# GAIA Stands R/W/A To Assist in Aftermath

**Don't blame God. What will YOU do to bring relief possibilities to attention?**

9/2/05—#1 (19-17)

Fri., September 2, 2005 8:51 A.M. YR 19, DAY 17  
Manila, Philippines

RE: AFTERMATH OF KATRINA—GCH/d

\* \* \*

AND GOD ASKED:  
“WHY DIDN'T YOU LISTEN?”

“And many there will be who do not listen and refuse to hear.”

Can it get worse, in say, the Gulf Coast of Southern USA? Oh indeed, and so it SHALL.

Did GOD “really” do this unto Man as the winds came and blew upon those in the path of a great storm? Did GOD bring water upon the people through BROKEN LEVEES? Oh, friends, GOD HAS WARNED UNTIL THERE IS NO VOICE LEFT IN THE LAND TO WARN YOU OF THESE THINGS TO COME.

A simple test of GOD vs. MAN is: “Who did not shore up the dikes against the floods in New Orleans?” Then, WHO cut the funding to repair and increase the walls against the seas? WHO HAS SENT YOUR SONS AND THOSE WHO COULD RESCUE YOUR HURTING MASSES TO FOREIGN LANDS TO KILL OTHER NATIONS' PEOPLE WHILE YOUR OWN NOW HAVE NO ESCAPE FROM THEIR PLIGHT?

**IT WAS NOT GOD!**

And the anger rises yet even against me as to what are you going to do? I ask you: WHAT ARE YOU GOING TO DO now that again the consequences of Man's actions, yea even against God, have begun to come to pass in ways you denied could ever come forth against you?

Each has a task, a purpose if you will, and some will come forth and feed you mush to allow you to again escape into your lies and “good intentions gone wrong”. They will do this in God's name, Christ's name, and in the very shadow of my own label.

When will you learn that ascension is an act of physical/mortal separation of body and soul as the human housing is discarded?

How can any, including those who claim to hear from Masters gone before, and yea, even from someone using my name, say that things are fine and this is a beginning in the instance of such tragedies as New Orleans death trap into wondrous new expression?

What you are experiencing are the RESULTS and CONSEQUENCES of Man's own actions in the most basic measure possible. You built in the swamps so that you could live your “good life” and pump the very circulating fluids from your own Mother's being and today you BLAME GOD for the inconvenience and discomfort.

Your greedy politicians have brought you down and you have allowed it while indeed the anger and hate and BLAME is sent back from you to them—but too late to save the very lives you so carelessly have tended.

No, I will NOT give you rotten mush to soothe your broken spirits this day while some count blessings and others such great loss.

Look around you and then, indeed, feel fortunate

for that with which you are blessed and then, LET US GET BUSY AND BRING BALANCE BACK WITHIN THAT WHICH NOW STARTS THE DOMINOES FALLING.

We are limited by the very things that limit all beings and in this very instance even a word from this source through this computer was stopped THIS MORNING as the system was DEAD.

What will you do when ALL SYSTEMS are dead and deteriorating? THESE TIMES ARE CERTAINLY THE TIMES OF RESTRUCTURING. GOD IS WATCHING, ALLOWING, AND WAITING TO SEE WHAT "YOU" WILL DO.

I care not how many speakers come in my name and if they give you magical goo to feed upon—eat that which you will. We have a very physical, mortal solution to the problems at hand and yes, at this time, all can be remedied by that one commodity you have manufactured to solve the logistical problems facing everyone everywhere on your orb. This is money, good works, and a willingness to step out IN TRUTH AND GOODNESS and demand acceptance of that which is so abundantly given into your hands if you will but accept it. God's people show the way and offer that which you need—BUT YOU WILL DO IT!

Everything in New Orleans and surrounding places of devastation could be attended in a couple of days with abundant FUNDING, sharing, and opening your hearts in service and "giving". We HAVE the very tool with which to bring that abundance instantly and right through the hands that first validated the asset we offer and yet our people are bound by the hits and lies of opposition at every turn.

These assets of which we speak are all but UNLIMITED, although we bring limits of reasonable support and a possible foundation of REALITY and not more fantasy-conjured games.

I note that Bush Daddy and Clinton are given that task of filling in for you as they were to do in Indonesia and which is still as devastated as Mississippi today. Our holdings are well known to the Bush people—who actually birthed the lopsided Superfund. Ah but, we have brought the balancing COMMODITY holdings to back the programs and give them REALITY of full support and VALUE.

However, be it remembered that the very ones who could bring the U.S. to life this day and solve the incredible problems have disallowed our people any function in their own land. So be it.

A joint venture between the Philippines and the U.S. TODAY would not only solve the problem in the U.S. but salvage the sinking Philippines as well. BUT NO, WE WILL NOT GO FORTH AND DO IT "FOR" ANYONE AND THAT MOSTLY INCLUDES OUR ENEMIES AND/OR THE GREEDMONGERS ABOUNDING LIKE THE RATS IN EVERY FILTHY CORNER.

When will the next devastation hit you? What does it require to make you SEE? You cannot, surely, blame God for acts of natural storms when you consider this very last Katrina. You have just witnessed the most sophisticated guidance systems in play, more than you imagined you had, BY MAN, available on your place. Moreover, what is to stop you from having MORE and MORE DEVASTATING hits?

Indeed you CAN gather yourselves together and have unity and goodly purposes and FIX YOUR BROKEN LIVES or you can surely see that powers beyond your contemplations are going to hit you harder and more devastatingly as the next storm and the next magnetic pull to intensify the very hits on the same target areas come to pass. In just the hurricane potentials you will note you have only just begun for this season.

### *Amerika 2005: Louisiana State Police Tactical Unit on patrol in New Orleans*

Indeed I would like to give you nothing but wondrously good and miraculous news but you do not hear and become bored as we struggle through the very hits of liars and thieves against us. We have to CREEP as the inchworm and make our way in the face of greed and avarice unbounded. Ah but, we have PROVED our holdings and soon we shall be recognized or things will continue to spiral downward until realization of the pit at the end of the pathway looms ever more closely ahead.

You will NOT be given more than you can carry or bear so go with your favorite "cop-out" if you will—but we shall move on. GOD WALKS WITH YOU—NOT FOR YOU, STUDENTS OF LIFE. WITH you.

If you accept this as "bad news", readers, then you certainly have not carefully read this message. YOU HAVE WHAT YOU NEED IF YOU MAKE IT WORK AND DEMAND ACCEPTANCE. It is my own promise and shall come to pass for those who truly wish to save themselves will do so but NOT THROUGH MORE AND MORE EVIL.

It is a difficult day at this keyboard for this is a time when MAN can excel or fail while what you witness in the greater measure is man turning against himself for a scrap of food or a swallow of water—and that while submerged in water!

THE ADVERSARIES OF GOD SHALL FALL, MY FRIENDS, AND THE PROPHECIES OF THESE DAYS CAME SO LONG AGO YOU HAVE FORGOTTEN AS EVEN YOUR EVANGELISTS NOW ADVOCATE MURDER AS IF GOD HAS BLESSED IT.

You can't even leave a war long enough to attend the very lives of your own body. You can't get help into areas of destruction BECAUSE THE EQUIPMENT AND THE PEOPLE TO RUN THEM AND PROTECT YOU ARE "GONE" ELSEWHERE.

Will you actually be shocked when the terrible elements of society are all that remain and disease is rampant and spreading and someone suggests atomic solutions to the chaos and disease? People, this disaster in point is but a TINY piece of land and already the RACE game is afoot. The area is 68% black but relatively more white people than blacks are rescued first. Moreover, the looters are almost all black persons and for obvious REASONS.

We stand ready, willing and able to use GAIA, THE T-A FOUNDATION AND COSMOS SEAFOOD ENERGY MARKETING, LTD. to the full extent of the protection of LAW and that would provide ample financial support for gaining everything needed for ANY DISASTER. THIS IS WHAT GLOBAL ALLIANCE INVESTMENT ASSOCIATION IS ALL ABOUT!

It now becomes UP TO YOU and "mush" will not do anything, for you KNOW truth and all the crap in the world, people, will only further contaminate the water drowning you. Disease is yet to come but it WILL come.

Dear little Nancy Tate has pronounced, from me yet, that the deaths in Katrina's wake and hit are less than expected? NO, CHILDREN, THE DEATHS CANNOT EVEN BE COUNTED AND HAVE ONLY JUST BEGUN!

The next question I have for you and the Nancy Tates of the networks is: "WHO IS GOING TO CARRY THOSE GOLDEN LIGHTS AND SALVAGE THE MESS?" WHAT ARE THE MORTAL, PHYSICAL SOLUTIONS TO "CURE" ANYTHING?

If you build upon quicksand then you shall sink within it eventually and wet quicksand is ever so much worse than a dry hole from which to extract selves.

The TRUTH shall set you free? Well, you can certainly observe the Truth of what IS and nothing happens—UNLESS YOU DO SOMETHING!

GOD HAS PROVIDED "THE WAY" AND NOW WE NEED MORE HELP FOR YOU HAVE PLAYED GAMES FOR TOO LONG AND THE REAPER OF THAT HARVEST IS UPON YOU.

BLAME GOD IF YOU WILL; THEN GET BUSY!

# How you can KNOW Katrina Not 'Natural'

9/4/05—#1 (19-19)

Sun., September 4, 2005 7:39 A.M. YR 19, DAY 19  
Manila, Philippines

RE: WHERE'S THE BEEF? LET ME COUNT  
SOME PLACES!—GCH/d

\* \* \*

WIN SOME—LOSE SOME!

Because some fling the proverbial crap into our faces does NOT mean we shall do more than wipe it off and continue our journey. For any who wish to have us do YOUR jobs, we can only remind you that we are not here to do YOUR job—our purpose is to do OUR JOBS. Moreover, we can tell you how it IS and even what you CAN DO, but beyond that we will no longer push and shove while you moan, complain and throw bombs at us. YOU DO WHATEVER STRIKES YOUR FANCY AND WITH WHOM YOU FEEL YOUR "BEST BET FOR SELF" MIGHT RESIDE BUT WE WILL TELL YOU TRUTH AND WE WILL CONTINUE TO OFFER "THE WAY OUT". BEYOND THAT, PLEASE SPARE US THE "CRAB/CRAP MENTALITY".

First, to prove the point of our position in this land of "crab mentality", the creative term used to keep everyone DOWN, we will address the circumstances here. Then, readers, and especially you in the U.S., we WILL ADDRESS your latest games in play and show you all the clues which were constantly available for you to KNOW exactly what has taken place, WHY it has taken place, and in some bit of detail open a few eyes in the potential disasters now before you.

## MANILA

EJ, the Public Notice is going well but not nearly enough to show our position, support, proven product and realizations signed, SEALED and now ready for delivery.

We will begin to limit the rebuttals to VK Durham for in the conclusion of her position she has none, even though we gave her a decade to participate while she has gone into the ethers with the dragon-flies.

I ask that you combine your Public Notice in preparation with more integrated potential for service with that which is here and available, even if participants do not really understand their positions—YET.

We basically have "control" of the instruments, orders and corporations to allow for function and it is now time to use them.

I want a "reconciliation" with Julian ASAP. He cannot prevail alone and we do not even WANT to hold anything as massive as land-grabs and arguments on the subject. We have been ignored with all hope on the side of our adversaries as to disallowing us to function. NO, IT IS UNACCEPTABLE AND WE "SHALL" FUNCTION.

We will continue to move in the court for intervention but it would serve Julian mightily to work WITH US and not against us. He is a "real party" even if not THE "real party" of outcome. We do not need to reinvent the wheel in this case. We go forth as an ally stating clearly that we now intervene but that intervention

is also in service to the former "Administrator".

He continued to be shown as "Chairman" for a couple of years until removed through necessity. YOU WILL NOT REPLACE HIM INTO ANY POSITION OTHER THAN STANDING ON HIS OWN PERSONAL PRESENTATION BUT WE WILL PROTECT HIM AS BOTH A PERSON AND A FORMER/RECENT ADMINISTRATOR NOW THAT HIS VERY PERSON HAS BEEN PRESENTED TO THE COURT.

He cannot win otherwise and since he has fallen into disrepute we will not even put him into a position of negative impact in the matter. Let us get this job done and functional and we can work out estate and other problem areas. I suggest our team get onto this ASAP and never mind the input from others, even Nat. It is not up for question; it is for full intent of action—with or without any personal intervention, participation or scramble for position. POSITIONS WILL BE NEITHER COMPROMISED NOR SHALL THEY BE NEGOTIATED TO PROLONG THE GAME IN NEGATIVE LIMBO.

If Julian can't see his position, never mind, just move on through while using his very person as a tool for the advance within the court. WE ARE NOT AT WAR!

We do not need any other NAMES on the document (PN) than just the minimum along with ALL seals shown from ALL related entities. We walk within all laws but which also gives us full protection under those laws both in the United States of America AND in the Philippines, which still functions as a colonial holding of that nice U.S.A.

## LOOK AT KATRINA

It is too much to expect this keyboard to present more and more and more "stuff" to be denied and my very words attributed to the preferential one person against another's claims. This is not an argument of "Masters" or Cohans or Gurus or any other presumptive participants. It is none of our business what everyone chooses to think as this old world falls apart at the hands of your enemies at play.

To have a "perfect" storm as presented by Katrina against the Gulf Coast of the U.S. you have to have PERFECTION in everything impacting it. The intent of the storm itself was to cause the greatest amount of damage without immediately total destruction to one limited area. It didn't lose strength, my friends, just as it veered East at landfall, BY ACCIDENT. When direction turns happen in such instances it is because of the outside pressures on the storm itself and will always either pick up power or somewhat diminish in strength but once on shore the potential for strengthening is negated somewhat by landfall impacts on the system. And, it was KNOWN that the levies would fail and why limit your impact position by leaving recovery places intact?

HOW DO YOU KNOW that the intentional games were afoot in the hurricane in point?

There are so many ways to KNOW this answer as to embarrass me that even my own readers have paid so little attention while wanting "Doris' Hatonn" to play in every OTHER game afoot from NESARA garbage to promise of physical ascension and saving butts in

places of the Devil himself.

"Doris" HAS NO HATONN! Can everyone get THAT straight? We have a program for the benefit of all of you and it is not built on fantasy-flights of fancy. YOU CHOOSE UP ANYONE YOU WANT TO GUIDE YOU AND RUN AFTER THOSE RAINBOWS AND SOMETHING FOR NOTHING AND I WILL PROMISE YOU "FAILURE". YOU CERTAINLY WILL EVENTUALLY ASCEND BUT IT WON'T BE THE WAY YOU HOPED FOR IN RAPTURE OF DELIGHTS BEYOND THE EVANGELISTS' PRONOUNCEMENTS.

