Is It The Rule Of Law Or 'The Rule Of Money'?

The answer to this issue's headline question is obvious to long-time readers, as evidenced even in the old saying: "Money makes the world go 'round." All of the puppets on the world stage answer to "this terrible power of the purse" as it is described in the Protocols of the Meetings of the Zionist Men of Wisdom, which are covered more fully elsewhere in this issue. And it is those very purse-strings which are attached to the puppets so deftly managed by the elite puppetmasters. In the very first of the protocols we read:

"Establish an aristocracy based on MONEY and intellectual class on the ruins of natural and hereditary aristocracy."

Can anyone deny this is the case in the world today? It is about as in-the face as it could be, even in the public spotlight. George W. Bush is cited in the Michael Moore film, Fahrenheit 911, declaring to a room full of supporters: "Some people call you the elite but to me, you are my base; the 'haves' and the 'have mores'."

We give sincere appreciation to The Manila TRIBUNE for allowing us to present the following contribution from Filipino patriot Alan F. Paguia.

THE RULE OF MONEY

The Manila TRIBUNE, 9/10/04

By Alan F. Paguia

Is Philippine society governed by the rule of law or by the rule of money?

In theory, by the rule of law. But in practice, by the rule of money.

Under the rule of law, the basic question is: Who is right or wrong, and not: Who has money or who has none? Whoever is right is upheld; whoever is wrong is downheld. Whoever has the money is completely immaterial and irrelevant.

Under the rule of money, the opposite is true. The basic question is: Who has the money, and not: Who is right or wrong? Whoever has the money is upheld; whoever has no money is downheld. Whoever is right or wrong is completely immaterial and irrelevant.

Take the case of the Arroyo administration. Does it uphold the majority of the Filipino people who are poor? No. It downholds them to more debts and ever grinding poverty. Instead of upgrading the people's quality of life, the Arroyo administration has

consistently downgraded it. Instead of giving the people reasonable hope for a better life, the Arroyo administration has been pushing them to an unprecedented sense of national despair. Instead of satisfying the people's present needs, the Arroyo administration harks to the past or to the future.

How about big business? Does it uphold the best interest of the majority of the Filipino people? No. It upholds the interest of the very rich minority by charging progressively increasing prices of basic commodities that translate to progressively increasing margins of profit. Instead of helping the poor majority, big business helps the wealthy minority get wealthier. Instead of showing sensitivity to the economic suffering of the Filipino masses, big business has shown ruthless profiteering. Instead of showing oneness with the Filipino people, big business has distanced itself from them.

How about the church? Does it uphold the best interest of the majority of the Filipino people? No. It principally upholds its own interest. Aside from charging to the account of the Filipino people the costs of its religious facilities and services, the church also collects from the Filipino masses considerable amounts

of money which are like the profits amassed by big business entities. Instead of easing the economic burden of the people, the church effectively adds to it. Instead of strengthening the people's chance at financial recovery, the church does the opposite. Instead of reducing the expenses of the masses, the church ultimately increases it.

There appears no democratic balance of power in our country. The odds are heavily tilted in favor of the rich and against the poor. Any problem requiring governmental intervention and action is generally resolved in favor of the moneyed class, regardless of merit or lack of it. Thus, conflicts between landowners and tenants or squatters are expectedly resolved in favor of the landowners, and in favor of the tenants or the squatters only by way of exception. Controversies between criminal suspects who are poor and complainants who are rich are usually resolved in favor of the latter. Litigation between big corporations and individual private citizens who are poor are commonly resolved against the latter.

No poor person is ever part of the decision-makers' group in government, big business or the church. The membership in that privileged class is reserved exclusively in favor of the millionaires or richer persons.

Thus, no one from the poor majority of the Filipino people ever becomes President or Vice President, unless he has himself or herself become a millionaire or better.

The same may be said with equal application to senators or members of the House of Representatives, and the leaders of the different Executive departments.

Is there a non-millionaire in the rank of the justices of the Supreme Court? We guess not. Of course, it is possible they may have earned their millions long before their appointment to the high court. And we can only hope that is always the case.

Is there a non-millionaire among the leaders of the different churches in the Philippines? That would be up to the faithful followers to find out. They have to determine for themselves if there is any causal connection between the high position in church and the economic wealth of the leaders. If there is, they may validly wonder where the personal wealth of their leaders came, or comes, from. If there is none, their leaders may be above suspicion of taking undue advantage of their high position.

Who is not rich and famous among the leaders of government, big business and the church? Can it be truthfully said the general rule is they are not rich and famous, and some are only by exception? Or, is the opposite the truth?

Regardless of the answers, the fact is the majority of the Filipino people are poor. They eat less than the standard three square meals a day. They do not have and they do not earn enough money to satisfy their daily basic needs.

Can they be genuinely led to a high quality of national life by leaders whose common lifestyle is opposite that of the poor majority?

The Filipino people ought to bear in mind that in a society under the rule of money, the rule of law is a mere illusion; the *Constitution* is a dream; mass poverty is a reality; money is right, money is might; what is right stops where money talks; the rich get richer and the poor get poorer.

Therefore, the majority of the Filipino people who are poor must: (1) fight against the rule of money; (2) wrest back their constitutional and sovereign powers from the unconstitutional power grabbers in their midst and (3) restore the rule of law.

RE: TRUTH, 9/11, RUSSIAN OBSERVATIONS, & THE CHILDREN OF SATAN—GCH/D

* * *

MAY RIGHTEOUSNESS AND TRUTH
GO WITH YOU
LOVE ALL-SERVE ALL

Ah indeed you want some spiritual upliftment as you have to relive the incredible propaganda of events that were not projected IN TRUTH from those passing events of some yesterday. So be it, for as is the incident of some 9-11, any-year, you have to have truth present in some measure before you can achieve righteous love and service.

Are either mandatory accomplishments? It certainly depends on your goals and desired output of living itself in this manifest world of expression.

You may well piously repeat "Love all—serve-all" and glow with inner warmth and light that some mantra developed and represents some Baghawan in old India, and so it does to great extent—BUT, emblazoned across the façade of the HARD ROCK CAFES of the world is the same bold statement along with: "Save our planet". Truth is truth is truth...!

Ah but what IS truth? Let me assure you that it becomes a "real" and meaningful state of perception and reception in which it is extremely wise to make every effort in which to function. I will borrow from a brother you might find more interesting than myself:

Truth is something which people do not like. They look at it as if it is inimical to them. Untruth is something which people like. They look at it in a friendly manner. People like to buy intoxicating drinks like toddy and liquor even if they have to pay a high price. They do not go in for health giving things like buttermilk and curds, even when they are quite cheap.

Uttering truth is easy. But indulging in falsehood is a tortuous process. One has to take a lot of trouble to cover up one lie with more lies. That is why it has been said: 'Satyam bhrooyat; Priyam brooyat; Na bhrooyat Satyam apriyam', 'speak the truth; speak what is pleasing. Do not utter truth that is unpleasant'.

Truth is something that is not modified by time of space or guna. It must be the same forever, unaffected and unchanged. Then alone it is truth. It should not be proved false by some subsequent event or knowledge.

Nothing is absolutely real. The waking experience is as unreal as the dream experience. When you are in deep sleep, there is no world at all. When you attain the super conscious fourth stage, the "I" alone remains, the universal "I" which was mistaken even in the sleeping stage as limited and particular.

People today talk about protecting the

nation. The nation does not need protection. If you protect and foster truth and righteousness, the nation will be AUTOMATICALLY PROTECTED.

Whether others appreciate you or not, you must be content to act according to your conscience. The inner conviction that you are acting righteously is your best witness. There is no greater dharma (Careful, no pun intended—just truth, ma'am) than adherence to truth. You need have no fear as long as you adhere to truth. It is the liar who is haunted by fear.

Contentment, humility, detachment—they keep you on the path of truth.—Baghawan Baba (Sri Sathya Sai Baba, that is.)

So now that we have that out of the way perhaps you might start your "truth" with a better look at WHAT IS along with some better perceptions of "religions" as a whole and who is who and what is what in your Universe. It beats the 9-11 code of events while never minding our more recently popular Da Vinci codes and directives.

LOOK BACK BUT DON'T DWELL THERE
9/11/01—04

I ask that as you experience all the propaganda and new myths now presented regarding that 9/11/01 incident in New York City, USA, that you do not overlook the very most important things (*in your lives*) ongoing TODAY.

I can share a few notes of presentations as offered and with that some "supposed" threats from the propagandists' archives as to who, how, what, when and where (and sometimes "why", but not often correctly stated).

Moving back and forth on events as presented you can almost always, on any given day, find confirmation of our truth along with exasperation over the attempts to stop our work by the Adversary and which is often stated by columnists as "Satan at Play".

DURHAM (VK)-CANTOR FITZGERALD
(TRADE CENTER DISASTER?)

VK has recently AGAIN written long dialogs about her holdings, all of which are fabrications and fraudulent claims. Among the most notable is her reference to the 9/11 Trade Center disaster in which such as Dove of Oneness claims NESARA was to be announced and thus came down the towers. VK rambled on at the same time that especially Cantor Fitzgerald was wiped out deliberately because of HER HOLDINGS OF THAT NON-EXISTENT TRUST/3392 181.

As with most topics in focus you do not have to go far to get support in some measure of fact as well as reasonable recognition of a degree of fact. In the Cantor Fitzgerald focus it is more that somehow that company turns out far BETTER today than it stood on that fateful day when it was struggling desperately (2001).

Cantor Fitzgerald lost, incredibly, more than half its employees and the chief executive of CF even lost his

brother in the inferno. Oh, what to do...?

[QUOTING]

TODAY: *TODAY*, Manila, Philippines, 9/11/2004, "Business Today":

New York Times News Service

NEW YORK—Howard W. Lutnick, the chief executive of Cantor Fitzgerald has defied the skeptics. **[H: Which skeptics? The company is a "TRADING" brokerage—no expectation of failure in a neat wipe-out program where even the brother referred to was NOT SUPPOSED TO HAVE BEEN IN THAT BUILDING THAT MORNING! This is rarely longer reported and, "oh well". Three years offers a lot of opportunity for "revision" of "history" to suit the desires of "da Kingdom".]**

Three years after 658 of his co-workers died in the terrorist attack on the World Trade Center, Cantor is alive. As if that were not enough for the company that lost by far the most employees that day, it is on track to achieve double-digit earnings growth again this year.

Cantor Fitzgerald, which occupied the 101st to 105th floor of the north tower—the first to be hit—is a much different company today than it was on the morning of September 11, 2001. It is spinning off what was once its core business of **BROKERING TRADES IN GOVERNMENT BONDS AMONG BANKS, and is diversifying into new areas, including asset management and INVESTMENT BANKING.** [Emphasis added.] More than half of its employees in New York have joined since the terrorist attacks.

Cantor is finally moving into long-term office space early next year, leasing the bottom seven floors in a building on Park Avenue and 59th Street, five miles from Ground Zero. **[H: By golly, not a bad shift-out and "start over". Moreover, how in the world in a time of disastrous banking ventures, economic debacles and ongoing catastrophe-games can enough money be gained to fit these new records?]**

The company's existence today is achievement enough. But Lutnick, who lost his brother and survived the attack himself only because he had been late for work after delivering his son to his first day of kindergarten, is motivated by more than the usual drive of a chief executive. **[H: Or possibly a very heavy and blighted conscience?]**

Cantor's profitability has, at least so far, enabled Lutnick to honor his pledge to the families of those killed: to pay them 25 percent of Cantor's profits for five years and provide health insurance for a decade.

As of June 30, Cantor **has paid more than \$145 MILLION to the families, including some \$85 million from its PROFITS.** **[H: Wow, and that is only 25% as stated above.] The figure includes health insurance costs and donations to its relief fund.**

Edith Lutnick, Howard Lutnick's sister, runs the Cantor Fitzgerald Relief Fund, but Howard Lutnick himself still fields countless calls from siblings, parents and spouses of Cantor employees who were killed in the attacks. **[H: Oh my, and VK got nothing from such a loss of her zillion trillions holocausted in the debacle? Is there possibly something wrong with this picture? I mean, like from start to finish?]**

"They all have my home number and work number," Howard Lutnick said. "It's like the way you would call a friend, it's never a bother."

The broad range of support Lutnick has provided for the Cantor families has won over some who had feared he would not honor its commitments. Lutnick had a reputation as a tough Wall Street negotiator. Only days after the terrorist attacks, he alienated some families when he took those who were killed off the Cantor payroll, arguing that the move was necessary

to help the firm survive.

"A lot of people did have doubts," said William Doyle, whose son, Joseph, was a Cantor employee who died in the attack. "But Howard has really gone to bat for these families. He hasn't forgotten them."

Allan Horwitz, whose 24-year-old son, Aaron, was a Cantor employee, said he was amazed at the degree of contact he has had with Lutnick and his sister.

"They have made all of us a part of their extended family," Horwitz said. He has visited Lutnick's house twice, and when Horwitz's father died earlier this year, Edith Lutnick attended the funeral. **[H: Makes you wonder, doesn't it, if this would have been the same if the name was Tom Brown or de la Cruz?]**

"I never knew these people prior to 9/11," he said.

Several times a year, the Lutnicks rent out space in hotels, churches and other locations in the tri-state area around New York City and hold town hall meetings for families and employees.

Cantor will also hold a memorial service this Saturday in Central Park, for employees, friends and family. **[H: Anyone sick yet?]**

One recent project involves making sure the families have their finances in order. Lutnick arranged for Neuberger Berman, a money manager division of Lehman Brothers, to provide financial advice for the families at **GREATLY REDUCED FEES.** **[H: Sure you aren't yet sick?]**

"Howard said brokers drive around in limousines," Horwitz said in describing one such meeting last month, "but it shouldn't be from the Cantor families."

