## 2/1/91 ATON

This Express is dedicated to SFC THEODORE BRUTON who resides in the desert of Saudi Arabia--lonely, frightened and expecting to die for that which he understands not. There are others, nameless for many reasons, whom we honor equally but we herein acknowledge this young man and his mates and so shall it come to pass as this transition of a blessed planet comes to fruition. I HONOR MY CHILDREN WHO HAVE GONE FORTH TO BEAR THE BANNER OF TRUTH EVEN UNTO THE PLACES OF HELL AND SO SHALL THEY COME INTO THE SECURITY AND SAFETY OF MINE ARMY AGAINST WHICH NONE CAN PREVAIL.

Patriotic? Beyond your ability to measure! He is sent forth in service to his country and will serve to the best of his ability for as long as he can do so. He wants to come home so that he can bring truth to a blind populace.

I have news for this young man--he is come to Earth for purpose and, albeit a strange place to find Truth--where better? How could you be sent from Higher Cause into a nightmare to serve? Where better than where truth is even more hidden from thine eyes? Contribution to God is wondrous experience indeed.

I AM ATON AND THAT WHICH I DECREE SHALL BE THAT WHICH WILL COME TO PASS IN THE ULTIMATE PLAY AND EXPERI-

ENCE. MINE SHALL BE SHELTERED WITHIN MY WINGS AS THE TRUMPET SOUNDS. FEAR NOT FOR I BE WITH YOU EVEN INTO THE DARKEST SHADOWS--WALK WITH ME IN THE SAFETY OF INFINITE SERVICE AND YE SHALL FEAR NO EVIL AGAINST YOU.

I speak to you and you will be tempted to disbelieve for you have been given into the lie for so long. I am that being named as the "Father" and again the "Master Son" shall present upon your planet that balance can again prevail. I send forth the Hosts of my Armies to bear Truth and understanding in preparation for that coming again. Do not struggle with the perplexity of this message--simply know that measured against that which is perceived "real and physical about you", it is not nearly as incredible.

Gyeorgos Ceres Hatonn, Cmdr., is sent in MY service--most recently from the placement known to you as Pleiades. He is responsible for the reclamation and preparations for the return of the "Phoenix" (Christos now fulfilled as God). He is one of your cosmic space brothers and serves in the United Federation Fleet as Commander, under the authorization and auspices of the Inter-Galactic Federation Command and the United Federation Council. Sounds like Star Trek? So be it for if you will but go within into your place of knowledge you will recognize of the Truth of that which I bring for your consideration.

Dharma, put to print a letter received yesterday from a young man in Saudi Arabia that others might find solace in the petitions coming back into my attention for I wish to then give instructions for passage through the veil of Hell in which the youth find themselves in that place of madness. Why do I choose one name from the many to honor? Because I desire that he, and all be protected in security and yet, I must have ONE to which a physical message can be directed. I protect the sender of this forthcoming letter--let it be known to all who censor and discredit Truth hereof.

*Dear Sir, or Mam,*

*First of all, I would like to thank you for the information I got from you. It is always good for me to 'hear the truth. The world we live in is not at all fair to the little people. It is for the people that have the big money, that can play with the lives of we little men.*

*I read the paper I got from you, and I tried to find a lie in it, but it all came together. I wish I could have gotten your papers a long time ago. The truth is all I want to know, and with that, my life could have been better. I would pay for, the information you gave me, it was that good.*

*I am over here, about to go to war, and at this time, I can do nothing about it. It looks like I was not told the full story, until I got your paper.*

*You have opened my mind to the truth about the world we live in. It is sad that most people don't, and won't, ever know the real story about the war games and all the other games the big boys play with our lives.*

*If I make it out of here with my life, I would like very much to be a member of your paper. The truth is all I want to read about.*

*It won't be too long, as you already know, before the very big boy says "let the dying begin". All I can do now is hope for the best. I'm a part of the little people.*

*I don't know how you got my name but, I'm glad you did.*

*I want to thank you again for telling me all about Saddam, and what we really face. I can not tell others of what I am reading in your paper because it will upset them, as it did me.*

*I hope I will get the chance to read more of the turth in today's life time. You are the best in what you do, and that is a fact! Your information is the best I have ever read.*

*Please send me the cost of the paper so I can get more while I have life in my body.*

*Thank you for the truth,*

*P.S. You have opened my eyes, and my mind.*

Now, I shall respond to this particular inquiry for it is inclusive to all my Sons and Daughters upon your placement.

