# The Divine Plan Awaits Your Choice

6/6/07 (20-294)

Wed., June 6, 2007, Year 20, Day 294  
Manila, Philippines

### 'NEGATIVE EVENTS'

Seven years ago, on June 8 (Year 13, Day 296), Commander Hatonn wrote about "NEGATIVE EVENTS", saying:

"Know, reader, that from every seemingly 'negative' event as might be the perception of mass consciousness, come the very steps forward in 'positive' reality. A seemingly negative event often gives opportunity for expressing the very points to the very people most necessary to forward movement to successful interchange. When truth is found strong and a man found trustworthy it is clear immediately that he shall stand strong in the face of the liars and cheats."

Accordingly, we should use the perceived "negative events" unfolding at present as the GIFT they are, "expressing the very points to the very people most necessary to forward movement to successful interchange".

By the way, the foregoing citation is from the same

Commander Hatonn who ALWAYS INSISTED ON CONFRONTING THE LIE, ESPECIALLY AS IT MIGHT IMPACT ON "THE MISSION". ISN'T IT PECULIAR, THEN, THAT THE "JONUR" "HATONN" FEATURED IN "EJ EKKER'S" "CONTACT" HAS NEITHER CONFRONTED "ME" NOR ADDRESSED ANY OF THE MAJOR ISSUES PRESENTED IN THIS PUBLICATION?

The bootleg "EJ Ekker version" of *CONTACT* has been distributed without so much as an indication of any kind of problem whatsoever—and that should speak VOLUMES to anyone even somewhat discerning.

TAKE NOTE: NEW WEBSITE  
WWW.CONTACTNEWSPAPER.COM

Moves are afoot to attempt to usurp even the online publication of this "version" at the Phoenix Source Distributors website. Accordingly, if for any reason the existing website is usurped under fraudulent pretense of corporate control (brought about by UNLAWFUL AND ILLEGAL actions taken by Janet Carriger as agent for EJ Ekker), be advised that a NEW DOMAIN NAME has already been registered in

anticipation of this effort to choke off the truth.

If Volume 49 issues are changed out by the usurpers to reflect the blasphemous Jonur writings instead of covering the ongoing control issues involving EJ Ekker—if the issues presented from this keyboard for March 14, March 28, April 11, April 25, May 9 and May 23 suddenly "disappear"—then please go to the new domain to continue to receive the truth instead of the bogus "EJ Ekker version" "CONTACT":

WWW.CONTACTNEWSPAPER.COM

No website exists at the new domain name at this time but all of the information can be moved over to the new site within a few days, if it becomes necessary.

### BUDGET CORPORATE RENEWALS

It is not so sad to report that similar efforts have been underway for some time already to usurp the website of Budget Corporate Renewals, no doubt due to the in-your-face "HOSTILE TAKEOVER" Notice prominently featured on all major pages of that site

(BudgetCorporateRenewals.com—see also the usurped site, an exact COPY, BudgetCorporationServices.com). Why “not so sad”? Because, dagnabit, I BUILT that company from the ground up and truly do hate to see it RUINED BY EJ EKKER’S ANTICS AND OUTRIGHT FRAUD. Eventually, as the smoke clears among the rubble, I would very much like to see BCR still standing—and continuing to support the REAL Mission.

Isn’t it amazing that instead of doing the honorable thing of simply paying me for my work, EJ Ekker has chosen to risk complete destruction of the company? It doesn’t seem to matter at all to HIM if the business is destroyed. Hmmm, it actually is quite a bit like the story of King Solomon directing that the baby be cut in two! That website is probably worth something on the order of \$10,000 worth of sales per month to BCR, certainly a greater expense than paying my invoices. For some reason, however, it is worth MORE to EJ Ekker to deny me that which is due and owing to me BY CONTRACT (now breached but not voided). It’s alright; his efforts to choke me off financially have not denied me the opportunity to carry on with “The Mission”, even if it means that YOU don’t get all you think you deserve out of life.

As for Janet Carriger, it is somewhat understandable that she would choose the side of the bread on which she perceived was the butter—and keep EJ Ekker from “terminating” her services, something which, in truth, HE HAD/HAS NO ACTUAL POWER TO DO. The notable thing about this circumstance is that her FEAR of losing her livelihood could yet draw in that most negative result, unless she “comes clean” and points her finger at Mr. Ekker when the authorities come to call on her.

It does seem as if the “authorities” are completely unresponsive to my complaints about numerous violations of *Nevada Revised Statute 239.330*, a Class C felony with penalties of one to four years and up to \$10,000 for each offense. Even THAT is perhaps understandable, inasmuch as I AM NOT A UNITED STATES “PERSON”. In fact, I am a DENIZEN of the United States (as per the “severance, waiver, denial and forfeiture of all benefits” public notice recorded in my name in October 2003), so why on Earth “should” they do anything about a complaint from “me” when, to them, I DON’T EVEN EXIST?

**THE REAL QUESTION IS: WHY DOESN’T SOMEONE “ELSE” REGISTER A COMPLAINT with the FBI and/or the Clark County Sheriff? IF EVERYONE CHOOSES TO ALLOW this ongoing travesty, what do you suppose shall be created? Full details are on page 10 of the March 28 issue but no one “else” has done ANYTHING about it—so far—and what are YOU waiting for?** Mark Moore wants to focus on some perceived wrongdoing by me several years ago (which was NOT) but won’t do anything about a PROVABLE crime “now”? Oh, well? And what’s YOUR excuse? It is not up to one person to do it all FOR you and I have no desire to do so in any case.

I’ll take this opportunity to remind you ALL that Global Alliance Investment Association exists for the benefit of all people, including you, and it is the TOP corporation in a network of corporations which includes “little” BCR. **YOU ARE A “MEMBER” AND IF YOU ARE ALSO A UNITED STATES CITIZEN, YOU AUTOMATICALLY HAVE “STATUS” TO REGISTER A COMPLAINT. Will you allow THIS, too, to go unchallenged? We shall see.**

“Don’t, dear ones, wait until life makes the choices FOR YOU. Consider what IS and not that which depends on ‘another’ to secure, somehow, your security and abundance.”—GCH, 6/12/2000

### THE LUMBER IN MARK MOORE’S EYES

In his effort to get in “the last word” on the email circuit, which I am more than happy to let him have, Mark Moore takes exception to my statement:

“Sorry, Mark, but pulling rank on Commander Hatonn will only merit you demerits because HE IS IN CHARGE OF THIS TRANSITION, NOT YOU.”

Mark’s (presumably “bathed in the Light of Aton”) retort:

“You are incorrect again, fallen brother Ron. Esu Immanuel, presently known as Sananda, is IN CHARGE—Gyeorgos Ceres Hatonn has never claimed to be anything but the Commander.”

Perhaps then, Mark, you could explain this statement by Commander Hatonn:

“I am Gyeorgos Ceres Hatonn, Commander in Chief, Earth Project Transition, Pleiades Sector Flight Command, Intergalactic Federation Fleet-Ashtar Command; Earth Representative to the Cosmic Council and Intergalactic Federation Council on Earth Transition. You may call me ‘Hatonn’.

“Let there be no misunderstanding of WHO I AM! I come in this portion as a fourth dimensional Project Commander **in charge of Earth Transition.**”

So, come again, Mark? Are you saying that Commander Hatonn ERRED in saying HE is in charge of this Transition? Your overstretching efforts to brand me as OTHER than that which I am are unbecoming, to say the least. Labeling me as a “liar, cheat, thief and con man” wasn’t enough for you, you had to go ahead and add “fallen brother”. Get a life, Mark, and stop pretending that you speak FOR Higher Resource. It is rather obvious that you do not and “backing up” YOUR words “as if” they are direct from Higher Source is “taking the name of the Lord in vain”, i.e. BLASPHEMY.

Mark asks the striking question, “Why do you let FEAR consume you, Ron?”

Excuse me for responding BUT it seems to me that I have been one of the more fearLESS individuals involved with this particular Mission, having given up EVERYTHING, dropped EVERYTHING and given of my WHOLE LIFE ENERGY to this purpose. So, of what are YOU so afraid, Mr. Moore inasmuch as you have DONE far LESS? Are you afraid that others have seen past the illusion of yourself you have constructed for public consumption, especially with all of those “unflattering” references by GCH Himself to your p\_\_\_-poor attitude carried in the last issue?

