IMMUNIZATIONS AND VACCINATIONS

This portion is for Dalene specifically. It is, however, good fodder upon which all might chew--especially those with wee children in the midst.

There are horrendous problems and brain damage which can be put upon children from childhood vaccinations of the DPT and Smallpox vaccinations, as well as measles vaccine. I would ordinarily tell you parents to abstain from the vaccinations because of the lack of outbreaks. This can no longer be a valid approach because the outbreaks are being orchestrated just as is the measles outbreak at this current date. Further, even your board of health operatives are stating that the measles are caused by a much "stronger" virus.

This will henceforth be true of all flu, childhood diseases, etc. Pay close attention to the infection areas and read all data with the information in the Journals dealing with the subject of infectious diseases.

Dalene, it is better to allow the immunization follow-on since little Andy has already had the first of the series. Use this stipulation, however: **MAKE SURE THE**

"SHOT" IS NOT FROM A NEW BATCH BUT RATHER FROM A BATCH ALREADY UTILIZED ON CHILDREN PRIOR TO THE BABY--THIS CUTS YOUR RISK OF A BAD BATCH OF SERUM. IF ALL AVAILABLE IS FROM A NEW ORDER OR BATCH--WAIT A COUPLE OF WEEKS.

"They" are going to step up their deliberate infecting schedules and even though the infecting virus will be stronger in strain, the disease will not be apt to be as severe as with no immunization at all. It is a balanced risk but we must give the child the added resistance.

MALATHION SPRAYING

It is now proven by the malathion spraying in Los Angeles that you cannot get any type of experimental indiscretions shut down.

What they are doing with malathion is reprehensible. You will, if nothing else, have a totally unbalanced growing year with a resistant strain of insect and all the good insects have now been destroyed as well. You will have an upsurge of "pest" populations and toxic insects. The ones in charge of the spraying don't actually know what to do about the fruit insects because they are not telling the facts. The facts are that the infestations are intentionally set-

up and orchestrated to wipe out the citrus crop. For every spraying, new flies are released. When it works in California it will be spread to the other fruit growing areas. The situation will worsen because the migrant farm workers are also a target of the Conspiracy. As they move along with the spraying and other tactics, there will gradually be introduced viruses which will run rampant through the indigent community.

TODAY: PAY ATTENTION TO THE NEWS

Some of the things I will write in this Express will be fully explained in the forthcoming Journal. If for any reason Dharma should get shut-down I will give you backup resources to confirm that which I give you. It is, however, imperative that you be awakened to the situation and then you can come into comfort with the truth of it at your own timing. You ones claim to want news that no other news letter has--well, here goes and let us see if you are mature enough to handle it.

The most important one item in yesterday's and today's news is the rift in the government of Israel--you can judge of its importance by its ranking in the news-press. Some papers will place it on the front page--but few. Most will do what the Californian has done--in the inner "fold" of page 6, where it

will go unnoticed by the largest number of readers---outstripped by the Russian news and some relaxing of trade imbargos in Nicaragua.

The second most important item is almost equally important because of the inter-relationship of the two. That one being the, "Soviets OK Presidency Measure".

No. 1: "Prime Minister Yitzhak Shamir on Tuesday dissolved a political alliance with the center-left Labor Party in a crisis brought to a head by President Bush's comments on the status of Jerusalem.

"Shamir fired Vice Premier Shimon Peres, the Labor leader, and the 10 other Labor ministers submitted their resignations after an impasse was reached on whether to accept U.S. proposals for talks in Cairo with a Palestinian delegation."

There is more to the article but this is all that is important to this subject at this moment. This rift revolves around "peace" talks. The Israeli "Zionist" are out to have war--NOT PEACE. They have done every heinous thing to the Palestinians in order to start a full blown war and they have been armed with U.S. nuclear war weapons for many years now. The Zionists also control over 60% of your U.S. Congress.

The actual play for power is between the Bolshevic/Zionists and the Banker's Cartel (Rockefeller, etc.). **YOU WILL HAVE A NUCLEAR WAR AND IF SOMETHING DOESN'T HAPPEN AS IT DID IN 1982---IT WILL BE SOON INDEED.**

For you who might not be informed: There was a nuclear first strike planned for over a year to be staged on Sept. 17, 1982---**BY THE UNITED STATES OF AMERICA AGAINST RUSSIA!**

There has been another planned since that time but you can get full documentation of the 1982 incident and you will need that confirmation for the rest gets too far out for you sleepy little folk to handle. Believe me, dear friends, "they" want to cut the population of America by millions and they can do it if you don't get a shelter system and it may already be too late.

No. 2: The Russians have just done IT! They are moving as fast as they can to get a government structured in that a "president" can shove off war by his singular opinion. Mr. Gorbachev can now order a full-blown first strike against America.

Why would he do that? Because the Global Banker's Cartel is getting ready to rip the economic rug out from under your world and about the only thing that would save the situation would be a major world war of massive size. It is to the point of very little time left to manage the money and economy stability. Which comes first? The chicken or the egg?