Do not ponder too heavily upon HOW you might be found to receive of the information. The ones who scribe and send the word in my service, know not

why I choose to send to specific ones. It is the "call" and it is the very purpose of the writings themselves. The word shall fall upon the eyes and ears of the populace of the world but some must have their call "up front" so that the miracles of the truth of the presentation can begin to unfold. It matters not that any about you know or do not know for--as it unfolds--all will come into the truth of my beingness.

It has been written that if you follow in my Truth and hear my instructions--you will prevail, and you, my workers are placed all about within and upon this wondrous Creation of that planet called Earth. It is said that you may be in the fields and to the left one will fall and to the right, another will fall and you shall be untouched. Keep my lighted shield about you and you shall not be harmed--DO YOU HEAR ME? YOU SHALL NOT BE HARMED IF YE STAY WITHIN MY TRUTH AND SHIELD! It is a time of instructions for you who serve--most of you knowing it not. You would say to me, I curse, I sin, I forget, I blunder--"I cannot be of God!"--REALLY! Ah, but those who set themselves up as my speakers in the churches and synagogues of MAN are blasphemous and teachers of the lies. I WANT NO PIOUS, BILIOUS FOOLS ABOARD MY SHIPS OF SILVER RADIANCE. 'TIS NOT THOSE WHO WORK IN THE SERVICE OF EVIL WHO WILL COME ABOARD MY CRAFT OF "TOMORROW"--MUCH LESS IN THE PHYSICAL FORMAT. YE STAY IN MY CONTACT AND YE SHALL BE GATHERED UP INTO THE CLOUDS (THE SILVER CLOUDS) SO THAT YOU CAN LATER FINISH THINE WORK IN THE SERVICE OF YOUR BROTHER IN TRUTH IN GROWTH AS YOU FULFILL YOUR MISSION COMMITTED TO UPON THAT WONDROUS CREATION. You are not given to know all, for you would not understand the need for the type of service that only I CAN PRESENT and it is the child in darkness that needs your guidance--there are no atheists in foxholes. Your flag is a Heavenly Banner and your nation a

chosen and blessed place which will again come into balance in service unto God and Man. Do not lessen Truth by pious presentation--tell your men to hold to God and Truth and they will be given into passage. No matter how it may appear unto your physical eyes--I SHALL GUIDE MY CHILDREN INTO WONDROUS PASSAGE FOR A REMNANT OF MY PEOPLE WILL BE THAT WHICH WILL PREVAIL!

As you go into the fray, no matter what might be thrown against you, as you may be attacked, put your face into the scooped out sand, wrap mine light shield about you and the holocaust shall pass you by for I speak and as I speak, so shall it come to be--ye ones of mine own shall represent the miracles of the final days of change back unto the laws of Truth and Balance upon a rebirthed planet brought into Higher Status in her rightful glory. WE want no "heros"--I need your lives in full measure to bring MY PEOPLE HOME.

You who hear MY CALL, hear it because you are sent of Me and are intended to hear of it. Know beyond all doubt:

IT IS NOT OVER UNTIL  
I WIN!

FOR I AM!

2/1/91 HATONN

Dharma, do not be confused--the information (DEDICATION) just written will be found for it is nicely tucked away--when Aton is through writing, he means it!

Let us continue. I request that the DEDICATION be forwarded immediately to TB and, under separate cover, a copy of PLEIADES CONNECTION. Father is calling his "miracles" to attention.

TODAY'S WATCH

As the confusion of that which is happening this day in the Saudi Desert

Storm continues ad nauseam--know that Father watches and take to heart that which unfolds for hidden within is also HIS PURPOSE toward Truth.

I am queried this day on "...why doesn't the U.S. Air Force take out the convoy of armored equipment headed for the border?" They are trying to do so but, you see, all those lovely missiles of pin-point accuracy--are exactly that--pin-point, so each "head" can only take out its single target at best--AND YOU, DEAR ONES, ARE RUNNING LOW ON SUCH AMMUNITION! YOU WERE SO SURE OF VICTORY IN THE AIR THAT YOU USED SO MANY BACKUP MISSILES THAT YOU NOW RUN LOW. It is exactly that upon which Saddam depended--such a barrage in the first two weeks that you would cease to have cover of adequate weaponry to continue the barrage on the ground forces.