Mark goes on to pick nits over what was or was not derived from a Private writing of November 4, 2003—apparently without realizing and certainly without acknowledging that Commander Hatonn had some things to say about him to which he was not privy at the time. The need for PRIVACY with regard to that communication was occasioned by Mark Moore’s senseless vendetta against me, which was bringing harm to The Mission.

“Doris Eloise Ekker is NOT Gyeorgos Ceres Hatonn”, Mark writes, without even beginning to understand her representation of the FEMALE aspect of God, as per Commander’s middle name, Ceres. Not possible, Mark? Does anyone else want to argue that she is “of” Hatonn”? WHY and on what basis?

Here is a partial transcription of a meeting tape (Tape 2-a from June 20, 1993, 14 years ago) in which GCH describes the pain of a (any) soul realizing the need to re-express:

“If you spend your time poisoning your own soul with all these things manifest in your physical, electric universe, it will trap you, and the soul gets smaller and then it gets terrified of its own destruction and it sees that it won’t make it again in this expression, and it becomes very tiny and very weak and drawn and very

pained in its own knowing that it will have to express again. So at every opportunity it will nudge, and it will nudge and it will nudge, and confrontations of self against self are very frequently just too big to manage. And the intent in every instance of the adversary is to win that emotional/electric battle.”

So, Mark and ALL: Do not let the adversary prevail. Recognize the true nature of the battle and the adversary. (And no, Mark, I am not the adversary, even though you have set yourself in adversarial opposition as you have pursued your VENDETTA.)

From that same meeting tape:

“There will be times that you won’t understand what’s going on, when there will be rifts and there will be great voids and there will be great gaps in relationships. Does that mean that they cannot be repaired? No, it depends on what causes the rift.”

So, once again we come back to the question: **WHAT CAUSES THE RIFT, BROTHER?** Is it just possible—shock and horror—that you are not perfect, not having claimed that status yet? (Join the club!) Is it that you believe that you should be doing “my” job, that YOU should be directing Global Alliance Investment Association? Why can’t you accept the FACT that GCH assigned THIS job to ME? Does it in any way make you “lesser”? Can you make yourself “greater” by somehow tearing me down (the effort at which shall not succeed in any case)? I sincerely hope you PONDER these questions, Mark, BUT I do not have any great expectation.

From that same meeting tape (and by the way, these meeting tapes are posted on the website) comes a reference which EJ Ekker should probably ponder, along with anyone else who cannot seem to let go of the MATERIAL aspects of this World:

“Because when you come to the brink of the precipice and you’ve got to step over, guess what goes with you: just your soul. **And if that little transaction you made doesn’t suit you, I want to guarantee you, when you’re standing on the brink, ready to take that step, some will turn back to the pot of gold and tumble with it into the pit.** You’d better be ready to leave it. And that is your lack of faith if you think you’re leaving something of value. There is GLORY on the other side of that step and you don’t need that pot of gold.”

### THE DIVINE PLAN

It NEVER WAS about the gold, except as it can be used to usher in God’s New Millennium and the Age of Abundance—for ALL. In order to put everything in proper perspective, this is probably a very good juncture at which to review THE DIVINE PLAN as presented by Commander Hatonn way back in 1992 and every bit as valid today. I hope you all enjoy re-reading this material with the benefit of hindsight. Everything had to be pretty much EXACTLY as it has been to get us to HERE, where we stand right at the threshold of accomplishment.

Is man READY for God’s abundance? That’s a very good question. Perhaps ONE day we will get past the distractions of picking nits and get on with it!

As GCH wrote 7 years ago (June 12, 2000):

“God knocks on the door and after no one answers, HE ACCEPTS THE DENIAL AND MOVES ON. Ah indeed, it is wise to know when to hold, fold or walk away!

“... Only a few will run the entire race but enough will do so as to allow for other races on other occasions in unfolding history of ‘coming events.’”

The Divine Plan awaits YOUR choice. What’s it going to be: hold, fold or walk away?

Salu!

# Divine Plan Volume I

## Chapter One

*"The test of an individual is when he stands on the threshold of supreme choices and sees that the goodly way is the only alternative acceptable and takes it. How long will God offer his gifts? Forever into infinity. The point is not in God's offering BUT MAN'S ACCEPTANCE."*—GCH, 6/12/00

*So, what do you think as you ponder holding or folding: IS MAN READY TO ACCEPT GOD'S GIFTS OF ABUNDANCE? Or will you TOLERATE the evil that always seeks to destroy Divine Potential?*

*The Divine Plan itself as an idea of God cannot be destroyed, of course, but it can be delayed for a very long time until man is ready for it and accepts his responsibility to oppose error.*

*Within the Grand Play there are many "acts" and within the current act it has become obvious that a certain individual has moved to seize control of the workings to the extent of outright criminal activities involving numerous others. As a result there are now two "versions" of nearly everything associated with the Divine Plan. There are de facto and de jure versions of Global Alliance Investment Association and the Philippines-based Tallano-Acop Foundation along with other corporate entities—and there is a de facto (illegitimate) version of this very publication.*

*Is this just "interesting" to you or do you feel compelled to DO SOMETHING ABOUT IT?*

*"God provides; Man decides."*

### DEDICATION

To all who seek Truth and unto My Remnant for the Days of God are present even in the midst of the Darkness of Evil. So shall the passage be made into the Lighted places of the Lion that all shall come within the shelter of HIS WINGS and SOAR AS EAGLES. Amen.

### FOREWORD

I have little to say as we enter into this unfoldment—needing to begin in the middle of circumstances and fleshing out in both directions as we write.

In the beginning is only an actual "Once Upon a Time"....! But you MUST come to realize, and very quickly now, that you didn't just go "big bang" and neither did you "swim ashore". You were created as Man and brought unto this placement by your elder species. Also and "further more" you did not assemble from the asteroid belt of the "big bang". But you did have a very large happening occur and now you are making it back around to the place in the cycles wherein you can expect another and even more powerful "Bang-Bang", time warp, time shift and energy shift—into a time of experience of LIGHT.

We have efforted to bring comfort to you with our presence and purpose but you as a species and civilization are "right up against it". This is going to get more and more tumultuous as "time" passes and events unfold. May you be given to understand and recognize that which IS TRUTH from the LIES of the adversary for therein lies your direction and passage.

There will be the distractions as the "daily

JOURNAL" unfolds and, if it is inconvenient in the reading, I apologize—but you have so much to learn and we have so little "time" in which to give it unto you. My scribe is "human" as are you so we shall do the very best we can and YOU shall have to do the rest. Salu

May we walk this wondrous passage together for I am but your elder brother come as Host to bring you home.

Gyeorgos Ceres Hatonn/Aton

The Beginning and the Never-ending!

### CHAPTER 1

GCH, Mon., May 25, 1992 9:25 a.m. (5-283—#1)

### NOTATIONS

Will you begin to center yourself this day? As you do so you will discover something worthwhile extending toward the periphery of the circle. You will find again some of the joy in the "now", some of the peace in the "here", some of the love in me and in self which go to make up the kingdom of heaven as can be perceived even upon your Earth. My lifetime listens to yours, oh brethren, and I have come to share today with you.

My own growth is enhanced every time I, Hatonn, give my attention fully to another being—and this process is multiplied over and over and over again. This can only be Truth for your own journey, precious ones, for I am but YOU grown in wisdom and presence. Will you be there for someone today? Always God sends his hosts and messengers to be with YOU—will YOU return in like manner? It is your ticket home!

And can ye share? Can you REALLY listen to another and allow his relating an important event that has happened to him?—without trying to "top" him with a story of your own? Can you not allow another "to have the stage"?

And while you ponder priorities; and what shall ye do in order of importance TODAY—does God and thine own spiritual journey and family go begging? Brothers, get your priorities straight for no one is ever known to have said on his death bed, "Gee, if I'd only spent more time at the office or at the bar gathering relationships!"

Ye shall have arrived in the human format when you live your life as an exclamation, not an explanation.

