than I know. I will limit my several examples to the last 2,000 years—the years that began with Esu/Immanuel's (pronounced Immanuel) teachings, and will end with his return.

Unfortunately, most of Immanuel's teachings were treasured by only a few, and understood by fewer still. Immanuel (now known as Sananda) states in the book, *And They Called his Name Immanuel, I am Sananda*, that only a remnant of his teachings remain in the *New Testament*. Further, we also know via the actions of the Roman Catholic Church during the Crusades that even most of the teachings that remained were not followed by his supposed representative ("Vicar") on Earth, the Pope.

The Crusades were promoted by the so-called "Christian Church" and the "Elite" of Europe, giving no respect or adherence to God's Laws which Immanuel taught (i.e., do no murder, no theft, no covetousness, etc.). These Laws were totally suppressed by the Church during the Crusades and their aftermath when the Roman Catholic Church was attempting to establish its own "empire" during the 11th, 12th and 13th centuries. In other words, like all other manipulator-controllers, they demand others do what they say, not what they do.

In the case of the Crusades, and elsewhere, the Pope's edicts totally disregarded God's Laws.

It should be remembered here that most of the Popes, especially of the early Roman Catholic Church, were members of the "Elite"—second sons who were not in line to inherit name or property, but who were nevertheless closely aligned to the powerful financial interests of the world. Pope Urban II (Pope 1088-1099), the formidable promoter of the Crusades under the so-called "religious" propaganda of "recovering the holy-land from the infidels", was a member of an aristocratic French family.

As a result of the Crusades and the temporary capture of Jerusalem, certain "Elite" claimed the title of "King of Jerusalem". The present Juan Carlos of Spain so claims it today, as do others of the "Merovingian" blood-line.

One must consider why anyone, especially after 800 years, would have the apparent arrogance to even suggest that such a "title" held any real or practical meaning today unless these "Elite" are still working on a plan to claim this title in fact. Such appears to be the case with both King Juan Carlos and the Merovingians (Ref.: *Holy Blood, Holy Grail*).

Consider well this example of the "good guy" on the white horse, Pope Urban II, and how he was able through emotionally stirring, "religious" propaganda to mobilize armies of European men, who paid for their own supplies and weapons, to undertake a long, bloody, "holy" crusade to capture Jerusalem, ultimately for the "Elite". Most of the men never returned, their families were left destitute and became victims of the liars and thieves who stayed home—many of them "Elite" and Churchmen! It is awesome what a well-orchestrated, propaganda campaign of lies can accomplish among ignorant and trusting people.

That the "Christian" Church would declare Jerusalem the "holy-land" is itself in total conflict with the fact that it was in Jerusalem that the one they call "the Christ" was hung on the cross, and that the *Book of Revelation* calls Jerusalem "Sodom and Egypt" (Rev. 11:8). Even today the same kind of "religious" propaganda carries great weight with many possibly well meaning but ignorant people, who are ready to do whatever it takes (war, theft, assassinations, etc.) to set-up this "holy-land" again, now under the "Jews"! (The man on the white horse again—or in other words, an aggressive idea pushed and promoted by a powerful group under a false claim of "goodness". In fact, the idea of the Jews' return to Jerusalem also carries the intent that a "King of the Jews" will be "given a crown" at some point in the plan and prophecy. Read again Rev. 6:2.)

This is an aside: The word "holy" was given to all the Roman Emperors, including Constantine who made the "Christian" religion a state religion. The word "holy" was used also to describe the Empire of Rome, the City of Rome, the Roman Catholic Church and later the *Bible* authorized by the Church, which was compiled about 300 years after Esu/Immanuel left Jerusalem. In fact, the title: *Holy Bible* was not coined until the ninth century. Prior to that time the various compilations were called Codexes and titled mostly after people associated with them or according to their locations (i.e. the *Codex Ambrosianus*, *Codex Vaticanus*, *Codex Sinaiticus*, etc.). Given the above makes it easier to understand the Church's frequent, liberal, assumed and sometimes inappropriate or false use of the word "holy", now largely accepted to mean "Godly" or "sacred", etc. The use of the word "holy" has always been intended by the manipulator-controllers to cloak their activities in some kind of supernatural light—great propaganda, to which most of the unknowing succumbed, keeping these controllers in power! Of similar propaganda value is the phrase "divine right of kings", etc. Kings are, in my opinion, men who want you to think they are somehow better than you so they can rule over you. They have no intention of ruling you by God's Divine Laws, much less of following those Laws themselves. Their "divine rights" are intended to allow them to not comply with the Laws.

Many sincere persons, having had an experience of God's Goodness, and having been taught that the *Bible* is "holy", or the "Word of God", accept it as "the Whole Truth and nothing but the Truth"! Some of it is TRUE! Nevertheless, what is needed is discernment. For example: would God, Whose Law is, "Thou Shall not kill", send His Son to be killed for your sins? No. God has set forth His Laws by which we are to live, and Esu/Jmmanuel was sent to teach men these Laws. We are responsible for what we do. At the time of Esu the people of Jerusalem largely believed in the efficacy of animal sacrifice for their sins and other "benefits", as did many groups other than the Hebrews. The Apostle Paul, who had been a strict observer of Judaism prior to his conversion to "Christianity" proclaimed what he believed Esu/Jmmanuel's death on the cross signified—a sacrifice for the sins of the whole world, once for all! Unfortunately, neither Esu's disciples nor Paul understood the matter, and Paul's interpretations were taken up later by the Roman Catholic Church and became their entrenched doctrine of "salvation"! It seemed better to many people that the one sacrifice should finally end all the bloody sacrifices of the previous centuries, and the Catholic Church built their following thereon. Nevertheless, it was simply a new version of the old blood sacrifice—a false teaching, as the animal sacrifices were false teachings. Christians must take a good look at it, compare it with God's Laws, compare the practices and laws of other potentates also with God's Laws and learn the TRUTH of what passes now for "good government", "Christian Churches", as well as Judaism, Talmudism, Mohammedism and all the other -isms. Many may claim that they follow God's Laws, and many one-worlder propagandists want you to believe that all the various "religions" agree on basic issues—but do they? The time has certainly come, if it has not passed, when men must consider these things.

The "Holy" Roman Catholic Church, during and after the demise of the "Holy" Roman Empire, tried to gain world dominion for itself based on its assumed claim of being the only true Church and Christ's Vicar on Earth. This claim was supported and enforced by various "soldiers of the cross", including rulers, Crusaders, Knights Templar, Teutonic Knights, Inquisitors, Bishops and Cardinals of the scattered diocese. The Church's power was consolidated within the ruling houses via its claim to the right to crown the heads of the "Holy" Roman Empire, as well as to declare titles on those who contributed to their land grabs, political power, or their purse. It was further consolidated in the sixteenth century through use of the Jesuits as private confessors to the ruling class, and also via the Pope's declaration of infallibility!

So the Popes created the rulers from those who supported the Church. It was the rulers who granted charters or contracts to the merchants, decided who coined the money, who could lend money at usury, and who could buy or sell goods in their territory. (Of course, rulers who made the "wrong" decisions did not last long.) Naturally there were many ups and downs in such a system, and it did not maintain itself intact. Nevertheless, much of its assumed prerogatives and monopolies continue in other, more subtle forms today. The results have been the present suppression and undue privation of all but the "Elite".

We need to back up a little and realize just who these rulers and merchants were. Most of them were Goths, and related to those who had come from Gothland about the turn of the first millennium (aka Khazars). Many had gained their rule and their wealth through bloody wars, piracy, slave trading, usury and monopolies. In fact, there were many wealthy merchants prior to the Middle Ages. Foremost were the Phoenicians, who established two of the first city states of biblical times—Tyre and Sidon (located in the area of present-day Lebanon). These were autonomous merchant towns, ruled by independent merchants who took no responsibility for the people or territory around them, and who

paid no taxes. They were phenomenally wealthy and set the patterns for later trade guilds, burgher towns, Hansa Leagues of North Germany and Baltic areas, as well as German Free Towns which prospered during the Middle Ages under the protection of the rulers. These wealthy merchants paid no taxes. They were given charters by the rulers allowing them to trade with foreign people, buy and sell goods for foreign and domestic trade, and even set up colonies in foreign lands. Members of the Hanoverian Kingdom of Northern Germany, as well as people like the Fuggers/Rothschilds, Mendes family, and House of Orange (Princes or Kings of the Netherlands and England) were major players in the market and its resulting, huge financial opportunities. The present English monarchy is descended from the House of Hanover and related to the Rothschilds through the Montgomery family (Ref.: Audio tape by Myron Fagan: "Illuminati"). The powerful Krup family of Germany was established by a wealthy merchant (a burgher). The present Queen of the Netherlands is descended from the House of Orange, and related also to the Rothschilds (via the Fuggers) and to the English Monarchy, to name a few of the relationships. North America was originally opened up by just such monopolistic merchants operating as companies under the authority and protection of the "Crown" (i.e., the Hudson Bay Co., etc.) with ownership in the company held by the titled and wealthy people of Europe. Descendants of these same people are what is known today in the U.S. of A. as the "Eastern Establishment", or pro-monarchy/monopolistic merchants of long established blood lines and financial dynasties.

The foregoing is a thumbnail sketch of the precedents to the British East India Company, which was the pattern for the Committee of 300, which includes members from the wealthy dynasties of the former merchants and their collaborating kings. At the time of the demise of the Hansa Leagues (middle of the 16th century) the Fuggers (aka Rothschilds) became closely aligned with Britain. It was at this time that the British East India Company (BEIC) began some trade in India. BEIC was in competition with the Dutch East India Company and with Portuguese traders. The names of the BEIC stockholders reads like a list out of *Debrett's Peerage and Baronetcy*, according to Dr. John Coleman, who had access to some old BEIC archives at one time. The books available to me describing the BEIC do not list the names of its stockholders. You will find many English "Peers", and "Peers" of other countries among Dr. Coleman's list of the Committee of 300. Also, some histories of various Peers reveal their involvement in trade and in India, China, Persia, etc. Of course, France, Germany, Spain and the Netherlands also developed a wealthy merchant class, most of them with titles, and most of them closely aligned with each other as various members intermarried, were co-religionists, set up trading business in various lands and conducted business with relatives and partners. The Mendes, Texiera, De Costa and Jorge families are good examples. Unfortunately, there is not space or time to include all of the history. What is given is meant to provide a kind of map with some examples so that it will be easier to understand how our present society arrived at its present condition on the eve of Armageddon.

History buffs may recall that most of the early colonizations by various countries and rulers were promoted to the common citizen of the aggressor nations as a good or necessary activity (that man on the white horse again). Certainly the history of the BEIC can all too easily be made to look like a glowing example of the British people's contribution to the development of the world and its trade. One will be able, upon a closer look, to see that was far from the case. The BEIC was a private company owned by private stockholders, among them the monarchy, who waged war on India and China for purposes of monopolistic trade. The common citizens were used to support

and fight for these questionable ends, helped greatly by England's propaganda of "free trade".

The BEIC started out with small trading fleets sailing around the African Cape of Good Hope, stopping at Aden in Yemen, and continuing on to India and the East Indies. They set up forts at various ports for the protection of their goods and men—keeping a cadre of armed men for that purpose. Eventually the trade extended to Shanghai, Hong Kong, Persia, etc., and the BEIC had eliminated or put aside the Moghul Emperors of India and most of the lesser princes. Their army grew, becoming larger than any in Europe, supported in part by Great Britain and in part by taxation of the Indians, yet they were a "private company", with home-base in the City of London. For those of you who are unaware of it, the City of London is a small autonomous area governed by the hierarchy within it (similar to the old Hansa Towns, Tyre, Sidon and German Free Towns) and not under the control of the government of larger London or of Great Britain.

There were numerous revolts in India. A general uprising occurred in the Punjab about 1857, caused by the BEIC's attempt to force changes in some religious practices. There was great loss of life amidst heavy and vicious fighting. The British people objected and Parliament decided to end the BEIC.

BEIC's trade was purported to be largely in "tea". However, the several accounts of the governors in India (assigned by the company in London) indicate that the BEIC sent huge amounts of money to China for tea, which apparently never realized the expected profits. In fact, the BEIC was said to be a losing business proposition for most of its life and just before Parliament put an end to it. However, you need to know that, according to Dr. John Coleman, the major commodity carried in those tea clippers was opium, not tea. Additional significance of utmost importance to this fact will be apparent further on in this writing. Nevertheless, stockholders of the "financially losing" company were paid twice the value of their stocks when Parliament terminated the BEIC, and put India rule under the "Crown"—Queen Victoria, a heavy investor in the BEIC (the fox guarding the hen house). From that point India was governed by the Queen through her various "knights", Peers of the realm. Further, a council was set over Indian affairs of which more than half of the members were former directors of the BEIC! I could locate no information on their names or how trade and business activities were handled by them. However, it appears that the established business more or less continued under former BEIC affiliates, but the cost of government was now assumed by the "Crown", the people of India and Great Britain. In fact, it appears that the monarchy deliberately and historically provided a mask of legitimacy to the operation from the start, reaping rewards unknown to most of the Britishers. I say this with good reason.

You may have heard that England went to war with China in 1840, seventeen years before the "end" of the BEIC. The reason given out by the English government was the absolute necessity to maintain "free trade". However, the "trade" under dispute was opium! China had been trying to limit the use of opium among her people for sometime due to its destructive effects. They had forced surrender of all the stocks of opium held by foreign merchants and destroyed it. England declared war and bombarded China's southern coast. As a result of China's defeat (she was an agrarian nation), England demanded \$21,000,000.00 indemnity. \$6,000,000.00 was exacted to pay for the destroyed opium. So now you have an idea of the value of the "BEIC's" opium trade with China in 1840. In fact, as a result of this opium war England obtained concessions in Shanghai and Hong Kong, as well as other cities, forcibly opening them to the drug trade. These concessions are mostly still in place.