The Cruise missiles continue to land with deadly accuracy--ON CIVILIAN TARGETS! The U.S. is going to attempt to pull CNN's reporter out of Iraq and Saddam knows it--that is why others are being allowed within. A journalist cannot be present as this heinous pounding of the populace and innocent citizenry takes place without seeing it for that which it is--HELL INTENDED! The "Chemical Plant" as you describe it, in Iraq, was exactly that which it said--"A BABY FORMULAE FACTORY". THIS is why the journalist is attempting to get "some" truth through to you-the-people for you are destroying the very communities where the people of innocence, dwell. You are not building a desire to retreat; you are building a hate beyond that which can long be contained.

#### MENTAL HEALTH AMONG YOUR U.S. TROOPS

I give you information from OPERATION DESERT STORM which will, I hope, shock your populace into attention. You somehow think this is a lark for your men in uniform. No, they are sleeping in the sands--cooked

and then frozen. They are getting eaten by sand fleas, isolated from "real" information (your Pentagon says "sequestered") and they do not understand what in the world they are doing there. There have been DOZENS of intended suicides by your U.S. servicemen, along with officers who cannot send their men into this fray as it is coming down. The field hospitals are full of injured by self-infliction wounds and attempted suicides. The suicide method of choice is, of course, gunshot but also overdosing.

We have received confirmation of this information straight from the Desert Storm front lines with the request to "Please, please publish this in the Phoenix Express! The madness must somehow be brought to a stop!"

I have, further, received much back-up material in conjunction with the above request. I acknowledge and will get it to you-the-people as quickly as possible.

#### MONEY, ECONOMY AND SUBTERFUGE

What we have received in great measure is backup information regarding the Soviet Economic Debacle! Right from Moscow! You must understand that you in the U.S. get censored press and that which makes it to the media is tampered and colored. None-the-less enough seeps through to make the point of truth.

At response to request I will ask Dharma to copy, please, the news story of Jan. 25, 1991, *Ruble Decree Continues to Cause Economic Upheaval*.

**SOVIET UNION: CRITICS  
CITE PAYDAYS WITH NO PAY, A  
LOSS OF SAVINGS THAT COULD  
AFFECT SHOPPERS AND LOST  
CONFIDENCE IN BANKS.**

MOSCOW: "First, there was nothing to buy, and now there is no money to buy it with."

Uri Zubkov managed an ironic

smile, shrugged and added: "In the Soviet Union, this is called economic reform."

The mood of those around him in a crowd outside a bank in central Moscow was unmistakably angry, however, and there was a bitter sense of betrayal and often a deep rage. The life savings of many were virtually wiped out by governmental decrees this week withdrawing large-dominant bills from circulation and virtually freezing savings accounts for six months.

President Mikhail S. Gorbachev's twin goals had been to strip the country's powerful black marketers of their operating capital, driving as many as possible out of business, and to reduce inflation, which has been running at perhaps 80% a year on the open market.

But so far the blow appears to be falling most heavily on the elderly who traditionally have kept their savings in a drawer, on farmers who believe that banks are for city folks, on emerging entrepreneurs who operate on cash-and-carry basis and on the middle class which keeps much of its money handy in case there is a once-in-a-lifetime bargain.

"Am I a criminal because I bought a new stereo and sold my old one?" Zubkov, an electrical engineer, asked as he sought to exchange 2,000 rubles, about \$3,700 at the official rate of exchange but only \$100 on the black market.

So strong are the feelings across the country that Georgy Matiukhin, the chairman of the Russian Federation's Central Bank, warned that "serious social upheavals are possible" as a result of the monetary reform, and police reported near-riots outside banks in a number of cities.

The economic upheaval, however, was already apparent.

The government's decision to

withdraw 50- and 100-ruble bank notes, the two largest denominations, has dramatized the disintegration of the Soviet economy and the government's inability to halt it.

So much currency had been printed over the last two years--more than 70 billion rubles worth--that it had become almost worthless. There were nowhere near enough goods to satisfy the demand and the prices of those available was soaring.

Soviet economists are speaking of a "double theft" in which workers were paid with devalued rubles that often were useless to consumers but that have now been effectively confiscated by the government.

