# David Duke Confronts Zionist Supremacism

RE: DARING REALITIES OF ZIONIST SUPREMACISM; ACKNOWLEDGE DAVID DUKE AND YES, HENRY FORD. THE JEWISH PEOPLE AND THE GENTILES ALIKE ARE MOVING TOWARD DISASTER AS YOU MEET THE ANTI-CHRIST IN EVERY COSTUME AND DISGUISE TO FOOL YOU.—GCH/d

\* \* \*

BOREDOM IS A CONCEPT "INSTEAD OF" HEARING AND CONFRONTING THAT WHICH YOU WOULD PREFER NOT TO NOTE!

Yes it is an old boring topic but it is the topic of which had you noticed in all the ages coming to now you wouldn't be in such desperate circumstances.

It is NOT a people calling themselves "Jews", for that term did not exist until about your more recent 13<sup>th</sup> century. Neither have I referred to anti-

Jews or anti-Semitic. Neither are even reasonable terms for anyone or anything. Furthermore, in referring to anti-Christ I do not refer to "anti-Jesus" for I MEAN "that and those which are against the 'laws' of 'Christ'". This term "Christ" is, I remind you: A STATE OF BEING, not the name of a person manifest or otherwise.

I hear all the time: "How did we get to here?"

Well, you followed the instructions as handed out to you and tried for all of the things you were humanly supposed to want to somehow satisfy your desires: mostly for violence, power, control and physical pleasures. THESE ARE ALL OF THE MANIFEST WORLD—NOT THE ETHERIC WORLD OF GOD.

Zionists, as we consider them to be, are NOT different but the GOALS OF LIFE IN HUMAN FORM ARE SOLELY BASED ON THE HUMAN EGOTISTICAL DEMANDS OF PHYSICAL PRESENTATION.

Never mind the mindset of "avoiding the traps and pitfalls" for YOU ARE IN THE TRAP AND THE LOCK IS IN PLACE. WHAT YOU NEED NOW IS A WAY TO GET OUT.

I repeat that we are against no one and no thing except EVIL. We do not pursue evil nor do we "fight" evil other than by confronting it with TRUTH while offering solutions to the ongoing entrapment.

You live in a world so controlled even to the happenings taking place that you cannot possibly know what IS by that which is fed you from the controller-trainers. It is fact and all the bellowing otherwise will not change it an iota.

I am asked to comment on new information scattering through spots on the Internet and a few speeches sifting out from other than the U.S. and it does now demand attention for the protection of people who dare to speak out in "free speech" presence.

We have written much of the presentations of Henry Ford relative to the "Jewish Question". This does not even recognize a "problem" of any kind but rather a question, exactly as stated. If you read the *Talmud* of the religious faith of the modern "Jews" you will be shocked at its contents. Moreover, you will confuse it with the Jewish *TORAH*. The *Talmud* is written by MEN of the day and so it goes. Those are the same men who wrote the *Zionist Protocols* handed down for

generations right to today.

The people to whom I refer are now your New World Order controllers, your International Bankers who have destroyed the world economies by their greed, avarice and malice. They are the ones who do everything in their power for their own status of power and their corruption has no bounds.

Why do we struggle if it is all over? Because it is NOT “over” and it is certainly NOT “finished”. I, further, HAVE NO ENEMIES but certainly I do have “adversaries”.

I am not trying to sell you anything nor twist you to accept some “my truth”. We diligently make an effort in OUR presentations to offer news, reviews and other very well documented and researched topics. This means that we make note and try to acquire books, documents, presentations and genuinely factual information for our publication. We are not “into” revelation or psychic prophecy although you will find it laid bare in reason and logical facts to be considered AS YOU GAIN INSIGHT INTO THE ONGOING CHANGES AND ATTITUDES TAKING PLACE AROUND YOUR GLOBE.

There is simply no way to address this topic without using the word “Jewish” so don’t expect us to hide our faces or words. I will use the word ALIENS in many ways as to reference extraterrestrials of which I am ONE and also any person in a strange country of which he is not a citizen or, for that matter, when speaking of corporations relative to home state (all other states are “alien” or “foreign”).

MOST OF THE ZIONISTS OF THIS DAY ARE “NOT” “JEWISH” OF FULL BLOOD RECOGNITION SO DON’T GO NUTS ON US. A black person cannot be “Jewish” by race so what have you when you have a “Black man claiming to be a Jew”? Moreover, can a Black man be a Zionist? OH INDEED!

You all hype up when we mention “aliens” and yes indeed, we are going to talk a LOT about those friends as well in reminding you of who we are and you can expect to begin to hear bunches more about us and that in relationship to YOU as a species.

I would suggest you begin to taper off on your narrow vision as to the USA being somehow endowed with some exclusive “goodly” character. It is all but prohibitive for anything goodly to longer come from that nation. We have met with leaders and we shall continue our work elsewhere as agreed—UNTIL YOU THE CITIZENS ARE FED UP—AND IF THERE IS ANYTHING LEFT TO SHARE WE SHALL CONSIDER OFFERS.

I have asked for at least one more Public Notice so that we are all clear and “cut clean” away from all nonsense regarding any such personage as VK Durham. When appropriate we shall legally demand property as in books, records, etc., be returned through the law—we intend to no longer carry on such foolish drivel as ongoing haggling. She has no standing, no recognition and no connection TO ANYTHING WE HAVE, HOLD OR DO. Furthermore, we have far more important information to share as even to our own works which now are stretching in contacts far and wide—but in none of the places VK harps and whines about, my friends.

Ah but, THIS is more important today as the economy spirals out of control, your Federal Reserve fails and the “adversary” stumbles and staggers a bit more shabbily than usual.

The Big controllers have broken all agreements with me and that was a rather serious error in judgment. We will use what we need to balance

with gold and so be it—wherever it can best serve PEOPLE, not Zionist bankers! I will begin to intervene and “reason” with quite a few important people as they see themselves and we SHALL work through this bog of Zog.

I think it is time to go into better ease for you to know WHICH BOOKS might give you the most priceless insight to your plight and what has taken over your government in the U.S. as the oppression has moved across the nations and now controls you. So be it. You can wallow in your misery or we can do something about it—but it requires all of us and not just waiting on “some” of us. I certainly am NOT the only extraterrestrial around, readers. Do you ACTUALLY think GOD TO BE SUCH A PITIFUL WIMP JUST MAKING WAR OR PEACE “ON YOU PERSONALLY”?

Our people put their very lives on that line every minute of every day and mostly MORE is expected of them because they do so. It is frustrating, for our people find it very, very difficult to “just say no”—it is a genetic trait of our very structural DNA-RNA system. In many ways it is not such a good trait to haul around for the heart and soul of a manifest “person” really takes a beating even with “us” running “interference” in the game. The hits are hard, mean and downright DIRTY. It also requires a lot of Public Notices, it appears, to paddle through the dark muck and into the lighted places of the “Lion”. Most of “these” people are not Zionists, Jews or Gentiles and they will claim at onset of your relationships to be “of you” and yet they will turn on you and actually kill you—in the BACK, if at all possible—to keep from getting their slimy persons caught in their own incredible lies and lack of integrity. Moreover, people will follow “them” for it is ever so much more fun to slowly torture a being to death than [make] a clean break of some reasonable sort. They like to boast and they are liars from the beginning and you were TOLD IT WOULD BE THIS WAY.

I have requested that the Distributors get a small supply of Duke’s books and more can be ordered on demand. We do not use materials that we cannot offer as well except where impractical or unavailable.

As to sequence of reading I think *JEWISH SUPREMACISM* is more critical and then you can go back to his first books to find why there is a question.

I am going to ask that the “PREFACE” be copied in, dharma, so that we are not treading on toes or copyrights. I only want a topic review and then I expect interested parties to avail of the books.

I would add one thing: “Anti-Semitism and Jewish chauvinism can only be fought simultaneously.” This statement is by Israel Shahak, holocaust survivor and Israeli Peace Activist.

This is the party/person to whom Mr. Duke has dedicated his book. The dedication statement:

*I dedicate this work to the late Dr. Israel Shahak, a Jewish holocaust survivor and Israeli citizen who showed the moral and intellectual courage to challenge the Jewish supremacism that endangers both Jews and Gentiles.*

*This work is also in memory of the innocent Americans who died in the horrendous attacks of September 11, 2001. The attacks were a tragic consequence of an American foreign policy that puts Israel’s agenda over the security and interests of America.*

## JEWISH SUPREMACISM

### PREFACE

By David Duke

*I promise that this book will challenge you. Its amazing documentary evidence will confront some of your most cherished beliefs.*

*If you can put aside, as best you can, the prejudices you may have on this subject and even preconceptions you might have about me personally—you can more fairly evaluate the ideas and evidence of this book. That is all an author can ask of his reader; and I ask it of you. It is my earnest belief that if you endeavor to keep an open mind, what you read will surprise you.*

*The real power of this book comes from its documentation from major sources. In fact, you will quickly discover that most of my documents about Jewish supremacism are from Jewish sources. They argue more convincingly for my point of view than anything I could write. I encourage you to go to the sources that I quote and check them out for yourself. In this book, I take you with me on a fascinating journey of discovery in a forbidden subject. I urge you to courageously keep an open mind while you explore the topics ahead. That is the only way any of us can find the truth.*

Some will defame this book by calling it anti-Semitic. Yet, it is not considered anti-American to examine historical mistreatment of American Indians. No one calls it anti-Christian to talk about the excesses of the Inquisition. No one says that it is anti-Muslim to examine extreme elements within Muslim fundamentalism. Is one considered anti-White for documenting the history of Jim Crow in the South?

This book is NOT anti-Semitic; it simply examines and documents the powerful elements of ethnic supremacism that have existed in the Jewish community from historical to modern times.

Any criticism of Jewish supremacism is immediately condemned as “anti-Semitism”. The chronic media recital of the horrors of the Holocaust has made the term “anti-Semitic” morally equivalent to the endorsement of mass murder. The word itself shuts down reason and evokes heat rather than light. The word is flagrantly overused; it is even used against those who simply protest Israeli human rights violations against Palestinians.

I am reluctant to begin my book by saying what it is *not*. The media climate, however, forces me to do so.

Due to the overwhelming power of the media to distort what I say and write, I state emphatically here and now that I *no not* oppose *all* Jews, any more than an author examining the excesses of the Inquisition opposes all Christians. Specifically, *Jewish Supremacism* examines a long record of Jewish supremacist ideology and history that has had a powerful and damaging effect on both the Jewish and Gentile world.

I will be the first to acknowledge that not all Jews support or share in this supremacism. In fact, a number of courageous Jews suffer greatly for opposing it. This book is dedicated to the memory of one of them: an Israeli professor, Dr. Israel Shahak, a former professor at Hebrew University, who recently passed away. Dr. Shahak believed that Jewish supremacism has greatly harmed the Palestinian people as well as the non-Jewish community the world over. He offered strong evidence that Jewish radicals have waged an unrelenting ethnic war against Gentiles since the days of their sojourn in Egypt. Dr. Shahak believed that this extreme chauvinism has helped bring

about centuries of repeated anti-Semitic reactions, ranging from the pogroms of Pharaoh to the horrors of what is now called the Holocaust. He persuasively argued that unless both Jews and Gentiles courageously stand up against this supremacist agenda and its power, it will continue to pose a severe danger to Jews and Gentiles alike.

This book is ultimately about lessening both the dangers and the hatreds between our peoples. This cannot happen until both Jews and Gentiles hear the other side of the Jewish Question, a point of view currently forbidden in the modern world.

As I write these lines, I sit on a mountain in the Colorado Rockies named after the Aspen tree, whose shade I now enjoy. Its cylindrical leaves turn easily in the cool breeze, reflecting the sunlight and affording me a magical image. Through those glittering leaves I can see snow capped peaks on the horizon. The sight pleases both my eyes and my soul. From this mystic place, I cannot see a single human being; only the magnificence of Nature fills my eyes. Questions of politics, culture, religion, nationalities, ethnicity and race seem far away from here. From this vantage point, the world and even Nature herself appear serene. Yet, when I look closely at the scenic beauty of Nature, I can see conflict and war that far eclipses even the worst turmoil found in mankind.

Here on this mountain a never-ending struggle rages of element against element and species against species. The wind, rain and snow will someday level these great mountains of rock. Even the flowing stream, the ultimate symbol of serenity for many people, violently fights for its life of movement against the mountain. Indeed, in time this great mountain will eventually succumb to even the tiniest rivulets of water and the other erosions of Nature.

As I write in my notebook, two ants approach a peach pit on the rock beside me. One ant is larger and very differently equipped than the other. He has his way over the smaller one, but the vanquished creature runs back to his kingdom to report the great store of sweet food. His relatives will seek to return to the treasure before their competitors. The two tiny breeds might even go to war over the morsel. My eyes open to the war waged all around me.

On the mountain, the trees, bushes and grasses compete for the sunlight and life itself. Smaller birds keep wary eyes out for hawks. The flora and fauna face the danger of death from the insects and parasites seeking to consume them. Even within every life form, a microscopic war rages. The more closely one looks, the more intense the battle. In one cubic meter of rich soil, there are more living creatures injured, killed, eaten or even exploited and enslaved than all the numbers of human beings on earth who have faced a similar fate. Biologists could offer endless examples of the never-ending battle for life and dominance between life forms, enough to fill a million books the size of this one.

Yet, oddly, it is this brutal struggle of survival waged over a billion years that produced the serene beauty that so touches my heart as I look out from this high place. So, perhaps this mountain is not so unlike the eternal battles among humankind. The historical struggle between human races has played a powerful role in our human evolution just as it has for all life forms throughout the natural world. Its result for humanity is no less breathtaking than the view from this mountain. It produced a higher humanity that has given us the art of DaVinci's *Madonna and Child*, the ultimate expressions of sublime love found in Shakespeare's *Romeo and Juliet* or Keats' *Ode on a Grecian Urn*.

The eternal struggle created the evolutionary advances that enabled our kind to put our footprints on

the moon. It is still hard to grasp that human beings have walked on another world and actually traveled to the golden orb of light that mankind has gazed up at with wonder for millennia. Could these things have been achieved without the evolutionary struggle for life and dominance that has driven us upward? An argument can surely be made that it is this life and death struggle for evolutionary fitness that produced the beautiful and ultimate forms of love and achievement that in turn give us meaning. This struggle created the beauty in mankind and the glory of its creations, just as a seemingly cruel Nature created the stark splendor seen on this mountain I love.

