It Is Time for YOUR

Divine Intervention

8/13/06 (19-362)

Sun., August 13, 2006, Year 19, Day 362

Manila, Philippines

YEAR OF THE SUN

By the time most people read this we will already have entered into Year 20 on the new Cosmic calendar—a year of the Sun glyph in the ancient Mayan symbology—and we look forward to truly brilliant prospects despite the current Armageddonish environment on the world stage. We hope you understand WHY we have such great expectations by the time you read to the end of this article.

We note great synchronicity of the new year with the name of China's Special Envoy to the Middle East, Sun Bigan, because perhaps this is the year when the Sun can begin to make a more measurable impact on the crooked thinking of mankind. China, the Great Purifier historically, has operated primarily in the background so far but we will not be surprised to see her taking a role more in the forefront as this year progresses.

Certainly, we (of Global Alliance) are doing our "small part" on the stage as our Heavenly Father

arranges the pieces of the puzzle, always providing CHOICES to all. The good IS much better and the bad IS far worse just as Immanuel (Jesus) said it would be at this time, which should make the consequences of choices far more obvious to each and every 'Decider' (and to you who thought GWB was the only Decider—shame).

Since the last update Global Alliance decided to "make some more money" here in the Philippines, emitting a whopping \$75 billion Deed of Assignment to a party who claims to have "the commodity" (gold) with which to back it—and in this country, that is entirely possible.

God being an "equal opportunity employer", we presented a financial advisor to the current administration with a method of funding Mrs. Arroyo's \$6 billion primary project promised in her State of the Nation (SONA) address—in which she confidently stated, "We now HAVE the MONEY!" But of course, she does NOT have the money and the Money Masters seem quite content with the *status quo* of starving Filipinos. And she is not likely to move with the Global Alliance program while she and the rest of her cronies are so well-paid personally to uphold the corrupt system in its current form.

In addition to many other projects we are also

working on bailing out a couple of failing banks in this country and the bankers are beginning to see that it really could be done—IF it would be allowed.

INCREASING AWARENESS

As expected, the Money Masters' minions—those parasites bloated by graft spawned by the generous and non-transparent "re-allowance" of IMF/WB funds—are "reluctant" to change anything, especially since transparency would reveal how the elite of the society have lived all too well at the expense of the common people. In the end, change will probably have to come from the *masa* becoming informed and demanding fair treatment. And so we continue to work on increasing awareness by spreading the Good News to as many who will sit down with us and listen. Even then, it often becomes obvious after the fact that in too many cases they really did not HEAR because they continue to hold the all-too-common expectation that someone will do it FOR them—and we will not.

THERE ARE EXCEPTIONS, however, and here is one. This week an attorney sat with us, listened to what we had to say and then went home and STUDIED the material

available on the website (www.GlobalAllianceAssn.com). As a result he has informed the Bar Association in his home province of the spurious-land-titles issue—and the unaccounted-for 400,000 metric tons of gold. Further, he has made arrangements for serialization of the January 18, 2006 Special Issue of CONTACT (“The Factual History of the Philippines” issue) in the local newspaper in his area. Most importantly, he has CHOSEN to give of his time (life energy) at no charge to the Tallano Foundation in order to bring these issues forward from the dark recesses wherein the elite had hidden them.

Isn't it nice to know that the truth once known cannot be un-known? Each ONE who becomes aware becomes activated in and for Goodness and the ratcheting process of increasing awareness continues inexorably.

VK DURHAM WEBSITE OFFLINE

VK Durham's website (TheAntechamber.net) has been offline all day today. This comes as no surprise to us because, frankly, the nature of the material on that site is clearly and obviously libelous and defamatory, which makes it a big risk for an Internet Service Provider to leave standing once they have been notified of an obvious breach of agreement on the part of one of their users.

From our perspective, VK Durham has served her purpose. We are thankful she has caused us to look up and check out the very foundations of the Global Alliance program so we now KNOW just how solid our position is. As with most of the adversary's minions, she has simply overplayed her hand to an extent where she literally “did in” her own website, at least until she cleans it up a little or relocates to a new server.

THE GLOBAL ALLIANCE ‘MOVIE’ NOW SHOWING AT A WEBSITE NEAR YOU

Actually, as this is written the “movie” exists only in the form of a Powerpoint presentation, which is quite limited because it will only show at all to those who have Microsoft Powerpoint installed on their computer, or who download and install Microsoft's free viewer program. Even then, it will not show properly in some web browsers or on computers using different operating systems.

HOWEVER, thanks to long-time supporter Peter Kawaja (TropicWaveRadio.net, among other highly informative sites he operates) we hope to soon have a “Flash” version of the Global Alliance movie available in addition to the Powerpoint version. For the benefit of those who do not understand such things: As a Flash presentation, any Internet-equipped computer (PC or Mac with virtually any operating system) should be able to watch the show.

Early feedback on the movie has been uniformly positive. WARNING: Watching this movie could lead to your serious activation in service to God—even though some people are still apparently “immune” to such truth. Even most of the latter will GLADLY embrace the overall program when they see its consequences. For instance, do you think the people could put forward a politician who might want to run on a platform of NO MORE TAXES? AND BE ABLE TO BACK IT UP! Of course that is only one SMALL aspect of the impact of a movement to FREEDOM.

We ask everyone with Internet access to spread this movie FAR AND WIDE because the Global Alliance program is the ONLY “lifeboat” big enough for all mankind. THE PEOPLE OF THE WORLD ARE READY FOR THIS GOOD NEWS. It is time for the MESSENGERS to SHARE IT.

The real WAR involves the conquest of minds and PERCEPTIONS. The general perception at this time is that the situation is hopeless and only DIVINE INTERVENTION can save mankind. THAT IS TRUE to the extent God within you remains sleeping or WAKES UP.

Indeed, there are varying degrees of wakefulness. First thing in the morning, have you ever been groggy enough to, say, put salt in your coffee? Coffee is good; salt is good; but coffee and salt don't generally go together too well! If the simple “prize” was a great-tasting cup of coffee, it has been lost for the moment as a result of incomplete awareness.

Now instead of coffee let's set our sights on a bigger prize, FREEDOM: freedom from want, freedom from fear, freedom to do and think as you wish as long as it doesn't impinge negatively on your fellow man. Hmm... there is not much of that in the world as it is, is there? How would one go about achieving such an enormously important goal? What is preventing that goal from being achieved?

“There are a thousand hacking at the branches of evil to one who is striking at the root.”—Henry David Thoreau

What is at the ROOT of the problem?

Ah yes, “Money is the root of all evil.” That is NOT TRUE because it is all in how the money is USED. You cannot, today, eliminate money altogether because the world is set up to be run on that type of currency. So, the SOLUTION is to somehow ensure that MONEY is used for Goodness instead of—as it is in the world today—for evil purposes such as war-making.

The individual who is somewhat awake but not yet fully aware might focus on stopping the war in Lebanon by protesting with a few others of like mind. Someone else didn't attend that rally because they were busy with their pet project, let's say the “save the whales” campaign. Someone was busy pushing the 9-11 awareness campaign while someone else was devoting their “surplus” life energy to writing an article about the land mines left behind in Somalia. Every one of these exemplified individuals is exhausted from their efforts hacking at the BRANCHES on the tree of evil, which continues to grow as long as it is nourished. It is time to STRIKE AT THE ROOT AND SOLVE ALL OF THESE PROBLEMS AT ONCE.

There is ONE SOLUTION and it is the Global Alliance program for nations. Its implementation requires ONE THING: AWARENESS of the solution! To bring it about mankind must UNIFY and be as ONE in demanding implementation of Goodness.

HAVE YOU GOT SOMETHING BETTER TO DO AS YOU WAIT FOR ARMAGEDDON? GET WITH THE PROGRAM!

Visit the website (GlobalAllianceAssn.com), STUDY the information and SHARE THE GOOD NEWS—but whatever you do or don't do, don't blame God for what happens next. YOU SHALL CHOOSE AND YOU SHALL CREATE WHAT YOU WILL EXPERIENCE, whether that is Armageddon or a new Golden Age. The “default choice” (inaction) is not very pleasant.

PHILIPPINES GOLD

With the blessings of our Supreme Doing with His judicial enhancement over the victim of injustices and greatest land grabbing scandals, the Republic of the Philippines failed to deviate from entering with the heirs of Prince Julian Macleod Tallano for a Separate Decision with Compromise Agreement. But to settle once and for all the issue of ownership over the land under OCT No.T-01-4 together with the reconstitution of lost owner and the duplicate copies of its original WAS A Motion filed by the Republic of the Philippines and, including the return of precious metals and stones consisting of 617,500 metric tons of gold and 500,000 pieces of 10 carat diamonds to the Royal family ...—Judge Agana, 1972 *Decision with Compromise Agreement*

So begins the incredibly important 1972 Agana Decision with Compromise Agreement. Every word of the 139-page Decision is worth studying and in this issue we'll pull out an excerpt relating to the huge stash of gold which is to be administered “for the interest of the Filipino people”.

The Tallano Foundation now has several attorneys working out the best method for asserting control over the Taguean-Tallano gold, which has been held in the vault of the Central Bank (now Bangko Sentral Pilipinas) since 1949. In December 2005 the Foundation notified the BSP of the termination of the 55-year lease of this gold to the government. While researching the lease, we came across the following statements by Judge Agana beginning on page 19:

3. That the gold bullion lent by the Royal family to the Republic of the Philippines, consisting of 650,000 metric tons now, thru Reverend Father Jose Antonio Diaz by arrangement of the young brilliant lawyer, Atty. Ferdinand E. Marcos in the year 1949, for the establishment of the required gold reserves of the newly installed Central Bank of the Philippines should be maintained to the Central Bank vaults toward maintenance of the country's gold reserves and the same should be withdrawable fifty years thereafter with five years moratorium to stabilize the Philippine peso value, while the clans, the Royal family should only be entitled for five percent (5%) of the one percent (1%) of the appraised value of the commodities as Royalty fee, and should be paid by the government in cash equivalent to the surviving beneficiaries, the heir of the late Prince Lacan Acuna Taguean Tallano, who stayed in Vatican from the year 1866 to 1898 where he died at the age 178 years old, survived by his son, the late Prince Julian Macleod Tallano at the age of 50, who was born on December 17, 1848.

4. That said fifty (50) years gold reserve requirement could only be withdrawn by the heir, Don Esteban Benitez Tallano, or his successor in interest, Prince Julian Morden Tallano on the year 2005, after another five (5) years moratorium starting of year 2000, provided, no among the gold deposits should have been diminished, otherwise, the Royal clan represented by their heir, Don Esteban Benitez Tallano or by his predecessor in interest, Julian Morden Tallano, who inherited lawfully the Title of Prince under the Code of Koran from his great great grandfather, late Prince Julian Macleod Tallano (Taguean), has an option to terminate the gold deposits earlier for the interest of the Filipino people.

5. That any gold bullion that was deposited by Senate President Ferdinand E. Marcos outside the Philippine jurisdiction in conspiracy of the Royal Clan trustee and Administrator, in the person of Reverend Father Jose Antonio Diaz beyond the consent of the owner should be returned back to the Philippine Central Bank Vaults.

The Tallano Foundation was established at last in 2003 in fulfillment of Judge Agana's 1976 orders (“Clarificatory Decision”) for the express ORDERED purpose of preserving the estate “for the interest of the Filipino people”. Can you imagine the beneficial impact to the average Filipino which would be occasioned by the infusion of these assets, conservatively worth TWO HUNDRED TIMES the current money supply in this country? If the Filipino people only KNEW!

Oh yes, we are “working on that”.

Which Is More Correct: “The Jews” or Illuminati?

MOVERS AND SHAKERS

For exposing the Illuminati, Fritz Springmeier was framed for a 1997 bank robbery and sentenced to nine years in jail in 2003. If you want to do something positive, write to him.—<geocities.com/three_strikes_legal/Springmeier_update_July_2005> They tried to make Springmeier out to be a Ted Kaczynski Unabomber. Read this interview with Springmeier and see how intelligent he is and how evil they are.—<whale.to/b/sp/springmeier1>

Here are some excerpts:

Who Are The Illuminati?

“The Illuminati are the movers and shakers of the world. They are an elite group of bloodlines—I call these tribes or families—there are 13 major bloodlines. They are what are called “generational satanists”. That means that they have practiced their secret witchcraft for many centuries and they have passed their religion down from one generation to the next. They lead double lives. They have one life that the world sees and then they have a hidden life that the world doesn’t see. There have been very few people that have been able to break through the secrecy.”

“The top 13 bloodlines are the Astor, Bundy, Collins, Dupont, Freeman, Kennedy, Li, Onassis, Rockefellers, Rothschild, Reynolds, Krupp, Russell ... then there is a 13th bloodline which is the Merovingian bloodline. I just simpl[y] call it the 13th and then there is the Van Duyn Illuminati bloodline. The 13th bloodline, the Merovingian, is extremely important. It includes the royal families of Europe.”

What is their goal?

“Ultimately [their goal is] to bring in what people have termed the New World Order with a man who will hold the world’s attention and carry the title ‘The Antichrist’. That’s the ultimate goal and I am not trying to wax religious on people but that’s just the simple fact. When you get into deprogramming people you will see that a lot of the things they have been programmed to do tie in with a very sophisticated plan to unify the world under the reign of the Antichrist.”

“[Princeton historian] James Billington (*Fire in the Minds of Men*) traces how all the revolutions were started by this occult elite. The term revolution came from the occult idea that we were going to revolve ourselves back to the Golden Age. There is this great quest for the Golden Age, this millennialism. That’s what communism is about. If you look at the early founders of communism—they were trying to revolve us back through revolution to the Golden Age that had been lost ... it’s always for a socialistic, communistic type utopia, [a cross between] 1984 and *Animal Farm*.

Why do they use trauma-based mind control on their own family members?

“It’s really essential. If you are going to participate in the Illuminati secret life, being a programmed multiple [personality] is basic. There are a few in the Illuminati who aren’t programmed multiples, but considering what one has to participate in. You’ve got a number of standard rituals involved—St. Weinbald, St. Agnes, Grand Climax, Walpurgis, Beltane, all your solstices and equinoxes, Lamas, All Hallow’s Eve, High Grand Climax—all of these standard rituals. These rituals are very horrific. They involved human sacrifice. Sacrifices of babies on the High Grand Climax. On various Sabbats you’ve got a young female or a male being sacrificed.

“This is not something that the normal mind is going to be able to handle. The mind control and the creation of multiple personalities where you get a Dr. Jekyll and Mr. Hyde effect—is very crucial to this thing continuing from generation to generation. They will be trained in alchemy, in Indian sorcery, Druidism, Enochian magik, Gnosticism, Hermetic magik, cabbalism, Plato, Sufism—they will know

Three writings from Henry Makow in this issue of CONTACT bring reason and common sense back into the Illuminati picture by clearing up the false perceptions of the so-called Jewish question. We thank Mr. Makow for helping to clarify who the Illuminati are and how they operate against every country in the World. [QUOTING, emphasis added:]

THE ROOT PROBLEM: ILLUMINATI OR JEWS? FRITZ SPRINGMEIER REPLIES

By Henry Makow, <savethemales.ca>, 8/6/06

Israel’s demonic assault on innocent Lebanese civilians naturally has increased anti-Jewish feeling. There have been sporadic attacks on Jewish institutions and the usual voices again have denounced “the Jews”.

“There is coming a time soon in which we shall have to fight Jews because they are Jews and because we are not”, J.B. Campbell proclaimed in “Jewish Rule” posted on <Rense.com>.

“They will leave us with no other choice, just as they left the Russians and the Palestinians and the Hungarians and now the Lebanese with no other choice but fight or die a nasty death after captivity and thirst and starvation and torture.”—<rense.com/general72/jewishrule>

John Kaminski writes:—“The Illuminati is wholly Jewish, started by a Jew turned Catholic, operated by the Jews who control the money. Now used, as a convenient myth by Jewish writers to say the problem is not really Jewish.”