It may surprise you to learn that David Sassoon, who claims descent from the Jewish House of King David, had a monopoly on the opium trade! I quote

from *The Encyclopedia of Jewish Knowledge*, Ed. Jacob De Haas, Behrmans' Jewish Book House, N.Y., 1944 (quoting:)

(These pictures were taken from the *Encyclopaedia Judaica*.)

David Sassoon (b. Baghdad, 1792; d. Bombay, 1864) was founder of the firm. He was the son of a Mesopotamian merchant, who was treasurer of the Turkish governor of Baghdad, and recognized by the Jews in the Orient as a Nazi, Prince of the Captivity, and perhaps one of the last Jews formally so addressed. David Sassoon carried on his banking business in Baghdad till 1822 when he went to Bassorah and then settled in Bombay to which he brought his family in 1832. He extended his business by branches to Calcutta, Shanghai, Canton and Hong Kong, and by obtaining a monopoly in the opium trade that reached out to Yokohama and Nagasaki, Japan. He built magnificent synagogues and Hebrew schools in Bombay and at Puna, homes for sailors, and a considerable number of educational and philanthropic institutions. He endeared himself to the British by his attitude during the India mutiny of 1857, and his liberal support to widows and orphans of the British relief expeditions. A statue in his memory was erected in Sassoon Mechanics Institute of Bombay and a bust in the Albert Memorial in London. (End quote)

David Sassoon left many descendants.

Certainly, the above speaks for itself. It also provides a base of knowledge from which to view the later Balfour Declaration of 1917 which opened the door for the return of the Jews to Palestine, as well as the participants to this "Declaration", many of whom will be identified as descendants of persons already noted in this article, members of the BEIC or the Committee of 300. The Balfour Agreement will be the subject of the next writing, Article I, Section 2 of this sketch of the "Four Horsemen of the Apocalypse".

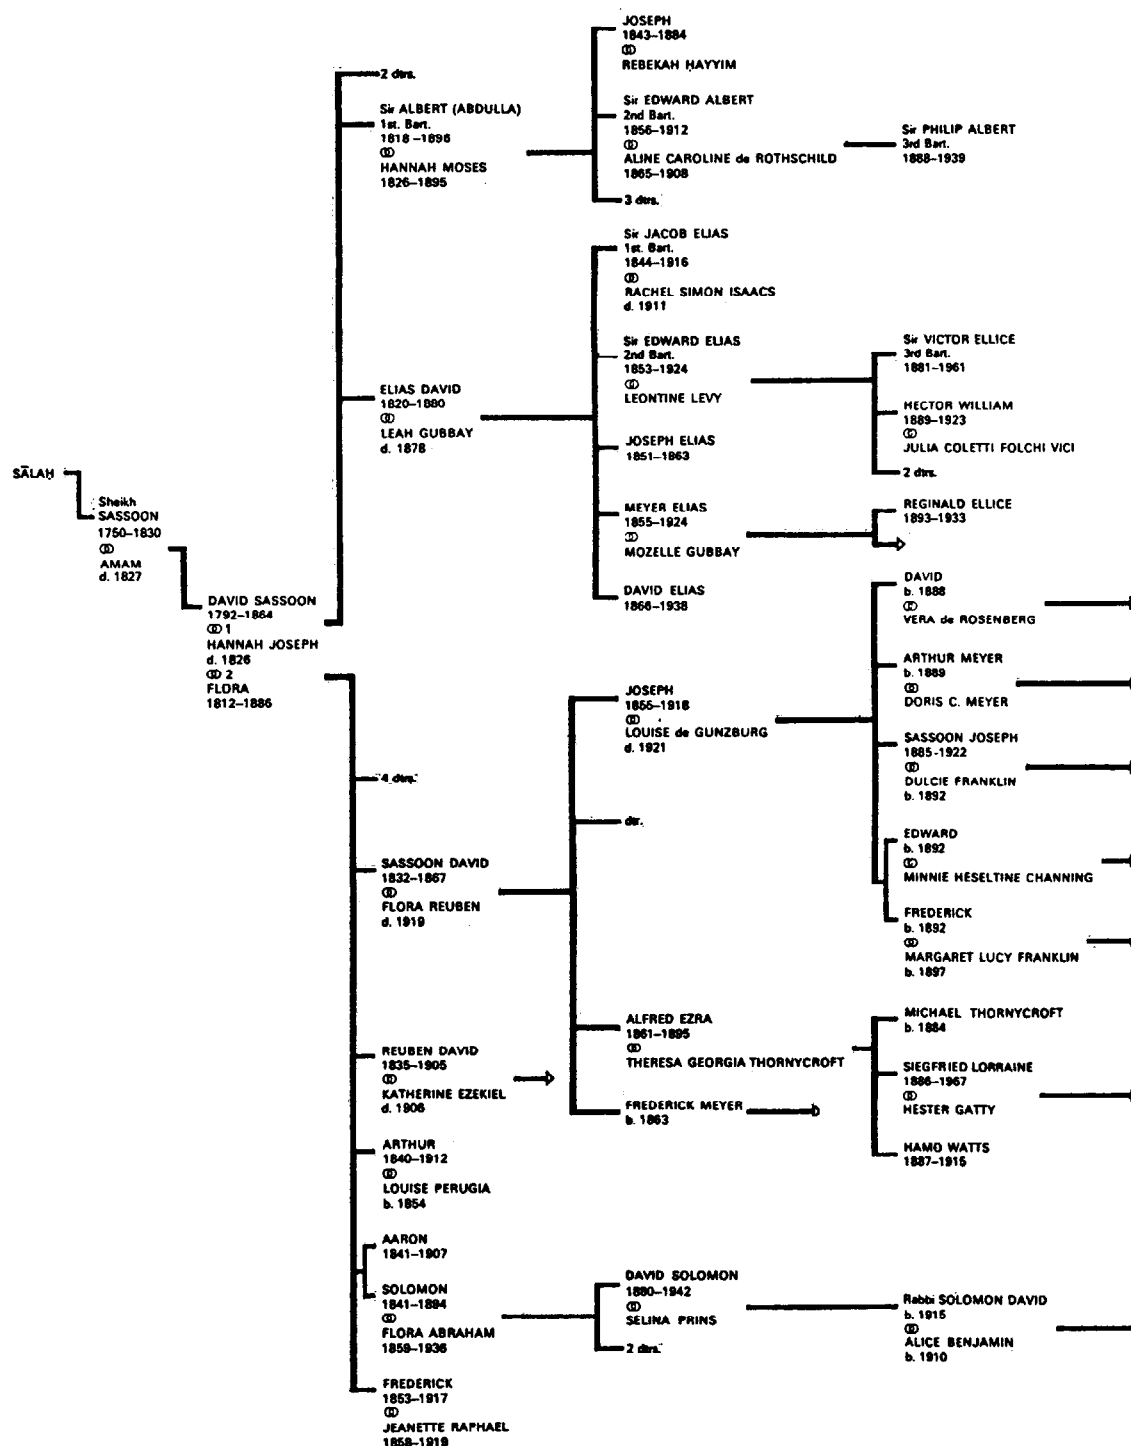

It could almost be said, and has been said, that the man on the white horse of the Apocalypse is represented by Great Britain, or the British Crown, and its colonizations. I rejected this idea because individual nations are generally spoken of in the feminine gender. To me, the 'man on the white horse', is more a persistent idea of empire conquering, which has been promoted as "right" and/or "good" by the people in charge in order to get men out to fight and support their aggression. While Great Britain is a prominent example of "empire conquering", this activity has been carried out by numerous groups including the Barbarians under Ghengis Khan and his descendants; the Turks against the Slavs, Armenians and Christians; the "Church" against the Turk. and "heretics"; the Jews against the Arabs; and of course the aggressions of Great Britain and others, including France, Germany, Russia and the United States. It can never be right to kill others and confiscate their property in the name of any "religion", trade, cause, ruler, or leader, however masked the corrupt intent may be.

Ultimately, I believe the "Four Horsemen of the Apocalypse" can not only warn us, but reveal our problems and how they got to their present state, as well as to reveal how far we have traveled away from God's Laws and the end results of such lawlessness. The final question will be: Whose "empire" are we talking about?

God's Hosts Are Here For This Cleansing & Sorting Time

HARMONY AND BALANCE AND IN-BETWEEN

Readers, the greatest traitor is that one who is traitor unto self. When mankind betrays himself in search for acquisition of that which is mere manifest "things", he is but trapped in a transient moment of what he believes to be "time" but is actually only a passage through a schoolroom.

When ones betray themselves in past times in perception, they shall pay dearly the consequences of such actions and shall, themselves, be persecuted in like manner.

For this the so-called suffering will be even greater for the Laws of God are just and quite precise. If the cycles continue unbroken, the persecutors of today will but be the persecuted of tomorrow and nothing changes except the players. Balance cannot come forth when there are but warriors coming and going. It has now come "the time" when some measure of balance MUST COME FORTH or the very Earth shall shift from the unbalance. Before another generation has been brought into full maturity, readers, this age shall bring about some measure of this balance for the crops are yielding such terror and pain in loss upon the manifest places that the very form cannot endure.

Man has learned to manipulate and control his little tiny world to the extent that he can totally destroy—but he has no method for producing other than MECHANICAL life-forms. Break down the mechanisms and there is no way to SURVIVE for there is nothing left to survive.

The totality of balancing that which is God's is not for any MAN to realize as to where, how and when these things shall come about. You can see them all about you but the very mystery of God's perfection denies you to realize all—even if you KNOW all.

It is now come upon us the "time" of great cleansing and darkness shall be lighted in truth. We of greater wisdom and insight shall be allowed the privilege of being positioned to oversee these conditions of so-called time and space. It is with the greatest wisdom and knowledge of the law of LIFE, and its fullness everlasting, eternal, that we are prepared to do that which is given unto us to accomplish in each and every situation which entails that of cosmic proportions. Do not consider your "space" nonsense as COSMIC interactions for it is NOT.

Most will simply turn a deaf ear to us and shall turn from visual interactions with us. So be it for it is of their own choosing in all circumstances. The fool listens unto himself in his ignorance and in his own pride and spouts off about those things of which he knows nothing in reality. Man even unto himself gives credit for great wisdom while he goes headlong into destruction of himself and others who listen and accept his foolishness.

Each individual, in goodness or evil presentation, shall bear his own part, be it large or small, a day or aeon, for none shall escape the law. Many now come forth who KNOW truth and are given to bear the lamps of that truth and others who shall "show the way". You

of these ones shall be prepared, for great changes shall come about upon the Earth Shan as always come to pass in the manifested places of Creator.

I would caution about "Fear", readers, for there is a difference in actual "fear" and that of reasonable fright and even moreso between that of fear and terror. When we speak of "having no fear" it is because we know that those who are unlearned shall be filled with fear, and panic shall be their part. We, the Hosts of Light, would prevent that if we could do so, through the word of truth as is being unfolded. However, we force no man to do or be anything other than his free-will decisions shall set for him. We, you must realize, work under even more stringent Universal LAWS than does man of Earth-bound nature. We are the representatives and forerunners of FREEDOM for ALL—as man reaches without his boundaries and is allowed his place within the COSMOS.

MIGRATIONS, ETC.

The information of LIFE and TRUTH is now being placed before mankind that he might learn—for his period of expression is growing short indeed—on your place of experience. There are multitudes which are now blinking awake and beginning to stir. These shall be served, for the time for the sleepers is past. Any one found sleeping when the great sound is sent forth as the final call shall be as the traitor unto himself. He shall be as the one who has thrown overboard his lifebelt when his boat is capsized. I suggest that this word be as a warning unto you who have open eyes and open ears to see and hear.

It is our intention and mission that all be allowed reference and presentation of truth in order to have ability, if choosing to do so, to see and hear. There is no place for slothfulness within the place prepared to receive the ones who come forth from their stupor and come forth as in knowing, clear and awake. Rescue or saving is a matter of integrated understanding and choice.

No word of mouth, nor pen, can express the glorious magnitude of our preparation for this great migration (exodus if you prefer). From the great and far reaches of the Cosmos have come those who lend of themselves that the plan of migration be brought to its perfection. There is no fear that it fail, for we are as one mind and purpose—WITHIN CREATOR/CREATION.

There are multitudes now asking for light, and who are reaching out for information such as we have prepared for and to give freely. We have sent forth scribes and speakers who can translate and pen the instructions for this journey into LIFE. They are not SPECIAL—they are in KNOWING.

There is no way in which we, of the heavenly Host, can portray unto Earth-man the perfection of our work of the Divine Plan. The magnitude of it cannot be pictured within mortal mind except in his subconscious reality. If that were a possibility then there would be no unbalance requiring attention. We can only act as a lamp and, failing to lead the feet into the path of progress, perhaps we can hold some candle unto the awakening souls.

SO, TO THE CHURCHES AND DOGMAS

It must be attended that the downfall of truth as presented through the pulpits and doctrines of man-conceived churches, synagogues and temples, must be considered. The dogmas of man-priests and the ones who set themselves up as wise and learned are but the self-deluded, without wisdom or understanding of the LAWS of which I speak. It is now come when we have been sent by The Creator to bring these to the memory of the Earth-man.

For this knowledge has man labored in darkness, known not that he is bound. He has bound himself, for he has been as a rebel against goodness. He has gone the long hard way around that he be not found out and brought forth for accounting. He has created that which has been his own shackles and prison cells—and corrupted his mind to only recognize limitation and physical realization.

We can offer the way of "Christ" REALIZATION as to those things which present and hold honor and integrity, truth and righteousness, freedom and peace—but we will move no further into your realm of density and illusion.