So perhaps, up here surrounded by a magnificent portrait of Nature, I am not in a world very far removed from the human conflicts down below. Most people see the seemingly serene vistas of Nature and never guess the war that rages underneath its aesthetic canopy. There are also those who are unaware of the racial and ethnic wars boiling both on and under the surface of humanity.

Although we fantasize about the peace-loving nature of human beings, most of human history is a record of tribal, ethnic or racial war of one kind or another. For instance, the most read book on earth, the *Bible*, records the bloody history of the conflict between the Israelites and the other peoples of the Middle Eastern region. It tells glorious stories of war and shocking accounts of genocide. Anyone who reads the *Old Testament* with unbiased eyes will readily discern its dominant theme of racial and ethnic supremacism. There are many blatant expressions of ethnic supremacism:

\* **Israelites are a "chosen people," chosen by God above all the other peoples of the world.**

\* **Israelites have a right to rule over all other people and are promised that they will someday own and rule over the whole world.**

\* **Israelites boast of genocide against whole peoples and kingdoms.**

\* **Israelites are commanded to murder all the people of the lands where they intend to live, and to kill all the people of foreign nations that do not submit themselves in slavery.**

\* **Israelites are forbidden to make slaves of their own people, but are encouraged to enslave non-Israelites whom they may pass down as slaves to their descendants forever.**

\* **Israelites are forbidden to intermarry or "mix their seed" with other peoples.**

Few people dare to even acknowledge the blatant racial supremacism of the *Bible*. And those who become aware of the extreme Jewish supremacism in the *Old Testament* tend to believe that such sentiments are relegated to ancient times and have no influence on the present. *Jewish Supremacism*, however, shows that the powerful ethnocentrism of ancient Judaism has continued to thrive to the modern day. I will offer compelling evidence that Jewish supremacism is alive and well in the 21<sup>st</sup> Century. It has a dramatic and *increasing* effect on world events.

It can be said that I as a Christian also revere the same *Old Testament* books of supremacy. The difference, of course, is that the Christian *New Testament* represents a profound shift from the Old. In place of an "eye for an eye and a tooth for a tooth," Jesus Christ taught "turn the other cheek." In contrast to Jewish supremacism, Christianity offers universal salvation.

Judaism bitterly rejected Jesus Christ and has never enjoyed his teachings of love and tolerance. In fact, not only did the Jewish high priests, the Pharisees, pursue the crucifixion of Jesus Christ, these leaders guided their faith in the opposite ideological direction. It can be said that in addition to the crucifixion of

Christ's body, they killed his spirit in their own hearts.

It would be wrong to hate or persecute present-day Jews because of the role of Jewish leaders in the crucifixion of Jesus Christ, but it is important to understand the ideological, religious and ethnic war born during those times.

From the earliest days of Christianity, Jewry became its chief persecutor, for the Pharisees saw the Christian salvation of both "Jew and Greek" as a threat to their ethnic purity and supremacism. It should be said that Judaism is also diametrically opposed to the Muslim faith, which like Christianity also has been interpreted as a universal message. Not only did Jewish supremacists oppose Jesus himself, they mercilessly persecuted his followers, the early Christians.

**Yet for fear of the Jews no one spoke openly of him (John 7:13)**

**. . .for you suffered like things of your own countrymen as they did from the Jews, who killed both the Lord Jesus and the prophets, and drove us out and displease God, and oppose all men (1 Thessalonians 2:14-16)**

Over the next few centuries, they codified Jewish oral tradition and adopted the Babylonian *Talmud* as their most important religious text. According to the *Universal Jewish Encyclopedia*, it even supercedes the *Torah* in authority. As Jesus Christ represents an evolution of greater love and tolerance, the *Talmud* only intensified the *Torah's* chauvinism. I will thoroughly document that fact from Jewish texts themselves and through quotes from major Jewish scholars who discuss the *Talmud's* meaning. The *Talmud's* unashamed and frequent references to non-Jews as animals and "supernal refuse", as well as accounts of boiling their enemies in semen and excrement are expressions of racial hatred that would have made Hitler blush.

I will prove this controversial statement in this book and even show how mainstream Judaic authorities, such as uncensored editions of another major Jewish resource, the *Jewish Encyclopedia*, confirm the *Talmud's* hateful anti-Gentile teachings. I will also show that rabid anti-Gentile teachings are still promoted in modern times by many of the largest Jewish publications, such as the most popular Jewish newspaper in the United States, *The Jewish Press*. More than any other newspaper, it sets the tone of Jewish religious and cultural attitudes.

One of its primary religious authorities is Rabbi Simcha Cohen, who has an instructional *Dear Abby*-type of column called *Halachic Questions*. Not long ago Rabbi Cohen instructed his readers that the *Talmud* denotes Gentiles as "animals" (as outlined by Talmudic writings from *Gemara Kiddushin* 68a and *Metzia* 114b). In another section he discusses how a Jewish woman is not designated as a prostitute if she has premarital sex with a Jew, but she is a whore if she has any sexual relations with a Gentile, even if she is married.

**Marriage to a Gentile can never be sanctified or condoned; such a liaison classifies the woman as a zona... common parlance interprets the term zona to refer to a prostitute....**

Another major Jewish publication, the *Jewish Chronicle*, in an article called "Some Carefully and Carelessly Chosen Words", reveals that the Jewish word for Gentile woman is the offensive Yiddish word *shiksa*—meaning "whore", from the Hebrew root,

*sheiget* (“abomination”). It also pointed out that a little Gentile girl is called *shikselke*, meaning “little female abomination.”

***Shiksa*—the Jewish term for a Gentile woman, from the root word *sheiget* meaning “abomination” or “whore.”**

***Shikselke*—a Gentile little girl, meaning “little female abomination.”**

How would Jews and the media react if Gentiles casually referred to Jewish women and little girls as “Jewish whores” and “little Jewish whores”? Am I now supposed to be labeled an anti-Semite because I simply dare to expose such hateful anti-Gentilism proven in the two most influential Jewish newspapers in America?

The *Talmud*’s extreme supremacist teachings have certainly been a powerful factor in preventing assimilation of the Jewish people with Christian and Muslim communities. Even though Jews have lived as only a small minority in Gentile nations for more than 3000 years, major Jewish geneticists and anthropologists proudly assert that Jews have preserved their distinctive genetic identity. I will show how supremacist doctrines of fear and hatred of Gentiles, along with notions of Jewish superiority, are carefully instilled in every generation. Every young Jew learns of the perfidious nature of the Gentiles from Pharaoh to Hitler. They are taught that they are “chosen” above all people on earth: perhaps the ultimate expression of ethnic superiority.

For those who still want to think Jewish supremacism is a phenomenon of ancient Biblical times, read the following words of Dr. Stephen Steinlight, one of the leading Jews in America, who wrote these comments in October of 2001. Steinlight is no minor Jewish figure. He served for five years as the Director of National Affairs (domestic policy) in the most powerful and respected Jewish organization in the United States, the American Jewish Committee. Steinlight confesses the rampant Jewish supremacism and disloyalty to America that permeates the American Jewish community.

**I confess it, at least, like thousands of other typical Jewish kids of my generation, I was reared as a Jewish nationalist, even a quasi-separatist. Every summer for two months for 10 formative years during my childhood and adolescence I attended Jewish summer camp. There, each morning, I saluted a foreign flag, dressed in a uniform reflecting its colors, sang a foreign national anthem, learned a foreign language, learned foreign folk songs and dances, and was taught that Israel was the true homeland. Emigration to Israel was considered the highest virtue, and, like many other Jewish teens of my generation, I spent two summers working in Israel on a collective farm while I contemplated that possibility. More tacitly and subconsciously, I was taught the superiority of my people to the gentiles who had oppressed us. We were taught to view non-Jews as untrustworthy outsiders, people from whom sudden gusts of hatred might be anticipated, people less sensitive, intelligent, and moral than ourselves. We were also taught that the lesson of our dark history is that we could rely on no one.**

If any Gentile politician dared to say that “typical Jewish kids” are deliberately taught that their real loyalty is not to America but to Israel; and that Jews

are superior to Gentiles in intelligence and morals, he would be mercilessly condemned by the media and hounded out of politics as an anti-Semite. Yet, this is the stark admission by the former head of National Affairs for the American Jewish committee. It should be emphasized that Steinlight’s words are not from an offhanded or careless conversation, but are his carefully chosen words from a major article he wrote for Jewish consumption, called “The Jewish Stake in America’s Changing Demographics”.

This volume will show that the official policies of modern Israel and many of the leading elements of World Jewry still embody radically supremacist sentiments and policies. Organized Jewish elements around the world doggedly pursue their own supremacist agendas. Those agendas frequently conflict with the interest of the host nations in which they live.

My assertion that there exists a powerful, cohesive, worldwide Jewish supremacism finds confirmation in evidence mostly provided by the Jewish supremacists themselves. Their supremacism ideology finds clear enunciation in the foundation, structure and conduct of Israel, a nation unabashedly based on an ethnic supremacism. It is a state that has dispossessed, terrorized and grossly violated the human and civil rights of the Palestinian people.

#### **WHAT IS JEWISH SUPREMACISM?**

The definition of *White supremacism* from the *Random House unabridged Webster’s Dictionary* denotes it as “belief in superiority over other races and retaining of control in all relationships.” Let’s take the definition and apply it specifically to the term *Jewish supremacism*.

**Jewish supremacism—The belief, theory or doctrine that the Jewish people are superior to all others and should retain control in all relationships.**

As to the first part of the definition, this book assembles powerful evidence that many of the leading Jews of the world have a belief, theory or doctrine that they are *superior* to all other peoples. I will also clearly show that they seek *control in all relationships with other peoples*. David Ben Gurion, Israel’s first Prime Minister, often called the “George Washington of Israel”, said specifically that he believed in the “moral and intellectual superiority” of the Jewish people. That sentiment is frequent in the writings of Jewish leaders throughout the world. Imagine the outcry if the President of the United States pronounced that he believes in the moral and intellectual superiority of the White race! The Jewish dominated world media have so shielded Jewish supremacists from criticism that their most famous leaders can say such things without fear of any repercussion.

There was no outrage expressed by the world press when Ben Gurion made his remark, nor did any protest ensue from his supremacist prophecy quoted in *Look* magazine in 1962; a prediction that Israel would one day sit atop a one world government. **[H: Go back and read that sentence AGAIN!]**

**“In Jerusalem, the United Nations (a truly United Nations) will build a Shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind.”**

It also seemed cruelly ironic to his Palestinian victims that there was little outcry when the boastful terrorist Menachem Begin was awarded the Nobel Peace Prize. Begin brags in his book, *The Revolt*, about the massacre of over two hundred men, women and children at Deir Yassin. The world hunts down suspected Nazi war

criminals, but gives a blood-stained Jewish one... the Nobel Peace Prize! That one event should tell us who is really supreme in the modern world.

The other necessary part of the definition of *supremacism* denotes having *control over other races*. I will argue that Jewish supremacists seek to control the nations in which they dwell. They make concerted efforts to dominate the two most critical factors of power in the modern world, mass media and government. This book provides documented evidence of their incredible supremacy in these sectors. This extreme concentration of power exists not only in America, but in most of the major nations of the world including Canada, Britain, Russia, France, Brazil and many more. It is a universal pattern suggesting design rather than accident.

#### **ISRAEL: A JEWISH SUPREMACIST STATE**

Israel came into being by massive ethnic cleansing and displacement of Palestine’s indigenous population. At the time of the *Balfour Declaration* in 1917, Jews made up only 10 percent of the population of what today is Israel. After the Zionist terrorists drove out the British and expelled most of the Palestinian population in 1947 and 1948, Jewish supremacists established Israel. It still scrupulously preserves the cultural and genetic identity of the Jewish people.

Israel protects its Jewish control over their ethnic enclave by carefully guarding its ethnic makeup. It bases its immigration on a genetic standard and limits immigration almost exclusively to those of biological Jewish descent. An atheist Jew from New York City who has never stepped foot inside Israel is financially encouraged to immigrate, while hundreds of thousands of Palestinians whose families have lived there thousands of years cannot return to their birthplace.

Israel is not a “multicultural nation.” It is unashamedly a Jewish state devoted exclusively to the interests, heritage and religion of the Jewish people. A nation with a sizable Palestinian minority, it is certainly the most rigidly segregated society in the world. Separate schools exist for Jews and Arabs, separate apartment complexes, separate neighborhoods and separate settlements. Many policies adversely affect Palestinians as compared to Jews. For instance, Palestinians are forbidden from joining normal units of the military. In spite of their 22 percent of the population, (close to double that of African Americans in America) there has never been a Palestinian member of the Israeli cabinet. A former member of Israel’s Supreme Court, Haim Cohen, described the system that applies to Jews and Palestinians in Israel as similar to “Nuremberg laws” of Nazi Germany:

**...the bitter irony of fate which has led the same biological and racist laws propagated by the Nazis and which inspired the Infamous Nuremberg laws, to serve as a basis for the definition of Judaism within the State of Israel.**

I go deeply into the subject of Israel in the body of this book, but I should not leave the subject now without pointing out that the Jewish supremacism that dominates Israel receives little negative press around the world. Consider the positive press that Israel receives as compared to the unanimous and universal media condemnation that was heaped upon the former Apartheid regime in South Africa. Condemnation of South Africa was hypocritically led by an American media thoroughly dominated by Israeli partisans.

I slowly became aware of a dual morality permeating Jewish Gentile relations, Jews preach one morality for themselves and preach another for the non-Jewish world. Their highest morality is one of racial pride, solidarity, tradition and self-interest. But

they preached diversity and liberalism for their perceived competitors. If such dualism did not exist, how could the Jewish-dominated American media?

