# The Divine Plan Is The ONLY Solution

8/15/07 (20-364)

Wed., August 15, 2007, Year 20, Day 364  
Manila, Philippines

RE: GLOBAL INFUSIONS OF LIQUIDITY;  
THE 'GLOBAL PROBLEM'; THE TRUE GLOBAL  
SOLUTION (DIVINE PLAN); COMMUNICATION  
TO THE COMMITTEE

### GLOBAL INFUSIONS OF LIQUIDITY ONLY INCREASING DEBT

Last week it was widely reported that the Federal Reserve, the European Central Bank and the Japanese Central Bank—among others—acted to infuse hundreds of billions of dollars of 'liquidity' into the World's economic system almost simultaneously. What, you don't feel any richer? You shouldn't (if you're part of the Western World) because the purchasing power of your existing dollars, euros or yen DROPPED by a corresponding amount and both

you and your nation are even further in DEBT. The decline in purchasing power of your currency amounts to a tax levied to sustain and prevent the collapse of the "hedge funds" and other investments of the wealthiest people in the World. The really big "hedge funds" are the ones derived from Bonus 3392-181 (the basis of the Global Alliance Certificate of Debt) through hypothecation by George HW Bush and cronies. Surely, that must make you feel better?

The long-touted "dollar collapse" affects all currencies tied to the dollar in a system wherein the dollar is "the" reserve currency. Some currencies are recognized as grossly undervalued, among them the Russian ruble and the Chinese yuan. As long as these currencies remain tied to the dollar while they do NOT participate to the same extent in the debt orgy, every passing day brings greater strength to countries such as Russia and China relative to the U.S. There is only one possible conclusion if you extrapolate the current trend: The Western World will be owned, lock-stock-and-barrel, by Russia and China, along with other

nations not participating in the debt orgy. Ignoring the Divine Plan, the only OTHER "solution" for the beleaguered Habsburg Family appears to be all-out WAR—which, however, they also CANNOT WIN.

China has a 'nuclear' option (with regard to dumping the dollar)? Indeed, they do—along with enough raw firepower and manpower to accomplish victory in other ways. The true "center of gravity" for World power just might be centered on the Shanghai Cooperation Organization and you might take notice that the leaders of Russia and China recently oversaw "exercises" involving troops of the SCO.

For its part, Russia has just recently deployed more than 30 new weapons systems, including that missile against which any missile defense shield the United States can put in place is USELESS. Unspoken, the "secret" weapons systems in near space—those heavy-lifting anti-gravitic platforms or 'cosmospheres'—are absolutely dominant. Meanwhile, U.S. refusal to uphold the Strategic Arms Reduction Treaty is referred to in Russia as a 'fatal

(Continued on page 2)

mistake'. Russia is making many moves to counter the aggressive posture of the U.S. in its part of the World. And no, they haven't exactly forgotten about the sinking of the *Kursk*, seven years ago.

### WHAT'S WRONG WITH THE DIVINE PLAN?

So, tell me again: What's wrong with the Divine Plan? In theory—NOTHING; it is PERFECTLY RIGHT. In practice, however, it is NOT USEABLE in the hands of Eddyjo Ekker, would-be King and "former" DIA agent, who "just might be" operating under the terms of the 1981 Executive Order 122333. It is time to "come clean" because the abundance God offers shall not be poured into an unclean vessel.

Russian President Vladimir Putin, representing the Romanovs, has been extremely busy making every effort for a REASONABLE solution. He had a nice motorboat ride with George HW Bush not too long ago and managed to forestall U.S. plans to nuke Iran—and now he is enjoying another nice little motorboat ride, this time with Prince Albert II of Monaco on their way to Peterhof. The formal part of their meeting is being held at the Grand Palace of Peter the Great. These royal families ARE the holders of great power in this World, people, so don't just think of this as some kind of fancy hob-knobbing while the fate of the World is under discussion.

When confronted with the "unacceptable" placement of U.S. missiles right at his front door, Mr. Putin surprised everyone with the totally REASONABLE proposition that if the United States really wants to counter potential missile attacks from "rogue nations"—Russia is prepared to provide FULL cooperation and BETTER systems placement, elsewhere.

On August 10, VOA TV reported: "Former U.S. Secretary of State Henry Kissinger ... calls Russian President Vladimir Putin's proposal for NATO-Russian cooperation on missile defense a 'bold initiative'. He says cooperation on a joint missile defense system could be the forerunner for cooperation on other **global issues** [especially including economic issues]."

Will the Habsburgs listen to the Romanovs' voice of REASON and work with the Divine Plan? God help you if they don't because the alternative outcome is really not very pleasant.

CAN "a few" people change the World? ONLY A FEW PEOPLE EVER HAVE.

John Coleman wrote his now-famous book about the Committee of 300 and narrowed it down further to some 30 members of the Club of Rome. Ronn Jackson—who was apparently an "operative" (assassin, in many cases) for some of these privileged elite players—identified the existence and membership of the "Committee of 17", which was a very interesting SHORT LIST of key players. At position A-10 was one, ALBERTO FUJIMORI, a Japanese man who was then President of Peru, the origin of the now-infamous bearer bond, Bonus 3392-181.

(This "aside" comment seems to be necessary, if somewhat repetitious for long-time readers: The physical original Bearer Bond identified as Bonus 3392-181 became IRRELEVANT when Russell Herman went to Peru and had it reconfirmed and reconformed to be of identifiable ownership in the

name of COSMOS SEAFOOD ENERGY MARKETING, LTD. VK Durham's own files "recorded of public record" provide documentation of the *jurat*—so the original bond is now meaningless except for "sentimental value". The VALUE pertaining to Bonus 3392-181 was thereafter held by CSEML until by cross-resolution it was shared with Global Alliance Investment Association. Global Alliance perfected its claim in accordance with the terms of the United States *Constitution* and the *Uniform Commercial Code* and this perfected claim is in the form of a Certificate of Debt, publicly noticed through February 16, 1999.)

Someone was nice enough to share, indirectly, some comments made by Mr. Fujimori with regard to the old bat-guano bearer bond, 3392-181. It's real, alright, but according to the Japanese gentleman it is being used for nefarious purposes and amounts to someone of criminal intent having the Federal Reserve by the "*huevos*". Well, clearly, IT IS A MATTER OF INTENT, which we shall discuss a little further along in another article.

What would—WHAT DID—Commander Hatonn have to say to Mr. Fujimori (A-10) and the other members of the Committee of 17? Would the advice be any less TIMELY today? Let's go back 13 years (one-quarter of the 52-year cycle) and review Commander Hatonn's comments to and about the Committee.

### OPEN LETTER TO MR. FUJIMORI AND OTHER 'COMMITTEE' MEMBERS

[Quoting from the GCH writing of 7/27/94—#1:]

#### **The Committee as Leaders**

... The "Committee" has enemies they never dreamt of—and money is not enough to hold them at bay. Whichever side supports and marches WITH the masses of citizenry WILL WIN THE SKIRMISH AND ULTIMATELY THE BATTLE. In marching with the "goodly" beings of the globe and specifically those nations which are basically manipulated by the power of said "Committee", a foundation and an army can be established which can prevail against all enemies. Scatter and divide and discount NEED for inclusion of the "mankind" factor—and YOU WILL FALL.

Would it not be better to lead a world in PEACE and prosperity—than fall with the less strong, those who would Satanize the planet? The choice is here before you now—right now! It is a time for consideration for GREATNESS or consider the alternative—demise of civilization! The anti-civilizationists will destroy all semblance of true human civilization as you might perceive it to be.

We are not interested in revenge upon the "criminal" or the "warrior". We are interested in neutralizing the ability of those who are equally trapped through blackmail and criminal actions—to longer bind and destroy a nation, a republic and cost ALL, all hopes for FREEDOM.

Like it or not, I am here in representation of the WINNER in this battle and I am authorized to "negotiate". I will make all sorts of allowances in exchange for change of vision moving toward

desire for change into freedom and constitutional foundation. I will NOT compromise on needs, agreements OR a continuation of evil. So be it.

IT BECOMES IMPERATIVE THAT ALL ARE ABLE TO SEE THAT IT IS BETTER TO BE FRIENDS WITH GOD CREATOR AND HIS TEAM THAN TO CONTINUE IN THE DESTRUCTIVE DIRECTIONS NOW FACED BY THE WORLD. [RK: ARE WE THERE YET, MR. FUJIMORI AND OTHER MEMBERS OF THE COMMITTEE?]

#### **Population Control**

Ah, but a rebuttal is that "We are overpopulated and something must be done about that." JOIN THE HOSTS OF THE UNIVERSE—AND YOU HAVE NO PROBLEM! WE CAN "CREATE" PLACES FOR EVERY LIVING BEING, ROBOTIC MECHANISM OR WHATEVER, WITHOUT DAMAGING "YOU" IN YOUR DESTRUCTIVE, MURDERING BEHAVIOR. GOD IS ABUNDANCE! GOD HAS ALL THE "SPACE" AND "TIME" IN THE UNIVERSE—INFINITELY!

[RK: And as you KNOW, Committee members, you now have ample real-"time" demonstration of this FACT. Ah but, where—if anywhere—shall your placement be?]

To you who now hold the keys to the very destruction of the enemy as relates to individual do-wrongers—THINK! Do you REALLY want to get Mr. Christopher for making a wrong handshake somewhere? NO, we want Mr. Christopher to stand with TRUTH against the evil that suppresses the human species. Not only that, but to release enough funding from the criminals' coffers that the people can restore order out of this massive evil empire of chaos. Would it not be better to BE RECOGNIZED BEFORE HISTORY AND GOD AS ONES WHO RESTORED FREEDOM AND RIGHTEOUSNESS TO A GLOBE THAN TO BE FORGOTTEN AND RELEGATED TO THE DUNG HEAP OF GARBAGE AND COMPOST?

**The (you of the) Committee—KNOW BETTER THAN ANY OTHER ONE GROUP OF ANYONES OR ANYTHINGS ON THE PLANET—THAT THERE ARE EXTRATERRESTRIAL ADVANCED LIFE FORMS AND THERE ARE REVOLVING SERVICE TO MIND "INCARNATIONS" (IF YOU WILL). IT IS TIME TO USE THAT KNOWLEDGE FOR POSITIVE EXPERIENCE TO STOP DEAD IN THEIR TRACKS THE DESPOILERS OF YOUR VERY LIFE EXISTENCE IN YOUR ONGOING EXPRESSION AND/OR MANIFESTATION.**

Not only CAN YOU STOP THE INSANITY ALMOST INSTANTLY—BUT YOU CAN BEGIN THE RESTRUCTURING IMMEDIATELY. There are willing hands awaiting with their hammers and saws to fit and build in perfection, then move on to the freedom and wonders opening unto the people in technology and experience beyond your dreams—IF YOU GET THE REVOLVEMENT DONE.

Each on the Committee is HUMAN, capable of

doing ANYTHING goodly under the Sun—and you of the “Committee” have the physical wherewithal to do this job instantly. It is going to be accomplished either way—with or without you—so, it is time for the vision and acceptance of **your very purpose within this human experience**. POWER over a dying world is NOT ENOUGH, good buddies—NEVER enough! Soul must blossom and fulfill its mission of creating—not destroying!

#### To Ronn Jackson

[RK: The following advice might also be directed to Mr. Fulford’s Chinese “Illuminati assassins” or other “upset” agents: Force is not of God.]

This is specifically to Ronn: Do not do “battle” with these persons. They can see, if guided by vision into the leadership we must have on your place—to turn about this insanity. THAT is your job, son, to show them this—not threaten, blackmail or compromise. You need not compromise, but negotiation is the better part of wisdom. You are in honor for that which you have revealed about the sordid other world of the Power Brokers of the Evil Empires—and you have established HOW it is you KNOW so much. It is enough. We want to build a nation in freedom—not go back and destroy anyone or any being. It is unworthy of our mission.

What of those ones who fall into categories AGAINST God’s instructions? They will fall of their own volition as the building happens. When the mind-control systems are replaced with goodliness—the evil mind-warping will STOP and man and woman can again function in freedom and BALANCE of intent. If evil can do it—cannot good do it better?