Kaminski is referring to me. He has called me a “Zionist mole”. The epithet “Illuminati mole” could be hurled back except I believe his error is sincere. People like Kaminski unwittingly serve the Illuminati agenda by making Jews the scapegoat for the Illuminati. They increase division and focus the hostility on ignorant Jewish pawns and dupes. As we shall see, the Illuminati is not “wholly Jewish” by a long shot. You could get rid of every Jew and the problem would remain. (Of course this does not absolve of guilt Jewish Illuminati and their Jewish dupes/agents i.e. Zionists, Communists, Feminists, Liberals, Socialists, Neo Cons etc.)

I refer Kaminski and his ilk to Fritz Springmeier, an unsung hero of humanity, a leading American political prisoner, who has debriefed dozens of Illuminati defectors. A respected authority on the Illuminati, he says the problem is a lot bigger than “the Jews”. It is anti-religious (as in satanic) NOT racial.

“To call the conspiracy Jewish is misleading. The father of it all is Satan. It is Satanic and it will use anyone it can.” (*Bloodlines of the Illuminati*, p.126)

THE PROBLEM WE FACE

It’s the nightmare that’s still there after we wake up.

It reads like a horror movie script:

Many trusted and respected leaders of society secretly belong to a satanic cult and are gradually turning humanity into their mind-controlled slaves. The process is designed to appear “natural”. Wars, including the Cold War and War on Terror are based on hoaxes.

Humanity has a terminal disease. We are in a state of collective denial.

Every facet of Western society, not just organized Jewry, has been subverted. This includes business, education, military, mass media, government and all religions. The elite, Jews and non-Jews alike, are either dupes or agents. That is a condition for advancement.

The Illuminati control our unfolding history according to

their “Plan”. What we call “secular humanism” is nothing but a facade for Luciferianism. “Modernism” is the substitution of their occult vision for Moral Order and Objective Truth i.e. God. **Our modern world is a fraud dedicated to enthroning Satan as ruler of this planet.**—<savethemales.ca>

The word “Illuminati” sounds incredible but it’s real.—<savethemales.ca/001260> Its plans and correspondence were seized in 1784. Defectors testified at public hearings.

The relationship of Zionists to the Illuminati mirrors that of Freemasonry, which the Illuminati also control. Most are pawns and dupes. **“The Lodge shall be our nursery garden,” Illuminati founder Adam Weishaupt wrote. All those who are not suited to the work shall remain in the Masonic Lodge and advance in that without knowing anything of the further system.”** (*Webster, “Secret Societies”, p.210*)

FRITZ SPRINGMEIER

Humanity owes a debt of gratitude to Fritz Springmeier for exposing the Illuminati and its methods in a half dozen major works. The best are all on line.—<whale.to/b/sp/springmeier_h.html%20>

His videos are also available on line.—<fritz-springmeier.dbs2000ad.com>

His definitive work is “Be Wise as Serpents” (1991) and “Bloodlines of the Illuminati” (1999). At the back he lists hundreds of names of members of the Illuminati organizations like the Pilgrim Society, Bohemia Grove and the Skull and Bones and related fraternities. The names reflect the American establishment yesterday and today. They are not exclusively Jewish.

I’ll just list a few: Astor; Ball, Bennett; Bundy; Grace; Hammer; Kennedy; Brady; Acheson; Rockefeller; Dulles; Bedell Smith; Carnegie; Cowles; Dupont; Harriman; Schiff; Roosa; Brezinski; Kissinger; Forbes; Donovan; Javits; Mellon; Turner; Coffin; Heinz; MacLeish; Stanley; Pinchot; Whitney; Walker; Steadman; Taft ... etc.

A similar membership analysis could be made of other Illuminati fronts such as the Bilderbergs—<home.alphalink.com.au/%7Eradnat/austindependence/bilderberger>—the Council on Foreign Relations—<biblebelievers.org.au/cfrall>—the Trilateral Commission and the Club of Rome.

Yes, it is probable that Jewish Sabbatean heretics like the Rothschilds are the mainspring behind the Illuminati but there is no shortage of non-Jews who want a piece of the Satanic action.

Did you know *Doonesbury*’s Gary Trudeau is ‘Skull and Bones’?

Ned Lamont who is seeking Joe Lieberman’s Senate seat is the great grandson of Thomas Lamont, the Chairman of J.P. Morgan, who financed the American Communists. These guys run the show. We get to choose which satanist we want.

It’s frustrating that people like Kaminski can only see the Jews and not the gentiles. Then they blame all Jews regardless of their guilt and let guilty goyim off the hook. They seem to need a simple black-and-white solution to the world’s problems. They can’t face the betrayal of their own ethnic leaders. **Easier to despise Jews than confront the powerful rich. I invite Kaminski et al to read Fritz Springmeier and step up to the next level.**

all the different branches of occult systems.”

What is the function of trauma?

“The Illuminati take a small child about two years old, and they begin traumatizing it with the worst traumas that are imaginable so that they can create these amnesia walls. They find these dissociated pieces of the mind that are just like ... floppy disks, then they put in their programming to the dissociated parts of the mind as to what they want that part to become ... [HM: Elsewhere he says mind control was behind Josef Mengele’s experiments; that Mengele was Illuminati and continued his work in the US after the war.]

“The Illuminati can take a particular child and manipulate things from behind the scenes and open all the right doors for this person, and they can get them the grants and the schooling and everything they need and adding impetus to this person’s career is the mind control that is steering them in that direction too. The end product is you end up with somebody who is an engineer or a lawyer or a politician who is very highly qualified for what they are doing.

“A very conservative estimate—I shouldn’t even say estimate because I have computed it from about seven different angles—a conservative figure is 2 million Americans have been programmed with trauma based total mind control.”

The Ultimate Goal?

“The whole long-range goal of this, and when I say long-range, it’s not going to take them long to get us there at the rate they are going—the end goal of all of this is to eventually create an entire planet of mind controlled slaves that can be controlled by one super computer. They are manipulating our thoughts and our attitudes, and steering us, herding us (they consider us animals—the Illuminati consider themselves god, god men and us to be the animals) they are herding us in the direction they want to us to go.”

CONCLUSION

Let’s not fall into the Illuminati’s divide-and-conquer trap. Springmeier says this is **“a war against evil not race”**. He says that, as a virtuoso with an old violin, a “Master’s hand can turn anyone into a beautiful thing.” **He says that many members of Illuminati families have found Christ and broken free. Similarly many Illuminati dupes, whether Jewish or not, can be reached by a message of Truth and Love. We can all be deprogrammed.**

Note-1 Mel Gibson’s recent anti-Jewish outburst/recantation reeks of an illuminati stunt designed to legitimize Jews at the expense of Christians. Remember Mel Gibson is an actor. He is also a billionaire. I doubt if there are any billionaires who aren’t tied in with the Illuminati. As many Christians recognize, **The Passion of the Christ is a Satanic film. Satanists enjoy watching Christ being flayed for 90 minutes.** I suspect the ADL pretended to object in order to increase its notoriety. We learn Mel’s security guard for the last 10 years is an Israeli. Whatever his father’s politics and religion, Mel Gibson is no Christian.—foxnews.com/story/0,2933,207059,00

[END QUOTING]

The Skill of Lying, the Art of Deceit

In the final analysis the courage and daring of authors such as Fritz Springmeier might be viewed as a type of Divine Intervention. What did you think was meant by “nothing hidden that will. not be revealed”? In this excerpt from his book, Deeper Insights into the Illuminati Formula, Mr. Springmeier acts as an agent of God in revealing the agents of the Illuminati.

[QUOTING:]

DISINFORMATION TO MAKE THEIR DOUBLE-AGENTS LOOK GOOD

By Fritz Springmeier

“A Force” was MI-6’s group that carried out deception. They would have their double agents pass out CHICKEN FEED (which is what they call classified information that can be thrown out to the public) to establish their double agents’ credentials (BONA FIDES) as agents against the British. Today, there are numerous “anti-NWO” people who are actually double agents. They are distributing chicken feed to make people think they are legitimate. By the way, it is interesting to note, for those who realize how important carousels are to programming, that MI-6 (HQ in Vauxhall Cross, Eng., with a training center at Ft. Monckton, near Gosport, So. Eng.) is nicknamed (actually its cryptonym) “Carousel” by its daughter organization Mossad (officially aka Central Intelligence Collection Agency).

An example of a double agent who is popular among Christians is an Illuminati witch named Gretchen Passantino, who tours around to Christian conferences belittling the idea of mind control. Dr. Loreda Fox reports in *The Spiritual and Clinical Dimensions of MPD* that 74% of women abused by SRA come from “Christian homes”. The Christian churches are heavily infiltrated.

SLEEPER AGENTS

In the Vol. 2 book, a number of references were made to sleeper agents. The idea of placing someone somewhere in society and letting them lead a normal life for years without ever being used is designed to provide a legitimate smokescreen about what they are all about. Mind-controlled slaves make excellent sleepers. The concept of making sleeper agents is not a secret. The CIA has publicly admitted that they tried to discover long-range sleeper agents in the Los Niños children of Republican Spain who were the descendants of communist Spaniards who returned to Spain in the 1950s. They also have admitted to having tried to weed out long range sleepers in the Trebizond Greeks who lived near the USSR in Turkey and returned in the 1950s to Greece. As the CIA and KGB mirror-imaged each other in their manufactured Hegelian Dialectic mock dual (which was very real for the “little” person) you can well imagine that the CIA sent sleeper agents against the KGB.

NAMES OF TYPES OF DISINFORMATION AGENTS

The intelligence agencies have their own lingo for the types of disinformation agents they send against everyone else. So far, we have named only double and sleeper agents. Here are some more of their [types of] disinformation agents:

AGENT OF INFLUENCE—These agents can be unwitting, under mind control, or ideologically motivated to use their positions of influence to sway the minds of others. Examples of Agents of Influence are anchor men on TV, journalists, labor leaders, TV commentators, academics quoted by the media, and some politicians.

CONFUSION AGENT—An agent whose job is to produce confusion by disseminating confounding information.

CONTRACT AGENT—These are the rogue agents, such as the Mob, who the CIA get to do particular jobs on contract.

Their connections can be denied.

DEEP COVER AGENT—A sleeper agent (often a programmed multiple or person with mind-control programming) who has been a long-term sleeper agent.

DISINFORMATION AGENT—This is a highly-placed agent who passes disinformation to other governments.

NOTIONAL AGENT—A fictitious non-existent “agent” which is created with a real-looking identity to mislead.

PROVOCATION AGENT—An agent sent in to provoke and destabilize the target group to do foolish things.

SPOON-FEEDER AGENT—Someone who dribbles out legitimate information; this is often done to build up a person’s credentials (bona fides). Lots of the people who are pretending to expose the NOW are spoon-feeder agents who provide a little new information, tons of already-known secrets, and sprinkle in a measure of disinformation for added fun. Generally spoon-feeders increase their percentage of disinformation once they gain respectability. There are very few people really exposing anything of consequence about the NWO. This author has endured the loss of several of the really legitimate whistleblowers who were friends [by their] being assassinated since he began writing exposés.

What this means is that agents for groups that do mind control may have been sleepers for many years and look very legitimately innocent; they may give good correct information to our side; they may say all the right things and try to get us motivated to do more than we would want; they may talk about other friends who are giving them information, who do not even exist. It takes discernment to spot people who are not on our side. Unfortunately, such discernment seems to be fundamentally lacking within the public at large. For instance, I have seen people choose obvious NWO agents over this author as a source of “information” (which is in reality disinformation). Most people have bought so much disinformation during their lifetime, perhaps it’s unrealistic to expect them to purge out all the junk they’ve accepted. Just as people in the world need to toss out their worldly thinking, people in the church need to toss out all the indoctrination they’ve gotten from the numerous kinds of harlot churches. At the moment, the system is set up so that the perpetrators of the mind control are in control of the credentialing process, so that they can provide their stooges and agents with the best credentials. As the reader can see, the roots of power behind the mind control go deep.

TRICKING SUSPECTS

One trick (or variations of it) that has been used with suspects is to arrest them, place the suspect in a situation where the police are in two groups—one group looks like police, the other group looks like the group the suspect has come from. After the suspect arrives, the group pretending to be arrested group members overpowers the police contingent and escapes to another setting where another police group, pretending to be even more of the suspect’s group, ask him who he is and to explain his credentials.

Letting his guard down, the original suspect explains what he is all about, thereby giving them the information they needed in the first place. Variations of this script can be run. English intelligence calls this basic script CACKLEBLADDER because chicken blood is used on the police actors that are overpowered to make them look injured.

NAMES OF DECEPTION TRICKS

FOUR FACES refers to pretexts used by agents to get interviews.

DANGLE is the craft word for luring a victim into a provocation. A dangle operation would be an operation to provoke a group or individual into a particular action. This was done with Elohim City and many other groups that the NWO is trying to set up as patsies ...

Armageddon AKA World War III

This piece is quite revealing in relation to current World events in the Middle East and how they are following the Illuminati NWO plan. [QUOTING, emphasis added:]

COUNTDOWN TO WORLD WAR III

By Henry Makow, <savethemales.ca>, 8/15/04

As fighting resumes in the holy city of Najaf, more may hinge on the outcome than we realize.

In a provocative article, Joe Vialls reveals that Iran and Saddam's Iraq have a covert military alliance and began joint preparations for this war after the Gulf War ended in 1991.

Iran already has nuclear capability and recently threatened to "wipe Israel off the map" if Israel attacked its nuclear facilities. [*the late Joe Vialls*] Vialls says the cleric Al Sadr is tied to the Iranians.

"As we shall see, if Moqtada al-Sadr is killed or maimed, we will be into an altogether new and exceedingly lethal ball game," says Vialls.

As you know, a large part of the U.S. fleet is out of port and probably near Iran. Many observers believe there will be a U.S. attack on Iran after the U.S. election, no matter who wins. Iran has a military alliance with Russia.

These events should be seen in the perspective of a letter written by Albert Pike, the Grand Commander of American Freemasonry in 1871 and published in 1925. The letter foresaw three world wars designed to bring about Illuminati world hegemony.

Each war planted the seeds for the next. For example, the Second World War was designed to ensure the destruction of Germany, the expansion of Communist Russia and the establishment of the State of Israel. It unfolded exactly as Pike described and set the stage for the next war.

"The Third World War must be fomented by taking advantage of the differences caused by the 'agentur' of the 'Illuminati' between the political Zionists and the leaders of Islamic World," Pike wrote.

"Agentur" means "agent". The same term is used in another Illuminati document "The Protocols of the Elders of Zion" which dates from the same period.

The key point here is these wars are contrived. They are "caused by agentur of the Illuminati" on both sides. **These agents owe their first loyalty to the Illuminati not to their countries.**

Their aim is to destroy their respective countries and profit from the carnage.

Pike continues: "The [third] war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other."

The rest of the world will be drawn in. "Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion ..."

At this point they will be constrained to accept the Luciferian one-world government.

Iran is rumored to have missiles that would reach England. I suspect China is also being built up by the illuminati to attack and destroy the USA.

See "Elite Sets the Stage for World War Three".

Pike's complete letter and valuable background can be found on an excellent web site, <Three World Wars.com>, operated by Michael Haupt of Cambridge UK. Readers who object that the terms Nazism and Zionism were not known in 1871 should remember that the Illuminati invented both these movements.

The Illuminati refers to a tightly organized network of family dynasties representing Anglo-American and European aristocracy and Jewish finance joined by intermarriage, belief in the occult, and hatred of Christianity. Freemasonry is their instrument. They care nothing for their non-Illuminati brethren, Jewish or not. They will destroy billions as they create a neo-feudal world characterized by the super-rich, their support staff, soldiers and serfs.

"TAKING SIDES"

The Iraq war and a possible larger conflagration is a trap engineered by the Illuminati to destroy both the Moslem world and Israel, and possibly the U.S. Thus the real enemy is not Israel, America or Islam who are being manipulated. **The real enemy is the Illuminati and their agents, bent on destroying and enslaving mankind.**

For example, World War Two was choreographed. Roosevelt, Stalin, Churchill and Hitler were all Illuminati. They were actually all on the same side. Humanity ignorantly slaughtering itself for no reason was on the other side.

As Pike's letter indicates, the Nazis were intended to lose and the Communists to gain control of Eastern Europe. This is why the Nazis made so many stupid blunders on the Eastern Front and deliberately alienated the anti-Communist Russian people. It explains why they didn't invade prostrate England or make the critical oil fields of Russia and the Middle East their first priority.

