## DISTRACTORS

As we sit to pen this day, the air is heavy with bombardment as governments struggle for control against the awakening tide. There **MUST** be distractions, do you see? The distractions, further, must be massive and terrible to pull your attention from that which they are planning for you in the blackmailed halls of congress and the administration. You are to that time of year again, as with the last, when budgets are set and rules are laid and power is bought and sold among the Elite of the power brokers. What do they plan? Yes, I can tell you and if I do so, perhaps you will see to it that it does not happen. If a thing we tell you does not happen, you seem to think it is because **WE** err and you set your disbelief system into motion. So I can only--again--tell you what they **PLAN** and if we scatter the plans about, perhaps it will dissuade them from the drastic disaster they have in mind. You are not, by a long way, free of the absolute plan of a nuclear war--staged by your nation. Only the "time" is fre-

quently changed to effort to outsmart us so that we do not spoil the surprise. Well, it so happens that we are only a portion of their problem.

There are now ears and eyes in the woodwork of the councils of horror-mongers and you will be getting this very information from some high level news releases, so if you want to start holding your breath now--please do so.

Just as it was planned to atomic bomb Russia on September 17, 1982--the date itself, has become a point around which targets are planned. It is a good time of the year (when the world is moving into fall and winter in the major industrial continents and when Earth changes are already prevalent as well as a time of governmental fiscal year-ends and pressured time limitations on Congressmen, etc.).

You have your government with several major choices and the ultimate of all three. War of massive scale, economic collapse and/or major "natural" disasters. As of this day and date the plans are to trigger the southern San Andreas Fault on

September 17, 1991--38 days from now. How is it that I will give you this specific date? Because it means nothing if plans are changed--I said, "It is planned to trigger the San Andreas Fault and produce a **MAJOR** (9 or more) earth disaster in Southern California--among other things. You cannot trigger such a massive upheaval without terrible consequences. It is **KNOWN** by your geologists that off the coast in mid-Northern California that the two plates (North American and Pacific) are "stuck" and when they jolt loose it will be massive earth movement above 10 points on your scales of measurement. **AGAIN: I AM ONLY TELLING YOU THAT WHICH IS PLANNED BY YOUR ELITE (YOUR OWN PEOPLE)**. Further, do not be surprised at **WHO** will be in the area of the happening to further distract you--for the major leaders of your nation are now forfeit and you will never know **WHO IS WHO AT ANY RATE!** So be it for now; I will not speak more at this time on this matter--I am not a fortune teller.

Now, as to business ventures. I can also say that the hopes of

the Elite are to give all the "brothers" of those Elite time to get business arrangements under control and new corporations begun and some new ones shifted off-shore and then an effort will be to close the loopholes in Nevada for Corporations. It may or may not "sell", but the PLAN is to effort to "Grandfather" corporations in place, and begin to apply new rules to new ones. I will keep you posted as best I can, but again, I am NOT a fortune-teller. You must learn to operate your business and investments NOW for the house of cards is tumbling.

The money panic in the Soviet Union was a trial balloon to see how many Russians had stashed money in "dollars"--they sent forth a notice that all \$100 U.S. bills would be taken out of circulation and become defunct. I think you have all heard of the panic it caused. I can point these things out to you--I cannot do a thing about them. You, Americans, had better pay the most close attention.

The point was that an announcement was made on TV that the United States is printing new \$100 bills and will not honor the old ones. Panicked Soviets deluged the American Embassy and the Moscow offices of U.S. companies with telephone calls. Of course the U.S. Ambassador Jack F. Matlock took an unusual step and made a public denial. Nevertheless, currency exchange windows at many hotels and banks refused to accept \$100 bills. This was on July 25 when the U.S. Treasury Department *announced that it is*

*making changes in the \$100 bills to foil counterfeiters. The Soviets were told that they had only three days in which to exchange the old bills. Now, it is claimed to have been a "joke". On who? How about YOU?*

