PSYCHIC GURU

For those of you who would insist on treating us as psychic gurus, waiting for us to prove ourselves right or wrong, I have a suggestion. IF you have made yourselves available of the Journals and studied them--you will ALL know EXACTLY that which is taking place in the Middle East. We bring the information forth for your use--not just to read as a novel and put to the side--they contain instructions and information which will allow YOU to reach valid conclusions. Much is background to give credence to the current happenings but you have already received adequately to make valid conclusions almost to the very date of expected occurrences.

The facts, as we will first point out, were published all the way back in SPACE-GATE, THE VEIL REMOVED. We shall simply quote a few passages and then we will have a footing upon which to base the remainder of the discussion of current events.

Pages 76 - 80:

We will now talk about something referred to on your planet as "System 2000", which is a Global Creditors Unilateral plan. This plan went into effect somewhere about the

early 1970's. At that time, a pentagon official and several other officials visited Nigeria. They went to the Prime Minister and they paid him fifty million dollars (\$50 million) to raise the price of his oil to more than double. Nigerian oil is "light crude", of quality such as it is almost pure enough to burn immediately, without distillation, in automobiles. This type of oil sets the price of oil for the entire world. The \$50 million was cash across the board with no repayment requirements, if Nigeria would double the price of light crude.

We will refer to this as light oil. There are only two locations in the world that have this light oil and, of course, it is the most valuable oil in your world, therefore, it is the standard against which all other oil in the world is measured. So, whoever controlled the price of the light oil at that time, controlled the price of all of the oil in the world.

At this point, let us bring the Arabs into this scenario. This will also bring in the Trilateral Commission--that also includes Mr. Bush. It was now time to bring pressure and persuasion to OPEC. What most of you Americans do not remember is that the United States of America IS A

MEMBER OF OPEC. It is kept most low profile.

At that time a "deal was cut" with the Middle Eastern Oil Producers and this is how it went: All buyers were prepared to pay significantly higher prices for the oil--PROVIDED--all Middle Eastern nations supported the United States of America BY INVESTING THE REVENUES INTO THE BIG BANKS IN AMERICA.

To make this picture clear, you must remember that the Arabs, who are wealthy sheiks today, had been wandering around on camel-back in a very big desert. They were nomads and they were certainly most unsophisticated in business affairs. Years earlier, when the international bankers found out there was oil in their countries, they went forth and persuaded the Arabs to allow them to produce the oil by financing the oil fields, drilling, rigging--all supplies, including expertise.

After the bankers financed the oil fields, they then charged the Arabs usury fees for building the oil supply systems--along with refineries. The usury was quickly repaid because the Arabs became very rich, very quickly. (Way back then, you were only

paying about 30 cents per gallon in your gasoline stations.) Let us now take it further, you go to Nigeria and pay them to double the price of light crude. Unbeknownst to the Arabs, those ones who had become wealthy overnight and didn't know zero about business, much less international finance (the camel nomads); you call them together and say, "We will take the price of crude just as high as you want it to go -- IF -- you will deposit an established portion of the funds that you get from THIS NEW PROFIT RISE IN 30 YEAR TIME CERTIFICATES IN CERTAIN MAJOR U.S. BANKS."

Perhaps you ones can now understand the problems you experienced in your early 1970's. Remember the gas lines and the prices of oil skyrocketing? It was because the international bankers, who hold the purses of the world, knew that the increase in the price of oil that was going to the Arabs would come rushing right back to their bank in 30 year time certificates of deposit.

Turn now to the 30 year time deposits and let us examine the banker's plans. Back in the late 70's and early 80's Sheik Ymani and his bunch had no idea that there was a connection between those banks, or that they were the same people that had the controlling interest of the major oil companies. Do you see what has been woven here? After all, how could the camel riding nomads realize the international bankers were "having them" hook, line and up to the fishing pole? How could they possibly know that what was happening through these oil companies was that

the monies were being cycled right back into the selected, no exceptions, banking system? They couldn't and they didn't!