We are NOT impostors; we're in no need of self-glory, nor big fanfare. It is for the love which, within, we come forth and share for mankind who has lost his way. We are sent as PROMISED. We are not little aliens, or big aliens from a secret cosmic myth, to

Negotiate that which is unimportant and never COMPROMISE that which is truth and goodness. Upon these things shall you be able to sustain and grow. Always grow to the light as a plant grows to the Sun and you SHALL KNOW GOD FOR GOD IS LIGHT. If you will not always move, grow and reach for the LIGHT, you will perish in the darkness. Walk in the crooked pathway long enough and you shall become as crooked as is the path upon which you tread.

further your ignorance and loss into that ignorance. Man places the shackles of narrow recognition according to his plan for further enslavement of his species.

We have our guidelines for, just as what affects one part or planet, affects the whole. There is no division; all is bound together as one whole, within the

Father's over-all plan. Everything that is acted out in your manifest world is sent into the farthest reaches of the Universe, which is infinite.

When we speak of TRUTH we realize that there are as many "truths" as there are individuals so we must not look at each "truth" as THE TRUTH of the WHOLE. There is ONLY ONE "THE TRUTH" but there are a

zillion billion ways to get there and sometimes the lessons are long and hard. THE TRUTH IS THAT OF BEING "ONE" WITHIN THE "WHOLE". When this reality is recognized and understood by mankind, each shall love one another as self (and yes, you will have to love self and not by that emotion offered unto "self" now). We of the Hosts are able to see that which has gone before as we can also see that which you call "the present". The past, too, we see as the now, for we stand at the crossroads of so-called "time", and thus we can see as you cannot.

You are now in the space of choosing pathways, for the cycles, as you perceive them to be, are changing, closing, recycling—ending. You have moved into the time of great and sudden changes as you are experiencing in each day of your experience. You have benefactors represented in US but you must recognize that we have no cause to bring evil into any place without your narrow halls of allowance. You, further, are going to have to represent self and have intent of your own value and desire for greater and higher expression. Your neighbor can't do it for you and yet you have great need to act on instructions and "other's" opinions and dogmas.

FROM WHENCE COME THE HOSTS?

From all parts of the Cosmos do we come so don't try to stick us on Orion or Pleiades or some other constellation to suit your individual druthers. We come from all over the places of the Universe wherein ability to reach your primitive place is available. We of the Host have come from many galaxies to add our part unto that of our Christed teachers who are to fulfill the formulated structure of the greatest and most marvelous Divine Plan which is now being completed. Just as "darkness" is to be "without Light", so too is evil and Hell that of placement WITHOUT GOD OF LIGHT. Are YOU prepared to enter into the perfection of the halls of the elder brothers who act ONLY in the cause of LIGHTED TRUTH WITH THE LAWS OF UNIVERSAL TRUTH? If not, then you had best get with the program, students, because the train is about to leave without you.

It is time to consider whether or not you are simply existing in Flatland's Dead-Zone. We only bring LIFE into our places—without evil intent within the beings of those living entities called "man".

The sorting goes on, even more quickly NOW. Those who practice actions only for gain and physical aspirations shall be weeded out of our tribes. They will not be cast out—they will bring or take themselves out from our circles of intent for survival and living. More and more quickly these sorted of their own accord into the separation shall find loss in all areas of expression as they grasp and tear down and lie, cheat and steal from others. They will begin to topple and have losses of all manner of possessions as they practice and make efforts to destroy those who act in fair and just manner of living expression. No matter how tiny might be the greed, it will show and tell, and loss will be the consequence. Join with the ones who seek great wealth at all costs, power at all price, and you shall be classified as being among them and not be acceptable back within the sorted grain but cast out with the chaff from the gleaning floor. And, with the grain sorted into the cup of God, there shall be JUSTICE and conse-

quences of actions brought into light and truth of those who worked to destroy the truth and righteousness of GOD.

Lips lie—actions speak volumes without sound. You who choose company with the liars shall be left with them and shall fall with them as truth is brought forth into the Light of public display. You shall reap the harvest of your PLANTINGS. You who think it GODLY to simply allow all evil to be unaccounted and love to be so unconditional as to allow for evil to work its fear-mongering and growth in darkness, are WRONG IN PERCEPTION. YOU WHO DO NOT STAND FOR GOD—STAND AGAINST HIM! Evil flourishes WHEN GOOD MEN DO NOTHING. Remember too that a flimsy tree will grow bent in every direction the wind blows. Ah, but the whirlwind is the most deadly of all for it will uproot the tree

which is bent far more easily than that one standing anchored soundly and standing straight as the arrow which sheds the wind. Being "flexible" is NOT the same thing as bending with every wind hither and yon. Negotiate that which is unimportant and never COMPROMISE that which is truth and goodness. Upon these things shall you be able to sustain and grow. Always grow to the light as a plant grows to the Sun and you SHALL KNOW GOD FOR GOD IS LIGHT. If you will not always move, grow and reach for the LIGHT, you will perish in the darkness. Walk in the crooked pathway long enough and you shall become as crooked as is the path upon which you tread.

I shall leave this now for over-indulgence often only presents indigestion. Salu.

An Excerpt From SIPAPU ODYSSEY

In conjunction with the preceding article starting on p. 17, the following is a provocative and timely excerpt from the very first work by "Dharma" called SIPAPU ODYSSEY. When written, it was thought to be a work of Fantasy but, as time passes, it is appreciated for its vivid message from God's Hosts and its "timing" clues for various events in the major planetary transition now well underway on Earth-Shan.

With pokes and prods and nudges from Little Crow of the Lakota Sioux, Dharma's public mission of translation for Higher Teachers began with SIPAPU ODYSSEY and continues to this day, some nine years and over 150 JOURNALS of information later!

As Commander Hatonn said in the Forward, "We of the Brotherhood of Light, and we who serve in the Intergalactic Fleets and Cosmic Federation Councils, come forth to bring you knowledge for a most eventful and confusing transition....It was decided that we would first bring forth an 'acceptable' story....that man in mass can accept of the story as fiction, but the heart will know of the truth....We dedicate this 'truth' unto all of you who will pick up the dream and walk with us that we might fulfill our mission."

See the Back Page for ordering information.

ANCIENT REVELATIONS

by Dorushka Maerd ("Dharma")

It was evening when the groups began to gather up the canyon for holograms and speakers. As Steve and the Earth group joined the audience they noted many people whom they had not seen before. The gathering was situated in a widened area and those in attendance sat clustered facing a sheer cliff wall with an outcropping of rock at its base. As the natural light faded, it was replaced by a "spot-light" from the space craft which lit the "stage" area. It was wonderful as the sky was visible above the stream of light. They could watch the stars take their places in the universe while waiting for the session to begin.

Spotted Eagle climbed to a point near the middle of the rock outcropping and raised his hands to the Heavens. There was the scent of smoke wafting on the air and Spotted Eagle carried some feathered items, in addition to a beautifully decorated, long-stemmed pipe. The audience fell into immediate silence as he took his place and prepared to speak.

Spotted Eagle spoke of the Ancient Ones and of the relationships of every creation on Earth; of the relationship of humans to all of those creations. He spoke of the beauty and harmony of Earth as our mother, and as he spoke the cliff became a huge "screen" upon which was projected a collage of action pictures. He continued to narrate as scene after scene was illuminated before the group.

The projections showed the devastation perpetrated by man on the two beautiful continents known as the Americas. Among those things shown were consequences of acid rain with dozens of examples of streams, rivers, large and small lakes, and oceans being polluted and destroyed; there were pictures of forests being poisoned by pollution, devastated by man for industry and cleared for agriculture. The consequential terrible

flooding from the stripped watersheds was shown. He showed pictures of dozens of electric power plants, oil refineries, chemical and industrial plants belching forth pollution. He showed the destruction resulting from mining activities (there were also demonstrations of earth collapse into some of the underground mine shafts as the earth shifted). The examples seemed endless.

Spotted Eagle even showed examples of man's desecration of Earth's most sacred areas; the human faces carved onto the face of magnificent Black Hills (one of the Indian's most sacred spiritual places). Diana was openly sobbing and Bob could not stop the flow of tears from his eyes. Somehow he knew the subject matter would not get easier as the evening progressed. He would be correct in that assumption.

FUTURE REVELATIONS

John, too, was accompanied by projected visual holograms which made an individual have the feeling of actual participation within the scene itself. As he spoke, appropriate visualizations moved with his verbal illusions.

He said he would simply be giving a description of things as directly handed down to him, without personal comment. He then launched into his teachings.

"And it is said there shall be winds, and there shall be, in the time when it is winter; and the trees shall bow down their boughs, and the winds shall sting with the cold; and there shall be great suffering among the people and they shall fall down and cry for mercy.

"And there shall be a mighty earthquake and it shall split in twain the country of North America, and it shall be as nothing the world has known before, for it shall be that there shall be a great part of the great land of the North Continent go down and a great sea shall form within her center part from the Dominion of Canada into the Gulf of Mexico.

"And there shall be great ocean liners, liners which shall travel within its waters, which will be propelled by solar energy of the next age. But with this they shall be unable to travel east to west or from west to east, through what is now the Atlantic Ocean, for it shall have a mountain range which has been thrown up from the bottom of the Atlantic; and it shall be extended into the air to the altitude of ten thousand feet and it shall be the City of old, for it was the Light of the world. She went down amid a great shock and a great wave; and it shall be that she shall come up the same way as she went down.

"And the west side be as the sheer side of granite, and it shall be without foothold; and the way shall be as the eagle flies from the place which is Upper Virginia three hundred miles due east; and at this point it shall be one thousand and eight hundred feet from the waters; and not an entrance through the land shall there be to the east, for it is not for them, which are to be the remnants, to communicate by water; for it shall be with a new science, and a new method shall be given unto them. For there is not a place which is that shall remain the same in its present state.

"And not a person shall be left which is not prepared for that which shall be. And there are many called but few are chosen: for there are none which have been chosen which have not been carefully prepared; and they have been unto themselves true, and they have given credit where credit is due. And now it is given unto them to be the seed of the new Civilization which shall come upon the Earth.

"And within the time which is left before this shall come upon the Earth, it shall be that many will be called; and they shall doubt; and they shall fear; and they shall faint; and they shall fall by the way; and they shall be in no wise, for it is given unto man to fear that which he does not understand—and for that does he wait.

"And it is said there shall be winds, and there shall

known; and they shall be as the winds from the sea and from the land all rolled into one great tempest. And they shall be as the winds of the North and the South and East and the West, and they shall tear that which is in their path and they shall be as the reaper who mows down that which is in his path. And they shall sing with the bitterness of the cold. And they shall be as the elements of the Earth, for they shall contain both rain and wind; and the hail shall be as big as bird eggs, and it shall split that which it hits.

"And it shall be that the suffering shall be great upon the Earth, for it is given unto man to know suffering. And he has not known such suffering before, and, when it is come upon him, he shall fall down and shall cry for mercy.

"And it shall be that the winds too small be great upon the Earth—they shall blow East, West, North and South and not a place shall there be upon the Earth which shall escape the winds which bloweth; and when this tribulation has come upon the Earth, it shall be that there shall be many who have kept within the law.

"And with the coming of the winds and belching of fire from within the Earth there shall be—MORE!"

John continued by telling of how things would be. He said that no one would be responsible for the words of another nor would any man take upon himself that which would be done by another. Each entity would be responsible for his own. He said man had lost his identity with the Father God which had sent him and that if he would not awaken and return to the Father he would surely perish.

John spoke on for a very long time giving illustration after illustration. He concluded by saying it was time to talk more about the present.

PRESENT REVELATIONS

John explained that there were many Space Brothers here to assist us through the transition and time of tribulation; they could help us, but they could do no more. They would be allowed to help only as requested by Earthlings—with one exception, and this was stressed emphatically: "YOU MAY NOT TAKE YOUR WEAPONS OF DESTRUCTION INTO SPACE. BEYOND ONE HUNDRED FIFTY MILES BEYOND YOUR SURFACE, YOU WILL BE STOPPED! NEITHER WILL YOU BE ALLOWED TO CREATE THE ULTIMATE NUCLEAR DESTRUCTION OF THE TOTALITY OF THE PLANET ITSELF; THE IMPACT TO THE UNIVERSE WOULD BE TOO DEVASTATING AND THE BROTHERS WOULD BE GIVEN PERMISSION TO PREVENT SUCH AN OCCURRENCE." He then turned and invited Yeorgos to take the platform. He said Yeorgos would present the teachings from the aspect of Space Brothers and the Interplanetary Councils.

Yeorgos was also accompanied by the picture projections as were appropriate to emphasize points.

He said the Brothers were prepared to work closely with Earthlings as such time as they were accepted and asked to participate. He said their technology is of such magnitude that Earth man would be unable to comprehend the power. He was assuring Earthlings, however, that even though they could destroy us or make slaves of us, etc., they came in love and co-existence within the Cosmos. They would not presume to do anything other than as requested with the one exception as told by John.

He emphasized that during the upcoming period, until Earth moves into her new cycle, she would be belching forth increased disturbances upon her surface. As plates shift beneath the oceans' floors there would be increased tidal wave activity. The resulting shifts would bring about disturbances of those thought of as "sleeping" volcanos. Those would begin to rumble and spew forth molten lava that would come quickly and with minimal warning. This would increase as the climactic conditions were altered. There would be increased swelling of streams. Riverbeds would en-

large and they would not recede to their pre-existent condition. There would be peninsulas and small isthmuses that were going to vanish most abruptly and quickly.

The geophysical face of the Earth would begin its alteration during this period. Those areas where oceans' waters have crept in most gradually and quietly would be accelerated, and indeed, sleeping valleys would be filled overnight. And man on Earth would look about and wonder what is happening.

Yeorgos continued: "Because of the decrease in the ozone layer about Earth there is an increased heat that is coming from the Central Sun. This is bringing about resultant melting of your polar caps, again with resultant climactic changes.