I again tell you that we have pointed out a pretty safe way to handle your funds and you still refuse to believe your government will take your wealth--THEY PLAN TO TAKE IT ALL, YOUR PROPERTY AND ALL ASSETS! OUR PEOPLE WILL "HELP" YOU--THEY WILL NOT DO IT "FOR" YOU NOR WILL THEY PETITION YOU. I SIMPLY "REMIND" YOU FOR AFTER EVERY SCARE YOU SETTLE BACK DOWN TO YOUR DREAMS AND, WORSE, THE ELITE PLANS ARE TO HAVE YOU SLEEP RIGHT THROUGH TRANSITION INTO ETERNITY--in other words, they plan to kill just as many of you as they can pull off and then bring all the remaining ones into total control.

### EXPLANATIONS

We get pounds of mail from ones wanting more information on how you got to this point and more on how those things, i.e., Cosmospheres, replicas, etc., fit in today. We cannot physically meet all the needs and requests. We are working on an intended enlarging of output very soon. It is difficult because you ones still think it is somehow easier to get this information from the "unseen hand" than from ones with "inside information" and "resources from within". It is through the "unseen ones within

your own places" that the change will be brought through action--JUST knowing won't do much--YOU MUST TAKE ACTION and we are writing as fast as we can in giving you into that KNOWING. The EXACT OUTLAY IS BEING GIVEN UNTO YOU AT THE RATE OF A BOOK WITHIN LESS THAN EVERY THREE WEEKS. THE TASK IS MONUMENTAL. THE INFORMATION IS BEING BROUGHT THROUGH YOUR PLEIADEAN BROTHERS SO THAT THE LEVEL OF UNDERSTANDING WILL BE EASILY WITHIN YOUR GRASP. GOD WILL WORK WITH YOU--HE WILL NOT DO IT FOR YOU.

Every day that passes you grow closer and closer to an indescribable nuclear holocaust. Your government works and serves Israel through total blackmail of your Congress and Administration. I will cover some of those means in a moment. Your nation is floundering in false-patriotism. The very symbols of America are used to lure you into national suicide and you see it not.

During the past months of planned war, then genocide and war and back again to the march of yellow ribbons--you were blinded to the moment and all of the past, including the same husbands and sons who wait to die in prisons in Asia are pushed to the side and their death warrants signed and delivered--in person so they can speak nothing of Truth unto you. The hostages' lives rest on how little they will "tell" as they are re-

leased from Lebanon--and you refuse to see it. History will not record that your President did this or that--it will record that YOU ALLOWED IT!

The drums of war beat louder and louder of holocaust and devastation and day by day more Americans fall into step in the march. The word "Patriotism" is revived and after years of being trampled into the dust; the American flag is suddenly being waved high only to be now replaced by the UN blue turban of the Global beast. True patriotism is not that which is being revived--that which is based on loyalty and love for your country and God. Instead, your so-called leaders are selling you a cheap substitute based solely on greed and hatred. And that which you send out will come back as surely as you breathe out and in--it is the LAW OF THE UNIVERSE. You have sowed hatred, greed and "taking" and now you shall be reaping of the rewards for that which you have allowed while you slept, mesmerized by the drugs and crimes sent against you.

The American spirit is not dead, it is only "missing in action". Who will bring "that" prisoner home? Who will bring that Truth of goodness back to Life that it might come forth again that you might find again your freedom?

Germain has suggested that I write more details of the new bill waiting payment in Washington--between \$50 and \$80 BILLION for services rendered by the Mossad to the U.S.

I believe that I would rather just ask the editor to extract that which Germain wrote yesterday regarding the matter and allow me to move on.