At the same time, the principal means of exchange used by the economy's growing "informal sector"--tightly packed "bricks" of green 50-ruble or brown 100-ruble notes--has been wiped out and with it a large part of the working capital of self-employed businessmen.

The economy as a whole now may be in serious trouble as a result of the measure, critics argued. Matiukhin said that there already have been payless paydays in a number of major cities, that the loss of savings would destroy the market for major consumer purchases and that the overall loss of confidence would result in a massive decline in bank deposits, which in turn would prevent new investment.

"In coming days, a riot will start at the banks," liberal economist Igor Nit said, predicting a full run on Soviet banks and their effective closure as a result of the measure. "Confidence in the banks has been destroyed. Not a ruble will go in and every ruble will come out until the government totally freezes every account."

And those who appear to have been hurt the least were the intended (or so they touted) targets--the black market dealers who have thrived on the inability of the government to meet the

needs of consumers. Anticipating monetary reform, most reportedly had moved their money to 10-ruble notes, switched to U.S. dollars or German marks or invested heavily in goods of all sorts.

"The black marketeers will hardly suffer." said Prof. Alexei Sergeev, a prominent conservative economist and leading advocate of monetary reform. "Our Mafiosi have always regarded tenners as the only reliable bills and the same applies to Western buyers of Soviet currency. But ordinary people will suffer beyond doubt--first of all the peasants who have a long tradition of keeping their money at home in large denominations."

Politically, Gorbachev's decree was quickly seen as evidence of his shift to the right, attempting to increase government control of the economy rather than move toward greater reliance on the market forces of supply and demand.

"This struggle against the 'black economy' increasingly substitutes for the movement toward market relations," the radical newspaper Komsomolskays Pravda said. And Sergei Alexashenko, a pro-market economist, told the paper in an interview: "We can view this decree as part of the overall slide to the right by our president."

To those who found themselves accused of being part of a new bourgeoisie and losing their savings as a result, there were strong elements of Stalinist economics present in the government decree and its assumption that any cash savings beyond a month's pay, perhaps 270-rubles or roughly \$500 at the official exchange rate, must be ill-gotten and confiscated.

The decree moreover re-establishes "workers' control" by establishing committees of co-workers to examine everyone's holdings and organizing teams of tax collectors, KGB agents and fraud squad detectives to investigate those with more than

1,000 rubles in cash.

"A law-governed state does not have the right to make such decisions," Vazgen Manukian, the prime minister of Armenia, commented in Yerevan. "These are the characteristics only of totalitarian socialist countries!"

A new market quickly sprang up at railway stations as speculators, gamblers and others with large denomination bills paid as much as 20 times the normal fare for train tickets that they hoped to redeem later for cash with travelers willing to take the chance that they will be able to exchange the bank notes once they return home.

And Col. Alexander Gurov, chief of the organized crime branch at the Soviet Interior Ministry, said that the move had "wiped out" an estimated 12 billion rubles in Soviet currency smuggled out of the country.

But police had to double their deployments around the major banks in Moscow and other cities around the country on Thursday as the crowds grew angrier.

END OF THIS QUOTATION

EXCERPTS FROM ANOTHER PRESS RELEASE: also, Jan. 24, 1991, Moscow:

"In a word, it is stealing people's hard labor and then crushing their hopes for a better life. The target may be the Mafia, the black marketeers, but the real victims will be little people, ordinary workers who kept their limited savings in cash." (No, it is exactly the "little people" being targeted--exactly as set up in America. The entire scheme and the very printing of the money notes came from the Cartel (World Bank) right in the United States of America, including the gracious and "free" printing of the notes and the instructions of exactly how to pull the entire maneuver off. AMERICA--YOU ARE RIGHT IN LINE VERY SOON!)

"The utter immorality of this decree is bound to cost the central government what little confidence people still have in it," Ruslan Dhasbulatov, vice president of the Russian Federation, the country's largest republic, said in an interview. "Over the past two years, more than 70 billion of worthless rubles have been pumped into the economy by the government, and now the government is virtually confiscating this counterfeit money.

Police were summoned to maintain order at thousands of banks throughout the country as people sought to exchange their 50- and 100-ruble notes, withdrawn from circulation by Gorbachev, and grew angry when they were turned away by bank officials.