Both sides now have all they need in space to pull it all off in massive order. The "funny money" gets to be a side issue because the Japanese won't roll over and play dead for they have gained too much strength. Germany is occupied with all they can handle in the "united Germany" and all of Europe is reeling under poverty and bankruptcy. **AND, YOUR TRADE DEFICIT IS STILL WELL OVER 100 BILLION DOLLARS AND EXPECTED TO GROW.**

I can guarantee that more people will read the first page story in the local paper that headlines: "AGE 25 TO 34 PRIME TIME FOR GAINING WEIGHT", than will even take note of all the above. You are facing as big an emergency as America has ever faced,

my friends, and you have no way to come out very well under present circumstances.

The Soviets are totally aggravated with you nice people and they now know their only prayer of survival is a first strike. Further, they have completely surrounded your country and South America with submarines with missiles and have literally hundreds in placement around your periphery. They also have a better beam weapon system than do you and it is in place and operable from any distance. These are the reasons for all your "secret" missile and shuttle launches.

YOU SIMPLY HAVE THE DEVIL AGAINST SATAN--- BUT THESE DRAGONS DEVOUR EVERYTHING IN THE WAY AS THEY GO INTO BATTLE.

CALL FROM YUCCA VALLEY RE: WAR, ETC.

There was a call received by Oberli on Sunday evening from a most distressed person in Yucca Valley. He had just received word from a considered reliable resource, that the word was coming forth that there would probably be war--Soviet first strike by the end of April. I do not approve of specific dates given in such matters and it was, in fact, put more correctly: "Within a couple of months the probability of war is viable; get prepared with the best available shelter, get water in goodly supply, food into the emergency and survival larders and get your money into gold."

I choose to not respond for you have been given constant updates on the situation and frankly, we are not allowed to do more. The signs are all about you--in confrontation of the spiritual guides, such as the Gatehouse, we have informed you on very Earthy matters---it is time for you to take re-

sponsibility for your actions. You have all the information to recognize probabilities---what will you do? I cannot dig your shelters nor pound your representatives upon their heads. The ones in this place have no resources to even care for themselves. I suggest if you can get some money resources into the "Institute" you can get the word out faster and if you can get the preliminary Journals scattered sufficiently, then the next three will be shocking indeed--but accepted as the truth they are.

These ones in this place will continue to do that which they can for just as long as they can. Make sure you are "down-wind" (prevailing winds) from any really suspected target and be prepared to get into a wash area or some protective barrier--boulders, hills, etc.

Will it happen? Possibly not if the money cartel has its way--the powers are so strong on either side that it may reach matchpoint--I do not speculate on this incident. **YOU WILL HAVE WAR AND YOU ALL KNOW THAT YOU WILL--EVEN IF IT IS ONLY IN YOUR OWN CENTRAL AND SOUTH AMERICA. IT MUST BE BECOMING OBVIOUS WHY BUSH HAS TO BUY OFF THE CENTRAL AMERICAN COUNTRIES---THAT IS YOUR ONLY SOUTHERN BARRIER.**

SIMPLY TAKE YOU UP

Oh, how I would love to simply gather you dear ones up and make your world all better and filled with peace and joy--it is not to be, however, for the sequence of turmoil and chaos is unwinding exactly as predicted.

Now, I shall tell you dreadful news. You are aware that there have been great holes drilled along your fault lines throughout your nation--"to study earthquakes". They also serve as con-

duits for nuclear explosions which will trigger the quakes themselves. There is only one major way out for your conspirators within your government/military---natural disasters to render a nation helpless. Already your weather is prearranged by the beam systems--mostly to gain control of your growing fields and monetary resources. If you feel like sitting ducks on open water between two factions with assault weapons aimed at you---that is exactly where you sit!

There have been dams deliberately destroyed by your Conspirators and worse, there are "bombs" at the base of every major dam in your world ready to detonate when the time is proper and if the quakes don't do their allotted work.

Your children are killing each other over sneakers and warm-up jackets in the cities--do you think this is less heinous?

Well, Hatonn doesn't like to be the bearer of bad news any better than you like to receive it. It is easier to find a teacher who will soothe your feathers and sing you night-time songs to allow you to sleep--it will not save your lives, however, and ultimately neither will it save of your souls for you are lied to about "the judgment".

You have one--do you hear me?--ONE true hope. Unity! Unity and Community action will get you through--a gathering together of purpose to the one goal and not frittered fragmented "pork-barrel" issues. The unification must come through civil action and not "reaction" and illegal disorder--unity into purpose in the truth of God. You cure AIDS not to "save the Gays" but to save the human race. There is naught wrong with homosexuals as long as they do not practice activities against the laws of God and The Creation--unfortunately physical interrela-

tions are "behaviors" not willing to be put aside. This same rule is for heterosexuals---man, woman, child or beast.