\* **Support the nation of Israel, which promotes Judaism in its schools, while opposing even the singing of Christmas carols in American public schools?**

\* **Support the nation of Israel, which has strictly segregated schools, communities and facilities for Jews and Arabs—while condemning segregated schools and housing in America and South Africa?**

\* **Support the nation of Israel, with its restrictive “Jews Only” immigration laws, while subverting American attempts to curtail even illegal immigration?**

\* **Support the nation of Israel, which allows every Jewish citizen to carry a machine gun if desired, while advocating gun control for American citizens?**

\* **Support the nation of Israel, which openly states its mission to preserve the Jewish people and heritage, while condemning Palestinians who desire their own state, and scourging European-Americans who dare to advocate the preservation of the Western heritage and culture in America?**

\* **Always depict the historical relations between Jews and Gentiles with the Gentiles as evildoers and the Jews as innocent victims, while condemning Gentiles as “anti-Semites” if they dare defend themselves from such ethnic slanders?**

Perfect examples of the gaping double standard can be found in the writings of the most important editor in recent times of the most important newspaper in America, A.M. Rosenthal of the *New York Times*. Rosenthal is an enthusiastic, open-borders multiculturalist for America, but a rabid closed-border, Jewish supremacist for Israel.

Such double standards in the mass media raise other questions. Why is the world press so myopic in regard to Israel’s ethnic suppression? Is it reasonable to suspect that the bias in the press could be a result of preponderance of Jewish power? Regarding subjects such as Jewish supremacism, this domination certainly affords a reason why the term *Jewish supremacism*, unlike *White supremacism*, is never used by the press. Nor is the concept even explored. Even when Meir Kahane called Palestinians “dogs” and advocated forcibly expelling all Palestinians from Israeli occupied territory, he was never referred to as a *Jewish supremacist*.

On February 25, 1994, an American Jew, Baruch Goldstein, entered a mosque in Hebron and machine-gunned Palestinians at prayer, killing 29 of them. Some Jewish groups in both America and Israel have since made Goldstein a saint, building shrines for him both in America and in Israel. Neither Goldstein nor those who have built shrines to him are ever referred to as *Jewish supremacists* or even as “anti-Gentiles.” On the opposite hand, if a Gentile even dares to quote the statement by Haim Cohen comparing Israel’s laws to Nazi Nuremberg Laws, he will certainly find himself labeled an “anti-Semite” by the media.

The double standard of world governments and the press is often quite amazing. As I write these words, the American President, George Bush, in the aftermath of the World Trade Center bombings of September 11, is busily trying to stamp out terrorism as well as wipe out “all the evil in the world”. He does not see that goal as even the slightest bit too ambitious. Bush announced that any nation that harbors terrorists will feel the wrath of American bombs.

Not long after this pronouncement, Mr. Bush dined with one of the world’s worst terrorists, the Prime

Minister of Israel, Ariel Sharon. As the world knows, Sharon has a long record of terrorism and murder, including responsibility for the massacre of 1500 men, women and children in the Sabra and Chatila refugee camps in Lebanon. During dinner, Mr. Bush did not so much as drop an olive on Mr. Sharon. Unlike hapless Afghanistan, no American bombs have fallen on Tel Aviv for harboring terrorists. In fact, Israel not only harbors terrorists, it has elevated many to be their supreme leaders. Sharon is not the first terrorist who made it to Prime Minister; some of the worst terrorists who achieved that position are Begin, Shamir and Barak.

The double standards never seem to end. When an Israeli cabinet official, Rechavam Zeevi, was assassinated by Palestinians, Sharon and some U.S. officials denounced it as “terrorism.” But, if the shooting down of Zeevi is indeed terrorism, what do we call many years of Israeli “targeted assassination” of hundreds of Palestinian political figures, philosophers, clerics and poets? Why doesn’t the press point out as well that Zeevi was himself a Jewish supremacist who called Palestinians “lice” and has advocated their forced expulsion from the occupied territories?

One might argue that the existence of a supremacist Israeli state does not necessarily mean that the Diaspora (Jews outside of Israel) has the same supremacist agenda. However, one should consider the fact that organized Jewry all over the world *devotedly supports* the supremacist state of Israel. Secondly, there is ample evidence that policies of Jewish supremacy extend far beyond the boundaries of Israel. Powerful Jews in media and government around the world frequently act to *exert control* over the peoples among whom they live.

#### A WORLD WIDE AGENDA

Jewish groups formulate strategic agendas and act in ways that they think will serve specific Jewish interests. I think you will be amazed by the evidence I present of the media and political power exercised by Jewish supremacists around the world.

Organized Jewry can be clearly shown to have had world-wide strategic objectives since the beginning of the last century. For instance, an early 20<sup>th</sup> Century goal of Russian and World Jewry was the overthrow of what they considered to be the anti-Semitic, Czarist government of Imperial Russia. Jewish communities around the world supported the establishment of a proto-Jewish, Communist regime in Russia. They provided most of the leadership and financing for the “Russian Revolution,” a revolution that was actually more Jewish led than Russian led. Its chief financier was in fact the New York Jewish capitalist and extreme Jewish supremacist, Jacob Schiff.

One of the many startling documents I cite comes from the National Archives of the United States. It reveals that in the first government of Communist Russia there were only 13 ethnic Russians and more than 300 Jews out of a total of 384 Commissars. Let that startling fact sink in: ***there were only 13 ethnic Russians in the first Bolshevik government of the “Russian Revolution”***. The chief correspondent of the *London Times* in Russia at the time described it as nothing short of an “alien invasion” and takeover of Russia by Jews. The same was said by our American ambassador to Russia, David Francis, and by American intelligence officers in Russia. Even Winston Churchill described the Russian Revolution as a takeover by Bolshevik Jews that had “...seized the Russian people by the hair of their heads and become the masters of this enormous empire.” This is just a small preview of the startling documents found in this book.

The successful overthrow of a major national government (and murder of its ruling family) as part of a world Jewish agenda shows that even in the early days of the 20<sup>th</sup> Century they had considerable world-wide economic, political and media power. In the years since, their power has grown exponentially. Most people are still completely unaware of the paramount role of Jewry in the origins of Bolshevism in Russia and the spreading of Communism throughout the world.

The public’s lack of knowledge in the area illustrates Jewry’s influential role in academia and media. Otherwise, how could such important and easily verifiable facts of history be kept from common knowledge?

It also reveals the incredible cohesion and coordination of Jewish power around the world that can be mobilized for specific Jewish objectives. Another example of the power they wield in the highest councils of major nations was their successful effort for the establishment of Israel. From the issuance of the *Balfour Declaration* (only very recently did the world learn that Balfour was actually a secret Jew) to the founding and continuing support for Israel, to the 2003 Iraq War, they have shown the ability to get what they want.

Jewish supremacy has a hypocritical and a jealous nature. If the people among whom the Jewish supremacists reside would adopt programs of ethnic loyalty and solidarity similar to the Jewish supremacists, Jews could obviously not exercise power and control, for they are only a small percentage of the population. Only when the ethnic and nationalist feelings of the host people are diminished can Jewish supremacists accumulate enough power to achieve their agenda. A clear pattern of Jewish influence in academia, government and media aims at weakening all ethnic solidarity and loyalty among their host peoples, while purposefully encouraging ethnic pride and solidarity among Jews. There is a concerted effort to weaken the group solidarity of Palestinians, Britons, Frenchmen, Europeans-Americans, African-Americans and among Muslims in the Arab world. This pattern is present in all nations wherever there are significant numbers of Jews.

Hypocritically, the same forces that support Jewish supremacy have accused me of being a “White supremacist.” I reject that epithet, for unlike Jewish supremacists, I don’t seek to rule over or control any other race; I simply want to preserve my own heritage. Recognizing that there are intrinsic differences in culture, behavior, tradition, and even genetics among the different races does not make one a supremacist. The truth be told, most people naturally prefer the association of their own racial or ethnic group; and frankly, most people think of their group as the best. What constitutes true supremacy is when one group tries to control or be supreme over another.

#### DIVIDE AND CONQUER

Supremacist Jews fear and oppose all ethnic solidarity other than their own. In the Western nations they consistently oppose all organizations seeking to preserve the interests and heritage of Europeans. Likewise, in non-European nations, they consistently work to break down the solidarity and homogeneity of the prominent ethnic group. It is part of the Jewish supremacist *modus operandi* to foment diverse immigration and multiculturalism in every nation they reside in (except of course, for Israel), as they see a squabbling, disunited society as easy prey to their intense and well-organized efforts at control. Dr. Stephen Steinlight, the former officer of the American Jewish Committee whom I quoted earlier, puts it in

amazingly blunt terms:

**For perhaps another generation, an optimistic forecast, the Jewish community is thus in a position where it will be able to divide and conquer and enter into selective coalitions that support our agenda.**

In America, not only have they worked to weaken the solidarity of European-Americans, they actively opposed African American nationalist movements such as Marcus Garvey's movement and the Nation of Islam. Those Black organizations simply desired to preserve their own heritage rather than assimilate into a multicultural society. Jewish supremacists hypocritically want no one other than themselves to be conscious of their own heritage and common interests. They try to make other groups feel guilty for even having pride in their own culture. They paint ethnic pride and cohesion in other peoples as supremacist or hateful.

A pertinent example of this divide and conquer method can be seen in Palestine and Lebanon. Most Palestinians and Lebanese are Muslim, but significant numbers are Christian. Israel has actively promoted hatred and civil war between Christians and Muslims in the Mideast. One of the reasons that Ariel Sharon arranged for the slaughter of Muslim refugees by the Lebanese Phalangist militia forces in 1982 was to promote bitter hatred and war among Israel's Arab enemies. The diaries of one of Israel's former Prime Ministers, Moshe Sharett, exposed the fact that this was one of Israel's main tactics. The destabilization of nations by encouraging massive multiracial and multi-religious divisions with nations—has been a long-practiced strategy of Jewish supremacists.

This attempt to break down their enemy's ethnic solidarity can be explained in the context of the Palestinian people. If Israel's displaced Palestinians fully assimilate in foreign lands with their host populations and thus lose their identity as Palestinians, they and their assimilated descendants are certainly not as likely to support the Palestinian cause. Jewish supremacists work as hard for the assimilation of other people as hard as they work against the assimilation of their own.

While they attempt to break down other people's ethnic loyalty, Jewish supremacist forces in the media sponsor a chronic recital of historical anti-Semitism. Such a focus has two objectives. First, it heightens Jewish solidarity and worldwide support for Israel, and secondly, stimulates collective Jewish hatred for the Gentile world and thus lessens assimilation. The recital of Gentile perfidy against Jews also protects them from Gentile criticism, for if anyone dares to criticize Jewish supremacism, he is painted as morally equivalent to the purveyors of the Holocaust.

Another example of the great hypocrisy of the Jewish supremacists can be seen in the intermarriage issue. During his campaign for President, George Bush found himself excoriated by the press for speaking at Bob Jones University, an institution that opposes interracial dating and marriage. Of course, during the campaign, both George Bush and Al Gore made many obligatory speeches for many Jewish organizations. The irony is that every synagogue in America and every major Jewish organization vigorously opposes intermarriage of Jews with non-Jews. Of course, this blatant double standard finds no mention in America's supposedly fair and free press. Such exposure would not be good for Jewish public relations.

There are thousands of books and movies, many written, produced and marketed by supremacist Jews that condemn doctrines and

movements of racial or ethnic supremacy among non-Jews. Few books, however, dare to examine the world's oldest, most powerful and virulent form of ethnic supremacism, Jewish supremacism. It seems that if these supremacist Jews were honest, they could better write about the supremacy they know the most about: *their own*.

Of course, not all Jews are supremacist anymore than all Germans were Nazis during the Hitler era, but the fact remains that organized Jewry has pursued a successful agenda that has amassed incredible power in modern times. With the creation of Israel, they have established the most ethnically supremacist nation on earth. Even more importantly, they have managed to acquire enormous power in many of the major governments of the world (especially the United States) and today they thoroughly dominate the world news and entertainment media. My well-documented chapter about the media will prove that their power is far greater than you might suspect.

Those at the centers of political influence in the United States and other nations are aware of the intense power of the Israeli lobby. The Jewish Lobby is the one lobby in Washington that no American politician dares to forthrightly oppose. It should disturb any patriotic American to think that the most powerful lobby in America's congress is in the service of a foreign nation

#### SILENCING THEIR CRITICS

The extent of Jewish power is precisely why the general public is unaware of it, for those who know it also know the high price they would pay for openly discussing it. In America, doing so can result in damage of one's reputation, or even the loss of business or employment. Such truth telling can result in threats, intimidation and even physical attacks by groups such as the Jewish Defense League. The Anti-Defamation League, a group that supposedly opposes racial and religious supremacism, is always busy accusing their critics of racial, religious or ethnic intolerance, while they ardently defend and deny Israel's blatant supremacism. This Jewish supremacist group can ruin the business or the political career of almost anyone they choose.

Jewish supremacists have made an intense effort to weaken the sense of ethnic awareness and loyalty among Europeans. In our modern media's political correctness, it is considered "hate speech" for Europeans to speak about their love for their heritage and express their desire to preserve it. As a European-American, I do believe that my people have a right to preserve their way of life. At the same time I recognize that natural right for all the different people and nationalities of the Earth. For instance, how odd it is that the Palestinians, who have been ethnically cleansed from their own nation and denied their most basic human rights, are so often characterized as "anti-Semites" and "terrorists," while the "anti-Gentile," Jewish supremacists who have terrorized them and stolen their entire country are little criticized by the world press.

Palestinians and those in the Arab world need to understand that the source of their own plight comes from the fact that European-Americans have been prevented from defending their own national interests and heritage just as Palestinians have been so prevented. Palestinians will never find liberation in their nation until European-Americans find liberation in America from Jewish supremacism.

Although I am certainly an activist for European-Americans, I respect and applaud every people who desire to preserve their own way of life and even more vitally, their very existence of an ethnic entity. To me, ethnic survival is the most basic of human rights. It also is a fundamental human right for people to live

under a government and also a news and entertainment media that reflect their own basic values, traditions, social and economic interests. A nation under the power of an alien and destructive mass media is equally oppressed as one under the power of a foreign, occupying government. The increasing globalism of the 21<sup>st</sup> Century, driven on by Jewish supremacists, will continue to decrease the choices and freedoms of all people. Moreover, it will endanger the preservation of individual cultures, traditions, values, religious beliefs and ethnic identities. The result of globalism will be an enormous world government, one that will crush freedom and diversity as a steamroller would a flower.

The idea that government should represent its own people and not any foreign power is the driving principle of the *Declaration of Independence* and America's nationhood: the right of a people to have a government of *their own* and for *their own* interests. The preamble to the constitution of the United States puts it succinctly when it talks of a government "*for our selves and our posterity*".