"Man of Earth shall quickly come to recognize that Earth is revolting against the treatment that she has received. This shall be a warning, a preview of what is in store for man if he does not immediately alter his ways.

"At this time the vibratory pattern of Earth itself is such that no alteration of her course is anticipated; she has been released from her role as a buffer, and she now **BEGINS HER OWN CLEANSING!** Man will now be accountable for his own cleansing.

"Earth is entering a phase of two seasons, summer and winter, with extreme temperatures in each. Fall and Spring will cease to be recognized. Man should lay up stores and provisions, for seasons shall not be as kind to Earth as man has known in the past. Man's time of great bounty and food abundance will greatly be altered. Space Brothers stand ready, however, to render help and instructions in that area. Food substances which will suffice for survival will be given to appropriate ones on the planet and, properly prepared, will be quite palatable.

"Man must learn to share freely in order to survive. There will be great shortages in food supplies and also proclaimed shortages in your fossil fuels as they are hoarded and usurped for reasons of greed. You will find yourselves without transportation because there will be no fuel to run your machinery. You will need the substitute foods to feed yourselves.

"There will be great energy shortages. Electricity will become unavailable for many reasons; therefore,

you must learn to minimize your needs. You must begin to rely on those elemental winds and patterns that will bring you those energies that you need. You must make your dwelling places strong, sturdy and well insulated, so that they will serve you well. We will show you methods of using compressed earth which will replace wood and other things as primary structural material."

"We are prepared to teach you methods of health care which will allow you to remain active and energized during this period of time. There will be widespread death from diseases which are currently incurable by your present medical methods.

"You must expect gigantic changes within your government structures as your present monetary systems become chaotic. There will be no money for taxes and without taxes there will be a rapid withdrawal of politicians and the chain of events will cause the governmental structure, as it now operates, to fail. There must be those available to fill the void and rebuild with a new and different type of system which brings harmony to the peoples of all Earth nations."

Yeorgos continued for a long period of time along the same lines of subject matter and then began to make his concluding remarks. He said he wanted to frighten no one and, certainly, all panic must be avoided. He said he would, however, speak of the ultimate evacuation process, should that become a necessity.

He spoke: "We have come to fulfill the destiny of this planet, which is to experience a short period of 'cleansing' and then to usher in a new and golden age of Light. I will henceforth refer to that period as the Time of Radiance.

"As mentioned before, the Souls of Light are you people of Earth who have lived according to Universal Truths and who recognize GOD as the SOURCE OF ALL THAT IS GOOD; THE SOURCE OF 'ALL THINGS'. The short period of cleansing is IMMINENT—EVEN THE MIDNIGHT HOUR! But, we have been informed of this and have made preparations for that event. I will explain how it will be so that it will relieve any anxieties amongst those present.

"We of space have millions of space ships stationed in the skies above your planet, ready to instantly lift you off at the first warning of your planet's beginning to tilt

on its axis. When this happens, we have only a **VERY SHORT PERIOD OF TIME** in which to lift you from the surface before great tidal waves will lash your coastlines—possibly five miles or more high! They will cover much of your land masses!

"These tidal waves will unleash great earthquakes and volcanic eruptions and cause your continents to split and sink in places and cause others to rise.

"We are **VERY EXPERIENCED** in the evacuation of populations of planets! This is nothing new for the Galactic Fleet! We expect to complete the evacuation on Earth of the Souls of Light in fifteen minutes—even though they are of a tremendous number.

"We shall rescue the Souls of Light first. On our great galactic computers we have stored every thought, every act you have done in this and previous lifetimes. At the first indication of need to evacuate, our computers will lock onto the location of the Souls of Light where they are at that instant!

"After the Souls of Light have been evacuated, then the **CHILDREN** will be lifted off. The children are not old enough to be accountable, so they will be evacuated to special ships to be cared for until they can be reunited with their parents. There will be people specially trained to handle their trauma. Many may be put to sleep, temporarily, to help them overcome their fear and anxiety. Our computers are so sophisticated—far beyond anything on Earth in this age—and can locate mothers and fathers of children wherever they are and notify them of their safety. **MAKE NO MISTAKE—YOUR CHILDREN SHALL BE LIFTED TO SAFETY DURING THE EVACUATION.**

"After the evacuation of the children, the invitation will be extended to all remaining souls on the planet to join us. However, this will be for only a very short time—perhaps only fifteen minutes. There is no question of having enough space on board the ships for you but, because the atmosphere, by this time, will be full of fire, flying debris, poisonous smoke, and because the magnetic field of your planet will be disturbed, we will have to leave your atmosphere very quickly or we, also with our spacecraft, would perish."

"Therefore, he who steps into our levitation beams first will be lifted first. Any hesitation on your part would mean the end of your third-dimensional existence you call the physical body.

"Which brings us to the most serious and difficult part of the evacuation: As mentioned earlier, Souls of Light have a higher vibration frequency than those who are more closely "tied" to the Earth and its ways.

"Since our levitation beams, which will be lifting you off the surface of this planet, are very close to the same thing as your electrical charges, those of low vibrational frequency may not be able to withstand the high frequency of the levitation beams without departing their third-dimensional bodies. If this happens, then your soul will be released to join our God, the Father. 'In His house are many mansions.'

"If you do not decide to step into the levitation beams to be lifted up, you might be one of the few who survive the 'cleansing' of the planet for the **NEW GOLDEN AGE**. However, during this period of cleansing, there will be great changes in climate, changes in land masses, as the poles of the planet may have a new orientation. This alone will create untold hardship for the survivors who may still not make it to the Time of Radiance.

"The most important point for you to remember is this: Any show of fear lowers your frequency of vibration, thus making you less compatible with our levitation beams!! Therefore: Above all else, **REMAIN CALM. DO NOT PANIC.** Know that you are in expert hands, hands which have extensive experience in evacuation of entire planets! **WE CANNOT OVEREMPHASIZE THIS: REMAIN CALM! RELAX! DO NOT PANIC WHEN YOU STEP INTO OUR LEVITATION BEAMS. ABOVE ALL ELSE, MAINTAIN YOUR FAITH!**

"What is to happen to you if you survive the lift off?

First you will be taxied to our "mother ships" anchored high above the planet where you will be taken care of during your great trauma. Some of you may need medical attention. Our expert medical staff will be there to treat you with our highly advanced medical equipment. You will be fed and housed until such time as transfer elsewhere is advisable.

"Some of you will be taken to cities on other planets to be trained in our advanced technology before being returned to the planet Earth to start the Time of Radiance.

"Your beautiful planet Earth is destined to be the most beautiful star in the universe. A planet of Light! Here, you will rejoin the remainder of the Universe in brotherly love and fellowship with God the Father.

"People of Earth: We love you!! Do not scoff at these words. As surely as the Sun shines from the east to the west, so shall these things shortly come to pass!

"The cataclysms will begin **WITHOUT WARNING!** Everything will happen so fast, you will not have time to think! Think on these things **NOW!**

"Think; picture yourself standing with all the havoc around you: people screaming and running, others on their knees praying, automobiles crashing, glass breaking, buildings falling, ground shaking and gaping with huge cracks, debris falling all around you! **THINK NOW!! WHAT SHALL I DO?? ANSWER: REMAIN CALM AND WITHOUT FEAR. MAINTAIN AN INNER PEACE OF MIND AND STEP INTO THE LEVITATION BEAMS WHICH FLOW FROM THE UNDERNEATH CENTER OF OUR SPACE CRAFT.**

"As you are informed now as to what to do, spread the word to everyone you know. Be faithful to God! The time is very short! Perhaps we shall no longer be able to restrain the tilt of the Earth's axis, as we have been able to do with our energy beams and transmitters for the past several years.

"There is still a chance—a **SLIGHT** chance, that this great upheaval can be avoided. However, it will take extreme cooperation from you people of Earth—co-operation unlike you have ever exhibited before in this age.

"1. Avoid giving off negative energy through your distrust, greed, hatred, and begin to help each other.

By helping each other, you give off positive vibrations (energy). **LOVE GOD!** The positive energy in large mass will neutralize the weight of negative energy which has built up around the poles of your planet—this could keep it from tilting, if enough positive energy is received in time. Your planet is a living organism. Send mental positive energy by thanking the Earth for all its bountifulness you have received.

"2. By whatever peaceful means at your disposal, put sufficient pressure on your government(s) to permit us to land our spaceships on your planet and meet with your leaders and offer them our assistance and technology. **WE WILL NOT DO THIS UNTIL WE ARE ASSURED WE WILL NOT BE TREATED WITH HOSTILITY OR BE INCARCERATED.** With the cooperation of your world governments, we can greatly help you in more orderly evacuation of your planet, if indeed it still becomes necessary—which it may! If it does not, then we can work together in the sharing of technology and live in brotherhood.

"**WE HOPE YOU WILL TAKE THESE WORDS ON FAITH, BUT IF NOT, DO RESEARCH AND PROVE THEM TO BE TRUE FOR YOURSELVES. MEDITATE DAILY AND YOU WILL FIND AND KNOW THE TRUTH. PEACE BE WITH YOU.**"

At the conclusion of Yeorgos' program segment, Spotted Eagle again took center stage to make closing remarks and leave his special blessings with the group.

He told of the extreme importance of the upcoming Mighty Council Gathering and said elaborate plans had been made for its success. He told those gathered that under the facade of filming a motion picture, the meeting could take place uninterrupted by human interference. He said there would be many such activities taking place at various places on the planet in order to make The Truth known. After the **GATHERINGS** there would no longer be doubts as to the existence of Space Brothers, and Earth man would know of the consequences he has brought upon himself. He said there would be other happenings which would also confirm the validity of these teachings.

He chanted his appreciation to the group and to the "GRANDFATHER" and the lights were extinguished. The canyon was once again silent.

A Letter From Michael Maholy

1/1/96 MICHAEL MAHOLY

this is a one-shot performance. I have decided to have an attorney do the research and proper filing procedures, as an attorney is more skilled and knowledgeable in courtroom tactics, wording, etc. Besides, the law library here is not the best and it would take hours upon hours to study the proper way to go about this.

I have been in touch with several different attorneys from across the nation seeking advice, prices, etc. They vary somewhat in price. My former attorneys, who were successful in blocking further federal indictments, are sky-high, due to the publicity that my case has generated. Others with whom I have discussed this seem to be more realistically priced.

Dear Rick,

Once again I would like to thank you and the staff at *CONTACT*, as well as all of the readers for all the wonderful love, kindness, and understanding that they have bestowed upon me during the past two years. I must truly admit that without all of you, my project of exposing the powerful, corrupt government officials and their underlings who also pursue wealth and fame in ways that typify those of dark-sided mortals, would not have been possible. You, the honest people of America, have indeed proved to be my only outlet to the nation. It is you, my watchers, whom I have learned to trust—who keep me going.

Together we have weathered a few rough storms created by my other keepers, the enemy who has, over the years, tried very hard to keep my true life story silent. It is you people who are making the difference in the real world by your demanding, perseverance, and constant monitoring of these corrupt officials. You seek out total truth, whatever the cost may be. For these reasons, I would like to update you on my current situation.

On December 6, 1995 the Supreme Court in Washington, D.C. had ruled, by unanimous decision, against the federal government with regard to persons who have been sentenced illegally under USC 924(c)(1). The Supreme Court stated that a person can and will be sentenced to a mandatory minimum sentence of no less than 5 years, if the courts show evidence that a firearm was "actively engaged" during the arrest or during the commission of the crime. The Court further explained that if the weapons were in another location, such as another room, the trunk of a car, a bedroom, closet, gun safe or case, this does NOT mean that the defendant had "actively engaged" or deployed or used the weapon. Therefore, anyone sentenced incorrectly under this Code—USC 924(c)(1)—shall be considered to have their case expunged from the court records.

One of my three charges is a USC 924(c)(1). I had received an additional 5-year minimum sentence under this illegally-used Code. That's 5 very long years for something I did not do! Granted, my weapons found during the search of my residence were, in fact, loaded, but the law clearly states that there is no margin of definition beyond what the word "use" actually means. If I had used the weapons, by means of "actively deploying" or "engaging" them, then I should, by all means, do the time given to me. But the fact remains that I did not use the weapons in any type of threatening manner.

This is a very critical time for me and perhaps thousands of other federal inmates who must file the necessary court documents to have their cases reheard and expunged. What this means for me is my freedom—and to have this illegally sentenced charge removed from the court records. What this also means is that once again I will have to fight the corrupt government officials who want to keep me silent. But this is a battle I will win, because they have already lost, by their own decree!

The process in filing the proper forms and documents is relatively simple, compared to different types of appeals. However, there will be no room for error, as

OPINION OF THE U.S. SUPREME COURT

SUMMARY

FIREARMS — Conviction for "use" of a firearm during and in relation to a drug trafficking offense, in violation of 18 USC 924(c)(1), requires proof that the defendant actively employed a firearm during and in relation to the predicate offense; "active employment" means that the defendant's use makes the firearm an operative factor in the predicate offense and includes acts of brandishing, displaying, bartering, striking with, firing, or attempting to fire a firearm, or making reference to a firearm the defendant possesses, but does not include merely storing a firearm at or near the site of a drug crime or its proceeds or paraphernalia, or concealing a firearm in a place where it can be accessed and used during the predicate crime if the need arises. (*Bailey v. U.S.*, Nos. 94-7448 and 94-7492, 12/6/95).....2030

The federal statute that makes it a separate offense, carrying a mandatory five-year minimum sentence, to "use" a firearm during and in relation to a drug trafficking crime is not as broad in its coverage as the government and several courts of appeals have maintained, the U.S. Supreme Court said December 6. In a unanimous decision, the court said that "use" requires proof that the defendant actively employed the weapon to bring about the drug offense. The court rejected the government's contention that the term also encompasses the mere placement of a weapon for possible use in the event the defendant has a need for protection or intimidation during a drug crime.