You ones must find your focus again, in the laws of God, for the Evil Prince has destroyed your ability to reason in properness. Six billion bodies plus beasts upon a planet designed for 500 million is too much and the Satanic Orders will get rid of you ones unless you unite in purpose within the power of God. This you can know, for ultimately you also know that the Lighted Christos shall prevail for it is so written in the books of life. This planet will be healed and Sananda (the Healing-Life) is returned for that very purpose---so be it.

You can throw out this information and stomp it into the ground. You can vote Hatonn out of existence and Dharma into an institution--it will change not a hair of it. You can go unto ones who will tell you everything you want to hear--but you will recognize the lie of it. Herein you shall always have the truth to the best of our probability calculations, and the hope and support to see it through--you will never be told "that which you only 'wish' to hear".

Your major powers are lining up their defenses and placing their final plans---the time clock is ticking madly away while you tarry at making up thine minds--well, Satan won't wait for you---the hope?---GOD WILL! God will always be there for you even unto the midnight hour.

I herein present some serious thought material unto you. There is currently an Episcopal Priest making the rounds of every talk show and getting a write-up in all the MAJOR news papers. I shall just relate the story and leave it in your hands.

His name is Robert Williams and he lives with his lover, James Kelly. He is gay (which is alright--but he practices all the gay relationships). His thrust in counseling is that monogamous relationships are unnatural and there is no such thing as adultery or fornication---all things between consenting adults is suitable and children should be taught as much in their very early years. He also quotes another gay priest with whom he bases more of his counselling that celibacy past the age of 10 or 12 is physically harmful. He also stated that Mother Theresa would be far better off and healthy if she simply gave up celibacy and that condoms solve the AIDS problem and allows good and healthy sexual activity in safety. Abortion is a subject totally up to the woman involved and marriage or agreements should be only between consenting parties and subject to change upon changing attitudes of commitment. SO BE IT, YOU ONES HAVE GREAT TROUBLES IN YOUR WORLD! THIS MAN IS SUING THE CHURCH INVOLVED BECAUSE THEY DENOUNCE HIS PREACHING---FROM THE ORTHODOX CHURCH PULPIT! COULD THIS BE THE DEMON WITHIN? I FEAR, BELOVED ONES, IT IS ONLY MORE SUBTLE FROM 99.99% OF YOUR "CHURCH" PULPITS---IT IS CALLED "MODERN RELIGION FOR MODERN TIMES"---I JEST NOT!

I remind you of something most important: LOVE IS A SPIRITUAL STATE OF BEING---IT REQUIRES NO PHYSICAL EXPRESSION WHAT-SO-EVER: PONDER IT! PHYSICAL EXPRESSION IN ANY FORM OF INTERCOURSE IS A FLESHLY RESPONSE--NEITHER GOOD NOR BAD. IT IS AS WITH "LUST"--IT DEPENDS UPON WHAT YOU DO IN PHYSICAL ACTION THAT DETERMINES TRUTH! YOU

HAVE BEEN GIVEN GUIDELINES AND IF YE CHOOSE TO BREAK OF THOSE LAWS, SO BE IT, IT IS NO BUSINESS OF MINE BUT YOU ONES CONTINUE TO ASK GOD TO SAVE YOU, HELP YOU, MAKE YOU THIS, THAT OR THE OTHER AND THEN YOU FUNCTION IN THE WAYS OF SATAN AND CONDEMN GOD FOR YOUR MESS. THAT, TOO, IS YOUR BUSINESS--- BUT I SUGGEST THAT IT PROBABLY ISN'T THE WISEST MODE OF BEHAVIOR. DO THAT WHICH YOU WILL--BUT KNOW THAT IT IS YOUR CHOICE. GOD WILL ALLOW YOU TO BLUNDER AND FLOP IN THE WIND JUST AS LONG AS THAT IS YOUR CHOICE OF BEHAVIOR---FOR HE WILL NOT INTERFERE WITH YOUR FREE-WILL OF ACTION AND DECISION. IF YOU ACT IN IGNORANCE IT IS OVERLOOKED BUT ONCE YOU KNOW TRUTH--AND YOU DELIBERATELY TAKE THE ROUTE OF EVIL--YOU HAVE MADE YOUR CHOICE! THINK CAREFULLY ON THESE THINGS FOR LIFE IS ABOUT TO PULL DOWN SOME HEINOUS THINGS UPON YOU WHILE YOU MAKE YOUR PICNIC PLANS AND HOORAY OVER THE RAIDERS GOING BACK TO OAKLAND! THE RAIDERS ARE AT YOUR VERY OWN DOOR--AND THEY DON'T PLAY FOOTBALL.

Let us close this and keep it to the smaller mailing. I wrap you ones in my love and The Master stands to take thine hand. At this time, we are allowed to do not more. THE WORD MUST GO FORTH THAT YOU CAN TAKE ACTION. GOD HAVE MERCY FOR THE PICTURE IS INDEED UGLY IN THIS PASSAGE. BUT HE WILL LIFT YOU UP AND SHOW

YOU THE WAY. SALU,
HATONN