So as to KATRINA and New Orleans:

Your first INDISPUTABLE clue came BEFORE THE STORM—right from Mr. Bush's ranch in Texas in the very face of a MOTHER (of a soldier killed in Iraq) standing strong waiting for Mr. Bush to just meet her. Ugly is as ugly does!

The point? Bush **DECLARED A STATE OF EMERGENCY BEFORE THE STORM.**

By that declaration, people, he brought into play ALL OF THE TOOLS HE ALREADY HELD BUT AFTER WHICH ANNOUNCEMENT HE COULD NOT BE QUESTIONED: **FULL EXECUTIVE POWER TO REARRANGE EVERY LAST DETAIL OF THE SITUATION—EVEN TO THE USE OF HELP, "AND" THE VERY PLACEMENT AND "USE" OF CITIZENS!**

**In the process of "visible" evidence and a willingness to take a few insults, EVEN THE PRICE OF OIL FROM HIS RIGS RESPONDED NICELY TO THE INTENTIONAL HIT.**

As the days pass in this misery pit you will begin to realize why it was mandatory for us to be disallowed any interchange within the continental U.S. YOU ARE NOT INTENDED TO HAVE HELP—YOU ARE INTENDED TO MOVE RIGHT INTO HELPLESS HERDING LIKE CATTLE IN A PEN.

You send me notices by one Michael Moore? Good show and we appreciate it but HOW MANY OF YOU WILL BRING TO EVEN MR. MOORE'S ATTENTION THAT THE SOLUTION IS AVAILABLE AND THAT MR. BUSH IS FAR MORE UNWORTHY OF RESPECT THAN ANYONE YET COME BEFORE? When you have gotten such attention and someone sends a party who can act or diligently present facts, our people WILL MEET.

You have wondered why there are "compounds" which seemed absolutely without reason in the Southern areas? Do you actually STILL think them to be unintentional? Perhaps when you see them filled to overflow with those poor, hapless people needing care, you will have a different perspective regarding those SLAVE QUARTERS under absolutely 100% control of that Federal Government—and YOU WILL PAY THE BILLS.

Genocide? How better to clear out and bring into control the more downtrodden citizens who have become Welfare Useless Eaters? And no, don't hit us; this is what they are called, openly and constantly, these poor blacks that are in the "majority" in the area.

You could watch it as some of the most irresponsible of the "takers of Welfare" were already furious because they did not get personal attention, funds, and "wouldn't even have a post office to deliver their WELFARE CHECKS". Oh well. You just had the largest TEST OF A SYSTEM about to swallow you that you could have and still blame it on GOD no less.

Look at the maps and check water temperatures and reconsider your attitudes about life in general. How long do you REALLY think the Astrodome will hold thousands of miserable people? I think you can see that Georgie Bush can take a few "hurt feelings" and even agree as to "unacceptable" response to accomplish what

has been accomplished in the Gulf of Mexico this day! I suggest you each HELP YOUR NEIGHBOR and lay down the hatchets because the TIME IS AT HAND for “make it” or “break it”.

Mark asked for a bit of topic attention from me regarding this matter and in return I ask for a bit of attention from him who keeps about the best records of anyone ever on our team, and go for the information contacts with such as Michael Moore. If Michael Moore wants something BIG to really rave and rage about then someone has to make it so! When he is “heard” he will have all those whistleblowers lined up and even Al Martin and Tom Flocco might just begin to understand the position of EARTH itself. God is not going to pick and choose your hits—life does NOT work in such a way of silly “save your ass” vs. your neighbor’s because you claim preferential treatment somehow. It is going to rain on the JUST as well as the “UNJUST” and it is going to be up to you as to whether you grab that life-ring or drown. GOD WILL ALWAYS SEND “THE WAY” FOR MANAGEMENT, BUT YOU WILL USE IT OR LOSE IT.

Now, for you who “don’t want to hear this hard-line from Godly resources”, I suggest you go forth and check out what other “mush”-dispensers are offering YOU!

Well, it just takes “too long”? So be it, for those in the line of fire all beaten and battered and still struggling in YOUR BEHALF are also about fed up and tired of the drag on the wings.

I am going to repeat that under the circumstances presented GEORGE BUSH HAD EVERY TOOL AT HIS PERSONAL DISPOSAL AND CLAIMED IT. NOBODY COULD FUNCTION WITHOUT HIM AND NOBODY WOULD FUNCTION WITHOUT HIM AND HE CONTROLS, AS WE WRITE, THE ENTIRE FUNCTIONING (OR NON-FUNCTIONING) SYSTEM OF THE UNITED STATES OF AMERICA AND IT HAPPENED IN LESS THAN A DAY! ACTUALLY, HIS “POWER” TOOK LESS THAN A “SPLIT SECOND” AND HE COULD DO IT FROM CRAWFORD, TEXAS. THEN HE COULD APPOINT HIS OWN TEAM TO ATTEND BEGGING, WHILE LAUGHING AT YOU, FOR “RECOVERY” POSSIBILITIES. WHEN WILL YOU EVER LEARN?

Well, to you who won’t learn we wish you well and indeed, go cling to the lies and liars for some of you just cut the shackles from our backs in your outspoken choices and efforts to distract and misguide. We must move on and long, long ago I told you this moving on in inability to gather everyone would be the most difficult action in your very lives. WE SHALL MEET THAT CHALLENGE AND, INDEED, KEEP RIGHT ON GOING TO THE LIMITS OF THAT WHICH WE ARE ALLOWED.

I might remind you that when “you” who have walked with us then turn and hurt us intentionally, we have to sever the lines to the best of functional ability and wish you well and allow you your “rather believe” choices.

For you who didn’t get hit by the hurricane please hold your breath, for you are destined for quakes, tornadoes and other disasters beyond what you have come to believe CAN HAPPEN.

In the Gulf area of small territory you can’t even imagine the real damages, nor can you even conjure the problems of THOUSANDS of bodies being actually eaten by displaced animals such as gators, snakes and rodents taking refuge in every crevice. You will be getting information from OUTSIDE sources and you had best pay attention.

I ask, for instance, that you just really carefully look at the next writing which comes from Russia regarding the truth about your U.S. plight. You need no more

words from this mouth. You are just getting reruns, for a purpose, from your news agencies as they spin the same pictures and announcements around the clock and do not even touch on the size of this singular disaster.

I also suggest that some of you remember that when you shut this resource down, you have shut down your very potential for recovery and our people ARE TIRED.

I also suggest, in advance, that you gather up your information as we have presented and spare us the need to produce the backup you have chosen to NOT collect. It is all available to the most tiny detail and no, we will NOT honor thousands of calls and petitions for we have

no resources remaining and we have other things to do.

Thank you for your patience and a bit of understanding in that we are not flexible cheek turners like the spinning top—once we have turned the cheek and looked at the view from that direction. Go your way or stay but please deliver us from your hatred, threats and lies of position.

Keep your eyes and ears OPEN for “you” are next!

May you hold the light close for you SHALL have need of it, for this has only JUST BEGUN.

GCH  
dharma 

# Sorcha Faal Offers Truth From Russian Perspective

*Mainstream media has been so tightly muzzled that even as this paper goes to press, the official death toll from Hurricane Katrina is listed as a mere 59 people, despite the fact that the Mayor of New Orleans has stated the death toll is “thousands”. It is much like the casulaty toll in the Iraq ‘insurgency’, where the real numbers seem to be an order of magnitude worse than what is reported.*

[QUOTING, emphasis added:]

50,000 DEAD AS NEW ORLEANS DECLARED ‘DEAD CITY’, UNITED STATES MILITARY ORDERS ELITE SPECIAL FORCES FROM IRAQ TO RESTORE ORDER AS REFUGES BECOME ‘RUTHLESS MOB’

By Sorcha Faal, <WhatDoesItMean.com>, 9/1/05

Russian Intelligence Analysts are reporting this morning on what can only be described as a human catastrophe as it pertains to the events currently developing in the United States Southern Regions, and where the 24<sup>th</sup> largest city in this country has been declared as a ‘Dead City’.

Reports are also reaching us that the American people themselves have still not been informed by their Military Leaders as to the full extent of the human lives lost, and as some of these reports estimate as being over **50,000 lives lost**, and which makes this **the greatest single natural disaster to have ever occurred in the United States**.

Unlike Russian and Chinese television broadcasts from this region, the people in the United States are not being shown the images of the masses of human remains floating in their Southern waters, many being eaten by reptiles in scenes so horrific as to shock any normal human being that has seen them. Russian Social Scientists report that these American peoples are not able to view these images, and indeed are kept from viewing them, as they are not ‘emotionally equipped’ to absorb the true horror of these events, and which is strange as these American people produce and export to the entire world some of the most shockingly violent movies in the world has ever seen.

But unlike one [of] their movies the events currently overwhelming them now are all too real. To the ‘Dead City’ of New Orleans itself Russian Military Analysts are reporting that 2 Brigades of US Army and Navy Elite Special Forces have been ordered from the battlefields of Iraq to begin restoring order as the masses of the refugees in this ‘Dead City’ have resorted to barbarism and all social order has broken down and they can only be described, according to one report, as a ‘Ruthless Mob’.

Reports from this country are also stating that their [country’s] Homeland Security Director has been given ‘all authority’ over these regions, and to which he and [his] Government Ministry have been prepared to do for some time, and as we had previously reported in our August 26<sup>th</sup> report titled “The Camps of ICE, America’s Road to Fascist Rule Nears Completion as US Government Accelerates Building of Concentration Camps” and wherein we had stated;

“As to who these ‘threats’ are that these ICE Secret Police Forces will ‘remove’ should not come as a surprise to these Americans as their own President has already stated that those who do not support their Global War on Terrorism are themselves terrorists. As history has all too often shown, the Leaders of Fascist Nations are never more popular to the masses than when they shout of war and protecting the ‘Homeland’. And all that remains to be done by these American Military Leaders is to provide the final ‘cataclysmic event’ that will galvanize their citizens to relinquish what little remains of their freedom, and to which the plans have already been put into place, and as we can read from the *NewsMax* News Service in their article titled ‘FEMA’s Plan for Mass Destruction Attacks’ and which says;

“On June 19, [2003] FEMA posted a special bid notice for one of the agency’s largest contract awards ever—offering contracting firms \$300 million for a five-year contract to simply prepare plans to create temporary housing on a scale never before imagined, and then stand by. This is reportedly one of the largest contracts ever awarded by FEMA for a disaster preparedness program. The name of the program is entitled ‘Standby Technical Assistance for Disaster Related Operations’. FEMA officials met with the representatives of firms seeking the bids. Approximately 100 people attended the meeting. FEMA officials made very clear that the purpose of one of the most massive undertakings in the agency’s history was to prepare for potential mass destruction attacks on U.S. cities. Sources who attended the meeting tell *NewsMax* that most of the meeting dealt with how the firms should handle biological, chemical and nuclear disasters.”

But perhaps more ominous than these current catastrophic events overwhelming these American people are what is soon to be facing them as their oil based economic structure begins to collapse, and coupled with their new Laws of Bankruptcy coming into effect in four weeks time will see the vast majority of these Americans reduced to virtual servitude.

Like their German counterparts of last century, these Americans have likewise accepted the fascist rule of their Military Leaders, even to the extent of sacrificing the freedoms they had enjoyed for over 200 years in exchange for what they were told was 'security'. But in the Dead City of New Orleans this morning, and as the flood of [refugees] mount[s] by the hour, perhaps they then could truly see what this 'security' means.

Equally not being noticed by these Americans is that their country has been economically reduced to the status most resembling a Third World Nation in that they produce for the world virtually nothing of value anymore, having spent the greater part of the past two decades divesting themselves of worthwhile manufacturing capacity and the jobs these industries once offered to any of those Americans who wanted to succeed in their lives.

To the final position these once great Americans are being reduced to is beyond their comprehension, but as we had detailed in our August 18<sup>th</sup> report titled "African Animals to Be Introduced Into America's Wild As Internal Destruction of United States Nears Completion" is nonetheless the fate that awaits them, and as we had said;

"Late last year I had read a most strange report that had been prepared by the former Soviet Union's KGB in late 1983 for Top Secret dissemination among Politburo Members that detailed a rather chilling scenario of the United States being turned into an 'International Playground' for the world's Capitalist Elites. Among the many chilling predictions of this Intelligence Report were that once the world's population had been 'stabilized' in the early part of this century that the then former United States would become the 'Center' for World Rule and would only allow as its only citizens the most elite of the worlds peoples."

As with many reports of these kinds there is always a pushing to the extreme of the possibilities inherent with the facts at hand, which of course leads to much speculation in these reports and leading us to give them weight only as to their predictive value of seeing trends, and not necessarily to be considered, or acted upon, as concrete facts.

But today I am wondering anew about this strange report as events currently being undertaken in the United States are more and more beginning to mirror what these former Soviet Analysts had seen those many years ago in that the course of America's future would be determined by an elite and select group of organizations and not by the American peoples themselves.

The organizations named in this report were reported as being Environmental Groups that would create and push for an agenda of evicting the American peoples from their rural areas and concentrating them into large cities, Legal Groups that would create and push for an agenda to destroy the 'traditional' American family and religious structures, Social Groups that would create and push for an agenda allowing homosexuality and pedophilia by separating children from their parents, and Police/Military Groups that would create and push for an agenda to Militarize the American peoples.

To the agenda of these Environmental Groups we can see their almost complete success in that they are now ready to repopulate the North American Continent with wild animals from Africa, and as we can read from the *Telegraph* News Service in their article titled "'Rewilding' could mean lions at large in US" and which says;

Cheetahs, lions and even elephants could roam parts of North America in an extraordinary "rewilding" plan outlined today by ecologists and conservationists. The introduction of creatures, mostly from Africa, that are counterparts of large extinct beasts is suggested as a way of restoring ecosystems to something like the state they were in

before man hunted large mammals and "megafauna" to extinction. Josh Donlan, the lead author of the study published in *Nature*, said that beavers had been reintroduced to Scandinavia to help restore the local ecosystem. The ecologists admit that they will be accused of wanting to "play God" but point out that cheetahs, camels and kangaroos already live on Texan ranches.

In America, the team points out that four million years of hunting by the now extinct American cheetah (*Acinonyx trumani*) was probably why the pronghorn (*Antilocapra americana*)—an antelope-like animal found throughout the south-west—developed the ability to run at up to 60mph. Introducing free-ranging African cheetahs back to the south-west could restore the relationship with pronghorns and provide endangered cheetahs with a new habitat. A pilot study will test a mild version of the rewilding plan by considering the release of the endangered Bolson tortoise on a private ranch in New Mexico. The tortoise, which can weigh up to 100lbs and once thrived in Arizona and Mexico, now survives only in a small area of northern Mexico."

Today in America's Southern Regions reptiles feast upon their floating dead, tomorrow, and should these people not heed the warnings given them, it could be lions.