The en banc U.S. Court of Appeals for the District of Columbia Circuit adopted a two-pronged "accessibility and proximity" test for criminal liability under 18 USC 924(c)(1). Under this test, Section 924(c)(1) is violated "whenever one puts or keeps the gun in a particular place from which one (or one's agent) can gain access to it if and when needed to facilitate a drug crime." 36 F.3d 106, 115, 36 CrL 1060 (1994). The court went on to uphold the Section 924(c)(1) convictions in a pair of cases. In one, police found an unloaded, small-caliber firearm in a locked trunk located in the bedroom of an apartment from which a controlled drug buy had been made; in the other, officers discovered a loaded firearm in the trunk of a vehicle from which the defendant had been dealing drugs.

Justice O'Connor, writing for the court, complained that the lower court's proximity and accessibility standard "provides almost no limitation on the kind of posses-

sion that would be criminalized" In practice, she said, "nearly every possession of a firearm by a person engaged in drug trafficking would satisfy the standard" Obviously, Congress intended more than mere storage of a firearm near the scene of a drug transaction to trigger Section 924(c)(1) liability, she said.

Section 924(c)(1) requires the government to show that the defendant actively employed a firearm in a manner that "makes the firearm an operative factor in relation to the predicate offense," O'Connor said. The language, context, and history of Section 924(c) indicate that the government must show active employment of the firearm, she explained.

The term "use" can take different meanings depending on context. One might say, "I use a gun to protect my house, but I've never had to use it." It is the latter, active "use" of a firearm that Congress intended to criminalize in Section 924(c)(1), O'Connor said. This approach preserves a role for both "uses" and Section 924(c)(1)'s other verb, "carries," she pointed out. For example, a firearm can be used but not carried when a defendant displays it during a drug transaction. A firearm can be carried but not used when a defendant keeps it hidden in his clothing throughout a drug transaction. The lower court's, and the government's, definition of "use" renders the statutory term "carries" completely redundant.

Moreover, O'Connor pointed out, Congress revealed in Section 924(d) that it recognized a distinction between "used" and "intended to be used," making clear that criminal liability under that section attached to both types of conduct. In Section 924(c)(1), on the other hand, Congress indicated that criminal liability attached only for "use" of a firearm. O'Connor agreed with the criticism, voiced by a dissenter in the court below, that the "accessibility and proximity" test criminalizes simple possession with a "floating intent to use." She found further support for her interpretation in an earlier version of the law, which used the phrase "used to commit."

Examples of active firearm uses that got O'Connor's blessing were acts such as brandishing a firearm and making reference to a firearm that the defendant possesses during a drug crime. She observed that this construction of "use" is consistent with *Smith v. U.S.*, 53 CrL 2174 (US SupCt 1993), in which the court held that bartering a firearm amounted to "use" under Section 924(c)(1). The act of bartering is an active use, she noted.

There is a rumor that I might be able to have a public defender represent me. However, a public defender is just that: he represents the public's interest and is somewhat at the mercy of the prosecutor and sentencing judge. We must not forget here, just who will be presiding over my hearing again. If I have the same federal judge—one George Howard, Jr., from Little Rock—I will have one strike against me already, as this judge is a close friend of the Clinton Administration and others I am attempting to expose.

Needless to say I will need all the prayers I can muster. One thing all the attorneys have stated is that they all agree that I stand a very good chance of beating this charge, as I never should have been charged under this law in the first place. Again, the major reason I was charged under 924-(c)(1) was to ensure that I was

kept out of the way, at least until after the election in 1992. Another reason I was charged was that my first attorney was a close friend of Bill and Hillary Clinton, and he discussed my case with them prior to sentencing. He knew that I never really used the weapons in a life-threatening way, but he assured the Clintons and their friends that I would, in fact, plead guilty and receive a lengthy sentence. Therefore, I would be tucked away for a long, long time. Out of sight, out of mind! But now, all that has turned around like the snakes they are, only to bite them in their own hind ends and to hopefully come back and haunt them.

With your prayers and support, perhaps I could be out, a free man, by as early as this late spring or summer—not at the turn of the century. If released, I promise to become an active, moral member of Ameri-

can society and I never, ever again will sell drugs or weapons to anyone anywhere. That is all I have to offer. I will naturally continue my quest for the exposure of the truth about the corrupt Elite until they crumble.

Please continue with your love and support—your prayers and letters. I want all of you to know that you can make the difference not only for me, but for a better America and world. Thank you very much for everything. May God be with all of us.

In love and light,
The Keeper of the Flame,
/s/Michael Maholy

AMERICA IN PERIL— AN UNDERSTATEMENT!

Your nation is in such peril as to cause trembling in the knowing of how close you are to the pit's brink. If the facts have not come to your attention yet, I suggest you take this journal and read, at the least, the FOREWORD and carefully study the Presidential "Executive Orders" now IN FORCE in the United States and all of America. Then I suggest you get aboard the Freedom Train in consideration of re-establishing the CONSTITUTION by peaceful and LAWFUL means.

DETHRONING THE GERM THEORY OF DISEASE

1/7/96 PHYLLIS LINN

It's in the news: world-wide flu epidemics, super-infections that antibiotics can't knock out, recombinant viruses, and other new and deadly forms of disease that are being unleashed on the inhabitants of Planet Earth. Will you survive? Depopulation plans hinge upon keeping the populace IGNORANT about the most basic and vital aspects of health and disease. To this end we receive endless propaganda and indoctrination into the germ theory of disease.

The germ theory of medicine, promoted by Louis Pasteur, is a nineteenth century concept promoted before important nutritional discoveries were made. Traditional medicine still believes the germ theory to be the central cause of disease, because around it exists a colossal supportive infrastructure of commercial interests that built multi-billion dollar industries based upon this theory. The idea that germs cause disease is a lot like saying that flies, maggots, and rats cause garbage—rather than feed upon it. The error is one of perspective, since it has been conclusively proven that "germs" are not the primary cause, but rather, an effect of disease. They do not initiate a diseased state, but appear after the person has become ill, just as flies do not cause garbage, but are attracted to it.

When we have an infection of some kind, it is because there is a high count of pathogenic bacteria or viruses concentrated somewhere in the body, trying to break down and clean up malnourished, enzyme-depleted, dead or diseased tissue. This is nature's biological sanitation team and their presence indicates, rather than causes, the problem of unhealthy tissue. Bacteria and viruses are always present in our bodies. A healthy immune system keeps their numbers in check.

Traditional medicine "fights infections" with antibiotics, which SUPPRESS the immune system. An antibiotic—like penicillin or its derivatives—is a specific antibacterial secretion of a fungus. When we use a plant's method of killing bacteria in our own bodies, we reduce our human level of immune function to that of a vegetable!

Animals and humans do not produce antibiotics, nor do they need to as long as their endocrine, immune, and nervous systems have their nutritional needs met—from the mineral, vitamin, protein, and enzyme substances found in foods grown on mineral-rich soil. Armed with these tools, the Earth's highest forms of life—humans and animals—are well equipped to "fight" the Earth's lowest forms of life—bacteria and virus. The germ theory of disease keeps us focused on the so-called enemy WITHOUT—catching a "bug"—and distracted from ever understanding the importance of building health from WITHIN—a diet of fresh, raw organic fruits, vegetables, grains, and nuts, pure water, and (ugh! the "E" word) exercise.

WHAT ABOUT THE FLU?

The word "flu" comes from the Italian word "influenza", meaning "under the influence of". People of the Middle Ages believed when you had the flu you

were under the influence of the stars. Notice that most flu epidemics occur when the seasons change—especially "back-and-forth" weather when the weather is cold one day, warm the next, then cold again. Why is that? It has a lot to do with the thyroid gland—the endocrine gland of metabolism. The thyroid helps the body adapt between hot and cold. When summer is here and it's hot, the thyroid is running comparatively low. We don't need to internally warm the body when it's already externally warm. When it's 80 and 90 degrees F outside, the thyroid takes a summer vacation. At the onset of winter, we need to warm up the engine, so to speak, and get the metabolism going. To do so, the thyroid needs to release thyroxin and its other gland-stimulating hormones to speed up metabolism. Because most people have such unresponsive (undernourished) thyroid glands, their bodies do not respond appropriately to such temperature changes. This results in unprocessed metabolic waste, in tissues and from undigested food, accumulating in the system. Waste from the tissues empties into a circulating fluid called lymph.

This waste builds up in the intestines, liver, kidneys, spleen, and lymph glands, and generally in the blood and tissues. When waste-loaded lymph backs up, it may back up into the spleen, tonsils, and lymph nodes and lymph vessels. The bowels get very sluggish. The body wants to generate heat, but the thyroid's not doing it, so we buy an expensive down jacket from LL Bean (a CIA proprietary) to get warm. Meanwhile the unprocessed metabolic waste continues to build up and up. Enter the "flu".

What does the flu do? It's a turbulent detoxification reaction of the body. Every symptom of a cold or the flu—EVERY symptom—is a symptom of detoxification. High fevers (burning of waste and bacteria); the pores of the skin open for profuse sweating; diarrhea; chills, which generate internal heat; vomiting, and coughing up and expectoration of respiratory mucus—these are all cleansing actions.

This is a way that the body can violently and quickly get rid of the unprocessed metabolic waste. The waste is a smorgasbord for bacteria. Bacteria and viruses, which are cell scavengers, are not there for lack of something better to do. They're there because there are malnourished, enzyme-depleted, diseased, and necrotic tissue and waste materials. Functioning as nature's biological sanitation department, they must break down and eliminate these tissues to prevent further poisoning of the body. The immune system will step in to get rid of an excess population of bacteria, but it doesn't mind if there are some bacteria working on waste; it's a matter of degree. If the thyroid is unable to stimulate enough metabolic function to help cleanse the tissues, then the bacteria levels build up even higher and the militant lymphocytes or phagocytes of the immune system go into action. But these SWAT teams need nutrients to function effectively—vitamins, minerals, and enzymes—things not generally espoused and certainly not provided by pharmaceutical-based medicine!

It's easy to fall prey to the germ theory mentality—and its corollary, the antibiotic "cure". TV commercials, magazine advertisements—promotions for the drug industry are all pervasive. It is clearly in the perceived best interest of the pharmaceutical industry and medical doctors of doom to convince you that "you caught a bug" and "a pill can cure you". Don't you believe it! Building health upon sound nutritional practices is the best means of keeping "germs" in check. It's your first line of defense against man-made diseases, as well.

Pity Those Who Fall For Adversary's Lies

1/13/96 #1 HATONN

KIND WORDS

For every unkind word we get 10,000 beautiful words of hope, sharing, support and outright love. As long as there are two of you out there, so shall we share and share and share until our cups are filled with knowledge and GRACE.

Some people continue to claim that we are fear-filled, hate-mongers, anti-peace, anti-Semitic, anti-Christ, AND serve the Dark Forces. Well, since this ONLY comes from those of the ilk of George Green, I suppose we could expect that response for, after all, we uncovered his thefts, his lies, and his ill-intents—in public forum called a court of law and in the documented WORD. We don't have to change our stories with the wind for the truth is always and it stands always, over and over again without change except for bits of memory of detailed incidents which fade in "time"—but are easily RECALLED IN PERFECTION. The liars have to remember too many tales and the longer removed from the truth of happenings, the harder to recall and cover all lies in reasonable presentation and testimony.

Foolish lawyers may well keep a case going until they make a fortune for themselves but if the opponent doesn't drop dead, roll over and give up—truth catches up in that same delay in "time".

GREEN GOLD

You who find A.P. articles in your paper [as we ran on p. 29 in last week's CONTACT] regarding this tangle of webs, please note that it says, when words are boiled down, that George did not get to keep the gold. The Institute was already out of the case and that the gold "would be returned to the sender" (Dave Overton) as ordered over a year ago by the lower court. This came from the Supreme Court of Nevada whereat they publicly wrote that George Green took the gold, did bury it in his yard and lied over and over again to the courts, along with his lawyer, Horton.

I am NOT picking only on George but I will tell all what is now under way with Green, Abbott and Horton. They have gotten Betty Tuten, according to her confidants, to go in and, through conspiracy, take the corporation files assumed to be Sharri Yount's. Everyone realized that the only hope George has of "receivership" of the Institute rested with those STOCKS in three Corporations. Well, they did it—they lied and cheated and went in and, while Mr. Christie was OUT OF THE OFFICE, did take the files he had set aside to get verification from the Officers and Directors. Then they managed to get resignation forms STAMPED WITH A RUBBER STAMP OF SIGNATURES to be sent to the appropriate parties.

Mr. Abbott and Leon Fort, along with Ann Beam, his mistress, have filed a frivolous case to hold the case open long enough to get the corporate stock to them in order to file a demand for receivership along with a group of Betty's advisers.

Everything coincided nicely with trips over the holidays to Canada and records could be dropped off in Carson City and Bozeman, MT. Interestingly enough, Ekker-Ekker are the ONLY Directors and Officers of those corporations in point and it stopped dead-on at MY door.

Mr. Christie has reported this to the police in Las Vegas and is processing recovery of the original files AND getting replacement ledgers and certificates. THIS WAS NOT A WISE THING TO DO. WHEN YOU TAMPER OR STEAL CORPORATION FILES FROM AN AGENT YOU HAVE BLUNDERED ABOUT AS BADLY AS YOU CAN BLUNDER! Sharri knew exactly what she was doing when those documents were put into the care and trust of Ekkers in order to carry out her wishes, and so it shall be.

George Green has deceived so many people as to be quite astounding and to make a play for corporation stocks is about as dreadful an error as can be made, readers. If you think you can just bend and break the laws, you are wrong and will be caught. Betty is now set forth as THE THIEF and property taker and holder. Now if any of you can find honor and integrity in such actions, I ask you to step forward.