#### Does this Mean Hatonn Will Stop Pointing out the “Bad”?

No, I will point out more and more—FOR YOU CANNOT FIX THAT WHICH IS BROKEN UNTIL YOU KNOW WHAT IS BROKEN. It means we stop trying to hang someone in our ignorance and that which is evil and binding will fall to the side to devour itself—in other words, **be vanished**. Until you can focus on the desired goal—you will be ever distracted constantly by the intended distractions—for THAT is the intent of the adversary. FOCUS ON THE GOAL AND THE REST WILL TAKE ITS PLACE. YOU NEED LEADERS—STRONG PERSONS AND FUNDS FOR SUPPORT FOR THE BUILDING. I PERSONALLY ASK EVERY MEMBER OF THAT BOARD OF 17 AND THE MAJESTIC 12 GROUP—TO “COME ABOARD”. LET US, PLEASE, BRING LIGHTED BROTHERHOOD ONTO YOUR PLANET IN HARMONY AND BEAUTY—INSTEAD OF THE TERRIBLE WARPED BEINGS YOU HAVE HELPED BUILD IN SECRET DUNGEONS.

I AM OF GOD AND GOD WINS. I WOULD WELCOME ANYONE WITH INTENT TOWARD HARMONY, BALANCE AND JUSTICE—ABOARD! Further, by your year 1995 [RK: The 52-year “wheel” has turned 90 degrees in the 13 years since this offer was made.] I would like participation WITH you—but I shall not

subject my crews to your insane death traps.

I am appealing to you [to make] decisions toward justice—and saving your own assets, if you prefer. I need you to make this transition more easily accomplished—BUT YOU NEED ME FAR MORE! I am going to get this mission accomplished with or without you—I ask intelligent wisdom in decision making. I KEEP EVERY COMMITMENT I MAKE, EVERY AGREEMENT OFFERED. NOW, IF YOU WILL DO THE SAME, WE CAN GET ON WITH SOME REAL JOY IN EXPERIENCE.

THANK YOU, SURVEILLANCE TEAM, FOR REPORTING TO YOUR OFFICERS IN CHARGE. THERE WILL BE SOME TICKED-OFF ADVERSARIAL ELITE. I WOULD SUGGEST THEY CONSIDER A CHANGE ALSO. THE REASON ONES MAKE IT TO SUCH COMMITTEES AS THAT OF THE 17 IS NOT BECAUSE OF HOSTILE GREED AS MUCH AS SUPREME AND SUPERIOR INTELLIGENCE TO “PLAY THE GAME”. THE GAME PLAYED IN WISDOM OF OUTCOME IN FREEDOM—IS THE KEY TO THE LOCKED DOOR UNTO THE UNIVERSE—RIGHT, MR. SAGAN?

ACCOMPLISHMENT AND LEGACY IS WHAT YOU REALLY SEEK. SO, PLEASE, IT IS TIME—LET US GET ON WITH IT.

Thank you for your attention, I salute you for careful consideration—and I look forward to working WITH you.

I will await your response.

By the way, for your information—the **unlawful and criminal activities, orders and unconditional laws—will be brought down along with those who MADE THEM**. Wouldn’t it be nice to be among the ones who STOP the insult to mankind—instead of the ones BROUGHT DOWN? I believe we understand one another quite well indeed.

Now, good council, I expect agreements to be met—STARTING INSTANTLY and I DEMAND that Ronn Jackson be freed, Buckley be met in honorable agreement, the certificates held in good and valid faith be negotiated, Gunther be set free and GUARDED that he can do his transactions—and we will leave your little troops alone. I want these adversarial “causes” against my scribe shut down—favorably resolved. We ask for naught save justice—that means I want top-notch and able attorneys in a NON-FIXED judicial setting—OR, just get it shut-down with FAVORABLE results for MY PEOPLE. I am weary of the games and garbage. We all have a job to do—a worthy, magnificent and goodly job to accomplish. I do, however, demand these things be resolved NOW—in OUR best interests—for it is the fleas, maggots and leeches which are going to be buried—whether they claim to be on your side OR MINE. These are NOT of God and I want them not around me. They can live in the dung heap wherein they can suck the very essence of life from the rot. ...

[END QUOTING]

Have we turned the corner? Amazingly enough, there appears to be CONFIRMATION that 13 years

after Commander Hatonn’s appeal for cooperation, at least SOME of the elite controllers are “getting the message”. Particularly intriguing is the latest update from Benjamin Fulford, former Asia Pacific Bureau Chief for *Forbes* magazine, who has exposed a Chinese secret society’s threat to forcefully eliminate “the Illuminati”—IF they refuse to cooperate. Now there’s talk of a forthcoming GLOBAL ALLIANCE!?

[QUOTING:]

#### SECRET GOVERNMENT PROMISES BIG CHANGES

By Benjamin Fulford, <BenjaminFulford.com>

The secret government of the U.S. and EU has promised a major overhaul in the wake of the warning it got from the Chinese secret society, according to a senior Japanese public security police officer and Freemason who has been acting as an intermediary with the Chinese secret society. “Expect big changes this autumn,” he said in comments confirmed by a member of the Japanese royal family. “What you will be seeing is the unwinding of George Bush senior’s 50-year campaign to turn the U.S. into a fascist regime,” the secret police agent says. “George Bush senior is now a broken man showing signs of senile dementia,” he adds.

If the sources are to be believed, U.S. President George Bush’s government will resign, before his term expires, and will be replaced by an interim regime headed by Al Gore. This will start a 2-3 year transition period during which suppressed technology, such as free energy, will be released and a new system for running the planet will be implemented, according to these two sources. **“They know their rule is ending but they do not want it to end in an ugly way,”** [emphasis added] the security police source says.

The recent market turmoil, including the Chinese threat to sell dollars, was part of the bargaining towards major changes in the secret balance of power, we are told.

Certainly there are some encouraging signs. The tearful resignation of U.S. presidential “brain” Karl Rove removes a central lynchpin of Bush’s regime. Since it follows six other resignations; it does look like rats abandoning a sinking ship.

In Japan, meanwhile, the victory of the opposition Democratic Party in the recent upper house elections could lead to the end of the Iraq and Afghan wars. Japan Democratic Party leader Ichiro Ozawa has promised to block renewal of an “anti-terrorist” bill that allows Japan’s Self-Defense Forces to provide considerable logistical support to the U.S. sponsored wars in the region. Without that support, it is unlikely the U.S. will have enough money or military might to continue the wars.

Since this follows UK Prime Minister Brown’s vow to remove British troops with or without U.S. approval, it will mean the Bush regime has lost its last big war allies. Brown also publicly rebuked Bush during a recent visit by doing such things as pointedly refusing to take home a souvenir he was given.

There are also signs the Japanese election was manipulated behind the scenes to promote a

Democratic Party victory in Japan. Just before the election, the Japanese mainstream media suddenly began reporting heavily about a pension scandal the JDP has been talking—unreported—about for at least 5 years. This was crucial for their victory. We may see a general election as early as this fall, followed by the birth of a JDP government and an end to the post-war Japanese regime. It could be a sign of diminished Rockefeller influence in Japan. However, it is not a sign of diminished illuminati control of Japan since Ozawa is himself a Freemason.

Despite the positive developments, the biggest worry is all the public hints about a new “terrorist attack” on the U.S. to be used as an excuse to trigger martial law. However, such an attack at this time “would fool nobody”, the sources said. Many U.S. citizens might be fooled but no other government in the world would believe it. “The secret government knows they cannot use their old tricks anymore,” the sources said.

The Chinese secret societies, meanwhile, are watching carefully for any sign of new attempts to spread disease or otherwise carry out genocidal attacks. They only give one warning and have now initiated a news blackout. I am not in the loop about what they would do if a new breach was found but, they did say whatever action they took would be “unpredictable and worse than expected”.

At the same time, an anti-Rothschild alliance has been formed in Tokyo. They warn that the entire Bush regime was probably set up as a “bad cop” to scare people in the arms of the EU “good cop”. They say there may be other surprises, possibly including a fake UFO invasion that Henry Kissinger hinted at during the 1991 Bilderberg meeting. “We will have to look at least four or five steps ahead in order to keep on top of these people,” the alliance says.

So far, the EU only consists of governments that are controlled in secret by the Rothschilds, etc. (Turkey is also a Rothschild fief). Their secret parliament, the Bilderbergers, have already shown they are racist by refusing to allow any Japanese to join. As a result, any effort to turn the EU into the base of a world government is doomed to fail.

The anti-Rothschild alliance (with the discreet backing of the Chinese secret societies) will be contacting leaders of Russia, China, India, the Muslim countries, South America, Africa etc. to create a **global alliance** [*emphasis added*] that will demand a new way of running the planet.

The UN Security Council will have to be replaced with a new grouping that more accurately represents the people of this planet. As it stands, 4 out of the 5 permanent Security Council members are representatives of Caucasian nations even though only 17% of the world’s people are Caucasian. This global apartheid will have to end.

The world’s financial system will also have to be replaced with a more transparent and equitable system that relies on more than simple human selfish greed as the main incentive for transactions.

Once this is done, a three-year campaign against the five curses of humanity: war, poverty, environmental destruction, ignorance and disease

could be carried out. This could be a test case for replacing the Hegelian system of pitting opposite forces against each other in war with a system for people to compete towards agreed upon peaceful goals.

The industries and lobbies that have depended on war and turmoil will have to be given new goals and direction. One possibility would be a long-term campaign to terraform Mars.

People will have to be patient, however. These changes will happen over a period of years, not months. In the meantime, let us see if the autumn surprise appears as promised.

[END QUOTING]

“My, my, my,” could it be? Have the elite really started to see the Light? We shall see.

**Ronald Kirzinger (“of” Hatonn)**

---

*Many stock brokers ensure that all excess client balances are “swept” into money market funds to enhance overall portfolio yields. Such funds have always had risk commensurate with their enhanced yields but now some of that risk is being realized. When even the safest investment vehicles are threatened by lack of liquidity, the overall economic environment is in trouble. This information is presented to underscore the liquidity concerns pointed out in the preceding article. The following “Letter to Money Market Fund Clients” comes from Barry Ritholz, August 14, 2007, “Money Markets Halting Redemptions”. Mr. Ritholz writes:*

[V]ia the always astute Doug Kass, we must point you to this simply unbelievable document . . .

That’s right, some Money Markets—[said to be] safe as cash, totally liquid—are halting redemptions.

Note: there is a big difference between Money Market Funds, and “enhanced” Money Market Mutual Funds—namely, whether or not they are FDIC guaranteed to \$100k.

Once again, we see what the reach for yield has wrought . . .

**[WARNING: A RECENT LETTER TO MONEY MARKET FUND CLIENTS]**

August 13, 2007

Dear Client:

As you undoubtedly know, the credit markets, along with most other markets, have experienced a liquidity crisis in the past several weeks. Investor fear has overtaken reason and has induced a period in which most securities have simply ceased to trade. We have all read the stories about one hedge fund or another suffering losses related to subprime exposure and closing down or being rescued. This fear, while warranted in some cases, has spilled over into the rest of the credit market and liquidity has dried up all over the street. In addition, investment banks and securities firms are stuck with LBO deals they have already entered into but cannot find buyers for the bonds so must inventory them themselves.

This liquidity crisis has caused bids to disappear from the market and makes it virtually impossible to properly price securities or to trade them. High grade securities are trading like junk bonds as panicked investors dump names like General Electric at Tyco-like prices.

We have carefully monitored this situation for the past several weeks and have met regularly to discuss the potential impact it may have on our clients. We had previously thought that the market would return to some semblance of order and that our clients would not join in the panic.

Unfortunately, this has not been the case. We are concerned that we cannot meet any significant redemption requests without selling securities at deep discounts to their fair value and therefore causing unnecessary losses to our clients. We contacted the CFTC today and asked for their permission to halt redemptions until we can honor them in an orderly fashion.

[Name of fund redacted] has always sought to protect your interests and since our inception in 1980, we have never experienced a situation quite like this one. We will continue to monitor the markets and we will raise cash as opportunities present themselves.

We understand that this will obviously cause inconveniences on your part however, at present, we do not see an alternative and we don’t believe it is in anyone’s best interest if a run on [name of fund redacted] took place and we were in a forced liquidation mode.

We value your trust in us these past 28 years and this has been a very difficult decision for us and we understand the implications of this decision both on you and on [name of fund redacted]. We feel, however, that this is the best way to assure you the best possible value on your investment.

We will remain in contact with you and update you as things progress.

Sincerely,

[Name of fund redacted]

Manila, Philippines

RE: AGENTS WITHIN; THE ULTIMATE BATTLE; A MATTER OF INTENT; 'THOUGHTS'

## AGENTS WITHIN

Early on in the “game”, Commander Hatonn tried to impress on us the fact that when you are dealing with the potential to literally change the World into goodness, you’re going to be right up against the agents of those in control. Ah but, SOME of those “best and brightest” agents could be counted on to retain some vestige of CONSCIENCE and more might be just plainly “fed up” with that “out in the cold” feeling, especially when commitments regarding COMMISSIONS were not fulfilled.