(From Germain, 8/10/91)

So much *EXPRESS* material has piled up that I would like to ask that Hatonn cover the new cost to you taxpayers for "spying" by the Israel mini-state. I believe that even though you THINK you are getting a grasp on the officious taking of your country through deceit--you have no REAL integrated acceptance of the "whole of it". Perhaps this will shaken your eyelids just a tad? You who are ordinary Americans and already see the billions exacted by Israel from the U.S. as a rip-off through the annual rite (since 1949), hear ye; hear ye! You are now looking at a *bill for over \$50 BILLION, claimed by the State of Israel for "intelligence services"!*

Does this sound like some kind of kinky, sick joke? No--there is already a task force quantifying by market evaluation, all information supplied. Ariel (the Butcher) Sharon was Israel's defense minister in the 1980's and he set up a task force to quantify and to set this "market evaluation" on all information the Israeli's military and civilian (Mossad) staffs claimed to have sent to Washington. I would say that with an amount of at least \$50 BILLION (Israel claims the bill is actually OVER \$80 BILLION) that here is just a little proof of what Hatonn and others have been telling you--that is one heck of a large

charge for something of clandestine operation. Do you STILL think you don't have government by BLACKMAIL AGAINST YOUR LEADERS? So be it.

Also, chelas, the holding of Hostages in Lebanon is revolving around how much those hostages can tell about the secret negotiations (blackmail) in the issue. If there is evidence of the clandestine arrangements by the U.S. government in the continued holding of these people, they are not apt to be released. This is WHY McCarthy is still in "seclusion"--until the government finds out what he can "TELL". You see, England has more to hide than does even the U.S.!!! "What you sees and hears is NOT what youze gets!"

(End, 8/10/91)

Is this all confusing? Do you find yourself almost able to sort it out only to find it becomes totally confounded? This is the way the plans are laid down, beloved world citizens. Well, you have the greatest battles yet ahead of you for your adversary Conspiracy gets more and more cornered and the stakes get larger and larger. Honor the ones before you who kept the victories out of the hands of the Elite on two occasions when the "end" was planned for you American citizens.

The greatest victory of all in the battle between the Conspiracy and those who love their freedoms was the failure of the Conspiracy to impose total government down on the American people on either May 1, 1976

(the two-hundredth anniversary of the founding of the *Illuminati*), or on July 4, 1976, (the two-hundredth anniversary of the founding of the U.S.)

*You should know, if you do not, that those plans were made and the foundations for this revolutionary act were laid down in a plan which was made public in Feb., 1946, in the NEW WORLD NEWS, a publication of the Moral Re-Armament OF ENGLAND.*  
Oh, you missed it? sic, sic.

It has been known as the "Dusseldorf Rules for Revolution" for they were first "discovered" in Dusseldorf, Germany, in the headquarters of a revolutionary organization by some Allied soldiers after World War I. The strange thing is that they come right out of the Communist Manifesto for instructions for taking over the World.

In any event, these rules laid down an incredible plan to bring about the conditions that would lead to a massive revolution:

- A. **Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.**
- B. **Get control of all means of publicity, thereby:**
  - 1. **Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.**
  - 2. **Divide the people into hostile groups by constantly**

**harping on controversial matters of no importance.**

- 3. **Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and disgrace.**
- 4. **Always preach true democracy, but seize power as fast and ruthlessly as possible.**
- 5. **By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.**
- 6. **Incite unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of the government toward such disorder.**

**C. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.**

Do YOU suffer from the illusion that your government won't allow these awful things to happen to you? Reread the list and you must recognize they not only will--but have orchestrated the entire scenario to trap you.

Well, working on the assumption that these programs had succeeded in the main and that it was time to move towards their goal of total government, The Conspiracy swung into action.

One of the requirements for the plan to succeed, as envisioned by the planners, was a generation of young people, not only turned off by the establishment,

but trained in guerilla warfare and the desire to rebel against the system. The major factor in creating this attitude amongst the young people of America was the Vietnamese War, created and controlled by the Conspiracy to create the conditions required for its plan to succeed: the war was to create first a drug culture in America and, secondly, a young society willing to rebel against the American government.

There was one young rebel created by the establishment who became the founder of a group called the Yippies. His name is Jerry Rubin and he wrote a book labeled DO IT! in which he details his interest and concerns about the rebellious age in which he lived (survived).