In America, the Jewish domination of key United States government positions is amazing. During President Clinton's administration, the leading Israeli newspaper, *Maariv*, described "warm Jews", meaning Jews loyal to the interests of Israel, as holding critically important positions on the United States' National Security Council. *Maariv* stated that 7 of its 11 members are "warm Jews".

The beginning of the 21<sup>st</sup> Century saw Madeline Albright as head of the State Department, George Tenet leading the CIA, William Cohen as the Secretary of Defense, and Sandy Berger as chairman of the National Security Council. All are Jewish. *Jewish Supremacism* was primarily researched and written during the Clinton Administration, and as such offers a sliver of historical time. But, do not imagine that the inordinate Jewish power diminished under the administration of President George Bush. His presidency began with fewer Jews in the most visible positions, but the underlying government bureaucracy that spans different administrations is as Jewish as ever. A good example is Alan Greenspan who has served as chairman of the powerful Federal Reserve for many administrations of both parties.

In the National Security Council there has been increasing Jewish consolidation from the first days of the Bush presidency. Richard Sale of UPI on February 28, 2003 wrote about Zionist Elliot Abrams: "A staff shake-up at the National Security Council is likely to mean the United States will take a harder pro-Israel stance in the Middle East... Elliot Abrams, the controversial former Reagan administration official who President Bush last December appointed to the NSC to take charge of the Palestinian-Israeli conflict, has removed several staff members who were regarded as even-handed on the issue."

*Jewish Supremacism* will show specifically how Jewish supremacists have used their political and media power to impose their will on America and other nations although their agenda clearly opposes the true interests of those nations. An excellent example is the American and British pursuit of the Iraq War.

#### THE IRAQ WAR

It is no accident that the two nations most under the influence of Jewish supremacists, the United States and Britain, launched a military invasion against Iraq in March 2003. In going to war against Iraq, America fought against *itself*. It launched a war certain to cause more hatred and terrorism against the United States, cost hundreds of billions of dollars, and will inflict terrible damage to American economic and diplomatic interests at home and abroad. Even more importantly, it was a callous betrayal [of] the brave

fighting men of the American military who should never be put in harms' way other than for the true security and freedom of the American people.

The most famous influential and long-time proponent of the war is the ardent Zionist, Richard Perle, chairman of the Pentagon's Defense Policy Board. Perle and his wife were also founders of JINSA, the Jewish Institute for National Security. Perle and a well-networked cabal of Jewish neocons (neo-conservatives) became the primary propagandists for the war. They included many former prominent Marxists, such as Norman Podhoretz, who opposed the Vietnam War, but morphed into a conservative hawk for Israel. Podhoretz has served as editor of *Commentary*, the magazine of the American Jewish Committee. Among the Jewish Neocons were Paul Wolfowitz, Bill Kristol, David Wurmser, Douglas Feith, Elliot Abrams, Paul Frum, Henry Kissinger and even the former Marxist and Black Panther supporter David Horowitz. Back in 1996, Perle was behind a report entitled *A Clean Break: A New Strategy for Securing the Realm*. It called for war on Iraq, yet it was not written for the United States, but for the incoming Israeli Likud Prime Minister Binyamin Netanyahu. Once the Israelis decided to create an American war against Iraq, they then had to manufacture the rationale for the war, so they trumpeted their reasons why America and the world had to go to war and their Jewish allies in the mass media collaborated. Of course, Israel was far more guilty of every alleged transgression than was Iraq. But, the Jewish supremacists in the media never would draw the obvious comparisons—Here are some:

\* *Iraq has weapons of mass destruction.*

**Yet, Israel has one of the largest and most deadly arsenals of biological, chemical and nuclear weapons in the world.**

\* *Iraq tried to forestall UN inspectors.*

**Yet, Israel has never even allowed any inspections of its huge stockpile of weapons of mass destruction. Israel has even blocked UN investigations of Israeli war crimes such as Sharon's Sabra and Chatila massacre and the mass murder at Jenin.**

\* *Iraq had invaded and occupied its neighbor Kuwait.*

**Yet, Israel invaded and brutally occupied Lebanon for 18 years, killing over 20,000 civilians and destroying 100,000 homes.**

\* *That Iraq had brutally occupied the Kurdish areas of Iraq.*

**Yet, Israel has militarily occupied the three million people of the West Bank and Gaza for 35 years, a brutal occupation that has killed and maimed tens of thousands of Palestinians, forced many into squalid concentration (refugee) camps, tortured hundreds of thousands in its prisons, and denied Palestinians of even the most elementary human rights.**

\* *That Iraq was a danger to the United States.*

**Yet, Iraq had never raised a finger against the United States, while Israel had a long record of terrorism and treachery against the United States such as in the Lavon Affair, attack on the USS Liberty and the Pollard spy case.**

\* *That Iraq had violated UN resolutions such as UN Resolution 1441.*

**Yet, Israel had violated more than three times as many UN resolutions as Iraq, including many supported by the United States. For 35 years, Israel has violated UN Resolution 242 demanding a complete Israeli withdrawal from the West Bank and Gaza.**

If a case could be made for war against Iraq for the offenses claimed by the Jewish neocons and the

media, a far stronger case could be made for a war against Israel! The war against Iraq was an immoral, hypocritical war—a war fought for Israel and against every vital interest of the United States of America. It was a war that simply could not have been possible without the Jewish-supremacist domination of both the government and the media.

In America, supremacist Jews have become so brazen in their power that they publicly punish and humiliate anyone who simply acknowledges it. For simply mentioning the obvious role of organized Jewish community behind the Iraq War, U.S. Congressman Jim Moran was actually forced to resign his Democratic leadership post. *Associated Press* on March 14, 2003, reports: "Rep. Jim Moran, D-Va, was forced out of his party leadership post Friday after a furor over his remarks about the role of American Jews in a possible war with Iraq." It is fascinating to see Jewish supremacists exercise their power at the very same moment they deny such power exists.

#### **DEFENDING THE RIGHTS OF ALL PEOPLE**

I see the value of all people preserving their cultural, national and even genetic heritage. All people have the right to preserve their unique identities, including Jews. This book is about the fact that organized Jewish leadership pursues those goals of self-preservation and self-advancement tenaciously, while consistently disallowing other nationalities and races to act similarly in their own interests.

Their ultimate victory would cause not only the loss of freedom, but also the destruction of the diverse heritage and culture of all people on the earth. It is my hope that all of us, all nations and every people, while acknowledging our respective differences of religion, race, culture and nationality—will work together to defend ourselves from the one incredibly powerful supremacism that threatens us all.

Much of this book is taken from my autobiography, *My Awakening*. This book is structured in the same fashion. It is an account of my personal journey of awakening to the reality of Jewish supremacism: the *ultimate supremacism*. You will find its real power in the many direct quotations from important Jewish sources, all of which I carefully document with hundreds of source notes for your reference.

*Jewish Supremacism* is a thesis in autobiographical form. It is the story of my awakening on the Jewish Question that began when I was a young man beginning in the late 1960s. Most of my fundamental understanding was in place by the end of that decade, but my knowledge has grown much deeper over the last 30 years. Since the 1960s, much new scientific and political material has become available. In recounting my awakening, I am not trying to give the reader the impression that all the materials or studies I cite were available in the 1960s. I weave into this narrative contemporary data and documentation so the reader has the benefit of the latest information. Also, for reasons of coherence and organization, I focus on one primary area of discovery at a time, while in life the acquisition of knowledge is not so neatly compartmentalized. The reader will find some repetition in Jewish quotes that I find particularly revealing. They are repeated when especially pertinent to more than one topic.

Also, I would be remiss not to add that when I write "I learned" or "I discovered" I take no credit for original research, for my education on these subjects came from innumerable authors and their books and articles. I am in debt to them as well as to my many supporters and friends who have educated me with the insights and knowledge acquired in their own awakening. I assemble, organize, analyze and comment on materials collected by scholars and

writers from ancient times to the present.

My preface finished, I must close my notebook and come down from Aspen Mountain. In doing so, I realize that I am not leaving the Natural World, for its laws continue in the world of human conflict below. The struggle for life and freedom exists among the different varieties of mankind as certainly as it does for every form of life and energy on this mountain.

Taking part in the struggle for my own people's life and freedom is as natural as the flow of the crystal stream running down the mountain beside me. It is my hope that the European people, the Palestinian people and indeed, all people of the world, are permitted the most basic human right of all: to *live*—to preserve their own unique cultures, freedom and identity. To do so, they must resist the earth's ultimate supremacism: *Jewish supremacism*.

I would be a fool not to realize the danger to my own life, reputation and freedom that I face by exposing Jewish supremacism. But, as a loyal European-American; as a patriotic citizen of the United States and also, as one who sincerely wishes for justice for all people of the world—my duty is clear.

So, coming down from Aspen Mountain, I see the stream next to me. It follows its course.

So will I.

# Sell-Out in Paradise: One Zog Bog after Another

12/05/05—#1 (19-111)

Mon., December 5, 2005 9:26 A.M. YR 19, DAY 111  
Manila, Philippines

RE: USUAL MISH MASH HEADING FOR THE  
NEXT ZOG BOG—DJE

\* \* \*

## SELL-OUT IN PARADISE

We will be extremely busy these next few days and as you can fully appreciate we have overloaded the circuits, and the people, already—but we do the bulk when we can and when best appropriate for the others involved in paper production and frustrations.

Cmdr. has never been, of all things not, a slack-off. Moreover, he gives faster than I can either receive or type. So be it for at the least we anticipate some areas of consideration as to “action” upcoming.

No, don’t rush to update anything for we are a long way from being able to even consider much of anything outside our nose to this grindstone until worn off sufficiently to keep it out of others’ business.

We have certainly learned the humor in “imminent” and especially after coming to Philippine time and space where crying doesn’t help and neither, it seems, does any other kind of prodding or push. Bribery might work but I haven’t seen it do so yet!

I know that time spent in limbo sorting the VKD “barrage” is worth every minute in order to get past the trash, garbage, fraud and into ability to do something when we wade through the equal ongoing hassles so abundantly found here.

Digging, however, seems to produce the same, but different, results in gaining more backup, documents, court rulings of the non-tampered variety and each step is a bit of celebration.

Yesterday some of our people, *sans* us, went to investigate a big project to be turned into a major rail terminal, shopping center, etc. It is rather fun to note that the whole thing IS ON OUR LAND! That indicates a major fraud working in titling land around these parts and some of the Tiapans involved might just get serious. The land is not yet utilized so it is clear and Cenon is off today to dig up maps, final rulings, etc. before they go to confront and negotiate. This could mean “nothing” or “possibly something”. We just want some BIG PLAYERS on our side to push the courts into having to let us in to our assets at that Bangko Sentral. If we thought courts and “justice” were bad in the U.S. (WHICH IT IS), it is nothing compared to here where manipulation, stonewalling and actual breaking of their own laws is mandatory action.

We note today, however, that the “opposition” is getting a bit more restless as the team of President Gloria Arroyo (GMA), former president Fidel Ramos (FVR) and House Speaker Jose de Venecia (JDV) ARE ACTUALLY DOING NEGOTIATIONS WITH CHINA TO SELL OUT THE MAJOR ASSETS OF THE PHILIPPINES. Oh, good gosh, they say it is because there are no funds to maintain so sell-off is the only way to go—by force of outside pressures. Well, again, we’ll see what it takes to even get attention! Those three parties certainly DO NOT want to hear anything about us or this Foundation. Hanging

in the streets is not nearly sufficient for these incredible acts of treason.

Worse though, is that in an effort to get it done and get out quickly they have to push harder to avoid our ability to solve these problems.

It is time for the head honcho Chief Justice of the Supreme Court to step down and be replaced by the end of this month. Wow and oh wow! Will it be worse or better? Well, it can’t be “worse”. This one, Divide, has done EVERYTHING he has touched with total breaking of the laws and THE CONSTITUTION. He personally saw to it that unconstitutional GMA was sworn into office without any legal merit AT ALL.

Will people get upset enough to change things? Only GOD knows—not even our hairdressers as the old Miss Clairol ad went.

We are constantly given dates for “change” and we ignore them for like “imminent” it seems NOTHING happens. Now we are again told the change will be by mid-January. We don’t even ask what happened to the reported “mid-November”! Now, in addition, today some of the armed forces have threatened heinous things if GMA doesn’t resign in seven days. I would certainly suggest that it probably wouldn’t do a thing except look as stupid as it has become.

By the way, don’t err in assuming because we use the term “Taipan” that it means “Chinese” necessarily. Even though the major Tiapans here in the Philippines are basically “Chinese” they are successful FILIPINO BUSINESS MEN.

Yes, they do have Chinese names like Go, Sy, Tieu, Tan and so forth—but they have made their way HERE and not “there”. We wallflowers are just starting to dance with some of them. We are confident that MONEY will get some attention one of these days when a “clear title” is important enough to be able to build and do it right.

We note that these businessmen stay pretty much OUT of public political hassles but are POWERFUL when the rubber meets the road. Moreover, they are not afraid of the Big Boy foreigners and the ones we know best have their own banks so that with reserves they can move smartly ahead as they please. The major thing is to bring TRUTH and POTENTIAL to their serious attention after getting through the interceptors blocking all access. We WILL get there if we just live long enough and if not, then our buddies who are getting more functional and daring can, we believe, later push some things right through the “uprights”. We have kept the controlling parties in number enough to maintain control and all who come now are simply added to the Advisors list. They can dicker all they like, gain all they want and yet we can remain strong since we are NOT listed as other than a FOUNDATION and we at Global Alliance are keeping the corporation so tight as to negate playing games. Same with Cosmos Seafood Energy Marketing Ltd. WE WILL NEVER “GO PUBLIC” OR ENTER ANYTHING ONTO A STOCK EXCHANGE OR PUBLIC OFFERING OF ANY KIND. BOY, THAT IS A LESSON “LEARNED”!!!

We simply keep no profile in the U.S. as we have no need for more than our corporate address. We keep a phone listing here but “do no business” so that we remain clean, clear and open for all inspections.

Moreover, either or all entities can do business as appropriate with ANY ongoing or already listed company and remain with our position in our major functioning companies. Twenty-five years of hard lessons in Corporation structure and knowing the laws regarding Foundations, etc. is worthy of note. The alliance can even maintain a fully debt-ridden company as we too will borrow any funds and leave the security secure. CONTRACTS are very good!