In a writing from three and one-half years ago, on February 10, 2004 (Year 17, Day 178), GCH wrote: “Let us move as quickly as possible—and if it is CIA that serves up the table, so be it, for you cannot see clearly.” Accordingly, I was not too surprised to find myself introduced to a number of CIA agents—including, supposedly, the Regional Director (for Southeast Asia)—within a short time of arriving here in Manila back in April 2006.

Nevertheless, it was SHOCKING for me to realize the implications of Executive Order 122333, which established that agents could establish corporations wholly under their own ownership and control to contract with any of the many agencies of the Intelligence Community. This raised the serious question: Could EJ Ekker’s grab for all Mission-related corporations mean that Global Alliance Investment Association and related companies are all be owned by, for instance, the Defense Intelligence Agency? Wow, wow, wow. All along I imagined that I was an agent for none other than Gyeorgos Ceres Hatonn—but it turns out all of my life energies were being appropriated by the DIA?

On August 10, 1993, Commander Hatonn wrote:

... Do we have “agents” working within, without or on the fringes of our “group”—unwittingly? YES! I told you from onset that agents were working right under your nose and even running a part of your operations—I believe that has turned out to be absolutely TRUE. Did anyone else know who? Didn’t seem to—which makes me about as nervous as a cat on a hot tin roof—the simplistic innocence of my crew in Satan’s domain! Funny thing about this is that the agents, the government, the shadow government, the One World Government, the Committee of 300, the Israelis and, it seems, everyone but you who “claim” to “believe” KNOW WHO WE ARE, WHAT WE ARE ABOUT AND GET A LITTLE

CRAZY BUT RECOGNIZE OUR MISSION AND KNOW THAT IT IS NOT OVERTHROW—BUT RATHER, TO GET INFORMATION TO ANY OF OUR PEOPLE WHO WISH TO HAVE THE TRUTH OF THEIR SECURITY. IT IS THE UNINFORMED WHO ARE THE DANGEROUS ONES TO OUR CREW, WITH THE UNINFORMED BLIND “CHRISTIANS” HEADING THE LIST OF DANGEROUS ADVERSARIES.

Remember this, God tests the water continuously and from time to time in a MAJOR way—then HE pulls back and the actions of MAN intent take over while the world spins in orbit. Our contacts are made and every effort is made to insure that our people act in total openness and within ALL laws—ALL LAWS. We support NO armies, no violence, no demonstrations as instigators and bear no FORCE. In exchange—we are recognized as respected opponents who will do what is necessary when attacked or our people attacked. They know that WE KNOW what is going on at all times—everywhere. They know that we know that THEY KNOW everything coming out of this computer, etc. They test their skills against our shields and go blow up fault lines somewhere else. If, however, any person in my protection who demands my absence—GETS IT and THEN, it is dangerous beyond your belief for THEY will “getcha”! ...

“God tests the water continuously and from time to time in a MAJOR way—then HE pulls back and the actions of MAN intent take over ...” Yes, somewhere along the line it always comes down to the intent of MAN. And somewhere along the line, Eddyjo Ekker determined that FORCE would be necessary to change things in the Philippines, going so far as to promise in his “Philippines Future” document “all the money they might want” to ones who would forcefully overthrow the current government. No, that does not fit within “ALL LAWS”.

NAMED in that “Philippines Future” document is one, Erick San Juan, who has joined with EJ Ekker in vilifying Ronald Kirzinger, joining in the echoing chorus of Ekker associates who have somehow become experts in clinical psychology.

WHO IS ERICK SAN JUAN, REALLY? On August 20, 2000 (yes, 7 years ago), Commander Hatonn ran the following profile for Erick, the plaudits of which might have been wasted on those lacking perception:

Mr. San Juan is a practicing political analyst journalist, and a valued contributor to many newspapers. He has two daily radio broadcasts at DWBL, 1242 kHz, 4:00 PM and at DWAN 1206 kHz, Mondays through Fridays. He is also a co-host at the weekly Friday Balitaan. Mr. San Juan

is likewise a mainstay panelist at Ugnayan sa Rembrandt hosted by the OPS-PIA and also writes articles for *NewsAsia* and *CONTACT* of Las Vegas, Nevada, USA.

Born and raised in Manila, Erick graduated with a Bachelor of Science degree in commerce from San Sebastian College. He also took up some master degree units from the Ateneo Graduate School and De La Salle University.

**San Juan is the youngest of the Knights of Rizal lifetime members, enjoying the rank of Knight Commander which was accorded to him in Las Vegas, Nevada USA.** He is actively involved with the Philippine Jaycees. In 1997, he became Secretary General of the Philippine Jaycee Senate. He was a Prime Minister of the Capitol Jaycee Senate and is now the VP-Luzon of the Philippine Jaycee Foundation.

On July 22, 2000, the *MANILA BULLETIN* wrote about a special honor conferred on Erick San Juan:

[He] “... has been chosen and conferred with an honorary appointment to the board of advisors of the American Biographical Institute. ... San Juan is also included in the honors list of the outstanding people of the 20<sup>th</sup> century for his outstanding contribution in the field of public service and information. He received the award last year. **The award is given by the International Biographical Centre of Cambridge, England.**”

I have met with Mr. San Juan on numerous occasions and I LIKE HIM. He is a very intelligent man, very well informed, and has a ready grasp on the true nature of everything from globalization to the presence of American troops down south.

The way I heard it, Erick San Juan found himself somewhat blindsided when he walked into a meeting at the Gilarmi Hotel coffee shop and was presented with a document already prepared by EJ Ekker, who asked for his endorsement of the document’s contents. If he might otherwise have disagreed, owing to the public situation he ended up tacitly endorsing a certain “version” of “the truth”. Now he finds himself caught in the thrashings of a bound eagle. I can only feel sorry because I truly believe this man wants to bring about positive change for his country. It would be nice if he would get in line with the Divine Plan and be a major part of its outworking.

It should be getting clear by now that it is simply a MATTER OF INTENT. If EJ Ekker, Erick San Juan or anyone else wants to change the World FOR THE RIGHT REASONS, that one would have support from all of the powers of “heaven”. From two 7-year cycles ago, let’s sit at the feet of the Master, Gyeorgos Ceres Hatonn for an old lesson which seems worthy of repeating at this juncture.

8/14/93—#2 HATONN  
SHADOW BOXING  
A MATTER OF INTENT

As you walk through the shadows can you not see that if you remain within Truth and within God, you can “see” quite well for in every circumstance if you ask in intent of goodness in the receiving—you SHALL receive that which is needed. It rarely comes packaged as you pre-

perceive. Then, you take the information (formulae) and create (originate) an alternative circumstance in which YOU have control and NOT your enemy over you. IF YOUR INTENT BE PURE—YOUR CREATION WILL BRING FORTH THE FRUITS OF YOUR LABOR IN PLENTY AND IT SHALL BE SWEET. If your intent is in worldly greed—you shall have fruit from your plantings—but it will be indeed BITTER. It may well “appear” your enemy continues to “win” but you deviate not from our purpose, goal and path—it will be you who wins—not your enemy. If “his” (your enemy) had the same Godly intent—he WOULD NOT BE YOUR ENEMY TRYING TO DISCREDIT AND PULL YOU DOWN THAT HE MIGHT HAVE PERSONAL GAIN.

It is important in this journey to not simply say “I have my truth” and “You have yours” and each is valid. Valid indeed, but NOT usually Godly. The surface words may well express “Godly”—while the actions and rock throwing indicate intent otherwise. Remember, also, vineyard toilers—what “appears to be” may well NOT be the whole of the story. Hold to the intent of projects in God’s purpose, done in integrity of God-worthiness and the adversary will fall away—but not until THE NECESSARY LESSONS ARE LEARNED AND PRACTICED. Be they ever so seemingly “humble”, even the most tiny “lesson” may be THE knowledge which will focus the WHOLE. Does this mean that you may not personally gain? Perish the thought—our major intent here is to PROVE to mankind that in God’s garden—each can flourish both in soul growth and abundance to experience within this dimension—even with turmoil, upheaval and seemingly total devastation and evil around you. He who would pull down and damage a brother to gain in “gold” is not in movement toward God—regardless of what he believes in consciousness. The fact that restlessness and “excuses” continue to flow endlessly—proves the lack of peace and fulfillment. When, further, you GIVE to GOD for HIS work and then demand it back with interest—you are bordering on serious reward in troubles. You may well get what you THINK you want—but it will be as bitter in the “having” as is the Hemlock sap. You can fool almost all of the people sometime, a lot of the people all of the time—but you cannot fool all of the people all of the time—AND YOU CANNOT FOOL GOD ANY OF THE TIME! The worst circumstance, however, is when you FOOL SELF—FOR THAT INDEED MAKES YOU THE “FOOL”! THIS ALMOST ALWAYS COMES WITH INPUT FROM ANOTHER IF YOUR PATH WAS TRULY PRIORLY IN THE LIGHT OF GOODNESS. IF YOU THINK I MEAN YOU, I SUGGEST YOU LOOK CAREFULLY AT WHAT YOU DO AND WHO GIVES ADVICE AND HELPS YOU TAKE THAT INCREDIBLY STUPID ADVICE! YOU, PEOPLE, ARE THE MOST FOOLISH AND “HAD” SPECIES. TOO GREEDY TO STAY IN THE LIGHT AND

WAIT UPON GOD—AND TOO FOOLISH TO KEEP FROM FOLLOWING THE PIPER WITH THE SHEKELS OF GOLD. IT IS CALLED “FOOL’S GOLD” BECAUSE YOU FINALLY GET IT AND IT HAS NO VALUE AND IT HAS LEACHED OUT EVERY FRAGMENT OF GOODNESS WITHIN. Usually then what happens is the “adviser” takes leave for he would not want to live with a “fool”. This, further, usually happens when he has stripped you of all that you THOUGHT was of value. The adversary is indeed UNKIND, my children, and as always—you do it to yourselves.

... I come in the Highest Cause in service to God Creator—returning. I have come to meet this enemy head on—and he is a trickster—using every hapless person he wants, to harass and harangue. If it appears I confront some poor little human beings along the way it is because the “Big Boy Deceiver” is USING THEM AND THEY ARE TOO BLIND TO SEE.

I am NOT out to get these little tools of my enemy. I AM HERE TO HELP THOSE WHO WISH HELP—IN GOD. If your trip is in full intent of only worldly gain—do that which you will and use whatever you can to assist you. I force NOTHING, I do not know why ones would wish to partake of anything I represent—much less continue to battle, discredit and all other manner of nonsense. What do THEY want? I ask them to GO—they stay like glue. What is this? You ones are going to have to understand a lot of things—I COME WITH A MISSION AND WE ARE DOING THAT MISSION. I do not come here to play in your sandbox or argue a point of prophesy—I come in service to GOD and GOD’S people and most certainly if I annoy you—get thee from me. ...

This is a lesson to every reader—EVERY READER. We are not some cute little dip-slip rag-sheet. If YOU don’t enjoy the information or the news—so be it, don’t use it. If you subscribe and are disappointed—I’m sorry—how do you feel about the *LA Times* or the *Glendale Sun*? I do not beat my chest and say “come here and meet God” or “I force you to come here.” We write a paper and the WORD OF TRUTH. If you disagree—go your way in peace and leave us ours. I CAN TELL YOU NOW—GUARANTEED—THE GOD “I” SERVE—WINS!—with or without you! He does not pull YOU, push YOU or DRAG YOU. So, if you disagree with ME and MINE—why don’t you “get lost”?

I will spend weeks and years in honest debate or lessons if you want MY TRUTH. If you simply wish to argue in favor of YOURS—go get your own paper. I continue at the very boredom and aggravation of readers to be kind and hope that you will see LIGHT—you few whom I adore and yet drift in your sea of silly confusion. I do not cause you to stop your confusion—I OFFER LIGHT. Take your money and your gold and go the way of the world and the Elite Puppetmasters—your choice! I AM NOT GOING WITH YOU—YOU ARE WRONG AND YOU ARE GOING TO BE “HAD”! YOU know I am TRUTH and the WAY—or you would GO YOURS! ...

Be careful, further, for many of those teams you thought on your SIDE are actually protecting (physically), OUR SIDE. Would it not be wonderful if we could simply be all on the SAME side? ...