Similarly today, George Bush, John Kerry, Tony Blair, Ariel Sharon, Gerhard Schroeder are all Freemasons. Bush and Kerry belong to the same "Skull and Bones" chapter! I am guessing but I expect Vladimir Putin and some significant Iranian leaders are also tied to the Illuminati. They may not be aware of the big picture but if they deviate, they will be assassinated like the Israeli PM, Yitzhak Rabin, who was also a Freemason.

Sadaam Hussein is believed to be a high-ranking Freemason with longstanding business ties to George H.W. Bush and the CIA. This would explain why George H.W. Bush didn't remove him in 1991; and why reports suggest he was secretly airlifted out of the country in the first days of the 2003 war.

The current Iraq war was planned years in advance to discredit the U.S., mire it in a Vietnam-style war and set it and Israel up for confrontation with a nuclear-armed Iran, backed by Russia and possibly China.

Osama Bin Laden is probably also Illuminati. See "Bush, Bin Laden Serve the Same Master" and "Osama bin London".

The whole Iranian Islamic Republic was put in place by the Illuminati. See Peter Goodgame's comprehensive report: "The Globalists and the Islamists".

Thus while the majority of people on both sides believe in their cause, and fight and die for it, history suggests war is always a hoax aimed at slaughtering the "innocents" and establishing the power of the Illuminati in a one-world government.

"Out of these troubled times, our objective: a new world order can emerge," President George H. W. Bush told the U.N. on September 11th 1990. "Today, that new world is struggling to be born, a world quite different from the one we have known."

"If the people were to ever find out what we have done," the same Bush told reporter Sarah McClendon in 1992, "we would be chased down the streets and lynched."

We cannot understand the world until we appreciate that most leaders are traitors and that mankind is victim of a diabolical conspiracy on an unspeakable scale. It's time we stopped fighting each other and addressed the real enemy.

[END QUOTING]

Some beginners who have just started into studying the New World Order question why the Illuminati would use legitimate religious covers. Why would the Illuminati want to create a slave who is an evangelist?

Why? Because those new converts will go to some establishment church where other programmed multiples in leadership positions will demand obedience (and then support those demands by quoting scriptures that make them seem like they are God's authority over that new convert). Because the evangelist or missionary and the bishop or pastor are controlled puppets, the convert will never get the full truth, just enough truth to keep him working hard for their organization. Even though the convert "got God in my life", the Illuminati never lose control over him.

The Christians have as much vested interest in preventing the exposure of the Illuminati programmed multiples who are big name Christian ministers running Christendom, as the Illuminati has. Imagine what would happen if the world found out that most of Christianity was run by the human-sacrificing, slavemaking Illuminati? This is one of the sad effects of the infiltration.

Perhaps the subject of covers can be explained from another angle. The reader knows that the elite like monopolies. They play monopoly for real—for us it's only a board game! To establish a monopoly, you find a good product that everyone wants or needs, and then you eliminate all the competition by either destroying them, or owning the competition yourself. In the U.S., the Illuminati can't have a one-religion monopoly. In Russia, they had communism with Marx, and Lenin as the Father-God and God-the-son figure. Communism had a monopoly on worship. In the U. S. they have established a monopoly by controlling all the various religious groups. (This author wrote an 800-page, heavily documented book, *Be Wise As Serpents*, to show the details of how this is done.) It's not a matter of what they teach, it's a matter of control, so that the Elite have a monopoly. And when you, as a mover and shaker in the world, control all these various religions via money, blackmail, and programmed multiples under your leadership, etc.—which religion would you pick to emphasize the most? You will pick the one that sells the best, i.e., the best product.

And which brand of Christianity will sell the best? The televised charismatic brand will sell the best.

Covers that slaves use to explain what they do in life are almost always "legitimate". A missionary, a military officer, a salesperson, etc., will usually actually do their cover job most of the time. Their cover is their occupation, their service as a mind-controlled slave is almost an unwitting avocation.

Organizations are used as covers. The Illuminati use military, social, intelligence, education, banking and other organizations as covers. (See my *Be Wise As Serpents* book for many of these). Moriah's front organizations, such as the CIAs, in turn use other organizations. Here is just a sampling of CIA fronts, to show the variety of fronts used:

Asia Foundation was an academic organization created by the CIA. Castle Bank & Trust co. has been a bank in the Caribbean that is a CIA front. Forum World Features has been a front created for CIA propaganda purposes and based in London, UK. Geschicter Foundation for Medical Research (as well as the Josiah Macy Foundation) was used as an intelligence front to launder money used for mind control. Air-Sea Forwarders, Inc. was the legal corporation name of a CIA front in North Hollywood, CA. The company was involved in moving freight. In the last few years, this corporation sued E-Systems, the company which builds the CIA's and the NWO's electronic systems such as their communications satellites. In court, the company proved that it was a CIA front, in spite of CIA denials. As this chapter provides information about some of the Illuminati/intelligence connections to Hollywood, bear in mind that this CIA front was proven in court to be a CIA front in Hollywood. A feat that rarely occurs.

Israel's Delusion of Self-Defense

For a little more confirmation about how the Illuminati-NWO plans, we present Henry Makow's writing of events surrounding 9-11. This piece ties in nicely with the previous articles on the modus operandi of these provocative agents.

[QUOTING, emphasis added:]

'SELF-DEFENSE' BLINDS US ISRAEL INVOLVED IN 911??

By Henry Makow, <savethemales.ca>, 8/13/06

Governments have always invented threats in order to pursue aggression and make their people sacrifice their lives, wealth and freedom.

If you believe Israel and the West are under attack by Islamic extremism, you are being fooled. There is growing evidence that Israel was involved in the 9-11 attack and is plotting new terror scares to keep the GOP in power.

A Report of the German Intelligence Service (BND) says Israel's Mossad helped the "Arab terrorists". Germany has not denied that this report is authentic and no one has been able to refute it.

"These investigations disclosed in late May of 2001 that an attack was to be made against certain specified targets in the American cities of Washington and New York. But it was apparent that the Mossad was not only fully aware of these attacks well in advance but actually, though their own agents inside these Arab groups, assisted in the planning and the eventual execution of the attacks.

"That the Israeli government was fully aware of these attack[s] is absolutely certain and proven. Diplomatic traffic between the Israeli Embassy in the Federal Republic and the Israeli Foreign Office made it very clear that Minister President Sharon was fully aware of this pending attack and urgently wished that no attempt was made to prevent the attacks."

On August 6, 2001, the German ambassador Ischinger informed George W. Bush of the exact time and place of the attack. Bush thanked the ambassador and said he was aware of it. Later the U.S. Government demanded that Germany keep this warning secret. This report has been around since 2002 but I was just made aware of it.—<physics911.net/germanintel.htm>

The "Voice of the White House" Friday produced a transcript of a telephone conversation between the Israeli Embassy and AIPAC, the Israel lobby. The speakers discuss fabricating terror attacks and scares in order to influence the November elections:

B. Well then, why not have these attacks aimed at American aircraft? Where would they attack from?

A. Say at the perimeter fence lines at airports. Or better still, why not a plan cooked up to smuggle explosives on board transatlantic flights to or from America? Something clever that will catch the public imagination.

B. That stupid bomb in the shoe routine?

A. Don't knock it. It worked, didn't it? We can always find some suckers with a bent to this we can fill up with real enthusiasm and then turn them in, complete with plans. They actually believe they are going to paradise and fuck virgins and we have another propaganda coup. Let's give this some effort. You know, a terrified public will not want to change horses in midstream. So far, the Rove people have a good line: If you're against the Republicans,

you're encouraging the evil terrorists shtick."—<renew.com/general73/red.htm>

I know this transcript sounds comical and contrived and is too good to be true. Some people think it is a forgery and they might be right. I believe it is a smoking gun. Israelis can be very arrogant and careless. (See Victor Ostrovsky's book, *The Other Side of Deception*.) Make up your own mind.

LEBANON

According to a recent editorial in *The Jerusalem Post*, Israel "is fighting the terrorist arm of the megalomaniacal regime in Iran, which has openly proclaimed its ambition to commit genocide against the Jewish nation. If this were not enough, the same regime wants to dominate the Muslim world, and from that base, subdue the entire West."—<jpost.com/servlet/Satellite>

Zionists can repeat the mantras "terrorist" and "right to self defense" but who are they fooling but themselves?

Self defense? Israel has lost about six people a year to Hezbollah since leaving Lebanon in May 2000. It loses almost 500 people to traffic accidents annually. They exchanged prisoner[s] with Hezbollah in 2004. Why not now?

Because this war is designed to create the conditions for the bogus "Clash of Civilizations" that the Zio cons have been demanding. Israeli war crimes and atrocities are designed to fan the flames.

Lebanon is another front in the Iraq War that the Zio Cons think needs to be expanded. Prime Minister Olmert even says, "We are fighting Iran and Syria."

Young Americans and Israelis are cannon fodder for globalist plans to build a "new Middle East," one that may not even include Israel.

Iran probably has nuclear weapons. If they don't, they are guilty of criminal negligence. Iraq was invaded because it didn't have WMDs.

In 2002, a Russian general said Iran has nuclear weapons.—<cuttingedge.org/news/n1660.cfm>

China and Russia are behind Hezbollah and Iran. The transcript above confirms this. There is no way this is going to turn out well for Israel. Some believe Tel Aviv and Haifa may be sacrificed as an excuse to nuke Iran.

ISRAEL'S DELUSION OF "SELF DEFENSE"

A 63-page on line monograph "Israel's Sacred Terrorism" (1980) by Livia Rokach—<abbc.com/historia/zionism/rokach.html> suggests that Israel's defensive posture is a ruse.—<montclair.edu/english/furr/essays/rokach.html>

Rokach's monograph is based on revelations from the personal diary of Moshe Sharett, who was Israeli's first Foreign Minister from 1948-1956, and Prime Minister from 1954-1956.

According to this diary, which Israel tried to suppress, the "Jewish state" always planned to become the dominant power in the region, and "invented dangers" in order to dupe its citizens and provoke war.

Sharett writes: **"The state ... must see the sword as the main if not the only instrument with which to keep its morale high and to retain its moral tension. Toward this end it may—no it MUST—invent dangers, and to do**

this it must adopt the method of provocation and revenge ... And above all, let us hope for a new war with the Arab countries so that we may finally get rid of our troubles and acquire our space." [HM: Emphasis mine.]

In 2002 Arab nations proposed to recognize Israel within the 1967 boundaries. Iran agreed. But Israel preferred to ignore this and other peace overtures.

THE HARSH REALITY

People would rather believe a lie than admit they have been deceived, even if their pigheadedness may have fatal consequences.

Israel was not created so Jews can have a "national homeland".

The Rothschilds who are Freemasons created Israel in order to advance their plan for world dictatorship. They tipped their hand with the new Israeli Supreme Court building, which they designed and funded. It is full of Masonic symbolism bewildering to most Jews. Obviously it is intended to be the Supreme Court of the New World Order rising in our midst.—<cephas-library.com/israel/israel_roots_of_evil/israel_roots_of_evil.html>

The Rothschild's emblem is on the Israeli flag. Their image is on the currency. They financed the Knesset building, just like their henchmen the Rockefellers donated the land for the UN.

The hardest part for Jews to admit is that the Rothschilds financed Hitler through intermediaries, partly to motivate Jews to start a "Jewish" state.—<savethemales.ca/000369.html>

The reason that Israel enjoys a blank cheque with the U.S. Treasury is that the Rothschilds control the credit of the U.S. and Europe and every country except Iran and North Korea. I'm not sure about China.

The whole point of the world government dictatorship (i.e. globalization) is to translate this control of credit into total political and social control.

Albert Pike, the Freemason Grand Commander wrote to Giuseppe Mazzini in 1871 that the Third World War would be between supporters of Zionism and Islam, and that both will be destroyed. That could include the U.S. and China.—<savethemales.ca/000546.html>

NO THANKS MR. OLMERT

Olmert pleaded for support from the Jewish Diaspora, saying, "We're fighting for you."—<jewishtelegraph.co.uk/world_2.html>

No, through your war crimes and atrocities, which I do not have the stomach to list, you are an embarrassment to all Jews. You are creating the anti Semitism that you Zionists seem to thrive on.

Americans are not going to fall into this trap. They are not going to be fooled into thinking they are under attack by Islam. They are not going to be pawns in the Illuminati's monstrous game. They won't be ritual human sacrifices to its evil god. Final Warning: Part 4

Part 4 of Final Warning explains how the Illuminati planned and executed getting control of the U.S. economy through their NWO banking scheme. This part focuses on the history of how the Federal Reserve System came into being by way of Illuminati deception. We honor David Rivera for his courage in putting forth this book, Final Warning: A History of the New World Order.

[QUOTING, emphasis added:]

THE FEDERAL RESERVE ACT

The end of the Civil War in 1865, ruined the Illuminati's chances to control our monetary system, as they did in most European countries. So, the Rothschilds modified their plan for financial takeover. Instead of tearing down from the top, they were going to start at the bottom to disrupt the foundation of our monetary system. The instrument of this destruction was a young immigrant by the name of Jacob Schiff.

The Schiff family traced their lineage back to the fourteenth century, and even claimed that King Solomon was an ancestor. Jacob Schiff was born in 1847, in Frankfurt, Germany. His father, Moses Schiff, a rabbi, was a successful stockbroker on the Frankfurt Stock Exchange. In 1865, he came to America, and in 1867, formed his own brokerage firm with Henry Budge and Leo Lehmann. After it failed, he went back to Germany, and became manager of the Deutsche Bank in Hamburg, where he met Moritz Warburg (1838-1910), and Abraham Kuhn, who had retired after helping to establish the firm of Kuhn & Loeb in New York.

Kuhn and Loeb were German Jews who had come to the United States in the late 1840s, and pooled their resources during the 1850s to start a store in Lafayette, Indiana, to serve settlers who were on their way to the West. They set up similar stores in Cincinnati and St. Louis. Later, they added pawn broking and money lending to their business pursuits. In 1867, they established themselves as a well-known banking firm.

In 1873, at the age of 26, Jacob Schiff, with the financial backing of the Rothschilds, bought into the Kuhn and Loeb partnership in New York City. He became a full partner in 1875. He became a millionaire by financing railroads, developing a proficiency at railroad management that enabled him to enter into a partnership with Edward Henry Harriman to create the greatest single railroad fortune in the world. He married Solomon Loeb's oldest daughter, Theresa, and eventually bought out Kuhn's interest. For all intents and purposes, he was the sole owner of what was now known as Kuhn, Loeb and Company. Sen. Robert L. Owen of Oklahoma indicated that Kuhn, Loeb and Company was a representative of the Rothschilds in the United States.

Although John Pierpont Morgan (1837-1913), the top American Rothschild representative, was the head of the American financial world, Schiff was rapidly becoming a major influence by distributing desirable European stock and bond issues during the Industrial Revolution. Besides Edward H. Harriman's railroad empire, he financed Standard Oil for John D. Rockefeller (1839-1937), and Andrew Carnegie's (1835-1919) steel empire. By the turn of the century, **Schiff was firmly entrenched in the banking community, and ready to fulfill his role as the point man in the Illuminati's plan to control our economic system, weaken Christianity, create racial tension, and to recruit members to get them elected to Congress and appointed to various government agencies.**

In 1636, Miles, John, and James Morgan landed in Massachusetts, leaving their father, William, to carry on the family business of harness-making in England. Joseph Morgan (J. P. Morgan's grandfather), successful in real

estate and business, supported the Bank of the United States. Junius Spencer Morgan (J. P. Morgan's father), was a partner in the Boston banking firm of J. M. Beebe, Morgan, and Co.; and became a partner in London's George Peabody and Co., taking it over when Peabody died, becoming J. S. Morgan and Co.

John Pierpont Morgan, or as he was better known, J. P. Morgan, was born on April 17, 1837. He became his father's representative in New York in 1860. In 1862, he had his own firm, known as J. Pierpont Morgan and Co. In 1863, he liquidated, and became a partner with Charles H. Dabney (who represented George Peabody and Co.), and established a firm known as Dabney, Morgan and Co. He later teamed up with Anthony J. Drexel (son of the founder of the most influential banking house in Philadelphia), in a firm known as Drexel, Morgan and Co. Morgan also became a partner in Drexel and Co. in

In 1869, Morgan and Drexel met with the Rothschilds in London, and through the Northern Securities Corporation, began consolidating the Rothschild's power and influence in the United States. Morgan continued the partnership that began when his father acted as a joint agent for the Rothschilds and the U. S. government.