Chaos ensued at railway stations and airline terminals as travelers were told that their large-denomination notes would not be accepted. Tens of thousands of travelers were likely to be stranded in Moscow alone, unable to buy tickets home.

"Commerce in Moscow, and probably most other large cities, will come to a standstill until this exchange is worked out. Uri Luzhkov, the chairman of the Moscow City Council's executive committee, said.

At major telegraph offices, however, some holders of the outlawed bills managed to buy postal money orders with the money, sending it across town, or even around the block, as a way of getting small-denomination bills for big.

And black market currency dealers, who normally buy and sell foreign currencies, started taking rubles, big notes for small ones, often at less than half the face value, betting that with such a profit margin they would be able to pay the bribes necessary to get the bills exchanged.

The government, which said it had spent a year preparing the measure but clearly had not anticipated its impact, appealed to people not to panic, but officials of the State Bank,

assigned to carry out the directive, admitted they could give no firm assurances to those worried that their savings would be lost.

On the contrary, the full regulations published Wednesday made clear that those workers who wanted to exchange more than a month's pay, a maximum of 1,000 rubles, would have to explain the origins of their money and why they kept it in cash, not in a savings bank. Committees would assess each case, and tax collectors and the KGB security police would investigate.

For most people, it will be impossible to produce written records on the source of a lifetime's savings, which many keep at home rather than in banks, or of legal transactions in the country's new small businesses, which operate on a cash-and-carry basis.

The government has also restricted withdrawals from people's savings accounts to 500 rubles monthly in an effort to keep money from flowing back into the overheated economy. This is almost twice the average monthly salary of 270 rubles, but only slightly more than it costs to buy a pair of fashionable imported sneakers at free-market prices.

At the official rate of exchange, 100 rubles is worth about \$185 dollars, but its value on the street is about \$4 or \$5; at the new commercial rate of exchange, 100 rubles is worth \$55 and at the tourist rate about \$18.50. Converted into highly sought consumer goods, \$1 might buy about 50 rubles in a further devaluation.

Rumors have recurred frequently that the government was planning such a monetary reform, but only last week Prime Minister Valentin S. Pavlov, the former finance minister, had denied it!

Around the country, parliaments in the Baltic republics as well as in Georgia responded angrily to the measure, and legislators called on the governments to ease the burden on people

there.

Long lines had formed at banks in Moscow, Leningrad, Keiv and in other cities by dawn on Wednesday as people came to cash in their high-denomination notes. (Note: This is why it was necessary to move troops into the Baltic States and seize the media--so there could be no counter to the measures being instigated--it will be worse in the United States, I can promise you!)

"Comrades! Citizens! Do not panic!" Valentina S. Dravchenko, the manager of a neighborhood bank in central Moscow, shouted as a crowd of 400 threatened to break through the bank's iron grill. "Tomorrow, we will have money, and then you will have your money . . ."

"Please, comrades, killing us will not bring your savings back. If you must, march on the Kremlin, but don't break our doors down so we will be able to work tomorrow."

Kravchenko's promise of money today or Friday satisfied a few, but many more, whose cash holdings were greater than the limit allowed by the decree, were clearly outraged.

"I'm wiped out," Timofei B. Opolisny, a retired truck driver who now does odd jobs, said, "I have 3,000 rubles, but as a pensioner I can only turn in 200. But this money is most of our savings, and now it is just so much confetti. I can't even get money out of our account now."

END OF THIS PARTICULAR QUOTATION.

Dharma, just a portion of one more and we will leave it to the pondering--for America, YOU ARE NEXT! YOUR GOVERNMENT AND FEDS HAVE SET THIS UP AND YOUR TURN IS COMING!

Moscow: 1/24/91: GORBACHEV MONEY DECREE STIRS PANIC AMONG SAVERS. SOVIET UNION: Large-denomination ruble

bills are declared worthless. Besieged banks refuse to open.

Angry crowds, afraid that most of their savings would be lost under a government monetary reform, besieged banks across the Soviet Union on Wednesday in a new panic threatening the country's fragile economy.

With wads of bank notes clutched in their hands, they pounded on the doors and windows of neighborhood savings banks, demanding that the money, large-denomination bills declared worthless the night before, be replaced with smaller bills.