Going a long ways back now: in the 1870's, the Rockefellers set up something called a Joint Stock Trust. Here, I will add, this was just a brief period of time before the American Government declared these trusts illegal. BUT, YOU SEE, THESE ONES COULD FUNCTION FOREVER UNDER WHAT YOU CALL A "GRANDFATHER" CLAUSE. THAT, BROTHERS, IS THE ULTIMATE CONTROLLING FACTOR IN AMERICA OF THE PRIME BANKS AND THE FEDERAL RESERVE BOARD. That "trust" is in the control of the Rockefeller Foundation and, in turn, controls the Federal Reserve Bank and is the method whereby the internationalists are able to gain control of the currency of the U.S.A.

Does it begin to become reasonable that those New York banks are showing all time record earnings? Yet, all around the rest of your country of the U.S., banks and Savings and Loans are going broke and failing. THAT, FRIENDS, MEANS YOU ARE BEING MANIPULATED RIGHT ALONG WITH THE ARABS AND EQUALLY AS BLINDLY -- WITH NO RECOURSE.

Let us come back now, and speak of the deal which "was cut" (your ones in power love that term) with the Saudi Arabians and ones of the Middle East. These ones were required to put their money into the prime banks; keep in mind that they did not know that the prime banks were able to lend in amounts of twenty to

one. (20 to 1 was quite a while ago, it is higher at present.) All they were receiving was the "interest" on the money they had deposited. Worse for them, in some of these countries it is unacceptable to receive interest for religious reasons, so they might wait thirty years to get any money from their certificates of deposit. In other words, they did not know that this fractional type of banking could be done, but through this, the bankers of the world were able to gain control of the money of the Arab world, and in turn, the Arab world only received back part of the interest from the money that they placed into the International Banking System -- UNDER THESE 30 YEAR TIME DEPOSIT CERTIFICATES.

Through the money gained from the Arabs, through the manipulation of the price of oil, and taking the price of gasoline from, let us say, 30 cents a gallon to \$1.25 a gallon--there is a lot of money being made. Now, with that money returning into the international banks at 20 to 1, I think you can see the staggering profits. Let us face facts, friends, that money originally came from YOU. Because the bankers had locked in the deposits, they were then, in turn, able to make loans to third world nations.

Think back fifteen or twenty years ago when the International Bankers started investing in Third World country loans. Look very closely at the countries which are going bankrupt (completely broke) today. It was fully intended that those countries go broke, and I will explain that in a little bit.

You might wonder how I know so much. Well, I have the best computer system in the universe, and all I have to do is key it up and it is spread out before me. My computers rarely reflect errors; only changes in "probabilities" and perturbations in human action and reactions.

I am sorry, friends, your friendly bankers set it up deliberately so that the Third World countries would go broke. You have to pay attention to history and look back to the time when those Third World countries were beginning to gain independence and setting up independent governments. It was at such times that these bankers loaned the upstarts great sums of money which actually had come to them through the Arabs, basically.

The international bankers not only wanted, but insured, that these borrowing countries would misuse the fundings. It was fully intended that those countries would go broke. It was prearranged that the funds could be mismanaged through greed and simply be squandered. You must remember that the leaders of these countries had never governed anything or anybody. They knew nothing about government. They had been colonies under the governorship of larger countries. (Mostly England and the association with England becomes IMPORTANT, indeed.)

The international bankers knew that the leaders were bound to squander the funds. It was known they would have no way to know what to do with them (and they were massive), and so the cycle goes. They were actually squander-

ing money taken from you through the Arabs through high oil prices, etc.....

Let us remember constantly that you only Declared independence from England. You have been working diligently to have the King's system of jurisprudence, justice, banking, government, etc., ever since the day of writing your Constitution.

Why do you think the most supportive group to move militarily to Saudi-Arabia were first the British (who have the most investment in the U.S. of all foreign nations), the Canadians (who are British and have the second largest investment in the U.S.), and the Australians (who are British and have the third largest investment in the U.S.)? You are owned completely by the Bankers who set it up through England.

Now a bit of regression so that you can look at that which is happening to your S&Ls. You see, it was never intended that the money put in place by the Arabs would ever reach the Arabs. The banks who held all that imprisoned money set up "Holding companies" and made massive to overwhelming investments in guess what: Savings and Loans. It was always intended and carefully planned that both would become insolvent. When the Arabs would come for their money, it would be, "Sorry, Mr. Arab, but the money was diligently invested 'for your own good' but something went wrong and the companies failed and the money is all gone!" Now these nice Arab countries had also put up all the natural resources as anticipated--forever--as collateral. What does that mean? FORECLOSURE ON THE COLLATERAL BECAUSE THE MONEY NO LONGER EXISTS FOR THE PAYMENTS OF DEBTS AND THE INVESTED MONEY "HAS BEEN LOST".