Philadelphia. In 1869, Morgan and Drexel met with the Rothschilds in London, and through the Northern Securities Corporation, began consolidating the Rothschild's power and influence in the United States. Morgan continued the partnership that began when his father acted as a joint agent for the Rothschilds and the U. S. government.

During the Civil War, J. P. Morgan had sold the Union Army defective carbine rifles, and it was this government money that helped build his Guaranty Trust Co. of New York. In 1880, he began financing and reorganizing the railroads. After his father died in 1890, and Drexel died in 1893, the Temporary National Economic Committee revealed that J. P. Morgan held only a 9.1% interest in his own firm. George Whitney owned 1.9%, and H. B. Davison held 1.2%, however, the Charles W. Steele Estate held 36.6%, and Thomas W. Lamont (whose son, Corliss Lament, was an active communist) had 34.2%. Researchers believe that the Illuminati controlled the company through these shares.

In 1901, Morgan bought out Andrew Carnegie's vast steel operation for \$500,000,000 to merge the largest steel companies into one big company known as the United States Steel Corporation (in which, for a time, the Rockefellers were major stockholders).

A speech by Senator Norris which was printed in the *Congressional Record* of November 30, 1941, said: "J. P. Morgan, with the assistance and cooperation of a few of the interlocking corporations which reach all over the United States in their influence, controls every railroad in the United States. They control practically every public utility, they control literally thousands of corporations, they control all of the large insurance companies. Mr. President, we are gradually reaching a time, if we have not already reached that point, when the business of the country is controlled by men who can be named on the fingers of one hand, because those men control the money of the Nation, and that control is growing at a rapid rate."

The House of Morgan grew larger in 1959, when the Guaranty Trust Co. of New York merged with the J. P. Morgan and Co., to form the Morgan Guaranty Trust Co. They have four branch offices, and foreign offices in London, Paris, Brussels, Frankfurt, Rome, and Tokyo. The firm of Morgan, Stanley, and Co. is also under their control.

Paul Moritz Warburg (1868-1932), and his brother Felix (1871-1937), came to the United States from

Frankfurt in 1902, buying into the partnership of Kuhn, Loeb and Co. with the financial backing of the Rothschilds. They had been trained at the family banking house, M. M. Warburg and Co. (run by their father Moritz M. Warburg, 1838-1910), a Rothschild-allied bank in Frankfurt, Hamburg, and Amsterdam, which had been founded in 1798 by their great-grandfather. Paul (said to be worth over \$2.5 million when he died), married Nina Loeb, the daughter of Solomon Loeb (the younger sister of Schiff's wife); while Felix, in March, 1895, married Frieda Schiff, the daughter of Jacob Schiff.

Their brother Max (1867-1946), a major financier of the Russian Revolution (who in his capacity as Chief of Intelligence in Germany's Secret Service, helped Lenin cross Germany into Russia in a sealed train) and later Hitler, ran the Hamburg bank until 1938, when the Nazis took over. The Nazis, who didn't want the Jews running the banks, changed its name to Brinckmann, Wirtz and Co. After World War II, a cousin, Eric Warburg, returned to head it, and in 1970, its name was changed to M. M. Warburg, Brinckmann, Wirtz and Co.

Siegmund Warburg, Eric's brother, established the banking firm of S. G. Warburg and Co. in London, and by 1956, had taken over the Seligman Brothers' Bank.

The Warburgs are another good example of how the Illuminati controls both sides of a war. While Paul Warburg's firm of Kuhn, Loeb and Co. (who had five representatives in the U. S. Treasury

Department) was in charge of Liberty Loans, which helped finance World War I for the United States, his brother Max financed Germany, through M. M. Warburg and Co.

Paul and Felix Warburg were men with a mission, sent here by the Rothschilds to lobby for the passing of a central banking law in Congress. Colonel Ely Garrison (the financial advisor to Presidents Theodore Roosevelt and Woodrow Wilson) wrote in his book *Roosevelt, Wilson and the Federal Reserve Act*: "Mr. Paul Warburg is the man who got the Federal Reserve Act together after the *Aldrich Plan* aroused such nationwide resentment and opposition. The mastermind of both plans was Alfred Rothschild of London." Professor E. R. A. Seligman, head of the Economics Department of Columbia University, wrote in the preface of one of Warburg's essays on central banking: "The Federal Reserve Act is the work of Mr. (Paul) Warburg more than any other man in the country."

In 1903, Paul Warburg gave Schiff a memo describing the application of the European central banking system to America's monetary system. Schiff, in turn, gave it to James Stillman, President of the National City Bank in New York City. Warburg had graduated from the University of Hamburg in 1886, and studied English central banking methods, while working in a London brokerage house. In 1891, he studied French banking methods; and from 1892-93, traveled the world to study central banking applications. The bottom line, was that he was the foremost authority in the world on central banking. It is interesting to note, that the fifth plank in the 1848 *Communist Manifesto* had to do with central banking.

In 1906, Frank A. Vanderlip, of the National City Bank, convinced many of New York's banking establishment, that they needed a banker-controlled central bank, that could serve the nation's financial system. Up to that time, the House of Morgan had filled that role. Some of the people involved with Morgan were: Walter Burns, Clinton Dawkins, Edward Grenfell, Willard Straight, Thomas Lament, Dwight Morrow, Nelson Perkins, Russell Leffingwell, Elihu Root, John W. Davis, John Foster Dulles, S. Parker Gilbert, and Paul D. Cravath. The financial panics of 1873, 1884, 1893, 1907, and later 1920, were initiated by Morgan with the intent of pushing for a much stronger banking system.

On January 6, 1907, the *New York Times* published an

article by Warburg, called "Defects and Needs of Our Banking System", after which he became the leading exponent of monetary reform. That same year, Jacob Schiff told the New York Chamber of Commerce, that "unless we have a Central Bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in history." When Morgan initiated the economic panic in 1907, by circulating rumors that the Knickerbocker Bank and Trust Co. of America was going broke, there was a run on the banks, creating a financial crisis, which began to solidify support for a central banking system. During this panic, Warburg wrote an essay called "A Plan for a Modified Central Bank" which called for a Central Bank, in which 50% would be owned by the government, and 50% by the nation's banks. In a speech at Columbia University, he quoted Abraham Lincoln, who said in an 1860 Presidential campaign speech: "I believe in a United States Bank."

In 1908, Schiff laid out the final plans to seize the American monetary system. Colonel (an honorary title) Edward Mandell House (1858-1938), the son of British financier Thomas W. House, a Rothschild agent who made his fortune by supplying the south with supplies from France and England during the Civil War, was Schiff's chief representative and courier; and Bernard Baruch (1870-1965), whose stock market speculating made him a multi-millionaire by the early 1900s, and whose foreign and domestic policy expertise led Presidents from Wilson to Kennedy to seek his advice; were the two who were relied on heavily by Schiff to carry out his plans. Herbert Lehman was also a close aide to Schiff.

President Woodrow Wilson wrote about House (published in *The Intimate Papers of Col. House*): "Mr. House is my second personality. He is my independent self. His thoughts and mine are one. If I were in his place, I would do just as he suggested ... If anyone thinks he is reflecting my opinion, by whatever action he takes, they are welcome to the conclusion." George Sylvester Viereck wrote in *The Strangest Friendship in History*: Woodrow Wilson and Colonel House: "When the Federal Reserve legislation at last assumed definite shape, House was the intermediary between the White House and the financiers." Schiff, who was known as the "unseen guardian angel" of the *Federal Reserve Act*, said that the *U. S. Constitution* was the product of 18th century minds, was outdated, and should be "scrapped and rewritten".

In 1908, Sen. Nelson W. Aldrich (father-in-law of John D. Rockefeller, Jr. and grandfather of Nelson and David Rockefeller) proposed a bill, in which banks, in an emergency situation, would issue currency backed by federal, state, and local government bonds, and railroad bonds, which would be equal to 75% of the cash value of the bonds. It was harshly criticized because it didn't provide a monetary system that would respond to the seasonal demand, and fluctuate with the volume of trade. Aldrich was the most powerful man in Congress, and the Illuminati's head man in the Senate. A member of Congress for 40 years, 36 of them in the Senate, he was Chairman of the powerful Senate Finance Committee.

In the House of Representatives, Rep. E. B. Vreeland of New York, proposed the *Vreeland Bill*. After making some compromises with Aldrich, and Speaker of the House Joseph Cannon, at a meeting in a hotel room at the Arlington House, his bill became known as the *Vreeland Substitute*. It called for the acceptance of asset currency, but only in cases of emergency, and the currency would be based on commercial paper rather than bonds. It passed in the House, 184-45, but when it got to the Senate, Aldrich moved against it, and pushed for further compromises. The *Aldrich-Vreeland Bill*, called the *Emergency Currency Act*, was passed on May 30, 1908, and led to the creation of the National Monetary Commission, which was made up of members of

Congress. Now, any monetary legislation sent to Congress, would have to go through this group first.

The Bill approved by the National Monetary Commission was known as the *Aldrich Bill*, and formed the legislative base for the *Federal Reserve Act*. It was introduced as an amendment to the Republican sponsored *Payne-Aldrich Tariff Bill*, in order to have Republican support. It was based on Warburg's plan, except it would only have 15 districts; half of the directors on the district level would be chosen by the banks, a third by the stockholders, and a sixth by the other directors. On the National Board: two chosen by each district; nine chosen by the stockholders; and seven ex-officio members to be the Governor, Chairman of the Board, two Deputy Governors, Secretary of the Treasury, Secretary of Commerce and Labor, Secretary of Agriculture, and Comptroller of the Currency. Most people were against the Bill, because it finally identified the banking institution as a central bank, and the Democratic Party opposed it in

The first United Nations Monetary and Financial Conference, held in Bretton Woods, New Hampshire, from July 1 to July 22, 1944, which was under the direction of Harry Dexter White (CFR member, and undercover Russian spy), established the policies of the International Monetary Fund. Its goals were to strip the United States of its gold reserves by giving it to other nations; and to merge with their industrial capabilities; and their economic, social, educational and religious policies; to facilitate a one-world government.

the 1912 Party platform.

Aldrich was appointed as head of the National Monetary Commission, and from 1908-10, at a cost of \$300,000, this 16-man committee traveled around Europe to study the central banking system.

In 1910, Warburg gave a speech entitled, "A United Reserve Bank of the United States", which called for a United Reserve Bank to be located in Washington, D.C., having the capital of \$100 million. The country would be divided into 20 districts, and the system would be controlled by a Board of Directors, which would be chosen by the banking associations, the stockholders, and the government. Warburg said that the U. S. monetary system wasn't flexible, and it was unable to compensate for the rise and fall of business demand. As an example, he said that when wheat was harvested, and merchants didn't have the cash on hand to buy and store a large supply of grain, the farmers would sell the grain for whatever they could get. This would cause the price of wheat to greatly fluctuate, forcing the farmer to take a loss. Warburg called for the development of commercial paper (paper money) to circulate as currency, which would be issued in standard denominations of uniform sizes. They would be declared by law to be legal tender for the payment of debts and taxes.

President Theodore Roosevelt said, concerning the criticism of finding capable men to head the formation of a central bank: "Why not give Mr. (Paul) Warburg the job? He would be the financial boss, and I would be the political boss, and we could run the country together."

After a conference was held at Columbia University on November 12, 1910, the National Monetary Commission published their plan in the December, 1910 issue of their *Journal of Political Economy* in an article called, "Bank Notes and Lending Power".

On November 22, 1910, Aldrich called a meeting of the banking establishment and members of the National Monetary Commission, which was proposed by Henry P. Davison (a partner of J. P. Morgan). Aldrich said that he intended to keep them isolated until they had developed a "scientific currency for the United States".

All those summoned to the secret meeting, were members of the Illuminati. They met on a railroad

platform in Hoboken, New Jersey, where they chartered a private railroad car owned by Aldrich to Georgia. They were taken by boat, to Jekyll Island, off the coast of Brunswick, Georgia. Jekyll Island is in a group of ten islands, including St. Simons, Tybee, Cumberland, Wassau, Wolf, Blackbeard, Sapelo, Ossabow, and Sea Islands. Jekyll Island was a "hideaway resort of the rich", purchased in 1888 by J. P. Morgan, Cyrus McCormick, William Rockefeller (John D. Rockefeller's brother), William K. Vanderbilt, and George F. Baker (who founded Harvard Business School with a gift of \$5 million) for \$125,000 from Eugene du Bignon, whose family owned it for a century. Up until the time it was converted into a public resort, no uninvited foot ever stepped on its shores. It was said, that when all 100 members of the Jekyll Island Hunting Club sat down for dinner at the clubhouse, it represented a sixth of the world's wealth. St. Simons Island, a short distance away, to the north, was also owned by Illuminati interests.

Those attending the meeting at the private hunting lodge, were said to be on a duck-hunting expedition. They were sworn to secrecy, even addressing each other by code names or just by their first names. Details are very sketchy, concerning who attended the meeting, but most scenarios agree that the following people were present: Sen. Aldrich, Frank A. Vanderlip (Vice-President of the Rockefeller owned National City Bank), Henry P. Davison (of the J. P. Morgan and Co.), Abram Piatt Andrew (Assistant Secretary of the Treasury, an Assistant Professor at Harvard, and Special Assistant to the National Monetary

Commission during their European tour), Paul Moritz Warburg (of Kuhn, Loeb and Co.), Benjamin Strong (Vice-President of Morgan's Bankers Trust Co.), Eugene Meyer (a former partner of Bernard Baruch, and the son of a partner in the Rothschild-owned Lazard Freres, who was the head of the War Finances Corporation, and later gained control of the *Washington Post*), J. P. Morgan, John D. Rockefeller, Col. House, Jacob Schiff, Herbert Lehman (of Lehman Brothers), Bernard Baruch (appointed by President Wilson to be the Chairman of the War Industries Board, which gave him control of all domestic contacts for Allied war materials, which enabled him to make \$200 million for himself while working for the government), Joseph Seligman (a leading Jewish financier, who founded J. & W. Seligman and Co., who had helped to float bonds during the Civil War, and were known as "World Bankers", then later declined President Grant's offer to serve as the Secretary of Treasury), and Charles D. Norton (President of the First National Bank of New York).

About ten days later, they emerged with the groundwork for a central banking system, in the form of, not one, but two versions, to confuse the opposition. The final draft was written by Frank Vanderlip, from Warburg's notes, and was incorporated into *Aldrich's Bill*, in the form of a completed Monetary Commission report, which Aldrich railroaded through Congress by avoiding the term "central bank". No information was available on this meeting until 1933, when the book *The Federal Reserve Act: Its Origins and Problems*, by James L. Laughlin, appeared; and other information, which was supplied by B. C. Forbes, the editor of *Forbes Magazine*. In 1935, Frank Vanderlip wrote in the *Saturday Evening Post*: "I do not feel it is any exaggeration to speak of our secret expedition to Jekyll Island as the occasion of the actual conception of what eventually became the Federal Reserve System."

The banker-initiated mini-depressions, the last of which had occurred in 1907, helped get Congressional support for the Bill, and on May 11, 1911, the National Citizens League for the Promotion of a Sound Banking System, an Illuminati front-organization, publicly announced their support for *Aldrich's Bill*. However, the *Aldrich Bill* was destined for failure, because he was so closely identified

with J. P. Morgan. So, the Illuminati went to Plan B, which was the second version hammered out at the Jekyll Island summit. The National Citizens League publicly withdrew their support of the *Aldrich Bill*, and the move was on to disguise it, so that it could get through Congress.

Once the new version was ready, they were a little apprehensive about introducing it in Congress, because even if it would be passed by Congress, President Taft would veto it, so they had to wait until they could get their own man elected. That man was Woodrow Wilson.

The Democrats, with the exception of Grover Cleveland's election, had been out of power since 1869. Being a "hungry" Party, the Illuminati found them easier to infiltrate. During the late 1800s, they began the process of changing the Democrats from conservative to liberal, and the Republicans, from liberal to conservative.