### BRIGHT NEW VISTAS FROM A LONG, LONG HISTORY

As we sit to write this day I am going to turn our attention to another portal—as I so often do. I always must apologize for the interruptions in thought flow but, oh my children, there is so much more that is worthy of thine goals and directions and understanding—than can be held in the evil practices upon your beings. You cannot turn unto these things, however, until you understand that which has pulled you down and is in the process of destroying your very freedom—but there is more to your past than the

last 2000 centuries of downfall into the ashes. There is the wondrous rising of the Phoenix and its return to be revealed within in power and glory. To the Native Aboriginal Humans of the Tribes of the Flight People, it is a time of rejoicing for the oral tradition promises that this is the time of the return of that Pale Prophet, that wondrous teacher, the White Buffalo Cow Woman—or that Lost White Brother. In every language the story is pouring forth if the resource be in truth and recognition of the relationships with the "Bird Tribes" is understood. Can we pull away from the tirade against you briefly and share some of the unfolding of the REALLY great mysteries?

### ATLANTIS: WHAT AND WHY

To understand why Earth is in its present turmoil, you must look back in time and remember the great civilization of Atlantis and that of Lemuria. I need not go further back at this time for these remnants hold enough to give verification of your "present". Atlantis, for instance, is not a figment of science fiction, but was a tangible civilization in Earth's past history. It, however, only represents the more recent experience, the uplifting of civilization and then, again, the downfall—beyond the continents and civilizations upon which it was built.

Because it plays such a linking portion of your historical travels as human man upon planet Earth I shall briefly focus upon it for a minute before moving on to the portions and locations which have more in-depth and pointed information intended for one or two to receive in the silence within.

### MASTER THIS THIRD DIMENSION

How can you master the third dimensional environment of Earth? Firstly, by getting to truly "know yourselves"—who you ARE, what you ARE, why you ARE here. Next, by learning to control all aspects of this wondrous environment of learning—in a positive manner bringing you back within God's intended path and into balance and harmony—not chaos. Thirdly, you must come into understanding this "Earth" Shan and its relationship to what lies beyond the third dimensional environment.

In Atlantis, man had advanced to a remarkable degree of control and understanding of the third dimensional environment, and was at a point where he could have led Earth Shan and its inhabitants into the fourth dimensional experience of physical-spiritual growth. Instead, some who possessed advanced knowledge began to abuse and pervert this knowledge by enslaving other men, and by misusing their spiritual POWERS in various other ways. When this abuse of spiritual power became too widespread, it set into motion certain forces which resulted in the eventual disintegration and destruction of the civilization. This destruction did not occur in one giant cataclysm, as may be commonly supposed. Rather, it occurred as a process of decline that lasted over thousands of years. During this period of degeneration, the continent gradually broke apart and yielded its majority portions to the ocean. Gradually, the inhabitants of this once great civilization migrated to various parts of Earth, taking with them the remembered skills and technologies that resulted in the archaeological wonders that fascinate you today. Modern archeology is for the most part at a loss to explain such evidences as still exist in Central and South America, in England and Egypt and elsewhere around Earth. There is most certainly a total lack of any kind of understanding

of the “beings” who dwell on two planets (two dimensions) as are found in places about the globe. But always there would be forms sent forth in guardian capacity in both the underground facilities and within the etheric realms to attend the sacred history and treasures of each segment of unfoldment. You must realize that the “creation” is as old as “Creator”—therefore ye cannot be in the dating or timing of existence—on your place or anywhere else within the whole of Universe. This is why I can only speak of “historical” remembering as handed down and as overseen by we who have already passed that way and already “remember”.

### PHILIPPINES SPOTLIGHTED

How many of you would believe that the Philippines, as currently located, hold the keys of transition and reformation as well as rebuilding of the remnant upon the beautiful Creation Shan? There are other portions in other places but central to the reclamation of this cycle of life-stream of you as a civilization and experience of God self upon that land-mass manifest—shall come to balance and focus within the wondrous places rising in the Sea of Peace, called Philippines.

Ah yes, ye can take the ministers and touters, missionaries and gurus into the places of the Lions—BUT YOU CANNOT TAKE THE PLACES OF THE LIONS AND BIRD TRIBES FROM THE HEARTS OF THE PEOPLE!

As with all tarnished writings and histories under tampering, eventually the memory of the glorious civilization that once existed, faded entirely except in the awareness of the adepts who possessed the *arcantum*, and in the subconscious minds of former Atlanteans to be remembered through the ORAL traditions and legends of the passage of great sequences and cycles. The stories bore meaning even if the subject as present was seemingly pagan and ritualistic in behavior—nay, nay, the Truth would always be present for the ones come forth in the remembering in the time of service unto Creation/Creator.

### UNFOLDING DIVINE PLAN

So, you would ask, what has this to do with the unfoldment of the Divine Plan? Just this—Atlantis was not the only great civilization that has evolved upon Earth. There have been many others lost to antiquity such as Lemuria. But you are so attached to some ones such as Lemuria that the memory cannot be erased for you who experienced therein are destined to serve again NOW. Each time that mankind has advanced to the level of a Lemuria or an Atlantis, it has had within its reach the opportunity to raise Earth’s level of consciousness to fourth dimensional awareness and it has failed. Each failure was due to the misuse of spiritual powers which allowed total takeover by evil intent locked within the “physical” expression, in turn entrapping the soul and delaying its passage into glorious radiance.

In the past, this could be condoned because there was still yet another chance. Now, however, you have reached a point in Earth’s history and in galactic evolution where the transition into fourth dimensional consciousness must be made so that you can perceive the dimensional expression of understanding and KNOWING the principles of LIFE-STREAM experience.

Let me explain a bit more clearly. The Divine Plan is based upon the Will of God (Spirit, Universal Mind, or whatever name you might choose to call the

indefinable Infinite Intelligence). Divine Mind always proceeds in an orderly, evolutionary pattern predicated upon Its principles of Universal Law. Wherever this Divine Plan affects man, he is always made aware so that he will have the opportunity to cooperate and grow upward in this evolutionary spiral.

Man is now being made aware, through many means, such as this very discourse, of certain galactic facts of universal, immortal life. As you know, your solar system is a part of the Milky Way Galaxy as you have identified it. Your solar system revolves around the Milky Way in an orbit that takes some 206 million years as you would calculate in your numbers. We can refer to this revolution of your solar system around the galaxy as the Great Cycle Orbit. Your solar system (our solar system—for you are a segment within the solar system (actually) of Pleiades with our Central Sun), was created some time in your type of counting at least 4-1/2 billion years ago. This rough estimate will serve us well enough for our purposes herein. I am not going to teach you “truth in astronomy” nor “astrological divining”. This corresponds to 22 Great Cycle Orbits of your solar system around the Greatest Central Sun, not to be confused with the Central Sun, Alcione, of Pleiades. You see and must understand that the Divine Plan as regards YOU is not finished—only progressing into other expression of the continuing “play” in action.

In the Will of Divine Mind, as communicated to the Spiritual Echelon of our solar system, this completes the time cycle in which our entire solar system is to remain in its present state of evolution. As the age of understanding and higher knowing moves into a new frequency vibration where no expression below the fourth dimension will long continue to exist, comes the need to reconstruct and have guidance into this higher state of experience. Man has a basic set of “phases” in experience as a whole, and the “whole” concept will be moving into that which is higher in experience, while some fragments will continue in ignorance within an experience of limitations and bondage and others will experience in the total void of Lightlessness—and others who serve as simple “lesson creations” will be removed and cease to experience.

Man began to experience life in your system centuries in the millions past, at the beginning of the present Greatest Cycle Orbit. The Divine Plan is for all human life within your solar system to achieve at least the awareness of cosmic consciousness by the end of this orbit which is reaching its conclusion now with the time of Kali (Chaos). This means that man of Earth must immediately become aware of what cosmic consciousness is and take the necessary steps to raise his individual level of consciousness to that state of knowing awareness. Failure to do so will result in self destruction! Man of Earth, in your present state, simply cannot tolerate the new incoming change in physical frequencies even if he could survive the physical bombardment thrust against him by the evil intent and projection of man.

Within this Great Cycle Orbit, there have been a number of lesser cycles. When the Atlantean civilization failed to reach its development potential, this left only the so-called 26,000 year “minor” cycle of the zodiac (as you call it) to complete the Plan. As this present age draws to a close, this cycle, concurrently with the Great Cycle Orbit, comes to an ending.