The RTC was structured long years ago to step in and distance the theft even farther from those original banks. The RTC now comes forward and picks up ALL the property of the insolvent S&Ls which housed and mishandled all that nice Arab money and who gets the property and the money in the end? (Ah, some of you said the U.S. government and that is 30 lashes of the noodle to you who did so.) OF COURSE, THE BANKS--THE BANKER'S CARTEL--FOR REMEMBER, THE FEDERAL RESERVE GETS MONEY 20 TO ONE MINIMUM AND THEY ARE THE FUNNEL SYSTEM TO DRAIN YOUR COUNTRY INTO THE WORLD BANK AND THE BANKER'S CARTEL.

### HE WHO CONTROLS THE OIL CONTROLS THE WORLD

Since gasoline engines and electricity it has been the man who controls the oil supply who controls, in total, the world.

Why do you think the Japanese have joined with Great Britain and the U.S. in the fiasco with Iraq? Of course--everything they produce, which has made them the wealthiest nation around, is run on gasoline and electricity. Have you tried to run a car without fuel or a computer without power? The Japanese receive over 70% of their fuel from the Middle East!!!

But there is more to the Japanese problem. You see, they had access to all that lovely counterfeit money and also had ability to easily launder "dirty" money so they held great control of the situation. You in the U.S. were at stand-off because they also had been supporting almost all of your debt burden and this year they had announced "no more". Ah ha--"Not, Mr. Japan, if we control ALL of your oil resources!"

Now, precious ones, allow us to count. The loans to the Arab nations took place in the 1950's and 60's and the original requirements for the loans had always been the same. It was only the upward adjustment in the "price" of oil (remember the Nigerians above) which changed. Further we are now talking about those original 30 year LOANS.

It is time to call the notes or foreclose on the collateral. You see, the Arab world was told that there would be zillions of dollars for paying off the loans and still have zillions of dollars left over from the investments which would not need be counted as "interest". The zillions and zillions have been lost in maneuvers such as the S&Ls investments which shall in turn be recovered by the RTC and cycle back to the bankers who planned the thing in the first place. Better yet, they will gain almost all property in the bargain for you are in a depression and just haven't realized it. They will point it out to you very shortly now. If the masses are unemployed, they cannot pay their bills and everything goes back to the bank--remember those nice little bank cards? Then the little banks which aren't already branches of the Big banks will simply be absorbed into the Mother octopus either through purchase or, in most cases, simply takeover through bankruptcy, structured through the Banking Commission sweetly referred to as the Resolution Trust Corporation.

### THIRD WORLD DEFAULTS

If you have read the Banker's portion of the Journals you know already that there are enough Third World Countries in default to wipe out the world economy and deliver everything over to the Bankers--however, it now is time to call the debts and foreclose on the Arab world in order to pull them down and gain total ownership and control of the Middle

Eastern Oil supply.

### CURRENT MESS IN THE MIDDLE EAST

The U.S. had a puppet government in the Kuwait government and it was time to call the notes. The actual "government" of Kuwait screamed to their brother for help and Iraq responded. Kuwait asked to be annexed in order to save themselves from certain takeover. But that was not the half of it.

What you don't see is that troops had to be moved into Saudi-Arabia in massive numbers and will have to kept there indefinitely for the Saudis are in the same predicament as are all of the oil producers in the Middle East, having sold out their nations and all resources to the clever bankers.

### ISRAEL

Listen to what is said, most carefully. There is even media announcement as to the technical distancing of Israel from the U.S. in this maneuver so as not to appear in cahoots. Forget it, it is the same tactic used every time.

While this distraction is going on Israel will simply march over and squash Palestine and spread out. The other Arab nations have no alternative other than to allow the U.S. and the U.N. sanctioned troops within their borders on whatever excuse. And worse, these bastard war-mongers set up housekeeping right in Mecca--the heart of Arab world religious society. It can't get more blatant, my dear ones.