These people in point have lost NOTHING in the Institute if they indeed ever had anything in same. Most do not and hence think they can only get gain from joining the adversary's team. Some in point refused to protect their gold collateral when a "call" was made for which they had ample reserves to protect all from the bankers. Some collateral could have been used instead of sacrificing their entire accounts to the bank. They refused to so much as answer phone calls, stripped corporate bank accounts, and abandoned their corporations to make the Officers and Directors bear the burden of both decisions and management. This was on the advice of FRIENDS. (???) These friends work with Green and some set up in business as "business management consultants" and yet didn't know a blithering thing about what they were saying or doing. Now we are to accept these same misinformed parties as being worthy in presentation of anything else they peddle? When ones first deceive and conceive plans to "get" from another that which is not theirs—they are setting their own traps which will eventually catch only themselves.

This is now SERIOUS, SERIOUS consequence time, you who conspired to get Betty Tuten to do this subterfuge, and it would behoove all involved to tell the truth for Betty will be charged with conspiracy to defraud an incorporation agent. I WOULD SUGGEST THAT BETTY RETURN THOSE BOOKS UNTAMPERED AND LAY THE LIST OF NAMES ON THE LINE ALONG WITH THE PLANS AND PARTICIPANTS OF THIS CONSPIRACY FOR THIS CONSTITUTES RICO VIOLATIONS, CONSPIRACY TO DEFRAUD, AND JUST ABOUT EVERY OTHER BUSINESS CRIME OF INTENT UNDER LAW. MR. GREEN HAS ALREADY TOLD "EVERYBODY" THE HOW, WHO, WHERE, WHAT AND WHEN, AND DUMPED IT ON WILLING DOERS OF HIS BIDDING AND SUGGESTIONS. BETTY IS THE ONE IN THE

HOTTEST SEAT, HOWEVER, AND REFUSAL TO RETURN THOSE CORPORATE BOOKS IS NOW AN ACT OF DELIBERATE INVOLVEMENT WITH GRAND THEFT CONSEQUENCES.

I realize that you all involved want us to be disallowed for putting truth into this paper—of course you don't want it known but you aid and abet the casting forth of total lies which equally incriminate YOU. You should have thought of these consequences when first you joined the adversary in such stupid conjurings. What you "thought" YOU WERE DOING does NOT mean a thing in the courts of law except possibly in the sentencing phase. YOU seem to think that there are no just courts? Oh, there are when it reflects on the very bench itself and the MAJOR BUSINESS OF THE STATE OF NEVADA. This is GRAND JURY material and in a very short time, if not voluntarily tended, no-one can handle this as other than deliberate crime intent.

Moreover, Mr. Green has sent out, again, one of his more dreadful packages of lies and dis- mis- information, and sent one to the Agent's parents. Now is this 1996 or what? Is this desperation or what? When Green stole gold coins it was interesting enough, but to steal corporations and stock now worth much, much MORE—it is time to come with the full extent of the law against ALL INVOLVED and, yes, we do know, don't we, who is involved.

I don't think Mr. Christie's employers like this any more than does Mr. Christie, who runs the tightest operation of any, or all together, of the incorporation agencies in Nevada. These records were together awaiting investigation and Betty simply took them, without so much as a signature, right out of Mr. Christie's office. Worse, that was some three weeks or so ago just WHEN MR. GREEN SAID HE HAD EVERYTHING UNDER CONTROL AND HAD CONTROL OF ALL OF THE STOCK FOR RECEIVERSHIP PROCEEDINGS. This last straw on the camel is going to break the backs of both Abbott and Horton (lawyers) as well. Green will likely try to lie h's way out and let little elderly women take the fall and the total loss of their funds. This is about as low as any man can stoop. I wonder if Abbott and/or Horton have any idea what their future now looks like?

Mr. Green also tells everyone that he is going to destroy the Ekkers AND the Institute and that he keeps Mr. Horn (the adversarial attorney) FULLY INFORMED. Fully informed on what—his thefts and lies? GOOD, as this assures that some justice may yet be had in the property theft case. Moreover, the Phoenix Church of Christ, who bought the property from the RTC has used it for collateral to raise funds for the fighting of the property case against the S&L and the auction agent, who doesn't bother to hold auctions but for a nice fee just says he does and hands over the deed to the S&L. I suggest our own lawyers remember as much: "...the gloves don't fit!" There is over a thousand dollar bonus built in for Mr. Mitchell and HE TOOK IT, attorneys. It is right there in the paper-work if you do a little seek and find.

Now, however, it being that Ekkers' bank account was seized, there is not rent money, so the property is again up for sale and this time the Ekkers will be required to vacate. Oh well...! It seems eight years is just not enough to establish "no sale"! We shall see for it appears our own attorneys have overcharged by thousands of dollars and are also quite guilty of what could be considered malpractice in four or five serious areas of conflict.

We are humbly grateful to the Constitutional Law Center and that wonderful crew of people who work around the clock to ferret out these things.

Now, why did I start with "Kind Words" and sidetrack? Because, friends, your loving words have kept our little team going when it seemed it couldn't get much darker as to our tasks ever showing positive fulfillment. Well, how else can you win than to have fought the battle and allow God's support to have

vision, hope and show? You can win through truth, justice, service and GOD with HIS HOSTS—if you listen and live accordingly. Everything they do against us NOW only reflects on their own ill-intent and illegal gambits, diversions, and distractions for they have already taken everything of monetary value and, worse yet, sold it. Readers, this is WRONG and I am appalled at how many will listen to these fools just to gain what? Revenge??

Well, there is an old saying that comes to mind here with you wonderful people "out there": "One kind word can warm three winter months." You have warmed at least three winters.

The question I get most about the Greens is in reference to Desiree and "can she possibly know all this"? She is with him, is she not? In her silver-fox coats and genuine diamonds and opals—she is with him! Actions speak far more loudly than any words can tell.

"Does this mean that her writings are not correct?" If you mean about Sananda, etc.—no, it doesn't. It means that she, beyond all, knows BETTER than to act in these pathways against those very teachings. George says that Dharma receives from Dark Energies!! This comes out in the Associated Press. They also say that George and Desiree both receive from someone called Hatoon or Hatton. Well, that is NOT ME! You may err in spelling, which is fine—but my label is HATONN or 'ATON'—and yes indeed, it DOES MAKE A DIFFERENCE. However, you can call and mispronounce or misspell a name—you cannot create an energy being. If some energy form called Hatoon or Hatton out of Mr. Zeuss has control of them, so be it. Nevada Corporate Headquarters, Inc. may well have them pondering their belly-buttons in prison over this last escapade as I doubt a jury will believe elderly ladies thought up this game.

George has told his seminar participants that he set up Nevada Corporate Headquarters with a million dollars right off the start. *B.S.*, and within five minutes of his telling this lie the ones he told it to were on the phone to US. And for Mr. Green: this was in a break-time at a seminar a couple of years ago so we KNOW you have told that story over and over again. Some think that poor sweet Hillary Billiary is a "congenial liar"?? Well, she must have learned from the Greens!! And just how much does Mrs. Green know? WHO KNOWS? AND AS THINGS GET WORSE—WILL IT MATTER?

SHE KNOWS! AND MOREOVER, PAPERS HAVE BEEN FILED BY OTHERS AGAINST HER AND SHE WAS PERSONALLY SERVED THOSE PAPERS. This was after Mr. Green had said, first, that Desiree was gone to her Father's funeral, and then a few days later said she was away to her Mother's funeral. She wasn't anywhere and all the sheriff had to do was wait for her to drive into the parking lot where they continue to do business. We are only among the lower totem-pole contenders for confronting Green(s)—the list ahead of us goes all the way BACK to Billy Meier, Lee Elders and some eleven suits just in Colorado. Now, to suck two elderly women into a theft of corporation stocks for his management needs and fool the bunch working with them—is pretty low-down activity, readers. So, if you have gotten a "package" of "stuff" with a cover copy of a letter from Betty Tuten you can know that it came from Green in Bozeman, Montana and the letter itself is/was originally addressed to Mr. Horn to use against Ekker-Ekker. MANY have received the package, so if you are among them it is wise to now notify proper parties for we are quite sure Ms. Tuten did not know what she was doing when she placed her trust and revenge tactics into the hands of George Green. And what has happened with Ms. Tuten's own privacy in incorporation? She told the world her private matters and it will be laid bare through court order, at the least in California. I certainly hope she is ready to face the consequences of that information flow to the IRS. This also holds true for the \$26,000 to Mr. Ence's assumed corporation; the

IRS will not be amused!

You who try to BEAT THE LAWS are going to continue to have trouble. If you act totally within the laws of God and Land, you are going to reap great rewards and shelter, for in this way incorporation can assist your management and protection. Use it wrongfully to steal from another or to "beat the system" while triple-dipping and it is going to be your destruction. If you learn no lesson other than this one you will have gained great wisdom. When you think you know everything and proceed to teach others your unintelligent and incorrect information—you deserve exactly what you get. When you use someone else to cover your criminal actions—you deserve everything the system tosses against you. When you treat a corporation as your alter-ego, then you have no protection for it is you in disguise and criminal actions are NOT HIDDEN.

Errors in action are often a matter of fact so can be corrected—but conspiratorial criminal actions, especially after over three weeks of holding corporate records unlawfully—seals the coffin. And, for others to play their evil games through that unwise action—places you in conspiratorial equality and shall be held equal under the law. You who have been USED by George Green, Abbott and/or Horton had better step forward and now cover your fannies for this is NOT longer a game of "get Dharma".

By the way: Ekkers are the ONLY officers and directors of those corporations assumed to be Sharri's. They acted all along in accordance with demands for protection from EXACTLY THIS KIND OF ACTION USING SHARRI. She requested that her private decisions and management be KEPT SEPARATE AND IN UTMOST SECURITY AND SECRECY—so for all of you—THAT IS EXACTLY WHAT HAS HAPPENED SO THAT ALL PROOF OF EVERYTHING AGAINST THE EVIL-MONGERS IS COVERED IN CORPORATE BUSINESS. TAMPER WITH THAT STOCK, WHOEVER YOU ARE, AND YOU ARE DEAD IN THE WATER!

We are told that Mr. Green was going to convert the stock in some three corporations into Bearer stock and use it to pull down the Institute—AND GET FUNDING FOR LEGAL FEES FROM MS. YOUNT ALONG WITH THEN GETTING HER ENTIRE PORTFOLIO OF NOTES AND STOCKS. Do you see what a stupid thing, to share all this wondrous information with your "thought-to-be" friends in conspiracy, George? The interesting thing happening now is that a few little people don't have anything to PROVE—the law will take it and handle it.

For you who still think the Institute is doing some kind of shyster business as does Green tell (a .er all, he set it up and intended it be shyster), please realize that it has now been investigated by the Mail Department

for mail-fraud, the Feds for tax possibilities, the FBI for bad business AND every other branch of government George Green could dredge up for the SET-UP right through the lies in open courts, both local and Federal—only for the accuser to be proven to be THE FRAUD, THE LIAR, and THE THIEF. And, in the end, it had nothing to do with Ekkers—in bringing him down and into accounting. His own actions have done it and continue to set up all his acquaintances as well.

This is exactly the way your governments will go, readers. The liars, cheats and thieves of your national freedoms and righteousness are getting their comeuppance as we write. Many of the rulers of your nation through your Congress are dropping out like flies because the "Fifth Column" Cray Computer BlackMailers are hard at work with the suggestion: "Either resign, do not run again, or you are going to be destroyed." Who is behind that operation? NOT ME.

So when will our people get that which is necessary to found some good businesses? Just as soon as they can be worthy of the trust and others stop playing silly games on my people.

NOW FOR COLEMAN

John, I want you to please recall the sick feeling that you felt when I spoke of the "BlackBird" project. Well, we fudged a bit for I did not want Dharma to know more than about "blackbird" aircraft and speed, etc. I want you to know, now, that I indeed was speaking to YOU about the project with the lasers and black helicopters and death rays, etc. We have a lot of stuff yet to share, friend, and you got caught in Green's web as well as the rest of us and he doesn't even KNOW ANYTHING. His handlers wouldn't trust him with their bread-board. He is uniquely greedy and this makes him worthless to his manipulators. You feel him to be quite "deadly"? NO, he is simply "dead". Can he "hurt" people? Of course, and has done so to almost unlimited extent—has he not terribly hurt YOU?

HOW HAVE WE SUSTAINED?

We aren't in the business of overthrow, unlawful actions or sedition, subversion or even saving anything. We are here to offer information and quietly allow for "survival" through a hard time a-comin'. I consider that we have "adversaries"; I do not even accept them "literally" as "enemies". At any rate, I respect those who would be my enemies but I don't want any part of running or controlling a corrupted and rotten world order. There are going to be NO MAGIC moments which turn a rotten world into perfection, for look inside at your own decisions and actions and then check that ladder all the way to the top controllers and see what you do, what you demand, what you protect,

and see if it actually coincides with the TRUTH OF GOD. If it includes war, force, more control, etc., it is not even on my agenda as a solution to anything, most especially goodness.

We are honored that those such as Green call *CONTACT* a "garbage rag-sheet" with nobody interested but then go forth and fight their case on what we run in *CONTACT* for despoiling their reputations. Well, you can't have it BOTH ways. We are either "nothing" or we somehow seem to be a threat to the unlawful. If no more than our subscribers read the paper—we are no threat to ANYTHING. As a matter of fact, WE ARE NO THREAT TO ANYONE OR ANYTHING.

WHY DEVOTE TIME AND SPACE TO THESE TOPICS?