Right now, planet Earth is the only planet in your solar system where man has not yet reached the cosmic level of awareness. This level of consciousness must now be rapidly attained in order to fulfill the Divine Plan and insure your continuity of passage as a species of this civilization.

### OTHER PLANETS OF OUR SUN

Because you cannot find life on other planets in your solar system does not mean there were no life-forms prior to now, now or will be in the future perception. YOU are too limited in your understanding of factual progression to begin to understand the evolution of life-forms. YOU are stuck with the limitations of your UNREALITY for you must rely solely upon your five physical senses, and upon the findings of conventional Earth science, to tell you whether or not intelligent human life might exist on other planets of even your own solar system. Worse yet, you rely on ANOTHER’S perception and speculation and pronouncement regarding “other places out there”.

At the close of every civilization as you now face—through man’s progression along the binding physical plane while denying the spiritual aspects of divinity and infinite journey there is wondrous contact and inter-relations formed and experienced between Cosmic intelligence.

When Atlantis was at its height, there was open communication between Earth and the other planets of your system. After the fall, however, this open communication was removed for you no longer had desire for “balance” and had sunk into the mire of total humanistic experience. Now that man of Earth has again evolved to a point where he can make the transition into higher consciousness, communication and contacts with extraterrestrial beings has again increased and will become most “common”. This being the “Greatest” Cycle, there will be present many changes undreamt of except through the minds of the ones sent forth to enlighten you of the truth of it.

Indeed, there is a Divine Plan. Do not believe for one moment that the ONLY plan afoot is the Plan 2000 of the Evil segment of Elite Human Puppet Masters. The Plan involves many, many beings, human and otherwise, from within and without the Earth’s planetary structure. It will behoove all men to open their minds and their hearts to at least consider these possibilities. It will be far better to cooperate and work with the Divine Plan and to reap the Divine Love, Light, Life, Peace, Truth and Joy that it offers, than to oppose it and reap eons of misery and regrets. The “coming back” is indeed a long, hard journey.

### WHO WILL HEAR

You ones of Truth will find it very difficult, especially as you witness the Truth unfolding in your very presence, to believe that anyone hearing what I have just told you could ignore it or cast it aside without further investigation. It would seem to take an extremely prejudiced and unthinking mind to simply disregard this information but there ARE those minds abounding upon your physical placement.

There are many, however, wise and beautiful souls upon your Earth Shan. When they are made aware of an intelligent Divine Plan which offers tangible and visible proof beyond the limited teachings of “religions” (which actually build to a point of total entrapment and then fizzle into agonizing deceit) they will awaken and be made aware of an intelligent Divine Plan. They will want more and more to participate in bringing the Plan into fruition. The most difficult obstacle for most of them is to scale those orthodox walls of entrapment. The second most difficult obstacle will be to rise above the self-imposed limitation of relying only upon the five physical senses. You all, readers herein, have that very bondage nagging at your very senses constantly.

We will continue to allow insight into the Divine Plan unfolding—but it must be in proper sequence and it must flow unto the “leaders” who come forth again as representatives of the higher Commands and “Sky

People". Will ALL come "home"? No, for the play is not finished—when the play is finished ALL will come again, in Truth, unto and within the ONE.

### UNLEARNING THE FALSE

Before the "few" can come into the knowing (remembering) of purpose and journey, there must be a period of reminding, recognition of status and unlearning false precepts. God never leaves his fledglings flapping mindlessly for very long. As with all great cycle changes, preparations are laid forth for tangible use during your time of change that the changes brought forth can build a bridge into infinite MIND in a dimensional manner appropriate to the experience. Great treasures of wisdom and wealth; are placed for use and guarded by the "guardians" sent (and remaining in higher states of presentation) until such time as an unveiling of purpose can be recognized, proven and integrated within.

Each time that man's evolution upon Earth has reached a point where he could advance to a much higher level, this "treasure", if you will, has been brought forth and made available to a worthy custodian to use for the benefit of all mankind—simply, quietly and in logical, reasonable manner to draw no attention from the masses or adversary. This has not taken place since the fall of Atlantis, yea, these 26,000 years ago. Since that time the very items in point have been placed in the appropriate locations for use against the day of final and incredible change and transition. Until the proper ones are in place and into enough understanding to move "with purpose" and "under direction" of highest intent, nothing shall be presented for corruption at man's hands. Always will come the accompanying opening-up of opportunity at Earth level of experience to continue to "cover" carefully the building and needs of the remnant in security.

In recent history, there have been numerous individuals who have sought unsuccessfully to uncover this vast wealth as you might guess. There have been the deceivers and this is WHY the adversary clings to and bombards the workers of Lighted Cause—to get on the "inside" and garner wealth without honor in Truth or production.

However, this is so well guarded that accidental discovery IS IMPOSSIBLE. The reason for this is obvious. Were this "wealth" and "knowledge" to fall into the wrong hands it could literally destroy the whole of mankind—and in addition, at least destroy the Divine Plan in interruption and flow. Contacts would be made in "strange" ways into the hearts and minds of "guardians" and participants and what would be needed would be presented in most logical manner of presentation. All of these things are yet to be unfolded unto you. You who are coming into recognition of purpose will KNOW when it is time to KNOW. Until such timing is proper, ye will continue to do thine works as guided in integration with us of the Hosts sent forth for the sorting, testing and ultimate instructions, guidance and actual building of that which is necessary. Many fail the testing and sorting—MANY! In fact, until this day—almost ALL. Aren't we lucky that I can say "almost" and not ALL?

Before this vast abundance can be presented for use, much must be taught and directed so that no errors in placement are allowed. Hearts and directions change when wealth is presented into any equation—this be for God's evolvment—not for the "hell of it" for "man's further foolishness". So be it.

Dharma, you are needed elsewhere. I, Hatonn, shall stand by.

## Chapter Two

GCH, Wed., May 27, 1992, 7:12 a.m. (5-285—#2)

### CHAPTER 2

#### THE INFINITE

It is the INFINITE of this journey which is sought and achieved regardless of direction "thought" has laid forth. All is but cycles ending in the infinity of the whole—if ye will. The journey will spiral always until such time as thought projection takes you into the sequence of events which allows for learning and passage—each experience and portion adding to the whole until the circle becomes ONE.

Let us look briefly at the symbolic circle which can well indicate an "ending" or a "beginning" of THE circle of experience and expression manifest in the life-stream of the fragment in expression—projected outward and returning honed and learned in Knowing, unto ONENESS once again—a sequence—not a "time"; a segment—not a "space". In this wondrous connection of the circle to itself, one can perceive, perhaps, a destiny in which the world is "gone". As you come into the oneness with creator into this voidance of time and space—all will be at peace and rest without perception of impact upon the blessed wholeness of "being". Even the music is gone but there need be no perception of such for that which replaces the senses of music is that which BECOMES the music and needs no "hearing". There is only infinite Reality symbolized by the circle of endless time.

This is what teachers have called Tao, Nirvana, whatever the term according to communication of intent and definition. The illusion of the world and the illusion of the Self in the world both come to an end. Only infinite Reality remains. This integration represents "conquest" of the world and its illusion. When the world is conquered, it fades away. Only Truth remains, Truth nameless, formless, limitless, Truth to be discovered only by inward experience and dwelling with the Oneness within and the Knowing of the mystery of that which before had only been "symbols". May the Truth rest gently upon your being that you might find your way more clearly.

#### KNOWLEDGE

What, then, is it that we are after in our searching—our journey? We look for Truth, Knowing and Returning in wholeness unto Source—always leaving that which is Truth for the generations to come. It is always through enforced "ignorance" that man is conquered by the adversary of God. Enlighten Man and ye have no adversary. Truth and Knowing gives the FREEDOM long sought as goal unto eternity and infinite balance in harmony with ALL.

So what has happened through the ages that MAN has tampered and destroyed to keep from the people created in such perfection and intelligent God reason? The great stores of "knowledge" were destroyed, rewritten, changed to serve the power-hungry and rulers of the physical experience—in other words, evil, for only physical human has "created" evil—all other expressions simply ARE.

So where does the story, this never-ending story—take up memory patterns which allows for insight? We choose to reveal that which can be connected within your own oral mythology.