#### INTENT IS TO ‘GET THE WORD OUT’? WHAT ‘WORD’? WHOSE ‘WORD’?

Some people seem to want to believe that the ‘CONTACT’ put out by EJ Ekker, featuring the imaginative (but BLASPHEMOUS) writings of “Jonur”—and just who is “Jonur”?—are “the Word”. From the very first issue of the FALSE ‘CONTACT’, however, it should have been obvious to anyone with discernment that while it may contain many “words”, IT IS NOT ‘THE WORD’ AND CERTAINLY “JONUR” DOES NOT WRITE FOR COMMANDER GYEORGOS CERES HATONN. That first issue put to print by EJ Ekker featured ‘ARMAGEDDON’ in its caption. Is that “the Word”?

Three and one-half years ago, on February 13, 2003, GCH wrote:

“When ones say that their full intent is in ‘getting the word out!’, I ask the following before going further: What word? Whose word? Which word? **The wrong word is the disaster waiting to happen, the apocalypse awaiting its date with destruction.** Moreover, when you say that you act against another in behalf of GOD—you are really courting absurdity—AREN’T YOU?”

And so, the EJ Ekker-inspired cult continues to put to press ABSURDITIES. At great personal expense, for which I am humbly thankful, a more discerning subscriber mailed a copy of the 6/6 issue of the bogus, EJ-Jonur paper. I have not spent and will not spend a great deal of time reviewing the issue but some things jump right out as FALSE and should be noted.

For instance, right on the front page, in a writing allegedly coming from “HATONN-jonur” dated 1/24/07 is a reference you can KNOW is not true. It says: “... as you play out these final hours”. “FINAL HOURS”??? What is meant by that phrase, when YOU ARE ETERNAL and the FACT is that we are only nearing the END OF THE INITIAL PHASE OF A NEW GOLDEN AGE?

Further along you can read the ABSURDITY: “‘Large-nosed Greys’ ... were the ancient visitors to Khazaria in southern Russia” and relates the ‘large-nosed Greys’ to the hook-nosed Jews. How very fanciful! DO YOU WANT TO BET YOUR SOUL ON SUCH NONSENSE?

Still on page 2, the ‘Blue Turban’ referenced by Michele de Nostradame is said to mean “Israel’s blue flag”. Think back and see if you can recall what Commander Hatonn told us on this very subject. IT IS NOT THE SAME, so once again we find “Jonur” CONTRADICTING that which has been taught by Commander Hatonn.

Please, if you are at all interested in DISCERNING THE TRUTH, look up the article entitled “JONUR BLASPHEMY” which is posted on the website at PhoenixSourceDistributors.com and STOP ALLOWING YOUR VERY SOUL TO BE POISONED “IN THE NAME OF GOD”.

'TERMINATION OF ASSOCIATION'  
OR OVERT BREACH OF CONTRACT(S)?

On page 15 of the 6/6 issue of EJ Ekker's ridiculous 'CONTACT' newspaper there is an ABSURD "Public Notice", an image of which is located nearby for easy reference.

Look at the "signature" on the supposed "Public Notice" on behalf of CONTACT, INC.—the company in which I am the SOLE Director and all officers. Ok, so it's a rubber-stamp signature; no problem with that IF Mr. Ekker CONFIRMS it is in fact his signature. It's called "plausible deniability" and I have no problem with that.

You might also notice, however, that the signature is not followed by any indication of the CAPACITY of the signer: it is not signed by the "President", "CEO" or any other OFFICER. THEREFORE IT CANNOT BE CONSTRUED AS AN OFFICIAL ACT OF THE CORPORATION—which is good, because as the corporation's ONLY officers I can tell you FOR SURE that the alleged "Public Notice" is literally a mere scrap of paper and MEANINGLESS.

The position declared within this meaningless, worthless "Public Notice" has already been rebutted for the most part but some points can be stressed while I take general exception to the entire sorry piece: THERE IS NO TRUTH IN IT.

I don't know what, exactly, Ekker and his cult followers have in mind with the declaration that "Mr. Kirzinger has enjoyed a very substantial income" because the FACT is that my HIGHEST level of personal income in recent years was on the order of Cdn\$16,000 and my average income for the last 7 years has been less than half that amount. In 2006, for instance, living at the Executive Offices in the Philippines, my personal income was under \$4,000. I was paid only what I NEEDED to live on, so the phrase "very substantial income" is NOT TRUE. It is true that I EARNED FAR MORE BUT SAID AMOUNTS WERE NEVER PAID TO ME, so it is a LIE to say that I "enjoyed" such income. Thank you, Mr. Ekker—for the opportunity to set things straight in this regard.

The FACT is that where there exists a BENEFIT, there exists a CONTRACT. (Remember what Mr. Mercier said, Mr. Ekker?) The FACT is that you unilaterally breached all contracts with me, putting me out on the street and cutting off all access to corporate funds, in the full knowledge that all of my many contributions were handled through those very corporations.

IF this notice is in fact endorsed by EJ Ekker, his references to my alleged "bizarre allegations", "nefarious intentions", "criminal" conduct, "insane" nature "resembling paranoia", and his allegations that I am some kind of a "swindler" and "con man" are definitely ACTIONABLE for LIBEL and SLANDER. How about it, EJ: Will you sign as "President" and have your signature NOTARIZED? I thought not. So, how much credence SHOULD anyone give to these ANONYMOUS ALLEGATIONS?

The alleged "Public Notice" talks about me being the "heir apparent"—but there is nothing to inherit but appropriate RESPONSIBILITY because GLOBAL ALLIANCE EXISTS FOR THE BENEFIT OF ALL PEOPLE, NOT ONE MAN OR HIS DESIGNATED

# Termination of Association Or Breach of Contract(s)?

## CONTACT, INC.

### PUBLIC NOTICE

*This notice will be construed as a continuation of compliance with provisions necessary to establish presumed fact (Rule 301, Federal Rules of Civil Procedure, and attending State rules). If all interested parties fail to rebut any given allegation or matter of law addressed herein, the position will be construed as adequate to requirements of judicial notice, thus preserving fundamental law. A true and correct copy of this Public Notice is on file with and available for inspection at the newspaper CONTACT (P.O. Box 27800 Las Vegas, NV 89126, USA) which is responsible for publishing the instrument as a legal notice.*

#### TERMINATION OF ASSOCIATION OF Ronald W. Kirzinger (RONALD W. KIRZINGER) WITH CONTACT, INC.

Effective March 10, 2007 the association of Ronald W. Kirzinger (RONALD W. KIRZINGER) with CONTACT, INC. and all of its associated corporations such as (but not limited to): GLOBAL ALLIANCE INVESTMENT ASSOCIATION, COSMOS SEAFOOD ENERGY MARKETING, LTD., PHOENIX SOURCE DISTRIBUTORS, INC., BUDGET CORPORATE RENEWALS, INC., INTERNATIONAL ENERGY SYSTEMS CORPORATION, PHOENIX INSTITUTE FOR RESEARCH & EDUCATION, LTD., and UNLIMITED MOVEMENT, INC., was officially and formally terminated.

In his former position as a Contract Officer and Director of some of those corporations, and as the person responsible for the establishment of their respective websites, Mr. Kirzinger has enjoyed a very substantial income as well as access to information not usually in the possession of the ordinary employee or agent. As demonstrated by his previous service as Editor of the newspaper CONTACT, he certainly has the skill and knowledge to write and post spurious and fictional editions of the paper on the websites belonging to the aforementioned corporations. These actions, even though criminal in intent and damaging in effect, require time to stop legally; so we must urge anyone seeing those unauthorized online "issues" of the CONTACT to read them with the knowledge that Mr. Kirzinger had begun to behave like a swindler and con man, and that our exposure of his nefarious intentions appears to have precipitated in him a mental condition resembling paranoia.

Other than insanity, how can his actions be explained? He enjoyed as much income as he desired; and by sitting in the second position, he was clearly in line to become the "heir apparent", with stewardship of two of the largest assets in the world, payable in gold, and was also in a position to become a Trustee of a very valuable Philippine Foundation, which is the steward of a huge amount of gold as well as the world's largest deposit of deuterium. Only insanity can explain his continued pretense that he remains an officer and/or director of those corporations, and also his misleading of two of the Foundation's Trustees in an attempt to steal the legitimate Foundation so that he could gain control and be named a Trustee.

As the primary steward of the GLOBAL ALLIANCE corporation, I have been compelled to act promptly to thwart Mr. Kirzinger's overt and blatant attempt to take control of this entity and to use it as his "umbrella" to control all of the others. I am certain our readers can see through his bizarre allegations—for example, that I support Muslim radicals, while simultaneously being a long-time asset of the CIA, US Embassy, etc.—and discern for themselves what has been happening and what Mr. Kirzinger has been attempting to do.

Pursuant to the rules governing Public Notices under the Uniform Commercial Code, this Notice will be published at least three times in a newspaper of wide circulation.

IN WITNESS WHEREOF, the undersigned has executed and sealed this notice as of the date hereof. For the Corporation, dated at Makati, Manila, the Philippines, this 14th day of April 2007:

"HEIRS". "MY" "umbrella", Mr. Ekker? I DON'T OWN OR CLAIM TO OWN GLOBAL ALLIANCE. YOU MAKE THE CLAIM—AT THE EXPENSE OF THE PEOPLE—AND YOU SHALL FALL FOR THAT VERY REASON.

In a similar manner, the reference to my supposed "attempt to steal the legitimate Foundation" is ABSURD. **THE FOUNDATION OWNS NOTHING; IT MERELY HAS THE**

**RESPONSIBILITY FOR ADMINISTERING THE ASSETS OF THE PEOPLE OF THE PHILIPPINES, AS ORDERED BY JUDGE AGANA IN 1976. YOUR EFFORTS TO STEAL 40% OF THE SAID ASSETS SHALL NOT PREVAIL—because the proper administrators have publicly rebutted and denounced your fraudulent efforts.**

This is probably a good point to mention the Preliminary Investigation into the charge of

CRIMINAL LIBEL against Eddyjo Ekker (and “Secretary” Dra. Brenda Bandaay), which is scheduled for August 21 and August 28. The results of those hearings should be reported in the next issue.

**FOUNDATION LACAN TAGEAN**

**(MAHARLIKA). INC.?**

**WHAT’S THAT???**

**“FOUNDATION ASSETS”—WHAT ARE THOSE?**

“When you can’t dazzle them with brilliance, baffle them with bullshit.”—Anonymous

Mr. Ekker held a very “flashy” “Annual Meeting” on April 7, 2007, pretending to act as the “Chairman” of the Don Esteban Benitez Tallano & Don Gregorio Madrigal Acop Foundation Inc.—which we reference as the Tallano-Acop Fdn, for short. He followed that up by attesting to a “Denial of Association” Public Notice—published in a Manila newspaper of wide circulation—denying association with the real President of the Foundation, Cenon C. Marcos and the real Treasurer and Vice President of the Foundation, Professor Jaime B. Ramirez. That Public Notice is the focal point of the Criminal Libel charge being assessed by the Prosecutor.

Accordingly, it seems they had to be a little careful with their next “razzamatatz”, as they apparently invited the Probe TV team in for an interview. Notably, the caption under the image of EJ Ekker showed, “EJ EKKER, Chairman of the Board ng Foundation Lacan Acuna Tagean (Maharlika), Inc.” and the caption under Atty. Alejo Estepa read, “ATTY. ALEJO ESTEPA, Pangulo ng Foundation Lacan Tagean (Maharlika), Inc.”. (Please refer to the screen captures nearby. You can see the Probe TV video for yourself, online, at ProbeTV.com.)

We see two slightly different variations of “another” Foundation—with or without the name “Acuna” following “Lacan”. Is there a registered entity by this name? Cenon Marcos went to the Securities Exchange Commission and discovered that **NO SUCH ENTITY EXISTS**, not under EITHER spelling. HOWEVER, it looks like an attempt has been made to file an amendment to the articles of incorporation, **CHANGING THE NAME**—but that filing was only attempted on August 13—nearly two full weeks AFTER the Probe TV report was aired, and probably three or more weeks after it was filmed.

It is our understanding that the Securities Exchange Commission **REQUIRES** a copy of the Membership Book to accompany any application of amendment to the articles—and that book is in the possession of the REAL corporate Secretary, Erlinda R. Marcos. So, at best, their attempted filing is **INCOMPLETE** and could be rejected on that basis alone. In addition, the SEC’s own records show that EJ Ekker was expelled from the Foundation on March 17, 2007, ahead of the Annual Meeting of April 7—so what have we here? Let’s set this “little issue” aside for a moment.