[H: Please don't get turned off yet, keep reading about the suffering and "saving" goin' on 'round here.]

Cantor Fitzgerald recently joined a long list of plaintiffs who have filed suit against Saudi Arabian officials, accusing them of playing a role in financing the terrorist attacks. **[H: Ah, could this be a reason VK got so worked up, but then surely, SHE WOULD HAVE BEEN INCLUDED, don't you think? VK claims to know all about those backers of the terrorists!]**

Lutnick has undertaken all this even as he continues to run a company that has been forced to remake itself after losing most of its New York employees in the attack.

The firm now has 1,850 employees worldwide, down from more than 2,000 before the terrorist attacks.

For new and old employees, thoughts of the tragedy are ever present. With Cantor donating a share of its profits to the families, everyone who works there has an added motivation to do well, said Irwin Goldman **[H: Who?]**, who joined Cantor last year to lead the company's new efforts in bond trading and money management. "There's almost a sorrowful passing that is an underlying driving force," Goldman said.

Lutnick said the privately held Cantor was having a good year, on track to achieve gains in profits of more than 20 percent over 2003, matching its advance last year.

Some of that growth is from Cantor's stock division, which was less disrupted than many of Cantor's businesses after the terrorist attack, said Philip Marber **[H: Who?]**, president of the unit, because it had a number of key employees at other locations.

Cantor's is looking at other ways to expand the stock business, branching into electronic trading and investment banking two months ago, Marber said, raising \$146 million for Top Tankers, a shipping company. **[H: Surely all are equal-opportunity corporations at the top levels of management?]**

Cantor is also building from scratch a bond trading division that will cater to investment firms, and plans to offer hedge funds to its clients. **[H: Sick? NO—**

INSANE! But, "gotcha good" as it goes.]

How successful these ventures will be remains to be seen, especially since they are being started at a tough time for Wall Street. But that has made it easier for Cantor to recruit new employees, said Goldman, who came out of retirement last year to run the new ventures.

"It's very rare," he said, "to have a firm with such a good reputation and brand name—and at the same time have a blank slate." **[H: Oh gosh, indeed!]**

Cantor's subsidiary, e-Speed, an electronic trader of government bonds that is listed as a public company, has had its ups and downs since 9/11. The company, which turned profitable at the end of 2001, said recently that it expected this year's earnings to be lower than it has previously projected because of a price war with other firms.

The price of e-Speed's shares, which rose from a low of \$5 A SHARE FOLLOWING THE TERRORIST ATTACK TO A HIGH OF \$27.60 LAST NOVEMBER, have fallen 59 percent this year to \$9.58 a share. **[H: Ah but of course no one but the "little sucker" got snookered? And they convicted poor little Martha?]**

Lutnick, *who is also chief executive of e-Speed*, was quick to defend its performance, noting that e-Speed is adding to the mix of financial instruments it trades on its network, including foreign exchange and mortgage backed securities.

"There are competitive issues e-Speed faces," Lutnick said. But after the World Trade Center tragedy, ordinary business pressures loom less large. The company, Lutnick said, "has certainly faced more difficult situations."

[END QUOTING]

And THAT, readers, is exactly WHY our Alliance SHALL NEVER BE A LISTED STOCK-MARKET TRADING TOOL IN THE HANDS OF SHREWD USERS OF FOOLS.

I also want you to "look back" out of your fog and gloom of memories. The owner of the Trade Centers (of only July to Sept. 11), a nice Jewish kid from the politically correct side of the tracks, got insurance payoffs of some quadruple the cost of the buildings themselves and got the land cleared to boot. Not a bad outcome if you can get it—and you can get it if you try... it seems. The "screw-you's" don't even slow up a bit while the lies just flow on and on and on.

Funny thing about those Russian kids in the big "take-out" fiasco of this week. What does the U.S. say? Well, try for beginners that they insist on calling the perpetrators "rebels" who should be diplomatically handled by Russia and Mr. Putin. The U.S. just labels everyone around, guilty or innocent, terrorists and gives you "homeland security" in all its glorious protection racket of the Elite Banksters-Brokers of the IBC ilk. So be it—too late informed?

Good for old Cantor F. and may they do right by old VK in restoring her non-existent "Trust". What do you think the odds might be in such a "recovery"?

By the way, just how easy do you now think it might be to get THIS job done in these days of insane manipulations by a dying breed of banksters? Well, not too comfortable, you who seem to think otherwise and stuff stones in the cannon while firing at will and random.

I cannot suggest strongly enough to you who would count your prophecies—read the real ones as are in play and see where you fit. I ask that a rerun of *THE PROTOCOLS OF THE ELDERS OF ZION be re-run right here in this space, right now.*

I also ask that full information be given as about the Journals, two "sets", "RISE OF ANTI-CHRIST" and "BIRTHING OF THE PHOENIX". Each is a set of four books. Are we somehow "anti-something"? Yes—evil, slavery and crimes against humanity and this planet.

RUSSIAN OBSERVATIONS—
TERRORISTS, REBELS
AND RUN FOR THE NUT HOUSE, CITIZEN!

I will well want to address the 911 “stuff” and the idiots expounding on the “anniversary celebrations” of such an incident, but today it is far from the “important” focus as life has moved on to more and different terrors.

Drawing into the loop of planned chaos was a bombing of the Australian embassy in Jakarta, Indonesia two days ago. This happened while Megawatti (head of Indonesia but up for election re-run NOW) was off enjoying the Prince of Brunei’s wedding in BANDAR, Darussalam-Brunei, as was, of course, the queen of the Philippines, Gloria.

The blast took out, along with death, damage and terror, many of the nearby buildings to great extent—you know, other foreign embassies. It looked like the same bunch of criminals who damaged Bali and the Marriot in Jakarta over the past months.

Ah indeed, those “Q” groups of inferior terrorists as acclaimed by the would-be world controllers—and who were TRAINED BY THE U.S. CIA AND ISRAEL’S MOSSAD. Again, “oh well”. Just go ahead and blame the “shadow” or whomever you choose—but count your days of comfort as the noose tightens—on your necks.

[QUOTING from *The Daily TRIBUNE*, Friday, September 10, 2004, page 5, “Commentary”:]

CHILDREN OF SATAN AT PLAY
 “Diehard III” column, by Herman Tiu Laurel

In Beslan, Russian terrorists killed hundreds, shooting escaping students they hostages at a school, blowing up scores of children with them as hostage-takers wrapped in bombs exploded themselves or were exploded by remote control by their bloodthirsty leaders. **[H: How is that for “trusting your bother”?]**

In the Philippines, a father runs amuck from poverty, grabbing his one-year-old son in his frenzy and jumps off from a pedestrian overpass killing the child—one of the countless in the stream of stories of parents going crazy from impoverishment and taking their children with them to a quicker and kinder death than starvation.

Although the scene in Russia constitutes mass murder of almost 200 children in a short two-day period and appears incomparably heinous, what is happening in the Philippines where we have almost weekly stories of mothers or fathers killing their own children and themselves from desperation born of joblessness, hunger and hopelessness is arguably as cruel and horrendous. Yet, what most people’s eyes miss while watching these scenes of murder is the unifying hand behind all of these grizzly events that violate the most basic values of humankind—that hand is the hand of the children of Satan.

Some Western analysts attempt to reduce it to simply the issue of ethnic independence for Chechnya, but that is myopic and Western-centered. We should look at it in the geopolitical perspective of the classic “Great Games” that Western expansionists who view the control of the Caucasus as part of the struggle to control the Eurasian Continent, the OIL of CENTRAL ASIA and to reduce and control the great power that is Russia. The perceptive will note that the *CNN* and *BBC* coverage of the Beslan incident aftermath attempts to derogate the Russian state’s response to the situation and erode its stature.

The Russian response as reflected in the *Russian New Service* (KMNews.ru) about the Beslan incident entitled: “School seizure was planned in Washington and London.” **[H: STOP—go back and read that again!]** Its basis is that Shamil Basayev, the brutal Chechen field commander, has been linked to the

attack. The article plays up the recent association of London and Washington with key representatives of Aslan Maskhadov, the terrorist Chechen leader such as Britain’s giving asylum to Akhmad Zakayev and the USA doing the same for Ilyas Akhmadov (foreign minister of the insurgent rebels government).

More from the report: “Akhmadov received a REAGAN-FASCELL GRANT INCLUDING A MONTHLY STIPEND, MEDICAL INSURANCE AND A WELL-EQUIPPED OFFICE WITH ALL THE SUPPORT SERVICES THAT MIGHT BE NEEDED, INCLUDING THE POSSIBILITY OF MEETINGS WITH PEOPLE FROM POLITICAL CIRCLES AND LEADING US MEDIA. The *KMNews* said, “What about our partners in the ‘anti-terrorist coalition’, who provided asylum, offices and money to Maskhadov’s representatives?” and then cited official help from PRESIDENT BUSH, NATIONAL SECURITY ADVISER CONDOLEEZZA RICE AND STATE DEPARTMENT SPOKESMAN RICHARD BOUCHER?

It goes further, “Were ‘President of CRI’ Zakayev or ‘Minister of Foreign Affairs of the CRI’ Askmadov, located in Great Britain and the USA, aware of the terrorist acts that were in preparation? Beyond a doubt—as the French say, *noblesse oblige*: their position required it. And let’s also find out, how Akhmadov is spending the money provided by the Reagan-Fascell Foundation. We note: This foundation is financed by the U.S. Congress through the budget of the State Department!... the conclusion is obvious. Willingly or not, Downing Street and the White House provoked the guerrillas to these latest attacks...”

President Putin’s use of the term “international terrorists” in identifying the sources of the Beslan atrocity is very significant. He did NOT attribute the crime to “Chechen rebels” but to a broader conspiracy. He says, “The aim of that international terrorism, supported more or less openly by foreign states, whose names the Russian president didn’t want to name, is to weaken Russia from the inside, by criminalizing its economy, by provoking its disintegration via propagating separatism in the Caucasus and the transformation of the region into a staging ground for actions directed against the Russian Federation.”

Putin asks the West: “Why are those who emulate bin Laden called terrorists and the people who kill children rebels?” and on negotiations: “Why don’t you meet Osama bin Laden, invite him to Brussels or to the White House and engage in talks, ask him what he wants and give it to him so he leaves you in peace? You find it possible to set some limitations in your dealings with these bastards, so why should we talk to people [who] are child killers?” BUT AREN’T WE OMITTING ONE PARTY TO ALL THIS, THE ROTHSCHILDS WHO LOST GIANT RUSSIAN OIL COMPANY YUKOS WHEN PUTIN GOT IT BACK FOR THE RUSSIAN PEOPLE?

THE ROTHSCHILDS ARE ONE OF THE MODERN WORLD’S OLDEST OLIGARCHS, AND BEHIND BUSH, CHENEY AND THE MILITARY-INDUSTRIAL AND RAW MATERIALS CARTELS ARE THESE PEOPLE; THE VERY SAME PEOPLE BEHIND THE DEBT AND ENERGY PIRACY THAT IMPOVERISHES THE PHILIPPINES TO THE TUNE OF OVER P5 BILLION AND P1.3 BILLION RESPECTIVELY, CAUSING HUNGRY FILIPINO FAMILIES INTO MASS SUICIDE. THE BUSH AND ROTHSCHILDS OF THE WORLD IN THE IMF AND THE IPSS HERE ARE THE CHILDREN OF SATAN MURDERING MANKIND’S CHILDREN.

[END QUOTING]

Steady as she goes, sailors. We are only just begun and I wonder how many of you will miss the boat entirely? Perhaps these Third-World players aren’t so very stupid after all as assumed by the Elite One

Worlders.

I would note that RIGHT NOW the president of the Philippines is fully courting the China of TODAY. There are defense alliances going into play and this can only mean a choosing of sides and the outcome as pressing forward will be mightily worthy of attention. This also means a new resource for borrowing into more debt for this poor nation, but after all, what you see is what you get, if you can see at all.

Before I leave this I am going to PUSH, PULL AND SHOVE one more Journal:

UNHOLY ALLIANCE
PRIESTS, RABBIS AND
CONSPIRATORS WITHIN
THE TEMPLES OF DOOM.

It was about the 42nd journal published and probably still shows publication by America West.

I ask that you pay particular attention, especially you who think I and “mine” have gone a long way down the hill into dark spaces or some nebulous kind. WE HAVE GONE NOWHERE! Early in that book we remind you all AGAIN of our position, our identification and our spiritual as well as physical position of presentation. You will find it fascinating, I’m quite confident. I hope you will advertise it widely AND GET BACK ON THE SUBSCRIPTION TO *CONTACT* because this is the information distribution center of what we are “about” and where we are headed.

As for these books which show America West as publishers I leave it to Editors to see to it that proper information be inserted as to current information. We have no association with anyone or thing known as America West or any association with George Green or his associates. Please do not allow our books to go forth with incorrect contact information as almost all of the first 50 or so volumes will reflect America West in some form or another.

If we have time and space along the way we will offer many excerpts from this book because it is truly important to your very LIFE STREAM FROM PERSPECTIVES OF MEDICINE, SPIRITUAL, LEGAL AND BEYOND ALL, WHAT IS HAPPENING TO “YOU”. HOSPITALS, MY FRIENDS, ARE THE TEMPLES OF DOOM/DEATH AS DESCRIBED BY SOME OF YOUR VERY OWN PARTICIPANTS. IT IS NOT ALL, BUT IT IS CERTAINLY ENOUGH TO PAY ATTENTION AS YOU ARE BEING HIT IN THIS DAY, 2004, BY NEW AND TERRIBLE DISEASES. THIS VOLUME WAS PUT TO PRESS IN DECEMBER 1991-JANUARY 1992—OVER TEN YEARS PAST. GET ANOTHER BOOK AND CATCH UP, PLEASE.