With the closing of "cycles", Truth must be left for the next sequence of experience so that in the ending of each cycle—Truth can come again as the Hosts are always sent with the messengers to prepare for the coming again of information long stored against the day of recovery—to give confirmation and understanding in measured input allowing belief and comprehension for MAN cannot longer stand shock against his density in manifestation—he has moved too far into the darkness and away from his very substance, the "Photon" expression as "Light".

Since we, my scribe and I, often move back into an experience upon which to bring understanding within our connection, we journey in the memory of those times of Egyptians and recognition of Aton and feeble beginnings at recognition of Truth. Constantly comes the testing of readiness of species and civilizations in the density of placement in the cause of learning. Always it has been the thrust of the Elite would-be-gods to destroy and change Truth to deceive and maintain power. Why think ye that places such as the great libraries such as that of the Alexandrian Library were destroyed? But were the writings in Truth or simply a place of "scholars" in projection of opinion and already tampered documentation which would further pull mankind from his direction of Lighted paths? That which "awed" and "awes" the world are usually the imperfections of ego-oriented MAN. What happened at Alexandria? Let us look a bit at the setting and see if perhaps there was yet much to be desired in the writings either before or after the destruction of scrolls and sheets of scribblings. "Writing" usually is only a method of setting down misinformation to remind the readers of the lies and to reinforce same. Truth abides in the memory and can never be completely destroyed. This is WHY the oral traditions, even with symbols misunderstood by the masses—hold the actual Truth of evolvment and connections with infinite eternal experience.

#### DESTRUCTION OF ALEXANDRIAN LIBRARY

Since I have now spoken of Alexandria, let us consider what happened as historically expressed.

It is generally acknowledged that the ancient Egyptians possessed an extraordinary knowledge of the arts and sciences. Their earliest Pharaohs were patrons of learning in all its branches. Their priests and philosophers were noted among the most scholarly of men. I did not say "knowledgeable", I said "scholarly"! The architecture of the Egyptians awed the world for centuries, and their wisdom in chemistry, anatomy, medicine and astronomy was no less amazing. How could it be? Even to limited perception one must realize that something came prior to this "wisdom" of earth scholars.

Under the dynasty of the Ptolemies, the city of Alexandria became a mecca for so-called scholars. The studios of all nations congregated there to enjoy unparalleled opportunities for mental self-improvement

and perhaps this is when massive mental disinformation really got a strong hold on civilization. Poets, historians, philosophers, and dramatists assembled in the city of the Ptolemies largely to consult the vast libraries which had been accumulated by the Pharaohs of this illustrious line. I would note herein that the only Pharaoh of the time period who was worthy of any note at all was one called Akhnaton. Therefore, if the libraries were allowed and filled with “great” wisdom—it undoubtedly was the “wisdom” chosen by the ruler in power at the time and by simply “deductive reasoning”—it was not of God in intent.

Knowledge, like a magnet, draws more knowledge to itself, even if it be erroneous input, and by the second century before the so-called Christian Era the city of Alexandria had become a veritable metropolis of books. “Its libraries are referred to in ancient documents as the glory of the world—the axis of the intellectual universe.” The misinformation in the prior “words” is enough to make you “barf” if you have a weak stomach.

In addition to numerous private libraries collected by specialists in various departments of learning, and the secret collections written in the hieratic glyphs of the priests, there were two immense public collections.

The largest of these was the Brucheum which formed a branch of the national Museum of Antiquities; it contained some 490,000 papyri, vellums, tablets, and inscriptions, magnificently arranged in the niches and wings of a great rotunda-like gallery. Do you see how much more vastly disinformation can flow this day? Anyone with a personal computer can flush through waste at incredible speeds and completely bury the mind of Man in total garbage or, worse, deceive Man into believing he must have interpreters and go-betweens, authorities other than self and “saviors” to take his burden and “save even his soul”.

The second and smaller public collection, devoted almost exclusively to obscure forms of knowledge and therefore probably of greater practical value, was contained in the Temple of Serapis, the patron deity of the Ptolemies. This building, called the Serapeum, housed 42,800 rolls preserved in fireproof containers shaped somewhat like buckets with tightly fitted lids.

The various private collections brought the total number of priceless literary treasures in Alexandria to a figure exceeding one million documents. This was a mighty feat in accomplishment even if not pure in intent or content.

It is difficult to compare this ancient collection with any modern library. Many institutions of the present day contain a larger number of books, as for example even before the age of the electronic brains, or “brainless” machinery, in the late 1930s the British Museum had over seventy-five miles of bookshelves. This did NOT include the “new” thrust in writing of the British/Zionist Khazarian Plan of World Conquest in other than subtle form. The REAL blueprints were kept in even more hidden places.

The Alexandrian collection was made up entirely of hand-written works, for the most part unique copies of the greatest antiquity, each of which today would be worth a king’s ransom—but not for the proper reason of truth in content—simply value of antiquity. How interesting that one could not purchase an Alexandrian collection at any price today. Again, not because of its quality of knowledge implied—but because of its antiquity—which instructions were destructive then and have only been built upon since the writings.

### ACTUALLY THREE DISASTERS

How did the Alexandria Library actually fall into destruction? Well, it probably differs a bit from what you perceive and have been told. It was NOT deliberately burned as is assumed. Actually Caesar didn’t give a hang about the library. In the first century B.C., Cleopatra contested with her brother for the throne of Egypt. Caesar ordered the burning of the fleet in the harbor of Alexandria. A strong wind rose, the fire reached the docks and spread. Before the conflagration could be checked it had destroyed the Brucheum and the greater part of the city.

When Cleopatra entered Alexandria under the favor of Caesar, she ordered herself carried to the ruins of the great library. She beheld a veritable mountain of charred manuscripts and rolls, and the Queen of the Sun cursed her ancestors that they had not made adequate provision to protect the library from fire. She knew a good antique when she saw one.

The burning of the Brucheum was regarded by the Egyptians as a national disaster and by way of atonement Rome presented to Cleopatra several valuable collections of manuscripts which it had accumulated from conquered peoples. Mark Antony was especially active in the restoration of the Brucheum. Surely enough—the new rulers could rewrite history to suit themselves.

The great Alexandrian libraries were a second time destroyed by Aurelian about A.D. 273. The Serapeum was completely razed by the Christians in A.D. 389 upon the Edict of Theodosius.

The colossal statue of the weeping god Serapis which stood in the midst of the Serapeum also was demolished at this time.

Alexandria never entirely recovered from the third catastrophe. The love of learning lingered on, however, until the last of the great collections was entirely wiped out by Amru the Saracen in A.D. 640.

Thus perished the “glory” of the world, the sanctuary of the arts and sciences, mother of “wisdom”. And knowledge has continued its decline ever since at the hands of liars and despots.

If it were asked what humanity has lost through the destruction of the Alexandrian libraries, it will be said that after Alexandria came the Dark Ages—the total eclipse of essential learning. I would not be so kind for I would suggest that the Dark Ages came just prior to the great and wondrous “building” of the libraries. Today a hundred branches of art, science, philosophy and religion are laboring frantically and painfully to restore that which was wrong and incorrect in the first place.

The lost arts and sciences, the secrets of everlasting pigments, the mystery of malleable glass, the ever-burning lamps and the transmutation of metals are among the losses as stated by modern scholars and actually are listed as “minor losses”. What in heaven’s name is “important losses”? Transmutation of metals—a “minor” loss? Wake up little sheeple, the barn is on fire!

The greater tragedy, however, is the loss of the factual histories of the antediluvian world—the beginnings of civilization—even the tampered, still bearing the myths which DID HOLD FRAGMENTS OF TRUTH. The origin of races, philosophies, religions, and sciences—the accumulated knowledge of the lost Atlantis—and the story of its final destruction, when, according to the Mayans, it sank some ten to twelve thousand or so, years ago, carrying sixty millions of souls into transition in a single night—not to mention the slow decay and degradation of the experience.

Thus the most precious secrets of human origin, to which you have recovered only the faintest clues, vanished in smoke. However, I can promise you that by this day—there would be nothing of Truth to be found within those vaults at any rate.

I sincerely hope that you ones will go and read of the times of Alexander, Alexandria and the Khazarians (in the JOURNALS) for you have been given lies instead of rebirthing of Truth through those destructions of ancient times.