Wilson graduated from Princeton University in 1879, studied law at the University of Virginia, and received his doctorate degree from Johns Hopkins in 1886. He taught Political Science and History at Bryn Mawr and Wesleyan, and in 1902, became President of Princeton. Because of his support of *Aldrich's Bill*, when it was first announced, he was supported by the Illuminati in his successful bid as Governor of New Jersey in 1910. The deal was made through Vanderlip agents, William Rockefeller and James Stillman, at Vanderlip's West Chester estate. The liaison between the Illuminati and Wilson, would be his prospective son-in-law, William G. McAdoo.

Rabbi Stephen Wise, a leading Jewish activist, told an audience at the Y.M.C.A. in Trenton, New Jersey: "On Tuesday the President of Princeton University will be elected Governor of your state. He will not complete his term of office as Governor. In November, 1912, he will be elected President of the United States. In March, 1917, he will be inaugurated for the second time as President. He will be one of the greatest Presidents in American history." Wise, who made this prophetic statement in 1910, later became a close advisor to Wilson. He had good reason to believe what he said, because the deal had already been struck. Wilson wasn't viewed as being pro-banking, and the Democratic Party Platform opposed a Central Bank, which was now linked to the Republicans and the bankers.

The main problem of the Democrats, was the Republican voting edge, and the lack of money. After the Illuminati made the decision to support Wilson, money was no problem. Records showed that the biggest contributors to Wilson's campaign were Jacob Schiff, Bernard Baruch, Henry Morgenthau, Sr., Thomas Fortune Ryan (mining magnate), Sammuel Untermyer, Cleveland H. Dodge (of the National City Bank), Col. George B. M. Harvey (an associate of J. P. Morgan, and editor of the Morgan-controlled *Harper's Weekly*, and President of the Harper and Brothers publishing firm), William Laffan (editor of the *New York Sun*), Adolph Ochs (publisher of the *New York Times*), and the financiers that owned the *New York Times*, **Charles R. Flint, Gen. Sam Thomas, J. P. Morgan, and August Belmont. All of these men were Illuminati members.**

The problem of the voter registration edge was a bit more difficult, but that was a project that the Illuminati was working on. The Russian pogroms of 1881 and 1882, in which thousands of Russians were killed; and religious persecution and anti-Semitism in Poland, Romania, and Bulgaria in the early 1890s, began three decades of immigration into the United States by thousands of Jews. By the turn of the century, a half-million Jews had arrived to the port cities of New York, Baltimore, and Boston. It was the Democrats who initiated a program to get them registered to vote. Humanitarian committees were set up by Schiff and the Rothschilds, such as the Hebrew Immigration Aid Society, and the B'nai B'rith, so when the Jews arrived, they were made naturalized citizens, registered Democrat, then shuffled off to other large cities, such as Chicago, Philadelphia, Detroit and Los Angeles, where they were given financial help to find a place to live, food, and clothing. This is how the Jews became a solid Democratic

voting bloc, and it was these votes that would be needed to elect Wilson to the Presidency.

In 1912, with President William Howard Taft running for re-election against Wilson, the Illuminati needed some insurance. They got it by urging another Republican, former President, Theodore Roosevelt (1901-09) to run on the Progressive ticket. Taft had served as Roosevelt's Secretary of War (1905-09), and was chosen by Roosevelt to succeed him as President. Now, Roosevelt was running again. Advocating the 'New Nationalism', Roosevelt said: "My hat is in the ring ... the fight is on and I am stripped to the buff." Identified as 'anti-business' because of his stand against corporations and trusts, his proposals for reorganizing the government were attacked by the Illuminati-controlled *New York Times* as "super-socialism". His 'Bull Moose' Platform said: "We are opposed to the so-called *Aldrich Currency Bill* because its provisions would place our currency and credit system in private hands, not subject to effective public control." Frank Munsey and George Perkins, of the J. P. Morgan and Co. organized, ran, and financed Roosevelt's campaign. A recent example of the same plan that pulled votes away from Taft, in order to get Wilson elected, occurred in the 1992 Presidential election. In a 1994 interview, Barbara Bush told *ABC-TV* news correspondent Barbara Walters, that the third-party candidacy of independent H. Ross Perot was the reason that Bill Clinton was able to defeat President George Bush.

The Illuminati was able to get the support of perennial Democratic Presidential candidate, William Jennings Bryan, by letting him write the plank of the Party Platform which opposed the *Aldrich Bill*. Remember, the second version of the Bill prepared at Jekyll Island was to be an alternative, so public attention was turned against the *Aldrich Bill*. Wilson, an aristocrat, having socialistic views, was in favor of an independent reserve system, because he didn't trust the "common men" which made up Congress, however, publicly, he promised to "free the poor people of America from control by the rich", and to have a money system that wouldn't be under the control of Wall Street's International Bankers. In fact, in the summer of 1912, when he accepted the nomination as the Democratic candidate for the Presidency, he said: "A concentration of the control of credit...may at any time become infinitely dangerous to free enterprise." According to the Federal Reserve's historical narrative, the shift in Wilson's point of view was "a combination of political realities and his own lack of knowledge about banking and finance (and) after his election to the Presidency, Wilson relied on others for more expert advice on the currency question."

Because of the voting split in the Republican Party, not only was Woodrow Wilson able to win the Presidency, but the Democrats gained control of both houses in Congress.

DEMOCRAT (Wilson) 435 electoral votes

PROGRESSIVE (Roosevelt) 88 electoral votes

Rep. Carter Glass of Virginia, Chairman of the Banking and Currency Committee, met with Wilson after his election, along with H. Parker Willis (who was Dean of Political Science at George Washington University) of the National Citizens League, to prepare a Bill, known as the *Glass Bill*, which began taking form in January 1913. Now Plan B was set into motion. Remember, the National Citizens League, headquartered in Chicago, had already announced their opposition to the *Aldrich Bill*, now the Wall Street banking interests had come out against the *Glass Bill*, which was actually the *Aldrich Bill* in disguise.

The Wall Street crowd was generally referred to as the "money trust". However, a 1912 *Wall Street Journal* editorial said that the term "money trust" was just a reference to J. P. Morgan. The suspicion of the "money

trust" peaked in 1912, during an investigation by a House banking subcommittee which revealed that twelve banks in New York, Boston, and Chicago, had 746 interlocking directorships in 134 corporations. Rep. Robert L. Henry of Texas said that for the past five years, the nation's financial resources had been "concentrated in the city of New York (where they) now dominate more than 75 percent of the moneyed interests of America ..." George McC. Reynolds, the President of the Continental Bank of Chicago, testified: "The money power now lies in the hands of a dozen men" The threat from this powerful private banking system was to be ended with the establishment of a central bank.

To avoid the mention of central banking, Wilson himself suggested that the regional banks be called "Federal Reserve Banks", and proposed a special session of the 63rd Congress to be convened to vote on the *Federal Reserve Act*. On June 23, 1913, he addressed the Congress on the subject of the Federal Reserve, threatening to keep them in session until they passed it. Wilson got Bryan's support by making him Secretary of State, and in October 1913, Bryan said he would assist the President in "securing the passage of the Bill at the earliest possible moment".

The *Glass Bill (HR7837)* was introduced in the House of Representatives on June 26, 1913. The revision mentioned nothing about central banking, which was what the people feared. It was believed that Willis had written the Bill, but it was later discovered that Professor James L. Laughlin, at the Political Science Department of Columbia University, had written it, taking special precaution not to clash with the Bryan plank of the Democratic Party Platform. It was referred to the Banking and Currency Committee, reported back to the House on September 9th, and passed on September 18th.

Sen. Robert Latham Owen of Oklahoma, Chairman of the Senate Banking and Finance Committee, along with five of his colleagues, drafted a Bill which was more open-minded to the suggestions of the bankers. A Bill drafted by Sen. Gilbert M. Hitchcock, a Democrat from Nebraska, called for the elimination of the "lawful money" provision, and stipulated that note redemption must be made in gold. It also provided for public ownership of the regional reserve banks, which would be controlled by the government.

In the Senate, the *Glass Bill* was referred to the Senate Banking Committee, and reported back to the Senate on November 22, 1913. The Bill was now known as the *Glass-Owen Bill*. Sen. Owen, who opposed the *Aldrich Bill*, made some additional revisions, in an attempt to keep them from completely dominating our monetary system. Sen. Elihu Root of New York criticized some of these revisions, and some points were modified. It was passed by the Senate on December 19th.

Since different versions had been passed by both Houses, a Conference Committee was established, which was stacked with six Democrats and only two Republicans, to insure that certain portions of the original Bill would remain intact. It was hastily prepared without any public hearings, and on December 23, 1913, two days before Christmas, when many Congressmen, and three particular Senators, were away from Washington, the Bill was sent to the House of Representatives, where it passed 298-60, and then sent to the Senate, where it passed with a vote of 43-25 (with 27 absent or abstaining). An hour after the Senate vote, Wilson signed the *Federal Reserve Act* into law, and the Illuminati had taken control of the American economy. The gold and silver in the nation's vaults were now owned by the Federal Reserve. Baron Alfred Charles Rothschild (1842-1918), who masterminded the entire scheme, then made plans to further weaken our country's financial structure.

Although Wilson, and Rep. Carter Glass were given the credit for getting the *Federal Reserve Act* through Congress, William Jennings Bryan played a major role in gaining support to pass it. Bryan later wrote: "That is the

one thing in my public career that I regret-my work to secure the enactment of the Federal Reserve Law.” Rep. Glass would later write: “I had never thought the Federal Bank System would prove such a failure. The country is in a state of irretrievable bankruptcy.”

Eustace Mullins, in his book *The Federal Reserve Conspiracy*, wrote: “The money and credit resources of the United States were now in complete control of the banker’s alliance between J. P. Morgan’s First National Bank, and Kuhn & Loeb’s National City Bank, whose principal loyalties were to the international banking interests, then quartered in London, and which moved to New York during the First World War.”

The Reserve Bank Organization Committee, controlled by Secretary of the Treasury, William Gibbs McAdoo, and Secretary of Agriculture David F. Houston (who along with Glass, later became Treasury Secretaries under Wilson), was give \$100,000 to find locations for the regional Reserve Banks. With over 200 cities requesting this status, hearings were held in 18 cities, as they traveled the country in a special railroad car.

On October 25, 1914, the formal establishment of the Federal Reserve System was announced, and it began operating in 1915.

Col. House, who Wilson called his “alter ego”, because he was his closest friend and most trusted advisor, anonymously wrote a novel in 1912 called *Philip Dru: Administrator*, which revealed the manner in which Wilson was controlled. House, who lobbied for the implementation of central banking, would now turn his attention towards a graduated income tax. Incidentally, a central bank providing inflatable currency, and a graduated income tax, were two of the ten points in the *Communist Manifesto* for socializing a country.

House hand-picked the first Federal Reserve Board, naming Benjamin Strong as its Chairman. In 1914, Paul M. Warburg quit his \$500,000 a year job at Kuhn, Loeb and Co. to be on the Board, later resigning in 1918, during World War I, because of his German connections.

The *Banking Act* of 1935 amended the *Federal Reserve Act*, changing its name to the *Federal Reserve System*, and reorganizing it, in respect to the number of directors and length of term.

Headed by a seven member Board of Governors, appointed by the President, and confirmed by the Senate for a 14 year term, the Board acts as an overseer to the nation’s money supply and banking system,

The Board of Governors, the President of the Federal Reserve Bank in New York, and four other Reserve Bank Presidents, who serve on a rotating basis, make up the Federal Open Market Committee. This group decides whether or not to buy and sell government securities on the open market. The Government buys and sells government securities, mostly through 21 Wall Street bond dealers, to create reserves to make the money needed to run the government. The Committee also determines the supply of money available to the nation’s banks and consumers.

There are twelve Federal Reserve Banks, in twelve districts: Boston (MA), Cleveland (OH), New York (NY), Philadelphia (PA), Richmond (VA), Atlanta (GA), Chicago (IL), St. Louis (MO), Minneapolis (MN), Kansas City (KS), San Francisco (CA), and Dallas (TX). The twelve regional banks were set up so that the people wouldn’t think that the Federal Reserve was controlled from New York. Each of the Banks have nine men on the Board of Directors; six are elected by member Banks, and three are appointed by the Board of Governors.

They have 25 branch Banks, and many member Banks. All Federal Banks are members, and four out of every ten commercial banks are members. In whole, the Federal Reserve System controls about 70% of the country’s bank deposits. Ohio Senator, Warren G.

Harding, who was elected to the Presidency in 1920, said in a 1921 Congressional inquiry, that the Reserve was a private banking monopoly. He said: “The Federal Reserve Bank is an institution owned by the stockholding member banks. The Government has not a dollar’s worth of stock in it.” His term was cut short in 1923, when he mysteriously died, leading to rumors that he was poisoned. This claim was never substantiated, because his wife would not allow an autopsy.

Three years after the initiation of the Federal Reserve, Woodrow Wilson said: The growth of the nation ... and all our activities are in the hands of a few men ... We have come to be one of the worst ruled; one of the most completely controlled and dominated governments in the civilized world ... no longer a government of free opinion, no longer a government by conviction and the free vote of the majority, but a government by the opinion and duress of a small group of dominant men.”

In 1919, John Maynard Keynes, later an advisor to Franklin D. Roosevelt, wrote in his book *The Economic Consequences of Peace*: “Lenin is to have declared that the best way to destroy the capitalist system was to debauch the currency ... By a continuing process of inflation, governments can confiscate secretly and unobserved, an

. . Every effort has been made by the Federal Reserve Board to conceal its powers, but the truth is the FED has usurped the government. It controls everything here (in Congress) and controls all our foreign relations. It makes and breaks governments at will ... When the FED was passed, the people of the United States did not perceive that a world system was being set up here ... A super-state controlled by international bankers, and international industrialists acting together to enslave the world for their own pleasure!”

important part of the wealth of their citizens ... As the inflation proceeds and the real value of the currency fluctuates wildly from month to month, all permanent relations between debtors and creditors, which form the ultimate foundation of capitalism, become so utterly disordered as to be almost meaningless ... “

Congressman Charles August Lindbergh, Sr., father of the historic aviator, said on the floor of the Congress: “This Act establishes the most gigantic trust on Earth ... When the President signs this Act, the invisible government by the Money Power, proven to exist by the Money Trust investigation, will be legalized ... This is the *Aldrich Bill* in disguise ... The new law will create inflation whenever the Trusts want inflation ... From now on, depressions will be scientifically created ... The worst legislative crime of the ages is perpetrated by this banking and currency bill.” Lindbergh supposedly paid for his opposition to the Illuminati. When there appeared to be growing support for his son Charles to run for the Presidency, his grandson was kidnapped, and apparently killed.

Rep. Henry Cabot Lodge, Sr. said of the Bill (*Congressional Record*, June 10, 1932): “The Bill as it stands, seems to me to open the way to vast expansion of the currency ... I do not like to think that any law can be passed which will make it possible to submerge the gold standard in a flood of irredeemable paper currency.”

On December 15, 1931, Rep. Louis T. McFadden, who for more than ten years served as Chairman of the Banking and Currency Committee in the House of Representatives, said: “The Federal Reserve Board and banks are the duly appointed agents of the foreign central banks of issue and they are more concerned with their foreign customers than they are with the people of the United States. The only thing that is American about the Federal Reserve Board and banks is the money they use ...” On June 10, 1932, McFadden, said in an address to the Congress: “We have in this country one of the most

corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks ... Some people think the Federal Reserve Banks are United States Government institutions. They are not Government institutions. They are private credit monopolies which prey upon the people of the United States for the benefit of themselves and their foreign customers ... The Federal Reserve Banks are the agents of the foreign central banks ... In that dark crew of financial pirates, there are those who would cut a man’s throat to get a dollar out of his pocket ... Every effort has been made by the Federal Reserve Board to conceal its powers, but the truth is the FED has usurped the government. It controls everything here (in Congress) and controls all our foreign relations. It makes and breaks governments at will ... When the FED was passed, the people of the United States did not perceive that a world system was being set up here ... A super-state controlled by international bankers, and international industrialists acting together to enslave the world for their own pleasure!”