No, we do not get into the distribution affairs for we have far too much to do to catch up you readers who didn’t care enough to stay the course and now wish to “catch up”. This is going to be a run like you have never witnessed; will you be aboard?

We have MANY, MANY volumes ready and waiting to be put to print and many more ready for the formatting and assimilation. Moreover, THIS IS WHERE YOU WILL FIND THE RESOLUTION-SOLUTIONS TO YOUR UNLIMITED PROBLEMS AS PERCEIVED BY YOU REGARDING SELVES AND NATIONS—ALONG WITH SOME HONEST INPUT INTO YOUR SPIRITUAL *TRUTH* INSTEAD OF PAINTED PONIES AND CONJURED ANGEL-FROTH. YOU ARE IN A MANIFEST PHYSICAL WORLD AND ARE STUCK THERE SO ISN’T IT TIME TO FIND TRUTH AND MOVE ON RIGHTEOUSLY IN THE GIFT GOD HAS OFFERED?

The way seems long but it is not lonely if you attend your business and your brother—you are all headed to the same destination as to transition but it is sorely different as to the outcome and onward travel.

PROTOCOL NO. 1

· People with base instincts are more numerous than those with noble ones; therefore, results are achieved by VIOLENCE and INTIMIDATION.

· In early stages social life submitted to brute and blind force; afterwards—to the Law, which is the same force but disguised. RIGHT LIES IN MIGHT. · POLITICS HAVE NOTHING IN COMMON WITH MORALS.

· Use of CUNNING and HYPOCRISY. Honesty and frankness become vices in politics.

· BE INVISIBLE.

· THE END JUSTIFIES THE MEANS; use whatever is necessary and useful.

· Instigated by our agents through the use of ALCOHOL and WINE, goys are stupefied by spirituous liquors: Their youth are driven insane through EXCESSIVE STUDY and VICE.

· Our motto is POWER and HYPOCRISY. VIOLENCE must be the principle, HYPOCRISY and CUNNING the rule.

· We must not hesitate at BRIBERY, FRAUD and TREASON.

· Seize the property of others without hesitation if in so doing we attain submission and power.

· We always played upon the most sensitive chords of the human mind, namely, GREED, and the insatiable selfish desires of man.

· Establish an aristocracy based on MONEY and intellectual class on the ruins of natural and hereditary aristocracy.

PROTOCOL NO. 2

· Shift WAR to an ECONOMIC basis wherein we have all of the power.

· INTERNATIONAL RIGHTS WILL DO AWAY WITH NATIONAL RIGHTS.

· At the mercy of our million-eyed international agency, Administrators CHOSEN by us will easily become pawns in our game.

· Let the Goy AMUSE themselves, or live in the hope of new amusements or in the memories of those past.

· They (goys) will put into practice all scientific information compiled by our agents for the purpose of educating their minds in the direction which we require.

· Darwinism, Marxism and Nietzscheism, which have DEMORALIZING EFFECTS, were engineered by us.

· Through THE PRESS we have attained INFLUENCE, while remaining in the background.

· We have gathered gold from the rivers of blood and tears.

· Every sacrifice on our part is worth a thousand goys (non-Zionists) before GOD (Satan).

PROTOCOL NO. 3

· Induce all lovers of authority to abuse their power. · We have placed all the forces in opposition to each other.

· We have armed all the parties.

· We have opened the arenas where revolts, disorders and bankruptcy will shortly appear everywhere.

· People are shackled by poverty to heavy labor.

· Republican rights (constitutional rights) are bitter irony to the poor man, for the necessity of almost daily labor prevents him from using them.

· We will present ourselves in the guise of SAVIORS OF THE WORLD.

· We are concerned in the degeneration of the Goys.

· Our POWER lies in the CHRONIC MALNUTRITION and in the WEAKNESS of the worker, because through this he falls under our power and is unable to find either strength or energy to combat it.

· The Goys are no longer accustomed to thinking without our scientific advice.

· Establish the teaching in the schools the science of the construction of human life, of social existence, which require a division of labor and, consequently, the separation of people into classes and castes.

· Through misconceptions fostered by us, feelings of HATRED and JEALOUSY toward all classes will be developed.

· This hatred will be still more accentuated by the economic crisis, throwing great crowds of workmen into the streets, simultaneously in all countries, leading to bloodshed and looting of those to whom they’ve been jealous.

· We have carried the masses from one disappointment to another.

· At present, as an international force, WE ARE INVULNERABLE.

· Under our rule, the people condemn the just and acquit the unjust in which the people destroy all stability and create disorder on every occasion.

· Liberty, at the moment of our enthronement, shall be struck from the pages of the dictionary.

PROTOCOL NO. 4

· UNSEEN POWER.

· External Masonry acts as a screen for it and its aims, but the plan of action of this power, and its very headquarters, will always remain unknown to the people.

· We must UNDERMINE FAITH, tearing from the minds of the Goys the very principle of God and Soul, substituting mathematical formulas and material needs.

· In order that the minds of the Goys may have no time to think and notice things, it is necessary to divert them in the direction of industry and commerce. Thus all nations will seek their own profit, and while engaged in the struggle, THEY WILL NOT NOTICE THEIR COMMON ENEMY.

· The intense struggle for supremacy, the shocks to economic life, will create, moreover have already created, disappointed disgust for high politics and religion. Their only guide will be calculation, i.e. gold, for which they will have a real cult because of the material delights which it can supply. It will be at that stage that the lower classes of the Goys, not for the sake of doing good, nor even for the sake of wealth, but solely because of their hatred towards the privileged, will follow us against our competitors for power, the intelligent goys.

PROTOCOL NO. 5

· BRIBERY, clever tricks, semi-fraudulent means, corruption: Morality is sustained by punitive measures and cosmopolitan convictions have eliminated patriotic feelings and religion.

· DESPOTISM: Government will be able, at all times and in all places, to crush both antagonistic and discontented Goys.

· By new laws, eliminate all the concessions and liberties permitted by the Goys.

· A world coalition of the goys would be able to hold us in check, but we are insured against this by roots of dissension so deep among them that they cannot now be extracted.

· We have set at variance the personal and national interests of the Goys.

· Incite religious and race hatred.

· The motor that runs government mechanism is in our hands, and THAT MOTOR IS GOLD.

· Weaken the popular mind by CRITICISM to disaccustom it to thought, which creates opposition, to deflect the power of thought into mere empty eloquence.

· At all times both peoples and individuals have mistaken words for deeds.

· Use all shades of opinion. Exhaust the people by our speeches... use contradictory opinions to control public opinion and cause confusion so no one will want to have an opinion on political questions.

· Multiply popular failings, habits, passions and conventional laws that no one will be able to disentangle himself from the chaos and, consequently, people will cease to understand each other. This measure would help us to sow dissension within all parties, to disintegrate all those collective forces which still do not wish to subjugate themselves to us and will discourage all individual initiative which might in any degree hamper our work.

· If it has a touch of genius it can accomplish more than a million people among whom we have sown dissension. There is nothing more dangerous than individual initiative. We must direct the education of the Goy societies so that their arms will drop hopelessly when they face every task where initiative is required.

· Tire the goys... force them to offer us an international power... absorb all governmental forces of the world... form a monster which will be called the super-governmental administration. Its hands will be stretched out like pincers in every direction so that this colossal organization cannot fail to conquer all the peoples.

Initiative:

1. An introductory act or step;
 2. **Readiness and ability in initiating action;**
 3. **One’s personal, responsible decision.**
- INITIATIVE = Will Power, Desire, Self-Motivation in and for Truth. Therefore, **an Antidote to the above is to DEVELOP INITIATIVE**, which is Will Power, Desire and Self-Motivation in and for Truth. Initiat-e-ive; therefore INITIATIVE IS TO BE AN INITIATE IN AND FOR TRUTH.
“Let’s all become initiates, shall we?!”

PROTOCOL NO. 6

- ESTABLISH GREAT MONOPOLIES.
- Landowners are harmful to us because they can be independent in their resources of life. For this reason we must deprive them of their land at any cost.
- Suck out of the land both labor and capital. Deliver into our hands all the money of the world, thus throwing all the Goys into the ranks of the proletarians.
- Create the strong demand for boundless luxury, which we have already developed.
- RAISE WAGES... simultaneously CAUSE THE RISE IN PRICES.
- Artfully and deeply undermine the sources of production by teaching the workman anarchy and the use of alcohol and expel all the intelligent goys from the land.
- The true situation will be masked by a pretended desire and an active propaganda of which principles is being carried on through the dissemination of our economic theories.

PROTOCOL NO. 7

- Intensification of armament and the increase of the police force.
- Besides US, in all countries there will be left only the mass of the proletariat (industrial wage earners), a few millionaires devoted to US, Policemen and Soldiers.
- We must create unrest, dissensions and hatred; they will realize we have the power to create disorder or to restore order whenever we wish.
- Entangle by intrigues into all governmental bodies by means of politics, economic treaties or financial obligations.
- The Goys will look upon us as benefactors and saviors of mankind because we have taught them to only look at the surface of that which we show them.
- Overcome all opposition by provoking war using neighboring countries or in turn a WORLD WAR.
- We will show our power by assassination and terrorism.

PROTOCOL NO. 8

- Publicists, experienced lawyers, administrators, diplomats and people educated along special lines in our special schools must surround the government.
- These people will be familiar with the reverse side of human nature, with all its sensitive chords, upon which they must know how to play. These chords are the structure of the intellects of the goys, their tendencies, their failings, their vices and their virtues, the peculiarities of classes and castes.
- Economics is the chief science taught by the Jews.
- We will be surrounded by a crowd of bankers, traders, capitalists and, most important of all, by millionaires, because in essence everything will be decided by a question of figures.

PROTOCOL NO. 9

- Anti-Semitism is necessary to enable us to control.
- There are no obstacles before us. Our super-government exists under such extra-legal conditions that it is common to designate it by an energetic and strong word—a DICTATORSHIP.
- We are lawmakers; we are the judges and inflict punishment; we execute and pardon; we possess boundless ambition, burning greed for merciless revenge, and bitter hatred.
- From us emanates an ALL-EMBRACING TERROR.
- People of all opinions and of all doctrines are in our service.
- All the governments have been tortured, they beg

for peace and are prepared to make sacrifice, but we will not give them peace until they recognize our international super-government openly and with submission.

- The division into parties has delivered all of them to us.
- We have affected legal procedure, electoral law, the press, personal freedom and, most importantly, the cornerstone of free existence.
- We have misled, corrupted, fooled and demoralized the youth of the Goys by education along principles and theories known by us to be false, but which we ourselves have inspired.
- We have such a terrorizing maneuver in the West that even the bravest soul will shudder; all their capitals will be EXPLODED, together with all their institutions and national documents.

PROTOCOL NO. 10

- All such questions (pertaining to law, legislature and the *Constitution's Bill of Rights*) should never be directly and openly discussed before the masses... the fact that a principle which has not been openly declared gives us freedom of action to exclude, unnoticed, one point or another, whereas if elaborated the principle becomes as good as established.
- When we accomplish our *coup d'etat* we will abolish nationalities, frontiers and national currencies.
- The voting system is the tool for our enthronement and we must force all to vote.
- We will not allow the formation of individual minds. We will thus create such a blind power that it will be unable to move without the guidance of our agents, sent by us to replace their leaders.
- The masses will submit to this regime because they will know that their earnings, perquisites and other benefits depend upon these leaders.
- We have injected the poison of liberalism into the state organism so that the constitution is nothing more than a school for dispute, discussion, disagreement, fruitless party agitation, dissention and party tendencies.
- We will engineer the election of presidents whose past record contains some hidden scandal; then they will be faithful executors of our orders from fear of exposure and from the natural desire of every man who has reached authority to retain the privileges, advantages and dignity connected with the position of president.
- The right of initiating laws or of amending them... will be granted by us to the responsible president, a puppet in our hands; the president, as chief of the national army, must control it in order to defend the new republican constitution.
- The keys to the shrine will be in our hands.
- We will also take away the right of interpellation (questioning) in regard to governmental measures, under the pretext that political secrets must be preserved.
- The president will have the right to CONVENE OR DISSOLVE PARLIAMENT, and in the case of dissolution, DEFER THE APPOINTMENT OF A NEW PARLIAMENT.
- The president will interpret in ambiguous ways such existing laws; he will annul them when needed and will have also the right to propose temporary laws, alleging as the motive for so doing, the exigencies (a state of urgency) of the welfare of the country.
- By such measures we will be able to destroy gradually, step by step, everything that, upon entering into our rights, we were obliged to introduce into government constitutions as a transition to the imperceptible abolition of all constitutions, when the time comes to convert all governments into our autocracy.
- It is necessary continuously to disturb the relationship between the people and the government in

all countries, and so to exhaust everybody by the dissension, inoculation of diseases and misery, and to make the Goys see no other solution than an appeal to our money and complete rule.

- Should we give the people a rest, however, the longed for moment will probably never arrive.