To connect the stories it may appear that I jump hither and yon in my outlay of input. I must do this because there are ones in receiving who are being given their instructions and confirmations in bits and pieces and those ones are scattered to the various critical locations for service and guardianship of that which was laid safe against this day of transition, coming into KNOWING and passage of a remnant—a return of the Bird Tribes, if you will. A regathering of Eagles among the “bird” people that fulfillment of the instructions for passage might be brought into manifestation for the flight (migration).

### COOPERATION AND SURVIVAL

IT IS NOT A CASE OF SURVIVAL OF THE FITTEST, AS YOUR BELIEF SYSTEMS, BASED ON SHORT-TERM OBSERVATION, PROCLAIM. IT IS A CASE OF FLOURISHMENT OF THE MOST COOPERATIVE BASED ON TRUTH, WISDOM AND REACHING FOR BALANCE, HARMONY AND ONENESS WITH THE SOURCE.

As we have spoken of the Lighted particles of molecular structure according to a DNA blueprint—so too does the Divine Plan have DNA blueprint. Just as distinct, little beings work together to produce each completed human cell, there are spirit beings designed to work in symbiotic cooperation with each human ego.

There are many names for US. We have been called angels, Bird Tribes, bird people, higher selves, *hoksedas*, spirits of the stars and thus and so. The reality of what we are is more than a name can convey. We are the multiple projections of the Eternal One, spirits designed to blend with present day humans. You now consider yourselves to be your “egos”, but egos are only a portion (perhaps the one most destructive to growth aspect) of the human equation. The complete human is a spirit/ego partnership.

You are individualized aspects of one holy and eternal Being. You are your spirits as they exist apart from the spell of “matter”. You do not evolve—you incarnate. Your intelligence is pre-existent; your identities, highly-focused frequencies of “star” “light”. You need us of the guides to be whole, just as we need you to fully enter and do our work in the physical plane as we fulfill our purpose. We all seek to awaken in your minds and hearts, to incarnate in your bodies that you might realize the purpose and intent of your journey.

We are sent to return your human circuitry to its Creator and again into KNOWING. Yet your human egos are the guardians of this circuitry, the stewards of your minds and hearts, and without your egos’ cooperation, our bonding and sharing is impossible.

You ego-ruled humans who feud and fight among yourselves do not realize the obvious: the very values that you employ to determine your social behavior, would, if employed by your body parts, effectively block any cooperative association of ribosomes, enzymes, mitochondria and other little life forms of crystalline life-force from providing you with even a single coherent cell, to say nothing of a healthy and integral human body.

Hundreds of thousands of little beings, all working voluntarily together, make a human body what it is. It is not a case of survival of the fittest, you must come to see, as your belief systems, based on short-term observation of the universe verifies—or seems to verify. It is rather a case of flourishing of the most cooperative, as all long-term observation of the universe verifies. It is through cooperation with one another that diverse forms of life adapt and thrive. And it is only through the symbiotic cooperation of a multitude of simpler organisms that more complex organisms like your bodies are able to come into existence at all.

### OPTIMUM MOMENT IS HERE

At critical stages in their development, life forms cooperate for their own advantage with other separate and distinct life forms. Over time their cooperation results in union. A new organism comes into being. Again and again this occurs in the formation of complex life forms.

This is analogous to what is about to happen again as your late 20<sup>th</sup> century human world reaches the optimal moment for materially oriented, ego-ruled human beings to be joined by their spirit world counterparts—US!

Your race is soon to experience widespread awakenings, or as some will see it, a massive descent of beings from the stars.

We represent the dreams of the Great Spirit, the true dreams, the Truth, the clear dreams, the pure dreams, never tainted by fear, never touched by any motivation other than the motivation of love; and yet, we are dreams nevertheless. Thoughts. Discarnate beings drifting formless through a universe that has placed the highest value on form, living in the consciousness of a Creator whose desire is to take form in the very creature that will result from our bonding with you in an effort to help you remember what and who you ARE. We are sent (come) to remind you and again bring Knowledge, Truth and Wisdom within your beings that you can find your way back within the infinite circle of reality.

Our spiritual intelligence is the missing dimension, the rejected aspect, of your own wholeness. For thousands of years, you have been afraid of us. Many of you are now learning that you have nothing to lose and everything to gain by establishing contact with us once again. It is only your ego that makes you fear.

Your ego is here to look after your physical body, to make sure it gets enough to eat, to make sure it does not walk over the edge of a cliff or damage itself unknowingly. Your ego is the steward and potential master of all material-plane fears, an important and necessary component of your identity. However, your ego was never meant to provide you with your primary sense of self—and you have turned over your infinite destiny into the control of a mechanical physically-oriented destroyer of spiritual reality and growth.

In a healthy state, the ego is a secondary component of identity and when it becomes the “first”, you are doomed until you reach out and regain control.

In a healthy state, the Being behind all being, the self behind every self, the Great Spirit behind all creation is experienced as your primary sense of self. Your ego does not have to be repressed or transcended for this to happen. It does not have to perish. It simply has to assume an appropriate relationship with the spirit that in Truth you ARE, the spirit that wants to incarnate and take up residence in your body/mind/heart system. Not as in “walk-in” but rather as “invited” wisdom.

### EGO REFLECTION

Your ego is by nature simply a “reflection”. It can either be a good, sharp, clear reflection, or it can be an independent, controlling reflection. Yet logic shows there is no such thing as an “independent reflection”. Your ego may create such an illusion and fool you but if you believe in it, you will be troubled and unfulfilled and continually work diligently toward your own destruction.

When your ego stops “trying” to do everything all by itself and you bring it back within control, and invite eternal spirit into your consciousness in Truth of understanding, your historical illusion evaporates like mist on a bright and sun-filled morning. A polarity reversal takes place in the charge of your human envelope. The field of consciousness around you changes. Instead of your ego dominating your sense of identity and blocking your awareness of the Great Spirit, an eternal sense of self awakens within you. You know yourself as a projection of the Creator of all the stars in the sky. You know yourself as one of a family of god-beings, sharing God’s Being. You remember! Everything is seen differently, clearly and in proper KNOWING. Your ego becomes your working partner and servant, and you commence the conscious creation of a new human reality.

We bring to you an angelic awareness that historically has not often been incarnate in human form. We therefore bring an eternal continuity of consciousness that henceforth you might know yourselves as we know ourselves. Together, in loving cooperation, we join to provide spirit and matter with the optimal balance.

We are NOT here to dominate your ego, but to secure its agreement, that between us we might work together and, ultimately, as the perception of time and proper sequence of this transition pass, merge into a single, biological, spiritual and psychological entity—an entity that shall in no way deny the needs and concerns of either ego or spirit, but that shall in every way honor and fulfill the fundamental design and purpose of BOTH.

### UNDERSTANDING

We understand love and how it seeks to become objectified in a material universe. Your human egos understand the mechanics of the physical plane. Together we will form a single, creative dyad, an entry point into which the Eternal One’s universal creativity will pour and from there, flow out to thoroughly transform these realms of matter.

We are come now to help you make the shift from unconscious, creature worlds of biology, to conscious co-creative biology. We are here to make this great time of change as gentle as possible. Our purpose is to blend with your race, to bring you into harmony with the Creator and with the earth, to create a world that works for everyone, a world that allows for the optimal development of all creative potential. Many human beings are already consciously blending with us. Wherever human hearts are willing to honor the spirits of love, we are present, we “incarnate”. We complete the human creation come into KNOWING.

During the age when fear was enthroned as the god at the source of human motivation, our incarnations only rarely occurred. By this statement, do not misinterpret intent of meaning in absolute definition. Most of us—your symbiotic counterparts, the missing pieces that are needed to make you fully HUman—flew to the gentler, non-physical realms of

higher vibration, fluttering away as birds might fly, startled at the thrashing of some loud and ignorant creature, only now to return, to approach you again under more favorable conditions.

I can present only that which befits higher brotherhood—as one who has walked upon your plains and knows wherein I speak for God would not leave you devoid of that to which you can relate. You who are controlled by the options and opinions of “another” are sorely in error. You CANNOT find Self outside of self—you will only find “other” and it will be of little value to you now and of no value at all to you later as you meet responsibility for the experience of journey and action.

As we focus now on places of the Lion and the Eagle we must remember that the “FireBird” has given that which would be needed. This one bears labels of all nations and all people but all represent the One outside of ALL THINGS—holding ALL THINGS and being ALL THINGS.