But the banks, caught unawares by President Mikhail S. Gorbachev's decree, refused to open although customers had begun lining up before dawn. Most banks had no instructions on how to carry out the exchange--the decree said only limited amounts of large bills could be exchanged without question--and no cash to do so.

Gorbachev's decree had been intended to strengthen the ruble, or so was given the reasoning, the Soviet currency, to dampen inflation and, above all, to drain all available cash from the black market, but in the first day the measure appeared to have accelerated the disintegration of the country's economy .... etc. etc. as quoted in prior notation.

\*\*\*\*\*

What think ye, America? I shall repeat once more that there are only a few possibilities of saving ANY of your assets which you might have felt safe and secure tucked away and/or invested in banks, etc. **YOU SHALL LOSE OF IT FOR IT IS INTENDED THAT YOU DO SO. WE PROVIDE YOU WITH SOME WORKING PLAN WHEREBY YOU MIGHT SAVE A PORTION OR AT LEAST SECURE SOME MEASURE OF POSSIBLE SAFETY FOR A PORTION--I SUGGEST YOU GET IN TOUCH WITH GG OF AMERICA WEST AND INVESTIGATE**

POSSIBILITIES. THE TIME IS AT HAND AND THE SUBSTITUTION OF IDENTICAL FORMAT AS ABOVE, IS UPON YOU--WITH JUST SUCH SURPRISE AND SUPPRESSION OF YOU-THE-PEOPLE. The Executive Orders are in place and this can happen to you as quickly as this very day! You are NOT in a war for the Hell of it--you are in a massive distraction to steal your entire world away from you and you had best be in the seeing of it or acknowledge that you will lose it all. The PLAN is in protection of the criminal and evil elements of your world--no more and no less. That which you do with this information is totally up to you but God provides "loop-holes" if you will but be attentive. What you do with the information, I repeat, is totally up to you!

Oh, by the way--the above quotations? No, they didn't come in as propaganda from abroad--they came right out of the LOS ANGELES TIMES! What happened in Russia was a trigger in timing so that the ones in charge can begin their own count-down! I suggest that whatever you do differently than that which you are doing--DO IT IMMEDIATELY FOR THE CURTAIN IS FALLING! SO BE IT.

Dharma, pull this from the machine and get Oberli to send it post-haste to GG; the people to whom he speaks are all but out of time and I have promised to serve in Truth as best I can according to probabilities as presented to me. So be it and blessings upon you ones of lighted searchers for soon the whole will be revealed. God does not break promises!

In honor, I salute you,

Gyeorgos C. Hatonn, Cmdr.

HOW IT REALLY IS TODAY!

Blessed be the young men and women sent into the fray for their's is the bearing of the price of evil wars upon

mankind. Man has forgotten his way and knows no other way in these days of chaos.

I have witnessed the revulsion of the masses as George Bush bows in his pretense of thanking God--for it is indeed blasphemous unto the very essence of Truth. He tells the people to be thankful for the dead are now in a place of perfection with the Father of Perfection! So be it, perhaps it may be a "kinder and gentler placement" than the "Father of your nation" provides--for he provides Hell and you applaud him! You watch as a young wife thanks Bush for killing her husband. Oh, you think that is not what she does? Think again--"...and we are so touched and appreciative that this humble man would bother to come to us and shake our hands in sympathy...!" AMERICA, WHERE ARE YOU?

### DEMONSTRATIONS

What would YOU do? Note that there seems to be no way to support your sons and daughters without showing the support of a war??? If you wave your flag and show your yellow balloons and ribbons in support of your men and women--you, through the press and media, also seem to be supporting the WAR! How can this be that you in America have reached a point of claiming that one who is against the war is also against your troops? WHO is the group wishing to bring the sons and daughters home ALIVE?

This is representation in its finest measure of how you have given away your Constitution and now demonstrate in favor of that which is 100% unConstitutional!

You have also made your point to the world of intent--you have appointed another Israeli to the Council who confirms the intent of expelling Palestinians from occupied territory--and the media then shows you pictures of happy Israelis (coming into new trust with America). I remind you--the West Bank Palestinians are under cur-

few with orders to the soldiers to shoot to kill ones who break curfew. They are not allowed out of their homes to either seek safety or gather food and water--is this YOUR FREEDOM, AMERICA?