He dedicated his book to: "Nancy, Dope, Color TV, and Violent Revolution" and admonished his readers to: "*Read this book stoned (high on drugs).*"

Rubin said that the Vietnamese War was totally set up and phony: "The Americans [sic, sic] are fighting for nothing you can see, feel, touch or believe in. Their deaths are futile and wasted. 'Why die on Hamburger Hill?' asks the pot-smoking Amerikan [sic] soldier, as he points his gun at the head of the Captain who ordered him to take a hill.... Vietnam is a symbol. The real Viet Kong [sic] are in San Diego."

He realized that the real war was being fought, not in Vietnam, but in the cities and towns of America. He commented about the real purpose of the

drug called marijuana: "*Marijuana is the Communist drug.*"

He wrote this about the new morality called Situation Ethics: "Yippies say if it's not fun, don't do it. We see sex, rock 'n roll and dope as part of a Communist plot to take over Amerika. The Yippie idea of fun is overthrowing the government. Yippies are Maoists." (Supporters of the Chinese Communist Mao Tse Tung.)

It is revealing that even though Jerry's book is in opposition to the establishment, it was published **BY A MAJOR PUBLISHING COMPANY THAT IS PART OF THE ESTABLISHMENT:** Ballantine Books, by arrangement with Simon & Shuster. No real, valid and patriotic American ever gets published by these ones.

The beginning of the end of the Conspiracy's plans of that time, occurred during the 1968 Democratic Convention in Chicago. Viewers of that event will recall a small group of hippies-yippies turned to the streets, getting arrested for violating Chicago's laws. Jerry Rubin admitted that he was very disappointed by the small turnout of these young people: "We once dreamed 500,000 people would come to Czechago (Jerry's spelling of Chicago). We expected 50,000. Maybe some 2,000 to 3,000 FREAKS....made it."

It is most revealing that Rubin used the figure of 500,000 as the number of protestors he hoped would respond to the call in Chicago. This was the EX-

ACT NUMBER OF PEOPLE NEEDED IN TWO RELATED INCIDENTS.

Colonel Edward Mandell House needed a 500,000 man army to enable Philip Dru to take over the Presidency and impose a dictatorship on the American people, in his book PHILIP DRU, ADMINISTRATOR.

And 500,000 was the number of soldiers that Major General Smedley Butler was to command as he imposed a dictatorship on America in 1933.

Apparently those who believe that America should have dictatorship instead of a Presidency feel it will take 500,000 protestors to convince the American people to accept the change at the top. **COULD THIS BE?**

It was a theory of some that Chicago was a test to see how many people could be drawn to an event where there were going to be protests and, in this case, the young people disappointed the Conspiracy: not enough of them came to Chicago. It is the theory of some that it was here that the Conspiracy started revising its plans. You see, the youngsters were already in the hell of a dictatorship with destroyed lives--why would they bother?

Rubin openly stated that the events at Chicago were well planned in advance: "We wanted disruption. We planned it. We were not innocent victims. We worked our plans for a year before we came here. We made our demands so outra-

geous because we wanted the city to deny us what we were asking. We did all of this with one purpose in mind--TO MAKE THE CITY REACT AS IF IT WERE A POLICE STATE."

The use of students for disruptive purposes was not new. The eleventh edition of the ENCYCLOPAEDIA BRITANNICA, published in 1911, described one attempt to use the young radicals for particular purposes, **IN RUSSIA:**

*Among the students of the universities and the higher technical schools, Turgenev (a Russian writer) had noticed a new and strikingly original type--young men and women in slovenly attire, who called into question and ridiculed the generally received convictions and respectable conventionalities of social life and who talked of reorganizing society on strictly scientific principles.*

*They reversed the traditional order of things in trivial matters of external appearance, the males allowing their hair to grow long and the female adepts cutting it short, and adding sometimes the additional badge of blue spectacles....*

*Their appearance, manners, and conversation were apt to shock ordinary people, but to this they were profoundly indifferent, for they had raised themselves above the level of so-called public opinion, despised Philistine 'respectability' and rather like to scandalize people still under the influence of what they considered antiquated prejudices.*

*For aesthetic culture,*

*sentimentalism and refinement of every kind they had a profound and undisguised contempt.*

*Among the antiquated institutions which had to be abolished as obstructions to real progress, were religion, family life, private property and centralized administration.*