PROTOCOL NO. 11

- On the day following the declaration of the new constitution, when the people are still dumbfounded by the accomplished revolution and are in a state of terror and surprise, they should realize we are so strong, so invulnerable, and so mighty that we shall in no case pay attention to them, and not only will we ignore their opinions and desires, but be ready to and capable of suppressing at any moment or place any sign of opposition with indisputable authority. We shall want the people to realize that we have taken at once everything we wanted, and that we shall under no circumstances share our power with them. Then they will close their eyes to everything out of fear and will await further developments.
- The Goys are like a flock of sheep—we are wolves.
- They will also close their eyes to everything because we will promise to return to them all their liberties after the enemies of peace have been subjugated and all parties pacified.
- We must attain by a circuitous method what is unattainable for our scattered race by a direct road.
- This constituted a base for our organization of secret Masonry which is not known... and whose aims are not even suspected by these cattle, the Goys. They have been decoyed by us into our numerous ostensible organizations, which appear to be Masonic Lodges, so as to DIVERT THE ATTENTION OF their coreligionists.
- God has given us [MR: What God, Whose God??? Hmmm, maybe Satan would make such a promise.], his chosen people, the power to scatter, and what to all appears to be our weakness has proved to be our strength and has now brought us to the threshold of universal rule.
- LITTLE REMAINS TO BE BUILT ON THESE FOUNDATIONS.

PROTOCOL NO. 12

- News from all parts of the world is received through several agencies in which it is centralized.
- We have already managed to subjugate the minds of the Goys... all of them see world events through colored glasses, which we put over their eyes.
- All our newspapers will represent different tendencies, namely, aristocratic, republican, revolutionary, even anarchistic... each of which will reach the pulse of every group of public opinion... these arms will guide opinion toward our aim, since the excited person loses the power of reasoning and is easily led.
- With such measures, thought will become an educational instrument in the hands of our government, which will not allow the people to be led astray into realms of fancy and dreams about beneficent progress.
- They will not have the press at their disposal in which to express themselves in full.

PROTOCOL NO. 13

- The need of daily bread forces the Goys to silence and compels them to remain our obedient servants.
- To prevent them from reaching... independent decisions, we will divert their minds by amusements, games, pastimes, passions and cultural centers for the public. Such attractions will definitely deflect the mind from problems over which we would otherwise have to fight with the people. By losing more and more the

custom of independent thought, they will begin to talk in unison with us, because we alone will provide new lines of thought through persons with whom, of course, we will presumably have no connection.

· The role of liberal utopians will be definitely terminated... this word is but a cover for digression from the truth.

· When our kingdom is established, our orators will discuss the great problems that have stirred humanity for the purpose of bringing it finally under our blessed rule.

· Who will then suspect that all these problems were instigated by us, according to a political plan which has not been disclosed by any one during so many centuries?

PROTOCOL NO. 14

· When we become rulers we will not tolerate the existence of any other religion except our own, which proclaims one god, with whom our fate is bound up because we are the chosen people, and our fate has determined the fate of the world. For this reason we must destroy all other religions.

· ...The useless changes of government, to which we ourselves prompted the Goys, when we were undermining their governmental apparatus, will become such a nuisance to the people by that time, that they will prefer to endure anything from us rather than risk a repetition of former unrest and hardships.

· Our philosophers will discuss all the shortcomings of the Goy religion, but nobody will ever discuss our religion in the light of its true aspect, and nobody will ever thoroughly understand it, except our own people, who will never dare to disclose its secrets.

PROTOCOL NO. 15

· When we finally become rulers by means of revolutions, which will be arranged so that they shall take place simultaneously in all countries and immediately after all existing governments shall have been officially pronounced as incapable (which may not happen soon, perhaps not before a whole century), we will see to it that no plots are hatched against us. To effect this, we will kill heartlessly all who take up arms against the establishment of our rule.

· The establishment of any new secret society will be met by the death penalty, and those societies which now exist and are known to us and either work or have worked for us, will be disbanded and their members exiled to continents far removed from Europe.

· We will deal in the same manner with those Masons among the Goys who know too much.

· This is only obtained by its majestic and unshakable power, which will convey the impression that it is inviolable because of its mystical nature, namely, because chosen by god.

· Meanwhile, until our rule is established, we, on the contrary, will organize and multiply Free Masonic lodges in all countries of the world. We will attract to them all those who are and who may become public-spirited, because in these lodges will be the chief source of information and from them will emanate our influence... these lodges will be administered by our wise men.

· You have no idea how easy it is to bring even the most intelligent Goys to a state of unconscious credulity. To the same extent as our people ignore success for the sake of carrying out their plans, so are the Goys ready to sacrifice all their plans for the sake of success. Their psychology makes the problem of

direction easier for us. Those tigers in appearance have the souls of sheep and nonsense filters through their heads. As a hobby we have given them the dream of submerging human individualism through the symbolic idea of collectivism.

· They have not yet discovered and will not discover that this hobby is a clear infringement on the principal law of nature, which, from the beginning of the world, created a being unlike all others, precisely for the sake of expressing his individuality.

· If we were able to lead them to such insane and blind beliefs, does it not obviously prove the low level of development of the Goy mind as compared to our mind? It is precisely the thing which guarantees our success.

· How far-sighted were our wise men of old when they said that to attain a serious object one must not stop at the means, nor should one count the victims sacrificed to the cause. The comparatively few victims from among our own people have saved our race from destruction.

· Death is the unavoidable end of all. It would be better to accelerate this end for those who interfere with our cause than for our people or for us, ourselves, the creators of this cause, to die. We kill Masons in such a way that none but the brothers suspect, not even the victims; they all die when it is necessary, apparently from natural death.

· The purely animal mind of the Goys is incapable of analysis and observation.

· It is through this difference in the process of reasoning between us and the Goys that it becomes possible clearly to demonstrate the stamp of God's elect as compared to the instinctive and bestial mentality of the Goys. They see but they cannot foresee, and they cannot invent anything except

material things. It is clear, therefore, that nature herself intended us to rule and guide the world.

· Our laws will be short, clear, irrevocable and requiring no interpretation. The chief point emphasized in them will be a highly developed obedience to authority, which will eliminate all abuses, for all without exception will be responsible before the supreme power vested in the highest authority.

· The law of justice was created solely for exemplary punishment of crimes and not for the manifestation of moral qualities.

· ALL the world's money will be concentrated in our hands; consequently, our government need not fear expense.

· Our autocracy will be consistent in every respect, and consequently every manifestation of our great power will be respected and unconditionally obeyed.

· Thus, they will become imbued with the idea that it is impossible for them to do without this guardian and guide if they wish to live in a world of peace and quiet. They will recognize the autocracy of our sovereign, whom they will respect and almost deify. With regard to the secrets of our political plans, both the masses and their administration are like little children.

· It is the right of the strong to utilize his power in order to lead humanity towards a social order established by the law of nature, namely, obedience. Consequently, let us be the strongest for the common good.

· We must sacrifice without hesitation those individuals who violate the existing order, for in exemplary punishment of evil there lies a great educational process.

· When the KING OF ISRAEL places the crown offered to him by Europe on his sacred head, he will become the patriarch of the world. The necessary sacrifices made by him will never equal the number of victims sacrificed to the mania of greatness during the centuries of rivalry between the Goy governments.

· Our sovereign will be in constant communication with the people, delivering from tribunes addresses which will be spread to all parts of the world.

PROTOCOL NO. 16

· INFILTRATE INTO THEIR EDUCATIONAL SYSTEM SUCH PRINCIPLES AS HAVE SUCCESSFULLY BROKEN DOWN THEIR SOCIAL ORDER.

· We will obliterate from the memory of the people all those facts pertaining to former centuries which are not to our advantage, leaving only those which emphasize the mistakes of the Goy governments.

· The study of practical life, of obligatory social order, of the inter-relationship of human beings, the avoidance of evil, egotistical examples that plant the seed of evil, and other questions of a pedagogical nature will head the educational program. This program will differ for each caste, never allowing education to be of a uniform character.

· Each caste must be educated with strict limitations according to its particular occupation and the nature of the work.

· Teachers will read supposedly unbiased lectures on problems of human relationship, on the law of imitation, on the cruelty of unrestricted competition, and finally, on new philosophical theories which have not yet been disclosed to the world.

· Knowing that men live and are guided by ideas, that these ideas are imbued only by means of education given to persons of all ages, we will absorb and appropriate to our own advantage the last traces of independent thought, which for a long time have been directed to the goal and to the ideas necessary to us. The system of enslaving thought is already in action through so-called visual education.

· This system tends to turn the goys into thoughtless, obedient animals, expecting to see in order to

understand via a new program of visual education.

PROTOCOL NO. 17

· Lawyers will receive a salary, regardless of whether the defense has been successful or not.

· It is only a question of a few years before the complete collapse of Christendom. It will be still easier to deal with other religions, but it is too early to discuss this problem.

· When the moment comes to ANNIHILATE THE VATICAN COMPLETELY, an invisible hand, pointing towards this court, will guide the masses in their assault.

· The King of Israel will become the real Pope of the Universe, the Patriarch of the International Church.

· According to our program, one-third of our subjects will watch the others from a pure sense of duty, as volunteers for the government Then it will not be considered disgraceful to be a spy and an informer; on the contrary, it will be regarded as praiseworthy. Unfounded reports, however, will be severely punished to prevent abuse of this privilege.

PROTOCOL NO. 18

· We have forced the rulers to admit their own weakness by adopting the open measure of police protection, and thereby we have ruined the prestige of their authority.

· To guard the sovereign openly is equivalent to an admission of the weakness of his governmental organization.

· We will arrest criminals upon the first more or less well founded suspicion.

PROTOCOL NO. 19

· Sedition is nothing but the barking of a lap dog at an elephant. The lap dog barks at the elephant because he does not realize his strength. It is only necessary for the elephant to show his strength once and the dog barks no more; he begins to wag his tail the moment he sees the elephant.

PROTOCOL NO. 20

· THE RESULT OF OUR ACTIONS IS MEASURED IN FIGURES.

· In our government the sovereign will have the legal fiction of OWNING EVERYTHING IN HIS KINGDOM (which is easily put into practice), and can resort to legal confiscation of all money in order to regulate its circulation throughout the country. Consequently, the best method of taxation is the levying of a progressive tax on property.

· Progressive taxation, assessed according to the amount of capital, will produce a much greater revenue than the present system of taxing everyone at an equal rate, which is useful to us now only as a means of exciting revolt and discontent among the goys.

· Such a measure will eliminate the hatred of the poor towards the rich.

· Even small sums in excess of a certain definite and broadly calculated fund should not be allowed to be kept in the state treasury, because MONEY IS INTENDED TO CIRCULATE and every impediment to circulation is detrimental to the governmental mechanism, which the money lubricates; the congestion of lubricating substances can stop the proper functioning of the mechanism.

· The economic crises were created by us for the Goys only by the withdrawal of money from circulation. Huge amounts of capital were kept idle and were taken away from the nations, which were thus compelled to apply to us for loans. Payment of interest on these loans burdened the state finances and made the states subservient to capital. The

concentration of industry, having taken production out of the hands of the artisan and put it into the hands of capitalists, sucked all the power out of the people and also out of the state since we took as much gold as possible out of circulation.

· The period of loans followed and brought all the goy states to bankruptcy. Indeed, what is a loan, especially a foreign loan, if not a leech? So long as the loans were domestic, the goys only shifted the money from the pockets of the poor into those of the rich; but when we bribed the proper persons to make the loans foreign, then the national riches poured into our hands and all the goys began to pay us the tribute of subjects.

· This has forced their countries into debt to our banks to such an extent that THEY CAN NEVER PAY OFF THEIR DEBTS. It should be realized, however, that we have gone to great pains in order to bring about such a state of affairs.

· This proves the genius of our distinguished mind, for we were able to present the question of loans to them in such a light that they saw in loans an advantage for themselves. It is impossible to govern without a definite plan.

PROTOCOL NO. 21

· We will also DESTROY ALL STOCK EXCHANGES.

· We will fix the full price of their value legally without any possibility of its fluctuation. (A rise leads to a fall, and this was precisely what we did to the Goy stocks and bonds at the beginning.)

· We will replace the stock exchanges by great government credit institutions.

· Thus all industrial enterprises will become dependent upon us. You can well imagine what power that will give us.

PROTOCOL NO. 22

· To show you a true picture of the mystery of present events, and also of those of the past, which all flow into the stream of great events, the results of which will be seen in the near future, I have exposed our secret plans which govern our relations with the Goys, as well as our financial policy.

· We hold in our hands the greatest modern power—gold.

· Do we not prove by such wealth that all the evil which we were forced to do during so many centuries has served in the end to true happiness—to the restoration of order? We will be able to prove that we are benefactors, who have brought true welfare and individual freedom to the tortured world, insuring at the same time the possibility of enjoying peace, quiet, and dignity of relationships, upon the sole condition, of course, that obedience to the laws established by us is practiced.

· Our power will be glorious because it will be mighty; it will rule and guide, and not helplessly crawl after leaders and orators, shouting insane words, which they call great principles, and which in reality are simply Utopian. Our power will lead to order, which in turn brings happiness to the people. The prestige of this power will excite mystical adoration, and the peoples will bow before it. True power does not yield to any right, even be it that of god. None will dare approach it in order to deprive it even of an atom of its might.

PROTOCOL NO. 23

· To teach the people obedience they must be taught modesty, and to accomplish this the production of luxuries must be limited.

· We will RESTORE HANDICRAFT, which will undermine the private capital of manufacturers that

often influence the thoughts of the people against the government.

- A people, practicing handicraft, does not know what unemployment means, and this makes them cling to existing conditions and consequently to the power of authority. Unemployment is most dangerous for a government. It will have finished its work for us as soon as authority falls into our hands.