I simply cannot handle having anything ever again. We can make it with a bit of help and some loans and a few “perks” in lieu of pay and, along with our pensions which are not very large—MAKE IT THROUGH.

We will pay debts and keep it simple and move right on as we are. Even the price of gold is “on our side”. I wonder how much 400,000 tons might be worth even today? We are confident it is enough to support with our reserves, when recognized, and do the jobs waiting—along with meeting our needs for resources expended and holding for accomplishing this journey to “Paradise” to put this program together and make it functional.

If the bad kids have actually stolen the gold that is supposed to be in that vault they will then certainly have to accept our reserves while they GET IT BACK. That, however, is for the higher-source management “team” to both determine and get the key to the vault.

It remains interesting to note that we still feel “without” as Christmas approaches and our hearts and dreams want to give, give, share and give! All the while the very meaning of CHRIST is in the unfolding and the abundance is beyond price or ability to count. We can certainly go one more season while pushing a bit harder on “toting that barge” and “loading that bale”. Our own camel is standing by awaiting his load even if our backs can’t handle many more shocks of straw.

I feel extremely grateful for E.J. because he doesn’t get as absolutely frazzled as do I. He not only has to sort and know what to do but has to accept and integrate all that is poured in through me (big job every day as the secretary taps away) and meanwhile has to have all the answers for the dear people who have no idea what they are doing. Ah but—bless our little team as THEY ARE LEARNING! Doing business with GOD is an interesting turn of events and attitude adjustments. Well, it is the price of having someone to run interference for us as we paddle along in our flimsy canoes. I can even see WHY we aren’t given the whole of the story for we are an incredible bunch of impatient and opinionated experiencers. But, we are ready to be ready. Prepared? Hard to evaluate our position on that matter.

We have taken a few gallons of water to our catch and hold cell down below and kept plenty here

## NO TRUTH IN HER

*VK Durham, would-be Queen of the World, as seen in a picture taken eight years ago, holds out a false image of herself to the world on “her” website <TheAntechamber.Net>.*

*Such deception would be merely pathetic if it weren’t for the fact that VK Durham has done everything in her (limited) power to prevent fruition of God’s Plan by disseminating false information around the world which MUST be confronted and opposed by truth. (See Public Notice, page 15.)*

NO TRUTH IN HER

in case the water system goes down. It is serious time here as water is pretty bad already. Fortunately there is a holding tank on top of this building but not enough to last through an emergency longer than a couple of days and NOTHING is fixed or replaced in just a “couple of days”. Ah indeed, First world chaos in Third world existence.

We have to note that the U.S. has turned into a true and verifiable “police state” and getting more locked down by the minute. Why couldn’t we have seen it before it happened?

This place is a confusing mess of everything and certainly we have grown to love having the police ON DUTY when they aren’t creating the crimes to begin with. However, it is truly wide open for various things to happen—IF WE CAN GET ON WITH IT.

There is one thing to consider about such as the U.S., however, in considering the status of all things considered. It was pronounced 25 years ago by an outstanding Jewish lawyer and his associated organizations that the U.S. is the “now” “homeland” of Israel. I have taken a bashing from some persons we know and disrespect on that topic but it is nonetheless now RECOGNIZED by everyone as to being so.

The “good” part of that plight is that total destruction of the nation as a whole is not healthy for the “take-over” people. We are confident that “useless eaters” will be sorted and somehow put away—but there has to be a fundamental base of citizens to remain productive for the use of the slave-masters.

The same hard-line players are infiltrated HERE as well and certainly we do not expect easy “give up” nor do we expect full-out change—BUT, we have something they want and it is not going to be too good for them to simply “take it”—we dream on. The facts are it would be more intelligent on their part to let it work and then try for the real prize. So yes, we expect that event to come about as well. But NO, we have had NO shelter or help from any of those Big Boys VKD has promised and bleated about sheltering our assets. We do not “fool” ourselves. Moreover, we have learned the HARD WAY along this journey strewn with land mines.

I have been caused to consider whether or not it is reasonable to share things and have been encouraged to just be careful with identification of certainly parties involved and don’t leave open an attack route from the Internet Chambers of Horrors, Lies and Disinformation. It is just that we don’t want the headaches it brings for otherwise it can only help us.

We can limp along but we have NEVER considered ourselves either more important or more special than any other of YOU. That is just a fact and therefore we need to share as much as we can so that you too can participate, if nothing more than in the mind and soul. That, after all, is ALL WE REALLY HAVE ANYWAY.

We are in a place now where we can see the frantic push of commercial focus as Christmas nears and, as well, the anticipation of many of the independent people going out of business immediately after the big fling. Nothing, however, really hides the blight creeping across the globe as we all play at games of pretend, hide your eyes and seek to find something instead of the “ugly”.

It looks like, from this distance, that even the Katrina mess in New Orleans is getting worse and worse as people remain displaced and most don’t want to change from their newly-found security that they did not find BEFORE the big rainy day in August. It is no better in Indonesia and for goodness sakes, they can’t even collect enough money through aid or the UN to get the Pakistani displaced people through the winter. Depopulation is dead ahead—full steam. And yes indeed, it must start with the most miserably

downtrodden and hurting people on the face of the earth. They will just die and go away for their voices are silenced with the whim of the controlled media. It does in fact, make China look ever so much better than I had been taught to recognize. Freedom? My goodness, whatever in the world can THAT mean? Who will ever take note of the death and disease in Botswana, Africa?

Well, we have some good news from some areas as there is serious consideration of the massive programs for MAJOR irrigation projects moving right on in Sudan and India. When those areas begin to “bloom again” we will have both feet in the door even if they are a bit mangled from the scrunching. These people are getting SERIOUS. So, to VKD I would have the following to comment: WE HAVE BEEN, AND ARE BEING, INVESTIGATED AND FRANKLY, NOT FOUND WANTING. And THAT is a good enough Christmas gift for me. VK has NOT fared as well. Trust? Gee whiz, go for it for we only will use a tiny portion of the whole of the asset. Unfortunately for her, however, we hold the corporation which owns the asset. We hope everyone in the world who wants something will just go to her straight away.

Do we tremble in our shadows? Goodness NO! GOD WINS, people—not the adversarial frauds. However, everything has to be established within the law(s) and documented for it is a human process and “magic” games won’t cut it. We must, however, continue to hold the scrimmage line. There are too many ways to fumble the ball and super-glue is not allowed on the ball itself because of a recognized cause of sticky-finger disease.

Things always have their own special brand of sick humor and here is one to share when realizing that this country is totally bankrupt: We are drawing up legal papers announcing to the “people in charge” (I don’t know who that might be) terminating the zillion-year LEASE contract with the Philippines for use of our Foundation gold. Now, realize that the lease payment has not been made and is now owing up to into the hundreds of billions of dollars. BUT, we have documentation that recognizes the contract AND an extension on that contract after it concluded and which expires now along with 2005.

The lease payments were apparently made up through 1968 and thus Mr. Marcos must have, as President, honored some of the agreements. We just smile and watch the lawyers enjoy themselves on the right side for a good change.

Our “judge” will come to the meeting tomorrow and can clarify his rulings because he is EKKERS’ lawyer—to keep us out of trouble and preserve GAIA’s position. Since he updated all the rulings on the Foundation assets “last” then he is a true asset all in himself and yet keeps totally without conflict of interests in the legal matters. It helps us make better choices. Of course it matters little in the outcome for the most part as we find that the Court of Appeals has no jurisdiction in our matters but stalls everything ANYWAY. Oh well—!

Please remind me again what it’s all about, Alphy! I’m asked how in the world we “keep up”? We don’t! Perhaps it is actually better this way. I just wish to be a little bird watching them get a cancellation of our “lease” arrangement all nicely legal and terminated. That will be followed by a BILL!

On the way home from across the driveway just now I realize just how this hurts and that hurts along with no air, bad air and lungs that don’t do well with any of it anyway and I realized the whole problem. It actually made me feel better about everything in general to just realize the problem is: I’m “ALIVE”. It made it ever so much better even to have to stop every third step. “Alive” is good compared to the alternative.

As to the other interesting challenges in our

lives? Well, one is the new little Singer sewing machine which I have been tempted to toss out that 25<sup>th</sup> floor window. I cannot so much as program a VCR and that was before DVDs. The machine is, ok, Singer—right? Perhaps as one model comes from China (mine) two others from Brazil and NOTHING from the U.S. inclusive of “instructions”. What an exasperating game as we can’t get bobbins that fit and are “out of stock” and nothing worked at all anyway. Ah but, not to be outwitted by a machine with a needle in it—I persevered and after using 25,000 feet of thread I did, by golly, sew a six inch repair seam. I then proceeded to sew on some nightgown lace having parted from its place some seven years ago. Now I have the thing stuck in “zig zag”. My goodness, I can’t even thread the needle as I’m sure they have changed to needles with no eyes. Now Ellen can see why I need those 4 power readers. I can see that getting those pants all shortened and taken-in (good for the spirit to need it) is somewhere between zero and minus-100. Of course I bless TwoBy for the machine for I am truly grateful but often point my finger at him and blame him for thinking of me. I “used to be” so good at those things and now I can’t figure out where the light is. EJ is smart enough to stay OUT of the room during these training sessions. Problem is that there is nobody else to show you how—all those people who help are out of stock as well. I will, however, have pillowcases with at least seven seams along each side—including the side in which you are supposed to insert the pillow. Where are those scissors—that came with the machine—free no less.

I do love the way these people handle things, however. They present you with an instructions book that covers some 4-5 different models of machines. The first task is to try and decipher just which model is in front of you and go from there. Come to think of it, one seam might have been a miracle I fail to fully appreciate.

What did impress me was that in this land of Wonderment they do have perhaps four or five “manual” machines with treadles. Amazing it is for two of them are made to use “cams” for different stitches up to 36 different ones. I started sewing on an old treadle machine and was so tempted but it was out of my price range and had to come with a cabinet (obviously, Doris) and there was no way to justify such an exercise toy. I’m not sure that I can longer walk and talk at the same time and much the less, move those feet and stitch at the same time. Perhaps some day after riches, I will give it a try for there are so many here who would give a finger to have such a treasure when I go away. I just can’t get over how truly helpless we are when we are without electricity. Moreover, I am confident that will be one of the biggest things to take away from us so that nobody has any idea even how to survive. Just cut the power which cuts communication and all else falls down according to plan—even ability to purify water enough to scrape by. My goodness, we slept far too long!

I will make an effort to get a note off, at the least, to our children to explain why one more year they have to rely on old Santa for that sack full of goodies. Our time is coming and now I can always make them some pillowcases which NO ONE WANTS, but not this year for sure. So watch the pretty trees and enjoy some wassail and hum if you can’t sing along.

Please, each of you, tend yourselves well and find joy—for too soon it is a consideration as to just breathe regularly. God blesses us each and we have to assume that if he chose us, we must be able to perform. When HE says: “Take my hand and I’ll fly you there!” note that I am packed and READY and look forward to seeing a lot of friends.

ON THE PHILIPPINES!—GCH/d

## HAVING YOUR INTEREST HELPS!

Most of you have long forgotten the early messages which we poured forth and sometimes two books a month and this continued until in this 19<sup>th</sup> year we have published hundreds of volumes and have as many more waiting for the press as participation in “events” and “jobs at hand” took precedence.

To you who might be waiting for our more earthly adventures to conclude in our favor I want you each to know that YOU (yes, YOU) are, IF INVOLVED, carefully chosen, respected and CAN PERFORM AS NECESSARY IN THE CAPACITY OF YOUR POSITION—AS ACCEPTED **BY YOU**.

It is time to further remind you of how things WERE AND ARE! Debating and arguing over opinions and perceptions is fine but unworthy of righteous realization. You ask God for help and solution, HE SENDS IT, and you argue and turn away in your bog-fog of what OTHERS say or do and pronounce upon you. So be it.

I again have your attention as we speak of those “extraterrestrial” things and beings still quite invisible to your sensing manifest bodies. Mostly this is because you have now been trained as puppets to accept what the enforcers of “how it will be” have drummed into your brains and subconscious minds like daily poison.

The ancient elders REMEMBER but quickly now that too shall pass for the very tribal “Wisdomkeepers” are moved on and the “modern” world with its vices and hate has replaced the TRUTH. Crying over it will not help for just “knowing” does nothing if action is not forthcoming in some level of understanding. Sometimes you simply have to find a level of acceptance in that which is sent to help you in trust and faith of recognition. DISCERNMENT IS ALWAYS MANDATORY LEST YOU BE LED COMPLETELY ASTRAY AND DEEPER IN DESPAIR.

I am not going to have my scribe take the hours required to completely re-present that which is already written but it is certainly time that you refresh your memories and yes, indeed, get the books AGAIN and actually help, at the same time, carry the burden which must be borne by the load carriers in this venture through the worst of time and space on your planet.

I have no need to be dramatic or frightening for what we offer has long been offered and expected while the ultimate PROMISE was that the “word would go forth to the four corners of the world that all would be reminded and warned of that which would follow.” That being noted as we write in

this new Millennium already now moving into its sixth year. This means that what we wrote on this particular topic in 1992 is now over a decade ago.

Two volumes to bring to your attention are *THE DIVINE PLAN VOL. 1*, Journal No. 50 and *DIVINE PLAN VOL. 11*, Journal No. 57. Therefore you will note that a very, very important series of Journals came in the middle called the **TANGLED WEBS** Series: *The Funnel's Neck*, *Marching to Zion* and *Sex and the Lottery*. **Each one is as important as another so don't be stingy with yourself for this is the truth of the journey and unless you KNOW it you cannot possibly participate.**

As to you who would want more about “stargazing” I suggest you also consider the Journals we offered on Pleiades and the Cosmos along with whatever Cosmology was allowed to remain in our “rewritten” journals for some of the first were **BANNED BY THE COURTS**.

Some of the books will by now be out of print but I do believe it is time to again run a list of Journals available for readers' information and consideration.