*Religion was to be replaced by exact sciences, family life by free love, private property by collectivism, and centralized administration by a federation of independent communes...*

But even this example was not isolated. Economist Ludwig von Mises, who was in Germany prior to World War I, wrote:

*In the decade preceding the First World War, Germany...witnessed the appearance of a phenomenon hitherto unheard of, the youth movement.*

*Turbulent gangs of untidy boys and girls roamed the country, making much noise and shirking their school lessons....*

In other words, even the outlandish garb of the modern hippie or Rubin's Yippies was something that was used to cause divisions among populations in earlier times. These radicals, in pre-revolutionary Russia and pre-WW-I Germany, were being used by the establishment to condition the people to radical change. Such was the case in 1968, in the United States.

Rubin said that he knew the

young people were being used. He wrote: "Revolution is profitable. So the capitalists try to sell it." And: "The hip capitalists have some allies within the revolutionary community: longhairs who work as intermediaries between the kids on the street and the millionaire businessmen."

Rubin also pointed to another group who knew the young people were being used. He identified that group as well: "The hippies see us as politicians and the politicians see us as hippies. **Only the right wing sees us for what we are.**"

### **EARTHQUAKES AND** **SHUTTLES**

Hatonn present in Light, in service unto you, our brothers and our Father, God.

Why are you so restless and non-functional today? Because they are trying to blast you out of existence, chela. We continue to reveal their plans and in effort to compensate they are about to do most foolish things. It is easy to see that most of the ones claiming to work in service unto mankind and God are doing great disservice unto both. The plans have changed to alternatives two and three. Enough has been revealed from both our side and Earth intelligence regarding the planned triggering of the California fault fissure in September that the bungling nitwits are changing it to, hopefully, today or tomorrow. Plan three is to trigger it on the 17th

of August which I believe you will find to be your coming Saturday (day one of year 5). You ones simply must stay alert for I can do no better with the projections.

As this is coming through on their computers it is causing intensified thrust to silence you so I must ask that you attend me most closely.

What most of you do not know is that the "spaceworthy" (you are out of workable shuttles, you know) shuttle is being shipped this time from Florida TO California--for repairs, "they say". The game gets tighter and tighter and the lies more and more open if you but open your own eyes. Right now this is going on and that shuttle in point was immediately shifted and is already in California. The one landed yesterday in Florida came only from its usual transfer point in Australia.

Dharma, we need a rather massive "catch-up" of input which is rolling by so quickly that it will require a lot of "skimming" but there are items of which you **MUST** be remembering:

By the way, for you who keep asking me where is and what has happened to Antony Sutton-- I ask that you not ask me. I concern for Dr. Sutton for he prefers to print garbage regarding new inventions and process material for the disinformation bringers lately. There is a very good reason for that but, yes, he is "missing" and you who are interested in his welfare might be efforting to check into it. Dr. Sutton publishes the

*Phoenix Letter* but has no integration with our material whatsoever. Worse, it is NOT our material which has him as target and if he will inquire and consider shelter--we shall be most happy to communicate with him. It is time that ones who have served so truthfully and faithfully, you of mankind, in the past, had best get into our fold because there are contracts out in the physical plane against them. They can threaten and effort to vanquish my people--they cannot. Even if dimensional changes occur with some of our people--there will be cause for such an effect to be fulfilled. We can work WITH you--not FOR you.

If you cannot tell the differences in the Bushes they are presenting to you hour by hour, then I suggest you catch up a bit more in detail into our writings. By the way, for you who missed it--George Bush's younger BROTHER, Jonathan, has been caught and convicted by Massachusetts regulators for failing to register his brokerage firm in Massachusetts. The New York City based firm of J. Bush & Co. **"without admitting or denying the state's charges"** agreed to a fine of \$30,000 and agreed to cease business with the general public in the state for one year. ***The firm WILL BE ALLOWED to do business with existing clients in the state and with new customers with annual incomes of a minimum of \$200,000.*** Well, what customers do you think will be closed out? Who do YOU think the Bush's do business with--John Q. Public middle-man?