On May 23, 1933, McFadden brought impeachment charges against the members of the Federal Reserve:

“Whereas I charge them jointly and severally with having brought about a repudiation of the national currency of the United States in order that the gold value of said currency might be given to private interests ... ”

“I charge them ... with having arbitrarily and unlawfully taken over \$80,000,000,000 from the United States Government in the year 1928 ... ”

“I charge them ... with having arbitrarily and unlawfully raised and lowered the rates on money ... increased and diminished the volume of currency in circulation for the benefit of private interests ... ”

“I charge them ... with having brought about the decline of prices on the New York Stock Exchange ... ”

“I charge them ... with having conspired to transfer to foreigners and international money lenders, title to and control of the financial resources of the United States ... ”

“I charge them ... with having published false and misleading propaganda intended to deceive the American people and to cause the United States to lose its independence ... ”

“I charge them ... with the crime of having treasonably conspired and acted against the peace and security of the United States, and with having treasonably conspired to destroy the constitutional government of the United States.”

In 1933, Vice-President John Garner, when referring to the international bankers, said: “You see, gentlemen, who owns the United States.”

Sen. Barry Goldwater wrote in his book *With No Apologies*: “Does it not seem strange to you that these men just happened to be CFR and just happened to be on the Board of Governors of the Federal Reserve, that absolutely controls the money and interest rates of this great country. A privately owned organization ... which has absolutely nothing to do with the United States of America!”

Plain and simple, the Federal Reserve is not part of the Federal Government, it is a privately held corporation owned by stockholders. That is why the Federal Reserve Bank of New York (and all the others) is listed in the *Dun and Bradstreet Reference Book* of American Business (Northeast, Region 1, Manhattan/Bronx). According to Article I, Section 8 of the *U. S. Constitution*, only Congress has the right to issue money and regulate its value, so it is illegal for private interests to do so. Yet, it happened, and because of a provision in the Act, the Class A stockholders were to be kept a secret, and not to be revealed. R. F. McMaster, who published a

newsletter called *The Reaper*, through his Swiss and Saudi Arabian contacts, was able to find out which banks held a controlling interest in the Reserve: the Rothschild Banks of London and Berlin; Lazard Brothers Bank of Paris; Israel Moses Seif Bank of Italy; Warburg Bank of Hamburg and Amsterdam; Lehman Brothers Bank of New York; Kuhn, Loeb, and Co. of New York; Chase Manhattan Bank of New York; and Goldman, Sachs of New York. These interests control the Reserve through about 300 stockholders.

Because of the way the Reserve was organized, whoever controls the Federal Reserve Bank of New York, controls the system, [a]bout 90 of the 100 largest banks are in this district. Of the reportedly 203,053 shares of the New York bank: Rockefeller's National City Bank had 30,000 shares; Morgan's First National Bank had 15,000 shares; Chase National, 6,000 shares; and the National Bank of Commerce (Morgan Guaranty Trust), 21,000 shares.

A June 15, 1978 Senate Report called "Interlocking Directorates Among the Major U.S. Corporations" revealed that five New York banks had 470 interlocking directorates with 130 major U.S. corporations: Citicorp (97), J. P. Morgan Co. (99), Chase Manhattan (89), Manufacturers Hanover (89), and Chemical Bank (96). According to Eustace Mullins, these banks are major stock holders in the FED. In his book *World Order* he said that these five banks are "controlled from London." Mullins said: "Besides its controlling interest in the Federal Reserve Bank of New York, the Rothschilds had developed important financial interests in other parts of the United States ... The entire Rockefeller empire was financed by the Rothschilds."

A May 1976 report of the House Banking and Currency Committee indicated: "The Rothschild banks are affiliated with Manufacturers Hanover of London in which they hold 20 percent ... and Manufacturers Hanover Trust of New York." The Report also revealed that Rothschild Intercontinental Bank, Ltd., which consisted of Rothschild banks in London, France, Belgium, New York, and Amsterdam, had three American subsidiaries: National City Bank of Cleveland, First City National Bank of Houston, and Seattle First National Bank. It is believed, that the Rothschilds hold 53% of the stock of the U.S. Federal Reserve.

Each year, billions of dollars are "earned" by Class A stockholders, from U. S. tax dollars which go to the FED to pay interest on bank loans.

How about our Gold reserves. First, lets take a brief look at the history of the two metals used for currency. The *Coinage Act* of 1792 established a dollar consisting of 371.25 grains of pure silver, but was later replaced with a gold dollar consisting of 25.8 grains of gold. In 1873, the *Coinage Act* was passed, prohibiting the use of Silver as a form of currency, because the quantity being discovered was driving the value down. In 1875, after temporarily suspending gold convertibility during the Civil War greenback period, the U. S. was put more firmly on the gold standard by the *Gold Standard Act* of 1900. From 1900 to 1933, gold was coined by the U. S. Mint, and our paper currency was tied into the amount of gold held in the U. S. Treasury reserves.

In July 1927, the directors of the Bank of England, the New York Federal Reserve Bank, and the German Reichsbank, met to plan a way to get the gold moved out of the United States, and it was this movement of gold which helped trigger the depression. By 1928, nearly \$500 million in gold was transferred to Europe.

President Franklin D. Roosevelt accepted the advice of England's leading economist, John Maynard Keynes (1883-1946), a member of the Illuminati, who said that deficit spending would be a shot in the arm to the economy. Most of the New Deal spending programs to fight economic depression, were based on Keynes theories on deficit spending, and financed by borrowing against future taxes. In 1910, Lenin said: "The surest way to overthrow an established social order is to debauch its currency." Nine years later,

Keynes wrote: "Lenin was certainly right, there is no more positive, or subtler, no surer means of overturning the existing basis of society than to debauch the currency ... The process engages all of the hidden forces of economic law on the side of destruction, and does it in a manner that not one man in a million is able to diagnose."

A Presidential Executive Order by Roosevelt on April 5 1933, required all the people to exchange their gold coins, gold bullion, and gold-backed currency, for money that was not redeemable in precious metals. The *Gold Reserve Act* of 1934, known as the *Thomas Amendment*, which amended the Act of May 12 1933, made it illegal to possess any gold currency (which was rescinded December 31 1974). Gold coinage was withdrawn from circulation, and kept in the form of bullion. Just as the public was to return all their gold to the U. S. Government, so was the Federal Reserve. However, while the people received \$20.67 an ounce in paper money issued by the Federal Reserve, the Reserve was paid in Gold Certificates. Now the Federal Reserve, and the Illuminati, had control of all the gold in the country.

In 1934, the value of gold increased to \$35 an ounce, which produced a \$3 billion profit for the Government. But when the price of gold increases, the value of the dollar decreases. Our dollar has not been worth 100 cents since 1933, when we were taken off of the Gold Standard. In 1974, our dollar was worth 221/2 cents, and in 1983 it was only worth 38 cents. Since our money supply had

It has been reported that 40% (13,000 tons) of the world's gold is five levels below street level, in a sub-basement of the New York Federal Reserve Bank, behind a 90-ton revolving door. Some of it is American-owned, but most is owned by the central banks of other countries. It is stored in separate cubicles, and from time to time, is moved from one cubicle to another to satisfy international transactions. [Editor's note: We have reason to believe 2 million tons of gold has been verified to be secreted in the Philippines alone per information in the last issue.]

been limited to the amount of gold in Treasury reserves, when the value of the dollar decreased, more money was printed.

The first United Nations Monetary and Financial Conference, held in Bretton Woods, New Hampshire, from July 1 to July 22 1944, which was under the direction of Harry Dexter White (CFR member, and undercover Russian spy), established the policies of the International Monetary Fund. Its goals were to strip the United States of its gold reserves by giving it to other nations; and to merge with their industrial capabilities; and their economic, social, educational and religious policies; to facilitate a one-world government.

Because of paying off foreign obligations and strengthening foreign economies, between 1958 and 1968, the amount of gold bullion in the possession of the U. S. Treasury dropped by 52%. Of the amount remaining, \$12 billion was reserved by law for backing the paper money in circulation. Our money had been backed by a 25% gold reserve in accordance to a law that was passed in 1945, but it was rescinded in 1968. The amount of gold slipped from 653.1 million troy ounces in 1957, to 311.2 million ounces in 1968, which according to the Treasury Department, was due to sales to foreign banking institutions, sales to domestic producers, and the buying and selling of gold on the world market to stabilize prices. This was a loss of 341.9 million troy ounces. In August 1971, gold was used only for world trade, because foreign countries wouldn't accept U. S. dollars. As of November, 1981, sources had indicated that the gold reserve had dropped to 264.1 million troy ounces.

Title 31 of the U. S. Code, requires an annual physical inventory of our gold supply, but a complete audit was never done, so officially, nobody knows what has occurred. After World War II, America had 70% of the World's supply of loose gold, but today, we may have less

than 7%. Sen. Jesse Helms seemed to think that the OPEC nations have our gold, while others believe that 70% of the world's gold supply is being held by the World Bank, which is dominated by the financial grip of the Rothschilds and the Rockefellers. I have received information from a gentleman in Michigan which indicates that counterfeit \$5,000 and \$10,000 Federal Reserve Notes have been used to steal U.S. gold reserves. Illegal to own, these notes are actually checks which are used to transfer ownership of large amounts of gold without actually moving the gold itself. Using public records, he shows the serial numbers of the bills which were originally printed, and how there are now more in existence.

It has been reported that 40% (13,000 tons) of the world's gold is five levels below street level, in a sub-basement of the New York Federal Reserve Bank, behind a 90-ton revolving door. Some of it is American-owned, but most is owned by the central banks of other countries. It is stored in separate cubicles, and from time to time, is moved from one cubicle to another to satisfy international transactions.

Now let's look at Silver. After March 1964, Silver certificates were no longer convertible to Silver dollars; and in March 1968, near the conclusion of the Johnson Administration, Silver backing of the dollar was removed. On the 1929 series of notes, it read: "Redeemable in gold on demand at the United States Treasury, or in gold or lawful money at any Federal Reserve Bank." This was just like the Silver Certificate, which was guaranteed by a dollar in silver that was on deposit. On the 1934 series of notes, it read: "This note is legal tender for all debts, public and private, and is redeemable in lawful money at the United States Treasury, or at any Federal Reserve Bank." The 1950 series bore the same information, but reduced it to three lines, and reduced the size of the type. In the 1953 series, the wording was totally removed, although the bottom portion contained a promise to "pay the bearer on demand". However, in 1963, even that message was removed, and our dollars became nothing more than worthless pieces of paper because they no longer met the legal requirements of a note, which meant it had to list an issuing bank, and amount payable, a payee or 'bearer', and a time for payment, which was 'on demand'.

Since 1933, the Reserve has been printing too much money, compared to the declining Gross National Product (GNP). The GNP is the accumulated values of services and goods produced in the country. If the GNP is 4%, then the money produced should only be about 5-6%, thus insuring enough money to keep the goods produced by the GNP in circulation. Additional social services, which are promised during election year rhetoric to gain votes, increase the Federal Budget, so more money is printed. Then the Government will cut the Budget, establish wage and price controls. The extra money in circulation decreases the value of the dollar, and prices go up. Simply put, too much money in circulation causes inflation, and that is what the Reserve is doing, purposely printing too much money in order to destroy the economy. On the other hand, if they would stop printing money, our economy would collapse.

The Reserve is responsible for setting the interest rate that member banks can borrow from the Reserve, thus controlling the interest rates of the entire country. So what it boils down to, the Federal Reserve determines the amount of money needed, which is created by the International Bankers out of nothing. Besides the face value, they charge the government 3¢ to produce each bill. The Federal government pays the Reserve in bonds (which are also printed by the Reserve), and then pay the bonds off at a high rate of interest. That interest will very soon become the largest item in the Federal Budget.

William McChesney Martin, a member of the Council on Foreign Relations, and Chairman of the Federal Reserve during the 'New Frontier' years of the Kennedy Administration, testified to the Federal Banking

Committee, that the value of the dollar was being scientifically brought down each year by 3-31/2 %, in order to allow wages to go up. The reasoning behind this, was that the people were being made to think that they were getting more, when in fact they were really getting less.

The Congress has also contributed to this process, by approving Federal Budgets, year after year, which requires the printing of more money to finance the debt, which is now over \$ 4,800,000,000,000 (4.8 trillion). When Wilson was President, the debt was about \$1 billion, and in 1974, the debt was about \$1 trillion.

In 1937, Rep. Charles G. Binderup of Nebraska, realizing the consequences of the Federal Reserve System, called for the Government to buy all the stock, and to create a new Board controlled by Congress to regulate the value of the currency and the volume of bank deposits, thus eliminating the FED's independence. He was defeated for re-election. Others have also tried to introduce various Bills to control the Federal Reserve: Rep. Goldborough (1935), Rep. Jerry Voorhis of California (1940, 1943), Sen. M. M. Logan of Kentucky, and Rep. Usher L. Burdick of North Dakota.

Rep. Wright Patman of Texas (who was the House Banking Chairman until 1975), said in 1952: "In fact there has never been an independent audit of either the twelve banks of the Federal Reserve Board that has been filed with the Congress ... For 40 years the system, while freely using the money of the government, has not made a proper accounting."

Patman, said that the Federal Open Market Committee (who, in addition to the Board of Governors, decide the country's monetary policy) is "one of the most secret societies. These twelve men decide what happens in the economy ... In making decisions they check with no one - not the President, not the Congress, not the people." Patman also said: "In the United States

we have, in effect, two governments ... We have the duly constituted Government ... Then we have an independent, uncontrolled and uncoordinated government in the Federal Reserve System, operating the money powers which are reserved to Congress by the Constitution." During his career, Patman has sought to force the FED to allow an independent audit, lessen the influence of the large banks, shorten the terms of the FED Governors, expose it to regular Congressional review just like any other Federal agency, and to have only officials nominated by the President and confirmed by Congress to be on the Federal Open Market Committee. In 1967, Patman tried to have them audited, and on January 22, 1971, introduced *HR11*, which would have altered its organization, diminishing much of its power. He was later removed from the Chairmanship of the House Banking and Currency Committee, which he held for years.

On January 22, 1971, Rep. John R. Rarick of Louisiana introduced *HR351*: "To vest in the Government of the United States the full, absolute, complete, and unconditional ownership of the twelve Federal Reserve Banks." He said: "The Federal Reserve is not an agency of government. It is a private banking monopoly." He was later defeated for re-election. During the 1980's, Rep. Phil Crane of Illinois introduced House Resolution *HR70* that called for an annual audit of the FED (which never came to a full vote); and Rep. Henry Gonzales of Texas introduced *HR1470*, that called for the repeal of the Federal Reserve Act.

The Federal Reserve System has never been audited, and their meetings, and minutes of those meetings, are not open to the public. They have repelled all attempts to be audited. In 1967, Arthur Burns, the Chairman of the Federal Reserve, said that an audit would threaten the independence of the Reserve.

In 1979, after dismissing Secretary of Treasury, Michael Blumenthal, President Jimmy Carter offered the position to American Illuminati chief, David Rockefeller, the CEO of Chase-Manhattan Bank, as did Nixon, but he turned it down. He also turned down the nomination for the Chairmanship of the Federal Reserve Board. Carter then appointed Paul Volcker

as Chairman. Volcker graduated from Princeton with a degree in Economics, and from Harvard, with a degree in Public Administration. He was an economist with the Federal Reserve Bank of New York (1952-57), worked at the Chase Manhattan Bank (1957-61), was with the U.S. Treasury Department (1961-65), Deputy Under Secretary for Monetary Affairs (1963-65), Under Secretary for Monetary Affairs (1969-74), and President of the New York Federal Reserve Bank (1975-79). In the Nixon Administration, as the Under Secretary for Monetary Policy and International Affairs, the executive branch official who works most closely with the Federal Reserve, he and Treasury Secretary John Connally helped formulate the policy that took us off the gold standard in 1971, because of the dwindling gold reserves at Fort Knox. Volcker was chosen because he was the "candidate of Wall Street". He was a Trilateralist, and a major Rockefeller supporter. Bert Lance, the Georgia banker and political advisor to Carter who became his Budget Director, and was later forced to resign, contacted Gerald Rafshoon, a Carter aide, and said that if Volcker would be appointed, he would be "mortgaging his re-election to the Federal Reserve". Lance predicted that he would bring high interest rates and high unemployment. He was confirmed by the Senate Banking Committee in August, 1979, replacing Arthur Burns, an Austrian-born economist who was a CFR member with close ties to the Rockefellers. Volcker was against a gold-

back dollar, and gold being used as a form of currency. He attempted to tighten the money situation in order to curb the 10% annual growth in the money supply, and to ease the pressure of loan demand. The result was a dramatic increase in interest rates, which climbed to 131/2 % by September, 1979, and then soared to 211/2 % by December, 1980.