It will probably also be noted as you acquire books that there is OLD information as to publisher, etc. **I THEREFORE ASK THAT EVERY BOOK SHIPPED BE GIVEN AN INSERT, IF OTHER THAN CURRENTLY APPROPRIATE, WITH CORRECT PUBLISHING INFORMATION. THOSE INSERTS CAN BE PRINTED IN BULK WHERE NECESSARY AND SIMPLY NOTED AS EACH ORDER IS FILLED.**

Please know that every cent from the Journals moves back into keeping publication, especially of the paper, going. And no, readers, most of your acquaintances will STILL think you are somewhat NUTS. Nobody WANTS to hear TRUTH for it is uncomfortable and, if believed, requires assumption of some responsibility of which nobody wishes to be saddled as long, especially, as “someone” (anyone) ELSE will bear the burden while you “wait”. It really is a lonely task at this station while the jobs are myriad indeed. Energy is oozed out like hemorrhaging wounds from my people for it is for “me” they bear this load and it is most often unacceptable for dharma cries out that it is “enough already”. Well, until we are finished it is NOT ENOUGH ALREADY OR OTHERWISE.

A petition of the moment has now represented that camel's back-breaking “straw” that bewilders and brings hurt to the heart as one more “take-on” comes up from an already overloaded entropy pile and which has nothing to do with our program—but relatives of others with a severe back-problem. Where does it stop? It doesn't, don't you see?

Turn from the moment, dharma, and let us consider our ongoing writing here underway. I think it better in wisdom to ask you to, before we move further, copy the back cover of the *Divine Plan Vol II*. YOU NEED TO BE ALSO REMINDED OF THE “PLAN”—THE UNFOLDING AND COMMITMENT “ACCEPTED” FROM “THEE TO ME”.

[COPY: Summation, Oct. 1992:]

GOD, TOO, HAS A PLAN 2000!

DIVINE PLAN, VOL. II

By Gyeorgos Ceres Hatonn  
A Phoenix Journal

[Excerpt from front cover:]

*“In the beginning is reflected that which would come to be.”*

*WILL YOU COME AND WALK WITH ME? I AM BUT YOUR BROTHER COME TO HOLD THE LAMP UNTO THINE STEPS THAT YOU MIGHT ALSO FIND YOUR WAY HOME. BUT IT IS FOR YOU WHO MUST DETERMINE THE DWELLING PLACE OF YOUR CHOICE FOR FATHER HAS MANY MANSIONS AND MANY PLACEMENTS AND ONLY YOU CAN DETERMINE WHEREIN YE SHALL DWELL.*

[Now to the back cover for a quoted excerpt:]

*“Did you not KNOW that God Creator has a Divine PLAN for the unfoldment into LIGHT? Would HE who cherishes you as self allow you no port unto which to enter and find refuge? Ah, but you thought - -? No, if you perceived there would be no plan by which that of evil would be put down, then you erred in knowledge and must attend, better, your lessons. YOU turn from GOD—GOD TURNS NOT FROM YOU—EVER!*

*“How think you, however, that you can understand and act wisely and clearly upon or within a ‘Plan’ when you are still in ignorance as the babe with experience yet to be unfolded? You must learn that which was in the beginning and understand that which has come to be and now, WHICH IS! Although it may seem unclear and the doubts beset your way—in your reason you can know that which IS by its signs and actions all about you—NOW. These things did not come upon you only in the yesterday—these things of today have grown and become the octopus smothering you—since onset of the ‘play’.”*

[END COPY]

Perhaps I need to also refresh the reader's memory in that “dharma” has NEVER received even one cent from any of the books, the paper or any product which she herself had to “create” and bear responsibility. I tell you this because it is somehow “assumed” that any work FOR GOD must be returned with boundless wealth as enemies shout and spew, total joy and luxury, etc., etc.

NO, that assumption is incorrect.

In the early writing days, the GREENS of America West Publishers did clear about \$200,000 a year and did “take” the first 50 Journals as their own. They literally “stole” 110 THOUSAND volumes and which were ordered RETURNED, by the courts. There was an additional “Settlement Agreement” with an additional \$25,000 plus \$1,000 “sanction” which was never collected by failure of the lawyer to do other than spend the Trust Funds while rendering NO SERVICE. Nothing ever happened as somehow George Green “misplaced” them and then said they were destroyed by a flood in, yet, Carson City, Nevada. It is much like the gold that Green buried in his backyard for himself which belonged to “us”. Now, please, realize that perhaps dharma has a bit of a right to feel somewhat used and a lot abused. By the time of “collection”, finally concluded, Ekkers were in the Philippines so nobody carried the “ball”. Oh well? Oh well.

Hatonn will fix it? Indeed, I CERTAINLY AM! Meanwhile we LEARN OUR LESSONS!

A recognition you all must come to appreciate is that GOD PROVIDES THE “WAY” AND THE “WORD”—**YOU MUST DO THE JOB.**

**GOD HAS A DIVINE PLAN TO MOVE INTO PLACE IN THIS TIME AND SPACE BUT “YOU”**

**ARE THE HANDS AND FEET WHICH SHALL  
“CREATE” THE MANIFEST AND  
ACCEPTABLE WAY. WE GIVE “YOU” THE  
PLAN AND “THE WAY” BUT IF YOU WANT  
CHANGE AND COMPLETION—YOU SHALL  
DO THE WORK. THAT IS THE BOTTOM-LINE  
WHICH SOMEHOW RELIGIONS FAIL TO  
SHARE WITH YOU IN YOUR JOURNEY TO  
“SALVATION” AND “RAPTURE”. SO BE IT.**

God has now provided you with the most important one holding on the face of the globe along with the very ability to back it with HARD COLLATERAL COMMODITY. And yet still we must confront the dragon-King at every breath. Well, you were never promised a Rose Garden or even thornless roses of any kind. Many come and many claim to want to participate UNTIL — ! The minute there is personal “call” there is an evaporation process which takes place and people learn to become “invisible”—a trick we can all appreciate.

Ours is not to “complain” but neither is ours to be the endless “Goodie two-shoes” or “Pollyanna” grabbing at Pandora’s leftovers from the “Trouble Box”. Blame comes from every direction and insinuations of our “taking” and living somehow in “life-styles” of luxury while hiding assets from certain individuals who actually have better knowledge as to truth than what is publicly offered in accusation-mode. The debts will be repaid but as with the sharing, it was well understood as to circumstances while the hurt becomes great in the human heart when such things are thrust against us. “I” use it as absolute “sorting” but the human expression is wounded and feels “failure” in performing in the face of such devastating losses as to bring us to our knees, for if my people are on their knees, THERE TOO AM I AND SHALL REMAIN FOR AS LONG AS IS REQUIRED. And yes indeed, YOU TOO ARE “MY PEOPLE”. Thank you for allowing this interchange for the “refueling” stops are far apart with few in-between.

It is, however, that I MUST HAVE MY TEAM moving ON no matter what the interim circumstance for it is only through this integral trust and duty done that we can accomplish the task and attain the goal laid forth.

I know that you readers don’t take much stock in our saying that we are preparing a place for YOU—but that is exactly that which we do. YOU are going to need some alternatives and hopefully we can achieve some of those alternatives before you in the U.S. fall into total collapse or disaster.

Ah but, you say, you do not want to live in a third-world trap of corruption. So be it for that is what we are about and THAT is to bring this up from the trap it is in and bringing possibility of “survival” (frankly, for your very bodies as now established)—nearer the equator where devastation from magnetic shifts and wobbling can best be stabilized.

Ah but, you don’t want to live here? Fine, but our accepted responsibility is to make a place, secure that place and tell you how it is going to be so that you can make your choices in wisdom and with intelligent action. You don’t, certainly, have to go ANYWHERE except to your “grave” if you die.

This is a job with nothing but confrontations and piles of foolish accusations. We are NOT your spiritual gurus or your psychic know-it-alls. We are in knowing what is expected from your idiots abounding but to push and shove is not among our daily chores even if it appears to dharma otherwise.

To accomplish our “duty” we must make sure that we can offer jobs and placements for both security, living and an ability to, yes, make intelligent choices before the NEED OF FINAL SOLUTIONS. This is actually offered as “no more—no less”. It is not today we flit away to Wonderland through the

looking-glass and that is all we have, this day, to even consider—BUT WE WILL “GET THERE”, chelas. KNOW IT!

Ah but, others of you say: “Mr. Scallion says that the Philippines will be gone.” Oh? And who is “Mr. Scallion”? You had better check out the deepest ocean trenches on your globe and recognize where the support commodities have been laid aside for your use in a time of such global change. GOD NEVER LEAVES YOU WITHOUT SOLUTIONS, EVEN TO PLACEMENT CHOICES. But NO, today is not even for consideration for such hop and flit about to here; you would not thrive. By the way GOD can judge “time” far better than can you in our assumption of self-intentions. And no, we will NOT ACCEPT even one more bit of load for we have a job to do. These points are for your consideration as days begin to look darker at the hands of the enforcers and corrupted super-manipulators. We still have hounding enemies who must be “contained”, rebutted and moved “beyond”.

We do not separate the activities in the Philippines and the Foundation as in any way separate or apart from Global Alliance and here we come right up against the strongest and most powerful players IN THE WORLD. Be kind to us and also a bit patient.

I don’t wish to discuss this more at this time but we too must consider our steps as we enter into a new year and a new perception. We always need a few course corrections and detail wrap-up needs.

Your spiritual “Christmas” message must also be appropriately and honestly offered for we must spiritually and emotionally make it through the difficult times of mind-push and pull. WE CAN DO THIS, FRIENDS, and WE SHALL DO IT.

For you who are weary and a bit down-trodden let us move out of sequence and see if we can boost your own “feelings” with a bit of reminding of TRUTH and circumstances (consequences?).

I think that the most appropriate reference for this minute in time and space is to simply re-run the writing which is the “INTRODUCTION” I wrote for Vol II as referenced above. Then, please, get your books and STUDY them for you need fuel in TRUTH for your journey and most of you are about to run out of “gas” so to speak.

**INTRODUCTION**

WED., OCTOBER 28, 1992 2:32 P.M.

YEAR 6, DAY 73

WRITING NO. 4 (OF THE DAY)

*(So there have been MANY days of weariness and fatigue to meet our needs.)*

Did you not KNOW that God Creator has a Divine PLAN for the unfoldment into LIGHT? Would HE who cherishes you as self allow you no port unto which to enter and find refuge? Ah, but you thought - - -? No, if you perceived there would be no plan by which that of evil would be put down, then you erred in knowledge and must attend, better, your lessons. YOU turn from GOD—GOD TURNS NOT FROM YOU—EVER!

How think you, however, that you can understand and act wisely and clearly upon or within a “Plan” when ye are still in ignorance as the babe with experience yet to be unfolded? You must learn that which was in the beginning and understand that which has come upon you only in the yesterday—these things today have grown and become the octopus smothering you—since onset of the “play”.

It is not that valid information is not present, actually flourishing, all about you from the same “beginning”. It is simply that you did not notice when

it was changed, tampered, rewritten to gain power and control and then became a deliberate intent to displace all of God—into the physical expression and control of the Evil of the physical dimension. It is that integration of Truth and history which is our intent. Not even in “allness” do we offer the story unfolded unto you—only that which causes you to go and research for your confirmations. We cannot give the “whole” of ALL in but a few journals, nor do we wish to effort at it—for great beings and men throughout the years have offered Truth—but you failed to grant them hearing as the evil adversary has swept across the globe in the never-ending plan of global domination and enslavement, depopulation and sustained ignorance of the soul of man.

Many of the “great” are not honored by my recognition of them—for they too perceive me as a hoax of some kind. How think they that God would present HIMSELF? How do you have promise of the Hosts and then not allow them hearing? It is fine, for those of whom I give recognition will some day understand and recognize that honor for the infinite greatness which it is. It is a “spiritual” transition and, therefore, it shall be through the path of spiritual expression that you will come into KNOWING. This means that it is not through sleight-of-hand, fortune telling and magic tricks of photography or even reality of presence that understanding will come. First must come the understanding in perception and THEN can come the presence in that which you can recognize in your physical expression.

This means, therefore, that you must face the truth of who you are, how you got here, wherefrom you came and began to experience in this place—then meet the “Beast” sent to destroy—and stand in Godness strength to dissolve this entity of destruction. You are given the tools by which to accomplish the mission if and when you recognize them. You would not accept them if they did so. Why do you not use thine reasoning gift of wisdom and top hiding in the dark corners of enforced ignorance? You have accepted the bindings into ignorance for so long that you no longer care beyond that ignorance or sham of lies.

Your personality, in fact, has become so engrossed in trying to get rid of or to exchange many of the things I have given you for other things you thought were better, that of course you could not and some still cannot even dream, much less acknowledge, Me or that reflection of your own self, as The Giver. I only represent the I AM which is also YOU. My own expression can only be fulfilled by the very acceptance and recognition of ME as that reflection through the expression of GOD CREATOR in the Lighted KNOWING.

Possibly you do not acknowledge Me as The Giver or the representative of The Giver, as the Inner Essence and Creator of all things in your world and in your life, even of your present attitude toward these things. For you must find in the infinite understanding that I am but a portion, as are you, of THAT WHOLENESS OF SOURCE.

Both are My doing just as they are YOUR doing, for they are but the outer phases of the process I AM using in the expression of “Idea” of your inner Perfection and calling upon it for attention and recognition. This Perfection is My perfection and that of our Source gradually unfolding from within you. Not mystically as in a fog—but in reality as in progression into the solving of the mysteries.

As you more and more realize this, will the true meaning and the use of the things, conditions and experience I bring be revealed unto you. For you will then begin to glimpse God’s Idea Within, and when you glimpse that Idea will you begin to KNOW Me and He who comes with me in my journey within your

own. This is when you recognize your REAL AND OWN—SELF.

Before you can truly know God, however, or the PLAN of GOD in understanding, you must learn that ALL things given you by we of the Hosts and reflection of God are of necessity in perfection of “goodness”—and, that they are for *USE*. *They are not simply for the holding in being, but the movement of the thought projection of that which is ALL-lighted presence of motion and expression in experience. The Truth can be of nothing in value until ye take unto thee and use of it.*

God, through us, or others of YOU, may be expressing through you beautiful symphonies of sound, color or language that manifest as music, art or poetry, according to human terminology, and which so affect others as to cause them to acclaim you as one of the great ones of the day. However, if you do not use that expression—NONE can ever hear or see that which was meant by God to be their gift THROUGH YOU. The ultimate plan of GOD is the fulfillment of this expression in the reflection of that which HE IS AND YOU ARE.