**BEWARE:** *The Spotlight* is telling you that the money switch to "new money" is off. This is a blatant thrust at disinformation--take caution. The plans are not changed--the intent was to either do a massive exchange and/or present bills with identification to be phased "in", depending how the exchange is working in foreign places as in New Zealand, Australia and the Soviet Union. This is another trial balloon being set up to test the waters.

Today the Security Pacific Bank is merging with Bank of America (owned by the Japanese)--you must watch the sleight of hand. Executive Life and a couple of other defaulting insurance companies are being shored up and transferred to the major Bank in France. The "money" is already printed in both formats and is awaiting orders for distribution the minute you-the-public are totally off guard. Mr. Bush can simply write an order--doesn't even actually have to do that for the Federal Reserve System is a private corporation and will act according to orders given down from the World Bankers--the head of which is the Royal Family in London. I remind you that everything in your world is decided and carried through by the Committee of 300. The head of this "Committee" is always attached to the Royal Family of Great Britain. Can you not feel the life being snuffed out of you?

Dharma, allow us to go back to the subject we had begun yesterday--let us finish speaking of the plans afoot for Revolution

for the public is being pushed into such confusion that it is impossible for comprehension without knowing the "intent".

## REVOLUTIONARY COMMUNITY

One of the groups making up the "revolutionary community" was a group known as the Students for a Democratic Society. It was well known by the establishment that they were Communist in nature. In fact, an article in March 1969 reported: "Our primary task is to build a Marxist-Leninist revolutionary movement," declared Michael Klonsky, executive secretary of the Students for a Democratic Society."

The government, through the House Internal Security Committee's Report on SDS' plans for America's High Schools, studied the SDS in great detail. The Chairman of the Committee, Congressman Richard Ichord, stated that: "The aims of the SDS were spelled out in an SDS position paper printed in June, 1969: "The goal is the destruction of US imperialism and the achievement of a classless world: world communism."

In 1980, an FBI agent said the group was bent on committing "arsons, bombings, assassinations--with the goal of overthrowing this country's democratic form of government, with the objective of establishing world Communism."

I am not going to take up the space to label all these references--in this document. They

are available, researched and documented. I further authorize the format designer to indent paragraphs and omit separation line from the body of this material for *EXPRESS* purpose. Ours is not for literary genius--it is for as much information as we can cram into packages as comprehensive as is possible. Any way to cut costs is urged. We need a weekly (or daily) newspaper but we will work with that which we have available at any present moment. I am not going to identify all initialed names, either, for they can be looked up by those who are not informed. Thank you.

In spite of all of this evidence about the nature of the SDS, they continued to receive money from the establishment they were supposedly out to overthrow. In 1970, a group of Ohio legislators received a briefing on campus upheavals in which they heard; "...an Illinois commission report on that state's rioting said that \$192,000 in Federal money and \$85,000 in Carnegie Foundation funds were paid to the Students for a Democratic Society...during the fall of 1969."

Another student, James Kirk, confirmed Gumaer's report. Kirk, while a student at the University of Chicago, and on behalf of the FBI, became active in the SDS, the W.F.B. DuBois Club, the Black Panthers, and the Communist Party. In 1969, Mr. Kirk broke from the Party and the following year testified before the House and Senate Internal Security Committees. His testimony was as follows: "Young people...have no idea

that they are playing into the hands of the Establishment they claim to hate. The radicals think they're fighting the forces of the super-rich, like Rockefeller and Ford, and don't realize that it is precisely such forces which are *behind their own revolution*, financing it, and using it for their own purposes." This is the same thing which has happened to ALL OF YOUR ECOLOGY AND "GREEN" GROUPS AS WELL AS YOUR NATIVE CULTURAL MOVEMENTS AND MUSEUMS.

*By the way, do you know?: Madison, Wisconsin's public school system has MANDATED THE REMOVAL OF ALL REFERENCES TO CHRIST AT CHRISTMAS, banning ALL crosses, churches, Christmas trees and parties! The vacation has been renamed "winter break".*