Oh, Mr. Shamir is happy--by the way, chelas, what think ye a "little gray alien" looks like? Ponder it most carefully for you are about to be "had" by them! Remember something most important--Satan never does his own dirty work--he always has his henchmen do the work for him and he remains looking very good and loving unto you. Also remember, it is now "the ones on your placement"--Earth-bound--who are your enemies in truth and your friends in destruction! So be it.

### NOW FOR SADDAM

I have no particular comment regarding Saddam other than that he has rallied Iraqis willing to forfeit life in order to use up your ammunition. Further, he is not taking tranquilizers to maintain sanity and all those other things you are being told. He is calculating and cunning and he takes nothing--it is against the laws to do so. Tranquilizers and drugs are those things of the Western Culture and you ones should know these truths without my having to tell you.

Now what of those missile bunkers that are being "so-called" blown up? Again, he is allowing you to use up your "smart" weapons on minor targets while he continues to hide his arsenal of "real" weaponry. Further, you are losing it, America--you are truly bombing innocent centers and living communities and the hate is building whereby there are thousands of volunteers to die in suicide squads to balance the score--you are truly dealing with eye for eye life, my friends. WHY do you think that none of his major technical weapons have been yet utilized? Your war touters of false projections are making fools of you--the people and cannon fodder of your sons and daughters--this man will not go down easily and now his entire populace is

more solidly with him than ever before as you bomb their women and children who are held in total reverence. Am I on Saddam's side? No, but neither am I on the side of the American military war machine nor your corrupted government! I have but one purpose--the bringing home into Truth and justice the souls of mankind--any Man--anywhere!

Support your troops? Of course, for you forget--the "troops" are NOT "the war". The "troops" are the individual children who would be learning a skill and career and have been trapped into war! I abhor and despise such manipulation of the innocent at the hands of the radicals who will rule your world. You will both pay in money the cost of your own incarceration and insure the control in the name of the Cartel Elite after they have taken your world. It would appear to me that your conjecture that "God supports you" might very well be erroneous indeed.

Who does God support? Any ONE who will come again into his laws with intent through love and Godness! God, friends, does not support "groups"--God supports individuals--wherever they may be and whatever color, race or creed. If YOU have lied to your sons and daughters, I would be getting things squared away with God right away for you are getting into deeper and more serious "soul" danger every passing hour. It will not be ME PLEADING FOR MERCY that will cut it with God--YOU WILL PLEAD FOR MERCY AND TURN INTO TRUTH IF YE WOULD SAVE THINE SOULS--EACH AND EVERY ONE! I can no longer plead in behalf of you in ignorance--for we are bringing forth Truth and if you decline to come into Truth--so be it, for none will force of Truth upon you! The awakening is coming and rising above the noise of the crowds and "fixed" voices of your media enemies--the voice of America shall rise again--I only ask God that it be heard in time for the world is already past the point of "no return" if action is not overwhelming toward Truth very quickly.

All things regarding your freedoms now rest in the hands of the puppet, Bush, at the hands and instruction of his puppet-masters--they are the intended slave-masters and you are the intended slaves. You had best look very closely at this statement, with open mind and clarity of vision.

When the masters tell you that things are going beautifully and right on schedule--believe it! But it is not "your schedule for freedom"; it is the Global Plan 2000 coming down in total perfection against you. If you read no other Journals please read SPACE GATE, SPIRAL TO ECONOMIC DISASTER, SKELETONS IN THE CLOSET, RAPE, RAVAGE, PILLAGE AND PLUNDER OF THE PHOENIX, RAPE OF THE CONSTITUTION, and YOU CAN SLAY THE DRAGON. *If you remain uninformed about Truth of your circumstance--there is not a hope for your finding balance again upon this planet. Open your eyes, ears and minds and you can yet turn it about!*

I can only plead with you to wave your heavenly banners and support your troops to your last breath--DEMAND THAT THIS WAR STOP AND THEY BE ALLOWED TO COME HOME TO TEND OF THEIR OWN COUNTRY AND FAMILIES WHO ARE IN PITEOUS CIRCUMSTANCE! "DEFENDING AMERICA AND THE AMERICAN WAY?" NO--THEY ARE DEFENDING EVIL AND THE SUPPRESSION OF THE GLOBE BY THE ELITE. THE MEDIA AND PRESS ARE INTENTIONALLY CONTROLLED AND SET UP AS MIS/DIS-INFORMATION CENTERS WHICH "THEY" WILL LATER TELL YOU WAS INTENTIONAL TO MISLEAD SADDAM. NO! IT IS STRUCTURED TO MESMERIZE THE POPULACE OF BLESSED AMERICA AND, THOSE WHO ARE ABOUT TO PERISH IN THE NAME OF THE LIE. SO BE IT, MAY GOD SHOW MERCY UPON THE INNOCENT.