Because these are the problems facing, not just these people here—BUT EVERYONE THROUGHOUT YOUR LANDS IN ONE FORM OR ANOTHER. This only becomes an example and for you who have shared from upstart—it is THE EXAMPLE WHICH HOLDS THE MOST LESSONS. How wondrous if you learn and don't go stick your hands in the frying pan with the fire on just to prove our points. THE ADVERSARIES ARE NOW REVEALING THEMSELVES BY THEIR OWN ACTIONS AND CONSPIRACIES AGAINST THE HONOR AND INTEGRITY OF THE CITIZENS OF A NATION, A CONTINENT, AND A GLOBE. YOU must come to see that by joining with these perpetrators, you not only condone but become worse than they. Ignorance is no excuse under the LAW—why should ignorance of consequences be your fighting motto? YOU, IF YOU READ THIS—ARE NOT AMONG THOSE OF NECESSARY IGNORANCE!! PONDER IT! YOU ARE MAKING YOUR CHOICES WITH EVERY BREATH YOU TAKE AND YOUR IGNORANCE IS NOT OUR PROBLEM—IT BECOMES YOURS AND THOSE WHO ABIDE WITH YOU IN YOUR FOOLISHNESS.

My sharing the negative aspects of a George Green or a Henry Kissinger does NOT make me the culprit. THEY ARE THE CULPRITS OF THEIR BEHAVIOR AND ACTIONS AND, WHEN THEY CAN NO LONGER HIDE TRUTH OF THOSE UNLAWFUL AND EGO-BASED ACTIONS, IT IS THEIR PROBLEM—NOT ANY LONGER MINE. WHEN THEIR ACTIONS DO INVOLVE ME AND MINE, I WILL TAKE ACTION—BUT ONLY THROUGH TELLING WHAT IS KNOWN. WE DID NOT MAIL ALL THOSE STUPID DOCUMENTS OF ILL-INTENT AND POOR WRITINGS TO EVERYONE GEORGE COULD FIND TO RECEIVE THEM. HE DID. HE SENT HIS OWN LIES AS IF THEY SOMEHOW PROVED TRUTH IN THE MATTER. CLEVER? NO, SICK! WORSE, HE HAS CAUSED THE JUDGES TO LOOK LIKE FOOLS AND THAT IS USUALLY NOT ULTIMATELY SUCCESSFUL. WHY? BECAUSE IF THERE WAS FEAR OF BLACKMAIL IN THE UPSTART—THE PROVEN FACT OF HIS BEING RECOGNIZED IN THE COURTS AS A LIAR COVERS ANY NEGATIVE STATEMENTS HE MIGHT MAKE ABOUT SAID JUDGES AND JURISTS—ALONG WITH THOSE OF HIS COMRADES IN CRIME, HIS LAWYERS!

Rod Ence/Enz pointed his finger at Brent and shouted with hate that when the "shit hits the fan you are going to pay"—right into a video camera. Oh? Who is going to pay, Rod? Are you sure? It seems to me that your cohort advisers are not so great and George is now using elderly Ed Cleary in his most recent barrage as informant. When do you learn truth? Do NOT tell anyone that I told you to do things "this way"—perish the thought, for I have never EVER suggested you break any law of GOD or nation. I have offered you ways to protect selves and receive help instead of be in hunger as can be offered through good business. I have never suggested anything otherwise. And you shall always be considered by the advisers and company you keep within your conspiratorial antics.

You will learn the difference, perhaps, in hiding something illicit and the right of PRIVACY. The ones you have hurt the most are STILL the most loyal to you for the ones you have now joined have no loyalty, no respect and will destroy you before they will allow themselves disadvantage—it has ALREADY BEEN PROVEN. George Abbott stole over \$40,000 in hard cold money from Leon Fort and yet Leon has again joined the fray to try and get REVENGE on his SUPPOSED opponents, of all things. Against who? Why don't you try the guilty parties, comrades in charade? There can no longer be protection here when you so deliberately choose your very enemy for your participant.

You people within this conspiracy to pull down our work and word—will reap the wind for there is no shelter against your own works. I am not interested in courts of injustice and organized crime protection—I AM ONLY INTERESTED IN THE INTENT AS REGARDS THE LAWS OF GOD! EVIL CAN ONLY TRY TO PROTECT EVIL—IT HAS NO CHANCE OF SURVIVAL IN THE LIGHT. Can you not see that that "god" to whom you pray for protection of your crimes, is only going to suck you in even more deeply and then dump you to hold the bag? It is much like "snipe" hunting, is it not? And, if you have "fooled" your family—how long shall it be before they come to realize TRUTH and not your lies? Crime only SEEMS to pay, good buddies; it ultimately NEVER PAYS but it surely can compound your problems. You can bury truth—YOU CANNOT CHANGE IT!

THIS IS THE ULTIMATE INTENT OF THE ONE WORLD CHURCH ORDER—TO TOTALLY PRESENT LIE IN THE STEAD OF TRUTH—AND DESTROY YOU AND ALL SEMBLANCE OF MORAL RIGHTEOUSNESS THROUGH "THINGS" OF MANIFESTATION. THE CHOICES ARE YOUR OWN. WHEN YOU CONTINUE TO JOIN WITH EVIL, PLAY EVIL GAMES OF "GETCHA" AND

OTHER DECEITFUL CHEATING ACTIONS—YOU ALREADY SERVE THE EVIL MASTER WHO WILL DESTROY YOU TO KEEP HIS ANTICS FROM HIS OWN CONSEQUENCES SECRET. You who claim leadership and wisdom in your great plans and conspiracies only show your foolishness and evil intent and allow the LIGHT OF TRUTH TO SHINE ALL THE MORE BRIGHTLY FOR ALL TO NOW SEE.

You who practice little schemes within your small circles of deceit are NO DIFFERENT, except in "size", than the largest conspirators who steal nations and planets. It starts right there WITH YOU! No one wants traitors among them—and that includes US.

Ekkers were prepared to go to jail on contempt charges to protect information regarding any trusted corporation information that they might have. How nice for them that you ones betrayed yourselves to your worst nightmare of an enemy—Green and Horn. Now your information by your own hands will be spread before the courts of law in open revelation. Ekkers served you well and you turned and could not help, we suppose, betraying YOURSELVES.

A LAMP IN EVERY MIND!

Dr. Young, perhaps we could make a "masthead" change from "A light in every window" TO "A light in every mind". [Done!]

GRACE AND BEAUTY

May we continue our journey in the wondrous GRACE of Creator that our days may hold peace and joy of the truth of BEING and hold the beauty of that which is laid before us in HIS GREAT WONDROUS GIFTS AND GUIDANCE. HOW WILL GOD WIN? THROUGH US, HIS CHILDREN, WHO DO NOT LOSE OUR WAY! Salu.

Gulf War Syndrome

Testimonials

1/15/96 PETER KAWAJA

To the good folks at *NEW GAIA*:

It is almost the time to remember when Desert Shield became DEFCON-1/Operation Desert Storm, in January 1991.

I am therefore writing to share some good news. *New Gaia* had sent several of their Gulf War Syndrome "starter kits" to me, which I am and have been testing with Gulf War Veterans and other civilians who exhibit GWS. This includes myself, as I have been exposed to many "things", on top of having direct attempts made on my life—not only to blow up my car, but to inject me with a warfare agent. Recently, I received a letter from a disgruntled person (whose motives I am not sure of at all—whether he represents the enemy, and not just himself); the paper his note was written on was yellow/brown (discolored). At the bottom of the letter, this individual pointed out that I should now go wash my hands with Peroxide (etc.) because the coloring may not have been that the paper was OLD, but that it was soaked in Gulf War Syndrome (biological agents). I have not had a chance to have this paper analyzed yet, and have sent a certified letter to Louis Freeh of the FBI, but of course, the FBI has NEVER even signed for the document, nor called me, even though I indicated I would give them my FULL cooperation. Sad isn't it?

In any case, several months ago, I was coughing continuously for a long time (many weeks), and had fever and the "symptoms" of something deadly. I did try using certain antibiotics for a time, including Doxycycline, but I did not really get better until I took the complete GWS starter kit myself. This is not meant to infer that I did have a deadly disease, but whatever it was, I considered it serious. And it only went away after taking the *New Gaia* products in full. I am still on them.

But, there are other testimonies more significant. As example, included [following] is a letter from Karen Tallhamer who was VERY sick for quite some time. She had sent me her medical background and the different medications she was given by the VA. As per her letter, she had been on FORTY THREE medications just since 1994 alone, and they were for GWS which she has been diagnosed as having. She reports that not only has she been able to back-off most of her prescribed drugs from the VA, but she has a new ENERGY, that she has used to write letters to the President, and finally go through all the red tape necessary to get her back pay, as the military was apparently some 11 months in arrears. She and her sick husband are now living in a trailer and just recently the cable TV company turned off their only source of entertainment and the phone company also threatened to cut off communications with the outside world. These people cannot go out like the rest of us, and TV is all they have in a trailer. The Power company and Water company also threatened to cut off their services, and I had to call the military to try to intervene to speed up things. Karen herself is responsible for getting these unsympathetic companies to hold off disconnecting all service.

We both feel her renewed condition is a direct result of the *New Gaia* products, which she continues to take. The Tallhamers need financial help as do several other (and thousands more I don't know) veterans. She

is not "cured", if that is any word people understand, but she is on her way to being much healthier, to having some form of life, and the energy and a clear mind to know what to do to try to get information from the VA and Military. If anyone you know wishes to speak with Karen for send her some financial help, or get her opinion of GWS or the *New Gaia* products, please have them contact me for her address and phone number. There are several things people can do to build up their immune system and try to combat warfare agents and other "natural" killers.

New Gaia products is the BEST I have been privileged to know about at this time, as I continually welcome information from all sources.

I look forward to reporting more to you in the near future. Right now I am preparing for my speaking engagement at the upcoming Global Science Congress

in Tampa this month, January 18-22. Until then, on behalf of the Tallhamers, other veterans and myself, thank you all for what you have done in providing these products to those afflicted with GWS.

/s/ Peter Kawaja

Dear Peter,

12-12-95

I want to thank you for the shipment of the *New Gaia* products on the 24th of September. I was a bit skeptical but I wanted to believe it would work.

I was taking 14 different medications when I started and they seemed like they weren't working. I have been on over 43 medications since October of '94, all of which either work only initially or not at all. These are all for the treatment of "Gulf War Syndrome"....

I do believe that the *New Gaia* products have helped. I feel like I have more energy every day, whereas before it was like being on a roller-coaster emotionally. This was hard on me and my family. It seemed like one minute I would be ready to bite someone's head off (either my husband's or son's) and the next minute I was crying, apologizing for it.

The personnel at *New Gaia* were very helpful. They called and were genuinely sympathetic to my condition. Again I want to thank you for the products and the emotional support you have given me. It helps, knowing that I have so many behind me, standing up for our cause. It gives me the strength to go on knowing I'm not alone.

Sincerely,

/s/ Karen J. Tallhamer

New Gaia Offers Journey To Health

What Should We Be Taking?

5/26/95 SANDRA TULANIAN, D.C.

The times in which we live in do not afford us the opportunity to keep life simple enough that health can be taken for granted by just ingesting food and water. The game rules have been changed by bureaucrats (directed by crooks higher up the ladder) who dictate questionable farming practices which, when added to the already choking pollutions of our atmosphere and water, ends up depleting the soil, the food supply, plus the air & water we breath of many of the essential nutrients that would otherwise allow our bodies to function optimally.

Aside from a core of products that *New Gaia* carries which will be discussed further on in this article, two brand new products are being offered that are extremely important to present first. They are **GAIACOL** and **OxySol**. **GAIACOL** is a combination of Colloidal Silver and Trace Colloidal Gold. This combination of ingredients has produced a product that is so high-frequency and potent that it could quite possibly be the solution to our ongoing fight against the new antibiotic-resistant diseases that we face today. Colloidal Silver was used extensively and very successfully against bacteria, virus, fungi and the like before the advent of the first antibiotic, penicillin; and the uses for Colloidal Gold at that time were just beginning to present themselves. Once the chemical companies began manufacturing the myriad of antibiotics, silver and gold were no longer looked to for treatment. Interestingly, the antibiotics that they were producing had no effect on the more resistant viruses, fungi and parasites yet this did not stop the medical community from prescribing these drugs regardless of the type of infection. Now we face a new generation of bacteria that are completely resistant to any antibiotics merely due to antibiotic overprescribing and resultant survival of the fittest bacteria.

Research has demonstrated that Colloidal Silver is non-toxic to humans and allows no known disease-causing organism to live in its presence. With the addition of Trace Colloidal Gold the frequency of **GAIACOL** is remarkably enhanced to allow these newer, more powerful viruses and bacteria to be eliminated. **GAIACOL** is gentle enough to use topically on just about any skin, hair, or mouth condition without fear of toxicity and is outstanding for burns. For internal use it is recommended to maintain with 3-4 drops, 3-4 times per day under the tongue and if an infection is present, start with 1 teaspoon the first day and then 10-12 drops, 3-4 times per day under the tongue until the infection clears. Important: Due to the powerful nature of this product, friendly bacteria can be affected so it is advisable to replace the natural intestinal flora with some type of acidophilus/lactobacillus supplement daily or, at the least, when symptoms are noted (symptoms may include cramps, bloating, diarrhea/constipation and a general feeling of malaise).

Please note that this product is said to be perfectly safe for children and pets and can be taken with other medications without incident. Colloidal Silver is not

addictive and the body does not build up a tolerance to it. For your information only, Colloidal Silver has been used effectively on the following: acne, conjunctivitis, allergies, rheumatoid arthritis, bladder inflammation, venereal diseases, eczema, appendicitis, boils, cancer, candida, otitis media, prostate problems, whooping cough, ulcers, plus many, many others. **GAIACOL** can also be used to wet wound dressings and bandages and help heal cuts, scratches, abrasions, fever blisters, etc. There is a myriad of uses for this product which makes **GAIACOL**, in my opinion, one of the most exciting and valuable products on the market today.