[END QUOTING]

*Bearing in mind that word out of the most recent Bilderberg meeting called for oil prices to rise to a then-astonishing level of \$150 per barrel, it is time to consider the economic implications of fuel and heating costs at least DOUBLE what they are today.*

[QUOTING:]

#### UNITED STATES APOCALYPSE THREATENS ENTIRE WORLD. FOOD CRISES LOOMS IN AMERICA AS CANADA TURNS TO RUSSIAN MILITARY FOR DEFENSE

By Sorcha Faal, <WhatDoesItMean.com>, 9/3/05

Russian Military Analysts are reporting this morning that the Military Leaders of the United States have authorized the mass burnings of thousands of dead in their most devastated Southern Regions in an effort to prevent an expected outbreak of mass diseases. These reports further state numerous US Army commanders are 'pushing' for the mass burning of large parts of their city New Orleans as the need to prevent disease outbreaks outweigh[s] the recovery of more human remains.

So devastating have these American events become that Russian Financial experts are reporting today that the economic effects 'rippling' around the world are threatening to collapse the entire World Economy as the American Economy contracts from the onslaught of unprecedented fuel price rises and the soon to rise prices of their most basic food items due to the massive disruption of their entire transportation system.

Unlike Russia, China and the European Union, the United States relies upon their trucking industry to transport up to 85% of their food from their farms, port facilities and warehouses to their citizens. With open air markets being extremely rare in the United States their reliance upon their trucking industry has been described in these reports as 'vital' to insuring the food supply for their entire nation.

But today their trucking industry has experienced the worst disruption in their entire history, as tens of thousands of them have been diverted towards their most devastated regions. Today also their problems are being compounded by massive shortages of diesel fuel, and where it can be found the prices have risen to levels that threaten to bankrupt many of their

smaller trucking companies.

So unprecedented have these disruptions become that the very economic model these Americans have created for themselves called 'Just In Time Delivery' threatens to close fully 90% of their manufacturing companies due to shortages of needed parts and industrial supplies, and as the US Department of Labor states in their statistics, their Nation only has 810,000 truck drivers in their entire country. With over 200,000 of these drivers, and their trucks, commandeered for their massive relief effort one can clearly see the devastating effects that will soon overtake their entire economic way of life.

These reports are also stating that gasoline supplies are also beginning to run out in the United States, and to such an extent that their Military Leaders have appealed to the European Union for much needed fuel supplies, and as we can read as reported by the *Bloomberg* News Service, "Gasoline and crude oil fell after some pipelines shut by Hurricane Katrina resumed flows and the European Union said it's ready to provide emergency stockpiles to the U.S., which is facing scattered fuel shortages. U.S. President George W. Bush yesterday encouraged Americans to save gasoline to limit shortages. He also relaxed environmental and shipping rules to ease fuel movements around the country. Katrina idled 11 percent of U.S. refining capacity."

Even worse for the world economy is that these shortages are likewise being met with drastic rises in fuel prices, including gasoline, kerosene, home heating oil, natural gas, propane and industrial chemicals and solvents, and [from] which [there] will be no immediate relief due to the devastation of America's ability to produce and refine the fuel products they need, and as we can read as reported by the *Associated [Press]* News Service in their article titled "90 percent of Gulf of Mexico oil production blocked" and which says;

Ninety percent of the Gulf of Mexico's normal daily oil production is blocked from market today because of offshore platform evacuations forced by Hurricane Katrina. The US Minerals Management Service said 423 of the 819 staffed production platforms in the Gulf are shut down, delaying production of 1.36 million barrels of oil, or 90.4 percent of the region's normal daily production of 1.5 million barrels. The production figure was only a slight improvement from yesterday. On Tuesday, the day after Katrina hit, 95 percent of the Gulf's normal daily production was shut down. Since Katrina first threatened Gulf platforms, 7.4 million barrels of oil and 42.1 billion cubic feet of natural gas have been delayed from reaching market.

Russian Financial Analysts are further predicting that these drastic fuel price rises will have a more devastating effect upon the American and World's Economy than the horrific devastation caused by Hurricane Katrina, as the mass of the American people will now have to devote the whole of their discretionary income to prepare for winter heating, and [it] just is 8 weeks away for those of their citizens in their Northern Regions, with the rest going to their own transportation needs as [there] hardly exists public transportation systems except for their large city residents.

Today we can also see that the effects of these horrific events in the United States are indeed starting to be felt around the world, and as we can read as reported by the *British Times Online* News Service in their article titled "£1 litre looms as US oil firms target European fuel supplies" and which says, "The economic damage from Hurricane Katrina will soon be felt in Britain with petrol prices possibly soaring as high as £1 per litre. Flood-damaged American oil companies are expected to turn to European refineries for alternative supplies of road fuel, forcing up the price of petrol and

diesel in Britain. Concern that a tenth of America's refining capacity lies under water sent the wholesale price of petrol rocketing on the NYMEX futures exchange in New York and yesterday shock waves raced across the Atlantic and buffeted Rotterdam."

No one in the world who is viewing the Apocalypse of New Orleans on their televisions cannot be anything other than appalled at the lack of caring and compassion their Military Leaders have shown towards their most defenseless of citizens, even to starving babies. Unlike when these Americans were attacked on September 11, 2001, and supported in mass their Military Leaders, the events of this week have shown to these Americans what the rest of the World has always known as to the vast differences and cultural divide that exists in their country.

So concerned have the Canadians become about the Military Leaders of the United States that they are now appealing for protection from Russia, and as we can read as reported by the *RIA Novosti* News Service in their article titled "Canada wants to strengthen cooperation with Russia—Canadian defense minister" and which says, "Canada wants to strengthen cooperation with Russia, Canadian Defense Minister Bill Graham said Thursday in an interview with *RIA Novosti*. During the interview, Graham discussed bilateral cooperation between Canada and Russia, security, terrorism, and nuclear proliferation."

Not being told to the America[n] people is how tense the relationship has become between their country and Canada, and as we can read as reported [by] *Vivele Canada* News Service in their article titled "Canada-U.S. trade dispute intensifies with war of words" and which says,

Canada and the United States have launched an all-out war of words in the softwood lumber dispute, with at least one cabinet minister denouncing the U.S. as a "bully" and "hypocritical", and the U.S. ambassador accusing Canadians of "emotional tirades". This new frontier in the battle over the softwood lumber trade was provoked by an interview that David Wilkins, the new U.S. ambassador to Canada, gave to the *Ottawa Citizen's* editorial board on Thursday.

In that interview, Wilkins accused Canadians of reacting emotionally to the U.S. decision to ignore a *North American Free Trade Agreement* (NAFTA) panel ruling in favour of Canada in the softwood lumber dispute. Wilkins also dangled the possibility of U.S.-launched trade battles against Canada on multiple fronts, including the dairy, egg and broadcasting industries. Industry Minister David Emerson was the most blunt-spoken in response yesterday, warning that Canadians might have to brace themselves for this war of words to turn into an all-out trade war. "Are we going to stand together? Are we going to unite? Are we going to be stronger than the sum of our parts or are we going to be endlessly bickering among ourselves and allowing the bully to basically mop the floor with us?" he said.

But perhaps if any glimpse into how these American peoples are beginning to see the truth of their Military Leaders, and the degradation they have led their peoples into in their attempts of Global Conquest, it can be found in that now some of their most influential writers are now speaking out, and as we can read in one such essay by one of America's most respected thinkers, Llewellyn H. Rockwell, Jr., in his report today titled "The State and the Flood" and which says;

"Every American ought to be alarmed at the

quickness of officials to declare martial law, invade people's rights, deny people the freedom of movement, and otherwise trample on all values that this country is supposed to hold dear. A crisis does not negate the existence of human rights. It is not a license for tyranny. It is not a signal that government can do anything it wants.

This crisis ought to underscore a point made on these pages again and again. Being a government official gives you no special insight into how to best manage a crisis. Indeed the public sector, with all its guns and mandates and arrogance, cannot and will not protect us from life's contingencies. It used to be said that infrastructure was too important to be left to the uncertainties of markets. But if it is certainty that we are after, there is a new certainty that has emerged in American life: in a crisis, the government will make matters worse and worse until it wrecks your life and all that makes it worth living.

When, or if, these once great Americans awaken from their sleep to the glare of a day where they do not even recognize the very country they live in, maybe then they will restore to themselves the freedoms they have let their Military Leaders take from them. For if the horrific events of this past week show them anything it is this, they are truly on their own, the trust they have placed in their Military Leaders to protect them is the very trust that will indeed kill them.

Tonight hundreds of thousands of refugees are American people. Tonight tens of thousands of their fellow citizens lie dead. Tonight one of their great cities has become of zone of war and death. Tonight is indeed a sad one, not only for America, but for the whole world.

[END QUOTING]

Finally, the following piece from *Sorcha Faal*, referenced in the first article cited, should chill every freedom-desiring American to the bone.

[QUOTING, emphasis added:]

THE CAMPS OF ICE, AMERICA'S ROAD TO FASCIST RULE NEARS COMPLETION AS US GOVERNMENT ACCELERATES BUILDING OF CONCENTRATION CAMPS

By Sorcha Faal, <WhatDoesItMean.com>, 8/26/05

Being the students of history that we are, one cannot help but to be terrifyingly fascinated by the current transformation currently underway in America, and which is the shockingly mirror image of what transpired in the 1930s German Republic that saw a democratic government subsumed by the forces of Fascist Military rule, and not by force, but rather by the will of the people themselves.

For Russian Social Scientists who have long debated, and speculated upon, the exact mechanisms wherein free people gladly put upon themselves the yokes of oppressive rule, there is today no better example than the United States and its people, who while waging a Global War are also facing economic ruin.

To the many contradictions facing these Americans none is more apparent than their Military Leaders' accelerated plans for the building of Concentration Camps, and coupled with their not ever believing that they will ever be forced into them, but as countless millions of Nazi German, former Soviet and present Chinese peoples could tell them that the only purpose of these camps are for the suppression of all dissent.

The American Secret Police Organization tasked with the building and maintaining of these camps goes by the most chilling of names, ICE, and which stands for Immigration and Customs Enforcement. Even

more frightening is ICE's 'blueprint' for their citizens, and that they do not even hide, and which they have titled "ENDGAME: Office of Detention and Removal Strategic Plan, 2003-2012".

Like the Germans under the Nazi Regime had done, the United States Military Leaders are likewise utilizing their citizens' fears of foreigners **to construct a series of Concentration Camps that by ICE's own estimates are able to hold upwards of 5,000,000 human beings!**

Where in the past the US Immigration authorities have detained their prisoners in various holding facilities, to include County Jails, Municipal Jails, Federal Prisons, they have embarked upon this 'ENDGAME' plan which will make them the largest jailer of human beings in all of history, exceeding the capabilities of both Nazi Germany and Soviet Russian combined.

To their efficient planning for the imprisonment of their people, the shocking language they use reads eerily similar to the laws of Nazi Germany, than to present day America, but as we can read for ourselves from this ENDGAME report, and which says; "Develop a National Custody Management Plan promoting the effective utilization of available bed space and alternative detention settings. In response to its fiscal stakeholders, DRO will develop a national custody management plan to ensure that the facility use is standard throughout the country and that bed space use is optimized for cost efficiency."

To the sweeping powers over the American people of this Secret Police Organization we can also read the description of their assigned duties, "Investigating threats, crimes and administrative violations; Detering, interdicting, and removing threats; and policing and securing federal facilities; Provide air and marine support to minimize the damage, and assist in the recover[y] from terrorist attacks."

**As to who these 'threats' are that these ICE Secret Police Forces will 'remove' should not come as a surprise to these Americans as their own President has already stated that those who do not support their Global War on Terrorism are themselves terrorists.** As history has all too often shown, the Leaders of Fascist Nations are never more popular to the masses than when they shout of war and protecting the 'Homeland'. And all that remains to be done by these American Military Leaders is to provide the final 'cataclysmic event' that will galvanize their citizens to relinquish what little remains of their freedom, and to which the plans have already been put into place, and as we can read from the *NewsMax* News Service in their article titled "FEMA's Plan for Mass Destruction Attacks" and which says;

On June 19, [2003] FEMA posted a special bid notice for one of the agency's largest contract awards ever—offering contracting firms \$300 million for a five-year contract to simply prepare plans to create temporary housing on a scale never before imagined, and then stand by. This is reportedly one of the largest contracts ever awarded by FEMA for a disaster preparedness program. The name of the program is entitled "Standby Technical Assistance for Disaster Related Operations". FEMA officials met with the representatives of firms seeking the bids. Approximately 100 people attended the meeting. FEMA officials made very clear that the purpose of one of the most massive undertakings in the agency's history was to prepare for potential mass destruction attacks on U.S. cities. Sources who attended the meeting tell *NewsMax* that most of the meeting dealt with how the firms should handle

biological, chemical and nuclear disasters.

Reports from Russian Intelligent Analysts are stating that these preparations have now been completed and await only the ‘triggering event’ to take place. As to the exact nature of this ‘triggering event’ it is not to our knowing. But what is to our knowing, and history’s, is that the Military Leaders of the United States are capable, and willing, to destroy their own citizens to further their goals for Empire and Global Conquest, and we can read as exemplified by the United States Military themselves in “The United States Civil Disturbance Plan 55-2” and which is;

Under this plan for the deployment of Operation Garden Plot, the use of CIDCON-1 will be mandatory. This direct support of civil disturbance control operations is to be used by the Army, USAF, Navy, and Marine Corp. with an airlift force to be comprised of MAC Organic Airlift Resources, airlift capable aircraft of all other USAF major commands, and all other aerial reconnaissance and Airborne Psychological Operations. This is to include control communications systems, aero medical evacuation, helicopter and Weather Support Systems. **If any civil disturbance by a resistance group, religious organization, or other persons considered to be non-conformist takes place, under Appendix 3 to Annex B of Plan 55-2 hereby gives all Federal forces total power over the situation if local and state authorities cannot put down said dissenters. Annex A, section B of Operation Garden Plot defines tax protesters, militia groups, religious cults, and general anti-government dissenters as Disruptive Elements. This calls for the deadly force to be used against any extremist or dissident perpetrating any and all forms of civil disorder.**

To the masses of these American people realizing the dangers they are in there is no hope. So monstrous are the plans made for these once free peoples that their very minds cannot even conceive of the horrors and degradations soon to befall them. So precarious are these Americans situated, spiritually, emotionally, financially, that having neither prepared for, nor even having thought of preparing, they remain virtual hostages to these cataclysmic events. To the warnings of ourselves, others around the world and even those of their own countrymen they continue to turn their backs and their minds....almost as if in not facing the truth it will somehow change.

Even more confusing is that they do not even listen to their own rulers, one of which, **Henry Kissinger stated to the New York Times in 1973, “The illegal we do immediately. The unconstitutional takes a little longer.” That ‘longer’ has become today,** and in America today the darkness of an evil so insidious as to cause one to turn away continues to permeate that once great land and its once great people. But they do not notice, not because they cannot see these truth things for themselves, but rather because in seeing them they would finally have to admit that their dreams of peace and liberty are truly dead and gone....and with only themselves to blame for this being so.