Conjecture could dictate that this economic decline was purposely engineered to cause the political decline of Carter. In response to the rising interest rates, Carter said: "As you well know, I don't have control over the FED, none at all. It's carefully isolated from any influence by the President or the Congress. This has been done for many generations and I think it's a wise thing to do." Even though inflation had skyrocketed to all-time highs, Reagan kept Volcker on. It was Volcker who started the collapse of the U. S. economy.

During the 1970s, many banks had left the Federal Reserve, and in December, 1979, Volcker told the House Banking Committee that "300 banks with deposits of \$18.4 billion have quit the FED within the past 41/2 years", and that another 575 of the remaining 5,480 member banks, with deposits of \$70 billion, had indicated that they intended to withdraw. He said that this would curtail their control over the money supply, and that led Congress, in 1980, to pass the *Monetary Control Act*, which gave the Federal Reserve control of all banking institutions, regardless if they are members or not.

Alan Greenspan, who became the Chairman of the Federal Reserve Board in 1987, is a member of the Council of Foreign Relations. He has a bachelor's and master's degree, and a doctorate in Economics from New York University. He met Ayn Rand, the author of *Atlas Shrugged*, in 1952, and they became friends. It is from her that he learned that capitalism "is not only efficient and practical, but also moral". In February 1995, the seventh increase in the interest rate, within the period of a year, took place. This put Greenspan in the limelight, as well as the Federal Reserve. It was very interesting how the media spin doctors churned out information that totally skirted the issue concerning the FED's actual role in controlling our economy.

In the mid-1970s, *Paper 447, Article 3*, from the World Bank, said that the World economy would be fairly stable until

1980, when it would begin falling, in domino fashion. On October 29, 1975, the *Wall Street Journal* printed a comment by H. Johannes Witteveen, Managing Director of the United Nation's International Monetary Fund, that the IMF "ought to evolve into a World Central Bank ... to prevent inflation." Dr. H. A. Murkline, Director of the International Institute University in Irving, Texas, wrote in *World Oil: 1976*, that he projected that the Federal Government could only hold out till the end of 1981. *Dow Theory Letters, Inc.* reported that by 1982, the cost of dealing with the national debt "would eat up all the government tax money available".

The *Robbins Report* of January 15, 1978, said: "If Carter introduces Bancor, which will be the yielding of our dollar to the ECU (European Currency Unit), this is what will happen: look for hyperinflation and collapse of all the world's paper money before 1985." Julian Snyder said in the *International Money Line* of February, 1978: "The United States is trying to solve its problem through currency depreciation (debasement) ... it will not work. If the crash does not occur this year, it could be postponed until 1982."

On March 13, 1979, while meeting at Strasbourg, France, the Parliament of Europe, which governs the European Economic Community (Common Market), oversaw the establishment of a new European money system. Known as the ECU, it was backed by 20% of the participating countries' gold reserves (about 3,150 tons). What little strength our dollar had, came from the fact that all nations buying oil from OPEC, had to use U. S. dollars. Then came the word in March 1980, from Arab diplomatic sources at the United Nations that the Chase Manhattan Bank was making plans to drop the dollar in lieu of the ECU.

Dr. Franz Pick, a well known authority on world currency, said in December 1979, in the *Silver and Gold Report*: "The most serious problem we face today is the debasement of our currency by the government. The government will continue to debase the dollar until ... within 12-24, months it will shrink to 1¢ ... at which time Washington will be forced to create the new hard currency ... A currency reform is nothing but a fancy name for state bankruptcy ... A currency reform completes the expropriation of all kinds of savings ... it will wipe out all public and private bonds, most pensions; all annuities, and all endowments."

Even though our economy continues to hang on, more and more financial analysts are talking about the disastrous condition of our financial system. In 1992, independent Presidential candidate H. Ross Perot garnered nearly 20% of the vote by making the state of the economy an issue during the campaign. In 1993, Sen. Bob Kerrey (Democrat, NE) promised to support President Bill Clinton's Budget Plan, if Clinton would appoint a Committee to study the condition of the American economy. The President established a 32-member bipartisan committee and in August, 1994, they issued their report. According to the committee's findings, by the year 2012, unless drastic changes are made, we won't even be able to pay the interest on the national debt. Knowing this, if the federal government allows the current trend to continue, then it is obvious that the destruction of the American economy has been part of a deliberate plot to financially enslave our nation.

Dr. Pick said that late 1983, or early 198~ was the target date for the "new money". Carl Mintz, a staff member of the House Banking Committee, had said: "I believe it's in the billions of dollars, and it's buried in lots of places." It is believed to be already printed, and stored at the Federal Reserve Emergency Relocation Facility in Culpepper, Virginia, which is built into the side of a mountain, and would be able to continue functioning during the aftermath of a nuclear or natural disaster; and the 200,000 sq. ft. Federal Reserve underground facility in Mt. Weather, Virginia (near Berryville), which is the primary relocation area for the President, Cabinet Secretaries, Supreme Court Justices, and several thousand federal employees (Congress would be relocated to an underground facility in White Sulphur Springs, West Virginia). When our monetary system is finally destroyed, the new

money will be issued.

Rep. Ron Paul, Republican from Texas, who was on the Committee on Banking, Finance and Urban Affairs, wrote about the new money in a letter to Charles T. Roberts, Executive Vice-President of the Hull State Bank in Texas: "In a closed briefing for the members of the House Banking Committee on November 2nd, representatives of the Bureau of Engraving and Printing, the Federal Reserve, and the Secret Service described plans for making changes in Federal Reserve Notes beginning in 1985 (although the long range target is 1988) ... These changes, which will probably include taggents, security threads, and colors, and may include holograms, diffraction gratings, or watermarks, will be made in coordination with six other nations: Canada, Britain, Japan, Australia, West Germany and Switzerland. Japan, for example, will begin recalling its present currency in November 1984, and have it nearly completed within six months...According to the government, the only reason for the currency changes is to deter counterfeiting. Although it was admitted by one spokesman in the group that there would have to be a call-in of our present currency for new currency to work, the spokesmen for the government were adamant in saying that there was no other motive for a currency change ... " According to law, the Treasury Secretary has the authority to change the currency.

Over \$3 million had been spent under "counterfeit prevention" authority for the development of the new money, which according to the *Currency Design Act (HR6005)* hearings, would be issued by the Federal Reserve Board. It was first reported by the Patterson Organization in Cincinnati, Ohio, that in a July 1983 market survey in Buena Park, California, people were shown proposed designs for "new U. S. dollar bills". The variations shown, consisted of each denomination being a different color; Federal Reserve seals replaced with a design utilizing reflective ink; and other optical devices like holograms (a process which produces a 3-dimensional image which can change color depending on the angle it is viewed), and multilayer diffraction gratings (similar to a hologram); as well as bills containing metal security threads, and planchettes (red and blue colored discs incorporated into the paper, similar to threads) to trigger scanning equipment which would detect its presence, and to sort cash faster. A consumer research firm from Illinois was hired by the Treasury Department to gauge the public's reactions to the various designs.

It was shown that a drastic change would not be accepted, so a process of incrementalism was adopted. It was decided that the Bureau of Printing and Engraving would have a fine metallic strip running through the currency, leaving the basic design intact; however, they later decided to use a clear imprinted polyester strip, woven into the paper, running vertically on the left side of the Federal Reserve Seal. The length of the translucent polyester filament reads "USA100" for \$100 bills, and "USA50" for \$50 bills, and can only be read if held up to direct light. It was reported that a company called Checkmate Electronics, Inc., which manufactures the equipment needed to scan checks, scanned the new money, and found the strip to contain "machine detectable" aluminum. Their scan produced an indecipherable bar code. Though the basic design did not change, there is microscopic type printed around the picture which reads, "The United States of America", but appears to only be a line. This currency was introduced in August 1991, with \$100, \$50 bills and \$20 bills, and the Government discontinued printing any of the old money, and began emptying their vaults to get rid of the old bills.

The International Monetary Fund has been responsible for the decline of our dollar, and our present economic situation. The first step to initiating this "crash" was the *Monetary Control Act* of 1980, which instead of a 6:1 ratio, mandated the Federal Reserve to only have one dollar on deposit for every twelve they create. Further plans were made during a meeting of Western leaders at Williamsburg, Virginia, on May 28-30, 1983.

International cooperation has been intense to coordinate currency changes among its member governments. In 1985, officials from the Morgan Bank in New York met with the Credit Lyonnais Bank in France. They established the European Currency Unit Banking Association (ECUBA), to get world cooperation for a unified currency, and had support from bankers in Europe, Japan, and the United States. It was an offshoot of the Banking Federation of the European Community (BFEC), which has been engaged in shutting down small banks in order to develop a conglomerate of a few huge banks. In October 1987, the Association for the Monetary Union of Europe (AMUE), secretly met and recommended that the ECU (European Currency Unit) replace existing national currencies; and that all European Central Banks be combined into one and issue the ECU as the official unified currency (which is scheduled to occur in the year 2000). It is believed that the plan is to have only three central banks in the world: The Federal Reserve Bank, the European Central Bank, and the Central Bank of Japan. In a June, 1989 hearing of the Senate Banking Securities Subcommittee, Alan Greenspan, Chairman of the Federal Reserve, said that exchange rates could be fixed in order to solve the problem of uniformity between the currencies of various nations.

Many countries had planned to come out with new money, such as Switzerland, the United Kingdom, Japan, Canada, France, Germany, Australia, and Brazil. Of the countries that already had, most currencies had a common 1" square, usually on the left side of the bill. Held over a light, a hologram appears on the spot, barely visible to the naked eye, which cannot be reproduced on a copier. It is believed that this spot is reserved for a central World Bank overprint. They also contain metallic strips that can be detected when they pass through scanners at airports and international borders.

On May 10, 1994, *USA Today* carried a page-one article concerning major changes in the design of the paper currency, which is expected to take place by the end of the year. Officials from the Department of the Treasury, the Secret Service, and the Bureau of Engraving said that the changes were necessary to combat counterfeiters. The minor changes they had made before, for the same reason, had stopped with the twenty dollar bill, which kind of leads me to believe that the changes were just a smokescreen to prepare us for bigger changes in the appearance of the money. The article was accompanied with a picture of the new \$100 bill, with a larger portrait of Benjamin Franklin which has been pushed to the right side of the bill, and the Eagle in the center. The line "United States of America" appears along the top right, and the line "One Hundred Dollars" appears on the lower left, with the serial number being placed over that. There is a conspicuous open spot on the left side of the bill, very similar to the new currency in other countries.

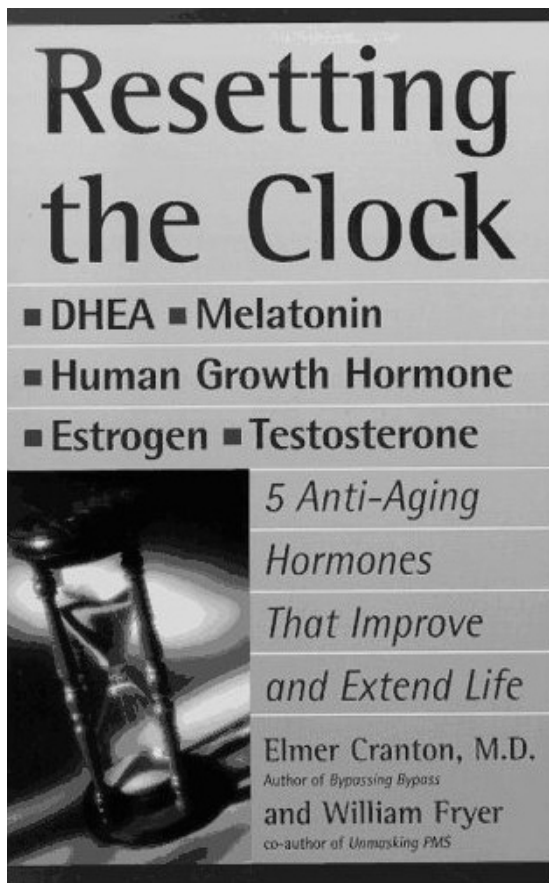

Some financial experts have theorized that when every denomination is changed over to the new money, that the business sector may not want to accept old bills, which would then become worthless, and could create a financial emergency. Federal officials have said that the old money would be accepted, but scrutinized. It has been suggested that the government could really take advantage of the situation, that in order for people to exchange their old money for new, an exchange rate may be determined which would benefit the economy. For example, it may take two old dollars to exchange for a new one.

Or perhaps, the new money is just a transitional currency, the first step in testing the public's willingness to accept economic change. The Reserve had about seven currency sorting machines which counted up to 55,000 bills per minute, but by the end of 1983, they were to receive 110 new machines which could count up to 72,000 bills per minute. Jane Kettleson, an economic consultant to the U. S. Paper Exchange, said that shortly, "the FED will have the capability to physically replace the entire U. S. currency in circulation in just four days time."

The institution of a common world-wide currency may be delayed because of the possibility of moving right to a cashless system, making paper money obsolete. If this is the case, there would be a massive campaign to promote debit cards and a move to accommodate their use in all aspects of business. The Visa MagiCard seems to be the first step towards a national debit card. With this card, you can make purchases at any of the 10 million merchants who accept Visa, and have the amount electronically deducted from your checking account. Financial experts believe that in only a few years, there will be more debit cards than credit cards.

In a letter to Edward M. House (President Wilson's closest aide), dated November 23, 1933, Franklin D. Roosevelt said: "The real truth of the matter is, and you and I know, that a financial element in the large centers has owned the government of the U.S. since the days of Andrew Jackson." Henry Ford, founder of the Ford Motor Company, said: "It is well enough that the people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution before tomorrow morning." In 1957, Sen. George W. Malone of Nevada said before Congress about the Federal Reserve: "I believe that if the people of this nation fully understood what Congress has done to them over the past 49 years, they would move on Washington: they would not wait for an election ... It adds up to a preconceived plan to destroy the economic and social independence of the United States."

PHILIPPINE PRESIDENT ARROYO OFF THE ROPES?

How many lives does political cat Gloria Macapagal-Arroyo have remaining? In what may be another case of “dodge the impeachment bullet” the Justice Committee of the House of Representatives voted 56-24 on 8-16-06, declaring the impeachment complaint against President Macapagal-Arroyo as “insufficient in substance” and moving the case a step away from being defeated in plenary. The lack of evidence stance seems to fly in the face of the opposition leaders claims that they have seven boxes of documents to support allegations that Arroyo was guilty of “culpable violations of the constitution, bribery, graft and corruption, other high crimes and betrayal of public trust.”

Specifically, the complaint accuses Arroyo of unconstitutionally “exercising dictatorial powers” to stifle dissent, refusing to participate in government investigations into corruption allegations, and fixing the 2004 presidential election.

According to Herman Tiu Laurel of *The Daily Tribune* on 8-18-06, a press conference is slated, led by Catholic Church leaders and courageous civic-spirited individuals who have elicited the trust, conscientiousness and cooperation of several parties involved in the conduct (or better still, misconduct) of the last 2004 elections. From what we have been told, it will be more explosive than the “Hello Garci” tapes with more explicit demonstration of the cheating process and actual incidences captured as they were happening. Gloria and Garci’s co-conspirators in the AFP will not be able to wriggle out of this one with the evidence that will be presented. Recall that the “Garci” tapes are a recorded telephone conversation between Arroyo and an official of the Commission on Elections and allegedly provides evidence that Arroyo arranged for the fixing of the 2004 election. While admitting to a “lapse in judgment” for phoning an official of the Commission on Elections she said she did so to ensure her lead would not be eroded by her opponents cheating.