In the course of the interview, EJ Ekker declared (and please pay attention to the stammering: **“I and**

**my family have furnished the, uh, the funding. Uh, at some point we woulda hoped to be paid back—from the sale of, uh, lands, uh, Foundation assets.”**

Wow. All you good people who have loaned money to the Phoenix Institute, IESC, Global Alliance and other Mission-related corporations—it looks like Mr. Ekker now considers that HE AND HIS “FAMILY”, whoever they might be—are the financial supporters of “the” Foundation.

And wow, wow: “Foundation assets”??? The Foundation—if we’re talking about the Tallano-Acop Foundation—HAS NO ASSETS OF ITS OWN; it merely has the responsibility to administer the assets OF THE PEOPLE as ordered by Judge Agana in 1976.

**EJ Ekker, “Chairman of the Board” of the Foundation Lacan Acuna Tagean (Maharlika), Inc. interviewed on the Philippines’ Probe TV (www.ProbeTV.com):**

***“I and my family have furnished the, uh, the funding.”***

**Atty. Alejo Estepa, President of the Foundation Lacan Tagean (Maharlika), Inc. interviewed on the Philippines’ Probe TV (www.ProbeTV.com).**

Atty. Homobono Adaza, who represents the interests of Julian Morden Tallano, laughed at EJ Ekker’s claim, responding in the Tagalog language to the effect that the assets belong to THE HEIR—and EJ Ekker is certainly NOT an “heir”.

And so, just as Commander Hatonn said it would,

it comes down to A MATTER OF INTENT. As a Trustee of the REAL, *de jure*, Tallano-Acop Foundation, I can say that we are prepared to work with anyone whose intent is for the BENEFIT OF THE PEOPLE OF THE PHILIPPINES, generally, but we have no intention whatsoever of replacing “Prince A.....a” or “Prince A...a” with “Prince T....o”—UNLESS the latter is truly interested in having the assets administered for the BENEFIT OF THE PEOPLE. We are not in this to get rich, quickly or slowly, we are in this to win this—for the PEOPLE and especially the POOR PEOPLE, as ordered by the wise Judge Agana. To that end we are prepared to consider any and all legitimate offers of support and efforts to join in cooperation.

**NEW TAGEAN-TALLANO DOCUMENTARY TO BE RELEASED AUGUST 29**

A company called Creative Image is preparing a documentary of the “Lapu-Lapu” (Tagean-Tallano) Clan, which we are told should be available sometime around August 29. Their film crew called on Cenon C. Marcos for his input, as he has done a lot of research on the issue of fraudulent land titles and land grabbing in the Philippines (see “Factual History of the Philippines” in the January 18, 2006 issue of CONTACT).

At this point, all we can say is that it looks like they are preparing a professional documentary, showing both those who endorse and those who refute the “fairy tale” history of King Luisong Tagean and his clan. After the interview, the interviewer said they would be focusing on the FACTS as recorded in the court records, especially. That is GOOD for “our” side because the Foundation was formed pursuant to those very court orders, which are, as far as we know, the only “handle” on the issues. If anyone else has solid documentation, we would, of course, be very interested in seeing what they might have to offer.

It has been said that the Agana Court’s orders were MODIFIED before being reconstituted by Judge Ernesto Reyes on July 11, 2001 and that the “real”, “original” records held no reference to the 617,500 metric tons of gold. WHY KEEP IT A SECRET? If that is the truth of the matter, let’s get it OUT IN THE OPEN. We have posted all court records on the website at TallanoFdn.com so that all may have access to as much truth as we can find on this subject. If you have such records, feel free to submit them to Info@TallanoFdn.com for PUBLICATION, IN THE PUBLIC INTEREST.

WHAT DOES IT MATTER WHOSE GOLD IT “WAS”—IF ALL CAN AGREE THAT THE VALUE SHOULD GO TO THE

BENEFIT OF THE PEOPLE??? In that case, we are only talking about the RESPONSIBILITY of ADMINISTRATION. Personally, I don’t much care WHO administers it, as long as it is used as soon as possible to stop the STARVATION OF THE PEOPLE. “Let’s” work together in the spirit of

# What Happens When You Die?

## From Experience and Higher Perspective

*“Let the dead bury the dead,” as expressed by the Master Teacher, can sound very harsh until you KNOW there is only Eternal LIFE. Seven years ago, Commander Hatonn described the “death” experience from a higher perspective and that account is presented in Part II beginning on page 14. First, let’s consider the remarkable “real life” experience of one, Mellen-Thomas Benedict. I hope the combination of “earthly” and higher perspective affords some comfort to those facing transition or “loss”.*

### PART I

#### MELLEN-THOMAS BENEDICT’S EXPERIENCE

By Mellen-Thomas Benedict, Mellen-Thomas.com

In 1982 I died from terminal cancer. The condition I had was inoperable, and any kind of chemotherapy they could give me would just have made me more of a vegetable. I was given six to eight months to live. I had been an information freak in the 1970’s, and I had become increasingly despondent over the nuclear crisis, the ecology crisis, and so forth. So, since I did not have a spiritual basis, I began to believe that nature had made a mistake, and that we were probably a cancerous organism on the planet. I saw no way that we could get out from all the problems we had created for ourselves and the planet. I perceived all humans as cancer, and that is what I got. That is what killed me. Be careful what your world view is. It can feed back on you, especially if it is a negative world view. I had a seriously negative one. That is what led me into my death. I tried all sorts of alternative healing methods, but nothing helped.

So I determined that this was really just between me and God. I had never really faced God before, or even dealt with God. I was not into any kind of spirituality at the time, but I began a journey into learning about spirituality and alternative healing. I set out to do all the reading I could and bone up on the subject, because I did not want to be surprised on the other side. So I started reading on various religions and philosophies. They were all very interesting, and gave hope that there was something on the other side.

On the other hand, as a self-employed stained-glass artist at the time, I had no medical insurance whatsoever. So my life savings went overnight in testing. Then I was facing the medical profession without any kind of insurance. I did not want to have my family dragged down financially, so I determined to handle this myself. There was not constant pain, but there were black-outs. I got so that I would not dare to drive, and eventually I ended up in hospice care. I had my own personal hospice caretaker. I was very blessed by this angel who went through the last part of this with me. I lasted about eighteen months. I did not want to take a lot of drugs, since I wanted to be as conscious as possible. Then I experienced such pain that I had nothing but pain in my consciousness, luckily only for a few days at a time.

I remember waking up one morning at home about 4:30 am, and I just knew that this was it. This

was the day I was going to die. So I called a few friends and said goodbye. I woke up my hospice caretaker and told her. I had a private agreement with her that she would leave my dead body alone for six hours, since I had read that all kinds of interesting things happen when you die. I went back to sleep. The next thing I remember is the beginning of a typical near-death experience. Suddenly I was fully aware and I was standing up, but my body was in the bed. There was this darkness around me. Being out of my body was even more vivid than ordinary experience. It was so vivid that I could see every room in the house, I could see the top of the house, I could see around the house, I could see under the house.

There was this light shining. I turned toward the light. The light was very similar to what many other people have described in their near-death experiences. It was so magnificent. It is tangible; you can feel it. It is alluring; you want to go to it like you would want to go to your ideal mother’s or father’s arms.

As I began to move toward the light, I knew intuitively that if I went to the light, I would be dead.

So as I was moving toward the light I said, “Please wait a minute, just hold on a second here. I want to think about this; I would like to talk to you before I go.”

To my surprise, the entire experience halted at that point. You are indeed in control of your near-death experience. You are not on a roller coaster ride. So my request was honored and I had some conversations with the light. The light kept changing into different figures, like Jesus, Buddha, Krishna, mandalas, archetypal images and signs.

I asked the light, “What is going on here? Please, light, clarify yourself for me. I really want to know the reality of the situation.”

I cannot really say the exact words, because it was sort of telepathy. The light responded. The information transferred to me was that your beliefs shape the kind of feedback you are getting before the light. If you were a Buddhist or Catholic or Fundamentalist, you get a feedback loop of your own stuff. You have a chance to look at it and examine it, but most people do not.

As the light revealed itself to me, I became aware that what I was really seeing was our Higher Self matrix. The only thing I can tell you is that it turned into a matrix, a mandala of human souls, and what I saw was that what we call our Higher Self in each of us is a matrix. It’s also a conduit to the Source; each one of us comes directly, as a direct experience from the Source. We all have a Higher Self, or an oversoul part of our being. It revealed itself to me in its truest energy form. The only way I can really describe it is that the being of the Higher Self is more like a conduit. It did not look like that, but it is a direct connection to the Source that each and every one of us has. We are directly connected to the Source.

So the light was showing me the Higher Self matrix. And it became very clear to me that all the Higher Selves are connected as one being, all humans

Christ-consciousness and God/Allah-awareness; any who stand in the way are OF THE ANTI-CHRIST, whatever the lying lips say.

An unidentified individual addressed his concerns in this regard to Professor Jaime B. Ramirez (and please forgive the spelling errors and typos, this is from a “blog”, which seems to be some sort of “stream of consciousness” thing):

I also hope the good Professor will perform a deeper DUE DILIGENCE about the “reconstruction and fabrication” of the old court records said to be signed by Judge Enrique A. Agana and pray that SAMCO side must donate some REAL copies of the REAL COURT RECORDS that will prove the conspiracy that was a intentional grab of the gold of the SULU SULTANATE and make it appear to be gold coming from some 400 year before King Taguean. When the true is printed in the International media and submitted to the WORLD COURT based on the claim that there be any expectation of an impartial lawsuit to be held in the Philippines considering what has been going on within the court system, then the real court record copy that SAMCO has obtained and which was confirmed several times by original persons that were part of the prior 1970 court debates overseen by deceased Judge Agana, then the International Criminal Court will understand that the gold belongs back to the SULU SULTANATE and never belonged to that Taguean clan or that other Tallano clan claims. When you sit down and compare both different copies and see for yourself what the bad evil persons constructed to hide the truth, then you will see what really has happened.

WE ARE HAPPY TO HAVE THE WHOLE TRUTH COME OUT. THAT IS WHAT WE ARE ALL ABOUT, EXACTLY. IF YOU HAVE SUCH DOCUMENTS, PLEASE SEND THEM TO INFO@TALLANOFDN.COM. It won’t change the legal FACT that such records are not “in play” at the moment but it certainly could change the perception of any kind of “nefarious intention” on OUR part. Further, it might clear up concerns about any “nefarious intentions” on YOUR part at the same time.

Let’s close with this quote from GCH, 8/20/93:

In the bark of your soul reclines the commanding Master; He does but sleep; wake Him. Self-control is strength; Right Thought is Mastery; Calmness is power. Say unto your heart, “Peace, be still!” A man cannot be imprisoned UNLESS YOU FIRST IMPRISON HIS THOUGHTS!

May you not be caught with your thoughts given into the dark places—that you would remain free. Know TRUTH—and no MAN can take your freedom, for freedom is a thing of the mind and, until you know as much—you are trapped.

This is always to remind you that you must know how it “was”, how it “is” or you can jolly well know how it will probably “be”. It is YOUR LIFE—IS IT NOT WORTH IT?

Thank you, God, for your tireless patience.

**Ronald Kirzinger (“of” Hatonn)**

are connected as one being, we are actually the same being, different aspects of the same being. It was not committed to one particular religion. So that is what was being fed back to me. And I saw this mandala of human souls. It was the most beautiful thing I have ever seen. I just went into it and, it was just overwhelming. It was like all the love you've every wanted, and it was the kind of love that cures, heals, regenerates.

As I asked the light to keep explaining, I understood what the Higher Self matrix is. We have a grid around the planet where all the Higher Selves are connected. This is like a great company, a next subtle level of energy around us, the spirit level, you might say.

Then, after a couple of minutes, I asked for more clarification. I really wanted to know what the universe is about, and I was ready to go at that time.

I said, "I am ready, take me."

Then the light turned into the most beautiful thing that I have ever seen: a mandala of human souls on this planet.

Now I came to this with my negative view of what has happened on the planet. So as I asked the light to keep clarifying for me, I saw in this magnificent mandala how beautiful we all are in our essence, our core. We are the most beautiful creations. The human soul, the human matrix that we all make together is absolutely fantastic, elegant, exotic, everything. I just cannot say enough about how it changed my opinion of human beings in that instant.

I said, "Oh, God, I did not know how beautiful we are."

At any level, high or low, in whatever shape you are in, you are the most beautiful creation, you are.

I was astonished to find that there was no evil in any soul.

I said, "How can this be?"