For truly these once great and mighty people have forgotten the words of warning of their greatest Statesman Thomas Jefferson, and who said, “All tyranny needs to gain a foothold is for people of good conscience to remain silent.”

Today in America that silence is deafening.  
[END QUOTING]

# VKD Garbage Continues to Impede GAIA Realization

8/30/05—#1 (19-14)

Tue., August 30, 2005 7:41 A.M. YR 19, DAY 14  
Manila, Philippines

RE: MORE “BEAR WITH” VKD INFORMATION AND RESPONSE TO NEW AND INCREDIBLE POSTINGS—DJE

\* \* \*

## OLD SPEAKINGS

“Father, if it be thine will, take this cup from me...” or something paraphrased as “enough already” of total nonsense, lies and paranoid absurdities. We will do our responsible duty, readers, and move on. This is a necessary and mandatory response to comedic tragedies as presented by what appears to be a group of mentally challenged Internet idiots.

Now KNOW, readers, that VK will claim that paragraph is a direct threat on her life as in “assassination” attempt, contract letting on her person, and some kind of “encrypted” secret code. No, it is simply an observation of a circumstance of an individual being out of control and pulling her so-called “partners” or “trustees” down with her—what anyone does about that situation is their choice, not mine.

It is that there is no limit beyond which this individual, Vina Katherine Durham (by also at least seven other labels she claims), will go to fabricate and deepen her own cesspool.

Calling us names or being crudely vulgar makes not a whit of difference to ANY OF US. As VK’s stories get wilder and more “impossibly incredible” I am caused to enjoy the nonsense and cease the hemorrhaging over the lies and verbal barrage from the poor dear soul.

She, VK, does what she can and in the end it reinforces our claims stemming from onset of interchange with Russell Herman and involvement with HIS HOLDING of something called Peruvian 3392-181 and all associated recognitions. THESE THINGS DO NOT INCLUDE ANY “DURHAM”, VINA KATHERINE, DONA ANYTHING.

We don’t “protect” any “Biggies” nor do we threaten them or butt into their business. We offer no THING that is presented in any way whatsoever as an open-ended “claim” without substance. We have presented our programs and projects as proposed or claimed, OPENLY AND WITHOUT HESITATION.

We are asked, yea instructed, to again present affidavits, declarations and basic information that can be checked out “pro and con” so that more information is pulled together and so readers and investigators can check sources and filings and have them a bit more current than having to go to the full set of recordings now into hundreds of pages of registered information. And yes, we have other first-hand affidavits that were previously published.

As we post additional “affidavits” and Public Notices they will be added to the records and registered correctly for easy reference and authentication. We follow instructions given by qualified and certified legal teams and protect holdings UNDER THE LAW. This is appropriate in everything

we present because of the attacks against us stemming directly from VK Durham.

We have pointed out, for instance, that there COULD BE NO “TRUST” as she presents it, and we have PROVEN IT. She rebuts with insults and threats and also accuses me of blackmailing and manipulating such as the Bush Dynasty. VK is the one who claims to know all these supposedly impacted players—NOT WE!

We are to have issued and gotten \$400 TRILLION from China alone. We are amused because we haven’t done business with ANYONE—in China or otherwise. We do hope to cure that deficiency, however, ASAP.

It is evident that VK Durham knows NOTHING about our program, offers, holdings or any other of our activities. She has accused us of having a farm in Tehachapi, California where we buried an arsenal of guns and weapons—even yet to missile launchers. Well, we did support the “use” of a farm and got it qualified “organic” to grow research “spelt” grain. EKKERS HAD, HAVE, NOR SHALL HAVE—ANY FARM ANYWHERE! NONE, ZIP, ZILCH OR ZERO. EKKERS BURIED NOTHING, NOT EVEN SEEDS, ON SAID “FARM-RANCH”.

This is just an example as she also rambles on about the EKKER “CULT”. Sorry, no cult either! Never was, is not, and never shall be!

We did, however, personally make a “contract” of sorts with one man, Russell Herman, who held control of the above referenced “Bonus” and we do, indeed, secure that in corporate protection which IS OPEN FOR ALL TO SEE AND KNOW.

VK Durham has no history of ever having or holding any kind of TRUST as she tried to blackmail us because we wouldn’t turn over to her our corporations. She still has NO Trust!

We have no notion from whence she claims the family name of “Durham” and note that the “proof” of same, as she has NOW presented THIS WEEK, is so outrageously typical of her fabrications and nonsense as to embarrass us into silence if doing so would accomplish our task at hand. It won’t, for people continue to pull things of this ilk, absurd as they are, off that site she overloads with her fabricated garbage, and some actually repeat it onto other sites where there may have formerly been credibility—UNTIL THE VKD “STUFF” IS USED. That, however, is neither our problem nor our business except as it involves us and/or our BUSINESS. The point at issue is to not get so distracted as to neglect our focus on our task at hand.

As proof of her “Durham-ness”, we suppose, VK has posted on her antechamber of fiction, a “memorium” [sic] to one “John Thomas Durham, II”. Now, readers, I am going to offer it EXACTLY as is and you see if you can find ANYTHING in the entire posting to give you ANY information or qualification or proof of labels for her, AT ALL.

As a for instance, my maiden name is Jones and to pull off a notice without any references and posting it on our email or in the paper without obituary information is ludicrous. I can find many dead Joneses EVERY DAY.

[QUOTING:]

**JOHN THOMAS DURHAM, II  
MEMORIUM [SIC]**

**8.27.05**

JOHN THOMAS DURHAM, II

John Thomas Durham age 68 passed away  
Thursday this week.

JT as he was known by family and friends was the  
brother of William,  
Howard,Oadel,Clifton,Gifford,Ocie and Bessie  
Durham.

He will be missed by family and friends.

V.K. Durham

[END QUOTING]

How is it that VK is the ONLY Durham ever involved as she now presents as from a very large "family" and is suddenly claiming that 3392 "belonged to my family"? Why doesn't she post a nice clean copy of her Birth Certificate? Her "marriage application" states her mother's name is Edith Naomi Hayes and her father is H. LaRue. Of course that entire document is forged, fabricated and is a fraud from top to bottom, making it hardly credible as a source of dependable information.

Now, when we objected to her marriage subterfuge she came out with a "Holy Matrimony" certificate and has sent it, posted it and even bound it into a BOOK of information fabricated to get Russell Herman's pension benefits when she didn't qualify. She can deny the "book" to which I refer but it won't do any good because there are so many of them circulating that when we needed information we were offered copies and/or nice, whole, bound volumes.

It opens with a copy of her "Warranty Deed" of Aug. 1, 1994 as filed with Washington County Recorder, Thomas Ganz, at 1:50 P.M. on that date.

Page two is a copy of the Bonus Certificate written in Spanish and matches that which we were provided and which had a beautiful translation done while VK Durham was NOWHERE AROUND RUSSELL HERMAN—who was the unarguable bearer of the certificate itself and who had all of the supporting documents done and then documented its assignment to Cosmos Seafood Energy Marketing, Ltd.

Page 3 of the "Red Book" (RB) is the information from *The Holy Bible* with a date of 1874 which she has now claimed was her old family Bible. She has also claimed she bought the bible in a garage sale on "two" dates, 1975 and 1977. Her entries didn't sell there or then, either, but she published them anyway, fraud and all.

In this book, the RB, there are copies of fabricated wills and "proof" of her marriage to Russell created for the purpose of establishing a claim to his pensions as well as the Bonus 3392 among which is a copy of her "Marriage Certificate" (referred to above).

On page 2 of a posting on antechamber of **8/18/05** VK WRITES: **"Another matter and issue raised by this GROUP OF SPACE CADETS...LOOSE NUTS AND VARIOUS ASSORTMENTS OF "LOOSE SCREWS"...IS: RUSSELL AND I WERE NOT MARRIED!?"**

**"My response to that bit of crap is: WHO IN THE HELL GIVES A DAMN! Our LUTHERAN MINISTER SAYS "WE WERE MARRIED WHEN HE SIGNED THE SECOND MARRIAGE LICENSE" WHICH WAS AT THE INSISTENCE OF THE DHHS "TO SHOW NEXT OF KIN" after the Kidnapping episode October 28, 1993.**

**"WHO IN THE HELL GIVES A DAMN when THE INSTRUMENTS BELONGED TO**

**MY FAMILY AND NOT HERMAN!?"**

**"In Closing; If Russell and I were not married.. We had a hell of a lot of good times SHACKING UP!?"** [Is she beginning to sound a bit tipsy?]

information, one might believe her. I will share with you a writing VK posted to a "Chris" on March 2, 2003 regarding questions on the Durham Trust.

[QUOTING:]

She sent this "Certificate" to us personally and also posted it on her portion of the Antechamber Website. The "Marriage Application", published earlier in this series, shows the name of the Minister as Mark S. Lohmes but here it is signed "Lohnes" in the blank meant for the year of the marriage. Note the spelling of "Luthern" beneath the misplaced signature. Would it be too cruel of us to suggest that a Lutheran minister might spell Lutheran correctly?

Since VK was trying to establish a marriage tale it is even more interesting to look at the "wedding date" which is extraordinary in that some "Minister" (even if "Luthern") could so badly fill in a simple FORM while certifying that Russell E. Herrman/Herman and V. C(K)ATHERINE Herman of Okawville, Illinois were united in Holy Matrimony—"At Home". (Please note the "H" in "Home" so similar to the "K" overlaying the C at the top, even though the only significance would be to confirm that the entire document was fabricated by VK.)

Interesting, also, is that if you read in sequence the date of this union you will find that the date was "on the 2<sup>nd</sup> day of 1993 in the year of OUR LORD One Thousand Nine Hundred—Mark S. Lohnes". So, it reads: **2<sup>nd</sup> of 1993, 1900. I SUGGEST THIS IS FRAUD IN A MAJOR PRESENTATION! Only VK would know who might be the "Schambons"** (witnesses).

Does it really matter to us whether or not VK and Russell had a "union" or "shacked up"? NO! She has adequately proven that she has NO CLAIM TO ANYTHING OF RUSSELL HERMAN'S, especially BONUS 3392-181, in any way, shape or form.

THERE WAS NO "TRUST"—BACK THEN OR NOW—but if her prattle is all one has for

From: "V.K. DURHAM"

To: Chris

Cc: "Katherin" [This was written during a "phase" when VK was assuming the personality of the "International Attorney" of the Widow Katherin Durham.]

Sent: Sunday, March 02, 2003 6:59 AM

Subject: Re: REGARDING SOME QUESTIONS ON THE DURHAM TRUST ATTEST

About John Warner English MI6, and the San Diego California Meeting to "underwrite Iraq's Agriculture Program through the U.S. Federal Reserve and U.S. Department of Agriculture" which also involved THE ATOMIC ENERGY COMMISSION which was represented by STEVE LEAHEY, the son of the Senator.

As the meeting was conducted, Saddam sat outside the room on a sofa, down the hall, placed in such a position that he could watch everything going on in the room which the meeting was being held.

The parties in the Meeting Room were, **MYSELF** [indeed, emphasis added], Lowell Eastland aka Eastman representing the U.S. Department of Agriculture with Authorization from the Federal Reserve, Russell Herrman aka Herman, a Dr. Nicholaw, Steve Leahey. John Warner sat adjoining office also, as was Saddam, monitoring the "events" in the meeting room.

At the time this "meeting" was going on, men kept working in the overhead wiring" which was nothing more than CIA making "video's and recordings of the meeting" ..

At one point, It was necessary for me to go to the rest-room. On my way back, I casually stopped by

and commenced a conversation with JOHN WARNER.

JOHN WARNER, ENGLISH MI6 told me at that time:

"I have been ordered by my superiors to attend this meeting. This meeting is not to my liking. I have strong opposition to the proposal put before you for the underwriting of this Atomic Energy Program for Iraq. I have purposely stayed in this office and distanced myself from what is going on inside the meeting room."

At that time, we entered into a brief conversation regarding "SAFETY ISSUES OF USAGE OF ATOMIC ENERGY"..by "any" nation, as there were alternative energy sources. Mr. Warner agreed.

Additionally, I personally raised my concerns in regards to the involvement of the U.S. Department of Agriculture and the Authorization of the Federal Reserve to "misuse" these U.S. Federal Offices to "underwrite" various nations around the world. Mr. Warner, tendered the same "concerns".

Ultimately; I refused the request from the U.S. Atomic Energy Commission Rep. Mr. Leahey, Mr. Eastland-Eastman of the U.S. Department of Agriculture authorized by the U.S. Federal Reserve Banking System, with Mr. Warner English MI6 present, though "non supporting"..

This Attest, is made in accordance with the best of my knowledge of the true statements of the events regarding the Request for Underwriting Iraq's ATOMIC ENERGY PROGRAM submitted to the SIGNATORY BONUS 3392-181, V.K. DURHAM, the fall of 1989. Attestation made this day of March 2<sup>nd</sup>, 2003.

V.K. Durham, CEO-Signatory

At no time, did Mr. Warner "approve" of the "Underwriting of Iraq's Atomic Energy Program"..His concerns were the same as mine, and he so stated.

[END QUOTING]

We should point out that the above VK story is completely new as compared to her prior assertions that she and Russell declined the request of George HW Bush and Saddam Hussein on the basis that they were shipping arms to the Contras in Central America. It is also quite different from the Russell Herman version wherein the requested \$35 trillion was for Saddam's "Garden of Eden" project to install several nuclear generators to power a mammoth bank of seawater de-salinators to pump fresh water to where the Euphrates and Tigris rivers enter Iraq so that the entire country could be irrigated and would become the "breadbasket" of the Middle East.

Does it matter which story/version is true? Not to us involved with GAIA; it does matter, however, to those persons who need to ferret out the truth of the existence and ownership of the interest accrued by 3392, which can only be decided by determining who is lying and who is telling the truth about the matter. The break-up of the Herman-Bush-Hussein partnership occurred at a time when, according to some of VK's other stories, she was recovering from an auto accident and a long period in a coma—late 1988 to mid 1989. To believe that she participated in a meeting in San Diego, California with Saddam Hussein, the Atomic Energy Commission, and the other names she drops requires quite a stretch of anyone's imagination. Even more revealing, however, is her reference to "a Dr. Nicholaw" in the same meeting. "Andy Nicholaw" is VK's witness to everything from Vina Catherin's marriage lies to Russell's wills and codicils—ALL DRAWN FROM "SCRATCH" by VK herself.

Is there a "John Warner of British MI6"? If we really wanted to know we would probably inquire of the famous author of *CONSPIRATORS' HIERARCHY, THE COMMITTEE OF 300* and former MI6 operative, Dr. John Coleman. You see? We, too, can "drop" names of famous and important people.