Only you in the U.S. do not realize that Israel has an entire arsenal of nuclear bombs--INCLUDING THE HYDROGEN BOMB--and you just saw her flex her muscles with a new rocket missile launcher FINANCED BY THE U.S. This, and lots of things such as this, in

addition to the 3 billion dollars cash annually with which they purchase your notes and get interest in addition through the banking system--sanctioned by your Congress and you just pay and pay and pay--at least 20 dollars to every one. Further, every leveraged dollar is leveraged another twenty times and so it goes into infinity.

There need not be "incidents" coming forth for you are dealing with the most deadly participants in the world to date--THEY CREATE, ORCHESTRATE AND PRECIPITATE THE DESIRED INCIDENTS AND YOU, THE WORLD, NEVER KNOW OTHERWISE.

And this is that which they have now sent your babies into, dear citizens. All is orchestrated through the United Nations so that your government can hide its responsibilities--YOU ALREADY HAVE ONE WORLD GOVERNMENT WHETHER YOU LIKE OF IT OR DO NOT. FURTHER, YOU AMERICANS HAVE NO RECOURSE FOR YOU HAVE ALLOWED THE "ASSUMPTION" OF A NEW CONSTITUTION FOR NO LAWS FUNCTION ACCORDING TO YOUR CONSTITUTION.

Now what about Saudi-Arabia? You have to stay there to insure the Saudi's can't oppose you while you rape them. And you thought Iraq a criminal--sic, sic.

Then why doesn't the Arab world stand forth and admit that which their own leaders did and disallow this thing? Why don't you defy your government? You won't even stop paying illegal and unlawful income taxes enforced by an unratified amendment and enforced by gun by a private business firm called the IRS. The Arab world is fighting for their very existence and as they fall, because of the oil which runs the

world, so falls the world if you ones in America don't take a stand.

### EMPTIED THE BASES

Where have all your children soldiers gone? Speak to anyone near any base, U.S.A. -- they are devoid of people except for skeleton crews. The hardware is gone (planes, tanks, vehicles, etc.). Well, that is for insurance for you see, there are no underground facilities for security. Many were moved immediately for stand-by but most were simply moved for protection in case some of the bomb toting countries decide to push those buttons. All of your military bases are targeted.

Now, do you really believe Mr. Bush went fishing? Oh strike you, the man doesn't go regularly to Maine for vacation. This is only the second time he has ever had an extended vacation in the location--AND HE WASN'T THERE THIS TIME. THE LEADERS WERE IN SECLUSION IN SECURITY AND THE TOP LEVEL CONSPIRATORS HAVE BEEN PERSONALLY AND SAFELY ORCHESTRATING EVERY MOVE CONSTANTLY. WHY DO YOU THINK THATCHER REMAINED SO LONG IN YOUR COUNTRY?--AND YOU DON'T KNOW WHERE SHE IS AT PRESENT. WHERE IS KISSINGER, CHENEY, SKOWCROFT AND THE REST OF THE CARTEL BUNCH? DRINKING CHAMPAIGN AT YOUR EXPENSE, MY BELOVED FRIENDS--THEY ARE ABOUT TO PULL OFF THE COUP OF THE WORLD SINCE INCEPTION.

### WHAT OF RUSSIA?

What of Russia? Yes, she could blast you out of existence but what would that gain at this point? The Eastern Bloc countries are in ter-

rible shape and the economy is blasted. She already has obtained your supply of grain production through agreements when your friendly Mr. Gorbachev came for his famous visit--right in Minnesota the deal was consummated.

### REMEMBER MR. REAGAN?

How many of you remember what Mr. Reagan said about joining defenses with Russia against your joint enemy--SPACE MEN? Well, you have no enemies in space--either one of you--until you start a war which will undoubtedly slop over into space. Then you both have great handfuls of problems. One country cannot depend on the other to keep the war earthbound and the consequences have already been outlayed if very much goes forth out of your atmosphere. YOU OF THE WORLD HAVE ALREADY MET SATAN AND, NOW, YOU ARE ABOUT TO MEET GOD'S HOSTS! HEAD ON!