COSMIC CODES AND  
PLEIADES CONNECTIONS

To you who plead with me to continue with that subject and postpone the current writings, of which the most recent goes to press this week, BURNT OFFERINGS AND BLOODSTAINED SANDS, I must remind you--if you do not get your world into control, cosmic codes and Pleiades connections will mean nothing except to the few who journey in service unto God and brotherhood of Truth and Light. It is that simple in explanation of "how it is". God will walk every step with you, give you instructions for assistance even with your most worldly perceptions and assets in hopes of you finding the Truth in confirmation--beyond that you will face it quite alone in the judgment by God and self. There ARE ways to protect yourselves and your assets--and you heed them not in general mass; what expect ye of God? God does not force, HE provides the way and the Truth and you will do that which you will. So be it and selah--for the word is given and the word IS GOD!

If I might give one thought for this given day in passage, it would be to "get informed immediately", not yesterday or tomorrow--RIGHT NOW! And, further, if you would hope to move with assets and ability to remain able to function--adhere to the instructions for help as given and TURN AGAIN UNTO GOD AND HIS LAWS WITHIN BALANCE AND HARMONY OF THE CREATION--FOR NAUGHT ELSE WILL SEE YOU INTO A RETURN TO BALANCE. We are sent forth and come forth in love and bearing instructions--it is all that we can do for, until things worsen to the point of annihilation of the planet herself, we will not INTERVENE! Ours is to bring Truth and instructions through and to that which is immortal--your immortal minds and souls--what you will do with that Truth in your consciously physical actions is purely up to you. God has sent forth ones to bravely pronounce "how it is" and ye slay them--others willingly come and you

effort to silence them, also--but Truth will stand into infinity for ye cannot slay Truth and to slay the "Truth-bringers" only merits thee demerits in your written records of God's book of life. Ponder it most carefully for ye teeter on the edge of the abyss most precariously. AHO!

Dharma, take this from the machine and give it unto Oberli to forward to GG--I can really offer no more this morning and I must place a stop to this emotional blockage with the writings of others in God's and Sananda's name. There is willful misunderstanding which is being intentionally fostered and accepted--I care not how emotional individuals react--GOD's words shall NOT go forth until they are truly GOD's words and not those of Earth individuals. Hard?? So be it--but anything to do with physical is of Earth--God's intent for soul awakening is of God--if written as his own words and separation of the two must be made. If ones feel put-upon or wounded, then they must look within at "WHY"! If you write FOR God as his scribe--you have no input as to the message--good or bad in your perception. If you write of your own perceptions, right or wrong, it must be put to your own label and presented as such. The very toying going on regarding Sananda's expression is ably pointing out the fact that it cannot be wholly of God and nothing LESSER is acceptable in HIS NAME! In this statement, I speak on behalf of ATON and not Commander Hatonn. So be it. Ones involved will come into balance and separation from the emotional attachments to self ego and wounded "pride" or move aside that the Truth may be brought forth through another.

Man is pleading for instruction and information on "how" the churches fell into decline at the hands of "democratic voting"--and not more "New Age" material. If that is not accomplished then other resource of bringing forth that documentation and historical material shall be appointed. ARE YOU THERE TO DO GOD'S WORK OR THINE OWN? IT IS INDEED A SIMPLE QUESTION AND

QUITE EASY TO DISCERN BY THE WORDS SPRINGING FORTH FROM THINE OWN MOUTHS. MAN MUST FIRST HEAR TRUTH AND THEN HE CAN BE GIVEN THAT WHICH HELP HIM TO FIND THE BALANCE WITHIN THAT TRUTH--OUT OF SEQUENCE IT ONLY CAUSES PAIN AND MORE CONFUSION.

Good-day and I ask that peace be your solace within,

Gyeorgos C. Hatonn, Cmdr.