The answer was that no soul was inherently evil. The terrible things that happened to people might make them do evil things, but their souls were not evil. What all people seek, what sustains them, is love, the light told me. What distorts people is a lack of love.

The revelations coming from the light seemed to go on and on, then I asked the light, "Does this mean that humankind will be saved?"

Then, like a trumpet blast with a shower of spiraling lights, the Great Light spoke, saying, "Remember this and never forget; you save, redeem and heal yourself. You always have. You always will. You were created with the power to do so from before the beginning of the world."

In that instant I realized even more. I realized that WE HAVE ALREADY BEEN SAVED, and we saved ourselves because we were designed to self-correct like the rest of God's universe. This is what the second coming is about.

I thanked the light of God with all my heart. The best thing I could come up with was these simple words of totally appreciation:

"Oh dear God, dear Universe, dear Great Self, I love my life."

The light seemed to breathe me in even more deeply. It was as if the light was completely absorbing me. The love light is, to this day, indescribable. I entered into another realm, more profound than the

last, and became aware of something more, much more. It was an enormous stream of light, vast and full, deep in the heart of life. I asked what this was.

The light responded, "This is the RIVER OF LIFE. Drink of this manna water to your heart's content."

So I did. I took one big drink and then another. To drink of life Itself! I was in ecstasy.

Then the light said, "You have a desire."

The light knew all about me, everything past, present and future.

"Yes!" I whispered.

I asked to see the rest of the universe; beyond our solar system, beyond all human illusion. The light then told me that I could go with the Stream. I did, and was carried through the light at the end of the tunnel. I felt and heard a series of very soft sonic booms. What a rush!

Suddenly I seemed to be rocketing away from the planet on this stream of life. I saw the earth fly away. The solar system, in all its splendor, whizzed by and disappeared. At faster than light speed, I flew through the center of the galaxy, absorbing more knowledge as I went. I learned that this galaxy, and all of the universe, is bursting with many different varieties of LIFE. I saw many worlds. The good news is that we are not alone in this universe!

As I rode this stream of consciousness through the center of the galaxy, the stream was expanding in awesome fractal waves of energy. The super clusters of galaxies with all their ancient wisdom flew by. At first I thought I was going somewhere; actually traveling. But then I realized that, as the stream was expanding, my own consciousness was also expanding to take in everything in the universe! All creation passed by me. It was an unimaginable wonder! I truly was a wonder child; a babe in Wonderland!

It seemed as if all the creations in the universe soared by me and vanished in a speck of light. Almost immediately, a second light appeared. It came from all sides, and was so different; a light made up of more than every frequency in the universe.

I felt and heard several velvety sonic booms again. My consciousness, or being, was expanding to interface with the entire holographic universe and more.

As I passed into the second light, the awareness came to me that I had just transcended the truth. Those are the best words I have for it, but I will try to explain. As I passed into the second light, I expanded beyond the first light. I found myself in a profound stillness, beyond all silence. I could see or perceive FOREVER, beyond infinity. I was in the void. I was in pre-creation, before the Big Bang. I had crossed over the beginning of time - the first word - the first vibration. I was in the eye of creation. I felt as if I was touching the face of God. It was not a religious feeling. Simply I was at one with absolute life and consciousness.

When I say that I could see or perceive forever, I mean that I could experience all of creation generating itself. It was without beginning and without end. That's a mind-expanding thought, isn't it? Scientists perceive the Big Bang as a single event which created the universe. I saw that the Big Bang is only one of an infinite number of Big Bangs creating universes endlessly and simultaneously. The only images that

### A CHILD IS BORN: 6,300 LIGHT YEARS AGO

*"Signs in the heavens" have been around as long as our perceptions. We are only now beginning to remember. I hope you enjoy this writing from GCH from 14 years ago, August 20, 1993, in conjunction with the remarkable photograph of the Crab Nebula shown on the facing page. For now, while we need not be concerned with the cost of printing, the image is in glorious color. What do YOU see in the picture? Oh yes, and where do your thoughts dwell?*

### AH SO, "THOUGHTS"

... "As a man thinketh—so he is!" Well, Man's thoughts have digressed into destruction, greed, war, immorality and heinous acts one upon another. You need to understand what happens with "thoughts": THOUGHTS "CREATE"—or destroy—that is ALL THERE IS IN REALITY. Therefore, you become, the nation becomes, and the planet becomes, a MIRROR REFLECTION of THOUGHT!

Nature helps every man to the gratification of the thoughts which will most speedily bring to the surface both the good and evil thoughts.

Let a man cease from his evil and sinful thoughts, and all the world will soften toward him, and be ready to help him; let him put away his weakly and sickly thoughts, and lo! opportunities will spring up on every hand to aid his strong resolves; let him encourage good thoughts, and no hard fate shall bind him down to wretchedness and shame. The world is your kaleidoscope, and the varying combinations of colors and waves, which at every succeeding moment it presents to you, are the exquisitely adjusted pictures of your ever-moving thoughts.

I can only remind you that there is peace in the valley for you who would turn into the path of right travel and look beyond the senses of the physical bindings. Tempest-tossed souls, wherever you may be, under whatsoever conditions you may live, KNOW THIS: in the ocean of life the Isles of Blessedness are smiling and the sunny shore of your ideal awaits your coming. Keep your hand firmly upon the helm of thought. In the bark of your soul reclines the commanding Master; He does but sleep; wake Him. Self-control is strength; Right Thought is Mastery; Calmness is power. Say unto your heart, "Peace, be still!" A man cannot be imprisoned UNLESS YOU FIRST IMPRISON HIS THOUGHTS!

May you not be caught with your thoughts given into the dark places—that you would remain free. Know TRUTH—and no MAN can take your freedom, for freedom is a thing of the mind and, until you know as much—you are trapped.

This is always to remind you that you must know how it "was", how it "is" or you can jolly well know how it will probably "be". It is YOUR LIFE—IS IT NOT WORTH IT? ...

# Mother, Father and Child at the Heart of M-1, the ‘Crab Nebula’

## THE ‘NEST’ OF THE PHOENIX

*The Crab Nebula is the remnant of a supernova, the light from which was first observed as a brilliant star in the year 1054 AD. The figures “imagined” to exist in this photograph are traced out by “filaments”, which ARE God’s thought made manifest. In full view, a row of figures can be “imagined” to exist “down and to the left” of the section shown. Everyone interested in our Cosmic Connection would be well rewarded to spend some time studying our wondrous home in the heavens. (This photo is believed to be derived from a public-domain image released by ESO.)*

even come close in human terms would be those created by supercomputers using fractal geometry equations.

The ancients knew of this. They said Godhead periodically created new universes by breathing out, and de-creating other universes by breathing in. These epochs were called yugas. Modern science called this the Big Bang. I was in absolute, pure consciousness.

(Continued on page 12)

I could see or perceive all the Big Bangs or yugas creating and de-creating themselves. Instantly I entered into them all simultaneously. I saw that each and every little piece of creation has the power to create. It is very difficult to try to explain this. I am still speechless about this.

It took me years after I returned to assimilate any words at all for the void experience. I can tell you this now; the void is less than nothing, yet more than everything that is! The void is absolute zero; chaos forming all possibilities. It is absolute consciousness; much more than even universal intelligence.

Where is the void? I know. The void is inside and outside everything. You, right now even while you live, are always inside and outside the void simultaneously. You don't have to go anywhere or die to get there. The void is the vacuum or nothingness between all physical manifestations. The SPACE between atoms and their components. Modern science has begun to study this space between everything. They call it zero-point. Whenever they try to measure it, their instruments go off the scale, or to infinity, so to speak. They have no way, as of yet, to measure infinity accurately. There is more of the zero space in your own body and the universe than anything else!

What mystics call the void is not a void. It is so full of energy, a different kind of energy that has created everything that we are. Everything since the Big Bang is vibration, from the first word, which is the first vibration.

The Biblical "I am" really has a question mark after it.

"I am? What am I?"

So creation is God exploring God's Self through every way imaginable, in an ongoing, infinite exploration through every one of us. Through every piece of hair on your head, through every leaf on every tree, through every atom, God is exploring God's Self, the great "I am". I began to see that everything that is, is the Self, literally, your Self, my Self. Everything is the great Self. That is why God knows even when a leaf falls. That is possible because wherever you are is the center of the universe. Wherever any atom is, that is the center of the universe. There is God in that, and God in the void.

As I was exploring the void and all the yugas or creations, I was completely out of time and space as we know it. In this expanded state, I discovered that creation is about absolute pure consciousness, or God, coming into the experience of life as we know it. The void itself is devoid of experience. It is pre-life, before the first vibration. Godhead is about more than life and death. Therefore there is even more than life and death to experience in the universe!

I was in the void and I was aware of everything that had ever been created. It was like I was looking

out of God's eyes. I had become God. Suddenly I wasn't me anymore. The only thing I can say, I was looking out of God's eyes. And suddenly I knew why every atom was, and I could see everything.

The interesting point was that I went into the void, I came back with this understanding that God is not there. God is here. That's what it is all about. So this constant search of the human race to go out and find God ... God gave everything to us, everything is here - this is where it's at. And what we are into now is God's exploration of God through us. People are so busy trying to become God that they ought to realize that we are already God and God is becoming us. That's what it is really about.

When I realized this, I was finished with the void, and wanted to return to this creation, or yuga. It just seemed like the natural thing to do.

**All energy this side of the Big Bang is light. Every sub-atom, atom, star, planet, even consciousness itself is made of light and has a frequency and/or particle. Light is living stuff. Everything is made of light, even stones. So everything is alive. Everything is made from the light of God; everything is very intelligent.**

Then I suddenly came back through the second light, or the Big Bang, hearing several more velvet booms. I rode the stream of consciousness back through all of creation, and what a ride it was! The superclusters of galaxies came through me with even more insights. I passed through the center of our galaxy, which is a black hole. Black holes are the great processors or recyclers of the universe. Do you know what is on the other side of a black hole? We are; our galaxy; which has been reprocessed from another universe.

In its total energy configuration, the galaxy looked like a fantastic city of lights. All energy this side of the Big Bang is light. Every sub-atom, atom, star, planet, even consciousness itself is made of light and has a frequency and/or particle. Light is living stuff. Everything is made of light, even stones. So everything is alive. Everything is made from the light of God; everything is very intelligent.

As I rode the stream on and on, I could eventually see a huge light coming. I knew it was the first light; the Higher Self light matrix of our solar system. Then the entire solar system appeared in the light, accompanied by one of those velvet booms.

I saw that the solar system we live in is our larger, local body. This is our local body and we are much bigger than we imagine. I saw that the solar system is our body. I am a part of this, and the earth is this great created being that we are, and we are the part of it that knows that it is. But we are only that part of it. We are not everything, but we are that part of it that knows that it is.

I could see all the energy that this solar system generates, and it is an incredible light show! I could hear the music of the spheres. Our solar system, as do all celestial bodies, generates a unique matrix of light, sound and vibratory energies. Advanced civilizations from other star systems can spot life as we know it in the universe by the vibratory or energy matrix imprint. It is child's play. The earth's wonder child (human

beings) make an abundance of sound right now, like children playing in the backyard of the universe.

I rode the stream directly into the center of the light. I felt embraced by the light as it took me in with its breath again, followed by another soft sonic boom.

I was in this great light of love with the stream of life flowing through me. I have to say again, it is the most loving, non-judgmental light. It is the ideal parent for this wonder child.

"What now?" I wondered.

The light explained to me that there is no death; we are immortal beings. We have already been alive forever! I realized that we are part of a natural living system that recycles itself endlessly. I was never told that I had to come back. I just knew that I would. It was only natural, from what I had seen.

I don't know how long I was with the light, in human time. But there came a moment when I realized that all my questions had been answered and my return was near. When I say that all my questions were answered on the other side, I mean to say just that. All my questions have been answered. Every human has a different life and set of questions to explore. Some of our questions are universal, but each of us is exploring this thing we call life in our own unique way. So is every other form of life, from mountains to every leaf on every tree.

And that is very important to the rest of us in this universe. Because it all contributes to the Big Picture, the fullness of life. We are literally God exploring God's Self in an infinite Dance of Life. Your uniqueness enhances all of life.

As I began my return to the life cycle, it never crossed my mind, nor was I told, that I would return to the same body. It just did not matter. I had complete trust in the light and the life process. As the stream merged with the great light, I asked never to forget the revelations and the feelings of what I had learned on the other side.

There was a "Yes." It felt like a kiss to my soul.