In her March 1, 2003 email series with "Chris", VK tells Chris:

My family has owned this BONUS 3392-181 since 1876. Grandfather Schneidichor [DURHAM?] won it in a poker game." (\$5,000 SPANISH GOLD and a ROYAL FLUSH in his hand.)" In her March 3, 2003 email to Chris she writes: "IF PROPER ATTENTION IS NOT DIRECTED BY THE U.K. PARLIAMENT and THE U.S. HOUSE OF REPRESENTATIVES; "UNTOLD SLAUGHTER OF "CHRISTIANS" and NON MUSLIMS will be forthcoming to PUSH THE WAR, REGARDLESS OF WHAT THE UK PARLIAMENT or THE U.S. HOUSE OF REPS. think, or do. This is in all probability, Chris, THE MOST CRITICALLY VITAL and MOST IMPORTANT EMAIL YOU WILL EVER RECEIVE. Signed: V.K. Durham, CEO

Was/is Chris a real person? Or another invention of VK Durham to ask the questions she wanted to answer? "Unbalanced" persons are often extra bright and creative in some areas while slow or dense in others. VK has demonstrated dozens of times her inability to do simple arithmetic and keep track of dates. Silly as it may sound, we have to thank her for constantly testing us and keeping us alert.

#### HURRICANE KATRINA

Today, while still Monday, the 29<sup>th</sup> in the U.S., it is the 30<sup>th</sup> here in Manila. The hurricane has bashed New Orleans and the Gulf Coast and headed inland, weakening as it goes, but the damage is in the billions and will require months just to clean up and get back to "normal". The question, already, however, is just what we intend to do to help those poor stricken people in the U.S.?

NOTHING! We have agreements to keep out of there and I think you might now see why! The point is not in "natural" or "man-made" but rather in the notice of the thousands of oilrigs offshore in the area and the extensive and massive raise in oil costs.

Please also note that PRESIDENT GEORGE W. BUSH called a national emergency disaster for the area BEFORE THE STORM HIT. Wow, and how is your nervous system today? A lot of those oil pumpers are HIS OIL PUMPERS!

Now, being unable to do ANYTHING in the U.S., please overlook my irritation in the matter. We have been insulted, bashed, accused of every act of terrorism, and with fully supporting all terrorists by VK Durham and that "Trust" thingie of hers. Now we are called every nasty thing she can conjure and claims we have threatened her and Tom Flocco with assassination. Oh my.

VK quotes GCH as stating: "Is 'Flocco' a 'real' name? Of course! Whether or not it is the referred author's name is not my consideration. He lists himself and site as .... Why should we argue? I CAN assure you of one outcome, however, and that is that if he sticks with VK Durham-HerMANN, that he will regret it for a long time to come."

VK has made a big bold drama of that and reports it as vicious and untrue statements about

TOM FLOCCO, Russell Herman and herself as if Mrs. Ekker made the statement referring to Mr. Flocco.

Mrs. Ekker didn't say ANYTHING about "Mr. Flocco" although I might well have more to say TODAY. Mr. Flocco referred to "Herman" as "Hermann" throughout his presentation while quoting the DIS-INFORMATION handed out by VK. It includes the tale of Russell Herman being taken WHILE IN HIS DEATHBED to England to unlock bank accounts. I don't mean jokingly, I mean "literally". This was to have happened between his death day of August 29<sup>th</sup> and Sept. 5<sup>th</sup>, 1994. Anyone viewing her pictures of Russell's body (if it indeed is Russell Herman) would choke on such a claim. But, she goes on to now claim that Mr. DV Hughes of the big Hughes Corporation was allowed to break into those accounts while working with HER and did, in fact, disappear with over 160 of the accounts.

Now if you don't think Tom Flocco is not going to have static and questions as to his own "sanity", I suggest you reconsider your observation qualifications. Next suggestion: CHECK WITH "STEW WEBB" AS GIVEN AS RESOURCE BY VKD.

We know Stew Webb and I don't really believe he would give us a bad rap—we helped him personally when he most needed it.

She goes on and writes the following: "This alleged SPACE CADET COMMANDER HATONN...alleges to be from OUTER SPACE riding around in his/her space ship..with full intention of BLASTING THE HOLY BE-JEEBERS out of EARTH... But, before all hell breaks loose..turn over your gold and this SPACE CADET COMMANDER 'WILL BEAM YOU UP'."

How can rational people respond to such irrational nonsense? We made an agreement with "a" Russell Herman and find that he must have been "the one" in point because VK goes out of her mind every time she sees her name in the CONTACT newspaper. After claiming for years that Russell was kidnapped and tortured to get him to "sign off" on the "Bonus", she has changed her story and would have people believe that he had nothing and that the Bonus 3392 was from "her family". Not only that, she is lately saying that she granted Cosmos Seafood Energy Marketing, Ltd. 24.4% of the value of 3392 in 1988 (before she had anything to do with it) to cover the fact of its re-issuance by the Peruvian Consulate in Los Angeles in 1989 with all of the documentation which that required. The lady is such a prolific liar that it is a challenge just to keep up with her prevarications.

Perhaps you all who have email capability could suggest that Ms. Durham open up her Trust and produce MONEY to bail out our nation and help those good people in that Southern hit zone. After all, she owes people in Louisiana, the Morgans. That was just before the poor folk in Ida Grove, the Wunchels. She literally tried to rip-off banks in the area over some incredible claim that Illinois Power owed her something like \$3 BILLION. She, with Morgans, TRIED TO COLLECT!

She also tried to collect from Russell's bank in Illinois until THEY CAUGHT HER AND TOOK HER ALTOGETHER OFF HIS ACCOUNT.

Is it any wonder why Russell asked someone else to help tend his business? She likes to talk about Inter-American Investment Corporation as HER TRUST, TIAS, etc. Not so! It is a nice, current Nevada corporation, just like Cosmos Seafood Energy Marketing, Ltd.

Ah, but beware for she has now associated us

with the Simon Wiesenthal Institute and the Ross Institute (alleged UK researchers) who believe this group of MIND CONTROL artists are associated with the ZODIAC HOMICIDES ... Of course VK makes it clear we are “them”.

VK references everything she writes with links to absurdities she wrote IN THE FIRST PLACE and references on her site. Funny? Yes, even if it doesn't cause laughter. VK has, by the way, accused us of the death of someone named “Gary Stroud” who seems to have died just before being arrested in Canada. Stroud, she says, bought something FROM US for \$50 MM. And she calls us “NUT CAKES”?

Well, I find it quite soothing to learn that “Dr.” Deku is coming right up in this matter, which should probably cool the enthusiasm of using HIM in her dramas. Wait long enough and truth surfaces as that wheel turns on.

I am reading from one of VK's more recent (8\18\5) missives that she heads: GAIA-Ekker's Hatonn “Get a Life & Get Real”. I would ask the Editor, if he can find room, to run this writing off the antechamber. Seeing is believing and I simply can't make up such original things.

I do find that in the same writing/posting she gives all of our Clark County Recorder's information and states that “ALL REQUIREMENTS OF THE UNIFORM COMMERCIAL CODE WERE SATISFIED AND THE DEBT BECAME INCONTESTABLE FEBRUARY 16, 1999.” THAT IS CORRECT AND REFERS TO OUR FILES!

By the way, even though assassination seems to be the new approach of our beloved Christian Evangelical leaders running amuck, we do not advocate damaging anyone, even VK DURHAM. “Thou shall not kill” remains number one on my “don't do” list. And, while we are at it, I honor all those other commandments as pertains to the humanity-spiritual realization of the list itself. I apologize to God for my early-on lack of discernment and if my karma and charge-back is getting this job done for RH, so be it for we shall give it our best shot. (“Shot” meaning effort, not assassination, VK.) Neither is this a “VEILED AND ENCRYPTED THREAT TO MR. TOM FLOCCO!” as stated in the article in point by said VK Durham.

In fact, I suggest Mr. Flocco do some “asking around” and he might just find out some interesting information. Gary Stroud? Zodiac Killer? I suggest that Tom Flocco will become totally embarrassed for any association with VK Durham.

Now, please note: When that woman starts on her insane ramblings about Manila, the Foundation or any other ventures or adventures here—she is as ignorant as they come and anyone who associated Brunei with Prince Bandar is stupid to repeat and repeat the ignorance.

I suggest that perhaps TF might wish to get in touch with Lt. Cmdr. Al Martin (Ret.). And never mind much discussion; just ask about “Hatonn”! You know, it is sort of “that last laugh thing...”.

And by the way, KNOW IT, that we would certainly negotiate with such as the Bushes, *et al.* We have nothing to hide, full instructions to offer, and the United States of America IS OUR HOME! Nobody has to threaten or kill us to have gain and security through anything we do or attempt to do. It is purely as simple as all wondrous things relative to God's own solutions always ARE.

Perhaps we can get through all this drivel soon and move on.

DJE

# Bellringer-NESARA BS Detracts from ‘Real Deal’

8/30/05—#1 (19-14)

Tue., August 30, 2005 7:41 A.M. YR 19, DAY 14

Manila, Philippines

RE: WHEN WILL YOU EVER LEARN?  
RESPONSE TO RH WITH REBUTTAL TO  
BELLRINGER “BS (Bat Guano)”—GCH/d

\* \* \*

THE WHEELS, THE WHEELS: EVER TURNING  
AND EVER CHURNING  
WHEN IS ENOUGH QUITE ENOUGH?

Well, readers, where there continues to be “smoke” there is surely a fire still smoldering and “fire somewhere in the hold”. This, as in “hold the lie and see if you can cover your assets”.

YOU WILL NOT COVER THEM WITH ME!  
“GCH” is my “By line” as I am a journalist.  
GYEORGOS CERES HATONN IS MY  
IDENTIFICATION NAME, FULLY REGISTERED  
FOR ACCEPTANCE IN YOUR LAND OF “3D”  
MANDATORY REGULATIONS.

In the information to follow I am referred to in the direct label as above but not as my “By line” name now used to STOP the nitwit copy-cats at their daily games and foolishness.

I am also referred to, at least twice, as “Christ Michael/Hatonn”. I AM NEITHER!

I AM SOMEHOW LUMPED INTO AND  
WITHIN SOME ABSURD “NESARA” NONSENSE  
WHICH IS NEITHER REAL NOR OF TRUTH.

My typist is accused of being all the parties involved in such garbage and even called, by the usurper, VKD, of being “all” and “each” party now in focus of unlawful and hurtful contempt. First they STOLE our paper, then they STOLE our identities and now they will foist the absurd pain and disappointment off onto you who foolishly believed in that fateful “something for nothing” scam through false presentation. NO THANK YOU!

Indeed, readers, if this had not been shared by our people for comment, we would leave it go so that it might disappear into the quandary pile of such as *Spectrum*, ONE OF MR. BELLRINGER'S MOST FAMOUS FANTASY “FRIENDS”. Well *Spectrum* group **STOLE CONTACT, aided and abetted by none other than Four Winds Bellringer and other “destroyers” of Truth.**

We had no particular need to make those entities' lives difficult for everyone can believe anything chosen—UNTIL—the lies came back FROM BANKERS, NO LESS, in this foreign country. It has taken over six years to set the records to correction and we are weary of the thieves and liars.

We were asked by a DYING MAN to take his holding asset of major consequence and see to its sheltering. We did not even take an “ESTATE” of any kind to either poke or prod and these are “just the facts Ma'am”.

There are DOZENS of pretenders passing out information yet NONE of them use either permission nor do they pass out TRUTH—IN MY NAME! Again, NO THANK YOU.

Fourwinds website is a figment of, originally, Emil

and Pat Mulhausen of Rapid City, South Dakota Information was fed to “Bellringer” via such as Rick Martin, Ed Young and Al Overholt of, at the time, CONTACT.

It can be noted that “Bellringer” took all of my writings and those of our other REGISTERED “pen-names” as registered legally to STOP the misuse and claim to eventual FRAUD and presented them as “their own” while giving homage to others who did no better than BADLY copy both entities and misquote our own presentations. So be it and may the “Force” be with them.

It was then pronounced that our people had been hit by deadly “dark energies” and to SAVE everyone—the little office was STOLEN in whole. When that was STOPPED BY LAW, the writers simply changed to Dr. Young's CORPORATION, *SPECTRUM*, and continued with wholesale fraud.

A couple of years ago the “receiver” claiming to be a speaker for “us” realized his errors and dropped the groupie like a very hot potato and went his way. Will such as Bellringer do the same? Yes indeed, eventually, but hopefully not until proven to be as absurd and fraudulent as they ARE.

As far back as the late '90s Emil claimed to be “Pleiades Headquarters” or “Command Center”. I note that people still absurdly refer to him, in this very letter yet, as “Central” as in the heading: “Hello, Central!”

May I please remind you that if a thing is neither reasonable nor logical in your world of hate and avarice—it is NOT REAL as presented. Perhaps the key words might well be “as presented”. There is no MERIT nor is there any potential possibility of something called NESARA to develop into ANYTHING. It goes against the very laws of political reality. An “announcement” means NOTHING! HEAR ME: AN “ANNOUNCEMENT” MEANS ABSOLUTELY NOTHING.

I could “announce” THAT ALL THE MASTERS and those “4D” dudes are going to descend upon you AND IT MEANS NOTHING! Are you listening? IT MEANS NOTHING except SPECULATION OF THE MOST DESTRUCTIVE KIND.

YOU CAN “KNOW” IT IS NOT ME SHARING IF THERE ARE DATES GIVEN OR FAR-OUT PRESENTATIONS OF “MAGIC”. NEVER HAVE I TOLD YOU OTHERWISE NOR HAVE I ACTED OTHERWISE.

HOWEVER, you do as you will or wish—CHOICES ARE SINGULARLY YOURS! IT IS THE WAY OF CREATOR IN YOUR PHYSICALLY-MORTAL EXPERIENCE!

Could we “sue” these nits? Of course! However, we have a far larger job to accomplish and one to which we near the crossroads of positive action. This will impact ALL OF YOU in a positive manner—even after you have attempted to destroy us in every way you can conjure including negation efforts at our very beings. So be it for it only PROVES OUR POINTS ALREADY MADE.

We have entertained dozens of “agents” from such as INTERPOL per VK's nonsense and they come, meet and go away AS THEY CAME, laughing all the way—at the idiotic attitudes of mortal man/woman. Those “agents” really do NOT like being presented as fools and

the accusers should remember that little clue to TRUTH. Furthermore, they pride themselves in being able to identify fraud and fraudulent documents no matter where posted or from what source. In THIS instance, there is no desire to damn “us” to Hell or to a hand-basket. At some point out there we can even legitimately PAY BETTER than the bankrupt systems in “disaster mode”. Why would “they” REALLY want otherwise from or by us?