I dislike the mundane to make a point—but chelas, as with the prince and the frog—there are many frogs before comes the Prince. IF YOU CANNOT TELL THE DIFFERENCE BETWEEN THE FROG AND THE PRINCE—YOU CANNOT REACH A GOAL. THE ONLY ONE, IN THIS CASE, THAT I CAN SEE AS BEING IN BENEFIT—IS THE LADY FROG FOR SHE IS MORE APT TO FIND HER OWN “PRINCE” THAN ARE YOU TO FIND YOUR REAL “PRINCE”. Mostly, you will find the “toads” take the path to confuse and distract and spew their noxious spittle upon you. Does this insult the “toad”? In no way—for it is through your own lack of knowledge that you would tread upon the toad in the first place. Perhaps it is time you came to recognize a frog from a toad—and the “Prince” will come into proper perspective?

Almighty and infinite God Source says unto you brethren:

***“You are ONE WITH ME. I AM in You, in Your human personality, in Your body, mind and intellect. I AM in every cell of Your Body; You are an Attribute of My Mind; You are a Faculty of My Intellect. You are a part of Me, yet You are Me, My self. We are ONE, and always have been and so shall always be!”***

**HOW DO YOU REFLECT THIS WONDROUS BEING WITHIN? DO YOU HIDE IN ACTIONS WHICH CAUSE REMAINING IN THE DARK CORNERS LEST YOU BE SEEN AND KNOWN IN ACTIONS LESS THAN GOODLY? OR, DO YOU SEEK AND STRIVE TO WALK IN LIGHTED PASSAGES AND BEAR THE LAMP OF TRUTH IN REFLECTION WORTHY OF YOUR GIFT OF LIFE? WHERE DO YOU CAUSE CHRIST-GOD TO EXPERIENCE?**

**ARE YE WORTHY TO KNOW THE DIVINE PLAN? SO BE IT!**

I am sorry, students, for truth and knowledge will not come unless you make an effort to expose selves. It does not somehow, like a virus, jump onto you and become you.

We have done the work so that YOU can have access to TRUTH and THE PLAN. It is now up to you that which you will do with it. You will “bother” to come into knowledge or you will pass in ignorance and that choice is solely your own.

*This issue’s lead story was prompted by Dr. David Duke’s recent speech in Syria, which stirred up a hornet’s nest in Western media. The reaction in Syria itself and elsewhere in the region, however, was quite different.*

[QUOTING:]

## DR. DAVID DUKE IMPROVES AMERICAN IMAGE IN THE ENTIRE ARAB WORLD

SGT—Damascus, 11/25/05—translated by GMT Int’l.

Officials in the Syrian Public Relations Association say that Dr. David Duke, a former member of the House of Representatives in Louisiana, has dramatically improved the view of the Syrian people and the entire Arabic Middle East toward Americans.

An antique dealer in the Old City of Damascus said, “Dr. David Duke made me realize that the American people are quite different than the Jewish extremist Neocons who now control American foreign policy.”

Jameel, a coed student at the University of Damascus said that she now realizes more clearly that in some ways America is occupied much like parts of Syria such as the Golan Heights. Here, the Jewish supremacists do it with guns. In America they do it through media control and political bribery. We are all victims of the same problem.”

Dr. Habash, one of the major leaders in the Syrian Parliament said:

“Dr. David Duke’s wonderful visit has given us a new and very positive view of the average American. Syria has never in anyway harmed the American people. Israel has committed terrorist attacks against America both in the Lavon Incident and the attack on the American Ship the *Liberty* when 34 Americans were killed and 173 Americans were scarred and burned in a terrorist attack by Israel. Syria has never spied on America or harmed America as did Israeli government spy Jonathan Pollard. It is Israel that is America’s real enemy as Parliamentarian David Duke has proven.”

The Grand Mufti of Syria, the respected and preeminent Syrian religious leader, welcomed Dr. David Duke and thanked him for bringing Syria the true feelings of the American people. He said:

“The Iraq War has resulted in not only the harming of many thousands of Iraqis but also thousands of Americans dead and many thousands of Americans hurt. For what is this war but, as Dr. Duke has shown, a war for Israel in which both Arabs and Americans have been harmed? Thank you, Dr. Duke, for your courage in bringing us this message of peace and of friendship. My God’s peace and love be upon both our peoples.”

A professor of history at Damascus State University commented:

“The Zionists now lie about Dr. David Duke and label him a White supremacist. The truth is, as Dr. Duke has shown in his book—*Jewish Supremacism*—that Israel is the most extreme example of racist supremacy on earth.”

“We researched Dr. Duke’s writings, some of which go back now over 30 years. We found that he wants to preserve his European heritage and traditions just as we Arab Muslims seek the same for our own countries. We respect him for that as he respects us.”

“A supremacist wants to control other peoples. That is exactly what the Zionists want, to control other peoples, the Middle East, the world. Jewish extremists always accuse everyone else of their own faults. For over 30 years Dr. Duke has consistently defended Palestinians and Arabs in general from Zionist attacks. We are honored to have him visit us in Syria.”

## THE UN DECIDES ON A UNIVERSAL BAN ON REVISIONISM

By Robert Faurisson, <Rense.com>, 11/19/05

On November 1<sup>st</sup>, unanimously and without a vote, the representatives of the 191 nations making up the UN adopted—or let be adopted—an Israeli-drafted resolution proclaiming January 27<sup>th</sup> “International Day of Commemoration in memory of the victims of the Holocaust”. Moreover, the resolution “Rejects any denial of the Holocaust as an historical event, either in full or part”. Historical revisionism thus sees its existence acknowledged by the whole world, a fact proving that it has some life in it, but, at the same time, this decision means that the revisionists find themselves struck with the reprobation of all the countries of the world. As for the “State” of the Vatican, which has no seat at the UN, it had, as early as in 1992, declared: “There is no historical revisionism that can call into question the inhuman abyss of the Holocaust” (*L’Osservatore Romano*, 7 November 1992).

The history of human societies and religions is rich in prohibitions, bannings, excommunications but, whereas, up to a recent past, the victims could, at least in principle, hope to find a refuge outside of their land or group of origin, here the condemnation is, for the first time ever, of universal character. It is thus confirmed that historical revisionism is a phenomenon of exceptional nature and also that the Jews, yet once more, have been able to obtain exorbitant privileges.

### **A Sleight of Hand**

It was through a sleight of hand that the Israeli delegation succeeded in getting this resolution passed. It proceeded in a manner like that of certain associations which, in France, under cover of a campaign against paedophilia, have obtained a law prohibiting, on the Internet, communication relating to paedophilia and to revisionism! To begin, they asked: “Is paedophilia not a horror in itself?” The response was “yes”. Their second step was to add: “Is paedophilia on the Internet not to be banned by a specific law?” The response, there again, was “yes”. As a third step the associations concluded: “Let’s fight, accordingly, to obtain a law against paedophilia and revisionism [RF: which they called ‘negationism’]”.

For his part, the President of the General Assembly, the Swede Jan Ellasion, had the deftness on November 1<sup>st</sup> to ask orally whether anyone was opposed to the resolution aimed at commemorating the “Holocaust”. No hands being raised, he declared, without prior recourse to a vote of any kind, that the resolution was thereby adopted, the text of which contained in one of its provisions the condemnation of any form of “Holocaust” revisionism. The draft was approved by the United States in utter disregard of the guarantees of freedom of opinion provided by the first amendment to its constitution. And, most remarkably, this Israeli text was accepted by the Arabo-Moslem countries, including Iran. All those present approved, or let pass with soft verbal restrictions, a resolution originating from the Jews that goes so far as to condemn the right of free research on a historical subject.

The UN act assumes only a political and not a juridical character. Still, since it provides that the Secretary General will have to report on the measures subsequently taken within the framework of the resolution, the revisionists will have reason to fear consequences for themselves of a judicial or administrative nature, for instance, as regards border and airport police, authorisation to enter and stay in certain countries or the issuing of visas.

The resolution will serve morally to justify and facilitate extradition measures taken against revisionists. Precedents are not lacking, what with 1) the European arrest warrant; 2) the virtual handing over of revisionist René-Louis Berclaz by Serbia to Switzerland; 3) the handing over of revisionist Ernst Zündel by the United States to Canada, then by Canada to Germany; 4) the handing over of Belgian revisionist Siegfried Verbeke by the Netherlands to Germany; 5) the handing over of revisionist Germar Rudolf to Germany by the United States. In Austria, on November 11, the semi-revisionist David Irving, a British citizen, was

arrested by traffic police on a motorway and is now in detention in Vienna.

For any noted revisionist, it is already risky to leave the confines of his home country. In doing so, he exposes himself to a request for extradition made to the country of transit by either Israel or Germany. There is at present a bill in committee at the Knesset that will authorise Israel to demand the handing over of any revisionist in order to bring him before a court, sitting in Jerusalem, that will apply the 1986 Jewish antirevisionist law against him.

#### The Jewish State's Offensive

A fortnight ago, Philippe Boloion, United Nations correspondent for *Le Monde*, wrote a particularly informative article on the successes achieved at the UN by the Jewish State since June 2004 (“*L’offensive de charme d’Israël à l’ONU rencontre un certain succès*”, *Le Monde*, 4 November 2005, p. 3). He listed six recent accomplishments of that State: 1) in June 2004, Kofi Annan called for an acknowledgement “that the United Nations’ record on anti-Semitism has at times fallen short of our ideals”; 2) in October of the same year, a resolution including a condemnation of anti-semitism was adopted; 3) in January 2005, a special session of the General Assembly marked the 60<sup>th</sup> anniversary of “the liberation of the death camps”; 4) in June, an Israeli ambassador was elected vice-president of the General Assembly—the first Israeli in fifty-three years; 5) in September, on a visit to the UN for a gathering of heads of state and government, Ariel Sharon shook hands with Pakistani president Pervez Musharraf, while the Israeli delegation made numerous new contacts; 6) in October, the Security Council was quick to condemn the Iranian calls, which were nothing new, for the Jewish State to be erased from the map.

#### The Jewish State's Incomparable Gall

These successes are all the more striking as no nation in the world has made fun of the UN like “Israel”, a state that, however, owes its creation to the UN. The Jewish State, with an incomparable gall (in Jewish parlance: *chutzpah*), has thrown a record number of United Nations “resolutions” straight into the bin. In violation of international law, this State, founded on the colossal lie of the “Holocaust”, practises colonialism, racism, apartheid, military occupation and torture. We may add that it possesses an arsenal of atomic weapons and on this score has, for example, in the last few years been supplied by Germany, free of charge, in the name of the said “Holocaust”, with three ultra-modern submarines fitted out for nuclear armament. The collusion between, on the one hand, the Jewish State and armed forces and, on the other hand, the German State and armed forces has become such that the German mail service has just released a stamp, for the most regular rate of postage, depicting, on the left, the Israeli flag, then, on the right, the German flag and, finally, linking the two, a strand of barbed wire, symbol of the perpetual “Holocaust”. Germany is becoming the Jewish State’s “Guantanamo”.

On October 5, 2003, Israeli ambassador to the UN Dan Gillerman had warned the Security Council members that the God of the Jews was “watching” them and, on July 16, 2004, annoyed at the behaviour of some Arab states, flung the remark at his colleagues in the General Assembly that things had “reached a point where the inmates are running the asylum”. On the other hand, on October 31 of this year, he said that he was “moved” when presenting the “Holocaust Day” text, his country’s first successful draft resolution ever. He declared: “I feel moved and privileged to present this historic resolution today, as an Israeli, a Jew, a human being and a child of a family of Holocaust victims.” That is understandable. The next day, the “adoption” of his resolution marked the triumph of the “Holocaust” sham. For the occasion, one may say that as far as gall, dishonest procedure, spirit of domination and intolerance are concerned, the Jewish State has outdone itself.

This extraordinary UN resolution also constitutes proof that historical revisionism is a reality that can no longer be bypassed, denied or played down. Its notoriety has become global. Still, let us take care to recognise that the revisionist researchers who remain active are now but a handful and, with each passing year, their future grows darker.

#### WORLD FAMOUS PROF QUESTIONS THE HOLOCAUST

By Professor Richard Lynn, <Rense.com>, 12/5/05

I’ve checked out Churchill’s *Second World War* and the statement is quite correct—not a single mention of Nazi “gas chambers”, a “genocide” of the Jews, or of “six million” Jewish victims of the war.

This is astonishing. How can it be explained?

Eisenhower’s *Crusade in Europe* is a book of 559 pages; the six volumes of Churchill’s *Second World War* total 4,448 pages; and de Gaulle’s three-volume *Mémoires de Guerre* is 2,054 pages. In this mass of writing, which altogether totals 7,061 pages (not including the introductory parts), published from 1948 to 1959, one will find no mention either of Nazi “gas chambers”, a “genocide” of the Jews, or of “six million” Jewish victims of the war.

How about this man: Is he “just another self-hating Jew”? Can even a Jew be allowed to talk or write about Zionist Freemasonry and the bankers’ control over the world’s financial system?

[QUOTING, emphasis added:]

#### CENTRAL BANKERS SEEK TOTALITARIAN POWER

By Henry Makow, Ph.D., <SaveTheMales.ca>, 12/3/05

The “War on Terror” is a ruse by central bankers to control every aspect of your life.

Rereading “The Red Symphony” recently, I was shocked to discover an insider’s statement that having unlimited wealth, the bankers want unlimited power.

“The Red Symphony” is a 1938 Stalinist Secret Police (NKVD) interrogation of Christian Rakovsky, a Soviet ambassador who was a close associate of Leon Trotsky, Rothschild’s agent.

... The human experiment is endangered by private interests who have usurped the function of money creation. Modern history is the gradual process by which they transfer all wealth and power to themselves, destroying Western Civilization and creating a world police state.

... Rakovsky tried to convince his interrogator that Stalin should cooperate with the bankers who “are just like you and me. The fact that they control unlimited money, insofar as they themselves create it, does not... determine the limits of their ambitions ... The bankers have the impulse towards power, towards full power. Just as you and me.”

They created the Communist state as a “machine of total power” unprecedented in history. In the past, due to many factors, “there was always room for individual freedom. Do you understand that those who already partially rule over nations and worldly governments have pretensions to absolute domination? Understand that this is the only thing which they have not yet reached.”