Then I was taken back through the light into the vibratory realm again. The whole process reversed, with even more information being given to me. I came back home, and I was given lessons on the mechanics of reincarnation. I was given answers to all those little questions I had:

"How does this work? How does that work?" I knew that I would be reincarnated.

The earth is a great processor of energy, and individual consciousness evolves out of that into each one of us. I thought of myself as a human for the first time, and I was happy to be that. From what I have seen, I would be happy to be an atom in this universe. An atom. So to be the human part of God ... this is the most fantastic blessing. It is a blessing beyond our wildest estimation of what blessing can be. For each and every one of us to be the human part of this experience is awesome, and magnificent. Each and every one of us, no matter where we are, screwed up or not, is a blessing to the planet, right where we are.

So I went through the reincarnation process expecting to be a baby somewhere. But I was given a lesson on how individual identity and consciousness evolve. So I reincarnated back into this body.

I was so surprised when I opened my eyes. I do not know why, because I understood it, but it was still such

a surprise to be back in this body, back in my room with someone looking over me crying her eyes out. It was my hospice caretaker. She had given up an hour and a half after finding me dead. She was sure I was dead; all the signs of death were there - I was getting stiff. We do not know how long I was dead, but we do know that it was an hour and a half since I was found. She honored my wish to have my newly dead body left alone for a few hours as much as she could. We had an amplified stethoscope and many ways of checking out the vital functions of the body to see what was happening. She can verify that I really was dead.

It was not a near-death experience. I experienced death itself for at least an hour and a half. She found me dead and checked the stethoscope, blood pressure and heart rate monitor for an hour and a half. Then I awakened and saw the light outside. I tried to get up to go to it, but I fell out of the bed. She heard a loud "clunk", ran in and found me on the floor.

When I recovered, I was very surprised and yet very awed about what had happened to me. At first all the memory of the trip that I have now was not there. I kept slipping out of this world and kept asking, "Am I alive?" This world seemed more like a dream than that one.

Within three days, I was feeling normal again, clearer, yet different than I had ever felt in my life. My memory of the journey came back later. I could see nothing wrong with any human being I had ever seen. Before that I was really judgmental. I thought a lot of people were really screwed up, in fact I thought that everybody was screwed up but me. But I got clear on all that.

About three months later a friend said I should get tested, so I went and got the scans and so forth. I really felt good, so I was afraid of getting bad news.

I remember the doctor at the clinic looking at the before and after scans, saying, "Well, there is nothing here now."

I said, "Really, it must be a miracle?"

He said, "No, these things happen, they are called spontaneous remission."

He acted very unimpressed. But here was a miracle, and I was impressed, even if no one else was.

The mystery of life has very little to do with intelligence. The universe is not an intellectual process at all. The intellect is helpful; it is brilliant, but right now that is all we process with, instead of our hearts and the wiser part of ourselves.

The center of the earth is this great transmuter of energy, just as you see in pictures of our earth's magnetic field. That's our cycle, pulling reincarnated souls back in and through it again. A sign that you are reaching human level is that you are beginning to evolve an individual consciousness. The animals have a group soul, and they reincarnate in group souls. A deer is pretty much going to be a deer forever. But just being born a human, whether deformed or genius, shows that you are on the path to developing an individual consciousness. That is in itself part of the group consciousness called humanity.

I saw that races are personality clusters. Nations like France, Germany and China each have their own personality. Cities have personalities, their local group souls that attract certain people. Families have group souls. Individual identity is evolving like branches of a fractal; the group soul explores in our individuality.

The different questions that each of us has are very, very important. This is how Godhead is exploring God's Self -through you. So ask your questions, do your searching. You will find your Self and you will find God in that Self, because it is only the Self.

More than that, I began to see that each one of us humans are soul mates. We are part of the same soul fractaling out in many creative directions, but still the same. Now I look at every human being that I ever see, and I see a soul mate, my soul mate, the one I have always been looking for. Beyond that, the greatest soul mate that you will ever have is yourself. We are each both male and female. We experience this in the womb and we experience this in reincarnation states. If you are looking for that ultimate soul mate outside of yourself, you may never find it; it is not there. Just as God is not "there." God is here. Don't look "out there" for God. Look here for God. Look through your Self. Start having the greatest love affair you ever had... with your Self.

You will love everything out of that.

I had a descent into what you might call hell, and it was very surprising. I did not see Satan or evil. My descent into hell was a descent into each person's customized human misery, ignorance, and darkness of not-knowing. It seemed like a miserable eternity. But each of the millions of souls around me had a little star of light always available. But no one seemed to pay attention to it. They were so consumed with their own grief, trauma and misery. But, after what seemed an eternity, I started calling out to that light, like a child calling to a parent for help. Then the light opened up and formed a tunnel that came right to me and insulated me from all that fear and pain. That is what hell really is.

So what we are doing is learning to hold hands, to come together. The doors of hell are open now. We are going to link up, hold hands, and walk out of hell together.

The light came to me and turned into a huge golden angel. I said, "Are you the angel of death?"

It expressed to me that it was my oversoul, my Higher Self matrix, a super-ancient part of ourselves. Then I was taken to the light.

Soon our science will quantify spirit. Isn't that going to be wonderful? We are coming up with devices now that are sensitive to subtle energy or spirit energy. Physicists use these atomic colliders to smash atoms to see what they are made of. They have got it down to quarks and charm, and all that. Well, one day they are going to come down to the little thing that holds it all together, and they are going to have to call that ... God. With atomic colliders they are not only seeing what is in here, but they are creating particles. Thank God most of them are short-lived milliseconds and nanoseconds. We are just beginning to understand that we are creating too, as we go along.

As I saw forever, I came to a realm in which there is a point where we pass all knowledge and begin creating the next fractal, the next level. We have that power to create as we explore. And that is God expanding itself through us.

Since my return I have experienced the light spontaneously, and I have learned how to get to that space almost any time in my meditation. Each one of you can do this. You do not have to die to do this. It is within your equipment; you are wired for it already.

The body is the most magnificent light being there is. The body is a universe of incredible light. Spirit is not pushing us to dissolve this body. That is not what is happening. Stop trying to become God; God is becoming you. Here.

The mind is like a child running around the universe, demanding this and thinking it created the world. But I ask the mind:

"What did your mother have to do with this?"

That is the next level of spiritual awareness. Oh! My mother! All of a sudden you give up the ego, because you are not the only soul in the universe.

One of my questions to the light was, "What is heaven?"

I was given a tour of all the heavens that have been created: the Nirvanas, the Happy Hunting Grounds, all of them. I went through them. These are thought form creations that we have created. We don't really go to heaven; we are reprocessed. But whatever we created, we leave a part of ourselves there. It is real, but it is not all of the soul.

I saw the Christian heaven. We expect it to be a beautiful place, and you stand in front of the throne, worshipping forever. I tried it. It is boring! This is all we are going to do? It is childlike. I do not mean to offend anyone. Some heavens are very interesting, and some are very boring. I found the ancient ones to be more interesting, like the Native American ones, the Happy Hunting Grounds. The Egyptians have fantastic ones. It goes on and on. There are so many of them. In each of them there is a fractal that is your particular interpretation, unless you are part of the group soul that believes in only the God of a particular religion. Then you are very close, in the same ball park together. But even then, each is a little bit different. That is a part of yourself that you leave there. Death is about life, not about heaven.

I asked God, "What is the best religion on the planet? Which one is right?"

And Godhead said, with great love, "I don't care."

That was incredible grace. What that meant was that we are the caring beings here.

The Ultimate Godhead of all the stars tells us, "It does not matter what religion you are."

They come and they go, they change. Buddhism has not been here forever, Catholicism has not been here forever, and they are all about to become more enlightened. More light is coming into all systems now. There is going to be a reformation in spirituality that is going to be just as dramatic as the Protestant Reformation. There will be lots of people fighting about it, one religion against the next, believing that only they are right.

Everyone thinks they own God, the religions and philosophies, especially the religions, because they form big organizations around their philosophy. When Godhead said, "I don't care," I immediately understood that it is for us to care about. It is important, because we are the caring beings. It matters to us and that is where it is important. What you have is the energy equation in spirituality. Ultimate Godhead does not care if you are Protestant, Buddhist, or whatever. It is all a blooming facet of the whole. I wish that all religions would realize it and let each other be. It is not the end of each religion, but we are talking about the same God. Live and let live. Each has a different view. And it all adds up to the Big Picture; it is all important.

I went over to the other side with a lot of fears about toxic waste, nuclear missiles, the population explosion, the rainforest. I came back loving every single problem. I love nuclear waste. I love the mushroom cloud; this is the holiest mandala that we have manifested to date, as an archetype. It, more than any religion or philosophy on earth, brought us together all of a sudden, to a new level of consciousness. Knowing that maybe we can blow up the planet fifty times, or 500 times, we finally realize that maybe we are all here together now. For a period they had to keep setting off more bombs to get it in to us. Then we started saying, "We do not need this any more."

Now we are actually in a safer world than we have ever been in, and it is going to get safer. So I came back loving toxic waste, because it brought us together. These things are so big. As Peter Russell might say, these problems are now "soul size." Do we have soul size answers?

YES!

The clearing of the rain forest will slow down, and in fifty years there will be more trees on the planet than in a long time. If you are into ecology, go for it; you are that part of the system that is becoming aware. Go for it with all your might, but do not be depressed. It is part of a larger thing.

Earth is in the process of domesticating itself. It is never again going to be as wild a place as it once was. There will be great wild places, reserves where nature thrives. Gardening and reserves will be the thing in the future. Population increase is getting very close to the optimal range of energy to cause a shift in consciousness. That shift in consciousness will change politics, money, energy.

What happens when we dream? We are multi-dimensional beings. We can access that through lucid dreaming. In fact, this universe is God's dream. One of the things that I saw is that we humans are a speck on a planet that is a speck in a galaxy that is a speck. Those are giant systems out there, and we are in sort of an average system. But human beings are already legendary throughout the cosmos of consciousness. The little bitty human being of Earth/Gaia is legendary. One of the things that we are legendary for is dreaming. We are legendary dreamers. In fact, the whole cosmos has been looking for the meaning of life, the meaning of it all. And it was the little dreamer who came up with the best answer ever. We dreamed it up. So dreams are important.

After dying and coming back, I really respect life and death. In our DNA experiments we may have opened the door to a great secret. Soon we will be able to live as long as we want to live in this body. After living 150 years or so, there will be an intuitive soul sense that you will want to change channels. Living forever in one body is not as creative as reincarnation, as transferring energy in this fantastic vortex of energy that we are in. We are actually going to see the wisdom of life and death, and enjoy it.

As it is now, we have already been alive forever. This body that you are in, has been alive forever. It comes from an unending stream of life, going back to the Big Bang and beyond. This body gives life to the next life, in dense and subtle energy. This body has been alive forever already.

"We are going to link up, hold hands, and walk out of hell together."

## PART II

### WHAT HAPPENS WHEN YOU DIE? FROM A HIGHER PERSPECTIVE

*The following excerpt, which last appeared in the "Doris Memorial Issue" of April 5, 2006, provides us with an authoritative higher perspective for understanding the death experience as merely part of the experience of ongoing, eternal LIFE.*

*All that separates us from those who have "passed over to the other side" is a matter of FREQUENCY or rate of vibration. Frequency can SOAR when the sensory vibrations of day-to-day "life" are stilled, for example by quiet meditation. In that regard, I will take yet another opportunity to promote the "clearing tapes" available for free download on the website: PhoenixSourceDistributors.com (or at the reserved site, ContactNewspaper.com, if the primary website ends up being usurped by the Ekker-Jonur cult).*

### REC #1 GCH

...

### DYING

Oh my, we would need to recognize some signs, I suppose, so that you can relate to your own possible experiences.

The FACT of actually making that "death transition into life" is recognition that any pain to be suffered comes first for there is NO PAIN IN THE ACTUAL TRANSLATION.

It is most reported, however, that in a physical trauma circumstance, rather than from some "astral adventure", there is an instinctive fight to "live". We can discuss these various things as we move along but the facts are that even in attempts at suicide there is an instinctive drive to live, even as the translation is being made, for the soul strives to face the chosen experience of physical life and almost always finds the actual taking of one's own life is not really very acceptable—TO SELF.

These are automatic realizations because to the conscious mind it is inconceivable that any other reality could possibly exist besides the earth-world of matter bounded by time and space. You are used to the world of matter. You have been trained since birth to live and thrive in it. You know yourselves to be yourselves by the external stimuli you receive (those senses of human). Life tells you who you are and you accept its telling. That, too, is automatic and to be expected.

At passage the body goes totally limp.