Again we will look at Israel's plans for you can see that the Palestineans are ready for suicide missions and so are the Jordanians---THERE *WILL* BE A CONFRONTATION AND THE LEADERS WILL LIE TO THEIR OWN PEOPLE AND CLAIM CHEMICAL WARFARE, ETC. FUNNY THING--ISRAEL IS THE ONLY COUNTRY IN THE AREA WITH CAPABILITY OF SUCH. YOU THINK LYBIA AND IRAQ HAVE THAT ADVANTAGE--FORGET IT, IRAQ DID NOT CHEMICALLY BOMB THEIR OWN PEOPLE OR IRANIANS--YOUR OWN ALLIES DID SO AND CAST THE BLAME UPON THOSE ONES. ISRAEL HAS EVERY CAPABILITY THAT THE U.S. HAS, AND MORE--THEY HAVE ALL OF IT FREE--FROM YOU. THIS IS WHY THE RECENT DUAL PRONOUNCEMENT OF AMERICA/ZIONISTS. AGAIN,

I SPEAK OF ZIONISTS--NOT "JEWS".

### SEQUENCE OF EVENTS TO CAREFULLY CONSIDER

This incident was totally instigated and pushed forth by the U.S. government on the closing days of Congress. The invasion took place in the same 24 hours that Congress was voting to reduce the military spending and cut the stealth program--look what happened, open budget! All was replaced in the budget without even being asked, plus open ended expenses to move troops around at whatever cost.

Next Congress goes for summer vacation. This will leave only those needed for instant voting as well as allowing the President to make war by Presidential Executive Order because Congress is not in session and on and on and on until I feel embarrassed to mention these things to you.

### TAXES

Let us take an aside now and consider taxation. Don't those in government know there is a tax revolt and a depression underway? Oh yes. Therefore they cannot depend on you ones to keep up your taxes at the level necessary so--there will be massive taxes placed on goods such as oil that you cannot live without and you will pay them--gratefully, just to get the commodity. Also, as things worsen the President can arbitrarily, by executive order, call for Emergency Regulations which will allow seizure of all banks and bank accounts--and confiscation of gold. You have to have an emergency situation and thusly, another need for troops in foreign lands. YOU AMERICANS ARE HOG TIED! I HAVE HARDLY EVEN STARTED ON THE SUBJECT.

OH, YOU DON'T BELIEVE IT? LOOK AT GUYANA. READ

ABOUT YOUR SHUTTLE PROGRAM--WHEN WE RELEASE THAT JOURNAL. OH, DEAR ONES, DO NOT BE FOOLISH AND REFUSE TO BELIEVE IT ALL. THIS IS WHY THERE ARE SEVENTEEN JOURNALS REVEALING THE TRUTH TO YOU SO THAT YOU CAN ACCEPT IT AND TAKE ACTION BEFORE IT IS TOO LATE. YOU ARE NOT "JUST GOING TO ASCEND", SO I SUGGEST YOU NOT USE THAT AS A BETTER PROSPECT. A LOT OF THINGS HAVE TO COME FORTH, AND DOWN, BEFORE YOU ARE GOING TO REMOTELY EVEN THINK ABOUT SUCH A THING AS A "RAPTURE". HOW MANY PEOPLE HAVE YOU EVER SEEN RAPTURED OR ASCENDED? HOW MANY HAVE YOU SEEN PERISH IN WARS? BETTER STAY WITH THE "ODDS" AND GET YOUR WORK DONE AND SAVE YOUR ASSETS.

A couple of speculators have asked if Hussein of Iraq is the Anti-Christ? At this point, you should be so lucky! That man is simply trying to save his world and brothers from the known devastation and disastrous death of the Arab world.

REMEMBER: YOU DO NOT GET THE NEWS; YOU GET EXACTLY BY SOUND AND PICTURE THAT WHICH IS DESIRED THAT YOU SEE! THEY HAVE FOOLED YOU MASSES HUNDREDS OF TIMES BEFORE AND YOU FALL FOR IT AGAIN--AND UP MR. BUSH'S POPULARITY RATING IN THE DEAL--WHILE HE SITS IN A LUXURIOUS SECURITY SHELTER AGAINST ANY POSSIBLE FLUKE UNTIL THE FIRST LAUNCH WAS SET UP AND THE SURVEILLANCE COULD CALL THE PROBABILITIES

AND SOMETHING COULD BE WORKED OUT WITH RUSSIA AND RED CHINA. NOW, HE WILL GO BACK TO WASHINGTON FOR THE WEEK-END TO SHOW YOU HOW HARD HE IS TRYING ON THE "BUDGET". IF YOU BELIEVE THAT THEN YOU WILL ABSOLUTELY BELIEVE ANYTHING!