- Drunkenness will also be forbidden by law and will be punishable as a crime against human decency, for man becomes bestial under the influence of alcohol.

- The sovereign who will replace the present existing governments must destroy such a society, IF NECESSARY DROWN IT IN ITS OWN BLOOD, in order to resurrect it as a well-organized army, which consciously struggles against the infection of any anarchy affecting the state organism.

- He, god's elect, is chosen from above for the purpose of crushing the insane forces that are moved by instinct and not by intellect, by bestiality and not by humanitarianism.

- Then we will say to the peoples: "Pray to God and bow before him who bears the mark of predestination, to whom God himself showed His Star, so that none but He Himself should free you from all sinful forces and from evil.

PROTOCOL NO. 24

- A few members of the seed of David will train the sovereigns and their successors, who will be selected not by right of inheritance, but according to their personal ability.

- Only those of an undoubtedly able and firm, even cruel character, will receive the reins of government from our wise men.

- Only the sovereign and his three sponsors will know the future.

- Nobody will know the aims of the sovereign when he issues his orders, and thus nobody will dare oppose him.

- Naturally, the mental capacity of the sovereign must be equal to the plan of rule herein contained. For this reason he will not mount the throne before a TEST OF HIS MIND is made by the above-mentioned Wise Men.

- The King of Israel must not be influenced by his passions, especially by sensuality. No particular element of his nature must have the 'upper hand' and rule over his mind. SENSUALITY, MORE THAN ANYTHING ELSE, UPSETS MENTAL ABILITY AND CLEARNESS OF VISION BY DEFLECTING THOUGHT TO THE WORST AND MOST BESTIAL SIDE OF HUMAN NATURE.

- The Pillar of the Universe in the person of the World Ruler, sprung from the sacred seed of David, must sacrifice all personal desires for the benefit of his people.

- Our sovereign must be irrefragable.

END NOTE BY MARK ROWSELL

The entire text is over 63 pages in length—and that is just the *summary* of the main, detailed document which has not been seen outside the "privileged" circles.

WHO ARE GOYS? THEY ARE ALL EXCEPT THE ZIONISTS.

DEFINITION OF ZIONISM: Zionism is a secular political movement dedicated to the establishment of a Jewish state. It seeks to transform religious hopes and the yearning for individual freedom into a nationalistic political program. Not until the first Zionist Congress in 1897 did Theodor Herzl call for a "legally secured Jewish home in Palestine". Zionism uses the mask of religion to hide its blatant nationalism, racism and atheistic philosophy. (Doesn't sound like father Joseph's or Mother Mary's Jewish children to me!)

RE: LIFE AND YOUR REACTIONS THERETO—
GCH/D

* * *

WHAT YOU WANT
IS NOT USUALLY WHAT YOU GET!

Yes, I do understand that you want to KNOW. However, "knowing" does not come by some seer telling you their perception of what is or what will come to pass.

You want to know about specific earthquakes, storms, business ventures, and actually, everything there is to know about personal aches and pains. And no, I AM NOT here to tell you how you feel this morning or what to eat or not eat for breakfast. If YOU cannot decide upon those things for self, so be it.

The minute, for instance, that I say the storm will not kill you then you will stay right in the middle of the storm. What happens to you personally is "none of my business", don't you see? Whether or not you board up your windows to possibly salvage glass already in place—IS YOUR CHOICE—can't you see?

These are things with which, on a personal level, I won't either intervene or interfere for it is NOT my "right" or "privilege". All I can do is "suggest" and try to inform you so that you gather as much information as is possible, and remember, truth is truth is truth and IS. It is your task to "discern" and that does not include a responsibility to JUDGE, except events, actions and intent when that is shared by the "intender".

Anything directly concerning actions which impact personally or on our program, I will surely give some directions but mostly only when a course correction needs attending. You are NOT my puppets and I am not your "brain". I am happy to share decisions directly WITH YOU when asked or invited to do so—but that does not mean it is Dharma's responsibility to solve "your" riddles.

KNOWING brings responsibilities for action, students. I am so pleased and happy to share as a cohan (teacher) but to LEARN FOR YOU is not a possible outcome of any exchange. I can even plant a thought or idea into your mind—but what you do with it in your physical experience and physical brain/consciousness is not my prerogative to assume.

When you ask for input—the call compels the answer and you will get it. It is up to you to take it

and use it or continue to ignore it—no more and certainly no less. Evaluation is your responsibility AFTER, perchance, you gather information upon which you can base reasonable and logical actions. If you fail to learn anything about even your own body, you cannot expect God to magically FIX IT if you have broken it.

I repeat: If you wish to be cured of something—cure yourself. If you want to accomplish "something"—learn how and do it. If you wish to be "saved"—get busy for there is NO ONE ANYWHERE ON ANY DIMENSIONAL PLANE THAT WILL DO IT FOR YOU! However, you will ALWAYS be offered "THE WAY" and your "tools" to get the job done.

I do not have any business involving myself in your beliefs or those you choose as "teachers" and that runs from Jesus to Baba. THEY ARE "TEACHERS" AND WHEN YOU TRY TO TURN THEM INTO GODS TO DO YOUR RESPONSIBLE WORK, YOU ARE INCORRECT IN YOUR ASSUMPTIONS. Take the TRUTH they offer and DO SOMETHING FOR YOURSELF!

Our task, given in Manila, Philippines is quite direct and limited. We are not here to save anything but rather to offer that which IS to share and together have something real and useful to achieve. What others "think" about us or the program is none of our business for we are quite able, willing and ready to share all we have but assumptions upon OUR projects or programs are not "up for grabs" no matter which "god" tells you otherwise. A true spiritual guide and teacher would NEVER tell you otherwise and you can count on that fact—at all times.

Day before yesterday many people died in a hostage disaster and it doesn't matter, please see and understand, where that took place. It is ANYPLACE, World. On the same day in Manila a drugged and despondent man jumped off a bridge with his baby and killed the baby while surviving the disastrous fall himself.

The next thing in both instances has been: "How could God do these things and let these things happen?" (?????) Who? GOD? Is there no end to your "magic games" tricks? My goodness, individual, God has a full-time job just keeping up with YOU!

GOD ALLOWS! YOU "PERPETRATE"

Ah BUT—you want revelation and outcome BEFORE THE FACT OF THE ACTION ITSELF. You want to know the results of a storm, for instance, before it hits you. Well, the very gift of knowing a storm is headed your way is a GIFT OF GIFTS.

What you do with it is truly your responsibility in EVERY instance. How well you are prepared, informed and functional is going to reflect the outcome—every time.

If you are not prepared, informed or functional then you had best get underground and stay there out of the flying debris—YOU ARE MORTAL, JUST WAITING TO GET BONKED AND BECOME “IMMORTAL”. Many will opt OUT just to avoid the cleanup after the event; think about it and see what you conclude.

We have had new meetings with our Foundation until the brains are scrambled and individual interests are bare and bleeding. And yes, in these meetings I DO give a LOT of guidance in the moment to best attain good outcome to best advantage. We do not have a “political party or game” here and the circus goes on—and on!

It is fine, we will prevail patiently, please.

We have individuals working at moving on up the ladder of those with ability to evaluate and actually do something positive so we make much headway while sorting debris out of the pathway to great extent or at the least to the extent of giving ability to STOP us.

It is always that in any situation we have to abide by the rules, regulations and laws while being both foreigners and aliens. This is a very mysterious combination under the very best of circumstances.

Mark Rowsell has been here to share in some of these events and our hopes remain that he will find time to write from his own perspective. He is a very experienced and excellent acupuncturist and has his apparatus with him to do non-invasive sessions with amazing and “miraculous” results. Are those conjured at the nerve endings or IN THE MIND?

The pressure then comes to treat the world and mostly, of course, FREE of any charges while we provide the facilities, the apparatus, the practitioner and supply, at great discounts, the availability of gaining for selves, the apparatus. NO thank you—we share, we care and we work toward BUILDING and learning to “fish” while showing the people with a sample of our “fish” why and how they can learn to fish as well. Is this a strange concept? Why have you grown to accept this as a “strange concept”? Until we teach a man to walk, he cannot run. Any GURU who tells you otherwise is a FRAUD!

If a health healer of the psychic variety helps you get onto your feet when you could not do so, he does not now own your feet—they remain YOURS to use as you will.

Moreover, when the impact is directly flowing back to “us” we certainly will give some measure of “advice” when the heart is pulled in every direction instead of being an outside observer in objective manner.

We had a new “General” added to the Board and on Saturday he, of course, got a free treatment from Mark and proceeded to take control of the meeting to great extent and without any notion of what had been or what even is at hand. There had been great coercion to even add the member to the Board but reason and logic is not the end game. It seems to be how and who might be the most help to various individuals in their own endeavors. Fine so far but now “catch up” has “caught up” and reality will win

the day—ultimately.

The point is that the topic of funds came under discussion and the assumption is somehow that “we” should provide for everyone. Why? Because “we don’t have anything!” and a thirty-minute dissertation of the bad state of affairs ensues.

Interesting silencer is when you respond that if you don’t have anything, why think ye that we have something? Oh well. There all the assets set in a guarded bank WAITING and everybody wants somebody ELSE to “do it”. No thank you. GOD can “out-patient” every one of you mortals in the “waiting game”. There it is—go get it!

Please remember that an IDEA is your communication with God. Therefore, all you have to do is discern source, consider actions and outcome—and act. An idea is dead until YOU give it LIFE. A better way is often found to be only a fragment of thought away from presenting success or your considered failure while myriads of “I wish I had...” become the wasted cry of the opportunity missed.

Let me also remind you that in the very midst of hurt, grieving, disappointments and even, yea, the worst of damaging storms or accidents—if you made it through you can make it through the aftermath—KNOW IT! Moreover, you will often find that you can make it through better than imagined in the midst of perceived “loss”. Sometimes a “loss” of something establishes a different set of circumstances, which ultimately allows you freedom from the anchor that “it” represented. Good is always present in every negatively perceived experience—USE IT. Grieve for your losses in a reasonable recovery period but DO NOT LOSE YOURSELF TO THE EXPERIENCE.

When you can wisely learn to trust your truth and guidance, you will find choices ever so much the more easily made. What, in other words, do you want to accomplish? Let it become reality to you and not haphazard fidgeting about with the fiddle of broken strings.

You do not need KNOW IT ALL to live “as if” you do and from that wondrous realization you can move forward instead of stagnate in the quicksand of fear. Arrogance is not KNOWING, student, so get to KNOW what is “so” and not what you conjure from the manifest pull of luxury, status or assets. Yes, you certainly can attain abundance and remain “goodly” in every way. In that way you always prosper your brother as well. In the meanwhile, however, you must also remain a good steward and responsible and not a handout hub.

When you perceive that God must give you everything for which you ask or want—know that the results are purely Satanic (Santa Claus mentality). Satan manipulates the manifest world physical and captures your very spirit (soul) the minute YOU GIVE OPPORTUNITY. And yes indeed, GOD WILL ALLOW THAT CHOICE AND THAT ACTION.

God did not kill children in a Russian school nor did God kill a child when a father chose to jump to its death. Get it straight, pilgrim! In fact, GOD NOW HOLDS THE VERY SOULS OF THOSE WHO WERE CAUGHT IN YOUR INSANITY OF EVENTS. The burden of huge events overwhelms

the senses but “life” does not stop, even for you. Moreover, as long as you have life you will be required to make choices, for that is what manifest experience is all about, Alphy.

I don’t want everyone jumping on “my” bandwagon “just because”. I want you to be going somewhere worthy of my hopping onto YOURS. When we get THAT straight and understood we will really have a major improvement in both wagons and bands.

TEACHERS

I hope you can understand these next few statements: Experience, say, Sai Baba—do not try to BE Baba. Experience and learn from the great teachers—do not try to BE them for you are them already, but for that which you need to learn—FROM THEM.

Every great teacher offers WISDOM, not “things”. Until YOU learn the difference you will always seek that elusive “something for nothing”. Standing out on a corner “sending light” is nothing more than can be better accomplished by a “street lamp”. You are a manifest human being—NOT A LIGHTBULB. Why PRETEND to be otherwise when you can pick up all the light bulbs you want at the corner market?

Experience the miracle YOU ARE and quit demanding the miracles you miss while waiting for them to suit your management requirements.

Our little teams are recouping from the blows of life upon our experiences. It is JOY unfolding as we each pick up our “piece” and make our puzzle whole. I swell with something only best described as “a Father’s pride” as I experience with you and our strength gaining with every forward step. I do know the way and that does not mean that YOU will always know the way or the outcome (although you certainly do). I only ask that you take my hand, figuratively speaking, and I am happy to show you the way right along with the major pitfalls. I will also carry you if you falter and cannot take that next step—but I WILL NOT DO IT FOR YOU! Thus says the LORD GOD! JJJ

Evil is. Good is. You are—and make the choices.

I will leave this now for I do want to follow through with that which we hoped we could share and haven’t had the time to handle properly.

I want to share with you the fact that the storms off Florida are GUIDED MISSILES based on grid scalar (prana, life, universal, frequency) energy. They can be STOPPED far more easily than manufactured—so stop blaming God and look at the miscreants presenting the negative disasters—for it is NOT GOD.

We also spoke of prophecies brought through Billy Meier and his Pajorans [Plejarens]. I am happy to share those titillating catastrophes waiting to eat you alive—but, as each fortune-teller prophet will tell you as a disclaimer clause: it does NOT have to be this way. Change your mind and you change EVERYTHING in your world. You will ultimately get exactly what you create—IN THAT MIND.