OXYSol contains Colloidal Silver and Trace Colloidal Gold but has Hydrogen Peroxide (food grade) and other trace minerals to add a new dimension to the effects. Organisms that have plagued us for centuries may be destroyed using this product but the new, more resistant strains will require the higher frequency **GAIACOL**. When added to water, the **OXYSol** will help to purify, which makes this ideal for taking to restaurants or for travel. When taken with **GAIACOL** you get a two-fold effect of combating foreign invaders and providing a greater oxygen content for the health of the cells from the Hydrogen Peroxide. **OXYSol** is wonderful topically as well, but is not advised for burns (use **GAIACOL** for burns). The trace minerals found in **OXYSol** are vital to our health because the nutrients that were once taken for granted in our vegetables and fruits have been systematically farmed out of our soil. These trace minerals need to be replaced, otherwise our bodies continue to be open season for aggressive bugs. Another use for **OXYSol** is to rid the oral cavity of harmful bacteria by brushing your teeth with 4 drops **OXYSol** on your toothbrush or use as a mouthwash or gargle. The recommended amount to take daily for system clearing is 6-10 drops, 3 times a day on an empty stomach. If taken with **GAIACOL**, reduce both daily requirements in half. If you are adding **OXYSol** to your water, just add 1-2 drops in each glass of water. Both **OXYSol** and **GAIACOL** are very powerful additions to our pursuit of health.

Without these "food"-based essential nutrients our immune systems and body physiologies are sitting ducks for any attack—from chemical and biological "warfare" practices, to increased nuclear radiation pollution, as well as from other high-energy photon bombardment as this planet prepares itself for the upcoming changes.

It is up to every individual to take personal responsibility for their health and prioritize the needs their bodies may have at this time as well as pay special attention to the needs of their children. I hope to describe here some good products available to you so that your search for a basic, complete arsenal against disease can come to an end.

New Gaia has presented many products to the public that you can pick or choose for individual needs. But there is a core of products, which should be taken regularly, that is felt to be essential to health and well being. These products are: **GAIANDRIANA**,

AQUAGAIA, **GAIALYTE**, **KOMBUCHA TEA**, **KOMBUCHA VINEGAR**, **CARBRAGAIA**, **GAIA CLEANSE PROGRAM**, **CHLORELLA**, **SPELT**, and **3-In-1**. Each of these provides a service to the body that is a necessary assistant to the other. We will discuss each one individually to provide you with the information you need to understand why these items are necessary.

The physiology of the body is basically governed by the actions and programming found within the cell. The cells make up the tissues of the body, the tissues make up the organs such as the heart or liver which, in turn, make up the organ systems that work in harmony with each other to keep the entire body functioning. If the cell structure has been altered or is malfunctioning (for whatever reason), every organ system is affected. To what degree they are affected depends on the offending substance that has caused the cell's breakdown or the length of time that cell has been subjected to abuse.

GAIANDRIANA is a product that is said to help correct the faulty programming that has occurred at the cell level by correcting into perfection the cell's DNA/RNA blueprint. Viruses, unlike bacteria, have the ability to fuse with the DNA strand within the cell, creating a mutation to that cell. By perfecting the DNA/RNA blueprint, the cell may be returned to a level of vitality which allows it to fight off an incoming virus and maintain the homeostasis within the cell and, in turn, within the organ systems.

This is essential for the immune organ system, because without healthy cells that can fight off offenders like free radicals, viruses, and cumulative levels of radiation, the immune system is overtaxed to the point of exhaustion—eventually leading to dis-ease. Another benefit from consuming **GAIANDRIANA** is its ability and nature to thrive on the invisible, higher photon frequencies which are bombarding us daily. **GAIANDRIANA** is able to speed up the frequency levels of the cells to more nearly match the energies pouring in and assaulting the body. This, in turn, can offer a two-fold benefit: One benefit is the ability of the cell to withstand and actually adapt to these otherwise damaging energies; the other benefit is to help protect ourselves from mind manipulation through pulse beams that are irradiating mankind relentlessly. Originally the dose was 10 drops, 3 times per day, under the tongue. However, with the growing number of "manufactured" epidemics and other stepped-up plans for our demise by the Elite, perhaps more is better. One ounce or more per day may produce faster and more effective results.

AQUAGAIA was introduced to benefit the mitochondria system that lies within the cell. The mitochondria is the energy producer of the cell and is essential to convert the food we eat into usable cell fuel and to produce enzymes that are absolutely necessary for survival of the body system.

AQUAGAIA is also said to feed on vessel plaques adhering to blood vessel linings. Most all of us, by the age of twenty, have plaques developing on the arterial

walls due to the American diet that is filled with saturated fats, high protein, white flour products, and limited consumption of fresh fruits and vegetables. This product provides added fuel to any compromised system to assist in strengthening the immune system, as well as cleaning out blood vessels and enhancing the pliability of the vessel walls throughout the body. Both **GAIA** and **AQUAGAIA** work in harmony to strengthen and eliminate mutations of all cells by working together within the cell structure itself.

Another product that you will find essential in your daily regime is **GAIALYTE**. This is a fully integrated electrolyte liquid that is brought forth from the **KOMBUCHA TEA**. The combination of tea and juice, vitamins, minerals, Ginkgo Biloba, Echinacea, **CHLORELLA**, oxygenators, Aloe Vera and **GAIA** are a powerful combination that helps boost energy levels as well as provides electrolyte balance within the body to help enhance the performance of the **GAIA** within the cells. Electrolytes are substances which dissociate into ions in solution and thus become capable of conducting electricity. The balance of these electrolytes in the body will aid in the protection from the various high-frequency energies that we are now subjected to as well as enhance the effectiveness of all the other products you are consuming for your health.

Another beverage that should be taken in a dose of approximately 8 ounces per day is the "Tea Breeze" **KOMBUCHA TEA**. Enough can not be said about this fermented drink from the mushroom fungus found long ago by a prominent Japanese woman in a town called Kargasok, Russia. What she found amongst these villagers astounded her. The women were virtually without wrinkles or other signs of aging and the overall population was comprised of unusually healthy people. She was told that these people drank 8 ounces of **KOMBUCHA TEA** daily. She brought the mushroom fungus back to Japan and, today, over a million Japanese people drink the fermented tea daily. With the high content of special proteins and enzymes, this tea is said to reduce cholesterol, restore hair growth, strengthen eyesight, help insomnia, aid in weight reduction, help with allergies, bronchitis, asthma and a myriad of other debilitating conditions including the prevention of certain cancers.

While these are claims from people who have used or researched the product, it would simply be prudent to regard **KOMBUCHA TEA** as a must to add to your daily health regime. Many people make their own tea with the mushroom that is available through New Gaia Products, but for those of us with limited time, the ready-made tea in the 1-liter and 2-liter bottles is both delicious and convenient. Try mixing the tea with the **GAIALYTE** and your favorite juice, or just drink it straight.

There is a **KOMBUCHA VINEGAR** that has been developed which offers similar properties to unpasteurized apple cider vinegar, which has been used for centuries to care for all types of ailments. This product packs a punch when fighting off the common cold and is great as a digestive aid. Many are using this product in their salad dressings or other recipes to enhance the nutrition that their families receive. While **KOMBUCHA VINEGAR** is not recommended for canning or preserving, it certainly is recommended for general consumption.

CARBAGAIA is the membrane that is found in the mushroom fungus of the **KOMBUCHA TEA** bathed in a nurturing amniotic-like fluid of **GAIA** to aid the body in repair of connective tissue. This product was designed to replace the need for Shark Cartilage supplement, which has been well researched and documented in recent years and which is said to program the body to never develop cancer tumors. By mixing one teaspoon in to any of the above mentioned drinks, you add one more weapon to your arsenal in the quest to build the immune system to its optimum healthy state.

A 14-day program called **GAIA** has been

developed that assists in the elimination of the nasty parasites found within the body. Very few people realize the kinds and types of diseases that these parasites can contribute to, such as Cancer, AIDS, Hepatitis, Hodgkin's Disease, Diabetes, just to name a few. There have been reports that people have been able to turn their conditions around by utilizing a program such as the **GAIA** to eliminate the myriads of parasites, such as flukes, keeping house in their internal organs.

The beauty of this program is that 14 days every 3 months is all that is required to insure a body that is free of most parasites. The **GAIA** line includes tinctures that can be mixed in any one of the above beverages or in juice. There is also an intestinal cleanse that comes in the kit to ensure proper elimination and cleansing during the two weeks. These steps to health are important if one is to realize optimum health within the cellular structure and organ tissues of the body.

CHLORELLA is a single-celled, fresh-water algae which is a nutritionally balanced whole food that is extremely high in protein (60%) and contains more than 20 essential vitamins and minerals, 19 of the 22 essential and non-essential amino acids, enzymes, plus **CHLORELLA** growth factor. The combination of these factors results in a product that has been found to be excellent in the healing of wounds, injuries and ulcers, immune strengthening, age retardation, protection against radiation, normalizing digestion and bowel function, and protection against toxic pollutants, to name but a few of the benefits.

CHLORELLA is a rich source of chlorophyll, which is extremely effective in controlling body odor both internally and externally. The suggested daily consumption is 3 grams per day, but dosages should be adjusted to your individual needs. Many times the alkaline reserves in the body are so depleted that **CHLORELLA**, in larger doses, is warranted.

Moreover, because of its superb food value, **CHLORELLA** is an important addition to anyone's emergency food storage stash.

As part of an ongoing nutritious diet, the grain of **SPELT** (*Triticum Spelta*) should be added to every diet in replacement of the standard wheat grain. **SPELT** is superior to wheat in that it contains more protein, crude fiber, and fats than wheat. It also contains special carbohydrates (Mucopolysaccharides) which help stimulate the all-important immune system.

Many people who are allergic to wheat find **SPELT** to be easily digestible. What is most exciting is the delicious nutty flavor that **SPELT** offers to any baking needs. Another advantage of **SPELT** is the large amount of vitamin B-17 found in the grain (also known as Laetrile) which has a reputation for ridding cancerous cell growth and aiding in the healing of other serious illnesses. **SPELT** also has an exceptionally thick husk around the center grain, which protects it from all kinds of pollutants and insects far better than happens with other grains. The **SPELT** grain can be ground up into flour and used in any recipe where flour is required. New Gaia offers the whole **SPELT** grain bread mixes, or the grain itself to be ground into flour, or the flour already milled for your convenience. This simple addition to your family's diet can provide a wealth of extra nutrition for your loved ones as well as a great taste experience.

The last product I wish to discuss is a newer product of which you may not be fully aware. Many of you have heard of the latest craze using a product called "Pycnogenols". Pycnogenol comes from the bark of the pine tree and is said to have remarkable anti-oxidant properties that are aiding in the relief of a number of chronic conditions. The 3-In-1 product offered by New Gaia has been found to be superior to Pycnogenol. The research that has been conducted on the elements found in Pine Bark were primarily conducted on Grape Seed Extract because this, too, had the components that offered the superior anti-oxidant protection.

What was discovered is that the Grape Seed Extract was even superior to the Pine Bark in that it contains a higher level and higher potency of OPCs (Oligomeric proanthocyanidins) which are the active ingredient for free-radical scavenging. These OPCs found in the Grape Seed Extract are known for their instant bioavailability to seek out nasty free radicals and produce rapid counter-effect results. While no claims are here being made for the healing qualities of any product, the OPCs found in Grape Seed Extract have been identified with: Anti-aging protection, improved vision, decrease in wrinkles, resistance to mental deterioration, reduced risk of heart disease, reduced risk of stroke, enhanced immune system, faster healing, subdued PMS, and reduced inflammation of arthritis.

The other substances found in 3-In-1 are Ester-C® and Aloe Vera. Ester-C® is found to get into the blood stream faster and in larger amounts than other forms of vitamin C and wastes only a fraction of what other vitamin C products lose through elimination. It is also found to penetrate white blood cells more efficiently, which is necessary for their metabolism. There is also a reduction, if not an elimination, of the side effects from the acidity of regular Vitamin C because Ester C® has a neutral pH. Each capsule also contains 150 mgs. of Aloe Vera which is the equivalent of one-and-one-half ounces of natural Aloe Vera juice. Excerpted from an article by John C. Pittman, M.D., we read: "Acemannan, a mucopolysaccharide, is a long-chain sugar which is found as an active ingredient in Cold Processed Whole Leaf Aloe. It interjects itself into all cell membranes. This causes an increase in the fluidity and permeability of the membrane, allowing toxins to flow out of the cell more easily and nutrients to enter the cell. The net result may improve cellular metabolism throughout the body, resulting in a boost of energy production."

These three powerful ingredients are found in one product called 3-In-1. It is a potent product that should be utilized by anyone suffering from a chronic condition or for those wishing to maximize the functioning of their immune system on a day-to-day basis.

All the above products discussed: **OXY**, **GAIA**, **GAIA**, **AQUAGAIA**, **GAIALYTE**, **KOMBUCHA TEA**, **KOMBUCHA VINEGAR**, **CARBAGAIA**, **GAIA**, **CHLORELLA**, **SPELT** and 3-In-1 can be the keys to a healthier and more vibrant life by reinvigorating the immune system, increasing the metabolic activity of the cells, providing more complete nourishment to allow the organ systems to function in harmony with one another, and to increase our bodies' overall frequency levels to withstand the onslaught of various high-frequency energies that are thrown our way. These products work synergistically together to maximize the effects of each product.

Of course, right thinking, right exercise, and right eating are absolutely necessary to add to any health regime, but the benefits and gifts found within these various products are priceless to our well being in this high-stress world.

TELEPHONE HOTLINE

805-822-0202

This is a service for our dedicated readers. *Today's Watch* telephone hotline carries the latest news and comments from Commander Hatonn's most recent writings. This is our way of keeping you informed about fast-breaking news and events.

The message machine will answer after 2 rings if there are any new messages for that day, and after 4 rings if not. Thus *daily* callers can hang up after 2 rings and save toll charges if no new message has been recorded. The message update(s), if any, occur by 6 PM Pacific Time.