IS THERE NO WAY TO MAKE YOU ONES SEE HOW IMPORTANT THE PHOENIX JOURNALS ARE TO YOUR VERY EXISTENCE? SO BE IT FOR AS WE PRESENT THE TRUTH AND SUGGEST THE ALTERNATIVE PLANS AND INSTRUCTIONS--HE WHO REFUSES TO HEAR SHALL NOT BE FORCED. ALL WE CAN DO IS PRESENT IT UNTO YOU. MAY GOD HAVE MERCY AND GRACE WHILE YOU OPEN YOUR HEARTS AND EYES TO THINE TRUTH AND THINE ENEMY COME TO ENSLAVE YOU.

Dharma, there is not time to finish this prior to other obligations and I have you working for over six hours and we must have a break. Let us finish at a later sitting.

### QUESTIONS

How is the situation in Iraq related to Biblical Prophecies/ Anti-Christ, etc.?

Saddam Hussein is NOT a madman! He is a leader efforting to hold some remnant of the Arab nations alive. He did not send chemical weapons against anyone--you are continually lied to.

The Israeli Zionists are using this as a precipitated opportunity to have uprising in Palestine and surrounding territories to cause incidents which shall be defended to

the annihilation of those surrounding countries and it will not only be sanctioned by the U.S. but, in fact, aided directly.

There are some major questions which will demand answers when your Congress reconvenes on September 5. For the ones in Congress who are forced to see that which has happened will, hopefully, nail a few diplomats to the wall. You see, even with the lies, there was already knowledge of the Iraq/Kuwait situation and some answers shall be demanded--they will not, however, be answered.

It is anticipated that some of your representatives will speak out. The chorus of praise for George Bush's diplomacy during the Iraqi crisis will abruptly end when Congress' recess is ended. Keep uppermost in mind that all was staged to have the invasion precipitated while Congress was on recess.

The House Foreign Affairs Committee, which called for sanctions against Iraq in 1988 and repeated the plea late last month, plans hearings to find out why the White House was, "so slow" to recognize the threat from Baghdad--if indeed there ever was any such threat from Baghdad. You see, until the invasion, the administration had sought every way possible to appease Saddam Hussein and, therefore, sent him all the incorrect signals to force action according to prearranged schedules where your country would be least able to act according to the Congressional laws. Well, don't expect great truth to emerge for the group is only furious that the action was delayed--they are tickled pink to have the change take place, they just consider it two years "slow".

Let us not be too concerned about this incident as related to Biblical prophesy for it would take a Jour-

nal to relate the two. For the present, deal with the present so you are not distracted.

### REMEMBER SCOWCROFT? THE "CHINA" INCIDENT?

Interestingly enough, Mr. Scowcroft had dropped out of the limelight to allow cooling of feelings. After months of deferring to Secretary of State James Baker, National Security Adviser Brent Scowcroft, (who, by the way, has attended EVERY secret meeting) has re-emerged during the Gulf crisis as the front-line player. With Baker out of the country (intentionally), Scowcroft, a retired Air Force lieutenant general and high ranking member of all the secret societies, stepped into the forefront, drawing on his so-called "military experience".

There is a "new" rapport between the President and his national-security adviser, previously seemingly pigeonholed as a foreign-policy philosopher who, unlike his mentor, HENRY KISSINGER, preferred to work secretly and in the background. Forget it, chelas, Henry Kissinger has a double existence--one is in total limelight but actions are totally in secret activities and all-powerful. Funny thing--Mr. President hasn't even been summoning these ones into the oval office--he has been going to their private offices for conferences.

But while there is a fast-burn in Saudi-Arabia a funny thing is going on. "Carlos", the world's most wanted terrorist, has gone to Damascus. Now, dear ones, THAT is Syria (and I have been flooded with queries about Syria). This man was trained by the Mossad and entered Syria with Syrian blessings. He is in a heavily guarded apartment building in western Damascus owned by the Syrian secret service. Other tenants include Ahmed Jibril, the leader of the group responsible for

downing Pan Am 103. I suggest, in view of that which I have told you about Syria in the Journals, as relative to the above original question--pay close attention.

Another question is: What are the tie-ins of Bolsheviks/Zionists/Russia?