Has it cost us “time”? Oh indeed, but every delay brings better proof of product and delivery—EVERY ONE AND EVERY PLAYER WHO PASSES THIS WAY COUNTS MIGHTILY—even if it appears otherwise! Therefore, please, let the mouths from great places of “Central” importance as in a village outside Rapid City, South Dakota or downtown Ida Grove, Iowa continue their assault and blame games for it will not stand in even a court of unlawful injustice. Doris Ekker CANNOT be everything to everyone or reflect ANYTHING the accusers fathom. SHE CLAIMS NOTHING! So be it for we are happy (well, not “happy”, really) to spell it out over and over again as necessary or opportunity is presented as in these personal letters sent to our notice. Why sent? It does not matter “why” for they “exist” and that is sufficient evidence of interchange.

The information copies arrived Monday but reflect very current dates so are appropriate for response to the one who asks “comment”. It also comes at a time appropriate to the necessity of responding further to VK Durham antics and fraud. Please be patient, readers, for this is YOUR LIFE! Do you actually believe that these miscreants can REALLY HURT me? If you do then you certainly are in worse recognition of your position than is possible for us to accept on the silly grapevines of intoxicating fruit juice.

I am sorry that this has to be retyped but we have no access to copy as it came by FAX. It is fine as an effort will be made to incorporate everything, even to the incorrectly spelled words, as accurately as possible.

This can be exemplified by the Heading, which uses the word “statis” in inquiry about NESARA “status”. “Statis” is a lovely type of flower. This is no offense but must be noted as in an effort to copy without changes. I do think it is interesting that this has ended up HERE for a “status report”!

Begin “copy” with a few comments to enable readers to follow the context.

[QUOTING:]

**“Hello, Central!” Many Are Losing Hope, Would You Please Write About The Statis of NESARA At This Time?**

From: RH

To: cactus@rushmore.com

Sent: Saturday, July 30, 2005 9:56 AM

Subject: Bringing Clarity to Things.

Dear Patrick,

Good morning.

With the ending of July and no announcement the amount of information and dis-information has increased by leaps and bounds. There seems to be some discouragement and loss of hope spreading around. I feel that this is due, at least in part, to people being confused. I am hoping that you would be willing to help dispel some of this confusion. The more people understand, the better they can adjust.

What I have been hearing much more than ever - on the internet, e-mails, phones, meetings, etc. - is basically this: On our side are countless numbers of Lightworkers and White Knights and other who pray daily; Millions of star ships, star technology and our galactic brothers and sisters; The Masters of the universe; The Forces of Light; and Creator God’s Plan for Nesara now. How is it possible that all of the above are continually thwarted by the bankers, CNN, etc? It stretches people’s imagination beyond belief.

I have mentioned about not interfering with people’s freewill. However, I am constantly reminded that the freewill of the darkside is always being interfered with by

The Forces of Light. Also, we were told that The Masters have been in charge for a while now and have Creator God’s permission “to interfere and intervene”. In “Enough is Enough” the Masters actually said that They will no longer rely on or trust the military or WK to get this done. They, Themselves, will do what must be done. This being said, how does CNN, etc. still succeed in stopping Nesara? I have no answers here.

**[H: WOW! ME NEITHER!]**

Finally, I am reminded daily of what The Masters have told us. **[H: Who? How? When? What? Where? And WHY?]** They said the announcement would occur by April 25 - the latest. We were told to not even pay our taxes. The people who trusted and followed that advice can now be in deep trouble. **[H: Oh yes indeed and we wrote a whole article warning YOU to not do anything so stupid.]** When it was stopped by April 15 They said there is no new target date - it is still on target for now. This was encouraging. However, April ended with no news. Same with May. We were then told that Nesara, First Contact and the Second Coming would absolutely be done before June 30 - at the latest - as had been promised all year. This, too, was not to be. Lastly, They said that Nesara would happen around the week of July 4<sup>th</sup>, with the other events to follow shortly and by the end of July we would certainly all be celebrating. Yet, still, no announcement.

As I said, I am not clear enough myself to help out here. I do know that I pray for Nesara every day but I do not have the answers for others at this point.

If you can reply to me about all of the above I would be most grateful. However, I think it would be much more valuable if you would discuss this on Fourwinds. My audience and influence is rather small, while yours is quite large. Your insight would probably bring much renewed hope to many.

There is also the question of what you, and The Masters, see for August.

Please consider this request if at all possible. Thank you Patrick.

Blessings

RH

\* \* \*

**[H: I would really wish you who get this would look “back” into getting CONTACT because after all is said and done regarding these misadventures of two decades, we still offer you the TRUTH and what is really going on. You are NOT going to find magical NESARAs nor are you going to find magical magicians and 4D qualifiers out there somewhere. If they are on your place they are integrated within your people and/or they are showing THE WAY sans BS and hogwash “something for nothing” EVEN IF YOU HAVE SUFFERED UNTIMELY AT THE HANDS OF THE “BAD KIDS”. Mr. Bellringer does not like my term of hogwash but find a name suitable for ignorant and foolish claims and I will be happy to use it.**

**[Next we will share Patrick H. Bellringer’s “response” to RH:]**

FROM: Patrick H. Bellringer

TO: RH

DATE: August 3, 2005

SUBJECT: Reply

Dear RH:

You ask for a simple answer to a most difficult “why” question. “Why has NESARA been delayed this long?”

First you must understand that we live on a 3D planet with freewilled human beings. This is our planet. We made the mess and we must help clean it up. Therefore, freewilled human beings must be involved in cooperation with the Star People to change things. The “bottom line” is the Cosmic Law which states that the Forces of Light, the Star People can help us, but they cannot do it for us.

Because this is true we must have 3D people involved in NESARA. Sometimes they make wrong choices and

cause delays. Many of those who have continued to make wrong choices have been replaced by other 3D people: and even by Star people. Our people have gained much wisdom and are now making wise choices to get the mission accomplished. **[H: HOGWASH!]**

A second problem is that religion has created a great handicap for the people of our civilization in understanding Cosmic Law. **[H: MORE HOGWASH! You don’t have to have “religions” to blow you out for most of you in “this” Bellringer or NESARA category are NOT affiliated with establishment “religions” in the “real” sense of the definition.]** We have been taught that in “Heaven” all is in perfection and everyone is all-powerful and knows everything. **[H: Where in the world did you get such an interesting but erroneous assumption?]** We believe that those of another dimension can come into 3D and do things by magic. Therefore, the Ascended Masters, Sananda Immanuel and **[H: oops]** Christ Michael/Hatonn make no mistakes and can accomplish anything we ask of them. We are learning through the months of delays that this simply is not true. They are bound both by Cosmic Law and the restrictions of 3D in their actions, and they also make mistakes. **[H: What an incredible cop-out, Bellringer! It was ever thus so from where and whom did you get such foolish disinformation in the first place? How many people have you personally led down the primrose path in your ignorance in the very face of being TOLD TRUTH?]**

A third problem has been the extreme resistance and tenacity of the Darkside to the coming of the Light. At one point **[H: OOPS QUADRUPLED AND NOT SO]** Gyeorgos Ceres Hatonn **[H: NOT ME, READERS!]** stated that even Satan was amazed at the depth of evil on Earth Shan. His evil minions had gone way beyond what even he had imagined possible on this planet. **[H: What I DID say was that some of the incredibly evil things now present on your planet are beyond acceptable behavior for even the Satanic players.]** The 4D Serpent People **[H: THERE IS NO SUCH THING AS 4D “SERPENT PEOPLE”—THAT IS A CONJURING OF EARTH MORTAL HUMAN MAN IN HOGWASH. And no, I do NOT care who tells you otherwise!]** WHO HAD COME TO Earth Shan with their 4D technology could not be defeated by our 3D capabilities. **[H: BS: If destructive forces are to be the downfall of mankind it will not be through 4D anything but will, rather, be through the very technology already prevalent on your globe. Natural, truly natural, happenings are an ongoing phenomenon—man’s tampering is most deadly in outcome but don’t blame “4D” personalities. I suggest you start going to the source and casting an eye upon the real deceivers to you people—as in “Bellringer” et al.]**

Basically the struggle to implement NESARA by 3D means went on for four years until May, 2004. At that point due to the pleas of the people for Divine help and the overwhelming desire for peace on Earth Shan, the Galactic Federation ordered the Divine Intervention to assist in the NESARA mission. **[H: THIS PERSON HAS MOST CERTAINLY LOST THE FULL LOAD OF MARBLES!]** It has taken fifteen more months since May, 2004 with the assistance of the Hosts of Heaven to arrive at this point today. **[H: Aren’t you even a bit embarrassed by this incredible disinformation? “THE HOSTS OF HEAVEN”?—HAVE YOU ALL LOST YOUR BRAINS? NEVER MIND YOUR MINDS!]**

The army of the Darkside is in shambles and their warriors are running in terror for their very lives. **[H: Including, I would assume, Bellringer, et al.]** Only a few skirmishes remain on the battlefield. Light is flooding the scene and peace is breaking out all over our planet today. Bits and pieces of Truth are being revealed in many parts of our world, as the 25,000 Star People now on our planet lend their

assistance as peace keepers.

[H: Now read the next in full realization that NESARA is a very limited, even in its most speculative presentation, USA PHENOMENON.]

“Last week the Irish Republican Army (IRA) in Northern Ireland declared their disarmament and announced that they will use other ways than violence to achieve their political aims” (NG). Also, the Columbian paramilitary organization AUC did almost the same thing. The terrorist wing of the Basque movement in Spain, the ETA is now reported willing to follow suit. There are many other signs of positive change.

[H: What could this possibly have to do with NESARA which is supposed to be a U.S. law of some kind or at least a “bill” offered somehow—WITH NOT EVEN ONE SPONSOR IN ALL THESE YEARS OF HYPE. DOES IT REALLY SOUND LIKE SOMETHING YOUR FEDERAL GOVERNMENT WOULD DO “FOR” YOU? I THOUGHT NOT!]

I know that you are frustrated that we have now moved into August with still no NESARA, when Christ Michael/Hatonn [H: BS, HOGWASH, HOGSWILL AND BESIDES, THIS IS A LIE!] had promised the Second Coming by June 30, 2005. NESARA would have happened prior to that. [H: I suggest that none of you use MY NAME in the same sentence with such as NESARA.]

With the 4D capability of the Darkside neutralized, our NESARA people much wiser, and many more Star People assisting, the completion of the NESARA mission is assured. I anticipate this to happen at any moment of each new day. Know in your heart that victory is here, and let us give Sananda Immanuel a big birthday party on his birthday next Monday, August 8 (8-8-8 B.C.) Happy Birthday, Sananda!

In Love and Light,

Patrick H. Bellringer

[END QUOTING]

[H: NESARA WILL NEVER HAPPEN, ANNOUNCED OR OTHERWISE, AND TO MAKE IT APPEAR THAT I GIVE SUCH RUBBISH FORTH IS AN INSULT TO ME AND TO THOSE NICE HOSTS OF HEAVEN. WHO OF THE DARKSIDE ARE GOING TO NEUTRALIZE THE DARKSIDE? WILL THIS BE BELLRINGER? HARDLY—HE IS THE DARKSIDE, FOOLISH AND NON-DISCERNING PEOPLE OF THE LIE.]

\* \* \*

This in no way is to be insulting to you who ask and question the nonsensical offerings of would-be gurus and psychics. It would better serve you to “never mind” the “seers” and “prophets” and get with the truth of your manifest, physical expression. And yes indeed, KNOW that a government who kills off its youth in foreign wars is NOT GOING TO GIVE YOU ANYTHING, ESPECIALLY A “NESARA”. THEY MAY JUST GIVE YOU A “NESSIE” IF YOU HOLD OUT LONG ENOUGH.

If you are offended by this TRUTH then I can only ask that you sit back and be a bit discerning and ponder just what might be WRONG HERE. By the way: There is not going to be a “Rapture”, either. Tampering with Bibles will not make it so!

Now, what you think of me is none of my business but my business IS my business and we shall move ever more diligently to “make it so”. You take your NESARAs and we will stand in TRUTH and see who makes it to the finish line in the reality of that which IS.

I salute you for asking,

GCH

dharmia 

# The New Jerusalem

## Part Five: Media Control

*As we continue with this series, we continue to encourage all readers to obtain their own copy of The New Jerusalem: Zionist Power in America for reference and sharing. Orders may be placed through Phoenix Source Distributors, (800) 800-5565. International orders may also be placed through The Preferred Network, (250) 248-5591.*

*We extend our appreciation to author Michael Collins Piper for permission to serialize this work. [QUOTING:]*

### THE MEYER-GRAHAM EMPIRE . . .

A legendary figure in the global media monopoly died on July 17, 2001. Katharine Meyer Graham, longtime publisher of *The Washington Post* and *Newsweek* magazine and grande dame of a multibillion dollar major media empire, died of injuries from a fall in Sun Valley, Idaho, several days before. At the time of her accident, Mrs. Graham—a longtime figure in the powerful Bilderberg group—and a host of other luminaries of the plutocratic media elite were engaged in a high-level meeting held annually in Sun Valley that—at least until Mrs. Graham’s accident—received little or no publicity in the mainstream press controlled by those elite media power-brokers who attend that gathering.

While there is no evidence that the death of the 83 year-old Mrs. Graham was anything other than an accident, the truth is that there still remain questions about the supposed “suicide” of her husband, Philip Graham, who preceded her as head of the *Post* empire. In fact, Graham’s death was quite convenient for a lot of people—Mrs. Graham included—and saved a lot of people a lot of grief.

Although the media monopoly spent many column inches eulogizing Mrs. Graham, the full story of her husband’s demise was largely unmentioned, other than to portray her as a simple housewife who had succeeded to a powerful position in the face of tragedy. A bit of historical background is necessary to understand why somebody may have found it necessary to arrange for a staged “suicide” for Philip Graham.

The daughter of Wall Street wheeler-dealer and leading Zionist financier Eugene Meyer, who bought the *Washington Post* in 1933—just shortly after resigning as a governor of the Federal Reserve System—Katharine Meyer married poor-boy-turned-Harvard lawyer Philip Graham in 1940.

In just six years, after Meyer assumed the first presidency of the new World Bank, appointed by President Harry Truman, Meyer named his son-in-law publisher and editor-in-chief of the *Post*. In 1948, Meyer transferred his actual control of the *Post* stock to his daughter and her husband. However, Katharine received only 30% of the stock. Her husband received 70% of the stock, his purchase financed by his father-in-law who trusted Graham and believed quite simply that no man should have the burden of working for his own wife.

Under Philip Graham’s stewardship, the *Post* blossomed and its empire expanded, including the purchase of the then-moribund *Newsweek* magazine and other media properties.

Following the establishment of the CIA in 1947, Graham also forged close ties to the CIA to the point that he was described by author Deborah Davis, as “one of

the architects of what became a widespread practice: the use and manipulation of journalists by the CIA”—a CIA project known as Operation Mockingbird. According to Davis, the CIA link was integral to the *Post*’s rise to power: “Basically the *Post* grew up by trading information with the intelligence agencies.” In short, Graham made the *Post* into an effective and influential propaganda conduit for the CIA.