The Great Spirit is the single “Being” whose unfoldment has become this universe, the Source of all Life and you ones have long ago FORGOTTEN the meaning herein. I like the interchangeable titles as given especially by the native populations awaiting return of that Great Spirit: Mother God, Father God, Wakan Tanka, Eternal One, Mother of Old Ones, Goddess, Great One, Holy Spirit, Grandfather of All, Above One, Eternal Being, Spirit of Truth, Thunderbird, Source of Life and Fire Bird. This is pleasing to my own recognition for it represents Truth of direction—Sky People, Bird Tribes, Winged Silver Clouds of the Sky-Dwellers—all reminding all of the attachment to the eternal and infinite ALL.

### TIME OF PURIFICATION

It is time now for the receiving of the Great White Roots of Peace, this representation of the principles that produce peace and unity—the uncovering of the “what went wrong” and the laying of the foundation of peace. This is in readiness for the return of the winged brethren to integrate and share in the unfolding of this Truth and Right Livelihood.

This is a period during which the earth is purified, fear and love separated in human consciousness. In the Mayan tradition and projections it represents the time from your counting of some 1987 to counting of 2011. Is this valid “prophecy”? What matter? It is the time of separate counting as the calendar of counting ended, as was, in 1987. You are in the new time of counting—year five! How many might there be? I suggest you take your fingers and add!

What are we talking about in distinction of change—what is the Great Distinction? It is living membrane that defines the boundaries of the universe, divides existing structure from future structure, separates the Tonal and the Nagual (spiritual sea of infinity that surrounds the universe like the sea surrounds a fish, contains the patterns of all possible new creation, the realm of potential and infinite energy, the non-dimensional Presence of God, that which has no name). So you now approach the “Great Line” which is living, spiraling threads that weave the membrane of the “Great Distinction”.

There is a native tongue word I must relate herein for it is carried in derivation by all of the “PEOPLE” true to reality—the REAL people. It is *Ongwehohwhe*: the people true to reality, the real people, a term primarily used by native tribes and technically pertaining to (and used to refer to all people whose spirit is fully incarnate and in whom

spirit/ego integration has occurred). The Real People. The Original Beings. The Original Creators of Life.

I cannot define locations of geographical boundings for People come from one Source to scatter throughout the dwelling places as the changes come upon a life-form. I can only say that as we move along you will find that some of the locations and native “people” remain in guardianship of the holies and the treasures preserved against this need this day.

And what of that “treasure” and those “holies”? Well, there has been great reason for their remaining untouched and even presented in most unlikely form so that ones who are the guardians can know when the time is correct in the bringing within the receivers and workers sent to fulfill transition in properness. Man desires the wealth for self and ego greed. This is not allowed nor shall it ever be allowed as regards the places of God and unfolding of the remnant in passage. Abundance is that which shall come back for service in pure intent of goal and trust of the “keeping”.

### SO WHAT ABOUT IT?

What about it? If you are searching for wealth—ye shall not be given into either the finding or the receiving. If ye do of your work in service as directed, it shall come in fullness as it is discerned appropriate by higher Source. Much must be made ready—mostly the workers so that unveiling is in Light and not brought forth birthed in evil intent.

We can speak of individuals who have sought unsuccessfully to uncover this vast wealth. However, it is so well guarded that accidental discovery is impossible. The reason for this is obvious. Were this wealth to fall into the wrong hands, it could literally destroy mankind. Furthermore, before this vast wealth can even be entrusted to the proper custodian, he must be most carefully and thoroughly groomed and tested; prepared through a series of lifetimes for service at the “door”. Most critical is that the one who attends come into awareness of the Divine Plan unfolding and recognizes his/her counterpart in service. For it is only through recognition that he can properly cooperate with entities beyond Earth and coordinate the use of this “treasure” for the proper benefit of mankind and necessary passage of this remnant—a rebuilding, if you will, in integrity and life-sustaining passage. We must begin with the reclamation of portions of God’s own “land” and then all else can be built upon and within that “land”. There must be centers of activity but not noted as “centers” lest focus fall upon the projects and cause destruction.

### DOLLARS AND CENTS?

Ah, no measure of the whole can be placed on such a commodity. The treasure as such consists of that which is beyond the definition of wealth—as in the form of precious stones or metals. The treasures are in concepts, inventions, technologies, knowledge as are preserved and made ready for use through such passage—but this is in addition to vast tangible resources of such precious metals and minerals, artifacts of past civilizations and secret locations of unmined natural resources. The most valuable asset of the treasure is literally priceless, since it could not be purchased with all of the material wealth of all the worlds. The asset to which I refer is the secret of overcoming death and transmuting oneself into the cosmic consciousness within Light. However, to reach that transition

point, the things of the physical must be utilized lest the bodies not be ready and perish.

It will finally be placed into the working hands of ones who have grown (or outgrown) the need for ego-recognition and who will serve only the purpose to greater evolvment for the greatest numbers of God’s creations. The very secret of success lies in the learning of the “lessons” of “management” whereby the work can be done without note and behind the guise of smallness and multiple functioning so that all needs are covered, Earth itself preserved and used in harmony and a network between my “centers” be stabilized and integrated. All of this CAN be accomplished if ones will attend Truth and turn from the lie and liars. It can and will be done within the workings of that which IS for you have nothing else upon which to work—you only have that which IS.

### WHO SHALL IT BE?

Why do you ask? If ye be in the preparations ye have no need to know for in the KNOWING you will recognize only the unfolding in proper sequence in return for your labor. The KEYS to the unfoldment will rest in the recognition of the messages as brought forth to understanding ones who will take their piece of the puzzle (tapestry) and HEAR THE CALL. The counterpart “receivers” will know and prepare. NO more and NO less. Would ye expect a trumpet blast and target drawings to allow for confiscation? Ye who have but for self—shall have a rude awakening, indeed. This does not mean that abundance should not bring beauty and return—but it will be only in intent of service that this measure will flow upon any one or any nation. IT IS ONLY THROUGH GOD THAT THE WHOLE OF SHIELDING CAN BE GARNERED—REMEMBER IT FOR WHEN YOU TURN FROM GOD INTO THE REACHES OF EARTH PHYSICAL—YE REMOVE YOUR ONLY PROTECTION THROUGH THE SHIELD WHICH DEFLECTS (ACTUALLY) THE NEW TECHNOLOGIES BROUGHT AGAINST YOU AS A SPECIES.

Do not trouble self over “who”, etc. It will fall to the ones who have done their work and demand it not but rather serve “as if”, for it is only in the knowing of receiving that unlimited perception can allow.

The guardians will know the custodian and the custodian will know the resource and stream of flow—it will not be through any self-appointed guru or person of “high ranking” physical presentation. Not only must the custodian have passed all testing and be fully prepared so recognition can be realized—but man’s development must reach an acceptable level in order to be able to utilize such “treasures”. We are now come into the time wherein the “Plans” must begin to come into fruition and ye shall not be given into knowing where, how, who, what and when. If ye be ready then you have no reason to ponder—if not, it shall not be of your deciding at any rate.

There are many places wherein the “treasures” are kept, for they are the remnant places of the long-ago experience of continents and civilizations—placed for the unfolding or brought again from places of security for utilization at this evolvment. We are entertained by your need for hoarding of things such as gold, etc. For there will be a time when it is totally valueless to physical man as it is to spiritual progression—for we can bring it forth from atmosphere into any shape and form deemed through thought. It is the use and the users which are of importance and God knows HIS PEOPLE. So be it.

### TURN TO PHYSICAL AND MISS THE BOAT

Man dreams and ponders of how he shall come into inheritance of the great treasures of wealth and knowledge. He is sure that things are hidden within the places manufactured by man such as the Great Pyramids, etc. The places of the Lion and the Bird Tribes are places of God’s provision and shall emerge in strange ways in strange manners and forms unsuspected by MAN. It is well worth our own while to focus man’s attention upon those egotistical monuments of Man unto Man—for in so doing, man forgets to note that God is present and at work—ONLY THE VERY FEW SHALL REALIZE THE TRUTH OF IT. If you wish to have sweet dreams, little brothers, you must first plant the seeds which bear sweet dreams and fruit. If yours is a journey of ego-gratification—ye shall NOT be in the gifting of God’s greatest treasures for ye are not a worthy vessel.