Your heart stops.

No more air flows in or out.

You lose sight, feeling, and movement—although the ability to hear goes last. Identity ceases. The "you" that you once were becomes only a memory.

There is NO PAIN at the MOMENT OF DEATH. I repeat this one because what is feared most is the suffering prior to the death passage and the fear of that which is unknown. Well, "unknown" is not a good description because you DO, INDEED, KNOW.

There is only peaceful silence, a calm, a quiet—a release.

It is, frankly, easy not to breathe. In fact, it is easier, more comfortable and infinitely more natural NOT to breathe than to breathe.

The greatest surprise for most people in dying is to realize that dying does NOT END LIFE. Whether darkness or light comes next, or some kind of event, be it positive, negative or somewhere in between, expected or unexpected, the biggest surprise of all is to realize you are still YOU. You can still think, you can still remember and you can still see, hear, move, reason, wonder, feel, question and tell jokes—if you wish.

You are still alive, VERY MUCH ALIVE. Actually, you're more alive AFTER DEATH than at any time since you were last born. Only the way of all this is different; different because you no longer wear a dense body to filter and amplify the various sensations you had once regarded as the only valid indicators of what constitutes "life". You had always been taught one has to wear a body to live.

If you expect to die when you "die", you will be disappointed. The only thing dying does is help you release, slough off and discard the "jacket" you once wore (more commonly referred to as a physical body).

That is all there is to it. Nothing else is lost.

You are not your body. It is just something you wear for a while, because living in the earthplane is infinitely more meaningful and more involved if you are encased in its trappings and subject to its rules.

### SO, WHAT THEN, IS "DEATH"?

Well, hold on to your hats, kids, for it is not less, it is MORE. There is a great step-up of energy at the moment of passage into that next life. There is an increase in speed as if you are suddenly vibrating faster than before—and that's because you are for you are in "free-form" soul expression, expressing.

Let us present it as others have described it so that it is easily understood: Using radio waves as an analogy, this "speed-up" is comparable to having lived all your life at a certain radio frequency when all of a sudden someone or something comes along and flips the dial. That flip shifts you to another, higher wavelength. The original frequency where you once existed is still there. It did not change. Everything is still just the same as it was, only YOU changed, only YOU speeded up to allow entry into the next radio frequency on the dial. AND NO, IT IS NOT INTO WHAT YOU MIGHT CALL THE FOURTH DIMENSION FOR YOU ONLY EXPERIENCE THE MENTAL REALIZATION THAT YOU "WERE" ALREADY IN THE "ALL DIMENSIONS" ALL THE "TIME" AND THAT IS REPRESENTED IN THE MOMENT OF "NOW". FURTHER, YOU LOOK UPON THE LIVING PHYSICAL INDIVIDUALS ACCORDING TO "THEIR" LIMITATIONS AS TO TIME AND SPACE, AS YOU HAVE NONE. OPTIONS REGARDING THESE THINGS ARE THE CHOICES MADE AT THAT LEVEL OF UNDERSTANDING.

As is true with all radios and radio stations, there can be "stepons" and "bleedovers" or distortions of transmission signals due to interference patterns. These can allow or force frequencies to coexist or

commingle for indefinite periods of time. Normally, most shifts up the dial are fast and efficient; but, occasionally, one can run into interference, perhaps from a strong emotion, a sense of duty or a need to fulfill a vow or keep a promise. This interference could allow coexistence of frequencies for a few seconds, days or even years where this can exhibit as hauntings or is represented by a state of comatose state of the “body” where the brain is functioning but the mind is “away somewhere”! However, sooner or later, eventually every given vibrational frequency will seek out or be nudged to WHERE IT BELONGS.

You fit YOUR particular spot on that dial by your speed of vibration existing. You can’t “just exist” or coexist forever where YOU DO NOT BELONG. THIS IS WHY IT SO IMPORTANT TO LEARN NOW ABOUT THOSE THINGS.

Who can say how many spots there are on the dial or how many frequencies there are to inhabit? No one knows, so it behooves you to aim for the highest you can get.

You shift frequencies in “dying”. You switch over to life on another wavelength. You are still a spot on the dial but you move up (or down) a notch or two with each transition and insight growth.

You DO NOT DIE when you “die”. You simply shift your CONSCIOUSNESS and speed of vibration frequency. So, sorry if this disappoints you: THAT’S ALL DEATH IS—A SHIFT!

#### OK, SO WHAT’S “EXISTENCE”?

In responding to this question let us start with “time” and “space”.

Time and space, as you recognize and know them, EXIST ONLY ON THE EARTHPLANE of physical manifestation. When you leave the earthplane, you leave such constraints and limitations.

There are realms and dimensions of existence without number, ranging from the slower, more dense vibrations of form to higher, finer streamers of nonenergetic currents. And there is more beyond that, realities that cannot be measured or described in the convenience of mathematics or mind-play.

“HELL” refers to levels of “negative thought-forms” that reside in close proximity to the earthplane. It is where you go to work out, or remain within, your hang-ups, addictions, fears, guilts, angers, rage, regrets, self-pity, arrogance or whatever else blocks you from the power of your own LIGHT. You stay in hell (and there are many divisions to this vibratory level) for however long best serves your development. There is no condemnation here, only the outworking of your misjudgments, mistakes, misalignments or misappropriations (what some people call “sin”). In “hell”, you have the opportunity to either revel in your folly or come to grips with the reality of consequences—that every action has a reaction, what is inflicted on another can be returned in kind. You experience the “flip-side” of your despair or your demands, “living through” the extremes of whatever you dread (fear). This is not a “punishment for your sins” but a confrontation with any distortion of your sense of values and priorities. You do not leave until you have changed your attitudes and perceptions.

“HEAVEN” is a term used to describe levels of positive thought-forms that reside in close proximity to

the earthplane. These are just “terms” but they serve well enough for understanding for they have become pretty well accepted in general recognition. It is where you go to recognize or enjoy your worth, talents, abilities, joys, courage, generosity, caring, empathy, givingness, virtue, cheer, diligence, thoughtfulness, patience, loving kindness or whatever else reveals the power of your own LIGHT. You stay in “heaven” (and there are many divisions to that level) for however long best serves your development. There is a sense of benefit here, as if one has found one’s true home and all is well. Some people regard this a “time-out”, “recess” or a “time of rewards”. In heaven, you have the opportunity to assess your progress as a soul, to evaluate pros and cons and outcomes, to remember all truths including that of your REAL identity. You experience the glory of love and the power of forgiveness. This is not an end point, but, rather, the realization of your purpose in creation’s story, how you fit, and what possibilities for future growth and learning exist. You do not leave until you are ready for your next advancement either in the world of form or beyond it.

No one “knows” how vast creation is—only that it has always been and will always be. Shapes and embodiments change and alter, substance is recycled, but existence EXISTS, as does energy.

Existence is life, never ending and ongoing, forever and ever eternal. Yet its only true movement (without the distortion of time and space), is expansion and contraction, as if the existence that exists were capable of breathing—which it is. What appears as a progression, a “time-line” of starts and stops and ever-changing variations, is but an overleaf, an illusion, that helps you to focus on whatever spot on the dial you currently inhabit so that you can accomplish what you set out to do, or at least have the opportunity to so do, and not be distracted by THE TRUTH as undergirds reality.

Another example which is effective in giving insight is to consider television in analogy. The picture you enjoy seeing, the progression of a storyline with characters acting out a script, is but a trick of perception. What exists, what is really there, is quite literally ONE ELECTRON AT A TIME (with black and white, and three at a time with color) fired from the back of the television TUBE to the screen to be illuminated once it hits the screen as a tiny dot. The continuous barrage of electrons-turned-into-dots creates the appearance of images, as scanning lines (rasher bars) roll from top to bottom separating information coming in (new dots) from information fading out (old dots). You adjust the vertical hold on your set, not to remove strange bars appearing in the picture, but to place all screen activity within the range of your own perceptual preference. A television picture tube is nothing more than a “gun” that fires electrons at a screen. Your mind connects the electrons/dots into the picture images you think you see, while it totally ignores the true reality of what actually undergirds the operation. The way television operates, at the least in your daily experience of it, is an illusion.

Existence is a lot like television. What exists, what really exists, can’t be fathomed by how it appears to operate or what it seems to be. Facts are, you do not need to fully understand the workings—but

only to turn on the on-switch and check out a channel or run up and down the dial, channel-hopping as most “men” are oft apt to do. So, yes, if you wish you can reduce a baseball or football game on TV to a bunch of electrons and nothing more.

When your TV picture becomes “scrambled” you call it “broken”—well when YOU ARE SCRAMBLED CAN’T YOU EXPECT AS MUCH?

I know that sometimes you literally lie awake at night wondering “Why me?” Then a voice responds, usually, “Oh, nothing personal—you have to do it sometime, why not you and why not now?”

Now would be a good time, I suppose, to discuss “LIGHT” and “ENLIGHTENMENT” but I think I will save that for another sitting. And as you move along in understanding you will find answers to things like: “We understand why children are afraid of darkness, but why are men afraid of light?” Plato noted this a trillion years ago.

Inclusive in the response to this inquiry, however, is why I remind you of the dangers of any kind of drug-induced experience of that transition processing. With drugs or other mind-altering substances, you make that journey, alright, but it is NOT where you intended to go, no matter how good it may seem. These “substances” are a PHYSICALLY CAUSED hallucination process which are caused basically by a “downer” and the journey may seem good at the experience, but the sensing brain-body-mind have consciousness with which to contend as the substance removes itself from your system and ALL IS TOTALLY DISTORTED IN THE “ABSENT” STATE OF MENTAL GYRATIONS. TO FULLY APPRECIATE YOUR EXPERIENCE YOU NEED TO MEET GOD CLEAR AND TOTALLY SOBER. You will also come to KNOW how and why YOU ARE CO-CREATOR for once within the presence of GOD, you know all things are possible and you have but to choose that which is most worthy of expressing.

If you look for that “partner” called God with all your heart and all your soul—YE SHALL FIND HIM. And, furthermore, you will find that nothing so far experienced can equal the very GLORY IN THE PRESENCE OF GOD OUR CREATOR. HE “thought” you uniquely and worthy of his highest honor, creation, are you to offer less in return unto HIM?

And by the way: GOD DOES NOT WANT YOU TO HAVE LESSER THAN THAT WHICH IS “BEST” SO DON’T BE LESSER TO PLEASE YOUR ENEMY.

I ask to end this now even though it is not too long as we usually go, but I want you to really dig into these topics on this matter because it is the most important KNOWING you can come by. THIS IS THE WAY IT “IS” AND ALL THE WISHING YOU MIGHT CHOOSE WILL NOT CHANGE THESE UNIVERSAL FACTS. YOU CAN CHANGE YOUR SCRIPTS BUT YOU CANNOT CHANGE THAT WHICH IS THE VERY BASIS OF UNIVERSAL CREATION OF INFINITE “LIFE”.

In love and an offer to SHARE THE LIGHT,  
I AM ATON (I am not the beginning or the end or both for there is NO BEGINNING AND NO END!  
I come that we might walk together in understanding,  
Light and Truth. Salu and Selah.

# Your Support Is Both Needed & Appreciated

It is “crunch time” again and I must once more ask for financial contributions to sustain this work. With the current state of affairs we have NO subscribers and NO revenue base at all from which to work, only expenses which mount as we oppose, legally, to the extent we can, the great errors thrust upon us.

If “all” you can afford is an extra prayer for all your relations, that is “all” that is needed from you!

Seven years ago, GCH wrote: “...[G]oodness usually costs everything of considered value in the material world—to accomplish abundance and achievement of the very things you thought you lost. When you change your focus—you change the world.”

We are “there”. All that remains is for you to choose the role you will play in the outworking of the Divine Plan. For my part, I will continue to contribute 100% of my life energies to “The Mission” as put forth by Commander Gyeorgos Ceres Hatonn through his scribe, “Dharma”.

Sincerely,

Ronald W. Kirzinger  
President and Director

## Please note:

Temporarily, at least, all inquiries should be routed through THE GOODLY COMPANY in Las Vegas, Nevada at the telephone number provided above. We apologize for any inconvenience but fully expect to re-establish a correct working relationship through our order center in Tehachapi, California in short order.

For some 7 years over 100 Phoenix Journals were withheld from the public domain never having been published. We acknowledge Dr. Overholt for his efforts in collating the writings of Commander Hatonn into Journal format and are pleased to now be able to offer these Journals “as-is” until such time as others can apply the finishing touches (titles, indexing, etc.)