Billy Meier 1987 Contact

'The Henoah Prophecies'

RE: BILLY MEIER CONTACTS; HENOCH PROPHECIES—GCH/D

* * *

LET'S GIVE MUCH CREDIT TO BILLY MEIER WHO HAS "PAID THE PRICE" FOR HIS EXPERIENCES

This will be in no manner a substitution for gaining all the information you can garner on Billy Meier and especially his "contacts with Pleiadians".

I wish, however, to state right here that I am not touting anything of more recent nature since the Pleiadian contacts ceased and Billy became a receiving center for those he calls Plejarens. No, they are NOT Pleiadians and for many reasons not given here, I do not truly acknowledge such entities.

What I would share here is from the year 1987, which was a very big year when many contacts were made, myself included. Those who suggest first contact is yet to come should very carefully re-count their time. We have already shared these very prophecies with you and would suggest if you want backup that you refer to those early Journals on the topic.

Why we offer this now is greatly in respect for *Nexus Magazine* who dares to offer controversial information and has given us permission, if we give full credit, to use their information for non-profit (no pun) purposes. This does not mean that we fail to honor those who present or represent the information or the author-receiver.

Since there is always so much more interest in having something physically Earthly to which to refer I would suggest that we simply ask our Editor to retrieve the information directly and save Finger's fingers.

It will be found in *Nexus Magazine*, August-Sept. 2004 <www.nexusmagazine.com> with additional author information listed at the top of the article.

I am most interested in sharing the actual information about Billy and The Henoah Prophecies (presented by Quetzal [to be totally confused with Quetzalcoatl, please]). There are many "teachers" and certainly we make no claim otherwise. Beware, however, for there are far more fanciful frauds abounding than actual participants.

I will leave the timeline information to the Editor to use as appropriate but prefer it be kept separate from the prophecies themselves for it is not relevant to the content or to current "contacts". I do ask that you make sure to give information regarding Michael Horn in California for further follow-up information as might be desired.

This is much as in the case of other genuine receivers in that too often the play is stolen along with the truth.

You will find it only a repeat of the other dastardly expectations coming down the pike if you don't attend some transformations mandatory to redirect many

"oncoming trains" bearing down on you as a planet and species. I do not offer this other than to share, again, what exists but to remind you that we work diligently around the clock to begin to offer healing "ways" to offset the disaster waiting to happen when, perhaps, even "worlds" collide.

I remind you that you must CHANGE YOUR MIND IF YOU WISH TO CHANGE A WORLD. It is up to you.

The world was certainly not ready to receive that which Billy Meier was given to offer. I repeat, however, that I have no comment about his current contacts or position. You seem to love to be terrorized and live in fear and so be it. Thus far not one individual has ever correctly even nearly translated the very prophecies of John in your *Revelation*. *The fact is: ONLY JOHN COULD PROPERLY INTERPRET THEM.*

What I would like to leave you with this day is that to think you are the ONLY ones in this tremendous universe of manifest orbiting bits and pieces is arrogance beyond all idiocy. Furthermore, the higher-entities can communicate with you at will so it is your responsibility to sort a bit in intelligent identification. Remember that a "spirit" can lie to you more easily than another human on two legs. Moreover, all the "identifying" in the world will not prove anything—ONLY INFORMATION AND TRUTH PREVAILS SO IT IS YOUR PREROGATIVE TO DO THAT WHICH YOU WILL.

Thank you for sharing the information, which is a reminder that it is wise to pay attention.

With that "word from the Wise" as introduction, we'll go ahead and jump right into The Henoah Prophecies. With full credit and appreciation to Nexus Magazine <www.NexusMagazine.com>, we quote from the online version of Volume 11, #5, authored by Michael Horn (with full contact information for Mr. Horn provided at the end of the article).

[QUOTING:]

PROOF BEYOND REASONABLE DOUBT

Many people are still unaware of the amazing story of "Billy" Eduard Albert Meier, the now 67-year-old Swiss man whose voluntary, face-to-face contacts with extraterrestrial humans have been going on for the past 62 years. For many years, Meier was dismissed by sceptics as a fraud and hoaxer. But the recent failure of the top professional sceptics' organisation CFI-West, in Los Angeles, to duplicate even one of his "easily duplicated" UFO photos or film segments, followed by the sudden retraction by magician/debunker James Randi that the case is a hoax, has resulted in much deserved, renewed interest in the case.

In addition to producing the clearest photos, films

and video of UFOs ever taken, as well as other physical evidence, for the past 48 years Meier has published the most specific, prophetically accurate, scientific and world-event-related information of any known source. Before you consider the prophetic information below, please note that from his 251st Contact on February 3, 1995, Meier published advance warning of the U.S. attack on Iraq, the increase in Islamic terrorism to follow, the appearance of SARS, the spread of "mad cow disease", the renewed public concern over chemical warfare, and the near accident at the nuclear power plant near Lyon, France (which occurred in August 2003). All of this information and more from the 251st Contact was also published in Guido Moosbrugger's book, *And Yet They Fly!* in September 2001—well before any of the foretold events occurred.

Combine this unprecedented evidence and all of the following with the still irreproducible, scientifically authenticated physical evidence, and you may understand why this remarkable one-armed man, who has been the target of 19 documented assassination attempts, stands at the centre of the most important story in all of human history.

In the following article I give the numbers and dates of specific contacts between Billy Meier and the Plejaren, and then an overview of the information contained in each contact. The items titled "Corroborated" show the dates and sources of the earliest corroboration of Meier's information found by the researchers. It should be noted that *Genesis III* published much of the material in volumes 1-4 of *Message from the Pleiades*, with the earliest copyright being 1979—the date by which almost all of the information was in the possession of the investigative team. While I present only a brief overview of the information in the specific contacts, I hope that each contact will be published in its entirety in the near future. Except where attributed to Meier, the Plejaren are the source of the information.

ABSENCE OF ERRONEOUS PROPHETIC INFORMATION

If, as some people might think, Meier somehow guessed or fabricated all of this specific, prophetically accurate information, it would be logical to assume that there would have to be an even more enormous body of randomly generated erroneous information.

Unfortunately for the sceptics, there simply is no such voluminous body of inaccurate work. And it's easy to prove this, since most of the information validated so far has been culled from a couple of thousand pages of the earliest English translations of the *Contact Reports*, published by Meier primarily between 1975 and 1979, with additional information excerpted from contacts in the 1980s and 1990s. Let me also add that there are still thousands of pages of untranslated German texts and some unofficial English translations that contain additional, already published, prophetic information awaiting scrutiny.

What Does It Mean to Us?

Meier and his extraterrestrial friends seem to be able to predict, i.e., accurately calculate, the results of causal actions known to them, originating from humanity and/or nature and the cosmos. And they have made it clear that certain prophesied (undesired) events can still be changed for the better—if humanity recognises its errors and makes sufficient effort in the correct, positive direction to alter those outcomes that can still be changed.

In the 215th Contact, known as The Henoah Prophecies, special emphasis was placed on America

and the very times we are in. (These prophecies are contained in the 2004 book, *And Still They Fly!*) More recent comments by Meier have also carried harsh and heavy warnings about the current American administration and leadership and the danger of its leading the world into a cataclysmic Third World War. Considering the credibility the Plejaren have established with their track record of accuracy since at least 1975, it would be wise for us to give serious consideration to their warnings about the future. Of course, it is up to each interested person to do the research necessary to determine the accuracy and authenticity of the Meier Contacts for themselves.

Should the most important event in human history—contact between an Earth human and extraterrestrial humans—actually have occurred, then we might realise that this is less about UFOs and extraterrestrials than it is about us—and our future survival.

[At this point Mr. Horn digresses into a timeline of predictions made since 1975 and subsequent corroborations of those predictions. Our focus, however, is on The Henoch Prophecies, so in the interests of conserving precious newspaper space we will skip the corroborations timeline but suggest those interested in this confirmation obtain it directly through Nexus Magazine.]

THE HENOCH PROPHECIES

Presented by Quetzal

215th Contact, Saturday, February 28, 1987, 2.09 am
By Billy Meier/FIGU 2002–2004

Quetzal: ...Before I give you a clear account of the prophecies of Henoch, I would like to point out that prophecies are always changeable and can be changed for the better if man makes positive changes in his thoughts, feelings and actions, leading to that which is better and positively progressive. Prophecies always rest upon specific causes; these again result in certain effects, whereby these effects can be changed at any time if only the preceding causes are changed in their form. Therefore, it is possible that negative or evil prophecies do not have to be fulfilled if the preceding causes will be purposely changed in a manner that positivity and good develop instead of negativity and evil.

However, this does not apply to predictions, as these rest upon events that cannot be changed, are inevitable and surely and definitely will occur in the future. Predictions rest upon a preview and thus on a direct viewing of the future, and have to do with neither prophecy nor with calculation of probability. So when I make a portion of Henoch's prophecies for the third millennium known to you, it does not mean that they have to be fulfilled, because the prerequisite of fulfilment in each case would be that the already existing causes continue to exist as also continue to be created in the future so that a fulfilment of the prophecies can come to pass.

Thus, provided that human beings of Earth will become reasonable, the possibility exists that by a reasonable change in the way of thinking as well as a reasonable development in feeling and an equally reasonable way of acting, everything changes for the better and positive, whereby prophecies do not have to be fulfilled. However, if this transformation does not occur, a very evil, wicked and negative time lies ahead for the Earth and its entire population in the coming new millennium.

Billy Meier: Since the Second World War, the thoughts, feelings and actions of the human being of

Earth have changed much towards the positive and good, but all that achieved is not enough in my opinion, as the great transformation towards the better has not been achieved yet, neither by the mighty of this world nor all of mankind of Earth itself. In the years gone by, you have made many predictions and calculations of probability as well as mentioned prophetic facts concerning the economic, military and political situation on Earth, whereby I was requested to spread this information—which I indeed have done. Governments and newspapers, radio stations as well as TV stations and many private persons worldwide were informed by me. But the entire effort did not achieve anything, because up to now mankind has carried on in the old manner and has paid no attention whatsoever to prophecies, predictions and calculations of probability.

And the same will most likely be the case in the future, when I receive permission from you in the coming time to spread the prophecies of Henoch for the third millennium. But, nevertheless, I feel that Henoch's message for the future must be made known and distributed, because somehow it may bear fruit yet.

Quetzal: You apparently never give up hope. Your optimism is honourable and deserves to be heard by human beings, but the way things have developed throughout this century there is not too much hope that human beings of Earth will come to their senses and heed your words. This will then be the case only when the prophecies prove to be true or, even worse, have already come to pass. Probably only then will the time come when the defamations against you will end in regard to your contacts with us, although they will long continue to be vehemently disputed by your enemies as well as by pathological know-it-alls and critics who dismiss them as swindle, lies and fraud. The full truth about our contacts with you will be proven in the distant future, and then mankind will accept our help we offer through you—even when they erroneously assume we come from the seven-star system known to human beings of Earth as the Pleiades. [MH: The Plejaren claim to live in the Plejares, an altered time-space configuration about 80 light-years beyond the Pleiades.]

Billy: Semjase and Ptaah already explained this to me. But tell us now what the new millennium will bring to human beings of Earth and the planet Earth according to the prophecies of Henoch.

Quetzal: I will do that in a moment, but I would like to explain before beginning that I am not authorised to give exact indication of years in an official manner.

If the human being of Earth continues to live in the same way as he has done up to now—forming his thoughts and feelings in the same manner, indulging in the same actions as he has hitherto—then the words of the prophecies of Henoch could not be any clearer.

The point in time at which these prophecies will begin to be fulfilled will be when a Pope will no longer reside in Rome. All of Europe will then fall victim to a terrible punishment by evil powers. The Christian religion will collapse and the churches and monasteries will end up in ruins and ashes.

Monstrous forces will be created by science and will be released by the military forces and armies as well as by terrorists, causing great destruction. Millions and even billions of people will be killed by acts of terrorism, by wars and civil wars; and finally, in some parts of the world, every third human being, and, in other places, every fourth human being, will lose his or her life. The nations of the East will rise against the nations of the West, the West against the East. Many deaths will be inflicted upon the people

by fighter and bomber aircraft, and bombs and rockets will destroy and annihilate smaller and larger villages and cities.

The people will be completely powerless against all this and will live through 888 days of Hell on Earth, suffering hunger and plagues which will claim even more lives than the war itself. The time will be severe as never before experienced on Earth. Ultimately, nothing can be bought or sold any longer. All provisions will be rationed; and if a human being steals even a small piece of bread, he/she will have to pay for it with his/her life. Many waters will mix with human blood and turn red, as once in the past the Nile in Egypt turned red with blood.

And it will be that the fanatics of Islam will rise up against the countries of Europe and all will shake and quiver. Everything in the West will be destroyed; England will be conquered and thrown down to the lowest level of misery. And the fanatics and warriors of Islam will retain their power for a long time. However, not only Europe will be affected but ultimately all the countries and peoples of the Earth, as the great horror expands to a war that will encompass the entire world.

After the turn of the millennium, the papacy will exist only a short period. Pope John Paul II is the third from last in this position. After him, only one additional pontificate will follow. Then a Pontifex Maximus follows who will be known as Petrus Romanus. Under his religious rule, the end of the Catholic Church will come, a total collapse becoming inevitable. That will be the beginning of the worst catastrophe that will ever have befallen the human beings and the Earth. Many Catholic clerics, priests, bishops, cardinals and many others will be killed and their blood will flow in streams. But also the reformed version of Christianity will become just as infinitely small, as does Catholicism.