The Man of God shall always wear an open mind for all possibilities of unlimited infinite God and so shall it come unto him who accepts the chalice and steps across the threshold in boldness within the circle of Light. Ye who come and walk with me are blessed indeed, for I know the way, for I come with the Life, the Way, the Word and the All of All. May ye ponder these things that ye might become “worthy” of the greatest gift of all. Salu.

Let us have rest, please, as our day began very early indeed. May ye who have eyes to see, do so. If thine ears are clear and hearing—ye shall flourish in the Truth of passage. I salute ye ones who dare and step forward in service unto Truth. Peace shall rest upon you as the cloak of Light as day floods across the darkness. AHO!

**Whereas** EJ Ekker has caused to be filed with the SEC bogus Annual Meeting Minutes in which a quorum is certified but did not exist; and

**Whereas** EJ Ekker continues to fraudulently hold himself out as "Chairman" of said Foundation and to conduct business as though his fraudulent filings are *de jure*; and

**Whereas** it is in the Public Interest that the Public be informed of the foregoing facts;

### NOTICE OF DE FACTO (ILLEGITIMATE) ENTITIES OPERATED BY EDDYJO EKKER

A prior Public Notice, "NOTICE OF REFUSAL TO PRODUCE CORPORATE RECORDS FOR INSPECTION", was run in the March 28, April 11 and April 25 (2007) issues of this publication. That Notice established the following presumptions:

"It is only reasonable to stipulate that absent proof of Mr. Ekker's authority to act, it shall be presumed such authority does not exist and absent production of the stock ledger, it shall be presumed no stock has been issued."

Mr. Eddyjo Ekker's unilateral actions with regard to GLOBAL ALLIANCE INVESTMENT ASSOCIATION (a Nevada corporation) and a number of corporations closely affiliated with it have continued and he has made no effort to rebut the foregoing presumptions. His memoranda purporting to terminate my services are fraudulent according to the presumption that he had no authority to act unilaterally against a co-Director. Lists of officers and directors have been unlawfully filed with the Nevada Secretary of State wherein EJ Ekker's name has replaced the name of the undersigned, Ronald Kirzinger. These actions were taken without the formalities of meetings or board resolutions. The unlawful actions of EJ Ekker (directly and/or through agents acting on his behalf, wittingly or unwittingly) do not change the fact that I still hold such offices and directorships.

Accordingly, in the Public Interest, it is necessary to notify the Public of the illegitimate nature of the Ekker-controlled (*de facto*) corporate entities.

**BE ADVISED: AS OF THE DATE OF THIS NOTICE, FRAUDULENT LISTS OF OFFICERS HAVE BEEN FILED WITH THE NEVADA SECRETARY OF STATE FOR THE FOLLOWING ENTITIES:**

**BUDGET CORPORATE RENEWALS, INC.** (Nevada # C1359-2001); changed 3/22/07 from EJ Ekker as contract officers to EJ Ekker by breach of contract

**BUDGET CORPORATION SERVICES, INC.** (Nevada # C15815-2001); changed 3/16/07 from Ronald Kirzinger (Janet Carriger as Secretary) to Janet Carriger

**CONTACT, INC.** (Nevada # C3384-1993); changed 3/22/07 from Ronald Kirzinger to EJ Ekker

**COSMOS SEAFOOD ENERGY MARKETING, LTD.** (Nevada # C1707-1985); changed 3/22/07 from Ronald Kirzinger and EJ Ekker to only EJ Ekker

**DON ESTEBAN BENITEZ TALLANO & DON GREGORIO MADRIGAL ACOP FOUNDATION, INC.** (Nevada # C18308-2003); changed 5/1/07 from Ronald Kirzinger and EJ Ekker to only EJ Ekker

**GLOBAL ALLIANCE INVESTMENT ASSOCIATION** (Nevada # C11415-1997); changed 4/27/07 from Ronald Kirzinger and EJ Ekker to only EJ Ekker

**PHOENIX INSTITUTE FOR RESEARCH & EDUCATION, LTD.** (Nevada # C2166-1990); changed 3/22/07 from Ronald Kirzinger and EJ Ekker to only EJ Ekker

**PHOENIX SOURCE DISTRIBUTORS, INC.** (Nevada # C987-1993); changed 3/23/07 from Ronald Kirzinger and EJ Ekker to only EJ Ekker

This list may not be complete because it is known that Mr. Ekker has instructed his agent, Janet Carriger, Office Manager of Budget Corporate Renewals, Inc., the resident agent for all of the above-named entities, to change out other lists of officers, which have not yet been changed, including most notably the FOUNDATION FOR THE TALLANO ESTATE, INC. (Nevada # C15240-2002) and INTERNATIONAL ENERGY SYSTEMS CORPORATION (Nevada # C4233-1986), registered to do business in California as "IESC", along with CONTINENTIAL DEVELOPERS, INC. (Nevada # C14042-1992). In addition, there are other entities with which my personal involvement was very issue and of which I may not have been informed.

**DO BUSINESS WITH THE EKKER-CONTROLLED DE FACTO "VERSIONS" OF THE ABOVE-NAMED ENTITIES AT YOUR OWN RISK. ANY ACTION TAKEN BY THE ABOVE-NAMED ENTITIES WITHOUT THE SIGNATURE OF THE UNDERSIGNED, RONALD KIRZINGER, IS NOT VALID.**

IN WITNESS WHEREOF the undersigned has affixed his signature for the corporation this 9<sup>th</sup> day of May, 2007.

**SUSPENSION OF EJ EKKER AS DIRECTOR, PRESIDENT AND TREASURER OF GLOBAL ALLIANCE INVESTMENT ASSOCIATION AND AS OFFICERS AND DIRECTORS OF ALL AFFILIATED AND SUBSIDIARY CORPORATIONS PENDING RESOLUTION OF THE CHARGE OF POLITICAL INTERFERENCE IN AND AGAINST REPUBLIC OF THE PHILIPPINES**

**Whereas** the Board is in possession of substantial evidence showing that Mr. Eddyjo Ekker, Director, Chairman, President and Treasurer of Global Alliance Investment Association, has interfered in the political affairs of the Republic of the Philippines in violation of Article II, Section 8 of the Articles of Incorporation regarding political interference; and

**Whereas** Mr. Ekker has been wholly unresponsive to the specific aforementioned charge; and

**Whereas** due process suggests that, absent a finding of criminal conduct by a governmental agency, Mr. Ekker should be allowed response before action is taken against him; and

**Whereas** there has not yet been any finding of criminality by the Republic of the Philippines; and

**Whereas** Mr. Ekker has been charged with numerous other breaches of conduct affecting Global Alliance Investment Association as well as numerous other related entities, as recorded in the pages of this publication in the issues of March 14, March 28, April 11 and April 25 (all in 2007); and

**Whereas** the undersigned has not been able to meet with Mr. Ekker to resolve these matters;

**THEREFORE**, the undersigned, Ronald W. Kirzinger, Director and Secretary of Global Alliance Investment Association, hereby undertakes the following extraordinary actions, to wit:

**Eddyjo Ekker is hereby SUSPENDED from the Board of Directors;**

**Eddyjo Ekker is hereby SUSPENDED from holding himself out as an officer and from taking any action on behalf of the corporation;**

**Eddyjo Ekker is hereby SUSPENDED from all positions of authority and all offices held in all affiliated and subsidiary entities pending resolution of the foregoing matters.**

# THANK YOU For Your Support

Thanks to God working through many who have voiced their support, “just” prayed for the best outcome for the highest good of all and/or provided financial support, we have what we need to sustain.

Seven years ago, GCH wrote: “...[G]oodness usually costs everything of considered value in the material world—to accomplish abundance and achievement of the very things you thought you lost. When you change your focus—you change the world.”

And so it has come to pass that the Phoenix has been trashed into the ashes and only the very few can see the signs of its rising and the new beginning.

It bears repeating: We are “there”. All that remains is for you to choose the role you will play in the outworking of the Divine Plan. For my part, I will continue to contribute 100% of my life energies to “The Mission” as put forth by Commander Gyeorgos Ceres Hatonn through his scribe, “Dharma”.

Sincerely,

Ronald W. Kirzinger