Despite all this, there was, by the time of Eugene Meyer’s death in 1959, a growing gulf between Graham and his wife and his father-in-law, who was having second thoughts about turning his empire over to Graham. The *Post* publisher had taken a mistress, Robin Webb, whom he set up in a large house in Washington and a farm outside of the city.

A heavy drinker who is said to have had manic-depressive tendencies, Graham, in some respects, was his own worst enemy, stridently abusive to his wife, both privately and publicly.

Later cited by Evan Thomas (a writer for *Newsweek*) as evidence of Graham’s emotional instability was that Graham (who was not Jewish) “would make anti-Semitic remarks about his in-laws, his wife, even his children.” In this context, the fact that Graham was also a very close friend of some years with President John F. Kennedy who, during the same period, was engaged in a bitter struggle with the leaders of the American Jewish community who perceived that the president was insufficiently supportive of Israel’s Middle East interests was not something that went unnoticed.

Katharine Graham’s biographer Deborah Davis has pointed out in her book, *Katharine the Great*, that Philip Graham had also started rattling the cage of the CIA: “He had begun to talk, after his second breakdown, about the CIA’s manipulation of journalists. He said it disturbed him. He said it to the CIA. . . . He turned against the newsmen and politicians whose code was mutual trust and, strangely, silence. The word was that Phil Graham could not be trusted.”

In fact, Graham was actually under surveillance by somebody: Davis has noted that one of Graham’s assistants “recorded his mutterings on scraps of paper”.

There are those, however, who have suggested that Graham’s legendary “mental breakdown” that developed over the next several years was more a consequence of the psychiatric treatments to which he was subjected than of any illness itself. One writer has speculated that Graham, in fact, may have been the victim of the CIA’s now-infamous experiments in the use of mind-altering drugs.

Of no doubt is the fact that the Graham split was a major social and political upheaval in Washington, considering the immense power of the elite newspaper and its intimate ties to the CIA.

In his biography of Graham’s friend and *Washington Post* attorney Edward Bennett Williams, the aforementioned Evan Thomas wrote that: “Georgetown society was quickly split into ‘Phil People’ and ‘Kay People’” and that while “publicly, Williams was a Phil Person . . . as [Kay] later discovered, she need not have been fearful.”

Graham startled Williams by saying that not only did he plan to divorce Katharine but that he wanted to rewrite his 1957 will and give everything “Kay” stood to inherit to his mistress, Robin Webb—effectively

depriving Katharine of what most would perceive to be her birthright with which Katharine's father had entrusted him.

Although Williams kept putting off Graham's demand for a divorce, the will, as Thomas admitted, "was a trickier matter". Three times in the spring of 1963 Graham rewrote his original will of 1957. Each of Graham's 1963 revisions reduced his wife's share and expanded the share he intended for his mistress. Ultimately, the last version cut out Katharine Graham altogether.

A big and nasty fight was looming. Katharine obviously knew something was afoot because, as Deborah Davis reports, Mrs. Graham "told [her own attorney] Clark Clifford that the divorce settlement must assign control of *The Washington Post*, and all of the *Post* companies, exclusively to her."

Matters finally came to a head when Philip attended a newspaper publishers' convention in Arizona and delivered a blistering speech attacking the CIA and exposing "insider" secrets about official Washington—even to the point of exposing his friend John Kennedy's affair with Mary Meyer, the wife of a top CIA official, Cord Meyer (no relation to Katharine Graham). At that point, Katharine flew to Phoenix and snatched up her husband who was captured after a struggle, put in a straitjacket and sedated. He was then flown to an exclusive mental clinic in the Washington suburb of Rockville, Maryland.

On the morning of August 3, 1963, Katharine Graham reportedly told friends that Philip was "better" and coming home. She drove to the clinic and picked up her husband and drove him to their country home in Virginia. Later that day, while "Kay" was reportedly napping in her second floor room, her husband died of a shotgun blast in a bathtub downstairs. Although the police report of the incident was never made public, the death was ruled a suicide. Deborah Davis described the aftermath:

During probate, Katharine's lawyer challenged the legality of the last will, and Edward Bennett Williams, wishing to retain the *Post* account, now testified that Phil had not been of sound mind when he had drawn up Phil's final will for him. As a result, the judge ruled that Phil had died intestate. Williams helped Katharine take control of the *Post* with no significant legal problems and ensured that the final will, which left *The Washington Post* to another woman, never entered the public record.

In her critical biography of Mrs. Graham, Davis never suggested that Philip had been murdered but has said in interviews that "there's some speculation that either [Katharine] arranged for him to be killed or some body said to her, 'don't worry, we'll take care of it'" and that "there's some speculation that it might have even been Edward Bennett Williams."

Under Katharine Graham's rule, *The Washington Post* grew more powerful than ever, and in 1974 played the pivotal role in the destruction of Richard Nixon who was evidently perceived as a danger to the CIA and to the plutocratic elite.

In her book, *Katharine the Great*—which Mrs. Graham worked hard to suppress—Deborah Davis perhaps provided the real key to Watergate, charging that the *Post*'s famed Watergate source—"Deep Throat"—was almost certainly Richard Ober, the right-hand man of James Angleton, the CIA's counterintelligence chief and longtime liaison to Israel's Mossad.

Miss Davis revealed that Ober was in charge of a joint CIA-Israeli counterintelligence desk established by Angleton inside the White House. From this listening post, Ober (at Angleton's direction) provided inside information to the *Post* about Watergate that helped bring down the Nixon administration.

All told, considering the record of Katharine Graham and her *Washington Post* empire, Washington humorist Art Buchwald probably wasn't far off from the mark when he told the Washington elite who gathered for Mrs. Graham's 70<sup>th</sup> birthday: "There's one word that brings us all together here tonight. And that word is fear."

What follows is an overview of the massive holdings of the Meyer-Graham empire, demonstrating indeed that this wealthy family does have a major stranglehold on the media in this country.

- *The Washington Post*
- *Newsweek*
- 50% interest in *The International Herald Tribune*
- 50% interest in the *Los Angeles Times-Washington Post* News Service (which supplies news to papers nationwide)
- 28% interest in the Cowles Media Co., publisher of *The Minneapolis-St. Paul Star-Tribune*
- *The Gazette* Newspapers (one newspaper and 15 weekly community papers in Maryland)
- *The Washington Post National Weekly Edition*
- LEGI-SLATE Inc. (on-line database and legal publishing)
- Post-Newsweek Cable (systems in 15 states)

In addition, the Meyer-Graham empire owned at least six broadcasting companies in key cities across America:

- KPRC-TV, Houston
- KSAT-TV, San Antonio
- WDIV-TV, Detroit
- WFSB, Hartford, Conn.
- WJXT-TV, Jacksonville, Fla.
- WPLG-TV, Miami

However, there is another major media empire, that of the Newhouse family, that also deserves careful consideration, for its empire—perhaps even more so than that of either that of the Meyer-Graham family or the more august Sulzbergers of *New York Times* fame—reaches into smaller cities all across the United States.

#### THE NEWHOUSE EMPIRE . . .

A primary example of how the Newhouse family has consolidated its power is demonstrated in Central Pennsylvania which is now a virtual "news fiefdom" of the New York-based Newhouse media monopoly—Advance Publications—headed by S. I. "Si" Newhouse and his tightly-knit family who [are] among the genuine Lords of the Media in America.

The founder of the empire, the late Sam Newhouse, was once heard to brag, "I just bought New Orleans," when he announced his purchase of that city's influential *Times-Picayune* newspaper. Evidently this attitude on the part of the Newhouse family evidently still applies as it reaches further and further to expand its media holdings nationwide.

Described by Stephen Birmingham in his 1984 book, *The Rest of Us: The Rise of America's Eastern European Jews*, as (then) "the second-wealthiest Jewish American family", the Newhouse family recently swallowed up control of four weekly newspapers in two Pennsylvania counties, consolidating a newspaper monopoly in the region of south central Pennsylvania adjoining Harrisburg, the state capital.

Not satisfied with owning the influential *Patriot News*—the sole daily newspaper in Harrisburg which dominates news coverage in central Pennsylvania—the Newhouse family has now purchased the locally based Swank-Fowler company, publishers of *The Perry County Times*, *The Duncannon Record* and *The News-Sun* in Perry County, and *The Juniata Sentinel* (in neighboring Juniata County).

Announcing the sale, Robert Fowler, the highly-regarded chief of Swank-Fowler, said he agreed to sell to Newhouse because he was "determined to deal only with people who have a track record of practicing good journalism under local control"—a judgment many would dispute.

(Parenthetically, it is worth noting that tiny Juniata

County is unquestionably a Zionist fiefdom in and of itself. Aside from Newhouse domination of the local press, the largest employer in the small, rural county is Empire Kosher Poultry, the largest Kosher-production company on the face of the planet. Some years ago there was a minor scandal when it was discovered that Empire—which, for years, recruited vast numbers of foreign-born employees to work in its plant—was, in fact, employing a substantial number of illegal immigrants, a point all the more ironic considering the fact the little county has long had a relatively high unemployment rate. But no one there dares challenge the rule of the Zionist elite.)

Unfortunately, history shows there is very strong evidence that the Newhouse empire—which controls 26 newspapers in 22 cities, along with *Parade*, the weekly Sunday supplement which appears in many more publications nationwide—has been used in the past to advance the interests of private special interests.

In 1988 journalist Nicholas von Hoffman wrote *Citizen Cohn*, a biography of famed "mob lawyer" and "political fixer" Roy Cohn, who was best remembered—at least until his widely publicized death from AIDS—as the unsavory advisor of Sen. Joseph R. McCarthy (R-Wis.).

For years, however, many suspected Cohn had been placed in McCarthy's inner circle to "control" the rambunctious senator and to prevent McCarthy's investigation from "going too far" and revealing the real sources behind the communist movement. In fact, Cohn did succeed in muzzling (or misdirecting) McCarthy more than many seem to realize.

In any event, in his quite revealing biography of Cohn, Von Hoffman revealed that Cohn—a lifelong friend of "Si" Newhouse—often used his association to influence the reporting by the Newhouse press, quoting a Cohn associate who said:

[Cohn's] connection with Si Newhouse was a very important connection. ... Roy once told me that ... in those towns where there was a Newhouse newspaper, it was the only newspaper in town, which means the editor of that newspaper is quite influential. So if anyone ever got into trouble in any city in which there was a Newhouse newspaper, Roy could go to Si and Si could go to the editor and there you have a leading member in town who could do a favor.

According to von Hoffman, the result of Cohn's manipulations was that: "Given the long, public association of Roy with the Newhouse name was to turn over to Roy the political power which such wealth and the ownership of such media properties bring."

Von Hoffman also revealed that: "When Jesse Helms, the conservative Republican senator from North Carolina, found himself in a close and expensive race for re-election, he approached Roy about switching the flow of Jewish campaign contribution money from his opponent to himself. Roy said he would set up a meeting with Si Newhouse."

This indicates that Newhouse is very much a key player in the powerful Israeli lobby which has long sought to exercise its clout in the American political arena, often at the expense of America's interests.

Many political observers will recall how Helms reversed his longstanding America First policy and became a two-fisted devotee of Israel. Von Hoffman filled in the behind-the-scenes story of who "fixed" the deal with the Israeli lobby.

Cohn's name also popped up in another connection relative to the Israeli lobby and the American media.

When Cohn's other close friend, ex-CIA man William F. Buckley Jr., sued the national weekly populist newspaper, *The Spotlight*, for libel—a case that resulted in a devastating defeat for Buckley in federal court in Washington, DC—it was revealed during the trial that Cohn had made a secret deal with the Anti-Defamation League (ADL), a key force in the Israeli lobby, on Buckley's behalf, ensuring good newsstand distribution of Buckley's then newly-launched magazine, *National Review*.

However, there's more. New York attorney John Klotz wrote an intriguing piece for the now-defunct *Spy* magazine for its March/April 1995 issue, examining the Newhouse family.

The author began his article by raising a provocative question that others have since echoed: "Does Si Newhouse have culpable knowledge of the Kennedy assassination? For more than 30 years Newhouse and his media empire have played a unique role in the controversy surrounding events at Dealey Plaza."

The article cited several instances in which Newhouse publications and subsidiaries such as Random House Publishing (since sold by Newhouse) had played a part in suppressing dissident voices about the possibility of conspiracy in the JFK assassination.

Klotz specifically cited the widely-heralded book by Gerald Posner, *Case Closed*, that rehashed the Warren Commission's claim that a lone assassin killed JFK. The article concluded by asking the question: "What has driven Newhouse's devotion to Kennedy cover-ups? The questions should be asked: What does Si Newhouse know and when did he know it?" This allegation regarding a Newhouse role in covering up the truth about the JFK assassination is interesting for at least two reasons:

- Random House is known to have published several books on behalf of the CIA which has been implicated—with good reason—in the JFK assassination. Several "mainstream" books cite how the CIA has secretly collaborated with journalists and publishing companies.

- The aforementioned Cohn, collaborator of the Newhouse empire, was an investor in the shadowy Permindex corporation (a front for Israel's intelligence agency, the Mossad). New Orleans District Attorney Jim Garrison investigated a Permindex board member, Clay Shaw, for involvement in the JFK assassination. During that investigation, Garrison was under attack by *The New Orleans Times Picayune* newspaper—published by the Newhouse empire.

In truth, the intrigues surrounding the Newhouse family are, in many respects, very much a reflection of the realities of America's dark political underbelly. The "JFK Connection", however, is intriguing indeed.

All of this is a part of history. What impacts directly upon America today is the vast reach of the Newhouse publishing empire, which has an outreach into the heartland of America perhaps even more significant than any other media empire. Newhouse holdings, in recent years, have included such publications as the following:

#### NEWHOUSE NEWSPAPERS:

Alabama

- *Birmingham News*
- *The Mobile Press*
- *The Mobile Press Register*
- *The Mobile Register*

Louisiana

- *The New Orleans Times-Picayune*

Michigan

- *The Ann Arbor News*
- *The Flint Times*
- *The Grand Rapids Press*
- *Kalamazoo Gazette*
- *The Saginaw News*
- *Times* (Bay City)

Mississippi

- *Mississippi Press* (Pascagoula)
- *Mississippi Press Register* (Pascagoula)

New Jersey

- *Jersey Journal* (Jersey City)
- *Star-Ledger* (Newark)
- *Times* (Trenton)

New York

- *Herald-American* (Syracuse)

Ohio

- *Plain-Dealer* (Cleveland)

Oregon

- *The Oregonian*

Pennsylvania

- *The Patriot-News* (Harrisburg)
- *The Juniata Sentinel*
- *The Perry County Times*
- *The Duncannon Record*
- *The News-Sun* (Perry County)

#### NEWHOUSE MAGAZINES:

- *American City Business Journals* (28 local weekly business newspapers)
- *Parade* magazine (the famous Sunday supplement)
- *Allure*
- *Architectural Digest*
- *Bon Appetit*
- *Bride's*
- *Conde Nast Traveler*

- *Details*
- *Glamour*
- *Gourmet*
- *GQ*
- *Mademoiselle*
- *Vanity Fair*
- *Vogue*
- *The New Yorker*

Clearly, the clout of the Newhouse family is very much to be reckoned with. They are certainly among the wealthiest and most powerful Zionist families in America—and probably among the better known. However, as we are about to see, there are a considerable number of other wealthy families whose names are not so well known (outside the Jewish community) but who—in fact—play a major part in shaping American life, for better or for worse. In the extended section which follows, we will meet these remarkable families—many of them appearing, perhaps, for the first time in the pages of a volume such as this.