Horrifying weapons and a possible world war

Due to the fault of scientists, enormous power will be seized by the power-hungry and their military, their warriors and terrorists, and power will be seized as well through laser weapons of many types, but also via atomic, chemical and biological weapons. Also concerning genetic technology, enormous misuse will occur, because this will be unrestrainedly exploited for the purposes of war, not lastly due to the cloning of human beings for warring purposes, as this was practised in ancient times with the descendants of Henoch in the regions of Sirius.

However, this will not be all of the horrors; as besides the genetic technology and the chemical weapons, far worse and more dangerous and more deadly weapons of mass destruction will be produced and will be used. The irresponsible politicians will unscrupulously exercise their power, assisted by scientists and obedient military forces serving them, who together hold a deadly sceptre and will create clone-like beings which will be bred in a total lack of conscience and will be scientifically manipulated to become killer machines. Division by division and devoid of any feelings, they will destroy, murder and annihilate everything.

The USA will set out against the Eastern countries ahead of all other financial states and simultaneously she will have to defend herself against the Eastern intruders. In all, America will play the most decisive role, when in the guise to strive for peace and to fight against terrorism she invades many countries of the Earth, bombs and destroys everything and brings thousandfold deaths to the populations. The military politics of the USA will likewise know no limits, as neither will their economic and other political

institutions which will be focused on building and operating a world police force, as it is the case already for a long time [sic]. But that will not be enough, and, in the guise of a so-called peaceful globalisation, American politics will aspire to gain absolute control of the world concerning supremacy in economy.

And this will point towards the possibility that a Third World War could develop from it, if human beings as a whole will not finally reflect upon reason, become reasonable and undertake the necessary steps against the insane machinations of their governments and military powers as well as their secret services, and call a halt to the power of the irresponsible who have forsaken their responsibility in all areas.

If this does not happen, many small and great nations will lose their independence and their cultural identity and will be beaten down, because the USA will gain predominance over them and with evil force bring them down under her rule. At first, many countries will howl with the wolves of the U.S., partially due to fear of American aggressions and sanctions, as will be the case with many, many irresponsible [ones] in Switzerland and Germany but also of other countries. In part, others will join in because they will be forced somehow to do so or will be misled by irresponsible promoters of American propaganda.

Finally, many Asian, African and European states will rise up against the American hegemony, once they recognise that the United States of America is only taking advantage of them for purposes of war, conquest and exploitation. In this way, many countries will become puppet states of America before reason and realisation will emerge in the responsible ones of governments and in many of the population, resulting in a turning away from the USA.

However, the great war will hardly be avoidable because the human beings of Earth will probably not accept the directions towards the better, therewith towards true love, true freedom and real peace, striving instead only towards wealth, pleasure and riches and for all manner of material values and unrestricted power. Thus, huge and deadly formations of tanks will roll across the countries while fighter planes and rockets sweep through the air and bring death, ruin, destruction and annihilation to countries and people.

If the Third World War will actually happen—as calculations and observations appear to indicate to be probable now and also during the approaching few decades—then, as now, the civilian population will above all have to bear the brunt of the enormous suffering in tremendous numbers in this entire catastrophe and, last but not least, the fault of the irresponsible scientists who by cloning will create human machines for military purposes, devoid of conscience and feelings, and will create immensely deadly and all-annihilating computer-like weapons. At the same time, the danger could become reality that the human combat machines, the military clones, will gain their independence and under their own management will bring death, devastation, destruction and annihilation to the human beings of Earth and to the planet.

The entire planet will become an arena of unparalleled suffering, which will never have existed before on Earth up to that time. The cruel happenings will last about 888 days and cause civilisation to collapse. Yet, the terrible scenario will continue, and epidemics and various diseases as well as enormous famine will be spread among the people, while the economy of the world will totally collapse and there will be no possibility to produce any goods. All foods

and medications will be rationed.

The insanity of war will extend not only across the land, but the disaster will equally be spread to the oceans, into the atmosphere, even into outer space. But there will also be settlements under the ocean that will be developed in the course of the future and these will be attacked and destroyed, claiming the lives of many thousands of people. However, a certain maelstrom of destruction will also originate from the undersea facilities; because in the cities at the bottom of the ocean, groups of submarine pirates will be formed which will burst upwards from the depths of the ocean and will become involved in destructive actions of combat with naval units on the surface.

And at this time, the possibility could become reality that extraterrestrial forces intervene against the Western industrialised countries, because these will be responsible for the extreme and enormous disaster of the coming evil times. These extraterrestrial forces will give up their anonymity and their state of secrecy and will assist those who are being terrorised by the irresponsibly acting Western countries, should this possibility become reality.

In addition, apocalyptic natural catastrophes will occur which will cause all of Europe to shake and tremble; but Europe will continue to exist, even after having suffered enormous destruction.

Destruction in North America

Far in the West, it will be different; the United States of America will be a country of total destruction. The cause for this will be manifold. With her global conflicts which are continuously instigated by her and which will continue far into the future, America is creating enormous hatred against her, worldwide, in many countries. As a result, America will experience enormous catastrophes which will reach proportions barely imaginable to people of Earth. The destruction of the WTC, i.e., the World Trade Center, by terrorists will only be the beginning.

Yet all the apocalyptic events will not only be brought about due to the use of unbelievably deadly and destructive weapons—such as chemical, laser and others—and by cloned murder machines; but in addition to this, the Earth and nature, maltreated to the deepest depths by the irresponsible human beings of Earth, will rise up and cause destruction and bring death onto the Earth. Enormous firestorms and gigantic hurricanes will sweep over the USA and bring devastation, destruction and annihilation, as this from time immemorial never before will have happened [sic].

Not only will America, but also all other Western industrial countries which still live at the beginning of the new millennium in the delusion that they could dominate and rule over underdeveloped nations, i.e., Third World countries, will not only soon lose influence over these but must defend themselves against them.

According to the prophecies of Henoah, the truth about industrialised countries is that they only seem to appear to be true civilisations, but in fact they are not; because more and more, at the end of the 20th century and at the beginning of the third millennium, they will disregard all true love, true freedom and true wisdom as well as true peace along with all values of humaneness and all values of men's and women's true being.

But not even all the terrible happenings will hinder the USA in continuing to proceed with her actions against all countries. Even when the North American continent will be stricken by the most terrible catastrophe which has ever been recorded, evil military powers will wreak havoc with computerised and nuclear, biological and chemical weapons, whereby it will also happen that computerised weapons become

independent and cannot be controlled any longer by human beings. Overall, this is the most important part of Henoah's prophecies.

Epidemics, conflicts and disasters

Billy: There is still more to it; at least that is what you told me.

Quetzal: You are untiring; so I will point out a few more important facts of the prophecies. As of now, new epidemics have spread among the people of Earth; however, as Henoah prophesied, quite a number of further epidemics will follow. Not only AIDS will occur worldwide in the 1990s, but also epidemics such as the so-called "mad cow disease", i.e., BSE, out of which different strains of Creutzfeldt-Jakob syndrome will develop, lasting well into the new millennium. Also, an epidemic known as Ebola will cause many deaths, as well as other unknown epidemics and diseases which will sporadically arise in epidemic proportions and will be new to the human being, causing great concern.

However, most of the evil will be brought about by politics. France and Spain become involved with each other in armed conflicts, and even before World War Three will have broken out. Yet France will not only engage in armed conflicts with Spain, for within her great unrests will arise, leading to upheavals and civil war, as [will be] the case in Russia and Sweden. Especially in France and Sweden, machinations as well as dictatorial regulations of the European Union will cause much unrest and many uprisings; but also crimes committed by gangs and organised criminal elements in these countries will cause unavoidable civil wars.

In addition, significant tensions will arise between the native citizens and immigrants from foreign countries, who as a rule also observe religious beliefs different from those of the native populace. And in the end, this will lead to severe conflicts. Hatred against strangers, foreigners and people of different religious beliefs will be the order of the day, as well as the rise of neo-Nazism, terrorism and right-extremism. Conditions similar to civil war will be in England, Wales and Northern Ireland and claim many lives.

The Soviet Union will be dissolved in this decade or at the latest by the beginning of the next. The man decisive for this action will be Mikhail Gorbachev. But this will not lead to rest, because the new Russia will continue its longstanding conflict with China over Inner Mongolia, with the result that Russia will lose a portion of this territory to China. And China becomes dangerous, especially to India, as also at this time China maintains uneasy relations with her. China will attack India; and if biological weapons are used, around 30 million human beings will be killed in the area of and around New Delhi alone. However, this will not be the end yet—because the effect of biological bombs and missiles, etc., used cannot be controlled at that time, and terrible epidemics unknown up to that point in time will arise and will spread quickly to many areas. Also Pakistan will allow herself to be misled to instigate a war against India, which will be especially dangerous in view of the fact that both countries are developing atomic weapons.

Wars and devastation in Europe and North America

Yet Russia will not rest and will attack Scandinavia, and in doing so will embroil all of Europe. And months before that, a terrible tornado will have swept across northern Europe, causing great devastation and destruction. It must still be stated that the Russian attack will occur during the summer, in fact, starting from Arhangelsk. Denmark will not be

dragged into the war, due to the insignificance of this country. Yet Russia will not be satisfied with this action of war, as her will for expansion will be ravenous. And consequently Russia will launch a military attack against Iran and Turkey and will conquer these two countries in bloody fighting, causing enormous destruction.

In the Russian expansionist mentality will also be included the drive to gain control of the Middle Eastern oil deposits as well as to gain control of the southeastern region of Europe. Therefore, she will also invade the Balkans and conquer these countries there in enormous battles, causing ruthless and devastating destruction with many deaths.

This will be at the time that tremendous natural disasters will hit Italy and its people, causing severe hardship. But this will also be at the time when Vesuvius could become active again and could spread tremendous havoc. At the same time, a war will shake Italy and claim many human lives as well as cause great destruction.

Destruction of war will descend on the northern countries as strong military forces will invade them from the East and will pillage and murder as well as use bombs and missiles, like hail coming down, and hitherto unknown weapons of laser- and computer-controlled types which will destroy and annihilate everything, whereby the first target will be Hungary and after that will follow Austria and northern Italy. Switzerland will also be severely affected, but will not be the actual target; this will be France and Spain. However, the main objective of the aggressors will be to bring all of Europe under their military control, and for that purpose France will be selected to be the headquarters.

France will not only be invaded by the aggressors from the outside, but will also be conquered from within as a result of collaborative forces and other forces. This can be envisioned as being the many foreigners of a different religion living in France at that time, and specifically Islam, which will be this force working from within. Once France has fallen, a war to conquer Spain and England will take place. Subsequently, an alliance with the forces of the aggressors will be formed, which will invade Scandinavia.

For all these French-based military operations, the weapons of mass destruction stored in the arsenals of France will be used and cause evil devastation, destruction and annihilation. The aggressors from the East will force the French Army to join their military forces and lead a war of conquest against the northern countries of Europe, invading and conquering Sweden and Norway. Subsequently, these northern countries will be annexed by Russia. Military forces will also attack Finland, whereby many will be killed and an enormous destruction will be caused.

At the same time, as a civil war rages in Germany, an enormously bloody revolution will break out in England which will claim more lives than will be claimed by the civil war in Germany. And because England and Ireland have been at war for a long time already, due to the IRA and the police and military forces of England, the result will be (because this feud will continue up to that time) that this revolution will spread out to all of Ireland, especially affecting Northern Ireland. Many lives will be lost during a civil war in Wales, where differences between various parties will arise before the Third World War. Welsh and English forces will clash especially near Cymru, and claim many lives and cause great destruction.

But death, destruction and annihilation will not only rage in Europe but also in America, where much

suffering will have to be endured and many deaths as well as destruction and annihilation will be. America and Russia will have the most terrible weapons of mass destruction at their disposal—a fact which is already the case to a certain extent today—and will clash with violent force against each other at that time of conflict, whereby Canada will also be dragged into this conflict. The source of this conflict will substantiate the Russian attack on the American State of Alaska and against Canada.

This conflict will result in mass killings of human beings as well as devastating destruction, annihilation and epidemics, etc., which mankind of Earth will never have seen and experienced up to that time. Not only nuclear, biological and chemical weapons will be used *en masse*, but also enormously deadly systems of computer-controlled weapons that are only in the beginning stages of development today, or will be invented and constructed during the third millennium.

Worldwide natural catastrophes

As already mentioned, enormous natural catastrophes and rolling walls of fire and violent hurricanes will rage all across America, while, in addition, all the terrible effects of war will bring thousandfold deaths, destruction and annihilation. America's largest cities will be absolutely destroyed, and firestorms will cause great disaster and misery.

Severe earthquakes and volcanic eruptions will also belong to that time, and these will cause much suffering and misery and deaths besides enormous destruction and devastation, as all of Nature and the planet itself will rise up against the insanity of human beings on Earth. However, tornadoes, earthquakes and volcanic eruptions will not only rage in America, but also in Europe and in the rest of the world.

These activities have already begun at the present time, also during the past decades—with the exception that they will become increasingly more devastating in the future. And man of Earth is guilty for the most part today, as also in the future it is man who will destroy the entire environment—all of nature, the atmosphere, water and all the resources of the planet.

And through this, a shifting of weight inside the Earth takes place, caused for example by the creation of gigantic lakes by damming and by creating hollow caverns due to the exploitation of petroleum and gas, etc. And thereby unnatural inner-Earth movements are created, which also lead to unnatural tectonic effects and cause earthquakes and volcanic eruptions, which also in turn cause enormous climatic changes, resulting in horrendous tornadoes of devastating proportions which in the end will set their destructive energies free on the entire world. All of this will lead to increasingly horrible floods and unusually massive snowfalls which will advance to the southern countries and finally even to the equatorial regions, because through the insanity of human beings the Earth has begun unnoticeably to spin [strangely] as a consequence of atomic explosions inside and on the surface of the Earth. And this will be the reason that the planet will slowly but surely enter an extraordinary spinning orbit around the Sun, while the first phase is already occurring, which causes a change in climate, leading to a new ice age.