The Global 2000 Plan is a concerted effort--not an individual operation--even though it appears in separation (for appearances). The important fact to remember is that the planners have already "assumed" United Nations control as supported by the "One World Government" which, by law of the U.N. charter, a Russian will head the military force of the combined U.N. Now isn't it just cozy the way it is coming true?

### BETTER YOU LOOK AT HOME BASE--WASHINGTON

Mr. Bush is now going to interrupt his vacation in Maine (where he was not, at any rate) and go into Washington on the week-end to do some important "work on the budget". With Congress in recess? On a week-end? I suggest you all hold your breath, dear ones. You see, while Bush takes charge of the military situation to suit the Cartel, he and Congress will blow it up for you dear citizens on the home front.

### AMERICAN INTERESTS IN MIDDLE EAST?

If Canada asked you to help protect her from being taken over by the Russians and then asked for annexation, what would America do? Now, further, suppose the Japanese and Chinese moved troops along all your borders and blockaded your ports and stopped all shipping because you came to the aid of your neighbor--what would America do?

Well, the Japanese would just be there to "protect their interests in

the U.S. and Canada!"

Do you as Americans have interests in the Sovereign States of the Middle East? Why do you think so? Oh I see, OIL! What makes it YOUR oil? NO, AMERICA DOES NOT OWN THOSE OIL FIELDS--THEY ARE OWNED BY THE WORLD BANKERS AT YOUR EXPENSE!! YOU ALLOWED THE BIGGEST BANKER CARTEL IN THE WORLD TO STEAL THE RESOURCES OF THOSE COUNTRIES AND NOW CLAIM IT IS "YOUR AMERICAN INTERESTS WHICH MUST BE DEFENDED!"

Further, you have independent oil producers in America that are going bankrupt because of lack of allowed oil production in the U.S. fields. The U.S. has a stored glut of oil which they keep from you. Furthermore, EVERY BARREL OF IMPORTED OIL BRINGS THE MAJOR OIL COMPANY A MINIMUM OF \$1.75 PER BARREL AS SUBSIDY FROM YOU THE PEOPLE--FREE AND ACROSS THE BOARD WITH NO QUESTIONS ASKED--TAX-FREE!

PROTECT AMERICAN INTERESTS? YOU HAVE NO INTEREST OR RIGHT TO SET FOOT IN THE MIDDLE EAST, MUCH LESS, GO TO WAR! Imported oil into the U.S. amounts to over 50 percent consumption. Why should you use yours if the companies are paid to not use yours? YOU HAVE BEEN SET UP AGAIN--YOU HAVE NO RECOURSE TO THEIR GAMES FOR YOU WILL BUY THE GASOLINE AND ELECTRICITY AT ANY COST TO YOU.

The central "private" bank, the Federal Reserve, will now ease up the money-supply (to the elite) by printing more notes (money) at your expense and deficit to aid the

RTC/S&L debacle into worse (more massive) takeover of American properties and businesses. Oh, dear ones, they have you right between the rock and the hard place and you not only walked in willingly--you up the popularity ratings of the ones who have done it deliberately unto you. The traitors and treasonists have taken your country while you dreamed of luxuries and diet miracles. Well, you will get your ultimate diet pretty soon if you don't take action; it is called the "No-Food" diet plan.

Don't you also find the situation and "legal" handling of Marion Barry, Jr. interesting? If you ones aren't beginning to smell the dead fish, I pity you as a nation. Millions of you nice Americans are about to have your homes and businesses stolen from you by the RTC and you smile on. This is the point of Dharma's "fast"--to cause attention to the conspiracy and there is no interest to speak of. What, after all, is one grandmother's plight? Well, it won't be one grandmother's plight--it will be the plight of every American before "they" are finished with you. However, as the word spreads regarding her stand, multitudes are coming forth who have had the same thing happen to them with their property--simply stolen in a most criminal and blatant manner but didn't know they had recourse. It remains to be seen if there will be recourse. This one shall go down most loudly indeed, however. If you have been, or know of any one who has been damaged through this mess, please come forward and report it. In towns such as Austin, Texas and other towns almost wiped out by the "oil" declaration of war against Texas to maintain the imported oil and break the independent oil producers--there is massive depression in the market. Houses are most often simply "walked away from" for there is no market for buyers.

Look around you--you are in serious troubles.

Blessings be unto you precious lambs of the lie. May you awaken in time! Salu, in the service and in reverence unto God our Creator. Hatonn.