Joseph Estrada, who was ousted as president during a bloodless coup in 2001, and his party Pwersa ng Masang Pilipino who seems to be the unquestioned prime opposition to the GMA administration, are making an effort to cooperate with and unite all other opposition groups.

Herman Tiu Laurel says, “As President Estrada joins hands with Mayor Jejomar Binay to consolidate the opposition forces, the complex individual and factional interests of its diverse elements pose a daunting challenge.” If these personalities cannot lay down their egos and come to a joint agreement this will only serve Arroyo’s slippery ability to stay in unconstitutional power.

While opposition leaders are remaining hopeful that the case will be sent to the 24 seat upper house Senate for trial they will need a vote of one third of the members, or 78 yeas to overturn the Justice committee’s decision. Just because the impeachment complaint will more than likely be quashed doesn’t mean the dark cloud hovering over

Malacanang will simply vanish. GMA has painted herself in a corner that is eloquently described in an 8-17-06 editorial by *The Daily Tribune*, “And it was because Gloria grabbed power and usurped the presidency held by a legitimately elected President that she has to keep on rewarding and bribing the military, the judiciary and the legislators, along with the election officials, to keep herself in power—to the point of all the institutions being prostituted.”

Understandably the Philippine people’s patience is razor thin and any more whiffs of impropriety and corruption may well lead to all that negative energy being vented in an undesirable manner.

Many legislators who support this initiative have expressed concerns that the chances for a peaceful resolution to the pernicious political wranglings of the GMA machine are dwindling rapidly. “Impeachment death also means the death of the credibility of the House. Also the peaceful options to remove Mrs. Arroyo may narrow down precariously,” says Senate Minority Leader Aquilino Pimentel Jr.

Let us hope that cooler heads will prevail and that the Filipinos trust that our Creator’s divine plan is perfection. A gold backed and transparent money system will go a long way towards healing the gaping wounds of the Philippine nation. The Global Alliance Investment Association’s program for nations is that perfection! Are the Filipinos ready to receive this massive gift or will their minds be closed to the possibilities by the uncontrolled expression of their frustration through chaos in the streets?

With affidavits mounting and rats leaving the sinking ship the political life force of GMA and her cronies appears to be terminally ill and will soon go flat line despite the apparent quashing of the impeachment action against her.

POLL FORGERS SURFACE; TAG GMA, GARCI AS BRAINS OF POLL FRAUD

By Gerry Baldo, *The Daily Tribune*, 08/18/06

The impeachment complaint may have been killed by President Arroyo’s allies, but the charges of poll fraud against her, which are at the root of her questioned legitimacy, live on. [JS: *Let us not forget the manner in which she came to Malacanang Palace in the first place—through an unconstitutional usurpation of power from duly elected President Joseph Estrada. These cases of illegitimacy are truly the core of the matter and her Achilles’ heel. While her other iniquities keep surfacing it is on these two issues that those who seek justice and prosperity for all Filipinos must focus their attention.*]

Two Commission on Elections officers’ sworn affidavits were distributed to the media, complete with attached Comelec documents, that bared how the massive election fraud operations were conducted, including the forgeries done on alleged “genuine election returns (ERs) to ensure the victory of Mrs. Arroyo during the 2004 presidential polls, as well as the switching of the ballot boxes in the guarded premises of the House of Representatives during the national canvassing by

Congress, “to ensure that the vote count matched.”

Linked to the poll-fraud operations were the President, then Comelec Commissioner Virgilio Garcillano and now Public Works Secretary Hermogenes Ebdane, the former Philippine National Police chief, as well as a former Comelec official, now an election lawyer, Roque Bello and his son, among others.

Documents attached to the sworn statement also hinted at the knowledge and consent of Comelec Chairman Benjamin Abalos Sr., given that the poll officers who were tapped to cheat for Mrs. Arroyo were reshuffled on the day of the polls, a memo received on May 9, 2004 by the poll officers.

The areas of the officers being transferred were in Mindanao, which was not the area of responsibility of Garcillano at that specified time.

The document also states that the memo on the transfers were “pursuant to the instruction of chairman Benjamin Abalos and in the exigency of the service”.

Yesterday, two of Mrs. Arroyo’s former allies in the Comelec surfaced, saying there was indeed truth to the allegations that she had cheated during the 2004 elections.

According to one Arsenio Rasalan, one of the affiants, he was among those who participated in a “big clandestine operation” that called for the altering of the election results in favor of Mrs. Arroyo. “I was a direct and active participant in a big clandestine operation conducted after the May 2004 national election mechanism made by the National Board of Canvassers that involved President Gloria Macapagal-Arroyo (PGMA), her trusted allies and lieutenants,” Rasalan said in a sworn affidavit dated July 26, 2006. [JS: *One has to ask themselves why these affiants are now coming out of the woodwork—almost 2 years after the fact. Do they see the handwriting on the wall?*]

Rasalan also disclosed that the operation was intended to manufacture at least 10,000 new elections returns to replace those from nine provinces in Mindanao, Lanao del Sur, Lanao del Norte, Sultan Kudarat, Sarangani and Isabela in Northern Luzon.

Rasalan also pointed to lawyer Roque Bello and his son El Bello, saying they were able to acquire the numbering machine used by the Comelec to print the serial numbers of the fabricated ERs. “I also know for a fact that in accordance with the elaborate preparations and the work done by Atty. Roque Bello, on instructions of General Ebdane and PGMA, he succeeded with the aid of civilian and police personnel in replacing the original and authentic ERs in the ballot boxes at the Batasan Complex and putting in their place new fabricated ERs which our special operations produced,” Rasalan said. [JS: *The scope of this type of manipulation would require many conspirators at numerous operational levels. As the heat of this investigation intensifies count on more cockroaches crawling out of the fire to save their own “assets”.*]

He said the entire operation consists of four compartmentalized operations groups which were tasked to manufacture the results of the ERs; to forge the signatures of the precinct election officers; to print the correct serial number on the fabricated ERs; and the fourth group to deliver and replace the ERs in the ballot boxes at the Batasan Complex with the new and manufactured ERs.

He said the “golden arm” operations started in July 2004 when he was called to an urgent meeting

by Bello who was said to have been engaged by Ebdane on orders of Mrs. Arroyo.

He said the purpose of the plan was to make sure that the votes indicated on the new ERs for Mrs. Arroyo and Noli de Castro and Fernando Poe Jr. and Loren Legarda would match when totaled.

He said the operations involved securing genuine Comelec ER forms; procuring supplies and other paraphernalia; hiring seasoned and tested document and signature forgers; and bringing the fabricated ERs to the Batasan Pambansa complex and substituting them for those inside the ballot boxes. [JS: *With so much in play to make stealing an election possible there certainly had to be witnesses who disagreed with what was going down but out of fear have sealed their lips. Now that affidavits are flowing that are a testament to the election improprieties will these fearful ones find the courage to move their lips?*]

Another witness in election fraud came out with an affidavit by the name of Clinton John Colcol, a former Project Development Officer of the local government unit of South Upi in Maguindanao.

According to Colcol he was recruited by Municipal Election Officer Raupdin Mangelen to assist him as one of the Comelec staff at Situh Upi when Garcillano gave specific instructions to revamp Comelec officials in the area to ensure the victory of Mrs. Arroyo.

He said during the ensuring revamp, his immediate superior, Municipal Election Officer Mangelen, was replaced by Municipal Election Officer Haidy Mamaminta.

He said it was Mamaminta who had ordered him and other Comelec personnel to fill up the Certificates of Canvass (CoC) in South Upi for the national positions as "it was urgently needed in Manila even if the canvassing of votes has not yet been completed. "As it turned out, it was the undersigned who actually filled up all the entries to the MCoC (Manufactured CoC) including all recorded votes in figures and in words, all poll 'watchers' names and their signatures and the corresponding thumbmarks made thereon," Colcol stated in his affidavit.

"The undersigned was instructed by Election Officer Mamalinta to make sure that Gloria Macapagal-Arroyo gets more than three thousand votes and Fernando Poe Jr. gets less than two thousand votes," he said.

The affidavit of Rasalan states in part: "It (the fraud operation) started on or about the month of July 2004. I was called to an urgent meeting with Lawyer Roque Bello, a well known election lawyer, at the House of Minis Steakhouse along C5 Road in Pasig City, Metro Manila. At the meeting Lawyer Roque Bello informed me that PGMA was facing a potentially explosive crisis which could adversely affect her continued stay in office. He said Fernando Poe, Jr. and Loren Legarda both filed protests with the Supreme Court, acting as the Presidential Electoral Tribunal (PET), questioning the proclamation of PGMA as president and Noli de Castro as vice-president, and sought the opening of ballot box containing precinct election returns in key Mindanao provinces, among others, which were stored at the Batasang Pambansa complex, and the recounting of the same by the PET," with the affiant stressing that the major headache of the President and de Castro was the fact that the votes written for both of them in the Provincial and City CoC were actually fabricated and bloated independently and in disregard of the actual results found in the automatic precinct ERs.

He stated that Ebdane hired Roque for the

golden arm operations with the knowledge and consent of Mrs. Arroyo. It will be recalled that pictures of the manufacturing of ERs were published in the media, and done at the home of Roque, as admitted by him.

It will also be recalled that Ebdane was pointed to by witnesses in media reports that said Garcillano was hidden by Ebdane and it was this police general who also was spotted in Subic facilitating the departure of Garcillano...

The affidavit further said the forger was recruited for the operation "because we had worked together in many previous election operations, and also because he knew that I have the necessary experience required in orchestrating this type of secret and highly-sensitive operation. He then asked me to closely work with his son El Bello to execute his plan, and he promised me that I would be rewarded generously."

Meanwhile, Catholic bishops yesterday denied having knowledge or being the handlers of the the two new witness that surfaced and attested that the President had cheated during the May 2004 polls.

Lingayen Archbishop Oscar Cruz, Novaliches Bishop Antonio Tobias and Infanta Emeritus Bishop Julio Labayen were being tagged as the handlers of witnessess Colcol and Rasalan, but all three denied this....

The Comelec, for its part, said it would first want to see the complaints before a probe is conducted. Jaime Jimenez of the Comelec said: "It's very easy to say that I did this and that but the bottom line is can they prove it?"

SOME TRUE TORAH JEWS EMBRACE THEIR MISSION

Contrary to what Zionists would have Americans believe, not all Jews support Zionism and the illegitimate state of Israel. Zionism is a movement founded by Theodor Herzl in 1896 whose goal is the return of Jews to Eretz Yisrael, or Zion, the Jewish synonym for Jerusalem and the Land of Israel. Rabbi Elchonon Wasserman, way back in 1939, stated that "They (the Zionists) should be considered as persecutors (*rodfim*) against the Jewish People. It is forbidden to use such methods. It is known that the Jewish people always suffer from two things: 1) Outsiders, and 2) Insiders with their false messiahs, with whom they promise to return to the Holy Land. Their ultimate end is the giving up of Judaism by thousands of Jews." It is the methodology as mentioned by Rabbi Wasserman to attain that goal that has true Torah Jews at odds with their Zionist step brothers. I say step brothers because there is some truth in those pampered with *Bibles* such as *Revelations 2:9 and 3:9* that speaks of those who call themselves Jews and are not.

These Zionist false Jews, while hiding behind the skirts and trousers of their step Hebrew lineaged bretheren, have taken up the matter of the exile and the return to the Holy Land into their own hands and taken God out of the equation through the use of murder of innocent civilians including their own, assassinations of political leaders, usurpation of land and bulldozing of homes, and a profusion of other iniquities.

Orthodox Rabbi Yisroel Dovid Weiss of the New York-based organization Neturei Karta, which means "Guardians of the City", bases his opposition

to the formation of the state of Israel in the written and oral laws of the *Torah*. According to Neturei Karta, the group of Orthodox Jews has been battling political Zionism for the past 100 years, refusing to recognize the right of anyone to establish a so-called "Jewish" state unless it is in accordance with Jewish law.

Quoting Rabbi Weiss: "Indeed, despite thousands of years in exile, frequent exclusion and persecution, no Jew ever suggested that the Holy Land could or should be retaken by force of arms. Exile was, indeed, a physical state. Yet, it was completely caused and perpetuated by spiritual forces. Thus the only means to end exile and to usher in the promised era of peace and worldwide brotherhood were and are spiritual... and the eventual goal, the end of exile, does not mean a "state of Israel"—a political entity—including the oppression and subjugation of another people. Rather this is the antithesis of the end of exile as we hoped for—that is, a spirituality of brotherhood, harmony and of worldly servitude to the one God."

Other rabbis have also share the same sentiment such as 19th-century German Jewish leader Rabbi Samson Raphael Hirsch who said, "... it became essential that the Jewish people be reminded for all times of an important central fact, namely that the people of Israel must never again attempt to restore its national independence by its own power; it was to entrust its future as a nation solely to Divine Providence. We mourn over that which brought about the destruction of the Temple... this destruction obliged us to allow our longing for the faraway land to express itself only in mourning, and wishing and hoping; and only through the honest fulfillment of all Jewish duties to await the realization of this hope. But it forbids us to strive for the reunion or possession of the land by any but spiritual means."

Thousands of Jews all over the country have demonstrated and signed petitions to demand an end to the bombing of Gaza and Lebanon and to the illegal occupation of Palestinian lands and the United States' one-sided policy of unconditional military, economic and diplomatic support for Israel.

Henri Picciotto of the Jewish Voice for Peace says that "Jewish organizations that sponsor such demonstrations and petitions ... are experiencing exponential growth. Jews are looking for ways to express their outrage at the actions of the Israeli government, and of the blind support accorded by the Jewish establishment in this country. Jewish American leaders work tirelessly to promote the myth of Jewish consensus. Their tactics include refusing to rent space to dissenters, threatening funding cuts when Jewish institutions question Israel's actions and canceling meetings when they suspect debate might occur. Their most ubiquitous weapon is the hurtful charge of anti-Semitism, hurled at both dissenting Jews and Gentiles."

Henry Makow, a Jew, has issued a call to Jews of moral conscience to stand together to oppose Israeli apartheid terror and help prevent the next world war.

While Gyeorgos Ceres Hatonn has always said that it will be the Hebrew lineaged Judeans who must put to right the wrongs of the Khazar Zionists it does not exempt us from doing our part and serving the will of our Creator.

NEVADA CORPORATIONS:

When Is An Owner NOT A Stockholder?

Budget's "Tip of the Week" #3:**NRS 78.197—Rights of persons holding obligations of corporation**

If you own part (or all) of a corporation, you're a stockholder, right? In Nevada, the answer to that question is, "Not necessarily." Let's look at another unique provision of Nevada corporate law:

NRS 78.197 Rights of persons holding obligations of corporation.

A corporation may provide in its articles of incorporation that the holder of a bond, debenture or other obligation of the corporation may have any of the rights of a stockholder in the corporation.

With this provision written into your Articles of Incorporation, you "may have any of the rights of a stockholder"—without owning stock! Thus, the holder of a note COULD own the corporation and could even be afforded the same VOTING RIGHTS as a stockholder—without being a stockholder. And in the absence of stockholders—in cases where no stock has been issued—presumably, the holder of a promissory note of the corporation could have 100% of the voting rights at any meeting.

If such a provision related to NRS 78.197 is NOT in your current Articles of Incorporation, check and see if the following standard clause exists under an Article relating to Amendments:

Except with respect to amending the non-assessability of shares per Article IV, this corporation reserves the right to amend, alter, change or repeal any provision contained in these Articles of Incorporation or its Bylaws in the manner now or hereafter prescribed by statute or by these Articles of Incorporation or by the corporation's Bylaws, and all rights conferred upon the stockholders are granted subject to this reservation.

If so, the corporation may "amend... these Articles of Incorporation... in the manner prescribed by... the corporation's Bylaws". In other words, the Articles of Incorporation are modified by the Bylaws. If such a provision exists in your Articles of Incorporation, we suggest that you amend the Bylaws to reflect wording such as NRS 78.197 suggests for the Articles of Incorporation.

If neither of these provisions exists in your corporation's Articles, you might want to file an Amendment of the Articles of Incorporation. We can handle such a filing with the Secretary of State for you, just ask.

Next week, we'll look at what might be called a "turnip" or "prickly pear" clause in the *Nevada Revised Statutes*: NRS 78.7502.