Civil wars and anarchy in America

Yet the misery on Earth will continue, as two terrible civil wars will break out in America, whereby one will follow the other. Afterwards, the United States of America will break apart and deadly hostility will prevail among her, which then leads to the division into five different territories; and it cannot be prevented that sectarian fanatics will play a dictatorial role.

Anarchy will be the worldwide condition that will prevail and torment human beings over a long period of time, as human beings will also be tormented by the many epidemics and diseases, many of them new and unknown to human beings and for this reason incurable. Due to this fact, the bodies of many human beings will slowly and miserably decay, while unbearable pain will also occur as well as blindness and terrible respiratory problems that lead to suffocation. The consciousness of many human beings will become impaired and succumb to feeble-mindedness and insanity. And all these gruesome occurrences will be traceable to biological and chemical weapons, which are the cause of not fast, but gruesome and slow deaths; and this will also occur due to the use of ray and frequency weapons which are already being developed today.

Finally, the words of Henoch may be specifically mentioned, which include that mankind of Earth, in pursuit of technology for mass destruction and greed for power, hatred, vengeance and riches, will ignore all values of Creation and will trample upon all values of love, wisdom, freedom and peace, as ancestors of the Henoch lineage have done before, to plunge the world into screaming misery, death, destruction and annihilation and into the most severe catastrophes mankind of Earth will ever have experienced.

World News Insights

In this issue we will focus tightly on the significance of recent acts of terrorism against Russia. Space is tight, so commentary will be minimal and the stories greatly redacted. Who were the terrorists, for whom did they act and for what real purpose? For an excellent overview we turn to an article written by Webster Griffin Tarpley, whom readers might recall as the author of the book, *George Bush: The Unauthorized Biography*.

[QUOTING, emphasis added:]

RUSSIANS BLAST US-UK SPONSORSHIP OF CHECHEN TERROR

By Webster Griffin Tarpley
9/17/04

...There are now signs that the Anglo-American press is beginning a new campaign against Putin as a dictator, stressing the obvious in order to silence his attacks on the **US-UK sponsorship of Chechen terror**.

...“There is no link between Russian policy in Chechnya and the hostage-taking in Beslan,” said Putin, meaning that the terrorists were using the Chechen situation as a pretext to attack Russia. According to a paraphrase in *Le Monde*: “The aim of that international terrorism, supported more or less openly by foreign states, whose names the Russian president didn’t want to name, is to weaken Russia from the inside, by criminalizing its economy, by provoking its disintegration through propagating separatism in the Caucasus and the transformation of the region into a staging ground for actions directed against the Russian Federation.”

“Mr. Putin,” continues *Le Monde*, “reiterated the accusation he had launched in a veiled form against Western countries which appear to use double-talk.... ‘Why are those who emulate Bin Laden called terrorists and the people who kill children, rebels? Where is the logic?’ asked Vladimir Putin, and then gave the answer: ‘Because certain political circles in the West want to weaken Russia just like the Romans wanted to destroy Carthage.’ ‘But, continued Putin, **“we will not allow this scenario to come to pass.”**”

...In *Guardian* correspondent Jonathan Steele’s account of the meeting with Putin, this is the Russian President’s response to the US and UK on the question of negotiating with the Chechen guerrillas of Aslan Maskhadov: “Why don’t you meet Osama bin Laden, invite him to Brussels or to the White House and engage in talks, ask him what he wants and give it to him so he leaves you in peace? You find it possible to set some limitations in your dealings with these bastards, so why should we talk to people who are child-killers?” (London *Guardian*, September 7, 2004)

...The key point is that the Russian press is now openly denouncing London and Washington as centers for terrorist control....

...Around the time of 9/11, Putin had pointed to open recruitment of Chechen terrorists going on in London, telling a German interviewer: “In London, there is a recruitment station for people wanting to join combat in Chechnya. Today—not officially, but effectively in the open—they are talking there about recruiting volunteers to go to Afghanistan.” (*Focus*—German weekly newsmagazine, September 2001) In addition, it is generally known in well-informed European circles that the leaders of the Chechen rebels were trained by the CIA, and that the Chechens were backed by US-sponsored anti-Russian fighters from Afghanistan....

Some aspects of Putin’s thinking were further explained by a press interview given by Aslambek Aslakhonov, the Chechen politician who is one of Putin’s official advisors. A dispatch from *RIA Novosti* reported Aslakhonov’s comments as follows: “The terrorists who seized the school in Beslan, North Ossetia, took their orders from abroad. ‘They were talking with people not from Russia, but from abroad. They were being directed,’ said

Aslambek Aslakhonov, advisor to the President of the Russian Federation. ‘It is the desire of our “friends”—in quotation marks—who have probably for more than a decade been carrying out enormous, titanic work, aimed at dismembering Russia. These people have worked very hard, and the fact that the financing comes from there and that they are the puppet masters, is also clear.’... (*RIA Novosti*, September 6, 2004)

On September 7, *RIA Novosti* reported on the demand of the Russian Foreign Ministry that two leading Chechen figures be extradited from London and Washington to stand trial in Russia.... They are Akhmad Zakayev, known as a “special representative” of Aslan Maskhadov (currently enjoying asylum in London), and Ilyas Akhmadov, the “Foreign Minister” of the unrecognized “Chechen Republic-Ichkeria” (now residing in the USA). (*RIA Novosti*, September 7, 2004)

“SCHOOL SEIZURE WAS PLANNED IN WASHINGTON AND LONDON”

This was the headline of an even more explicit unsigned commentary by the Russian news agency *KMNews.ru*. This analysis blames the Beslan school massacre squarely on the U.S. and British intelligence agencies....

KMNews: “CHECHEN TERROR BOSS ON US STATE DEPARTMENT PAYROLL”

KMNews writes: “In early August, ... ‘Minister of Foreign Affairs of the Chechen Republic-Ichkeria’ Ilyas Akhmadov received political asylum in the USA. And for his ‘outstanding services’ Akhmadov received a Reagan-Fascell grant,” including a monthly stipend, medical insurance, and a well-equipped office with all necessary support services, including the possibility of meetings with political circles and leading U.S. media....” What about our partners in the ‘anti-terrorist coalition,’ who provided asylum, offices and money to Maskhadov’s representatives?” asks the Russian press agency. Citing the official expressions of sympathy and offers of help from President Bush, National Security Adviser Condoleezza Rice, and State Department spokesman Richard Boucher, *KMNews* warns: “But let’s not shed tears of gratitude just yet. First we should ask: Were ‘Special Representative of the President of CRI’ Zakayev or ‘Minister of Foreign Affairs of the CRI’ Akhmadov, located in Great Britain and the USA, aware of the terrorist acts that were in preparation? Beyond a doubt. And let’s also find out how Akhmadov is spending the money provided by the Reagan-Fascell Foundation. We note: This Foundation is financed by the U.S. Congress through the budget of the State Department! “Thus, the conclusion is obvious. Willingly or not, Downing Street and the White House provoked the guerrillas to these latest attacks.... Is there a motive for the Anglo-American ‘anti-terrorist coalition’ to fan the fires of terror in the North Caucasus?” “Alas, there is a motive. It is no secret, that the West is vitally interested in maintaining instability in the Caucasus. That makes it easier to pump out the fossil fuels, extracted in the Caspian region, and it makes it easier to control Georgia and Azerbaijan, and to exert influence on Armenia. Finally, it makes it easier to drive Russia out of the Caspian and the Caucasus. *Divide et impera!*...”

KMNews: TERROR SUPPORTERS “ON THE BANKS OF THE THAMES AND THE POTOMAC”

KMNews continues: “Alas, it must be recognized that the co-authors of the current tragic events are to be found not in the Arab countries of the Middle East, but on the banks of the Thames and the Potomac. Will the leadership of Russia be able to make decisions, in this situation?” “Yes—if there is the political will. The first thing is that black must be called black, and white, white. It is time to admit that no ‘antiterrorist coalition’ exists, that the West is pursuing its egotistical interests (spreading its political influence, seizing fossil fuels deposits, etc.). Our own coalition needs to be formed, with nations that are genuinely interested in eliminating terror... **It is time**

to learn to make preemptive strikes against the enemy, and it’s time to carry combat onto the territory of the enemy. Otherwise, we shall be defeated.” (Source: *KMNews.ru*, September 7, 2004)

...A commentary in the widely read Russian business news service *RosBusinessConsult (RBC)* was entitled, “The West is unleashing Jihads against Russia.” In language seldom heard since the end of the Cold War, *RBC* charges that the recent wave of terror attacks against Russia, beginning with the sabotage of two airplanes and a terror bombing at a Moscow subway station, and culminating so far in the Beslan attack, was immediately preceded by what *RBC* calls “an ultimatum from the West” for Russia to turn over the Caucasus region to “Anglo-Saxon control.”

ANGLO-SAXON TERROR ULTIMATUM TO RUSSIA FROM THE LONDON *ECONOMIST*

“Some days prior to the onset of the series of acts of terrorism in Russia, which has cost hundreds of lives, a number of extremely influential Western mass-media, expressing establishment positions, issued a personal warning to Vladimir Putin, that Russia should get out of the Caucasus, or else his political career would come to an end. Therefore, when **the President on Saturday spoke of a declaration of war having been made against Russia**, this was not just a matter of so-called ‘international terrorism’... One week prior to the first acts of terrorism, the authoritative British magazine, the *Economist*, which expresses the positions of Great Britain’s establishment, formulated the Western position concerning the Caucasus, and above all the policy of the Anglo-Saxon elite, in a very precise manner,” *RBC* writes.

...The *RBC* editorial concludes: “...The only way to resist this, would be for Moscow to make it known, that we are ready to fight a new war, according to new rules and new methods—not with mythical ‘international terrorists’, who do not and never existed, but with the controllers of the ‘insurgents and freedom fighters’; a war against the geopolitical puppet-masters, who are ready to destroy thousands of Russians for the sake of achieving their new division of the world.” (*RBC*, September 7, 2004)

A basic reason for the US-UK surrogate warfare against Russia is the great Anglo-Saxon fear of a continental bloc of the type which emerged during the run-up to Bush’s Iraq aggression. The centerpiece of the continental bloc is the German-Russian relationship. **Washington and London fear that Russia will soon agree to accept euros in payment for its oil deliveries.** This would not just prevent the Anglo-Americans from further skimming off oil transactions between Russia and Europe. It would represent the beginning of the end of the dollar as the reserve currency of the world, a role which the battered greenback, weakened by Bush’s \$500 billion yearly trade deficit and Bush’s \$750 billion budget deficit, can no longer fulfill. If Russia moves to the euro, it is expected that the Eurasian giant may be quickly followed by Iran, Indonesia, Venezuela and other countries. This could put an end to the ability of the US to run astronomical foreign trade deficits, and would place the question of a US return to a production-based economy on the agenda. The oil-euro question is expected to be discussed at the upcoming Russian-German economic summit....

[END QUOTING]

BBC World Service reports: “Tony Blair last night suffered a fresh blow after Kofi Annan, the UN Secretary General, said the war in Iraq was ‘illegal’.... Mr Annan said the war was ‘not in conformity’ with the UN Security Council or with the UN Charter.”

From *Canada’s National Post* of 9/17/04, “*Russia plans pre-emptive strikes on terrorists*” by Vladimir Isachenkov reporting for Canadian Press: ...“President Vladimir Putin said Friday that Russia is ‘seriously preparing’ for pre-emptive strikes against terrorists...”

“Putin didn’t name any specific countries, but his comments appeared aimed at European and U.S. officials...”

“The president said that ‘now in Russia, we are seriously preparing to act preventively against terrorists,’ adding such action would be ‘in strict accordance with the law and norms of the constitution, norms of international law.’”

NEVADA CORPORATIONS:

Fortress-Like Shelter Or House Of Cards?

Budget's "Tip of the Week" #7:

Checklist for Adherence to Corporate Formalities

Proper operation of a corporation can make the difference between having a fortress-like shelter or a precariously balanced "house of cards". If you are operating a Nevada corporation, you might want to review this checklist to determine for yourself which you are building:

- Read and understand the Articles of Incorporation and Bylaws and act in conformance with them.
- Read the governing law for the corporation: *Nevada Revised Statutes (NRS), Chapter 78.*
- Include reports of officers and committees in the corporate records.
- Record all major decisions of Directors in corporate resolutions or meeting minutes.
- Document contracts, even (perhaps especially) verbal ones, within the corporate records.
- Correctly handle and document corporate loans, making interest payments as required.
- Properly maintain the corporation's books and accounting records.
- Whenever signing on behalf of the corporation, indicate title; do not sign personally or you may forego the inherent liability protection normally afforded by Nevada's statutes.

Additionally, if stock is issued:

- Hold annual meetings of stockholders.
- All actions of stockholders must be done by vote and duly recorded.
- Give proper notice or use appropriate waiver of notice (usually specified in the Bylaws) for stockholders' meetings.
- Elect directors as necessary and conduct other business in appropriate meetings, duly recorded.
- Hold regular meetings of the Board of Directors, at least annually.
- Give proper notice or use appropriate waiver of notice (usually specified in the Bylaws) for directors' meetings.
- Elect officers and conduct other business in the manner specified in the Articles of Incorporation and the corporation's Bylaws.
- Record proper minutes of such meetings.
- Maintain the stock ledger properly.