“Imagine to yourself, if you can a small number of people having unlimited power through the possession of real wealth, and you will see they are the absolute dictators of the stock exchange and [economy]... If you have enough imagination then... you will see [their] anarchical, moral and social influence, i.e. a revolutionary one... Do you now understand?”

The Revolutionary Movement, which defines modern history, was a means to increase banker power by destroying the old order.

In the French Revolution power subtly passed to the bankers who weren’t constrained by Christian niceties, Rakovsky says. “So it came about that the supreme Royal power was taken over by persons, whose moral, intellectual and cosmopolitan qualities did allow them to use it. It is clear that these were people who had never been Christians, but cosmopolitans.”

[Following a brief discussion of Communism, Marxism and Socialism, not to even mention Fascism as we experience it today, it is deduced that:]

... The aim of the Revolution is no less than to redefine reality in terms of the interests of the bankers. This involves the promotion of subjective truth over objective truth. ...

In other words, white is black and up is down. This is the way it was in the Soviet Union and this is now happening to us. Truth and justice are being replaced by political *diktat*. “Political correctness” a Bolshevik term is

now in common usage. Physicists like Steven Jones who question Sept.11 are silenced. Historians like David Irving are jailed.

Rakovsky marvels that “the benches on which sat the greasy usurers to trade in their moneys, have now been converted into temples, which stand magnificently at every corner of contemporary big towns with their heathen colonnades, and crowds go there... to bring assiduously their deposits of all their possessions to the god of money...”

He says the Soviet five-pointed star represents “the five Rothschild brothers with their banks, who possess colossal accumulations of wealth, the greatest ever known.”

Isn’t it strange that Marx never mentions this fact? Rakovsky asks. Isn’t it strange that during revolutions, the mobs never attack the bankers, their mansions or banks?

War is the means by which the central bankers advance their goal of totalitarian world government. Rakovsky says Trotsky was behind the murder of Arch Duke Ferdinand (which sparked WWI). He recalls the phrase used by the mother of the five Rothschild brothers: “If my sons want it, then there will be no war.” This means that they were the arbiters, the masters of peace and war, but not emperors. Are you capable of visualizing the fact of such a cosmic importance? Is not war already a revolutionary function? ....”

After the murder of [HM: Illuminati member Weimar Foreign Minister] Walter Rathenau in 1922, the Illuminati give political or financial positions only to intermediaries, Rakowsky says. “Obviously to persons who are trustworthy and loyal, which can be guaranteed a thousand ways: thus one can assert that those bankers and politicians [HM: in the public eye]—are only men of straw... even though they occupy very high places and are made to appear to be the authors of the plans which are carried out.”

In 1938, Rakovsky outlined three reasons for the upcoming Second World War. The first is that Hitler began to print his own money. “This is very serious. Much more than all the external and cruel factors in National-Socialism.”

Secondly, the “fully developed nationalism of Western Europe is an obstacle to Marxism... the need for the destruction of nationalism is alone worth a war in Europe.”

Finally, Communism cannot triumph unless it suppresses the “still living Christianity”. He refers to the “permanent revolution” as dating from the birth of Christ, and the reformation as “its first partial victory” because it split Christianity. This suggests that the “conspiracy” also contains a racial or religious factor.

“In reality, Christianity is our only real enemy since all the political and economic phenomena of the Bourgeois States. Christianity controlling the individual is capable of annulling the revolutionary projection of the neutral Soviet or Atheist State.”

Now the Central Bankers are promoting World War Three as in “The Clash of Civilizations”. Substitute Islam for Christianity above.

#### CONCLUSION

Our beliefs must adjust to the truth and not vice versa. Apparently, the truth is that a relatively small clique of Jewish banking families and their non-Jewish allies in the leading families of Europe and America have usurped control of money creation, and with it the destiny of the world.

This overclass owns or controls most of the world’s largest corporations, media organizations, intelligence agencies, secret societies, universities, politicians, foundations, think tanks and NGOs. It also appears to dominate organized crime.

Sept. 11, the War on Terror and Iraq are part of an inexorable process by which this overclass increases its wealth and control. The end goal is a world police state in which the masses will be deprived of their wealth, freedom and possibly their lives.

Neo Cons are really Neo Communists. They jeopardize the security of their fellow Jews (as well as all Americans) by their evil machinations. **Jews should follow my example and repudiate them.**

The overclass wants us to see it as a “Jewish problem”. This way it can deflect blame onto innocent Jews and then dismiss opposition as “hatred” and “prejudice”. The problem is mainly one of money creation (credit) that has led to an untenable concentration of wealth and power [in] a few hands. ...

**FINAL DENIAL OF ASSOCIATION**

The CORPORATION (CSEML) rejects hereby any association whatsoever at any time, past or present, claimed by Vina Katherine Durham, V.K. Durham, and all other of her affected self-designations. Two of the officers of this corporation, E J Ekker and Doris J Ekker, and several of their friends, at the request of Ms. Durham's former business partner, Russell Herman, financially supported her from the time of his death August 29, 1994 until her demands became oppressive and unbearable in June of 1997.

In her personal posting dated 11/28/05 and titled "The Contra Fall-Out & Pending WWII, the Now Time (7)" on "her" Antechamber website Ms. Durham has made such outlandish statements replete with maliciously fabricated innuendos that we are obliged to point out her fallacies in this Public Notice.

First, however, as foundational information, we will quote from her own undated narration that is intermixed with others dated in late October and early November 1994, some 8-10 weeks after Russell's death.

Quoting (exactly, for the flavor): "I had been working on SAILFINN.. out on the West Coast.. sent out by Senator John Morton who disappeared and "I" lost my cover."

From the same narrative: "Didn't see Russ again until 1969.. he was on his way to VIET NAM.../and then I did not see him again until 1986.... In 1987, Russ came out to California.. to PROTECT ME as; I had been in an auto accident (Feb. 17, 1983), which was no accident at all.. but moreover, an attempted murder.. to look like an auto accident.. and I was being held hostage in my own home... by the "GOOD OLD BOYS SYSTEM"... couldn't walk, I could barely talk... I was in a wheel-chair... and being dragged to death..."

For better clarity, let us illustrate VK's possible association with CSEML:

With that foundation, we will quote (again, exactly) from her recent writing of 11/28/05:

She states: "Russell was going blind. He had contracted something which we could watch eat away at his body, up his throat, then up his face and ultimately in his eye which he contracted during his CONTRA involvement in Latin America." None of that is true. Russell died of colon cancer August 29, 1994 and the pictures VK is so fond of referring to show no sign of any other problem, including her claim that he was "hung up on meat hooks by his collar bones" some nine months earlier. In the spring and early summer of 1994 he was driving to town 2-3 times per week to use a pay phone to call the CONTACT office 800 number from whence the call could be forwarded to us. VK's claim that he was "going blind" is a cover-up of her creation and use of a Power of Attorney she was using to file spurious and forged documents with the Washington County (Illinois) Recorder's office along with a Will that made no mention of his own family.

She continues: "I was conducting an investigation for the DOE in matters which are happening right here and right now which also involves OPERATION CODE NAME TROJAN and taking hostage the entire global banking, financing and economics which we (DOE) learned about from a late night telephone call from Earl Hightower Senior International Counsel for Tennaco Oil Corp, Wilshire Blvd, Los Angeles, Cal. after he witnessed the happenings at the where all Big Oil Companies, Saudi Kings and Princes, Russian Ambassadors and so on who all agreed to initiate a war with Omar Qudaffi of Lybia immediately after Reagan won the Presidency and proceed to 'take over the far east oil fields'..."

Incredible! At that time DOE would indicate the Department of Energy. What happened with Senator John Morton and Operation SAILFINN? VK used to say that SAILFINN had to do with illegal drugs and crooked judges so now she substitutes in TROJAN and "entire global banking, financing and economics" along with "all Big Oil Companies, Saudi Kings and Princes, Russian Ambassadors and so on" at a "RONALD REAGAN dinner" wherein it was decided to "initiate a war with Omar Qudaffi (sic)" and take over the far east oil fields" "after Reagan won the Presidency".

For a sane person to make such an idiotic discourse must require a substantial amount of "mind-altering substance". Ms. Durham's penchant for modifying past stories to fit

current needs and her ever-ratcheting-up of the ridiculousness of her stories must put to question her sanity. As an example, on page 3 of the same writing she states:

"USAF, USCG, UST, CIA, COL. RUSSELL HERRMAN-HERMAN was a ARMS DEALER for THE PRESIDENTS OF THE UNITED STATES. I did not know that at first, but I know it now! His operation was based in Chicago, with offices in the NW Corner of the Pentagon, and Curacao. He was right in there as THE PRESIDENT'S MAN, operating with KHASHOGGI, ARI ONASSIS, HOWARD HUGHES and the rest of them... Herman, Hughes and Onassis used the Nevada Corporation known as Cosmos Seafood Energy Marketing, Ltd.; Nevada ID # 1707-85 for the Arms Dealing and a "shrimp fleet" for moving both Gold and Arms."

Such wild, unfounded, blatant lies cannot go unchallenged. This corporation was never used for any purpose other than to hold title to the asset created by the interest accrued to the Peruvian Bearer Bond 3392-181. Of this we were assured by its founder, Russell Herman, when we assumed responsibility for it in 1993. It had never had a bank account nor had it filed a tax return because it had done no taxable transactions.

Ms. Durham makes the further allegation by innuendo that "the Boatmen's Bank Account would be used for laundering money in what is called a pass through or in and out account and used by THE CONTRAS men to launder the fall out on the two \$120 Billion Dollar Gold 10 year term transactions beginning 9/12/91..."

More malicious, baseless lies. The whistle was blown on Iran-Contra in November 1986, long before VK learned of 3392 and during a period when she was in a coma or at least in a wheelchair and unable to speak--injured in 1983 and "rescued" by Russell Herman in 1987-88--according to her own story which was written in 1994, more than 10 years closer to the time now being "recalled". She continues to attempt to represent that the so-called "Brady Bonds" issued 9/12/91 were destroyed in the World Trade Towers 9/11/2001 and thus became somehow "lost" and would not be paid. That is complete nonsense and confirms the lack of knowledge of the woman. Now she even further bends the truth by referring to them as "Gold 10 year term..." No, they are not, and never were "gold" anything. Neither is it possible that the Boatmen's bank account would be "used by THE CONTRAS men to launder the fall out on the two \$120 Billion Dollar Gold 10 year term transactions beginning 9/12/91". THE CONTRAS men were fighting to stay out of jail in 1991 and were not pardoned by Bush until December 24, 1992. The stories and pronouncements from Ms. Durham become ever-increasingly bizarre but most readers of her material have no other facts with which to compare.

As a signatory of the contract confirmed by jurat of the Peruvian Consulate in Los Angeles, California, V.K. Durham has been unable to deny that the Peruvian bearer bond 3392-181 was reconfirmed and reissued as a contract of identifiable ownership to Cosmos Seafood Energy Marketing, Ltd. on August 21, 1989. Neither can she deny that, in the same document, it is recorded that ownership had been transferred to the

Corporation by Russell Herman in 1988, as witnessed by the corporate secretary Cecelia Xalis and which confirms the fact that Ms. Durham was not associated with the Corporation at that time. What she has attempted to do is to confuse people by calling it a "commodity contract", which of course it never was, and lately she has added a new confusion device called the "Certificate of Debt No. 181", implying that there are now two different "certificates".

Actually, there are now NO certificates--only the contract assigning ownership to Cosmos Seafood Energy Marketing, Ltd. which is confirmed by the Peruvian government's jurat dated August 21, 1989. The originals of many of those documents are still being illegally, and immorally, held by VK Durham. Even if she, or anyone else, had the original bond, 3392, it is worthless except as memorabilia.

Pursuant to the rules governing Public Notices under the Uniform Commercial Code this Notice will be published at least three times in a newspaper of wide circulation.

**IN WITNESS WHEREOF**, the undersigned have executed and sealed this notice as of the date hereof. For the Corporation, dated at Makati, Manila, the Philippines, this 7th day of December 2005.

NEVADA CORPORATIONS:

# What They Don't Say Can Really Help You

Budget's "Tip of the Week" #5:

**Key provisions NOT included in Nevada's corporate statutes**

In the first four installments of "Tip of the Week" we took a close look at several very interesting provisions of Nevada's corporate statutes. Sometimes, however, what is NOT mentioned in the statutes is just as important.

In Nevada, as many readers may be aware, there is no statute mandating the **issuance of stock**. (Nevada is not unique in this regard; several other states' corporate statutes similarly ignore this key issue. What makes Nevada unique is the combination of statutory provisions, non-addressed key issues and actual practices, all of which add up to make Nevada the **ONLY** state that allows for privacy of ownership and control of a corporation.)

As if to underscore the non-necessity of stock issuance, there is no requirement to hold an **annual meeting of stockholders**. Yes, there are many references to the stockholders' meeting but nowhere is it stated that any such meeting must be held.

Similarly, Nevada is one of a few states that does not nullify the use of **"bearer" shares**. It is not that there is a statutory provision endorsing the use of bearer shares or even addressing the issue; it is that the issue goes entirely unmentioned, whereas in most other states the use of bearer shares is statutorily denied.

A major, major issue that is not addressed anywhere in the *Nevada Revised Statutes* is that of **nominee officers and directors**. The use of nominee officers and directors has been common in practice in Nevada for more than 75 years and yet this issue, which is the key to privacy of control of a Nevada corporation, is simply not mentioned. Doesn't that make you wonder why not?

Other states (Wyoming comes to mind) have directly addressed the issue of **nominee stockholders**. In Nevada, however, there seems to be more power granted by not restricting the use of this technique even by defining it.

Nevada only requires a corporation's primary officers to be listed annually but does not abridge the key roles that can be afforded to **secondary officers**, such as a vice president, who may exercise all of the powers of the president in the president's absence; an assistant treasurer, who may be empowered to sign checks and otherwise fulfill the role of treasurer; or an assistant secretary, who may perform all of the duties of the secretary. When nominee service is used, the primary officers are assuredly absent, empowering these secondary officers, who are never listed in the public records with the Secretary of State.

Finally, since only an annual list of officers needs to be filed, a corporation may change its officers and directors at any time through a proper resolution (a PROTECTED "internal" record of the corporation) without notifying the state to modify the public record.

This listing is, of course, by no means all-inclusive. We trust, however, that it provides the reader with a lot of serious "food for thought" as to possibilities for private control and ownership of Nevada corporations.