[END PART 5]

# World News Insights

*The presidents of Russia and the U.S. are getting together on unusually short notice. Mr. Putin is, according to our sources, quite well aware of the GAIA Program, so this meeting just might be more than a little interesting.*

[QUOTING:]

#### GEORGE BUSH, VLADIMIR PUTIN TO MEET IN WASHINGTON SEPTEMBER 16

*RIA Novosti, 9/2/05*

WASHINGTON—President George W. Bush will receive his Russian counterpart, Vladimir Putin, in Washington on September 16, the White House said in a press release. The White House said the presidents would discuss a series of bilateral and international issues, and ways to intensify bilateral cooperation to address new challenges and opportunities in the 21<sup>st</sup> century. The Kremlin press office said earlier Putin would visit Washington at Bush's invitation "to discuss a wide range of acute international problems and issues related to bilateral relations."

[END QUOTING]

*Meanwhile, the non-Western world continues to unite in opposition to U.S. hegemony and behind Russia's masterful diplomacy the two most populous nations in the world will probably join with Russia in ongoing military exercises (preparations).*

[QUOTING:]

#### RUSSIA INVITES INDIA TO PARTICIPATE IN MILITARY EXERCISES

*RIA Novosti, 9/2/05*

MOSCOW—Russian Defense Minister Sergei Ivanov has made a proposal to India to hold major Russian-Chinese-Indian military exercises similar to the recent maneuvers it had held with China, the *Nezavisimoye Voyennoye Obozreniye* military weekly reported Friday.

Experts said this means that Russia has serious plans for its policy in the east.

Alexei Bogaturov, deputy director of the International Security Institute, said the Russian political elite was tired of Moscow's attempts to win the respect of the West and the United States. Russia's opinion is respected only when it is feared, he said. "On the one hand, Russia does not want to be feared,

but on the other hand, you must be strong to be respected," the expert said. This explains recent hints about the creation of powerful military blocs.

According to Bogaturov, there are no reasons to believe that Moscow, Beijing and New Delhi want to join forces against Washington. They simply want to be respected. "These joint exercises are, above all, a kind of political statement," the expert said.

Anatoly Tsyganok, the head of the Military Forecasting Center at the Institute for Political and Military Analysis, said the desire of Moscow and Beijing to establish a military-political alliance pointed to their "growing resistance against the unipolar structure of the world advocated by the Americans". The attempt to involve India in a joint naval group looks logical in this situation, the expert said.

Ivanov was pursuing one more goal when he made the offer, the expert said. About a month ago, the Indian military leadership again protested against Russian arms deliveries to India's adversaries in the Indian Ocean, in particular China. India said it would buy from other major arms exporters unless Russia heeded its appeal.

Therefore, Russia's offer to hold joint military maneuvers and later to create a military group in the Asian-Pacific region is also an attempt to sooth[e] India's concern over Russian arms exports to China, the weekly concluded.

[END QUOTING]

*Janis Karpinski, the scapegoat for the Abu Ghraib scandal, identifies Donald Rumsfeld as the real agent behind the prison atrocities.*

[QUOTING, emphasis added:]

#### ABU GHRAIB GENERAL LAMBASTES BUSH ADMINISTRATION

By Marjorie Cohn, <Truthout.org>, 8/24/05

*I had been hesitant to speak out before because this Administration is so vindictive. But now I will ... Anybody who confronts this Administration or Rumsfeld or the Pentagon with a true assessment, they find themselves either out of a job, out of their positions, fired, relieved or chastised. Their career comes to an end.—Janis Karpinski, interview with Marjorie Cohn, August 3, 2005*

Army Reserve Brigadier General Janis Karpinski was in charge of the infamous Abu Ghraib prison in

Iraq when the now famous torture photographs were taken in fall of 2003. She was reprimanded and demoted to Colonel for her failure to properly supervise the prison guards. Karpinski is the highest ranking officer to be sanctioned for the mistreatment of prisoners. On August 3, 2005, I interviewed Janis Karpinski. In the most comprehensive public statement she has made to date, Karpinski deconstructs the entire United States military operation in Iraq with some astonishing revelations.

When Karpinski got to Abu Ghraib, "there was a completely different story than what we were being told in the United States. It was out of control. There weren't enough soldiers. Nobody had the right equipment. They were driving around in unarmored vehicles, some of them without doors ... So, knowing that they were ill-equipped and ill-prepared, they pushed them out anyway, because those two three-stars wanted their fifteen minutes of fame, I suppose."

Karpinski said that General Shinseki briefed Rumsfeld that "he can't win this war, if they insist on invading Iraq, he can't win this war with less than 300,000 soldiers." Rumsfeld reportedly ordered Shinseki to go back and find a way to do this with 125,000 to 130,000, but Shinseki came back and said they couldn't do the job with that number. "What did Rumsfeld do?" Karpinski asked rhetorically. "If you can't agree with me, I'm going to find somebody who can. He made Shinseki a lame duck, for all practical purposes, and brought in Schoomaker. And Schoomaker got it. He said, 'Oh yes sir, we can do this with 125,000.'"

Karpinski says she did not know about the torture occurring in Cellblocks 1-A and 1-B at Abu Ghraib because it took place at night. She didn't live at Abu Ghraib, and nobody was permitted to travel at night due to the dangerous road conditions. The first she heard about the torture was on January 12, 2004. She was never allowed to speak to the people who had worked on the night shift. She "was told by Colonel Warren, the JAG officer for General Sanchez, that they weren't assigned to me, that they were not under my control, and I really had no right to see them."

When Karpinski inquired, "What's this about photographs?" the sergeant replied, "Ma'am, we've heard something about photographs, but I have no idea. Nobody has any details, and Ma'am, if anybody knows, nobody is talking." When Karpinski asked to see the log books, the sergeant told her that the Criminal Investigation Division had taken everything except for something on a pole outside the little office they were using.

**"It was a memorandum signed by Secretary of Defense Rumsfeld, authorizing a short list, maybe 6 or 8 techniques: use of dogs; stress positions; loud music; deprivation of food; keeping the lights on, those kinds of things," Karpinski said. "And then a handwritten message over to the side that appeared to be the same handwriting as the signature, and that signature was Secretary Rumsfeld's. And it said, 'Make sure this happens[!]' with two exclamation points. And that was the only thing they had. Everything else had been confiscated..."**

[END QUOTING]

For those with Internet access, a transcript of the entire interview with Janis Karpinski is available online at <Truthout.org>.

One of the primary reasons for the U.S. invasion of Iraq was Saddam Hussein's policy of denominating oil trade in euro-dollars instead of U.S. dollars. We recently noted the possibility of Iran establishing an oil bourse which would do the same, and we have observed increased U.S. belligerence to Iran in response to that potential.

We have also noted the Chinese revaluation of the yuan and recent statements to the effect that China and Russia will denominate trade in currencies other than the (formerly almighty) dollar.

The following article just might prompt cries of "Et tu, House of Saud!?" from the neo-cons in the Bush Administration.

[QUOTING:]

SAUDI ARABIA RIYAL LOOKS TO RE-ALIGN  
<MiddleEastForex.com>, 9/4/05

RIYADH—China's revaluation of the yuan increases the possibility of the re-alignment of the Saudi Riyal to a weak U.S. dollar especially while trading links with Asia and Europe continue to grow.

Saudi Arabia and many Gulf countries have pegged their currency to the dollar for years. Weakness in recent years of the dollar and the growth in Asian and European imports have cut into the purchasing power of the Gulf countries, whose export earnings from oil are also denominated in dollars.

The value of Gulf Arab imports from China, which were negligible just a decade ago, grew last year to \$14.5 billion, or 8.5 percent of total imports.

While record oil prices may mask the impact of costlier goods, economists say the case for linking to a basket of currencies instead of the dollar—just like China—is gaining ground.

"There is a gathering debate about this," said Daniel Hanna, an economist with Standard Chartered bank in Dubai.

"The majority of the Gulf trade is with Asia and the European Union. You can make a case that the currency peg should reflect that better, especially since China will be their fastest growing partner," he said.

One vocal advocate of swift change, National Commercial Bank senior economist Nahed Taher, says Saudi Arabia cannot afford to wait until 2010 to loosen ties between the riyal and the dollar which have been fixed since 1987.

Taher has called for a managed float of the riyal against a basket of currencies, within a 5 percent band, arguing that costlier imports are partly responsible for pushing annual inflation up to 6 percent for the last two years.

[END QUOTING]

*Strange phenomena in the natural world continue to indicate ongoing Earth changes. How often does one hear of a river simply disappearing, as described in the next article?*

[QUOTING:]

GONE UNDERGROUND

<NogalesInternational.com>, 8/19/05

It was a bizarre case of now you see it, now you don't.

On Sunday the water in the Santa Cruz River at the crossing just off Palo Parado Road and Interstate 19 was so high, many vehicles could not pass.

Three days later, the river at the crossing had all but disappeared leaving a number of dead fish whose life source literally was taken right from under them.

John E. Hays, flood plain coordinator for the Santa Cruz County Flood Control District, said, "the river is going underground ... roughly one-third of a mile north of the Peck Canyon interchange of I-19."

Hayes, who walked the river on Wednesday, said, "The flow is slowly, about one foot every minute or two, moving downstream, showing that the water table is being replenished within the channel.

"My best guess is that the flow on Sunday from the Sonoita Creek, approximately 3,710 cubic feet of water per second ... scoured the channel so the water

is able to drain into the aquifer.

"This was not the first event of this magnitude this year, so it may have been a series of flow events that broke through the bottom layer" and allowed the river flow to sink into the ground.

He said the flow may have scoured through an algal mat that has been cited as possibly being partially responsible for the death of several trees along the river valley.

[END QUOTING]

*That explanation of a scoured-through algal mat is, let's say, "tissue thin" (dare we say it doesn't hold water?) when put against the knowledge that the North American tectonic plate has been under tremendous pressure recently. As the following article documents, in addition to reports of unusual intra-plate earthquake activity in recent years, numerous fissures have been opening up in unusual locations.*

[QUOTING:]

GIANT FISSURE OPENS UP IN QUEEN CREEK  
By Kim Martinez, <AZStarnet.com>, 8/11/05

A giant fissure has opened up in the ground near Sossaman Road and San Tan Boulevard in Queen Creek.

The huge crack, which looks something like a fault line, is about 1.5 miles long and up to 25 feet deep in some area.

While the fissure has been there for some time, recent storms have exposed it and caused it to grow.

"It started really small, maybe a couple of feet," said area homeowner Summer Martinez.

Martinez said one of her neighbors tried to drive across the fissure before it grew so large and her vehicle fell three or four feet into the crack.

With every storm, the fissure gets bigger.

"It keeps getting wider and wider and deeper and deeper," Martinez said.

The fissure is close to some homes, but so far, no damage has been reported.

...Fissures are caused by tension in the ground, as well as the removal of groundwater. Flooding exacerbates the problem, revealing fissures, which often start as small cracks, and causing them to grow.

According to one expert, there are 20 documented fissures in the area north of the San Tan Mountains.

[END QUOTING]

*We have also documented numerous examples of large ice masses melting, purportedly due to "global warming" but in actuality due to heightened photon activity. Along those lines, what is happening in Alaska right now is quite dramatic.*

[QUOTING:]

VISITORS RUSH TO GLIMPSE VANISHING GLACIERS  
By Dan Glaister, *The Guardian*—UK, 8/22/05

The four distinguished visitors looked on in awe at the sight before them. Exit Glacier in Alaska's Kenai Fjords national park is one of continental America's most imposing monuments, and last week it was at its most impressive—a hulk of ice and snow imperceptibly making its way toward the sea.

But lately that movement has quickened, a fact that will not have been lost on visitors. One of the most popular tourist attractions in Alaska, Exit Glacier has receded 300 metres (1,000ft) in the past 10 years. The movement means that the viewing platform from which the group of dignitaries surveyed the glacier would have been under several feet of ice just a few years ago. Today it is on dry land.

[END QUOTING]

**NEVADA CORPORATIONS:**

# Respect Your Corporation And Others Will Have To

## Budget's "Tip of the Week" #14:

### Maintaining Separation Between the Corporation and Yourself

When properly handled, a corporation is a legal "person", separate, distinct and totally apart from you. The key to keeping things that way is to ensure that the corporation is indeed properly treated. The quickest way to lose the protection afforded by your corporate shelter is for you to treat it with disrespect.

One simple thing that many people fail to do on a regular basis—and which can tear down the walls of separation between themselves and a corporation—occurs when they sign documents in behalf of their "brainless child" (corporation). All it takes to do things right is to follow the signature with an indication that you are acting as an agent or officer of the corporation rather than in a personal capacity. If you are acting as a particular officer, as the vice president, for example—follow your signature with, "Vice President" or "VP". In cases where you would rather not disclose any particular position held within the corporation you may sign as "John Doe, Agent", which simply means that you are acting as an agent for the corporation and NOT in a personal capacity.

The above advice applies to ALL situations where you might sign for the corporation, including checks, of course, but also when signing such mundane things as invoices for goods received or services performed. And it certainly applies to any kind of agreement—a lease, purchase or rental agreement, for instance—as well as corporate resolutions. After a while you will find that you do this automatically and thus automatically uphold the fundamental protective insulation of your separateness from the corporate entity.

Failure to adhere to this basic corporate formality "could" allow a prospective litigant to assert that the corporation is nothing more than a "straw man" and that it actually functions only as your "alter ego". We have put the word "could" in parentheses because in Nevada there actually exists only one case in the last quarter-century where a prospective litigant managed to "pierce the corporate veil" and cause liability to be assessed against the corporation's owner/manager—and that was a case of outright and unabashed fraud. It's great to have that measure of protection but you can easily bolster it by developing the good habit of following your signature with a title.

The next essential step in maintaining separation between the corporation and yourself is to always document key decisions made for the corporation in the form of corporate resolutions. If you do not know how to construct a resolution, give us a call and we will be pleased to help out. Meanwhile, if all you do is put a simple memo into the "resolutions" section of your corporate records, you will have taken a MAJOR step toward maintaining your Nevada corporation's unequalled liability protection.
